

Dialogues from Ratatouille to improve the vocabulary in English

1

00:00:28,069 --> 00:00:30,094

<i>Although each of the world's countries</i>

2

00:00:30,205 --> 00:00:31,433

<i>would like to dispute this fact,</i>

3

00:00:31,539 --> 00:00:32,972

<i>we French know the truth:</i>

4

00:00:33,074 --> 00:00:35,304

<i>The best food in the world</i>

<i>is made in France.</i>

5

00:00:35,410 --> 00:00:37,469

<i>The best food in France</i>

<i>is made in Paris.</i>

6

00:00:37,579 --> 00:00:42,073

<i>And the best food in Paris, some say,</i>

<i>is made by Chef Auguste Gusteau.</i>

7

00:00:42,183 --> 00:00:44,549

<i>Gusteau's restaurant</i>

<i>is the toast of Paris,</i>

8

00:00:44,652 --> 00:00:46,279

<i>booked five months in advance.</i>

9

00:00:46,388 --> 00:00:49,118

<i>And his dazzling ascent</i>

<i>to the top of fine French cuisine</i>

10

00:00:49,224 --> 00:00:51,556

<i>has made his competitors envious.</i>

11

00:00:51,659 --> 00:00:54,958

<i>He is the youngest chef ever</i>

<i>to achieve a five-star rating.</i>

12

00:00:55,096 --> 00:00:57,223

<i>Chef Gusteau's cookbook,</i>

Anyone Can Cook!

13

00:00:57,332 --> 00:00:59,459

<i>Climbed to the top of the bestseller list.</i>

14

00:00:59,567 --> 00:01:01,865

<i>But not everyone</i>

<i>celebrates its success.</i>

15

00:01:01,970 --> 00:01:04,871

<i>Amusing title,</i> Anyone Can Cook!

16

00:01:04,973 --> 00:01:08,670

<i>What's even more amusing is that</i>

<i>Gusteau actually seems to believe it.</i>

17

00:01:08,777 --> 00:01:11,268

<i>I, on the other hand,</i>

<i>take cooking seriously.</i>

18

00:01:11,379 --> 00:01:15,145

<i>And, no, I don't think anyone can do it.</i>

19

00:01:53,421 --> 00:01:55,412

<i>This is me.</i>

20

00:01:55,790 --> 00:01:59,226

<i>I think it's apparent</i>

<i>I need to rethink my life a little bit.</i>

21

00:01:59,327 --> 00:02:00,919

<i>What's my problem?</i>

22

00:02:01,029 --> 00:02:02,963

<i>First of all, I'm a rat.</i>

23

00:02:05,033 --> 00:02:07,524

<i>Which means life is hard.</i>

24

00:02:08,770 --> 00:02:13,104

<i>And second, I have a highly developed</i>

<i>sense of taste and smell.</i>

25

00:02:14,542 --> 00:02:18,876

Flour, eggs, sugar, vanilla bean...

26

00:02:18,980 --> 00:02:21,141

Oh! Small twist of lemon.

27

00:02:21,249 --> 00:02:24,878

Whoa, you can smell all that?

You have a gift.

28

00:02:24,986 --> 00:02:28,422

<i>This is Emile, my brother.</i>

<i>He's easily impressed.</i>

29

00:02:28,523 --> 00:02:32,084

So you can smell ingredients?

So what?

30

00:02:32,327 --> 00:02:35,262

<i>This is my dad. He's never impressed.</i>

31

00:02:35,697 --> 00:02:38,598

<i>He also happens to be</i>

<i>the leader of our clan.</i>

32

00:02:38,867 --> 00:02:42,166

<i>So, what's wrong</i>

<i>with having highly developed senses?</i>

33

00:02:42,270 --> 00:02:46,400

- Don't eat that!

- What's going on here?

34

00:02:46,975 --> 00:02:50,411

<i>Turns out that funny smell</i>

<i>was rat poison.</i>

35

00:02:50,512 --> 00:02:53,879

<i>Suddenly, Dad didn't think</i>

<i>my talent was useless.</i>

36

00:02:53,982 --> 00:02:56,450

<i>I was feeling pretty good about my gift,</i>

37

00:02:56,551 --> 00:02:58,951

<i>until Dad gave me a job.</i>

38

00:02:59,387 --> 00:03:00,684

Clean.

39

00:03:01,055 --> 00:03:02,022

Clean.

40

00:03:02,157 --> 00:03:03,522

<i>That's right. Poison checker.</i>

41

00:03:03,625 --> 00:03:04,751

Cleanerific.

42

00:03:04,893 --> 00:03:06,360

Cleanerino.

43

00:03:06,828 --> 00:03:08,557

Close to godliness.

44

00:03:09,497 --> 00:03:13,797

Which means clean.

You know, cleanliness is close to...

45

00:03:14,035 --> 00:03:15,764

Never mind. Move on.

46

00:03:16,404 --> 00:03:18,372

<i>Well, it made my dad proud.</i>

47

00:03:18,473 --> 00:03:23,069

Now, don't you feel better, Remy?

You've helped a noble cause.

48

00:03:23,178 --> 00:03:25,738

Noble? We're thieves, Dad.

49

00:03:25,847 --> 00:03:29,442

And what we're stealing is,

let's face it, garbage.

50

00:03:29,551 --> 00:03:31,542

It isn't stealing if no one wants it.

51

00:03:31,653 --> 00:03:34,144

If no one wants it,

why are we stealing it?

52

00:03:35,356 --> 00:03:37,221

<i>Let's just say</i>

<i>we have different points of view.</i>

53

00:03:38,326 --> 00:03:39,816

<i>This much I knew:</i>

54

00:03:39,928 --> 00:03:43,864

<i>If you are what you eat,</i>

<i>then I only want to eat the good stuff.</i>

55

00:03:44,032 --> 00:03:45,499

<i>But to my dad...</i>

56

00:03:45,600 --> 00:03:46,726

Food is fuel.

57

00:03:46,834 --> 00:03:50,463

You get picky about what you put
in the tank, your engine is gonna die.

58

00:03:50,572 --> 00:03:52,130

Now shut up and eat your garbage.

59

00:03:52,240 --> 00:03:53,730

Look, if we're going to be thieves,

60

00:03:53,841 --> 00:03:55,706

why not steal the good stuff

in the kitchen,

61

00:03:55,810 --> 00:03:57,402

where nothing is poisoned?

62

00:03:57,512 --> 00:04:00,072

First of all, we are not thieves.

63

00:04:00,181 --> 00:04:03,048

Secondly, stay out of the kitchen

and away from the humans.

64

00:04:03,151 --> 00:04:04,345

It's dangerous.

65

00:04:04,452 --> 00:04:06,181

<i>I know</i>

<i>I'm supposed to hate humans,</i>

66

00:04:06,287 --> 00:04:08,312

<i>but there's something about them.</i>

67

00:04:08,423 --> 00:04:12,792

<i>They don't just survive.</i>

<i>They discover, they create.</i>

68

00:04:13,161 --> 00:04:15,322

<i>I mean,</i>

<i>just look at what they do with food.</i>

69

00:04:15,430 --> 00:04:16,920

<i>GUS TEAU ON TV:</i>

<i>How can I describe it?</i>

70

00:04:17,031 --> 00:04:20,990

<i>Good food is like music you can taste,</i>

<i>color you can smell.</i>

71

00:04:21,102 --> 00:04:23,570

<i>There is excellence all around you.</i>

72

00:04:23,671 --> 00:04:27,198

<i>You need only be aware to stop</i>

<i>and savor it.</i>

73

00:04:31,112 --> 00:04:33,307

<i>Oh, Gusteau was right.</i>

74

00:04:33,581 --> 00:04:36,141

<i>Oh, mmm, yeah.</i>

75

00:04:36,551 --> 00:04:38,143

<i>Oh, amazing.</i>

76

00:04:38,853 --> 00:04:42,016

<i>Each flavor was totally unique.</i>

77

00:04:46,094 --> 00:04:49,291

<i>But combine one flavor with another,</i>

78

00:04:49,397 --> 00:04:52,161

<i>and something new was created.</i>

79

00:04:57,872 --> 00:05:00,363

<i>So now I had a secret life.</i>

80

00:05:08,216 --> 00:05:10,776

<i>The only one who knew about it</i>

<i>was Emile.</i>

81

00:05:11,085 --> 00:05:13,280

Hey, Emile. Emile.

82

00:05:13,621 --> 00:05:15,612

I found a mushroom.

83

00:05:15,723 --> 00:05:19,056

Come on, you're good at hiding food.

Help me find a good place to put this.

84

00:05:19,494 --> 00:05:22,588

<i>He doesn't understand me,</i>
<i>but I can be myself around him.</i>

85

00:05:22,697 --> 00:05:24,426

Why are you walking like that?

86

00:05:24,532 --> 00:05:27,501

I don't want to constantly
have to wash my paws.

87

00:05:27,602 --> 00:05:29,661

Did you ever think about how we walk
on the same paws

88

00:05:29,771 --> 00:05:30,965

that we handle food with?

89

00:05:31,072 --> 00:05:33,131

You ever think about
what we put into our mouths?

90

00:05:33,241 --> 00:05:34,299

All the time.

91

00:05:34,409 --> 00:05:36,969

When I eat, I don't want to taste
everywhere my paws have been.

92

00:05:37,078 --> 00:05:38,204

Well, go ahead.

93

00:05:38,313 --> 00:05:40,907

But if Dad sees you walking like that,
he's not going to like it.

94

00:05:42,150 --> 00:05:43,981

What have you got there?

95

00:05:46,754 --> 00:05:48,449

You found cheese?

96

00:05:48,956 --> 00:05:53,290

And not just any cheese.

Tomme de chvre de pays!

97

00:05:53,494 --> 00:05:55,985

That would go beautifully
with my mushroom.

98

00:05:56,097 --> 00:05:57,064

And...

99

00:05:59,300 --> 00:06:02,497

This rosemary! This rosemary

100

00:06:02,603 --> 00:06:06,266

with maybe with a few drops
from this sweet grass.

101

00:06:06,741 --> 00:06:09,733

Well, throw it on the pile, I guess,
and then we'll... You know...

102

00:06:09,844 --> 00:06:14,247

We don't want to throw this in
with the garbage. This is special.

103

00:06:14,349 --> 00:06:15,976

But we're supposed
to return to the colony

104

00:06:16,084 --> 00:06:17,642

before sundown or,
you know, Dad's gonna...

105

00:06:17,752 --> 00:06:18,776

Emile!

106

00:06:18,886 --> 00:06:20,786

There are possibilities
unexplored here.

107

00:06:20,888 --> 00:06:22,378

We got to cook this.

108

00:06:22,490 --> 00:06:26,950

Now, exactly how we cook this
is the real question...

109

00:06:28,229 --> 00:06:29,196

Yeah.

110

00:06:29,897 --> 00:06:32,161

The key is to keep turning it.

111

00:06:32,266 --> 00:06:35,667

Get the smoky flavor nice and even.

112

00:06:36,904 --> 00:06:39,099

That storm's getting closer.

113

00:06:39,407 --> 00:06:44,106

Hey, Remy, you think that maybe
we shouldn't be so...

114

00:06:55,957 --> 00:06:57,424

You got to taste this!

115

00:06:57,525 --> 00:07:01,825

This is... It's got this kind of...
It's burny, melty...

116

00:07:01,929 --> 00:07:04,796

It's not really a smoky taste.

It's a certain... It's kind of like a...

117

00:07:06,033 --> 00:07:09,935

It's got, like, this "ba-boom, zap"

kind of taste. Don't you think?

118

00:07:10,037 --> 00:07:13,234

- What would you call that flavor?

- Lightning-y?

119

00:07:13,508 --> 00:07:17,968

Yeah. It's lightning-y!

We got to do that again.

120

00:07:18,079 --> 00:07:20,741

Okay, when the next storm comes,

we'll go up on the roof...

121

00:07:20,848 --> 00:07:24,284

I know what this needs! Saffron!

A little saffron would make this!

122

00:07:24,385 --> 00:07:26,910

Saffron. Why do I get the feeling

123

00:07:27,021 --> 00:07:28,955

- it's in the kitchen?

- It's in the kitchen.

124

00:07:35,897 --> 00:07:38,024

Saffron.

- Not good.

125

00:07:38,132 --> 00:07:39,599

Saffron.

126

00:07:39,700 --> 00:07:43,568

Don't like it. She's gonna wake up.

127

00:07:43,671 --> 00:07:45,104

I've been down here a million times.

128

00:07:45,206 --> 00:07:48,369

She turns on the cooking channel,

boom, she never wakes up.

129

00:07:48,476 --> 00:07:50,467

You've been here a million times?

130

00:07:50,578 --> 00:07:54,115

I'm telling you, saffron will be
just the thing. Gusteau swears by it.

131

00:07:54,382 --> 00:07:56,179

Okay. Who's Gusteau?

132

00:07:56,284 --> 00:07:59,549

Just the greatest chef in the world.
Wrote this cookbook.

133

00:07:59,654 --> 00:08:02,521

Wait. You read?

134

00:08:02,623 --> 00:08:07,424

- Well, not excessively.
- Oh, man. Does Dad know?

135

00:08:07,528 --> 00:08:12,124

You could fill a book, a lot
of books, with things Dad doesn't know.

136

00:08:12,233 --> 00:08:16,363

And they have, which is why I read.
Which is also our secret.

137

00:08:16,537 --> 00:08:17,936

I don't like secrets.

138

00:08:18,039 --> 00:08:21,873

All this cooking
and reading and TV-watching

139

00:08:21,976 --> 00:08:24,274

while we read and cook.

140

00:08:24,378 --> 00:08:27,472

It's like you're involving me in crime,
and I let you.

141

00:08:27,582 --> 00:08:28,981

Why do I let you?

142

00:08:33,654 --> 00:08:35,713

What's taking those kids so long?

143

00:08:36,791 --> 00:08:39,817

Ah, l'Aquila saffron. Italian. Huh?

144

00:08:40,061 --> 00:08:43,656

Gusteau says it's excellent.

Good thing the old lady is a food love...

145

00:08:43,764 --> 00:08:46,426

Forget mystique.

This is about your cooking.

146

00:08:46,534 --> 00:08:49,002

Hey! That's Gusteau. Emile, look.

147

00:08:49,136 --> 00:08:50,383

Great cooking

is not for the faint of heart.

148

00:08:50,418 --> 00:08:51,631

<i>Great cooking</i>

<i>is not for the faint of heart.</i>

149

00:08:51,739 --> 00:08:54,367

<i>You must be imaginative,</i>

<i>strong hearted.</i>

150

00:08:54,475 --> 00:08:56,534

<i>You must try things that may not work.</i>

151

00:08:56,644 --> 00:08:58,737

<i>And you must not let anyone</i>

<i>define your limits</i>

152

00:08:58,846 --> 00:09:00,973

<i>because of where you come from.</i>

153

00:09:01,082 --> 00:09:03,346

<i>Your only limit is your soul.</i>

154

00:09:03,451 --> 00:09:10,414

<i>What I say is true. Anyone can cook.</i>

<i>But only the fearless can be great.</i>

155

00:09:11,125 --> 00:09:12,490

Pure poetry.

