

Dialogues from Rambo II to improve the vocabulary in English

1

00:00:40,000 --> 00:00:41,957

Let's keep those hammers working!

2

00:01:01,542 --> 00:01:02,908

Rambo!

3

00:01:05,750 --> 00:01:06,750

Let's go.

4

00:01:29,417 --> 00:01:31,283

How are you, Johnny?

5

00:01:32,125 --> 00:01:33,125

Good.

6

00:01:35,208 --> 00:01:36,574

That's all.

7

00:01:39,583 --> 00:01:41,950

I'm sorry they sent you
to such a hellhole.

8

00:01:43,583 --> 00:01:44,583

I've seen worse.

9

00:01:44,750 --> 00:01:46,742

Yeah, you have, haven't you

10

00:01:48,083 --> 00:01:52,202

I told you that I'd help you
when I could. Are you interested?

11

00:01:55,750 --> 00:01:59,994

You can't possibly want
to stay here for another five years.

12

00:02:06,750 --> 00:02:11,290

In here at least I know where I stand.
- Just hear me out first.

13

00:02:13,083 --> 00:02:15,416

A covert operation

is being geared up in the Far East.

14

00:02:16,042 --> 00:02:20,742

A computer gave your name as one of

3 suitable candidates for the mission.

15

00:02:22,458 --> 00:02:25,246

Mission?

- A hunt for POWs in Vietnam.

16

00:02:30,292 --> 00:02:32,204

Why now? Why me?

17

00:02:34,625 --> 00:02:37,538

The prison camp you escaped from in 71

is the target area.

18

00:02:37,708 --> 00:02:42,203

No one knows that terrain better

than you. The risk factor's very high.

19

00:02:42,375 --> 00:02:46,164

You'd be temporarily reinstated in the
forces, and if the mission's successful,

20

00:02:46,333 --> 00:02:49,121

there may be a presidential pardon.

21

00:02:51,125 --> 00:02:52,832

You interested?

22

00:02:59,542 --> 00:03:00,749

Yeah.

23

00:03:01,292 --> 00:03:05,286

Good. I'll get the necessary clearance.

24

00:03:06,667 --> 00:03:10,786

The next time we meet will be in
Thailand with the special ops designate.

25

00:03:10,958 --> 00:03:12,369

Yes, sir.

26

00:03:12,542 --> 00:03:14,499

All clear?

- Yes, sir.

27

00:03:14,667 --> 00:03:17,284

I want you to know I did
what I could to keep you out of here.

28

00:03:18,375 --> 00:03:19,411

I know.

29

00:03:24,417 --> 00:03:27,000

Do we get to win this time?

30

00:03:28,167 --> 00:03:29,167

This time's up to you.

31

00:05:44,125 --> 00:05:45,741

That'll be all.

32

00:05:47,292 --> 00:05:51,707

How're you doing, Rambo? I'm Ericson.

Why don't we make it over to the hangar?

33

00:05:54,292 --> 00:05:56,705

You're the chosen one, ha?

34

00:05:57,125 --> 00:06:00,948

You made

a helluva rep for yourself in 'nam.

35

00:06:01,125 --> 00:06:03,458

I'm glad to be working with you.

36

00:06:03,875 --> 00:06:07,573

This place may not be heaven,

but at least you're out of the joint.

37

00:06:12,958 --> 00:06:13,994

He's here.

38

00:06:17,625 --> 00:06:18,991

Morning, John.

39

00:06:19,708 --> 00:06:22,621

This is Marshal Murdock.

He's in charge of special operations.

40

00:06:23,042 --> 00:06:24,783

Thank you, Colonel. Rambo,

41

00:06:25,125 --> 00:06:28,323

been looking forward to meeting you.

How was your trip? No problems?

42

00:06:28,500 --> 00:06:31,698

Except for the damned heat, right?

I've never felt anything like it.

43

00:06:32,125 --> 00:06:34,412

Come on in,

let's get down to business.

44

00:06:36,167 --> 00:06:39,740

I was glancing over your files.

45

00:06:40,167 --> 00:06:43,035

Makes pretty interesting reading.

46

00:06:48,167 --> 00:06:53,617

Rambo, John J., born 7.6.47, Bowie,
Arizona, of Indian-German descent.

47

00:06:53,792 --> 00:06:57,285

That's a helluva combination.
Joined the army 6.8.64,

48

00:06:57,958 --> 00:07:00,621

accepted special forces,
specialization: light weapons.

49

00:07:01,625 --> 00:07:03,906

Cross-trained as medic.
Helicopter and language qualified.

50

00:07:04,292 --> 00:07:08,866

59 confirmed kills, 2 silver stars,
4 bronze, 4 Purple Hearts,

51

00:07:09,208 --> 00:07:10,699

Medal of Honor.

