

Dialogues from Harold and The Purple Crayon to improve the vocabulary in English

1

00:01:10,638 --> 00:01:12,840

<i>Once there was a boy</i>

<i>named Harold,</i>

2

00:01:12,974 --> 00:01:15,275

<i>who went on an adventure.</i>

3

00:01:15,409 --> 00:01:18,211

<i>And he took</i>

<i>his purple crayon with him.</i>

4

00:01:18,345 --> 00:01:19,747

Aha!

5

00:01:19,881 --> 00:01:22,316

<i>He could draw</i>

<i>whatever he wanted.</i>

6

00:01:24,552 --> 00:01:27,555

<i>And sometimes,</i>
<i>that got him in over his head.</i>

7

00:01:28,990 --> 00:01:31,626

<i>But he always came up</i>
<i>thinking fast.</i>

8

00:01:33,561 --> 00:01:35,930

<i>And it was on</i>
<i>to the next adventure.</i>

9

00:01:38,231 --> 00:01:40,501

<i>He did what anyone</i>
<i>would do with a magic crayon.</i>

10

00:01:40,635 --> 00:01:43,771

<i>He made some pies,</i>
<i>and then he made some friends.</i>

11

00:01:43,905 --> 00:01:46,173

<i>He called them</i>
<i>Moose and Porcupine.</i>

12

00:01:46,306 --> 00:01:47,407

Come on, everybody.

13

00:01:47,542 --> 00:01:49,644

<i>For obvious reasons.</i>

14

00:01:51,345 --> 00:01:54,247

Not again!

15

00:01:55,717 --> 00:01:57,785

<i>They never left</i>

<i>each other's sides.</i>

16

00:01:57,919 --> 00:02:01,188

<i>Even when they got lost,</i>

<i>they always found each other.</i>

17

00:02:01,321 --> 00:02:02,957

<i>No matter where they were,</i>

18

00:02:03,091 --> 00:02:06,861

<i>Harold always remembered</i>

<i>where his bedroom window was.</i>

19

00:02:06,995 --> 00:02:08,763

<i>Right around the moon.</i>

20

00:02:12,299 --> 00:02:13,300

<i>Night, Harold.</i>

21

00:02:13,433 --> 00:02:14,869

Good night.

22

00:02:18,405 --> 00:02:19,373

<i>The end.</i>

23

00:02:19,507 --> 00:02:21,042

<i>Good night, folks.</i>

24

00:02:21,174 --> 00:02:23,878

<i>Just kidding! Of course</i>

<i>the story didn't end there.</i>

25

00:02:25,913 --> 00:02:27,115

Come on, everybody!

26

00:02:28,448 --> 00:02:30,450

I need to go down now!

27

00:02:30,585 --> 00:02:32,386

<i>His world got bigger.</i>

28

00:02:32,520 --> 00:02:35,590

<i>And so did his imagination.</i>

29

00:02:35,723 --> 00:02:37,859

You got that right, Narrator!

30

00:02:37,992 --> 00:02:40,028

My stomachs are sloshing around!

31

00:02:40,160 --> 00:02:42,563

-Harold, look out!

-What?

32

00:02:43,430 --> 00:02:44,498

Hey, everybody!

33

00:02:47,902 --> 00:02:51,338

<i>And he still got in</i>

<i>over his head.</i>

34

00:02:53,574 --> 00:02:55,409

<i>But he always came up</i>

<i>thinking fast.</i>

35

00:02:55,543 --> 00:02:57,244

Little help here!

36

00:02:58,278 --> 00:02:59,947

<i>Faster than that.</i>

37

00:03:01,149 --> 00:03:02,917

<i>-Harold!</i>

-I got it!

38

00:03:03,417 --> 00:03:04,786

Oh, hi!

39

00:03:04,919 --> 00:03:06,821

<i>With his purple crayon,</i>

40

00:03:06,954 --> 00:03:07,989

<i>anything was possible.</i>

41

00:03:08,122 --> 00:03:09,289

Gotcha!

42

00:03:10,992 --> 00:03:13,493

<i>-Oh, careful there.</i>

-Sorry, Moose.

43

00:03:16,164 --> 00:03:17,865

Hmmph.

44

00:03:17,999 --> 00:03:19,567

I've been thinking.

45

00:03:19,701 --> 00:03:22,235

If I drew you guys,
then who drew me?

46

00:03:23,437 --> 00:03:24,471

That's deep.

47

00:03:24,605 --> 00:03:25,940

<i>I drew you, Harold.</i>

48

00:03:26,074 --> 00:03:28,843

-You did?

<i>-Mm-hmm. I sure did.</i>

49

00:03:28,976 --> 00:03:30,178

What do you look like?

50

00:03:30,310 --> 00:03:32,046

<i>I used to look</i>

<i>a little like you.</i>

51

00:03:32,180 --> 00:03:33,514

<i>But I'm an old man now.</i>

52

00:03:33,648 --> 00:03:35,817

<i>I guess in a way,</i>

<i>I'm your old man.</i>

53

00:03:35,950 --> 00:03:37,151

My old man.

54

00:03:38,820 --> 00:03:41,589

So then why can't I

see you, Old Man?

55

00:03:41,723 --> 00:03:43,725

<i>Because</i>

<i>I'm someplace else.</i>

56

00:03:43,858 --> 00:03:45,159

<i>The Real World.</i>

57

00:03:45,292 --> 00:03:48,295

The Real World. Wow.

58

00:03:48,428 --> 00:03:49,831

What's that?

59

00:03:49,964 --> 00:03:51,532

<i>Well,</i>

<i>it's kind of like your world</i>

60

00:03:51,666 --> 00:03:52,967

<i>only a bit more colorful.</i>

61

00:03:53,101 --> 00:03:54,367

<i>And a lot more complicated.</i>

62

00:03:54,502 --> 00:03:56,637

Well, it sounds amazing.

Can I visit you someday?

63

00:03:56,771 --> 00:03:58,573

<i>Oh,</i>

<i>I wish that was possible.</i>

64

00:03:58,706 --> 00:04:01,341

But with the crayon

anything is possible, right?

65

00:04:01,475 --> 00:04:02,810

<i>Good night, Harold.</i>

66

00:04:02,944 --> 00:04:04,912

Wait, wait, wait, Old Man.

One more question.

67

00:04:05,046 --> 00:04:07,347

-Why did you draw me?

<i>-Night, Harold.</i>

68

00:04:07,481 --> 00:04:09,249

Okay, okay.

69

00:04:09,382 --> 00:04:10,818

Good night, Old Man.

70

00:04:21,261 --> 00:04:22,897

So, Old Man, I've been thinking

71

00:04:23,030 --> 00:04:26,033

and I've got

a lot of follow-up questions.

72

00:04:27,702 --> 00:04:28,669

Old Man?

73

00:04:29,170 --> 00:04:30,638

You there?

74

00:04:30,772 --> 00:04:33,808

Old Man. Hello!

75

00:04:33,941 --> 00:04:35,843

Old Man!

76

00:04:39,013 --> 00:04:41,983

Old Man!

77

00:04:42,917 --> 00:04:45,253

All of a sudden

this guy goes quiet?

78

00:04:45,385 --> 00:04:46,353

I don't think so.

79

00:04:46,486 --> 00:04:47,922

This man loved to talk.

80

00:04:48,055 --> 00:04:50,725

Maybe he's busy

being real in the Real World.

81

00:04:50,858 --> 00:04:52,560

I'm deep.

82

00:04:52,693 --> 00:04:55,563

That's it! Guys,

let's go to the Real World!

83

00:04:55,696 --> 00:04:58,331

Oh, no, no, no.

We don't wanna do that.

84

00:05:00,768 --> 00:05:03,470

With the crayon,

anything is possible.

85

00:05:03,604 --> 00:05:05,973

That's not how it works, Harold.

You can't just--

86

00:05:10,845 --> 00:05:11,946

Whoa!

87

00:05:12,079 --> 00:05:13,581

Yeah! Let's go!

88

00:05:15,116 --> 00:05:17,652

You heard the old man.

The Real World is constipated.

89

00:05:17,785 --> 00:05:19,352

And who knows what that means.

90

00:05:19,486 --> 00:05:22,489

Okay, fine. You two stay here
in case my old man comes back.

91

00:05:22,623 --> 00:05:24,058

Great idea.

92

00:05:24,192 --> 00:05:26,227

And I'm gonna go look for him
out there. Don't worry.

93

00:05:26,359 --> 00:05:27,862

-I got this!

-Wait!

94

00:05:37,972 --> 00:05:40,942

What is he wearing?

95

00:05:41,474 --> 00:05:42,877

It's so bright.

96

00:05:43,578 --> 00:05:45,079

It's so beautiful.

97

00:05:46,147 --> 00:05:47,682

What are you doing?

98

00:05:47,815 --> 00:05:50,318

It's very confusing.

I'm new here, but--

99

00:05:50,450 --> 00:05:51,786

Oh, hello.

100

00:05:51,919 --> 00:05:53,154

Very creative.

101

00:05:55,790 --> 00:05:56,791

Near.

102

00:05:57,390 --> 00:05:58,358

Far.

103

00:05:58,491 --> 00:06:00,493

Near. Far. Three dimensions.

104

00:06:00,628 --> 00:06:02,663

Oh, it's even cooler

than I imagined!

105

00:06:02,797 --> 00:06:04,532

Look at all the friendly people!

106

00:06:04,665 --> 00:06:07,501

-Oh, excuse me. Where are we?

-Get lost, Smurf.

107

00:06:07,635 --> 00:06:10,437

-We're going after him, right?

-Mmh-mmh. Nope.

108

00:06:10,571 --> 00:06:14,275

Aw, come on. Just a peek.

109

00:06:14,407 --> 00:06:16,177

-All right, all right.

-Yes!

110

00:06:16,310 --> 00:06:17,578

Just a peek.

111

00:06:20,514 --> 00:06:22,083

What's it look like?

112

00:06:22,216 --> 00:06:26,153

I can't tell. It's...

It's all mysterious and fuzzy.

113

00:06:26,287 --> 00:06:29,957

Maybe you should look closer.

114

00:06:33,361 --> 00:06:35,062

Aw, come on!

115

00:06:42,503 --> 00:06:44,404

The Real World.

116

00:06:45,573 --> 00:06:47,942

Why do my hooves feel so soft?

117

00:07:02,256 --> 00:07:03,456

Hi!

118

00:07:04,392 --> 00:07:05,726

What are we running from?

119

00:07:05,860 --> 00:07:07,628

A grown man in a onesie.

120

00:07:11,431 --> 00:07:12,633

Oh.

121

00:07:14,101 --> 00:07:15,569

Real World clothes.

122

00:07:21,342 --> 00:07:22,543

Different.

123

00:07:22,677 --> 00:07:23,878

Leavin' me behind.

124

00:07:24,011 --> 00:07:26,681

You're not gonna last one day.

125

00:07:26,814 --> 00:07:28,149

Don't worry.

126

00:07:28,282 --> 00:07:30,384

Porcupine's on the way.

127

00:07:30,518 --> 00:07:31,786

Yes!

128

00:07:33,020 --> 00:07:34,522

No thumbs!

129

00:07:35,990 --> 00:07:37,024

That's not good.

130

00:07:41,595 --> 00:07:42,964

It's him! Old Man!

131

00:07:43,097 --> 00:07:45,299

Old Man! Old Man!

132

00:07:45,433 --> 00:07:46,901

Harold?

133

00:07:47,034 --> 00:07:49,537

Harold! Harold! It's me, Moose!

134

00:07:49,670 --> 00:07:50,871

-Moose?

-Yes, yes.

135

00:07:51,005 --> 00:07:53,040

Oh, hi.

136

00:07:53,174 --> 00:07:55,276

Hi, buddy!

You look so different.

137

00:07:55,409 --> 00:07:58,245

-I look strange, right?

-No, no, you look really cool.

138

00:07:58,379 --> 00:07:59,747

-Are you sure?

-Oh, yeah.

139

00:07:59,880 --> 00:08:01,749

Okay, this Real World thing
is real.

140

00:08:01,882 --> 00:08:03,284

It's really real.

And guess what.

141

00:08:03,417 --> 00:08:05,753

It's only getting better,
because we found him.

142

00:08:05,886 --> 00:08:07,955

The old man. He's right here.

143

00:08:08,089 --> 00:08:09,423

Let's go!

144

00:08:09,557 --> 00:08:12,126

Old Man! It's Harold! Finally!

Ow!

145

00:08:12,259 --> 00:08:13,527

Hey! Get away from me!

146

00:08:13,661 --> 00:08:15,262

Ow! Ow, ow, ow, ow, ow, ow!

147

00:08:15,396 --> 00:08:16,630

Why would you do that?

148

00:08:16,764 --> 00:08:18,132

Uh, Harold, maybe we
got the wrong guy.

149

00:08:18,265 --> 00:08:20,301

You're probably right,
Moose.

150

00:08:20,434 --> 00:08:23,671

Have a good day, Not Old Man!

151

00:08:23,804 --> 00:08:25,106

The Real World is huge.

152

00:08:25,239 --> 00:08:27,141

There has to be at least
10 to 20 old men here.

153

00:08:27,274 --> 00:08:29,510

Yeah. We got a lot
of ground to cover.

154

00:08:49,230 --> 00:08:51,632

Real world, here I come!

155

00:09:14,588 --> 00:09:16,657

Thumbs!

156

00:09:16,791 --> 00:09:19,260

Yes! Yes.

157

00:09:20,361 --> 00:09:23,197

Whoa.

Look at these legs!

158

00:09:24,465 --> 00:09:25,666

Whoa.

159

00:09:26,233 --> 00:09:27,968

Ah. Aah.

