

Dialogues from Creating Queen's Gambit to improve the vocabulary in English

1

00:00:05,041 --> 00:00:07,666

<i>[pensive music playing]</i>

2

00:00:07,750 --> 00:00:10,500

<i>[man 1] What really struck me</i>

<i>about </i>The Queen's Gambit

3

00:00:10,583 --> 00:00:13,125

<i>was that it wasn't at all about chess.</i>

4

00:00:13,208 --> 00:00:16,000

<i>It's not about a game.</i>

<i>It's about the cost of genius.</i>

5

00:00:16,083 --> 00:00:19,666

<i>[woman 1] It's a story</i>

<i>about how you survive in a world</i>

6

00:00:19,750 --> 00:00:23,125

*<i>when you have a very specific gift</i>
<i>that makes you harder to understand.</i>*

7

00:00:23,208 --> 00:00:26,500

*<i>I think she looks to chess</i>
<i>as very much an escape.</i>*

8

00:00:26,583 --> 00:00:28,125

<i>[man 2] Although it tells that story</i>

9

00:00:28,208 --> 00:00:31,541

*<i>about a child genius</i>
<i>working up to a world level,</i>*

10

00:00:31,625 --> 00:00:33,916

<i>it's actually still more about her demons.</i>

11

00:00:34,000 --> 00:00:36,000

<i>[music intensifies]</i>

12

00:00:39,291 --> 00:00:42,250

<i>That's right, I can still...</i>

<i>Can I still move another piece?</i>

13

00:00:42,333 --> 00:00:45,083

<i>-[man 3] No, it's touch-move.</i>

<i>-[all laughing]</i>

14

00:00:45,750 --> 00:00:48,208

{\an8}<i>Scott sent me the book to read</i>

<i>before I met him,</i>

15

00:00:48,291 --> 00:00:50,916

<i>and I devoured the book in about an hour.</i>

16

00:00:51,416 --> 00:00:54,875

<i>I fell in love with Beth immediately,</i>

<i>and there was a really strong kinship.</i>

17

00:00:54,958 --> 00:00:59,083

<i>[man 1] This character is, you know,</i>

<i>essentially, her own antagonist,</i>

18

00:00:59,166 --> 00:01:01,875

{\an8}<i>and I was fascinated.</i>

<i>I'd never read a character like this.</i>

19

00:01:01,958 --> 00:01:04,875

<i>Somebody who is so brilliant</i>

<i>and so self-destructive,</i>

20

00:01:04,958 --> 00:01:09,125

<i>and in a world that she was already</i>

<i>kind of not a part of.</i>

21

00:01:09,208 --> 00:01:11,750

<i>-Are you sure you wanna do this?</i>

<i>-I'm sure.</i>

22

00:01:11,833 --> 00:01:13,541

<i>We don't have a women's section.</i>

23

00:01:14,541 --> 00:01:17,916

{\an8}<i>Back in the 1950s, there were </i>

<i>very few females turning to chess.</i>

24

00:01:18,000 --> 00:01:19,708

{\an8}<i>They weren't given the opportunities.</i>

25

00:01:19,791 --> 00:01:22,958

Beth trying to make her way

in a male-dominated discipline and world

26

00:01:23,041 --> 00:01:25,125

is something that's quite distinctive

and unusual.

27

00:01:25,208 --> 00:01:29,958

Tavis was writing with an understanding

of the next century, almost.

28

00:01:30,041 --> 00:01:31,166

It's quite brilliant.

29

00:01:31,250 --> 00:01:32,083

How old are you?

30

00:01:33,125 --> 00:01:35,625

Never mind.

Don't answer that. It'll just depress me.

