

Dialogues from Star Wars Episode I: The Phantom Menace to improve the vocabulary

1

00:02:00,500 --> 00:02:01,353

Captain.

2

00:02:01,754 --> 00:02:02,754

Yes, sir?

3

00:02:03,036 --> 00:02:04,863

Tell them we wish to board at once.

4

00:02:06,272 --> 00:02:07,700

With all due respect,

5

00:02:07,701 --> 00:02:11,245

the ambassadors for the supreme
Chancellor wish to board immediately.

6

00:02:11,346 --> 00:02:12,646

<i>Yes, of course.</i>

7

00:02:13,081 --> 00:02:16,141

<i>As you know our blockade
is perfectly legal,</i>

8

00:02:16,884 --> 00:02:19,812

<i>and we'd be happy to receive
the ambassadors.</i>

9

00:02:42,815 --> 00:02:45,443

I'm TC-14, at your service.

10

00:02:45,684 --> 00:02:47,084

This way, please.

11

00:02:53,693 --> 00:02:56,788

We are greatly honored
by your visit, Ambassadors.

12

00:02:56,897 --> 00:02:58,597

Make yourselves comfortable.

13

00:02:58,598 --> 00:03:00,562

My master will be with you shortly.

14

00:03:05,273 --> 00:03:07,071

I have a bad feeling about this.

15

00:03:07,675 --> 00:03:08,941

I don't sense anything.

16

00:03:09,242 --> 00:03:10,701

It's not about the mission, Master.

17

00:03:10,712 --> 00:03:11,733

It's something...

18

00:03:11,934 --> 00:03:13,068

elsewhere,

19

00:03:13,569 --> 00:03:14,649

elusive.

20

00:03:14,650 --> 00:03:17,050

Don't center on your anxieties,
Obi-Wan.

21

00:03:17,153 --> 00:03:20,117

Keep your concentration
here and now, where it belongs.

22

00:03:20,457 --> 00:03:23,190

But Master Yoda said
I should be mindful of the future.

23

00:03:23,393 --> 00:03:25,384

But not at the expense
of the moment.

24

00:03:25,529 --> 00:03:28,099

Be mindful of the living Force,
young Padawan.

25

00:03:28,600 --> 00:03:29,800

Yes, Master.

26

00:03:32,704 --> 00:03:36,168

How do you think this trade Viceroy
will deal with the Chancellor's demands?

27

00:03:36,475 --> 00:03:38,568

These Federation types are cowards.

28

00:03:38,677 --> 00:03:40,444

The negotiations will be short.

29

00:03:42,147 --> 00:03:43,126

What?

30

00:03:43,427 --> 00:03:44,747

What did you say?

31

00:03:45,351 --> 00:03:48,020

The ambassadors are Jedi knights,
I believe.

32

00:03:48,621 --> 00:03:49,821

I knew it.

33

00:03:50,323 --> 00:03:52,354

They're here to force a settlement.

34

00:03:53,493 --> 00:03:56,420

Distract them.

I will contact Lord Sidious.

35

00:03:57,164 --> 00:03:58,565

Are you brain-dead?

36

00:03:59,167 --> 00:04:01,369

I'm not going in there with two Jedi.

37

00:04:03,471 --> 00:04:04,871

Send a droid.

38

00:04:09,545 --> 00:04:11,578

Is it in their nature

to make us wait this long?

39

00:04:11,579 --> 00:04:12,344

No.

40

00:04:12,345 --> 00:04:14,284

I sense an unusual amount of fear,

41

00:04:14,285 --> 00:04:16,844

for something as trivial

as this trade dispute.

42

00:04:28,032 --> 00:04:29,133

<i>What is it?</i>

43

00:04:29,435 --> 00:04:32,063

This scheme of yours has failed,

Lord Sidious.

44

00:04:32,305 --> 00:04:33,956

The blockade is finished.

45

00:04:33,957 --> 00:04:35,866

We dare not go against these Jedi.

46

00:04:35,975 --> 00:04:37,040

<i>Viceroy,</i>

47

00:04:37,041 --> 00:04:40,811

*<i>I don't want this stunted slime
in my sight again.</i>*

48

00:04:42,149 --> 00:04:44,174

<i>This turn of events is unfortunate.</i>

49

00:04:44,785 --> 00:04:46,416

<i>We must accelerate our plans.</i>

50

00:04:46,917 --> 00:04:48,582

<i>Begin landing your troops.</i>

51

00:04:49,190 --> 00:04:50,460

My lord,

52

00:04:51,061 --> 00:04:52,822

is that legal?

53

00:04:52,828 --> 00:04:55,126

<i>I will make it legal.</i>

54

00:04:56,030 --> 00:04:57,662

And the Jedi?

55

00:04:57,666 --> 00:05:00,356

<i>The Chancellor should never
have brought them into this.</i>

56

00:05:00,457 --> 00:05:01,904

<i>Kill them immediately.</i>

57

00:05:02,705 --> 00:05:04,345

Yes. Yes, my lord.

58

00:05:04,846 --> 00:05:06,005

As you wish.

59

00:05:08,946 --> 00:05:09,977

Captain, look!

60

00:05:10,881 --> 00:05:12,147

Shields up!

61

00:05:16,654 --> 00:05:17,654

Sorry.

62

00:05:20,358 --> 00:05:21,458

Dioxis.

63

00:05:26,699 --> 00:05:28,827

<i>They must be dead by now.</i>

64

00:05:29,335 --> 00:05:31,672

<i>Destroy what's left of them.</i>

65

00:05:41,048 --> 00:05:42,282

Excuse me.

66

00:05:42,484 --> 00:05:44,253

Check it out, Corporal.

We'll cover you.

67

00:05:44,254 --> 00:05:45,352

Roger. Roger.

68

00:05:47,453 --> 00:05:48,545

Blast them.

69

00:05:54,029 --> 00:05:55,662

What is going on down there?

70

00:05:55,865 --> 00:05:57,433

We lost the transmission, sir.

71

00:06:02,105 --> 00:06:05,132

Have you ever encountered
a Jedi knight before, sir?

72

00:06:05,343 --> 00:06:06,636

Well, no, but I don't...

73

00:06:06,837 --> 00:06:08,335

Seal off the bridge.

74

00:06:08,346 --> 00:06:09,084

Yes, sir.

75

00:06:09,085 --> 00:06:10,643

That won't be enough, sir.

76

00:06:10,644 --> 00:06:12,351

I want droidekas up here at once!

77

00:06:13,285 --> 00:06:15,376

We will not survive this.

78

00:06:27,368 --> 00:06:28,968

Close the blast doors!

79

00:06:34,743 --> 00:06:36,876

That will hold them.

80

00:06:46,088 --> 00:06:48,518

They are still coming through.

81

00:06:48,925 --> 00:06:50,726

This is impossible!

82

00:06:55,332 --> 00:06:58,031

Where are those droidekas?

83

00:06:59,737 --> 00:07:00,866

Master! Destroyers!

84

00:07:07,913 --> 00:07:09,243

They have shield generators!

85

00:07:10,749 --> 00:07:12,246

It's a standoff.

Let's go.

86

00:07:17,657 --> 00:07:20,148

They're no match for droidekas.

87

00:07:20,593 --> 00:07:21,291

Sir!

88

00:07:22,392 --> 00:07:24,331

They've gone up the ventilation shaft.

89

00:07:33,475 --> 00:07:34,314

Battle droids.

90

00:07:34,715 --> 00:07:36,037

It's an invasion army.

91

00:07:38,114 --> 00:07:40,476

This is an odd play
for the Trade Federation.

92

00:07:40,683 --> 00:07:43,711

We've got to warn the Naboo
and contact Chancellor Valorum.

93

00:07:43,920 --> 00:07:45,051

Let's split up.

94

00:07:45,152 --> 00:07:47,858

Stow aboard separate ships
and meet down on the planet.

95

00:07:48,959 --> 00:07:50,761

You were right about one thing, Master.

96

00:07:52,563 --> 00:07:54,255

The negotiations were short.

97

00:07:56,267 --> 00:07:58,534

Sir, a transmission from the planet.

98

00:07:59,137 --> 00:08:01,031

It's Queen Amidala herself.

99

00:08:01,340 --> 00:08:03,437

At last we are getting results.

100

00:08:05,111 --> 00:08:07,804

Again you come before us,

Your Highness.

101

00:08:08,215 --> 00:08:11,343

<i>You will not be so pleased when you hear
what I have to say, Viceroy.</i>

102

00:08:11,451 --> 00:08:13,982

*<i>Your trade boycott
of our planet has ended.</i>*

103

00:08:15,189 --> 00:08:17,649

I was not aware, of such failure.

104

00:08:17,659 --> 00:08:20,389

*<i>I have word that the Chancellor's
ambassadors are with you now...</i>*

105

00:08:20,428 --> 00:08:22,891

*<i>and that you have been commanded
to reach settlement.</i>*

106

00:08:23,232 --> 00:08:25,730

I know nothing of any ambassadors.

107

00:08:26,235 --> 00:08:28,135

You must be mistaken.

108

00:08:28,837 --> 00:08:30,162

<i>Beware, Viceroy.</i>

109

00:08:30,673 --> 00:08:32,970

<i>The Federation has gone
too far this time.</i>

110

00:08:33,476 --> 00:08:37,037

We would never do anything
without the approval of the senate.

111

00:08:37,747 --> 00:08:39,939

You assume too much.

112

00:08:40,151 --> 00:08:41,252

<i>We will see.</i>

113

00:08:42,854 --> 00:08:44,414

She's right.

114

00:08:45,015 --> 00:08:47,065

The senate will never...

It's too late now.

115

00:08:47,092 --> 00:08:49,281

Do you think she suspects an attack?

116

00:08:49,282 --> 00:08:50,261

I don't know.

117

00:08:50,362 --> 00:08:54,366

But we must move quickly to disrupt
all communications down there.

118

00:09:00,339 --> 00:09:03,943

<i>Negotiations haven't started
because the ambassadors aren't there?</i>

119

00:09:04,244 --> 00:09:05,705

<i>How could that be true?</i>

120

00:09:06,613 --> 00:09:09,583

<i>I have assurances from the Chancellor
his ambassadors did arrive.</i>

121

00:09:10,585 --> 00:09:14,316

<i>It must... handiwork...

negotiate... ambassadors...</i>

122

00:09:14,823 --> 00:09:15,380

<i>Nobody would...</i>

123

00:09:15,581 --> 00:09:16,985

Senator Palpatine.

124

00:09:17,693 --> 00:09:18,893

What's happening?

125

00:09:19,895 --> 00:09:21,195

Check the transmission generator.

126

00:09:22,097 --> 00:09:25,125

A communications disruption
can mean only one thing.

127

00:09:25,426 --> 00:09:26,501

Invasion.

128

00:09:26,636 --> 00:09:28,700

The Federation would not dare go that far.

129

00:09:29,239 --> 00:09:31,377

The senate would revoke
their trade franchise,

130

00:09:31,378 --> 00:09:32,573

and they'd be finished.

131

00:09:33,076 --> 00:09:35,544

We must continue to rely on negotiation.

132

00:09:35,747 --> 00:09:38,778

Negotiation?

We've lost all communications.

133

00:09:38,983 --> 00:09:41,416

And where are the Chancellor's
ambassadors?

134

00:09:43,055 --> 00:09:45,289

This is a dangerous situation,
Your Highness.

135

00:09:45,491 --> 00:09:47,715

Our security volunteers will be no match,

136

00:09:47,716 --> 00:09:49,661

against a battle hardened

Federation army.

137

00:09:51,231 --> 00:09:54,695

I will not condone a course of action

that will lead us to war.

138

00:10:31,376 --> 00:10:32,496

Yes, Viceroy?

139

00:10:32,997 --> 00:10:34,704

<i>Captain, we've searched the ship,</i>

140

00:10:34,946 --> 00:10:36,940

<i>and there is no trace of the Jedi.</i>

141

00:10:37,282 --> 00:10:39,546

*<i>They may have gotten on one
of your landing craft.</i>*

142

00:10:39,752 --> 00:10:42,120

If they're down here sir, we'll find them.

143

00:10:42,355 --> 00:10:43,665

<i>Use caution.</i>

144

00:10:44,066 --> 00:10:46,191

<i>These Jedi are not to be underestimated.</i>

145

00:11:00,476 --> 00:11:02,770

Oh, no!

Get away! Get out of here!

146

00:11:03,178 --> 00:11:04,270

Get down!

147

00:11:15,126 --> 00:11:18,721

Was'n dat? Hey, wait!

148

00:11:18,896 --> 00:11:20,727

Oh, mooie mooie! I love you!

149

00:11:20,931 --> 00:11:23,027

You almost got us killed.

Are you brainless?

150

00:11:23,135 --> 00:11:24,207

I spake.

151

00:11:24,608 --> 00:11:26,932

The ability to speak does not
make you intelligent.

152

00:11:26,938 --> 00:11:27,849

Now, get out of here.

153

00:11:27,850 --> 00:11:29,840

No, no, Mesa stay.

154

00:11:29,942 --> 00:11:31,837

Mesa culled JarJar Binks.

155

00:11:31,838 --> 00:11:33,111

Mesa your humble servant.

156

00:11:33,112 --> 00:11:35,339

That won't be necessary.

Oh, but it 'tis.

157

00:11:35,348 --> 00:11:37,750

'Tis demanded by the gods, it 'tis.

158

00:11:38,352 --> 00:11:40,310

Oh, no!

Stay down!

159

00:11:48,796 --> 00:11:50,490

You saved my again.

160

00:11:50,498 --> 00:11:52,198

What's this?

A local.

161

00:11:52,700 --> 00:11:54,694

Let's get out of here before
more droids show up.

162

00:11:55,095 --> 00:11:56,132

More?

163

00:11:56,338 --> 00:11:57,768

More did you spake?

164

00:11:58,674 --> 00:12:00,465

Ex-squeeze-me,

165

00:12:00,466 --> 00:12:02,267

but de mostest safest place,

166

00:12:02,668 --> 00:12:03,944

would be Gunga City.

167

00:12:04,047 --> 00:12:05,277

Is where I grew up.

168

00:12:05,278 --> 00:12:06,678

'Tis a hidden city.

169

00:12:08,485 --> 00:12:09,686

A city?

170

00:12:10,688 --> 00:12:11,642

Can you take us there?

171

00:12:13,043 --> 00:12:14,752

On second thought, no.

172

00:12:14,792 --> 00:12:16,371

Not really, not, no.

173

00:12:16,372 --> 00:12:17,261

No?

174

00:12:17,396 --> 00:12:18,889

'Tis embarrassing,

175

00:12:19,631 --> 00:12:20,663

but...

176

00:12:21,364 --> 00:12:23,467

my afraid my've been banished.

177

00:12:23,702 --> 00:12:25,063

My forgotten.

178

00:12:25,064 --> 00:12:26,831

Da bosses would do terrible tings to me.

179

00:12:26,940 --> 00:12:30,034

Terrible tings to me if me goen back dare.

180

00:12:30,643 --> 00:12:31,898

You hear that?

181

00:12:32,299 --> 00:12:33,299

Yeah.

182

00:12:33,447 --> 00:12:36,713

That is the sound of a thousand
terrible things heading this way.

183

00:12:37,118 --> 00:12:38,601

If they find us,

184

00:12:38,802 --> 00:12:39,787

they will crush us,

185

00:12:39,788 --> 00:12:43,550

grind us into tiny pieces

and blast us into oblivion.

186

00:12:46,259 --> 00:12:48,519

Yousa point is well seen.

187

00:12:48,531 --> 00:12:50,397

This way. Hurry!

188

00:12:56,173 --> 00:12:57,462

How much further?

189

00:12:57,463 --> 00:12:59,472

Wesa goen underwater, okey day?

190

00:12:59,576 --> 00:13:01,076

My warning you.

191

00:13:01,177 --> 00:13:03,831

Gungans no liken outsiders, so...

192

00:13:04,132 --> 00:13:05,909

don't spect a warm welcome.

193

00:13:06,117 --> 00:13:06,949

Oh, don't worry.

194

00:13:06,950 --> 00:13:08,850

This hasn't been our day

for warm welcomes.

195

00:13:19,599 --> 00:13:22,033

Yousa follow me now, okeyday?

196

00:14:07,353 --> 00:14:10,054

So good bein home!

197

00:14:16,430 --> 00:14:18,498

Oh, me gusa. Hata hata.

198

00:14:26,873 --> 00:14:27,805

Hey, yousa?

199

00:14:27,842 --> 00:14:28,867

Stopa dare!

200

00:14:29,468 --> 00:14:32,170

Heyo dales, Cap'n Tarpals.

201

00:14:32,214 --> 00:14:33,314

Mesa back!

202

00:14:33,816 --> 00:14:36,752

Noah gain, JarJar.

Yousa goen tada bosses.

203

00:14:36,853 --> 00:14:39,015

Yousa in big dudu dis time.

204

00:14:45,227 --> 00:14:46,256

How wude.

205

00:14:55,605 --> 00:14:58,042

Yousa cannot bees hair.

206

00:14:58,043 --> 00:15:02,572

Dis army of Mackineeks

up dare is new weesong.

