

Dialogues from Queen's Gambit to improve the vocabulary in English

S01EP1: Openings

1

00:00:06,625 --> 00:00:09,541

Mademoiselle?

2

00:00:09,625 --> 00:00:11,291

Mademoiselle Harmon, vous êtes là?

3

00:00:15,666 --> 00:00:16,500

Mademoiselle?

4

00:00:21,833 --> 00:00:24,291

Mademoiselle?

5

00:00:24,375 --> 00:00:25,583

I'm coming.

6

00:00:27,083 --> 00:00:28,000

Jesus.

7

00:00:30,625 --> 00:00:33,125

Shit!

8

00:00:35,750 --> 00:00:37,958

<i>Je descends, tout de suite.</i>

9

00:00:38,041 --> 00:00:39,000

Yeah.

10

00:00:48,041 --> 00:00:48,958

Fuck!

11

00:01:35,166 --> 00:01:36,333

<i>Je vous en prie.</i>

12

00:01:45,916 --> 00:01:47,458

<i>Ne regarde pas.</i>

13

00:01:49,916 --> 00:01:51,083

Thank you.

14

00:02:02,500 --> 00:02:03,333

Fuck!

15

00:02:28,291 --> 00:02:29,500

I'm sorry.

16

00:03:02,000 --> 00:03:04,041

<i>What are we supposed to do with her?</i>

17

00:03:04,125 --> 00:03:05,625

<i>They're sending someone.</i>

18

00:03:06,125 --> 00:03:07,875

<i>There's hardly a scratch on her.</i>

19

00:03:10,750 --> 00:03:11,916

<i>It's a goddamn miracle.</i>

20

00:03:12,958 --> 00:03:14,541

I doubt she'll see it that way.

21

00:03:44,333 --> 00:03:47,083

You understand, dear,
your mother's passed on?

22

00:03:48,250 --> 00:03:50,166

You know what that means, don't you?

23

00:03:52,041 --> 00:03:53,250

"Passed on"?

24

00:03:55,750 --> 00:03:56,625

Well...

25

00:03:57,458 --> 00:04:00,833

I'm sure she's gone on to a better place,

26

00:04:01,500 --> 00:04:04,500

and, someday, you'll get to see her again.

27

00:04:06,250 --> 00:04:09,833

<i>"Orphaned by</i>

<i>yesterday's collision on New Circle Road,</i>

28

00:04:09,916 --> 00:04:13,250

<i>Elizabeth Harmon

surveys a troubled future."*</i>*

29

00:04:14,333 --> 00:04:18,166

"Elizabeth, nine years old,
was left without family by the crash."

30

00:04:18,875 --> 00:04:22,166

"Her mother, Alice Harmon,
was pronounced dead at the scene."

31

00:04:30,916 --> 00:04:32,000

<i>And the father?</i>

32

00:04:34,083 --> 00:04:34,916

Doesn't say.

33

00:04:36,416 --> 00:04:40,250

I would guess that,
like most men who live around there,

34

00:04:40,333 --> 00:04:44,041

he was yet another victim
of a carefree life.

35

00:04:45,250 --> 00:04:48,541

Poor dear.

36

00:05:00,458 --> 00:05:02,041

Let's welcome her, shall we?

37

00:05:12,666 --> 00:05:14,125

Welcome, Elizabeth.

38

00:05:16,416 --> 00:05:17,916

Good luck to you, dear.

39

00:05:31,583 --> 00:05:32,583

Here we are.

40

00:05:34,666 --> 00:05:38,250

This is our chapel,
the domain of Miss Lonsdale.

41

00:05:38,333 --> 00:05:39,583

How do you do, Elizabeth?

42

00:05:40,583 --> 00:05:42,916

I also teach etiquette
to the young ladies.

43

00:05:44,833 --> 00:05:47,833

Mr. Fergusen, this is Elizabeth Harmon.

44

00:05:47,916 --> 00:05:51,375

You're all a bunch of fucking cocksuckers!

45

00:05:51,458 --> 00:05:52,541

Jolene.

46

00:05:53,291 --> 00:05:54,125

I got it.

47

00:05:54,666 --> 00:05:57,250

Jolene, that mouth

will be the death of you!

48

00:05:57,333 --> 00:06:00,541

- Oh, fuck you, you cocksucker.

- You can't yell like that.

49

00:06:00,625 --> 00:06:04,041

In there is our classroom.

You'll meet your teachers on Monday.

50

00:06:04,125 --> 00:06:05,250

Two times six.

51

00:06:05,333 --> 00:06:08,166

And this is our day room,

where you will have all your meals,

52

00:06:08,250 --> 00:06:10,541

and enjoy daily socialization.

53

00:06:10,625 --> 00:06:12,958

Good morning, Mrs. Deardorff.

54

00:06:13,041 --> 00:06:14,083

Good morning, girls.

55

00:06:16,500 --> 00:06:17,458

Home sweet home.

56

00:06:18,166 --> 00:06:19,791

Come on, let's get you settled.

57

00:06:21,208 --> 00:06:25,208

We have 21 girls here,
and they are all just as sweet as you.

58

00:06:28,666 --> 00:06:31,541

And here is your special place.

59

00:06:35,000 --> 00:06:36,666

- Shoo! Go, go, go.

- Okay.

60

00:06:38,791 --> 00:06:40,833

You can put your clothes down here.

61

00:06:40,916 --> 00:06:45,208

And your toothbrush can go right here.

62

00:06:45,750 --> 00:06:48,375

And any other personal items, there.

63

00:06:50,250 --> 00:06:51,083

Oh!

64

00:06:51,583 --> 00:06:52,625

Show her to me.

65

00:06:57,791 --> 00:06:58,625

Come on, sit.

66

00:07:05,333 --> 00:07:08,500

I know that, at this moment,
all you're feeling is loss.

67

00:07:10,416 --> 00:07:14,458

But after grief brings you low,

prayer and faith will lift you high.

68

00:07:15,541 --> 00:07:18,208

High enough for you
to see a new path for yourself.

69

00:07:20,083 --> 00:07:21,500

I think, Elizabeth,

70

00:07:21,583 --> 00:07:23,958

you're going to find
a much different life here.

71

00:07:25,583 --> 00:07:27,458

A better one than you might have had.

72

00:07:28,208 --> 00:07:31,541

And I'm sure that you and I
are going to be good friends.

73

00:07:49,250 --> 00:07:50,250

Hmm.

74

00:07:55,041 --> 00:07:56,791

That should do nicely.

75

00:07:58,958 --> 00:07:59,791

Mm-hmm.

76

00:08:05,583 --> 00:08:07,291

I think we'll burn this one.

77

00:08:08,333 --> 00:08:09,166

Get dressed.

78

00:08:09,708 --> 00:08:10,958

We have one more stop.

79

00:08:26,333 --> 00:08:29,708

Mr. Fergusen will take good care of you.

I'll see you at dinner.

80

00:08:36,833 --> 00:08:38,583

The green ones are the best.

81

00:08:39,750 --> 00:08:40,583

What are they?

82

00:08:40,666 --> 00:08:41,666

Vitamins.

83

00:08:42,333 --> 00:08:44,625

Magic vitamins.

84

00:08:45,208 --> 00:08:48,416

I were you, I'd save
the green ones up for the night time.

85

00:08:48,500 --> 00:08:50,916

Otherwise, they turn off
right when you need them to turn on.

86

00:08:51,000 --> 00:08:52,958

If you know what I mean.

87

00:08:55,083 --> 00:08:57,083

Hey, what's your name, girl?

88

00:08:57,791 --> 00:08:59,333

- Beth.

- Jolene.

89

00:09:00,125 --> 00:09:01,416

Your mama and daddy dead?

90

00:09:03,208 --> 00:09:05,833

What's the last thing
they said to you before they died?

91

00:09:06,958 --> 00:09:09,375

I ask everybody that.
We get some really fun answers.

92

00:09:11,250 --> 00:09:12,416

Close your eyes.

93

00:09:13,875 --> 00:09:15,041

I don't remember.

94

00:09:15,625 --> 00:09:18,708

Someday, you might.

If you do, you let me know.

95

00:09:33,208 --> 00:09:35,250

Green's to even your disposition.

96

00:09:35,333 --> 00:09:38,541

Orange and brown is for building
a strong body. Take 'em both.

97

00:10:49,625 --> 00:10:53,833

I thought I told you to wait
and take those vitamins at bedtime.

98

00:10:53,916 --> 00:10:55,208

What is this?

99

00:10:55,291 --> 00:10:56,125

Fish.

100

00:10:56,916 --> 00:10:58,125

Far as we know.

101

00:10:58,208 --> 00:11:00,041

We eat it every Friday.

102

00:11:00,125 --> 00:11:01,541

You gotta eat every bite,

103

00:11:01,625 --> 00:11:05,125

or they'll tell Mrs. Deardorff about you,
and you won't get adopted.

104

00:11:50,500 --> 00:11:54,333

<i>Alice, come on, open the door.</i>

105

00:11:56,458 --> 00:11:59,583

- It's taken me a whole month to find you.

- Good reason.

106

00:12:00,166 --> 00:12:03,000

Whatever this is, whatever you're doing,

107

00:12:03,083 --> 00:12:05,125

it's nuts, even for you.

108

00:12:05,208 --> 00:12:08,333

- I don't expect you to understand...

- What I understand

109

00:12:08,416 --> 00:12:10,875

is you're not taking care of yourself.

110

00:12:20,666 --> 00:12:21,833

So, we'll take...

111

00:12:34,541 --> 00:12:35,750

Isn't it beautiful?

112

00:12:38,375 --> 00:12:41,625

<i>Let me come in and talk to Lizzie.</i>

<i>Make sure she's okay.</i>

113

00:12:41,708 --> 00:12:43,250

<i>Oh, you think I'd hurt her?</i>

114

00:12:43,333 --> 00:12:45,666

She's happy here.

This is where she belongs.

115

00:12:45,750 --> 00:12:48,708

You honestly believe our daughter
belongs in a trailer

116

00:12:48,791 --> 00:12:50,291

in the middle of nowhere?

117

00:12:50,375 --> 00:12:51,250

Who says she's ours?

118

00:12:51,333 --> 00:12:54,125

- Don't do that, Alice.

- And she doesn't like being called Lizzie.

119

00:13:17,791 --> 00:13:19,625

<i>All right, Alice, you win.</i>

120

00:13:20,375 --> 00:13:21,958

I can't fight with you anymore.

121

00:13:23,625 --> 00:13:25,958

And I can't keep chasing you
around everywhere,

122

00:13:26,041 --> 00:13:27,708

if all you do is run away again.

123

00:13:28,333 --> 00:13:29,791

I'm sorry, Paul.

124

00:13:29,875 --> 00:13:32,625

Once I drive away, I'm not coming back.

125

00:14:04,000 --> 00:14:05,916

Miss Harmon, finished already?

126

00:14:21,125 --> 00:14:24,083

Why don't you take the erasers
down to the basement and clean them?

127

00:14:28,625 --> 00:14:32,041

You're all fucking cocksuckers,
and you're the biggest one of them all.

128

00:14:32,125 --> 00:14:35,250

Never met anyone who liked
the taste of soap as much as you do.

129

00:14:36,666 --> 00:14:37,875

Where you going, Harmon?

130

00:17:10,375 --> 00:17:12,166

Good morning, girls.

131

00:17:12,250 --> 00:17:14,750

Good morning, Mrs. Deardorff.

132

00:17:14,833 --> 00:17:17,750

Mary-Sue, aren't you a lucky girl?

133

00:17:19,250 --> 00:17:22,500

You really impressed the Spellmans.

134

00:17:22,583 --> 00:17:24,083

I heard their house is so big.

135

00:17:24,166 --> 00:17:28,791

Let's get your suitcase and pack up.

Nicely, like I taught you.

136

00:17:30,916 --> 00:17:33,375

Yeah, the socks first, remember.

137

00:17:33,458 --> 00:17:34,458

Hmm.

138

00:17:34,541 --> 00:17:37,458

That is not fair. She got here after you.

139

00:17:39,208 --> 00:17:40,791

Most of us are lifers.

140

00:17:41,583 --> 00:17:44,208

- Been here a long time.

- Don't forget your headband.

141

00:17:44,291 --> 00:17:46,916

Nobody's gonna come for us now.

We're too old.

142

00:17:47,000 --> 00:17:48,166

And don't dawdle.

143

00:17:48,666 --> 00:17:50,833

- I wish it was me.

- Or too Black.

144

00:17:52,166 --> 00:17:55,250

- Maybe someone will come through.

- Someday.

145

00:18:38,750 --> 00:18:40,875

What do you want, child?

You should be in chapel.

146

00:18:41,666 --> 00:18:43,041

What's that game called?

147

00:18:46,708 --> 00:18:48,666

You should be upstairs with the others.

148

00:18:49,291 --> 00:18:50,958

I don't wanna be with the others.

149

00:18:51,833 --> 00:18:54,250

I wanna know what that is you're playing.

150

00:18:57,250 --> 00:18:58,333

It's called chess.

151

00:18:59,583 --> 00:19:00,500

Will you teach me?

152

00:19:02,625 --> 00:19:04,208

I don't play strangers.

153

00:19:17,125 --> 00:19:19,750

- Sweet dreams, ladies.

- Good night, Fergusen.

154

00:19:21,416 --> 00:19:22,833

"Good night, good night!"

155

00:19:22,916 --> 00:19:24,916

"Parting is such sweet sorrow,

156

00:19:25,000 --> 00:19:27,708

so I shall say good night

till it be morrow."

157

00:20:15,208 --> 00:20:16,041

You were right.

158

00:20:16,625 --> 00:20:18,333

The vitamins work better at night.

159

00:20:19,583 --> 00:20:20,500

How many you take?

160

00:20:20,583 --> 00:20:21,541

I don't know.

161

00:20:22,500 --> 00:20:25,333

Sometimes I skip a day,
or a bunch of days,

162

00:20:26,125 --> 00:20:27,333

then take two or three.

163

00:20:29,375 --> 00:20:30,750

I like the way it feels.

164

00:20:30,833 --> 00:20:31,958

I bet you do.

165

00:20:33,166 --> 00:20:36,250

You just be careful
you don't get too used to that feeling.

166

00:20:48,041 --> 00:20:49,416

I'm not a stranger.

167

00:20:51,541 --> 00:20:52,416

I live here.

168

00:20:54,250 --> 00:20:55,666

I already know some of it...

169

00:20:56,750 --> 00:20:57,791

From watching.

170

00:20:57,875 --> 00:21:00,625

Girls do not play chess.

171

00:21:07,291 --> 00:21:10,791

That one moves up and down,
or back and forth,

172

00:21:10,875 --> 00:21:13,666

all the way, if there's space to move in.

173

00:21:14,875 --> 00:21:16,833

But that one can only go up.

174

00:21:18,291 --> 00:21:20,916

That tall one can go any way it wants.

175

00:21:27,916 --> 00:21:28,791

And this one?

176

00:21:31,416 --> 00:21:32,708

On the diagonals.

177

00:21:36,500 --> 00:21:39,291

One square diagonal,
plus one square straight.

178

00:21:45,583 --> 00:21:46,500

Let's play a game.

179

00:21:47,500 --> 00:21:48,458

I play White.

180

00:21:51,416 --> 00:21:53,000

Now or never.

181

00:22:43,166 --> 00:22:44,833

That's called the Scholar's Mate.

182

00:22:46,083 --> 00:22:47,458

- How do you do it?

- Not today.

183

00:22:48,083 --> 00:22:50,041

- Show me.

- Not today.

184

00:23:06,958 --> 00:23:09,083

<i>That's called the Scholar's Mate.</i>

185

00:23:10,583 --> 00:23:11,750

<i>How do you do it?</i>

186

00:23:57,875 --> 00:24:00,125

<i>That's called the Scholar's Mate.</i>

187

00:25:04,750 --> 00:25:05,791

You resign now.

188

00:25:06,416 --> 00:25:07,250

Resign?

189

00:25:07,333 --> 00:25:09,875

That's right, child.

When you lose the queen that way...

190

00:25:11,958 --> 00:25:12,791

You resign.

191

00:25:13,458 --> 00:25:17,125

- No.

- Yes, you have resigned the game.

192

00:25:17,208 --> 00:25:21,041

- You didn't tell me that in the rules.

- It's not a rule, it's sportsmanship.

193

00:25:21,958 --> 00:25:23,458

- I wanna finish.

- No.

194

00:25:24,250 --> 00:25:25,833

- You've got to finish.

- No.

195

00:25:28,083 --> 00:25:28,958

You lost.

196

00:25:29,791 --> 00:25:32,291

- Please!

- The game is over.

197

00:25:35,333 --> 00:25:36,916

You cocksucker.

198

00:25:39,708 --> 00:25:40,708

Get out.

199

00:26:31,083 --> 00:26:31,916

Check.

200

00:26:36,875 --> 00:26:37,708

Mate.

201

00:27:15,041 --> 00:27:15,958

Morning, cracker.

202

00:27:30,833 --> 00:27:31,666

Jolene?

203

00:27:32,541 --> 00:27:33,416

What do you want?

204

00:27:34,416 --> 00:27:36,291

I want to know what a cocksucker is.

205

00:27:37,458 --> 00:27:39,500

Shit!

206

00:27:39,583 --> 00:27:41,000

Okay. Um...

207

00:27:41,875 --> 00:27:43,458

Do you know what a cock is?

208

00:27:44,791 --> 00:27:45,916

I don't think so.

209

00:27:46,000 --> 00:27:47,125

It's what boys have.

210

00:27:47,208 --> 00:27:49,833

The picture in the back
of the health book, it's like a thumb.

211

00:27:49,916 --> 00:27:50,875

Well, honey,

212

00:27:51,416 --> 00:27:54,375

girls like to suck on that thumb.

213

00:27:55,250 --> 00:27:56,208

Do you?

214

00:27:57,125 --> 00:27:58,500

Haven't tried one yet.

215

00:28:03,666 --> 00:28:05,083

Isn't that where they pee?

216

00:28:05,166 --> 00:28:07,333

I expect it wipes clean.

217

00:28:12,458 --> 00:28:15,666

<i>You should have green,</i>

<i>leafy vegetables at least once a day,</i>

218

00:28:15,750 --> 00:28:17,708

legumes a few times a week,

219

00:28:17,791 --> 00:28:20,750

and stay away from tobacco

and any and all forms of alcohol.

220

00:28:21,375 --> 00:28:25,333

I also like to inspect my stool

at least, uh, three times a week.

221

00:28:25,416 --> 00:28:29,541

It should appear firm but not hard,

a clear sign of dehydration.

222

00:28:29,625 --> 00:28:33,666

Now, which is why we should be drinking
several glasses of water a day,

223

00:28:33,750 --> 00:28:35,583

nature's wonderful lubricant.

224

00:30:04,041 --> 00:30:05,166

You're gloating.

225

00:30:05,250 --> 00:30:06,083

I'm not.

226

00:30:12,541 --> 00:30:14,833

- It was close.

- I still beat you.

227

00:30:14,916 --> 00:30:16,375

Could have beat me sooner.

228

00:30:22,250 --> 00:30:25,125

- You should learn the Sicilian Defense.

- What's that?

229

00:30:25,208 --> 00:30:29,083

When White moves to king four,
Black does this.

230

00:30:30,041 --> 00:30:32,375

- Then what?

- Knight to KB3.

231

00:30:33,833 --> 00:30:35,250

What's KB3?

232

00:30:35,333 --> 00:30:37,791

King's bishop three,
where I just put the knight.

233

00:30:39,541 --> 00:30:41,250

The squares have names?

234

00:30:42,500 --> 00:30:44,375

If you play well, they have names.

235

00:30:46,750 --> 00:30:48,916

- Show me.

- Not now. Let's play again.

236

00:30:53,666 --> 00:30:54,500

You're mad.

237

00:30:55,500 --> 00:30:56,416

I am not mad.

238

00:30:57,875 --> 00:30:58,708

Just play.

239

00:31:09,375 --> 00:31:13,541

<i>There are other strategies</i>

<i>you'll need to learn, down the road.</i>

240

00:31:20,166 --> 00:31:22,708

<i>The Levenfish Variation.</i>

241

00:31:36,833 --> 00:31:38,416

<i>The Najdorf Variation.</i>

242

00:31:53,125 --> 00:31:53,958

<i>Show me.</i>

243

00:31:55,000 --> 00:31:56,125

<i>Levenfish.</i>

244

00:32:06,250 --> 00:32:07,208

<i>Najdorf.</i>

245

00:32:14,416 --> 00:32:15,625

Let's play again.

246

00:32:20,458 --> 00:32:21,958

Elizabeth!

247

00:32:22,041 --> 00:32:23,541

I'm sorry, Mrs. Deardorff.

248

00:32:24,333 --> 00:32:27,125

- <i>Mom, guess what?</i>

<i>- I don't know. What?</i>

249

00:32:27,208 --> 00:32:30,583

<i>- Mom, I've started my first period.

- Well, what do you know?</i>

250

00:32:37,958 --> 00:32:40,375

- That isn't one you taught me.

- So?

251

00:32:40,458 --> 00:32:42,125

But is that one of those things,

252

00:32:42,208 --> 00:32:44,166

like the Sicilian Defense?

253

00:32:44,875 --> 00:32:46,583

Stop!

254

00:32:54,250 --> 00:32:56,833

Those things are called openings.

255

00:32:56,916 --> 00:32:58,375

Is that one of them?

256

00:32:58,458 --> 00:32:59,333

Yes.

257

00:33:01,083 --> 00:33:02,250

The Queen's Gambit.

258

00:33:18,541 --> 00:33:19,541

I'm playing White?

259

00:33:20,208 --> 00:33:24,166

From now on, we take turns.

It's the way the game should be played.

260

00:33:25,583 --> 00:33:27,708

Then, how come I couldn't go first before?

261

00:33:29,750 --> 00:33:30,875

Play.

262

00:33:36,375 --> 00:33:37,208

Check.

263

00:33:45,750 --> 00:33:46,583

Mate.

264

00:33:59,041 --> 00:34:00,125

Is that whiskey?

265

00:34:00,625 --> 00:34:01,458

Mm-hmm.

266

00:34:03,708 --> 00:34:04,541

Yes.

267

00:34:06,333 --> 00:34:07,166

And don't tell.

268

00:34:08,000 --> 00:34:08,833

I won't.

269

00:34:16,500 --> 00:34:18,250

<i>Modern Chess Openings.</i>

270

00:34:21,541 --> 00:34:23,041

It's the best book for you.

271

00:34:24,000 --> 00:34:25,916

It will tell you all you wanna know.

272

00:34:26,541 --> 00:34:29,458

You'll need to learn chess notation
before you can read it.

273

00:34:30,416 --> 00:34:32,083

The names of the squares.

274

00:34:33,375 --> 00:34:34,333

I'll teach you now.

275

00:34:35,250 --> 00:34:36,625

Am I good enough now?

276

00:34:37,416 --> 00:34:38,416

How old are you?

277

00:34:39,750 --> 00:34:40,583

Nine.

278

00:34:41,583 --> 00:34:42,541

Nine years old.

279

00:34:44,625 --> 00:34:45,916

I'll be ten in November.

280

00:34:48,541 --> 00:34:50,291

To tell you the truth of it, child...

281

00:34:52,333 --> 00:34:53,291

You're astounding.

282

00:34:56,000 --> 00:34:57,291

<i>"Nobody heard him,</i>

283

00:34:57,375 --> 00:34:58,541

the dead man,

284

00:34:59,500 --> 00:35:01,250

but still he lay moaning."

285

00:35:01,833 --> 00:35:04,625

"I was much further out than you thought,

286

00:35:05,375 --> 00:35:07,916

and not waving but drowning."

287

00:35:09,083 --> 00:35:09,916

"Poor chap,

288

00:35:10,833 --> 00:35:13,208

he always loved larking, and now...

289

00:35:14,500 --> 00:35:15,458

He's dead."

290

00:35:17,583 --> 00:35:21,833

"It must have been too cold for him.

His heart gave way, they said."

291

00:35:22,416 --> 00:35:24,250

"Oh, no, no, no,

292

00:35:24,791 --> 00:35:27,250

it was too cold always."

293

00:35:27,958 --> 00:35:30,541

"Still, the dead one lay moaning."

294

00:35:31,458 --> 00:35:34,166

"I was much too far out all my life,

295

00:35:34,250 --> 00:35:36,958

and not waving, but drowning."

296

00:35:48,791 --> 00:35:51,000

This is Mr. Ganz from the chess club.

297

00:35:51,083 --> 00:35:53,666

- Chess club?

- We play at a club.

298

00:35:53,750 --> 00:35:56,208

I'm also coach of the high school team.

299

00:35:57,291 --> 00:35:58,166

Duncan High?

300

00:36:05,916 --> 00:36:07,583

Would you like to play me a game?

301

00:36:15,500 --> 00:36:17,166

You play the color you choose.

302

00:36:21,875 --> 00:36:22,708

This one.

303

00:36:28,708 --> 00:36:30,541

Ah, the Réti Opening.

304

00:36:57,666 --> 00:36:58,833

That's mate in three.

305

00:37:18,916 --> 00:37:22,500

Well, you certainly
know the game, young lady.

306

00:37:23,416 --> 00:37:24,625

Do you have a team here?

307

00:37:25,958 --> 00:37:28,333

The other girls,
do they have a chess club?

308

00:37:29,666 --> 00:37:31,208

So, where do you play?

309

00:37:33,500 --> 00:37:34,666

Down here.

310

00:37:35,333 --> 00:37:38,708

Mr. Shaibel said
you play a few games every Sunday.

311

00:37:38,791 --> 00:37:39,916

What do you do in between?

312

00:37:40,958 --> 00:37:41,958

I play in my head.

313

00:37:43,625 --> 00:37:44,708

In your head?

314

00:37:45,583 --> 00:37:46,625

On the ceiling.

315

00:37:50,125 --> 00:37:51,000

Oh...

316

00:37:51,916 --> 00:37:53,000

Before I forget...

317

00:37:54,208 --> 00:37:55,125

I brought you...

318

00:37:56,708 --> 00:37:57,625

A present.

319

00:37:59,666 --> 00:38:01,958

Go ahead, open it.

320

00:38:13,041 --> 00:38:14,041

Well?

321

00:38:18,833 --> 00:38:20,166

Thank you very much.

322

00:38:22,666 --> 00:38:23,916

Do you want another game?

323

00:38:27,208 --> 00:38:28,041

Check.

324

00:39:00,625 --> 00:39:01,458

Beth...

325

00:39:02,625 --> 00:39:04,416

I've moved my queen to rook four.

326

00:39:06,291 --> 00:39:07,125

Check.

327

00:39:08,500 --> 00:39:09,666

The bishop blocks.

328

00:39:13,833 --> 00:39:15,333

Queen takes king's pawn.

329

00:39:16,791 --> 00:39:17,708

Castles.

330

00:39:23,375 --> 00:39:24,416

Knight takes knight.

331

00:39:27,541 --> 00:39:28,458

Mate in three.

332

00:39:29,666 --> 00:39:31,166

First check is with the queen.

333

00:39:31,791 --> 00:39:32,916

The king must take.

334

00:39:34,125 --> 00:39:36,500

Then, the bishop checks on knight five...

335

00:39:37,875 --> 00:39:38,875

And it's mate next.

336

00:39:44,500 --> 00:39:45,666

Sweet Jesus.

337

00:39:50,458 --> 00:39:51,458

I have to go now.

338

00:39:53,291 --> 00:39:54,500

Would you mind, Beth...

339

00:39:55,833 --> 00:39:57,000

If I took your picture?

340

00:39:57,708 --> 00:40:00,166

I'd love to tell

the kids in chess club about you.

341

00:40:01,416 --> 00:40:03,416

How about you stand next to Mr. Shaibel?

342

00:40:11,500 --> 00:40:12,708

Closer.

343

00:40:20,791 --> 00:40:21,875

That's it.

344

00:40:22,708 --> 00:40:23,750

Say queen!

345

00:40:25,000 --> 00:40:25,833

Queen.

346

00:40:32,708 --> 00:40:34,208

Nine times four is?

347

00:40:41,916 --> 00:40:42,916

<i>Hiya, Marge.</i>

348

00:40:43,000 --> 00:40:45,375

<i>Hi, I'm sorry I'm late,</i>

<i>but I ran into Jean, here.</i>

349

00:40:45,458 --> 00:40:48,750

<i>Oh, Jean, this is Ed Reardon.

The Ed I was telling you about.</i>

350

00:40:48,833 --> 00:40:49,875

<i>- Hello.

- How do you do?</i>

351

00:40:49,958 --> 00:40:51,750

<i>And this is Jack Connors.</i>

352

00:40:51,833 --> 00:40:54,625

<i>- Jean Bassett, from over at Morrisville.

- How do you do, Jean?</i>

353

00:40:54,708 --> 00:40:56,666

- <i>Hello.</i>

<i>- Here, you can sit here.</i>

354

00:40:58,166 --> 00:40:59,833

- *<i>Thank you.</i>*

<i>- Mm-hmm.</i>

355

00:41:01,208 --> 00:41:04,750

<i>- Would you like something? Malt or soda?</i>

- Hey, Mrs. Deardorff wants to see you.

356

00:41:05,250 --> 00:41:07,291

<i>A well-mannered group, I think.</i>

357

00:41:07,375 --> 00:41:09,583

<i>You notice their good manners right away.</i>

358

00:41:09,666 --> 00:41:12,833

Mr. Ganz tells me

that you are a gifted child.

359

00:41:14,375 --> 00:41:16,250

He has an unusual request to make.

360

00:41:17,583 --> 00:41:20,458

He would like you
to be taken to the high school on...

361

00:41:20,541 --> 00:41:22,000

- On Thursday.

- On Thursday.

362

00:41:22,083 --> 00:41:23,083

In the afternoon.

363

00:41:23,708 --> 00:41:27,041

He maintains
that you are a phenomenal chess player.

364

00:41:27,583 --> 00:41:30,666

He would like you
to perform for the chess club.

365

00:41:30,750 --> 00:41:35,875

We have a dozen members,
and I was suggesting to Mrs. Deardorff

366

00:41:35,958 --> 00:41:40,208

that you come along
and play all of them in a simultaneous.

367

00:41:41,083 --> 00:41:41,916

In a what?

368

00:41:42,000 --> 00:41:43,291

At the same time.

369

00:41:45,291 --> 00:41:47,291

We like to give our girls a chance

370

00:41:47,375 --> 00:41:50,458

for experience outside
whenever we can, but...

371

00:41:51,666 --> 00:41:55,333

I'm a bit wary of letting Elizabeth
go off to the local high school.

372

00:41:55,416 --> 00:41:57,083

Oh, well, I would chaperone.

373

00:41:57,166 --> 00:41:59,625

I'd pick her up, take her to the school,
then bring her back.

374

00:41:59,708 --> 00:42:02,666

I was thinking a young lady
might also accompany her.

375

00:42:02,750 --> 00:42:05,541

Well, I assumed that you would come,

376

00:42:06,208 --> 00:42:07,458

as my guest.

377

00:42:07,541 --> 00:42:09,083

Oh.

378

00:42:09,666 --> 00:42:10,875

No, I...

379

00:42:10,958 --> 00:42:13,958

I couldn't possibly

abandon my duties here.

380

00:42:14,833 --> 00:42:16,958

Well, what if Shirley Munson,

381

00:42:17,041 --> 00:42:19,416

club treasurer

and one of my best students,

382

00:42:19,500 --> 00:42:20,583

she comes along?

383

00:42:22,791 --> 00:42:24,208

What do you say, Elizabeth?

384

00:42:24,875 --> 00:42:27,083

Do you want to play chess

at the high school?

385

00:42:28,250 --> 00:42:30,416

Yes, I'd like to.

386

00:42:32,250 --> 00:42:33,083

Okay.

387

00:42:34,000 --> 00:42:34,958

It's settled, then.

388

00:42:36,291 --> 00:42:37,750

Mr. Ganz and, uh...

389

00:42:38,583 --> 00:42:39,708

- Charlotte?

- Shirley.

390

00:42:39,791 --> 00:42:40,666

Shirley, yes.

391

00:42:41,666 --> 00:42:44,916

They will pick you up,

let's say after lunch on Thursday?

392

00:42:45,000 --> 00:42:45,833

Perfect.

393

00:42:55,250 --> 00:42:56,166

I'll see you then.

394

00:42:59,708 --> 00:43:00,833

Elizabeth.

395

00:43:01,875 --> 00:43:05,541

I'm told that you've been playing chess
with our custodian.

396

00:43:06,625 --> 00:43:07,625

With Mr. Shaibel.

397

00:43:09,083 --> 00:43:09,916

Yes, ma'am.

398

00:43:11,166 --> 00:43:13,625

This is very irregular, Elizabeth.

399

00:43:14,708 --> 00:43:16,041

Have you gone to the basement?

400

00:43:17,250 --> 00:43:18,125

Yes, ma'am.

401

00:43:19,208 --> 00:43:20,458

Well, we can't have that.

402

00:43:21,166 --> 00:43:23,750

As much as Methuen believes in excellence,

403

00:43:23,833 --> 00:43:26,208

we can't have you
playing chess in the basement.

404

00:43:30,250 --> 00:43:33,125

I believe that we have chess sets
in the game closet.

405

00:43:34,083 --> 00:43:36,041

I'll have Fergusen look into that.

406

00:43:36,125 --> 00:43:38,708

That'll be all, Elizabeth.

407

00:43:39,208 --> 00:43:41,083

Mind your manners at the high school.

408

00:43:41,166 --> 00:43:42,750

Helen Deardorff.

409

00:43:46,375 --> 00:43:48,500

- There's one missing.

- That's it.

410

00:43:50,000 --> 00:43:50,833

Next.

411

00:43:50,916 --> 00:43:52,125

It's my turn, Harmon.

412

00:43:53,000 --> 00:43:54,000

Where are the green ones?

413

00:43:54,083 --> 00:43:55,541

You don't get them anymore.

414

00:43:56,875 --> 00:43:58,416

There they are, right behind you.

415

00:43:58,500 --> 00:44:01,791

I know where they are, Harmon,
but I'm not gonna give you any.

416

00:44:01,875 --> 00:44:04,541

New state law.

No more tranquilizers for kids.

417

00:44:05,250 --> 00:44:07,375

- Go figure.

- Harmon.

418

00:44:07,458 --> 00:44:08,666

"Go thou further off."

419

00:44:08,750 --> 00:44:11,416

"Bid me farewell,
and let me hear thee going."

420

00:44:12,791 --> 00:44:14,250

- What?

- Beat it.

421

00:45:05,500 --> 00:45:07,958

<i>Did Fergusen give you any green pills?</i>

422

00:45:08,041 --> 00:45:09,875

Extra ones?

423

00:45:09,958 --> 00:45:11,791

No, honey, I wish he would.

424

00:45:11,875 --> 00:45:13,416

But they got the state after them

425

00:45:13,500 --> 00:45:15,583

for what they've been doing
with those pills.

426

00:45:17,333 --> 00:45:18,333

They're still there.

427

00:45:19,375 --> 00:45:20,541

In the big jar.

428

00:45:20,625 --> 00:45:21,458

That a fact?

429

00:45:23,375 --> 00:45:24,375

I ain't noticed.

430

00:45:28,791 --> 00:45:30,583

You're having withdrawal symptoms?

431

00:45:31,541 --> 00:45:32,375

I don't know.

432

00:45:33,500 --> 00:45:34,416

What are those?

433

00:45:35,083 --> 00:45:36,416

Withdrawal, like...

434

00:45:37,666 --> 00:45:39,500

I don't know, you getting edgy?

435

00:45:42,625 --> 00:45:43,708

Yeah, you are.

436

00:45:45,625 --> 00:45:46,541

You look around,

437

00:45:47,708 --> 00:45:50,875

there's gonna be some jumpy orphans
around here the next few days.

438

00:46:19,208 --> 00:46:20,166

Harmon.

439

00:46:21,708 --> 00:46:22,541

You all right?

440

00:46:25,208 --> 00:46:27,583

- Do you play the King's Gambit?

- No.

441

00:46:27,666 --> 00:46:28,958

It's my favorite.

442

00:46:29,041 --> 00:46:31,125

Did you know chess is older than checkers?

443

00:46:31,208 --> 00:46:33,541

- No.

- By, like, 400 years.

444

00:46:33,625 --> 00:46:34,458

Wait!

445

00:46:35,833 --> 00:46:36,958

Can I talk to Beth?

446

00:46:37,625 --> 00:46:40,416

- Just for a second, wish her luck.

- Sure, go ahead.

447

00:46:46,791 --> 00:46:48,541

Good luck.

448

00:48:03,500 --> 00:48:06,333

Take your seats and be quiet, please.

449

00:48:06,416 --> 00:48:11,500

Charles Levy will take board number one
since he's our top player.

450

00:48:12,041 --> 00:48:16,041

The rest of you can sit where you want to.
There will be no talking during play.

451

00:48:31,375 --> 00:48:32,375

Do I start now?

452

00:48:32,458 --> 00:48:34,041

With board number one.

453

00:48:34,833 --> 00:48:36,500

And then I go on to the next one?

454

00:48:36,583 --> 00:48:37,541

That's right.

455

00:49:04,333 --> 00:49:07,541

They can't respond
until you've opened at every board.

456

00:49:19,958 --> 00:49:22,541

What surprised me was how bad they played.

457

00:49:23,208 --> 00:49:25,500

They left backward pawns
all over the place,

458

00:49:26,041 --> 00:49:28,291

and their pieces were wide open for forks.

459

00:50:05,166 --> 00:50:07,750

A few of them tried stupid mating attacks.

460

00:50:10,958 --> 00:50:12,166

But I took care of them.

461

00:50:17,291 --> 00:50:19,000

This boy, Charles Levy,

462

00:50:19,708 --> 00:50:21,291

he was supposed to be the best.

463

00:50:22,041 --> 00:50:24,541

I had his pieces tied up in 15 moves.

464

00:50:25,500 --> 00:50:28,416

*<i>I mated him in six more,
with a knight-rook combination.</i>*

465

00:50:39,208 --> 00:50:43,041

Mr. Ganz told me I beat them all
in an hour and 20 minutes.

466

00:50:45,291 --> 00:50:46,166

It felt good.

467

00:50:47,708 --> 00:50:49,291

I've never won anything before.

468

00:50:52,500 --> 00:50:54,083

You should get back.

469

00:50:55,000 --> 00:50:56,166

You can have the rest.

470

00:51:08,375 --> 00:51:09,541

- Jolene.

- Hey.

471

00:51:09,625 --> 00:51:11,083

Do you have any more vitamins?

472

00:51:12,125 --> 00:51:13,375

Don't be rude.

473

00:51:14,000 --> 00:51:16,541

This is Samantha. She just got here.

474

00:51:17,333 --> 00:51:18,875

Haven't you got even just one?

475

00:51:20,666 --> 00:51:23,375

How'd the exhibit go?

You do okay?

476

00:51:23,458 --> 00:51:26,083

- Fine, but I need...

- I don't want to hear about it.

477

00:51:28,875 --> 00:51:30,041

Hello, Samantha.

478

00:52:06,958 --> 00:52:11,125

<i>Jesus. Renounce him, so all can hear.</i>

479

00:52:17,916 --> 00:52:20,666

<i>I cannot renounce him, sire. Nor can you.</i>

480

00:52:21,666 --> 00:52:23,416

<i>He is my king and yours as well.</i>

481

00:52:24,791 --> 00:52:26,083

<i>He is the son of God.</i>

482

00:52:28,458 --> 00:52:30,250

<i>And that is your answer?</i>

483

00:52:30,333 --> 00:52:31,291

<i>Yes, sire.</i>

484

00:52:35,208 --> 00:52:36,583

<i>Tribune Gallio,</i>

485

00:52:36,666 --> 00:52:39,916

<i>we decree that you be taken immediately
to the palace archery field</i>

486

00:52:40,000 --> 00:52:42,625

<i>and put to death for high treason.</i>

487

00:52:49,458 --> 00:52:52,833

<i>No, Diana.</i>

<i>No, there's no reason for it.</i>

488

00:52:52,916 --> 00:52:55,750

<i>Sire, Marcellus is my chosen husband.</i>

489

00:52:55,833 --> 00:52:57,291

<i>I ask to go with him.</i>

490

00:52:57,375 --> 00:52:58,375

Bathroom.

491

00:52:58,958 --> 00:53:00,041

Hurry up.