160

00:09:33,207 --> 00:09:35,042

Look out, world.

161

00:09:35,443 --> 00:09:36,777

I'm big.

162

00:09:38,547 --> 00:09:40,247

Hi. I'm Porcupine.

163

00:09:40,381 --> 00:09:41,782

I'm a bunny.

164

00:09:42,249 --> 00:09:43,284

No way.

165

00:09:45,453 --> 00:09:46,720

Hi!

166

00:09:49,924 --> 00:09:53,260

-Get off the road!

-Nice day for a ride!

167

00:09:53,394 --> 00:09:54,962

<i>Hey, Prasad.</i>

168

00:09:55,096 --> 00:09:57,098

I know,

I won't miss another sh--

169

00:09:57,231 --> 00:09:59,800

I won't miss another shift.

I just--

170

00:10:00,701 --> 00:10:01,936

Come on, Prasad.

171

00:10:02,069 --> 00:10:04,338

I had to take my kid
to a school thing.

172

00:10:04,472 --> 00:10:07,708

She should not be
using her phone while driving.

173

00:10:10,545 --> 00:10:11,712

-Uh, Harold?

-Yeah?

174

00:10:11,846 --> 00:10:13,380

I don't think

we're doing this right!

175

00:10:13,515 --> 00:10:15,116

-Okay.

-Look out!

176

00:10:15,249 --> 00:10:17,985

Excuse us! Excuse us!

177

00:10:18,119 --> 00:10:20,054

-Prasad. Hold on.

-Mom!

178

00:10:27,161 --> 00:10:28,929

-Are you okay?

-Yeah.

179

00:10:32,500 --> 00:10:33,767

Oh...

180

00:10:34,735 --> 00:10:37,304

You okay, Carl?

It's okay, buddy.

181

00:10:37,438 --> 00:10:39,640

Felt like my old self

for a second.

182

00:10:39,773 --> 00:10:41,342

I don't know

if it was a fear thing.

183

00:10:41,475 --> 00:10:43,644

Oh, my God! Are you okay?

I'm so sorry!

184

00:10:43,777 --> 00:10:45,479

I didn't see you there.

185

00:10:45,614 --> 00:10:48,682

I thought I saw a moose.

Did you guys see a moose?

186

00:10:48,816 --> 00:10:49,783

Yeah. I'm a moose.

187

00:10:49,917 --> 00:10:51,685

I think you have a concussion.

188

00:10:51,819 --> 00:10:53,354

My insides are coming out
my outsides!

189

00:10:53,487 --> 00:10:55,156

I'm gonna
get you a Band-Aid.

190

00:10:55,289 --> 00:10:57,091

I think I have one in my purse.

191

00:10:58,325 --> 00:10:59,994

Oh... Oh, shoot.

192

00:11:00,127 --> 00:11:03,197

I got a flat tire. Sorry,
one sec. Just hang on. Um...

193

00:11:03,330 --> 00:11:04,999

Hang on one sec.

194

00:11:06,167 --> 00:11:08,035

Hi. Yeah, I'm gonna need a tire.

195

00:11:08,169 --> 00:11:10,905

I have a flat and no spare.

196

00:11:11,038 --> 00:11:12,840

Yeah, I'll hold. Thank you.

197

00:11:21,115 --> 00:11:23,150

-How did you do that?

-Shh!

198

00:11:23,284 --> 00:11:24,285

Hi, I'm--

199

00:11:28,122 --> 00:11:29,890

Wow, you are really
good at that.

200

00:11:30,024 --> 00:11:32,026

She's not actually
changing a tire.

201

00:11:32,159 --> 00:11:34,128

She's just attaching it
onto the car.

202

00:11:34,261 --> 00:11:37,865

-That's how you change a tire.
-That's how you change a tire.

203

00:11:40,434 --> 00:11:42,136

What's that?

204

00:11:42,269 --> 00:11:44,639

Oh, it's...

It's my whistle for Carl.

205

00:11:44,772 --> 00:11:47,341

Ahh!

206

00:11:47,474 --> 00:11:48,842

Wow, that was loud!

207

00:11:49,544 --> 00:11:50,711

Uh, who's Carl?

208

00:11:50,844 --> 00:11:52,346

He's my Dragolizagator.

209

00:11:52,479 --> 00:11:54,481

-He's right there.

-Huh?

210

00:11:55,883 --> 00:11:57,284

Is he really small?

211

00:11:57,418 --> 00:11:59,554

He's got amazing
camouflage abilities.

212

00:11:59,688 --> 00:12:00,689

Oh.

213

00:12:00,821 --> 00:12:03,658

He's part eagle,
lion, alligator.

214

00:12:03,791 --> 00:12:06,561

You know what, kiddo?
Let's not do Carl today, okay?

215

00:12:07,328 --> 00:12:09,598

Well, he's licking me,

216

00:12:09,730 --> 00:12:10,931

which is a little ticklish.

217

00:12:11,065 --> 00:12:12,900

Oh, that tickles!

But he's lick--

218

00:12:13,033 --> 00:12:14,435

Oh, it tickles! Oh, it tickles!

219

00:12:14,569 --> 00:12:17,004

-He's going after you.

-He's going after you, Moose!

220

00:12:17,137 --> 00:12:19,039

Don't worry.

He's just trying to sniff you

221

00:12:19,173 --> 00:12:20,374

to see if you're friendly.

222

00:12:20,508 --> 00:12:21,775

I'm a moose. Get your sniff on.

223

00:12:23,545 --> 00:12:26,347

By the way,

I'm Terry and this is Mel.

224

00:12:26,814 --> 00:12:28,249

Hi, I'm Harold.

225

00:12:28,382 --> 00:12:29,483

Moose again.

226

00:12:29,618 --> 00:12:30,851

I'm so sorry for everything.

227

00:12:30,985 --> 00:12:32,721

Can I give you guys
a ride somewhere?

228

00:12:32,853 --> 00:12:34,154

It's the least I can do.

229

00:12:34,288 --> 00:12:35,422

Sure.

230

00:12:44,798 --> 00:12:46,367

Old Man!

231

00:12:46,500 --> 00:12:47,468

No! Stop!

232

00:12:47,602 --> 00:12:48,869

Hi!

233

00:12:49,003 --> 00:12:50,871

My goodness.

What is it with you people?

234

00:12:51,005 --> 00:12:52,574

It's me, Porcupine.

235

00:12:52,707 --> 00:12:55,142

If you don't want any trouble,
you better get out of here.

236

00:12:55,276 --> 00:12:57,278

What are you doing?

237

00:12:58,445 --> 00:13:00,447

Aw. No quills.

238

00:13:00,582 --> 00:13:02,550

This really

is a brand-new world.

239

00:13:09,923 --> 00:13:11,392

I'm glad you guys are okay.

240

00:13:11,526 --> 00:13:14,795

And that you're not litigious.

241

00:13:15,796 --> 00:13:17,766

Sorry about hitting you

back there.

242

00:13:17,898 --> 00:13:19,233

Uh, where can I drop you off?

243

00:13:19,366 --> 00:13:21,802

Uh, well, the old man's house

would be great.

244

00:13:21,935 --> 00:13:24,338

You mean your dad?

245

00:13:24,471 --> 00:13:27,441

Yeah. I mean,

I guess you could call him that.

246

00:13:27,575 --> 00:13:28,677

If it weren't for him,

247

00:13:28,809 --> 00:13:30,745

I wouldn't exist, so...

248

00:13:30,878 --> 00:13:32,346

Where does he live?

249

00:13:32,479 --> 00:13:35,182

Well, we were hoping
that you would know.

250

00:13:35,316 --> 00:13:37,184

-Where your dad lives?

-Yes.

251

00:13:37,318 --> 00:13:40,154

Uh, no, I do not know that.

252

00:13:40,287 --> 00:13:42,823

But I'm happy to drop you

at a bus station

253

00:13:42,956 --> 00:13:44,592

or wherever

you're staying tonight.

254

00:13:44,726 --> 00:13:45,993

Well, we don't exactly know

255

00:13:46,126 --> 00:13:48,128

where we're gonna stay

tonight just yet.

256

00:13:48,262 --> 00:13:51,398

Yeah. And you're the only people

we actually know, so...

257

00:13:51,533 --> 00:13:52,866

They can stay with us.

258

00:13:53,000 --> 00:13:54,268

New friends! Yay!

259

00:13:54,401 --> 00:13:56,837

Oh, gosh, that would be so fun.

260

00:13:56,970 --> 00:13:58,439

But we don't have a room.

261

00:13:58,573 --> 00:14:00,742

Yeah, we do, Mom.

Above the garage.

262

00:14:00,874 --> 00:14:02,510

No, Mel,

they're not staying with us.

263

00:14:02,644 --> 00:14:05,714

I'm sorry, we just don't
know you, really, at all.

264

00:14:05,846 --> 00:14:07,081

Mom, we can't just abandon them.

265

00:14:07,214 --> 00:14:08,415

You hit them,
you broke their bike.

266

00:14:08,550 --> 00:14:10,417

And they don't
have anywhere to stay.

267

00:14:11,352 --> 00:14:14,054

Dad always said,
"When people need help..."

268

00:14:14,689 --> 00:14:15,956

"We help."

269

00:14:16,090 --> 00:14:18,560

Yeah. Yeah, we do say that.

270

00:14:19,794 --> 00:14:22,029

Okay, fine.

271

00:14:22,162 --> 00:14:24,164

One night. Above the garage.

272

00:14:25,032 --> 00:14:26,033

Yes!

273

00:14:26,166 --> 00:14:27,201

Wow, that's a lot of emphasis

274

00:14:27,334 --> 00:14:28,469

-on "above the garage."

-Yeah.

275

00:14:28,603 --> 00:14:30,839

Just don't get

too excited, okay?

276

00:14:30,971 --> 00:14:34,642

That's what people
say when it's really exciting.

277

00:14:36,110 --> 00:14:37,478

Above the garage!

278

00:14:37,612 --> 00:14:40,849

Above the garage!

Above the garage!

279

00:14:40,981 --> 00:14:42,449

Is this your house?

280

00:14:42,584 --> 00:14:44,084

Ooh, nice!

281

00:14:46,855 --> 00:14:48,422

Home sweet home.

282

00:14:48,556 --> 00:14:51,693

Could use a new coat of paint
and a new roof,

283

00:14:51,826 --> 00:14:54,194

and a lot of other things.

284

00:14:54,328 --> 00:14:56,263

I think it looks great.

285

00:14:57,732 --> 00:15:00,200

Here's the palace.

286

00:15:01,301 --> 00:15:03,270

Oh, Terry, this is amazing!

287

00:15:03,404 --> 00:15:05,840

Do you see this?

She has a wall bed.

288

00:15:05,973 --> 00:15:07,374

This is so classy.

289

00:15:07,509 --> 00:15:10,110

How did you know

I sleep standin' up?

290

00:15:10,244 --> 00:15:11,713

Oh, you know what,

291

00:15:11,846 --> 00:15:13,414

I never got around to donating
any of these clothes,

292

00:15:13,548 --> 00:15:15,449

so please help yourself
to anything that fits you.

293

00:15:15,583 --> 00:15:17,418

What's this music?

294

00:15:17,552 --> 00:15:21,221

Oh, that would be nothing.
Just junk from my old life.

295

00:15:22,022 --> 00:15:23,157

You're a musician.

296

00:15:23,290 --> 00:15:24,893

Yeah, I was.

297

00:15:25,025 --> 00:15:26,661

I just, you know...

298

00:15:26,795 --> 00:15:29,564

When you're young,
you have all kinds of dreams,

299

00:15:29,697 --> 00:15:32,700

and then the world
just kicks it out of you.

300

00:15:32,834 --> 00:15:34,001

I've never been kicked before,

301

00:15:34,134 --> 00:15:36,538

but I was hit by a guy
with a cane.

302

00:15:37,037 --> 00:15:38,305

So I hear ya.

303

00:15:38,439 --> 00:15:41,475

Now I stock shelves
at Ollie's.

304

00:15:42,777 --> 00:15:43,977

You know, uh,

305

00:15:44,111 --> 00:15:45,979

Ollie's?

306

00:15:46,113 --> 00:15:47,582

It's like a store
that sells everything.

307

00:15:47,715 --> 00:15:49,349

You work at a store
that sells everything?

308

00:15:49,483 --> 00:15:51,018

That sounds like
the best job ever.

309

00:15:51,151 --> 00:15:53,588

Yeah. Mm-hmm.

Ollie's is the best job ever.

310

00:15:53,721 --> 00:15:55,222

Yes, it is.

311

00:15:55,355 --> 00:15:57,224

Kudos. Good thing

you don't do music anymore,

312

00:15:57,357 --> 00:15:59,993

you wouldn't have an amazing job

like Ollie's!

313

00:16:00,127 --> 00:16:01,161

Yeah.

314

00:16:01,295 --> 00:16:02,229

I hate my job.

315

00:16:02,362 --> 00:16:04,599

Um, anyway, what do you guys do?

316

00:16:05,098 --> 00:16:06,868

Well, I draw.

317

00:16:07,000 --> 00:16:09,203

-Hmm. An artist.

-Yeah.

318

00:16:10,705 --> 00:16:11,706

Um...

319

00:16:13,073 --> 00:16:14,041

What do you do?

320

00:16:14,174 --> 00:16:16,276

Besides that?

321

00:16:16,410 --> 00:16:18,145

I basically

just follow him around

322

00:16:18,278 --> 00:16:19,581

in a moose-like fashion.

323

00:16:19,714 --> 00:16:22,617

Every day.

324

00:16:24,117 --> 00:16:26,119

Okay. Well, um...

