

Dialogues from Rambo III to improve the vocabulary in English

1

00:06:47,708 --> 00:06:48,708

John!

2

00:07:56,292 --> 00:07:58,124

Where's Rambo?

3

00:08:19,458 --> 00:08:20,494

John!

4

00:08:21,625 --> 00:08:22,866

John Rambo!

5

00:08:28,417 --> 00:08:30,283

I don't believe it!

6

00:08:37,500 --> 00:08:40,038

- Where've you come from?

- Washington.

7

00:08:40,833 --> 00:08:43,496

- Good to see you.

- You too.

8

00:08:45,083 --> 00:08:49,407

- Do you want to tell me about it?

- About what?

9

00:08:49,833 --> 00:08:53,622

Your stick fighting yesterday.

In the warehouse in Bangkok.

10

00:08:53,958 --> 00:08:56,371

- You saw that?

- Yes.

11

00:08:56,708 --> 00:08:59,496

And today you're working in a monastery.

12

00:09:00,583 --> 00:09:03,371

They let me live here
and I help them with repairs.

13

00:09:03,708 --> 00:09:07,327

- And the stick fighting?
- Some extra money.

14

00:09:10,375 --> 00:09:12,583

I saw you give it to those monks.

15

00:09:13,208 --> 00:09:14,289

You see a lot.

16

00:09:17,625 --> 00:09:20,823

- And who are they?
- They're the reason I'm here.

17

00:09:23,792 --> 00:09:26,785

This is Robert Griggs,
from our embassy here.

18

00:09:27,333 --> 00:09:28,540

John Rambo.

19

00:09:29,542 --> 00:09:30,658

Pleased to meet you.

20

00:09:31,542 --> 00:09:34,330

- You're hard to find.

- Are you keeping track of me?

21

00:09:35,542 --> 00:09:38,535

What does the Colonel say?

Good men are hard to find.

22

00:09:42,792 --> 00:09:45,205

Take a look at these pictures.

23

00:09:46,292 --> 00:09:48,409

I don't know

what you know about Afghanistan.

24

00:09:48,750 --> 00:09:51,743

Most people don't even know where it is.

25

00:09:51,917 --> 00:09:54,375

But over two million civilians,

26

00:09:54,542 --> 00:09:59,742

mainly peasant families,
have been killed by Russian troops.

27

00:10:01,083 --> 00:10:03,370

Many newly developed weapons,

28

00:10:06,333 --> 00:10:09,451

including chemical warfare,
were used to wipe them out.

29

00:10:09,833 --> 00:10:11,870

With great success.

30

00:10:13,833 --> 00:10:17,201

I guess you don't know about
the current state of affairs.

31

00:10:18,333 --> 00:10:20,245

After nine years of fighting

32

00:10:20,417 --> 00:10:25,742

Afghanistan is getting Stinger missiles
to defend against the air strikes.

33

00:10:25,917 --> 00:10:29,615

Except for one region,
80 km behind the border.

34

00:10:30,583 --> 00:10:33,701

The Soviet commander there
seems to be really brutal,

35

00:10:33,875 --> 00:10:35,616

as the photos show.

36

00:10:36,167 --> 00:10:38,910

He prevents

any outside help getting in.

37

00:10:40,542 --> 00:10:42,704

And that's why we'd like to...

38

00:10:44,208 --> 00:10:46,746

check out the problem firsthand.

39

00:10:46,917 --> 00:10:48,658

And what have I got to do with it?

40

00:10:50,958 --> 00:10:54,201

- I'm to go there.

- But you're not going to?

41

00:10:54,750 --> 00:10:57,868

Sure. With you, John.

42

00:10:58,958 --> 00:11:00,165

I put in my time.

43

00:11:00,333 --> 00:11:01,619

What does that mean?

44

00:11:03,292 --> 00:11:04,624

My war is over.

45

00:11:16,042 --> 00:11:19,240

But you said he was a great soldier.

46

00:11:20,167 --> 00:11:21,499

Alright!

47

00:11:21,958 --> 00:11:24,496

It's long way down those stairs.

48

00:11:41,167 --> 00:11:44,581

Don't hold it against him,

he's just obeying orders.

49

00:11:45,750 --> 00:11:48,367

It's an important mission.

50

00:11:48,708 --> 00:11:51,576

- And we can make a difference?

- That's why we're going.

51

00:11:51,750 --> 00:11:55,448

- It didn't work before.

- Those were different times.

52

00:11:56,458 --> 00:11:57,574

Come with me, John.

53

00:12:03,083 --> 00:12:06,952

I don't know what you think,

but I like it here.

54

00:12:07,292 --> 00:12:11,616

I like living and working here.

It's good to belong somewhere.

55

00:12:12,125 --> 00:12:14,663

But you don't belong here.

56

00:12:16,292 --> 00:12:20,161

- When are you coming full circle?

- What do you mean?

57

00:12:20,625 --> 00:12:24,289

You say your war is over.

The war outside maybe,

58

00:12:24,625 --> 00:12:26,708

but not the one inside you.

59

00:12:27,208 --> 00:12:30,406

I know why you're here.

