

Dialogues from The Polar Express to improve the vocabulary in English

2

00:00:47,313 --> 00:00:50,233

<i>On Christmas Eve, many years ago...</i>

3

00:00:50,400 --> 00:00:52,860

<i>... I lay quietly in my bed.</i>

4

00:00:53,069 --> 00:00:55,363

<i>I did not rustle the sheets.</i>

5

00:00:55,571 --> 00:00:58,825

<i>I breathed slowly and silently.</i>

6

00:00:58,991 --> 00:01:04,705

<i>I was listening for a sound

I was afraid I'd never hear.</i>

7

00:01:05,081 --> 00:01:10,169

<i>The ringing bells of Santa's sleigh.</i>

8

00:02:38,173 --> 00:02:40,300

All right. All right, Sarah...

9

00:02:40,509 --> 00:02:41,802

...you had your water.

10

00:02:42,010 --> 00:02:44,012

Now let's get you upstairs
and into bed.

11

00:02:44,179 --> 00:02:46,807

But... But... But, I have to...

12

00:02:49,518 --> 00:02:52,270

He said Santa would have to
fly faster than the speed of light...

13

00:02:52,437 --> 00:02:56,274

...to get to every house in one night.
And to hold everyone's presents...

14

00:02:56,441 --> 00:02:59,152

...his sled would be bigger
than an ocean liner.

15

00:02:59,361 --> 00:03:03,323

Your brother said that? He was just
kidding you. He knows there's a Santa.

16

00:03:03,532 --> 00:03:07,160

He said he wasn't sure.
He wasn't sure if Santa was for real.

17

00:03:07,369 --> 00:03:10,372

Of course Santa's for real.
He's as real as Christmas itself.

18

00:03:10,538 --> 00:03:11,873

But he won't come...

19

00:03:12,040 --> 00:03:14,167

...until you're sound asleep,
young lady.

20

00:03:15,210 --> 00:03:17,003

Sweet dreams.

21

00:03:17,879 --> 00:03:20,173

Santa will be here before you know it.

22

00:03:20,382 --> 00:03:22,050

So go to sleep.

23

00:03:56,250 --> 00:03:58,378

Mm-hm.

24

00:04:07,011 --> 00:04:09,222

"Stark, barren.

25

00:04:12,433 --> 00:04:14,936

Devoid of life."

26

00:04:25,947 --> 00:04:28,199

He's gotta be asleep by now.

27

00:04:28,366 --> 00:04:30,076

He used to stay awake all night...

28

00:04:30,242 --> 00:04:32,411

...waiting for Santa.

29

00:04:32,870 --> 00:04:36,165

Think those days are just about over.

30

00:04:36,374 --> 00:04:38,250

That would be sad if that were true.

31

00:04:38,459 --> 00:04:41,921

Yeah, an end of the magic.

32

00:04:43,380 --> 00:04:45,674

Merry Christmas, sweetheart.

33

00:04:53,140 --> 00:04:54,892

See, he's out like a light.

34

00:04:55,059 --> 00:04:58,229

An express train

wouldn't wake him up now.

35

00:05:01,523 --> 00:05:03,692

<i>"End of the magic"?</i>

36

00:07:15,356 --> 00:07:19,152

All aboard!

37

00:07:22,363 --> 00:07:26,325

All aboard!

38

00:07:54,061 --> 00:07:56,731

Well? You coming?

39

00:07:57,982 --> 00:07:59,191

Where?

40

00:07:59,400 --> 00:08:01,527

Why, to the North Pole, of course.

41

00:08:01,736 --> 00:08:05,531

This is the Polar Express.

42

00:08:06,490 --> 00:08:08,200

The North Pole?

43

00:08:09,744 --> 00:08:11,328

I see.

44

00:08:11,495 --> 00:08:12,872

Hold this, please.

45

00:08:13,080 --> 00:08:14,999

Thank you.

46

00:08:15,666 --> 00:08:17,626

Is this you?

47

00:08:19,420 --> 00:08:21,255

- Yeah.

- Well, it says here...

48

00:08:21,422 --> 00:08:26,093

...no photo with a department-store

Santa this year, no letter to Santa.

49

00:08:26,260 --> 00:08:29,930

And you made your sister
put out the milk and cookies. Mm-mm.

50

00:08:30,514 --> 00:08:32,766

Sounds to me like
this is your crucial year.

51

00:08:32,933 --> 00:08:37,312

If I were you, I would think
about climbing onboard.

52

00:08:40,107 --> 00:08:44,570

Come on, come on, come on.
I've got a schedule to keep... Oh.

53

00:08:47,281 --> 00:08:49,616

Suit yourself.

54

00:09:49,968 --> 00:09:51,636

<i>'Cause that's the way things happen</i>

55

00:09:51,845 --> 00:09:53,638

<i>On the Polar Express</i>

56

00:09:53,847 --> 00:09:56,808

<i>Whoo, whoo, the whistle blows

That's the sound of her singing</i>

57

00:09:57,016 --> 00:10:00,228

<i>Ding, ding, the bell will ring

Golly, look at her go</i>

58

00:10:00,395 --> 00:10:03,815

<i>You wonder if we'll get there soon

Anybody's guess</i>

59

00:10:03,982 --> 00:10:07,235

<i>'Cause that's the way things happen

On the Polar Express</i>

60

00:10:07,443 --> 00:10:10,989

<i>When we get there

We'll scream, "Yay!"</i>

61

00:10:11,197 --> 00:10:13,408

<i>We'll arrive with

A bang, bang, bang</i>

62

00:10:13,616 --> 00:10:15,827

<i>Boom, boom, boom

Laughing all the way</i>

63

00:10:16,035 --> 00:10:19,163

<i>With a comfy seat and lots to eat

Boy, it's just the best</i>

64

00:10:19,372 --> 00:10:22,542

<i>Wish it wouldn't ever have to end</i>

65

00:10:22,709 --> 00:10:25,503

<i>With a little luck, we'll be on time

There's no need to stress</i>

66

00:10:25,712 --> 00:10:30,174

<i>'Cause that's the way things happen

On the Polar Express</i>

67

00:10:33,010 --> 00:10:36,681

Hey. Hey, you. Yeah, you.

Do you know what kind of train this is?

68

00:10:37,640 --> 00:10:38,975

- Huh?

- Train.

69

00:10:39,225 --> 00:10:41,352

Do you know what kind of train this is?

Well, do you?

70

00:10:42,311 --> 00:10:44,856

- Uh...

Of course.

71

00:10:45,064 --> 00:10:47,191

It's a magic train.

72

00:10:47,567 --> 00:10:50,653

- We're going to the North Pole.

I know it's a magic train.

73

00:10:50,820 --> 00:10:53,406

Actually it's a Baldwin 2-8-4 S3-class
steam locomotive...

74

00:10:53,990 --> 00:10:58,494

...built in 1931 at the Baldwin Locomotive
Works. It weighs 456,100 pounds and...

75

00:10:58,661 --> 00:11:00,871

Are we really going to the North Pole?

76

00:11:01,080 --> 00:11:03,374

Hey, look, everybody!

- Mm-hm. Isn't that wonderful?

77

00:11:03,541 --> 00:11:05,876

Herpolsheimer's! Herpolsheimer's!

78

00:11:11,882 --> 00:11:14,927

Wow, look at all those presents.

I want all of them.

79

00:11:15,094 --> 00:11:19,181

It's so Christmassy and cozy
and beautiful!

80

00:11:25,271 --> 00:11:26,605

Tickets.

81

00:11:27,106 --> 00:11:29,191

Tickets, please.

82

00:11:29,358 --> 00:11:30,943

Tickets.

83

00:11:34,113 --> 00:11:35,364

Ticket, please.

84

00:11:36,031 --> 00:11:37,908

Try your pocket.

85

00:11:44,373 --> 00:11:46,917

Try your other pocket.

86

00:12:04,059 --> 00:12:05,602

Thank you, sir.

87

00:12:15,737 --> 00:12:17,114

Hey, watch out, there.

88

00:12:17,322 --> 00:12:18,949

Thank you, sir.

89

00:12:19,658 --> 00:12:23,328

Uh-uh-uh. That is a public-address
microphone. It is not a toy.

90

00:12:23,495 --> 00:12:25,580

Boy, that guy sure likes to show off.

91

00:12:25,747 --> 00:12:28,542

Look what that wise guy
punched on my ticket.

92

00:12:28,917 --> 00:12:35,048

- "L-E." What the heck does that mean?

- Next stop, 11344 Edbrooke.

93

00:12:35,757 --> 00:12:38,260

We're heading for the other side
of the tracks.

94

00:12:55,193 --> 00:12:57,070

Well? You coming?

95

00:12:57,612 --> 00:12:58,988

Ah, it's just another pickup.

96

00:12:59,197 --> 00:13:02,617

That's weird. I thought you were
supposed to be the last one.

97

00:13:02,784 --> 00:13:04,994

Why, to the North Pole, of course.

98

00:13:05,203 --> 00:13:07,997

This is the Polar Express.