156

00:09:12,593 --> 00:09:14,618

<i>But it was not to last.</i>

157

00:09:15,029 --> 00:09:17,896

<i>Gusteau's restaurant lost</i>

<i>one of its five stars</i>

158

00:09:17,999 --> 00:09:22,663

<i>after a scathing review</i>

<i>by France's top food critic, Anton Ego.</i>

159

00:09:23,237 --> 00:09:25,364

<i>It was a severe blow to Gusteau,</i>

160

00:09:25,473 --> 00:09:28,499

<i>and the brokenhearted chef</i>

<i>died shortly afterwards,</i>

161

00:09:28,609 --> 00:09:32,705

<i>which, according to tradition,</i>

<i>meant the loss of another star.</i>

162

00:09:32,947 --> 00:09:35,313

Gusteau is dead?

163

00:09:49,530 --> 00:09:50,724

Run!

164

00:09:53,301 --> 00:09:55,394

No, you'll lead her to the colony!

165

00:10:14,355 --> 00:10:15,870

- Help, Remy, help!

- Emile! Start swinging the light!

166

00:10:15,905 --> 00:10:17,385

- Help, Remy, help!

- Emile! Start swinging the light!

167

00:10:19,660 --> 00:10:21,093

Try to grab you.

168

00:10:24,565 --> 00:10:26,396

Emile, swing to me.

169

00:11:00,134 --> 00:11:03,570

Evacuate! Everyone, to the boats.

170

00:11:07,642 --> 00:11:09,442

Let me through!

- The book.

171

00:11:09,477 --> 00:11:10,171

Let me through!

- The book.

172

00:11:11,445 --> 00:11:13,640

Excuse me. Move, move.

173

00:11:28,896 --> 00:11:31,990

Go, go, go, go. Move, move, move.

174

00:11:32,900 --> 00:11:35,869

Get the bridge up! Move it, move it!

175

00:11:36,537 --> 00:11:37,970

Hey, Johnny! Hurry!

176

00:11:38,172 --> 00:11:39,662

Push off. Come on.

177

00:11:40,675 --> 00:11:41,835

Get hold!

178

00:11:45,579 --> 00:11:48,480

- Take the baby. Here!

- Give me your paw.

179

00:11:49,517 --> 00:11:51,109

Hey, wait for me!

180

00:11:56,057 --> 00:11:58,184

Is everybody here?

Do we have everybody?

181

00:11:58,292 --> 00:12:00,852

- Wait a minute. Where's Remy?

- Right here. I'm coming.

182

00:12:01,429 --> 00:12:02,760

I'm coming!

183

00:12:03,631 --> 00:12:06,623

Hold on, Son.

Give him something to grab on to.

184

00:12:06,801 --> 00:12:08,792

Come on, boy. Paddle, Son.

185

00:12:08,903 --> 00:12:10,837

Come on. Reach for it.

186

00:12:11,772 --> 00:12:13,000

You can do it.

187

00:12:17,178 --> 00:12:18,668

- Remy!

- Dad!

188

00:12:18,779 --> 00:12:21,509

Come on. You can make it.

You can make it.

189

00:12:27,521 --> 00:12:29,455

Guys, wait. Stop!

190

00:12:29,557 --> 00:12:31,616

Remy. Come on. Paddle.

191

00:12:31,726 --> 00:12:35,389

Hold on! Wait for me. Hold on.

192

00:12:38,032 --> 00:12:39,260

Dad?

193

00:12:42,403 --> 00:12:43,370

Dad?

194

00:12:54,215 --> 00:12:55,705

Which way?

195

00:13:46,233 --> 00:13:47,668

<i>I waited</i>

196

00:13:50,104 --> 00:13:51,571

<i>for a sound,</i>

197

00:13:53,974 --> 00:13:55,464

<i>a voice,</i>

198

00:13:57,711 --> 00:13:59,235

<i>a sign,</i>

199

00:14:01,649 --> 00:14:03,082

<i>something.</i>

200

00:14:21,936 --> 00:14:25,702

If you are hungry,

go up and look around, Remy.

201

00:14:27,975 --> 00:14:30,034

Why do you wait and mope?

202

00:14:30,477 --> 00:14:34,743

Well, I've just lost my family,
all my friends,

203

00:14:35,916 --> 00:14:37,383

probably forever.

204

00:14:37,818 --> 00:14:40,548

- How do you know?

- Well, I...

205

00:14:41,222 --> 00:14:44,953

You are an illustration.

Why am I talking to you?

206

00:14:45,159 --> 00:14:49,858

Well, you just lost your family,
all your friends. You are lonely.

207

00:14:49,964 --> 00:14:52,159

Yeah. Well, you're dead.

208

00:14:52,266 --> 00:14:55,599

Ah, but that is no match
for wishful thinking.

209

00:14:55,703 --> 00:14:57,432

If you focus on what you've left behind,

210

00:14:57,538 --> 00:14:59,904

you'll never be able to see
what lies ahead.

211

00:15:00,007 --> 00:15:02,202

Now go up and look around.

212

00:15:39,346 --> 00:15:40,506

Champagne!

213

00:15:41,916 --> 00:15:43,008

What are you doing?

214

00:15:44,218 --> 00:15:45,344

I'm hungry.

215

00:15:45,552 --> 00:15:46,951

I don't know where I am,

216

00:15:47,054 --> 00:15:48,749

and I don't know

when I'll find food again.

217

00:15:48,856 --> 00:15:52,451

Remy, you are better than that.

You are a cook.

218

00:15:52,660 --> 00:15:57,563

A cook makes. A thief takes.

You are not a thief.

219

00:15:58,232 --> 00:15:59,893

But I am hungry.

220

00:16:01,602 --> 00:16:03,263

Food will come, Remy.

221

00:16:03,370 --> 00:16:07,932

Food always comes
to those who love to cook.

222

00:16:20,020 --> 00:16:22,318

- You think I am playing?
- You don't have the guts.

223

00:17:09,737 --> 00:17:10,863

Paris?

224

00:17:11,472 --> 00:17:14,964

All this time
I've been underneath Paris?

225

00:17:17,077 --> 00:17:18,271

Wow.

226

00:17:20,981 --> 00:17:22,676

It's beautiful.

227

00:17:23,884 --> 00:17:26,478

The most beautiful.

228

00:17:26,820 --> 00:17:29,414

Gusteau's? Your restaurant?

229

00:17:29,523 --> 00:17:31,957

You've led me to your restaurant.

230

00:17:33,027 --> 00:17:38,226

It seems as though I have. Yes.

There it is! I have led you to it!

231

00:17:38,332 --> 00:17:39,697

I got to see this.

232

00:17:40,367 --> 00:17:41,925

Ready to go on table seven.

Coming around.

233

00:17:42,036 --> 00:17:43,731

One order of steamed pike up.

Coming up.

234

00:17:43,837 --> 00:17:45,566

I need

more soup bowls, please.

235

00:17:45,672 --> 00:17:48,266

I need two rack of lamb.

I need more leeks.

236

00:17:48,375 --> 00:17:51,640

I need two salmon, three

salade compos e, and three filet.

237

00:17:51,745 --> 00:17:53,645

Three orders

of salade compos e working.

238

00:17:53,747 --> 00:17:55,442

Firing two orders, seared salmon.

239

00:17:55,549 --> 00:17:57,918

Three filet working. I need plates.

240

00:17:58,185 --> 00:18:00,847

Fire seven.

Three salade compos e up.

241

00:18:00,954 --> 00:18:02,854

Don't mess with my mise!

242

00:18:03,090 --> 00:18:04,182

Open down low.

243

00:18:04,291 --> 00:18:07,226

I'm getting buried here.

244

00:18:07,394 --> 00:18:10,090

Hello, Chef Skinner.

How your night be now?

245

00:18:10,197 --> 00:18:12,222

<i>Bonjour,</i> chef.

Hello, Chef Skinner.

246

00:18:12,332 --> 00:18:14,823

- Evening, chef.

Ordering *deux* filet.

247

00:18:14,935 --> 00:18:16,800

Hey, boss, look who is here.

248

00:18:16,904 --> 00:18:19,304

Alfredo Linguini, Renata's little boy.

249

00:18:19,406 --> 00:18:21,033

- Hi.

- All grown up, eh?

250

00:18:21,141 --> 00:18:23,666

You remember Renata,

Gusteau's old flame?

251

00:18:24,978 --> 00:18:28,106

- Yes. How are you...

- Linguini.

252

00:18:28,215 --> 00:18:32,413

Yes, Linguini. So nice of you to visit.

How is...

253

00:18:32,519 --> 00:18:34,350

- My mother?

- Renata.

254

00:18:34,455 --> 00:18:37,288

- Yes, Renata. How is she?

- Good.

255

00:18:37,591 --> 00:18:40,992

Well, not... She's been better. I mean...

256

00:18:41,095 --> 00:18:42,357

She died.

257

00:18:44,498 --> 00:18:45,658

I'm sorry.

258

00:18:45,766 --> 00:18:49,361

Oh, don't be. She believed in heaven,
so she's covered.

259

00:18:49,503 --> 00:18:51,994

You know, afterlife-wise?

260

00:19:00,814 --> 00:19:03,908

- What's this?

- She left it for you.

261

00:19:04,151 --> 00:19:07,484

I think she hoped it would help me,

262

00:19:07,588 --> 00:19:09,988

you know, get a job here.

263

00:19:10,090 --> 00:19:12,752

But of course.

Gusteau wouldn't hesitate.

264

00:19:12,860 --> 00:19:13,918

Any son of Renata's is more than...

265

00:19:14,027 --> 00:19:17,656

Yes, well, we could file this

and if something suitable opens up...

266

00:19:17,764 --> 00:19:18,822

We have already hired him.

267

00:19:18,932 --> 00:19:22,663

What? How dare you hire someone
without my...

268

00:19:22,769 --> 00:19:24,498

We needed a garbage boy.

269

00:19:25,205 --> 00:19:27,605

Oh, garbage. Well...

270

00:19:27,808 --> 00:19:29,503

I'm glad it worked out.

271

00:19:39,286 --> 00:19:40,685

I can't believe it.

272

00:19:40,954 --> 00:19:44,117

A real gourmet kitchen,
and I get to watch.

273

00:19:44,358 --> 00:19:47,452

You've read my book.

Let us see how much you know, huh?

274

00:19:47,661 --> 00:19:49,219

Which one is the chef?

275

00:19:51,665 --> 00:19:53,997

- Oh, that guy.

- Very good.

276

00:19:54,234 --> 00:19:55,724

Who is next in command?

277

00:19:55,836 --> 00:19:58,634

The sous chef. There.

278

00:19:58,972 --> 00:20:02,874

The sous is responsible for the kitchen
when the chef's not around.

279

00:20:03,143 --> 00:20:06,476

Saucier, in charge of sauces.

Very important.

280

00:20:06,680 --> 00:20:10,776

Chef de partie, demi chef de partie,
both important.

281

00:20:10,884 --> 00:20:13,682

Commis, commis, they're cooks.

Very important.

282

00:20:13,887 --> 00:20:16,981

You are a clever rat. Now, who is that?

283

00:20:17,691 --> 00:20:19,818

Oh, him? He's nobody.

284

00:20:19,927 --> 00:20:21,986

Not nobody. He is part of the kitchen.

285

00:20:22,095 --> 00:20:23,960

No, he's a *plongeur* or something.

286

00:20:24,064 --> 00:20:26,555

He washes dishes or takes out
the garbage. He doesn't cook.

287

00:20:26,667 --> 00:20:29,898

- But he could.

- Uh, no.

288

00:20:30,003 --> 00:20:32,233

How do you know?

What do I always say?

289

00:20:32,339 --> 00:20:33,966

Anyone can cook.

290

00:20:34,074 --> 00:20:38,010

Well, yeah, anyone can.

That doesn't mean that anyone should.

291

00:20:38,111 --> 00:20:41,672

Well,

that is not stopping him. See?

292

00:20:42,449 --> 00:20:47,079

What is he doing?

No. No! No, this is terrible!

293

00:20:48,889 --> 00:20:52,518

He's ruining the soup.

And nobody's noticing?

294

00:20:52,726 --> 00:20:54,626

It's your restaurant. Do something.

295

00:20:54,728 --> 00:20:57,891

What can I do?

I am a figment of your imagination.

296

00:20:57,998 --> 00:20:59,462

But he's ruining the soup!

We got to tell someone that he's...

297

00:20:59,497 --> 00:21:00,927

But he's ruining the soup!

We got to tell someone that he's...

298

00:21:08,308 --> 00:21:11,106

Table five coming up,
right now.

299

00:21:18,485 --> 00:21:20,282

Coming down the line.
Set.

300

00:21:29,396 --> 00:21:31,455

Hot! Open oven!

301

00:21:49,116 --> 00:21:50,708

Coming around.

302

00:22:11,305 --> 00:22:14,741

Oui, chef.

One filet mignon, three lamb, two duck.

303

00:22:35,195 --> 00:22:37,789

Fire those souffl s

for table six, *ja.*

304

00:22:37,998 --> 00:22:39,932

Five minutes, chef.

- Oh, God.

305

00:22:45,305 --> 00:22:47,705

Tonight,

I'd like to present the foie gras.

306

00:22:47,808 --> 00:22:49,275

It has a wonderful finish.

307

00:23:08,729 --> 00:23:11,163

Ready to go on table seven.

Come on! Let's go!

308

00:23:11,264 --> 00:23:12,322

Oui, chef.

309

00:23:54,074 --> 00:23:55,974

Remy! What are you waiting for?

310

00:23:56,076 --> 00:23:57,907

Is this going to become a regular thing
with you?

311

00:23:58,011 --> 00:24:00,673

You know how to fix it.

This is your chance.

312

00:24:55,502 --> 00:24:59,962

The soup! Where is the soup?

Out of my way.

313

00:25:00,540 --> 00:25:02,667

Move it, garbage boy!

314

00:25:03,376 --> 00:25:05,936

You are cooking?

315

00:25:06,146 --> 00:25:09,582

How dare you cook in my kitchen?

316

00:25:09,683 --> 00:25:11,742

Where do you get the gall

317

00:25:11,852 --> 00:25:15,481

to even attempt something
so monumentally idiotic?

318

00:25:15,589 --> 00:25:17,580

I should have you drawn
and quartered!

319

00:25:17,691 --> 00:25:20,785

I'll do it. I think the law is on my side.

320

00:25:21,962 --> 00:25:23,429

Larousse, draw and quarter this man

321

00:25:23,530 --> 00:25:28,695

after you put him in the duck press
to squeeze the fat out of his head.

322

00:25:28,802 --> 00:25:31,930

- What are you blathering about?
- The soup!

323

00:25:34,207 --> 00:25:35,504

Soup?

324

00:25:36,209 --> 00:25:37,870

Stop that soup!

325

00:25:38,078 --> 00:25:41,775

No!

326

00:25:56,196 --> 00:25:57,288

Waiter.

327

00:25:58,899 --> 00:26:01,197

Linguini!

328

00:26:01,401 --> 00:26:02,891

You're fired!

329

00:26:03,103 --> 00:26:06,038

F- I-R-E-D! Fired!

330

00:26:06,139 --> 00:26:08,437

She wants to see the chef.

331

00:26:08,542 --> 00:26:10,635

But he...

