

Dialogues from Coraline to improve the vocabulary in English

1

00:02:25,220 --> 00:02:29,014

(BOBINSKY COUNTING IN RUSSIAN)

2

00:02:37,190 --> 00:02:38,649

(CAR HONKING)

3

00:02:39,943 --> 00:02:41,860

(BOBINSKY CURSES IN RUSSIAN)

4

00:02:47,784 --> 00:02:50,494

MOVER: We're here!

Time to muscle up.

5

00:02:55,208 --> 00:02:56,542

(BOTH GRUNT)

6

00:03:01,214 --> 00:03:02,506

(GIGGLES)

7

00:03:16,146 --> 00:03:17,563

(GROANS)

8

00:03:23,194 --> 00:03:25,028

(DOOR CREAKING)

9

00:04:09,032 --> 00:04:10,616

(PEBBLES CLATTERING)

10

00:04:14,913 --> 00:04:16,121

Hello?

11

00:04:17,874 --> 00:04:19,416

CORALINE: Who's there?

12

00:04:24,672 --> 00:04:25,964

(CAT SCREECHES)

13

00:04:26,049 --> 00:04:27,299

(GASPS)

14

00:04:47,403 --> 00:04:48,654

(PANTING)

15

00:04:50,114 --> 00:04:51,156

(GASPS)

16

00:04:52,116 --> 00:04:53,158

(MEOWS)

17

00:04:53,243 --> 00:04:54,326

(SCREAMS)

18

00:04:56,996 --> 00:05:00,249

You scared me to death,
you mangy thing.

19

00:05:02,126 --> 00:05:05,587

I'm just looking for
an old well. Know it?

20

00:05:08,258 --> 00:05:09,883

Not talking, huh?

21

00:05:12,011 --> 00:05:14,346

Magic dowser,
magic dowser...

22

00:05:14,472 --> 00:05:15,639

(THUNDER RUMBLING)

23

00:05:15,723 --> 00:05:18,308

Show me the well!

24

00:05:18,393 --> 00:05:19,726

(HONKING)

25

00:05:27,527 --> 00:05:28,694

(SCREAMING)

26

00:05:28,778 --> 00:05:30,404

Get away from me!

27

00:05:30,571 --> 00:05:31,738

(CORALINE GRUNTS)

28

00:05:40,206 --> 00:05:41,290

Ooh.

29

00:05:41,374 --> 00:05:43,458

Let me guess.

You're from Texas or Utah,

30

00:05:43,584 --> 00:05:45,711

someplace dried-out

and barren, right?

31

00:05:45,795 --> 00:05:48,880

I heard about

water witching before,

but it doesn't make sense.

32

00:05:48,965 --> 00:05:50,757

I mean, it's just

an ordinary branch.

33

00:05:50,883 --> 00:05:52,718

It's a dowsing rod.

34

00:05:52,885 --> 00:05:53,927

Ow!

35

00:05:54,012 --> 00:05:56,221

And I don't like
being stalked,

36

00:05:56,306 --> 00:05:58,640

not by psycho nerds
or their cats!

37

00:05:58,725 --> 00:06:00,976

He's not really my cat.
He's kind of feral.

38

00:06:01,060 --> 00:06:02,477

You know, wild.

39

00:06:02,562 --> 00:06:04,688

Of course,
I do feed him every night,

40

00:06:04,772 --> 00:06:06,523

and sometimes

he'll come to my window

41

00:06:06,607 --> 00:06:08,775

and bring me

little dead things.

42

00:06:08,860 --> 00:06:11,153

Look, I'm from Pontiac.

43

00:06:11,404 --> 00:06:12,487

Huh?

44

00:06:12,572 --> 00:06:13,655

Michigan.

45

00:06:13,740 --> 00:06:18,160

And if I'm a water witch,

then where's

the secret well?

46

00:06:18,244 --> 00:06:20,662

You stomp too hard
and you'll fall in it.

47

00:06:20,747 --> 00:06:22,205

Oh!

48

00:06:24,792 --> 00:06:25,834

See?

49

00:06:25,918 --> 00:06:27,044

(HOLLOW THUDDING)

50

00:06:27,128 --> 00:06:30,464

It's supposed to be so deep,
if you fell to the bottom
and looked up,

51

00:06:30,548 --> 00:06:34,051

you'd see a sky full of stars
in the middle of the day.

52

00:06:34,385 --> 00:06:35,677

Ha.

53

00:06:36,804 --> 00:06:38,513

Surprised she
let you move in.

54

00:06:38,598 --> 00:06:41,141

My grandma, she owns
the Pink Palace.

55

00:06:41,225 --> 00:06:43,310

Won't rent to
people with kids.

56

00:06:43,394 --> 00:06:44,728

What do you mean?

57

00:06:44,812 --> 00:06:45,896

(STAMMERING)

58

00:06:45,980 --> 00:06:47,439

I'm not supposed
to talk about it.

59

00:06:47,523 --> 00:06:49,399

I'm Wybie.

Wybie Lovat.

60

00:06:49,776 --> 00:06:50,817

Wybie?

61

00:06:50,902 --> 00:06:52,527

Short for Wyborne.

62

00:06:52,612 --> 00:06:54,196

Not my idea,

of course.

63

00:06:54,906 --> 00:06:55,906

What'd you

get saddled with?

64

00:06:55,990 --> 00:06:59,117

I wasn't saddled

with anything.

It's Coraline.

65

00:06:59,285 --> 00:07:00,369

Caroline what?

66

00:07:00,453 --> 00:07:02,120

Coraline.

Coraline Jones.

67

00:07:02,205 --> 00:07:03,246

(SCOFFS)

68

00:07:03,331 --> 00:07:04,706

It's not

real scientific,

69

00:07:04,791 --> 00:07:06,917

but I heard

an ordinary name

like Caroline

70

00:07:07,001 --> 00:07:09,378

can lead people to have

ordinary expectations

about a person.

71

00:07:09,462 --> 00:07:10,504

(GRUMBLING)

72

00:07:10,588 --> 00:07:12,214

LOVAT: Wyborne!

73

00:07:13,299 --> 00:07:15,884

I think I heard

someone calling you, Wyborne.

74

00:07:15,968 --> 00:07:18,553

What?

I didn't hear anything.

75

00:07:18,638 --> 00:07:20,806

I definitely heard someone,

76

00:07:20,973 --> 00:07:22,849

Why-Were-You-Born.

77

00:07:23,810 --> 00:07:24,935

LOVAT: Wyborne!

78

00:07:25,019 --> 00:07:26,144

Grandma!

79

00:07:26,604 --> 00:07:27,979

(CHUCKLES UNCOMFORTABLY)

80

00:07:29,941 --> 00:07:33,485

Well, great to meet

a Michigan water witch,

81

00:07:34,487 --> 00:07:36,905

but I'd wear

gloves next time.

82

00:07:37,240 --> 00:07:38,281

Why?

83

00:07:38,366 --> 00:07:40,784

'Cause that

dowsing rod of yours,

84

00:07:40,868 --> 00:07:42,244

it's poison oak.

85

00:07:42,328 --> 00:07:43,495

(EXCLAIMS)

86

00:07:48,584 --> 00:07:49,918

(BLOWING RASPBERRY)

87

00:08:08,062 --> 00:08:09,312

(SPLASHING)

88

00:08:13,860 --> 00:08:16,653

I almost fell down

a well yesterday, Mom.

89

00:08:16,737 --> 00:08:18,113

Uh-huh.

90

00:08:18,489 --> 00:08:19,823

I would've died.

91

00:08:20,825 --> 00:08:22,159

That's nice.

92

00:08:22,410 --> 00:08:23,577

Hmm.

93

00:08:23,661 --> 00:08:25,120

So, can I go out?

94

00:08:25,204 --> 00:08:27,038

I think it's perfect
weather for gardening.

95

00:08:27,707 --> 00:08:29,833

No, Coraline.

Rain makes mud.

96

00:08:29,917 --> 00:08:31,293

Mud makes a mess.

97

00:08:31,377 --> 00:08:33,044

But, Mom,
I want stuff growing

98

00:08:33,129 --> 00:08:34,796

when my friends
come to visit.

99

00:08:34,881 --> 00:08:36,798

Isn't that why
we moved here?

100

00:08:36,883 --> 00:08:38,467

Something like that.

101

00:08:38,551 --> 00:08:40,802

But then
we had the accident.

102

00:08:40,887 --> 00:08:42,637

It wasn't my fault
you hit that truck.

103

00:08:42,722 --> 00:08:44,347

I never said it was.

104

00:08:44,432 --> 00:08:46,016

I can't believe it.

105

00:08:46,100 --> 00:08:49,269

You and Dad get paid
to write about plants,
and you hate dirt.

106

00:08:49,353 --> 00:08:52,147

Coraline, I don't have time
for you right now,

107

00:08:52,231 --> 00:08:53,940

and you still
have unpacking to do.

108

00:08:54,066 --> 00:08:55,817

Lots of unpacking.

109

00:08:55,902 --> 00:08:58,403

That sounds exciting!

110

00:08:59,238 --> 00:09:02,741

Oh. Some kid left this
on the front porch.

111

00:09:04,243 --> 00:09:05,535

WYBIE: Hey, Jonesy.

112

00:09:05,620 --> 00:09:07,412

Look what I found
in Gramma's trunk.

113

00:09:07,497 --> 00:09:09,623

Look familiar? Wybie.

114

00:09:09,707 --> 00:09:10,999

(GROANS)

115

00:09:12,460 --> 00:09:13,710

CORALINE: Huh.

116

00:09:14,253 --> 00:09:17,589

A little me? That's weird.

117

00:09:17,840 --> 00:09:19,382

What's his name,
anyway?

118

00:09:19,467 --> 00:09:22,427

Wybie. And I'm way
too old for dolls.

119

00:09:26,891 --> 00:09:29,684

Hey, Dad.
How's the writing going?

120

00:09:33,731 --> 00:09:34,773

Dad!

121

00:09:35,483 --> 00:09:39,861

Hello, Coraline
and Coraline doll.

122

00:09:41,948 --> 00:09:44,366

Do you know where

the garden tools are?

123

00:09:44,450 --> 00:09:47,285

It's... It's pouring
out there, isn't it?

124

00:09:47,620 --> 00:09:48,620

(SCOFFS)

125

00:09:48,788 --> 00:09:50,330

It's just raining.

126

00:09:50,414 --> 00:09:51,873

What'd the boss say?

127

00:09:51,958 --> 00:09:55,460

"Don't even think
about going out,
Coraline Jones!"

128

00:09:55,795 --> 00:09:57,587

Then you won't
need the tools.

129

00:09:57,672 --> 00:09:58,672

(GROANS)

130

00:10:01,300 --> 00:10:02,425

(SQUEAKS)

131

00:10:03,636 --> 00:10:06,137

(SQUEAKING)

132

00:10:07,765 --> 00:10:08,890

(GROANS)

133

00:10:08,975 --> 00:10:13,019

You know, this house

is 150 years old.

134

00:10:13,271 --> 00:10:14,396

So?

135

00:10:14,480 --> 00:10:16,147

So explore it.

136

00:10:16,232 --> 00:10:20,026

Go out and count all
the doors and windows
and write that down on...

137

00:10:20,111 --> 00:10:21,486

List everything
that's blue.

138

00:10:21,571 --> 00:10:23,572

Just let me work.

139

00:10:25,908 --> 00:10:28,577

(TYPING)

140

00:11:00,943 --> 00:11:02,360

Ew!

141

00:11:02,528 --> 00:11:03,695

(EXCLAIMS)

142

00:11:08,701 --> 00:11:09,951

(SQUEAKS)

143

00:11:12,413 --> 00:11:14,247

(SCREAMING)

144

00:11:33,768 --> 00:11:36,394

No. No, no, no. No.

145

00:11:36,562 --> 00:11:38,355

(SCREAMING)

146

00:12:14,100 --> 00:12:20,105

One boring blue boy

in a painfully

boring painting.

147

00:12:22,108 --> 00:12:25,527

Four incredibly

boring windows

148

00:12:25,986 --> 00:12:29,322

and no more doors.

149

00:12:32,451 --> 00:12:35,412

All right, little me.

Where are you hiding?

150

00:12:44,296 --> 00:12:45,463

Huh?

151

00:12:50,010 --> 00:12:52,721

Hey, Mom.

Where does this door go?

152

00:12:52,805 --> 00:12:55,473

I'm really, really busy.

153

00:12:55,558 --> 00:12:58,226

CORALINE: I think it's locked.

154

00:12:58,310 --> 00:12:59,519

CORALINE: Please!

155

00:12:59,603 --> 00:13:00,854

(GROANS)

156

00:13:09,530 --> 00:13:13,158

Will you stop pestering me

if I do this for you?

157

00:13:13,325 --> 00:13:15,034

(WHIMPERING)

158

00:13:15,161 --> 00:13:16,411

Fine.

159

00:13:34,013 --> 00:13:36,181

Bricks?

I don't get it.

160

00:13:37,016 --> 00:13:40,018

They must've closed

this off when they

divided up the house.

161

00:13:40,102 --> 00:13:41,102

You're kidding.

162

00:13:41,187 --> 00:13:43,104

And why is the door so small?

163

00:13:43,189 --> 00:13:46,024

We made a deal!

Zip it!

164

00:13:48,319 --> 00:13:49,360

You didn't lock it.