325

00:16:26,253 --> 00:16:27,856

I'm gonna triple lock the door,

326

00:16:27,988 --> 00:16:30,558

just, you know,

to keep any weirdos out.

327

00:16:30,692 --> 00:16:33,595

You guys can hit the road

in the morning. 'Kay?

328

00:16:33,728 --> 00:16:34,796

Enjoy.

329

00:16:34,929 --> 00:16:37,364

-Thank you, Terry.

-Mm-hmm.

330

00:16:40,133 --> 00:16:42,069

Moose, we are so lucky.

331

00:16:42,202 --> 00:16:43,872

Look at all this!

332

00:16:44,004 --> 00:16:45,372

Are we lucky, Harold?

333

00:16:45,507 --> 00:16:47,709

I don't think we belong

here in the Real World.

334

00:16:47,842 --> 00:16:50,645

You know, with all the pain.

It's just all so different.

335

00:16:50,778 --> 00:16:53,146

Well, of course

it's different, buddy.

336

00:16:53,280 --> 00:16:54,516

It's a different world.

337

00:16:54,649 --> 00:16:56,684

It's the Real World.

It's an adventure.

338

00:16:56,818 --> 00:16:58,586

That's kind of fun, right?

339

00:16:58,720 --> 00:17:00,454

Hey, look.

We'll find the old man,

340

00:17:00,588 --> 00:17:02,055

he'll start narrating again,

341

00:17:02,189 --> 00:17:04,024

and then everything

will go back to normal.

342

00:17:04,157 --> 00:17:06,360

-Then we go home?

-Yeah.

343

00:17:09,463 --> 00:17:11,699

He made a bicycle with a crayon.

344

00:17:11,833 --> 00:17:13,968

Then she says she's a porcupine.

345

00:17:14,101 --> 00:17:15,202

"Porcupine."

346

00:17:15,335 --> 00:17:17,070

You did the right thing

by calling us.

347

00:17:17,204 --> 00:17:18,606

We'll put together

a special task force,

348

00:17:18,740 --> 00:17:20,975

and, uh, we'll definitely
keep you updated.

349

00:17:21,108 --> 00:17:23,377

-Thank you, sir. Appreciate it.
-Yes, sir. Thank you.

350

00:17:23,511 --> 00:17:25,513

First thing
you learn in this job,

351

00:17:26,179 --> 00:17:28,348

gotta humor the crazies.

352

00:17:49,604 --> 00:17:50,805

Old Man.

353

00:18:04,284 --> 00:18:05,553

That's Pandaconda.

354

00:18:05,687 --> 00:18:07,689

-Half panda, half snake.

-Mm.

355

00:18:07,822 --> 00:18:10,858

And this one's half platypus,
half possum.

356

00:18:10,992 --> 00:18:12,827

A Platypossum. Genius.

357

00:18:12,961 --> 00:18:14,562

Because a platypus

358

00:18:14,696 --> 00:18:17,497

is basically already an animal
mashup anyway. So, you know...

359

00:18:17,632 --> 00:18:20,167

You get more bang for your buck.
Thank you.

360

00:18:20,300 --> 00:18:21,636

Yeah.

361

00:18:22,870 --> 00:18:24,005

This one's Carl.

362

00:18:24,137 --> 00:18:25,773

Well, you captured
him perfectly.

363

00:18:25,907 --> 00:18:27,809

I handed that one in
for art class,

364

00:18:27,942 --> 00:18:29,077

and I got an "unsatisfactory."

365

00:18:29,209 --> 00:18:30,778

Clearly some people
have no vision.

366

00:18:30,912 --> 00:18:34,247

I really wanted a dog,
but I'm allergic,

367

00:18:34,381 --> 00:18:35,917

so Dad got me Carl.

368

00:18:36,050 --> 00:18:39,319

And we used to play
with him all the time. Mom too.

369

00:18:40,253 --> 00:18:43,524

But that was before my dad died.

370

00:18:44,692 --> 00:18:45,693

Oh.

371

00:18:46,393 --> 00:18:49,229

And, um, by "died" you mean...

372

00:18:50,765 --> 00:18:52,432

Stopped living.

373

00:18:54,869 --> 00:18:56,738

Oh, right, right. Right.

374

00:18:57,672 --> 00:18:59,574

Now Mom's always stressed out

375

00:19:00,407 --> 00:19:01,676

and I wish...

376

00:19:02,309 --> 00:19:03,578

You wish what?

377

00:19:04,846 --> 00:19:07,882

I don't know, I just want her
to be happy, you know?

378

00:19:08,549 --> 00:19:10,417

Like she used to be.

379

00:19:10,551 --> 00:19:11,953

Well, maybe I can help.

380

00:19:12,754 --> 00:19:14,287

Maybe we could help each other.

381

00:19:14,421 --> 00:19:16,256

Yeah, like,

you make my mom happy,

382

00:19:16,390 --> 00:19:18,593

and I'll help you find your dad.

383

00:19:19,594 --> 00:19:20,327

Deal.

384

00:19:20,460 --> 00:19:22,329

Oh.

385

00:19:22,764 --> 00:19:23,497

What? Oh.

386

00:19:27,635 --> 00:19:31,139

So how did you make that tire?

I really gotta know.

387

00:19:36,376 --> 00:19:37,712

With this.

388

00:19:49,356 --> 00:19:50,792

Here. Now you try.

389

00:19:52,593 --> 00:19:54,194

-Seriously?

-Mm-hmm.

390

00:19:54,327 --> 00:19:55,530

How does it work?

391

00:19:56,597 --> 00:19:58,365

I've never really
thought about it.

392

00:19:58,498 --> 00:19:59,701

The Old Man gave it to me

393

00:19:59,834 --> 00:20:01,869

so I just always believed
that it would.

394

00:20:08,475 --> 00:20:09,677

What is this?

395

00:20:17,384 --> 00:20:19,087

That's Spiderfly.

396

00:20:19,252 --> 00:20:20,555

Now, that is creative.

397

00:20:23,356 --> 00:20:24,491

And terrifying.

398

00:20:24,625 --> 00:20:26,928

-That's terrifying.

-Yeah. Here.

399

00:20:27,061 --> 00:20:28,730

Thank-- We should prob-- Okay.

400

00:20:28,863 --> 00:20:30,131

Run!

401

00:20:30,263 --> 00:20:31,999

Mel, look out. I think I'm just
gonna sneak out of here.

402

00:20:32,133 --> 00:20:34,301

-It's poisonous.

-Why did you make it poisonous?

403

00:20:35,737 --> 00:20:36,871

Harold?

404

00:20:38,106 --> 00:20:39,439

It's cold.

405

00:20:40,440 --> 00:20:42,643

I need you to draw me a jacket.

406

00:20:43,443 --> 00:20:45,012

Purple!

407

00:20:46,581 --> 00:20:49,282

He's been here.

408

00:20:56,157 --> 00:20:58,325

Aw. Hey, friend.

409

00:21:10,138 --> 00:21:11,873

Wow, this is real power.

410

00:21:17,812 --> 00:21:18,846

Hmm.

411

00:21:19,947 --> 00:21:21,314

That'll do.

412

00:21:27,420 --> 00:21:29,023

Hello, beautiful.

413

00:21:32,260 --> 00:21:34,929

Hey, whoever's down there,
I called the cops.

414

00:21:35,062 --> 00:21:36,030

They're on their way.

415

00:22:06,060 --> 00:22:07,394

What was that?

416

00:22:16,469 --> 00:22:18,005

We have it every day.

417

00:22:18,139 --> 00:22:20,340

The best ever.

418

00:22:23,277 --> 00:22:24,812

Oh, good morning, Terry!

419

00:22:25,746 --> 00:22:27,615

Where'd those pies come from?

420

00:22:27,748 --> 00:22:29,317

Harold made them.

421

00:22:29,449 --> 00:22:32,186

Okay, well,

pies are not breakfast.

422

00:22:32,320 --> 00:22:34,288

I'mma pretend I didn't hear
what you just said.

423

00:22:34,421 --> 00:22:36,824

Pie is definitely
breakfast. Right.

424

00:22:36,958 --> 00:22:38,125

Okay.

425

00:22:42,395 --> 00:22:44,031

My house is purple.

426

00:22:44,165 --> 00:22:45,700

Oh, yeah-yeah, yeah.

427

00:22:45,833 --> 00:22:49,070

Well, you said it needed
some new paint,

428

00:22:49,203 --> 00:22:50,972

so I thought I would make it
more cheerful

429

00:22:51,105 --> 00:22:53,241

and then you wouldn't be
so unhappy all the time.

430

00:22:53,373 --> 00:22:54,642

Mom, Harold can do magic.

431

00:22:54,775 --> 00:22:56,911

He can literally make anything.

432

00:22:57,044 --> 00:23:01,414

Uh, I wouldn't call it magic,
per se. It's more of a science.

433

00:23:01,549 --> 00:23:03,117

I've been trying
to keep it a secret,

434

00:23:03,251 --> 00:23:04,585

but with this little guy,

435

00:23:04,719 --> 00:23:06,520

I can basically make
whatever I want.

436

00:23:06,654 --> 00:23:08,890

Okay, can we talk for a sec?

437

00:23:09,023 --> 00:23:11,859

Okay. Um,
I'm already dealing with,

438

00:23:11,993 --> 00:23:14,128

like, an imaginary
dragon-lizard-lion

439

00:23:14,262 --> 00:23:15,428

situation right now,

440

00:23:15,563 --> 00:23:17,732

so can we not do
magic crayons, please?

441

00:23:19,767 --> 00:23:21,969

Yeah. Yeah, yeah.

No, sure, Terry.

442

00:23:22,103 --> 00:23:23,170

Okay. Great.

443

00:23:23,304 --> 00:23:24,805

I need to help Harold

look for his dad.

444

00:23:24,939 --> 00:23:26,507

Oh, no.

You need to go to school.

445

00:23:26,641 --> 00:23:27,842

And I need to go to work.

446

00:23:27,975 --> 00:23:31,279

And these guys gotta go.

They gotta go.

447

00:23:31,411 --> 00:23:34,348

Okay? Time to stop eating pie.

We all have to leave.

448

00:23:34,481 --> 00:23:36,449

No more pie. Say bye.

449

00:23:36,584 --> 00:23:37,919

Hey, Mel.

450

00:23:46,127 --> 00:23:48,029

-Really?

-Yeah.

451

00:23:48,495 --> 00:23:49,664

Thanks.

452

00:23:50,430 --> 00:23:52,033

Bye, Mel. Have a good day.

453

00:23:52,166 --> 00:23:54,368

-Thank you, Terry.

-Yep.

454

00:23:54,502 --> 00:23:55,937

-Bye.

-Bye.

455

00:23:56,938 --> 00:23:58,706

All right,

let's find your dad.

456

00:23:58,839 --> 00:24:00,541

Wait, don't you have to

go to school?

457

00:24:00,675 --> 00:24:01,842

I am going to school.

458

00:24:01,976 --> 00:24:04,812

Just by a super-long

indirect way.

459

00:24:04,946 --> 00:24:06,747

-Thanks, Mel.

-Yeah.

460

00:24:07,648 --> 00:24:10,017

Wish we had more of that pie.

461

00:24:10,151 --> 00:24:11,619

Yeah, no. No, no, no.

462

00:24:11,752 --> 00:24:13,554

Listen, we gotta respect
your mom's rules.

463

00:24:13,688 --> 00:24:15,056

No more pie.8

464

00:24:15,756 --> 00:24:17,925

Harold, you are a genius.

465

00:24:18,059 --> 00:24:20,227

-This is way better than pies.

-Yeah.

466

00:24:21,494 --> 00:24:24,065

Look, if we're gonna find
your dad, we need a plan.

467

00:24:24,198 --> 00:24:25,633

I'm way ahead of you.

468

00:24:25,766 --> 00:24:27,001

We're just gonna walk around,
looking for old men.

469

00:24:27,134 --> 00:24:28,836

How hard could that be?

470

00:24:31,973 --> 00:24:32,773

What?

471

00:24:32,907 --> 00:24:34,342

-Old Man!

-No, that's--

472

00:24:34,474 --> 00:24:36,444

Old Man! It's me! It's Harold!

473

00:24:37,645 --> 00:24:39,981

Who you calling old, punk!

474

00:24:40,114 --> 00:24:41,315

Sorry, Mr. Perez.

475

00:24:41,449 --> 00:24:45,586

Oh, this is gonna be
a lot harder than I thought.

476

00:24:45,720 --> 00:24:47,922

Maybe we need
to come up with a better plan.

477

00:24:52,093 --> 00:24:54,595

"Place to go
when you need to know anything"?

478

00:24:54,729 --> 00:24:55,997

That's it, that's what we do.

479

00:24:56,130 --> 00:24:58,466

The library,
it's kind of a long walk.

480

00:24:58,599 --> 00:24:59,867

"Walk"? Who said walk?

481

00:25:09,744 --> 00:25:11,545

Wait, guys! Wait for me!

482

00:25:13,114 --> 00:25:15,483

Wait a minute,

I'm a moose on roller skates!

483

00:25:15,616 --> 00:25:16,751

I'm doing it!

484

00:25:16,884 --> 00:25:18,119

Oh, I think I'm getting

the hang of it!

485

00:25:18,252 --> 00:25:19,520

No, I don't! Aah!

486

00:25:23,524 --> 00:25:25,760

No, wait!

487

00:25:27,194 --> 00:25:28,195

Oh, yeah.

488

00:25:34,802 --> 00:25:36,637

Whoa, whoa...

489

00:25:37,638 --> 00:25:38,839

Let's go!

490

00:25:39,540 --> 00:25:40,941

Whoa!