332

00:26:26,026 --> 00:26:29,894

- What did the customer say?

- It was not a customer. It was a critic.

333

00:26:29,996 --> 00:26:32,157

- Ego?

- Solene LeClaire.

334

00:26:32,265 --> 00:26:36,326

- LeClaire? What did she say?

- She likes the soup.

335

00:26:36,503 --> 00:26:38,130

- Wait.

- What do you mean, "Wait"?

336

00:26:38,238 --> 00:26:39,865

You're the reason I'm in this mess.

337

00:26:39,973 --> 00:26:41,338

Someone is asking about your soup.

338

00:26:51,451 --> 00:26:54,045

What are you playing at?

339

00:26:56,456 --> 00:26:57,718

Am I still fired?

340

00:26:57,824 --> 00:26:59,951

You can't fire him.

- What?

341

00:27:00,060 --> 00:27:03,359

LeClaire likes it, yeah?

She made a point of telling you so.

342

00:27:03,463 --> 00:27:04,760

If she write a review to that effect

343

00:27:04,864 --> 00:27:06,832

and find out you fired
the cook responsible...

344

00:27:06,933 --> 00:27:10,096

- He's a garbage boy.
- Who made something she liked.

345

00:27:10,203 --> 00:27:12,467

How can we claim to represent
the name of Gusteau

346

00:27:12,572 --> 00:27:14,733

if we don't uphold
his most cherished belief?

347

00:27:14,841 --> 00:27:17,708

And what belief is that,
<i>Mademoiselle</i> Tatou?

348

00:27:17,811 --> 00:27:18,800

Anyone can cook.

349

00:27:23,683 --> 00:27:29,383

Perhaps I have been a bit harsh
on our new garbage boy.

350

00:27:29,789 --> 00:27:32,053

He has taken a bold risk

351

00:27:32,158 --> 00:27:36,561

and we should reward that,
as Chef Gusteau would have.

352

00:27:36,930 --> 00:27:39,922

If he wishes
to swim in dangerous waters,

353

00:27:40,033 --> 00:27:41,523

who are we to deny him?

354

00:27:42,769 --> 00:27:44,999

- You were escaping?

- Oh, yeah.

355

00:27:45,105 --> 00:27:49,269

Since you have expressed
such an interest in his cooking career,

356

00:27:49,376 --> 00:27:50,741

you shall be responsible for it.

357

00:27:52,846 --> 00:27:54,279

Anyone else?

358

00:27:56,282 --> 00:27:58,147

Then back to work.

359

00:27:58,852 --> 00:28:02,379

You are either very lucky
or very unlucky.

360

00:28:02,622 --> 00:28:07,992

You will make the soup again,
and this time, I'll be paying attention.

361

00:28:08,261 --> 00:28:11,025

Very close attention.

362

00:28:11,331 --> 00:28:15,768

They think you might be a cook.

But you know what I think, Linguini?

363

00:28:16,002 --> 00:28:19,369

I think you are a sneaky,

overreaching little...

364

00:28:20,640 --> 00:28:21,868

Rat!

365

00:28:24,310 --> 00:28:25,800

- Rat!

Get the rat.

366

00:28:26,012 --> 00:28:28,071

Linguini. Get something to trap it.

367

00:28:28,181 --> 00:28:29,773

It's getting away.

Get it, get it, get it.

368

00:28:30,483 --> 00:28:32,348

- What should I do now?

- Kill it.

369

00:28:32,452 --> 00:28:34,977

- Now?

- No, not in the kitchen. Are you mad?

370

00:28:35,155 --> 00:28:36,679

Do you know what would happen to us

371

00:28:36,790 --> 00:28:39,258

if anyone knew

we had a rat in our kitchen?

372

00:28:39,359 --> 00:28:40,986

They'd close us down.

373

00:28:41,094 --> 00:28:43,494

Our reputation is hanging by a thread

as it is.

374

00:28:43,596 --> 00:28:47,726

Take it away from here. Far away.

Kill it. Dispose of it. Go!

375

00:29:24,404 --> 00:29:28,238

Don't look at me like that!

You aren't the only one who's trapped.

376

00:29:28,341 --> 00:29:30,468

They expect me to cook it again!

377

00:29:30,710 --> 00:29:33,474

I mean, I'm not ambitious.

I wasn't trying to cook.

378

00:29:33,580 --> 00:29:35,707

I was just trying to stay out of trouble.

379

00:29:35,815 --> 00:29:38,841

You're the one who was getting fancy
with the spices!

380

00:29:38,952 --> 00:29:43,855

What did you throw in there? Oregano?

No? What? Rosemary?

381

00:29:44,124 --> 00:29:46,592

That's a spice, isn't it? Rosemary?

382

00:29:47,127 --> 00:29:49,595

You didn't throw rosemary in there?

383

00:29:49,929 --> 00:29:54,025

Then what was all the flipping
and all the throwing the...

384

00:29:58,071 --> 00:30:01,472

I need this job. I've lost so many.

385

00:30:01,841 --> 00:30:05,937

I don't know how to cook, and now
I'm actually talking to a rat as if you...

386

00:30:07,147 --> 00:30:08,375

Did you nod?

387

00:30:08,481 --> 00:30:10,608

Have you been nodding?

388

00:30:12,085 --> 00:30:13,848

You understand me?

389

00:30:14,387 --> 00:30:16,048

So I'm not crazy!

390

00:30:17,257 --> 00:30:19,316

Wait a second, wait a second.

391

00:30:20,393 --> 00:30:23,089

I can't cook, can I?

392

00:30:25,098 --> 00:30:26,861

But you...

393

00:30:27,534 --> 00:30:30,332

You can, right?

394

00:30:31,571 --> 00:30:34,039

Look, don't be so modest.

You're a rat, for Pete's sake.

395

00:30:34,140 --> 00:30:36,540

Whatever you did, they liked it.

396

00:30:37,143 --> 00:30:39,703

Yeah. This could work.

397

00:30:40,547 --> 00:30:41,775

Hey, they liked the soup!

398

00:30:45,285 --> 00:30:50,348

They liked the soup.

Do you think you could do it again?

399

00:30:53,960 --> 00:30:56,394

Okay, I'm going to let you out now.

400

00:30:57,197 --> 00:31:00,360

But we're together on this. Right?

401

00:31:02,068 --> 00:31:03,558

Okay.

402

00:32:13,840 --> 00:32:15,774

So this is it.

403

00:32:16,242 --> 00:32:20,079

I mean, it's not much, but it's,
you know...

404

00:32:22,282 --> 00:32:23,647

Not much.

405

00:32:26,152 --> 00:32:27,380

It could be worse.

406

00:32:27,487 --> 00:32:29,887

There's heat and light
and a couch with a TV.

407

00:32:29,989 --> 00:32:32,423

So, you know, what's mine is yours.

408

00:32:33,459 --> 00:32:34,858

<i>Are you...</i>

409

00:32:34,961 --> 00:32:37,259

<i>Is this a dream?</i>

410

00:32:37,363 --> 00:32:39,661

<i>The best kind of dream.</i>

411

00:32:40,033 --> 00:32:41,193

<i>One we can share.</i>

412

00:32:42,435 --> 00:32:44,027

<i>But why here?</i>

413

00:32:44,570 --> 00:32:46,094

<i>Why now?</i>

414

00:32:47,040 --> 00:32:48,769

<i>Why not here?</i>

415

00:32:49,042 --> 00:32:50,771

<i>Why not now?</i>

416

00:32:51,577 --> 00:32:55,604

<i>What better place to dream</i>

<i>than in Paris?</i>

417

00:33:08,728 --> 00:33:10,958

Morning, Little Chef. Rise and...

418

00:33:12,465 --> 00:33:13,659

Oh, no.

419

00:33:15,535 --> 00:33:16,968

Idiot! I knew this would happen!

420

00:33:17,070 --> 00:33:19,868

I let a rat into my place

and tell him what's mine is his!

421

00:33:19,973 --> 00:33:21,099

Eggs, gone!

422

00:33:21,207 --> 00:33:24,608

Stupid! He's stolen food
and hit the road! What did I expect?

423

00:33:24,711 --> 00:33:27,202

That's what I get for trusting a...

424

00:33:29,849 --> 00:33:31,646

Hi. Is that for me?

425

00:33:41,728 --> 00:33:44,356

That's good. What did you put in this?

426

00:33:46,432 --> 00:33:47,922

Where'd you get that?

427

00:33:51,137 --> 00:33:55,836

Look, it's delicious. But don't steal.
I'll buy some spices, okay?

428

00:33:59,078 --> 00:34:02,479

Oh, no. We're going to be late.

And on the first day!

429

00:34:02,582 --> 00:34:03,844

Come on, Little Chef!

430

00:34:04,083 --> 00:34:05,880

"Though I, like many other critic,

431

00:34:05,985 --> 00:34:09,318

"had written off Gusteau as irrelevant
since the great chef's death,

432

00:34:09,422 --> 00:34:13,984

"the soup was a revelation.

A spicy yet subtle taste experience."

433

00:34:14,093 --> 00:34:16,084

- Solene LeClaire?

- Yes!

434

00:34:16,529 --> 00:34:20,693

"Against all odds,

Gusteau's has recaptured our attention.

435

00:34:20,800 --> 00:34:23,633

"Only time will tell if they deserve it."

436

00:34:26,472 --> 00:34:27,803

Well...

437

00:34:35,615 --> 00:34:36,912

You know.

438

00:34:39,986 --> 00:34:44,116

Look, I know it's stupid and weird,
but neither of us can do this alone,

439

00:34:44,223 --> 00:34:47,681

so we got to do it together, right?

You with me?

440

00:34:48,995 --> 00:34:51,463

So let's do this thing!

441

00:34:54,467 --> 00:34:55,729

I...

442

00:35:07,146 --> 00:35:12,584

Welcome to hell.

Now, recreate the soup.

443

00:35:12,819 --> 00:35:16,585

Take as much time as you need.

All week if you must.

444

00:35:17,190 --> 00:35:18,452

Soup.

445

00:35:31,304 --> 00:35:32,271

You little...

446

00:35:33,439 --> 00:35:34,531

Ow!

447

00:35:44,183 --> 00:35:45,445

You son of a...

448

00:35:53,359 --> 00:35:55,122

You got...

449

00:36:10,676 --> 00:36:12,576

This is not going to work, Little Chef!

450

00:36:12,678 --> 00:36:15,238

I'm going to lose it

if we do this anymore.

451

00:36:15,348 --> 00:36:17,782

We've got to figure out something else.

452

00:36:17,884 --> 00:36:20,114

Something that doesn't involve

any biting, or nipping,

453

00:36:20,219 --> 00:36:22,915

or running up and down my body

with your little rat feet.

454

00:36:23,022 --> 00:36:25,718

The biting! No! Scampering! No!

455

00:36:25,825 --> 00:36:29,056

No scampering or scurrying.

Understand, Little Chef?

456

00:36:30,329 --> 00:36:31,455

Little Chef?

457

00:36:33,666 --> 00:36:35,327

Oh, you're hungry.

458

00:36:42,675 --> 00:36:45,075

Okay. So let's think this out.

459

00:36:45,511 --> 00:36:49,743

You know how to cook,
and I know how to appear

460

00:36:50,550 --> 00:36:51,574

human.

461

00:36:51,684 --> 00:36:54,551

We need to work out a system
so that I do what you want

462

00:36:54,654 --> 00:36:57,680

in a way that doesn't look like
I'm being controlled by a tiny rat chef.

463

00:36:57,790 --> 00:36:59,883

Would you listen to me? I'm insane!
I'm insane! I'm insane!

464

00:36:59,992 --> 00:37:02,984

In a refrigerator talking to a rat
about cooking in a gourmet restaurant.

465

00:37:03,095 --> 00:37:04,960

- I will never pull this off!
- Linguini?

466

00:37:05,064 --> 00:37:06,031

We gotta communicate.

467

00:37:06,132 --> 00:37:10,364

I can't be constantly checking
for a yes or no head shake from a...

468

00:37:12,305 --> 00:37:14,136

The rat! I saw it!

469

00:37:14,340 --> 00:37:17,400

- A rat?

- Yes, a rat. Right next to you.

470

00:37:18,444 --> 00:37:21,242

What are you doing in here?

471

00:37:21,447 --> 00:37:26,384

I'm just familiarizing myself with,
you know, the vegetables and such.

472

00:37:26,485 --> 00:37:27,816

Get out.

473

00:37:29,488 --> 00:37:32,855

One can get too familiar

with vegetables, you know!

474

00:37:33,659 --> 00:37:36,628

That was close. Are you okay up there?

475

00:37:48,975 --> 00:37:50,499

How did you do that?

476

00:38:04,657 --> 00:38:07,023

That's strangely involuntary!

477

00:38:09,061 --> 00:38:13,088

<i>One look and I knew</i>

<i>we had the same crazy idea.</i>

478

00:38:14,066 --> 00:38:15,590

Okay.

479

00:38:26,212 --> 00:38:29,010

Where are you taking me? Wait.

480

00:38:37,857 --> 00:38:39,552

Wait. I'm sorry.

481

00:38:44,230 --> 00:38:45,322

Okay.

482

00:38:55,374 --> 00:38:56,341

Okay.

483

00:39:56,202 --> 00:39:57,499

<i> votre sant !</i>

484

00:40:03,342 --> 00:40:04,741

All right.

485

00:40:31,670 --> 00:40:32,898

That should do it.

486

00:40:36,709 --> 00:40:41,737

Congratulations. You were able to
repeat your accidental success.

487

00:40:41,847 --> 00:40:46,511

But you'll need to know more than soup
if you are to survive in my kitchen, boy.

488

00:40:46,619 --> 00:40:51,113

Colette will be responsible for
teaching you how we do things here.

489

00:40:52,224 --> 00:40:54,590

Listen, I just want you to know

490

00:40:54,693 --> 00:40:57,526

how honored I am
to be studying under such...

491

00:40:57,630 --> 00:41:00,997

No! You listen. I just want you to know
exactly who you are dealing with.

492

00:41:01,100 --> 00:41:02,499

How many women
do you see in this kitchen?

493

00:41:02,601 --> 00:41:03,966

Well, I...

494

00:41:04,069 --> 00:41:06,469

- Only me. Why do you think that is?

- Well, I...

495

00:41:06,572 --> 00:41:08,767

Because haute cuisine

is an antiquated hierarchy

496

00:41:08,874 --> 00:41:11,502

built upon rules

written by stupid old men.

497

00:41:11,610 --> 00:41:15,068

Rules designed to make it impossible

for women to enter this world.

498

00:41:15,181 --> 00:41:17,445

But still I'm here. How did this happen?

499

00:41:17,550 --> 00:41:20,144

Because, well, because you...

500

00:41:20,252 --> 00:41:22,379

Because I am the toughest cook
in this kitchen.

501

00:41:22,488 --> 00:41:24,149

I've worked too hard
for too long to get here

502

00:41:24,256 --> 00:41:27,191

and I am not going to jeopardize it
for some garbage boy who got lucky.

503

00:41:27,293 --> 00:41:28,487

Got it?

504

00:41:33,999 --> 00:41:38,095

Easy to cook. Easy
to eat. Gusteau makes Chinese food

505

00:41:38,204 --> 00:41:40,229

Chine-easy.