But it doesn't work like that.

60

00:12:30,875 --> 00:12:34,494

You're trying to change yourself,
but you stay who you are.

61

00:12:35,042 --> 00:12:37,580

- And what am I?

- A full-blooded fighter.

62

00:12:38,042 --> 00:12:42,412

- I don't want to be that any more.

- But that's what you are.

63

00:12:43,292 --> 00:12:44,624

Listen, John,

64

00:12:45,167 --> 00:12:49,411

there was once a sculptor
who found a very special stone.

65

00:12:49,583 --> 00:12:53,657

He carried it home and worked on it
for months, until it was finished.

66

00:12:54,208 --> 00:12:58,327

Then he showed it to his friends.

They said: great statue!

67

00:12:58,708 --> 00:13:03,157

But the sculptor said

the statue had always been there.

68

00:13:03,500 --> 00:13:07,198

All he had done

was to knock away a few pieces.

69

00:13:07,375 --> 00:13:10,618

We didn't make you

into a fighting machine.

70

00:13:11,083 --> 00:13:14,121

We just knocked the rough edges off you.

71

00:13:14,292 --> 00:13:17,706

You have to finally

come to terms with yourself!

72

00:13:19,375 --> 00:13:20,832

Until you come full circle.

73

00:13:23,792 --> 00:13:25,374

I guess I'm not ready yet.

74

00:13:31,583 --> 00:13:33,199

I have to go.

75

00:13:35,625 --> 00:13:37,992

Come and see me

when you're next in the States.

76

00:13:40,000 --> 00:13:41,081

I promise.

77

00:13:41,708 --> 00:13:42,708

Colonel!

78

00:13:43,958 --> 00:13:47,326

I'm sorry.

But it has to end for me sometime.

79

00:13:49,667 --> 00:13:50,874

I understand.

80

00:15:15,333 --> 00:15:17,199

<i>Take cover!</i>

81

00:15:42,083 --> 00:15:44,996

<i>Drop your weapons and stand still!</i>

82

00:15:46,458 --> 00:15:48,074

<i>You can't escape!</i>

83

00:15:53,833 --> 00:15:55,540

<i>Drop your weapons!</i>

84

00:15:56,083 --> 00:15:57,494

<i>There's no escape!</i>

85

00:15:59,875 --> 00:16:01,286

<i>Drop your weapons!</i>

86

00:16:02,083 --> 00:16:03,619

<i>At once!</i>

87

00:16:31,875 --> 00:16:33,036

Something went wrong.

88

00:16:33,208 --> 00:16:37,157

- What happened?

- The Soviets intercepted the team.

89

00:16:39,333 --> 00:16:43,282

Trautman and the others

were taken to the enemy camp.

90

00:16:45,083 --> 00:16:46,164

And now?

91

00:16:48,292 --> 00:16:51,080

I can't do anything.

I'm sorry.

92

00:16:52,083 --> 00:16:54,450

I just thought you should know.

93

00:16:56,042 --> 00:16:57,203

What about me?

94

00:17:00,042 --> 00:17:02,250

- You?

- Can you get me in?

95

00:17:03,333 --> 00:17:05,996

- You're not serious.

- Of course I am.

96

00:17:08,833 --> 00:17:11,496

Officially it's not possible.

- Then unofficially.

97

00:17:13,167 --> 00:17:16,126

You should know one thing.

If you get taken prisoner

98

00:17:17,292 --> 00:17:18,499

or something leaks out,

99

00:17:19,083 --> 00:17:22,281

we'll deny any knowledge of you.

100

00:17:24,417 --> 00:17:25,908

I'm used to it.

101

00:17:27,417 --> 00:17:28,578

You'll hear from me.

102

00:18:53,792 --> 00:18:56,125

You want buy? Many guns!

103

00:18:57,208 --> 00:18:59,700

No. I'm looking for Mousa Chanin.

104

00:19:00,917 --> 00:19:03,989

- What's your name?

- John Rambo.

105

00:19:07,083 --> 00:19:08,290

Wait here.

106

00:19:31,042 --> 00:19:32,249

They sell well here.

107

00:19:34,958 --> 00:19:36,540

Because of the landmines.

108

00:19:37,000 --> 00:19:38,582

Everywhere landmines.

109

00:19:40,417 --> 00:19:44,036

- I am Mousa Chanin. What do you want?

- Griggs sent me.

110

00:19:45,917 --> 00:19:50,958

You don't look like the guys

he usually sends. Soldiers.

111

00:19:51,750 --> 00:19:54,618

- I'm not a soldier.

- Then what? A mercenary?

112

00:19:56,667 --> 00:20:01,537

- No.

- A tourist that lost his way?

113

00:20:07,875 --> 00:20:09,616

I'm not a tourist.

114

00:20:11,250 --> 00:20:13,958

- Sorry.

- Do you know where the American is?

115

00:20:14,417 --> 00:20:16,704

In a Soviet fort.

116

00:20:17,500 --> 00:20:21,039

Near Khost, 30 miles from the border.