52

00:07:11,792 --> 00:07:17,618

You got around, didn't you?

Incredible. Rambo, you're probably aware

53

00:07:17,917 --> 00:07:21,661

that there are almost 2,500 Americans

still missing in action in SE Asia.

54

00:07:21,833 --> 00:07:26,578

Most are presumed dead, but for the

families, Congress and many Americans

55

00:07:26,750 --> 00:07:29,163

it's still an emotional issue.

56

00:07:29,792 --> 00:07:31,032

Give me something cold, please!

57

00:07:31,958 --> 00:07:36,532

Rambo, you certainly don't know

as much about me as I do you.

58

00:07:36,708 --> 00:07:40,076

I've honched with the 2nd Battalion,
3rd Marines, in Kon Turn in '66.

59

00:07:40,250 --> 00:07:44,039

I lost a lot of good men,
so I know what you and every vet feels.

60

00:07:44,208 --> 00:07:48,498

Maybe the government and certain
segments of the population didn't care,

61

00:07:49,625 --> 00:07:50,625

but my committee cares.

62

00:07:50,792 --> 00:07:54,581

It needs proof
that Americans are there.

63

00:07:54,750 --> 00:07:56,286

Then we'll get 'em back.

64

00:07:56,708 --> 00:08:01,874

If there are any of our men at the POW
target camp, you're to take photos.

65

00:08:03,417 --> 00:08:06,740

Photos?

- Only photos. Under no circumstances

66

00:08:06,917 --> 00:08:11,537

are you to engage the enemy.

- I'm supposed to leave them there?

67

00:08:11,708 --> 00:08:14,451

I repeat:

do not engage the enemy!

68

00:08:15,083 --> 00:08:18,781

The assault team led by Colonel Trautman
will handle the extraction.

69

00:08:25,375 --> 00:08:30,200

With your participation,
this mission has a better than average

70

00:08:30,542 --> 00:08:32,204

chance of succeeding.

71

00:08:33,958 --> 00:08:37,872

I'll meet you both

in the operations center in one hour.

72

00:08:55,000 --> 00:08:58,323

From Thailand across Laos

into the mountains of Vietnam.

73

00:08:58,750 --> 00:09:01,993

You'll be flying a ceiling

of 250 feet when you bail out.

74

00:09:02,167 --> 00:09:05,160

Think you can handle it?

- I'll try.

75

00:09:05,625 --> 00:09:09,869

Since you're going in solo, you'll have

to take more equipment than ever before.

76

00:09:10,292 --> 00:09:14,081

And use it!

Don't try the blood-and-guts routine.

77

00:09:14,500 --> 00:09:17,163

Let technology do most of the work.

78

00:09:17,792 --> 00:09:22,537

Forget the war. Remember the mission.

The old Vietnam is dead.

79

00:09:23,125 --> 00:09:27,119

Sir, I'm alive,

so it's still alive, isn't it?

80

00:09:37,625 --> 00:09:40,493

You may find this hard
to believe, but all this is for you.

81

00:09:41,125 --> 00:09:42,411

Impressed?

82

00:09:43,208 --> 00:09:47,703

You'll get every modern piece
of equipment we have

83

00:09:47,875 --> 00:09:49,537

to ensure your safety.

84

00:09:49,708 --> 00:09:53,281

You can feel totally safe because we
have the world's most advanced weapons.

85

00:09:56,000 --> 00:09:58,162

I've always believed that the mind's
the best weapon.

86

00:09:59,042 --> 00:10:00,042

Times change.

87

00:10:00,625 --> 00:10:01,706

For some people.

88

00:10:03,625 --> 00:10:04,625

Don't let me interrupt.

89

00:10:05,167 --> 00:10:07,955

Upon insertion

call into base camp on Transat.

90

00:10:08,125 --> 00:10:11,789

Then proceed to rendezvous

with your ground contact,

91

00:10:11,958 --> 00:10:13,995

indigenous agent Co Bao.

92

00:10:14,167 --> 00:10:16,159

Is he listening?

93

00:10:16,625 --> 00:10:19,288

Indigenous agent Co Bao.

94

00:10:26,708 --> 00:10:28,040

Colonel!

95

00:10:29,208 --> 00:10:31,575

Are you sure he's not unbalanced?

96

00:10:31,750 --> 00:10:35,323

What if he cracks under the pressure
in that hell?

97

00:10:35,500 --> 00:10:36,500

Pressure?

98

00:10:37,625 --> 00:10:40,117

Rambo is the best combat vet
I've ever seen.

99

00:10:40,708 --> 00:10:44,952

A pure fighting machine with only
a desire to win a war someone else lost.

100

00:10:45,125 --> 00:10:50,416

If winning means he has to die,
he'll die. No fear, no regrets.

