flawless.

185

00:09:46,083 --> 00:09:47,590

Okay, well, I guess that
answered my...

186

00:09:47,592 --> 00:09:48,866

Oh, and look.

187

00:09:51,884 --> 00:09:55,270

I picked out and sorted all of
my outfits for the month.

188

00:09:55,272 --> 00:09:57,014

Wow, for the first month?

189

00:09:57,016 --> 00:09:58,823

Oh, and I memorized
my teacher's names,

190

00:09:58,825 --> 00:10:00,803

their birthdays,
their food allergies,

191

00:10:00,805 --> 00:10:02,011

just in case we want
to get them a gift.

192

00:10:02,013 --> 00:10:03,251

Okay, Kimmy, honey...

193

00:10:03,253 --> 00:10:04,860

Oh, and this morning,

194

00:10:04,862 --> 00:10:06,705

I started prepping for
my midterms and finals,

195

00:10:06,707 --> 00:10:08,182

cause they're only four
and eight months away.

196

00:10:08,184 --> 00:10:09,991

Can't be too prepared.

197

00:10:09,993 --> 00:10:11,232

Right, yeah...

198

00:10:11,234 --> 00:10:13,212

So you've been really
busy since...?

199

00:10:13,214 --> 00:10:14,922

3:00 AM.

200

00:10:14,924 --> 00:10:17,136

Well, 4:00 AM.

201

00:10:17,138 --> 00:10:20,388

I took a little nap after saving
the world from slimy doom.

202

00:10:20,390 --> 00:10:23,306

Sit down, my little hummingbird.

203

00:10:23,308 --> 00:10:24,446

Oh...

204

00:10:24,448 --> 00:10:26,156

What's up?

205

00:10:26,158 --> 00:10:28,940

My sweet girl.

206

00:10:28,942 --> 00:10:31,991

I just... I want you

to know that,

207

00:10:31,993 --> 00:10:36,084

that high school can be

kind of daunting.

208

00:10:36,086 --> 00:10:39,335

It's okay if you don't figure

it all out on the first day.

209

00:10:39,337 --> 00:10:42,085

Don't worry, I've allowed myself

the morning of day two as well,

210

00:10:42,087 --> 00:10:44,132

for wiggle-room.

211

00:10:44,134 --> 00:10:45,371

Day two?

212

00:10:45,373 --> 00:10:46,378

Mm-hmm.

213

00:10:46,380 --> 00:10:47,585

Mom, don't worry.

214

00:10:47,587 --> 00:10:49,095

I'm Kim Possible.

215

00:10:49,097 --> 00:10:50,269

I handle things.

216

00:10:50,271 --> 00:10:52,583

It's what I am,

it's what I do.

217

00:10:52,585 --> 00:10:58,217

Sweetie, just know that we're
here for you if you need...

218

00:10:58,219 --> 00:11:00,330
more wiggle room.

219

00:11:00,332 --> 00:11:02,777
I've got the genes
of a rocket scientist

220

00:11:02,779 --> 00:11:05,259
and a black belt
brain surgeon.

221

00:11:05,261 --> 00:11:07,271
I think I'll survive
Middleton High.

222

00:11:09,519 --> 00:11:10,624
Aww...

223

00:11:10,626 --> 00:11:12,435

Wade.

224

00:11:12,437 --> 00:11:14,415

Sorry. I just got a GPS lock
on the school bus.

225

00:11:14,417 --> 00:11:15,722

Departure in three minutes.

226

00:11:15,724 --> 00:11:19,345

Perfect. Activate
the window, please.

227

00:11:19,347 --> 00:11:20,852

Okay, mom.
I gotta go.

228

00:11:20,854 --> 00:11:21,859

Ohh.

229

00:11:21,861 --> 00:11:23,502

Don't worry.

230

00:11:23,504 --> 00:11:24,608

Besides, it's just high school.

231

00:11:24,610 --> 00:11:26,657

How hard can it be?

232

00:11:46,476 --> 00:11:48,655

Kim, the bus is
on your street now.

233

00:11:53,385 --> 00:11:54,792

...Romantic walk and it
was the cutest thing.

234

00:11:54,794 --> 00:11:56,133

Then we saw this house
over there...

235

00:11:56,135 --> 00:11:57,140

<i>Yeah.</i>

236

00:11:57,142 --> 00:11:58,816

So she has the most
massive...

237

00:12:05,826 --> 00:12:08,776

Oh, my gosh!

238

00:12:08,778 --> 00:12:10,655

Thank you, Kim.

239

00:12:10,657 --> 00:12:12,435

No problem.

240

00:12:14,882 --> 00:12:16,120

The doors are closing!

241

00:12:16,122 --> 00:12:17,261

Ten,

242

00:12:17,263 --> 00:12:20,848

<i>nine, eight, seven,</i>

243

00:12:20,850 --> 00:12:25,078

<i>six, five, four, three...</i>

244

00:12:32,589 --> 00:12:34,029

Made it.

245

00:12:34,031 --> 00:12:35,270

Boo-yah!

246

00:12:48,820 --> 00:12:51,066

<i>Kim Possible...</i>

247

00:12:51,068 --> 00:12:55,089

<i>You defeated my giant robot.</i>

248

00:12:55,091 --> 00:13:00,522

*<i>You blew up my private island,
and now,</i>*

249

00:13:00,524 --> 00:13:03,405

I'm stuck here thanks to you.

250

00:13:03,407 --> 00:13:06,357

But I have you in my grasp, now.

251

00:13:06,359 --> 00:13:09,510

And there is no escape.

252

00:13:09,512 --> 00:13:12,092

Into the alligator pit with you.

253

00:13:12,094 --> 00:13:15,044

No, Doctor Drakken.

Please, show mercy.

254

00:13:15,046 --> 00:13:16,116

No mercy.

255

00:13:20,276 --> 00:13:21,181

Please.

256

00:13:44,657 --> 00:13:46,031

Wow.

257

00:13:47,373 --> 00:13:50,725

Did I catch you at a sad time,

Drakken?

258

00:13:50,727 --> 00:13:54,314

Don't sneak up on me like that,

Shogo.

259

00:13:54,316 --> 00:13:56,794

<i>And, for your information,</i>

260

00:13:56,796 --> 00:14:01,758

this is a scale model

revenge simulator.

261

00:14:01,760 --> 00:14:05,749

It's a dolly and a toilet.

262

00:14:05,751 --> 00:14:08,599

Did you enact my instructions?

263

00:14:08,601 --> 00:14:11,484

Yes, and followed all the dumb
requests you sent me

264

00:14:11,486 --> 00:14:12,960

while you were on this...

265

00:14:12,962 --> 00:14:16,817

I don't know, enforced vacation
for the last year?

266

00:14:16,819 --> 00:14:20,504

It was just as annoying as
working with you in person.

267

00:14:20,506 --> 00:14:22,754

So good to see you, too.

268

00:14:31,541 --> 00:14:34,456

You do know this jailbreak
is time sensitive?

269

00:14:34,458 --> 00:14:35,663

Could we move this along?

270

00:14:35,665 --> 00:14:37,342

Let's go!

271

00:14:41,434 --> 00:14:44,684

Why do you need
all that garbage?

272

00:14:44,686 --> 00:14:46,633

For my plan...

273

00:14:49,750 --> 00:14:53,169

...to be the world's
greatest evil-doer.

274

00:14:53,171 --> 00:14:56,724

And what about Kim Possible?

275

00:14:56,726 --> 00:15:00,111

The world's greatest
evil-undoer?

276

00:15:00,113 --> 00:15:02,962

Possible.

277

00:15:02,964 --> 00:15:05,782

Your end is...

278

00:15:10,745 --> 00:15:12,787

No, no, no.

279

00:15:12,789 --> 00:15:14,832

Probable!

280

00:15:14,834 --> 00:15:16,845

Bad.

281

00:15:35,293 --> 00:15:38,141

Stoppable here

at Middleton High.

282

00:15:38,143 --> 00:15:41,126

Ron, you are not livestreaming
our first day of school.

283

00:15:41,128 --> 00:15:43,741

And we are live.

284

00:15:43,743 --> 00:15:44,949

This is Kim Possible.

285

00:15:44,951 --> 00:15:48,235

We're both a little cranky after
saving the world last night.

286

00:15:48,237 --> 00:15:49,409

I'm so not cranky.

287

00:15:49,411 --> 00:15:50,954

I feel great.

288

00:15:54,441 --> 00:15:55,984

Yuck.

289

00:15:59,941 --> 00:16:00,914

Kim?

290

00:16:02,120 --> 00:16:03,191

Kim?

291

00:16:04,267 --> 00:16:07,283

Welcome to high school,
my little freshman. Oh!

292

00:16:07,285 --> 00:16:08,960

Hi, Bonnie.

293

00:16:08,962 --> 00:16:10,502

I missed you last year.

294

00:16:10,504 --> 00:16:12,482

Oh, well, I'm here now.

295

00:16:12,484 --> 00:16:16,137

And I want you to think of me
as your sophomore big sister.

296

00:16:16,139 --> 00:16:19,726

An astonishingly popular
big sister.

297

00:16:23,182 --> 00:16:24,253

That's Bonnie.