117

00:20:21,583 --> 00:20:24,041

Mr. Griggs sent
the supplies you wanted.

118

00:20:24,917 --> 00:20:26,499

- Do you want to see?

- Yes.

119

00:20:30,167 --> 00:20:32,750

- Did you order these?

- Yes.

120

00:20:33,875 --> 00:20:36,288

I've never seen anything like it before.

What are these?

121

00:20:36,833 --> 00:20:39,291

- Detonators.

- And this?

122

00:20:40,542 --> 00:20:41,578

What is this?

123

00:20:43,042 --> 00:20:45,785

- A blue light.

- What does it do?

124

00:20:46,750 --> 00:20:50,073

- Turns blue.

- I see.

125

00:20:51,250 --> 00:20:53,116

How many men will come with us?

126

00:20:53,625 --> 00:20:55,241

I'm the rescue team.

127

00:20:56,250 --> 00:21:00,915

That's crazy. One isn't enough.

We need more people.

128

00:21:02,792 --> 00:21:05,125

Griggs said you'd take me there.

So do it!

129

00:21:06,042 --> 00:21:10,036

I have to take medicine with me;

if not, many people will die.

130

00:21:10,583 --> 00:21:11,915

Do you understand?

131

00:21:13,333 --> 00:21:15,245

I don't know you,

132

00:21:15,792 --> 00:21:18,626

but from the way you look

you have no experience of war.

133

00:21:20,333 --> 00:21:21,540

Or do you?

134

00:21:22,792 --> 00:21:24,374

I've fired a gun before.

135

00:21:28,417 --> 00:21:29,658

Fired a gun before?

136

00:21:30,833 --> 00:21:35,032

Maybe you should go home again
and think things over.

137

00:21:35,542 --> 00:21:36,953

Very long.

138

00:21:41,292 --> 00:21:42,999

I've done that.

139

00:21:44,250 --> 00:21:45,286

Oh really?

140

00:21:47,042 --> 00:21:49,500

OK, if that's what you want.

141

00:21:49,833 --> 00:21:53,452

But you can't get
that American out alone.

142

00:21:54,458 --> 00:21:57,075

If it doesn't work don't blame me.

143

00:21:57,625 --> 00:21:58,991

I'm not taking the responsibility.

144

00:22:01,542 --> 00:22:02,874

Sounds familiar.

145

00:22:38,083 --> 00:22:42,407

I am Colonel Zaysen,
Regional Commander of this sector.

146

00:22:46,417 --> 00:22:50,582

You're the first American
to be captured in Afghanistan.

147

00:22:51,083 --> 00:22:52,949

Congratulations.

148

00:22:54,417 --> 00:22:57,205

I believe you plan
to supply the enemy rebels

149

00:22:57,375 --> 00:23:00,948

with Stinger missiles
to destroy Soviet aircraft.

150

00:23:01,875 --> 00:23:05,824

I'll only answer to your superiors.

151

00:23:07,875 --> 00:23:10,868

Out here I have no superiors.

152

00:23:12,667 --> 00:23:13,953

I am in full command.

153

00:23:16,458 --> 00:23:18,996

You're on your own,

154

00:23:22,667 --> 00:23:24,533

abandoned by your government.

155

00:23:26,458 --> 00:23:29,872

- What do you want?

- Cooperation.

156

00:23:32,458 --> 00:23:36,953

This sector has been controlled by us
for five years.

157

00:23:39,208 --> 00:23:41,825

There's not much left for me to do.

158

00:23:42,542 --> 00:23:46,491

There is, so to speak,
no challenge any more.

159

00:23:49,958 --> 00:23:54,532

If you give me information
about the planned Stinger deliveries,

160

00:23:54,917 --> 00:23:57,500

we could both get out of here.

161

00:23:58,917 --> 00:24:02,991

After all, that is what we all want:

162

00:24:04,542 --> 00:24:05,623

peace.

163

00:24:06,542 --> 00:24:08,462

In the Kremlin

they really have a sense of humor.

164

00:24:09,958 --> 00:24:10,994

Explain.

165

00:24:11,667 --> 00:24:16,833

To the world you talk about peace,
and here you butcher a whole people.

166

00:24:17,333 --> 00:24:19,746

We're not butchering anyone.

167

00:24:20,833 --> 00:24:25,123

You're too intelligent
to believe that propaganda!

168

00:24:26,500 --> 00:24:28,412

Again: where are the missiles?

169

00:24:28,583 --> 00:24:31,701

- I don't know anything about missiles!

- Of course!

170

00:24:32,042 --> 00:24:34,910

But you don't understand
that I can get us out of here.

171

00:24:35,417 --> 00:24:37,500

Do you want sympathy?

172

00:24:38,458 --> 00:24:40,040

After all, you started this war!

173

00:24:40,625 --> 00:24:44,869

It's just a question of time
until we have total victory.

174

00:24:45,417 --> 00:24:50,537

There won't be any victory.
You're losing ground every day

175

00:24:50,875 --> 00:24:52,491

to badly equipped freedom-fighters!

176

00:24:52,667 --> 00:24:55,284

You simply underestimated
the competition.