101

00:10:51,917 --> 00:10:53,874

And one more thing:

102

00:10:54,042 --> 00:10:57,911

What you call "hell", he calls home.

103

00:11:01,750 --> 00:11:03,833

Stand by! Start A.P.U.!

104

00:11:27,958 --> 00:11:29,745

D minus 20.

105

00:12:01,792 --> 00:12:03,124

D minus 5.

106

00:12:19,292 --> 00:12:24,367

You've got 36 hours to get in and out.

So don't stop to smell the roses, okay?

107

00:12:25,292 --> 00:12:31,289

If you run into trouble, try to get
to the hilltop extraction site.

108

00:12:37,042 --> 00:12:38,749

Good luck, son.

- Thanks.

109

00:12:39,167 --> 00:12:40,749

Ready to roll.

110

00:12:43,333 --> 00:12:47,532

Murdock said he'd been
with the 2nd Battalion in Kon Tum '66.

111

00:12:49,292 --> 00:12:51,284

The 2nd Battalion was at Kud Sank.

112

00:12:53,417 --> 00:12:55,079

You're the only one that I trust.

113

00:13:37,542 --> 00:13:41,491

Think he'll find someone?

- POWs? Doubtful.

114

00:13:41,667 --> 00:13:46,287

But there are people to satisfy,

questions that have to be answered.

115

00:13:46,792 --> 00:13:50,081

You don't sound too emotional about it.

- It wasn't my war, Colonel.

116

00:13:50,500 --> 00:13:52,992

I'm here to clean up the mess.

117

00:14:36,292 --> 00:14:38,329

K-Wok 2-5 is raft.

118

00:14:38,500 --> 00:14:40,492

They're holding timeline.

119

00:14:40,667 --> 00:14:43,080

Affirmative, Wolf Den. Over.

120

00:15:17,375 --> 00:15:19,287

We're back in the badlands, my man.

121

00:15:20,625 --> 00:15:22,116

Stand by your position!

122

00:15:22,750 --> 00:15:25,948

Insertion in 15 seconds.

- Partytime!

123

00:15:39,042 --> 00:15:40,829

5 seconds.

124

00:15:58,625 --> 00:16:01,038

What's happening?

- He's hung up!

125

00:16:03,792 --> 00:16:05,624

He'll be torn apart!

126

00:16:07,458 --> 00:16:09,745

He's hung up!

- What do you mean he's hung up?

127

00:16:09,917 --> 00:16:11,579

He's being dragged!

128

00:16:13,875 --> 00:16:15,787

Cut him loose!

- I can't free him!

129

00:16:37,417 --> 00:16:40,535

Abort the mission!

- That'll kill him! He'll be torn apart!

130

00:16:44,625 --> 00:16:45,911

He's cutting away his equipment.

131

00:16:57,625 --> 00:16:59,366

He's out!

132

00:16:59,708 --> 00:17:04,203

Here is Dragonfly 1. Do you read me?

- Dragonfly 1, I read you.

133

00:17:04,375 --> 00:17:07,868

Any visual bearing by flares?

- Negative. We didn't see anything.

134

00:17:16,000 --> 00:17:20,165

Maybe it's best to abort
the mission now.

135

00:17:20,333 --> 00:17:22,245

Who could survive that?

136

00:17:22,417 --> 00:17:24,124

He deserves the benefit of the doubt.

137

00:17:24,542 --> 00:17:29,116

He's got 36 hours to complete the
mission and reach the extraction point.

138

00:17:29,667 --> 00:17:32,501

We owe him that.

- Of course we do.

139

00:17:33,375 --> 00:17:38,120

But understand something:

In 36 hours we pull out.

140

00:19:22,417 --> 00:19:23,417

Rambo!

141

00:19:37,792 --> 00:19:39,829

You did not expect a woman, no?

142

00:19:42,375 --> 00:19:43,832

We'd better go.

143

00:19:46,833 --> 00:19:51,282

We go to river.

How come you so late?

144

00:19:51,708 --> 00:19:53,290

I was hung up.

145

00:19:59,042 --> 00:20:03,286

I have arranged boat to take us
down river. Old ways not safe.

146

00:20:03,875 --> 00:20:07,494

You come a long way, Rambo,
to see empty camp.

147

00:21:00,625 --> 00:21:02,161

You're using pirates?

148

00:21:02,333 --> 00:21:06,407

Best way down river.

Not get army suspicious.

149

00:22:27,458 --> 00:22:29,791

What about patrol boats?

150

00:22:50,958 --> 00:22:52,324

Russian.

151

00:23:19,833 --> 00:23:20,833

Rambo,

152

00:23:22,292 --> 00:23:23,999

want to eat?

153

00:23:25,583 --> 00:23:27,620

Maybe later.

154

00:23:36,333 --> 00:23:37,869

How you get into this?

