

## Dialogues from Rambo: First Blood to improve the vocabulary

3

00:01:48,506 --> 00:01:50,542

<i>Can you tell me if  
Delmar Barry lives here?</i>

4

00:01:50,609 --> 00:01:51,844

<i>Right up there.</i>

5

00:02:21,005 --> 00:02:24,676

Excuse me. Can you tell me,  
is this where Delmar Barry lives?

6

00:02:25,743 --> 00:02:27,312

He ain't here.

7

00:02:28,179 --> 00:02:30,682

Go on inside, baby.

8

00:02:35,887 --> 00:02:37,022

He's a friend of mine.

9

00:02:37,789 --> 00:02:41,093

As a matter of fact,  
he wrote this address down.

10

00:02:41,761 --> 00:02:43,695

Right here.

11

00:02:43,763 --> 00:02:47,365

There. As you can see,  
that's Delmar's writing.

12

00:02:47,932 --> 00:02:50,201

I sure had a hard time  
finding this place.

13

00:02:50,269 --> 00:02:53,872

That's his writing.  
Like I said, he's a friend.

14

00:02:53,939 --> 00:02:58,376

My name is John Rambo. We served

on the same team together in 'Nam.

15

00:02:58,443 --> 00:03:01,480

I don't know if he ever  
talked about me.

16

00:03:01,547 --> 00:03:05,587

I've got a picture of  
us together,

17

00:03:07,132 --> 00:03:08,453

somewhere.

18

00:03:08,854 --> 00:03:11,622

This junk in my pocket.

19

00:03:11,691 --> 00:03:13,792

Here it is.

Here it is.

20

00:03:13,859 --> 00:03:17,461

That's me.

That's Danforth and Westmore,

21

00:03:17,529 --> 00:03:20,464

Bronson, Ortega, and there's  
Delmar right in the back.

22

00:03:20,532 --> 00:03:22,466

We had to put him in the back  
'cause he's so big.

23

00:03:22,534 --> 00:03:24,468

If we didn't,  
he'd take up the whole picture.

24

00:03:24,536 --> 00:03:27,138

Look how big he is.  
Delmar's gone.

25

00:03:29,075 --> 00:03:31,775

What time will he be back?  
He died.

26

00:03:31,843 --> 00:03:35,747

What?

He died last summer.

27

00:03:37,515 --> 00:03:38,816

Died. How?

28

00:03:39,784 --> 00:03:43,021

Cancer.

Brought it back from 'Nam.

29

00:03:44,289 --> 00:03:47,425

<i>All that orange stuff  
they spreaded around.</i>

30

00:03:48,192 --> 00:03:49,761

Cut him down to nothing.

31

00:03:50,729 --> 00:03:52,497

I could lift him off the sheet.

32

00:04:02,573 --> 00:04:04,109

I'm very sorry.

33

00:05:00,231 --> 00:05:02,033

Morning, Annie.

How you doing, girls?

34

00:05:02,101 --> 00:05:04,535

<i>Great. Thanks.</i>

You all right this morning?

35

00:05:07,489 --> 00:05:09,874

Andy!

<i>Howdy, Will.</i>

36

00:05:21,786 --> 00:05:24,221

Morning, Dave.

<i>Hi, Sheriff.</i>

37

00:05:24,689 --> 00:05:26,824

Gonna take a bath this week?

38

00:05:34,331 --> 00:05:35,165

Morning.

39

00:05:39,837 --> 00:05:43,173

You, uh, you visiting  
somebody around here?

40

00:05:44,641 --> 00:05:45,476

No.

41

00:05:47,678 --> 00:05:49,879

You know, wearing that flag  
on that jacket,

42

00:05:50,247 --> 00:05:52,181

looking the way you do,

43

00:05:52,249 --> 00:05:55,119

*<i>you're asking for trouble  
around here, friend.</i>*

44

00:05:56,186 --> 00:05:59,524

Headed north or south?

North.

45

00:06:00,791 --> 00:06:01,926

Ah, jump in.

46

00:06:02,894 --> 00:06:05,195

I'll make sure you're heading  
the right direction, hmm?

47

00:06:17,292 --> 00:06:19,627

Where you headed?

Portland.

48

00:06:20,195 --> 00:06:22,696

Portland is south.

You said you were headed north.

49

00:06:24,432 --> 00:06:26,233

You got someplace

I can eat around here?

50

00:06:28,437 --> 00:06:30,771

There's a diner about 30  
miles up the highway.

51

00:06:33,442 --> 00:06:35,576

Is there any law against

me getting something here?

52

00:06:36,244 --> 00:06:37,946

Yeah. Me.

53

00:06:39,913 --> 00:06:41,215

Why are you pushing me?

54

00:06:43,082 --> 00:06:44,118

What did you say?

55

00:06:45,785 --> 00:06:48,355

I said, why are you pushing me?

I haven't done anything to you.

56

00:06:48,356 --> 00:06:50,697

First of all, you don't ask  
the questions around here, I do.

57

00:06:50,723 --> 00:06:52,840

You understand?

<i>Secondly,</i>

58

00:06:55,030 --> 00:06:57,898

<i>we don't want guys  
like you in this town.</i>

59

00:06:58,466 --> 00:06:59,768

<i>Drifters.</i>

60

00:07:00,335 --> 00:07:01,236

First thing you know,

61

00:07:01,304 --> 00:07:04,840

we got a whole bunch of guys like  
you in this town. That's why.

62

00:07:05,407 --> 00:07:08,009

Besides, you wouldn't like it here.

63

00:07:08,077 --> 00:07:11,680

This is, this is a quiet  
little town.

64

00:07:13,148 --> 00:07:15,283

In fact,  
you might say it's boring.

65

00:07:15,751 --> 00:07:18,019

But that's the way we like it.

66

00:07:19,087 --> 00:07:20,889

And I get paid  
to keep it that way.

67

00:07:22,656 --> 00:07:23,924

Boring.

68

00:07:40,175 --> 00:07:42,611

Portland, straight ahead.

69

00:07:44,179 --> 00:07:46,047

Now if you want  
some friendly advice,

70

00:07:46,815 --> 00:07:48,716

get a haircut and take a bath.

71

00:07:48,784 --> 00:07:50,885

You wouldn't get  
hassled so much.

72

00:07:50,953 --> 00:07:52,988

Hope this ride helped you out.

73

00:07:59,461 --> 00:08:01,963

You have a nice day, hmm?

74

00:08:39,700 --> 00:08:41,669

Where the hell do you  
think you're going?

75

00:08:42,536 --> 00:08:45,506

Hey, I'm talking  
to you, goddamn...

76

00:08:50,645 --> 00:08:52,847

Let me see some I.D.  
Damn it!

77

00:08:53,714 --> 00:08:56,183

All right. You're under arrest.

You hear me?

78

00:08:56,250 --> 00:08:57,285

<i>Put your hands on the car.</i>

79

00:08:57,852 --> 00:09:01,689

Now you put your hands  
on the car and you spread 'em.

80

00:09:02,456 --> 00:09:04,692

<i>Now you're gonna put your  
hands on that car.</i>

81

00:09:05,359 --> 00:09:08,596

How you do it, you decide.  
Right now!

82

00:09:21,175 --> 00:09:22,677

Get your legs back.

83

00:09:23,845 --> 00:09:25,213

Get 'em back!

84

00:09:27,582 --> 00:09:30,352

You know, you try to be nice  
to some people.

85

00:09:34,006 --> 00:09:36,840

Well, what do  
we have here, huh?

86

00:09:39,912 --> 00:09:42,513

Why would you be carrying  
a knife like this?

87

00:09:42,580 --> 00:09:46,850

Hunting.  
Don't be a wise guy.

88

00:09:47,219 --> 00:09:49,353

What do you hunt with a knife?

89

00:09:49,421 --> 00:09:51,355

Name it.

90

00:09:56,428 --> 00:09:58,862

Hi, Will.

Lester.

91

00:09:58,931 --> 00:10:00,864

Buzz us in, will ya?

92

00:10:00,933 --> 00:10:03,200

Talk about your

sorry-looking humanity.

93

00:10:04,168 --> 00:10:06,871

Just another

smart-ass drifter.

94

00:10:08,339 --> 00:10:09,840

Good morning, Arthur.

95

00:10:09,908 --> 00:10:13,010

Morning, Will.

What do ya got?

96

00:10:13,078 --> 00:10:15,179

I want you to book this  
gentleman for vagrancy,

97

00:10:15,247 --> 00:10:18,849

resisting arrest,  
carrying a concealed weapon.

98

00:10:19,517 --> 00:10:21,518

He says he uses it for hunting.

99

00:10:22,086 --> 00:10:24,554

Hunting? What do you hunt?  
Elephants?

100

00:10:24,622 --> 00:10:26,056

Why don't you see if you can  
clean him up a little bit.

101

00:10:26,724 --> 00:10:28,392

He smells like an animal.

102

00:10:34,065 --> 00:10:37,301

Hey, Mitch? Mitch?

*<i>Yo.</i>*

103

00:10:37,369 --> 00:10:39,263

Escort this young man  
downstairs, would ya?

104

00:10:39,289 --> 00:10:39,761

*<i>Yes, sir.</i>*

105

00:10:41,004 --> 00:10:43,023

Right this way, partner.

106

00:10:43,091 --> 00:10:45,893

Right here. That's it.

107

00:10:51,800 --> 00:10:54,869

Okay.

Here we go.

