This boy is so earnest.

351

00:17:00,342 —> 00:17:02,445

A major loser

is what he is.

352

00:17:03,546 —> 00:17:04,648

Hey! He is not!

353

00:17:04,681 —> 00:17:05,682

He is.

354

00:17:05,714 —> 00:17:07,384

He's very sweet.

355

00:17:07,416 —> 00:17:08,918

He's a little funny,

356

00:17:08,951 —> 00:17:11,253

but he's sweet

and he cares so much.

357

00:17:11,287 —> 00:17:13,190

I can't send him

a letter that says:

358

00:17:13,222 —> 00:17:15,558

"Dear kid, Mr. Salinger
has no interest in you,

359
00:17:15,592 —> 00:17:16,793
so please fuck off!"

360
00:17:16,826 —> 00:17:17,760
(Chuckling)

361
00:17:17,794 —> 00:17:19,930
Look, this one is
from the Netherlands:

362
00:17:19,962 —> 00:17:23,200
"Me and my wife traced Holden's
steps around New York.

363
00:17:23,232 —> 00:17:24,900
"Did you know that
the ducks in Central Park

364
00:17:24,933 —> 00:17:26,502
stay through winter?"

365

00:17:26,536 —> 00:17:29,806

Oh my God, they're literally

a bunch of obsessive freaks!

366

00:17:35,612 —> 00:17:38,315

I haven't read

Catcher in the Rye.

367

00:17:38,347 —> 00:17:39,649

You're kidding.

368

00:17:40,817 —> 00:17:42,853

I haven't read any Salinger.

369

00:17:44,820 —> 00:17:46,522

Wow!

370

00:17:46,556 —> 00:17:48,924

Everybody's read Catcher

at the very least.

371

00:17:48,958 —> 00:17:51,528
Yeah, well, at the risk
of disappointing you,

372
00:17:51,560 —> 00:17:54,730
there are actually a few writers
that I have yet to read.

373
00:17:54,763 —> 00:17:56,567
Well, I'm shocked.

374
00:17:57,866 —> 00:17:59,970
Hey, look, this girl is ready
to go to bed with him.

375
00:18:01,003 —> 00:18:01,971
He's 70-something.

376
00:18:02,005 —> 00:18:03,506
Don't be naive!

377
00:18:03,538 —> 00:18:06,475
Good literature is

a powerful aphrodisiac.

378

00:18:08,911 —> 00:18:11,948

I never had that

teenage Salinger moment.

379

00:18:11,980 —> 00:18:14,350

We never read

Catcher in the Rye at school,

380

00:18:14,384 —> 00:18:16,987

and later, I was interested

in difficult, gritty fiction.

381

00:18:17,019 —> 00:18:18,687

(Door opening, closing)

382

00:18:18,721 —> 00:18:20,022

(Bret): Hey, hon!

383

00:18:20,056 —> 00:18:23,026

Uh, Jenny's not

here right now.

384

00:18:23,058 —> 00:18:25,394

Oh! I'll be in the kitchen.

385

00:18:25,428 —> 00:18:27,998

I imagined Salinger's books

386

00:18:28,030 —> 00:18:32,969

to be insufferably cute,

quirky and precious.

387

00:18:33,001 —> 00:18:34,703

I didn't want

to be entertained.

388

00:18:34,737 —> 00:18:36,573

I wanted to be provoked.

389

00:18:43,846 —> 00:18:46,583

(Men and women talking

in distance, indistinct)

390

00:18:57,460 —> 00:18:58,995
Every morning!

391
00:18:59,028 —> 00:19:02,432
My shoulder hurts from
carrying all those manuscripts.

392
00:19:02,464 —> 00:19:04,268
- Hey, Joanna!
- Hi!

393
00:19:05,734 —> 00:19:08,570
Oh! I found a writer for
Max out of the slush pile.

394
00:19:08,604 —> 00:19:09,672
The stories are so good.

395
00:19:09,704 —> 00:19:12,608
I read them last night,
and I was sobbing by the end.

396
00:19:13,710 —> 00:19:15,444

(Elevator beeping)

397

00:19:16,511 —> 00:19:17,681

(Elevator dinging)

398

00:19:17,713 —> 00:19:19,581

What's the slush pile?

