

Dialogues from Lilo and Stitch II to improve the vocabulary in English

1

00:00:00,700 --> 00:00:02,580

(BEEPING)

2

00:00:11,673 --> 00:00:13,591

(ELECTRICAL BUZZING)

3

00:00:40,640 --> 00:00:42,098

(ZAPPING)

4

00:00:42,597 --> 00:00:44,477

(MANIACAL LAUGHTER)

5

00:00:44,553 --> 00:00:45,628

Huh?

6

00:00:46,165 --> 00:00:47,354

Oh.

7

00:00:47,968 --> 00:00:49,886

Ha-ha-ha-ha!

8

00:00:54,490 --> 00:00:55,987

(HAWAIIAN MUSIC)

9

00:01:02,164 --> 00:01:03,238

(GROWLS)

10

00:01:03,660 --> 00:01:05,271

(SCREAMING)

11

00:01:06,192 --> 00:01:08,763

<i>- Aloha.</i>

- What?

12

00:01:10,144 --> 00:01:11,909

STITCH: Bye-bye.

13

00:01:15,630 --> 00:01:16,590

(COUGHS)

14

00:01:17,165 --> 00:01:19,007

(LAUGHS)

15

00:01:33,548 --> 00:01:36,272

Stitch, why are you doing this?

16

00:01:37,845 --> 00:01:39,034

Ah-ha-ha-ha-ha!

17

00:01:39,226 --> 00:01:40,492

Please stop.

18

00:01:46,401 --> 00:01:47,782

(GROWLS)

19

00:01:47,859 --> 00:01:48,818

(GASPS)

20

00:01:51,619 --> 00:01:53,537

Stop it, Stitch. Don't...

21

00:01:56,568 --> 00:01:58,678

No! Stitch!

22

00:01:58,755 --> 00:02:01,632

Wake up! Wake up!

23

00:02:01,709 --> 00:02:04,203

Wake up, Stitch. Wake up.

24

00:02:04,280 --> 00:02:06,582

Stitch, wake up.

25

00:02:06,658 --> 00:02:09,958

It's all right. Don't worry.

26

00:02:10,035 --> 00:02:13,296

You were just having
another nightmare.

27

00:02:13,373 --> 00:02:16,557

- Seems like a bad one.

- (MUTTERS IN ALIEN LANGUAGE)

28

00:02:16,749 --> 00:02:18,897

You know what this means, don't you?

29

00:02:19,012 --> 00:02:23,041

Hmm. Very interesting.

30

00:02:23,118 --> 00:02:24,844

Why don't you tell me
what happened next?

31

00:02:24,921 --> 00:02:27,415

Well...

(MUTTERS IN ALIEN LANGUAGE)

32

00:02:27,492 --> 00:02:29,180

(MIMICS EXPLOSION)

33

00:02:29,256 --> 00:02:32,326

- Mmm, I see.

- Then... (MIMICS MACHINE GUN)

34

00:02:32,402 --> 00:02:34,743

And then... (SHRIEKING)

35

00:02:34,820 --> 00:02:36,393

And then... (GASPS)

36

00:02:36,891 --> 00:02:39,731

That's it. No more.

37

00:02:39,807 --> 00:02:44,795

It's my professional opinion
that you're afraid of turning bad again.

38

00:02:44,872 --> 00:02:47,097

We need to test your goodness level.

39

00:02:47,174 --> 00:02:51,586

For example, someone bad would
let this Elvis <i>Blue Hawaii</i> lamp,

40

00:02:51,663 --> 00:02:56,305

circa 1971,
smash to pieces against that wall.

41

00:02:56,727 --> 00:03:01,293

Or let my favorite book,

<i>Plastic Surgeries Gone Wrong,</i>

42

00:03:01,369 --> 00:03:03,671

drop out this window to be lost forever.

43

00:03:03,748 --> 00:03:05,398

Yah! Waagh!

44

00:03:07,124 --> 00:03:12,342

Or let his family member

fall to her painful, crushing death.

45

00:03:12,419 --> 00:03:14,299

No!

46

00:03:14,376 --> 00:03:18,251

See?

Look at all the good things you did.

47

00:03:18,328 --> 00:03:21,550

My prognosis?

Your goodness level is extra high.

48

00:03:22,701 --> 00:03:24,121

Nothing to worry about.

49

00:03:26,346 --> 00:03:29,147

WOMAN: Lilo! Stitch!

You're gonna be late for hula class.

50

00:03:29,224 --> 00:03:30,490

Except that.

51

00:03:30,989 --> 00:03:31,948

(ELECTRIC BUZZING)

52

00:03:34,710 --> 00:03:36,130

- LILO: Stitch!

- (GASPS)

53

00:03:37,588 --> 00:03:39,276

Hurry up, you two.

54

00:03:39,391 --> 00:03:42,806

Hey, can you guys help me today?

It's family night.

55

00:03:42,882 --> 00:03:45,376

- I want the house clean.

- Not me.

56

00:03:45,453 --> 00:03:49,021

I have very important project

I've been working on.

57

00:03:49,098 --> 00:03:51,055

- No more crop circles!

- Ah!

58

00:03:51,131 --> 00:03:54,047

Oh... All the other aliens

get to make them.

59

00:03:54,124 --> 00:03:58,076

- What about you?

- I have a full day of Earth research.

60

00:03:58,152 --> 00:04:00,723

Watching talk shows
and reading magazines?

61

00:04:00,838 --> 00:04:02,565

Yeah, it takes it out of ya.

62

00:04:02,680 --> 00:04:04,867

Can we take the hovercraft? Please?

63

00:04:04,943 --> 00:04:08,396

It's too dangerous.

Besides, someone may see you.

64

00:04:08,473 --> 00:04:10,545

- Please?

- Please?

65

00:04:11,197 --> 00:04:14,765

All right,
you can take it if you can find it.

66

00:04:14,880 --> 00:04:16,108

Yes!

67

00:04:16,185 --> 00:04:18,564

I hid it so good this time, they're never...

68

00:04:18,679 --> 00:04:21,172

Thanks, Nani.

69

00:04:21,249 --> 00:04:24,549

Aw! I gotta find
a better hiding place for that thing.

70

00:04:25,086 --> 00:04:27,196

STITCH: Whoa! Whoa!

71

00:04:28,539 --> 00:04:30,611

<i>There's no place I'd rather be</i>

72

00:04:30,687 --> 00:04:32,376

(CHORUS IN HAWAIIAN)

73

00:04:32,452 --> 00:04:35,675

<i>Lingering in the ocean blue</i>

74

00:04:36,788 --> 00:04:38,514

Oops. Sorry!

75

00:04:38,591 --> 00:04:41,430

<i>I'd surf till the sun sets

beyond the horizon</i>

76

00:04:44,922 --> 00:04:49,871

<i>Flying by

on a Hawaiian rollercoaster ride</i>

77

00:04:52,557 --> 00:04:56,432

(CHORUS IN HAWAIIAN)

78

00:05:03,107 --> 00:05:05,026

(LAUGHS)

79

00:05:06,369 --> 00:05:08,210

- (BOTH LAUGHING)

<i>- Hawaiian rollercoaster ride</i>

80

00:05:08,325 --> 00:05:11,702

<i>There's no place I'd rather be</i>

81

00:05:15,845 --> 00:05:18,761

Girls, I have very exciting news.

82

00:05:18,838 --> 00:05:21,293

This week is our May Day...

83

00:05:21,408 --> 00:05:23,941

Sorry I'm late. But wait till you see this.

84

00:05:24,017 --> 00:05:26,434

I got my 'uli'uli technique down.

85

00:05:26,511 --> 00:05:28,583

- Lilo...

- Kui kala laima!

86

00:05:29,274 --> 00:05:30,616

Ho kee ma!

87

00:05:31,269 --> 00:05:33,110

Uliuli, uliuli, ha!

88

00:05:33,187 --> 00:05:34,952

- Lilo?

- Uliuli, uliuli, ha!

89

00:05:36,065 --> 00:05:37,024

Uliuli, uliuli, ha!

90

00:05:37,446 --> 00:05:39,479

Lilo, we're not doing that today.

91

00:05:39,556 --> 00:05:41,474

We're not doing that today.

92

00:05:43,354 --> 00:05:45,004

Nyah-nyah-nyah-nyah,

nyah-nyah-nyah.

93

00:05:45,426 --> 00:05:46,385

Bleugh!

94

00:05:46,769 --> 00:05:47,728

(GROWLS)

95

00:05:48,227 --> 00:05:50,414

Kumu has an announcement.

96

00:05:50,529 --> 00:05:55,018

In three days

is our town's May Day celebration.

97

00:05:55,094 --> 00:05:56,783

And here's the best part.

98

00:05:56,859 --> 00:05:59,468

There will be a hula competition.

99

00:05:59,545 --> 00:06:02,001

Each of you will create an original hula.

100

00:06:02,077 --> 00:06:05,530

The one that
best expresses the *aloha* spirit

101

00:06:05,607 --> 00:06:08,062

will lead our *halau*
as the winning dance.

102

00:06:08,408 --> 00:06:09,597

You, you, you!

103

00:06:09,674 --> 00:06:12,551

- Are there any questions?

- Kumu, I have one.

104

00:06:12,782 --> 00:06:16,657

Will people who are late to class
be allowed to participate?

105

00:06:16,733 --> 00:06:21,030

Mertle, I think in the spirit of *aloha*,
we should be tolerant of others.

106

00:06:21,107 --> 00:06:23,026

Well, there's no harm in asking.

107

00:06:23,102 --> 00:06:28,320

I want you to use class time today
to begin working on your ideas.

108

00:06:28,397 --> 00:06:30,776

The May Day celebration is big time.

109

00:06:30,852 --> 00:06:32,464

The whole town will be there.

110

00:06:32,541 --> 00:06:34,612

Maybe I'll get a contract.

111

00:06:34,689 --> 00:06:38,372

We can do any idea we want.
Even make our own costumes.

112

00:06:38,449 --> 00:06:40,444

- Cool!

- It'll be a lot of work.

113

00:06:40,521 --> 00:06:42,900

My mom knows
how to make great costumes.

