

Dialogues from Star Wars Episode II: Attack of the Clones to improve the vocabulary in English

1

00:02:16,600 --> 00:02:19,145

Senator, we're making
our final approach into Coruscant.

2

00:02:19,326 --> 00:02:21,601

Very good, Lieutenant.

3

00:03:13,324 --> 00:03:15,151

We made it.

4

00:03:18,579 --> 00:03:20,323

I guess I was wrong.

5

00:03:20,456 --> 00:03:22,662

There was no danger at all.

6

00:03:41,519 --> 00:03:43,143

Cordé.

7

00:03:44,480 --> 00:03:47,434

Milady, I'm so sorry.

8

00:03:48,359 --> 00:03:50,435

I've failed you, Senator.

9

00:03:50,569 --> 00:03:51,684

No.

10

00:03:54,865 --> 00:03:57,356

Milady, you're still in danger here.

11

00:04:03,833 --> 00:04:07,083

- I shouldn't have come back.

- This vote is very important.

12

00:04:07,420 --> 00:04:11,038

You did your duty.

Cordé did hers. Now, come.

13

00:04:12,925 --> 00:04:15,001

Senator Amidala, please.

14

00:04:26,605 --> 00:04:29,690

I don't know how much longer

I can hold off the vote, my friends.

15

00:04:30,484 --> 00:04:33,319

More and more star systems

are joining the separatists.

16

00:04:33,446 --> 00:04:35,237

If they do break away...

17

00:04:35,364 --> 00:04:38,614

I will not let this Republic

that has stood for a thousand years...

18

00:04:38,743 --> 00:04:40,782

be split in two.

19

00:04:40,911 --> 00:04:43,865

My negotiations will not fail.

20

00:04:44,206 --> 00:04:46,532

If they do, you must realize...

21

00:04:46,667 --> 00:04:48,743

there aren't enough Jedi
to protect the Republic.

22

00:04:49,670 --> 00:04:52,375

We're keepers of the peace,
not soldiers.

23

00:04:53,841 --> 00:04:55,549

Master Yoda...

24

00:04:56,510 --> 00:04:59,180

do you think it will
really come to war?

25

00:05:00,681 --> 00:05:04,975

The dark side clouds everything.

26

00:05:05,102 --> 00:05:10,060

Impossible to see the future is.

27

00:05:11,901 --> 00:05:15,104

<i>The Loyalist Committee</i>

<i>has arrived, Your Honour.</i>

28

00:05:15,237 --> 00:05:16,237

Good.

29

00:05:18,783 --> 00:05:20,906

Send them in.

30

00:05:21,035 --> 00:05:23,870

We will discuss this matter later.

31

00:05:28,084 --> 00:05:31,951

Senator Amidala, your tragedy
on the landing platform...

32

00:05:32,088 --> 00:05:33,961

terrible.

33

00:05:34,215 --> 00:05:37,833

Seeing you alive brings
warm feelings to my heart.

34

00:05:37,969 --> 00:05:40,673

Do you have any idea
who was behind this attack?

35

00:05:40,805 --> 00:05:45,383

Our intelligence points to disgruntled
spice miners on the moons of Naboo.

36

00:05:46,310 --> 00:05:48,350

I think that Count Dooku
was behind it.

37

00:05:48,479 --> 00:05:52,346

He is a political idealist,
not a murderer.

38

00:05:52,483 --> 00:05:55,437

You know, milady,
Count Dooku was once a Jedi.

39

00:05:55,569 --> 00:05:59,021

He couldn't assassinate anyone.

It's not in his character.

40

00:05:59,156 --> 00:06:01,694

But for certain, Senator...

41

00:06:01,826 --> 00:06:05,658

in grave danger you are.

42

00:06:06,831 --> 00:06:09,701

Master Jedi, may I suggest...

43

00:06:09,834 --> 00:06:13,914

the senator be placed under
the protection of your graces?

44

00:06:14,046 --> 00:06:17,083

Do you really think that's a wise
decision under these stressful times?

45

00:06:17,216 --> 00:06:19,292

Chancellor, if I may comment,
I do not believe...

46

00:06:19,427 --> 00:06:21,752

The situation is that serious?

47

00:06:22,346 --> 00:06:24,303

No, but I do, Senator.

48

00:06:24,432 --> 00:06:27,765

I realize all too well
that additional security...

49

00:06:27,893 --> 00:06:31,345

might be disruptive for you...

50

00:06:31,480 --> 00:06:34,150

but perhaps someone
you're familiar with.

51

00:06:34,483 --> 00:06:38,267

An old friend, like Master Kenobi.

52

00:06:39,155 --> 00:06:40,649

That's possible.

53

00:06:40,781 --> 00:06:43,533

He's just returned
from a border dispute on Ansion.

54

00:06:44,702 --> 00:06:46,825

Do it for me, milady. Please?

55

00:06:46,954 --> 00:06:49,326

The thought of losing you...

56

00:06:51,083 --> 00:06:53,123

is unbearable.

57

00:06:54,003 --> 00:06:57,170

I will have Obi-Wan
report to you immediately, milady.

58

00:06:57,298 --> 00:06:59,540

Thank you, Master Windu.

59

00:07:08,684 --> 00:07:12,433

- You seem a little on edge.

- Not at all.

60

00:07:12,563 --> 00:07:16,181

I haven't felt you this tense since
we fell into that nest of gundarks.

61

00:07:16,942 --> 00:07:18,900

You fell into that nightmare, Master...

62

00:07:19,028 --> 00:07:21,436

and I rescued you, remember?

63

00:07:21,947 --> 00:07:23,940

Oh... yes.

64

00:07:29,413 --> 00:07:33,458

You're sweating. Relax.

Take a deep breath.

65

00:07:34,502 --> 00:07:36,660

I haven't seen her
in ten years, Master.

66

00:07:51,352 --> 00:07:54,057

Obi? Obi!

67

00:07:54,188 --> 00:07:57,853

- Mesa so smilen to seein yousa!
- Good to see you again, Jar Jar.

68

00:07:57,984 --> 00:07:59,941

Senator Padmé.

69

00:08:00,069 --> 00:08:03,652

Mesa palos here!
Lookie, lookie, Senator.

70

00:08:03,781 --> 00:08:06,486

Desa Jedi arriven.

71

00:08:10,371 --> 00:08:13,076

It's a great pleasure

to see you again, milady.

72

00:08:13,207 --> 00:08:15,663

It has been far too long,

Master Kenobi.

73

00:08:17,044 --> 00:08:18,455

Ani?

74

00:08:18,587 --> 00:08:21,873

- My goodness, you've grown.

- So have you.

75

00:08:22,008 --> 00:08:24,380

Grown more beautiful, I mean.

76

00:08:24,510 --> 00:08:27,179

Well, for a senator, I mean.

77

00:08:29,557 --> 00:08:32,677

Ani, you'll always be that little boy

I knew on Tatooine.

78

00:08:34,270 --> 00:08:37,721

Our presence here will be invisible,
milady, I can assure you.

79

00:08:37,857 --> 00:08:40,264

I'm Captain Typho
of Her Majesty's security service.

80

00:08:40,401 --> 00:08:42,475

Queen Jamillia has been informed
of your assignment.

81

00:08:42,575 --> 00:08:44,693

I am grateful you are here,
Master Kenobi.

82

00:08:44,822 --> 00:08:47,574

The situation is more dangerous
than the senator will admit.

83

00:08:47,700 --> 00:08:50,369

I don't need more security.
I need answers.

84

00:08:50,494 --> 00:08:52,701

I want to know
who's trying to kill me.

85

00:08:52,830 --> 00:08:56,614

We are here to protect you,
Senator, not to start an investigation.

86

00:08:56,751 --> 00:08:59,123

We will find out
who's trying to kill you, Padmé.

87

00:08:59,253 --> 00:09:01,080

I promise you.

88

00:09:01,213 --> 00:09:03,918

We will not exceed our mandate,
my young Padawan learner.

89

00:09:04,050 --> 00:09:06,967

I meant that in the interest
of protecting her, Master, of course.

90

00:09:07,094 --> 00:09:09,585

We will not go through
this exercise again, Anakin...

91

00:09:09,722 --> 00:09:11,631

and you will pay attention
to my lead.

92

00:09:11,766 --> 00:09:13,842

- Why?
- What?

93

00:09:15,728 --> 00:09:19,429

Why else do you think we were assigned
to her if not to find the killer?

94

00:09:19,565 --> 00:09:22,815

Protection is a job
for local security, not Jedi.

95

00:09:22,943 --> 00:09:25,779

It's overkill, Master.

Investigation is implied in our mandate.

96

00:09:25,905 --> 00:09:29,155

We will do exactly
as the council has instructed.

97

00:09:31,661 --> 00:09:34,661

And you will learn
your place, young one.

98

00:09:38,167 --> 00:09:40,160

Perhaps with merely your presence...

99

00:09:40,294 --> 00:09:43,212

the mystery surrounding
this threat will be revealed.

100

00:09:43,339 --> 00:09:45,912

Now, if you'll excuse me...

101

00:09:46,175 --> 00:09:47,883

I will retire.

102

00:09:49,261 --> 00:09:51,301

I know I'll feel better

having you here.

103

00:09:51,430 --> 00:09:53,553

I'll have an officer stationed

on every floor...

104

00:09:53,683 --> 00:09:55,841

and I'll be in the control centre

downstairs.

105

00:09:57,478 --> 00:10:00,479

Mesa busten wit happiness

seein yousa again, Ani.

106

00:10:00,606 --> 00:10:03,726

She hardly even

recognized me, Jar Jar.

107

00:10:05,361 --> 00:10:08,278

I've thought about her

every day since we parted and...

108

00:10:09,657 --> 00:10:11,614

she's forgotten me completely.

109

00:10:11,742 --> 00:10:13,367

Shesa happy.

110

00:10:13,494 --> 00:10:15,866

Happier den mesa seein her

in a longo time.

111

00:10:15,997 --> 00:10:19,781

You're focusing on the negative, Anakin.

Be mindful of your thoughts.

112

00:10:20,126 --> 00:10:22,533

She was pleased to see us.

113

00:10:22,670 --> 00:10:24,627

Now, let's check the security.

114

00:10:33,597 --> 00:10:35,720

I hit the ship,
but they used a decoy.

115

00:10:35,850 --> 00:10:38,092

We'll have to try something
more subtle this time, Zam.

116

00:10:38,227 --> 00:10:40,220

My client is getting impatient.

117

00:10:40,354 --> 00:10:43,189

Take these. Be careful.
They're very poisonous.

118

00:10:43,316 --> 00:10:46,731

And, Zam, there can be
no mistakes this time.

119

00:10:50,239 --> 00:10:52,481

Captain Typho has
more than enough men downstairs.

120

00:10:52,616 --> 00:10:54,526

No assassin would try that way.

121

00:10:55,119 --> 00:10:57,657

- Any activity up here?

- Quiet as a tomb.

122

00:10:59,206 --> 00:11:02,042

I don't like just waiting here
for something to happen to her.

123

00:11:02,418 --> 00:11:05,668

- What's going on?

- She covered the cameras.

124

00:11:06,422 --> 00:11:08,415

I don't think she liked me
watching her.

125

00:11:08,549 --> 00:11:10,423

What is she thinking?

126

00:11:10,551 --> 00:11:13,552

She programmed R2 to warn us

if there is an intruder.

127

00:11:13,679 --> 00:11:16,253

There are many other ways
to kill a senator.

128

00:11:16,390 --> 00:11:20,720

I know, but we also want to catch
this assassin, don't we, Master?

129

00:11:22,855 --> 00:11:24,931

You're using her as bait.

130

00:11:25,066 --> 00:11:27,105

It was her idea.

131

00:11:27,234 --> 00:11:29,772

Don't worry.

No harm will come to her.

132

00:11:29,904 --> 00:11:32,858

I can sense everything
going on in that room.

133

00:11:32,990 --> 00:11:35,232

Trust me.

134

00:11:35,368 --> 00:11:37,241

It's too risky.

135

00:11:37,745 --> 00:11:40,948

Besides, your senses aren't
that attuned, my young apprentice.

136

00:11:41,374 --> 00:11:43,366

And yours are?

137

00:11:45,586 --> 00:11:47,460

Possibly.

138

00:12:01,811 --> 00:12:03,768

You look tired.

139

00:12:04,522 --> 00:12:06,479

I don't sleep well any more.

140

00:12:06,607 --> 00:12:09,098

Because of your mother?

141

00:12:14,281 --> 00:12:17,069

I don't know

why I keep dreaming about her.

142

00:12:19,829 --> 00:12:21,738

Dreams pass in time.

143

00:12:23,332 --> 00:12:25,870

I'd much rather dream about Padmé.

144

00:12:26,002 --> 00:12:30,165

Just being around her again is...

intoxicating.

145

00:12:30,298 --> 00:12:32,753

Be mindful of your thoughts, Anakin.

They betray you.

146

00:12:32,883 --> 00:12:35,172

You've made a commitment
to the Jedi order...

147

00:12:35,303 --> 00:12:37,342

a commitment not easily broken.

