

Dialogues from The Legend of Tarzan to improve the vocabulary in English

1

00:02:17,040 --> 00:02:18,724

Monsieur Rom...

2

00:02:25,120 --> 00:02:26,531

Opar.

3

00:02:27,520 --> 00:02:29,409

(INHALES DEEPLY)

4

00:02:29,480 --> 00:02:31,721

We found it.

5

00:02:40,160 --> 00:02:41,446

Captain Moulle?

6

00:02:46,200 --> 00:02:48,089

Form your lines.

7

00:02:48,480 --> 00:02:49,527

(GUNS COCKING)

8

00:02:55,800 --> 00:02:57,609

Maxims ready, sir!

9

00:03:03,360 --> 00:03:05,010

CAPTAIN MOULLE: Steady.

10

00:03:10,840 --> 00:03:12,444

Wait.

11

00:03:21,240 --> 00:03:22,366

Fire!

12

00:03:35,160 --> 00:03:36,321

(GUNFIRE STOPS)

13

00:03:43,040 --> 00:03:44,326

CAPTAIN MOULLE: Fall in!

14

00:04:38,200 --> 00:04:39,201

(YELLS)

15

00:04:40,160 --> 00:04:41,605

(MEN GRUNTING)

16

00:04:57,560 --> 00:04:59,164

Stand your ground!

17

00:05:15,720 --> 00:05:16,721

(GROANING)

18

00:06:11,800 --> 00:06:13,165

(GRUNTING)

19

00:06:18,600 --> 00:06:19,965

(CHOKING)

20

00:06:36,680 --> 00:06:39,160

Chief Mbonga, I presume?

21

00:06:40,160 --> 00:06:42,049

How do you know my name?

22

00:06:43,960 --> 00:06:45,644

You're the man I came to see.

23

00:07:02,680 --> 00:07:04,921

These are what you came for.

24

00:07:11,000 --> 00:07:12,889

What would you do for them?

25

00:07:14,640 --> 00:07:16,529

Whatever is necessary.

26

00:07:17,960 --> 00:07:22,602

There is one thing I desire
above all else.

27

00:07:23,480 --> 00:07:25,209

Bring it to me.

28

00:07:25,680 --> 00:07:28,081

Bring him to me.

29

00:07:28,680 --> 00:07:30,967

And you shall have your diamonds.

30

00:07:35,280 --> 00:07:37,169

All I need is a name.

31

00:08:14,520 --> 00:08:18,047

His Serene Highness,
King Leopold of Belgium,

32

00:08:18,200 --> 00:08:21,409

has extended an invitation
to Lord Greystoke

33

00:08:21,560 --> 00:08:25,485

to take a royal tour
of the Congo Free State

34

00:08:25,640 --> 00:08:28,086

to visit the schools

and churches he's built

35

00:08:28,640 --> 00:08:32,167

to acknowledge the success
of his anti-slavery initiatives

36

00:08:32,360 --> 00:08:34,601

and to open trade discussions.

37

00:08:35,200 --> 00:08:36,690

(WALNUT SHELLS CRACKING)

38

00:08:41,640 --> 00:08:46,168

Lord Greystoke,
let me explain the Africa situation.

39

00:08:46,800 --> 00:08:47,801

Mmm.

40

00:08:49,600 --> 00:08:52,444

King Leopold controls the Congo.

41

00:08:53,080 --> 00:08:54,969

He's defaulting on his loans,

42

00:08:55,120 --> 00:08:58,249

and needs a business partner
to fill the gap.

43

00:08:58,400 --> 00:09:01,131

Your invitation is a perfect opportunity

44

00:09:01,280 --> 00:09:04,124

for Her Majesty's government
to get involved.

45

00:09:05,080 --> 00:09:08,527

Consider the jobs we would create
for the poor natives of the Congo.

46

00:09:08,960 --> 00:09:10,610

- (SHELLS CLANKING)

- (GEORGE GROANS)

47

00:09:11,360 --> 00:09:13,840

And I thought the Civil War was long.

48

00:09:13,960 --> 00:09:16,281

Dr. Williams, you are a guest here.

49

00:09:16,440 --> 00:09:18,886

GEORGE: Prime Minister,
if you're not going to say it,

50

00:09:20,640 --> 00:09:21,846

allow me.

51

00:09:22,040 --> 00:09:24,805

You are Tarzan.

52

00:09:25,000 --> 00:09:28,163

Lord of the Apes, King of the Jungle.

53

00:09:28,320 --> 00:09:30,129

"Me Tarzan, you Jane!"

54

00:09:30,280 --> 00:09:32,328

Tarzan! Tarzan.

55

00:09:34,080 --> 00:09:36,890

King Leopold's inviting you
because you're a celebrity.

56

00:09:37,040 --> 00:09:39,771

He wants to show you
the schools and churches he built.

57

00:09:39,920 --> 00:09:42,287

You "ooh" and "ah"
in front of the newspapers,

58

00:09:42,400 --> 00:09:45,722

and he's validated
by Africa's favorite son.

59

00:09:46,760 --> 00:09:50,606

England pays his debts. We make money.

60

00:09:50,760 --> 00:09:53,286

- Ham sandwich. Easy.

- Hmm.

61

00:09:53,560 --> 00:09:56,291

So, Your Majesties,

62

00:09:56,440 --> 00:09:59,364

can we get this show on the road?

63

00:10:05,840 --> 00:10:06,841

(SLURPS)

64

00:10:15,040 --> 00:10:16,041

No.

65

00:10:16,200 --> 00:10:17,850

- No?

- For Heaven's sake, why not?

66

00:10:18,000 --> 00:10:20,446

Well, I've already seen Africa.

67

00:10:22,320 --> 00:10:23,401

And it's hot.

68

00:10:24,040 --> 00:10:26,566

Excuse me? Did you say "hot"?

69

00:10:30,040 --> 00:10:33,044

Please send my apologies
to His Serene Highness.

70

00:10:38,000 --> 00:10:40,571

And my name isn't Tarzan.

71

00:10:40,720 --> 00:10:42,688

It's John Clayton III.

72

00:10:42,840 --> 00:10:45,844

Son of John and Lady Alice Clayton.

73

00:10:46,040 --> 00:10:50,090

Fifth Earl of Greystoke,
member of the House of Lords.

74

00:10:57,080 --> 00:10:58,764

GEORGE: Mr. Clayton.

75

00:10:58,920 --> 00:11:01,400

Lord Clayton. My apologies.

76

00:11:01,560 --> 00:11:04,450

George Washington Williams.

Diplomatic envoy for the United States.

77

00:11:04,640 --> 00:11:06,927

- I was sent by President Harrison.

- JOHN: To do what?

78

00:11:07,080 --> 00:11:08,605

Join up with the Queen's emissary.

79

00:11:08,760 --> 00:11:12,082

America was the first country to recognize

King Leopold's claim on the Congo.

80

00:11:12,720 --> 00:11:15,041

You don't want to lose

your place at the trough.

81

00:11:15,200 --> 00:11:16,440

Look...

82

00:11:17,560 --> 00:11:20,450

I need your invitation to get in.

83

00:11:20,600 --> 00:11:25,322

I'm afraid my intentions aren't exactly what
I expressed to your government or mine.

84

00:11:27,600 --> 00:11:30,444

And what exactly
do you want, Dr. Williams?

85

00:11:32,320 --> 00:11:36,564

Leopold spent the last seven years
getting control of the Congo.

86

00:11:36,720 --> 00:11:39,200

He used up his entire fortune
building that railroad of his,

87

00:11:39,360 --> 00:11:42,204

then shut off access
to 99% of the country.

88

00:11:42,360 --> 00:11:43,327

Why?

89

00:11:43,480 --> 00:11:45,482

Because he wants to be
the first monarch in history

90

00:11:45,680 --> 00:11:48,126

who doesn't want people
to see his good deeds?

91

00:11:48,280 --> 00:11:49,964

I don't buy it.

92

00:11:50,600 --> 00:11:52,250

Tell me this, Lord Clayton.

93

00:11:52,440 --> 00:11:57,401

How does a bankrupt king
keep the whole of the Congo working?

94

00:11:59,960 --> 00:12:01,121

Slavery?

95

00:12:02,600 --> 00:12:05,809

I hope I'm wrong, but I need to know.

96

00:12:05,960 --> 00:12:10,167

And for the sake of your friends
back home, you do, too.

97

00:12:12,320 --> 00:12:16,370

Accept Leopold's invitation
and take me with you.

98

00:12:16,520 --> 00:12:19,000

You know Africa off the beaten path.

99

00:12:19,160 --> 00:12:21,606

The languages, the people, the customs.

100

00:12:22,320 --> 00:12:23,685

If we find anything amiss,

101

00:12:23,840 --> 00:12:28,721

then I need someone to tell the world
that they'll believe.

102

00:12:37,200 --> 00:12:39,009

I'll make all the arrangements.

103

00:12:39,160 --> 00:12:41,162

I'll see you in Liverpool.

104

00:12:48,360 --> 00:12:49,407

(EXHALES SHARPLY)

105

00:13:00,160 --> 00:13:01,730

(COWS MOOING)

106

00:13:12,360 --> 00:13:13,771

(THUNDER RUMBLING)

107

00:13:14,800 --> 00:13:16,165

JOHN CLAYTON II: My family.

108

00:13:18,720 --> 00:13:21,451

I have done all I can to protect them.

109

00:13:25,320 --> 00:13:28,449

We have been surrounded by predators
since the shipwreck.

110

00:13:28,520 --> 00:13:30,045

(INFANT CRYING)

111

00:13:30,880 --> 00:13:32,769

The jungle consumes everything.

