

Dialogues from Suicide Squad to improve the vocabulary in English

2

00:00:34,680 --> 00:00:36,352

(ROCK MUSIC PLAYING)

3

00:00:41,240 --> 00:00:42,240

(BUZZER BUZZES)

4

00:00:42,960 --> 00:00:44,632

- GRIGGS: Chow time!

- It's time!

5

00:00:44,800 --> 00:00:47,598

Floyd, step up to the door. Dinner time.

6

00:00:51,680 --> 00:00:53,636

(PANTING) Only my friends call me Floyd.

7

00:00:53,840 --> 00:00:55,120

You ain't got no friends, Floyd.

8

00:00:57,640 --> 00:00:58,640

What's that?

9

00:00:58,800 --> 00:01:00,836

- That is called loaf.

- Loaf.

10

00:01:01,000 --> 00:01:03,195

It's got a little bit of pasghetti
in there.

11

00:01:03,360 --> 00:01:04,759

Toenails.

12

00:01:05,440 --> 00:01:06,440

Rat shit.

13

00:01:06,600 --> 00:01:08,636

Everything a growing fella needs,
like you.

14

00:01:08,800 --> 00:01:09,835

(BOTH CHUCKLE)

15

00:01:10,400 --> 00:01:12,496

Come here. Can I tell you something?

Can I tell you a secret?

16

00:01:12,520 --> 00:01:13,555

GRIGGS: Yeah.

17

00:01:13,800 --> 00:01:15,074

One day,

18

00:01:15,240 --> 00:01:17,913

somehow, some way,

I'm gonna get outta here.

19

00:01:18,080 --> 00:01:22,392

And I'm gonna rain down on you

like the Holy Ghost.

20

00:01:24,480 --> 00:01:26,080

Man, you just threatened a staff member.

21

00:01:26,680 --> 00:01:28,830

- Yeah?

- Yeah, you have.

22

00:01:29,000 --> 00:01:30,035

Do something.

23

00:01:30,520 --> 00:01:32,033

Let's have some fun.

24

00:01:32,360 --> 00:01:33,360

(INDISTINCT SHOUTING)

25

00:01:33,600 --> 00:01:34,874

(GRUNTING)

26

00:01:42,200 --> 00:01:43,428

(POP MUSIC PLAYING)

27

00:02:01,040 --> 00:02:02,678

SERGEANT AMES:

Open the goddamn gate!

28

00:02:02,840 --> 00:02:04,876

GRIGGS: Come on, guys.

Don't waste my time.

29

00:02:05,360 --> 00:02:08,875

Sector C! Pull your heads outta your ass!

Boss is on deck!

30

00:02:11,560 --> 00:02:12,560

GRIGGS: Open!

31

00:02:12,800 --> 00:02:14,136

SERGEANT AMES:

Bravo 14, open perimeter fence.

32

00:02:14,160 --> 00:02:15,376

- (BUZZER BUZZES)

- GRIGGS: Stay back!

33

00:02:15,400 --> 00:02:17,868

If she moves, fire her up, all right?

34

00:02:19,520 --> 00:02:21,556

You gonna come down from there or what?

35

00:02:22,800 --> 00:02:24,392

(BOTH CHUCKLE)

36

00:02:24,640 --> 00:02:25,755

Look at you.

37

00:02:28,720 --> 00:02:30,160

(SIGHS) You know the rules, hotness.

38

00:02:30,280 --> 00:02:31,633

You gotta keep off these bars.

39

00:02:31,800 --> 00:02:33,677

- What, these bars?

- Yeah. Those bars.

40

00:02:34,560 --> 00:02:36,391

Oh, my God.

41

00:02:36,640 --> 00:02:37,640

(BOTH CHUCKLE)

42

00:02:38,200 --> 00:02:40,953

You are really
in bad shape upstairs, lady!

43

00:02:41,920 --> 00:02:43,360

Gonna come in here and tell me that?

44

00:02:43,760 --> 00:02:45,352

Or are you too scared?

45

00:02:45,960 --> 00:02:47,393

Come on, I'm bored.

46

00:02:47,600 --> 00:02:49,238

I'm bored. Play with me.

47

00:02:49,400 --> 00:02:51,640

GRIGGS: You put five of my guards

in the hospital, honey.

48

00:02:51,760 --> 00:02:53,512

No one's gonna play with you.

49

00:02:54,080 --> 00:02:55,080

You sleep on the ground.

50

00:02:55,720 --> 00:02:59,554

I sleep where I want,
when I want, with who I want.

51

00:02:59,800 --> 00:03:00,800

(LAUGHS)

52

00:03:01,280 --> 00:03:02,599

Oh, man. I love you.

53

00:03:03,280 --> 00:03:04,759

Alpha One, hit her.

54

00:03:05,440 --> 00:03:06,475

(ELECTRICITY CRACKLING)

55

00:03:07,120 --> 00:03:10,271

GRIGGS: Come on, man. You're
six foot four. She's a tiny little girl.

56

00:03:10,440 --> 00:03:11,440

(LAUGHING MANIACALLY)

57

00:03:11,760 --> 00:03:13,176

You got a choice tonight.
What we got here?

58

00:03:13,200 --> 00:03:15,839

We got chocolate, strawberry, or vanilla.

59

00:03:16,000 --> 00:03:19,310

My job is to keep you alive until you die.
Do you understand that?

60

00:03:19,480 --> 00:03:20,480

- Ahh!

- (WHIMPERING)

61

00:03:20,800 --> 00:03:21,800

Spring break!

62

00:03:24,280 --> 00:03:25,280

(SCREAMS)

63

00:03:25,960 --> 00:03:26,960

GRIGGS: Whoo.

64

00:03:27,760 --> 00:03:31,070

That is just a whole lot of pretty
in a whole lot of crazy.

65

00:03:33,280 --> 00:03:34,280

(ROCK MUSIC PLAYING)

66

00:03:42,440 --> 00:03:43,440

(SIREN CHIRPS)

67

00:03:51,840 --> 00:03:54,752

AMANDA: The world changed

when Superman flew across the sky.

68

00:03:56,320 --> 00:03:58,515

And then it changed again when he didn't.

69

00:04:09,320 --> 00:04:11,311

AMANDA: And that is why I'm here.

70

00:04:33,200 --> 00:04:34,553

We lose a national hero,

71

00:04:34,720 --> 00:04:37,040

but you sit there looking like
the cat that ate the canary.

72

00:04:37,280 --> 00:04:38,872

I've eaten a lot of canaries.

73

00:04:39,640 --> 00:04:40,709

It's taken some work.

74

00:04:41,600 --> 00:04:44,910

But I finally have them.

The worst of the worst.

75

00:04:47,360 --> 00:04:50,875

There's rumors, Amanda,
that some of them have abilities.

76

00:04:51,600 --> 00:04:53,397

Well, the rumors are right.

77

00:04:53,600 --> 00:04:56,034

You know what the problem
with a metahuman is?

78

00:04:56,200 --> 00:04:57,269

The human part.

79

00:04:57,480 --> 00:05:00,677

We got lucky with Superman.
He shared our values.

80

00:05:00,840 --> 00:05:02,034

The next Superman might not.

81

00:05:02,200 --> 00:05:03,838

You're playing with fire, Amanda.

82

00:05:04,000 --> 00:05:06,036

I'm fighting fire with fire.

83

00:05:06,240 --> 00:05:07,416

You're not going to pitch us that

84

00:05:07,440 --> 00:05:10,398

Task Force X project
of yours again, are you?

85

00:05:10,560 --> 00:05:11,560

Yes.

86

00:05:11,960 --> 00:05:13,360

But this time, you're gonna listen.

87

00:05:15,400 --> 00:05:18,278

Floyd Lawton, aka Deadshot.

88

00:05:27,800 --> 00:05:29,279

(HIP HOP MUSIC PLAYING)

89

00:05:34,400 --> 00:05:36,960

AMANDA:

He's the most wanted hitman in the world.

90

00:05:41,440 --> 00:05:44,113

Let's say he has an elite clientele.

91

00:05:45,280 --> 00:05:47,589

- ANGELO: (ON PHONE) What?

- Hey, Angelo.

92

00:05:47,760 --> 00:05:50,877

This is the exterminator
you called for your rat problem.

93

00:05:51,040 --> 00:05:52,712

My account's looking a little thin.

94

00:05:54,240 --> 00:05:56,595

No one gets paid until
what needs to get done gets done.

95

00:05:56,760 --> 00:05:58,751

Nope. That's not the rules.
No money, no honey.

96

00:06:00,520 --> 00:06:02,158

Whoa. Here's your boy right now.

97

00:06:03,720 --> 00:06:05,915

With about 20 of his new best friends.

98

00:06:10,800 --> 00:06:12,518

I'm still seeing zeroes over here, Angie.

99

00:06:12,720 --> 00:06:15,029

Listen, stop being cute and do your job!

100

00:06:16,120 --> 00:06:17,896

DEADSHOT: They're taking him
outta the car now.

101

00:06:17,920 --> 00:06:20,957

In about 30 seconds,
your window is gonna close forever.

102

00:06:21,120 --> 00:06:24,032

Okay. Okay, okay. Relax.
There was an accounting error.

103

00:06:25,400 --> 00:06:26,799

- We sent it.
- (PHONE BEEPS)

104

00:06:26,960 --> 00:06:29,554

Now double it for being a dickhead.
You got 10 seconds.

105

00:06:29,720 --> 00:06:31,551

We're not the kind of people
you play with.

106

00:06:31,720 --> 00:06:33,517

Did you just... Did you threaten me?

107

00:06:33,680 --> 00:06:36,600

This dude's gonna get a sore throat
from all the singing he's about to do.

108

00:06:36,640 --> 00:06:37,789

You son of a bitch.

109

00:06:40,160 --> 00:06:42,116

Pleasure doing business with you, Angie.

110

00:06:42,560 --> 00:06:43,560

(RIFLE COCKS)

111

00:07:00,280 --> 00:07:03,909

But everyone has a weakness.
And a weakness can be leveraged.

112

00:07:04,080 --> 00:07:07,072

His is an 11 -year-old honor student
in Gotham City.

113

00:07:07,280 --> 00:07:08,280

His daughter.

114

00:07:08,840 --> 00:07:11,115

So we watched her and waited.

115

00:07:11,320 --> 00:07:12,912

You should talk to Mama more.

116

00:07:13,760 --> 00:07:14,829

Yeah, yeah, I know.

117

00:07:15,000 --> 00:07:16,797

Mama stays in bed a lot.

118

00:07:16,960 --> 00:07:19,110

Yeah. She's still going out at night?

119

00:07:19,280 --> 00:07:22,511

Dad, it's okay. I can take care of her.

120

00:07:23,600 --> 00:07:25,477

I know how to make pancakes now.

121

00:07:25,640 --> 00:07:27,517

Hey, babe, that's beautiful.

122

00:07:27,680 --> 00:07:29,511

Um, she's supposed to be
taking care of you.

123

00:07:29,760 --> 00:07:31,520

You know, that's how
that's supposed to work.

124

00:07:33,720 --> 00:07:35,517

I want you to come live with me.

125

00:07:36,240 --> 00:07:40,119

All right? I came into some resources.
I'mma get us a spot.

126

00:07:40,280 --> 00:07:42,032

It's gonna be nice, all right?

127

00:07:42,200 --> 00:07:45,476

Mama says I can't live with you
because you kill people.

128

00:07:46,160 --> 00:07:49,038

That's not true.

That's a lie. She's lying to you.

129

00:07:49,200 --> 00:07:52,272

Daddy... I know you do bad things.

130

00:07:53,040 --> 00:07:55,270

Don't worry, I still love you.

131

00:07:58,400 --> 00:07:59,549

Come on.

132

00:08:00,880 --> 00:08:02,757

- And you caught him?

- Not me.

133

00:08:02,960 --> 00:08:06,077

I just gave an anonymous tip
to the right guy in Gotham City.

134

00:08:06,240 --> 00:08:09,357

I'mma figure this out. All right?

135

00:08:12,520 --> 00:08:13,520

(GRUNTING)

136

00:08:14,200 --> 00:08:15,320

BATMAN: It's over, Deadshot.

137

00:08:16,680 --> 00:08:18,640

I don't want to do this
in front of your daughter.

138

00:08:27,880 --> 00:08:29,950

- (CRYING) Daddy, please.

- Zoe, move!

139

00:08:30,600 --> 00:08:32,750

(SOBS) Please, Daddy. Don't do it.

140

00:08:33,000 --> 00:08:34,000

(SNIFFLES)

141

00:08:34,920 --> 00:08:36,069

Please.

142

00:08:37,440 --> 00:08:38,440

Don't do it.

143

00:08:47,920 --> 00:08:48,920

(SIRENS WAILING)

144

00:08:49,960 --> 00:08:50,960

All right.

145

00:08:59,120 --> 00:09:00,473

ZOE: Love you, Daddy.

146

00:09:01,720 --> 00:09:03,790

So now we have the man who never misses.

147

00:09:03,960 --> 00:09:04,960

Where'd you put him?

148

00:09:05,120 --> 00:09:07,480

Let's just say, I put him in a hole
and threw away the hole.

149

00:09:10,000 --> 00:09:11,035

Harley Quinn.

150

00:09:11,320 --> 00:09:12,480

(HARLEY CHUCKLING MANIACALLY)

151

00:09:12,520 --> 00:09:13,520

(HIP HOP MUSIC PLAYING)

152

00:09:19,440 --> 00:09:21,556

AMANDA: Before she ran off
and joined the circus,

153

00:09:21,720 --> 00:09:24,154

she was known as Dr. Harleen Quinzel.

154

00:09:24,320 --> 00:09:26,595

A psychiatrist at Arkham Asylum.

155

00:09:27,720 --> 00:09:30,632

She was assigned to The Clown himself.

156

00:09:30,840 --> 00:09:32,717

JOKER: Dr. Quinzel.

157

00:09:33,520 --> 00:09:35,240

You know,

I live for these moments with you.

158

00:09:35,320 --> 00:09:36,320

(CHUCKLES)

159

00:09:36,600 --> 00:09:38,670

- What do you got?

- I got you a kitty.

160

00:09:40,000 --> 00:09:41,149

So thoughtful.

161

00:09:41,320 --> 00:09:44,596

AMAN DA: She thought she was curing him,
but she was falling in love.

162

00:09:46,640 --> 00:09:49,279

There is something
you could do for me, doctor.

163

00:09:49,480 --> 00:09:50,480

Anything. I mean, yeah.

164

00:09:51,760 --> 00:09:53,876

I need a machine gun.

165

00:09:56,160 --> 00:09:57,195

A machine gun?

166

00:09:59,480 --> 00:10:02,074

Talk about a workplace romance gone wrong.

167

00:10:02,240 --> 00:10:03,240

(OFFICER SHOUTING)

168

00:10:03,480 --> 00:10:04,880

(MAN SPEAKING INDISTINCTLY OVER PA)

169

00:10:05,240 --> 00:10:06,240

(BLEATS)

170

00:10:11,000 --> 00:10:12,000

(GRUNTING)

171

00:10:13,360 --> 00:10:14,588

(GRUNTING) Get off me.

172

00:10:15,520 --> 00:10:16,520

MAN: Shh!

173

00:10:18,760 --> 00:10:20,910

What do we have here?

174

00:10:22,360 --> 00:10:24,828

I did everything you said. I helped you.

175

00:10:25,000 --> 00:10:26,000

Ah.

176

00:10:26,720 --> 00:10:28,358

You helped me.

177

00:10:28,560 --> 00:10:30,994

By erasing my mind?

178

00:10:31,160 --> 00:10:34,755

What few faded memories I had.

179

00:10:35,760 --> 00:10:36,875

No.

180

00:10:37,560 --> 00:10:41,553

You left me in a black hole
of rage and confusion.

181

00:10:41,720 --> 00:10:45,110

Is that the medicine

you practice, Dr. Quinzel?

182

00:10:45,280 --> 00:10:47,236

What are you gonna do?

You gonna kill me, Mr. J?

183

00:10:47,400 --> 00:10:48,719

What?

184

00:10:51,160 --> 00:10:52,912

Oh, I'm not gonna kill ya.

185

00:10:53,840 --> 00:10:55,637

I'm just gonna hurt ya

186

00:10:55,840 --> 00:10:59,992

really, really bad.

187

00:11:00,160 --> 00:11:01,160

You think so?

188

00:11:01,760 --> 00:11:03,751

Well, I can take it.

189

00:11:04,760 --> 00:11:08,639

I wouldn't want you to break
those perfect porcelain-capped teeth

190

00:11:08,800 --> 00:11:11,633

when the juice hits your brain.

191

00:11:13,240 --> 00:11:14,434

(HARLEY VOCALIZING)

192

00:11:17,320 --> 00:11:18,656

(JOKER AND HARLEY LAUGHING MANIACALLY)

193

00:11:18,680 --> 00:11:21,717

AMANDA: They became the king
and queen of Gotham City.

194

00:11:21,880 --> 00:11:24,872

And God help anyone
who disrespected the queen.

195

00:11:25,560 --> 00:11:27,039

MAN 1: We finally meet.

196

00:11:27,200 --> 00:11:28,456

MAN 2: Nah, he don't shake hands.

197

00:11:28,480 --> 00:11:30,948

But sit down and have a drink.

198

00:11:34,760 --> 00:11:35,875

Hey, J.

199

00:11:36,040 --> 00:11:39,396

On behalf of everybody, welcome back.

200

00:11:39,560 --> 00:11:42,120

I wanted to come by
and personally say thank you.

201

00:11:42,280 --> 00:11:44,874

You making me good money.

I'm making you good money.

202

00:11:45,440 --> 00:11:47,635

Are you sweet talking me?

203

00:11:48,040 --> 00:11:49,040

(LAUGHS SLOWLY)

204

00:11:50,640 --> 00:11:52,551

I love this guy.

205

00:11:53,240 --> 00:11:55,470

He's so intense!

206

00:11:56,040 --> 00:11:57,040

(CROWD CHEERING)

207

00:11:59,760 --> 00:12:01,637

MAN 1: Mmm. You're a lucky man.

208

00:12:03,040 --> 00:12:04,837

You got a bad bitch.

209

00:12:07,400 --> 00:12:08,958

Oh, that she is.

210

00:12:10,480 --> 00:12:12,516

The fire in my loins.

211

00:12:14,400 --> 00:12:16,152

The itch in my crotch.

212

00:12:16,320 --> 00:12:21,189

The one, the only,
the infamous Harley Quinn!

213

00:12:26,160 --> 00:12:27,160

(WHISTLES)

214

00:12:31,160 --> 00:12:33,116

Oh, come to Daddy.

215

00:12:34,760 --> 00:12:36,478

Puddin'! (LAUGHS)

216

00:12:37,240 --> 00:12:38,275

JOKER: Listen,

217

00:12:38,480 --> 00:12:42,632

you are my gift

to this handsome hunka hunka!

218

00:12:42,800 --> 00:12:45,360

You belong to him now.

219

00:12:45,520 --> 00:12:46,839

Well... (GRUNTS)

220

00:12:47,240 --> 00:12:49,708

(BOTH CHUCKLE)

221

00:12:49,960 --> 00:12:51,313

You're cute.

222

00:12:51,760 --> 00:12:53,079

You want me?