399

00:19:19,615 —> 00:19:21,518

The slush pile?

400

00:19:21,550 —> 00:19:23,052

OK, it's like

the most amazing

401

00:19:23,086 —> 00:19:24,820

and most horrible

part of our job.

402

00:19:24,854 —> 00:19:27,457

The stacks of manuscripts

nobody wants to read.

403

00:19:27,490 —> 00:19:29,793

Basically, it's all the

unsolicited query letters,

404

00:19:29,826 —> 00:19:31,961

people with no referral

who write to agents cold.

405

00:19:31,993 —> 00:19:34,798

The slush pile is,

like, 99% crazy shit,

406

00:19:34,830 —> 00:19:37,533

though some of it

is seriously hilarious.

407

00:19:37,567 —> 00:19:41,104

But very, very occasionally,

you find something amazing.

408

00:19:41,136 —> 00:19:43,405

(Women chuckling)

409

00:19:43,439 —> 00:19:46,109

Your boss doesn't

let you read?

410

00:19:46,142 —> 00:19:47,911

I can read manuscripts,

411

00:19:47,943 —> 00:19:49,913

should that be something

that interests you,

412

00:19:49,945 —> 00:19:51,847

at home on my free time,

of course!

413

00:19:51,881 —> 00:19:53,717

Manuscripts?

414

00:19:56,051 —> 00:19:57,520

No.

415

00:20:00,423 —> 00:20:02,358

Tabs, wrong.

416

00:20:02,392 —> 00:20:03,625

Margins, wrong.

417

00:20:03,659 —> 00:20:05,428

Proper names, wrong.

418

00:20:05,461 —> 00:20:06,796

Really, everything wrong.

419

00:20:06,828 —> 00:20:09,798

You can start re-typing today.

420

00:20:09,832 —> 00:20:13,603

And here, as a bonus,

is today's dictation.

421

00:20:14,936 —> 00:20:15,971

That...

422

00:20:16,005 —> 00:20:17,607

Forget about manuscripts.

423
00:20:17,640 —> 00:20:19,676
You need to get that right.

424
00:20:22,444 —> 00:20:23,712
(Clears throat)

425
00:20:23,746 —> 00:20:25,415
Is it on?

426
00:20:25,448 —> 00:20:26,750
Uh, no.

427
00:20:28,017 —> 00:20:31,621
As you know, I believe
that computers make work

428
00:20:31,653 —> 00:20:33,556
rather than alleviate it,

429
00:20:33,588 —> 00:20:36,393

but I agreed to install one
in the office,

430
00:20:36,425 —> 00:20:38,060
on a trial basis, because...

431
00:20:38,094 —> 00:20:40,063
It came in an elegant black.

432
00:20:40,096 —> 00:20:43,900
Because Hugh discovered
that people...

433
00:20:43,932 —> 00:20:45,468
I don't know
who these people are

434
00:20:45,500 —> 00:20:47,069
or why they don't have
more important things

435
00:20:47,103 —> 00:20:48,872
to do with their lives...

436

00:20:48,904 —> 00:20:51,974

but people have been publishing

whole Salinger stories

437

00:20:52,008 —> 00:20:54,978

on their personal e-webs.

438

00:20:55,010 —> 00:20:56,112

Web logs.

439

00:20:56,144 —> 00:20:57,180

(Sighing)

440

00:20:57,212 —> 00:20:58,815

Web logs...

Ridiculous!

441

00:20:58,847 —> 00:21:01,651

This is blatant

copyright infringement,

442

00:21:01,683 —> 00:21:04,753
and we're going to have to
scour the World Wide Web

443
00:21:04,787 —> 00:21:06,088
to put an end to it.

444
00:21:06,122 —> 00:21:09,793
And that is all the computer
is to be used for.

445
00:21:09,826 —> 00:21:13,129
Sorry to interrupt.
Just passing through.

446
00:21:13,162 —> 00:21:15,465
Don't mean to cause a fuss.

447
00:21:17,767 —> 00:21:18,735
(Phone ringing)

448
00:21:18,768 —> 00:21:20,603
We can turn it off now.

449

00:21:20,635 —> 00:21:22,806

- Uh, it's already off.

- OK, good.

450

00:21:22,838 —> 00:21:24,807

And maybe the little coat

that goes over it.