491

00:25:52,920 --> 00:25:55,289

-Ugh.

-What's wrong?

492

00:25:55,823 --> 00:25:57,024

You'll see.

493

00:26:02,930 --> 00:26:08,869

"The Glaive,' chortled
the sorcerer Gondaldemor.

494

00:26:09,003 --> 00:26:11,772

'It's the most powerful weapon
in the universe.

495

00:26:11,906 --> 00:26:14,608

Only a fool
would dare wield it.'

496

00:26:14,742 --> 00:26:16,410

He stepped forward,

497

00:26:16,545 --> 00:26:18,779

his abs rippling
like liquid stone,

498

00:26:18,913 --> 00:26:23,284

his pecs set upon them
like two impenetrable boulders,

499

00:26:23,417 --> 00:26:24,852

only distinguishable as human...

500

00:26:24,985 --> 00:26:26,787

...by the perfectly shaped

501

00:26:26,921 --> 00:26:29,356

yet masculine nipples

they flaunted.

502

00:26:29,490 --> 00:26:30,691

Ah.

503

00:26:30,825 --> 00:26:33,961

-Let's go.

-'The name's G'Garaur.'"

504

00:26:34,563 --> 00:26:36,297

Amazing.

505

00:26:36,430 --> 00:26:37,832

A big round of applause

506

00:26:37,965 --> 00:26:41,570

for our head librarian,

Gary Natwick,

507

00:26:41,702 --> 00:26:43,137

reading from his novel...

508

00:26:43,270 --> 00:26:44,205

She's gone.

509

00:26:44,338 --> 00:26:46,107

<i>...The Glaive of G'Ga--</i>

510

00:26:46,240 --> 00:26:48,242

<i>G'Garaur.</i>

It's not that hard.

511

00:26:48,375 --> 00:26:50,144

-I'm sorry.

-Okay.

512

00:26:51,812 --> 00:26:55,049

Ah. Mel, hi. Thanks for coming.

513

00:26:55,182 --> 00:26:58,986

And hi,

Mel's imaginary dragon thingy.

514

00:26:59,120 --> 00:27:02,490

You're touching his butt.

515

00:27:02,623 --> 00:27:03,958

Sorry.

516

00:27:04,091 --> 00:27:06,393

These are my friends

Harold and Moose.

517

00:27:07,027 --> 00:27:08,295

Harold and Moose?

518

00:27:08,429 --> 00:27:10,599

Yes, I've changed

quite a bit recently,

519

00:27:10,731 --> 00:27:12,266

but I'm still the same inside.

520

00:27:12,399 --> 00:27:14,802

You know, I'm vegetarian,

I'm pretty nimble, I'm docile.

521

00:27:14,935 --> 00:27:16,770

But the greatest thing

about me is

522

00:27:16,904 --> 00:27:19,508

I'm a wanderer by nature.

523

00:27:19,640 --> 00:27:21,709

And that's what I'm about to do.

524

00:27:21,842 --> 00:27:23,344

Some wandering.

525

00:27:24,245 --> 00:27:25,312

Enjoy.

526

00:27:25,446 --> 00:27:27,248

Uh, how many pages is that?

527

00:27:27,381 --> 00:27:28,682

Seven hundred pages.

528

00:27:28,816 --> 00:27:30,251

That is so many pages.

529

00:27:30,384 --> 00:27:31,785

That must have taken you
weeks to write.

530

00:27:31,919 --> 00:27:33,754

Try months, my friend.

531

00:27:33,888 --> 00:27:36,223

I'm currently shopping it
to publishers.

532

00:27:36,357 --> 00:27:38,893

There's probably
going to be a bidding war.

533

00:27:39,026 --> 00:27:42,029

Mel.
That looks just like your mom.

534

00:27:44,398 --> 00:27:45,733

No.

535

00:27:45,866 --> 00:27:48,603

That's Zerry, my warrior queen.

536

00:27:48,736 --> 00:27:50,671

I mean G'Garaur's warrior queen.

537

00:27:50,804 --> 00:27:54,708

How is your beautiful mother?
Tell her hi from Library Gary.

538

00:27:54,842 --> 00:27:56,545

We met in college.

539

00:27:56,677 --> 00:27:58,647

And how do you know Terry?

540

00:27:58,779 --> 00:28:01,815

You're not, uh,
seeing her, are you?

541

00:28:01,949 --> 00:28:03,184

Oh, I saw her this morning.

542

00:28:03,317 --> 00:28:04,619

But that's because
we stayed the night.

543

00:28:04,752 --> 00:28:06,086

And I saw her yesterday.

544

00:28:06,220 --> 00:28:08,657

We've been seeing
a lot of each other, so...

545

00:28:08,789 --> 00:28:10,357

But that's not why we're here.

546

00:28:10,491 --> 00:28:12,661

We're here because I really
need your help, Library Gary.

547

00:28:12,793 --> 00:28:16,130

I'm really trying
to find my old man.

548

00:28:16,263 --> 00:28:19,466

We're a library.
We don't do missing persons.

549

00:28:20,569 --> 00:28:21,835

My mom always talks

550

00:28:21,969 --> 00:28:23,572

about what an amazing
librarian you are.

551

00:28:23,704 --> 00:28:25,072

She does?

552

00:28:25,206 --> 00:28:27,374

Yeah. How you can find
information about anything.

553

00:28:27,509 --> 00:28:28,610

She said that?

554

00:28:28,742 --> 00:28:30,711

Well, sorry, Harold.

555

00:28:30,844 --> 00:28:32,681

Gary can't do it.

556

00:28:32,813 --> 00:28:35,316

My mom will be so disappointed.

557

00:28:36,784 --> 00:28:38,052

Wait.

558

00:28:40,054 --> 00:28:41,488

For your mother...

559

00:28:42,890 --> 00:28:44,325

anything.

560

00:28:44,458 --> 00:28:46,260

All right,

what's your dad's name?

561

00:28:46,393 --> 00:28:47,828

Funny thing, I don't know.

562

00:28:47,962 --> 00:28:49,564

I really don't know. Um...

563

00:28:49,698 --> 00:28:50,931

But I know he's an old man,

564

00:28:51,065 --> 00:28:52,800

and I know

that he's in the Real World.

565

00:28:53,867 --> 00:28:55,069

Okay.

566

00:28:55,202 --> 00:28:56,203

Old man.

567

00:28:56,770 --> 00:28:58,005

Planet Earth.

568

00:28:58,138 --> 00:29:00,841

And that brings up

500 million people.

569

00:29:00,975 --> 00:29:04,345

Um... Ooh, ooh, ooh. Uh...

570

00:29:04,478 --> 00:29:05,614

Say "kind."

571

00:29:05,746 --> 00:29:07,281

-And then...

-Wise.

572

00:29:07,414 --> 00:29:08,449

And "wise."

573

00:29:08,583 --> 00:29:09,618

And he talks like this.

574

00:29:11,485 --> 00:29:13,555

Okay. I'll enter that
into the mainframe.

575

00:29:13,688 --> 00:29:14,989

And clackity-clack-clack.

576

00:29:15,122 --> 00:29:16,625

And none of this is helpful.

577

00:29:16,757 --> 00:29:18,492

Let's go, guys,
we're wasting our time.

578

00:29:18,627 --> 00:29:20,828

I'm just saying

that if this is all you've got,

579

00:29:20,961 --> 00:29:22,296

you're never gonna find him.

580

00:29:24,298 --> 00:29:25,533

Unless...

581

00:29:26,367 --> 00:29:27,535

Unless...

582

00:29:28,570 --> 00:29:29,537

he finds us.

583

00:29:29,671 --> 00:29:30,838

Exactly!

584

00:29:30,971 --> 00:29:32,439

Which is gonna be difficult

585

00:29:32,574 --> 00:29:35,142

because he doesn't know

that we're looking for him.

586

00:29:35,276 --> 00:29:36,343

Unless...

587

00:29:37,746 --> 00:29:39,079

Unless...

588

00:29:44,151 --> 00:29:46,253

-What?

-I don't know. That's-- I was--

589

00:29:46,387 --> 00:29:48,889

Maybe you could fly in the air
in a little plane

590

00:29:49,023 --> 00:29:51,959

and write messages to him
in the sky.

591

00:29:54,461 --> 00:29:57,831

And that's why you
ask a librarian. Genius.

592

00:29:57,965 --> 00:29:59,099

Let's go have some fun.

593

00:29:59,233 --> 00:30:01,035

-Yes.

-Purple crayon.

594

00:30:01,168 --> 00:30:02,570

It's kind of my thing, so...

595

00:30:02,704 --> 00:30:03,638

Cute.

596

00:30:03,772 --> 00:30:05,139

Thank you for your help.

597

00:30:26,561 --> 00:30:27,662

Whoa.

598

00:30:27,796 --> 00:30:29,631

<i>Yes, well, unfortunately,</i>

599

00:30:29,764 --> 00:30:33,200

<i>we've decided to pass</i>

<i>on</i> The Glaive of...

600

00:30:33,334 --> 00:30:35,269

<i>-G'Garaur.</i>

<i>-Whatever.</i>

601

00:30:35,402 --> 00:30:37,739

G'Garaur. It's not that hard.

602

00:30:37,871 --> 00:30:39,006

<i>It is hard.</i>

603

00:30:39,139 --> 00:30:40,374

<i>You don't want a book</i>

604

00:30:40,508 --> 00:30:42,209

<i>where people can't even</i>

<i>say the title.</i>

605

00:30:42,343 --> 00:30:45,580

You're just like all the others,
Yasmin. You don't get it.

606

00:30:45,714 --> 00:30:47,147

My world is bigger

607

00:30:47,281 --> 00:30:51,485

than Hogwarts and Middle-earth
and Narnia combined.

608

00:30:51,619 --> 00:30:53,053

<i>Okay.</i>

609

00:30:55,456 --> 00:30:56,890

<i>Don't know what that means.</i>

610

00:30:57,024 --> 00:30:58,626

It means,
"Thank you for your time.

611

00:30:58,760 --> 00:31:00,861

"I hope you reconsider."

612

00:31:16,009 --> 00:31:17,111

Ta-da!

613

00:31:17,244 --> 00:31:21,281

<i>Harold and the Purple Crayon.</i>

614

00:31:24,952 --> 00:31:26,588

Anybody ever heard the term

615

00:31:26,721 --> 00:31:28,188

"when a moose flies"?

616

00:31:28,322 --> 00:31:32,126

No! 'Cause moose don't fly.

I am a land animal.

617

00:31:32,259 --> 00:31:34,962

Statistically,

planes are safer than cars.

618

00:31:35,095 --> 00:31:37,131

What about a plane
drawn by Harold?

619

00:31:38,132 --> 00:31:41,301

-It's gonna be great.

-It's gonna be great.

620

00:31:41,435 --> 00:31:43,805

Statistically,

what does that mean?

621

00:31:43,937 --> 00:31:48,442

"Harold left a very hungry moose
and a deserving porcupine..."

622

00:31:49,878 --> 00:31:51,011

Hey!

623

00:31:51,145 --> 00:31:53,480

Quiet, please.

This is a library.

624

00:31:55,416 --> 00:31:59,453

With that crayon,
I can show them my world.

625

00:32:08,630 --> 00:32:10,998

Whoa, whoa, whoa, whoa!
Watch out, red light!

626

00:32:11,131 --> 00:32:12,499

Oh!

627

00:32:15,135 --> 00:32:17,806

This is awesome!

628

00:32:17,938 --> 00:32:19,808

-Whoo!

-Look out!

629

00:32:19,940 --> 00:32:21,676

What? I can't--

630

00:32:21,810 --> 00:32:23,444

Actually, hold on a second.

631

00:32:25,012 --> 00:32:26,280

Whoa.

632

00:32:31,786 --> 00:32:34,087

Sorry about that.

What were you saying?

633

00:32:34,221 --> 00:32:35,757

I said, "Look out!"

634

00:32:35,890 --> 00:32:37,157

Oh.

635

00:32:38,593 --> 00:32:40,695

That was close, huh?

636

00:32:44,566 --> 00:32:46,467

We should leave a phone number.

637

00:32:46,601 --> 00:32:49,002

But my mom says that I can't

give my number to strangers.

638

00:32:49,136 --> 00:32:52,072

She didn't say you couldn't
give her number to strangers.

639

00:33:01,081 --> 00:33:03,518

Mmh-mmh.

640

00:33:12,326 --> 00:33:13,795

It's working!

641

00:33:14,562 --> 00:33:18,265

Woo-hoo!

642

00:33:40,120 --> 00:33:41,656

Harold!

643

00:33:41,789 --> 00:33:44,057

Ooh.

Sorry, Moose. Sorry!

644

00:33:47,060 --> 00:33:49,831

Harold! Get me out
the air! Land this thing!

645

00:33:49,964 --> 00:33:51,398

That's not nearly as fun.

646

00:33:51,533 --> 00:33:53,100

Hang on!

647

00:33:56,738 --> 00:33:58,138

Yeah!

648

00:33:59,373 --> 00:34:01,408

See? Now that is fun.

649

00:34:01,543 --> 00:34:02,877

Look, that's my school.

650

00:34:03,011 --> 00:34:05,312

All right!

Let's get you down there.

651

00:34:08,181 --> 00:34:11,118

It looks like it's gonna be
another perfect landing, folks.

652

00:34:11,251 --> 00:34:13,487

So just sit back, relax and--

653

00:34:13,621 --> 00:34:15,122

-Oh!

-Whoa, whoa...

654

00:34:18,826 --> 00:34:20,628

I can't believe
we're still rolling.

655

00:34:20,762 --> 00:34:22,897

I feel like
I'm in a washing machine.