108

00:10:57,372 --> 00:10:59,473

*<i>You know, it looks like*

it's going to take ol' Leroy...</i>

109

00:10:59,540 --> 00:11:01,708

<i>about ten years  
to paint this hall.</i>

110

00:11:02,377 --> 00:11:05,545

<i>Why don't you paint it your damn self?  
Leroy, sling that paint, boy</i>

111

00:11:06,614 --> 00:11:08,649

Mr. Ward?

<i>Hm-mm?</i>

112

00:11:08,716 --> 00:11:11,986

Would you take this for me, please?  
Thank you.

113

00:11:12,053 --> 00:11:14,321

Yeah.

114

00:11:19,427 --> 00:11:20,328

Name?

115

00:11:25,598 --> 00:11:26,633

Your name?

116

00:11:27,602 --> 00:11:32,606

<i>Your name?</i>

117

00:11:33,074 --> 00:11:36,611

<i>Name?</i>

118

00:11:39,380 --> 00:11:41,982

Hey, if you're looking  
for trouble,

119

00:11:42,550 --> 00:11:44,151

you came to the right place,  
buddy.

120

00:11:45,119 --> 00:11:46,187

Wait a second.

121

00:11:46,554 --> 00:11:50,190

Hey, you got three seconds  
before I break your face in.

122

00:11:51,058 --> 00:11:52,293

He means it.

123

00:11:52,960 --> 00:11:54,595

Yeah. I do.

124

00:12:13,414 --> 00:12:17,018

What do you know about that?

Ol' Harry here's a soldier.

125

00:12:18,586 --> 00:12:21,621

"Rambo." John J.?

126

00:12:24,492 --> 00:12:27,261

<i>You gonna talk to me.</i>

127

00:12:27,329 --> 00:12:30,265

<i>I promise you're gonna  
talk to me, soldier.</i>

128

00:12:32,133 --> 00:12:34,597

I'm starting to dislike you...

129

00:12:36,694 --> 00:12:37,925

...a lot!

130

00:12:39,106 --> 00:12:41,065

I'm gonna run a make on him.

131

00:12:43,477 --> 00:12:46,247

Put his name in the teletype.

132

00:12:46,314 --> 00:12:48,382

Now just roll it across.

133

00:12:48,449 --> 00:12:52,219

Roll it.

Roll it across.

134

00:12:52,287 --> 00:12:55,555

Push it.

It won't work that way. It'll only smear.

135

00:12:55,623 --> 00:12:58,558

Now roll it across!

Look, you son of a bitch,

136

00:12:58,626 --> 00:13:00,560

if you don't put your

goddamn hand down there,

137

00:13:00,628 --> 00:13:03,797

I'm going to break it off.

Now, put it down, goddamn it!

138

00:13:03,865 --> 00:13:06,133

Art, what the hell

is going on down here?

139

00:13:06,201 --> 00:13:08,468

Oh, nothing I can't handle.

140

00:13:09,536 --> 00:13:11,805

He won't let us

print him, Will.

141

00:13:11,873 --> 00:13:15,475

Leave the ink on the hand!

142

00:13:15,543 --> 00:13:18,478

Just what is your problem, huh?

143

00:13:18,846 --> 00:13:21,347

Now, listen, hard ass,  
as things stand right now,

144

00:13:21,415 --> 00:13:25,652

you're facing the ass end of a 90-day  
incarceration, plus a \$250 fine,

145

00:13:25,820 --> 00:13:27,654

which you don't look to me  
like you can pay.

146

00:13:29,122 --> 00:13:31,658

At 10:00 tomorrow morning, you're  
going up in front of that judge.

147

00:13:31,726 --> 00:13:35,137

And you think we're tough.

Now we're going to make

148

00:13:35,172 --> 00:13:37,765

you a little bit more presentable

for your courtroom appearance.

149

00:13:38,533 --> 00:13:40,667

And between now and then, you can

just impress the hell out of me...

150

00:13:40,735 --> 00:13:44,171

by doing exactly

as you're told.

151

00:13:49,543 --> 00:13:50,644

Now clean him up.

152

00:13:51,711 --> 00:13:53,113

<i>All right, Preston,</i>

153

00:13:53,981 --> 00:13:56,116

I want you to go over there  
and get that hose ready.

154

00:13:56,184 --> 00:13:57,453

All right?

155

00:14:00,120 --> 00:14:02,189

Holy shit!

Look at this.

156

00:14:02,657 --> 00:14:05,859

What the hell's he been into?

Who gives a shit?

157

00:14:05,927 --> 00:14:09,863

All right, put your hands on top  
of your head and turn around.

158

00:14:13,251 --> 00:14:15,185

Oh, Christ!

159

00:14:15,253 --> 00:14:17,855

We should report this to Teasle, Galt.

Look at that.

160

00:14:17,922 --> 00:14:20,858

You just do what I tell ya.

161

00:14:24,929 --> 00:14:26,864

Galt, what the fuck was that?

162

00:14:27,831 --> 00:14:30,368

Well, the man said

clean 'em up.

163

00:14:33,237 --> 00:14:34,973

Clean him up.

164

00:14:42,413 --> 00:14:45,483

Hey, Preston,

165

00:14:45,550 --> 00:14:49,187

don't forget to get him

behind the ears!

166

00:14:54,824 --> 00:14:56,159

How do you like that, huh?

167

00:14:56,227 --> 00:14:58,161

What's the matter, Mitch?

168

00:14:58,229 --> 00:15:00,498

Don't you like water sports?

169

00:15:08,873 --> 00:15:11,074

*Hurry it up.*

It's time for my coffee break.

170

00:15:11,142 --> 00:15:13,577

Sit down.

Easy. Sit down.

171

00:15:13,645 --> 00:15:16,680

Sit down.

All right. Sit on the stool.

172

00:15:18,817 --> 00:15:21,018

Come on.

173

00:15:22,385 --> 00:15:25,589

Damn! Damn, this boy's  
hard to get ahold of.

174

00:15:27,657 --> 00:15:30,093

Ward, don't worry about  
the soap. He's tough.

175

00:15:30,161 --> 00:15:33,264

Just shave him, dry.  
All right.

176

00:15:34,532 --> 00:15:37,768

How blind are you?  
Can't you see this guy's crazy?

177

00:15:37,836 --> 00:15:41,271

Can't you see I don't give a shit?  
Yeah, I can see that.

178

00:15:41,339 --> 00:15:42,506

Good, that's better.

179

00:15:42,574 --> 00:15:46,610

See there, I knew he knew  
what was good for him.

180

00:15:46,678 --> 00:15:48,679

Just gonna shave you, partner.

181

00:15:48,747 --> 00:15:52,249

Take it easy.  
Take this, Mitch.

182

00:15:53,752 --> 00:15:57,254

Don't move.

183

00:15:57,322 --> 00:16:00,991

I don't want you  
to cut your own throat.

184

00:16:05,196 --> 00:16:07,364

Hey! Hey!

185

00:16:14,005 --> 00:16:16,273

You son of a bitch!

186

00:16:16,341 --> 00:16:17,975

Come on!

187

00:16:24,048 --> 00:16:27,917

Get him off of me!

188

00:16:35,627 --> 00:16:37,194

What the hell is...

189

00:16:40,398 --> 00:16:43,332

Art? Art?

190

00:16:45,403 --> 00:16:47,671

What was that?

191

00:16:57,181 --> 00:17:00,083

Hey, you can't...

192

00:17:04,188 --> 00:17:06,189

Hey, hey,

wait a minute...

193

00:17:20,204 --> 00:17:22,506

Hey!

194

00:17:28,979 --> 00:17:31,615

I'm gonna get that son of a bitch!

Art, don't shoot!

195

00:17:32,129 --> 00:17:33,809

Goddamn it! Don't shoot.

There's people down there.

196

00:17:33,852 --> 00:17:35,920

Get help.

I'll go after him.

197

00:17:37,487 --> 00:17:39,289

Move! Look out!

198

00:17:39,357 --> 00:17:41,458

Get out of the way!

199

00:18:59,838 --> 00:19:01,872

Aaah!

200

00:19:22,092 --> 00:19:23,326

Son of a bitch!

201

00:19:31,634 --> 00:19:33,603

Lester, this is Will.

I'm right on his tail.

202

00:19:33,672 --> 00:19:36,340

He's just east of Smith's farm,  
headed towards Chapman Creek.

203

00:20:56,353 --> 00:20:59,223

<i>I know you can hear me!</i>

204

00:20:59,690 --> 00:21:01,558

You're finished!

205

00:21:03,026 --> 00:21:05,160

You've gone as far  
as you're gonna go!

206

00:21:07,897 --> 00:21:09,532

*<i>You hear me?</i>*

207

00:22:15,583 --> 00:22:18,718

Mitch! Lester!

208

00:22:18,787 --> 00:22:22,055

He's up there, beyond the draw.

209

00:22:22,123 --> 00:22:24,391

Mitch, get Orval on the radio.

210

00:22:24,458 --> 00:22:27,394

Tell him to get out here  
with his damn dogs right away.

211

00:22:27,961 --> 00:22:29,396

And tell him to bring  
the Dobermans.

212

00:22:29,463 --> 00:22:31,755

It's gonna rain. We'll need  
dogs that can hunt on sight.

213

00:22:31,781 --> 00:22:32,424

*<i>Right!</i>*

214

00:22:32,466 --> 00:22:34,567

Lester, tell Galt to get  
out to the lumber camp.

215

00:22:34,635 --> 00:22:36,736

Tell him to get the helicopter up here.  
Right.

216

00:22:36,805 --> 00:22:38,238

If they give him any shit,

217

00:22:38,307 --> 00:22:42,243

tell him to cite them for  
obstruction right on the spot!

218

00:22:44,011 --> 00:22:47,214

We'll get him.