112

00:13:34,160 --> 00:13:38,245

It preys on the old, the sick,
the wounded, the weak.

113

00:13:38,400 --> 00:13:40,402

But never the strong.

114

00:13:44,080 --> 00:13:46,560

Today, I buried my Alice.

115

00:13:47,840 --> 00:13:49,763

My dear Alice.

116

00:13:52,160 --> 00:13:53,571

Now I fear for my child.

117

00:13:56,360 --> 00:13:57,771

God help us.

118

00:13:57,840 --> 00:13:58,841

(SNORTS)

119

00:13:59,040 --> 00:14:00,530

God help him.

120

00:14:00,600 --> 00:14:01,681

(DISTANT ROARING)

121

00:14:16,800 --> 00:14:17,801

(GRUNTS)

122

00:14:27,280 --> 00:14:28,281

(SCREAMING)

123

00:14:34,600 --> 00:14:35,806

(INFANT CRYING)

124

00:14:54,720 --> 00:14:56,290

(COOING)

125

00:15:05,480 --> 00:15:07,164

(SNARLING)

126

00:15:09,880 --> 00:15:11,325

(ROARS)

127

00:15:15,840 --> 00:15:19,731

JANE: The most dangerous beast
in Africa is so powerful,

128

00:15:19,880 --> 00:15:23,327

it can snap a crocodile's back
with a single bite.

129

00:15:24,520 --> 00:15:26,090

(WHISPERING)

130

00:15:26,160 --> 00:15:27,685

Anyone?

131

00:15:29,120 --> 00:15:31,202

MARY: Is it a hippopotamus?

132

00:15:31,360 --> 00:15:34,921

Yes! Precisely. Well done, Mary.

133

00:15:37,600 --> 00:15:38,601

Now,

134

00:15:38,760 --> 00:15:42,526

can anyone tell me

what my favorite bird sounds like?

135

00:15:43,560 --> 00:15:45,289

- Anyone?

- (WHISPERING)

136

00:15:49,680 --> 00:15:51,125

(MIMICKING BIRD'S CALL)

137

00:16:02,080 --> 00:16:03,650

BOY: How do you travel through the jungle?

138

00:16:03,800 --> 00:16:05,450

Why'd you leave the jungle?

139

00:16:05,560 --> 00:16:07,483

(INDISTINCT CHATTERING)

140

00:16:07,560 --> 00:16:08,561

BOY 2: Look at his hands!

141

00:16:09,560 --> 00:16:11,562

CHILDREN: Whoa!

142

00:16:12,600 --> 00:16:14,728

I grew up running on all fours.

143

00:16:15,560 --> 00:16:17,881

It changed the bone structure.

144

00:16:22,240 --> 00:16:24,481

BOY 3: Do you swing on things inside?

145

00:16:24,640 --> 00:16:26,768

Like, when you go upstairs?

146

00:16:26,960 --> 00:16:29,884

Oh, I never take the stairs.

147

00:16:30,080 --> 00:16:31,411

I usually take the curtains.

148

00:16:31,560 --> 00:16:32,641

BOY 3: Amazing!

149

00:16:33,520 --> 00:16:36,330

Is it true your mum was a monkey?

150

00:16:38,040 --> 00:16:40,042

Well, of course not.

151

00:16:40,200 --> 00:16:42,407

My mum was Alice Clayton.

152

00:16:46,080 --> 00:16:47,923

I can't wait to see Wasimbu again.

153

00:16:48,080 --> 00:16:49,525

- How many children would he have now?

- Jane.

154

00:16:49,680 --> 00:16:51,728

We know about Keko. She's what, four?

155

00:16:51,880 --> 00:16:53,644

- Everyone would have children.

- Jane.

156

00:16:53,800 --> 00:16:55,689

I mean, eight years

just feels like a lifetime!

157

00:16:55,840 --> 00:16:57,126

This isn't a holiday.

158

00:16:57,280 --> 00:16:59,442

How many corsets does a diplomat bring?

159

00:16:59,600 --> 00:17:01,409

I can't take you.

160

00:17:02,600 --> 00:17:04,523

- I say zero.

- Four.

161

00:17:05,280 --> 00:17:08,648

I suppose a British lady should faint
at least twice to justify the silly title.

162

00:17:08,840 --> 00:17:09,841

It isn't safe there.

163

00:17:10,000 --> 00:17:11,650

Of course it's not safe there, John!

164

00:17:11,840 --> 00:17:15,447

You take a nap in the wrong place,
you've got a 50-50 chance of being eaten.

165

00:17:16,680 --> 00:17:18,762

Ladies. Albert.

166

00:17:25,920 --> 00:17:28,810

You can't possibly still think
there is a danger, John.

167

00:17:32,000 --> 00:17:35,322

And you haven't spoken his name in years.

168

00:17:38,160 --> 00:17:39,491

Talk to me.

169

00:17:41,240 --> 00:17:43,481

Mbonga is not my concern.

170

00:17:44,120 --> 00:17:45,326

You are.

171

00:17:46,000 --> 00:17:47,923

We lost a baby.

172

00:17:48,080 --> 00:17:51,163

The last thing you need is more stress.

173

00:17:53,840 --> 00:17:55,251

Yes, well...

174

00:17:56,320 --> 00:17:58,049

Thank you for the reminder.

175

00:17:59,360 --> 00:18:02,204

Well, in case you forgot,

we both grew up there.

176

00:18:03,560 --> 00:18:05,961

So, perhaps I will fulfill your duties
for the Queen,

177

00:18:06,120 --> 00:18:10,000

and you can stay here hybridizing
coconuts and playing ping-pong.

178

00:18:12,600 --> 00:18:15,046

(SIGHS) I want to go home.

179

00:18:15,200 --> 00:18:16,361

This is our home.

180

00:18:19,280 --> 00:18:21,362

Trying to keep me here won't work!

181

00:18:21,560 --> 00:18:22,686

(OUTER DOOR SLAMS)

182

00:18:23,000 --> 00:18:24,047

(DOOR OPENS)

183

00:18:44,840 --> 00:18:46,330

(CHITTERING)

184

00:19:17,840 --> 00:19:18,841

(GROWLING)

185

00:19:25,920 --> 00:19:26,921

(SCREAMING)

186

00:19:27,960 --> 00:19:29,405

- (ROARING)

- (SCREECHING)

187

00:19:38,600 --> 00:19:39,601

(SCREAMING)

188

00:19:45,760 --> 00:19:46,761

(ROARING)

189

00:19:53,720 --> 00:19:54,960

(GROWLING)

190

00:20:08,400 --> 00:20:09,401

(GROWLS)

191

00:21:45,920 --> 00:21:50,404

JOHN CLAYTON II: John, my son,
you are the heir to Greystoke, our future.

192

00:21:53,080 --> 00:21:55,765

England is your home,
not this wretched place.

193

00:21:57,400 --> 00:21:58,401

If I don't survive,

194

00:22:00,920 --> 00:22:03,321

I pray that someone will save you.

195

00:22:38,800 --> 00:22:39,801

(GRUNTS)

196

00:23:00,600 --> 00:23:03,524

Promise me you'll stay
with the Kuba the whole time.

197

00:23:52,240 --> 00:23:54,129

(GEORGE LAUGHS)

198

00:23:54,200 --> 00:23:55,725

GEORGE: Not a chance, ma'am.

199

00:23:55,880 --> 00:24:00,169

A kick from one of these Walker Colts
is pretty nasty.

200

00:24:00,320 --> 00:24:02,402

As a matter of fact,
that's why they went out of style.

201

00:24:02,560 --> 00:24:05,689

Pretty little ladies like you
kept knocking themselves in the face.

202

00:24:05,760 --> 00:24:06,886

(JANE SCOFFS)

203

00:24:06,960 --> 00:24:09,850

I'll bet I could hit that log
over there, first try.

204

00:24:09,920 --> 00:24:11,046

Oh! (CHUCKLES)

205

00:24:15,480 --> 00:24:16,720

JOHN: Jane?

206

00:25:01,560 --> 00:25:04,166

He's known them since they were cubs.

207

00:25:17,080 --> 00:25:18,445

(INDISTINCT CHATTER)

208

00:25:35,160 --> 00:25:36,969

MAJOR KERCKHOVER:

Force Publique, move aside.

209

00:25:37,120 --> 00:25:39,646

Force Publique, move aside!

210

00:25:41,200 --> 00:25:45,765

I want port of entry, I want port of
disembarkation for every passenger.

211

00:25:45,920 --> 00:25:47,490

Yes, sir. These are the last.

212

00:25:47,640 --> 00:25:49,961

- Sir.

- Thank you. Thank you.

213

00:26:05,320 --> 00:26:06,321

Excuse me, sir.

214

00:26:07,480 --> 00:26:08,641

The ledger.

215

00:26:08,800 --> 00:26:10,290

Yes, thank you.

216

00:26:16,160 --> 00:26:17,321

(TRAIN WHISTLE BLOWS)

217

00:26:32,160 --> 00:26:33,366

(INDISTINCT CHATTER)

218

00:26:37,120 --> 00:26:40,010

MAJOR KERCKHOVER:

Gramophone, Mr. Rom's stateroom.

219

00:26:42,480 --> 00:26:43,561

ROM: Mr. Frum.

220

00:26:45,040 --> 00:26:46,644

Those crates go in the hold.

221

00:26:46,800 --> 00:26:50,771

Champagne? And music?

Your entire operation just fell apart.

222

00:26:50,960 --> 00:26:52,007

Have faith, Mr. Frum.

223

00:26:52,160 --> 00:26:54,049

Faith is for missionaries.

224

00:26:54,200 --> 00:26:55,440

He gave you the slip.

225

00:26:57,320 --> 00:26:59,368

MAJOR KERCKHOVER:

Make sure the rest goes down below.

