

Dialogues from Mary Queen of Scots to improve the vocabulary in English

1

00:03:16,920 --> 00:03:18,001

Come on.

2

00:04:58,240 --> 00:04:59,241

You must be tired.

3

00:04:59,840 --> 00:05:01,046

I'm quite well.

4

00:05:02,680 --> 00:05:03,886

Your supper
is being prepared.

5

00:05:03,960 --> 00:05:06,281

We can have it brought up
to your chambers, if you like.

6

00:05:06,360 --> 00:05:07,566

Yes, thank you.

7

00:05:13,720 --> 00:05:14,721

How long are you staying?

8

00:05:15,560 --> 00:05:17,722

At Holyrood?

In Scotland.

9

00:05:19,200 --> 00:05:21,089

Are you already
planning my departure?

10

00:05:22,240 --> 00:05:25,050

Of course not. We've long
awaited your return.

11

00:05:28,520 --> 00:05:30,204

Kate will show you
to your chambers.

12

00:05:31,440 --> 00:05:32,726

This way, Madam.

13

00:05:45,440 --> 00:05:48,489

Lord Bothwell, do you
intend to stay as well?

14

00:05:49,560 --> 00:05:51,608

I swore an oath to the Queen's
mother to protect her.

15

00:05:52,080 --> 00:05:53,844

She is well protected here.

16

00:05:53,920 --> 00:05:56,207

I'll uphold
my oath just the same.

17

00:05:56,480 --> 00:05:58,847

And what reward does your
loyalty command?

18

00:05:59,440 --> 00:06:02,489

I'm driven by duty.

Not ambition.

19

00:06:12,400 --> 00:06:14,641

Madam, your
cousin has returned from France.

20

00:06:15,720 --> 00:06:18,200

Her protector is Lord Bothwell.
An able soldier.

21

00:06:18,960 --> 00:06:21,406

So, she comes ready for war?

22

00:06:21,480 --> 00:06:24,689

She may well depart once married, but
I cannot profess to know her purpose.

23

00:06:25,840 --> 00:06:26,966

What says her brother?

24

00:06:27,040 --> 00:06:28,963

Moray is only
her half-brother, Madam.

25

00:06:29,040 --> 00:06:30,804

I believe his allegiance
is fully with us.

26

00:06:32,320 --> 00:06:33,481

What proof?

27

00:06:33,640 --> 00:06:36,120

He pledges to protect the
Protestant Church from Mary.

28

00:06:36,200 --> 00:06:39,204

Yet he has no power to make such a
pledge if he is no longer Regent.

29

00:06:39,680 --> 00:06:40,841

The nobles respect him.

30

00:06:42,800 --> 00:06:44,609

But can he control her?

31

00:06:45,880 --> 00:06:49,601

If she is anything like our Queen,
then she does not yield to a bridle.

32

00:06:50,040 --> 00:06:52,327

So says
our Master of the Horse.

33

00:06:53,160 --> 00:06:55,686

By "bridle," do you
speak of matrimony?

34

00:07:05,800 --> 00:07:09,407

You may tell Scotland that we wish
to love the Stuarts as our kin.

35

00:07:10,080 --> 00:07:12,208

But they must
love us in return.

36

00:07:17,320 --> 00:07:19,163

Madam,
if I may speak?

37

00:07:20,480 --> 00:07:23,962

While she's on this island, she
must bow to you, not to Rome.

38

00:07:24,040 --> 00:07:25,485

Our Catholics must know

39

00:07:25,560 --> 00:07:28,166

that a papist will never again
sit on the English throne.

40

00:07:29,640 --> 00:07:30,880

What would you suggest?

41

00:07:31,280 --> 00:07:32,520

Kill her hope.

42

00:07:32,720 --> 00:07:35,690

And hopeless, she may return to
the comfort of the continent.

43

00:07:56,640 --> 00:07:57,801

Bravo, Rizzio.

44

00:07:58,960 --> 00:08:00,769

Is your hand as good
as your French?

45

00:08:02,320 --> 00:08:03,810

My hand, Madam?

46

00:08:09,440 --> 00:08:12,444

We are two
sisters bound by womanhood.

47

00:08:15,720 --> 00:08:17,802

Two princes
on the same island.

48

00:08:18,400 --> 00:08:21,643

<i>Ruling side by side,
we must do so in harmony.</i>

49

00:08:22,720 --> 00:08:26,042

<i>And not through a treaty drafted

by men lesser than ourselves.</i>

50

00:08:27,600 --> 00:08:30,729

<i>I wish us to make
a treaty of two queens.</i>

51

00:08:31,960 --> 00:08:35,248

<i>I would acknowledge your rightful
place on the English throne,</i>

52

00:08:35,320 --> 00:08:37,721

<i>were you to name me
your successor.</i>

53

00:08:39,160 --> 00:08:41,208

<i>I hope we might
meet in person.</i>

54

00:08:42,040 --> 00:08:43,565

<i>That I might embrace you.</i>

55

00:08:45,920 --> 00:08:47,888

<i>And we might resolve

our destinies.</i>

56

00:08:48,920 --> 00:08:50,206

What do you see, Bess?

57

00:08:56,360 --> 00:08:57,521

Charming.

58

00:09:00,480 --> 00:09:02,403

Fair, if the painter

does not lie.

59

00:09:05,560 --> 00:09:06,721

Young.

60

00:09:08,880 --> 00:09:10,041

Clever.

61

00:09:12,440 --> 00:09:13,521

Confident.

62

00:09:14,560 --> 00:09:16,608

She would have no trouble
securing a husband,

63

00:09:16,680 --> 00:09:18,205
even without her throne.

64

00:09:19,000 --> 00:09:20,490
Nor would you, Madam.

65

00:09:23,920 --> 00:09:25,160
Forgive me.

66

00:09:37,320 --> 00:09:40,051
Elizabeth will not
accept my hand in marriage.

67

00:09:40,520 --> 00:09:44,002
You cannot be certain. I know
because I know her heart.

68

00:09:44,080 --> 00:09:46,731
The moment I betray it with
ambition, I lose her heart.

69

00:09:46,800 --> 00:09:48,802

Would you rather
she lose her crown?

70

00:09:49,480 --> 00:09:51,005

You exaggerate.

71

00:09:51,080 --> 00:09:53,287

How much blood has been
spilled in Rome's name?

72

00:09:54,000 --> 00:09:56,924

If a Catholic queen bears
a child before our own,

73

00:09:57,000 --> 00:09:59,287

have no doubt,
blood will spill again.

74

00:09:59,680 --> 00:10:02,843

Muster your courage.
Save us from her reticence.

75

00:10:03,120 --> 00:10:04,929

She will not produce a child

76

00:10:05,040 --> 00:10:06,963

*<i>because her council
fears the Queen of Scots.</i>*

77

00:10:10,440 --> 00:10:11,487

Aye.

78

00:10:12,560 --> 00:10:14,050

<i>Nor will she marry.</i>

79

00:10:14,320 --> 00:10:17,085

*<i>She suspects all suitors
of wanting her throne.</i>*

80

00:10:17,160 --> 00:10:18,446

She will not have me.

81

00:10:18,520 --> 00:10:22,650

88

00:10:52,880 --> 00:10:55,850

That's William Maitland of
Lethington, Secretary of State.

89

00:11:02,920 --> 00:11:04,684

John Knox,
Church of Scotland.

90

00:11:10,840 --> 00:11:12,490

Loose string, yeah.

91

00:11:18,520 --> 00:11:19,521

Let us begin.

92

00:12:02,240 --> 00:12:04,322

Lord Lennox.

My Lord.

93

00:12:05,360 --> 00:12:07,328

I would ask our mistress
to beseech Queen Mary

94

00:12:07,400 --> 00:12:08,640

that I be allowed
to return to Scotland...

95

00:12:08,720 --> 00:12:10,245

This is not the place.

96

00:12:11,120 --> 00:12:13,122

It would be wise to have
a Catholic servant there.

97

00:12:13,200 --> 00:12:14,804

My influence...
It is your influence

98

00:12:14,920 --> 00:12:17,287

which emboldened
papists here!

99

00:12:27,120 --> 00:12:28,645

You humiliate
yourself, Father.

100

00:12:57,440 --> 00:12:59,966

But your

Queen is in Scotland now.

101

00:13:06,960 --> 00:13:09,486

When my beloved

Francois passed to God,

102

00:13:10,560 --> 00:13:13,564

I could've married

any number of suitors.

103

00:13:15,280 --> 00:13:18,841

Portugal, Denmark, Sweden.

104

00:13:19,680 --> 00:13:21,250

I declined them all.

105

00:13:21,440 --> 00:13:25,889

Just as I would not have a political
marriage imposed upon me,

106

00:13:27,560 --> 00:13:31,007

I will not impose an uncertain
fate upon my subjects.

107

00:13:35,640 --> 00:13:39,087

They remain free to worship
however they so choose,

108

00:13:39,760 --> 00:13:41,091

Catholic or Protestant.

109

00:13:47,680 --> 00:13:50,126

Pastor, you look displeased
with our tolerance.

110

00:13:50,200 --> 00:13:53,409

Any realm that is ruled by the
Pope is not tolerant, Madam.

111

00:13:54,120 --> 00:13:56,600

It is enslaved.

Stand when I address you.

112

00:14:01,040 --> 00:14:02,644

There is one true God,

113

00:14:03,360 --> 00:14:04,850

and therefore,
one true religion.

114

00:14:04,920 --> 00:14:07,127

Such rhetoric incites revolt.

115

00:14:07,240 --> 00:14:09,083

If a prince strays
from God's will,

116

00:14:09,200 --> 00:14:11,851

it is not in doubt
that they may be resisted.

117

00:14:13,720 --> 00:14:17,327

And in your case,
as with all women,

118

00:14:18,600 --> 00:14:20,409

your sight is but blindness.

119

00:14:21,600 --> 00:14:23,284

Your strength, weakness.

120

00:14:24,520 --> 00:14:25,681

Your counsel, foolishness.

121

00:14:27,640 --> 00:14:29,449

Your judgment, frenzy.

122

00:14:31,200 --> 00:14:33,282

Are we to abide a papist
and a woman both?

123

00:14:44,360 --> 00:14:49,241

Well, then, I perceive that my
subjects shall obey you, and not me.

124

00:14:49,920 --> 00:14:52,002

May I sit, Madam?

No.

125

00:14:54,280 --> 00:14:57,523

You may remove yourself from
this council and my court.

126

00:14:58,280 --> 00:15:01,682

My council is among the
faithful disciples I serve.

127

00:15:08,560 --> 00:15:12,007

We have as little need of
this court as it has of us.

128

00:15:16,240 --> 00:15:17,810

I pray for your soul, Madam.

129

00:15:30,080 --> 00:15:32,651

I beg you to reconsider. He
has the trust of the people.

130

00:15:32,720 --> 00:15:34,529

Did I not give
deference to his faith?

131

00:15:34,600 --> 00:15:36,728

Yes. But we must
be delicate.

132

00:15:36,800 --> 00:15:38,165

Allegiance does not happen
by proclamation...

133

00:15:38,240 --> 00:15:39,685

Where is his delicacy?

134

00:15:40,360 --> 00:15:44,046

That he should speak to a monarch so?
Would he challenge Elizabeth thus?

135

00:15:44,120 --> 00:15:47,090

With what cause? He would
welcome a Protestant queen.

136

00:15:47,160 --> 00:15:50,403

Which is precisely why we must
not push him into her arms.

137

00:15:50,480 --> 00:15:51,925

Show him love.

138

00:15:54,120 --> 00:15:55,485

You are wise, brother.

139

00:15:56,400 --> 00:15:59,131

There are times for wisdom
and there are times for love,

140

00:15:59,200 --> 00:16:01,202

but there also times
for strength.