31

00:01:35,708 --> 00:01:37,875

<i>-Mm. I'm 36.</i>

<i>-[chuckles]</i>

32

00:01:37,958 --> 00:01:41,125

<i>She's so centered</i>

<i>in how intelligent she is</i>

33

00:01:41,208 --> 00:01:45,041

<i>that she doesn't necessarily think</i>

<i>of herself as a woman first,</i>

34

00:01:45,125 --> 00:01:47,958

<i>and I do think</i>

<i>that there is something to that,</i>

35

00:01:48,041 --> 00:01:51,875

<i>because you're experiencing the '60s</i>

<i>through her</i>

36

00:01:51,958 --> 00:01:55,083

<i>in the way that she just</i>

<i>automatically assumes that she is equal.</i>

37

00:01:55,666 --> 00:01:56,958

<i>Am I good enough now?</i>

38

00:01:57,583 --> 00:01:59,375

<i>To tell you the truth of it, child...</i>

39

00:02:01,250 --> 00:02:02,416

<i>you're astounding.</i>

40

00:02:04,625 --> 00:02:05,666

<i>[crew 1] Mark-up.</i>

41

00:02:05,750 --> 00:02:07,250

<i>[Frank] And action!</i>

42

00:02:07,333 --> 00:02:08,791

<i>Almost ten years ago,</i>

43

00:02:08,875 --> 00:02:12,833

<i>Bill Horberg had brought up the book to me</i>

<i>as something that I might wanna do.</i>

44

00:02:12,916 --> 00:02:15,333

<i>We briefly flirted</i>

<i>with doing it as a feature,</i>

45

00:02:15,416 --> 00:02:17,958

<i>and Allan Scott had written</i>

<i>quite a nice script,</i>

46

00:02:18,041 --> 00:02:19,708

<i>and nothing ever came of it.</i>

47

00:02:19,791 --> 00:02:22,500

<i>It was very hard</i>

<i>to get a movie like that made at the time.</i>

48

00:02:23,041 --> 00:02:26,500

<i>Then, right after I finished </i>Godless,

<i>I had this revelation,</i>

49

00:02:26,583 --> 00:02:27,833

<i>and I said to him,</i>

50

00:02:27,916 --> 00:02:29,875

<i>"What about </i>The Queen's Gambit
<i>as a miniseries?"</i>

51

00:02:30,458 --> 00:02:36,375

<i>The overriding interest I've always had</i>
<i>is to make it powerfully emotional.</i>

52

00:02:36,458 --> 00:02:38,333

<i>And I think when you extend something,</i>

53

00:02:38,416 --> 00:02:40,750

<i>you get the time</i>
<i>to follow all kinds of paths</i>

54

00:02:40,833 --> 00:02:42,458

<i>and all kinds of themes.</i>

55

00:02:42,541 --> 00:02:44,500

<i>What I really wanted to focus on,</i>

56

00:02:44,583 --> 00:02:47,500

and the challenge

in turning it into a miniseries, for me,

57

00:02:47,583 --> 00:02:52,208

was making sure that

what you're really invested in is her.

58

00:02:52,291 --> 00:02:54,750

Someday, you're gonna be all alone,

59

00:02:55,541 --> 00:02:58,333

so you need to figure out

how to take care of yourself.

60

00:02:58,416 --> 00:03:02,416

[Taylor-Joy] She's come from a home life,

and just a lot in life,

61

00:03:02,500 --> 00:03:05,750

that has left her feeling very unstable.

