

Dialogues from Barbie: The Princess And The Popstar to improve the vocabulary in English

1

00:01:12,332 --> 00:01:14,099

<i>When I was young</i>

2

00:01:14,156 --> 00:01:15,891

<i>I played for fun</i>

3

00:01:15,948 --> 00:01:17,781

<i>Made up the words</i>

4

00:01:17,836 --> 00:01:19,472

<i>Nobody heard</i>

5

00:01:19,532 --> 00:01:21,037

<i>But now I see</i>

6

00:01:21,419 --> 00:01:23,024

<i>All eyes on me</i>

7

00:01:23,212 --> 00:01:24,979

<i>And suddenly</i>

8

00:01:25,036 --> 00:01:26,771

<i>I'm in a dream</i>

9

00:01:27,628 --> 00:01:30,224

<i>I got a feeling now</i>

10

00:01:31,308 --> 00:01:34,734

<i>Everything's right somehow</i>

11

00:01:35,853 --> 00:01:37,422

<i>Here I am</i>

12

00:01:37,515 --> 00:01:39,053

<i>Being who I want</i>

13

00:01:39,275 --> 00:01:40,846

<i>Giving what I got</i>

14

00:01:41,132 --> 00:01:42,801

<i>Never a doubt now</i>

15

00:01:43,115 --> 00:01:44,501

<i>Here I go</i>

16

00:01:44,715 --> 00:01:46,220

<i>Burnin' like a spark</i>

17

00:01:46,508 --> 00:01:49,835

<i>Light up the dark again</i>

18

00:01:53,994 --> 00:01:55,981

Isn't she great,

Vanessa?

19

00:01:56,363 --> 00:01:58,448

Victoria! What are
you doing out here?

20

00:01:59,466 --> 00:02:00,656

Aunt Amelia!

21

00:02:00,714 --> 00:02:04,206

Oh, please, can't I go down to the
concert, just for a little bit?

22

00:02:04,906 --> 00:02:06,129

Absolutely not!

23

00:02:06,186 --> 00:02:08,172

We have guests.

Now come.

24

00:02:10,090 --> 00:02:12,687

And please do something
with your hair!

25

00:02:14,698 --> 00:02:17,011

Royal reception
number nine.

26

00:02:17,835 --> 00:02:19,788

I wake up in the morning

27

00:02:19,850 --> 00:02:21,837

<i>Like the duchess says</i>

28

00:02:21,898 --> 00:02:24,757

<i>When you're gonna
live your life right</i>

29

00:02:24,842 --> 00:02:26,479

<i>I know she thinks</i>

30

00:02:26,537 --> 00:02:28,142

<i>That I'm the fortunate one</i>

31

00:02:28,201 --> 00:02:31,114

<i>But princesses
wanna have fun</i>

32

00:02:31,178 --> 00:02:33,939

<i>Oh princesses wanna have</i>

33

00:02:34,121 --> 00:02:37,646

<i>That's all we really want</i>

34

00:02:37,705 --> 00:02:40,782

<i>Is some fun</i>

35

00:02:40,970 --> 00:02:44,494

<i>When the royal day is done</i>

36

00:02:44,553 --> 00:02:46,604

<i>Oh princesses wanna have fun</i>

37

00:02:46,920 --> 00:02:48,361

<i>I'm steppin' up</i>

38

00:02:48,649 --> 00:02:50,187

<i>Right to the top</i>

39

00:02:50,440 --> 00:02:51,914

<i>That's how I'm wired</i>

40

00:02:52,041 --> 00:02:53,678

<i>I take it higher</i>

41

00:02:54,056 --> 00:02:55,530

<i>I'm in control</i>

42

00:02:55,592 --> 00:02:57,709

<i>I broke the mold</i>

43

00:02:57,768 --> 00:02:59,273

<i>The girl you see</i>

44

00:02:59,465 --> 00:03:01,036

<i>Is up to me</i>

45

00:03:01,928 --> 00:03:03,948

<i>I'm lifting off the ground</i>

46

00:03:05,608 --> 00:03:09,809

<i>Finding the perfect sound</i>

47

00:03:11,016 --> 00:03:12,489

<i>Here I am</i>

48

00:03:12,615 --> 00:03:14,253

<i>Being who I want</i>

49

00:03:14,312 --> 00:03:15,698

<i>Giving what I got</i>

50

00:03:16,392 --> 00:03:18,029

<i>Never a doubt now</i>

51

00:03:18,119 --> 00:03:19,178

<i>Here I go</i>

52

00:03:19,624 --> 00:03:21,424

<i>Burnin' like a spark</i>

53

00:03:21,704 --> 00:03:23,920

<i>Light up the dark again</i>

54

00:03:25,095 --> 00:03:26,829

<i>Again</i>

55

00:03:26,888 --> 00:03:28,557

<i>Again</i>

56

00:03:28,679 --> 00:03:31,145

<i>Again and again and again</i>

57

00:03:37,383 --> 00:03:38,889

<i>Hey, Meribellal</i>

58

00:03:41,415 --> 00:03:42,921

<i>I am pumped

to be here</i>

59

00:03:43,016 --> 00:03:46,058

<i>performing at your kingdom's
500th anniversary!</i>

60

00:03:49,094 --> 00:03:51,724

<i>Princesses wanna have fun</i>

61

00:03:52,039 --> 00:03:54,417

<i>Oh princesses wanna have fun</i>

62

00:03:55,656 --> 00:03:58,481

<i>There's a star
that's right inside you</i>

63

00:03:59,079 --> 00:04:01,806

<i>So come on and let it out</i>

64

00:04:03,174 --> 00:04:06,001

<i>Find out what you're about
and just shout</i>

65

00:04:06,311 --> 00:04:07,729

<i>Here I am</i>

66

00:04:08,838 --> 00:04:10,605

<i>Being who I want</i>

67

00:04:10,663 --> 00:04:12,364

<i>Giving what I got</i>

68

00:04:12,423 --> 00:04:14,321

<i>Never a doubt now</i>

69

00:04:14,439 --> 00:04:15,823

<i>Here I go</i>

70

00:04:15,911 --> 00:04:17,646

<i>Burnin' like a spark</i>

71

00:04:17,862 --> 00:04:19,694

<i>Light up the dark again</i>

72

00:04:20,230 --> 00:04:22,608

<i>We just wanna

We just wanna</i>

73

00:04:23,814 --> 00:04:26,891

<i>We just wanna

We just wanna</i>

74

00:04:27,141 --> 00:04:30,219

<i>We just wanna

We just wanna</i>

75

00:04:30,790 --> 00:04:32,709

<i>Princesses wanna have fun</i>

76

00:04:32,996 --> 00:04:34,154

<i>Here I am</i>

77

00:04:34,213 --> 00:04:35,567

<i>Being who I want</i>

78

00:04:36,037 --> 00:04:37,576

<i>Giving what I got</i>

79

00:04:37,797 --> 00:04:39,335

<i>Never a doubt now</i>

80

00:04:39,813 --> 00:04:41,451

<i>Here I go</i>

81

00:04:41,509 --> 00:04:42,950

<i>Burnin' like a spark</i>

82

00:04:43,269 --> 00:04:44,741

<i>Light up the dark</i>

83

00:04:44,868 --> 00:04:46,287

<i>Again</i>

84

00:04:46,885 --> 00:04:48,685

<i>We just wanna</i>

85

00:04:48,900 --> 00:04:51,334

<i>We just wanna

We just wanna</i>

86

00:04:51,397 --> 00:04:52,586

<i>Again and again</i>

87

00:04:52,742 --> 00:04:54,661

<i>And again and again</i>

88

00:05:05,988 --> 00:05:07,592

That was hilarious!

89

00:05:08,324 --> 00:05:10,059

That was the

awesomest thing ever!

90

00:05:11,395 --> 00:05:13,195

Did you see
her face?

91

00:05:15,844 --> 00:05:17,830

I hope we didn't
hurt her feelings.

92

00:05:17,892 --> 00:05:20,172

Oh, she doesn't get hurt
feelings, Meredith.

93

00:05:20,227 --> 00:05:22,476

The main thing is...
Wasn't that great?

94

00:05:28,131 --> 00:05:29,321

Meredith.

95

00:05:29,539 --> 00:05:30,662

Trevi.

96

00:05:33,539 --> 00:05:35,623

Now, you'd both better
scoot to your rooms.

97

00:05:35,683 --> 00:05:39,240

Auntie A will be stomping her
way up Anger Avenue any minute.

98

00:05:39,331 --> 00:05:40,718

See you later!
Bye, Tori!

99

00:05:53,763 --> 00:05:55,630

Keira! Keira! Keira!

100

00:05:55,683 --> 00:05:56,741

Nora!

101

00:05:56,802 --> 00:05:59,204

Tell Phil to kill the snow
on the Fiery Ice intro.

102

00:05:59,267 --> 00:06:01,220

<i>And the drums came in late
again on Rock And Rule...</i>

103

00:06:01,314 --> 00:06:03,692

Remind Kevin that naptime's
after the show, okay?

104

00:06:03,745 --> 00:06:05,613

And what's up with the sets
for the live broadcast?

105

00:06:05,667 --> 00:06:06,823

Here are the designs.
You want the trees

106

00:06:06,882 --> 00:06:08,071

royal purple
or Tokyo violet?

107

00:06:08,131 --> 00:06:09,190

Royal Purple.

108

00:06:09,250 --> 00:06:11,563

And move my Billboard interview to
Saturday, right after the broadcast.

109

00:06:11,618 --> 00:06:13,124

Wonderful show tonight,
Keira, dear!

110

00:06:13,185 --> 00:06:14,539

Your best ever!

111

00:06:14,594 --> 00:06:15,783

I had chills!

112

00:06:15,873 --> 00:06:17,828

Hey, Crider, have you
lined up the cameras?

113

00:06:17,954 --> 00:06:19,207

Um...

The record company

114

00:06:19,266 --> 00:06:22,506

was just a tad concerned
about the budget.

115

00:06:22,561 --> 00:06:23,620

Budget?

116

00:06:23,682 --> 00:06:25,352

Crider, I've been
working my tail off

117

00:06:25,410 --> 00:06:27,658

for the last two years
to get this broadcast.

118

00:06:27,714 --> 00:06:29,350

It'll take my career
to the next level,

119

00:06:29,409 --> 00:06:32,323

which makes it massively
important that it be perfect!

120

00:06:32,385 --> 00:06:34,916

Perfect! Absolutely!

You're so right!

121

00:06:35,618 --> 00:06:37,288

Keira, there's a tea

tomorrow at the castle

122

00:06:37,345 --> 00:06:38,883

for everyone involved

in the festival.

123

00:06:38,946 --> 00:06:41,128

The princess has

requested your presence.

124

00:06:41,185 --> 00:06:42,920

I smell

a photo op!

125

00:06:43,297 --> 00:06:45,381

The princess?

At the castle?

126

00:06:46,977 --> 00:06:48,068

Let's do it.

127

00:06:48,352 --> 00:06:49,476

Daniel!

128

00:06:50,913 --> 00:06:53,291

I need some new choreography
for Saturday's special.

129

00:06:53,345 --> 00:06:55,396

Make it something
like this.

130

00:06:58,976 --> 00:07:00,198

You got it.

131

00:07:00,416 --> 00:07:01,606

Did you forget
where you're going,

132

00:07:01,665 --> 00:07:02,691

or is there

something else?

133

00:07:02,784 --> 00:07:04,137

Well...Yes.

134

00:07:04,193 --> 00:07:06,243

The record company
called again.

135

00:07:06,304 --> 00:07:09,185

And while they loved, loved,
loved your new album photos,

136

00:07:09,248 --> 00:07:10,405

they're, um.

137

00:07:10,464 --> 00:07:12,930

Still wondering when they
can hear some of the, uh...

138

00:07:12,992 --> 00:07:14,084

Songs.

139

00:07:14,144 --> 00:07:15,682

Naturally, as your
manager, I told them...