223

00:12:54,320 --> 00:12:55,833

I'm all yours.

224

00:12:56,400 --> 00:12:57,400

(BREATHING HEAVILY)

225

00:12:59,440 --> 00:13:00,440

I don't want no beef.

226

00:13:00,600 --> 00:13:03,034

You don't want no beef?

You don't want no beef?

227

00:13:03,200 --> 00:13:05,270

HARLEY: Why, what's wrong?

You don't like me?

228

00:13:05,440 --> 00:13:07,112

Fine. Don't waste my time then.

229

00:13:07,280 --> 00:13:08,508

This is your lady.

230

00:13:08,720 --> 00:13:11,871

Look, are you enjoying yourself?

231

00:13:13,360 --> 00:13:14,554

No.

232

00:13:15,240 --> 00:13:16,434

That's your lady, Joker.

233

00:13:16,600 --> 00:13:17,600

That's right.

234

00:13:17,800 --> 00:13:18,869

- MAN 1: Yo, J.

- (GUNSHOT)

235

00:13:19,040 --> 00:13:20,075

(WOMEN SCREAMING)

236

00:13:20,880 --> 00:13:21,880

(ENGINE REVVING)

237

00:13:22,520 --> 00:13:24,120

AMANDA: And that was just the beginning.

238

00:13:24,280 --> 00:13:25,280

(BOTH LAUGHING)

239

00:13:32,880 --> 00:13:34,711

Come on, Puddin'. Do it!

240

00:13:35,840 --> 00:13:36,840

Oh.

241

00:13:38,000 --> 00:13:39,353

We have got company.

242

00:13:39,520 --> 00:13:41,670

Batsy, Batsy, Batsy.

243

00:13:44,200 --> 00:13:45,952

AMANDA: She's crazier than him.

244

00:13:46,120 --> 00:13:47,917

- (GRUNTS)

- And more fearless.

245

00:13:48,560 --> 00:13:51,393

Stupid Bat, you're ruining date night!

246

00:13:52,280 --> 00:13:53,280

(LAUGHING)

247

00:13:54,080 --> 00:13:55,195

Puddin'.

248

00:13:57,680 --> 00:13:59,591

Puddin', I can't swim!

249

00:14:29,600 --> 00:14:30,635

(GRUNTS)

250

00:14:36,960 --> 00:14:41,078

AMANDA: But the Bat got her, too.

She's in the same hole as Deadshot.

251

00:14:52,200 --> 00:14:53,200

(GIGGLING)

252

00:14:55,640 --> 00:14:56,993

And then there's the Aussie.

253

00:14:57,720 --> 00:14:59,153

Digger Harkness.

254

00:14:59,320 --> 00:15:02,153

Or as the tabloids call him,

Captain Boomerang.

255

00:15:07,360 --> 00:15:08,360

(ROCK MUSIC PLAYING)

256

00:15:10,600 --> 00:15:13,319

We're gonna be rich. (LAUGHS)

257

00:15:13,600 --> 00:15:14,794

Yeah, you and me, mate.

258

00:15:14,960 --> 00:15:16,359

Go and get the car.

259

00:15:16,560 --> 00:15:18,790

AMANDA: He robbed every bank
in Australia at least once.

260

00:15:18,960 --> 00:15:22,077

Then he came to America
for a fresh target set.

261

00:15:22,680 --> 00:15:23,680

(GRUNTS)

262

00:15:24,400 --> 00:15:26,038

Doesn't work well with others.

263

00:15:26,200 --> 00:15:27,200

(BOOMERANG LAUGHS)

264

00:15:31,200 --> 00:15:32,792

No honor among thieves, eh?

265

00:15:34,840 --> 00:15:37,832

But he tangled with a metahuman
and lived to tell about it.

266

00:15:38,520 --> 00:15:41,717

And have you heard of
the pyrokinetic homeboy?

267

00:15:42,000 --> 00:15:43,000

(MUSIC PLAYING)

268

00:15:45,520 --> 00:15:46,953

ADMIRAL OLSEN:

How'd you catch him?

269

00:15:47,120 --> 00:15:48,678

AMANDA: We didn't. He surrendered.

270

00:15:50,520 --> 00:15:54,229

Chato Santana.

On the streets they call him El Diablo.

271

00:15:54,400 --> 00:15:56,914

This LA gangbanger thought
he was king of the world...

272

00:15:58,240 --> 00:15:59,559

...until he lost his queen.

273

00:16:02,680 --> 00:16:05,797

Gets jumped in a prison riot
and incinerates half the yard.

274

00:16:05,960 --> 00:16:08,076

The security video is incredible.

275

00:16:08,320 --> 00:16:09,320

(INDISTINCT CHATTERING)

276

00:16:12,320 --> 00:16:14,709

- Oh, Jesus. The hell is that?

- (ROCK MUSIC PLAYING)

277

00:16:14,880 --> 00:16:16,518

His name is Waylon Jones.

278

00:16:17,120 --> 00:16:19,793

Evolution took a step
backwards with this one.

279

00:16:21,920 --> 00:16:25,151

Yo, K.C., it's supper.

280

00:16:25,320 --> 00:16:26,992

Go ahead, open that up, B.

281

00:16:30,760 --> 00:16:32,440

Got something
real nice for you today, boy.

282

00:16:33,000 --> 00:16:35,036

Hey, boss,
it true he chewed a dude's hand off?

283

00:16:36,800 --> 00:16:39,633

Look at that, right there.

Vulcanized rubber.

284

00:16:44,880 --> 00:16:46,233

Give me that, Smitty.

285

00:16:47,400 --> 00:16:48,549

Where you at?

286

00:16:48,720 --> 00:16:50,073

Don't make me get you.

287

00:16:50,600 --> 00:16:52,431

AMANDA: They call him Killer Croc.

288

00:16:56,760 --> 00:16:58,080

GRIGGS: Here you are! You hungry?

289

00:16:58,200 --> 00:17:01,272

You want some food?

Go ahead, feed the man.

290

00:17:01,960 --> 00:17:03,552

What are you in the mood for tonight?

291

00:17:03,720 --> 00:17:08,396

I got a double cheeseburger,
onion rings, a little coleslaw.

292

00:17:08,880 --> 00:17:11,189

Or a giant skinless goat.

293

00:17:20,680 --> 00:17:22,193

AMANDA: He looked like a monster.

294

00:17:23,120 --> 00:17:25,236

So they treated him like a monster.

295

00:17:26,880 --> 00:17:29,348

Then he became a monster.

296

00:17:33,640 --> 00:17:35,551

He was chased out of Gotham by the Bat.

297

00:17:35,720 --> 00:17:38,314

Went searching for sanctuary elsewhere.

298

00:17:38,480 --> 00:17:39,879

He never found it.

299

00:17:40,320 --> 00:17:41,320

(GROWLS)

300

00:17:42,120 --> 00:17:43,120

(GRUNTS)

301

00:17:43,920 --> 00:17:44,920

(SCREAMING)

302

00:17:45,800 --> 00:17:46,800

(ROARS)

303

00:17:48,000 --> 00:17:50,309

I saved the best for last.

304

00:17:50,480 --> 00:17:52,596

- The witch.

- A witch?

305

00:17:52,800 --> 00:17:56,031

I'm talking a flying, spell-casting,
making-shit-disappear witch.

306

00:17:56,200 --> 00:17:59,033

A sorceress from another dimension.
Another world.

307

00:18:01,000 --> 00:18:03,833

Archeologist Dr. June Moone,

308

00:18:05,080 --> 00:18:07,071

wandered into the wrong cave.

309

00:18:07,240 --> 00:18:08,240

(GASPS)

310

00:18:09,320 --> 00:18:10,320

(GRUNTS)

311

00:18:15,000 --> 00:18:17,639

WOMAN: June...

312

00:18:20,920 --> 00:18:22,880

AMANDA:

She opened something she shouldn't have...

313

00:18:25,840 --> 00:18:27,831

(WOMAN LAUGHING MANIACALLY)

314

00:18:34,160 --> 00:18:37,630

...releasing a metahuman more powerful
than any we've encountered.

315

00:18:38,840 --> 00:18:40,068

The Enchantress.

316

00:18:45,960 --> 00:18:48,076

She inhabits Dr. Moone's body now.

317

00:18:48,800 --> 00:18:49,869

And where is this witch?

318

00:18:50,480 --> 00:18:51,913

In my pocket.

319

00:18:52,080 --> 00:18:54,230

Now tell him

why she won't turn you into a frog.

320

00:18:54,440 --> 00:18:57,273

Some say the witch

has a secret buried heart,

321

00:18:57,440 --> 00:18:59,908

and whoever finds it

can control the witch.

322

00:19:00,080 --> 00:19:01,760

So we searched the cave

where she turned up

323

00:19:01,880 --> 00:19:03,518

and we found her heart.

324

00:19:04,440 --> 00:19:05,440

(BEEPS)

325

00:19:07,080 --> 00:19:08,479

That thing's her heart?

326

00:19:08,720 --> 00:19:10,711

Mmm-hmm. She's vulnerable without it.

327

00:19:10,960 --> 00:19:13,474

You want to put our national security
in the hands of

328

00:19:13,640 --> 00:19:16,837

witches, gangbangers, and crocodiles?

329

00:19:17,000 --> 00:19:18,416

Don't forget about The Joker's girlfriend.

330

00:19:18,440 --> 00:19:19,555

These are villains, Amanda.

331

00:19:19,760 --> 00:19:21,671

What makes you think you can control them?

332

00:19:22,240 --> 00:19:24,800

Because getting people to act
against their own self-interest

333

00:19:24,960 --> 00:19:27,076

for the national security
of the United States

334

00:19:27,240 --> 00:19:28,912

is what I do for a living.

335

00:19:29,080 --> 00:19:32,914

You take the finest special forces officer
this nation has ever produced,

336

00:19:33,080 --> 00:19:34,195

Colonel Rick Flag.

337

00:19:57,920 --> 00:19:59,433

(BREATH TREMBLING) Help me.

338

00:19:59,600 --> 00:20:01,280

AMANDA: I assigned him to watch Dr. Moone,

339

00:20:01,440 --> 00:20:04,238

and just as I hoped, it got personal.

340

00:20:04,920 --> 00:20:06,512

Are you gonna kiss me or not?

341

00:20:06,720 --> 00:20:08,278

AMANDA: I have the witch's heart.

342

00:20:08,440 --> 00:20:10,271

And Dr. Moone has his.

343

00:20:11,840 --> 00:20:14,718

Now he'll follow my orders as Holy Writ.

344

00:20:17,520 --> 00:20:19,590

In a world of flying men and monsters,

345

00:20:19,760 --> 00:20:22,797

this is the only way
to protect our country.

346

00:20:26,360 --> 00:20:30,035

What if Superman had decided to fly down,

347

00:20:30,200 --> 00:20:31,997

rip off the roof of the White House

348

00:20:32,160 --> 00:20:33,840

and grab the President
of the United States

349

00:20:34,000 --> 00:20:35,160

right out of the Oval Office?

350

00:20:36,000 --> 00:20:37,433

Who would've stopped him?

351

00:20:38,600 --> 00:20:41,592

We got contingency plans

for nukes in North Korea,

352

00:20:41,800 --> 00:20:44,030

anthrax in our mail.

We got fluoride in our water.

353

00:20:44,200 --> 00:20:48,876

But what happens if the next Superman

becomes a terrorist?

354

00:20:50,000 --> 00:20:52,116

Amanda Waller has a plan. Amanda?

355

00:20:52,280 --> 00:20:54,589

I wanna build a team

of some very bad people

356

00:20:54,760 --> 00:20:56,398

who I think can do some good.

357

00:20:56,560 --> 00:20:59,028

Like fight the next war,

defeat the next Superman.

358

00:20:59,200 --> 00:21:00,679

Not on my watch.

359

00:21:00,840 --> 00:21:04,276

You're not putting those monsters
back out on the street in our name.

360

00:21:04,440 --> 00:21:06,715

General, we run them
covertly, non-attributed.

361

00:21:06,880 --> 00:21:08,359

Strictly need to know.

362

00:21:08,520 --> 00:21:10,670

And if they get caught,
we throw them under the bus.

363

00:21:11,320 --> 00:21:13,436

The next war will be fought
with these metahumans.

364

00:21:13,600 --> 00:21:15,591

Ours, or theirs.

365

00:21:15,760 --> 00:21:18,149

We're not the only ones

kicking up rocks looking for them.

366

00:21:18,320 --> 00:21:20,390

You know we can't control these people.

367

00:21:26,240 --> 00:21:27,673

June, be strong.

368

00:21:28,960 --> 00:21:30,029

Dr. Moone.

369

00:21:49,360 --> 00:21:50,360

(EXHALES)

370

00:21:55,080 --> 00:21:56,638

Enchantress.

371

00:22:04,120 --> 00:22:05,120

(INDISTINCT MURMURING)

372

00:22:11,240 --> 00:22:13,117

AMANDA: Meet the Enchantress.

373

00:22:13,280 --> 00:22:16,397

Everything we know about her
is in your briefing packs.

374

00:22:16,600 --> 00:22:19,319

She's walked this earth
for a very long time

375

00:22:19,520 --> 00:22:21,750

and will likely be here
when we're long gone.

376

00:22:21,920 --> 00:22:24,480

This meeting is now a magic show?

377

00:22:24,640 --> 00:22:27,632

Magic or not, this girl can do
some pretty incredible things.

378

00:22:30,280 --> 00:22:31,793

Go get it, girl.

379

00:22:45,600 --> 00:22:46,600

(GASPS)

380

00:22:47,360 --> 00:22:51,433

How about a little something
from the weapons ministry vault in Tehran?

381

00:23:00,760 --> 00:23:03,593

We've been chasing these plans for years.

382

00:23:04,080 --> 00:23:05,320

(ENCHANTRESS BREATHING HEAVILY)

383

00:23:05,800 --> 00:23:07,995

Uh, please don't touch me.

Please don't touch me.

384

00:23:08,160 --> 00:23:10,116

Thank you. We'd like Dr. Moone back.

385

00:23:16,200 --> 00:23:17,200

(SCREAMS)

386

00:23:19,320 --> 00:23:20,833

Enchantress.

387

00:23:22,920 --> 00:23:24,478

JUNE: Please. Please.

388

00:23:24,640 --> 00:23:26,870

I'm sorry, I can't do that again.

389

00:23:27,040 --> 00:23:28,598

Flag, get her out of here.

390

00:23:31,320 --> 00:23:36,314

I move to, uh, authorize Amanda Waller
to establish Task Force X

391

00:23:36,480 --> 00:23:38,038

under the ARGUS program.

392

00:23:40,320 --> 00:23:41,673

CHAIRMAN: All right.

393

00:23:42,080 --> 00:23:43,877

Thank you, Mr. Chairman.

394

00:23:58,400 --> 00:23:59,833

ZOE: I know you do bad things.

395

00:24:00,840 --> 00:24:03,513

Don't worry, I still love you.

396

00:24:16,600 --> 00:24:18,520

Welcome to Belle Reve,
special security barracks.

397

00:24:18,560 --> 00:24:19,879

How you doing, man?

398

00:24:20,040 --> 00:24:21,760

Why don't you kiss her ass?

She's in charge.

399

00:24:21,920 --> 00:24:23,592

GRIGGS: Welcome, ma'am. How are you?

400

00:24:23,760 --> 00:24:25,716

I'm here to assist you in any way.

401

00:24:26,400 --> 00:24:27,719

Where are they?

402

00:24:27,880 --> 00:24:28,880

(BUZZER BUZZES)

403

00:24:45,160 --> 00:24:47,151

Are you the Devil?

404

00:24:49,440 --> 00:24:50,919

Maybe.

405

00:24:53,920 --> 00:24:54,920

(KILLER CROC GROWLING)

406

00:25:20,800 --> 00:25:22,791

Ain't you scared?

407

00:25:23,480 --> 00:25:24,480

(GROWLING)

408

00:25:27,760 --> 00:25:30,069

Why'd they put you down here?

409

00:25:31,880 --> 00:25:33,518

I asked.

410

00:25:37,720 --> 00:25:39,119

GRIGGS: Open that gate.

411

00:25:45,240 --> 00:25:46,992

GRIGGS: Yo, ese.

412

00:25:47,160 --> 00:25:48,752

Hola, amigo.

413

00:25:49,920 --> 00:25:52,115

Put that burrito down.

You got visitors, man.

414

00:25:55,280 --> 00:25:56,280

(INDISTINCT CHATTERING)

415

00:25:59,320 --> 00:26:00,320

(PEOPLE SCREAMING)

416

00:26:02,160 --> 00:26:03,160

(LAUGHING)

417

00:26:03,480 --> 00:26:06,233

What's up? Hey, you want some of this?

418

00:26:06,400 --> 00:26:07,400

Then come down here.

419

00:26:08,560 --> 00:26:10,118

That ain't me.

420

00:26:10,280 --> 00:26:11,280

That wasn't you?

421

00:26:11,440 --> 00:26:14,637

Nah, they say it's me, but that ain't me.

That guy's gone.

422

00:26:14,840 --> 00:26:15,989

He's dead.

423

00:26:16,160 --> 00:26:18,116

- And yet, here you are.

- RICK: Ma'am.

424

00:26:18,280 --> 00:26:19,679

Let me try to talk to him.

425

00:26:24,440 --> 00:26:26,670

You wanna die in here, buddy?

426

00:26:26,840 --> 00:26:29,195

You got a real shot
at walking the block again.

427

00:26:29,400 --> 00:26:32,153

Have a nice cold beer, a nice meal.

428

00:26:32,840 --> 00:26:33,840

A woman.

429

00:26:34,000 --> 00:26:37,709

Look, man, you ain't the first to ask,
and you ain't gonna be the last.

430

00:26:37,880 --> 00:26:39,359

Ask what?

431

00:26:39,520 --> 00:26:42,512

I'm a man, okay? I ain't no weapon.

432

00:26:43,600 --> 00:26:46,194

I'mma die in peace

before I raise my fists again.

433

00:26:47,640 --> 00:26:49,471

I've caused enough harm.

434

00:26:57,040 --> 00:26:58,080

(INDISTINCT RADIO CHATTER)

435

00:26:58,960 --> 00:27:00,080

RICK: All right, unlock him.

436

00:27:00,560 --> 00:27:02,312

- What?

- RICK: You heard me.

437

00:27:02,480 --> 00:27:03,708

You know what this man can do?

438

00:27:03,880 --> 00:27:07,031

I'm here to find out. Lose the restraints.

439

00:27:12,200 --> 00:27:13,394

Okay.

440

00:27:14,720 --> 00:27:17,359

What is this? Uh, cheerleading tryouts?

441

00:27:18,280 --> 00:27:19,872

Let's go. Let's see what you can do.

442

00:27:20,040 --> 00:27:22,713

They say you never missed a shot.

Prove it.

443

00:27:34,560 --> 00:27:35,560

Mmm-hmm.

444

00:27:36,520 --> 00:27:39,751

Now you got one in the chamber.

What you gonna do with it?

445

00:27:40,320 --> 00:27:41,514

- Shit!

- (PEOPLE EXCLAIM)

446

00:27:42,280 --> 00:27:44,077

Give me the word, boss. I'll drop him.

447

00:27:44,240 --> 00:27:45,434

Everybody calm down.