62

00:03:05,833 --> 00:03:07,875

She doesn't really know

<i>where she's going to end up.</i>

63

00:03:08,458 --> 00:03:09,791

<i>What's that game called?</i>

64

00:03:09,875 --> 00:03:11,625

<i>It's called chess.</i>

65

00:03:12,541 --> 00:03:13,875

<i>Will you teach me?</i>

66

00:03:13,958 --> 00:03:17,875

<i>I think Beth's first true connection</i>

67

00:03:17,958 --> 00:03:19,375

<i>is with Mr. Shaibel.</i>

68

00:03:19,458 --> 00:03:22,625

<i>It's with somebody</i>

<i>who she feels understands</i>

69

00:03:22,708 --> 00:03:25,333

<i>not only her gift,</i>

<i>but how her brain works.</i>

70

00:03:25,416 --> 00:03:27,583

<i>Also, somebody who can tell her "no."</i>

71

00:03:27,666 --> 00:03:30,916

<i>-You have resigned the game.</i>

<i>-You didn't tell me that in the rules.</i>

72

00:03:31,000 --> 00:03:32,041

<i>It's not a rule.</i>

73

00:03:32,625 --> 00:03:33,791

<i>It's sportsmanship.</i>

74

00:03:34,291 --> 00:03:37,166

<i>And then I think she's got</i>

<i>a wonderful friendship with Jolene,</i>

75

00:03:37,250 --> 00:03:39,958

<i>and that comes from a place</i>

<i>of both understanding</i>

76

00:03:40,041 --> 00:03:43,583

<i>that they're very different, and yet,</i>

<i>have come from the exact same place.</i>

77

00:03:44,208 --> 00:03:45,750

<i>Most of us are lifers.</i>

78

00:03:46,583 --> 00:03:48,416

<i>Been here a long time.</i>

79

00:03:48,500 --> 00:03:50,708

{\an8}<i>I would say she's kind of like</i>

<i>a mother to Beth,</i>

80

00:03:50,791 --> 00:03:52,458

{\an8}<i>in her own little way.</i>

81

00:03:52,541 --> 00:03:56,750

<i>They're not adopted</i>

<i>for the majority of their lives,</i>

82

00:03:56,833 --> 00:03:59,291

<i>so they kind of do need</i>

<i>to depend on each other in that place.</i>

83

00:04:00,166 --> 00:04:01,791

<i>[man 4] Green's to even your disposition.</i>

84

00:04:01,875 --> 00:04:04,833

<i>Orange and brown's for building</i>

<i>a strong body. Take 'em both.</i>

85

00:04:04,916 --> 00:04:09,083

<i>In the early '60s, late '50s,</i>

<i>it was very common to give...</i>

86

00:04:09,166 --> 00:04:11,250

<i>children in orphanages tranquilizers</i>

87

00:04:11,333 --> 00:04:13,250

<i>to make them easier to handle.</i>

88

00:04:13,833 --> 00:04:17,791

<i>So, yeah, she becomes addicted</i>

<i>to tranquilizers</i>

89

00:04:17,875 --> 00:04:20,250

<i>and sedatives when she's nine.</i>

90

00:04:20,333 --> 00:04:23,791

<i>Well, the trick with addiction,</i>

<i>with drinking or drugs or anything,</i>

91

00:04:23,875 --> 00:04:27,458

<i>is making sure</i>

<i>that you empathize with the character,</i>

92

00:04:27,541 --> 00:04:29,708

<i>and still tell a compelling story.</i>

93

00:04:32,333 --> 00:04:35,916

<i>Sleight of hand, for me,</i>

<i>was humor sometimes.</i>

94

00:04:36,583 --> 00:04:37,541

<i>[pills clattering]</i>

95

00:04:37,625 --> 00:04:40,416

<i>There's a long sequence</i>

<i>where she steals the pills,</i>

96

00:04:40,500 --> 00:04:42,416

<i>and that was as funny as it is harrowing.</i>

97

00:04:43,083 --> 00:04:44,166

<i>Elizabeth!</i>

98

00:04:45,333 --> 00:04:46,333

<i>[crash]</i>

99

00:04:49,166 --> 00:04:51,875

<i>As she gets older,</i>

<i>she forms many addictions.</i>

100

00:04:52,458 --> 00:04:55,375

<i>She discovers alcohol when she's about 15.</i>

101

00:04:55,458 --> 00:04:57,083

<i>[coughs] It's good.</i>

102

00:04:57,166 --> 00:04:58,958

<i>And consummates that relationship.</i>

103

00:04:59,041 --> 00:05:01,416

<i>['60s guitar music playing]</i>

104