140

00:07:15,744 --> 00:07:17,217

As my manager,

141

00:07:17,280 --> 00:07:19,561

you told them that the songs
aren't ready to be heard yet.

142

00:07:19,903 --> 00:07:22,250

And that I'll let them
know when they are.

143

00:07:22,303 --> 00:07:23,941

That's exactly
what I told them.

144

00:07:24,000 --> 00:07:26,116

You know,
you work so hard.

145

00:07:26,240 --> 00:07:28,902

Perhaps, you should take a
break, let me run things.

146

00:07:29,216 --> 00:07:31,082

Now, back when my name
was up in lights...

147

00:07:31,136 --> 00:07:32,358

Gotta go, Seymour.

148

00:07:33,855 --> 00:07:36,072

Please don't
call me Seymour.

149

00:07:39,167 --> 00:07:41,994

Guess, I better actually
write those songs.

150

00:07:47,647 --> 00:07:48,836

I don't get it, Riff.

151

00:07:48,895 --> 00:07:50,979

Writing songs

used to be easy.

152

00:07:51,039 --> 00:07:52,577

Fun, even.

153

00:07:52,767 --> 00:07:53,990

If only

I didn't have

154

00:07:54,047 --> 00:07:56,032

all this other garbage.

155

00:07:56,094 --> 00:07:57,284

Lights, sound,

156

00:07:57,374 --> 00:07:58,793

scheduling, payroll, check,

157

00:07:59,071 --> 00:08:00,292

double-check,

make it work!

158

00:08:02,239 --> 00:08:03,493

Don't get me
wrong, Riff.

159

00:08:03,550 --> 00:08:06,115

I mean, I'm a star, I'm
livin' the dream, right?

160

00:08:06,334 --> 00:08:07,361

It's just...

161

00:08:08,095 --> 00:08:10,690

I don't know, sometimes I
wonder what it would be like

162

00:08:10,750 --> 00:08:12,354

to just let go.

163

00:08:21,821 --> 00:08:23,589

Princess Victoria.

164

00:08:23,966 --> 00:08:25,885

Now there's a sweet gig.

165

00:08:25,949 --> 00:08:28,612

Lives in a castle,
everything done for her.

166

00:08:28,669 --> 00:08:31,681

She's probably never
worked a day in her life.

167

00:08:34,077 --> 00:08:36,641

Tori? Tori, open the
door this instant!

168

00:08:38,077 --> 00:08:40,544

Auntie A. Do come in.

169

00:08:41,245 --> 00:08:42,402

Enough is enough!

170

00:08:42,973 --> 00:08:46,279

I promised your dear mother I would

raise you to be a proper princess.

171

00:08:46,492 --> 00:08:48,544

But now you and your
gang of tiny thugs

172

00:08:48,605 --> 00:08:50,524

have turned a royal occasion
into a laughing-stock!

173

00:08:51,964 --> 00:08:53,056

Oh?

174

00:08:53,341 --> 00:08:55,719

Has some misfortune
befallen you?

175

00:08:55,900 --> 00:08:57,821

Don't play the
innocent with me!

176

00:08:57,949 --> 00:08:59,486

This has your mark

all over it.

177

00:08:59,677 --> 00:09:02,654

I was willing to overlook the
exploding cupcakes at tea

178

00:09:02,747 --> 00:09:04,286

and the skunk
at the embassy ball!

179

00:09:04,348 --> 00:09:05,734

I even made excuses

180

00:09:05,788 --> 00:09:07,871

when you hid the
Prime Minister's teeth.

181

00:09:07,963 --> 00:09:09,404

Just his uppers!

182

00:09:09,467 --> 00:09:12,611

Princess Victoria Bethany
Evangeline Renee,

183

00:09:12,700 --> 00:09:14,467

you are almost 18!

184

00:09:14,524 --> 00:09:17,950

It's time you started acting
like a princess of the realm,

185

00:09:18,011 --> 00:09:20,030

not some silly schoolgirl!

186

00:09:20,828 --> 00:09:22,498

Forgive me,
Aunt Amelia.

187

00:09:24,604 --> 00:09:26,917

I'm just having
a bit of fun, that's all.

188

00:09:30,299 --> 00:09:32,165

Fun? You're a Royal.

189

00:09:32,700 --> 00:09:35,395

Duty and responsibility

come before fun.

190

00:09:36,699 --> 00:09:39,613

Have you even begun your

commemoration speech for next week?

191

00:09:40,538 --> 00:09:42,753

Um... Sort of.

192

00:09:42,811 --> 00:09:45,441

Except for the part after

"Ladies and gentlemen."

193

00:09:47,100 --> 00:09:48,387

As I thought!

194

00:09:49,979 --> 00:09:51,549

I'm returning

to our guests.

195

00:09:51,642 --> 00:09:54,785

And since you refuse to
take your duties seriously,

196

00:09:54,842 --> 00:09:56,260

you can just stay
in your room all night

197

00:09:56,314 --> 00:09:58,300

and write that speech.

198

00:09:58,394 --> 00:10:01,188

But, Aunt Amelia...

Not another word!

199

00:10:02,107 --> 00:10:03,579

I am sorry.

200

00:10:04,411 --> 00:10:05,796

Good night, Auntie.

201

00:10:18,075 --> 00:10:20,671

"Ladies and Gentlemen,
distinguished guests,

202

00:10:20,761 --> 00:10:24,831

"500 years ago, our kingdom
began its rule, and..."

203

00:10:27,098 --> 00:10:28,800

Insert speech here.

204

00:10:29,625 --> 00:10:30,880

"You're a Royal,

205

00:10:30,937 --> 00:10:33,732

"duty and responsibility
come before fun."

206

00:10:34,394 --> 00:10:35,387

Ugh.

207

00:10:41,913 --> 00:10:43,550

<i>Look at her</i>

208

00:10:43,609 --> 00:10:45,988

<i>In the spotlight</i>

209

00:10:46,041 --> 00:10:48,125

<i>I love her purple hair</i>

210

00:10:48,344 --> 00:10:49,850

<i>She can do</i>

211

00:10:50,105 --> 00:10:51,905

<i>What she wants to</i>

212

00:10:51,961 --> 00:10:54,362

<i>As crazy as she dares</i>

213

00:10:54,425 --> 00:10:58,179

<i>She doesn't

need to be polite</i>

214

00:10:59,480 --> 00:11:01,663

<i>I wish I had her life</i>

215

00:11:02,585 --> 00:11:05,117

<i>Then I would be so free</i>

216

00:11:05,657 --> 00:11:07,359

<i>I wish I had her life</i>

217

00:11:08,792 --> 00:11:10,691

<i>I'd be another me</i>

218

00:11:16,120 --> 00:11:17,626

<i>Look at her</i>

219

00:11:17,688 --> 00:11:19,739

<i>In the throne room</i>

220

00:11:19,831 --> 00:11:21,818

<i>Every hair just right</i>

221

00:11:22,136 --> 00:11:23,740

<i>She has tea</i>

222

00:11:23,799 --> 00:11:25,502

<i>In the morning</i>

223

00:11:25,944 --> 00:11:28,344

<i>And bon bons every night</i>

224

00:11:29,015 --> 00:11:32,572

<i>Wouldn't that be nice?</i>

225

00:11:33,463 --> 00:11:35,743

<i>I wish I had her life</i>

226

00:11:36,536 --> 00:11:38,587

<i>Then I would be so free</i>

227

00:11:39,574 --> 00:11:42,074

<i>I wish I had her life</i>

228

00:11:42,647 --> 00:11:44,961

<i>I'd be another me</i>

229

00:11:50,263 --> 00:11:52,282

<i>They'd do my nails</i>

230

00:11:53,303 --> 00:11:55,355

<i>I'd stroll the grounds</i>

231

00:11:56,822 --> 00:11:58,874

<i>I would wear</i>

232

00:11:59,479 --> 00:12:02,108

<i>Whatever</i>

233

00:12:02,679 --> 00:12:04,119

<i>And then I'd rock</i>

234

00:12:05,431 --> 00:12:07,963

<i>Have time for me</i>

235

00:12:08,789 --> 00:12:12,346

<i>It just might happen</i>

236

00:12:13,015 --> 00:12:14,749

<i>Never</i>

237

00:12:16,758 --> 00:12:19,355

<i>I wish I had her life</i>

238

00:12:20,182 --> 00:12:22,495

<i>Then I would be so free</i>

239

00:12:23,350 --> 00:12:26,295

<i>And everything
would suddenly be</i>

240

00:12:26,357 --> 00:12:28,758

<i>Just the way that
I dreamed it could be</i>

241

00:12:28,949 --> 00:12:31,863

<i>I wish I had her life</i>

242

00:12:32,342 --> 00:12:34,971

<i>I wish I had her life</i>

243

00:12:36,021 --> 00:12:38,334

<i>I wish I had her life</i>

244

00:12:38,740 --> 00:12:41,022

<i>I wish I had her life</i>

245

00:12:41,845 --> 00:12:43,514

<i>Oh</i>

246

00:12:44,917 --> 00:12:47,229

<i>Oh</i>

247

00:12:47,701 --> 00:12:50,778

<i>So beautiful and bright</i>

248

00:12:50,966 --> 00:12:53,660

<i>I wish I had her life</i>

249

00:13:07,125 --> 00:13:08,924

Trust me, sir,

Keira's new songs

250

00:13:08,981 --> 00:13:11,380

are fabulous,

best she's ever written!

251

00:13:11,444 --> 00:13:13,943

She just, er,
needs a little more time.

252

00:13:14,005 --> 00:13:15,543

I've been helping her
as best I can,

253

00:13:15,604 --> 00:13:17,688

but you know
how these stars are.

254

00:13:19,059 --> 00:13:20,631

As a former star myself,

255

00:13:20,692 --> 00:13:21,913

I can tell you...

256

00:13:21,971 --> 00:13:25,561

<i>Crider, your job is to keep
that little diva in line!</i>

257

00:13:25,972 --> 00:13:29,594

<i>You tell her if I don't hear some new
hit tunes on the broadcast Saturday,</i>

258

00:13:29,652 --> 00:13:32,379

<i>she can start looking
for another record company!</i>

259

00:13:32,595 --> 00:13:34,036

But, but, Mr. Limburger...

260

00:13:34,099 --> 00:13:35,256

<i>And you can go back</i>

261

00:13:35,347 --> 00:13:38,425

<i>to managing Uncle Herman
and His Talking Pig!</i>

262

00:13:41,524 --> 00:13:44,153

Thai vappy Pig
still owes me 40 bucks.

263

00:13:46,740 --> 00:13:48,179

What in the...

Argh!

264

00:13:52,787 --> 00:13:53,911

Rupert!

265

00:13:54,163 --> 00:13:56,443

Something you wanted,

Mr. Crider?

266

00:13:56,914 --> 00:13:58,419

Oh, you found it!

267

00:13:59,539 --> 00:14:02,300

Still got a good few

chews left, looks like.

268

00:14:02,547 --> 00:14:04,085

Get it off.

269

00:14:04,627 --> 00:14:06,908

Oh, right.

Quick as a bunny.

270

00:14:07,282 --> 00:14:09,596

"Keep that little diva
in line," he says.

271

00:14:09,683 --> 00:14:12,182

How am I supposed to make that
whiny warbler do anything?

272

00:14:12,242 --> 00:14:14,162

She runs the show
like a drill sergeant!

273

00:14:14,226 --> 00:14:15,318

"Crider, curl my wigs!

274

00:14:15,378 --> 00:14:16,797

"Crider, take my breath mint!

275

00:14:16,851 --> 00:14:18,357

"Crider, stop stealing
my jewelry!"

276

00:14:18,419 --> 00:14:20,121

Things were different
when I was a star...

277

00:14:21,266 --> 00:14:23,481

I mean, back then, people
respected real talent.

278

00:14:24,209 --> 00:14:25,170

Ah!

