

Dialogues from The Incredibles to improve the vocabulary in English

1

00:00:26,527--> 00:00:28,402

(FILM REEL SCRATCHING)

2

00:00:29,446--> 00:00:30,780

(BACKGROUND CHATTER)

3

00:00:33,575--> 00:00:35,159

- Is this on?

- INTERVIEWER: That's fine.

4

00:00:35,244--> 00:00:37,870

I can break through walls,

I just can't...

5

00:00:37,955--> 00:00:40,039

- INTERVIEWER: That's fine.

- I can't get this on.

6

00:00:40,124--> 00:00:43,459

INTERVIEWER: Mr. Incredible...

Do you have a secret identity?

7

00:00:43,544--> 00:00:47,463

Every superhero has a secret identity.

I don't know a single one who doesn't.

8

00:00:47,548--> 00:00:50,758

Who wants the pressure

of being super all the time?

9

00:00:52,803--> 00:00:54,887

Of course I have a secret identity.

10

00:00:54,972--> 00:00:58,641

Can you see me in this

at the supermarket? Come on.

11

00:00:58,725--> 00:01:00,977

Who'd want to go shopping

as Elastigirl, know what I mean?

12

00:01:03,063--> 00:01:06,858

Superladies, they're always trying
to tell you their secret identity.

13

00:01:06,942--> 00:01:10,069

Think it'll strengthen
the relationship or something.

14

00:01:10,154--> 00:01:15,491

I said, "Girl, I don't want to know
about your mild-mannered alter ego."

15

00:01:15,576--> 00:01:20,121

I mean, you tell me you're
a super-mega-ultra-lightning-babe,

16

00:01:20,205--> 00:01:24,125

that's all right with me.
I'm good. I'm good.

17

00:01:24,376--> 00:01:26,252

No matter how many times
you save the world,

18

00:01:26,336--> 00:01:30,006

it always manages to get back
in jeopardy again.

19

00:01:30,090--> 00:01:33,551

Sometimes I just want it to stay saved,
you know?

20

00:01:33,635--> 00:01:36,971

For a little bit. I feel like the maid.
"I just cleaned up this mess.

21

00:01:37,055--> 00:01:39,640

"Can we keep it clean
for ten minutes?"

22

00:01:39,725--> 00:01:41,434

INTERVIEWER:

I could get to that point.

23

00:01:41,518--> 00:01:44,437

- "Please?"

- INTERVIEWER: We're not finished.

24

00:01:44,521--> 00:01:47,857

Sometimes I think I'd just like
the simple life, you know?

25

00:01:47,941--> 00:01:50,359

Relax a little and raise a family.

26

00:01:50,527--> 00:01:53,613

Settle down? Are you kidding?
I'm at the top of my game!

27

00:01:53,697--> 00:01:56,407

I'm up there with the big dogs!
Girls, come on.

28

00:01:56,491--> 00:01:59,869

Leave the saving of the world
to the men? I don't think so.

29

00:02:01,205--> 00:02:02,246

I don't think so.

30

00:02:12,090--> 00:02:13,883

(POLICE SIREN WAILS)

31

00:02:19,932--> 00:02:21,974

(OVER RADIO)

We interrupt for a bulletin.

32

00:02:22,059--> 00:02:25,144

A high-speed pursuit between police
and armed gunmen is underway,

33

00:02:25,228--> 00:02:27,647

traveling northbound
on San Pablo Ave.

34

00:02:34,029--> 00:02:35,237

Yeah, I've got time.

35

00:03:01,139--> 00:03:02,807

Mr. Incredible.

36

00:03:07,229--> 00:03:10,564

- What is it, ma'am?

- My cat, Squeaker, won't come down.

37

00:03:10,649--> 00:03:11,857

(CAT MEOWS)

38

00:03:13,235--> 00:03:16,529

Certainly. I suggest you stand clear.

There could be trouble.

39

00:03:16,613--> 00:03:17,989

No, he's quite tame.

40

00:03:18,073--> 00:03:19,365

(GUNFIRE)

41

00:03:20,325--> 00:03:21,575

(GRUNTS)

42

00:03:24,371--> 00:03:25,579

(MEOWS)

43

00:03:26,665--> 00:03:27,957

(BEEPING)

44

00:03:29,501--> 00:03:31,043

(SIRENS WAIL)

45

00:03:31,712--> 00:03:33,045

Let go now.

46

00:03:35,215--> 00:03:36,674

(CAT YOWLS)

47

00:03:48,645--> 00:03:51,272

Thank you, Mr. Incredible.

You've done it again.

48

00:03:51,356--> 00:03:53,441

- You're the best.

- No, I'm just here to help.

49

00:03:53,525--> 00:03:55,901

(OVER RADIO) All units.

We have a tour bus robbery...

50

00:03:55,986--> 00:03:58,446

Tour bus robbery. I've still got time.

51

00:03:58,530--> 00:04:00,781

Officers. Ma'am. Squeaker.

52

00:04:01,575--> 00:04:03,868

- Cool! Ready for take-off!

- What the...

53

00:04:03,952--> 00:04:06,537

- Who are you supposed to be?

- I'm IncrediBoy.

54

00:04:06,621--> 00:04:08,205

What? No.

55

00:04:08,290--> 00:04:10,499

You're that kid from the fan club.

56

00:04:10,584--> 00:04:13,252

(STAMMERING) Brophy. Brody.

Buddy! Buddy!

57

00:04:13,336--> 00:04:15,171

My name is IncrediBoy.

58

00:04:15,255--> 00:04:17,339

I've been nice, I've stood for photos,

59

00:04:17,424--> 00:04:20,009

signed every scrap of paper

you pushed at me...

60

00:04:20,093--> 00:04:22,720

No, don't worry about training me.

I know your moves,

61

00:04:22,804--> 00:04:25,765

crime fighting style,

favorite catch phrases, everything!

62

00:04:25,849--> 00:04:27,558

I'm your number one fan!

63

00:04:30,854--> 00:04:32,605

BUDDY: Hey! Hey, wait!

64

00:04:39,029--> 00:04:40,404

(MUTTERING)

65

00:04:41,865--> 00:04:42,948

INCREDIBLE: You know,

66

00:04:43,033--> 00:04:47,036

you can tell a lot about a woman
by the contents of her purse,

67

00:04:47,120--> 00:04:50,081

but maybe that's not
what you had in mind.

68

00:04:50,165--> 00:04:51,165

Hey, look...

69

00:04:51,249--> 00:04:52,374

(GRUNTS)

70

00:04:56,797--> 00:04:58,047

Elastigirl.

71

00:04:58,131--> 00:05:00,216

Mr. Incredible.

72

00:05:01,176--> 00:05:03,761

- It's all right. I've got him.

- Sure, you've got him.

73

00:05:03,845--> 00:05:05,930

- I just took him out for you.

- Sure, you did.

74

00:05:06,014--> 00:05:08,724

- His attention was on me.

- A fact I exploited to do my job.

75

00:05:08,809--> 00:05:11,685

- My job, you mean.

- A simple thank you will suffice.

76

00:05:11,770--> 00:05:13,938

Thanks, but I don't need any help.

77

00:05:14,022--> 00:05:15,981

Whatever happened to "ladies first"?

78

00:05:16,066--> 00:05:18,275

Well, whatever happened
to equal treatment?

79

00:05:18,360--> 00:05:20,945

Look, the lady got me first.

80

00:05:21,029--> 00:05:24,198

- Well, we could share, you know.

- I work alone.

81

00:05:24,282--> 00:05:26,784

Well, I think you need to be more

82

00:05:27,786--> 00:05:28,911

flexible.

83

00:05:28,995--> 00:05:31,330

Are you doing anything later?

84

00:05:31,414--> 00:05:33,791

I have a previous engagement.

85

00:05:42,634--> 00:05:43,968

(WHISTLES)

86

00:05:45,637--> 00:05:47,179

Now, you just stay here.

87

00:05:47,264--> 00:05:50,224

They usually pick up
the garbage in an hour.

88

00:05:50,308--> 00:05:52,935

- FROZONE: Hey, Incredible!

- Hey, Frozone!

89

00:05:53,019--> 00:05:56,438

- Shouldn't you be getting ready?

- I still got time.

90

00:05:56,523--> 00:05:57,815

(CROWD SCREAMING)

91

00:05:58,233--> 00:06:00,025

WOMAN: He's gonna jump!

92

00:06:14,332--> 00:06:16,250

SANSWEET: I think

you broke something.

93

00:06:16,334--> 00:06:19,461

With counseling,

I think you'll come to forgive me.

94

00:06:19,546--> 00:06:21,338

Wait a minute.

95

00:06:22,215--> 00:06:24,341

(SANSWEET MOANING)

96

00:06:24,968--> 00:06:26,260

(BEEPING)

97

00:06:38,899--> 00:06:40,065

(BEEPING SPEEDS UP)

98

00:06:50,744--> 00:06:52,995

(COUGHING) Bomb Voyage.

99

00:06:53,538--> 00:06:54,997

Mr. Incredible...!

100

00:06:55,123--> 00:06:57,541

BUDDY: And IncrediBoy!

101

00:06:57,709--> 00:06:59,251

VOYAGE: IncrediBoy?

102

00:07:00,337--> 00:07:04,131

Aren't you curious about how I get

around so fast? I have rocket boots.

103

00:07:04,216--> 00:07:05,799

- Go home, Buddy. Now.

- What?

104

00:07:05,884--> 00:07:06,967

Little oaf...!

105

00:07:07,177--> 00:07:08,427

Can we talk?

106

00:07:08,511--> 00:07:10,638

You always say be true to yourself,

107

00:07:10,722--> 00:07:13,557

but you never say

which part to be true to.

108

00:07:13,642--> 00:07:18,437

Well, I've finally figured out who I am.

I am your ward. IncrediBoy!

109

00:07:18,521--> 00:07:21,565

And now, you have officially
carried it too far, Buddy.

110

00:07:21,650--> 00:07:23,859

This is because I don't have powers,
isn't it?

111

00:07:23,944--> 00:07:26,028

Not every superhero has powers,
you know.

112

00:07:26,112--> 00:07:27,905

You can be super without them.

113

00:07:27,989--> 00:07:31,450

I invented these.

I can fly. Can you fly?

114

00:07:31,534--> 00:07:33,786

Fly home, Buddy. I work alone.

115

00:07:33,870--> 00:07:35,579

And your outfit is totally ridiculous!

116

00:07:35,872--> 00:07:38,958

Just give me one chance!

I'll show you. I'll go get the police.

117

00:07:39,042--> 00:07:41,293

- Buddy, don't!

- It'll only take a second, really.

118

00:07:41,378--> 00:07:43,712

No, stop!

There's a bomb!

119

00:07:45,548--> 00:07:47,925

Let go, you're wrecking

my flight pattern.

120

00:07:48,009--> 00:07:50,886

- I can do this if you let go!

- Will you just...

121

00:07:51,012--> 00:07:54,181

- I'm trying to help! Stop!

- Let go of my cape!

122

00:07:56,851--> 00:07:58,227

(BEEPING)

123

00:08:00,897--> 00:08:02,231

(BEEPING SPEEDS UP)

124

00:08:06,569--> 00:08:07,987

(TRAIN WHISTLE BLOWS)

125

00:08:38,101--> 00:08:42,104

Take this one home. And make sure
his mom knows what he's been doing.

126

00:08:42,188--> 00:08:44,064

I can help you.

You're making a mist...

127

00:08:44,149--> 00:08:46,233

The injured jumper.

You sent paramedics?

128

00:08:46,317--> 00:08:47,317

They picked him up.

129

00:08:47,402--> 00:08:49,820

The blast in that building
was caused by Bomb Voyage

130

00:08:49,904--> 00:08:51,447

who I caught robbing the vault.

131

00:08:51,531--> 00:08:54,074

We might nab him
if we set up a perimeter.

132

00:08:54,159--> 00:08:56,118

- He got away?

- Well, yeah.

133

00:08:56,202--> 00:08:58,454

- Skippy here made sure of that.

- IncrediBoy.

134

00:08:58,538--> 00:09:02,082

You're not affiliated with me!

Holy smokes, I'm late.

135

00:09:02,167--> 00:09:04,376

Listen, I've gotta be somewhere.

136

00:09:05,045--> 00:09:07,921

- What about Bomb Voyage?

- Any other night, I'd go after him,

137

00:09:08,006--> 00:09:12,134

but I really gotta go. Don't worry.

We'll get him! Eventually!

138

00:09:14,846--> 00:09:16,889

(CHURCH ORGAN MUSIC PLAYS)

139

00:09:18,641--> 00:09:20,851

- Is the night still young?

- You're very late.

140

00:09:20,935--> 00:09:24,313

- How do I look? Good?

- The mask. You still got the mask.

141

00:09:25,315--> 00:09:26,815

(CRACKS NECK)

142

00:09:27,150--> 00:09:28,317

Showtime.

143

00:09:32,197--> 00:09:36,116

Robert Parr, will you have this woman
to be your lawful wedded wife?

144

00:09:36,201--> 00:09:39,286

You're late. When you asked
if I was doing anything later,

145

00:09:39,370--> 00:09:42,706

I didn't realize you'd forgotten.
I thought it was playful banter.

146

00:09:42,791--> 00:09:45,167

- It was.

- Cutting it close, don't you think?

147

00:09:45,251--> 00:09:47,753

You need to be more flexible.

148

00:09:47,837--> 00:09:50,255

I love you, but if we're
gonna make this work,

149

00:09:50,340--> 00:09:52,508

you've gotta be more
than Mr. Incredible.

150

00:09:52,592--> 00:09:54,635

You know that. Don't you?

151

00:09:54,719--> 00:09:57,221

...so long as you both shall live?

- I do.

152

00:09:57,305--> 00:10:00,182

I pronounce this couple

husband and wife.

153

00:10:00,475--> 00:10:02,392

(PEOPLE CHEERING
AND WHISTLING)

154

00:10:02,936--> 00:10:06,480

As long as we both shall live.

No matter what happens.

155

00:10:06,564--> 00:10:10,734

Hey, come on. We're superheroes.

What could happen?

156

00:10:13,363--> 00:10:16,824

ANNOUNCER: In a stunning turn of
events, a superhero is being sued

157

00:10:16,908--> 00:10:20,327

for saving someone who,
apparently, didn't want to be saved.

158

00:10:20,411--> 00:10:22,079

The plaintiff, Oliver Sansweet,

159

00:10:22,163--> 00:10:25,624

who was foiled in his attempted
suicide by Mr. Incredible,

160

00:10:25,708--> 00:10:29,711

has filed suit against the famed
superhero in Superior Court.

161

00:10:29,796--> 00:10:33,132

Mr. Sansweet didn't ask to be saved.

He didn't want to be saved.