99

00:13:11,209 --> 00:13:13,169

Suit yourself.

100

00:13:41,739 --> 00:13:45,284

Hey, that kid wants
to get on the train.

101

00:13:46,077 --> 00:13:48,204

Come on!

102

00:13:50,414 --> 00:13:52,208

Hurry up!

103

00:13:58,589 --> 00:14:00,049

We have to stop the train.

104

00:14:00,258 --> 00:14:02,718

I don't know how.

- Pull the emergency brake!

105

00:14:32,706 --> 00:14:35,584

Who in the blazes applied
that emergency brake?!

106

00:14:35,793 --> 00:14:37,169

He did.

107

00:14:37,378 --> 00:14:39,088

You.

108

00:14:39,630 --> 00:14:44,426

In case you didn't know, that cord
is for emergency purposes only.

109

00:14:44,969 --> 00:14:49,348

And in case you weren't aware,
tonight is Christmas Eve.

110

00:14:49,556 --> 00:14:53,602

And in case you hadn't noticed,
this train is on a very tight schedule.

111

00:14:53,811 --> 00:14:57,731

Now, young man, Christmas
may not be important to some people...

112

00:14:57,898 --> 00:15:01,360

...but it is very important
to the rest of us!

113

00:15:01,568 --> 00:15:03,028

But... But...

114

00:15:03,237 --> 00:15:06,782

He was just trying to stop the train
so that kid could get on.

115

00:15:07,407 --> 00:15:08,992

Hmm.

116

00:15:09,159 --> 00:15:12,454

I see. Young man,
is that what happened?

117

00:15:17,000 --> 00:15:18,919

Well...

118

00:15:19,252 --> 00:15:22,881

Let me remind you we are
on a very tight schedule.

119

00:15:23,090 --> 00:15:25,300

And I've never been late before...

120

00:15:25,509 --> 00:15:28,220

...and I am certainly not
going to be late tonight.

121

00:15:28,428 --> 00:15:32,391

Now, everybody, take your seats, please!

122

00:15:35,435 --> 00:15:37,354

Thank you.

123

00:15:41,358 --> 00:15:42,818

Your attention, please.

124

00:15:43,026 --> 00:15:47,489

Are there any Polar Express passengers
in need of refreshment?

125

00:15:47,697 --> 00:15:50,617

Me! Me! Me!

- I thought so.

126

00:15:59,209 --> 00:16:00,669

<i>- Hot, hot

Oh, we got it</i>

127

00:16:00,877 --> 00:16:02,796

<i>- Hot, hot

- Hey, we got it</i>

128

00:16:02,962 --> 00:16:05,715

<i>- Hot, hot

- Say, we got it</i>

129

00:16:05,882 --> 00:16:07,175

<i>Hot chocolate

Hot, hot</i>

130

00:16:07,384 --> 00:16:09,094

<i>- Oh, we got it

- Hot, hot</i>

131

00:16:09,302 --> 00:16:11,012

<i>- So we got it

- Hot, hot</i>

132

00:16:11,221 --> 00:16:13,473

<i>Yo, we got it</i>

133

00:16:13,640 --> 00:16:16,184

<i>- Hot chocolate

- Here we've only got one rule</i>

134

00:16:16,392 --> 00:16:18,228

<i>Never, ever let it cool</i>

135

00:16:18,394 --> 00:16:20,063

<i>Keep it cooking in the pot</i>

136

00:16:20,230 --> 00:16:23,024

<i>- Then you got

- Hot chocolate</i>

137

00:16:27,904 --> 00:16:29,864

<i>- Hot, hot

- Oh, we got it</i>

138

00:16:30,073 --> 00:16:31,407

<i>- Hot, hot

- Hey, we got it</i>

139

00:16:31,574 --> 00:16:33,868

<i>- Hot, hot

- Say, we got it</i>

140

00:16:34,744 --> 00:16:35,954

<i>Hot chocolate

Hot, hot</i>

141

00:16:36,162 --> 00:16:37,872

<i>- Oh, we got it

- Hot, hot</i>

142

00:16:38,081 --> 00:16:39,832

<i>- So we got it

- Hot, hot</i>

143

00:16:39,999 --> 00:16:42,126

<i>Yo, we got it</i>

144

00:16:42,335 --> 00:16:44,879

<i>Hot chocolate

Here we only got one rule</i>

145

00:16:45,088 --> 00:16:46,714

<i>Here we only got one rule</i>

146

00:16:47,006 --> 00:16:48,716

<i>Never, ever let it cool</i>

147

00:16:48,925 --> 00:16:50,718

<i>Never, ever let it cool</i>

148

00:16:50,927 --> 00:16:52,637

<i>Keep it cooking in the pot</i>

149

00:16:52,845 --> 00:16:55,848

<i>Soon you got hot chocolate</i>

150

00:16:56,599 --> 00:16:58,309

<i>- Hot, hot

- Hey, we got it</i>

151

00:16:58,518 --> 00:17:00,228

<i>- Hot, hot

- Oh, we got it</i>

152

00:17:00,436 --> 00:17:02,188

<i>- Hot, hot

- Yeah, we got it</i>

153

00:17:02,355 --> 00:17:04,023

<i>- Hot, hot

- Oh, we got it</i>

154

00:17:04,357 --> 00:17:05,900

<i>- Hot, hot

- Yeah, we got it</i>

155

00:17:06,108 --> 00:17:07,944

<i>- Hot, hot

- Oh, we got it</i>

156

00:17:08,110 --> 00:17:11,072

<i>- Hot, hot

- Yeah, we got it</i>

157

00:17:26,629 --> 00:17:29,507

You know, Montezuma,

the king of the Aztecs...

158

00:17:29,715 --> 00:17:33,260

...would drink 50 quarts

of hot chocolate every day.

159

00:17:33,469 --> 00:17:37,097

It was thick as mud and red.

He put chili pepper in instead of sugar.

160

00:17:37,306 --> 00:17:40,643

- Get it? Hot chocolate?

How do you know? That's not true.

161

00:17:40,809 --> 00:17:43,604

Where you going with that?

- It's for him.

162

00:17:43,812 --> 00:17:48,150

- I don't think we're to leave our seats.

- It's a violation of safety regulations...

163

00:17:48,359 --> 00:17:51,445

...for a kid to cross moving cars

without a grown-up.

164

00:17:51,820 --> 00:17:53,197

I think I'll be okay.

165

00:17:53,405 --> 00:17:55,783

Are you sure?

166

00:18:04,666 --> 00:18:08,670

What about this lad in the back?

Did he get any refreshment?

167

00:18:08,837 --> 00:18:10,172

Uh-uh.

168

00:18:10,756 --> 00:18:12,966

Well, let's take some to him,
by all means.

169

00:18:16,929 --> 00:18:19,514

Watch your step, now. Watch your step.

170

00:18:21,099 --> 00:18:22,976

Uh-oh.

171

00:18:23,143 --> 00:18:24,645

She forgot her ticket.

172

00:18:24,853 --> 00:18:27,189

It hasn't been punched.

173

00:18:28,523 --> 00:18:31,193

Hey, what are you doing?

You're gonna get us all in trouble!

174

00:21:02,426 --> 00:21:05,304

Young lady, forgive me.

175

00:21:05,512 --> 00:21:09,016

I believe I have neglected
to punch your ticket.

176

00:21:09,224 --> 00:21:11,018

May I?

177

00:21:12,978 --> 00:21:15,981

I left my ticket right here on the seat.

178

00:21:16,607 --> 00:21:18,484

- But it's gone.

- You mean...

179

00:21:19,026 --> 00:21:20,903

...you have lost your ticket.

180

00:21:21,111 --> 00:21:22,988

She didn't lose her ticket.

181

00:21:24,114 --> 00:21:25,949

I did.

182

00:21:26,617 --> 00:21:29,661

I was trying to return it to you.

183

00:21:29,870 --> 00:21:32,664

But the wind blew it out of my hand.

184

00:21:36,335 --> 00:21:37,544

You can have my ticket.

185

00:21:39,838 --> 00:21:45,844

These tickets are not transferable.

186

00:21:46,595 --> 00:21:47,846

Young lady...

187

00:21:48,054 --> 00:21:51,099

...you will just have to
come along with me.

188

00:22:00,817 --> 00:22:04,571

You know what's gonna happen now?

He's gonna throw her off the train.

189

00:22:04,738 --> 00:22:07,699

Yeah, he's gonna probably throw her
right off the rear platform.

190

00:22:07,907 --> 00:22:11,411

Standard procedure. That way,
she won't get sucked under the wheels.

191

00:22:11,578 --> 00:22:14,831

They may slow the train down,
but they're never gonna stop it.

192

00:22:15,040 --> 00:22:16,207

Stop it?

193

00:22:16,416 --> 00:22:19,210

That's it! I have to stop the train again.

194

00:22:19,419 --> 00:22:21,629

No, please, don't do that again.

195

00:22:53,119 --> 00:22:54,871

Where'd they go?

196

00:22:55,288 --> 00:22:56,956

What happened to them?