279

00:14:28,273 --> 00:14:29,234

Ow!

280

00:14:29,937 --> 00:14:30,897

Oh.

281

00:14:32,210 --> 00:14:34,261

Rupert, do you know
I was beloved?

282

00:14:34,322 --> 00:14:35,413

Yeah, yeah.

283

00:14:35,538 --> 00:14:37,175

A beloved idol of millions.

284

00:14:37,234 --> 00:14:39,895

I was the beloved

idol of millions.

285

00:14:40,561 --> 00:14:43,507

The finest boy singer on the

Chipper Chipmunk Show.

286

00:14:43,569 --> 00:14:44,954

Until...

287

00:14:45,009 --> 00:14:46,743

That tragic day.

288

00:14:47,857 --> 00:14:49,973

<i>I'm a chipper chipmunk</i>

289

00:14:57,969 --> 00:14:59,441

And that was that.

290

00:14:59,503 --> 00:15:01,850

My singing career was over.

Kaput. Finished.

291

00:15:01,937 --> 00:15:03,124

A has been at 14.

292

00:15:04,304 --> 00:15:06,420

To this day I have

nightmares of chipmunks,

293

00:15:06,479 --> 00:15:08,434

their toothy smiles

taunting me.

294

00:15:08,657 --> 00:15:10,773

A tragic tale,

Mr. Crider.

295

00:15:10,832 --> 00:15:13,264

I get a lump in me throat
every time you tell it.

296

00:15:13,328 --> 00:15:15,030

Which is quite a bit.

297

00:15:15,088 --> 00:15:17,849

It's all so...
So very unfair, Rupert.

298

00:15:18,288 --> 00:15:21,529

If only somehow I had the
means to restart my career.

299

00:15:22,191 --> 00:15:24,570

All I need is
one lucky break.

300

00:15:25,359 --> 00:15:27,576

Or a rich widow.

301

00:15:32,912 --> 00:15:34,897

Oh, Mr. Crider,
how you go on!

302

00:15:36,239 --> 00:15:39,033

But surely you must
have been a ballerina!

303

00:15:39,311 --> 00:15:40,785

That form, that grace!

304

00:15:41,999 --> 00:15:44,181

Oh, you are
such a flatterer!

305

00:15:44,815 --> 00:15:47,096

And you say you were
a singer on this...

306

00:15:47,183 --> 00:15:49,170

"Squeaky Squirrel" show?

307

00:15:49,774 --> 00:15:51,029

Chipmunk.

308

00:15:51,086 --> 00:15:52,592

"Chipper Chipmunk."

309

00:15:52,654 --> 00:15:54,574

But I don't like
to talk about myself.

310

00:15:58,222 --> 00:16:02,030

And this drought has been
hard on the entire region.

311

00:16:02,606 --> 00:16:05,616

Our reservoirs are
only 30% of normal,

312

00:16:05,807 --> 00:16:08,468

and our vineyards
are withering.

313

00:16:09,038 --> 00:16:11,733

Your Royal Highness,
may I present

314

00:16:11,790 --> 00:16:13,231

Miss Keira.

315

00:16:14,062 --> 00:16:16,081

This is so cool!

316

00:16:16,399 --> 00:16:18,614

So you're a real

live princess.

317

00:16:19,342 --> 00:16:20,498

Awesome.

318

00:16:20,558 --> 00:16:21,617

You're Keira!

319

00:16:21,774 --> 00:16:25,047

I am absolutely your
very biggest fan ever!

320

00:16:25,326 --> 00:16:26,712

Thanks.

321

00:16:26,894 --> 00:16:28,116

Would you like a tour?

322

00:16:28,173 --> 00:16:29,199

Love to!

323

00:16:29,582 --> 00:16:32,692

But aren't you supposed to
be hostessing or something?

324

00:16:33,133 --> 00:16:34,552

Oh. Right.

325

00:16:34,605 --> 00:16:35,827

Um...

326

00:16:36,109 --> 00:16:37,680

Look, everyone!

327

00:16:37,870 --> 00:16:40,019

An all you can eat
caviar buffet!

328

00:16:44,078 --> 00:16:45,038

Hello!

329

00:16:46,254 --> 00:16:48,086

I'm Prince Li... Hmm.

330

00:16:56,461 --> 00:16:58,742

This way,
we'll start with my room.

331

00:17:01,836 --> 00:17:02,927

Ta-da!

332

00:17:03,405 --> 00:17:04,463

Whoa.

333

00:17:07,084 --> 00:17:08,950

There's more me in here
than in my house.

334

00:17:09,004 --> 00:17:10,903

Mmm-hmm.

Your guitar,

335

00:17:10,956 --> 00:17:13,106

your albums,

most of your fashion line.

336

00:17:13,676 --> 00:17:15,924

I wore this in my

first music video.

337

00:17:15,980 --> 00:17:18,064

It's still

my very favorite!

338

00:17:18,603 --> 00:17:20,174

<i>Here I am</i>

339

00:17:20,236 --> 00:17:21,677

<i>Being who I want</i>

340

00:17:21,740 --> 00:17:23,442

<i>Giving what I got</i>

341

00:17:23,627 --> 00:17:25,362

<i>Never a doubt now</i>

342

00:17:27,148 --> 00:17:28,718

<i>Here I go</i>

343

00:17:28,811 --> 00:17:30,416

<i>Burnin' like a spark</i>

344

00:17:30,507 --> 00:17:32,822

<i>Light up the dark again</i>

345

00:17:35,212 --> 00:17:36,816

Not too shabby

for a princess.

346

00:17:37,995 --> 00:17:40,396

Hey, want to join me

on stage for a number?

347

00:17:40,460 --> 00:17:41,900

The tabloids will go nuts.

348

00:17:42,379 --> 00:17:44,725

Thanks,

but I'm no performer.

349

00:17:44,843 --> 00:17:47,058

I'd be freaked

to face a real audience.

350

00:17:47,180 --> 00:17:48,303

But you...

351

00:17:48,556 --> 00:17:49,941

You must love it.

352

00:17:50,507 --> 00:17:52,820

Sure, it's all

I ever wanted.

353

00:17:53,194 --> 00:17:56,305

But, I dunno, it used
to be more about music.

354

00:17:57,098 --> 00:17:58,865

Now, it's different.

355

00:17:59,818 --> 00:18:01,838

But, Keira,
you're a star!

356

00:18:02,347 --> 00:18:04,115

And you're a princess!

357

00:18:04,490 --> 00:18:07,371

When I was little, I always
dreamed of being a princess!

358

00:18:07,466 --> 00:18:09,616

I'd be wearing
a ball gown and a tiara.

359

00:18:10,058 --> 00:18:11,662

Want to try mine?

360

00:18:16,169 --> 00:18:17,326

Riff!

361

00:18:17,418 --> 00:18:18,771

Use your inside bark!

362

00:18:23,946 --> 00:18:25,200

Sorry.

363

00:18:25,290 --> 00:18:27,373

He's my baby.

I bring him everywhere.

364

00:18:27,465 --> 00:18:28,851

Riff, Sit!

365

00:18:30,634 --> 00:18:32,369

He's cute.

366

00:18:32,458 --> 00:18:35,219

Look, Vanessa, Keira

brought a friend for you!

367

00:18:40,777 --> 00:18:43,309

I read you've been performing
since you were six.

368

00:18:43,432 --> 00:18:45,833

When I was six, my biggest
job was keeping my tiara...

369

00:18:46,121 --> 00:18:47,758

Hi! Nice digs.

370

00:18:47,818 --> 00:18:49,105

I'm Riff! Who are you?

371

00:18:49,929 --> 00:18:52,242

I am Vanessa Victoria
Fluffy-pie.

372

00:18:52,393 --> 00:18:54,378

Are you always like this?

373

00:18:54,697 --> 00:18:56,944

Like what?

Got any squeaky toys?

374

00:18:57,001 --> 00:18:58,125

Soggy tennis balls?

375

00:18:58,184 --> 00:18:59,656

Mmm, you smell nice!

376

00:19:01,288 --> 00:19:02,314

There.

377

00:19:02,376 --> 00:19:03,664

Oh, yeah.

378

00:19:03,720 --> 00:19:06,514

And I've got just
the outfit to go with it.

379

00:19:06,567 --> 00:19:08,783

Formal gown number nine!

380

00:19:12,040 --> 00:19:14,604

Oh. So that's how you
make those quick changes!

381

00:19:14,824 --> 00:19:16,623

A magic microphone!

382

00:19:17,000 --> 00:19:19,084

I have something
like that.

383

00:19:19,304 --> 00:19:21,803

Keira pop hair
number five!

384

00:19:24,776 --> 00:19:26,445

A magic hairbrush!

385

00:19:26,695 --> 00:19:27,950

Very cool.

386

00:19:28,007 --> 00:19:29,513

New hairdo's for every

387

00:19:29,575 --> 00:19:31,114

royal occasion.

388

00:19:31,175 --> 00:19:33,129

And a few non-royal ones!

389

00:19:36,456 --> 00:19:39,249

Are you thinking
what I'm thinking?

390

00:19:54,407 --> 00:19:56,688

You look just like me!

391

00:19:56,742 --> 00:19:58,161

Whoa!

392

00:19:58,247 --> 00:19:59,535

There you are!

393

00:19:59,590 --> 00:20:00,715

Huh?

Huh?

394

00:20:00,775 --> 00:20:02,280

The guests are all

asking about you!

395

00:20:02,342 --> 00:20:04,242

You need to

return at once!

396

00:20:04,583 --> 00:20:06,285

Oh, no, no, I'm...

397

00:20:06,342 --> 00:20:08,655

Princess Tori,

of Meribella!

398

00:20:08,710 --> 00:20:10,281

Your Highness!

399

00:20:12,999 --> 00:20:13,959

Whoa...

400

00:20:19,398 --> 00:20:20,816

This can't be good.

401

00:20:21,157 --> 00:20:23,438

Are you kidding?

It's delicious!

402

00:20:27,334 --> 00:20:29,003

Now. Mingle.

403

00:20:30,310 --> 00:20:31,880

Yoo-hoo!

404

00:20:31,941 --> 00:20:33,961

Oh, Mister Crider!

405

00:20:34,629 --> 00:20:36,649

Ready for an

awesome entrance...

406

00:20:36,741 --> 00:20:38,029

Princess?

407

00:20:41,604 --> 00:20:44,168

Oh, man, it's just
like I dreamed.

408

00:20:44,965 --> 00:20:46,503

Her Royal Highness,

409

00:20:46,724 --> 00:20:50,282

Princess Victoria Bethany
Evangeline Renee

410

00:20:50,341 --> 00:20:52,589

has returned!

411

00:21:11,940 --> 00:21:12,999

Whoa!

412

00:21:13,252 --> 00:21:14,409

Whoa!

413

00:21:22,660 --> 00:21:23,914

Are you all right,

Your Highness?

414

00:21:23,971 --> 00:21:25,161

Did you break anything?

415

00:21:25,219 --> 00:21:27,402

I mean,

besides my spleen.

416

00:21:27,939 --> 00:21:29,357

I'm good.

417

00:21:29,796 --> 00:21:31,049

Nobody saw that, right?

418

00:21:31,108 --> 00:21:33,508

Pff, you kidding?

It's our secret.

419

00:21:34,115 --> 00:21:35,337

Tori! Tori!

420

00:21:35,396 --> 00:21:36,355

Who?

421

00:21:36,740 --> 00:21:38,180

Are you hurt?

422

00:21:38,659 --> 00:21:40,297

Oh, I'm fine. Really.

423

00:21:40,356 --> 00:21:42,275

I'm great, Mister, uh...

424

00:21:42,338 --> 00:21:43,430

Father.

425

00:21:43,492 --> 00:21:44,964

Mister Father.

426

00:21:45,635 --> 00:21:48,199

Thank goodness!

You had me worried.

427

00:21:52,579 --> 00:21:53,735

Keira?

