

Dialogues from Monsters Inc to improve the vocabulary in English

1

00:01:35,829 --> 00:01:37,914

- Good night, sweetheart.

- Good night, Mom.

2

00:01:37,998 --> 00:01:40,000

Sleep tight, kiddo.

3

00:03:08,630 --> 00:03:10,632

<i>Simulation terminated.</i>

4

00:03:10,716 --> 00:03:14,553

<i>Simulation terminated.

Simulation terminated.</i>

5

00:03:14,636 --> 00:03:18,849

<i>Simulation terminated.

Simulation terminated.</i>

6

00:03:18,932 --> 00:03:20,976

All right, Mr Bile, is it?

7

00:03:21,059 --> 00:03:23,645

Uh, my friends call me Phlegm.

8

00:03:23,729 --> 00:03:27,107

Uh-huh. Mr Bile, can you tell me
what you did wrong?

9

00:03:27,190 --> 00:03:30,986

- I fell down?

- No, no, before that.

10

00:03:31,069 --> 00:03:34,906

Can anyone tell me

Mr Bile's big mistake?

11

00:03:34,990 --> 00:03:37,034

Anyone?

12

00:03:37,951 --> 00:03:40,829

Let's take a look at the tape.

Here we go.

13

00:03:40,912 --> 00:03:43,790

Uh, right...

buh, buh, buh, buh... Ah, there.

14

00:03:43,874 --> 00:03:46,126

See? The door.

You left it wide open.

15

00:03:47,711 --> 00:03:50,505

And leaving the door open

is the worst mistake...

16

00:03:50,589 --> 00:03:53,467

any employee can make because...

17

00:03:53,550 --> 00:03:56,553

Um, it could let in a draught?

18

00:03:56,637 --> 00:03:59,139

It could let in a child!

19

00:03:59,222 --> 00:04:01,224

Oh, Mr Waternoose!

20

00:04:01,308 --> 00:04:06,104

There's nothing more toxic or deadly
than a human child.

21

00:04:06,188 --> 00:04:08,357

A single touch could kill you.

22

00:04:09,524 --> 00:04:13,320

Leave a door open and a child
could walk right into this factory...

23

00:04:13,403 --> 00:04:15,405

right into the monster world.

24

00:04:15,489 --> 00:04:17,783

I won't go in a kid's room!

You can't make me!

25

00:04:17,866 --> 00:04:21,870

You're going in there
because we need this.

26

00:04:27,459 --> 00:04:31,838

Our city is counting on you
to collect those children's screams.

27

00:04:31,922 --> 00:04:35,050

Without scream, we have no power.

28

00:04:35,133 --> 00:04:39,554

Yes, it's dangerous work, and that's why
I need you to be at your best.

29

00:04:39,638 --> 00:04:45,727

I need scarers who are confident,
tenacious, tough, intimidating.

30

00:04:45,811 --> 00:04:48,814

I need scarers like... like...

31

00:04:48,897 --> 00:04:51,108

James P. Sullivan.

32

00:04:54,778 --> 00:04:58,031

Hey, good morning, Monstropolis. It's
now five after the hour of 6:00 a.m...

33

00:04:58,115 --> 00:05:00,158

in the big monster city.

34

00:05:00,242 --> 00:05:03,954

Temperature's a balmy 65 degrees,
which is good news for you reptiles...

35

00:05:04,037 --> 00:05:08,083

and it looks like it's gonna be
a perfect day to maybe, hey,
just lie in bed, sleep in...

36

00:05:08,166 --> 00:05:12,671

or simply work out that flab
that's hanging over the bed!

37

00:05:12,754 --> 00:05:15,299

Get up, Sulley!

38

00:05:16,425 --> 00:05:19,219

I don't believe I ordered
a wake-up call, Mikey.

39

00:05:19,303 --> 00:05:22,139

Hey, less talk, more pain,
marshmallow boy.

40

00:05:22,222 --> 00:05:25,309

Feel the burn!
You call yourself a monster?

41

00:05:25,392 --> 00:05:27,561

Scary feet, scary feet, scary feet.
Oh, the kid's awake!

42

00:05:27,644 --> 00:05:30,480

Okay, scary feet, scary feet, scary
feet, scary feet, scary... Kid's asleep!

43

00:05:31,815 --> 00:05:34,192

Twins and a bunk bed!

44

00:05:35,485 --> 00:05:38,447

Ooh, I thought I had you there.

Okay, Sulley, here we go.

45

00:05:38,530 --> 00:05:42,117

You ready? Follow it.

Oh, it's over here. Oh, look over there.

46

00:05:42,200 --> 00:05:44,536

Don't let the kid touch you!

Don't let it touch you!

47

00:05:44,620 --> 00:05:48,040

<i>I don't know, but it's been said

I love scarin'kids in bed</i>

48

00:05:48,123 --> 00:05:51,460

Come on, fight that plaque.

Fight that plaque.

Scary monsters don't have plaque.

49

00:05:51,543 --> 00:05:55,672

118. Do you have 119?

Do I see 120?

50

00:05:55,756 --> 00:05:58,342

- Oh, I don't believe it!

- I'm not even breaking a sweat.

51

00:05:58,425 --> 00:06:01,678

Not you. Look!

The new commercial's on!

52

00:06:01,762 --> 00:06:04,973

<i>The future is bright
at Monsters, Incorporated.</i>

53

00:06:05,057 --> 00:06:07,559

<i>- I'm in this one! I'm in this one!

- We're part of your life.</i>

54

00:06:07,643 --> 00:06:11,730

<i>We power your car. We warm your home.

We light your city.</i>

55

00:06:11,813 --> 00:06:14,816

<i>- I'm Monsters, Incorporated.

- Hey, look! Betty!</i>

56

00:06:14,900 --> 00:06:18,362

<i>Carefully matching every child
to their ideal monster...</i>

57

00:06:18,445 --> 00:06:20,489

<i>to produce superior scream...</i>

58

00:06:20,572 --> 00:06:23,533

<i>refined into clean,
dependable energy.</i>

59

00:06:23,617 --> 00:06:28,038

<i>Every time you turn something on,
Monsters, Incorporated is there.</i>

60

00:06:28,121 --> 00:06:31,708

<i>- I'm Monsters, Incorporated.
- We know the challenge.</i>

61

00:06:31,792 --> 00:06:36,088

<i>The window of innocence is shrinking.

Human kids are harder to scare.</i>

62

00:06:36,171 --> 00:06:38,799

<i>Of course, MI is prepared

for the future...</i>

63

00:06:38,882 --> 00:06:42,678

<i>with the top scarers,

the best refineries...</i>

64

00:06:42,761 --> 00:06:46,264

<i>and research

into new energy techniques.</i>

65

00:06:46,348 --> 00:06:51,395

<i>- Okay, here I come.

- We're working for

a better tomorrow today!</i>

66

00:06:51,478 --> 00:06:54,606

<i>We're Monsters, Incorporated!</i>

67

00:06:54,690 --> 00:06:57,609

<i>We're MI, Monsters, Incorporated.</i>

68

00:06:57,693 --> 00:07:00,279

<i>We scare because we care.</i>

69

00:07:01,822 --> 00:07:03,991

- I can't believe it.

- Oh, Mike.

70

00:07:04,074 --> 00:07:06,493

I was on TV!

71

00:07:06,576 --> 00:07:09,371

Ah, did you see me?

I'm a natural!

72

00:07:09,454 --> 00:07:13,542

Hello? I know! Hey, wasn't I great?

Did the whole family see it?

73

00:07:13,625 --> 00:07:16,920

It's your mom.

What can I say? The camera loves me.

74

00:07:29,016 --> 00:07:32,436

I'm telling you, big daddy,
you're gonna be seeing this face
on TV a lot more often.

75

00:07:32,519 --> 00:07:36,106

<i>Yeah?

Like on Monstropolis's Most Wanted?</i>

76

00:07:36,189 --> 00:07:39,234

You've been jealous of my good looks
since the fourth grade, pal.

77

00:07:39,318 --> 00:07:42,654

- Have a good day, sweetie.
- You too, hon.

78

00:07:42,738 --> 00:07:45,741

- Ooh, okay, Sulley, hop on in.
- Nope. Uh-uh.

79

00:07:45,824 --> 00:07:48,869

- Hey, hey, hey, hey, hey!

Where you going? What are you doing?

- Mikey, there's a scream shortage.

80

00:07:48,952 --> 00:07:50,954

- We're walking.

- Walking?

- Yup.

81

00:07:51,038 --> 00:07:54,416

- No. Hey, no, no. Come on.

- Come on.

- My baby, look... She needs to be driven.

82

00:07:54,499 --> 00:07:56,835

Bye, baby! I... I'll call you!

83

00:07:56,960 --> 00:08:00,088

Hey, genius, y-you wanna know

why I bought the car, huh?

84

00:08:00,464 --> 00:08:03,675

- Not really.

- To drive it. You know,

like on the street...

85

00:08:03,759 --> 00:08:06,136

with the honk-honk and the vroom-vroom

and no walking involved.

86

00:08:06,219 --> 00:08:09,973

Give it a rest, will you, butterball?

Come on. You could use the exercise.

87

00:08:10,057 --> 00:08:13,685

I could use the exercise? Look at you.

You-You-You have your own climate.

88

00:08:13,769 --> 00:08:16,355

<i>How many tentacles jump the rope</i>

89

00:08:16,438 --> 00:08:19,149

<i>- Morning, Mike! Morning, Sulley!

- One and two and three

- Hey, morning, kids!</i>

90

00:08:19,232 --> 00:08:23,445

- Hey, kids.

- How you doin'?

- Bye, Mike! Bye, Sulley!

91

00:08:23,528 --> 00:08:25,405

Hey!

92

00:08:30,869 --> 00:08:33,789

Aw, nuts.

93

00:08:35,123 --> 00:08:37,876

- Hey, hey, hey, fellas!

- Hey, Tony!

- Tony!

94

00:08:37,960 --> 00:08:40,587

- Hey, hey! Tony!

- Tony!

95

00:08:40,671 --> 00:08:44,007

I hear somebody's close to breaking

the all-time scare record.

96

00:08:44,091 --> 00:08:48,011

Ah, just trying to make sure
there's enough scream to go around.

97

00:08:48,095 --> 00:08:50,639

- Hey, on the house!

- Hey, thanks!

98

00:08:55,268 --> 00:08:57,604

Oh, great.

99

00:08:57,688 --> 00:09:00,941

Hey, Ted! Good morning!

100

00:09:03,652 --> 00:09:05,821

See that, Mikey?

Ted's walking to work.

101

00:09:05,904 --> 00:09:08,949

Big deal. Guy takes five steps
and he's there.

102

00:09:15,706 --> 00:09:20,252

Monsters, Inc. Please hold.

Monsters, Inc. Please hold.

Monsters, Inc. Please hold.

103

00:09:20,335 --> 00:09:22,337

- Morning, Sulley.

- Morning, Ricky.

104

00:09:22,421 --> 00:09:25,007

- Hey, it's the Sullster.

- See you on the scare floor, buddy.

105

00:09:25,090 --> 00:09:28,677

- Hey, Marge. Hey, how was jury duty?

- Morning, Sulley!

- Hey!

106

00:09:29,928 --> 00:09:32,973

- Hey, it's still leaning to the left.

- It is not!

107

00:09:33,056 --> 00:09:36,727

- Hey, fellas. Hey, Jerry.

- Hey, Mr Sullivan!

108

00:09:36,810 --> 00:09:39,813

Guys, I told ya...

call me Sulley.

109

00:09:39,896 --> 00:09:43,191

- I don't think so.

- We just wanted to

wish you good luck today.

110

00:09:43,275 --> 00:09:46,653

Hey. Hey, hey, hey, hey.

Come on, get lost, you two.

You're making him lose his focus.

111

00:09:46,737 --> 00:09:49,031

- Oh. Sorry.

- See you later, fellas.

112

00:09:49,114 --> 00:09:51,325

- Go get 'em, Mr Sullivan.

- Quiet!

113

00:09:51,408 --> 00:09:56,121

- You're making him lose his focus.

- Oh, no. Sorry!

- Shut up!

114

00:09:56,204 --> 00:10:00,000

Monsters, Inc. Please hold.

Monsters, Inc. I'll connect you.

115

00:10:00,083 --> 00:10:03,045

Ms Fearmonger is on vacation.

Would you like her voice mail?

116

00:10:03,128 --> 00:10:05,505

Oh, Schmoopsie-poo!

117

00:10:05,589 --> 00:10:07,424

Googley Bear!

118

00:10:07,507 --> 00:10:11,511

- Happy birthday.

- Oh, Googley-woogley, you remembered!

119

00:10:11,595 --> 00:10:15,849

- Hey, Sulley-wulley.

- Oh, hey, Celia-weelia.

120

00:10:15,932 --> 00:10:18,143

- Happy birthday.

- Thanks.

121

00:10:18,226 --> 00:10:21,271

So, uh, are we going

anywhere special tonight?

122

00:10:21,355 --> 00:10:26,193

I-I just got us into a little place
called, um, Harryhausen's.

123

00:10:26,276 --> 00:10:30,322

Harryhausen's? But it's impossible
to get a reservation there.

124

00:10:30,405 --> 00:10:34,660

Not for Googley Bear. I will see you
at quittin' time and not a minute later.

125

00:10:34,743 --> 00:10:37,704

- Okay, sweetheart.

- Think romantical thoughts.

126

00:10:37,788 --> 00:10:39,790

<i>You and me</i>

127

00:10:39,873 --> 00:10:43,627

<i>Me and you

Both of us together</i>

128

00:10:43,794 --> 00:10:48,465

- You know, pal, she's the one.