207

00:15:02,715 --> 00:15:05,918

A droid army is about to attack the Naboo.

208

00:15:06,519 --> 00:15:07,718

We must warn them.

209

00:15:07,721 --> 00:15:10,050

Wesa no like da Naboo.

210

00:15:11,458 --> 00:15:14,256

Da Naboo tink day so smarty.

211

00:15:14,361 --> 00:15:17,097

Day tink day brains so big.

212

00:15:17,399 --> 00:15:19,820

Once those droids take control
of the surface,

213

00:15:19,821 --> 00:15:21,429

they will take control of you.

214

00:15:21,636 --> 00:15:24,035

Mesa no tink so.

215

00:15:24,040 --> 00:15:26,641

Day not know of uss-en.

216

00:15:27,643 --> 00:15:29,912

You and the Naboo form
a symbiont circle.

217

00:15:30,312 --> 00:15:31,978

What happens to one of you
will affect the other.

218

00:15:31,979 --> 00:15:33,514

You must understand this.

219

00:15:33,650 --> 00:15:35,912

Wesa no care...

220

00:15:36,313 --> 00:15:38,151

about da Naboo.

221

00:15:38,555 --> 00:15:40,681

Then speed us on our way.

222

00:15:41,225 --> 00:15:43,716

Wesa ganna speed yous away.

223

00:15:43,861 --> 00:15:46,660

We could use a transport.

224

00:15:46,765 --> 00:15:49,632

Wesa give yousa una bongo.

225

00:15:50,135 --> 00:15:53,004

Da speediest way tooda Naboo,

226

00:15:53,005 --> 00:15:54,650

'tis goen through...

227

00:15:54,851 --> 00:15:57,439

the planet core.

228

00:15:57,744 --> 00:15:59,644

Now...

229

00:16:00,046 --> 00:16:01,177

Go.

230

00:16:01,681 --> 00:16:03,746

Thank you for your help.

We leave in peace.

231

00:16:04,951 --> 00:16:06,210

Master, what's a bongo?

232

00:16:06,353 --> 00:16:07,721

A transport, I hope.

233

00:16:08,356 --> 00:16:10,316

Deysa setten yousa up.

234

00:16:10,559 --> 00:16:12,360

Goen through da planet core?

235

00:16:12,661 --> 00:16:14,288

Bad bombing.

236

00:16:15,796 --> 00:16:17,595

Any help here would be hot.

237

00:16:19,802 --> 00:16:21,702

Master, we're short on time.

238

00:16:22,704 --> 00:16:25,333

We'll need a navigator

to get us through the planet's core.

239

00:16:25,541 --> 00:16:27,310

This Gungan may be of help.

240

00:16:29,613 --> 00:16:32,573

What is to become
of JarJar Binks here?

241

00:16:32,783 --> 00:16:36,921

Hisen soon to be pune-ished.

242

00:16:38,822 --> 00:16:40,052

I saved his life.

243

00:16:40,191 --> 00:16:42,660

He owes me what you call a life-debt.

244

00:16:43,495 --> 00:16:46,563

Your gods demand that his life
belongs to me now.

245

00:16:46,766 --> 00:16:48,933

Binks...

246

00:16:49,236 --> 00:16:53,131

yousa havena liveplay with thisen hisen?

247

00:16:59,914 --> 00:17:01,645

Begone wit him!

248

00:17:04,419 --> 00:17:06,820

Count me outta dis one.

249

00:17:06,922 --> 00:17:08,322

Better dead here,

250

00:17:08,323 --> 00:17:09,850

than dead in da core.

251

00:17:10,159 --> 00:17:12,623

Yee gods! What mesa sayin?

252

00:17:31,650 --> 00:17:32,885

Dis is nutsen.

253

00:17:33,886 --> 00:17:34,552

Gooberfish!

254

00:17:34,553 --> 00:17:36,113

Why were you banished, JarJar?

255

00:17:36,114 --> 00:17:37,990

It's a longo tale-o, but a...

256

00:17:38,091 --> 00:17:40,003

a small part of it would be...

257

00:17:40,004 --> 00:17:41,202

mesa...

258

00:17:41,803 --> 00:17:42,887

clumsy.

259

00:17:42,995 --> 00:17:45,062

You were banished because

you were clumsy?

260

00:17:46,063 --> 00:17:47,697

Yousa might'n be sayin dat.

261

00:18:00,749 --> 00:18:04,781

Mesa caused mabbe one,
two-y lettlet bitty axadentes?

262

00:18:05,054 --> 00:18:07,248

Yud-say, boom da gassar,

263

00:18:07,257 --> 00:18:10,055

den crashin der boss's heyblibber,
den banished.

264

00:18:17,301 --> 00:18:19,401

Big gooberfish! Huge-o teeth!

265

00:18:30,216 --> 00:18:32,103

There's always a bigger fish.

266

00:18:32,804 --> 00:18:34,512

Mesa tink we goen back now.

267

00:18:45,666 --> 00:18:48,898

The invasion is on schedule,
my lord.

268

00:18:49,004 --> 00:18:51,896

*<i>I have the senate bogged down
in procedures.</i>*

269

00:18:52,107 --> 00:18:56,468

*<i>They will have no choice but to accept
your control of the system.</i>*

270

00:18:56,679 --> 00:19:00,813

The queen has great faith
that the senate will side with her.

271

00:19:01,518 --> 00:19:04,310

<i>Queen Amidala is young and naive.</i>

272

00:19:04,621 --> 00:19:08,079

<i>You will find controlling her
will not be difficult.</i>

273

00:19:08,292 --> 00:19:09,593

Yes, my lord.

274

00:19:11,529 --> 00:19:14,196

You didn't tell him
about the missing Jedi.

275

00:19:14,499 --> 00:19:18,828

No need to report that to him
until we have something to report.

276

00:19:23,509 --> 00:19:24,868

Where wesa goin?

277

00:19:24,869 --> 00:19:26,876

Don't worry.
The Force will guide us.

278

00:19:28,214 --> 00:19:30,178

Maxi big da Force.

279

00:19:31,117 --> 00:19:33,116

Well, dat smells stinkowiff.

280

00:19:34,521 --> 00:19:35,621

We're losing power.

281

00:19:35,623 --> 00:19:36,784

No!

282

00:19:42,831 --> 00:19:45,061

Wesa dyin' here.

283

00:19:45,167 --> 00:19:47,007

Just relax. We're not in trouble yet.

284

00:19:47,008 --> 00:19:47,863

What yet?

285

00:19:48,270 --> 00:19:49,673

Monsters out dare.

286

00:19:49,674 --> 00:19:51,063

Leak'n in here.

287

00:19:51,074 --> 00:19:53,104

All sink'n and no power?

288

00:19:53,405 --> 00:19:55,912

Whena yousa tinkin wesa in trouble?

289

00:19:57,514 --> 00:19:58,646

Power's back.

290

00:19:59,950 --> 00:20:02,009

Monster's back!

291

00:20:10,060 --> 00:20:11,060

Relax.

292

00:20:11,829 --> 00:20:13,030

You overdid it.

293

00:20:28,282 --> 00:20:29,355

Horrible.

294

00:20:29,656 --> 00:20:31,080

Head for that outcropping.

295

00:20:32,585 --> 00:20:33,577

Boy.

296

00:21:09,428 --> 00:21:11,187

Viceroy, we have captured the queen.

297

00:21:12,831 --> 00:21:13,894

Victory.

298

00:21:27,648 --> 00:21:28,841

Dis'n lovely.

299

00:21:35,824 --> 00:21:38,392

How will you explain
this invasion to the senate?

300

00:21:38,495 --> 00:21:40,327

The queen and I will sign a treaty

301

00:21:40,328 --> 00:21:42,393

that will legitimize our occupation here.

302

00:21:42,933 --> 00:21:45,662

I have assurances

it will be ratified by the senate.

303

00:21:45,703 --> 00:21:47,646

I will not cooperate.

304

00:21:47,647 --> 00:21:49,161

Now, now, Your Highness.

305

00:21:49,807 --> 00:21:53,738

In time, the suffering of your people will
persuade you to see our point of view.

306

00:21:54,780 --> 00:21:56,614

Commander.

Yes, sir.

307

00:21:56,816 --> 00:21:58,253

Process them.

308

00:21:58,754 --> 00:22:00,644

Captain, take them to Camp 4.

309

00:22:00,754 --> 00:22:01,754

Roger. Roger.

310

00:22:57,850 --> 00:22:58,967

We should leave the street,

Your Highness.

311

00:22:59,968 --> 00:23:01,043

Get their weapons.

312

00:23:02,854 --> 00:23:04,613

Yousa guys bombad!

313

00:23:07,194 --> 00:23:09,194

We're ambassadors

for the supreme Chancellor.

314

00:23:09,197 --> 00:23:11,209

Your negotiations seemed
to have failed, Ambassador.

315

00:23:11,233 --> 00:23:13,064

The negotiations never took place.

316

00:23:13,668 --> 00:23:15,868

It's urgent that we make contact
with the Republic.

317

00:23:15,971 --> 00:23:17,654

They've knocked out
all our communications.

318

00:23:18,055 --> 00:23:19,408

Do you have transports?

319

00:23:19,509 --> 00:23:20,909

In the main hangar.

This way.

320

00:23:26,817 --> 00:23:27,912

There are too many of them.

321

00:23:28,313 --> 00:23:29,511

That won't be a problem.

322

00:23:29,720 --> 00:23:31,251

Your Highness, under the circumstances,

323

00:23:31,252 --> 00:23:33,081

I suggest you come to Coruscant with us.

324

00:23:33,490 --> 00:23:34,689

Thank you, Ambassador,

325

00:23:34,690 --> 00:23:36,385

but my place is with my people.

326

00:23:36,495 --> 00:23:37,733

They will kill you if you stay.

327

00:23:38,034 --> 00:23:39,057

They wouldn't dare.

328

00:23:39,064 --> 00:23:42,048

They need her to sign a treaty
to make this invasion legal.

329

00:23:42,049 --> 00:23:42,831

They can't afford to kill her.

330

00:23:42,935 --> 00:23:45,095

There is something else behind all this,
Your Highness.

331

00:23:45,171 --> 00:23:47,139

There's no logic
in the Federation's move here.

332

00:23:47,340 --> 00:23:49,332

My feelings tell me they will destroy you.

333

00:23:49,343 --> 00:23:52,043

Our only hope is for
the senate to side with us.

334

00:23:52,245 --> 00:23:54,436

Senator Palpatine will need your help.

335

00:23:54,948 --> 00:23:57,251

Either choice presents great danger...

336

00:23:57,652 --> 00:23:58,808

to us all.

337

00:23:58,953 --> 00:24:00,453

We are brave, Your Highness.

338

00:24:00,555 --> 00:24:02,061

If you are to leave, Your Highness,

339

00:24:02,262 --> 00:24:03,420

it must be now.

340

00:24:04,825 --> 00:24:06,694

Then I will plead our case to the senate.

341

00:24:07,795 --> 00:24:08,925

Be careful, Governor.

342

00:24:18,141 --> 00:24:20,139

We'll need to free those pilots.

343

00:24:21,446 --> 00:24:23,046

I'll deal with that.

344

00:24:26,851 --> 00:24:27,910

Halt!

345

00:24:27,911 --> 00:24:29,820

I'm ambassador to
the supreme Chancellor.

346

00:24:29,821 --> 00:24:31,489

I'm taking these people to Coruscant.

347

00:24:31,723 --> 00:24:33,547

Where are you taking them?

348

00:24:33,848 --> 00:24:34,854

To Coruscant.

349

00:24:35,160 --> 00:24:37,589

Coruscant?

That doesn't compute.

350

00:24:37,997 --> 00:24:39,931

Wait. You're under arrest.

351

00:24:44,939 --> 00:24:46,437

Come on. Move!

352

00:24:51,546 --> 00:24:52,174

Go!

353

00:25:18,676 --> 00:25:21,375

Now, stay here and keep out of trouble.

354

00:25:25,151 --> 00:25:27,179

Hello, boyos.

355

00:25:34,693 --> 00:25:35,885

There's the blockade.

356

00:25:46,272 --> 00:25:47,504

The shield generator's been hit!

357

00:25:55,852 --> 00:25:57,144

How wude!

358

00:26:07,498 --> 00:26:09,090

We're losing droids fast.

359

00:26:09,233 --> 00:26:12,533

If we can't get the shield generator
fixed, we'll be sitting ducks.

360

00:26:14,706 --> 00:26:18,803

The shields are gone.

361

00:26:22,648 --> 00:26:25,379

The power's back!

362

00:26:28,188 --> 00:26:31,680

That little droid did it.

He bypassed the main power drive.

363

00:26:31,792 --> 00:26:34,353

Deflector shields up at maximum.

364

00:26:43,973 --> 00:26:47,704

There's not enough power to get us
to Coruscant. The hyperdrive is leaking.

365

00:26:47,810 --> 00:26:50,712

We'll have to land somewhere
to refuel and repair the ship.

366

00:26:50,814 --> 00:26:53,009

Here, Master. Tatooine.

367

00:26:53,116 --> 00:26:56,678

Small, out of the way, poor. The Trade
Federation have no presence there.

368

00:26:56,787 --> 00:26:58,652

How can you be sure?

369

00:26:58,756 --> 00:27:00,690

It's controlled by the Hutts.

370

00:27:00,791 --> 00:27:03,624

You can't take Her Royal Highness there.

The Hutts are gangsters.

371

00:27:03,728 --> 00:27:06,107

If they discovered her...

It'd be no different than if we landed...

372

00:27:06,131 --> 00:27:08,031

on a system controlled

by the Federation,

373

00:27:08,133 --> 00:27:12,468

except that the Hutts aren't looking

for her, which gives us the advantage.

374

00:27:16,976 --> 00:27:19,969

And Queen Amidala,
has she signed the treaty?

375

00:27:20,114 --> 00:27:23,743

She has disappeared, my lord.

376

00:27:23,851 --> 00:27:28,050

One Naboo cruiser got past the blockade.

377

00:27:28,156 --> 00:27:31,091

I want that treaty signed.

378

00:27:31,192 --> 00:27:33,217

My lord,

379

00:27:33,328 --> 00:27:35,923

it's impossible to locate the ship.

380

00:27:36,032 --> 00:27:38,227

It's out of our range.

381

00:27:38,334 --> 00:27:41,098

Not for a Sith.

382

00:27:41,203 --> 00:27:43,104

This is my apprentice,

383

00:27:43,206 --> 00:27:45,106

Darth Maul.

384

00:27:46,443 --> 00:27:49,742

He will find your lost ship.

385

00:27:54,118 --> 00:27:56,416

This is getting out of hand.

386

00:27:56,521 --> 00:27:58,581

Now there are two of them.

387

00:27:58,691 --> 00:28:01,717

We should not have made this bargain.

388

00:28:06,967 --> 00:28:10,528

An extremely well-put-together
little droid, Your Highness.

389

00:28:10,637 --> 00:28:13,538

Without a doubt, it saved the ship,
as well as our lives.

390

00:28:13,640 --> 00:28:16,974

It is to be commended.
What is its number?

391

00:28:19,647 --> 00:28:21,775

R2-D2, Your Highness.

392

00:28:21,917 --> 00:28:27,014

Thank you, R2-D2.

393

00:28:27,155 --> 00:28:29,989

Padme.

394

00:28:30,093 --> 00:28:32,254

Clean this droid up as best you can.

395

00:28:32,362 --> 00:28:34,330

It deserves our gratitude.

396

00:28:36,099 --> 00:28:38,625

Continue, Captain.

397

00:28:39,737 --> 00:28:42,137

Your Highness, with your permission,

398

00:28:42,239 --> 00:28:45,300

we're heading for a remote planet
called Tatooine.

399

00:28:45,410 --> 00:28:48,777

It's in a system far beyond the reach
of the Trade Federation.

400

00:28:48,880 --> 00:28:51,508

I do not agree with the Jedi on this.

401

00:28:51,616 --> 00:28:54,518

You must trust my judgment,
Your Highness.

402

00:28:57,957 --> 00:28:59,686

Hello.

403

00:28:59,792 --> 00:29:02,762

Sorry. Husa are yousa?

404

00:29:02,896 --> 00:29:05,364

I'm Padme.

405

00:29:06,665 --> 00:29:07,892

Mesa JarJar Binks.

406

00:29:09,503 --> 00:29:10,728

You're a Gungan, aren't you?

407

00:29:12,874 --> 00:29:14,684

How'd you end up here with us?

408

00:29:15,185 --> 00:29:16,670

My no know.

409

00:29:16,778 --> 00:29:20,375

Mesa day starten pittty okeyday
witda brisky morning munchen.

410

00:29:20,382 --> 00:29:21,963

Den boom!

411

00:29:21,964 --> 00:29:23,180

Getten berry scared,

412

00:29:23,285 --> 00:29:25,433

and grabben dat Jedi and pow...

413

00:29:25,834 --> 00:29:26,887

mesa here.

414

00:29:27,923 --> 00:29:30,185

Mesa getten berry, berry scared.

415

00:29:37,000 --> 00:29:37,863

That's it.