226

00:27:00,800 --> 00:27:03,883

ROM: Our invitation

has been snubbed, Mr. Frum.

227

00:27:04,040 --> 00:27:08,122

They jumped ship further up the coast,
and they are on their own little tour home.

228

00:27:09,160 --> 00:27:12,926

So, from Boma up to here
will take me three days.

229

00:27:13,080 --> 00:27:16,050

I shall deliver Tarzan and return.

230

00:27:16,200 --> 00:27:17,850

A week's delay.

231

00:27:18,000 --> 00:27:20,526

You're in no position

to ask for anything, Mr. Rom.

232

00:27:20,680 --> 00:27:23,445

Your king's payment was due
three months ago.

233

00:27:23,600 --> 00:27:24,681

Yes.

234

00:27:27,800 --> 00:27:28,801

(BELL RINGING)

235

00:27:32,400 --> 00:27:35,722

I manipulated my firm

to keep this deal alive.

236

00:27:35,920 --> 00:27:38,401

You agreed because you'll get
stinking rich, so don't get trutty.

237

00:27:38,560 --> 00:27:39,846

Now, you must buy us more time.

238

00:27:40,000 --> 00:27:42,128

I already bought all the time...

239

00:27:42,280 --> 00:27:43,441

Look, it's really very easy.

240

00:27:43,640 --> 00:27:46,970

You sail out to the arriving fleet and
tell them payment must be made in Boma

241

00:27:47,120 --> 00:27:48,804

for security reasons.

242

00:28:06,880 --> 00:28:08,450

Opar had better not be a myth.

243

00:28:11,760 --> 00:28:14,889

Bring me the rest,
and you'll have your mercenaries.

244

00:28:15,040 --> 00:28:16,724

But if you fail to make good this time,

245

00:28:16,920 --> 00:28:19,571

my firm will go to the Belgian parliament
for compensation.

246

00:28:19,760 --> 00:28:23,402

Your king will lose this land,
and who do you think he will blame?

247

00:28:23,560 --> 00:28:25,085

Leon Rom?

248

00:28:58,000 --> 00:28:59,365

Tarzan, you look funny.

249

00:28:59,640 --> 00:29:01,130

(CHUCKLES)

250

00:29:01,280 --> 00:29:03,647

(SPEAKING OTHER LANGUAGE)

251

00:29:04,080 --> 00:29:05,366

(LAUGHING)

252

00:29:18,760 --> 00:29:20,046

Wukonseeni!

253

00:29:20,200 --> 00:29:22,282

- Sangonini!

- Janey!

254

00:29:23,000 --> 00:29:24,843

- Sangonini.

- Ton moh nah nah ha lah.

255

00:29:25,360 --> 00:29:26,771

(ALL CHEERING)

256

00:29:27,000 --> 00:29:28,604

(ALL SINGING IN OTHER LANGUAGE)

257

00:29:33,520 --> 00:29:34,521

JANE: Keikoo.

258

00:29:36,400 --> 00:29:37,925

(BOTH SPEAKING OTHER LANGUAGE)

259

00:29:46,560 --> 00:29:47,561

(LAUGHS)

260

00:29:51,320 --> 00:29:52,321

- (SINGING STOPS)

- (ALL CHEERING)

261

00:29:57,880 --> 00:29:58,881

Wasimbu?

262

00:29:59,640 --> 00:30:01,404

Oh, my God!

263

00:30:05,160 --> 00:30:07,845

Janey Porter. Welcome home.

264

00:30:08,720 --> 00:30:10,324

(ALL CONTINUE SINGING IN OTHER LANGUAGE)

265

00:30:17,480 --> 00:30:21,567

WASIMBU: As is custom,
no one has entered until you returned.

266

00:30:30,520 --> 00:30:32,648

This is where Jane grew up.

267

00:30:34,400 --> 00:30:37,210

Her father taught English in the village.

268

00:30:48,480 --> 00:30:50,448

(INDISTINCT CHATTER)

269

00:31:06,400 --> 00:31:09,210

(BOTH SPEAKING OTHER LANGUAGE)

270

00:31:21,440 --> 00:31:23,283

Well, I'm not going to drink
some foaming cup of

271

00:31:23,480 --> 00:31:25,528

you-know-what-it-is-and-won't-tell-me.

272

00:31:26,480 --> 00:31:27,481

(SPEAKING OTHER LANGUAGE)

273

00:31:29,800 --> 00:31:31,086

(ALL LAUGHING)

274

00:31:31,480 --> 00:31:33,608

GEORGE:

That's funny to everybody, huh? Mmm-hmm.

275

00:31:34,960 --> 00:31:36,769

- (COUGHING)

- (ALL LAUGHING)

276

00:31:37,640 --> 00:31:38,641

Whoo!

277

00:31:46,920 --> 00:31:48,809

(PEOPLE SINGING IN OTHER LANGUAGE)

278

00:31:55,520 --> 00:31:57,568

They're singing the legend of Tarzan.

279

00:31:59,560 --> 00:32:02,370

For many moons,

he was thought to be an evil spirit.

280

00:32:03,520 --> 00:32:05,204

A ghost in the trees.

281

00:32:10,960 --> 00:32:12,200

(ROARING)

282

00:32:15,680 --> 00:32:18,365

They speak of his power
over the animals of the jungle.

283

00:32:20,440 --> 00:32:22,647

Because his spirit came from them.

284

00:32:32,920 --> 00:32:34,081

He understood them

285

00:32:37,040 --> 00:32:38,371

and learned to conquer them.

286

00:32:44,640 --> 00:32:48,406

His ape mother, Kala,
loved him as her own,

287

00:32:48,560 --> 00:32:52,246

and his ape brother, Akut,
treated him with kindness and respect.

288

00:32:56,880 --> 00:32:57,881

(EXHALES SHARPLY)

289

00:32:59,560 --> 00:33:02,131

He considered all men to be his enemies,

290

00:33:02,720 --> 00:33:05,929

since other tribes would hunt his troop
as a rite of passage.

291

00:33:08,080 --> 00:33:09,206

(EXHALES SHARPLY)

292

00:33:17,720 --> 00:33:20,371

JANE: Chief Muviro knew what he was.

293

00:33:20,560 --> 00:33:24,961

He was good to him,
since no man ever started with less.

294

00:33:25,320 --> 00:33:26,924

(SINGING CONTINUES)

295

00:33:36,600 --> 00:33:38,443

(INDISTINCT CHATTER)

296

00:33:51,960 --> 00:33:52,961

John?

297

00:33:59,080 --> 00:34:00,764

(JOHN MIMICKING BIRD CALLING)

298

00:34:04,840 --> 00:34:07,366

Blue-bottom rufous towhee.

299

00:34:08,800 --> 00:34:10,723

Mating call.

300

00:34:12,960 --> 00:34:15,042

Be still, my beating heart.

301

00:34:24,920 --> 00:34:26,285

(JOHN MIMICKING BIRD CALLING)

302

00:34:27,000 --> 00:34:28,650

Mandrill.

303

00:34:29,880 --> 00:34:32,121

Also a mating call.

304

00:34:36,960 --> 00:34:38,246

(JOHN GROWLING)

305

00:34:41,120 --> 00:34:42,485

Cheetah.

306

00:34:43,640 --> 00:34:45,005

Mating call.

307

00:34:45,840 --> 00:34:48,969

JANE: Ten, nine,

308

00:34:49,120 --> 00:34:52,010

eight, seven,

309

00:34:53,000 --> 00:34:57,403

six, five, four,

310

00:34:58,680 --> 00:34:59,841

three,

311

00:35:03,600 --> 00:35:04,647

two...

312

00:35:14,880 --> 00:35:17,531

I know you took my handkerchief.

313

00:35:19,000 --> 00:35:21,367

We're from America,

and my father is a professor.

314

00:35:21,520 --> 00:35:24,364

So, I didn't grow up believing in spirits.

315

00:35:33,040 --> 00:35:34,041

Hello.

316

00:35:36,200 --> 00:35:37,725

You're welcome to have it.

317

00:35:40,560 --> 00:35:42,324

Will you speak to me?

318

00:35:57,320 --> 00:35:58,321

Um...

319

00:36:03,960 --> 00:36:04,961

(CHUCKLES)

320

00:36:10,840 --> 00:36:14,526

You must know that this is very peculiar.

321

00:36:14,600 --> 00:36:16,011

(SNIFFS)

322

00:36:16,080 --> 00:36:20,290

I'm not sure my father would
find this very appropriate.

323

00:36:20,360 --> 00:36:22,010

(CONTINUES SNIFFING)

324

00:36:22,080 --> 00:36:23,844

But, um... (CLEARS THROAT)

325

00:36:24,000 --> 00:36:27,288

We must make an effort
to embrace customs...

326

00:36:29,720 --> 00:36:32,166

Oh! I don't think so, wild man!

327

00:36:32,400 --> 00:36:33,686

(EXHALES)

328

00:36:34,400 --> 00:36:35,561

No, no, no. Wait!

329

00:37:19,200 --> 00:37:20,850

(FAINT CRY IN THE DISTANCE)

330

00:37:34,120 --> 00:37:36,168

(PANICKED CHATTER IN OTHER LANGUAGE)

331

00:37:43,520 --> 00:37:45,010

(WOMEN SOBBING)

332

00:37:56,720 --> 00:37:58,210

(SPEAKING OTHER LANGUAGE)

333

00:38:01,880 --> 00:38:04,121

I speak many languages.

334

00:38:05,960 --> 00:38:07,200

(GUN COCKS)

335

00:38:07,280 --> 00:38:08,327

Kneel!

336

00:38:10,160 --> 00:38:13,050

Kuba chief never kneels.

