Dr. Farge?

77

00:10:09,299 → 00:10:12,700

Dr. Farge. Dr. Farge.

78

00:10:17,574 → 00:10:19,007

[SPEAKING IN GERMAN]

79

00:10:25,548 → 00:10:27,846

I don't speak German.

80

00:10:28,117 → 00:10:29,948

FARGE:

Are you English?

81

00:10:30,887 → 00:10:32,354

American.

82

00:10:34,657 → 00:10:36,887

You have been in an accident.

83

00:10:37,060 → 00:10:38,721

Accident?

84

00:10:41,164 → 00:10:43,291

Can you tell me your name?

85

00:10:45,368 → 00:10:46,562

Your name.

86

00:10:46,736 → 00:10:50,194

Martin. Martin Harris.

87

00:10:51,174 → 00:10:53,335

Dr. Martin Harris.

88

00:10:55,044 → 00:10:56,170

Where's my wife. Liz?

89

00:10:58,781 → 00:11:01,181

-Is she hurt? Is she hurt? Where is she?

-Calm down.

90

00:11:01,351 → 00:11:04,514

It's all right. Dr. Harris.

You were the only passenger.

91

00:11:04,687 → 00:11:07,212

The taxi you were in went into the river.

92

00:11:07,390 → 00:11:10,052

Your heart stopped for several minutes.

93

00:11:10,360 → 00:11:14,694

It's Thursday. November 24th.

You have been in a coma for four days.

94

00:11:14,864 → 00:11:19,892

Thanksgiving.

But my wife. she's in Berlin with me.

95

00:11:20,069 → 00:11:22,094

Where is she? Why isn't she here?

96

00:11:22,272 → 00:11:25,673

We couldn't find any identification  
with you. Dr. Harris.

97

00:11:26,509 → 00:11:27,874

No. no. no.

98

00:11:28,044 → 00:11:29,705

-Please. calm down.

MARTIN: Aah.

99

00:11:29,913 → 00:11:33,508

Where can we reach your wife?

Does she have a cell phone?

100

00:11:33,683 → 00:11:36,117

Of course she has a cell phone. It's....

101

00:11:39,822 → 00:11:41,050

Uh....

102

00:11:43,326 → 00:11:44,418

I can't remember.

103

00:11:44,594 → 00:11:48,462

Can you tell me what you do remember.

Martin?

104

00:11:49,599 → 00:11:52,295

Bits and pieces. Arriving at the airport.

105

00:11:53,336 → 00:11:55,827

Getting in a taxi with Liz...

106

00:11:57,073 → 00:11:59,007

...but I don't know how I got here.

107

00:11:59,208 → 00:12:02,302

There are no rules with severe trauma  
of this kind.

108

00:12:02,478 → 00:12:04,412

Memories get lost or fractured.

109

00:12:04,581 → 00:12:06,742

Most of them return.

although it's unlikely...

110

00:12:06,916 → 00:12:10,249

...you will ever fully recall the events  
around your accident.

111

00:12:10,420 → 00:12:13,218

In the meantime. let us see  
if anyone has filed a report...

112

00:12:13,389 → 00:12:15,118

...looking for a Martin Harris. okay?

113

00:12:15,291 → 00:12:17,759

-Yes. yes. yes.

-Okay.

114

00:12:22,699 → 00:12:24,326

[MAN SPEAKING IN GERMAN ON TV]

115

00:12:26,102 → 00:12:28,502

with Kevin Spencer and Diana Bailey.</i>

116

00:12:28,671 → 00:12:30,662

117

00:12:30,840 → 00:12:32,398

<i>Here are today's top stories.</i>

118

00:12:32,575 → 00:12:33,599

<i>The Prime Mini—</i>

119

00:12:33,776 → 00:12:34,800

[TURNS TV OFF]

120

00:12:34,978 → 00:12:36,570

Clothes. For you.

121

00:12:37,981 → 00:12:40,973

MARTIN: Has anybody been  
looking for me? My wife?

122

00:12:41,985 → 00:12:43,077

<i>Meine Frau?</i>

123

00:13:09,779 → 00:13:10,871

[CHUCKLING]

124

00:13:16,219 → 00:13:17,481

Come here. you.

125

00:13:23,493 → 00:13:25,484

It's beautiful. Just beautiful.

126

00:13:25,662 → 00:13:27,323

LIZ:

I'm glad you like it.

127

00:13:32,335 → 00:13:34,360

She gave it to me as a gift.

128

00:13:34,771 → 00:13:37,604

In Paris. On our honeymoon.

129

00:13:57,794 → 00:13:58,852

[CHUCKLED]

130

00:14:10,006 → 00:14:11,098

[SIGHS]

131

00:14:18,081 → 00:14:23,018

<i>Prince Shada arrived in Berlin today for  
this year's biotechnology global summit.</i>

132

00:14:23,186 → 00:14:25,552

*The personal attendance  
of the flamboyant prince...*

133

00:14:25,722 → 00:14:29,249

*...has fueled speculation that the summit,  
now in its 10th year...*

134

00:14:29,425 → 00:14:32,792

*...will witness the announcement  
of a major scientific breakthrough.*

135

00:14:32,962 → 00:14:35,226

*With the world's leading researchers  
convening...*

136

00:14:35,398 → 00:14:37,832

*...at the luxurious Hotel Adlon  
in Central Berlin...*

137

00:14:38,000 → 00:14:40,127

*-Hotel Adlon.  
-...the field of biotechnology...*

138

00:14:40,303 → 00:14:42,965

*<i>...steps into the forefront  
of the media spotlight.</i>*

139

00:14:43,139 → 00:14:44,868

I'm here for the summit.

140

00:14:45,041 → 00:14:46,099

Nurse.

141

00:14:46,642 → 00:14:48,473

You have to realize the risk.

142

00:14:48,644 → 00:14:51,112

Doctor. I've been gone for four days.

143

00:14:51,280 → 00:14:54,477

My wife is out there in a city  
she doesn't know. She'll be terrified.

144

00:14:54,650 → 00:14:56,777

I need to find her.

145

00:14:59,655 → 00:15:00,781

Sign this.

146

00:15:01,624 → 00:15:04,149

It releases you from my care.

147

00:15:05,128 → 00:15:06,425

00:15:11,901 → 00:15:13,528

-Do you understand?

-Thank you.

156

00:15:49,105 → 00:15:51,096

to my room. I can prove it.

158

00:15:54,577 → 00:15:56,306

Just give me a moment.

159

00:16:05,188 → 00:16:08,351

[MAN AND RECEPTIONIST SPEAKING  
IN GERMAN ON PHONE]

160

00:16:20,203 → 00:16:22,171

over there by the buffet table.

174

00:17:09,252 → 00:17:13,245

I have been missing for four days and she  
has no idea what happened to me...

175

00:17:13,422 → 00:17:16,016

...so I need you to take me to her

right now.

176

00:17:21,831 → 00:17:24,356

-Okay.

-Thank you.

177

00:17:25,968 → 00:17:28,801

-The Lady in the dark dress.

-Okay.

178

00:17:29,772 → 00:17:31,034

[GIGGLING]

179

00:17:31,474 → 00:17:32,873

Excuse me. madam.

180

00:17:35,011 → 00:17:36,501

Your husband is here.

181

00:17:37,713 → 00:17:41,114

Liz. Oh. Jesus.

182

00:17:41,550 → 00:17:44,781

Excuse me. Do I know you?

183

00:17:48,958 → 00:17:51,256

But. Liz— What's wrong?

184

00:17:51,827 → 00:17:53,055

I'm sorry.

185

00:17:53,229 → 00:17:57,598

I was in an accident. I was in a coma.

They didn't know who I was.

186

00:18:01,103 → 00:18:02,434

I said I'm sorry.

187

00:18:03,873 → 00:18:06,808

Oh. you must have me confused  
with someone else.

188

00:18:08,144 → 00:18:09,509

MARTIN:

Liz.

189

00:18:10,346 → 00:18:13,008

It's me. Martin.

190

00:18:13,382 → 00:18:14,610

Your husband.

191

00:18:17,853 → 00:18:20,378

This is a misunderstanding.

I don't know this man.

192

00:18:21,123 → 00:18:22,750

-Okay.

-Martin.

193

00:18:24,126 → 00:18:26,185

This is my husband.

194

00:18:26,362 → 00:18:28,455

You are Dr. Martin Harris?

195

00:18:28,631 → 00:18:29,757

Last time I looked.

196

00:18:31,167 → 00:18:32,259

Yep. still me.

197

00:18:35,471 → 00:18:38,304

What's going on here?

Is this some kind of a joke?

198

00:18:39,241 → 00:18:40,606

Joke about what?

199

00:18:41,177 → 00:18:43,407

Because it's not very funny.

200

00:18:43,579 → 00:18:45,809

-Do you know this man?

-No.

201

00:18:46,882 → 00:18:48,509

Who the hell are you?

202

00:18:49,885 → 00:18:51,443

Who the hell are you?

203

00:18:53,222 → 00:18:54,746

I'm her husband.

204

00:18:55,925 → 00:18:57,620

Okay. Okay.

205

00:18:57,793 → 00:19:01,194

Would you mind just getting him  
away from us. please?

206

00:19:01,597 → 00:19:03,121

-Liz. Liz. stop this.

MARTIN B: Hey.

207

00:19:03,299 → 00:19:06,063

-Gentlemen. please. please. please.

-Get your hands off me.

208

00:19:06,235 → 00:19:07,668

MARTIN B: Back off.

-What's going on?

209

00:19:07,837 → 00:19:08,929

-Tell me.

-Back off!

210

00:19:09,105 → 00:19:11,437

-What's this all about?

MARTIN B: Why don't you take a walk?

211

00:19:11,607 → 00:19:13,006

STRAUSS:

Gentlemen. please.

212

00:19:13,175 → 00:19:15,006

-Don't touch me.

-Come on. come on!

213

00:19:15,211 → 00:19:17,611

If you don't leave now.

we have to call the police.

214

00:19:17,780 → 00:19:21,011

Call the police! Call the goddamn army!

That's a good idea!

215

00:19:21,183 → 00:19:23,447

What's happening?