114

00:06:42,976 --> 00:06:44,933

My mom can sew really good.

115

00:06:45,010 --> 00:06:47,964

My mom knows a lot about hula.
She can help me with it.

116

00:06:48,041 --> 00:06:50,842

- I guess Lilo's on her own.
- She doesn't have a mom.

117

00:06:50,918 --> 00:06:53,259

- Don't say that.
- It's the truth.

118

00:06:53,335 --> 00:06:56,597

- Not everyone has a mom.
- All right, don't bite my head off.

119

00:06:56,673 --> 00:06:59,129

I don't know

what costume I'm gonna wear.

120

00:07:00,241 --> 00:07:02,659

Lilo, may I speak with you?

121

00:07:05,920 --> 00:07:08,567

This is a book of past winners.

122

00:07:08,874 --> 00:07:10,792

Do you know who this is?

123

00:07:11,751 --> 00:07:13,478

It's your mother.

124

00:07:14,053 --> 00:07:16,164

- My mom?

- Aye.

125

00:07:16,240 --> 00:07:19,271

She won the competition
when she was your age.

126

00:07:19,348 --> 00:07:24,566

She was as beautiful as an orchid
and as graceful as a rolling wave.

127

00:07:26,292 --> 00:07:28,633

Here. To inspire you.

128

00:07:31,127 --> 00:07:33,007

Mmm.

129

00:07:33,927 --> 00:07:35,309

That's my mom.

130

00:07:35,424 --> 00:07:38,455

She won the competition
when she was my age.

131

00:07:41,601 --> 00:07:43,366

Yay!

132

00:07:45,706 --> 00:07:47,126

Hey, Lilo.

133

00:07:47,241 --> 00:07:52,075

Maybe your dog can take a picture
of me when I win the competition.

134

00:07:52,344 --> 00:07:55,720

- How do you know you'll win?
- It's pretty well known

135

00:07:55,797 --> 00:07:58,828

that I'm the best dancer
in the seven-year-old division.

136

00:07:58,904 --> 00:08:01,820

I don't know. I think maybe I can win.

137

00:08:01,897 --> 00:08:02,933

Hello?

138

00:08:03,010 --> 00:08:06,885

You're a stinky dancer, and anything
you come up with will be stinky.

139

00:08:07,268 --> 00:08:08,803

- Oh!

- Uh-uh.

140

00:08:09,072 --> 00:08:12,179

You'll never be like your mom. Never.

141

00:08:13,484 --> 00:08:15,594

- Okay.

- That's it!

142

00:08:15,824 --> 00:08:17,052

Smile.

143

00:08:17,129 --> 00:08:19,200

(SCREAMING)

144

00:08:19,354 --> 00:08:21,311

(CAMERA SHUTTER)

145

00:08:24,035 --> 00:08:27,679

As you can see,
there was a little disagreement...

146

00:08:28,639 --> 00:08:30,365

- Again.

- Ai-ya.

147

00:08:30,787 --> 00:08:32,667

Next time, flush the evidence.

148

00:08:32,782 --> 00:08:33,933

Ka-shush.

149

00:08:34,087 --> 00:08:37,693

Why don't you come inside, Kumu?

Excuse the mess.

150

00:08:37,770 --> 00:08:38,729

KUMU: Ooh-we.

151

00:08:39,381 --> 00:08:41,069

We have a full house.

152

00:08:41,146 --> 00:08:44,829

Make yourself at home, Kumu.

I just made some lemonade.

153

00:08:44,906 --> 00:08:46,364

- Wha...

- Hey!

154

00:08:46,441 --> 00:08:48,436

Nani, we're out of lemonade.

155

00:08:48,513 --> 00:08:50,546

Pleakley, I just made that.

156

00:08:50,968 --> 00:08:54,421

Nani. You have to come to lab
and see my new invention.

157

00:08:54,498 --> 00:08:55,802

I just mopped in here!

158

00:08:55,879 --> 00:08:58,450

It will improve your primitive earthly life.

159

00:08:58,526 --> 00:09:00,099

Speaking of improving your life,

160

00:09:00,176 --> 00:09:04,588

I've just been reading this article
called *Ten Days To A Slimmer You.*

161

00:09:04,665 --> 00:09:06,852

Full of wonderful suggestions.

162

00:09:06,929 --> 00:09:10,497

Guys, I don't have time for this.

We have a guest.

163

00:09:10,574 --> 00:09:12,454

A guest? Well, let's go meet him.

164

00:09:12,530 --> 00:09:15,062

Let's not. Lilo's in enough trouble.

165

00:09:16,060 --> 00:09:18,631

- BOTH: Trouble?

- Well, all out of lemonade.

166

00:09:18,746 --> 00:09:24,194

Anyway, I know my sister

is very sorry and didn't mean it.

167

00:09:24,386 --> 00:09:26,304

- Very sorry.

- See?

168

00:09:26,381 --> 00:09:27,954

- But I did mean it.

- Lilo?

169

00:09:28,030 --> 00:09:31,100

Next time,

Mertle Edmonds is going down.

170

00:09:31,177 --> 00:09:33,057

She's going way down.

171

00:09:33,172 --> 00:09:34,975

- (MIMICS CROWD CHEERING)

- (NANI CHUCKLES)

172

00:09:35,052 --> 00:09:37,008

No more pro wrestling for you.

173

00:09:37,085 --> 00:09:40,500

Where is she? Where is she?

174

00:09:40,845 --> 00:09:42,763

- Wow.

<i>- Ai-kapulu.</i>

175

00:09:42,840 --> 00:09:47,176

There's our precious angel, who must
be the victim of a misunderstanding.

176

00:09:47,252 --> 00:09:49,132

- Oh, no, no...

- Where is she?

177

00:09:49,209 --> 00:09:53,046

- Jumba. What are you doing?

- Don't worry. The cavalry has arrived.

178

00:09:53,122 --> 00:09:55,002

- There she is.

- No, no, no, no.

179

00:09:55,079 --> 00:09:58,724

Somebody give this kid gold star,
she's so good.

180

00:09:58,801 --> 00:10:00,182

I don't believe we've met.

181

00:10:00,259 --> 00:10:04,709

This is Uncle Jumba and
I'm Auntie Pleakley. *<i>Enchantée.</i>*

182

00:10:04,786 --> 00:10:07,817

On second thought, Kumu,
we should talk outside.

183

00:10:07,894 --> 00:10:09,965

It's not polite to interrupt your auntie.

184

00:10:10,042 --> 00:10:11,462

- Knock, knock.

- David.

185

00:10:11,538 --> 00:10:13,457

How's it, everybody?

186

00:10:14,186 --> 00:10:18,022

You remember my Auntie Pleakley
and Uncle Jumba, right?

187

00:10:18,291 --> 00:10:20,631

- Uh...

- Say something.

188

00:10:20,708 --> 00:10:21,936

Uh...

189

00:10:22,550 --> 00:10:25,274

- Nice hat.

- Why, thank you, David.

190

00:10:25,351 --> 00:10:28,266

See? Uncle Jumba

said it made me look top-heavy.

191

00:10:28,343 --> 00:10:30,185

Aunt Pleakley wanted the truth.

192

00:10:30,261 --> 00:10:34,367

What we want and what we need
are entirely different things.

193

00:10:34,559 --> 00:10:35,863

It's true what they say.

194

00:10:35,940 --> 00:10:38,088

Men are from Mars,
and women are from Venus.

195

00:10:38,971 --> 00:10:40,314

- Nani.

- Yeah? Uh-huh?

196

00:10:40,390 --> 00:10:43,038

You've been stressing,
so I got movie tickets.

197

00:10:43,114 --> 00:10:44,726

Movie?

198

00:10:44,841 --> 00:10:49,061

David, I would love to, really,
but I'm gonna have to rain check.

199

00:10:49,138 --> 00:10:53,320

- That's okay. I understand.

- Great. Thanks for understanding.

200

00:10:53,972 --> 00:10:57,387

I dare you to say that's not flattering,
even on him.

201

00:10:57,464 --> 00:11:00,418

Okay, I'm sure that Kumu

isn't interested in this.

202

00:11:00,533 --> 00:11:03,142

- Nice to be meeting you.

<i>- Au revoir.</i>

203

00:11:03,257 --> 00:11:04,446

Bye-bye.

204

00:11:05,329 --> 00:11:07,861

Boy. Good thing we were here.

205

00:11:08,513 --> 00:11:10,278

I'm not talking to you.

206

00:11:10,662 --> 00:11:13,539

Ha-ha...

Sorry about the relatives, Kumu.

207

00:11:13,654 --> 00:11:16,647

Yeah, sorry. Thanks for coming.

See ya at the competition.

208

00:11:17,069 --> 00:11:18,028

(LOCK CLICKS)

209

00:11:18,911 --> 00:11:20,675

Lilo?

210

00:11:26,737 --> 00:11:29,193

I know you want to be
in the competition,

211

00:11:29,270 --> 00:11:32,646

but your behavior today
makes me think you're not ready.

212

00:11:32,723 --> 00:11:34,833

No. I'm ready. It's just...

213

00:11:36,828 --> 00:11:40,588

Mertle pushed my buttons.
I'll be good. I mean it.

214

00:11:40,703 --> 00:11:45,614

I hope so. If there's any more trouble,
you won't be allowed in the competition.

215

00:11:45,691 --> 00:11:49,642

I promise. There won't be any trouble.
I promise, promise.

216

00:11:50,180 --> 00:11:51,868

I triple promise.

217

00:11:52,482 --> 00:11:55,014

- Okay, then.
- Thank you, Kumu.

218

00:11:55,206 --> 00:11:58,237

You don't have to worry.
I've seen the error of my ways.

219

00:11:58,313 --> 00:12:01,997

I will be good from now on
and be the best hula dancer ever.

220

00:12:02,073 --> 00:12:03,685

You'll see. I can do it.

221

00:12:03,992 --> 00:12:05,872

There's no way I can do this.

222

00:12:09,708 --> 00:12:14,159

Just because my mom was
a great hula dancer doesn't mean I am.