That's it. She is the one.

- I'm happy for you.

129

00:10:48,548 --> 00:10:51,176

Oh, and, uh, thanks for hooking me up
with those reservations.

130

00:10:51,259 --> 00:10:54,012

Oh, no problem.

They're under the name "Googley Bear."

131

00:10:54,096 --> 00:10:57,307

Oh, good ide...

You know, that wasn't very funny.

132

00:11:00,769 --> 00:11:02,980

- What the...

- Wazowski!

133

00:11:05,190 --> 00:11:09,361

What do you know? It scares
little kids and little monsters.

134

00:11:09,444 --> 00:11:15,492

- I wasn't scared. I have allergies.

- Uh-huh, sure.

- Hey, Randall.

135

00:11:15,575 --> 00:11:19,079

- Save it for the scare floor, will you?

- I'm in the zone today, Sullivan.

136

00:11:19,162 --> 00:11:23,083

Gonna be doing some serious scaring,
putting up some big numbers.

137

00:11:23,166 --> 00:11:27,713

Wow, Randall. That's great. That
should make it even more humiliating
when we break the record first.

138

00:11:30,007 --> 00:11:34,136

Do you hear that?
It's the winds of change.

139

00:11:36,471 --> 00:11:39,641

"You hear it? You hear
the winds of ch..." What a creep.

140

00:11:39,725 --> 00:11:44,605

One of these days I am really
gonna let you teach that guy a lesson.

141

00:11:51,445 --> 00:11:53,780

Chalooby baby.

142

00:11:55,407 --> 00:11:58,535

Good morning, Roz,
my succulent little garden snail.

143

00:11:58,619 --> 00:12:01,997

- And who would we be scaring today?
- Wazowski.

144

00:12:02,080 --> 00:12:04,625

You didn't file
your paperwork last night.

145

00:12:04,708 --> 00:12:09,921

Oh, that darn paperwork. Wouldn't
it be easier if it all just blew away?

146

00:12:11,048 --> 00:12:13,967

Don't let it happen again.

147

00:12:14,051 --> 00:12:17,471

Yes, well, I'll, uh,

I'll try to be less careless.

148

00:12:17,554 --> 00:12:19,890

I'm watching you, Wazowski.

149

00:12:19,973 --> 00:12:21,975

Always watching.

150

00:12:22,059 --> 00:12:25,103

- Ooh, she's nuts.

- Always!

151

00:12:25,187 --> 00:12:27,940

<i>All scare floors are now active.</i>

152

00:12:28,023 --> 00:12:31,068

<i>Assistants,

please report to your stations.</i>

153

00:13:17,572 --> 00:13:20,867

Okay, people,

Eastern Seaboard coming on-line.

154

00:13:20,951 --> 00:13:22,869

We got scarers coming out!

155

00:13:36,842 --> 00:13:39,720

Ooh, they're so awesome!

156

00:14:26,642 --> 00:14:29,394

Hey, may the best monster win.

157

00:14:29,478 --> 00:14:31,480

I plan to.

158

00:14:31,563 --> 00:14:35,025

We are on in seven, six...

159

00:14:35,108 --> 00:14:39,446

five, four, three, two...

160

00:14:45,077 --> 00:14:48,538

You're the boss. You're the boss.

You're the big, hairy boss.

161

00:14:56,588 --> 00:15:00,509

Oh, I'm feelin' good today, Mikey!

Yeah!

162

00:15:00,592 --> 00:15:04,888

Oh! That-a-boy, that-a-boy.

Another door comin' right up.

163

00:15:11,728 --> 00:15:15,148

You're still behind, Randall.

You know, maybe I should realign
the scream intake valve...

164

00:15:15,232 --> 00:15:17,442

- Just get me another door!

- A door! Yes! Door!

165

00:15:43,343 --> 00:15:45,721

Well, Jerry,

what's the damage so far?

166

00:15:45,804 --> 00:15:48,307

We may actually make

our quota today, sir.

167

00:15:48,390 --> 00:15:50,934

First time in a month.

168

00:15:58,400 --> 00:16:00,652

- What happened?

- The kid almost touched me.

169

00:16:00,736 --> 00:16:04,906

- She got this close to me.

- She wasn't scared of you?

She was only six!

170

00:16:04,990 --> 00:16:08,577

I could have been dead!

I could have died!

171

00:16:08,660 --> 00:16:11,079

Keep it together, man.

172

00:16:11,163 --> 00:16:13,707

Hey, we got a dead door over here!

173

00:16:13,790 --> 00:16:16,251

- We're coming! Look out!

- Coming! Back away!

174

00:16:16,335 --> 00:16:18,337

Excuse us!

175

00:16:20,922 --> 00:16:23,425

We've lost 58 doors this week, sir.

176

00:16:23,508 --> 00:16:28,472

Oh, kids these days. They just
don't get scared like they used to.

177

00:16:28,555 --> 00:16:30,557

Let 'er rip!

178

00:16:41,652 --> 00:16:43,779

- Sir?

- What?

179

00:16:43,862 --> 00:16:46,490

Look.

180

00:16:46,573 --> 00:16:51,119

<i>Attention. We have a new scare leader...

Randall Boggs.</i>

181

00:16:52,454 --> 00:16:54,498

Look at those numbers!

182

00:16:59,878 --> 00:17:02,756

Slumber party.

183

00:17:04,549 --> 00:17:07,844

<i>- Never mind.

- Hey, watch it!</i>

184

00:17:10,472 --> 00:17:13,600

Well, James,

that was an impressive display.

185

00:17:13,684 --> 00:17:16,061

Oh, just doing my job,

Mr Waternoose.

186

00:17:16,144 --> 00:17:19,189

Of course, I did learn
from the best.

187

00:17:19,273 --> 00:17:22,067

If I don't see a new door
at my station in five seconds...

188

00:17:22,150 --> 00:17:25,821

I will personally
put you through the shredder!

189

00:17:26,363 --> 00:17:30,284

Hey, Wazowski, nice job.
Those numbers are pretty sweet.

190

00:17:30,367 --> 00:17:33,036

Are they? You know,
I hadn't even noticed.

191

00:17:33,120 --> 00:17:35,789

- And, uh, how is Georgie doin'?

- He's doing great.

192

00:17:35,872 --> 00:17:38,125

I love working

with that big guy.

193

00:17:38,208 --> 00:17:40,377

Keep the doors comin', Charlie.

I'm on a roll today.

194

00:17:40,460 --> 00:17:43,088

George and I are like brothers...

195

00:17:43,171 --> 00:17:46,008

23-19! We have a 23-19!

196

00:17:51,263 --> 00:17:55,517

<i>Red alert! Red alert! Red alert!

Red alert! Red alert!</i>

197

00:17:55,600 --> 00:17:58,937

<i>George Sanderson,

please remain motionless.</i>

198

00:17:59,021 --> 00:18:01,440

<i>- Prepare for decontamination.

- Get it off! Get it off!</i>

199

00:18:01,523 --> 00:18:03,775

Duck and cover, people!

200

00:18:05,902 --> 00:18:09,406

Oh, not the CD A!

201

00:18:16,496 --> 00:18:19,124

- Move! Move! Move!

- Coming through, please. Step aside.

202

00:18:19,207 --> 00:18:21,460

Clear the contaminated area.

203

00:18:21,543 --> 00:18:25,464

- We have a 23-19 in progress.

- Keep the area clear.

- Coming through. Watch your step.

204

00:18:29,635 --> 00:18:32,054

Stand back. Careful.

205

00:18:47,694 --> 00:18:51,114

All clear. Situation is
niner-niner-zero. Ready for decon.

206

00:18:51,198 --> 00:18:53,492

Hey, thanks, guys.

That was a close one.

207

00:18:53,575 --> 00:18:55,577

Okay.

208

00:19:05,087 --> 00:19:07,381

Okay, people, take a break.

209

00:19:07,464 --> 00:19:09,925

We gotta shut down for a half hour
and reset the system.

210

00:19:10,008 --> 00:19:14,680

An entire scare floor out of commission.

What else can go wrong?

211

00:19:16,306 --> 00:19:18,433

Oh, what a day.

212

00:19:18,517 --> 00:19:22,521

We're just going through
a rough time, sir. Everyone knows
you're gonna get us through it.

213

00:19:22,604 --> 00:19:26,066

Tell that
to the board of directors.

214

00:19:26,149 --> 00:19:30,654

James, this company has been
in my family for three generations.

215

00:19:30,737 --> 00:19:33,949

I would do anything
to keep it from going under.

216

00:19:34,032 --> 00:19:36,451

- Well, so would I, sir.

- Well...

217

00:19:36,535 --> 00:19:40,455

- Say, I could use

your help with something.

- Anything, sir.

218

00:19:40,539 --> 00:19:45,669

You see, we've hired some new
scare recruits, and, frankly,
they're... they're, um, uh...

219

00:19:45,752 --> 00:19:48,797

- Inexperienced?

- Oh, they stink!

220

00:19:48,880 --> 00:19:53,218

I thought maybe

you might come by tomorrow and,

uh, give them a demonstration...

221

00:19:53,302 --> 00:19:56,346

show them what it takes
to be our top scarer, huh?

222

00:19:56,430 --> 00:20:00,225

I'll start out with
the old Waternoose jump-and-growl.

223

00:20:02,019 --> 00:20:04,813

Oh, yes, now, that's my boy!

224

00:20:11,528 --> 00:20:16,283

Let's go, everybody. All doors
must be returned. No exceptions!

225

00:20:21,455 --> 00:20:23,749

- Oh, yeah.
- I've never seen anything
like you today.

226

00:20:23,832 --> 00:20:28,128

- You were on a roll, my man.
- Another day like this,
and that scare record's in the bag.

227

00:20:28,211 --> 00:20:31,632

That's right, baby.

228

00:20:33,925 --> 00:20:37,512

So get this. As if dinner
wasn't enough, I'm taking her to
a monster truck rally afterwards.

229

00:20:37,596 --> 00:20:39,598

- Nice.

- What's on your agenda?

230

00:20:39,681 --> 00:20:41,683

- I'm gonna head home
and work out some more.

- Again?

231

00:20:41,767 --> 00:20:44,186

You know, there's more to life
than scaring.

232

00:20:44,269 --> 00:20:46,271

Ooh.

Hey, can I borrow your odorant?

233

00:20:46,355 --> 00:20:50,734

Yeah, I got, uh, Smelly Garbage
or Old Dumpster.

234

00:20:50,817 --> 00:20:53,320

- You got, uh, Low Tide?

- No.

- How about Wet Dog?

235

00:20:53,403 --> 00:20:55,405

Yep. Stink it up.

236

00:20:57,658 --> 00:21:00,702

You know, I am so romantic sometimes

I think I should just marry myself.

237

00:21:00,786 --> 00:21:03,872

- Give me a break, Mike.

- What a night of romance

I got ahead of me.

238

00:21:03,956 --> 00:21:07,584

Tonight is about me and Celia.

239

00:21:07,668 --> 00:21:11,588

Ooh, the love boat

is about to set sail.

240

00:21:11,672 --> 00:21:15,592

'Cause I gotta tell you,

buddy, that face of hers,

it just makes my heart go...

241

00:21:15,676 --> 00:21:17,678

Hello, Wazowski.

242

00:21:17,761 --> 00:21:21,223

- Fun-filled evening planned for tonight?

- Well, as a matter of fact...

243

00:21:21,306 --> 00:21:26,311

Then I'm sure you filed

your paperwork correctly for once.

244

00:21:27,688 --> 00:21:30,857

Your stunned silence
is very reassuring.

245

00:21:30,941 --> 00:21:33,360

Oh, no, my scare reports.
I left them on my desk.

246

00:21:33,443 --> 00:21:37,155

And if I'm not at the restaurant
in five minutes, they're gonna give
our table away. What am I gonna tell...

247

00:21:37,239 --> 00:21:40,075

- Schmoopsie-poo.
- Hey, Googley Bear. Want to get going?

248

00:21:40,158 --> 00:21:42,411

- Uh, do I ever. It's just that...
- What?

249

00:21:42,494 --> 00:21:44,913

- You know, it... There's a small...

- I don't understand.

250

00:21:44,997 --> 00:21:47,916

- It's just that...

- I-It's just that I forgot about
some paperwork I was supposed to file.

251

00:21:48,000 --> 00:21:51,086

Mike was reminding me.

Thanks, buddy.

252

00:21:51,169 --> 00:21:53,213

I was? I mean, I was.

Yeah. I was.

253

00:21:53,297 --> 00:21:55,590

- Oh. Okay. Let's go, then.

- We're going.

254

00:21:55,674 --> 00:21:58,927

On my desk, Sulley.

The pink copies go to Accounting,
the fuchsia ones go to Purchasing...

255

00:21:59,011 --> 00:22:01,471

and the goldenrod ones go to Roz.

256

00:22:01,555 --> 00:22:03,765

Leave the puce.

257

00:22:05,684 --> 00:22:08,604

Pink copies go to Accounting,
the fuchsia ones go to Roz.

258

00:22:08,687 --> 00:22:12,941

No, the fuchsia ones go to Purchasing,
the goldenrod ones go to Roz...

259

00:22:13,025 --> 00:22:15,527

Man, I have no idea what puce is.

260

00:22:18,572 --> 00:22:20,574

Oh, that's puce.

261

00:22:24,286 --> 00:22:29,333

Uh, hello! Anyone?

262

00:22:29,416 --> 00:22:32,794

There's a door here.

263

00:22:51,355 --> 00:22:53,357

Hello. Hey.