You're embarrassing me. Please.

216

00:19:23,619 → 00:19:25,086

-Get him out of here.

-Liz!

217

00:19:25,254 → 00:19:28,246

-I must apologize. Have a nice evening.

-I was hurt!

218

00:19:28,424 → 00:19:31,052

-Liz! Why are you doing this to me?

MARTIN B: You okay?

219

00:19:31,227 → 00:19:32,558

Can you believe this?

220

00:19:32,862 → 00:19:33,988

Right there.

221

00:19:34,163 → 00:19:36,723

That's Liz. And I am....

222

00:19:40,169 → 00:19:43,900

I must've been outside.

I can't remember.

223

00:19:44,440 → 00:19:47,739

Well. as you can see. you are not there.

224

00:19:47,943 → 00:19:51,344

OFFICER: Immigration confirms the arrival  
of a Dr. and Mrs. Harris...

225

00:19:51,514 → 00:19:54,745

-...on November the 20th at 7:40 a.m.

-Yes.

226

00:19:54,917 → 00:19:58,216

At 8:50. she checked into their suite  
at the hotel...

227

00:19:58,387 —> 00:20:01,948

...followed by Dr. Harris  
at 3 in the afternoon.

228

00:20:02,124 —> 00:20:04,251

<i>-What?

-Danke.</i>

229

00:20:05,027 —> 00:20:08,155

Wait. He's— He's not Martin Harris.

230

00:20:08,330 —> 00:20:11,094

I am Dr. Martin Harris.

231

00:20:11,267 —> 00:20:14,430

The man upstairs is pretending  
to be me.

232

00:20:14,603 —> 00:20:16,867

And this impostor.

did he also steal your wife?

233

00:20:17,039 → 00:20:19,507

He must be forcing her or something.

234

00:20:19,675 → 00:20:22,269

Well. why? Help me. Why?

235

00:20:22,445 → 00:20:25,380

For God's sake.

just do an Internet search.

236

00:20:25,548 → 00:20:28,346

There are over 400 Martin Harrises  
in the United States. sir.

237

00:20:28,517 → 00:20:30,280

We already checked.

238

00:20:30,786 → 00:20:34,347

Rod. Rodney Cole.

a colleague at Langemore in the States.

239

00:20:34,523 → 00:20:36,923

A dear friend.

He can verify who I am.

240

00:20:37,093 → 00:20:38,924

Please. call him. It's 001...

241

00:20:40,096 → 00:20:41,723

[OFFICER DIALING]

[MARTIN SIGHS]

242

00:20:41,897 → 00:20:45,458

...508-146-2595.

243

00:20:48,571 → 00:20:50,835

<i>RODNEY [ON RECORDING]:

This is Dr. Cole. I'm having an....</i>

244

00:20:51,006 → 00:20:52,371

Sorry. answering machine.

245

00:20:52,541 → 00:20:53,633

<i>Please, leave a message.</i>

246

00:20:53,809 → 00:20:57,176

Professor Bressler. Talk to him.

He's the reason I'm in Berlin.

247

00:20:57,346 → 00:20:59,814

He invited me over to the summit  
to discuss my thesis.

248

00:20:59,982 → 00:21:01,745

-You know Professor Bressler?

-Yes.

249

00:21:01,917 → 00:21:05,876

Well. we haven't actually met.  
but we've been speaking on the phone...

250

00:21:06,055 → 00:21:07,579

...e-mailing. dozens of times.

251

00:21:07,923 → 00:21:09,618

[GUARD SPEAKS IN GERMAN]

252

00:21:11,327 → 00:21:13,295

-Why don't you arrest him?

STRAUSS: For what?

253

00:21:14,130 → 00:21:15,927

Entering the country legally?

254

00:21:16,098 → 00:21:20,558

Presenting all the correct documentation  
and sharing a hotel suite with his wife?

255

00:21:20,736 → 00:21:23,068

Excuse me. With your wife.

256

00:21:24,140 → 00:21:26,768

She is my wife.

257

00:21:27,476 → 00:21:30,604

Herr Strauss? I found a Dr. Martin Harris  
at Langemore University.

258

00:21:30,779 → 00:21:34,215

Yes. Thank you.

That's what I've been trying....

259

00:21:37,853 → 00:21:39,343

Okay.

260

00:21:40,322 → 00:21:42,449

Wait. please. wait.

261

00:21:42,625 → 00:21:46,152

You're going to arrest me?

I demand to speak to my embassy.

262

00:21:46,328 → 00:21:49,695

Unfortunately. it's your Thanksgiving.

The embassy's closed until Monday.

263

00:21:57,139 → 00:22:00,870

Herr Strauss.

can I have a quiet word. please?

264

00:22:02,077 → 00:22:03,476

Okay.

265

00:22:06,682 → 00:22:08,149

Listen...

266

00:22:10,119 → 00:22:12,781

...you're probably right. I—

267

00:22:13,088 → 00:22:14,783

The accident.

268

00:22:15,491 → 00:22:16,685

I. uh—

269

00:22:16,859 → 00:22:20,351

I haven't been remembering things  
very well. I'm confused.

270

00:22:21,096 → 00:22:24,361

This is my doctor  
at the hospital here in Berlin.

271

00:22:24,533 → 00:22:29,436

He warned me that this sort of thing.

this was gonna happen.

272

00:22:30,372 → 00:22:33,398

I need to go back there now.

273

00:22:33,842 → 00:22:36,276

I'm so embarrassed.

274

00:22:39,315 → 00:22:43,718

Do now you are saying  
that you are not Dr. Martin Harris?

275

00:22:47,856 → 00:22:49,517

I don't know.

276

00:23:04,039 → 00:23:05,506

[GUARD SPEAKS IN GERMAN]

277

00:23:17,119 → 00:23:20,680

Wait. stop. Stop. I've changed my mind.

278

00:23:25,828 → 00:23:26,954

[TIRES SCREECHING]

279

00:23:51,220 → 00:23:52,710

[INAUDIBLE DIALOGUE]

280

00:24:32,161 → 00:24:33,992

[SPEAKS IN GERMAN]

281

00:24:34,330 → 00:24:35,797

-Need passport.

-Please.

282

00:24:36,865 → 00:24:38,298

Please?

283

00:24:39,001 → 00:24:41,868

Police. Very bad.

284

00:24:48,210 → 00:24:49,768

[RINGS]

285

00:24:49,945 → 00:24:51,469

<i>RODNEY [ON RECORDING]:

This is Dr. Cole.</i>

286

00:24:51,647 → 00:24:55,048

<i>I'm having an out-of-office experience  
right now. Please, leave a message.</i>

287

00:24:55,217 → 00:24:56,241

[BEEPS]

288

00:24:56,418 → 00:24:57,976

Rodney. it's me. Martin.

289

00:24:58,153 → 00:25:01,520

Listen. I'm in Berlin  
for the summit. but....

290

00:25:01,690 → 00:25:04,158

It's Liz. She's—

291

00:25:04,326 → 00:25:07,420

I— I don't know what she's doing...

292

00:25:07,596 → 00:25:09,621

...and there's another man involved.

293

00:25:09,798 → 00:25:12,858

It— She— She....

294

00:25:15,037 → 00:25:17,369

I'm in trouble. Rod. We—

295

00:25:17,539 → 00:25:18,733

[OPERATOR SPEAKING IN GERMAN]

296

00:25:18,907 → 00:25:20,135

Shit.

297

00:25:50,072 → 00:25:52,199

[FOOTSTEPS APPROACHING]

298

00:25:55,411 → 00:25:56,901

[FOOTSTEPS STOP]

299

00:26:02,050 → 00:26:03,881

[FOOTSTEPS APPROACHING]

300

00:26:41,790 → 00:26:42,814

[IN GERMAN]

301

00:27:40,349 → 00:27:42,010

[BELL TOLLING]

302

00:29:04,633 → 00:29:06,794

<i>MAN: He says he doesn't care  
if she saved your life.</i>

303

00:29:06,969 → 00:29:09,199

[SPEAKING IN GERMAN]

304

00:29:09,538 → 00:29:12,974

The bitch cost him 20.000 Euros.

305

00:29:14,576 → 00:29:18,342

The insurance won't cover the cab  
as she had no license.

306

00:29:18,513 → 00:29:19,810

[MANAGER SHOUTING IN GERMAN]

307

00:29:20,716 → 00:29:25,278

He says illegal immigrants  
are destroying German society.

308

00:29:27,656 → 00:29:29,988

Do I'm guessing he doesn't know  
where she is.

309

00:29:30,158 → 00:29:32,126

No one knows where she is.

310

00:29:34,930 → 00:29:38,422

Well. thank him for his time.

311

00:29:40,936 → 00:29:41,960

MARTIN:

Excuse me.

312

00:29:42,137 → 00:29:44,230

Hey. American.

I'm sorry we couldn't help you.

313

00:29:44,406 → 00:29:46,101

You know where she is. I can tell.

314

00:29:46,274 → 00:29:49,607

Look. I just wanna thank her.

She saved my life.

315

00:29:49,811 → 00:29:52,939

I thought maybe I could give her  
some money. I just wanna thank her.

316

00:29:54,650 → 00:29:56,140

Please.

317

00:30:00,389 → 00:30:01,856

[SPEAKING IN GERMAN]

318

00:30:02,691 → 00:30:04,556

[MAN SPEAKING IN GERMAN]

319

00:30:11,500 → 00:30:12,831

You remember me?

320

00:30:13,368 → 00:30:15,302

-I was in your taxi.

-I don't drive taxi.

321

00:30:16,571 → 00:30:17,902

MARTIN:

I was in your taxi.

322

00:30:18,073 → 00:30:19,335

We crashed.

323

00:30:19,508 → 00:30:21,635

I need to know.

where did you pick me up?

324

00:30:22,477 → 00:30:24,342

-Where was I going?

-How did you find me?

325

00:30:24,513 → 00:30:25,537

Your friend. Biko.

326

00:30:25,714 → 00:30:27,739

[IN GERMAN]

327

00:30:28,884 → 00:30:30,943

[WHISPERS]

Just leave me alone.