298

00:16:24,255 --> 00:16:26,031

She and Kim have hated
each other

299

00:16:26,033 --> 00:16:27,506

for longer than
they've been alive.

300

00:16:27,508 --> 00:16:29,250

Who's he blabbering to?

301

00:16:29,252 --> 00:16:31,396

Besides everyone, constantly.

302

00:16:31,398 --> 00:16:34,548

Ron happens to be livestreaming
to thousands of devoted fans.

303

00:16:34,550 --> 00:16:36,192

Okay, Mom. Gotta go.

304

00:16:37,267 --> 00:16:38,271

Mom? Mom?

305

00:16:38,273 --> 00:16:41,056

Huh. Guess she signed off.

306

00:16:43,672 --> 00:16:45,782

Almost forgot,

Bon-Bon.

307

00:16:45,784 --> 00:16:47,795

When are cheerleading tryouts?

308

00:16:47,797 --> 00:16:49,137

Cheer?

309

00:16:50,345 --> 00:16:51,385

You want to cheer at school?

310

00:16:51,387 --> 00:16:53,496

Yeah, go hang out with
the losers in Lowerton.

311

00:16:53,498 --> 00:16:56,917

Here at Middleton High,
we're about one thing.

312

00:16:56,919 --> 00:16:58,727

This is a soccer school.

313

00:16:58,729 --> 00:17:02,484

Tryouts are after class,
if you're feeling brave.

314

00:17:05,436 --> 00:17:07,852

You can't use
your hands!

315

00:17:09,495 --> 00:17:11,408

'K, thanks, bye.

316

00:17:13,551 --> 00:17:15,528

"K, thanks, hi."

317

00:17:15,530 --> 00:17:16,602

Make it quick, Wade.

318

00:17:16,604 --> 00:17:17,709

We gotta get to homeroom.

319

00:17:17,711 --> 00:17:19,923

Remind me to tell you something
about that later.

320

00:17:19,925 --> 00:17:21,397

Anyway, I don't know
if you've heard,

321

00:17:21,399 --> 00:17:23,510

but Shogo sprang Drakken
from the joint.

322

00:17:23,512 --> 00:17:24,551

What?

323

00:17:24,553 --> 00:17:25,657

No big.

324

00:17:25,659 --> 00:17:27,501

You've captured

that dude more times

325

00:17:27,503 --> 00:17:29,615

than I've tripped over

my own shoelace!

326

00:17:29,617 --> 00:17:31,089

Want me to run a suspicious

activity sweep

327

00:17:31,091 --> 00:17:32,732

over all known lairs, Kim?

328

00:17:32,734 --> 00:17:33,806

Please and thank you.

329

00:17:33,808 --> 00:17:35,550

And, what did you want
to tell us about homeroom?

330

00:17:35,552 --> 00:17:36,656

Oh yeah.

331

00:17:36,658 --> 00:17:38,032

It's on the other side
of the school.

332

00:17:38,034 --> 00:17:39,105

No, it's not.

333

00:17:39,107 --> 00:17:40,312

I did a VR walkthrough.

334

00:17:40,314 --> 00:17:43,800

No, they renumbered the
classrooms over the summer.

335

00:17:43,802 --> 00:17:45,074

What?

336

00:17:50,978 --> 00:17:54,900

In conclusion, it's best
to abandon any hope of joy,

337

00:17:54,902 --> 00:17:58,590

and find meagre satisfaction
in monotony.

338

00:18:00,603 --> 00:18:05,732

Oh. You must be Possible
and Stoppable.

339

00:18:05,734 --> 00:18:07,712

You must recognize us
from the news.

340

00:18:07,714 --> 00:18:08,785

Nope.

341

00:18:08,787 --> 00:18:13,747

I recognize you from this,
because you are late.

342

00:18:13,749 --> 00:18:17,202

We got a little turned around,
Mr. Barkin.

343

00:18:17,204 --> 00:18:19,146

Nobody told us they renumbered
the classrooms.

344

00:18:19,148 --> 00:18:21,125

Ah. I did that.

345

00:18:21,127 --> 00:18:22,802

Keeps you kids on your toes.

346

00:18:22,804 --> 00:18:25,015

On your tippity-tippities.

347

00:18:25,017 --> 00:18:27,296

That's... not really fair.

348

00:18:27,298 --> 00:18:31,120

It takes me 90 minutes to
prepare Lady Whiskerboots

349

00:18:31,122 --> 00:18:32,863

her low-carb, high-protein
breakfast,

350

00:18:32,865 --> 00:18:35,981

but that doesn't stop me
from being on time.

351

00:18:35,983 --> 00:18:38,127

Isn't that right,
Lady Whiskerpuss?

352

00:18:38,129 --> 00:18:40,911

Yes, it is.

Oh, yes it is.

353

00:18:42,892 --> 00:18:47,048

Purr, purr.

354

00:18:47,050 --> 00:18:49,095

Ew... Stop.

355

00:18:50,941 --> 00:18:55,064

Ugh, anyway, seeing as

it's your first day at school,

356

00:18:55,066 --> 00:18:57,915

I'm willing to show a little

uncharacteristic mercy.

357

00:18:57,917 --> 00:19:02,979

But, I've got my eyes

on both you troublemakers.

358

00:19:02,981 --> 00:19:04,487

One each.

359

00:19:04,489 --> 00:19:05,695

We're not troublemakers.

360

00:19:05,697 --> 00:19:07,070

We're trouble stoppers.

361

00:19:07,072 --> 00:19:09,988

Haven't you ever seen us
do good stuff on TV?

362

00:19:11,263 --> 00:19:12,535

Ah, we-

363

00:19:17,165 --> 00:19:18,037

Mr. Barkin?

364

00:19:18,039 --> 00:19:19,682

Maybe we, uh...

365

00:19:20,217 --> 00:19:21,322

Oh...

366

00:19:21,324 --> 00:19:23,132

Hey!

367

00:19:23,134 --> 00:19:24,109

Ugh!

368

00:19:28,500 --> 00:19:29,840

We gotta get to

our first class.

369

00:19:29,842 --> 00:19:31,215

Where is it?

370

00:19:31,217 --> 00:19:32,190

Wade.

371

00:19:33,465 --> 00:19:35,340

The other side of the school.

372

00:19:36,383 --> 00:19:38,190

Get me a blueprint of any
and all vents, tunnels,

373

00:19:38,192 --> 00:19:39,834

<i>and roof access points.</i>

374

00:19:39,836 --> 00:19:41,313

Comin' at ya.

375

00:19:45,303 --> 00:19:46,677

Let's roll.

376

00:20:06,363 --> 00:20:08,343

Kim, jump in there.

377

00:20:13,540 --> 00:20:14,748

Ahhh!

378

00:20:21,186 --> 00:20:22,361

What?

379

00:20:23,098 --> 00:20:25,077

How are you here?

380

00:20:28,060 --> 00:20:30,205

Is your name Kim Possible

381

00:20:30,207 --> 00:20:35,838

because it's impossible

for you to be on time?

382

00:20:35,840 --> 00:20:37,214

Mr. Barkin?

383

00:20:37,216 --> 00:20:39,093

Yeah, that's me.

384

00:20:39,095 --> 00:20:43,654

I'm subbing for Mrs. Bailey,
she's off on eternity leave.

385

00:20:43,656 --> 00:20:45,161

You mean maternity?

386

00:20:45,163 --> 00:20:49,154

No. I mean she's gone,
and she ain't comin' back.

387

00:20:49,156 --> 00:20:50,159

Now.

388

00:20:50,161 --> 00:20:52,141

Sit.

389

00:21:20,845 --> 00:21:25,171

"Gee, thanks for setting up

this awesome lair

390

00:21:25,173 --> 00:21:28,290

"in my absence, Shego?"

391

00:21:28,292 --> 00:21:29,564

That's you.

392

00:21:29,566 --> 00:21:30,771

Yes.

393

00:21:30,773 --> 00:21:34,594

It's wonderful how we used
to have our own entire island,

394

00:21:34,596 --> 00:21:37,579

and now we're squatting
in a pile of garbage

395

00:21:37,581 --> 00:21:40,161

vaguely shaped like

the building.

396

00:21:53,343 --> 00:21:55,654

Look at Duff Killigan's
Villain-stagram.

397

00:21:55,656 --> 00:21:58,002

He has an underwater base.

398

00:21:58,004 --> 00:22:01,492

Señor Senior, Senior
has an active volcano.

399

00:22:03,169 --> 00:22:04,709

I used to have an island.

400

00:22:04,711 --> 00:22:08,063

'Kay, well that island,
if you remember correctly,

401

00:22:08,065 --> 00:22:10,075

slightly exploded.

402

00:22:10,077 --> 00:22:13,295

Yes. Because of

Kim Possible.

403

00:22:15,341 --> 00:22:17,520

Yeah. Imagine.

404

00:22:17,522 --> 00:22:21,813

All your genius plans

foiled by one puny kid.

405

00:22:21,815 --> 00:22:27,649

Oh, she isn't just

one puny kid.

406

00:22:27,651 --> 00:22:29,661

There's something about her

that makes her able

407

00:22:29,663 --> 00:22:34,522

to defeat villain after villain
after villain.

408

00:22:34,524 --> 00:22:36,504

A certain... spark.