656

00:34:25,934 --> 00:34:27,635

Maybe pie isn't breakfast.

657

00:34:35,108 --> 00:34:36,644

We gotta do that again.

658

00:34:38,046 --> 00:34:39,246

Oh, hey!

659

00:34:39,379 --> 00:34:42,115

-All right.

-Whoa.

660

00:34:42,249 --> 00:34:43,918

Well, good luck

finding your old man.

661

00:34:44,052 --> 00:34:46,386

Thanks. Have fun at school.

662

00:34:49,657 --> 00:34:51,926

-Huh. Look at this.

-Hmm?

663

00:34:56,698 --> 00:34:57,665

Hello.

664

00:34:57,799 --> 00:34:59,867

Hey. I saw your number
in the sky.

665

00:35:00,001 --> 00:35:01,069

What?

666

00:35:01,201 --> 00:35:02,570

I figured it was a sign.

667

00:35:02,704 --> 00:35:04,572

I'm sorry, I don't know
what you're talking about.

668

00:35:04,706 --> 00:35:06,708

I could be your old man
if you'll be my old lady.

669

00:35:06,841 --> 00:35:09,544

I think you have
the wrong number. Okay?

670

00:35:09,677 --> 00:35:11,378

-Hello?

<i>-Hello?</i>

671

00:35:11,512 --> 00:35:13,180

-<i>Hello?</i>

-Hello?

672

00:35:13,313 --> 00:35:16,316

Yeah, uh, I got your message
in the sky.

673

00:35:16,450 --> 00:35:18,620

Let me guess. You're an old man.

674

00:35:18,753 --> 00:35:19,687

<i>Yeah.</i>

675

00:35:19,821 --> 00:35:21,856

-Hello?

-Hello?

676

00:35:21,990 --> 00:35:23,323

<i>-Hello?</i>

-Hello?

677

00:35:23,457 --> 00:35:24,959

How old of a guy

are you looking for?

678

00:35:25,093 --> 00:35:27,562

-Is this some kind of joke?

<i>-No, no, no.</i>

679

00:35:27,695 --> 00:35:29,329

You left me a message

in the sky.

680

00:35:29,463 --> 00:35:30,798

That wasn't me. So...

681

00:35:30,932 --> 00:35:32,132

I can't hear you.

682

00:35:32,265 --> 00:35:34,201

<i>Hello? Hello?</i>

683

00:35:34,334 --> 00:35:35,637

Please stop calling me.

684

00:35:52,820 --> 00:35:55,255

-You're late, Melvin.

-Where've you been, weirdo?

685

00:35:55,389 --> 00:35:56,423

-Give me this.

-Stop.

686

00:35:56,557 --> 00:35:58,526

-Where you goin'?

-Let go of me!

687

00:35:58,660 --> 00:36:00,928

Bro.

688

00:36:01,062 --> 00:36:03,230

You just hit my bro.

689

00:36:03,363 --> 00:36:06,166

What's with the noise?

What's going on?

690

00:36:06,299 --> 00:36:08,335

Principal's office, now.

691

00:36:12,874 --> 00:36:14,174

There it is.

692

00:36:15,208 --> 00:36:17,244

The store that sells everything.

693

00:36:17,377 --> 00:36:19,714

Come on, let's go find Terry.

694

00:36:21,983 --> 00:36:24,686

Oh, Moose! Miniature train ride!

695

00:36:25,119 --> 00:36:26,087

No, Moose!

696

00:36:28,523 --> 00:36:30,525

What?

What are you doin', man?

697

00:36:30,658 --> 00:36:34,327

-Wow.

-Whoa!

698

00:36:35,163 --> 00:36:37,330

This place is next level!

699

00:36:39,133 --> 00:36:41,903

Wow!

700

00:36:43,437 --> 00:36:45,173

This place has everything!

701

00:36:45,305 --> 00:36:47,508

Cheese... balls?

702

00:36:47,642 --> 00:36:50,444

It's like cheese, but puffier.

703

00:36:50,578 --> 00:36:52,847

Wow. Oh,
and they have these things!

704

00:36:52,980 --> 00:36:54,148

Whatever these are.

705

00:36:54,281 --> 00:36:56,784

Like scarves,
but soft and heavy.

706

00:36:56,918 --> 00:36:58,920

Customer needs assistance

707

00:36:59,053 --> 00:37:01,789

-in macrame supplies.

-They have their own narrator.

708

00:37:01,923 --> 00:37:04,458

>...into a night

>of terror for a local couple.

709

00:37:04,592 --> 00:37:06,828

<i>Police are looking</i>

<i>for this woman.</i>

710

00:37:06,961 --> 00:37:09,463

<i>Authorities say the</i>

<i>still-unidentified suspect...</i>

711

00:37:09,597 --> 00:37:11,364

Hello?

712

00:37:11,498 --> 00:37:15,203

Hi. I'm old. I'm, like, 40.

713

00:37:15,335 --> 00:37:17,237

Okay. Can I talk

to your mom, please?

714

00:37:17,370 --> 00:37:19,372

And I just pooped my pants.

715

00:37:23,144 --> 00:37:24,912

Terry.

716

00:37:25,046 --> 00:37:27,882

What did we say
about personal calls?

717

00:37:28,015 --> 00:37:29,316

Oh, it was a wrong num--

718

00:37:29,449 --> 00:37:31,418

I've had like
600 wrong numbers today, sorry.

719

00:37:31,552 --> 00:37:33,087

Terry, I started out
just like you,

720

00:37:33,221 --> 00:37:34,287

busting my hump on the floor.

721

00:37:34,421 --> 00:37:35,623

Right.

722

00:37:35,757 --> 00:37:37,892

But 12 years later...

723

00:37:42,262 --> 00:37:43,430

-I'm a manager.

-Manager.

724

00:37:43,564 --> 00:37:45,633

-Okay? Dreams do come true.

-Yep.

725

00:37:45,767 --> 00:37:47,635

-But you have to work for them.

-Right.

726

00:37:47,769 --> 00:37:49,504

-I have an opportunity for you.

-Mm-hmm.

727

00:37:49,637 --> 00:37:51,139

I've got a backlogged stockroom.

728

00:37:51,271 --> 00:37:54,108

This could be your moment.

Are you ready to take your shot?

729

00:37:54,242 --> 00:37:57,377

-You just try and stop me.

-Great.

730

00:37:57,512 --> 00:37:59,279

-This is your last warning.

-Okay.

731

00:37:59,412 --> 00:38:00,413

Great.

732

00:38:00,548 --> 00:38:02,415

-Good luck.

-Thank you.

733

00:38:02,917 --> 00:38:03,885

'Kay.

734

00:38:04,585 --> 00:38:09,824

Oh, wow!

735

00:38:13,060 --> 00:38:14,896

Feels so good.

736

00:38:15,029 --> 00:38:17,865

So good.

737

00:38:19,332 --> 00:38:20,668

What are you guys doing here?

738

00:38:20,802 --> 00:38:23,037

Hi, Terry.

Hey, did my old man call yet?

739

00:38:23,171 --> 00:38:26,741

Oh, no.

Your old man has not called.

740

00:38:26,874 --> 00:38:28,009

Oh.

741

00:38:28,142 --> 00:38:30,377

But old men are calling me
every 15 seconds.

742

00:38:30,511 --> 00:38:32,747

Do you have something
to do with that?

743

00:38:32,880 --> 00:38:34,682

You guys gotta
get out of here, okay?

744

00:38:34,816 --> 00:38:36,416

I'm this close to losing my job.

745

00:38:36,551 --> 00:38:38,252

Oh, congrats.
You hated this job.

746

00:38:38,385 --> 00:38:40,087

No, I love this job.
Hey, Prasad.

747

00:38:40,822 --> 00:38:43,057

Okay, well, I am very confused.

748

00:38:44,457 --> 00:38:46,194

Will you idiots
stop calling me?

749

00:38:46,326 --> 00:38:48,229

Terry? It's Principal Brady.

750

00:38:48,361 --> 00:38:50,330

-Principal Brady? Hi.

<i>-Yes.</i>

751

00:38:50,463 --> 00:38:51,799

Your son Melvin

752

00:38:51,933 --> 00:38:53,366

has been involved
in an incident in school.

753

00:38:53,500 --> 00:38:54,569

-What?

<i>-He's okay.</i>

754

00:38:54,702 --> 00:38:55,870

But I'm afraid we're gonna

755

00:38:56,003 --> 00:38:57,538

have to send him

home for the day.

756

00:38:57,672 --> 00:39:01,209

Yeah, no, sorry.

I'll be right there. Okay, bye.

757

00:39:01,341 --> 00:39:03,010

Okay, Mel's in trouble

at school,

758

00:39:03,144 --> 00:39:05,646

but I'm gonna lose my job

if I miss this shift.

759

00:39:06,647 --> 00:39:09,183

-When people need help, we help.

-Right.

760

00:39:09,317 --> 00:39:10,785

You know

who I learned that from?

761

00:39:10,918 --> 00:39:12,787

From a lady

who hit us with her car.

762

00:39:12,920 --> 00:39:13,754

Mm-hmm.

763

00:39:13,888 --> 00:39:15,590

Do you know who that lady is?

764

00:39:17,390 --> 00:39:18,960

-You.

-Me.

765

00:39:21,428 --> 00:39:22,830

This is the stockroom.

766

00:39:26,067 --> 00:39:29,337

So you take the boxes,
you look at the label,

767

00:39:29,469 --> 00:39:31,739

and you put them
on the right shelf.

768

00:39:32,840 --> 00:39:34,441

Piece of cake, right?

769

00:39:34,575 --> 00:39:37,111

I'll be back in an hour.

Thank you.

770

00:39:40,815 --> 00:39:43,851

-See? Piece of cake.

-Mm.

771

00:39:49,090 --> 00:39:52,059

I can't take it anymore.

This is soul-crushing.

772

00:39:52,193 --> 00:39:55,696

Oh, God. Having a job in
the Real World is so terrible.

773

00:39:55,830 --> 00:39:58,465

I wouldn't get a job. Why would
anybody wanna get a job?

774

00:39:58,599 --> 00:40:01,235

I don't know. How long
have we been doing this?

775

00:40:01,369 --> 00:40:02,603

-Six minutes!

-Aah!

776

00:40:11,245 --> 00:40:12,647

What happened?

777

00:40:12,780 --> 00:40:15,415

You're not the kind of kid
who gets into fights.

778

00:40:15,549 --> 00:40:16,751

It was an accident.

779

00:40:16,884 --> 00:40:18,619

They tried to take my whistle.

780

00:40:18,753 --> 00:40:21,722

Okay. Well, I think

you should forget about Carl

781

00:40:21,856 --> 00:40:24,592

and start making

real friends. Okay?

782

00:40:25,259 --> 00:40:26,560

Harold believes in Carl.

783

00:40:26,694 --> 00:40:28,996

Well, maybe

we shouldn't take life advice

784

00:40:29,130 --> 00:40:31,933

from a person

that does crayon magic.

785

00:40:33,301 --> 00:40:34,735

We are here to help.

786

00:40:34,869 --> 00:40:36,837

Do you need-- Nope,
you don't need any help. Okay.

787

00:40:36,971 --> 00:40:39,439

Come on, Moose.

This'll be way more fun.

788

00:40:43,611 --> 00:40:45,646

Whoa!

789

00:40:45,780 --> 00:40:47,515

<i>Apples to zesters</i>

790

00:40:47,648 --> 00:40:48,616

<i>and everything in between.</i>

791

00:40:48,749 --> 00:40:51,218

<i>Ollie's is here for your needs.</i>

792

00:40:51,819 --> 00:40:53,854

I look glorious.

793

00:40:53,988 --> 00:40:56,891

Oh, how I miss my antlers.

794

00:40:57,024 --> 00:40:59,327

<i>Cashier to checkout 7.</i>

795

00:40:59,459 --> 00:41:00,594

<i>Cashier to checkout...</i>

796

00:41:02,462 --> 00:41:04,899

Chewing sounds.

797

00:41:10,972 --> 00:41:12,406

Oh...

798

00:41:15,475 --> 00:41:16,777

Uh...

799

00:41:17,278 --> 00:41:19,613

Whoa. Whoa...

800

00:41:19,747 --> 00:41:22,450

Ah, perfect.

Hey, do you guys sell Pumas?

801

00:41:22,583 --> 00:41:25,853

Uh, you know, I'm not sure.

But shouldn't be a problem.

802

00:41:25,987 --> 00:41:27,254

Fly!

803

00:41:27,388 --> 00:41:29,489

Fly, fly!

804

00:41:36,163 --> 00:41:37,164

Enjoy!

805

00:41:38,165 --> 00:41:41,602

I am getting
really good at this!

806

00:41:42,103 --> 00:41:43,938

Fly! Fly!

807

00:41:44,605 --> 00:41:46,240

Whoa!

808

00:41:46,374 --> 00:41:48,275

-This is insane!

-Oh, Shawn!

809

00:41:48,409 --> 00:41:51,012

-Honey! Shawn, honey!

-Whoa!

810

00:41:52,079 --> 00:41:54,949

I'm flying!

811

00:41:58,252 --> 00:41:59,920

Awesome!

812

00:42:00,054 --> 00:42:01,122

Oh!

813

00:42:05,726 --> 00:42:07,828

Whoa...

814

00:42:13,734 --> 00:42:15,736

This is fun, Mom!

815

00:42:17,004 --> 00:42:18,005

Whoa!

816

00:42:53,841 --> 00:42:56,010

Hurry up.

Please evacuate the building.

817

00:42:56,143 --> 00:42:59,113

I'm gonna sue you.

And I'm taking these bowls.