No problem.

219

00:23:19,813 --> 00:23:22,850

Come on, Duke, Thunder.

Let's get him.

220

00:23:23,517 --> 00:23:25,752

Come on, sweethearts.

That's it, babies.

221

00:23:25,820 --> 00:23:27,754

Let's go get him!

222

00:23:27,822 --> 00:23:29,756

We'll be done

in a couple of hours.

223

00:23:29,824 --> 00:23:32,759

It won't be long before you have this  
one stuffed and mounted, huh, Will?

224

00:23:32,827 --> 00:23:37,764

Didn't we go deer hunting here last year?

Yeah. I got a couple bucks.

225

00:23:37,832 --> 00:23:40,667

I'll shoot anything.

Hey, Mitch, up the hill.

226

00:24:01,220 --> 00:24:02,856

Keep those dogs

away from me, Orval.

227

00:24:02,924 --> 00:24:04,858

I don't trust those bastards.

228

00:24:04,926 --> 00:24:06,255

Keep moving, 'cause my dogs...

229

00:24:06,328 --> 00:24:08,862

can eat and run

at the same time.

230

00:24:08,930 --> 00:24:11,365

He's heading straight  
for the top.

231

00:24:11,432 --> 00:24:14,434

Is this guy supposed to be dangerous?  
He's just dumb.

232

00:24:30,617 --> 00:24:32,886

Hey, Walt, you're spoiling  
the scent.

233

00:24:32,954 --> 00:24:35,555

Let my babies do the job.  
Go ahead.

234

00:24:36,523 --> 00:24:38,058

I'm trailing you here.

235

00:24:38,626 --> 00:24:40,894

This is no good.  
Why?

236

00:24:40,962 --> 00:24:43,230

There were three of us  
on him in the cell block.

237

00:24:43,298 --> 00:24:46,233

He went through us  
like we weren't even there.

238

00:24:46,301 --> 00:24:48,501

Aw, come on.

239

00:25:20,334 --> 00:25:22,302

Let's go, babies.  
Come on, Duke.

240

00:25:22,370 --> 00:25:26,073

<i>Hey, hey.  
Okay, Thunder.</i>

241

00:26:00,708 --> 00:26:02,775

Come on, Duke.  
We got him cornered.

242

00:26:02,843 --> 00:26:05,612

Art, this is Teasle.

He's headed for Chapman Gorge.

243

00:26:06,379 --> 00:26:08,615

<i>Chapman Gorge. Head him off.</i>

244

00:26:17,392 --> 00:26:19,659

Oh!

245

00:26:22,863 --> 00:26:25,132

God! No!

246

00:26:43,483 --> 00:26:44,751

There he is!

On the cliff!

247

00:27:02,535 --> 00:27:04,104

Son of a bitch!

248

00:27:12,278 --> 00:27:13,480

What the hell's going on?

249

00:27:13,547 --> 00:27:16,149

What are you doing?

We're just supposed to spot him.

250

00:27:16,217 --> 00:27:17,650

Hold it steady.

251

00:27:17,718 --> 00:27:20,320

I can't!

We're in a thermal draft.

252

00:27:20,388 --> 00:27:23,623

Galt, he's stuck there.

He can't go anyplace.

253

00:27:24,791 --> 00:27:27,160

If you don't fly

this thing right,

254

00:27:27,827 --> 00:27:30,229

I swear to God,

I'm gonna kill you.

255

00:27:32,366 --> 00:27:33,900

<i>Sheriff to Galt. Come in Galt.</i>

256

00:27:39,172 --> 00:27:40,907

Hold it steady,  
you son of a bitch!

257

00:27:40,974 --> 00:27:43,010

Galt, come in, goddamn it!

258

00:27:44,678 --> 00:27:46,246

Get in closer,  
and hold it steady.

259

00:27:46,314 --> 00:27:48,648

<i>Galt, talk to me. I want  
to know what's going on!</i>

260

00:27:52,686 --> 00:27:55,655

I got him.  
Easy. Easy.

261

00:28:21,514 --> 00:28:24,751

Ow! Jesus!

262

00:28:40,466 --> 00:28:41,333

There he is!

263

00:28:41,801 --> 00:28:44,937

<i>He's over there, dummy.

Come on!</i>

264

00:28:46,105 --> 00:28:47,008

Go on!

265

00:28:49,076 --> 00:28:51,511

Hey, soldier boy!

266

00:28:56,517 --> 00:28:58,419

Move it, move it down the side.

267

00:29:03,157 --> 00:29:06,092

Hold it steady!

268

00:29:06,560 --> 00:29:07,995

Come on!

269

00:29:11,065 --> 00:29:15,101

<i>Galt, get on this radio!

What's going on up there?</i>

270

00:29:17,637 --> 00:29:20,207

<i>I don't want him dead, Galt!

I want him alive. You hear me?</i>

271

00:29:20,974 --> 00:29:22,376

<i>Art, come in!</i>

272

00:29:23,143 --> 00:29:24,311

Watch out!

273

00:30:20,216 --> 00:30:23,686

<i>Art Galt, come in.

Helicopter, come in, goddamn it!</i>

274

00:30:23,754 --> 00:30:25,821

<i>Jesus Christ!

Look!

275

00:30:29,625 --> 00:30:32,896

Jesus Christ.

Give me the binoculars, hurry.

276

00:30:33,364 --> 00:30:36,400

Oh, no, no, no.

Shit!

277

00:30:41,705 --> 00:30:44,207

Jesus Christ.

278

00:31:22,311 --> 00:31:23,946

I can't figure it.

279

00:31:24,314 --> 00:31:27,516

How'd he fall out?

Does it matter?

280

00:31:27,584 --> 00:31:30,852

Let's nail this sucker's ass.

He can't be far.

281

00:31:30,920 --> 00:31:32,288

Will!

282

00:31:34,256 --> 00:31:36,625

Looks like he wants  
to turn himself in.

283

00:31:38,828 --> 00:31:40,863

There's one man dead!

284

00:31:41,631 --> 00:31:45,234

It's not my fault!

I don't want any more hurt!

285

00:31:45,301 --> 00:31:46,936

Freeze!

286

00:31:47,003 --> 00:31:49,572

Stand right where you are!

Give yourself up!

287

00:31:49,640 --> 00:31:51,774

But I didn't do anything!

288

00:31:51,842 --> 00:31:54,844

I'm warning you boy, don't make  
a move! I'll blow your head off!

289

00:31:54,911 --> 00:31:57,313

I didn't do anything!

290

00:31:57,381 --> 00:31:59,748

Ow!

291

00:32:02,351 --> 00:32:04,587

Cease fire!

Cease fire!

292

00:32:05,354 --> 00:32:07,790

Ward, goddamn it, cease fire!

293

00:32:09,057 --> 00:32:10,292

I think we hit him.

294

00:32:10,559 --> 00:32:12,594

Let's get down there.

Move!

295

00:32:14,898 --> 00:32:16,967

<i>Sheriff to base. Come in.</i>

296

00:32:18,935 --> 00:32:20,869

Go ahead, Will.

297

00:32:20,937 --> 00:32:23,872

Lester, we're down

in the gorge.

298

00:32:24,840 --> 00:32:27,676

Galt's dead all right. Where the  
hell is that goddamn chopper?

299

00:32:27,744 --> 00:32:30,913

He won't come, Will. Says there's  
a storm headed your way.

300

00:32:31,481 --> 00:32:35,417

I don't give a goddamn what's on its way!

I want that chopper back here right now!

301

00:32:35,785 --> 00:32:37,656

*<i>I don't want Galt's body*

*out here all night.</i>*

302

00:32:37,682 --> 00:32:38,512

*<i>I'll do what I can.</i>*

303

00:32:38,555 --> 00:32:41,491

*<i>Listen Will, you sure picked one hell*

*of a guy to mess around with.</i>*

304

00:32:41,896 --> 00:32:45,615

*<i>This came over the teletype a few minutes*

*ago, John Rambo is a Vietnam vet.</i>*

305

00:32:46,050 --> 00:32:50,489

*<i>He's a Green Beret. Congressional*

*Medal of Honor. Guy's a war hero.</i>*

306

00:32:50,524 --> 00:32:51,608

Jesus, that freak?

307

00:32:51,734 --> 00:32:53,594

I knew there was something  
about that guy.

308

00:32:54,537 --> 00:32:56,104

*<i>I double-checked it, Will.</i>*

309

00:32:56,172 --> 00:32:57,940

*<i>What do you want me to do?</i>*

310

00:33:03,212 --> 00:33:05,131

I want you to do what I told you  
to do, goddamn it!

311

00:33:05,166 --> 00:33:09,252

Get that chopper back  
here now! Out!

312

00:33:11,319 --> 00:33:14,957

Green Beret.

War hero.

313

00:33:15,425 --> 00:33:18,194

That's great. That's just great.

Why don't you shut your mouth?

314

00:33:18,762 --> 00:33:20,796

Now what the hell's

the matter with you guys?

315

00:33:20,864 --> 00:33:22,532

He's one man.

He's wounded.

316

00:33:24,199 --> 00:33:27,535

Those Green Berets,

they're real bad asses.

317

00:33:27,703 --> 00:33:29,938

Why don't you let

the state police handle this?

318

00:33:34,809 --> 00:33:37,112

Come here, boy.

Come here, goddamn it!

319

00:33:38,280 --> 00:33:41,650

Look, look at him, look at him!

It's Art Galt, boy.

320

00:33:42,118 --> 00:33:45,855

He and I were friends when your  
mama was still wiping your nose!

321

00:33:46,923 --> 00:33:50,459

Now he's dead. He's dead because  
of that psycho out there!