165

00:13:49,445 --> 00:13:51,196

(MOM EXCLAIMING
IN FRUSTRATION)

166

00:13:58,120 --> 00:14:00,997

(SINGING)

Oh, my twitchy-witchy girl

167

00:14:01,081 --> 00:14:03,833

I think you are so nice

I give you bowls of porridge

168

00:14:03,918 --> 00:14:05,543

And I give you
bowls of ice cream

169

00:14:05,628 --> 00:14:06,961

(GROANS IN DISGUST)

170

00:14:07,046 --> 00:14:08,963

Why don't you
ever cook, Mom?

171

00:14:09,048 --> 00:14:10,799

Coraline, we've been
through this before.

172

00:14:10,883 --> 00:14:14,427

Your dad cooks,
I clean, and you
stay out of the way.

173

00:14:15,012 --> 00:14:18,890

I swear I'll go
food shopping soon as

we finish the catalog.

174

00:14:18,974 --> 00:14:21,142

Try some of the chard.

You need a vegetable.

175

00:14:21,227 --> 00:14:23,561

It looks more

like slime to me.

176

00:14:24,063 --> 00:14:26,981

Well, it's slime

or bedtime, fusspot.

177

00:14:27,066 --> 00:14:28,483

Now what's it gonna be?

178

00:14:28,567 --> 00:14:31,027

Think they're

trying to poison me?

179

00:14:31,695 --> 00:14:41,695

(SIGHS)

180

00:14:50,506 --> 00:14:53,883

Don't forget about me, guys.

Okay?

181

00:15:02,017 --> 00:15:04,435

Good night, little me.

182

00:15:27,293 --> 00:15:29,127

(MOUSE SQUEAKING)

183

00:15:53,903 --> 00:15:55,778

(CONTINUES SQUEAKING)

184

00:16:03,329 --> 00:16:05,079

(CORALINE GASPS)

185

00:16:08,167 --> 00:16:09,375

Whoa!

186

00:16:29,688 --> 00:16:30,688

Huh?

187

00:16:41,200 --> 00:16:43,201

Mmm. Something smells good.

188

00:16:48,999 --> 00:16:51,042

(OTHER MOTHER HUMMING)

189

00:16:54,213 --> 00:16:57,757

Mom? What are you doing here
in the middle of the night?

190

00:16:57,841 --> 00:17:00,426

You're just in time
for supper, dear.

191

00:17:03,597 --> 00:17:05,556

You're not my mother.

192

00:17:05,641 --> 00:17:07,058

My mother doesn't have...

193

00:17:07,142 --> 00:17:08,226

(STAMMERS)

194

00:17:08,310 --> 00:17:09,560

(MIMICS STAMMERING)

195

00:17:09,645 --> 00:17:12,563

Buttons? Do you like them?

196

00:17:12,648 --> 00:17:14,816

I'm your other mother, silly.

197

00:17:14,900 --> 00:17:18,236

Now go tell your other father
that supper's ready.

198

00:17:19,947 --> 00:17:22,824

Well, go on.

He's in his study.

199

00:17:30,749 --> 00:17:31,916

CORALINE: Hello?

200

00:17:32,251 --> 00:17:34,252

Hello, Coraline.

201

00:17:35,546 --> 00:17:37,422

Wanna hear my new song?

202

00:17:37,923 --> 00:17:39,716

My father

can't play piano.

203

00:17:39,800 --> 00:17:41,342

No need to.

204

00:17:43,429 --> 00:17:45,555

This piano plays me.

205

00:17:45,639 --> 00:17:47,015

(EXCLAIMS IN SURPRISE)

206

00:17:49,226 --> 00:17:53,146

(SINGING) Making up

a song about Coraline

207

00:17:53,230 --> 00:17:57,150

She's a peach, she's a doll

She's a pal of mine

208

00:17:57,234 --> 00:18:00,028

She's as cute as a button

in the eyes of everyone

209

00:18:00,112 --> 00:18:04,282

Who ever laid

their eyes on Coraline

210

00:18:05,117 --> 00:18:06,701

When she comes

around exploring

211

00:18:06,785 --> 00:18:08,578

Mom and I will never,

ever make it boring

212

00:18:08,662 --> 00:18:12,707

Our eyes will be on Coraline

213

00:18:12,791 --> 00:18:17,920

I'm sorry,

but she said to tell

you the food's ready.

214

00:18:18,047 --> 00:18:19,130

Mmm.

215

00:18:19,214 --> 00:18:20,965

Who's starving?

Raise your hand.

216

00:18:21,133 --> 00:18:22,425

Whoa!

217

00:18:33,645 --> 00:18:34,979

(CLEARS THROAT)

218

00:18:35,064 --> 00:18:37,273

We give our thanks

and ask to bless

219

00:18:37,357 --> 00:18:40,443

our mother's

golden chicken breast.

220

00:18:40,652 --> 00:18:42,361

(OTHER FATHER LAUGHING)

221

00:18:51,497 --> 00:18:52,747

Mmm!

222

00:18:52,831 --> 00:18:54,415

CORALINE:

This chicken is good.

223

00:18:54,500 --> 00:18:56,000

Hungry, aren't you?

224

00:18:57,211 --> 00:18:58,377

Do you have any gravy?

225

00:18:58,462 --> 00:19:00,713

Well, here comes

the gravy train.

226

00:19:00,881 --> 00:19:02,590

Choo, choo!

227

00:19:10,349 --> 00:19:11,390

Huh.

228

00:19:11,475 --> 00:19:14,894

Another roll? Sweet peas?

Corn on the cob?

229

00:19:16,814 --> 00:19:18,439

I'm real thirsty.

230

00:19:19,024 --> 00:19:21,692

Of course.

Any requests?

231

00:19:21,985 --> 00:19:23,569

Mango milkshake?

232

00:19:38,043 --> 00:19:39,168

Home?

233

00:19:39,253 --> 00:19:41,963

We've been waiting
for you, Coraline.

234

00:19:42,047 --> 00:19:43,297

For me?

OTHER FATHER: Yep.

235

00:19:43,382 --> 00:19:45,967

Wasn't the same here
without you, kiddo.

236

00:19:46,051 --> 00:19:47,760

I didn't know I
had another mother.

237

00:19:47,845 --> 00:19:50,680

Of course you do.
Everyone does.

238

00:19:51,056 --> 00:19:52,515

Really?

OTHER MOTHER: Uh-huh.

239

00:19:52,599 --> 00:19:56,435

And soon as

you're through eating,

I thought we'd play a game.

240

00:19:59,273 --> 00:20:01,482

You mean like hide-and-seek?

241

00:20:01,567 --> 00:20:05,403

Perfect.

Hide-and-seek in the rain.

242

00:20:06,572 --> 00:20:08,239

What rain?

243

00:20:08,907 --> 00:20:10,283

(EXCLAIMS IN SURPRISE)

244

00:20:10,409 --> 00:20:11,534

What about the mud?

245

00:20:11,618 --> 00:20:13,286

We love mud here.

246

00:20:13,370 --> 00:20:16,414

Mud facials,
mud baths, mud pies.

247

00:20:17,291 --> 00:20:18,833

It's great
for poison oak.

248

00:20:19,084 --> 00:20:20,626

How'd you know I...

249

00:20:21,336 --> 00:20:26,424

I... I'd love to play,
but I better get
home to my other mother.

250

00:20:26,508 --> 00:20:28,467

But I'm your other mother.

251

00:20:28,552 --> 00:20:31,721

I mean my other,
other mother.

252

00:20:31,805 --> 00:20:33,598

Mom number one?

253

00:20:34,183 --> 00:20:35,266

(EXCLAIMS)

254

00:20:35,350 --> 00:20:37,143

I think I should
get to bed.

255

00:20:37,227 --> 00:20:39,604

Of course, sweetheart.
It's all made up.

256

00:20:39,688 --> 00:20:41,981

But...
Come along, sleepyhead.

257

00:20:50,407 --> 00:20:51,866

(CORALINE GASPS)

258

00:20:51,950 --> 00:20:53,034

Wow.

259

00:20:53,118 --> 00:20:54,493

DRAGONFLY: Hello, Coraline.

260

00:20:54,578 --> 00:20:57,288

DRAGONFLIES: Hello, hello,
hello, hello.

261

00:20:57,372 --> 00:20:59,040

What's shaking, baby?

262

00:20:59,124 --> 00:21:00,416

Hello.

263

00:21:06,965 --> 00:21:09,342

GIRL: Hey.

How's it going, Loper?

264

00:21:09,426 --> 00:21:11,344

Where's your

swampers and chook?

265

00:21:11,428 --> 00:21:14,222

Cripes almighty!

How are my best trolls?

266

00:21:14,306 --> 00:21:15,765

I can't wait till summer.

267

00:21:15,849 --> 00:21:17,308

You're both coming, right?

268

00:21:17,392 --> 00:21:18,893

We're already here,

Coraline.

269

00:21:18,977 --> 00:21:20,478

Gone to Oregon.

270

00:21:23,565 --> 00:21:24,941

CORALINE: Oh.

271

00:21:25,692 --> 00:21:27,026

The mud.

272

00:21:37,162 --> 00:21:39,330

See you soon.

See you soon.

273

00:21:48,966 --> 00:21:50,341

(YAWNS)

274

00:22:07,109 --> 00:22:09,860

It's gone.

My poison oak! It's gone!

275

00:22:14,199 --> 00:22:15,366

Huh.

276

00:22:15,492 --> 00:22:17,034

(KETTLE WHISTLING)

277

00:22:19,288 --> 00:22:21,122

It was incredibly real, Mom.

278

00:22:21,206 --> 00:22:22,665

Only you weren't
really you.

279

00:22:22,749 --> 00:22:24,166

You were
my other mother.

280

00:22:24,251 --> 00:22:26,043

Buttons for
eyes, huh?

281

00:22:26,128 --> 00:22:29,171

Coraline, you only dreamed
you ate all that chicken.

282

00:22:29,256 --> 00:22:30,840

Take your
multivitamin at least.

283

00:22:30,924 --> 00:22:32,174

You were in
the dream, too, Dad.

284

00:22:32,259 --> 00:22:35,469

You had wild-looking pajamas
and orange monkey slippers.

285

00:22:35,554 --> 00:22:36,637

(LAUGHS)

286

00:22:36,722 --> 00:22:39,307

Orange?
My monkey slippers are blue.

287

00:22:39,391 --> 00:22:40,474

Psst.

288

00:22:40,559 --> 00:22:43,269

Can you get me
some of that magic mud
you were talking about?

289

00:22:43,353 --> 00:22:46,314

Because I have
a terrible case
of writer's rash on my...

290

00:22:46,398 --> 00:22:47,773

(MOM CLEARS THROAT)

291

00:22:50,027 --> 00:22:52,945

If the real Charlie Jones
wants his pages edited,

292

00:22:53,030 --> 00:22:55,239

he better wrap them up ASAP.

293

00:22:57,576 --> 00:23:00,119

Coraline,
why don't you go
visit downstairs?

294

00:23:00,203 --> 00:23:03,831

I bet those actresses
would love to
hear your dream.

295

00:23:03,915 --> 00:23:06,000

Miss Spink and Forcible?

296

00:23:06,084 --> 00:23:07,793

But you said

they're dingbats.

297

00:23:07,878 --> 00:23:09,170

Mmm-hmm.

298

00:23:20,932 --> 00:23:25,936

Bobinsky. Bobinsky. Bobinsky.

299

00:23:27,606 --> 00:23:28,898

(SNIFFS)

300

00:23:29,524 --> 00:23:30,566

(GROANS)

301

00:23:30,650 --> 00:23:32,193

(EXCLAIMS IN DISGUST)

302

00:23:49,795 --> 00:23:51,128

Hello?

303

00:23:52,172 --> 00:23:55,383

I think our mail

got mixed up.

304

00:23:55,467 --> 00:23:57,385

Should I leave

it outside, or...

305

00:23:57,469 --> 00:23:58,636

(EXCLAIMS)

306

00:24:04,935 --> 00:24:07,061

(CLUCKING)

307

00:24:08,063 --> 00:24:09,397

CORALINE: Hmm.

308

00:24:11,566 --> 00:24:12,817

Secret!

309

00:24:13,151 --> 00:24:14,235

(GASPS)

310

00:24:14,319 --> 00:24:17,321

Famous jumping

mouse circus not ready,

311

00:24:19,157 --> 00:24:20,783

little girl.

312

00:24:21,410 --> 00:24:22,785

Circus?

313

00:24:22,911 --> 00:24:23,994

Oh, uh...

314

00:24:24,079 --> 00:24:26,539

I brought this for you.

315

00:24:28,834 --> 00:24:29,959

(SNIFFING)

316

00:24:30,043 --> 00:24:31,460

(SIGHS CONTENTEDLY)

317

00:24:31,753 --> 00:24:33,379

(SPEAKING RUSSIAN)

318

00:24:33,463 --> 00:24:34,547

Huh?

319

00:24:34,631 --> 00:24:36,757

New cheese samples.

320

00:24:37,217 --> 00:24:38,551

(BOBINSKY GRUNTS)

321

00:24:40,512 --> 00:24:45,933

Very clever using this mix-up
to sneak my home
and peek at mooshkas?

322

00:24:46,226 --> 00:24:47,435

Mooshkas?

323

00:24:47,519 --> 00:24:48,561

The mice!

324

00:24:49,312 --> 00:24:50,438

Oh!

325

00:24:50,522 --> 00:24:53,858

Sorry. I'm Coraline Jones.