264

00:22:53,440 --> 00:22:56,693

Psst. Anybody scaring in here?

265

00:22:56,777 --> 00:22:59,196

Hello. Yo.

266

00:24:50,682 --> 00:24:52,976

Kitty!

267

00:24:53,060 --> 00:24:55,812

No, no, stay back!

268

00:25:57,332 --> 00:25:59,334

Hold it, hold it.

269

00:26:08,552 --> 00:26:12,639

Oh, Michael, I've had a lot of birthda...

Well, not a lot of birthdays.

270

00:26:12,723 --> 00:26:16,184

But this is the best birthday ever.

271

00:26:16,268 --> 00:26:18,395

What are you looking at?

272

00:26:18,478 --> 00:26:22,649

Oh, I was just thinking about
the first time I laid eye on you,
how pretty you looked.

273

00:26:22,733 --> 00:26:25,360

- Stop it.

- Your hair was shorter then.

274

00:26:25,444 --> 00:26:29,948

- I'm thinking about getting it cut.

- No, no, I-I like it this length.

275

00:26:30,032 --> 00:26:32,034

I like everything about you.

276

00:26:32,117 --> 00:26:35,996

Just the other day, someone asked me
who I thought the most beautiful
monster was in all of Monstropolis.

277

00:26:36,079 --> 00:26:39,374

- Do you know what I said?

- What did you say?

- I said...

278

00:26:40,500 --> 00:26:42,961

- Sulley?

- Sulley?

- No! No, no.

279

00:26:43,045 --> 00:26:45,380

- That's not what I

was gonna say! I mean...

- Mike, you're not making sense.

280

00:26:45,464 --> 00:26:47,633

- Sure, he's handsome,

I mean, for like a big, rugged...

- Hi, guys.

281

00:26:47,716 --> 00:26:49,926

What a coincidence

running into you here. Uh...

282

00:26:50,010 --> 00:26:52,346

- I'm just gonna order something to go.

- Michael.

- Sulley.

283

00:26:52,429 --> 00:26:55,265

- Uh, I wonder what's good here.

- Get out of here.

You're ruining everything.

284

00:26:55,349 --> 00:26:58,602

- I went back to get your paperwork,
and there was a door.

- What?

285

00:27:01,730 --> 00:27:03,732

- A door?

- Randall was in it.

286

00:27:03,815 --> 00:27:07,027

Wait a minute. Randall? That cheater.

He's trying to boost his numbers.

287

00:27:07,110 --> 00:27:09,112

- There's something else.

- What?

288

00:27:11,198 --> 00:27:14,034

- What?

- Look in the bag.

289

00:27:14,117 --> 00:27:16,286

What bag?

290

00:27:23,293 --> 00:27:26,046

- They don't have anything I like here!

So take care, Celia!

- Excuse me, sir.

291

00:27:26,129 --> 00:27:30,258

- Michael, what's going on?

- Celia, please try to understand.

292

00:27:30,342 --> 00:27:32,928

- I have to do something!

- Michael!

293

00:27:33,011 --> 00:27:36,807

- Oh, that's good.

- On three. One, two...

294

00:27:38,809 --> 00:27:40,894

- A kid!

- Boo!

295

00:27:45,440 --> 00:27:48,735

A kid!

296

00:27:48,819 --> 00:27:52,281

There's a kid here!

A human kid!

297

00:27:54,741 --> 00:27:56,743

Googley Bear!

298

00:28:02,833 --> 00:28:05,669

Come on!

299

00:28:08,130 --> 00:28:10,132

Let's get outta here!

300

00:28:10,215 --> 00:28:12,759

Please remain calm.

This is not a drill.

301

00:28:15,721 --> 00:28:18,390

78-35 in progress.

Please advise.

302

00:28:18,473 --> 00:28:22,019

- Michael? Michael!

- Celia!

- Please come with me.

303

00:28:22,102 --> 00:28:24,813

- Stop pushing.

- Hey, get your hands

off my Schmoopsie-poo!

304

00:28:24,896 --> 00:28:27,941

Building clear.

Ready for decontamination.

305

00:28:28,025 --> 00:28:31,069

Well, I don't think that date

could've gone any worse.

306

00:28:37,242 --> 00:28:41,121

<i>If witnesses are to be believed, there
has been a child security breach...</i>

307

00:28:41,204 --> 00:28:43,206

<i>for the first time
in monster history.</i>

308

00:28:43,290 --> 00:28:47,002

<i>We can neither confirm nor deny the
presence of a human child here tonight.</i>

309

00:28:47,085 --> 00:28:51,214

<i>Well, a kid flew right over me
and blasted a car with its laser vision.</i>

310

00:28:51,298 --> 00:28:55,802

<i>I tried to run from it,
but it picked me up with its mind
powers and shook me like a doll.</i>

311

00:28:55,886 --> 00:28:58,096

<i>It's true!
I saw the whole thing!</i>

312

00:28:58,180 --> 00:29:00,599

<i>It is my professional opinion...</i>

313

00:29:00,682 --> 00:29:04,061

<i>that now is the time to panic.</i>

314

00:29:07,856 --> 00:29:09,858

Oh, it's coming! It's coming!

315

00:29:11,109 --> 00:29:13,028

Boo!

316

00:29:20,827 --> 00:29:22,829

Come here, kid!

317

00:29:24,873 --> 00:29:27,292

No, don't touch those,
you little...

318

00:29:27,376 --> 00:29:30,212

Now, those were alphabetized.
It's okay. It's all right.

319

00:29:30,295 --> 00:29:33,423

As long as it doesn't come near us,
we're gonna be okay.

320

00:29:42,849 --> 00:29:45,852

Oh, y-you like this? Fetch!

321

00:29:47,604 --> 00:29:50,649

Hey, hey, that's it!

No one touches little Mikey.

322

00:29:52,943 --> 00:29:54,903

Mike, give her the bear.

323

00:29:56,613 --> 00:29:59,449

Oh, no.

324

00:30:12,629 --> 00:30:14,548

Make it stop, Sulley!

Make it stop!

325

00:30:14,631 --> 00:30:18,010

Here, look. Here, see the bear?

Here. Ooh, nice bear.

326

00:30:18,093 --> 00:30:20,345

Sulley!

327

00:30:20,429 --> 00:30:23,307

Ooh, bear! Ooh!

Ooh, he's a happy bear!

328

00:30:23,390 --> 00:30:27,519

And he's not crying, and neither
should you, or we'll be in trouble
'cause they're gonna find us.

329

00:30:27,603 --> 00:30:30,272

So please stop crying right now.

330

00:30:30,355 --> 00:30:34,192

- Good. Good, Sulley.

Keep it up. You're doing great.

- I'm a happy bear, yeah.

331

00:30:35,986 --> 00:30:38,739

- Oh, she touched me! It touched me!

- Sulley, the bear!

332

00:30:38,822 --> 00:30:40,907

The bear! Give me the...

333

00:30:51,501 --> 00:30:53,545

What was that?

334

00:30:53,629 --> 00:30:58,675

I have no idea, but it would be
really great if it didn't do it again.

335

00:31:19,237 --> 00:31:21,990

How could I do this?

How could I be so stupid?

336

00:31:22,074 --> 00:31:25,744

- This could destroy the company.

- The company?

Who cares about the company?

337

00:31:25,827 --> 00:31:28,705

What about us?

That thing is a killing machine!

338

00:31:30,332 --> 00:31:33,710

I bet it's just waiting for us
to fall asleep, and then wham!

339

00:31:33,794 --> 00:31:37,839

Oh, we're easy prey, my friend.
Easy prey. We're sitting targets.

340

00:31:37,923 --> 00:31:40,050

Okay, look,
I think I have a plan here.

341

00:31:40,133 --> 00:31:43,303

Using mainly spoons,
we dig a tunnel under the city...

342

00:31:43,387 --> 00:31:45,889

and release it into the wild.

343

00:31:45,973 --> 00:31:47,975

Spoons.

344

00:31:48,058 --> 00:31:50,644

That's it. I'm out of ideas.
We're closed.

345

00:31:50,727 --> 00:31:53,063

Hot air balloon? Too expensive.

Giant slingshot? Too conspicuous.

346

00:31:53,146 --> 00:31:55,857

Enormous wooden horse? Too Greek.

347

00:31:58,026 --> 00:32:03,532

No plan. I can't think.

Can't think. Flatlining.

348

00:32:03,615 --> 00:32:07,327

- Flatlining.

- Uh, Mike, I think she's getting tired.

349

00:32:07,411 --> 00:32:11,206

Well, then why don't you find
someplace for it to sleep...

350

00:32:11,290 --> 00:32:14,543

while I think of a plan!

351

00:32:15,669 --> 00:32:19,506

Are you sleepy? You want to sleep?

Is that what you want?

352

00:32:34,104 --> 00:32:37,149

Okay. All right. I'm making
a nice little area for you to...

353

00:32:37,232 --> 00:32:40,444

No. Hey, hey. That's my bed.
You're gonna get your germs all over it.

354

00:32:43,530 --> 00:32:46,033

Fine. My chair's
more comfortable anyway.

355

00:32:47,576 --> 00:32:49,828

What?

356

00:32:51,580 --> 00:32:53,665

It's just a closet.
Will you go to sleep?

357

00:32:57,502 --> 00:33:00,130

Hey, that looks like Randall.

358

00:33:00,213 --> 00:33:02,633

Randall's your monster.

359

00:33:02,716 --> 00:33:05,344

You think he's gonna come
through the closet and scare you.

360

00:33:05,427 --> 00:33:09,056

Oh, boy. How do I explain this?
Uh, it's empty.

361

00:33:09,139 --> 00:33:12,309

See?

No monster in here.

362

00:33:16,021 --> 00:33:20,067

Well, now there is, but, uh,
I-I'm not gonna scare you.

363

00:33:20,150 --> 00:33:22,361

I'm off duty.

364

00:33:25,364 --> 00:33:31,119

Okay. How about I sit here
until you fall asleep?

365

00:33:33,205 --> 00:33:36,875

Go ahead. Uh, go to sleep. Now.

366

00:33:36,959 --> 00:33:39,252

Now. Go.

367

00:33:39,336 --> 00:33:42,714

Uh, you go...

368

00:33:42,798 --> 00:33:44,800

to sleep.

369

00:34:18,250 --> 00:34:21,920

Hey, Mike, this might sound crazy,
but I don't think that kid's dangerous.

370

00:34:22,004 --> 00:34:24,965

Really?

Well, in that case let's keep it.

371

00:34:25,048 --> 00:34:27,676

- I always wanted a pet
that could kill me!
- Now, look.

372

00:34:27,759 --> 00:34:30,012

- What if we just
put her back in her door?
- What?

373

00:34:30,095 --> 00:34:33,140

Mike, think about it. If we send her
back, it's like it never happened.

374

00:34:33,223 --> 00:34:37,936

- Everything goes back to normal.
- Is that a joke? Tell me you're joking.

375

00:34:38,020 --> 00:34:40,230

Sulley, I'd like to think
that given the circumstances...

376

00:34:40,314 --> 00:34:43,692

I've been extremely forgiving up to now,
but that is a horrible idea.

377

00:34:43,775 --> 00:34:47,321

What are we gonna do, march
right out into public with that thing?

378

00:34:47,404 --> 00:34:49,906

Then we just waltz right up
to the factory, right?

379

00:34:51,116 --> 00:34:54,745

I can't believe we are waltzing
right up to the factory.

380

00:34:54,828 --> 00:34:59,041

Sulley, a mop, a couple of lights
and some chair fabric
are not gonna fool anyone.

381

00:34:59,124 --> 00:35:02,794

Just think about a few names,
will ya? Loch Ness, Bigfoot,

the Abominable Snowman.

382

00:35:02,878 --> 00:35:05,505

They all got one thing
in common, pal: Banishment.

383

00:35:05,589 --> 00:35:08,258

- We could be next!
- Don't panic. We can do this.

384

00:35:08,342 --> 00:35:10,469

- Hey, how you doin', Frank?
- Hey, guys.

385

00:35:10,552 --> 00:35:13,722

Everything's going to be okay.

386

00:35:17,684 --> 00:35:20,812

- Number One wants
this place dusted for prints.
- Careful with that.

387

00:35:20,896 --> 00:35:24,441

- I got a good view from here.
- A little lower.

388

00:35:24,524 --> 00:35:26,568

This was recovered at the scene.

389

00:35:26,652 --> 00:35:28,654

- Don't panic. Don't panic.
- Don't tell me not to panic.

390

00:35:28,737 --> 00:35:31,657

- Just keep it together. Stay cool.
- Everything is not okay. It's not okay.
- Boo!

391

00:35:31,740 --> 00:35:35,077

- Could be contaminated.
- Gentlemen, safety is
our number-one concern.

392

00:35:35,160 --> 00:35:38,163

- Now, if there's anything that...
- Boo.
- No, not now, not now, and...

393

00:35:38,246 --> 00:35:41,541

Oh, hello, little one.

Where did you come from?

394

00:35:41,625 --> 00:35:44,211

- Mr Waternoose!

- Ah, James, is this one yours?

395

00:35:44,294 --> 00:35:48,215

Uh, actually, that's my, uh,
cousin's sister's, uh, daughter, sir.

396

00:35:48,298 --> 00:35:52,177

Yeah, it's, uh, it's, uh,

Bring An Obscure Relative To Work Day.

397

00:35:52,261 --> 00:35:54,263

Must've missed the memo.

398

00:35:54,346 --> 00:35:58,141

Well, listen, James, why don't you stop
by the simulator after lunch today...