328

00:30:33,188 → 00:30:34,655

MARTIN:

Please. help me.

329

00:30:35,424 → 00:30:37,153

Just leave me alone.

330

00:30:38,994 → 00:30:40,154

Thank you for saving me.

331

00:30:53,141 → 00:30:54,165

Excuse me.

332

00:30:54,342 → 00:30:58,244

I need to find Professor Bressler's lab.

I have an appointment at 12:30. I'm late.

333

00:30:58,413 → 00:31:01,940

-Your name. please?

-Dr. Martin Harris.

334

00:31:05,687 → 00:31:06,949

Wait here. please.

335

00:31:07,122 → 00:31:08,453

The professor knows who I am.

336

00:31:08,623 → 00:31:11,057

We scheduled this appointment  
weeks ago.

337

00:31:35,217 → 00:31:36,741

MARTIN B:

Drake. the English botanist...

338

00:31:36,918 → 00:31:39,284

...who wondered how it manages  
to reproduce...

339

00:31:39,454 → 00:31:42,890

...as it doesn't appear to attract  
any insects.

340

00:31:43,058 → 00:31:46,960

Yes. One wonders how plants are  
developing firm. unlike m—

341

00:31:49,264 → 00:31:50,492

[IN GERMAN]

342

00:31:51,733 → 00:31:53,928

-Bressler.

-This lab is restricted. Who are you?

343

00:31:54,102 → 00:31:58,232

This man is not Martin Harris.

I am Dr. Martin Harris.

344

00:31:59,708 → 00:32:03,610

Do. what is this?

There are two Martin Harrises. huh?

345

00:32:03,779 → 00:32:05,178

MARTIN B:

No. let me explain.

346

00:32:05,347 → 00:32:08,441

This man showed up at my hotel last night  
claiming to be me.

347

00:32:08,617 → 00:32:11,586

-The police were called.

-I called the police. son of a bitch!

348

00:32:11,753 → 00:32:13,482

He checked himself out of a hospital.

349

00:32:13,655 → 00:32:15,247

-He was in an accident.

-Professor.

350

00:32:15,524 → 00:32:17,151

[IN GERMAN]

351

00:32:17,659 → 00:32:18,921

<i>Ja. Danke.</i>

352

00:32:19,494 → 00:32:21,689

We talked. you and I. on the phone.

353

00:32:21,863 → 00:32:24,297

We discussed

alternative forms of propagation.

354

00:32:24,466 → 00:32:28,960

I told you about my father.

a schoolteacher. his passion for science.

355

00:32:29,538 → 00:32:31,028

We talked about your children...

356

00:32:31,206 → 00:32:34,471

...about how much time you've spent

with them since you lost your wife.

357

00:32:34,643 → 00:32:37,009

Two girls. right?

358

00:32:37,179 → 00:32:40,148

You told me their names. And I....

359

00:32:40,315 → 00:32:41,976

I just can't....

360

00:32:42,450 → 00:32:44,145

I know them. I know them.

361

00:32:44,920 → 00:32:46,945

-Laurel.

MARTIN B: Laurel. Lily. twins.

362

00:32:47,122 → 00:32:48,851

Ten years old.

363

00:32:49,024 → 00:32:53,120

About the same age I was when I told

my father I wanted to be a botanist.

364

00:32:53,295 → 00:32:56,230

Do you remember. Professor?

We talked about that on the phone...

365

00:32:56,398 → 00:32:58,559

...how I'd never seen my father  
this happy.

366

00:32:58,733 → 00:32:59,791

No. that wasn't you.

367

00:32:59,968 → 00:33:03,199

Don't you remember? We spoke  
about how brave our wives were—

368

00:33:03,371 → 00:33:04,565

BOTH:

To marry scientists.

369

00:33:04,739 → 00:33:07,367

-I told you about our—

-Our honeymoon in Paris.

370

00:33:07,576 → 00:33:10,977

My wife and I. And how she wanted to visit  
all the museums.

371

00:33:11,146 → 00:33:14,240

-All I wanted to do was go to the—

BOTH: L'Ecole Polytechnique.

372

00:33:14,416 → 00:33:18,819

BOTH: But she insisted. And that's how

I first saw Leonardo's Vitruvian man.

373

00:33:19,487 → 00:33:20,852

Wow.

374

00:33:25,694 → 00:33:26,786

This is not happening.

375

00:33:27,095 → 00:33:28,221

STUDENT:

376

00:33:28,396 → 00:33:29,488

<i>[IN GERMAN]

Moment, Moment.</i>

377

00:33:29,664 → 00:33:34,260

I don't know who this man is.

but he has taken everything from me.

378

00:33:34,903 → 00:33:37,098

You have to arrest him.

379

00:33:37,505 → 00:33:38,904

Go on. arrest him.

380

00:33:41,042 → 00:33:43,772

I don't believe I need to do this.

381

00:34:00,228 → 00:34:02,219

[LIZ'S LAUGHTER ECHOING]

382

00:34:15,010 → 00:34:16,272

[SPEAKS IN GERMAN]

383

00:34:16,444 → 00:34:17,672

MARTIN:

No.

384

00:34:24,052 → 00:34:25,280

[IN GERMAN]

385

00:34:38,233 → 00:34:41,828

My friend. he...

386

00:34:43,004 → 00:34:44,631

...looks....

387

00:34:45,407 → 00:34:48,274

No. he finds people.

388

00:34:54,082 → 00:34:55,606

FARGE:

Martin.

389

00:34:56,551 → 00:34:59,452

The mistake was mine.

I should never have let you leave.

390

00:34:59,621 → 00:35:02,283

-What's happening to me. doctor?

-Confusion...

391

00:35:02,457 → 00:35:05,893

...memory loss.

complete or partial loss of identity.

392

00:35:06,061 → 00:35:08,791

These are common stages in recovery.

393

00:35:08,964 → 00:35:10,659

A person can awaken from a coma...

394

00:35:10,832 → 00:35:14,791

...convinced of a reality

that was previously only fantasy.

395

00:35:14,970 → 00:35:17,029

We are going to sedate you now...

396

00:35:17,205 → 00:35:21,164

...do another MRI.

try to find out what's going on. okay?

397

00:35:21,376 → 00:35:25,574

If I'm not Martin Harris.

why do I know so much about him?

398

00:35:26,614 → 00:35:31,642

Perhaps he was someone

you read about...

399

00:35:31,820 → 00:35:33,310

...or met once in passing.

400

00:35:34,923 → 00:35:38,381

Do you know what it feels like

to become insane. doctor?

401

00:35:39,794 → 00:35:44,060

It's like a war

between being told who you are...

402

00:35:44,666 → 00:35:46,861

...and knowing who you are.

403

00:35:48,203 → 00:35:50,637

Which do you think wins?

404

00:35:59,014 → 00:36:00,709

[MACHINE THUMPING]

405

00:36:14,396 → 00:36:15,761

[BOTH MOANING]

406

00:36:38,620 → 00:36:39,712

[INAUDIBLE DIALOGUE]

407

00:36:41,122 → 00:36:42,453

[THUMPING STOPS]

408

00:36:59,407 → 00:37:02,376

Hello. Martin. This won't take very long.

409

00:37:07,082 → 00:37:08,208

[GRUNTS]

410

00:37:31,272 → 00:37:32,500

[DOOR OPENING]

411

00:37:36,044 → 00:37:37,602

[IN GERMAN]

412

00:37:43,952 → 00:37:45,749

GRETCHEN:

413

00:37:45,954 → 00:37:47,046

SMITH:

414

00:37:47,222 → 00:37:49,122

GRETCHEN:

415

00:37:49,290 → 00:37:50,985

[GRETCHEN GRUNTS]

[NECK SNAPS]

416

00:38:01,402 → 00:38:02,869

[DOOR CLOSING]

417

00:38:05,073 → 00:38:06,665

[GRUNTING]

418

00:40:29,517 → 00:40:31,109

[ALL SHOUTING IN GERMAN]

419

00:40:49,003 → 00:40:53,064

It's okay. I'm feeling much. much better.

420

00:41:34,982 → 00:41:36,472

[SPEAKING IN GERMAN]

421

00:42:14,355 → 00:42:15,788

[RINGING]

422

00:42:16,023 → 00:42:19,254

<i>MAN [ON TV]: And now with us,

Rebecca for the weather.</i>

423

00:42:21,496 → 00:42:22,929

Hello?

424

00:42:25,032 → 00:42:26,499

<i>Hello?</i>

425

00:42:28,603 → 00:42:30,195

<i>Hello?</i>

426

00:42:34,742 → 00:42:37,711

<i>REBECCA [ON TV]: So it's going to be  
a cold night here in Central Berlin...</i>

427

00:42:37,879 → 00:42:39,676

<i>...with an overnight low  
of three degrees...</i>

428

00:42:39,847 → 00:42:43,044

<i>...and a high probability of more snow  
throughout tomorrow.</i>

429

00:42:43,251 → 00:42:45,446

*<i>And now to the West,  
to the Ruhr Valley.</i>*

430

00:43:01,836 → 00:43:03,201

[DOORBELL BUZZED]

431

00:43:11,179 → 00:43:13,647

-Herr Jurgen?

-Yeah?

432

00:43:20,788 → 00:43:21,812

You met her?

433

00:43:22,423 → 00:43:24,357

She looked after me in the hospital.

434

00:43:24,525 → 00:43:26,720

She was kind to me too.

435

00:43:27,595 → 00:43:30,029

I'm sorry. She's dead.

436

00:43:33,401 → 00:43:35,699

Come. Come in.

437

00:43:36,437 → 00:43:37,927

Thank you.

438

00:43:49,684 → 00:43:50,810

Drink?

439

00:43:50,985 → 00:43:52,885

No. thanks.

440

00:43:56,891 → 00:43:59,223

I was a former member of the Stasi...

441

00:44:00,094 → 00:44:02,392

...the Ministry for State Security.

442

00:44:02,563 → 00:44:06,659

-East German secret police. huh?

-Yes.

443

00:44:06,834 → 00:44:08,665

Proudly.

444

00:44:13,541 → 00:44:15,031

[COUGHING AND GAGGING]

445

00:44:18,112 → 00:44:19,443

Excuse me.