428

00:21:53,796 --> 00:21:55,147

Yes?

429

00:21:55,490 --> 00:21:56,964

I'm a huge fan!

430

00:21:57,154 --> 00:21:58,442

Me too!

431

00:21:58,499 --> 00:21:59,820

Not as big as Tori,
mind you.

432

00:22:01,028 --> 00:22:04,355

Oh, thank you.

What lovely stationery?

433

00:22:05,570 --> 00:22:06,694

Autograph.

434

00:22:06,754 --> 00:22:08,620

Oh! Of course!

An autograph.

435

00:22:11,009 --> 00:22:13,672

Here you go.

436

00:22:17,985 --> 00:22:19,426

"Love Tori"?

437

00:22:22,946 --> 00:22:24,964

We never did

finish our tour!

438

00:22:25,026 --> 00:22:27,012

Oh, but actually,

you're the princess today,

439

00:22:27,074 --> 00:22:28,972

so you should

give the tour.

440

00:22:29,025 --> 00:22:31,174

As you wish,

Your Highness.

441

00:22:32,418 --> 00:22:34,665

And this priceless

silver-handle fan

442

00:22:34,722 --> 00:22:38,181

was a gift from the King of

Spain to my great grandmama.

443

00:22:38,849 --> 00:22:41,195

You know, they were

quite the item.

444

00:22:41,249 --> 00:22:42,274

Hmm,

445

00:22:42,337 --> 00:22:43,658

delicate yet saucy.

446

00:22:43,745 --> 00:22:45,665

Not unlike you,
my dear Duchess.

447

00:22:45,729 --> 00:22:47,913

Or, may I call you,
Amelia?

448

00:22:48,225 --> 00:22:51,552

Oh, Mr. Crider,
please do!

449

00:22:52,672 --> 00:22:56,262

And to our left is the future
site of the Royal Taco Hut.

450

00:22:56,737 --> 00:22:59,530

Actually, it is
something pretty cool.

451

00:22:59,585 --> 00:23:01,090

Can you keep a secret?

452

00:23:01,151 --> 00:23:02,887

A mondo big one?

453

00:23:03,489 --> 00:23:04,929

Uh, sure.

454

00:23:05,024 --> 00:23:08,200

If you can't trust a fake
princess, who can you trust?

455

00:23:25,631 --> 00:23:26,952

Follow me.

456

00:23:55,199 --> 00:23:56,585

Wow.

457

00:23:56,638 --> 00:23:58,853

This is definitely
no Taco Hut.

458

00:23:59,774 --> 00:24:01,345

It's a Diamond Gardenia.

459

00:24:01,407 --> 00:24:04,321

It's 500 years old

and it grows real diamonds!

460

00:24:04,383 --> 00:24:06,369

Most of our people

think it's just a legend.

461

00:24:06,430 --> 00:24:08,449

Except for the Royal Family

462

00:24:08,510 --> 00:24:10,212

and now you.

463

00:24:10,974 --> 00:24:13,321

And the tiny

flying people?

464

00:24:13,951 --> 00:24:17,061

They're garden fairies. They

take care of all the plants.

465

00:24:17,118 --> 00:24:18,919

Oh, they're adorable.

466

00:24:22,813 --> 00:24:26,719

Yes, but they get rather cranky
if you mess with the gardenia.

467

00:24:27,933 --> 00:24:29,887

It blooms just once
every five years.

468

00:24:29,949 --> 00:24:34,085

It's diamonds help pay for
schools and you know, stuff.

469

00:24:35,228 --> 00:24:38,818

Now, over here is a rare,
black pearl letter opener.

470

00:24:42,493 --> 00:24:43,934

Hmm. Curious.

471

00:24:44,445 --> 00:24:47,522

Mr. Crider, excuse me
for just a moment.

472

00:24:48,189 --> 00:24:50,087

Now, don't move a muscle.

473

00:24:50,141 --> 00:24:52,159

Not a pinky, Amelia.

474

00:24:58,877 --> 00:25:00,317

Keira, look!

475

00:25:18,427 --> 00:25:20,827

Hey, thanks,
tiny dancers!

476

00:25:21,372 --> 00:25:22,660

These rock.

477

00:25:22,844 --> 00:25:25,190

These will be our

friendship necklaces.

478

00:25:25,244 --> 00:25:26,270

Tori?

479

00:25:28,187 --> 00:25:30,947

Are you mad, bringing
an outsider in here?

480

00:25:31,484 --> 00:25:32,869

You know the rules.

481

00:25:32,923 --> 00:25:35,074

No one but the Royal Family
is allowed in this garden!

482

00:25:35,132 --> 00:25:37,957

And you reveal it
to a perfect stranger?

483

00:25:38,523 --> 00:25:39,963

CRIDERI Oh...

484

00:25:41,883 --> 00:25:43,105

Now hold on!

485

00:25:43,163 --> 00:25:45,542

You can't talk that way

to Keira's friend,

486

00:25:45,595 --> 00:25:46,686

the princess,

487

00:25:47,291 --> 00:25:48,862

and if the princess

could speak,

488

00:25:48,924 --> 00:25:52,197

which she can't because

she's, er, speechless,

489

00:25:52,411 --> 00:25:54,310

she would say

that you are being

490

00:25:54,396 --> 00:25:57,024

a royal party pooper!

491

00:25:58,619 --> 00:26:00,189

I rest my case.

492

00:26:02,458 --> 00:26:03,712

Oh.

493

00:26:04,282 --> 00:26:07,458

Sometimes I don't know
who that girl is!

494

00:26:17,435 --> 00:26:19,005

Problem, my dear?

495

00:26:19,929 --> 00:26:21,829

You wouldn't believe it.

496

00:26:21,914 --> 00:26:25,700

Now, where were we
with our tour?

497

00:26:26,938 --> 00:26:28,323

I believe I was
telling you

498

00:26:28,378 --> 00:26:31,553

how radiant you look
in every room of the castle.

499

00:26:39,833 --> 00:26:42,397

That was close!

500

00:26:42,746 --> 00:26:44,513

I thought she'd
ground us both!

501

00:26:44,666 --> 00:26:47,611

That may be the scariest
woman I've ever met.

502

00:26:48,058 --> 00:26:50,076

And today was a good day!

503

00:26:50,329 --> 00:26:51,584

Look, this was awesome,

504

00:26:51,641 --> 00:26:53,507

but I've got a tour

to obsess over,

505

00:26:53,561 --> 00:26:56,834

so let's change back before

your Aunt gets any more...

506

00:27:11,896 --> 00:27:14,177

Well, thank goodness

that silliness is over!

507

00:27:14,521 --> 00:27:15,546

Silliness?

508

00:27:15,607 --> 00:27:16,928

Silliness?

What silliness?

509

00:27:17,015 --> 00:27:18,303

Do you like bacon?

510

00:27:19,448 --> 00:27:21,401

Why does it have to end?

511

00:27:22,071 --> 00:27:23,425

Well, for one thing,

512

00:27:23,479 --> 00:27:25,149

I've got a concert

to do tonight.

513

00:27:25,208 --> 00:27:27,423

Not to mention contracts

to sign, an interview...

514

00:27:27,479 --> 00:27:28,985

But what about tomorrow?

515

00:27:29,080 --> 00:27:30,651

We could change

places in the morning,

516

00:27:30,711 --> 00:27:33,373

and spend the whole day
being each other!

517

00:27:33,656 --> 00:27:36,961

Oh, this is a bad idea
on so many levels.

518

00:27:37,400 --> 00:27:38,589

I know just what you mean.

519

00:27:38,647 --> 00:27:40,796

Wait, no I don't.
Ah! There's that tail.

520

00:27:41,816 --> 00:27:43,353

Look, I really don't think...

521

00:27:43,446 --> 00:27:45,084

Keira, wouldn't
it be amazing

522

00:27:45,174 --> 00:27:48,219

just for one day to take
a break from being you?

523

00:27:48,790 --> 00:27:50,143

Tori...

524

00:27:50,294 --> 00:27:51,714

It'd be magical!

525

00:27:51,926 --> 00:27:54,654

I'd get to be a pop star
for a whole day!

526

00:27:54,710 --> 00:27:57,439

And you'd get
to be a princess!

527

00:27:59,862 --> 00:28:01,335

Let's do it!

528

00:28:10,998 --> 00:28:12,732

This is gonna be great!

529

00:28:13,398 --> 00:28:15,830

But I don't know the first
thing about being a princess.

530

00:28:16,277 --> 00:28:17,369

It's easy!

531

00:28:17,430 --> 00:28:20,060

All you have to do
is follow a few simple rules.