416

00:29:38,164 --> 00:29:38,900

Tatooine.

417

00:29:39,301 --> 00:29:40,204

There's a settlement.

418

00:29:40,205 --> 00:29:41,703

Land near the outskirts.

419

00:29:41,804 --> 00:29:43,601

We don't want to attract attention.

420

00:30:01,395 --> 00:30:04,298

The hyperdrive generator's gone, Master.

We'll need a new one.

421

00:30:04,299 --> 00:30:06,042

That'll complicate things.

422

00:30:06,143 --> 00:30:07,067

Be wary.

423

00:30:07,301 --> 00:30:08,969

I sense a disturbance in the Force.

424

00:30:08,970 --> 00:30:10,129

I feel it also, Master.

425

00:30:10,138 --> 00:30:12,172

Don't let them send any transmissions.

426

00:30:18,247 --> 00:30:20,682

This sun doen murder to mesa skin.

427

00:30:20,784 --> 00:30:21,575

Wait!

428

00:30:23,386 --> 00:30:24,286

Wait.

429

00:30:28,226 --> 00:30:31,093

Her Highness commands you

to take her handmaiden with you.

430

00:30:31,695 --> 00:30:34,030

No more commands from
Her Highness today, Captain.

431

00:30:35,367 --> 00:30:37,426

The spaceport is not going
to be pleasant.

432

00:30:37,669 --> 00:30:39,362

The queen wishes it.

433

00:30:39,605 --> 00:30:41,339

She's curious about the planet.

434

00:30:44,142 --> 00:30:45,367

This is not a good idea.

435

00:30:45,478 --> 00:30:46,678

Stay close to me.

436

00:31:00,962 --> 00:31:03,195

Moisture farms, for the most part.

437

00:31:05,066 --> 00:31:06,483

Some indigenous tribes,

438

00:31:06,484 --> 00:31:07,898

and scavengers.

439

00:31:08,938 --> 00:31:11,146

The few spaceports

like this one are havens

440

00:31:11,147 --> 00:31:12,973

for those that don't wish to be found.

441

00:31:13,377 --> 00:31:14,477

Like us.

442

00:31:16,613 --> 00:31:19,107

Dissen berry berry bad.

443

00:31:21,216 --> 00:31:22,414

Icky icky goo!

444

00:31:35,501 --> 00:31:37,233

We'll try one of the smaller dealers.

445

00:31:43,710 --> 00:31:45,844

Good day to you.

446

00:31:47,148 --> 00:31:48,811

What do you want?

447

00:31:49,016 --> 00:31:51,746

I need parts for a J-type 327 Nubian.

448

00:31:51,853 --> 00:31:54,352

Ah yes! Nubian.

449

00:31:54,353 --> 00:31:55,915

We have lots of that.

450

00:31:56,024 --> 00:31:58,492

Boy, get in here now!

451

00:31:58,594 --> 00:32:00,927

My droid has a readout of what I need.

452

00:32:03,132 --> 00:32:04,932

What took you so long?

453

00:32:05,634 --> 00:32:07,298

I was cleaning the fan switches.

454

00:32:07,299 --> 00:32:09,634

Watch the store.

I've got some selling to do.

455

00:32:09,640 --> 00:32:11,261

So...

456

00:32:12,162 --> 00:32:13,603

Let me take thee out back?

457

00:32:13,744 --> 00:32:15,613

Ni you'll find what you need.

458

00:32:17,415 --> 00:32:19,481

Don't touch anything.

459

00:32:29,661 --> 00:32:31,061

Are you an angel?

460

00:32:31,962 --> 00:32:32,962

What?

461

00:32:33,166 --> 00:32:34,144

An angel.

462

00:32:34,145 --> 00:32:36,697

I heard the deep space pilots
talk about them.

463

00:32:36,703 --> 00:32:39,705

They're the most beautiful
creatures in the universe.

464

00:32:40,007 --> 00:32:42,567

They live on the moons of Yego, I think.

465

00:32:42,677 --> 00:32:44,543

You're a funny little boy.

466

00:32:44,846 --> 00:32:46,547

How do you know so much?

467

00:32:46,849 --> 00:32:48,641

I listen to all the traders,

468

00:32:48,642 --> 00:32:50,751

and star pilots who come through here.

469

00:32:50,853 --> 00:32:52,135

I'm a pilot you know,

470

00:32:52,136 --> 00:32:55,188

and someday I'm gonna

fly away from this place.

471

00:32:55,292 --> 00:32:56,583

You're a pilot?

472

00:32:57,584 --> 00:32:59,051

All my life.

473

00:32:59,862 --> 00:33:01,194

How long have you been here?

474

00:33:01,798 --> 00:33:03,417

Since I was very little.

475

00:33:03,418 --> 00:33:04,858

Three, I think.

476

00:33:05,870 --> 00:33:08,600

My mom and I were sold

to Gardulla the Hutt,

477

00:33:08,806 --> 00:33:11,537

but she lost us betting on the Podraces.

478

00:33:12,043 --> 00:33:13,174

You're a slave?

479

00:33:13,478 --> 00:33:16,556

I'm a person and my name is Anakin.

480

00:33:17,157 --> 00:33:18,243

I'm sorry.

481

00:33:18,650 --> 00:33:21,681

I don't fully understand.

This is a strange place to me.

482

00:33:24,957 --> 00:33:27,794

Where... Wheres yousa goin?

483

00:33:32,466 --> 00:33:33,562

I got ya.

484

00:33:34,063 --> 00:33:34,993

Hey!

485

00:33:35,603 --> 00:33:37,266

What?

Hit the nose.

486

00:33:42,011 --> 00:33:44,442

A T-14 hyperdrive generator.

487

00:33:44,443 --> 00:33:45,572

Thee in luck.

488

00:33:45,681 --> 00:33:48,109

I'm the only one hereabouts who has one.

489

00:33:48,110 --> 00:33:50,675

But, thee might as well buy a new ship.

490

00:33:50,676 --> 00:33:52,354

It would be cheaper, I think?

491

00:33:53,655 --> 00:33:54,990

Saying of which,

492

00:33:55,125 --> 00:33:57,226

how's thee gonna pay for all this?

493

00:33:57,628 --> 00:33:59,687

I have 20,000 Republic dataries.

494

00:34:00,031 --> 00:34:01,262

Republic credits?

495

00:34:01,766 --> 00:34:04,736

Republic credits are no good out here.

I need something more real.

496

00:34:04,937 --> 00:34:07,965

I don't have anything else,

but credits will do fine.

497

00:34:08,073 --> 00:34:09,506

No, they won't.

498

00:34:10,107 --> 00:34:11,302

Credits will do fine.

499

00:34:11,810 --> 00:34:13,642

No, they won't!

500

00:34:13,747 --> 00:34:15,978

What, you think you're some kind of Jedi,

501

00:34:15,979 --> 00:34:17,645

waving your hand around like that?

502

00:34:18,051 --> 00:34:19,501

I'm a Toydarian.

503

00:34:19,502 --> 00:34:22,318

Mind tricks don't work on me.

Only money.

504

00:34:22,923 --> 00:34:25,753

No money, no parts, no deal.

505

00:34:26,660 --> 00:34:30,989

And no one else has a T-14 hyperdrive,

I promise you that.

506

00:34:38,107 --> 00:34:41,838

Wouldn't have lasted long anyways if
I wasn't so good at building things.

507

00:34:46,115 --> 00:34:47,114

We're leaving.

508

00:34:47,315 --> 00:34:48,315

JarJar.

509

00:34:50,587 --> 00:34:52,748

I'm glad to have met you, Anakin.

510

00:34:53,458 --> 00:34:55,289

I was glad to meet you too.

511

00:34:57,228 --> 00:34:58,621

What? Wha...

512

00:35:03,736 --> 00:35:04,726

Outlanders.

513

00:35:05,127 --> 00:35:08,171

They think we know nothing.

514

00:35:08,175 --> 00:35:10,109

They seemed nice to me.

515

00:35:10,410 --> 00:35:11,844

Clean the racks.

516

00:35:12,245 --> 00:35:13,473

Then you can go home.

517

00:35:13,580 --> 00:35:14,615

Yippee!

518

00:35:21,522 --> 00:35:23,857

*<i>And you're sure
there is nothing left on board?</i>*

519

00:35:24,059 --> 00:35:25,959

A few containers of supplies.

520

00:35:26,261 --> 00:35:27,736

The queen's wardrobe, maybe,

521

00:35:27,737 --> 00:35:29,621

but, not enough for you to barter with,

522

00:35:29,931 --> 00:35:31,664

not in the amount you're talking about.

523

00:35:31,768 --> 00:35:34,202

Alright. I'm sure another
solution will present itself.

524

00:35:34,537 --> 00:35:35,937

I'll check back later.

525

00:35:37,139 --> 00:35:38,806

Noah gain! Noah gain.

526

00:35:38,809 --> 00:35:41,676

Da beings hereabouts, cawazy!

527

00:35:42,079 --> 00:35:44,347

Wesa be wobbed un crunched!

528

00:35:44,481 --> 00:35:47,145

Not likely. We have nothing
of value, that's our problem.

529

00:35:58,628 --> 00:35:59,564

Mooie. Mooie.

530

00:36:02,266 --> 00:36:04,103

Hey, hey!

Are you going to pay for that?

531

00:36:05,404 --> 00:36:06,301

Wanga?

532

00:36:06,406 --> 00:36:08,271

It costs seven wupiupi.

533

00:36:11,146 --> 00:36:12,771

Chubaa.

534

00:36:19,421 --> 00:36:21,312

Is this yours?

535

00:36:21,423 --> 00:36:22,484

Who, mesa...

536

00:36:27,030 --> 00:36:29,257

Careful, Sebulba.

537

00:36:29,266 --> 00:36:31,227

He's a big-time outlander.

538

00:36:31,535 --> 00:36:34,672

I'd hate to see you diced

before we race again.

539

00:36:35,072 --> 00:36:38,235

Next time we race, boy,

it will be the end of you.

540

00:36:38,342 --> 00:36:42,043

If you weren't a slave,
I'd squash you now.

541

00:36:42,681 --> 00:36:44,973

Yeah, it'd be a pity
if you had to pay for me.

542

00:36:47,418 --> 00:36:48,298

Hi.

543

00:36:48,299 --> 00:36:49,382

Hi there.

544

00:36:49,789 --> 00:36:52,522

Your buddy here was about
to be turned into orange goo.

545

00:36:52,726 --> 00:36:54,258

He picked a fight with a Dug,

546

00:36:54,259 --> 00:36:56,629

an especially dangerous Dug

called Sebulba.

547

00:36:56,830 --> 00:36:58,465

Mesa haten crunchen.

548

00:36:58,466 --> 00:37:00,425

Das da las ting mesa want.

549

00:37:00,734 --> 00:37:02,448

Nevertheless, the boy is right.

550

00:37:02,449 --> 00:37:03,728

You were heading into trouble.

551

00:37:05,339 --> 00:37:06,539

Thanks, my young friend.

552

00:37:07,441 --> 00:37:08,600

But...

But...

553

00:37:08,810 --> 00:37:10,444

But mesa doen nutten!

554

00:37:19,256 --> 00:37:21,116

This storm will slow them down.

555

00:37:21,958 --> 00:37:23,088

Looks pretty bad.

556

00:37:25,195 --> 00:37:25,882

Panaka.

557

00:37:25,883 --> 00:37:27,156

<i>Receiving a message from home.</i>

558

00:37:27,157 --> 00:37:28,160

We'll be right there.

559

00:37:35,407 --> 00:37:37,368

Here, you'll like these pallies.

560

00:37:37,676 --> 00:37:38,747

Here.

561

00:37:39,348 --> 00:37:40,370

Thank you.

562

00:37:42,147 --> 00:37:43,346

My bones are aching.

563

00:37:43,850 --> 00:37:46,240

Storm's coming up, Ani.

564

00:37:46,241 --> 00:37:47,812

You better get home quick.

565

00:37:48,555 --> 00:37:49,962

Do you have shelter?

566

00:37:49,963 --> 00:37:51,423

We'll head back to our ship.

567

00:37:51,625 --> 00:37:52,909

Is it far?

568

00:37:52,910 --> 00:37:54,219

It's on the outskirts.

569

00:37:54,762 --> 00:37:56,962

You'll never reach the outskirts in time.

570

00:37:57,064 --> 00:38:00,533

Sandstorms are very, very dangerous.

571

00:38:00,736 --> 00:38:03,027

Come on.

I'll take you to my place.

572

00:38:18,420 --> 00:38:19,220

Mom!

573

00:38:19,223 --> 00:38:20,733

Mom, I'm home!

574

00:38:21,734 --> 00:38:22,855

Dissen cozy.

575

00:38:23,094 --> 00:38:24,523

These are my friends, Mom.

576

00:38:24,924 --> 00:38:25,894

Hello.

577

00:38:25,997 --> 00:38:26,921

I'm Qui-Gon Jinn.

578

00:38:27,222 --> 00:38:29,225

I'm building a droid.

You wanna see?

579

00:38:29,268 --> 00:38:31,668

Your son was kind enough

to offer us shelter.

580

00:38:31,971 --> 00:38:33,753

Come on. I'll show you 3PO.

581

00:38:33,754 --> 00:38:34,729

Oh, mooie.

582

00:38:43,316 --> 00:38:44,803

Isn't he great?

583

00:38:44,804 --> 00:38:46,382

He's not finished yet.

584

00:38:46,787 --> 00:38:48,287

He's wonderful.

585

00:38:49,589 --> 00:38:51,056

You really like him?

586

00:38:51,259 --> 00:38:53,597

He's a protocol droid to help Mom.

587

00:38:53,598 --> 00:38:54,395

Watch.

588

00:38:59,098 --> 00:39:00,264

Where is everybody?

589

00:39:04,373 --> 00:39:05,934

He... Hello.

590

00:39:06,042 --> 00:39:09,176

I am C-3PO, human cyborg relations.

591

00:39:09,480 --> 00:39:10,880

How might I serve you?

592

00:39:10,882 --> 00:39:11,853

He's perfect.

593

00:39:12,954 --> 00:39:14,411

Perfect.

When the storm is over,

594

00:39:14,412 --> 00:39:15,954

I'll show you my racer.

595

00:39:15,955 --> 00:39:17,513

I'm building a Podracer.

596

00:39:19,223 --> 00:39:21,957

I'm not sure this floor is entirely stable.

597

00:39:22,260 --> 00:39:24,958

Hello. I don't believe

we have been introduced.

598

00:39:26,766 --> 00:39:29,030

R2-D2. A pleasure to meet you.

599

00:39:29,368 --> 00:39:32,395

I am C-3PO, human cyborg relations.

600

00:39:35,275 --> 00:39:38,372

I beg your pardon,

but what do you mean, naked?

601

00:39:39,748 --> 00:39:41,504

My parts are showing?

602

00:39:41,705 --> 00:39:42,713

My goodness!

603

00:39:47,790 --> 00:39:50,058

<i>The death toll is catastrophic.</i>

604

00:39:50,159 --> 00:39:52,659

<i>We must bow to their wishes.</i>

605

00:39:52,661 --> 00:39:54,721

<i>You must contact me.</i>

606

00:39:54,831 --> 00:39:57,527

It's a trick. Send no reply.

607

00:39:57,734 --> 00:39:59,461

Send no transmissions of any kind.

608

00:40:01,904 --> 00:40:04,932

It sounds like bait to establish
a connection trace.

609

00:40:04,976 --> 00:40:06,622

What if it is true,

610

00:40:06,923 --> 00:40:08,612

and the people are dying?

611

00:40:09,046 --> 00:40:11,515

Either way, we're running out of time.

612

00:40:25,131 --> 00:40:27,293

Tatooine is sparsely populated.

613

00:40:27,401 --> 00:40:30,199

If the trace was correct,

I will find them quickly, Master.

614

00:40:30,304 --> 00:40:32,204

Move against the Jedi first.

615

00:40:32,306 --> 00:40:34,354

You will then have no difficulty
in taking the queen

616

00:40:34,355 --> 00:40:36,777

to Naboo to sign the treaty.

617

00:40:37,179 --> 00:40:39,340

At last we will reveal
ourselves to the Jedi.

618

00:40:39,481 --> 00:40:41,716

At last we will have revenge.

619

00:40:42,018 --> 00:40:44,919

You have been well-trained,
my young apprentice.

620

00:40:45,321 --> 00:40:47,121

They will be no match for you.

621

00:40:52,262 --> 00:40:56,023

All slaves have a transmitter
placed inside their bodies somewhere.

622

00:40:57,535 --> 00:41:00,361

I've been working on a scanner
to try and locate mine.

623

00:41:00,472 --> 00:41:03,864

Any attempt to escape...

And they blow you up!

624

00:41:04,875 --> 00:41:05,910

How wude!

625

00:41:06,712 --> 00:41:09,146

I can't believe there is

still slavery in the galaxy.

626

00:41:09,281 --> 00:41:11,181

The Republic's antislavery laws...

627

00:41:11,283 --> 00:41:13,216

The Republic doesn't exist out here.

628

00:41:13,720 --> 00:41:15,446

We must survive on our own.