409

00:22:40,024 --> 00:22:44,820

I want that spark.

410

00:22:48,575 --> 00:22:50,754

I can't figure it out.

411

00:22:50,756 --> 00:22:53,437

What is high school's deal?

412

00:22:53,439 --> 00:22:55,080

I gotta tell you, KP.

413

00:22:55,082 --> 00:22:57,093

In my 15 years on

this crazy planet,

414

00:22:57,095 --> 00:23:00,580

this is probably the best first
day of school I've ever had.

415

00:23:01,722 --> 00:23:03,163

Remember 6th grade?

416

00:23:03,165 --> 00:23:05,409

Today beats losing your pants
at the welcome assembly,

417

00:23:05,411 --> 00:23:06,818

I'll give you that.

418

00:23:06,820 --> 00:23:08,160

That's the spirit.

419

00:23:08,162 --> 00:23:10,707

And besides, so today

was a hot dumpster fire.

420

00:23:10,709 --> 00:23:11,748

So what?

421

00:23:11,750 --> 00:23:13,960

The Kim I know doesn't go down
without a fight.

422

00:23:13,962 --> 00:23:15,134

You got this.

423

00:23:16,612 --> 00:23:17,683

You know what?

424

00:23:17,685 --> 00:23:19,192

You're so right.

425

00:23:19,194 --> 00:23:21,138

I wasn't planning on trying out
for soccer today,

426

00:23:21,140 --> 00:23:23,250

but oh how sweet

would it be

427

00:23:23,252 --> 00:23:25,799

to wipe that smug smile

off of Bonnie's face.

428

00:23:25,801 --> 00:23:26,976

Come on.

429

00:23:30,061 --> 00:23:31,132

Oh, cute.

430

00:23:31,134 --> 00:23:33,714

Our last tryout of the day.

431

00:23:33,716 --> 00:23:36,062

Okay, Kimber-lumps,

it's simple.

432

00:23:36,064 --> 00:23:39,753

Kick this ball into that goal.

433

00:23:40,891 --> 00:23:43,271

Oh, and if you don't

too terribly mind,

434

00:23:43,273 --> 00:23:46,423

my squad and I here will do

everything in our power

435

00:23:46,425 --> 00:23:48,136

to try and stop you.

436

00:23:58,968 --> 00:24:00,746

Let's go KP!

437

00:24:05,508 --> 00:24:07,384

<i>She's coming right your way!</i>

438

00:24:07,386 --> 00:24:08,825

<i>Come on, you guys.</i>

439

00:24:08,827 --> 00:24:10,000

<i>Don't let her through.</i>

440

00:24:10,002 --> 00:24:11,411

<i>I can't, she's too fast.</i>

441

00:24:13,422 --> 00:24:15,599

Defense, get the ball!

442

00:24:15,601 --> 00:24:17,143

<i>I got this.</i>

443

00:24:17,145 --> 00:24:18,217

<i>No, you don't got this.</i>

444

00:24:18,219 --> 00:24:19,926

<i>How does she do that?</i>

445

00:24:19,928 --> 00:24:22,207

<i>Oh, man!</i>

446

00:24:22,209 --> 00:24:23,513

Wow, okay.

447

00:24:23,515 --> 00:24:24,991

<i>Bonnie said it would
be easy.</i>

448

00:24:24,993 --> 00:24:26,163

Oh no, Kimmy.

449

00:24:26,165 --> 00:24:27,338

You're not getting by me.

450

00:24:27,340 --> 00:24:28,915

<i>What is she doing then?</i>

451

00:24:43,102 --> 00:24:45,482

Whooooooo! Yes!

452

00:24:47,292 --> 00:24:50,310

Woo-hoo!

You've done it, KP!

453

00:24:50,312 --> 00:24:52,355

Yes, woo!

454

00:24:53,430 --> 00:24:54,737

Okay.

455

00:24:54,739 --> 00:24:57,721

From the bottom of my very
deep heart, Kim,

456

00:24:57,723 --> 00:25:02,750

that was... amazing.

457

00:25:02,752 --> 00:25:04,364

I'm shook.

458

00:25:05,638 --> 00:25:10,900

So, congratulations
to our newest...

459

00:25:10,902 --> 00:25:12,846

equipment manager.

460

00:25:14,524 --> 00:25:15,900

Yay.

461

00:25:16,905 --> 00:25:19,384

Equipment manager?

462

00:25:19,386 --> 00:25:22,471

Oh, I take just
a hint of starch.

463

00:25:22,473 --> 00:25:24,852

Equipment manager?

464

00:25:24,854 --> 00:25:26,563

Bonnie, you just told me
I was amazing.

465

00:25:26,565 --> 00:25:29,311

Ah, you totally are,
Kiki-Peeps.

466

00:25:29,313 --> 00:25:33,538

But, you're also a freshman.

467

00:25:33,540 --> 00:25:34,611

So?

468

00:25:34,613 --> 00:25:36,086

Did I forget to tell you?

469

00:25:36,088 --> 00:25:37,863

Oh, so sorry.

470

00:25:37,865 --> 00:25:41,388

Freshman can't be
on the team.

471

00:25:43,835 --> 00:25:46,985

Oh, and use a non-chlorine
bleach.

472

00:25:46,987 --> 00:25:47,961

Obvi.

473

00:25:51,849 --> 00:25:53,928

Wait, where am I taking this?

474

00:25:53,930 --> 00:25:56,039

The equipment room
is on...

475

00:25:56,041 --> 00:25:59,061

The opposite side
of the school.

476

00:26:01,005 --> 00:26:03,017

Ugh. This box reeks.

477

00:26:11,032 --> 00:26:14,585

*<i>So, how's stealing
that spark going?</i>*

478

00:26:14,587 --> 00:26:17,100

Um, no, besides poorly.

479

00:26:17,102 --> 00:26:19,716

Today is her first day
of high school.

480

00:26:19,718 --> 00:26:21,594

Something that can reduce
the strongest,

481

00:26:21,596 --> 00:26:26,626

most confident adolescent

to a helpless mewling kitten.

482

00:26:26,628 --> 00:26:30,715

<i>This happening to our
little foe as we speak?</i>

483

00:26:30,717 --> 00:26:32,426

And once she is
at her weakest,

484

00:26:32,428 --> 00:26:36,317

I will isolate and steal
that spark that makes Kim...

485

00:26:36,319 --> 00:26:37,323

Possible!

486

00:26:49,062 --> 00:26:52,280

Um, did you get
the Zakadamium Q-46?

487

00:26:52,282 --> 00:26:53,554

What?

488

00:26:53,556 --> 00:26:56,003

It's the power source
for my revenge plot?

489

00:26:56,005 --> 00:26:57,980

Oh, it's in there.

490

00:26:57,982 --> 00:26:59,290

Oh.

491

00:27:00,330 --> 00:27:01,335

In there?

492

00:27:01,337 --> 00:27:02,373

There?

493

00:27:02,375 --> 00:27:03,379

There?

494

00:27:03,381 --> 00:27:05,361

It's over... I can't
reach it.

495

00:27:10,559 --> 00:27:12,201

You bought it online?

496

00:27:12,203 --> 00:27:13,475

Yeah.

497

00:27:13,477 --> 00:27:14,581

Get with the times, doc.

498

00:27:14,583 --> 00:27:17,568

Nobody leaves the lair
anymore. Tch.

499

00:27:19,547 --> 00:27:22,026

Ooof!

500

00:27:22,028 --> 00:27:25,215

This is a cheap knockoff.

501

00:27:26,053 --> 00:27:27,291

Get the Zakadamium!

502

00:27:27,293 --> 00:27:28,734

Hey.

503

00:27:28,736 --> 00:27:31,752

You know, yelling might
make you feel better,

504

00:27:31,754 --> 00:27:34,266

but it doesn't make me
feel worse.

505

00:27:34,268 --> 00:27:36,415

Just an FYI.

506

00:27:41,679 --> 00:27:47,148

Just a detour on the road
to victory.

507

00:27:51,607 --> 00:27:53,683

You've only been to school
one day,

508

00:27:53,685 --> 00:27:55,662

and you're already making
a difference.

509

00:27:55,664 --> 00:27:58,346

Your arms are gonna be jacked
by the end of the year,

510

00:27:58,348 --> 00:27:59,855

which will be great for when
you get on the soccer team

511

00:27:59,857 --> 00:28:01,363

and can't use them.

512

00:28:03,847 --> 00:28:04,919

Thanks, Ron.

513

00:28:04,921 --> 00:28:06,729

You know, you always know
what to say.

514

00:28:06,731 --> 00:28:08,708

Sort of.

515

00:28:08,710 --> 00:28:11,760

Regardless, I've had the
absolute worst first day

516

00:28:11,762 --> 00:28:14,611

of school that any human
could have.

517

00:28:16,391 --> 00:28:18,872

Or, maybe not?

518

00:28:23,633 --> 00:28:25,946

<i>It was awful, mom.</i>

519

00:28:25,948 --> 00:28:27,958

I didn't make any friends,

520

00:28:27,960 --> 00:28:33,993

and I just tripped and dumped
my backpack everywhere,

521

00:28:33,995 --> 00:28:35,941

and everyone laughed.