448

00:27:45,640 --> 00:27:47,080

Griggs, tell your men to stand down.

449

00:27:47,240 --> 00:27:48,576

(WHISPERING) Tell them, "Put it down."

450

00:27:48,600 --> 00:27:49,600

Stand down.

451

00:27:49,800 --> 00:27:52,553

Colonel, for the record, this is exactly
what I was concerned about.

452

00:27:52,760 --> 00:27:53,760

What's for dinner?

453

00:27:53,920 --> 00:27:55,239

Ames, if this man shoots me,

454

00:27:55,480 --> 00:27:57,232

I want you to kill him

455

00:27:57,960 --> 00:27:59,837

and I want you to go clear
my browser history.

456

00:28:01,320 --> 00:28:04,915

See, uh,
the firing pin is filed down, right?

457

00:28:05,320 --> 00:28:08,551

Mag full of dummy rounds.
If I pull the trigger, nothing happens.

458

00:28:08,720 --> 00:28:10,358

You're absolutely right.

459

00:28:10,520 --> 00:28:13,239

Why would we give a loaded weapon
to an infamous hitman?

460

00:28:13,400 --> 00:28:15,914

Go ahead, pull the trigger. Empty it.

461

00:28:16,080 --> 00:28:18,435

Don't empty nothing.

You don't even know this lady.

462

00:28:18,600 --> 00:28:20,352

I've known you, like, nine months.

463

00:28:20,520 --> 00:28:22,856

Remember when I brought you that cookie?

That was a real cookie.

464

00:28:22,880 --> 00:28:23,880

- (GUNSHOT)

- (GASPS)

465

00:28:25,720 --> 00:28:27,358

What?

466

00:28:28,160 --> 00:28:29,160

- (SNIFFING)

- Oops.

467

00:28:29,720 --> 00:28:30,720

(CHUCKLES)

468

00:28:31,400 --> 00:28:33,356

Y'all jokers must be crazy.

469

00:28:33,560 --> 00:28:35,471

(HIP HOP MUSIC PLAYING)

470

00:29:23,000 --> 00:29:25,275

All right. Now you know

what you're buying.

471

00:29:25,440 --> 00:29:28,671

Let me tell you the price.

First, I want out of here.

472

00:29:28,840 --> 00:29:31,912

Second, I want full custody
of my daughter.

473

00:29:32,120 --> 00:29:35,032

All right? And her mom can have, like,
supervised visits.

474

00:29:35,200 --> 00:29:38,431

But her stank-ass boyfriend can't come.
Darnell can't come.

475

00:29:38,600 --> 00:29:40,192

- Darnell's out.
- He's out.

476

00:29:40,360 --> 00:29:43,193

Third, y'all gonna pay
for my daughter's whole education.

477

00:29:43,360 --> 00:29:46,033

Best schools.
And then I want her to go to college.

478

00:29:46,200 --> 00:29:47,713

Like Harvard. Or Yale.

479

00:29:47,880 --> 00:29:49,677

- So Ivy League.

- Ivy League, yeah.

480

00:29:49,840 --> 00:29:51,416

- One of them big joints, you know?

- Mmm-hmm.

481

00:29:51,440 --> 00:29:54,352

And, uh, if she can't cut it
and her grades start slipping,

482

00:29:54,560 --> 00:29:56,080

I need you to white-people that thing.

483

00:29:56,160 --> 00:29:57,336

- Mmm-hmm.

- You know how y'all do.

484

00:29:57,360 --> 00:29:58,760

- Oh, yeah.

- You know, right? Okay.

485

00:29:58,880 --> 00:30:00,154

Now that's my price.

486

00:30:00,360 --> 00:30:03,511

But I'm concerned 'cause I don't see
nobody writing shit down.

487

00:30:03,680 --> 00:30:06,035

(CHUCKLES)

You're in no position to make any demands.

488

00:30:06,440 --> 00:30:09,034

Oh. I'm sorry.

You thought I was talking to you.

489

00:30:09,880 --> 00:30:12,792

No, errand boy. I'm talking to your boss.

490

00:30:15,080 --> 00:30:18,197

That's my price, sweetie.

You know what it is.

491

00:30:22,720 --> 00:30:24,551

You notice these are criminals, hmm?

492

00:30:24,760 --> 00:30:28,070

They're psychotic, antisocial freaks.

It makes no sense.

493

00:30:28,240 --> 00:30:30,120

Let me hit the Tier One units

and I'll build you

494

00:30:30,280 --> 00:30:32,176

a team of pipe hitters who'll

do anything you can dream up.

495

00:30:32,200 --> 00:30:34,350

I mean, you need real soldiers.

Not these scumbags.

496

00:30:34,560 --> 00:30:37,074

In World War Two,
the US Navy made a deal with the mafia

497

00:30:37,240 --> 00:30:38,878

to protect its ships on the waterfront.

498

00:30:39,040 --> 00:30:40,473

This ain't World War Two.

499

00:30:40,640 --> 00:30:41,959

It's World War Three.

500

00:30:42,600 --> 00:30:44,033

What are you really up to?

501

00:30:44,200 --> 00:30:46,873

It's a "need to know", and all you need
to know is you work for me.

502

00:30:47,040 --> 00:30:50,350

That can change with a phone call.

I have friends, too, you know.

503

00:30:52,720 --> 00:30:54,312

There you go. Call.

504

00:30:54,840 --> 00:30:55,960

But without you minding her,

505

00:30:56,160 --> 00:30:59,994

your lady friend stays here strapped
to a board in a drug-induced coma.

506

00:31:01,440 --> 00:31:03,112

They warned me about you.

507

00:31:04,800 --> 00:31:07,075

My dumb ass didn't believe the stories.

508

00:31:12,640 --> 00:31:14,153

Nobody does.

509

00:31:17,960 --> 00:31:18,960

(INHALES SHARPLY)

510

00:31:23,920 --> 00:31:25,433

Where is she?

511

00:31:25,600 --> 00:31:28,637

It's complex. This is not just her.

512

00:31:28,800 --> 00:31:30,631

Everybody's disappearing.

513

00:31:30,800 --> 00:31:31,800

There's this new law,

514

00:31:31,960 --> 00:31:34,960

where if you're a bad enough bad guy,
they stamp "terrorist" on your jacket.

515

00:31:35,120 --> 00:31:38,999

They send you to this swamp in Louisiana.
A black site.

516

00:31:39,480 --> 00:31:41,152

That's where she is.

517

00:31:42,600 --> 00:31:44,238

So what are we doing?

518

00:31:45,320 --> 00:31:46,958

Bring the car around.

519

00:31:47,720 --> 00:31:49,790

We're going for a drive.

520

00:31:52,320 --> 00:31:53,833

(BREATHING HEAVILY)

521

00:31:57,120 --> 00:31:58,838

(LAUGHING MANIACALLY)

522

00:32:09,680 --> 00:32:12,433

GRIGGS: Lester, Lester!

Hit me one more time!

523

00:32:13,200 --> 00:32:14,349

Come on, man!

524

00:32:14,520 --> 00:32:17,080

You gotta call upstairs and tell them
to float me another 10 K.

525

00:32:17,800 --> 00:32:18,800

- Hey!

- Ow!

526

00:32:19,040 --> 00:32:21,349

- Boss wants to see you.

- You know who I am?

527

00:32:21,520 --> 00:32:22,720

- (TAZER CLICKING)

- (GROANING)

528

00:32:26,520 --> 00:32:28,670

Good job, man. He's killing it.

529

00:32:28,880 --> 00:32:30,108

Come on, man. Why am I here?

530

00:32:30,280 --> 00:32:32,236

All right, yeah, I'm down.

I get it, all right?

531

00:32:32,400 --> 00:32:36,518

I've had a run of bad decks.

Not my fault. All right?

532

00:32:36,720 --> 00:32:38,233

Dude, this is real.

533

00:32:38,400 --> 00:32:41,392

I had to stop these guys from burning
down your house with your kids in it.

534

00:32:46,720 --> 00:32:48,119

But you're lucky.

535

00:32:48,320 --> 00:32:50,276

GRIGGS: Maybe. Why do you think so?

536

00:32:54,320 --> 00:32:55,992

Yo, slick. What's up?

537

00:32:57,400 --> 00:32:59,231

Griggs. You are?

538

00:32:59,400 --> 00:33:00,880

You might wanna keep your mouth shut.

539

00:33:01,720 --> 00:33:03,756

Can I go, man?

What the hell is going on, man?

540

00:33:03,960 --> 00:33:05,279

This is crazy.

541

00:33:05,480 --> 00:33:07,038

JOKER: Blah, blah-blah, blah-blah.

542

00:33:07,200 --> 00:33:09,316

Blah-blah, blah, blah.

543

00:33:10,840 --> 00:33:13,479

All of that chitchat's gonna get ya hurt.

544

00:33:13,760 --> 00:33:14,909

Oh! My God!

545

00:33:15,120 --> 00:33:16,872

(SNARLS)

546

00:33:21,920 --> 00:33:22,920

Mmm.

547

00:33:35,440 --> 00:33:37,078

I could tell you meant that.

548

00:33:37,280 --> 00:33:40,158

- Yeah.

- (CHUCKLES MANIACALLY)

549

00:33:41,360 --> 00:33:43,430

You're gonna be my friend.

550

00:33:46,760 --> 00:33:47,760

(THUNDER RUMBLING)

551

00:34:00,280 --> 00:34:02,430

Enchantress.

552

00:34:02,760 --> 00:34:03,760

(CREAKING)

553

00:34:12,720 --> 00:34:13,720

(GRUNTS)

554

00:34:13,960 --> 00:34:16,315

- WOMAN: Log time of death. 1620.

- June?

555

00:34:18,600 --> 00:34:20,200

WOMAN: Let's get her down to the morgue.

556

00:34:20,240 --> 00:34:21,992

June? June?

557

00:34:23,200 --> 00:34:24,315

(CRYING) June.

558

00:34:25,640 --> 00:34:26,709

June.

559

00:34:26,960 --> 00:34:27,960

(GASPS)

560

00:34:29,720 --> 00:34:31,073

What did you do?

561

00:34:31,920 --> 00:34:32,920

Shh.

562

00:34:33,920 --> 00:34:35,069

Okay.

563

00:34:51,480 --> 00:34:52,480

- (BEEPING)

- (GASPS)

564

00:35:04,320 --> 00:35:05,600

(MAN SPEAKING IN OTHER LANGUAGE)

565

00:35:06,880 --> 00:35:08,360

(ENCHANTRESS SPEAKING OTHER LANGUAGE)

566

00:35:12,280 --> 00:35:14,316

Plus, it could be the routing number.

567

00:35:15,200 --> 00:35:17,350

Wanna go for drinks?

568

00:35:19,360 --> 00:35:20,395

(GRUNTS)

569

00:35:28,520 --> 00:35:30,000

(ENCHANTRESS SPEAKING OTHER LANGUAGE)

570

00:35:32,680 --> 00:35:33,960

(MAN SPEAKING IN OTHER LANGUAGE)

571

00:36:14,240 --> 00:36:15,912

ENCHANTRESS: Enchantress.

572

00:36:16,080 --> 00:36:17,080

(GASPS)

573

00:36:18,280 --> 00:36:19,952

(PANTING) God damn it!

574

00:36:21,040 --> 00:36:23,315

June! June!

575

00:36:24,080 --> 00:36:25,115

(JUNE SOBBING)

576

00:36:25,880 --> 00:36:27,438

June, I'm sorry.

577

00:36:32,480 --> 00:36:33,515

Shh.

578

00:36:38,280 --> 00:36:39,918

She went somewhere.

579

00:36:41,320 --> 00:36:45,791

If you have to choose between her or me,
stop her.

580

00:36:45,960 --> 00:36:47,996

Promise me you'll stop her.

581

00:36:52,080 --> 00:36:53,479

Even if it kills me.

582

00:37:02,320 --> 00:37:04,390

(BREATHING HEAVILY)

583

00:37:14,280 --> 00:37:15,280

(CHOKING)

584

00:37:18,000 --> 00:37:19,000

(PEOPLE GASP)

585

00:37:20,000 --> 00:37:22,673

Sir. Sir. You okay?

586

00:37:23,320 --> 00:37:25,675

Can you breathe? Did you take anything?

587

00:37:26,840 --> 00:37:29,354

This is 21.

Send medical to my location.

588

00:37:30,320 --> 00:37:31,548

MAN: I'm a physician.

589

00:37:31,720 --> 00:37:33,656

WOMAN: (ON RADIO)

Roger. Bringing medical to your location.

590

00:37:33,680 --> 00:37:35,910

No pulse. Starting compressions.

591

00:37:36,520 --> 00:37:37,520

(GRUNTS)

592

00:37:39,520 --> 00:37:40,520

(WOMAN SCREAMS)

593

00:37:41,880 --> 00:37:42,880

(CROWD SCREAMING)

594

00:37:59,040 --> 00:38:00,040

(CROWD SCREAMING)

595

00:38:03,440 --> 00:38:04,668

MAN: Sir.

596

00:38:04,880 --> 00:38:07,519

Midway City is under attack.

It's a non-human entity.

597

00:38:07,720 --> 00:38:09,040

I think you know what to do, sir.

598

00:38:09,200 --> 00:38:11,077

Activate Task Force X

599

00:38:11,240 --> 00:38:13,800

and get Amanda Waller

and her whole circus on scene ASAP.

600

00:38:13,960 --> 00:38:14,995

Sir.

601

00:38:16,920 --> 00:38:18,911

We're going live

with Task Force X. Pull 'em.

602

00:38:19,080 --> 00:38:20,080

(INDISTINCT SHOUTING)

603

00:38:24,640 --> 00:38:26,596

GUARD: Prisoner,

get down on your knees, now!

604

00:38:26,760 --> 00:38:28,176

Down on your knees!

Hands in the air! Turn around.

605

00:38:28,200 --> 00:38:29,235

Hands up high!

606

00:38:29,400 --> 00:38:30,879

Hey, I'm cooperating. All right?

607

00:38:31,040 --> 00:38:32,917

- This is me being cool.

- Take her.

608

00:38:33,880 --> 00:38:34,880

(GRUNTING)

609

00:38:35,120 --> 00:38:37,076

GRIGGS: Do not fire

that goddamn weapon!

610

00:38:38,800 --> 00:38:39,800

Damn it!

611

00:38:40,080 --> 00:38:41,560

- (GROANING)

- (ELECTRICITY CRACKLING)

612

00:38:41,720 --> 00:38:43,358

Open the gate!

613

00:38:43,520 --> 00:38:45,112

Everybody, line up for extraction.

614

00:38:45,280 --> 00:38:46,918

Let's go! Let's move, move.

615

00:38:47,560 --> 00:38:49,790

Yeah. Open the door! Let's go!

616

00:38:50,400 --> 00:38:51,400

(INDISTINCT SHOUTING)

617

00:38:54,760 --> 00:38:55,760

(GASPS)

618

00:38:56,520 --> 00:38:57,555

MAN 1: Hit him!

619

00:38:57,720 --> 00:38:59,200

MAN 2: Hurry up, before he smokes us!

620

00:39:00,800 --> 00:39:01,835

GRIGGS: Where you at?

621

00:39:02,440 --> 00:39:03,440

- (ROARS)

- MAN: Whoa!

622

00:39:04,160 --> 00:39:05,160

(MAN SCREAMING)

623

00:39:05,560 --> 00:39:06,560

(GROWLING)

624

00:39:08,600 --> 00:39:09,749

Is that the new guy?

625

00:39:10,280 --> 00:39:11,400

(HARLEY LAUGHING MANIACALLY)

626

00:39:16,160 --> 00:39:17,760

What is that? What is that? Who are you?

627

00:39:17,840 --> 00:39:19,576

- MAN 1: Stand by. Arming device.

- HARLEY: Who are you?

628

00:39:19,600 --> 00:39:21,056

- I don't know who you are.

- MAN 2: Device armed.

629

00:39:21,080 --> 00:39:23,833

Hey! Hey, I'm talking to you.

Hey, I'm talking to you.

630

00:39:24,440 --> 00:39:26,032

- (SCREAMS)

- Injection successful.

631

00:39:26,960 --> 00:39:28,154

WOMAN: Location verified.

632

00:39:29,160 --> 00:39:32,630

Anybody who touches me is dead.

Anybody who... (SCREAMS)

633

00:39:32,920 --> 00:39:35,639

- (GRUNTS) Lady. Hey.

- MAN: Injection successful.

634

00:39:35,800 --> 00:39:38,189

- Hey! Miss? What was that?

- Location verified.

635

00:39:38,360 --> 00:39:39,360

Next!

636

00:39:39,560 --> 00:39:41,915

Oh, you deaf. You one of them deaf hoes.

637

00:39:42,080 --> 00:39:43,080

(KILLER CROC GROWLING)

638

00:39:43,480 --> 00:39:44,629

MAN 1: Come on.

639

00:39:46,120 --> 00:39:47,400

MAN 2: Shut up, and get it done.

640

00:39:48,320 --> 00:39:49,320

(ROARS)

641

00:39:49,560 --> 00:39:50,560

HARLEY: Whee!

642

00:39:50,760 --> 00:39:53,360

Listen, you're being transferred.

I don't know where you're going.

643

00:39:53,560 --> 00:39:54,560

It's from Mr. J.

644

00:39:54,800 --> 00:39:56,296

You gonna tell him I took care of you?

645

00:39:56,320 --> 00:39:58,276

You're so screwed.

646

00:39:58,440 --> 00:40:00,635

What do you mean by that?

What do you mean by that?

647

00:40:00,800 --> 00:40:03,155

Get off me! Get off me!

Harley, what do you mean by that?

648

00:40:04,000 --> 00:40:05,592

Harley!

649

00:40:11,640 --> 00:40:14,632

MAN: Hey, I got a delivery.

I have a gift basket for Dr. Van Criss.

650

00:40:14,800 --> 00:40:17,473

You're not on the access list.

I can't let you in. Sorry.

651

00:40:17,680 --> 00:40:20,592

Hey, cool if I leave it with you?

I'm way behind today.

652

00:40:21,600 --> 00:40:23,318

Thank you. You're a good man.

653

00:40:25,680 --> 00:40:26,680

(GRUNTS)

654

00:40:35,920 --> 00:40:37,353

Open up!

655

00:40:39,320 --> 00:40:40,320

(GASPING)

656

00:40:46,040 --> 00:40:48,031

Just please, do whatever they say.

657

00:40:48,840 --> 00:40:50,160

Do whatever they say. Just do it.

658

00:40:59,840 --> 00:41:00,920

- (BREATHING HEAVILY)

- Hmm.

659

00:41:01,760 --> 00:41:02,909

This looks neat.

660

00:41:03,160 --> 00:41:04,160

(SCREAMS)

661

00:41:09,800 --> 00:41:11,756

COP: Light it up!

Light it up! Light it up!

662

00:41:13,120 --> 00:41:14,120

(COPS SCREAMING)

663

00:41:21,280 --> 00:41:22,838

He's right above us.

664

00:41:23,040 --> 00:41:24,792

This is a mistake. Rick, I can't do this.

665

00:41:25,000 --> 00:41:26,399

- I can't...

- Listen, listen.

666

00:41:26,560 --> 00:41:28,039

There's no other way.

667

00:41:28,640 --> 00:41:30,278

Just get it done.