162

00:10:33,216--> 00:10:36,218

The injury received from
Mr. Incredible's "actions,"

163

00:10:36,302--> 00:10:38,637

- causes him daily pain.

- I saved your life!

164

00:10:38,721--> 00:10:40,973

You didn't save my life!

You ruined my death.

165

00:10:41,057--> 00:10:42,766

LAWYER: My client has no comment.

166

00:10:42,851--> 00:10:47,479

ANNOUNCER: Another suit was filed
by victims of the El train accident.

167

00:10:47,564--> 00:10:50,649

Incredible's court losses
cost the government millions.

168

00:10:50,733--> 00:10:55,112

And opened the floodgates for dozens
of superhero lawsuits the world over.

169

00:10:55,196--> 00:11:00,159

It is time for their secret identity
to become their only identity.

170

00:11:00,243--> 00:11:03,245

Time for them to join us, or go away.

171

00:11:03,329--> 00:11:06,248

ANNOUNCER: Under public pressure,
and the financial burden

172

00:11:06,332--> 00:11:08,792

of an ever mounting series of lawsuits,

173

00:11:08,877--> 00:11:12,921

the government quietly initiated
the Superhero Relocation Program.

174

00:11:13,006--> 00:11:16,466

The supers were granted amnesty
from responsibility for past actions,

175

00:11:16,551--> 00:11:20,888

in exchange for the promise
to never again resume hero work.

176

00:11:20,972--> 00:11:22,681

Where are they now?

177

00:11:22,765--> 00:11:27,019

They are living among us.

Average citizens, average heroes.

178

00:11:27,103--> 00:11:32,441

Quietly and anonymously continuing
to make the world a better place.

179

00:11:33,276--> 00:11:36,403

Denied? You're denying my claim?

180

00:11:37,197--> 00:11:40,032

I don't understand.

I have full coverage.

181

00:11:40,116--> 00:11:42,284

I'm sorry, Mrs. Hogenson,

182

00:11:42,368--> 00:11:43,827

but our liability is spelled out
in paragraph 17.

183

00:11:44,871--> 00:11:47,748

- It states clearly...

- (STAMMERING) I can't pay for this.

184

00:11:47,832--> 00:11:49,625

Excuse me. Claims, Bob Parr.

185

00:11:49,709--> 00:11:52,294

I'm calling to celebrate

a momentous occasion.

186

00:11:52,378--> 00:11:54,671

We're now officially moved in.

187

00:11:54,756--> 00:11:56,548

Yeah, well, that's great, honey.

188

00:11:56,633--> 00:11:58,967

The last three years

don't count because...

189

00:11:59,052--> 00:12:03,096

Because I finally unpacked the last box.

Now, it's official. Ha, ha, ha.

190

00:12:03,181--> 00:12:04,598

HELEN: Why do we have
so much junk?

191

00:12:04,682--> 00:12:06,183

Listen, I've got a client.

192

00:12:06,309--> 00:12:09,353

Say no more. Go save the world
one policy at a time, honey.

193

00:12:09,437--> 00:12:11,730

Oh! I gotta go pick up the kids.
See you tonight.

194

00:12:11,898--> 00:12:14,733

Bye, honey.
Excuse me. Where were we?

195

00:12:14,817--> 00:12:19,363

(SOBBING) I'm on a fixed income,
and if you can't help me,

196

00:12:19,447--> 00:12:21,490

I don't know what I'll do.

197

00:12:22,033--> 00:12:23,450

(BLOWS NOSE LOUDLY)

198

00:12:24,118--> 00:12:25,244

(SOBBING)

199

00:12:29,290--> 00:12:32,584

All right, listen closely.

I'd like to help you, but I can't.

200

00:12:32,669--> 00:12:36,296

I'd like to tell you to take a copy
of your policy to Norma Wilcox on...

201

00:12:36,381--> 00:12:39,341

(WHISPERING) Norma Wilcox.

W-I-L-C-O-X.

202

00:12:39,425--> 00:12:41,677

On the third floor. But I can't.

203

00:12:41,761--> 00:12:45,806

I also do not advise you
to fill out and file a WS2475 form

204

00:12:45,890--> 00:12:47,849

with our legal department
on the second floor.

205

00:12:47,934--> 00:12:51,186

I wouldn't expect someone to get back
to you quickly to resolve the matter.

206

00:12:51,271--> 00:12:53,605

I'd like to help,
but there's nothing I can do.

207

00:12:53,690--> 00:12:54,982

Oh, thank you, young man.

208

00:12:55,066--> 00:12:57,818

(SHOUTING) Sorry.

I know you're upset!

209

00:12:57,902--> 00:12:59,444

(WHISPERING) Pretend to be upset.

210

00:12:59,529--> 00:13:00,862

(SOBBING)

211

00:13:03,491--> 00:13:05,367

Parr!

212

00:13:05,702--> 00:13:07,869

You authorized payment

on the Walker policy!

213

00:13:07,954--> 00:13:10,038

Someone broke

into their house, Mr. Huph.

214

00:13:10,123--> 00:13:13,208

- Their policy covers...
- I don't wanna know about it.

215

00:13:13,293--> 00:13:17,129

Don't tell me about it. Tell me how
you're keeping Insuricare in the black.

216

00:13:17,213--> 00:13:19,423

Tell me how that's possible,
with you writing checks

217

00:13:19,507--> 00:13:23,885

to every Harry Hardluck and Sally
Sobstory that gives you a phone call.

218

00:13:26,055--> 00:13:29,057

(OVER PA) Morning break is over.
Morning break is over.

219

00:13:33,187--> 00:13:35,647

I appreciate you coming
down here, Mrs. Parr.

220

00:13:36,691--> 00:13:40,068

What's this about?

Has Dash done something wrong?

221

00:13:40,153--> 00:13:44,323

He's a disruptive influence and he
openly mocks me in front of the class.

222

00:13:44,407--> 00:13:46,783

- He says.

- Look, I know it's you!

223

00:13:46,868--> 00:13:49,911

- He puts thumbtacks on my stool.

- You saw him do this?

224

00:13:49,996--> 00:13:52,789

Well... Not really. No.

225

00:13:52,874--> 00:13:53,999

Actually, not.

226

00:13:54,083--> 00:13:56,126

Oh, then how do you know it was him?

227

00:13:56,210--> 00:13:58,754

I hid a camera.

Yeah, and this time, I've got him.

228

00:14:05,261--> 00:14:07,637

See? You see?

229

00:14:07,722--> 00:14:09,348

You don't see it?

230

00:14:11,601--> 00:14:13,935

He moves! Right there!

231

00:14:14,562--> 00:14:17,439

Wait, wait! Right there!

232

00:14:17,523--> 00:14:19,149

Right as I'm sitting down!

233

00:14:19,233--> 00:14:20,942

I don't know how he does it,

234

00:14:21,027--> 00:14:23,278

but there's no tack before he moves

235

00:14:23,363--> 00:14:27,491

and after he moves, there's a tack.

Coincidence? I think not!

236

00:14:30,745--> 00:14:33,413

- Bernie...

- Don't "Bernie" me.

237

00:14:33,498--> 00:14:35,624

(SCREAMING) This little rat is guilty!

238

00:14:36,125--> 00:14:40,128

You and your son can go now,

Mrs. Parr. I'm sorry for the trouble.

239

00:14:40,213--> 00:14:43,173

You're letting him go again?

He's guilty!

240

00:14:43,257--> 00:14:46,885

You can see it on his smug little face.

Guilty, I say, guilty!

241

00:14:50,556--> 00:14:55,394

Dash, this is the third time this year
you've been sent to the office.

242

00:14:55,478--> 00:14:59,981

We need to find a better outlet.
A more constructive outlet.

243

00:15:00,066--> 00:15:02,901

Maybe I could,
if you'd let me go out for sports.

244

00:15:02,985--> 00:15:05,112

Honey, you know why we can't do that.

245

00:15:05,196--> 00:15:09,741

I promise I'll slow up.
I'll only be the best by a tiny bit.

246

00:15:09,826--> 00:15:11,701

Dashiell Robert Parr,

247

00:15:11,786--> 00:15:15,288

you are an incredibly competitive boy.

And a bit of a showoff.

248

00:15:15,373--> 00:15:17,499

The last thing you need is temptation.

249

00:15:17,583--> 00:15:20,961

You always say, "Do your best."

But you don't really mean it.

250

00:15:21,045--> 00:15:23,255

Why can't I do the best that I can do?

251

00:15:23,339--> 00:15:25,966

Right now, honey,

the world just wants us to fit in,

252

00:15:26,050--> 00:15:28,593

and to fit in, we just gotta be
like everybody else.

253

00:15:28,678--> 00:15:31,596

Dad always said our powers
were nothing to be ashamed of.

254

00:15:31,681--> 00:15:35,267

- Our powers made us special.
- Everyone's special, Dash.

255

00:15:35,351--> 00:15:37,978

Which is another way
of saying no one is.

256

00:15:43,860--> 00:15:45,485

(BELL RINGS)

257

00:15:48,489--> 00:15:50,031

BOY: Rydinger, where you headed?

258

00:15:52,577--> 00:15:54,619

- GIRL: Hi, Tony.

- Hey.

259

00:15:54,704--> 00:15:58,457

- "Hey, Tony, can I carry your books?"

- That's kind of funny.

260

00:15:58,541--> 00:16:01,251

"Hey, Tony, do you play football?"

261

00:16:04,046--> 00:16:06,423

BOY: Tony, I thought we were
gonna go swimming.

262

00:16:08,342--> 00:16:09,801

He looked at me.

263

00:16:09,886--> 00:16:10,969

(CAR HORN HONKING)

264

00:16:11,053--> 00:16:13,722

DASH: Come on, Violet!

265

00:16:15,558--> 00:16:17,809

(HORNS HONKING,
PEOPLE YELLING)

266

00:16:26,736--> 00:16:28,320

(CAR RATTLING)

267

00:16:35,328--> 00:16:36,578

(GROANS)

268

00:16:37,246--> 00:16:40,207

(MUTTERING) Darn kids.
Sitting on the driveway...

269

00:16:41,501--> 00:16:43,627

Oh, great.

270

00:16:50,635--> 00:16:52,302

(UNINTELLIGIBLE MUTTERING)

271

00:17:10,738--> 00:17:12,864

(HELEN AND JACK-JACK COOING)

272

00:17:20,248--> 00:17:21,540

Mom.

273

00:17:22,833--> 00:17:26,461

- You're making weird faces again.

- No, I'm not.

274

00:17:26,546--> 00:17:28,964

You make weird faces, honey.

275

00:17:29,048--> 00:17:32,467

- Do you have to read at the table?

- Uh-huh. Yeah.

276

00:17:33,302--> 00:17:35,554

Smaller bites, Dash. Yikes!

277

00:17:35,638--> 00:17:38,765

Bob, could you help

the carnivore cut his meat?

278

00:17:39,767--> 00:17:44,104

Dash, you have something you
wanna tell your father about school?

279

00:17:44,188--> 00:17:46,273

(NERVOUSLY)

Well, we dissected a frog.

280

00:17:46,357--> 00:17:47,983

Dash got sent to the office again.

281

00:17:48,067--> 00:17:50,610

- (DISTRACTED) Good. Good.

- No, Bob, that's bad.

282

00:17:50,695--> 00:17:53,863

- What?

- Dash got sent to the office again.

283

00:17:53,948--> 00:17:55,657

- What? What for?

- Nothing.

284

00:17:55,741--> 00:17:58,451

He put a tack on the teacher's chair,
during class.

285

00:17:58,536--> 00:18:01,580

Nobody saw me.
You could barely see it on the tape.

286

00:18:01,664--> 00:18:04,874

They caught you on tape
and you still got away with it? Whoa!

287

00:18:04,959--> 00:18:07,419

You must have been booking.
How fast were you going?

288

00:18:07,503--> 00:18:08,878

We are not encouraging this.

289

00:18:08,963--> 00:18:11,214

I'm not, I'm just asking how fast...

290

00:18:11,299--> 00:18:13,008

- Honey!

- (CRASH)

291

00:18:15,344--> 00:18:18,263

Great. First the car,
now I gotta pay to fix the table...

292

00:18:18,347--> 00:18:20,056

What happened to the car?

293

00:18:21,309--> 00:18:24,102

Here. I'm getting a new plate.

294

00:18:25,396--> 00:18:27,272

So, how about you, Vi?

How was school?

295

00:18:27,356--> 00:18:30,191

- Nothing to report.

- You've hardly touched your food.

296

00:18:30,276--> 00:18:33,903

- I'm not hungry for meatloaf.

- Well, it is leftover night.

297

00:18:33,988--> 00:18:36,948

We have steak, pasta...

What are you hungry for?

298

00:18:37,033--> 00:18:39,743

- Tony Rydinger.

- Shut up.

299

00:18:39,827--> 00:18:42,787

- Well, you are.

- I said, shut up, you little insect.

300

00:18:42,872--> 00:18:45,540

- Well, she is.

- Do not shout at the table.

301

00:18:45,625--> 00:18:48,877

- Honey!

- BOB: Kids! Listen to your mother.

302

00:18:49,795--> 00:18:52,589

She'd eat if we were having Tony loaf.

303

00:18:52,673--> 00:18:54,382

That's it!

304

00:18:54,467--> 00:18:55,675

Stop it!

305

00:18:56,844--> 00:19:00,221

DASH: You're gonna be toast!

HELEN: Stop running in the house.

306

00:19:00,890--> 00:19:02,223

HELEN: Sit down!

307

00:19:03,142--> 00:19:05,810

- Hey, no force fields!

- You started it.

308

00:19:05,895--> 00:19:08,480

You sit down! You sit down!

309

00:19:08,564--> 00:19:09,939

Violet!

310

00:19:10,191--> 00:19:11,191

(SHOUTING IN BACKGROUND)

311

00:19:11,567--> 00:19:13,401

(BOB MUTTERING)

312

00:19:16,822--> 00:19:17,822

"Simon J. Paladino,

313

00:19:18,949--> 00:19:22,744

"longtime advocate of superhero rights,
is missing"?

314

00:19:23,621--> 00:19:27,540

- Gazerbeam.

- HELEN: Bob! It's time to engage.

315

00:19:27,625--> 00:19:30,001

Do something!

Don't just stand there!

316

00:19:30,086--> 00:19:33,046

- I need you to intervene!

- You want me to intervene?

317

00:19:33,130--> 00:19:34,964

Okay. I'm intervening!

318

00:19:35,049--> 00:19:36,341

(ALL SHOUTING)

319

00:19:36,425--> 00:19:38,677

Violet, let go of your brother.

320

00:19:39,053--> 00:19:40,595

JACK-JACK: Hello?

321

00:19:41,472--> 00:19:43,223

BOB: Get the door.

