

Dialogues from The New Mutants to improve the vocabulary in English

2

00:00:36,577 --> 00:00:40,515

*<i>There's an old Native
American proverb that says...</i>*

3

00:00:40,548 --> 00:00:43,484

*<i>inside every person,
there are two bears...</i>*

4

00:00:43,518 --> 00:00:45,919

*<i>forever locked in combat
for your soul.</i>*

5

00:00:45,952 --> 00:00:49,022

<i>One bear is all things good.</i>

6

00:00:49,056 --> 00:00:52,527

<i>Compassion, love, trust.</i>

7

00:00:52,560 --> 00:00:55,530

The other is all things evil.

8

00:00:56,129 --> 00:00:58,299

Fear, shame,

9

00:00:58,333 --> 00:01:00,468

and self-destruction.

10

00:01:04,539 --> 00:01:06,474

- What's happening?

- We have to run...

11

00:01:06,507 --> 00:01:08,276

as fast as we can!

12

00:01:08,309 --> 00:01:09,976

Wait!

13

00:01:15,416 --> 00:01:18,653

Don't let go of my hand!

14

00:01:37,070 --> 00:01:38,406

What's happening?

15

00:01:39,674 --> 00:01:41,242

Here! Hide here!

16

00:01:42,943 --> 00:01:44,412

I have to go help them.

17

00:01:44,445 --> 00:01:46,214

- No! No, Dad, please!

- Dani!

18

00:01:46,247 --> 00:01:47,981

Please don't leave me alone!

19

00:01:48,014 --> 00:01:50,218

Dani,

I have to go back.

20

00:01:50,251 --> 00:01:51,252

Stay here.

21

<i>I'm on my way to you.</i>

29

00:03:51,706 --> 00:03:54,709

Where am I?

Where is my family?

30

00:03:54,742 --> 00:03:58,346

I know you're scared,

but you're safe now.

31

00:03:58,379 --> 00:04:01,449

If I could come in,

I'll explain.

32

00:04:01,482 --> 00:04:02,750

Would that be

all right?

33

00:04:12,326 --> 00:04:14,127

Doors. Infirmary.

34

00:04:23,371 --> 00:04:25,105

Hi, Dani.

35

00:04:25,138 --> 00:04:26,707

I'm Dr. Reyes.

36

00:04:26,741 --> 00:04:29,176

If you take a seat,

I'll free your hand.

37

00:04:42,890 --> 00:04:44,825

Dani, what I'm about

to tell you...

38

00:04:44,859 --> 00:04:47,328

is going to be

very difficult.

39

00:04:49,297 --> 00:04:52,433

An F5 tornado touched down

on your reservation.

40

00:04:54,435 --> 00:04:55,369

No.

41

00:04:55,403 --> 00:04:58,239

You're the sole survivor
of a terrible tragedy.

42

00:04:58,673 --> 00:05:00,241

No, no.

43

00:05:03,177 --> 00:05:06,747

It was growling!
Something was chasing us!

44

00:05:06,781 --> 00:05:08,316

What?

45

00:05:11,285 --> 00:05:13,554

Sometimes trauma makes us
remember things...

46

00:05:13,588 --> 00:05:14,755

that aren't real.

47

00:05:18,659 --> 00:05:20,461

Here.

48

00:05:20,494 --> 00:05:23,129

I think this may be yours.

49

00:05:25,199 --> 00:05:26,267

I'm really sorry.

50

00:05:41,549 --> 00:05:43,451

Why didn't I just die
with them?

51

00:05:44,752 --> 00:05:46,152

Why me?

52

00:05:46,187 --> 00:05:48,789

Survivor's guilt is a
common reaction to trauma.

53

00:05:49,490 --> 00:05:50,591

We look for reasons.

54

00:05:51,792 --> 00:05:54,795

Most of the time,
we find none.

55

00:05:54,829 --> 00:05:56,330

But the reason
you survived...

56

00:05:57,798 --> 00:06:00,368

is because you're
a very uncommon girl.