141

00:16:39,200 --> 00:16:41,168

Your Queen
asks for approval.

142

00:16:41,680 --> 00:16:45,162

But how am I to grant her wish
when she offers no suitors?

143

00:16:45,600 --> 00:16:48,080

She would prefer
an English nobleman.

144

00:16:48,480 --> 00:16:49,481

And a Protestant.

145

00:16:49,960 --> 00:16:51,371

If it pleases Your Grace.

146

00:16:51,880 --> 00:16:54,850

As long as what pleases me
pleases Elizabeth.

147

00:16:59,640 --> 00:17:03,326

Perhaps I should wed you. Then I
would have my English nobleman.

148

00:17:03,400 --> 00:17:06,085

I do not
think God wills it.

149

00:17:06,400 --> 00:17:09,643

If it be God's will for Mary to

marry, then Mary will marry,

150

00:17:09,720 --> 00:17:12,485

and only who God intends
for Mary to marry.

151

00:17:13,920 --> 00:17:15,729

I pray he wills
Elizabeth marry, too.

152

00:17:23,760 --> 00:17:25,524

No,no.No,no,no.

153

00:17:37,560 --> 00:17:38,846

You share good company.

154

00:17:40,040 --> 00:17:42,691

Maitland dotes
on Mistress Fleming.

155

00:17:43,440 --> 00:17:47,240

The only difference being that he
does not have a wife as you do.

156

00:17:59,760 --> 00:18:02,240

<i>We have a scourge upon our land.</i>

157

00:18:03,920 --> 00:18:07,447

'This is worse than
pestilence and famine.

158

00:18:07,920 --> 00:18:10,526

'This is a woman with a crown

159

00:18:12,000 --> 00:18:17,769

who only pretends to worship Christ, when
in truth, she kneels before the Pope.

160

00:18:19,880 --> 00:18:22,850

We do not take
instruction from Rome.

161

00:18:23,520 --> 00:18:27,969

We resist those who would
tempt us with indulgences.

162

00:18:28,840 --> 00:18:31,411

Deny those who worship luxury.

163

00:18:33,080 --> 00:18:36,402

Respect not those

who flaunt their excesses,

164

00:18:36,480 --> 00:18:38,801

and whore themselves

to wealth

165

00:18:38,880 --> 00:18:41,451

and the degradations

of the flesh.

166

00:19:05,600 --> 00:19:06,965

Madame...

167

00:19:09,600 --> 00:19:11,364

Just be wary of these men.

168

00:19:12,040 --> 00:19:14,122

Their love is not the same
as their respect.

169

00:19:25,960 --> 00:19:30,807

Might I ask? Since we've
not known it ourselves.

170

00:19:32,400 --> 00:19:33,561

What is it like?

171

00:19:34,640 --> 00:19:35,801

To have a man?

172

00:19:40,240 --> 00:19:41,844

I have only
Iain with Francois.

173

00:19:43,240 --> 00:19:46,767

He shook terribly from fright.
The poor boy did his best.

174

00:19:49,520 --> 00:19:51,568

But it was over

before it began.

175

00:19:51,880 --> 00:19:54,884

So, you never...

No.

176

00:19:55,560 --> 00:19:56,721

We tried but once.

177

00:19:58,240 --> 00:20:00,129

Beauty's

fading flower

178

00:20:00,200 --> 00:20:02,965

Grows ever fresh with her

in heavenly wise

179

00:20:03,520 --> 00:20:05,727

Suffice that Love hath

built his bower

180

00:20:05,800 --> 00:20:08,690

Between my lady's lively

shining eyes

181

00:20:15,680 --> 00:20:18,923

I cannot, Robert.

You know that.

182

00:20:25,880 --> 00:20:27,564

I should like

to marry again.

183

00:20:28,360 --> 00:20:30,601

To know how it feels

to have a man fully.

184

00:20:35,240 --> 00:20:37,004

But not if I am owned.

185

00:20:42,280 --> 00:20:43,327

You're early.

186

00:21:07,280 --> 00:21:09,089

Mary will seek

a marriage

187

00:21:09,160 --> 00:21:11,606

that strengthens her claim
to your throne

188

00:21:11,960 --> 00:21:14,327

and makes her children
Catholics.

189

00:21:18,000 --> 00:21:20,082

What says our ambassador?

190

00:21:21,880 --> 00:21:24,121

She feigns
disinterest, Madam,

191

00:21:24,200 --> 00:21:28,000

and informs me that the matter
of choice in marriage

192

00:21:28,080 --> 00:21:30,287

is perhaps a matter
best left to God.

193

00:21:33,120 --> 00:21:35,805

She is formidable, Madam.

194

00:21:37,280 --> 00:21:40,011

We should marry her
to someone loyal to our Queen,

195

00:21:40,600 --> 00:21:42,204

someone you control.

196

00:21:48,320 --> 00:21:50,163

Do not ask this of me.

197

00:21:50,760 --> 00:21:53,730

If you wed her,
she is ours.

198

00:21:54,440 --> 00:21:56,363

And what of us?

What "us"?

199

00:21:57,000 --> 00:22:01,767

You, Elizabeth, and I,
your Robert.

200

00:22:05,000 --> 00:22:09,369

Marry the beautiful Queen of
Scots and we can control her.

201

00:22:11,720 --> 00:22:14,121

With Mary, you too
become a prince.

202

00:22:14,200 --> 00:22:19,081

If I am noble enough for one queen,
I am noble enough for another.

203

00:22:20,920 --> 00:22:22,081

Elizabeth...

204

00:22:29,080 --> 00:22:31,731

England is not Scotland.

205

00:23:02,760 --> 00:23:06,606

*<i>We would delight in
holding our sister's hand in ours.</i>*

206

00:23:07,880 --> 00:23:12,044

*<i>Let us settle on a meeting place
before the summer brings discomfort.</i>*

207

00:23:13,640 --> 00:23:17,884

*<i>Let our nations cherish
each other as we would.</i>*

208

00:23:19,400 --> 00:23:21,971

<i>Two kingdoms, united.</i>

209

00:23:24,640 --> 00:23:28,690

*<i>Meanwhile, accept this portrait
as a sign of gratitude for yours.</i>*

210

00:23:28,960 --> 00:23:31,088

<i>And please accept this suitor</i>

211

00:23:31,280 --> 00:23:34,250

<i>who presents both

his love and mine.</i>

212

00:23:34,320 --> 00:23:37,130

<i>The Earl of Leicester...</i>

213

00:23:38,360 --> 00:23:40,567

<i>Lord Robert Dudley.</i>

214

00:23:46,520 --> 00:23:50,411

Do you think it might stand with my
honor to marry my sister's subject?

215

00:23:51,840 --> 00:23:54,889

It is true that an earl
is not a prince.

216

00:23:55,520 --> 00:23:59,650

Surely, there can be no greater honor
than to match yourself with a nobleman,

217

00:23:59,720 --> 00:24:02,200

by whom you inherit
such a kingdom as England.

218

00:24:02,280 --> 00:24:04,408

I have such inheritance
by blood,

219

00:24:04,520 --> 00:24:06,648

regardless of who I marry
or do not marry.

220

00:24:09,040 --> 00:24:13,364

We must discuss succession before
marriage, not the other way around.

221

00:24:14,560 --> 00:24:16,324

We hope
we do not vex the Earl.

222

00:24:16,440 --> 00:24:19,205

Not in the least, Madam.
I appreciate your honesty.

223

00:24:20,800 --> 00:24:23,644

We see why our cousin

is so fond of the Earl.

224

00:24:27,360 --> 00:24:30,887

I shall respect Elizabeth's crown as
soon as she names me its successor.

225

00:24:31,560 --> 00:24:32,625

Madam,
my Queen will not...

226

00:24:32,640 --> 00:24:34,881

If she has any concerns
about this proposal,

227

00:24:34,960 --> 00:24:37,327

she may express them
to me directly.

228

00:24:37,600 --> 00:24:39,443

Plans proceed for us
to meet next month.

229

00:24:39,520 --> 00:24:41,124

Aye, Madam, in York.

230

00:24:41,200 --> 00:24:44,329

We shall accomplish far more
without envoys between us.

231

00:24:49,120 --> 00:24:51,885

How like is it unto your
mistress's face?

232

00:25:24,440 --> 00:25:26,920

Halt! Halt!

233

00:25:38,760 --> 00:25:40,364

Why can't she
meet me in York?

234

00:25:40,440 --> 00:25:42,283

Could her council not wait
till her return?

235

00:25:42,360 --> 00:25:43,930

Their business

was urgent, Madam.

236

00:25:44,000 --> 00:25:45,570

The Huguenots

sent an envoy.

237

00:25:45,720 --> 00:25:47,290

And she receives them?

238

00:25:47,360 --> 00:25:50,091

England wishes

no more bloodshed.

239

00:25:50,160 --> 00:25:53,369

Being from France yourself,

you must understand.

240

00:25:54,880 --> 00:25:57,929

You may tell my sister

that we pray for swift peace,

241

00:25:58,000 --> 00:25:59,081

that we may meet soon.

242

00:25:59,440 --> 00:26:00,965

I will tell her at once.

243

00:26:01,200 --> 00:26:03,282

Stay with us

the night at Holyrood.

244

00:26:03,640 --> 00:26:06,291

I'm certain Mistress Beaton

would welcome your company.

245

00:26:08,560 --> 00:26:09,971

Thank you, Madam.

246

00:26:16,200 --> 00:26:18,282

She hides

behind her council.

247

00:26:18,400 --> 00:26:19,680

You do not think

she postpones...

248

00:26:19,720 --> 00:26:23,042

I don't think she intends to meet
until you recognize her legitimacy.

249

00:26:23,720 --> 00:26:25,006

A false promise then.

250

00:26:25,080 --> 00:26:27,526

Retaliation perhaps
for refusing the treaty.

251

00:26:27,600 --> 00:26:29,170

For refusing Dudley.

252

00:26:29,960 --> 00:26:32,531

This is a matter of the
heart, not the state.

253

00:26:32,640 --> 00:26:34,130

They don't mix well.

254

00:26:34,720 --> 00:26:36,370

Wouldn't you say,
Mistress Fleming?

255

00:26:37,840 --> 00:26:39,683

I'm afraid
I don't understand.

256

00:26:39,760 --> 00:26:41,285

Your mistress mocks
our affections.

257

00:26:42,240 --> 00:26:43,571

Not so.

258

00:26:44,120 --> 00:26:45,849

They sometimes have value.

259

00:27:09,640 --> 00:27:10,846

It's late.

260

00:27:11,440 --> 00:27:13,807

I must attend
to my mistress.

261

00:27:14,000 --> 00:27:16,321

No. Don't attend.

Don't attend.

262

00:27:17,840 --> 00:27:19,410

Think of your wife.

263

00:27:20,640 --> 00:27:21,801

Yeah.

264

00:27:24,000 --> 00:27:25,843

Nothing we spoke of.

265

00:27:26,640 --> 00:27:28,404

Of course not.

266

00:27:44,480 --> 00:27:47,245

The pox, Madame.

There is no envoy.

267

00:27:48,240 --> 00:27:49,844

She has the pox.

268

00:27:50,560 --> 00:27:51,641

How grave?

269

00:27:53,120 --> 00:27:54,406

Quite grave.

270

00:27:59,120 --> 00:28:00,884

Go rouse my brother.

271

00:28:02,280 --> 00:28:03,361

Dress me.

272

00:28:08,040 --> 00:28:09,326

Do you think me sinful?

273

00:28:09,400 --> 00:28:11,164

(SPEAKING FRENCH)

274

00:28:17,160 --> 00:28:18,730

He has his plan.