177

00:24:55,958 --> 00:24:58,951

Didn't you take history at school?
This region was always independent!

178

00:24:59,375 --> 00:25:03,164

They prefer to die rather than
become slaves to occupying forces.

179

00:25:03,750 --> 00:25:05,491

You can't conquer a people like that.

180

00:25:05,833 --> 00:25:08,701

We tried it.
We had our Vietnam!

181

00:25:10,042 --> 00:25:12,284

- Now you've got yours!

- Oh, I see.

182

00:25:13,167 --> 00:25:15,500

You want to test me.

Good.

183

00:25:55,083 --> 00:25:57,496

This is Afghanistan.

184

00:25:58,083 --> 00:26:00,370

Alexander the Great

tried to conquer it,

185

00:26:00,542 --> 00:26:04,786

then Ghenghis Khan,

the English and now the Russians.

186

00:26:05,958 --> 00:26:08,666

But the Afghan people

can't be conquered.

187

00:26:09,750 --> 00:26:12,993

An old enemy wrote a prayer about us.

Do you want to hear it?

188

00:26:14,458 --> 00:26:17,371

Very well. It goes like this:

189

00:26:17,708 --> 00:26:19,950

"May God deliver us

from the cobra's venom,

190

00:26:20,500 --> 00:26:23,618

from the tiger's teeth,

and the Afghan's vengeance."

191

00:26:25,708 --> 00:26:27,370

Do you understand that?

192

00:26:28,917 --> 00:26:31,375

That you don't take any shit.

193

00:26:32,708 --> 00:26:35,371

Something like this.

194

00:26:40,208 --> 00:26:41,244

Go on!

195

00:27:16,167 --> 00:27:18,750

In the north there are lots of caves
that we can use.

196

00:27:19,708 --> 00:27:21,700

It'll be safer. Let's go!

197

00:27:26,417 --> 00:27:28,659

This cave leads
to the "Valley of the Five Lions".

198

00:27:29,458 --> 00:27:34,283

The Afghan king was supposed
to send 500 warriors into battle.

199

00:27:34,625 --> 00:27:36,332

He only sent five.

200

00:27:39,208 --> 00:27:41,871

The five best,
and they won.

201

00:27:42,417 --> 00:27:45,489

He said,
better five lions than 500 sheep.

202

00:27:45,833 --> 00:27:49,952

- What d'you think of that?
- The king was lucky.

203

00:27:51,542 --> 00:27:54,785

- How much longer till the village?
- About two hours.

204

00:28:06,125 --> 00:28:09,323

Where in my sector
are the missiles being delivered?

205

00:28:13,375 --> 00:28:14,491

I don't know.

206

00:28:15,542 --> 00:28:17,158

You're lying.

207

00:28:20,208 --> 00:28:21,324

Where?

208

00:28:25,042 --> 00:28:26,042

Where?

209

00:28:27,042 --> 00:28:28,408

OK, I'll tell you.

210

00:28:30,500 --> 00:28:33,413

I knew you were lying.

211

00:28:33,583 --> 00:28:37,782

So, where are the missiles?

212

00:28:39,333 --> 00:28:40,369

Real close.

213

00:28:41,083 --> 00:28:42,199

How close?

214

00:28:44,583 --> 00:28:45,699

In your ass.

215

00:28:58,750 --> 00:29:01,709

You've tested

my patience long enough.

216

00:29:09,167 --> 00:29:12,581

Up till now

I've behaved in a civilized way.

217

00:29:43,542 --> 00:29:44,999

The name John Rambo,

218

00:29:50,167 --> 00:29:52,159

have you heard it before?

219

00:29:53,708 --> 00:29:54,744

No?

220

00:29:56,042 --> 00:30:00,742

He says a rescue attempt
is being planned with rebel help.

221

00:30:01,458 --> 00:30:04,906

He says he knows
where this man is heading.

222

00:30:09,250 --> 00:30:10,331

We will welcome him.

223

00:30:29,667 --> 00:30:33,661

It's the last village in the valley.

100 people live here.

224

00:30:35,333 --> 00:30:39,452

- Lots of kids.

- Yes, they are good fighters, too.

225

00:30:40,500 --> 00:30:43,163

I'll tell the leaders

we want to talk to them.

226

00:30:48,500 --> 00:30:50,492

They've never seen

a man like you here before.

227

00:30:58,417 --> 00:31:02,741

They're Mujahedin horsemen.

At the border there are 10,000 more.

228

00:31:03,500 --> 00:31:06,993

They are waiting there for weapons,

then they'll come and fight here.

229

00:31:26,000 --> 00:31:27,992

Let's go to the hospital.

230

00:31:33,042 --> 00:31:36,206

He is the only doctor

for 500 km.

231

00:31:39,375 --> 00:31:41,958

The first medication

for two months.

232

00:31:50,667 --> 00:31:54,331

More gifts from the Soviets: mines.

They look like toys.

233

00:31:54,833 --> 00:31:58,827

Some children learn too late

that they're not.

234

00:32:01,708 --> 00:32:02,744

Who's that?