399

00:35:58,225 --> 00:36:01,270

and give us that scare demonstration
we talked about, huh?

400

00:36:01,353 --> 00:36:03,814

- Yeah...

Oh! Oh, sir, uh, today might be...

- Excuse me, Mr Waternoose.

401

00:36:03,897 --> 00:36:07,818

Yes, yes, I'm coming. All right, then.

I'll see you this afternoon, James.

402

00:36:07,901 --> 00:36:10,946

That is, if these gentlemen
haven't shut us down.

403

00:36:11,029 --> 00:36:14,658

- Oh, boy.

- Oh, a scare demo. Well, that is great.

Why am I the last to know?

404

00:36:14,741 --> 00:36:19,037

We can bring your cousin's sister's
daughter along. She'll be a big hit.

405

00:36:19,121 --> 00:36:21,832

Halt! Stop him!

406

00:36:21,915 --> 00:36:23,959

Hold him down.

407

00:36:27,379 --> 00:36:31,591

Come on. The coast is clear. Okay, all
we have to do is get rid of that thing.

408

00:36:31,675 --> 00:36:33,677

So wait here while
I get its card key.

409

00:36:33,760 --> 00:36:37,264

But she can't stay here.
This is the men's room.

410

00:36:37,347 --> 00:36:40,434

That is the weirdest thing you have
ever said. It's fine. It's okay.

411

00:36:40,517 --> 00:36:44,229

Look, it loves it here.

It's dancing with joy.

412

00:36:44,313 --> 00:36:46,315

I'll be right back

with its door key.

413

00:36:48,066 --> 00:36:51,987

That's a cute little dance you've got.

That almost looks like you gotta...

414

00:37:06,084 --> 00:37:09,254

Uh, are you done in there?

415

00:37:10,839 --> 00:37:12,841

Sorry. Sorry.

416

00:37:25,270 --> 00:37:29,858

Okay, you finished now, right?

Hello.

417

00:37:33,070 --> 00:37:35,822

Boo!

418

00:37:44,831 --> 00:37:47,501

Where did she go?

419

00:37:47,584 --> 00:37:49,586

Did she disappear?

420

00:37:49,670 --> 00:37:51,755

Did she turn invisible?

421

00:37:52,881 --> 00:37:55,092

I just have no idea.

422

00:37:56,551 --> 00:37:59,471

- Gotcha!

- Boo!

423

00:38:02,140 --> 00:38:04,017

Hey, you're good.

424

00:38:10,190 --> 00:38:13,235

Be relaxed, be relaxed,
be relaxed.

425

00:38:13,318 --> 00:38:16,780

Roz, my tender, oozing blossom,
you're looking fabulous today.

426

00:38:16,863 --> 00:38:20,242

Is that a new haircut? Come on, tell me.
It's a new haircut, isn't it?

427

00:38:20,325 --> 00:38:23,787

It's got to be a new haircut.
New make-up. You've had a lift, you've
had a tuck, you've had something.

428

00:38:23,870 --> 00:38:26,957

Something has been inserted
in your skin that makes you look like...

429

00:38:29,710 --> 00:38:33,672

Listen, I need a favour.

Randall was working late last night
out on the scare floor.

430

00:38:33,755 --> 00:38:36,216

I really need the key
for the door he was using.

431

00:38:36,300 --> 00:38:39,595

Well, isn't that nice?

432

00:38:39,678 --> 00:38:43,557

But guess what. You didn't turn in
your paperwork last night.

433

00:38:43,640 --> 00:38:47,603

- He didn't... I... No p-paperwork?

- This office is now closed.

434

00:38:51,231 --> 00:38:56,445

Ready or not, here I come.

I'm getting warmer. Any second now.

435

00:38:56,528 --> 00:38:59,072

Fee, fi, fo...

436

00:38:59,156 --> 00:39:02,451

- What are you doing?

- I-I'm-I'm looking for the kid.

437

00:39:02,534 --> 00:39:05,495

- You lost it?

- No, no. She was just, uh...

438

00:39:06,830 --> 00:39:09,291

Here she is...

Hey, what's the matter?

439

00:39:09,374 --> 00:39:14,630

- Look, I already told your buddies

I haven't seen anything.

- All right. Carry on.

440

00:39:25,557 --> 00:39:28,435

Randall, thank goodness!

What are we gonna do about the child?

441

00:39:28,518 --> 00:39:30,938

Will you... shh!

442

00:39:49,957 --> 00:39:53,585

The front page! It's on the front page.

The child, the one you were after!

443

00:39:53,669 --> 00:39:56,797

Will you be quiet? Don't you think

I'm aware of the situation?

444

00:39:56,880 --> 00:39:59,091

I was up all night trying to find it.

445

00:39:59,174 --> 00:40:04,930

I-I did a simple calculation, factoring

in the size of the sushi restaurant.

The child may have escaped!

446

00:40:05,013 --> 00:40:08,517

Yeah, well, until we know

for sure, we're gonna act like

nothing happened, understand?

447

00:40:08,600 --> 00:40:11,645

You just get the machine up and running.

I'll take care of the kid.

448

00:40:11,728 --> 00:40:15,399

And when I find whoever let it out,
they're dead!

449

00:40:16,984 --> 00:40:19,820

- Why are you still here?

Come on, go! Move! Now!

- Oh. Yes, go, go, go!

450

00:40:19,903 --> 00:40:22,364

Now, now, now, now!

I'm not here!

451

00:40:22,447 --> 00:40:24,449

They're gone.

452

00:40:28,578 --> 00:40:30,580

This is bad.

This is so very bad.

453

00:40:30,664 --> 00:40:33,375

- What were they

talking about, a machine?

- Who cares?

454

00:40:33,458 --> 00:40:36,837

Look, don't panic.

All we have to do is call

her door down and send her home.

455

00:40:36,920 --> 00:40:41,425

You're right. You're right.

We're just two regular Joes on our way
to work. We will blend right in.

456

00:40:41,508 --> 00:40:44,344

- Top of the mornin', fellas.

- Hey, what's shakin', bacon?

457

00:40:44,428 --> 00:40:46,638

Did you lose weight?

Or a limb?

458

00:40:46,722 --> 00:40:50,559

- You have her card key, right?

- Of course I have her card key.

I told you I'd get her card key.

459

00:40:50,642 --> 00:40:54,104

I went and got her card key,

and now I have her card key.

460

00:40:55,230 --> 00:40:57,357

Okay, here we go.

461

00:40:57,441 --> 00:41:02,070

Take care of yourself.

Try not to run through any more closets.

462

00:41:04,656 --> 00:41:07,701

- Mike, that's not her door.

- What are you talking about?

Of course it's her door. It's her door.

463

00:41:07,784 --> 00:41:10,203

- No, her door was white.

- No.

- And it had flowers on it.

464

00:41:10,287 --> 00:41:14,583

No. It must have been dark last night,
because this is its door.

465

00:41:14,666 --> 00:41:18,795

Hey, you hear that? Sounds like fun
in there. Okay, send me a postcard, kid.

466

00:41:18,879 --> 00:41:24,551

That's Mike Wazowski, care of 22 "Mike
Wazowski, You Got Your Life Back" Lane.

467

00:41:24,635 --> 00:41:27,804

Very good. Now, bon voyage.

Bye-bye! Come on!

468

00:41:27,888 --> 00:41:31,642

Look at the stick. See the stick?

Go get the stick. Go fetch.

469

00:41:31,725 --> 00:41:35,020

- Mike, this isn't Boo's door.

- Boo? What's Boo?

470

00:41:35,103 --> 00:41:38,190

That's what I decided to call her.

Is there a problem?

471

00:41:38,273 --> 00:41:40,275

Sulley, you're not supposed to name it.

472

00:41:40,359 --> 00:41:42,945

Once you name it,

you start getting attached to it.

473

00:41:43,028 --> 00:41:47,449

Now, put that thing back

where it came from, or so help me...

474

00:41:50,160 --> 00:41:55,207

Oh, hey, we're rehearsing a-a scene for
the upcoming company play called, uh...

475

00:41:55,290 --> 00:41:57,751

<i>Put That Thing Back Where It Came From,
Or So Help Me.</i>

476

00:41:58,877 --> 00:42:02,839

<i>It's a musical. Yeah.

Put that thing back where it came from
or so help me</i>

477

00:42:02,923 --> 00:42:05,634

<i>So help me, so help me
And cut!</i>

478

00:42:05,717 --> 00:42:09,513

We're still working on it. It's a work
in progress, but, hey, we need ushers.

479

00:42:09,596 --> 00:42:12,140

Sulley, I've had enough.
Now say goodbye to...

480

00:42:12,224 --> 00:42:14,601

- Where'd it go? What'd you do with it?

- Where is she?

481

00:42:14,685 --> 00:42:16,687

- I don't believe it.

She got away from you again?

- Boo!

482

00:42:16,770 --> 00:42:19,231

Well, that is just... Wait a minute.

483

00:42:19,314 --> 00:42:24,236

The sun is coming up.

This is perfect. She's gone!

484

00:42:24,319 --> 00:42:26,530

Hey, hey, hey, hey!

Where you going? Sulley, please.

485

00:42:26,613 --> 00:42:29,032

Don't blow this, not when we're
so close to breaking the record!

486

00:42:29,116 --> 00:42:31,702

Come on,
somebody else will find the kid.
It'll be their problem, not ours.

487

00:42:31,785 --> 00:42:34,621

She's out of our hair!

488

00:42:34,705 --> 00:42:37,791

- What are you two doing?
- They're rehearsing a play.

489

00:42:37,874 --> 00:42:42,254

<i>- She's out of our hair
- Can it, Wazowski.</i>

490

00:42:42,337 --> 00:42:45,215

So what do you think of that kid getting
out, Sullivan? Pretty crazy, huh?

491

00:42:45,299 --> 00:42:47,134

Oh, yeah. Crazy.

492

00:42:47,217 --> 00:42:49,636

Word on the street is the kid's
been traced back to this factory.

493

00:42:49,720 --> 00:42:52,264

- You haven't seen anything, have you?

- Uh, well, uh...

494

00:42:52,347 --> 00:42:54,349

No. No way.

495

00:42:54,433 --> 00:42:58,353

But if it was an inside job,
uh, I-I'd put my money on Waxford.

496

00:42:58,437 --> 00:43:01,940

- Waxford?

- Yeah, the one on station six.

You know, he's got them shifty eyes.

497

00:43:02,024 --> 00:43:04,651

- Hey, Waxford!

- Sulley!

498

00:43:04,735 --> 00:43:07,863

Michael Wazowski!

499

00:43:09,114 --> 00:43:13,243

Last night was one of the worst nights
of my entire life, bar none.

500

00:43:15,454 --> 00:43:18,248

- I thought you cared about me.
- Honey, please, Schmoopsie.

501

00:43:18,332 --> 00:43:21,710

- I thought you liked sushi.
- Sushi? Sushi?

502

00:43:21,793 --> 00:43:25,380

- You think this is about sushi?
- Schmoopsie!

503

00:43:30,052 --> 00:43:34,264

- Wazowski!
- Michael! Mi... Men!

504

00:43:35,599 --> 00:43:38,685

Breathe. Keep breathing.

505

00:43:48,904 --> 00:43:51,990

- Where's the kid?

- Kid? What kid?

506

00:43:52,074 --> 00:43:55,410

- It's here in the factory, isn't it?

- You're not pinning this on me.

507

00:43:55,494 --> 00:43:58,080

It never would've gotten out

if you hadn't been cheating last night.

508

00:43:58,163 --> 00:44:00,165

Cheating?

509

00:44:00,248 --> 00:44:02,584

Cheating. Right.

510

00:44:02,668 --> 00:44:06,213

Okay, I think I know how
to make this all go away.

511

00:44:06,296 --> 00:44:10,092

What happens when the whistle blows
in five minutes?

512

00:44:10,175 --> 00:44:15,097

- Uh, I get a timeout?
- Everyone goes to lunch.

513

00:44:15,180 --> 00:44:18,892

Which means
the scare floor will be...

514

00:44:20,477 --> 00:44:22,479

- Painted?
- Empty!

515

00:44:22,562 --> 00:44:26,233

It'll be empty, you idiot!
You see that clock?

516

00:44:26,316 --> 00:44:30,612

When the big hand is pointing up
and the little hand is pointing up...

517

00:44:30,696 --> 00:44:33,240

the kid's door
will be in my station.

518

00:44:33,323 --> 00:44:36,535

But when the big hand points down...

519

00:44:36,618 --> 00:44:38,704

the door will be gone.

520

00:44:38,787 --> 00:44:43,000

You have until then to put the kid back.
Get the picture?

521

00:44:54,803 --> 00:44:57,306

Boo! No!

522

00:44:57,389 --> 00:45:00,642

- Hey, you! Halt! He's the one.

- Uh...

523

00:45:00,726 --> 00:45:03,228

- The one from the commercial.

- Affirmative. That's him.

524

00:45:03,312 --> 00:45:06,481

- Can we get an autograph?

- Ohh! Oh, sure. No problem.

525

00:45:06,565 --> 00:45:09,359

If you could make that out
to Stephanie, my daughter.

526

00:45:09,443 --> 00:45:14,197

Yes. Let's see.

From your scary friend, best wishes.

527

00:45:14,281 --> 00:45:18,535

So I said, "If you talk to me
like that again, we're through!"

528

00:45:18,619 --> 00:45:22,706

- What'd she say?

- You know my mom.

She sent me to my room.

529

00:45:22,789 --> 00:45:26,710

- See you guys later. Take it easy.

- Thanks a lot.

- Bottoms up.