275

00:28:20,760 --> 00:28:22,808

<i>It will please you to know
that I have warmed</i>

276

00:28:22,880 --> 00:28:25,281

to the prospect
of wedding Lord Dudley.

277

00:28:25,760 --> 00:28:28,445

We shall do so
upon one condition.

278

00:28:28,800 --> 00:28:33,647

<i>While we wish you a long and healthy life
and that no injury or illness befall you,</i>

279

00:28:34,920 --> 00:28:38,970

we shall only do you the favor of
betrothing your special friend,

280

00:28:39,160 --> 00:28:40,969

Lord Robert Dudley,

281

00:28:43,560 --> 00:28:45,244

once you name us heir.

282

00:28:56,240 --> 00:28:57,480

She knows.

283

00:28:57,680 --> 00:28:59,603

My "special friend"?

284

00:28:59,960 --> 00:29:02,406

She wants him.

She wants him for her.

285

00:29:02,920 --> 00:29:04,331

My Robert.

286

00:29:04,920 --> 00:29:06,285

My Crown!

287

00:29:06,360 --> 00:29:07,441

Quickly.

288

00:29:10,280 --> 00:29:12,601

Out! Out! Quickly out!

289

00:29:12,680 --> 00:29:14,682

Out! Out! Out!

290

00:29:14,760 --> 00:29:17,843

Out! Out! Out! Out!

291

00:29:19,880 --> 00:29:21,006

Robert!

292

00:29:21,120 --> 00:29:23,043

Out! Out! Out! Get out!

293

00:29:23,920 --> 00:29:26,002

Look away! Look away!

294

00:29:26,440 --> 00:29:29,489

Look away! Out!

295

00:29:33,760 --> 00:29:35,171

Enough!

296

00:29:56,920 --> 00:29:58,649

I am yours.

297

00:30:01,480 --> 00:30:03,050

Forever yours.

298

00:30:09,920 --> 00:30:11,251

But how?

299

00:30:14,280 --> 00:30:18,080

Am I to refuse her

what I myself suggested?

300

00:30:36,880 --> 00:30:38,882

You look exquisite,

mademoiselle.

301

00:30:38,960 --> 00:30:42,362

Is it a sin that I feel more a

sister to you than a brother?

302

00:30:44,760 --> 00:30:46,330

Forgive me.

303

00:30:47,400 --> 00:30:49,880

I forget myself
in your company.

304

00:30:54,000 --> 00:30:56,128

Be whoever you wish with us.

305

00:30:57,200 --> 00:30:59,328

You make for a lovely sister.

306

00:31:12,560 --> 00:31:13,800

Enter.

307

00:31:20,880 --> 00:31:21,927

We have...

308

00:31:24,000 --> 00:31:25,490

We have visitors.

309

00:31:35,800 --> 00:31:37,450

They are Stuarts?

310

00:31:39,200 --> 00:31:41,407

I shall talk,
you say nothing.

311

00:31:41,480 --> 00:31:43,244

What, not even to...

Silence.

312

00:31:51,080 --> 00:31:52,605

The fourth

Earl of Lennox.

313

00:31:55,320 --> 00:31:57,800

His son, Henry, Lord Darnley.

314

00:32:08,480 --> 00:32:09,970

Forgive me.

315

00:32:11,800 --> 00:32:13,325

I do not know

my Queen's visage.

316

00:32:23,120 --> 00:32:24,804

Let me, Father.

317

00:32:41,480 --> 00:32:43,289

I give you verse.

318

00:32:48,680 --> 00:32:50,921

Unsheathing my quick wit

319

00:32:52,360 --> 00:32:54,567

to see who among you

it quickens.

320

00:32:57,040 --> 00:33:01,204

But, should I fail

to choose correctly,

321

00:33:02,360 --> 00:33:04,567

'this is my soul
that shall be sickened.

322

00:33:09,480 --> 00:33:11,050

For shame,

323

00:33:11,800 --> 00:33:14,007

returning to our native land

324

00:33:15,200 --> 00:33:18,010

only to be deprived

of kissing...

325

00:33:20,400 --> 00:33:23,165

My Queen's perfect...

326

00:33:27,920 --> 00:33:29,206

Hand.

327

00:33:48,120 --> 00:33:50,327

<i>Elizabeth was kind
enough to grant us passage,</i>

328

00:33:50,400 --> 00:33:53,290

*<i>so here we're free
to worship as we choose.</i>*

329

00:33:53,360 --> 00:33:55,328

*<i>I doubt it's faith
that brings you.</i>*

330

00:33:55,400 --> 00:33:57,482

*<i>Rather the lands
your father seeks.</i>*

331

00:33:57,560 --> 00:33:58,846

<i>Or even the throne.</i>

332

00:34:00,040 --> 00:34:01,485

The throne?

333

00:34:02,640 --> 00:34:06,326

Why leave Elizabeth's court if not
to regain your influence here?

334

00:34:07,040 --> 00:34:08,201

And by laying suit to me

335

00:34:08,280 --> 00:34:11,204

does not the House of Lennox
lay suit to all of Scotland?

336

00:34:14,840 --> 00:34:16,410

I amuse you?

337

00:34:17,440 --> 00:34:18,646

Yes.

338

00:34:20,000 --> 00:34:21,843

Madam, you must
not be Elizabeth.

339

00:34:22,920 --> 00:34:24,285

How so?

340

00:34:24,640 --> 00:34:26,130

The woman lives in fright.

341

00:34:26,200 --> 00:34:29,488

She's always suspecting intrigue,
always fearing revolt.

342

00:34:29,560 --> 00:34:31,050

Her fears are wise.

343

00:34:32,200 --> 00:34:34,885

We both have nobles
who would have us deposed.

344

00:34:39,920 --> 00:34:41,490

Have I vexed you?

345

00:35:12,280 --> 00:35:15,443

You dare touch a sovereign
without her permission?

346

00:35:23,000 --> 00:35:26,129

I can speak for neither
my father nor Elizabeth.

347

00:35:26,840 --> 00:35:28,649

Only for myself.

348

00:35:29,200 --> 00:35:32,647

And speaking for myself,

349

00:35:34,120 --> 00:35:36,168

you have a loyal subject

in your Henry

350

00:35:36,240 --> 00:35:39,687

who would rather worship at your

feet than at a Catholic mass.

351

00:35:55,000 --> 00:35:58,004

I shall just keep walking

with you until you object.

352

00:36:40,280 --> 00:36:41,725

You remain?

353

00:36:42,720 --> 00:36:44,768

The Queen scarcely

knows Your Grace.

354

00:36:49,920 --> 00:36:54,084

But I shall play,
and hear nothing.

355

00:37:34,080 --> 00:37:35,570

We cannot.

356

00:37:35,720 --> 00:37:38,246

We won't. This is not that.

357

00:37:39,360 --> 00:37:40,771

I promise.

358

00:37:42,440 --> 00:37:43,805

Have faith in me.

359

00:38:41,120 --> 00:38:42,451

Do you need to...

360

00:38:43,800 --> 00:38:45,006

No.

361

00:38:45,960 --> 00:38:47,371

No, don't worry about me.

362

00:39:07,080 --> 00:39:11,449

Without a treaty signed, this
union strengthens her claim.

363

00:39:11,520 --> 00:39:14,569

You need not condescend.

We are well-informed.

364

00:39:14,640 --> 00:39:17,928

Forgive us. We merely seek
to protect your crown.

365

00:39:19,120 --> 00:39:20,963

You cannot wed him, Madam.

366

00:39:21,040 --> 00:39:22,769

I do not wed him blindly.

367

00:39:22,880 --> 00:39:24,723

He has promised no ambition.

368

00:39:24,840 --> 00:39:26,624

He understands he will
only be your consort?

369

00:39:27,200 --> 00:39:30,329

A husband to a queen,
not a king in his own right?

370

00:39:30,800 --> 00:39:32,086

He does.

371

00:39:32,240 --> 00:39:34,966

I find it difficult to believe that
any man would settle for as much.

372

00:39:35,600 --> 00:39:39,002

Two Catholics wed.
Two Stuarts, Madam.

373

00:39:39,560 --> 00:39:42,643

He has a claim of his own,
even without betrothal.

374

00:39:43,040 --> 00:39:45,327

Together, they make
a union of two claims.

375

00:39:45,400 --> 00:39:48,290

She has chosen
an Englishman, as I asked.

376

00:39:48,880 --> 00:39:50,962

What recourse do I have?

377

00:39:51,280 --> 00:39:53,886

implore her
to marry Lord Dudley.

378

00:40:01,360 --> 00:40:04,682

I will not offer my Lord if it
means naming her successor.

379

00:40:05,120 --> 00:40:06,690

She will not accept him
otherwise.

380

00:40:06,800 --> 00:40:08,165

Then let her refuse him.

381

00:40:08,240 --> 00:40:10,288

On succession, I agree.

382

00:40:10,360 --> 00:40:12,169

But Darnley imperils us more.

383

00:40:13,200 --> 00:40:16,249

Dudley is her puppet.
He offers no advantage.

384

00:40:16,640 --> 00:40:18,722

Unless she promises
to make you heir.

385

00:40:18,800 --> 00:40:20,006

Where is this promise?

386

00:40:20,080 --> 00:40:22,606

He would provoke revolt
amongst our nobles.

387

00:40:22,920 --> 00:40:26,003

Do you command so little respect
you could not discourage them?

388

00:40:26,520 --> 00:40:30,127

We must not delay.
You must forbid this marriage.

389

00:40:35,840 --> 00:40:37,763

Is that the top?
Aye.

390

00:40:38,720 --> 00:40:41,041

No subject should
ride before his Queen.

391

00:40:41,320 --> 00:40:42,481

Would he?

392

00:41:17,160 --> 00:41:21,085

How it must feel
ruling all that you see.

393

00:41:21,920 --> 00:41:23,649

I am but its servant.

394

00:41:27,520 --> 00:41:29,602

Are you prepared
to be its servant?

395

00:41:34,800 --> 00:41:36,290

It is right for the man
to ask, no?

396

00:41:37,400 --> 00:41:38,970

Then ask.

397

00:41:41,960 --> 00:41:45,169

Before God, before
all of Scotland,

398

00:41:45,360 --> 00:41:47,442

before all the world...

Yes.

399

00:41:48,040 --> 00:41:49,883

You'll be my Queen?

400

00:41:50,040 --> 00:41:51,121

Yes.

401

00:41:51,200 --> 00:41:52,565

And I your King?

402

00:41:52,920 --> 00:41:54,331

Yes.

403

00:41:55,840 --> 00:41:57,251

And your master?

404

00:41:58,600 --> 00:41:59,806

My husband.

405

00:42:21,120 --> 00:42:22,485

<i>England

does not consider</i>

406

00:42:22,600 --> 00:42:24,841

<i>Lord Darnley

a suitable husband.</i>

407

00:42:25,200 --> 00:42:28,602

He and his father

are English subjects, Madam.

408

00:42:28,760 --> 00:42:31,969

If my Queen orders

their return, they must.

409

00:42:32,040 --> 00:42:34,088

She asked that I marry

an English nobleman,

410

00:42:34,160 --> 00:42:35,321

and now she deprives me?

411

00:42:35,400 --> 00:42:38,210

Her wish is that you not marry
this particular nobleman.

412

00:42:38,280 --> 00:42:41,145

You may tell your mistress I shall
do so, with or without her blessing.

413

00:42:42,600 --> 00:42:46,047

Madam, before you act rashly,
please consider...

414

00:42:46,120 --> 00:42:49,329

It is enough my own Lords treat
me as though I'm but a girl.

415

00:42:49,840 --> 00:42:52,411

I will not be treated
as such by Elizabeth.

416

00:42:53,000 --> 00:42:55,207

I will be the woman
she is not.