326

00:24:54,234 --> 00:24:56,777

And I am

the Amazing Bobinsky.

327

00:24:59,156 --> 00:25:01,699

But you call me Mr. B

328

00:25:01,783 --> 00:25:04,785

because amazing I

already know that I am.

329

00:25:05,328 --> 00:25:06,579

(GRUNTS)

330

00:25:06,663 --> 00:25:08,038

(GASPS)

331

00:25:11,585 --> 00:25:12,960

Ha!

332

00:25:13,044 --> 00:25:15,880

You see, Caroline,
the problem is...

333

00:25:16,006 --> 00:25:18,799

My new songs go
oompah, oompah,

334

00:25:18,884 --> 00:25:22,553

but the jumping mice
play only toodle-toot,
like that.

335

00:25:22,637 --> 00:25:26,223

Is nice but not
so much amazing.

336

00:25:26,308 --> 00:25:30,978

So now,
I switch to stronger cheese
and soon, watch out!

337

00:25:33,565 --> 00:25:37,067

Here, have beet.
Make you strong.

338

00:25:39,237 --> 00:25:41,906

Do svidaniya, Caroline.

339

00:25:43,450 --> 00:25:45,284

Coraline.

340

00:25:51,249 --> 00:25:54,335

Oompah, oompah.
Toodle-toot.

341

00:25:54,419 --> 00:25:56,128

Hey, Caroline!

342

00:25:56,213 --> 00:25:57,379

(SPEAKING RUSSIAN)

343

00:25:57,464 --> 00:25:58,714

Wait!

344

00:25:58,798 --> 00:25:59,924

No!

345

00:26:00,592 --> 00:26:01,884

(BOBINSKY GRUNTS)

346

00:26:04,346 --> 00:26:07,473

The mice asked me
to give you message.

347

00:26:07,557 --> 00:26:09,600

The jumping mice?

348

00:26:09,684 --> 00:26:14,063

They are saying
do not go
through little door.

349

00:26:15,774 --> 00:26:17,316

Do you know such a thing?

350

00:26:17,400 --> 00:26:19,860

The one behind the wallpaper?

351

00:26:19,945 --> 00:26:22,863

But it's all bricked up.

352

00:26:22,948 --> 00:26:24,031

Bah.

353

00:26:24,115 --> 00:26:26,408

So sorry. Is nothing.

354

00:26:26,535 --> 00:26:29,495

Sometimes the mice
are little mixed-up.

355

00:26:30,872 --> 00:26:31,997

(GRUNTS)

356

00:26:32,582 --> 00:26:34,625

They even get your
name wrong, you know?

357

00:26:34,709 --> 00:26:37,795

They call you Coraline
instead of Caroline.

358

00:26:37,879 --> 00:26:39,797

Not Caroline at all.

359

00:26:39,965 --> 00:26:41,882

Maybe I work them too hard.

360

00:27:14,749 --> 00:27:16,000

(DOGS BARKING)

361

00:27:20,672 --> 00:27:23,591

Cease your
infernal yapping.

362

00:27:24,217 --> 00:27:26,760

How nice to see you,
Caroline.

363

00:27:26,845 --> 00:27:28,220

Would you like
to come in?

364

00:27:28,305 --> 00:27:29,597

We're playing cards.

365

00:27:29,681 --> 00:27:31,765

Still Coraline,
Miss Spink.

366

00:27:31,850 --> 00:27:34,184

Miriam!
Put the kettle on!

367

00:27:45,447 --> 00:27:48,240

April, I think
you're being followed.

368
00:27:48,325 --> 00:27:51,994
It's the new neighbor,
Miriam. Caroline.

369
00:27:52,662 --> 00:27:54,747
SPINK: She'll be having
the oolong tea.

370
00:27:54,831 --> 00:27:56,123
FORCIBLE: No! Oh, no, no.

371
00:27:56,207 --> 00:27:58,542
I'm sure she'd
prefer jasmine.

372
00:27:58,627 --> 00:28:00,586
No, oolong.

373
00:28:00,670 --> 00:28:03,297
Ah. Jasmine it is, then.

374

00:28:03,381 --> 00:28:04,798

(SIGHS)

375

00:28:07,218 --> 00:28:09,011

Come on, boys.

376

00:28:16,561 --> 00:28:18,729

Are those dogs real?

377

00:28:19,230 --> 00:28:22,191

Our sweet departed angels.

378

00:28:22,275 --> 00:28:26,570

Couldn't bear to

part with them,

so we had them stuffed.

379

00:28:26,655 --> 00:28:29,114

SPINK: Now, there's

Hamish the third...

380

00:28:29,199 --> 00:28:31,158

Go on. Have one.

381

00:28:31,534 --> 00:28:33,869

It's hand-pulled
taffy from Brighton.

382

00:28:34,496 --> 00:28:36,330

Best in the world.

383

00:28:36,414 --> 00:28:37,915

SPINK... the third,
the ninth, yes.

384

00:28:37,999 --> 00:28:39,500

The fourth, I'm right.

385

00:28:39,584 --> 00:28:42,878

And Jock Jr., Jock Sr.,
Jock the third, the fourth,

386

00:28:43,129 --> 00:28:46,298

and that's

Jock's second cousin
thrice removed.

387

00:28:47,092 --> 00:28:49,259

I'll read them
if you like.

388

00:28:50,261 --> 00:28:51,387

Read what?

389

00:28:51,471 --> 00:28:53,555

Your tea leaves, dear.

390

00:28:53,640 --> 00:28:55,933

They'll tell me your future.

391

00:28:56,601 --> 00:28:58,894

Drink up then. Go on.

392

00:28:59,437 --> 00:29:01,188

No, not all of it.

Not all of it.

393

00:29:01,272 --> 00:29:03,190

That's right.

Now hand it over.

394

00:29:06,778 --> 00:29:08,195

Oh!

395

00:29:08,947 --> 00:29:10,364

Oh, Caroline.

396

00:29:10,448 --> 00:29:13,492

Caroline, Caroline, Caroline.

397

00:29:13,576 --> 00:29:16,120

You are in

terrible danger.

398

00:29:16,705 --> 00:29:18,706

Oh, give me

that cup, April.

399

00:29:18,790 --> 00:29:20,416

Your eyes are going.

400

00:29:20,500 --> 00:29:23,711

My eyes?

You're blind as a bat.

401

00:29:23,795 --> 00:29:27,131

Well, not to worry, child.

402

00:29:27,465 --> 00:29:29,049

It's good news.

403

00:29:29,134 --> 00:29:33,470

There's a tall,
handsome beast
in your future.

404

00:29:33,555 --> 00:29:34,555

A what?

405

00:29:34,639 --> 00:29:35,973

Miriam, really.

406

00:29:36,057 --> 00:29:40,602

You're holding it wrong.

See? Danger.

407

00:29:40,687 --> 00:29:41,979

CORALINE: What do you see?

408

00:29:42,063 --> 00:29:45,065

SPINK: I see

a very peculiar hand.

409

00:29:45,150 --> 00:29:47,234

FORCIBLE: I see a giraffe.

410

00:29:47,318 --> 00:29:50,696

Giraffes don't just

fall from the sky, Miriam.

411

00:29:50,780 --> 00:29:51,864

Oh, Lord.

412

00:29:51,948 --> 00:29:53,073

(DOG YIPS)

413

00:29:53,158 --> 00:29:55,409

Well, what should I do?

414

00:29:55,493 --> 00:29:57,911

Never wear green in
your dressing room.

415

00:29:57,996 --> 00:30:00,581

Acquire a very
tall stepladder.

416

00:30:00,665 --> 00:30:02,916

And be very, very careful.

417

00:30:03,001 --> 00:30:04,168

(GASPS)

418

00:30:05,378 --> 00:30:08,172

Now, was there something
you came to tell us?

419

00:30:09,758 --> 00:30:13,010

No. I guess not.

Thanks for the tea, though.

420

00:30:13,094 --> 00:30:14,178

FORCIBLE: Toodle-oo.

421

00:30:14,262 --> 00:30:15,262

SPINK: Cheery-bye.

422

00:30:15,346 --> 00:30:17,264

FORCIBLE: Do you have any
nice queens for Mummy?

423

00:30:17,348 --> 00:30:18,348

(DOG YIPS)

424

00:30:22,520 --> 00:30:23,729

Danger?

425

00:30:30,153 --> 00:30:31,320

(RATTLES)

426

00:30:41,664 --> 00:30:42,748

(EXCLAIMS)

427

00:30:42,832 --> 00:30:44,625

Great! The village stalker.

428

00:30:44,709 --> 00:30:45,959

Ow!

429

00:30:46,211 --> 00:30:47,920

I wasn't stalking you.

430

00:30:48,046 --> 00:30:49,797

We're hunting banana slugs.

431

00:30:49,881 --> 00:30:51,590

What do you mean "we?"

432

00:30:51,674 --> 00:30:53,300

(CAT MEOWS)

433

00:30:54,052 --> 00:30:58,180

Ha! Your cat's not wild.

He's a wuss puss.

434

00:30:58,264 --> 00:31:01,141

What? He hates to

get his feet wet. Jeez.

435

00:31:01,226 --> 00:31:02,559

Wuss puss.

436

00:31:06,564 --> 00:31:08,816

So, that doll.

437

00:31:08,900 --> 00:31:10,651

Did you make it

look like me?

438

00:31:10,735 --> 00:31:13,237

Oh, no. I found it that way.

439

00:31:13,738 --> 00:31:15,489

It's older than Grandma.

440

00:31:15,615 --> 00:31:17,366

Old as this house,
probably.

441

00:31:17,450 --> 00:31:21,161

Come on. Blue hair,
my swampers and raincoat?

442

00:31:21,246 --> 00:31:24,498

Dang! Check out Slugzilla.

443

00:31:26,543 --> 00:31:28,418

You're just like them.

444

00:31:28,837 --> 00:31:29,920

Huh?

445

00:31:30,004 --> 00:31:31,588

I meant my parents.

446

00:31:31,714 --> 00:31:33,131

They don't
listen to me either.

447

00:31:33,216 --> 00:31:34,716

Uh-huh. You mind?

448

00:31:37,428 --> 00:31:38,637

(MIMICS CHOMPING)

449

00:31:38,721 --> 00:31:39,972

(GRUNTS)

450

00:31:40,056 --> 00:31:41,306

(SCREAMS)

451

00:31:41,432 --> 00:31:42,641

Hmm.

452

00:31:42,767 --> 00:31:43,809

Ew!

453

00:31:50,942 --> 00:31:54,361

You know,
I've never been inside
the Pink Palace.

454

00:31:54,445 --> 00:31:56,071

You're kidding.

455

00:31:56,155 --> 00:31:57,739

Grandma'd kill me.

456

00:31:57,824 --> 00:32:00,701

Thinks it's dangerous
or something.

457

00:32:00,785 --> 00:32:02,286

Dangerous?

458

00:32:02,370 --> 00:32:04,872

Well, she had
a twin sister.

459

00:32:04,956 --> 00:32:06,331

So?

460

00:32:06,416 --> 00:32:09,668

When they were kids,

Grandma's sister

disappeared.

461

00:32:09,752 --> 00:32:11,795

She says

she was stolen.

462

00:32:12,255 --> 00:32:13,630

CORALINE: Stolen?

463

00:32:13,715 --> 00:32:14,965

(MEOWS)

464

00:32:15,049 --> 00:32:17,134

Well, what do you think?

465

00:32:17,218 --> 00:32:20,512

I don't know.

Maybe she just ran away.

466

00:32:21,097 --> 00:32:22,639

LOVAT: Wyborne!

467

00:32:23,308 --> 00:32:24,600

Look, I gotta go.

468

00:32:24,684 --> 00:32:26,059

Wait a minute.

469

00:32:59,802 --> 00:33:01,219

(SQUEAKS)

470

00:33:37,048 --> 00:33:39,341

(OTHER MOTHER HUMMING)

471

00:33:41,386 --> 00:33:43,178

Welcome back, darling.

472

00:33:43,262 --> 00:33:44,346

Hi.

473

00:33:44,430 --> 00:33:47,975

So thoughtful of you
to send this nice cheddar,
Coraline.

474

00:33:48,059 --> 00:33:51,687

Cheddar? Oh!
The mice bait.

475

00:33:52,397 --> 00:33:54,147

Would you go
fetch your father?

476

00:33:54,232 --> 00:33:57,192

I bet he's hungry
as a pumpkin by now.

477

00:33:57,276 --> 00:33:59,152

You mean my other father.

478

00:33:59,237 --> 00:34:00,779

Your better father, dear.

479

00:34:00,863 --> 00:34:02,239

He's out in the garden.

480

00:34:02,323 --> 00:34:04,241

But my parents don't
have time to garden.

481

00:34:04,325 --> 00:34:05,617

(SHUSHING)

482

00:34:06,786 --> 00:34:07,828

Mmm!

483

00:34:07,912 --> 00:34:09,413

Go on.

484

00:34:31,060 --> 00:34:32,769

(CORALINE GASPS)

485

00:34:40,528 --> 00:34:41,528

(LAUGHS)

486

00:35:00,965 --> 00:35:02,382

Hey.

487

00:35:03,634 --> 00:35:05,343

I love your garden!

488

00:35:05,845 --> 00:35:08,346

Our garden, Coraline.

489

00:35:11,434 --> 00:35:12,726

(LAUGHING)

490

00:35:12,810 --> 00:35:14,478

Stop tickling me!