451

00:21:24,840 —> 00:21:26,675

I've seen it in pictures.

Thank you, Max.

452

00:21:26,709 —> 00:21:28,044

I'm afraid we don't have a...

453

00:21:31,180 —> 00:21:35,884

There were hundreds of us,

thousands maybe, all girls,

454

00:21:35,917 —> 00:21:39,521

working at literary agencies

or publishing houses.

455

00:21:39,555 —> 00:21:41,691

We answered calls

for our bosses,

456

00:21:41,723 —> 00:21:44,927

ushered in the writers,

fetched them water...

457

00:21:44,961 —> 00:21:48,897

never belying the fact that we

wanted to be writers ourselves.

458

00:21:48,931 —> 00:21:51,034

We whispered about

the lucky ones,

459

00:21:51,067 —> 00:21:53,870

the ones who were

mentored by their bosses,

460

00:21:53,903 —> 00:21:57,039

who were allowed

to take on books or clients,

461
00:21:57,073 —> 00:22:00,109
the ones who broke the rules
to show initiative...

462
00:22:00,142 —> 00:22:02,745
(Margaret talking on recording,
indistinct)

463
00:22:02,778 —> 00:22:05,515
...the ones who wanted it
badly enough.

464
00:22:05,548 —> 00:22:07,951
(Margaret on recording):
Please find two copies

465
00:22:07,983 —> 00:22:10,186
of the contract with
St. Martin publishing.

466
00:22:11,653 —> 00:22:15,057

Let's face it.

I was a secretary.

467

00:22:19,628 –> 00:22:21,897

(Sighing)

468

00:22:26,167 –> 00:22:28,137

(Phone ringing)

469

00:22:34,175 –> 00:22:36,712

(Phone continues ringing)

470

00:22:40,782 –> 00:22:42,584

Hello?

471

00:22:42,617 –> 00:22:44,153

(Man on phone):

Hello? Hello?

472

00:22:44,185 –> 00:22:45,821

Hello?

473

00:22:45,855 —> 00:22:48,892
Speaking to? It's Jerry.

474
00:22:50,292 —> 00:22:51,994
Hello, Mr. Salinger!

475
00:22:52,028 —> 00:22:53,730
Who is this?

476
00:22:53,762 —> 00:22:55,531
This is Joanna.

477
00:22:55,565 —> 00:22:56,633
Who?

478
00:22:56,665 —> 00:22:57,833
I... I'm Joanna.

479
00:22:57,866 —> 00:22:59,769
I'm... I'm Margaret's
new assistant.

480

00:22:59,801 –> 00:23:01,937
Oh, Margaret's new assistant!

481
00:23:01,971 –> 00:23:03,605
Nice to meet you, Suzanna.

482
00:23:03,638 –> 00:23:04,873
How do you like your job?

483
00:23:04,906 –> 00:23:06,141
I love it!

484
00:23:06,174 –> 00:23:09,611
Good to hear. I'm calling
to speak to your boss.

485
00:23:09,644 –> 00:23:11,647
Unfortunately,
she's not in right now.

486
00:23:11,681 –> 00:23:13,316
Um, can I leave her a message?

487

00:23:13,348 —> 00:23:15,751

Oh, no, I'll call back.

488

00:23:15,785 —> 00:23:17,620

Well, I'm sure you

have a lot of work.

489

00:23:17,653 —> 00:23:19,788

It was very nice

talking to you, Suzanna.

490

00:23:19,821 —> 00:23:22,291

I'm looking forward

to meeting you in person.

491

00:23:22,325 —> 00:23:23,894

You too.

492

00:23:24,961 —> 00:23:26,194

Have a great day!

493

00:23:26,228 —> 00:23:27,596

Goodbye!

494

00:23:33,102 —> 00:23:34,737

I never say:

"Have a great day."

495

00:23:34,769 —> 00:23:35,872

Jerry?

496

00:23:37,073 —> 00:23:39,342

He's deaf. An explosion

during the war.

497

00:23:39,375 —> 00:23:40,343

She just left?

498

00:23:40,375 —> 00:23:41,877

Yes.

499

00:23:41,911 —> 00:23:43,179

Better go tell her.

500

00:23:50,619 —> 00:23:51,887
Quicker.