629

00:41:17,390 --> 00:41:18,318

Xcuse me.

630

00:41:20,426 --> 00:41:22,663

Has anybody ever seen a Podrace?

631

00:41:23,164 --> 00:41:25,132

They have Podracing on Malastare.

632

00:41:25,133 --> 00:41:27,060

Very fast, very dangerous.

633

00:41:27,868 --> 00:41:30,229

I'm the only human who can do it.

634

00:41:30,539 --> 00:41:33,102

You must have Jedi reflexes

if you race pods.

635

00:41:34,909 --> 00:41:36,074

Don't do that again.

636

00:41:41,551 --> 00:41:43,612

You're a Jedi knight, aren't you?

637

00:41:46,890 --> 00:41:48,358

What makes you think that?

638

00:41:48,700 --> 00:41:50,095

I saw your laser sword.

639

00:41:50,096 --> 00:41:52,667

Only Jedis carry that kind of weapon.

640

00:41:53,131 --> 00:41:55,632

Perhaps I killed a Jedi
and took it from him.

641

00:41:56,934 --> 00:41:58,034

I don't think so.

642

00:41:58,103 --> 00:41:59,965

No one can kill a Jedi.

643

00:42:00,773 --> 00:42:02,271

I wish that were so.

644

00:42:03,275 --> 00:42:05,334

I had a dream I was a Jedi.

645

00:42:05,644 --> 00:42:07,908

I came back here and freed all the slaves.

646

00:42:08,715 --> 00:42:10,287

Have you come to free us?

647

00:42:10,288 --> 00:42:11,582

No, I'm afraid not.

648

00:42:12,185 --> 00:42:13,723

I think you have.

649

00:42:13,724 --> 00:42:15,620

Why else would you be here?

650

00:42:21,429 --> 00:42:23,594

I can see there is no fooling you, Anakin.

651

00:42:24,299 --> 00:42:27,325

We're on our way to Coruscant,
the central system in the Republic,

652

00:42:27,436 --> 00:42:29,161

on a very important mission.

653

00:42:29,571 --> 00:42:32,298

How did you end up out here
in the outer rim?

654

00:42:32,709 --> 00:42:36,138

Our ship was damaged and we're stranded
here until we can repair it.

655

00:42:37,446 --> 00:42:38,674

I can help.

656

00:42:38,883 --> 00:42:40,314

I can fix anything.

657

00:42:41,315 --> 00:42:42,549

I believe you can.

658

00:42:42,853 --> 00:42:45,186

But first we must acquire
the parts we need.

659

00:42:45,489 --> 00:42:47,720

Wit no-nutten mula to trade.

660

00:42:48,360 --> 00:42:51,452

These junk dealers must have
a weakness of some kind.

661

00:42:51,997 --> 00:42:53,293

Gambling.

662

00:42:53,294 --> 00:42:56,335

Everything here revolves around
betting on those awful races.

663

00:42:56,569 --> 00:42:57,761

Podracing.

664

00:42:58,462 --> 00:43:00,467

Greed can be a powerful ally.

665

00:43:00,873 --> 00:43:02,119

I built a racer.

666

00:43:02,120 --> 00:43:03,741

It's the fastest ever.

667

00:43:03,844 --> 00:43:06,335

There's a big race tomorrow
on Boonta Eve.

668

00:43:06,447 --> 00:43:07,779

You could enter my pod.

669

00:43:07,780 --> 00:43:09,041

Anakin!

670

00:43:09,149 --> 00:43:10,966

Watto won't let you.

671

00:43:10,967 --> 00:43:12,210

Watto doesn't know I've built it.

672

00:43:12,320 --> 00:43:14,320

You could make him think it was yours,

673

00:43:14,622 --> 00:43:16,586

and get him to let me pilot it for you.

674

00:43:16,601 --> 00:43:18,222

I don't want you to race.

It's awful.

675

00:43:18,313 --> 00:43:20,390

I die every time Watto makes you do it.

676

00:43:21,030 --> 00:43:22,757

But Mom, I love it.

677

00:43:23,699 --> 00:43:26,827

The prize money would more

than pay for the parts they need.

678

00:43:27,670 --> 00:43:28,568

Anakin.

679

00:43:29,372 --> 00:43:30,870

Your mother's right.

680

00:43:32,275 --> 00:43:35,370

Is there anyone friendly to the Republic
who can help us?

681

00:43:36,681 --> 00:43:37,746

No.

682

00:43:43,589 --> 00:43:47,919

Mom, you say the biggest problem in this
universe is nobody helps each other.

683

00:43:53,132 --> 00:43:55,763

I'm sure Qui-Gon doesn't want
to put your son in danger.

684

00:43:56,102 --> 00:43:57,503

We'll find some other way.

685

00:43:59,205 --> 00:44:00,205

No.

686

00:44:00,474 --> 00:44:02,042

There is no other way.

687

00:44:03,043 --> 00:44:05,515

I may not like it but...

688

00:44:05,716 --> 00:44:06,913

he can help you.

689

00:44:07,616 --> 00:44:09,876

He was meant to help you.

690

00:44:23,667 --> 00:44:25,267

Are you sure about this?

691

00:44:25,669 --> 00:44:28,132

Trusting our fate

to a boy we hardly know?

692

00:44:28,473 --> 00:44:30,264

The queen will not approve.

693

00:44:30,608 --> 00:44:32,143

The queen doesn't need to know.

694

00:44:33,645 --> 00:44:34,738

Well, I don't know.

695

00:44:36,381 --> 00:44:38,944

The boy tells me you want
to sponsor him in the race.

696

00:44:39,151 --> 00:44:40,401

How can you do this?

697

00:44:40,902 --> 00:44:43,380

Not on the Republic credits, I think?

698

00:44:43,791 --> 00:44:45,552

My ship will be the entry fee.

699

00:44:46,560 --> 00:44:48,653

Oh, not bad!

700

00:44:48,762 --> 00:44:50,249

Not bad?

701

00:44:50,250 --> 00:44:51,455

A Nubian?

702

00:44:51,866 --> 00:44:54,765

It's in good order,

except for the parts I need.

703

00:44:55,069 --> 00:44:56,494

What would the boy ride?

704

00:44:56,695 --> 00:44:58,849

He smashed up my pod in the last race.

705

00:44:59,150 --> 00:45:01,367

It will take some long time to fix it.

706

00:45:01,610 --> 00:45:03,893

It wasn't my fault, really.

707

00:45:03,894 --> 00:45:05,706

Sebulba flashed me with his vents.

708

00:45:06,148 --> 00:45:08,453

I actually saved the pod,

709

00:45:08,454 --> 00:45:09,516

mostly.

710

00:45:10,419 --> 00:45:11,777

That you did.

711

00:45:12,922 --> 00:45:15,756

The boy's good.

No doubts there?

712

00:45:15,860 --> 00:45:20,160

I have acquired a pod in a game
of chance, the fastest ever built.

713

00:45:20,264 --> 00:45:25,396

I hope you didn't kill anyone I know for it?

714

00:45:27,372 --> 00:45:30,433

So, you supply the pod and the entry fee,

715

00:45:30,543 --> 00:45:32,443

and I supply the boy.

716

00:45:32,545 --> 00:45:36,447

We split the winnings... 50-50, I think?

717

00:45:36,582 --> 00:45:41,179

If it's going to be 50-50, I suggest
you front the cash for the entry.

718

00:45:41,321 --> 00:45:43,346

If we win,

719

00:45:43,490 --> 00:45:47,291

you keep all the winnings,
minus the cost of the parts I need.

720

00:45:47,395 --> 00:45:50,626

And if we lose, you keep my ship.

721

00:45:51,933 --> 00:45:54,459

Either way, you win.

722

00:46:00,276 --> 00:46:02,609

Deal!

723

00:46:06,783 --> 00:46:11,483

Your friend is a foolish one, me thinks.

724

00:46:19,031 --> 00:46:21,966

What if this plan fails, Master?

725

00:46:22,067 --> 00:46:24,832

We could be stuck here a very long time.

726

00:46:24,938 --> 00:46:27,429

Well, it's too dangerous to call for help,

727

00:46:27,540 --> 00:46:30,976

and a ship without a power supply
isn't going to get us anywhere.

728

00:46:31,077 --> 00:46:33,046

And...

729

00:46:33,447 --> 00:46:34,980

there is something about this boy.

730

00:46:41,656 --> 00:46:43,582

You should be very proud of your son.

731

00:46:45,126 --> 00:46:46,918

He gives without any thought of reward.

732

00:46:47,463 --> 00:46:49,730

Well, he knows nothing of greed.

733

00:46:50,433 --> 00:46:51,666

He has a...

734

00:46:52,667 --> 00:46:53,969

He has special powers.

735

00:46:56,239 --> 00:46:57,139

Yes.

736

00:46:57,541 --> 00:46:59,935

He can see things before they happen.

737

00:47:00,243 --> 00:47:02,777

That's why he appears
to have such quick reflexes.

738

00:47:03,181 --> 00:47:05,081

It's a Jedi trait.

739

00:47:05,183 --> 00:47:08,016

He deserves better than a slave's life.

Why, certainly.

740

00:47:08,119 --> 00:47:11,487

Had he been born in the Republic,
we would have identified him early.

741

00:47:11,590 --> 00:47:16,493

The Force is unusually strong with him.
That much is clear.

742

00:47:17,663 --> 00:47:19,564

Who was his father?

743

00:47:22,268 --> 00:47:24,202

There was no father.

744

00:47:25,638 --> 00:47:29,006

I carried him, I gave birth, I raised him.

745

00:47:29,110 --> 00:47:32,341

I can't explain what happened.

746

00:47:34,015 --> 00:47:35,813

Can you help him?

747

00:47:35,917 --> 00:47:37,817

I don't know.

748

00:47:40,322 --> 00:47:43,918

I didn't actually come here to free slaves.

749

00:47:51,168 --> 00:47:53,068

Hey, hi, Ani.

750

00:47:53,170 --> 00:47:55,695

Hi.

751

00:47:55,839 --> 00:47:59,003

A real astro droid.

752

00:48:00,879 --> 00:48:04,679

How did you get so lucky?

That isn't the half of it.

753

00:48:04,783 --> 00:48:07,719

I'm in the Boonta race tomorrow.

What?

754

00:48:07,820 --> 00:48:09,549

With this?

755

00:48:09,655 --> 00:48:12,453

You're such a joker, Ani.

756

00:48:12,558 --> 00:48:15,790

You've been working on that thing for years.

It's never gonna run.

757

00:48:15,896 --> 00:48:18,091

Come on. Let's go and play ball.

758

00:48:18,198 --> 00:48:21,464

Keep racing, Ani.

You're gonna be bug squash.

759

00:48:28,042 --> 00:48:29,943

Hey, JarJar.

760

00:48:30,045 --> 00:48:32,445

Keep away from those energy binders.

761

00:48:32,548 --> 00:48:36,006

If your hand gets caught in the beam,
it's gonna go numb for hours.

762

00:48:36,118 --> 00:48:38,144

Sorry. Ok.

763

00:48:41,591 --> 00:48:43,752

My tongue is fat.

764

00:48:43,860 --> 00:48:46,989

My tongue... Wrench.

765

00:48:47,098 --> 00:48:49,760

Where is da wrench?

Oh, dare it is.

766

00:48:49,867 --> 00:48:52,462

Hey.

767

00:48:52,571 --> 00:48:55,768

Ani, I'm stuck. Ani...

768

00:48:55,907 --> 00:48:59,901

You know, I find that JarJar creature
to be a little odd.

769

00:49:01,781 --> 00:49:04,614

You don't even know
if this thing's gonna run.

770

00:49:04,717 --> 00:49:06,810

It will.

I think it's time we found out.

771

00:49:06,919 --> 00:49:09,150

Here, use this power charge.

Yes, sir!

772

00:49:09,256 --> 00:49:11,349

Come on, Kitster.

Let's move away.

773

00:49:11,458 --> 00:49:13,619

My... My mouth.

774

00:49:13,727 --> 00:49:17,323

Ani, I'm stuck.

775

00:49:18,967 --> 00:49:22,494

Hey. My tongue is fat. Ani!

776

00:49:22,604 --> 00:49:25,540

You're quite right.

He's very odd indeed.

777

00:49:26,642 --> 00:49:29,338

Oh. Th... Thank you.

778

00:49:29,478 --> 00:49:31,379

Go.

779

00:49:45,863 --> 00:49:49,493

It's working! It's working!

780

00:50:00,113 --> 00:50:02,639

Stay still, Ani.

Let me clean this cut.

781

00:50:02,783 --> 00:50:06,719

There's so many.

Do they all have a system of planets?

782

00:50:06,854 --> 00:50:08,719

Most of them.

783

00:50:08,822 --> 00:50:10,791

Has anyone been to them all?

784

00:50:10,926 --> 00:50:13,724

Not likely.

785

00:50:13,828 --> 00:50:16,888

I wanna be the first one to see them all.

786

00:50:18,234 --> 00:50:20,634

Ani, bedtime!

787

00:50:20,736 --> 00:50:23,500

There we are. Good as new.

788

00:50:23,606 --> 00:50:26,508

Ani, I'm not gonna tell you again.

789

00:50:26,610 --> 00:50:30,068

What are you doing?

Checking your blood for infections.

790

00:50:30,180 --> 00:50:33,810

Go on. You have a big day tomorrow.

791

00:50:33,918 --> 00:50:35,818

Sleep well, Ani.

792

00:50:38,590 --> 00:50:40,558

Obi-Wan?

Yes, Master?

793

00:50:40,692 --> 00:50:42,871

I need an analysis of this blood sample

I'm sending you.

794

00:50:42,895 --> 00:50:46,228

Wait a minute.

795

00:50:46,332 --> 00:50:48,300

I need a midi-chlorian count.

796

00:50:51,238 --> 00:50:53,866

The reading is off the chart.

797

00:50:54,007 --> 00:50:55,872

Over 20,000.

798

00:50:56,009 --> 00:50:59,605

Even Master Yoda doesn't have
a midi-chlorian count that high.

799

00:50:59,747 --> 00:51:01,578

No Jedi has.

800

00:51:01,682 --> 00:51:03,741

What does that mean?

801

00:51:03,851 --> 00:51:05,752

I'm not sure.

802

00:52:16,167 --> 00:52:19,102

I wanna see your spaceship

the moment the race is over.

803

00:52:19,203 --> 00:52:22,935

Patience, my blue friend. You'll have
your winnings before the suns set.

804

00:52:23,041 --> 00:52:25,271

And we'll be far away from here.

805

00:52:25,377 --> 00:52:28,938

Not if your ship belongs to me, I think?

806

00:52:29,047 --> 00:52:32,916

I warn you, no funny business.

807

00:52:33,019 --> 00:52:36,147

You don't think Anakin can win?

Don't get me wrong, no.

808

00:52:36,289 --> 00:52:38,758

I have great faith in the boy.

809

00:52:38,892 --> 00:52:40,985

He's a credit to your race,

810

00:52:41,128 --> 00:52:44,559

but, Sebulba there is going to win, I think.

811

00:52:47,368 --> 00:52:48,431

Oh, no!

812

00:52:53,274 --> 00:52:54,440

Why do you think that?

813

00:52:54,843 --> 00:52:56,543

He always wins!

814

00:52:58,247 --> 00:53:00,681

I am betting heavily on Sebulba.

815

00:53:03,019 --> 00:53:04,245

I'll take that bet.

816

00:53:04,646 --> 00:53:05,652

You what?

817

00:53:06,756 --> 00:53:09,324

I'll wager my new racing pod against, say...

818

00:53:10,860 --> 00:53:11,860

the boy and his mother.

819

00:53:11,862 --> 00:53:15,359

No pod is worth two slaves,
not by a long shot.

820

00:53:16,766 --> 00:53:17,827

The boy, then.

821

00:53:20,136 --> 00:53:21,132

Well...

822

00:53:24,142 --> 00:53:26,468

We'll let fate decide?

823

00:53:27,279 --> 00:53:30,515

I just happen to have a chance cube here.

824

00:53:31,116 --> 00:53:33,477

Blue, it's the boy.

825

00:53:34,187 --> 00:53:35,187

Red...

826

00:53:36,560 --> 00:53:38,085

his mother.

827

00:53:48,169 --> 00:53:50,540

You won this small toss, outlander,

828

00:53:50,541 --> 00:53:52,069

but you won't win the race!

829

00:53:52,074 --> 00:53:53,967

So it makes little difference!

830

00:54:04,788 --> 00:54:07,082

Better stop your friend's betting,

831

00:54:07,191 --> 00:54:09,186

or I'll end up owning him too.

832

00:54:13,431 --> 00:54:14,690

What'd he mean by that?

833

00:54:14,691 --> 00:54:16,292

I'll tell you later.

Good morning.

834

00:54:19,236 --> 00:54:21,707

Oh, my space travel sounds rather perilous.

835

00:54:23,810 --> 00:54:27,838

I can assure you, they will never get
me onto one of those dreadful starships.

836

00:54:28,148 --> 00:54:31,949

This is so wizard, Ani.

I'm sure you'll do it this time.