235

00:32:03,708 --> 00:32:05,665

That's Uri. He's Russian.

236

00:32:06,125 --> 00:32:07,161

A deserter?

237

00:32:07,542 --> 00:32:10,250

A defector.

There are lots of them.

238

00:32:10,417 --> 00:32:14,286

He can help us best;

he knows the inside of the fort.

239

00:32:18,625 --> 00:32:20,161

We'd better leave now.

240

00:32:39,833 --> 00:32:45,750

This is where the mines start:

one meter here, then two meters there,

241

00:32:46,083 --> 00:32:47,290

then round here.

242

00:32:47,875 --> 00:32:50,367

There are four watchtowers

with four guards,

243

00:32:50,958 --> 00:32:53,746

here, here, here and here.

244

00:32:54,708 --> 00:32:57,121

- Where are the prisoners?

- Here.

245

00:32:58,250 --> 00:33:01,322

Once we're in,

is there another way out?

246

00:33:02,292 --> 00:33:05,000

Underground,
where the dirty water is.

247

00:33:05,333 --> 00:33:07,746

I don't know the right word.

248

00:33:08,125 --> 00:33:10,412

He means the sewer.

Where is it?

249

00:33:10,917 --> 00:33:15,116

Here. It comes out here.

There are guards patrolling.

250

00:33:16,042 --> 00:33:17,783

Better not to go that way.

251

00:33:18,417 --> 00:33:20,750

Then we'll go through the minefield.

252

00:33:21,167 --> 00:33:25,741

That's impossible.

It's full of Spetnaz commandos.

253

00:33:26,083 --> 00:33:29,281

We're just a few,

we've lost many men already.

254

00:33:29,833 --> 00:33:34,032

- We'll lose more that way.

- I don't need many men.

255

00:33:35,167 --> 00:33:36,374

What's your plan?

256

00:33:37,833 --> 00:33:40,905

Two men for the minefield,

two for the rescue.

257

00:33:41,083 --> 00:33:44,531

The Soviets will come back again

258

00:33:44,708 --> 00:33:48,281

- and more people will die.

- I can't wait.

259

00:33:48,750 --> 00:33:51,117

You have to wait for help like us.

260

00:33:53,417 --> 00:33:56,160

- Then I'll go alone.

- You will die!

261

00:33:59,083 --> 00:34:00,369

Then I'll die.

262

00:34:06,125 --> 00:34:07,206

Wait!

263

00:34:08,917 --> 00:34:10,033

Please don't go.

264

00:34:18,250 --> 00:34:19,866

My name is Masoud.

265

00:34:21,250 --> 00:34:25,950

Let me explain

why we can't help you.

266

00:34:27,875 --> 00:34:30,162

Most Afghans are very strong

267

00:34:30,500 --> 00:34:34,744

and we don't want to be

driven out of our country.

268

00:34:34,917 --> 00:34:40,083

Our children are dying

of disease, mines, poison gas.

269

00:34:40,250 --> 00:34:43,038

Our women are being raped and killed.

270

00:34:43,458 --> 00:34:47,907

Last year, in the Legman valley,
the next valley,

271

00:34:48,250 --> 00:34:50,458
6,000 Afghans were killed.

272

00:34:51,500 --> 00:34:55,039
Pregnant women were bayoneted

273

00:34:55,583 --> 00:34:57,700
and their babies thrown in the fire.

274

00:34:58,667 --> 00:35:02,991
They do that so that there can be
no new generation of Afghans.

275

00:35:03,583 --> 00:35:06,747
But nobody sees it and
the papers don't report it.

276

00:35:08,583 --> 00:35:11,041

The men you see here

277

00:35:11,583 --> 00:35:13,540

are Mujahedin,

278

00:35:13,958 --> 00:35:15,494

holy warriors.

279

00:35:15,958 --> 00:35:18,792

This war is a holy war for us.

280

00:35:19,125 --> 00:35:24,120

For a Mujahedin there is no death,
because we have already

281

00:35:24,708 --> 00:35:27,496

made our peace with God
and consider ourselves dead.

282

00:35:28,542 --> 00:35:31,990

For us, dying for our country

and for God is an honor.

283

00:35:32,542 --> 00:35:33,999

That, my friend, is why

284

00:35:35,208 --> 00:35:39,908

we must stop the murder of our families.

285

00:35:41,667 --> 00:35:43,954

If we succeed in freeing the man

286

00:35:44,458 --> 00:35:49,954

and he tells the free world
that our war here is necessary,

287

00:35:50,500 --> 00:35:51,991

then of course we will help.

288

00:35:54,667 --> 00:35:59,207

Let us now discuss amongst ourselves

289

00:35:59,708 --> 00:36:02,200

how we can best free the man.

290

00:36:08,000 --> 00:36:10,617

- Thank you.

- We thank you.

291

00:36:34,875 --> 00:36:37,913

Don't worry,

they'll soon make a decision.

292

00:36:38,250 --> 00:36:41,539

- We have to leave this evening.

- What's your name?

293

00:36:44,458 --> 00:36:46,996

This boy is very hard inside.