522

00:28:36,913 --> 00:28:38,791

<i>I know.</i>

523

00:28:39,865 --> 00:28:41,610

Love you, too.

524

00:28:53,212 --> 00:28:56,263

I believe this is yours.

525

00:28:56,265 --> 00:28:58,575

I'm Kim.

526

00:28:58,577 --> 00:29:00,154

I know.

527

00:29:02,033 --> 00:29:03,775

<i>Are you okay?</i>

528

00:29:03,777 --> 00:29:06,020

Okay?

529

00:29:06,022 --> 00:29:08,168

I just met Kim Possible!

530

00:29:12,094 --> 00:29:13,737

Come on.

531

00:29:18,163 --> 00:29:19,671

Oh, Bueno Nacho.

532

00:29:19,673 --> 00:29:20,843

Love it.

533

00:29:20,845 --> 00:29:23,191

Yup. It's Ron's casa

away from casa.

534

00:29:24,836 --> 00:29:27,283

I'm sorry, I didn't even

ask you what your name was.

535

00:29:27,285 --> 00:29:28,726

You didn't go to Middleton

Middle School, right?

536

00:29:28,728 --> 00:29:30,167

No, I just moved here

this summer.

537

00:29:30,169 --> 00:29:31,172

I'm Athena.

538

00:29:31,174 --> 00:29:33,017

Ah, Athena.

539

00:29:33,019 --> 00:29:35,834

As in the goddess of...

540

00:29:35,836 --> 00:29:38,181

I wanna say dentistry?

541

00:29:38,183 --> 00:29:39,926

Actually, wisdom.

542

00:29:41,168 --> 00:29:42,208

If you say so.

543

00:29:42,210 --> 00:29:44,856

Well, you've made a wise choice
today, Athena.

544

00:29:44,858 --> 00:29:47,572

Behold, nature's perfect food.

545

00:29:47,574 --> 00:29:48,613

The Naco.

546

905

00:50:19,448 --> 00:50:21,862

Athena! Athena!

906

00:50:21,864 --> 00:50:23,975

<i>Athena! Athena! Athena!</i>

907

00:50:23,977 --> 00:50:27,563

Hate-watching your
favorite show again?

908

00:50:27,565 --> 00:50:29,507

You finally got
the Zakadamium.

909

00:50:29,509 --> 00:50:31,118

Sweet.

910

00:50:31,120 --> 00:50:33,097

Woah! Careful.

911

00:50:33,099 --> 00:50:34,203

Oh, don't worry.

912

00:50:34,205 --> 00:50:36,718

That thing got dropped like
600 times, it's fine.

913

00:50:36,720 --> 00:50:40,709

Anyway, as much as
I hate to admit it.

914

00:50:40,711 --> 00:50:41,714

You.

915

00:50:41,716 --> 00:50:43,592

Were.

916

00:50:43,594 --> 00:50:44,599

Right.

917

00:50:44,601 --> 00:50:45,940

Ohh.

918

00:50:45,942 --> 00:50:47,953

Possible's like
your hairline.

919

00:50:47,955 --> 00:50:48,891

She's fading.

920

00:50:48,893 --> 00:50:50,031

Well...

921

00:50:50,033 --> 00:50:52,781

If you think she's bad now,

922

00:50:52,783 --> 00:50:56,940

wait 'til this clip of her being
terrified out of her wits

923

00:50:56,942 --> 00:50:59,152

gets "accidentally"
leaked online.

924

00:50:59,154 --> 00:51:00,663

<i>Were those air quotes?</i>

925

00:51:00,665 --> 00:51:02,675

What did I say about those?

926

00:51:02,677 --> 00:51:06,866

Imagine the cruel memes.

927

00:51:17,365 --> 00:51:19,777

This throw-down is sick.

928

00:51:19,779 --> 00:51:22,260

Athena is absolutely
destroying Shogo.

929

00:51:22,262 --> 00:51:23,768

<i>And that hair.</i>

930

00:51:23,770 --> 00:51:26,953

<i>Can you believe she goes
to our school?</i>

931

00:51:26,955 --> 00:51:28,095

<i>A reminder, students.</i>

932

00:51:28,097 --> 00:51:32,152

<i>No stick, dowel, or rod play
on school property,</i>

933

00:51:32,154 --> 00:51:35,306

<i>no matter how utterly effortless
Athena made it look</i>

934

00:51:35,308 --> 00:51:38,290

<i>in the video I have watched
nine times.</i>

935

00:51:38,292 --> 00:51:39,899

Rufus?

936

00:51:39,901 --> 00:51:41,106

He's having a hard time

937

00:51:41,108 --> 00:51:43,420

adjusting to the high school
social world.

938

00:51:43,422 --> 00:51:45,298

<i>You're the best.</i>

939

00:51:45,300 --> 00:51:48,284

Your moves are great,
your style is flawless,

940

00:51:48,286 --> 00:51:49,725

and I mean, that hair?

941

00:51:49,727 --> 00:51:53,582

Perfect lip shade, perfect outfit,
and those boots are everything.

942

00:51:54,891 --> 00:51:56,634

Tens across the board.

943

00:51:56,636 --> 00:52:00,155

Bonnie, you're seriously
so nice.

944

00:52:00,157 --> 00:52:01,160

Hey guys.

945

00:52:01,162 --> 00:52:02,335

Hey, Athena.

946

00:52:02,337 --> 00:52:03,542

<i>Bye, girl.</i>

947

00:52:03,544 --> 00:52:04,951

I'll see you after school.

948

00:52:04,953 --> 00:52:05,960

Yep.

949

00:52:07,233 --> 00:52:08,606

After school?

950

00:52:08,608 --> 00:52:10,115

Oh, yeah.

951

00:52:10,117 --> 00:52:12,597

Bonnie really wants me
to try out for soccer.

952

00:52:12,599 --> 00:52:14,039

Which is weird

953

00:52:14,041 --> 00:52:16,555

because I know they don't
take freshmen, but...

954

00:52:16,557 --> 00:52:19,005

she just laughed
and said not to worry.

955

00:52:24,303 --> 00:52:26,112

Welcome to the mad dogs.

956

00:52:26,114 --> 00:52:27,420

You're number 18.

957

00:52:28,796 --> 00:52:30,103

Yay.

958

00:52:30,105 --> 00:52:31,779

<i>Thank you so much.</i>

959

00:52:31,781 --> 00:52:32,584

Athena! Athena!

960

00:52:32,586 --> 00:52:35,334

Athena! Athena! Athena!

Athena!

961

00:52:41,440 --> 00:52:42,782

<i>Oh, my gosh!</i>

962

00:52:43,821 --> 00:52:44,794

<i>What?</i>

963

00:52:46,235 --> 00:52:48,380

I know, right?

964

00:52:48,382 --> 00:52:51,366

<i>Athena, that's the funniest
thing I've ever heard.</i>

965

00:53:03,473 --> 00:53:04,645

<i>Coming.</i>

966

00:53:04,647 --> 00:53:07,528

I'm coming.

967

00:53:07,530 --> 00:53:09,540

Kimberley Anne!

968

00:53:09,542 --> 00:53:10,717

Hey, Nana.

969

00:53:12,058 --> 00:53:15,544

Lucky you, I made a batch
of brownies this morning.

970

00:53:15,546 --> 00:53:19,032

Double chocolate chocolate chip
with pecans on top.

971

00:53:19,034 --> 00:53:21,110

No thanks, I'm good.

972

00:53:21,112 --> 00:53:24,030

You're turning down
double chocolate?

973

00:53:26,579 --> 00:53:27,582

Feel up for a...

974

00:53:27,584 --> 00:53:28,958

A workout?

975

00:53:38,753 --> 00:53:40,227

<i>So, Nana.</i>

976

00:53:40,229 --> 00:53:41,937

<i>I was hoping today you
could teach me to fight</i>

977

00:53:41,939 --> 00:53:43,514

<i>with a Bo Staff?</i>

978

00:53:49,082 --> 00:53:54,109

Bojutsu began in the early
17th century in Japan.

979

00:53:54,111 --> 00:53:55,856

Uh-huh.

980

00:54:00,148 --> 00:54:02,661

But it seems to me...

981

00:54:05,279 --> 00:54:10,006

Not much call for
a Bo Staff today.

982

00:54:10,008 --> 00:54:11,853

Bit of an antique.

983

00:54:13,194 --> 00:54:17,049

And it takes one
to know one.

984

00:54:17,051 --> 00:54:18,121

It's just that...

985

00:54:18,123 --> 00:54:19,496

I did see on the internet.

986

00:54:19,498 --> 00:54:22,381

That new girl, she used a Bo,
didn't she?

987

00:54:22,383 --> 00:54:24,999

Yeah, she kicked
Shego's butt.

988

00:54:30,197 --> 00:54:31,905

You've done that
plenty of times yourself,

989

00:54:31,907 --> 00:54:33,414

without a Bo.

990

00:54:33,416 --> 00:54:35,261

I thought I'd try
something new.

991

00:54:37,273 --> 00:54:38,445

Nothing wrong with that...

992

00:54:40,089 --> 00:54:41,630

If that's the reason.

993

00:54:47,267 --> 00:54:49,175

Something's off.