322

00:33:50,526 --> 00:33:53,329

Now you listen to me good, boy.  
I'm gonna get that son of a bitch.

323

00:33:53,397 --> 00:33:57,333

And I'm gonna pin that Congressional  
Medal of Honor to his liver.

324

00:33:58,301 --> 00:34:02,070

And I'm gonna do it with you  
or without you.

325

00:34:14,917 --> 00:34:17,318

Dang! Twisted my ankle!

326

00:34:20,588 --> 00:34:23,025

We're closing in.

The scent's getting stronger.

327

00:34:23,493 --> 00:34:25,528

All right, keep your eyes open.

328

00:34:26,196 --> 00:34:28,030

Come on, baby.

329

00:34:28,698 --> 00:34:31,733

It's gonna storm.

That's all we need now.

330

00:34:31,801 --> 00:34:34,837

Will, let's get out of here

before it gets too dark.

331

00:34:35,005 --> 00:34:37,006

What's the matter?

Are you afraid of the bogeyman?

332

00:34:37,073 --> 00:34:39,008

You goddamn pansy.

333

00:34:39,075 --> 00:34:41,677

Ward, put your gun down.

I'll show you who the pansy is.

334

00:34:41,745 --> 00:34:43,079

Okay, come on down!

335

00:34:43,447 --> 00:34:45,381

<i>Hey, guys, knock it off!</i>

336

00:34:45,449 --> 00:34:48,283

Ward, move on!

The fight is out there!

337

00:34:48,351 --> 00:34:49,591

He's out there waiting for you!

338

00:34:49,853 --> 00:34:53,055

Mitch, get on your feet

and move!

339

00:34:53,123 --> 00:34:54,804

<i>Let's go find this guy,

for Christ's sake!</i>

340

00:34:54,830 --> 00:34:55,249

<i>Come on!</i>

341

00:34:55,292 --> 00:34:57,393

<i>Keep your eyes open!

Come on there, Duke!</i>

342

00:34:57,461 --> 00:34:59,895

I'll see you later, Ward!

343

00:34:59,963 --> 00:35:01,733

Shut up, Mitch!

344

00:35:05,869 --> 00:35:09,972

Let's go, girl. Come on.

There he is!

345

00:35:10,739 --> 00:35:13,376

Turn them loose!

Turn those dogs loose, Orval!

346

00:35:13,743 --> 00:35:15,878

Go get 'em, sweethearts!

There's your dinner!

347

00:35:26,823 --> 00:35:31,761

<i>Cease fire! Cease fire!</i>

348

00:35:31,828 --> 00:35:34,698

I'm hit!

Goddamn it, I'm hit!

349

00:35:36,765 --> 00:35:40,368

Jesus.

He's got a gun.

350

00:35:48,577 --> 00:35:51,479

It's not him!

It's a goddamn scarecrow!

351

00:35:52,347 --> 00:35:55,684

It was no scarecrow that shot Orval!

He's close, he's real close!

352

00:35:55,752 --> 00:35:59,755

Kill 'im! Kill 'im!

Go get 'im!

353

00:35:59,823 --> 00:36:02,390

Go get 'im, Maggie!

354

00:36:11,633 --> 00:36:12,835

Mitch!

355

00:36:14,202 --> 00:36:15,671

Mitch, Ward, come here.

356

00:36:16,939 --> 00:36:19,675

Shingleton, you cover us.

Look at his leg.

357

00:36:19,743 --> 00:36:22,177

Mitch, get your belt.

Get a tourniquet around that.

358

00:36:22,545 --> 00:36:25,981

We gotta get this guy to a doctor!

Goddamn it! Get your belt on there fast!

359

00:36:26,049 --> 00:36:28,283

Where's the first aid kit?

I left it in the car.

360

00:36:28,551 --> 00:36:30,252

Shit!

Where'd he get the gun?

361

00:36:30,319 --> 00:36:32,254

It's got to be Art Galt's gun.

362

00:36:32,321 --> 00:36:34,156

He's out of ammo.

How do you know that?

363

00:36:34,223 --> 00:36:36,191

Because whatever killed

that last dog was no bullet!

364

00:36:36,259 --> 00:36:38,193

That's how.

Hurry up!

365

00:36:38,661 --> 00:36:41,697

Orval, listen to me. Now listen,

You got to stay awake, all right?

366

00:36:41,765 --> 00:36:43,699

You got to release that

tourniquet every 15 minutes.

367

00:36:43,767 --> 00:36:45,701

We'll be right back!

Shh.

368

00:36:45,769 --> 00:36:47,403

We got to get him now.

He's out of ammo.

369

00:36:47,471 --> 00:36:49,705

Hurry up! Move!

He had no right to shoot my babies.

370

00:36:49,773 --> 00:36:53,308

Get the son of a bitch! Go get him!

Come on! Let's go!

371

00:36:54,277 --> 00:36:56,912

All right. All right.

Now, listen up.

372

00:36:57,780 --> 00:37:00,983

We're right on top of him. We're gonna  
form a skirmish line 50 feet apart.

373

00:37:01,050 --> 00:37:04,187

And keep moving. There's no way

out of here except through us.

374

00:37:06,890 --> 00:37:09,992

Okay.

Let's do some hunting.

375

00:37:10,059 --> 00:37:11,094

Hunting?

376

00:37:11,161 --> 00:37:13,664

We ain't hunting him.

He's hunting us.

377

00:37:27,911 --> 00:37:30,012

Spread out!

Spread out, damn it!

378

00:37:30,079 --> 00:37:31,514

I said 50 feet!

379

00:37:50,634 --> 00:37:54,303

Ow! Damn! Ow!

380

00:37:55,870 --> 00:37:57,506

God, I hate this!

381

00:39:07,944 --> 00:39:09,745

Huh?

Ow! God!

382

00:39:11,313 --> 00:39:14,316

- Will, it's Mitch!

<i>- Oh, shit, Will!</i>

383

00:39:14,584 --> 00:39:16,953

Oh, God!

384

00:39:17,020 --> 00:39:19,588

Will!

385

00:39:19,656 --> 00:39:23,259

Who is it?

Will!

386

00:39:23,327 --> 00:39:25,494

Will!

387

00:39:35,238 --> 00:39:36,272

Mitch?

388

00:39:50,452 --> 00:39:51,687

What the hell's going on?

Shut up!

389

00:39:53,455 --> 00:39:54,957

Oh! Will!

390

00:39:55,925 --> 00:39:56,859

He's got Ward.

391

00:39:56,927 --> 00:40:00,022

All right, spread out.

I'll go this way.

392

00:40:00,048 --> 00:40:00,821

Will!

393

00:40:01,364 --> 00:40:05,867

Will! Oh! Oh! Will!

394

00:40:07,735 --> 00:40:09,438

Over here!

395

00:40:10,006 --> 00:40:11,941

Will!

He's over here!

396

00:40:14,410 --> 00:40:16,078

Who fired?

397

00:40:16,846 --> 00:40:19,881

Who the hell is firing?

I got him! I got him!

398

00:40:20,349 --> 00:40:22,251

Shingleton, follow me!

399

00:40:23,419 --> 00:40:24,787

I got him!

400

00:40:26,690 --> 00:40:30,793

Somebody help me!

Help me, Will!

401

00:40:32,060 --> 00:40:34,631

Will!

Balford?

402

00:40:35,299 --> 00:40:38,266

Balford, where the hell are ya?

Will!

403

00:40:40,636 --> 00:40:44,506

Help!

Help me!

404

00:40:44,874 --> 00:40:46,142

Balford?

405

00:40:50,780 --> 00:40:52,582

Shingleton, over here!

406

00:40:53,550 --> 00:40:56,485

God.

Jesus.

407

00:40:56,553 --> 00:40:59,922

Easy. Easy. All right. Hold it.

Get me out of here.

408

00:41:04,426 --> 00:41:07,664

Jesus Christ!

409

00:41:09,031 --> 00:41:11,067

Shingleton,

where the hell are ya?

410

00:41:14,603 --> 00:41:16,005

Shingleton?

411

00:41:18,675 --> 00:41:20,109

Shingleton?

412

00:41:20,977 --> 00:41:22,111

Will!

413

00:41:24,880 --> 00:41:26,516

Will!

414

00:41:27,184 --> 00:41:29,185

Jesus Christ!

415

00:41:29,252 --> 00:41:31,788

Jesus...

416

00:41:34,390 --> 00:41:36,192

I could've killed them all.

417

00:41:36,259 --> 00:41:38,527

I could have killed you.

418

00:41:38,595 --> 00:41:41,830

In town, you're the law.

Out here, it's me.

419

00:41:42,298 --> 00:41:43,832

Don't push it!

420

00:41:44,600 --> 00:41:47,336

Don't push it, or I'll give  
you a war you won't believe.

421

00:41:50,506 --> 00:41:52,075

Let it go!

422

00:41:53,142 --> 00:41:55,711

Let it go!

423

00:42:34,851 --> 00:42:37,819

All right. Coming in.

424

00:42:42,426 --> 00:42:46,328

Come on. Get back.  
Move back, you guys. Move back.

425

00:42:56,673 --> 00:42:59,175

<i>Captain, can we have a  
comment on what's happening?</i>

426

00:42:59,242 --> 00:43:02,144

How bad is the situation?

Captain, we need some...

427

00:43:02,211 --> 00:43:03,946

Only good thing to come

out of this mess...

428

00:43:04,013 --> 00:43:05,781

is the business

we're doing in town.

429

00:43:05,848 --> 00:43:08,784

Reporters are drinking

the place dry.