818

00:43:00,714 --> 00:43:03,184

-But, Mom, I wanna do it again.

-Shh!

819

00:43:03,651 --> 00:43:06,087

But, Mom!

820

00:43:06,220 --> 00:43:09,023

How did you even do this?

I actually wanna know.

821

00:43:09,156 --> 00:43:11,692

-That's a valid question.

-Yeah. I--

822

00:43:11,826 --> 00:43:14,995

Do not say anything
about magic crayons.

823

00:43:15,963 --> 00:43:17,331

What were you thinking?

824

00:43:17,465 --> 00:43:19,166

Oh, honestly, I don't do

a lot of thinking.

825

00:43:19,300 --> 00:43:21,469

-I'm more of an improv guy.

-True.

826

00:43:21,602 --> 00:43:22,870

Good news, Terry.

827

00:43:23,003 --> 00:43:24,638

Police are all over
the security tapes.

828

00:43:24,772 --> 00:43:27,842

They'll find out who did this,
and when they do...

829

00:43:27,975 --> 00:43:29,810

...it will not be pretty.

830

00:43:30,579 --> 00:43:31,879

Who are you guys?

831

00:43:32,012 --> 00:43:33,414

We're friends of Terry's,
just filling in.

832

00:43:33,548 --> 00:43:37,017

But I gotta be honest,
your job is super boring.

833

00:43:37,151 --> 00:43:38,819

No wonder you hate it so much.

834

00:43:45,025 --> 00:43:48,028

You do sell pumas, right?
I wasn't wrong about that?

835

00:43:51,065 --> 00:43:52,867

We're really, really sorry.
Is there...

836

00:43:53,000 --> 00:43:54,935

Yeah, is there anything
we can do?

837

00:43:55,069 --> 00:43:57,938

You guys have done plenty.

I think you can stop.

838

00:44:00,007 --> 00:44:03,177

Mom, you did ask them to help.

They did their best.

839

00:44:03,844 --> 00:44:05,646

Besides, you hated that job.

840

00:44:05,779 --> 00:44:07,948

I'm just saying,

maybe now you can find something

841

00:44:08,082 --> 00:44:09,717

that makes you happy.

842

00:44:12,453 --> 00:44:13,921

Please?

843

00:44:14,922 --> 00:44:17,725

I did always
wanna trash that place.

844
00:44:19,226 --> 00:44:20,261
Okay.

845
00:44:20,728 --> 00:44:21,996
Come on.

846
00:44:28,202 --> 00:44:30,605
You ever look at your life
and go,

847
00:44:30,738 --> 00:44:32,139
"How'd I end up here?"

848
00:44:32,273 --> 00:44:34,576
I'm asking myself
that question right now.

849
00:44:34,708 --> 00:44:37,311
Yeah, I thought I was
gonna be a concert pianist.

850

00:44:37,444 --> 00:44:38,879

Wait a second.

851

00:44:39,013 --> 00:44:40,181

Maybe working at Ollie's
wasn't your true passion.

852

00:44:40,314 --> 00:44:41,516

Ya think?

853

00:44:41,650 --> 00:44:44,418

Terry, you need to play piano.
It's who you are.

854

00:44:44,553 --> 00:44:48,557

I don't know, I haven't really
played since my husband died.

855

00:44:48,689 --> 00:44:49,990

I'm a little rusty.

856

00:44:51,225 --> 00:44:52,293

Ice cream truck.

857

00:44:52,426 --> 00:44:55,029

Ice cream truck.

We love ice cream, don't we?

858

00:44:55,796 --> 00:44:58,699

Yeah, yeah, we love ice cream.

859

00:44:58,832 --> 00:45:00,801

Ice cream sounds great.

Let's go. Let's go.

860

00:45:00,935 --> 00:45:02,903

Let's get this ice cream.

Come on, Terry.

861

00:45:03,037 --> 00:45:04,905

I don't like it that much.

862

00:45:22,489 --> 00:45:23,724

Um...

863

00:45:24,458 --> 00:45:25,859

How did-- You know what?

864

00:45:25,993 --> 00:45:29,096

I'm not even gonna ask anymore.

This is incredible.

865

00:45:29,230 --> 00:45:30,297

I mean...

866

00:45:30,431 --> 00:45:32,266

Play for us, please.

867

00:45:33,000 --> 00:45:34,536

I don't do that anymore.

868

00:45:34,669 --> 00:45:37,838

Come on, Mom.

You haven't played for so long.

869

00:45:37,972 --> 00:45:40,140

Dad and I used to love it.

Please?

870

00:46:08,637 --> 00:46:11,640

Do these guys

look like criminals to you?

871

00:46:13,007 --> 00:46:14,775

They look like morons.

872

00:46:14,908 --> 00:46:16,578

There's something more to this.

873

00:46:16,711 --> 00:46:18,012

I have witnesses saying

874

00:46:18,145 --> 00:46:20,014

they saw him

making things out of thin air.

875

00:46:20,147 --> 00:46:22,416

You gotta humor the crazies.

876

00:46:24,719 --> 00:46:28,289

Ah. Harold. What a trail of
clues you have left.

877

00:46:39,366 --> 00:46:40,401

Harold?

878

00:46:42,903 --> 00:46:43,904

-Harold?

-Mmh-mmh.

879

00:46:45,839 --> 00:46:47,107

Harold?

880

00:46:47,742 --> 00:46:49,544

Miss? Can I help you?

881

00:46:50,844 --> 00:46:52,012

Yes!

882

00:46:52,146 --> 00:46:53,947

Thank God

someone's offering help.

883

00:46:54,081 --> 00:46:55,249

I was beginning to think

884

00:46:55,382 --> 00:46:57,251

the Real World

was full of meanies.

885

00:46:57,384 --> 00:47:00,755

Don't do that.

Crayons are for paper, sweetie.

886

00:47:00,888 --> 00:47:02,956

Uh...

887

00:47:03,090 --> 00:47:04,358

Sorry, what did you just say?

888

00:47:04,491 --> 00:47:06,894

She can't just draw

wherever she wants.

889

00:47:07,027 --> 00:47:09,897

Well, you have no idea
what that could've been.

890

00:47:10,030 --> 00:47:11,465

Don't listen to her, mate.

891

00:47:11,599 --> 00:47:14,101

Crayons aren't just for paper.
They are for everywhere.

892

00:47:14,234 --> 00:47:16,103

I can't wait to see
what you make.

893

00:47:16,236 --> 00:47:17,438

If you aren't here to eat,

894

00:47:17,572 --> 00:47:19,406

I'm gonna have to
ask you to leave.

895

00:47:22,042 --> 00:47:23,310

Oh, I'll eat.

896

00:47:33,187 --> 00:47:35,155

You're gonna have to leave now.

897

00:47:39,326 --> 00:47:40,461

Hey!

898

00:47:54,375 --> 00:47:56,711

I'm telling you,
this is all connected.

899

00:48:04,918 --> 00:48:06,220

That's her!

900

00:48:08,723 --> 00:48:10,958

You! Get back here!

901

00:48:51,999 --> 00:48:53,500

So good!

902

00:48:53,635 --> 00:48:56,403

No, that was all her.

Well, I mean, I made the piano.

903

00:48:56,538 --> 00:48:58,740

-Harold, Moose, hi.

-Oh, hi.

904

00:48:58,873 --> 00:49:01,241

-Oh, Terry.

-Hi, Gary.

905

00:49:01,375 --> 00:49:03,912

Your music was a golden elixir,

906

00:49:04,044 --> 00:49:06,447

and I drank

until I was intoxicated.

907

00:49:06,947 --> 00:49:08,516

Did you, now?

908

00:49:09,016 --> 00:49:10,217

Thanks, Gary.

909

00:49:10,350 --> 00:49:12,352

Harold, I have wonderful news.

910

00:49:12,486 --> 00:49:14,622

I think I know

who your old man is.

911

00:49:14,756 --> 00:49:17,191

You know who my-- You do?

He does!

912

00:49:17,324 --> 00:49:18,893

Oh, Gary, you're the best.

913

00:49:19,026 --> 00:49:20,327

It'll take some explaining,

914

00:49:20,461 --> 00:49:21,930

so follow me

and I'll tell you everything.

915

00:49:22,062 --> 00:49:23,731

Okay. Okay.

916

00:49:23,865 --> 00:49:25,199

W-W-Wait.

917

00:49:25,332 --> 00:49:27,201

Why do you wanna
help them all of a sudden?

918

00:49:27,334 --> 00:49:29,069

I'm a nice person.

919

00:49:29,203 --> 00:49:30,270

Well, I'm coming, too.

920

00:49:30,404 --> 00:49:31,972

No, no, no, no, honey.

921

00:49:32,105 --> 00:49:33,541

You've had enough excitement
for one day. We gotta go home.

922

00:49:33,675 --> 00:49:35,743

Yes, Mel,

I think it's past your bedtime.

923

00:49:35,877 --> 00:49:36,911

What a wonderful boy.

924

00:49:37,044 --> 00:49:38,278

Thank you.

925

00:49:38,412 --> 00:49:42,216

He could use

a father figure, perhaps.

926

00:49:43,150 --> 00:49:45,520

Um, okay.

Are you sure you're all right?

927

00:49:45,653 --> 00:49:47,655

Terry, you've done

more than enough.

928

00:49:47,789 --> 00:49:49,089

Let Gary carry this burden.

929

00:49:49,223 --> 00:49:51,291

I know exactly what to do.

930

00:49:51,960 --> 00:49:53,494

He knows exactly what to do!

931

00:49:54,662 --> 00:49:55,730

Ready?

932

00:49:56,731 --> 00:49:58,265

When someone
tells a story,

933

00:49:58,398 --> 00:49:59,901

they create a whole world.

934

00:50:00,033 --> 00:50:02,904

And usually, the characters
stay there in that world.

935

00:50:03,036 --> 00:50:06,306

What... What are you...

What are you talking about?

936

00:50:06,440 --> 00:50:11,613

This is the world

that you come from.

937

00:50:18,252 --> 00:50:20,788

Moose, that's us.

That's me, that's you.

938

00:50:20,922 --> 00:50:22,824

Oh, this is incredible.

939

00:50:23,591 --> 00:50:25,058

It's a whole book about us.

940

00:50:25,192 --> 00:50:28,061

Do you know

what brought you two to life?

941

00:50:28,195 --> 00:50:30,030

It's what your crayon

is made of.

942

00:50:30,163 --> 00:50:35,168

The most mysterious, powerful,

extraordinary stuff on earth.

943

00:50:35,737 --> 00:50:36,671

Wax.

944

00:50:36,804 --> 00:50:38,806

Pure imagination.

945

00:50:40,875 --> 00:50:43,645

Oh, that is so cool.

946

00:50:43,778 --> 00:50:46,446

I wanna go home. I miss home.

You know somethin'?

947

00:50:46,881 --> 00:50:48,016

I'm goin' in.

948

00:50:48,148 --> 00:50:49,149

That's...

949

00:50:49,283 --> 00:50:51,251

Let me in, book.

I wanna go home!

950

00:50:52,119 --> 00:50:53,287

I gotta step in it, maybe.

951

00:50:53,420 --> 00:50:54,622

That's not gonna work.

952

00:50:54,756 --> 00:50:56,791

And that's a \$12 fine.

953

00:50:56,925 --> 00:50:58,492

Soiling.

954

00:51:01,328 --> 00:51:03,765

"By Crockett Johnson."

The Narrator, Crockett Johnson!

955

00:51:03,898 --> 00:51:05,098

This is my old man.

956

00:51:05,232 --> 00:51:06,801

Moose, we finally

know who it is!

957

00:51:13,206 --> 00:51:14,742

Porcupine?

958

00:51:14,876 --> 00:51:16,410

Porcupine, is that you?

959

00:51:16,544 --> 00:51:17,545

Harold?

960

00:51:17,679 --> 00:51:19,047

Yes! Harold!

961

00:51:19,179 --> 00:51:21,214

I knew it! I knew I'd find you!

962

00:51:21,348 --> 00:51:23,618

Oh, my goodness!

963

00:51:24,919 --> 00:51:25,853

-Moose?

-Yeah!

964

00:51:25,987 --> 00:51:27,220

Porcupine, it's you?

965

00:51:27,354 --> 00:51:29,657

Look at you. You in human form.

966

00:51:29,791 --> 00:51:32,092

I know,

it's so weird!

967

00:51:32,225 --> 00:51:33,761

I love having these.

968

00:51:33,895 --> 00:51:36,096

I'm not really comfortable yet.

I miss my hooves, you know?

969

00:51:36,229 --> 00:51:37,665

Yeah, no, I miss my quills.

970

00:51:37,799 --> 00:51:39,901

It's so good having

the gang back together again.

971

00:51:40,034 --> 00:51:41,035

I know!

972

00:51:42,870 --> 00:51:45,305

You are under arrest

for breaking and entering!

973

00:51:45,439 --> 00:51:46,608

Is there a problem here?

974

00:51:46,741 --> 00:51:48,475

That porcupine
is a friend of ours.

975

00:51:53,681 --> 00:51:56,618

Uh, would it be possible
for me to get my crayon back?

976

00:51:57,852 --> 00:51:59,587

Tell y'all somethin',
moose do not belong in jail.

977

00:51:59,721 --> 00:52:02,289

I really don't like
the Real World at all.

978

00:52:02,422 --> 00:52:03,891

I just wanna go home so bad.

979

00:52:04,025 --> 00:52:06,060

Moose, relax. We can fix this.
We just need a plan.

980

00:52:06,193 --> 00:52:08,730

Whatever the plan is, can you
not leave me behind this time?

981

00:52:08,863 --> 00:52:11,599

No, of course not.