322

00:19:43,557--> 00:19:47,102

- Hey, Lucius!

- Hey, Speedo. Helen, Vi, Jack-Jack.

323

00:19:48,729--> 00:19:50,772

- Ice of you to drop by.

- Ha! Never heard that one before.

324

00:19:51,399--> 00:19:52,816

(GARGLING) Lucius!

325

00:19:52,900--> 00:19:53,942

LUCIUS: Whoa!

326

00:19:57,405--> 00:19:58,530

LUCIUS: Ha, ha.

DASH: Oh!

327

00:19:58,614--> 00:20:01,241

- I like it when it shatters.

- I'll be back later.

328

00:20:01,617--> 00:20:03,868

- Where are you two going?

- It's Wednesday.

329

00:20:04,578--> 00:20:07,205

Bowling night.

Say hello to Honey for me, Lucius.

330

00:20:07,289--> 00:20:09,999

Will do. Good night, Helen.

Good night, kids.

331

00:20:13,337--> 00:20:17,215

Don't think you've avoided
talking about the principal's office.

332

00:20:17,299--> 00:20:19,384

Your father and I
are still gonna discuss it.

333

00:20:19,468--> 00:20:22,220

I'm not the only kid who's
been sent to the office.

334

00:20:22,304--> 00:20:24,222

Other kids don't have superpowers.

335

00:20:24,306--> 00:20:28,351

- Now, it's perfectly normal...

- What do you know about normal?

336

00:20:28,436--> 00:20:30,812

What does anyone

in this family know about normal?

337

00:20:30,896--> 00:20:34,691

- Now, wait a minute, young lady.

- We act normal. I wanna be normal.

338

00:20:34,775--> 00:20:38,611

The only normal one is Jack-Jack,
and he's not even toilet trained.

339

00:20:38,696--> 00:20:40,196

(JACK-JACK LAUGHING)

340

00:20:40,281--> 00:20:41,906

DASH: Lucky.

341

00:20:41,991--> 00:20:44,492

I meant about being normal.

342

00:20:45,077--> 00:20:47,162

(LAUGHTER)

343

00:20:47,246--> 00:20:48,913

LUCIUS: So now I'm in deep trouble.

344

00:20:48,998--> 00:20:52,250

I mean, one more jolt of this
death ray and I'm an epitaph.

345

00:20:52,334--> 00:20:55,795

Somehow I managed to find cover.
What does Baron Von Ruthless do?

346

00:20:55,880--> 00:20:58,423

- He starts monologuing.
- He starts monologuing.

347

00:20:58,507--> 00:21:02,469

He starts this prepared speech
about how feeble I am compared to him.

348

00:21:02,553--> 00:21:06,848

How inevitable my defeat is, the world
will soon be his. Yada, yada, yada.

349

00:21:06,932--> 00:21:08,183

- Yammering.

- Yammering.

350

00:21:08,267--> 00:21:11,603

LUCIUS: I mean, the guy has me
on a platter, and he won't shut up.

351

00:21:11,687--> 00:21:13,938

RADIO: Municiberg, we have a 23-56...

352

00:21:14,023--> 00:21:15,565

23-56, what is that?

353

00:21:15,649--> 00:21:17,609

- Robbery?

- This is just sad.

354

00:21:17,693--> 00:21:19,819

- Want to catch a robber?

- No.

355

00:21:19,904--> 00:21:22,197

Tell you the truth,

I'd rather go bowling.

356

00:21:22,281--> 00:21:26,784

Look, what if we actually did

what our wives think we're doing?

357

00:21:26,869--> 00:21:28,411

Just to shake things up.

358

00:21:28,787--> 00:21:33,124

MIRAGE: He's not alone.

The fat guy's still with him.

359

00:21:33,209--> 00:21:35,585

They're just talking.

360

00:21:36,337--> 00:21:38,796

- What are we doing here?

- Protecting people.

361

00:21:38,881--> 00:21:41,132

- Nobody asked us.

- You need an invitation?

362

00:21:41,217--> 00:21:44,802

I'd like one, yes. We keep
sneaking out to do this, and...

363

00:21:44,887--> 00:21:48,306

- You remember Gazerbeam?

- There was something in the paper.

364

00:21:48,390--> 00:21:51,643

- He had trouble with civilian life.

- When did you see him?

365

00:21:51,727--> 00:21:55,313

I don't see anyone from the old days.

Just you.

366

00:21:55,397--> 00:21:57,607

- And we're pushing our luck as it is.

- Come on.

367

00:21:57,691--> 00:22:00,485

It was fun the first time,

but if we keep doing this...

368

00:22:00,569--> 00:22:03,988

- RADIO: We have a report on a fire...

- A fire. We're close!

369

00:22:04,073--> 00:22:06,741

- (YELLING) Yeah, baby!

- We're gonna get caught.

370

00:22:06,951--> 00:22:08,201

(HOOTING)

371

00:22:09,662--> 00:22:12,163

BOB: Fire! Yeah!

372

00:22:20,256--> 00:22:22,423

LUCIUS: Is that everybody?

BOB: Yeah.

373

00:22:23,926--> 00:22:27,262

- It better be.

- Can't you put this out?

374

00:22:27,346--> 00:22:30,598

I can't lay down a layer thick enough!

It's evaporating too fast!

375

00:22:30,683--> 00:22:32,809

- What's that mean?

- It means it's hot.

376

00:22:32,893--> 00:22:35,186

- I'm dehydrated, Bob.

- You're out of ice?

377

00:22:35,271--> 00:22:37,689

You can't run out.

You can use water in the air.

378

00:22:37,773--> 00:22:41,526

There is no water in this air!

What's your excuse, run out of muscle?

379

00:22:41,610--> 00:22:44,529

I can't smash walls.

The building's getting weaker.

380

00:22:44,613--> 00:22:47,782

- It's gonna come down on top of us.

- I wanted to go bowling!

381

00:22:50,536--> 00:22:54,163

All right! Stay right on my tail!

This is gonna get hot!

382

00:23:04,508--> 00:23:06,259

(COUGHING, MOANING)

383

00:23:07,052--> 00:23:08,177

BOB: Yeah.

384

00:23:08,262--> 00:23:09,804

(COUGHING)

385

00:23:11,974--> 00:23:13,308

Uh-oh.

386

00:23:13,392--> 00:23:14,976

Oh, good.

387

00:23:16,145--> 00:23:17,145

- (ALARM SOUNDS)

- (LUCIUS GROANS)

388

00:23:17,521--> 00:23:18,646

That ain't right.

389

00:23:20,983--> 00:23:24,485

- We look like incompetent bad guys!

- You can get water out of the air.

390

00:23:24,570--> 00:23:31,993

Freeze!

391

00:23:32,077--> 00:23:34,912

- I'm thirsty.

- I said freeze!

392

00:23:34,997--> 00:23:37,832

I'm just getting a drink.

393

00:23:41,754--> 00:23:46,841

- You've had your drink. Now...

- I know. I know. Freeze.

394

00:23:47,551--> 00:23:49,510

(POLICE RADIO CHATTER)

395

00:23:49,845--> 00:23:51,429

Police officers!

396

00:24:03,567--> 00:24:05,276

LUCIUS: That was way too close.

397

00:24:05,361--> 00:24:08,071

We are not doing that again.

398

00:24:10,658--> 00:24:13,618

(OVER RADIO) Verify you want
to switch targets? Over.

399

00:24:13,702--> 00:24:17,205

Trust me. This is the one
he's been looking for.

400

00:24:18,957--> 00:24:20,500

(KEYS JINGLING)

401

00:24:20,709--> 00:24:22,001

(HUMMING)

402

00:24:43,232--> 00:24:46,567

- I thought you'd be back by 11:00.
- I said I'd be back later.

403

00:24:46,652--> 00:24:49,320

I assumed you'd be back later.

If you came back at all,

404

00:24:49,405--> 00:24:53,408

- you'd be "back later".

- Well, I'm back, okay?

405

00:25:00,165--> 00:25:02,083

Is this rubble?

406

00:25:02,167--> 00:25:05,586

(WITH MOUTH FULL) It was just
a little workout. Just to stay loose.

407

00:25:05,671--> 00:25:09,340

You know how I feel about that.

Darn you! We can't blow cover again.

408

00:25:09,425--> 00:25:11,217

The building was coming down anyway.

409

00:25:11,301--> 00:25:12,510

What?

410

00:25:12,594--> 00:25:14,178

You knocked down a building?

411

00:25:14,263--> 00:25:17,306

It was on fire. Structurally unsound.

It was coming down.

412

00:25:17,391--> 00:25:19,767

Have you been listening
to the police scanner again?

413

00:25:19,852--> 00:25:22,895

I performed a public service.

You act like that's a bad thing.

414

00:25:22,980--> 00:25:24,397

It is a bad thing, Bob!

415

00:25:24,481--> 00:25:28,651

Uprooting our family again, so you can
relive the glory days is a bad thing.

416

00:25:28,736--> 00:25:31,612

It's better than acting like
they didn't happen!

417

00:25:31,697--> 00:25:34,532

Yes! They happened!
But this, our family,

418

00:25:34,616--> 00:25:38,077

is what's happening now, Bob.
And you are missing this!

419

00:25:38,162--> 00:25:41,330

I can't believe you don't want to go to
your own son's graduation.

420

00:25:41,415--> 00:25:44,417

It's not a graduation.
He's moving from fourth to fifth grade.

421

00:25:44,501--> 00:25:46,586

- It's a ceremony!
- It's psychotic!

422

00:25:46,670--> 00:25:49,422

They keep creating new ways
to celebrate mediocrity

423

00:25:49,506--> 00:25:51,424

but if someone is exceptional...

424

00:25:51,508--> 00:25:53,760

This is not about you, Bob.
It's about Dash.

425

00:25:53,844--> 00:25:56,721

You want to do something for Dash?
Let him actually compete.

426

00:25:56,805--> 00:25:59,599

- Let him go out for sports!
- I will not be made the enemy!

427

00:25:59,683--> 00:26:02,185

- You know why we can't do that.
- Because he'd be great.

428

00:26:02,269--> 00:26:04,437

This is not about you!

429

00:26:07,065--> 00:26:10,067

All right, Dash.

I know you're listening. Come on out.

430

00:26:10,152--> 00:26:12,403

Vi? You, too, young lady.

431

00:26:12,488--> 00:26:14,864

Come on. Come on out.

432

00:26:15,657--> 00:26:18,242

It's okay, kids.

We're just having a discussion.

433

00:26:18,327--> 00:26:20,077

VIOLET: Pretty loud discussion.

434

00:26:20,162--> 00:26:23,790

But that's okay. What's important

is that Mommy and I are a team.

435

00:26:23,874--> 00:26:29,754

- We're united, uh, against forces of...

- Pigheadedness?

436

00:26:29,838--> 00:26:32,381

- I was gonna say evil.

- We're sorry we woke you.

437

00:26:32,466--> 00:26:35,134

Everything's okay.

Go back to bed. It's late.

438

00:26:35,219--> 00:26:36,969

- Good night, Mom. Night, Dad.

- Good night.

439

00:26:37,054--> 00:26:40,515

In fact, we should all be in bed.

440

00:26:44,853--> 00:26:46,062

(SIGHS)

441

00:26:48,690--> 00:26:51,234

(CRICKETS CHIRPING, DOG BARKS)

442

00:26:53,779--> 00:26:58,324

(ON PHONE) Request claim

on claim numbers 158183...

443

00:26:58,742--> 00:27:00,618

HUPH: Haven't you got him yet?

Where is he?

444

00:27:00,702--> 00:27:03,663

PA: Mr. Huph would like to talk
to you in his office.

445

00:27:03,747--> 00:27:05,873

- Now?

- Now.

446

00:27:09,044--> 00:27:10,795

(ANNOUNCEMENT ON PA)

454

00:27:46,415--> 00:27:47,874

Complaints I can handle.

455

00:27:47,958--> 00:27:51,586

What I can't handle is your customers'
inexplicable knowledge

456

00:27:51,670--> 00:27:55,631

of Insuricare's inner workings!
They're experts. Experts, Bob!

457

00:27:55,716--> 00:27:58,718

Exploiting every loophole,
dodging every obstacle!

458

00:27:58,802--> 00:28:01,345

They're penetrating the bureaucracy!

459

00:28:01,430--> 00:28:04,181

- Did I do something illegal?

- No.

460

00:28:04,266--> 00:28:08,519

- We shouldn't help our customers?
- The law requires that I answer no.

461

00:28:08,604--> 00:28:11,939

- We're supposed to help people.
- (YELLING) Help our people!

462

00:28:12,024--> 00:28:13,858

Starting with our stockholders.

463

00:28:13,942--> 00:28:16,360

Who's helping them out, huh?

464

00:28:18,447--> 00:28:22,783

HUPH: You know, Bob, a company...

465

00:28:22,868--> 00:28:24,118

Is like an enormous clock.

466

00:28:24,202--> 00:28:28,205

...is like an enormous...

Yes. Precisely.

467

00:28:28,290--> 00:28:33,544

HUPH: It only works if all
the little cogs mesh together.

468

00:28:33,629--> 00:28:38,841

Now, a clock needs to be cleaned,
well-lubricated and wound tight.

469

00:28:38,926--> 00:28:43,930

The best clocks have jewel movements,
cogs that fit, that cooperate by design.

470

00:28:44,014--> 00:28:46,182

(CHUCKLING) I'm being
metaphorical, Bob.

471

00:28:46,266--> 00:28:48,768

Know what I mean by cooperative cogs?

472

00:28:49,311--> 00:28:50,561

Bob?

473

00:28:50,646--> 00:28:53,981

Bob? Look at me

when I'm talking to you, Parr.

474

00:28:54,066--> 00:28:57,068

- That man out there, he needs help.

- Don't change the subject.

475

00:28:57,152--> 00:29:00,237

- We're discussing your attitude.

- He is getting mugged!

476

00:29:00,322--> 00:29:02,865

- Well, let's hope we don't cover him.

- I'll be right back.

477

00:29:02,950--> 00:29:06,494

Stop right now or you're fired!

478

00:29:08,997--> 00:29:11,165

Close the door.

479

00:29:13,001--> 00:29:15,252

Get over here, now.

480

00:29:18,966--> 00:29:22,551

I'm not happy, Bob. Not happy.

481

00:29:23,637--> 00:29:27,264

- He got away.

- Good thing, too.

482

00:29:27,349--> 00:29:29,976

You were this close to losing your...

483

00:29:33,397--> 00:29:34,689

(MOANING)

484

00:29:39,194--> 00:29:40,361

Uh-oh.

485

00:29:42,072--> 00:29:45,700

(OVER PA) Please report to
operating room 722 immediately.

486

00:29:52,666--> 00:29:53,874

- How is he?

- He'll live.