668

00:41:32,400 --> 00:41:33,913

Just get it done.

669

00:41:37,240 --> 00:41:38,434

Enchantress.

670

00:41:39,080 --> 00:41:41,160

AMANDA: Flag, talk to me.

What's going on down there?

671

00:41:42,440 --> 00:41:43,953

RICK: Amanda, she bolted.

672

00:41:44,120 --> 00:41:45,473

Say it again?

673

00:41:45,640 --> 00:41:47,153

She bolted!

674

00:41:47,800 --> 00:41:48,915

Shit!

675

00:41:53,640 --> 00:41:54,640

(IN OTHER LANGUAGE)

676

00:41:59,120 --> 00:42:00,155

(PANTING)

677

00:42:03,720 --> 00:42:04,720

(GASPS)

678

00:42:50,440 --> 00:42:51,475

SOLDIER: Go!

679

00:42:51,760 --> 00:42:52,760

(SOLDIERS SCREAMING)

680

00:43:02,080 --> 00:43:04,753

Worldwide military is on alert.

Our weapons are ineffective.

681

00:43:04,920 --> 00:43:06,831

I thought this was contained!

682

00:43:22,280 --> 00:43:23,998

This is the worst day of my life!

683

00:43:25,520 --> 00:43:28,796

MAN: (OVER SPEAKERS) All evacuees
must report to a FEMA representative.

684

00:43:30,680 --> 00:43:32,511

MAN: What's going on in that city?

685

00:43:33,160 --> 00:43:34,718

Those assholes here yet?

686

00:43:35,280 --> 00:43:36,280

MAN: Yeah, they're here.

687

00:43:38,200 --> 00:43:40,509

Alpha, Bravo team, on me.

688

00:43:40,880 --> 00:43:41,880

(ROCK MUSIC PLAYING)

689

00:43:43,520 --> 00:43:45,476

What the hell, Flag?

690

00:43:45,680 --> 00:43:46,680

(GROWLING)

691

00:43:48,040 --> 00:43:49,189

Unlock 'em.

692

00:43:55,680 --> 00:43:56,680

HARLEY: Mmm!

693

00:43:57,400 --> 00:43:59,550

Hi, boys! Harley Quinn.

694

00:43:59,720 --> 00:44:01,199

How do you do?

695

00:44:07,200 --> 00:44:08,349

Huh?

696

00:44:08,920 --> 00:44:12,037

What was that?

I should kill everyone and escape?

697

00:44:13,680 --> 00:44:16,433

Sorry. It's the voices.

698

00:44:17,960 --> 00:44:20,076

(CHUCKLING) I'm kidding! Jeez!

699

00:44:21,120 --> 00:44:22,872

That's not what they really said.

700

00:44:23,040 --> 00:44:24,553

What do we got here?

701

00:44:24,760 --> 00:44:27,115

Twelve pounds of shit in a 10-pound sack.

702

00:44:27,280 --> 00:44:28,280

(MAN GRUNTING)

703

00:44:33,160 --> 00:44:35,230

RICK: Welcome to the party,
Captain Boomerang.

704

00:44:36,160 --> 00:44:37,160

(GRUNTING)

705

00:44:38,920 --> 00:44:41,480

Hey, what's going on, man?

706

00:44:41,640 --> 00:44:42,640

RICK: Calm down.

707

00:44:42,800 --> 00:44:44,916

Hey, one minute
I'm playing Mahjong with me nanna,

708

00:44:45,080 --> 00:44:47,355

then this red streak hits me
outta nowhere.

709

00:44:47,520 --> 00:44:50,080

Shut up! You were caught
robbing a diamond exchange.

710

00:44:50,240 --> 00:44:51,434

I was not!

711

00:44:53,360 --> 00:44:57,273

RICK: Here comes Slipknot,
the man who can climb anything. Wonderful.

712

00:44:57,440 --> 00:44:59,112

WOMAN: Have a good time, scumbag.

713

00:44:59,400 --> 00:45:00,799

- (GRUNTS)

- Ooh.

714

00:45:01,600 --> 00:45:02,715

Straighten up.

715

00:45:04,880 --> 00:45:06,279

She had a mouth.

716

00:45:06,520 --> 00:45:08,636

- (LAUGHS)

- RICK: Listen up!

717

00:45:09,160 --> 00:45:10,798

In your necks,

718

00:45:11,640 --> 00:45:14,996

injection you got,

it's a nanite explosive.

719

00:45:15,160 --> 00:45:19,119

It's the size of a rice grain,

but it's powerful as a hand grenade.

720

00:45:19,320 --> 00:45:21,754

You disobey me, you die.

721

00:45:21,960 --> 00:45:22,960

(GROWLS)

722

00:45:23,640 --> 00:45:25,949

You try to escape, you die.

723

00:45:26,160 --> 00:45:30,631

You otherwise irritate or vex me,
and guess what?

724

00:45:31,400 --> 00:45:32,549

You die.

725

00:45:32,720 --> 00:45:35,598

I'm known to be quite vexing.

I'm just forewarning you.

726

00:45:35,760 --> 00:45:36,795

Lady, shut up!

727

00:45:38,000 --> 00:45:39,194

This is the deal.

728

00:45:40,160 --> 00:45:44,631

You're going somewhere very bad,
to do something that'll get you killed.

729

00:45:44,840 --> 00:45:46,319

But until that happens,

730

00:45:47,680 --> 00:45:48,749

you're my problem.

731

00:45:48,960 --> 00:45:49,960

DEADSHOT: Mmm.

732

00:45:50,760 --> 00:45:52,910

So was that like a, uh, pep talk?

733

00:45:53,080 --> 00:45:54,308

Yeah. That was a pep talk.

734

00:45:54,520 --> 00:45:55,714

There's your shit.

735

00:45:56,560 --> 00:45:58,869

Grab what you need for a fight.

We're wheels up in 10.

736

00:45:59,040 --> 00:46:01,110

You might wanna work on
your team motivation thing.

737

00:46:01,320 --> 00:46:02,912

- You heard of Phil Jackson?

- Yeah.

738

00:46:03,080 --> 00:46:05,150

He's like the gold standard, okay?

739

00:46:05,360 --> 00:46:07,999

Triangle, bitch. Study.

740

00:46:09,920 --> 00:46:11,353

(RAP MUSIC PLAYING)

741

00:46:12,440 --> 00:46:13,440

(SCREAMS)

742

00:46:41,120 --> 00:46:42,120

(GROWLING)

743

00:47:10,880 --> 00:47:11,880

What?

744

00:47:13,600 --> 00:47:14,953

(ALL MURMURING INDISTINCTLY)

745

00:47:18,640 --> 00:47:19,640

Won't fit anymore?

746

00:47:21,440 --> 00:47:23,078

Too much junk in the trunk?

747

00:47:23,240 --> 00:47:27,074

Nah. Every time I put this on,
somebody dies.

748

00:47:28,240 --> 00:47:29,240

And?

749

00:47:30,320 --> 00:47:31,912

I like putting it on.

750

00:47:32,760 --> 00:47:33,875

HARLEY: Goody.

751

00:47:34,080 --> 00:47:37,277

Somethin' tells me

a whole lotta people are about to die!

752

00:47:37,440 --> 00:47:38,839

DIABLO: Yeah. It's us.

753

00:47:39,040 --> 00:47:40,240

We're being led to our deaths.

754

00:47:40,280 --> 00:47:41,720

BOOMERANG: Speak for yourself, mate.

755

00:47:42,160 --> 00:47:44,240

Hey, what's that crap on your face?

Does it wash off?

756

00:47:44,600 --> 00:47:45,600

(CHUCKLES)

757

00:47:45,920 --> 00:47:48,798

Hey, if you like a girl, can you light
her cigarette with your pinkie?

758

00:47:48,960 --> 00:47:50,552

Because that would be real classy!

759

00:47:50,760 --> 00:47:53,274

DEADSHOT: Hey, y'all might
wanna leave old boy alone.

760

00:47:53,440 --> 00:47:56,716

He could torch this whole joint.
Ain't that right, ese?

761

00:47:56,880 --> 00:48:00,953

Ain't got nothing to worry about from me.

I'm cool, homie.

762

00:48:01,120 --> 00:48:02,951

Behold the voice of God.

763

00:48:03,640 --> 00:48:04,640

(BEEPS)

764

00:48:05,960 --> 00:48:07,936

AMANDA: For those of you
who don't know me officially,

765

00:48:07,960 --> 00:48:09,632

my name is Amanda Waller.

766

00:48:10,960 --> 00:48:13,918

There's an active terrorist event
in Midway City.

767

00:48:14,120 --> 00:48:18,432

I want you to enter the city,
rescue HVT-1, and get them to safety.

768

00:48:19,160 --> 00:48:20,798

I'm sorry. Uh...

769

00:48:21,000 --> 00:48:24,595

For those of us who don't
speak good guy, what is HVT-1?

770

00:48:24,760 --> 00:48:26,680

AMANDA: The only person
that matters in the city,

771

00:48:26,880 --> 00:48:28,472

the one person you can't kill.

772

00:48:29,640 --> 00:48:32,359

Complete the mission,
you get time off your prison sentence.

773

00:48:32,520 --> 00:48:34,272

Fail the mission, you die.

774

00:48:34,440 --> 00:48:37,989

Anything happens to Colonel Flag,
I'll kill every single one of you.

775

00:48:39,120 --> 00:48:40,678

Remember, I'm watching.

776

00:48:42,320 --> 00:48:43,799

I see everything.

777

00:48:46,480 --> 00:48:48,152

There's your pep talk.

778

00:48:48,760 --> 00:48:50,671

Compared to your shit, she killed it.

779

00:48:51,520 --> 00:48:52,669

So that's it?

780

00:48:52,840 --> 00:48:55,718

What, we some kind of Suicide Squad?

781

00:48:55,880 --> 00:48:58,348

I'll notify your next of kin.

782

00:48:59,840 --> 00:49:02,195

Alpha, Bravo team. Mount up!

783

00:49:08,040 --> 00:49:09,440

- You're late.

- (SPEAKING JAPANESE)

784

00:49:10,640 --> 00:49:12,153

(YELLING)

785

00:49:20,680 --> 00:49:21,680

(MAN SPEAKING JAPANESE)

786

00:49:33,040 --> 00:49:34,040

(GRUNTS)

787

00:49:35,720 --> 00:49:38,154

This is Katana. She's got my back.

788

00:49:38,320 --> 00:49:41,232

She can cut all of you in half
with one sword stroke,

789

00:49:41,400 --> 00:49:43,868

just like mowing the lawn.

790

00:49:44,080 --> 00:49:45,991

I would advise not getting killed by her.

791

00:49:46,160 --> 00:49:49,391

Her sword traps the souls of its victims.

792

00:49:50,200 --> 00:49:52,555

HARLEY: Harley Quinn. Nice to meet ya.

793

00:49:52,760 --> 00:49:53,760

Love your perfume.

794

00:49:53,920 --> 00:49:56,309

What is that? The stench of death?

795

00:49:56,560 --> 00:49:57,560

(HARLEY CHUCKLES)

796

00:49:57,800 --> 00:49:58,835

(SPEAKING JAPANESE)

797

00:50:00,160 --> 00:50:03,120

(CHUCKLING) Whoa! Easy, cowgirl.

Ain't that kind of a mission. Have a seat.

798

00:50:03,760 --> 00:50:05,079

She seems nice.

799

00:50:05,400 --> 00:50:06,435

(ROCK MUSIC PLAYING)

800

00:50:13,920 --> 00:50:14,920

(GROWLS)

801

00:50:24,840 --> 00:50:25,840

Shh.

802

00:50:27,320 --> 00:50:28,320

Hey.

803

00:50:29,800 --> 00:50:31,280

Is he supposed to be green like that?

804

00:50:32,480 --> 00:50:33,959

(PUKING)

805

00:50:34,800 --> 00:50:35,800

HARLEY: Oh!

806

00:50:36,120 --> 00:50:37,473

Party foul!

807

00:50:38,280 --> 00:50:39,713

Not cool.

808

00:50:40,680 --> 00:50:42,591

(INDISTINCT RADIO CHATTER)

809

00:50:52,640 --> 00:50:54,437

HARLEY: Ooh. Look at the pretty lights!

810

00:50:55,800 --> 00:50:57,677

Are you guys seeing this?

811

00:50:59,040 --> 00:51:00,040

What happened?

812

00:51:02,120 --> 00:51:03,633

Terror attack.

813

00:51:03,800 --> 00:51:07,031

Dirty bombs, bad guys
shooting up the place with AKs.

814

00:51:07,200 --> 00:51:09,156

You know, usual shit.

815

00:51:09,320 --> 00:51:10,320

Right.

816

00:51:11,320 --> 00:51:13,151

Yeah, you're a bad liar.

817

00:51:14,160 --> 00:51:15,336

I don't know if they told you,

818

00:51:15,360 --> 00:51:18,477

but I'm a hitman. I'm not a fireman.

I don't save people.

819

00:51:18,640 --> 00:51:20,153

Anything for a dollar, right?

820

00:51:20,800 --> 00:51:23,633

You know the dark places, too.

Don't act like you don't.

821

00:51:23,800 --> 00:51:25,677

I'm a soldier!

822

00:51:25,840 --> 00:51:28,673

And you're a serial killer

who takes credit cards.

823

00:51:28,840 --> 00:51:33,152

When the shooting starts,
and it will, you'll cut and run.

824

00:51:40,680 --> 00:51:41,680

(GUNS FIRING)

825

00:51:41,840 --> 00:51:42,840

(PILOT GRUNTS)

826

00:51:44,480 --> 00:51:45,480

(SCREAMING)

827

00:51:47,640 --> 00:51:49,198

MAN: (ON RADIO) Six-one is going down.

828

00:51:49,360 --> 00:51:51,237

Six-one is going down hard.

829

00:51:55,880 --> 00:51:57,029

(ALL SCREAMING)

830

00:52:02,360 --> 00:52:03,554

(INDISTINCT CHATTER)

831

00:52:05,520 --> 00:52:07,238

MAN: Stand by. Drop the ramp.

832

00:52:09,240 --> 00:52:10,593

(INDISTINCT SHOUTING)

833

00:52:16,240 --> 00:52:18,151

Whoo! What a ride!

834

00:52:18,440 --> 00:52:20,476

RICK: We're okay. We're okay.

Assets are undamaged.

835

00:52:20,640 --> 00:52:21,640

(SIGHS)

836

00:52:39,080 --> 00:52:41,071

- Mind games.

- What's that?

837

00:52:41,240 --> 00:52:43,276

All this bomb in the neck crap.

838

00:52:44,160 --> 00:52:45,229

That ain't real, mate.

839

00:52:45,880 --> 00:52:48,120

See, they're trying to trap us
with our own minds, right?

840

00:52:48,200 --> 00:52:51,795

But you look around, we're free, brah.

841

00:52:51,960 --> 00:52:52,960

How do you know this?

842

00:52:53,120 --> 00:52:55,270

Just trust me. I know, all right?
It's a con.

843

00:52:55,480 --> 00:52:58,438

Now I'm going,
because I got a life to live.

844

00:52:58,600 --> 00:53:00,591

Question is, are you coming?

845

00:53:04,720 --> 00:53:06,676

Yeah. Smart!

846

00:53:18,640 --> 00:53:20,119

(GRUNTING)

847

00:53:20,600 --> 00:53:21,600

(YELLING)

848

00:53:25,960 --> 00:53:26,960

(GRUNTS)

849

00:53:28,440 --> 00:53:29,440

RICK: Hold your fire.

850

00:53:32,440 --> 00:53:34,192

Sorry. It's what I do.

851

00:53:43,680 --> 00:53:44,680

(SIGHS)

852

00:53:45,520 --> 00:53:46,520

Damn it.

853

00:53:48,440 --> 00:53:50,749

(CHUCKLING) Now that's a killer app!

854

00:53:50,920 --> 00:53:52,478

RICK: Okay. You wanna keep playing

855

00:53:52,640 --> 00:53:55,256

the Hollywood Squares version
of "I'll Blow Your Freaking Head Off"?

856

00:53:55,280 --> 00:53:56,280

Are you next?

857

00:53:57,160 --> 00:53:58,434

You tripping, homie.

858

00:53:59,280 --> 00:54:00,918

You next, Deadshot?

859

00:54:03,960 --> 00:54:05,029

You just threatened me?

860

00:54:05,200 --> 00:54:06,599

Oh, yeah.

861

00:54:06,800 --> 00:54:08,313

He just threatened me.

862

00:54:12,040 --> 00:54:13,439

Move.

863

00:54:13,640 --> 00:54:15,198

You got a boyfriend?

864

00:54:18,960 --> 00:54:20,518

All right, I'm gonna kill him.

865

00:54:20,680 --> 00:54:21,816

HARLEY: Well, you better make it quick

866

00:54:21,840 --> 00:54:23,560

'cause he's gonna kill

all of us one by one.

867

00:54:24,360 --> 00:54:26,920

I'm gonna drop him, the sword lady,

five or seven of these SEALs.

868

00:54:27,040 --> 00:54:29,076

After that, I'm gonna need

some help. You down?

869

00:54:29,280 --> 00:54:31,794

Always. What about the shit in our necks?

870

00:54:31,960 --> 00:54:34,633

Your friend's gonna

help us out with that, right?

871

00:54:37,840 --> 00:54:39,910

You're my friend, too.

872

00:54:40,080 --> 00:54:41,080

(CHUCKLES)

873

00:54:41,320 --> 00:54:44,517

Stay evil, doll face. Spread the word.

874

00:54:56,840 --> 00:54:57,840

So...

875

00:54:58,000 --> 00:55:00,150

I'm thinking if we move together,

876

00:55:00,320 --> 00:55:03,118

we can kill all these guys

and go our separate ways.

877

00:55:03,400 --> 00:55:04,674

- Yeah?

- Sounds good.

878

00:55:12,680 --> 00:55:14,159

Spread the word.

879

00:55:16,400 --> 00:55:17,799

Psst. Oi. Oi.

880

00:55:20,720 --> 00:55:22,119

We need your help, man.

881

00:55:22,520 --> 00:55:23,953

When the time's right,

882

00:55:24,240 --> 00:55:25,673

you hit Flag with a fireball.

883

00:55:26,320 --> 00:55:29,551

He'll be too busy burning to death
to have a go at us with his phone of doom.

884

00:55:30,120 --> 00:55:31,120

Then what?

885

00:55:31,840 --> 00:55:33,319

Then we get out of here.

886

00:55:34,720 --> 00:55:35,789

And do what?

887

00:55:36,160 --> 00:55:38,280

What are you,

bloody Socrates, with all the questions?

888

00:55:38,320 --> 00:55:39,435

Freedom, man.

889

00:55:40,240 --> 00:55:41,878

Freedom! You remember that, don't you?

890

00:55:43,240 --> 00:55:44,760

We're criminals. You know that, right?

891

00:55:44,960 --> 00:55:46,359

Yeah. It's great.

892

00:55:46,680 --> 00:55:47,908

Come on, do the bastard.

893

00:55:50,520 --> 00:55:51,589

Hey, be careful.

894

00:55:52,080 --> 00:55:53,115

He eats people.

895

00:55:53,280 --> 00:55:54,599

Sorry, Mother Superior, what?