492

00:53:00,125 --> 00:53:02,083

<i>Stand back! You're not on trial!</i>

493

00:53:03,000 --> 00:53:04,791

<i>There's no evidence against you!</i>

494

00:53:04,875 --> 00:53:08,000

<i>Then if it please you, sire,</i>

<i>I'll provide evidence.</i>

495

00:53:14,750 --> 00:53:17,333

<i>A traitor!</i>

<i>And a conspirator against the state!</i>

496

00:53:17,416 --> 00:53:18,750

<i>No, not Marcellus!</i>

497

00:53:18,833 --> 00:53:20,833

<i>That's why he hasn't come to you.</i>

498

00:53:31,208 --> 00:53:32,166

<i> Stop it!</i>

499

00:53:32,250 --> 00:53:35,125

<i>But in you,</i>

<i>noble blood has turned to poison.</i>

500

00:53:35,208 --> 00:53:37,375

<i>You corrupt Rome

with your spite and malice.</i>

501

00:53:37,458 --> 00:53:39,958

- <i>Stop! Stop it!</i>

<i>- You should be Caesar!</i>

502

00:53:55,041 --> 00:53:55,958

<i>Stop it!</i>

503

00:53:56,458 --> 00:53:58,625

<i>As for me, I have found another king.</i>

504

00:54:00,333 --> 00:54:02,208

<i>I want to go with my husband...</i>

505

00:54:02,750 --> 00:54:04,333

<i>Into his kingdom.</i>

506

00:54:05,083 --> 00:54:07,583

<i>Then by the gods you shall!</i>

507

00:54:08,500 --> 00:54:10,500

<i>Go, both of you!</i>

508

00:54:10,583 --> 00:54:12,291

<i>Into your kingdom!</i>

509

00:54:53,458 --> 00:54:55,916

<i>They're going into a better kingdom.</i>

510

00:54:56,000 --> 00:54:58,375

<i>They're going into a better kingdom!</i>

511

00:54:59,125 --> 00:55:00,875

<i>They're gonna meet their king!</i>

512

00:55:01,708 --> 00:55:03,541

<i>They're going to meet their king!</i>

513

00:55:46,500 --> 00:55:47,958

All right, girls.

514

00:55:48,041 --> 00:55:50,875

Let's all have some cocoa
and discuss what we've learned.

515

00:56:07,041 --> 00:56:08,583

- Elizabeth!

- Mama?

516

00:56:09,791 --> 00:56:10,625

Elizabeth.

S01EP2: Exchanges

1

00:00:08,416 --> 00:00:10,416

[wind whistling]

2

00:00:13,666 --> 00:00:15,625

[Jolene] <i>You should have seen yourself.</i>

3

00:00:16,625 --> 00:00:19,666

<i>Up on that stool,
floating around up there,</i>

4

00:00:20,583 --> 00:00:22,958

Deardorff just hollering at you.

5

00:00:23,541 --> 00:00:24,625

It felt funny.

6

00:00:24,708 --> 00:00:25,541

Shit.

7

00:00:26,458 --> 00:00:27,666

I bet it felt good.

8

00:00:29,666 --> 00:00:30,500

[Beth sighs]

9

00:00:30,583 --> 00:00:31,958

What you gonna do at night?

10

00:00:33,458 --> 00:00:36,916

I'm gonna stay awake as long as I can,
reading my book,

11

00:00:37,791 --> 00:00:39,625

learning the Sicilian Defense.

12

00:00:42,833 --> 00:00:45,375

There's 57 pages about it in the book,

13

00:00:45,458 --> 00:00:48,791

with 170 lines stemming from P to QB4.

14

00:00:50,583 --> 00:00:53,583

I'm gonna memorize them
and play through them all in my mind.

15

00:00:54,791 --> 00:00:55,833

Poor mind.

16

00:00:57,208 --> 00:00:59,416

- [girls laughing]

- [woman] <i>Ladies, don't run!</i>

17

00:00:59,500 --> 00:01:00,791

No shoving!

18

00:01:00,875 --> 00:01:02,875

[indistinct chattering and giggling]

19

00:01:22,083 --> 00:01:23,208

[Beth] Mr. Shaibel?

20

00:01:28,416 --> 00:01:30,083

They won't let me play anymore.

21

00:01:33,083 --> 00:01:34,125

I'm being punished.

22

00:01:36,875 --> 00:01:38,041

Please...

23

00:01:39,583 --> 00:01:40,708

Can you help me?

24

00:01:47,083 --> 00:01:48,791

[sighs]

25

00:01:50,041 --> 00:01:51,833

I wish I could play more with you.

26

00:01:54,958 --> 00:01:56,958

[somber music playing]

27

00:02:11,958 --> 00:02:13,958

For crying out loud,
what you still doing in bed?

28

00:02:14,041 --> 00:02:15,458

You're gonna miss breakfast.

29

00:02:20,833 --> 00:02:21,750

[Jolene sniffles]

30

00:02:41,666 --> 00:02:42,666

Morning, cracker.

31

00:02:43,208 --> 00:02:44,125

[clears throat]

32

00:02:48,875 --> 00:02:51,708

You don't wanna miss
another delicious breakfast, do you?

33

00:02:52,708 --> 00:02:54,208

[Beth] Been dreaming about it.

34

00:03:03,208 --> 00:03:04,666

[birds chirping]

35

00:03:18,583 --> 00:03:20,000

Wonder who they're here for.

36

00:03:55,750 --> 00:03:56,791

[girls] Hi, Beth.

37

00:04:04,000 --> 00:04:06,750

- Are you trying to piss her off?

- I had to take a shower.

38

00:04:06,833 --> 00:04:07,666

Go on in, then.

39

00:04:09,625 --> 00:04:10,458

Hold up.

40

00:04:17,458 --> 00:04:18,875

They seem like nice people.

41

00:04:27,458 --> 00:04:32,000

I'm told, Elizabeth,
that you turned 13 just last month.

42

00:04:32,083 --> 00:04:33,083

Actually, I'm fift...

43

00:04:35,625 --> 00:04:38,208

Yes, that's right, I'm 13.

44

00:04:39,583 --> 00:04:41,166

Such a wonderful age.

45

00:04:41,875 --> 00:04:44,541

Elizabeth has performed well
in all of her schoolwork.

46

00:04:44,625 --> 00:04:48,833

She is at the top of her class
in reading and arithmetic.

47

00:04:48,916 --> 00:04:50,083

That's very impressive.

48

00:04:50,875 --> 00:04:54,083

Beth is also a very strong student
in science and geography,

49

00:04:54,166 --> 00:04:57,375

and has been kindly assisting
Miss Lonsdale with chapel,

50

00:04:57,458 --> 00:04:59,125

for several years now.

51

00:04:59,208 --> 00:05:01,125

She is the model Methuen girl.

52

00:05:02,958 --> 00:05:04,041

I can see that.

53

00:05:06,666 --> 00:05:08,791

I will leave you three to get acquainted.

54

00:05:14,125 --> 00:05:15,000

[door opens]

55

00:05:17,291 --> 00:05:19,000

- [door closes]

- [man clears throat]

56

00:05:21,041 --> 00:05:22,250

They call you Elizabeth?

57

00:05:24,375 --> 00:05:25,291

Or is it Betty?

58

00:05:41,708 --> 00:05:42,791

You should go pack.

59

00:05:48,708 --> 00:05:50,083

[car engine turns over]

60

00:05:59,250 --> 00:06:00,375

I can't find my book.

61

00:06:01,458 --> 00:06:04,458

Which book we talking about?

You read like a hundred of them.

62

00:06:05,125 --> 00:06:06,708

<i>Modern Chess Openings.</i>

63

00:06:06,791 --> 00:06:09,000

Hm. Beats the shit out of me.

64

00:06:11,041 --> 00:06:12,500

I left it right here.

65

00:06:14,041 --> 00:06:16,791

- You didn't see it, did you?

- Watch who you go accusing.

66

00:06:17,750 --> 00:06:19,541

I got no use for no book like that.

67

00:06:20,791 --> 00:06:22,375

Anyway, you don't need no book.

68

00:06:22,458 --> 00:06:26,583

Just say, "Yes, sir," and "Yes, ma'am,"
and you'll do all right.

69

00:06:26,666 --> 00:06:30,250

Tell them you're grateful
to be in a Christian home like theirs.

70

00:06:31,541 --> 00:06:33,416

Maybe they'll put a TV in your room.

71

00:06:36,416 --> 00:06:37,250

Jolene?

72

00:06:38,625 --> 00:06:39,458

[Jolene] Hm?

73

00:06:42,916 --> 00:06:43,875

I'm sorry.

74

00:06:44,458 --> 00:06:45,291

About what?

75

00:06:47,208 --> 00:06:48,625

That you didn't get adopted.

76

00:06:53,041 --> 00:06:53,875

Shit.

77

00:06:55,125 --> 00:06:57,416

I make out just fine right here.

78

00:07:03,000 --> 00:07:05,000

[pensive music playing]

79

00:07:14,625 --> 00:07:16,166

Be a good girl, Elizabeth.

80

00:07:23,125 --> 00:07:24,500

Off we go!

81

00:07:31,041 --> 00:07:32,500

[sighs]

82

00:07:45,625 --> 00:07:47,583

We're so glad to have an older child.

83

00:08:00,666 --> 00:08:02,875

[man sniffs, clears throat]

84

00:08:05,375 --> 00:08:07,375

[uplifting music playing]

85

00:08:39,458 --> 00:08:40,291

Shall we?

86

00:08:46,375 --> 00:08:47,208

[door closes]

87

00:08:57,875 --> 00:08:59,041

Home sweet home.

88

00:09:08,083 --> 00:09:10,000

[woman] Those are Rosa Bonheur prints.

89

00:09:12,583 --> 00:09:14,166

Not originals, of course.

90

00:09:17,791 --> 00:09:19,000

Do you like animals?

91

00:09:19,083 --> 00:09:20,291

I do, I love them.

92

00:09:20,375 --> 00:09:22,750

Allston is allergic

to most pet dander, though,

93

00:09:22,833 --> 00:09:24,833

- so I'm not allowed to...

- [Allston clears throat]

94

00:09:29,208 --> 00:09:31,250

I bet you'd like to see your room.

95

00:09:36,958 --> 00:09:40,375

This is the master bedroom,
where Allston and I sleep.

96

00:09:42,208 --> 00:09:44,833

Over here is the bathroom,

97

00:09:45,333 --> 00:09:47,875

and this is you.

98

00:10:02,208 --> 00:10:05,500

You have no idea how hard it is
to find good maple furniture.

99

00:10:05,583 --> 00:10:06,708

This is all mine?

100

00:10:07,583 --> 00:10:08,916

Of course it's all yours.

101

00:10:10,083 --> 00:10:11,000

The whole room?

102

00:10:11,083 --> 00:10:12,208

The whole room.

103

00:10:17,375 --> 00:10:18,208

All right.

104

00:10:19,583 --> 00:10:21,750

I will let you unpack and get settled in.

105

00:10:23,000 --> 00:10:25,000

Just give a holler if you need anything.

106

00:10:29,708 --> 00:10:30,541

[lock clicks]

107

00:10:35,708 --> 00:10:36,833

Home sweet home.

108

00:10:38,041 --> 00:10:40,041

[uplifting music continues]

109

00:10:40,125 --> 00:10:41,041

[exhales]

110

00:10:48,083 --> 00:10:49,208

[woman] I don't understand.

111

00:10:49,708 --> 00:10:52,541

[Allston] I don't know exactly
what there is to understand.

112

00:10:52,625 --> 00:10:55,708

- [woman] Why can't they send someone else?

- [Allston] It's only for two weeks.

113

00:10:55,791 --> 00:10:57,791

[woman]

You've only been home for two days.

114

00:10:57,875 --> 00:11:00,708

[Allston] Gives you some time
to get to know your new companion.

115

00:11:01,208 --> 00:11:02,333

I doubt there's much to know.

116

00:11:02,416 --> 00:11:04,625

Girl doesn't seem

to have a heck of a lot to say.

117

00:11:05,541 --> 00:11:07,208

[woman] Do you have to take the car?

118

00:11:07,500 --> 00:11:09,458

How am I supposed

to get around without a car?

119

00:11:09,541 --> 00:11:11,375

I don't know, you could rent one.

120

00:11:11,458 --> 00:11:14,541

And eat up half my commissions?

You're a terrible driver anyway.

121

00:11:15,041 --> 00:11:16,458

It's not that far into town.

122

00:11:16,958 --> 00:11:19,708

Remember what the doctor said.

Some exercise will do you good.

123

00:11:20,208 --> 00:11:22,000

- [car door shuts]

- [engine turns over]

124

00:11:31,500 --> 00:11:32,666

[car drives away]

125

00:11:32,750 --> 00:11:34,750

[melancholy music playing on piano]

126

00:11:47,250 --> 00:11:48,333

[woman] It's early, dear.

127

00:11:49,083 --> 00:11:51,291

You don't have to be up
for another hour yet.

128

00:11:53,875 --> 00:11:56,750

Must be all the excitement
about your first day of school.

129

00:12:00,333 --> 00:12:01,916

Where did Mr. Wheatley go?

130

00:12:03,500 --> 00:12:04,583

Business trip.

131

00:12:05,500 --> 00:12:08,375

Poor man has to travel
quite a bit these days, but...

132

00:12:08,458 --> 00:12:10,000

As he likes to remind me, it...

133

00:12:11,041 --> 00:12:12,666

Keeps the roof over our heads.

134

00:12:21,250 --> 00:12:23,625

Please stop gawking, dear,
you're making me nervous.

135

00:12:32,000 --> 00:12:32,875

You're very good.

136

00:12:35,291 --> 00:12:37,000

This was Grandmother June's piano.

137

00:12:38,375 --> 00:12:40,458

I've played since I was younger than you.

138

00:12:42,166 --> 00:12:45,000

I'd always had it in my mind
to one day play in an orchestra.

139

00:12:45,916 --> 00:12:47,000

Probably still could.

140

00:12:47,083 --> 00:12:49,041

Mmm. As luck would have it,

141

00:12:49,125 --> 00:12:52,125

I've also always suffered
from a terrible case of stage fright,

142

00:12:52,875 --> 00:12:55,375

which does not bode well
for an aspiring performer.

143

00:12:56,958 --> 00:12:58,166

And then I got pregnant.

144

00:13:01,208 --> 00:13:02,083

You have a child?

145

00:13:04,958 --> 00:13:06,250

We did, yes.

146

00:13:14,166 --> 00:13:15,291

Are you hungry?

147

00:13:16,291 --> 00:13:17,791

We have a leftover casserole.

148

00:13:19,708 --> 00:13:20,875

[Mrs. Wheatley] Beth, dear.

149

00:13:24,166 --> 00:13:26,250

Are you sure
you don't want me to go with you?

150

00:13:27,375 --> 00:13:28,208

[Beth] I'm okay.

151

00:13:29,583 --> 00:13:30,416

Okay.

152

00:13:37,291 --> 00:13:39,291

[uplifting orchestral music playing]

153

00:14:10,708 --> 00:14:12,708

[students chattering indistinctly]

154

00:14:15,583 --> 00:14:17,666

[girl 1] You should have seen that coach.

155

00:14:18,541 --> 00:14:20,916

Have you seen her hair and her shoes?

156

00:14:21,000 --> 00:14:22,000

[girls laugh]

157

00:14:24,333 --> 00:14:25,333

[girl 2] Don't know.

158

00:14:25,416 --> 00:14:27,000

[girls continue indistinctly]

159

00:14:28,125 --> 00:14:29,000

[girl 2] So drab.

160

00:14:29,083 --> 00:14:31,583

And brown laces

with brown shoes? I mean... [scoffs]

161

00:14:32,125 --> 00:14:34,416

[teacher] Quiet, please! Let's start.

162

00:14:34,500 --> 00:14:37,666

This week, we will begin to study

the binomial theorem.

163

00:14:38,458 --> 00:14:40,375

Does anyone know what a binomial is?

164

00:14:41,875 --> 00:14:42,708

Anyone?

165

00:14:43,250 --> 00:14:44,416

[student clears throat]

166

00:14:49,875 --> 00:14:50,916

[teacher] Yes?

167

00:14:51,000 --> 00:14:53,750

- A binomial is a mathematical...

- Will you stand up, please?

168

00:15:00,083 --> 00:15:03,833

A binomial is a mathematical expression
containing two terms.

169

00:15:05,083 --> 00:15:06,958

X plus Y is a binomial.

170

00:15:08,208 --> 00:15:09,125

Very good.

171

00:15:09,208 --> 00:15:11,291

Let's turn to page 24.

172

00:15:11,375 --> 00:15:13,625

[whispering] Great, another fucking brain.

173

00:15:13,708 --> 00:15:14,833

[girl chuckles]

174

00:15:17,041 --> 00:15:19,041

[indistinct chatter]

175

00:15:19,666 --> 00:15:21,583

[girl] That's a good idea. Oh, my god.

176

00:15:23,166 --> 00:15:24,625

[tittering]

177

00:15:48,125 --> 00:15:49,166

[tray slams]

178

00:16:03,666 --> 00:16:04,875

[clears throat]

179

00:16:08,583 --> 00:16:10,416

- Is there a school chess club?

- What?

180

00:16:11,166 --> 00:16:14,208

Is there a chess club here at the school?

181

00:16:14,291 --> 00:16:15,291

Oh.

182

00:16:16,083 --> 00:16:16,916

Um...

183

00:16:17,833 --> 00:16:19,625

I don't think they have
anything like that.

184

00:16:27,666 --> 00:16:30,083

But a lot of the girls
belong to social clubs.

185

00:16:30,166 --> 00:16:31,458

Social clubs?

186

00:16:32,916 --> 00:16:34,375

There's the Apple Pi club,

187

00:16:35,166 --> 00:16:36,750

and the Sub Debs,

188

00:16:37,333 --> 00:16:40,166

- and Girls Around Town.

- Apple pie? They bake pies?

189

00:16:40,250 --> 00:16:43,833

No, Apple Pi.

You know, like the Greek letter.

190

00:16:45,250 --> 00:16:46,083

Oh.

191

00:16:47,000 --> 00:16:48,125

Are you in one of those?

192

00:16:49,833 --> 00:16:51,708

You have to be invited...

193

00:16:52,458 --> 00:16:53,291

To join.

194

00:16:59,750 --> 00:17:02,125

You could try out for junior cheerleader.

195

00:17:04,083 --> 00:17:06,083

[vacuum cleaner whirring loudly]

196

00:17:11,791 --> 00:17:13,750

[Mrs. Wheatley yelps] Shit.

197

00:17:13,833 --> 00:17:15,250

[footsteps ascend rapidly]

198

00:17:16,333 --> 00:17:17,375

[door opens]

199

00:17:18,208 --> 00:17:20,083

- [Allston sighs]

- [door closes]

200

00:17:21,541 --> 00:17:23,166

[Allston clears throat]

201

00:17:23,750 --> 00:17:24,958

Hello, Mr. Wheatley.

202

00:17:26,541 --> 00:17:27,375

Oh.

203

00:17:28,291 --> 00:17:30,208

Hi... Beth.

204

00:17:30,291 --> 00:17:33,458

[Mrs. Wheatley] You're home!

I didn't expect you for another week.

205

00:17:33,541 --> 00:17:34,666

I'm only here for the night.

206

00:17:34,750 --> 00:17:37,416

They, uh...

they just gave me the whole Southwest, so...

207

00:17:39,125 --> 00:17:41,333

- [kiss]

- [Mrs. Wheatley] And a raise, I hope?

208

00:17:41,416 --> 00:17:42,625

[Allston] Don't start.

209

00:17:43,291 --> 00:17:45,708

Yes, why don't you freshen up,
and I will start dinner?

210

00:17:45,791 --> 00:17:46,875

I'll take a beer.

211

00:17:48,041 --> 00:17:49,125

If there's any left.

212

00:17:53,333 --> 00:17:55,083

Doesn't she ever change clothes?

213

00:18:03,458 --> 00:18:05,500

I don't think he likes me very much.

214

00:18:05,583 --> 00:18:06,833

Quite the opposite.

215

00:18:07,625 --> 00:18:09,708

Adopting you was actually his idea.

216

00:18:11,583 --> 00:18:13,875

He's right, though.

You could use some new clothes.

217

00:18:15,500 --> 00:18:17,750

- [bus screeches to stop]

- [doors squeak open]

218

00:18:24,083 --> 00:18:25,041

[bus driver] Sorry.

219

00:18:43,541 --> 00:18:44,916

[indistinct conversations]

220

00:18:46,083 --> 00:18:48,166

[cheerful music playing over speakers]

221

00:18:56,583 --> 00:18:57,666

[Mrs. Wheatley] Aha!

222

00:19:14,583 --> 00:19:15,666

They have chess sets.

223

00:19:18,083 --> 00:19:19,750

We can stop on the way back down.

224

00:19:36,875 --> 00:19:37,875

[Mrs. Wheatley] Oh...

225

00:19:40,166 --> 00:19:41,416

Let's find you a blouse.

226

00:19:45,166 --> 00:19:47,208

Well, don't you look lovely?

227

00:19:48,583 --> 00:19:50,291

[Beth] The shoes are a little big.

228

00:19:51,291 --> 00:19:53,458

Room to grow, dear.

Room to grow.

229

00:19:53,541 --> 00:19:54,708

Let's look for coats.

230

00:19:58,291 --> 00:20:00,083

Mmm. Lovely.

231

00:20:01,458 --> 00:20:04,333

Step over here

so I can see the fabric in the light.

232

00:20:08,916 --> 00:20:11,041

Yes, this will do nicely.

233

00:20:16,750 --> 00:20:18,625

Aren't we gonna look at the chess sets?

234

00:20:19,833 --> 00:20:21,208

Another time, dear.

235

00:20:21,291 --> 00:20:23,666

It's getting late, and I'm getting hungry.

236

00:20:24,791 --> 00:20:27,000

- But...

- I'll give you 40 cents a week allowance.

237

00:20:28,333 --> 00:20:30,208

Save up and buy yourself a chess set.

238

00:20:31,000 --> 00:20:33,166

Saving is a good lesson
for a girl to learn.

239

00:20:41,833 --> 00:20:43,833

[students chatting indistinctly]

240

00:20:48,500 --> 00:20:49,625

[girls titter]

241

00:20:52,208 --> 00:20:53,833

[tittering]

242

00:21:01,125 --> 00:21:03,125

[girls laugh tauntingly]

243

00:21:03,916 --> 00:21:06,000

- [thud]

- [girls giggle]

244

00:21:07,708 --> 00:21:08,875

[girl] So bad!

245

00:21:11,250 --> 00:21:12,541

[items clatter in locker]

246

00:21:18,666 --> 00:21:19,500

[clears throat]

247

00:21:24,250 --> 00:21:26,833

- Do you have any books on chess?

- [librarian] Chess?

248

00:21:26,916 --> 00:21:28,375

Mm. I don't know for sure.

249

00:21:29,208 --> 00:21:31,583

If we have anything,

it'll be on the last row.

250

00:21:32,416 --> 00:21:33,458

Thank you.

251

00:21:33,541 --> 00:21:36,041

There might be an old biography
on José Capablanca.

252

00:21:39,208 --> 00:21:41,541

- Who?

- José Capablanca.

253

00:21:42,333 --> 00:21:45,625

He was a Grandmaster.

It was quite a long time ago now.

254

00:21:47,833 --> 00:21:49,083

What's a Grandmaster?

255

00:21:49,166 --> 00:21:50,541

A genius player.

256

00:22:07,166 --> 00:22:10,500

[kissing, heavy breathing]

257

00:22:28,958 --> 00:22:30,958

[girl breathing heavily]

258

00:22:36,625 --> 00:22:37,583

[girl] Okay, yeah.

259

00:22:38,250 --> 00:22:39,458

I see you, Harmon.

260

00:22:40,458 --> 00:22:41,625

It's those shoes.

261

00:22:42,458 --> 00:22:44,708

Did you get them
at Ben Snyder's or something?

262

00:22:46,291 --> 00:22:48,916

I wouldn't be caught dead
in Ben Snyder's.

263

00:22:49,000 --> 00:22:50,000

[boy chuckles]

264

00:22:56,041 --> 00:22:56,875

[door closes]

265

00:22:57,625 --> 00:22:59,875

- [Mrs. Wheatley] How was school?

- Fun.

266

00:23:00,708 --> 00:23:01,708

Where are you going?

267

00:23:03,750 --> 00:23:05,791

I'm gonna replay

some of the matches in this book.

268

00:23:06,666 --> 00:23:08,833

- But you don't have a board.

- In my head.

269

00:23:09,666 --> 00:23:11,166

Good mental exercise.

270

00:23:13,000 --> 00:23:15,958

Well, some physical exercise

could do you good.

271

00:23:16,041 --> 00:23:20,125

Will you run over to Bradley's for me,

272

00:23:20,208 --> 00:23:22,500

and pick up three packs of Chesterfields?

273

00:23:23,375 --> 00:23:24,208

Yes, ma'am.

274

00:23:30,625 --> 00:23:31,750

I'll write you a note.

275

00:23:32,750 --> 00:23:35,583

You look a bit youthful
for smoking, yourself. [chuckles]

276

00:23:36,250 --> 00:23:37,416

[rain pattering]

277

00:23:50,916 --> 00:23:51,750

[bell dings]

278

00:23:58,166 --> 00:23:59,000

[door closes]

279

00:23:59,083 --> 00:24:01,541

[sports announcer
speaking indistinctly on radio]

280

00:24:08,750 --> 00:24:09,750

[Beth clears throat]

281

00:24:37,458 --> 00:24:40,000

[pensive music playing]

282

00:25:11,125 --> 00:25:12,208

[Bradley] Young lady!

283

00:25:13,375 --> 00:25:16,000

You have to buy the magazine
or put it back.

284

00:25:17,250 --> 00:25:19,583

- Can't I just...

- You wanna read? Read the sign.

285

00:25:37,000 --> 00:25:40,458

[Bradley] No, it's all the same oil,
it's just three different sizes.

286

00:25:46,083 --> 00:25:48,208

If you don't use a lot,
you wanna buy that one,

287

00:25:48,291 --> 00:25:51,500

because it does go bad,
but this is the best value for the money.

288

00:25:52,000 --> 00:25:54,750

If you can't decide, get the middle one.
It's not rocket science.

289

00:26:00,000 --> 00:26:02,000

[uplifting orchestral music playing]

290

00:26:05,791 --> 00:26:06,916

[utensils clattering]

291

00:26:12,083 --> 00:26:13,500

[Mrs. Wheatley] Thank you, dear.

292

00:26:19,166 --> 00:26:22,291

Well, that's the last
of the instant coffee.

293

00:26:23,208 --> 00:26:26,750

I'd go shopping, but I just don't know
where all the money goes.

294

00:26:27,291 --> 00:26:29,125

I've bought little more
than trifles this month,

295

00:26:29,208 --> 00:26:32,000

and yet I have seven dollars left
where I should have at least 20.

296

00:26:32,083 --> 00:26:33,000

Seven dollars?

297

00:26:34,041 --> 00:26:36,708

- Is that enough?

- To last till the end of October?

298

00:26:36,791 --> 00:26:37,625

I think not.

299

00:26:38,125 --> 00:26:40,625

It'll scarcely buy

chicken necks and porridge.

300

00:26:40,708 --> 00:26:43,791

- Doesn't Methuen send you a check?

- For 80 dollars.

301

00:26:43,875 --> 00:26:45,625

And only for the first year.

302

00:26:45,708 --> 00:26:48,375

As if the expense of keeping you

doesn't exhaust it.

303

00:26:51,750 --> 00:26:53,625

I'm afraid you'll have to go
without an allowance

304

00:26:53,708 --> 00:26:54,916

until Allston returns.

305

00:26:56,625 --> 00:26:57,750

Which is when?

306

00:26:57,833 --> 00:26:58,750

Who can say?

307

00:27:00,250 --> 00:27:03,083

It seems he's been
unavoidably detained out West.

308

00:27:10,500 --> 00:27:12,000

Maybe I could get a job.

309

00:27:12,083 --> 00:27:13,000

A job?

310

00:27:13,083 --> 00:27:16,166

I could work in a store,
or wash dishes somewhere.

311

00:27:16,250 --> 00:27:17,375

Wash dishes?

312

00:27:17,458 --> 00:27:18,875

I'd like to make some money.

313

00:27:19,458 --> 00:27:21,708

Oh, to buy clothes with, I suspect.

314

00:27:23,916 --> 00:27:25,291

To enter chess tournaments.

315

00:27:26,583 --> 00:27:27,458

There's one here.

316

00:27:28,833 --> 00:27:30,958

But it's five dollars
for the entrance fee.

317

00:27:32,041 --> 00:27:34,416

The only girls of your age
who work are colored.

318

00:27:38,291 --> 00:27:39,500

[Beth] <i>Dear Mr. Shaibel,</i>

319

00:27:40,166 --> 00:27:44,333

<i>there's a chess tournament here
with a first prize of 100 dollars,</i>

320

00:27:44,416 --> 00:27:46,375

<i>and a second prize of 50 dollars.</i>

321

00:27:47,333 --> 00:27:48,791

<i>There are other prizes, too.</i>

322

00:27:48,875 --> 00:27:50,208

[thoughtful music playing]

323

00:27:51,916 --> 00:27:55,041

*<i>It costs five dollars to enter,
and I don't have that.</i>*

324

00:27:59,958 --> 00:28:01,250

<i>If you'll send me the money,</i>

325

00:28:01,333 --> 00:28:04,750

*<i>I will pay you back ten dollars
if I win any prize at all.</i>*

326

00:28:08,625 --> 00:28:09,875

[Alma coughing]

327

00:28:12,708 --> 00:28:14,416

[Alma] Beth, is that you?

328

00:28:18,875 --> 00:28:21,083

[chuckles] I seem to have caught a cold.

329

00:28:21,791 --> 00:28:22,625

Another one?

330

00:28:22,708 --> 00:28:25,250

Mm. I have a proclivity for viruses, or...

331

00:28:26,250 --> 00:28:27,625

They for me. [chuckles]

332

00:28:28,458 --> 00:28:30,416

Uh... here.

333

00:28:31,750 --> 00:28:33,916

I need you

to fill this prescription for me.

334

00:28:35,125 --> 00:28:36,291

And while you're there...

335

00:28:37,750 --> 00:28:39,416

Buy yourself a Coke. [chuckles]

336

00:28:39,916 --> 00:28:41,541

[TV playing indistinctly]

337

00:28:42,708 --> 00:28:44,041

- Thanks.

- [chuckles]

338

00:28:44,916 --> 00:28:47,333

[sports announcer speaks indistinctly
over radio]

339

00:28:48,333 --> 00:28:49,208

Be just a minute.

340

00:28:59,708 --> 00:29:01,708

[pills clattering]

341

00:29:04,333 --> 00:29:05,291

[Bradley] Here you go.

342

00:29:12,791 --> 00:29:14,958

[Mrs. Wheatley] *<i>My tranquility medicine.</i>*
[chuckles]

343

00:29:17,666 --> 00:29:21,791

Dr. Talbott has decided

I need more tranquility. Much more.

344

00:29:23,208 --> 00:29:25,833

- Will you get me a glass of water, dear?

- Yes, ma'am.

345

00:29:27,125 --> 00:29:29,500

Why do they

only fill these bottles half full?

346

00:29:31,083 --> 00:29:32,500

[pensive music playing]

347

00:29:40,000 --> 00:29:41,000

[sighs]

348

00:29:59,541 --> 00:30:00,875

[fabric ripping]

349

00:30:04,583 --> 00:30:05,416

[sighs]

350

00:30:21,083 --> 00:30:23,083

[music intensifies]

351

00:30:37,875 --> 00:30:39,583

- [thud]

- Excuse you, Harmon.

352

00:30:39,666 --> 00:30:40,666

Fuck you, Margaret.

353

00:30:41,416 --> 00:30:42,458

[Mrs. Wheatley] <i>Beth,</i>

354

00:30:42,541 --> 00:30:43,625

this came for you.

355

00:30:54,833 --> 00:30:55,666

Thank you.

356

00:30:57,458 --> 00:30:58,291

Mm-hm.

357

00:31:00,500 --> 00:31:02,500

[footsteps receding]

358

00:31:31,708 --> 00:31:33,166

Tell Alma to go easy.

359

00:31:33,791 --> 00:31:35,500

She's only got three refills left.

360

00:31:39,708 --> 00:31:42,791

<i>For a trip the White House
again calls non-political...</i>

361

00:31:43,375 --> 00:31:45,708

- [Alma] You're home late.

<i>- ...Political-looking escort</i>

362

00:31:45,791 --> 00:31:48,375

<i>of 17 Democratic congressmen,
and Mrs. Kennedy...</i>

363

00:31:48,458 --> 00:31:51,208

- I was out walking.

- <i>...who was featured at the arrival...</i>

364

00:31:51,291 --> 00:31:53,041

Okay. Good night.

365

00:31:54,166 --> 00:31:55,000

Good night.

366

00:31:55,083 --> 00:31:56,791

<i>...turning on the smile that hasn't been...</i>

367

00:31:56,875 --> 00:31:58,041

[Beth] Oh, um...

368

00:31:59,625 --> 00:32:03,250

I'm gonna be late again tomorrow.

I have something after school.

369

00:32:04,208 --> 00:32:05,375

Have you joined a club?

370

00:32:05,875 --> 00:32:08,375

I'm playing in that chess tournament
I told you about.

371

00:32:10,500 --> 00:32:13,000

I won't argue
that broadening one's social life

372

00:32:13,083 --> 00:32:15,125

is important for a girl your age.

373

00:32:15,208 --> 00:32:17,958

I just wonder whether a dance class
or a girls' club

374

00:32:18,041 --> 00:32:20,166

wouldn't be better for making friendships.

375

00:32:21,041 --> 00:32:22,875

I hear Fairfield has pretty good ones.

376

00:32:23,833 --> 00:32:26,750

When you were my age,
how did you broaden your social life?

377

00:32:28,625 --> 00:32:30,291

The tournament goes until Sunday.

378

00:32:33,750 --> 00:32:35,375

[pensive music playing]

379

00:32:57,208 --> 00:32:59,125

- Do you have a clock?

- No.

380

00:32:59,208 --> 00:33:02,333

We have a clock-sharing system.

If your opponent doesn't have one,

381

00:33:02,416 --> 00:33:03,958

come back, and we'll loan you one.

382

00:33:04,041 --> 00:33:06,208

Play starts in 20 minutes.

383

00:33:06,291 --> 00:33:07,500

What's your rating?

384

00:33:08,250 --> 00:33:09,375

I don't have a rating.

385

00:33:10,000 --> 00:33:12,875

- Have you played in a tournament before?

- No.

386

00:33:15,791 --> 00:33:18,333

- Are you sure you wanna do this?

- I'm sure.

387

00:33:18,416 --> 00:33:20,208

We don't have a women's section.

388

00:33:22,125 --> 00:33:24,166

- I'll put you in beginners.

- I'm not a beginner.

389

00:33:24,250 --> 00:33:25,250

[man] Doesn't matter.

390

00:33:26,000 --> 00:33:27,416

If you're an unrated player,

391

00:33:27,500 --> 00:33:29,833

you go in beginners

with the people under 1600.

392

00:33:32,250 --> 00:33:34,083

- What's the prize for beginners?

- Twenty.

393

00:33:34,166 --> 00:33:36,875

- What about the other section?

- First prize in the Open is 100.

394

00:33:36,958 --> 00:33:39,208

Is it against any rule

for me to be in the Open?

395

00:33:39,291 --> 00:33:41,750

- Not exactly.

- Put me in the Open.

396

00:33:42,500 --> 00:33:45,375

There are three guys in there
with ratings over 1800.

397

00:33:45,875 --> 00:33:47,041

And Beltik may show up.

398

00:33:47,625 --> 00:33:48,833

They will eat you alive.

399

00:33:54,458 --> 00:33:55,291

"Harmon."

400

00:33:55,833 --> 00:33:58,458

- [exciting music playing]

- [indistinct conversations]

401

00:34:44,875 --> 00:34:46,875

[music slows pensively]

402

00:34:48,000 --> 00:34:49,666

Are the matches played at random?

403

00:34:50,166 --> 00:34:51,041

Oh, not at all.

404

00:34:52,583 --> 00:34:53,416

Uh...

405

00:34:54,500 --> 00:34:57,625

Uh, they arrange it by ratings
on the first round.

406

00:34:59,125 --> 00:35:02,375

After that, winners play winners,
and losers, losers.

407

00:35:07,083 --> 00:35:07,916

Good luck.

408

00:35:09,916 --> 00:35:10,750

You, too.

409

00:35:21,916 --> 00:35:22,875

[man] Hi.

410

00:35:28,458 --> 00:35:29,625

Hi.

411

00:35:31,125 --> 00:35:33,000

- Annette Packer.

- Beth Harmon.

412

00:35:35,708 --> 00:35:37,833

- I don't understand about chess clocks.

- Oh.

413

00:35:38,500 --> 00:35:39,333

Um...

414

00:35:39,750 --> 00:35:42,041

The clock faced nearest you
measures your playing time.

415

00:35:42,125 --> 00:35:44,000

Each player has 90 minutes.

416

00:35:44,083 --> 00:35:46,625

After you move,
you press that button on top,

417

00:35:46,708 --> 00:35:48,750

and it stops your clock
and starts your opponent's.

418

00:35:48,833 --> 00:35:52,125

And you see that little red flag
over the number 12 on each clock?

419

00:35:52,208 --> 00:35:54,250

Yours will fall down
when the 90 minutes is up,

420

00:35:54,333 --> 00:35:55,708

and if it does that...

421

00:35:57,375 --> 00:35:58,208

You've lost.

422

00:35:58,291 --> 00:35:59,500

And, um...

423

00:36:01,083 --> 00:36:02,333

For recording your moves.

424

00:36:02,416 --> 00:36:03,416

Right. [chuckles]

425

00:36:09,791 --> 00:36:12,791

- You can start your clocks now.

- You can start my clock now.

426

00:36:13,500 --> 00:36:15,041

Why do they put the girls together?

427

00:36:15,125 --> 00:36:16,333

They're not supposed to...

428

00:36:17,000 --> 00:36:19,375

But, if you win, they move you up.

429

00:36:20,708 --> 00:36:22,375

- [button clicks]

- [clock ticking]

430

00:36:23,166 --> 00:36:25,583

- [Annette] Oh, it's touch move.

- [Beth] What's that?

431

00:36:25,666 --> 00:36:28,250

Don't touch a piece

unless you're going to move it.

432

00:36:28,333 --> 00:36:30,375

If you touch it,

you have to move it somewhere.

433

00:36:30,458 --> 00:36:31,375

Okay.

434

00:36:36,416 --> 00:36:38,000

Don't you push your button now?

435

00:36:39,583 --> 00:36:40,416

Sorry.

436

00:36:44,916 --> 00:36:46,000

What I do with this?

437

00:36:47,583 --> 00:36:48,791

Is your match over?

438

00:36:48,875 --> 00:36:50,000

Yes, I won.

439

00:36:51,791 --> 00:36:52,708

That was fast.

440

00:36:54,083 --> 00:36:55,250

What do I do with this?

441

00:36:55,875 --> 00:36:58,000

Circle your name

and drop it in the basket.

442

00:37:21,875 --> 00:37:23,875

[gentle orchestral music playing]

443

00:38:09,208 --> 00:38:10,708

[chess clock ticking]

444

00:38:12,833 --> 00:38:15,500

- [Beth] Who are they?

- [man whispering] Beltik and Cullen.

445

00:38:15,583 --> 00:38:18,500

- Beltik's the State Champion.

- [in normal voice] Which is which?

446

00:38:22,125 --> 00:38:25,125

- [whispering] Beltik's the younger one.

- Is he a Grandmaster?

447

00:38:25,208 --> 00:38:26,208

He's working on it.

448

00:38:26,291 --> 00:38:27,333

Takes time.

449

00:38:28,250 --> 00:38:30,416

You have to play Grandmasters
to become one.

450

00:38:30,500 --> 00:38:32,625

- [in normal voice] How much time?
- Do you mind?

451

00:38:39,791 --> 00:38:40,625

Draw?

452

00:38:43,916 --> 00:38:45,083

Hell, no.

453

00:38:53,500 --> 00:38:54,708

Yes!

454

00:38:54,791 --> 00:38:56,125

[applauding]

455

00:39:05,291 --> 00:39:06,666

[pensive music playing]

456

00:39:33,166 --> 00:39:34,375

That's check.

457

00:39:35,500 --> 00:39:36,625

I know what it is.

458

00:39:47,083 --> 00:39:48,041

[man clears throat]

459

00:39:49,166 --> 00:39:50,166

Draw?

460

00:39:58,375 --> 00:39:59,208

You got me.

461

00:39:59,291 --> 00:40:00,250

I resign.

462

00:40:05,000 --> 00:40:06,083

[water running]

463

00:40:27,333 --> 00:40:28,166

Dinner break.

464

00:40:28,708 --> 00:40:31,625

Next round is at six o'clock.

Then, three more tomorrow.

465

00:40:32,250 --> 00:40:33,791

Final round is Sunday, 11 a.m.

466

00:40:39,791 --> 00:40:40,708

[man] Harmon?

467

00:40:42,125 --> 00:40:42,958

Keep it up, kid.

468

00:40:48,000 --> 00:40:50,125

[man 1 on TV]

<i>I think he knew you killed his brother.</i>

469

00:40:50,500 --> 00:40:52,916

<i>- You're in trouble...</i>

- Yours is in the oven.

470

00:40:53,000 --> 00:40:54,500

[man 2] <i>Someone's always crowding me.</i>

471

00:40:54,583 --> 00:40:57,375

- How did you do at your thing?

- I won four games.

472

00:40:58,625 --> 00:41:00,416

That's nice, good for you.

473

00:41:10,750 --> 00:41:11,666

Yes, Harmon?

474

00:41:11,750 --> 00:41:14,583

You said there were three people here
with a rating higher than 1800.

475

00:41:14,666 --> 00:41:17,458

- That's right.

- I thought I'd be playing one of them.

476

00:41:17,541 --> 00:41:18,875

Them's the breaks, Harmon.

477

00:41:18,958 --> 00:41:20,166

Consider yourself lucky.

478

00:41:20,708 --> 00:41:22,083

I want to play the best.

