

Dialogues from Marrowbone to improve the vocabulary in English

1

00:01:44,272 --> 00:01:47,776

<i>We have come very far,
enduring many hardships.</i>

2

00:01:49,039 --> 00:01:53,294

<i>But at last, we found a
place where we can be safe.</i>

3

00:01:53,944 --> 00:01:55,113

<i>Together.</i>

4

00:01:55,563 --> 00:01:57,649

<i>At the other end of the ocean.</i>

5

00:02:13,610 --> 00:02:15,696

It's not how I remember it.

6

00:02:17,897 --> 00:02:19,295

<i>Mum had put all her hopes</i>

7

00:02:19,335 --> 00:02:21,678

<i>on the house where
she had grown up.</i>

8

00:02:22,236 --> 00:02:24,076

<i>It had been waiting for us,</i>

9

00:02:24,537 --> 00:02:27,541

<i>frozen in time for
over thirty years.</i>

10

00:02:40,744 --> 00:02:42,538

Is someone there?

11

00:02:46,055 --> 00:02:48,290

Just a coat stand
in the mirror, Sam.

12

00:02:48,895 --> 00:02:50,314

Don't be afraid.

13

00:03:01,330 --> 00:03:03,750

It's not a step to take lightly.

14

00:03:05,621 --> 00:03:07,457

We're no longer Fairbairns.

15

00:03:08,341 --> 00:03:12,045

From now on, our last name
will be "Marrowbone".

16

00:03:12,199 --> 00:03:13,598

Just like this house,

17

00:03:13,746 --> 00:03:15,644

which will be our new home.

18

00:03:20,081 --> 00:03:23,174

Once you cross that line,
there'll be no memories.

19

00:03:23,663 --> 00:03:26,977

Our story begins here.

20

00:03:27,531 --> 00:03:29,344

Will he ever find us, Mummy?

21

00:03:30,637 --> 00:03:31,806

Who?

22

00:03:34,066 --> 00:03:35,986

You see, I've crossed the line.

23

00:03:36,112 --> 00:03:37,865

I must've forgotten already.

24

00:03:38,544 --> 00:03:40,881

No one will bother us again.

25

00:03:41,574 --> 00:03:42,743

Ever.

26

00:04:12,814 --> 00:04:15,568

<i>We wanted to believe
that we would be safe.</i>

27

00:04:16,568 --> 00:04:19,238

<i>That we too had
a chance of happiness.</i>

28

00:04:20,419 --> 00:04:24,507

<i>That Mum's illness had disappeared
with the rest of our problems.</i>

29

00:04:24,721 --> 00:04:26,916

<i>The darkness we'd left
behind seem to vanish</i>

30

00:04:27,057 --> 00:04:29,154

<i>in the light of
those summer days.</i>

31

00:04:30,877 --> 00:04:32,379

<i>Nobody knew us.</i>

32

00:04:32,918 --> 00:04:35,463

<i>We could be free
for the first time.</i>

33

00:04:37,635 --> 00:04:40,306

<i>And we were about to
make a new friend</i>

34

00:04:40,409 --> 00:04:42,737

<i>that would change
our lives forever.</i>

35

00:04:42,955 --> 00:04:44,448

Oh, look at that, Sam!

36

00:04:44,557 --> 00:04:47,490

This must be the place they call
"The Red Witch Rock".

37

00:04:47,552 --> 00:04:48,834

It's a skull.

38

00:04:48,941 --> 00:04:51,278

Let's go back, Billy.

I don't like it.

39

00:04:52,123 --> 00:04:53,513

<i>Who goes there?</i>

40

00:04:53,654 --> 00:04:56,216

<i>How dare you invade
my dwellings.</i>

41

00:04:57,519 --> 00:04:59,120

I'm Sam Marrowbone.

42

00:04:59,199 --> 00:05:01,784

These are my two brothers,
Billy and Jack.

43

00:05:01,862 --> 00:05:03,909

And this is my sister Jane.

44

00:05:04,194 --> 00:05:06,781

<i>You have entered the
Red Witch lands.</i>

45

00:05:07,375 --> 00:05:09,378

52

00:05:23,529 --> 00:05:24,990

-Come on!

-Come on, Sammy!

53

00:05:25,398 --> 00:05:26,566

Be brave.