446

00:44:19,981 → 00:44:23,144

I cannot drink any longer.

but I like to forget that.

447

00:44:23,351 → 00:44:26,548

We Germans are experts at forgetting.

We forgot we were Nazis.

448

00:44:26,721 → 00:44:31,090

Now we have forgotten 40 years  
of Communism. all gone.

449

00:44:31,425 → 00:44:35,020

But it's not just history that's forgotten.

it's people too.

450

00:44:35,663 → 00:44:41,363

Please tell me more about  
Nurse Gretchen Herfort.

451

00:44:46,407 → 00:44:47,931

Quite a story.

452

00:44:48,109 → 00:44:51,237

For a moment.  
they had me convinced I was crazy.

453

00:44:51,412 → 00:44:54,074

But when they came to take me.  
when they...

454

00:44:55,316 → 00:44:58,911

...killed your friend. I knew.

455

00:45:00,421 → 00:45:02,912

I'm not sure how I can be of service.

456

00:45:03,090 → 00:45:07,527

I need you to help me prove I'm me.

457

00:45:10,431 → 00:45:11,455

May I?

458

00:45:11,632 → 00:45:13,497

Please.

459

00:45:13,668 → 00:45:16,034

It's a gift from my father.

460

00:45:17,038 → 00:45:19,370

I always have it with me.

461

00:45:31,619 → 00:45:33,484

These mean anything to you?

462

00:45:33,654 → 00:45:36,054

No. It's my wife's writing.

463

00:45:36,223 → 00:45:38,054

Do they mean something to her.

464

00:45:41,996 → 00:45:45,727

That's my schedule for this week.

I wrote it from memory.

465

00:45:46,801 → 00:45:48,666

Your wife's involvement in this.

466

00:45:48,836 → 00:45:53,330

There must have been something in  
the past. a new friend. an acquaintance?

467

00:45:53,507 → 00:45:54,769

No. no. no.

468

00:45:54,942 → 00:45:56,500

Unexplained absence?

469

00:45:56,677 → 00:46:00,272

No. no. There was nothing.

I would've known.

470

00:46:00,448 → 00:46:02,575

Men always like to think.

471

00:46:02,750 → 00:46:05,617

It's not Liz. I know her.

472

00:46:05,786 → 00:46:07,583

Yet she does not know you.

473

00:46:07,755 → 00:46:11,088

Look. whoever been doing this.  
they've been planning it for some time.

474

00:46:11,258 → 00:46:16,025

They have passports. credit cards.  
family photos. for God's sakes.

475

00:46:16,197 → 00:46:18,563

I mean. this takes preparation.  
doesn't it?

476

00:46:18,733 → 00:46:22,965

They have detailed knowledge of my  
research. my relationship with Professor—

477

00:46:23,137 → 00:46:26,402

As well as the fact that you were going  
to have a random accident...

478

00:46:26,574 → 00:46:30,840

...that would allow a stranger  
to seamlessly take your place?

479

00:46:31,012 → 00:46:34,106

These people may be good.  
but they are not God.

480

00:46:34,281 → 00:46:36,772

A little confirmation would be nice.

481

00:46:36,951 → 00:46:39,886

Somewhere there's proof.  
They can't have thought of everything.

482

00:46:40,054 → 00:46:44,388

The question is.

why would they want to take your place?

483

00:46:44,792 → 00:46:46,919

What could they gain from being you?

484

00:46:47,094 → 00:46:50,689

What does your wife gain

by denying you exist?

485

00:46:53,100 → 00:46:55,000

Do you believe me?

486

00:46:55,169 → 00:46:57,797

In the Stasi. we had a basic principle:

487

00:46:58,005 → 00:47:02,032

Ask enough questions and a man who  
is lying will eventually change his story...

488

00:47:02,209 → 00:47:05,610

...but a man who tells the truth

cannot change his...

489

00:47:05,780 → 00:47:07,805

...however unlikely his story sounds.

490

00:47:07,982 → 00:47:10,815

-Do you believe me?

-I believe...

491

00:47:11,452 → 00:47:13,750

...you are telling the truth. Dr. Harris.

492

00:47:14,221 → 00:47:16,781

I'll start by calling your colleague  
at Langemore.

493

00:47:16,957 → 00:47:20,324

As you say. it's Thanksgiving.  
and there's the time difference...

494

00:47:20,494 → 00:47:23,554

...so it may take time to make contact.

495

00:47:23,731 → 00:47:26,461

Then there is the question of....

496

00:47:27,401 → 00:47:29,028

Oh. of money. Of course.

497

00:47:29,203 → 00:47:33,196

Unfortunately. yes. Money.

498

00:47:33,974 → 00:47:38,638

Of course. Here.

Here's everything I have.

499

00:47:39,613 → 00:47:42,343

I'll pay you in full as soon as I can.

500

00:47:46,120 → 00:47:48,680

-For expenses.

-Sure.

501

00:47:48,856 → 00:47:51,586

I'll need 24 hours.

Call me tomorrow afternoon.

502

00:47:51,759 → 00:47:55,889

And go find your taxi driver.

Dee if she'll talk to me.

503

00:47:56,330 → 00:47:59,731

She was there at the beginning of all this.

Perhaps she knows something.

504

00:47:59,900 → 00:48:01,527

I've already tried.

505

00:48:01,969 → 00:48:04,961

There may be details we've overlooked.

506

00:48:05,372 → 00:48:10,139

That's what I was really known for.

details.

507

00:48:15,983 → 00:48:17,507

MARTIN:

Gina?

508

00:48:25,893 → 00:48:28,453

I know why you ran away  
from the accident.

509

00:48:29,163 → 00:48:30,653

You're an illegal.

510

00:48:30,865 → 00:48:34,096

If the police had picked you up.  
they would have deported you.

511

00:48:35,669 → 00:48:38,638

Look. I want you to have this.

512

00:48:38,806 → 00:48:42,435

-What if I don't want it?

-It's worth at least 5000 Euro.

513

00:48:42,643 → 00:48:44,975

Feel the weight of it.

Go on. It's the real thing.

514

00:48:49,216 → 00:48:50,877

"E.H. to M.H."?

515

00:48:51,051 → 00:48:56,353

Elizabeth Harris. my wife. to me. Martin.

Special gift.

516

00:48:59,660 → 00:49:02,060

Okay. Martin Harris.

What do you want?

517

00:49:02,229 → 00:49:04,163

There's someone

I need you to speak to.

518

00:49:04,331 → 00:49:07,596

-I'm not talking to the police.

-He's not the police. I promise you.

519

00:49:07,768 → 00:49:10,362

I just need you to tell him

what happened.

520

00:49:10,538 → 00:49:13,132

Anything.

everything you can remember.

521

00:49:14,508 → 00:49:17,033

And I need a place to crash tonight.

522

00:49:17,211 → 00:49:18,439

[CHUCKLED]

523

00:49:21,549 → 00:49:23,107

Please?

524

00:49:29,857 → 00:49:33,987

Sentiment.

it's always the first thing to go.

525

00:49:36,230 → 00:49:37,629

OFFICER [IN GERMAN]:

526

00:49:44,138 → 00:49:45,366

Brandt.

527

00:49:48,375 → 00:49:49,637

Jurgen?

528

00:49:57,184 → 00:50:00,551

I picked you up from the Adlon Hotel.

You wanted to go to the airport.

529

00:50:01,689 → 00:50:02,883

You were in a hurry.

530

00:50:03,057 → 00:50:04,649

That's it?

531

00:50:05,092 → 00:50:08,619

But I'd just arrived.

Doesn't make sense.

532

00:50:08,796 → 00:50:12,755

She didn't recognize you?

How long have you been married?

533

00:50:12,933 → 00:50:14,525

-Five years.

-Five years?

534

00:50:14,702 → 00:50:17,193

I know it sounds crazy. but it's true.

535

00:50:17,371 → 00:50:18,531

This is it.

536

00:50:19,073 → 00:50:20,267

Sorry. no elevator.

537

00:50:21,609 → 00:50:24,669

I know. not the Adlon Hotel.

538

00:50:26,814 → 00:50:28,475

[WOMAN SHOUTING IN GERMAN]

539

00:50:31,952 → 00:50:34,284

[NEIGHBORS SHOUTING  
IN FOREIGN LANGUAGE]

540

00:50:37,491 → 00:50:41,860

The walls are made of cardboard.  
but it's home.

541

00:50:42,630 → 00:50:45,861

I have to work tonight.  
You can sleep in there.

542

00:50:46,033 → 00:50:47,762

I have extra mattress.

543

00:50:48,569 → 00:50:50,230

MARTIN:

It's quaint.

544

00:50:52,940 → 00:50:54,771

[SPEAKING IN GERMAN]

545

00:51:25,039 → 00:51:26,165

[COUGHING]

546

00:51:36,650 → 00:51:38,083

[SPEAKING IN FOREIGN LANGUAGE]

547

00:51:38,252 → 00:51:40,447

[MAN SHOUTING

IN FOREIGN LANGUAGE]

548

00:51:41,555 → 00:51:42,681

[PEOPLE SCREAMING]

549

00:51:52,666 → 00:51:55,100

MARTIN:

Would you mind if I took a shower?

550

00:51:55,803 → 00:51:58,294

You could try. I'm not sure you will fit.

551

00:51:59,006 → 00:52:04,501

The light is broken. You need to leave  
the door open if you want to see anything.

552

00:52:17,233 → 00:52:18,564

[FOOTSTEPS APPROACHING]

553

00:52:20,203 → 00:52:23,001

-I'm sorry. I just— I'm sorry.

-I give you a place to stay.

554

00:52:23,172 → 00:52:25,766

-That does not give you the right to—

-You're right.

555

00:52:26,442 → 00:52:28,774

They're good. the drawings.

556

00:52:42,425 → 00:52:44,120

You want to know?

557

00:52:49,332 → 00:52:50,731

This is me.

558

00:52:50,900 → 00:52:53,767

Two thousand

two hundred fifty-eight Euros...

559

00:52:54,503 → 00:52:55,970

...and counting.