479

00:41:22,166 --> 00:41:24,541

You have to get a rating
before that happens.

480

00:41:24,625 --> 00:41:25,916

How do I get a rating?

481

00:41:26,000 --> 00:41:29,250

You play 30 games in USCF tournaments,
then wait four months.

482

00:41:29,916 --> 00:41:32,250

- That's how you get a rating.

- That's too long.

483

00:41:33,250 --> 00:41:34,166

I want to play Beltik.

484

00:41:34,250 --> 00:41:37,333

If you win your next three games,
and if Beltik does the same.

485

00:41:37,416 --> 00:41:38,375

I will win them.

486

00:41:38,458 --> 00:41:42,250

No, Harmon, you won't. You have to play
Sizemore or Goldman first.

487

00:41:42,333 --> 00:41:43,625

You can't beat either of them.

488

00:41:43,708 --> 00:41:46,125

Sizemore and Goldman? Shit.

489

00:41:46,208 --> 00:41:48,750

Townes, the guy you're playing now,
is underrated.

490

00:41:48,833 --> 00:41:51,250

He plays first board
for the university team,

491

00:41:51,333 --> 00:41:53,541

and last month
he came in fifth in Las Vegas.

492

00:41:55,041 --> 00:41:56,583

[snickers]

493

00:42:02,166 --> 00:42:03,166

What's in Las Vegas?

494

00:42:03,708 --> 00:42:04,833

The US Open.

495

00:42:06,958 --> 00:42:08,958

[pensive music playing]

496

00:42:22,500 --> 00:42:24,333

Looks like we've been stalking each other.

497

00:42:40,125 --> 00:42:41,333

You want to start my clock?

498

00:42:42,625 --> 00:42:43,500

[chuckles softly]

499

00:42:47,500 --> 00:42:48,333

Sorry.

500

00:42:49,291 --> 00:42:51,291

- [button clicks]

- [clock ticking]

501

00:43:13,541 --> 00:43:17,791

- [chess pieces clattering]

- [chess clock button clicking]

502

00:44:25,041 --> 00:44:27,583

Jesus Christ, Harmon,
you're humiliating my rook.

503

00:44:28,250 --> 00:44:30,041

He won't have to suffer much longer.

504

00:44:57,000 --> 00:44:57,833

Damn.

505

00:45:04,625 --> 00:45:05,458

How old are you?

506

00:45:06,375 --> 00:45:07,250

Never mind.

507

00:45:07,333 --> 00:45:10,583

- Don't answer that, it'll just depress me.

- I'm 36.

508

00:45:10,666 --> 00:45:11,583

[chuckles]

509

00:45:12,166 --> 00:45:13,000

Thank you.

510

00:45:14,708 --> 00:45:17,250

You really are something, you know that?

511

00:45:22,208 --> 00:45:23,833

Shall we turn in our sheets?

512

00:45:26,250 --> 00:45:28,416

Um... you go ahead.

513

00:45:28,500 --> 00:45:31,291

I'm gonna study the board a little longer.

514

00:45:32,416 --> 00:45:33,250

Wow.

515

00:45:42,500 --> 00:45:43,333

[groans softly]

516

00:45:49,583 --> 00:45:50,833

[whispering] Damn it!

517

00:45:55,916 --> 00:45:57,833

[cries out] Damn!

518

00:46:01,208 --> 00:46:02,291

[bathroom door opens]

519

00:46:03,250 --> 00:46:06,666

[Annette] I just wanted to tell you
that I've never seen anything like...

520

00:46:07,291 --> 00:46:08,333

Um...

521

00:46:08,416 --> 00:46:09,958

Do... Do you have something?

522

00:46:11,250 --> 00:46:12,500

It's my first time.

523

00:46:15,125 --> 00:46:15,958

Um...

524

00:46:19,333 --> 00:46:20,750

Do you know how to use it?

525

00:46:22,958 --> 00:46:23,791

I think so.

526

00:46:24,750 --> 00:46:26,583

I'll wait, just in case.

527

00:46:28,041 --> 00:46:30,041

[bathroom stall locks]

528

00:46:32,000 --> 00:46:33,083

[Annette] You're, uh...

529

00:46:33,166 --> 00:46:35,083

You're moving right on up, aren't you?

530

00:46:36,333 --> 00:46:37,166

So far.

531

00:46:40,333 --> 00:46:42,208

Sizemore's pretty tough, though.

532

00:46:42,291 --> 00:46:43,291

[Beth] Uh-huh.

533

00:46:49,083 --> 00:46:50,041

[lock slides open]

534

00:46:57,666 --> 00:46:58,791

[water running]

535

00:47:02,125 --> 00:47:02,958

Thank you.

536

00:47:04,666 --> 00:47:05,541

I didn't...

537

00:47:06,916 --> 00:47:07,791

I just thought...

538

00:47:10,958 --> 00:47:11,958

Thought I was sick.

539

00:47:12,833 --> 00:47:15,208

My first time, I threw up.

540

00:47:16,625 --> 00:47:18,625

Well, I still do sometimes.

541

00:47:20,208 --> 00:47:21,791

Actually, every time.

542

00:47:24,291 --> 00:47:26,833

Well, I have to get back.

543

00:47:26,916 --> 00:47:27,750

Oh, sure.

544

00:47:29,875 --> 00:47:30,791

Hey, Beth.

545

00:47:32,125 --> 00:47:33,416

Beat him, will you?

546

00:47:34,625 --> 00:47:35,458

I'll try.

547

00:47:46,791 --> 00:47:49,083

[Sizemore clears throat] Ready?

548

00:47:49,791 --> 00:47:52,250

- [chess piece clatters]

- [chess clock ticking]

549

00:47:57,500 --> 00:47:59,333

[pensive music playing]

550

00:48:08,000 --> 00:48:08,958

[door closes]

551

00:48:09,833 --> 00:48:12,708

[gentle music playing on piano]

552

00:48:19,250 --> 00:48:20,791

I've started menstruating.

553

00:48:25,333 --> 00:48:27,250

Bit late in the day for you, isn't it?

554

00:48:31,666 --> 00:48:32,791

I'll need pads...

555

00:48:34,166 --> 00:48:35,416

Something.

556

00:48:35,500 --> 00:48:38,125

Just go up to my room,
to the top drawer of my chiffonier,

557

00:48:38,208 --> 00:48:39,583

and take what you require.

558

00:48:43,041 --> 00:48:43,916

Oh, and, dear...

559

00:48:45,458 --> 00:48:49,416

Be a good girl and get that little bottle
of green pills by my bedside.

560

00:48:51,875 --> 00:48:54,291

My tranquility needs to be refurbished.

561

00:48:59,666 --> 00:49:01,666

[muffled busy signal through phone]

562

00:49:37,458 --> 00:49:38,291

Thank you.

563

00:49:42,541 --> 00:49:43,500

Is something wrong?

564

00:49:45,791 --> 00:49:46,625

Wrong?

565

00:49:47,208 --> 00:49:48,166

[sarcastic chuckle]

566

00:49:48,958 --> 00:49:50,375

I'm not Aristotle, but yes,

567

00:49:50,458 --> 00:49:52,708

I think something

could be construed as wrong.

568

00:49:55,208 --> 00:49:57,333

I've received a message from Mr. Wheatley.

569

00:49:59,708 --> 00:50:00,541

What did he say?

570

00:50:02,833 --> 00:50:04,375

It seems Mr. Wheatley...

571

00:50:05,458 --> 00:50:08,333

Has been indefinitely detained
in the Southwest.

572

00:50:11,375 --> 00:50:13,333

Somewhere between Denver and Butte.

573

00:50:16,958 --> 00:50:20,416

Though, Aristotle was a moral philosopher,
and I'm just a housewife.

574

00:50:22,541 --> 00:50:23,666

Or I was a housewife.

575

00:50:28,208 --> 00:50:30,916

Can they send me back
if you no longer have a husband?

576

00:50:35,541 --> 00:50:36,875

You put it concretely.

577

00:50:43,333 --> 00:50:44,875

They won't if we lie about it.

578

00:50:48,166 --> 00:50:49,166

That's easy enough.

579

00:50:56,125 --> 00:50:58,458

You're a good soul, Beth.

[sniffles]

580

00:51:01,791 --> 00:51:04,416

Why don't you heat up the chicken dinners
in the freezer, okay?

581

00:51:06,208 --> 00:51:07,666

Set the oven at 400.

582

00:51:10,458 --> 00:51:12,375

I don't know how to put these on.

583

00:51:21,041 --> 00:51:22,958

Though I'm no longer a wife,

584

00:51:23,875 --> 00:51:25,583

except by a legal fiction...

585

00:51:30,541 --> 00:51:32,708

I believe I can learn to be a mother.

586

00:51:37,875 --> 00:51:38,791

I'll show you how...

587

00:51:40,583 --> 00:51:42,583

If you promise to never go near Denver.

588

00:51:46,750 --> 00:51:48,750

[clock ticking]

589

00:52:14,833 --> 00:52:15,750

[young Beth] *<i>Mama?</i>*

590

00:52:22,708 --> 00:52:23,958

[Alice] *<i>Close your eyes.</i>*

591

00:52:44,750 --> 00:52:46,750

[chess clock ticking]

592

00:52:59,958 --> 00:53:01,458

[door opens]

593

00:53:03,833 --> 00:53:04,875

[door closes]

594

00:53:05,666 --> 00:53:07,000

[man] Sorry.

595

00:53:08,083 --> 00:53:09,458

Extra cup of coffee.

596

00:53:09,541 --> 00:53:10,833

[slurps]

597

00:53:13,083 --> 00:53:14,750

Harry Beltik. What's your name?

598

00:53:16,083 --> 00:53:17,000

Beth Harmon.

599

00:53:56,541 --> 00:53:57,958

[yawns]

600

00:54:33,083 --> 00:54:34,458

[Beltik yawns]

601

00:54:58,000 --> 00:55:00,583

- [chess pieces clatter]

- [chess clock button clicks]

602

00:55:49,166 --> 00:55:50,250

[Beth] Be right back.

603

00:56:09,916 --> 00:56:12,083

Come on, you ugly piece of trash.

604

00:56:13,666 --> 00:56:14,666

You can beat that...

605

00:56:16,791 --> 00:56:17,750

Fucker.

606

00:56:23,000 --> 00:56:25,000

[sniffs, sighs]

607

00:56:28,250 --> 00:56:30,250

[uneasy music playing]

608

00:56:59,458 --> 00:57:00,958

[tense music playing]

609

00:57:46,875 --> 00:57:48,625

- Son of a bitch.

- I think that's it.

610

00:57:48,708 --> 00:57:51,208

- No, I can get out of this.

- I don't think so.

611

00:57:53,125 --> 00:57:55,250

Maybe, if you'd gotten here on time.

612

00:58:07,000 --> 00:58:07,833

It doesn't work.

613

00:58:07,916 --> 00:58:09,666

- I don't have to use the queen.

- Move.

614

00:58:09,750 --> 00:58:11,833

- I'll just cover it with the bishop and...

- Move.

615

00:58:46,791 --> 00:58:48,000

[Beth] Do you see it now?

616

00:58:49,000 --> 00:58:51,166

Or should we finish this on the board?

617

00:58:56,750 --> 00:58:57,916

Son of a bitch.

618

00:59:01,750 --> 00:59:03,041

[onlookers applauding]

619

00:59:12,041 --> 00:59:15,625

[Alma] *"The world of Kentucky"*

chess was astonished this weekend

620

00:59:15,708 --> 00:59:19,583

by the playing of a local girl

who triumphed over hardened players

621

00:59:19,666 --> 00:59:22,125

to win the Kentucky State Championship."

622

00:59:22,916 --> 00:59:26,666

"Elizabeth Harmon,
a student at Fairfield High,

623

00:59:26,750 --> 00:59:30,291

showed a mastery of the game
unequaled by any female,

624

00:59:30,375 --> 00:59:32,000

according to Harry Beltik,

625

00:59:32,083 --> 00:59:34,416

whom Miss Harmon defeated
for the state crown."

626

00:59:36,458 --> 00:59:37,750

And 100 dollars.

627

00:59:39,416 --> 00:59:40,250

You won this.

628

00:59:40,333 --> 00:59:41,916

I wanna open a bank account.

629

00:59:42,791 --> 00:59:45,791

But you have to go with me,
because I need a parent or a guardian.

630

00:59:45,875 --> 00:59:49,708

I just didn't have the faintest idea
that people made money playing chess.

631

00:59:49,791 --> 00:59:52,250

There's tournaments
with bigger prizes than that.

632

00:59:54,541 --> 00:59:55,416

How much bigger?

633

00:59:57,541 --> 00:59:58,625

Thousands of dollars.

634

00:59:59,708 --> 01:00:00,541

Goodness.

635

01:00:01,500 --> 01:00:03,875

So, can we go
to the bank today after school?

636

01:00:06,000 --> 01:00:06,833

Certainly.

637

01:00:07,750 --> 01:00:09,750

[uplifting music playing]

638

01:01:00,375 --> 01:01:01,250

[clatter]

639

01:01:08,208 --> 01:01:10,458

[Alma]

Beth, will you come down here, please?

640

01:01:14,375 --> 01:01:15,208

What's wrong?

641

01:01:15,958 --> 01:01:18,375

I've been leafing
through this chess magazine.

642

01:01:18,458 --> 01:01:19,916

It's very interesting.

643

01:01:20,750 --> 01:01:23,500

It says here that there is
a tournament in Cincinnati,

644

01:01:23,583 --> 01:01:25,916

and the first prize is 500 dollars.

645

01:01:28,625 --> 01:01:31,708

The Greyhound bus
only requires two hours for the trip.

646

01:01:32,666 --> 01:01:34,208

I took the liberty of calling.

647

01:01:37,541 --> 01:01:38,708

What about school?

648

01:01:39,625 --> 01:01:42,333

I could write a medical excuse
claiming mono.

649

01:01:42,416 --> 01:01:43,333

Mono?

650

01:01:43,416 --> 01:01:44,458

Mononucleosis.

651

01:01:44,541 --> 01:01:48,125

It's quite the thing in your age group,
according to the *Ladies Home Journal*.

652

01:01:51,541 --> 01:01:52,541

Where would we stay?

653

01:01:53,041 --> 01:01:56,666

At the Gibson Hotel, in a double room
for 22 dollars a night.

654

01:01:57,750 --> 01:02:01,041

The Greyhound tickets
would be \$11.80 apiece,

655

01:02:01,583 --> 01:02:03,166

plus the cost of food.

656

01:02:03,250 --> 01:02:04,791

I've calculated all of it.

657

01:02:05,583 --> 01:02:08,125

Even if you only won
second or third prize,

658

01:02:08,833 --> 01:02:10,333

there would still be a profit.

659

01:02:11,875 --> 01:02:12,708

I'll win.

660

01:02:14,416 --> 01:02:16,375

I have every confidence.

661

01:02:17,875 --> 01:02:20,083

[closing theme music playing]

S01EP3: Doubled Pawns

1

00:00:49,666 --> 00:00:50,958

Mom!

2

00:01:42,291 --> 00:01:43,166

Well, now.

3

00:01:45,458 --> 00:01:46,541

Welcome.

4

00:02:11,541 --> 00:02:14,666

- <i>Got a cigarette, doctor?</i>

<i>- Sorry, I...</i>

5

00:02:27,250 --> 00:02:28,916

I asked for a pleasant room,

6

00:02:29,541 --> 00:02:31,208

and I believe they gave me one.

7

00:03:05,333 --> 00:03:07,500

- I'm Beth.

- Harmon. Kentucky State Champion.

8

00:03:07,583 --> 00:03:08,625

Nice to meet you.

9

00:03:09,708 --> 00:03:13,375

There are two games a day,
and the time control is 120/40.

10

00:03:14,916 --> 00:03:17,500

You get two hours to make 40 moves.

11

00:03:21,250 --> 00:03:22,541

Welcome to Cincinnati.

12

00:03:23,166 --> 00:03:24,000

Thank you.

13

00:03:25,708 --> 00:03:29,208

And the rook comes to the seventh rank.

14

00:03:29,916 --> 00:03:30,958

That right there...

15

00:03:32,083 --> 00:03:33,875

That is a bone in the throat.

16

00:03:34,625 --> 00:03:38,125

Guy takes one look at this,
he pays up, 20 bucks.

17

00:03:38,208 --> 00:03:40,458

The Caro-Kann Defense, genuine bummer.

18

00:03:41,125 --> 00:03:42,541

What's wrong with Caro-Kann?

19

00:03:44,291 --> 00:03:46,291

It's all pawns and no hope.

20

00:03:47,916 --> 00:03:51,250

Here, look, I'll show you, all right?

This is Caro-Kann.

21

00:03:51,333 --> 00:03:53,291

I'd take the knight.

22

00:03:56,333 --> 00:03:57,208

You're, um...

23

00:03:59,625 --> 00:04:02,041

Aren't you that kid from Kentucky
who wiped out Harry Beltik?

24

00:04:02,125 --> 00:04:04,875

If you take his knight,
then you double his pawns.

25

00:04:05,791 --> 00:04:08,708

Big deal. Like I said, it's all pawns...

26

00:04:09,500 --> 00:04:10,666

And no hope.

27

00:04:11,291 --> 00:04:13,125

Let me show you how you win with Black.

28

00:04:14,166 --> 00:04:15,583

Watch this.

29

00:04:18,583 --> 00:04:19,791

What does White do here?

30

00:04:20,416 --> 00:04:23,291

- Queen takes pawn.

- Queen takes pawn.

31

00:04:25,375 --> 00:04:27,458

Rook to king eight. Check.

32

00:04:27,541 --> 00:04:28,500

Queen falls.

33

00:04:29,333 --> 00:04:30,916

- That's Mises-Reshevsky.

- Yeah.

34

00:04:31,000 --> 00:04:33,583

- From the '30s.

- Very good. Margate, 1935.

35

00:04:34,541 --> 00:04:37,958

- White played rook to queen one.

- What else has he got?

36

00:04:39,291 --> 00:04:40,416

All right, I gotta go.

37

00:04:41,500 --> 00:04:42,458

Hey, you know what?

38

00:04:43,833 --> 00:04:45,708

Reshevsky, he was playing like that...

39

00:04:46,333 --> 00:04:48,750

Back when he was your age, little girl.

40

00:04:49,958 --> 00:04:50,833

Or even younger.

41

00:04:54,833 --> 00:04:55,666

Are you playing?

42

00:04:56,500 --> 00:04:57,333

Oh, what, here?

43

00:04:59,083 --> 00:05:00,791

Nah, nah.

44

00:05:01,833 --> 00:05:04,208

Just come through, see some old friends.

45

00:05:05,416 --> 00:05:08,333

And plus, playing too many opens...

46

00:05:08,958 --> 00:05:11,083

It can only hurt me, you know what I mean?

47

00:05:12,208 --> 00:05:13,041

Good luck.

48

00:05:21,375 --> 00:05:22,291

- Hello.

- Hello.

49

00:05:22,375 --> 00:05:24,000

Beth Harmon. Where am I playing?

50

00:05:25,250 --> 00:05:26,958

It's table 15, right over there.

51

00:05:28,791 --> 00:05:30,166

- Thank you.

- You're welcome.

52

00:05:36,958 --> 00:05:39,250

- Beth Harmon.

- Shit.

53

00:05:45,333 --> 00:05:46,375

- Hey!

- Stupid...

54

00:05:46,458 --> 00:05:48,500

- Harmon?

- What are you two doing here?

55

00:05:49,416 --> 00:05:50,500

Losing mostly.

56

00:05:51,083 --> 00:05:54,000

We're on the university team now.

Second and third alternate.

57

00:05:54,500 --> 00:05:56,791

Oh, I'm sorry we won't get to play.

58

00:05:56,875 --> 00:05:59,833

We're not.

You destroy everyone you play, Harmon.

59

00:06:00,625 --> 00:06:03,333

- I can only lose so much.

- That's the truth.

60

00:06:03,833 --> 00:06:06,250

<i>I said slow down!</i>

61

00:06:14,375 --> 00:06:17,041

<i>Isn't that skating rink</i>

<i>a little close to the bowling alley?</i>

62

00:06:17,125 --> 00:06:18,625

Do you mind?

63

00:06:18,708 --> 00:06:21,250

- Sorry.

<i>- It works out. You see, it...</i>

64

00:06:21,333 --> 00:06:25,166

<i>It keeps the bowlers cool,
and you automatically...</i>

65

00:06:26,458 --> 00:06:27,416

What are you doing?

66

00:06:27,958 --> 00:06:29,541

Replaying my earlier games.

67

00:06:30,041 --> 00:06:31,666

What on earth for?

68

00:06:31,750 --> 00:06:33,708

Looking for weaknesses in my play.

69

00:06:35,250 --> 00:06:36,083

I see.

70

00:06:37,333 --> 00:06:38,166

And?

71

00:06:39,458 --> 00:06:40,500

There aren't any.

72

00:06:42,416 --> 00:06:43,250

Good girl.

73

00:07:36,125 --> 00:07:38,291

It's so much more exciting
than I imagined.

74

00:07:38,375 --> 00:07:39,833

Did you watch the whole game?

75

00:07:40,416 --> 00:07:41,333

Of course.

76

00:07:41,416 --> 00:07:42,250

Beth.

77

00:07:44,083 --> 00:07:46,833

When he brought out his rook,
then took that pawn...

78

00:07:48,000 --> 00:07:50,333

I thought you were done for.
I should have known better.

79

00:07:50,416 --> 00:07:51,500

Yes, you should have.

80

00:07:52,583 --> 00:07:53,416

Elizabeth,

81

00:07:54,000 --> 00:07:56,375

aren't you going to introduce me
to your friends?

82

00:07:56,458 --> 00:07:57,708

Sorry.

83

00:07:57,791 --> 00:07:59,583

Matt, Mike, this is my mom.

84

00:08:00,750 --> 00:08:02,083

Mike, nice to meet you.

85

00:08:02,166 --> 00:08:03,791

- Nice to meet you.

- And I'm Matt.

86

00:08:03,875 --> 00:08:06,041

- Mm. A pleasure.

- Nice to meet you.

87

00:08:08,000 --> 00:08:11,041

Well, I don't know about you young people,
but I'm famished.

88

00:08:11,125 --> 00:08:14,416

- There's a restaurant in the hotel lobby.

- Mm. Show us the way?

89

00:08:14,500 --> 00:08:15,333

Sure.

90

00:08:18,000 --> 00:08:20,625

I can't make up my mind
which one is more handsome.

91

00:08:23,333 --> 00:08:25,000

I'd like to play in the US Open.

92

00:08:25,583 --> 00:08:26,458

You might win it.

93

00:08:27,083 --> 00:08:28,833

Would that lead to playing abroad?

94

00:08:29,500 --> 00:08:30,625

In Europe, I mean?

95

00:08:30,708 --> 00:08:33,666

No reason why not. They have to know you
before they invite you.

96

00:08:33,750 --> 00:08:35,750

Would winning the Open
make them know about me?

97

00:08:35,833 --> 00:08:36,708

Hell yes!

98

00:08:36,791 --> 00:08:40,375

Benny Watts plays in Europe all the time

now that he has his international title.

99

00:08:40,875 --> 00:08:42,041

How's the prize money?

100

00:08:42,750 --> 00:08:45,625

- Pretty good, I think.

- Hm? What's pretty good?

101

00:08:46,250 --> 00:08:47,250

More than in the States.

102

00:08:48,083 --> 00:08:49,208

What about Russia?

103

00:08:50,208 --> 00:08:51,458

The Soviets are murder.

104

00:08:51,541 --> 00:08:53,166

They eat Americans for breakfast there.

105

00:08:53,250 --> 00:08:57,166

I don't think there's been an American
with a prayer against them in 20 years.

106

00:08:57,791 --> 00:08:58,666

It's like ballet.

107

00:08:58,750 --> 00:09:00,666

They pay people to play chess.

108

00:09:02,416 --> 00:09:04,750

We should probably go.

We don't wanna be late.

109

00:09:04,833 --> 00:09:06,416

This one's for all the marbles.

110

00:09:07,583 --> 00:09:09,583

Five hundred of them to be exact.

111

00:09:11,791 --> 00:09:13,958

That's Rudolph. He's a master.

112

00:09:22,958 --> 00:09:26,333

Beth cannot be happy
about being crowded into an ending

113

00:09:26,416 --> 00:09:28,583

with a rook, a knight, and three pawns.

114

00:09:30,333 --> 00:09:31,416

It's so complicated.

115

00:09:34,125 --> 00:09:35,000

Uh-oh.

116

00:09:35,958 --> 00:09:37,125

And that's check.

117

00:09:40,750 --> 00:09:42,000

And that's mate.

118

00:09:49,166 --> 00:09:52,250

I've allowed 12 dollars
for our celebration supper tonight,

119

00:09:52,333 --> 00:09:55,041

and two dollars for a small breakfast
in the morning.

120

00:09:55,625 --> 00:09:59,625

That makes our total expenses,
so far, \$172.30.

121

00:09:59,708 --> 00:10:02,333

Which leaves over 300 dollars.

122

00:10:03,875 --> 00:10:04,708

Beth...

123

00:10:08,583 --> 00:10:09,583

I was thinking...

124

00:10:12,333 --> 00:10:16,166

Perhaps you could give me 10%,
as an agent's commission?

125

00:10:22,958 --> 00:10:24,541

Let's make it 15%.

126

00:10:27,000 --> 00:10:29,458

Which would be 49 dollars and 54 cents.

127

00:10:32,083 --> 00:10:34,583

They told me at Methuen
you were marvelous at math.

128

00:10:38,750 --> 00:10:41,583

"Schoolgirl beats
Grandmaster in Pittsburgh."

129

00:10:42,083 --> 00:10:45,833

"Onlookers were amazed
at her youthful fine points of strategy."

130

00:10:46,458 --> 00:10:50,250

"She shows the assurance
of a player twice her age."

131

00:10:53,041 --> 00:10:54,833

That's national recognition, dear.

132

00:10:55,791 --> 00:10:57,500

<i>I'm afraid she's had a bit of a relapse.</i>

133

00:10:57,583 --> 00:11:00,333

The doctor wants to keep her in bed
for a few more days.

134

00:11:03,541 --> 00:11:05,375

I'm sure she'll be better by Monday.

135

00:11:05,916 --> 00:11:08,208

One of the worst colds
I've ever seen in a child.

136

00:11:08,291 --> 00:11:09,333

The poor dear.

137

00:11:10,458 --> 00:11:12,041

We're gonna be late.

138

00:11:12,958 --> 00:11:13,791

Yeah.

139

00:11:14,375 --> 00:11:15,500

Lots of liquids.

140

00:11:17,041 --> 00:11:19,041

- Thank you.

<i>- </i>You're welcome.

141

00:11:24,333 --> 00:11:27,916

There's a tournament in Houston
over the holidays, starting on the 26th.

142

00:11:32,291 --> 00:11:34,958

I understand it's very easy
to travel on Christmas Day

143

00:11:35,041 --> 00:11:37,958

since most people are home
eating plum pudding or whatever.

144

00:11:39,458 --> 00:11:40,833

I saw that one, too.

145

00:11:44,333 --> 00:11:46,083

I believe we could fly to Houston,

146

00:11:46,666 --> 00:11:49,208

have a very pleasant
winter vacation in the sun.

147

00:11:50,708 --> 00:11:51,916

Do girly things.

148

00:11:53,041 --> 00:11:55,958

I hear they have
a very lovely beauty spa at the hotel.

149

00:11:58,875 --> 00:11:59,708

Yes, Mother.

150

00:12:12,458 --> 00:12:14,583

She has a fever of 101.

151

00:12:14,666 --> 00:12:16,958

Must be the flu.

152

00:12:17,041 --> 00:12:19,166

She won't be back

until after the holidays.

153

00:12:30,666 --> 00:12:32,833

They're calling you a wunderkind.

154

00:12:35,583 --> 00:12:37,791

I might have to start keeping a scrapbook.

155

00:12:40,416 --> 00:12:41,250

How's your meal?

156

00:12:42,375 --> 00:12:44,916

This might be

the best Christmas I've ever had.

157

00:13:09,458 --> 00:13:10,375

Is that a martini?

158

00:13:11,333 --> 00:13:12,166

Gibson.

159

00:13:13,125 --> 00:13:15,750

I find the onion

slightly more refined than the olive.

160

00:13:28,583 --> 00:13:30,791

I should probably learn

how to speak Russian.

161

00:13:32,291 --> 00:13:34,000

Do they teach that at Fairfield?

162

00:13:34,791 --> 00:13:37,416

I'd have to take a night class

at the junior college.

163

00:13:41,500 --> 00:13:43,375

The kids would all be older than you.

164

00:13:44,291 --> 00:13:46,208

And by kids, I mean boys.

165

00:13:51,708 --> 00:13:53,375

They say you're the real thing.

166

00:13:53,458 --> 00:13:55,541

That's it, honey,

hold it up so we can see it.

167

00:13:56,166 --> 00:13:58,625

So, can you tell

the readers of *Life* how it feels?

168

00:13:59,833 --> 00:14:02,625

I mean, to be a girl among all those men?

169

00:14:03,416 --> 00:14:04,583

I don't mind it.

170

00:14:04,666 --> 00:14:05,958

Isn't it intimidating?

171

00:14:06,041 --> 00:14:09,666

I mean, when I was a girl,
I wasn't allowed to be competitive.

172

00:14:09,750 --> 00:14:11,583

I played with dolls.

173

00:14:11,666 --> 00:14:14,458

- Chess isn't always competitive.

- No, but you play to win.

174

00:14:14,541 --> 00:14:17,375

Yes, but chess can also be...

175

00:14:18,250 --> 00:14:19,083

What?

176

00:14:20,875 --> 00:14:21,958

Beautiful.

177

00:14:26,125 --> 00:14:27,125

You're an orphan, Beth.

178

00:14:28,750 --> 00:14:29,791

Yes, I know that.

179

00:14:29,875 --> 00:14:33,416

No, yes, of course you do.

I was wondering how you learned to play.

180

00:14:33,500 --> 00:14:35,666

Mr. Shaibel taught me.

181

00:14:36,291 --> 00:14:39,375

He was the janitor at Methuen.

182

00:14:39,458 --> 00:14:40,958

A janitor taught you how to play?

183

00:14:41,041 --> 00:14:43,208

- Really?

- When I was eight.

184

00:14:43,291 --> 00:14:44,166

I imagine...

185

00:14:45,000 --> 00:14:49,666

It must have been such a distraction
from life in such a depressing place.

186

00:14:51,625 --> 00:14:53,208

You must have been very lonely.

187

00:14:54,416 --> 00:14:55,500

I'm fine being alone.

188

00:14:57,208 --> 00:15:00,333

Do you imagine
that you saw the king as a father,

189

00:15:00,958 --> 00:15:02,583

and the queen as a mother?

190

00:15:02,666 --> 00:15:05,375

I mean, one to attack, one to protect?

191

00:15:06,041 --> 00:15:07,541

They're just pieces.

192

00:15:08,041 --> 00:15:11,000

And it was the board I noticed first.

193

00:15:11,083 --> 00:15:11,916

The board?

194

00:15:12,791 --> 00:15:13,625

Yes.

195

00:15:14,458 --> 00:15:17,666

It's an entire world of just 64 squares.

196

00:15:18,375 --> 00:15:19,416

I feel...

197

00:15:19,500 --> 00:15:21,375

Safe in it.

198

00:15:23,000 --> 00:15:25,625

I can control it, I can dominate it.

199

00:15:27,666 --> 00:15:28,791

And it's predictable.

200

00:15:31,041 --> 00:15:33,166

So, if I get hurt,

I only have myself to blame.

201

00:15:34,750 --> 00:15:35,583

How interesting.

202

00:15:38,291 --> 00:15:39,958

Tell me, Elizabeth.

203

00:15:41,208 --> 00:15:43,666

Have you ever heard
of something called apophenia?

204

00:15:44,208 --> 00:15:45,375

No, what's that?

205

00:15:45,458 --> 00:15:49,625

It's the finding of pattern or meaning

where other people don't.

206

00:15:50,666 --> 00:15:56,083

Sometimes, people with this condition
get feelings of revelation or ecstasies.

207

00:15:56,916 --> 00:16:01,250

Sometimes, people find patterns or meaning
where there aren't any.

208

00:16:01,791 --> 00:16:03,916

Hm. What does that have to do with me?

209

00:16:04,000 --> 00:16:06,291

Creativity and psychosis
often go hand in hand.

210

00:16:07,666 --> 00:16:10,166

Or, for that matter, genius and madness.

211

00:16:13,250 --> 00:16:14,541

You think I'm crazy?

212

00:16:14,625 --> 00:16:17,250

- No, of course not. I was just asking...

- I think that's enough.

213

00:16:18,000 --> 00:16:19,416

Beth has homework to finish.

214

00:16:19,958 --> 00:16:22,625

She is, after all,

still a young woman in school.

215

00:16:23,125 --> 00:16:26,833

- Just like all the other kids her age.

- Of course.

216

00:16:27,333 --> 00:16:29,583

- It was an honor to meet you.

- Thanks.

217

00:16:31,083 --> 00:16:32,166

You know...

218

00:16:33,750 --> 00:16:35,333

You might try bridge.

219

00:16:35,416 --> 00:16:38,208

- I hear a lot of chess players enjoy it.

- I'll show you out.

220

00:16:47,875 --> 00:16:50,583

"With some people, chess is a pastime."

221

00:16:50,666 --> 00:16:53,583

"With others, it is a compulsion,
even an addiction."

222

00:16:54,250 --> 00:16:56,125

"And every now and then,
a person comes along

223

00:16:56,208 --> 00:16:57,458

for whom it is a birthright."

224

00:16:58,166 --> 00:17:01,916

<i>"Now and then, a small boy appears

and dazzles us with his precocity,</i>

225

00:17:02,000 --> 00:17:05,041

<i>at what may be

the world's most difficult game."</i>

226

00:17:05,125 --> 00:17:07,208

"But what if that boy were a girl?"

227

00:17:08,375 --> 00:17:13,250

"A young, unsmiling girl, with brown eyes,
red hair, and a dark blue dress?"

228

00:17:14,500 --> 00:17:15,833

We started a chess club.

229

00:17:16,333 --> 00:17:18,166

<i>"Into the male-dominated world</i>

230

00:17:18,250 --> 00:17:20,500

<i>of the nation's top chess tournaments,</i>

231

00:17:20,583 --> 00:17:24,041

*<i>strolls a teenage girl
with bright, intense eyes,</i>*

232

00:17:24,125 --> 00:17:26,916

*<i>from Fairfield High School
in Lexington, Kentucky."</i>*

233

00:17:27,000 --> 00:17:29,333

"She is quiet, well-mannered,

234

00:17:30,000 --> 00:17:31,166

and out for blood."

235

00:17:32,458 --> 00:17:33,416

"Beth Harmon..."

236

00:17:38,333 --> 00:17:39,166

Where was I?

237

00:17:40,958 --> 00:17:42,250

It's all Greek, all of a sudden.

238

00:17:42,333 --> 00:17:44,416

It's okay, I've heard enough.

239

00:17:47,291 --> 00:17:50,916

I don't know why my body
is so intent on sabotaging my brain,

240

00:17:51,000 --> 00:17:53,750

when my brain is perfectly capable
of sabotaging itself.

241

00:17:57,375 --> 00:17:59,083

It's mostly about my being a girl.

242

00:17:59,166 --> 00:18:00,416

Well, you are one.

243

00:18:00,500 --> 00:18:02,083

It shouldn't be that important.

244

00:18:03,625 --> 00:18:05,291

They didn't print half the things I said.

245

00:18:05,375 --> 00:18:07,125

They didn't tell about Mr. Shaibel,

246

00:18:07,208 --> 00:18:10,291

and they didn't say anything
about how I play the Sicilian.

247

00:18:11,666 --> 00:18:13,583

Beth, dear, it makes you a celebrity.

248

00:18:13,666 --> 00:18:15,333

Yeah, for being a girl.

249

00:18:21,333 --> 00:18:24,208

Did you ever think maybe
it's the drinking that's making you sick?

250

00:18:25,041 --> 00:18:25,875

Oh, please.

251

00:18:26,750 --> 00:18:28,875

I've flirted with alcohol most of my life.

252

00:18:29,500 --> 00:18:33,000

If anything, I think it's high time
I consummated the relationship.

253

00:18:34,750 --> 00:18:35,583

To motherhood.

254

00:18:44,083 --> 00:18:44,916

Beth?

255

00:18:46,666 --> 00:18:47,916

We're having a pledge party,

256

00:18:48,000 --> 00:18:49,416

Friday night, my house.

257

00:18:50,000 --> 00:18:51,875

The other Apple Pis
asked me to invite you.

258

00:18:53,166 --> 00:18:55,166

- Friday night?

- 7:30.

259

00:18:56,125 --> 00:18:56,958

Can you make it?

260

00:19:49,916 --> 00:19:53,250

<i>It was really something to see you</i>

<i>in the newspaper all those times.</i>

261

00:19:53,750 --> 00:19:56,708

All those places you've been,

which was your favorite?

262

00:19:56,791 --> 00:19:57,875

I liked Houston.

263

00:20:02,875 --> 00:20:07,208

But now that my rating's up to 1800,

I hope to go to Las Vegas

264

00:20:07,291 --> 00:20:09,583

to play in the US Open next month.

265

00:20:09,666 --> 00:20:11,208

What about the boys?

266

00:20:11,833 --> 00:20:12,958

Are they good-looking?

267

00:20:13,500 --> 00:20:14,708

Do you date any of them?

268

00:20:15,875 --> 00:20:19,083

- There's not really much time for that.

- But if you had the time...

269

00:20:20,000 --> 00:20:22,333

Is there anyone you've met

that you'd like to...

270

00:20:23,291 --> 00:20:25,750

Trade rooks with, or whatever?

271

00:20:27,208 --> 00:20:29,666

I mean, I trade rooks all the time,
but it's not...

272

00:20:31,000 --> 00:20:32,208

I bet you do.

273

00:20:32,291 --> 00:20:33,791

<i>Now, ladies and gentlemen,</i>

274

00:20:33,875 --> 00:20:36,750

Hullabaloo <i>proudly presents</i>

<i>your favorite band from Turtle Creek...</i>

275

00:20:36,833 --> 00:20:38,541

- Thank you, Dora.

<i>- ...The Vogues!</i>

276

00:20:38,625 --> 00:20:40,750

- Who wants a cupcake?

- Yes, please.

277

00:20:42,666 --> 00:20:44,375

I love this song. Turn it up.

278

00:21:12,833 --> 00:21:14,291

I'm gonna use the bathroom.

279

00:23:56,666 --> 00:23:57,500

Harmon?

280

00:23:59,041 --> 00:23:59,916

Townes?

281

00:24:00,500 --> 00:24:01,500

That is you.

282

00:24:02,708 --> 00:24:04,291

My stars! You look...

283

00:24:06,291 --> 00:24:07,125

Wow!

284

00:24:08,083 --> 00:24:08,916

Thanks.

285

00:24:09,000 --> 00:24:10,541

You're welcome.

286

00:24:12,791 --> 00:24:14,333

I thought we might bump into each other

287

00:24:14,416 --> 00:24:16,541

when I saw your name
on the tournament list.

288

00:24:16,625 --> 00:24:18,500

- I didn't see yours.
- I'm not playing.

289

00:24:19,000 --> 00:24:20,875

<i>Chess Review</i> sent me to write it up.

290

00:24:21,791 --> 00:24:24,583

Must confess,
I was hoping to see you here last year.

291

00:24:24,666 --> 00:24:25,833

I was supposed to.

292

00:24:25,916 --> 00:24:28,083

I even paid the fee,
but my mother got sick.

293

00:24:28,583 --> 00:24:31,000

- And I didn't want to come alone.
- She all right?

294

00:24:31,500 --> 00:24:32,333

Fine.

295

00:24:32,416 --> 00:24:33,875

I should have come on my own,

296

00:24:33,958 --> 00:24:37,666

but I told myself that the Open's
not as important as the US Championships.

297

00:24:37,750 --> 00:24:39,208

Oh, no. No, it's not.

298

00:24:40,125 --> 00:24:41,500

But I'm sure glad you came.

299

00:24:42,666 --> 00:24:44,375

It's probably a good idea for me to play

300

00:24:44,458 --> 00:24:46,916

in something other

than the events I pick for the money.

301

00:24:47,000 --> 00:24:50,625

- Looks like you're making a lot.

- Yeah, I guess so.

302

00:24:52,250 --> 00:24:55,958

Still, you could become

a world-class player, be a real pro.

303

00:24:56,458 --> 00:24:59,125

- I started taking Russian at night.

- Oh, that's smart.

304

00:24:59,750 --> 00:25:01,125

Don't wanna plateau.

305

00:25:01,625 --> 00:25:05,125

No, plateaus are the worst.

306

00:25:05,208 --> 00:25:08,041

And you're far too old
to be called a prodigy anymore.

307

00:25:11,250 --> 00:25:13,333

I should do something on you
for the magazine.

308

00:25:13,833 --> 00:25:16,416

- I was on the cover last month.
- Of course.

309

00:25:16,500 --> 00:25:19,375

I must have got it mixed up
with the one in *Life* magazine.

310

00:25:21,416 --> 00:25:23,250

I also work for the *Herald-Leader*.