896

00:55:55,080 --> 00:55:56,718

He eats people for reals, homie.

897

00:55:56,920 --> 00:55:57,920

He's a cannibal.

898

00:55:58,400 --> 00:55:59,628

Oh.

899

00:56:03,960 --> 00:56:05,075

No.

900

00:56:12,520 --> 00:56:14,238

(GRUNTS)

901

00:56:17,240 --> 00:56:18,639

(CLATTERING)

902

00:56:21,120 --> 00:56:22,640

- What did you say to him?

- (CHUCKLES)

903

00:56:22,800 --> 00:56:24,756

Nothing. Just having a laugh.

904

00:56:25,480 --> 00:56:26,754

No worries.

905

00:56:33,840 --> 00:56:36,160

SOLDIER: (ON RADIO)

I'm standing by for follow on tac team.

906

00:56:46,640 --> 00:56:49,438

C2, what is the operational load
of the PLS?

907

00:56:49,640 --> 00:56:51,039

Boss, we got people up here.

908

00:56:52,160 --> 00:56:53,832

I'm on my way.

909

00:56:55,000 --> 00:56:56,399

(INDISTINCT SPEECH)

910

00:57:06,120 --> 00:57:07,120

Shit.

911

00:57:07,280 --> 00:57:09,236

RICK: Amanda, we have hostiles up ahead.

912

00:57:09,440 --> 00:57:11,158

Flag, get out of there.

913

00:57:11,360 --> 00:57:13,669

We're not here to fight them.

We know that doesn't work.

914

00:57:13,840 --> 00:57:15,558

RICK: Copy that.

915

00:57:15,720 --> 00:57:16,994

We're diverting.

916

00:57:17,200 --> 00:57:19,714

Bump out second squad two blocks east.

917

00:57:19,880 --> 00:57:22,519

We'll pass through you, continue north.

918

00:57:22,680 --> 00:57:24,216

SOLDIER 1: (WHISPERING)

Take Bravo two blocks east.

919

00:57:24,240 --> 00:57:26,176

We'll leapfrog through you
once you're in position.

920

00:57:26,200 --> 00:57:27,200

SOLDIER 2: Copy that.

921

00:57:31,880 --> 00:57:32,949

(INDISTINCT CONVERSATION)

922

00:57:34,520 --> 00:57:38,832

Hey. I like these odds, mate.

You just say the word.

923

00:57:39,000 --> 00:57:40,000

Yeah.

924

00:57:40,800 --> 00:57:41,915

Come on.

925

00:57:42,360 --> 00:57:43,360

Yeah, uh...

926

00:57:43,560 --> 00:57:44,879

Hold that thought.

927

00:57:54,120 --> 00:57:56,429

Rick, why do they look like that?

928

00:57:56,600 --> 00:57:58,272

Just stay cool.

929

00:57:59,640 --> 00:58:01,073

(SPEAKING OTHER LANGUAGE)

930

00:58:10,120 --> 00:58:11,155

The hell are they?

931

00:58:12,080 --> 00:58:14,071

You cut and run, I'll blow your head off.

932

00:58:18,280 --> 00:58:19,280

(GRUNTS)

933

00:58:19,520 --> 00:58:20,520

(SPEAKING JAPANESE)

934

00:58:24,880 --> 00:58:25,880

(GROWLING)

935

00:58:26,120 --> 00:58:27,120

RICK: Hit them!

936

00:58:27,600 --> 00:58:28,874

(GUNS FIRING)

937

00:58:34,280 --> 00:58:35,280

(GROWLS)

938

00:58:37,400 --> 00:58:38,400

Huh.

939

00:58:46,720 --> 00:58:47,720

(GRUNTING)

940

00:59:10,120 --> 00:59:11,269

(GRUNTING)

941

00:59:20,440 --> 00:59:21,793

(ROARING)

942

00:59:24,080 --> 00:59:25,080

Hey.

943

00:59:26,400 --> 00:59:27,719

(GRUNTING)

944

00:59:31,160 --> 00:59:32,160

(GRUNTING)

945

00:59:35,120 --> 00:59:36,120

Ha!

946

00:59:44,840 --> 00:59:45,840

(GRUNTING)

947

00:59:51,000 --> 00:59:52,000

Get off me!

948

00:59:56,280 --> 00:59:57,395

Get off me! Son of a...

949

00:59:57,960 --> 00:59:58,960

(GRUNTS)

950

01:00:02,080 --> 01:00:03,115

Flag!

951

01:00:04,680 --> 01:00:05,976

- Good riddance.

- DEADSHOT: Harley!

952

01:00:06,000 --> 01:00:07,353

He dies, we die.

953

01:00:07,680 --> 01:00:08,680

(GROANS)

954

01:00:19,720 --> 01:00:21,073

- Thanks.

- Shut up.

955

01:00:23,120 --> 01:00:24,269

Backblast, clear!

956

01:00:25,880 --> 01:00:27,552

(ROARING)

957

01:01:06,840 --> 01:01:08,592

(PANTING)

958

01:01:13,600 --> 01:01:14,715

(WHISPERING) Pinky.

959

01:01:18,800 --> 01:01:20,916

That's how I cut and run.

960

01:01:24,920 --> 01:01:25,920

(HARLEY GRUNTS)

961

01:01:28,760 --> 01:01:30,193

DEADSHOT: Hey.

962

01:01:30,360 --> 01:01:31,360

Hey, come on.

963

01:01:31,600 --> 01:01:33,750

What? I saw it move.

964

01:01:34,720 --> 01:01:37,154

See? It flinched. I think.

965

01:01:38,080 --> 01:01:39,479

Hey, you were some help, princess.

966

01:01:40,720 --> 01:01:41,914

It's better this way.

967

01:01:42,520 --> 01:01:43,520

Trust me.

968

01:01:43,720 --> 01:01:45,438

Oh, yeah, you're the fire bloke, eh?

969

01:01:45,600 --> 01:01:47,795

- Yeah, I was. Yeah.

- Right. Yeah. Hey.

970

01:01:49,120 --> 01:01:50,269

Well, looky here.

971

01:01:50,440 --> 01:01:51,998

Whoo! It's fire.

972

01:01:52,240 --> 01:01:53,240

Whoo!

973

01:01:55,120 --> 01:01:57,236

The brief said terrorists.

974

01:01:57,840 --> 01:01:58,976

You wanna start explaining this?

975

01:01:59,000 --> 01:02:00,680

RICK: If I told you, would you believe me?

976

01:02:02,160 --> 01:02:03,718

- What are they?

- RICK: I don't know.

977

01:02:03,880 --> 01:02:05,359

That's bullshit.

978

01:02:05,960 --> 01:02:08,349

Thing has on a \$3,000 watch.

979

01:02:09,800 --> 01:02:11,119

Is that a person?

980

01:02:11,760 --> 01:02:12,760

It was.

981

01:02:13,600 --> 01:02:14,999

Now it's not.

982

01:02:16,320 --> 01:02:17,355

Hey, don't!

983

01:02:18,000 --> 01:02:19,194

What?

984

01:02:19,360 --> 01:02:20,634

We got a job to do.

985

01:02:20,840 --> 01:02:22,319

(GROWLING)

986

01:02:23,840 --> 01:02:24,840

We're moving.

987

01:02:28,000 --> 01:02:29,831

Get your boys moving.

988

01:02:32,320 --> 01:02:33,673

Let's go.

989

01:02:33,960 --> 01:02:35,632

(INDISTINCT CHATTER)

990

01:02:42,360 --> 01:02:44,396

RICK: Waller,
we're moving on the objective.

991

01:02:44,560 --> 01:02:46,136

We lost contact with Bravo.
You got a visual?

992

01:02:46,160 --> 01:02:47,195

AMANDA: Stand by.

993

01:02:47,360 --> 01:02:49,669

- Anything on the other squad?
- No, ma'am.

994

01:02:49,840 --> 01:02:52,195

Go-7, I need your sensors
on those coordinates.

995

01:02:52,360 --> 01:02:53,360

Flag, it's a negative.

996

01:02:53,520 --> 01:02:56,478

They were engaged when you were,

but we lost them.

997

01:02:56,640 --> 01:02:58,119

(SPEAKING OTHER LANGUAGE)

998

01:03:20,520 --> 01:03:21,520

(SPEAKS OTHER LANGUAGE)

999

01:03:26,200 --> 01:03:27,235

(SPEAKING OTHER LANGUAGE)

1000

01:03:33,360 --> 01:03:34,429

RICK: Seriously?

1001

01:03:34,600 --> 01:03:36,909

The hell is wrong with you people?

1002

01:03:37,120 --> 01:03:40,078

We're bad guys. It's what we do.

1003

01:03:44,720 --> 01:03:46,233

(INDISTINCT CHATTER ON RADIO)

1004

01:03:59,240 --> 01:04:01,231

RICK: Hey, Deadshot. I've been thinking.

1005

01:04:01,560 --> 01:04:04,597

If we don't come together,

no one's walking out of here alive.

1006

01:04:06,240 --> 01:04:07,275

Hmm.

1007

01:04:07,480 --> 01:04:08,674

And?

1008

01:04:09,120 --> 01:04:11,236

These people respect you.

You got influence.

1009

01:04:12,320 --> 01:04:14,117

All right. What's your play right now?

1010

01:04:14,280 --> 01:04:15,793

You're a man of your word, right?

1011

01:04:16,120 --> 01:04:17,553

(SCOFFS)

1012

01:04:18,840 --> 01:04:20,114

I want my mission.

1013

01:04:20,600 --> 01:04:22,431

You want your life and your kid back.

1014

01:04:23,440 --> 01:04:28,230

You help me keep this Mardi Gras parade
in line and I'll hook you up.

1015

01:04:30,120 --> 01:04:32,076

Waller is the puppet master.

1016

01:04:32,480 --> 01:04:34,000

You ain't got shit to hook me up with.

1017

01:04:34,160 --> 01:04:35,798

I got plenty of my own strings to pull.

1018

01:04:36,120 --> 01:04:37,856

You just get them

to the top of that target building

1019

01:04:37,880 --> 01:04:39,791

and get my rescuee

on that extraction helo.

1020

01:04:40,480 --> 01:04:41,936

And you're gonna make sure I get paid?

1021

01:04:41,960 --> 01:04:43,109

And you get paid.

1022

01:04:44,280 --> 01:04:45,960

You get paid,

and you get your fresh start.

1023

01:04:46,080 --> 01:04:47,080

(CHUCKLES)

1024

01:04:53,200 --> 01:04:54,200

RICK: Take a knee.

1025

01:05:00,000 --> 01:05:01,560

Our body's at the top of that building.

1026

01:05:01,680 --> 01:05:02,999

We get up there,

1027

01:05:03,160 --> 01:05:04,920

pull them out of the vault

they're hiding in.

1028

01:05:05,000 --> 01:05:06,752

Helos extract us off the roof.

1029

01:05:06,960 --> 01:05:08,518

- It's Miller time.

- Check.

1030

01:05:09,720 --> 01:05:11,915

Flag, who's up there?

1031

01:05:12,080 --> 01:05:13,296

RICK: That's none of your concern.

1032

01:05:13,320 --> 01:05:15,216

- DEADSHOT: Do you know who's up there?

- RICK: No.

1033

01:05:15,240 --> 01:05:16,468

DEADSHOT: Is it the President?

1034

01:05:16,680 --> 01:05:17,840

RICK: It's not the President.

1035

01:05:29,880 --> 01:05:31,154

Argh!

1036

01:05:50,120 --> 01:05:51,553

(TIRES SCREECHING)

1037

01:05:52,280 --> 01:05:53,349

Oh, you!

1038

01:05:53,520 --> 01:05:55,476

You're not leaving me.

You're not leaving me!

1039

01:05:55,680 --> 01:05:57,875

You're a pain in the ass.

1040

01:06:00,840 --> 01:06:03,115

I have done everything you said.

1041

01:06:03,280 --> 01:06:06,511

Every test, every trial, every initiation.

1042

01:06:06,680 --> 01:06:09,478

I have proved I love you. Just accept it.

1043

01:06:09,640 --> 01:06:11,153

Got it, got it, got it, got it.

1044

01:06:11,520 --> 01:06:15,399

I am not someone who is loved.

1045

01:06:16,440 --> 01:06:18,829

I'm an idea.

1046

01:06:19,000 --> 01:06:21,230

- A state of mind.

- (TRUCK HONKS)

1047

01:06:21,400 --> 01:06:24,995

I execute my will according to my plan.

1048

01:06:25,160 --> 01:06:28,118

And you, Doctor...

1049

01:06:28,800 --> 01:06:30,096

- Are not part of my plan.

- (TRUCK HONKING)

1050

01:06:30,120 --> 01:06:33,749

Just let me in. I promise...

Let me in! I promise I won't hurt you.

1051

01:06:33,920 --> 01:06:35,239

A promise-promise?

1052

01:06:35,400 --> 01:06:36,833

Hey, dickface!

1053

01:06:37,560 --> 01:06:39,755

Mind screaming at your bitch
somewhere else?

1054

01:06:41,600 --> 01:06:44,114

I was gonna say,
"I wouldn't do that if I were you."

1055

01:06:48,240 --> 01:06:49,753

Don't hurt me.

1056

01:06:50,400 --> 01:06:51,435

I'll be your friend.

1057

01:06:55,480 --> 01:06:58,040

Do it. Do it, do it, do it.

1058

01:06:58,240 --> 01:07:01,755

My heart scares you, and a gun doesn't?

1059

01:07:01,920 --> 01:07:02,989

Do it!

1060

01:07:06,440 --> 01:07:07,668

(LAUGHING)

1061

01:07:09,360 --> 01:07:12,955

If you weren't so crazy,

I'd think you were insane.

1062

01:07:14,600 --> 01:07:16,830

Go away.

1063

01:07:20,040 --> 01:07:21,758

DEADSHOT: Harley, you coming?

1064

01:07:32,800 --> 01:07:34,836

(GROWLING)

1065

01:07:35,880 --> 01:07:37,472

Why do you eat people?

1066

01:07:41,600 --> 01:07:43,795

Gives me their power.

1067

01:07:44,720 --> 01:07:45,755

Would you like to eat me?

1068

01:07:46,360 --> 01:07:47,360

(GROANS)

1069

01:07:47,640 --> 01:07:48,868

Hell, no.

1070

01:07:49,160 --> 01:07:50,309

Aw, why not?

1071

01:07:50,800 --> 01:07:52,791

I don't want your crazy.

1072

01:07:54,520 --> 01:07:56,636

Says the guy who lives in a sewer.

1073

01:07:56,840 --> 01:07:58,831

At least I know it's a sewer.

1074

01:07:59,560 --> 01:08:01,278

Oh, I get it.

1075

01:08:01,680 --> 01:08:03,830

'Cause like, this is a sewer, too,

1076

01:08:04,080 --> 01:08:06,310

only with

nice shops and restaurants, right?

1077

01:08:06,480 --> 01:08:08,994

- Mmm.

- You hate mankind much?

1078

01:08:10,520 --> 01:08:11,669

Let me guess.

1079

01:08:12,840 --> 01:08:16,355

Mommy didn't take you to Chuck E. Cheese
on your sixth birthday.

1080

01:08:17,440 --> 01:08:19,240

- I can recommend a good therapist.
- (GROWLS)

1081

01:08:20,520 --> 01:08:21,794

(GIGGLES)

1082

01:08:21,960 --> 01:08:22,960

Why?

1083

01:08:23,200 --> 01:08:24,553

Because I'm bored.

1084

01:08:24,720 --> 01:08:28,759

I need a victim,
a mind to pry apart and spit in.

1085

01:08:28,920 --> 01:08:31,195

Leave it, mate.

She's a rabbit hole. Don't fall in.

1086

01:08:31,360 --> 01:08:32,360

(HISSES)

1087

01:08:36,320 --> 01:08:38,197

And here's one now.

1088

01:08:39,520 --> 01:08:41,750

Japanese, female.

1089

01:08:42,000 --> 01:08:46,152

Mid-20s, 5'5", good health, athletic.

1090

01:08:46,440 --> 01:08:47,873

And...

1091

01:08:48,160 --> 01:08:49,160

(INHALES SHARPLY)

1092

01:08:49,560 --> 01:08:50,959

An only child.

1093

01:08:51,680 --> 01:08:54,752

With deep-seated father issues.

1094

01:08:56,120 --> 01:08:59,874

Daddy wanted a son,
so she has to hide behind a mask.

1095

01:09:04,800 --> 01:09:06,597

I am not

1096

01:09:08,000 --> 01:09:09,194

hiding.

1097

01:09:10,760 --> 01:09:12,193

Now, that was gangster.

1098

01:09:12,880 --> 01:09:14,029

Harley.

1099

01:09:14,200 --> 01:09:16,056

Why don't you
stop acting like a drunken stripper?

1100

01:09:16,080 --> 01:09:18,040

You wanna tell me
what the hell is going on, then?

1101

01:09:18,080 --> 01:09:19,080

'Cause...

1102

01:09:19,280 --> 01:09:21,475

(SNIFFING) I smell a rat.

1103

01:09:23,520 --> 01:09:25,476

If they don't blow our heads off,

1104

01:09:25,800 --> 01:09:27,711

we'll have to
fight our way out of this city.

1105

01:09:28,680 --> 01:09:31,069

I need you to
play nice with the other children.

1106

01:09:31,360 --> 01:09:34,352

And quietly return to my cage.

1107

01:09:35,240 --> 01:09:36,559

Sure, okay.

1108

01:09:37,240 --> 01:09:40,437

Hey, that's okay, sellout.

I get it. I get it.

1109

01:09:40,720 --> 01:09:42,870

I know how the world works, okay?

1110

01:09:43,480 --> 01:09:45,596

And when it comes to the heart,

1111

01:09:46,760 --> 01:09:48,478

everyone for themselves, right?

1112

01:10:08,320 --> 01:10:09,355

Waller?

1113

01:10:10,240 --> 01:10:13,073

We're about to enter the building.

Get that chopper ready.

1114

01:10:17,160 --> 01:10:18,680

What do you say we get this over with?

1115

01:10:18,800 --> 01:10:21,155

RICK: (WHISPERING)

What the hell? Deadshot. Fall back.

1116

01:10:27,320 --> 01:10:28,833

You mind if we tag along?

1117

01:10:42,320 --> 01:10:44,436

Whoo! Looks like we have

a spot of luck, eh?

1118

01:10:45,640 --> 01:10:47,676

Be a walk in the park.

1119

01:10:47,840 --> 01:10:49,432

Easy peasy.

1120

01:10:49,640 --> 01:10:51,312

Don't make me shoot you.

1121

01:10:51,480 --> 01:10:52,480

(LAUGHING)

1122

01:10:55,200 --> 01:10:56,200

(ELEVATOR BELL DINGS)

1123

01:10:56,840 --> 01:10:58,353

RICK: God damn it. Harley!

1124

01:10:59,000 --> 01:11:00,149

SOLDIER: Go, go, go, go!

1125

01:11:01,360 --> 01:11:02,509

(POP MUSIC PLAYING)

1126

01:11:08,320 --> 01:11:09,320

(GASPING)

1127

01:11:10,920 --> 01:11:11,920

(GRUNTS)

1128

01:11:20,880 --> 01:11:21,880

(HUMMING)

1129

01:11:24,520 --> 01:11:25,520

(YELLS)

1130

01:11:26,320 --> 01:11:27,320

(GRUNTING)

1131

01:11:41,440 --> 01:11:42,440

(EXHALES)

1132

01:11:46,000 --> 01:11:47,000

(GROWLS)

1133

01:11:48,240 --> 01:11:49,355

Hey, guys!