491

00:35:16,481 --> 00:35:18,273

Daughter in distress.

492

00:35:31,120 --> 00:35:34,372

Tickle no more,
you dragon snappers.

493

00:35:37,293 --> 00:35:41,379

Well, she says

it's time for dinner,

breakfast, food.

494

00:35:41,881 --> 00:35:43,006

Hop on, kiddo.

495

00:35:43,091 --> 00:35:44,549

I wanna show you something.

496

00:35:55,186 --> 00:35:57,270

CORALINE: I can't believe

you did this.

497

00:35:57,355 --> 00:35:59,189

OTHER FATHER:

Mother said you'd like it.

498

00:35:59,273 --> 00:36:02,484

Boy, she knows you

like the back of her hand.

499

00:36:05,863 --> 00:36:07,739

Mmm. So good.

500

00:36:07,824 --> 00:36:10,367

I love

dinner-breakfast-food.

501

00:36:10,451 --> 00:36:12,619

Coraline,

Mr. Bobinsky

has invited you

502

00:36:12,703 --> 00:36:15,372

to come see

the jumping mice

perform after dinner.

503

00:36:15,456 --> 00:36:17,499

Really?

That know-it-all Wybie

504

00:36:17,625 --> 00:36:19,626

said it was all

in Mr. B's head.

505

00:36:19,710 --> 00:36:20,919

I knew he was wrong.

506

00:36:21,003 --> 00:36:23,672

Well, everything's
right in this world, kiddo.

507

00:36:23,756 --> 00:36:25,298

Your father and
I will clean up

508

00:36:25,383 --> 00:36:28,802

while you and your
friend head upstairs.

509

00:36:28,886 --> 00:36:30,262

My friend?

510

00:36:32,431 --> 00:36:34,724

CORALINE:

Great. Another Wybie.

511

00:36:35,226 --> 00:36:37,561

Hello,

Why-Were-You-Born.

512

00:36:39,397 --> 00:36:40,647

CORALINE: Hello!

513

00:36:41,524 --> 00:36:45,902

I thought you'd like him more

if he spoke a little less.

So I fixed him.

514

00:36:46,904 --> 00:36:49,114

So he can't talk at all?

515

00:36:49,240 --> 00:36:50,907

Nope.

Hmm.

516

00:36:51,534 --> 00:36:52,826

I like it.

517

00:36:52,910 --> 00:36:55,579

Now, run along,
you two, and have fun.

518

00:36:59,208 --> 00:37:03,086

You're awful cheerful
considering you
can't say anything.

519

00:37:05,715 --> 00:37:08,383

It didn't hurt,
did it, when she...

520

00:37:17,226 --> 00:37:18,560

(LAUGHS)

521

00:37:20,855 --> 00:37:22,981

CORALINE: Whoa!

522

00:37:25,401 --> 00:37:26,610

CORALINE: Cool!

523

00:37:37,079 --> 00:37:38,538

(CLUCKING)

524

00:37:42,627 --> 00:37:44,502

(CANNONS BOOMING)

525

00:37:44,670 --> 00:37:45,712

CORALINE: Look at you!

526

00:37:45,796 --> 00:37:46,963

(CORALINE LAUGHS)

527

00:37:48,799 --> 00:37:53,720

OTHER BOBINSKY: Lady

and gentleman, for to

tickle your eyes and ears

528

00:37:54,555 --> 00:37:56,806

and making hearts to thump,

529

00:37:56,891 --> 00:38:00,602

I, Sergei Alexander Bobinsky,

530

00:38:00,686 --> 00:38:04,022

am introducing
my astounding,

531

00:38:05,024 --> 00:38:08,777

stupendulous and amazing

532

00:38:09,487 --> 00:38:12,530

jumping mouse circus!

533

00:38:16,160 --> 00:38:17,369

My name!

534

00:38:18,913 --> 00:38:20,664

(FANFARE PLAYING)

535

00:38:27,588 --> 00:38:29,339

(CIRCUS MUSIC PLAYING)

536

00:38:40,059 --> 00:38:41,935

It's wonderful, Wybie.

537

00:38:58,077 --> 00:38:59,160

Wow!

538

00:39:18,014 --> 00:39:21,725

Yahoo!

That was great!

539

00:39:22,226 --> 00:39:26,229

Very, very thank you,

lady and gentleman.

540

00:39:42,246 --> 00:39:46,416

We loved it, Mr. B.

It was so... So...

541

00:39:46,500 --> 00:39:47,834

Ah...

542

00:39:47,918 --> 00:39:49,085

Amazing!

543

00:39:49,170 --> 00:39:51,796

You are very welcome
anytime you like.

544

00:39:51,922 --> 00:39:54,591

You and also your
good friend there.

545

00:39:55,092 --> 00:39:57,344

Do svedaniya, Coraline.

546

00:39:58,304 --> 00:39:59,304

(KISSES)

547

00:40:23,287 --> 00:40:24,621

(GROANS)

548

00:40:35,341 --> 00:40:36,800

(GRUNTS)

549

00:40:40,805 --> 00:40:42,889

CORALINE: There were

garden squash like

balloon animals

550

00:40:42,973 --> 00:40:44,474

and snapdragons.

551

00:40:44,558 --> 00:40:47,602

Oh, and upstairs,

I saw a real mouse circus.

552

00:40:47,686 --> 00:40:50,188

Not pretend like

the crazy man's

in our house.

553

00:40:50,272 --> 00:40:51,898

You sure

you won't come?

554

00:40:51,982 --> 00:40:53,066

Don't fret, Charlie.

555

00:40:53,150 --> 00:40:54,818

They'll love

the new catalog.

556

00:40:54,902 --> 00:40:56,903

At least they'll
love my chapters.

557

00:40:56,987 --> 00:40:58,613

I did not call
him crazy, Coraline.

558

00:40:58,697 --> 00:41:00,365

He's drunk.

559

00:41:00,449 --> 00:41:03,868

Well, I guess I'll see you
around, you dizzy dreamer.

560

00:41:03,953 --> 00:41:06,746

Dad! I'm not five anymore.

561

00:41:11,168 --> 00:41:12,669

(GEARS CRANKING)

562

00:41:16,590 --> 00:41:17,966

(EXCLAIMS IN SURPRISE)

563

00:41:32,648 --> 00:41:36,109

My kingdom for a horse!

564

00:41:36,193 --> 00:41:37,527

(CRASHING)

565

00:41:48,873 --> 00:41:50,123

Put them back.

566

00:41:50,207 --> 00:41:52,167

But, Mom,

the whole school's

567

00:41:52,251 --> 00:41:54,377

gonna wear

boring gray clothes.

568

00:41:54,462 --> 00:41:56,045

No one will have these.

569

00:41:56,547 --> 00:41:58,089

Put them back.

570

00:42:00,092 --> 00:42:02,010

My other mother
would get them.

571

00:42:02,094 --> 00:42:04,721

Maybe she should
buy all your clothes.

572

00:42:09,143 --> 00:42:11,311

CORALINE: So what do you think
is in the other apartment?

573

00:42:11,395 --> 00:42:12,979

I don't know.

574

00:42:13,063 --> 00:42:14,898

Not a family of
Jones imposters.

575

00:42:15,733 --> 00:42:18,026

Then why'd you
lock the door?

576

00:42:18,110 --> 00:42:22,447

I found some rat crap,
and I thought
you'd feel safer.

577

00:42:23,032 --> 00:42:27,494

They're jumping mice, Mom,
and the dreams
aren't dangerous.

578

00:42:27,578 --> 00:42:30,622

They're the most fun
I've had since
we've moved here.

579

00:42:30,706 --> 00:42:32,123

Your school
might be fun.

580

00:42:32,208 --> 00:42:34,876

With those stupid uniforms?

Right.

581

00:42:36,253 --> 00:42:38,046

Had to give it a try.

582

00:42:51,143 --> 00:42:53,144

How do you feel
about a mustard,

583

00:42:53,270 --> 00:42:55,271

ketchup, salsa
wrap for lunch?

584

00:42:55,356 --> 00:42:57,106

Are you kidding me?

585

00:42:57,566 --> 00:42:59,484

Had to go food shopping,
anyway.

586

00:42:59,568 --> 00:43:02,320

Dad's planning

something special.

587

00:43:02,404 --> 00:43:04,239

Grossgusting.

588

00:43:04,323 --> 00:43:05,406

You wanna come along?

589

00:43:05,491 --> 00:43:07,116

You can pick out
something you like.

590

00:43:07,201 --> 00:43:09,160

Oh. Like the gloves.

591

00:43:09,286 --> 00:43:10,286

(SIGHS)

592

00:43:10,371 --> 00:43:15,291

Look, Coraline,
if things go well today,
I promise I'll make it up.

593

00:43:15,834 --> 00:43:17,961

That's what
you always say.

594

00:43:21,257 --> 00:43:22,757

Won't be long.

595

00:43:23,676 --> 00:43:25,635

But I might be.

596

00:44:06,135 --> 00:44:07,844

I knew it was real.

597

00:44:15,519 --> 00:44:16,936

(PURRS)

598

00:44:31,452 --> 00:44:32,952

OTHER MOTHER:

Dearest Coraline,

599

00:44:33,037 --> 00:44:37,165

Miss Spink and Miss Forcible

have invited you
downstairs after lunch.

600

00:44:37,249 --> 00:44:39,542

I hope you like
the new outfit I made you.

601

00:44:39,627 --> 00:44:41,461

Love, Mother.

602

00:44:46,008 --> 00:44:47,008

(BURPS)

603

00:44:48,969 --> 00:44:50,511

(CAT MEOWS)

604

00:44:53,349 --> 00:44:55,391

Wybie's got a cat
like you at home.

605

00:44:55,476 --> 00:44:56,726

(MEOWS)

606

00:44:57,561 --> 00:45:00,563

Not the quiet Wybie.

The one that talks too much.

607

00:45:01,690 --> 00:45:03,858

You must be the other cat.

608

00:45:03,942 --> 00:45:07,945

No, I'm not

the other anything. I'm me.

609

00:45:08,572 --> 00:45:11,324

Um... I can see you

don't have button eyes,

610

00:45:11,408 --> 00:45:14,994

but if you're the same cat,

how can you talk?

611

00:45:16,121 --> 00:45:17,580

I just can.

612

00:45:18,582 --> 00:45:19,999

Cats don't talk at home.

613

00:45:20,084 --> 00:45:21,459

No?

Nope.

614

00:45:21,543 --> 00:45:25,296

Well, you're clearly
the expert on these things.

615

00:45:25,381 --> 00:45:28,925

After all,
I'm just a big fat wuss puss.

616

00:45:29,927 --> 00:45:31,302

Come back. Please?

617

00:45:31,387 --> 00:45:34,180

I'm sorry I called you that.
I really am.

618

00:45:34,264 --> 00:45:35,515

How'd you get here?

619

00:45:35,599 --> 00:45:38,267

I've been coming

here for a while.

620

00:45:41,355 --> 00:45:43,189

It's a game we play.

621

00:45:43,607 --> 00:45:47,652

She hates cats and

tries to keep me out,

622

00:45:47,736 --> 00:45:49,237

but she can't, of course.

623

00:45:49,321 --> 00:45:51,531

I come and go

as I please.

624

00:45:51,615 --> 00:45:53,533

The other mother

hates cats?

625

00:45:53,617 --> 00:45:56,703

Not like any mother

I've ever known.

626

00:45:56,787 --> 00:45:59,122

What do you mean?

She's amazing.

627

00:45:59,873 --> 00:46:05,044

You probably think this world

is a dream come true,

but you're wrong.

628

00:46:05,129 --> 00:46:07,422

The other Wybie told me so.

629

00:46:07,506 --> 00:46:09,674

That's nonsense.

He can't talk.

630

00:46:09,758 --> 00:46:11,843

Perhaps not to you.

631

00:46:11,927 --> 00:46:16,264

We cats, however,
have far superior senses
than humans,

632

00:46:16,348 --> 00:46:18,725

and can see and smell and...

633

00:46:19,309 --> 00:46:20,435

Shh!

634

00:46:20,519 --> 00:46:24,981

I hear something.

Right over...

635

00:46:25,232 --> 00:46:26,816

(MEOWS)

636

00:46:40,497 --> 00:46:42,248

(SNIFFING)

637

00:46:45,169 --> 00:46:47,003

(ORCHESTRA TUNING)

638

00:47:06,023 --> 00:47:07,398

Hey, Wybie.

639

00:47:13,405 --> 00:47:15,031

(MUSIC PLAYING)

640

00:47:21,622 --> 00:47:23,623

She's practically naked!

641

00:47:23,707 --> 00:47:27,668

(SINGING)

I'm known as the siren

of all seven seas

642

00:47:27,753 --> 00:47:31,464

The breaker of

hearts by the bay

643

00:47:31,548 --> 00:47:35,551

So if you go swimming

With bowlegged women

644

00:47:35,636 --> 00:47:39,806

I might steal

your weak heart away

645

00:47:40,098 --> 00:47:41,766

(DOGS BARKING)

646

00:47:52,528 --> 00:47:53,820

Oh, my God.