223

00:12:14,389 --> 00:12:19,914

The only thing I know
I inherited from her is, well, Nani.

224

00:12:21,564 --> 00:12:22,523

Yeuch!

225

00:12:23,482 --> 00:12:27,626

What if Mertle's right
and everything I do is gonna be stinky?

226

00:12:28,623 --> 00:12:30,733

Maybe I'm just stinky...

227

00:12:31,731 --> 00:12:33,035

Like cheese.

228

00:12:34,340 --> 00:12:35,721

(MUTTERS)

229

00:12:38,138 --> 00:12:43,471

But my mom was beautiful

like an orchid and graceful like a wave.

230

00:12:49,456 --> 00:12:51,260

I'll never be like her.

231

00:13:18,308 --> 00:13:20,495

You think I can do it?

232

00:13:20,572 --> 00:13:23,066

We do together.

233

00:13:26,442 --> 00:13:28,015

Let's win this thing.

234

00:13:28,092 --> 00:13:29,703

- Okey...

- Dokey.

235

00:13:30,547 --> 00:13:32,350

Hula ideas, take one.

236

00:13:32,542 --> 00:13:34,346

Mummies.

237

00:13:34,921 --> 00:13:36,801

(STITCH MOANS)

Huh?

238

00:13:36,878 --> 00:13:39,410

Amputation.

239

00:13:39,909 --> 00:13:41,827

Vampire bats.

240

00:13:41,904 --> 00:13:43,400

Recycling.

241

00:13:43,515 --> 00:13:45,088

- Gossip.

- (GASPS)

242

00:13:45,165 --> 00:13:46,968

Skydive.

243

00:13:47,045 --> 00:13:48,004

Ouch.

244

00:13:49,462 --> 00:13:51,994

I wonder if Elvis had these problems.

245

00:13:52,378 --> 00:13:53,644

Done.

246

00:13:53,798 --> 00:13:58,478

Okay, everyone,

family fun night is ready to begin.

247

00:13:59,361 --> 00:14:00,665

Everyone?

248

00:14:02,392 --> 00:14:03,658

Anyone?

249

00:14:05,116 --> 00:14:07,955

Guys, family fun night.

Everything's ready.

250

00:14:08,032 --> 00:14:09,835

Let's... What's going on?

251

00:14:09,950 --> 00:14:12,751

We're increasing the flow of blood
to our brains to make us think.

252

00:14:12,828 --> 00:14:15,628

- We've only got one day and 23 hours...
- And 16 minutes.

253

00:14:15,743 --> 00:14:19,465

...to come up with the winning idea,
so please leave us alone to think.

254

00:14:19,542 --> 00:14:20,539

Please.

255

00:14:20,616 --> 00:14:25,680

You'll figure it out, and if you ask me,
it's a perfect time to take a break.

256

00:14:25,757 --> 00:14:26,947

- Pass.

- Pass.

257

00:14:27,369 --> 00:14:30,630

- I said, if you ask me, it's...

- We kinda didn't ask you.

258

00:14:31,128 --> 00:14:32,740

That's it, you two.

259

00:14:32,817 --> 00:14:36,385

I've been cooking for hours
and finally picked up the house

260

00:14:36,461 --> 00:14:39,454

just so we can have quality fun time
like Mom used to.

261

00:14:39,646 --> 00:14:42,370

You're part of this family,

262

00:14:42,485 --> 00:14:46,283

so you are gonna come downstairs
and have family fun.

263

00:14:46,398 --> 00:14:47,319

Fun, fun, fun!

264

00:14:47,396 --> 00:14:48,701

(SHRIEKING)

265

00:14:50,504 --> 00:14:52,192

Is everyone having fun?

266

00:14:52,307 --> 00:14:53,957

ALL: Oh, yeah!

267

00:14:54,033 --> 00:14:55,760

- Great.

- Loads of fun!

268

00:14:56,144 --> 00:14:59,136

- I made sci-fi snacks.

- Yummy.

269

00:14:59,290 --> 00:15:02,321

We have deep-fried Martian cockroach.

270

00:15:04,239 --> 00:15:05,812

Mm. Delicious

271

00:15:05,927 --> 00:15:09,150

- I think I'm gonna throw up.

- Ew. I think someone did.

272

00:15:10,224 --> 00:15:11,951

Uh, Nani, what are these?

273

00:15:12,219 --> 00:15:15,097

Alien eyeball dumplings.

274

00:15:15,174 --> 00:15:17,015

What kinda sick joke is this?

275

00:15:17,092 --> 00:15:19,279

Don't be making her mad. Eat it.

276

00:15:21,619 --> 00:15:22,694

It's good.

277

00:15:31,288 --> 00:15:33,973

- Cockroach?

- I'm too upset to eat.

278

00:15:34,395 --> 00:15:35,892

I'm hula-less.

279

00:15:36,045 --> 00:15:38,654

Aw, I'm sure

you'll come up with something.

280

00:15:38,808 --> 00:15:40,918

Come on. Let's watch the movie.

281

00:15:41,493 --> 00:15:44,985

<i>...are dangerous.

They'll destroy everything in their path.</i>

282

00:15:45,061 --> 00:15:47,325

The authorities are asking all...

283

00:15:48,476 --> 00:15:52,313

- It's a bit redundant, don't ya think?

- Shush. I'm trying to watch movie.

284

00:15:53,540 --> 00:15:54,538

Ew.

285

00:15:56,265 --> 00:15:59,718

(JUMBA BLUBBERING, SNIFFLING)

286

00:16:00,216 --> 00:16:01,904

It's so beautiful.

287

00:16:02,442 --> 00:16:07,161

Nani, I think you did a great job
with family night.

288

00:16:07,736 --> 00:16:10,499

- Psst. I know what your problem is.

- What?

289

00:16:10,614 --> 00:16:14,565

I'm sorry to break it to you,
but your relationship has fizzled.

290

00:16:14,757 --> 00:16:16,752

We've been only going out
for three weeks.

291

00:16:16,829 --> 00:16:18,287

A fizzle is a fizzle.

292

00:16:18,671 --> 00:16:22,431

According to this,
comfort plus time equals boring.

293

00:16:22,699 --> 00:16:24,311

DAVID: I think she's just tired.

294

00:16:24,387 --> 00:16:27,227

- Tired, or tired of you?

- Shh.

295

00:16:28,224 --> 00:16:30,564

I wanted to dance

at your wedding, but...

296

00:16:30,641 --> 00:16:32,828

- Shh.

- Fine.

297

00:16:36,435 --> 00:16:38,008

(LAUGHTER)

298

00:16:42,688 --> 00:16:45,336

- (ZAPPING)

- (STITCH YELPS)

299

00:16:45,873 --> 00:16:47,945

Hmm? Hmm.

300

00:16:48,597 --> 00:16:49,556

Mm-mm.

301

00:16:51,551 --> 00:16:52,856

Ow! Huh?

302

00:17:02,984 --> 00:17:04,097

What?

303

00:17:10,121 --> 00:17:12,346

(STITCH YELLS)

304

00:17:15,530 --> 00:17:16,950

- Ah, Stitch!

- Oh, Stitch!

305

00:17:20,403 --> 00:17:21,823

Stitch?

306

00:17:21,899 --> 00:17:23,741

(JABBERS)

307

00:17:27,616 --> 00:17:28,690

Oh, no.

308

00:17:30,148 --> 00:17:34,484

Jumba, Jumba, slow down!

Where ya going? Include me!

309

00:17:34,560 --> 00:17:36,440

Something's wrong with 626.

310

00:17:36,517 --> 00:17:37,783

- What is it?

- I don't know.

311

00:17:37,860 --> 00:17:39,088

Or won't tell?

312

00:17:39,164 --> 00:17:40,776

Ow! My good eye!

313

00:17:41,697 --> 00:17:43,346

You don't trust me.

314

00:17:43,423 --> 00:17:47,643

Fine. You won't tell me what's going on.

I won't tell you something.

315

00:17:47,720 --> 00:17:52,324

Ooh, what an interesting secret

I have that I won't tell Jumba.

316

00:17:52,401 --> 00:17:54,549

Oh, my, it's a juicy one.

317

00:17:54,626 --> 00:17:57,005

- Quiet, you.

- Okay, I don't have a secret.

318

00:17:57,082 --> 00:18:00,496

But don't shut me out.

Let me in. Let me...

319

00:18:00,573 --> 00:18:03,297

- What's that?

- Is sample of Stitch's fur.

320

00:18:04,832 --> 00:18:06,827

Now we shall see.

321

00:18:07,095 --> 00:18:09,513

(BEEPING)

322

00:18:09,666 --> 00:18:11,354

No. No.

323

00:18:11,508 --> 00:18:13,886

Those idiot police.

324

00:18:13,963 --> 00:18:15,958

I hoped this day would never come.

325

00:18:16,188 --> 00:18:20,063

What are you talking about?

What is wrong with Stitch?

326

00:18:21,790 --> 00:18:25,972

During his creation,
Stitch was never fully charged.

327

00:18:26,087 --> 00:18:27,737

(LAUGHTER)

328

00:18:30,154 --> 00:18:31,650

There is it.

329

00:18:32,993 --> 00:18:35,257

(CACKLING)

330

00:18:38,173 --> 00:18:40,206

(CACKLING CONTINUES)

331

00:18:43,275 --> 00:18:44,733

(COUGHS)

332

00:18:44,810 --> 00:18:46,959

That's not so easy on the throat.

333

00:18:48,417 --> 00:18:53,021

Oh, can it be? Have I done it?

334

00:18:54,133 --> 00:18:55,092

(WHIMPERS)

335

00:19:00,694 --> 00:19:03,993

So cute, so fluffy, even.

336

00:19:04,070 --> 00:19:05,029

(SNIFFS)

337

00:19:05,797 --> 00:19:07,907

Where did I go wrong?

338

00:19:10,861 --> 00:19:12,549

Ha-ha-ha! What a relief.

339

00:19:13,470 --> 00:19:17,575

Your name is 626. Isn't that nice?

340

00:19:17,921 --> 00:19:18,880

(GROWLS)

341

00:19:18,957 --> 00:19:20,645

Oh, I know, I know.