1134

01:11:55,920 --> 01:11:57,239

Come on. Let's go.

1135

01:11:57,800 --> 01:11:58,800

(GROWLS)

1136

01:12:06,600 --> 01:12:10,070

Ma'am. I got motion detectors going off
on the secure floors.

1137

01:12:13,120 --> 01:12:15,031

- Flag, they're all around you.

- Hold.

1138

01:12:15,200 --> 01:12:17,191

Use extreme caution.

1139

01:12:18,960 --> 01:12:20,439

I don't like this, Flag.

1140

01:12:22,080 --> 01:12:23,798

I don't like it either.

1141

01:12:28,280 --> 01:12:29,280

Pussy.

1142

01:12:29,440 --> 01:12:31,556

DEADSHOT: I will knock your ass out.

1143

01:12:31,720 --> 01:12:33,073

I do not care that you're a girl.

1144

01:12:34,800 --> 01:12:36,279

(GROWLING)

1145

01:12:40,320 --> 01:12:41,799

(GUNS FIRING)

1146

01:12:52,480 --> 01:12:54,710

(GROWLING)

1147

01:12:58,000 --> 01:12:59,877

(GRUNTING)

1148

01:13:04,240 --> 01:13:05,912

(GRUNTING)

1149

01:13:06,800 --> 01:13:08,518

(YELLING)

1150

01:13:09,000 --> 01:13:10,956

(GRUNTING AND PANTING)

1151

01:13:12,920 --> 01:13:14,512

(GRUNTING)

1152

01:13:21,560 --> 01:13:23,551

(GRUNTING AND SCREAMING)

1153

01:13:23,720 --> 01:13:25,119

They're after Flag again.

1154

01:13:26,200 --> 01:13:27,758

Son of a bitch. Get off me.

1155

01:13:28,960 --> 01:13:29,960

(GRUNTS)

1156

01:13:32,240 --> 01:13:33,992

DEADSHOT: Circle up. Circle around him.

1157

01:13:39,680 --> 01:13:41,750

- Let me fight!

- DEADSHOT: You die, we die.

1158

01:13:44,920 --> 01:13:46,831

Clear! Everyone move out!

1159

01:14:01,360 --> 01:14:03,176

- Where you been, homie?

- This ain't my fight!

1160

01:14:03,200 --> 01:14:05,953

You know what? You don't stand for shit.

You ain't about shit!

1161

01:14:06,120 --> 01:14:07,240

DIABLO: Don't touch me, man!

1162

01:14:07,360 --> 01:14:08,656

Don't touch you? What you gonna do?

1163

01:14:08,680 --> 01:14:10,656

- Don't touch me!

- I'm touching you! I'm touching you!

1164

01:14:10,680 --> 01:14:12,520

- Do something. Do something!

- Don't touch me!

1165

01:14:12,680 --> 01:14:14,136

- You wanna see something?

- Oh, yeah, I wanna see...

1166

01:14:14,160 --> 01:14:16,360

- You wanna see something?

- Yes, I wanna see something.

1167

01:14:31,800 --> 01:14:32,800

(PANTING)

1168

01:14:40,240 --> 01:14:42,151

I was just trying to get you there.

1169

01:14:43,560 --> 01:14:44,879

Phil Jackson. We good, right?

1170

01:14:45,080 --> 01:14:47,071

(CHUCKLES AND SMOOCHES)

1171

01:14:47,240 --> 01:14:49,879

I knew you'd come through.

1172

01:14:50,400 --> 01:14:51,913

That shit crazy.

1173

01:15:02,040 --> 01:15:03,234

Clear.

1174

01:15:16,560 --> 01:15:18,596

I gotta work on my cardio.

1175

01:15:28,600 --> 01:15:30,272

Question.

1176

01:15:32,680 --> 01:15:34,398

Would you die for me?

1177

01:15:36,640 --> 01:15:37,640

Yes.

1178

01:15:37,840 --> 01:15:39,398

That's too easy.

1179

01:15:40,400 --> 01:15:41,879

Would you...

1180

01:15:44,360 --> 01:15:46,396

Would you live for me?

1181

01:15:48,360 --> 01:15:49,360

Mmm?

1182

01:15:49,600 --> 01:15:50,794

Yes.

1183

01:15:51,560 --> 01:15:53,118

Careful.

1184

01:15:53,280 --> 01:15:57,956

Do not say this oath thoughtlessly.

1185

01:15:59,960 --> 01:16:03,157

Desire becomes surrender.

Surrender becomes power.

1186

01:16:07,160 --> 01:16:08,388

Do you want this?

1187

01:16:09,720 --> 01:16:10,720

I do.

1188

01:16:10,920 --> 01:16:12,273

Say it.

1189

01:16:12,440 --> 01:16:15,159

Say it. Say it.

1190

01:16:15,320 --> 01:16:17,834

Pretty, pretty, pretty...

1191

01:16:18,000 --> 01:16:19,115

Please.

1192

01:16:20,280 --> 01:16:21,838

Aw! God, you're so...

1193

01:16:22,440 --> 01:16:23,475

Good.

1194

01:16:53,720 --> 01:16:54,720

(GRUNTS)

1195

01:17:12,040 --> 01:17:13,040

(GASPS)

1196

01:17:13,240 --> 01:17:14,240

(LIQUID BUBBLING)

1197

01:17:22,960 --> 01:17:24,951

(LAUGHING MANIACALLY)

1198

01:17:29,160 --> 01:17:30,718

Whoa!

1199

01:17:31,160 --> 01:17:32,752

Relax. Just me.

1200

01:17:36,920 --> 01:17:38,512

You ever been in love?

1201

01:17:41,000 --> 01:17:42,558

Nah. Never.

1202

01:17:42,760 --> 01:17:44,034

Bullshit.

1203

01:17:44,200 --> 01:17:46,031

You don't kill as many people

as I've killed

1204

01:17:46,200 --> 01:17:49,829

and still sleep like a kitten

if you feel shit like love.

1205

01:17:50,280 --> 01:17:51,280

(CHUCKLES)

1206

01:17:52,560 --> 01:17:54,357

Another textbook sociopath.

1207

01:17:58,560 --> 01:18:00,869

Clear.

1208

01:18:02,080 --> 01:18:03,274

All right, secure the roof.

1209

01:18:03,440 --> 01:18:06,000

Sweep for shooters

so we can bring in our aviation assets.

1210

01:18:06,200 --> 01:18:07,235

Going to the roof.

1211

01:18:14,080 --> 01:18:15,672

Oh. Wait here.

1212

01:18:16,320 --> 01:18:17,320

Please.

1213

01:18:17,520 --> 01:18:20,080

I don't wanna give this dude
a heart attack. Okay?

1214

01:18:21,080 --> 01:18:22,957

Aw, he's embarrassed of us!

1215

01:18:23,120 --> 01:18:24,348

DEADSHOT: Hey, Flag.

1216

01:18:24,520 --> 01:18:26,829

This dude better cure cancer
after all of this shit.

1217

01:18:34,040 --> 01:18:36,190

You ready? Let's go.

1218

01:18:37,040 --> 01:18:39,110

You wouldn't have made it without them.

1219

01:18:39,280 --> 01:18:42,317

We got lucky. I don't do luck.

I do planning and precision.

1220

01:18:42,480 --> 01:18:44,835

Admit it, Rick. I was right.

1221

01:18:45,000 --> 01:18:47,639

Yeah, I told you to get on the damn truck.

Why'd you stay?

1222

01:18:47,800 --> 01:18:49,552

I was studying your girlfriend.

1223

01:18:49,720 --> 01:18:53,395

She takes an average person,

a yoga mom, an elderly retiree,

1224

01:18:53,560 --> 01:18:56,480

and she turns them into a soldier
who can take a headshot and still fight.

1225

01:18:57,160 --> 01:18:58,798

It's an instant army.

1226

01:18:59,800 --> 01:19:01,028

How'd she do it, Flag?

1227

01:19:01,760 --> 01:19:05,230

How'd she game the system
with you watching her every move?

1228

01:19:08,160 --> 01:19:09,832

I'll accept the consequences.

1229

01:19:10,440 --> 01:19:12,396

I am your consequence.

1230

01:19:12,600 --> 01:19:14,160

DEADSHOT: You might need to be careful.

1231

01:19:14,680 --> 01:19:16,750

They think we're rescuing Nelson Mandela.

1232

01:19:16,920 --> 01:19:18,433

I can take care of myself.

1233

01:19:18,600 --> 01:19:19,800

Shut it down, wipe the drives.

1234

01:19:19,960 --> 01:19:21,440

- WOMAN: Yes, ma'am.

- MAN: Copy that.

1235

01:19:22,840 --> 01:19:25,200

Uh, hey, man. I know you can't hear me
'cause you're trapped

1236

01:19:25,360 --> 01:19:27,874

in your temple of soldierly
self-righteousness,

1237

01:19:28,040 --> 01:19:31,476

but a two-faced dude like you
wouldn't survive a second on the street.

1238

01:19:31,640 --> 01:19:33,517

Oh, says the guy
who shoots people for money.

1239

01:19:33,680 --> 01:19:34,880

My cards is on the table, man.

1240

01:19:35,040 --> 01:19:36,439

It got done, didn't it?

1241

01:19:36,600 --> 01:19:38,318

- (GUN FIRING)

- (STAFF SCREAMING)

1242

01:19:42,280 --> 01:19:46,592

Damn. That is just a mean lady.

1243

01:19:47,640 --> 01:19:49,232

Yeah. You get used to it.

1244

01:19:51,200 --> 01:19:53,031

And I'm the bad guy?

1245

01:19:57,040 --> 01:19:58,519

That's gangsta.

1246

01:19:59,680 --> 01:20:00,715

What?

1247

01:20:00,880 --> 01:20:02,760

They weren't cleared for any of this.

Any of it.

1248

01:20:02,840 --> 01:20:05,832

Hey, I'm not judging.

I've buried a lot of mistakes, too.

1249

01:20:16,360 --> 01:20:17,554

No way.

1250

01:20:20,760 --> 01:20:21,760

(GROWLING)

1251

01:20:27,640 --> 01:20:29,232

Let's go home.

1252

01:20:29,400 --> 01:20:30,958

BOOMERANG: Yeah, let's go home.

1253

01:20:31,720 --> 01:20:34,792

That sounds good.

You guys wanna go home? Hmm?

1254

01:20:34,960 --> 01:20:36,951

Or you wanna go back to prison?

1255

01:20:37,120 --> 01:20:38,599

I'm not going back to prison.

1256

01:20:38,760 --> 01:20:41,513

What I'm saying is we kill the pair of 'em
now before they kill us.

1257

01:20:41,760 --> 01:20:42,760

(SWORD SWISHING)

1258

01:20:42,960 --> 01:20:44,757

I got this.

1259

01:20:47,720 --> 01:20:49,551

You all made it this far.

1260

01:20:50,600 --> 01:20:53,558

Don't get high-spirited on me
and ruin a good thing.

1261

01:20:53,920 --> 01:20:55,120

- (GROWLING)

- (DEVICE BEEPING)

1262

01:21:01,080 --> 01:21:02,080

(BEEPING STOPS)

1263

01:21:02,960 --> 01:21:04,473

(GROWLING)

1264

01:21:10,240 --> 01:21:11,798

I like her.

1265

01:21:15,520 --> 01:21:17,715

SOLDIER: Savior One-Zero,
this is Ground Element.

1266

01:21:21,280 --> 01:21:24,113

Savior One-Zero, how copy?

1267

01:21:25,320 --> 01:21:27,595

Savior One-Zero, the LZ's clear.

1268

01:21:33,400 --> 01:21:34,680

Boss, they're not talking to me.

1269

01:21:36,880 --> 01:21:37,915

Our bird's been jacked.

1270

01:21:39,720 --> 01:21:40,720

Light it up!

1271

01:21:41,280 --> 01:21:42,280

(GUNS FIRING)

1272

01:21:47,360 --> 01:21:48,839

(LAUGHING MANIACALLY)

1273

01:21:49,200 --> 01:21:50,200

(YELLING)

1274

01:22:07,080 --> 01:22:08,877

What? I got a hickey or something?

1275

01:22:09,040 --> 01:22:11,031

JOKER: Professor,

could you pick up the pace?

1276

01:22:12,480 --> 01:22:13,754

(VIBRATING)

1277

01:22:20,480 --> 01:22:21,480

(CHUCKLES SOFTLY)

1278

01:22:23,360 --> 01:22:24,395

Harley!

1279

01:22:27,760 --> 01:22:29,034

Hello, baby.

1280

01:22:31,480 --> 01:22:32,480

Kill her!

1281

01:22:34,240 --> 01:22:36,231

Her nanite's disarmed!

1282

01:22:38,720 --> 01:22:39,914

Come on, baby.

1283

01:22:51,720 --> 01:22:52,720

(BLOWS KISS)

1284

01:22:53,720 --> 01:22:54,720

(LAUGHING)

1285

01:22:55,480 --> 01:22:56,515

AMANDA: Deadshot,

1286

01:22:57,560 --> 01:22:59,391

shoot that woman right now!

1287

01:22:59,560 --> 01:23:01,437

She ain't do shit to me.

1288

01:23:01,600 --> 01:23:03,670

You're a hitman, right?

1289

01:23:03,840 --> 01:23:05,068

I got a contract.

1290

01:23:05,240 --> 01:23:09,119

Kill Harley Quinn.

Do it for your freedom and your kid.

1291

01:23:11,160 --> 01:23:12,912

Now she dead.

1292

01:23:30,920 --> 01:23:32,239

(GUNSHOT)

1293

01:23:43,480 --> 01:23:44,480

(LAUGHING)

1294

01:23:52,520 --> 01:23:53,669

I missed.

1295

01:23:58,600 --> 01:23:59,600

Good one, mate.

1296

01:24:00,400 --> 01:24:01,879

It's Waller.

1297

01:24:02,080 --> 01:24:05,470

Savior One-Zero's been hijacked.

Shoot it down.

1298

01:24:05,680 --> 01:24:07,636

MAN ON RADIO:

Roger that, ma'am. Going hot.

1299

01:24:13,120 --> 01:24:14,439

(GRUNTS)

1300

01:24:15,880 --> 01:24:16,915

Puddin'!

1301

01:24:18,800 --> 01:24:20,074

(JOKER MOANING)

1302

01:24:22,000 --> 01:24:23,956

You got all dressed up for me?

1303

01:24:24,160 --> 01:24:26,628

Oh, you know I'd do anything for you.

1304

01:24:26,800 --> 01:24:29,314

By the way,

I've got some grape soda on ice,

1305

01:24:29,480 --> 01:24:30,754

and a bear skin rug waiting.

1306

01:24:30,960 --> 01:24:31,960

Yeah?

1307

01:24:32,440 --> 01:24:33,634

Boss, we got a problem!

1308

01:24:34,040 --> 01:24:35,189

Huh?

1309

01:24:39,720 --> 01:24:42,553

- This bird is baked.

- No.

1310

01:24:44,360 --> 01:24:46,669

Okay, honey. It's me and you.

1311

01:24:46,840 --> 01:24:48,068

Let's do it.

1312

01:24:50,280 --> 01:24:52,032

- (GRUNTS)

- (SCREAMS)

1313

01:24:55,000 --> 01:24:56,000

(YELLS)

1314

01:24:56,680 --> 01:24:58,352

(GRUNTING)

1315

01:25:01,040 --> 01:25:02,040

(PANTING)

1316

01:25:09,480 --> 01:25:10,629

(WHIMPERS)

1317

01:25:14,760 --> 01:25:16,159

MAN: Target destroyed, ma'am.

1318

01:25:16,320 --> 01:25:18,356

Thank you. Now get me off this roof.

1319

01:25:19,360 --> 01:25:20,918

Yes, ma'am. We are inbound.

1320

01:25:24,360 --> 01:25:26,396

AMANDA:

The Joker and Harley Quinn are no more.

1321

01:25:26,600 --> 01:25:27,600

(GROWLS)

1322

01:25:31,760 --> 01:25:32,954

You couldn't save her.

1323

01:25:37,440 --> 01:25:38,919

MAN: Roger. I see ya.

1324

01:25:39,200 --> 01:25:40,240

(INDISTINCT RADIO CHATTER)

1325

01:25:42,280 --> 01:25:43,280

Watch your step, ma'am.

1326

01:25:45,720 --> 01:25:48,518

Stand by. I'll send another helo!

1327

01:26:07,560 --> 01:26:08,595

(GRUNTS)

1328

01:26:15,480 --> 01:26:17,232

(GRUNTING)

1329

01:26:45,120 --> 01:26:46,600

(CREATURES SPEAKING
IN OTHER LANGUAGE)

1330

01:26:49,200 --> 01:26:51,236

Waller's down.

1331

01:26:51,400 --> 01:26:52,400

It's over.

1332

01:26:53,000 --> 01:26:56,515

Ops just confirmed. She's down. 1 k west.

1333

01:26:59,120 --> 01:27:00,758

Let's go get her.

1334

01:27:06,280 --> 01:27:07,679

The mission's not over.

1335

01:27:07,840 --> 01:27:11,037

Nah. It is for me. We had a deal.

1336

01:27:11,360 --> 01:27:13,351

Without Waller, you got nothing.

1337

01:27:14,840 --> 01:27:16,831

(KILLER CROC GROWLS)

1338

01:27:59,240 --> 01:28:02,198

Hey, guys. I'm back!

1339

01:28:03,520 --> 01:28:05,909

I missed you all so much.

1340

01:28:06,800 --> 01:28:09,473

We're glad you could make it.

1341

01:28:23,240 --> 01:28:25,231

Hey, craziness.

1342

01:28:44,560 --> 01:28:45,800

(INCUBUS SPEAKS OTHER LANGUAGE)

1343

01:28:58,240 --> 01:28:59,798

(BREATHING HEAVILY)

1344

01:29:11,320 --> 01:29:14,949

With my heart returned,
I can finish my weapon.

1345

01:29:15,560 --> 01:29:19,314

Now tell me how to destroy your armies.

1346

01:29:19,520 --> 01:29:21,397

Do your worst, bitch!

1347

01:29:26,640 --> 01:29:28,312

(BREATHING SHAKILY)

1348

01:29:30,840 --> 01:29:32,273

(THUNDER RUMBLING)

1349

01:29:49,920 --> 01:29:50,960

DEADSHOT: So let me guess.

1350

01:29:52,160 --> 01:29:55,152

We're going to
the swirling ring of trash in the sky.

1351

01:29:55,640 --> 01:29:57,312

You know, 'cause why wouldn't we?

1352

01:29:59,960 --> 01:30:01,837

When does this end, Flag?

1353

01:30:02,040 --> 01:30:03,553

Load up. We're in for a fight.

1354

01:30:28,680 --> 01:30:31,956

You tell everybody everything.

1355

01:30:32,560 --> 01:30:34,869

Or me and you gonna go right now.

1356

01:30:41,200 --> 01:30:42,200

Three days ago,

1357

01:30:42,360 --> 01:30:45,158

a non-human entity appeared
in the subway station.