647

00:47:53,904 --> 00:47:57,949

(SINGING)

A big-bottomed sea witch

May bob through the waves

648

00:47:58,033 --> 00:48:01,577

And hope to

lead sailors astray

649

00:48:01,662 --> 00:48:07,208

But a true ocean goddess

Must fill out her bodice

650

00:48:07,292 --> 00:48:12,463

To present

an alluring display

651

00:48:12,589 --> 00:48:14,173

(DOGS BARKING)

652

00:48:18,303 --> 00:48:22,181

Beware of old oysters

too large in the chest

653

00:48:22,266 --> 00:48:26,018

Let's banish them

from the buffet

654

00:48:26,103 --> 00:48:28,104

I'm far more nutritious

655

00:48:28,188 --> 00:48:30,356

You smell like

the fishes

656

00:48:30,440 --> 00:48:32,525

Did I hear a banshee?

657

00:48:32,609 --> 00:48:34,944

You're sea green

with envy

658

00:48:35,028 --> 00:48:37,196

This mermaid enchantress

659

00:48:37,281 --> 00:48:40,741

No, I, Birth of Venus

660

00:48:40,826 --> 00:48:43,536

BOTH: Will send

sailors swooning...

661

00:48:43,620 --> 00:48:44,662

(SCREAMS IN PAIN)

662

00:48:44,746 --> 00:48:47,623

Will send sailors
swooning all day

663

00:48:47,916 --> 00:48:51,043

(BOTH EXCLAIMING)

664

00:48:54,673 --> 00:48:56,924

(DOGS BARKING)

665

00:49:13,317 --> 00:49:14,859

I can't look.

666

00:49:14,943 --> 00:49:18,487

Ready to break

a leg, Miriam?

667

00:49:18,572 --> 00:49:21,866

Our lives for
the theater, April.

668

00:49:36,298 --> 00:49:38,674

(DOGS BARKING)

669

00:49:41,595 --> 00:49:44,347

OTHER FORCIBLE: "What
a piece of work is man!

670

00:49:44,431 --> 00:49:47,224

"How noble in reason!"

671

00:49:47,309 --> 00:49:49,435

OTHER SPINK:

"How infinite in faculty."

672

00:49:49,519 --> 00:49:53,898

"In form, in moving
how express and admirable!"

673

00:49:53,982 --> 00:49:56,692

"In action
like an angel."

674

00:49:57,861 --> 00:50:01,656

OTHER SPINK:

"In apprehension
how like a god!"

675

00:50:02,699 --> 00:50:03,950

(SCREAMS)

676

00:50:04,034 --> 00:50:06,702

OTHER FORCIBLE:

"The beauty of the world!"

677

00:50:06,787 --> 00:50:08,454

(CORALINE LAUGHING)

678

00:50:08,538 --> 00:50:11,874

OTHER SPINK:

"The paragon of animals!"

679

00:50:15,545 --> 00:50:17,129

Yeah!

680

00:50:27,683 --> 00:50:28,724

(SCREAMING)

681

00:50:34,106 --> 00:50:35,648

(LAUGHING)

682

00:50:35,732 --> 00:50:36,899

(DOGS BARKING)

683

00:50:51,456 --> 00:50:53,040

Hey, there.

684

00:50:53,125 --> 00:50:54,834

Was it wonderful, dear?

685

00:50:54,918 --> 00:50:58,129

Oh, yeah. They swooped down
and pulled me
right out of my seat,

686

00:50:58,213 --> 00:51:00,548

Spink and Forcible,
only they weren't old ladies.

687

00:51:00,632 --> 00:51:02,133

That was
just a disguise.

688

00:51:02,217 --> 00:51:05,261

But then, I was flying
through the air, and it was...

689

00:51:05,345 --> 00:51:06,846

It was magic.

690

00:51:06,930 --> 00:51:09,140

You do like it here,
don't you, Coraline?

691

00:51:09,224 --> 00:51:10,641

Uh-huh.

692

00:51:10,726 --> 00:51:12,393

Good night, Wybie.

693

00:51:22,738 --> 00:51:25,781

You could stay here
forever if you want to.

694

00:51:26,283 --> 00:51:27,867

Really?

Sure.

695

00:51:27,951 --> 00:51:31,662

We'll sing and play games,
and Mother will cook
your favorite meals.

696

00:51:31,747 --> 00:51:34,290

There's one tiny
little thing we need to do.

697

00:51:34,374 --> 00:51:35,541

What's that?

698

00:51:35,625 --> 00:51:36,917

Well, it's a surprise.

699

00:51:41,465 --> 00:51:43,632

For you,
our little doll.

700

00:51:49,514 --> 00:51:51,348

OTHER MOTHER:

Black is traditional.

701

00:51:52,184 --> 00:51:57,938

But if you'd prefer pink

or vermillion

or chartreuse...

702

00:51:59,566 --> 00:52:01,484

OTHER MOTHER: Though you might
make me jealous.

703

00:52:01,568 --> 00:52:02,651

No way!

704

00:52:02,736 --> 00:52:04,695

You're not sewing

buttons in my eyes!

705

00:52:04,780 --> 00:52:07,907

But we need a "yes"

if you want to stay here.

706

00:52:07,991 --> 00:52:09,742

So sharp

you won't feel a...

707

00:52:09,826 --> 00:52:11,035

Ow!

708

00:52:12,120 --> 00:52:15,790

There, now.

It's your decision,

darling.

709

00:52:16,917 --> 00:52:19,085

We only want

what's best for you.

710

00:52:19,169 --> 00:52:21,378

I'm going to bed.

Right now!

711

00:52:21,463 --> 00:52:22,505

Bed?

712

00:52:22,589 --> 00:52:23,714

Before dinner?

713

00:52:23,799 --> 00:52:26,383

I'm really,
really tired. Yeah.

714

00:52:26,510 --> 00:52:27,551

(YAWNING)

715

00:52:27,636 --> 00:52:30,596

I just need to
sleep on things.

716

00:52:30,680 --> 00:52:32,098

Well, of course
you do, darling.

717

00:52:32,224 --> 00:52:33,682

I'll be happy
to tuck you in.

718

00:52:33,767 --> 00:52:34,809

Oh, no, thanks.

719

00:52:34,893 --> 00:52:36,519

You've done so much already.

720

00:52:36,603 --> 00:52:39,647

You're welcome. And I...

721

00:52:41,024 --> 00:52:43,984

We aren't worried
at all, darling.

722

00:52:44,069 --> 00:52:47,363

OTHER MOTHER: Soon you'll
see things our way.

723

00:53:04,798 --> 00:53:06,423

DRAGONFLIES:
What's wrong, Coraline?

724

00:53:06,508 --> 00:53:08,050

Don't you wanna play?

725

00:53:09,344 --> 00:53:11,720

Yeah! I wanna hug your face!

726

00:53:12,097 --> 00:53:13,973

GIRAFFE DOLL:

Get a grip, soldier!

727

00:53:14,057 --> 00:53:15,266

GIRL: Hey!

BOY: Hey!

728

00:53:15,350 --> 00:53:17,476

Where's your buttons,

Loper?

729

00:53:17,561 --> 00:53:19,645

You want to stay,

don't you?

730

00:53:19,729 --> 00:53:24,441

Going home tonight, robots,

and I won't be back.

731

00:53:30,949 --> 00:53:32,700

Go to sleep.

Go to sleep. Go to sleep.

732

00:53:32,784 --> 00:53:33,993

Go to sleep. Go to sleep.

733

00:53:34,077 --> 00:53:35,452

OTHER MOTHER: A tiny
little thing we need to do.

734

00:53:35,537 --> 00:53:36,912

CORALINE: Go to sleep.

Go to sleep. Go to sleep.

735

00:53:36,997 --> 00:53:38,664

OTHER FATHER: So sharp
you won't feel a thing.

736

00:53:38,748 --> 00:53:39,832

CORALINE:

Go to sleep. Go to sleep.

737

00:53:39,916 --> 00:53:41,709

OTHER MOTHER: Soon

you'll see things our way.

738

00:53:50,635 --> 00:53:52,928

Mom! Dad!

739

00:53:53,555 --> 00:53:54,555

(GASPS)

740

00:53:54,639 --> 00:53:57,808

Oh, God. I'm still here?

741

00:54:07,319 --> 00:54:10,070

(PIANO PLAYING)

742

00:54:14,576 --> 00:54:15,910

Hey, you!

743

00:54:16,745 --> 00:54:18,412

CORALINE:

Where's the other mother?

744

00:54:18,496 --> 00:54:20,039

I wanna go home.

745

00:54:20,123 --> 00:54:23,667

All will be swell,

soon as Mother's refreshed.

746

00:54:23,752 --> 00:54:25,961

Her strength is our strength.

747

00:54:30,508 --> 00:54:32,927

Mustn't talk when

Mother's not here.

748

00:54:33,011 --> 00:54:34,220

If you won't even

talk to me,

749

00:54:34,304 --> 00:54:36,138

I'm gonna find

the other Wybie.

750

00:54:36,223 --> 00:54:38,098

He'll help me.

No point.

751

00:54:38,183 --> 00:54:42,561

He pulled a long face,
and Mother didn't like it.

752

00:54:42,646 --> 00:54:43,812

(GRUNTS)

753

00:54:44,105 --> 00:54:45,314

(GASPS)

754

00:55:05,627 --> 00:55:06,919

(CAT MEOWS)

755

00:55:07,504 --> 00:55:10,214

And what do you
think you're doing?

756

00:55:10,674 --> 00:55:13,550

Well, I'm getting
out of here.

757

00:55:13,635 --> 00:55:15,594

That's what I'm doing.

758

00:55:16,388 --> 00:55:17,513

Huh?

759

00:55:17,597 --> 00:55:19,181

Something's wrong.

760

00:55:19,349 --> 00:55:20,933

Shouldn't
the old well be here?

761

00:55:21,017 --> 00:55:23,018

Nothing out here.

762

00:55:23,103 --> 00:55:25,521

It's the empty
part of this world.

763

00:55:25,605 --> 00:55:28,941

She only made
what she knew
would impress you.

764

00:55:29,025 --> 00:55:31,902

But why?
Why does she want me?

765

00:55:32,362 --> 00:55:35,322

She wants
something to love, I think.

766

00:55:35,407 --> 00:55:37,866

Something
that isn't her.

767

00:55:37,951 --> 00:55:42,579

Or maybe she'd just
love something to eat.

768

00:55:42,914 --> 00:55:45,124

Eat? That's ridiculous.

769

00:55:45,208 --> 00:55:47,293

Mothers don't
eat daughters.

770

00:55:47,377 --> 00:55:50,004

I don't know.
How do you taste?

771

00:55:50,297 --> 00:55:51,880

(LAUGHING)

772

00:55:57,470 --> 00:55:58,470

CORALINE: Huh?

773

00:55:59,347 --> 00:56:04,226

But how can you walk
away from something
and still come back to it?

774

00:56:06,229 --> 00:56:08,230

Walk around the world.

775

00:56:08,315 --> 00:56:09,523

Small world.

776

00:56:09,607 --> 00:56:10,774

(FANFARE PLAYING)

777

00:56:10,859 --> 00:56:12,067

Hang on.

778

00:56:14,237 --> 00:56:15,654

(MOUSE SQUEAKING)

779

00:56:16,698 --> 00:56:19,199

Stop!

He's one of the circus mice!

780

00:56:20,410 --> 00:56:21,910

(SQUEAKING)

781

00:56:22,495 --> 00:56:23,746

(GASPS)

782

00:56:28,543 --> 00:56:31,378

I don't like rats
at the best of times,

783

00:56:31,463 --> 00:56:34,423

but this one was
sounding an alarm.

784

00:56:37,344 --> 00:56:38,719

Good kitty.

785

00:57:15,715 --> 00:57:20,677

They say even
the proudest spirit
can be broken with love.

786

00:57:24,224 --> 00:57:25,432

(CHUCKLES)

787

00:57:25,517 --> 00:57:29,436

Of course, chocolate
never hurts. Like one?

788

00:57:30,772 --> 00:57:34,233

They're cocoa beetles
from Zanzibar.

789

00:57:36,069 --> 00:57:37,486

(EXCLAIMS IN DISGUST)

790

00:57:37,779 --> 00:57:42,574

I want to be with
my real mom and dad.

791

00:57:42,992 --> 00:57:45,244

I want you to let me go.

792

00:57:46,996 --> 00:57:49,373

Is that any way to
talk to your mother?

793

00:57:49,457 --> 00:57:52,000

You aren't my mother.

794

00:57:52,085 --> 00:57:56,255

Apologize at once, Coraline!

795

00:57:57,215 --> 00:57:58,257

No!

796

00:57:59,634 --> 00:58:02,386

I'll give you to

the count of three.

797

00:58:04,347 --> 00:58:05,556

One.

798

00:58:06,850 --> 00:58:08,308

Two.

799

00:58:10,812 --> 00:58:11,812

Three!

800

00:58:11,896 --> 00:58:13,063

Ow!

801

00:58:13,148 --> 00:58:16,859

What are you doing?

Ow! That hurts!

802

00:58:20,155 --> 00:58:23,949

You may come out

when you've learned

to be a loving daughter.

803

00:58:25,535 --> 00:58:26,910

(SCREAMS)

804

00:58:27,036 --> 00:58:28,996

(PANTING)

805

00:58:32,876 --> 00:58:34,126

(GHOSTLY MOANING)

806

00:58:34,836 --> 00:58:35,961

(GASPS)

807

00:58:36,045 --> 00:58:37,504

Who's there?

808

00:58:38,089 --> 00:58:40,549

TALL GIRL GHOST: Hush!

And shush.