197

00:22:57,123 --> 00:23:00,084

Please, she's in big trouble.

You have to help me.

198

00:23:37,747 --> 00:23:39,373

Hey!

199

00:23:42,501 --> 00:23:44,295

Hey!

200

00:23:44,503 --> 00:23:48,174

I found your ticket! Wait!

201

00:23:50,676 --> 00:23:52,136

Hey!

202

00:23:53,345 --> 00:23:54,638

Wait!

203

00:23:54,847 --> 00:23:57,224

I have your ticket!

204

00:24:33,635 --> 00:24:35,512

Is there something I can do for you?

205

00:24:35,721 --> 00:24:37,681

I'm looking for a girl.

206

00:24:38,390 --> 00:24:39,683

A gi...?

207

00:24:45,313 --> 00:24:47,274

Ain't we all?

208

00:24:48,233 --> 00:24:49,943

I have her ticket.

209

00:24:50,152 --> 00:24:53,613

Well, lookie. Lookie here. What is this?

210

00:24:53,822 --> 00:24:58,368

This is an official, authentic,
genuine ticket to ride.

211

00:24:58,577 --> 00:25:02,038

Oh, you better keep this
in a safe place, young man.

212

00:25:02,247 --> 00:25:03,623

If I was you...

213

00:25:03,832 --> 00:25:06,501

I keep all my valuables right here.

214

00:25:06,668 --> 00:25:08,795

Right here in the old size 13.

215

00:25:09,004 --> 00:25:11,214

Experience shows

this is the safest place.

216

00:25:12,591 --> 00:25:14,718

Not that I have much use for those.

217

00:25:14,926 --> 00:25:16,136

Tickets.

218

00:25:16,344 --> 00:25:17,887

I ride for free.

219

00:25:18,096 --> 00:25:22,892

Oh, yeah, yeah. I hop aboard this rattler
any time I feels like it.

220

00:25:23,101 --> 00:25:25,103

I own this train. Oh, yeah.

221

00:25:25,270 --> 00:25:29,732

It's like I'm the king of this train.

Yeah. The king of the Pol Ex.

222

00:25:29,941 --> 00:25:35,989

In fact, I am the king
of the North Pole!

223

00:25:37,782 --> 00:25:40,034

Oh, where's my manners? Sit, sit. Sit.

224

00:25:40,201 --> 00:25:41,870

Take a load off.

225

00:25:42,036 --> 00:25:44,372

Hey, would you like some Joe?

226

00:25:44,539 --> 00:25:50,086

Nice hot refreshment.

Perfect for a cold winter's night.

227

00:25:59,971 --> 00:26:01,973

There. Bless you.

228

00:26:03,808 --> 00:26:06,102

What about Santa?

229

00:26:06,310 --> 00:26:09,939

- Santa?

- Isn't he the king of the North Pole?

230

00:26:10,148 --> 00:26:13,317

You mean this guy? Huh?

231

00:26:13,985 --> 00:26:18,155

Ho-ho-ho, ho-ho-ho.

232

00:26:28,499 --> 00:26:33,129

What exactly is your persuasion
on the big man?

233

00:26:33,337 --> 00:26:34,630

Since you brought him up.

234

00:26:36,924 --> 00:26:38,968

Well, I...

235

00:26:39,176 --> 00:26:41,262

I want to believe.

236

00:26:42,179 --> 00:26:45,182

- But...

- But you don't wanna be bamboozled.

237

00:26:45,349 --> 00:26:48,435

You don't wanna be

led down the primrose path.

238

00:26:48,602 --> 00:26:52,815

You don't wanna be conned or duped,

have the wool pulled over your eyes.

239

00:26:53,023 --> 00:26:57,111

Hoodwinked. You don't wanna be

taken for a ride, railroaded.

240

00:27:00,948 --> 00:27:03,993

Seeing is believing.

241

00:27:04,535 --> 00:27:05,953

Am I right?

242

00:27:07,037 --> 00:27:09,456

But what about this train?

243

00:27:11,125 --> 00:27:12,501

What about it?

244

00:27:12,710 --> 00:27:15,629

We're all really going

to the North Pole...

245

00:27:15,796 --> 00:27:17,005

...aren't we?

246

00:27:17,297 --> 00:27:19,591

Aren't we?

247

00:27:20,551 --> 00:27:24,972

Are you saying

that this is all just a dream?

248

00:27:25,222 --> 00:27:28,767

You said it, kid. Not me.

249

00:27:31,228 --> 00:27:32,688

Ah.

250

00:27:32,896 --> 00:27:36,275

So let's go find that girl.

251

00:27:42,572 --> 00:27:44,658

One other thing.

252

00:27:45,909 --> 00:27:48,078

Do you believe in ghosts?

253

00:27:51,832 --> 00:27:53,667

Interesting.

254

00:27:56,336 --> 00:27:57,838

Wait.

255

00:28:00,257 --> 00:28:01,508

Wait!

256

00:28:08,431 --> 00:28:10,016

Wait!

257

00:28:15,021 --> 00:28:16,565

I have to wake up.

258

00:28:16,773 --> 00:28:18,775

Yeah. I have to wake up.

259

00:28:19,109 --> 00:28:22,362

Wake up. Wake up. Wake up.

260

00:28:22,612 --> 00:28:24,781

Wake up!

261

00:28:27,283 --> 00:28:31,538

Wake up, wake up.

Wake up, wake up!

262

00:28:40,380 --> 00:28:43,842

Kid!

263

00:28:44,050 --> 00:28:46,219

Kid, get your head out of the clouds!

264

00:28:46,386 --> 00:28:47,929

Wake up, kid!

265

00:28:48,137 --> 00:28:51,891

There's no sleepwalking
on the Polar Express.

266

00:28:52,892 --> 00:28:54,727

We gotta jump them knuckles.

267

00:28:57,480 --> 00:28:59,399

Come on, kid. Flip my shoulders.

268

00:28:59,565 --> 00:29:01,401

Grab my lily.

269

00:29:04,070 --> 00:29:06,531

That skirt you're chasing
must have moved on ahead.

270

00:29:07,240 --> 00:29:11,119

- We gotta hightail it to the hog, pronto.

- To the hog?

271

00:29:11,994 --> 00:29:15,289

The engine. The engine, you tenderfoot.

272

00:29:15,498 --> 00:29:18,668

We gotta make the engine

before we hit Flat Top Tunnel.

273

00:29:18,835 --> 00:29:20,503

How come?

274

00:29:20,670 --> 00:29:23,297

So many questions.

275

00:29:23,756 --> 00:29:28,052

There is but one inch of clearance

between the roof of this rattler...

276

00:29:28,261 --> 00:29:31,097

...and the roof of Flat Top Tunnel.

277

00:29:31,264 --> 00:29:33,140

Savvy?

278

00:29:36,268 --> 00:29:39,313

It's just the run up to the hump, kid.

279

00:29:40,189 --> 00:29:41,816

This will be interesting.

280

00:30:05,047 --> 00:30:06,715

Get back on, kid. Hurry!

281

00:30:06,882 --> 00:30:09,176

Grab my muck stick.

282

00:30:44,920 --> 00:30:47,381

There's only one trick to this, kid.

283

00:30:48,590 --> 00:30:50,050

When I say "jump"...

284

00:30:52,511 --> 00:30:56,390

...you jump!

285

00:30:56,598 --> 00:30:58,433

Ah!

286

00:31:19,204 --> 00:31:22,374

You. I thought you got thrown off, and...

287

00:31:22,791 --> 00:31:25,585

- You're driving the train?

- They put me in charge.

288

00:31:25,794 --> 00:31:29,172

- The engineer had to check the light.

Here's the light. Careful.

289

00:31:29,381 --> 00:31:31,007

All right, now.

290

00:31:31,299 --> 00:31:34,010

- Oh!

- Oh! I got it.

291

00:31:37,389 --> 00:31:40,850

- How do you know how?

- It's easy. Come here, I'll show you.

292

00:31:41,059 --> 00:31:43,478

This big lever here, that's the throttle.

293

00:31:43,645 --> 00:31:45,772

This little one here, that's the brake.

294

00:31:45,980 --> 00:31:48,817

And those are the pressure gauges.

295

00:31:48,983 --> 00:31:51,569

And that rope is the whistle.

296

00:31:52,237 --> 00:31:54,572

- The whistle.

- Mm-hm.

297

00:31:54,739 --> 00:31:56,658

You wanna try it?

298

00:31:59,494 --> 00:32:01,871

I've wanted to do that my whole life.

299

00:32:06,000 --> 00:32:09,212

Hold still! Hold still! Don't move!

300

00:32:10,421 --> 00:32:11,422

Look!

301

00:32:23,684 --> 00:32:27,104

Stop the train! Stop the train!

302

00:32:28,189 --> 00:32:29,982

Stop the train!

303

00:32:32,944 --> 00:32:34,654

What?

304

00:32:34,862 --> 00:32:36,280

They want us to stop the train.

305

00:32:37,949 --> 00:32:40,117

- Which one is the brake?

- He told me this was.