148

00:12:37,471 --> 00:12:40,223

And don't forget, she's a politician.
They're not to be trusted.

149

00:12:40,349 --> 00:12:42,923

She's not like the others
in the senate, Master.

150

00:12:43,060 --> 00:12:45,183

It is my experience
that senators focus...

151

00:12:45,313 --> 00:12:48,183

only on pleasing those
who fund their campaigns...

152

00:12:48,941 --> 00:12:52,476

and they're in no means scared of
forgetting the niceties of democracy...

153

00:12:52,611 --> 00:12:54,731

- in order to get those funds.
- Not another lecture.

154

00:12:54,905 --> 00:12:57,693

At least not
on the economics of politics.

155

00:13:53,339 --> 00:13:56,044

And besides, you're generalizing.

156

00:13:56,175 --> 00:13:58,215

The chancellor doesn't appear
to be corrupt.

157

00:13:58,344 --> 00:13:59,968

Palpatine is a politician.

158

00:14:00,096 --> 00:14:02,717

I have observed
that he is very clever...

159

00:14:02,848 --> 00:14:06,798

in following the passions
and the prejudices of the senators.

160

00:14:06,936 --> 00:14:08,810

I think he's a good man...

161

00:14:08,938 --> 00:14:10,812

I sense it too.

162

00:14:27,331 --> 00:14:30,001

Stay here!

163

00:14:32,420 --> 00:14:34,329

Are you all right, milady?

164

00:15:08,789 --> 00:15:09,987

What the...

165

00:15:18,633 --> 00:15:20,293

<i>Jedi poo doo!</i>

166

00:16:22,154 --> 00:16:24,396

- What took you so long?

- Oh, you know, Master.

167

00:16:24,532 --> 00:16:27,402

- I couldn't find a speeder I liked...

- There he is.

168

00:16:27,535 --> 00:16:30,904

With the open cockpit
and the right speed capabilities.

169

00:16:31,038 --> 00:16:33,948

If you spent as long practising your
sabre techniques as you do your wit...

170

00:16:34,048 --> 00:16:35,678

you would rival Master Yoda
as a swordsman.

171

00:16:35,793 --> 00:16:37,453

I thought I already did.

172

00:16:37,586 --> 00:16:40,291

Only in your mind,
my very young apprentice.

173

00:17:08,784 --> 00:17:11,192

Pull up, Anakin. Pull up!

174

00:17:18,336 --> 00:17:20,459

You know I don't like it
when you do that.

175

00:17:20,588 --> 00:17:23,791

Sorry, Master.
I forgot you don't like flying.

176

00:17:23,924 --> 00:17:26,712

I don't mind flying,
but what you're doing is suicide!

177

00:17:55,039 --> 00:17:57,993

Anakin! How many times
have I told you...

178

00:17:59,210 --> 00:18:01,333
stay away from power couplings!

179

00:18:03,005 --> 00:18:04,334
That was good!

180

00:18:19,897 --> 00:18:22,388
Where are you going?
He went that way.

181

00:18:22,525 --> 00:18:24,485
Master, if we keep this chase
going any longer...

182

00:18:24,652 --> 00:18:26,644
that creep is gonna end up deep-fried...

183

00:18:26,779 --> 00:18:31,026
and, personally, I'd like to find out
who he is and who he's working for.

184

00:18:31,158 --> 00:18:33,828

This is a short cut... I think.

185

00:19:01,647 --> 00:19:03,474

Well, you've lost him.

186

00:19:04,025 --> 00:19:06,064

I'm deeply sorry, Master.

187

00:19:06,193 --> 00:19:08,067

That was some short cut, Anakin.

188

00:19:08,195 --> 00:19:10,603

He went completely the other way.

189

00:19:10,740 --> 00:19:12,820

- Once again you've proved...

- If you'll excuse me.

190

00:19:15,328 --> 00:19:17,901

I hate it when he does that.

191

00:21:46,937 --> 00:21:48,681

Anakin!

192

00:21:48,814 --> 00:21:51,602

- She went into the club, Master.

- Patience.

193

00:21:51,734 --> 00:21:55,233

- Use the Force. Think.

- Sorry, Master.

194

00:21:55,363 --> 00:21:58,114

- He went in there to hide, not to run.

- Yes, Master.

195

00:21:58,240 --> 00:22:01,028

- Next time, try not to lose it.

- Yes, Master.

196

00:22:01,160 --> 00:22:05,074

- This weapon is your life.

- I try, Master.

197

00:22:05,206 --> 00:22:07,875

Why do I get the feeling
you're going to be the death of me?

198

00:22:08,000 --> 00:22:09,660

Don't say that, Master.

199

00:22:09,794 --> 00:22:11,833

You're the closest thing
I have to a father.

200

00:22:11,963 --> 00:22:13,789

Then why don't you listen to me?

201

00:22:13,923 --> 00:22:15,500

I am trying.

202

00:22:27,645 --> 00:22:29,554

Can you see him?

203

00:22:29,689 --> 00:22:31,598

I think he is a she...

204

00:22:31,732 --> 00:22:34,402

and I think she is a changeling.

205

00:22:35,027 --> 00:22:37,649

In that case, be extra careful.

206

00:22:39,699 --> 00:22:42,106

- Go and find her.

- Where are you going, Master?

207

00:22:42,243 --> 00:22:43,702

For a drink.

208

00:22:54,297 --> 00:22:56,123

Thank you.

209

00:22:56,882 --> 00:23:00,298

- You wanna buy some death sticks?

- You don't want to sell me death sticks.

210

00:23:00,428 --> 00:23:02,337

I don't want to
sell you death sticks.

211

00:23:02,471 --> 00:23:04,547

You want to go home
and rethink your life.

212

00:23:04,682 --> 00:23:07,007

I want to go home
and rethink my life.

213

00:23:55,191 --> 00:23:56,471

Easy.

214

00:23:56,609 --> 00:23:58,732

Jedi business.
Go back to your drinks.

215

00:24:05,368 --> 00:24:07,989

Do you know who it was
you were trying to kill?

216

00:24:08,663 --> 00:24:10,454

It was a senator from Naboo.

217

00:24:10,581 --> 00:24:13,202

- And who hired you?

- It was just a job.

218

00:24:14,335 --> 00:24:16,577

Who hired you? Tell us.

219

00:24:18,089 --> 00:24:20,081

Tell us now!

220

00:24:21,050 --> 00:24:22,877

It was a bounty hunter called...

221

00:24:28,182 --> 00:24:32,643

<i>Wee shahnit... sleemo.</i>

222

00:24:42,238 --> 00:24:44,065

Toxic dart.

223

00:24:54,500 --> 00:24:58,545

Track down this bounty hunter
you must, Obi-Wan.

224

00:24:58,671 --> 00:25:02,087

Most importantly,
find out who he's working for.

225

00:25:02,216 --> 00:25:06,084

What about Senator Amidala?
She will still need protecting.

226

00:25:06,220 --> 00:25:09,138

Handle that your Padawan will.

227

00:25:10,891 --> 00:25:14,510

Anakin, escort the senator
back to her home planet of Naboo.

228

00:25:14,645 --> 00:25:18,346

She'll be safer there.
And don't use registered transport.

229

00:25:18,482 --> 00:25:20,440

Travel as refugees.

230

00:25:20,568 --> 00:25:23,438

As the leader of the opposition,
it will be very difficult...

231

00:25:23,571 --> 00:25:25,943

to get Senator Amidala
to leave the capital.

232

00:25:26,907 --> 00:25:29,743

Until caught this killer is...

233

00:25:29,869 --> 00:25:32,905

our judgement she must respect.

234

00:25:33,372 --> 00:25:35,448

Anakin, go to the senate...

235

00:25:35,583 --> 00:25:38,750

and ask Chancellor Palpatine
to speak with her about this matter.

236

00:25:47,678 --> 00:25:49,587

I will talk with her.

237

00:25:49,722 --> 00:25:52,806

Senator Amidala will not refuse
an executive order.

238

00:25:52,933 --> 00:25:55,092

I know her well enough
to assure you of that.

239

00:25:55,227 --> 00:25:57,267

Thank you, Your Excellency.

240

00:25:57,396 --> 00:26:00,730

And so, they've finally
given you an assignment.

241

00:26:01,901 --> 00:26:03,858

Your patience has paid off.

242

00:26:03,986 --> 00:26:06,275

Your guidance

more than my patience.

243

00:26:07,448 --> 00:26:09,773

You don't need guidance, Anakin.

244

00:26:11,118 --> 00:26:14,119

In time, you will learn

to trust your feelings.

245

00:26:16,082 --> 00:26:18,158

Then you will be invincible.

246

00:26:21,295 --> 00:26:23,169

I have said it many times:

247

00:26:23,297 --> 00:26:26,049

You are the most gifted Jedi

I have ever met.

248

00:26:26,175 --> 00:26:28,049

Thank you, Your Excellency.

249

00:26:28,177 --> 00:26:31,842

I see you becoming the greatest
of all the Jedi, Anakin...

250

00:26:31,973 --> 00:26:34,510

even more powerful
than Master Yoda.

251

00:26:39,689 --> 00:26:41,681

I am concerned for my Padawan.

252

00:26:41,816 --> 00:26:44,520

He is not ready to be given
this assignment on his own yet.

253

00:26:44,652 --> 00:26:47,855

The council is confident
in its decision, Obi-Wan.

254

00:26:47,989 --> 00:26:49,946

The boy has exceptional skills.

255

00:26:50,074 --> 00:26:52,482

But he still has much to learn, Master.

256

00:26:52,618 --> 00:26:56,034

His abilities have made him,
well, arrogant.

257

00:26:56,163 --> 00:26:58,121

Yes.

258

00:26:58,249 --> 00:27:01,166

A flaw more and more common
among Jedi.

259

00:27:03,296 --> 00:27:05,668

Too sure of themselves they are.

260

00:27:05,798 --> 00:27:09,214

Even the older,
more experienced ones.

261

00:27:09,343 --> 00:27:12,878

Remember, Obi-Wan,
if the prophecy is true...

262

00:27:13,014 --> 00:27:16,632

your apprentice is the only one who can
bring the Force back into balance.

263

00:27:20,771 --> 00:27:23,558

I'm taking
an extended leave of absence.

264

00:27:23,691 --> 00:27:26,811

It will be your responsibility
to take my place in the senate.

265

00:27:26,944 --> 00:27:29,815

Representative Binks,
I know I can count on you.

266

00:27:29,947 --> 00:27:34,443

Mesa honoured to be taking on
dissa heavy burden.

267

00:27:34,827 --> 00:27:39,074

Mesa accept this

with muy, muy humility and...

268

00:27:39,206 --> 00:27:41,744

Jar Jar, I don't wish to hold you up.

269

00:27:41,876 --> 00:27:43,833

I'm sure you have

a great deal to do.

270

00:27:43,961 --> 00:27:45,753

Of course.

271

00:27:46,047 --> 00:27:47,624

Milady.

272

00:27:52,219 --> 00:27:54,093

I do not like this idea of hiding.

273

00:27:55,056 --> 00:27:56,254

Don't worry.

274

00:27:56,390 --> 00:27:58,597

Now that the council
has ordered an investigation...

275

00:27:58,726 --> 00:28:01,395

it won't take Master Obi-Wan long
to find this bounty hunter.

276

00:28:01,520 --> 00:28:04,391

I haven't worked for a year
to defeat the Military Creation Act...

277

00:28:04,523 --> 00:28:06,563

to not be here
when its fate is decided.

278

00:28:06,692 --> 00:28:08,732

Sometimes we must
let go of our pride...

279

00:28:08,861 --> 00:28:11,399

and do what is requested of us.

280

00:28:11,530 --> 00:28:13,938

Anakin, you've grown up.

281

00:28:15,826 --> 00:28:18,234

Master Obi-Wan manages
not to see it.

282

00:28:25,127 --> 00:28:27,749

Don't get me wrong.

283

00:28:27,880 --> 00:28:29,671

Obi-Wan is a great mentor.

284

00:28:29,799 --> 00:28:32,290

As wise as Master Yoda and...

285

00:28:32,426 --> 00:28:34,549

as powerful as Master Windu.

286

00:28:36,931 --> 00:28:39,338

I am truly thankful
to be his apprentice.

287

00:28:41,519 --> 00:28:44,555

In some ways...

a lot of ways...

288

00:28:46,607 --> 00:28:48,564

I'm really ahead of him.

289

00:28:49,318 --> 00:28:51,145

I'm ready for the trials...

290

00:28:51,278 --> 00:28:54,647

but he feels that

I'm too unpredictable.

291

00:28:54,782 --> 00:28:56,691

He won't let me move on.

292

00:28:57,576 --> 00:28:59,818

- That must be frustrating.

- It's worse.

293

00:28:59,954 --> 00:29:02,741

He's overly critical.

He never listens.

294

00:29:02,873 --> 00:29:05,199

He doesn't understand.

295

00:29:05,334 --> 00:29:07,410

It's not fair!

296

00:29:07,545 --> 00:29:12,337

All mentors have a way of seeing
more of our faults than we would like.

297

00:29:12,466 --> 00:29:14,459

It's the only way we grow.