809

00:58:40,717 --> 00:58:43,218

For the beldam

might be listening.

810

00:58:44,721 --> 00:58:47,764

You... You mean

the other mother?

811

00:58:59,194 --> 00:59:00,569

Who are you?

812

00:59:01,905 --> 00:59:04,656

Don't remember our names,

813

00:59:04,741 --> 00:59:07,910

but I 'member my true mommy.

814

00:59:09,412 --> 00:59:11,413

Why are you all here?

815

00:59:11,498 --> 00:59:13,040

GHOST CHILDREN: The beldam.

816

00:59:14,083 --> 00:59:18,921

She spied on
our lives through
the little doll's eyes.

817

00:59:19,506 --> 00:59:22,591

And saw that
we weren't happy.

818

00:59:23,218 --> 00:59:27,179

So she lured us
away with treasures.
And treats.

819

00:59:27,263 --> 00:59:29,348

SWEET GIRL GHOST:
And games to play.

820

00:59:29,432 --> 00:59:31,683

BOY GHOST:

Gave all that we asked.

821

00:59:31,768 --> 00:59:34,228

SWEET GIRL GHOST:

Yet we still wanted more.

822

00:59:34,938 --> 00:59:38,106

TALL GIRL GHOST: So we

let her sew the buttons.

823

00:59:41,611 --> 00:59:43,946

BOY GHOST:

She said that she loved us.

824

00:59:44,364 --> 00:59:46,532

But she

locked us here.

825

00:59:46,616 --> 00:59:49,952

GHOST CHILDREN:

And ate up our lives.

826

00:59:53,039 --> 00:59:57,042

Well, she can't keep me
in the dark forever.

827

00:59:57,877 --> 01:00:00,295

Not if she wants
to win my life.

828

01:00:01,756 --> 01:00:04,591

Beating her is
my only chance.

829

01:00:05,426 --> 01:00:08,387

Perhaps, if you do
win your escape,

830

01:00:08,471 --> 01:00:10,556

you could find our eyes.

831

01:00:11,140 --> 01:00:12,891

Has she taken those, too?

832

01:00:12,976 --> 01:00:15,727

Yes, miss.

And hidden them.

833

01:00:15,812 --> 01:00:19,314

BOY GHOST: Find our eyes,
mistress, and our souls
will be freed.

834

01:00:21,442 --> 01:00:22,651

I...

835

01:00:22,819 --> 01:00:24,069

I'll try.

836

01:00:24,862 --> 01:00:26,113

(GASPS)

837

01:00:26,447 --> 01:00:29,449

(CORALINE GRUNTING)

838

01:00:31,828 --> 01:00:32,995

Wybie?

839

01:00:34,664 --> 01:00:35,914

(CORALINE GASPS)

840

01:00:36,249 --> 01:00:38,166

Did she do this to you?

841

01:00:44,424 --> 01:00:46,341

I hope that feels...

Shh!

842

01:00:51,848 --> 01:00:52,973

(CORALINE GRUNTS)

843

01:00:53,349 --> 01:00:55,684

OTHER MOTHER:

Coraline? Is that you?

844

01:00:55,768 --> 01:00:57,019

Let's go!

845

01:01:00,565 --> 01:01:02,441

OTHER MOTHER: Coraline!

846

01:01:03,735 --> 01:01:06,028

Come on!

She'll hurt you again.

847

01:01:11,451 --> 01:01:13,035

OTHER MOTHER: Coraline!

848

01:01:13,119 --> 01:01:14,995

How dare you

disobey your mother!

849

01:01:17,206 --> 01:01:18,915

(GASPS)

850

01:01:19,083 --> 01:01:20,459

OTHER MOTHER: Coraline!

851

01:01:24,881 --> 01:01:27,049

(PANTING)

852

01:01:35,350 --> 01:01:37,559

I'm home!

853

01:01:40,647 --> 01:01:42,105

Anybody here?

854

01:01:44,525 --> 01:01:46,485

Hello? Hello, hello!

855

01:01:47,278 --> 01:01:48,820

Real Dad?

856

01:01:50,156 --> 01:01:51,490

Real Mom?

857

01:01:52,116 --> 01:01:53,909

Oh, Mom's groceries!

858

01:01:56,537 --> 01:01:57,621

Ugh!

859

01:01:57,705 --> 01:01:59,790

(FLIES BUZZING)

That's disgusting.

860

01:01:59,916 --> 01:02:01,249

(DOORBELL RINGING)

861

01:02:02,585 --> 01:02:05,420

I missed you guys so much,
you'll never...

862

01:02:06,631 --> 01:02:09,132

Oh. The Wybie that talks.

863

01:02:09,217 --> 01:02:10,217

Huh?

864

01:02:11,260 --> 01:02:15,722

Yeah, so, you know
that old doll I gave you?

865

01:02:16,015 --> 01:02:17,140

Um...

866

01:02:17,225 --> 01:02:18,475

My grandma's real mad.

867

01:02:18,559 --> 01:02:20,560

Says it was her sister's.

868

01:02:20,645 --> 01:02:21,853

The one that disappeared.

869

01:02:21,938 --> 01:02:24,189

You stole that doll,
didn't you?

870

01:02:24,273 --> 01:02:27,025

Well, it looked just
like you, and I figured...

871

01:02:27,110 --> 01:02:31,196

It used to look
like this pioneer girl,
then Huck Finn Jr.,

872

01:02:31,280 --> 01:02:33,031

then it was this

Little Rascals chick

873

01:02:33,116 --> 01:02:35,701

with all these

ribbons and braids and...

874

01:02:35,785 --> 01:02:37,869

Grandma's missing sister.

875

01:02:37,995 --> 01:02:40,122

I think I just met her.

Come on.

876

01:02:41,582 --> 01:02:43,875

Listen, I'm really

not supposed to...

877

01:02:43,960 --> 01:02:45,001

Whoa!

878

01:02:49,424 --> 01:02:50,966

She's in there.

879

01:02:53,177 --> 01:02:55,554

Can you...

Can you unlock it?

880

01:02:55,638 --> 01:02:56,972

Not in a million years.

881

01:02:57,140 --> 01:02:58,473

But it wouldn't matter.

882

01:02:58,558 --> 01:03:00,308

She can't escape

without her eyes.

883

01:03:00,476 --> 01:03:02,227

None of the ghosts can.

884

01:03:02,729 --> 01:03:03,895

(EXCLAIMS IN DISBELIEF)

885

01:03:03,980 --> 01:03:07,482

Yeah. So I really
need to get that doll.

886

01:03:07,775 --> 01:03:10,152

Great! I'd love to
get rid of it.

887

01:03:11,654 --> 01:03:14,364

Where are you hiding,
you little monster?

888

01:03:14,449 --> 01:03:15,866

You and Grandma been talking?

889

01:03:15,950 --> 01:03:17,576

The doll's her spy.

890

01:03:17,660 --> 01:03:21,079

It's how she watches you,
finds out what's wrong
with your life.

891

01:03:21,164 --> 01:03:23,415

The doll is my grandma's spy?

892

01:03:23,499 --> 01:03:25,083

No. The other mother.

893

01:03:25,168 --> 01:03:27,753

She's got this whole world
where everything's better.

894

01:03:27,837 --> 01:03:30,922

The food, the garden,
the neighbors.

895

01:03:31,007 --> 01:03:33,508

But it's all a trap.

896

01:03:34,677 --> 01:03:37,971

Yeah, I think I heard
someone calling me, Jonesy.

897

01:03:38,055 --> 01:03:40,932

Don't believe me?

You can ask the cat.

898

01:03:41,017 --> 01:03:42,184

The cat?

899

01:03:42,268 --> 01:03:45,020

I'll just tell Grandma

that you couldn't

find the doll.

900

01:03:45,104 --> 01:03:46,146

Ow!

901

01:03:46,230 --> 01:03:47,689

You're not listening to me!

902

01:03:47,774 --> 01:03:50,609

That's 'cause you're crazy!

903

01:03:50,693 --> 01:03:52,110

(WYBIE SCREAMING)

904

01:03:52,195 --> 01:03:53,904

(CORALINE SCREAMING
IN FRUSTRATION)

905

01:03:54,405 --> 01:03:56,114

(PANTING)

906

01:03:56,199 --> 01:03:57,240

CORALINE: You creep!

907

01:03:57,325 --> 01:03:58,533

Crazy!

908

01:03:58,618 --> 01:03:59,659

CORALINE: Crazy?

909

01:03:59,744 --> 01:04:02,704

You're the jerk wad
that gave me the doll!

910

01:04:03,873 --> 01:04:05,248

Mom! Dad!

911

01:04:11,798 --> 01:04:12,923

(PHONE RINGING)

912

01:04:13,007 --> 01:04:15,509

Pick it up, Dad. Pick it up.

913

01:04:17,720 --> 01:04:19,429

DAD ON ANSWERING

MACHINE: Hi!

Dad! Where...

914

01:04:19,514 --> 01:04:21,139

I'm digging in

my garden right now,

915

01:04:21,224 --> 01:04:23,975

but leave a message

and I'll get

right back to you.

916

01:04:24,060 --> 01:04:25,936

Where have you gone?

917

01:04:29,357 --> 01:04:30,982

(WHIMPERS)

918

01:04:32,443 --> 01:04:33,693

(SPINK GRUNTS)

919

01:04:33,778 --> 01:04:36,947

Uh... Don't you only
make wings for the dead ones?

920

01:04:37,031 --> 01:04:38,990

Just looking ahead, dear.

921

01:04:39,075 --> 01:04:41,618

Angus hasn't been
feeling very well of late.

922

01:04:41,702 --> 01:04:43,829

FORCIBLE: April?
Aren't you getting ready?

923

01:04:43,913 --> 01:04:46,081

We've lost our ride, Miriam.

924

01:04:46,165 --> 01:04:49,668

Caroline says

her parents have vanished

quite completely.

925

01:04:49,752 --> 01:04:50,877

What?

926

01:04:50,962 --> 01:04:53,380

We've waited months

for those tickets.

927

01:04:53,464 --> 01:04:55,423

I suppose we could walk.

928

01:04:55,508 --> 01:04:57,175

With your gammy legs?

929

01:04:57,260 --> 01:05:00,095

It's nearly two

miles to the theater.

930

01:05:01,055 --> 01:05:02,430

(CLEARS THROAT)

931

01:05:03,516 --> 01:05:06,768

Oh, yes.

Your missing parents.

932

01:05:07,562 --> 01:05:09,604

SPINK: We know

just what you need.

933

01:05:10,189 --> 01:05:12,691

Miriam, get...

That's right.

934

01:05:15,820 --> 01:05:17,779

How is 100-year-old

candy gonna help?

935

01:05:17,864 --> 01:05:18,864

(DOGS WHIMPERING)

936

01:05:19,323 --> 01:05:20,740

(SCREAMING)

937

01:05:31,544 --> 01:05:33,420

There you go, sweetie.

938

01:05:34,964 --> 01:05:36,047

What's it for?

939

01:05:36,132 --> 01:05:37,549

Well, it might help.

940

01:05:37,633 --> 01:05:39,885

They're good for

bad things sometimes.

941

01:05:39,969 --> 01:05:43,013

No. They're good

for lost things.

942

01:05:43,097 --> 01:05:45,223

SPINK: It's

bad things, Miriam.

943

01:05:45,308 --> 01:05:47,684

Lost things, April.

Bad.

944

01:05:47,810 --> 01:05:49,603

Lost.

(WHISPERS) Bad things.

945

01:05:49,687 --> 01:05:53,023

Lost.

Bad.

946

01:05:53,107 --> 01:05:54,232

Lost!

947

01:06:21,886 --> 01:06:23,511

Good night, Mom.

948

01:06:24,430 --> 01:06:26,014

Good night, Dad.

949

01:06:28,517 --> 01:06:29,684

(SNIFFLES)

950

01:06:30,353 --> 01:06:32,687

(SOBBING)

951

01:06:46,160 --> 01:06:47,869

(CAT PURRING)

952

01:06:56,253 --> 01:06:58,546

CORALINE: Hello.

How did you get in?

953

01:07:00,091 --> 01:07:02,550

Do you know where

Mom and Dad are?

954

01:07:14,188 --> 01:07:15,188

(GASPS)

955

01:07:15,272 --> 01:07:17,440

Mom? Dad!

956

01:07:18,943 --> 01:07:20,568

(GLASS SQUEAKING)

957

01:07:26,659 --> 01:07:27,951

(GASPS)

958

01:07:28,077 --> 01:07:29,577

(GRUNTING)

959

01:07:29,662 --> 01:07:30,912

(SCREAMS)

960

01:07:31,747 --> 01:07:33,289

(PANTING)

961

01:07:35,960 --> 01:07:37,252

(MEOWS)

962

01:07:37,628 --> 01:07:39,462

How did this happen?

963

01:07:46,846 --> 01:07:49,180

(CORALINE GASPS)

964

01:07:50,891 --> 01:07:52,517

She's taken them.

965

01:08:31,807 --> 01:08:33,975

They're not

coming back, are they?

966

01:08:34,060 --> 01:08:35,643

Mom and Dad.

967

01:08:36,270 --> 01:08:37,937

Not on their own.

968

01:08:39,982 --> 01:08:41,775

Only one thing to do.

969

01:08:56,916 --> 01:08:58,333

(CLATTERING)

970

01:09:13,390 --> 01:09:17,185

You know,
you're walking
right into her trap.