306

00:32:40,284 --> 00:32:41,994

- Who?

- The engineer.

307

00:32:42,203 --> 00:32:46,791

- The engineer? This one looks like a brake.

- No, he said this was the brake.

308

00:32:46,957 --> 00:32:48,000

Are you sure?

309

00:32:48,376 --> 00:32:50,795

- Uh...

- Are you sure?

310

00:32:57,885 --> 00:33:00,596

Pull the brake!

311

00:33:00,805 --> 00:33:02,681

Stop the train!

312

00:33:20,074 --> 00:33:21,992

Caribou?

313

00:33:23,911 --> 00:33:26,121

- Ugh.

There's no Christmas...

314

00:33:26,330 --> 00:33:28,415

...without the Polar Express
arriving on time.

315

00:33:28,582 --> 00:33:31,877

Am I the only one who understands that?

316

00:33:32,086 --> 00:33:34,838

You. I should have known.

317

00:33:35,005 --> 00:33:38,884

Are you bound and determined that
this train never reaches the North Pole?

318

00:33:39,092 --> 00:33:40,636

But look.

319

00:33:41,929 --> 00:33:43,472

Caribou crossing?!

320

00:33:44,431 --> 00:33:48,143

I make that herd to be at least
100,000, maybe even a million.

321

00:33:48,352 --> 00:33:51,396

It's gonna be hours
before they clear this track.

322

00:33:51,605 --> 00:33:55,609

- A tough nut to crack.
- We are in some serious jelly.

323

00:33:55,776 --> 00:33:58,236

- And a jam.

- Tight spot.

324

00:33:58,445 --> 00:33:59,738

- Up a creek.

- Up a tree.

325

00:33:59,946 --> 00:34:04,910

- Lost in the grass.

- I'll tell you what's grass: Our a... Ow!

326

00:34:45,575 --> 00:34:49,954

Problem solved. All ahead, slow.

327

00:35:35,875 --> 00:35:37,752

We're going pretty fast.

328

00:35:37,960 --> 00:35:40,796

Tell the engineer to slow down.

329

00:35:46,177 --> 00:35:47,762

Slow it down.

330

00:35:49,639 --> 00:35:52,391

Watch the speed!

331

00:35:56,812 --> 00:36:00,483

Ah! Jumping jeepers,
the cotter pin sheared off.

332

00:36:00,649 --> 00:36:01,942

- What?

- The pin.

333

00:36:02,151 --> 00:36:04,278

- Where?

- There.

334

00:36:04,445 --> 00:36:05,988

- Oh, no.

- Oh, no.

335

00:36:07,031 --> 00:36:10,826

- They can't hear me.

- They can't? Oh...

336

00:36:13,287 --> 00:36:15,789

I don't like the look
of this. Quick, under the safety bar.

337

00:36:18,000 --> 00:36:20,252

Is everything all right?
What should we do?

338

00:36:23,088 --> 00:36:24,548

Considering we've
lost communication with the engineer...

339

00:36:24,757 --> 00:36:27,968

...we are standing totally exposed
on the front of the locomotive...

340

00:36:28,135 --> 00:36:31,305

...the train appears to be
accelerating uncontrollably...

341

00:36:31,513 --> 00:36:35,309

...and we are rapidly

approaching Glacier Gulch...

342

00:36:35,517 --> 00:36:38,979

...which just happens to be the steepest
downhill grade in the world...

343

00:36:39,188 --> 00:36:42,441

...I suggest we all hold on...

344

00:36:43,025 --> 00:36:44,485

...tightly!

345

00:37:05,422 --> 00:37:07,257

- The pin.

- The pin.

346

00:37:26,985 --> 00:37:30,655

Jiminy Christmas, the ice has frozen
over the tracks.

347

00:37:53,094 --> 00:37:55,221

Hold on. Hold on. No, no.

348

00:37:56,181 --> 00:37:58,266

Come on. Watch your step.

349

00:37:58,433 --> 00:38:01,644

Come on, sweetie.

Up you go. Up you go.

350

00:38:02,854 --> 00:38:06,566

- Shh.

- Put your feet on here. On here.

351

00:38:09,110 --> 00:38:10,403

Little adventure, huh?

352

00:38:10,612 --> 00:38:12,989

Young man, quick thinking on your part.

353

00:38:34,135 --> 00:38:36,846

Step to your left, please. To your left.

354

00:38:39,223 --> 00:38:40,516

Oh!

355

00:38:40,725 --> 00:38:44,186

Well, that is more like it.

356

00:38:46,564 --> 00:38:48,608

What in the name of Mike?

357

00:38:52,403 --> 00:38:53,863

Look.

358

00:38:56,490 --> 00:38:59,243

Get us the blazes out of here!

359

00:39:07,501 --> 00:39:09,086

Turn this sled around.

360

00:39:27,605 --> 00:39:28,981

Look there.

361

00:39:31,692 --> 00:39:33,027

Tracks.

362

00:39:33,235 --> 00:39:34,611

Dead ahead.

363

00:39:40,451 --> 00:39:41,577

Right.

364

00:39:47,374 --> 00:39:48,417

Left.

365

00:39:53,881 --> 00:39:54,923

Right.

366

00:39:58,802 --> 00:40:00,053

Hang a Louie.

367

00:40:03,223 --> 00:40:04,558

Toss a Ritchie.

368

00:40:07,978 --> 00:40:09,604

Port astern.

369

00:40:11,815 --> 00:40:13,608

To the starboard.

370

00:40:14,943 --> 00:40:17,487

My slipper.

- You're gonna lose your ticket.

371

00:40:17,654 --> 00:40:19,531

It's not my ticket, it's yours.

372

00:40:19,740 --> 00:40:21,533

- It's my ticket?

- Yes.

373

00:40:21,700 --> 00:40:23,827

Right. Keep up with me. Left.

374

00:40:24,161 --> 00:40:26,580

Right. Left.

375

00:40:30,667 --> 00:40:31,960

Right.

376

00:40:32,335 --> 00:40:33,587

Left.

377

00:40:33,753 --> 00:40:35,130

Right.

378

00:40:35,338 --> 00:40:37,257

Left. Right.

379

00:40:41,011 --> 00:40:42,262

- Oh, no!

- Oh, no!

380

00:40:44,514 --> 00:40:46,308

Brace yourselves!

381

00:40:57,277 --> 00:40:59,195

Well, that's more like it.

382

00:41:01,614 --> 00:41:03,116

Thank you.

383

00:41:03,283 --> 00:41:06,578

Thank you. I can't believe
you found my ticket.

384

00:41:07,120 --> 00:41:09,747

Did someone say they found a ticket?

385

00:41:11,749 --> 00:41:15,169

Well, in that case... Tickets, please.

386

00:41:24,053 --> 00:41:25,596

Thank you.

387

00:41:27,306 --> 00:41:31,227

"L-E"?

- Hey, just like that know-it-all kid.

388

00:41:46,242 --> 00:41:47,577

Watch your step.

389

00:41:47,743 --> 00:41:51,038

Tricky walking up here. It's mighty slick.

Mighty slick, I tell you.

390

00:41:51,247 --> 00:41:55,084

Oh, whoop... There you go.

What did I tell you?

391

00:41:55,293 --> 00:42:00,381

Years ago, on my first Christmas Eve run,

I was up on the roof making my rounds...

392

00:42:00,589 --> 00:42:02,466

...when I slipped on the ice myself.

393

00:42:02,675 --> 00:42:06,053

I reached out for a hand iron,

but it broke off. I slid and fell.

394

00:42:06,262 --> 00:42:10,224

And yet, I did not fall off this train.

395

00:42:10,850 --> 00:42:13,060

Someone saved you?

396

00:42:13,269 --> 00:42:15,229

Or something.

397

00:42:18,107 --> 00:42:19,400

An angel.

398

00:42:20,317 --> 00:42:21,986

Maybe.

399

00:42:22,153 --> 00:42:24,238

Wait. Wait.

400

00:42:25,114 --> 00:42:28,242

What did he look like? Did you see him?

401

00:42:29,368 --> 00:42:33,247

No, sir. But sometimes

seeing is believing.

402

00:42:33,622 --> 00:42:38,752

And sometimes the most real things

in the world are the things we can't see.

403

00:42:44,049 --> 00:42:46,927

Ah, the forsaken and the abandoned.

404

00:42:48,137 --> 00:42:52,099

Mind your step, now.

These poor toys have suffered enough...

405

00:42:52,307 --> 00:42:56,603

...being left to rust and decay in the
back alleys and vacant lots of the world.

406

00:42:57,146 --> 00:42:58,897

What are they doing here?

407

00:42:59,064 --> 00:43:01,275

It's a new concept
the boss came up with.

408

00:43:01,483 --> 00:43:04,820

Instead of being thrown away,
they're collected. Refurbished.

409

00:43:05,571 --> 00:43:10,617

He calls it "rebicycling."

Something like that.

410

00:43:12,911 --> 00:43:15,288

Makes me wanna cry...

411

00:43:15,497 --> 00:43:18,625

...seeing toys that were

treated this way.