298

00:29:16,595 --> 00:29:18,006

I know.

299

00:29:18,973 --> 00:29:20,965

Anakin...

300

00:29:23,352 --> 00:29:25,843

don't try to grow up too fast.

301

00:29:25,980 --> 00:29:27,889

But I am grown up.

302

00:29:30,109 --> 00:29:32,066

You said it yourself.

303

00:29:33,195 --> 00:29:35,271

Please don't look at me like that.

304

00:29:36,282 --> 00:29:37,741

Why not?

305

00:29:37,867 --> 00:29:39,990

It makes me feel uncomfortable.

306

00:29:41,996 --> 00:29:43,953

Sorry, milady.

307

00:29:59,263 --> 00:30:02,015

- Be safe, milady.

- Thank you, Captain.

308

00:30:02,141 --> 00:30:05,177

Take good care of Dormé.

The threat's on you two now.

309

00:30:05,311 --> 00:30:07,268

He'll be safe with me.

310

00:30:11,692 --> 00:30:13,317

You'll be fine.

311

00:30:13,444 --> 00:30:16,611

It's not me, milady.

I worry about you.

312

00:30:16,739 --> 00:30:19,064

What if they realize

you've left the capital?

313

00:30:20,242 --> 00:30:23,528

Well, then my Jedi protector
will have to prove how good he is.

314

00:30:23,663 --> 00:30:25,536

Anakin...

315

00:30:25,665 --> 00:30:28,749

don't do anything without first
consulting either myself or the council.

316

00:30:28,876 --> 00:30:30,785

Yes, Master.

317

00:30:31,963 --> 00:30:34,454

I'll get to the bottom
of this plot quickly, milady.

318

00:30:34,590 --> 00:30:36,499

You'll be back here in no time.

319

00:30:36,634 --> 00:30:39,837

I'll be most grateful
for your speed, Master Jedi.

320

00:30:39,971 --> 00:30:41,844

- It's time to go.

- I know.

321

00:30:41,973 --> 00:30:44,464

Anakin, may the Force be with you.

322

00:30:44,600 --> 00:30:46,640

May the Force be with you, Master.

323

00:30:58,114 --> 00:30:59,987

Suddenly I'm afraid.

324

00:31:00,116 --> 00:31:03,698

This is my first assignment on my own.

I am too.

325

00:31:06,122 --> 00:31:08,245

Don't worry.

We have R2 with us.

326

00:31:13,629 --> 00:31:16,167

I do hope he doesn't try
anything foolish.

327

00:31:16,924 --> 00:31:20,376

I'd be more concerned about her
doing something than him.

328

00:31:41,824 --> 00:31:43,900

Someone to see ya, honey!

329

00:31:44,368 --> 00:31:46,242

Jedi, by the looks of him.

330

00:31:47,330 --> 00:31:48,907

Obi-Wan!

331

00:31:49,999 --> 00:31:51,279

Hello, Dex.

332

00:31:51,417 --> 00:31:53,990

Take a seat.

I'll be right with ya.

333

00:31:56,422 --> 00:31:59,376

- You wanna cup o' jawa juice?

- Oh, yes. Thank you.

334

00:32:04,055 --> 00:32:06,213

Old buddy!

335

00:32:15,608 --> 00:32:18,525

So, my friend, what can I do for ya?

336

00:32:18,653 --> 00:32:20,479

You can tell me what this is.

337

00:32:21,989 --> 00:32:25,192

Well, whattaya know!

338

00:32:25,326 --> 00:32:27,698

I ain't seen one of these

since I was prospectin'...

339

00:32:27,828 --> 00:32:31,032

on Subterrel, beyond the outer rim.

340

00:32:31,165 --> 00:32:33,573

Can you tell me

where it came from?

341

00:32:33,709 --> 00:32:36,663

This baby belongs to them cloners.

342

00:32:36,796 --> 00:32:41,090

What you got here

is a Kamino sabredart.

343

00:32:41,217 --> 00:32:44,171

I wonder why it didn't show up

in the analysis archives.

344

00:32:44,303 --> 00:32:47,553

It's these funny little cuts on the side

that give it away.

345

00:32:47,682 --> 00:32:51,596

Those analysis droids

only focus on symbols.

346

00:32:51,727 --> 00:32:53,969

I should think that you Jedi
would have more respect...

347

00:32:54,105 --> 00:32:56,430

for the difference
between knowledge and...

348

00:32:57,608 --> 00:32:59,233

wisdom.

349

00:32:59,360 --> 00:33:01,353

Well, if droids could think...

350

00:33:01,487 --> 00:33:03,527

there'd be none of us here,
would there?

351

00:33:04,281 --> 00:33:06,498

Kamino. I'm not familiar with it.
Is it in the Republic?

352

00:33:06,598 --> 00:33:08,533

No, no. It's beyond the outer rim.

353

00:33:08,661 --> 00:33:14,248

I'd say about 12 parsecs
outside the Rishi Maze.

354

00:33:14,375 --> 00:33:18,918

Should be easy to find,
even for those droids in your archives.

355

00:33:19,880 --> 00:33:24,589

These Kaminoans
keep to themselves.

356

00:33:24,719 --> 00:33:27,589

They're cloners.
Damn good ones too.

357

00:33:28,764 --> 00:33:31,849

- Cloners. Are they friendly?
- Depends.

358

00:33:32,268 --> 00:33:34,177

Depends on what, Dex?

359

00:33:34,312 --> 00:33:37,147

On how good your manners are...

360

00:33:37,273 --> 00:33:41,567

and how big your... pocketbook is.

361

00:33:52,413 --> 00:33:54,986

- Did you call for assistance?

- Yes, I did.

362

00:33:55,124 --> 00:33:57,247

Are you having a problem,

Master Kenobi?

363

00:33:57,376 --> 00:34:00,626

Yes, I'm looking for a planetary system
called Kamino.

364

00:34:00,755 --> 00:34:02,996

It doesn't show up
on the archive charts.

365

00:34:03,132 --> 00:34:07,426

Kamino. It's not a system
I'm familiar with.

366

00:34:07,553 --> 00:34:09,878

Are you sure you have
the right coordinates?

367

00:34:10,014 --> 00:34:12,968

According to my information, it should
appear in this quadrant here...

368

00:34:13,100 --> 00:34:15,176

just south of the Rishi Maze.

369

00:34:22,109 --> 00:34:25,443

I hate to say it, but it looks like
the system you're searching for...

370

00:34:25,571 --> 00:34:27,445

doesn't exist.

371

00:34:27,573 --> 00:34:30,823

Impossible.

Perhaps the archives are incomplete.

372

00:34:30,951 --> 00:34:33,988

If an item does not appear
in our records...

373

00:34:34,121 --> 00:34:36,197

it does not exist.

374

00:34:57,979 --> 00:35:00,220

Hey, you! No droids!

375

00:35:00,606 --> 00:35:02,480

Get outta here!

376

00:35:09,323 --> 00:35:11,197

Thank you, R2.

377

00:35:11,993 --> 00:35:14,863

Must be difficult,
having sworn your life to the Jedi...

378

00:35:14,996 --> 00:35:18,863

not being able to visit the places
you like or do the things you like.

379

00:35:19,000 --> 00:35:21,122

Or be with the people that I love.

380

00:35:22,086 --> 00:35:24,079

Are you allowed to love?

381

00:35:24,213 --> 00:35:26,040

I thought that was forbidden
for a Jedi.

382

00:35:29,593 --> 00:35:31,882

Attachment is forbidden.

383

00:35:33,681 --> 00:35:35,555

Possession is forbidden.

384

00:35:35,683 --> 00:35:39,266

Compassion, which I would define
as unconditional love...

385

00:35:39,395 --> 00:35:41,803

is central to a Jedi's life.

386

00:35:44,317 --> 00:35:48,646

So you might say that
we are encouraged to love.

387

00:35:48,779 --> 00:35:50,689

You've changed so much.

388

00:35:50,823 --> 00:35:53,361

You haven't changed a bit.

389

00:35:53,492 --> 00:35:56,327

You're exactly the way
I remember you in my dreams.

390

00:36:09,008 --> 00:36:12,708

Reach out.

Sense the Force around you.

391

00:36:12,845 --> 00:36:15,514

Use your feelings you must.

392

00:36:19,935 --> 00:36:22,936

Younglings. Younglings!

393

00:36:23,064 --> 00:36:25,471

A visitor we have.

394

00:36:25,608 --> 00:36:28,478

Hello, Master Obi-Wan.

395

00:36:28,611 --> 00:36:30,022

Hello.

396

00:36:30,154 --> 00:36:31,648

I'm sorry to disturb you, Master.

397

00:36:31,781 --> 00:36:34,106

What help can I be, Obi-Wan?

398

00:36:35,576 --> 00:36:38,447

I'm looking for a planet
described to me by an old friend.

399

00:36:38,579 --> 00:36:41,699

I trust him, but the systems don't show
on the archive maps.

400

00:36:43,292 --> 00:36:46,127

Lost a planet Master Obi-Wan has.

401

00:36:46,253 --> 00:36:48,211

How embarrassing!

402

00:36:51,676 --> 00:36:53,668

Liam, the shades.

403

00:36:55,054 --> 00:36:57,462

Gather round the map reader.

404

00:36:57,598 --> 00:36:59,757

Clear your minds...

405

00:36:59,892 --> 00:37:03,343

and find Obi-Wan's

wayward planet we will.

406

00:37:04,563 --> 00:37:07,683

It ought to be here...

407

00:37:07,817 --> 00:37:09,690

but it isn't.

408

00:37:09,819 --> 00:37:13,235

Gravity is pulling all the stars

in the area towards this spot.

409

00:37:14,865 --> 00:37:16,941

Gravity's silhouette remains...

410

00:37:17,076 --> 00:37:19,993

but the star and all the planets...

411

00:37:20,121 --> 00:37:22,113

disappeared they have.

412

00:37:22,248 --> 00:37:24,371

How can this be?

413

00:37:25,584 --> 00:37:27,209

A thought?

414

00:37:28,129 --> 00:37:30,002

Anyone.

415

00:37:30,464 --> 00:37:31,875

Master?

416

00:37:32,008 --> 00:37:34,878

Because someone erased it
from the archive memory.

417

00:37:38,222 --> 00:37:42,090

Truly wonderful the mind of a child is.

418

00:37:45,021 --> 00:37:47,227

The Padawan is right.

419

00:37:47,356 --> 00:37:50,393

Go to the centre of gravity's pull...

420

00:37:50,526 --> 00:37:53,977

and find your planet you will.

421

00:37:59,410 --> 00:38:02,411

The data must have been erased.

422

00:38:02,830 --> 00:38:07,575

But who could empty information from
the archives? Isn't that impossible?

423

00:38:07,710 --> 00:38:11,079

Dangerous and disturbing
this puzzle is.

424

00:38:11,213 --> 00:38:15,543

Only a Jedi

could have erased those files.

425

00:38:15,676 --> 00:38:19,092

But who and why, harder to answer.

426

00:38:20,181 --> 00:38:23,016

Meditate on this I will.

427

00:38:47,875 --> 00:38:50,164

I wasn't the youngest queen

ever elected...

428

00:38:50,294 --> 00:38:53,877

but now that I think back on it,

I'm not sure I was old enough.

429

00:38:54,006 --> 00:38:55,915

I'm not sure I was ready.

430

00:38:56,050 --> 00:38:58,588

The people you served

thought you did a good job.

431

00:38:59,011 --> 00:39:01,085

I heard they even tried
to amend the constitution...

432

00:39:01,185 --> 00:39:03,220

so you could stay in office.

433

00:39:03,349 --> 00:39:05,804

I was relieved
when my two terms were up.

434

00:39:05,935 --> 00:39:09,600

But when the queen asked me
to serve as senator...

435

00:39:09,730 --> 00:39:11,723

I couldn't refuse her.

436

00:39:12,024 --> 00:39:15,358

I agree with her.
I think the Republic needs you.

437

00:39:17,488 --> 00:39:19,611

I'm glad that you chose to serve.

438

00:39:26,622 --> 00:39:30,157

If the senate votes to create an army,
it's sure to push us into a civil war.

439

00:39:30,293 --> 00:39:32,119

It's unthinkable!

440

00:39:32,253 --> 00:39:35,622

There hasn't been a full-scale war
since the formation of the Republic.

441

00:39:35,756 --> 00:39:38,212

Do you see any way
through negotiations...

442

00:39:38,342 --> 00:39:40,418

to bring the separatists
back into the Republic?

443

00:39:40,553 --> 00:39:42,711

Not if they feel threatened.

444

00:39:42,847 --> 00:39:46,180

They'll turn to the Trade Federations
or the Commerce Guilds for help.

445

00:39:46,309 --> 00:39:48,266

It's outrageous...

446

00:39:48,394 --> 00:39:50,636

but after four trials
in the Supreme Court...

447

00:39:50,771 --> 00:39:54,555

Nute Gunray is still the viceroy
of the Trade Federation.

448

00:39:54,692 --> 00:39:58,690

I fear the senate is powerless
to resolve this crisis.

449

00:40:00,823 --> 00:40:02,981

We must keep our faith
in the Republic.