00:05:02,833 --> 00:05:06,666

<i>Anybody who's dealing with problems</i>

<i>of addiction is their own worst enemy.</i>

105

00:05:07,291 --> 00:05:10,291

<i>She keeps self-destructing along the way.</i>

106

00:05:10,375 --> 00:05:11,291

<i>[grunts]</i>

107

00:05:11,375 --> 00:05:14,500

<i>There's a moment when she's been</i>

<i>on a particularly tough bender,</i>

108

00:05:15,083 --> 00:05:17,625

<i>and she meets</i>

<i>the first person that she ever played,</i>

109

00:05:17,708 --> 00:05:19,750

<i>who's another girl called Annette Packer.</i>

110

00:05:19,833 --> 00:05:23,208

<i>I-- I knew you were going places,</i>

<i>and that meant something to me.</i>

111

00:05:24,125 --> 00:05:27,291

<i>That whole exchange</i>

<i>was really, really tricky and rough to do,</i>

112

00:05:27,375 --> 00:05:32,041

<i>because I just had to be in this state</i>

<i>of "everything is falling apart."</i>

113

00:05:32,125 --> 00:05:35,083

<i>"And you looked up to me,</i>

<i>and now I have to carry that shame."</i>

114

00:05:35,166 --> 00:05:37,458

<i>Like, she was just--</i>

<i>She was an angry bird.</i>

115

00:05:37,541 --> 00:05:38,916

<i>I'm worried about you.</i>

116

00:05:39,750 --> 00:05:41,166

<i>What on earth for? [scoffs]</i>

117

00:05:41,250 --> 00:05:43,583

<i>For me,</i>

<i>the whole story is organized around that.</i>

118

00:05:43,666 --> 00:05:46,833

<i>Is she gonna lose hold of herself,</i>

<i>or is she gonna be able to make it?</i>

119

00:05:46,916 --> 00:05:50,583

<i>"She shows the assurance</i>

<i>of a player twice her age."</i>

120

00:05:53,375 --> 00:05:55,625

<i>That's national recognition, dear.</i>

121

00:05:55,708 --> 00:05:57,041

<i>She's also addicted to winning.</i>

122

00:05:57,125 --> 00:05:59,041

<i>[thrilling music playing]</i>

123

00:06:01,375 --> 00:06:04,250

<i>She's addicted to feeling</i>

<i>like she is in control.</i>

124

00:06:04,333 --> 00:06:07,708

<i>Chess is the one thing</i>

<i>she feels like she can control,</i>

125

00:06:07,791 --> 00:06:09,666

<i>that, on that board, she's in charge.</i>

126

00:06:09,750 --> 00:06:13,208

<i>Whenever she's moving those pieces around,</i>

<i>she's at home.</i>

127

00:06:13,875 --> 00:06:14,708

<i>I'll win.</i>

128

00:06:15,333 --> 00:06:17,375

<i>I have every confidence.</i>

129

00:06:17,458 --> 00:06:19,750

<i>You do feel for the relationship</i>

130

00:06:19,833 --> 00:06:22,541

<i>that both Mrs. Wheatley and Beth</i>

<i>have together.</i>

131

00:06:22,625 --> 00:06:26,291

<i>And Mari played her with deep empathy,</i>

<i>and, I think, sympathy.</i>

132

00:06:26,375 --> 00:06:29,125

<i>For the role of Mrs. Wheatley,</i>

<i>I had been telling Bill Horberg</i>

133

00:06:29,208 --> 00:06:31,250

<i>that it's someone like Marielle Heller,</i>

134

00:06:31,333 --> 00:06:33,750

<i>and Bill said to me,</i>

<i>"Why don't you just cast her?"</i>

135

00:06:34,916 --> 00:06:37,000

<i>And as you can see, she's extraordinary.</i>

136

00:06:37,583 --> 00:06:39,375

<i>Things are beginning to happen.</i>

137

00:06:41,625 --> 00:06:45,583

<i>Beth is very obsessive, full stop.</i>

138

00:06:45,666 --> 00:06:49,083

<i>Like, I think that is just something</i>

<i>that is intrinsic to her.</i>

139

00:06:49,166 --> 00:06:51,666

<i>Harry, it'll be check once the pawn moves</i>

<i>and the knight trades.</i>

140

00:06:52,333 --> 00:06:54,208

<i>-Can't you see that?</i>

<i>-No, I can't.</i>

141

00:06:54,291 --> 00:06:56,666

<i>-I can't find it that fast.</i>

<i>-Well, wish you could.</i>