430

00:43:11,153 --> 00:43:13,755

You look like you're ready

to keel over, Will.

431

00:43:14,322 --> 00:43:16,492

Why don't you go home?

It's my problem now.

432

00:43:16,559 --> 00:43:18,294

Your problem?

Listen, Dave,

433

00:43:18,361 --> 00:43:22,298

don't give me any of your horseshit about  
jurisdiction on this one, you understand?

434

00:43:22,365 --> 00:43:25,468

Would you like me to step outside?  
Just finish up what you're doing.

435

00:43:26,335 --> 00:43:28,304

<i>Somewhere in this  
rugged mountain countryside,</i>

436

00:43:28,371 --> 00:43:31,640

<i>possibly above the snow line,  
shrouded in mist,</i>

437

00:43:31,708 --> 00:43:34,310

the fugitive John Rambo  
is hiding.

438

00:43:34,377 --> 00:43:37,646

Units of the state police, along with  
local members of the National Guard...

439

00:43:37,714 --> 00:43:39,648

are now being mobilized.

440

00:43:40,216 --> 00:43:42,584

What still remains unexplained  
by local authorities...

441

00:43:42,651 --> 00:43:44,820

is just how and where  
the former Green Beret...

442

00:43:45,387 --> 00:43:47,589

came into possession  
of the weapons with which...

443

00:43:47,656 --> 00:43:49,325

he allegedly killed  
one deputy sheriff...

444

00:43:49,892 --> 00:43:51,327

and tried to kill six others.

445

00:43:51,394 --> 00:43:55,331

Only their skilled training in police  
enforcement techniques saved their lives.

446

00:43:55,398 --> 00:43:59,501

And word now is that the fugitive will  
be in custody in a matter of hours.

447

00:44:01,269 --> 00:44:02,270

Here's the maps, Will.

448

00:44:03,938 --> 00:44:06,108

Will, there's something  
I think you ought to know.

449

00:44:07,876 --> 00:44:08,910

Talk to you later.

Okay?

450

00:44:09,078 --> 00:44:11,514

What is it, Lester? What is it?

For chrissake's! Spit it out!

451

00:44:13,981 --> 00:44:16,351

Well, I was,

I was just talking to Mitch,

452

00:44:17,218 --> 00:44:19,320

and he was saying that Galt

and a couple deputies...

453

00:44:19,488 --> 00:44:22,157

were, uh, a little hard

on the guy.

454

00:44:22,325 --> 00:44:24,059

Assholes!

455

00:44:24,085 --> 00:44:26,720

Doesn't make one goddamn

bit of difference, Dave,

456

00:44:26,763 --> 00:44:29,031

and you know it!

457

00:44:29,098 --> 00:44:31,133

Look, if one of my deputies...

458

00:44:32,600 --> 00:44:33,850

gets out of line

with a prisoner,

459

00:44:33,985 --> 00:44:35,671

then the prisoner

comes to me with it!

460

00:44:35,738 --> 00:44:38,207

If I find out it's like he says,

I kick the deputy's ass!

461

00:44:38,275 --> 00:44:41,877

Me! The law! That's

the way it's got to be!

462

00:44:42,944 --> 00:44:44,380

People start fuckin' around  
with the law...

463

00:44:44,447 --> 00:44:47,049

and all hell breaks loose!

464

00:44:48,416 --> 00:44:51,720

Whatever possessed God in heaven  
to make a man like Rambo?

465

00:44:52,288 --> 00:44:54,156

<i>God didn't make Rambo.</i>

466

00:44:55,124 --> 00:44:57,559

I made him.  
Who the hell are you?

467

00:44:58,227 --> 00:45:01,397

Sam Trautman.  
Colonel Samuel Trautman.

468

00:45:02,164 --> 00:45:04,499

We're a little busy this morning,  
Colonel. What can I do for you?

469

00:45:04,566 --> 00:45:06,634

I've come to get my boy.  
Your boy?

470

00:45:06,703 --> 00:45:08,404

I recruited him.  
I trained him.

471

00:45:08,471 --> 00:45:11,073

I commanded him in Vietnam  
for three years.

472

00:45:12,040 --> 00:45:13,409

I'd say that makes him mine.

473

00:45:13,976 --> 00:45:18,880

I wonder why the Pentagon would send a  
full-bird colonel down here to handle this.

474

00:45:19,648 --> 00:45:21,417

The Army thought  
I might be able to help.

475

00:45:21,484 --> 00:45:25,453

I don't know in what way. Rambo's  
a civilian now. He's my problem.

476

00:45:26,921 --> 00:45:28,081

I don't think you understand.

477

00:45:28,324 --> 00:45:31,259

I didn't come here  
to rescue Rambo from you.

478

00:45:31,327 --> 00:45:34,128

I came here  
to rescue you from him.

479

00:45:34,196 --> 00:45:38,099

Well, we all appreciate  
your concern, Colonel.

480

00:45:38,166 --> 00:45:39,602

I will try to be extra careful.

481

00:45:40,469 --> 00:45:43,473

I'm just amazed that he allowed  
any of your posse to live.

482

00:45:43,899 --> 00:45:44,865

Is that right?

483

00:45:45,507 --> 00:45:48,943

Strictly speaking, he slipped up.  
You're lucky to be breathing.

484

00:45:49,011 --> 00:45:50,446

That's just great!

485

00:45:51,713 --> 00:45:53,048

Colonel, you came out here  
to find out...

486

00:45:53,115 --> 00:45:55,416

why one of your machines  
blew a gasket.

487

00:45:55,684 --> 00:45:57,385

You don't seem to want  
to accept the fact...

488

00:45:57,453 --> 00:46:00,322

that you're dealing with an  
expert in guerrilla warfare.

489

00:46:00,889 --> 00:46:02,190

With a man who's the best...

490

00:46:03,059 --> 00:46:05,193

with guns, with knives,  
with his bare hands.

491

00:46:05,962 --> 00:46:07,863

A man who's been trained  
to ignore pain,

492

00:46:08,330 --> 00:46:11,634

ignore weather,  
to live off the land,

493

00:46:12,701 --> 00:46:14,536

to eat things that would  
make a billy goat puke.

494

00:46:15,304 --> 00:46:18,306

In Vietnam, his job was  
to dispose of enemy personnel.

495

00:46:18,674 --> 00:46:20,876

To kill. Period.

496

00:46:21,543 --> 00:46:22,878

Win by attrition.

497

00:46:23,545 --> 00:46:25,480

Well, Rambo was the best.

498

00:47:21,703 --> 00:47:23,872

Okay, Colonel, you got us all  
scared to death.

499

00:47:24,040 --> 00:47:26,775

What do you and the Special  
Forces think I ought to do...

500

00:47:26,843 --> 00:47:31,046

about your psycho out there?  
Let him go.

501

00:47:31,413 --> 00:47:33,181

Do what?  
For now.

502

00:47:34,050 --> 00:47:36,618

Diffuse the whole situation.  
Diffuse him.

503

00:47:36,686 --> 00:47:39,455

Provide a little gap  
and let him slip through it.

504

00:47:39,522 --> 00:47:41,457

Then put out  
a nationwide A.P.B.

505

00:47:42,424 --> 00:47:43,459

In a couple of weeks,  
you'll pick him up...

506

00:47:43,526 --> 00:47:45,162

in Seattle or someplace,  
working in a car wash.

507

00:47:45,229 --> 00:47:47,056

There'll be no fight.  
Nobody else will get hurt.

508

00:47:47,082 --> 00:47:48,590

I do my own work.

509

00:47:48,632 --> 00:47:50,500

I don't figure the best way  
to do that is to close...

510

00:47:50,501 --> 00:47:52,801

my eyes and then hope he gets  
picked up in Seattle.

511

00:47:52,868 --> 00:47:55,403

If you send your people in there  
after him, they'll get killed.

512

00:47:55,471 --> 00:47:58,540

You know, we're just a small, hick town  
sheriff's department, Colonel

513

00:47:58,607 --> 00:48:00,242

but we're expected  
to do our duty...

514

00:48:00,309 --> 00:48:02,344

just like our heroes  
in the Special Forces.

515

00:48:02,411 --> 00:48:06,213

In Special Forces, we teach our people  
to stay alive in the line of duty.

516

00:48:06,281 --> 00:48:09,450

No shit! I never thought of that.  
You want a war you can't win?

517

00:48:09,517 --> 00:48:13,688

Are you telling me that 200 men against  
your boy is a no-win situation for us?

518

00:48:13,755 --> 00:48:15,663

You send that many,  
don't forget one thing.

519

00:48:15,689 --> 00:48:18,659

What?

A good supply of body bags.

520

00:48:21,896 --> 00:48:22,730

Trautman!

521

00:48:25,634 --> 00:48:27,269

I don't know which side  
you're on, Trautman.

522

00:48:27,936 --> 00:48:30,506

I still think you came out  
here just to cover your ass.

523

00:48:31,173 --> 00:48:34,743

But if you're serious about taking  
Rambo out clean, follow me.

524

00:48:55,964 --> 00:48:59,701

State Police  
calling John Rambo. Acknowledge.

525

00:49:05,741 --> 00:49:08,418

State Police calling  
John Rambo.

526

00:49:08,444 --> 00:49:10,979

Come in, please.  
Acknowledge.

527

00:49:12,747 --> 00:49:15,117

If you're listening, Rambo,  
here is your situation.

528

00:49:15,484 --> 00:49:16,819

You are surrounded.

529

00:49:16,886 --> 00:49:19,321

Every possible exit  
has been blocked.