155

00:23:40,375 --> 00:23:43,994

It's a long story.

- Long trip.

156

00:23:46,958 --> 00:23:50,201

After I left the special forces,

157

00:23:50,625 --> 00:23:55,120

I moved around a lot.

- Why you leave army?

158

00:23:55,583 --> 00:23:56,619

I...

159

00:23:58,292 --> 00:24:01,000

came back to the States

160

00:24:01,167 --> 00:24:03,204

and found another war going on.

161

00:24:04,667 --> 00:24:06,374

What war?

162

00:24:07,750 --> 00:24:09,412

Kind of like a quiet war.

163

00:24:11,667 --> 00:24:15,957

A war against the soldiers returning.

164

00:24:16,125 --> 00:24:17,366

The kind of war you don't win.

165

00:24:23,667 --> 00:24:26,501

It's my problem.

How did you get into it?

166

00:24:28,333 --> 00:24:32,373

My father

worked for intelligence agency.

167

00:24:33,417 --> 00:24:36,455

He killed, and I take his place.

168

00:24:37,542 --> 00:24:38,874

There's too much death here.

169

00:24:40,083 --> 00:24:41,083

Death everywhere.

170

00:24:45,458 --> 00:24:46,790

I just want to live.

171

00:24:50,750 --> 00:24:54,790

Maybe go America. Live the quiet life.

172

00:24:58,458 --> 00:25:00,415

What you want?

173

00:25:02,542 --> 00:25:05,080

To win. To survive.

174

00:25:07,208 --> 00:25:10,747

Not so easy to survive. Still war here.

175

00:25:11,375 --> 00:25:15,324

To survive a war,
you've got to become war.

176

00:25:15,500 --> 00:25:18,868

That why they pick you?
Because you like to fight?

177

00:25:24,083 --> 00:25:26,040

I am expendable.

178

00:25:28,750 --> 00:25:30,332

What mean "expendable"?

179

00:25:32,875 --> 00:25:33,956

It's like

180

00:25:34,375 --> 00:25:39,450

someone invites you to a party
and you don't show up,

181

00:25:40,750 --> 00:25:42,787

and it doesn't really matter.

182

00:25:49,583 --> 00:25:50,994

What's this?

183

00:25:52,458 --> 00:25:53,494

It bring me good luck.

184

00:25:56,208 --> 00:25:58,621

What bring you good luck?

185

00:26:06,125 --> 00:26:08,162

I guess this.

186

00:26:14,792 --> 00:26:16,283

No further reports.

187

00:26:16,458 --> 00:26:18,378

I want to go up
with the extraction team at dawn.

188

00:26:19,042 --> 00:26:20,704

Denied.

- Denied?

189

00:26:20,875 --> 00:26:23,868

It's an unnecessary risk.

- We have a schedule to keep.

190

00:26:24,042 --> 00:26:26,750

We don't even know if he's alive.

- Unlikely.

191

00:26:26,917 --> 00:26:29,159

You said we'd go through as planned.

192

00:26:31,000 --> 00:26:35,415

Okay, if you

want to go through with it, we will.

193

00:26:35,583 --> 00:26:37,583

The Colonel's

gonna be joining the extraction team.

194

00:26:40,583 --> 00:26:42,370

You're a damned good man, Trautman.

195

00:27:39,875 --> 00:27:42,162

See? Camp empty.

196

00:27:43,417 --> 00:27:45,500

We move closer.

197

00:28:30,292 --> 00:28:32,204

Cyclo-girl whore from village.

198

00:28:36,833 --> 00:28:38,040

Come on!

199

00:28:53,833 --> 00:28:56,905

What is it?

- A bow. No sound.

200

00:29:03,958 --> 00:29:08,498

You not going in there.

You're supposed to only take pictures.

201

00:29:08,958 --> 00:29:09,994

What about orders?

202

00:29:11,167 --> 00:29:12,408

No more orders, Co.

203

00:32:55,958 --> 00:32:57,369

I've come to get you out.

204

00:32:59,208 --> 00:33:00,665

Don't talk.

205

00:33:29,292 --> 00:33:32,660

There are others.

- I'll be back.

206

00:35:12,167 --> 00:35:13,167

Everything okay?

207

00:35:14,083 --> 00:35:15,665

Let's go!

208

00:35:48,958 --> 00:35:50,745

You have clearance.

209

00:35:51,167 --> 00:35:53,284

Minus one hour to extraction.

210

00:35:53,708 --> 00:35:56,780

I hope for his sake

we're not just wasting fuel.

211

00:35:57,208 --> 00:35:59,291

Let's get moving.

212

00:36:21,958 --> 00:36:23,574

A good thing you came when you did.

213

00:36:23,750 --> 00:36:24,991

Why is that?