837

00:54:32,052 --> 00:54:33,146

Do what?

838

00:54:33,447 --> 00:54:35,419

Finish the race, of course.

839

00:54:36,524 --> 00:54:37,864

You've never won a race?

840

00:54:37,865 --> 00:54:40,320

Well, not exactly.

841

00:54:41,229 --> 00:54:42,354

Not even finished?

842

00:54:42,465 --> 00:54:44,756

Kitster's right.

I will this time.

843

00:54:45,468 --> 00:54:46,759

Of course you will.

844

00:55:14,935 --> 00:55:17,028

<i>Podracers.</i>

845

00:55:17,237 --> 00:55:18,702

<i>That's absolutely right.</i>

846

00:55:18,905 --> 00:55:20,787

<i>And a big turnout here,</i>

847

00:55:20,788 --> 00:55:24,434

<i>from all corners of
the outer rim territories.</i>

848

00:55:24,478 --> 00:55:25,959

<i>I see the contestants,</i>

849

00:55:25,960 --> 00:55:28,073

<i>are making their way out
onto the starting grid.</i>

850

00:55:30,218 --> 00:55:33,051

<i>I see Ben Quadinaros
from the Tund System.</i>

851

00:55:38,528 --> 00:55:40,796

<i>Two-time winner Boles Roor.</i>

852

00:55:55,347 --> 00:55:58,407

<i>And in the front row,
nearside pole position,</i>

853

00:55:59,150 --> 00:56:00,642

<i>Mawhonic!</i>

854

00:56:02,488 --> 00:56:05,324

<i>A hearty hello to Clegg Holdfast</i>

855

00:56:05,325 --> 00:56:07,654

<i>and his Voltec KT9 Wasp!</i>

856

00:56:11,431 --> 00:56:14,257

<i>And back again,

it's the mighty Dud Bolt,</i>

857

00:56:14,367 --> 00:56:16,597

<i>with that incredible racing machine,</i>

858

00:56:16,598 --> 00:56:18,764

<i>the Vulptereen 327.</i>

859

00:56:22,110 --> 00:56:24,309

<i>And hoping for a big win today,</i>

860

00:56:24,813 --> 00:56:25,832

<i>Ody Mandrell,</i>

861

00:56:26,133 --> 00:56:28,716

<i>with his record setting

pit droid team.</i>

862

00:56:34,123 --> 00:56:37,388

<i>And a late entry,

young Anakin Skywalker,</i>

863

00:56:37,493 --> 00:56:38,785

<i>A local boy.</i>

864

00:56:40,798 --> 00:56:43,162

I see the flags are moving

out onto the track.

865

00:56:59,184 --> 00:57:00,475

Pee yousa!

866

00:57:03,923 --> 00:57:05,023

Be safe.

867

00:57:05,625 --> 00:57:06,870

I will, Mom.

868

00:57:06,871 --> 00:57:07,926

I promise.

869

00:57:24,079 --> 00:57:26,278

You won't walk away from this one,

870

00:57:26,283 --> 00:57:28,547

you slave scum.

871

00:57:29,252 --> 00:57:31,683

Don't count on it, slime ball.

872

00:57:32,489 --> 00:57:34,651

You're bantha fodder!

873

00:57:39,430 --> 00:57:40,631

You all set, Ani?

874

00:57:40,632 --> 00:57:41,560

Yep.

875

00:57:41,566 --> 00:57:42,567

Right.

876

00:57:47,339 --> 00:57:48,332

Remember,

877

00:57:48,433 --> 00:57:49,866

concentrate on the moment.

878

00:57:50,376 --> 00:57:52,172

Feel, don't think.

879

00:57:52,573 --> 00:57:53,742

Use your instincts.

880

00:57:54,547 --> 00:57:55,608

I will.

881

00:57:56,415 --> 00:57:57,911

May the Force be with you.

882

00:58:06,562 --> 00:58:08,254

<i>Jabba the Hutt.</i>

883

00:58:19,208 --> 00:58:22,906

Welcome to everyone.

884

00:58:24,348 --> 00:58:27,242

Begin the race!

885

00:58:38,697 --> 00:58:40,925

Hey, it looks like

they're clearing the grid.

886

00:58:42,868 --> 00:58:44,569

Is he nervous?

He's fine.

887

00:58:46,473 --> 00:58:48,521

You Jedi are far too reckless.

888

00:58:48,922 --> 00:58:51,014

The queen is not...

The queen trusts my judgment,

889

00:58:51,015 --> 00:58:52,078

young handmaiden.

890

00:58:52,180 --> 00:58:53,480

You should too.

891

00:58:54,882 --> 00:58:56,316

You assume too much.

892

00:58:57,217 --> 00:58:59,678

<i>Start your engines.</i>

893

00:59:38,766 --> 00:59:42,133

Oh, dissen gonna be messy.

Me no watch'n!

894

01:00:02,825 --> 01:00:04,287

Oh, no! No!

895

01:00:10,066 --> 01:00:12,966

<i>Wait. Little Skywalker has stalled.</i>

896

01:00:23,515 --> 01:00:27,148

*<i>Well, it looks like Quadinaros
is having engine trouble also.</i>*

897

01:00:29,022 --> 01:00:30,490

Come on, Ani!

898

01:00:36,364 --> 01:00:38,934

<i>And there goes Skywalker!</i>

899

01:00:38,935 --> 01:00:39,527

Go, Ani, go!

900

01:00:39,634 --> 01:00:42,162

*<i>He will be hard-pressed
to catch up with the leaders.</i>*

901

01:01:56,419 --> 01:02:00,787

*<i>Looks like a few Tusken Raiders
are camped out on the canyon dune turn.</i>*

902

01:02:08,333 --> 01:02:09,425

Doowat macroon!

903

01:02:13,572 --> 01:02:16,470

<i>There goes Quadinaros'
power coupling.</i>

904

01:02:18,978 --> 01:02:19,978

Cheespa wata!

905

01:02:24,182 --> 01:02:25,285

Paketa!

906

01:02:43,907 --> 01:02:45,538

Oh, no!

907

01:02:51,415 --> 01:02:52,910

Where is Master Anakin?

908

01:02:57,021 --> 01:02:58,151

Look. Here he comes.

909

01:03:01,692 --> 01:03:04,194

<i>It looks like Skywalker

is moving up in the field.</i>

910

01:03:13,839 --> 01:03:15,908

He has to complete two more circuits?

911

01:03:16,042 --> 01:03:17,143

Oh, dear.

912

01:04:24,954 --> 01:04:26,719

<i>Skywalker's spinning out of control!</i>

913

01:05:24,888 --> 01:05:26,924

<i>I don't care what universe you're from.</i>

914

01:05:26,925 --> 01:05:28,624

<i>That's gotta hurt!</i>

915

01:05:35,867 --> 01:05:36,867

Here he comes!

916

01:05:37,136 --> 01:05:39,049

<i>At the start of the final lap,</i>

917

01:05:39,050 --> 01:05:42,664

<i>Sebulba's in the lead
followed closely by Skywalker!</i>

918

01:05:43,276 --> 01:05:44,246

Go, Ani!

919

01:06:11,206 --> 01:06:13,842

<i>Skywalker's been forced
onto the service ramp!</i>

920

01:06:34,934 --> 01:06:36,997

<i>It's Skywalker!</i>

921

01:06:36,998 --> 01:06:38,597

Sebulba!

922

01:06:39,305 --> 01:06:40,389

<i>Amazing!</i>

923

01:06:40,390 --> 01:06:43,406

A quick control thrust,
and he's back on course!

924

01:06:43,910 --> 01:06:44,939

Did he crash-ed?

925

01:06:50,951 --> 01:06:52,149

Wah hota!

926

01:07:26,226 --> 01:07:27,587

<i>Skywalker's in trouble!</i>

927

01:07:27,588 --> 01:07:29,123

<i>Sebulba takes the lead!</i>

928

01:08:22,522 --> 01:08:24,118

<i>He's catching Sebulba!</i>

929

01:08:25,625 --> 01:08:27,750

Careful, Ani. Careful, Ani!

930

01:08:29,696 --> 01:08:31,389

Wha. Chuba da noya!

931

01:08:58,195 --> 01:09:00,633

<i>That little human being
is out of his mind.</i>

932

01:09:01,900 --> 01:09:02,960

<i>They're side by side!</i>

933

01:09:24,925 --> 01:09:26,025

Poo doo!

934

01:09:37,838 --> 01:09:38,967

I can't believe it.

935

01:09:39,376 --> 01:09:41,476

<i>The crowds are going nuts!</i>

936

01:09:49,787 --> 01:09:51,812

Yay, Ani!

937

01:09:53,691 --> 01:09:55,084

Mom, I did it!

938

01:10:07,340 --> 01:10:08,640

Good going, Ani!

939

01:10:13,580 --> 01:10:15,071

We owe you everything, Ani.

940

01:10:18,186 --> 01:10:19,979

It's so wonderful, Ani.

941

01:10:20,188 --> 01:10:22,518

You have brought hope
to those who have none.

942

01:10:23,358 --> 01:10:25,554

I'm so very proud of you.

943

01:10:29,898 --> 01:10:31,298

Oy chuba no.

944

01:10:36,139 --> 01:10:37,139

You.

945

01:10:38,341 --> 01:10:40,173

You swindled me!

946

01:10:40,177 --> 01:10:42,429

You knew the boy was going to win.

947

01:10:42,430 --> 01:10:43,712

Somehow you knew it.

948

01:10:44,415 --> 01:10:46,015

I lost everything.

949

01:10:46,317 --> 01:10:48,819

Whenever you gamble, my friend,
eventually you'll lose.

950

01:10:49,921 --> 01:10:51,588

Bring the parts to the main hangar.

951

01:10:52,391 --> 01:10:55,124

I'll come by your shop later on
so you can release the boy.

952

01:10:55,661 --> 01:10:57,307

You can't have him.

953

01:10:57,608 --> 01:10:59,327

It wasn't a fair bet.

954

01:11:01,934 --> 01:11:03,836

Would you like to discuss
it with the Hutts?

955

01:11:05,438 --> 01:11:06,697

I'm sure they can settle this.

956

01:11:09,510 --> 01:11:10,610

Take him.

957

01:11:17,653 --> 01:11:18,654

Hido!

958

01:11:20,956 --> 01:11:23,057

Well, we have all
the essential parts we need.

959

01:11:23,259 --> 01:11:24,047

I'm going back.

960

01:11:24,448 --> 01:11:25,454

Some unfinished business.

961

01:11:25,455 --> 01:11:26,455

I won't be long.

962

01:11:26,462 --> 01:11:29,555

Why do I sense we've picked up
another pathetic life-form?

963

01:11:30,500 --> 01:11:33,534

It's the boy who's responsible
for getting us these parts.

964

01:11:33,837 --> 01:11:35,738

Get this hyperdrive generator installed.

965

01:11:36,040 --> 01:11:38,000

Yes, Master.

That shouldn't take long.

966

01:11:38,610 --> 01:11:39,271

Come on.

967

01:11:45,484 --> 01:11:46,060

Hey.

968

01:11:46,761 --> 01:11:47,812

These are yours.

969

01:11:49,421 --> 01:11:50,321

Yes!

970

01:11:52,158 --> 01:11:53,658

Mom, we sold the pod!

971

01:11:53,660 --> 01:11:56,060

Look at all the money we have!

My goodness!

972

01:11:56,063 --> 01:11:57,514

But that's so wonderful, Ani.

973

01:11:57,515 --> 01:11:58,831

And he has been freed.

974

01:11:59,534 --> 01:12:00,307

What?

975

01:12:00,508 --> 01:12:01,998

You're no longer a slave.

976

01:12:04,438 --> 01:12:05,972

Did you hear that?

977

01:12:06,675 --> 01:12:09,138

Now you can make
your dreams come true, Ani.

978

01:12:10,045 --> 01:12:11,107

You are free.

979

01:12:15,885 --> 01:12:17,185

Will you take him with you?

980

01:12:17,287 --> 01:12:18,918

Is he to become a Jedi?

981

01:12:18,919 --> 01:12:19,585

Yes.

982

01:12:20,489 --> 01:12:21,989

Our meeting was not a coincidence.

983

01:12:22,491 --> 01:12:24,126

Nothing happens by accident.

984

01:12:24,228 --> 01:12:27,789

You mean I get to come with you
in your starship?

985

01:12:28,198 --> 01:12:29,199

Anakin,

986

01:12:31,303 --> 01:12:34,102

training to become a Jedi

is not an easy challenge,

987

01:12:34,806 --> 01:12:37,242

and even if you succeed, it's a hard life.

988

01:12:37,843 --> 01:12:40,971

But I wanna go.

It's what I've always dreamed of doing.

989

01:12:41,613 --> 01:12:42,880

Can I go, Mom?

990

01:12:44,883 --> 01:12:45,914

Anakin,

991

01:12:46,520 --> 01:12:49,051

this path has been placed

before you.

992

01:12:49,556 --> 01:12:51,247

The choice is yours alone.

993

01:12:55,997 --> 01:12:57,297

I wanna do it.

994

01:12:59,567 --> 01:13:01,598

Then pack your things.

We haven't much time.

995

01:13:09,078 --> 01:13:10,278

What about Mom?

996

01:13:14,117 --> 01:13:15,317

Is she free too?

997

01:13:15,819 --> 01:13:19,247

I tried to free your mother, Ani,
but Watto wouldn't have it.

998

01:13:20,457 --> 01:13:22,258

You're coming with us, aren't you, Mom?

999

01:13:30,402 --> 01:13:33,300

Son, my place is here.

My future is here.

1000

01:13:33,906 --> 01:13:35,807

It is time for you to let go.

1001

01:13:37,510 --> 01:13:39,237

I don't want things to change.

1002

01:13:39,745 --> 01:13:41,646

But you can't stop the change...

1003

01:13:42,082 --> 01:13:44,608

any more than you can

stop the suns from setting.

1004

01:13:45,753 --> 01:13:47,554

Oh, I love you.

1005

01:13:53,728 --> 01:13:55,629

Now, hurry.

1006

01:14:01,170 --> 01:14:02,170

Thank you.

1007

01:14:02,672 --> 01:14:03,866

I'll watch after him.

1008

01:14:04,167 --> 01:14:05,374

You have my word.

1009

01:14:07,178 --> 01:14:08,940

Will you be alright?

1010

01:14:10,847 --> 01:14:11,713

Yeah.

1011

01:14:15,452 --> 01:14:16,486

Oh, my. Oh!

1012

01:14:17,521 --> 01:14:18,722

Hello, Master Anakin.

1013

01:14:19,024 --> 01:14:21,083

Well 3 PO, I've been freed...

1014

01:14:21,227 --> 01:14:23,627

and I'm going away in a starship.

1015

01:14:24,029 --> 01:14:26,765

Master Anakin, you are my maker
and I wish you well.

1016

01:14:26,866 --> 01:14:30,998

However, I should prefer it if
I were a little more, completed.

1017

01:14:31,504 --> 01:14:33,823

I'm sorry I wasn't able to finish you, 3 PO,

1018

01:14:34,524 --> 01:14:36,141

give you coverings and all.

1019

01:14:36,744 --> 01:14:38,367

I'm gonna miss working on you.

1020

01:14:38,368 --> 01:14:40,203

You've been a great pal.

1021

01:14:41,015 --> 01:14:43,317

I'll make sure Mom doesn't
sell you or anything.

1022

01:14:44,219 --> 01:14:45,220

Sell me?

1023

01:14:45,554 --> 01:14:46,346

Bye.

1024

01:14:47,755 --> 01:14:48,655

Oh, my.

1025

01:15:13,150 --> 01:15:15,552

I can't do it, Mom.

I just can't do it.

1026

01:15:15,654 --> 01:15:16,816

Ani.

1027

01:15:20,025 --> 01:15:21,521

Will I ever see you again?

1028

01:15:22,896 --> 01:15:24,997

What does your heart tell you?

1029

01:15:27,534 --> 01:15:28,665

I hope so.

1030

01:15:30,271 --> 01:15:30,971

Yes.

1031

01:15:32,073 --> 01:15:33,173

I guess.

1032

01:15:34,675 --> 01:15:36,577

Then we will see each other again.

1033

01:15:39,915 --> 01:15:42,116

I will come back and free you, Mom.

1034

01:15:42,918 --> 01:15:44,253

I promise.

1035

01:15:52,730 --> 01:15:55,729

Now, be brave...

1036

01:15:56,166 --> 01:15:58,128

and don't look back.

1037

01:15:58,969 --> 01:16:00,670

Don't look back.

1038

01:16:45,922 --> 01:16:47,907

Qui-Gon, sir, wait! I'm tired!

1039

01:16:47,908 --> 01:16:48,992

Anakin! Drop!

1040

01:16:51,462 --> 01:16:52,237

Go!

1041

01:16:53,438 --> 01:16:54,664

Tell them to take off!

1042

01:17:07,981 --> 01:17:09,081

Qui-Gon's in trouble.

1043

01:17:10,184 --> 01:17:11,379

Take off.

1044

01:17:12,886 --> 01:17:14,149

Over there. Fly low.