342

00:19:20,721 --> 00:19:25,479

You want to get out and wreak havoc,
but your molecules need to be charged.

343

00:19:25,901 --> 00:19:28,049

That's most important part.

344

00:19:31,080 --> 00:19:32,692

(BLEEPING)

345

00:19:34,572 --> 00:19:38,255

Meanwhile, I've got a surprise for you.
Close your eyes.

346

00:19:38,792 --> 00:19:41,555

No peeking. He cheats already.

347

00:19:41,631 --> 00:19:42,859

Aw, jiggyebig.

348

00:19:43,281 --> 00:19:45,545

- Ta-da!

- (MUTTERS)

349

00:19:46,312 --> 00:19:48,115

If it's too big, I have it taken in.

350

00:19:48,192 --> 00:19:49,573

- (BANGING)

- Uh-oh.

351

00:19:49,650 --> 00:19:53,525

- Open up! Intergalactic Police!

- Is nobody home.

352

00:19:53,947 --> 00:19:56,326

Uh, check is in mail.

353

00:19:56,403 --> 00:19:57,669

(HIGH-PITCHED) I'm in the tub.

354

00:19:59,280 --> 00:20:03,040

You are under arrest
for illegal genetic experimentation.

355

00:20:03,117 --> 00:20:05,419

You idiots, you will ruin everything.

356

00:20:05,496 --> 00:20:08,526

- Oh, no.

- Yeah. Tell it to the Council.

357

00:20:08,795 --> 00:20:10,138

You two, get the evidence.

358

00:20:10,215 --> 00:20:13,399

Stop.

His molecules aren't fully charged.

359

00:20:13,514 --> 00:20:14,895

No, no! No! Oh.

360

00:20:14,972 --> 00:20:16,929

COMPUTER: *<i>Warning. Warning.</i>*

361

00:20:17,351 --> 00:20:19,269

<i>Electromagnetic bonding incomplete.</i>

362

00:20:19,423 --> 00:20:23,144

No, no,
there's no telling what will happen.

363

00:20:23,221 --> 00:20:25,024

Let me go. No!

364

00:20:25,178 --> 00:20:29,321

What will become
of my little monstrosity?

365

00:20:29,820 --> 00:20:32,391

Now his circuits are going haywire.

366

00:20:32,889 --> 00:20:34,808

That's why he was freaking out.

367

00:20:34,884 --> 00:20:35,959

He can't control it.

368

00:20:36,074 --> 00:20:40,486

If it continues, his circuits will
burn themselves out like supernova.

369

00:20:40,640 --> 00:20:42,404

Can ya...

Can ya fix him?

370

00:20:42,481 --> 00:20:46,164

I must,
or my little Stitch will shut down...

371

00:20:47,737 --> 00:20:49,157

For good.

372

00:21:00,398 --> 00:21:01,703

- (FOOTSTEPS)

- (GASPS)

373

00:21:03,813 --> 00:21:06,077

Stitch? Stitch?

374

00:21:13,213 --> 00:21:14,172

(WHIMPERS)

375

00:21:22,344 --> 00:21:27,409

Once there was a boy with big,
puffy hair who loved meat loaf a lot.

376

00:21:28,867 --> 00:21:31,207

So he put the leftovers
in his pillowcase.

377

00:21:31,591 --> 00:21:36,271

But that night, a buzzard flew in the
window and tried to eat the meat loaf.

378

00:21:37,000 --> 00:21:39,111

Trashed the whole house.

379

00:21:39,763 --> 00:21:42,986

And do you know who that boy was?

380

00:21:43,062 --> 00:21:44,328

- Elvis.

- Huh?

381

00:21:44,789 --> 00:21:46,247

True story.

382

00:21:48,741 --> 00:21:51,311

I think Stitch feel better.

383

00:21:51,426 --> 00:21:53,690

Even Elvis slipped up sometimes.

384

00:21:53,843 --> 00:21:57,373

But he never stopped trying,
and neither can we.

385

00:21:59,445 --> 00:22:00,519

- Elvis!

- Elvis!

386

00:22:00,596 --> 00:22:02,629

(BUGLE PLAYS REVEILLE)

387

00:22:15,482 --> 00:22:17,017

At ease.

388

00:22:17,286 --> 00:22:20,508

When Elvis was in the army,
he got things done.

389

00:22:20,700 --> 00:22:25,688

Here's a map that shows
every place Elvis went to in Kauai.

390

00:22:25,841 --> 00:22:28,834

Our mission, go to these places,

391

00:22:28,949 --> 00:22:32,287

where the King
will give us the idea for our hula.

392

00:22:33,745 --> 00:22:35,970

To the hovercraft.

393

00:22:36,699 --> 00:22:39,922

Thanks to a certain sister of mine,
we'll have to walk.

394

00:22:40,459 --> 00:22:42,262

(ELVIS PRESLEY: *<i>RUBBERNECKIN'*</i>

395

00:22:42,339 --> 00:22:45,639

<i>Stop, look and listen, baby</i>

396

00:22:45,754 --> 00:22:47,941

<i>That's my philosophy</i>

397

00:22:49,015 --> 00:22:51,931

<i>It's called rubberneckin', baby</i>

398

00:22:52,199 --> 00:22:54,540

<i>But that's all right with me</i>

399

00:22:55,307 --> 00:22:58,683

<i>Stop, look and listen, baby</i>

400

00:22:58,760 --> 00:23:01,331

<i>That's my philosophy</i>

401

00:23:02,136 --> 00:23:05,167

<i>It's called rubberneckin', baby</i>

402

00:23:05,244 --> 00:23:08,237

<i>But that's all right with me</i>

403

00:23:08,544 --> 00:23:11,575

<i>Some people say I'm wasting time</i>

404

00:23:11,882 --> 00:23:14,682

<i>They don't really know</i>

405

00:23:15,143 --> 00:23:17,828

<i>I like what I see, I see what I like</i>

406

00:23:17,982 --> 00:23:21,512

<i>It gives me such a glow

Yeah, yeah, yeah</i>

407

00:23:21,627 --> 00:23:26,806

<i>First thing in the morning

Last thing at night</i>

408

00:23:27,459 --> 00:23:33,022

<i>I look, stare everywhere

And I see everything in sight</i>

409

00:23:34,288 --> 00:23:37,357

<i>Stop, look and listen, baby</i>

410

00:23:37,626 --> 00:23:40,849

<i>That's my philosophy</i>

411

00:23:40,964 --> 00:23:43,956

<i>It's called rubberneckin', baby</i>

412

00:23:44,033 --> 00:23:47,333

<i>But that's all right with me</i>

413

00:23:47,409 --> 00:23:50,555

<i>People say I'm wasting time</i>

414

00:23:50,632 --> 00:23:53,625

<i>But I don't really care</i>

415

00:23:53,701 --> 00:23:56,732

<i>I see what I like, I like what I see</i>

416

00:23:56,848 --> 00:24:00,262

<i>It gives me such a glow

Yeah, yeah, yeah</i>

417

00:24:00,339 --> 00:24:03,370

<i>Stop, look and listen, baby</i>

418

00:24:03,447 --> 00:24:06,631

<i>That's my philosophy</i>

419

00:24:06,708 --> 00:24:09,739

<i>It's called rubberneckin', baby</i>

420

00:24:09,816 --> 00:24:11,273

<i>And that's all right with...</i>

421

00:24:11,350 --> 00:24:15,110

This is the exact bench

where Elvis sat in *<i>Blue Hawaii.</i>*

422

00:24:16,491 --> 00:24:18,640

Oh, yeah. That's him.

423

00:24:19,868 --> 00:24:21,402

I can't believe it.

424

00:24:21,517 --> 00:24:26,045

My butt is in the shadow

of the butt of Elvis Presley.

425

00:24:26,774 --> 00:24:27,886

Oh. Yes.

426

00:24:28,193 --> 00:24:29,574

Okay, Elvis.

427

00:24:29,651 --> 00:24:34,063

We're ready to receive
a great idea for our hula.

428

00:24:34,140 --> 00:24:36,404

(ECHOING)

429

00:24:40,010 --> 00:24:41,200

(CLUCKS)

430

00:24:47,530 --> 00:24:49,142

That's it. I got it.

431

00:24:49,295 --> 00:24:53,324

Elvis is trying to tell us
to do a hula about a chicken.

432

00:24:53,400 --> 00:24:54,359

(SQUAWKS)

433

00:24:56,086 --> 00:24:57,697

No, he's not.

434

00:24:59,079 --> 00:25:02,416

There's plenty of other places
on the map that we can go to.

435

00:25:03,913 --> 00:25:05,563

We better hurry.

436

00:25:05,678 --> 00:25:07,596

Hey, drop it!

437

00:25:10,627 --> 00:25:12,085

Gotcha.

438

00:25:12,929 --> 00:25:14,886

(LILO STRAINS)

439

00:25:17,533 --> 00:25:18,646

Yes!

440

00:25:18,837 --> 00:25:20,027

Whoa.

441

00:25:30,079 --> 00:25:31,268

No.

442

00:25:32,611 --> 00:25:34,184

We're sunk.

443

00:25:39,287 --> 00:25:40,745

(WAILS)

444

00:25:51,910 --> 00:25:54,634

I know it's hard

to keep the faith sometimes,

445

00:25:54,710 --> 00:25:58,624

but if you don't give up on Elvis,

Elvis won't give up on you.

446

00:26:07,870 --> 00:26:08,945

That song.

447

00:26:09,021 --> 00:26:11,208

It's about the Hawaiian goddess Hi'iaka.

448

00:26:11,285 --> 00:26:12,858

Hey! That's right, Lilo.

449

00:26:12,935 --> 00:26:14,431

That's a great story.

450

00:26:14,623 --> 00:26:18,306

Friendship, jealousy,
death by molten lava!

451

00:26:18,383 --> 00:26:20,493

Do you know what this means?

452

00:26:21,836 --> 00:26:24,445

- Thank you, Elvis!

- Thank you, Elvis!

453

00:26:24,560 --> 00:26:26,478

We got our hula.