311

00:25:23,333 --> 00:25:24,250

In Lexington?

312

00:25:24,333 --> 00:25:26,208

I could do a half-page
on you for Sunday's paper.

313

00:25:26,291 --> 00:25:29,333

- Won't be as big a deal as *Life*, *but...*

- Yeah, sure.

314

00:25:30,416 --> 00:25:31,333

If you want to.

315

00:25:31,958 --> 00:25:33,375

I got a camera in my room.

316

00:25:34,333 --> 00:25:35,250

In your room?

317

00:25:36,583 --> 00:25:38,541

Chess boards, too. We could play.

318

00:25:40,000 --> 00:25:40,833

Okay.

319

00:25:42,083 --> 00:25:43,041

Let's go up.

320

00:26:10,291 --> 00:26:12,166

Why don't you sit over by the window?

321

00:26:16,166 --> 00:26:18,791

- Uh, may I...

- Oh, yeah, just toss them.

322

00:26:29,750 --> 00:26:30,791

I wasn't ready.

323

00:26:32,208 --> 00:26:33,041

You look great.

324

00:26:37,291 --> 00:26:38,291

Scooch to your left.

325

00:26:41,958 --> 00:26:43,041

That's right.

326

00:26:47,666 --> 00:26:48,666

Say...

327

00:26:49,416 --> 00:26:50,458

"Ruy Lopez."

328

00:27:00,750 --> 00:27:02,083

You could go by the board.

329

00:27:11,083 --> 00:27:11,916

Okay.

330

00:27:12,500 --> 00:27:14,000

I see you've done this before.

331

00:27:17,291 --> 00:27:18,458

Do you want me to play?

332

00:27:18,541 --> 00:27:20,166

Sure. Black to move.

333

00:27:24,250 --> 00:27:25,250

All right, slow down.

334

00:27:33,041 --> 00:27:34,666

Yeah, that's more my-my speed.

335

00:27:39,125 --> 00:27:40,000

Um...

336

00:27:47,000 --> 00:27:49,125

You've grown up, Harmon.

337

00:27:50,291 --> 00:27:51,916

You've even gotten good-looking.

338

00:27:54,708 --> 00:27:58,166

- I don't even know your first name.

- Everyone calls me Townes.

339

00:27:58,916 --> 00:28:02,375

Maybe that's why I call you Harmon,
instead of Elizabeth.

340

00:28:02,458 --> 00:28:04,375

It's Beth.

341

00:28:06,583 --> 00:28:07,416

I like Harmon.

342

00:28:53,666 --> 00:28:55,875

Oh, hi.

343

00:28:55,958 --> 00:28:58,458

- Roger.

- I'm not interrupting, am I?

344

00:28:59,541 --> 00:29:01,708

Th-That's okay. Uh, we're just...

345

00:29:03,541 --> 00:29:05,458

Beth Harmon, this is Roger Dione.

346

00:29:06,125 --> 00:29:08,125

Harmon? The chess prodigy.

347

00:29:09,083 --> 00:29:11,083

- I've heard so much about you.

- Nice to meet you.

348

00:29:11,166 --> 00:29:13,791

I thought you were gonna play
some baccarat?

349

00:29:14,333 --> 00:29:17,541

Thought I'd quit while
I was behind and go read by the pool.

350

00:29:17,625 --> 00:29:20,208

You two carry on.

I'll be gone in a minute.

351

00:29:28,583 --> 00:29:30,000

- Let's play chess.

- Okay.

352

00:29:34,625 --> 00:29:36,125

Thanks.

353

00:29:42,791 --> 00:29:43,625

Right.

354

00:29:45,750 --> 00:29:47,208

Here we go.

355

00:29:49,958 --> 00:29:51,333

Pleasure to meet you, Beth.

356

00:29:52,250 --> 00:29:53,083

You too.

357

00:29:54,958 --> 00:29:56,125

Dinner's at nine.

358

00:29:57,833 --> 00:29:58,666

Don't forget.

359

00:30:07,625 --> 00:30:10,291

<i>Marge, did your aunt</i>

<i>leave you everything?</i>

360

00:30:11,166 --> 00:30:12,500

<i>I was her only heir.</i>

361

00:30:12,583 --> 00:30:13,958

Where have you been, honey?

362

00:30:14,500 --> 00:30:16,541

You've been gone for hours.

363

00:30:16,625 --> 00:30:19,458

- Playing chess.

<i>- I don't wanna talk about it.</i>

364

00:30:19,541 --> 00:30:21,166

- Practicing.

<i>- Okay.</i>

365

00:30:21,250 --> 00:30:24,000

That's all?

366

00:30:24,791 --> 00:30:26,791

Yeah, that's all.

367

00:30:27,375 --> 00:30:30,708

<i>Well, it's the perfume I use</i>

<i>that makes me smell so nice.</i>

368

00:30:31,541 --> 00:30:33,750

Do me a favor

and hand me a beer on the desk?

369

00:30:35,916 --> 00:30:36,958

<i>What do you want?</i>

370

00:30:37,541 --> 00:30:40,250

<i>I think I've got one.</i>

<i>I think I've got a gimmick.</i>

371

00:30:41,666 --> 00:30:44,333

<i>A gimmick is an angle that works for you.</i>

372

00:30:44,416 --> 00:30:46,750

<i>To keep you
from working too hard for yourself.</i>

373

00:30:47,750 --> 00:30:50,250

<i>- Simple.</i>

<i>- Specifically, what is your angle?</i>

374

00:30:50,333 --> 00:30:51,500

<i>Specifically...</i>

375

00:30:53,708 --> 00:30:55,416

I suppose you've never had beer.

376

00:30:57,750 --> 00:30:59,250

- <i>All right, Sam.</i>

- Here.

377

00:31:02,958 --> 00:31:03,875

<i>Come here.</i>

378

00:31:07,166 --> 00:31:09,291

<i>My father used to work here
as a mill hand.</i>

379

00:31:09,833 --> 00:31:14,291

- <i>So did mine. When he was sober.</i>

- Whoa, whoa, whoa. Not so fast.

380

00:31:14,375 --> 00:31:15,416

<i>Now, you're even.</i>

381

00:31:16,000 --> 00:31:17,125

<i>Now, I'm even.</i>

382

00:31:17,916 --> 00:31:21,083

<i>I was 21 when I took it over.

It had 3,000 workers then.</i>

383

00:31:21,166 --> 00:31:22,708

<i>It's got 30,000 now.</i>

384

00:31:23,333 --> 00:31:26,208

<i>Ran as far as that gate,
now it goes down to the edge of the river.</i>

385

00:31:27,208 --> 00:31:28,750

<i>And I did it all by myself.</i>

386

00:31:29,666 --> 00:31:31,916

<i>- Without Walter, without...</i>

- I'd like another.

387

00:31:33,208 --> 00:31:35,666

- <i>All by myself.</i>

- You really shouldn't.

388

00:31:35,750 --> 00:31:37,708

<i>Half of this should make quite a score.</i>

389

00:31:39,958 --> 00:31:40,791

All right.

390

00:31:41,458 --> 00:31:43,708

But if you're gonna have one,

get me one, too.

391

00:31:44,208 --> 00:31:45,833

<i>That's what I had in mind.</i>

392

00:31:46,958 --> 00:31:48,958

<i>You went out of here</i>

<i>a dirty kid once before,</i>

393

00:31:49,041 --> 00:31:50,291

<i>that can happen again.</i>

394

00:31:51,083 --> 00:31:53,458

<i>Escape from clothesline drudgery,</i>

395

00:31:53,541 --> 00:31:55,208

<i>but listen to Jinx first.</i>

396

00:31:56,000 --> 00:31:59,041

<i>When you buy</i>

<i>your dryer, be sure you get the best kind,</i>

397

00:31:59,125 --> 00:32:00,583

<i>a gas dryer.</i>

398

00:32:00,666 --> 00:32:03,625

*<i>Your most delicate fabrics
are safe in a gas dryer.</i>*

399

00:32:05,583 --> 00:32:10,000

*<i>See? A gentle stream of warm air
sends the clothes' moisture away.</i>*

400

00:32:20,541 --> 00:32:23,375

*<i>My first match</i>
*<i>was against this guy from Oklahoma.</i>**

401

00:32:24,916 --> 00:32:26,666

<i>It was all over in two dozen moves.</i>

402

00:32:26,750 --> 00:32:27,583

Ouch.

403

00:32:28,125 --> 00:32:30,458

Then, this guy from San Francisco.

404

00:32:31,083 --> 00:32:32,125

I played the Marshall.

405

00:32:33,875 --> 00:32:37,291

Um, sacrificed my queen,
the way that Paul Morphy did one time.

406

00:32:37,375 --> 00:32:38,916

Mm-hm. One more.

407

00:32:40,083 --> 00:32:41,041

What about, um...

408

00:32:41,916 --> 00:32:43,791

What's his name?

The one you told me about.

409

00:32:43,875 --> 00:32:45,041

Bobby something?

410

00:32:45,125 --> 00:32:48,416

- Benny Watts.

- Yes, him.

411

00:32:48,500 --> 00:32:50,041

No losses, but one draw.

412

00:32:50,583 --> 00:32:53,541

Queens Gambit Declined

is so well respected.

413

00:32:53,625 --> 00:32:55,583

<i>I've seen him a couple of times.</i>

414

00:32:56,458 --> 00:32:57,666

<i>Always got a crowd around him.</i>

415

00:32:57,750 --> 00:33:00,250

Well, of course, he's the US Champion.

416

00:33:00,333 --> 00:33:01,291

He's Benny Watts.

417

00:33:03,375 --> 00:33:05,708

<i>Some people say</i>

<i>he's the most talented American player</i>

418

00:33:05,791 --> 00:33:06,625

<i>since Morphy.</i>

419

00:33:07,583 --> 00:33:09,625

<i>I read about a game

he played in Copenhagen,</i>

420

00:33:09,708 --> 00:33:11,208

<i>a draw against Najdorf.</i>

421

00:33:11,875 --> 00:33:13,125

<i>That was in 1948,</i>

422

00:33:13,208 --> 00:33:15,333

<i>which means that Benny

was eight years old.</i>

423

00:33:16,583 --> 00:33:19,916

<i>I've seen a picture of him at 13

in front of a whole bunch of sailors.</i>

424

00:33:20,458 --> 00:33:23,416

<i>He played against the entire team
at Annapolis without losing a game.</i>

425

00:33:23,500 --> 00:33:25,333

Sounds like someone else I know.

426

00:33:26,125 --> 00:33:28,916

When I was nine,
I was playing Mr. Shaibel in the basement.

427

00:33:30,166 --> 00:33:32,708

<i>Anyway, I'm not afraid of him.</i>

428

00:33:32,791 --> 00:33:35,166

I don't suppose
there's anyone you're afraid of.

429

00:33:36,958 --> 00:33:38,708

There is one player that scares me.

430

00:33:40,625 --> 00:33:41,458

Who?

431

00:33:42,416 --> 00:33:43,250

The Russian.

432

00:33:45,416 --> 00:33:46,250

Borgov.

433

00:33:46,750 --> 00:33:49,916

<i>It's a lot more</i>

<i>of a dynamic game than the Caro.</i>

434

00:33:50,000 --> 00:33:52,958

Which is not the case

with QGD versus Slav.

435

00:34:04,541 --> 00:34:05,500

You're Beth Harmon.

436

00:34:07,166 --> 00:34:08,000

Yes.

437

00:34:10,041 --> 00:34:11,250

I saw the piece in *Life*.

438

00:34:13,166 --> 00:34:16,333

Game they printed, that was a pretty one.

The one with you and Beltik.

439

00:34:16,833 --> 00:34:17,666

Thank you.

440

00:34:19,208 --> 00:34:21,125

I'm, uh, Benny Watts.

441

00:34:21,208 --> 00:34:22,041

I know.

442

00:34:22,958 --> 00:34:25,375

We met a couple of years ago
in Cincinnati.

443

00:34:25,458 --> 00:34:27,041

Didn't meet, but we spoke.

444

00:34:28,541 --> 00:34:30,708

- Cincinnati?

- You didn't play that year.

445

00:34:32,208 --> 00:34:34,583

Okay, I'll take your word for it.

446

00:34:35,916 --> 00:34:37,166

Guess I'll see you tomorrow.

447

00:34:38,291 --> 00:34:39,666

You shouldn't have castled.

448

00:34:42,125 --> 00:34:43,375

In your game with Beltik.

449

00:34:46,375 --> 00:34:47,833

I needed to get the rook out.

450

00:34:48,916 --> 00:34:51,041

Well, you could have lost your advantage.

451

00:34:52,625 --> 00:34:53,500

I don't think so.

452

00:34:56,708 --> 00:34:59,541

He plays pawn-takes-pawn.

You can't take back.

453

00:35:01,458 --> 00:35:03,000

- Wait a minute.

- I can't.

454

00:35:03,083 --> 00:35:05,833

I got an adjournment I gotta go play.

But set it up, think it out.

455

00:35:06,500 --> 00:35:08,708

Your problem is your queen knight.

456

00:35:08,791 --> 00:35:12,458

I don't want to set it up

and think it out.

457

00:35:40,041 --> 00:35:41,666

<i>Beltik could have beat me.</i>

458

00:35:42,500 --> 00:35:43,333

But he didn't.

459

00:35:43,416 --> 00:35:45,333

Yes, but he could have.

460

00:35:45,416 --> 00:35:47,291

What's worse is I didn't even see it.

461

00:35:48,041 --> 00:35:51,458

Benny Watts, just by reading
about a player he knows nothing about,

462

00:35:51,541 --> 00:35:52,666

he picks it up.

463

00:35:54,208 --> 00:35:57,291

I was so proud of myself

when I found an error in a Morphy game,

464

00:35:57,375 --> 00:35:59,208

and now someone's done it to me.

465

00:35:59,291 --> 00:36:02,458

Stop thinking about

what might have happened in the past,

466

00:36:02,541 --> 00:36:03,791

and get some sleep.

467

00:36:09,625 --> 00:36:10,791

So stupid!

468

00:36:36,708 --> 00:36:38,166

Pawn to bishop four, right?

469

00:36:39,041 --> 00:36:40,625

Yes.

470

00:38:39,708 --> 00:38:41,791

<i>I thought he could see</i>

<i>what I was planning.</i>

471

00:38:50,875 --> 00:38:53,958

<i>I thought he could hear my heart beating,
and know how panicked I was.</i>

472

00:38:59,333 --> 00:39:01,083

<i>He still had time to get out of it.</i>

473

00:39:05,000 --> 00:39:08,500

<i>But he took the piece just as I planned.</i>

474

00:39:10,666 --> 00:39:12,791

I went into that game
with a perfect score.

475

00:39:14,083 --> 00:39:17,666

Benny had two draws,
so a draw would give me the title.

476

00:39:19,875 --> 00:39:20,791

I wanted to win.

477

00:39:22,041 --> 00:39:23,375

I wanted to hammer his weaknesses.

478

00:39:23,458 --> 00:39:25,416

I wanted to show that pirate
that I could beat him,

479

00:39:25,500 --> 00:39:27,541

even though I didn't play
the way he thought I should.

480

00:39:29,000 --> 00:39:31,750

<i>Then, he captured my center pawn,
my protected pawn,</i>

481

00:39:31,833 --> 00:39:35,208

the pawn that had held his queen
to her corner for most of the game.

482

00:39:36,583 --> 00:39:37,541

I don't understand.

483

00:39:38,791 --> 00:39:40,916

He forced an exchange of queens.

484

00:39:42,166 --> 00:39:43,000

Oh.

485

00:39:43,083 --> 00:39:44,083

Couldn't believe it.

486

00:39:45,791 --> 00:39:47,625

And then I saw what it meant.

487

00:39:48,625 --> 00:39:51,291

With the pawn gone,

I was open to a rook-bishop mate,

488

00:39:51,375 --> 00:39:53,500

because of the bishop

on the open diagonal.

489

00:39:54,000 --> 00:39:57,333

I could protect my retreating knight

by moving one of the rooks over,</i>

490

00:39:57,416 --> 00:39:59,208

<i>but the protection wouldn't last,</i>

491

00:39:59,291 --> 00:40:01,375

<i>because his fucking,

innocent-looking knight</i>

492

00:40:01,458 --> 00:40:02,791

<i>would block my king's escape.</i>

493

00:40:03,875 --> 00:40:05,916

<i>The more I looked,

the worse it all became.</i>

494

00:40:06,000 --> 00:40:08,000

<i>Caught me completely off guard.</i>

495

00:40:08,541 --> 00:40:10,375

It was brutal.

496

00:40:11,916 --> 00:40:13,916

It's the kind of thing

I did to other people.

497

00:40:14,625 --> 00:40:17,041

Kind of thing that Morphy did,

and I missed it.

498

00:40:17,125 --> 00:40:18,708

I'd been thinking about doubled pawns.

499

00:40:19,625 --> 00:40:21,250

You were thinking about winning.

500

00:40:25,333 --> 00:40:26,333

What did you do?

501

00:40:28,416 --> 00:40:30,000

I needed a counterthreat.

502

00:40:30,625 --> 00:40:33,750

<i>A move that would stop him in his tracks,

but there wasn't any.</i>

503

00:40:34,375 --> 00:40:36,250

<i>I spent half an hour studying the board,</i>

504

00:40:36,333 --> 00:40:39,416

<i>and decided that Benny's move
was even sounder than I thought.</i>

505

00:40:40,583 --> 00:40:42,375

<i>I thought maybe
I could trade my way out of it</i>

506

00:40:42,458 --> 00:40:43,916

<i>if he attacked too fast, but...</i>

507

00:40:44,875 --> 00:40:45,833

<i>He was careful.</i>

508

00:40:50,000 --> 00:40:51,958

<i>I had to retreat, but he kept coming.</i>

509

00:40:56,541 --> 00:40:57,750

<i>I wanted to scream.</i>

510

00:40:59,666 --> 00:41:01,041

You resign, now.

511

00:41:19,250 --> 00:41:20,291

Tough game.

512

00:41:38,708 --> 00:41:40,458

You'll split the prize money.

513

00:41:41,291 --> 00:41:42,666

You'll be co-champions.

514

00:41:43,291 --> 00:41:46,208

You will still get a trophy,
albeit a smaller one.

515

00:41:47,250 --> 00:41:48,458

It happens all the time.

516

00:41:49,208 --> 00:41:50,208

I made some inquiries.

517

00:41:50,291 --> 00:41:53,666

- The Open Championship is often shared.

- I didn't see what he was doing.

518

00:41:55,833 --> 00:41:57,958

You can't finesse everything all the time.

519

00:41:59,291 --> 00:42:00,291

Nobody can.

520

00:42:00,916 --> 00:42:02,416

You don't know anything about chess.

521

00:42:04,750 --> 00:42:07,500

- I know what it feels like to lose.

- Yeah, I bet you do.

522

00:42:11,958 --> 00:42:13,333

And now you do, too.

523

00:42:26,958 --> 00:42:28,791

Harmon!

524

00:42:29,416 --> 00:42:30,250

I'm sorry.

525

00:42:30,333 --> 00:42:31,250

Why?

526

00:42:35,041 --> 00:42:36,958

I know how badly you wanted to beat Benny.

527

00:42:38,333 --> 00:42:39,541

You'll get another shot.

528

00:42:40,833 --> 00:42:41,666

Doesn't matter.

529

00:42:43,583 --> 00:42:45,000

Give my best to Roger.

530

00:42:45,875 --> 00:42:46,708

Beth.

S01EP4: Middle Game

1

00:00:07,000 --> 00:00:09,291

<i>I love.</i>

2

00:00:11,958 --> 00:00:14,625

He loves.

3

00:00:17,083 --> 00:00:19,708

You love.

4

00:00:22,041 --> 00:00:24,333

We love.

5

00:00:27,166 --> 00:00:30,125

One more time, Beth.

6

00:00:32,625 --> 00:00:33,666

Good.

7

00:00:34,750 --> 00:00:35,583

One more time.

8

00:01:04,416 --> 00:01:06,791

Hey. What's your name again?

9

00:01:06,875 --> 00:01:08,375

It's Beth, nimrod.

10

00:01:09,208 --> 00:01:11,416

Right. Well, Beth Nimrod,
what are you doing?

11

00:01:12,208 --> 00:01:13,541

You know, like, right now.

12

00:01:19,458 --> 00:01:20,791

<i>You're the chess player.</i>

13

00:01:22,250 --> 00:01:24,041

- <i>That's right.</i>

<i>- Hm.</i>

14

00:01:24,125 --> 00:01:26,041

US Women's Champion?

15

00:01:27,875 --> 00:01:29,875

US Open Co-Champion.

16

00:01:29,958 --> 00:01:31,708

Must be a trip.

17

00:01:33,500 --> 00:01:34,333

I guess.

18

00:01:37,875 --> 00:01:40,125

- Do you play?

- No, too cerebral.

19

00:01:40,791 --> 00:01:44,125

- Played a lot of Monopoly, though.

- Never played that game.

20

00:01:44,208 --> 00:01:46,708

Mm, don't.

It makes you a slave to capitalism.

21

00:01:47,958 --> 00:01:50,083

I-I still dream

about making money, though.

22

00:01:51,875 --> 00:01:55,458

So, why are you taking Russian classes
if you're a slave to capitalism?

23

00:01:55,541 --> 00:01:56,416

Mmm.

24

00:01:57,000 --> 00:02:00,125

I wanna read Dostoevsky in the original.

25

00:02:07,875 --> 00:02:10,083

"You really like the shape of me"?

26

00:02:11,125 --> 00:02:14,333

I'm stoned. I shouldn't

be speaking a foreign language.

27

00:02:15,750 --> 00:02:17,791

And I should probably call home.

28

00:02:17,875 --> 00:02:18,916

Um...

29

00:02:19,000 --> 00:02:21,166

Phone's in the bedroom,
through the kitchen.

30

00:02:23,625 --> 00:02:24,666

Thanks.

31

00:02:46,000 --> 00:02:47,875

Hello?

32

00:02:47,958 --> 00:02:51,583

<i>Hey, I just wanted to let you know</i>

<i>that I'm with some friends.</i>

33

00:02:51,666 --> 00:02:53,500

<i>- From my Russian class.</i>

- Oh.

34

00:02:53,583 --> 00:02:55,541

Go on to bed. I've got a key.

35

00:02:56,791 --> 00:02:59,416

Did you say

you're partying with college students?

36

00:03:00,791 --> 00:03:01,625

Yep.

37

00:03:03,625 --> 00:03:04,458

Okay.

38

00:03:05,958 --> 00:03:07,875

Just be careful what you smoke, honey.

39

00:03:08,625 --> 00:03:09,458

Okay.

40

00:03:10,458 --> 00:03:11,625

See you in the morning?

41

00:03:31,375 --> 00:03:33,958

<i>Is there anyone you've met</i>

<i>that you'd like to...</i>

42

00:03:34,041 --> 00:03:35,708

<i>...Trade rooks with?</i>

43

00:03:56,583 --> 00:03:57,500

Jesus.

44

00:03:59,250 --> 00:04:01,208

What's that burning purple thing there?

45

00:04:03,875 --> 00:04:04,750

You tell me.

46

00:04:14,875 --> 00:04:16,208

- How much longer?

- Um...

47

00:04:17,083 --> 00:04:18,375

- I'm close.

- Okay.

48

00:04:31,500 --> 00:04:34,125

I'm sorry, I'm just really stoned.

49

00:04:34,625 --> 00:04:35,625

Yeah, me too.

50

00:05:49,250 --> 00:05:52,000

"Everybody went to Cincinnati
to see a movie."

51

00:05:52,083 --> 00:05:53,833

"Stay as long as you like."

52

00:06:50,666 --> 00:06:52,666

<i> You might have called.</i>

53

00:06:52,750 --> 00:06:54,916

<i>I'm sorry.</i>

<i>Didn't wanna wake you up.</i>

54

00:06:55,875 --> 00:06:59,375

- *<i>I wouldn't have minded.</i>*

- Anyways, I'm all right.

55

00:07:00,500 --> 00:07:03,083

I'm going to Cincinnati...

56

00:07:03,708 --> 00:07:05,000

<i>To see a movie.</i>

57

00:07:06,125 --> 00:07:08,708

<i>So, I won't be home tonight, either.</i>

58

00:07:11,583 --> 00:07:12,958

I'll be home after school Monday.

59

00:07:15,708 --> 00:07:17,125

Are you with a boy?

60

00:07:19,166 --> 00:07:20,375

<i>I was last night.</i>

61

00:07:23,708 --> 00:07:24,958

Oh, Beth.

62

00:07:25,958 --> 00:07:27,250

I'm all right. I...

63

00:07:28,541 --> 00:07:29,541

Had a good time.

64

00:07:30,833 --> 00:07:33,041

Well, chess isn't the only thing in life.

65

00:07:35,291 --> 00:07:37,708

- It's just...

- I won't get pregnant.

66

00:07:40,291 --> 00:07:41,625

Famous last words.

67

00:08:04,000 --> 00:08:06,500

<i>Elizabeth Harmon.</i>

68

00:08:08,750 --> 00:08:10,458

Congrats.

69

00:08:32,875 --> 00:08:34,000

I'm so proud of you.

70

00:08:40,125 --> 00:08:41,166

All right, open it.

71

00:08:49,166 --> 00:08:50,125

It's a Bulova.

72

00:09:01,666 --> 00:09:03,083

It's perfect.

73

00:09:04,083 --> 00:09:06,291

Thank you.

74

00:09:10,916 --> 00:09:11,750

So...

75

00:09:12,750 --> 00:09:15,958

I suppose you'll be going
to a grad night party or two.

76

00:09:16,041 --> 00:09:17,083

No.

77

00:09:17,166 --> 00:09:18,833

We have Mexico City in two weeks.

78

00:09:19,541 --> 00:09:21,000

And then the US Championship.

79

00:09:22,708 --> 00:09:23,875

And then Remy-Vallon.

80

00:09:26,000 --> 00:09:26,833

In Paris.

81

00:09:29,500 --> 00:09:30,416

Paris?

82

00:09:30,500 --> 00:09:31,625

They invited me.

83

00:09:33,625 --> 00:09:34,916

Paris.

84

00:09:36,166 --> 00:09:37,583

My God!

85

00:09:42,125 --> 00:09:43,708

Things are beginning to happen.

86

00:09:50,458 --> 00:09:52,958

- Another *<i>cerveza, por favor.</i>*

- Yes.

87

00:10:00,833 --> 00:10:04,208

- What are you reading about?

- Pawn structure analysis.

88

00:10:06,125 --> 00:10:07,333

Sounds exciting.

89

00:10:07,416 --> 00:10:08,250

It is.

90

00:10:10,291 --> 00:10:11,458

Beth?

91

00:10:11,541 --> 00:10:12,375

Mm-hm?

92

00:10:14,416 --> 00:10:15,958

I have a confession to make.

93

00:10:19,208 --> 00:10:20,708

Do you know what a pen pal is?

94

00:10:22,583 --> 00:10:24,291

Someone you exchange letters with.

95

00:10:25,125 --> 00:10:26,250

Yes, exactly.

96

00:10:26,333 --> 00:10:28,500

- Your beer, Ms. Wheatley.

- Thank you.

97

00:10:32,166 --> 00:10:33,000

Well...

98

00:10:33,750 --> 00:10:37,000

When I was in high school,
my Spanish class was given a list

99

00:10:37,083 --> 00:10:39,916

of boys in Mexico
who were studying English.

100

00:10:41,000 --> 00:10:43,541

I picked one,
and I sent him a letter about myself.

101

00:10:44,750 --> 00:10:49,833

We corresponded for a rather long time,

even when I was married to Allston.

102

00:10:52,500 --> 00:10:54,291

We exchanged photographs.

103

00:10:57,583 --> 00:10:59,041

His name is Manuel.

104

00:10:59,625 --> 00:11:01,291

He's meeting us at the airport.

105

00:11:04,541 --> 00:11:05,708

Have you ever met him before?

106

00:11:06,458 --> 00:11:07,291

Never.

107

00:11:08,791 --> 00:11:11,708

I have to say, I am really quite thrilled.

108

00:11:15,625 --> 00:11:18,041

Is he the reason you wanted to come

to Mexico early?

109

00:11:18,791 --> 00:11:19,916

I suppose so.

110

00:11:45,000 --> 00:11:50,125

Every single famous person
in Latin-American history,

111

00:11:50,208 --> 00:11:54,125

art or politics,
has sometime come to Mexico City.

112

00:11:54,208 --> 00:11:56,750

Mm. I can see why.

113

00:11:57,250 --> 00:11:59,250

- It's lovely.

- Oh, yeah.

114

00:11:59,750 --> 00:12:01,875

I like to say that I was born in Mexico...

115

00:12:02,916 --> 00:12:04,666

But I am from Mexico City.

116

00:12:59,416 --> 00:13:00,541

Beth?

117

00:13:01,166 --> 00:13:02,083

You just get here?

118

00:13:02,625 --> 00:13:03,916

A few days ago.

119

00:13:04,583 --> 00:13:08,833

- I thought you were done with tournaments.

- I am. Mike's a glutton for punishment.

120

00:13:08,916 --> 00:13:11,666

- Yeah.

- Your mom has a new friend.

121

00:13:16,833 --> 00:13:20,166

She came in at three o'clock this morning,

2:30 the day before.

122

00:13:20,250 --> 00:13:23,416

He's got a green Dodge
that always seems to be at her disposal.

123

00:13:24,083 --> 00:13:26,458

And they've had lunch and dinner
every day this week.

124

00:13:26,958 --> 00:13:28,583

I'm pretty sure they're fucking.

125

00:13:30,250 --> 00:13:32,333

I thought, at first, it was the altitude.

126

00:13:33,125 --> 00:13:35,083

7,350 feet.

127

00:13:36,208 --> 00:13:39,458

Good lord, it's enough
to make a person positively giddy.

128

00:13:40,333 --> 00:13:42,000

Now, I think it's the culture.

129

00:13:42,875 --> 00:13:45,750

There's no hint
of a Protestant ethic in Mexico.

130

00:13:45,833 --> 00:13:48,041

They're all Latin Catholics,

131

00:13:48,125 --> 00:13:50,083

and they all live in the here and now.

132

00:13:50,166 --> 00:13:52,791

You really need
to stop reading Alan Watts.

133

00:13:52,875 --> 00:13:53,750

It's annoying.

134

00:13:53,833 --> 00:13:56,625

I think I'll have just one margarita

before I go out.

135

00:13:57,541 --> 00:13:59,000

Will you call for one, honey?

136

00:14:05,916 --> 00:14:09,916

- <i>Recepción.</i>

- Yes, could we get a margarita and a Coke?

137

00:14:10,000 --> 00:14:11,208

- <i>Room number?</i>

- 713.

138

00:14:11,291 --> 00:14:12,750

<i>- Coming soon.</i>

- Yes, thank you.

139

00:14:13,500 --> 00:14:15,875

You know you could come along
to the<i> folklórico.</i>

140

00:14:16,416 --> 00:14:19,750

I understand the costumes alone

are worth the price of admission.

141

00:14:19,833 --> 00:14:23,125

- It's such a beautiful day.

- It's been raining the last two days.

142

00:14:23,208 --> 00:14:24,208

Has it?

143

00:14:25,625 --> 00:14:26,708

I hadn't noticed.

144

00:14:28,625 --> 00:14:32,458

The tournament starts tomorrow.

I need to work on these endgames.

145

00:14:32,541 --> 00:14:35,333

You know, perhaps, Beth,

you have to work on yourself.

146

00:14:36,666 --> 00:14:38,083

Chess is not all there is.

147

00:14:38,625 --> 00:14:39,875

It's what I know.

148

00:14:39,958 --> 00:14:43,041

My experience has taught me what
you know isn't always what's important.

149

00:14:43,125 --> 00:14:44,750

And what's important?

150

00:14:45,416 --> 00:14:47,333

Living and growing.

151

00:14:48,083 --> 00:14:50,208

Living your life.

152

00:14:51,291 --> 00:14:54,625

- With a sleazy Mexican salesman.
- Treating yourself. Adventure.

153

00:14:55,375 --> 00:14:59,041

You haven't visited Bellas Artes,

or even been to Chapultepec Park.

154

00:14:59,125 --> 00:15:00,750

The zoo there is delightful.

155

00:15:00,833 --> 00:15:03,041

You've taken

all of your meals in this room,

156

00:15:03,125 --> 00:15:05,666

you've had your nose

buried in a chess book.

157

00:15:05,750 --> 00:15:08,458

Shouldn't you just relax

the day before the tournament?

158

00:15:08,541 --> 00:15:10,500

Think about something other than chess?

159

00:15:10,583 --> 00:15:11,416

Mother.

160

00:15:12,041 --> 00:15:15,375

Tomorrow, at ten o'clock,
I play black against Octavio Marengo.

161

00:15:15,458 --> 00:15:17,208

That means he gets to move first.

162

00:15:17,833 --> 00:15:19,708

Yes. I know what playing black means.

163

00:15:19,791 --> 00:15:22,666

He's 34 and an International Grandmaster.

164

00:15:22,750 --> 00:15:25,041

If I lose, we'll be paying for this trip...

165

00:15:26,208 --> 00:15:27,166

This adventure...

166

00:15:28,166 --> 00:15:29,000

Out of capital.

167

00:15:29,833 --> 00:15:33,125

If I win, I'll be playing someone even
better than Marengo in the afternoon.

168

00:15:33,208 --> 00:15:35,625

I need to study my endgame.

169

00:15:35,708 --> 00:15:39,291

You're what they call
an intuitive player, are you not?

170

00:15:39,375 --> 00:15:41,208

Yes, I have been called that before.

171

00:15:41,291 --> 00:15:43,416

Sometimes, the moves come to me.

172

00:15:43,500 --> 00:15:46,083

I've noticed the moves
they applaud the loudest

173

00:15:46,166 --> 00:15:48,041

are the ones you make rather quickly.

174

00:15:49,083 --> 00:15:51,083

And there's a certain look on your face.

175

00:15:55,125 --> 00:15:57,375

Intuition can't be found in books.

176

00:16:00,000 --> 00:16:01,791

I think you just don't like Manuel.

177

00:16:03,291 --> 00:16:04,666

Manuel is all right.

178

00:16:06,000 --> 00:16:08,458

But he doesn't come by to see me.

179

00:16:10,208 --> 00:16:12,041

That's irrelevant.

180

00:16:13,083 --> 00:16:14,250

You need to relax.

181

00:16:14,875 --> 00:16:17,208

There's no player in the world
as gifted as you are.

182

00:16:18,000 --> 00:16:20,666

I haven't the remotest idea
what faculties a person needs

183

00:16:20,750 --> 00:16:22,250

in order to play chess well,

184

00:16:22,333 --> 00:16:26,416

but I am convinced
that relaxation can only improve them.

185

00:16:49,291 --> 00:16:51,833

- *Una cerveza Corona, por favor.*
- Sí.

186

00:16:53,375 --> 00:16:55,708

People like you have a hard time.

187

00:16:59,708 --> 00:17:01,291

Two sides of the same coin.

188

00:17:04,791 --> 00:17:05,916

You've got your gift...

189

00:17:10,125 --> 00:17:11,625

...and you've got what it costs.

190

00:17:13,250 --> 00:17:15,166

<i>Hard to say for you what that will be.</i>

191

00:17:20,250 --> 00:17:22,791

<i>You'll have your
time in the sun, but for how long?</i>

192

00:17:23,583 --> 00:17:25,666

You've got so much anger in you.

193

00:17:27,500 --> 00:17:28,833

<i>You'll have to be careful.</i>

194

00:17:31,208 --> 00:17:32,208

<i>Cerveza?</i>

195

00:17:34,250 --> 00:17:35,250

Let's play.

196

00:19:08,541 --> 00:19:10,166

Shit.

197

00:19:10,833 --> 00:19:13,500

You can turn on the light. I'm now awake.

198

00:19:21,500 --> 00:19:22,458

I'm sorry.

199

00:19:24,375 --> 00:19:26,041

I seem to have caught a virus.

200

00:19:28,125 --> 00:19:30,958

I don't know if I'll be able
to watch your match in the morning.

201

00:19:32,166 --> 00:19:33,791

It's all right.

202

00:19:34,791 --> 00:19:36,208

You'll tell me all about it?

203

00:19:37,958 --> 00:19:39,291

Sure.

204

00:19:40,625 --> 00:19:42,125

Every move?

205

00:19:44,416 --> 00:19:45,250

Of course.

206

00:19:47,500 --> 00:19:49,083

Hi, boys.

207

00:19:49,166 --> 00:19:50,000

- Hey.

- Hey.

208

00:19:51,958 --> 00:19:53,583

Lovely night for a swim.

209

00:19:55,875 --> 00:19:58,500

<i>This is Juan Alberto Diaz</i>

210

00:19:58,583 --> 00:20:02,250

<i>coming to you live from the Mexico City
Invitational Chess Tournament</i>

211

00:20:02,333 --> 00:20:04,666

<i>at the Palacio Azteca where</i>

212

00:20:04,750 --> 00:20:10,708

<i>the big story
has been the seventeen-year-old</i>

213

00:20:10,791 --> 00:20:14,375

<i>from Lexington, Kentucky,
Elizabeth Harmon.</i>

214

00:20:16,375 --> 00:20:18,708

<i>Neither of us spoke the other's language.</i>

215

00:20:20,916 --> 00:20:22,666

<i>He opened with a pawn to king four.</i>

216

00:20:23,250 --> 00:20:25,208

<i>I played pawn to queen's bishop four.</i>

217

00:20:26,541 --> 00:20:30,333

In 31 moves,

I had his king in a mating net.

218

00:20:31,416 --> 00:20:32,541

You're a wonder.

219

00:21:18,416 --> 00:21:20,666

<i>Undefeated, this morning she played</i>

220

00:21:20,750 --> 00:21:23,416

<i>the Queen's Gambit Declined</i>

221

00:21:23,500 --> 00:21:25,958

<i>against the Austrian, Diedrich.</i>

222

00:21:26,291 --> 00:21:29,125

<i>Facing relentless pressure
in the middle of the board,</i>

223

00:21:29,208 --> 00:21:32,416

<i>Harmon had him
on his heels from the start.</i>

224

00:21:32,500 --> 00:21:34,916

<i>She did it mostly with pawns,</i>

225

00:21:35,000 --> 00:21:39,916

<i>and crushed his position
as one might crush an egg.</i>

226

00:21:40,000 --> 00:21:41,500

<i>Diedrich played well,</i>

227

00:21:41,583 --> 00:21:45,166

<i>made no blunders or anything
that could properly be called a mistake,</i>

228

00:21:45,250 --> 00:21:48,916

<i>but Harmon moved with such deadly accuracy,
such measured control,</i>

229

00:21:49,000 --> 00:21:50,666

<i>that his position was hopeless</i>

230

00:21:50,750 --> 00:21:53,000

<i>by the 23rd move.</i>

231

00:21:53,083 --> 00:21:55,333

<i>Impressive play by this young woman.</i>

232

00:22:08,416 --> 00:22:11,333

Borgov retreats his knight,

233

00:22:11,416 --> 00:22:13,375

but he's really attacking
the black knight.

234

00:22:13,958 --> 00:22:15,958

This is a very interesting position.

235

00:22:16,041 --> 00:22:18,291

It is dangerous for both sides.

236

00:22:18,708 --> 00:22:21,750

How is Black going to answer the threat?

237

00:22:23,833 --> 00:22:26,125

Will he defend himself or counter attack?

238

00:22:29,375 --> 00:22:32,625

It could go either way.

239

00:22:40,875 --> 00:22:42,458

Mother?

240

00:22:43,500 --> 00:22:44,541

Out here.

241

00:22:55,708 --> 00:22:57,750

Fresh air feels nice, doesn't it?

242

00:22:59,291 --> 00:23:00,375

Aren't you going out?

243

00:23:01,791 --> 00:23:04,708

No, Manuel's not coming tonight.

244

00:23:06,375 --> 00:23:07,958

He had business in Oaxaca.

245

00:23:09,416 --> 00:23:10,708

Oh.

246

00:23:11,041 --> 00:23:12,291

How long will he be gone?

247

00:23:15,250 --> 00:23:16,458

At least until we leave.

248

00:23:18,041 --> 00:23:18,875

I'm sorry.

249

00:23:21,458 --> 00:23:23,250

I've never been to Oaxaca, but...

250

00:23:24,083 --> 00:23:25,708

I imagine it resembles Denver.

251

00:23:28,916 --> 00:23:30,375

We can have dinner together.

252

00:23:31,291 --> 00:23:33,375

You can take me

to one of the places you know.

253

00:23:34,000 --> 00:23:35,500

Of course.

254

00:23:36,958 --> 00:23:38,583

It was fun while it lasted.

255

00:23:52,333 --> 00:23:53,791

Good afternoon.

256

00:23:55,750 --> 00:23:57,916

I am Georgi Girev.

257

00:23:58,000 --> 00:23:59,333

Beth Harmon.

258

00:23:59,416 --> 00:24:00,500

I'm honored.

259

00:25:22,125 --> 00:25:23,291

It's been five hours.

260

00:25:24,250 --> 00:25:25,750

Perhaps we should adjourn now.

261

00:25:28,791 --> 00:25:30,208

You must seal your move.

262

00:25:39,916 --> 00:25:41,666

Miss Harmon must seal her move now.

263

00:25:55,166 --> 00:25:57,833

Play will resume tomorrow at ten,
before your regular matches.