532

00:28:22,934 --> 00:28:23,993

<i>To be a princess</i>

533

00:28:24,054 --> 00:28:26,334

<i>Is to know which spoon to use</i>

534

00:28:26,901 --> 00:28:28,058

<i>To be a princess</i>

535

00:28:28,117 --> 00:28:29,755

<i>Is a thousand pairs of shoes!</i>

536

00:28:30,197 --> 00:28:32,117

<i>Have your breakfast
served in bed</i>

537

00:28:32,181 --> 00:28:34,102

<i>Wear some diamonds
on your head</i>

538

00:28:34,165 --> 00:28:35,321

<i>Get a foot massage</i>

539

00:28:35,381 --> 00:28:37,083

<i>And mani-pedi too</i>

540

00:28:38,550 --> 00:28:42,423

<i>To be a princess
is to live a dream come true</i>

541

00:28:45,940 --> 00:28:47,860

<i>Curtsey when princes
come to call</i>

542

00:28:47,925 --> 00:28:49,792

<i>Wear a new gown
to every ball</i>

543

00:28:49,845 --> 00:28:51,515

<i>AH through the day
there's just one way</i>

544

00:28:51,605 --> 00:28:53,623

<i>You must behave</i>

545

00:28:53,717 --> 00:28:55,451

<i>Pose with a feather
in your hat</i>

546

00:28:55,509 --> 00:28:57,375

<i>Stretch on a golden yoga mat</i>

547

00:28:57,621 --> 00:28:59,672

<i>Bend from above
and always wear your gloves</i>

548

00:29:00,213 --> 00:29:02,112

<i>And wave!</i>

549

00:29:02,485 --> 00:29:04,383

<i>Shoulders back

And tummy in and</i>

550

00:29:04,628 --> 00:29:06,265

<i>Pinky out and

Lift the chin and</i>

551

00:29:06,547 --> 00:29:09,309

<i>Slowly turn your head

from side to side</i>

552

00:29:10,195 --> 00:29:12,094

<i>Breathing gently

Stepping lightly</i>

553

00:29:12,148 --> 00:29:14,233

<i>Smile brightly

Nod politely</i>

554

00:29:14,292 --> 00:29:16,986

<i>Do everything
you do with pride</i>

555

00:29:17,684 --> 00:29:18,906

<i>Glide!</i>

556

00:29:19,860 --> 00:29:21,279

<i>To be a princess</i>

557

00:29:21,332 --> 00:29:23,351

<i>Is to wear your family crest</i>

558

00:29:23,924 --> 00:29:25,212

<i>To be a princess</i>

559

00:29:25,267 --> 00:29:27,548

<i>Is to always do your best.</i>

560

00:29:35,507 --> 00:29:36,981

<i>To be a popstar</i>

561

00:29:37,076 --> 00:29:38,843

<i>Is to know which mic to use</i>

562

00:29:39,187 --> 00:29:40,376

<i>To be a popstar</i>

563

00:29:40,436 --> 00:29:42,552

<i>Is to not fall off your shoes</i>

564

00:29:42,707 --> 00:29:44,726

<i>To rehearse until it's right</i>

565

00:29:44,787 --> 00:29:46,620

<i>Give a great show every night</i>

566

00:29:46,675 --> 00:29:49,850

<i>And have room service
with anything you choose</i>

567

00:29:50,803 --> 00:29:52,473

<i>To be a popstar</i>

568

00:29:52,531 --> 00:29:54,713

<i>Is to love your great reviews</i>

569

00:29:58,419 --> 00:30:00,372

<i>Take in the latest
fashion show</i>

570

00:30:00,466 --> 00:30:02,266

<i>Fly for a lunch to Mexico</i>

571

00:30:02,386 --> 00:30:04,218

<i>No time for friends
except your dog</i>

572

00:30:04,274 --> 00:30:05,944

<i>And your guitar</i>

573

00:30:06,065 --> 00:30:08,085

<i>Tweet everyone
your latest news</i>

574

00:30:08,147 --> 00:30:10,013

<i>Sit for a thousand interviews</i>

575

00:30:10,130 --> 00:30:11,351

<i>Love every fan</i>

576

00:30:11,410 --> 00:30:14,040

<i>No matter how bizarre they are</i>

577

00:30:14,546 --> 00:30:16,019

<i>Here's a camera</i>

578

00:30:16,082 --> 00:30:17,369

<i>There's a camera</i>

579

00:30:17,426 --> 00:30:19,030

<i>And a camera and a camera</i>

580

00:30:19,091 --> 00:30:20,793

<i>And another autograph to sign</i>

581

00:30:20,881 --> 00:30:22,420

<i>Love Keira</i>

582

00:30:22,737 --> 00:30:24,636

<i>Change your clothes
and strike a pose and</i>

583

00:30:24,689 --> 00:30:26,708

<i>Work the crowd and
take a bow and</i>

584

00:30:26,770 --> 00:30:29,433

<i>Don't forget to
post it all online</i>

585

00:30:30,161 --> 00:30:31,515

<i>Shine!</i>

586

00:30:32,594 --> 00:30:34,011

<i>To be a popstar</i>

587

00:30:34,066 --> 00:30:36,215

<i>Is to never act your age</i>

588

00:30:36,274 --> 00:30:37,943

<i>To be a popstar</i>

589

00:30:38,001 --> 00:30:41,394

<i>Is to make the world
your stage</i>

590

00:30:47,537 --> 00:30:48,629

<i>Shoulders back and</i>

591

00:30:48,785 --> 00:30:49,778

<i>Strike a pose and</i>

592

00:30:49,970 --> 00:30:50,929

<i>Pinky out and</i>

593

00:30:51,025 --> 00:30:52,182

<i>Change your clothes and</i>

594

00:30:52,241 --> 00:30:53,911

<i>Slowly turn your head
from side to side</i>

595

00:30:54,033 --> 00:30:55,451

<i>{see now</i>

596

00:30:55,601 --> 00:30:56,660

<i>Here's a camera</i>

597

00:30:56,753 --> 00:30:57,745

<i>Stepping lightly</i>

598

00:30:57,841 --> 00:30:58,801

<i>There's a camera</i>

599

00:30:58,864 --> 00:31:00,020

<i>Nod politely</i>

600

00:31:00,079 --> 00:31:03,059

<i>Do everything
you do with pride</i>

601

00:31:03,120 --> 00:31:04,560

<i>Glide!</i>

602

00:31:05,488 --> 00:31:06,644

<i>To be a princess</i>

603

00:31:06,704 --> 00:31:09,083

<i>Is to always do your best</i>

604

00:31:09,137 --> 00:31:10,489

<i>To be a popstar</i>

605

00:31:10,544 --> 00:31:13,621

<i>Is to leave them all</i>

606

00:31:13,968 --> 00:31:17,176

<i>Impressed</i>

607

00:31:22,063 --> 00:31:23,285

Ready?

608

00:31:23,664 --> 00:31:25,017

Ready.

609

00:31:28,048 --> 00:31:30,001

You should have seen
those diamonds, Rupert!

610

00:31:30,063 --> 00:31:32,409

Hundreds of them, just
sitting there, glittering!

611

00:31:32,559 --> 00:31:34,676

Me, I don't hold
with littering.

612

00:31:34,735 --> 00:31:37,398

Back in the day, Mick and
Keith would always tell me

613

00:31:37,519 --> 00:31:39,864

"Litter free, that's for me."

614

00:31:40,432 --> 00:31:41,620

Ow.

615

00:31:42,287 --> 00:31:44,339

Glittering, not
littering, you baboon!

616
00:31:44,399 --> 00:31:45,905
Would you please listen?

617
00:31:45,967 --> 00:31:47,255
Ah...

618
00:31:47,695 --> 00:31:48,983
I can hear the ocean.

619
00:31:49,038 --> 00:31:50,424
It's like they were
calling my name.

620
00:31:50,478 --> 00:31:52,944
"Crider! Handsome,
talented superstar!

621
00:31:53,007 --> 00:31:54,196
"Take us away!"

622

00:31:54,383 --> 00:31:56,402

With those diamonds, I could
afford to mount a stage show

623

00:31:56,462 --> 00:31:57,848

that would put me back
in the spotlight,

624

00:31:57,903 --> 00:32:01,012

and finally chase that cheesy
chipmunk out of my dreams.

625

00:32:01,422 --> 00:32:03,189

There must be a way.

626

00:32:04,559 --> 00:32:06,129

Sun's up

627

00:32:06,222 --> 00:32:08,502

A little after 12:00

628

00:32:09,166 --> 00:32:12,025

<i>Make breakfast for myself</i>

629

00:32:12,173 --> 00:32:14,803

Leave the work
for someone else

630

00:32:15,855 --> 00:32:17,240

<i>People say</i>

631

00:32:18,349 --> 00:32:20,816

<i>They say that
it's just a phase</i>

632

00:32:21,102 --> 00:32:23,896

<i>They tell me to act my age</i>

633

00:32:24,365 --> 00:32:25,970

<i>Well I am!</i>

634

00:32:27,694 --> 00:32:30,420

<i>On this perfect day</i>

635

00:32:31,053 --> 00:32:33,519

<i>Nothing's standing in my way</i>

636

00:32:33,645 --> 00:32:35,762

<i>On this perfect day</i>

637

00:32:36,941 --> 00:32:39,407

<i>When nothing can go wrong</i>

638

00:32:39,629 --> 00:32:42,029

<i>It's the perfect day</i>

639

00:32:42,862 --> 00:32:45,588

<i>Tomorrow's gonna come too soon</i>

640

00:32:46,125 --> 00:32:48,242

<i>I could stay</i>

641

00:32:48,972 --> 00:32:50,991

<i>Forever as I am</i>

642

00:32:51,436 --> 00:32:55,277

<i>On this perfect day</i>

643

00:32:58,155 --> 00:32:59,694

<i> Sun's down</i>

644

00:33:00,140 --> 00:33:02,224

<i>A little after 10:00</i>

645

00:33:03,180 --> 00:33:04,850

<i>I pick up all my friends</i>

646

00:33:05,773 --> 00:33:08,566

<i>In my Mercedes Benz</i>

647

00:33:09,965 --> 00:33:11,024

<i>Wake up</i>

648

00:33:12,107 --> 00:33:13,940

<i>Don't tell me

it's just a dream</i>

649

00:33:14,956 --> 00:33:16,855

<i>'Cause when I've had enough</i>

650

00:33:16,940 --> 00:33:18,773

<i>You'll hear me say</i>

651

00:33:18,827 --> 00:33:21,076

<i>Now don't you try

to rain on my</i>

652

00:33:22,028 --> 00:33:23,598

<i> Perfect day</i>

653

00:33:24,877 --> 00:33:27,221

<i>Nothing's standing

in my way</i>

654

00:33:27,276 --> 00:33:29,261

<i>On this perfect day</i>

655

00:33:30,763 --> 00:33:33,228

<i>When nothing can go wrong</i>

656

00:33:33,643 --> 00:33:36,043

<i>It's the perfect day</i>

657

00:33:36,844 --> 00:33:39,309

<i>Tomorrow's gonna
come too soon</i>

658

00:33:39,947 --> 00:33:42,674

<i>I could stay</i>

659

00:33:42,763 --> 00:33:45,011

<i>Forever as I am</i>

660

00:33:45,387 --> 00:33:47,374

<i>On this perfect day</i>

661

00:34:01,066 --> 00:34:03,696

<i>I'm in the race
but I've already won</i>

662

00:34:03,883 --> 00:34:06,578

<i>And getting there
can be half the fun</i>

663

00:34:06,891 --> 00:34:09,651

<i>So don't stop me
till I'm good and done</i>

664

00:34:09,706 --> 00:34:12,749

<i>Don't you try to rain on my</i>

665

00:34:12,810 --> 00:34:16,334

<i>Perfect day</i>

666

00:34:16,394 --> 00:34:18,260

<i>Perfect day</i>

667

00:34:18,313 --> 00:34:23,213

<i>On this perfect day</i>

668

00:34:23,274 --> 00:34:24,463

<i>Yeah!</i>

669

00:34:24,522 --> 00:34:28,111

<i>On this perfect day</i>

670

00:34:34,698 --> 00:34:36,019

Keira! Keira!

671

00:34:36,073 --> 00:34:39,117

You never said which headpiece for
the Smoke And Mirrors number.

672

00:34:39,241 --> 00:34:41,293

Oh, I don't know.

You choose.

673

00:34:41,353 --> 00:34:42,706

Surprise me!

674

00:34:42,889 --> 00:34:45,267

Uh... I choose?

675

00:34:47,145 --> 00:34:49,011

Come on, Riff.

676

00:34:51,626 --> 00:34:53,130

I can't remember
the last time

677

00:34:53,193 --> 00:34:55,594

I just strolled
through Meribella.

678

00:35:01,384 --> 00:35:02,508

You're "it"!

679

00:35:06,248 --> 00:35:07,634

Tori! Come play!

680

00:35:07,752 --> 00:35:10,217

Oh, no, no,
that's okay.

681

00:35:10,536 --> 00:35:11,921

You guys are
having fun.

682

00:35:11,976 --> 00:35:14,159

C'mon! You're "it"!

You're "it"!

683

00:35:15,048 --> 00:35:16,139

Confession.

684

00:35:16,200 --> 00:35:18,699

I'm not 100% sure

how to play this.

685

00:35:18,856 --> 00:35:20,624

You've played it

a billion times!

686

00:35:20,680 --> 00:35:22,186

More than that!

A zillion!

687

00:35:22,471 --> 00:35:24,173

Just try to find us!

688

00:35:24,840 --> 00:35:26,127

Okay, go!

689

00:35:37,863 --> 00:35:41,006

Huh. I don't remember ever being
around here before, Riff.

690

00:35:45,895 --> 00:35:47,182

Excuse me!

691

00:35:47,240 --> 00:35:49,488

Can you tell me the way
back to the marina?

692

00:35:49,543 --> 00:35:51,148

Hey, you're Keira!

693

00:35:51,207 --> 00:35:52,527

Look, Charlotte!

Keira!

694

00:35:53,190 --> 00:35:54,282

Awesome!

695

00:35:54,343 --> 00:35:56,013

Hey, can you
sign my T-shirt?

696

00:35:56,102 --> 00:35:59,277

I really, really wanted
to go see your concert!

697

00:35:59,334 --> 00:36:01,386

Well, there's one more
show tomorrow night,

698

00:36:01,447 --> 00:36:03,946

maybe you can still
see her, er, me.

699

00:36:04,326 --> 00:36:05,451

I wish!

700

00:36:05,542 --> 00:36:07,310

But my dad says
we can't afford it.

701

00:36:07,559 --> 00:36:09,391

Mine, too.

Bummer, huh?

702

00:36:10,023 --> 00:36:12,171

Lots of folks can't

afford stuff right now.

703

00:36:12,710 --> 00:36:15,090

You know,

since the big drought.

704

00:36:15,399 --> 00:36:17,581

Drought? Is that

still going on?

705

00:36:17,702 --> 00:36:20,616

Oh, yeah. It wiped out

all the vineyards this year.

706

00:36:20,678 --> 00:36:23,340

Dad says everyone's

struggling to get by.

707

00:36:23,749 --> 00:36:25,353

I... Didn't know.