506

00:41:42,208 --> 00:41:45,974

- Excellent work, François, as usual.

- It's good, isn't it?

507

00:41:46,078 --> 00:41:50,310

I want you to work up something
for my latest frozen food concept.

508

00:41:50,416 --> 00:41:52,646

Gusteau's Corn Puppies.

509

00:41:52,751 --> 00:41:57,313

They're like corn dogs, only smaller.
Bite size.

510

00:41:57,423 --> 00:41:58,583

What are corn dogs?

511

00:41:58,691 --> 00:42:00,907

Cheap sausages dipped in batter
and deep fried. You know, American.

512

00:42:00,942 --> 00:42:03,124

Cheap sausages dipped in batter
and deep fried. You know, American.

513

00:42:03,429 --> 00:42:04,555

Whip something up.

514

00:42:04,663 --> 00:42:08,190

Maybe Gusteau in overalls
and Huckleberry Tom hat.

515

00:42:08,300 --> 00:42:11,497

Or as a big ear of corn
in doggie make-up.

516

00:42:11,604 --> 00:42:15,506

Yes.

But, please, with dignity.

517

00:42:42,078 --> 00:42:43,306

Get my lawyer!

518

00:42:44,213 --> 00:42:46,306

Well, the will stipulates

519

00:42:46,415 --> 00:42:50,181

that if after a period of two years
from the date of death

520

00:42:50,286 --> 00:42:51,583

no heir appears,

521

00:42:51,687 --> 00:42:55,987

Gusteau's business interests
will pass to his sous chef. You.

522

00:42:56,092 --> 00:42:58,083

I know what the will stipulates.

523

00:42:58,194 --> 00:43:03,461

What I want to know is if this letter...
If this boy changes anything!

524

00:43:07,770 --> 00:43:09,635

There's not much resemblance.

525

00:43:09,739 --> 00:43:13,266

There's no resemblance at all.

He is not Gusteau's son.

526

00:43:13,375 --> 00:43:16,538

Gusteau had no children,

and what of the timing of all this?

527

00:43:16,645 --> 00:43:19,910

The deadline in the will

expires in less than a month!

528

00:43:20,082 --> 00:43:22,175

Suddenly,

some boy arrives with a letter

529

00:43:22,284 --> 00:43:27,244

from his recently deceased mother

claiming Gusteau is his father?

530

00:43:27,356 --> 00:43:28,823

Highly suspect!

531

00:43:28,924 --> 00:43:30,789

- This is Gusteau's?

- Yes, yes, yes.

532

00:43:30,893 --> 00:43:32,485

- May I?

- Of course.

533

00:43:32,595 --> 00:43:34,062

But the boy does not know.

534

00:43:34,163 --> 00:43:38,497

She claims she never told him,
or Gusteau, and asks that I not tell.

535

00:43:38,601 --> 00:43:42,594

- Why you? What does she want?

- A job for the boy.

536

00:43:42,705 --> 00:43:45,606

- Only a job?

- Well, yes.

537

00:43:45,708 --> 00:43:48,233

Then what are you worried about?

If he works here,

538

00:43:48,344 --> 00:43:51,279

you'll be able to keep an eye on him

while I do a little digging.

539

00:43:51,380 --> 00:43:53,211

Find out how much of this is real.

540

00:43:53,315 --> 00:43:55,875

I will need you

to collect some DNA samples

541

00:43:55,985 --> 00:43:57,714

from the boy. Hair, maybe.

542

00:43:57,820 --> 00:44:02,086

Mark my words.

The whole thing is highly suspect.

543

00:44:02,892 --> 00:44:05,087

He knows something.

544

00:44:05,194 --> 00:44:09,324

Relax, he's a garbage boy.

I think you can handle him.

545

00:44:15,671 --> 00:44:16,797

What are you doing?

546

00:44:16,906 --> 00:44:18,874

I'm cutting vegetables.

I'm cutting vegetables?

547

00:44:18,974 --> 00:44:20,703

No! You waste energy and time!

548

00:44:20,810 --> 00:44:23,802

You think cooking is a cute job,
like Mommy in the kitchen?

549

00:44:23,913 --> 00:44:25,073

Well, Mommy never had to face

550

00:44:25,181 --> 00:44:26,739

the dinner rush when the orders
come flooding in,

551

00:44:26,849 --> 00:44:28,282

and every dish is different
and none are simple,

552

00:44:28,384 --> 00:44:29,749

and all of the different cooking times,

553

00:44:29,852 --> 00:44:31,046

but must arrive on the customer's table

554

00:44:31,153 --> 00:44:33,246

at exactly the same time,
hot and perfect!

555

00:44:33,355 --> 00:44:36,017

Every second counts,
and you cannot be Mommy!

556

00:44:38,661 --> 00:44:41,789

What is this? Keep your station clear!

557

00:44:41,897 --> 00:44:43,592

When the meal rush comes,
what will happen?

558

00:44:43,699 --> 00:44:45,257

Messy stations slow things down.

559

00:44:45,367 --> 00:44:47,665

Food doesn't go, orders pile up.
Disaster.

560

00:44:47,770 --> 00:44:49,465

I'll make this easy to remember.

561

00:44:49,572 --> 00:44:53,064

Keep your station clear,
or I will kill you!

562

00:44:55,144 --> 00:44:57,408

Your sleeves

look like you threw up on them.

563

00:44:57,513 --> 00:45:00,209

Keep your hands and arms in,
close to the body. Like this. See?

564

00:45:00,316 --> 00:45:01,442

Always return to this position.

565

00:45:01,550 --> 00:45:05,145

Cooks move fast. Sharp utensils,
hot metal, keep your arms in.

566

00:45:05,254 --> 00:45:08,155

You will minimize cuts and burns
and keep your sleeves clean.

567

00:45:08,257 --> 00:45:10,851

Mark of a chef:

Messy apron, clean sleeves.

568

00:45:10,960 --> 00:45:12,689

I know the Gusteau style cold.

569

00:45:12,795 --> 00:45:16,094

In every dish, Chef Gusteau
always has something unexpected.

570

00:45:16,198 --> 00:45:19,099

I will show you.

I memorize all his recipe.

571

00:45:19,201 --> 00:45:23,001

- Always do something unexpected.

- No. Follow the recipe.

572

00:45:23,105 --> 00:45:24,572

- But you just said that...

- No, no, no.

573

00:45:24,673 --> 00:45:27,972

It was his job to be unexpected.

It is our job to...

574

00:45:28,110 --> 00:45:30,044

- Follow his recipes.

- Follow the recipe.

575

00:45:30,145 --> 00:45:32,477

How do you tell how good bread is
without tasting it?

576

00:45:32,581 --> 00:45:36,779

Not the smell, not the look,
but the sound of the crust.

577

00:45:36,886 --> 00:45:37,853

Listen.

578

00:45:39,288 --> 00:45:42,815

Symphony of crackle.
Only great bread sound this way.

579

00:45:43,192 --> 00:45:46,093

The only way to get the best produce
is to have first pick of the day

580

00:45:46,195 --> 00:45:48,129

and there are only two way
to get first pick.

581

00:45:48,230 --> 00:45:52,030

Grow it yourself, or bribe a grower.

582

00:45:52,334 --> 00:45:54,894

<i>Voil !</i> The best restaurant get first pick.

583

00:45:55,004 --> 00:45:58,997

People think haute cuisine is snooty.

So chef must also be snooty.

584

00:45:59,108 --> 00:46:02,976

But not so.

Lalo there ran away from home at 12.

585

00:46:03,078 --> 00:46:05,638

Got hired by circus people

as an acrobat.

586

00:46:05,748 --> 00:46:07,238

And then he get fired

587

00:46:07,349 --> 00:46:10,079

for messing around
with the ringmaster's daughter.

588

00:46:10,185 --> 00:46:11,948

Horst has done time.

589

00:46:12,054 --> 00:46:13,043

What for?

590

00:46:13,155 --> 00:46:16,522

No one know for sure. He changes
the story every time you ask him.

591

00:46:16,625 --> 00:46:18,559

I defrauded a major corporation.

592

00:46:18,661 --> 00:46:22,153

I robbed the second largest bank
in France using only a ballpoint pen.

593

00:46:22,264 --> 00:46:24,789

I created a hole in the ozone
over Avignon.

594

00:46:24,900 --> 00:46:27,596

I killed a man with this thumb.

595

00:46:27,870 --> 00:46:29,804

Don't ever play cards
with Pompidou.

596

00:46:29,905 --> 00:46:33,466

He's been banned from Las Vegas
and Monte Carlo.

597

00:46:33,876 --> 00:46:37,073

- Larousse ran gun for the Resistance.
- Which resistance?

598

00:46:37,179 --> 00:46:40,148

He won't say.
Apparently, they didn't win.

599

00:46:40,549 --> 00:46:41,743

So you see.

600

00:46:41,850 --> 00:46:46,184

We are artist, pirate.

More than cooks are we.

601

00:46:46,288 --> 00:46:49,689

- We?

- *Oui.* You are one of us now, *oui?*

602

00:46:49,992 --> 00:46:54,520

Oui. Thank you, by the way,
for all the advice about cooking.

603

00:46:54,897 --> 00:46:57,365

- Thank you, too.

- For what?

604

00:46:57,599 --> 00:46:59,066

For taking it.

605

00:47:03,806 --> 00:47:05,000

The rat!

606

00:47:07,209 --> 00:47:10,235

- But he is a...

- I just dropped my keys.

607

00:47:13,916 --> 00:47:15,781

Have you decided this evening?

608

00:47:15,884 --> 00:47:19,945

- Your soup is excellent. But...

- But we order it every time.

609

00:47:20,055 --> 00:47:23,616

- What else do you have?

- Well, we have a very nice foie gras.

610

00:47:23,726 --> 00:47:24,784

I know about the foie gras.

611

00:47:24,893 --> 00:47:26,690

The old standby,

used to be famous for it.

612

00:47:26,795 --> 00:47:28,922

What does the chef have that's new?

613

00:47:30,866 --> 00:47:32,493

- Someone has asked what is new!

- New?

614

00:47:32,601 --> 00:47:33,590

Yes. What do I tell them?

615

00:47:33,702 --> 00:47:35,397

- Well, what did you tell them?

- I told them I would ask!

616

00:47:35,504 --> 00:47:36,801

What are you blathering about?

617

00:47:36,905 --> 00:47:38,998

- Customers are asking what is new.

- What should I tell them?

618

00:47:39,108 --> 00:47:41,576

- What did you tell them?

- I told them I would ask!

619

00:47:43,178 --> 00:47:44,509

This is simple.

620

00:47:44,613 --> 00:47:46,740

Just pull out an old Gusteau recipe,

621

00:47:46,849 --> 00:47:48,510

something we haven't made

in a while...

622

00:47:48,617 --> 00:47:52,383

They know about the old stuff.

They like Linguini's soup.

623

00:47:53,455 --> 00:47:58,085

They are asking for food from Linguini?

624

00:47:58,527 --> 00:48:00,995

A lot of customers like the soup.

That's all we are saying.

625

00:48:01,096 --> 00:48:02,654

Were we saying that?

626

00:48:03,499 --> 00:48:06,434

Very well. If it's Linguini they want

627

00:48:06,535 --> 00:48:11,097

tell them Chef Linguini has prepared
something special for them.

628

00:48:11,206 --> 00:48:14,300

Something definitely off menu.

629

00:48:14,710 --> 00:48:16,302

Oh, and don't forget to stress

630

00:48:16,412 --> 00:48:18,880

- its Linguini-ness.

- *Oui,* chef.

631

00:48:18,981 --> 00:48:23,145

Now is your chance to try something
worthy of your talent, Linguini.

632

00:48:23,252 --> 00:48:28,554

A forgotten favorite of the chef's,
sweetbread la Gusteau.

633

00:48:28,657 --> 00:48:30,284

- Colette will help you.

- *Oui,* chef.

634

00:48:30,392 --> 00:48:33,259

Now, hurry up. Our diners are hungry.

635

00:48:33,729 --> 00:48:36,163

Are you sure?

That recipe was a disaster.

636

00:48:36,265 --> 00:48:37,994

Gusteau himself said so.

637

00:48:38,100 --> 00:48:41,467

Just the sort of challenge
a budding chef needs.

638

00:48:41,804 --> 00:48:43,135

"Sweetbread la Gusteau.

639

00:48:43,238 --> 00:48:45,729

"Sweetbread cooked
in a seaweed salt crust

640

00:48:45,841 --> 00:48:48,776

"with cuttlefish tentacle,
dog rose pur e,

641

00:48:48,877 --> 00:48:51,402

"geoduck egg, dried white fungus?

642

00:48:51,513 --> 00:48:54,277

"Anchovy licorice sauce."

643

00:48:54,616 --> 00:48:57,744

I don't know this recipe,
but it's Gusteau's, so...

644

00:48:57,853 --> 00:49:00,378

Lalo! We have

some veal stomach soaking, yes?

645

00:49:00,489 --> 00:49:02,480

Yes!

The veal stomach, I get that.

646

00:49:02,591 --> 00:49:03,785

Veal stomach?

647

00:49:12,434 --> 00:49:13,492

Okay.

648

00:49:21,510 --> 00:49:23,910

I'll be right back. Where...

649

00:49:25,314 --> 00:49:27,214

Hey, I got to... Hey!

650

00:49:27,549 --> 00:49:31,576

Don't mind me.

I just need to borrow this real quick.

651

00:49:31,787 --> 00:49:33,880

Let's see, over here...

652

00:49:33,989 --> 00:49:35,251

I'll be back.

653

00:49:36,425 --> 00:49:37,483

Thank you.

654

00:49:38,393 --> 00:49:39,860

Excuse me. I'm going to...

655

00:49:39,962 --> 00:49:42,556

Apparently, I need this. I'll be right...

656

00:49:42,698 --> 00:49:44,359

I'm going to pick that up.

657

00:49:44,466 --> 00:49:46,661

I got some of that spice.

658

00:49:47,569 --> 00:49:48,763

Okay.

659

00:49:49,004 --> 00:49:50,130

What are you doing? You're supposed

660

00:49:50,239 --> 00:49:51,536

to be preparing the Gusteau recipe.

661

00:49:51,640 --> 00:49:52,971

This is the recipe.

662

00:49:53,075 --> 00:49:55,134

The recipe doesn't call

for white truffle oil!

663

00:49:55,244 --> 00:49:57,769

What else have you...

You are improvising?

664

00:49:57,880 --> 00:50:00,314

This is no time to experiment.

The customer are waiting.

665

00:50:00,415 --> 00:50:02,645

You're right. I should listen to you!

666

00:50:03,585 --> 00:50:04,950

- Stop that!

- Stop what?

667

00:50:05,053 --> 00:50:07,613

Freaking me out!

Whatever you are doing, stop it.

668

00:50:07,723 --> 00:50:09,748

Where is the special order?

- Coming!

669

00:50:09,858 --> 00:50:12,122

- I thought we were together on this.

- We are together.

670

00:50:12,227 --> 00:50:14,889

- Then what are you doing?

- It's very hard to explain.

671

00:50:14,997 --> 00:50:17,295

- The special?

- Come get it!