264

00:26:05,583 --> 00:26:06,500

Miss Harmon.

265

00:26:07,833 --> 00:26:08,666

Yes?

266

00:26:09,333 --> 00:26:10,625

May I ask you something?

267

00:26:12,125 --> 00:26:16,833

In America, I'm told
that one sees films inside the car.

268

00:26:17,875 --> 00:26:18,708

Is this true?

269

00:26:20,291 --> 00:26:21,250

Drive-ins.

270

00:26:23,041 --> 00:26:25,208

You mean drive-in movies?

271

00:26:26,125 --> 00:26:28,541

Yes, Elvis Presley movies.

272

00:26:29,125 --> 00:26:31,083

Debbie Reynolds and Elizabeth Taylor...

273

00:26:31,666 --> 00:26:32,583

That happens?

274

00:26:35,000 --> 00:26:35,833

It does.

275

00:26:38,000 --> 00:26:39,166

I would dig that.

276

00:27:18,208 --> 00:27:19,666

Pawn to rook five.

277

00:29:31,750 --> 00:29:33,375

For you, Beth Harmon...

278

00:29:35,166 --> 00:29:37,041

I resign the old-fashioned way.

279

00:29:53,416 --> 00:29:55,333

I've never been to a drive-in, either.

280

00:29:58,833 --> 00:30:00,541

I should not have let you do that.

281

00:30:01,125 --> 00:30:02,083

With the rook.

282

00:30:02,666 --> 00:30:03,500

No.

283

00:30:06,625 --> 00:30:08,791

But you won't let

the next one that tries it.

284

00:30:10,875 --> 00:30:12,625

How old were you
when you started playing?

285

00:30:14,000 --> 00:30:15,041

Four.

286

00:30:15,708 --> 00:30:17,375

I was district champion at seven.

287

00:30:19,666 --> 00:30:21,625

I will be world champion one day.

288

00:30:21,708 --> 00:30:22,541

When?

289

00:30:23,833 --> 00:30:24,708

In three years.

290

00:30:25,208 --> 00:30:26,875

You'll be 16 in three years.

291

00:30:28,750 --> 00:30:29,583

If you win...

292

00:30:31,708 --> 00:30:32,833

What will you do next?

293

00:30:35,500 --> 00:30:37,291

I-I don't understand.

294

00:30:37,375 --> 00:30:38,958

If you're world champion at 16...

295

00:30:40,541 --> 00:30:42,541

What will you do

with the rest of your life?

296

00:30:50,625 --> 00:30:52,041

I don't understand.

297

00:30:59,625 --> 00:31:01,208

You're the best I've ever played.

298

00:31:08,916 --> 00:31:10,333

Until you play Borgov.

299

00:32:05,708 --> 00:32:06,541

Beth.

300

00:32:07,500 --> 00:32:08,708

Look what I found.

301

00:32:35,541 --> 00:32:38,916

Everyone, this is Elizabeth Harmon,
the US Champion.

302

00:32:39,000 --> 00:32:40,708

Co-Champion.

303

00:32:41,625 --> 00:32:43,208

I'm sorry I missed your match,

304

00:32:43,875 --> 00:32:45,250

but the bath was so lovely.

305

00:32:45,333 --> 00:32:47,291

I soaked the entire afternoon.

306

00:32:48,166 --> 00:32:49,125

I'm glad.

307

00:32:49,208 --> 00:32:51,875

- You look better.

- I feel better.

308

00:32:52,500 --> 00:32:54,166

- Are you hungry?

- Starving.

309

00:32:54,250 --> 00:32:56,000

Thank you.

You play beautiful, señora.

310

00:32:56,083 --> 00:32:57,041

Thank you.

311

00:32:58,625 --> 00:33:00,125

So much for your stage fright.

312

00:33:00,208 --> 00:33:02,250

I play fine as long as it's for fun.

313

00:33:03,125 --> 00:33:04,041

Where shall we go?

314

00:33:05,000 --> 00:33:06,625

Any one of the new places
you've been to?

315

00:33:06,708 --> 00:33:07,541

Mm-hm.

316

00:33:15,000 --> 00:33:16,125

Let's eat in the room.

317

00:33:33,708 --> 00:33:36,250

You wanna grab it? Here.

318

00:33:53,375 --> 00:33:56,541

In Moscow, she'll be

jet-lagged. We can destroy her then.

319

00:33:56,625 --> 00:33:58,125

She's getting better.

320

00:33:58,625 --> 00:34:01,083

Have to deal with her here or in Paris

321

00:34:01,166 --> 00:34:03,125

before she gets too strong.

322

00:34:03,791 --> 00:34:05,041

There's talk she's a drunk.

323

00:34:05,750 --> 00:34:07,416

Her game is almost all attack.

324

00:34:07,500 --> 00:34:10,000

So she doesn't always watch her back.

325

00:34:10,083 --> 00:34:12,458

When she blunders, she gets angry,

326

00:34:12,541 --> 00:34:13,458

and can be dangerous.

327

00:34:13,541 --> 00:34:16,875

- Like all women.

- She's an orphan. A survivor.

328

00:34:17,750 --> 00:34:21,500

She's like us...

Losing is not an option for her.

329

00:34:22,125 --> 00:34:25,458

Otherwise, what would her life be?

330

00:34:57,541 --> 00:35:00,750

Those two guys,

they're number two and three in the world.

331

00:35:02,333 --> 00:35:04,125

- And those guys?

- KGB.

332

00:35:06,333 --> 00:35:08,041

Make sure Borgov doesn't run away.

333

00:35:13,333 --> 00:35:14,875

Will you save a seat for my mother?

334

00:35:15,583 --> 00:35:16,416

- Yeah.

- Yeah.

335

00:35:43,916 --> 00:35:46,250

You may start your opponent's clock.

336

00:35:54,833 --> 00:35:56,875

Pawn to king four.

337

00:35:56,958 --> 00:36:00,625

She always plays
the Sicilian to that opening.

338

00:36:00,708 --> 00:36:04,500

It's the most common opening

for White in the game of chess,

339

00:36:04,583 --> 00:36:09,916

and Borgov has been called

the "Master of the Sicilian."

340

00:36:11,041 --> 00:36:14,166

<i>Harmon moves pawn to queen bishop four,</i>

341

00:36:14,250 --> 00:36:18,458

<i>hoping to play him on ground

that's fresh for both of them,</i>

342

00:36:18,541 --> 00:36:21,916

<i>that won't give him

the advantage of his superior knowledge.</i>

343

00:36:25,208 --> 00:36:29,541

<i>And now Borgov has brought out

his king's knight to bishop three,</i>

344

00:36:30,500 --> 00:36:31,458

...and Harmon,

345

00:36:31,541 --> 00:36:33,916

of course,

brings hers to queen bishop three,

346

00:36:34,000 --> 00:36:35,708

attacking the center.

347

00:36:40,375 --> 00:36:44,208

But Borgov moves his bishop

to knight five,

348

00:36:44,291 --> 00:36:48,208

signaling he's going to play

the Closed Sicilian,

349

00:36:48,291 --> 00:36:49,583

not the Open.

350

00:36:53,250 --> 00:36:55,416

Please do not disturb the players.

351

00:36:55,500 --> 00:36:59,250

The Rossolimo. A rare opening...

352

00:37:12,333 --> 00:37:14,500

Harmon pushes her pawn

353

00:37:15,083 --> 00:37:17,625

to rook three,

attacking Borgov's bishop.

354

00:37:25,375 --> 00:37:27,125

Borgov castles.

355

00:37:27,208 --> 00:37:30,083

Harmon must now decide

356

00:37:30,166 --> 00:37:33,583

to open the game or keep it closed.

357

00:37:34,375 --> 00:37:35,625

<i>White has the advantage.</i>

358

00:37:35,708 --> 00:37:38,666

Since it always has the first move,
it always has the advantage.

359

00:37:38,750 --> 00:37:41,125

I read that when computers
learn to play chess,

360

00:37:41,208 --> 00:37:42,958

and play against other computers,

361

00:37:43,041 --> 00:37:45,750

White will always win
because of the first move.

362

00:37:46,416 --> 00:37:48,166

Like tic-tac-toe.

363

00:37:48,250 --> 00:37:49,625

Borgov's not a machine.

364

00:37:49,708 --> 00:37:52,750

That you know of.

365

00:38:45,958 --> 00:38:47,291

<i>I didn't expect it.</i>

366

00:38:48,125 --> 00:38:49,708

No one really plays it.

367

00:38:50,666 --> 00:38:51,708

It threw me off.

368

00:38:52,875 --> 00:38:54,541

Just like he knew it would.

369

00:38:55,458 --> 00:38:59,208

From that point on, the whole game
was like a foregone conclusion. I...

370

00:39:00,125 --> 00:39:03,416

I couldn't fight this feeling
that I'd already lost.

371

00:39:04,083 --> 00:39:06,833

Like in the books,

372

00:39:06,916 --> 00:39:09,000

where you know the outcome,

but you play it out

373

00:39:09,083 --> 00:39:11,083

just to see how it would happen, and...

374

00:39:12,541 --> 00:39:16,000

I mean, every move he made was so...

375

00:39:17,583 --> 00:39:19,000

Obvious, so...

376

00:39:19,958 --> 00:39:22,291

Unimaginative, so bureaucratic.

377

00:39:24,291 --> 00:39:26,541

<i>And the whole time, I'd look at his face,</i>

378

00:39:27,708 --> 00:39:28,875

<i>and there was no doubt.</i>

379

00:39:30,250 --> 00:39:31,250

<i>No weakness.</i>

380

00:39:33,583 --> 00:39:35,083

I'm so glad you didn't see it.

381

00:39:43,958 --> 00:39:44,791

Mother?

382

00:40:26,583 --> 00:40:27,625

I'm sorry.

383

00:40:28,916 --> 00:40:29,916

What was it?

384

00:40:30,000 --> 00:40:31,125

Hepatitis, possibly.

385

00:40:31,666 --> 00:40:32,791

We will know tomorrow.

386

00:40:34,708 --> 00:40:36,375

Could you give me a tranquilizer?

387

00:40:36,958 --> 00:40:39,541

- Yes. I have a sedative.

- I don't want a sedative.

388

00:40:40,416 --> 00:40:42,208

Could I have a prescription for Librium?

389

00:40:44,291 --> 00:40:46,541

You don't need a prescription
to buy Librium in Mexico.

390

00:40:47,416 --> 00:40:48,958

I suggest meprobamate.

391

00:40:49,875 --> 00:40:51,750

There's a *farmacia* here in the hotel.

392

00:40:53,583 --> 00:40:55,416

Again, I'm very sorry for your loss.

393

00:41:01,166 --> 00:41:03,666

Allow us to help you
with any arrangements.

394

00:41:04,625 --> 00:41:07,041

Signing papers, dealing with authorities.

395

00:41:08,041 --> 00:41:10,750

And, of course,
the bill will be taken care of.

396

00:41:11,541 --> 00:41:14,333

- Thank you.
- Including the liquor bill,

397

00:41:14,416 --> 00:41:16,166

which was significant.

398

00:41:17,875 --> 00:41:20,750

Though, I'm sure none
of the many margaritas she consumed

399

00:41:20,833 --> 00:41:23,291

was the culprit
in your mother's untimely passing.

400

00:41:26,000 --> 00:41:28,791

She did mention something
about the quality of the tequila.

401

00:41:32,666 --> 00:41:33,500

Again...

402

00:41:34,291 --> 00:41:35,666

Whatever we can do to help.

403

00:41:46,875 --> 00:41:47,875

I need to find him.

404

00:42:00,916 --> 00:42:01,750

Hello?

405

00:42:02,250 --> 00:42:03,458

<i>I have your call.</i>

406

00:42:04,291 --> 00:42:05,125

<i>From Denver.</i>

407

00:42:05,916 --> 00:42:06,750

Thank you.

408

00:42:09,833 --> 00:42:11,083

<i>This is Allston Wheatley.</i>

409

00:42:12,625 --> 00:42:14,000

It's Beth, Mr. Wheatley.

410

00:42:14,875 --> 00:42:15,708

Beth?

411

00:42:16,375 --> 00:42:17,250

<i>Your daughter.</i>

412

00:42:18,625 --> 00:42:20,791

<i>- Elizabeth Harmon.</i>

- And you're in Mexico?

413

00:42:20,875 --> 00:42:22,333

It's about Mrs. Wheatley.

414

00:42:23,208 --> 00:42:24,958

<i>How is Alma? Is she there with you?</i>

415

00:42:26,416 --> 00:42:27,250

She's dead.

416

00:42:29,000 --> 00:42:30,125

<i>She died this morning.</i>

417

00:42:32,791 --> 00:42:34,541

<i>- Mr. Wheatley...</i>

- Can't you handle this?

418

00:42:34,625 --> 00:42:36,416

I-I can't be going off to Mexico.

419

00:42:39,708 --> 00:42:43,416

There's an autopsy in the morning,
and I have to buy new plane tickets...

420

00:42:44,583 --> 00:42:47,375

I mean, I have to get
a new ticket for myself.

421

00:42:51,958 --> 00:42:55,958

- I don't know where to bury her.
- Call Durgin Brothers in Lexington.

422

00:42:56,041 --> 00:42:58,708

There's a family plot
in her maiden name, Benson.

423

00:42:59,833 --> 00:43:01,041

What about the house?

424

00:43:01,125 --> 00:43:03,375

Look, I don't want any part of this.

425

00:43:03,458 --> 00:43:04,791

I got problems enough in Denver.

426

00:43:04,875 --> 00:43:08,375

Get her up to Kentucky and bury her,
and the house is yours. Just...

427

00:43:10,041 --> 00:43:11,458

<i>Make the mortgage payments.</i>

428

00:43:12,375 --> 00:43:13,208

<i>You need money?</i>

429

00:43:13,791 --> 00:43:16,583

I don't know.

I don't know how much it'll cost.

430

00:43:16,666 --> 00:43:19,708

<i>I heard you're doing all right.

The child-prodigy thing.</i>

431

00:43:19,791 --> 00:43:21,166

<i>Can't you charge it or something?</i>

432

00:43:23,375 --> 00:43:24,708

I'll ask the hotel.

433

00:43:24,791 --> 00:43:27,250

<i>Good, you do that.

I'm strapped for cash right now,</i>

434

00:43:27,333 --> 00:43:30,708

but call Second National Bank
and ask for Mr. Erlich.

435

00:43:30,791 --> 00:43:33,083

That's E-R-L-I-C-H.

436

00:43:34,041 --> 00:43:36,041

Say you can have the house.

He knows how to reach me.

437

00:43:36,125 --> 00:43:37,916

Don't you want to know how she died?

438

00:43:40,000 --> 00:43:40,833

What was it?

439

00:43:40,916 --> 00:43:42,083

Hepatitis.

440

00:43:43,833 --> 00:43:45,250

I think. We'll know tomorrow.

441

00:43:46,291 --> 00:43:47,125

Yeah.

442

00:43:47,791 --> 00:43:48,875

She was sick a lot.

443

00:45:46,166 --> 00:45:47,083

<i>Más.</i>

S01EP5: Fork

1

00:00:06,416 --> 00:00:08,166

Dark's nothing to be afraid of.

2

00:00:08,666 --> 00:00:12,125

In fact, I'd go as far as saying
there's nothing to be afraid of.

3

00:00:12,208 --> 00:00:13,208

Anywhere.

4

00:00:14,000 --> 00:00:18,375

The strongest person is the person
who isn't scared to be alone.

5

00:00:20,708 --> 00:00:23,416

It's other people you got to worry about.

6

00:00:24,250 --> 00:00:27,750

Other people. They'll tell you what to do,
how to feel...

7

00:00:29,083 --> 00:00:30,041

Before you know it...

8

00:00:30,666 --> 00:00:33,708

...you're pouring your life out
in search of something

9

00:00:34,250 --> 00:00:36,166

other people told you to go look for.

10

00:00:37,375 --> 00:00:39,375

Someday, you're gonna be all alone,

11

00:00:40,333 --> 00:00:43,041

so you need to figure out
how to take care of yourself.

12

00:02:34,833 --> 00:02:35,666

Hello.

13

00:02:36,166 --> 00:02:37,083

<i>Beth Harmon?</i>

14

00:02:38,791 --> 00:02:39,958

Yes.

15

00:02:40,041 --> 00:02:43,958

Uh, this is Harry Beltik.

Uh, from the Kentucky State Tournament.

16

00:02:44,708 --> 00:02:46,458

No, I remember.

17

00:02:46,541 --> 00:02:48,541

I hear you dropped one to Borgov.

18

00:02:50,208 --> 00:02:51,750

<i>I wanted to give condolences.</i>

19

00:02:52,750 --> 00:02:53,583

Thanks.

20

00:02:54,916 --> 00:02:56,375

<i>What were you playing, white?</i>

21

00:02:57,958 --> 00:03:00,583

- Black.

<i>- Oh, it's-it's better that way.</i>

22

00:03:01,250 --> 00:03:02,708

I mean, if you're gonna lose.

23

00:03:03,291 --> 00:03:04,125

<i>Suppose so.</i>

24

00:03:05,458 --> 00:03:06,375

What did you play?

25

00:03:08,416 --> 00:03:09,375

Closed Sicilian.

26

00:03:09,458 --> 00:03:10,500

Rossolimo? Really?

27

00:03:10,583 --> 00:03:11,791

I let him do it to me.

28

00:03:11,875 --> 00:03:12,833

<i>That's a mistake.</i>

29

00:03:12,916 --> 00:03:17,541

Uh, look, I'm in Lexington for the summer,
and I thought maybe...

30

00:03:18,458 --> 00:03:19,375

Maybe what?

31

00:03:20,375 --> 00:03:21,916

Would you like some training?

32

00:03:22,000 --> 00:03:25,083

<i>I-I know...

I know you're better than me.</i>

33

00:03:25,666 --> 00:03:28,375

*<i>But if you're gonna play the Soviets,
you need help.</i>*

34

00:03:29,041 --> 00:03:29,916

Where are you?

35

00:03:30,000 --> 00:03:32,500

I'm on my way to the Phoenix Hotel.

36

00:03:33,500 --> 00:03:36,541

<i>I'm moving to an apartment on Thursday.

I could come by then.</i>

37

00:03:38,666 --> 00:03:40,250

Why don't you come over right now?

38

00:04:17,208 --> 00:04:18,750

Excuse me, miss.

39

00:04:21,416 --> 00:04:24,458

What happened to that gawky kid
who kicked my ass five years ago?

40

00:04:28,083 --> 00:04:29,375

Apparently, she grew up.

41

00:04:33,500 --> 00:04:34,583

A.I. Deinkopf.

42

00:04:35,083 --> 00:04:36,166

<i>Middlegame Strategy.</i>

43

00:04:38,250 --> 00:04:39,250

I've read that one.

44

00:04:45,333 --> 00:04:47,500

J.R. Capablanca, <i>My Chess Career.</i>

45

00:04:48,500 --> 00:04:49,583

That one, too.

46

00:04:53,833 --> 00:04:57,333

Fornaut, <i>Alekhine's Games 1938 to 1945.</i>

47

00:04:57,416 --> 00:04:58,250

Yes.

48

00:05:01,291 --> 00:05:02,833

Meyer, <i>Rook and Pawn Endings.</i>

49

00:05:03,666 --> 00:05:05,916

I know, you've read it.

50

00:05:06,000 --> 00:05:06,833

No.

51

00:05:09,125 --> 00:05:10,625

But I have my own copy upstairs.

52

00:05:11,916 --> 00:05:14,500

Well, some of these
are gonna be new to you.

53

00:05:14,583 --> 00:05:16,208

Capablanca played on intuition.

54

00:05:16,291 --> 00:05:19,750

And his natural gifts,
which obviously were considerable.

55

00:05:19,833 --> 00:05:22,458

Unlike Bogoljubov and Grünfeld,
who memorized everything.

56

00:05:22,541 --> 00:05:24,583

Yeah, I know how you feel about them.

57

00:05:24,666 --> 00:05:26,375

I read your piece in <i>Chess Review.</i>

58

00:05:27,708 --> 00:05:29,583

Nice cover photo, by the way.

59

00:05:33,125 --> 00:05:36,125

I see players at tournaments
after their games have finished,

60

00:05:36,666 --> 00:05:38,958

sitting there studying opening variation

61

00:05:39,041 --> 00:05:42,125

or middle-game strategy, endgame theory.

62

00:05:42,208 --> 00:05:45,375

- Like it would have made a difference.

- You don't ever study?

63

00:05:45,458 --> 00:05:47,000

I analyze games.

64

00:05:47,750 --> 00:05:50,041

What actually happened,
not what could have happened.

65

00:05:51,041 --> 00:05:53,041

- And I play it by ear.
- Like Capablanca.

66

00:05:53,125 --> 00:05:55,500

- He would have beaten Borgov.
- Mmm, not every game.

67

00:05:55,583 --> 00:05:57,208

Mmm, every game that counted.

68

00:06:00,166 --> 00:06:02,791

- You think I'm a prima donna, don't you?
- It's chess.

69

00:06:04,708 --> 00:06:05,958

We're all prima donnas.

70

00:06:07,458 --> 00:06:10,708

So, I've replayed your match
with Benny Watts a dozen times now.

71

00:06:11,500 --> 00:06:12,333

Why?

72

00:06:13,166 --> 00:06:15,833

- That's ancient history.
- Well, it's not that ancient.

73

00:06:17,166 --> 00:06:19,291

- I'm a different player now.
- In some ways.

74

00:06:21,833 --> 00:06:24,041

You're stubborn, so you get mad.

75

00:06:24,125 --> 00:06:26,375

When that happens,

you can only see what's in front of you.

76

00:06:26,458 --> 00:06:28,000

Anger clears my head.

77

00:06:28,083 --> 00:06:29,708

Anger is a potent spice.

78

00:06:30,916 --> 00:06:33,416

A pinch wakes you up,
too much dulls your senses.

79

00:06:33,500 --> 00:06:35,333

Where'd you get that from,
a fortune cookie?

80

00:06:35,416 --> 00:06:37,541

Mrs. Grecco, my second grade teacher.

81

00:06:37,625 --> 00:06:38,916

- Ah.

- Mm.

82

00:06:39,791 --> 00:06:42,458

But the point is still valid.

You've got to stay open.

83

00:06:43,416 --> 00:06:46,291

If you get locked into one idea,
like this king knight pawn, say,

84

00:06:46,375 --> 00:06:47,208

it's death.

85

00:06:48,666 --> 00:06:49,500

Look.

86

00:06:54,666 --> 00:06:58,166

- Now, the knight pawn is pinned.

- So?

87

00:06:58,250 --> 00:07:01,000

So you got to move the king now,
or you get stuck later.

88

00:07:02,958 --> 00:07:04,083

I can see that, but...

89

00:07:04,166 --> 00:07:06,458

But look at the queen-side pawns,
way over here.

90

00:07:08,500 --> 00:07:10,250

- He could do this.

- Try it.

91

00:07:32,875 --> 00:07:33,708

See?

92

00:07:35,458 --> 00:07:36,541

It's a good sequence.

93

00:07:37,208 --> 00:07:38,291

It's from Alekhine.

94

00:07:39,833 --> 00:07:41,625

I'm saying I got it from a book.

95

00:07:41,708 --> 00:07:43,083

I know what you're saying.

96

00:07:43,708 --> 00:07:45,291

Let's eat.

97

00:07:50,541 --> 00:07:53,416

You're not the same person
you were five years ago, either.

98

00:07:54,166 --> 00:07:55,750

- No?

- No.

99

00:07:56,541 --> 00:07:58,291

But I can't figure out what's different.

100

00:07:59,125 --> 00:08:01,583

Um, I've become more profound?

101

00:08:01,666 --> 00:08:02,500

That's not it.

102

00:08:04,333 --> 00:08:06,083

And I, um, got my teeth fixed.

103

00:08:10,250 --> 00:08:12,333

- Yeah, that's it.

- Yeah.

104

00:08:13,000 --> 00:08:15,291

It's the teeth. It was driving me crazy.

105

00:08:16,500 --> 00:08:17,875

I used my tuition money.

106

00:08:19,166 --> 00:08:21,291

My parents are plenty ticked off about it.

107

00:08:25,458 --> 00:08:26,291

It was worth it.

108

00:08:32,875 --> 00:08:35,250

Uh, I should go.

109

00:08:36,375 --> 00:08:37,958

Uh, I'll leave my board here.

110

00:08:39,541 --> 00:08:40,416

I'll take this.

111

00:08:42,583 --> 00:08:44,750

I'll be back in the morning

with more books.

112

00:08:50,541 --> 00:08:51,375

Shit.

113

00:08:52,416 --> 00:08:54,375

Oh, God.

114

00:09:35,291 --> 00:09:36,166

<i>No.</i>

115

00:09:36,750 --> 00:09:38,166

<i>You see, I'm a little shy.</i>

116

00:09:38,250 --> 00:09:40,333

<i>What seems to be the trouble?</i>

117

00:09:40,875 --> 00:09:44,708

<i>Well, it's difficult to show you</i>

<i>the symptoms at the moment, because...</i>

118

00:09:45,416 --> 00:09:47,083

<i>It comes and it goes.</i>

119

00:09:47,791 --> 00:09:51,625

<i>Oh, it comes and goes?</i>

120

00:09:51,708 --> 00:09:54,083

<i>Yes, it's so unfortunate.</i>

121

00:09:54,166 --> 00:09:56,375

<i>It's always the same
whenever I see a doctor.</i>

122

00:09:56,458 --> 00:09:59,291

<i>When... when I come, it goes,</i>

123

00:09:59,375 --> 00:10:00,958

<i>and when I go, it comes.</i>

124

00:10:07,166 --> 00:10:09,375

Okay, tell me, what was your endgame?

125

00:10:10,208 --> 00:10:11,208

You just saw it.

126

00:10:11,875 --> 00:10:13,375

What was your plan?

127

00:10:13,458 --> 00:10:15,333

To beat you?

128

00:10:17,000 --> 00:10:19,833

- I don't know what it was.

- Exactly, you're still just improvising.

129

00:10:19,916 --> 00:10:22,000

I just wiped you out five times.

130

00:10:23,875 --> 00:10:24,875

I'm a master,

131

00:10:24,958 --> 00:10:26,958

and I've never played better in my life.

132

00:10:28,000 --> 00:10:29,166

So modest.

133

00:10:29,250 --> 00:10:31,375

But I'm nowhere close
to what you'll face in Paris.

134

00:10:31,458 --> 00:10:33,666

I could beat Borgov
with a little more work.

135

00:10:33,750 --> 00:10:36,291

You can beat Borgov with a lot more work.

136

00:10:36,375 --> 00:10:37,666

Years more work.

137

00:10:38,291 --> 00:10:40,625

Borgov's not some
Kentucky ex-champion like me.

138

00:10:40,708 --> 00:10:42,541

He is a world champion

139

00:10:42,625 --> 00:10:44,958

who could have beaten
both of us when he was ten.

140

00:10:46,958 --> 00:10:48,375

Do you even know his career?

141

00:10:49,291 --> 00:10:50,333

No.

142

00:10:50,416 --> 00:10:51,250

Well...

143

00:10:54,375 --> 00:10:55,208

Read it.

144

00:10:56,208 --> 00:10:58,416

Read the games from Leningrad, 1962.

145

00:10:58,500 --> 00:11:00,541

Look at the way he plays
rook-pawn endings.

146

00:11:00,625 --> 00:11:03,208

Look at the games
with Luchenko and Spassky.

147

00:11:05,666 --> 00:11:07,208

You might learn something.

148

00:11:13,041 --> 00:11:14,916

No, this way.

149

00:11:20,791 --> 00:11:21,750

Right.

150

00:11:26,583 --> 00:11:29,333

"Look at the games
with Luchenko and Spassky,

151

00:11:29,416 --> 00:11:31,458

you might learn something." Fuck.

152

00:11:33,916 --> 00:11:35,083

"I'm a master."

153

00:11:36,250 --> 00:11:37,625

It was so bad.

154

00:12:09,333 --> 00:12:10,208

Summer's coming.

155

00:12:19,333 --> 00:12:20,166

Come on.

156

00:12:20,875 --> 00:12:22,833

I'll turn it down after this. I just...

157

00:12:24,166 --> 00:12:25,041

I love this song.

158

00:12:43,208 --> 00:12:44,041

Are you coming?

159

00:13:51,791 --> 00:13:55,291

<i>"In a fight,</i>

<i>you want the first blow to be the last."</i>

160

00:13:55,833 --> 00:13:57,791

<i>"And you better be the one to throw it."</i>

161

00:14:02,583 --> 00:14:05,875

"<i>Few things</i>

<i>are as mentally brutal as chess."</i>

162

00:14:14,875 --> 00:14:17,708

<i>"Attackers may sometimes regret</i>

<i>their moves,</i>

163

00:14:17,791 --> 00:14:20,458

<i>but it is much worse to forever regret</i>

164

00:14:20,541 --> 00:14:23,541

<i>an opportunity

you allowed to pass you by."</i>

165

00:14:24,458 --> 00:14:26,791

So, it's not always about attacking.

166

00:14:29,875 --> 00:14:33,666

Sometimes, it's much better

to take a piece back.

167

00:14:35,083 --> 00:14:38,291

So, this is Smyslov versus Botvinnik.

168

00:14:38,375 --> 00:14:39,666

Now, as you can see,

169

00:14:39,750 --> 00:14:42,875

Botvinnik should have taken

the pawn with the queen.

170

00:14:43,416 --> 00:14:44,875

He must have been very tired,

171

00:14:45,708 --> 00:14:47,583

or someone must have drugged his tea.

172

00:14:51,041 --> 00:14:52,958

Anyway,

I always thought that was interesting.

173

00:14:53,041 --> 00:14:57,416

<i> "I'm a good</i>

<i>player, but I play people half my age."</i>

174

00:14:58,041 --> 00:15:00,875

<i>"I don't know

how long I can keep winning."</i>

175

00:15:06,833 --> 00:15:10,416

"I can fight against anyone but time."

176

00:15:11,291 --> 00:15:13,375

I'm moving out of the hotel tomorrow.

177

00:15:15,333 --> 00:15:16,333

Into my apartment.

178

00:15:19,625 --> 00:15:20,666

Whoa. Uh...

179

00:15:20,750 --> 00:15:21,916

Play pawn to king five.

180

00:15:25,041 --> 00:15:25,875

Humor me.

181

00:15:30,166 --> 00:15:31,666

- That's unusual.

- Yeah.

182

00:15:31,750 --> 00:15:34,041

Player named Mikénas

came up with that one.

183

00:15:34,125 --> 00:15:35,916

- How far away is it?

- Huh?

184

00:15:36,833 --> 00:15:37,666

The apartment.

185

00:15:38,416 --> 00:15:40,291

Oh, um, New Circle Road.

186

00:15:40,375 --> 00:15:42,708

- Hm.

- I won't be coming by so much.

187

00:15:44,541 --> 00:15:45,625

It's not so far away.

188

00:15:46,291 --> 00:15:50,458

No, but I'll be taking classes,
and I should probably get a part-time job.

189

00:15:56,583 --> 00:16:00,791

You could move in here if you want.

You know, for free.

190

00:16:05,833 --> 00:16:06,666

Really?

191

00:16:06,750 --> 00:16:07,916

Yeah.

192

00:16:09,208 --> 00:16:10,041

Really.

193

00:16:25,125 --> 00:16:25,958

Um...

194

00:16:27,625 --> 00:16:30,625

- Sorry, I...

- Uh... no. No.

195

00:16:31,458 --> 00:16:34,875

- Um...

- I-I just wasn't ready.

196

00:16:39,833 --> 00:16:40,666

I'm ready now.

197

00:16:48,166 --> 00:16:49,125

Now or never.

198

00:17:21,166 --> 00:17:22,416

So, um...

199

00:17:23,583 --> 00:17:25,750

Should I stay here or go back to my room?

200

00:17:28,750 --> 00:17:29,666

Whatever you want.

201

00:17:37,041 --> 00:17:37,875

Okay.

202

00:17:50,416 --> 00:17:51,250

Good night.

203

00:17:52,166 --> 00:17:53,000

Good night.

204

00:18:12,208 --> 00:18:13,041

Beth?

205

00:18:13,666 --> 00:18:14,625

Beth Harmon?

206

00:18:17,125 --> 00:18:18,166

Margaret Neil.

207

00:18:18,250 --> 00:18:20,166

Well, Margaret Johnson now.

208

00:18:20,875 --> 00:18:21,750

Fairfield High?

209

00:18:24,458 --> 00:18:27,208

Margaret.

Right. Hi.

210

00:18:27,291 --> 00:18:30,166

Mike and I tied the knot
right after graduation.

211

00:18:31,041 --> 00:18:32,375

Congratulations.

212

00:18:32,458 --> 00:18:35,333

Not long after,
we were blessed with this little one.

213

00:18:36,041 --> 00:18:37,083

What's her name?

214

00:18:37,166 --> 00:18:39,416

Jean, after Mike's grandmother.

215

00:18:40,958 --> 00:18:42,125

I read about you.

216

00:18:42,708 --> 00:18:44,708

The chess and the traveling.

217

00:18:45,583 --> 00:18:46,875

It must be exciting.

218

00:18:46,958 --> 00:18:47,791

It is.

219

00:18:48,333 --> 00:18:50,583

Being around all those boys
is a real thrill.

220

00:18:54,083 --> 00:18:56,375

You wanted to know
what the boys were like,

221

00:18:56,458 --> 00:18:57,708

if I dated any of them.

222

00:18:59,708 --> 00:19:03,375

That time I came over to your house
with the Apple Pis.

223

00:19:03,458 --> 00:19:05,583

Oh! Gosh!

224

00:19:06,458 --> 00:19:07,416

That seems, uh...

225

00:19:08,791 --> 00:19:10,416

like a million years ago, doesn't it?

226

00:19:14,333 --> 00:19:17,583

I should probably get my errands done,
before this one gets...

227

00:19:18,250 --> 00:19:21,708

Really fussy,
and the window of opportunity,

228

00:19:21,791 --> 00:19:23,666

as we like to say, slams shut.

229

00:19:25,916 --> 00:19:27,166

It was nice to see you.

230

00:19:28,291 --> 00:19:29,125

You, too.

231

00:19:29,750 --> 00:19:31,916

<i>I think there's more to life than chess.</i>

232

00:19:32,000 --> 00:19:34,458

Yeah, one of my heroes is Philidor.

233

00:19:35,166 --> 00:19:38,041

This French musician,
used to play chess blindfolded

234

00:19:38,125 --> 00:19:39,500

in Paris and London.

235

00:19:39,583 --> 00:19:41,416

Diderot wrote him a letter.

236

00:19:41,500 --> 00:19:42,625

Now, you know Diderot?

237

00:19:43,458 --> 00:19:44,375

French Revolution?

238

00:19:44,458 --> 00:19:45,666

Yeah, it's close enough.

239

00:19:46,416 --> 00:19:49,750

So, uh, Philidor was doing

blindfold exhibitions

240

00:19:49,833 --> 00:19:51,458

and burning out his brain,

241

00:19:51,541 --> 00:19:55,041

or whatever it was they thought you did

in the 18th century. Anyway...

242

00:19:55,125 --> 00:19:58,541

Diderot wrote to him

and said something like,

243

00:19:59,083 --> 00:20:03,416

"It's foolish to run the risk

of going mad for vanity's sake."

244

00:20:04,000 --> 00:20:06,250

Now, I think about that sometimes,

245

00:20:06,333 --> 00:20:09,041

when I'm analyzing my ass off
over a chess board.

246

00:20:15,500 --> 00:20:18,708

I, um... I saw your picture
on the cover of *Chess Review*,

247

00:20:18,791 --> 00:20:21,250

and those pictures
Townes took in Las Vegas,

248

00:20:21,875 --> 00:20:23,333

for the Lexington paper.

249

00:20:25,291 --> 00:20:26,333

They were beautiful.

250

00:20:27,958 --> 00:20:30,666

- I thought maybe the two of you were...

- No, we weren't.

251

00:20:34,958 --> 00:20:35,791

Truth is...

252

00:20:36,833 --> 00:20:38,750

I was waiting for you to come back.

253

00:20:41,166 --> 00:20:42,500

You're why I got my teeth fixed.

254

00:20:42,583 --> 00:20:45,958

Didn't Koltanowski

use to play blindfolded all the time?

255

00:20:47,583 --> 00:20:48,583

And he wasn't crazy.

256

00:20:53,458 --> 00:20:55,375

No, no, no, he's-he's not. It was, um...

257

00:20:56,458 --> 00:20:58,666

It was Morphy who went crazy,
and Steinitz.

258

00:20:59,708 --> 00:21:02,166

Morphy thought
people were trying to steal his shoes.

259

00:21:03,458 --> 00:21:06,666

Well, maybe he thought
shoes were bishops.

260

00:21:08,416 --> 00:21:09,541

Yeah, maybe.

261

00:21:14,208 --> 00:21:15,041

Beth?

262

00:21:19,666 --> 00:21:20,541

Let's play chess.

263

00:21:22,375 --> 00:21:23,208

Okay.

264

00:21:31,125 --> 00:21:32,875

Two packs of Chesterfields, please.

265

00:21:42,208 --> 00:21:43,041

This, too.

266

00:21:48,416 --> 00:21:50,375

Sure you wouldn't rather just steal it?

267

00:21:54,041 --> 00:21:55,000

You gonna be there?

268

00:21:55,833 --> 00:21:56,666

That tournament?

269

00:21:59,458 --> 00:22:00,458

Yes.

270

00:22:01,666 --> 00:22:02,500

Good luck.

271

00:22:05,708 --> 00:22:06,541

Keep it.

272

00:22:09,083 --> 00:22:10,333

For the first time.

273

00:22:12,958 --> 00:22:15,625

Whoa, that doesn't look right.

Your knight is hanging.

274

00:22:15,708 --> 00:22:16,541

Mm-mm.

275

00:22:16,625 --> 00:22:19,541

You're missing it.

It's a much stronger move than it looks.

276

00:22:21,625 --> 00:22:22,500

Okay, watch.

277

00:22:23,041 --> 00:22:24,750

The knight takes,

278

00:22:25,250 --> 00:22:26,666

and the pawn moves up.

279

00:22:28,125 --> 00:22:30,708

If he didn't move it up,
the bishop would be locked in.

280

00:22:30,791 --> 00:22:33,250

When he does...

281

00:22:35,833 --> 00:22:37,000

...the other pawn falls.

282

00:22:38,291 --> 00:22:40,458

- What about the other bishop here?
- For Christ's sakes.

283

00:22:40,541 --> 00:22:42,583

It's check once the pawn moves,
and the knight trades.

284

00:22:43,375 --> 00:22:44,333

Can't you see that?

285

00:22:45,791 --> 00:22:49,000

- No, I can't. I can't find it that fast.

- Well, wish you could.

286

00:22:52,666 --> 00:22:54,208

You're too sharp for me.

287

00:23:58,583 --> 00:23:59,416

Hey.

288

00:24:01,000 --> 00:24:03,250

Breakfast is almost ready.

289

00:24:09,291 --> 00:24:11,208

I have taught you everything I know.

290

00:24:12,791 --> 00:24:14,916

Which, admittedly, is not a lot.

291

00:24:16,750 --> 00:24:18,333

I've got to start studying.

292

00:24:18,916 --> 00:24:22,291

I'm supposed to be an electrical engineer,
not a chess bum.

293

00:24:25,166 --> 00:24:26,333

Where are you gonna go?

294

00:24:27,666 --> 00:24:29,125

I'm moving to that apartment.

295

00:24:31,250 --> 00:24:32,958

It's closer to the university.

296

00:24:39,583 --> 00:24:41,791

- I'm gonna leave you...

- You're wrong, you know.

297

00:24:42,708 --> 00:24:43,916

You've taught me a lot.

298

00:24:45,708 --> 00:24:46,958

I'm really glad you called.

299

00:24:47,583 --> 00:24:50,250

I'm glad I could be here with you,
you know?

300

00:24:51,583 --> 00:24:52,791

After you lost your mom.

301

00:24:53,791 --> 00:24:54,833

It's more than that.

302

00:24:58,083 --> 00:24:59,291

You've really helped me.

303

00:25:00,791 --> 00:25:02,291

I guess you've helped me, too.

304

00:25:03,708 --> 00:25:05,375

You've helped me realize something.

305

00:25:06,416 --> 00:25:07,250

What?

306

00:25:08,791 --> 00:25:09,916

That I don't love chess.

307

00:25:10,958 --> 00:25:12,125

No, it's okay.

308

00:25:13,625 --> 00:25:15,875

I just don't love it

as much as I once did.

309

00:25:17,791 --> 00:25:20,875

I'm not obsessed with it

the way one has to be to win it all.

310

00:25:23,000 --> 00:25:24,208

The way you are.

311

00:25:26,541 --> 00:25:28,041

I'm gonna leave you...

312

00:25:30,250 --> 00:25:31,083

This.

313

00:25:33,166 --> 00:25:34,416

You have a lot in common.

314

00:25:35,708 --> 00:25:36,708

Really?

315

00:25:36,791 --> 00:25:40,166

Morphy was a lawyer or something,
in New Orleans.

316

00:25:40,250 --> 00:25:41,583

You look at his games,

317

00:25:42,458 --> 00:25:43,416

the way he played.