450

00:40:09,874 --> 00:40:13,918

The day we stop believing democracy
can work is the day we lose it.

451

00:40:14,045 --> 00:40:16,714

Let's pray that day never comes.

452

00:40:16,839 --> 00:40:19,508

In the meantime,
we must consider your own safety.

453

00:40:20,343 --> 00:40:22,584

What is your suggestion, Master Jedi?

454

00:40:22,720 --> 00:40:26,053

Anakin's not a Jedi yet.
He's still a Padawan learner.

455

00:40:26,182 --> 00:40:28,009

- But I was thinking...

- Hold on a minute.

456

00:40:28,142 --> 00:40:29,387

Excuse me.

457

00:40:29,518 --> 00:40:31,926

I was thinking I would stay
in the lake country.

458

00:40:32,063 --> 00:40:34,269

There are some places up there
that are very isolated.

459

00:40:34,398 --> 00:40:37,435

Excuse me. I'm in charge
of security here, milady.

460

00:40:38,319 --> 00:40:41,189

And this is my home. I know it
very well. That is why we're here.

461

00:40:41,322 --> 00:40:43,279

I think it would be wise...

462

00:40:43,407 --> 00:40:45,779

if you took advantage
of my knowledge in this instance.

463

00:40:47,161 --> 00:40:49,070

Sorry, milady.

464

00:40:52,291 --> 00:40:54,414

Perfect. It's settled, then.

465

00:41:08,391 --> 00:41:11,095

There it is, R4,
right where it should be.

466

00:41:11,227 --> 00:41:13,054

Our missing planet Kamino.

467

00:41:51,225 --> 00:41:53,099

Master Jedi.

468

00:41:54,228 --> 00:41:56,553

The prime minister is expecting you.

469

00:41:57,815 --> 00:42:00,187

- I'm expected?

- Of course.

470

00:42:01,110 --> 00:42:03,352

He is anxious to meet you.

471

00:42:03,487 --> 00:42:05,646

After all these years...

472

00:42:05,781 --> 00:42:09,364

we were beginning to think
you weren't coming.

473

00:42:09,493 --> 00:42:11,700

Now, please, this way.

474

00:42:24,508 --> 00:42:26,964

May I present Lama Su...

475

00:42:27,094 --> 00:42:29,134

prime minister of Kamino.

476

00:42:30,890 --> 00:42:32,929

And this is Master Jedi...

477

00:42:33,184 --> 00:42:35,057

Obi-Wan Kenobi.

478

00:42:35,186 --> 00:42:38,471

I trust you're going

to enjoy your stay.

479

00:42:39,940 --> 00:42:41,898

Please.

480

00:42:43,569 --> 00:42:45,728

And now to business.

481

00:42:45,863 --> 00:42:49,777

You will be delighted to hear

that we are on schedule.

482

00:42:50,910 --> 00:42:52,784

200,000 units are ready...

483

00:42:52,912 --> 00:42:55,237

with a million more

well on the way.

484

00:42:56,415 --> 00:42:58,324

That's good news.

485

00:42:58,459 --> 00:43:01,579

Please tell your Master Sifo-Dyas...

486

00:43:01,712 --> 00:43:05,046

that his order will be met on time.

487

00:43:05,174 --> 00:43:07,131

I'm sorry. Master...

488

00:43:08,302 --> 00:43:10,840

Jedi Master Sifo-Dyas is still...

489

00:43:10,972 --> 00:43:14,091

a leading member of the Jedi Council,
is he not?

490

00:43:14,225 --> 00:43:18,009

Master Sifo-Dyas was killed
almost ten years ago.

491

00:43:19,647 --> 00:43:21,972

I'm so sorry to hear that.

492

00:43:22,108 --> 00:43:26,355

But I'm sure he would have been proud
of the army we've built for him.

493

00:43:26,487 --> 00:43:28,812

The army?

494

00:43:28,948 --> 00:43:32,566

Yes, a clone army, and I must say...

495

00:43:32,702 --> 00:43:34,908

one of the finest we've ever created.

496

00:43:35,037 --> 00:43:36,994

Tell me, Prime Minister...

497

00:43:37,123 --> 00:43:39,578

when my master first contacted you
about the army...

498

00:43:39,709 --> 00:43:41,832

did he say who it was for?

499

00:43:41,961 --> 00:43:43,953

Of course he did.

500

00:43:44,088 --> 00:43:46,757

This army is for the Republic.

501

00:43:47,633 --> 00:43:51,216

But you must be anxious
to inspect the units for yourself.

502

00:43:52,805 --> 00:43:54,845

That's why I'm here.

503

00:44:15,703 --> 00:44:17,826

We used to come here
for school retreat.

504

00:44:19,582 --> 00:44:21,658

We would swim
to that island every day.

505

00:44:23,002 --> 00:44:24,959

I love the water.

506

00:44:29,717 --> 00:44:33,335

We used to lie out on the sand
and let the sun dry us...

507

00:44:33,846 --> 00:44:36,800

and try to guess the names
of the birds singing.

508

00:44:39,685 --> 00:44:41,678

I don't like sand.

509

00:44:42,480 --> 00:44:46,145

It's coarse and rough and irritating...

510

00:44:46,567 --> 00:44:48,524

and it gets everywhere.

511

00:44:50,738 --> 00:44:52,777

Not like here.

512

00:44:53,407 --> 00:44:55,364

Here, everything is soft...

513

00:44:57,536 --> 00:44:59,695

and smooth.

514

00:45:36,283 --> 00:45:37,943

No.

515

00:45:38,619 --> 00:45:40,659

I shouldn't have done that.

516

00:45:42,415 --> 00:45:44,372

I'm sorry.

517

00:45:57,972 --> 00:45:59,596

Very impressive.

518

00:45:59,724 --> 00:46:01,847

I'd hoped you would be pleased.

519

00:46:04,979 --> 00:46:07,470

Clones can think creatively.

520

00:46:07,606 --> 00:46:11,474

You will find that they are
immensely superior to droids.

521

00:46:15,489 --> 00:46:20,650

We take great pride in our combat
education and training programmes.

522

00:46:20,786 --> 00:46:24,120

This group was created
about five years ago.

523

00:46:24,248 --> 00:46:26,288

You mentioned growth acceleration.

524

00:46:26,417 --> 00:46:28,326

Oh, yes, it's essential.

525

00:46:28,461 --> 00:46:31,462

Otherwise, a mature clone
would take a lifetime to grow.

526

00:46:31,589 --> 00:46:34,162

Now we can do it in half the time.

527

00:46:34,300 --> 00:46:36,921

I see.

528

00:46:37,053 --> 00:46:38,926

They are totally obedient...

529

00:46:39,055 --> 00:46:41,724

taking any order without question.

530

00:46:41,849 --> 00:46:43,889

We modified their genetic structure...

531

00:46:44,018 --> 00:46:47,221

to make them less independent
than the original host.

532

00:46:47,355 --> 00:46:49,893

And who was the original host?

533

00:46:50,024 --> 00:46:52,100

A bounty hunter called Jango Fett.

534

00:46:53,694 --> 00:46:55,770

And where is this bounty hunter now?

535

00:46:55,905 --> 00:46:58,028

Oh, we keep him here.

536

00:47:00,701 --> 00:47:03,536

Apart from his pay,
which is considerable...

537

00:47:03,663 --> 00:47:06,118

Fett demanded only one thing:

538

00:47:06,248 --> 00:47:08,822

An unaltered clone for himself.

539

00:47:08,960 --> 00:47:11,367

- Curious, isn't it?

- "Unaltered"?

540

00:47:11,504 --> 00:47:13,995

Pure genetic replication.

541

00:47:14,131 --> 00:47:17,251

No tampering with the structure
to make it more docile...

542

00:47:17,385 --> 00:47:19,923

and no growth acceleration.

543

00:47:20,054 --> 00:47:23,304

I should very much like
to meet this Jango Fett.

544

00:47:23,432 --> 00:47:26,682

I would be very happy
to arrange it for you.

545

00:47:44,286 --> 00:47:47,074

Magnificent, aren't they?

546

00:47:53,212 --> 00:47:55,039

I don't know.

547

00:47:56,257 --> 00:47:58,415

Sure you do.
You just don't want to tell me.

548

00:47:58,551 --> 00:48:00,876

You gonna use one of your
Jedi mind tricks on me?

549

00:48:01,012 --> 00:48:03,088

They only work on the weak-minded.

550

00:48:04,515 --> 00:48:06,140

All right.

551

00:48:06,267 --> 00:48:08,425

I was 12.

His name was Palo.

552

00:48:08,561 --> 00:48:11,016

We were both

in the Legislative Youth Programme.

553

00:48:11,147 --> 00:48:14,183

He was a few years older than I.

Very cute.

554

00:48:14,317 --> 00:48:16,642

Dark, curly hair.

Dreamy eyes.

555

00:48:16,777 --> 00:48:18,770

All right, I get the picture.

556

00:48:19,155 --> 00:48:21,028

Whatever happened to him?

557

00:48:21,157 --> 00:48:23,861

I went into public service.

He went on to become an artist.

558

00:48:23,993 --> 00:48:26,032

Maybe he was the smart one.

559

00:48:26,162 --> 00:48:28,404

You really don't like
politicians, do you?

560

00:48:28,539 --> 00:48:30,662

I like two or three...

561

00:48:30,791 --> 00:48:32,867

but I'm not really sure

about one of them.

562

00:48:36,881 --> 00:48:38,957

I don't think the system works.

563

00:48:39,300 --> 00:48:41,755

How would you have it work?

564

00:48:42,303 --> 00:48:46,087

We need a system where the politicians
sit down and discuss the problem...

565

00:48:46,557 --> 00:48:49,048

agree what's in the best interest
of all the people...

566

00:48:49,185 --> 00:48:51,012

and then do it.

567

00:48:51,145 --> 00:48:52,888

That's exactly what we do.

568

00:48:53,022 --> 00:48:55,015

The trouble is that people
don't always agree.

569

00:48:55,149 --> 00:48:57,023

Well, then they should be made to.

570

00:48:57,151 --> 00:49:00,187

- By whom? Who's gonna make them?

- I don't know. Someone.

571

00:49:00,321 --> 00:49:02,360

- You?

- Of course not me.

572

00:49:02,490 --> 00:49:05,444

- But someone.

- Someone wise.

573

00:49:05,576 --> 00:49:09,360

Sounds an awful lot
like a dictatorship to me.

574

00:49:10,873 --> 00:49:13,115

Well, if it works.

575

00:49:20,216 --> 00:49:22,007

- You're making fun of me.

- No.

576

00:49:22,134 --> 00:49:24,672

I'd be much too frightened

to tease a senator.

577

00:50:03,759 --> 00:50:06,250

Ani, are you all right?

578

00:50:42,590 --> 00:50:45,626

Boba, is your father here?

579

00:50:46,677 --> 00:50:47,677

Yep.

580

00:50:47,803 --> 00:50:49,843

May we see him?

581

00:50:50,765 --> 00:50:52,757

Sure.

582

00:50:54,393 --> 00:50:56,516

Dad, Taun We's here.

583

00:51:09,700 --> 00:51:12,156

Jango, welcome back.

584

00:51:12,495 --> 00:51:14,404

Was your trip productive?

585

00:51:14,538 --> 00:51:16,448

Fairly.

586

00:51:16,582 --> 00:51:20,366

This is Jedi Master Obi-Wan Kenobi.

587

00:51:20,503 --> 00:51:23,290

He's come to check on our progress.

588

00:51:23,631 --> 00:51:26,501

Your clones are very impressive.

You must be very proud.

589

00:51:26,634 --> 00:51:29,635

I'm just a simple man trying
to make my way in the universe.

590

00:51:29,762 --> 00:51:33,427

Ever made your way as far
into the interior as Coruscant?

591

00:51:34,392 --> 00:51:36,431

- Once or twice.

- Recently?

592

00:51:38,604 --> 00:51:40,264

Possibly.

593

00:51:40,398 --> 00:51:42,474

Then you must know
Master Sifo-Dyas.

594

00:51:47,113 --> 00:51:49,105

Boba, <i>rood eht so-heeck.</i>

595

00:51:50,324 --> 00:51:51,735

Master who?

596

00:51:54,203 --> 00:51:55,781

Sifo-Dyas.

597

00:51:55,913 --> 00:51:58,534

Is he not the Jedi

who hired you for this job?

598

00:52:01,502 --> 00:52:03,376

Never heard of him.

599

00:52:06,299 --> 00:52:07,378

Really?

600

00:52:08,509 --> 00:52:12,673

I was recruited by a man called Tyranus

on one of the moons of Bogden.

601

00:52:12,805 --> 00:52:14,216

Curious.

602

00:52:18,269 --> 00:52:20,475

Do you like your army?

603

00:52:21,314 --> 00:52:23,271

I look forward
to seeing them in action.

604

00:52:24,692 --> 00:52:27,895

They'll do their job well.
I'll guarantee that.

605

00:52:28,029 --> 00:52:30,152

Thank you for your time, Jango.

606

00:52:31,949 --> 00:52:34,025

Always a pleasure to meet a Jedi.