708

00:36:26,021 --> 00:36:29,327

Well, I guess you'd have to live
in Meribella to know about it.

709

00:36:30,021 --> 00:36:31,243

Yes.

710

00:36:31,302 --> 00:36:32,939

I guess you would.

711

00:36:37,605 --> 00:36:38,697

Gotcha!

712

00:36:45,861 --> 00:36:47,781

That was awesome!

713

00:36:48,069 --> 00:36:50,383

But we'd better all
get ready for tonight.

714

00:36:50,468 --> 00:36:51,790

Okay.

715

00:36:51,877 --> 00:36:53,896

Are you gonna keep
pretending to be Tori?

716

00:36:53,957 --> 00:36:55,080

What?

717

00:36:55,302 --> 00:36:57,255

On earth? Are you...

718

00:36:58,468 --> 00:36:59,559

You know?

719

00:36:59,908 --> 00:37:01,000

Of course.

720

00:37:01,060 --> 00:37:03,624

If you were Tori, you would
have cheated by now.

721

00:37:03,684 --> 00:37:05,605

It's okay.

We won't tell.

722

00:37:09,668 --> 00:37:11,206

Pillow fight!

723

00:37:21,988 --> 00:37:24,968

And then I sneezed every last
petal off that lady's flower!

724

00:37:25,443 --> 00:37:27,430

Who knew I was
allergic to dahlias?

725

00:37:27,715 --> 00:37:29,964

<i>And I
must have tried on</i>

726

00:37:30,020 --> 00:37:32,006

<i>every single one
of your costumes!</i>

727

00:37:32,355 --> 00:37:35,082

Poor Nora is convinced
you've gone loco!

728

00:37:35,491 --> 00:37:36,997

<i>Oh, speaking of loco,</i>

729

00:37:37,060 --> 00:37:40,682

<i>your aunt is all up in my face
about practicing some speech.</i>

730

00:37:40,739 --> 00:37:43,433

Oh, that. The dreaded
commemoration speech.

731

00:37:44,100 --> 00:37:45,932

I don't suppose
you'd like to give it?

732

00:37:46,083 --> 00:37:48,844

And by give it,
I also mean write it.

733

00:37:49,283 --> 00:37:50,822

Only if I can sing it.

734

00:37:51,427 --> 00:37:52,813

You know,

I've gotta tell you...

735

00:37:52,995 --> 00:37:55,494

<i>This has been the
coolest day I've had in...</i>

736

00:37:55,842 --> 00:37:56,802

<i>Forever.</i>

737

00:37:56,866 --> 00:37:59,212

Oh, me, too!

It's been amazing.

738

00:37:59,266 --> 00:38:00,685

I learned more about
my kingdom today

739

00:38:00,738 --> 00:38:02,954

than I have in the

last 17 years!

740

00:38:03,458 --> 00:38:05,478

Yeah. Too bad

this day is over.

741

00:38:06,787 --> 00:38:07,910

Unless...

742

00:38:08,129 --> 00:38:10,857

You'd want to keep it

going one more day?

743

00:38:12,003 --> 00:38:13,159

You're on.

744

00:38:13,314 --> 00:38:14,373

Perfect!

745

00:38:14,434 --> 00:38:15,656

The live broadcast
is tomorrow,

746

00:38:15,714 --> 00:38:17,035

<i>so we'll need to
change back early.</i>

747

00:38:17,250 --> 00:38:18,504

Of course.

748

00:38:18,561 --> 00:38:21,159

I only wish more people could
afford to go to your show.

749

00:38:21,217 --> 00:38:23,366

Seems like they're a lot
worse off than I knew.

750

00:38:23,745 --> 00:38:26,856

Well, how about we make
the last concert a free one?

751

00:38:27,169 --> 00:38:28,261

*<i>I'll work out
the details.</i>*

752

00:38:28,353 --> 00:38:31,714

For reals?

Oh, thank you so much!

753

00:38:32,097 --> 00:38:35,370

*<i>Hey, it's the least a princess
can do for you common folk.</i>*

754

00:38:35,490 --> 00:38:36,711

<i>See you tomorrow, Tori!</i>

755

00:38:46,880 --> 00:38:49,379

And that goes

for Mrs. Limburger, too!

756

00:38:49,888 --> 00:38:52,006

<i>What? Why, you...</i>

757

00:38:52,129 --> 00:38:54,245

<i>Crider, you're through!</i>

758

00:38:55,136 --> 00:38:57,569

Through with you
and on to stardom!

759

00:38:57,664 --> 00:38:59,018

I'm taking off, baby.

760

00:38:59,072 --> 00:39:01,669

Like a super nova
on top of a shooting star!

761

00:39:01,727 --> 00:39:03,463

You can't handle this.

762

00:39:03,680 --> 00:39:06,724

But you can handle the
broadcast all by yourself!

763

00:39:08,256 --> 00:39:10,984

I love show business!

764

00:39:11,424 --> 00:39:13,705

You mean you're not gonna
stay for the show tonight?

765

00:39:13,760 --> 00:39:16,706

Ugh, I've had it with playing
nursemaid to that prima donna.

766

00:39:16,768 --> 00:39:17,827

I've got a new career
to launch!

767

00:39:18,624 --> 00:39:20,228

Once I get those
diamonds tonight,

768

00:39:20,288 --> 00:39:21,990

it's gonna be
"See ya later!"

769

00:39:22,143 --> 00:39:24,009

Picture it, Rupert.
Up there in lights.

770

00:39:24,063 --> 00:39:26,246

"Crider!

The Legend Returns!"

771

00:39:26,496 --> 00:39:30,020

With Rupert, his bestest
buddy and life-long pal.

772

00:39:30,720 --> 00:39:32,041

Now, let's see...

Expenses.

773

00:39:32,095 --> 00:39:34,146

I'll need new songs, backup
singers, a swagger coach,

774

00:39:34,207 --> 00:39:36,771

gold fillings... No, no,
no, diamond fillings!

775

00:39:39,104 --> 00:39:41,929

Tonight we go back
and grab that plant!

776

00:39:41,983 --> 00:39:43,204

Everyone will be
at the concert,

777

00:39:43,263 --> 00:39:45,346

so the castle will be
practically empty.

778

00:39:50,143 --> 00:39:52,194

Look how high we can fly!

779

00:39:53,790 --> 00:39:56,256

"Look how high we can fly."

780

00:40:00,510 --> 00:40:03,304

<i>Look how high we can fly</i>

781

00:40:16,798 --> 00:40:19,144

<i>I lost myself today</i>

782

00:40:19,230 --> 00:40:21,314

<i>All work no time to play</i>

783

00:40:21,598 --> 00:40:24,577

<i>I'm holding on to what I know</i>

784

00:40:26,302 --> 00:40:28,386

<i>Then this discovery</i>

785

00:40:28,669 --> 00:40:31,016

<i>Blindfolded, I could see</i>

786

00:40:31,070 --> 00:40:33,928

<i>I'm catching on
by letting go</i>

787

00:40:34,622 --> 00:40:36,968

<i>And now I'm rising up</i>

788

00:40:37,373 --> 00:40:39,489

<i>No coming down</i>

789

00:40:39,773 --> 00:40:42,851

<i>So hang on for the ride</i>

790

00:40:43,198 --> 00:40:45,346

<i>Look how high we can fly</i>

791

00:40:45,405 --> 00:40:47,750

<i>Look how high we can fly</i>

792

00:40:47,804 --> 00:40:49,824

<i>We can see everything</i>

793

00:40:50,173 --> 00:40:52,126

<i>From up here in the sky</i>

794

00:40:52,381 --> 00:40:54,628

We've got the perfect view

795

00:40:54,684 --> 00:40:56,867

<i>Together me and you</i>

796

00:40:57,276 --> 00:40:59,971

<i>Look how high we can fly</i>

797

00:41:04,220 --> 00:41:06,207

<i>Words come so easily</i>

798

00:41:06,588 --> 00:41:08,933

<i>Hard to believe it's me</i>

799

00:41:08,988 --> 00:41:11,520

<i>With every breath
the feeling grows</i>

800

00:41:13,659 --> 00:41:15,776

<i>Take time to make time stop</i>

801

00:41:16,092 --> 00:41:18,274

<i>Unplug, turn off the clock</i>

802

00:41:18,493 --> 00:41:21,285

<i>The less you try
the more it flows</i>

803

00:41:23,356 --> 00:41:27,229

*<i>I don't need to live
in a fancy castle</i>*

804

00:41:27,707 --> 00:41:30,817

<i>That isn't where I should be</i>

805

00:41:32,699 --> 00:41:36,605

*<i>Open up my heart and where
it leads I'll follow</i>*

806

00:41:37,147 --> 00:41:40,005

<i>Up high where I can be free</i>

807

00:41:40,059 --> 00:41:42,340

<i>Look how high we can fly</i>

808

00:41:42,395 --> 00:41:44,577

<i>Look how high we can fly</i>

809

00:41:44,667 --> 00:41:46,915

<i>We can see everything</i>

810

00:41:46,971 --> 00:41:48,804

<i>From up here in the sky</i>

811

00:41:49,627 --> 00:41:51,743

<i>Look how high we can fly</i>

812

00:41:51,802 --> 00:41:54,148

<i>Look how high we can fly</i>

813

00:41:54,234 --> 00:41:56,319

<i>We can surf on the wind</i>

814

00:41:56,571 --> 00:41:58,241

<i>So completely alive</i>

815

00:41:58,491 --> 00:42:00,771

<i>There's nothing we can't do</i>

816

00:42:01,145 --> 00:42:03,427

<i>Together me and you</i>

817

00:42:03,706 --> 00:42:05,660

<i>Look how high we can fly</i>

818

00:42:06,075 --> 00:42:08,257

<i>Look how high we can fly</i>

819

00:42:08,474 --> 00:42:10,755

<i>Look how high we can fly</i>

820

00:42:10,842 --> 00:42:13,024

<i>Look how high we can fly</i>

821

00:42:13,177 --> 00:42:15,459

<i>Look how high we can fly</i>

822

00:42:27,225 --> 00:42:29,244

One hour!

One hour to show time!

823

00:42:39,770 --> 00:42:41,023

Ugh.

824

00:42:41,081 --> 00:42:44,191

I presume you have finished
writing your speech?

825

00:42:44,537 --> 00:42:46,403

Ah, my dog ate it?

826

00:42:46,713 --> 00:42:48,032

Ugh.

827

00:42:48,279 --> 00:42:51,553

You can just stay in your room
all night and write that speech!

828

00:42:52,409 --> 00:42:53,467

Huh?

829

00:42:54,713 --> 00:42:56,000

Hey!

830

00:42:57,689 --> 00:42:58,812

Let me out!

831

00:42:59,192 --> 00:43:01,691

Not until you've learned
some manners, young lady!

832

00:43:01,912 --> 00:43:03,680

No, no,
you don't understand!

833

00:43:03,768 --> 00:43:05,852

I've got to get
to the concert!

834

00:43:05,912 --> 00:43:07,713

Look, I'm not the princess!

835

00:43:07,769 --> 00:43:08,794

I'm Keira!

836

00:43:08,920 --> 00:43:11,299

It's too late for
more of your pranks.

837

00:43:19,896 --> 00:43:21,598

Come on, Tori!

838

00:43:22,136 --> 00:43:25,791

<i>Hey, it's Tori! I'm out princessing
right now, so just leave a message!</i>

839

00:43:26,904 --> 00:43:30,842

Tori, it's Keira. There's kind of
a situation and we need to talk.

840

00:43:30,904 --> 00:43:32,922

Call me when
you get this!

841

00:43:41,207 --> 00:43:42,713

Ten minutes to curtain!

842

00:43:43,862 --> 00:43:46,208

And Limburger is here to supervise
the broadcast personally.

843

00:43:46,264 --> 00:43:47,223

You have been warned.

844

00:43:47,287 --> 00:43:48,247

Who?