530

00:49:19,472 --> 00:49:22,440

*<i>Every highway, every road,  
every firebreak.</i>*

531

00:49:22,608 --> 00:49:24,176

*<i>You have our word that your  
services to your country...</i>*

532

00:49:24,244 --> 00:49:26,178

*<i>will be taken  
into consideration,</i>*

533

00:49:26,246 --> 00:49:28,180

and you will receive  
fair treatment.

534

00:49:28,248 --> 00:49:30,749

Just respond. We can work

everything out. Over.

535

00:49:31,516 --> 00:49:32,251

Anything?

536

00:49:33,518 --> 00:49:35,353

He took a radio off  
of one of my deputies.

537

00:49:35,621 --> 00:49:36,955

Then he has to be listening.

538

00:49:37,023 --> 00:49:39,658

If I was in his position,  
I'd try to pick up information.

539

00:49:39,725 --> 00:49:42,227

Maybe catch some cross talk.  
Of course he's listening.

540

00:49:42,494 --> 00:49:45,264

But he's not gonna break radio silence.  
No. Not for us.

541

00:49:46,131 --> 00:49:47,766

But he might do it  
for you, Colonel.

542

00:49:48,533 --> 00:49:50,202

He's your boy, isn't he?

543

00:49:52,470 --> 00:49:53,205

Maybe you can talk him into...

544

00:49:53,273 --> 00:49:56,408

sparing all our lives  
by giving himself up.

545

00:49:57,276 --> 00:49:58,710

I can try.

546

00:49:58,878 --> 00:50:01,012

At least, we'll get  
a radio fix on his position,

547

00:50:01,080 --> 00:50:02,815

if you don't mind  
setting him up for us.

548

00:50:02,883 --> 00:50:06,887

Setting him up for you? That's like  
bringing the pigeons to the cat.

549

00:50:08,854 --> 00:50:10,489

Son of a bitch.

550

00:50:11,757 --> 00:50:13,976

Hey, Don, thanks for  
bringing your people out.

551

00:50:14,002 --> 00:50:14,884

Any time, Will.

552

00:50:15,427 --> 00:50:17,929

Come on, Bobby put the magazine away,  
will ya? Pay attention.

553

00:50:18,297 --> 00:50:19,831

We may only get  
one crack at this.

554

00:50:25,070 --> 00:50:28,106

<i>Covey Leader  
calling Raven. Come on, Raven.</i>

555

00:50:30,876 --> 00:50:32,777

<i>Covey Leader calling Raven.</i>

556

00:50:37,049 --> 00:50:40,051

<i>Covey Leader to Raven.  
Talk to me, Johnny.</i>

557

00:50:42,188 --> 00:50:44,456

Covey Leader  
to identify Baker Team.

558

00:50:45,324 --> 00:50:47,326

Rambo, Messner,

559

00:50:47,393 --> 00:50:49,661

Ortega, Coletta,

560

00:50:50,229 --> 00:50:51,963

Jorgensen, Danforth,

561

00:50:52,031 --> 00:50:56,168

Barry, Krackauer.

Confirm.

562

00:50:57,236 --> 00:50:59,071

<i>This is Col. Trautman.</i>

563

00:51:01,039 --> 00:51:02,141

<i>Talk to me, Johnny.</i>

564

00:51:16,655 --> 00:51:17,989

<i>They're all gone, sir.</i>

565

00:51:18,057 --> 00:51:20,325

It's him. It's him.

Get on it.

566

00:51:20,993 --> 00:51:23,061

Rambo, are you  
all right? Over.

567

00:51:23,129 --> 00:51:24,596

Baker Team,  
they're all dead, sir.

568

00:51:26,064 --> 00:51:28,467

<i>Not Delmar Barry.  
He made it.</i>

569

00:51:29,734 --> 00:51:31,170

Barry's gone too, sir.

570

00:51:32,237 --> 00:51:33,505

<i>How?</i>

571

00:51:34,373 --> 00:51:37,308

Got himself killed in 'Nam.  
Didn't even know it.

572

00:51:37,476 --> 00:51:38,944

Cancer ate him

down to the bone.

573

00:51:41,079 --> 00:51:41,980

I'm sorry.

I didn't know.

574

00:51:43,948 --> 00:51:45,517

I'm the last one, sir.

575

00:51:46,485 --> 00:51:49,655

<i>It's good to hear your voice, Johnny.

It's been a long time.</i>

576

00:51:51,122 --> 00:51:53,124

Look, John, you've

done some damage here,

577

00:51:53,192 --> 00:51:54,526

<i>That's it. Northwest.

but they don't want any more trouble.</i>

578

00:51:54,594 --> 00:51:56,261

He's northwest.

579

00:51:57,229 --> 00:51:58,297

That's why I've come.

580

00:51:59,364 --> 00:52:01,066

I'm gonna come in there  
and fly you the hell out.

581

00:52:01,233 --> 00:52:03,634

*Just you and me. We'll work  
this thing out together.*

582

00:52:03,703 --> 00:52:05,304

*Is that fair enough?*

583

00:52:06,571 --> 00:52:08,206

Where'd you come from, sir?

584

00:52:08,373 --> 00:52:09,808

*Bragg.*

585

00:52:10,875 --> 00:52:12,045

I tried to get in touch  
with you,

586

00:52:12,046 --> 00:52:14,446  
but the guys at Bragg never  
knew where to find you.

587

00:52:14,513 --> 00:52:16,114  
I haven't been spending  
much time there lately.

588

00:52:16,181 --> 00:52:19,850  
They've got me down in D.C.  
I'm shining a seat with my ass.

589

00:52:20,318 --> 00:52:22,286  
I wish I was back at Bragg now.

590

00:52:25,324 --> 00:52:26,891  
We'll talk about that  
when you come in.

591

00:52:27,359 --> 00:52:28,893

*<i>I can't do that, sir.</i>*

592

00:52:31,963 --> 00:52:34,299

Well, look, John, we can't have  
you runnin' around out there...

593

00:52:34,367 --> 00:52:37,636

wastin' friendly civilians.  
There are no friendly civilians.

594

00:52:37,903 --> 00:52:39,338

*<i>I'm your friend, Johnny.</i>*

595

00:52:40,305 --> 00:52:42,874

*<i>I was there with you knee-deep  
in all that blood and guts.</i>*

596

00:52:43,542 --> 00:52:45,410

*<i>I covered your ass  
more than once.</i>*

597

00:52:48,380 --> 00:52:51,482

*<i>Seems like bailin' you out of trouble*

is gettin' to be a lifetime job for me.</i>

598

00:52:51,650 --> 00:52:54,485

There wouldn't be no trouble  
except for that king-shit cop.

599

00:52:55,153 --> 00:52:57,422

<i>All I wanted  
was something to eat,</i>

600

00:52:58,090 --> 00:53:00,091

<i>but the man kept pushing, sir.</i>

601

00:53:00,959 --> 00:53:02,460

You did some pushing  
of your own, John.

602

00:53:03,828 --> 00:53:05,663

They drew first blood, not me.

603

00:53:05,730 --> 00:53:09,267

Look, Johnny, let me come in and  
get you the hell out of there.

604

00:53:11,335 --> 00:53:12,837

They drew first blood.

605

00:53:21,546 --> 00:53:24,249

*<i>*Rambo, are you  
still reading me?*</i>*

606

00:53:29,088 --> 00:53:30,255

Covey Leader to Raven.

607

00:53:32,223 --> 00:53:33,892

Rambo, acknowledge.

608

00:53:34,959 --> 00:53:36,395

He's all finished, Colonel.

609

00:53:37,562 --> 00:53:38,897

We've got a real good  
fix on him, though.

610

00:53:39,764 --> 00:53:42,200

Come first light, I'm gonna put  
every man I got up on that ridge.

611

00:53:43,467 --> 00:53:44,835

Then we'll get him my way.

612

00:53:46,738 --> 00:53:48,739

<i>All right, look down. I want you  
to stretch the skirmish line...</i>

613

00:53:48,808 --> 00:53:52,243

<i>right across this ridge.

Goddamn it.</i>

614

00:53:54,012 --> 00:53:55,313

Goddamn it.

615

00:53:59,951 --> 00:54:01,586

<i>Come on. Let's go.

Over here.</i>

616

00:54:05,257 --> 00:54:06,925

<i>Come on!

Move it!</i>

617

00:54:09,194 --> 00:54:10,595

<i>Let's go.</i>

618

00:54:11,463 --> 00:54:13,197

Hey, this guy got a gun?

619

00:54:13,365 --> 00:54:14,599

<i>Watch it.

It's slippery.</i>

620

00:54:14,667 --> 00:54:16,768

<i>Come on.</i>

621

00:54:17,436 --> 00:54:18,770

<i>Watch your step.</i>

622

00:54:18,838 --> 00:54:21,105

<i>What was that?

What was that?</i>

623

00:54:24,977 --> 00:54:27,779

*<i>To the left or the right?*

*Which way did he go?</i>*

624

00:54:27,847 --> 00:54:30,014

*<i>Toss it across.*

*Toss it.</i>*

625

00:54:30,082 --> 00:54:32,016

*<i>Which way?</i>*

626

00:55:20,665 --> 00:55:24,335

Pa! Pa! Pa!

627

00:55:24,403 --> 00:55:25,737

There's a guy over there!

What happened, son?

628

00:55:25,805 --> 00:55:28,507

I see him! Over there!

I'll get him! I'll get him!

629

00:55:29,274 --> 00:55:32,977

Don't shoot! Cool down!

This way! Let's go!

630

00:55:39,418 --> 00:55:41,420

There he is! Come on!

631

00:55:51,996 --> 00:55:52,997

Whoo!