994

00:54:49,177 --> 00:54:51,928

Me, I'm off.

995

00:54:54,476 --> 00:54:55,648

Why?

996

00:54:55,650 --> 00:54:57,492

Because I walked

into high school,

997

00:54:57,494 --> 00:55:01,684

and it's like I stopped

being good at things.

998

00:55:01,686 --> 00:55:04,065

Even worse, Athena
had one good fight,

999

00:55:04,067 --> 00:55:07,219

and now she's amazing
at everything.

1000

00:55:07,221 --> 00:55:09,296

Well, she's your friend,
right?

1001

00:55:09,298 --> 00:55:11,376

Yeah.

1002

00:55:11,378 --> 00:55:13,792

Well then, you should be
happy for her.

1003

00:55:13,794 --> 00:55:15,736

After all, you guided her,

1004

00:55:15,738 --> 00:55:19,360

now she's having a little
success all thanks to you.

1005

00:55:25,364 --> 00:55:28,715

What is it, baby?

1006

00:55:31,601 --> 00:55:38,273

I've never met someone
who's better than me,

1007

00:55:38,275 --> 00:55:39,682

and I know how stupid
that sounds,

1008

00:55:39,684 --> 00:55:44,645

but it's like, whatever
I have that makes me me,

1009

00:55:44,647 --> 00:55:48,902

she has more of it.

1010

00:55:48,904 --> 00:55:52,660

Jealousy is very unbecoming,
Kimberly Anne.

1011

00:55:52,662 --> 00:55:54,637

I'm not jealous, Nana.

1012

00:55:54,639 --> 00:55:57,623

Seriously, I'm glad
she's finding her way.

1013

00:55:57,625 --> 00:56:00,741

It's more about me.

1014

00:56:00,743 --> 00:56:04,430

If... If I'm not the best
at those things,

1015

00:56:04,432 --> 00:56:06,543

then who am I?

1016

00:56:06,545 --> 00:56:08,623

That's just the thing.

1017

00:56:08,625 --> 00:56:12,847

Even if you're not "the best"
at... what have you.

1018

00:56:12,849 --> 00:56:16,134

You're still you.

1019

00:56:16,136 --> 00:56:18,918

Nana, I'm Kim Possible,
okay?

1020

00:56:18,920 --> 00:56:21,801

I'm a star student
and I save the world.

1021

00:56:21,803 --> 00:56:23,076

That's who I am.

1022

00:56:23,078 --> 00:56:25,256

No, that's what you do.

1023

00:56:25,258 --> 00:56:27,975

That's not who you are.

1024

00:56:32,201 --> 00:56:35,988

Well, then...

1025

00:56:35,990 --> 00:56:38,741

Then I don't know
who I am.

1026

00:56:46,956 --> 00:56:48,631

<i>Attention, students.</i>

1027

00:56:48,633 --> 00:56:49,905

<i>During last period today,</i>

1028

00:56:49,907 --> 00:56:53,192

<i>we will be holding
an all-school assembly.</i>

1029

00:56:53,194 --> 00:56:58,960

<i>We will honor our star student,
Athena, with the first ever</i>

1030

00:56:58,962 --> 00:57:04,228

<i>Most Promising Freshman
of the Year Award.</i>

1031

00:57:16,970 --> 00:57:18,313

Ugh.

1032

00:57:21,028 --> 00:57:22,233

Kim, school's not over yet.

1033

00:57:22,235 --> 00:57:23,440

I'm ditching.

1034

00:57:23,442 --> 00:57:25,051

I can't even get good
grades anymore.

1035

00:57:25,053 --> 00:57:26,527

Everything's changed.

1036

00:57:26,529 --> 00:57:29,477

Look, I'm not gonna lie,
it's been a rough few weeks.

1037

00:57:29,479 --> 00:57:32,495

But, you're still
my best friend,

1038

00:57:32,497 --> 00:57:35,245

and pals support pals.

1039

00:57:35,247 --> 00:57:37,594

Always.

1040

00:57:37,596 --> 00:57:40,208

I think I know where
you're going with this.

1041

00:57:40,210 --> 00:57:42,088

Athena's our pal, too.

1042

00:57:42,090 --> 00:57:44,067

We helped her when she was
down in the dumps,

1043

00:57:44,069 --> 00:57:45,307

and our help paid off.

1044

00:57:45,309 --> 00:57:47,016

She's amazing now,

1045

00:57:47,018 --> 00:57:51,342

so we should be there
to cheer her on.

1046

00:57:52,551 --> 00:57:55,166

So, we're going
to this assembly?

1047

00:57:55,168 --> 00:57:57,045

Yeah, we owe it to her.

1048

00:57:58,187 --> 00:58:00,130

Fine.

1049

00:58:00,132 --> 00:58:01,202

Boo-yah!

1050

00:58:10,728 --> 00:58:13,409

<i>All right, attention students,
settle.</i>

1051

00:58:13,411 --> 00:58:17,332

In the short time that
she's been at this high school,

1052

00:58:17,334 --> 00:58:20,351

she's earned a 5.5 GPA,

1053

00:58:20,353 --> 00:58:24,375

is a rising star

on the soccer team,

1054

00:58:24,377 --> 00:58:29,674

and has already been voted

homecoming queen and king.

1055

00:58:32,996 --> 00:58:36,449

It is my great pleasure

to introduce

1056

00:58:36,451 --> 00:58:40,741

your most promising freshman

of the year...

1057

00:58:40,743 --> 00:58:42,922

Athena!

1058

00:58:47,552 --> 00:58:49,024

Uh, why is an ominous
green circle

1059

00:58:49,026 --> 00:58:51,006

being cut in the ceiling?

1060

00:58:53,017 --> 00:58:55,530

- <i>Look! Up there!</i>

- <i>What's that noise?</i>

1061

00:58:55,532 --> 00:58:56,938

<i>What's going on?</i>

1062

00:59:04,855 --> 00:59:10,119

Everyone remain calm and walk to
the exits in an orderly fash...

1063

00:59:11,261 --> 00:59:12,838

And I'm out.

1064

00:59:17,029 --> 00:59:20,850

Good afternoon, students.

1065

00:59:20,852 --> 00:59:25,244

Don't be alarmed, we're only
here to kidnap Athena...

1066

00:59:25,246 --> 00:59:26,249

What?

1067

00:59:26,251 --> 00:59:27,324

Ron, grapple me.

1068

00:59:27,326 --> 00:59:29,770

...before she becomes
so powerful,

1069

00:59:29,772 --> 00:59:32,724

she wipes out evil
as we know it.

1070

00:59:35,407 --> 00:59:36,411

Let's go.

1071

00:59:36,413 --> 00:59:38,088

What? No!

1072

00:59:38,090 --> 00:59:39,802

Kim, help!

1073

00:59:47,077 --> 00:59:48,785

Henchmen, attack!

1074

00:59:48,787 --> 00:59:51,940

Hench-women, attack.

1075

00:59:54,522 --> 00:59:56,130

Ha!

1076

00:59:56,132 --> 00:59:57,844

Oh.

1077

01:00:13,939 --> 01:00:15,079

Not fair, that's dirty.

1078

01:00:15,081 --> 01:00:16,923

Dirty fighting.

1079

01:00:16,925 --> 01:00:19,974

Ladies, please escort Cinderella
to her pumpkin.

1080

01:00:21,149 --> 01:00:22,861

Ugh!

1081

01:00:31,646 --> 01:00:33,457

Kim, help!

1082

01:00:39,393 --> 01:00:42,177

Throw it to me, I can do
my killer move!

1083

01:00:43,720 --> 01:00:46,099

Throw it, Kim!

1084

01:00:46,101 --> 01:00:48,717

Come on!

1085

01:01:02,835 --> 01:01:04,879

Oh, faceplant.

1086

01:01:08,973 --> 01:01:11,824

Please tell me someone got
that fail on video.

1087

01:01:18,396 --> 01:01:20,774

I'm sure you're wondering
what's next.

1088

01:01:20,776 --> 01:01:24,666

Well, it's my most
diabolical plan yet.

1089

01:01:24,668 --> 01:01:25,537

Shut it!

1090

01:01:25,539 --> 01:01:27,884

What have I told

you about overshare?

1091

01:01:27,886 --> 01:01:29,729

Oh, right.

1092

01:01:29,731 --> 01:01:31,543

Bye-ee!

1093

01:01:32,413 --> 01:01:33,485

<i>Help!</i>

1094

01:01:34,862 --> 01:01:37,542

<i>Please, anyone!</i>

1095

01:01:37,544 --> 01:01:39,356

<i>Help!</i>

1096

01:01:41,737 --> 01:01:43,412

No, no, no.

1097

01:01:56,928 --> 01:02:03,503

Possible, I was up all night
making that banner.

1098

01:02:05,078 --> 01:02:08,064

- <i>I cannot believe that happened!</i>
- <i>Athena.</i>

1099

01:02:14,132 --> 01:02:16,109

I blew it, Ron.

1100

01:02:16,111 --> 01:02:19,227

This was all my fault.

1101

01:02:19,229 --> 01:02:20,670

Oh, come on.

1102

01:02:20,672 --> 01:02:24,995

It's... well, yeah.