57

00:06:01,769 --> 00:06:05,439

Your reservation was wiped
off the face of the earth.

58

00:06:05,473 --> 00:06:07,808

But you made it out
with barely a scratch.

59

00:06:10,945 --> 00:06:12,780

Do you know
what mutants are?

60

00:06:14,615 --> 00:06:17,418

Mutation most often
occurs in puberty.

61

00:06:17,451 --> 00:06:21,355

You might spend the first
13 years of your life...

62

00:06:21,389 --> 00:06:22,556

relatively normal.

63

00:06:23,591 --> 00:06:25,726

Then, just like that...

64

00:06:25,760 --> 00:06:28,763

you come of age and
discover your true nature.

65

00:06:30,431 --> 00:06:32,767

What's my true nature?

66

00:06:32,800 --> 00:06:34,502

We'll have to figure
that out together.

67

00:06:38,506 --> 00:06:40,274

Then how do you know
I'm a mutant?

68

00:06:40,307 --> 00:06:41,442

The man I work for

69

00:06:41,475 --> 00:06:43,444

has a way of recognizing
new mutants...

70

00:06:43,477 --> 00:06:45,846

the moment their condition
reveals itself.

71

00:06:45,880 --> 00:06:48,482

That's how
we discovered you

72

00:06:48,516 --> 00:06:49,717

and your
fellow patients.

73

00:06:52,253 --> 00:06:54,522

You're not alone, Dani.

74

00:06:59,460 --> 00:07:03,397

This is a facility for
young mutants like yourself.

75

00:07:03,431 --> 00:07:04,965

Teens who need
some extra care...

76

00:07:04,999 --> 00:07:08,636

before they can go on to
live healthy adult lives.

77

00:07:11,505 --> 00:07:14,608

There's some warm clothes.
Toiletries.

78

00:07:20,414 --> 00:07:22,283

85

00:07:42,069 --> 00:07:43,270

Dr. Reyes.

86

00:07:46,006 --> 00:07:48,242

There's really

no one left?

87

00:07:50,711 --> 00:07:53,547

But you're

in a safe place now.

88

00:07:53,581 --> 00:07:55,850

Nothing can hurt you

in here, Dani.

89

00:07:56,884 --> 00:07:58,452

Good night.

90

00:08:13,701 --> 00:08:15,035

Yesterday, I asked you

to think about...

91

00:08:15,069 --> 00:08:17,605

the first time

your mutation manifested.

92

00:08:20,608 --> 00:08:22,943

Would anyone like to share?

93

00:08:22,977 --> 00:08:24,411

Sam?

94

00:08:25,713 --> 00:08:26,714

Illyana?

95

00:08:29,517 --> 00:08:30,584

Roberto?

96

00:08:32,086 --> 00:08:33,988

Rahne?

97

00:08:34,021 --> 00:08:38,893

Look, we can't help each other

unless we talk to each other.

98

00:08:38,926 --> 00:08:41,495

I've said this
a hundred times.

99

00:08:41,529 --> 00:08:46,467

This program can't help you
if you refuse to participate.

100

00:08:46,500 --> 00:08:49,870

So, Rahne,
why don't you start?

101

00:08:51,872 --> 00:08:52,873

I...

102

00:08:57,978 --> 00:08:59,647

Please join us, Dani.

103

00:09:02,416 --> 00:09:04,652

This is our new patient,
Danielle Moonstar.

104

00:09:07,922 --> 00:09:09,456

Oh, it's serious.

105

00:09:11,725 --> 00:09:14,361

Let's do our best

to make her feel at home.

106

00:09:14,995 --> 00:09:16,897

Go ahead, Rahne.

107

00:09:19,834 --> 00:09:20,835

Right.

108

00:09:22,436 --> 00:09:23,537

I was 13.

109

00:09:26,140 --> 00:09:28,475

I remember running

through the woods.

110

00:09:31,545 --> 00:09:32,980

<i>How did you feel?</i>

111

00:09:33,447 --> 00:09:34,615

Free.