412

00:43:19,418 --> 00:43:21,503

These hopelessly entangled...

413

00:43:21,670 --> 00:43:23,630

...string puppets and marionettes...

414

00:43:23,839 --> 00:43:28,093

...pose a particular problem. We found

the nimble fingers of our work force...

415

00:43:28,260 --> 00:43:32,597

...here at the North Pole are best
for working out those knots and tangles.

416

00:43:32,806 --> 00:43:35,308

Thank you. Uh-oh.

Double-locked here.

417

00:43:46,695 --> 00:43:50,156

You are just like me, my friend.

418

00:43:50,365 --> 00:43:52,701

- A scrooge!

- Ah!

419

00:43:52,867 --> 00:43:55,036

Ebenezer Scrooge.

420

00:43:55,203 --> 00:43:58,540

North Pole, Santa Claus, this train...

421

00:43:58,707 --> 00:44:02,627

...it's all a bunch of humbug.

A bout of indigestion.

422

00:44:02,794 --> 00:44:05,380

Oh, yeah. I know what you are.

423

00:44:05,547 --> 00:44:08,174

You're a doubter.

424

00:44:08,383 --> 00:44:10,885

A doubter. You don't believe!

425

00:44:11,094 --> 00:44:14,222

You're a doubter! You don't believe!

426

00:44:31,322 --> 00:44:34,242

Hey, you missed it.

We rode down some really sharp hills.

427

00:44:34,409 --> 00:44:36,077

We were on what looked like
a frozen lake.

428

00:44:36,244 --> 00:44:38,788

But I know it was just an optical illusion
caused by moonlight.

429

00:44:38,996 --> 00:44:41,874

He said the train was on ice.
But I said that's impossible...

430

00:44:42,083 --> 00:44:44,752

You can't put a train track...
Hey, where you going now?

431

00:44:57,765 --> 00:44:59,100

Shh.

432

00:44:59,267 --> 00:45:02,228

<i>I'm wishing on a star</i>

433

00:45:02,436 --> 00:45:05,564

<i>And trying to believe</i>

434

00:45:05,773 --> 00:45:08,901

<i>That even though it's far</i>

435

00:45:09,360 --> 00:45:11,904

<i>He'll find me Christmas Eve</i>

436

00:45:12,530 --> 00:45:15,658

<i>I guess that Santa's busy</i>

437

00:45:15,866 --> 00:45:18,828

<i>'Cause he's never come around</i>

438

00:45:19,370 --> 00:45:25,084

<i>I think of him

When Christmas comes to town</i>

439

00:45:25,918 --> 00:45:29,046

<i>The best time of the year</i>

440

00:45:29,213 --> 00:45:32,424

<i>When everyone comes home</i>

441

00:45:32,633 --> 00:45:35,761

<i>With all this Christmas cheer</i>

442

00:45:35,970 --> 00:45:39,473

<i>It's hard to be alone</i>

443

00:45:39,640 --> 00:45:45,688

<i>Putting up the Christmas tree
With friends who come around</i>

444

00:45:45,896 --> 00:45:52,236

<i>It's so much fun
When Christmas comes to town</i>

445

00:45:53,070 --> 00:45:59,118

<i>Presents for the children
Wrapped in red and green</i>

446

00:45:59,660 --> 00:46:05,457

<i>All the things I've heard about
But never really seen</i>

447

00:46:06,333 --> 00:46:08,794

<i>No one will be sleeping</i>

448

00:46:09,002 --> 00:46:12,047

<i>On the night of Christmas Eve</i>

449

00:46:12,256 --> 00:46:19,304

<i>Hoping Santa's on his way</i>

450

00:46:19,513 --> 00:46:22,557

<i>When Santa's sleighbells ring</i>

451

00:46:22,766 --> 00:46:25,602

<i>I listen all around</i>

452

00:46:25,769 --> 00:46:28,980

<i>The herald angels sing</i>

453

00:46:29,189 --> 00:46:32,150

<i>I never hear a sound</i>

454

00:46:32,692 --> 00:46:36,154

<i>And all the dreams of children</i>

455

00:46:36,363 --> 00:46:39,115

<i>Once lost will all be found</i>

456

00:46:39,282 --> 00:46:45,205

<i>That's all I want

When Christmas comes to town</i>

457

00:46:47,624 --> 00:46:56,257

<i>That's all I want

When Christmas comes to town</i>

458

00:47:07,811 --> 00:47:09,229

Look.

459

00:47:11,898 --> 00:47:13,900

The northern lights.

460

00:47:16,736 --> 00:47:18,780

Hey. You three.

461

00:47:19,989 --> 00:47:21,783

We just crossed it.

462

00:47:21,991 --> 00:47:27,372

Latitude 66 33'.

The Arctic Circle.

463

00:47:27,580 --> 00:47:30,875

And do you see?

Those lights in the distance.

464

00:47:31,834 --> 00:47:36,255

They look like the lights of a strange
ocean liner sailing on a frozen sea.

465

00:47:37,590 --> 00:47:39,550

There...

466

00:47:40,259 --> 00:47:42,261

...is the North Pole.

467

00:47:47,266 --> 00:47:50,103

*<i>It's a magic carpet on a rail
It never takes a rest</i>*

468

00:47:50,269 --> 00:47:53,439

<i>Flying through

The mountains and the snow</i>

469

00:47:53,606 --> 00:47:56,567

<i>You can ride for free and join the fun

If you just say yes</i>

470

00:47:56,776 --> 00:48:00,071

<i>'Cause that's the way things happen

On the Polar Express</i>

471

00:48:00,279 --> 00:48:03,366

<i>Whoo, whoo, the whistle blows

That's the sound of her singing</i>

472

00:48:03,532 --> 00:48:06,744

<i>Ding, ding, the bell will ring

Golly, look at her go</i>

473

00:48:06,953 --> 00:48:09,914

<i>You wonder if you'll get there soon

Anybody's guess</i>

474

00:48:10,122 --> 00:48:13,292

<i>'Cause that's the way things happen
On the Polar Express</i>

475

00:48:13,459 --> 00:48:16,587

<i>When we get there
We'll scream, "Yay!"</i>

476

00:48:16,796 --> 00:48:19,090

<i>We'll arrive with
A bang, bang, bang</i>

477

00:48:19,298 --> 00:48:22,259

<i>Boom, boom, boom
Laughing all the way</i>

478

00:48:27,306 --> 00:48:30,184

We made it. With five minutes to spare.

479

00:48:30,392 --> 00:48:31,727

We made it.

480

00:48:57,669 --> 00:48:59,963

There should be elves.

Where are the elves?

481

00:49:00,172 --> 00:49:01,799

Yeah, where are the elves?

482

00:49:02,007 --> 00:49:04,301

They are gathering
in the center of the city.

483

00:49:04,510 --> 00:49:08,263

That is where Santa will give
the first gift of Christmas.

484

00:49:09,181 --> 00:49:11,600

Who gets the first gift of Christmas?

485

00:49:11,767 --> 00:49:15,646

He will choose one of you.

486

00:49:18,690 --> 00:49:21,652

- Look.

- Elves!

487

00:49:52,557 --> 00:49:54,851

All right. All right,
ladies and gentlemen.

488

00:49:55,060 --> 00:49:57,729

Two columns, if you please.

489

00:49:57,896 --> 00:50:00,690

Shorter in the front, taller in the rear.

490

00:50:01,232 --> 00:50:04,819

Even-numbered birthdays on the right,
odd-numbered on the left.

491

00:50:04,986 --> 00:50:07,906

No pushing. No pushing.
But let's not dilly-dally.

492

00:50:08,073 --> 00:50:09,991

It's five minutes to midnight.

493

00:50:10,158 --> 00:50:13,745

Hey, what gives? It was five minutes
till midnight four minutes ago.

494

00:50:14,245 --> 00:50:16,706

Exactly. Columns of two.

495

00:50:16,915 --> 00:50:19,000

- One, two.

Excuse me.

496

00:50:19,167 --> 00:50:21,628

- Question.

- What about him?

497

00:50:24,422 --> 00:50:27,091

No one is required to see Santa.

498

00:50:28,259 --> 00:50:31,429

Ladies and gentlemen,
you do not have to hold hands...

499

00:50:31,596 --> 00:50:35,058

- Come on.

...but please remain in your columns...

500

00:50:35,266 --> 00:50:37,602

...while we are in transit.

501

00:50:47,278 --> 00:50:50,740

- Look, you have to come with us.

- She's right.

502

00:50:52,700 --> 00:50:57,121

Christmas just doesn't work out
for me. Never has.

503

00:50:57,288 --> 00:50:59,916

But Christmas is such a wonderful,
beautiful time.

504

00:51:00,124 --> 00:51:03,711

It's a time for giving and being thankful,
for friends and family.

505

00:51:03,878 --> 00:51:08,674

People hang decorations and lights. Santa
leaves presents under our Christmas trees.

506

00:51:10,635 --> 00:51:12,345

Christmas just...

507

00:51:12,970 --> 00:51:14,805

...doesn't work out for me.