214

00:36:25,833 --> 00:36:29,406

They move us around a lot. Because
of the crops. Only been there a week.

215

00:36:30,417 --> 00:36:35,333

When were you last in that camp?

- A year. What year is it, anyway?

216

00:36:36,375 --> 00:36:37,707

1985.

217

00:36:42,042 --> 00:36:44,034

Camp supposed to be empty.

218

00:36:44,958 --> 00:36:46,324

Yes, supposed to be.

219

00:37:19,542 --> 00:37:22,250

Landing zone a mile up river.

220

00:38:23,375 --> 00:38:25,913

What has happened?

- We've been sold out.

221

00:38:27,833 --> 00:38:28,833

You bastard!

222

00:39:05,125 --> 00:39:07,788

Right, jump!

- I fight!

223

00:39:08,417 --> 00:39:09,578

Jump! Go on!

224

00:40:05,333 --> 00:40:06,744

The gunboat!

225

00:40:24,833 --> 00:40:25,949

Jump!

226

00:40:38,458 --> 00:40:40,040

You made it, Rambo!

227

00:40:48,458 --> 00:40:49,665

Come on.

228

00:41:15,125 --> 00:41:16,707

Take this. We go on from here.

229

00:41:18,042 --> 00:41:20,534

Better I stay on to end.

- This is the end.

230

00:41:22,125 --> 00:41:23,125

Come on.

231

00:41:24,625 --> 00:41:25,625

Rambo!

232

00:41:27,500 --> 00:41:29,116

You not expendable.

233

00:41:52,792 --> 00:41:54,704

Colonel, 3 minutes.

234

00:43:07,208 --> 00:43:08,494

That's Rambo!

235

00:43:15,458 --> 00:43:16,494

Christ, he's found one!

236

00:43:47,000 --> 00:43:49,117

Rambo's found one of ours!

237

00:43:50,333 --> 00:43:54,953

The ground crew has what appears to be
an American POW with him.

238

00:43:56,125 --> 00:43:59,243

What did you say?

- They've got one of ours.

239

00:44:00,500 --> 00:44:03,288

Yellow alert!

Meyers, Harrison, Goddell!

240

00:44:03,458 --> 00:44:06,656

Everybody out! Move!

241

00:44:07,083 --> 00:44:09,200

Go to your COMINT frequency!

Give me the mike!

242

00:44:12,208 --> 00:44:16,248

Dragonfly, here is Coach 1.

This is a priority order.

243

00:44:18,083 --> 00:44:19,619

Come on!

244

00:44:22,958 --> 00:44:26,326

Abort the operation immediately!

245

00:44:26,500 --> 00:44:29,914

This is a recall. Confirm. Over.

- Say it again, Coach 1.

246

00:44:30,500 --> 00:44:31,957

Abort the operation!

247

00:44:33,417 --> 00:44:37,616

I've been ordered to abort.

- But we've got them in sight!

248

00:44:37,792 --> 00:44:39,328

Murdock, do you read?

249

00:44:43,417 --> 00:44:46,205

We're going down.

- You're not going anywhere.

250

00:44:49,750 --> 00:44:53,573

You damned mercenaries!

Those are our men down there!

251

00:44:54,958 --> 00:44:57,917

No, your men. Don't be a hero.

252

00:45:05,125 --> 00:45:06,286

Colonel!

253

00:45:06,958 --> 00:45:07,994

Down!

254

00:45:49,208 --> 00:45:52,372

What are you doing?

Do you know what the hell you've done?

255

00:45:52,917 --> 00:45:55,284

Don't act so innocent, Colonel.

256

00:45:55,667 --> 00:45:58,375

You had your suspicions,
which makes you a sort of accessory.

257

00:45:58,792 --> 00:46:01,535

Don't ever
count me with you and your scum!

258

00:46:01,958 --> 00:46:06,202

It was a lie, wasn't it.
Like the whole damned war. It was a lie.

259

00:46:06,625 --> 00:46:08,287

What are you talking about?

260

00:46:08,667 --> 00:46:11,375

That camp was supposed to be empty.

261

00:46:12,375 --> 00:46:16,995

Rambo goes in, finds no POWs,
Congress buys it, case closed.

262

00:46:17,417 --> 00:46:22,788

And if he happens to get caught,
nobody knows except you.

263

00:46:23,208 --> 00:46:25,871

Who the hell
do you think you're talking to?

264

00:46:26,292 --> 00:46:28,955

A stinking bureaucrat
who's trying to cover his ass.

265

00:46:29,125 --> 00:46:32,618

Not just mine. A nation's!

266

00:46:32,792 --> 00:46:37,617

Besides, it was your hero's fault. If
he had done what he was meant to do,

267

00:46:37,792 --> 00:46:42,583

we'd be out of this clean and simple.

He was just supposed to take pictures.