672

00:50:19,401 --> 00:50:22,063

I forgot the anchovy licorice sauce.

673

00:50:27,376 --> 00:50:31,472

- Don't you dare.

- I'm not, I'm not. I'm...

674

00:50:34,583 --> 00:50:35,675

Sorry.

675

00:50:37,619 --> 00:50:40,179

Is Linguini's dish done yet?

676

00:50:40,289 --> 00:50:43,315

<i>Ja.</i> It's as bad as we remember.

Just went out.

677

00:50:43,425 --> 00:50:47,020

- Did you taste it?

- *Ja,* of course, before he changed it.

678

00:50:47,129 --> 00:50:49,927

Good. What? How could he change it?

679

00:50:50,032 --> 00:50:52,125

He changed it

as it was going out the door!

680

00:50:52,234 --> 00:50:53,223

Ow!

681

00:50:53,335 --> 00:50:54,302

They love it!

682

00:50:54,403 --> 00:50:57,133

Other diners are already

asking about it, about Linguini.

683

00:50:57,239 --> 00:50:59,002

I have seven more orders!

684

00:50:59,107 --> 00:51:01,735

That's wonderful.

685

00:51:06,448 --> 00:51:07,574

I'd like one of those.

686

00:51:10,118 --> 00:51:11,608

Special order!

687

00:51:15,490 --> 00:51:16,457

What is that?

688

00:51:16,558 --> 00:51:19,857

Special order! Special order!

Special order!

689

00:51:28,203 --> 00:51:29,636

To Linguini.

690

00:51:29,738 --> 00:51:32,298

- Congratulations, Mr. Linguini.

- Cheers, *ja?*

691

00:51:32,808 --> 00:51:34,776

Drink now, there's plenty.

692

00:51:39,147 --> 00:51:41,513

Take a break, Little Chef. Get some air.

693

00:51:42,584 --> 00:51:44,575

We really did it tonight.

694

00:51:49,458 --> 00:51:50,789

Dah!

695

00:51:54,529 --> 00:51:56,121

Got your toque!

696

00:51:57,132 --> 00:51:58,497

Oh, seriously now.

697

00:51:58,700 --> 00:52:03,330

I'd love to have a little talk with you,
Linguini, in my office.

698

00:52:03,438 --> 00:52:06,100

- Am I in trouble?

- Trouble? No.

699

00:52:06,208 --> 00:52:10,008

A little wine, a friendly chat.

Just us cooks.

700

00:52:11,613 --> 00:52:15,105

The *plongeur* won't be coming to you
for advice anymore, eh, Colette?

701

00:52:15,217 --> 00:52:17,947

He's gotten all he needs.

702

00:52:20,722 --> 00:52:23,589

Toasting your success, eh, Linguini?

703

00:52:25,093 --> 00:52:26,617

Good for you.

704

00:52:26,728 --> 00:52:30,721

I just took it to be polite.

I don't really drink, you know.

705

00:52:30,832 --> 00:52:34,928

Of course you don't.

I wouldn't either if I was drinking that.

706

00:52:35,037 --> 00:52:39,235

But you would have to be an idiot
of elephantine proportions

707

00:52:39,341 --> 00:52:43,368

not to appreciate

this '61 Chateau Latour.

708

00:52:43,578 --> 00:52:47,639

And you, *Monsieur* Linguini,
are no idiot.

709

00:52:48,583 --> 00:52:51,450

Let us toast your non-idiocy.

710

00:53:15,277 --> 00:53:17,142

- Remy!

- Emile?

711

00:53:17,512 --> 00:53:19,377

I can't believe it! You're alive!

712

00:53:19,481 --> 00:53:21,039

- You made it!

- I thought I'd never see you guys again!

713

00:53:21,149 --> 00:53:23,083

We figured

you didn't survive the rapids.

714

00:53:23,185 --> 00:53:25,346

And what are you eating?

715

00:53:28,223 --> 00:53:29,986

I don't really know.

716

00:53:30,092 --> 00:53:33,289

I think it was
some sort of wrapper once.

717

00:53:33,395 --> 00:53:38,094

What? No.
You're in Paris now, baby. My town.

718

00:53:38,200 --> 00:53:41,692

No brother of mine eats rejectamenta
in my town.

719

00:53:51,213 --> 00:53:54,580

Remy! You are stealing?
You told Linguini he could trust you.

720

00:53:54,683 --> 00:53:58,949

- And he can. It's for my brother.
- But the boy could lose his job.

721

00:53:59,054 --> 00:54:02,217

Which means I would, too.

It's under control, okay?

722

00:54:03,125 --> 00:54:07,084

- More wine?

- I shouldn't, but... Okay.

723

00:54:07,462 --> 00:54:10,795

So, where did you train, Linguini?

724

00:54:10,899 --> 00:54:13,197

Train? All right.

725

00:54:13,435 --> 00:54:17,929

Surely you don't expect me to believe
this is your first time cooking?

726

00:54:18,039 --> 00:54:19,370

- It's not.

- I knew it!

727

00:54:19,474 --> 00:54:23,205

It's my... Second, third, fourth...

Fifth time.

728

00:54:23,311 --> 00:54:24,903

Monday was my first time.

729

00:54:25,013 --> 00:54:27,777

But I've taken out the garbage

lots of times before that...

730

00:54:27,883 --> 00:54:30,147

Yes, yes. Have some more wine.

731

00:54:30,285 --> 00:54:33,482

Tell me, Linguini, about your interests.

732

00:54:33,588 --> 00:54:35,613

Do you like animals?

733

00:54:35,724 --> 00:54:38,454

What?

Animals? What kind?

734

00:54:39,294 --> 00:54:43,094

The usual, dogs, cats, horses,
guinea pigs,

735

00:54:43,198 --> 00:54:44,358
rats.

736

00:54:45,867 --> 00:54:46,959
I brought you something to...

737

00:54:48,136 --> 00:54:49,160
No, no, no, no!

738

00:54:49,271 --> 00:54:50,932
Spit that out right now!

739

00:54:51,873 --> 00:54:55,001
I have got to teach you about food.
Close your eyes.

740

00:54:55,510 --> 00:54:59,913
Now take a bite of... No! No! No!

741

00:55:00,048 --> 00:55:03,415

- Don't just hork it down!

- Too late.

742

00:55:03,652 --> 00:55:04,914

Here.

743

00:55:05,220 --> 00:55:09,589

Chew it slowly.

Only think about the taste.

744

00:55:12,127 --> 00:55:14,152

- See?

- Not really.

745

00:55:14,262 --> 00:55:17,493

Creamy, salty sweet,

an oaky nuttiness.

746

00:55:17,599 --> 00:55:20,625

- You detect that?

- Oh, I'm detecting nuttiness.

747

00:55:20,735 --> 00:55:23,829

Close your eyes. Now taste this.

748

00:55:24,306 --> 00:55:29,369

Whole different thing, right?

Sweet, crisp, slight tang on the finish.

749

00:55:29,478 --> 00:55:33,073

- Okay.

- Now, try them together.

750

00:55:34,015 --> 00:55:35,175

Okay.

751

00:55:35,650 --> 00:55:39,108

I think I'm getting

a little something there.

752

00:55:39,321 --> 00:55:41,312

- It might be the nuttiness.

- See?

753

00:55:41,423 --> 00:55:43,152

- Could be the tang.

- That's it.

754

00:55:43,258 --> 00:55:45,089

Now, imagine every great taste
in the world

755

00:55:45,193 --> 00:55:47,161

being combined
into infinite combinations.

756

00:55:47,262 --> 00:55:50,322

Tastes that no one has tried yet!
Discoveries to be made!

757

00:55:50,432 --> 00:55:51,797

I think...

758

00:55:52,968 --> 00:55:55,493

- You lost me again.
- Yeah.

759

00:55:55,604 --> 00:55:57,071

But that was interesting.

760

00:55:57,172 --> 00:55:59,936

Most interesting garbage I ever...

Hey! What are we doing?

761

00:56:00,041 --> 00:56:01,406

Dad doesn't know you're alive yet!

762

00:56:01,510 --> 00:56:03,808

We've got to go to the colony!

Everyone will be thrilled!

763

00:56:03,912 --> 00:56:05,470

- Yeah! But...

- What?

764

00:56:05,580 --> 00:56:08,515

Thing is, I kind of have to...

765

00:56:09,050 --> 00:56:11,041

What do you "have to"

more than family?

766

00:56:11,152 --> 00:56:12,449

What's more important here?

767

00:56:12,554 --> 00:56:14,146

Well, I...

768

00:56:15,624 --> 00:56:17,615

It wouldn't hurt to visit.

769

00:56:17,893 --> 00:56:19,554

- Have you had a pet rat?

- No.

770

00:56:19,661 --> 00:56:21,526

- Did you work in a lab with rats?

- No.

771

00:56:21,630 --> 00:56:23,120

Perhaps you lived in squalor

at some point?

772

00:56:23,231 --> 00:56:24,823

Nopety nopety no.

773

00:56:24,933 --> 00:56:27,595

You know something about rats!

You know you do!

774

00:56:27,702 --> 00:56:31,035

You know who know do whacka-doo.

Ratta-tatta.

775

00:56:31,139 --> 00:56:33,539

- Hey! Why do they call it that?

- What?

776

00:56:33,642 --> 00:56:37,738

Ratatouille. It's like a stew, right?

Why do they call it that?

777

00:56:38,079 --> 00:56:39,410

If you're going to name a food,

778

00:56:39,514 --> 00:56:42,449

you should give it a name
that sounds delicious.

779

00:56:42,584 --> 00:56:47,817

Ratatouille doesn't sound delicious.
It sounds like "rat" and "patootie."

780

00:56:47,989 --> 00:56:52,153

Rat patootie.
Which does not sound delicious.

781

00:56:54,162 --> 00:56:59,534

Regrettably we are all out of wine.

782

00:57:02,404 --> 00:57:04,372

My son has returned!

783

00:57:28,263 --> 00:57:33,860

And finding someone to replace you
for poison checker has been a disaster.

784

00:57:33,969 --> 00:57:37,803

Nothing's been poisoned, thank God,

but it hasn't been easy.

785

00:57:38,006 --> 00:57:42,409

- You didn't make it easy.

- I know. I am sorry, Dad.

786

00:57:42,510 --> 00:57:46,037

Well, the important thing
is that you're home.

787

00:57:46,147 --> 00:57:49,207

Yeah, well, about that...

788

00:57:49,317 --> 00:57:51,114

You look thin. Why is that?

789

00:57:51,219 --> 00:57:54,711

A shortage of food,
or a surplus of snobbery?

790

00:57:57,392 --> 00:58:00,418

It's tough out there in the big world
all alone, isn't it?

791

00:58:00,528 --> 00:58:03,588

Sure, but it's not like I'm a kid anymore.

792

00:58:03,698 --> 00:58:06,360

- Hey. Hey, boy. What's up?

- I can take care of myself.

793

00:58:06,468 --> 00:58:10,302

I've found a nice spot not far away,

so I'll be able to visit often.

794

00:58:10,505 --> 00:58:13,941

Nothing like a cold splash of reality

to make you...

795

00:58:14,042 --> 00:58:16,840

- Visit?

- I will. I promise. Often.

796

00:58:16,945 --> 00:58:21,882

- You're not staying?

- No. It's not a big deal, Dad. I just...

797

00:58:21,983 --> 00:58:24,611

You didn't think

I was going to stay forever, did you?

798

00:58:24,719 --> 00:58:26,949

Eventually,

a bird's got to leave the nest.

799

00:58:27,055 --> 00:58:29,319

We're not birds. We're rats.

800

00:58:29,424 --> 00:58:32,359

We don't leave our nests.

We make them bigger.

801

00:58:32,460 --> 00:58:35,452

- Well, maybe I'm a different kind of rat.

- Maybe you're not a rat at all.

802

00:58:35,563 --> 00:58:36,587

Maybe that's a good thing.

803

00:58:36,698 --> 00:58:39,132

Hey! The band's
really on tonight, huh?

804

00:58:39,234 --> 00:58:41,464

Rats. All we do is take, Dad.

805

00:58:41,569 --> 00:58:44,060

I'm tired of taking.
I want to make things.

806

00:58:44,172 --> 00:58:46,231

I want to add something to this world.

807

00:58:46,341 --> 00:58:49,435

- You're talking like a human.
- Who are not as bad as you say.

808

00:58:49,544 --> 00:58:52,206

- Oh, yeah? What makes you so sure?
- Oh, man.

809

00:58:52,313 --> 00:58:56,010

I've been able to
observe them

810

00:58:56,117 --> 00:58:59,052

at a close-ish sort of range.

811

00:58:59,154 --> 00:59:01,418

- Yeah? How close?

- Close enough.

812

00:59:01,523 --> 00:59:05,152

And they're, you know,
not so bad as you say they are.

813

00:59:06,528 --> 00:59:09,588

Come with me.

I got something I want you to see.

814

00:59:11,199 --> 00:59:13,633

You know, I'm going to stay here.

815

00:59:14,402 --> 00:59:17,894

Make sure the floors and countertops
are clean before you lock up.

816

00:59:18,006 --> 00:59:21,169

Wait. You want me to stay and clean?

817

00:59:21,276 --> 00:59:23,176

Is that a problem?

818

00:59:23,411 --> 00:59:26,972

- No.

- Good boy. See you tomorrow.

819

00:59:34,489 --> 00:59:35,683

We're here.

820

00:59:45,900 --> 00:59:48,368

Take a good long look, Remy.

821

00:59:50,004 --> 00:59:51,164

Now, this is what happens

822

00:59:51,272 --> 00:59:54,799

when a rat gets

a little too comfortable around humans.

823

00:59:55,777 --> 00:59:59,235

The world we live in

belongs to the enemy.

824

01:00:00,482 --> 01:00:02,609

We must live carefully.

825

01:00:04,052 --> 01:00:06,782

We look out for our own kind, Remy.

826

01:00:07,288 --> 01:00:10,883

When all is said and done,

we're all we've got.

827

01:00:15,764 --> 01:00:18,164

- No.

- What?

828

01:00:18,967 --> 01:00:25,167

No. Dad, I don't believe it.

You're telling me that the future is...

829

01:00:25,373 --> 01:00:28,342

Can only be more of this?

830

01:00:28,543 --> 01:00:33,742

This is the way things are.

You can't change nature.

831

01:00:33,948 --> 01:00:39,113

Change is nature, Dad.

The part that we can influence.

832

01:00:39,554 --> 01:00:42,751

And it starts when we decide.

833

01:00:43,358 --> 01:00:47,590

- Where you going?

- With luck, forward.

834

01:01:11,486 --> 01:01:12,851

Hey! Yeah.

835

01:02:10,945 --> 01:02:12,105

Stop it.

836

01:02:46,481 --> 01:02:47,709

Good morning.

837

01:02:49,918 --> 01:02:51,385

Good morning.

838

01:02:52,654 --> 01:02:56,954

So, the chef,

he invited you in for a drink?

839

01:02:57,058 --> 01:02:58,582

That's big.

840

01:02:58,693 --> 01:03:01,491

That's big. What did he say?

841

01:03:06,034 --> 01:03:07,001

What?

842

01:03:07,936 --> 01:03:09,597

What, you can't tell me?