54

00:05:29,590 --> 00:05:31,738

The walls are closing in,
we shouldn't be here.

55

00:05:31,847 --> 00:05:33,841

Your soul must have been good.

56

00:05:34,728 --> 00:05:36,219

It's very slippery here.

57

00:05:38,482 --> 00:05:40,341

Hello, little one.

58

00:05:42,113 --> 00:05:43,532

Come closer.

59

00:05:46,349 --> 00:05:47,744

My name is Allie.

60

00:05:47,870 --> 00:05:50,231

Are you a prisoner
of the Red Witch?

61

00:05:50,496 --> 00:05:51,582

Yes.

62

00:05:52,122 --> 00:05:54,708

She punished me for
breaking into her garden.

63

00:05:54,778 --> 00:05:56,920

Leaving me trapped until someone

64

00:05:57,015 --> 00:06:00,043

dared cross the
passageway and rescue me.

65

00:06:00,419 --> 00:06:02,035

Now, is that someone you?

66

00:06:03,410 --> 00:06:07,182

Take these acorns in return.

67

00:06:07,451 --> 00:06:09,279

They aren't much now, but

68

00:06:09,467 --> 00:06:12,185

they'll grow big and strong

with our friendship.

69

00:06:13,334 --> 00:06:14,814

They're magic.

70

00:06:20,804 --> 00:06:22,429

So now that you're free,

71

00:06:23,749 --> 00:06:25,283

where would you like to go?

72

00:06:49,413 --> 00:06:52,140

<i>At the end of that
unforgettable day,</i>

73

00:06:52,202 --> 00:06:54,335

<i>Allie was already one of us.</i>

74

00:06:54,441 --> 00:06:56,444

Stop. Wait, okay, move forward.

75

00:06:56,773 --> 00:06:57,770

Why?

76

00:06:57,817 --> 00:06:59,450

It's too beautiful. Can I...?

77

00:06:59,906 --> 00:07:01,757

Get close together, come on.

78

00:07:02,406 --> 00:07:04,031

You guys ready?

79

00:07:04,296 --> 00:07:06,375

One, two...

80

00:07:06,811 --> 00:07:08,031

Great.

81

00:07:09,681 --> 00:07:10,920

Perfect.

82

00:07:12,334 --> 00:07:13,842

<i>We began again.</i>

83

00:07:14,521 --> 00:07:16,200

<i>We forgot the past.</i>

84

00:07:18,333 --> 00:07:20,419

<i>And we started a new life.</i>

85

00:07:21,802 --> 00:07:24,806

<i>For a while, we all
bought in to that illusion.</i>

86

00:07:26,841 --> 00:07:29,404

<i>But the journey to America had
taken what little strength</i>

87

00:07:29,435 --> 00:07:31,069

<i>Mum had left in her.</i>

88

00:07:31,248 --> 00:07:33,060

<i>Little did we know,</i>

89

00:07:33,170 --> 00:07:35,693

<i>that would be our
last summer together.</i>

90

00:07:44,299 --> 00:07:46,080

Bury me in the garden.

91

00:07:47,073 --> 00:07:48,993

I showed you where.

92

00:07:49,867 --> 00:07:53,581

You just have to turn 21.

93

00:07:53,903 --> 00:07:57,333

Stay hidden until then

94

00:07:58,833 --> 00:08:01,490

and no law will
take them from you.

95

00:08:03,372 --> 00:08:05,124

Swear to me.

96

00:08:06,592 --> 00:08:08,484

You'll stay together.

97

00:08:12,343 --> 00:08:14,144

Always stay together.

98

00:08:15,848 --> 00:08:17,267

I swear.

99

00:08:20,593 --> 00:08:23,312

Have a safe place ready.

100

00:08:24,843 --> 00:08:27,265

In case he finds you.

101

00:08:31,413 --> 00:08:33,163

In the cupboard.

102

00:08:33,554 --> 00:08:35,132

On the left.

103

00:09:00,034 --> 00:09:01,480

You lied.

104

00:09:02,770 --> 00:09:04,457

You lied in court.

105

00:09:05,597 --> 00:09:08,183

You kept his money
all this time.

106

00:09:14,749 --> 00:09:16,296

"My dearest Jack,

107

00:09:16,522 --> 00:09:19,794

"I'm so sorry I won't be there
for you as you grow up.