318

00:25:44,625 --> 00:25:48,333

He sacrificed knights and bishops
like he had a dozen instead of two,

319

00:25:49,208 --> 00:25:52,500

and then he'd move in on the king so fast,
his opponents would just freeze up.

320

00:25:54,375 --> 00:25:57,625

It's too bad Morphy and Capablanca
hadn't been alive at the same time.

321

00:25:57,708 --> 00:25:58,958

They could've played each other.

322

00:25:59,041 --> 00:26:02,500

Yeah, it's too bad Morphy
fell into a muttering paranoia and died.

323

00:26:06,500 --> 00:26:09,208

He would stay up all night,
in Paris, before his games,

324

00:26:10,750 --> 00:26:14,041

drinking in cafes,
and talking with strangers.

325

00:26:15,291 --> 00:26:18,958

And then he'd play
the next day like a shark.

326

00:26:20,333 --> 00:26:23,083

Well-mannered, well-dressed,
moving the pieces

327

00:26:23,166 --> 00:26:26,833

with these small, ladylike hands.

328

00:26:27,541 --> 00:26:30,500

Crushing one European master
after another.

329

00:26:32,750 --> 00:26:34,250

You know what they called him?

330

00:26:36,041 --> 00:26:38,708

"The pride and the sorrow of chess."

331

00:26:41,083 --> 00:26:42,416

And then he retired at 22.

332

00:26:43,833 --> 00:26:46,583

- And you think that's gonna be me?

- I think that is you.

333

00:26:49,041 --> 00:26:49,875

I think maybe...

334

00:26:50,750 --> 00:26:51,833

It's always been you.

335

00:27:08,125 --> 00:27:09,250

Be careful, Beth.

336

00:28:45,750 --> 00:28:46,916

Why, hello, Beth.

337

00:28:47,875 --> 00:28:49,208

Why, hello, Benny.

338

00:28:50,875 --> 00:28:54,250

I read about your game with Borgov.

That must have felt terrible.

339

00:28:54,333 --> 00:28:56,625

- I felt like a fool.

- I know that feeling.

340

00:28:57,166 --> 00:28:58,000

Helpless.

341

00:28:59,125 --> 00:29:00,458

It all goes, and you just...

342

00:29:02,000 --> 00:29:03,250

Push wood.

343

00:29:05,833 --> 00:29:07,250

Who have you got up first?

344

00:29:08,875 --> 00:29:09,708

Manfredi.

345

00:29:14,291 --> 00:29:15,875

That shouldn't take too long.

346

00:29:16,875 --> 00:29:20,333

Highest-rated players
in the whole fucking country,

347

00:29:20,416 --> 00:29:23,041

and yet here we are
at some second-rate university,

348

00:29:23,125 --> 00:29:27,333

playing on cheap plastic boards
with cheap plastic pieces.

349

00:29:29,083 --> 00:29:31,250

If this were
a golf or tennis tournament,

350

00:29:31,333 --> 00:29:33,666

we'd be surrounded by reporters,
as opposed to...

351

00:29:35,208 --> 00:29:36,333

...whoever these people are.

352

00:29:37,583 --> 00:29:39,666

You should see where
they play in the Soviet Union.

353

00:29:39,750 --> 00:29:41,333

I'm planning on it.

354

00:29:42,458 --> 00:29:43,958

You have to get past me first.

355

00:29:44,041 --> 00:29:45,541

I'm planning on that, too.

356

00:31:40,958 --> 00:31:44,375

Now, most players, they lack
the courage in their convictions.

357

00:31:44,458 --> 00:31:48,541

The key is to not be tentative.

You have to play with absolute confidence.

358

00:31:48,625 --> 00:31:49,791

I can tell, on the first move,

359

00:31:49,875 --> 00:31:53,875

whether someone's got that or they don't,

just from how they move that first piece.

360

00:31:54,375 --> 00:31:56,333

What advice would you give

to any young players

361

00:31:56,416 --> 00:31:58,041

who wanna follow in your footsteps?

362

00:31:58,958 --> 00:31:59,791

Um...

363

00:32:00,500 --> 00:32:02,000

I'd tell them to read my book.

364

00:32:02,958 --> 00:32:04,333

Obviously. Um...

365

00:32:05,250 --> 00:32:08,708

Yeah, play through all the games.

You know, I'd tell them to get in shape.

366

00:32:08,791 --> 00:32:12,541

Most people think about chess players,
they think about people who look like you.

367

00:32:12,958 --> 00:32:14,041

Harmon!

368

00:32:14,625 --> 00:32:15,458

Wait up.

369

00:32:19,083 --> 00:32:20,666

Found you a reporter, I see.

370

00:32:21,833 --> 00:32:23,208

Funny. Ha.

371

00:32:24,458 --> 00:32:27,041

What did you do to that poor guy
you played in the third round?

372

00:32:27,125 --> 00:32:28,958

He looked like he wanted to kill himself.

373

00:32:29,458 --> 00:32:31,791

Uh, which poor guy are you talking about?

374

00:32:32,916 --> 00:32:33,750

Touché.

375

00:32:35,666 --> 00:32:39,666

Hey, uh, some of us have been, uh,
heading down to the student union,

376

00:32:39,750 --> 00:32:41,625

having a couple beers,
playing some speed chess.

377

00:32:41,708 --> 00:32:42,666

You should join us.

378

00:32:42,750 --> 00:32:44,666

No, thanks. I have to study.

379

00:32:45,291 --> 00:32:48,041

Thought I'd go back to the dorms,
read your book.

380

00:32:49,083 --> 00:32:50,250

You know, get in shape.

381

00:32:52,208 --> 00:32:54,541

You do realize
that we have the whole day off tomorrow?

382

00:32:56,291 --> 00:32:57,791

Can I ask you a question?

383

00:32:57,875 --> 00:32:58,708

Ooh.

384

00:32:59,500 --> 00:33:01,958

Depends on whether or not
the answer will give you an edge.

385

00:33:02,041 --> 00:33:02,875

Seriously?

386

00:33:03,833 --> 00:33:04,916

Are you that nervous?

387

00:33:05,583 --> 00:33:08,083

- Was that the question?

- No! What's with the knife?

388

00:33:09,166 --> 00:33:10,041

What do you mean?

389

00:33:10,791 --> 00:33:13,250

I mean, why do you carry it around?

390

00:33:14,416 --> 00:33:15,750

This is for protection.

391

00:33:18,958 --> 00:33:20,791

- From what?

- Whatever.

392

00:33:23,208 --> 00:33:24,041

Study hard.

393

00:34:40,875 --> 00:34:41,708

Beth!

394

00:34:48,291 --> 00:34:53,333

Beth Harmon,

this is Danny Weiss and Dave Friedman.

395

00:34:54,333 --> 00:34:55,333

Nice to meet you.

396

00:34:55,416 --> 00:34:57,791

Actually, we met.

You beat me the other day.

397

00:34:58,875 --> 00:35:00,916

Me, too. Rather badly, in fact.

398

00:35:02,166 --> 00:35:03,333

- Sorry.

- Don't be.

399

00:35:03,416 --> 00:35:06,250

After I finished weeping in my room,
I replayed the game.

400

00:35:06,916 --> 00:35:09,125

Learned a lot from it, so thank you.

401

00:35:09,666 --> 00:35:12,291

- You're welcome.

- Beth, take a look at this.

402

00:35:12,375 --> 00:35:13,291

It's White's move.

403

00:35:14,458 --> 00:35:15,375

What would you do?

404

00:35:18,458 --> 00:35:20,166

Typical mid-game Ruy Lopez.

405

00:35:20,250 --> 00:35:22,500

Well, yeah, we know that,

but what's the move?

406

00:35:24,958 --> 00:35:26,916

- You see?

- Maybe you're right.

407

00:35:27,000 --> 00:35:30,250

No, I know I'm right,

and Beth sees things the same way I do.

408

00:35:31,125 --> 00:35:32,791

The pawn move is too weak, right?

409

00:35:34,041 --> 00:35:36,125

The pawn move

only works if he plays his bishop.

410

00:35:36,208 --> 00:35:37,041

Exactly.

411

00:35:37,625 --> 00:35:39,083

- Bye, boys.

- Whoa, hold on.

412

00:35:39,833 --> 00:35:41,208

How about some speed chess?

413

00:35:43,083 --> 00:35:45,541

Or we could play some skittles, or blitz,

414

00:35:45,625 --> 00:35:46,750

or bughouse?

415

00:35:47,791 --> 00:35:51,125

No, I'm just gonna get some coffee,
and then I'm gonna go back and study.

416

00:35:51,208 --> 00:35:53,791

Well, Weiss will get you some coffee,
won't you, Weiss?

417

00:35:56,375 --> 00:35:58,458

Uh... yeah.

418

00:36:00,625 --> 00:36:02,125

Sugar, cream?

419

00:36:03,666 --> 00:36:04,500

Yes.

420

00:36:05,125 --> 00:36:07,250

- Thank you.

- Uh, get me an apple juice.

421

00:36:08,875 --> 00:36:10,708

But not one of those, uh,
crappy plastic cups.

422

00:36:10,791 --> 00:36:12,083

Get me a-a milk glass.

423

00:36:12,166 --> 00:36:13,166

Yeah, sure.

424

00:36:16,750 --> 00:36:18,125

Please, sit.

425

00:36:20,583 --> 00:36:21,416

Fine.

426

00:36:22,375 --> 00:36:23,583

One game.

427

00:36:24,125 --> 00:36:25,083

- Got it?

- All right.

428

00:36:30,458 --> 00:36:31,291

Okay.

429

00:36:32,166 --> 00:36:33,791

Shall we say...

430

00:36:35,125 --> 00:36:36,041

Five bucks a game?

431

00:36:37,791 --> 00:36:40,958

- I haven't even had my coffee.

- Well, look, here it comes right now.

432

00:36:44,083 --> 00:36:45,333

- There you go.

- Thank you.

433

00:36:48,750 --> 00:36:52,583

All right, you take a sip of that coffee,
and I'll punch your clock.

434

00:36:58,208 --> 00:36:59,500

Go ahead.

435

00:37:49,541 --> 00:37:50,375

Again?

436

00:38:09,250 --> 00:38:10,416

Again?

437

00:38:34,875 --> 00:38:35,916

Again?

438

00:39:02,625 --> 00:39:03,916

Again?

439

00:39:43,666 --> 00:39:46,291

- I need to see proof.

- Calling me a liar?

440

00:40:10,333 --> 00:40:11,583

It's gonna be you or me.

441

00:40:19,916 --> 00:40:23,541

- Are you trying to psych me out?

- No, I don't need to do that to beat you.

442

00:40:28,125 --> 00:40:31,708

Listen, I'm sorry about yesterday, okay?

I wasn't trying to hustle you.

443

00:40:31,791 --> 00:40:33,916

- Weren't you?

- Come on, Beth.

444

00:40:34,000 --> 00:40:35,500

You're the best player here.

445

00:40:37,208 --> 00:40:39,166

And I've been watching your games. You...

446

00:40:39,875 --> 00:40:41,125

You attack like Alekhine.

447

00:40:42,416 --> 00:40:44,333

You held me off well enough yesterday.

448

00:40:44,916 --> 00:40:46,666

But that doesn't count.

That's speed chess.

449

00:40:46,750 --> 00:40:49,458

I'm better at speed chess than you.

I play a lot in New York.

450

00:40:49,541 --> 00:40:51,875

- You beat me in Las Vegas.

- That was a while ago.

451

00:40:51,958 --> 00:40:54,166

You were too hung up on doubling my pawns.

452

00:40:54,250 --> 00:40:56,166

I don't think

I could get away with that again.

453

00:41:01,000 --> 00:41:02,750

Do you ever go over games in your head?

454

00:41:04,583 --> 00:41:06,833

When you're alone.

Play all the way through them?

455

00:41:09,041 --> 00:41:09,958

Doesn't everybody?

456

00:41:34,208 --> 00:41:36,583

Well, I never thought
you'd let me trade queens.

457

00:41:36,666 --> 00:41:37,750

I didn't think so, either.

458

00:41:37,833 --> 00:41:40,166

Thirty moves, man, Jesus.

459

00:41:40,791 --> 00:41:41,916

That many?

460

00:41:42,000 --> 00:41:42,958

Hmm.

461

00:41:44,541 --> 00:41:46,208

Looks like you can outdrink me, too.

462

00:41:48,208 --> 00:41:50,416

I really appreciate

how you're taking this.

463

00:41:50,916 --> 00:41:54,333

- I'm raging inwardly.

- Well, it doesn't show.

464

00:41:55,166 --> 00:41:57,500

Should never have played
that goddamn bishop pawn.

465

00:41:58,000 --> 00:42:01,458

- No, probably not.

- What are you gonna do about Borgov?

466

00:42:03,083 --> 00:42:03,916

I don't know.

467

00:42:04,666 --> 00:42:07,291

I don't even have a passport.

Or the right clothes.

468

00:42:07,375 --> 00:42:09,791

I hear it's pretty cold in Paris

that time of year.

469

00:42:10,291 --> 00:42:12,583

I'm not talking about Paris.

I'm talking about Moscow.

470

00:42:14,375 --> 00:42:16,666

What, do they not deliver mail
in Kentucky?

471

00:42:17,750 --> 00:42:18,833

What's in Moscow?

472

00:42:19,833 --> 00:42:21,541

The Moscow Invitational.

473

00:42:21,625 --> 00:42:24,541

The US winner gets invited.

You didn't know that?

474

00:42:27,291 --> 00:42:29,833

- Yes, ma'am.

- A couple more, please.

475

00:42:29,916 --> 00:42:33,666

- Uh, no, thanks. I'm still on my first.

- Well, I'll drink them both.

476

00:42:35,166 --> 00:42:36,291

Easy there, tiger.

477

00:42:39,583 --> 00:42:41,625

How do I get to Moscow if I go?

478

00:42:41,708 --> 00:42:43,333

Uh, well, I mean, when I went,

479

00:42:43,916 --> 00:42:47,291

the Federation paid for my ticket,

and then this church group

480

00:42:47,375 --> 00:42:48,541

covered the rest of it.

481

00:42:48,625 --> 00:42:49,750

Did you have a second?

482

00:42:50,500 --> 00:42:51,916

- Weiss.

- Weiss?

483

00:42:52,000 --> 00:42:54,250

It would be tough to go to Russia alone.

484

00:42:54,750 --> 00:42:56,791

- Here you go.

- Oh, thank you.

485

00:43:03,125 --> 00:43:04,500

You always drink this much?

486

00:43:07,333 --> 00:43:08,541

Sometimes, I drink more.

487

00:43:11,083 --> 00:43:13,083

Who else will be playing in Moscow?

488

00:43:13,875 --> 00:43:17,250

Four top Russians,
and four other countries.

489

00:43:18,541 --> 00:43:20,625

If you keep doing this,
you're gonna end up washed up

490

00:43:20,708 --> 00:43:21,916

by the time you're 21.

491

00:43:27,750 --> 00:43:28,625

I like your hair.

492

00:43:30,166 --> 00:43:31,000

Uh-huh.

493

00:43:32,083 --> 00:43:33,000

Yeah, sure you do.

494

00:43:34,625 --> 00:43:35,750

What about Moscow?

495

00:43:37,666 --> 00:43:40,583

Four Soviet chess players
is a lot of Soviet chess players.

496

00:43:41,416 --> 00:43:42,291

Murderous.

497

00:43:43,625 --> 00:43:44,875

But you're the only American

498

00:43:44,958 --> 00:43:47,083

I can think of
that might be able to do it.

499

00:43:48,125 --> 00:43:50,166

I went to pieces
with Borgov in Mexico City.

500

00:43:54,375 --> 00:43:55,625

When do you go to Paris?

501

00:43:57,166 --> 00:43:58,458

In five weeks.

502

00:44:00,083 --> 00:44:02,041

Well, you'll need a good trainer.

503

00:44:03,750 --> 00:44:05,125

Not Harry Beltik.

504

00:44:06,125 --> 00:44:06,958

Someone...

505

00:44:08,625 --> 00:44:09,791

- Better.

- Mmm.

506

00:44:10,416 --> 00:44:13,041

Someone more, um, mature.

507

00:44:14,000 --> 00:44:15,166

Who'd you have in mind?

508

00:44:17,875 --> 00:44:19,750

Can you come to New York?

509

00:44:23,083 --> 00:44:24,083

I don't know.

510

00:44:24,583 --> 00:44:27,916

You can sleep in my living room,
and you can leave for Paris from there.

511

00:44:28,416 --> 00:44:29,750

That's very nice of you,

512

00:44:29,833 --> 00:44:33,291

but I'm not even so sure

I wanna go to Paris anymore.

513

00:44:35,041 --> 00:44:38,041

What are you gonna do instead, huh?

Get drunk?

514

00:44:38,125 --> 00:44:41,333

Now that you mention it,
yeah, sounds pretty good.

515

00:44:43,250 --> 00:44:44,291

Beth...

516

00:44:45,125 --> 00:44:46,458

Borgov made me look like a fool.

517

00:44:46,541 --> 00:44:49,291

- That's 'cause you weren't ready.

- I don't know if I'm good enough.

518

00:44:49,375 --> 00:44:51,041

You're the best there is.

519

00:44:52,166 --> 00:44:53,625

You beat me.

520

00:44:59,583 --> 00:45:02,458

Okay, fine. I'll come to New York.

521

00:45:02,541 --> 00:45:03,375

Great.

522

00:45:06,875 --> 00:45:08,750

We'll leave from here. I'll drive us.

523

00:45:09,458 --> 00:45:11,666

- When?

- Tomorrow. Afternoon.

524

00:45:12,666 --> 00:45:14,333

Once everything here finishes up.

525

00:45:15,208 --> 00:45:16,125

Oh, and about sex...

526

00:45:19,666 --> 00:45:20,500

Forget it.

S01EP6: Adjournment

1

00:00:07,458 --> 00:00:10,041

Men are gonna come along
and wanna teach you things.

2

00:00:10,625 --> 00:00:12,208

Doesn't make them any smarter.

3

00:00:13,083 --> 00:00:16,083

In most ways, they're not,
but it makes them feel bigger.

4

00:00:16,916 --> 00:00:19,250

They can show you how things are done.

5

00:00:19,791 --> 00:00:21,291

You just let them blow by,

6

00:00:21,375 --> 00:00:24,625

and you go on ahead,
and do just what the hell you feel like.

7

00:00:26,000 --> 00:00:28,666

It takes a strong woman
to stay by herself,

8

00:00:28,750 --> 00:00:32,000

in a world where people
will settle for anything,

9

00:00:32,083 --> 00:00:33,833

just to say they have something.

10

00:00:35,416 --> 00:00:36,375

There we are.

11

00:00:37,958 --> 00:00:39,708

So you never forget who you are.

12

00:01:05,375 --> 00:01:07,833

- Pawn to king four.

- Pawn to queen bishop four.

13

00:01:07,916 --> 00:01:09,875

- N to KB-3.

- Pawn to queen three.

14

00:01:09,958 --> 00:01:10,791

P to Q4.

15

00:01:11,375 --> 00:01:12,291

Pawn takes pawn.

16

00:01:12,833 --> 00:01:15,458

- Knight takes.

- Knight... king bishop three.

17

00:01:15,541 --> 00:01:18,000

- <i> N to QB-3.</i>

<i>- Pawn to king's knight three.</i>

18

00:01:18,083 --> 00:01:19,000

P to B4.

19

00:01:19,083 --> 00:01:20,166

P to B4.

20

00:01:20,250 --> 00:01:22,833

The Levenfish. Never liked it.

21

00:01:22,916 --> 00:01:24,833

- King to B3.

- I'll take the knight.

22

00:01:24,916 --> 00:01:26,708

- Pawn takes.

- Pawn to king five.

23

00:01:26,791 --> 00:01:27,916

Pawn takes again.

24

00:01:28,000 --> 00:01:30,458

Hey, you know what Scharz
says about that in the footnote?

25

00:01:30,958 --> 00:01:32,041

I don't read the footnotes.

26

00:01:33,458 --> 00:01:36,291

- Okay, well, it's time you started.

- I don't like Scharz.

27

00:01:36,375 --> 00:01:38,750

Oh, I don't like Scharz either,
but I read him.

28

00:01:40,708 --> 00:01:41,666

What's your move?

29

00:01:44,166 --> 00:01:45,708

Queen takes queen. Check.

30

00:01:45,791 --> 00:01:47,833

The weather is hot today.

31

00:01:49,458 --> 00:01:50,708

I feel sick.

32

00:01:50,791 --> 00:01:52,791

Mm.

33

00:02:28,000 --> 00:02:29,000

Here you go.

34

00:02:44,666 --> 00:02:45,750

Not that one.

35

00:02:47,625 --> 00:02:48,458

This one.

36

00:03:03,958 --> 00:03:05,041

Benny?

37

00:03:06,208 --> 00:03:07,041

Come on.

38

00:03:52,291 --> 00:03:55,125

- Is there a bathroom?

- Oh, yeah, it's just through there.

39

00:04:23,000 --> 00:04:24,208

There's space in the closet.

40

00:04:24,291 --> 00:04:26,500

You can hang your clothes up
in there if you want.

41

00:04:27,250 --> 00:04:28,083

Okay.

42

00:04:46,916 --> 00:04:49,958

- I thought I was gonna get a couch.

- No, I said living room.

43

00:04:51,666 --> 00:04:52,833

Just gotta...

44

00:04:53,916 --> 00:04:54,750

Pump it up.

45

00:05:03,208 --> 00:05:04,875

- I got it.

- Really?

46

00:05:04,958 --> 00:05:07,083

- You sure? Gonna be all right?

- Sure.

47

00:05:11,458 --> 00:05:13,833

Oh, there's no booze in the apartment.

48

00:05:14,458 --> 00:05:15,875

Didn't think there would be.

49

00:06:07,416 --> 00:06:09,125

You can get changed in my bedroom.

50

00:06:11,083 --> 00:06:12,166

I need a shower.

51

00:06:13,541 --> 00:06:14,500

She's all yours.

52

00:06:26,416 --> 00:06:27,875

Here, we'll start with these.

53

00:06:30,583 --> 00:06:32,875

"The Hastings Christmas Chess Congress."

54

00:06:32,958 --> 00:06:35,333

"Falaise Hall, White Rock Gardens."

55

00:06:35,416 --> 00:06:36,916

"Record of games."

56

00:06:38,041 --> 00:06:41,083

"Luchenko-Uhlmann. Borgov-Penrose."

57

00:06:43,250 --> 00:06:44,625

<i>"Grandmaster Chess."</i> Whoo!

58

00:06:46,500 --> 00:06:48,125

Play the Hastings games first.

59

00:06:48,208 --> 00:06:49,291

I'll play black.

60

00:06:49,375 --> 00:06:50,791

I haven't had any breakfast.

61

00:06:52,708 --> 00:06:54,041

Eggs are in the fridge.

62

00:06:54,125 --> 00:06:55,000

Thank you.

63

00:06:55,083 --> 00:06:57,083

Then, we'll play the Borgov games first.

64

00:06:58,333 --> 00:07:00,708

- All of them?

- He will be in Paris.

65

00:07:00,791 --> 00:07:01,625

Fine.

66

00:07:02,833 --> 00:07:03,750

I will eat first.

67

00:07:07,958 --> 00:07:11,958

<i>Why not advance the knight?</i>

<i>Why isn't he defending against the rook?</i>

68

00:07:13,000 --> 00:07:15,333

<i>What's gonna become of the backward pawn?</i>

69

00:07:20,125 --> 00:07:23,333

*<i>You replay the game
so you can feel the wins for yourself.</i>*

70

00:07:27,166 --> 00:07:29,166

<i>You read game books like Reinfeld</i>

71

00:07:29,250 --> 00:07:32,250

*<i>that are full of queen sacrifices
and melodrama.</i>*

72

00:07:32,916 --> 00:07:34,791

<i>You know from your tournament experience</i>

73

00:07:34,875 --> 00:07:39,041

*<i>you can't rely on your opponent
setting himself up for a queen sacrifice,</i>*

74

00:07:39,125 --> 00:07:41,625

*<i>or a surprise mate
with a knight and a rook.</i>*

75

00:07:48,333 --> 00:07:50,083

<i>But that's who you are.</i>

76

00:07:50,166 --> 00:07:51,958

<i>You're bored with ordinary chess,</i>

77

00:07:52,041 --> 00:07:54,333

<i>even when it's played by Grandmasters.</i>

78

00:07:58,875 --> 00:08:00,458

<i>You're bored in the way you probably were</i>

79

00:08:00,541 --> 00:08:03,083

<i>when you read

Reuben Fine's endgame analysis.</i>

80

00:08:03,166 --> 00:08:05,291

<i>And then the counter analysis</i>

<i>in </i>Chess Review

81

00:08:05,375 --> 00:08:07,208

<i>that pointed out the errors

in Reuben Fine.</i>

82

00:08:07,291 --> 00:08:08,416

Benny...

83

00:08:09,291 --> 00:08:10,125

...look at this.

84

00:08:11,791 --> 00:08:13,083

Fine missed one.

85

00:08:14,125 --> 00:08:15,125

Look. Ready?

86

00:08:16,416 --> 00:08:17,375

Black...

87

00:08:18,583 --> 00:08:19,666

Has this...

88

00:08:20,916 --> 00:08:21,750

With the knight.

89

00:08:26,416 --> 00:08:28,041

- Yeah.

- It's good, it's good!

90

00:08:28,125 --> 00:08:29,875

Yeah. Yeah.

91

00:08:30,833 --> 00:08:31,666

Huh.

92

00:08:36,666 --> 00:08:40,125

<i>And you haven't done anything</i>

<i>like what I'm making you do now.</i>

93

00:08:41,583 --> 00:08:43,500

<i>We're playing serious chess.</i>

94

00:08:44,833 --> 00:08:46,833

<i>Workmanlike chess.</i>

95

00:08:46,916 --> 00:08:49,833

The kind of chess played
by the best players in the world,

96

00:08:49,916 --> 00:08:50,833

the Soviets.

97

00:08:53,375 --> 00:08:56,083

And you know why
they're the best players in the world?

98

00:08:56,166 --> 00:08:58,000

They have the best suits?

99

00:08:58,083 --> 00:09:00,375

It's because they play together as a team,

100

00:09:01,041 --> 00:09:02,708

especially during adjournments.

101

00:09:04,416 --> 00:09:05,541

They help each other out.

102

00:09:05,625 --> 00:09:10,208

Us Americans, we work alone
because we're all such individualists.

103

00:09:10,708 --> 00:09:12,708

We don't like to let anyone help us.

104

00:09:13,416 --> 00:09:15,041

You're helping me now.

105

00:09:15,125 --> 00:09:16,166

Am I?

106

00:09:17,416 --> 00:09:19,541

'Cause it looks more
like I'm putting you to sleep.

107

00:09:20,375 --> 00:09:21,333

I'm sorry.

108

00:09:22,041 --> 00:09:22,875

I'm tired.

109

00:09:23,833 --> 00:09:25,250

I should probably go to bed.

110

00:09:26,291 --> 00:09:28,083

What, and miss out on all the fun?

111

00:09:28,166 --> 00:09:29,791

Mm. I'll survive.

112

00:09:35,583 --> 00:09:36,458

What fun?

113

00:09:38,333 --> 00:09:39,916

I wonder who that could be.

114

00:09:43,708 --> 00:09:45,791

Hey!

115

00:09:45,875 --> 00:09:47,416

Right on time.

116

00:09:47,500 --> 00:09:49,916

- Come on in, come on in.

- Good to see you.

117

00:09:50,750 --> 00:09:55,416

Beth Harmon, this is Hilton Wexler
and Grandmaster Arthur Levertov.

118

00:09:56,666 --> 00:09:57,500

The new champ.

119

00:09:57,583 --> 00:09:58,708

Hi.

120

00:09:58,791 --> 00:10:01,166

Congratulations.

Benny needed a lesson in humility.

121

00:10:01,250 --> 00:10:03,791

I'm already tops in humility.

122

00:10:03,875 --> 00:10:04,875

Hello, Beth.

123

00:10:05,833 --> 00:10:07,250

Uh... oh...

124

00:10:07,333 --> 00:10:08,166

I'm Cleo.

125

00:10:08,250 --> 00:10:09,083

Hi.

126

00:10:10,291 --> 00:10:11,375

Do you do problems?

127

00:10:12,291 --> 00:10:13,958

- No.

- Never?

128

00:10:14,041 --> 00:10:15,708

I always found them irrelevant.

129

00:10:15,791 --> 00:10:18,541

Positions that never come up

in actual games.

130

00:10:20,250 --> 00:10:21,708

Let me show you one you might like.

131

00:10:22,541 --> 00:10:23,375

Okay.

132

00:10:23,875 --> 00:10:26,125

- Can I mess this up?

- Go ahead.

133

00:10:26,208 --> 00:10:28,458

Hilton, she is not

one of your problem freaks.

134

00:10:28,541 --> 00:10:31,041

- She's the US Champion, for Christ's sake.

- It's okay.

135

00:10:31,125 --> 00:10:33,750

This one is...

136

00:10:34,833 --> 00:10:37,375

...my favorite.

137

00:10:38,291 --> 00:10:39,875

How does White win in three?

138

00:10:43,083 --> 00:10:45,416

Benny, under what mound
do you hide your drinking glasses?

139

00:10:45,500 --> 00:10:47,000

Hey, quit distracting her.

140

00:10:47,583 --> 00:10:48,500

She's not.

141

00:10:52,875 --> 00:10:54,291

King to queen seven.

142

00:10:54,375 --> 00:10:56,125

Jesus! That's fast.

143

00:10:57,000 --> 00:10:57,958

Drink?

144

00:11:01,416 --> 00:11:02,916

No, thank you.

145

00:11:04,500 --> 00:11:06,166

I should fix the food.

146

00:11:09,416 --> 00:11:11,083

Come on, that's enough of that.

147

00:11:11,166 --> 00:11:14,500

- Come on.

- Do you ever clean?

148

00:11:14,583 --> 00:11:16,750

Are you here with Arthur or Hilton?

149

00:11:17,375 --> 00:11:18,333

Both of them.

150

00:11:19,083 --> 00:11:20,125

Neither of them.

151

00:11:20,958 --> 00:11:23,458

Two of them are better than one,
if you know what I mean.

152

00:11:24,375 --> 00:11:27,125

How do you all know each other?

153

00:11:27,833 --> 00:11:29,166

A sad story,

154

00:11:29,750 --> 00:11:32,208

involving me, a bad breakup,

155

00:11:32,291 --> 00:11:34,458

and a walk through
<i>le</i> Jardin du Luxembourg,

156

00:11:34,541 --> 00:11:37,375

where those two stopped me

from killing myself.

157

00:11:39,041 --> 00:11:40,791

Like I say, a sad story.

158

00:11:42,625 --> 00:11:44,458

But as I walked past,

159

00:11:44,541 --> 00:11:47,958

Arthur and Hilton were having
a violent argument over a chessboard,

160

00:11:48,041 --> 00:11:51,166

and I became mesmerized by their passion.

161

00:11:51,250 --> 00:11:53,166

Well, that's how they tell it, anyway.

162

00:11:54,250 --> 00:11:56,291

No, the truth is, um...

163

00:11:56,375 --> 00:11:59,291

Benny was there,
and I became mesmerized by Benny.

164

00:12:01,750 --> 00:12:02,958

Over and done.

165

00:12:03,041 --> 00:12:04,166

What do you do?

166

00:12:05,708 --> 00:12:06,541

Guess.

167

00:12:07,875 --> 00:12:09,458

Something in fashion?

168

00:12:09,541 --> 00:12:12,291

That's a nice way to put it.

169

00:12:13,458 --> 00:12:14,416

I'm a model.

170

00:12:15,250 --> 00:12:17,125

Wow.

171

00:12:17,750 --> 00:12:19,166

That must be exciting.

172

00:12:19,250 --> 00:12:23,291

Fashion is exciting.

Modeling and models are insipid.

173

00:12:24,375 --> 00:12:26,375

But it pays for my studio in the Marais.

174

00:12:27,625 --> 00:12:29,208

Oh, you have not been to Paris?

175

00:12:29,750 --> 00:12:30,583

Not yet.

176

00:12:31,208 --> 00:12:33,416

- Do you live there?

- Sometimes.

177

00:12:33,500 --> 00:12:35,750

Sometimes Berlin, sometimes here.

178

00:12:35,833 --> 00:12:37,125

I'm a, uh...

179

00:12:37,958 --> 00:12:41,125

- How do you say? A vagabond?

- I don't know.

180

00:12:41,791 --> 00:12:44,000

Modeling sounds pretty exciting to me.

181

00:12:45,708 --> 00:12:48,416

Plus, I imagine

they give you a lot of free clothes.

182

00:12:48,500 --> 00:12:50,333

Ah, you like nice clothes, huh?

183

00:12:50,833 --> 00:12:52,083

I do.

184

00:12:52,583 --> 00:12:54,208

You could never be a model.

185

00:12:55,750 --> 00:12:58,208

You are pretty enough,
but you are much too smart.

186

00:12:58,291 --> 00:12:59,875

Models are empty creatures.

187

00:12:59,958 --> 00:13:03,291

The camera lens fills them
with color and texture,

188

00:13:03,375 --> 00:13:05,333

and, once in a while, even mystery.

189

00:13:05,958 --> 00:13:08,416

But just like there is no mystery
to a vacant lot,

190

00:13:08,500 --> 00:13:11,708

it's just there until you put
something interesting on top of it...

191

00:13:12,666 --> 00:13:13,875

Models are the same.

192

00:13:15,000 --> 00:13:16,750

They are just what you put on them.

193

00:13:18,500 --> 00:13:20,250

You know, most are terrible in bed.

194

00:13:21,708 --> 00:13:25,125

But then, anyone who doesn't eat
is terrible in bed, don't you think?

195

00:13:29,541 --> 00:13:30,458

Here we go.

196

00:13:42,416 --> 00:13:43,416

What?

197

00:13:44,625 --> 00:13:46,625

Let's do a simultaneous.

198

00:13:47,208 --> 00:13:48,166

You...

199

00:13:48,666 --> 00:13:49,666

Play all of us.

200

00:13:49,750 --> 00:13:52,083

Uh, not me.

I don't even know the rules.

201

00:13:52,166 --> 00:13:53,500

I'll spectate.

202

00:13:54,375 --> 00:13:57,500

- Do we have enough boards, enough pieces?

- Yeah, in the closet.

203

00:13:57,583 --> 00:13:59,416

We can set them up

right here on the floor.

204

00:14:02,250 --> 00:14:03,250

Okay.

205

00:14:03,833 --> 00:14:06,416

- Time control?

- Let's play speed chess.

206

00:14:06,500 --> 00:14:09,875

Well, that'll give us an edge.

We can think on your time.

207

00:14:09,958 --> 00:14:11,583

Mm. I wanna try it.

208

00:14:11,666 --> 00:14:13,166

You're not so good at that, remember?

209

00:14:13,250 --> 00:14:14,750

I'll bet you ten I can beat you.

210

00:14:17,541 --> 00:14:20,041

What if you throw the other games,
spend all your time against me?

211

00:14:20,125 --> 00:14:22,208

What if I kick you in the crotch?

212

00:14:23,625 --> 00:14:27,250

- I'll bet you ten on them, too.

- Okay. It's your money.

213

00:14:27,833 --> 00:14:28,666

It will be.

214

00:15:33,916 --> 00:15:34,875

Let's do it again.

215

00:16:12,833 --> 00:16:13,833

Again.

216

00:16:33,750 --> 00:16:34,625

Again.

217

00:16:51,875 --> 00:16:53,166

Well, kid...

218

00:16:54,958 --> 00:16:56,250

I think you've got it.

219

00:17:05,833 --> 00:17:08,750

It was such a pleasure.

Do look me up if you come to Paris.

220

00:17:08,833 --> 00:17:11,208

- Will you be there in two weeks?

- Oh, who knows?

221

00:17:14,250 --> 00:17:15,583

- Ah, bye.

- Bye-bye.

222

00:17:28,250 --> 00:17:29,083

What?

223

00:17:32,291 --> 00:17:35,583

Nobody has done that to me in 15 years.

224

00:17:36,125 --> 00:17:37,875

- Not even Borgov?

- Not even Borgov.

225

00:17:40,958 --> 00:17:42,541

And I'm sober as a judge,

226

00:17:43,166 --> 00:17:44,083

as Alma would say.

227

00:17:53,208 --> 00:17:54,416

I, myself, am not.

228

00:17:57,333 --> 00:17:58,166

Good night.

229

00:17:59,208 --> 00:18:00,041

Night.

230

00:18:00,833 --> 00:18:01,750

Wait. Hey.

231

00:18:07,416 --> 00:18:08,250

Yes?

232

00:18:12,833 --> 00:18:14,166

Do you still like my hair?

233

00:18:23,666 --> 00:18:25,625

<i>That's</i> what it's supposed to feel like.

234

00:18:31,083 --> 00:18:31,958

Hello?

235

00:18:33,833 --> 00:18:35,291

You should play the Sicilian.

236

00:18:37,458 --> 00:18:38,291

What?

237

00:18:39,416 --> 00:18:42,125

In your game with Borgov,
you should play the Sicilian.

238

00:18:44,166 --> 00:18:45,000

Why?

239

00:18:45,583 --> 00:18:46,916

It's what he's so good at.

240

00:18:47,625 --> 00:18:49,958

It's also

what you're most comfortable with.

241

00:18:51,291 --> 00:18:53,791

You should always

play your line, never his.

242

00:18:54,958 --> 00:18:56,416

You play what's best for you.

243

00:18:57,125 --> 00:18:57,958

Thank you.

244

00:18:59,041 --> 00:18:59,875

Anything else?

245

00:19:01,875 --> 00:19:02,875

One more thing.

246

00:19:02,958 --> 00:19:05,208

They never say "check"

at the big tournaments.

247

00:19:07,125 --> 00:19:08,250

Are you serious?

248

00:19:08,333 --> 00:19:11,208

Yeah, very.

They never lay their kings down, either.

249

00:19:11,833 --> 00:19:13,875

I meant, "Are you serious?"

250

00:19:13,958 --> 00:19:16,291

"This is what you're thinking about
right now?"

251

00:19:22,500 --> 00:19:23,416

Good night, Benny.

252

00:19:31,333 --> 00:19:32,166

Good night.

253

00:19:36,708 --> 00:19:39,500

<i>Welcome to our international tournament.</i>

254

00:19:39,583 --> 00:19:40,750

<i>This is a single round-robin event.</i>

255

00:19:40,833 --> 00:19:43,250

<i>Everyone plays everyone.</i>

256

00:19:43,333 --> 00:19:45,791

<i>There are six players and five rounds.</i>

257

00:19:45,875 --> 00:19:48,416

One round a day for five days

258

00:19:49,000 --> 00:19:51,500

with one day off for adjournments.

259

00:19:53,166 --> 00:19:55,833

*Places in our cross table
have been chosen by lot.*

260

00:19:55,916 --> 00:19:58,625

Colors have been chosen accordingly.

261

00:19:59,208 --> 00:20:02,583

Mr. Borgov, what's
it like to compete with younger players,

262

00:20:02,666 --> 00:20:04,875

and how much longer
do you think you'll play?

263

00:20:23,958 --> 00:20:27,250

"I feel good,
as good as I felt when I was 4 years old,

264

00:20:27,333 --> 00:20:28,791

and played my first game."

265

00:20:29,791 --> 00:20:30,791

<i>"Chess still...</i>

266

00:20:31,541 --> 00:20:33,208

<i>Excites me in the same way."</i>

267

00:20:33,291 --> 00:20:35,000

<i>"I have no plans to stop playing,</i>

268

00:20:35,083 --> 00:20:36,791

<i>and I'll...</i>

269

00:20:37,541 --> 00:20:40,125

likely die with my head on a chessboard."

270

00:20:41,291 --> 00:20:45,083

Miss Harmon, what do you say
to those in the Chess Federation

271

00:20:45,166 --> 00:20:47,500

<i>who accuse you of being too glamorous</i>

272

00:20:47,583 --> 00:20:49,166

to be a serious chess player?

273

00:20:52,375 --> 00:20:54,708

I would say

that it's much easier to play chess

274

00:20:54,791 --> 00:20:56,708

without the burden of an Adam's apple.

275

00:20:58,083 --> 00:21:00,875

So, how are you feeling

about your match with Alec Bergland?

276

00:21:01,791 --> 00:21:03,333

I'm looking forward to it.

277

00:21:03,416 --> 00:21:05,583

Does that mean you think you can beat him?

278

00:21:05,666 --> 00:21:07,416

It means that I have to beat him.

279

00:21:08,416 --> 00:21:13,166

Miss Harmon, do you feel good
about rematch with Grandmaster Borgov?

280

00:21:13,250 --> 00:21:14,666

Very good.

281

00:21:14,750 --> 00:21:17,500

I slept on the plane,
so I arrived in Paris with no jet lag.

282

00:21:17,583 --> 00:21:19,250

I'm very well rested.

283

00:21:19,333 --> 00:21:23,541

At night, I stay in my room,
and study Mr. Borgov's old games.

284

00:21:23,625 --> 00:21:25,916

Including the one against you

in Mexico City?

285

00:21:28,541 --> 00:21:30,208

Epecially that one.

286

00:21:32,666 --> 00:21:36,000

The time control

is 40 moves in two and half hours.

287

00:21:36,541 --> 00:21:37,416

Any questions?