971

01:09:17,978 --> 01:09:19,771

I have to go back.

972

01:09:20,940 --> 01:09:22,774

They are my parents.

973

01:09:24,527 --> 01:09:26,361

Challenge her, then.

974

01:09:26,445 --> 01:09:29,614

She may not play fair,
but she won't refuse.

975

01:09:29,698 --> 01:09:32,200

She's got a thing for games.

976

01:09:32,868 --> 01:09:34,119

Hmm.

977

01:09:34,620 --> 01:09:35,954

Okay.

978

01:09:37,206 --> 01:09:38,581

(WIND WHISTLES)

979

01:09:39,875 --> 01:09:40,959

OTHER MOTHER: Coraline?

980

01:09:41,043 --> 01:09:42,460

Mom?

981

01:09:42,545 --> 01:09:45,296

Coraline!

You came back for us.

982

01:09:45,381 --> 01:09:46,548

Mom!

983

01:09:49,677 --> 01:09:53,012

Darling, why would
you run away from me?

984

01:09:54,014 --> 01:09:55,223

(GASPS)

985

01:09:56,100 --> 01:09:57,517

(LAUGHING)

986

01:09:58,894 --> 01:10:00,311

Where are my parents?

987

01:10:00,396 --> 01:10:04,440

Gosh, I have no idea
where your old parents are.

988

01:10:04,525 --> 01:10:07,485

Perhaps they've
grown bored of you
and run away to France.

989

01:10:07,570 --> 01:10:09,988

They weren't bored of me.

You stole them!

990

01:10:10,072 --> 01:10:12,991

Now, don't be
difficult, Coraline.

991

01:10:13,075 --> 01:10:15,076

Have a seat, won't you?

992

01:10:15,911 --> 01:10:18,746

(GARBLED CHATTERING)

993

01:10:24,545 --> 01:10:26,296

(RAT SQUEAKING)

994

01:10:27,756 --> 01:10:29,174

Mmm.

995

01:10:34,763 --> 01:10:36,598

Why don't you
have your own key?

996

01:10:36,682 --> 01:10:38,725

(GARBLED) Only one key.

997

01:10:38,809 --> 01:10:39,934

Shh!

998

01:10:40,019 --> 01:10:43,605

The garden squash

need tending,

don't you think, pumpkin?

999

01:10:43,898 --> 01:10:48,067

(GARBLED) Squish-squash,

pumpkin sauce.

1000

01:10:49,570 --> 01:10:51,404

(GLASS SQUEAKING)

1001

01:10:51,614 --> 01:10:52,822

Mom?

1002

01:10:53,741 --> 01:10:54,991

Dad?

1003

01:10:55,117 --> 01:10:56,492

(GLASS SQUEAKING CONTINUES)

1004

01:10:56,577 --> 01:10:57,619

Where'd she hide you?

1005

01:10:57,703 --> 01:10:58,870

(BELL TINKLING)

1006

01:10:58,954 --> 01:11:00,496

OTHER MOTHER: Breakfast time!

1007

01:11:06,545 --> 01:11:08,463

CORALINE: Be strong, Coraline.

1008

01:11:09,340 --> 01:11:11,758

(OTHER MOTHER HUMMING)

1009

01:11:23,145 --> 01:11:25,855

Why don't we play a game?

1010

01:11:26,690 --> 01:11:27,941

I know you like them.

1011

01:11:28,025 --> 01:11:29,943

Everybody likes games.

1012

01:11:30,569 --> 01:11:31,986

Uh-huh.

1013

01:11:32,071 --> 01:11:34,155

What kind of
game would it be?

1014

01:11:34,240 --> 01:11:37,575

An exploring game.
A finding things game.

1015

01:11:38,494 --> 01:11:41,496

And what is it you'd
be finding, Coraline?

1016

01:11:41,997 --> 01:11:43,581

My real parents.

1017

01:11:44,166 --> 01:11:45,416

Too easy.

1018

01:11:45,501 --> 01:11:48,169

And the eyes of
the ghost children.

1019

01:11:49,797 --> 01:11:50,922

Huh.

1020

01:11:51,173 --> 01:11:53,466

What if you
don't find them?

1021

01:11:53,550 --> 01:11:57,512

If I lose, I'll stay
here with you forever
and let you love me.

1022

01:11:58,013 --> 01:11:59,472

(CORALINE SIGHS)

1023

01:11:59,723 --> 01:12:02,642

And I'll let you sew
buttons into my eyes.

1024

01:12:02,935 --> 01:12:04,143

Hmm.

1025

01:12:04,228 --> 01:12:07,772

And if you
somehow win this game?

1026

01:12:07,856 --> 01:12:10,441

Then you let me go.
You let everyone go.

1027

01:12:10,526 --> 01:12:12,110

My real father and mother,

1028

01:12:12,194 --> 01:12:14,862

the dead children,
everyone you've trapped here.

1029

01:12:15,030 --> 01:12:16,197

(EXCLAIMS)

1030

01:12:16,532 --> 01:12:17,782

Deal.

1031

01:12:18,575 --> 01:12:20,702

Not till you give me a clue.

1032

01:12:21,370 --> 01:12:22,954

Oh, right.

1033

01:12:23,914 --> 01:12:27,792

In each of three wonders

I've made just for you,

1034

01:12:27,876 --> 01:12:31,296

a ghost's eye is

lost in plain sight.

1035

01:12:33,048 --> 01:12:34,757

And for my parents?

1036

01:12:34,883 --> 01:12:36,551

(CHUCKLES)

1037

01:12:38,554 --> 01:12:40,388

Fine. Don't tell me.

1038

01:12:41,515 --> 01:12:42,849

(SIGHS)

1039

01:12:43,767 --> 01:12:45,226

It's a deal.

1040

01:12:51,108 --> 01:12:52,442

(SIGHS)

1041

01:12:53,402 --> 01:12:56,487

What does she mean,

"wonders?"

1042

01:13:02,995 --> 01:13:04,078

Hmm.

1043

01:13:15,591 --> 01:13:16,966

(CROAKS)

1044

01:13:20,012 --> 01:13:21,346

Ugh!

1045

01:13:35,277 --> 01:13:36,527

No!

1046

01:13:40,991 --> 01:13:42,116

(GRUNTS)

1047

01:13:52,961 --> 01:13:55,088

(BUZZING)

1048

01:13:57,633 --> 01:13:58,758

Stop!

1049

01:14:16,026 --> 01:14:17,819

Why steal this?

1050

01:14:18,946 --> 01:14:19,946

(CORALINE GASPS)

1051

01:14:20,906 --> 01:14:22,073

Wow!

1052

01:14:30,082 --> 01:14:31,666

That must be it!

1053

01:14:36,004 --> 01:14:37,839

(GARBLED) Sorry.

1054

01:14:39,174 --> 01:14:43,845

So sorry.

Mother making me.

1055

01:14:44,721 --> 01:14:48,516

Don't wanna hurt you!

1056

01:14:56,442 --> 01:14:58,526

Take it!

1057

01:15:08,871 --> 01:15:10,371

(PANTING)

1058

01:15:11,832 --> 01:15:14,375

Bless you, miss.

You found me!

1059

01:15:14,668 --> 01:15:17,128

But there's two

eyes still lost.

1060

01:15:18,547 --> 01:15:21,466

Don't worry.

I'm getting the hang of it.

1061

01:15:31,518 --> 01:15:33,936

(OTHER SPINK SINGING)

1062

01:16:00,714 --> 01:16:01,881

(RUSTLING)

1063

01:16:07,554 --> 01:16:09,138

(GROWLS)

1064

01:16:46,593 --> 01:16:48,135

The pearl.

1065

01:16:49,930 --> 01:16:51,013

(SCREAMS)

1066

01:16:51,098 --> 01:16:52,139

Thief!

Thief!

1067

01:16:52,224 --> 01:16:54,225

Give it back!

Give it back!

1068

01:16:54,309 --> 01:16:55,393

Thief!

Thief!

1069

01:16:55,477 --> 01:16:56,727

OTHER SPINK: Give it back!

1070

01:16:56,812 --> 01:16:59,397

Thief!

Thief!

1071

01:16:59,481 --> 01:17:00,856

Give it back!

Thief!

1072

01:17:00,941 --> 01:17:02,483

Thief!

Give it back!

1073

01:17:02,568 --> 01:17:03,609

Give it back!

Thief!

1074

01:17:03,694 --> 01:17:05,528

Give it back!

Give it back!

1075

01:17:05,612 --> 01:17:06,779

Thief!

1076

01:17:08,407 --> 01:17:09,532

Thief!

Thief!

1077

01:17:09,616 --> 01:17:12,076

Stop! Stop! Thief! Thief!

1078

01:17:12,160 --> 01:17:13,703

OTHER FORCIBLE:

Thief! Stop!

1079

01:17:21,253 --> 01:17:24,880

Hurry on, girl.

Her web is unwinding.

1080

01:17:41,356 --> 01:17:43,024

Oh, Wybie.

1081

01:17:43,859 --> 01:17:47,737

Evil witch! I'm not scared!

1082

01:17:50,032 --> 01:17:51,032

(CREAKING)

1083

01:18:04,671 --> 01:18:08,341

Hello, galoobooshka.

1084

01:18:08,425 --> 01:18:10,009

I'm Coraline.

1085

01:18:11,219 --> 01:18:15,222

Is this what
you're looking for?

1086

01:18:16,642 --> 01:18:17,975

Uh-huh.

1087

01:18:18,393 --> 01:18:21,937

You think winning
game is good thing?

1088

01:18:24,983 --> 01:18:29,695

You'll just go home and
be bored and neglected,

1089

01:18:29,780 --> 01:18:35,493

same as always.

Stay here with us.

1090

01:18:35,952 --> 01:18:40,623

We will listen to you

and laugh with you.

1091

01:18:49,257 --> 01:18:54,929

If you stay here, you

can have whatever you want.

1092

01:18:56,264 --> 01:18:57,848

Always!

1093

01:18:58,684 --> 01:19:00,643

You don't get it, do you?

1094

01:19:00,727 --> 01:19:03,270

I don't understand.

1095

01:19:03,939 --> 01:19:05,856

Of course you
don't understand.

1096

01:19:05,941 --> 01:19:08,484

You're just a copy she made
of the real Mr. B.

1097

01:19:08,568 --> 01:19:13,072

(DISTORTED)

Not even that anymore.

1098

01:19:14,282 --> 01:19:15,449

(SQUEAKS)

1099

01:19:18,453 --> 01:19:19,620

(GASPS)

1100

01:19:27,796 --> 01:19:28,879

No!

1101

01:19:28,964 --> 01:19:30,339

(SCREAMING)

1102

01:19:31,258 --> 01:19:32,466

(GRUNTS)

1103

01:19:37,347 --> 01:19:46,605

No!

1104

01:19:47,315 --> 01:19:48,399

(GROANS)

1105

01:20:08,044 --> 01:20:11,505

Oh, God. I've lost the game.

1106

01:20:11,590 --> 01:20:13,424

I've lost everything.

1107

01:20:14,968 --> 01:20:16,802

(SOBBING)

1108

01:20:20,056 --> 01:20:21,265

(CAT MEOWS)

1109

01:20:23,518 --> 01:20:27,855

I think I mentioned
that I don't like rats
at the best of times.

1110

01:20:29,649 --> 01:20:32,610

I think you might have said
something like that.

1111

01:20:32,694 --> 01:20:35,613

It looked like you
needed this one, however.

1112

01:20:37,032 --> 01:20:38,365

Thank you.

1113

01:20:43,789 --> 01:20:45,247

I'm heading inside.

1114

01:20:45,332 --> 01:20:47,041

I still have to
find my parents.

1115

01:21:12,901 --> 01:21:14,735

Come on, quickly!

1116

01:21:55,986 --> 01:21:56,986

(CAT GROWLS)

1117

01:21:58,029 --> 01:22:00,990

So you're back.

1118

01:22:01,950 --> 01:22:04,410

And you brought

vermin with you.

1119

01:22:04,494 --> 01:22:05,578

(MEOWS)

1120

01:22:05,662 --> 01:22:07,788

No. I...

1121

01:22:09,291 --> 01:22:11,083

I brought a friend.

1122

01:22:11,751 --> 01:22:15,004

You know I love you.

1123

01:22:16,464 --> 01:22:17,965

(SIGHS)

1124

01:22:19,467 --> 01:22:23,012

You have a very
funny way of showing it.

1125

01:22:24,639 --> 01:22:29,059

So where are they?

The ghost eyes?

1126

01:22:34,482 --> 01:22:39,403

Hold on. We aren't
finished yet. Are we?

1127

01:22:39,487 --> 01:22:41,780

No, I suppose not.

1128

01:22:41,865 --> 01:22:47,828

After all,
you still need to find
your old parents, don't you?

1129

01:22:49,164 --> 01:22:52,708

Too bad you won't have this.

1130

01:23:03,511 --> 01:23:04,720

Be clever, miss.

1131

01:23:04,804 --> 01:23:07,389

Even if you win,
she'll never let you go!

1132

01:23:16,191 --> 01:23:18,943

I already know where
you've hidden them.

1133

01:23:19,027 --> 01:23:20,235

(CHUCKLES)

1134

01:23:20,695 --> 01:23:23,322

Well, produce them.

1135

01:23:25,158 --> 01:23:27,284

They're behind that door.

1136

01:23:27,369 --> 01:23:30,245

Oh, they are, are they?