501
00:23:53,655 —> 00:23:54,823
(Phone ringing)

502
00:23:55,891 —> 00:23:58,061
Margaret!

503
00:23:58,094 —> 00:24:00,028
Sorry! I'm sorry
to disturb you.

504
00:24:00,061 —> 00:24:01,997
You just got a call from...

505
00:24:02,030 —> 00:24:03,832
Your client just called.

506
00:24:03,865 —> 00:24:05,033
(Chuckling)

507

00:24:05,067 —> 00:24:06,702
I wonder
which one!

508
00:24:06,736 —> 00:24:08,605
I have to take this.

509
00:24:08,637 —> 00:24:11,673
Go ahead, Books. I'll wait
for you at the restaurant.

510
00:24:11,707 —> 00:24:13,977
You did the
right thing.

511
00:24:14,009 —> 00:24:16,278
Salinger wants to
publish a book.

512
00:24:16,311 —> 00:24:17,980
(Laughing)

513
00:24:19,315 —> 00:24:21,718

The press is

gonna go nuts.

514

00:24:21,750 —> 00:24:23,019

No press. No one must know.

515

00:24:23,051 —> 00:24:24,219

That's our job.

516

00:24:24,252 —> 00:24:26,855

So it's true.

He's been writing.

517

00:24:26,888 —> 00:24:29,257

Well, no, it's an

old story, Hapworth.

518

00:24:29,290 —> 00:24:31,994

A publisher,

Clifford Bradbury,

519

00:24:32,028 —> 00:24:35,264

approached him to publish it

as a stand-alone book.

520
00:24:35,297 —> 00:24:38,634
He has been thinking
about it for 8 years.

521
00:24:38,667 —> 00:24:41,136
The publisher wrote
to him back in '88.

522
00:24:41,170 —> 00:24:44,307
Jerry liked the fact that
he wrote on a typewriter.

523
00:24:44,339 —> 00:24:46,742
How did he get
Jerry's address?

524
00:24:46,776 —> 00:24:48,378
He addressed it
to J.D. Salinger,

525
00:24:48,411 —> 00:24:49,412

- Hugh!

- Yes?

699

00:32:42,250 —> 00:32:44,752

Do you have the Salinger

contract ready?

700

00:32:44,786 —> 00:32:46,188

Yes, almost there.

701

00:32:46,221 —> 00:32:47,690

Ask Pam to

call a messenger

702

00:32:47,722 —> 00:32:50,759

so we can get it over to

The New Yorker before 6:00.

703

00:32:50,791 —> 00:32:52,627

The New Yorker?

704

00:32:52,661 —> 00:32:54,196
Yes.

705
00:32:54,229 —> 00:32:57,232
Probably best if I just
bring it myself then, no?

706
00:32:57,266 —> 00:33:00,201
(Horns honking,
men and women chatting)

707
00:33:00,234 —> 00:33:02,570
I grew up reading
The New Yorker,

708
00:33:02,604 —> 00:33:04,373
following my father's ritual.

709
00:33:04,405 —> 00:33:06,608
He would start
with the movie reviews,

710
00:33:06,642 —> 00:33:09,144

and then turn to
"The Talk of the Town,"

711
00:33:09,178 —> 00:33:10,413
and then the features.

712
00:33:10,445 —> 00:33:13,749
In college, everyone was
into The New Yorker.

713
00:33:13,781 —> 00:33:17,218
(Men and women chatting,
phone ringing)

714
00:33:17,251 —> 00:33:18,520
(Sighing)

715
00:33:18,554 —> 00:33:20,256
Hi!

716
00:33:20,288 —> 00:33:23,358
My boss wanted me to make sure
this was delivered right away.

717

00:33:23,392 —> 00:33:24,326

Thank you!

718

00:33:29,798 —> 00:33:31,666

Can I help you

with something else?

719

00:33:31,700 —> 00:33:33,736

No. No!

720

00:33:33,769 —> 00:33:35,438

No, no, that was it, thanks.

721

00:33:45,747 —> 00:33:47,316

(Chuckling)

722

00:33:51,586 —> 00:33:54,557

I was at the Algonquin

serving him a martini.

723

00:33:54,589 —> 00:33:58,626

Anyway, I used my Cosmo ID
to get in the room.