337

00:38:13,240 --> 00:38:14,765

(OFFICERS SHOUTING)

338

00:38:16,240 --> 00:38:18,686

- OFFICER: Down! All of you!

- Get down!

339

00:38:19,320 --> 00:38:20,401

Take aim!

340

00:38:22,200 --> 00:38:23,201

(GROANS)

341

00:38:26,400 --> 00:38:27,970

(OFFICERS CONTINUE SHOUTING)

342

00:38:30,240 --> 00:38:31,730

Come on!

343

00:38:32,320 --> 00:38:33,321

(GUN COCKS)

344

00:38:33,440 --> 00:38:34,441

(GRUNTING)

345

00:38:40,240 --> 00:38:41,241

(CHOKING)

346

00:38:44,640 --> 00:38:45,641

(ALL GRUNTING)

347

00:38:53,400 --> 00:38:54,890

OFFICER: Hold him still!

348

00:39:00,440 --> 00:39:02,363

Tighter! Tighter!

349

00:39:02,440 --> 00:39:03,441

(GRUNTING)

350

00:39:05,160 --> 00:39:08,164

You ain't so tough,
you grotty little monkey boy.

351

00:39:15,760 --> 00:39:17,125

- (GRUNTING)

- (ROPES TIGHTENING)

352

00:39:23,120 --> 00:39:24,849

Some legend, Mr. Rom.

353

00:39:25,000 --> 00:39:27,526

Chief Mbonga will be disappointed.

354

00:39:32,040 --> 00:39:33,644

Round up 10 of the strongest.

355

00:39:34,320 --> 00:39:36,641

- We'll need porters.

- Yes, sir.

356

00:39:37,000 --> 00:39:38,206

This guy right here, sir.

357

00:39:38,280 --> 00:39:39,566

(KUBA PEOPLE PROTESTING)

358

00:39:39,640 --> 00:39:41,642

Grab him, men. You're coming with me!

359

00:39:53,400 --> 00:39:54,447

JANE: Let go of me!

360

00:39:54,960 --> 00:39:56,405

(BREATHING HEAVILY)

361

00:39:58,880 --> 00:40:00,006

John!

362

00:40:00,600 --> 00:40:02,329

- (INDISTINCT CHATTER)

- (JANE GRUNTING)

363

00:40:06,320 --> 00:40:07,606

Get off! John!

364

00:40:07,800 --> 00:40:10,724

Must have been something
the first moment you saw her.

365

00:40:12,200 --> 00:40:14,771

After all the negresses and baboons.

366

00:40:15,120 --> 00:40:16,121

(MIMICKING BABOONS)

367

00:40:16,440 --> 00:40:17,851

(MAJOR KERCKHOVER LAUGHING)

368

00:40:19,680 --> 00:40:20,966

JANE: John!

369

00:40:23,280 --> 00:40:24,645

- (GUN FIRES)

- (GROANS)

370

00:40:30,640 --> 00:40:31,641

(GROANS)

371

00:40:38,160 --> 00:40:39,161

(GUNS COCKING)

372

00:40:44,440 --> 00:40:45,680

(PANICKED CHATTER)

373

00:41:04,800 --> 00:41:05,801

(GRUNTING)

374

00:41:11,040 --> 00:41:13,042

MAJOR KERCKHOVER:

Mr. Rom, we'll bring him down.

375

00:41:13,240 --> 00:41:14,844

Go! Go!

376

00:41:15,480 --> 00:41:16,481

(GRUNTS)

377

00:41:21,280 --> 00:41:22,327

Get the Maxims loaded!

378

00:41:22,880 --> 00:41:23,881

Hurry!

379

00:41:26,760 --> 00:41:27,761

(GROANS)

380

00:41:31,400 --> 00:41:34,609

Focus fire on the boilers.

Below the chimney.

381

00:41:38,400 --> 00:41:39,811

Pull away!

382

00:41:43,360 --> 00:41:44,566

Where do you think you're going?

383

00:41:49,280 --> 00:41:50,691

(JANE BREATHING HEAVILY)

384

00:41:55,720 --> 00:41:57,643

I need you to scream for me.

385

00:42:00,120 --> 00:42:01,690

Like a damsel?

386

00:42:02,360 --> 00:42:03,361

(SPITS)

387

00:42:13,520 --> 00:42:15,170

No matter.

388

00:42:16,120 --> 00:42:18,122

He's Tarzan, you're Jane.

389

00:42:20,760 --> 00:42:22,250

He'll come for you.

390

00:42:25,320 --> 00:42:26,321

(GRUNTS)

391

00:42:37,800 --> 00:42:40,167

John! John!

392

00:42:44,120 --> 00:42:46,088

John! John...

393

00:42:47,760 --> 00:42:48,761

(GASPING)

394

00:43:04,000 --> 00:43:05,843

(WOMEN SOBBING)

395

00:43:11,320 --> 00:43:12,810

They came for me, Kwete.

396

00:43:12,960 --> 00:43:14,405

KWETE: This was not done by you.

397

00:43:16,480 --> 00:43:17,845

Do you know who they were?

398

00:43:18,600 --> 00:43:21,285

We've heard of whites
that come and fight for money,

399

00:43:21,440 --> 00:43:23,010

do not wear Belgian colors...

400

00:43:23,200 --> 00:43:24,531

Called Force Publique.

401

00:43:25,640 --> 00:43:28,166

The man I interviewed in Belgium

told me about them.

402

00:43:28,320 --> 00:43:29,845

Did anyone mention a man named Rom?

403

00:43:31,120 --> 00:43:32,645

Nobody gave up any names.

404

00:43:32,800 --> 00:43:36,930

But Leon Rom

is King Leopold's envoy to the Congo.

405

00:43:38,480 --> 00:43:39,606

Any other revelations?

406

00:43:40,680 --> 00:43:42,205

Not from me.

407

00:43:43,160 --> 00:43:44,491

Why do you say they came to get you?

408

00:43:49,880 --> 00:43:50,881

(GRUNTS)

409

00:43:52,200 --> 00:43:56,205

JOHN: The boat is traveling upstream,
which will slow it down.

410

00:43:56,400 --> 00:43:58,482

We should get to Mbonga's mountain
before them

411

00:43:58,640 --> 00:44:01,564

if we take this route
through the Mangani lands.

412

00:44:01,720 --> 00:44:02,801

How do you know where they're going?

413

00:44:02,960 --> 00:44:05,122

- KWETE: This route...

- JOHN: It's longer.

414

00:44:05,280 --> 00:44:07,044

But it is where they are building

the railroad.

415

00:44:07,200 --> 00:44:08,850

We can ride it part of the way.

416

00:44:10,240 --> 00:44:11,241

Good.

417

00:44:13,280 --> 00:44:14,520

GEORGE: John?

418

00:44:15,400 --> 00:44:16,731

John?

419

00:44:18,000 --> 00:44:19,490

John!

420

00:44:20,360 --> 00:44:22,567

Fine! I'm still coming with you.

421

00:44:23,400 --> 00:44:24,845

You can't keep up.

422

00:44:25,000 --> 00:44:28,730

I might not be able to keep up with Tarzan,
but I sure as hell can keep up with you.

423

00:44:28,880 --> 00:44:30,086

It is not wise.

424

00:44:30,240 --> 00:44:31,844

Falling behind means certain death.

425

00:44:32,000 --> 00:44:33,889

I spent over half my life in the wilds.

426

00:44:34,040 --> 00:44:36,247

Besides, nobody here
is better than me with a rifle.

427

00:44:36,440 --> 00:44:39,728

That one right there, he'd still be
choked out redder than a cardinal's ass

428

00:44:39,880 --> 00:44:41,450

if it weren't for me. And that's...

429

00:44:41,760 --> 00:44:42,807

(YELPS)

430

00:44:42,880 --> 00:44:44,325

You think I care about my life?

431

00:44:44,480 --> 00:44:45,766

Get your mitts off me!

432

00:44:46,360 --> 00:44:48,681

- If you had just...

- If I'd just what?

433

00:44:48,840 --> 00:44:50,490

Left you in England in your castle?

434

00:44:51,800 --> 00:44:55,805

They have my wife and their families.

435

00:45:47,840 --> 00:45:52,323

Whoever you are,
we're here by royal invitation.

436

00:45:52,520 --> 00:45:54,682

As guests of King Leopold.

437

00:45:55,760 --> 00:45:59,162

Lady Clayton,
I orchestrated the invitation.

438

00:46:00,480 --> 00:46:02,209

And you were not included.

439

00:46:03,160 --> 00:46:05,162

Nor was Dr. Williams.

440

00:46:07,880 --> 00:46:12,363

A tribe of savages
is trying to tear your husband apart

441

00:46:12,520 --> 00:46:14,409

and maybe butcher him and eat him.

442

00:46:15,080 --> 00:46:17,128

And I'm going to deliver him to them.

443

00:46:17,280 --> 00:46:18,691

And once they've dispatched with him,

444

00:46:18,880 --> 00:46:21,201

(LAUGHING)

Dr. Williams will not be left as a witness,

445

00:46:21,360 --> 00:46:22,600

that's clear.

446

00:46:25,000 --> 00:46:26,843

Which begs the question,

447

00:46:27,920 --> 00:46:29,809

where does that leave you?

448

00:46:36,800 --> 00:46:39,804

You'll notice

none of the natives are smiling.

449

00:46:47,120 --> 00:46:49,043

That one's your friend?

450

00:46:51,240 --> 00:46:52,241

They all are.

451

00:47:00,640 --> 00:47:02,927

You do know

that the right side of your mustache

452

00:47:03,080 --> 00:47:05,447

is just a little lower than the left?