112

00:09:35,950 --> 00:09:39,653

Like, the most free

I'd felt my whole life.

113

00:09:42,556 --> 00:09:44,391

But guilty, too.

114

00:09:46,060 --> 00:09:47,127

Why guilty?

115

00:09:49,430 --> 00:09:52,099

Because I knew it was bad.

116

00:09:54,568 --> 00:09:56,570

I went to Reverend Craig...

117

00:09:56,604 --> 00:09:58,539

to see if he could

pray it out of me.

118

00:09:59,773 --> 00:10:04,678

He asked me to show him,
so I changed.

119

00:10:04,712 --> 00:10:06,780

And what did
Reverend Craig do?

120

00:10:10,150 --> 00:10:12,052

Beat me
about half to death.

121

00:10:12,853 --> 00:10:14,555

Said I was a witch...

122

00:10:15,190 --> 00:10:17,992

that I was going to hell.

123

00:10:25,933 --> 00:10:28,702

Would anyone else like
to share their first time?

124

00:10:29,970 --> 00:10:31,438

New girl.

125

00:10:32,072 --> 00:10:33,707

How fucked up are you?

126

00:10:33,741 --> 00:10:35,943

- Illyana.

- Drugs, I bet.

127

00:10:35,976 --> 00:10:38,445

Or a nympho, maybe.

Hopefully.

128

00:10:38,479 --> 00:10:39,513

Keep behaving...

129

00:10:39,546 --> 00:10:40,547

exactly like you are

right now...

130

00:10:40,581 --> 00:10:42,917

and we can all just spend
the day in solitary.

131

00:10:45,653 --> 00:10:48,055

I want all of you
to think very carefully...

132

00:10:48,088 --> 00:10:50,124

about how you'd like to use
your time here.

133

00:10:51,792 --> 00:10:53,694

And how long
you want that time to be.

134

00:10:55,596 --> 00:10:57,765

Illyana,
since you're already up...

135

00:10:57,798 --> 00:10:59,533

why don't you show
Dani around?

136

Oh, I know.

143

00:11:23,924 --> 00:11:25,526

I hate her, too.

144

00:11:35,002 --> 00:11:36,837

Dr. Reyes!

145

00:11:40,174 --> 00:11:42,576

Main building. Dorms.

146

00:11:42,609 --> 00:11:44,545

Chapel, if you believe
in that shit.

147

00:11:44,578 --> 00:11:46,580

And garden.

148

00:11:46,613 --> 00:11:48,582

You don't know how
to grow weed, do you?

149

00:12:15,609 --> 00:12:17,077

Dr. Reyes always says...

157

00:12:17,111 --> 00:12:19,513

the closest town

is 20 miles away.

158

00:12:20,647 --> 00:12:22,683

But she could be lying...

159

00:12:22,716 --> 00:12:24,852

to keep us

from trying to escape.

160

00:12:25,786 --> 00:12:26,887

There's no fence.

161

00:12:27,222 --> 00:12:28,555

Nope.

162

00:12:28,922 --> 00:12:30,291

No fence.

163

00:12:30,325 --> 00:12:34,195

Nothing between you
and freedom.

164

00:12:41,668 --> 00:12:44,138

Run, new girl, run!

165

00:12:50,077 --> 00:12:51,078

Faster!

166

00:13:28,882 --> 00:13:31,952

Aw. This isn't a hospital,
Pocahontas.

167

00:13:33,654 --> 00:13:35,722

It's a cage.

168

00:13:35,756 --> 00:13:37,624

And now you're trapped
in it forever.

169

00:13:41,728 --> 00:13:44,232

Man, I really
should have warned you.

170

00:14:19,900 --> 00:14:22,337

- I have to go to help them.
- No! No, Dad, please!

171

00:14:22,370 --> 00:14:23,871

- *<i>Dani!</i>*
- *<i>Please don't leave me alone!</i>*

172

00:14:23,904 --> 00:14:25,806

*<i>Survivor's guilt is
a common reaction to trauma.</i>*

173

00:14:25,839 --> 00:14:27,741

Stay here!