1045

01:17:35,579 --> 01:17:37,279

Are you alright?

1046

01:17:37,614 --> 01:17:38,914

I think so.

1047

01:17:39,016 --> 01:17:40,317

What was it?

1048

01:17:40,719 --> 01:17:41,795

I'm not sure,

1049

01:17:42,696 --> 01:17:44,420

but it was well-trained in the Jedi arts.

1050

01:17:45,723 --> 01:17:47,615

My guess is, it was after the queen.

1051

01:17:48,026 --> 01:17:49,652

What are we gonna do about it?

1052

01:17:52,498 --> 01:17:54,098

We shall be patient.

1053

01:17:54,500 --> 01:17:55,521

Anakin Skywalker,

1054

01:17:56,222 --> 01:17:57,799

meet Obi-Wan Kenobi.

1055

01:17:57,904 --> 01:17:58,699

Hi.

1056

01:17:59,706 --> 01:18:00,888

You're a Jedi too?

1057

01:18:01,189 --> 01:18:02,403

Pleased to meet you.

1058

01:18:11,018 --> 01:18:12,444

Your queen is lost,

1059

01:18:12,645 --> 01:18:14,020

your people are starving,

1060

01:18:14,022 --> 01:18:15,922

and you, Governor, are going to die,

1061

01:18:16,036 --> 01:18:18,171

Much sooner than your people, I'm afraid.

1062

01:18:18,210 --> 01:18:20,441

This invasion will gain you nothing.

1063

01:18:20,786 --> 01:18:23,880

We're a democracy.

The people have decided.

1064

01:18:24,039 --> 01:18:25,739

Take him away.

1065

01:18:29,270 --> 01:18:31,941

My troops are in position
to begin searching the swamps

1066

01:18:31,976 --> 01:18:34,374

for these rumoured underwater villages.

1067

01:18:34,595 --> 01:18:36,796

They will not stay hidden for long.

1068

01:18:48,497 --> 01:18:50,960

<i>The death toll is catastrophic.</i>

1069

01:18:51,099 --> 01:18:53,728

<i>We must bow to their wishes.</i>

1070

01:18:54,001 --> 01:18:55,931

<i>You must contact me.</i>

1071

01:19:10,711 --> 01:19:11,745

You alright?

1072

01:19:13,083 --> 01:19:14,659

It's very cold.

1073

01:19:23,051 --> 01:19:25,101

You come from a warm planet, Ani.

1074

01:19:25,827 --> 01:19:27,696

A little too warm for my taste.

1075

01:19:28,090 --> 01:19:29,537

Space is cold.

1076

01:19:30,887 --> 01:19:32,448

You seem sad.

1077

01:19:34,269 --> 01:19:35,867

The queen is worried.

1078

01:19:36,600 --> 01:19:38,835

Her people are suffering, dying.

1079

01:19:39,458 --> 01:19:42,150

She must convince the senate
to intervene or...

1080

01:19:44,094 --> 01:19:45,759

I'm not sure what'll happen.

1081

01:19:47,743 --> 01:19:49,302

I made this for you,

1082

01:19:51,585 --> 01:19:53,185

so you'd remember me.

1083

01:19:53,755 --> 01:19:56,144

I carved it out of a japor snippet.

1084

01:19:56,861 --> 01:19:58,800

It'll bring you good fortune.

1085

01:19:59,445 --> 01:20:00,846

It's beautiful.

1086

01:20:01,597 --> 01:20:03,898

But I don't need this

to remember you by.

1087

01:20:07,598 --> 01:20:10,401

Many things will change

when we reach the capital Ani,

1088

01:20:11,352 --> 01:20:13,612

but my caring for you will remain.

1089

01:20:16,421 --> 01:20:18,197

I care for you too,

1090

01:20:18,598 --> 01:20:19,650

only I...

1091

01:20:20,057 --> 01:20:21,618

Miss your mother.

1092

01:20:40,534 --> 01:20:41,804

Coruscant.

1093

01:20:41,805 --> 01:20:44,272

The entire planet is one big city.

1094

01:20:44,494 --> 01:20:46,228

There's Chancellor Valorum's shuttle.

1095

01:20:46,691 --> 01:20:48,019

And look over there.

1096

01:20:48,320 --> 01:20:50,057

Senator Palpatine is waiting for us.

1097

01:21:19,317 --> 01:21:22,293

It is a great gift to see you alive,
Your Majesty.

1098

01:21:22,456 --> 01:21:25,427

With the communications breakdown,
we've been very concerned.

1099

01:21:25,574 --> 01:21:28,203

I'm anxious to hear your report
on the situation.

1100

01:21:28,247 --> 01:21:30,775

May I present
Supreme Chancellor Valorum.

1101

01:21:30,917 --> 01:21:32,416

Welcome, Your Highness.

1102

01:21:33,017 --> 01:21:35,014

It's an honour to finally
meet you in person.

1103

01:21:35,100 --> 01:21:36,670

Thank you, Supreme Chancellor.

1104

01:21:36,686 --> 01:21:40,150

I must relay to you how distressed
everyone is over the current situation.

1105

01:21:40,412 --> 01:21:44,054

I've called for a special session
of the senate to hear your position.

1106

01:21:44,560 --> 01:21:47,161

I'm grateful for your concern,
Chancellor.

1107

01:21:48,195 --> 01:21:50,095

There is a question of procedure,

1108

01:21:50,143 --> 01:21:52,774

but I'm confident we can overcome it.

1109

01:21:53,550 --> 01:21:55,647

I must speak with
the Jedi Council immediately.

1110

01:21:55,686 --> 01:21:58,285

The situation has become
much more complicated.

1111

01:22:04,363 --> 01:22:05,764

Ani, come on.

1112

01:22:17,108 --> 01:22:20,109

The queen's a bein' grossly nice,
mesa tink.

1113

01:22:21,589 --> 01:22:22,857

Pitty hot.

1114

01:22:51,646 --> 01:22:54,549

There is no civility, only politics.

1115

01:22:55,682 --> 01:22:59,184

The Republic is not what it once was.

1116

01:22:59,896 --> 01:23:04,664

The senate is full of greedy,
squabbling delegates.

1117

01:23:05,527 --> 01:23:08,380

There is no interest in the common good.

1118

01:23:10,153 --> 01:23:11,887

I must be frank, Your Majesty.

1119

01:23:11,918 --> 01:23:14,817

There is little chance the senate
will act on the invasion.

1120

01:23:14,961 --> 01:23:17,563

Chancellor Valorum
seems to think there is hope.

1121

01:23:17,818 --> 01:23:21,914

If I may say so, Your Majesty,
the Chancellor has little real power.

1122

01:23:22,020 --> 01:23:25,820

He is mired by baseless

accusations of corruption.

1123

01:23:25,847 --> 01:23:28,179

The bureaucrats are in charge now.

1124

01:23:28,270 --> 01:23:29,586

What options have we?

1125

01:23:30,609 --> 01:23:33,602

Our best choice would be
to push for the election

1126

01:23:33,641 --> 01:23:35,783

of a stronger supreme Chancellor,

1127

01:23:35,784 --> 01:23:38,122

one who could control the bureaucrats

1128

01:23:38,457 --> 01:23:40,150

and give us justice.

1129

01:23:40,776 --> 01:23:46,405

You could call for a vote of no
confidence in Chancellor Valorum.

1130

01:23:46,738 --> 01:23:48,630

He has been our strongest supporter.

1131

01:23:49,297 --> 01:23:53,744

Our only other choice would be
to submit a plea to the courts.

1132

01:23:54,775 --> 01:23:57,909

The courts take even longer
to decide things than the senate.

1133

01:23:58,728 --> 01:24:00,731

Our people are dying, Senator.

1134

01:24:01,528 --> 01:24:04,436

We must do something quickly
to stop the Federation.

1135

01:24:04,765 --> 01:24:07,012

To be realistic, Your Majesty,

1136

01:24:07,555 --> 01:24:11,716

I think we're going to have to accept
Federation control for the time being.

1137

01:24:14,578 --> 01:24:16,337

That is something I cannot do.

1138

01:24:23,928 --> 01:24:25,895

He was trained in the Jedi arts.

1139

01:24:26,342 --> 01:24:30,078

My only conclusion can be
that it was a Sith lord.

1140

01:24:30,341 --> 01:24:31,541

Impossible.

1141

01:24:31,942 --> 01:24:34,281

The Sith have been extinct
for a millennium.

1142

01:24:34,397 --> 01:24:38,691

I do not believe the Sith could have
returned without us knowing.

1143

01:24:39,821 --> 01:24:41,816

Hard to see, the dark side is.

1144

01:24:42,413 --> 01:24:45,202

We will use all our resources
to unravel this mystery.

1145

01:24:45,236 --> 01:24:48,269

We will discover the identity
of your attacker.

1146

01:24:48,995 --> 01:24:50,396

May the Force be with you.

1147

01:24:54,338 --> 01:24:55,530

Master Qui-Gon.

1148

01:24:56,474 --> 01:24:58,075

More to say have you?

1149

01:25:00,522 --> 01:25:02,122

With your permission, my master,

1150

01:25:04,043 --> 01:25:06,411

I have encountered

a vergence in the Force.

1151

01:25:08,017 --> 01:25:09,842

A vergence, you say?

1152

01:25:10,099 --> 01:25:12,226

Located around a person?

1153

01:25:12,442 --> 01:25:13,526

A boy.

1154

01:25:13,945 --> 01:25:18,001

His cells have the highest concentration of
midi-chlorians I have seen in a life-form.

1155

01:25:18,368 --> 01:25:21,236

It is possible he was conceived
by the midi-chlorians.

1156

01:25:23,023 --> 01:25:26,375

You refer to the prophecy of the one
who will bring balance to the Force.

1157

01:25:27,677 --> 01:25:29,963

You believe it's this boy?

1158

01:25:30,045 --> 01:25:32,239

I don't presume to...

But you do.

1159

01:25:33,084 --> 01:25:34,971

Revealed your opinion is.

1160

01:25:35,289 --> 01:25:37,195

I request the boy be tested, Master.

1161

01:25:39,231 --> 01:25:41,964

Trained as a Jedi you request for him?

1162

01:25:43,122 --> 01:25:44,868

Finding him was the will of the Force.

1163

01:25:45,431 --> 01:25:46,831

I have no doubt of that.

1164

01:25:54,407 --> 01:25:56,032

Bring him before us, then.

1165

01:26:07,685 --> 01:26:09,114

The boy's here to see Padmé.

1166

01:26:09,158 --> 01:26:10,358

<i>Let him in.</i>

1167

01:26:14,220 --> 01:26:17,066

I'm sorry, Ani,
but Padmé's not here right now.

1168

01:26:18,236 --> 01:26:19,456

Who is it?

1169

01:26:20,095 --> 01:26:23,231

Anakin Skywalker to see Padmé,
Your Highness.

1170

01:26:23,806 --> 01:26:25,506

I've sent Padmé on an errand.

1171

01:26:25,730 --> 01:26:29,493

I'm on my way to the Jedi temple
to start my training, I hope.

1172

01:26:30,869 --> 01:26:33,903

I may never see her again,
so I came to say good-bye.

1173

01:26:35,595 --> 01:26:36,953

We will tell her for you.

1174

01:26:37,268 --> 01:26:39,097

We are sure her heart goes with you.

1175

01:26:40,366 --> 01:26:41,725

Thank you, Your Highness.

1176

01:26:55,682 --> 01:26:59,919

*<i>*The chair recognizes the senator
from the sovereign system of Naboo.*</i>*

1177

01:27:06,749 --> 01:27:10,053

*<i>*Supreme Chancellor,
delegates of the senate,*</i>*

1178

01:27:11,192 --> 01:27:13,042

*<i>*a tragedy has occurred,*</i>*

1179

01:27:13,358 --> 01:27:16,830

*<i>*which started right here
with the taxation of trade routes*</i>*

1180

01:27:17,331 --> 01:27:20,042

*<i>*and has now engulfed our
entire planet,*</i>*

1181

01:27:20,089 --> 01:27:22,265

*<i>*in the oppression

of the Trade Federation.</i>

1182

01:27:23,128 --> 01:27:24,462

<i>This is outrageous!</i>

1183

01:27:24,909 --> 01:27:27,131

<i>I object to the senator's statements.</i>

1184

01:27:27,339 --> 01:27:31,093

<i>The chair does not recognize the senator
from the Trade Federation at this time.</i>

1185

01:27:31,448 --> 01:27:35,184

<i>To state our allegations,
I present Queen Amidala,</i>

1186

01:27:35,328 --> 01:27:37,320

<i>recently elected ruler of the Naboo,</i>

1187

01:27:37,675 --> 01:27:39,175

<i>who speaks on our behalf.</i>

1188

01:27:45,600 --> 01:27:48,217

<i>Honourable representatives
of the Republic,</i>

1189

01:27:48,756 --> 01:27:51,678

<i>I come to you under
the gravest of circumstances.</i>

1190

01:27:51,713 --> 01:27:54,545

<i>The Naboo system has been invaded
by the droid armies of the Trade...</i>

1191

01:27:54,558 --> 01:27:56,617

<i>I object! There is no proof!</i>

1192

01:27:58,621 --> 01:27:59,856

<i>This is incredible.</i>

1193

01:28:00,397 --> 01:28:04,287

<i>We recommend a commission be sent
to Naboo to ascertain the truth.</i>

1194

01:28:04,428 --> 01:28:06,316

<i>The Congress of Malastare concurs</i>

1195

01:28:06,339 --> 01:28:08,927

<i>with the honourable delegate
from the Trade Federation.</i>

1196

01:28:09,042 --> 01:28:10,946

<i>A commission must be appointed.</i>

1197

01:28:10,947 --> 01:28:12,014

<i>The point...</i>

1198

01:28:12,253 --> 01:28:15,088

Excuse me, Chancellor.

Enter the bureaucrat.

1199

01:28:15,519 --> 01:28:17,693

The true rulers of the Republic.

1200

01:28:18,224 --> 01:28:21,587

And on the payroll of
the Trade Federation, I might add.

1201

01:28:22,317 --> 01:28:26,549

This is where Chancellor Valorum's
strength will disappear.

1202

01:28:28,304 --> 01:28:30,036

<i>The point is conceded.</i>

1203

01:28:31,052 --> 01:28:33,405

*<i>Will you defer your motion
to allow a commission</i>*

1204

01:28:33,454 --> 01:28:35,880

*<i>to explore the validity
of your accusations?</i>*

1205

01:28:36,677 --> 01:28:38,024

<i>I will not defer.</i>

1206

01:28:38,178 --> 01:28:41,573

*<i>I've come before you to resolve
this attack on our sovereignty now.</i>*

1207

01:28:42,219 --> 01:28:45,329

*<i>I was not elected to watch
my people suffer and die</i>*

1208

01:28:45,367 --> 01:28:47,695

*<i>while you discuss this invasion
in a committee.</i>*

1209

01:28:50,655 --> 01:28:53,111

If this body is not capable of action,

1210

01:28:53,233 --> 01:28:55,359

I suggest new leadership is needed.

1211

01:28:58,357 --> 01:29:00,590

I move for a vote of no confidence

1212

01:29:01,048 --> 01:29:02,939

in Chancellor Valorum's leadership.

1213

01:29:09,828 --> 01:29:11,989

Vote now! Vote now!

1214

01:29:12,097 --> 01:29:14,862

Vote now! Vote now!

1215

01:29:14,968 --> 01:29:17,999

Vote now! Vote now!

Order!

1216

01:29:18,085 --> 01:29:20,438

Now they will elect a new Chancellor,

1217

01:29:20,840 --> 01:29:22,746

a strong Chancellor,

1218

01:29:23,116 --> 01:29:25,617

one who will not let our
tragedy continue.

1219

01:29:27,736 --> 01:29:30,453

The boy will not pass
the council's test, Master.

1220

01:29:30,454 --> 01:29:31,702

He's too old.

1221

01:29:32,056 --> 01:29:33,844

Anakin will become a Jedi,

1222

01:29:33,845 --> 01:29:35,137

I promise you.

1223

01:29:35,282 --> 01:29:37,685

Do not defy the council,

Master, not again.

1224

01:29:38,316 --> 01:29:40,246

I shall do what I must, Obi-Wan.

1225

01:29:42,932 --> 01:29:45,464

If you would just follow the code,

you would be on the council.

1226

01:29:46,700 --> 01:29:48,528

They will not go along with you this time.

1227

01:29:50,132 --> 01:29:52,267

You still have much to learn,
my young apprentice.

1228

01:29:56,153 --> 01:29:57,172

A ship.

1229

01:29:59,132 --> 01:30:00,167

A cup.

1230

01:30:01,499 --> 01:30:02,576

A ship.

1231

01:30:04,104 --> 01:30:05,198

A speeder.

1232

01:30:13,415 --> 01:30:14,581

How feel you?

1233

01:30:15,626 --> 01:30:16,748

Cold, sir.

1234

01:30:18,882 --> 01:30:20,151

Afraid are you?

1235

01:30:20,365 --> 01:30:21,399

No, sir.

1236

01:30:22,565 --> 01:30:24,994

See through you, we can.