560

00:52:56,672 → 00:53:01,609

I get to 4000. I can buy papers  
so I can get the hell out of here.

561

00:53:02,445 → 00:53:05,005

Sell the watch.

You'll get more than you need.

562

00:53:05,181 → 00:53:06,876

I plan to.

563

00:53:09,852 → 00:53:11,285

[THUMPING]

564

00:53:12,955 → 00:53:14,820

[NEIGHBORS MOANING  
AND GRUNTING]

565

00:53:18,761 → 00:53:20,251

[WOMAN SHOUTING]

566

00:53:21,264 → 00:53:22,993

[MAN SHOUTING]

567

00:53:23,299 → 00:53:24,789

[WOMAN MOANING]

568

00:53:26,068 → 00:53:27,262

Ohh.

569

00:53:27,603 → 00:53:29,332

How do you sleep?

570

00:53:29,538 → 00:53:32,871

Eh. He never goes for very long.

571

00:53:34,677 → 00:53:36,110

This guy. Jurgen.

572

00:53:36,279 → 00:53:39,407

He's absolutely no danger to you.

573

00:53:42,652 → 00:53:43,880

Okay.

574

00:53:44,053 → 00:53:45,611

[KNOCKING]

575

00:53:56,799 → 00:53:57,993

Hello.

576

00:53:59,201 → 00:54:00,361

You got company.

577

00:54:00,536 → 00:54:01,662

Do you have the keys?

578

00:54:01,837 → 00:54:04,397

Bring it back to my place.

leave the keys on the TV...

579

00:54:04,573 → 00:54:06,871

...and don't forget to reset the meter.

580

00:54:07,043 → 00:54:09,568

-You're the best.

-I know. Come.

581

00:54:13,149 → 00:54:15,674

Yes. I sleep with every American  
you send my way.

582

00:54:15,851 → 00:54:17,478

No need to explain.

583

00:54:17,653 → 00:54:18,950

[BIKO LAUGHING]

584

00:54:19,188 → 00:54:20,587

[SHOWER RUNNING]

585

00:54:35,504 → 00:54:36,698

[KNOCKS]

586

00:54:36,872 → 00:54:38,897

GINA:

Biko! You're going to be late.

587

00:54:39,075 → 00:54:40,235

[GINA YELPS]

588

00:54:40,609 → 00:54:41,974

[GINA GRUNTING]

589

00:54:43,879 → 00:54:45,039

[GINA YELPS]

590

00:54:48,551 → 00:54:49,984

[SHOWER RUNNING]

591

00:55:41,937 → 00:55:43,234

[GRUNTS]

592

00:55:47,042 → 00:55:48,566

[CLATTER]

593

00:55:56,018 → 00:55:57,417

[SCREAMS]

594

00:56:00,890 → 00:56:01,914

Shh.

595

00:56:02,558 → 00:56:04,116

[CREAK]

[GLASS BREAKS]

596

00:56:07,329 → 00:56:08,819

Jones?

597

00:56:12,134 → 00:56:13,965

[GASPING]

598

00:56:26,382 → 00:56:27,610

[SMITH YELLS]

599

00:56:27,783 → 00:56:29,273

[BOTH GRUNTING]

600

00:56:43,833 → 00:56:44,857

[SCREAMS]

601

00:56:59,114 → 00:57:01,514

Biko? Biko?

602

00:57:11,794 → 00:57:13,284

[WOMAN SCREAMING]

603

00:57:14,997 → 00:57:16,521

[DOOR OPENS]

[GASPS]

604

00:57:55,604 → 00:57:57,231

Who are you?

605

00:57:58,040 → 00:58:00,008

Who the hell are you?

606

00:58:04,313 → 00:58:05,780

[GINA PANTING]

607

00:58:07,149 → 00:58:08,377

Biko's keys.

608

00:58:08,551 → 00:58:11,611

Give them to me.

Come on. you can't stay here.

609

00:58:24,333 → 00:58:25,925

This one!

610

00:58:30,773 → 00:58:32,070

[CAR DOORS CLOSE]

611

00:58:40,149 → 00:58:41,275

Are you all right?

612

00:58:43,152 → 00:58:45,950

That guy.

he killed a nurse in the hospital.

613

00:58:46,121 → 00:58:48,589

-What?

-He killed a nurse.

614

00:58:51,994 → 00:58:53,427

[TIRES SCREECHING]

[GINA YELPS]

615

00:58:53,629 → 00:58:54,823

Shit!

616

00:59:25,094 → 00:59:27,426

-Left. go left!

-Hang on!

617

00:59:48,484 → 00:59:49,610

[GINA GRUNTING]

618

00:59:52,388 → 00:59:53,719

[HORNS HONKING]

619

01:00:07,636 → 01:00:09,365

-Where is he?

-I can't see him.

620

01:00:09,538 → 01:00:11,301

[HORN BLARING]

[GINA SCREAMS]

621

01:00:20,783 → 01:00:23,616

-Where is—? Where's the wiper switch?

-It's on the left!

622

01:00:24,486 → 01:00:25,885

Shit!

623

01:00:30,325 → 01:00:31,917

[PEOPLE SHOUTING]

624

01:00:42,938 → 01:00:44,565

Come on! Go!

625

01:01:02,324 → 01:01:03,621

[WOMEN SCREAM]

626

01:01:21,143 → 01:01:22,371

[YELPS]

627

01:01:24,213 → 01:01:26,044

-Get off the tracks!

-I'm trying to!

628

01:01:33,789 → 01:01:35,051

[GINA SCREAMING]

629

01:01:39,995 → 01:01:41,462

Jesus!

630

01:02:00,482 → 01:02:02,109

[BOTH GASPING]

631

01:02:06,221 → 01:02:07,518

Come on. come on! Go!

632

01:02:12,995 → 01:02:14,292

GINA: Come on!

MARTIN: Run!

633

01:02:22,104 → 01:02:23,935

[SIRENS APPROACHING]

634

01:02:28,277 → 01:02:29,403

GINA:

In here.

635

01:02:29,812 → 01:02:32,406

MARTIN:

Out of the way. Out of the way.

636

01:02:33,916 → 01:02:35,008

[IN GERMAN]

637

01:02:35,184 → 01:02:37,084

-We are being followed.

-Vladimir.

638

01:02:37,352 → 01:02:38,842

[WHISPERING INDISTINCTLY]

639

01:02:48,597 → 01:02:51,589

[NEW ORDER'S "BLUE MONDAY"  
PLAYING OVER SPEAKERS]

640

01:03:13,856 → 01:03:15,983

<i>[DINGING]

How does it feel</i>

641

01:03:16,191 → 01:03:17,317

[CROWD CHEERING]

642

01:03:17,492 → 01:03:19,722

<i>To treat me like you do?</i>

643

01:03:20,829 → 01:03:24,026

<i>When you've laid your hands upon me</i>

644

01:03:24,499 → 01:03:27,434

<i>And you've told me who you are</i>

645

01:03:28,670 → 01:03:31,104

<i>I thought I was mistaken</i>

646

01:03:31,273 → 01:03:32,797

[MUSIC DISTORTED]

647

01:03:34,009 → 01:03:35,169

[LAUGHING]

648

01:03:36,245 → 01:03:38,475

<i>How do I feel?</i>

649

01:03:39,448 → 01:03:42,383

<i>Tell me now how do I feel?</i>

650

01:03:43,719 → 01:03:45,209

[GINA GASPING]

651

01:03:46,321 → 01:03:47,948

Gina.

652

01:03:49,658 → 01:03:53,185

You have to know I have never laid eyes  
on those men.

653

01:03:54,663 → 01:03:56,858

Why the hell did you  
have to get into my taxi?

654

01:03:57,032 → 01:03:59,000

I wish I hadn't. Believe me.

655

01:04:02,738 → 01:04:06,799

And Biko. His family is in Africa.

656

01:04:06,975 → 01:04:10,411

The money will just stop coming.

They will never know why.

657

01:04:14,549 → 01:04:16,608

Men like that. back there.

658

01:04:16,785 → 01:04:18,776

I have seen those kind of men before.

659

01:04:19,955 → 01:04:22,219

They killed my family in Bosnia.

660

01:04:22,391 → 01:04:25,519

My mother. my father. my brothers.

slaughtered!

661

01:04:26,261 → 01:04:27,353

We have to disappear.

662

01:04:27,896 → 01:04:32,356

-Gina. they're after me. not you.

-Don't be stupid. They're after both of us!

663

01:04:32,534 → 01:04:35,367

If they killed Biko.

they'll kill me just as easily.

664

01:04:45,480 → 01:04:47,471

[ELECTRONIC DANCE MUSIC PLAYING]

665

01:05:40,202 → 01:05:41,328

[LIZ GIGGLING]

666

01:05:45,207 → 01:05:46,834

Are you ready?

667

01:05:48,610 → 01:05:50,544

Don't ask.

668

01:05:59,254 → 01:06:00,915

Thank you.

669

01:06:03,125 → 01:06:07,289

I'm sorry I brought more trouble  
into your life.

670

01:06:08,663 → 01:06:11,826

I will try and make up for it. I promise.

671

01:06:16,838 → 01:06:18,203

I know.

672

01:06:20,208 → 01:06:22,142

I've figured something out.

673

01:06:26,448 → 01:06:29,076

MARTIN:

It's a simple code.

674

01:06:29,451 → 01:06:31,646

The first number refers to a page

in the book...

675

01:06:31,820 → 01:06:35,654

...the second to a line on that page.

the third to words on that line.

676

01:06:35,824 → 01:06:37,018

What are the words?

677

01:06:37,192 → 01:06:39,023

The Latin names of two plant species:

678

01:06:39,194 → 01:06:42,493

*Calochortus albus*

and *Umbellularia Californica*.

679

01:06:42,998 → 01:06:46,866

Fairy Lantern and California Bay.

both common. flowering plants.

680

01:06:47,035 → 01:06:48,969

What does it mean?

681

01:06:49,204 → 01:06:51,001

That I don't know.

682

01:06:51,173 → 01:06:54,199

Not part of your work.

or Professor Bressler's?

683

01:06:54,376 → 01:06:55,502

No.