487

00:29:53,959--> 00:29:55,793

- I'm fired, aren't I?

- You think?

488

00:29:55,877--> 00:29:58,045

- What can I say, Rick?

- Nothing you haven't said before.

489

00:29:58,130--> 00:30:00,423

- Someone was in trouble.

- Always.

490

00:30:00,507--> 00:30:03,342

- I had to do something.

- Every time you say that,

491

00:30:03,427--> 00:30:05,636

it's a month and a half

of trouble for me.

492

00:30:05,721--> 00:30:08,055

Hundreds of thousands
of taxpayer's dollars.

493

00:30:08,140--> 00:30:10,641

- I know.
- We pay to keep the company quiet.

494

00:30:10,726--> 00:30:13,811

We pay damages, erase memories,
relocate your family.

495

00:30:13,895--> 00:30:16,564

Every time it gets harder.
Money, money, money.

496

00:30:16,648--> 00:30:20,651

We can't keep doing this. We
appreciate what you did in the old days,

497

00:30:20,736--> 00:30:24,071

but those days are over.

From now on, you're on your own.

498

00:30:27,284--> 00:30:31,620

Listen, Bob. Maybe I could relocate you,
you know, for old times' sake.

499

00:30:31,705--> 00:30:34,999

I can't do that to my family.
Everyone just got settled.

500

00:30:35,083--> 00:30:37,334

I'll make it work. Thanks.

501

00:30:37,419--> 00:30:39,420

Take care of yourself.

502

00:30:51,725--> 00:30:53,809

BOB: What are you waiting for?

503

00:30:53,894--> 00:30:57,938

I don't know.

Something amazing, I guess.

504

00:30:58,857--> 00:31:00,357

(SIGHS) Me, too, kid.

505

00:31:05,113--> 00:31:06,238

(SIGHS)

506

00:31:07,449--> 00:31:08,866

(DOOR SWINGS SHUT)

507

00:31:16,833--> 00:31:18,334

(GROANS)

508

00:31:24,049--> 00:31:25,132

Huh?

509

00:31:38,021--> 00:31:39,396

"Hold still"?

510

00:31:39,481--> 00:31:41,857

COMPUTER: Match, Mr. Incredible.

511

00:31:48,115--> 00:31:51,283

Room is secure. Commence message.

512

00:31:51,368--> 00:31:55,746

MIRAGE: Hello, Mr. Incredible.

Yes, we know who you are.

513

00:31:55,831--> 00:31:58,749

Rest assured,

your secret is safe with us.

514

00:31:58,834--> 00:32:02,336

My name is Mirage.

We have something in common.

515

00:32:02,420--> 00:32:06,090

According to the government,

neither of us exist.

516

00:32:06,174--> 00:32:10,678

Please pay attention, as this message

is classified and will not be repeated.

517

00:32:10,762--> 00:32:13,222

I represent a top secret division
of the government,

518

00:32:13,306--> 00:32:15,474

designing and testing
experimental technology,

519

00:32:15,559--> 00:32:18,811

and we have need
of your unique abilities.

520

00:32:18,895--> 00:32:21,105

Something happened
at our testing facility.

521

00:32:21,189--> 00:32:22,690

- HELEN: Honey!

- Huh? What?

522

00:32:22,774--> 00:32:24,525

- HELEN: Dinner's ready.

- Okay.

523

00:32:24,609--> 00:32:27,153

...it is contained
within an isolated area,

524

00:32:27,237--> 00:32:31,574

it threatens to cause incalculable
damage to itself and our facilities,

525

00:32:31,658--> 00:32:34,410

jeopardizing hundreds
of millions of dollars...

526

00:32:34,494--> 00:32:36,078

HELEN: Is someone in there?

527

00:32:36,163--> 00:32:39,415

- It's the TV, trying to watch.
- Because of its sensitive nature...

528

00:32:39,499--> 00:32:42,793

- HELEN: Stop. It's time for dinner.
- One minute!

529

00:32:42,878--> 00:32:46,797

If you accept, your payment will be
triple your current annual salary.

530

00:32:46,882--> 00:32:50,718

Call the number on the card.
Voice-matching will ensure security.

531

00:32:50,802--> 00:32:54,680

The supers aren't gone, Mr. Incredible.
You're still here.

532

00:32:55,056--> 00:32:58,684

You can still do great things. Or

533

00:32:58,768--> 00:33:01,937

you can listen to police scanners.
Your choice.

534

00:33:02,147--> 00:33:03,981

You have 24 hours to respond.

535

00:33:04,065--> 00:33:05,691

Think about it.

536

00:33:39,434--> 00:33:40,684

(BEEPING)

537

00:33:43,647--> 00:33:45,689

COMPUTER: This message
will self-destruct.

538

00:33:45,774--> 00:33:46,815

Uh-oh.

539

00:33:47,025--> 00:33:49,276

(MUFFLED EXPLOSION, COUGHING)

540

00:33:49,611--> 00:33:51,278

(FIRE ALARM BEEPING)

541

00:33:53,240--> 00:33:55,532

(FAMILY SHOUTING
IN ANOTHER ROOM)

542

00:34:04,918--> 00:34:07,544

You are one distracted guy.

543

00:34:07,629--> 00:34:09,463

Am I? I don't mean to be.

544

00:34:09,547--> 00:34:15,261

I know you miss being a hero
and your job is frustrating.

545

00:34:15,345--> 00:34:20,057

I just want you to know how much it
means to me that you stay at it anyway.

546

00:34:20,141--> 00:34:22,726

- Honey? About the job?

- What?

547

00:34:22,811--> 00:34:25,062

- Something's happened.

- What?

548

00:34:25,146--> 00:34:26,772

- The, uh...

- What?

549

00:34:26,856--> 00:34:29,483

The company is sending me
to, uh, a conference.

550

00:34:29,567--> 00:34:31,735

- A conference?

- (STAMMERING) Out of town.

551

00:34:31,820--> 00:34:33,320

I'm gonna be gone for a few days.

552

00:34:33,405--> 00:34:37,950

They've never sent you to a conference
before. This is good, isn't it?

553

00:34:38,034--> 00:34:39,076

(HESITATING) Yes.

554

00:34:39,160--> 00:34:42,288

You see? They're finally
recognizing your talents.

555

00:34:42,372--> 00:34:43,914

- You're moving up.

- Yes.

556

00:34:43,999--> 00:34:47,126

- Honey! This is wonderful!

- Yes, it is.

557

00:34:47,419--> 00:34:48,961

(PHONE RINGING)

558

00:34:49,170--> 00:34:50,421

(OVER PHONE) Hello?

559

00:34:50,505--> 00:34:52,506

This is Mr. Incredible.

560

00:34:53,258--> 00:34:54,341

I'm in.

561

00:35:00,515--> 00:35:04,727

The Omnidroid 9000
is a top secret prototype battle robot.

562

00:35:04,811--> 00:35:08,230

Its artificial intelligence
enables it to solve any problem

563

00:35:08,315--> 00:35:11,191

it's confronted with.
And, unfortunately...

564

00:35:11,276--> 00:35:14,820

Let me guess. It got smart enough
to wonder why it had to take orders.

565

00:35:14,904--> 00:35:18,991

We lost control. Now it's loose
in the jungle, threatening our facility.

566

00:35:19,075--> 00:35:22,244

We've had to evacuate all personnel
from the island for their own safety.

567

00:35:22,329--> 00:35:23,329

How am I going in?

568

00:35:23,413--> 00:35:27,291

The Omnidroid's defenses necessitate
an air drop from 5,000 feet.

569

00:35:27,375--> 00:35:30,794

Its cloaking devices
make it difficult to track.

570

00:35:30,879--> 00:35:34,006

We're pretty sure it's on
the southern half of the island.

571

00:35:34,090--> 00:35:38,052

One more thing. Obviously it
represents a significant investment.

572

00:35:38,136--> 00:35:40,512

You want me to shut it down
without destroying it.

573

00:35:41,264--> 00:35:43,140

You are Mr. Incredible.

574

00:36:02,243--> 00:36:04,828

I've got to warn you,
it's a learning robot.

575

00:36:04,913--> 00:36:08,665

Every moment you fight it increases
its knowledge of how to beat you.

576

00:36:08,750--> 00:36:10,918

Shut it down. Do it quickly.
Don't destroy it.

577

00:36:11,002--> 00:36:14,505

- And don't die.
- Great. Thanks.

578

00:36:28,728--> 00:36:30,521

(GRUNTING)

586

00:37:47,682--> 00:37:48,724

(SATISFIED GRUNT)

587

00:37:51,352--> 00:37:52,352

Uh-oh.

588

00:38:46,866--> 00:38:48,408

(SCREAMING WITH EFFORT)

589

00:38:51,371--> 00:38:53,205

(LAUGHING, LOUD CRACK)

590

00:38:54,082--> 00:38:55,624

Oh, my back!

591

00:39:16,854--> 00:39:18,188

- (LOUD CRACK)

- Oh!

592

00:40:03,651--> 00:40:06,862

Surprising. We must bring him back.

593

00:40:06,946--> 00:40:10,782

Sound the all clear,
and invite him to dinner.

594

00:40:29,719--> 00:40:32,429

SYNDROME: (BARELY AUDIBLE)
Most important, keep things light.

595

00:40:32,513--> 00:40:36,433

Praise him. Make him feel
like we appreciate his abilities.

596

00:40:37,810--> 00:40:39,061

Am I overdressed?

597

00:40:39,145--> 00:40:41,730

Actually, you look rather dashing.

598

00:40:42,565--> 00:40:44,858

BOB: I take it our host is...

MIRAGE: I'm sorry.

599

00:40:44,942--> 00:40:48,111

He won't be dining with us.

He hopes you'll understand.

600

00:40:48,196--> 00:40:51,990

Of course. I do usually make it a point
to know who I'm working for.

601

00:40:52,075--> 00:40:55,077

He prefers a certain amount
of anonymity.

602

00:40:55,161--> 00:40:57,496

Surely, you of all people
understand that.

603

00:40:57,580--> 00:41:02,250

I was just wondering, of all the places
to settle down, why live...

604

00:41:02,335--> 00:41:06,630

With a volcano?

He's attracted to power. So am I.

605

00:41:06,714--> 00:41:10,509

- It's a weakness we share.

- Seems a bit unstable.

606

00:41:10,593--> 00:41:13,804

I prefer to think of it

as misunderstood.

607

00:41:14,389--> 00:41:15,472

(CHUCKLING) Aren't we all?

608

00:41:15,556--> 00:41:18,266

Volcanic soil is among
the most fertile on Earth.

609

00:41:18,351--> 00:41:21,478

Everything at the table
was grown right here.

610

00:41:21,562--> 00:41:25,816

- How does it compare?

- Everything's delicious.

611

00:42:48,775--> 00:42:50,901

- Jeez.

- HELEN: Hurry, honey.

612

00:42:50,985--> 00:42:53,320

Or you'll be late for work.

613

00:42:55,156--> 00:42:56,782

- Have a great day, honey.

- Thanks.

614

00:42:56,866--> 00:42:59,743

- Help customers, climb ladders...

- Bring bacon.

615

00:42:59,827--> 00:43:01,870

All that jazz.

616

00:43:02,246--> 00:43:03,580

(LAUGHING)

617

00:43:09,796--> 00:43:10,879

You have an appointment?

618

00:43:10,963--> 00:43:12,798

I'm an old friend. I just wanted to...

619

00:43:12,882--> 00:43:16,802

- All visitors are required...

- E: Go check the electric fence.

620

00:43:16,886--> 00:43:18,929

What is it? Who are you?

What do you want?

621

00:43:20,765--> 00:43:24,226

My God, you've gotten fat. Come in.

Come, come.

622

00:43:31,818--> 00:43:36,238

Yes, things are going quite well.

Quite well. My God, no complaints.

623

00:43:36,322--> 00:43:40,617

But, you know, it is not the same.

Not the same at all.

624

00:43:40,701--> 00:43:43,495

Weren't you in the news?

Some show in Prayge... Prague?

625

00:43:43,579--> 00:43:45,914

Milan, darling. Milan.

626

00:43:45,998--> 00:43:49,960

E: Supermodels.

Nothing super about them.

627

00:43:50,044--> 00:43:52,212

Spoiled, stupid, little stick figures

628

00:43:52,296--> 00:43:54,840

with poofy lips who think only
about themselves.

629

00:43:54,924--> 00:43:58,844

Feh! I used to design for gods.

630

00:43:59,637--> 00:44:05,016

But perhaps you come with a challenge,
eh? I was surprised to get your call.

631

00:44:05,101--> 00:44:07,435

E, I just need a patch job.

632

00:44:07,520--> 00:44:10,814

Hmm. This is megamesh.

Outmoded, but very sturdy.

633

00:44:10,898--> 00:44:15,443

And you've torn right through it!

What have you been doing, Robert?

634

00:44:15,528--> 00:44:18,113

Moonlighting hero work?

635

00:44:18,197--> 00:44:20,031

Must have happened a long time ago.

636

00:44:20,116--> 00:44:23,159

I see. This is a hobo suit, darling.

637

00:44:23,244--> 00:44:25,745

You can't be seen in this.

I won't allow it!

638

00:44:25,830--> 00:44:30,000

- Fifteen years ago, maybe, but now?

- What do you mean? You designed it.

639

00:44:30,084--> 00:44:33,211

I never look back, darling.

It distracts from the now.

640

00:44:33,296--> 00:44:35,922

You need a new suit.

That much is certain.

641

00:44:36,007--> 00:44:38,508

A new suit? Where the heck
am I gonna get a new suit?

642

00:44:38,593--> 00:44:41,011

You can't! It's impossible!

I'm far too busy.

643

00:44:41,095--> 00:44:43,305

So ask me now,

before I again become sane.

644

00:44:43,389--> 00:44:46,266

Wait. You want to make me a suit?

645

00:44:46,350--> 00:44:49,686

You push too hard, darling!

But I accept.

646

00:44:50,438--> 00:44:52,856

- E: It will be bold. Dramatic!

- Yeah.

647

00:44:52,940--> 00:44:54,149

Heroic!

648

00:44:54,233--> 00:44:57,861

Yeah, something classic, like Dynaguy!

649

00:44:57,945--> 00:45:01,615

Oh! He had a great look!

Oh, the cape and the boots...

650

00:45:01,699--> 00:45:02,741

E: No capes!

651

00:45:03,910--> 00:45:07,913

- Isn't that my decision?

- Do you remember Thunderhead?

652

00:45:07,997--> 00:45:10,749

E: Tall, storm powers. Nice man.

Good with kids.

653

00:45:10,833--> 00:45:14,127

- Listen, E...

- November 15th of '58.

654

00:45:15,588--> 00:45:17,672

E: All was well, another day saved

655

00:45:17,757--> 00:45:20,550

when his cape snagged
on a missile fin.