607

00:52:53,429 --> 00:52:55,671

What is it, Dad?

608

00:52:57,058 --> 00:52:59,050

Pack your things.

We're leaving.

609

00:53:03,981 --> 00:53:08,275

And when I got to them,

we went into aggressive negotiations.

610

00:53:08,402 --> 00:53:10,442

"Aggressive negotiations"?

What's that?

611

00:53:10,863 --> 00:53:14,030

Well, negotiations with a lightsabre.

612

00:53:27,046 --> 00:53:30,166

If Master Obi-Wan caught me
doing this, he'd be very grumpy.

613

00:53:59,537 --> 00:54:01,743

From the moment I met you...

614

00:54:02,873 --> 00:54:05,032

all those years ago...

615

00:54:05,459 --> 00:54:08,460

not a day has gone by

when I haven't thought of you.

616

00:54:11,215 --> 00:54:13,587

And now that I'm with you again...

617

00:54:14,260 --> 00:54:16,336

I'm in agony.

618

00:54:19,765 --> 00:54:23,597

The closer I get to you,

the worse it gets.

619

00:54:23,728 --> 00:54:26,135

The thought of not being with you...

620

00:54:27,023 --> 00:54:28,932

I can't breathe.

621

00:54:32,820 --> 00:54:34,729

I'm haunted by the kiss...

622

00:54:34,864 --> 00:54:37,818

that you should never have given me.

623

00:54:38,284 --> 00:54:40,573

My heart is beating...

624

00:54:40,703 --> 00:54:43,620

hoping that that kiss

will not become a scar.

625

00:54:45,833 --> 00:54:48,704

You are in my very soul...

626

00:54:48,836 --> 00:54:50,876

tormenting me.

627

00:54:53,341 --> 00:54:56,840

What can I do?

I will do anything that you ask.

628

00:55:07,813 --> 00:55:11,396

If you are suffering
as much as I am, please, tell me.

629

00:55:13,277 --> 00:55:15,151

I can't.

630

00:55:16,280 --> 00:55:19,317

We can't.
It's... just not possible.

631

00:55:19,450 --> 00:55:22,404

Anything is possible, Padmé.
Listen to me.

632

00:55:22,536 --> 00:55:24,576

No, you listen.

633

00:55:25,206 --> 00:55:28,788

We live in a real world.
Come back to it.

634

00:55:28,918 --> 00:55:32,583

You're studying to become a Jedi.

I'm a senator.

635

00:55:34,507 --> 00:55:36,962

If you follow your thoughts

through to conclusion...

636

00:55:37,093 --> 00:55:39,548

it'll take us to a place

we cannot go...

637

00:55:40,846 --> 00:55:43,053

regardless of the way

we feel about each other.

638

00:55:43,182 --> 00:55:45,175

Then you do feel something.

639

00:55:45,309 --> 00:55:48,310

I will not let you give up

your future for me.

640

00:55:48,437 --> 00:55:50,596

You are asking me to be rational.

641

00:55:51,732 --> 00:55:53,974

That is something

I know I cannot do.

642

00:55:54,110 --> 00:55:58,736

Believe me, I wish that

I could just wish away my feelings...

643

00:55:58,864 --> 00:56:00,857

but I can't.

644

00:56:01,826 --> 00:56:04,530

I will not give in to this.

645

00:56:11,669 --> 00:56:13,875

Well, you know...

646

00:56:14,005 --> 00:56:16,792

it wouldn't have to be that way.

647

00:56:16,924 --> 00:56:19,759

We could keep it a secret.

648

00:56:21,220 --> 00:56:23,177

We'd be living a lie...

649

00:56:23,306 --> 00:56:25,594

one we couldn't keep

even if we wanted to.

650

00:56:26,726 --> 00:56:28,967

I couldn't do that.

651

00:56:29,103 --> 00:56:31,974

Could you, Anakin?

Could you live like that?

652

00:56:33,941 --> 00:56:36,942

No. You're right.

653

00:56:38,446 --> 00:56:40,403

It would destroy us.

654

00:56:47,913 --> 00:56:51,781

Tell your council that
the first battalions are ready.

655

00:56:52,209 --> 00:56:55,294

And remind them,
if they need more troops...

656

00:56:55,421 --> 00:56:58,541

it will take more time to grow them.

657

00:56:58,674 --> 00:57:00,418

I won't forget, and thank you.

658

00:57:00,551 --> 00:57:02,378

Thank you.

659

00:57:19,403 --> 00:57:20,779

R4!

660

00:57:20,905 --> 00:57:24,190

Scramble code five to Coruscant,
care of the old folks' home!

661

00:57:30,790 --> 00:57:34,075

<i>I have successfully made contact</i>
<i>with the prime minister of Kamino.</i>

662

00:57:34,210 --> 00:57:38,077

<i>They are using a bounty hunter named</i>
<i>Jango Fett to create a clone army.</i>

663

00:57:38,214 --> 00:57:40,669

<i>I have a strong feeling</i>
<i>that this bounty hunter...</i>

664

00:57:40,800 --> 00:57:42,876

<i>is the assassin we are looking for.</i>

665

00:57:43,010 --> 00:57:44,967

Do you think these cloners
are involved...

666

00:57:45,096 --> 00:57:47,135

in the plot to assassinate

Senator Amidala?

667

00:57:47,264 --> 00:57:50,135

<i>No, Master.</i>

<i>There appears to be no motive.</i>

668

00:57:50,267 --> 00:57:53,138

Do not assume anything, Obi-Wan.

669

00:57:53,270 --> 00:57:56,224

Clear your mind must be...

670

00:57:56,357 --> 00:58:00,520

if you are to discover

the real villains behind this plot.

671

00:58:00,653 --> 00:58:02,480

<i>Yes, Master.</i>

672

00:58:02,613 --> 00:58:05,650

<i>They say Master Sifo-Dyas placed</i>

<i>an order for a clone army...</i>

673

00:58:05,783 --> 00:58:09,366

<i>at the request of the senate</i>

<i>almost ten years ago.</i>

674

00:58:12,248 --> 00:58:15,083

<i>I was under the impression</i>

<i>he was killed before that.</i>

675

00:58:15,209 --> 00:58:18,708

<i>Did the council ever authorize</i>

<i>the creation of a clone army?</i>

676

00:58:18,838 --> 00:58:20,711

No. Whoever placed that order...

677

00:58:20,840 --> 00:58:23,082

did not have the authorization
of the Jedi Council.

678

00:58:23,217 --> 00:58:26,835

Bring him here.

Question him we will.

679

00:58:28,180 --> 00:58:31,051

<i>Yes, Master.</i>

<i>I will report back when I have him.</i>

680

00:58:32,768 --> 00:58:36,303

Blind we are if creation
of this clone army...

681

00:58:36,439 --> 00:58:38,562

we could not see.

682

00:58:41,944 --> 00:58:44,103

I think it is time
we informed the senate...

683

00:58:44,238 --> 00:58:46,278

that our ability to use
the Force has diminished.

684

00:58:47,158 --> 00:58:51,487

Only the dark lord of the Sith
knows of our weakness.

685

00:58:51,620 --> 00:58:53,862

If informed the senate is...

686

00:58:53,998 --> 00:58:56,453

multiply our adversaries will.

687

00:58:58,085 --> 00:58:59,710

No.

688

00:59:03,174 --> 00:59:05,131

Mom, no.

689

00:59:33,746 --> 00:59:35,952

Don't go.

690

00:59:38,000 --> 00:59:39,957

I don't want to disturb you.

691

00:59:41,295 --> 00:59:43,252

Your presence is soothing.

692

00:59:46,175 --> 00:59:48,251

You had another nightmare last night.

693

00:59:49,470 --> 00:59:51,842

Jedi don't have nightmares.

694

00:59:52,390 --> 00:59:54,382

I heard you.

695

00:59:59,313 --> 01:00:01,306

I saw my mother.

696

01:00:04,318 --> 01:00:06,394

She is suffering, Padmé.

697

01:00:08,864 --> 01:00:12,068

I saw her as clearly as I see you now.

698

01:00:23,379 --> 01:00:25,917

She is in pain.

699

01:00:27,008 --> 01:00:30,377

I know I'm disobeying my mandate
to protect you, Senator...

700

01:00:30,511 --> 01:00:32,504

but I have to go.

701

01:00:35,474 --> 01:00:37,467

I have to help her.

702

01:00:39,186 --> 01:00:41,096

I'll go with you.

703

01:00:41,230 --> 01:00:43,472

I'm sorry.

I don't have a choice.

704

01:00:54,577 --> 01:00:56,451

Dad, look!

705

01:00:57,079 --> 01:00:59,487

Boba, get on board!

706

01:02:15,783 --> 01:02:17,491

Oh, not good.

707

01:04:27,081 --> 01:04:28,492

Wait right there.

708

01:04:28,624 --> 01:04:30,617

Okey-okey.

709

01:04:33,004 --> 01:04:34,664

<i>Chut-chut,</i> Watto.

710

01:04:36,757 --> 01:04:38,916

Let me help you with that.

711

01:04:40,094 --> 01:04:43,380

What? What do you want?

712

01:04:43,514 --> 01:04:45,970

Wait! You're a Jedi!

713

01:04:46,100 --> 01:04:49,267

Whatever it is, I didn't do it.

714

01:04:54,984 --> 01:04:57,142

I'm looking for Shmi Skywalker.

715

01:04:59,947 --> 01:05:01,572

Ani?

716

01:05:03,492 --> 01:05:05,236

Little Ani?

717

01:05:08,205 --> 01:05:10,163

Nahhh.

718

01:05:11,959 --> 01:05:14,664

You are Ani! It is you!

719

01:05:16,088 --> 01:05:19,338

You sure sprouted, huh?

720

01:05:20,176 --> 01:05:22,714

A Jedi! Whattaya know!

721

01:05:25,973 --> 01:05:29,841

Maybe you could help with some
deadbeats who owe me a lot of money.

722

01:05:29,977 --> 01:05:31,436

My mother.

723

01:05:31,562 --> 01:05:34,053

Oh, yeah. Shmi.

724

01:05:35,524 --> 01:05:38,728

She's not mine-a no more-a.

I sold her.

725

01:05:38,861 --> 01:05:41,150

- You sold her?

- Years ago.

726

01:05:41,280 --> 01:05:44,364

Sorry, Ani, but you know,
business is business.

727

01:05:45,493 --> 01:05:49,241
I sold her to a moisture farmer
named Lars.

728

01:05:49,372 --> 01:05:51,364
At least I think it was Lars.

729

01:05:51,499 --> 01:05:54,998
Believe it or not, I heard
he freed her and married her!

730

01:05:55,127 --> 01:05:57,416
Can ya beat that, eh?

731

01:05:59,924 --> 01:06:01,963
Do you know where they are now?

732

01:06:03,052 --> 01:06:04,961
Long way from here.

733

01:06:05,096 --> 01:06:09,556

Someplace over on the other side
of Mos Eisley, I think.

734

01:06:09,684 --> 01:06:11,676

I'd like to know.

735

01:06:13,354 --> 01:06:16,106

Sure. Absolutely!

736

01:06:17,191 --> 01:06:19,231

Let's go look at my records, huh?

737

01:06:47,635 --> 01:06:50,457

Dad!

I think we're being tracked!

738

01:06:50,590 --> 01:06:54,006

He must have put
a homing device on our hull.

739

01:06:54,135 --> 01:06:56,377

Hang on, son.

We'll move into the asteroid field...

740

01:06:56,513 --> 01:06:59,348

and we'll have

a couple of surprises for him.

741

01:07:10,360 --> 01:07:12,317

Seismic charges!

742

01:07:12,445 --> 01:07:13,774

Stand by.

743

01:07:39,097 --> 01:07:41,766

He doesn't seem

to take a hint, this guy.

744

01:08:00,243 --> 01:08:01,618

Watch out!

745

01:08:21,389 --> 01:08:24,094

Get him, Dad! Fire!

746

01:08:26,019 --> 01:08:28,557

Blast! This is why I hate flying!

747

01:08:48,625 --> 01:08:50,119

We got him!

748

01:08:50,251 --> 01:08:52,244

We'll just have to finish him.

749

01:09:18,196 --> 01:09:21,731

R4, prepare to jettison
the spare part canisters.

750

01:09:25,745 --> 01:09:28,497

Fire them now!

751

01:09:40,677 --> 01:09:43,132

We won't be seeing him again.

752

01:10:17,005 --> 01:10:19,674

Well, R4, I think
we've waited long enough.

753

01:10:40,320 --> 01:10:44,187

There's an unusual concentration
of Federation ships over there, R4.

754

01:11:20,360 --> 01:11:22,269

Stay with the ship, R2.

755

01:11:36,918 --> 01:11:40,786

Hello. How might I be
of service? I am C...

756

01:11:40,922 --> 01:11:42,796

3PO?

757

01:11:44,676 --> 01:11:46,503

The maker!

758

01:11:46,636 --> 01:11:48,261

Master Ani!

759

01:11:48,388 --> 01:11:51,175

I knew you would return.

I knew it!

760

01:11:51,308 --> 01:11:53,015

And Miss Padmé. Oh, my.