174

00:14:27,774 --> 00:14:29,676

<i>You're the sole survivor.</i>

175

00:15:33,807 --> 00:15:34,942

What are you doing

182

00:15:54,195 --> 00:15:56,364

I wouldn't feel a thing.

183

00:15:57,365 --> 00:15:59,400

I want to get
out of here, too...

184

00:16:00,301 --> 00:16:02,169

but not like this.

185

00:16:03,904 --> 00:16:07,774

My home is gone.
My dad's dead.

186

00:16:09,109 --> 00:16:12,513

Where I'm from, we believe
suicides go straight to hell.

187

00:16:15,416 --> 00:16:18,286

Always kinda scared me
out of giving it a go.

188

00:16:18,319 --> 00:16:22,190

I don't wanna be here.

I wanna be with my family.

189

00:16:23,224 --> 00:16:26,827

If they're gone

and you're here...

190

00:16:26,860 --> 00:16:28,895

maybe it's

for a reason.

191

00:16:28,929 --> 00:16:32,099

Maybe it's not time

to be with them just yet.

192

00:16:32,132 --> 00:16:33,934

But I'm all alone.

193

00:16:37,170 --> 00:16:39,006

There's two people

up here.

194

00:16:41,376 --> 00:16:43,278

You calling me a nobody?

195

00:16:45,145 --> 00:16:47,014

Please.

196

00:16:47,047 --> 00:16:48,982

It's going to get better.

197

00:16:50,551 --> 00:16:52,520

I promise.

198

00:17:18,912 --> 00:17:21,148

Let's live a little longer,

Dani Moonstar.

199

00:17:24,385 --> 00:17:26,387

Dani, where were you?

200

00:17:28,155 --> 00:17:29,390

- Uh...

- I was just...

00:17:42,337 --> 00:17:44,238

It's okay.

She likes me.

208

00:17:44,272 --> 00:17:47,174

I'm one of the good ones.

Me and Sam.

209

00:17:57,050 --> 00:17:59,220

Holy shit,

I thought he just exploded.

210

00:17:59,253 --> 00:18:00,621

No.

211

00:18:00,655 --> 00:18:02,557

That's his thing.

He can blast off.

212

00:18:02,590 --> 00:18:05,193

Zero to 100

like a cannonball.

213

00:18:07,528 --> 00:18:09,297

Not so good at landing,
though.

214

00:18:09,330 --> 00:18:11,366

Is this,
like, practice?

215

00:18:12,266 --> 00:18:14,602

I don't know.

216

00:18:14,635 --> 00:18:16,136

Sometimes it seems
like he's out here...

217

00:18:16,169 --> 00:18:17,338

just trying
to hurt himself.

218

00:18:20,541 --> 00:18:22,643

He grew up
in a small town in Kentucky.

219

00:18:22,677 --> 00:18:24,479

Did really well in school...

220

00:18:24,512 --> 00:18:26,947

but had to drop out to work
in the mines with his dad.

221

00:18:26,980 --> 00:18:29,082

Help the family and all.

222

00:18:29,116 --> 00:18:30,251

Poor guy.

223

00:18:30,284 --> 00:18:32,587

Right? Poor guy.

224

00:18:32,620 --> 00:18:35,055

And then there's Roberto.

225

00:18:35,088 --> 00:18:37,492

His family's, like,
the richest family in Brazil.

226

00:18:40,361 --> 00:18:41,928

Thanks, doggy.

227

00:18:41,962 --> 00:18:44,699

Probably living the sweet
life before he got here.

228

00:18:44,732 --> 00:18:46,967

Something must have
gone really wrong.

229

00:18:47,435 --> 00:18:49,102

What's his power?

230

00:18:49,136 --> 00:18:52,273

He won't tell,
but he's got something.

231

00:18:52,306 --> 00:18:54,275

Parents sent him here
to be cured.

232

00:18:54,308 --> 00:18:56,310

Is there a cure
for being an asshole?