108

00:09:20,538 --> 00:09:22,666

"I no longer have the strength.

109

00:09:23,220 --> 00:09:27,288

"Jane will be Sam's mother,
as it was meant to be.

110

00:09:28,232 --> 00:09:31,154

"Tell Billy to not let his anger

111

00:09:31,350 --> 00:09:33,225

"take his beautiful heart.

112

00:09:34,786 --> 00:09:37,114

"And you, my Jack,
when the time comes,

113

00:09:37,208 --> 00:09:39,763

134

00:10:52,524 --> 00:10:54,720

<i>until I turned 21.</i>

135

00:11:35,472 --> 00:11:36,682

Jack!

136

00:11:40,159 --> 00:11:42,472

Jack! Jack!

137

00:11:53,890 --> 00:11:56,983

Six months later

138

00:12:28,283 --> 00:12:31,066

I'm tired of being

locked up in this house.

139

00:12:32,488 --> 00:12:34,551

It won't be long before

your birthday, Jack.

140

00:12:34,653 --> 00:12:37,082

We should start thinking
about your party.

141

00:12:40,475 --> 00:12:43,210

That lawyer Porter was hanging
on the fence last week again.

142

00:12:43,374 --> 00:12:45,226

We'll be done with him soon enough.

143

00:12:45,251 --> 00:12:47,647

Come Christmas time it
will all be different.

144

00:12:47,820 --> 00:12:49,007

You'll see, Billy.

145

00:12:49,075 --> 00:12:50,411

Billy! Billy!

146

00:12:51,411 --> 00:12:52,138

What Sam?

147

00:12:52,216 --> 00:12:53,584

I heard a noise
behind the mirror

148

00:12:53,615 --> 00:12:55,092

and the cover is falling off.

149

00:12:55,172 --> 00:12:56,321

If you don't do something,

150

00:12:56,398 --> 00:12:58,054

ghost might be able
to see us again.

151

00:12:58,198 --> 00:12:59,423

Stop being such a baby.

152

00:12:59,544 --> 00:13:01,481

You don't need to be scared.

153

00:13:02,212 --> 00:13:04,622

Sam, the ghost has

been gone for months.

154

00:13:06,234 --> 00:13:08,276

Here, give me this.

155

00:13:09,984 --> 00:13:11,328

Scoundrel?

156

00:13:15,169 --> 00:13:17,631

Come on, Scoundrel,
come get your breakfast.

157

00:13:18,094 --> 00:13:20,598

So that's what's making
the noises behind the walls.

158

00:13:20,701 --> 00:13:22,155

It's that big rat.

159

00:13:22,828 --> 00:13:25,008

Sam, stop feeding it.

160

00:13:25,172 --> 00:13:27,250

It's making holes
all over the house.

161

00:13:27,422 --> 00:13:28,867

Do you want me to
let her starve?

162

00:13:28,930 --> 00:13:30,195

You don't know where
that thing has been.

163

00:13:30,219 --> 00:13:31,586

All right? You could get rabies.

164

00:13:31,641 --> 00:13:33,664

She won't bite me,
she's my friend.

165

00:13:33,954 --> 00:13:35,562

Terrible thing, rabies.

166

00:13:35,703 --> 00:13:37,015

You'll get foam
coming out your mouth

167

00:13:37,039 --> 00:13:38,516
until your insides
are all rotten.

168

00:13:38,578 --> 00:13:40,093
I'll have to spend my
last bullet on you.

169

00:13:40,168 --> 00:13:42,559
Then I'll hide behind the mirror
and scream and cry all night

170

00:13:42,606 --> 00:13:44,205
and you'll never sleep again.

171

00:13:44,236 --> 00:13:46,329
Yeah, but the dead
don't cry or scream.

172

00:13:46,518 --> 00:13:49,940

Tell me that next time you hear the
ghost in the middle of the night.

173

00:14:46,859 --> 00:14:48,007

Oh, fuck.

174

00:14:48,875 --> 00:14:49,875

Ah!

175

00:14:57,510 --> 00:14:58,637

Jack!

176

00:15:02,794 --> 00:15:05,089

No extra money, no nonsense.