656

00:45:20,635--> 00:45:22,969

Thunderhead was not
the brightest bulb...

657

00:45:23,054--> 00:45:24,054

Stratogale!

658

00:45:24,138--> 00:45:29,434

E: April 23rd, '57.

Cape caught in a jet turbine.

659

00:45:29,518--> 00:45:31,811

You can't generalize
about these things.

660

00:45:31,896--> 00:45:35,190

E: Meta-Man. Express elevator.
Dynaguy, snag on takeoff.

661

00:45:35,274--> 00:45:39,069

Splashdown, sucked into a vortex.

No capes!

662

00:45:39,153--> 00:45:42,572

Now, go on. Your new suit will be
finished before your next assignment.

663

00:45:42,657--> 00:45:44,699

You know I'm retired from hero work.

664

00:45:44,784--> 00:45:48,036

As am I, Robert.

Yet, here we are.

665

00:45:48,120--> 00:45:52,499

E, I only need a patch job.

For sentimental reasons.

666

00:45:53,334--> 00:45:56,670

(SIGHS) Fine.

I will also fix the hobo suit.

667

00:45:57,421--> 00:46:01,341

- You're the best of the best, E.

- Yes, I know, darling. I know.

668

00:46:10,977--> 00:46:13,353

(PHONE RINGS)

669

00:46:14,730--> 00:46:16,648

BOB: Don't answer it, honey, I got it!

670

00:46:16,732--> 00:46:19,484

- Hello?

- We have a new assignment for you.

671

00:46:23,864--> 00:46:26,408

MIRAGE: How soon can you get here?

BOB: I'll leave tomorrow morning.

672

00:46:26,534--> 00:46:28,284

- MIRAGE: See you there.

- Goodbye.

673

00:46:31,080--> 00:46:33,790

Who was that, honey? The, uh, office?

674

00:46:33,874--> 00:46:36,793

Another conference.

Short notice, but, you know,

675

00:46:36,877--> 00:46:38,712

duty calls. (NERVOUS LAUGH)

676

00:46:46,595--> 00:46:48,555

- HELEN: Bob?

- Yeah, what's up, honey?

677

00:46:50,474--> 00:46:53,143

- Ha... Have a great trip.

- Thanks, sweetie.

678

00:46:53,227--> 00:46:55,812

- I'll call you when I get there.

- I love you.

679

00:46:55,896--> 00:47:00,066

- So much.

- I love you, too.

680

00:47:13,205--> 00:47:15,165

SHIP'S COMPUTER:

This is your automated Captain.

681

00:47:15,249--> 00:47:18,418

Would you care for more mimosa?

682

00:47:18,502--> 00:47:21,671

- BOB: Don't mind if I do. Thanks.

- You're welcome.

683

00:47:23,299--> 00:47:27,969

Currently 78 degrees in Nomanisan.

Perfect weather for flying.

684

00:47:33,934--> 00:47:37,687

Please fasten your seat belt.

We're beginning our descent.

685

00:48:02,588--> 00:48:05,715

MIRAGE: Hello, Mr. Incredible.

Nice suit.

686

00:48:05,800--> 00:48:07,091

Thanks.

687

00:48:07,176--> 00:48:09,928

Nice to be back, Mirage.

688

00:48:35,788--> 00:48:39,457

You'll be briefed on your assignment
in the conference room at 2:00.

689

00:48:39,542--> 00:48:42,961

- D Wing, room A-113.

- 2:00. Got it.

690

00:48:43,045--> 00:48:44,546

See you there.

691

00:49:17,371--> 00:49:18,496

(GASPS) Edna.

692

00:49:18,956--> 00:49:21,457

- I'd like to speak to Edna, please.

- E: This is Edna.

693

00:49:21,542--> 00:49:24,252

- E? This is Helen.

- Helen who?

694

00:49:24,336--> 00:49:27,589

Helen Parr? You know...

695

00:49:28,841--> 00:49:29,799

Elastigirl?

696

00:49:29,884--> 00:49:34,137

Darling! It's been such a long time
after all these years! So long!

697

00:49:34,221--> 00:49:35,972

(STAMMERING) It's been a while.

698

00:49:36,056--> 00:49:37,515

There's only one person

Bob would trust

699

00:49:37,600--> 00:49:39,309

to patch his supersuit. That's you.

700

00:49:39,393--> 00:49:41,352

Yes, yes, yes. Marvelous, isn't it?

701

00:49:41,437--> 00:49:44,606

Much better than those
horrible pajamas he used to wear.

702

00:49:44,690--> 00:49:47,191

They are finished.

When are you coming to see?

703

00:49:47,276--> 00:49:49,360

- HELEN: I'm calling about...

- Don't make me beg.

704

00:49:49,445--> 00:49:50,945

- I won't do it, you know.

- Beg?

705

00:49:51,363--> 00:49:53,656

No, I'm calling about suit.

706

00:49:53,741--> 00:49:56,492

(STAMMERING) Bob's suit!

I'm calling about Bob's suit.

707

00:49:56,577--> 00:50:00,371

You come in one hour, darling.

I insist, okay? Okay. Goodbye.

708

00:50:13,802--> 00:50:14,886

Hmm.

709

00:50:19,475--> 00:50:20,808

(CREAKING)

710

00:50:31,695--> 00:50:33,112

SYNDROME: It's bigger!

711

00:50:35,074--> 00:50:36,491

It's badder!

712

00:50:37,785--> 00:50:43,081

Ladies and gentlemen,

it's too much for Mr. Incredible!

713

00:50:45,084--> 00:50:46,876

It's finally ready.

714

00:50:46,961--> 00:50:51,339

You know, I went through quite a few

supers to get it worthy to fight you,

715

00:50:51,423--> 00:50:54,884

but, man, it wasn't good enough!

716

00:50:54,969--> 00:50:58,972

After you trashed the last one, I had

to make some major modifications.

717

00:50:59,056--> 00:51:02,141

Sure it was difficult, but you are worth it.

718

00:51:02,226--> 00:51:06,396

I mean, after all, I am your biggest fan.

719

00:51:07,856--> 00:51:10,984

- Buddy?

- My name is not Buddy!

720

00:51:11,610--> 00:51:13,820

And it's not IncrediBoy either!

721

00:51:13,904--> 00:51:17,365

That ship has sailed.

All I wanted was to help you.

722

00:51:17,449--> 00:51:20,702

I only wanted to help!

And what did you say to me?

723

00:51:20,995--> 00:51:23,454

Fly home, Buddy. I work alone.

724

00:51:23,539--> 00:51:27,291

SYNDROME: It tore me apart.

But I learned an important lesson.

725

00:51:27,376--> 00:51:29,335

You can't count on anyone.

726

00:51:29,628--> 00:51:31,337

Especially your heroes.

727

00:51:31,422--> 00:51:34,716

I was wrong to treat you that way.

I'm sorry.

728

00:51:34,800--> 00:51:38,219

See? Now you respect me,

because I'm a threat.

729

00:51:38,303--> 00:51:39,762

That's the way it works.

730

00:51:39,847--> 00:51:42,598

There's a lot of people,

whole countries who want respect.

731

00:51:42,683--> 00:51:45,268

And they will pay
through the nose to get it.

732

00:51:45,352--> 00:51:47,937

How do you think I got rich?
I invented weapons.

733

00:51:48,022--> 00:51:52,066

Now I have a weapon only I can defeat.
And when I unleash it, I'll get...

734

00:51:54,069--> 00:51:56,946

(LAUGHING) You sly dog!
You got me monologuing.

735

00:51:57,031--> 00:51:58,865

I can't believe it.

736

00:52:00,534--> 00:52:06,080

It's cool, huh? Zero-point energy.

I save the best inventions for myself.

737

00:52:06,915--> 00:52:08,708

Am I good enough now?

738

00:52:10,210--> 00:52:11,794

Who's super now?

739

00:52:11,879--> 00:52:14,380

I'm Syndrome! Your nemesis and...

740

00:52:16,091--> 00:52:17,633

Oh, brilliant!

741

00:52:22,598--> 00:52:24,557

(COUGHING)

742

00:52:35,235--> 00:52:38,071

All right, try this one on for size,
big boy.

743

00:52:56,924--> 00:52:58,800

(GROANING, SPUTTERING)

744

00:53:13,440--> 00:53:15,274

Gazerbeam.

745

00:53:27,287--> 00:53:28,621

BOB: Kronos?

746

00:53:54,898--> 00:53:58,651

SCANNER: Life reading negative.

Mr. Incredible terminated.

747

00:54:02,030--> 00:54:06,367

E: This project has completely
confiscated my life, darling.

748

00:54:06,451--> 00:54:10,705

Consumed me as only hero work can.

My best work, I must admit.

749

00:54:11,165--> 00:54:15,084

Simple, elegant, yet bold. You will die.

750

00:54:15,169--> 00:54:17,003

- E, I just...

- I did Robert's suit,

751

00:54:17,129--> 00:54:20,631

and it turned out so beautiful,

I had to continue.

752

00:54:20,716--> 00:54:24,510

It's great to see you, but I have
no idea what you're talking about.

753

00:54:24,803--> 00:54:26,888

- I just...

- Yes, words are useless.

754

00:54:26,972--> 00:54:29,891

Gobble, gobble, gobble.

Too much of it, darling. Too much!

755

00:54:29,975--> 00:54:32,059

That is why I show you my work.

756

00:54:32,352--> 00:54:33,853

That is why you are here.

757

00:54:40,903--> 00:54:42,695

Edna Mode.

758

00:54:44,114--> 00:54:45,448

And guest.

759

00:55:02,549--> 00:55:04,091

Come. Sit.

760

00:55:08,347--> 00:55:10,806

- Cream and sugar?

- Thanks.

761

00:55:11,433--> 00:55:13,643

- I started with the baby.

- Started?

762

00:55:13,727--> 00:55:17,730

E: Shh! Darling! I cut it a little

roomy for the free movement.

763

00:55:17,814--> 00:55:20,733

The fabric is comfortable
for sensitive skin,

764

00:55:21,443--> 00:55:25,738

E: And can also withstand
a temperature of over 1000 degrees.

765

00:55:28,116--> 00:55:29,909

Completely bulletproof.

766

00:55:32,329--> 00:55:34,872

And machine washable, darling.
That's a new feature.

767

00:55:35,249--> 00:55:37,875

What on earth do you think
the baby will be doing?

768

00:55:37,960--> 00:55:42,088

Well, I'm sure I don't know, darling.

Luck favors the prepared.

769

00:55:42,547--> 00:55:45,341

I didn't know the baby's powers,
so I covered the basics.

770

00:55:45,425--> 00:55:47,969

- Jack-Jack doesn't have any powers.
- No?

771

00:55:48,053--> 00:55:49,845

Well, he'll look fabulous anyway.

772

00:55:52,015--> 00:55:55,893

Your boy's suit I designed
to withstand enormous friction

773

00:55:55,978--> 00:55:59,563

without heating up or wearing out.
A useful feature.

774

00:56:00,607--> 00:56:02,984

Your daughter's suit was tricky.

775

00:56:03,068--> 00:56:08,447

I finally created a sturdy material that
will disappear completely as she does.

776

00:56:11,994--> 00:56:16,372

Your suit can stretch as far as you can,
without injuring yourself,

777

00:56:16,456--> 00:56:18,499

and still retain its shape.

778

00:56:19,293--> 00:56:21,544

Virtually indestructible,

779

00:56:22,587--> 00:56:25,298

yet it breathes like Egyptian cotton.

780

00:56:25,549--> 00:56:28,968

As an extra feature,
each suit contains a homing device,

781

00:56:29,052--> 00:56:33,306

giving you the precise global location
of the wearer at the touch of a button.

782

00:56:34,391--> 00:56:37,435

Well, darling? What do you think?

783

00:56:37,519--> 00:56:42,064

What do I think? Bob is retired!

I'm retired!

784

00:56:42,149--> 00:56:43,649

Our family is underground.

785

00:56:43,734--> 00:56:46,902

You helped my husband resume
secret hero work behind my back?

786

00:56:46,987--> 00:56:49,530

Well, I assumed you knew, darling.

787

00:56:49,614--> 00:56:52,491

Why would he keep secrets from you?

788

00:56:52,784--> 00:56:55,202

He wouldn't. Didn't. Doesn't.

789

00:56:55,829--> 00:56:59,206

Men at Robert's age are often unstable.

790

00:56:59,916--> 00:57:02,752

- Prone to weakness.

- What are you saying?

791

00:57:03,128--> 00:57:05,379

Do you know where he is?

792

00:57:05,464--> 00:57:08,382

- Of course.

- Do you know where he is?

793

00:57:32,574--> 00:57:34,367

(VOICES, STATIC ON RADIO)

794

00:58:00,894--> 00:58:02,561

(ELECTRIC FIZZLING)

795

00:58:11,071--> 00:58:12,238

(GRUNT)

796

00:58:16,576--> 00:58:17,993

(VOICE ON RADIO)

797

00:58:39,891--> 00:58:43,018

GUARD: Hey, hey. We got a man down!

GUARD 2: Come on, let's go.

798

00:58:47,274--> 00:58:49,442

GUARD 2: Are you okay?

What happened?

799

00:58:51,903--> 00:58:55,114

(OVER RADIO) Break surveillance
and engage. Continuing sweep...

800

01:00:36,633--> 01:00:39,343

- (OVER PHONE) Insuricare.

- Oh, hello. This is Helen Parr.

801

01:00:39,427--> 01:00:40,970

Bob Parr is my husband.

802

01:00:41,054--> 01:00:44,306

I was wondering if you could give me
the number of the hotel he's staying at?

803

01:00:44,391--> 01:00:48,769

- The number I have is no good.
- Mr. Parr no longer works here.

804

01:00:48,853--> 01:00:52,147

What do you mean? He's on
a business trip. A company retreat.

805

01:00:52,232--> 01:00:55,276

My records say he was terminated
almost two months ago.

806

01:01:14,963--> 01:01:16,005

(GASPS)

807

01:01:26,558--> 01:01:28,934

So, you don't know where he is.

808

01:01:31,354--> 01:01:34,273

Would you like to find out?

809

01:01:42,157--> 01:01:43,615

(RELIEVED SIGH)

810

01:02:13,605--> 01:02:14,897

(BEEPING)

811

01:02:51,351--> 01:02:55,687

(SOBBING) I am such an idiot.

I let this happen, you know.

812

01:02:56,606--> 01:03:00,401

The new sports car, the getting
in shape, the blond hair, the lies.

813

01:03:00,485--> 01:03:03,362

Yes, he attempts to relive the past.

814

01:03:03,446--> 01:03:07,825

Now I'm losing him! What'll I do?

What'll I do?

815

01:03:07,909--> 01:03:10,369

What are you talking about?