684

01:06:55,677 → 01:06:58,942

Tell me. Martin. how close

are Professor Bressler and Prince Shada?

685

01:06:59,114 → 01:07:02,606

Very close. The prince is sponsoring  
the summit. They're both progressives.

686

01:07:02,784 → 01:07:05,082

Bressler wants to end world hunger.

687

01:07:05,253 → 01:07:07,949

He's researching new forms  
of crop cultivation...

688

01:07:08,123 → 01:07:10,523

...offering open access to his data.

689

01:07:10,692 → 01:07:12,353

The prince funds his work.

690

01:07:12,527 → 01:07:16,054

He knows the world will need food  
long after his oil resources are depleted.

691

01:07:16,231 → 01:07:18,597

Those agricultural patents  
will be worth a fortune.

692

01:07:18,767 → 01:07:21,065

But the prince's progressiveness  
has cost him.

693

01:07:21,236 → 01:07:24,103

Extremists in his own country

hate him...

694

01:07:24,272 → 01:07:29,608

...and yet he perseveres his course.  
despite multiple attempts on his life.

695

01:07:29,778 → 01:07:33,236

There's a cocktail party before Bressler's  
speech tonight. is that correct?

696

01:07:33,415 → 01:07:34,848

Yes.

697

01:07:35,550 → 01:07:38,917

For some. that might be a very good  
reason to want to be you.

698

01:07:39,387 → 01:07:41,787

Martin Harris with just a few guests...

699

01:07:41,957 → 01:07:45,484

...in a confined space  
with Prince Shada.

700

01:07:47,963 → 01:07:49,260

[GINA SIGHS]

701

01:07:54,069 → 01:07:57,266

Jurgen may be right.

but he might not be able to prove it.

702

01:07:57,439 → 01:07:58,872

I need to find Liz.

703

01:07:59,040 → 01:08:01,065

Oh. Martin. that is not a good idea.

704

01:08:01,243 → 01:08:04,041

The people who have her

have been sticking to my schedule.

705

01:08:04,212 → 01:08:05,873

I know where she'll be today.

706

01:08:06,047 → 01:08:09,881

Someone will be watching her.

What if he's there?

707

01:08:10,051 → 01:08:14,886

He won't be. He's me. remember?

He'll be meeting with Bressler.

708

01:08:56,965 → 01:08:58,193

[PHONE RINGING]

709

01:08:58,500 → 01:09:00,730

-Yeah?

-They just sat down.

710

01:09:00,902 → 01:09:03,462

Let me know when they leave. Thanks.

711

01:09:37,872 → 01:09:39,169

[PHONE BEEPS]

712

01:09:40,108 → 01:09:41,302

[RINGING]

713

01:09:44,479 → 01:09:46,037

MARTIN B:

Okay.

714

01:09:49,317 → 01:09:51,251

[HORNS HONKING]

715

01:09:55,257 → 01:09:57,623

<i>WOMAN [ON RECORDING]:

Please leave a message after the tone.</i>

716

01:11:08,630 → 01:11:10,120

[PHONE BEEPING]

717

01:11:44,099 → 01:11:45,123

MARTIN:

Liz.

718

01:11:46,534 → 01:11:47,899

What are you doing here?

719

01:11:48,436 → 01:11:49,460

Liz. What's happening?

720

01:11:49,637 → 01:11:51,832

Are you crazy?

You have to leave me alone.

721

01:11:52,006 → 01:11:54,736

Why? You have to tell me why.

Are they making you do this?

722

01:11:54,909 → 01:11:58,310

-Are they threatening you?

-How did you find me? Did you follow me?

723

01:11:58,480 → 01:11:59,970

When we arrived. you saw the ad.

724

01:12:00,148 → 01:12:03,242

You mentioned when we first saw  
her show. in Chicago. together.

725

01:12:03,418 → 01:12:05,249

Don't you remember?

726

01:12:23,204 → 01:12:25,195

-I can't get out.

-Come with me right now.

727

01:12:25,373 → 01:12:27,534

No. They'll kill us both.

728

01:12:28,076 → 01:12:31,409

I never should have left you.

I never should have gotten into that taxi.

729

01:12:31,579 → 01:12:33,376

You don't understand. do you?

730

01:12:33,948 → 01:12:37,907

Your briefcase.

It got left behind at the airport.

731

01:12:38,086 → 01:12:39,553

That's why you were going back.

732

01:12:39,721 → 01:12:41,848

You need to find it.

733

01:12:42,357 → 01:12:43,381

Wait for me there.

734

01:12:43,558 → 01:12:44,582

Liz. Liz. wait.

735

01:13:00,275 → 01:13:01,435

I love you.

736

01:13:12,854 → 01:13:15,084

-What did she say?

-Not here.

737

01:13:16,124 → 01:13:17,955

MARTIN B:

Where have you been? Hm?

738

01:13:28,036 → 01:13:30,596

I have to go to the airport right away.

739

01:13:37,545 → 01:13:39,308

[PHONE RINGING]

740

01:13:48,756 → 01:13:50,417

[PHONE RINGING]

741

01:14:00,502 → 01:14:01,526

<i>Ja?</i>

742

01:14:01,703 → 01:14:03,295

<i>RODNEY: Is this Ernst Jorgen?

-Yes. it is.</i>

743

01:14:03,471 → 01:14:07,168

My name is Rodney Cole.

I received a phone message from you.

744

01:14:07,342 → 01:14:10,800

And I received two from Martin as well.

What's the problem?

745

01:14:12,313 → 01:14:16,545

Oh. dear. Oh. that's unbelievable.

The poor man.

746

01:14:16,718 → 01:14:19,653

Well. Listen. here's the good news.

I've just arrived in Berlin.

747

01:14:19,821 → 01:14:24,190

Yes. I've been teaching in Leipzig.

at the Hochschule fur Technik.

748

01:14:24,359 → 01:14:26,987

I'm sorry. please excuse my German.

749

01:14:27,161 → 01:14:29,925

Well. I came up for the last day

to hear Bressler's speech.

750

01:14:30,098 → 01:14:31,827

I could come right over.

751

01:14:32,000 → 01:14:33,627

No. no. no. it's fine.

752

01:14:33,801 → 01:14:38,101

*<i>It's no problem at all. It's not far.*

*I know exactly where you are.</i>*

753

01:14:38,506 → 01:14:41,475

I look forward to meeting you. Mr. Cole.

754

01:14:41,643 → 01:14:44,510

*<i>Well, then, I'll see you soon. Bye.</i>*

755

01:14:50,818 → 01:14:52,911

Rodney Cole?

756

01:14:54,689 → 01:14:56,486

Leipzig?

757

01:14:58,860 → 01:15:00,191

[WHISTLING]

758

01:15:14,776 → 01:15:16,539

[DOORBELL BUZZED]

759

01:15:23,084 → 01:15:24,142

RODNEY:

Herr Jurgen?

760

01:15:24,319 → 01:15:25,718

Dr. Cole.

761

01:15:26,321 → 01:15:28,016

How do you do?

762

01:15:28,823 → 01:15:30,381

Thank you.

763

01:15:38,533 → 01:15:39,727

Drink?

764

01:15:39,901 → 01:15:43,428

I have a bottle labeled brandy.

which is more than likely hair lacquer...

765

01:15:43,605 → 01:15:47,666

...or some vodka my neighbor gave me  
after it made her husband go blind.

766

01:15:47,842 → 01:15:49,366

No. thank you.

767

01:15:49,544 → 01:15:52,035

Maybe some coffee?

I'm making some for myself.

768

01:15:52,213 → 01:15:54,477

No. I'm fine. Thank you.

769

01:16:14,469 → 01:16:16,630

You were in the military.

770

01:16:18,306 → 01:16:21,207

In the Stasi in East Germany.

771

01:16:21,376 → 01:16:24,140

Well. my grandson's gonna be  
very excited to hear that.

772

01:16:24,312 → 01:16:26,644

He loves all this Cold War stuff.

773

01:16:26,814 → 01:16:28,839

Oh. look at that.

774

01:16:29,017 → 01:16:30,746

What kind of car is that?

775

01:16:30,918 → 01:16:33,614

That's a Volga GAZ-24.

776

01:16:33,921 → 01:16:37,322

Suspension of a donkey cart  
and smelled like a tannery.

777

01:16:37,492 → 01:16:38,516

[CHUCKLED]

778

01:16:38,693 → 01:16:41,423

Vanished as quickly as the Wall.

779

01:16:51,773 → 01:16:56,767

Oh. This business with Martin  
is a hell of a thing. How did he find you?

780

01:16:56,944 → 01:16:59,139

Quite by chance. as it happens.

781

01:16:59,313 → 01:17:03,443

I would say he was damn lucky.  
How can I help?

782

01:17:03,851 → 01:17:07,617

Come with us to the authorities.  
Help them confirm his identity.

783

01:17:07,789 → 01:17:11,555

The authorities?  
Oh. Jesus. Is it that bad?

784

01:17:11,726 → 01:17:16,754

I mean. a man comes to you with a story.  
Why did you take his case?

785

01:17:17,365 → 01:17:19,833

Eh. Curiosity.

786

01:17:21,602 → 01:17:23,069

Is that all?

787

01:17:23,237 → 01:17:29,039

There's not much in this world left  
to interest an old spy like me.

788

01:17:29,210 → 01:17:31,735

A few questions I still think over.

789

01:17:32,346 → 01:17:35,474

One in particular  
from when I worked for the Aufklärung...

790

01:17:35,650 → 01:17:38,710

...our Foreign Intelligence wing.

791

01:17:40,588 → 01:17:44,615

They used to talk about

a European-based assassination unit...

792

01:17:44,792 → 01:17:47,818

...called Section 15.

793

01:17:48,229 → 01:17:50,197

Freelance. Deniable.

794

01:17:50,364 → 01:17:52,559

They'd work for whoever would pay.

795

01:17:53,167 → 01:17:55,362

Public sector. private sector.

796

01:17:55,536 → 01:17:58,266

Second-to-none

in their planning and efficiency.

797

01:17:58,706 → 01:18:01,573

What's more. they never failed.

798

01:18:01,743 → 01:18:04,143

And I am told  
they are still in existence...