843

01:03:11,673 --> 01:03:16,372

Forgive me for intruding on your deep,
personal relationship with the chef.

844

01:03:16,477 --> 01:03:17,842

Oh, I see how it is.

845

01:03:17,946 --> 01:03:20,574

You get me to teach you
a few kitchen tricks

846

01:03:20,682 --> 01:03:23,412

to dazzle the boss
and then you blow past me?

847

01:03:23,518 --> 01:03:24,985

Wake up. Wake up.

848

01:03:26,321 --> 01:03:29,085

I thought you were different.

849

01:03:30,491 --> 01:03:32,857

I thought you thought I was different.

850

01:03:33,328 --> 01:03:34,625

I thought...

851

01:03:38,333 --> 01:03:39,857

I didn't have to help you!

852

01:03:39,968 --> 01:03:43,301

If I looked out only for myself,

I would have let you drown!

853

01:03:43,404 --> 01:03:44,496

But...

854

01:03:45,406 --> 01:03:50,002

I wanted you to succeed. I liked you.

855

01:03:51,980 --> 01:03:53,277

My mistake.

856

01:03:54,015 --> 01:03:57,314

Colette. Wait, wait. Colette!

857

01:03:57,518 --> 01:04:00,453

It's over, Little Chef.

I can't do it anymore.

858

01:04:00,822 --> 01:04:04,519

Colette! Wait, wait!

Don't motorcycle away.

859

01:04:04,625 --> 01:04:07,958

Look, I'm no good with words.

I'm no good with food either.

860

01:04:08,062 --> 01:04:09,791

At least not without your help.

861

01:04:09,897 --> 01:04:13,298

I hate false modesty.

It's just another way to lie.

862

01:04:13,768 --> 01:04:17,568

- You have talent.

- No, but I don't! Really! It's not me.

863

01:04:18,039 --> 01:04:19,768

When I added that extra ingredient

864

01:04:19,874 --> 01:04:22,707

instead of following the recipe

like you said,

865

01:04:22,810 --> 01:04:25,005

That wasn't me either.

866

01:04:25,113 --> 01:04:28,014

- What do you mean?

- I mean, I wouldn't have done that.

867

01:04:28,116 --> 01:04:29,913

I would've followed the recipe.

868

01:04:30,018 --> 01:04:31,383

I would've followed your advice.

869

01:04:31,486 --> 01:04:33,317

I would've followed your advice
to the ends of the earth.

870

01:04:33,421 --> 01:04:37,585

- Because I love your advice.

- But...

871

01:04:37,692 --> 01:04:39,353

But I...

872

01:04:39,727 --> 01:04:41,024

Don't do it.

873

01:04:41,129 --> 01:04:44,428

I have a secret. It's sort of disturbing.

874

01:04:46,801 --> 01:04:49,702

- I have a...

- What? You...

875

01:04:49,804 --> 01:04:54,002

- I have a ra...

- You have a rash?

876

01:04:54,142 --> 01:04:59,409

No, no, no. I have this...

This tiny little...

877

01:04:59,614 --> 01:05:00,774

Little...

878

01:05:01,816 --> 01:05:03,977

A tiny chef

who tells me what to do.

879

01:05:04,085 --> 01:05:06,076

A tiny chef?

880

01:05:06,187 --> 01:05:08,712

Yes. Yes. He's...

881

01:05:10,558 --> 01:05:13,686

- He's up here.

- In your brain?

882

01:05:15,396 --> 01:05:19,162

Why is it so hard to talk to you?

Okay. Here we go.

883

01:05:20,301 --> 01:05:24,203

You inspire me. I'm going to risk it all.

884

01:05:24,405 --> 01:05:29,172

I'm going to risk looking like the
biggest idiot psycho you've ever seen.

885

01:05:29,277 --> 01:05:31,472

You want to know why

I'm such a fast learner?

886

01:05:31,579 --> 01:05:33,604

You want to know why

I'm such a great cook?

887

01:05:33,714 --> 01:05:36,444

Don't laugh! I'm going to show you!

888

01:05:39,987 --> 01:05:41,113

No! No!

889

01:06:26,367 --> 01:06:28,892

- What is it, Ambrister?

- Gusteau's.

890

01:06:29,003 --> 01:06:31,904

- Finally closing, is it?

- No.

891

01:06:32,006 --> 01:06:35,100

- More financial trouble?

- No, it's...

892

01:06:35,209 --> 01:06:37,734

Announced a new line

of microwave egg rolls?

893

01:06:37,845 --> 01:06:39,676

What? What? Spit it out.

894

01:06:39,780 --> 01:06:43,216

It's come back. It's popular.

895

01:06:47,522 --> 01:06:51,151

- I haven't reviewed Gusteau's in years.

- No, sir.

896

01:06:51,259 --> 01:06:52,351

My last review condemned it

897

01:06:52,460 --> 01:06:53,984

- to the tourist trade.

- Yes, sir.

898

01:06:54,095 --> 01:06:58,293

I said, "Gusteau has finally
found his rightful place in history

899

01:06:58,399 --> 01:07:02,165

"right alongside

another equally famous chef,

900

01:07:02,270 --> 01:07:04,033

<i>"Monsieur</i> Boyardee."

901

01:07:04,138 --> 01:07:05,127

Touch .

902

01:07:05,239 --> 01:07:08,606

That is where I left it.

That was my last word.

903

01:07:08,776 --> 01:07:11,745

- The last word.

- Yes.

904

01:07:11,846 --> 01:07:14,144

Then tell me, Ambrister,

905

01:07:15,082 --> 01:07:19,018

how could it be popular?

906

01:07:19,954 --> 01:07:24,516

No, no, no, no, no, no, no!

907

01:07:24,625 --> 01:07:27,753

The DNA matches, the timing works,
everything checks out.

908

01:07:27,862 --> 01:07:29,090

He is Gusteau's son.

909

01:07:29,197 --> 01:07:33,099

This can't just happen!

The whole thing is a setup!

910

01:07:33,201 --> 01:07:34,532

The boy knows!

911

01:07:34,635 --> 01:07:37,627

Look at him out there,
pretending to be an idiot.

912

01:07:37,738 --> 01:07:42,141

He's toying with my mind

like a cat with a ball of... Something.

913

01:07:42,243 --> 01:07:44,677

- String?

- Yes! Playing dumb.

914

01:07:44,779 --> 01:07:46,838

- Taunting me with that rat.

- Rat?

915

01:07:46,948 --> 01:07:48,643

Yes. He's consorting with it.

916

01:07:48,749 --> 01:07:51,274

Deliberately trying to make me think
it's important.

917

01:07:51,385 --> 01:07:53,876

- The rat.

- Exactly!

918

01:07:55,189 --> 01:07:57,783

Is the rat important?

919

01:07:58,025 --> 01:08:01,256

Of course not!

He just wants me to think that it is.

920

01:08:01,362 --> 01:08:03,626

Oh, I see the theatricality of it.

921

01:08:03,731 --> 01:08:06,393

A rat appears on the boy's first night,

I order him to kill it.

922

01:08:06,500 --> 01:08:09,025

And now he wants me

to see it everywhere.

923

01:08:11,072 --> 01:08:13,131

It's here! No, it isn't, it's here!

924

01:08:13,241 --> 01:08:16,472

Am I seeing things, am I crazy?

Is there a phantom rat or is there not?

925

01:08:16,577 --> 01:08:17,669

But, oh, no!

926

01:08:17,778 --> 01:08:21,976

I refuse to be sucked into
his little game of...

927

01:08:25,186 --> 01:08:30,681

Should I be concerned about this?
About you?

928

01:08:50,611 --> 01:08:52,511

I can't fire him. He's getting attention.

929

01:08:52,613 --> 01:08:54,979

If I fire him now,
everyone will wonder why.

930

01:08:55,082 --> 01:08:57,550

And the last thing I want
is people looking into this.

931

01:08:57,652 --> 01:08:59,279

What are you so worried about?

932

01:08:59,387 --> 01:09:00,615

Isn't it good to have the press?

933

01:09:00,721 --> 01:09:03,349

Isn't it good to have Gusteau's name
getting headlines?

934

01:09:03,457 --> 01:09:05,857

Not if they're over his face!

935

01:09:06,394 --> 01:09:10,057

Gusteau's already has a face,
and it's fat and lovable and familiar.

936

01:09:10,164 --> 01:09:15,124

And it sells burritos!

Millions and millions of burritos!

937

01:09:15,236 --> 01:09:17,204

The deadline passes in three days.

938

01:09:17,305 --> 01:09:20,240

Then you can fire him
whenever he ceases to be valuable

939

01:09:20,341 --> 01:09:22,468

and no one will ever know.

940

01:09:23,010 --> 01:09:25,444

I was worried
about the hair sample you gave me.

941

01:09:25,546 --> 01:09:27,980

- I had to send them back to the lab.
- Why?

942

01:09:28,082 --> 01:09:32,610

Because the first time it came back
identified as rodent hair.

943

01:09:38,326 --> 01:09:39,554

- No, no, no.
- What?

944

01:09:39,660 --> 01:09:41,958

Try this. It's better.

945

01:09:56,043 --> 01:09:58,170

Well, because you...

946

01:10:22,436 --> 01:10:23,403

Rat!

947

01:10:29,944 --> 01:10:32,174

Disgusting little creatures.

948

01:10:42,056 --> 01:10:44,991

I was reminded

how fragile it all was.

949

01:10:45,893 --> 01:10:48,020

How the world really saw me.

950

01:10:49,563 --> 01:10:52,794

And it just kept getting better.

951

01:10:53,300 --> 01:10:53,499

Remy!

952

01:10:53,534 --> 01:10:54,466

Remy!

953

01:10:54,568 --> 01:10:55,830

Psst! Psst!

954

01:10:58,005 --> 01:11:00,405

Hey, hey, hey, little brother!

955

01:11:00,608 --> 01:11:04,135

We were afraid you weren't going to,
you know, show up.

956

01:11:04,345 --> 01:11:08,145

- Hey, Remy! How you doing?

- You told them?

957

01:11:08,249 --> 01:11:11,116

Emile,

that's exactly what I said not to do!

958

01:11:11,218 --> 01:11:12,981

But you know these guys.

They're my friends.

959

01:11:13,087 --> 01:11:14,179

I didn't think you meant them.

960

01:11:14,288 --> 01:11:16,381

Look, I'm sorry.

961

01:11:16,490 --> 01:11:18,958

Don't tell me you're sorry,

tell them you're sorry.

962

01:11:19,059 --> 01:11:23,621

- Is there a problem over here?

- No, there is not.

963

01:11:23,731 --> 01:11:25,028

Wait here.

964

01:11:30,905 --> 01:11:32,167

It's locked?

965

01:11:39,213 --> 01:11:41,010

Remy, what are you doing in here?

966

01:11:41,115 --> 01:11:43,913

Okay. Emile shows up with...

967

01:11:44,018 --> 01:11:47,954

Okay, I said not to. I told him...

He goes and blabs to...

968

01:11:48,155 --> 01:11:50,214

Yeah, it's a disaster.

969

01:11:50,324 --> 01:11:53,953

Anyway, they're hungry, the food safe
is locked and I need the key.

970

01:11:54,061 --> 01:11:56,160

- They want you to steal food?

- Yes. No! It's...

971

01:11:56,195 --> 01:11:58,260

- They want you to steal food?

- Yes. No! It's...

972

01:11:58,365 --> 01:12:02,165

It's complicated. It's family.

They don't have your ideals.

973

01:12:02,269 --> 01:12:04,897

Ideals?

If Chef Fancy Pants had any ideals,

974

01:12:05,005 --> 01:12:07,064

you think I'd be hawking barbecue

over here?

975

01:12:07,174 --> 01:12:08,232

Or microwave burritos?

976

01:12:08,342 --> 01:12:10,401

Or, Tooth, I say,

Tooth Pick'n Chicken?

977

01:12:10,511 --> 01:12:12,274

About as French as a corn dog!

978

01:12:12,480 --> 01:12:13,504

Coming soon!

979

01:12:13,614 --> 01:12:15,514

We're inventing new ways

to sell out over here.

980

01:12:15,616 --> 01:12:17,208

Will ye be wanting some haggis bites?

981

01:12:17,318 --> 01:12:18,979

I cannot control

how they use my image, Remy.

982

01:12:19,086 --> 01:12:21,486

- I am dead!

- Can you guys shut up?

983

01:12:22,556 --> 01:12:26,617

I've got to think! Word's getting out.

If I can't keep them quiet,

984

01:12:26,727 --> 01:12:29,992

the entire clan's gonna be after me

with their mouths open and...

985

01:12:30,097 --> 01:12:31,121

Here it is.

986

01:12:31,565 --> 01:12:33,863

Hey. Your will!

987

01:12:33,968 --> 01:12:38,598

- Oh, this is interesting. Mind if I...

- Not at all.

988

01:12:41,275 --> 01:12:42,640

Linguini?

989

01:12:43,477 --> 01:12:46,207

Why would Linguini be filed
with your will?

990

01:12:46,313 --> 01:12:48,144

This used to be my office.

991

01:13:11,438 --> 01:13:12,905

He's your son?

992

01:13:13,007 --> 01:13:15,874

- I have a son?

- How could you not know this?

993

01:13:15,976 --> 01:13:19,969

I am a figment of your imagination.

You did not know, how could I?

994

01:13:20,080 --> 01:13:21,931

Well, your son is the rightful owner
of this restaurant!

995

01:13:21,966 --> 01:13:23,782

Well, your son is the rightful owner
of this restaurant!

996

01:13:25,185 --> 01:13:26,854

No! No! The rat!

997

01:13:32,927 --> 01:13:35,725

- Sorry, chef.

- The rat! It's stolen my documents!

998

01:13:35,829 --> 01:13:38,195

- It's getting away!

Hey, Mr. Chef!

999

01:15:12,526 --> 01:15:14,118

You!

1000

01:15:14,228 --> 01:15:18,892

- Get out of my office.

- He's not in your office. You are in his.

1001

01:15:22,136 --> 01:15:24,104

Bottoms up, Linguini!

1002

01:15:24,204 --> 01:15:26,604

<i>

1003

01:15:26,707 --> 01:15:27,969

Cheers, <i>ja.</i>

1004

01:16:35,209 --> 01:16:37,507

Chef! Chef!

Chef Linguini!

1005

01:16:38,712 --> 01:16:41,772

Your rise has been meteoric,
yet you have no formal training.

1006

01:16:41,882 --> 01:16:43,315

What is the secret to your genius?

1007

01:16:43,417 --> 01:16:47,012

Secret? You want the truth?

1008

01:16:47,688 --> 01:16:53,149

I am Gusteau's son.

It's in my blood I guess.

1009

01:16:53,260 --> 01:16:55,592

But you weren't

aware of that fact until very recently.

1010

01:16:55,696 --> 01:16:56,663

No.

1011

01:16:56,764 --> 01:16:59,528

And it resulted in

your taking ownership of this restaurant.

1012

01:16:59,633 --> 01:17:01,123

How did you find out?

1013

01:17:01,235 --> 01:17:04,500

Well, some part of me just knew.

1014

01:17:05,038 --> 01:17:06,369

The Gusteau part?