1237

01:30:25,235 --> 01:30:26,821

Be mindful of your feelings.

1238

01:30:26,963 --> 01:30:29,627

Your thoughts dwell on your mother.

1239

01:30:31,448 --> 01:30:32,546

I miss her.

1240

01:30:33,890 --> 01:30:35,681

Afraid to lose her, I think?

1241

01:30:36,571 --> 01:30:38,532

What has that got to do with anything?

1242

01:30:38,994 --> 01:30:40,427

Everything.

1243

01:30:41,666 --> 01:30:44,326

Fear is the path to the dark side.

1244

01:30:44,766 --> 01:30:47,333

Fear leads to anger.

Anger leads to hate.

1245

01:30:47,372 --> 01:30:50,139

Hate leads to suffering.

1246

01:30:57,400 --> 01:30:59,901

I sense much fear in you.

1247

01:31:13,663 --> 01:31:16,513

Yousa tinkin yousa people ganna die?

1248

01:31:16,979 --> 01:31:18,280

I don't know.

1249

01:31:19,217 --> 01:31:21,077

Gungans get pasted too?

1250

01:31:24,023 --> 01:31:25,198

I hope not.

1251

01:31:26,599 --> 01:31:28,691

Gungans no dyin' without a fight.

1252

01:31:29,071 --> 01:31:30,371

Wesa warriors.

1253

01:31:30,996 --> 01:31:33,098

Wesa got a grand army.

1254

01:31:34,431 --> 01:31:36,723

Dat's why you no liken us, mesa tink.

1255

01:31:37,892 --> 01:31:38,892

Your Highness?

1256

01:31:41,711 --> 01:31:42,753

Your Highness.

1257

01:31:43,988 --> 01:31:47,116

Senator Palpatine has been nominated
to succeed Valorum

1258

01:31:47,153 --> 01:31:48,563

as supreme Chancellor.

1259

01:31:48,602 --> 01:31:50,194

A surprise to be sure,

1260

01:31:50,295 --> 01:31:51,476

but a welcome one.

1261

01:31:52,763 --> 01:31:54,482

Your Majesty, if I am elected,

1262

01:31:54,683 --> 01:31:57,003

I promise to put an end to corruption.

1263

01:31:57,326 --> 01:31:58,888

Who else has been nominated?

1264

01:31:59,002 --> 01:32:02,836

Bail Antilles of Alderaan
and Ainlee Teem of Malastare.

1265

01:32:03,494 --> 01:32:07,732

I feel confident our situation will
create a strong sympathy vote for us.

1266

01:32:10,076 --> 01:32:11,525

I will be Chancellor.

1267

01:32:12,052 --> 01:32:14,933

I fear by the time you have
control of the bureaucrats, senator,

1268

01:32:15,188 --> 01:32:17,829

there'll be nothing left of our people,
our way of life.

1269

01:32:18,383 --> 01:32:20,164

I understand your concern, Your Majesty.

1270

01:32:20,190 --> 01:32:23,677

Unfortunately, the Federation
has possession of our planet.

1271

01:32:25,708 --> 01:32:26,730

Senator,

1272

01:32:27,731 --> 01:32:28,942

this is your arena.

1273

01:32:29,660 --> 01:32:31,560

I feel I must return to mine.

1274

01:32:35,005 --> 01:32:36,917

I've decided to go back to Naboo.

1275

01:32:37,222 --> 01:32:38,195

Go back?

1276

01:32:38,196 --> 01:32:39,826

But, Your Majesty, be realistic.

1277

01:32:39,849 --> 01:32:41,577

They'll force you to sign the treaty.

1278

01:32:41,724 --> 01:32:43,612

I will sign no treaty, Senator.

1279

01:32:43,951 --> 01:32:46,587

My fate will be no different
than that of our people.

1280

01:32:47,026 --> 01:32:48,396

Captain.

Your Highness.

1281

01:32:48,537 --> 01:32:49,668

Ready my ship.

1282

01:32:49,815 --> 01:32:52,741

Please, Your Majesty,

stay here where it's safe.

1283

01:32:54,456 --> 01:32:57,569

It is clear to me now that
the Republic no longer functions.

1284

01:32:58,308 --> 01:33:01,543

I pray you will bring sanity
and compassion back to the senate.

1285

01:33:12,434 --> 01:33:14,787

The Force is strong with him.

1286

01:33:14,917 --> 01:33:16,318

He is to be trained, then?

1287

01:33:18,621 --> 01:33:19,294

No,

1288

01:33:19,695 --> 01:33:20,973

he will not be trained.

1289

01:33:21,498 --> 01:33:22,559

No?

1290

01:33:25,328 --> 01:33:26,487

He is too old.

1291

01:33:27,418 --> 01:33:30,217

He is the chosen one.

You must see it.

1292

01:33:32,163 --> 01:33:35,024

Clouded this boy's future is.

1293

01:33:38,438 --> 01:33:39,636

I will train him, then.

1294

01:33:44,141 --> 01:33:46,138

I take Anakin as my Padawan learner.

1295

01:33:47,516 --> 01:33:50,220

An apprentice you have, Qui-Gon.

1296

01:33:50,266 --> 01:33:52,455

Impossible to take on a second.

1297

01:33:52,602 --> 01:33:53,931

The code forbids it.

1298

01:33:54,662 --> 01:33:57,349

Obi-Wan is ready.

I am ready to face the trials.

1299

01:33:58,252 --> 01:34:01,381

Our own counsel we will keep
on who is ready.

1300

01:34:02,624 --> 01:34:03,913

He is headstrong,

1301

01:34:03,952 --> 01:34:06,780

and he has much to learn of
the living Force, but he is capable.

1302

01:34:07,135 --> 01:34:08,801

There is little more he can learn from me.

1303

01:34:11,881 --> 01:34:13,534

Young Skywalker's fate,

1304

01:34:13,670 --> 01:34:15,120

will be decided later.

1305

01:34:15,785 --> 01:34:17,946

Now is not the time for this.

1306

01:34:18,839 --> 01:34:21,324

The senate is voting

for a new supreme Chancellor,

1307

01:34:21,382 --> 01:34:23,357

and Queen Amidala is returning home,

1308

01:34:23,488 --> 01:34:27,238

which will put pressure on the Federation

and could widen the confrontation.

1309

01:34:27,280 --> 01:34:29,642

And draw out the queen's attacker.

1310

01:34:29,988 --> 01:34:33,592

Go with the queen to Naboo and discover
the identity of this dark warrior.

1311

01:34:35,500 --> 01:34:38,768

This is the clue we need to
unravel the mystery of the Sith.

1312

01:34:40,157 --> 01:34:41,991

May the Force be with you.

1313

01:34:56,051 --> 01:34:58,715

It's not disrespect, Master.

It's the truth.

1314

01:34:58,750 --> 01:35:00,210

From your point of view.

1315

01:35:00,457 --> 01:35:01,981

The boy is dangerous.

1316

01:35:02,382 --> 01:35:04,168

They all sense it. Why can't you?

1317

01:35:04,173 --> 01:35:06,901

His fate is uncertain.

He's not dangerous.

1318

01:35:07,176 --> 01:35:09,379

The council will decide Anakin's future.

1319

01:35:09,634 --> 01:35:11,005

That should be enough for you.

1320

01:35:11,006 --> 01:35:12,369

Now get on board.

1321

01:35:18,343 --> 01:35:19,743

Qui-Gon, sir,

1322

01:35:20,144 --> 01:35:21,871

I don't want to be a problem.

1323

01:35:22,231 --> 01:35:23,461

You won't be, Ani.

1324

01:35:24,500 --> 01:35:25,865

I'm not allowed to train you,

1325

01:35:26,095 --> 01:35:28,291

so I want you to watch me

and be mindful.

1326

01:35:29,068 --> 01:35:30,157

Always remember.

1327

01:35:31,785 --> 01:35:33,847

Your focus determines your reality.

1328

01:35:34,679 --> 01:35:37,243

Stay close to me and you'll be safe.

1329

01:35:38,261 --> 01:35:39,456

Master, sir,

1330

01:35:39,987 --> 01:35:43,104

I heard Yoda talking about midi-chlorians.

1331

01:35:43,367 --> 01:35:44,820

I've been wondering...

1332

01:35:44,821 --> 01:35:46,794

What are midi-chlorians?

1333

01:35:48,246 --> 01:35:50,614

Midi-chlorians are

a microscopic life-form

1334

01:35:50,648 --> 01:35:52,902

that resides within all living cells.

1335

01:35:54,522 --> 01:35:57,278

They live inside me?

Inside your cells, yes.

1336

01:35:57,728 --> 01:35:59,517

And we are symbionts with them.

1337

01:35:59,618 --> 01:36:01,121

Symbionts?

1338

01:36:01,200 --> 01:36:04,597

Life-forms living together
for mutual advantage.

1339

01:36:05,073 --> 01:36:07,830

Without the midi-chlorians,
life could not exist,

1340

01:36:07,867 --> 01:36:09,973

and we would have no
knowledge of the Force.

1341

01:36:11,004 --> 01:36:12,693

They continually speak to us,

1342

01:36:12,919 --> 01:36:14,916

telling us the will of the Force.

1343

01:36:16,000 --> 01:36:17,727

When you learn to quiet your mind,

1344

01:36:18,109 --> 01:36:19,678

you'll hear them speaking to you.

1345

01:36:20,429 --> 01:36:21,829

I don't understand.

1346

01:36:22,354 --> 01:36:24,099

With time and training, Ani, you will.

1347

01:36:24,700 --> 01:36:25,700

You will.

1348

01:36:29,529 --> 01:36:32,896

Your Majesty, it is our pleasure
to continue to serve and protect you.

1349

01:36:33,841 --> 01:36:35,257

I welcome your help.

1350

01:36:35,380 --> 01:36:38,851

Senator Palpatine fears that
the Federation means to destroy me.

1351

01:36:39,490 --> 01:36:41,595

I assure you I will not
allow that to happen.

1352

01:36:42,819 --> 01:36:45,375

Wesa goin' home!

1353

01:36:45,534 --> 01:36:46,736

Come on, R2.

1354

01:36:57,381 --> 01:36:59,353

<i>Is the planet secure?</i>

1355

01:37:00,081 --> 01:37:03,984

We have taken over the last pockets
of primitive life-forms.

1356

01:37:04,033 --> 01:37:07,093

We are in complete control

of the planet now.

1357

01:37:07,181 --> 01:37:07,915

<i>Good.</i>

1358

01:37:08,316 --> 01:37:12,719

<i>I will see to it that in the senate
things stay as they are.</i>

1359

01:37:13,766 --> 01:37:17,143

<i>I am sending my apprentice,
Darth Maul, to join you.</i>

1360

01:37:17,290 --> 01:37:18,675

Yes, my lord.

1361

01:37:19,022 --> 01:37:20,447

A Sith here?

1362

01:37:26,588 --> 01:37:28,756

Those are the forward stabilizers.

1363

01:37:29,531 --> 01:37:31,331

And those two control the pitch?

1364

01:37:33,290 --> 01:37:34,790

You catch on pretty quick.

1365

01:37:35,519 --> 01:37:36,744

As soon as we land,

1366

01:37:36,751 --> 01:37:39,915

the Federation will arrest you
and force you to sign the treaty.

1367

01:37:39,938 --> 01:37:40,792

I agree.

1368

01:37:41,193 --> 01:37:43,254

I'm not sure what you wish
to accomplish by this.

1369

01:37:43,978 --> 01:37:45,855

I will take back what's ours.

1370

01:37:47,083 --> 01:37:49,124

There are too few of us, Your Highness.

1371

01:37:49,161 --> 01:37:50,961

We have no army.

1372

01:37:51,341 --> 01:37:52,776

And I can only protect you.

1373

01:37:52,777 --> 01:37:54,602

I can't fight a war for you.

1374

01:37:55,925 --> 01:37:57,153

JarJar Binks.

1375

01:37:57,768 --> 01:37:59,403

Mesa, Your Highness?

1376

01:38:00,413 --> 01:38:02,714

Yes. I need your help.

1377

01:38:08,522 --> 01:38:10,392

I have one battleship on my scope.

1378

01:38:11,133 --> 01:38:12,820

It's a droid control ship.

1379

01:38:12,961 --> 01:38:14,509

They've probably spotted us.

1380

01:38:15,268 --> 01:38:16,559

We haven't much time.

1381

01:38:28,653 --> 01:38:31,039

JarJar is on his way
to the Gungan city, Master.

1382

01:38:31,440 --> 01:38:32,440

Good.

1383

01:38:32,672 --> 01:38:34,584

Do you think the queen's idea will work?

1384

01:38:35,223 --> 01:38:37,034

The Gungans will not be easily swayed.

1385

01:38:38,965 --> 01:38:41,098

And we cannot use our power to help her.

1386

01:38:43,212 --> 01:38:44,119

I'm...

1387

01:38:44,620 --> 01:38:46,340

I'm sorry for my behaviour, Master.

1388

01:38:46,372 --> 01:38:48,935

It's not my place to disagree
with you about the boy.

1389

01:38:52,060 --> 01:38:54,659

And I am grateful you think
I'm ready to take the trials.

1390

01:38:56,271 --> 01:38:58,136

You've been a good apprentice, Obi-Wan.

1391

01:38:59,749 --> 01:39:01,950

And you're a much wiser man than I am.

1392

01:39:03,025 --> 01:39:05,266

I foresee you will become
a great Jedi knight.

1393

01:39:19,448 --> 01:39:21,249

Desa nobody dare.

1394

01:39:21,873 --> 01:39:23,634

The Gungan city is deserted.

1395

01:39:24,370 --> 01:39:26,295

Some kinda fight, mesa tink.

1396

01:39:27,094 --> 01:39:29,089

Do you think they have been
taken to the camps?

1397

01:39:30,212 --> 01:39:32,005

More likely they were wiped out.

1398

01:39:32,464 --> 01:39:33,714

Mesa no tink so.

1399

01:39:33,815 --> 01:39:35,488

Do you know where they are, JarJar?

1400

01:39:35,820 --> 01:39:36,775

When in trouble,

1401

01:39:36,976 --> 01:39:39,005

Gungans go to sacred place.

1402

01:39:39,444 --> 01:39:41,545

Mesa show you.

Come on. Mesa show you!

1403

01:40:00,525 --> 01:40:01,527

Your Honour,

1404

01:40:01,528 --> 01:40:03,827

Queen Amidala of the Naboo.

1405

01:40:10,751 --> 01:40:13,752

Hello dadee, Big Boss Nass, Your Honour.

1406

01:40:14,714 --> 01:40:16,984

JarJar Binks.

1407

01:40:17,692 --> 01:40:21,088

Who's da uss-en uthers?

1408

01:40:22,052 --> 01:40:24,051

I am Queen Amidala of the Naboo.

1409

01:40:24,841 --> 01:40:26,600

I come before you in peace.

1410

01:40:27,436 --> 01:40:30,205

Naboo biggen.

1411

01:40:30,736 --> 01:40:33,293

Yousa bringen da Mackineeks.

1412

01:40:33,694 --> 01:40:36,425

Yousa all bombad.

1413

01:40:38,187 --> 01:40:41,163

We have searched you out because
we wish to form an alliance.

1414

01:40:41,173 --> 01:40:42,173

Your Honour.

1415

01:40:44,790 --> 01:40:46,684

Whosa dis?

1416

01:40:47,916 --> 01:40:49,649

I am Queen Amidala.

1417

01:40:51,500 --> 01:40:52,965

This is my decoy,

1418

01:40:53,427 --> 01:40:54,684

my protection,

1419

01:40:55,385 --> 01:40:57,095

my loyal bodyguard.

1420

01:40:57,445 --> 01:41:01,045

I'm sorry for my deception,
but it was necessary to protect myself.

1421

01:41:01,789 --> 01:41:04,121

Although we do not
always agree, Your Honour,

1422

01:41:04,262 --> 01:41:06,799

our two great societies
have always lived in peace.

1423

01:41:08,137 --> 01:41:11,756

The Trade Federation has destroyed
all that we have worked so hard to build.

1424

01:41:12,103 --> 01:41:14,897

If we do not act quickly,
all will be lost forever.

1425

01:41:15,255 --> 01:41:16,985

I ask you to help us.

1426

01:41:17,574 --> 01:41:19,436

No, I beg you to help us.

1427

01:41:20,475 --> 01:41:22,241

We are your humble servants.

1428

01:41:25,992 --> 01:41:28,477

Our fate is in your hands.

1429

01:41:45,947 --> 01:41:50,214

Yousa no tinken yousa

greater den da Gungans?

1430

01:41:52,992 --> 01:41:56,694

Meeesa lika dis!

1431

01:41:57,602 --> 01:41:58,992

Maybe...

1432

01:41:59,031 --> 01:42:00,470

wesa...

1433

01:42:01,593 --> 01:42:03,193

being friends.

1434

01:42:11,888 --> 01:42:13,709

We've sent our patrols.

1435

01:42:14,544 --> 01:42:17,204

We already located
their starship in the swamp.

1436

01:42:17,548 --> 01:42:19,575

It won't be long, my lord.