177

00:15:05,552 --> 00:15:06,804

We'll see.

178

00:15:09,393 --> 00:15:10,313

Hello.

179

00:15:10,377 --> 00:15:13,713

We'll follow you on the map, Jack,
so you don't feel alone.

180

00:15:24,163 --> 00:15:26,348

He's just left the
Marrowbone home.

181

00:15:26,435 --> 00:15:28,481

He's going through the forest.

182

00:15:32,046 --> 00:15:33,575

<i>That was a bird.</i>

183

00:15:33,888 --> 00:15:37,756

And then he goes
down the tunnel.

184

00:15:37,833 --> 00:15:39,612

<i>Through the tunnel.</i>

185

00:15:41,690 --> 00:15:45,393

And then, he goes
out of the tunnel...

186

00:15:45,851 --> 00:15:48,929

<i>and goes on the bridge...</i>

187

00:15:51,213 --> 00:15:52,757

and then...

188

00:15:54,166 --> 00:15:56,880

<i>Oh, he should see

Allie's farm by now.</i>

189

00:15:56,978 --> 00:15:59,186

-Say, "Hi, Allie"!

-Hi, Allie.

190

00:15:59,264 --> 00:16:03,161

-Hi, we miss you!

-We miss you.

191

00:16:06,472 --> 00:16:09,559

<i>And he goes through

the bumpy mud.</i>

192

00:16:09,805 --> 00:16:12,310

<i>And he goes through the path.</i>

193

00:16:12,866 --> 00:16:14,952

He goes all the way up.

194

00:16:17,173 --> 00:16:20,712

-And now he's getting near town.

-Oh.

195

00:16:24,099 --> 00:16:26,407

<i>He's almost there.</i>

196

00:16:29,236 --> 00:16:31,962

And then he goes into that shop.

197

00:16:32,579 --> 00:16:34,944

<i>Careful, Jack.</i>

198

00:16:35,699 --> 00:16:37,535

<i>Be brave, Jack.</i>

199

00:16:39,239 --> 00:16:40,658

Catch me if you can!

200

00:16:40,824 --> 00:16:42,697

<i>Two weeks ago today...</i>

201

00:16:45,952 --> 00:16:47,335

Oh, Jack.

202

00:16:47,420 --> 00:16:49,944

I was beginning to think you
wouldn't show up this week.

203

00:16:50,309 --> 00:16:52,108

Hm, they smell delicious.

204

00:16:53,554 --> 00:16:54,973

You bring a list?

205

00:16:58,587 --> 00:17:00,556

<i>Thousands saluted
the American flag</i>

206

00:17:00,594 --> 00:17:02,371

<i>stiff with wires

so that it would wave.</i>

207

00:17:02,476 --> 00:17:04,630

<i>Then inspected the conditions

of the lunar module...</i>

208

00:40:23,751 --> 00:40:25,265

I meant to ask you
something, Allie.

436

00:40:25,673 --> 00:40:28,107

Hey, so these Marrowbone kids...

437

00:40:29,270 --> 00:40:30,955

How well do you know them?

438

00:40:32,183 --> 00:40:34,936

We're good friends, I guess.

439

00:40:36,222 --> 00:40:37,027

Huh.

440

00:40:39,012 --> 00:40:40,528

It's just that they worry me.

441

00:40:40,802 --> 00:40:42,832

You know, the fact that
they live so isolated.

442

00:40:43,388 --> 00:40:45,122

Always hiding away
from the community.

443

00:40:45,263 --> 00:40:47,413

They're not hiding.

444

00:40:47,553 --> 00:40:48,966

Allie, come on.

445

00:40:49,498 --> 00:40:51,716

The poor kid, Sam doesn't
even go to school.

446

00:40:51,977 --> 00:40:54,231

They live too far away.

447

00:40:54,654 --> 00:40:56,657

And Sam is home schooled.

448

00:40:56,925 --> 00:40:59,427

Jane helps with his homework
and I check his notebooks.

449

00:41:00,466 --> 00:41:01,232

Huh.

450

00:41:01,962 --> 00:41:03,746

Well, I guess that's something.

451

00:41:04,708 --> 00:41:06,685

It's just so unfortunate that

452

00:41:06,795 --> 00:41:09,279

he's forced to live that way
because of his father.

453