142

00:06:56,750 --> 00:06:59,458

<i>When your brain works that quickly,</i>

<i>it can drive you a bit mad.</i>

143

00:06:59,541 --> 00:07:03,875

<i>But I also think that she is aware</i>

<i>that her gift makes her special.</i>

144

00:07:03,958 --> 00:07:08,166

<i>[woman 2] Sometimes, people find patterns</i>

<i>or meaning where there aren't any.</i>

145

00:07:08,250 --> 00:07:09,791

<i>What does that have to do with me?</i>

146

00:07:09,875 --> 00:07:12,166

<i>Well, creativity and psychosis</i>

<i>often go hand in hand.</i>

147

00:07:12,250 --> 00:07:13,458

<i>[camera clicks]</i>

148

00:07:13,541 --> 00:07:16,541

<i>I do think she's, like, consistently</i>

<i>worried that she's a bit crazy.</i>

149

00:07:16,625 --> 00:07:19,416

{\an8}<i>Beth has visions</i>

<i>of seeing a chess board on the ceiling.</i>

150

00:07:19,500 --> 00:07:20,500

<i>This is in the book.</i>

151

00:07:20,583 --> 00:07:21,916

<i>She looks up to the ceiling</i>

152

00:07:22,000 --> 00:07:25,291

<i>and imagines the position</i>

<i>and the places of the pieces.</i>

153

00:07:25,375 --> 00:07:29,041

<i>Did you ever go over games in your head?</i>

<i>I mean, play all the way through 'em?</i>

154

00:07:29,875 --> 00:07:30,791

<i>Doesn't everybody?</i>

155

00:07:30,875 --> 00:07:32,750

<i>The person that she feels closest to,</i>

156

00:07:32,833 --> 00:07:36,166

<i>I think, in terms of the way</i>

<i>that her brain works, is actually Benny.</i>

157

00:07:36,250 --> 00:07:38,291

{\an8}<i>There's a little bit of a reflection</i>

<i>in each other,</i>

158

00:07:38,375 --> 00:07:39,916

{\an8}<i>even though they're vastly different.</i>

159

00:07:40,000 --> 00:07:42,916

<i>But I think he enjoys</i>

<i>getting into mind games,</i>

160

00:07:43,000 --> 00:07:45,708

<i>into other people's heads,</i>

<i>and he sees that in Beth.</i>

161

00:07:45,791 --> 00:07:47,875

<i>-I don't know if I'm good enough.</i>

<i>-You're the best.</i>

162

00:07:47,958 --> 00:07:51,000

<i>His reassurance</i>

<i>kind of makes her feel a bit more calm.</i>

163

00:07:51,083 --> 00:07:54,333

<i>But I do think that she's juggling</i>

<i>a very fine line of, like,</i>

164

00:07:55,000 --> 00:07:58,291

<i>"Am I insane or am I a genius?"</i>

165

00:07:58,375 --> 00:08:00,333

<i>And I've been watching your games, you...</i>

166

00:08:01,250 --> 00:08:02,625

<i>You attack like Alekhine.</i>

167

00:08:02,708 --> 00:08:03,875

<i>You can reach for your best,</i>

168

00:08:03,958 --> 00:08:06,500

<i>but it only really matters</i>

<i>if other people see it as well.</i>

169

00:08:06,583 --> 00:08:09,666

<i>And I think Benny appreciates</i>

<i>Beth's talent when he sees it</i>

170

00:08:09,750 --> 00:08:11,666

<i>and finds that attractive from the get-go.</i>

171

00:08:17,416 --> 00:08:18,708

<i>[Frank] And action!</i>

172

00:08:20,041 --> 00:08:24,291

<i>[Frank] To make chess cinematic is...</i>

<i>is impossible.</i>

173

00:08:25,291 --> 00:08:29,375

<i>And I realized I want the chess</i>

<i>that we do show to be accurate enough,</i>

174

00:08:29,458 --> 00:08:33,708

<i>but I really am focusing</i>

<i>on the stakes around the games</i>

175

00:08:33,791 --> 00:08:35,333

<i>and the players themselves.</i>

176

00:08:35,416 --> 00:08:38,208

<i>Beth Harmon, in particular,</i>

<i>and the idea, for me,</i>

177

00:08:38,291 --> 00:08:40,125

<i>visually, was to get inside her.</i>

178

00:08:40,625 --> 00:08:44,041

<i>I found the strongest points is just being</i>
<i>on people's faces and their reaction.</i>