233

00:18:56,344 --> 00:18:58,179

Maybe he's just
the crazy one.

234

00:18:58,212 --> 00:19:00,681

No.
That spot's taken.

235

00:19:06,254 --> 00:19:07,954

Well, I really
enjoyed spending...

236

00:19:07,988 --> 00:19:10,425

the day with you, Dani,
but I should go.

237

00:19:10,458 --> 00:19:12,959

We're not supposed to be
in each other's rooms and...

238

00:19:12,993 --> 00:19:15,296

Why is she always
watching us?

239

00:19:17,030 --> 00:19:19,132

For our own good.

240

00:19:19,166 --> 00:19:21,669

She means well.
She's trying to help us.

241

00:19:21,702 --> 00:19:24,372

If you follow the treatment,
you'll get out of here, Dani.

242

00:19:26,039 --> 00:19:28,041

Probably before
the rest of us cuckoos.

243

00:19:29,677 --> 00:19:31,679

Well, night.

244

00:19:33,281 --> 00:19:34,282

Rahne?

245

00:19:37,785 --> 00:19:39,620

Thank you for helping me.

246

00:19:40,354 --> 00:19:42,323

What do I know?

247

00:19:42,356 --> 00:19:44,325

Maybe we both

should have jumped.

248

00:20:13,421 --> 00:20:17,090

Dish duty is really

trimming down the wardrobe.

249

00:20:17,123 --> 00:20:19,092

Every time

your shirt gets dirty...

250

00:20:19,125 --> 00:20:21,127

you just throw it away?

00:21:08,108 --> 00:21:09,544

Night, Kentucky.

265

00:21:09,577 --> 00:21:10,811

Night, man.

266

00:21:56,524 --> 00:21:58,392

Hello?

267

00:22:00,160 --> 00:22:01,429

Somebody!

268

00:23:00,488 --> 00:23:02,155

Dad?

269

00:23:03,858 --> 00:23:05,259

Samuel.

270

00:23:06,961 --> 00:23:08,796

What did you do?

271

00:23:49,737 --> 00:23:50,938

Oops.

272

00:24:04,351 --> 00:24:06,954

There aren't any cameras
in here, are there?

273

00:24:06,987 --> 00:24:09,557

Only safe place
in the building.

274

00:24:09,590 --> 00:24:11,992

But there could
still be mics, so... Shh.

275

00:24:28,843 --> 00:24:32,379

Wow, that's, um...
That's some serious body art.

276

00:24:33,981 --> 00:24:36,283

Tattoo wasn't
painful enough?

277

00:24:36,884 --> 00:24:38,753

Control.

285

00:26:00,701 --> 00:26:02,970

And...

286

00:26:06,106 --> 00:26:08,609

control.

287

00:26:08,642 --> 00:26:10,644

- <i>Darling.</i>

- <i>I can't do this.</i>

288

00:26:10,678 --> 00:26:13,414

I have one arm.

It takes two.

289

00:26:17,017 --> 00:26:18,652

<i>We can do this.</i>

290

00:26:22,423 --> 00:26:24,024

Hey, Standing Rock.

291

00:26:24,892 --> 00:26:26,760

You want a buffalo wing?

292

00:26:28,429 --> 00:26:30,564

You people love buffalo,
don't you?

293

00:26:30,598 --> 00:26:31,632

Jeez, Illya,
will you just...

294

00:26:31,665 --> 00:26:32,900

- leave her alone?

- No.

295

00:26:33,701 --> 00:26:34,969

It's okay.

296

00:26:36,737 --> 00:26:40,174

"Standing Rock."

That's a good one.

297

00:26:40,208 --> 00:26:42,409

More original
than "Pocahontas."

298

00:26:43,944 --> 00:26:46,046

That was huge
in fifth grade.

299

00:26:47,147 --> 00:26:48,849

You don't scare me.

300

00:26:48,883 --> 00:26:51,151

My dad told me
about bitches like you.