761

01:11:53,143 --> 01:11:54,720

Hello, 3PO.

762

01:11:54,853 --> 01:11:58,720

Bless my circuits!

I'm so pleased to see you both.

763

01:11:58,857 --> 01:12:00,814

I've come to see my mother.

764

01:12:02,652 --> 01:12:04,692

I think perhaps

we'd better go indoors.

765

01:12:07,657 --> 01:12:12,153

Master Owen, might I present

two most important visitors.

766

01:12:12,287 --> 01:12:14,576

I'm Anakin Skywalker.

767

01:12:15,832 --> 01:12:17,457

Owen Lars.

768

01:12:17,584 --> 01:12:19,742

- This is my girlfriend, Beru.

- Hello.

769

01:12:19,878 --> 01:12:21,870

I'm Padmé.

770

01:12:22,255 --> 01:12:24,627

I guess I'm your stepbrother.

771

01:12:24,758 --> 01:12:27,628

I had a feeling

you might show up someday.

772

01:12:28,428 --> 01:12:30,136

Is my mother here?

773

01:12:30,263 --> 01:12:31,971

No, she's not.

774

01:12:33,183 --> 01:12:34,891

Cliegg Lars.

775

01:12:35,018 --> 01:12:37,011

Shmi is my wife.

776

01:12:38,146 --> 01:12:41,147

We should go inside.

We have a lot to talk about.

777

01:12:48,782 --> 01:12:51,866

It was just before dawn.

They came out of nowhere.

778

01:12:51,993 --> 01:12:54,864

A hunting party of Tusken Raiders.

779

01:12:55,872 --> 01:12:58,743

Your mother had gone out early,
like she always did...

780

01:12:58,875 --> 01:13:02,244

to pick mushrooms
that grow on the vaporators.

781

01:13:02,963 --> 01:13:06,497

From the tracks,
she was about halfway home...

782

01:13:06,633 --> 01:13:08,507

when they took her.

783

01:13:10,136 --> 01:13:12,176

Those Tusken's walk like men...

784

01:13:12,305 --> 01:13:16,884

but they're vicious, mindless monsters.

785

01:13:18,728 --> 01:13:21,765

Thirty of us went out after her.

Four of us came back.

786

01:13:22,732 --> 01:13:26,860

I'd be out there with them,
but after I lost my leg...

787

01:13:26,987 --> 01:13:32,610

I just couldn't ride any more
until I heal.

788

01:13:33,493 --> 01:13:35,450

I don't want to give up on her...

789

01:13:35,578 --> 01:13:38,414

but she's been gone a month.

790

01:13:38,540 --> 01:13:41,541

There's little hope
she's lasted this long.

791

01:13:46,339 --> 01:13:48,296

Where are you going?

792

01:13:48,800 --> 01:13:50,840

To find my mother.

793

01:13:52,053 --> 01:13:54,888

Your mother's dead, son.

Accept it.

794

01:14:17,078 --> 01:14:20,032

You're gonna have to stay here.

795

01:14:20,165 --> 01:14:22,834

These are good people, Padmé.

You'll be safe.

796

01:14:35,472 --> 01:14:37,429

I won't be long.

797

01:16:26,416 --> 01:16:28,409

We must persuade

the Commerce Guild...

798

01:16:28,543 --> 01:16:30,915

and the Corporate Alliance
to sign the treaty.

799

01:16:31,046 --> 01:16:33,833

What about the senator
from Naboo?

800

01:16:34,466 --> 01:16:36,505

Is she dead yet?

801

01:16:37,218 --> 01:16:41,133

I am not signing your treaty
until I have her head on my desk.

802

01:16:41,264 --> 01:16:43,553

I am a man of my word, Viceroy.

803

01:16:43,683 --> 01:16:46,720

With these new battle droids
we've built for you...

804

01:16:46,853 --> 01:16:50,020

you'll have the finest army

in the galaxy.

805

01:17:00,950 --> 01:17:02,824

As I explained to you earlier...

806

01:17:02,952 --> 01:17:06,156

I am quite convinced
that 10,000 more systems...

807

01:17:06,289 --> 01:17:09,076

will rally to our cause
with your support, gentlemen.

808

01:17:10,043 --> 01:17:12,960

What you are proposing
could be construed as treason.

809

01:17:13,922 --> 01:17:15,630

The Techno Union army...

810

01:17:18,885 --> 01:17:21,637

is at your disposal, Count.

811

01:17:22,514 --> 01:17:26,013

The Banking Clan will sign your treaty.

812

01:17:26,142 --> 01:17:28,016

Good. Very good.

813

01:17:29,145 --> 01:17:32,561

Our friends from the Trade Federation
have pledged their support...

814

01:17:32,941 --> 01:17:35,396

and when their battle droids
are combined with yours...

815

01:17:35,652 --> 01:17:38,688

we shall have an army
greater than any in the galaxy.

816

01:17:39,531 --> 01:17:42,236

The Jedi will be overwhelmed.

817

01:17:43,326 --> 01:17:47,110

The Republic will agree
to any demands we make.

818

01:18:47,974 --> 01:18:49,967

Mom?

819

01:18:52,395 --> 01:18:54,352

Ani?

820

01:18:55,607 --> 01:18:57,398

Ani?

821

01:18:58,652 --> 01:19:00,276

Is it you?

822

01:19:00,403 --> 01:19:03,986

I'm here, Mom. You're safe.

823

01:19:10,372 --> 01:19:13,326

You look so handsome.

824

01:19:16,753 --> 01:19:18,829

My son.

825

01:19:18,964 --> 01:19:21,715

My grown-up son.

826

01:19:23,259 --> 01:19:25,501

I'm so proud of you, Ani.

827

01:19:25,637 --> 01:19:27,546

I missed you.

828

01:19:30,308 --> 01:19:32,384

Now I am complete.

829

01:19:38,441 --> 01:19:41,442

I love y...

830

01:19:42,654 --> 01:19:45,774

Stay with me, Mom. Everything...

831

01:19:45,907 --> 01:19:47,947

I love...

832

01:19:49,494 --> 01:19:51,950

I love...

833

01:20:49,054 --> 01:20:51,093

<i>Anakin!</i>

834

01:20:51,640 --> 01:20:53,098

<i>No!</i>

835

01:21:13,495 --> 01:21:15,119

What is it?

836

01:21:16,206 --> 01:21:19,657

Pain, suffering...

837

01:21:20,251 --> 01:21:22,244

death I feel.

838

01:21:26,800 --> 01:21:29,919

Something terrible has happened.

839

01:21:32,597 --> 01:21:35,598

Young Skywalker is in pain...

840

01:21:35,725 --> 01:21:37,599

terrible pain.

841

01:21:42,399 --> 01:21:46,017

The transmitter is working,
but we're not receiving a return signal.

842

01:21:46,152 --> 01:21:48,857

Coruscant's too far.
R4, can you boost the power?

843

01:21:50,448 --> 01:21:52,441

We'll have to try something else.

844

01:21:55,370 --> 01:21:58,157

Maybe we can contact Anakin
on Naboo.

845

01:21:58,498 --> 01:22:00,158

It's much closer.

846

01:22:01,960 --> 01:22:04,285

Anakin, do you copy?

847

01:22:04,421 --> 01:22:07,375

This is Obi-Wan Kenobi. Anakin?

848

01:22:07,507 --> 01:22:09,832

He's not on Naboo, R4.

849

01:22:11,386 --> 01:22:13,544

I'm going to try and widen the range.

850

01:22:16,975 --> 01:22:18,932

I do hope nothing's happened to him.

851

01:22:26,443 --> 01:22:28,316

That's Anakin's tracking signal,
all right...

852

01:22:28,445 --> 01:22:30,900

but it's coming from Tatooine.

853

01:22:32,490 --> 01:22:35,064

What in the blazes is he doing there?

854

01:22:35,201 --> 01:22:37,159

I told him to stay on Naboo.

855

01:22:39,831 --> 01:22:42,322

We haven't got much time.

856

01:22:42,459 --> 01:22:44,498

Anakin, do you copy?

857

01:22:44,628 --> 01:22:46,667

This is Obi-Wan Kenobi.

858

01:22:54,596 --> 01:22:56,505

<i>Retransmit this message...</i>

859

01:22:58,600 --> 01:23:01,221

<i>Anakin, do you copy?</i>

860

01:23:01,353 --> 01:23:03,678

<i>My long-range transmitter</i>

<i>has been knocked out.</i>

861

01:23:03,813 --> 01:23:06,139

<i>Retransmit this message to Coruscant.</i>

862

01:23:50,694 --> 01:23:52,686

I brought you something.

863

01:23:52,821 --> 01:23:54,944

Are you hungry?

864

01:23:56,700 --> 01:23:58,657

The shifter broke.

865

01:24:00,537 --> 01:24:03,324

Life seems so much simpler
when you're fixing things.

866

01:24:05,792 --> 01:24:09,291

I'm good at fixing things.

Always was.

867

01:24:11,631 --> 01:24:13,588

But I couldn't...

868

01:24:17,595 --> 01:24:19,505

Why'd she have to die?

869

01:24:23,018 --> 01:24:25,094

Why couldn't I save her?

870

01:24:25,228 --> 01:24:27,268

I know I could have!

871

01:24:30,108 --> 01:24:32,646

Sometimes there are things

no one can fix.

872

01:24:34,321 --> 01:24:36,990

- You're not all-powerful, Ani.

- Well, I should be!

873

01:24:39,743 --> 01:24:41,735

Someday I will be.

874

01:24:42,078 --> 01:24:44,700

I will be the most powerful Jedi ever.

875

01:24:46,416 --> 01:24:48,456

I promise you.

876

01:24:49,210 --> 01:24:51,536

I will even learn
to stop people from dying.

877

01:24:55,342 --> 01:24:59,291

It's all Obi-Wan's fault!
He's jealous!

878

01:24:59,429 --> 01:25:01,469

He's holding me back!

879

01:25:05,852 --> 01:25:07,892

What's wrong, Ani?

880

01:25:18,657 --> 01:25:20,614

I killed them.

881

01:25:22,369 --> 01:25:24,326

I killed them all.

882

01:25:26,164 --> 01:25:28,038

They're dead.

883

01:25:28,166 --> 01:25:30,242

Every single one of them.

884

01:25:32,420 --> 01:25:34,377

And not just the men...

885

01:25:36,424 --> 01:25:38,334

but the women...

886

01:25:38,468 --> 01:25:40,377

and the children too.

887

01:25:41,346 --> 01:25:43,385

They're like animals...

888

01:25:43,515 --> 01:25:45,840

and I slaughtered them like animals!

889

01:25:47,477 --> 01:25:49,470

I hate them!

890

01:26:07,330 --> 01:26:09,287

To be angry is to be human.

891

01:26:09,416 --> 01:26:11,289

I'm a Jedi.

892

01:26:12,419 --> 01:26:14,292

I know I'm better than this.

893

01:26:28,310 --> 01:26:32,806

I know wherever you are

it's become a better place.

894

01:26:33,231 --> 01:26:38,059

You were the most loving partner
a man could ever have.

895

01:26:41,031 --> 01:26:43,070

Goodbye, my darling wife.

896

01:26:47,078 --> 01:26:48,987

And thank you.

897

01:27:16,316 --> 01:27:18,558

I wasn't strong enough
to save you, Mom.

898

01:27:21,071 --> 01:27:22,944

I wasn't strong enough.

899

01:27:27,535 --> 01:27:30,869

But I promise I won't fail again.

900

01:27:41,841 --> 01:27:43,881

I miss you...

901

01:27:45,261 --> 01:27:47,171

so much.

902

01:27:54,145 --> 01:27:56,815

R2? What are you doing here?

903

01:27:59,734 --> 01:28:03,946

It seems that he is carrying
a message from an Obi-Wan Kenobi.

904

01:28:04,948 --> 01:28:08,068

Master Ani, does that name
mean anything to you?

905

01:28:10,245 --> 01:28:12,652

<i>Anakin, my long-range transmitter</i>

<i>has been knocked out.</i>

906

01:28:12,789 --> 01:28:15,031

<i>Retransmit this message</i>

<i>to Coruscant.</i>

907

01:28:19,546 --> 01:28:21,752

<i>I have tracked the bounty hunter,</i>

<i>Jango Fett...</i>

908

01:28:21,881 --> 01:28:24,004

<i>to the droid foundries on Geonosis.</i>

909

01:28:24,134 --> 01:28:27,752

<i>The Trade Federation is</i>

<i>to take delivery of a droid army here...</i>

910

01:28:27,887 --> 01:28:29,880

<i>and it is clear that Viceroy Gunray...</i>

911

01:28:30,015 --> 01:28:33,466

<i>is behind the assassination attempts</i>

<i>on Senator Amidala.</i>

912

01:28:33,601 --> 01:28:35,724

<i>The Commerce Guilds</i>

<i>and the Corporate Alliance...</i>

913

01:28:35,854 --> 01:28:39,519

<i>have both pledged their armies</i>

<i>to Count Dooku and are forming...</i>

914

01:28:39,649 --> 01:28:41,689

<i>Wait.</i>

915

01:28:52,537 --> 01:28:57,164

More happening on Geonosis, I feel,
than has been revealed.