288

00:21:38,166 --> 00:21:39,000

Very well.

289

00:21:39,083 --> 00:21:40,416

Good luck to each of you.

290

00:21:40,500 --> 00:21:41,333

May the best man,

291

00:21:41,416 --> 00:21:42,333

or woman,

292

00:21:42,416 --> 00:21:43,583

win.

293

00:22:42,958 --> 00:22:44,166

I'm sorry, Mademoiselle?

294

00:22:44,250 --> 00:22:46,958

Excuse me. Would it be possible
to have an autograph?

295

00:23:52,916 --> 00:23:54,375

Mademoiselle.

296

00:23:55,250 --> 00:23:56,875

Tomorrow, it's you...

297

00:23:57,875 --> 00:23:59,375

...against Grandmaster Borgov.

298

00:24:46,875 --> 00:24:47,708

Hello?

299

00:24:48,083 --> 00:24:51,208

<i>What, you thought you could sneak</i>

<i>into town without me knowing?</i>

300

00:24:51,875 --> 00:24:53,000

Who is this?

301

00:24:53,083 --> 00:24:54,583

<i>And now you insult me.</i>

302

00:24:57,291 --> 00:24:59,291

- Cleo?

- A very sad Cleo.

303

00:24:59,375 --> 00:25:02,666

<i>I'm sorry. I was just...</i>

304

00:25:03,875 --> 00:25:05,916

- Where are you?

<i>- Downstairs.</i>

305

00:25:07,250 --> 00:25:08,791

- Here?

- I thought you might come down

306

00:25:08,875 --> 00:25:10,000

and join me for a drink.

307

00:25:12,708 --> 00:25:14,125

I have a match tomorrow.

308

00:25:14,208 --> 00:25:17,000

One drink*<i>*,*</i>* and then you go back up
and resume your rigors.

309

00:25:18,875 --> 00:25:19,875

It's the final.

310

00:25:20,375 --> 00:25:22,041

I should probably sleep.

311

00:25:22,125 --> 00:25:23,250

*<i>*Of course you should.*</i>*

312

00:25:23,791 --> 00:25:24,708

<i>I understand.</i>

313

00:25:25,375 --> 00:25:27,750

But maybe tomorrow night?

314

00:25:27,833 --> 00:25:30,083

Well, who knows

where I'll be so far in the future?

315

00:25:30,166 --> 00:25:32,833

But, um, I wish you luck in your match.

316

00:25:34,291 --> 00:25:35,125

Thank you.

317

00:25:36,083 --> 00:25:37,500

<i>You know, it's a lovely bar.</i>

318

00:25:38,375 --> 00:25:41,000

I think I'll go toast

your success on my own.

319

00:25:42,750 --> 00:25:43,833

Sweet dreams.

320

00:26:07,583 --> 00:26:08,416

Hi.

321

00:26:09,750 --> 00:26:13,000

So, the pretty girl has taste
to go with her other gifts, huh?

322

00:26:14,625 --> 00:26:16,000

You make me sick, you know.

323

00:26:16,875 --> 00:26:18,875

Thank you, so do you.

324

00:26:20,500 --> 00:26:22,333

Now, just one drink.

325

00:26:23,166 --> 00:26:24,416

I wanna get to bed early.

326

00:26:25,208 --> 00:26:26,041

Okay.

327

00:26:26,833 --> 00:26:29,208

So, what will you have then,
for your one drink?

328

00:26:29,791 --> 00:26:31,750

Must be special if it is your only one.

329

00:26:33,291 --> 00:26:34,291

What are you having?

330

00:26:35,250 --> 00:26:36,833

It's called *pastis*.

331

00:26:37,958 --> 00:26:39,916

Very Parisian, very ordinary.

332

00:26:41,208 --> 00:26:42,041

Here, try it.

333

00:26:50,375 --> 00:26:51,583

Tastes like licorice.

334

00:26:51,666 --> 00:26:52,500

Mmm.

335

00:26:53,000 --> 00:26:53,833

The anise.

336

00:26:55,000 --> 00:26:55,833

I like it.

337

00:26:56,958 --> 00:27:00,208

- I could see myself living here.

- I could see it, too.

338

00:27:00,708 --> 00:27:03,041

A little <i>pied-à-terre</i>

on the Rue des Capucines,

339

00:27:03,125 --> 00:27:04,583

or the Boulevard Raspail.

340

00:27:05,666 --> 00:27:07,625

In a few years, I'll be world champion.

341

00:27:08,166 --> 00:27:09,541

I can live wherever I want.

342

00:27:10,208 --> 00:27:12,000

It will be much sooner than that.

343

00:27:12,541 --> 00:27:14,125

If I lived here...

344

00:27:16,041 --> 00:27:19,666

I would go to plays, and concerts, and...

345

00:27:20,250 --> 00:27:23,250

I would eat lunch

in a different cafe every day.

346

00:27:23,333 --> 00:27:25,666

And I would dress the way
that women do here, you know?

347

00:27:25,750 --> 00:27:29,291

So smart with their nice dresses,
and their perfect haircuts.

348

00:27:29,375 --> 00:27:31,666

You already have
so much more than they do.

349

00:27:32,708 --> 00:27:35,000

And something that none of them have.

350

00:27:36,041 --> 00:27:36,958

Talent.

351

00:27:38,000 --> 00:27:40,666

And that can give you a life
that anyone would envy.

352

00:27:43,041 --> 00:27:45,000

There's nothing keeping me in Kentucky.

353

00:27:46,375 --> 00:27:47,875

The possibilities are endless.

354

00:27:48,708 --> 00:27:51,291

And one of those possibilities
is staring at you.

355

00:27:57,750 --> 00:28:00,000

No, they're looking at you.

356

00:28:00,750 --> 00:28:01,750

I think not.

357

00:28:02,750 --> 00:28:04,000

You are very beautiful.

358

00:28:05,708 --> 00:28:08,250

- I don't see myself that way.

- Then you are blind.

359

00:28:08,333 --> 00:28:09,291

Do you like to fuck?

360

00:28:10,208 --> 00:28:11,833

- Cleo!

- What?

361

00:28:11,916 --> 00:28:14,291

I make it easier for you.

Did you like to fuck Benny?

362

00:28:15,833 --> 00:28:16,666

Sometimes.

363

00:28:16,750 --> 00:28:18,208

How romantic.

364

00:28:19,291 --> 00:28:20,875

And have you ever been in love?

365

00:28:22,791 --> 00:28:23,791

Not with Benny.

366

00:28:23,875 --> 00:28:24,708

Of course not.

367

00:28:24,791 --> 00:28:27,875

No woman can compete
with Benny's love for himself.

368

00:28:31,166 --> 00:28:32,791

So, we are still in love?

369

00:28:35,291 --> 00:28:36,250

What's his name?

370

00:28:38,416 --> 00:28:39,333

Townes.

371

00:28:42,208 --> 00:28:43,833

To unrequited love.

372

00:28:44,958 --> 00:28:46,791

And to stupid men.

373

00:28:47,583 --> 00:28:48,416

Exactly.

374

00:28:54,208 --> 00:28:55,916

Let's see how many lies they tell.

375

00:28:56,625 --> 00:28:57,458

Excuse me?

376

00:29:10,750 --> 00:29:13,208

Mademoiselle?

Mademoiselle Harmon, *<i>vous êtes là?</i>*

377

00:29:16,291 --> 00:29:18,500

Mademoiselle, *<i>on vous attend.</i>*

378

00:29:21,333 --> 00:29:23,000

<i>Je descends tout de suite.</i>

379

00:29:23,083 --> 00:29:23,916

Okay?

380

00:29:48,000 --> 00:29:49,125

Thank you.

381

00:30:11,375 --> 00:30:12,458

I'm sorry.

382

00:33:20,875 --> 00:33:21,708

I resign.

383

00:33:31,583 --> 00:33:33,291

<i>There's a rumor you were drunk.</i>

384

00:33:33,375 --> 00:33:34,666

<i>I wasn't drunk.</i>

385

00:33:35,250 --> 00:33:36,583

<i>Or hungover, then.</i>

386

00:33:37,250 --> 00:33:39,375

<i> I could have been stone-cold sober.</i>

387

00:33:40,416 --> 00:33:42,291

*<i>It wouldn't have made
the slightest difference.</i>*

388

00:33:42,375 --> 00:33:43,708

<i>I don't believe that.</i>

389

00:33:44,208 --> 00:33:46,583

*<i>What time do you get in?
I can come pick you up.</i>*

390

00:33:47,083 --> 00:33:48,833

<i>I'm going back to Lexington.</i>

391

00:33:49,583 --> 00:33:50,583

<i>I need to be alone.</i>

392

00:33:50,666 --> 00:33:53,291

<i>That is the opposite of what you need.</i>

393

00:33:53,375 --> 00:33:56,583

*<i>Beth, please just come to New York.
We can talk it out.</i>*

394

00:33:59,541 --> 00:34:02,000

<i>- Beth?</i>

<i>- Thank you, Benny.</i>

395

00:34:02,750 --> 00:34:03,583

<i>For everything.</i>

396

00:34:04,208 --> 00:34:07,500

<i>You shouldn't be by yourself.</i>

<i>You know what happens.</i>

397

00:34:07,583 --> 00:34:09,125

<i>Maybe that's what I want.</i>

398

00:34:09,208 --> 00:34:13,125

- <i>What, to get drunk?</i>

<i>- Yeah, good and drunk.</i>

399

00:34:13,958 --> 00:34:14,958

<i>Fucking bombed.</i>

400

00:34:15,708 --> 00:34:17,541

<i>And maybe high, too. Why not?</i>

401

00:34:18,166 --> 00:34:20,875

- *<i>You wouldn't if you were with me.</i>*

<i>- I know.</i>

402

00:34:21,833 --> 00:34:24,083

<i>What if I said,</i>

<i>"Go ahead, get drunk"?</i>

403

00:34:24,583 --> 00:34:25,583

<i>Would you come then?</i>

404

00:34:26,166 --> 00:34:28,750

<i>Benny, I don't know what I'm doing.</i>

405

00:34:31,875 --> 00:34:32,708

<i>Or going to do.</i>

406

00:35:00,000 --> 00:35:01,583

- Hello.

<i>- This is Dick Chennault.</i>

407

00:35:05,250 --> 00:35:07,208

- Um...

<i>- Your lawyer.</i>

408

00:35:08,625 --> 00:35:09,458

Oh.

409

00:35:10,458 --> 00:35:13,875

<i>I tried to get you three times yesterday,
and the day before. Where you been?</i>

410

00:35:16,000 --> 00:35:16,875

In Paris.

411

00:35:17,583 --> 00:35:18,416

Playing chess.

412

00:35:18,958 --> 00:35:20,166

<i>How sweet it must be.</i>

413

00:35:22,041 --> 00:35:23,958

What is it I can do for you,
Mr. Chennault?

414

00:35:24,041 --> 00:35:26,791

*<i>Uh, it's, uh, it's Wheatley.
He doesn't wanna sign.</i>*

415

00:35:28,166 --> 00:35:29,333

Sign what?

416

00:35:29,416 --> 00:35:31,000

<i>Title for the house.</i>

417

00:35:32,291 --> 00:35:34,333

*<i>Can you get over here
so we can work it out?</i>*

418

00:35:35,333 --> 00:35:37,958

I don't see why you would need me.
You're the lawyer.

419

00:35:39,458 --> 00:35:41,958

And he said he would sign

whatever was necessary, so...

420

00:35:42,041 --> 00:35:44,791

<i>Oh, well, apparently,
he's changed his mind.</i>

421

00:36:00,250 --> 00:36:01,083

Come in.

422

00:36:05,333 --> 00:36:06,166

Beth.

423

00:36:07,916 --> 00:36:09,458

<i>Mr. Wheatley has a proposal.</i>

424

00:36:10,083 --> 00:36:13,041

You can live here while you're looking
for something permanent.

425

00:36:13,958 --> 00:36:16,458

I thought I could keep the house
if I made the payments.

426

00:36:16,541 --> 00:36:17,583

Uh, Mr. Wheatley...

427

00:36:18,416 --> 00:36:20,208

Says you misconstrued him.

428

00:36:21,041 --> 00:36:24,541

He, uh, claims he was just permitting you
to stay in the house, uh...

429

00:36:25,125 --> 00:36:26,250

Until you got settled.

430

00:36:27,000 --> 00:36:27,916

That's not true.

431

00:36:29,541 --> 00:36:30,666

He said I could have it.

432

00:36:32,416 --> 00:36:33,250

Remember?

433

00:36:37,416 --> 00:36:38,875

Can't you even look at me?

434

00:36:41,125 --> 00:36:43,500

- You adopted me. Can't you talk to me?

- Alma.

435

00:36:44,666 --> 00:36:46,666

- Alma wanted a child.

- You signed the papers.

436

00:36:46,750 --> 00:36:50,250

- You took on a responsibility.

- Alma wanted to adopt you, not me.

437

00:36:50,333 --> 00:36:51,875

You're not entitled to everything I own,

438

00:36:51,958 --> 00:36:54,041

just 'cause I signed

some papers to shut her up.

439

00:36:55,333 --> 00:36:56,291

Not that it worked.

440

00:36:57,666 --> 00:36:59,458

You adopted me.

441

00:37:01,083 --> 00:37:02,083

I didn't ask you to.

442

00:37:03,416 --> 00:37:06,166

- You're my legal father.

- The money in this house is mine!

443

00:37:06,708 --> 00:37:08,875

No smart-assed orphan
is gonna take it away from me.

444

00:37:08,958 --> 00:37:11,708

Oh, I'm not an orphan.

I'm your daughter.

445

00:37:11,791 --> 00:37:13,166

Not in my book, you aren't.

446

00:37:14,166 --> 00:37:16,500

I don't give a shit
what your goddamn lawyer says.

447

00:37:16,583 --> 00:37:20,000

Or what Alma said, either.
That woman could not keep her mouth shut.

448

00:37:20,083 --> 00:37:22,375

I thought the piano would help, it didn't.

449

00:37:22,458 --> 00:37:23,875

So, here you are.

450

00:37:23,958 --> 00:37:26,000

It's all so pathetic.

451

00:37:29,458 --> 00:37:30,916

Did you ever hear her play?

452

00:37:32,333 --> 00:37:33,333

Of course.

453

00:37:33,416 --> 00:37:35,250

Yes, but did you ever really listen?

454

00:37:36,666 --> 00:37:39,125

Alma was not pathetic,
she was stuck. There's a difference.

455

00:37:39,250 --> 00:37:41,125

She didn't know how to get out of it.

456

00:37:41,666 --> 00:37:42,750

Pathetic, well...

457

00:37:45,000 --> 00:37:46,208

I'm looking at pathetic.

458

00:37:49,750 --> 00:37:51,833

What do you want from Beth, Mr. Wheatley?

459

00:37:51,916 --> 00:37:55,000

- I want her out. I'm selling the house.

- Sell it to me.

460

00:37:55,916 --> 00:37:56,958

What are you talking about?

461

00:37:57,958 --> 00:37:58,791

I'll buy it.

462

00:37:59,833 --> 00:38:01,166

I'll pay whatever your equity is.

463

00:38:01,250 --> 00:38:03,583

- No, it's worth more than that now.

- How much more?

464

00:38:05,583 --> 00:38:06,791

I'd need 7,000.

465

00:38:06,875 --> 00:38:08,416

Your equity is less than five.

466

00:38:08,500 --> 00:38:10,750

It's seven. I'll show you the receipts.

467

00:38:14,166 --> 00:38:15,000

Fine.

468

00:38:16,458 --> 00:38:17,291

Seven thousand.

469

00:38:20,125 --> 00:38:21,750

- You have that much?

- Yes.

470

00:38:22,416 --> 00:38:25,500

But I will be subtracting
what I paid to bury Mother.

471

00:38:28,416 --> 00:38:29,791

I'll show you the receipts.

472

00:38:31,666 --> 00:38:33,458

It's too hot in here.

473

00:38:39,375 --> 00:38:40,208

Well...

474

00:38:41,291 --> 00:38:42,125

Good luck.

475

00:38:48,000 --> 00:38:52,375

I'll, uh...

...send over the paperwork in a day or so.

476

00:38:53,500 --> 00:38:54,750

Um...

477

00:40:26,041 --> 00:40:26,875

Hi.

478

00:40:27,833 --> 00:40:28,916

You want another job?

479

00:41:36,666 --> 00:41:37,833

<i>Dear Miss Harmon,</i>

480

00:41:38,416 --> 00:41:41,416

<i>as we have been unable
to reach you by telephone,</i>

481

00:41:41,500 --> 00:41:45,541

<i>we are writing to determine your interest
in the support of Christian Crusade</i>

482

00:41:45,625 --> 00:41:48,666

<i>in your forthcoming competition
in the USSR.</i>

483

00:41:50,458 --> 00:41:53,500

<i>Christian Crusade
is a nonprofit organization</i>

484

00:41:53,583 --> 00:41:57,333

<i>dedicated to the opening
of closed doors to the message of Christ.</i>

485

00:41:59,541 --> 00:42:03,041

<i>We have found your career
as a trainee of a Christian institution,</i>

486

00:42:03,125 --> 00:42:05,333

<i>the Methuen Home, noteworthy.</i>

487

00:42:06,208 --> 00:42:08,916

<i>We would like to help you
in your forthcoming struggle,</i>

488

00:42:09,000 --> 00:42:12,041

<i>since we share your Christian ideals
and aspirations.</i>

489

00:42:14,291 --> 00:42:16,458

<i>If you are interested in our support,</i>

490

00:42:16,541 --> 00:42:18,875

<i>please contact our offices in Houston.</i>

491

00:42:20,875 --> 00:42:23,458

<i>Yours in Christ, Crawford Walker.</i>

492

00:42:24,458 --> 00:42:26,416

<i>Take the money. They're loaded.</i>

493

00:42:26,500 --> 00:42:28,666

<i>They'd pay for my ticket to Russia?</i>

494

00:42:28,750 --> 00:42:29,708

More than that.

495

00:42:30,375 --> 00:42:34,000

If you need to play another match before,
they'll back you,

496

00:42:34,083 --> 00:42:36,625

and if you ask them,
they'll fly me out there with you.

497

00:42:37,458 --> 00:42:40,625

*<i>Separate rooms, of course,
considering their views.</i>*

498

00:42:40,708 --> 00:42:42,000

Why would they pay so much?

499

00:42:42,083 --> 00:42:45,541

They want us to beat Communists for Jesus.

500

00:42:46,458 --> 00:42:49,875

These are the same people that paid
for part of my way two years ago.

501

00:42:52,916 --> 00:42:54,041

Are you, uh...

502

00:42:55,041 --> 00:42:56,166

Coming to New York?

503

00:42:58,458 --> 00:43:00,166

I have to stay in Kentucky a bit longer.

504

00:43:00,791 --> 00:43:04,750

<i>I have a tournament in San Francisco,
and I need to take care of this place now.</i>

505

00:43:07,000 --> 00:43:09,708

I'm fine, Benny, really.

506

00:43:10,458 --> 00:43:11,291

<i>How are you?</i>

507

00:43:11,916 --> 00:43:12,750

I'm managing.

508

00:43:15,583 --> 00:43:16,416

I miss you.

509

00:43:23,041 --> 00:43:26,208

Study the game pamphlets
from the last Moscow Invitational.

510

00:43:27,083 --> 00:43:29,708

- I'm not even sure I'm gonna go.

<i>- Just do it, Beth.</i>

511

00:43:30,333 --> 00:43:31,666

Write the Jesus people back.

512

00:43:31,750 --> 00:43:34,500

Tell them you will take all the help
that they can give you.

513

00:44:56,708 --> 00:45:00,083

I will have the asparagus vinaigrette
as an appetizer

514

00:45:00,166 --> 00:45:01,958

while I think about my main course.

515

00:45:02,041 --> 00:45:03,333

Very well, Miss Harmon.

516

00:45:03,416 --> 00:45:05,125

And would you care for a cocktail?

517

00:45:06,666 --> 00:45:08,375

No, uh, Coke is fine.

518

00:45:10,875 --> 00:45:11,708

Actually...

519

00:45:13,333 --> 00:45:14,333

I'll have a Gibson.

520

00:45:15,375 --> 00:45:16,208

On the rocks.

521

00:45:17,458 --> 00:45:18,416

Of course.

522

00:47:03,458 --> 00:47:04,291

Hello.

523

00:47:05,083 --> 00:47:05,916

<i>Beth?</i>

524

00:47:07,166 --> 00:47:08,000

<i>Hello?</i>

525

00:49:40,166 --> 00:49:41,291

That's my girl.

526

00:50:06,583 --> 00:50:07,416

Beth?

527

00:50:10,708 --> 00:50:11,583

Are you in there?

528

00:50:14,250 --> 00:50:15,541

I've been calling.

529

00:50:16,625 --> 00:50:17,875

Are you okay?

530

00:50:18,875 --> 00:50:20,000

I'm worried about you.

531

00:50:23,500 --> 00:50:24,583

Beth, it's Harry.

532

00:50:28,833 --> 00:50:31,166

Beth, if you're in there,
please open the door.

533

00:51:03,041 --> 00:51:03,875

Hello.

534

00:51:04,416 --> 00:51:05,583

<i>Elizabeth Harmon?</i>

535

00:51:06,500 --> 00:51:08,791

- Yeah.

<i>- This is Ed Spencer.</i>

536

00:51:12,041 --> 00:51:12,875

Okay.

537

00:51:13,458 --> 00:51:15,291

<i>I'm the local tournament director.</i>

538

00:51:15,375 --> 00:51:16,750

<i>I'm calling about tomorrow.</i>

539

00:51:18,291 --> 00:51:19,125

Tomorrow?

540

00:51:19,666 --> 00:51:20,500

<i>The tournament.</i>

541

00:51:21,208 --> 00:51:23,375

<i>We were wondering
if you could come an hour early.</i>

542

00:51:23,458 --> 00:51:25,583

<i>The Louisville paper
is sending a photographer,</i>

543

00:51:25,666 --> 00:51:27,791

<i>and we think WLEX will have somebody.</i>

544

00:51:28,791 --> 00:51:29,958

<i>Could you come at nine?</i>

545

00:51:32,833 --> 00:51:33,916

<i>Miss Harmon?</i>

546

00:51:34,000 --> 00:51:35,791

Uh, yeah, um...

547

00:51:36,750 --> 00:51:38,333

I'll be there at 9:30.

548

00:51:40,000 --> 00:51:42,666

Half an hour is more than enough time
to take the pictures.

549

00:51:44,958 --> 00:51:45,791

Shit.

550

00:51:47,791 --> 00:51:48,625

Fuck.

551

00:52:00,833 --> 00:52:01,791

Oh, shit.

552

00:52:02,458 --> 00:52:03,375

Beth.

553

00:52:04,166 --> 00:52:05,041

Ed Spencer.

554

00:52:06,041 --> 00:52:08,291

- You made it.

- Yeah, hi. Um...

555

00:52:09,708 --> 00:52:12,125

You wouldn't happen to have any aspirin?

556

00:52:12,208 --> 00:52:14,500

- I'm sure I could find you some.

- Thank you.

557

00:52:16,083 --> 00:52:18,000

- N-no.

- Beth Harmon?

558

00:52:20,000 --> 00:52:21,041

Annette Packer.

559

00:52:21,791 --> 00:52:24,500

I was your first official win.

You cleaned my clock.

560

00:52:24,583 --> 00:52:27,250

- The whole thing lasted about 15 minutes.

- Sorry.

561

00:52:27,333 --> 00:52:28,875

Oh, don't be, it's an honor.

562

00:52:28,958 --> 00:52:30,250

I'm always telling people

563

00:52:30,333 --> 00:52:33,541

that I was there for

two of your big firsts.

564

00:52:35,833 --> 00:52:39,333

I... I knew you were going places,

and that meant something to me.

565

00:52:40,166 --> 00:52:41,000

You know?

566

00:52:41,083 --> 00:52:42,916

That it was possible...

567

00:52:44,166 --> 00:52:45,000

For us.

568

00:52:48,000 --> 00:52:50,458

So, are you playing here today?

569

00:52:50,541 --> 00:52:52,000

Oh, God, no.

570

00:52:52,083 --> 00:52:54,125

I haven't played in a few years now.

571

00:52:54,208 --> 00:52:56,625

I'm premed, so I have exactly zero time.

572

00:52:58,833 --> 00:53:00,833

I, um, I-I do miss it, though.

573

00:53:02,708 --> 00:53:03,541

Yeah.

574

00:53:04,458 --> 00:53:08,166

I, uh, I heard you were gonna be here,
so I came down for the weekend.

575

00:53:09,208 --> 00:53:10,708

To thank you in person.

576

00:53:16,333 --> 00:53:17,166

Anyway,

577

00:53:17,916 --> 00:53:18,916

I'll see you inside.

578

00:53:21,375 --> 00:53:22,208

Bye.

579

00:53:31,083 --> 00:53:32,000

Shit.

580

00:53:34,500 --> 00:53:36,333

Oh, thank you.

581

00:53:36,416 --> 00:53:38,166

There's no smoking in here.

582

00:53:39,541 --> 00:53:41,041

Right, of course. Thanks.

583

00:53:43,541 --> 00:53:45,416

Play starts in a few minutes.

584

00:53:45,500 --> 00:53:46,333

Right on!

585

00:53:51,833 --> 00:53:52,708

Goddamnit!

586

00:54:06,625 --> 00:54:07,875

You got a new car.

587

00:54:09,750 --> 00:54:11,875

Yeah, I, uh, I wrecked the other one.

588

00:54:13,291 --> 00:54:14,291

This one's more me.

589

00:54:15,666 --> 00:54:16,875

Are you here to play or...

590

00:54:17,416 --> 00:54:19,875

- No.

- Well, what are you doing here?

591

00:54:22,291 --> 00:54:23,416

I've been calling.

592

00:54:24,916 --> 00:54:26,166

I even came by one time.

593

00:54:27,958 --> 00:54:29,083

Did you?

594

00:54:29,166 --> 00:54:30,000

Yeah.

595

00:54:32,000 --> 00:54:33,166

I'm worried about you.

596

00:54:35,250 --> 00:54:36,625

What on earth for?

597

00:54:37,125 --> 00:54:39,458

I've seen you once or twice
at the supermarket.

598

00:54:40,291 --> 00:54:41,208

You following me?

599

00:54:41,291 --> 00:54:42,250

I work there.

600

00:54:44,041 --> 00:54:45,166

What?

601

00:54:45,583 --> 00:54:48,416

I'm Assistant Manager,
so I'm usually in the office.

602

00:54:51,208 --> 00:54:52,333

You've never said hello.

603

00:54:52,833 --> 00:54:54,041

Well, you didn't seem...

604

00:54:55,333 --> 00:54:56,458

Approachable.

605

00:55:00,583 --> 00:55:01,500

You need help.

606

00:55:01,583 --> 00:55:03,375

What kind of help would that be?

607

00:55:04,333 --> 00:55:05,916

Help with my chess? We tried that...

608

00:55:06,000 --> 00:55:09,125

- That's not what I'm talking about.

- What are we talking about?

609

00:55:11,291 --> 00:55:12,458

My dad drank.

610

00:55:13,958 --> 00:55:15,750

He wasn't mean or anything.

611

00:55:15,833 --> 00:55:18,250

He just got quiet
and fell asleep in his clothes.

612

00:55:21,083 --> 00:55:23,250

- Okay.
- You smell just like he did.

613

00:55:24,291 --> 00:55:25,958

Your eyes are just like his eyes,

614

00:55:26,875 --> 00:55:28,625

- and your skin is...
- My skin?

615

00:55:28,708 --> 00:55:29,791

Like I said...

616

00:55:31,125 --> 00:55:32,083

I'm worried about you.

617

00:55:32,166 --> 00:55:34,041

Sounds more like
you're feeling sorry for me.

618

00:55:34,125 --> 00:55:35,333

I didn't say that.

619

00:55:35,416 --> 00:55:38,166

I'm not the one supposed to be in college,
not working in a supermarket.

620

00:55:38,250 --> 00:55:39,125

I'm doing both.

621

00:55:39,208 --> 00:55:40,208

You know what?

622

00:55:41,458 --> 00:55:42,833

Yeah, I like working there.

623

00:55:43,833 --> 00:55:45,916

It's a good job, and the people are nice.

624

00:55:47,083 --> 00:55:48,000

Elizabeth!

625

00:55:53,375 --> 00:55:54,333

Good luck, Beth.

626

00:56:49,291 --> 00:56:51,416

Ow! Damn it! Harry!

627

00:56:53,333 --> 00:56:55,750

I told you to leave me alone!

628

00:56:58,625 --> 00:57:01,291

Jesus fucking Christ.

629

00:57:03,125 --> 00:57:05,833

Who the hell are you?

630

00:57:07,666 --> 00:57:08,500

Jolene?

S01EP7: End Game

1

00:00:07,916 --> 00:00:11,166

<i>You know, most times when people</i>

<i>tell us something's for the best,</i>

2

00:00:11,250 --> 00:00:12,208

<i>it's for the worst.</i>

3

00:00:13,333 --> 00:00:14,833

This time it's true, okay?

4

00:00:17,333 --> 00:00:19,208

I'll be right back.

5

00:00:36,916 --> 00:00:39,125

Hi, my name is Alice.

6

00:00:39,208 --> 00:00:40,083

Um, is Paul home?

7

00:00:40,625 --> 00:00:43,833

- I'm sorry, ma'am, this isn't a good time.

- Hey, what's going on?

8

00:00:46,000 --> 00:00:47,541

- Paul, who is that?

- I'm...

9

00:00:47,625 --> 00:00:49,458

Take Christopher back inside
right now.

10

00:00:50,500 --> 00:00:52,958

- What are you doing here?

- I came to say you were right.

11

00:00:53,041 --> 00:00:53,875

I was wrong.

12

00:00:53,958 --> 00:00:57,791

- Beth's in the car, just so you are aware.

- No, Jesus! Alice!

13

00:00:57,875 --> 00:01:00,458

It's been five years.

You can't just show up here!

14

00:01:00,541 --> 00:01:04,000

- I came because I can't do this.

- Listen to me.

15

00:01:04,083 --> 00:01:05,541

- Okay, I understand.

- I cannot.

16

00:01:05,625 --> 00:01:08,875

- I feel that I am letting her down.

- You cannot be here. Listen to me.

17

00:01:08,958 --> 00:01:11,208

I need you to get back in the car,
and you'll come back.

18

00:01:11,291 --> 00:01:13,083

- We'll talk another time.

- We can't.

19

00:01:13,166 --> 00:01:15,291

- We can talk now.

- No, we can't talk now.

20

00:01:15,375 --> 00:01:17,208

No, you shouldn't have brought her here!

21

00:01:17,291 --> 00:01:19,791

- Why did you bring her here?

- Because I need your help!

22

00:01:19,875 --> 00:01:22,208

It's too late! Please go.

23

00:01:44,333 --> 00:01:45,250

Mama?

24

00:01:46,875 --> 00:01:48,041

Who was that?

25

00:01:51,083 --> 00:01:51,958

A mistake.

26

00:01:54,250 --> 00:01:55,833

A-A rounding error.

27

00:01:57,500 --> 00:01:59,833

It's just a problem I gotta solve.

28

00:02:00,416 --> 00:02:01,500

What problem?

29

00:02:04,958 --> 00:02:06,333

What I do with you.

30

00:02:11,875 --> 00:02:13,875

This whole house belong to you?

31

00:02:17,458 --> 00:02:18,625

You're no orphan.

32

00:02:19,791 --> 00:02:20,791

Not anymore.

33

00:02:22,083 --> 00:02:24,583

You've been in Lexington this whole time?

34

00:02:24,666 --> 00:02:26,083

Uh, Louisville.

35

00:02:27,166 --> 00:02:29,458

What brought you back here?

36

00:02:29,958 --> 00:02:32,416

You don't seem

to like answering your phone.

37

00:02:40,625 --> 00:02:42,291

Mr. Shaibel died.

38

00:02:46,333 --> 00:02:49,041

There's a funeral day after tomorrow.

I thought...

39

00:02:50,291 --> 00:02:51,583

We could go together.

40

00:02:59,375 --> 00:03:00,208

Thank you.

41

00:03:05,375 --> 00:03:06,208

Mm.

42

00:03:07,875 --> 00:03:08,958

God, Beth.

43

00:03:11,041 --> 00:03:11,875

Yeah.

44

00:03:12,791 --> 00:03:13,625

I know.

45

00:03:14,708 --> 00:03:16,541

I'm working as a paralegal.

46

00:03:17,666 --> 00:03:20,125

- You went to college?

- I did, Kentucky State.

47

00:03:20,208 --> 00:03:22,833

I got a Physical Education scholarship.

48

00:03:22,916 --> 00:03:25,166

But when I found out
the school used to be called

49

00:03:25,250 --> 00:03:27,458

the State Normal School
for Colored Persons,

50

00:03:27,541 --> 00:03:29,708

it made me want to study history,

51

00:03:29,791 --> 00:03:33,833

which pissed me off
way more than I already was.

52

00:03:33,916 --> 00:03:35,750

That's hard to imagine.

53

00:03:36,250 --> 00:03:38,458

I switched my major to Poli-Sci.

54

00:03:39,166 --> 00:03:40,875

I'm saving up for law school.

55

00:03:43,250 --> 00:03:45,583

I know, me, a lawyer,

56

00:03:45,666 --> 00:03:47,291

but the world is fucked up.

57

00:03:47,375 --> 00:03:50,375

And if I'm gonna change it,

I can't spend all my time

58

00:03:50,458 --> 00:03:53,125

teaching white girls

how to hold a badminton racket.

59

00:03:54,791 --> 00:03:57,958

- I'm gonna be a radical.

- Didn't know that was a career choice.

60

00:03:58,791 --> 00:03:59,625

It will be.

61

00:04:00,166 --> 00:04:01,000

Mm-hm.

62

00:04:24,958 --> 00:04:26,375

Hm.

63

00:04:29,000 --> 00:04:30,000

I still take them.

64

00:04:31,166 --> 00:04:33,333

Looks like you're doing
more than pills, honey.

65

00:04:33,916 --> 00:04:35,166

Haven't had anything today.

66

00:04:36,166 --> 00:04:37,625

Not yet, anyway.

67

00:04:44,166 --> 00:04:46,625

I'm supposed to go to Russia
at the end of the year.

68

00:04:48,708 --> 00:04:51,416

- I'm afraid.

- Then don't go.

69

00:04:51,500 --> 00:04:53,000

I have to go.

70

00:04:53,083 --> 00:04:55,875

If I don't, there's nothing for me to do.
I'll just drink.

71

00:04:56,375 --> 00:04:58,125

Well, looks like you do that anyway.

72

00:04:58,208 --> 00:05:00,125

I need to quit the wine,

73

00:05:00,958 --> 00:05:02,166

and the pills, and...

74

00:05:03,291 --> 00:05:04,333

Clean this place up.

75

00:05:04,416 --> 00:05:06,875

That'd be a good place to start.

76

00:05:06,958 --> 00:05:09,125

I have to study chess eight hours a day.

77

00:05:09,208 --> 00:05:11,583

They want me to play in San Francisco,
be on *The Tonight Show*.

78

00:05:11,666 --> 00:05:13,875

- I should probably do all of that.

- Who's they?

79

00:05:13,958 --> 00:05:15,250

Chess Federation.

80

00:05:15,333 --> 00:05:16,333

Oh.

81

00:05:16,958 --> 00:05:18,166

But what I want...

82

00:05:18,791 --> 00:05:19,708

Is a drink.

83

00:05:21,833 --> 00:05:24,208

If you weren't here,

I'd probably have a bottle of wine now.

84

00:05:25,208 --> 00:05:28,166

You sound like Susan Hayward

in one of those movies.

85

00:05:28,791 --> 00:05:30,750

I read about this pop artist once.

86

00:05:31,375 --> 00:05:33,500

Bought an original drawing
by Michelangelo.

87

00:05:34,083 --> 00:05:35,333

When he got it home,

88

00:05:35,416 --> 00:05:37,333

he took a piece of art gum, and just...

89

00:05:38,291 --> 00:05:39,125

Erased it...

90

00:05:40,458 --> 00:05:42,125

leaving nothing but a blank page.

91

00:05:44,250 --> 00:05:46,250

I remember being really shocked by that.

92

00:05:48,666 --> 00:05:51,625

Now, I wonder if I haven't
somehow erased my own brain.

93

00:05:53,500 --> 00:05:57,416

Let's pretend that you didn't
just compare yourself to Michelangelo.

94

00:05:58,000 --> 00:05:59,750

And let's look at where you're at,

95

00:06:00,291 --> 00:06:02,625

which after being here
all of five minutes,

96

00:06:02,708 --> 00:06:06,083

looks like it's at the bottom
of a fucking hole.

97

00:06:06,750 --> 00:06:08,625

It's looking a lot
like you dug it yourself.

98

00:06:08,708 --> 00:06:09,750

My advice,

99

00:06:10,375 --> 00:06:11,583

stop digging.

100

00:06:11,666 --> 00:06:13,708

Well, maybe it's in my blood.

101

00:06:14,541 --> 00:06:15,750

My mother went crazy.

102

00:06:15,833 --> 00:06:17,583

Went crazy or always was?

103

00:06:19,458 --> 00:06:20,291

I don't know.

104

00:06:20,916 --> 00:06:22,458

She drink or any such?

105

00:06:25,125 --> 00:06:26,208

No, never.

106

00:06:28,541 --> 00:06:29,541

She gone.

107

00:06:30,375 --> 00:06:33,125

Quit thinking about it.

It's not doing you any good.

108

00:06:34,000 --> 00:06:35,000

Besides...

109

00:06:36,791 --> 00:06:37,833

I got you a present.

110

00:06:51,125 --> 00:06:53,000

It was me all along.

111

00:06:53,833 --> 00:06:56,541

I was pissed at you for being adopted.

112

00:06:59,166 --> 00:07:01,791

What about for being
a white trash, cracker bitch?

113

00:07:03,250 --> 00:07:04,291

Who could forget?

114

00:07:14,833 --> 00:07:16,791

How much does a paralegal make, anyway?

115

00:07:18,166 --> 00:07:21,291

Not enough to buy this car,
if that's what you're wondering.

116

00:07:23,416 --> 00:07:26,166

Was a gift
from one of the partners at the firm.

117

00:07:27,041 --> 00:07:28,625

- Was it, now?

- Mm-hm.

118

00:07:28,708 --> 00:07:30,291

He wants to marry me,

119

00:07:31,083 --> 00:07:33,750

soon as he divorces
the wife he's already got.

120

00:07:34,916 --> 00:07:36,416

Sounds like a real peach.

121

00:07:36,500 --> 00:07:38,583

He's white, too.

122

00:07:39,208 --> 00:07:42,625

Rick, his name is.
He's teaching me how to play squash.

123

00:07:42,708 --> 00:07:43,666

Squash?

124

00:07:44,416 --> 00:07:46,416

A game rich white people play.

125

00:07:46,500 --> 00:07:47,916

I bet you'd be good at it.

126

00:07:48,625 --> 00:07:52,083

Whole firm is white.

They hired me to keep up with the times.

127

00:07:52,625 --> 00:07:56,750

Instead of the usual Black cleaning woman,
they wanted a clean, Black woman,

128

00:07:56,833 --> 00:07:59,458

with a nice ass and a good vocabulary.

129

00:08:00,250 --> 00:08:01,708

- And you are very clean.

- Mm.

130

00:08:01,791 --> 00:08:03,000

When I did the interview,

131

00:08:03,083 --> 00:08:07,333

I made sure to use a lot of words
like "reprehensible" and "dichotomy."

132

00:08:08,041 --> 00:08:09,125

They perked right up.

133

00:08:10,166 --> 00:08:13,000

But I'm gone the second I pass the bar.

134

00:08:14,458 --> 00:08:16,166

What I want is what you got.

135

00:08:18,125 --> 00:08:20,541

You've been the best
at what you do for so long,

136

00:08:21,500 --> 00:08:24,000

you don't even know
what it's like for the rest of us.

137

00:08:29,833 --> 00:08:33,208

So, what will your fellow radicals think?
You being with a rich white lawyer?

138

00:08:34,458 --> 00:08:36,291

Fuck 'em if they can't take a joke.

139

00:08:47,958 --> 00:08:48,916

A trailer?

140

00:08:49,541 --> 00:08:52,083

Wow, you really were the gold standard

141

00:08:52,166 --> 00:08:54,708

for white-trash girls everywhere,
weren't you?

142

00:08:55,291 --> 00:08:56,500

My mama came from money.

143

00:08:57,833 --> 00:08:59,458

Then she married into more of it.

144

00:09:01,791 --> 00:09:03,791

Then how did y'all end up way out here?

145

00:09:05,458 --> 00:09:06,375

It's complicated.

146

00:09:07,416 --> 00:09:08,250

I'll say.

147

00:09:33,166 --> 00:09:34,333

You wanna go in?

148

00:09:35,833 --> 00:09:37,708

Throw some rocks through the windows?

149

00:09:47,041 --> 00:09:49,833

<i>Choices have consequences.</i>

150

00:09:51,291 --> 00:09:52,416

No more chess.