724
00:33:58,660 —> 00:34:02,665
I recognized the agent.
He did not recognize me.

725
00:34:02,698 —> 00:34:05,834
And we spent the evening talking
about William's tragic death

726
00:34:05,866 —> 00:34:06,935
and the agency.

727
00:34:06,969 —> 00:34:08,304
(Max): And?

728
00:34:08,336 —> 00:34:09,838
And I lost my job at Cosmo

729
00:34:09,871 —> 00:34:11,706
for not showing up
the next morning.

730

00:34:11,739 —> 00:34:13,608

(All laughing)

731

00:34:13,641 —> 00:34:15,543

But I kept the man's card,

732

00:34:15,577 —> 00:34:19,281

and a year later, I gave him

a call at the agency...

733

00:34:19,313 —> 00:34:21,317

Hi...

734

00:34:21,349 —> 00:34:22,918

...and he hired me.

735

00:34:22,951 —> 00:34:25,688

And the rest is history.

Joanna, what is it?

736

00:34:25,721 —> 00:34:27,356

- Is something wrong?

- No.

737

00:34:27,389 —> 00:34:31,559

She was walking by, looking

cold and hungry and forlorn.

738

00:34:31,592 —> 00:34:33,361

I invited her in.

Joanna, please sit.

739

00:34:33,394 —> 00:34:34,896

I don't want to interrupt.

740

00:34:34,929 —> 00:34:37,599

Don't be silly.

This is my wife, Helen.

741

00:34:37,632 —> 00:34:38,634

Nice to meet you.

742

00:34:38,666 —> 00:34:39,969

We were just reminiscing,

743

00:34:40,001 —> 00:34:41,936

telling tales about

the lost generation:

744

00:34:41,969 —> 00:34:43,404

Hemingway, Fitzgerald.

745

00:34:43,438 —> 00:34:45,740

Do you know the agency

represented Fitzgerald?

746

00:34:45,773 —> 00:34:46,909

Yes, and Dylan Thomas,

747

00:34:46,942 —> 00:34:48,777

Langston Hughes,

Agatha Christie.

748

00:34:48,809 —> 00:34:51,579

And you've read all

their work, of course?

749

00:34:51,612 —> 00:34:53,548

I have, however,

my boss suggests

750

00:34:53,581 —> 00:34:55,583

that I read writers

that are alive.

751

00:34:55,617 —> 00:34:58,454

Speaking of living writers,

752

00:34:58,487 —> 00:35:00,588

are you familiar

with Rachel Cusk?

753

00:35:00,621 —> 00:35:01,990

Don't take

the bait, Joanna.

754

00:35:02,023 —> 00:35:03,726

No, I am.

Yes, I am, I am!

755

00:35:03,759 —> 00:35:05,994

Uh, her first novel,

Saving Agnes, was huge.

756

00:35:06,027 —> 00:35:08,296

It won the Whitbread, I think.

757

00:35:08,329 —> 00:35:11,266

And everyone that I knew

in London was reading it.

758

00:35:11,300 —> 00:35:14,003

It was our lives, basically.

Or it was... it was my... my life.

759

00:35:14,036 —> 00:35:15,938

What is it about?

760

00:35:15,971 —> 00:35:17,773

Um...

761

00:35:17,806 —> 00:35:19,907

Well, it's a coming-of-age
tale, definitely.

762
00:35:19,940 —> 00:35:22,343
I guess it's about
the ways in which

763
00:35:22,376 —> 00:35:25,280
women need to get over this
self-loathing of their bodies.

764
00:35:25,313 —> 00:35:27,782
I'd say it's more
about how the patriarchy

765
00:35:27,815 —> 00:35:30,551
imposes rigid and terrifying
ideas of femininity

766
00:35:30,585 —> 00:35:32,554
onto young women,

767
00:35:32,586 —> 00:35:35,791

how that paralyzes them and
strips them of their dignity.

768
00:35:35,824 —> 00:35:38,594
I don't know. It doesn't feel
quite that didactic to me.

769
00:35:38,626 —> 00:35:40,395
It's a very introspective novel.

770
00:35:40,429 —> 00:35:42,597
It doesn't really read
like social commentary.

771
00:35:42,630 —> 00:35:46,067
OK. Joanna, meet Rachel Cusk.