1015

01:17:07,775 --> 01:17:12,405

- Where do you get your inspiration?
- Inspiration has many names.

1016

01:17:12,613 --> 01:17:15,241

- Mine is named Colette.
- What?

1017

01:17:16,850 --> 01:17:18,909

Something's stuck in my teeth.

1018

01:17:22,422 --> 01:17:23,719

Health Inspector.

1019

01:17:23,824 --> 01:17:26,452

I wish to report a rat infestation.

1020

01:17:26,660 --> 01:17:27,752

It's taken over my...

1021

01:17:27,861 --> 01:17:30,227

Gusteau's restaurant.

1022

01:17:30,330 --> 01:17:31,388

<i>Gusteau's, eh?</i>

1023

01:17:31,532 --> 01:17:35,696

I can drop by. Let's see.

First opening is three months.

1024

01:17:35,803 --> 01:17:37,896

<i>It must happen now!</i>

<i>It's a gourmet restaurant!</i>

1025

01:17:38,005 --> 01:17:40,872

<i>Monsieur,</i> I have the information.

If someone cancels, I'll slot you in.

1026

01:17:40,974 --> 01:17:43,067

But the rat!

You must...

1027

01:17:44,745 --> 01:17:46,645

It stole my documents.

1028

01:17:47,848 --> 01:17:49,406

It's past opening time.

1029

01:17:49,516 --> 01:17:51,950

He should have
finished an hour ago.

1030

01:17:53,854 --> 01:17:56,084

<i>Bonjour, ma chérie.</i>

Join us.

1031

01:17:56,190 --> 01:17:58,317

We were just talking
about my inspiration.

1032

01:17:58,525 --> 01:18:00,823

Yes, he calls it his tiny chef.

1033

01:18:02,095 --> 01:18:04,495

Not that, dearest. I meant you.

1034

01:18:07,134 --> 01:18:08,863

- It's him.

- Ego?

1035

01:18:08,969 --> 01:18:09,936

Anton Ego!

1036

01:18:10,137 --> 01:18:11,399

Is that Ego?

1037

01:18:12,172 --> 01:18:13,605

I can't believe it.

1038

01:18:13,774 --> 01:18:17,039

- You are *Monsieur* Linguini?

- Hello.

1039

01:18:17,144 --> 01:18:21,638

Pardon me for interrupting
your premature celebration,

1040

01:18:21,748 --> 01:18:25,445

but I thought it only fair
to give you a sporting chance

1041

01:18:25,552 --> 01:18:27,713

as you are new to this game.

1042

01:18:28,989 --> 01:18:30,251

- Game?

- Yes.

1043

01:18:30,357 --> 01:18:33,417

And you've been playing

without an opponent.

1044

01:18:33,527 --> 01:18:38,658

Which is, as you may have guessed,

against the rules.

1045

01:18:38,866 --> 01:18:40,925

You're Anton Ego.

1046

01:18:42,502 --> 01:18:45,403

You're slow

for someone in the fast lane.

1047

01:18:47,007 --> 01:18:49,976

And you're thin
for someone who likes food.

1048

01:18:53,580 --> 01:18:57,607

I don't like food. I love it.

1049

01:18:58,051 --> 01:19:02,283

If I don't love it, I don't swallow.

1050

01:19:03,657 --> 01:19:07,616

I will return tomorrow night
with high expectations.

1051

01:19:08,061 --> 01:19:10,859

Pray you don't disappoint me.

1052

01:19:18,171 --> 01:19:21,607

Listen, we hate to be rude,
but we're French, and it's dinnertime.

1053

01:19:21,708 --> 01:19:24,836

She meant to say,
"It's dinnertime and we're French."

1054

01:19:26,713 --> 01:19:28,271

Don't give me that look.

1055

01:19:28,382 --> 01:19:30,543

You were distracting me
in front of the press.

1056

01:19:30,651 --> 01:19:35,088

How am I supposed to concentrate with
you yanking on my hair all the time?

1057

01:19:35,188 --> 01:19:36,450

And that's another thing.

1058

01:19:36,556 --> 01:19:39,457

Your opinion isn't the only one
that matters here.

1059

01:19:39,559 --> 01:19:42,153

Colette knows how to cook, too,

you know.

1060

01:19:42,262 --> 01:19:43,752

All right, that's it!

1061

01:19:47,868 --> 01:19:49,597

You take a break, Little Chef.

1062

01:19:49,703 --> 01:19:50,931

I'm not your puppet,

1063

01:19:51,038 --> 01:19:54,132

and you're not

my puppet-controlling guy!

1064

01:19:54,241 --> 01:19:56,038

The rat is the cook.

1065

01:19:56,143 --> 01:19:57,592

You cool off and get your mind right,

Little Chef.

1066

01:19:57,627 --> 01:19:59,041

You cool off and get your mind right,
Little Chef.

1067

01:19:59,146 --> 01:20:02,115

Ego is coming, and I need to focus!

1068

01:20:05,218 --> 01:20:06,583

You stupid...

1069

01:20:09,122 --> 01:20:12,353

Wow. I have never seen that before.

1070

01:20:12,459 --> 01:20:15,758

Yeah, it's like you're his fluffy bunny
or something.

1071

01:20:17,264 --> 01:20:18,754

I'm sorry, Remy.

1072

01:20:18,865 --> 01:20:19,854

I know there are too many guys.

1073

01:20:19,967 --> 01:20:20,934

- I tried to limit...

- You know what?

1074

01:20:21,034 --> 01:20:22,865

It's okay. I've been selfish.

1075

01:20:22,970 --> 01:20:24,995

- You guys hungry?

- Are you kidding?

1076

01:20:25,105 --> 01:20:28,074

All right. Dinner's on me.

We'll go after closing time.

1077

01:20:28,175 --> 01:20:29,335

- In fact...

- Yeah.

1078

01:20:29,443 --> 01:20:31,809

...tell Dad to bring the whole clan.

1079

01:20:33,447 --> 01:20:34,971

Little Chef?

1080

01:20:44,458 --> 01:20:49,191

This is great, Son.

An inside job. I see the appeal.

1081

01:21:08,849 --> 01:21:09,907

Oof!

1082

01:21:26,133 --> 01:21:27,532

Little Chef?

1083

01:21:28,301 --> 01:21:29,563

Little Chef?

1084

01:21:30,303 --> 01:21:31,895

Hey, Little Chef.

1085

01:21:32,239 --> 01:21:35,299

I thought you went back

to the apartment.

1086

01:21:35,509 --> 01:21:39,639

Then when you weren't there,
I don't know...

1087

01:21:39,980 --> 01:21:44,007

It didn't seem right to leave things
the way that we did, so...

1088

01:21:45,052 --> 01:21:46,952

Look, I don't want to fight.

1089

01:21:47,154 --> 01:21:49,782

I've been under a lot of, you know,
pressure.

1090

01:21:49,990 --> 01:21:53,323

A lot has changed
in not very much time, you know?

1091

01:21:53,427 --> 01:21:54,689

I'm suddenly a Gusteau.

1092

01:21:54,795 --> 01:21:56,695

And I got to be a Gusteau or, you know,

1093

01:21:57,964 --> 01:21:59,522

people will be disappointed.

1094

01:21:59,933 --> 01:22:01,525

It's weird.

1095

01:22:01,635 --> 01:22:04,570

You know, I've never
disappointed anyone before,

1096

01:22:04,671 --> 01:22:07,469

because nobody's
ever expected anything of me.

1097

01:22:07,574 --> 01:22:10,338

And the only reason
anyone expects anything from me now

1098

01:22:10,444 --> 01:22:12,605

is because of you.

1099

01:22:14,247 --> 01:22:15,942

I haven't been fair to you.

1100

01:22:16,049 --> 01:22:19,507

You've never failed me,
and I should never forget that.

1101

01:22:19,719 --> 01:22:21,414

You've been a good friend.

1102

01:22:21,621 --> 01:22:24,647

The most honorable friend
a guy could ever ask...

1103

01:22:26,593 --> 01:22:27,890

What is this?

1104

01:22:28,361 --> 01:22:30,056

What's going on?

1105

01:22:32,499 --> 01:22:33,488

What...

1106

01:22:33,600 --> 01:22:34,567

Hey...

1107

01:22:35,168 --> 01:22:36,465

You're...

1108

01:22:36,570 --> 01:22:39,630

You're stealing food? How could you?

1109

01:22:39,739 --> 01:22:42,867

I thought you were my friend!

I trusted you!

1110

01:22:43,076 --> 01:22:45,306

Get out! You and all your rat buddies!

1111

01:22:45,412 --> 01:22:46,811

And don't come back

1112

01:22:46,913 --> 01:22:50,371

or I'll treat you the way restaurants
are supposed to treat pests!

1113

01:22:58,492 --> 01:23:01,757

You're right, Dad. Who am I kidding?

1114

01:23:02,295 --> 01:23:05,696

We are what we are, and we're rats.

1115

01:23:07,167 --> 01:23:10,967

Well, he'll leave soon,
and now you know how to get in.

1116

01:23:11,438 --> 01:23:12,837

Steal all you want.

1117

01:23:12,939 --> 01:23:15,874

- You're not coming?
- I've lost my appetite.

1118

01:23:30,457 --> 01:23:32,925

Do you know
what you would like this evening, sir?

1119

01:23:33,026 --> 01:23:37,827

Yes,

I'd like your heart roasted on a spit.

1120

01:23:43,203 --> 01:23:44,761

Come in!

1121

01:23:44,971 --> 01:23:48,168

Today's the big day.

You should say something to them.

1122

01:23:48,275 --> 01:23:52,143

- Like what?

- You are the boss. Inspire them.

1123

01:23:55,482 --> 01:23:56,972

Attention.

1124

01:23:57,083 --> 01:23:59,853

Attention, everyone.

1125

01:24:00,020 --> 01:24:02,250

Tonight is a big night.

1126

01:24:02,455 --> 01:24:06,323

Appetite is coming,
and he's going to have a big ego.

1127

01:24:06,526 --> 01:24:10,485

I mean, Ego. He's coming. The critic.

1128

01:24:11,198 --> 01:24:14,167

And he's going to order something.

1129

01:24:14,768 --> 01:24:16,793

Something from our menu.

1130

01:24:17,504 --> 01:24:21,600

And we'll have to cook it,
unless he orders something cold.

1131

01:24:21,708 --> 01:24:23,573

Just can't leave it alone,
can you?

1132

01:24:23,677 --> 01:24:27,306

You really shouldn't be here
during restaurant hours. It's not safe.

1133

01:24:27,414 --> 01:24:28,642

I'm hungry!

1134

01:24:28,748 --> 01:24:31,376

And I don't need the inside food
to be happy.

1135

01:24:31,484 --> 01:24:34,544

The key, my friend, is to not be picky.

1136

01:24:34,921 --> 01:24:36,980

- Observe.

- No, wait!

1137

01:24:38,625 --> 01:24:42,493

- Oh, no! No, no! What do we do?

- I'll go get Dad.

1138

01:24:45,065 --> 01:24:51,334

You might think you are a chef
but you are still only a rat.

1139

01:24:51,738 --> 01:24:54,969

Sure he took away a star
last time he reviewed this place.

1140

01:24:55,075 --> 01:24:57,475

Sure it probably killed... Dad.

1141

01:24:57,777 --> 01:25:01,543

- This is very bad juju right here.
- But I'll tell you one thing...

1142

01:25:01,648 --> 01:25:04,378

- Ego is here.
- Ego? He is here?

1143

01:25:06,386 --> 01:25:10,550

Anton Ego is just another customer.
Let's cook!

1144

01:25:10,657 --> 01:25:12,522

Yeah! Let's...

1145

01:25:12,959 --> 01:25:14,153

Okay.

1146

01:25:15,629 --> 01:25:18,496

So I have in mind

a simple arrangement.

1147

01:25:18,698 --> 01:25:22,759

You will create for me a new line
of Chef Skinner frozen foods.

1148

01:25:22,869 --> 01:25:26,635

And I, in return, will not kill you.

1149

01:25:30,410 --> 01:25:33,573

<i>Au revoir,</i> rat!

1150

01:25:40,787 --> 01:25:43,449

Do you know

what you would like this evening, sir?

1151

01:25:43,556 --> 01:25:45,080

Yes, I think I do.

1152

01:25:45,592 --> 01:25:49,722

After reading a lot of overheated
puffery about your new cook,

1153

01:25:49,829 --> 01:25:51,888

you know what I'm craving?

1154

01:25:52,966 --> 01:25:56,231

A little perspective.

1155

01:25:56,436 --> 01:26:01,499

That's it. I'd like some fresh, clear,
well seasoned perspective.

1156

01:26:01,608 --> 01:26:04,406

Can you suggest
a good wine to go with that?

1157

01:26:04,511 --> 01:26:09,414

- With what, sir?

- Perspective. Fresh out, I take it?

1158

01:26:09,516 --> 01:26:10,676

I am...

1159

01:26:11,818 --> 01:26:14,582

Very well.

Since you're all out of perspective

1160

01:26:14,688 --> 01:26:18,055

and no one else

seems to have it in this bloody town,

1161

01:26:18,158 --> 01:26:19,682

I'll make you a deal.

1162

01:26:19,793 --> 01:26:23,889

You provide the food,

I'll provide the perspective.

1163

01:26:23,997 --> 01:26:28,024

Which would go nicely
with a bottle of Cheval Blanc 1947.

1164

01:26:28,134 --> 01:26:29,931

I'm afraid I...

1165

01:26:31,638 --> 01:26:34,004

Your dinner selection?

1166

01:26:34,708 --> 01:26:39,475

Tell your Chef Linguini that I want
whatever he dares to serve me.

1167

01:26:39,579 --> 01:26:43,037

Tell him to hit me with his best shot.

1168

01:26:46,786 --> 01:26:49,687

I will have whatever he is having.

1169

01:26:56,529 --> 01:27:00,021

- So, we have given up.

- Why do you say that?

1170

01:27:00,233 --> 01:27:03,259

We are in a cage inside the car trunk

1171

01:27:03,470 --> 01:27:06,371

awaiting a future

in frozen food products.

1172

01:27:06,573 --> 01:27:10,339

No, I'm the one in a cage. I've given up.

1173

01:27:10,677 --> 01:27:13,043

You are free.

1174

01:27:13,246 --> 01:27:16,647

I am only as free

as you imagine me to be.

1175

01:27:16,750 --> 01:27:17,978

As you are.

1176

01:27:18,084 --> 01:27:22,714

Oh, please. I'm sick of pretending.
I pretend to be a rat for my father.

1177

01:27:22,822 --> 01:27:25,222

I pretend to be a human
through Linguini.

1178

01:27:25,325 --> 01:27:28,055

I pretend you exist
so I have someone to talk to!

1179

01:27:28,161 --> 01:27:30,129

You only tell me stuff I already know!

1180

01:27:30,230 --> 01:27:33,222

I know who I am!
Why do I need you to tell me?

1181

01:27:33,333 --> 01:27:35,301

Why do I need to pretend?

1182

01:27:37,404 --> 01:27:39,031

But you don't, Remy.

1183

01:27:39,839 --> 01:27:41,466

You never did.

1184

01:27:50,450 --> 01:27:52,418

No. My other left!

1185

01:27:52,619 --> 01:27:54,416

Dad? Dad, I'm in here!