845

00:43:48,310 --> 00:43:50,297

Hilarious. Nine minutes.

846

00:43:51,030 --> 00:43:52,634

Oh, uh, thanks!

847

00:43:54,359 --> 00:43:56,608

Where is she, Riff?

Something's wrong.

848

00:43:58,039 --> 00:43:58,998

And where's my phone?

849

00:44:00,790 --> 00:44:02,557

I can't do this.

850

00:44:07,574 --> 00:44:10,007

Come on, Tori.

851

00:44:19,606 --> 00:44:21,144

Keira.

852

00:44:21,206 --> 00:44:24,598

Tough tacos. She's not
my problem anymore.

853

00:44:26,709 --> 00:44:28,030

Let's sit
right in front!

854

00:44:28,086 --> 00:44:29,918

Maybe Keira
will see us!

855

00:44:47,062 --> 00:44:50,968

<i>Hey, it's Tori! I'm out princessing
right now, so just leave a message!</i>

856

00:44:53,140 --> 00:44:54,613

My limo?

857

00:44:58,484 --> 00:45:00,055

Not now, Vanessa.

858

00:45:01,300 --> 00:45:03,254

What are they doing here?

859

00:45:04,533 --> 00:45:06,071

Crider!

860

00:45:06,964 --> 00:45:09,113

Crider! Crider!

861

00:45:13,684 --> 00:45:14,645

Oh!

862

00:45:14,836 --> 00:45:17,630

Quiet, Vanessa, please

I'm trying to think.

863

00:45:18,324 --> 00:45:20,921

There's just gotta be

a way out of here.

864

00:45:24,435 --> 00:45:26,171

Yeah, yeah,

I know, that's me.

865

00:45:26,227 --> 00:45:28,278

And not even

my best picture.

866

00:45:31,122 --> 00:45:33,305

We won't be

a minute, Captain.

867

00:45:33,363 --> 00:45:36,309

The Duchess sent me back

to fetch her spectacles.

868

00:45:36,372 --> 00:45:37,812

You know how she is.

869

00:45:37,875 --> 00:45:39,097

I thought we were here

for the diam...

870

00:45:39,667 --> 00:45:40,659

Ow!

871

00:45:42,643 --> 00:45:44,247

Yes, Mr. Crider.

872

00:45:46,547 --> 00:45:47,573

Ooh!

873

00:45:49,715 --> 00:45:52,115

Keira! Keira, where are you?

874

00:45:52,179 --> 00:45:53,718

Keira, you're on

in 30 seconds!

875

00:45:54,739 --> 00:45:56,027

Oh, no!

876

00:45:59,538 --> 00:46:02,746

That's funny. This

always works in movies.

877

00:46:07,506 --> 00:46:09,176

We're getting close, Rupert.

878

00:46:09,714 --> 00:46:12,061

Look for a panel

with a gardenia.

879

00:46:12,402 --> 00:46:13,525

Ha!

880

00:46:13,585 --> 00:46:16,630

Now that's a gardenia

if ever I saw one.

881

00:46:17,170 --> 00:46:19,450

Now we just have to figure

out how to open it.

882

00:46:19,506 --> 00:46:21,655

Go do it Rupert.

Be snappy!

883

00:46:21,713 --> 00:46:23,035

Right-o, Mr. Crider.

884

00:46:29,553 --> 00:46:31,386

Put some muscle

into it!

885

00:46:32,817 --> 00:46:34,421

Doh! Pity that.

886

00:46:35,825 --> 00:46:38,325

Go find something

we can open it with!

887

00:46:38,706 --> 00:46:40,026

All right.

888

00:46:54,417 --> 00:46:55,890

Keira! You're on!

889

00:46:55,952 --> 00:46:57,273

No, no,
you don't understand!

890

00:46:57,329 --> 00:47:00,918

I can't! Not today,
maybe tomorrow.

891

00:47:00,976 --> 00:47:04,370

What? These people have been
waiting hours to see you!

892

00:47:04,433 --> 00:47:07,127

It's your responsibility
to give them a show!

893

00:47:08,336 --> 00:47:11,250

Where is she? Tell her to get
her behind on stage. Now!

894

00:47:38,384 --> 00:47:42,486

Ah! Rupert! There's got to be
a way to get this door open.

895

00:47:43,599 --> 00:47:44,919

Oh!

896

00:47:51,663 --> 00:47:53,234

Good job, Rupert!

897

00:48:06,222 --> 00:48:10,030

Keira, please stop being such
a princess and get out there!

898

00:48:10,093 --> 00:48:11,731

Limburger's having a fit.

899

00:48:11,789 --> 00:48:14,169

That guy can
destroy your career!

900

00:48:15,406 --> 00:48:17,010

Keira's career.

901

00:48:21,934 --> 00:48:23,472

Vanessa, shh!

902

00:48:26,253 --> 00:48:28,370

Keira! Keira!

903

00:48:29,966 --> 00:48:31,024

Okay.

904

00:48:35,725 --> 00:48:37,079

Come on!

905

00:48:47,085 --> 00:48:48,405

Whoa!

906

00:48:48,621 --> 00:48:50,225

Ka-ching!

907

00:50:12,906 --> 00:50:14,096

Ah...

908

00:50:30,793 --> 00:50:32,463

What are you doing?

909

00:50:41,865 --> 00:50:42,988

<i>Sorry.</i>

910

00:50:45,929 --> 00:50:46,890

Ahem.

911

00:50:52,233 --> 00:50:54,732

<i>When I was young</i>

912

00:50:59,432 --> 00:51:01,778

<i>I played for fun</i>

913

00:51:03,656 --> 00:51:05,871

<i>Made up the words</i>

914

00:51:08,265 --> 00:51:10,164

<i>Nobody heard</i>

915

00:51:12,776 --> 00:51:14,992

<i>But now I see</i>

916

00:51:18,504 --> 00:51:20,686

<i>All eyes on me</i>

917

00:51:21,640 --> 00:51:23,823

<i>And suddenly</i>

918

00:51:24,840 --> 00:51:27,218

<i>I'm in a dream</i>

919

00:51:27,816 --> 00:51:30,729

<i>I've got a feeling now</i>

920

00:51:32,104 --> 00:51:37,003

<i>Everything's right somehow</i>

921

00:51:37,191 --> 00:51:40,268

<i>Here I am

Being who I want</i>

922

00:51:40,744 --> 00:51:44,943

<i>Giving what I've got

Never a doubt now</i>

923

00:51:45,000 --> 00:51:48,458

<i>Here I go

Burning like a spark</i>

924

00:51:48,519 --> 00:51:52,174

<i>Light up the dark again</i>

925

00:51:54,663 --> 00:51:57,903

<i>I'm stepping up

Right to the top</i>

926

00:51:58,246 --> 00:52:01,640

<i>That's how I'm wired

I take it higher</i>

927

00:52:01,703 --> 00:52:05,456

<i>I'm in control

I broke the mold</i>

928

00:52:05,511 --> 00:52:08,970

<i>The girl you see

is up to me</i>

929

00:52:09,862 --> 00:52:12,524

<i>I'm lifting off the ground</i>

930

00:52:13,414 --> 00:52:17,681

<i>Finding the perfect sound</i>

931

00:52:17,958 --> 00:52:21,318

<i>Here I am

Being who I want</i>

932

00:52:21,381 --> 00:52:25,168

<i>Giving what I've got

Never a doubt now</i>

933

00:52:25,221 --> 00:52:28,582

<i>Here I go

Burning like a spark</i>

934

00:52:28,646 --> 00:52:31,973

<i>Light up the dark again</i>

935

00:52:32,038 --> 00:52:33,772

<i>Again</i>

936

00:52:33,829 --> 00:52:35,782

<i>Again</i>

937

00:52:35,844 --> 00:52:39,118

<i>Again and again and again</i>

938

00:52:39,685 --> 00:52:41,452

That's right.

Do it your way.

939

00:52:42,916 --> 00:52:45,449

Vanessa! What has
gotten into you?

940

00:52:48,806 --> 00:52:52,494

All right! Vanessa,
why didn't you tell me?

941

00:52:53,861 --> 00:52:56,556

<i>There's a star
that's right inside you</i>

942

00:52:57,093 --> 00:52:59,658

<i>So come on and let it out</i>

943

00:53:00,996 --> 00:53:04,073

<i>Find out what you're about
and just shout</i>

944

00:53:04,132 --> 00:53:06,347

<i>Here I am!</i>

945

00:53:06,660 --> 00:53:10,217

<i>Being who I want
Giving what I've got</i>

946

00:53:10,276 --> 00:53:12,229

<i>Never a doubt now</i>

947

00:53:12,292 --> 00:53:15,685

<i>Here I go
Burning like a spark</i>

948

00:53:15,747 --> 00:53:17,864

<i>Light up the dark again</i>

949

00:53:17,923 --> 00:53:20,837

<i>Here I am

Being who I want</i>

950

00:53:20,899 --> 00:53:24,969

<i>Giving what I've got

Never a doubt now</i>

951

00:53:25,027 --> 00:53:28,356

<i>Here I go

Burning like a spark</i>

952

00:53:28,420 --> 00:53:31,181

<i>Light up the dark again</i>

953

00:53:31,236 --> 00:53:35,655

What did I tell you?

Now that's why she's a star!

954

00:53:35,715 --> 00:53:37,614

<i>Never a doubt now</i>

955

00:53:37,668 --> 00:53:41,160

<i>Here I go

Burning like a spark</i>

956

00:53:41,219 --> 00:53:44,646

<i>Light up the dark again</i>

957

00:53:44,707 --> 00:53:45,994

<i>Again</i>

958

00:53:46,243 --> 00:53:48,109

<i>Again</i>

959

00:53:48,163 --> 00:53:53,803

<i>Again and again and again

and again and again</i>

960

00:54:01,091 --> 00:54:03,076

<i>Hello, Meribellat</i>

961

00:54:07,811 --> 00:54:09,196

<i>Woo-hoo!</i>

962

00:54:12,290 --> 00:54:15,400

<i>I never dreamed

I'd be up here...</i>

963

00:54:16,866 --> 00:54:20,172

<i>Be up here in such

a fantastic kingdom!</i>

964

00:54:22,978 --> 00:54:26,950

<i>You have the coolest

princesses in the universe!</i>

965

00:54:29,666 --> 00:54:33,899

<i>In fact, Princess Tori in

particular is really awesome.</i>

966

00:54:33,953 --> 00:54:36,234

<i>And often misunderstood.</i>

967

00:54:36,289 --> 00:54:37,609

<i>Mostly by her Aunt.</i>

968

00:54:39,169 --> 00:54:41,514

<i>But Tori still loves her.</i>

969

00:54:42,433 --> 00:54:44,299

One, two, three, four!

970

00:54:44,353 --> 00:54:48,773

<i>Sun's up

a little after 12:00</i>

971

00:54:48,833 --> 00:54:51,910

<i>Make breakfast for myself</i>

972

00:54:51,968 --> 00:54:54,533

Leave the work

for someone else

973

00:54:54,592 --> 00:54:56,011

Where is she?

974

00:55:00,064 --> 00:55:02,410

Come to Papa!

975

00:55:09,152 --> 00:55:12,262

Shoo! Rupert!

Do something!

976

00:55:13,888 --> 00:55:17,161

Got it covered! Brought some
bug spray just in case!

977

00:55:20,287 --> 00:55:22,568

That's not bug spray!
It's hair spray!

978

00:55:23,552 --> 00:55:27,011

And strawberry-scented.
I hate strawberries!

979

00:55:40,479 --> 00:55:42,182

Oh, anyway,
it did the job.

980

00:55:42,239 --> 00:55:45,479

And I might add, your hair
does look touchably soft.

981

00:55:47,263 --> 00:55:49,347

Never mind!

Grab the plant!

982

00:55:55,167 --> 00:55:56,640

How deep does this thing go?

983

00:55:58,206 --> 00:55:59,330

Time to cut the roots.