916

01:28:57,292 --> 01:28:59,035

I agree.

917

01:29:00,462 --> 01:29:02,703

<i>We will deal with Count Dooku.</i>

918

01:29:02,839 --> 01:29:06,374

<i>The most important thing for you</i>

<i>is to stay where you are.</i>

919

01:29:06,509 --> 01:29:09,214

<i>Protect the senator at all costs.</i>

920

01:29:09,346 --> 01:29:11,884

<i>That is your first priority.</i>

921

01:29:13,391 --> 01:29:15,348

Understood, Master.

922

01:29:15,477 --> 01:29:17,469

They'll never get there

in time to save him.

923

01:29:17,604 --> 01:29:20,640

They have to come halfway

across the galaxy. Look.

924

01:29:22,859 --> 01:29:24,935

Geonosis is less than a parsec away.

925

01:29:25,070 --> 01:29:27,027

If he's still alive.

926

01:29:28,948 --> 01:29:31,570

Are you just gonna sit here
and let him die?

927

01:29:31,701 --> 01:29:34,192

- He's your friend, your mentor.
- He's like my father!

928

01:29:35,413 --> 01:29:39,078

But you heard Master Windu.
He gave me strict orders to stay here.

929

01:29:39,209 --> 01:29:42,412

He gave you strict orders
to protect me...

930

01:29:42,545 --> 01:29:44,752

and I'm going to help Obi-Wan.

931

01:29:46,132 --> 01:29:49,667

If you plan to protect me,
you'll just have to come along.

932

01:29:53,723 --> 01:29:56,890

I'm not worried, R2.

It's just I've never flown before.

933

01:30:07,195 --> 01:30:10,115

The Commerce Guilds are preparing
for war. There can be no doubt of that.

934

01:30:10,240 --> 01:30:12,197

Count Dooku must have made
a treaty with them.

935

01:30:12,325 --> 01:30:15,694

The debate is over.

936

01:30:15,829 --> 01:30:18,783

Now we need that clone army.

937

01:30:18,915 --> 01:30:21,833

Unfortunately,
the debate is not over.

938

01:30:21,960 --> 01:30:24,367

The senate will never approve

the use of clones...

939

01:30:24,504 --> 01:30:26,247

before the separatists attack.

940

01:30:26,381 --> 01:30:28,255

This is a crisis.

941

01:30:28,383 --> 01:30:31,467

The senate must vote the chancellor
emergency powers.

942

01:30:31,594 --> 01:30:34,679

He can then approve
the creation of an army.

943

01:30:35,015 --> 01:30:37,173

But what senator would have
the courage...

944

01:30:37,309 --> 01:30:39,846

to propose such a radical amendment?

945

01:30:39,978 --> 01:30:44,058

If only Senator Amidala were here.

946

01:31:05,462 --> 01:31:07,289

Traitor.

947

01:31:07,797 --> 01:31:10,964

Oh, no, my friend.

This is a mistake, a terrible mistake.

948

01:31:11,092 --> 01:31:13,132

They have gone too far.

This is madness.

949

01:31:13,261 --> 01:31:15,835

I thought you were

the leader here, Dooku.

950

01:31:15,972 --> 01:31:18,546

This had nothing to do with me,

I assure you.

951

01:31:18,683 --> 01:31:22,099

I will petition immediately
to have you set free.

952

01:31:22,228 --> 01:31:25,847

Well, I hope it doesn't take too long.
I have work to do.

953

01:31:25,982 --> 01:31:29,766

May I ask why a Jedi knight...

954

01:31:29,903 --> 01:31:32,310

is all the way out here on Geonosis?

955

01:31:32,447 --> 01:31:35,318

I've been tracking a bounty hunter
named Jango Fett.

956

01:31:35,450 --> 01:31:37,324

Do you know him?

957

01:31:37,452 --> 01:31:39,990

There are no bounty hunters here

that I am aware of.

958

01:31:40,121 --> 01:31:42,031

The Geonosians don't trust them.

959

01:31:42,165 --> 01:31:45,036

Who can blame them?

But he is here, I can assure you.

960

01:31:46,169 --> 01:31:50,333

It's a great pity our paths

have never crossed before, Obi-Wan.

961

01:31:51,007 --> 01:31:53,463

Qui-Gon always spoke

very highly of you.

962

01:31:58,348 --> 01:32:00,387

I wish he were still alive.

963

01:32:01,851 --> 01:32:04,556

I could use his help right now.

964

01:32:05,689 --> 01:32:07,895

Qui-Gon Jinn would never join you.

965

01:32:09,776 --> 01:32:12,563

Don't be so sure, my young Jedi.

966

01:32:12,696 --> 01:32:15,234

You forget that he was once
my apprentice...

967

01:32:15,365 --> 01:32:17,404

just as you were once his.

968

01:32:18,368 --> 01:32:20,574

He knew all about the corruption
in the senate...

969

01:32:20,704 --> 01:32:23,778

but he wouldn't have gone along with
it if he had learned the truth as I have.

970

01:32:23,878 --> 01:32:26,583

- The truth?

- The truth.

971

01:32:33,008 --> 01:32:36,293

What if I told you that the Republic
was now under the control...

972

01:32:36,428 --> 01:32:38,467

of the dark lord of the Sith?

973

01:32:38,596 --> 01:32:41,432

No, that's not possible.

The Jedi would be aware of it.

974

01:32:41,558 --> 01:32:45,805

The dark side of the Force
has clouded their vision, my friend.

975

01:32:46,938 --> 01:32:49,476

Hundreds of senators
are now under the influence...

976

01:32:49,607 --> 01:32:54,186

of a Sith lord called Darth Sidious.

977

01:32:55,322 --> 01:32:56,899

I don't believe you.

978

01:32:57,032 --> 01:32:59,357

The viceroy of the Trade Federation...

979

01:32:59,492 --> 01:33:02,696

was once in league

with this Darth Sidious...

980

01:33:03,580 --> 01:33:07,412

but he was betrayed

ten years ago by the dark lord.

981

01:33:07,542 --> 01:33:10,626

He came to me for help.

He told me everything.

982

01:33:12,672 --> 01:33:14,712

You must join me, Obi-Wan...

983

01:33:15,925 --> 01:33:19,875

and together we will destroy the Sith!

984

01:33:21,640 --> 01:33:23,928

I will never join you, Dooku.

985

01:33:33,443 --> 01:33:36,360

It may be difficult

to secure your release.

986

01:33:44,204 --> 01:33:47,074

It's -a clear

desa separatists made a pact...

987

01:33:47,207 --> 01:33:49,828

wesa desa Federation du Trade.

988

01:33:49,960 --> 01:33:54,253

Senators, "dellow felagates":

989

01:33:54,381 --> 01:33:58,378

In response to this direct threat

to the Republic...

990

01:33:58,510 --> 01:34:02,175

mesa propose that the senate...

991

01:34:02,305 --> 01:34:05,923

give immediately emergency powers...

992

01:34:06,059 --> 01:34:08,680

to the supreme chancellor.

993

01:34:12,774 --> 01:34:14,897

Palpatine! Palpatine!

994

01:34:17,988 --> 01:34:21,238

Order! We shall have order!

995

01:34:22,951 --> 01:34:26,236

It is with great reluctance...

996

01:34:26,371 --> 01:34:28,447

that I have agreed to this calling.

997

01:34:29,833 --> 01:34:33,782

I love democracy.

I love the Republic.

998

01:34:34,671 --> 01:34:36,829

The power you give me...

999

01:34:36,965 --> 01:34:41,461

I will lay down

when this crisis has abated.

1000

01:34:45,974 --> 01:34:50,766

And as my first act

with this new authority...

1001

01:34:50,895 --> 01:34:55,273

I will create

a grand army of the Republic...

1002

01:34:55,400 --> 01:34:59,148

to counter the increasing threats

of the separatists.

1003

01:35:00,530 --> 01:35:02,404

It is done, then.

1004

01:35:07,704 --> 01:35:11,369

I will take what Jedi we have left
and go to Geonosis and help Obi-Wan.

1005

01:35:11,499 --> 01:35:15,367

Visit I will the cloners on Kamino...

1006

01:35:16,421 --> 01:35:20,122

and see this army
they have created for the Republic.

1007

01:35:40,779 --> 01:35:42,818

See those columns of steam
straight ahead?

1008

01:35:42,947 --> 01:35:44,987

They're exhaust vents of some type.

1009

01:35:45,867 --> 01:35:47,824

That'll do.

1010

01:35:57,295 --> 01:36:00,213

Look, whatever happens
out there, follow my lead.

1011

01:36:00,340 --> 01:36:02,416

I'm not interested
in getting into a war here.

1012

01:36:02,550 --> 01:36:04,424

As a member of the senate...

1013

01:36:04,552 --> 01:36:07,388

maybe I can find
a diplomatic solution to this mess.

1014

01:36:07,764 --> 01:36:09,721

Don't worry.

1015

01:36:09,975 --> 01:36:12,263

I've given up

trying to argue with you.

1016

01:36:17,023 --> 01:36:20,226

My obtuse little friend,
if they had needed our help...

1017

01:36:20,360 --> 01:36:22,234

they would have asked for it.

1018

01:36:22,362 --> 01:36:25,482

You obviously have a great deal
to learn about human behaviour.

1019

01:36:51,391 --> 01:36:54,558

For a mechanic, you seem to do
an excessive amount of thinking.

1020

01:36:56,646 --> 01:36:59,220

I am programmed
to understand humans!

1021

01:37:02,819 --> 01:37:04,693

"What does that mean?"

1022

01:37:04,821 --> 01:37:07,526

That means I am in charge here!

1023

01:37:07,657 --> 01:37:09,282

Where are you going now?

1024

01:37:09,409 --> 01:37:12,908

You don't know what's out there.

Have you no sense at all?

1025

01:37:13,288 --> 01:37:14,948

Idiot!

1026

01:37:17,167 --> 01:37:18,910

Please wait.

1027

01:37:19,711 --> 01:37:21,620

Do you know where you're going?

1028

01:37:34,267 --> 01:37:35,892

Wait.

1029

01:38:51,678 --> 01:38:53,386

Oh, my goodness!

1030

01:38:53,513 --> 01:38:55,055

Shut me down!

1031

01:38:56,182 --> 01:38:58,140

Machines making machines.

1032

01:38:58,268 --> 01:38:59,727

How perverse!

1033

01:39:00,687 --> 01:39:02,098

Calm down, R2!

1034

01:39:02,230 --> 01:39:04,686

I almost fell.

1035

01:39:04,816 --> 01:39:06,773

You'll get your chance...

1036

01:39:08,778 --> 01:39:10,605

I'm scrap.

1037

01:39:11,698 --> 01:39:14,070

It's a nightmare!

1038

01:39:15,869 --> 01:39:17,826

I want to go home!

1039

01:39:19,372 --> 01:39:21,246

What did I do to deserve this?

1040

01:40:01,206 --> 01:40:03,412

I wonder what happened
to poor little R2.

1041

01:40:03,541 --> 01:40:05,914

He's always getting himself
into trouble.

1042

01:40:07,295 --> 01:40:08,873

Oh, no!

1043

01:40:18,306 --> 01:40:19,931

Uh-oh.

1044

01:40:23,561 --> 01:40:25,519

I'm so confused.

1045

01:42:21,429 --> 01:42:23,256

Not again!

1046

01:42:23,598 --> 01:42:25,555

Obi-Wan's gonna kill me.

1047

01:42:34,693 --> 01:42:36,103

Don't move, Jedi!

1048

01:42:36,236 --> 01:42:37,730

Take him away.

1049

01:42:56,756 --> 01:42:58,583

Don't be afraid.

1050

01:43:00,343 --> 01:43:02,336

I'm not afraid to die.

1051

01:43:07,183 --> 01:43:11,311

I've been dying a little bit each day
since you came back into my life.

1052

01:43:12,605 --> 01:43:15,143

What are you talking about?

1053

01:43:16,651 --> 01:43:18,691

I love you.

1054

01:43:22,490 --> 01:43:24,448

You love me?

1055

01:43:28,913 --> 01:43:32,164

I thought we had decided
not to fall in love...

1056

01:43:33,918 --> 01:43:36,919

that we would be forced

to live a lie...

1057

01:43:37,797 --> 01:43:40,798

and that it would destroy our lives.

1058

01:43:41,718 --> 01:43:43,960

I think our lives are about
to be destroyed anyway.

1059

01:43:49,100 --> 01:43:50,927

I truly...

1060

01:43:51,936 --> 01:43:54,344

deeply love you...

1061

01:43:55,565 --> 01:43:58,139

and before we die,
I want you to know.

1062

01:44:55,292 --> 01:44:57,913

I was beginning to wonder
if you'd got my message.

1063

01:44:58,044 --> 01:45:01,081

I retransmitted it

just as you had requested, Master.

1064

01:45:03,466 --> 01:45:05,340

Then we decided

to come and rescue you.

1065

01:45:06,303 --> 01:45:07,845

Good job.

1066

01:45:20,191 --> 01:45:23,228

Settle down. Settle down.