454

00:26:31,428 --> 00:26:33,192

(TYPING, COMPUTER BLEEPs)

455

00:26:37,528 --> 00:26:39,331

Stupid supercomputer.

456

00:26:39,408 --> 00:26:43,129

I know, Mom,

but Jumba and I have been very busy.

457

00:26:43,513 --> 00:26:45,470

- My mom says hi.

- Yeah, hi...

458

00:26:45,547 --> 00:26:49,230

He's waving.

I can't talk about it, Mom. It's top secret.

459

00:26:49,306 --> 00:26:51,800

- I said I was sorry.

- That's it. That's it!

460

00:26:51,877 --> 00:26:54,064

I have to go, Mom. Talk to you Sunday.

461

00:26:54,179 --> 00:26:57,670

I finished plans for new fusion chamber
that will recharge Stitch.

462

00:26:57,747 --> 00:26:58,745

Way to go.

463

00:26:58,821 --> 00:27:01,507

But we don't have alien technology
to build it.

464

00:27:01,584 --> 00:27:02,850

Way to burst a bubble.

465

00:27:02,927 --> 00:27:07,723

We'll have to find primitive Earth
machinery and just hope it works.

466

00:27:07,799 --> 00:27:11,060

No prob. I can get

all those parts from the house.

467

00:27:11,137 --> 00:27:13,439

- (ALARM)

- JUMBA: Agh!

468

00:27:13,516 --> 00:27:17,314

Stitch is having another episode.

They're getting worse.

469

00:27:17,391 --> 00:27:20,806

Hurry. These parts

are crucial to saving Stitch's life.

470

00:27:20,882 --> 00:27:22,762

Nothing can go wrong.

471

00:27:32,316 --> 00:27:33,697

Target sighted.

472

00:27:34,349 --> 00:27:35,999

Gotcha.

473

00:27:36,076 --> 00:27:38,646

Oh, no, it's you. I mean, hi, Nani.

474

00:27:38,953 --> 00:27:42,023

- What are you doing with the toaster?

- This?

475

00:27:42,099 --> 00:27:44,248

Yeah, interesting question.

476

00:27:44,325 --> 00:27:46,972

- What's going on?

- I was just about to...

477

00:27:47,049 --> 00:27:48,967

We have to hurry to... Nani...

478

00:27:49,044 --> 00:27:50,924

- To make toast.

- Toast?

479

00:27:51,000 --> 00:27:52,880

Making toast. We're making toast.

480

00:27:52,995 --> 00:27:56,410

Toast. Who doesn't enjoy
nice, crispy piece of toast?

481

00:27:56,487 --> 00:27:57,791

Answer, nobody.

482

00:27:57,868 --> 00:28:02,012

And there's so many different kinds.
Rye, sourdough, pumpernickel.

483

00:28:02,088 --> 00:28:05,503

You can put marmalade on it.
Tasty toast.

484

00:28:05,580 --> 00:28:07,268

You don't know what you're missing.

485

00:28:07,345 --> 00:28:10,299

- Care to try some?
- That's okay. I've gotta go to work.

486

00:28:11,066 --> 00:28:12,486

- Oh, and, boys?

- Hmm?

487

00:28:12,563 --> 00:28:15,056

Don't play with the toaster.

(GASPS)

488

00:28:16,783 --> 00:28:18,471

Hi, David. Gotta run.

489

00:28:18,548 --> 00:28:21,080

If you're hungry, we've got toast.

Lots of toast.

490

00:28:21,349 --> 00:28:23,766

- Should I make more?

- Just get rid of him.

491

00:28:23,842 --> 00:28:26,413

- But how?

- You're the Earth expert.

492

00:28:28,101 --> 00:28:29,060

(SIGHS)

493

00:28:30,019 --> 00:28:30,979

Hmm.

494

00:28:31,516 --> 00:28:33,856

David, David, David.

495

00:28:34,777 --> 00:28:36,849

Poor, sweet David.

496

00:28:37,041 --> 00:28:38,997

Trusting, naive David.

497

00:28:39,227 --> 00:28:42,949

- Okay, maybe I do need help.

- You're in good hands.

498

00:28:43,563 --> 00:28:46,325

For 29.95,

you can have the kayak all day long.

499

00:28:46,402 --> 00:28:47,745

But, of course...

500

00:28:47,937 --> 00:28:49,318

Look at her. Tsk. Tsk.

501

00:28:50,776 --> 00:28:54,536

- Doesn't even know you're here.

- Maybe because we're hiding.

502

00:28:54,613 --> 00:28:58,373

Oh, I'm sorry.

Is my relationship dying? No.

503

00:28:58,449 --> 00:29:00,751

Okay, okay.

What you think I should do?

504

00:29:00,828 --> 00:29:03,437

Well, it's obvious

she's taking you for granted.

505

00:29:03,514 --> 00:29:07,696

But she won't if
she sees another woman interested.

506

00:29:07,772 --> 00:29:10,420

- What other woman?
- Whoo-hoo!

507

00:29:11,072 --> 00:29:12,798

- Yeah!
- Have fun.

508

00:29:12,914 --> 00:29:17,057

Oh, my, you're so fascinating and tan.

509

00:29:17,633 --> 00:29:19,935

Whoa! I'm so clumsy.

510

00:29:20,549 --> 00:29:22,237

You've gotta be kidding me.

511

00:29:22,390 --> 00:29:25,805

- I don't think...

- It's working. She's coming over.

512

00:29:25,882 --> 00:29:28,260

- Hey, Nani.

- No waving. Be cool.

513

00:29:29,143 --> 00:29:31,521

Is that a deltoid or a rhomboid?

514

00:29:31,598 --> 00:29:32,826

(GIGGLING)

515

00:29:33,363 --> 00:29:34,514

Okay.

516

00:29:34,591 --> 00:29:36,970

Hey, David, I'm off at 5:00.

Wanna get some dinner?

517

00:29:37,085 --> 00:29:38,581

- Great.

- He has plans.

518

00:29:38,658 --> 00:29:41,765

- He does?

- With me. I'm the new girl on the island.

519

00:29:41,996 --> 00:29:43,338

Let me get this straight.

520

00:29:43,415 --> 00:29:45,986

You came here and interrupted me

521

00:29:46,063 --> 00:29:49,631

to tell me you have

pretend plans with Pleakley?

522

00:29:49,707 --> 00:29:52,393

I, uh, don't know

what you're talking about.

523

00:29:52,470 --> 00:29:56,038

My name is Inga.

I'm a foreign exchange student.

524

00:29:56,115 --> 00:29:57,649

Are you jealous?

525

00:29:57,918 --> 00:30:00,028

Mmm... No.

526

00:30:02,061 --> 00:30:03,596

Well, you blew it.

527

00:30:03,941 --> 00:30:04,901

Aha!

528

00:30:16,142 --> 00:30:17,715

(BOTH LAUGH)

529

00:30:22,626 --> 00:30:24,621

LILO: <i>This is how the story goes, Stitch.</i>

530

00:30:25,695 --> 00:30:29,609

<i>Once, there was a beautiful
goddess named Hi'iaka</i>

531

00:30:29,686 --> 00:30:32,371

<i>and a handsome mortal
named Lohi'au.</i>

532

00:30:33,906 --> 00:30:36,899

<i>They were as close
as two people could be.</i>

533

00:30:38,510 --> 00:30:39,469

Oops!

534

00:30:40,774 --> 00:30:44,418

<i>But one day, Pele,
the volcano goddess,</i>

535

00:30:44,495 --> 00:30:46,720

<i>grew jealous of their friendship.</i>

536

00:30:48,907 --> 00:30:55,545

<i>So she took Lohi'au and threw him
into a volcano filled with molten lava.</i>

537

00:30:55,775 --> 00:30:58,231

- Waagh!

- Oh... Stitch!

538

00:30:58,537 --> 00:30:59,804

My bad.

539

00:31:05,328 --> 00:31:09,741

*<i>Hi'iaka discovered his body
in a cavern by a sea cliff,</i>*

540

00:31:09,817 --> 00:31:11,467

<i>and she stayed with him,</i>

541

00:31:11,659 --> 00:31:15,074

*<i>praying to the gods
to bring Lohi'au's spirit back.</i>*

542

00:31:17,683 --> 00:31:19,217

<i>And it worked.</i>

543

00:31:19,294 --> 00:31:21,366

<i>Her love brought him back to life,</i>

544

00:31:21,596 --> 00:31:25,893

<i>proving that love

is more powerful than death.</i>

545

00:31:26,008 --> 00:31:30,727

MAN: <i>I will love you always</i>

546

00:31:35,523 --> 00:31:37,480

We are ready for rehearsal.

547

00:31:41,278 --> 00:31:45,959

KUMU: Okay, girls, this is your last
rehearsal before tomorrow's competition.

548

00:31:46,036 --> 00:31:49,028

What if I forget the moves
and Mertle laughs at me?

549

00:31:49,105 --> 00:31:52,021

And I get mad and pound her?

550

00:31:52,289 --> 00:31:54,860

You gotta help me, Stitch. I need you.

551

00:31:54,975 --> 00:31:56,702

We do together.

552

00:32:00,845 --> 00:32:04,068

Our hula is about an ancient friendship

553

00:32:04,145 --> 00:32:07,675

that proves love

is more powerful than death.

554

00:32:07,751 --> 00:32:09,401

Oh, brother.

555

00:32:09,554 --> 00:32:12,931

The great goddess Hi'iaka... That's me!

556

00:32:13,084 --> 00:32:16,192

And the brave and handsome

mortal Lohi'au.

557

00:32:18,110 --> 00:32:19,530

That's Stitch.

558

00:32:25,477 --> 00:32:29,544

I said, the handsome mortal Lohi'au!

559

00:32:32,153 --> 00:32:34,493

Oh, handsome mortal!

560

00:32:35,337 --> 00:32:37,102

Stink-o-rama.

561

00:32:37,294 --> 00:32:39,097

Stitch, get out here.

562

00:32:39,174 --> 00:32:40,133

(RUMBLING)

563

00:32:40,286 --> 00:32:41,246

(GROWLS)

564

00:32:41,591 --> 00:32:44,046

- What are you doing?