268

00:46:42,750 --> 00:46:46,949

And if those pictures showed something,

they'd have been lost.

269

00:46:47,333 --> 00:46:50,292

You still don't understand

what this is all about.

270

00:46:50,458 --> 00:46:53,166

Same as always: Money.

271

00:46:53,333 --> 00:46:56,826

In '72 we were supposed to pay the Cong

4.5 billion in war reparation.

272

00:46:57,000 --> 00:46:59,834

We reneged, they kept the POWs.

273

00:47:00,000 --> 00:47:03,118

And you're doing the same thing
all over again.

274

00:47:03,292 --> 00:47:04,954

What would you do?

275

00:47:05,125 --> 00:47:10,245

Pay ransom for our men and finance
the war effort against our allies?

276

00:47:10,417 --> 00:47:13,285

And if some burnt-out POW
shows up on the 6 o'clock news?

277

00:47:13,458 --> 00:47:18,499

Do you want to start the war over again
and bomb Hanoi?

278

00:47:18,667 --> 00:47:21,705

You think the Senate's

279

00:47:21,875 --> 00:47:24,913

going to pay billions

for a few forgotten ghosts?

280

00:47:25,083 --> 00:47:27,541

For men!

Men who fought for their country!

281

00:47:27,708 --> 00:47:28,744

That's enough!

282

00:47:30,333 --> 00:47:34,907

Trautman, I'm going to forget

this conversation ever took place.

283

00:47:36,875 --> 00:47:39,618

You bastard!

- And if I were you,

284

00:47:40,125 --> 00:47:43,163

I'd not make the mistake

of bringing it up again.

285

00:47:43,333 --> 00:47:44,869

You're making the mistake.

286

00:47:45,042 --> 00:47:46,453

Yes? What mistake?

287

00:47:48,083 --> 00:47:49,369

Rambo.

288

00:48:49,000 --> 00:48:51,583

Damned Russian bastards.

289

00:49:16,333 --> 00:49:17,995

He's dead now.

290

00:49:28,208 --> 00:49:29,949

Bring him up!

291

00:49:49,292 --> 00:49:50,578

The knife!

292

00:49:51,417 --> 00:49:54,160

These people

are so vulgar in their methods!

293

00:49:55,125 --> 00:49:57,742

They lack compassion.

294

00:50:00,375 --> 00:50:03,664

I'm Lieutenant-Colonel Podovski.

295

00:50:05,458 --> 00:50:07,666

I do not know who you are yet,

296

00:50:08,292 --> 00:50:09,954

but I will.

297

00:50:10,792 --> 00:50:11,953

Take him and clean him up.

298

00:50:46,875 --> 00:50:48,411

That's all.

299

00:50:48,792 --> 00:50:52,706

Thank you, Captain Vinh.

Leave one guard, please.

300

00:50:57,375 --> 00:51:00,664

I see you are no stranger to pain.

301

00:51:01,083 --> 00:51:04,451

Perhaps you have been
among my Vietnamese comrades before?

302

00:51:07,625 --> 00:51:08,661

No answer?

303

00:51:10,000 --> 00:51:12,242

Do you wish to give your name?

304

00:51:12,875 --> 00:51:15,993

What possible harm can that cause?

305

00:51:19,208 --> 00:51:21,791

Pride is a poor substitute
for intelligence.

306

00:51:23,042 --> 00:51:26,001

What you must understand
is that we must interrogate you.

307

00:51:28,833 --> 00:51:33,077

For Sergeant Yushin you're a piece
of meat, a laboratory experiment.

308

00:51:33,250 --> 00:51:36,618

But for me you are a comrade,
similar to myself,

309

00:51:37,292 --> 00:51:40,490

just opposed by an act of fate.

310

00:51:42,292 --> 00:51:44,534

I know you were trying

311

00:51:44,708 --> 00:51:49,032

to facilitate the release
of war criminals. I can appreciate this.

312

00:51:50,292 --> 00:51:54,161

But this incident, your capture, is

313

00:51:56,333 --> 00:51:57,369

embarrassing.

314

00:51:58,167 --> 00:51:59,874

We must have an explanation.

315

00:52:00,625 --> 00:52:03,584

I want you to radio your HQ

316

00:52:03,750 --> 00:52:06,743

and say that

you have been captured and condemned

317

00:52:06,917 --> 00:52:09,125

for espionage,

318

00:52:09,292 --> 00:52:13,536

and that attempts like these

should not be made in the future,

319

00:52:14,125 --> 00:52:18,290

or they

will meet with the same fate as you.

320

00:52:27,750 --> 00:52:29,116

Fuck you!

321

00:52:32,042 --> 00:52:35,456

You wish to test your strength Good.

322

00:52:40,000 --> 00:52:41,411

Yushin!