294

00:36:47,333 --> 00:36:50,076

His parents were killed last year.

295

00:36:50,417 --> 00:36:53,160

His brother died in the fort
where the American is.

296

00:36:53,500 --> 00:36:56,493

He looks like a boy,
but he fights like a man.

297

00:36:57,000 --> 00:36:59,367

- What's your name?

- Rambo.

298

00:36:59,542 --> 00:37:02,410

- Where do you come from?

- Arizona.

299

00:37:02,833 --> 00:37:07,032

- Arizona? How many days' walk from here?

- Two years.

300

00:37:07,583 --> 00:37:08,915

Two years...

301

00:37:10,167 --> 00:37:13,990

- Are you a soldier?

- No, not any more.

302

00:37:14,542 --> 00:37:17,205

I am a soldier.

Are you here to fight?

303

00:37:17,750 --> 00:37:20,948

- No.

- Are you scared?

304

00:37:22,958 --> 00:37:24,199

What's this?

305

00:37:25,875 --> 00:37:28,083

- A knife.

- Can I see? - Sure.

306

00:37:36,500 --> 00:37:38,082

Very good. Can I have it?

307

00:37:38,250 --> 00:37:39,411

No.

308

00:37:41,500 --> 00:37:43,583

- What's this?

- You want everything.

309

00:37:43,917 --> 00:37:46,625

- It brings luck.

- What is luck?

310

00:37:46,958 --> 00:37:48,620

Luck is...

311

00:37:50,708 --> 00:37:54,452

- Can I have it? I need luck.

- Me too.

312

00:37:57,958 --> 00:38:01,201

What a child! He's always like that.

313

00:38:04,208 --> 00:38:07,042

Look! Our national sport.

314

00:38:07,542 --> 00:38:10,831

An old, insane game,
maybe 3,000 years old.

315

00:38:11,208 --> 00:38:12,415

They play non-stop.

316

00:38:16,708 --> 00:38:19,246

War or not, it doesn't matter.

317

00:38:19,750 --> 00:38:22,584

- Do you like it?

- I prefer football.

318

00:38:22,750 --> 00:38:25,914

What is football?

Do you play it with your feet?

319

00:38:26,417 --> 00:38:27,578

Not really.

320

00:38:38,542 --> 00:38:39,658

Let's

321

00:38:51,708 --> 00:38:54,701

- What are they saying?

- They want you to try it.

322

00:38:55,292 --> 00:38:58,956

It's a way of welcoming you.

Try it if you want,

323

00:38:59,583 --> 00:39:01,791

but I'm not taking the responsibility.

324

00:39:05,917 --> 00:39:07,783

<i>- I'll</i> try it.

- Yes?

325

00:39:10,000 --> 00:39:13,573

- How does it go?

- The sheep has to be carried round once

326

00:39:13,917 --> 00:39:17,331

and then thrown in the circle.

327

00:39:17,500 --> 00:39:19,742

- Why?

- Because there is a circle there.

328

00:39:21,958 --> 00:39:24,166

- And that's all?

- Very simple.

329

00:39:26,833 --> 00:39:30,247

- Like football.

- God must love crazy people!

330

00:39:31,083 --> 00:39:34,121

- Why?

- He made so many of them!

331

00:47:11,875 --> 00:47:13,457

That's how it is here.

332

00:47:15,083 --> 00:47:18,076

In every war there's supposed
to be a kind of honor.

333

00:47:18,500 --> 00:47:20,992

Where is the honor here? Where?

334

00:47:24,000 --> 00:47:26,993

We're taking the survivors
to the border. Are you coming?

335

00:47:28,667 --> 00:47:29,999

I'm going to the fort.

336

00:47:30,750 --> 00:47:32,412

Haven't you seen enough death?

337

00:47:33,208 --> 00:47:37,748

Go away while you still can.

This is not your war.

338

00:47:41,042 --> 00:47:42,249

Now it is.

339

00:47:46,458 --> 00:47:47,994

Then so be it.

340

00:47:49,875 --> 00:47:50,991

We are friends.

341

00:48:01,792 --> 00:48:04,455

I'll stay and show you the way.

342

00:48:04,792 --> 00:48:06,249

I'm coming too.

343

00:48:07,333 --> 00:48:08,414

No.

344

00:48:08,583 --> 00:48:13,374

Yes I am. My family is dead.

I want to fight!

345

00:48:14,458 --> 00:48:17,201

Not with me. Go away!

346

00:48:18,542 --> 00:48:19,578

Go on.

347

00:48:24,833 --> 00:48:25,994

Why are you doing this?

348

00:48:28,250 --> 00:48:29,912

Because he would do it for me.

349

00:48:55,833 --> 00:48:57,415

Are you finally going to talk?

350

00:48:58,917 --> 00:48:59,917

No?

351

00:49:01,208 --> 00:49:02,244

Alright.

352

00:49:03,333 --> 00:49:06,405

If that's the way you want it.

353

00:50:39,583 --> 00:50:40,824

- Go back!

- No!

354

00:50:41,375 --> 00:50:42,375

Go!