1103

01:02:24,997 --> 01:02:27,712

It's your fault.

1104

01:02:27,714 --> 01:02:29,021

What was I thinking?

1105

01:02:29,023 --> 01:02:31,201

I should have just given her
the Bo Staff.

1106

01:02:31,203 --> 01:02:34,721

Why didn't you give Athena
the Bo Staff?

1107

01:02:34,723 --> 01:02:40,792

Because I needed to be
the person who saves the day.

1108

01:02:40,794 --> 01:02:42,234

How'd that go?

1109

01:02:42,236 --> 01:02:44,179

Oh, real, real not great.

1110

01:02:44,181 --> 01:02:45,790

Very bad.

1111

01:02:51,055 --> 01:02:57,863

I just... I can't believe

how mixed up I've been, like...

1112

01:02:59,439 --> 01:03:04,065

Just because I'm not

the best at something

1113

01:03:04,067 --> 01:03:08,492

doesn't mean I'm not me.

1114

01:03:08,494 --> 01:03:11,711

So, what are we gonna do?

1115

01:03:16,509 --> 01:03:18,686

We're gonna go save our friend.

1116

01:03:18,688 --> 01:03:20,296

You up for this?

1117

01:03:20,298 --> 01:03:21,976

Let's go!

1118

01:03:31,130 --> 01:03:32,571

Ahhh!

1119

01:03:32,573 --> 01:03:33,677

Shego!

1120

01:03:33,679 --> 01:03:39,714

Come and celebrate with me,

with an ice-cold milk.

1121

01:03:39,716 --> 01:03:44,376

Never let it be said you don't
know how to party, Doctor D.

1122

01:03:44,378 --> 01:03:47,562

I have to admit, today went
better than I could have hoped.

1123

01:03:47,564 --> 01:03:51,519

Yeah, you know, I'm always good,
but I felt particularly fierce.

1124

01:03:51,521 --> 01:03:53,900

Oh, come on.

1125

01:03:53,902 --> 01:03:58,929

You were your usual competent
self, but I was the most...

1126

01:03:58,931 --> 01:04:01,680

Yeah, the most average,
maybe.

1127

01:04:01,682 --> 01:04:02,753

Zshh-zshh...

1128

01:04:02,755 --> 01:04:04,865

<i>Will you two stop arguing?</i>

1129

01:04:04,867 --> 01:04:06,039

Excuse me?

1130

01:04:06,041 --> 01:04:09,561

I was just trying to get
your attention.

1131

01:04:09,563 --> 01:04:12,008

And a little credit.

1132

01:04:12,010 --> 01:04:15,731

After all, I befriended Kim.

1133

01:04:15,733 --> 01:04:19,051

I surpassed her
in every single way,

1134

01:04:19,053 --> 01:04:22,037

and I broke her.

1135

01:04:22,039 --> 01:04:25,156

Just like you asked me to.

1136

01:04:25,158 --> 01:04:26,129

It was me.

1137

01:04:26,131 --> 01:04:27,403

I did all of it.

1138

01:04:27,405 --> 01:04:28,408

She gets this from you.

1139

01:04:28,410 --> 01:04:29,113

Don't...

1140

01:04:29,115 --> 01:04:30,654

make me hurt you.

1141

01:04:30,656 --> 01:04:31,662

So what?

1142

01:04:31,664 --> 01:04:32,700

What do you want?

1143

01:04:32,702 --> 01:04:33,706

A gold star?

1144

01:04:33,708 --> 01:04:34,713

A cookie?

1145

01:04:34,715 --> 01:04:35,718

You want a...

1146

01:04:35,720 --> 01:04:37,463

you want a hug?

1147

01:04:37,465 --> 01:04:38,202

No.

1148

01:04:38,204 --> 01:04:39,242

Okay.

1149

01:04:39,244 --> 01:04:44,474

I want to know what's next
for the three of us.

1150

01:04:45,614 --> 01:04:46,920

Huh.

1151

01:04:46,922 --> 01:04:51,850

Well, it's um,
it's a surprise.

1152

01:04:51,852 --> 01:04:52,923

Yes.

1153

01:04:52,925 --> 01:04:54,904

And you're going to find
out very soon.

1154

01:04:59,229 --> 01:05:01,240

Very soon.

1155

01:05:12,912 --> 01:05:14,254

I'll take it.

1156

01:05:20,291 --> 01:05:21,361

<i>Good luck, Kim.</i>

1157

01:05:21,363 --> 01:05:22,267

Thanks Mr. Mayor.

1158

01:05:22,269 --> 01:05:24,685

<i>Hey, thanks for stopping
that asteroid.</i>

1159

01:05:29,211 --> 01:05:30,214

Oh...

1160

01:05:30,216 --> 01:05:31,221

Oh...

1161

01:05:31,223 --> 01:05:32,226

Hey, sweetie.

1162

01:05:32,228 --> 01:05:33,368

We heard about Athena.

1163

01:05:33,370 --> 01:05:34,575

I'm really sorry.

1164

01:05:34,577 --> 01:05:40,141

Yeah, that was, um,

that was my fault.

1165

01:05:40,143 --> 01:05:42,993

So, I'm gonna try
and fix that mistake.

1166

01:05:42,995 --> 01:05:45,541

I don't know if I can,
but...

1167

01:05:45,543 --> 01:05:47,116

I think I'll have
a lot better chance

1168

01:05:47,118 --> 01:05:50,303

if I get some help, so...

1169

01:05:50,305 --> 01:05:52,617

Mom, Nana?

1170

01:05:52,619 --> 01:05:54,331

Are you in?

1171

01:05:56,074 --> 01:05:57,514

Well, you can count on me.

1172

01:05:57,516 --> 01:05:59,390

I don't know about
your mom.

1173

01:05:59,392 --> 01:06:01,369

Oh, of course she can
count on me.

1174

01:06:01,371 --> 01:06:02,677

You've always counted
on me.

1175

01:06:09,721 --> 01:06:10,727

<i>You guys, too?</i>

1176

01:06:10,729 --> 01:06:12,537

How do you do that?

1177

01:06:12,539 --> 01:06:14,183

Do what?

1178

01:06:16,530 --> 01:06:18,576

Let's do this.

1179

01:06:20,119 --> 01:06:23,536

And I will stay here
and watch the twins.

1180

01:06:23,538 --> 01:06:25,215

And maybe order a pizza.

1181

01:06:25,217 --> 01:06:26,422

Ooh, what toppings?

1182

01:06:26,424 --> 01:06:27,460

Ron!

1183

01:06:27,462 --> 01:06:29,174

Right, mission mode.

1184

01:06:31,823 --> 01:06:32,893

Oh.

1185

01:06:32,895 --> 01:06:34,707

It could be helpful.

1186

01:06:35,646 --> 01:06:37,625

I'll bring the drone.

Hop in.

1187

01:06:39,200 --> 01:06:40,573

Better watch out.

1188

01:06:40,575 --> 01:06:42,518

Oh.

1189

01:06:42,520 --> 01:06:43,525

Okay.

1190

01:06:43,527 --> 01:06:44,764

See ya!

1191

01:06:44,766 --> 01:06:46,612

Have fun.

1192

01:06:48,892 --> 01:06:50,536

Those crazy cats.

1193

01:06:56,001 --> 01:06:59,822

Time to bring this

evil plan home.

1194

01:06:59,824 --> 01:07:01,838

Fire up the brain module.

1195

01:07:03,044 --> 01:07:06,061

My machine?

1196

01:07:06,063 --> 01:07:07,939

My machine?

1197

01:07:07,941 --> 01:07:11,091

Where is my machine?

1198

01:07:11,093 --> 01:07:13,005

The brain modulator!

1199

01:07:13,777 --> 01:07:16,725

Shego! Shego!

1200

01:07:45,366 --> 01:07:48,248

Wait, quick question.

1201

01:07:48,250 --> 01:07:52,709

Was this here

the entire time?

1202

01:07:52,711 --> 01:07:53,950

Oh, uh, yeah.

1203

01:07:53,952 --> 01:07:58,179

I guess with everything going
on it just slipped my mind.

1204

01:08:01,129 --> 01:08:05,385

I've got to post this
to Villain-stagram.

1205

01:08:05,387 --> 01:08:06,392

Uh-oh.

1206

01:08:07,399 --> 01:08:09,343

Duckface.

1207

01:08:10,753 --> 01:08:12,898

There's gonna be such
epic FOMO.

1208

01:08:12,900 --> 01:08:13,872

<i>Hey!</i>

1209

01:08:14,274 --> 01:08:16,354

Make with the evil plan.

1210

01:08:22,323 --> 01:08:24,266

Where did you pull

that out of?

1211

01:08:43,081 --> 01:08:46,166

Yes! Yes! Yes!

1212

01:08:48,985 --> 01:08:51,635

Now, about my next mission?

1213

01:08:52,404 --> 01:08:58,775

Oh, dear tiny purple Athena.

1214

01:08:58,777 --> 01:09:01,055

You'll get your next mission.

1215

01:09:01,057 --> 01:09:03,168

Guaranteed.

1216

01:09:03,170 --> 01:09:04,544

Okay.

1217

01:09:04,546 --> 01:09:09,104

Let's get you ready
for your big fun surprise.