- (GIRLS LAUGH)

565

00:32:45,274 --> 00:32:46,770

Cut it out.

566

00:32:47,346 --> 00:32:49,418

That's not what we practiced.

567

00:32:50,300 --> 00:32:51,451

Stitch!

568

00:32:53,715 --> 00:32:54,904

No!

569

00:32:56,477 --> 00:32:58,741

- LILO: Stop it!

- He's crazy!

570

00:32:58,818 --> 00:32:59,777

(GIRLS SCREAM)

571

00:33:02,271 --> 00:33:03,844

Girls, girls, get behind me.

572

00:33:03,920 --> 00:33:06,990

Lilo, get control of your dog.

Nice doggy...

573

00:33:07,066 --> 00:33:08,870

Lilo! Lilo!

574

00:33:08,946 --> 00:33:10,251

(SCREAMS)

575

00:33:17,349 --> 00:33:21,416

Lilo, you will not be allowed
to rehearse at this <i>halau</i> again.

576

00:33:26,135 --> 00:33:28,513

Lilo, I... I...

577

00:33:34,345 --> 00:33:36,494

NANI: Come on.

It couldn't have been that bad.

578

00:33:38,105 --> 00:33:39,410

It was.

579

00:33:39,486 --> 00:33:41,213

<i>Mahalo.</i> Have a good one.

580

00:33:41,290 --> 00:33:45,203

- You're not listening to me.

- I'm listening. I have to work.

581

00:33:45,625 --> 00:33:50,805

My hula career is falling to pieces,
and you're worried about stinking work?

582

00:33:50,920 --> 00:33:53,183

Stitch needs you to be patient with him.

583

00:33:53,260 --> 00:33:56,138

- He did it on purpose.

- You don't mean that.

584

00:33:56,214 --> 00:33:58,324

You should have seen
the way he was acting.

585

00:33:58,440 --> 00:34:03,581

- Aren't you being overdramatic?
- His goodness level is at rock bottom.

586

00:34:09,182 --> 00:34:11,753

(ELVIS PRESLEY:
<i>I NEED YOUR LOVE TONIGHT</i>)

587

00:34:12,520 --> 00:34:13,518

(TIRES SCREECHING)

588

00:34:13,594 --> 00:34:16,050

<i>Oh, oh, I love you so</i>

589

00:34:16,127 --> 00:34:18,659

<i>Uh, uh, I can't let you go</i>

590

00:34:18,736 --> 00:34:21,460

<i>Ooh, ooh, don't tell me no</i>

591

00:34:21,536 --> 00:34:23,723

<i>I need your love tonight</i>

592

00:34:23,800 --> 00:34:26,294

<i>Oh, gee, the way you kiss</i>

593

00:34:26,409 --> 00:34:28,864

<i>Sweedee, too good to miss</i>

594

00:34:28,941 --> 00:34:31,665

<i>Wowee, I want more of this</i>

595

00:34:31,742 --> 00:34:34,313

<i>I need your love tonight</i>

596

00:34:34,389 --> 00:34:36,615

<i>I've been waiting just for tonight</i>

597

00:34:36,691 --> 00:34:39,262

<i>To do some lovin' and hold you tight</i>

598

00:34:39,339 --> 00:34:41,602

<i>Don't tell me, baby, you gotta go</i>

599

00:34:41,679 --> 00:34:44,441

<i>I got the hi-fi high
and the lights down low</i>

600

00:34:44,518 --> 00:34:46,859

<i>Hey, now, hear what I say</i>

601

00:34:46,935 --> 00:34:49,583

<i>Oh, wow, you better stay</i>

602

00:34:49,659 --> 00:34:52,153

<i>Pow, pow, don't run away</i>

603

00:34:52,230 --> 00:34:54,187

<i>I need your love tonight</i>

604

00:34:58,944 --> 00:34:59,903

(WHISTLING)

605

00:35:02,474 --> 00:35:04,584

<i>I need your love tonight</i>

606

00:35:12,603 --> 00:35:14,905

<i>I need your love tonight</i>

607

00:35:14,981 --> 00:35:17,552

<i>Oh, oh, I love you so</i>

608

00:35:17,629 --> 00:35:20,238

<i>Uh, uh, I can't let you go</i>

609

00:35:20,314 --> 00:35:22,885

<i>Ooh, ooh, don't tell me no</i>

610

00:35:23,000 --> 00:35:25,264

<i>I need your love tonight</i>

611

00:35:25,340 --> 00:35:27,719

<i>Oh, gee, the way you kiss</i>

612

00:35:27,796 --> 00:35:30,328

<i>Sweedee, too good to miss</i>

613

00:35:30,405 --> 00:35:33,052

<i>Wowee, I want more of this</i>

614

00:35:33,129 --> 00:35:35,661

<i>I need your love tonight</i>

615

00:35:35,776 --> 00:35:38,232

<i>I need your love tonight</i>

616

00:35:38,308 --> 00:35:40,380

<i>I need your love tonight</i>

617

00:35:40,495 --> 00:35:42,874

(HUMS <i>I NEED YOUR LOVE TONIGHT</i>)

618

00:35:42,951 --> 00:35:44,332

Oh, yeah.

619

00:35:46,442 --> 00:35:50,125

The great goddess Hi'iaka... That's me.

620

00:35:50,394 --> 00:35:54,116

And the brave mortal Lohi'au...

621

00:35:54,384 --> 00:35:56,725

Whoa. That's also me.

622

00:35:57,684 --> 00:35:58,720

Whoa.

623

00:36:00,791 --> 00:36:02,364

Were best friends.

624

00:36:03,669 --> 00:36:04,858

Lilo, look.

625

00:36:04,935 --> 00:36:08,618

- Their friendship proved...

- I'm good now. No more badness.

626

00:36:08,964 --> 00:36:10,230

Oh, sorry.

627

00:36:11,150 --> 00:36:12,417

(SIGHS)

628

00:36:12,800 --> 00:36:15,409

- The great goddess Hi'iaka...

- Stitch good.

629

00:36:15,486 --> 00:36:17,481

Stitch, just get outta here.

630

00:36:17,673 --> 00:36:18,901

Fuzzball.

631

00:36:20,167 --> 00:36:22,584

- No, you out.

- No, you.

632

00:36:22,661 --> 00:36:25,308

- You. You!

- You. You!

633

00:36:25,423 --> 00:36:26,459

Fine.

634

00:36:26,919 --> 00:36:28,416

I will.

635

00:36:29,451 --> 00:36:31,447

- No, Stitch will.

- I'm leaving first.

636

00:36:31,523 --> 00:36:34,554

- I'm leaving first! I am.

- No! Stitch first!

637

00:36:34,708 --> 00:36:37,777

Who took my hair...

Who took my hair dryer?

638

00:36:37,892 --> 00:36:40,655

Get back here. You'll be sorry.

639

00:36:40,962 --> 00:36:44,069

- Open this door, trog.

- Who's there?

640

00:36:44,184 --> 00:36:46,486

- Stitch. Open the door.

- Okay.

641

00:36:47,330 --> 00:36:48,903

What is up with you two?

642

00:36:48,980 --> 00:36:51,090

- Nani, it's me.

- Neither of you move.

643

00:36:51,167 --> 00:36:52,126

(BOTH GROWL)

644

00:36:52,663 --> 00:36:55,042

Oh, David, I'm glad you're here...

645

00:36:55,196 --> 00:36:56,423

David?

646

00:36:56,500 --> 00:36:59,301

Nani, you're not the only fish in the sea.

647

00:36:59,378 --> 00:37:03,560

- PLEAKLEY: Tell her you have...

- Because I have a lot of... uh...

648

00:37:03,636 --> 00:37:07,204

- Tell her your options.

- Options?

649

00:37:07,320 --> 00:37:09,928

Options. Oh, really?

650

00:37:10,197 --> 00:37:11,156

PLEAKLEY: <i>Olé!</i>

651

00:37:14,648 --> 00:37:16,643

(HUMS TUNELESSLY)

652

00:37:18,561 --> 00:37:20,556

Are you jealous?

653

00:37:21,132 --> 00:37:22,091

Ai-ya.

654

00:37:22,628 --> 00:37:25,505

- She's touching me.

- I'm not touching you.

655

00:37:25,582 --> 00:37:28,038

- You're touching me!

- Not touching.

656

00:37:28,114 --> 00:37:30,647

- Touching me!

- It's free air.

657

00:37:30,723 --> 00:37:33,217

- Ew!

- Would you cut it out?

658

00:37:33,294 --> 00:37:35,442

This is crazy. You guys are family.

659

00:37:35,711 --> 00:37:36,670

Ohana... Ow!

660

00:37:38,819 --> 00:37:42,655

- Why are you fighting?

- Because he ruins everything.

661

00:37:42,732 --> 00:37:45,686

- Not my fault.

- Then whose fault is it?

662

00:37:46,108 --> 00:37:47,758

- You're dead meat.

- Whoa!

663

00:37:48,487 --> 00:37:50,482

That is it!

664

00:37:50,597 --> 00:37:53,782

Go to your room

and make up like loving friends!

665

00:37:53,897 --> 00:37:55,355

- You're gross.

- Stupid head.

666

00:37:55,432 --> 00:37:57,120

Keep walking.

667

00:37:57,465 --> 00:37:58,424

(STITCH MUTTERS)

668

00:38:05,177 --> 00:38:07,210

Stitch sorry.

669

00:38:07,287 --> 00:38:11,008

We said we were gonna be good.

I needed you, Stitch.

670

00:38:16,917 --> 00:38:19,372

Stitch good again.

671

00:38:23,976 --> 00:38:27,852

If you promise to be good,
I'll give you one more chance.

672

00:38:28,350 --> 00:38:32,187

- But I want you to promise.
- Oh, yeah. (ALIEN LANGUAGE)

673

00:38:34,374 --> 00:38:37,712

You get the costumes,
and I'll get the record player.

674

00:38:40,513 --> 00:38:43,544

Stitch good.
Good, good, good, good, good.

675

00:38:43,851 --> 00:38:45,424

Stitch good...