530

00:45:42,851 --> 00:45:44,853

Boo!

531

00:45:49,024 --> 00:45:51,318

Hey.

532

00:45:51,401 --> 00:45:54,738

Oh! Well, hello there.

What's your name?

533

00:45:54,821 --> 00:45:56,615

Mike Wazowski!

534

00:46:35,529 --> 00:46:39,032

Sulley! Oh! Sulley.

535

00:46:40,158 --> 00:46:42,828

Okay, Sulley, come on, come on.

536

00:46:42,911 --> 00:46:45,747

- Hey, you guys seen Sulley anywhere?

- Nope. Sorry.

537

00:46:45,831 --> 00:46:49,626

- Oh, Sulley!

- Boy, Wazowski looks

like he's in trouble.

538

00:46:51,461 --> 00:46:54,298

- 23-19! We have a 23-19!

- Halt!

539

00:46:54,381 --> 00:46:57,384

- Oh, dear.

- Get him!

540

00:46:57,467 --> 00:47:00,345

Sulley! Sulley!

541

00:47:03,265 --> 00:47:05,559

Sulley! Oh! Great news, pal!

542

00:47:05,642 --> 00:47:09,938

I got us a way out of this mess,
but we gotta hurry. Where is it?

543

00:47:11,607 --> 00:47:16,111

Sull, that's a cube of garbage.

544

00:47:16,194 --> 00:47:19,406

I-I can still hear her little voice.

545

00:47:19,489 --> 00:47:21,950

- Mike Wazowski!

- Hey, I can hear her too.

546

00:47:22,034 --> 00:47:24,661

- Mike Wazowski!

- Mike Wazowski!

- How many kids you got in there?

547

00:47:24,745 --> 00:47:27,789

- Mike Wazowski!

- Mike Wazowski!

548

00:47:27,873 --> 00:47:29,875

- Kitty!

- Boo!

549

00:47:31,376 --> 00:47:35,339

Boo, are you all right?

I was so worried! I was...

550

00:47:35,422 --> 00:47:38,717

Don't you ever run away
from me again, young lady.

551

00:47:38,800 --> 00:47:41,470

Oh, but I'm so glad you're safe.

552

00:47:41,553 --> 00:47:45,349

Oh, my, what an affectionate father.

553

00:47:45,432 --> 00:47:47,768

Uh, actually, she's my, uh,
my cousin's sister's...

554

00:47:47,851 --> 00:47:50,938

- Okay, Sulley, that's enough. Let's go.
- Mike Wazowski!

555

00:47:51,021 --> 00:47:53,065

Yeah, yeah, yeah. Sure.
Step aside, kid. We're in a...

556

00:48:00,489 --> 00:48:04,868

- Will you stop making Boo laugh!
- I didn't! Come on!

557

00:48:07,579 --> 00:48:12,167

- I still don't understand.
You got Boo's door?
- I'll explain later. Run.

558

00:48:12,250 --> 00:48:16,088

Okay, let's move, let's move, let's

move. Come on. Oh, please be there,
please be there, please be there.

559

00:48:16,171 --> 00:48:21,593

- There it is, just like Randall said.

- Randall? Wait a minute. Whoa. Hey.

560

00:48:21,677 --> 00:48:23,679

1-2-3-4, get the kid

back through the door.

561

00:48:23,762 --> 00:48:26,598

- Hey. Hey.

- We're gonna get our lives back.

The nightmare is over!

562

00:48:26,682 --> 00:48:30,143

- Hey, it's okay, Boo.

- Hey, what's the matter?

Come on, it's time to move!

563

00:48:30,227 --> 00:48:33,188

Mike, what are you thinking?

We can't trust Randall. He's after Boo.

564

00:48:33,272 --> 00:48:37,276

- Who cares? Let's go.

This is a limited-time offer.

- No, no. I don't like this.

565

00:48:37,359 --> 00:48:40,821

Look, Sulley, you wanted her door,

and there it is. Now let's move.

566

00:48:41,947 --> 00:48:45,117

- No, Mike.

- You want me to prove
everything's on the up-and-up? Fine.

567

00:48:45,200 --> 00:48:47,244

- He wants the door, I get the door.

He don't want the door.

- Mike, wait.

568

00:48:47,327 --> 00:48:49,496

He's a paranoid, delusional fur ball.

569

00:48:51,748 --> 00:48:53,750

Mike!

570

00:49:51,475 --> 00:49:54,311

Hey, Sulley,

where you been all day?

571

00:49:54,394 --> 00:49:56,396

Sulley? Sulley?

572

00:50:10,827 --> 00:50:13,372

Huh? Mike.

573

00:50:13,455 --> 00:50:15,540

Mike.

574

00:50:15,624 --> 00:50:18,877

Where are you?

Are you in there?

575

00:50:18,961 --> 00:50:21,088

Where are you, buddy?

576

00:50:21,171 --> 00:50:23,590

Mike, where are you?

577

00:50:34,476 --> 00:50:37,104

Boo, way to go!

578

00:50:44,111 --> 00:50:46,613

It's okay.

579

00:51:03,589 --> 00:51:07,050

Oh, Randall, did you take care
of that situation?

580

00:51:07,134 --> 00:51:10,512

Yeah, of course I did. Let's get going.

We gotta make up for lost time.

581

00:51:10,596 --> 00:51:12,764

- You got the extra scream cans?

- Uh, right.

582

00:51:12,848 --> 00:51:17,019

- So to confirm, then, you did find the...

- Yes, I got the kid!

583

00:51:17,102 --> 00:51:19,688

Oh, huzzah! That's great news!

584

00:51:19,771 --> 00:51:23,025

- Not that I was concerned,

of course. I knew that...

- Just get over here and help me.

585

00:51:23,108 --> 00:51:26,862

Come on, come on, come on, come on.

While we're young here, Fungus.

586

00:51:29,948 --> 00:51:33,785

Kid needs to

take off a few pounds.

587

00:51:36,580 --> 00:51:39,750

Wazowski! Where is it,

you little one-eyed cretin?

588

00:51:39,833 --> 00:51:42,961

Okay, first of all, it's cretin.

If you're gonna threaten me,
do it properly.

589

00:51:43,045 --> 00:51:47,049

Second of all, you're nuts
if you think kidnapping me is gonna
help you cheat your way to the top.

590

00:51:49,760 --> 00:51:52,888

You still think this is about
that stupid scare record?

591

00:51:52,971 --> 00:51:56,975

Well, I did, right up until
you chuckled like that.

592

00:51:57,059 --> 00:52:00,312

And, uh, now I'm thinkin'
I should just get out of here.

593

00:52:00,395 --> 00:52:04,274

I am about to revolutionize

the scaring industry, and when I do...

594

00:52:04,358 --> 00:52:08,278

even the great James P. Sullivan
is gonna be working for me.

595

00:52:08,362 --> 00:52:11,490

Well, somebody's
certainly been a busy bee.

596

00:52:11,573 --> 00:52:14,785

First I need to know where the kid is,
and you're gonna tell me.

597

00:52:14,868 --> 00:52:16,870

- Yeah, I don't know anything.
- Uh-huh. Sure.

598

00:52:16,954 --> 00:52:19,581

I-I don't. I mean, I don't.

599

00:52:19,665 --> 00:52:22,918

Uh-oh. What's that? Wait.

600

00:52:23,001 --> 00:52:25,712

Come on, wait, wait, wait, wait.

Uh-oh. Uh-oh! Oh, come on.

601

00:52:25,796 --> 00:52:27,923

No, no, no, no, no, no, no.

Come on. Hey, hey, hey, hey!

602

00:52:28,006 --> 00:52:30,467

This thing is moving.

603

00:52:30,550 --> 00:52:34,096

I don't like big moving things
that are moving towards me.

604

00:52:34,179 --> 00:52:37,099

No, come on. Hey! Randall!

605

00:52:38,267 --> 00:52:41,103

Say hello

to the Scream Extractor.

606

00:52:41,186 --> 00:52:42,980

Hello.

607

00:52:43,063 --> 00:52:45,899

Come on. Where you going? We-We'll talk.

Come on, we'll have a latte.

608

00:52:45,983 --> 00:52:48,777

Come on! We can talk about this.

609

00:52:53,115 --> 00:52:57,035

What's that thing? What is that thing?

Wait, wait, wait. No, no, no!

610

00:52:57,119 --> 00:52:59,371

Oh! No, come on, guys!

611

00:53:00,998 --> 00:53:03,750

Help! Help! Help! Help!

612

00:53:10,340 --> 00:53:12,926

Oh, for...

What did you do wrong this time?

613

00:53:13,010 --> 00:53:16,597

- I-I don't know.

I calibrated the drive...

- Go check the machine!

614

00:53:16,680 --> 00:53:19,266

Th-There must be something wrong
with the scream intake valve.

615

00:53:19,349 --> 00:53:22,269

Yeah, th-that's the problem
with these 32-50 units, boss.

616

00:53:22,352 --> 00:53:25,063

See, the old intake valve
is always the first thing to go.

617

00:53:25,147 --> 00:53:28,400

I-I told them this.

618

00:53:39,494 --> 00:53:41,496

Psst. Fungus. Fungus.

619

00:53:41,580 --> 00:53:45,250

You like cars, huh?

'Cause I got a really nice car.

620

00:53:45,334 --> 00:53:49,713

You let me go,

I'll give you a ride in the car.

621

00:53:49,796 --> 00:53:52,090

- Please, Fungus?

- I'm sorry, Wazowski.

622

00:53:52,174 --> 00:53:56,219

But Randall said

I'm not allowed to fraternize

with victims of his evil plot.

623

00:54:08,690 --> 00:54:11,026

What happened?

Where's Wazowski?

624

00:54:14,488 --> 00:54:16,782

Where is he?

625

00:54:22,079 --> 00:54:24,790

- Come on.

- This is crazy. He's gonna kill us.

626

00:54:24,873 --> 00:54:28,585

- Careful with that.

Could be contaminated.

- We gotta get out of here now!

627

00:54:28,669 --> 00:54:30,879

We can start a whole new life
somewhere far away.

628

00:54:30,963 --> 00:54:34,132

Goodbye, Monsters, Inc.

Goodbye, Mr Waternoose.

629

00:54:34,216 --> 00:54:36,885

- No, Mike. Wait.

- Hey, what are you doin'?

630

00:54:36,969 --> 00:54:41,306

- Follow me. I have an idea.

- No. No, no. No, no, no, no, no, no.

631

00:54:41,473 --> 00:54:44,768

<i>- Simulation terminated.

Simulation terminated.

- No, no, no, no, no.</i>

632

00:54:44,851 --> 00:54:48,772

What was that? You're trying to
scare the kid, not lull it to sleep.

633

00:54:48,855 --> 00:54:54,152

I was going for a snake-slash-ninja
approach with a little hissing.

634

00:54:54,236 --> 00:54:56,530

Oh, how many times
do I have to tell you?

635

00:54:56,613 --> 00:55:00,951

It's all about presence,

about how you enter the room.

636

00:55:01,034 --> 00:55:04,037

- Mr Waternoose!

- James. Perfect timing.

637

00:55:04,121 --> 00:55:09,418

- No, no, no, sir, you don't understand.

- Ah, now, show these monsters

how it's done.

- What? No, no. I ca... I ca... Sir. Sir!

638

00:55:09,501 --> 00:55:11,545

- You have to listen to me.

- Pay attention, everyone.

639

00:55:11,628 --> 00:55:14,006

- You're about to see

the best in the business.

- Sir, I c...

640

00:55:14,089 --> 00:55:16,883

- Reset the simulator.

- But, but, sir...

641

00:55:16,967 --> 00:55:18,969

<i>- Good night, sweetheart.

- Good night, Mom.</i>

642

00:55:19,052 --> 00:55:20,470

<i>- Sleep tight, kiddo.

- Kitty!

- No, Boo. No, no!</i>

643

00:55:20,554 --> 00:55:24,683

- Now, give us a big, loud roar.

- Mr Waternoose,
there's no time for this.

644

00:55:24,766 --> 00:55:27,436

- Come on, come on.

What are you waiting for? Roar!

- B-B-But, sir...

645

00:55:27,519 --> 00:55:29,521

- Roar!

- Ohh.

646

00:55:39,781 --> 00:55:43,702

- Well done. Well done, James.

- Boo?

647

00:55:43,785 --> 00:55:48,624

- All right, gentlemen.

- Right this way, everyone.

- I hope you've learned
a valuable lesson in scaring today.

648

00:55:52,294 --> 00:55:54,463

Boo?

649

00:55:57,507 --> 00:55:59,676

Boo?

650

00:56:03,972 --> 00:56:06,099

Boo, it's me.

651

00:56:08,810 --> 00:56:12,856

- The child!

- Sir, she isn't toxic.

- What?

- I know it sounds crazy, but trust me.

652

00:56:12,940 --> 00:56:16,026

- Sulley...

- Boo? No, no, no, no, it's okay.

653

00:56:16,109 --> 00:56:18,403

I was just...

Oh, no, no, no, no, no, no, no.

654

00:56:18,487 --> 00:56:23,617

No, don't be scared.

That wasn't real. It's just a...

655

00:56:23,700 --> 00:56:25,911

I was just...

656

00:56:38,507 --> 00:56:42,636

- Boo.

- And he was gonna test it out
on that sweet little girl.

657

00:56:42,719 --> 00:56:45,305

- Boo?

- Now that we have her,
he is trying to kill us.

658

00:56:45,389 --> 00:56:47,391

- This whole thing is Randall's fault.

- Randall?

659

00:56:47,474 --> 00:56:50,686

Yes, and we can take you
to his secret lab which is
right here in this factory.