417

00:42:55,480 --> 00:42:58,324

I shall produce an heir,
unlike her barren self.

418

00:43:07,040 --> 00:43:09,042

Prepare
the Ambassador's horse.

419

00:43:20,840 --> 00:43:22,683

Reckless child!

420

00:43:22,760 --> 00:43:27,926

I have worked too long and too
hard with too much bloodshed

421

00:43:28,200 --> 00:43:30,680

to secure peace in our land!

422

00:43:30,840 --> 00:43:33,730

Do not let your
cursed passion rule you!

423

00:43:34,080 --> 00:43:36,162

'Tis your voice raised, sir.

424

00:43:37,040 --> 00:43:38,565

And you would lower it
in my presence.

425

00:43:42,360 --> 00:43:47,810

If my counsel no longer has value then
I am obliged to withdraw from court.

426

00:43:48,560 --> 00:43:50,164

If you must.

427

00:44:20,000 --> 00:44:22,685

You have neither
husband nor children.

428

00:44:23,480 --> 00:44:26,404

And you approach an age
whereupon you cannot bear them.

429

00:44:27,120 --> 00:44:30,966

You must confront the truth, Madam.

Displeasing as it may be.

430

00:44:33,960 --> 00:44:36,201

I have confronted

this truth.

431

00:44:40,160 --> 00:44:42,766

You understand

that I cannot.

432

00:44:44,160 --> 00:44:45,286

Will not.

433

00:44:47,960 --> 00:44:49,564

And do I understand?

434

00:44:50,760 --> 00:44:52,569

No more than

I understand God.

435

00:44:52,640 --> 00:44:54,005

It is my choice.

436

00:44:56,360 --> 00:44:59,125

God would have a woman
be a wife and a mother.

437

00:44:59,480 --> 00:45:01,960

So you defy his will.

No.

438

00:45:03,760 --> 00:45:05,091

I choose to be a man.

439

00:45:07,760 --> 00:45:09,728

And marriage is dangerous.

440

00:45:11,040 --> 00:45:13,042

Such a man as I might marry,

441

00:45:13,920 --> 00:45:17,003

finding himself
disappointed...

442

00:45:17,600 --> 00:45:19,170

He would conspire.

443

00:45:19,240 --> 00:45:21,811

No prince's revenues

be so great

444

00:45:22,160 --> 00:45:25,642

that they satisfy the

insatiable ambition of men.

445

00:45:26,080 --> 00:45:27,411

This I understand.

446

00:45:27,480 --> 00:45:28,891

Which is why you are

the closest thing

447

00:45:28,960 --> 00:45:31,611

I shall ever have to a wife.

448

00:45:32,080 --> 00:45:34,447

I shan't mention your
proposal to Lord Dudley.

449

00:45:38,680 --> 00:45:40,489

This world
is a brutal place.

450

00:45:41,680 --> 00:45:44,923

We men must be
wiser, mustn't we?

451

00:45:52,440 --> 00:45:53,680

Tell me what to do.

452

00:45:55,280 --> 00:45:57,931

We must make
civil war in Scotland.

453

00:45:58,000 --> 00:46:00,002

You would have me
depose a sister monarch?

454

00:46:00,080 --> 00:46:02,924

It is either civil war there,
or civil war here.

455

00:46:06,800 --> 00:46:08,689

I want to know nothing of it.

456

00:46:10,640 --> 00:46:12,881

The arrangements
shall be mine alone.

457

00:46:37,240 --> 00:46:39,766

By the pleasure
and will of God,

458

00:46:39,840 --> 00:46:42,810

we proclaim complete
the bond of marriage

459

00:46:42,880 --> 00:46:47,010

between our sovereign,
Mary, Queen of Scotland,

460

00:46:47,080 --> 00:46:50,801

and the noble prince,
Henry, Lord Darnley.

461

00:47:50,360 --> 00:47:51,930

<i>KNOX". The authority of women,</i>

462

00:47:52,960 --> 00:47:56,362

which I call not true
authority, but carnal bondage,

463

00:47:56,440 --> 00:47:57,965

bringeth forth monsters.

464

00:47:59,360 --> 00:48:00,407

By their crimes,

465

00:48:01,080 --> 00:48:04,050

realms and nations
which used to live free

466

00:48:04,120 --> 00:48:07,363

are brought into bondage
against the will of God!

467

00:48:08,400 --> 00:48:12,246

Their cankered consciences
must be called to account.

468

00:48:13,280 --> 00:48:16,204

*<i>We must take up arms
with our defender Lord Moray.</i>*

469

00:48:16,960 --> 00:48:20,282

*<i>We must make civil war
with this false queen!</i>*

470

00:48:21,440 --> 00:48:23,647

<i>We must make plain war</i>

471

00:48:24,040 --> 00:48:28,807

against all false professors
of Christ's holy gospel!

472

00:49:05,400 --> 00:49:07,004

No.

473

00:49:08,400 --> 00:49:09,481

What will you do now?

474

00:49:13,440 --> 00:49:14,965

Bravo, Rizzio!

475

00:49:15,360 --> 00:49:17,601

Where do I sit?

Where do I sit?

476

00:49:17,920 --> 00:49:19,001

Where do I...

477

00:49:42,240 --> 00:49:43,446

Rise and prepare yourself.

478

00:49:43,520 --> 00:49:45,249

Elizabeth has funded
a rebellion.

479

00:49:51,280 --> 00:49:52,361

He is in your care.

480

00:50:01,120 --> 00:50:02,167

Dress yourself.

481

00:50:07,520 --> 00:50:09,124

(SPEAKING FRENCH)

482

00:50:09,600 --> 00:50:10,840

Please! Please!

483

00:50:11,680 --> 00:50:13,125

(SHOUTING IN FRENCH)

484

00:50:20,480 --> 00:50:21,561

A word.

485

00:50:21,960 --> 00:50:22,961

Let him approach.

486

00:50:36,040 --> 00:50:38,247

To have betrayed you

this way...

487

00:50:39,280 --> 00:50:40,520

I have no excuse.

488

00:50:44,120 --> 00:50:45,326

And I beg...

489

00:50:46,680 --> 00:50:47,841

I beg that...

Stand.

490

00:50:59,400 --> 00:51:01,129

You have not

betrayed your nature.

491

00:51:05,240 --> 00:51:08,323

I cannot fault you for succumbing

to his charms, as I did.

492

00:51:11,240 --> 00:51:12,844

But we must be

more careful now.

493

00:51:39,720 --> 00:51:42,530

Moray is marching
southwest, toward Dumfries.

494

00:51:42,760 --> 00:51:44,489

The English can easily
supply them there.

495

00:51:44,840 --> 00:51:47,566

If we make good time, we'll cut them
off before they reach the gates.

496

00:51:47,680 --> 00:51:49,444

Why give chase?
Let them come to us.

497

00:51:50,360 --> 00:51:51,441

What would you have us do?

498

00:51:51,520 --> 00:51:54,603

If we lose sight, they could flank us.
I want to flank them first.

499

00:51:55,280 --> 00:51:57,084

There's a bridge they
must use to cross Annan.

500

00:51:57,160 --> 00:51:58,366

We can ambush them there.

501

00:51:59,600 --> 00:52:00,726

Give the order.

502

00:52:05,720 --> 00:52:08,610

Mary, I was
speaking to you.

503

00:52:09,280 --> 00:52:10,361

Yes, I heard.

504

00:52:11,600 --> 00:52:12,681

Are you afraid, Henry?

505

00:52:14,440 --> 00:52:15,805

No.

Good.

506

00:52:16,560 --> 00:52:18,289

Because our swords
are not just for show.

507

00:52:33,400 --> 00:52:34,401

Whence come you?

508

00:52:35,000 --> 00:52:36,126

The Highlands, Madam.

509

00:52:36,520 --> 00:52:38,602

These two are from Inverness,
and I'm from Thurso.

510

00:52:39,560 --> 00:52:42,006

- Catholic?

- No, Madam.

511

00:52:42,680 --> 00:52:43,681

And you?

512

00:52:44,640 --> 00:52:46,608

He doesn't know Scots,
Madam. Only Gaelic.

513

00:52:47,920 --> 00:52:49,809

Tell him I'm grateful
for his service.

514

00:52:50,360 --> 00:52:52,283

(SPEAKS GAELIC)

515

00:52:56,920 --> 00:52:58,570

He says he's proud
to serve his Queen.

516

00:52:59,000 --> 00:53:00,570

And to give his life
if he must.

517

00:53:01,120 --> 00:53:04,966

Tell him if any of us should die
today, we all go to the same heaven.

518

00:53:06,640 --> 00:53:08,608

(TRANSLATES IN GAELIC)

519

00:53:27,640 --> 00:53:29,608

Walk like men, not boys!

520

00:53:32,360 --> 00:53:34,124

March on!

Good trail there!

521

00:53:34,200 --> 00:53:36,123

With your feet like that,

march on!

522

00:53:36,800 --> 00:53:39,451

No, you're too slow.

This is too slow!

523

00:53:55,560 --> 00:53:56,607

Halt!

524

00:54:18,760 --> 00:54:20,569

Stand aside
and let my men pass.

525

00:54:20,640 --> 00:54:21,801

(SPEAKING GAELIC)

526

00:54:31,520 --> 00:54:32,931

I charge thee,
give way!

527

00:54:34,120 --> 00:54:35,360

Drive them back!

528

00:54:52,760 --> 00:54:53,841

Form up!

529

00:54:54,280 --> 00:54:55,520

Form up!

530

00:55:13,880 --> 00:55:15,928

Man the guns! Man the guns!

531

00:55:16,040 --> 00:55:17,326

Stand and fight!

532

00:56:19,640 --> 00:56:20,926

Hyah,.hyah!

533

00:57:24,600 --> 00:57:25,681

You summoned?

534

00:57:25,960 --> 00:57:27,041

How much have you had?

535

00:57:31,200 --> 00:57:33,089

I'm celebrating our victory,
my love.

536

00:57:44,800 --> 00:57:45,881

What are you doing?

537

00:57:53,520 --> 00:57:54,521

Mary.

538

00:57:57,080 --> 00:57:58,366

Close your eyes.

I've...

539

00:58:10,880 --> 00:58:12,041

You're almost there.

540

00:58:13,640 --> 00:58:14,766

No, I can't.

541

00:58:15,400 --> 00:58:16,890

I can't. I've had
too much to drink.

542

00:58:17,120 --> 00:58:19,043

Mary.

Think of Rizzio.

543

00:58:36,600 --> 00:58:37,840

Yes, yes.

544

00:58:38,800 --> 00:58:40,564

That's it, that's it.

545

00:58:41,120 --> 00:58:43,248

Yeah? That's it.

546

00:59:50,120 --> 00:59:51,406

Pray for me.

547

01:00:22,080 --> 01:00:23,730

He'll make

a fine stallion.

548

01:00:50,080 --> 01:00:53,721

If you have wondered where your

Queen was these past few months...

549

01:00:54,280 --> 01:00:55,770

Now there are no secrets.

550

01:00:57,520 --> 01:00:59,045

The whisperings can end.

551

01:00:59,600 --> 01:01:01,602

Spring comes bearing fruit.

552

01:01:10,640 --> 01:01:12,563

My husband and I give thanks.

553

01:01:13,480 --> 01:01:17,087

With heaven's blessing, we bring
another Stuart into this world,

554

01:01:17,680 --> 01:01:20,684

heir to Scotland
and to England.

555

01:01:24,240 --> 01:01:25,765

Heir to England?

556

01:01:25,840 --> 01:01:27,205

She speaks for herself.

557

01:01:28,000 --> 01:01:29,729

Do her councilors
fail to advise her?

558

01:01:30,040 --> 01:01:31,690

We advise her endlessly, sir.