355

00:51:10,958 --> 00:51:12,494

Go on!

356

00:51:14,875 --> 00:51:17,458

- Stay here!

- I know the place. You need me.

357

00:51:17,625 --> 00:51:20,333

But not dead. Go back.

Understand?

358

00:58:23,125 --> 00:58:24,661

American?

359

00:58:25,917 --> 00:58:27,453

American?

360

00:58:49,750 --> 00:58:51,537

Colonel? Colonel?

361

00:58:57,792 --> 00:58:59,875

John! How did you get in here?

362

00:59:00,042 --> 00:59:02,785

- Can you move?

- And how.

363

00:59:04,958 --> 00:59:06,039

Let's

364

00:59:11,083 --> 00:59:12,619

Behind you!

365

00:59:23,083 --> 00:59:24,619

Run!

366

00:59:30,000 --> 00:59:31,787

John, get out of here!

367

01:01:29,042 --> 01:01:30,249

Over here!

368

01:01:32,000 --> 01:01:33,536

Go on!

369

01:01:39,917 --> 01:01:41,453

Help me!

370

01:02:16,083 --> 01:02:17,665

Take him!

371

01:02:39,333 --> 01:02:40,949

Come on!

372

01:02:44,417 --> 01:02:45,953

The boy!

373

01:03:05,708 --> 01:03:06,994

Run!

374

01:03:19,000 --> 01:03:20,536

Come on!

375

01:03:22,000 --> 01:03:23,536

Take the boy!

376

01:03:26,417 --> 01:03:27,953

Jump down!

377

01:04:29,833 --> 01:04:31,665

The troops are ready,

378

01:04:31,833 --> 01:04:33,449

Colonel.

379

01:04:33,625 --> 01:04:35,412

Trace them.

380

01:04:41,042 --> 01:04:42,658

Give me the boy!

381

01:05:37,833 --> 01:05:41,747

Who is this terrorist?

What makes you so valuable to him?

382

01:05:42,250 --> 01:05:46,039

He wanted to destroy me.

But he failed!

383

01:05:46,208 --> 01:05:50,452

I'll get him at sunrise

and hang his skin on the wall!

384

01:05:51,000 --> 01:05:53,458

- You don't have to hunt him.

- What?

385

01:05:54,750 --> 01:05:56,082

He'll find you.

386

01:05:59,375 --> 01:06:00,991

Are you insane?

387

01:06:02,167 --> 01:06:05,205

One man against a whole trained force?

388

01:06:05,750 --> 01:06:09,790

Who do you think this man is?

God?

389

01:06:11,208 --> 01:06:14,372

No. God would have mercy. He won't.

390

01:06:28,875 --> 01:06:31,538

- Everything's OK. There's no-one here.

- Good.

391

01:06:32,083 --> 01:06:36,248

This will hold a while.

What's the fastest way out of here?

392

01:06:36,417 --> 01:06:39,285

Northwest there's a mountain trail,

393

01:06:40,083 --> 01:06:44,157

about three kilometers from here.

A very difficult path.

394

01:06:45,500 --> 01:06:48,243

- You take the boy and go.

- I want to stay here.

395

01:06:49,042 --> 01:06:50,158

You can't.

396

01:06:52,250 --> 01:06:55,209

You can't go back.

We must all go to Pakistan.

397

01:06:56,125 --> 01:07:00,449

- No, I have to go back.

- I know he's your friend.

398

01:07:00,875 --> 01:07:04,448

- But you'll both die. For what?

- Do as I say.

399

01:07:07,208 --> 01:07:09,074

Give me your gun.

400

01:07:14,958 --> 01:07:16,290

Let's go. Come on!

401

01:07:34,958 --> 01:07:36,369

Will I see you again?

402

01:07:38,000 --> 01:07:39,536

Sure.

403

01:10:19,208 --> 01:10:20,415

Sweep the area.

404

01:10:20,583 --> 01:10:21,915

At your command.

405

01:10:29,000 --> 01:10:32,072

No sign of him, Colonel.

406

01:10:33,292 --> 01:10:36,660

Keep on searching.

I need to refuel.

407

01:13:35,750 --> 01:13:37,286

Come on, let's go!

408

01:13:48,458 --> 01:13:50,950

- Can you fly that thing?

- We'll see.

409

01:14:15,792 --> 01:14:17,328

Let's go.

410

01:14:44,583 --> 01:14:46,119

Hold on!

411

01:14:56,042 --> 01:14:57,578

Over there!

412

01:15:03,500 --> 01:15:05,036

There!

413

01:15:23,833 --> 01:15:25,324

Hold on!

414

01:15:25,708 --> 01:15:27,119

Pull him in!

415

01:15:27,292 --> 01:15:28,954

Take my hand!

416

01:15:53,792 --> 01:15:55,033

We're going down!

417

01:16:10,292 --> 01:16:11,828

Hold on!

418

01:16:27,750 --> 01:16:29,662

Take what you can!

419

01:16:29,833 --> 01:16:31,995

- Move! Fast!

- Come on!

420

01:16:45,000 --> 01:16:47,367

- We have to get to the border.