323

00:53:41,542 --> 00:53:43,124

Comrade, here is something

324

00:53:44,375 --> 00:53:46,958

that might be of interest to you:

325

00:53:47,375 --> 00:53:51,369

a transcript of the conversation
between your helicopter pilot

326

00:53:51,542 --> 00:53:54,831

and his commander that we intercepted.

327

00:53:56,417 --> 00:54:00,832

"Dragonfly" and "Wolf's Den"

Colorful names.

328

00:54:01,708 --> 00:54:02,824

Here we are:

329

00:54:03,292 --> 00:54:05,579

"We have them in sight".

330

00:54:05,750 --> 00:54:10,120

And the reply:

"Abort the operation immediately."

331

00:54:11,708 --> 00:54:15,907

"This is a recall. Confirm. Over."

332

00:54:17,208 --> 00:54:20,952

It seems you were abandoned

by direct command.

333

00:54:22,250 --> 00:54:26,199

And these are the people
you protect with your pain!

334

00:54:26,375 --> 00:54:28,537

Increase the voltage.

335

00:54:30,250 --> 00:54:33,869

You may scream. There is no shame.

336

00:55:04,833 --> 00:55:07,746

You are strong! Very strong!

337

00:55:07,917 --> 00:55:09,658

The strongest so far.

338

00:55:10,625 --> 00:55:13,823

But you're nearly dead. Poor waif.

339

00:55:14,542 --> 00:55:16,579

Make the radio call.

340

00:55:42,458 --> 00:55:45,747

To talk, to obey

would be so much easier.

341

00:56:00,458 --> 00:56:03,530

Yushin

has a memento for you of this day.

342

00:56:25,542 --> 00:56:27,750

Put it in his eye.

343

00:56:34,625 --> 00:56:39,120

If your own life

means nothing to you, perhaps his does.

344

00:56:39,292 --> 00:56:42,911

Don't tell them anything!

- You will talk.

345

00:56:53,292 --> 00:56:54,292

Yes?

346

00:57:29,792 --> 00:57:31,203

Don't do it!

347

00:57:33,583 --> 00:57:35,245

Do it

348

00:57:35,417 --> 00:57:36,783

Now!

349

00:58:05,708 --> 00:58:08,826

Two-two-zero-five-six

350

00:58:09,667 --> 00:58:11,750

Lone Wolf receive.

351

00:58:13,375 --> 00:58:15,788

This is Lone Wolf

352

00:58:16,792 --> 00:58:21,036

Lone Wolf, this is Wolf's Den.

Transmit location and status.

353

00:58:21,458 --> 00:58:24,530

What is it?

- It's Rambo, Sir.

354

00:58:25,625 --> 00:58:28,493

We read you,

Lone Wolf. What is your position? Over.

355

00:58:30,292 --> 00:58:32,955

I say again:

What is your position? Over.

356

00:58:34,625 --> 00:58:38,244

Your friend dies if you do not answer.

357

00:58:40,167 --> 00:58:42,204

This is Trautman. Where are you?

358

00:58:47,292 --> 00:58:48,373

Come in!

359

00:58:57,417 --> 00:58:58,417

Murdock

360

00:59:00,000 --> 00:59:01,616

He's here.

361

00:59:05,958 --> 00:59:08,200

Rambo, we're glad you're alive.

362

00:59:09,167 --> 00:59:13,332

Where are you? Give us your position,
and we'll come to pick you up.

363

00:59:22,250 --> 00:59:23,331

Murdock

364

00:59:26,833 --> 00:59:28,574

I'm coming to get you!

365

01:01:50,875 --> 01:01:52,286

Duck!

366

01:02:57,417 --> 01:02:58,703

This way.

367

01:03:36,667 --> 01:03:38,750

We safe for now.

368

01:03:43,458 --> 01:03:47,828

You look like hell, Rambo.

- Tough night.

369

01:03:48,875 --> 01:03:51,037

Maybe need this.

370

01:03:53,500 --> 01:03:56,618

You hurt bad.

- It's alright.

371

01:04:03,667 --> 01:04:04,953

Listen

372

01:04:05,750 --> 01:04:08,948

What you did back there

373

01:04:09,333 --> 01:04:11,495

I won't forget it.

374

01:04:13,333 --> 01:04:14,414

Thanks.

375

01:04:17,458 --> 01:04:18,619

What you do now?

376

01:04:19,292 --> 01:04:21,500

Try get across through Thailand?

377

01:04:21,667 --> 01:04:24,535

Yeah.

- Then go America?

378

01:04:31,625 --> 01:04:33,708

You take me with you?

379

01:04:44,958 --> 01:04:46,199

You take me?

380

01:04:48,583 --> 01:04:49,583

Yeah.

381

01:04:53,083 --> 01:04:54,574

I think you make good choice.