1218

01:09:19,469 --> 01:09:21,244

Hey, Wade? Are you
sure this is it?

1219

01:09:21,246 --> 01:09:22,451

Uh, definitely.

1220

01:09:22,453 --> 01:09:24,835

The energy readings
are off the charts.

1221

01:09:25,774 --> 01:09:27,783

Come in team Golden Girls.

1222

01:09:27,785 --> 01:09:30,232

Very funny, you're grounded.

1223

01:09:30,234 --> 01:09:31,774

I'm gonna sneak in through
the skylight and find Athena.

1224

01:09:31,776 --> 01:09:33,283

Is the alarm neutralized?

1225

01:09:33,285 --> 01:09:34,859

Um...

1226

01:09:34,861 --> 01:09:35,767

Here.

1227

01:09:37,611 --> 01:09:39,822

Ha!

1228

01:09:39,824 --> 01:09:41,499

It is now.

1229

01:09:41,501 --> 01:09:42,505

<i>Thanks, Nana.</i>

1230

01:09:42,507 --> 01:09:43,612

<i>You guys rendezvous with Ron.</i>

1231

01:09:43,614 --> 01:09:44,685

Hmm.

1232

01:09:44,687 --> 01:09:46,466

I'm goin' in.

1233

01:10:14,131 --> 01:10:15,538

Athena, we're here!

1234

01:10:15,540 --> 01:10:16,779

Come on, let's go.

1235

01:10:16,781 --> 01:10:20,000

I'm not going anywhere
with you, Kim.

1236

01:10:20,002 --> 01:10:21,575

You're mad.

1237

01:10:21,577 --> 01:10:23,318

I get that.

1238

01:10:23,320 --> 01:10:24,762

I'm sorry.

1239

01:10:24,764 --> 01:10:26,874

I really messed up
at the assembly, I know.

1240

01:10:26,876 --> 01:10:30,060

Kim, you were

a garbage friend

1241

01:10:30,062 --> 01:10:32,876

way before the fight
at the assembly.

1242

01:10:32,878 --> 01:10:34,150

Uh...

1243

01:10:34,152 --> 01:10:40,187

It was great when I was your pet
project who blew up your ego.

1244

01:10:40,189 --> 01:10:41,428

"You're the best, Kim!"

1245

01:10:41,430 --> 01:10:46,860

"I can't believe I'm doing a
friendship with Kim Possible!"

1246

01:10:46,862 --> 01:10:50,315

But the moment that I started
to surpass you,

1247

01:10:50,317 --> 01:10:55,815
you fell apart.

1248

01:10:55,817 --> 01:10:58,130
You're right.

1249

01:10:58,132 --> 01:11:02,187
I was so caught up
in all my drama.

1250

01:11:02,189 --> 01:11:06,345
But I'll be better now,
thanks to you.

1251

01:11:06,347 --> 01:11:08,357
You're sorry, and
you're better now.

1252

01:11:08,359 --> 01:11:10,941

I'm so happy for you.

1253

01:11:10,943 --> 01:11:17,078

But my purpose here was not to
be your friend who inspires you.

1254

01:11:17,080 --> 01:11:19,424

No.

1255

01:11:19,426 --> 01:11:22,409

As you can see...

1256

01:11:22,411 --> 01:11:26,068

I'm far more complex
than that.

1257

01:11:28,079 --> 01:11:29,956

Wha...

1258

01:11:29,958 --> 01:11:33,443

My purpose was
to destroy you.

1259

01:11:33,445 --> 01:11:34,418

Wha...

1260

01:11:37,200 --> 01:11:40,250

And I nailed it.

1261

01:11:40,252 --> 01:11:44,476

And now, Drakken and Shogo
have a new mission for me.

1262

01:11:44,478 --> 01:11:48,265

Whatever it is, I know
it's gonna be great.

1263

01:11:48,267 --> 01:11:50,511

<i>Athena, you can't trust them.</i>

1264

01:11:50,513 --> 01:11:52,124

*<i>I know there's still good
in you.</i>*

1265

01:11:53,364 --> 01:11:54,503

Athena!

1266

01:11:54,505 --> 01:11:56,380

Kim, just stop.

1267

01:11:56,382 --> 01:12:00,508

You should get out of here
while you still can.

1268

01:12:13,218 --> 01:12:15,363

<i>I just met Kim Possible!</i>

1269

01:12:18,248 --> 01:12:20,762

Cha-Cha Chimmurito,
no sour cream.

1270

01:12:21,769 --> 01:12:22,640

What are the odds?

1271

01:12:22,642 --> 01:12:24,719

*Picture the best version
of yourself.*

1272

01:12:24,721 --> 01:12:26,664

*That's the person
I want you to be.*

1273

01:12:26,666 --> 01:12:27,671

Do you see her?

1274

01:12:27,673 --> 01:12:28,743

I do.

1275

01:12:28,745 --> 01:12:30,655

You look amazing!

1276

01:12:30,657 --> 01:12:32,701

I mean, you've

out-Kimmed Kim.

1277

01:12:32,703 --> 01:12:34,847

I studied all her moves.

1278

01:12:34,849 --> 01:12:36,726

It's like you were born
to be my best friend.

1279

01:12:36,728 --> 01:12:39,812

Friend... friend... friend...

1280

01:12:45,848 --> 01:12:46,786

Comfy?

1281

01:12:46,788 --> 01:12:48,093

I guess.

1282

01:12:48,095 --> 01:12:49,501

Uh, why do I need these?

1283

01:12:49,503 --> 01:12:51,448

Safety precaution.

1284

01:12:51,450 --> 01:12:52,923

Mostly ours.

1285

01:12:59,061 --> 01:13:01,007

Hey, Drakk!

1286

01:13:02,550 --> 01:13:03,955

Possible!

1287

01:13:03,957 --> 01:13:05,734

It can't be.

1288

01:13:05,736 --> 01:13:07,779

Mind if we crash the party?

1289

01:13:07,781 --> 01:13:10,732

Oh, I was counting on it.

1290

01:13:12,309 --> 01:13:13,282

Click.

1291

01:13:17,775 --> 01:13:19,114

Hey! Rufus!

1292

01:13:19,116 --> 01:13:20,824

Ahhhhhh!!!!

1293

01:13:23,810 --> 01:13:25,419

Nice, right?

1294

01:13:25,421 --> 01:13:26,927

It's okay, buddy.

1295

01:13:26,929 --> 01:13:28,438

<i>We'll be out of here soon.</i>

1296

01:13:28,440 --> 01:13:30,986

Oh, this lair has it all.

1297

01:13:30,988 --> 01:13:34,876

And that forcefield is

100 percent inescapable.

1298

01:13:34,878 --> 01:13:35,848

Why?

1299

01:13:35,850 --> 01:13:39,740

Because the off switch

is all the way up there.

1300

01:13:39,742 --> 01:13:41,214

Don't tell them

where it is!

1301

01:13:41,216 --> 01:13:43,192

Shego!

1302

01:13:43,194 --> 01:13:47,184

Kim, I can't hack
this forcefield!

1303

01:13:47,186 --> 01:13:53,792

Anyhoo, welcome to my
long-awaited victory.

1304

01:13:55,604 --> 01:13:59,223

As I rotted away
in that cell...

1305

01:13:59,225 --> 01:14:01,939

Ah, the evil plan reveal.

1306

01:14:01,941 --> 01:14:03,481

I should have brought
a book.

1307

01:14:03,483 --> 01:14:05,057

I find these informative.

1308

01:14:05,059 --> 01:14:07,205

They fill in some of
the blanks.

1309

01:14:07,207 --> 01:14:08,480

Do you mind?

1310

01:14:08,482 --> 01:14:09,921

Oh!

1311

01:14:09,923 --> 01:14:13,576

Uh, where was I?

1312

01:14:13,578 --> 01:14:15,958

Rotting in your cell.

1313

01:14:15,960 --> 01:14:17,365

Yes, yes, yes.

1314

01:14:17,367 --> 01:14:21,055

It was there that I realized

that you, Kim Possible,

1315

01:14:21,057 --> 01:14:23,369

had something special,

1316

01:14:23,371 --> 01:14:27,258

something that separated

you from everybody else.

1317

01:14:27,260 --> 01:14:33,363

So, I created a cybertronic
humanoid.

1318

01:14:33,365 --> 01:14:35,811

What? Athena's a robot?

1319

01:14:35,813 --> 01:14:38,358

<i>I sent her in

to befriend you,</i>

1320

01:14:38,360 --> 01:14:44,395

*<i>to learn from you and to steal
what makes you Possible,</i>*

1321

01:14:44,397 --> 01:14:51,236

creating a digital version
of your spark.

1322

01:14:51,238 --> 01:14:52,511

My spark?

1323

01:14:52,513 --> 01:14:54,557

<i>Your spark.</i>

1324

01:14:54,559 --> 01:14:56,302

Kimmitation.

1325

01:14:56,304 --> 01:14:58,347

Yeah, you should
trademark that.

1326

01:14:58,349 --> 01:14:59,352

Or Kimputer.

1327

01:14:59,354 --> 01:15:00,559

Kimputer is good too.

1328

01:15:00,561 --> 01:15:02,002

Yeah, it is.