632

00:55:58,569 --> 00:55:59,771

Now we got him!

633

00:56:03,275 --> 00:56:06,544

Yes. Yes, I know exactly where it is.

Listen to me very carefully.

634

00:56:06,611 --> 00:56:09,747

Surround the area with every man  
you've got, but don't move in.

635

00:56:09,814 --> 00:56:12,916

I repeat, don't move in. In fact,  
don't do anything 'til I get there.

636

00:56:13,084 --> 00:56:16,154

And no shooting. I don't want  
him dead. I want him alive.

637

00:56:22,127 --> 00:56:25,229

Get down!

638

00:56:34,073 --> 00:56:35,674

Keep firin'!

639

00:56:38,041 --> 00:56:39,693

Come on, guys.

Shoot!

640

00:56:40,961 --> 00:56:42,063

Come on!

641

00:56:44,298 --> 00:56:45,399

Oh, you guys are great.

642

00:56:46,367 --> 00:56:47,801

All right, Steve?

Yo?

643

00:56:47,969 --> 00:56:51,338

I want you and Bruce, head around these  
trees, go to the front of that mine.

644

00:56:51,406 --> 00:56:53,376

Screw that, Clinton.

I ain't goin' up there.

645

00:56:53,402 --> 00:56:54,368

No way.

646

00:56:59,047 --> 00:57:00,248

Raymond?

What?

647

00:57:00,915 --> 00:57:03,217

I want you to go into that mine.

Oh, not me.

648

00:57:03,985 --> 00:57:06,486

What do you mean, "not me"?

Look, I do this part-time.

649

00:57:06,554 --> 00:57:09,957

I didn't come here to get killed. He's  
probably in there just waitin' for us.

650

00:57:10,024 --> 00:57:12,093

What's wrong with you, Clinton?

651

00:57:15,664 --> 00:57:20,301

All right, Rambo? This is  
Lieutenant Clinton Morgen,

652

00:57:20,969 --> 00:57:22,637

<i>National Guard Leader.</i>

653

00:57:24,305 --> 00:57:28,576

<i>Now, I'm giving you just  
three-zero seconds to come on out!</i>

654

00:57:30,543 --> 00:57:32,013

<i>Who's got the rocket launcher?</i>

655

00:57:32,081 --> 00:57:34,582

*<i>I do.*

*Come here, Earl.</i>*

656

00:57:35,050 --> 00:57:35,645

*<i>Great.</i>*

657

00:57:36,571 --> 00:57:39,946

*<i>Rambo, this is your last  
chance to come out.</i>*

658

00:57:41,389 --> 00:57:42,690

Maybe we should wait.

659

00:57:44,158 --> 00:57:45,859

Earl, this creep is a killer.

660

00:57:46,127 --> 00:57:48,529

Besides, I'm in charge,  
and I say we blow it up.

661

00:57:49,597 --> 00:57:50,931

Now fire that thing.

662

00:57:51,299 --> 00:57:53,201

Just let me

get out of the way first.

663

00:58:15,090 --> 00:58:16,624

Whoo!

Yeah!

664

00:58:16,992 --> 00:58:20,327

Give that man a cigar!

665

00:58:20,394 --> 00:58:21,429

Bull's-eye!

666

00:59:01,770 --> 00:59:04,605

Where the hell are they?

Up the hill about 500 yards.

667

00:59:08,042 --> 00:59:10,610

Move in a little

closer, just like Iwo Jima.

668

00:59:10,678 --> 00:59:13,714

I don't believe it.

669

00:59:14,182 --> 00:59:15,683

Idiots!

Steady. Got it.

670

00:59:16,251 --> 00:59:18,218

All right, Nick.

One more for Soldier of Fortune.

671

00:59:18,286 --> 00:59:19,787

Soldier of Fortune?

672

00:59:20,455 --> 00:59:23,256

Damn it! What the hell do you

think this is? Some kind of a circus?

673

00:59:23,324 --> 00:59:26,093

Get the hell out of here!

674

00:59:26,461 --> 00:59:27,962

Clinton,

Jesus...

675

00:59:28,730 --> 00:59:31,866

Didn't you get the word, Clinton? I told  
you people to wait until I got up here!

676

00:59:31,933 --> 00:59:36,370

He was shootin' at us, Will. Come  
on, I wasn't takin' any chances.

677

00:59:37,538 --> 00:59:38,873

Christ, what a mess.

678

00:59:41,359 --> 00:59:44,412

We're gonna have to dig his  
body out of there right away.

679

00:59:45,480 --> 00:59:47,214

You can't get a dozer up here.

680

00:59:47,282 --> 00:59:48,716

You're going to have to find  
somebody to dig him out.

681

00:59:48,784 --> 00:59:52,286

It's your mess, Clinton. You clean it up.  
Will, come on!

682

00:59:52,353 --> 00:59:53,888

I gotta be back at the  
drugstore tomorrow.

683

00:59:53,955 --> 00:59:57,557

Then you better get started  
right away, Clinton!

684

00:59:59,627 --> 01:00:00,728

Shit!

685

01:00:45,306 --> 01:00:48,275

Buried in a hole by a bunch  
of goddamn weekend warriors.

686

01:00:49,343 --> 01:00:51,378

I thought you said he was  
the best you ever trained.

687

01:00:51,546 --> 01:00:54,882

However he may have ended up, there  
was a time when he was very special.

688

01:00:55,550 --> 01:00:58,852

Special, my ass. He's just another  
drifter that broke the law.

689

01:00:58,919 --> 01:01:02,022

Vagrancy, wasn't it?

That's gonna look real good...

690

01:01:02,089 --> 01:01:03,791

on his gravestone at Arlington.

691

01:01:04,059 --> 01:01:07,661

"Here lies John Rambo, winner of  
the Congressional Medal of Honor,

692

01:01:08,028 --> 01:01:11,131

<i>"survivor of countless  
incursions behind enemy lines,</i>

693

01:01:12,399 --> 01:01:15,035

killed for vagrancy  
in Jerkwater, U.S.A."

694

01:01:15,103 --> 01:01:17,905

Now don't give me  
any of that crap, Trautman.

695

01:01:18,672 --> 01:01:21,993

You think Rambo was the only guy  
who had a tough time in Vietnam?

696

01:01:22,060 --> 01:01:24,628

He killed a police officer,  
for Christ sake!

697

01:01:24,695 --> 01:01:25,930

You're goddamn lucky  
he didn't kill all of ya.

698

01:01:43,948 --> 01:01:47,818

This character, he comes waltzing in  
here, full of all kinds of good advice.

699

01:01:48,286 --> 01:01:52,189

And wished we'd let the goddamn maniac  
go loose so we can save our own asses!

700

01:01:52,657 --> 01:01:55,693

Well, we saved our asses, Colonel,  
and we didn't let him go loose!

701

01:01:56,061 --> 01:01:57,629

The best man lost!

702

01:01:58,496 --> 01:01:59,964

And he doesn't like it!

703

01:02:22,254 --> 01:02:26,090

<i>That Rambo...

Digging trenches in hell.</i>

704

01:02:26,158 --> 01:02:28,926

*<i>Why did we follow him up here?*

*This is so damn stupid.</i>*

705

01:02:28,994 --> 01:02:31,128

*<i>I wanna get outta here.</i>*

706

01:03:33,791 --> 01:03:35,993

How ya doin', Will?

Hold my calls.

707

01:05:56,700 --> 01:05:57,717

Colonel?

708

01:06:02,723 --> 01:06:03,791

Have a seat.

709

01:06:09,730 --> 01:06:12,866

Oh, miss, would you

do this again, please?

710

01:06:12,934 --> 01:06:14,602

Hi, Sheriff.

And for my friend.

711

01:06:15,170 --> 01:06:16,971

Give me a shooter.

Wild Turkey.

712

01:06:19,473 --> 01:06:20,808

Look, if I was

out of line before,

713

01:06:20,876 --> 01:06:24,479

I... I just want

to apologize.

714

01:06:26,547 --> 01:06:29,417

None of that makes much

difference now, does it?

715

01:06:30,785 --> 01:06:32,187

Nah, I guess not.

716

01:06:34,154 --> 01:06:36,123

I suppose...

717

01:06:37,191 --> 01:06:39,960

I don't know.

I just feel...

718

01:06:41,428 --> 01:06:44,598

Like you were cheated  
out of your chance.

719

01:06:45,466 --> 01:06:47,501

I wanted to kill that kid.

720

01:06:48,769 --> 01:06:51,171

I wanted to kill him  
so bad I could taste it.

721

01:06:52,939 --> 01:06:54,842

Doesn't sit well  
with that badge, hmm?

722

01:06:56,469 --> 01:06:58,775

It can get confusing sometimes.

723

01:07:00,958 --> 01:07:04,156

In Vietnam, you can bet that  
Rambo and I got pretty confused.

724

01:07:04,691 --> 01:07:06,585

But we had orders.

725

01:07:07,720 --> 01:07:10,530

When in doubt, kill.

726

01:07:14,662 --> 01:07:16,096

What the hell,  
you're a civilian.

727

01:07:16,164 --> 01:07:20,334

You can go home to your wife and your  
house and your little flower garden.

728

01:07:20,801 --> 01:07:22,802

You're under no pressure  
to figure all this out.

729

01:07:22,970 --> 01:07:25,739

What about you, Colonel? What did you figure out from all of this, huh?

730

01:07:26,307 --> 01:07:28,175

What would you have done with him if he came in?

731

01:07:28,342 --> 01:07:31,345

<i>Would you wrap your arms around him, give him a big, sloppy kiss?</i>

732

01:07:31,812 --> 01:07:33,647

Or would you have blown his brains out?