453

00:47:30,640 --> 00:47:31,641

(PANTING)

454

00:47:43,120 --> 00:47:44,690

(GEORGE WHEEZING)

455

00:47:46,720 --> 00:47:47,767

(GROWLS)

456

00:47:48,480 --> 00:47:49,845

GEORGE: John!

457

00:47:50,000 --> 00:47:51,570

John!

458

00:48:05,160 --> 00:48:06,889

(GEORGE PANTING)

459

00:48:09,040 --> 00:48:10,041

(COUGHING)

460

00:48:15,120 --> 00:48:16,121

Different kind of wilds.

461

00:48:23,480 --> 00:48:24,720

(TRAIN WHISTLE BLOWS IN THE DISTANCE)

462

00:48:26,160 --> 00:48:28,640

How are we supposed to catch

a train going 40 miles an hour?

463

00:48:33,160 --> 00:48:34,685

Gravity.

464

00:48:50,440 --> 00:48:51,521

Shit!

465

00:48:53,320 --> 00:48:54,321

(GEORGE SCREAMING)

466

00:48:54,560 --> 00:48:56,289

(GEORGE GROANING)

467

00:49:01,840 --> 00:49:02,841

(PANTING)

468

00:49:23,760 --> 00:49:24,966

(TRAIN WHISTLE BLOWING)

469

00:49:31,680 --> 00:49:32,681

(PANTING)

470

00:49:58,680 --> 00:50:00,125

Climb on my back.

471

00:50:04,120 --> 00:50:05,121

(GEORGE GRUNTS)

472

00:50:05,280 --> 00:50:06,611

Right. Legs, too.

473

00:50:08,080 --> 00:50:09,081

(GRUNTING)

474

00:50:12,360 --> 00:50:15,125

Don't think for a second
you're saving my life.

475

00:50:17,240 --> 00:50:18,685

(TRAIN WHISTLE BLOWING)

476

00:50:21,960 --> 00:50:23,041

(GEORGE SCREAMING)

477

00:50:40,120 --> 00:50:41,121

(THUDDING)

478

00:51:26,840 --> 00:51:28,171

(ALL GRUNTING)

479

00:51:40,800 --> 00:51:41,801

(GRUNTS)

480

00:51:46,840 --> 00:51:49,081

Give me the keys to the chains.

481

00:51:49,280 --> 00:51:50,281

(GLASS SHATTERING)

482

00:51:57,880 --> 00:51:58,881

(BOTH GRUNTING)

483

00:52:04,240 --> 00:52:05,241

JOHN: Are you the commander?

484

00:52:05,400 --> 00:52:06,447

Don't tell him anything.

485

00:52:07,680 --> 00:52:08,681

(GUN COCKING)

486

00:52:08,760 --> 00:52:11,684

Those are some mighty big earlobes
you got there, son.

487

00:52:14,200 --> 00:52:15,201

(GUN FIRES)

488

00:52:17,880 --> 00:52:20,247

Do you think that was a lucky shot?

489

00:52:21,200 --> 00:52:24,807

(BOTH SPEAKING FRENCH)

490

00:52:27,080 --> 00:52:28,525

I'm just an engineer for the bridge.

491

00:52:29,800 --> 00:52:32,644

And how many men
have been enslaved to build your bridge?

492

00:52:33,920 --> 00:52:35,445

Eight hundred.

493

00:52:35,600 --> 00:52:38,001

Plus, this group of natives.

494

00:52:38,160 --> 00:52:41,323

Please, I'm here to build bridges
for Monsieur Rom's new army.

495

00:52:41,480 --> 00:52:42,686

I have no part in that.

496

00:52:43,840 --> 00:52:44,921

What army?

497

00:52:50,920 --> 00:52:54,122

ENGINEER: The railroads,

combined with the navigable rivers

498

00:52:55,240 --> 00:52:59,768

put 60% of Congo

within three days of a fort.

499

00:53:01,920 --> 00:53:04,605

The forts are done,

but the army has not come.

500

00:53:04,760 --> 00:53:06,000

Where are they?

501

00:53:06,200 --> 00:53:07,281

I don't know.

502

00:53:07,920 --> 00:53:09,570

They were supposed to be here months ago.

503

00:53:10,240 --> 00:53:12,561

But they said

the King is yet to pay for them.

504

00:53:12,720 --> 00:53:14,165

How many are there?

505

00:53:16,560 --> 00:53:17,766

Twenty thousand.

506

00:53:19,280 --> 00:53:21,328

And they are not regular soldiers.

507

00:53:22,440 --> 00:53:24,283

They are mercenaries.

508

00:53:24,800 --> 00:53:26,882

Known to enjoy killing for a living.

509

00:53:27,040 --> 00:53:29,008

Twenty thousand men, 50 forts.

510

00:53:29,160 --> 00:53:33,643

That's 400 bloodthirsty bastards
armed with a Maxim gun

511

00:53:33,800 --> 00:53:35,802

and repeating rifles at each one.

512

00:53:35,960 --> 00:53:39,806

He'll end up enslaving the entire country
to get what he wants.

513

00:53:40,480 --> 00:53:42,164

People won't stand a chance.

514

00:53:43,680 --> 00:53:45,523

What is Mr. Rom's part in this?

515

00:53:45,680 --> 00:53:48,923

It's his plan.

He is in charge of all of it.

516

00:53:51,600 --> 00:53:54,809

They expect

he will be named Governor General soon.

517

00:54:02,760 --> 00:54:04,171

JANE: No, no, no. Wait!

518

00:54:10,320 --> 00:54:11,890

Wait! Please!

519

00:54:21,840 --> 00:54:22,841

(ROARING)

520

00:54:23,160 --> 00:54:24,161

(GASPS)

521

00:54:27,840 --> 00:54:28,841

(ROARING)

522

00:54:38,160 --> 00:54:40,242

(GROANING)

523

00:54:56,720 --> 00:54:57,721

(WAILING)

524

00:55:23,720 --> 00:55:25,210

(WAILING)

525

00:55:31,840 --> 00:55:32,921

(CONTINUES WAILING)

526

00:55:55,240 --> 00:55:56,241

(GUNS COCKING)

527

00:56:00,360 --> 00:56:01,521

(SPEAKING OTHER LANGUAGE)

528

00:56:01,720 --> 00:56:03,324

Shut it, clucker!

529

00:56:10,080 --> 00:56:11,081

(MEN LAUGHING)

530

00:56:11,160 --> 00:56:15,768

Now, if you do

anything unladylike in there,

531

00:56:17,200 --> 00:56:18,804

he drowns.

532

00:56:38,160 --> 00:56:39,764

JANE: Enjoying your peep show?

533

00:56:43,160 --> 00:56:46,528

Of course I know

you can see me, Lady Clayton.

534

00:57:00,000 --> 00:57:02,207

Are you a religious man, Mr. Rom?

535

00:57:02,360 --> 00:57:04,840

Oh. No. Madagascar spider silk.

536

00:57:08,160 --> 00:57:12,490

My priest purchased it for me

in Jerusalem when I was nine.

537

00:57:13,360 --> 00:57:16,204

Sounds like you and your priest

were awfully close.

538

00:57:16,880 --> 00:57:17,927

Why?

539

00:57:25,680 --> 00:57:30,488

I want you to know, I think your husband
had no right to bring you along.

540

00:57:30,640 --> 00:57:31,880

I brought myself, Mr. Rom.

541

00:57:32,040 --> 00:57:33,246

Of course.

542

00:57:33,400 --> 00:57:35,880

But he was supposed to be
the only casualty.

543

00:57:36,040 --> 00:57:39,840

Aside from the entire country of people
you're enslaving, of course.

544

00:57:41,320 --> 00:57:42,321

Would you pass the pepper?

545

00:57:49,200 --> 00:57:50,201

(GROANING)

546

00:58:15,960 --> 00:58:18,201

It can also serve as a necklace.

547

00:58:18,280 --> 00:58:19,406

(JANE SCOFFS)

548

00:58:30,720 --> 00:58:35,760

On my last visit to Europe,
I attended a few lectures at the Sorbonne.

549

00:58:36,440 --> 00:58:39,410

The King of France got a soft clap.

550

00:58:39,560 --> 00:58:41,722

Henry Morton Stanley,
a bastard orphan by birth,

551

00:58:41,880 --> 00:58:43,484

got a standing ovation.

552

00:58:44,640 --> 00:58:45,641

(CHUCKLES)

553

00:58:47,120 --> 00:58:49,009

People love a good story.

554

00:58:50,720 --> 00:58:54,327

Yeah, a few are born blue bloods,
like your husband.

555

00:58:57,960 --> 00:59:00,440

But everyone can relate
to a low-born scrapper

556

00:59:00,640 --> 00:59:04,281

who rescued his king from bankruptcy
and saved the honor of his nation.

557

00:59:04,440 --> 00:59:06,841

That is a man who will never be forgotten.

558

00:59:11,560 --> 00:59:14,131

My king's army is due in six days.

559

00:59:14,560 --> 00:59:17,803

All I've left to do

is deliver Tarzan to Chief Mbonga.

560

00:59:20,520 --> 00:59:23,922

(CHUCKLES)

Yeah, I'd hoped you'd recognize the name.

561

00:59:26,320 --> 00:59:29,483

I'm aware of his obsessive desire

to kill your husband,

562

00:59:29,640 --> 00:59:31,563

but I've yet to discover the cause.

563

00:59:31,720 --> 00:59:34,007

What did Tarzan do?

564

00:59:35,960 --> 00:59:38,008

He killed his only son.

565

00:59:41,200 --> 00:59:42,770

- Oh.

- Hmm.

566

00:59:45,880 --> 00:59:51,171

And get ready, because that is nothing
compared to what he will do to you.