816

01:03:11,913--> 01:03:16,083

You are Elastigirl! My God!

Pull yourself together.

817

01:03:16,167--> 01:03:18,252

What will you do? Is this a question?

818

01:03:18,336--> 01:03:20,796

Show him you remember

that he is Mr. Incredible,

819

01:03:20,880--> 01:03:23,841

and you will remind him who you are!

820

01:03:23,925--> 01:03:28,220

Well, you know where he is. Go!

Confront the problem! Fight! Win!

821

01:03:28,888--> 01:03:32,224

And call me when you get back, darling.

I enjoy our visits.

822

01:03:32,517--> 01:03:34,893

There's lots of leftovers

that you can reheat.

823

01:03:34,978--> 01:03:39,314

Make sure Dash does his homework.

And both of you, get to bed on time.

824

01:03:39,399--> 01:03:41,275

I should be back tonight. Late.

825

01:03:41,359--> 01:03:42,734

You can be in charge that long,
can't you?

826

01:03:42,861--> 01:03:45,988

Yeah. But why am I in charge again?

827

01:03:46,072--> 01:03:48,490

Nothing. Just a little trouble with Daddy.

828

01:03:48,575--> 01:03:52,870

You mean Dad's in trouble,
or Dad is the trouble?

829

01:03:52,954--> 01:03:56,790

I mean either he's in trouble,
or he's going to be.

830

01:04:03,548--> 01:04:05,966

What's that?

Where'd you get that, Mom?

831

01:04:06,050--> 01:04:08,177

You made a cool outfit?

Hey, are those for us?

832

01:04:08,261--> 01:04:09,678

839

01:04:27,113--> 01:04:30,699

- Take that off before somebody sees.
- You're packing one just like it.

840

01:04:30,783--> 01:04:33,577

- Are you hiding something?
- Please. I'm on the phone...

841

01:04:33,661--> 01:04:35,871

- Dash!
- This is yours. It's specially made.

842

01:04:35,955--> 01:04:39,291

- What's going on?
- You're not coming! I gotta pack!

843

01:04:41,794--> 01:04:43,837

What makes you think it's special?

844

01:04:43,922--> 01:04:46,673

I don't know. Why'd Mom try to hide it?

845

01:04:55,517--> 01:04:58,602

Snug, I'm calling in a solid you owe me.

846

01:04:58,686--> 01:05:02,314

- (OVER PHONE) What do you need?

- A jet. What do you got that's fast?

847

01:05:02,398--> 01:05:04,483

Let me think.

848

01:05:13,326--> 01:05:16,286

Island approach.

India Golf niner-niner checking in.

849

01:05:16,371--> 01:05:18,080

VFR on top. Over.

850

01:05:18,164--> 01:05:19,540

(RADIO STATIC)

851

01:05:21,042--> 01:05:23,794

Island tower,

this is India Golf niner-niner

852

01:05:23,878--> 01:05:26,213

requesting vectors to the initial.

853

01:05:26,297--> 01:05:27,798

(RADIO STATIC)

854

01:05:37,016--> 01:05:39,142

Easy, Helen. Easy. Easy, girl.

855

01:05:39,227--> 01:05:43,480

You're overreacting. Everything's fine.

They're just all getting coffee.

856

01:05:45,066--> 01:05:48,610

At the same time. Yeah.

857

01:06:02,250--> 01:06:07,379

You, sir, truly are "Mr. Incredible."

I was right to idolize you.

858

01:06:07,463--> 01:06:10,299

I always knew you were tough,
but tricking the probe

859

01:06:10,383--> 01:06:14,344

by hiding under the bones
of another super? Oh, man!

860

01:06:14,429--> 01:06:16,847

I'm still geeking out about it!

861

01:06:16,931--> 01:06:18,098

(SIGHS)

862

01:06:18,516--> 01:06:21,685

And then you had
to just go and ruin the ride.

863

01:06:21,769--> 01:06:26,690

I mean, Mr. Incredible calling for help?
(MOCKING) "Help me, help me."

864

01:06:26,774--> 01:06:29,234

Lame, lame, lame.

865

01:06:29,319--> 01:06:30,736

All right, who did you contact?

866

01:06:30,820--> 01:06:33,655

Contact? What are you talking about?

867

01:06:36,117--> 01:06:37,576

(GROANING)

868

01:06:38,703--> 01:06:41,830

I am referring to last night

at 23:07 hours

869

01:06:41,914--> 01:06:45,042

while you were snooping around.

You sent out a homing signal.

870

01:06:45,126--> 01:06:48,086

I didn't know about the homing device.

871

01:06:52,592--> 01:06:56,637

And now a government plane
is requesting permission to land here.

872

01:06:56,721--> 01:06:57,679

Who did you contact?

873

01:06:57,764--> 01:06:59,848

I didn't send for a plane.

874

01:06:59,932--> 01:07:01,850

Play the transmission.

875

01:07:03,102--> 01:07:06,480

- HELEN: India Golf checking in.

- Helen!

876

01:07:07,190--> 01:07:09,650

So you do know these people.

877

01:07:09,734--> 01:07:12,861

Well, then,

I'll send them a little greeting.

878

01:07:15,698--> 01:07:17,366

- VIOLET: Ow!

- Violet!

879

01:07:17,450--> 01:07:18,909

It's not my fault.

880

01:07:18,993--> 01:07:21,036

Dash ran away,

I knew I'd get blamed for it.

881

01:07:21,120--> 01:07:22,954

That's not true!

882

01:07:23,039--> 01:07:25,415

You said, "Something's up with Mom.

We have to find out what."

883

01:07:25,500--> 01:07:29,378

...and it's not my fault!

- Hundred percent all-yours idea!

884

01:07:29,462--> 01:07:32,297

Wait a minute.

You left Jack-Jack alone?

885

01:07:32,382--> 01:07:35,509

- Of course we got a sitter.

- We got someone, Mom.

886

01:07:35,593--> 01:07:37,886

- We wouldn't do that.

- Thanks a lot!

887

01:07:37,970--> 01:07:40,764

All right, well, who'd you get?

888

01:07:41,015--> 01:07:43,225

You don't have to worry

about one thing.

889

01:07:43,309--> 01:07:46,603

I've got baby-sitting wired.

I've taken courses, learned CPR,

890

01:07:46,688--> 01:07:50,273

- excellent marks and certificates.

- Kari.

891

01:07:50,358--> 01:07:52,567

I brought Mozart to play while he sleeps

892

01:07:52,652--> 01:07:55,529

because leading experts say

Mozart makes babies smarter.

893

01:07:55,822--> 01:07:56,780

- Kari...

- The beauty is

894

01:07:56,864--> 01:07:59,574

they don't have to listen

'cause they're asleep!

895

01:07:59,659--> 01:08:01,743

I wish my parents played Mozart

896

01:08:01,828--> 01:08:04,830

because half the time I don't know
what anyone's talking about.

897

01:08:05,081--> 01:08:08,542

Kari, I really don't feel
comfortable with this.

898

01:08:08,626--> 01:08:11,545

I'll pay you for your trouble,
but I'd rather call a service.

899

01:08:11,921--> 01:08:13,588

There's really no need, Mrs. Parr.

900

01:08:13,673--> 01:08:16,383

I can totally handle anything
this baby can dish out.

901

01:08:16,467--> 01:08:19,219

(COOING) Can't I, little baby?
I can handle it.

902

01:08:19,303--> 01:08:21,221

- KARL: Who can handle it?

- (BEEPING)

903

01:08:28,896--> 01:08:31,440

India Golf niner-niner transmitting
in the blind guard.

904

01:08:31,524--> 01:08:34,693

Disengage. Repeat, disengage.

905

01:09:04,056--> 01:09:05,765

Repeat, disengage.

906

01:09:05,850--> 01:09:07,058

- Friendlies...

- No!

907

01:09:07,143--> 01:09:08,643

Call off the missiles. I'll do anything.

908

01:09:08,728--> 01:09:12,063

Too late. Fifteen years too late.

909

01:09:13,900--> 01:09:16,943

Friendlies two-zero miles
south-southwest of your position.

910

01:09:17,028--> 01:09:19,321

Angels 10. Track east. Disengage.

911

01:09:19,405--> 01:09:21,948

Vi! Put a force field around the plane.

912

01:09:22,033--> 01:09:23,783

You said not to use our powers.

913

01:09:23,868--> 01:09:26,328

I know what I said.

Listen to what I'm saying now!

914

01:09:26,412--> 01:09:28,455

Disengage. Repeat, disengage!

915

01:09:33,127--> 01:09:34,294

Mom?

916

01:09:34,921--> 01:09:35,921

HELEN: Violet!

917

01:09:36,005--> 01:09:39,424

Mayday. India Golf niner-niner
is buddy-spiked. Abort!

918

01:09:39,509--> 01:09:41,009

There are children aboard.

919

01:09:41,093--> 01:09:42,802

- HELEN: There are children aboard!

- No!

920

01:09:44,639--> 01:09:46,097

Put a field around us now!

921

01:09:46,182--> 01:09:47,641

I've never done one that big.

922

01:09:47,725--> 01:09:48,808

Do it now!

923

01:09:50,394--> 01:09:55,690

Abort, abort, abort!

924

01:10:09,914--> 01:10:11,665

(ALL SCREAMING)

925

01:10:26,847--> 01:10:28,640

Brace yourselves!

926

01:10:34,981--> 01:10:37,941

- KIDS: Mom!

- Everybody calm down.

927

01:10:38,025--> 01:10:39,734

I'll tell you what we're not gonna do.

928

01:10:39,819--> 01:10:42,404

We're not gonna panic, we're not...

Look out!

929

01:10:53,916--> 01:10:56,334

- Oh, my God! Whose idea was this?

- What are we gonna do?

930

01:10:56,419--> 01:10:58,920

We're dead! We're dead!

931

01:10:59,005--> 01:11:01,923

- It blew up!

- We survived but we're dead!

932

01:11:02,008--> 01:11:03,341

Stop it!

933

01:11:04,093--> 01:11:05,719

We are not gonna die!

934

01:11:05,803--> 01:11:07,762

Both of you will get a grip.

935

01:11:07,847--> 01:11:10,265

Or so help me

I will ground you for a month!

936

01:11:10,474--> 01:11:11,850

Understand?

937

01:11:13,102--> 01:11:16,771

We have a confirmed hit.

Target was destroyed.

938

01:11:16,981--> 01:11:18,898

Ah, you'll get over it.

939

01:11:19,191--> 01:11:22,569

I seem to recall

you prefer to "work alone."

940

01:11:22,695--> 01:11:24,404

(EVIL LAUGHTER)

941

01:11:32,705--> 01:11:34,706

Release me. Now!

942

01:11:35,291--> 01:11:36,291

Or what?

943

01:11:36,375--> 01:11:37,917

I'll crush her.

944

01:11:38,002--> 01:11:40,837

That sounds a little dark for you.

Well, go ahead.

945

01:11:40,921--> 01:11:43,798

It'll be easy. Like breaking a toothpick.

946

01:11:44,175--> 01:11:45,884

(LAUGHING) Show me.

947

01:11:58,564--> 01:12:00,523

SYNDROME: I knew you couldn't do it.

948

01:12:00,608--> 01:12:03,360

Even when you have nothing to lose.

949

01:12:03,611--> 01:12:04,903

You're weak.

950

01:12:05,821--> 01:12:07,697

And I've outgrown you.

951

01:12:09,950--> 01:12:11,409

(BOB SOBBING)

952

01:12:17,583--> 01:12:21,378

Those were short-range missiles.

Land-based.

953

01:12:21,921--> 01:12:23,380

That way is our best bet.

954

01:12:23,464--> 01:12:26,257

You want to go toward
the people that tried to kill us?

955

01:12:26,342--> 01:12:30,345

- If it means land, yes.
- Do you expect us to swim there?

01:14:06,901--> 01:14:08,985

And if anything goes wrong,
use your powers.

970

01:14:09,069--> 01:14:12,322

- But you said never to use...
- I know what I said!

971

01:14:15,326--> 01:14:16,576

Remember the bad guys

972

01:14:16,660--> 01:14:19,454

on those shows you used to watch
on Saturday mornings?

973

01:14:20,331--> 01:14:23,041

Well, these guys
are not like those guys.

974

01:14:23,459--> 01:14:26,836

They won't exercise restraint
because you're children.

975

01:14:27,171--> 01:14:30,173

They will kill you if they get the chance.

976

01:14:30,424--> 01:14:32,550

Do not give them that chance.

977

01:14:32,635--> 01:14:34,385

- Mom?

- Vi, I'm counting on you.

978

01:14:34,470--> 01:14:37,597

- There's...

- I'm counting on you. Be strong.

979

01:14:39,058--> 01:14:43,019

Dash, if anything goes wrong,

I want you to run as fast as you can.

980

01:14:43,103--> 01:14:45,939

- As fast as I can?

- As fast as you can.

981

01:14:46,023--> 01:14:49,651

Stay hidden. Keep each other safe.

I'll be back by morning.

982

01:14:53,739--> 01:14:55,240

VIOLET: Mom!

983

01:14:56,242--> 01:14:58,785

Mom, what happened on the plane.

I'm sorry.

984

01:14:58,869--> 01:15:01,830

(STAMMERING) I wanted to help.

When you asked me to... I'm sorry.

985

01:15:01,914--> 01:15:04,249

Shh. It isn't your fault.

986

01:15:04,792--> 01:15:07,919

It wasn't fair for me to suddenly
ask so much of you.

987

01:15:08,754--> 01:15:10,505

But things are different now.

988

01:15:10,589--> 01:15:13,633

And doubt is a luxury
we can't afford anymore, sweetie.

989

01:15:13,968--> 01:15:16,052

You have more power than you realize.

990

01:15:16,554--> 01:15:18,888

Don't think. And don't worry.

991

01:15:19,181--> 01:15:21,474

If the time comes,
you'll know what to do.

992

01:15:22,601--> 01:15:24,143

(LAUGHS) It's in your blood.

993

01:16:01,432--> 01:16:04,809

- He's not weak, you know.

- What?

994

01:16:05,102--> 01:16:07,186

Valuing life is not weakness.

995

01:16:07,479--> 01:16:11,065

Hey. Look, if you're talking about
what happened in the containment unit,

996

01:16:11,150--> 01:16:12,859

I had everything under control.

997

01:16:12,943--> 01:16:15,820

And disregarding it is not strength.

998

01:16:16,238--> 01:16:18,656

I called his bluff, sweetheart, that's all.

999

01:16:18,782--> 01:16:21,242

I knew he wouldn't have it in him
to actually...

1000

01:16:21,327--> 01:16:24,078

Next time you gamble, bet your own life!

1001

01:16:39,011--> 01:16:40,678

Okay, okay, okay.