1067

01:45:27,240 --> 01:45:30,941

Let the executions begin.

1068

01:46:03,735 --> 01:46:06,652

I've got a bad feeling about this.

1069

01:46:32,222 --> 01:46:34,713

- Just relax. Concentrate.

- What about Padmé?

1070

01:46:34,849 --> 01:46:36,972

She seems to be on top of things.

1071

01:47:39,956 --> 01:47:41,664

She can't do that!

1072

01:47:41,791 --> 01:47:43,701

Shoot her... or something!

1073

01:49:02,539 --> 01:49:03,950

Jump!

1074

01:49:28,064 --> 01:49:31,599

This isn't how it's supposed to be!

1075

01:49:31,735 --> 01:49:33,359

Jango! Finish her off!

1076

01:49:33,486 --> 01:49:36,690

Patience, Viceroy, patience.

She will die.

1077

01:50:07,562 --> 01:50:09,021

Master Windu.

1078

01:50:09,147 --> 01:50:11,436

How pleasant of you to join us.

1079

01:50:11,566 --> 01:50:13,559

This party's over.

1080

01:50:27,165 --> 01:50:29,407

Brave...

1081

01:50:29,542 --> 01:50:31,868

but foolish, my old Jedi friend.

1082

01:50:32,003 --> 01:50:33,830

You're impossibly outnumbered.

1083

01:50:33,964 --> 01:50:36,289

I don't think so.

1084

01:50:36,424 --> 01:50:37,835

We'll see.

1085

01:51:16,589 --> 01:51:19,163

My legs aren't moving.

I must need maintenance.

1086

01:51:58,923 --> 01:52:01,379

What's all this noise?

A battle!

1087

01:52:01,509 --> 01:52:03,668

There's been some terrible mistake!

1088

01:52:03,803 --> 01:52:06,508

I'm programmed for etiquette,
not destruction!

1089

01:53:34,060 --> 01:53:35,887

Die, Jedi dogs!

1090

01:53:36,021 --> 01:53:37,764

Oh! What did I say?

1091

01:53:46,865 --> 01:53:50,150

Oh, dear.

I'm terribly sorry about all this.

1092

01:53:55,832 --> 01:53:58,750

Excuse me. I'm trapped.

I can't get up.

1093

01:54:12,974 --> 01:54:16,723

- You call this a diplomatic solution?

- No, I call it aggressive negotiations.

1094

01:54:21,858 --> 01:54:23,815

- Uh-oh.

- Roger, roger.

1095

01:54:42,003 --> 01:54:44,245

R2, what are you doing here?

1096

01:54:47,467 --> 01:54:48,795

What are you doing?

1097

01:54:48,927 --> 01:54:51,548

Stop that!

You're going to strain something.

1098

01:54:51,680 --> 01:54:53,423

My neck!

1099

01:54:55,725 --> 01:54:58,762

Now where are you taking me?

This is such a drag!

1100

01:55:03,775 --> 01:55:05,815

I'm quite beside myself.

1101

01:55:14,536 --> 01:55:17,739

R2, please be careful!

You're singeing my circuits!

1102

01:55:19,207 --> 01:55:21,698

Yes, but is my head on straight?

1103

01:55:44,482 --> 01:55:46,107

Master Windu...

1104

01:55:46,234 --> 01:55:48,440

you have fought gallantly...

1105

01:55:49,612 --> 01:55:53,657

worthy of recognition

in the archives of the Jedi order.

1106

01:55:55,618 --> 01:55:56,899

Now...

1107

01:55:57,912 --> 01:56:00,285

it is finished.

1108

01:56:00,415 --> 01:56:02,242

Surrender...

1109

01:56:02,500 --> 01:56:05,205

and your lives will be spared.

1110

01:56:06,087 --> 01:56:09,172

We will not be hostages
to be bartered, Dooku!

1111

01:56:09,299 --> 01:56:10,330

Then...

1112

01:56:11,801 --> 01:56:13,877

I'm sorry, old friend.

1113

01:56:24,564 --> 01:56:25,975

Look!

1114

01:56:37,994 --> 01:56:41,944

Around the survivors
a perimeter create.

1115

01:57:38,513 --> 01:57:41,514

I've had the most peculiar dream!

1116

01:57:52,152 --> 01:57:54,109

If Dooku escapes...

1117

01:57:54,237 --> 01:57:57,938

rally more systems
to his cause he will.

1118

01:58:02,495 --> 01:58:04,322

Hold on!

1119

01:58:08,877 --> 01:58:10,834

Aim right above the fuel cells!

1120

01:58:17,177 --> 01:58:19,419

Good call, my young Padawan.

1121

01:58:33,693 --> 01:58:35,982

The Jedi have amassed a huge army.

1122

01:58:36,112 --> 01:58:38,188

That doesn't seem possible.

1123

01:58:38,573 --> 01:58:40,981

How could the Jedi

come up with an army so quickly?

1124

01:58:41,284 --> 01:58:44,487

We must send

all available droids into battle.

1125

01:58:44,621 --> 01:58:46,530

There are too many.

1126

01:58:47,499 --> 01:58:50,250

Our communications have been jammed.

1127

01:58:58,468 --> 01:59:01,386

Pilot, land in that assembly area!

1128

01:59:01,513 --> 01:59:02,793

Yes, sir.

1129

01:59:10,897 --> 01:59:12,142

Sir...

1130

01:59:12,273 --> 01:59:14,895

I have five special commando units
awaiting your orders, sir.

1131

01:59:15,902 --> 01:59:19,188

To the forward command centre
take me.

1132

01:59:42,512 --> 01:59:45,264

Attack those Federation starships,
quickly!

1133

01:59:56,234 --> 02:00:00,018

Master Yoda,
all forward positions are advancing.

1134

02:00:00,155 --> 02:00:01,982

Very good.

1135

02:00:02,657 --> 02:00:04,282

Very good.

1136

02:00:32,479 --> 02:00:34,555

This is not looking good at all!

1137

02:00:35,857 --> 02:00:39,107

We must get the starships
back into space.

1138

02:00:42,155 --> 02:00:46,069

We have to order a retreat.

1139

02:00:46,201 --> 02:00:48,526

My master will never allow
the Republic...

1140

02:00:48,662 --> 02:00:50,950

to get away with this treachery.

1141

02:00:51,122 --> 02:00:54,326

I'm sending my warriors
to hide in the catacombs.

1142

02:00:54,459 --> 02:00:58,504

The Jedi must not find
our designs for the ultimate weapon.

1143

02:01:00,924 --> 02:01:06,215

If they find out what we are planning
to build, we're doomed.

1144

02:01:09,474 --> 02:01:11,882

I will take the designs
with me to Coruscant.

1145

02:01:12,852 --> 02:01:15,557

They will be much safer there
with my master.

1146

02:02:10,118 --> 02:02:14,863

Concentrate all your fire
on the nearest starship.

1147

02:02:14,998 --> 02:02:16,825

Yes, sir.

1148

02:02:16,958 --> 02:02:20,410

Move all quadrants to sector 515.

1149

02:03:00,543 --> 02:03:02,002

Look over there!

1150

02:03:05,507 --> 02:03:07,879

It's Dooku! Shoot him down!

1151

02:03:08,009 --> 02:03:09,883

We're out of rockets, sir.

1152

02:03:10,011 --> 02:03:12,846

- Follow him!

- We're gonna need some help!

1153

02:03:13,181 --> 02:03:17,013

There isn't time!

Anakin and I can handle this!

1154

02:03:40,500 --> 02:03:43,073

Put the ship down!

1155

02:03:43,211 --> 02:03:45,122

Don't let your personal feelings
get in the way!

1156

02:03:45,222 --> 02:03:46,957

Follow that speeder!

1157

02:03:53,054 --> 02:03:55,380

- Lower the ship!

- I can't take Dooku alone!

1158

02:03:55,515 --> 02:03:58,966

I need you! If we catch him,
we can end this war right now!

1159

02:03:59,102 --> 02:04:02,103

- We have a job to do!

- I don't care! Put the ship down!

1160

02:04:02,230 --> 02:04:04,472

You will be expelled
from the Jedi order!

1161

02:04:04,607 --> 02:04:07,811

- I can't leave her!

- Come to your senses!

1162

02:04:07,944 --> 02:04:10,566

What do you think Padmé would do
were she in your position?

1163

02:04:15,243 --> 02:04:17,236

She would do her duty.

1164

02:04:26,254 --> 02:04:28,294

The droid army is in full retreat.

1165

02:04:28,423 --> 02:04:31,507

Well done, Commander.

Bring me a ship.

1166

02:04:58,495 --> 02:05:01,614

You're gonna pay for all the Jedi
that you killed today, Dooku.

1167

02:05:01,748 --> 02:05:03,408

We'll take him together.

1168

02:05:03,541 --> 02:05:05,499

- I'm taking him now!

- No, Anakin! No!

1169

02:05:13,677 --> 02:05:17,176

As you see, my Jedi powers
are far beyond yours.

1170

02:05:17,305 --> 02:05:19,214

Now... back down.

1171

02:05:25,063 --> 02:05:26,890

I don't think so.

1172

02:05:39,869 --> 02:05:42,407

Master Kenobi, you disappoint me.

1173

02:05:42,539 --> 02:05:45,623

Yoda holds you in such high esteem.

1174

02:05:48,003 --> 02:05:50,410

Surely you can do better.

1175

02:06:01,599 --> 02:06:03,473

Are you all right?

1176

02:06:03,601 --> 02:06:05,261

Uh-huh.

1177

02:06:05,895 --> 02:06:08,137

We'd better get back
to the forward command centre.

1178

02:06:08,273 --> 02:06:09,850

No.

1179

02:06:09,983 --> 02:06:13,482

Gather what troops you can.
We've got to get to that hangar.

1180

02:06:13,611 --> 02:06:15,569

Get a transport. Hurry!

1181

02:06:15,697 --> 02:06:16,728

Right away.

1182

02:06:41,890 --> 02:06:43,717

Brave of you, boy.

1183

02:06:45,018 --> 02:06:47,224

But I would have thought
you had learned your lesson.

1184

02:06:47,354 --> 02:06:48,931

I am a slow learner.

1185

02:07:51,418 --> 02:07:53,161

Master Yoda.

1186

02:07:53,295 --> 02:07:56,331

Count Dooku.

1187

02:07:56,464 --> 02:07:59,798

You have interfered with our affairs
for the last time.

1188

02:08:31,124 --> 02:08:34,042

Powerful you have become, Dooku.

1189

02:08:34,544 --> 02:08:37,628

The dark side I sense in you.

1190

02:08:37,756 --> 02:08:40,543

I've become more powerful
than any Jedi.

1191

02:08:41,676 --> 02:08:43,301

Even you.

1192

02:08:58,693 --> 02:09:01,730

Much to learn you still have.

1193

02:09:01,863 --> 02:09:05,030

It is obvious that this contest
cannot be decided...

1194

02:09:05,158 --> 02:09:07,400

by our knowledge of the Force...

1195

02:09:09,454 --> 02:09:12,027

but by our skills with a lightsabre.

1196

02:09:53,832 --> 02:09:57,035

Fought well you have,
my old Padawan.

1197

02:09:57,168 --> 02:09:58,912

This is just the beginning.

1198

02:12:32,115 --> 02:12:34,571

The Force is with us, Master Sidious.

1199

02:12:34,951 --> 02:12:37,656

Welcome home, Lord Tyranus.

1200

02:12:39,539 --> 02:12:41,864

You have done well.

1201

02:12:42,334 --> 02:12:44,326

I have good news for you, my lord.

1202

02:12:45,837 --> 02:12:48,873

- The war has begun.

- Excellent.

1203

02:12:49,466 --> 02:12:52,170

Everything is going as planned.

1204

02:13:02,145 --> 02:13:06,095

Do you believe what Count Dooku said
about Sidious controlling the senate?

1205

02:13:06,650 --> 02:13:08,642

It doesn't feel right.

1206

02:13:08,985 --> 02:13:11,939

Joined the dark side Dooku has.

1207

02:13:13,281 --> 02:13:14,989

Lies, deceit...

1208

02:13:15,116 --> 02:13:18,865

creating mistrust are his ways now.

1209

02:13:18,995 --> 02:13:20,406

Nevertheless...

1210

02:13:20,538 --> 02:13:23,290

I feel we should keep
a closer eye on the senate.

1211

02:13:23,667 --> 02:13:25,706

I agree.

1212

02:13:26,836 --> 02:13:28,710

Where is your apprentice?

1213

02:13:28,838 --> 02:13:32,706

On his way to Naboo,
escorting Senator Amidala home.

1214

02:13:34,511 --> 02:13:37,880

I have to admit that without the clones,
it would not have been a victory.

1215

02:13:38,264 --> 02:13:40,304

Victory?

1216

02:13:41,184 --> 02:13:43,556

Victory, you say?

1217

02:13:43,687 --> 02:13:47,387

Master Obi-Wan, not victory.

1218

02:13:48,942 --> 02:13:52,145

The shroud of the dark side has fallen.

1219

02:13:53,774 --> 02:13:57,321

Begun the Clone War has.