567

00:59:52,520 --> 00:59:54,010

(INHALES DEEPLY)

568

00:59:55,200 --> 01:00:00,206

Your husband's wildness disturbs me
more than I can easily express.

569

01:00:01,680 --> 01:00:04,251

Whereas your spirit...

570

01:00:17,080 --> 01:00:19,560

My knife, please.

571

01:00:21,040 --> 01:00:22,565

Slowly.

572

01:00:22,760 --> 01:00:24,762

Your friend won't float.

573

01:00:35,040 --> 01:00:36,565

Thank you.

574

01:00:40,560 --> 01:00:41,561

(RINGS BELL)

575

01:00:42,560 --> 01:00:43,561

(DOOR OPENS)

576

01:00:46,960 --> 01:00:49,088

Lady Clayton's finished.

577

01:00:49,280 --> 01:00:50,281

(SCOFFS)

578

01:00:51,240 --> 01:00:55,211

A normal man can do the impossible
to save the woman he loves.

579

01:00:56,240 --> 01:00:59,050

My husband is no normal man.

580

01:01:03,560 --> 01:01:04,561

(DOOR CLOSES)

581

01:01:15,800 --> 01:01:17,245

(BRAKES SCREECHING)

582

01:01:28,760 --> 01:01:30,489

KWETE: You cannot go alone.

583

01:01:30,640 --> 01:01:32,847

They'd consider seven a raid.

584

01:01:33,600 --> 01:01:35,284

None of us would survive.

585

01:01:37,760 --> 01:01:40,889

This says it's against the law
to pay natives to work.

586

01:01:41,040 --> 01:01:44,522

And this is the ledger
of all the slaves taken so far.

587

01:01:44,720 --> 01:01:47,041

Slave labor, diamonds everywhere.

588

01:01:47,200 --> 01:01:51,091

Rom's going to make his monarch
the richest king in the world.

589

01:01:51,240 --> 01:01:52,685

Dr. Williams, you have your evidence.

590

01:01:54,480 --> 01:01:56,562

I'll take care of Rom.

591

01:01:57,760 --> 01:02:00,240

(SPEAKING OTHER LANGUAGE)

592

01:02:01,560 --> 01:02:03,801

Well, I have no choice.

593

01:02:03,960 --> 01:02:05,564

We'd lose two days going around.

594

01:02:05,720 --> 01:02:08,166

- Going around what?

- Mangani.

595

01:02:08,320 --> 01:02:10,800

Those gorillas you used to live with?

596

01:02:10,960 --> 01:02:12,166

They're not gorillas.

597

01:02:12,320 --> 01:02:14,891

Gorillas are gentle. Mangani are not.

598

01:02:23,000 --> 01:02:25,844

I never left a friend in trouble,

or a partner in the lurch.

599

01:02:26,000 --> 01:02:28,207

I'm not about to start now.

600

01:02:28,360 --> 01:02:30,806

Stop calling me "doctor."

My name's George.

601

01:02:31,400 --> 01:02:34,529

We'll keep your proof safe, George.

602

01:02:34,680 --> 01:02:35,681

I know.

603

01:02:36,800 --> 01:02:38,404

Meet us in Boma.

604

01:02:39,080 --> 01:02:40,081

If we don't make it back...

605

01:02:40,240 --> 01:02:42,641

We will. With your families.

606

01:02:42,800 --> 01:02:44,404

...get the books

to my grandfather in London.

607

01:02:46,000 --> 01:02:47,047

Still not waiting for you.

608

01:02:47,240 --> 01:02:48,480

Tell me something I didn't know.

609

01:02:48,680 --> 01:02:49,841

(ALL CHEERING)

610

01:03:01,280 --> 01:03:03,681

What I wouldn't give

for a horse right now.

611

01:03:05,200 --> 01:03:07,168

Why is it people don't ride zebras?

612

01:03:07,800 --> 01:03:09,882

Well, horses kick to escape.

613

01:03:10,040 --> 01:03:12,008

Zebras continue until you're dead.

614

01:03:12,920 --> 01:03:14,445

"Zee-bra," "zeb-ra."

"Tom-ay-to," "to-mah-to."

615

01:03:14,640 --> 01:03:17,371

It's nearly impossible to take the wild
out of something born to it.

616

01:03:17,560 --> 01:03:19,130

It seemed to have worked with you.

617

01:03:20,720 --> 01:03:23,644

Look, I feel foolish for asking,

618

01:03:24,320 --> 01:03:26,766

but can you really talk to the animals?

619

01:03:26,920 --> 01:03:30,402

You're an educated man, Dr. Williams.

You tell me.

620

01:03:32,320 --> 01:03:33,526

(OSTRICHES TRILLING)

621

01:03:39,400 --> 01:03:40,561

(SQUAWKING)

622

01:03:41,720 --> 01:03:43,449

(LAUGHING NERVOUSLY)

Hey! Hey, pretty lady!

623

01:03:46,320 --> 01:03:48,322

That's a male.

624

01:03:48,480 --> 01:03:50,244

He's warning us to stay clear.

625

01:03:51,400 --> 01:03:55,086

You're trying to tell me

those things are deadly?

626

01:03:55,240 --> 01:03:57,004

If you get too close,
he'll knock you to the ground

627

01:03:57,160 --> 01:03:59,481

and disembowel you
with those three-inch talons.

628

01:04:01,040 --> 01:04:02,644

No ostrich is going to kill me.

629

01:04:03,720 --> 01:04:05,370

Well, then try and ride him.

630

01:04:05,640 --> 01:04:08,166

(SCOFFS) You'd like that, wouldn't you?

631

01:04:08,920 --> 01:04:09,921

(SQUAWKS)

632

01:04:13,520 --> 01:04:14,521

Oh...

633

01:04:14,920 --> 01:04:16,763

(THUNDER RUMBLING)

634

01:04:25,120 --> 01:04:28,841

GEORGE: Damn!

That is one odious aroma. Whew, God!

635

01:04:29,000 --> 01:04:30,809

JOHN: Keep your voice low.

636

01:04:31,680 --> 01:04:33,364

(MANGANI GRUNTING)

637

01:04:35,160 --> 01:04:36,605

Is that them?

638

01:04:40,600 --> 01:04:42,329

(GROWLS)

639

01:04:42,920 --> 01:04:44,410

You don't want to do that, George.

640

01:04:44,960 --> 01:04:47,804

Kill one, and the rest won't stop
until they have torn you to pieces.

641

01:04:50,240 --> 01:04:51,765

So how do you want to play this, then?

642

01:04:52,360 --> 01:04:55,648

Their leader will come down,
and we'll fight.

643

01:04:57,480 --> 01:04:59,209

You're going to fight one of those?

644

01:04:59,360 --> 01:05:02,489

I wish. I have to fight Akut.

645

01:05:04,200 --> 01:05:06,123

He was my brother once.

646

01:05:06,760 --> 01:05:08,285

And now he'll consider me a deserter.

647

01:05:08,920 --> 01:05:12,288

Whatever happens, do not interfere.

648

01:05:13,160 --> 01:05:14,491

Understand?

649

01:05:14,560 --> 01:05:15,561

Mmm-hmm.

650

01:05:21,280 --> 01:05:22,520

GEORGE: Christ Almighty.

651

01:05:25,600 --> 01:05:27,011

That's Akut?

652

01:05:28,000 --> 01:05:30,207

You sure you don't want me to shoot him?

653

01:05:34,000 --> 01:05:35,490

Promise me.

654

01:05:38,840 --> 01:05:40,604

(EXHALING SHARPLY)

655

01:05:43,680 --> 01:05:45,523

(GROWLING)

656

01:05:47,720 --> 01:05:48,721

(GRUNTS)

657

01:05:59,520 --> 01:06:00,567

(ROARING)

658

01:06:13,560 --> 01:06:14,686

(GROANING)

659

01:06:20,760 --> 01:06:21,886

(GROANING LOUDLY)

660

01:06:33,400 --> 01:06:34,845

(GRUNTING)

661

01:06:49,920 --> 01:06:51,809

(GROANING)

662

01:06:59,920 --> 01:07:01,888

Get on your knees and bow.

663

01:07:02,440 --> 01:07:04,283

Right now!

664

01:07:04,920 --> 01:07:06,968

Expose your most vulnerable parts!

665

01:07:16,360 --> 01:07:17,361

(ROARING)

666

01:07:22,120 --> 01:07:24,282

(PANTING)

You want me to lick his nuts, too?

667

01:07:24,440 --> 01:07:25,965

If you want to live.

668

01:07:27,600 --> 01:07:28,806

George...

669

01:07:28,960 --> 01:07:30,121

I wasn't going to!

670

01:07:31,120 --> 01:07:32,485

Well, it looked like you were.

671

01:07:32,800 --> 01:07:33,801

(GRUNTING)

672

01:07:40,840 --> 01:07:42,842

(GROANING)

673

01:07:48,040 --> 01:07:49,041

(PANTING)

674

01:07:52,160 --> 01:07:53,491

GEORGE: Is he coming back?

675

01:07:53,720 --> 01:07:57,122

No. It was quite decisive.

676

01:07:57,280 --> 01:07:59,760

If this bite gets infected,
you're going to have problems.

677

01:08:00,320 --> 01:08:01,321

Then there is this.

678

01:08:06,040 --> 01:08:08,407

Now, you know

I was not going to lick his...

679

01:08:08,600 --> 01:08:09,601

It looked like you were.

680

01:08:09,680 --> 01:08:10,920

- Well, I wasn't.

- (GROANS LOUDLY)

681

01:08:15,240 --> 01:08:18,847

You aren't going anywhere
until we get this stitched up.