1002

01:17:32,272--> 01:17:33,815

(VOICES ON RADIO)

1003

01:17:36,235--> 01:17:37,568

A rocket?

1004

01:17:56,255--> 01:17:57,547

(SIGHS, GASPS)

1005

01:18:33,000--> 01:18:34,000

Hey!

1006

01:19:16,085--> 01:19:18,336

(STRUGGLING)

1007

01:19:31,058--> 01:19:35,603

Well, not that this isn't fun,
but I'm gonna go look around.

1008

01:19:35,687--> 01:19:37,438

What do you think is going on here?

1009

01:19:37,523--> 01:19:39,649

You think we're on vacation?

1010

01:19:40,067--> 01:19:42,860

Mom and Dad's lives

could be in jeopardy.

1011

01:19:42,945--> 01:19:45,196

Or worse,

(WHISPERING) their marriage.

1012

01:19:45,531--> 01:19:47,073

Their marriage?

1013

01:19:47,366--> 01:19:51,869

So, the bad guys are trying to wreck

Mom and Dad's marriage.

1014

01:19:51,954--> 01:19:54,122

Forget it. You're so immature.

1015

01:19:54,206--> 01:19:57,416

- I'm gonna go look around.

- Mom said to stay hidden.

1016

01:19:57,501--> 01:20:01,337

I'm not gonna leave the cave. Sheesh.

1017

01:20:01,755--> 01:20:03,506

(VOICES OVER RADIO)

1018

01:20:40,085--> 01:20:43,379

(ECHOING) Cool!

1019

01:20:45,507--> 01:20:47,842

(OVER RADIO) Roger.

We are ready for launch.

1020

01:20:57,853--> 01:21:01,272

- DASH: Vi, Vi!

- What did you do?

1021

01:21:14,369--> 01:21:15,953

(OVER RADIO) ETA two-niner. Over.

1022

01:21:19,499--> 01:21:22,210

TCI clear. Condition yellow.

Status norm.

1023

01:21:25,088--> 01:21:27,006

Not responding to IFF.

1024

01:21:27,090--> 01:21:28,883

IRCM reads negative.

1025

01:21:30,719--> 01:21:32,053

- Bob.

- What?

1026

01:21:32,137--> 01:21:33,387

I didn't say anything.

1027

01:21:49,988--> 01:21:51,530

(BIRD SOUNDS)

1028

01:21:54,076--> 01:21:55,785

(YELLS IN DISGUST)

1029

01:22:02,459--> 01:22:04,377

ROBOT: Identification, please.

1030

01:22:05,170--> 01:22:06,170

Hey!

1031

01:22:06,255--> 01:22:09,257

- Hey, Violet! Come here, look. It talks!

- What? What?

1032

01:22:09,341--> 01:22:10,800

There. That one.

1033

01:22:10,884--> 01:22:12,510

Voice key incorrect.

1034

01:22:13,095--> 01:22:14,178

"Voice key"?

1035

01:22:15,180--> 01:22:16,931

Voice key incorrect.

1036

01:22:17,015--> 01:22:18,683

Wait a second.

1037

01:22:19,518--> 01:22:20,851

(ALARM SOUNDS)

1038

01:22:20,978--> 01:22:22,353

- What do we do?

- Run!

1039

01:22:22,437--> 01:22:24,522

- Where are we going?

- Away from here!

1040

01:22:29,528--> 01:22:32,947

PA: Intruder alert.

1041

01:22:54,636--> 01:22:57,305

- There isn't much time.

- No, there isn't.

1042

01:22:57,389--> 01:22:59,807

- In fact, there's no time at all.

- (CHOKING)

1043

01:22:59,891--> 01:23:02,018

- Please...

- Why are you here?

1044

01:23:02,102--> 01:23:07,106

How can you possibly bring me lower?

What more can you take away from me?

1045

01:23:07,274--> 01:23:10,735

(CHOKING) Family survived the crash.

1046

01:23:11,069--> 01:23:12,820

They're here on the island!

1047

01:23:13,280--> 01:23:14,280

They're alive?

1048

01:23:15,324--> 01:23:17,658

(GASPING, COUGHING)

1049

01:23:28,045--> 01:23:29,795

- Helen?

- Hello.

1050

01:23:30,380--> 01:23:32,048

You must be Mrs...

1051

01:23:33,258--> 01:23:35,217

- She was helping me to escape.

- No.

1052

01:23:35,302--> 01:23:38,262

That's what I was doing. Let go of me!

1053

01:23:38,347--> 01:23:41,432

Let go, you lousy, lying,

unfaithful creep!

1054

01:23:43,352--> 01:23:45,353

How could I betray the perfect woman?

1055

01:23:45,437--> 01:23:47,271

Oh, you're referring to me now?

1056

01:23:47,356--> 01:23:48,522

Where are the kids?

1057

01:23:48,607--> 01:23:50,399

- They triggered the alert.

- What?

1058

01:23:50,484--> 01:23:53,861

- Security's in the jungle. Get going.

- Our kids are in danger?

1059

01:23:53,945--> 01:23:55,696

If you suspected danger,
why'd you bring them?

1060

01:23:55,781--> 01:23:59,367

They stowed away.

You're not striking the proper tone.

1061

01:24:07,667--> 01:24:08,709

GUARD: Think they're supers?

1062

01:24:08,794--> 01:24:11,212

Dash, remember what Mom said.

1063

01:24:11,296--> 01:24:12,797

- What?

- GUARD 2: Stop talking!

1064

01:24:13,465--> 01:24:16,050

GUARD 3: Hold it! Freeze!

VIOLET: Dash, run!

1065

01:24:16,134--> 01:24:17,843

- What?

- VIOLET: Run!

1066

01:24:18,637--> 01:24:21,055

- They're supers!

- Get the boy!

1067

01:24:22,682--> 01:24:23,974

Show yourself!

1068

01:24:35,946--> 01:24:37,279

(SPITTING)

1069

01:25:17,696--> 01:25:19,196

(DASH SCREAMS)

1070

01:25:24,953--> 01:25:26,036

Hey!

1071

01:25:33,545--> 01:25:34,920

DASH: Ha, ha!

1072

01:25:50,979--> 01:25:52,897

I'm alive. Yeah!

1073

01:25:53,231--> 01:25:54,565

(DASH SHOUTING)

1074

01:25:54,900--> 01:25:55,900

DASH: Uh-oh.

1075

01:26:21,426--> 01:26:22,885

(WATER SLOSHING)

1076

01:27:06,471--> 01:27:08,764

I should've told you I was fired,
I admit it.

1077

01:27:08,848--> 01:27:10,140

But I didn't want you to worry.

1078

01:27:10,225--> 01:27:11,559

You didn't want me to worry?

1079

01:27:11,643--> 01:27:14,520

We're running for our lives
through some godforsaken jungle.

1080

01:27:14,604--> 01:27:17,815

You keep trying to pick a fight,

but I'm just happy you're alive.

1081

01:27:20,277--> 01:27:23,153

GUARD: I know you're there,
Little Miss Disappear.

1082

01:27:35,333--> 01:27:37,543

You can't hide from me.

1083

01:27:43,633--> 01:27:45,968

- There you are.

- DASH: Hey!

1084

01:27:50,307--> 01:27:51,932

Don't touch my sister!

1085

01:27:59,733--> 01:28:01,942

- How are you doing that?

- I don't know!

1086

01:28:02,027--> 01:28:03,694

Whatever you do, don't stop!

1087

01:28:12,746--> 01:28:14,163

(EXPLOSION)

1088

01:28:20,420--> 01:28:22,212

Mom! Dad! Hey!

1089

01:28:24,090--> 01:28:25,132

HELEN: Kids.

1090

01:28:25,216--> 01:28:27,009

- You're all right.

- You're all right.

1091

01:28:27,093--> 01:28:29,595

- We were so worried.

- I thought I'd never see you again.

1092

01:28:48,365--> 01:28:49,448

BOTH: I love you.

1093

01:28:49,532--> 01:28:51,033

DASH: Wow.

VIOLET: Whoa.

1094

01:29:05,715--> 01:29:07,091

Time out!

1095

01:29:08,593--> 01:29:12,054

What have we here?

Matching uniforms?

1096

01:29:13,056--> 01:29:16,475

Oh, no! Elastigirl?

1097

01:29:16,601--> 01:29:17,810

(LAUGHS)

1098

01:29:18,103--> 01:29:21,313

You married Elastigirl? Whoa!

1099

01:29:22,440--> 01:29:24,817

And got busy!

1100

01:29:24,901--> 01:29:29,488

It's a whole family of supers.

Looks like I've hit the jackpot!

1101

01:29:29,572--> 01:29:32,157

Oh, this is just too good!

1102

01:29:32,242--> 01:29:35,703

- (ON TV) The ship's unique design...

- (ON TV) There were no fatalities...

1103

01:29:35,787--> 01:29:40,791

Huh? Huh? Oh, come on!

You gotta admit, this is cool.

1104

01:29:40,875--> 01:29:44,211

SYNDROME: Just like a movie!

The robot will emerge dramatically,

1105

01:29:44,295--> 01:29:47,047

do some damage.

Throngs of screaming people!

1106

01:29:47,132--> 01:29:51,844

And just when all hope is lost,
Syndrome will save the day!

1107

01:29:52,095--> 01:29:54,763

I'll be a bigger hero than you ever were!

1108

01:29:54,848--> 01:29:59,017

You mean you killed off real heroes
so that you could pretend to be one?

1109

01:29:59,102--> 01:30:01,854

Oh, I'm real.

Real enough to defeat you!

1110

01:30:01,938--> 01:30:05,983

And I did it without your precious
gifts, your oh-so-special powers.

1111

01:30:06,067--> 01:30:07,234

I'll give them heroics.

1112

01:30:07,318--> 01:30:10,738

I'll give them the most spectacular

heroics anyone's ever seen!

1113

01:30:10,822--> 01:30:13,991

And when I'm old and I've had my fun,
I'll sell my inventions

1114

01:30:14,075--> 01:30:18,412

so that everyone can be superheroes.
Everyone can be super.

1115

01:30:19,164--> 01:30:21,331

(CHUCKLING) And when
everyone's super

1116

01:30:24,461--> 01:30:26,170

no one will be.

1117

01:30:26,337--> 01:30:28,005

(EVIL LAUGHTER)

1118

01:30:47,609--> 01:30:49,193

(SOLDIERS SHOUTING)

1119

01:30:51,613--> 01:30:53,572

Fire at will!

1120

01:31:01,039--> 01:31:03,707

(ON TV) It's overwhelming the tanks.

1121

01:31:03,792--> 01:31:05,000

BOB: I'm sorry.

1122

01:31:05,543--> 01:31:09,254

This is my fault.

I've been a lousy father.

1123

01:31:09,339--> 01:31:13,133

Blind to what I have.

So obsessed with being undervalued

1124

01:31:13,218--> 01:31:16,136

- that I undervalued all of you.

- Dad?

1125

01:31:16,221--> 01:31:17,346

Shh. Don't interrupt.

1126

01:31:17,430--> 01:31:20,140

So caught up in the past that I...

1127

01:31:22,060--> 01:31:26,146

You are my greatest adventure.

And I almost missed it.

1128

01:31:26,231--> 01:31:28,315

I swear, I'm gonna get us

out of this safely if I...

1129

01:31:28,399--> 01:31:32,402

Well, I think Dad has made

some excellent progress today

1130

01:31:32,487--> 01:31:35,155

but I think it's time we wind down now.

1131

01:31:38,409--> 01:31:40,035

We need to get back to the mainland.

1132

01:31:40,119--> 01:31:42,788

I saw an aircraft hangar on my way in.

Straight ahead.

1133

01:31:43,206--> 01:31:44,957

(LAUGHTER)

1134

01:31:52,799--> 01:31:53,924

Where are all the guards?

1135

01:31:54,676--> 01:31:55,968

Go, go!

1136

01:32:00,431--> 01:32:03,267

GUARD: Hey, every time they run,
you take a shot.

1137

01:32:08,773--> 01:32:10,190

(FIGHTING)

1138

01:32:12,443--> 01:32:13,527

(WHISTLES)

1139

01:32:19,450--> 01:32:21,618

HELEN: This is the right hangar,
but I don't see any jets.

1140

01:32:21,703--> 01:32:24,204

- A jet's not fast enough.
- What's faster than a jet?

1141

01:32:25,164--> 01:32:26,206

How about a rocket?

1142

01:32:30,336--> 01:32:34,006

- Great! I can't fly a rocket.
- VIOLET: You don't have to.

1143

01:32:34,591--> 01:32:36,800

Use the coordinates
from the last launch.

1144

01:32:38,887--> 01:32:42,264

Wait. I bet Syndrome's changed
the password by now.

1145

01:32:42,348--> 01:32:45,142

- How do I get into the computer?
- MIRAGE: Say please.

1146

01:33:01,326--> 01:33:03,076

- Honey?
- HONEY: What?

1147

01:33:03,161--> 01:33:04,995

- Where is my supersuit?
- HONEY: What?

1148

01:33:05,538--> 01:33:08,749

Where is my supersuit?

1149

01:33:08,833--> 01:33:11,919

- HONEY: I put it away.
- Where?

1150

01:33:12,003--> 01:33:15,339

- HONEY: Why do you need to know?
- I need it!

1151

01:33:15,423--> 01:33:18,425

HONEY: Don't you think about
running off doing no derrin'-do.

1152

01:33:18,509--> 01:33:20,385

We've been planning
this dinner for two months!

1153

01:33:20,470--> 01:33:23,847

- The public is in danger!
- HONEY: My evening's in danger!

1154

01:33:23,932--> 01:33:27,434

Tell me where my suit is, woman!
We are talking about the greater good.

1155

01:33:27,518--> 01:33:29,686

HONEY: "Greater good"?
I am your wife!

1156

01:33:29,771--> 01:33:32,689

I'm the greatest good

you are ever gonna get!

1157

01:33:36,402--> 01:33:37,778

Run!

1158

01:33:39,530--> 01:33:40,864

My baby!

1159

01:33:45,536--> 01:33:47,913

- MAN: The supers have returned!

- Is that Fironic?

1160

01:33:47,997--> 01:33:51,249

- MAN: Fironic?

- No, Fironic has a different outfit.

1161

01:33:51,334--> 01:33:56,296

No, no, I'm a new superhero!

I'm Syndrome!

1162

01:33:59,258--> 01:34:01,134

All right, stand back.

1163

01:34:04,847--> 01:34:09,267

Someone needs to teach
this hunk of metal a few manners.

1164

01:34:11,104--> 01:34:12,312

Ha, ha!

1165

01:34:21,698--> 01:34:23,448

(SYNDROME SCREAMING)

1166

01:34:39,549--> 01:34:42,801

- Are we there yet?
- We get there when we get there.