676

00:38:46,153 --> 00:38:47,457

(WHIMPERS, GROWLS)

677

00:38:48,263 --> 00:38:49,606

(FIZZING)

678

00:38:53,749 --> 00:38:55,437

We are ready.

679

00:38:58,430 --> 00:39:00,272

- Stitch.

- Lilo.

680

00:39:00,348 --> 00:39:02,996

- Everything's ruined.

- I... I sorry.

681

00:39:03,072 --> 00:39:05,413

I don't know why I ever believed you.

682

00:39:05,489 --> 00:39:07,791

Something wrong with Stitch.

683

00:39:07,868 --> 00:39:09,940

I know what's wrong with you.

684

00:39:10,017 --> 00:39:13,393

You're bad, and you'll always be bad.

685

00:39:20,836 --> 00:39:24,212

Three. Two. One. Ta-da!

686

00:39:24,289 --> 00:39:25,901

There it is, Pleakley.

687

00:39:25,977 --> 00:39:29,699

The fusion chamber,
the only thing that can save Stitch.

688

00:39:29,776 --> 00:39:32,845

- It's amazing.

- Just another work of genius.

689

00:39:32,998 --> 00:39:35,799

Oh, oh, can I switch it on?

Please, please?

690

00:39:35,876 --> 00:39:37,948

Oh, no, no, no. No, no, no.

691

00:39:38,024 --> 00:39:40,710

That is extremely delicate machine.

692

00:39:40,787 --> 00:39:42,897

It takes superior mind.

693

00:39:47,194 --> 00:39:49,074

(HUMMING)

694

00:39:49,266 --> 00:39:52,642

Heh, thanks to me, crisis is over.

695

00:39:52,719 --> 00:39:53,678

Oh!

696

00:39:56,019 --> 00:39:58,397

Jumba? Jumba?

697

00:39:58,474 --> 00:39:59,778

What happened?

698

00:40:06,531 --> 00:40:07,490

(METAL SCRAPING)

699

00:40:10,253 --> 00:40:11,864

That's it, Pleakley.

700

00:40:12,516 --> 00:40:13,859

It's over.

701

00:40:13,936 --> 00:40:16,276

I can't build a new fusion chamber.

702

00:40:16,353 --> 00:40:18,885

Sure you can,

like you built the first one.

703

00:40:18,962 --> 00:40:21,149

I didn't build first one.

704

00:40:21,226 --> 00:40:24,218

I ordered it from catalogue.

705

00:40:24,333 --> 00:40:25,599

A catalogue?

706

00:40:25,983 --> 00:40:29,590

And now there is no hope
for my little creation.

707

00:40:36,419 --> 00:40:38,913

Jumba has failed family.

708

00:40:39,603 --> 00:40:42,289

So you didn't build
the first fusion chamber.

709

00:40:42,366 --> 00:40:43,517

So what?

710

00:40:43,593 --> 00:40:47,238

You still built Stitch, didn't ya?
Well, didn't ya?

711

00:40:47,622 --> 00:40:48,773

Yes.

712

00:40:48,850 --> 00:40:51,727

And you're still an evil genius. Admit it.

713

00:40:51,804 --> 00:40:54,720

No, I... I don't like to brag.

714

00:40:54,797 --> 00:40:58,902

Well, see, that's why
you're the only one who can do it.

715

00:40:59,631 --> 00:41:00,628

(COMPUTER BLEEPS)

716

00:41:05,309 --> 00:41:07,573

Pleakley, my wrench!

717

00:41:12,100 --> 00:41:13,289

Lilo?

718

00:41:17,548 --> 00:41:18,546

Hey, Lilo.

719

00:41:18,661 --> 00:41:21,999

I'm not doing the hula with him.

So don't try to make me.

720

00:41:22,075 --> 00:41:23,572

Okay, okay.

721

00:41:23,648 --> 00:41:25,912

He's ruining my chance of winning.

722

00:41:25,989 --> 00:41:29,096

Lilo, baby, it's just a contest.

723

00:41:29,173 --> 00:41:32,933

- No, it's not. Now get off my bed.

- Not until we talk about this.

724

00:41:33,010 --> 00:41:35,849

You're no help! I wish Mom were here.

725

00:41:35,926 --> 00:41:39,456

- I'm doing the best I can.

- Well, it's not good enough.

726

00:41:39,532 --> 00:41:41,412

Don't you think I know that?

727

00:41:47,704 --> 00:41:48,855

BOTH: Oh...

728

00:42:00,174 --> 00:42:01,133

NANI: Hey.

729

00:42:01,210 --> 00:42:04,432

Remember how she would always
make up those funny constellations?

730

00:42:04,547 --> 00:42:06,619

Like Swiss Cheese Man?

731

00:42:06,696 --> 00:42:09,267

Where is the Stinky Bag of Garbage
again?

732

00:42:09,343 --> 00:42:11,952

NANI: Near the Sour Milky Way.

733

00:42:12,067 --> 00:42:14,216

Right, near the Old Lady...

734

00:42:14,293 --> 00:42:16,096

BOTH: With the Chihuahua
on her Head.

735

00:42:21,928 --> 00:42:25,764

I have to win the contest,
just like Mom did.

736

00:42:25,995 --> 00:42:30,790

If I win, she'll know I'm good,
and she'll be proud of me.

737

00:42:32,709 --> 00:42:34,052

Oh, baby.

738

00:42:34,128 --> 00:42:38,310

You don't have to win anything
for Mom to be proud of you.

739

00:42:38,579 --> 00:42:42,185

- How do you know?

- Because I know everything.

740

00:42:43,336 --> 00:42:45,523

Okay, I don't know everything,

741

00:42:45,600 --> 00:42:49,974

but I think Mom would be proud of you
just for being you.

742

00:42:51,470 --> 00:42:52,775

You, too.

743

00:42:55,153 --> 00:42:56,688

Thanks, Lilo.

744

00:43:42,958 --> 00:43:43,918

(WHIMPERS)

745

00:43:52,397 --> 00:43:54,162

Stitch good.

746

00:43:59,571 --> 00:44:01,413

Stitch good now.

747

00:44:11,158 --> 00:44:13,882

<i>(ELVIS WITH JXL:</i>

A LITTLE LESS CONVERSATION)

748

00:44:21,402 --> 00:44:22,937

(LOUD GULPING)

749

00:44:23,397 --> 00:44:24,356

(BELCHING)

750

00:44:25,085 --> 00:44:28,960

<i>A little less conversation

a little more action, please</i>

751

00:44:29,037 --> 00:44:32,452

<i>All this aggravation

ain't satisfactioning me</i>

752

00:44:32,989 --> 00:44:36,787

<i>A little more bite and a little less bark

A little less fight and a little more spark</i>

753

00:44:36,864 --> 00:44:40,240

<i>Close your mouth and open up

your heart and, baby, satisfy me</i>

754

00:44:40,317 --> 00:44:41,736

<i>Satisfy me, baby</i>

755

00:44:49,141 --> 00:44:50,944

Do you think Lilo will show up?

756

00:44:51,021 --> 00:44:54,781

MERTLE: After that rehearsal?

She wouldn't dare.

757

00:45:14,885 --> 00:45:16,727

<i>-Come on, come on

-Come on, come on</i>

758

00:45:16,804 --> 00:45:18,952

<i>-Come on, come on

-Come on, come on</i>

759

00:45:19,029 --> 00:45:20,794

<i>Don't procrastinate, don't articulate</i>

760

00:45:20,871 --> 00:45:24,439

<i>Girl, it's getting late

gettin' upset waitin' around</i>

761

00:45:24,669 --> 00:45:28,506

<i>A little less conversation

a little more action, please</i>

762

00:45:28,582 --> 00:45:32,496

<i>A little more bite and a little less bark

A little less fight and a little more spark</i>

763

00:45:32,572 --> 00:45:35,220

<i>Close your mouth and open up

your heart and, baby, satisfy me</i>

764

00:45:35,335 --> 00:45:37,330

<i>-Satisfy me

-Satisfy me</i>

765

00:45:37,407 --> 00:45:40,016

<i>-Satisfy me

-Satisfy me</i>

766

00:45:46,385 --> 00:45:49,722

I just wanted to say

I am very proud of all your hard work.

767

00:45:49,914 --> 00:45:53,022

If it were up to me,

you would all win first place.

768

00:45:55,017 --> 00:45:57,703

He's just saying that

so the losers don't feel bad.

769

00:45:58,432 --> 00:45:59,775

Hi, Nani.

770

00:46:01,232 --> 00:46:02,997

Uh, yeah.

771

00:46:04,033 --> 00:46:05,299

Okay.

772

00:46:05,376 --> 00:46:08,139

(TRUMPETING)

773

00:46:08,445 --> 00:46:11,246

Welcome to
our annual May Day Festival,

774

00:46:11,323 --> 00:46:14,853

where one of our little girls
will be chosen <i>alaka'i.</i>

775

00:46:14,968 --> 00:46:18,881

First up is Aleka,
doing the dance of the pineapple.

776

00:46:19,035 --> 00:46:20,953

(APPLAUSE)

777

00:46:23,639 --> 00:46:24,598

(STRAINING)

778

00:46:26,017 --> 00:46:28,281

Ah, that should do it.

779

00:46:33,384 --> 00:46:36,070

What if it doesn't work?

780

00:46:36,722 --> 00:46:38,065

It will.

781

00:46:48,500 --> 00:46:50,687

Ooh, *maika'i*, Aleka.

782

00:46:51,186 --> 00:46:53,565

Next up is Mertle Edmonds.

783

00:46:56,711 --> 00:46:59,128

It's a gift certificate to my daddy's store.

784

00:46:59,895 --> 00:47:00,855

Hit it.

785

00:47:03,425 --> 00:47:06,686

Legend tells of a man named Karl

786

00:47:06,763 --> 00:47:10,139

who dreamt of offering

authentic Hawaiian collectibles

787

00:47:10,216 --> 00:47:12,403

at an affordable price.

788

00:47:12,480 --> 00:47:16,547

Like this costume

in seven natural colors,

789

00:47:16,623 --> 00:47:21,841

and these genuine faux pearls,

each a jewel of the Pacific.