984

00:56:14,206 --> 00:56:17,861

<i>Oh, princesses wanna have fun</i>

985

00:56:31,997 --> 00:56:34,016

The gardenia!

986

00:56:34,653 --> 00:56:37,055

<i>And now,

a brief intermission!</i>

987

00:56:38,398 --> 00:56:40,297

<i>Sing amongst yourselves!</i>

988

00:56:47,357 --> 00:56:49,059

What?

What's she doing?

989

00:56:49,117 --> 00:56:51,397

Go to commercial!

990

00:56:56,892 --> 00:56:58,463

Now, to the boat!

991

00:57:08,349 --> 00:57:09,440

That'll work.

992

00:57:11,068 --> 00:57:13,316

Sergeant! To the castle!

Right away!

993

00:57:13,372 --> 00:57:16,645

I'm sorry, miss, but this carriage

is for the Royal Family only.

994

00:57:16,699 --> 00:57:18,533

Oh. Of course. Hang on.

995

00:57:22,844 --> 00:57:25,221

There. Now, to the castle,
double time!

996

00:57:25,276 --> 00:57:27,262

I'd better check
with His Majesty.

997

00:57:27,324 --> 00:57:30,149

I'm His Majesty!
Her Majesty!

998

00:57:30,202 --> 00:57:33,084

Your... Ugh! Never mind,
I'll drive it myself!

999

00:57:41,243 --> 00:57:43,164

Wait!

1000

00:57:43,227 --> 00:57:44,929

I was hoping
to run into you.

1001

00:57:45,371 --> 00:57:47,487

Yesterday was so much fun.

1002

00:57:48,219 --> 00:57:51,678

Uh-huh, that's nice. Hyah!

1003

00:57:54,427 --> 00:57:55,899

Whoa!

1004

00:57:56,314 --> 00:57:59,392

Are... Are we rushing
anywhere in particular?

1005

00:57:59,450 --> 00:58:01,665

Or just trying to make me...

1006

00:58:01,721 --> 00:58:02,878

lose my lunch?

1007

00:58:02,938 --> 00:58:05,601

I've got to rescue

a magical diamond plant!

1008

00:58:05,658 --> 00:58:09,215

Okay, fine,

forget I asked.

1009

00:58:27,737 --> 00:58:28,861

Hyah!

1010

00:58:35,034 --> 00:58:38,656

Excuse me, but I think

that belongs to my kingdom!

1011

00:58:41,209 --> 00:58:42,399

Going somewhere?

1012

00:58:42,585 --> 00:58:45,018

Hey! Now she's over there!

1013

00:58:46,010 --> 00:58:49,436

There's princesses
everywhere! Hold me!

1014

00:58:50,073 --> 00:58:53,018

Um, which one
of you do I like?

1015

00:59:06,872 --> 00:59:07,931

Uh...

1016

00:59:09,016 --> 00:59:10,042

Her.

1017

00:59:10,265 --> 00:59:13,505

Now why don't you hand
over that plant, Seymour?

1018

00:59:13,944 --> 00:59:15,068

Keira?

1019

00:59:15,352 --> 00:59:16,738

Seymour?

1020

00:59:16,793 --> 00:59:18,527

Don't call me that!

1021

00:59:30,071 --> 00:59:31,228

Oh!

1022

00:59:37,367 --> 00:59:38,458

Hyah!

1023

00:59:43,191 --> 00:59:45,145

Smart thinkin',

Mr. Crider!

1024

00:59:45,207 --> 00:59:47,639

You'll be comin' back

for me, right?

1025

00:59:57,366 --> 01:00:00,727

Handsome Prince Liam saves
the damsels in distress.

1026

01:00:01,238 --> 01:00:03,289

Hey! Where'd the damsels go?

1027

01:00:29,846 --> 01:00:32,955

So long, suckers!

Gotta fly!

1028

01:00:43,797 --> 01:00:47,638

You see, ladies, the trick is to
always come prepared for anything!

1029

01:00:49,972 --> 01:00:52,734

And it helps to have
just the right outfit!

1030

01:00:55,316 --> 01:00:56,505

The man's right.

1031

01:00:56,564 --> 01:00:58,780

What always cheers me up
is a new dress!

1032

01:00:58,837 --> 01:01:02,459

Oh! How about a chic hairdo
to complete the ensemble?

1033

01:01:07,284 --> 01:01:08,343

What?

1034

01:01:14,965 --> 01:01:15,924

No!

1035

01:01:19,156 --> 01:01:20,597

Oh, no!

1036

01:01:24,756 --> 01:01:27,483

I hate my life.

1037

01:01:28,371 --> 01:01:29,659

It's dead.

1038

01:01:30,386 --> 01:01:32,374

Can't you plant
another one?

1039

01:01:32,436 --> 01:01:35,928

How? Where do you get seeds
for a magical plant?

1040

01:01:36,884 --> 01:01:38,204

Unless...

1041

01:01:38,514 --> 01:01:41,625

I wonder if its diamonds
could be its seeds!

1042

01:01:41,683 --> 01:01:43,037

Hey, yeah!

1043

01:01:43,091 --> 01:01:45,012

The friendship necklaces!

1044

01:02:09,363 --> 01:02:11,229

It's no use!

1045

01:03:29,392 --> 01:03:31,311

The concert!

1046

01:03:38,063 --> 01:03:39,351

Hey, look!

1047

01:03:39,599 --> 01:03:41,302

Whoa!

1048

01:03:50,415 --> 01:03:51,407

Oh!

1049

01:03:54,606 --> 01:03:57,781

Excuse me!

Pardon me! Coming through!

1050

01:03:59,343 --> 01:04:01,393

Excuse me! Excuse me!

1051

01:04:08,975 --> 01:04:10,447

<i>Hey, Meribella!</i>

1052

01:04:14,029 --> 01:04:17,040

<i>I'd like to dedicate this next

song to my two new sisters,</i>

1053

01:04:17,102 --> 01:04:19,896

<i>Princesses Trevi
and Meredith.</i>

1054

01:04:23,374 --> 01:04:24,662

<i>They taught me
that the secret</i>

1055

01:04:24,718 --> 01:04:27,347

<i>to writing new songs
is a good pillow fight.</i>

1056

01:04:29,548 --> 01:04:35,158

<i>And to my new best friend, Her
Royal Highness, Princess Tori!</i>

1057

01:04:46,253 --> 01:04:47,443

<i>Thank you.</i>

1058

01:05:06,156 --> 01:05:08,339

<i>Hey, Meribella!</i>

1059

01:05:17,420 --> 01:05:19,536

<i>I found myself today</i>

1060

01:05:19,596 --> 01:05:21,745

<i>And now I'm glad to say</i>

1061

01:05:21,803 --> 01:05:24,531

<i>I'm living life

straight from the heart</i>

1062

01:05:26,124 --> 01:05:28,307

<i>Oh, what a gift to see</i>

1063

01:05:28,363 --> 01:05:30,479

<i>I'm lucky to be me</i>

1064

01:05:30,538 --> 01:05:33,649

<i>And now I just

can't wait to start</i>

1065

01:05:33,706 --> 01:05:36,435

<i>I keep on rising up</i>

1066

01:05:36,491 --> 01:05:38,574

<i>No coming down</i>

1067

01:05:38,635 --> 01:05:41,844

<i>So hang on for the ride</i>

1068

01:05:41,899 --> 01:05:43,819

<i>Look how high we can fly</i>

1069

01:05:43,883 --> 01:05:46,098

<i>Look how high we can fly</i>

1070

01:05:46,154 --> 01:05:48,304

<i>It's a beautiful view</i>

1071

01:05:48,362 --> 01:05:50,316

<i>From up here in the sky</i>

1072

01:05:50,380 --> 01:05:52,365

<i>There's nothing we can't do</i>

1073

01:05:52,426 --> 01:05:54,739

<i>Together me and you</i>

1074

01:05:54,795 --> 01:05:57,904

<i>Look how high we can fly</i>

1075

01:05:57,962 --> 01:06:01,518

<i>Oh, oh

Look how high we can fly</i>

1076

01:06:09,194 --> 01:06:11,824

<i>On this perfect day</i>

1077

01:06:11,882 --> 01:06:13,802

<i>Nothing standing in my way</i>

1078

01:06:13,866 --> 01:06:16,082

<i>On this perfect day</i>

1079

01:06:16,139 --> 01:06:18,124

<i>When nothing can go wrong</i>

1080

01:06:18,186 --> 01:06:20,466

<i>It's the perfect day</i>

1081

01:06:20,522 --> 01:06:22,769

<i>Tomorrow's gonna come too soon</i>

1082

01:06:22,825 --> 01:06:26,764

<i>I could stay

Forever as I am</i>

1083

01:06:26,826 --> 01:06:32,271

<i>On this perfect day</i>

1084

01:06:32,329 --> 01:06:33,803

<i>It's the perfect day</i>

1085

01:06:33,866 --> 01:06:37,902

And besides updating Meribella's irrigation
systems against future droughts,

1086

01:06:37,961 --> 01:06:42,577

we are also establishing a social
services program for our kingdom's needy.

1087

01:06:42,633 --> 01:06:45,579

From now on, I,
Princess Victoria,

1088

01:06:45,641 --> 01:06:49,929

intend to use my voice to help those
who feel they don't have a voice,

1089

01:06:49,993 --> 01:06:52,787

to make Meribella
a better place to live.

1090

01:06:54,377 --> 01:06:56,330

Thank you.

1091

01:06:58,760 --> 01:07:00,528

<i> Meribella!</i>

1092

01:07:00,809 --> 01:07:02,445

<i>Put your hands up for me!</i>

1093

01:07:04,232 --> 01:07:05,553

<i>Come on!</i>

1094

01:07:08,616 --> 01:07:10,482

<i>Here we are</i>

1095

01:07:11,079 --> 01:07:12,106

<i>Let's go!</i>

1096

01:07:12,169 --> 01:07:14,067

<i>Here we are</i>

1097

01:07:14,120 --> 01:07:15,952

<i>One, two, three, four!</i>

1098

01:07:16,008 --> 01:07:17,513

<i>Here we are</i>

1099

01:07:17,577 --> 01:07:19,660

<i>Being who we want

Be who we want</i>

1100

01:07:19,719 --> 01:07:21,356

<i>Giving what we got

Give what we got</i>

1101

01:07:21,416 --> 01:07:23,565

<i>Never a doubt now

Never a doubt now</i>

1102

01:07:23,623 --> 01:07:25,064

<i>Here we go</i>

1103

01:07:25,127 --> 01:07:27,026

<i>Burning like a spark

Burn like a spark</i>

1104

01:07:27,080 --> 01:07:28,880

<i>Light up the dark

Here we go</i>

1105

01:07:28,935 --> 01:07:30,474

<i>Here we are</i>

1106

01:07:30,535 --> 01:07:32,434

<i>Being who we want

Be who we want</i>

1107

01:07:32,489 --> 01:07:34,289

<i>Giving what we got

Give what we got</i>

1108

01:07:34,344 --> 01:07:36,526

<i>Never a doubt now

Never a doubt now</i>

1109

01:07:36,583 --> 01:07:38,002

<i>Here we go</i>

1110

01:07:38,055 --> 01:07:39,725

<i>Burning like a spark

Burn like a spark</i>

1111

01:07:39,783 --> 01:07:42,991

<i>Light up the dark again</i>

1112

01:07:43,048 --> 01:07:44,914

<i>Again</i>

1113

01:07:44,967 --> 01:07:46,987

<i>Again</i>

1114

01:07:47,047 --> 01:07:49,512

<i>Again and again and again</i>

1115

01:07:49,574 --> 01:07:52,302

<i>Again and again

Again</i>

1116

01:07:52,359 --> 01:07:54,278

<i>Again</i>

1117

01:07:54,342 --> 01:07:57,648

<i>Again and again

and again and again</i>

1118

01:07:57,702 --> 01:07:59,502

<i>Here we go!</i>