- We'll stay here.

421

01:16:47,542 --> 01:16:49,283

We know the area.

422

01:16:49,708 --> 01:16:52,667

- Which direction?

- Northeast.

423

01:17:06,667 --> 01:17:09,785

All troops should get ready!

424

01:17:09,958 --> 01:17:12,701

They shouldn't reach the border.

425

01:17:40,500 --> 01:17:42,457

Hold it, John!

426

01:17:45,333 --> 01:17:46,619

I have to rest.

427

01:17:49,292 --> 01:17:53,332

- How's your wound?

- You taught me to ignore pain.

428

01:17:53,708 --> 01:17:57,156

- And does it work?

- Not really.

429

01:17:59,083 --> 01:18:00,699

Don't take it personally.

430

01:18:02,292 --> 01:18:03,828

Thanks.

431

01:18:24,083 --> 01:18:26,666

Go on ahead and see
if you can find some cover.

432

01:19:38,958 --> 01:19:41,496

That was close! How are you?

433

01:19:42,125 --> 01:19:43,661

Well done.

434

01:19:54,875 --> 01:19:57,913

We shouldn't make it too easy for them.
Let's separate!

435

01:19:59,125 --> 01:20:01,333

I'm sorry
I got you into this.

436

01:20:01,875 --> 01:20:03,411

No, you're not.

437

01:20:56,417 --> 01:20:59,831

Spetnaz, report!

438

01:21:04,083 --> 01:21:07,121

- Are *<i>you listening?</i>*

- Who are you?

439

01:21:08,875 --> 01:21:10,537

Your worst nightmare.

440

01:21:57,042 --> 01:21:58,874

Kourov, what happened?

441

01:23:05,167 --> 01:23:07,875

- Good timing!

- What are friends for?

442

01:23:10,000 --> 01:23:12,242

Go back to the hole.

I'll cover you.

443

01:23:16,792 --> 01:23:19,375

Yankov, go back to the base!

444

01:26:30,125 --> 01:26:32,708

Beyond the valley is the border.

445

01:26:34,083 --> 01:26:35,915

We did it, John.

446

01:26:37,625 --> 01:26:38,625

Wait a minute!

447

01:26:42,833 --> 01:26:44,244

What the hell is that?

448

01:26:48,167 --> 01:26:49,578

That son of a bitch!

449

01:27:15,708 --> 01:27:17,916

<i>Don't try to escape!</i>

450

01:27:18,708 --> 01:27:20,040

<i>You can't escape.</i>

451

01:27:20,583 --> 01:27:22,620

<i>We will only attack if you run away!</i>

452

01:27:23,250 --> 01:27:25,162

<i>We don't want to harm you!</i>

453

01:27:25,583 --> 01:27:27,040

Somehow I don't believe him.

454

01:27:27,208 --> 01:27:31,248

<i>Come forward

and you will get a fair trial.</i>

455

01:27:31,833 --> 01:27:34,246

<i>Drop your weapons and stay put!</i>

456

01:27:34,583 --> 01:27:36,074

Any suggestions?

457

01:27:37,708 --> 01:27:39,165

<i>Drop your weapons!</i>

458

01:27:40,708 --> 01:27:43,121

Surrounding them's out.

459

01:27:44,042 --> 01:27:46,876

Helluva time for humor.

460

01:27:47,042 --> 01:27:49,375

<i>Drop your weapons! At once!</i>

461

01:27:51,083 --> 01:27:52,915

<i>You cannot escape.</i>

462

01:27:53,083 --> 01:27:57,157

<i>Come forward!

I want you alive.</i>

463

01:27:57,625 --> 01:27:59,457

<i>This is your last warning!</i>

464

01:28:02,958 --> 01:28:04,620

<i>It's your choice.</i>

465

01:28:04,792 --> 01:28:06,078

What do you say?

466

01:28:08,667 --> 01:28:10,784

Fuck 'em!

467

01:28:28,875 --> 01:28:31,037

If we're going to go,
that bastard should go with us!

468

01:29:09,625 --> 01:29:10,957

What's that?

469

01:29:20,792 --> 01:29:22,328

The rebels!

470

01:29:34,667 --> 01:29:36,203

Come on!

471

01:33:20,375 --> 01:33:21,957

Get out of there, John!

472

01:34:57,208 --> 01:35:00,531

Don't you want to stay?

You fight well for a tourist.

473

01:35:03,542 --> 01:35:06,080

Maybe next time.

474

01:35:06,417 --> 01:35:07,953

Do you want it back?

475

01:35:09,125 --> 01:35:11,583

No. Keep it.

476

01:35:12,417 --> 01:35:13,749

Can't you stay here?

477

01:35:28,042 --> 01:35:29,078

I have to go.

478

01:35:54,083 --> 01:35:55,415

Goodbye.

479

01:36:03,750 --> 01:36:06,538

- Hard to believe, John.

- What, sir?

480

01:36:07,542 --> 01:36:10,865

I hate to admit it,

but we seem to be getting soft.

481

01:36:12,583 --> 01:36:15,655

Just a little, sir.