790

00:47:23,222 --> 00:47:28,939

The best things in life are marked down
for clearance this weekend at Karl's.

791

00:47:30,512 --> 00:47:32,507

Mertle, what can I say?

792

00:47:33,581 --> 00:47:34,848

Thank you.

793

00:47:36,114 --> 00:47:37,380

It's in the bag.

794

00:47:38,492 --> 00:47:41,907

If Jumba and Pleakley don't get here
soon, they're gonna miss Lilo.

795

00:47:47,010 --> 00:47:48,084

No.

796

00:47:48,583 --> 00:47:51,307

- What's happening?

- His circuits are about to blow.

797

00:47:51,384 --> 00:47:53,686

We have to get him
in the fusion chamber now!

798

00:47:54,300 --> 00:47:56,793

- Shouldn't we test it?
- There isn't time.

799

00:47:58,673 --> 00:48:03,776

Next we have Lilo, who's doing her hula
about an ancient friendship.

800

00:48:03,853 --> 00:48:05,081

This is it.

801

00:48:06,654 --> 00:48:08,725

- You'll be great.
- Stitch?

802

00:48:08,917 --> 00:48:12,025

I just want to say I...

803

00:48:12,102 --> 00:48:13,982

I can't talk now. I have to go on.

804

00:48:14,058 --> 00:48:15,171

I know, I...

805

00:48:16,245 --> 00:48:18,739

- Oh, no, badness coming on.

- What?

806

00:48:18,816 --> 00:48:21,502

- I... I have to...

- Are you okay?

807

00:48:22,653 --> 00:48:24,034

Stitch!

808

00:48:33,664 --> 00:48:34,892

No.

809

00:48:35,352 --> 00:48:38,498

- Stitch?

- No, Lilo. Too dangerous.

810

00:48:40,839 --> 00:48:44,100

- Stitch?

- Lilo, it's your turn. Everybody's waiting.

811

00:48:53,960 --> 00:48:57,375

My hula is about an ancient friendship

812

00:48:58,717 --> 00:49:02,477

that proves love

is more powerful than death.

813

00:49:05,930 --> 00:49:08,386

(SINGING IN HAWAIIAN)

814

00:49:22,812 --> 00:49:26,457

<i>I will love you, I will love you</i>

815

00:49:32,749 --> 00:49:34,130

I'm sorry, Mom.

816

00:49:39,425 --> 00:49:41,535

Stitch! Come back!

817

00:49:42,034 --> 00:49:44,834

- Have you seen Stitch?

- We thought he was with you.

818

00:49:45,563 --> 00:49:49,132

- Lilo, baby, what happened?

- Something's wrong with Stitch.

819

00:49:49,208 --> 00:49:51,127

He's malfunctioning.

820

00:49:51,318 --> 00:49:53,237

And if we don't find him soon...

821

00:49:59,337 --> 00:50:00,526

Stitch!

822

00:50:00,987 --> 00:50:02,253

Stitch?

823

00:50:02,330 --> 00:50:05,054

- Oh, Stitch! Where are you?

- Stitch.

824

00:50:05,169 --> 00:50:06,512

You there, brudda, brudda?

825

00:50:07,855 --> 00:50:08,929

Stitch!

826

00:50:19,288 --> 00:50:20,439

No!

827

00:50:21,245 --> 00:50:23,431

Hey, we'll find him.

828

00:50:25,427 --> 00:50:29,033

- We looked everywhere.

- He only has few minutes left.

829

00:50:31,182 --> 00:50:33,215

- The ship.
- The fusion chamber.

830

00:50:33,637 --> 00:50:34,826

Stitch!

831

00:50:50,672 --> 00:50:51,976

Stitch.

832

00:50:57,540 --> 00:50:59,611

- We have to stop him.
- (CAR HORN BEEPS)

833

00:50:59,803 --> 00:51:00,762

Whoo!

834

00:51:04,446 --> 00:51:07,860

- I think I should drive.
- Two eyes. My car. I'm driving.

835

00:51:09,433 --> 00:51:13,462

At the rate he is going, he's soon
to be accelerating into stratosphere.

836

00:51:13,539 --> 00:51:16,263

If only we had way to
communicate with him.

837

00:51:16,339 --> 00:51:20,713

Stitch has taken off in the ship,
and we have no way to contact him.

838

00:51:20,828 --> 00:51:23,514

- Poor Jumba. He's worked so hard.
- Give me that!

839

00:51:23,821 --> 00:51:27,427

Yes, yes... Yes, Mother Pleakley.
He'll call you back.

840

00:51:27,542 --> 00:51:30,804

<i>Hello. Thanks for using
the Uninhabited Planet Index,</i>

841

00:51:30,880 --> 00:51:34,410

<i>your guide to the galaxy's

most isolated and lonely locations.</i>

842

00:51:34,487 --> 00:51:38,554

<i>If your selection is Planet Z-13,
engage hyper-drive.</i>

843

00:51:38,630 --> 00:51:41,393

LILO: <i>Stitch! Can you hear me?
I need you.</i>

844

00:51:41,546 --> 00:51:43,311

Please come back.

845

00:51:44,117 --> 00:51:46,994

Stitch can never come back.

846

00:51:53,325 --> 00:51:56,126

- JUMBA: He's lost control of ship.
- What?

847

00:52:04,797 --> 00:52:06,600

PLEAKLEY: What do we do now?

848

00:52:10,130 --> 00:52:12,125

It was my best hiding place.

849

00:52:18,685 --> 00:52:21,832

Get him into fusion chamber
before his energy runs out.

850

00:52:21,908 --> 00:52:23,405

Is only chance!

851

00:52:36,795 --> 00:52:37,792

No.

852

00:52:40,209 --> 00:52:41,399

Stitch?

853

00:52:41,629 --> 00:52:42,588

(GROANING)

854

00:52:50,683 --> 00:52:51,643

Stitch!

855

00:52:54,980 --> 00:52:57,705

No, Lilo. Too dangerous.

856

00:52:57,781 --> 00:52:59,776

You're not dangerous.

857

00:53:01,580 --> 00:53:04,227

We have to get you
into Jumba's machine.

858

00:53:16,811 --> 00:53:20,187

No worry. I've got you, Nani.

859

00:53:42,824 --> 00:53:45,395

Stitch, you're gonna be okay now.

860

00:53:47,390 --> 00:53:48,771

Please be okay.

861

00:53:54,718 --> 00:53:56,444

Stitch sorry.

862

00:54:03,465 --> 00:54:04,616

Stitch?

863

00:54:07,686 --> 00:54:09,911

Hurry, before... Oh!

864

00:54:09,988 --> 00:54:10,947

No!

865

00:54:11,024 --> 00:54:14,055

Jumba. Jumba, it's not working.

866

00:54:14,477 --> 00:54:15,704

Oh, no.

867

00:54:22,073 --> 00:54:23,685

We're too late.

868

00:54:44,633 --> 00:54:48,777

- No!

- Lilo, wait. There's nothing you can do.

869

00:54:50,580 --> 00:54:52,076

He's gone.

870

00:54:52,421 --> 00:54:54,148

Oh, honey, come here.

871

00:54:54,225 --> 00:54:55,567

No!

872

00:54:58,407 --> 00:54:59,634

Stitch.

873

00:55:00,670 --> 00:55:02,665

I'm so sorry.

874

00:55:07,461 --> 00:55:09,610

I kept saying how I needed you.

875

00:55:12,411 --> 00:55:14,444

But you needed me more.

876

00:55:30,098 --> 00:55:31,786

You're my *ohana*, Stitch.

877

00:55:35,392 --> 00:55:37,733

And I'll always love you.

878

00:55:44,332 --> 00:55:46,557

(WOMAN SINGING IN HAWAIIAN)

879

00:55:50,547 --> 00:55:55,228

I will love you

880

00:55:56,494 --> 00:55:58,988

(SINGING CONTINUES IN HAWAIIAN)

881

00:56:14,219 --> 00:56:20,550

I will love you

882

00:56:22,852 --> 00:56:26,228

Stitch not bad.

883

00:56:26,612 --> 00:56:28,185

Stitch fluffy.

884

00:56:28,262 --> 00:56:29,298

Stitch!

885

00:56:35,475 --> 00:56:37,700

But how is it possible?

886

00:56:37,777 --> 00:56:39,004

It's not.

887

00:56:40,961 --> 00:56:43,954

Stitch okay now?

888

00:56:45,028 --> 00:56:46,908

No more nightmares.

889

00:56:48,519 --> 00:56:49,901

Stitch!

890

00:56:49,977 --> 00:56:52,548

You look fluffier than ever.

891

00:56:52,625 --> 00:56:54,696

PLEAKLEY: Come here, you.

Group hug!

892

00:57:03,367 --> 00:57:08,470

So Hi'iaka and Lohi'au were reunited
and are together to this day.

893

00:57:09,890 --> 00:57:12,000

Kui ka laima!

894

00:57:13,304 --> 00:57:14,801

Hoo kee ma!

895

00:57:14,877 --> 00:57:16,527

(MAN SINGING IN HAWAIIAN)

896

00:57:43,346 --> 00:57:44,343

Nani!

897

00:57:46,607 --> 00:57:48,180

<i>I will love you</i>

898

00:57:48,257 --> 00:57:51,364

<i>I will love you always</i>

899

00:57:52,208 --> 00:57:54,127

<i>When it's hard to stand</i>

900

00:57:54,242 --> 00:57:57,350

<i>Oh, you can take my hand</i>

901

00:57:58,232 --> 00:57:59,767

<i>And I will love you</i>

902

00:57:59,843 --> 00:58:03,834

<i>I will love you always</i>

903

00:58:04,064 --> 00:58:05,637

<i>I will love you</i>

904

00:58:05,714 --> 00:58:09,167

<i>I will love you always</i>

905

00:58:09,320 --> 00:58:11,967

Mom would be so proud of you.

906

00:58:15,804 --> 00:58:17,108

<i>I will love you</i>

907

00:58:17,185 --> 00:58:21,597

<i>I will love you always</i>