1167

01:34:45,179--> 01:34:47,264

BOB: How you doing, honey?

1168

01:34:47,348--> 01:34:49,891

HELEN: Do I have to answer?

1169

01:34:52,270--> 01:34:55,355

Kids, strap yourselves down

like I told you.

1170

01:34:59,694--> 01:35:01,403

BOB: Here we go, honey.

1171

01:35:01,946--> 01:35:03,113

Ready, Violet?

1172

01:35:04,157--> 01:35:06,116

Ready? Now!

1173

01:35:09,912--> 01:35:11,455

This is gonna be rough.

1174

01:35:18,880--> 01:35:21,214

Robot's in the financial district.

Which exit?

1175

01:35:21,299--> 01:35:22,924

- Traction Avenue.

- That'll take me downtown.

1176

01:35:23,009--> 01:35:24,634

- I take Seventh, don't I?

- Don't take Seventh!

1177

01:35:26,137--> 01:35:28,722

- Great, we missed it.

- Ask how to get there, I told you.

1178

01:35:28,806--> 01:35:30,599

- Traction.

- That'll take me downtown.

1179

01:35:30,683--> 01:35:32,309

Get in the right lane! Signal!

1180

01:35:32,393--> 01:35:33,935

- Not Traction!

- You're gonna miss it!

1181

01:36:01,756--> 01:36:03,840

Is everybody okay back there?

1182

01:36:04,133--> 01:36:07,677

- Super-duper, Dad!

- (LAUGHING) Let's do that again.

1183

01:36:08,596--> 01:36:10,180

(PEOPLE SCREAMING)

1184

01:36:10,890--> 01:36:13,558

Wait here and stay hidden.

I'm going in.

1185

01:36:14,644--> 01:36:17,145

While what?

I watch helplessly from the sidelines?

1186

01:36:17,230--> 01:36:19,689

- I don't think so.

- I'm asking you to wait with the kids.

1187

01:36:19,774--> 01:36:22,442

And I'm telling you not a chance.

You're my husband.

1188

01:36:22,527--> 01:36:24,361

I'm with you for better or worse.

1189

01:36:24,612--> 01:36:26,446

I have to do this alone.

1190

01:36:26,531--> 01:36:28,448

- What is this to you? Playtime?

- No.

1191

01:36:28,533--> 01:36:30,408

- So you can be Mr. Incredible again?

- No!

1192

01:36:30,493--> 01:36:31,743

- Then what?

- I'm not...

1193

01:36:31,828--> 01:36:33,829

- Not what?

- I'm not strong enough.

1194

01:36:33,913--> 01:36:35,956

- This will make you stronger?

- Yes. No!

1195

01:36:36,040--> 01:36:38,083

That's what this is?

Some sort of workout?

1196

01:36:38,167--> 01:36:40,085

I can't lose you again!

1197

01:36:41,754--> 01:36:44,381

I can't. Not again.

1198

01:36:45,133--> 01:36:46,967

I'm not strong enough.

1199

01:36:55,685--> 01:36:58,478

If we work together,

you won't have to be.

1200

01:36:58,563--> 01:36:59,771

I don't know what'll happen.

1201

01:37:00,481--> 01:37:02,858

We're superheroes. What can happen?

1202

01:37:03,317--> 01:37:04,317

(SCREAMING)

1203

01:37:07,572--> 01:37:09,281

Vi! Dash! No!

1204

01:37:19,167--> 01:37:20,167

Violet?

1205

01:37:23,671--> 01:37:25,922

- Dad!

- Go, go!

1206

01:37:35,975--> 01:37:39,102

- I'm okay, Mom. Really.

- Stay here, okay?

1207

01:37:50,198--> 01:37:51,531

Frozone!

1208

01:37:51,616--> 01:37:52,824

BOB: Yeah!

1209

01:37:55,620--> 01:37:56,703

Bob!

1210

01:37:58,080--> 01:37:59,080

Hey!

1211

01:38:15,348--> 01:38:16,640

Syndrome's remote!

1212

01:38:26,484--> 01:38:27,734

The remote controls the robot!

1213

01:38:31,155--> 01:38:32,322

Throw it, throw it!

1214

01:38:32,406--> 01:38:33,657

Go long!

1215

01:38:44,961--> 01:38:46,086

Got it!

1216

01:38:50,841--> 01:38:52,926

Honey, take out its guns!

1217

01:39:00,226--> 01:39:01,268

FROZONE: Gotcha!

1218

01:39:40,099--> 01:39:41,391

(VIOLET SCREAMS)

1219

01:39:47,356--> 01:39:49,024

Mom, I've got it! I've got the remote!

1220

01:39:50,818--> 01:39:53,403

A remote? A remote that controls what?

1221

01:39:56,449--> 01:39:57,449

The robot?

1222

01:40:05,750--> 01:40:06,875

It's coming back!

1223

01:40:07,918--> 01:40:09,127

(BOB YELLS)

1224

01:40:10,254--> 01:40:11,421

- That wasn't right.

- Give me that!

1225

01:40:13,424--> 01:40:16,426

We can't stop it. The only thing
hard enough to penetrate it is

1226

01:40:20,431--> 01:40:21,431

itself.

1227

01:40:21,515--> 01:40:22,724

It's getting closer!

1228

01:40:22,808--> 01:40:24,934

- It doesn't work!

- HELEN: Kids!

1229

01:40:26,562--> 01:40:28,021

FROZONE: It's not doing anything.

1230

01:40:28,105--> 01:40:30,106

- Try to buy us some time.

- Try the one next to it.

1231

01:40:35,946--> 01:40:37,113

Honey!

1232

01:40:43,120--> 01:40:45,413

Wait a minute. Press that button again!

1233

01:40:46,957--> 01:40:49,542

No, the other one! The first one!

1234

01:40:49,627--> 01:40:50,835

First button! Got it!

1235

01:40:50,920--> 01:40:52,545

- It's getting closer!

- Look out!

1236

01:40:53,464--> 01:40:56,132

- Get out of here!

- We're not going anywhere.

1237

01:40:56,217--> 01:40:57,967

- BOB: Press the button!

- Not yet!

1238

01:40:58,094--> 01:41:00,553

- FROZONE: Helen!

- What are you waiting for?

1239

01:41:00,638--> 01:41:02,972

A closer target! You got one shot!

1240

01:41:06,018--> 01:41:07,018

Everybody duck!

1241

01:41:31,085--> 01:41:32,210

Hey, Zone.

1242

01:41:33,337--> 01:41:35,171

(CHEERING, APPLAUDING)

1243

01:41:38,509--> 01:41:40,343

Huh? No!

1244

01:41:40,636--> 01:41:44,514

Did you see that?

That's the way to do it.

1245

01:41:44,598--> 01:41:48,768

- That's old school.

- Yeah. No school like the old school.

1246

01:41:51,814--> 01:41:54,607

- Just like old times. Oh!

- Just like old times.

1247

01:41:54,692--> 01:41:56,985

Yeah. Hurt then, too.

1248

01:42:00,406--> 01:42:02,699

We've frozen all of Syndrome's assets.

1249

01:42:02,783--> 01:42:06,786

If he even sneezes, we'll be there
with a hanky and a pair of handcuffs.

1250

01:42:06,871--> 01:42:08,913

The people of this country
are indebted to you.

1251

01:42:08,998--> 01:42:10,623

Does this mean we can
come out of hiding?

1252

01:42:10,708--> 01:42:12,750

Let the politicians figure that one out.

1253

01:42:12,835--> 01:42:16,463

I've been asked to assure you
we'll take care of everything else.

1254

01:42:16,547--> 01:42:17,547

You did good, Bob.

1255

01:42:17,631--> 01:42:18,673

(PHONE BEEPS)

1256

01:42:18,757--> 01:42:23,136

Hi, this is Kari.

I have a question about Jack-Jack...

1257

01:42:23,220--> 01:42:24,596

Come on. We're in a limo.

1258

01:42:25,097--> 01:42:27,640

Hey, you're wearing your hair back?

1259

01:42:27,725--> 01:42:30,560

- (STAMMERING) Yeah, I just... Yeah.

- It looks good.

1260

01:42:30,644--> 01:42:33,313

- Thanks, Dad.

- That was cool when you threw that car!

1261

01:42:33,397--> 01:42:35,648

Not as cool as you running on water.

1262

01:42:35,733--> 01:42:39,527

That was sweet when you
snagged that bad guy with your arm

1263

01:42:39,612--> 01:42:42,238

and whiplashed him into the other guy.
Sweet!

1264

01:42:42,323--> 01:42:44,991

- I'm trying to listen to messages.
- KARL: It's me.

1265

01:42:45,075--> 01:42:48,328

Jack-Jack is fine,
but weird things are happening.

1266

01:42:48,412--> 01:42:52,040

Jack-Jack's still fine,
but I'm getting really weirded out!

1267

01:42:52,750--> 01:42:54,125

When are you coming back?

1268

01:42:54,210--> 01:42:56,628

...aced those guys that tried to kill us!

1269

01:42:56,712--> 01:43:00,840

That was the best vacation ever!

I love our family.

1270

01:43:00,925--> 01:43:03,510

KARL: I'm not fine, Mrs. Parr!

1271

01:43:03,594--> 01:43:06,513

Put that down! Stop it!

You need to call me.

1272

01:43:06,597--> 01:43:08,598

I need help, Mrs...

1273

01:43:08,682--> 01:43:10,308

Bob, listen to this.

1274

01:43:10,392--> 01:43:12,435

KARL: I'm gonna call the police...

1275

01:43:12,811--> 01:43:14,521

Hi, this is Kari.

1276

01:43:14,605--> 01:43:18,608

Sorry for freaking out,
but your baby has special needs.

1277

01:43:19,360--> 01:43:20,944

Thanks for sending a replacement.

1278

01:43:21,028--> 01:43:23,238

I didn't call a replacement.

1279

01:43:27,952--> 01:43:31,079

Shh. The baby is sleeping.

1280

01:43:34,166--> 01:43:36,000

You took away my future.

1281

01:43:36,085--> 01:43:39,462

I'm simply returning the favor.

Don't worry, I'll be a good mentor.

1282

01:43:39,547--> 01:43:42,757

Supportive, encouraging.

Everything you weren't.

1283

01:43:43,050--> 01:43:46,511

And in time, who knows,

he might make a good sidekick.

1284

01:43:51,016--> 01:43:54,310

He's getting away, Bob!

We have to do something now.

1285

01:43:54,603--> 01:43:56,437

(JACK-JACK CRIES)

1286

01:44:09,785--> 01:44:11,244

What's happening?

1287

01:44:17,167--> 01:44:20,336

- Stop him! Throw something!

- I might hit Jack-Jack.

1288

01:44:24,466--> 01:44:25,925

Throw me.

1289

01:44:30,306--> 01:44:31,764

Bob, throw me!

1290

01:44:36,186--> 01:44:37,186

(JACK-JACK COOING)

1291

01:44:37,938--> 01:44:39,022

No!

1292

01:44:41,358--> 01:44:44,569

This isn't the end of it!

I will get your son, eventually.

1293

01:44:44,653--> 01:44:46,029

I'll get your son!

1294

01:44:48,157--> 01:44:49,365

Oh, no.

1295

01:45:00,878--> 01:45:03,755

Look at Mommy, honey.

Don't look down. Mommy's got you.

1296

01:45:04,715--> 01:45:06,591

Everything is all right.

1297

01:45:22,232--> 01:45:23,858

That's my girl.

1298

01:45:24,443--> 01:45:26,819

Does this mean

we have to move again?

1299

01:45:27,029--> 01:45:28,571

(ALL LAUGHING)

1300

01:45:30,449--> 01:45:31,866

LITTLE BOY: Oh, man.

1301

01:45:32,076--> 01:45:34,619

That was totally wicked!

1302

01:45:40,668--> 01:45:42,335

(PA ANNOUNCEMENTS)

1303

01:45:48,133--> 01:45:49,926

(JACK-JACK LAUGHING)

1304

01:45:51,887--> 01:45:54,347

Do we have to have cheerleaders
at the track meet?

1305

01:45:54,431--> 01:45:57,350

- What is that all about?

- I always thought it was more...

1306

01:45:57,434--> 01:45:58,893

- Hey.

- Hey.

1307

01:45:58,977--> 01:46:01,688

- You're, uh, Violet, right?

- That's me.

1308

01:46:01,772--> 01:46:03,731

- See you, Vi.

- You look different.

1309

01:46:04,066--> 01:46:07,402

I feel different. Is different okay?

1310

01:46:07,528--> 01:46:10,780

Hey, different is... (CLEARS THROAT)

Different is great.

1311

01:46:10,864--> 01:46:12,824

(STAMMERING) Would you...

1312

01:46:13,033--> 01:46:14,575

- Yeah?

- Do you think maybe...

1313

01:46:14,660--> 01:46:16,369

- (STAMMERING)... you and I...

- Yeah?

1314

01:46:16,453--> 01:46:17,787

- Do you...

- Shh.

1315

01:46:17,955--> 01:46:21,165

I like movies.

I'll buy the popcorn. Okay?

1316

01:46:22,084--> 01:46:24,210

(STAMMERING) A movie.

There you go. Yeah.

1317

01:46:24,294--> 01:46:27,004

- Wait, so Friday?

- Friday.

1318

01:46:29,299--> 01:46:30,800

(CROWD CHEERING)

1319

01:46:32,136--> 01:46:34,554

- Go, Dash, go.

- Run!

1320

01:46:34,638--> 01:46:37,557

BOB: Come on, run! Pick up the pace.

1321

01:46:37,641--> 01:46:38,683

ALL: Run!

1322

01:46:38,767--> 01:46:40,143

Pull back, pull back!

1323

01:46:40,227--> 01:46:42,770

BOB: Pace it. Slow down just a little bit.

1324

01:46:43,397--> 01:46:44,897

- Make it close!

- Second.

1325

01:46:44,982--> 01:46:47,650

BOB AND HELEN: Close second, yeah!

1326

01:46:52,364--> 01:46:53,948

BOB: That's my boy!

1327

01:46:54,324--> 01:46:55,992

Dash, I'm so proud of you.

1328

01:46:56,076--> 01:46:57,660

DASH: I didn't know what the heck
you wanted me to do.

1329

01:46:57,744--> 01:47:00,288

(CRASHING, SCREAMING)

1330

01:47:11,008--> 01:47:14,010

Behold the Underminer!

1331

01:47:14,678--> 01:47:17,138

UNDERMINER:

I am always beneath you,

1332

01:47:17,222--> 01:47:20,183

but nothing is beneath me!

1333

01:47:20,601--> 01:47:26,230

UNDERMINER: I hereby declare war
on peace and happiness!

1334

01:47:26,940--> 01:47:49,378

Soon all will tremble before me!