508

00:51:16,641 --> 00:51:20,311

Look, I don't know if Christmas
is gonna work out for you or not...

509

00:51:20,478 --> 00:51:23,606

...but this is Christmas Eve.

Don't stay here by yourself.

510

00:51:25,316 --> 00:51:26,817

Yes, come with us.

511

00:51:27,401 --> 00:51:29,153

We'll go together.

512

00:51:41,248 --> 00:51:42,875

Oh, no.

Uh-oh.

513

00:51:50,925 --> 00:51:52,801

We're gonna be okay.

514

00:51:55,179 --> 00:51:57,264

Maybe not!

515

00:51:59,183 --> 00:52:01,101

The emergency brake.

516

00:52:01,268 --> 00:52:03,228

The emergency brake.

517

00:52:06,940 --> 00:52:10,736

There's no brake. I can't find the brake!

518

00:52:17,284 --> 00:52:19,828

Take a break, kid.

519

00:52:20,037 --> 00:52:23,665

How about a nice, good hot cup of Joe?

520

00:52:52,319 --> 00:52:53,361

We're gonna crash!

521

00:53:00,410 --> 00:53:02,287

We're spinning.

522

00:53:26,603 --> 00:53:30,023

Shh. You hear that?

523

00:53:30,607 --> 00:53:31,900

The bell.

524

00:53:33,276 --> 00:53:35,653

What bell?

- The sleighbell.

525

00:53:35,862 --> 00:53:38,239

- Sleighbell?

- Don't you hear it?

526

00:53:39,616 --> 00:53:42,118

It's coming from that tunnel.

527

00:53:47,707 --> 00:53:49,792

That's the way we should go.

528

00:53:58,301 --> 00:53:59,802

Come on.

529

00:54:17,486 --> 00:54:19,905

Oh.

530

00:54:32,001 --> 00:54:33,586

What?

531

00:54:34,086 --> 00:54:36,505

- What?

- Come on.

532

00:54:48,767 --> 00:54:49,768

Come on.

533

00:54:59,611 --> 00:55:01,363

We're lost.

534

00:55:11,373 --> 00:55:12,750

Yes.

535

00:55:14,042 --> 00:55:16,920

- Yes. I hear it.

I hear it too.

536

00:55:17,129 --> 00:55:21,175

- I don't hear anything.

- Okay, it's down this way.

537

00:55:21,383 --> 00:55:22,551

Are you sure?

538

00:55:27,139 --> 00:55:28,473

Absolutely.

539

00:55:34,146 --> 00:55:36,606

- Why can't I hear anything?

- Shh.

540

00:55:39,234 --> 00:55:40,777

Get down and be quiet.

541

00:55:50,996 --> 00:55:55,125

Yeah. Uh-huh. Uh-huh.

542

00:55:55,333 --> 00:55:56,835

Okay.

543

00:55:57,752 --> 00:55:59,880

Well, that was the wrapping hall, chief.

544

00:56:00,088 --> 00:56:02,632

- Just finished the last one.

How's it wrapped?

545

00:56:02,841 --> 00:56:06,720

It's wrapped in candy-striped red
with a number-seven holly-green bow.

546

00:56:06,928 --> 00:56:10,181

A number-seven bow?

When we're this close to liftoff?

547

00:56:10,348 --> 00:56:13,810

What are they thinking down there?

Are they meshuggener?

548

00:56:14,019 --> 00:56:16,229

- What's the routing?

- Going to the States.

549

00:56:16,438 --> 00:56:17,981

Grand Rapids, Michigan.

550

00:56:19,858 --> 00:56:21,860

That's my town. I'm from Grand Rapids.

551

00:56:27,449 --> 00:56:30,493

We got a troublemaker

now. Just what we need.

552

00:56:30,702 --> 00:56:33,580

Things aren't bad enough.

What's his 20?

553

00:56:33,788 --> 00:56:37,041

Apparently, some kid
from Maplewood, New Jersey...

554

00:56:37,208 --> 00:56:39,627

...stuck some gum in his sister's hair.

555

00:56:40,211 --> 00:56:43,298

New Jersey? Is that
the same kid that put the tack...

556

00:56:43,464 --> 00:56:45,592

...underneath his teacher's chair
last year?

557

00:56:45,800 --> 00:56:49,387

- No, sir. This kid's name is Steven.
- Steven.

558

00:56:49,887 --> 00:56:52,849

So, what do we do, chief?

Alert the big man?

559

00:56:53,057 --> 00:56:56,019

We talking nothing for Christmas here?

560

00:57:04,986 --> 00:57:06,737

<i>I didn't do it.</i>

561

00:57:06,904 --> 00:57:08,656

<i>I didn't do it.</i>

562

00:57:10,992 --> 00:57:13,452

Look, it's...

It's almost Christmas, huh?

563

00:57:14,078 --> 00:57:15,955

We'll cut the kid a break.

564

00:57:16,163 --> 00:57:18,165

But put him on the check-twice list

for next year.

565

00:57:19,000 --> 00:57:21,085

All right, boys.

566

00:57:21,335 --> 00:57:24,380

Let's shut it down, all right.

That's it for this year. Come on.

567

00:57:24,589 --> 00:57:29,093

- Hey, boss, are we taking the pneumatic?

- Of course we're taking the pneumatic.

568

00:57:29,260 --> 00:57:32,430

It's the only way to get
to the square on time.

569

00:57:32,596 --> 00:57:35,850

- Let's go.

And time is money.

570

00:57:36,517 --> 00:57:39,228

Ready, and mount.

571

00:57:40,688 --> 00:57:43,357

Good. Close.

572

00:57:57,871 --> 00:57:59,707

All right, get in.

573

00:58:01,208 --> 00:58:03,294

I don't know about this.

574

00:58:38,245 --> 00:58:41,039

I don't hear it. Do you?

575

00:58:42,416 --> 00:58:44,001

No.

576

00:58:45,669 --> 00:58:48,130

I think we should follow those arrows.

577

00:59:02,435 --> 00:59:04,855

I thought there'd be a way out.

578

00:59:05,021 --> 00:59:06,606

We're gonna miss everything.

579

00:59:17,284 --> 00:59:18,868

Hey, look.

580

00:59:20,370 --> 00:59:21,871

A present.

581

00:59:26,209 --> 00:59:29,212

It's going to my town.

To someone named Billy.

582

00:59:29,379 --> 00:59:34,968

- My name is Billy.

- It's going to 11344 Edbrooke Avenue.

583

00:59:35,135 --> 00:59:37,011

That's my address.

584

00:59:44,811 --> 00:59:46,396

Come on.

585

01:00:46,455 --> 01:00:47,915

Look.

586

01:00:49,291 --> 01:00:52,753

It says, "Merry Christmas, Billy.

From Mr. C."

587

01:00:53,796 --> 01:00:58,133

I think I know what it is.

I wanted one of these my whole life.

588

01:00:59,134 --> 01:01:01,428

Wait, wait. Stop. Look.

589

01:01:03,556 --> 01:01:05,641

But I...

590

01:01:05,808 --> 01:01:07,643

Those are the rules.

591

01:03:05,760 --> 01:03:07,095

Ah!

592

01:03:08,596 --> 01:03:10,223

Something's got me.

593

01:03:10,431 --> 01:03:12,100

It's got my leg.

594

01:03:12,683 --> 01:03:14,018

I can't hold him.

595

01:03:14,602 --> 01:03:17,480

Give me your other hand.

Give me your other hand.

596

01:03:17,855 --> 01:03:20,191

- I can't.

- On three.

597

01:03:20,358 --> 01:03:23,486

One, two, three.

598

01:03:24,278 --> 01:03:26,239

- Look.

- It's still got me.

599

01:03:26,447 --> 01:03:29,742

On three again. One, two, three.

600

01:03:33,120 --> 01:03:34,580

- You.

- You.

601

01:03:34,789 --> 01:03:36,791

- What are you doing here?

- Same as you.

602

01:03:36,958 --> 01:03:40,544

Checking out my presents. Making sure

I'm getting everything on my list.

603

01:03:40,711 --> 01:03:43,631

All I found was one present.

All it had was stupid underwear.

604

01:03:43,798 --> 01:03:45,424

Look.

605

01:03:53,974 --> 01:03:56,185

<i>You may start
your descent any time now.</i>

606

01:03:56,393 --> 01:03:58,604

<i>At your convenience, of course.</i>

607

01:04:10,824 --> 01:04:14,203

It's still five to.

I think we're gonna make it.

608

01:04:14,411 --> 01:04:16,997

Of course we will. It's been five to
for the last hour.

609

01:04:17,164 --> 01:04:20,751

We got plenty of time. We got nothing
but time. We got time to kill.

610

01:04:20,918 --> 01:04:24,671

You know what?

I don't think we're gonna make it.

611

01:04:27,091 --> 01:04:30,219

I may be just an old railroader...

612

01:04:30,427 --> 01:04:33,180

...and know nothing about

lighter-than-air craft...