179

00:08:44,125 --> 00:08:47,375

<i>Even if you don't understand chess,</i>
<i>you know the seriousness</i>

180

00:08:47,458 --> 00:08:49,583

<i>and the drama that they're going through.</i>

181

00:08:49,666 --> 00:08:51,375

<i>-[chess clock ticking]</i>
<i>-I resign.</i>

182

00:08:54,750 --> 00:08:55,666

<i>[crew 2] Cut!</i>

183

00:08:55,750 --> 00:08:57,375

<i>-[crew 3] Cutting!</i>
<i>-[crew 4] And one.</i>

184

00:08:57,458 --> 00:09:01,666

<i>Steven Meizler is quite good at shaping</i>

<i>just very little light,</i>

185

00:09:01,750 --> 00:09:03,083

<i>and very natural light,</i>

186

00:09:03,166 --> 00:09:06,250

<i>and-and finding little spots</i>

<i>that create its own drama.</i>

187

00:09:06,875 --> 00:09:07,791

<i>Sweet dreams.</i>

188

00:09:10,416 --> 00:09:13,500

<i>The show really shifts along</i>

<i>with Beth's perspective.</i>

189

00:09:13,583 --> 00:09:16,708

<i>Every time I got to go onto a new set,</i>

190

00:09:16,791 --> 00:09:20,333

<i>I was always completely blown away</i>

<i>by the way that it looked.</i>

191

00:09:20,416 --> 00:09:22,958

<i>[thrilling orchestral music playing]</i>

192

00:09:24,958 --> 00:09:27,125

<i>[Frank] Uli Hanisch is a genius.</i>

193

00:09:27,208 --> 00:09:29,625

<i>I came to Berlin</i>

<i>because I wanted to work with him.</i>

194

00:09:29,708 --> 00:09:32,208

<i>But we've shot Mexico City here,</i>

<i>and Las Vegas,</i>

195

00:09:32,291 --> 00:09:35,875

<i>and Paris, Russia, pieces of New York,</i>

<i>and Lexington, Kentucky.</i>

196

00:09:36,625 --> 00:09:37,458

<i>Well, now.</i>

197

00:09:38,125 --> 00:09:39,250

<i>[chuckles]</i>

198

00:09:39,333 --> 00:09:43,250

{\an8}<i>What Beth does is traveling, uh,</i>

<i>and playing chess at tournaments,</i>

199

00:09:43,333 --> 00:09:48,458

<i>and so we have, like, hotel rooms,</i>

<i>airplanes, hotel lobbies, restaurants,</i>

200

00:09:48,541 --> 00:09:50,916

<i>ballroom kind of situation</i>

<i>for each tournament.</i>

201

00:09:51,000 --> 00:09:53,375

<i>So, it was our target to, um--</i>

202

00:09:53,458 --> 00:09:55,583

<i>-To repeat, but... [laughs]</i>

<i>-To repeat.</i>

203

00:09:55,666 --> 00:09:57,083

<i>-...make it different.</i>

<i>-Yeah, exactly.</i>

204

00:09:57,166 --> 00:10:01,333

<i>I asked for a pleasant room,</i>

<i>and I believe they gave me one.</i>

205

00:10:01,416 --> 00:10:04,083

<i>-[warm orchestral music playing]</i>

<i>-[Mrs. Wheatley laughs]</i>

206

00:10:04,166 --> 00:10:06,791

<i>This here is a pretty special location</i>

<i>in Berlin.</i>

207

00:10:06,875 --> 00:10:10,250

<i>It's the Haus Cumberland,</i>

<i>and we turned it into a hotel in Paris.</i>

208

00:10:10,333 --> 00:10:12,791

<i>What will you have, then,</i>

<i>for your one drink?</i>

209

00:10:12,875 --> 00:10:15,375

<i>Must be special if it is your only one.</i>

210

00:10:15,458 --> 00:10:17,041

<i>-[crew 5] Awesome.</i>

<i>-[crew 6] That's a cut.</i>

211

00:10:17,125 --> 00:10:20,958

<i>[Frank] For me, every set I would walk on</i>

<i>would be a fantastic place to shoot.</i>

212

00:10:21,041 --> 00:10:22,541

<i>The whole crew would come on the set,</i>

213

00:10:22,625 --> 00:10:27,041

<i>and you would hear 50 people, 100 people</i>

<i>ooing and aahing about these locations.</i>

214

00:10:29,458 --> 00:10:33,541

<i>Benny's apartment was interesting</i>