301

00:26:51,186 --> 00:26:52,386

Oh.

302

00:26:54,555 --> 00:26:56,156

Well, here.

303

00:26:56,191 --> 00:26:57,691

Why don't you show us
on the puppet...

304

00:26:57,725 --> 00:26:58,826

where Daddy touched you?

305

00:27:00,228 --> 00:27:02,129

- Lockheed!

- Hey, guys, come on!

306

00:27:02,162 --> 00:27:04,765

You keep my father's name

out of your mouth, bitch!

307

00:27:06,834 --> 00:27:08,002

You don't know

anything about me.

308

00:27:08,035 --> 00:27:09,503

Do you know anything?

309

00:27:09,536 --> 00:27:11,705

Sixteen years old and

doesn't even know her power.

310

00:27:11,739 --> 00:27:13,507

Seems like that mutant period
should've kicked in by now.

311

00:27:13,540 --> 00:27:14,642

- Leave her alone.

- Yo. Hold up.

312

00:27:14,675 --> 00:27:16,477

I'm helping her.

This is therapy!

313

00:27:16,510 --> 00:27:19,680

- Get your hands off me.

- Or you'll what?

314

00:27:19,713 --> 00:27:22,217

Let's find out.

What are you gonna do, huh?

315

00:27:22,250 --> 00:27:24,752

Fuck! Bitch!

316

00:27:28,956 --> 00:27:30,591

Illyana, don't!

317

00:27:31,959 --> 00:27:33,560

You know the rules.

318

00:27:34,161 --> 00:27:35,663

No powers in here.

319

00:27:35,696 --> 00:27:36,830

And definitely no fighting.

320

00:27:40,601 --> 00:27:42,703

Sorry, Doctor.

321

00:27:42,736 --> 00:27:44,672

I thought maybe Dani
was invincible.

322

00:27:45,940 --> 00:27:47,942

Just wanted to see
if I was right.

329

00:28:15,903 --> 00:28:17,638

What's that, Lockheed?

330

00:28:18,639 --> 00:28:20,208

<i>Don't be scared.</i>

331

00:28:23,944 --> 00:28:26,480

We'll go to our
special place, okay?

332

00:28:29,184 --> 00:28:32,486

The Smiling Men can't get us
in our special place.

333

00:30:08,183 --> 00:30:09,184

Dani?

334

00:30:12,152 --> 00:30:13,987

What's happening to me?

335

00:30:30,771 --> 00:30:32,739

You're clearly

manifesting something...

336

00:30:32,773 --> 00:30:35,843

but we need to do more tests
to find out what it is.

337

00:30:35,876 --> 00:30:38,979

It's okay.
I'm a doctor.

338

00:30:39,012 --> 00:30:41,815

Actually, I come from
a family of doctors.

339

00:30:41,849 --> 00:30:43,351

My mother was a vet.

340

00:30:44,818 --> 00:30:47,388

A lot of pets came in
with rattlesnake bites.

341

00:30:48,989 --> 00:30:52,260

Did you know baby rattlesnakes

are more dangerous...

342

00:30:52,293 --> 00:30:55,028

than adult ones?

343

00:30:55,062 --> 00:30:56,864

They haven't learned

how to control...

344

00:30:56,897 --> 00:30:59,166

how much venom

they secrete.

345

00:30:59,200 --> 00:31:02,203

Even the mutants

we call heroes today...

346

00:31:02,237 --> 00:31:04,771

when they first

got their powers...

347

00:31:04,805 --> 00:31:06,640

chances are

they hurt someone.

348

00:31:07,841 --> 00:31:10,311

That's why new mutants
are dangerous.

349

00:31:11,778 --> 00:31:14,081

- And they need to be...
- Locked up?

350

00:31:15,949 --> 00:31:18,286

Sequestered...

351

00:31:18,319 --> 00:31:22,689

from average humans,
for their safety and ours.

352

00:31:24,825 --> 00:31:25,826

Put pressure.

353

00:31:51,386 --> 00:31:54,355

Forgive me, Father,
for I have sinned.