799

01:18:04,312 → 01:18:08,146

...but that's only rumor. of course.

800

01:18:10,618 → 01:18:13,212

You had time after I called you.

801

01:18:13,387 → 01:18:15,184

Why didn't you run?

802

01:18:15,356 → 01:18:19,224

Where should I run from Section 15.

Mr. Cole?

803

01:18:19,393 → 01:18:21,122

I can hardly walk.

804

01:18:22,430 → 01:18:28,096

Before we could get Chesterfields.

I smoked 60 machorkas a day.

805

01:18:29,203 → 01:18:33,469

Filthy Soviet things.

Killed more Russians than Stalin.

806

01:18:34,675 → 01:18:38,702

My doctors assure me

I'll soon be joining their list of casualties.

807

01:18:38,880 → 01:18:40,438

I want to know how he found you.

808

01:18:40,648 → 01:18:44,448

I want every name.

every source you contacted on his behalf.

809

01:18:45,553 → 01:18:47,544

And then what?

810

01:18:48,556 → 01:18:50,990

We shake hands and you go away?

811

01:18:55,630 → 01:18:56,927

[JURGEN GRUNTING]

812

01:19:23,457 → 01:19:25,322

Cyanide.

813

01:19:26,260 → 01:19:31,061

You never think you'll have the courage  
to use it.

814

01:19:31,833 → 01:19:33,733

But you do.

815

01:19:35,069 → 01:19:36,366

The best of us do.

816

01:19:46,147 → 01:19:50,311

What if he remembers everything?

817

01:19:50,484 → 01:19:52,679

What then?

818

01:19:54,388 → 01:19:55,787

[GASPS]

819

01:20:06,868 → 01:20:08,460

[SCANNER BEEPS]

820

01:20:08,636 → 01:20:10,365

[IN GERMAN]

821

01:20:15,376 → 01:20:17,844

Wait. wait. Please.

822

01:20:21,382 → 01:20:26,979

The combination for the lock is....

823

01:20:33,494 → 01:20:34,893

Two eight zero...

824

01:20:35,129 → 01:20:36,790

[GINA TRANSLATES INTO GERMAN]

825

01:20:38,766 → 01:20:40,233

Two eight zero six three five.

826

01:21:33,955 → 01:21:35,946

MARTIN:

Who am I?

827

01:21:36,123 → 01:21:37,750

May I?

828

01:21:56,344 → 01:21:59,780

You shouldn't stay here.

It's not safe for you.

829

01:21:59,947 → 01:22:01,244

Liz told me to wait here.

830

01:22:05,319 → 01:22:06,479

Where are you going?

831

01:22:09,357 → 01:22:12,622

You've got your life back.

I'm happy for you.

832

01:22:12,793 → 01:22:14,420

Now I need to get on with mine.

833

01:22:14,595 → 01:22:16,290

Gina.

834

01:22:31,879 → 01:22:33,710

Thank you.

835

01:22:34,248 → 01:22:35,613

It's more than I need.

836

01:22:35,783 → 01:22:39,480

It's less than you deserve.

For everything you've been through.

837

01:22:39,653 → 01:22:40,950

Go on. take it.

838

01:22:45,626 → 01:22:48,117

What if she told them

where you were going?

839

01:22:48,295 → 01:22:49,592

Liz? She wouldn't.

840

01:22:49,764 → 01:22:50,788

How do you know?

841

01:22:50,965 → 01:22:54,401

Gina. she's my wife.

842

01:22:56,804 → 01:22:58,897

Yes. she is.

843

01:23:02,676 → 01:23:04,075

It's too heavy for me.

844

01:23:41,282 → 01:23:42,772

Martin.

845

01:23:42,950 → 01:23:44,577

Martin.

846

01:23:44,752 → 01:23:47,050

Oh. my God. look at you.

How are you doing?

847

01:23:47,221 → 01:23:48,688

Rodney? What are you doing here?

848

01:23:48,856 → 01:23:51,518

Well. you called me.

Don't you remember?

849

01:23:51,692 → 01:23:54,991

You left a message on my machine.

I got on the first plane I could.

850

01:23:55,162 → 01:23:58,757

-What have you gotten yourself into?

-I'm sorry to drag you into this. but—

851

01:23:58,966 → 01:24:02,094

Don't be. We've been friends

for 15 years.

852

01:24:02,269 → 01:24:04,863

I know you'd do the same for me.

853

01:24:19,420 → 01:24:20,444

[GASPS]

854

01:24:22,089 → 01:24:23,784

Let me take that for you. huh?

855

01:24:25,092 → 01:24:26,252

[ZAPPING]

[MARTIN GRUNTS]

856

01:24:26,427 → 01:24:27,621

[DRIVER SPEAKING IN GERMAN]

857

01:24:42,910 → 01:24:44,070

[TIRES SCREECHING]

858

01:24:44,245 → 01:24:45,906

[SHOUTING IN GERMAN]

859

01:24:53,187 → 01:24:54,415

[GRUNTS]

860

01:24:54,588 → 01:24:55,987

[HORNS HONKING]

861

01:24:56,624 → 01:24:58,148

[PEOPLE SHOUTING]

862

01:25:28,255 → 01:25:29,847

[LOCK CLICKING]

863

01:25:31,358 → 01:25:32,791

[VAN DOOR CLOSED]

864

01:25:37,932 → 01:25:39,297

[MARTIN GRUNTING]

865

01:25:49,310 → 01:25:50,675

[CLEARS THROAT]

866

01:25:58,085 → 01:25:59,814

I've never had this happen before.

867

01:25:59,987 → 01:26:02,820

You really think you are Martin Harris.  
don't you?

868

01:26:04,091 → 01:26:06,321

What the hell. Rod?

869

01:26:07,194 → 01:26:09,219

You're my oldest friend.

870

01:26:09,396 → 01:26:13,833

You know who I am. It's me.  
It's not this other guy. He's not—

871

01:26:14,001 → 01:26:16,765

Martin Harris? No. course he's not.

872

01:26:16,937 → 01:26:18,234

But. then. neither are you.

873

01:26:19,673 → 01:26:23,131

-What?

-There is no Martin Harris.

874

01:26:24,011 → 01:26:26,502

He doesn't exist.

875

01:26:27,014 → 01:26:28,208

You invented him.

876

01:26:29,016 → 01:26:30,381

He's your legend.

877

01:26:30,551 → 01:26:34,544

You just made him up as a cover to get  
into the conference.

878

01:26:36,557 → 01:26:40,755

-You're not making sense. Liz—

-Liz.

879

01:26:42,062 → 01:26:44,223

Liz is not your wife.

880

01:26:47,635 → 01:26:49,262

You were a professional team.

881

01:26:49,436 → 01:26:52,030

No. No. no. This is insane. She—

882

01:26:52,206 → 01:26:55,369

Your memories are not real.

883

01:26:55,542 → 01:26:58,568

Martin Harris is a fabrication.

884

01:26:58,746 → 01:27:03,240

You just invented a life.

and then you filled in the gaps.

885

01:27:09,290 → 01:27:11,383

She's right. You're really gone on this.

886

01:27:11,558 → 01:27:14,891

She had to go in with a backup.

How do you think she feels?

887

01:27:17,965 → 01:27:20,433

They're gonna write  
a textbook on you someday.

888

01:27:20,601 → 01:27:23,399

And thank you for retrieving the briefcase  
from the airport.

889

01:27:23,570 → 01:27:27,404

Leaving it there was untidy.

890

01:27:27,574 → 01:27:31,374

It was a loose end  
that didn't fit in with our plans...

891

01:27:31,578 → 01:27:34,240

...and Jurgen figured us out.

892

01:27:36,317 → 01:27:38,808

By the way. he's dead.

893

01:27:40,087 → 01:27:42,521

And he died very well.

894

01:27:43,390 → 01:27:47,451

And I'm afraid that isn't something  
I'm gonna be able to say about you.

895

01:27:48,329 → 01:27:50,194

I'm sorry.

896

01:27:50,764 → 01:27:55,098

I'm really. really sorry.

897

01:28:00,507 → 01:28:02,031

Rodney!

898

01:28:03,944 → 01:28:05,502

MARTIN:

Why are you doing this?

899

01:28:11,418 → 01:28:12,680

[MARTIN GRUNTING]

900

01:28:19,727 → 01:28:21,627

One year of preparation.

901

01:28:22,262 → 01:28:24,753

We did everything we could  
to make you come back.

902

01:28:24,932 → 01:28:28,459

Do you know how much time  
you've wasted? It's Thanksgiving.

903

01:28:28,635 → 01:28:31,160

I could've been home with my family.  
having dinner...

904

01:28:31,338 → 01:28:34,398

...instead of cleaning up your mess  
because you bumped your head...

905

01:28:34,575 → 01:28:36,543

...and started to believe your cover.

906

01:28:36,710 → 01:28:38,200

Tell me...

907

01:28:39,380 → 01:28:40,813

...who am I?

908

01:28:43,684 → 01:28:48,018

You were a trained assassin.

and you were my best boy.

909

01:28:49,390 → 01:28:54,885

And now you're just gonna be  
another nameless dead junkie.

910

01:29:01,168 → 01:29:02,658

[TIRES SCREECHING]

911

01:29:30,063 → 01:29:31,087

[YELPS]

912

01:29:47,948 → 01:29:49,108

Gina. stay down!

913

01:30:18,645 → 01:30:21,079

Gina. Gina.

914

01:30:56,116 → 01:30:59,108

No. No.

915

01:31:03,824 → 01:31:05,689

[SIRENS APPROACHING]

916

01:31:30,417 → 01:31:32,044

"Martin Harris...

917

01:31:32,219 → 01:31:37,623

...married to Elizabeth Terman.

July 18. 2006. Martha's Vineyard.

918

01:31:38,792 → 01:31:42,228

Father died. September 9. 1987.

of a heart attack."

919

01:31:42,396 → 01:31:46,594

I made it up. I made it up  
to kill a man I've never met.

920

01:31:56,610 → 01:31:59,579

Look. August 27th. the entry stamp.

921

01:31:59,746 → 01:32:02,237

You were in Berlin three months ago.