1358

01:30:46,640 --> 01:30:48,551

Waller, we're almost there.

1359

01:30:48,720 --> 01:30:52,190

RICK: So Waller sent me and a woman
with incredible abilities.

1360

01:30:52,360 --> 01:30:54,191

JUNE: Enchantress.

1361

01:30:55,200 --> 01:30:56,713

RICK: A witch.

1362

01:30:57,760 --> 01:31:00,991

See, nobody could get near this thing,
but the witch could.

1363

01:31:01,720 --> 01:31:02,720

(BEEPING)

1364

01:31:03,080 --> 01:31:04,308

Bomb's ready.

1365

01:31:04,520 --> 01:31:06,078

Set for two seconds.

1366

01:31:06,240 --> 01:31:07,760

You just press the button and drop it.

1367

01:31:09,640 --> 01:31:10,640

(ENCHANTRESS LAUGHS)

1368

01:31:11,720 --> 01:31:14,632

Needless to say,
the whole thing was a bad idea.

1369

01:31:14,800 --> 01:31:15,949

She bolted!

1370

01:31:16,120 --> 01:31:17,599

Shit!

1371

01:31:17,760 --> 01:31:19,398

(INDISTINCT CHATTER)

1372

01:31:22,360 --> 01:31:23,360

(SPEAKING OTHER LANGUAGE)

1373

01:31:24,080 --> 01:31:25,080

(GASPS)

1374

01:31:25,480 --> 01:31:28,233

And that's how she escaped from Waller.

1375

01:31:30,600 --> 01:31:31,999

So now you know.

1376

01:31:33,480 --> 01:31:35,311

You can just kill me right now,

1377

01:31:36,760 --> 01:31:38,273

but I'm going to have a drink.

1378

01:31:38,880 --> 01:31:40,279

Hey, Deadshot, I need your help.

1379

01:31:40,880 --> 01:31:43,872

No, sir. You need a miracle.

1380

01:32:12,960 --> 01:32:14,871

(MUSIC PLAYING)

1381

01:32:16,280 --> 01:32:18,032

HARLEY: What ya having, K.C.?

1382

01:32:19,280 --> 01:32:21,032

DEADSHOT: Bloody Mary, right?

1383

01:32:22,920 --> 01:32:24,990

Drink dulls the mind.

1384

01:32:25,680 --> 01:32:27,955

K.C., it's the end of the world.

1385

01:32:28,320 --> 01:32:29,878

Have a drink with us.

1386

01:32:30,920 --> 01:32:31,955

Beer.

1387

01:32:32,280 --> 01:32:34,430

There he is. Give the man a beer.

1388

01:32:36,680 --> 01:32:38,159

How about you, hot stuff?

1389

01:32:40,920 --> 01:32:41,955

Water.

1390

01:32:42,240 --> 01:32:43,798

That's a good idea, honey.

1391

01:32:46,400 --> 01:32:47,515

Ninja?

1392

01:32:48,120 --> 01:32:49,120

You want some sake?

1393

01:32:49,960 --> 01:32:50,995

Whiskey.

1394

01:32:51,360 --> 01:32:52,429

Whiskey.

1395

01:32:53,240 --> 01:32:54,309

Okay.

1396

01:32:56,840 --> 01:32:57,840

What am I, 12?

1397

01:33:04,840 --> 01:33:07,991

Here's to honor among thieves.

1398

01:33:08,600 --> 01:33:10,079

I'm not a thief.

1399

01:33:11,960 --> 01:33:13,632

Oh. She's not a thief.

1400

01:33:17,640 --> 01:33:18,675

(GROWLS)

1401

01:33:19,440 --> 01:33:20,440

(SIGHS)

1402

01:33:20,600 --> 01:33:23,672

I actually prefer to think of myself
as an asset relocation specialist.

1403

01:33:24,200 --> 01:33:25,519

- Mmm.

- (CHUCKLES)

1404

01:33:25,960 --> 01:33:28,349

Well, we almost pulled it off

1405

01:33:28,520 --> 01:33:31,239

despite what everybody thought.

1406

01:33:32,160 --> 01:33:34,310

We weren't picked to succeed.

You know that, right?

1407

01:33:35,360 --> 01:33:36,839

We were all chosen to fail.

1408

01:33:37,000 --> 01:33:38,433

Yeah, I know that.

1409

01:33:38,600 --> 01:33:41,797

Worst part of it is, they're going to
blame us for the whole thing.

1410

01:33:42,240 --> 01:33:44,595

And they can't have people

knowing the truth.

1411

01:33:45,200 --> 01:33:46,792

We're the patsies.

1412

01:33:46,960 --> 01:33:48,188

The cover-up.

1413

01:33:49,360 --> 01:33:51,715

Don't forget, we're the bad guys.

1414

01:33:56,960 --> 01:34:00,794

So you gonna tell us now

what your "big deal" with Flag was?

1415

01:34:00,960 --> 01:34:04,032

Same thing Waller offered me, to kill you.

1416

01:34:04,480 --> 01:34:06,277

The chance to be a father.

1417

01:34:07,000 --> 01:34:09,150

Chance at a life outside the shadows.

1418

01:34:11,160 --> 01:34:12,673

I trusted Flag.

1419

01:34:13,240 --> 01:34:15,356

Flag had you
chasing a carrot on a stick, homie.

1420

01:34:15,560 --> 01:34:16,880

You don't... You don't know that?

1421

01:34:17,400 --> 01:34:18,549

I love this guy.

1422

01:34:18,920 --> 01:34:20,148

You played yourself, dawg.

1423

01:34:20,560 --> 01:34:22,198

Bitch, I'm having a drink.

1424

01:34:22,760 --> 01:34:25,228

I'm breathing fresh air.

1425

01:34:25,600 --> 01:34:26,794

And, uh,

1426

01:34:26,960 --> 01:34:29,110

for two sweet seconds...

1427

01:34:30,160 --> 01:34:31,878

- I had hope.

- (SCOFFS)

1428

01:34:32,440 --> 01:34:34,112

You had hope, huh?

1429

01:34:35,840 --> 01:34:38,070

Hope don't stop

the wheel from turning, my brother.

1430

01:34:38,360 --> 01:34:40,032

Hmm. You preaching?

1431

01:34:40,240 --> 01:34:42,071

It's coming back around for you.

1432

01:34:42,600 --> 01:34:45,273

How many people you killed, man?

1433

01:34:45,880 --> 01:34:48,155

You don't ask nobody

no question like that, ese.

1434

01:34:48,320 --> 01:34:51,073

You ain't ever whacked down no women.

1435

01:34:51,240 --> 01:34:52,719

No kids.

1436

01:34:54,240 --> 01:34:55,832

I don't kill women or children.

1437

01:34:56,360 --> 01:34:57,360

I do.

1438

01:35:00,840 --> 01:35:03,434

See, I was born with the Devil's gift.

1439

01:35:03,600 --> 01:35:06,956

I kept it hidden

for most of my life, but...

1440

01:35:07,440 --> 01:35:10,079

The older I got, the stronger it got.

1441

01:35:10,240 --> 01:35:11,992

So I started using it.

1442

01:35:13,280 --> 01:35:14,952

For business, you know.

1443

01:35:15,800 --> 01:35:18,268

The more power on the street I got,
the more fire power I got.

1444

01:35:18,480 --> 01:35:19,840

Like, that shit went hand in hand.

1445

01:35:19,880 --> 01:35:22,440

You know? One was feeding the other.

1446

01:35:23,440 --> 01:35:25,590

Ain't nobody tell me no.

1447

01:35:26,760 --> 01:35:28,273

Except my old lady.

1448

01:35:30,840 --> 01:35:33,229

You know, she used to, uh, pray for me.

1449

01:35:33,400 --> 01:35:34,400

You're welcome.

1450

01:35:36,800 --> 01:35:38,028

Even when I didn't want it.

1451

01:35:42,640 --> 01:35:44,119

(SPEAKING SPANISH)

1452

01:35:48,680 --> 01:35:50,636

God didn't give me this.

1453

01:35:51,440 --> 01:35:53,829

Why should he take it away?

1454

01:35:54,760 --> 01:35:55,829

Hey.

1455

01:35:58,120 --> 01:35:59,155

This is our home.

1456

01:35:59,320 --> 01:36:00,800

You put that back where you found it.

1457

01:36:00,880 --> 01:36:02,359

I'm taking my kids to Mom's.

1458

01:36:02,520 --> 01:36:04,511

You ain't taking my kids nowhere!

1459

01:36:04,680 --> 01:36:07,911

See, when I get mad, I lose control.

You know, I just...

1460

01:36:09,200 --> 01:36:10,200

I don't know what I do...

1461

01:36:13,640 --> 01:36:15,073

(SCREAMING)

1462

01:36:17,200 --> 01:36:18,838

...till it's done.

1463

01:36:33,440 --> 01:36:34,793

BOOMERANG: And the kids?

1464

01:36:38,200 --> 01:36:39,553

He killed them.

1465

01:36:43,600 --> 01:36:44,953

Didn't you?

1466

01:36:53,160 --> 01:36:54,752

Own that shit.

1467

01:36:55,720 --> 01:36:56,720

Own it!

1468

01:36:56,880 --> 01:36:59,394

What'd you think was gonna happen? Huh?

1469

01:36:59,560 --> 01:37:01,232

Hey, Harley. Come on.

1470

01:37:01,400 --> 01:37:03,118

What, you were just...

1471

01:37:03,280 --> 01:37:04,872

Thinking you can have a happy family

1472

01:37:05,040 --> 01:37:07,793

and coach little leagues,
and make car payments?

1473

01:37:07,960 --> 01:37:09,678

Normal's a setting on the dryer.

1474

01:37:09,880 --> 01:37:12,314

People like us, we don't get normal!

1475

01:37:12,480 --> 01:37:14,675

Why is it always a knife fight

1476

01:37:14,840 --> 01:37:17,559

every single time you open your mouth?

1477

01:37:19,080 --> 01:37:22,595

You know, outside you're amazing.

1478

01:37:24,160 --> 01:37:26,879

But inside, you're ugly.

1479

01:37:27,040 --> 01:37:28,792

We all are.

1480

01:37:28,960 --> 01:37:32,270

We all are! Except for him.

1481

01:37:32,600 --> 01:37:33,600

(GROWLS)

1482

01:37:34,320 --> 01:37:35,958

He's ugly on the outside, too.

1483

01:37:36,160 --> 01:37:38,230

Not me, shorty.

1484

01:37:39,480 --> 01:37:40,480

(GROWLS)

1485

01:37:42,280 --> 01:37:44,111

I'm beautiful.

1486

01:37:44,680 --> 01:37:46,875

Yeah, you are.

1487

01:37:47,040 --> 01:37:48,040

(GROWLS)

1488

01:37:48,200 --> 01:37:49,200

(DOOR OPENS)

1489

01:37:56,840 --> 01:37:58,353

We don't want you here.

1490

01:38:05,960 --> 01:38:09,794

You get to the part in that binder
saying I was sleeping with her?

1491

01:38:11,120 --> 01:38:12,348

Yeah.

1492

01:38:13,720 --> 01:38:16,473

I never been with a witch before.
What's that like?

1493

01:38:19,720 --> 01:38:23,030

Apparently, that's why the creatures
chase him all the time.

1494

01:38:23,200 --> 01:38:26,078

'Cause, uh, the witch is scared of him.

1495

01:38:26,240 --> 01:38:28,151

The only woman I ever cared about

1496

01:38:28,720 --> 01:38:31,280

is trapped inside that monster.

1497

01:38:31,440 --> 01:38:34,000

If I don't stop the witch, it's over.

1498

01:38:34,160 --> 01:38:35,673

Everything is over.

1499

01:38:35,840 --> 01:38:37,558

Everything.

1500

01:38:40,760 --> 01:38:41,760

You're free to go.

1501

01:38:48,520 --> 01:38:49,520

(DOOR OPENS)

1502

01:38:49,880 --> 01:38:50,880

(INHALES SHARPLY)

1503

01:38:56,320 --> 01:38:57,992

Your daughter writes you every day.

1504

01:39:02,240 --> 01:39:04,037

Every single day.

1505

01:39:10,760 --> 01:39:11,760

(SIGHS)

1506

01:39:19,840 --> 01:39:21,637

You had these the whole time?

1507

01:39:23,200 --> 01:39:26,636

You had letters from my daughter
the whole time?

1508

01:39:30,880 --> 01:39:32,199

I'm gonna get you there.

1509

01:39:33,400 --> 01:39:35,038

And you're gonna end this.

1510

01:39:35,200 --> 01:39:37,509

I'm gonna carry your ass if I have to.

1511

01:39:38,840 --> 01:39:42,116

'Cause this shit is gonna be
like a chapter in the Bible.

1512

01:39:42,680 --> 01:39:44,910

Everybody's gonna know what we did.

1513

01:39:45,560 --> 01:39:50,554

And my daughter is gonna know
that her daddy is not a piece of shit.

1514

01:39:53,800 --> 01:39:54,800

(DOOR OPENS)

1515

01:39:58,400 --> 01:40:00,072

(GROWLS)

1516

01:40:00,240 --> 01:40:01,753

I'll come.

1517

01:40:05,600 --> 01:40:06,999

What?

1518

01:40:07,160 --> 01:40:08,559

You got something better to do?

1519

01:40:08,720 --> 01:40:10,233

Come on!

1520

01:40:12,360 --> 01:40:13,429

Pussies.

1521

01:40:24,280 --> 01:40:25,280

(EXHALES)

1522

01:40:33,960 --> 01:40:34,960

(GROWLING)

1523

01:40:48,960 --> 01:40:51,349

RICK: We think that thing's a weapon.

1524

01:40:51,560 --> 01:40:52,629

Here. Lower.

1525

01:40:58,440 --> 01:40:59,953

- (EXHALES)

- (PHONE CLATTERS)

1526

01:41:00,360 --> 01:41:02,237

We gotta take out the big one.

1527

01:41:05,000 --> 01:41:08,231

I left a big ass demo charge
down there in that subway.

1528

01:41:09,680 --> 01:41:12,752

There's a flooded tunnel,
leads right underneath that building.

1529

01:41:12,960 --> 01:41:17,351

SEALs, they can recover the charge,
swim in underneath that thing's feet.

1530

01:41:17,520 --> 01:41:20,432

We get in its face and distract the hell
out of that son of a bitch

1531

01:41:20,600 --> 01:41:21,960

so the swimmers can blow the bomb.

1532

01:41:23,840 --> 01:41:25,751

That's how we take it out.

1533

01:41:31,840 --> 01:41:33,717

(KILLER CROC GROWLING)

1534

01:41:36,400 --> 01:41:38,152

I'm going with ya.

1535

01:41:40,000 --> 01:41:41,433

We got this.

1536

01:41:41,600 --> 01:41:43,636

I'm not asking, bro.

1537

01:41:47,160 --> 01:41:49,355

I live underground.

1538

01:41:49,520 --> 01:41:51,829

Y'all are just tourists.

1539

01:42:00,520 --> 01:42:02,511

(KATANA SPEAKING JAPANESE)

1540

01:42:16,880 --> 01:42:19,314

The man who killed her husband
used that sword.

1541

01:42:21,000 --> 01:42:23,230

His soul's trapped inside of it.

1542

01:42:23,960 --> 01:42:25,632

She talks to him.

1543

01:42:26,360 --> 01:42:27,713

BOOMERANG: Hey, well,

1544

01:42:27,880 --> 01:42:30,110

you know what they say

about the crazy ones.

1545

01:42:31,680 --> 01:42:32,680

Huh?

1546

01:42:38,240 --> 01:42:39,673

(SOBBING)

1547

01:42:40,240 --> 01:42:41,389

Let's do this.

1548

01:43:19,280 --> 01:43:20,679

You must really love this girl.

1549

01:43:25,240 --> 01:43:28,277

Man, I thought love was bullshit.

Dead serious.

1550

01:43:29,880 --> 01:43:32,474

Desire, mutual benefit, whatever.

1551

01:43:33,080 --> 01:43:35,958

I mean, I get that, but actual love?

1552

01:43:36,360 --> 01:43:38,271

I rated that with UFOs.

1553

01:43:39,160 --> 01:43:41,720

Lot of believers, no proof.

1554

01:43:45,160 --> 01:43:46,878

And then I met June.

1555

01:43:48,800 --> 01:43:50,472

Do what you gotta do.

1556

01:43:52,160 --> 01:43:53,434

I got your back.

1557

01:44:04,720 --> 01:44:06,080

DEADSHOT: You gonna fight with us?

1558

01:44:07,000 --> 01:44:08,956

What if I lose control?

1559

01:44:09,120 --> 01:44:11,076

Then maybe we'll have a chance.

1560

01:44:23,520 --> 01:44:24,520

Duck in.

1561

01:44:37,560 --> 01:44:41,075

Hey, everyone can see
all this trippy magic stuff, right?

1562

01:44:41,480 --> 01:44:43,038

Yeah. Why?

1563

01:44:43,200 --> 01:44:45,077

I'm off my meds.

1564

01:44:46,680 --> 01:44:48,240

DEADSHOT: So that's your old lady, huh?

1565

01:44:48,800 --> 01:44:49,994

Yeah.

1566

01:44:50,160 --> 01:44:52,037

Well, you need to handle
this shit, all right?

1567

01:44:52,200 --> 01:44:55,875

Get up there, smack on her ass,
tell her, "Knock this shit off."

1568

01:44:56,040 --> 01:44:58,190

I do not think that'd be wise.

1569

01:44:58,360 --> 01:45:00,351

I'm gonna draw out the big one.

1570

01:45:00,560 --> 01:45:02,994

My boys will detonate the bomb

underneath him.

1571

01:45:07,400 --> 01:45:09,868

You know, we should get a drink sometime.

1572

01:45:10,720 --> 01:45:13,678

ENCHANTRESS:

I've been waiting for you all night.

1573

01:45:15,000 --> 01:45:18,913

Step out of the shadows. I won't bite.

1574

01:45:21,560 --> 01:45:22,675

Hmm.

1575

01:45:22,840 --> 01:45:24,671

What the hell? Grab her.

1576

01:45:26,320 --> 01:45:28,515

ENCHANTRESS: Why are you here?

1577

01:45:28,680 --> 01:45:31,831

Because the soldier led you?

1578

01:45:32,000 --> 01:45:33,558

And all for Waller.

1579

01:45:33,760 --> 01:45:36,718

Why do you serve those who cage you?

1580

01:45:36,920 --> 01:45:39,195

I am your ally.

1581

01:45:39,360 --> 01:45:41,794

And I know what you want.

1582

01:45:41,960 --> 01:45:44,838

Exactly what you want.

1583

01:45:45,840 --> 01:45:46,840

(GUN FIRING)

1584

01:46:26,560 --> 01:46:28,118

JUNE: Baby. Baby.

1585

01:46:29,080 --> 01:46:31,799

Baby, it's just a nightmare.

1586

01:46:33,080 --> 01:46:34,798

It's just a bad dream.

1587

01:46:35,440 --> 01:46:36,634

I'm here.

1588

01:46:43,680 --> 01:46:44,680

(TV PLAYING INDISTINCTLY)

1589

01:46:47,440 --> 01:46:48,555

GRACE: Miss me?