Hey, hey. Come here, come here.

982

00:52:11,733 --> 00:52:14,535

It's Harold and Moose
and Porcupine, okay?

983

00:52:14,669 --> 00:52:17,471

We're gonna figure out how to
get our world back together.

984

00:52:17,605 --> 00:52:20,207

We just gotta
get that crayon first.

985

00:52:31,052 --> 00:52:32,553

How do you do?

986

00:52:35,222 --> 00:52:39,027

You cannot keep me up in here!

Keep me locked up in here!

987

00:52:39,159 --> 00:52:40,260

Do you know what I am?

988

00:52:40,394 --> 00:52:41,863

You better get down!

989

00:52:41,996 --> 00:52:43,931

You're so lucky

you don't have a face full

990

00:52:53,908 --> 00:52:56,376

-Hey, what are you doing?

-Whoa, whoa...

991

00:53:01,816 --> 00:53:05,153

Come on, come on! Let me in!

Open up! Let me in!

992

00:53:05,285 --> 00:53:07,555

Come on, Moose!

Come on, hurry, hurry!

993

00:53:09,057 --> 00:53:10,490

You left the door open?

994

00:53:13,594 --> 00:53:16,764

Okay. How do we
get through that wall? Ooh.

995

00:53:18,498 --> 00:53:21,401

Yeah!

I can't believe that worked!

996

00:53:27,307 --> 00:53:29,577

I need to get some crayons.

997

00:53:32,446 --> 00:53:33,548

Okay, class.

998

00:53:33,681 --> 00:53:35,750

Time is up. Pencils down.

999

00:53:43,591 --> 00:53:45,492

Can I go to the bathroom?

1000

00:53:48,796 --> 00:53:51,632

-Hey.

-Hey! Give it back.

1001

00:53:51,766 --> 00:53:54,401

Why? Is your pet dragon
gonna hurt me?

1002

00:53:55,203 --> 00:53:57,071

This isn't funny. Give it back.

1003

00:53:57,205 --> 00:53:59,073

See ya later.

1004

00:53:59,207 --> 00:54:00,808

No, no, no!

1005

00:54:01,642 --> 00:54:03,144

Come on, let me out.

1006

00:54:03,578 --> 00:54:05,980

Ah...

1007

00:54:14,354 --> 00:54:15,990

Look, check out
this stupid whistle.

1008

00:54:16,124 --> 00:54:18,226

It doesn't even work.

1009

00:54:27,902 --> 00:54:30,872

Let's get out of here!

1010

00:54:48,022 --> 00:54:49,791

Mel, what did you do?

1011

00:54:53,194 --> 00:54:54,629

Sorry, Ms. Hemm.

1012

00:54:56,631 --> 00:54:58,065

Thanks, Carl.

1013

00:54:58,866 --> 00:55:00,768

Don't let anybody see you, okay?

1014

00:55:06,406 --> 00:55:08,810

That's cool.

1015

00:55:09,610 --> 00:55:11,444

-Mel! Hey!

-Ha-ha!

1016

00:55:11,579 --> 00:55:12,647

Harold, Moose!

1017

00:55:12,780 --> 00:55:14,282

And Porcupine. Nice to meet you.

1018

00:55:14,414 --> 00:55:16,250

Hi, Porcupine.

1019

00:55:16,383 --> 00:55:17,718

Did you find your dad?

1020

00:55:17,852 --> 00:55:19,319

Yes! His name

is Crockett Johnson.

1021

00:55:19,452 --> 00:55:20,988

-Johnson.

-Gary was helping us.

1022

00:55:21,122 --> 00:55:22,256

Then we all got arrested, which
is a story for another time.

1023

00:55:22,389 --> 00:55:23,825

Found him.

1024

00:55:23,958 --> 00:55:25,660

His house is only like
20 minutes away from here.

1025

00:55:25,793 --> 00:55:28,461

Oh, that's perfect! Let's get
out of here. Come on, Mel.

1026

00:55:28,596 --> 00:55:30,865

Whoa, whoa, whoa.

I have thumbs now. I drive.

1027

00:55:33,034 --> 00:55:35,368

Um, have you ever

driven a motorcycle before?

1028

00:55:35,502 --> 00:55:38,072

I'm a porcupine.

I've never done anything before.

1029

00:55:46,214 --> 00:55:48,348

Slow down, Porcupine!

1030

00:56:00,528 --> 00:56:02,897

Can you believe

I've never done this before?

1031

00:56:03,030 --> 00:56:04,065

Yes, I can.

1032

00:56:04,198 --> 00:56:06,133

Look at the road.

Look at the road.

1033

00:56:32,492 --> 00:56:33,861

<i>Shaknathar!</i>

1034

00:56:33,995 --> 00:56:36,931

Well, what do you mean

he ran away?

1035

00:56:37,064 --> 00:56:38,866

Okay. Thank you.

1036

00:57:14,001 --> 00:57:16,604

Hello. Welcome to

the Crockett Johnson House.

1037

00:57:16,737 --> 00:57:17,939

Are you fans of his work?

1038

00:57:18,072 --> 00:57:21,142

Yeah. Yeah. You could say that.

1039

00:57:21,275 --> 00:57:22,944

We've traveled a long way
to get here.

1040

00:57:23,077 --> 00:57:24,845

And I just can't wait
to meet him face-to-face.

1041

00:57:24,979 --> 00:57:27,315

Oh, well, this is a museum now.

1042

00:57:27,447 --> 00:57:29,449

Crockett Johnson passed away.

1043

00:57:30,518 --> 00:57:32,119

Passed away?

1044

00:57:34,588 --> 00:57:36,924

He's not alive anymore, Harold.

1045

00:57:37,425 --> 00:57:39,226

It's like my dad.

1046

00:57:39,360 --> 00:57:41,461

I'd be more than happy
to give you a tour.

1047

00:57:41,595 --> 00:57:42,863

No, that's okay.

1048

00:57:43,898 --> 00:57:46,000

Thank you. Have a good day.

1049

00:57:46,133 --> 00:57:47,635

Thanks. You, too.

1050

00:57:50,671 --> 00:57:51,973

I'm sorry, Harold.

1051

00:57:55,475 --> 00:57:57,645

That's the end of the story.

1052

00:58:04,484 --> 00:58:06,087

Mel! Mel!

1053

00:58:06,220 --> 00:58:07,588

Come here.

1054

00:58:07,722 --> 00:58:09,724

What happened? Are you okay?

I was so worried.

1055

00:58:09,857 --> 00:58:11,692

The principal called and said

you trashed the school

1056

00:58:11,826 --> 00:58:12,793

and you ran away?

1057

00:58:12,927 --> 00:58:14,295

No, it wasn't me. It was Carl.

1058

00:58:14,428 --> 00:58:15,997

What is going on with you?

1059

00:58:16,130 --> 00:58:17,698

We found out that Harold
is from a book,

1060

00:58:17,832 --> 00:58:19,533

so we came here to find his dad.

1061

00:58:19,667 --> 00:58:21,335

Mel, go wait in the car.

1062

00:58:21,469 --> 00:58:23,604

-But, Mom, Harold was--

-Just go!

1063

00:58:26,540 --> 00:58:27,742

Go.

1064

00:58:30,811 --> 00:58:32,813

Look, I don't know
what's going on here,

1065

00:58:32,947 --> 00:58:34,615

or whether you're just crazy.

1066

00:58:34,749 --> 00:58:36,017

But ever since you showed up,

1067

00:58:36,150 --> 00:58:37,785

our lives have been

turned upside down.

1068

00:58:37,918 --> 00:58:39,553

I have a kid to protect.

1069

00:58:39,687 --> 00:58:40,821

And you're filling his head

with stuff

1070

00:58:40,955 --> 00:58:42,523

that's not good for him.

1071

00:58:42,656 --> 00:58:45,593

So, I'm gonna have to ask you

to stay away from me and my son.

1072

00:58:45,726 --> 00:58:47,128

Just leave us alone.

1073

00:58:53,534 --> 00:58:54,835

I'm sorry.

1074

00:58:56,971 --> 00:58:59,740

I was wrong about everything.

1075

00:59:08,649 --> 00:59:10,017

Porcupine?

1076

00:59:11,786 --> 00:59:14,755

It's disappeared.

1077

00:59:14,889 --> 00:59:16,257

-Harold.

-What do we do?

1078

00:59:16,390 --> 00:59:17,825

It's over.

1079

00:59:17,958 --> 00:59:19,960

What do you mean it's over?

You can do anything.

1080

00:59:20,094 --> 00:59:21,195

No, I can't.

1081

00:59:21,929 --> 00:59:23,097

It was the Old Man.

1082

00:59:23,230 --> 00:59:24,832

It was his book.

It was his world.

1083

00:59:24,965 --> 00:59:28,135

I'm just a dumb drawing
drawing other dumb drawings.

1084

00:59:29,403 --> 00:59:30,938

So is that what we are?

1085

00:59:31,605 --> 00:59:33,274

Just some dumb drawings?

1086

00:59:34,341 --> 00:59:35,709

I'm sorry.

1087

00:59:42,783 --> 00:59:44,051

Moose?

1088

00:59:45,786 --> 00:59:47,054

Porcupine?

1089

00:59:49,356 --> 00:59:50,357

No.

1090

00:59:53,194 --> 00:59:54,195

No.

1091

01:00:37,471 --> 01:00:38,973

Oh, Old Man.

1092

01:00:41,142 --> 01:00:43,844

You never should have

given me this.

1093

01:01:17,311 --> 01:01:18,245

Harold.

1094

01:01:20,848 --> 01:01:22,983

How are you doing, my friend?

1095

01:01:33,761 --> 01:01:35,329

Mom?

1096

01:01:35,462 --> 01:01:37,731

I've got a bad feeling.

I think Harold's in trouble.

1097

01:01:37,865 --> 01:01:39,900

No, the only one

who's in trouble is you.

1098

01:01:40,034 --> 01:01:42,403

And I don't want to hear

any more about Harold.

1099

01:01:42,537 --> 01:01:43,737

Get in the car.

1100

01:01:52,846 --> 01:01:55,883

Mom! Mom, everything Harold drew
is disappearing.

1101

01:01:56,016 --> 01:01:58,152

I'm serious, Mom.
Something's wrong.

1102

01:01:58,285 --> 01:02:00,988

I don't trust Gary.
He's up to something.

1103

01:02:01,121 --> 01:02:02,923

We gotta help. And I need Carl.

1104

01:02:03,057 --> 01:02:04,626

-Give me the whistle.
-Mom.

1105

01:02:04,792 --> 01:02:06,193

Give it to me.

1106

01:02:20,741 --> 01:02:22,409

You've let everyone down.

1107

01:02:22,544 --> 01:02:24,311

But without anyone to guide you,

1108

01:02:24,445 --> 01:02:28,015

you were bound

to mess things up.

1109

01:02:28,148 --> 01:02:31,686

You can't use the crayon all

by yourself. It's too powerful.

1110

01:02:31,819 --> 01:02:33,655

Let me guide your story.

1111

01:02:33,787 --> 01:02:36,423

My stuff's a little darker.

It's for ages 14 and up.

1112

01:02:36,558 --> 01:02:38,492

But I can do it.

1113

01:02:39,159 --> 01:02:42,129

Harold, I can help you.

1114

01:02:43,931 --> 01:02:45,432

Give me the crayon.

1115

01:03:24,872 --> 01:03:27,408

I'm a creative person.

1116

01:03:27,542 --> 01:03:29,243

I create worlds.

1117

01:03:29,376 --> 01:03:32,980

If you'd read my book,
you would know that this...

1118

01:03:33,648 --> 01:03:35,349

is the Dungeon of Azgarach.

1119

01:03:37,951 --> 01:03:42,256

Oh! These are strange,
cool bracelets.

1120

01:03:42,389 --> 01:03:45,760

Well, I'm glad you like them.

1121

01:03:45,893 --> 01:03:48,228

You're going to be wearing them
for a very long time.

1122

01:03:55,336 --> 01:03:57,104

All of the people
who rejected me,

1123

01:03:57,237 --> 01:04:00,107

I'll show them
how wrong they were.

1124

01:04:00,240 --> 01:04:03,444

Now they'll see
what Library Gary is capable of.

1125

01:04:03,578 --> 01:04:05,379

No, Gary, that's not
what the crayon is for.

1126

01:04:05,513 --> 01:04:07,716

You're supposed to use it
to make people happy.

1127

01:04:07,848 --> 01:04:10,184

Revenge will make me happy.

1128

01:04:22,162 --> 01:04:23,364

Harold? Ah!

1129

01:04:25,232 --> 01:04:26,668

Gary, leave him alone.
Let him go.

1130

01:04:26,801 --> 01:04:28,969

I really feel like I've gone
too far down this path

1131

01:04:29,103 --> 01:04:30,337

to turn back now.

1132

01:04:30,471 --> 01:04:32,172

I know Terry

is going to be distraught

1133

01:04:32,306 --> 01:04:33,974

about her missing son,

of course,

1134

01:04:34,108 --> 01:04:35,844

but don't worry.

1135

01:04:35,976 --> 01:04:39,012

Library Gary will comfort her.

1136

01:04:39,146 --> 01:04:41,616

Maybe someday

I'll even draw her a new son.

1137

01:04:41,750 --> 01:04:43,384

A cool one that looks like me.

1138

01:04:43,518 --> 01:04:45,986

You're a seriously
messed-up guy, Gary.

1139

01:04:46,120 --> 01:04:47,921

Oh, yeah? How about this?

1140

01:04:49,390 --> 01:04:51,425

How about what? How about what?

1141

01:05:07,307 --> 01:05:10,310

The Real World is nothing
like I imagined it.