559

01:01:32,040 --> 01:01:33,166

Not that she heeds it.

560

01:01:34,000 --> 01:01:35,081

You must do better.

561

01:01:35,920 --> 01:01:37,684

Better than your
own Queen's council?

562

01:01:42,880 --> 01:01:44,120

How did the world
come to this?

563

01:01:44,960 --> 01:01:46,962

Wise men servicing
the whims of women?

564

01:01:47,040 --> 01:01:48,121

Aye.

565

01:01:58,840 --> 01:02:01,525

That man's power dies with
the birth of his grandchild.

566

01:02:04,680 --> 01:02:06,045

It is a clear provocation.

567

01:02:06,600 --> 01:02:08,728

She knew well Lord Randolph
would report.

568

01:02:08,800 --> 01:02:10,325

What would you have us do?

569

01:02:10,920 --> 01:02:12,763

Go to war over some
reckless words?

570

01:02:12,840 --> 01:02:14,490

Not us. Her brother.

571

01:02:15,440 --> 01:02:17,090

He hopes to raise
a second army.

572

01:02:17,760 --> 01:02:19,205

If we were to assist him...

573

01:02:19,280 --> 01:02:20,520

As we did his first?

574

01:02:22,360 --> 01:02:23,691

I shall not fail you twice.

575

01:02:24,680 --> 01:02:28,446

Madam, we cannot let her name
your successor. She has no right.

576

01:02:29,560 --> 01:02:31,927

When I am dead and you are
dead and she is dead,

577

01:02:32,000 --> 01:02:34,810

it matters not what names
we did or did not say.

578

01:02:37,240 --> 01:02:39,242

The world will
decide for itself.

579

01:02:39,600 --> 01:02:41,204

Now is not the time
to soften.

580

01:02:46,640 --> 01:02:47,971

It's a fine day, isn't it?

581

01:02:55,280 --> 01:02:56,441

I shall see you inside.

582

01:04:05,600 --> 01:04:06,681

James.

583

01:04:09,280 --> 01:04:11,282

Look.

584

01:04:11,920 --> 01:04:13,081

He likes it, too.

585

01:04:37,960 --> 01:04:42,124

So, Mary's power

grows with her pregnancy.

586

01:04:43,400 --> 01:04:45,209

Your letter said

you had a proposal.

587

01:04:48,520 --> 01:04:50,682

Once Mary bears a child...

588

01:04:52,040 --> 01:04:54,008

Darnley will never be king.

589

01:04:55,360 --> 01:04:56,885

There is no need

for your son.

590

01:04:58,480 --> 01:05:00,244

An infant cannot
grant you pardon.

591

01:05:02,840 --> 01:05:05,969

It is right that you should
return from exile.

592

01:05:07,680 --> 01:05:09,225

And it is right my son
should be king.

593

01:05:09,960 --> 01:05:13,089

*<i>Now, we can rule through him
if we weaken Mary's power.</i>*

594

01:05:16,680 --> 01:05:18,808

Mary, we must speak.
Can you open the door?

595

01:05:19,920 --> 01:05:21,001

Mary?
Let him in.

596

01:05:21,080 --> 01:05:23,481

Open the door,
so we can speak!

597

01:05:28,760 --> 01:05:29,841

Mary?

598

01:05:34,120 --> 01:05:35,246

Mary, open the...

599

01:05:41,520 --> 01:05:42,601

What are you doing here?

600

01:05:43,320 --> 01:05:44,481

Come, Henry.

601

01:05:54,560 --> 01:05:57,040

You would have David here,
and bar your own husband?

602

01:05:58,480 --> 01:06:02,326

When I am anointed king, you will
afford me the respect of a wife.

603

01:06:02,400 --> 01:06:04,209

After all, that is
what you promised.

604

01:06:22,600 --> 01:06:24,728

Would you have his father
be nothing but a consort?

605

01:06:24,800 --> 01:06:26,131

We know not if it's a he.

606

01:06:26,520 --> 01:06:28,522

I am more than a sire
to a mare, Mary.

607

01:06:28,600 --> 01:06:30,250

Please, I am tired.

608

01:06:32,840 --> 01:06:33,921

Do you love me?

609

01:06:40,120 --> 01:06:41,121

Do you love me?

610

01:06:45,360 --> 01:06:47,522

You've given me

an heir to two thrones.

611

01:06:49,920 --> 01:06:51,410

That matters more than love.

612

01:07:06,080 --> 01:07:08,811

The Queen

is servant of Satan.

613

01:07:10,560 --> 01:07:13,882

She is a fornicator

with a monstrous lust.

614

01:07:14,560 --> 01:07:17,962

This pleasuring woman

is not fit to rule us.

615

01:07:18,240 --> 01:07:20,641

Would we kneel
before a polecat,

616

01:07:21,000 --> 01:07:22,809

who has bedded an Italian?

617

01:07:23,720 --> 01:07:24,926

David Rizzio,

618

01:07:25,240 --> 01:07:29,131

a Catholic who never leaves
her bed chamber.

619

01:07:29,480 --> 01:07:32,927

How do we know
her child is not a bastard?

620

01:07:34,920 --> 01:07:36,081

MAITLAND DI <i>David</i> Rizzio.

621

01:07:36,840 --> 01:07:39,764

He is an impediment to your
rightful place as king.

622

01:07:40,400 --> 01:07:41,481

Enough.

623

01:07:42,360 --> 01:07:44,727

We speak of Rizzio's
relations with your wife.

624

01:07:45,240 --> 01:07:46,321

With Mary?

625

01:07:47,800 --> 01:07:48,801

You're mistaken.

626

01:07:48,880 --> 01:07:51,406

Does he not spend more time
with the Queen than Your Grace?

627

01:07:52,320 --> 01:07:54,891

Why else would she make a common
minstrel her private secretary?

628

01:07:54,960 --> 01:07:55,961

No, it cannot be.

629

01:07:56,040 --> 01:07:57,371

What matter if it be true?

630

01:07:58,640 --> 01:08:00,051

Because I am not a cuckold.

631

01:08:00,120 --> 01:08:01,790

Would you rather

the honest truth be told?

632

01:08:02,240 --> 01:08:03,480

That you are a sodomite?

633

01:08:07,160 --> 01:08:08,525

We must

erase your sins...

634

01:08:09,400 --> 01:08:12,324

And either you are the

adulterer, or it is she.

635

01:08:20,680 --> 01:08:22,011

The other Lords have signed.

636

01:08:45,800 --> 01:08:47,006

(SPEAKING FRENCH)

637

01:08:52,760 --> 01:08:54,046

You have been saving that.

638

01:09:14,400 --> 01:09:15,561

You! Come with me, sir!

639

01:09:16,160 --> 01:09:18,527

You dare charge into

my chamber unannounced?

640

01:09:19,040 --> 01:09:20,610

- David RiZZio!

- David?

641

01:09:22,080 --> 01:09:23,206

I am with Child!

642

01:09:23,280 --> 01:09:24,406

No!

Take her!

643

01:09:25,640 --> 01:09:28,166

All that is done

is in Lord Darnley's name.

644

01:09:28,960 --> 01:09:30,769

- Henry?

- Let go! No!

645

01:09:33,520 --> 01:09:34,601

What have you done?

646

01:09:34,680 --> 01:09:36,011

It is done.

Look at me!

647

01:09:36,960 --> 01:09:38,371

Look at me!

It is done, Mary!

648

01:09:38,440 --> 01:09:39,885

Do not interfere.

649

01:09:51,200 --> 01:09:52,201

Adulterer!

650

01:09:52,280 --> 01:09:54,009

No!

651

01:09:55,800 --> 01:09:56,926

No!

652

01:10:00,320 --> 01:10:01,321

Enough!

653

01:10:01,840 --> 01:10:03,205

No!

654

01:10:06,680 --> 01:10:07,727

Stand aside.

655

01:10:11,640 --> 01:10:12,766

No.

656

01:10:17,600 --> 01:10:18,681

Come on, Mary!

657

01:10:19,760 --> 01:10:20,841

Please.

658

01:10:23,080 --> 01:10:24,161

Please, no.

659

01:10:24,280 --> 01:10:26,681

Please don't... No!

660

01:10:27,080 --> 01:10:28,286

No!

661

01:10:28,360 --> 01:10:30,886

William!

Do not interfere.

662

01:10:31,760 --> 01:10:33,046

No!

663

01:10:34,400 --> 01:10:35,561

No!

No!

664

01:10:36,600 --> 01:10:37,965

No!

665

01:10:39,400 --> 01:10:40,481

No!

666

01:11:02,640 --> 01:11:04,210

You must make

the final blow.

667

01:11:06,280 --> 01:11:07,566

I can't.

668

01:11:08,080 --> 01:11:09,206

Go on.

669

01:11:11,560 --> 01:11:12,607

No.

670

01:11:13,640 --> 01:11:14,641

No.

671

01:11:15,120 --> 01:11:16,121

No.

672

01:11:21,960 --> 01:11:23,200

Adulterer!

673

01:12:48,680 --> 01:12:50,045

He beguiled us, Mary.

674

01:12:51,280 --> 01:12:52,327

Both of us.

675

01:12:54,920 --> 01:12:56,081

He brought us dishonor.

676

01:12:59,880 --> 01:13:00,961

Did he not?

677

01:13:04,200 --> 01:13:06,248

You are trying
to usurp my crown.

678

01:13:07,480 --> 01:13:09,323

Have I not brought
you a child?

679

01:13:09,400 --> 01:13:11,767

One minute makes not a man.

680

01:13:13,840 --> 01:13:16,730

Beg forgiveness.
For your insult.

681

01:13:16,800 --> 01:13:18,802

Beg forgiveness now.
I shall not.

682

01:13:18,880 --> 01:13:20,211

Bothwell has escaped.

683

01:13:26,920 --> 01:13:27,921

This is your fault.

684

01:13:29,120 --> 01:13:30,485

All of this, this chaos.

685

01:13:30,880 --> 01:13:31,961

Your fault.

686

01:13:32,360 --> 01:13:36,046

You swore obedience to me, Mary,
on the day of our marriage.

687

01:13:36,120 --> 01:13:38,168

You swore obedience to me!

688

01:13:38,800 --> 01:13:40,131

I am King!

689

01:13:40,200 --> 01:13:41,645

You are a traitor.

690

01:13:42,720 --> 01:13:43,881

As are you.

691

01:13:43,960 --> 01:13:47,646

And until I am killed and forever
after, God will see you as such.

692

01:13:48,480 --> 01:13:49,766

You will not be killed, Madam.

693

01:13:50,960 --> 01:13:52,883

Let us go.

We have much business.

694

01:13:53,360 --> 01:13:54,805

Lord Moray will arrive soon.

695

01:13:55,720 --> 01:13:56,881

My brother conspired?

696

01:13:58,040 --> 01:14:00,611

Your brother returns
to assist your husband.

697

01:14:09,120 --> 01:14:10,201

I want a drink.

698

01:14:19,760 --> 01:14:21,171

Am I to be
imprisoned here alone?

699

01:14:21,240 --> 01:14:23,402

Or may I have
the company of my gentlewomen?

700

01:14:24,040 --> 01:14:25,166

You may not, Madam.

701

01:14:26,640 --> 01:14:28,449

You are to remain
in this chamber.

702

01:14:31,440 --> 01:14:33,169

Then at least

let my husband remain.

703

01:14:34,720 --> 01:14:36,643

Or would you have

a drunkard for a king?

704

01:15:04,320 --> 01:15:05,367

Come, Henry.

705

01:15:09,280 --> 01:15:10,520

I do not feel well.

706

01:15:34,360 --> 01:15:36,249

They forced me

into the room, Mary.

707

01:15:37,360 --> 01:15:38,407

I swear.