682

01:08:24,720 --> 01:08:26,529

Are you eating them?

683

01:08:27,040 --> 01:08:29,407

- Tastes like bacon.

- Ew.

684

01:08:29,480 --> 01:08:31,687

You get us a nice, fat snake,
I'd grub on that.

685

01:08:31,840 --> 01:08:35,162

Snake's good meat.

I ain't eating no damn ant.

686

01:08:35,320 --> 01:08:37,084

Well, suit yourself.

687

01:08:38,240 --> 01:08:39,605

And when you're finished,

688

01:08:39,800 --> 01:08:43,088

chew the flowers into a poultice
and wipe it on the cut with a rubber.

689

01:08:44,360 --> 01:08:45,850

It'll hold.

690

01:08:48,840 --> 01:08:52,008

Are you aware that you always say you're not
going to do something right before you do it?

691

01:08:52,160 --> 01:08:54,128

Yeah? Well...

692

01:08:54,280 --> 01:08:56,169

That's only since I've been saddled
with your company.

693

01:08:59,760 --> 01:09:01,046

How is it?

694

01:09:01,240 --> 01:09:02,844

It's manageable.

695

01:09:03,480 --> 01:09:04,766

Pain...

696

01:09:06,960 --> 01:09:09,122

I got too much experience with it.

697

01:09:15,680 --> 01:09:16,761

(SIGHS)

698

01:09:16,880 --> 01:09:19,247

The Civil War was dark fighting.

699

01:09:20,880 --> 01:09:22,769

But I was proud to be part of it.

700

01:09:25,120 --> 01:09:26,929

Changed me, though.

701

01:09:27,960 --> 01:09:31,646

Afterward, I was
a walking, talking powder keg.

702

01:09:34,440 --> 01:09:37,603

Joined up to fight
Maximilian down in Mexico.

703

01:09:39,480 --> 01:09:43,041

Then worked as an Indian fighter.

704

01:09:44,400 --> 01:09:46,562

Did both those for the money.

705

01:09:48,920 --> 01:09:50,684

I was young.

706

01:09:51,520 --> 01:09:53,409

But that's no excuse.

707

01:09:55,520 --> 01:09:56,521

(SIGHS)

708

01:09:58,560 --> 01:10:00,164

Mexico was bad.

709

01:10:02,280 --> 01:10:04,487

But what we did to the Indians...

710

01:10:04,560 --> 01:10:05,561

(SCOFFS)

711

01:10:14,480 --> 01:10:16,482

I'm no better than those Belgians.

712

01:10:19,520 --> 01:10:21,204

(ELEPHANTS TRUMPETING)

713

01:10:46,000 --> 01:10:47,490

My old friend.

714

01:11:04,000 --> 01:11:07,800

The Teke say an elephant's eyes
speak the greatest language.

715

01:11:10,600 --> 01:11:13,410

What else can make you feel so much
without a word?

716

01:11:14,040 --> 01:11:15,326

(BABY ELEPHANT TRUMPETING)

717

01:12:14,400 --> 01:12:15,481

(HIPPOS SNORTING AND GRUNTING)

718

01:12:33,760 --> 01:12:36,889

Is Mr. Rom ready
for some more scintillating conversation?

719

01:12:38,120 --> 01:12:41,841

He was the only reason
you weren't serviced.

720

01:12:42,040 --> 01:12:43,644

JANE: Serviced?

721

01:12:43,800 --> 01:12:45,768

Is that what your mother would call it?

722

01:12:49,640 --> 01:12:52,405

(SPEAKING OTHER LANGUAGE)

723

01:12:52,560 --> 01:12:53,607

Shut your mouth!

724

01:13:00,360 --> 01:13:01,805

(INHALES DEEPLY)

725

01:13:03,960 --> 01:13:04,961

(GRUNTING)

726

01:13:07,480 --> 01:13:10,643

MAJOR KERCKHOVER:

Stop the boat! Stop the boat!

727

01:13:10,880 --> 01:13:12,291

Turn it around!

728

01:13:14,000 --> 01:13:15,206

(BOAT WHISTLE BLOWING)

729

01:13:18,160 --> 01:13:19,366

(PULLING UP CAGE)

730

01:13:19,480 --> 01:13:20,641

(GRUNTING)

731

01:13:29,120 --> 01:13:30,121

(GASPING)

732

01:13:34,080 --> 01:13:37,004

Stop shooting! You'll hit the girl!

733

01:13:49,160 --> 01:13:50,571

That woman.

734

01:13:51,640 --> 01:13:53,005

(BOTH PANTING)

735

01:14:06,520 --> 01:14:08,090

(BIRDS SQUAWKING)

736

01:14:21,720 --> 01:14:22,721

Wait!

737

01:14:23,760 --> 01:14:26,604

They'll follow my tracks. Go and get help.

738

01:14:26,880 --> 01:14:27,881

Go!

739

01:14:33,680 --> 01:14:34,681

(GASPS)

740

01:14:36,120 --> 01:14:37,360

(ROARING)

741

01:15:27,120 --> 01:15:28,281

(GROWLING)

742

01:15:49,760 --> 01:15:50,841

(GROWLING)

743

01:15:59,480 --> 01:16:01,448

JANE: Promise you won't hurt them?

744

01:16:17,640 --> 01:16:19,847

- (GUN FIRES)

- No! Stop!

745

01:16:32,840 --> 01:16:34,410

(DISTANT SCREAMING)

746

01:16:37,960 --> 01:16:39,769

JANE: Please, stop!

747

01:16:41,360 --> 01:16:42,202

John!

748

01:16:42,560 --> 01:16:43,561

(PANTING)

749

01:16:50,680 --> 01:16:53,365

JANE: Stop! Stop it! Stop!

750

01:16:55,640 --> 01:16:56,641

(GRUNTING)

751

01:17:00,080 --> 01:17:01,286

Stop it! Please!

752

01:17:04,840 --> 01:17:07,002

Please! Please!

753

01:17:07,160 --> 01:17:08,207

Come on!

754

01:17:08,360 --> 01:17:09,691

MAJOR KERCKHOVER: Move out!

755

01:17:12,320 --> 01:17:13,606

(GROWLING)

756

01:17:26,200 --> 01:17:27,201

(PANTING)

757

01:17:36,720 --> 01:17:37,721

(ROARING)

758

01:17:38,160 --> 01:17:39,161

(GUN COCKING)

759

01:17:39,440 --> 01:17:40,680

(BREATHING SHAKILY)

760

01:17:52,600 --> 01:17:53,601

(GROWLS)

761

01:17:55,720 --> 01:17:56,721

(PANTING)

762

01:18:03,160 --> 01:18:04,207

(WHIMPERING)

763

01:18:16,000 --> 01:18:17,365

(RUSTLING)

764

01:18:25,000 --> 01:18:26,001

(TWIG SNAPS)

765

01:18:26,200 --> 01:18:27,201

(GASPS)

766

01:18:27,280 --> 01:18:28,281

(GROWLING)

767

01:18:28,800 --> 01:18:30,802

- (ROARS)

- (JOHN GRUNTING)

768

01:18:56,640 --> 01:18:58,290

(JOHN ULULATING)

769

01:19:01,440 --> 01:19:03,522

MAJOR KERCKHOVER: What was that?

770

01:19:04,160 --> 01:19:05,207

ROM: Tarzan.

771

01:19:05,920 --> 01:19:08,082

Although it sounded
different than I thought.

772

01:19:09,400 --> 01:19:10,401

Better.

773

01:19:12,960 --> 01:19:14,564

(GEORGE PANTING)

774

01:19:25,000 --> 01:19:26,126

Schmidt-Rubin.

775

01:19:26,320 --> 01:19:27,321

(GUN COCKING)

776

01:19:32,240 --> 01:19:33,446

John!

777

01:19:35,520 --> 01:19:36,521

John!

778

01:19:37,360 --> 01:19:38,361

Stop!

779

01:20:02,080 --> 01:20:03,445

(KALA SHRIEKING)

780

01:20:06,880 --> 01:20:07,881

(WHIMPERS)

781

01:20:22,600 --> 01:20:24,125

(EXHALING SHARPLY)

782

01:20:37,840 --> 01:20:38,841

(GASPS)

783

01:20:48,120 --> 01:20:49,121

(GRUNTS)

784

01:21:01,600 --> 01:21:02,806

(BREATHING HEAVILY)

785

01:21:54,720 --> 01:21:55,721

(GRUNTING)

786

01:22:02,200 --> 01:22:03,486

JANE: John!

787

01:22:10,960 --> 01:22:13,930

Now, you feel my pain.

788

01:22:16,560 --> 01:22:17,561

(YELLING)

789

01:22:30,120 --> 01:22:31,121

(ALL GRUNTING)

790

01:22:39,720 --> 01:22:41,006

(YELLS)

791

01:22:47,120 --> 01:22:48,929

(PANTING)

792

01:22:50,920 --> 01:22:52,604

(MBONGA CONTINUES YELLING)

793

01:23:16,520 --> 01:23:17,521

(BOTH PANTING)

794

01:23:21,760 --> 01:23:22,761

JOHN: I'm not your enemy.

795

01:23:22,920 --> 01:23:24,888

Rom's buying an army with your jewels.

796

01:23:25,040 --> 01:23:27,611

- They cannot touch us!

- You know nothing!

797

01:23:27,760 --> 01:23:30,764

Your lands are full of diamonds.

He'll come back for them.

798

01:23:31,520 --> 01:23:32,521

(GROANING)

799

01:24:00,280 --> 01:24:01,281

(GRUNTS)

800

01:24:01,440 --> 01:24:03,204

Your chief is under my knife!

801

01:24:03,960 --> 01:24:05,405

You are under my knife!