772
00:35:46,101 —> 00:35:47,303
(All laughing)

773
00:35:47,335 —> 00:35:48,636
Hello.

774

00:35:48,670 —> 00:35:51,072

No, no. I'm so sorry.

775

00:35:51,106 —> 00:35:53,609

It's OK.

It's lovely to meet you.

776

00:35:53,641 —> 00:35:55,576

You're a novelist yourself?

777

00:35:55,610 —> 00:35:58,047

Joanna is my assistant.

I don't hire writers.

778

00:35:58,079 —> 00:35:59,882

- I'm very particular about it.

- Really?

779

00:35:59,914 —> 00:36:01,817

I thought all

publishing assistants

780

00:36:01,849 —> 00:36:04,052
were writing novels
at their desks.

781
00:36:04,085 —> 00:36:06,487
If you can write
a novel at your desk

782
00:36:06,521 —> 00:36:09,024
while getting coffee for a
tyrant like Margaret, good luck.

783
00:36:09,056 —> 00:36:11,359
You really have to love it.

784
00:36:11,393 —> 00:36:13,929
You have to want it more than
anything in the entire world,

785
00:36:13,961 —> 00:36:15,496
more than a boyfriend

786
00:36:15,530 —> 00:36:17,700

or a closet full

of pretty dresses

787

00:36:17,733 —> 00:36:21,003

or a fancy job that

makes everyone jealous.

788

00:36:21,036 —> 00:36:24,505

You need to be OK

with saying no

789

00:36:24,539 —> 00:36:25,908

when you're

invited to a party.

790

00:36:25,940 —> 00:36:27,408

And you really

need to be OK

791

00:36:27,442 —> 00:36:28,943

with your mother

and father hating you!

792

00:36:28,976 —> 00:36:30,378
(All laughing)

793
00:36:30,411 —> 00:36:32,380
Joanna, don't you have
dictation to finish?

794
00:36:32,414 —> 00:36:33,949
Yes, I do.

795
00:36:33,981 —> 00:36:35,550
Margaret...

796
00:36:35,583 —> 00:36:37,352
Those St. Martin's
contract memos

797
00:36:37,385 —> 00:36:39,021
need to go out
immediately.

798
00:36:39,054 —> 00:36:41,389
Absolutely. It was nice

to meet you. Thank you.

799

00:36:41,422 —> 00:36:42,490

- Bye!

- Goodbye, Joanna!

800

00:36:42,523 —> 00:36:43,458

Lovely to meet you.

801

00:36:48,996 —> 00:36:50,465

Ah!

802

00:37:07,181 —> 00:37:10,051

(Man talking through wall,

indistinct)

803

00:37:11,952 —> 00:37:13,922

(Sighing)

804

00:37:17,726 —> 00:37:19,894

(Door opening)

805

00:37:23,097 —> 00:37:25,567
Hi!

806
00:37:25,599 —> 00:37:28,136
You got a letter,

807
00:37:28,170 —> 00:37:30,472
from your high school
sweetheart, Karl.

808
00:37:33,208 —> 00:37:35,510
Does he know about us?

809
00:37:37,778 —> 00:37:39,514
Yeah, I'm sure
I mentioned it.

810
00:37:39,547 —> 00:37:41,115
Joanna, did you
break up with him?

811
00:37:41,148 —> 00:37:42,650
Like a proper break up:

812

00:37:42,684 —> 00:37:44,586

"Dear Karl,

it's not you, it's me.

813

00:37:44,619 —> 00:37:45,887

I'm sorry. It's over."

814

00:37:45,920 —> 00:37:47,588

You know, the normal stuff?

815

00:37:47,621 —> 00:37:49,123

We haven't talked in 3 months.

816

00:37:49,157 —> 00:37:51,626

And he knows that I'm not

going back to California.

817

00:37:53,128 —> 00:37:55,463

Um...

818

00:37:55,496 —> 00:37:58,933

Did you talk to the
landlady about the heating?

819
00:37:58,967 —> 00:38:01,470
(With accent):
"Why do you need a heater?

820
00:38:01,503 —> 00:38:03,739
Your love should keep you warm."

821
00:38:33,201 —> 00:38:35,971
I was hoping you might find
the time to write back,

822
00:38:36,003 —> 00:38:39,040
but I bet you must be
getting a lot of letters.