1590

01:46:56,000 --> 01:46:59,390

I'll put the kids to sleep
and then maybe we can kick it?

1591

01:47:01,240 --> 01:47:02,240

Yeah?

1592

01:47:04,200 --> 01:47:08,239

I can't change what I did.

And neither can you!

1593

01:47:08,440 --> 01:47:10,032

He married me!

1594

01:47:10,200 --> 01:47:11,200

(CHUCKLES SOFTLY)

1595

01:47:11,680 --> 01:47:12,999

It's not real.

1596

01:47:13,600 --> 01:47:14,715

I killed the Bat.

1597

01:47:14,880 --> 01:47:16,472

Nah, homie. You don't want that.

1598

01:47:17,080 --> 01:47:18,718

What? I want that.

1599

01:47:18,880 --> 01:47:20,440

She trying to play games with you, man.

1600

01:47:20,600 --> 01:47:22,318

- It's not real!

- He's right.

1601

01:47:23,160 --> 01:47:24,354

It's not real.

1602

01:47:27,120 --> 01:47:29,588

How long have you been able to see?

1603

01:47:30,320 --> 01:47:31,719

My whole life.

1604

01:47:33,200 --> 01:47:34,792

You can't have them.

1605

01:47:34,960 --> 01:47:36,234

These are my people right here.

1606

01:47:36,400 --> 01:47:38,197

ENCHANTRESS: But it is our time.

1607

01:47:38,360 --> 01:47:43,195

The sun is setting, and the magic rises.

The metahumans are a sign of change.

1608

01:47:44,880 --> 01:47:47,952

Lady, you are evil!

1609

01:47:49,240 --> 01:47:50,240

(SPEAKS OTHER LANGUAGE)

1610

01:47:53,120 --> 01:47:54,189

Oh, wow.

1611

01:47:57,440 --> 01:47:58,589

Uh-oh.

1612

01:47:59,440 --> 01:48:00,668

Who's this?

1613

01:48:01,280 --> 01:48:03,191

- RICK: It's gonna be bad!

- We should run.

1614

01:48:04,000 --> 01:48:05,035

(GRUNTS)

1615

01:48:13,920 --> 01:48:14,955

(PANTING)

1616

01:48:15,240 --> 01:48:16,798

GQ, come in. We're in position.

1617

01:48:26,280 --> 01:48:28,760

We gotta get him in that corner.

That's where the bomb will be.

1618

01:48:28,880 --> 01:48:30,598

I'll do it! I'll get him there.

1619

01:48:32,080 --> 01:48:33,080

(GRUNTS)

1620

01:48:43,320 --> 01:48:44,355

(INCUBUS ROARS)

1621

01:48:44,600 --> 01:48:46,560

I lost one family.

I ain't gonna lose another one.

1622

01:48:46,600 --> 01:48:47,919

Look, think it through.

1623

01:48:48,120 --> 01:48:51,430

I got this.

Let me show you what I really am.

1624

01:48:53,120 --> 01:48:54,120

Over here!

1625

01:48:54,520 --> 01:48:55,520

(INCUBUS ROARING)

1626

01:49:00,880 --> 01:49:02,233

(GRUNTS)

1627

01:49:06,000 --> 01:49:07,000

(GUNS FIRING)

1628

01:49:08,640 --> 01:49:09,640

(GRUNTS)

1629

01:49:10,840 --> 01:49:12,876

(GRUNTING)

1630

01:49:18,360 --> 01:49:19,360

(YELLING)

1631

01:49:22,960 --> 01:49:23,960

(SPEAKS SPANISH)

1632

01:49:36,840 --> 01:49:37,840

Go!

1633

01:49:40,360 --> 01:49:42,874

(BOTH GRUNTING)

1634

01:49:52,280 --> 01:49:53,759

Rick, in position. Standing by.

1635

01:49:53,920 --> 01:49:55,751

Diablo, drive him into the corner!

1636

01:49:57,240 --> 01:49:58,673

(DIABLO YELLING)

1637

01:50:10,600 --> 01:50:11,669

- Get him, mate!

- Come on.

1638

01:50:13,720 --> 01:50:15,039

Yeah, do it!

1639

01:50:25,320 --> 01:50:27,197

Diablo, get clear! Get outta there!

1640

01:50:27,360 --> 01:50:28,793

Blow it!

1641

01:50:31,960 --> 01:50:33,029

Blow it.

1642

01:50:35,720 --> 01:50:38,234

- Now, GQ. Now.

- No!

1643

01:50:39,880 --> 01:50:41,108

Everybody, down!

1644

01:50:42,720 --> 01:50:43,720

(SPEAKS SPANISH)

1645

01:50:49,800 --> 01:50:50,800

(SPEAKS OTHER LANGUAGE)

1646

01:50:55,720 --> 01:50:56,720

(EXHALES SHARPLY)

1647

01:51:04,280 --> 01:51:05,793

(BREATHING SHAKILY)

1648

01:51:19,160 --> 01:51:20,229

You next.

1649

01:51:21,920 --> 01:51:24,957

ENCHANTRESS: My spell is complete.

1650

01:51:25,120 --> 01:51:28,908

Once you and your armies are gone,
my darkness will spread across this world.

1651

01:51:29,080 --> 01:51:32,516

And it will be mine to rule.

1652

01:51:38,640 --> 01:51:39,640

(GRUNTING)

1653

01:51:45,280 --> 01:51:47,510

(INDISTINCT CHATTERING)

1654

01:51:47,880 --> 01:51:49,677

That was our main satellite uplink.

1655

01:51:54,800 --> 01:51:56,616

How did this witch even know
how to target this thing?

1656

01:51:56,640 --> 01:51:58,471

It's a secret facility.

1657

01:52:03,360 --> 01:52:05,032

You got a move here, Flag?

1658

01:52:05,200 --> 01:52:07,236

We gotta cut her heart out.

1659

01:52:15,520 --> 01:52:16,839

(GRUNTING)

1660

01:52:32,240 --> 01:52:33,240

(GRUNTING)

1661

01:52:35,200 --> 01:52:36,997

(SPEAKING JAPANESE)

1662

01:52:38,560 --> 01:52:39,640

RICK: While we're fighting,

1663

01:52:39,720 --> 01:52:41,995

that thing's laying waste
to the whole damn world.

1664

01:52:47,400 --> 01:52:48,913

(INDISTINCT CHATTER)

1665

01:52:49,240 --> 01:52:50,514

Where is she?

1666

01:52:51,520 --> 01:52:53,400

- HARLEY: I don't know.

- (ENCHANTRESS LAUGHING)

1667

01:52:57,160 --> 01:52:58,160

Hey.

1668

01:52:59,120 --> 01:53:00,120

(GRUNTS)

1669

01:53:04,520 --> 01:53:05,748

RICK: Look out. Look out!

1670

01:53:06,040 --> 01:53:07,439

(GRUNTING)

1671

01:53:08,680 --> 01:53:11,035

(ALL GRUNTING)

1672

01:53:24,240 --> 01:53:25,639

(KILLER CROC GROWLING)

1673

01:53:28,600 --> 01:53:29,600

HARLEY: Uh-oh.

1674

01:53:29,800 --> 01:53:31,028

Sorry.

1675

01:53:31,800 --> 01:53:32,800

(GRUNTS)

1676

01:53:36,840 --> 01:53:38,239

DEADSHOT: Flag!

1677

01:54:03,240 --> 01:54:04,240

(GROWLS)

1678

01:54:12,560 --> 01:54:13,834

Enough!

1679

01:54:17,840 --> 01:54:23,039

Of all who have faced me,
you have earned mercy.

1680

01:54:23,200 --> 01:54:25,077

For the last time,

1681

01:54:25,760 --> 01:54:28,957

join me, or die.

1682

01:54:31,280 --> 01:54:33,874

I'm not much of a joiner,

1683

01:54:35,120 --> 01:54:37,076

but maybe we should.

1684

01:54:37,240 --> 01:54:38,639

Hey!

1685

01:54:38,800 --> 01:54:40,438

She's trying to take over the world.

1686

01:54:40,640 --> 01:54:41,755

So?

1687

01:54:42,440 --> 01:54:45,591

What's the world ever done for us, anyway?

It hates us.

1688

01:54:46,560 --> 01:54:48,039

Hey, Harley!

1689

01:54:48,200 --> 01:54:49,200

(GROWLING)

1690

01:54:51,480 --> 01:54:54,153

Hey, lady? Um...

1691

01:54:56,080 --> 01:54:57,957

I lost my Puddin'.

1692

01:54:59,560 --> 01:55:01,232

But you can get him back, right?

1693

01:55:02,160 --> 01:55:04,310

I can, my dear.

1694

01:55:04,760 --> 01:55:07,433

Anything you want.

1695

01:55:10,400 --> 01:55:11,515

You promise?

1696

01:55:11,680 --> 01:55:13,398

Yes, child.

1697

01:55:15,160 --> 01:55:16,479

You need only bow

1698

01:55:18,360 --> 01:55:21,636

and serve beneath my feet.

1699

01:55:26,520 --> 01:55:28,795

I like what you're sellin', lady.

1700

01:55:29,520 --> 01:55:32,956

There's just one teeny problem.

1701

01:55:34,520 --> 01:55:35,600

You messed with my friends.

1702

01:55:41,680 --> 01:55:43,910

Her heart's out! We can end this!

1703

01:55:48,200 --> 01:55:50,156

- Hey, Croc!

- (GROWLS)

1704

01:55:52,960 --> 01:55:54,188

Harley!

1705

01:56:35,280 --> 01:56:36,633

(BREATHING HEAVILY)

1706

01:56:38,880 --> 01:56:41,030

ZOE: Please, Daddy. Don't do it.

1707

01:56:42,560 --> 01:56:46,394

The only way for us to be together
is if you don't pull the trigger.

1708

01:56:47,320 --> 01:56:48,912

Daddy, I love you.

1709

01:56:49,840 --> 01:56:51,796

Please, don't do this.

1710

01:56:57,640 --> 01:56:59,358

(YELLING)

1711

01:57:42,280 --> 01:57:43,793

(BREATHING RAGGEDLY)

1712

01:57:46,920 --> 01:57:48,000

That was a great shot, man.

1713

01:57:48,200 --> 01:57:50,395

Hey, I don't do hugs. I'm not a hugger.

1714

01:57:50,560 --> 01:57:53,199

I'm not a hugger. All right?

1715

01:57:59,920 --> 01:58:02,309

Let me join my brother.

1716

01:58:03,320 --> 01:58:04,514

RICK: Katana, no!

1717

01:58:09,560 --> 01:58:10,754

Give me that.

1718

01:58:12,840 --> 01:58:15,638

You bring June back. You bring her back.

1719

01:58:15,800 --> 01:58:17,756

She's not coming back.

1720

01:58:17,920 --> 01:58:20,559

I'll crush this. Do you hear me?

1721

01:58:20,720 --> 01:58:22,597

You bring June back or I'll crush this!

1722

01:58:22,760 --> 01:58:23,988

ENCHANTRESS: Go ahead.

1723

01:58:25,000 --> 01:58:26,797

You don't have the balls.

1724

01:58:32,560 --> 01:58:33,560

(GRUNTING)

1725

01:58:34,040 --> 01:58:35,040

(SCREAMING)

1726

01:59:19,880 --> 01:59:20,915

Hey, Flag.

1727

01:59:28,880 --> 01:59:29,880

(EXHALES)

1728

01:59:30,520 --> 01:59:31,589

RICK: June!

1729

01:59:39,600 --> 01:59:40,749

(SIGHS)

1730

01:59:41,160 --> 01:59:42,832

She's gone.

1731

01:59:43,000 --> 01:59:46,276

I thought I killed you.

1732

01:59:47,320 --> 01:59:49,788

Y'all don't mind,

1733

01:59:49,960 --> 01:59:52,599

I got me a sewer to crawl back into.

1734

01:59:52,760 --> 01:59:55,274

Yeah, and I got some business to handle
back in Gotham.

1735

01:59:55,440 --> 01:59:57,112

I'm going to hotwire a car. Need a ride?

1736

01:59:57,280 --> 01:59:58,554

Your ass is not driving.

1737

01:59:58,720 --> 01:59:59,755

Why not?

1738

01:59:59,960 --> 02:00:00,960

(BEEPS)

1739

02:00:02,520 --> 02:00:04,317

How are you not dead?

1740

02:00:04,960 --> 02:00:06,632

HARLEY: We just saved the world.

1741

02:00:07,440 --> 02:00:09,317

A "thank you" would be nice.

1742

02:00:09,960 --> 02:00:11,075

Thank you.

1743

02:00:12,040 --> 02:00:13,075

You're welcome.

1744

02:00:13,240 --> 02:00:15,000

So, we did all of this

and we don't get shit?

1745

02:00:15,160 --> 02:00:17,674

Ten years off your prison sentences.

1746

02:00:17,840 --> 02:00:20,832

- (LAUGHING)

- (GROWLING)

1747

02:00:21,000 --> 02:00:23,833

Nah, that's not enough.

I'm seeing my daughter.

1748

02:00:25,120 --> 02:00:26,120

(SIGHS)

1749

02:00:26,320 --> 02:00:27,639

That can be arranged.

1750

02:00:28,960 --> 02:00:30,279

Any other requests?

1751

02:00:30,920 --> 02:00:32,478

Ooh. An espresso machine.

1752

02:00:33,480 --> 02:00:35,118

BET.

1753

02:00:35,800 --> 02:00:38,439

Ten years off a triple life sentence?

1754

02:00:38,600 --> 02:00:40,352

Darling, I'm walking

out of here a free man

1755

02:00:40,520 --> 02:00:42,351

or we're going

to start having some real fun.

1756

02:00:42,520 --> 02:00:44,431

- (BEEPS)

- Why don't we have some fun?

1757

02:00:54,320 --> 02:00:56,880

You're trying to figure out this length.

1758

02:00:57,840 --> 02:00:58,989

That's the hypotenuse.

1759

02:00:59,160 --> 02:01:00,991

So, you have to know this angle.

1760

02:01:01,160 --> 02:01:05,392

Okay. So, if you're up here,
like in a building,

1761

02:01:05,560 --> 02:01:08,677

and you shoot a man
down here on the street,

1762

02:01:08,840 --> 02:01:10,956

that's how far the bullet actually goes?

1763

02:01:11,840 --> 02:01:13,831

(CHUCKLES) Yeah. That's right.

1764

02:01:14,000 --> 02:01:15,656

- (BANGING ON DOOR)

- You are so smart. Right.

1765

02:01:15,680 --> 02:01:18,319

The hypotenuse. Good one. Um...

1766

02:01:19,200 --> 02:01:21,000

So, that would make you
have to know the angle

1767

02:01:21,040 --> 02:01:23,349

between the building and the sidewalk.

1768

02:01:23,520 --> 02:01:25,033

You got to know that angle.

1769

02:01:25,200 --> 02:01:27,919

No, I mean, in real life,
you have variables.

1770

02:01:28,080 --> 02:01:29,360

You know, you got rifling twist.

1771

02:01:29,520 --> 02:01:31,875

You got chamber pressure.
You got bullet weight.

1772

02:01:32,880 --> 02:01:34,836

Some shots you'll even

have to take the curvature

1773

02:01:35,000 --> 02:01:37,016

- of the Earth in with the...

- (RICK CLEARS THROAT)

1774

02:01:37,040 --> 02:01:38,040

It's time.

1775

02:01:39,560 --> 02:01:40,754

...wind effect.

1776

02:01:42,080 --> 02:01:44,150

You know, there's a lot of variables

1777

02:01:45,400 --> 02:01:46,879

in the street.

1778

02:01:50,720 --> 02:01:51,869

I gotta go.

1779

02:01:52,880 --> 02:01:54,199

Are you coming back?

1780

02:01:55,720 --> 02:01:56,755

Yeah.

1781

02:01:56,920 --> 02:01:59,514

I'm working it out. All right?

1782

02:01:59,680 --> 02:02:03,639

You know, I promised my friends
that I would just, you know, go,

1783

02:02:03,800 --> 02:02:06,234

without killing them all.

1784

02:02:06,400 --> 02:02:07,549

Bring it in.

1785

02:02:10,880 --> 02:02:12,074

I love you, Daddy.

1786

02:02:12,240 --> 02:02:13,240

Hmm.

1787

02:02:14,920 --> 02:02:16,114

I love you.

1788

02:02:18,160 --> 02:02:19,593

(ROCK MUSIC PLAYING)

1789

02:02:42,240 --> 02:02:44,595

Hey! Let me out!

1790

02:02:44,760 --> 02:02:46,637

Let me out of here right now!

1791

02:02:46,800 --> 02:02:49,758

Hey! You feel that? Yeah.

1792

02:02:50,640 --> 02:02:52,551

Let me out of here, darling, please.

1793

02:02:52,760 --> 02:02:54,096

Please, I'm begging you, seriously.

1794

02:02:54,120 --> 02:02:57,430

Listen to me. Have you got a car?

Because I'm a brilliant driver.

1795

02:02:57,640 --> 02:02:58,993

Come on!

1796

02:03:05,120 --> 02:03:06,120

(GRUNTING)

1797

02:03:13,480 --> 02:03:14,913

(ESPRESSO MACHINE WHIRRING)

1798

02:03:18,200 --> 02:03:19,758

- (EXPLOSION)

- (SCREAMS)

1799

02:03:30,680 --> 02:03:31,680

(SAW WHIRRING)

1800

02:03:49,840 --> 02:03:50,840

(EXHALES)

1801

02:03:53,960 --> 02:03:55,473

Puddin'!

1802

02:03:57,800 --> 02:03:59,472

Let's go home.

1803

02:06:19,160 --> 02:06:21,549

(JOKER LAUGHING)

1804

02:06:23,880 --> 02:06:26,269

AMANDA: This is crown jewels here,
Mr. Wayne.

1805

02:06:27,360 --> 02:06:29,316

And you do understand my legal exposure.

1806

02:06:29,480 --> 02:06:31,516

If anyone knew what I procured for you...

1807

02:06:31,680 --> 02:06:34,877

Listen, I can keep a secret, okay?

1808

02:06:35,040 --> 02:06:36,268

What do you want?

1809

02:06:36,480 --> 02:06:39,040

People are asking questions
about Midway City.

1810

02:06:39,200 --> 02:06:40,880

The kind of people
who can get the answers.

1811

02:06:40,960 --> 02:06:43,997

And if they can get those answers,
my head will be on a pike.

1812

02:06:44,200 --> 02:06:46,794

Consider yourself under my protection.

1813

02:06:46,960 --> 02:06:48,234

If you deliver.

1814

02:07:04,520 --> 02:07:05,999

Why, Mr. Wayne?

1815

02:07:08,360 --> 02:07:09,918

Just like to make friends.

1816

02:07:10,200 --> 02:07:11,200

(SCOFFS)

1817

02:07:11,560 --> 02:07:12,696

That's the difference between us.

1818

02:07:12,720 --> 02:07:15,029

You believe in friendship.

I believe in leverage.

1819

02:07:16,440 --> 02:07:17,475

Good night.

1820

02:07:17,640 --> 02:07:19,631

You look tired.

1821

02:07:19,800 --> 02:07:21,916

You should stop working nights.

1822

02:07:22,880 --> 02:07:26,873

You should shut it down,
or my friends and I'll do it for you.