<i>because we shot the exterior in Toronto.</i>

215

00:10:33,625 --> 00:10:34,458

<i>[light switch clicks]</i>

216

00:10:34,541 --> 00:10:38,291

<i>[Frank] And then Uli designed</i>

<i>this basement apartment that was amazing,</i>

217

00:10:38,375 --> 00:10:41,416

<i>and, right away,</i>

<i>I started changing the scene</i>

218

00:10:41,500 --> 00:10:44,083

<i>because of so many good things in the set.</i>

219

00:10:44,166 --> 00:10:46,666

<i>-...what you thought.</i>

<i>-[Taylor-Joy] I love it. It's so good.</i>

220

00:10:46,750 --> 00:10:50,000

<i>The cinematography, the costumes,</i>

<i>the production design,</i>

221

00:10:50,083 --> 00:10:51,916

<i>they're all, for me,</i>

<i>part of the same thing.</i>

222

00:10:52,000 --> 00:10:56,750

<i>We spend a lot of time talking about</i>

<i>where Beth is at in the story.</i>

223

00:10:56,833 --> 00:10:59,291

<i>We had so much fun</i>

<i>coming up with the look for this</i>

224

00:10:59,375 --> 00:11:01,750

<i>because, again,</i>

<i>we got to grow up with Beth.</i>

225

00:11:01,833 --> 00:11:05,958

{\an8}<i>When I first read the script,</i>

<i>I had in my mind that Beth was a redhead.</i>

226

00:11:06,041 --> 00:11:08,708

<i>Funny enough, Anya also felt this.</i>

227

00:11:08,791 --> 00:11:12,000

<i>[Taylor-Joy] When I first read it,</i>

<i>I was like, "She needs to have red hair,</i>

228

00:11:12,083 --> 00:11:14,375

<i>because I want her to be</i>

<i>completely identifiable,</i>

229

00:11:14,458 --> 00:11:15,833

<i>even if she doesn't want to be,"</i>

230

00:11:15,916 --> 00:11:19,000

<i>and he had thought the exact same thing,</i>

<i>so we just started off on a good foot.</i>

231

00:11:20,208 --> 00:11:21,791

<i>It was all wigs. I couldn't--</i>

232

00:11:21,875 --> 00:11:24,125

<i>I was very happy</i>

<i>to dye my hair, but I just couldn't...</i>

233

00:11:24,208 --> 00:11:28,541

<i>There were days when we were going</i>

<i>between five different ages in a day,</i>

234

00:11:28,625 --> 00:11:31,083

<i>and that's just not possible</i>

<i>with your own hair.</i>

235

00:11:31,166 --> 00:11:34,250

<i>So, we had baby Beth, we had sexy kitten,</i>

<i>and we had glamour-puss.</i>

236

00:11:34,333 --> 00:11:37,083

<i>To sell the age,</i>

<i>the younger, the less makeup,</i>

237

00:11:37,166 --> 00:11:40,000

<i>and then you slowly add</i>

<i>very, very small adjustments</i>

238

00:11:40,083 --> 00:11:41,833

<i>until you start seeing her older.</i>

239

00:11:41,916 --> 00:11:44,000

<i>She basically gets more</i>

<i>of these eyelashes.</i>

240

00:11:44,083 --> 00:11:45,791

<i>So, her eyes become sexier.</i>

241

00:11:45,875 --> 00:11:47,000

<i>Wow.</i>

242

00:11:47,916 --> 00:11:48,750

<i>Thanks.</i>

243

00:11:49,250 --> 00:11:52,416

<i>Beth has a thing for flare,</i>

<i>as you can see in the show.</i>

244

00:11:52,500 --> 00:11:54,791

<i>She, um...</i>

<i>She likes the finer things in life.</i>

245

00:11:54,875 --> 00:11:56,791

<i>She-- She starts</i>

<i>to really, really like clothes.</i>

246

00:11:56,875 --> 00:12:00,916

<i>With the costume designer, with Gabriele,</i>

<i>her wardrobe is just amazing.</i>

247

00:12:01,000 --> 00:12:04,291

<i>She would have a pallet book</i>

<i>and all of the dresses,</i>

248

00:12:04,375 --> 00:12:06,458

<i>and the different wardrobe</i>