708

01:15:40,320 --> 01:15:41,560

And I didn't know that...

709

01:15:42,960 --> 01:15:44,610

Until they arrived,
I promise.

710

01:15:45,360 --> 01:15:47,124

Maitland is very persuasive.

711

01:15:48,520 --> 01:15:49,567

Yes.

712

01:15:51,640 --> 01:15:53,005

My brother even more so.

713

01:15:55,080 --> 01:15:57,447

They will take your crown
as well as mine.

714

01:16:04,720 --> 01:16:05,846

We should leave here.

715

01:16:08,360 --> 01:16:09,407

It's best.

716

01:16:10,600 --> 01:16:11,726

For all three of us.

717

01:16:13,720 --> 01:16:14,881

Yes.

718

01:16:19,000 --> 01:16:20,525

It is important
that the people

719

01:16:20,600 --> 01:16:22,967

do not accuse those who
participated as traitors.

720

01:16:23,280 --> 01:16:26,489

They must be pardoned, so there is no
doubt of their loyalty to the crown.

721

01:16:26,800 --> 01:16:29,770

When she pardons all

involved, you may go.

722

01:16:31,720 --> 01:16:33,688

Am I to be told what I
may and may not do?

723

01:16:34,840 --> 01:16:35,841

And by who?

724

01:16:37,600 --> 01:16:38,647

A mere Lord?

725

01:16:39,520 --> 01:16:40,681

And the bastard half-brother?

726

01:16:41,760 --> 01:16:43,569

Am I not the King
to whom you promised fealty,

727

01:16:43,640 --> 01:16:45,324

before you carried out
your violence?

728

01:16:49,360 --> 01:16:53,081

Let me remind you that this King shall
go where he pleases with his wife,

729

01:16:53,640 --> 01:16:54,766

when it pleases him.

730

01:17:11,000 --> 01:17:12,081

The Queen!

731

01:17:19,080 --> 01:17:20,206

What is this?

732

01:17:20,760 --> 01:17:22,000

The Queen's army.

733

01:17:22,800 --> 01:17:24,086

Your chambers are ready.

734

01:17:26,720 --> 01:17:28,370

Do not make them use force.

735

01:17:39,920 --> 01:17:41,445

They have at least 500.

736

01:17:41,880 --> 01:17:43,086

More are on the way.

737

01:17:43,440 --> 01:17:45,010

Then we shall raise
our own army.

738

01:17:45,080 --> 01:17:46,764

There is no appetite for war.

739

01:17:47,400 --> 01:17:49,323

Then let us stir
an appetite.

740

01:17:51,680 --> 01:17:53,170

When last we raised an army,

741

01:17:53,240 --> 01:17:56,084

it was but half the size of

hers with England's help.

742

01:17:57,200 --> 01:17:59,248

Without England,
we will be crushed.

743

01:18:02,800 --> 01:18:04,086

She has outmaneuvered us.

744

01:18:19,720 --> 01:18:21,802

My husband claims
he knew nothing of your plot

745

01:18:21,880 --> 01:18:23,803

- until the day itself.
- That is not true.

746

01:18:24,920 --> 01:18:27,446

He signed a bond.
With his own hand.

747

01:18:31,160 --> 01:18:33,162

If you wish it destroyed,

however...

748

01:18:33,240 --> 01:18:34,366

Not destroyed.

749

01:18:38,120 --> 01:18:41,010

We shall sign this pardon as
soon as you produce the bond.

750

01:18:48,080 --> 01:18:49,206

Aye, Madam.

751

01:19:04,920 --> 01:19:06,604

The flowers
are all of one color.

752

01:19:07,600 --> 01:19:08,726

Poppies are red.

753

01:19:10,080 --> 01:19:11,081

I know of no other
color that they...

754

01:19:11,160 --> 01:19:12,586

In the light,
they are many colors.

755

01:19:13,400 --> 01:19:14,561

Red and others.

756

01:19:15,720 --> 01:19:16,926

Nature is more subtle.

757

01:19:17,520 --> 01:19:18,601

The council is met.

758

01:19:20,480 --> 01:19:22,084

There is news from Scotland.

759

01:19:25,440 --> 01:19:26,487

What do you think?

760

01:19:27,120 --> 01:19:28,201

Lovely.

761

01:19:29,960 --> 01:19:31,530

The flower's not too plain?

762

01:19:32,480 --> 01:19:33,606

The news is urgent.

763

01:19:36,200 --> 01:19:38,009

What news do I want
from Scotland?

764

01:19:39,400 --> 01:19:40,401

Bloodshed?

765

01:19:42,080 --> 01:19:43,844

Go conspire among yourselves.

766

01:19:45,240 --> 01:19:46,321

Very well.

767

01:19:57,120 --> 01:19:58,121

Burn it.

768

01:19:59,680 --> 01:20:00,841

I shall begin again.

769

01:20:03,920 --> 01:20:05,331

Burn it, I say!

770

01:20:23,960 --> 01:20:26,804

You visited Mother and me
here, before we left for France.

771

01:20:26,880 --> 01:20:28,166

- Do you remember?

- Yes.

772

01:20:28,680 --> 01:20:30,091

Those were tumultuous times.

773

01:20:31,120 --> 01:20:32,531

It was here, in this glen.

774

01:20:32,640 --> 01:20:35,211

You lifted me high when I

said I wished to be a bird.

775

01:20:37,760 --> 01:20:38,807

If you say so.

776

01:20:39,080 --> 01:20:42,004

I understand why you wouldn't
remember a trifling thing like that.

777

01:20:42,440 --> 01:20:44,920

Of what consequence are the
fancies of a little girl?

778

01:20:45,160 --> 01:20:47,640

Not all little girls
are born to be queens.

779

01:20:55,720 --> 01:20:58,087

I should like you
to hold my child up one day.

780

01:20:59,840 --> 01:21:01,649

Make him fly

as you made me.

781

01:21:07,160 --> 01:21:08,491

He will be born a prince.

782

01:21:09,800 --> 01:21:10,881

And one day king.

783

01:21:13,200 --> 01:21:16,886

I want him to love his uncle and
to be born into a peaceful land.

784

01:21:16,960 --> 01:21:17,961

I wish the same.

785

01:21:18,040 --> 01:21:20,566

Then will you love your sister
as you would love her child?

786

01:21:22,640 --> 01:21:23,880

For she still loves you...

787

01:21:25,680 --> 01:21:28,411

And if it is a son,
she will call him James,

788

01:21:28,480 --> 01:21:30,403

for both his grandfather
and his uncle.

789

01:21:34,680 --> 01:21:35,966

I do not deserve
your kindness.

790

01:21:36,040 --> 01:21:37,280

James.

791

01:22:03,320 --> 01:22:05,049

My dearest
cousin Elizabeth.

792

01:22:06,680 --> 01:22:10,321

We have had our differences, and
what sorrow it has brought my heart.

793

01:22:11,400 --> 01:22:13,801

<i>But before I bring a child
into this world,</i>

794

01:22:14,120 --> 01:22:15,451

<i>I wish to reconcile.</i>

795

01:22:16,640 --> 01:22:18,961

<i>I would our child
have two mothers.</i>

796

01:22:19,840 --> 01:22:21,126

"A mother who bears him...

797

01:22:22,800 --> 01:22:24,882

"And you,
his chosen godmother.

798

01:22:26,280 --> 01:22:28,203

"No child would be
more blessed."

799

01:23:23,640 --> 01:23:25,529

<i>I am told
the labor was long,</i>

800
01:23:26,600 --> 01:23:29,331
<i>but only with suffering
do we know joy.</i>

801
01:23:32,000 --> 01:23:35,527
<i>What greater joy than to
have a son to call your own.</i>

802
01:23:37,280 --> 01:23:40,648
<i>Humbly do I accept your
invitation to be his godmother,</i>

803
01:23:42,200 --> 01:23:44,248
<i>that I might share
in your happiness.</i>

804
01:23:46,480 --> 01:23:49,290
<i>What is more, we should return
to the issue of inheritance,</i>

805

01:23:49,360 --> 01:23:51,488

*<i>now that a new
generation is upon us.</i>*

806

01:23:53,120 --> 01:23:54,929

*<i>Your terms
are most agreeable.</i>*

807

01:23:55,720 --> 01:23:58,121

*<i>It is only right
that your heirs succeed you,</i>*

808

01:23:58,200 --> 01:24:01,170

*<i>if you marry
and bear children of your own.</i>*

809

01:24:07,120 --> 01:24:08,201

<i>And should you not,</i>

810

01:24:09,080 --> 01:24:13,005

*<i>it is my son's great honor to
rule by your sublime example.</i>*

811

01:24:26,280 --> 01:24:27,850

If you
grant her succession,

812

01:24:27,920 --> 01:24:29,684

we are rewarding
her disobedience.

813

01:24:29,760 --> 01:24:31,205

What disobedience?

814

01:24:31,960 --> 01:24:34,042

She is not our subject!

815

01:24:34,520 --> 01:24:36,329

And yet
you would make us hers.

816

01:24:39,840 --> 01:24:43,526

What have you produced in all your
travels between our kingdoms?

817

01:24:44,320 --> 01:24:45,367

Discord.

818

01:24:46,080 --> 01:24:48,128

War. Death.

819

01:24:49,640 --> 01:24:52,086

And now you have the boldness
to doubt my judgment?

820

01:24:53,160 --> 01:24:54,685

You had better
question yours.

821

01:24:55,280 --> 01:24:57,886

I regret that you
perceive me as a failure.

822

01:24:58,760 --> 01:25:00,603

We serve you fully...

823

01:25:01,760 --> 01:25:02,966

With all our hearts.

824

01:25:03,480 --> 01:25:05,608

Any one of us
would gladly die for you.

825

01:25:05,680 --> 01:25:08,524

But Mary is our foe,
and a Catholic.

826

01:25:08,760 --> 01:25:11,491

She is only your Queen if I
should not produce an heir.

827

01:25:11,800 --> 01:25:13,245

And will you, Madam?

828

01:25:14,480 --> 01:25:16,721

For you have given us
little hope so far.

829

01:25:18,840 --> 01:25:21,810

Despite your every effort,
she has prevailed.

830

01:25:23,040 --> 01:25:27,045

She has proven herself, in fact, far
more capable than my own Privy Council!

831

01:25:27,720 --> 01:25:29,245

Should I die before my time,

832

01:25:29,600 --> 01:25:32,809

we could do worse than to place
her on the throne of England.

833

01:25:36,760 --> 01:25:38,000

Is this not your name?

834

01:25:41,680 --> 01:25:42,681

It's forged.

835

01:25:44,080 --> 01:25:45,684

Henry...

I swear. This is an outrage.

836

01:25:45,760 --> 01:25:47,171

It is your hand.

837

01:25:50,200 --> 01:25:51,725

You must believe me.

838

01:25:59,440 --> 01:26:00,851

Am I not to see

my own son?

839

01:26:02,680 --> 01:26:03,727

I'm not to see him?

840

01:26:04,920 --> 01:26:06,206

He's not to know his father?

841

01:26:07,000 --> 01:26:10,641

For your child's sake, be contented
with a pardon and your life.

842

01:26:13,080 --> 01:26:14,764

We have procured
a house for you.

843

01:26:15,080 --> 01:26:16,525

We are to live apart.

844

01:26:17,640 --> 01:26:19,005

Bothwell will see you there.

845

01:27:02,680 --> 01:27:03,727

You're moving.

846

01:27:13,480 --> 01:27:15,642

You must divorce him, Madam.

It is forbidden.

847

01:27:15,720 --> 01:27:17,006

Not in the

Church of Scotland.

848

01:27:17,080 --> 01:27:18,684

He is the father of my child.

849

01:27:19,240 --> 01:27:20,685

I will not do him

such an indignity.