1142

01:05:13,447 --> 01:05:14,448

No.

1143

01:05:20,655 --> 01:05:21,656

Mel?

1144

01:05:23,123 --> 01:05:24,559

Can we talk?

1145

01:05:27,394 --> 01:05:28,429

Mel--

1146

01:05:28,897 --> 01:05:30,097

Mel?

1147

01:05:35,135 --> 01:05:37,438

Now the world will gaze upon me

1148

01:05:38,272 --> 01:05:40,374

and be impressed.

1149

01:05:40,508 --> 01:05:43,310

Onward, Thrahaknahr!

1150

01:05:52,319 --> 01:05:54,254

I'm so sorry, Mel.

1151

01:05:55,890 --> 01:05:57,525

I can't draw us out of this one.

1152

01:05:57,659 --> 01:05:59,727

I really messed up.

1153

01:05:59,861 --> 01:06:04,164

No, you didn't.

You made things a lot better.

1154

01:06:05,834 --> 01:06:07,401

You believed in me.

1155

01:06:08,670 --> 01:06:10,003

And my mom.

1156

01:06:10,137 --> 01:06:11,405

And Carl.

1157

01:06:14,441 --> 01:06:16,410

Just believe in yourself.

1158

01:06:17,411 --> 01:06:19,046

I do.

1159

01:06:23,317 --> 01:06:25,486

And we *can* draw
our way out of here.

1160

01:07:05,425 --> 01:07:06,528

Hey! Hey!

1161

01:07:06,661 --> 01:07:09,229

Hyah!

1162

01:07:09,363 --> 01:07:11,198

Let's go get him.

1163

01:07:16,871 --> 01:07:18,171

Hyah!

1164

01:07:18,305 --> 01:07:22,109

Upon this rock
I shall erect my kingdom.

1165

01:07:35,222 --> 01:07:37,592

That was fun, right?

Go hide, go hide.

1166

01:07:39,159 --> 01:07:40,427

How did you get out?

1167

01:07:41,596 --> 01:07:42,730

With this.

1168

01:07:45,900 --> 01:07:47,467

Mine's bigger.

1169

01:07:47,602 --> 01:07:50,605

Look, Gary, it doesn't belong
to you, okay? Give it back.

1170

01:07:50,738 --> 01:07:53,473

Mm. Sorry.

I can't do that, Harold.

1171

01:08:24,072 --> 01:08:25,272

Draw.

1172

01:08:32,279 --> 01:08:33,715

Huh?

1173

01:08:41,154 --> 01:08:43,223

Yay for Harold!

1174

01:09:10,918 --> 01:09:12,452

Ow.

1175

01:09:22,730 --> 01:09:24,364

Fire!

1176

01:09:24,498 --> 01:09:25,900

Harold, look out!

1177

01:09:35,643 --> 01:09:36,944

Oh! Oh!

1178

01:09:42,617 --> 01:09:44,652

You'll have to do

better than that.

1179

01:09:50,158 --> 01:09:51,425

That was better.

1180

01:09:54,962 --> 01:09:57,131

No! No! No.

1181

01:09:57,264 --> 01:09:58,498

No. No.

1182

01:09:58,633 --> 01:09:59,701

-Give me the crayon.

-No.

1183

01:09:59,834 --> 01:10:01,201

-Yes.

-Never!

1184

01:10:01,334 --> 01:10:03,336

Gary! No, no...

1185

01:10:04,839 --> 01:10:05,873

Mm-mm.

1186

01:10:08,776 --> 01:10:10,945

Gary! Everyone knows
you don't eat crayons.

1187

01:10:11,445 --> 01:10:12,847

Not good.

1188

01:10:21,756 --> 01:10:23,256

The power.

1189

01:10:24,357 --> 01:10:25,660

I feel it.

1190

01:10:43,745 --> 01:10:45,412

Where is he?

1191

01:10:45,546 --> 01:10:47,215

Gary, where are you?

1192

01:10:47,347 --> 01:10:49,282

There is no Gary.

1193

01:10:53,755 --> 01:10:56,356

Only G'Garaur.

1194

01:10:58,693 --> 01:11:00,862

Mel! Oh, my God. Are you okay?

1195

01:11:00,995 --> 01:11:03,330

I was so worried.

What is happening here?

1196

01:11:03,463 --> 01:11:05,199

Mom, Gary swallowed the crayon.

1197

01:11:05,332 --> 01:11:06,701

I think he's

trying to kill Harold.

1198

01:11:10,872 --> 01:11:12,607

-We have to get out of here.

-Yeah.

1199

01:11:12,740 --> 01:11:14,742

Terry, don't go.

1200

01:11:14,876 --> 01:11:16,343

Come. Join me.

1201

01:11:16,476 --> 01:11:18,946

So that we may
rule over this land.

1202

01:11:19,080 --> 01:11:22,016

Man and woman.

1203

01:11:22,784 --> 01:11:24,852

-No thank you.

-Really?

1204

01:11:24,986 --> 01:11:27,755

Yup. No.

I do like your new hair though.

1205

01:11:31,926 --> 01:11:34,327

I'll show you

what you're missing.

1206

01:11:43,070 --> 01:11:44,572

The glaive...

1207

01:11:45,940 --> 01:11:47,775

of G'Garaur!

1208

01:11:50,144 --> 01:11:51,411

Run!

1209

01:11:55,382 --> 01:11:56,651

Watch out!

1210

01:12:03,991 --> 01:12:04,992

Harold!

1211

01:12:07,327 --> 01:12:08,529

Watch out!

1212

01:12:12,834 --> 01:12:14,035

Harold!

1213

01:12:14,168 --> 01:12:15,269

Oh, no!

1214

01:12:19,907 --> 01:12:23,744

Hey. I should have believed you
a long time ago.

1215

01:12:30,184 --> 01:12:33,554

You see, Harold,
this power was meant for me.

1216

01:12:46,701 --> 01:12:48,803

Sic him, Carl!

1217

01:12:59,379 --> 01:13:01,682

Oh. Not the hair.

1218

01:13:01,816 --> 01:13:05,052

That is the only thing
she likes about me.

1219

01:13:14,262 --> 01:13:15,830

Carl!

1220

01:13:17,031 --> 01:13:18,633

No!

1221

01:13:18,766 --> 01:13:20,001

No, Gary. You have to stop this.

1222

01:13:20,134 --> 01:13:22,136

This isn't

what the crayon is for.

1223

01:13:24,372 --> 01:13:25,973

G'Gaur!

1224

01:13:30,278 --> 01:13:31,879

It's over, Harold.

1225

01:13:32,013 --> 01:13:35,783

You're just a cartoon drawing
from the young reader section

1226

01:13:35,917 --> 01:13:39,120

with no narrator

to tell you what to do

1227

01:13:39,253 --> 01:13:41,122

and no friends to help you.

1228

01:13:46,127 --> 01:13:48,296

Well, I believe in me.

1229

01:13:48,428 --> 01:13:50,097

And I believe in my friends.

1230

01:13:50,231 --> 01:13:51,966

Friends are overrated.

1231

01:13:52,600 --> 01:13:53,768

So I've been told.

1232

01:14:03,077 --> 01:14:04,712

-Do you need a hand?

-Yes!

1233

01:14:04,845 --> 01:14:07,148

I've lost the crayon.

We have to get it back.

1234

01:14:07,281 --> 01:14:11,319

Oh, look, the whole

storybook back together again.

1235

01:14:11,451 --> 01:14:12,887

How touching.

1236

01:14:14,388 --> 01:14:15,790

I've got this.

1237

01:14:18,659 --> 01:14:20,728

<i>Thraknah!</i>

1238

01:14:21,461 --> 01:14:22,730

Ha!

1239

01:14:23,496 --> 01:14:24,699

Yes!

1240

01:14:28,202 --> 01:14:30,771

I will not give up
this power, Harold.

1241

01:14:34,474 --> 01:14:37,111

I hate to do this to you, Gary,
but you left me no choice.

1242

01:14:37,244 --> 01:14:39,313

Nothing you can draw
will be beat me.

1243

01:14:40,081 --> 01:14:42,049

Spiderfly.

1244

01:14:52,393 --> 01:14:53,894

The glaive!

1245

01:14:54,028 --> 01:14:55,029

Ah!

1246

01:14:56,764 --> 01:14:58,566

Well, Moose, you're up.

1247

01:14:59,133 --> 01:15:00,101

What?

1248

01:15:20,988 --> 01:15:22,023

Oh.

1249

01:15:41,542 --> 01:15:42,543

We did it!

1250

01:15:42,676 --> 01:15:44,245

-Come on!

-Yes!

1251

01:15:46,447 --> 01:15:47,681

Carl!

1252

01:15:58,527 --> 01:15:59,760

You okay?

1253

01:16:03,731 --> 01:16:06,834

I just wanted a place
where I belonged.

1254

01:16:09,703 --> 01:16:11,872

I wanted my world

1255

01:16:12,673 --> 01:16:14,108

to be real.

1256

01:16:48,309 --> 01:16:49,743

It's beautiful.

1257

01:16:49,877 --> 01:16:52,346

Why does that woman
look like me?

1258

01:16:54,849 --> 01:16:56,283

Does she?

1259

01:16:58,953 --> 01:17:01,222

Uh, go, go, go.

You belong there...

1260

01:17:01,355 --> 01:17:02,890

G'Garaur.

1261

01:17:05,594 --> 01:17:07,161

You said it right.

1262

01:17:20,374 --> 01:17:22,009

Oh, and, Harold, I--

1263

01:17:23,244 --> 01:17:25,045

We should leave him in there.

1264

01:18:14,695 --> 01:18:15,796

Yeah.

1265

01:18:15,930 --> 01:18:18,332

Aw, your antlers!

1266

01:18:54,569 --> 01:18:56,337

I wonder what

the old man would say

1267

01:18:56,470 --> 01:18:58,005

if he could see me now.

1268

01:18:58,138 --> 01:19:00,841

I think he would

have been proud of you.

1269

01:19:02,977 --> 01:19:04,245

Thank you.

1270

01:19:05,312 --> 01:19:06,747

Oh.

1271

01:19:08,182 --> 01:19:11,318

Did he ever say

why he made Harold?

1272

01:19:11,885 --> 01:19:13,287

Follow me.

1273

01:19:36,944 --> 01:19:38,747

<i>Dear Harold,</i>

1274

01:19:38,879 --> 01:19:42,416

<i>one day you might wanna know</i>

<i>why I made you.</i>

1275

01:19:42,550 --> 01:19:44,385

<i>In the beginning,</i>

<i>you were just a boy</i>

1276

01:19:44,519 --> 01:19:47,354

<i>with a purple crayon</i>

<i>and a blank page.</i>

1277

01:19:48,523 --> 01:19:51,693

<i>I wanted to show folks</i>

<i>that with a little imagination,</i>

1278

01:19:51,825 --> 01:19:55,496

<i>you can make your life</i>

<i>whatever you want it to be.</i>

1279

01:19:58,799 --> 01:20:00,501

<i>I wanted you to inspire people</i>

1280

01:20:00,635 --> 01:20:03,304

<i>to live their lives</i>

<i>that way, too.</i>

1281

01:20:06,173 --> 01:20:08,677

<i>We only have</i>

<i>so much time in this world,</i>

1282

01:20:08,809 --> 01:20:12,580

<i>but we leave our mark</i>

<i>in the lives we change.</i>

1283

01:20:14,649 --> 01:20:16,350

<i>And I know you, Harold,</i>

1284

01:20:16,483 --> 01:20:18,986

<i>will keep inspiring</i>

<i>our world...</i>

1285

01:20:21,989 --> 01:20:23,490

<i>one person at a time.</i>

1286

01:20:27,428 --> 01:20:31,065

<i>Because life isn't something</i>

<i>that just happens to you.</i>

1287

01:20:31,965 --> 01:20:33,233

Thank you.

1288

01:20:33,367 --> 01:20:35,269

<i>It's something you create.</i>

1289

01:20:37,004 --> 01:20:38,205

<i>The trick...</i>

1290

01:20:39,106 --> 01:20:41,075

<i>is in the imagining.</i>

1291

01:20:41,576 --> 01:20:42,843

I'll see you soon.

1292

01:20:51,885 --> 01:20:53,921

-All right, guys. Ready?

-Ready!

1293

01:20:54,054 --> 01:20:56,223

Moose? Moose, are you ready?

1294

01:20:56,357 --> 01:20:58,793

Oh, yeah. Yeah, I'm ready.

1295

01:20:58,926 --> 01:21:00,861

I was drawn ready.

1296

01:21:01,895 --> 01:21:03,030

Come on, everybody!

1297

01:23:00,280 --> 01:23:03,317

Music as sweet
as a phoenix song.

1298

01:23:17,030 --> 01:23:18,065

Zerry.

1299

01:23:18,198 --> 01:23:19,767

O Warrior Queen.

1300

01:23:20,434 --> 01:23:22,035

I found you at last,

1301

01:23:22,169 --> 01:23:24,772

and nothing in the world

shall tear us asunder.

1302

01:23:24,906 --> 01:23:28,008

Oh, that's so flattering, Gar--

1303

01:23:28,141 --> 01:23:30,010

-Gagur--

-G'Garaur.

1304

01:23:30,143 --> 01:23:31,679

Gar-gar.

1305

01:23:31,813 --> 01:23:33,247

But I'm seeing someone.

1306

01:23:36,183 --> 01:23:38,051

Gondal demor?

1307

01:23:41,556 --> 01:23:42,790

Good morrow.

1308

01:23:44,792 --> 01:23:46,059

Well, that's cool.

1309

01:23:46,828 --> 01:23:48,730

I'm super busy anyway!