613

01:04:33,347 --> 01:04:38,852

...but from my layman's perspective,

you need more altitude!

614

01:04:39,019 --> 01:04:41,480

More altitude!

615

01:04:42,189 --> 01:04:45,150

<i>Altitude, please.

A bit more altitude, please.</i>

616

01:04:46,193 --> 01:04:48,320

Geronimo!

617

01:05:03,710 --> 01:05:05,212

The Flying Elves.

618

01:05:05,378 --> 01:05:08,173

They are specialists.

Do not try that at home, kids.

619

01:05:08,381 --> 01:05:10,300

Do not try that at home.

620

01:05:10,467 --> 01:05:11,718

We're not gonna make it.

621

01:05:52,008 --> 01:05:53,593

A well-oiled machine.

622

01:05:54,177 --> 01:05:55,470

Whew.

623

01:06:03,436 --> 01:06:06,230

All right, you stowaways.

624

01:06:06,689 --> 01:06:09,817

- Party's over.

- I was just following them.

625

01:06:10,026 --> 01:06:11,903

We fell in here by mistake.

626

01:06:12,111 --> 01:06:15,782

Ah, forget about it. We knew you
was in there the whole time.

627

01:06:17,700 --> 01:06:19,077

Come on, out you go.

628

01:06:19,285 --> 01:06:22,955

Let's go, come on.

Step up, step up. There we go.

629

01:06:23,122 --> 01:06:26,375

Not a problem. Come on.

Watch your step. There you go.

630

01:06:32,298 --> 01:06:35,593

So nobody gets hurt, here's
how we're gonna get you guys down.

631

01:06:35,801 --> 01:06:39,096

- This is simple. Why, I know...
- What do you know?

632

01:06:39,472 --> 01:06:42,934

You're not supposed to be here
in the first place.

633

01:06:43,309 --> 01:06:47,563

But since it's Christmas,
I'm gonna let you slide.

634

01:06:47,730 --> 01:06:49,357

Hey. Ow.

635

01:06:51,317 --> 01:06:52,651

Been looking for you.

636

01:06:55,821 --> 01:06:57,156

There you go.

637

01:06:57,323 --> 01:06:58,574

Watch your step.

638

01:06:58,741 --> 01:07:00,659

Careful.

639

01:07:00,826 --> 01:07:02,912

Beautiful form. Beautiful.

640

01:07:03,078 --> 01:07:05,456

Nice to see you again.

641

01:07:07,333 --> 01:07:10,085

Cutting it kind of close, aren't we?

642

01:07:10,252 --> 01:07:13,839

- I'll take care of this.

- Uh-uh.

643

01:07:14,006 --> 01:07:16,133

It's in good hands.

644

01:07:16,342 --> 01:07:19,011

Trust me.

645

01:07:47,372 --> 01:07:51,001

<i>It's the spirit of the season</i>

646

01:07:51,210 --> 01:07:54,713

<i>You can feel it in the air</i>

647

01:07:54,880 --> 01:07:58,634

<i>You can hear it if you listen</i>

648

01:07:58,800 --> 01:08:02,471

<i>Everywhere

So much care</i>

649

01:08:02,637 --> 01:08:04,348

<i>Like a prayer</i>

650

01:08:04,556 --> 01:08:08,185

<i>Whatever it is

You need to share it</i>

651

01:08:08,393 --> 01:08:13,523

<i>It's the spirit of the season</i>

652

01:08:23,074 --> 01:08:28,038

<i>It's the spirit of the season</i>

653

01:08:32,584 --> 01:08:36,921

<i>You can feel it in the air</i>

654

01:08:50,351 --> 01:08:53,438

Aren't those bells

the most beautiful sound?

655

01:10:09,680 --> 01:10:11,182

He's here! He's here!

656

01:10:11,348 --> 01:10:12,600

Where?

657

01:10:12,766 --> 01:10:15,144

I see him. He's over there.

658

01:10:15,352 --> 01:10:16,812

I can't see him.

659

01:10:37,041 --> 01:10:39,001

I can't see him.

660

01:10:39,209 --> 01:10:41,962

I can't see him!

661

01:11:44,607 --> 01:11:48,069

<i>Doubter. Doubter.</i>

662

01:11:51,698 --> 01:11:53,116

Okay.

663

01:11:54,200 --> 01:11:56,119

Okay.

664

01:11:58,621 --> 01:12:00,832

I believe.

665

01:12:01,958 --> 01:12:04,878

I believe.

666

01:12:06,713 --> 01:12:09,007

I believe.

667

01:12:33,990 --> 01:12:36,284

What was that you said?

668

01:12:40,580 --> 01:12:43,457

I... I believe.

669

01:12:47,795 --> 01:12:49,797

I believe.

670

01:12:51,674 --> 01:12:55,845

I... I believe that this is yours.

671

01:12:57,596 --> 01:12:59,140

Well...

672

01:13:01,017 --> 01:13:02,226

Thank you.

673

01:13:02,393 --> 01:13:05,646

Me, me. Pick me, Santa.

What are you doing? Stop it.

674

01:13:05,855 --> 01:13:08,899

- Pick me, pick me. I want the first gift.

Hush.

675

01:13:09,108 --> 01:13:11,026

Young man...

676

01:13:11,235 --> 01:13:13,028

...patience.

677

01:13:13,195 --> 01:13:17,867

And a smidgen of humility

might also serve you well.

678

01:13:18,033 --> 01:13:19,660

Yes, sir.

679

01:13:21,036 --> 01:13:23,289

And you, young lady...

680

01:13:23,455 --> 01:13:25,165

A lady of decision.

681

01:13:25,332 --> 01:13:29,253

Full of confidence and spirit.

682

01:13:30,004 --> 01:13:31,630

Christmas spirit.

683

01:13:31,797 --> 01:13:34,300

Ho-ho-ho.

684

01:13:34,466 --> 01:13:36,010

Keep up the good work.

685

01:13:37,469 --> 01:13:39,054

Thank you.

686

01:13:40,055 --> 01:13:41,640

And Billy.

687

01:13:43,142 --> 01:13:44,852

It is Billy?

688

01:13:46,687 --> 01:13:49,231

I see you've made some new friends.

689

01:13:51,942 --> 01:13:53,485

Yes, sir. I sure have.

690

01:13:53,986 --> 01:13:55,904

That's a lucky lad.

691

01:13:56,071 --> 01:13:58,532

There's no greater gift than friendship.

692

01:14:01,577 --> 01:14:04,454

And speaking of gifts...

693

01:14:08,917 --> 01:14:10,752

...let's have this young fellow
right here.

694

01:14:48,873 --> 01:14:50,458

Now...

695

01:14:50,625 --> 01:14:53,628

...what would you like for Christmas?

696

01:14:53,795 --> 01:14:55,672

Me.

697

01:14:55,880 --> 01:14:57,257

You.

698

01:15:11,813 --> 01:15:14,607

Yes. Indeed.

699

01:15:15,149 --> 01:15:17,277

Hm.

700

01:15:17,443 --> 01:15:19,946

Yes, indeed.

701

01:15:26,786 --> 01:15:30,540

The first gift of Christmas!

702

01:15:45,054 --> 01:15:48,850

This bell is a wonderful symbol
of the spirit of Christmas...

703

01:15:49,016 --> 01:15:50,935

...as am I.

704

01:15:53,396 --> 01:15:54,897

Just remember...

705

01:15:55,106 --> 01:15:57,817

...the true spirit of Christmas...

706

01:15:58,025 --> 01:16:00,319

...lies in your heart.

707

01:16:11,872 --> 01:16:13,666

Merry Christmas.

708

01:16:15,751 --> 01:16:18,546

Better keep that in a safe place.

709

01:16:34,228 --> 01:16:35,688

Oh.

710

01:16:38,482 --> 01:16:43,320

Hey, hey. Man alive, are you lucky.

711

01:16:54,248 --> 01:16:56,875

Ho-ho-ho.

712

01:17:05,592 --> 01:17:08,178

Pull, Comet. Pull, boy!

713

01:17:11,348 --> 01:17:13,558

Prancer, that's a girl.

714

01:17:18,188 --> 01:17:20,440

Good boy, Donder.

715

01:17:35,580 --> 01:17:38,041

Oh, ho-ho-ho.

716

01:17:52,263 --> 01:17:56,559

Now, Dasher. Now, Prancer and Vixen.

717

01:18:05,402 --> 01:18:08,488

It's everything I dreamed it would be.

718

01:18:08,655 --> 01:18:10,448

Could all...?

719

01:18:10,657 --> 01:18:13,576

Could all this be nothing but a dream?

720

01:18:13,743 --> 01:18:15,286

No.

721

01:18:27,590 --> 01:18:30,009

<i>To the top of the roof

To the top of the wall</i>

722

01:18:30,176 --> 01:18:35,014

<i>Now, dash away, dash away

Dash away all</i>

723

01:19:07,546 --> 01:19:10,383

All aboard!

724

01:19:10,549 --> 01:19:12,468

One, two. One, two, three, go.