1186

01:27:54,621 --> 01:27:56,919

I'm inside the trunk! What the...

1187

01:27:57,223 --> 01:27:58,212

Dad!

1188

01:27:58,858 --> 01:28:01,383

- Hey, little brother!

- Emile!

1189

01:28:04,931 --> 01:28:06,990

I love you guys!

1190

01:28:09,068 --> 01:28:10,126

Where are you going?

1191

01:28:10,236 --> 01:28:12,761

Back to the restaurant.

They'll fail without me.

1192

01:28:12,872 --> 01:28:16,433

- Why do you care?

- Because I'm a cook!

1193

01:28:24,150 --> 01:28:25,947

It's your recipe.

1194

01:28:26,052 --> 01:28:28,111

How can you not know

your own recipe?

1195

01:28:28,221 --> 01:28:31,156

I didn't write it down. It just came to me.

1196

01:28:31,257 --> 01:28:34,351

Then make it come to you again, <i>ja?</i>

Because we can't serve this!

1197

01:28:34,461 --> 01:28:35,428

Where's my order?

1198

01:28:35,528 --> 01:28:37,894

Can't we serve something else?

Something I didn't invent?

1199

01:28:37,997 --> 01:28:39,055

This is what they're ordering.

1200

01:28:39,165 --> 01:28:41,497

Make them order something else.

Tell them we're all out.

1201

01:28:41,601 --> 01:28:43,296

We cannot be all out. We just opened.

1202

01:28:43,403 --> 01:28:46,395

I have another idea.

What if we serve them what they order!

1203

01:28:46,506 --> 01:28:48,633

We will make it.

Just tell us what you did.

1204

01:28:48,741 --> 01:28:50,106

I don't know what I did.

1205

01:28:50,210 --> 01:28:51,939

We need to tell

the customers something.

1206

01:28:52,045 --> 01:28:53,945

Then tell them... Tell them...

1207

01:29:00,053 --> 01:29:02,385

- Don't do it.

- Remy. Remy.

1208

01:29:02,489 --> 01:29:04,514

Don't! Stop!

They'll see you. Stop.

1209

01:29:04,624 --> 01:29:08,628

We're not talking about me.

We're talking about what to do right...

1210

01:29:09,062 --> 01:29:10,029

Rats!

1211

01:29:11,798 --> 01:29:13,356

- Remy!

- Get my knife.

1212

01:29:13,833 --> 01:29:15,460

Don't touch him!

1213

01:29:17,770 --> 01:29:20,136

Thanks for coming back, Little Chef.

1214

01:29:21,441 --> 01:29:23,739

I know this sounds insane, but...

1215

01:29:23,843 --> 01:29:26,403

Well,

the truth sounds insane sometimes.

1216

01:29:26,513 --> 01:29:28,310

But that doesn't mean it's not

1217

01:29:28,414 --> 01:29:30,609

the truth.

1218

01:29:31,317 --> 01:29:35,549

And the truth is, I have no talent at all.

1219

01:29:36,322 --> 01:29:40,224

But this rat,

he's the one behind these recipes.

1220

01:29:40,326 --> 01:29:45,423

He's the cook. The real cook.

He's been hiding under my toque.

1221

01:29:45,765 --> 01:29:47,699

He's been controlling my actions.

1222

01:29:49,769 --> 01:29:53,330

He's the reason I can cook the food
that's exciting everyone.

1223

01:29:53,540 --> 01:29:56,634

The reason Ego is outside that door.

1224

01:29:56,876 --> 01:29:59,674

You've been giving me credit
for his gift.

1225

01:29:59,946 --> 01:30:01,538

I know it's a hard thing to believe.

1226

01:30:01,648 --> 01:30:04,617

But, hey, you believed I could cook,
right?

1227

01:30:06,352 --> 01:30:10,516

Look, this works.

It's crazy, but it works.

1228

01:30:10,990 --> 01:30:13,458

We can be

the greatest restaurant in Paris,

1229

01:30:13,560 --> 01:30:18,998

and this rat, this brilliant Little Chef,

can lead us there.

1230

01:30:19,732 --> 01:30:22,132

What do you say? You with me?

1231

01:32:10,109 --> 01:32:11,076

Dad.

1232

01:32:15,181 --> 01:32:18,150

Dad, I don't know what to say.

1233

01:32:18,351 --> 01:32:22,378

I was wrong about your friend

and about you.

1234

01:32:22,789 --> 01:32:26,657

I don't want you to think

I'm choosing this over family.

1235

01:32:26,859 --> 01:32:29,623

I can't choose

between two halves of myself.

1236

01:32:29,729 --> 01:32:33,563

I'm not talking about cooking.

I'm talking about guts.

1237

01:32:34,267 --> 01:32:36,667

This really means that much to you?

1238

01:32:44,677 --> 01:32:47,646

We're not cooks, but we are family.

1239

01:32:47,847 --> 01:32:50,839

You tell us what to do,

and we'll get it done.

1240

01:32:58,825 --> 01:33:02,454

- Stop that health inspector!

- Delta Team, go, go, go, go!

1241

01:33:02,662 --> 01:33:04,789

The rest of you stay and help Remy.

1242

01:33:27,920 --> 01:33:29,651

Team three will be handling fish.

Team four, roasted items.

1243

01:33:29,686 --> 01:33:31,383

Team three will be handling fish.

Team four, roasted items.

1244

01:33:31,591 --> 01:33:37,029

Team five, grill. Team six, sauces.

Get to your stations. Let's go, go, go!

1245

01:33:37,330 --> 01:33:39,821

Those handling food

will walk on two legs.

1246

01:33:49,542 --> 01:33:51,510

We need someone to wait tables.

1247

01:34:06,793 --> 01:34:09,819

I'm sorry for any delay,
but we're a little short tonight.

1248

01:34:09,929 --> 01:34:12,193

Please, take all of the time you need.

1249

01:34:15,368 --> 01:34:17,962

He came in late one more time
and all of a sudden he...

1250

01:34:22,275 --> 01:34:24,607

Make sure that steak
is nice and tenderized.

1251

01:34:24,710 --> 01:34:27,042

Work it. Yeah. Stick and move.
Stick and move.

1252

01:34:27,146 --> 01:34:30,673

Easy with that sole meuni re.
Less salt. More butter.

1253

01:34:30,883 --> 01:34:32,783

Only use the mimolette cheese.

1254

01:34:32,919 --> 01:34:36,548

Whoa! Compose the salad
like you were painting a picture.

1255

01:34:36,756 --> 01:34:39,384

Not too much vinaigrette
on that salade compos e.

1256

01:34:39,492 --> 01:34:42,586

Don't let that beurre blanc separate.
Keep whisking.

1257

01:34:42,762 --> 01:34:46,926

Gently poach the scallops.
Taste check. Spoons down.

1258

01:34:47,133 --> 01:34:49,465

Good. Too much salt. Good.

1259

01:34:49,669 --> 01:34:52,570

Don't boil the consomm ,
it'll toughen the pheasant. Emile!

1260

01:34:52,672 --> 01:34:53,764

Sorry.

1261

01:34:57,376 --> 01:34:59,537

Colette, wait! Colette.

1262

01:34:59,979 --> 01:35:04,006

- You came back. Colette...

- Don't say a word.

1263

01:35:04,116 --> 01:35:05,674

If I think about it,

I might change my mind.

1264

01:35:05,785 --> 01:35:08,253

Just tell me what the rat wants to cook.

1265

01:35:11,357 --> 01:35:13,848

Ratatouille? It's a peasant dish.

1266

01:35:13,993 --> 01:35:16,962

Are you sure

you want to serve this to Ego?

1267

01:35:35,448 --> 01:35:37,313

What? I am making ratatouille.

1268

01:35:38,484 --> 01:35:40,952

Well, how would you prepare it?

1269

01:36:12,985 --> 01:36:16,148

Ratatouille? They must be joking.

1270

01:37:07,039 --> 01:37:08,802

No, it can't be.

1271

01:37:09,408 --> 01:37:13,037

Who cooked the ratatouille?

I demand to know!

1272

01:37:20,052 --> 01:37:21,679

I can't remember the last time

1273

01:37:21,787 --> 01:37:25,086

I asked a waiter
to give my compliments to the chef.

1274

01:37:26,058 --> 01:37:28,856

And now I find myself
in the extraordinary position

1275

01:37:28,961 --> 01:37:31,054

of having my waiter be the chef.

1276

01:37:31,263 --> 01:37:34,198

Thanks, but I'm just your waiter tonight.

1277

01:37:35,267 --> 01:37:37,735

Then who do I thank for the meal?

1278

01:37:38,604 --> 01:37:40,299

Excuse me a minute.

1279

01:37:51,317 --> 01:37:52,306

You must be the chef...

1280

01:37:52,418 --> 01:37:54,545

If you wish to meet the chef,
you will have to wait

1281

01:37:54,653 --> 01:37:56,712

until all the other customer have gone.

1282

01:37:58,758 --> 01:37:59,918

So be it.

1283

01:38:21,614 --> 01:38:24,139

<i>At first, Ego thinks it's a joke.</i>

1284

01:38:24,350 --> 01:38:30,289

<i>But as Linguini explains,</i>

<i>Ego's smile disappears.</i>

1285

01:38:35,895 --> 01:38:39,956

<i>He doesn't react</i>

<i>beyond asking an occasional question.</i>

1286

01:38:40,499 --> 01:38:44,868

<i>And when the story is done,</i>

<i>Ego stands, thanks us for the meal...</i>

1287

01:38:44,970 --> 01:38:46,631

Thank you for the meal.

1288

01:38:46,739 --> 01:38:49,606

<i>... and leaves without another word.</i>

1289

01:38:51,877 --> 01:38:55,813

<i>The following day his review appears.</i>

1290

01:38:58,350 --> 01:39:02,446

<i>In many ways,</i>

<i>the work of a critic is easy.</i>

1291

01:39:02,655 --> 01:39:06,887

<i>We risk very little,</i>

<i>yet enjoy a position over those</i>

1292

01:39:06,992 --> 01:39:11,053

<i>who offer up their work</i>

<i>and their selves to our judgment.</i>

1293

01:39:11,297 --> 01:39:16,667

<i>We thrive on negative criticism,</i>

<i>which is fun to write and to read.</i>

1294

01:39:17,203 --> 01:39:23,733

<i>But the bitter truth we critics must face</i>

<i>is that in the grand scheme of things,</i>

1295

01:39:23,843 --> 01:39:27,836

<i>the average piece of junk</i>

<i>is probably more meaningful</i>

1296

01:39:27,947 --> 01:39:31,212

<i>than our criticism designating it so.</i>

1297

01:39:31,584 --> 01:39:35,714

<i>But there are times</i>

<i>when a critic truly risks something</i>

1298

01:39:35,821 --> 01:39:40,121

<i>and that is in the discovery</i>

<i>and defense of the new.</i>

1299

01:39:40,226 --> 01:39:44,822

<i>The world is often unkind</i>

<i>to new talent, new creations.</i>

1300

01:39:45,030 --> 01:39:47,498

<i>The new needs friends.</i>

1301

01:39:47,800 --> 01:39:51,327

<i>Last night,</i>

<i>I experienced something new,</i>

1302

01:39:51,537 --> 01:39:56,497

<i>an extraordinary meal</i>

<i>from a singularly unexpected source.</i>

1303

01:39:56,709 --> 01:39:59,337

<i>To say that both the meal</i>

<i>and its maker</i>

1304

01:39:59,445 --> 01:40:02,937

<i>have challenged my preconceptions</i>

<i>about fine cooking</i>

1305

01:40:03,048 --> 01:40:05,744

<i>is a gross understatement.</i>

1306

01:40:06,152 --> 01:40:09,349

<i>They have rocked me to my core.</i>

1307

01:40:10,089 --> 01:40:13,547

<i>In the past, I have made no secret</i>

<i>of my disdain</i>

1308

01:40:13,659 --> 01:40:18,619

<i>for Chef Gusteau's famous motto,</i>

<i>"Anyone can cook."</i>

1309

01:40:18,931 --> 01:40:25,131

<i>But I realize only now</i>

<i>do I truly understand what he meant.</i>

1310

01:40:25,437 --> 01:40:29,373

<i>Not everyone</i>

<i>can become a great artist,</i>

1311

01:40:29,475 --> 01:40:33,809

<i>but a great artist</i>

<i>can come from anywhere.</i>

1312

01:40:34,413 --> 01:40:37,678

<i>It is difficult to imagine</i>

<i>more humble origins</i>

1313

01:40:37,783 --> 01:40:41,651

<i>than those of the genius</i>

<i>now cooking at Gusteau's,</i>

1314

01:40:41,754 --> 01:40:44,587

<i>who is, in this critic's opinion,</i>

1315

01:40:44,690 --> 01:40:48,922

<i>nothing less</i>

<i>than the finest chef in France.</i>

1316

01:40:49,128 --> 01:40:51,791

<i>I will be returning to Gusteau's soon,</i>
<i>hungry for more.</i>

1317

01:40:51,826 --> 01:40:54,454

<i>I will be returning to Gusteau's soon,</i>
<i>hungry for more.</i>

1318

01:40:54,833 --> 01:40:56,357

<i>It was a great night.</i>

1319

01:40:56,468 --> 01:40:58,197

<i> The happiest of my life.</i>

1320

01:40:58,304 --> 01:41:02,832

<i>But the only thing predictable</i>
<i>about life is its unpredictability.</i>

1321

01:41:02,942 --> 01:41:06,105

<i>Well, we had to let Skinner</i>
<i>and the health inspector loose,</i>

1322

01:41:06,212 --> 01:41:08,612

<i>and of course they ratted us out.</i>

1323

01:41:08,981 --> 01:41:10,608

<i>The food didn't matter.</i>

1324

01:41:10,716 --> 01:41:13,082

<i>Once it got out</i>

<i>there were rats in the kitchen,</i>

1325

01:41:13,185 --> 01:41:15,244

<i>oh, man, the restaurant was closed</i>

1326

01:41:15,354 --> 01:41:18,084

and Ego lost his job and his credibility.

1327

01:41:18,190 --> 01:41:20,124

But don't feel too bad for him.

1328

01:41:20,226 --> 01:41:23,718

He's doing very well

as a small business investor.

1329

01:41:24,063 --> 01:41:26,623

- He seems very happy.
- How do you know?

1330

01:41:31,136 --> 01:41:33,195

<i>

1331

01:41:34,807 --> 01:41:36,934

Got to go. Dinner rush.

1332

01:41:44,516 --> 01:41:46,177

You know how he likes it.

1333

01:41:51,557 --> 01:41:53,149

Thanks, Little Chef.

1334

01:41:59,832 --> 01:42:02,665

Can I interest you

in a dessert this evening?

1335

01:42:02,768 --> 01:42:05,896

- Don't you always?

- Which one would you like?

1336

01:42:07,039 --> 01:42:08,870

Surprise me.

1337

01:42:14,280 --> 01:42:17,716

Can I interest you

in a dessert this evening?

1338

01:42:21,186 --> 01:42:24,849

Hey, believe me, that story

gets better when I tell it, okay?

1339

01:42:26,759 --> 01:42:29,853

Come on. Bring some food over here,

we're starving!