1329

01:15:02,004 --> 01:15:05,625

And now, I'm going to transfer
that digital spark

1330

01:15:05,627 --> 01:15:09,279

from her to me,

1331

01:15:09,281 --> 01:15:14,411

because you plus me
equals invincible.

1332

01:15:14,413 --> 01:15:17,562

Wait, what happens to Athena?

1333

01:15:17,564 --> 01:15:19,742

Oh, she'll be destroyed.

1334

01:15:19,744 --> 01:15:20,749

Wha...?

1335

01:15:20,751 --> 01:15:21,755

What? No!

1336

01:15:21,757 --> 01:15:24,974

You gotta break

a few eggs, kid.

1337

01:15:24,976 --> 01:15:26,484

<i>I'm gonna get you

out of there, Athena.</i>

1338

01:15:26,486 --> 01:15:30,675

Why? She's just a robot.

1339

01:15:30,677 --> 01:15:32,821

You're wrong.

1340

01:15:32,823 --> 01:15:34,836

She's my friend.

1341

01:15:37,754 --> 01:15:42,682

Wow, that's actually
quite touching.

1342

01:15:42,684 --> 01:15:46,776

Now, let's see how close
of a family you can become.

1343

01:15:49,994 --> 01:15:51,165

<i>Ohhh! Uh!</i>

1344

01:15:51,167 --> 01:15:52,743

<i>They're getting closer.</i>

1345

01:15:52,745 --> 01:15:54,687

<i>Stay away from the sides,
guys.</i>

1346

01:15:57,237 --> 01:15:59,985

Guys, that thing's gonna
vaporize you,

1347

01:15:59,987 --> 01:16:01,227

and I can't stop it.

1348

01:16:01,229 --> 01:16:03,645

Ah, sizzle.

1349

01:16:06,896 --> 01:16:07,899

Ow!

1350

01:16:07,901 --> 01:16:09,074

Are you okay, Mom?

1351

01:16:11,123 --> 01:16:12,663

<i>Okay, just squeeze in.</i>

1352

01:16:12,665 --> 01:16:13,903

<i>Closer.</i>

1353

01:16:13,905 --> 01:16:15,915

Oh! Good call, Rufus.

1354

01:16:15,917 --> 01:16:16,888

I'm on it.

1355

01:16:16,890 --> 01:16:17,897

Okay.

1356

01:16:19,272 --> 01:16:20,275

<i>Oh, no!</i>

1357

01:16:20,277 --> 01:16:21,283

<i>Rufus!</i>

1358

01:16:21,954 --> 01:16:23,025

Huh?

1359

01:16:23,027 --> 01:16:24,434

That's my boy!

1360

01:16:24,436 --> 01:16:26,882

He's Ru-fast Ru-furious!

1361

01:16:26,884 --> 01:16:29,028

<i>What is that? Shego!</i>

1362

01:16:29,030 --> 01:16:30,469

Ah, wooh!!!

1363

01:16:31,982 --> 01:16:32,817

Shoot him!

1364

01:16:32,819 --> 01:16:34,493

You got this, you got this,

Rufus!

1365

01:16:39,829 --> 01:16:42,008

Stabilize, stabilize.

1366

01:16:43,349 --> 01:16:44,322

Ah!

1367

01:16:55,423 --> 01:16:57,197

Rufus!

1368

01:16:59,716 --> 01:17:02,464

Get yourself a mole rat

and save the day!

1369

01:17:02,466 --> 01:17:04,445

Also, naked.

1370

01:17:05,483 --> 01:17:06,456

Ahh!

1371

01:17:20,742 --> 01:17:23,724

You know, we really should
do this more often.

1372

01:17:23,726 --> 01:17:25,202

Yeah.

1373

01:17:25,739 --> 01:17:26,814

Ha!

1374

01:17:35,164 --> 01:17:37,143

Ahhhhh!!!!

1375

01:17:40,562 --> 01:17:41,936

Ahhhhh!!!!

1376

01:17:46,968 --> 01:17:47,941

Kim!

1377

01:17:49,348 --> 01:17:51,563

Shego, the switch!

1378

01:17:54,815 --> 01:17:55,789

<i>Youth...</i>

1379

01:17:58,437 --> 01:17:59,508

<i>Vitality!</i>

1380

01:17:59,510 --> 01:18:00,548

No, no!

1381

01:18:00,550 --> 01:18:02,593

<i>Killer moves!</i>

1382

01:18:02,595 --> 01:18:04,540

Mad skills!

1383

01:18:06,754 --> 01:18:07,925

Spark!

1384

01:18:07,927 --> 01:18:09,535

Help!

1385

01:18:13,796 --> 01:18:16,041

Kim, the brain modulator.

1386

01:18:16,043 --> 01:18:18,556

If you can disrupt it...

1387

01:18:24,695 --> 01:18:25,699

That'll do.

1388

01:18:25,701 --> 01:18:27,946

No! No!

1389

01:18:27,948 --> 01:18:28,954

No!

1390

01:18:30,061 --> 01:18:31,065

<i>No, no...</i>

1391

01:18:31,067 --> 01:18:33,514

The machine's going crazy.

1392

01:18:33,516 --> 01:18:36,699

<i>It's causing some kind of
a side effect.</i>

1393

01:18:36,701 --> 01:18:38,108

What?

1394

01:18:38,110 --> 01:18:42,097

Nooo! Noooo!

1395

01:18:57,359 --> 01:18:59,339

Shego, get them!

1396

01:19:00,747 --> 01:19:03,226

Hey, what happened
to my clothes?

1397

01:19:03,228 --> 01:19:05,775

What's wrong with my voice?

1398

01:19:09,299 --> 01:19:11,244

Open!

1399

01:19:13,020 --> 01:19:15,031

This is fan-Drakken-tastic.

1400

01:19:15,033 --> 01:19:16,338

Silence, Shego.

1401

01:19:18,889 --> 01:19:20,935

It's destabilizing.

1402

01:19:24,490 --> 01:19:27,037

In the escape pod,

junior.

1403

01:19:27,039 --> 01:19:29,417

They're gonna be blown

to bits.

1404

01:19:29,419 --> 01:19:31,463

Bye-eee!

1405

01:19:31,465 --> 01:19:32,941

Ahhhhh!!!!

1406

01:19:34,013 --> 01:19:35,320

We gotta get out of here.

1407

01:19:38,540 --> 01:19:41,087

Guys, that thing's
gonna explode!

1408

01:19:41,089 --> 01:19:42,028

Hurry up!

1409

01:19:42,030 --> 01:19:43,034

Come on!

1410

01:19:43,036 --> 01:19:46,219

I gotcha!

1411

01:19:46,221 --> 01:19:47,225

<i>Mom, wait!</i>

1412

01:19:47,227 --> 01:19:48,302

Kim!

1413

01:19:49,071 --> 01:19:50,212

Kim!

1414

01:19:56,215 --> 01:19:57,219

Kim!

1415

01:19:57,221 --> 01:19:58,226

Hurry!

1416

01:19:58,228 --> 01:19:59,200

Let's go!

1417

01:20:04,364 --> 01:20:06,780

Athena! What are
you doing?

1418

01:20:10,501 --> 01:20:11,606

Kim, go!

1419

01:20:11,608 --> 01:20:13,484

You need to get out of here,
I have to stay behind.

1420

01:20:13,486 --> 01:20:14,491

I'm the only one who...

1421

01:20:14,493 --> 01:20:15,529

No, Athena, stop!

1422

01:20:15,531 --> 01:20:16,905

It'll kill you!

1423

01:20:16,907 --> 01:20:19,319

I can absorb the energy
from the cube, Kim.

1424

01:20:19,321 --> 01:20:20,358

I'm not human.

1425

01:20:20,360 --> 01:20:22,304

Only I can do this!

1426

01:20:22,306 --> 01:20:24,350

I'm not gonna
leave you here!

1427

01:20:24,352 --> 01:20:26,831

Everyone will die
if I go with you, Kim.

1428

01:20:26,833 --> 01:20:28,272

Kim! Run!

1429

01:20:28,274 --> 01:20:29,248

<i>Come on!</i>

1430

01:20:30,992 --> 01:20:35,252

You saved me,
let me save you.

1431

01:20:41,657 --> 01:20:42,629

Go.

1432

01:21:02,448 --> 01:21:05,432

Kim, run!

1433

01:21:05,434 --> 01:21:07,614

No!

1434

01:21:43,395 --> 01:21:45,407

Oh, Kimmy.

1435

01:21:51,981 --> 01:21:54,665

Rufus, where are you going?

1436

01:22:27,294 --> 01:22:28,701

Athena, we're going
to get you out of there!

1437

01:22:32,426 --> 01:22:38,225

<i>Uh... Uh, Kim?</i>

1438

01:22:38,227 --> 01:22:40,608

<i>I could use a hand.</i>

1439

01:22:54,291 --> 01:22:56,166

We're gonna patch you up
good as new, okay?

1440

01:22:56,168 --> 01:22:57,843

I promise.

1441

01:22:57,845 --> 01:23:00,158

You're a really good friend.

1442

01:23:00,160 --> 01:23:01,633

So are you.

1443

01:23:01,635 --> 01:23:05,457

She learned
from the best.

1444