850

01:27:20,760 --> 01:27:21,921

Darnley is cursed.

851

01:27:22,400 --> 01:27:24,368

He is harmless.

Not so.

852

01:27:24,840 --> 01:27:26,763

He's still plotting
to take your crown.

853

01:27:26,840 --> 01:27:30,049

My men heard him.

He spoke of regicide.

854

01:27:32,040 --> 01:27:34,850

You have commanded armies
against armies.

855

01:27:34,920 --> 01:27:36,490

Now you fear a single man?

856

01:27:36,880 --> 01:27:37,927

I did not claim to fear him.

857

01:27:38,000 --> 01:27:39,490

Then why advocate divorce?

858

01:27:40,080 --> 01:27:42,082

My oath is to defend
your safety.

859

01:27:42,160 --> 01:27:43,525

So you do fear him.

860

01:27:50,480 --> 01:27:52,403

Just as you vowed
to protect me,

861

01:27:52,480 --> 01:27:54,289

I vowed loyalty
to my husband.

862

01:27:54,840 --> 01:27:57,684

Any man who marries me
will try to make himself king.

863

01:27:58,200 --> 01:28:00,089

I owe him neither
comfort nor title,

864

01:28:00,160 --> 01:28:02,208

but I will not become
a lady Henry VIII,

865

01:28:02,280 --> 01:28:04,521

dispensing with husbands
as he did wives.

866

01:28:17,160 --> 01:28:18,161

Damn.

867

01:28:22,440 --> 01:28:25,808

My Lord, you
argued well in council.

868

01:28:26,560 --> 01:28:28,801

May we borrow your
wisdom for a moment?

869

01:28:29,440 --> 01:28:32,489

The Queen should not
cast aside your protection.

870

01:29:48,200 --> 01:29:49,611

Mama!

871

01:29:52,320 --> 01:29:53,367

It's Lord Darnley.

872

01:29:54,480 --> 01:29:55,720

Attempt on his life.

873

01:29:57,680 --> 01:29:58,681

Is he dead?

874

01:30:14,200 --> 01:30:17,283

I'll take you to my estates.
It's not safe for you here.

875

01:30:18,480 --> 01:30:20,960

James should stay with one of
your ladies for his safety.

876

01:30:37,680 --> 01:30:39,648

It's okay. It's okay.

877

01:30:40,920 --> 01:30:43,161

As soon as the women
are loaded, get us moved.

878

01:30:43,240 --> 01:30:44,401

Come on!

879

01:30:46,520 --> 01:30:47,851

- It's okay.

- Madam.

880

01:30:49,320 --> 01:30:50,845

Madam, we have to go.

881

01:30:51,200 --> 01:30:53,680

Mama! Mama!

882

01:30:57,400 --> 01:31:00,802

Mama! Mama!

883

01:31:04,560 --> 01:31:06,085

Mama!

884

01:31:07,440 --> 01:31:10,091

Mama! Mama!

885

01:31:10,680 --> 01:31:13,445

Mama! Mama!

886

01:31:50,480 --> 01:31:51,481

Pardon.

887

01:31:52,440 --> 01:31:53,441

No need.

888

01:31:56,080 --> 01:31:57,570

May we speak in private?

889

01:32:21,280 --> 01:32:22,281

What brings you?

890

01:32:26,080 --> 01:32:29,721

The Parliament will ratify a proclamation
demanding you wed a Scottish subject

891

01:32:30,520 --> 01:32:31,601

now that you are widowed.

892

01:32:31,680 --> 01:32:32,841

It has only been a day.

893

01:32:34,760 --> 01:32:35,841

They meet tomorrow.

894

01:32:37,360 --> 01:32:39,567

It is your council's advice
that you should marry me.

895

01:32:52,080 --> 01:32:53,081

What have you done?

896

01:33:02,760 --> 01:33:03,761

Murderer.

897

01:33:07,680 --> 01:33:09,648

Did I not come to your aid
when your Lords rebelled?

898

01:33:09,720 --> 01:33:11,961

Did I not? I was loyal!

899

01:33:12,040 --> 01:33:13,087

Me!

900

01:33:15,720 --> 01:33:19,520

Refuse, and I will not come to
your aid when they rebel again.

901

01:33:19,960 --> 01:33:20,961

Please.

902

01:33:35,960 --> 01:33:36,961

Come.

903

01:33:41,640 --> 01:33:43,449

Undress your lady.

904

01:33:43,520 --> 01:33:45,090

She has consented

to be my wife.

905

01:34:43,800 --> 01:34:47,805

*<i>A whore of Babylon who
defies the sanctity of marriage.</i>*

906

01:34:48,920 --> 01:34:49,921

<i>What's worse,</i>

907

01:34:50,000 --> 01:34:53,129

she has broken

the most solemn commandment,

908

01:34:53,200 --> 01:34:54,804

"Thou shalt not kill."

909

01:34:57,080 --> 01:34:59,970

She had her
husband murdered

910

01:35:00,040 --> 01:35:02,884

so that she could
wed his rival.

911

01:35:02,960 --> 01:35:05,167

Would we worship
a murderous harlot?

912

01:35:06,360 --> 01:35:10,922

Queen Strumpet
marries another man

913

01:35:11,000 --> 01:35:13,287

whom she bedded
out of wedlock!

914

01:35:13,360 --> 01:35:17,126

Our kingdom
has become a disgrace,

915
01:35:17,200 --> 01:35:19,521
to God and all the world!

916
01:35:24,320 --> 01:35:27,244
Death to the whore!
Death to the whore!

917
01:35:28,240 --> 01:35:31,483
Death to the whore!
Death to the whore!

918
01:35:31,560 --> 01:35:34,962
Death to the whore! Death to the whore!
Death to the whore!

919
01:35:35,080 --> 01:35:36,286
Death to the whore!

920
01:35:36,360 --> 01:35:39,250
Death to the whore! Death to the whore!

Death to the whore!

921

01:35:49,240 --> 01:35:50,571

You promised

I would be king.

922

01:35:52,880 --> 01:35:56,680

If your betrothed does abdicate,
you are abdicated also.

923

01:35:57,400 --> 01:36:00,563

This was your intention. JAMES:
Events have overtaken all intentions.

924

01:36:00,640 --> 01:36:02,290

Liar!

925

01:36:02,400 --> 01:36:03,606

Liars!

926

01:36:04,880 --> 01:36:06,041

Events, aye.

927

01:36:06,480 --> 01:36:08,608

Events by your design.

Is that not true?

928

01:36:10,960 --> 01:36:11,961

Speak, damn you.

929

01:36:13,320 --> 01:36:14,810

Be men and own

your treachery.

930

01:36:15,520 --> 01:36:16,760

Did you not deceive me?

931

01:36:18,160 --> 01:36:20,925

As they have done their Queen

since the day she returned.

932

01:36:22,680 --> 01:36:24,648

Were you fool enough

to trust these men?

933

01:36:25,160 --> 01:36:26,650

Who took up arms against you?

934

01:36:28,800 --> 01:36:30,165

You must abdicate, Madam.

935

01:36:31,320 --> 01:36:33,368

When your son comes of age,
he will assume the throne.

936

01:36:33,440 --> 01:36:35,761

Until then,
my Lord will be Regent.

937

01:36:36,560 --> 01:36:38,130

Brother?
We found Mistress Seton.

938

01:36:38,200 --> 01:36:40,487

The boy is now in our
custody at Holyrood.

939

01:36:41,480 --> 01:36:42,845

You hold my son prisoner?

940

01:36:42,920 --> 01:36:44,365

Not prisoner.

941

01:36:46,160 --> 01:36:48,208

He's my ward,

until he is old enough...

942

01:36:48,320 --> 01:36:50,243

Your namesake, James.

943

01:36:51,120 --> 01:36:52,360

Named for you.

944

01:36:54,280 --> 01:36:56,328

If you wish him

to be king one day,

945

01:36:56,400 --> 01:36:57,970

you must abdicate.

946

01:36:58,080 --> 01:37:00,845

- I will not do it.

- You will, Madam.

947

01:37:01,000 --> 01:37:03,810

By force if we must. I shall

meet force with force.

948

01:37:04,240 --> 01:37:06,481

People believe you are

a traitor and a whore.

949

01:37:07,640 --> 01:37:11,042

What army can defeat an entire

nation turned against its Queen?

950

01:37:12,000 --> 01:37:15,163

They would sooner parade your head

on a pike than bow before a harlot.

951

01:37:16,520 --> 01:37:18,841

I for one, would gladly

hold high that pike.

952

01:37:23,800 --> 01:37:25,768

Well, he is right.

You cannot raise an army.

953

01:37:25,840 --> 01:37:29,003

Many times you have said I
cannot do what I have done.

954

01:37:31,720 --> 01:37:33,051

Then we are finished here.

955

01:37:43,360 --> 01:37:45,806

This is beyond my control.

I ask you to reconsider.

956

01:37:45,920 --> 01:37:49,049

All I have done is
try to unify this land.

957

01:37:49,120 --> 01:37:50,121

I know.

958

01:37:50,880 --> 01:37:53,451

To relinquish the crown would
be against God's will...

959

01:37:53,520 --> 01:37:55,204

But God will not protect you.

960

01:37:55,280 --> 01:37:58,204

I will protect you, as my kin.

961

01:38:00,240 --> 01:38:01,765

I wish that we were kin.

962

01:38:02,960 --> 01:38:04,485

But we are no longer so.

963

01:38:34,760 --> 01:38:36,524

(MARY SPEAKING FRENCH)

964

01:38:39,240 --> 01:38:40,890

(MISTRESS FLEMING IN FRENCH)

965

01:39:01,440 --> 01:39:02,441

I would.

966

01:39:04,560 --> 01:39:06,050

(SPEAKING FRENCH)

967

01:39:19,800 --> 01:39:23,088

Are we to do nothing
as my sister is deposed?

968

01:39:26,480 --> 01:39:28,050

She is not your sister.

969

01:39:30,440 --> 01:39:32,647

Nor can she be
your successor.

970

01:39:34,600 --> 01:39:37,922

Not a woman whose own
subjects call her a harlot.

971

01:39:38,000 --> 01:39:40,048

This is Cecil speaking.

972

01:39:40,960 --> 01:39:42,564

I speak for myself.

973

01:39:44,280 --> 01:39:46,203

Though all your
council agrees.

974

01:39:52,320 --> 01:39:54,322

How cruel men are.

975

01:40:32,480 --> 01:40:35,006

England does not look
so different from Scotland.

976

01:40:36,160 --> 01:40:39,243

Aye, they are sisters.

977

01:41:35,320 --> 01:41:36,367

Madam...

978

01:41:37,200 --> 01:41:38,201

Come away.

979

01:42:10,760 --> 01:42:11,761

I rode ahead.

980

01:42:12,720 --> 01:42:13,960

She'll be here soon.

981

01:42:16,040 --> 01:42:17,087

Remain here.

982

01:43:01,520 --> 01:43:02,601

Your Majesty.

983

01:43:41,440 --> 01:43:42,441

Cousin?

984

01:43:43,680 --> 01:43:44,681

Aye.

985

01:43:47,960 --> 01:43:49,041

Are you well?

986

01:43:51,040 --> 01:43:52,883

Your voice is not
what I expected.

987

01:43:55,720 --> 01:43:57,051

What did you expect of it?

988

01:43:58,280 --> 01:43:59,327

I do not know.

989

01:44:05,120 --> 01:44:06,485

How I long to see your face.

990

01:44:08,720 --> 01:44:10,085

No one can know we meet.

991

01:44:11,240 --> 01:44:13,049

Yes, I have been instructed.

992

01:44:13,120 --> 01:44:14,929

If you speak of

it to anyone, I shall deny.