802

01:24:07,520 --> 01:24:09,124

Finish it.

803

01:24:09,280 --> 01:24:10,691

Finish it!

804

01:24:10,840 --> 01:24:11,966

Stop!

805

01:24:13,280 --> 01:24:15,089

(BOTH PANTING)

806

01:24:19,080 --> 01:24:22,004

Your son killed the only person

who ever cared about me.

807

01:24:22,200 --> 01:24:23,247

It was an animal.

808

01:24:23,400 --> 01:24:26,165

She was my mother.

809

01:24:29,360 --> 01:24:30,885

MBONGA: How was he to know?

810

01:24:32,800 --> 01:24:35,406

My son was just a boy!

811

01:24:36,080 --> 01:24:37,844

Not like you!

812

01:24:40,880 --> 01:24:43,008

Where was your honor?

813

01:24:55,200 --> 01:24:56,884

I had none.

814

01:24:59,120 --> 01:25:00,485

I had none.

815

01:25:02,400 --> 01:25:03,401

(AKUT ROARING)

816

01:25:23,320 --> 01:25:24,845

(MANGANI ROARING)

817

01:25:40,120 --> 01:25:42,691

GEORGE: Can we please just stop this?

818

01:25:42,840 --> 01:25:46,561

We won't get all of you, or you us.

819

01:25:46,720 --> 01:25:47,801

But Rom will.

820

01:25:48,720 --> 01:25:50,722

GEORGE: He'll wipe you out.

821

01:25:50,880 --> 01:25:54,327

Every last one of you.

Like you never even existed.

822

01:25:57,040 --> 01:25:59,168

You think that's impossible?

823

01:25:59,800 --> 01:26:02,326

You're looking at a man

that's seen it happen.

824

01:26:21,120 --> 01:26:22,485

(BREATHING SHAKILY)

825

01:26:30,480 --> 01:26:32,369

(JOHN ULULATING)

826

01:26:43,400 --> 01:26:45,084

(SIGHING IN RELIEF)

827

01:27:17,120 --> 01:27:18,326

(INDISTINCT CHATTER)

828

01:27:36,120 --> 01:27:37,360

Rom's got the diamonds.

829

01:27:37,560 --> 01:27:40,325

There's 1,000 men down there
and 20,000 more on the way.

830

01:27:41,200 --> 01:27:42,281

We're screwed.

831

01:27:42,480 --> 01:27:43,527

Where are you going?

832

01:27:43,680 --> 01:27:45,011

To get some friends.

833

01:27:46,680 --> 01:27:48,045

(TRAIN WHISTLE BLOWING)

834

01:28:04,120 --> 01:28:05,724

SOLDIER: All men, stations!

835

01:28:12,800 --> 01:28:14,131

(SHIP WHISTLE BLOWING)

836

01:28:31,880 --> 01:28:32,881

(GUN FIRES)

837

01:28:34,120 --> 01:28:35,406

(ROARING)

838

01:29:02,880 --> 01:29:05,770

It doesn't matter. He's too late.

839

01:29:16,800 --> 01:29:18,370

Move! Move!

840

01:29:18,520 --> 01:29:19,726

Fall back!

841

01:29:28,440 --> 01:29:29,441

(ROARS)

842

01:29:33,280 --> 01:29:34,406

(TRAIN WHISTLE BLOWING)

843

01:29:34,480 --> 01:29:35,641

(MEN SHOUTING)

844

01:29:38,160 --> 01:29:39,161

(RATTLING)

845

01:29:43,600 --> 01:29:45,125

(PANICKED SCREAMING)

846

01:29:46,000 --> 01:29:47,604

Bring her!

847

01:29:47,760 --> 01:29:48,761

(GRUNTING)

848

01:29:59,360 --> 01:30:00,407

(ALL PANTING)

849

01:30:08,600 --> 01:30:10,568

(KUBA SCREAMING)

850

01:30:12,480 --> 01:30:13,527

(SCREAMING)

851

01:30:16,040 --> 01:30:17,087

Grab the diamonds.

852

01:30:18,840 --> 01:30:19,966

Run!

853

01:30:22,240 --> 01:30:25,210

John! No! No! John!

854

01:30:27,560 --> 01:30:28,561

John!

855

01:30:44,360 --> 01:30:45,521

(BRAYS)

856

01:30:53,680 --> 01:30:55,808

Get to the boat! Move!

857

01:30:58,720 --> 01:30:59,721

(SCREAMING)

858

01:31:05,560 --> 01:31:06,561

(YELPS)

859

01:31:07,880 --> 01:31:09,530

We're coming! Hang on!

860

01:31:56,680 --> 01:31:57,841

John?

861

01:32:09,320 --> 01:32:10,731

FRUM: That's the payment.

862

01:32:13,280 --> 01:32:15,442

Lower the skiff, and don't dally.

863

01:32:22,080 --> 01:32:24,765

SOLDIER: Did you see him there?

Is he down there?

864

01:32:31,480 --> 01:32:34,962

1886 model Maxim machine gun.

865

01:32:37,560 --> 01:32:40,291

This is way better than my Walker Colts.

866

01:32:58,200 --> 01:32:59,531

(BREATHING HEAVILY)

867

01:33:04,240 --> 01:33:05,241

(SCREAMS)

868

01:33:13,080 --> 01:33:14,320

(GRUNTING)

869

01:33:50,920 --> 01:33:51,921

(CHOKING)

870

01:34:01,760 --> 01:34:02,807

FRUM: Mr. Rom!

871

01:34:05,720 --> 01:34:07,404

Mr. Frum, you portly coward!

872

01:34:07,560 --> 01:34:09,642

Come and get your diamonds!

873

01:34:14,640 --> 01:34:15,721

(GRUNTING)

874

01:34:16,640 --> 01:34:18,847

Farewell, sweet lord.

875

01:34:21,120 --> 01:34:23,168

Take Tarzan with you.

876

01:34:24,960 --> 01:34:26,849

The future belongs to me.

877

01:34:38,000 --> 01:34:39,240

(GROANING)

878

01:34:40,600 --> 01:34:42,090

(LOW GROWLING)

879

01:34:43,560 --> 01:34:44,766

(LOW GROWLING)

880

01:34:49,800 --> 01:34:50,926

What was that?

881

01:34:53,680 --> 01:34:54,920

Mating call.

882

01:35:02,040 --> 01:35:03,041

(GRUNTING)

883

01:35:28,280 --> 01:35:29,281

(GRUNTS)

884

01:35:29,800 --> 01:35:31,325

(CROCODILES GROWLING)

885

01:35:38,440 --> 01:35:39,441

(GASPING)

886

01:35:42,720 --> 01:35:43,960

Tarzan!

887

01:35:44,600 --> 01:35:46,250

Tarzan!

888

01:35:48,160 --> 01:35:49,047

John!

889

01:35:50,120 --> 01:35:50,962

John!

890

01:35:51,400 --> 01:35:53,801

(ROM SCREAMING)

891

01:35:57,480 --> 01:35:58,481

(HISSING)

892

01:36:26,240 --> 01:36:27,890

(ALL CHEERING)

893

01:36:51,440 --> 01:36:53,408

(ALL CHANTING)

894

01:36:55,760 --> 01:36:57,524

(CHEERING CONTINUES)

895

01:37:01,920 --> 01:37:02,921

(FRUM PANTING)

896

01:37:05,360 --> 01:37:06,850

(ALL ULULATING)

897

01:37:10,080 --> 01:37:12,242

We're not going to wade
into that mess for free.

898

01:37:15,200 --> 01:37:16,531

Raise the anchor!

899

01:38:00,640 --> 01:38:02,563

Ain't this a hell of a thing?

900

01:38:13,320 --> 01:38:14,810

- Nice outfit there, Janey.

- (CHUCKLES)

901

01:38:18,200 --> 01:38:20,202

You looked like you're about
to give me a hug.

902

01:38:21,640 --> 01:38:23,244

No, I wasn't.

903

01:38:24,480 --> 01:38:26,244

Looked like you were.

904

01:38:27,000 --> 01:38:28,570

(LAUGHING)

905

01:38:33,240 --> 01:38:34,765

(TRIBES CHEERING)

906

01:38:52,320 --> 01:38:54,607

GEORGE: An open letter
to His Serene Majesty,

907

01:38:54,760 --> 01:38:59,243

Leopold II, King of the Belgians.

908

01:38:59,400 --> 01:39:00,970

Every charge I'm about to bring

909

01:39:01,160 --> 01:39:03,527

against your Majesty's
personal government of the Congo

910

01:39:03,680 --> 01:39:06,126

has been carefully investigated.

911

01:39:06,280 --> 01:39:11,161

We have witnesses, documents,
letters, and official records

912

01:39:11,320 --> 01:39:14,961

to bring to your attention
and to verify our claims

913

01:39:15,120 --> 01:39:20,524

of your systematic abuse
and enslavement of the Congolese people.

914

01:39:23,040 --> 01:39:27,887

George Washington Williams.
July 18th, 1890.

915

01:40:06,880 --> 01:40:08,644

(KUBA WOMEN SINGING IN OTHER LANGUAGE)

916

01:40:39,360 --> 01:40:42,091

JANE: They are singing
the legend of Tarzan.

917

01:40:49,520 --> 01:40:52,808

For many moons,
he was thought to be an evil spirit.

918

01:40:54,440 --> 01:40:56,204

A ghost in the trees.

919

01:41:02,640 --> 01:41:06,486

They speak of his power
over the animals of the jungle.

920

01:41:08,200 --> 01:41:10,646

Because his spirit came from them.

921

01:41:13,800 --> 01:41:15,450

He understood them,

922

01:41:23,840 --> 01:41:26,320

and learned to be as one with them.