922

01:32:06,687 → 01:32:09,815

-Are you ready?

MARTIN: Almost.

923

01:32:15,295 → 01:32:16,626

[BEEPING]

924

01:32:22,936 → 01:32:24,369

Ready.

925

01:32:27,374 → 01:32:30,775

Who are these people?

They can become anyone.

926

01:32:30,944 → 01:32:32,138

They....

927

01:32:33,513 → 01:32:35,242

We are killers.

928

01:32:37,317 → 01:32:39,410

Prince Shada

is gonna be assassinated tonight.

929

01:32:39,586 → 01:32:42,248

There's a bomb in his suite.

I put it there.

930

01:32:43,824 → 01:32:45,985

You should've let me drown.

931

01:32:50,564 → 01:32:53,158

What matters is what you do now.

Martin.

932

01:33:06,580 → 01:33:08,548

[REPORTER 1 SPEAKING IN  
FOREIGN LANGUAGE]

933

01:33:08,715 → 01:33:12,048

REPORTER 2: Prince Shada.  
are you going to stay in Berlin?

934

01:33:13,153 → 01:33:15,451

REPORTER 3: Will you be funding  
research at the university?

935

01:33:15,622 → 01:33:19,251

REPORTER 4: Are you interested  
in GM crops. Prince Shada?

936

01:33:19,426 → 01:33:22,293

REPORTER 5: How long have you been  
working with Professor Bressler?

937

01:33:22,796 → 01:33:24,491

[CLASSICAL MUSIC PLAYING]

938

01:33:26,533 → 01:33:29,400

[IN GERMAN]

939

01:33:40,580 → 01:33:42,241

[BRESSLER SPEAKING IN GERMAN]

940

01:33:46,553 → 01:33:49,147

GUARD:

941

01:34:02,803 → 01:34:04,464

We're so honored you could attend.

942

01:34:04,638 → 01:34:06,572

The honor is all mine.

943

01:34:13,180 → 01:34:15,080

Would you like a drink?

In some circles...

944

01:34:15,248 → 01:34:19,150

...my husband is more well-known  
for his martinis than his research.

945

01:34:27,728 → 01:34:31,095

GUARD: Do you have an invitation. sir?

-I don't know if I'm supposed to have...

946

01:34:31,264 → 01:34:33,494

-...an invitation.

-Leo. please. come in.

947

01:34:33,667 → 01:34:36,192

I don't think you need  
an invitation to your reception.

948

01:34:36,369 → 01:34:37,893

BRESSLER:

Good to see you.

949

01:34:38,071 → 01:34:41,006

So good to see you.

Have you met our host?

950

01:34:41,208 → 01:34:43,403

-Not yet.

-Hello.

951

01:34:43,577 → 01:34:45,738

Now I can see why  
somebody would pretend to be him.

952

01:34:45,912 → 01:34:47,174

[LIZ AND MARTIN B CHUCKLE]

953

01:34:48,482 → 01:34:49,915

MARTIN:

This way.

954

01:35:00,127 → 01:35:01,194

Oh. let me take that.

955

01:35:01,195 → 01:35:03,143

I'd rather hold on to this.

If you don't mind.

956

01:35:03,144 → 01:35:05,791

Oh. you can trust me. Professor.

957

01:35:07,033 → 01:35:08,261

Separation anxiety.

958

01:35:10,370 → 01:35:12,497

-Just leave it there. if you could.

-Of course.

959

01:35:12,672 → 01:35:13,696

Thank you.

960

01:35:16,810 → 01:35:17,902

<i>Danke.</i>

961

01:35:25,652 → 01:35:27,586

SHADA:

Come. say hello to my friends.

962

01:35:28,355 → 01:35:29,845

<i>Danke schon.</i>

963

01:35:33,026 → 01:35:35,256

Oh. excuse me.

964

01:35:44,304 → 01:35:45,532

[BEEPING]

965

01:36:19,673 → 01:36:20,901

MARTIN B:

It's you.

966

01:36:21,074 → 01:36:22,473

[SHADA AND MARTIN B LAUGHING]

967

01:36:23,443 → 01:36:25,206

SHADA:

I am not so sure about that.

968

01:36:26,046 → 01:36:28,173

Many of my relatives would not agree.

969

01:36:29,749 → 01:36:31,410

This way.

970

01:36:32,252 → 01:36:33,844

[GRUNTING]

[GINA YELPS]

971

01:36:36,623 → 01:36:37,715

Get your hands off her!

972

01:36:38,058 → 01:36:40,618

[GUARD SPEAKING INDISTINCTLY  
OVER RADIO]

973

01:36:40,794 → 01:36:42,091

Okay. I'm coming.

974

01:37:10,490 → 01:37:11,718

[BEEPING]

975

01:37:18,899 → 01:37:22,562

There's a bomb in the Eisenhower suite.

I put it there three months ago!

976

01:37:22,736 → 01:37:24,931

Now you are saying you are

Dr. Martin Harris?

977

01:37:25,105 → 01:37:26,197

MARTIN:

You're not listening!

978

01:37:26,373 → 01:37:29,103

Take me to the room.

I'll show you exactly where it is.

979

01:37:29,276 → 01:37:32,074

Up to the room. in the middle of a party  
with Prince Shada...

980

01:37:32,245 → 01:37:36,375

...and the world's leading scientific minds?

Of course. why didn't you say so before?

981

01:37:46,626 → 01:37:50,756

I'm not lying! Pull up the reception  
recordings from August 27th of this year.

982

01:37:50,931 → 01:37:52,865

Do it now. or many people will die!

983

01:37:57,637 → 01:37:59,036

[BEEPS]

984

01:38:01,007 → 01:38:02,497

[BEEPING]

985

01:38:03,643 → 01:38:06,635

-Excuse me. I'm going to grab my bag.

-Sure.

986

01:38:13,853 → 01:38:18,552

Here. Why don't you just wear it?

Like some nerdy accessory?

987

01:38:18,725 → 01:38:20,192

BRESSLER:

Oh.

988

01:38:21,628 → 01:38:23,220

Thank you.

989

01:38:32,605 → 01:38:35,904

-That's got all your secrets in it. right?

BRESSLER: If you'd like to say so....

990

01:38:36,076 → 01:38:38,738

Would you excuse me?

I have to go check on something.

991

01:38:42,115 → 01:38:45,175

Stop. Stop. That's it.

992

01:38:45,518 → 01:38:48,487

Do you see? Look! Do you see?

993

01:38:54,194 → 01:38:55,218

[IN GERMAN]

994

01:39:03,436 → 01:39:04,801

[ALARM BEEPING]

995

01:39:04,971 → 01:39:06,529

<i>WOMAN [OVER PA]:

Attention, attention...</i>

996

01:39:06,706 → 01:39:10,164

<i>...could all guests leave the hotel  
by the front entrance?</i>

997

01:39:15,115 → 01:39:17,948

<i>MARTIN B: Shit.

WOMAN: Attention, attention...</i>

998

01:39:18,118 → 01:39:21,884

<i>...could all guests leave the hotel by the  
front entrance?</i>

999

01:39:22,055 → 01:39:23,386

Find the target. Finish it.

1000

01:39:23,556 → 01:39:26,354

We got what we came for.

I'm going to take care of the bomb.

1001

01:39:27,127 → 01:39:29,322

-Forget about it.

-They have my image on file...

1002

01:39:29,496 → 01:39:31,123

-...from when we planted it.

-Do?

1003

01:39:31,297 → 01:39:34,596

I don't want my face connected  
to an explosion we no longer need.

1004

01:39:34,768 → 01:39:35,996

Go!

1005

01:39:45,712 → 01:39:47,509

Lily. Laurel.

1006

01:39:48,148 → 01:39:52,482

Bressler's girls. Lily. Laurel.

Flowering plants.

1007

01:39:52,652 → 01:39:55,553

Calochortus albus

and Umbellularia Californica.

1008

01:39:55,722 → 01:39:57,349

The code. from the book.

1009

01:39:57,524 → 01:39:58,582

They're his passwords.

1010

01:39:58,858 → 01:40:00,849

[WOMAN SPEAKING IN GERMAN  
OVER PA]

1011

01:40:02,796 → 01:40:05,458

Bressler's supposedly working  
on a new strain of corn.

1012

01:40:05,632 → 01:40:08,567

One that can grow in any climate.  
It's revolutionary.

1013

01:40:08,735 → 01:40:10,896

If they access his research  
and kill him...

1014

01:40:11,071 → 01:40:13,471

...it could be worth billions

in the wrong hands.

1015

01:40:16,676 → 01:40:18,371

Laurel! Laurel!

1016

01:40:19,546 → 01:40:22,208

-Papa!

-Laurel!

1017

01:40:22,382 → 01:40:25,283

That bomb goes off. it'll look as if

Shada was killed by extremists.

1018

01:40:25,452 → 01:40:27,920

The prince was never the target.

It's Bressler.

1019

01:40:28,755 → 01:40:32,589

Listen. Listen! You have to tell Strauss.

they're after Bressler!

1020

01:40:32,759 → 01:40:34,249

Do you understand?

1021

01:40:34,461 → 01:40:36,019

[BOTH GRUNTING]

1022

01:40:38,064 → 01:40:39,122

Go! Go!

1023

01:40:40,533 → 01:40:43,559

Out of the way! Move! Move!

1024

01:40:46,639 → 01:40:48,539

-Laurel! Laurel!

LAUREL: Papa!

1025

01:40:50,210 → 01:40:52,542

Laurel! Laurel!

1026

01:41:04,691 → 01:41:05,988

[BEEPING]

1027

01:41:08,661 → 01:41:10,322

Oh. Laurel.

1028

01:41:11,631 → 01:41:13,531

Papa!

1029

01:41:15,502 → 01:41:17,470

She was wandering around.

looking for you.

1030

01:41:17,637 → 01:41:18,934

-Thank you.

-You're welcome.

1031

01:41:19,105 → 01:41:21,130

-We have to leave.

-Yes. yes.

1032

01:41:25,378 → 01:41:26,504

[BOTH GRUNTING]

1033

01:42:06,719 → 01:42:09,279