1137

01:23:38,213 --> 01:23:39,463

(GLASS SQUEAKING)

1138

01:23:41,299 --> 01:23:42,508

(WHISPERS) There.

1139

01:23:45,345 --> 01:23:47,096

Mom. Dad.

1140

01:23:47,430 --> 01:23:48,889

(OTHER MOTHER COUGHING)

1141

01:23:52,143 --> 01:23:56,605

Go on. Open it.

They'll be there, all right.

1142

01:23:58,400 --> 01:24:03,487

You're wrong, Coraline.

They aren't there.

1143

01:24:05,573 --> 01:24:10,703

Now you're going to

stay here forever.

1144

01:24:11,538 --> 01:24:14,623

No, I'm not!

1145

01:24:14,708 --> 01:24:16,250

(CAT SCREECHING)

1146

01:24:16,668 --> 01:24:17,918

(OTHER MOTHER SCREAMS)

1147

01:24:19,587 --> 01:24:20,754

(CAT SCREECHING)

1148

01:24:27,637 --> 01:24:28,762

OTHER MOTHER: No!

1149

01:24:30,598 --> 01:24:31,682

(MEOWS)

1150

01:24:31,808 --> 01:24:34,351

You horrible cheating girl!

1151

01:24:35,603 --> 01:24:36,770

(GASPS)

1152

01:24:36,980 --> 01:24:38,105

(SCREAMS)

1153

01:24:38,481 --> 01:24:40,232

(OTHER MOTHER CACKLING)

1154

01:24:43,111 --> 01:24:44,486

(MEOWING)

1155

01:24:45,905 --> 01:24:47,781

(OTHER MOTHER CACKLING)

1156

01:24:52,829 --> 01:24:56,749

No! Where are you?

1157

01:24:56,833 --> 01:24:59,001

You selfish brat!

1158

01:25:02,881 --> 01:25:04,131

(GRUNTS)

1159

01:25:09,471 --> 01:25:10,804

(LAUGHING)

1160

01:25:16,436 --> 01:25:19,229

You dare

disobey your mother?

1161

01:25:19,314 --> 01:25:20,647

(CORALINE GRUNTS)

1162

01:25:22,484 --> 01:25:23,776

(GROWLING)

1163

01:25:25,695 --> 01:25:26,862

Please shut it!

1164

01:25:26,946 --> 01:25:28,614

(SCREAMING)

1165

01:25:29,032 --> 01:25:30,532

(GRUNTING)

1166

01:25:39,167 --> 01:25:41,502

(OTHER MOTHER SCREAMING)

1167

01:25:42,545 --> 01:25:46,131

OTHER MOTHER: Don't leave me!

Don't leave me!

1168

01:25:46,216 --> 01:25:49,009

I'll die without you!

1169

01:25:53,515 --> 01:25:54,640

(SCREAMS)

1170

01:25:54,808 --> 01:25:56,433

(PANTING)

1171

01:26:08,905 --> 01:26:10,197

(EXCLAIMS)

1172

01:26:19,082 --> 01:26:20,290

(DOOR OPENING)

1173

01:26:20,375 --> 01:26:21,625

MOM: Coraline, we're home.

1174

01:26:21,709 --> 01:26:23,919

Mom! Dad!

I missed you so much!

1175

01:26:24,003 --> 01:26:25,087

(CHUCKLES)

1176

01:26:25,171 --> 01:26:26,171

Missed us?

1177

01:26:26,256 --> 01:26:29,216

Oh, no. You broke my
favorite snow globe.

1178

01:26:29,300 --> 01:26:30,467

I didn't break it.

1179

01:26:30,552 --> 01:26:32,136

It must've broke
when you escaped.

1180

01:26:32,220 --> 01:26:33,303

And cut your knee.

1181

01:26:33,388 --> 01:26:36,014

Coraline, I asked you
to count all the windows,

1182

01:26:36,099 --> 01:26:37,641

not put your knee
through them.

1183

01:26:37,725 --> 01:26:38,809

But...

1184

01:26:38,893 --> 01:26:41,019

Well, get yourself

cleaned up.

We're going out tonight.

1185

01:26:41,104 --> 01:26:42,146

(EXCLAIMS)

1186

01:26:42,230 --> 01:26:44,148

We got a lot to celebrate.

1187

01:26:44,399 --> 01:26:47,484

You're talking about

your garden catalog?

1188

01:26:48,027 --> 01:26:50,445

Of course. What else?

1189

01:26:50,530 --> 01:26:53,115

CORALINE: But look at
the snow on your...

1190

01:26:53,199 --> 01:26:55,576

What's gotten
into you, Coraline?

1191

01:27:06,212 --> 01:27:08,380

(DAD EXCLAIMING)

1192

01:27:08,756 --> 01:27:10,174

(CORALINE LAUGHING)

1193

01:27:11,009 --> 01:27:12,509

So, gonna
order the tulips?

1194

01:27:12,594 --> 01:27:13,677

What's that?

1195

01:27:13,761 --> 01:27:15,345

For the garden party?

1196

01:27:15,430 --> 01:27:17,931

I have no idea what
you're talking about.

1197

01:27:18,016 --> 01:27:21,852

Dad! So, Ma, invitations?

1198

01:27:21,936 --> 01:27:23,270

Don't forget
the invitations.

1199

01:27:23,354 --> 01:27:24,855

Even Bobinsky?

1200

01:27:24,939 --> 01:27:29,443

Mr. B.'s not drunk,
Mom. He's just eccentric.

1201

01:27:29,527 --> 01:27:30,861

(LAUGHING)

1202

01:27:31,279 --> 01:27:33,113

Good night, Coraline.

1203

01:27:49,756 --> 01:27:51,006

(MEOWS)

1204

01:27:52,634 --> 01:27:53,967

Oh.

1205

01:27:54,469 --> 01:27:55,594

Hello again.

1206

01:27:56,804 --> 01:27:58,305

You still mad?

1207

01:27:59,474 --> 01:28:03,310

I'm really sorry

I threw you at her,

the other mother.

1208

01:28:04,520 --> 01:28:06,772

It was all I could think of.

1209

01:28:20,787 --> 01:28:23,413

I think it's time,
don't you?

1210

01:28:24,290 --> 01:28:25,999

To set them free?

1211

01:28:48,856 --> 01:28:51,900

It's a fine, fine thing
you did for us, miss.

1212

01:28:52,527 --> 01:28:55,445

Well, I'm glad
it's finally over.

1213

01:28:57,031 --> 01:29:00,450

It is over and
done with for us.

1214

01:29:00,952 --> 01:29:02,452

What about me?

1215

01:29:02,537 --> 01:29:04,621

You're in
terrible danger, girl!

1216
01:29:04,706 --> 01:29:07,291
But how? I locked the door!

1217
01:29:07,375 --> 01:29:08,959
It's the key, miss.

1218
01:29:09,043 --> 01:29:11,336
There's only one,
and the beldam will find it.

1219
01:29:13,172 --> 01:29:15,340
'Tain't all bad, miss.

1220
01:29:16,009 --> 01:29:20,637
Thou art alive.
Thou art still living.

1221
01:29:28,438 --> 01:29:29,646
(GASPS)

1222

01:29:31,607 --> 01:29:35,235

I gotta hide this somewhere,
somewhere she can never...

1223

01:29:41,409 --> 01:29:42,576

(MEOWS)

1224

01:29:43,077 --> 01:29:44,578

Out of my way!

1225

01:29:59,886 --> 01:30:05,307

CORALINE: (SINGING)

Oh, my twitchy-witchy girl

I think you are so nice

1226

01:30:05,391 --> 01:30:10,645

I give you bowls of porridge

and I give you

bowls of ice cream

1227

01:30:12,273 --> 01:30:14,858

I give you lots of kisses

1228

01:30:16,444 --> 01:30:18,570

And I give you lots of hugs

1229

01:30:19,530 --> 01:30:21,740

But I never

give you sandwiches

1230

01:30:21,824 --> 01:30:24,201

With grease and

worms and mung...

1231

01:30:24,285 --> 01:30:25,577

(GRUNTS)

1232

01:30:25,661 --> 01:30:26,953

...beans

1233

01:30:37,632 --> 01:30:38,715

(SCREAMS)

1234

01:30:43,012 --> 01:30:44,012

(POUNDING)

1235

01:30:46,682 --> 01:30:48,809

(HORN HONKING)

1236

01:30:49,352 --> 01:30:50,811

(SHOUTING)

1237

01:30:55,650 --> 01:30:57,192

(COUGHING)

1238

01:31:02,824 --> 01:31:03,949

(SCREAMING)

1239

01:31:06,786 --> 01:31:07,786

(GASPS)

1240

01:31:09,831 --> 01:31:11,748

(GRUNTING)

1241

01:31:13,543 --> 01:31:14,709

(SCREAMS)

1242

01:31:15,545 --> 01:31:16,837

(CORALINE EXCLAIMS)

1243

01:31:20,508 --> 01:31:21,716

(SCREAMS)

1244

01:31:24,679 --> 01:31:26,346

(PANTING)

1245

01:31:40,570 --> 01:31:41,862

(BOTH GRUNT)

1246

01:31:46,617 --> 01:31:48,118

(SPLASHING)

1247

01:31:55,877 --> 01:31:56,877

(PANTING)

1248

01:31:58,045 --> 01:31:59,796

I'm really sorry

I didn't believe you

1249

01:31:59,881 --> 01:32:03,425

about all this

evil stuff, Coraline.

1250

01:32:05,094 --> 01:32:07,137

Why did you change your mind?

1251

01:32:07,221 --> 01:32:11,099

Well, Grandma showed me

this picture after

I called you crazy.

1252

01:32:12,393 --> 01:32:15,645

It's her and her sister,

before she disappeared.

1253

01:32:15,730 --> 01:32:17,564

The Sweet Ghost Girl.

1254

01:32:17,648 --> 01:32:21,318

LOVAT: Wyborne! Come home!

1255

01:32:22,445 --> 01:32:25,363

Oh, man.

What am I gonna tell her?

1256

01:32:26,199 --> 01:32:29,117

Just bring her by

the house tomorrow.

1257

01:32:29,202 --> 01:32:30,869

We can tell her together.

1258

01:32:30,953 --> 01:32:33,330

We... We can?

1259

01:32:33,414 --> 01:32:36,374

You know, I'm glad

you decided to stalk me.

1260

01:32:36,459 --> 01:32:37,667

(CHUCKLES)

1261

01:32:37,752 --> 01:32:38,835

(LAUGHS UNCERTAINLY)

1262

01:32:38,920 --> 01:32:40,003

It wasn't my idea.

1263

01:32:40,087 --> 01:32:41,087

(MEOWS)

1264

01:33:06,364 --> 01:33:09,199

CORALINE:

Thanks for helping me,

Miss Spink, Miss Forcible.

1265

01:33:09,283 --> 01:33:12,494

Oh, look, April.

Pink ladies!

1266

01:33:12,828 --> 01:33:14,538

Actually, it's just lemonade.

1267

01:33:14,956 --> 01:33:16,248

How's Angus doing?

1268

01:33:16,332 --> 01:33:21,127

Oh, much better, dear,
but he can't duck
his wings forever.

1269

01:33:21,963 --> 01:33:22,921

DAD: Here comes a burp.

1270

01:33:23,047 --> 01:33:24,548

(DAD BURPS)

MOM: Charlie!

1271

01:33:24,632 --> 01:33:28,552

Excusez-moi, but that pizza,
that was delicious.

1272

01:33:29,136 --> 01:33:30,303

CORALINE: Cold drinks?

1273

01:33:30,388 --> 01:33:31,721

Oh, yeah. Great.

1274

01:33:31,806 --> 01:33:35,308

You were right, Coraline.

I really hate dirt!

1275

01:33:35,977 --> 01:33:38,770

But the tulips look nice.

1276

01:33:38,854 --> 01:33:40,480

CORALINE: Thanks, Mom.

1277

01:33:42,275 --> 01:33:44,442

(BOBINSKY MUTTERING)

1278

01:33:45,861 --> 01:33:47,237

That is possible.

1279

01:33:47,321 --> 01:33:48,822

(CORALINE CLEARS THROAT)

1280

01:33:49,949 --> 01:33:51,992

CORALINE: How are
the mooshkas, Mr. B?

1281

01:33:52,076 --> 01:33:55,412

They tell me that you
are savior, Caroline.

1282

01:33:55,496 --> 01:33:57,080

And soon as they are ready,

1283

01:33:57,164 --> 01:34:00,584

they wish to give special
thanks you performance.

1284

01:34:00,668 --> 01:34:04,713

LOVAT: Wyborne,
I know where I'm going.

1285

01:34:04,797 --> 01:34:06,590

I grew up here.

1286

01:34:06,674 --> 01:34:08,425

CORALINE: Welcome, Miss Lovat!

1287

01:34:09,302 --> 01:34:11,511

Oh. Hello.

1288

01:34:13,014 --> 01:34:14,723

I'm Coraline Jones.

1289

01:34:14,849 --> 01:34:16,600

I've got so much to tell you.

1290

01:34:16,684 --> 01:34:18,977

MOM: Here.

DAD: Thanks.

1291

01:34:19,061 --> 01:34:21,104

SPINK: Do you want to pop
a little gin in it, dear?

1292

01:34:21,188 --> 01:34:22,522

FORCIBLE: Of course.

1293

01:34:36,287 --> 01:34:37,871

(PURRS)