733

01:07:42,522 --> 01:07:45,325

I couldn't answer that until I met him face-to-face.

734

01:07:47,027 --> 01:07:50,365

Yeah.

Well, there it is.

735

01:07:52,232 --> 01:07:54,801

It's just as well we never  
got a chance to find out.

736

01:07:54,968 --> 01:07:56,036

Hmm.

737

01:09:46,914 --> 01:09:47,848

Drive.

738

01:09:50,918 --> 01:09:52,452

Don't look at me,  
look at the road.

739

01:09:52,820 --> 01:09:54,522

That's how accidents happen.

740

01:09:55,789 --> 01:09:58,526

What's your name?  
Ca... Cathcart, Robert A.

741

01:09:59,493 --> 01:10:01,688

All right, what do ya got  
in the back, Robert A.?

742

01:10:01,714 --> 01:10:02,487  
M60.

743

01:10:05,498 --> 01:10:08,268  
Okay, Robert A., get outta the truck.

744

01:10:08,336 --> 01:10:11,138  
Oh, please, I got no beef with you. No!  
Go on! Move! Go!

745

01:10:28,189 --> 01:10:30,057  
Whoa!

746

01:10:34,027 --> 01:10:36,499  
<i>S.P. Car 1,  
Charlie 5 to Central.</i>

747

01:10:36,534 --> 01:10:37,354  
Want to turn that up?

748

01:10:37,497 --> 01:10:39,438

<i>Are we still on that three-way hookup?</i>

749

01:10:39,473 --> 01:10:41,501

<i>Sheriff Teasle's office.

He's not taking any calls.</i>

750

01:10:41,570 --> 01:10:44,838

<i>Roger. Still working.

What's your story, Steamboat?</i>

751

01:10:45,806 --> 01:10:47,574

<i>Looks like somebody

pulled the plug too soon.</i>

752

01:10:47,941 --> 01:10:50,978

<i>That Rambo guy...

is on the loose again.</i>

753

01:10:51,045 --> 01:10:53,446

<i>Shit.

Roger, Steamboat. This is Trapper.</i>

754

01:10:53,614 --> 01:10:55,715

<i>We're setting up roadblocks  
on Highway 26.</i>

755

01:10:55,783 --> 01:10:58,852

Hey, Will, it's Rambo.

He's still around.

756

01:13:15,222 --> 01:13:18,126

<i>Heads up!

Get out of the way!</i>

757

01:14:39,707 --> 01:14:40,694

Holy fuck!

758

01:14:41,220 --> 01:14:43,268

All right, get out there right away.

Move!

759

01:15:09,436 --> 01:15:11,404

What the hell is goin' on?

760

01:15:14,441 --> 01:15:16,610

Watch yourself!

They're all gonna blow!

761

01:15:27,220 --> 01:15:28,788

Attention all civilians.

762

01:15:29,956 --> 01:15:31,457

For your own safety,

763

01:15:31,525 --> 01:15:34,060

please evacuate

the streets immediately.

764

01:15:35,428 --> 01:15:38,331

<i>Remain indoors until you  
receive further instructions.</i>

765

01:15:38,598 --> 01:15:41,270

<i>I repeat, this is a  
police emergency.</i>

766

01:15:41,471 --> 01:15:44,871

*<i>Please evacuate the  
streets immediately.</i>*

767

01:16:02,956 --> 01:16:04,290

We found Rambo's body.

768

01:16:04,758 --> 01:16:08,090

As a matter of fact,  
it stole an army truck,

769

01:16:08,107 --> 01:16:10,299

blew up a gas station  
on the other side of town.

770

01:16:11,766 --> 01:16:13,434

The kid is resilient.

771

01:16:14,201 --> 01:16:16,802

Why don't forget what you're thinkin'  
and clear out while you can?

772

01:16:16,870 --> 01:16:20,040

Get the fuck outta here, Trautman

and you take your advice with you.

773

01:16:20,908 --> 01:16:22,720

When I talked to you  
earlier this afternoon,

774

01:16:22,755 --> 01:16:24,533

you knew he was still alive,  
didn't you?

775

01:16:26,580 --> 01:16:29,248

I suspected.

Yeah, sure.

776

01:16:29,716 --> 01:16:32,719

Sure. That's why you stuck around.

You trained him.

777

01:16:33,087 --> 01:16:35,889

You taught him how to get out  
of places like that cave.

778

01:16:36,857 --> 01:16:38,358

But he's not gonna  
get out of this place.

779

01:16:39,326 --> 01:16:42,117

Teasle, you and all your men  
couldn't handle him before.

780

01:16:42,152 --> 01:16:43,697

What makes you think  
you can handle him now?

781

01:16:44,964 --> 01:16:46,900

Because God knows what  
damage he's prepared to do.

782

01:16:59,079 --> 01:17:02,382

You're gonna die, Teasle.  
Everybody dies.

783

01:17:03,550 --> 01:17:05,918

There's only one man in this  
room that's got half a chance.

784

01:17:06,486 --> 01:17:08,154

That's not because  
I'm better than he is.

785

01:17:08,222 --> 01:17:09,823

It's because he trusts me.

786

01:17:10,290 --> 01:17:12,958

See, I'm the closest thing  
to family he has left.

787

01:17:13,027 --> 01:17:14,994

And that may be  
all the edge I need.

788

01:17:15,462 --> 01:17:17,863

Jesus Christ, where  
do you people come from?

789

01:17:22,668 --> 01:17:25,871

Now this is my job, Trautman.  
This is my town.

790

01:17:26,039 --> 01:17:29,575

And I'm not giving it up to you  
or to Rambo or to anybody else.

791

01:17:30,044 --> 01:17:32,579

Now, you just stay  
the hell out of my way.

792

01:17:42,856 --> 01:17:46,193

Get a little closer!  
I can't! It's too goddamn hot!

793

01:17:47,962 --> 01:17:49,963

Will, this is Lester.  
Do you copy? Over.

794

01:17:50,231 --> 01:17:53,799

Come on, let's go!

795

01:17:53,867 --> 01:17:55,534

Will, this is Lester.  
Do you copy? Over.

796

01:17:56,602 --> 01:17:58,805

<i>Listen, Will,  
we got some serious problems.</i>

797

01:17:59,373 --> 01:18:03,376

<i>The highway's been cut off. The truck's  
out here, but we couldn't find the body.</i>

798

01:18:03,744 --> 01:18:07,046

<i>I repeat, no body.  
It's totally burned out.</i>

799

01:18:07,214 --> 01:18:08,982

<i>Preston, get those  
people outta here!</i>

800

01:18:09,049 --> 01:18:11,617

<i>Hey!  
Move 'em back to the south side.</i>

801

01:18:11,685 --> 01:18:14,354

<i>Move back! Move back!  
Listen, Will, we don't know how many...</i>

802

01:18:14,421 --> 01:18:16,923

<i>gasoline reservoirs there are  
under those gas pumps.</i>

803

01:18:21,996 --> 01:18:24,730

<i>Do you copy? Over.  
We got a reporter here.</i>

804

01:18:24,798 --> 01:18:28,167

<i>Preston, push them back!  
I don't care who he is!</i>

805

01:18:30,971 --> 01:18:33,974

<i>Move them around!  
Get the trucks to the other side!</i>

806

01:18:34,141 --> 01:18:36,076

<i>Come on!  
Let's go!</i>

807

01:18:36,143 --> 01:18:38,478

<i>Will, do you copy?  
Over.</i>

808

01:21:29,783 --> 01:21:31,050

Come on, damn it.

809

01:21:31,818 --> 01:21:33,587

Goddamn it!

Goddamn it!

810

01:24:10,376 --> 01:24:13,491

Go ahead.

Go ahead.

811

01:24:13,880 --> 01:24:16,168

<i>Go ahead, you crazy son of a bitch!

Finish me!</i>

812

01:24:16,194 --> 01:24:16,640

Rambo!

813

01:24:17,883 --> 01:24:19,686

Rambo, don't do it!

814

01:24:20,654 --> 01:24:23,857

*<i>Listen to me, Rambo.</i>*

You have no chance.

815

01:24:24,624 --> 01:24:26,393

*<i>So drop your weapon.</i>*

816

01:24:27,460 --> 01:24:30,697

I'm gonna order the chopper in  
to fly you back to Bragg.

817

01:24:30,765 --> 01:24:34,232

Hold your fire!

818

01:24:35,935 --> 01:24:39,405

Kern! Hold your fire.

*<i>Yes?</i>*

819

01:24:40,072 --> 01:24:42,074

*<i>Hold your fire. Hold your fire!</i>*

820

01:24:42,842 --> 01:24:44,878

Think about what you're doing.

821

01:24:46,546 --> 01:24:49,248

The building's perimeter  
is covered. No exits.

822

01:24:50,116 --> 01:24:52,719

<i>There are nearly 200 men  
out there and a lot of M16s.</i>

823

01:24:53,587 --> 01:24:56,221

You did everything to make  
this private war happen.

824

01:24:56,989 --> 01:24:58,157

You've done enough damage!

825

01:24:59,225 --> 01:25:01,493

This mission is over, Rambo.  
Do you understand me?

826

01:25:01,561 --> 01:25:04,330

This mission is over!

827

01:25:07,901 --> 01:25:09,335

Look at 'em out there.

828

01:25:12,538 --> 01:25:13,572

Look at 'em!

829

01:25:16,643 --> 01:25:18,645

*<i>If you don't end this now,  
they're gonna kill you.</i>*

830

01:25:19,712 --> 01:25:20,747

Is that what you want?

831