151

00:09:52,500 --> 00:09:56,916

<i>You're here</i>

<i>because your parents made certain choices.</i>

152

00:09:57,583 --> 00:09:59,000

<i>You will need to learn</i>

153

00:09:59,791 --> 00:10:02,333

<i>to make different choices.</i>

154

00:10:04,125 --> 00:10:07,000

I just realized I don't ever
wanna go back in there again.

155

00:10:09,916 --> 00:10:10,958

<i>"Come to me,</i>

156

00:10:11,583 --> 00:10:14,458

all who are weary and burdened,
and I will give you rest."

157

00:10:16,666 --> 00:10:18,166

"Take my yoke upon you,

158

00:10:18,916 --> 00:10:19,875

and learn from me,

159

00:10:20,625 --> 00:10:22,875

for I am gentle and humble at heart."

160

00:10:22,958 --> 00:10:24,541

Mrs. Deardorff isn't here.

161

00:10:24,625 --> 00:10:26,833

None of them are.

162

00:10:27,333 --> 00:10:29,000

Deardorff fell and broke her hip.

163

00:10:30,375 --> 00:10:31,500

Right after you left.

164

00:10:32,208 --> 00:10:33,916

She had to walk with a cane after.

165

00:10:34,916 --> 00:10:35,916

Was never the same.

166

00:10:37,333 --> 00:10:39,541

Made me almost believe in God.

167

00:10:39,625 --> 00:10:41,333

I didn't know William Shaibel,

168

00:10:42,208 --> 00:10:45,583

but I'm told he was not a religious man,
so much as a solitary man.

169

00:10:46,291 --> 00:10:47,500

None of them are crying.

170

00:10:47,583 --> 00:10:49,583

And I'm told that for the past 23 years...

171

00:10:49,666 --> 00:10:52,458

They all look like
they're waiting in line at the bank.

172

00:10:52,541 --> 00:10:54,958

- ...Methuen Home for girls...

- You okay?

173

00:10:55,916 --> 00:10:58,125

- He performed his duties...

- I feel bad.

174

00:10:58,208 --> 00:10:59,583

...quietly and diligently.

175

00:11:00,916 --> 00:11:02,291

I owed him ten dollars.

176

00:11:04,500 --> 00:11:07,875

Shh!

177

00:11:07,958 --> 00:11:08,791

Jolene.

178

00:11:08,875 --> 00:11:12,083

The director of the Methuen Home,
Helen Deardorff, says that...

179

00:11:13,000 --> 00:11:15,708

He was beloved by the staff
and students alike,

180

00:11:16,333 --> 00:11:19,208

that he had an admirable work ethic.

181

00:11:19,291 --> 00:11:20,208

I changed my mind.

182

00:11:31,250 --> 00:11:32,416

I'll only be a minute.

183

00:13:13,166 --> 00:13:15,250

You should be in chapel, young lady.

184

00:13:18,333 --> 00:13:19,208

Yes, ma'am.

185

00:16:06,416 --> 00:16:07,250

Beth?

186

00:16:31,333 --> 00:16:32,375

Oh, honey.

187

00:16:37,000 --> 00:16:39,791

Aw, did you bite off
more than you can chew?

188

00:16:39,875 --> 00:16:41,125

Aw, it's okay.

189

00:16:48,875 --> 00:16:50,958

Shh. It's all right.

190

00:17:02,750 --> 00:17:05,083

What we would really like
from you, Elizabeth,

191

00:17:05,750 --> 00:17:07,208

would be some kind of statement.

192

00:17:08,041 --> 00:17:08,958

Statement?

193

00:17:09,041 --> 00:17:13,083

Christian Crusade would like you
to make your position public,

194

00:17:13,833 --> 00:17:16,208

in a world where so many keep silent.

195

00:17:16,291 --> 00:17:18,041

What position is that?

196

00:17:19,291 --> 00:17:22,166

As we know, the spread of communism

197

00:17:22,250 --> 00:17:24,708

is also the spread of atheism.

198

00:17:25,875 --> 00:17:26,833

I suppose so.

199

00:17:26,916 --> 00:17:28,666

Oh, it's not a matter of supposing.

200

00:17:29,208 --> 00:17:33,041

It's a matter of fact,
of Marxist-Leninist fact.

201

00:17:33,708 --> 00:17:36,500

The Holy Word is anathema to the Kremlin,

202

00:17:36,583 --> 00:17:38,166

and the atheists who sit there.

203

00:17:38,958 --> 00:17:40,958

- I have no quarrel with that.

- Good.

204

00:17:41,708 --> 00:17:44,791

What we want
is a statement to that effect.

205

00:17:45,500 --> 00:17:47,541

- To the press?

- Exactly.

206

00:17:48,500 --> 00:17:51,000

We had something prepared. There you go.

207

00:17:59,291 --> 00:18:00,708

I'm a chess player.

208

00:18:00,791 --> 00:18:02,916

Of course you are.

But you're also a Christian.

209

00:18:03,000 --> 00:18:04,458

I'm not sure about that.

210

00:18:07,291 --> 00:18:09,416

I have no intention
of saying anything like this.

211

00:18:09,500 --> 00:18:11,833

- Why not?

- Because it's fucking nonsense?

212

00:18:12,583 --> 00:18:16,500

Christian Crusade

has already invested a good deal of money.

213

00:18:16,583 --> 00:18:19,625

We paid

for your last trip to San Francisco.

214

00:18:19,708 --> 00:18:21,291

We were all very proud of you.

215

00:18:21,375 --> 00:18:26,000

And we've already spent a good deal more
on your upcoming trip to the Soviet Union.

216

00:18:26,083 --> 00:18:26,916

Okay.

217

00:18:28,708 --> 00:18:29,541

Fine.

218

00:18:30,875 --> 00:18:32,041

I'll give it all back.

219

00:18:49,583 --> 00:18:51,666

I hope you know what you're doing, dear.

220

00:18:52,666 --> 00:18:54,083

<i>Oh, it's official now.</i>

221

00:18:54,166 --> 00:18:55,000

You're crazy.

222

00:18:55,708 --> 00:18:57,375

You are out of your fucking mind.

223

00:18:57,458 --> 00:18:59,125

<i>Maybe. Probably.</i>

224

00:18:59,208 --> 00:19:02,375

But I did it,

and it's too late to undo it.

225

00:19:02,458 --> 00:19:04,333

- Are the tickets paid for?

<i>- No.</i>

226

00:19:05,125 --> 00:19:06,166

Nothing's paid for.

227

00:19:06,250 --> 00:19:09,166

You understand you gotta pay Intourist
for the hotel in advance?

228

00:19:09,250 --> 00:19:10,125

<i>I know that.</i>

229

00:19:11,208 --> 00:19:13,125

I have 2,000 in my bank account.

230

00:19:13,208 --> 00:19:16,458

It would be more,
but I've been keeping up the house.

231

00:19:17,333 --> 00:19:20,625

*<i>It's gonna take a thousand more
to do it, at least that.</i>*

232

00:19:22,958 --> 00:19:24,708

<i>- I was wondering...</i>

- I don't have it.

233

00:19:25,375 --> 00:19:26,875

What do you mean?

234

00:19:27,458 --> 00:19:29,625

- You've got money.

<i>- I don't have it.</i>

235

00:19:30,291 --> 00:19:31,666

Did you gamble it all away?

236

00:19:32,916 --> 00:19:34,208

What difference does it make?

237

00:19:35,208 --> 00:19:37,875

You can call the Federation
or the State Department.

238

00:19:37,958 --> 00:19:40,041

The Federation doesn't like me.

239

00:19:41,125 --> 00:19:43,458

They think I haven't done as much
for chess as I could've.

240

00:19:43,541 --> 00:19:46,416

Should have gone on *Tonight,*
Phil Donahue...

241

00:19:48,125 --> 00:19:50,791

Benny, come on.
I don't wanna go to Russia by myself.

242

00:19:55,416 --> 00:19:56,916

- Benny?
- Are you kidding me?

243

00:19:57,875 --> 00:19:59,708

- What?
- First, you don't come back to New York,

244

00:19:59,791 --> 00:20:01,041

and you basically tell me

245

00:20:01,125 --> 00:20:03,125

that you'd rather be a drunk
than be with me.

246

00:20:03,875 --> 00:20:04,916

<i>Now you pull this crap?</i>

247

00:20:05,000 --> 00:20:07,000

No, you can fucking well go alone.

248

00:20:11,458 --> 00:20:12,833

Maybe I shouldn't have done it.

249

00:20:13,833 --> 00:20:15,541

*<i>Maybe I didn't have
to give the money back.</i>*

250

00:20:15,625 --> 00:20:18,041

Maybe? Maybe is a loser's word, Beth.

251

00:20:18,125 --> 00:20:19,833

- Benny...

- Don't call me anymore.

252

00:20:29,833 --> 00:20:32,500

<i>What money the Federation</i>

<i>has comes from the magazine.</i>

253

00:20:33,166 --> 00:20:35,750

<i>Four hundred dollars

is the most we could possibly spare.</i>

254

00:20:43,666 --> 00:20:45,750

<i>State Department, please hold.</i>

255

00:20:47,083 --> 00:20:49,791

- Thought you said you could play.

- I said I'm learning.

256

00:20:56,666 --> 00:20:59,333

<i>- Cultural Affairs, O'Malley speaking.</i>

- Hello?

257

00:21:00,000 --> 00:21:02,958

Oh, my God, I won!

258

00:21:06,750 --> 00:21:08,708

<i>Three thousand dollars?</i>

259

00:21:08,791 --> 00:21:10,125

Yes, straight away.

260

00:21:10,541 --> 00:21:11,708

<i>I'll see what I can do.</i>

261

00:21:12,125 --> 00:21:14,333

<i>- I'll get back to you in an hour.</i>

- An hour?

262

00:21:17,125 --> 00:21:18,083

<i>No dice.</i>

263

00:21:18,666 --> 00:21:19,833

<i>I'm terribly sorry.</i>

264

00:21:20,500 --> 00:21:23,000

<i>There's no way government funds
can be handed out to you</i>

265

00:21:23,083 --> 00:21:24,333

<i>without more time and approval.</i>

266

00:21:24,416 --> 00:21:26,875

Don't you have some petty cash
or something?

267

00:21:28,791 --> 00:21:31,291

I don't need funds
to undermine the government in Moscow.

268

00:21:31,375 --> 00:21:32,208

I just need...

269

00:21:33,708 --> 00:21:35,875

Money for my trip.

270

00:21:36,541 --> 00:21:38,416

<i>I'm sorry. I'm really sorry,</i>

271

00:21:39,416 --> 00:21:42,166

*<i>but we will be sending
one of our men with you.</i>*

272

00:21:42,791 --> 00:21:43,625

<i>Keep you safe.</i>

273

00:21:45,041 --> 00:21:45,958

Keep me safe?

274

00:21:46,583 --> 00:21:50,083

- I shouldn't have bought the house.

- Or all those dresses.

275

00:21:51,666 --> 00:21:53,166

Three thousand is a lot.

276

00:21:55,541 --> 00:21:57,333

It's expensive to go to Moscow.

277

00:22:01,250 --> 00:22:02,250

I'll give it to you.

278

00:22:03,541 --> 00:22:04,375

What?

279

00:22:06,083 --> 00:22:08,416

No, you just said it's a lot of money.

280

00:22:08,500 --> 00:22:10,875

I have it and more. I've been saving.

281

00:22:12,583 --> 00:22:13,958

You need it for law school.

282

00:22:15,041 --> 00:22:15,875

I do.

283

00:22:16,666 --> 00:22:18,000

And you'll give it back...

284

00:22:19,000 --> 00:22:19,833

When you win.

285

00:22:20,958 --> 00:22:21,958

What if I don't win?

286

00:22:22,916 --> 00:22:23,958

It's still worth it.

287

00:22:26,125 --> 00:22:28,000

Or you could give me the black dress.

288

00:22:29,541 --> 00:22:32,250

Or the purple one. I like them both.

289

00:22:38,083 --> 00:22:38,916

You're like...

290

00:22:41,083 --> 00:22:42,041

My guardian angel.

291

00:22:43,208 --> 00:22:45,250

For crying out loud.

292

00:22:45,333 --> 00:22:46,208

Hey, Beth.

293

00:22:46,958 --> 00:22:47,791

Fuck you.

294

00:22:48,791 --> 00:22:52,458

Shaibel isn't the only one
who kept after you all these years.

295

00:22:52,541 --> 00:22:57,000

I know how you lost to Benny Watts
in Vegas and then beat him in Ohio.

296

00:22:58,250 --> 00:22:59,458

I read the papers.

297

00:23:01,041 --> 00:23:04,666

Even on a group trip into town,
I spent my ice cream money

298

00:23:04,750 --> 00:23:08,208

on the damn chess magazine
had your ugly face on it.

299

00:23:10,083 --> 00:23:11,416

For a time,

300

00:23:12,541 --> 00:23:13,875

I was all you had.

301

00:23:15,583 --> 00:23:16,750

And for a time,

302

00:23:17,583 --> 00:23:19,250

you was all I had.

303

00:23:20,833 --> 00:23:22,666

We weren't orphans.

304

00:23:23,333 --> 00:23:27,000

Not as long as we had each other.

You understand what I'm saying?

305

00:23:28,625 --> 00:23:30,291

I'm not your guardian angel.

306

00:23:30,375 --> 00:23:33,625

I'm not here to save you.

307

00:23:33,708 --> 00:23:35,791

Hell, I can barely save me.

308

00:23:37,375 --> 00:23:40,041

I'm here because you need me to be here.

309

00:23:41,791 --> 00:23:43,125

That's what family does.

310

00:23:44,500 --> 00:23:45,583

That's what we are.

311

00:23:47,375 --> 00:23:48,958

Someday, I might need you.

312

00:23:50,041 --> 00:23:51,666

It's doubtful.

313

00:23:52,625 --> 00:23:54,125

But you never know.

314

00:23:55,541 --> 00:23:57,083

But if I do...

315

00:23:58,916 --> 00:24:00,083

You'll come, won't you?

316

00:24:01,458 --> 00:24:02,541

I might.

317

00:24:27,000 --> 00:24:28,333

You been to Russia before?

318

00:24:30,916 --> 00:24:31,750

Have you?

319

00:24:32,750 --> 00:24:33,625

Once or twice.

320

00:24:37,875 --> 00:24:39,041

There's a few rules.

321

00:24:40,708 --> 00:24:44,791

One, stay in your hotel
at all times unless you're with me.

322

00:24:44,875 --> 00:24:48,333

Two, do not answer your door
or your phone, unless it's me.

323

00:24:48,416 --> 00:24:50,666

How will I know it's you
if I don't answer it?

324

00:24:51,500 --> 00:24:52,333

Three,

325

00:24:52,916 --> 00:24:53,750

no drinking.

326

00:24:55,083 --> 00:24:56,500

You just offered me a drink.

327

00:24:57,416 --> 00:24:58,625

That was a test.

328

00:25:01,041 --> 00:25:03,791

Let me know if any of the Russian players
tries to speak with you.

329

00:25:04,333 --> 00:25:06,083

In particular, Vasily Borgov.

330

00:25:06,166 --> 00:25:08,916

He sends a signal in any way,
or sends a note,

331

00:25:09,916 --> 00:25:11,333

I wanna know immediately.

332

00:25:12,291 --> 00:25:13,958

What exactly would a signal look like?

333

00:25:15,000 --> 00:25:16,166

Could be anything.

334

00:25:18,291 --> 00:25:21,250

- He could do it in one of your matches.

- How?

335

00:25:22,166 --> 00:25:23,000

I don't know.

336

00:25:23,875 --> 00:25:25,291

I don't play chess.

337

00:25:27,375 --> 00:25:28,541

Just be on the lookout.

338

00:25:29,375 --> 00:25:30,833

I'm told they may wanna talk.

339

00:25:32,833 --> 00:25:34,333

Talk about what?

340

00:25:39,875 --> 00:25:42,625

What part of the State Department

did you say you were from again?

341

00:26:07,208 --> 00:26:08,833

That the chess player?

342

00:26:12,500 --> 00:26:14,666

She looks like Ann-Margret.

343

00:26:20,291 --> 00:26:22,333

Let's hope the Russians like redheads.

344

00:27:12,750 --> 00:27:15,125

This is definitely better than mine.

345

00:27:16,833 --> 00:27:18,916

Remember, stay in your room at all times.

346

00:27:19,000 --> 00:27:21,083

Do not leave the hotel
unless you're with me.

347

00:27:21,166 --> 00:27:22,250

I'll get you in the morning.

348

00:27:23,083 --> 00:27:25,208

Will you knock two times fast
and one time slow?

349

00:27:26,166 --> 00:27:27,000

Good one.

350

00:27:27,708 --> 00:27:28,625

Welcome to Russia.

351

00:27:46,333 --> 00:27:47,166

Yes.

352

00:27:48,500 --> 00:27:49,750

This will do nicely.

353

00:27:51,291 --> 00:27:53,875

In the words of Thomas Huxley,

354

00:27:53,958 --> 00:27:56,166

"The chessboard is the world,

355

00:27:56,250 --> 00:27:59,541

<i>the pieces are

the phenomena of the Universe,</i>

356

00:27:59,625 --> 00:28:01,000

<i>the rules of the game</i>

357

00:28:01,083 --> 00:28:03,416

<i>are what we call the laws of Nature,</i>

358

00:28:03,500 --> 00:28:06,458

<i>and the player on the other side</i>

359

00:28:06,541 --> 00:28:09,958

<i>is hidden from us."</i>

360

00:28:14,000 --> 00:28:16,791

<i>Ladies and gentlemen, dear comrades,</i>

361

00:28:17,291 --> 00:28:18,708

<i>please welcome...</i>

362

00:28:19,416 --> 00:28:21,291

<i>Elizabeth Harmon...</i>

363

00:29:37,000 --> 00:29:38,291

Thank you.

364

00:29:51,625 --> 00:29:54,833

<i>As far as</i>

<i>they knew, Harmon wasn't at their level.</i>

365

00:29:54,916 --> 00:29:56,458

<i>Someone like Laev</i>

366

00:29:56,541 --> 00:29:59,208

<i>probably didn't spend a lot of time
preparing for their match.</i>

367

00:29:59,291 --> 00:30:03,083

Elizabeth Harmon's not at all
an important player by their standards.

368

00:30:03,166 --> 00:30:06,583

*<i>The only unusual thing about her,
really, is her sex.</i>*

369

00:30:06,666 --> 00:30:10,166

*<i>And even that's not unique in Russia.
There's Nona Gaprindashvili,</i>*

370

00:30:10,250 --> 00:30:13,916

*<i>but she's the female world champion
and has never faced men.</i>*

371

00:30:14,000 --> 00:30:16,666

*<i>My guess is
Laev was expecting an easy win,</i>*

372

00:30:16,750 --> 00:30:20,125

*<i>and not at all the 27-move thrashing
Beth Harmon just gave him.</i>*

373

00:30:44,625 --> 00:30:45,833

Um, yeah.

374

00:32:49,541 --> 00:32:51,041

Um...

375

00:32:52,666 --> 00:32:54,000

Yeah? Okay.

376

00:32:54,083 --> 00:32:54,916

Um...

377

00:33:00,541 --> 00:33:04,125

Beth Harmon's games

with Hellstrom and Shapkin were rigorous,

378

00:33:04,208 --> 00:33:07,041

and I'm sure,

for the young American, rather exhausting.

379

00:33:07,125 --> 00:33:10,333

But there was a solidity

to her opening moves

380

00:33:10,416 --> 00:33:12,625

*<i>that she was able to maintain
through the middlegame,</i>*

381

00:33:12,708 --> 00:33:15,041

<i>and on to the point each of them resigned.</i>

382

00:33:18,750 --> 00:33:21,958

<i>Hellstrom, it must</i>

<i>be said, clearly took it rather hard.</i>

383

00:33:22,041 --> 00:33:23,750

<i>Didn't speak to Harmon afterwards.</i>

384

00:33:35,583 --> 00:33:38,083

<i>Shapkin, however,</i>

<i>was very decent, very civilized,</i>

385

00:33:38,166 --> 00:33:39,458

<i>and took his loss with grace,</i>

386

00:33:39,541 --> 00:33:42,666

<i>even though Harmon's win over him

was decisive and merciless.</i>

387

00:34:54,000 --> 00:34:54,916

Vodka?

388

00:34:56,583 --> 00:34:57,416

<i>Nyet.</i>

389

00:35:39,625 --> 00:35:42,000

<i>Luchenko's the oldest player here,</i>

390

00:35:42,083 --> 00:35:44,416

<i>was World Champion
before Elizabeth Harmon was born.</i>

391

00:35:44,916 --> 00:35:47,875

<i>He defeated the great Alekhine
in an exhibition when he was a boy,</i>

392

00:35:47,958 --> 00:35:51,416

<i>played to a draw with Botvinnik
and crushed Bronstein in Havana.</i>

393

00:35:51,500 --> 00:35:54,000

*<i>And while he's no longer
the tiger he once was,</i>*

394

00:35:54,541 --> 00:35:56,875

*<i>he's a dangerous player
when allowed to attack.</i>*

395

00:35:57,583 --> 00:35:59,291

<i>Harmon will have to be very careful.</i>

396

00:36:46,208 --> 00:36:48,541

I don't understand.

Did we win, or did we lose?

397

00:36:49,500 --> 00:36:50,333

We adjourned.

398

00:36:51,083 --> 00:36:53,625

Meaning?

399

00:36:53,708 --> 00:36:55,166

Meaning we didn't finish.

400

00:36:57,708 --> 00:36:59,333

So, uh...

401

00:37:00,083 --> 00:37:01,041

When do we finish?

402

00:37:01,125 --> 00:37:02,750

Tomorrow.

403

00:37:03,583 --> 00:37:05,750

But right now, we really need some sleep.

404

00:37:43,416 --> 00:37:45,583

And maybe she takes with check.

405

00:37:45,666 --> 00:37:46,875

He takes back.

406

00:37:46,958 --> 00:37:49,208

But then she takes his rook.

407

00:37:49,875 --> 00:37:52,750

So what? He's got h5.

408

00:37:55,875 --> 00:37:58,333

Yes, that's a nasty pin.

409

00:37:58,958 --> 00:38:00,166

And she's done.

410

00:39:04,916 --> 00:39:07,416

- Oh, good evening.

- Good evening.

411

00:39:36,458 --> 00:39:39,041

Harmon had her 90 minutes of play,
and Luchenko had the same,

412

00:39:39,125 --> 00:39:41,791

along with 35 minutes
he had left from the day before.

413

00:39:59,041 --> 00:40:00,625

<i>This put three things against her.</i>

414

00:40:03,000 --> 00:40:04,666

<i>Luchenko having the white pieces,</i>

415

00:40:06,041 --> 00:40:07,666

<i>his still unstopped attack...</i>

416

00:40:09,333 --> 00:40:11,125

<i>And that extra allotment of time.</i>

417

00:40:11,208 --> 00:40:12,916

<i>So, it was all the more impressive</i>

418

00:40:13,000 --> 00:40:15,625

<i>when she beat him with 25 minutes
still on her clock.</i>

419

00:40:25,958 --> 00:40:26,791

Excellent.

420

00:40:26,875 --> 00:40:28,708

What a brilliant recovery.

421

00:40:31,416 --> 00:40:34,041

I resign with relief.

422

00:40:35,125 --> 00:40:37,541

I've played your games

since I was a small girl.

423

00:40:38,125 --> 00:40:39,833

I've always really admired you.

424

00:40:39,916 --> 00:40:41,625

You are how old again?

425

00:40:42,416 --> 00:40:44,291

- I'm twenty...

- Oh, no. Don't tell me.

426

00:40:45,125 --> 00:40:47,416

It will only drive a stake

through my heart.

427

00:40:48,791 --> 00:40:52,000

I went over your games
at this tournament.

428

00:40:53,041 --> 00:40:55,666

You are a marvel, my dear.

429

00:40:57,833 --> 00:41:01,875

I may have just played
the best chess player of my life.

430

00:41:05,416 --> 00:41:06,958

You will get used to it.

431

00:41:11,833 --> 00:41:12,666

Thank you.

432

00:41:22,500 --> 00:41:25,166

So far, Harmon

is proving to be the biggest attraction

433

00:41:25,250 --> 00:41:27,500

<i>since the Youth Festival in 1957.</i>

434

00:41:27,583 --> 00:41:30,875

Some in Moscow are even calling her
an ambassador of sorts.

435

00:41:30,958 --> 00:41:33,666

This evening she played
the English opening against Flento,

436

00:41:33,750 --> 00:41:37,208

a sequence I've always found
to be like the Sicilian in reverse.

437

00:41:37,291 --> 00:41:38,458

<i>He's nowhere near her level,</i>

438

00:41:38,541 --> 00:41:41,375

<i>and I don't think she expected
the game to go on for nearly four hours.</i>

439

00:41:42,250 --> 00:41:45,541

<i>But Flento put up quite a fight

along the two main diagonals,</i>

440

00:41:45,625 --> 00:41:48,625

<i>and played the Four Knights Variation

with a sophistication that looked,</i>

441

00:41:48,708 --> 00:41:51,375

<i>for a while at least,

like it was far beyond Harmon's.</i>

442

00:41:52,708 --> 00:41:55,916

<i>But by the middlegame,

she'd traded herself out of that position,</i>

443

00:41:56,000 --> 00:41:57,958

<i>and ultimately forced Flento to resign.</i>

444

00:42:00,291 --> 00:42:01,125

The result being

445

00:42:01,208 --> 00:42:04,250

she could come to her match

with Borgov tomorrow, exhausted.

446

00:42:24,250 --> 00:42:27,041

<i>You shouldn't have brought her.</i>

<i>Why did you bring her here?</i>

447

00:42:27,125 --> 00:42:29,000

- Because I need your help!

- It's too late!

448

00:42:34,750 --> 00:42:37,291

- Who was that?

- A mistake.

449

00:42:38,416 --> 00:42:40,083

A-A rounding error.

450

00:42:41,500 --> 00:42:43,833

It's just a problem I gotta solve.

451

00:42:46,083 --> 00:42:47,416

<i>What problem?</i>

452

00:42:50,541 --> 00:42:51,625

What I do with you.

453

00:43:01,500 --> 00:43:02,375

Mama?

454

00:43:05,916 --> 00:43:06,791

Close your eyes.

455

00:44:14,625 --> 00:44:19,166

<i>Elizabeth Harmon plays pawn to Queen four.</i>

456

00:44:19,833 --> 00:44:22,958

<i>Borgov plays pawn to Queen four.</i>

457

00:44:23,875 --> 00:44:27,958

Harmon plays pawn to Queen Bishop four.

458

00:44:28,083 --> 00:44:29,750

The Queen's Gambit.

459

00:44:29,916 --> 00:44:31,833

Borgov declines,

460

00:44:31,916 --> 00:44:35,375

moves pawn to King four.

461

00:44:35,458 --> 00:44:39,750

Borgov's

second move is a bit of a surprise.

462

00:44:39,833 --> 00:44:41,833

Normally, Borgov would do

something more solid,

463

00:44:41,916 --> 00:44:45,833

but here, he's going against his own style

and playing a rare line to win.

464

00:44:46,500 --> 00:44:47,708

He must win.

465

00:44:47,791 --> 00:44:50,250

Harmon's response

was a complete deviation from the Albin,

466

00:44:50,333 --> 00:44:51,916

<i>which must've surprised him right back,</i>

467

00:44:52,000 --> 00:44:54,125

<i>whilst allowing her
to get out into the open.</i>

468

00:44:54,625 --> 00:44:58,416

<i>Now, the two of them can fight it out
from here with their own wits.</i>

469

00:45:13,125 --> 00:45:15,500

Knight to G6. Go!

470

00:45:23,666 --> 00:45:25,375

Knight to G6!

471

00:47:08,083 --> 00:47:09,166

Adjourn.

472

00:47:41,375 --> 00:47:44,125

Miss Harmon, Miss Harmon!

473

00:47:44,208 --> 00:47:48,125

<i>Paris Match, Time Magazine,
The Observer, Reuters, UPI...</i>

474

00:47:49,083 --> 00:47:50,666

You're bigger than The Monkees.

475

00:47:51,333 --> 00:47:53,750

Please, I just wanna go to sleep.

476

00:47:53,833 --> 00:47:55,125

Don't be like that.

477

00:47:56,500 --> 00:47:57,958

It'd be good to talk to them.

478

00:47:59,000 --> 00:48:02,625

Tell them that being in Russia
has made you feel lucky to be an American.

479

00:48:05,833 --> 00:48:07,958

Ms. Harmon!

One question!

480

00:48:08,041 --> 00:48:10,166

Hi, Dick Evans from *<i>Time</i>*.

Do you have a minute?

481

00:48:10,250 --> 00:48:12,666

That depends.

Will you put me on the cover?

482

00:48:12,750 --> 00:48:15,708

- Hmm. Are you going to beat him?

- I haven't made any mistakes so far.

483

00:48:15,791 --> 00:48:16,666

Hm. Neither has he.

484

00:48:16,750 --> 00:48:19,791

Is it true you learned how to play
at an orphanage when you were two?

485

00:48:19,875 --> 00:48:22,125

- I was nine.

- Such a young age. Who taught you?

486

00:48:24,791 --> 00:48:26,000

His name was Shaibel.

487

00:48:26,083 --> 00:48:27,541

William Shaibel.

488

00:48:27,625 --> 00:48:30,000

He was a janitor.

We played in the basement.

489

00:48:30,083 --> 00:48:32,625

- The janitor taught you to play chess?

- That's right.

490

00:48:32,708 --> 00:48:34,833

William Shaibel was a fine player.

491

00:48:34,916 --> 00:48:37,375

He spent a lot of time at it,

and he was quite good.

492

00:48:37,916 --> 00:48:40,458

Now, will you please
promise to print that?

493

00:48:40,541 --> 00:48:42,125

Absolutely. Thank you.

494

00:48:42,208 --> 00:48:43,208

Yes, yes. Sure.

495

00:48:43,291 --> 00:48:45,291

Thank you.

If you'll excuse me, I'm very tired.

496

00:48:45,375 --> 00:48:49,208

Excuse me, Miss Harmon,
I'm with the <i>Lexington Herald-Leader.</i>

497

00:48:54,500 --> 00:48:57,500

Our readers back home in Kentucky
would like to know if it's true.

498

00:48:58,166 --> 00:48:59,708

That you're here all by yourself?

499

00:49:06,291 --> 00:49:08,333

How did you even get a visa so fast?

500

00:49:08,416 --> 00:49:09,625

The newspaper helped me.

501

00:49:10,291 --> 00:49:11,875

I'm an associate editor now.

502

00:49:12,875 --> 00:49:14,541

And the Moscow Embassy.

503

00:49:15,083 --> 00:49:16,500

- Really?

- Yeah.

504

00:49:16,583 --> 00:49:18,666

I'm guessing

they thought I'd distract you.

505

00:49:20,083 --> 00:49:21,250

If they only knew.

506

00:49:24,958 --> 00:49:26,708

I know you were angry with me.

507

00:49:28,833 --> 00:49:29,666

And I'm sorry.

508

00:49:31,208 --> 00:49:32,666

I should've told you the whole story.

509

00:49:33,416 --> 00:49:34,250

No.

510

00:49:35,125 --> 00:49:35,958

I'm sorry.

511

00:49:37,958 --> 00:49:39,083

I should have let you.

512

00:49:41,875 --> 00:49:42,708

I will admit...

513

00:49:43,583 --> 00:49:44,416

I was a little...

514

00:49:46,125 --> 00:49:47,000

Confused.

515

00:49:49,333 --> 00:49:50,875

You really are something.

516

00:49:52,791 --> 00:49:55,916

But, um, what I really wanted
was for us to be friends.

517

00:49:58,458 --> 00:50:00,541

And you kind of broke my heart.

518

00:50:02,791 --> 00:50:04,250

I have a way of doing that.

519

00:50:07,750 --> 00:50:08,666

Do you forgive me?

520

00:50:11,875 --> 00:50:12,708

Clearly.

521

00:50:18,000 --> 00:50:21,708

Consider me your second. What do we need
to do to help you beat Borgov?

522

00:50:23,833 --> 00:50:26,291

Well, what I need are...

523

00:50:28,833 --> 00:50:29,708

The pills.

524

00:50:31,041 --> 00:50:34,000

The booze. I need my mind cloudy to win.

525

00:50:34,583 --> 00:50:37,208

- I can't visualize the games without them.

- Really?

526

00:50:37,291 --> 00:50:40,833

- You think that's what brought you here?

- I think that's what I'm used to.

527

00:50:40,916 --> 00:50:43,250

Yeah, but you've been doing fine
without all that.

528

00:50:44,333 --> 00:50:47,291

- Haven't you?

- Yes, I...

529

00:50:48,041 --> 00:50:49,333

Threw away the pills.

530

00:50:50,291 --> 00:50:53,125

And then I asked the front desk
where I could get more.

531

00:50:54,291 --> 00:50:55,875

I just really need them right now.

532

00:50:56,625 --> 00:50:57,625

Or I thought I did.

533

00:51:38,666 --> 00:51:39,541

Hey.

534

00:51:41,833 --> 00:51:43,583

Lady, you were out!

535

00:51:45,750 --> 00:51:46,583

What time is it?

536

00:51:46,666 --> 00:51:47,666

It's late.

537

00:51:48,208 --> 00:51:49,125

Thank you.

538

00:51:50,583 --> 00:51:52,375

I'll get it. Drink your coffee.

539

00:52:01,625 --> 00:52:03,291

Yes, put him through.

540

00:52:06,958 --> 00:52:08,125

You all there?

541

00:52:08,666 --> 00:52:09,500

I'll put her on.

542

00:52:23,250 --> 00:52:24,875

- Hello?

- If he goes for the knight,

543

00:52:24,958 --> 00:52:26,333

hit him with a king rook pawn.

544

00:52:27,250 --> 00:52:28,083

Benny?

545

00:52:28,166 --> 00:52:30,083

<i>If he goes for the bishop,

do the same thing,</i>

546

00:52:30,166 --> 00:52:31,583

<i>but open up your queen file.</i>

547

00:52:31,666 --> 00:52:32,791

How do you know?

548

00:52:32,875 --> 00:52:34,041

<i>It's in the </i>Times.

549

00:52:34,125 --> 00:52:35,041

It's 7 a.m. here,

550

00:52:35,125 --> 00:52:37,250

but we've been working on it

for three hours.

551

00:52:38,208 --> 00:52:39,208

We?

552

00:52:42,541 --> 00:52:43,500

Hi, Beth.

553

00:52:46,208 --> 00:52:47,625

Hi, Harry.

554

00:52:48,166 --> 00:52:50,875

- It's really nice to hear your voice.

<i>- Oh, well, hang on.</i>

555

00:52:51,583 --> 00:52:52,791

Hey, Beth! Hey!

556

00:52:52,875 --> 00:52:53,958

- It's Mike!

- It's Matt!

557

00:52:54,041 --> 00:52:55,166

We're so proud of you!

558

00:52:57,416 --> 00:53:00,541

All right. Hey, assholes,
this is costing me a bundle.

559

00:53:00,625 --> 00:53:03,333

Beth, listen to me,
you gotta open up that file, okay?

560

00:53:03,958 --> 00:53:06,125

How do I do that?

561

00:53:06,208 --> 00:53:08,583

There are four ways,
depending on what he does,

562

00:53:08,666 --> 00:53:10,500

and we've each been working a way through.

563

00:53:11,208 --> 00:53:12,125

You have it handy?

564

00:53:14,458 --> 00:53:15,833

Yes, I do. Yes.

565

00:53:15,916 --> 00:53:19,000

<i>Great, okay. Well, let's start
with his knight to rook four.</i>

566

00:53:19,083 --> 00:53:21,750

<i>We push that king knight pawn.

You got that?</i>

567

00:53:21,833 --> 00:53:23,916

- Yes.

<i>- Great. I'll pass you back to Harry.</i>

568

00:53:24,458 --> 00:53:26,583

T <i>here are three things</i>

<i>you might do now.</i>

569

00:53:26,666 --> 00:53:28,583

<i>So, after the queen to knight three,</i>

570

00:53:28,666 --> 00:53:30,666

<i>you play knight to king six,</i>

571

00:53:30,750 --> 00:53:35,125

<i>then if he plays rook to rook five,

then you play pawn to king three.</i>

572

00:53:36,666 --> 00:53:40,416

Another variation: If he plays
knight takes pawn on king five,

573

00:53:40,500 --> 00:53:41,833

then you take the rook.

574

00:53:41,916 --> 00:53:44,333

But if he plays rook to rook seven,

575

00:53:44,416 --> 00:53:46,833

<i>check, then play rook to bishop two.</i>

576

00:53:47,958 --> 00:53:51,500

Harmon! Harmon!

Harmon! Harmon!

577

00:53:51,583 --> 00:53:54,250

Harmon! Harmon! Harmon!

578

00:53:54,333 --> 00:53:55,291

<i>Benny?</i>

579

00:53:56,000 --> 00:53:57,125

It's almost five here.

580

00:53:59,833 --> 00:54:00,666

Okay.

581

00:54:04,250 --> 00:54:05,250

<i>Go beat him.</i>

582

00:54:14,625 --> 00:54:17,708

<i>Borgov withdraws his queen to G6.</i>

583

00:54:24,583 --> 00:54:27,625

<i>Harmon's knight boldly invades E6.</i>

584

00:54:38,916 --> 00:54:41,791

<i>Borgov attacks Harmon's king-pawn.</i>

585

00:55:21,916 --> 00:55:22,958

Shit.

586

00:55:26,458 --> 00:55:28,625

- He's not doing what he's supposed to do.

- Shh!

587

00:57:30,250 --> 00:57:31,125

Draw?

588

00:57:31,208 --> 00:57:34,916

Borgov never offers draws,
but he's offering Elizabeth Harmon one.

589

00:57:35,000 --> 00:57:36,333

If she accepts,

590

00:57:36,416 --> 00:57:39,458

she leaves the stage in a tie
with the world champion.

591

00:57:39,541 --> 00:57:40,791

If they play on,

592

00:57:40,875 --> 00:57:42,875

once the dust settles
and the endgame emerges,

593

00:57:42,958 --> 00:57:45,083

she could find herself
in a very different position.

594

00:57:45,583 --> 00:57:47,333

Borgov is death on endgames.

595

00:57:47,416 --> 00:57:48,625

He's famous for it.

596

00:57:48,708 --> 00:57:50,583

Harmon, on the other hand, is not.

597

00:57:50,666 --> 00:57:52,916

She's more known
for coming up early and strong,

598

00:57:53,000 --> 00:57:55,083

demoralizing her opponents from the start.

599

00:57:55,166 --> 00:57:57,416

So, I think she should accept the draw.

600

00:57:57,500 --> 00:58:00,291

The world will see it
as a solid achievement.

601

00:58:01,041 --> 00:58:02,541

A draw, however, is not a win.

602

00:58:03,416 --> 00:58:06,125

The one thing
we know about Elizabeth Harmon

603

00:58:06,208 --> 00:58:07,500

is that she loves to win.

604

00:58:44,708 --> 00:58:46,791

That was
the point of the sequence,

605

00:58:46,875 --> 00:58:49,250

beginning with the bishop,
cutting down the scope of the rook

606

00:58:49,333 --> 00:58:51,166

<i>by forcing it to a less threatening rank.</i>

607

00:58:51,250 --> 00:58:53,333

<i>The question is...</i>

608

00:58:53,958 --> 00:58:55,041

<i>What will she do now?</i>

609

00:59:43,875 --> 00:59:44,875

It's your game.

610

00:59:52,208 --> 00:59:53,041

Take it.

611

01:00:40,250 --> 01:00:41,416

She won!

612

01:00:48,500 --> 01:00:49,583

Thank you.

613

01:01:08,000 --> 01:01:09,416

Good for you, cracker.

614

01:01:12,541 --> 01:01:13,375

Good for you.

615

01:01:15,708 --> 01:01:16,541

Mm.

616

01:01:51,541 --> 01:01:53,958

<i>The president has invited you</i>

<i>to the White House.</i>

617

01:01:54,041 --> 01:01:56,166

There'll be a chess board

set up in the Oval Office,

618

01:01:56,250 --> 01:01:58,708

and, of course,

a photo-op of you kicking his ass.

619

01:01:59,583 --> 01:02:01,625

Texas being more of a checkers state.

620

01:02:05,541 --> 01:02:09,250

And there's a dinner tonight
at the Russian Chess Club in Georgetown.

621

01:02:09,875 --> 01:02:12,291

A lot of prominent dissidents belong, so...

622

01:02:12,958 --> 01:02:14,958

We've prepared a list of talking points.

623

01:02:19,416 --> 01:02:20,250

It's a big deal.

624

01:02:21,666 --> 01:02:23,666

Beating the Soviets at their own game.

625

01:02:26,208 --> 01:02:27,791

Could you stop the car, please?

626

01:02:30,083 --> 01:02:31,041

I'd like to walk.

627

01:02:32,000 --> 01:02:32,875

To the airport?

628

01:02:34,791 --> 01:02:36,500

You're gonna miss the fli...

629

01:03:40,250 --> 01:03:41,250

Harmon?

630

01:03:43,208 --> 01:03:44,333

Liza Harmon?

631

01:03:44,916 --> 01:03:45,750

<i>Da.</i>

632

01:03:48,541 --> 01:03:49,375

Harmon!

633

01:04:04,291 --> 01:04:05,208

Liza!

634

01:04:42,041 --> 01:04:44,125

Let's play.