382

01:04:57,708 --> 01:04:59,165

We go?

- Let's go.

383

01:05:36,792 --> 01:05:38,454

You alright?

384

01:05:52,042 --> 01:05:55,035

You not forget me.

385

01:05:55,208 --> 01:05:56,619

No.

386

01:06:15,292 --> 01:06:17,579

I want the rescue team

ready to go in one hour.

387

01:06:17,750 --> 01:06:22,575

You're risking everything.

Do you think one man's worth all that?

388

01:06:22,750 --> 01:06:23,750

Yes.

389

01:06:24,292 --> 01:06:28,741

I order you to withdraw.

- I'll go over your head.

390

01:06:28,917 --> 01:06:33,207

You don't seem to understand that I'm
in charge here. You're just a tool.

391

01:06:35,125 --> 01:06:36,866

We're the machine.

392

01:06:37,667 --> 01:06:39,875

He's not to leave the base.

393

01:06:44,750 --> 01:06:49,324

He never had a chance, did he?

- Like you said: He went home.

394

01:21:04,000 --> 01:21:05,036

Get back.

395

01:21:09,375 --> 01:21:11,958

Come on! To the chopper!

396

01:21:12,125 --> 01:21:13,366

Move!

397

01:21:13,708 --> 01:21:15,745

To the chopper!

398

01:21:32,792 --> 01:21:33,953

Move!

399

01:22:07,042 --> 01:22:08,078

You guys made it!

400

01:22:46,125 --> 01:22:48,287

Chopper on your tail!

401

01:22:50,167 --> 01:22:51,167

Hang on!

402

01:24:20,208 --> 01:24:21,208

Hold on!

403

01:24:28,583 --> 01:24:29,790

Fire in the tail!

404

01:26:34,167 --> 01:26:36,284

Lone Wolf calling Wolf's Den. Over.

405

01:26:37,708 --> 01:26:40,826

Lone Wolf calling Wolf's Den. Over.

406

01:26:41,667 --> 01:26:45,206

Wolf's Den,

this is Lone wolf, do you read?

407

01:26:48,125 --> 01:26:49,616

We hear you, Lone Wolf. Over.

408

01:26:49,792 --> 01:26:54,457

Prepare for emergency landing.

Arriving with American POWs.

409

01:27:06,833 --> 01:27:11,032

You heard. Prepare for landing of POWs!

410

01:28:27,792 --> 01:28:29,704

Glad you made it.

411

01:29:41,208 --> 01:29:43,996

Rambo, I don't make the orders.

412

01:29:44,167 --> 01:29:46,250

I take them, just like you.

413

01:29:50,625 --> 01:29:54,369

I swear to God I didn't know

it was supposed to happen like this.

414

01:29:55,000 --> 01:29:57,663

It was just supposed
to be another assignment.

415

01:30:05,000 --> 01:30:06,000

Mission

416

01:30:08,083 --> 01:30:09,199

accomplished!

417

01:30:16,792 --> 01:30:18,875

You know there are more men out there.

418

01:30:19,875 --> 01:30:21,457

You know where they are.

419

01:30:23,875 --> 01:30:27,368

Find them, or I'll find you!

420

01:30:52,500 --> 01:30:54,241

Where are you going?

421

01:30:54,750 --> 01:30:56,457

I don't know.

422

01:30:58,083 --> 01:31:01,201

You'll get

a second Medal of Honor for this.

423

01:31:09,083 --> 01:31:13,703

They should give it to them.

They deserve it more.

424

01:31:14,958 --> 01:31:18,531

You can't keep running, John.

You're free now.

425

01:31:18,958 --> 01:31:21,166

Come back to us.

426

01:31:22,292 --> 01:31:24,124

Back to what?

427

01:31:25,167 --> 01:31:27,784

My friends died here,

428

01:31:28,833 --> 01:31:31,075

and part of me died here.

429

01:31:32,125 --> 01:31:37,701

The war may have been wrong,
but don't hate your country for it.

430

01:31:38,583 --> 01:31:39,583

Hate it?

431

01:31:40,958 --> 01:31:42,494

I'd die for it!

432

01:31:44,417 --> 01:31:46,283

What is it you want?

433

01:31:51,667 --> 01:31:53,203

I want

434

01:31:55,625 --> 01:31:57,708

what they want,

435

01:31:58,125 --> 01:32:01,368

and every other guy who came out here

436

01:32:01,792 --> 01:32:06,116

and spilt his guts

and gave everything he had:

437

01:32:08,042 --> 01:32:10,500

For our country to love us

438

01:32:10,958 --> 01:32:13,075

as much as we love it.

439

01:32:15,750 --> 01:32:17,332

That's what I want.

440

01:32:24,125 --> 01:32:27,948

How will you live, John?

- Day by day.