<i>that Beth would be wearing.</i>

249

00:12:06,541 --> 00:12:08,750

<i>But more than that,</i>

<i>we'd spend a lot of time</i>

250

00:12:09,250 --> 00:12:11,416

<i>talking about where Beth is at</i>

<i>in the story.</i>

251

00:12:12,000 --> 00:12:14,958

{\an8}<i>In the beginning,</i>

<i>Beth is always determined by other people,</i>

252

00:12:15,041 --> 00:12:18,583

{\an8}<i>by her mother or dresses in the orphanage,</i>

253

00:12:18,666 --> 00:12:23,166

<i>and later on, she is alone,</i>

<i>and she discovers more her body.</i>

254

00:12:23,250 --> 00:12:25,375

<i>She has power being feminine.</i>

255

00:12:27,208 --> 00:12:30,250

<i>[Frank] As we go forward, you know,</i>

<i>she's more and more glamorous.</i>

256

00:12:30,333 --> 00:12:33,041

<i>There's a point where she dresses up</i>

<i>like a pop musician</i>

257

00:12:33,125 --> 00:12:35,916

<i>that she sees on TV</i>

<i>for a brief period of time.</i>

258

00:12:36,000 --> 00:12:40,166

<i>She experienced that searching for cool</i>

<i>is difficult</i>

259

00:12:40,250 --> 00:12:42,000

<i>because the cool doesn't exist,</i>

260

00:12:42,083 --> 00:12:46,000

<i>and her search for cool is,</i>

<i>actually, her search for herself.</i>

261

00:12:47,333 --> 00:12:48,291

<i>[Frank] At the very end,</i>

262

00:12:48,375 --> 00:12:51,583

<i>when she's kind of finally comfortable</i>

<i>in the world of chess,</i>

263

00:12:51,666 --> 00:12:54,666

<i>Gabriele found this beautiful,</i>

<i>long, white coat,</i>

264

00:12:54,750 --> 00:12:56,833

<i>with this white hat from Moscow,</i>

265

00:12:56,916 --> 00:12:59,166

<i>and you realize</i>

<i>she looks like the white queen.</i>

266

00:13:05,166 --> 00:13:07,583

<i>[Taylor-Joy] What's fascinating</i>

<i>about watching her grow up is...</i>

267

00:13:07,666 --> 00:13:10,541

<i>she puts on</i>

<i>all of these different personas.</i>

268

00:13:10,625 --> 00:13:13,333

<i>Who the hell are you?</i>

269

00:13:13,416 --> 00:13:16,083

<i>It is incredibly sad,</i>

<i>because it's basically just saying</i>

270

00:13:16,166 --> 00:13:18,750

<i>that she just doesn't feel</i>
<i>like she's enough without them.</i>

271

00:13:18,833 --> 00:13:20,208

<i>You are very beautiful.</i>

272

00:13:21,916 --> 00:13:24,375

<i>-I don't see myself that way.</i>

<i>-Then you are blind.</i>

273

00:13:24,458 --> 00:13:27,083

<i>It's not a physical loneliness</i>

<i>that she's suffering from.</i>

274

00:13:27,166 --> 00:13:29,500

<i>It's an emotional and intellectual one.</i>

275

00:13:29,583 --> 00:13:33,458

<i>I think this is why the miniseries</i>

<i>is becoming more prominent,</i>

276

00:13:33,541 --> 00:13:37,416

<i>because you can explore these richer,</i>

<i>more complex stories.</i>

277

00:13:37,500 --> 00:13:41,458

<i>Having the opportunity</i>

<i>to spend time with Beth in this way,</i>

278

00:13:41,541 --> 00:13:44,125

<i>and not just see all of the wins,</i>

<i>but all of the hard work</i>

279

00:13:44,208 --> 00:13:47,041

<i>with the sacrifices</i>

<i>that it takes to get to the wins.</i>

280

00:13:47,541 --> 00:13:51,000

<i>I think, hopefully, that just builds</i>

<i>a lot of empathy for somebody who...</i>

281

00:13:51,500 --> 00:13:53,333

<i>I, selfishly, really, really care about.</i>

282

00:13:53,416 --> 00:13:55,791

<i>-[crowd cheering]</i>