725

01:19:12,635 --> 01:19:16,514

<i>Rockin ' on top of the world

Rockin ' on top of the world</i>

726

01:19:16,722 --> 01:19:18,849

<i>The place is hoppin '

There ain't no stoppin '</i>

727

01:19:19,058 --> 01:19:22,895

<i>Rockin ' on top of the world
Lift your spirits, swing that girl</i>

728

01:19:23,062 --> 01:19:25,731

<i>Rockin ' on top of the world
Tonight, yeah</i>

729

01:19:25,898 --> 01:19:28,234

Come on, shorty!

730

01:19:41,330 --> 01:19:43,707

Show your tickets.

Have your tickets ready.

731

01:19:43,874 --> 01:19:46,418

Remember to eat

the five basic food groups.

732

01:19:46,585 --> 01:19:48,379

Ticket, please.

733

01:19:48,545 --> 01:19:51,840

And please brush after every meal.

734

01:19:54,927 --> 01:19:58,180

Remember to duck and
cover. All right, you. Ticket, please.

735

01:20:07,105 --> 01:20:09,650

"Lean." Whatever that's
supposed to mean.

736

01:20:09,858 --> 01:20:12,110

"Lean" is spelled with four letters.

737

01:20:12,277 --> 01:20:14,529

I believed I punched five.

738

01:20:16,782 --> 01:20:19,576

Hey, are you saying
I don't know how to...?

739

01:20:19,785 --> 01:20:22,996

Oh, I'm sorry. It says "learn."
My mistake.

740

01:20:23,205 --> 01:20:25,082

Lesson learned.

741

01:20:25,290 --> 01:20:26,625

Ticket.

742

01:20:43,391 --> 01:20:44,935

That is some special ticket.

743

01:20:45,143 --> 01:20:46,603

Sure is.

744

01:20:46,811 --> 01:20:51,066

So can you count on us
to get you home safe and sound?

745

01:20:53,151 --> 01:20:54,903

Absolutely.

746

01:20:55,070 --> 01:20:56,571

Me...

747

01:20:57,864 --> 01:20:59,866

...and my friends.

748

01:21:02,661 --> 01:21:03,828

Ticket.

749

01:21:12,420 --> 01:21:15,465

It says "lead." Like "lead balloon."

750

01:21:15,632 --> 01:21:18,343

I believe it also is pronounced "lead."

751

01:21:18,510 --> 01:21:20,428

As in "leader," "leadership."

752

01:21:20,595 --> 01:21:22,805

"Lead the way."

753

01:21:23,014 --> 01:21:25,183

Follow you anywhere, ma'am.

754

01:21:28,102 --> 01:21:29,354

Ah, yes.

755

01:21:29,520 --> 01:21:32,482

Young man with all the questions.

756

01:21:33,024 --> 01:21:34,400

Ticket.

757

01:21:44,452 --> 01:21:46,662

- It says...

- Don't...

758

01:21:46,913 --> 01:21:48,539

It's nothing I need to know.

759

01:21:59,550 --> 01:22:01,886

- Come on, let's see the bell.

Let's see it.

760

01:22:02,053 --> 01:22:04,764

Come on, let's see the bell.

- Show us the bell.

761

01:22:04,972 --> 01:22:07,099

Yeah, let's see the bell.

762

01:22:14,440 --> 01:22:16,108

It's gone.

763

01:22:17,401 --> 01:22:20,196

Where is it?

- I lost it.

764

01:22:20,404 --> 01:22:22,948

I lost the bell from Santa's sleigh.

765

01:22:23,157 --> 01:22:24,950

It's gone?

766

01:22:26,327 --> 01:22:27,620

Don't worry.

767

01:22:27,828 --> 01:22:30,206

- We'll... We'll find it.

Yeah, we'll find it.

768

01:22:30,414 --> 01:22:32,708

Yeah, we'll help you. All of us.

769

01:22:32,917 --> 01:22:35,711

Yeah, let's hurry out
and find it right now.

770

01:22:45,262 --> 01:22:46,972

It's too late.

771

01:22:48,515 --> 01:22:50,976

Gee, that's really too bad.

772

01:22:52,019 --> 01:22:53,646

Really.

773

01:23:08,202 --> 01:23:09,995

I'm sorry.

774

01:23:40,901 --> 01:23:44,863

<i>11344 Edbrooke.</i>

775

01:23:45,071 --> 01:23:50,494

Next stop, 11344 Edbrooke.

776

01:23:57,834 --> 01:23:59,711

Hey, where you going?

777

01:24:00,754 --> 01:24:01,838

Home.

778

01:24:02,005 --> 01:24:05,592

Oh, okay. Merry Christmas.

779

01:24:10,680 --> 01:24:13,558

Thanks for stopping the train for me.

780

01:24:19,439 --> 01:24:21,024

Have a wonderful Christmas.

781

01:24:23,109 --> 01:24:25,612

Watch your step, please.

782

01:24:27,280 --> 01:24:29,240

And merry Christmas.

783

01:24:46,257 --> 01:24:47,550

Look.

784

01:24:50,219 --> 01:24:53,097

Santa got to Billy's house already.

785

01:24:55,892 --> 01:24:58,644

Look, look! Santa got here!

786

01:24:58,811 --> 01:25:00,396

Isn't that amazing?

787

01:25:00,563 --> 01:25:01,981

It is amazing.

788

01:25:09,405 --> 01:25:11,490

It is amazing.

789

01:25:57,870 --> 01:26:00,122

I'm sorry about the bell.

790

01:26:00,748 --> 01:26:03,375

It was a really special present.

791

01:26:03,542 --> 01:26:05,294

Well, you know what they say.

792

01:26:05,461 --> 01:26:07,755

It's the thought that counts.

793

01:26:08,464 --> 01:26:09,882

Yeah.

794

01:26:11,049 --> 01:26:13,927

Well, see you.

795

01:26:16,555 --> 01:26:18,056

Well...

796

01:26:18,724 --> 01:26:20,309

...see you.

797

01:26:21,226 --> 01:26:22,686

See you.

798

01:26:36,491 --> 01:26:38,994

Watch your step, please.

799

01:26:40,245 --> 01:26:41,496

Thank you.

800

01:26:41,663 --> 01:26:44,207

No, thank you.

801

01:26:46,001 --> 01:26:47,753

One thing about trains:

802

01:26:47,919 --> 01:26:50,005

It doesn't matter where they're going.

803

01:26:50,172 --> 01:26:54,217

What matters is deciding to get on.

804

01:27:11,192 --> 01:27:12,694

Merry Christmas!

805

01:27:16,406 --> 01:27:17,615

What?

806

01:27:18,783 --> 01:27:23,288

Merry Christmas!

807

01:28:31,856 --> 01:28:36,193

Wake up. Wake up.

Santa's been here. Santa's been here.

808

01:28:36,360 --> 01:28:38,028

Hurry up. Hurry up!

809

01:28:38,195 --> 01:28:41,532

Mom, Dad, wake up. Wake up!

810

01:28:41,699 --> 01:28:44,702

Santa's been here! Santa's been here!

811

01:28:44,869 --> 01:28:48,789

Mom, Dad, look!

He brought us all kinds of stuff!

812

01:28:48,956 --> 01:28:51,500

Look, a train!

813

01:29:07,933 --> 01:29:13,397

This is the most beautiful-est,
most wonderful-est Christmas ever.

814

01:29:13,605 --> 01:29:15,858

Wait. Look.

815

01:29:17,151 --> 01:29:19,027

Here's one more.

816

01:29:20,571 --> 01:29:22,447

Has your name on it.

817

01:29:51,351 --> 01:29:53,854

<i>Found this on the seat of my sleigh.</i>

818

01:29:54,020 --> 01:29:56,690

<i>Better fix that hole in your pocket.</i>

819

01:29:56,898 --> 01:29:58,108

<i>Mr. C.</i>

820

01:30:09,286 --> 01:30:11,413

Oh, what a beautiful bell.

Who's it from?

821

01:30:11,580 --> 01:30:13,623

- Santa.

- Santa?

822

01:30:13,790 --> 01:30:15,417

Really?

823

01:30:16,459 --> 01:30:18,878

- Oh, that's too bad.

What's this?

824

01:30:19,921 --> 01:30:22,382

Broken. Huh?

825

01:30:22,549 --> 01:30:24,718

Sorry about that, sport.

826

01:30:29,264 --> 01:30:32,392

Come on, kids.

We don't wanna be late.

827

01:30:40,483 --> 01:30:43,945

*<i>At one time,
most of my friends could hear the bell.</i>*

828

01:30:44,153 --> 01:30:48,157

*<i>But as years passed,
it fell silent for all of them.</i>*

829

01:30:48,324 --> 01:30:53,621

*<i>Even Sarah found, one Christmas, that she
could no longer hear its sweet sound.</i>*

830

01:30:53,788 --> 01:30:55,456

<i>Though I've grown old...</i>

831

01:30:55,665 --> 01:30:58,001

<i>... the bell still rings for me.</i>

832

01:30:58,167 --> 01:31:02,255

<i>As it does for all who truly believe.</i>