660

00:56:50,769 --> 00:56:55,691

How could this happen?

How could this happen?

661

00:56:55,774 --> 00:56:58,902

- Does anyone else know about this?

- No, sir.

662

00:56:58,986 --> 00:57:02,698

Good. This company can't afford
any more bad publicity.

663

00:57:03,699 --> 00:57:06,118

Now, before we do anything else...

664

00:57:06,201 --> 00:57:09,371

let's take care of the child.

665

00:57:13,500 --> 00:57:19,214

Oh, I never thought things would
come to this. Not in my factory.

666

00:57:19,298 --> 00:57:24,094

I'm sorry you boys got mixed up
in this, especially you, James.

667

00:57:24,177 --> 00:57:29,433

But now we can set everything straight
again for the good of the company.

668

00:57:32,894 --> 00:57:37,190

- Uh, sir, that's not her door.

- I know, I know.

669

00:57:40,193 --> 00:57:41,987

It's yours.

670

00:57:46,366 --> 00:57:47,951

No!

671

00:57:49,911 --> 00:57:52,331

Boo!

672

00:57:57,461 --> 00:58:01,632

No. No.

No, no, no, no, no!

673

00:58:03,133 --> 00:58:07,721

It's too late! We're banished, genius.

We're in the human world!

674

00:58:07,804 --> 00:58:11,183

Oh, what a great idea,
going to your old pal Waternoose.

675

00:58:11,266 --> 00:58:13,393

Too bad he was in
on the whole thing!

676

00:58:13,477 --> 00:58:17,230

All you had to do was listen to me,
just once!

677

00:58:17,314 --> 00:58:20,150

But you didn't, did you?

678

00:58:20,233 --> 00:58:22,903

You're still not listening!

679

00:58:29,701 --> 00:58:31,703

Take that!

680

00:58:36,416 --> 00:58:38,919

Welcome to the Himalayas!

681

00:58:42,297 --> 00:58:47,302

Abominable! Can you believe that?

Do I look abominable to you?

682

00:58:47,386 --> 00:58:53,058

Why can't they call me the Adorable
Snowman or, or the Agreeable Snowman,
for crying out loud?

683

00:58:53,141 --> 00:58:55,852

I'm a nice guy. Snow cone?

684

00:58:57,187 --> 00:58:59,606

No, no, no, don't worry.
It's lemon.

685

00:58:59,690 --> 00:59:03,777

Uh, how 'bout you, big fella?
Snow cone?

686

00:59:05,362 --> 00:59:08,907

Did you see the way
she looked at me?

687

00:59:10,409 --> 00:59:14,830

Ah, poor guy. I understand.
It ain't easy being banished.

688

00:59:14,913 --> 00:59:20,877

Uh, take my buddy Bigfoot.

When he was banished, he fashioned
an enormous diaper out of poison ivy.

689

00:59:20,961 --> 00:59:24,590

Wore it on his head like a tiara.

Called himself King Itchy.

690

00:59:24,673 --> 00:59:28,302

It won't be so hard for you guys though,
you know. I mean, how lucky can you get?

691

00:59:28,385 --> 00:59:31,722

- Banished with your best friend.

- He is not my friend.

692

00:59:31,805 --> 00:59:35,642

Oh. I-I just assumed you were buddies,
you know, when I saw you out there
in the snow hugging and all, I...

693

00:59:35,726 --> 00:59:40,022

Look at that big jerk. Ruined my life,
and for what? A stupid kid!

694

00:59:40,105 --> 00:59:43,692

Because of you, I am now stuck
in this frozen wasteland!

695

00:59:43,775 --> 00:59:47,237

Wasteland?
I think you mean wonderland.

696

00:59:47,321 --> 00:59:49,615

I mean, how about
all this fabulous snow, huh?

697

00:59:49,698 --> 00:59:53,952

Oh, and wait till you see the local
village. Cutest thing in the world.

698

00:59:54,036 --> 00:59:56,330

I haven't even mentioned
all the free yak's milk.

699

00:59:56,413 --> 00:59:58,915

- Wait. What did you say?

- Uh, yak's milk.

700

00:59:58,999 --> 01:00:01,126

Milking a yak

ain't exactly a picnic...

701

01:00:01,209 --> 01:00:03,587

but, you know, once you pick

the hairs out, it's very nutritious.

702

01:00:03,670 --> 01:00:06,006

No, no, something about a village.

Where? Are there kids in it?

703

01:00:06,089 --> 01:00:09,718

Kids? Sure. Tough kids, sissy kids,

kids who climb on rocks.

704

01:00:09,801 --> 01:00:11,970

- Where is it?

- Ah, hey, hey!

It's at the bottom of the mountain.

705

01:00:12,054 --> 01:00:14,973

- Around a three-day hike.

- Oh! Three days?

706

01:00:15,057 --> 01:00:18,393

We need to get there now!

707

01:00:27,194 --> 01:00:31,406

You want to go to the village?

Okay, rule number one out here.

708

01:00:31,490 --> 01:00:33,951

Always... No.

709

01:00:34,034 --> 01:00:36,036

Never go out in a blizzard.

710

01:00:36,119 --> 01:00:39,289

We need to get to Boo.

711

01:00:40,582 --> 01:00:43,460

Boo? What about us?

712

01:00:43,543 --> 01:00:46,546

Ever since that kid came in,
you've ignored everything I've said.

713

01:00:46,630 --> 01:00:49,049

And now look where we are!

714

01:00:49,132 --> 01:00:51,927

Oh, we were about to break
the record, Sulley.

715

01:00:52,010 --> 01:00:54,513

- We would have had it made.
- None of that matters now.

716

01:00:56,098 --> 01:00:58,558

None of it matters?
W-W-Wait a second.

717

01:00:58,642 --> 01:01:00,686

None of it matters?

718

01:01:03,021 --> 01:01:06,191

Okay, that's, uh... No. Good. Great.

719

01:01:06,275 --> 01:01:08,568

So now the truth comes out,
doesn't it?

720

01:01:10,279 --> 01:01:13,073

Oh, would you look at that?
We're out of snow cones.

721

01:01:13,156 --> 01:01:16,785

Uh, let me just go outside
and make some more.

722

01:01:18,161 --> 01:01:22,040

Sulley, what about everything
we ever worked for?

723

01:01:22,124 --> 01:01:24,585

Does that matter, huh?

724

01:01:24,668 --> 01:01:26,712

What about Celia?

725

01:01:26,795 --> 01:01:32,134

I am never... never gonna see her again.

Doesn't that matter?

726

01:01:37,723 --> 01:01:40,225

And what about me?

727

01:01:40,309 --> 01:01:43,687

I'm your pal.

I'm-I'm-I'm your best friend.

728

01:01:43,770 --> 01:01:46,231

Don't I matter?

729

01:01:48,483 --> 01:01:52,571

I'm sorry, Mike.

I'm sorry we're stuck out here.

730

01:01:52,654 --> 01:01:57,159

I didn't mean for this to happen.

But Boo's in trouble.

731

01:01:57,242 --> 01:02:00,245

I think there might be a way to save her

if we can just get down to that...

732

01:02:00,329 --> 01:02:03,081

We? Whoa, whoa, whoa. We?

733

01:02:03,165 --> 01:02:07,044

No, there's no "we" this time, pal.

734

01:02:07,127 --> 01:02:10,881

I-If-If-If you want to go out there

and freeze to death...

735

01:02:10,964 --> 01:02:13,425

you be my guest...

736

01:02:13,508 --> 01:02:16,345

because you're on your own.

737

01:02:52,631 --> 01:02:55,217

Hey, I got more snow cones!

738

01:03:42,222 --> 01:03:45,183

Oh, come on now, George.

I know you can do this.

739

01:03:45,267 --> 01:03:48,687

I picked out an easy door for you
in Nepal.

740

01:03:48,770 --> 01:03:50,772

Nice, quiet Nepal.

741

01:03:50,856 --> 01:03:53,734

You know, you're right.

Here, take this.

742

01:03:53,817 --> 01:03:57,237

- Go get 'em, Georgie!

- Gangway! Look out! Comin' through!

743

01:03:57,321 --> 01:04:00,991

- Sorry, George.

- What the...

- Hey, you can't just...

744

01:04:01,074 --> 01:04:03,493

Twenty-three-nine...

745

01:04:08,081 --> 01:04:10,667

- Out of the way!

- Hey!

746

01:04:10,751 --> 01:04:13,545

Help!

747

01:04:15,088 --> 01:04:18,050

Finally. I never should have
trusted you with this.

748

01:04:18,133 --> 01:04:20,802

Because of you,
I had to banish my top scarer.

749

01:04:20,886 --> 01:04:23,430

Ah, with this machine,
we won't need scarers.

750

01:04:23,513 --> 01:04:25,557

Besides, Sullivan got
what he deserved.

751

01:04:25,641 --> 01:04:28,602

Sullivan was twice the scarer
you will ever be.

752

01:04:42,741 --> 01:04:43,825

Kitty!

753

01:04:50,999 --> 01:04:53,835

- Kitty!
- Sullivan?

754

01:04:58,757 --> 01:05:01,218

- Kitty!
- Sorry, Boo.

755

01:05:01,301 --> 01:05:03,845

Stop him!

756

01:05:03,929 --> 01:05:06,348

Let's get you home.

757

01:05:09,142 --> 01:05:11,478

Finish him off!

758

01:05:17,985 --> 01:05:21,947

You don't know how long

I've wanted to do that, Sullivan!

759

01:05:34,334 --> 01:05:36,920

- Mike?

- Look, it's not that I don't

care about the kid.

760

01:05:37,004 --> 01:05:40,173

- Mike, you don't understand.

- Yes, I do. I was just mad, that's all.

761

01:05:40,257 --> 01:05:43,594

I needed some time to think. But
you shouldn't have left me out there.

762

01:05:45,387 --> 01:05:48,640

- I'm being attacked.
- No, I'm not attacking you.
I-I-I'm trying to be honest.

763

01:05:48,724 --> 01:05:51,310

Just hear me out.
Look, you and I are a team.

764

01:05:51,393 --> 01:05:53,729

Nothing is more important
than our friendship.

765

01:05:53,812 --> 01:05:55,814

I-I-I know, kid.
He-He's too sensitive.

766

01:05:58,400 --> 01:06:03,488

Come on, pal,
if you start crying I'm gonna cry

and I'll never get through this.

767

01:06:03,572 --> 01:06:06,908

I'm sorry I wasn't there for you,
but I am now.

768

01:06:06,992 --> 01:06:11,038

Hey, Sulley, I am baring my soul here.
The least you could do is pay attention.

769

01:06:15,417 --> 01:06:18,003

Hey, look at that.
It's Randall. It's...

770

01:06:18,086 --> 01:06:20,881

- Oh.
- Come on!

771

01:06:20,964 --> 01:06:25,052

- Get up! There can't be any witnesses.
- There won't be.

772

01:06:25,510 --> 01:06:30,182

- I'm glad you came back, Mike.
- Somebody's gotta take care you,
you big hair ball.

773

01:06:33,685 --> 01:06:36,021

- Schmoopsie-poo, I really can't talk.
- Come on!

774

01:06:36,104 --> 01:06:39,733

Michael, if you don't tell me what's
going on right now, we are through!

775

01:06:39,816 --> 01:06:42,027

- Do you hear me? Through!
- Okay, here's the truth.

776

01:06:42,110 --> 01:06:44,112

You know the kid that they're
looking for? Sulley let her in.

777

01:06:44,196 --> 01:06:46,531

We tried to send her back,
but Waternoose had this secret plot...

778

01:06:46,615 --> 01:06:48,992

and now Randall's right behind us,
and he's trying to kill us.

779

01:06:49,076 --> 01:06:52,329

You expect me to believe
that pack of lies, Mike Wazowski?

780

01:06:52,412 --> 01:06:53,705

Mike Wazowski!

781

01:06:55,082 --> 01:06:59,419

- I love you, Schmoopsie-poo!
- Will you move it? Hey! Look out.

782

01:06:59,503 --> 01:07:01,296

Idiot!

783

01:07:01,380 --> 01:07:04,174

- Look out.
Coming through here. Coming through.
- Excuse me. Sorry.
- Make way. Move it!

784

01:07:04,258 --> 01:07:07,135

Hurry up. Hurry up.

785

01:07:07,219 --> 01:07:09,930

<i>- There they are!

- Attention, employees.</i>

786

01:07:10,013 --> 01:07:13,767

<i>Randall Boggs has just broken
the all-time scare record.</i>

787

01:07:13,850 --> 01:07:17,604

Huh? No, I didn't.

Get out of my way! Let me go!

788

01:07:17,688 --> 01:07:20,816

Go get 'em, Googley Bear.

789

01:07:20,899 --> 01:07:24,653

- There it is!

- Get off my tail. Let me go!

790

01:07:28,573 --> 01:07:33,161

- Sulley, what are you doing?
- Grab on, Mike.
- Are you out of your mind?

791

01:07:42,963 --> 01:07:46,258

- Sulley, what are we doing?
- We have to get Boo's door
and find a station.

792

01:07:46,341 --> 01:07:49,845

What a plan.

Simple, yet insane!

793

01:08:02,649 --> 01:08:05,861

- Whoa.
- Oh, boy.
- Hold on!

794

01:08:14,202 --> 01:08:15,996

- Wow!
- Don't look down!

795

01:08:32,846 --> 01:08:35,933

I'm gonna be sick.

I'm gonna be sick.

796

01:08:38,477 --> 01:08:40,979

Oh, no!