823
00:38:39,074 —> 00:38:42,144
But I feel like writing again,
if you don't mind me doing so,

824
00:38:42,177 —> 00:38:45,847

'cause, um, well,

I feel depressed as hell.

825

00:38:45,880 —> 00:38:48,183

And I figured it was

the honest thing do.

826

00:38:49,885 —> 00:38:52,788

Your characters are

the only ones in literature

827

00:38:52,820 —> 00:38:54,056

who are truly like me.

828

00:38:54,088 —> 00:38:55,590

I mean, they take action.

829

00:38:55,623 —> 00:38:57,725

They don't sit around

contemplating suicide.

830

00:38:57,759 —> 00:39:00,496

They pick up a gun and they

shoot themselves in the head.

831
00:39:00,528 —> 00:39:02,664
He's challenging Jerry.

832
00:39:02,697 —> 00:39:04,967
It's a game,
and you're falling for it.

833
00:39:05,000 —> 00:39:07,603
I feel this boy just
deserves a proper response,

834
00:39:07,635 —> 00:39:08,704
not our usual bullshit.

835
00:39:08,737 —> 00:39:10,005
Bullshit?

836
00:39:11,172 —> 00:39:15,911
You are confusing
judgment with empathy.

837

00:39:15,943 —> 00:39:19,248

I have read hundreds of

letters just like this one.

838

00:39:19,280 —> 00:39:24,085

It can get overwhelming,

but just do your job.

839

00:39:29,090 —> 00:39:31,026

(Typewriter humming)

840

00:39:35,931 —> 00:39:37,833

Did you send my letter

to Mr. Salinger?

841

00:39:37,865 —> 00:39:39,634

Did you send my letter

to Salinger?

842

00:39:39,668 —> 00:39:41,637

You have no right

to keep my letter!

843

00:39:41,670 —> 00:39:42,938

(Speaking Spanish)

844

00:39:42,971 —> 00:39:45,007

You can't read

other people's mail!

845

00:39:45,039 —> 00:39:47,208

I was at least

expecting a confirmation.

846

00:40:00,922 —> 00:40:04,559

Dear Mr. Salinger,

I hate school,

847

00:40:04,592 —> 00:40:06,861

especially English class.

848

00:40:06,894 —> 00:40:09,764

Catcher in the Rye

is the only book I liked.

849

00:40:09,797 —> 00:40:12,667
My teacher is going to
make me flunk.

850
00:40:12,701 —> 00:40:14,903
She says I'll have to
repeat my year,

851
00:40:14,936 —> 00:40:17,072
and that's gonna be
so embarrassing.

852
00:40:17,105 —> 00:40:20,007
So I asked her:
"What can I do?"

853
00:40:20,041 —> 00:40:22,611
"Write a letter to
J.D. Salinger," she told me,

854
00:40:22,643 —> 00:40:24,712
"and make it so good
that he'll write back.

855

00:40:24,746 —> 00:40:26,715

If he writes back,

I'll give you an A."

856

00:40:28,682 —> 00:40:31,719

Please write back

so I can get an A.

857

00:40:32,820 —> 00:40:35,023

(Typewriter clicking)

858

00:40:35,056 —> 00:40:37,192

(Joanna):

"An A earned by trickery

859

00:40:37,224 —> 00:40:38,893

"means absolutely nothing.

860

00:40:38,927 —> 00:40:40,796

"You'll soon find out

that young women

861

00:40:40,829 —> 00:40:42,631
"are often held
to double standards

862
00:40:42,664 —> 00:40:44,033
when it comes to success."

863
00:40:45,132 —> 00:40:46,367
(Typewriter dinging)

864
00:40:46,400 —> 00:40:49,837
"You need to prove to yourself
and to your peers

865
00:40:49,871 —> 00:40:52,007
"that you do not need
special treatment.

866
00:40:53,173 —> 00:40:55,978
"If you desire an A
or a passing grade,

867
00:40:56,010 —> 00:40:58,746

"you must do the work

assigned to you.

868

00:40:58,780 —> 00:41:02,618

"And if you want to uphold

the spirit of Holden,

869

00:41:02,650 —> 00:41:05,353

"try not to care too much

about how people judge you.