993

01:44:15,680 --> 01:44:17,682

And I will regard
your words as treason.

994

01:44:17,760 --> 01:44:19,444

Am I your subject now?

995

01:44:21,680 --> 01:44:22,681

No.

996

01:44:24,200 --> 01:44:25,611

You are not my subject.

997

01:44:26,440 --> 01:44:28,408

But you do seek my help.

998

01:44:33,400 --> 01:44:35,323

I am grateful
for your protection.

999

01:44:38,440 --> 01:44:39,885

I am pleased to grant it.

1000

01:44:41,360 --> 01:44:42,566

How did it come to this?

1001

01:44:54,320 --> 01:44:55,845

May I see you, sister?

1002

01:45:04,640 --> 01:45:06,369

My eyes are weary from travel.

1003

01:45:12,600 --> 01:45:14,409

I should have stayed true
to your love.

1004

01:45:17,000 --> 01:45:19,321

I should have followed your
example and never married.

1005

01:45:20,840 --> 01:45:22,171

Then you would have no son.

1006

01:45:22,240 --> 01:45:24,083

Whose mother is
without a crown.

1007

01:45:24,760 --> 01:45:27,127

Whose own throne is
usurped by his uncle.

1008

01:45:27,200 --> 01:45:28,645

You must have faith.

1009

01:45:28,720 --> 01:45:30,643

Your brother will keep
his word.

1010

01:45:30,760 --> 01:45:31,921

I have no faith in him.

1011

01:45:35,400 --> 01:45:36,845

I have only faith in you.

1012

01:45:40,880 --> 01:45:42,644

You would let them
show the world

1013

01:45:42,720 --> 01:45:45,803

that a queen can
so easily be forsworn?

1014

01:45:50,000 --> 01:45:51,001

Answer me, sister.

1015

01:45:55,360 --> 01:45:57,044

To war with Scotland

1016

01:45:57,160 --> 01:46:00,926

and betray my own clergy on a
Catholic's behalf. No, I cannot

1017

01:46:01,560 --> 01:46:03,005

You know I cannot.

1018

01:46:06,880 --> 01:46:10,646

Did you come so far at such
great risk only to refuse me?

1019

01:46:13,720 --> 01:46:14,721

I came...

1020

01:46:18,400 --> 01:46:19,401

I came because...

1021

01:46:31,200 --> 01:46:33,168

If you refuse me

an army...

1022

01:46:33,280 --> 01:46:34,281

Say it to my face.

1023

01:46:35,320 --> 01:46:37,482

Do not force me to beg

to your back.

1024

01:46:58,160 --> 01:47:00,128

I will kneel before you

if I must.

1025

01:47:00,960 --> 01:47:02,610

it would make no difference.

1026

01:47:08,040 --> 01:47:10,122

You are safe here

in England.

1027

01:47:12,120 --> 01:47:13,167

That's all I can offer.

1028

01:47:15,040 --> 01:47:17,611

I have been abandoned

by so many.

1029

01:47:21,560 --> 01:47:23,130

I am utterly alone.

1030

01:47:25,800 --> 01:47:26,801

As am I.

1031

01:47:30,040 --> 01:47:31,041

Alone.

1032

01:47:33,080 --> 01:47:34,809

Then be my sister.

1033

01:47:37,680 --> 01:47:39,205

Be my boy's Godmother.

1034

01:47:41,200 --> 01:47:43,771

Together we could conquer
all of those who doubt us.

1035

01:47:44,400 --> 01:47:46,050

Do not play into their hands.

1036

01:47:46,120 --> 01:47:48,726

Our enmity is precisely
what they hope for.

1037

01:47:50,240 --> 01:47:53,608

I know your heart has more within
it than the men who counsel you.

1038

01:47:59,240 --> 01:48:01,447

I am more man than woman now.

1039

01:48:03,360 --> 01:48:05,249

The throne has made me so.

1040

01:48:08,480 --> 01:48:11,404

But I have no enmity with you.

1041

01:48:13,680 --> 01:48:15,444

Except to seed rebellion

1042

01:48:16,560 --> 01:48:19,291

and to deceive me,
time and time again.

1043

01:48:19,680 --> 01:48:21,842

If you still seek
my protection,

1044

01:48:21,920 --> 01:48:23,410

you would do well
to watch your words.

1045

01:48:23,480 --> 01:48:25,608

I will not be scolded
by my inferior.

1046

01:48:27,240 --> 01:48:28,241

Your inferior?

1047

01:48:28,320 --> 01:48:29,321

I am a Stuart,

1048

01:48:30,480 --> 01:48:33,370

which gives me greater claim
to England than you possess.

1049

01:48:44,120 --> 01:48:45,451

I had this made

1050

01:48:47,280 --> 01:48:50,284

because I wanted to present
the best version of myself.

1051

01:48:56,560 --> 01:48:57,561

I was jealous.

1052

01:49:03,680 --> 01:49:04,681

Your beauty.

1053

01:49:06,840 --> 01:49:07,841

Your bravery.

1054

01:49:09,760 --> 01:49:10,761

Your motherhood.

1055

01:49:12,440 --> 01:49:15,125

You seemed to surpass me
in every way.

1056

01:49:20,880 --> 01:49:23,326

But now, I see
there is no cause for envy.

1057

01:49:27,160 --> 01:49:28,161

Your gifts

1058

01:49:29,040 --> 01:49:30,530

are your downfall.

1059

01:49:38,920 --> 01:49:39,921

What now, sister?

1060

01:49:44,880 --> 01:49:46,769

You will still have
my protection,

1061

01:49:48,080 --> 01:49:50,242

under my terms.

Until you have me killed.

1062

01:49:50,800 --> 01:49:51,961

I will do no such thing.

1063

01:49:52,040 --> 01:49:53,166

Wouldn't you?

1064

01:49:54,560 --> 01:49:56,050

As Henry killed your mother?

1065

01:49:57,040 --> 01:49:59,202

I am not my father.

1066

01:49:59,320 --> 01:50:00,765

But you share his blood.

1067

01:50:05,200 --> 01:50:08,443

As long as you do not
provoke my enemies,

1068

01:50:09,200 --> 01:50:10,770

you have nothing to fear.

1069

01:50:14,240 --> 01:50:16,208

Your fate rests
in your own hands.

1070

01:50:23,800 --> 01:50:25,564

If I seek to help
your enemies,

1071

01:50:26,520 --> 01:50:28,921

'this is only because
you pushed me to their arms.

1072

01:50:29,920 --> 01:50:31,410

And should you murder me,

1073

01:50:32,520 --> 01:50:34,488

remember you murder

your sister

1074

01:50:36,160 --> 01:50:37,764

and you murder your Queen.

1075

01:51:02,840 --> 01:51:05,491

Take her somewhere

you can guard her well.

1076

01:51:50,280 --> 01:51:51,281

It's time.

1077

01:51:54,560 --> 01:51:55,561

Sister.

1078

01:51:57,360 --> 01:52:01,001

<i>Evidence has been presented
to me written in your hand.</i>

1079

01:52:02,400 --> 01:52:06,086

<i>It shows that you have conspired with
Catholic forces against my life.</i>

1080

01:52:08,600 --> 01:52:11,968

<i>Whether these letters
are in your hand or not,</i>

1081

01:52:12,040 --> 01:52:13,246

<i>I must act.</i>

1082

01:52:16,280 --> 01:52:18,567

<i>I wish I could speak
these words to you directly.</i>

1083

01:52:19,960 --> 01:52:22,361

<i>But they exist only in my mind</i>

1084

01:52:22,440 --> 01:52:23,965

<i>as both a prayer</i>

1085

01:52:24,040 --> 01:52:25,280

<i>and a penance.</i>

1086

01:52:26,680 --> 01:52:28,967

*<i>I hope that God
will hear them.</i>*

1087

01:52:30,680 --> 01:52:35,129

*<i>Believe me when I tell you how it
ages me to bear such a burden,</i>*

1088

01:52:36,720 --> 01:52:38,484

*<i>ordering to death
the only other woman</i>*

1089

01:52:38,560 --> 01:52:40,210

*<i>who knows what
it means to rule</i>*

1090

01:52:40,280 --> 01:52:41,566

<i>as a queen in this land.</i>

1091

01:53:05,560 --> 01:53:08,450

<i>You were right when we
spoke a half-lifetime ago.</i>

1092

01:53:09,600 --> 01:53:11,125

<i>You said the day would come,</i>

1093

01:53:11,920 --> 01:53:13,649

<i>and that day has come.</i>

1094

01:53:14,800 --> 01:53:17,406

<i>I regret not doing then
what I do now,</i>

1095

01:53:17,480 --> 01:53:19,369

<i>so that I could have
spared you so many years</i>

1096

01:53:19,480 --> 01:53:21,084

<i>of imprisonment and misery.</i>

1097

01:53:23,000 --> 01:53:26,561

<i>If you would lay eyes upon me
now, you would not recognize me.</i>

1098

01:53:28,360 --> 01:53:31,443

<i>I have relinquished all sense
of self to the throne,</i>

1099

01:53:31,520 --> 01:53:33,921

<i>which rules my every
word and action.</i>

1100

01:53:35,520 --> 01:53:37,124

<i>But when I think of you,</i>

1101

01:53:37,920 --> 01:53:39,729

<i>I see not an aged woman,</i>

1102

01:53:40,320 --> 01:53:43,403

<i>but rather the young,
resplendent Queen</i>

1103

01:53:43,480 --> 01:53:47,087

<i>whose portrait I first gazed
upon five and 20 years ago,</i>

1104

01:53:47,640 --> 01:53:50,769

<i>and whose beauty shone
so brightly when we met,</i>

1105

01:53:50,840 --> 01:53:52,205

<i>despite her despair.</i>

1106

01:53:59,920 --> 01:54:03,129

<i>I know God's arms will accept
you in that likeness...</i>

1107

01:54:03,960 --> 01:54:05,962

<i>As the young, fierce Queen</i>

1108

01:54:06,040 --> 01:54:08,441

<i>who I have always
loved and admired.</i>

1109

01:54:12,640 --> 01:54:14,847

*<i>May your soul
have pity on mine.</i>*

1110

01:54:24,520 --> 01:54:25,521

Your Grace.

1111

01:54:32,160 --> 01:54:33,161

Your Grace.

1112

01:55:01,320 --> 01:55:03,448

By order of our
sovereign Elizabeth,

1113

01:55:04,960 --> 01:55:07,008

Queen of England,
Wales and Ireland,

1114

01:55:09,000 --> 01:55:10,411

Overlord of Scotland,

1115

01:55:11,880 --> 01:55:14,486

certified by her Privy Council
and Parliament,

1116

01:55:16,200 --> 01:55:18,282

Mary Stuart is condemned
to death

1117

01:55:23,040 --> 01:55:24,929

this day,
February the eighth,

1118

01:55:26,440 --> 01:55:29,728

the year of our Lord 1587.

1119

01:55:37,120 --> 01:55:38,770

She thinks herself a martyr.

1120

01:55:42,840 --> 01:55:43,841

James,

1121

01:55:44,560 --> 01:55:46,164

my only son,

1122

01:55:48,360 --> 01:55:50,328

I pray that with your life

1123

01:55:50,400 --> 01:55:52,209

you will succeed

where I could not,

1124

01:55:53,360 --> 01:55:55,647

and for which I am

about to give my life.

1125

01:55:57,800 --> 01:56:00,246

<i>In my end is my beginning.</i>

1126

01:56:01,480 --> 01:56:03,403

<i>I shall be watching you

from heaven</i>

1127

01:56:05,080 --> 01:56:09,005

<i>as your crown, one day,

unites two kingdoms.</i>

1128

01:56:19,040 --> 01:56:20,610

And we shall have peace.