797

01:08:43,857 --> 01:08:46,234

No!

798

01:08:46,318 --> 01:08:48,695

- Boo's door!

- There it is!

799

01:08:48,779 --> 01:08:51,323

How are we supposed

to get to it now?

800

01:08:54,326 --> 01:08:58,497

Oh, it's a dead end, Sulley.

There he is.

801

01:08:58,580 --> 01:09:00,874

- Make her laugh!

- What? Sulley!

- Just do it!

802

01:09:01,959 --> 01:09:03,794

Ow!

803

01:09:10,884 --> 01:09:13,095

- Get it open!

- Here he comes.

804

01:09:13,178 --> 01:09:15,264

Give me that kid!

805

01:09:19,768 --> 01:09:23,605

- Why couldn't we get banished here?

- Come on. We gotta find another door.

806

01:09:29,278 --> 01:09:31,029

Look! Boo's door!

807

01:09:35,617 --> 01:09:39,162

- There he is. Hurry up! Hurry up!

- Give me your hand.

808

01:09:45,002 --> 01:09:47,629

- Come on. It slides, it slides.

- Ooh, right, right, right.

809

01:09:51,675 --> 01:09:54,386

Jump! I'm right behind you.

810

01:09:58,473 --> 01:10:00,183

Come on!

811

01:10:01,852 --> 01:10:04,605

- Hurry up! Keep moving!

- Get inside!

812

01:10:05,939 --> 01:10:08,275

That was weird.

813

01:10:08,358 --> 01:10:10,485

Mike? Ooh, sorry, buddy.

814

01:10:19,328 --> 01:10:21,330

I hope that hurt, lizard boy.

815

01:10:26,460 --> 01:10:29,129

Great job, buddy.

We lost him.

816

01:10:29,212 --> 01:10:31,006

Boo!

817

01:10:34,509 --> 01:10:36,261

Nice workin' with ya!

818

01:10:36,345 --> 01:10:40,557

- Get it open!

- I'm trying!

- Open the door!

- Come on! Get in here!

819

01:10:50,567 --> 01:10:52,861

Boo!

820

01:10:55,072 --> 01:10:57,240

There they are!

821

01:11:00,494 --> 01:11:03,330

Sulley, what are you doing?

Sulley!

822

01:11:07,292 --> 01:11:10,212

- Looks like we caught the express, pal!

- Do you see 'em?

823

01:11:10,295 --> 01:11:12,089

Straight ahead!

824

01:11:35,529 --> 01:11:37,364

- Kitty!

- Boo!

825

01:11:43,870 --> 01:11:47,124

Look at everybody's

favourite scarer now!

826

01:11:47,207 --> 01:11:50,627

You stupid, pathetic waste!

827

01:11:53,463 --> 01:11:58,468

You've been number one for too long,
Sullivan. Now your time is up!

828

01:11:58,552 --> 01:12:03,098

And don't worry,
I'll take good care of the kid.

829

01:12:03,181 --> 01:12:05,767

No!

830

01:12:26,204 --> 01:12:29,416

She's not scared of you any more.

831

01:12:29,499 --> 01:12:32,961

Looks like you're out of a job.

832

01:12:33,045 --> 01:12:37,007

All right. Come on. Over the plate.
Let's see the old stuff here, pal. Come
on, now. Chuck 'im. Chuck 'im, baby.

833

01:12:37,090 --> 01:12:39,509

- Hey, please, don't! Don't!

- Hum, baby, hum, baby. Here's the pitch.

834

01:12:39,593 --> 01:12:42,888

And he is out of here!

835

01:12:42,971 --> 01:12:45,223

Mama, another gator

got in the house.

836

01:12:45,307 --> 01:12:48,852

Another gator?

Give me that shovel! Come here!

837

01:12:48,936 --> 01:12:51,730

Get it, Ma!

Get that gator!

838

01:12:52,856 --> 01:12:55,943

- Care to do the honours, Mikey?

- With pleasure.

839

01:13:05,827 --> 01:13:09,831

That's right, Boo.

You did it! You beat him.

840

01:13:09,915 --> 01:13:11,333

Come on.

841

01:13:14,044 --> 01:13:19,800

Okay, Boo, it's time to go home.

Take care of yourself

and be a good girl, okay?

842

01:13:19,883 --> 01:13:22,803

- Oh, no!

- The power's out. Make her laugh again.

843

01:13:22,886 --> 01:13:25,973

All right. I got a move here.

It'll bring down the house.

844

01:13:29,768 --> 01:13:35,274

- Oh, sorry. She didn't see that.

- What? What'd you do, forget to check

if her stupid hood was up? You big dope!

845

01:13:35,357 --> 01:13:38,485

Uncle Mike,

try not to yell in front of her.

846

01:13:38,568 --> 01:13:41,238

- You know we still need her to laugh.

- Right.

847

01:13:41,321 --> 01:13:44,074

Hey, Boo! Just kidding. Look!

848

01:13:44,157 --> 01:13:48,662

Funny, right, huh? See, with the...

These are the jokes, kid.

849

01:13:48,745 --> 01:13:52,124

- What's happening?

- Hold on!

850

01:13:52,791 --> 01:13:55,252

When the door lands in the station,

cut the power.

851

01:13:55,335 --> 01:14:00,966

You'll have the child and the criminals
responsible for this whole mess.

852

01:14:01,049 --> 01:14:04,803

Great. A welcoming committee.
What are we gonna do?

853

01:14:16,815 --> 01:14:21,445

This is the CD A. Come out slowly
with the child in plain sight.

854

01:14:21,528 --> 01:14:25,907

Okay. Okay. You got us.
Here we are. Here's the kid.

855

01:14:25,991 --> 01:14:30,203

I'm cooperating. But before you
take us away, I have one thing to say.

856

01:14:31,914 --> 01:14:33,874

- Catch!

- 23-19!

- 23-19!

857

01:14:33,957 --> 01:14:37,294

- We have a toxic projectile.

Isolate the contaminate.

- Halt!

858

01:14:37,377 --> 01:14:40,631

- After the suspect!

- Clear the area!

- Stop him!

859

01:14:43,425 --> 01:14:47,137

- Come on.

- Don't let them get away.

860

01:14:47,220 --> 01:14:51,683

What? Wait, wait! Come back!

He has the child!

861

01:14:56,271 --> 01:14:59,900

Sullivan? Sullivan!

Give me the child!

862

01:15:01,234 --> 01:15:03,278

Give her to me!

863

01:15:10,911 --> 01:15:15,332

Open this door! Open this door!

864

01:15:20,003 --> 01:15:24,049

Sullivan! Don't do it.

865

01:15:24,132 --> 01:15:27,970

- Come on.

- Don't go in that room!

866

01:15:30,681 --> 01:15:33,600

I think we stopped him, Boo.

You're safe now.

867

01:15:33,684 --> 01:15:36,728

You be a good girl, okay?

868

01:15:36,812 --> 01:15:39,106

This has gone far enough, James.

869

01:15:39,189 --> 01:15:41,817

- She's home now.

Just leave her alone.

- I can't do that!

870

01:15:41,900 --> 01:15:44,611

She's seen too much.

You both have.

871

01:15:44,695 --> 01:15:47,572

- It doesn't have to be this way.

- I have no choice!

872

01:15:47,656 --> 01:15:51,994

- Times have changed.

Scaring isn't enough any more.

- But kidnapping children?

873

01:15:52,077 --> 01:15:55,163

I'll kidnap a thousand children

before I let this company die!

874

01:15:55,247 --> 01:15:59,835

And I'll silence anyone
who gets in my way!

875

01:15:59,918 --> 01:16:02,629

<i>- No!

- Good night, Mom.

- Good night, sweetheart.</i>

876

01:16:02,713 --> 01:16:05,382

<i>- What? What? Wh-Wh-What is this?

- Good night, Mom. Good night, Mom.</i>

877

01:16:05,465 --> 01:16:08,927

<i>Simulation terminated.

Simulation terminated.</i>

878

01:16:09,011 --> 01:16:12,139

Well, I don't know
about the rest of you guys...

879

01:16:12,222 --> 01:16:14,099

but I spotted several
big mistakes.

880

01:16:14,182 --> 01:16:16,810

- But... But...

But h-how did... h-how did...

- You know what?

881

01:16:16,893 --> 01:16:19,688

Let's watch my favourite part
again, shall we?

882

01:16:19,771 --> 01:16:22,899

<i>I'll kidnap a thousand children
before I let this company die!</i>

883

01:16:22,983 --> 01:16:26,903

<i>- What? What?

- I'll kidnap a thousand children
before I let this company die!</i>

884

01:16:26,987 --> 01:16:30,324

<i>I'll kidnap a thousand children
before I let this company die!</i>

885

01:16:30,407 --> 01:16:32,743

- I'll get him.

All right, come with us.

- Wh-What are you doing?

886

01:16:32,826 --> 01:16:36,914

Take your hands off me. You can't arrest
me. I hope you're happy, Sullivan.

887

01:16:36,997 --> 01:16:40,500

You've destroyed this company.
Monsters, Incorporated is dead!

888

01:16:40,584 --> 01:16:43,211

Where will everyone
get their scream now?

889

01:16:43,295 --> 01:16:48,550

The energy crisis will only
get worse because of you!

890

01:16:52,179 --> 01:16:55,098

Stay where you are.

Number One wants to talk to you.

891

01:16:55,182 --> 01:16:56,975

Attention!

892

01:17:03,565 --> 01:17:06,401

- Hello, boys.

- Roz?

893

01:17:07,945 --> 01:17:12,324

Two and a half years of undercover work
were almost wasted...

894

01:17:12,407 --> 01:17:15,994

when you intercepted
that child, Mr Sullivan.

895

01:17:16,078 --> 01:17:19,539

Of course, without your help,
I never would have known...

896

01:17:19,623 --> 01:17:22,459

that this went
all the way up to Waternoose.

897

01:17:26,505 --> 01:17:29,549

Now, about the girl.

898

01:17:29,633 --> 01:17:32,761

I just want to send her home.

899

01:17:32,844 --> 01:17:36,348

Very good.

Bring me a door shredder.

900

01:17:36,431 --> 01:17:39,476

What? You mean...

You mean I can't see her again?

901

01:17:40,602 --> 01:17:42,896

That's the way it has to be.

902

01:17:44,231 --> 01:17:47,067

I'll give you five minutes.

903

01:17:57,703 --> 01:18:00,831

- Well, so long, kid.

- Mike Wazowski!

904

01:18:00,914 --> 01:18:05,210

Yeah. Aw, Boo.

It's been fun.

905

01:18:08,005 --> 01:18:10,632

Go ahead. Go grow up.

906

01:18:29,860 --> 01:18:34,406

Uh, B-Boo... Um, Boo?

907

01:18:34,489 --> 01:18:37,910

Oh, look at that.

Yeah, you know...

908

01:18:37,993 --> 01:18:40,495

Oh, that's cute, yeah.

909

01:18:40,579 --> 01:18:43,749

Uh, Boo, um...

910

01:18:43,832 --> 01:18:46,877

- Well, that's very nice.

- Kitty.

911

01:18:46,960 --> 01:18:49,129

Come here, you.

912

01:18:56,595 --> 01:18:59,514

<i>Oh, he's a happy bear</i>

913

01:19:05,020 --> 01:19:09,149

Nothing's coming out of your closet
to scare you any more, right?

914

01:19:09,232 --> 01:19:12,319

Yeah.

915

01:19:12,402 --> 01:19:14,905

Goodbye, Boo.

916

01:19:14,988 --> 01:19:17,366

Kitty.

917

01:19:17,449 --> 01:19:19,868

Kitty has to go.

918

01:19:59,741 --> 01:20:01,410

Boo!

919

01:20:04,162 --> 01:20:06,873

Kitty?

920

01:20:14,590 --> 01:20:18,760

None of this ever happened,
gentlemen.

921

01:20:18,844 --> 01:20:22,931

And I don't want to see
any paperwork on this.

922

01:20:44,369 --> 01:20:47,122

Take him away.

923

01:20:49,291 --> 01:20:51,585

I bet we get the rest of the day off.

924

01:20:51,668 --> 01:20:54,546

You idiot! They're gonna
shut down the factory!

925

01:20:56,798 --> 01:21:00,761

I'm tellin' you, pal, when that wall
went up, you should have seen the look
on Waternoose's face.

926

01:21:00,844 --> 01:21:04,681

I hope we get a copy of that tape.
Hey, you all right?

927

01:21:04,765 --> 01:21:08,101

Come on, pal. Cheer up.
We did it. We got Boo home.

928

01:21:08,185 --> 01:21:13,106

Oh, sure, we put the factory
in the toilet and, gee, hundreds

of people will be out of work now.

929

01:21:13,190 --> 01:21:15,984

Not to mention the angry mob
that'll come after us
when there's no more power.

930

01:21:16,068 --> 01:21:19,780

But hey, at least we had
some laughs, right?

931

01:21:22,950 --> 01:21:24,910

Laughs.

932

01:21:44,471 --> 01:21:47,474

Hey, is this thing on?
Hello! Hello! Testing! Testing!

933

01:21:47,557 --> 01:21:50,435

Hey, good evening. How are you?
How are you? Nice to see you.

934

01:21:50,519 --> 01:21:53,730

I tell ya, it's great to be here
in your room. Where you from?

935

01:21:55,607 --> 01:21:58,443

Never mind. You're in kindergarten,
right? Oh, I love kindergarten.

936

01:21:58,527 --> 01:22:03,156

Best three years of my life.
Of my life.

937

01:22:03,240 --> 01:22:05,826

But I love sports.
Dodge ball was the best. Oh, yeah.