1437

01:42:20,099 --> 01:42:22,852

<i>This is an unexpected move
for her.</i>

1438

01:42:23,064 --> 01:42:24,525

<i>It's too aggressive.</i>

1439

01:42:25,148 --> 01:42:27,582

<i>Lord Maul, be mindful.</i>

1440

01:42:28,216 --> 01:42:30,166

<i>Let them make the first move.</i>

1441

01:42:30,497 --> 01:42:32,098

Yes, my master.

1442

01:42:36,170 --> 01:42:37,446

Deysa comin!

1443

01:42:37,667 --> 01:42:38,733

Alright!

1444

01:42:42,438 --> 01:42:43,739

They're here!

1445

01:42:44,402 --> 01:42:45,702

Good. They made it.

1446

01:42:50,516 --> 01:42:52,711

Yousa doen grand.

1447

01:42:53,187 --> 01:42:56,336

JarJar bring uss-en

and da Naboo together.

1448

01:42:56,559 --> 01:42:58,360

No, no, no.

1449

01:42:58,492 --> 01:43:01,137

So, wesa make you...

1450

01:43:01,484 --> 01:43:03,635

bombad general.

1451

01:43:04,093 --> 01:43:04,989

General?

1452

01:43:08,390 --> 01:43:09,090

Captain.

1453

01:43:10,188 --> 01:43:12,445

Your Highness.

What is the situation?

1454

01:43:12,778 --> 01:43:14,328

Almost everyone's in camps.

1455

01:43:14,567 --> 01:43:16,333

A few hundred police and guards,

1456

01:43:16,334 --> 01:43:18,231

have formed an underground
resistance movement.

1457

01:43:18,253 --> 01:43:20,596

I brought back as many
of the leaders as I could.

1458

01:43:21,051 --> 01:43:23,721

The Federation army's also much
larger than we thought,

1459

01:43:23,922 --> 01:43:25,252

and much stronger.

1460

01:43:26,653 --> 01:43:29,778

Your Highness, this is a battle

I do not think that we can win.

1461

01:43:30,325 --> 01:43:32,049

The battle is a diversion.

1462

01:43:32,227 --> 01:43:34,844

The Gungans must draw the droid
army away from the cities.

1463

01:43:35,499 --> 01:43:36,499

R2.

1464

01:43:37,832 --> 01:43:41,278

We can enter the city using the secret
passages on the waterfall side.

1465

01:43:41,817 --> 01:43:43,403

Once we get to the main entrance,

1466

01:43:43,458 --> 01:43:45,600

Captain Panaka will create a diversion.

1467

01:43:46,231 --> 01:43:49,119

Then we can enter the palace
and capture the Viceroy.

1468

01:43:50,238 --> 01:43:52,785

Without the Viceroy,
they will be lost and confused.

1469

01:43:53,675 --> 01:43:55,191

What do you think, Master Jedi?

1470

01:43:55,245 --> 01:43:57,154

The Viceroy will be well-guarded.

1471

01:43:57,262 --> 01:43:59,347

The difficulty is getting
into the throne room.

1472

01:43:59,980 --> 01:44:02,242

Once we're inside,
we shouldn't have a problem.

1473

01:44:02,649 --> 01:44:04,631

There is a possibility with this diversion,

1474

01:44:04,772 --> 01:44:06,451

many Gungans will be killed.

1475

01:44:07,181 --> 01:44:09,877

Wesa ready to do our-san part.

1476

01:44:10,478 --> 01:44:13,342

We have a plan which
should immobilize the droid army.

1477

01:44:14,149 --> 01:44:15,790

We will send what pilots we have

1478

01:44:15,791 --> 01:44:18,546

to knock out the droid control ship
orbiting the planet.

1479

01:44:18,987 --> 01:44:20,376

A well-conceived plan.

1480

01:44:20,477 --> 01:44:22,034

However, there is great risk.

1481

01:44:22,190 --> 01:44:25,092

The weapons on your fighters
may not penetrate the shields.

1482

01:44:25,294 --> 01:44:27,007

There's an even bigger danger.

1483

01:44:27,336 --> 01:44:29,057

If the Viceroy escapes, Your Highness,

1484

01:44:29,065 --> 01:44:31,229

he will return with another droid army.

1485

01:44:31,752 --> 01:44:34,304

Well, that is why we must not

fail to get the Viceroy.

1486

01:44:35,144 --> 01:44:36,871

Everything depends on it.

1487

01:44:42,402 --> 01:44:44,696

<i>She is more foolish than I thought.</i>

1488

01:44:45,026 --> 01:44:49,578

We are sending all troops to meet
this army assembling near the swamp.

1489

01:44:49,940 --> 01:44:52,659

It appears to be made up of primitives.

1490

01:44:53,197 --> 01:44:55,307

<i>This will work to our advantage.</i>

1491

01:44:55,537 --> 01:44:58,037

I have your approval
to proceed then my lord?

1492

01:44:59,053 --> 01:45:00,431

<i>Wipe them out.</i>

1493

01:45:02,663 --> 01:45:03,764

<i>All of them.</i>

1494

01:45:35,496 --> 01:45:36,496

Halt!

1495

01:45:40,168 --> 01:45:42,208

Starting up the shield.

1496

01:46:11,833 --> 01:46:12,938

Open fire.

1497

01:46:29,083 --> 01:46:32,199

Once we get inside, you find
a safe place to hide and stay there.

1498

01:46:32,638 --> 01:46:34,138

Sure.

Stay there.

1499

01:46:50,727 --> 01:46:51,749

Roger. Roger.

1500

01:47:00,821 --> 01:47:03,416

I thought the battle was going
to take place far from here.

1501

01:47:04,611 --> 01:47:05,835

This is too close.

1502

01:47:12,154 --> 01:47:13,427

Ani, find cover.

1503

01:47:14,584 --> 01:47:15,157

Quick!

1504

01:47:15,558 --> 01:47:16,749

Get to your ships!

1505

01:48:15,620 --> 01:48:16,961

Fighters straight ahead.

1506

01:48:16,962 --> 01:48:18,099

Roger, Bravo Leader.

1507

01:48:18,356 --> 01:48:19,485

Roger, Bravo Leader.

1508

01:48:28,090 --> 01:48:29,176

Cease fire.

1509

01:48:37,059 --> 01:48:38,925

Steady. Steady.

1510

01:49:12,404 --> 01:49:13,792

Activate the droids.

1511

01:49:14,193 --> 01:49:15,168

Yes, sir.

1512

01:49:32,243 --> 01:49:33,343

Ouch time.

1513

01:49:48,197 --> 01:49:49,241

Fire!

1514

01:50:11,345 --> 01:50:13,243

My guess is the Viceroy's
in the throne room.

1515

01:50:13,286 --> 01:50:14,681

Red group! Blue group!

1516

01:50:15,082 --> 01:50:16,288

Everybody, this way!

1517

01:50:17,182 --> 01:50:18,587

Hey, wait for me!

1518

01:50:19,126 --> 01:50:21,326

Anakin, stay where you are.
You'll be safe there.

1519

01:50:21,358 --> 01:50:22,080

But I...

1520

01:50:22,081 --> 01:50:23,259

Stay in that cockpit.

1521

01:50:35,411 --> 01:50:36,642

We'll handle this.

1522

01:50:37,243 --> 01:50:38,543

We'll take the long way.

1523

01:50:59,092 --> 01:51:01,026

We gotta do something, R2.

1524

01:51:23,874 --> 01:51:26,344

I'm trying to!

I don't know where the trigger is!

1525

01:51:31,073 --> 01:51:33,062

Wrong one.

Maybe it's this one.

1526

01:51:34,196 --> 01:51:35,895

Nope. Wait. Here it is.

1527

01:51:45,290 --> 01:51:46,374

Let's go!

1528

01:51:48,345 --> 01:51:50,049

It's on automatic pilot.

1529

01:51:59,281 --> 01:52:00,614

Try to override it.

1530

01:53:01,084 --> 01:53:02,776

We don't have time

for this, Captain.

1531

01:53:09,434 --> 01:53:11,230

Look! There they are.

1532

01:53:11,278 --> 01:53:13,344

That's where the autopilot's taking us.

1533

01:53:30,568 --> 01:53:31,692

Dumb droid.

1534

01:53:31,693 --> 01:53:32,613

Take that!

1535

01:53:33,560 --> 01:53:34,676

Get off! Get off!

1536

01:53:35,077 --> 01:53:36,142

Get off!

1537

01:53:37,730 --> 01:53:38,771

Mooie!

1538

01:53:46,695 --> 01:53:48,561

The deflector shield is too strong.

1539

01:53:58,150 --> 01:53:59,403

This is tense!

1540

01:54:01,043 --> 01:54:04,369

R2, get us off this autopilot.

1541

01:54:04,516 --> 01:54:06,041

It's gonna get us both killed.

1542

01:54:08,301 --> 01:54:09,742

You did it, R2!

1543

01:54:10,454 --> 01:54:11,815

Ok, let's go left.

1544

01:54:17,021 --> 01:54:18,034

Go back?

1545

01:54:18,361 --> 01:54:21,661

Qui-Gon told me to stay in this cockpit,
so that's what I'm gonna do.

1546

01:54:29,535 --> 01:54:31,715

I'll try spinning.

That's a good trick.

1547

01:54:37,292 --> 01:54:39,680

I know we're in trouble.

Just hang on.

1548

01:54:46,708 --> 01:54:47,708

Go!

1549

01:54:53,097 --> 01:54:54,162

Ascension guns!

1550

01:57:00,769 --> 01:57:02,396

Retreat! Retreat!

1551

01:57:04,205 --> 01:57:05,505

Dis is nutsen.

1552

01:57:16,618 --> 01:57:17,627

Big boomers.

1553

01:57:35,933 --> 01:57:37,618

Hey! Hey!

1554

01:57:38,421 --> 01:57:39,517

Give me a lift!

1555

01:57:48,099 --> 01:57:49,788

JarJar, usen da booma!

1556

01:57:49,927 --> 01:57:51,761

What? Mesa no have a booma!

1557

01:57:51,892 --> 01:57:53,460

Here. Taken dis one.

1558

01:58:07,361 --> 01:58:08,361

Help me!

1559

01:58:10,248 --> 01:58:12,677

JarJar! Jump, JarJar!

1560

01:58:12,778 --> 01:58:13,778

Jump!

1561

01:58:23,652 --> 01:58:24,987

Put down your weapons.

1562

01:58:24,988 --> 01:58:26,161

They win this round.

1563

01:58:39,289 --> 01:58:40,651

We're hit, R2!

1564

01:58:54,532 --> 01:58:57,225

I'm trying to stop!

I'm trying to stop!

1565

01:59:04,683 --> 01:59:06,187

Everything's overheated.

1566

01:59:08,274 --> 01:59:09,904

This is not good.

1567

01:59:55,442 --> 01:59:58,938

No!

1568

02:00:22,274 --> 02:00:24,400

No giben up, General JarJar.

1569

02:00:24,817 --> 02:00:26,617

Mesa tink of something.

1570

02:00:27,009 --> 02:00:27,765

Hands up.

1571

02:00:28,066 --> 02:00:29,081

My give up.

1572

02:00:29,302 --> 02:00:30,403

My give up.

1573

02:00:39,526 --> 02:00:42,504

Your little insurrection

is at an end, Your Highness.

1574

02:00:42,827 --> 02:00:46,929

Time for you to sign the treaty and end
this pointless debate in the senate.

1575

02:00:46,967 --> 02:00:48,064

Viceroy!

1576

02:00:48,804 --> 02:00:50,603

Your occupation here has ended.

1577

02:00:52,433 --> 02:00:53,384

After her.

1578

02:00:53,885 --> 02:00:55,401

This one's a decoy.

1579

02:01:02,201 --> 02:01:03,261

Captain!

1580

02:01:13,042 --> 02:01:14,090

Jam the doors.

1581

02:01:18,558 --> 02:01:21,163

Now, Viceroy, we will discuss
a new treaty.

1582

02:02:24,646 --> 02:02:26,076

Yes! We have power.

1583

02:02:26,112 --> 02:02:27,181

Shields up.

1584

02:02:30,260 --> 02:02:31,321

Take this!

1585

02:02:33,367 --> 02:02:34,288

And this!

1586

02:02:43,061 --> 02:02:44,262

We're losing power.

1587

02:02:44,291 --> 02:02:46,263

There seems to be a problem
with the main reactor.

1588

02:02:46,264 --> 02:02:47,163

Impossible!

1589

02:02:47,770 --> 02:02:49,570

Nothing can get through our shield.

1590

02:02:50,923 --> 02:02:52,270

Let's get outta here.

1591

02:03:00,927 --> 02:03:03,555

What's that?

It's blowing up from the inside!

1592

02:03:06,864 --> 02:03:07,828

We didn't hit it.

1593

02:03:10,980 --> 02:03:13,053

Now, this is Podracing.

1594

02:03:14,675 --> 02:03:16,406

Look, one of ours, out of the main hold!

1595

02:03:37,872 --> 02:03:38,952

What the...

1596

02:03:40,091 --> 02:03:41,126

Was'n they doing?

1597

02:03:41,776 --> 02:03:43,579

The control ship has been destroyed.

1598

02:03:43,980 --> 02:03:44,738

Look!

1599

02:03:47,316 --> 02:03:48,482

They all broke-ed.

1600

02:04:37,894 --> 02:04:41,348

No, it... it's too late. It's...

1601

02:04:41,491 --> 02:04:42,143

No.

1602

02:04:42,544 --> 02:04:43,623

Obi-Wan.

1603

02:04:45,173 --> 02:04:46,105

Promise...

1604

02:04:47,259 --> 02:04:49,321

Promise me you will train the boy.

1605

02:04:49,737 --> 02:04:50,837

Yes, Master.

1606

02:04:55,207 --> 02:04:57,489

He is the chosen one.

1607

02:04:58,118 --> 02:04:59,197

He...

1608

02:04:59,198 --> 02:05:01,149

will bring balance.

1609

02:05:02,674 --> 02:05:03,775

Train him.

1610

02:05:31,387 --> 02:05:32,572

Now, Viceroy,

1611

02:05:33,502 --> 02:05:36,304

you're going to have to go back
to the senate and explain all this.

1612

02:05:38,532 --> 02:05:41,132

I think you can kiss your
trade franchise good-bye.

1613

02:05:55,683 --> 02:05:58,711

We are indebted to you for
your bravery, Obi-Wan Kenobi.

1614

02:05:59,222 --> 02:06:00,922

And you, young Skywalker.

1615

02:06:01,794 --> 02:06:04,259

We will watch your career
with great interest.

1616

02:06:11,666 --> 02:06:13,814

Congratulations on your election,
Chancellor.

1617

02:06:14,853 --> 02:06:17,330

Your boldness has saved
our people, Your Majesty.

1618

02:06:17,376 --> 02:06:19,101

It's you who should be congratulated.

1619

02:06:19,556 --> 02:06:23,712

Together, we shall bring peace
and prosperity to the Republic.

1620

02:06:29,164 --> 02:06:33,558

Confer on you the level of
Jedi knight the council does.

1621

02:06:34,312 --> 02:06:38,434

But agree with your taking this boy
as your Padawan learner

1622

02:06:38,764 --> 02:06:40,064

I do not.

1623

02:06:40,766 --> 02:06:42,225

Qui-Gon believed in him.

1624

02:06:45,688 --> 02:06:47,892

The chosen one, the boy maybe...

1625

02:06:48,510 --> 02:06:49,594

Nevertheless,

1626

02:06:49,925 --> 02:06:53,017

grave danger I fear in his training.

1627

02:06:53,625 --> 02:06:54,588

Master Yoda,

1628

02:06:54,989 --> 02:06:56,951

I gave Qui-Gon my word.

1629

02:06:57,498 --> 02:06:58,904

I will train Anakin.

1630

02:07:01,672 --> 02:07:03,876

Without the approval of the council,

if I must.

1631

02:07:04,099 --> 02:07:06,361

Qui-Gon's defiance I sense in you.

1632

02:07:06,712 --> 02:07:08,213

Need that you do not.

1633

02:07:11,068 --> 02:07:12,933

Agree with you the council does.

1634

02:07:15,339 --> 02:07:18,538

Your apprentice Skywalker will be.

1635

02:07:46,318 --> 02:07:47,818

What will happen to me now?

1636

02:07:48,342 --> 02:07:50,653

The council have granted me
permission to train you.

1637

02:07:51,390 --> 02:07:53,047

You will be a Jedi,

1638

02:07:53,248 --> 02:07:54,292

I promise.

1639

02:08:04,178 --> 02:08:06,960

There's no doubt

the mysterious warrior was a Sith.

1640

02:08:07,780 --> 02:08:10,117

Always two there are.

1641

02:08:10,431 --> 02:08:13,060

No more, no less.

1642

02:08:13,691 --> 02:08:16,769

A master and an apprentice.

1643

02:08:16,819 --> 02:08:18,335

But which was destroyed?

1644

02:08:18,572 --> 02:08:20,607

The master or the apprentice?

1645

02:08:46,074 --> 02:08:48,133

Hello, everybody!

1646

02:09:34,795 --> 02:09:36,030

Peace!