938

01:22:05,909 --> 01:22:10,831

I was the fastest one out there.
Of course, I was the ball. But I...

939

01:22:10,914 --> 01:22:12,916

I was the ball, see?

940

01:22:13,000 --> 01:22:14,793

All right.

941

01:22:28,932 --> 01:22:33,061

Hey, thanks a lot.

I'll be here all week.

Remember to tip your waitresses.

942

01:22:37,649 --> 01:22:40,861

Great job, Mikey. You filled your quota
on the first kid of the day.

943

01:22:40,944 --> 01:22:43,989

Not bad, huh? You know, only somebody
with perfect comedic timing...

944

01:22:44,072 --> 01:22:46,408

could produce this much energy
in one shot.

945

01:22:46,491 --> 01:22:51,830

Uh-huh. And the fact that laughter
is ten times more powerful than scream
had nothing to do with it.

946

01:22:51,914 --> 01:22:55,626

Oh, Googley Bear.

Come here, you.

947

01:22:55,709 --> 01:22:58,420

- Schmoopsie-poo!

- Googley.

948

01:23:00,672 --> 01:23:04,468

Girls. Girls. Quit.

Stop, stop, stop.

949

01:23:04,551 --> 01:23:06,887

Michael, you're such a charmer.

950

01:23:06,970 --> 01:23:09,389

- Hey, did you bring the magazine?

- They just delivered a whole box.

951

01:23:09,473 --> 01:23:13,393

Let me see it!

Sulley and I made the cover, right?

952

01:23:14,811 --> 01:23:18,857

- I don't believe it.

- Googley Bear.

953

01:23:18,941 --> 01:23:23,320

I'm on the cover of a magazine!

954

01:23:28,033 --> 01:23:30,535

Oh, this is great!

955

01:23:58,021 --> 01:24:00,482

- Hey, Sulley!

- Hey, uh, Mike. I was, uh, just...

956

01:24:00,565 --> 01:24:03,235

- Listen, if you got a minute, there's something I wanna show you. Okay?

- B-B-But...

957

01:24:03,318 --> 01:24:07,990

- Close your eyes. Follow me.

- I-I-I...

- Come on. No peeking.

958

01:24:08,156 --> 01:24:11,201

- Keep coming, keep coming, keep coming.

Come on. Keep coming, keep coming.

- Mike!

959

01:24:11,285 --> 01:24:14,204

And follow the sultry sound
of my voice.

960

01:24:14,288 --> 01:24:17,874

Okay, stop. Open 'em.

961

01:24:17,958 --> 01:24:21,420

- Ta-da!

- Mike!

962

01:24:22,546 --> 01:24:25,257

- Is that...

- Sorry it took so long, pal.

963

01:24:25,340 --> 01:24:27,718

It was a lot of wood

to go through.

964

01:24:27,801 --> 01:24:31,305

You know, it only works

if you have every piece.

965

01:24:58,790 --> 01:25:00,918

Boo?

966

01:25:01,001 --> 01:25:02,794

Kitty!

967

01:25:12,679 --> 01:25:15,724

Speed. Marker.

And action.

968

01:25:15,807 --> 01:25:19,102

<i>If I were a rich man</i>

969

01:25:19,186 --> 01:25:21,396

<i>With a million or two</i>

970

01:25:23,273 --> 01:25:26,026

<i>I'd live in a penthouse</i>

971

01:25:26,109 --> 01:25:28,946

<i>In a room with a view</i>

972

01:25:31,114 --> 01:25:35,035

<i>- And if I were handsome

- No way!

- It could happen.</i>

973

01:25:35,118 --> 01:25:37,329

<i>'Cause dreams do come true.</i>

974

01:25:37,412 --> 01:25:39,122

Roll slate.

975

01:25:39,206 --> 01:25:43,126

<i>I wouldn't have nothin'

if I didn't have you</i>

976

01:25:43,210 --> 01:25:47,005

<i>Wouldn't have nothin'

if I didn't have</i>

977

01:25:47,089 --> 01:25:50,968

<i>Wouldn't have nothin'

if I didn't have</i>

978

01:25:51,051 --> 01:25:53,929

<i>Wouldn't have nothin'</i>

979

01:25:55,222 --> 01:25:57,224

Okay, cut.

980

01:25:59,101 --> 01:26:01,937

Okay, you're finished now, right?

981

01:26:02,020 --> 01:26:04,022

- Hello.

- Hello.

982

01:26:07,317 --> 01:26:10,028

Come on, get lost, you two.

You're making him lose his focus.

983

01:26:10,112 --> 01:26:12,197

- Oh, sorry.

- See you later, fellas.

984

01:26:12,281 --> 01:26:16,159

- Go get 'em, Mr Solomon.

- You idiot! It's Sullivan, not Solomon.

985

01:26:16,243 --> 01:26:18,245

- What?

- You're messing up the scene.

986

01:26:18,328 --> 01:26:20,372

- Sorry.

- We're never gonna work
in Hollywood again.

987

01:26:20,455 --> 01:26:22,040

- Let me do it over.

- Shut up!

988

01:26:22,124 --> 01:26:24,543

- Keep rolling!

- You're making it worse!

989

01:26:24,626 --> 01:26:27,504

Duck and cover, people!

990

01:26:31,925 --> 01:26:34,219

Hey, thanks, guys.

That was a close one.

991

01:26:40,309 --> 01:26:42,311

Ta-da!

992

01:26:45,314 --> 01:26:47,691

Aw, Boo, it's been fun.

993

01:26:50,652 --> 01:26:53,238

Go ahead. Go throw up.

994

01:26:54,615 --> 01:26:58,076

- What? Wh-Wh...

What did I say? What? What?

- Cut.

995

01:26:59,661 --> 01:27:01,663

Hey, Ted, good morning!

996

01:27:03,457 --> 01:27:06,251

- Cut.

- Hey, how was that? Was I scary?

997

01:27:06,335 --> 01:27:08,545

- Do I get the part?

- Thank you.

- Can I do it again?

998

01:27:08,629 --> 01:27:10,631

- I can be taller.

- Next.

999

01:27:10,714 --> 01:27:12,925

And action.

1000

01:27:13,008 --> 01:27:15,969

Okay, let's move, let's move,

let's move. Come on!

1001

01:27:18,680 --> 01:27:21,683

Can we get a little more wax
on the floor, please?

1002

01:27:21,767 --> 01:27:24,311

Wait a minute.

Randall? That cheater.

1003

01:27:24,394 --> 01:27:26,897

- He's trying to boost his numbers.

- There's something else.

1004

01:27:26,980 --> 01:27:30,233

- What?

- Look-lay in the bag-bay.

1005

01:27:30,317 --> 01:27:33,612

- I think you mean

ook-lay in the ag-bay.

- What? Didn't I, uh...

1006

01:27:33,695 --> 01:27:38,951

Well, you know,

maybe you should just take a minute
and ead-ray your ipt-scray.

1007

01:27:39,034 --> 01:27:41,578

You think he's gonna come
through the closet and scare you.

1008

01:27:41,662 --> 01:27:45,999

Oh, boy. How do I explain this?
Uh, it's empty. See?

1009

01:27:46,083 --> 01:27:48,085

Guess who!

1010

01:27:57,552 --> 01:27:59,554

Hey, what's the...

1011

01:28:00,973 --> 01:28:04,059

Okay, very funny.
Hey, I look good in a suit.

1012

01:28:04,142 --> 01:28:06,144

Marker.

1013

01:28:06,228 --> 01:28:08,689

Let her rip! Go!

1014

01:28:12,150 --> 01:28:15,320

Shut it off! Shut it off!

Shut it off!

1015

01:28:18,991 --> 01:28:21,243

You're making it worse!

1016

01:28:22,578 --> 01:28:25,998

<i>But I must admit it</i>

1017

01:28:26,081 --> 01:28:28,709

<i>Big guy, you always come through</i>

1018

01:28:30,460 --> 01:28:35,757

<i>I wouldn't have nothin'

if I didn't have you</i>

1019

01:28:38,051 --> 01:28:41,680

<i>You and me together</i>

1020

01:28:41,763 --> 01:28:45,392

<i>That's how it always should be</i>

1021

01:28:45,475 --> 01:28:48,645

<i>One without the other</i>

1022

01:28:48,729 --> 01:28:51,648

<i>Don't mean nothin'to me</i>

1023

01:28:51,732 --> 01:28:54,693

<i>Nothin'to me</i>

1024

01:28:54,776 --> 01:28:57,321

Oh, hey!

We're rehearsing a, a scene...

1025

01:28:57,404 --> 01:28:59,823

for the upcoming company play
called...

1026

01:28:59,907 --> 01:29:03,368

<i>Put That Thing Back Where It Came From,
Or So Help Me.</i>

1027

01:29:03,452 --> 01:29:06,079

<i>It's a musical. Yeah.

Put that thing back where it came from</i>

1028

01:29:06,163 --> 01:29:07,831

<i>Or so help me</i>

1029

01:29:07,915 --> 01:29:10,250

<i>Get that thing away from me
you guys</i>

1030

01:29:10,334 --> 01:29:15,672

<i>Put that thing back where it came from
or I'll poke myself in the eye</i>

1031

01:29:15,756 --> 01:29:18,550

It's, uh, i-it's a work in progress.

I-It's gonna get better.

1032

01:29:21,720 --> 01:29:25,807

Ladies and gentlemen,
welcome to this year's company play...

1033

01:29:25,891 --> 01:29:29,102

starring, written
and directed by Mike...

1034

01:29:29,186 --> 01:29:32,940

- And produced.
- And produced by Mike Wazowski.

1035

01:29:37,653 --> 01:29:40,489

<i>Put that thing back where it came from
or so help me</i>

1036

01:29:40,572 --> 01:29:43,784

<i>So help me
So help me get by</i>

1037

01:29:43,867 --> 01:29:46,536

<i>Put that thing back where it came from
or so help me</i>

1038

01:29:46,620 --> 01:29:49,790

<i>So help me

I just gotta cry</i>

1039

01:29:49,873 --> 01:29:52,793

Your seat is right over there, sir.

1040

01:29:52,876 --> 01:29:56,463

<i>- Boo!

- There's a child, there's a child

There's a human child</i>

1041

01:29:56,546 --> 01:29:59,591

<i>- Oh, no!

- Running around the restaurant

This is really wrong</i>

1042

01:29:59,675 --> 01:30:02,261

<i>What in heaven's name

will become of us</i>

1043

01:30:02,344 --> 01:30:05,305

<i>We who are living

in Monstropolis</i>

1044

01:30:08,433 --> 01:30:12,813

All right, Wazowski,
tell us where the kid is.

1045

01:30:12,896 --> 01:30:14,606

Boo!

1046

01:30:14,690 --> 01:30:17,401

I will never talk. Never!

1047

01:30:19,987 --> 01:30:25,117

<i>She's out of our hair</i>

1048

01:30:25,200 --> 01:30:30,289

<i>And just when I dare to care</i>

1049

01:30:30,372 --> 01:30:33,667

<i>She says, au contraire</i>

1050

01:30:33,750 --> 01:30:39,089

<i>You're my pair of friends
I love you</i>

1051

01:30:40,549 --> 01:30:42,217

Keep it together, man.

1052

01:30:42,301 --> 01:30:46,096

<i>And so we put that kid back</i>

1053

01:30:46,179 --> 01:30:48,599

<i>Where she came from</i>

1054

01:30:48,682 --> 01:30:51,476

<i>And she helped us to find</i>

1055

01:30:51,560 --> 01:30:54,187

<i>A better tomorrow</i>

1056

01:30:54,271 --> 01:30:58,483

<i>Today</i>

1057

01:30:58,567 --> 01:31:04,531

Thank you! What a night
for my mother to be in the audience,
ladies and gentlemen. My mom!

1058

01:31:06,491 --> 01:31:08,493

Thank you, Monstropolis!

1059

01:31:10,329 --> 01:31:13,790

<i>- I don't have to say it

- Aw, say it anyway.</i>

1060

01:31:13,874 --> 01:31:16,460

<i>'Cause we both know it's true</i>

1061

01:31:18,211 --> 01:31:22,090

<i>I wouldn't have nothin'

if I didn't have</i>

1062

01:31:22,174 --> 01:31:26,094

<i>I wouldn't have nothin'

if I didn't have</i>

1063

01:31:26,178 --> 01:31:30,307

*<i>I wouldn't have nothin'
if I didn't have you</i>*

1064

01:31:30,390 --> 01:31:34,811

*<i>Wouldn't have nothin'
if I didn't have</i>*

1065

01:31:34,895 --> 01:31:37,940

<i>You</i>

1066

01:31:38,023 --> 01:31:40,150

One more time!

1067

01:31:40,233 --> 01:31:42,486

It worked!

1068

01:31:42,569 --> 01:31:45,697

*<i>- Don't have to say it
- I'm gonna anyway!</i>*

1069

01:31:45,781 --> 01:31:50,160

*<i>- 'Cause we both know it's true
- Let's take it home, big guy!</i>*

1070

01:31:50,244 --> 01:31:54,122

<i>I wouldn't have nothin'

if I didn't have</i>

1071

01:31:54,206 --> 01:31:58,001

<i>I wouldn't have nothin'

if I didn't have</i>

1072

01:31:58,085 --> 01:32:02,089

<i>I wouldn't have nothin'

if I didn't have</i>

1073

01:32:02,172 --> 01:32:05,133

<i>- You

- You! You!</i>

1074

01:32:05,217 --> 01:32:09,680

<i>- A-E-I-O

- That means you. Yeah!</i>