354

00:31:56,191 --> 00:31:58,259

It's been a week
since my last confession.

355

00:31:58,293 --> 00:32:01,895

My superior runs
a facility for gifted mutants.

356

00:32:01,929 --> 00:32:04,765

You could move there after
this, if you wanted to.

357

00:32:04,798 --> 00:32:07,067

Rahne said I could even
get out of here faster...

358

00:32:07,100 --> 00:32:08,936

if I follow your program.

359

00:32:09,870 --> 00:32:11,138

I've noticed
you and Rahne...

360

00:32:11,171 --> 00:32:13,374

have taken a liking
to each other.

361

00:32:13,408 --> 00:32:16,109

That's good.
She's a good influence.

362

00:32:17,110 --> 00:32:18,812

And she's right.

363

00:32:18,845 --> 00:32:22,816

It's important we find out
exactly what your power is...

364

00:32:22,849 --> 00:32:24,818

so we can help you
control it.

365

00:32:28,289 --> 00:32:30,191

I masturbated twice.

366

00:32:31,058 --> 00:32:33,428

I lied to Dr. Reyes.

367

00:32:33,461 --> 00:32:35,296

And I was up
in the vents again.

368

00:32:40,501 --> 00:32:41,802

Hello?

369

00:32:46,006 --> 00:32:48,809

I'm gonna say one Our Father
and two Hail Marys, okay?

370

00:32:53,281 --> 00:32:54,382

Hello?

371

00:33:06,461 --> 00:33:07,528

Who's there?

372

00:33:08,296 --> 00:33:09,297

<i>Witch!</i>

373

00:33:11,332 --> 00:33:12,467

<i>You witch!</i>

374

00:33:12,500 --> 00:33:14,034

<i>I'll flay the flesh</i>

375

00:33:14,067 --> 00:33:16,371

<i>from your bones!</i>

376

00:33:16,404 --> 00:33:18,105

Demons can't
come in churches.

377

00:33:18,138 --> 00:33:19,806

Demons can't come in churches.

378

00:33:19,840 --> 00:33:21,442

Demons can't come in churches.

379

00:33:30,418 --> 00:33:32,253

- Hey.

- Hey.

380

00:33:32,287 --> 00:33:33,887

Where have you been?

381

00:33:35,423 --> 00:33:37,090

Are you okay?

382

00:33:37,425 --> 00:33:39,159

Yeah.

383

00:33:39,193 --> 00:33:40,961

Just needed some time
to myself.

384

00:33:40,994 --> 00:33:42,029

Come on.

385

00:33:43,197 --> 00:33:45,300

Where are you guys going?

386

00:33:45,333 --> 00:33:47,067

393

00:34:09,324 --> 00:34:11,459

It's one of the only places

Reyes can't watch us.

394

00:34:11,492 --> 00:34:12,493

It's full of cool shit...

395

00:34:12,527 --> 00:34:15,229

from back before this was even

a place for mutants.

396

00:34:15,263 --> 00:34:17,465

Let's play

a little game.

397

00:34:30,911 --> 00:34:32,145

Dare.

398

00:34:32,180 --> 00:34:33,448

You can't say dare.

399

00:34:34,081 --> 00:34:36,317

Fine. Jesus.

400

00:34:37,618 --> 00:34:38,952

Truth.

401

00:34:42,089 --> 00:34:43,957

How many girls
have you been with?

402

00:34:43,990 --> 00:34:45,892

Like I can even remember.

403

00:34:47,195 --> 00:34:48,262

Rahne?

404

00:34:50,097 --> 00:34:51,098

He's lying.

405

00:34:52,333 --> 00:34:55,470

It's a lie detector.

We know.

413

00:35:23,231 --> 00:35:25,031

What's the coal for?

414

00:35:26,267 --> 00:35:27,535

My dad gave it to me.

415

00:35:28,669 --> 00:35:30,170

Right before...

416

00:35:32,507 --> 00:35:34,007

he passed.

417

00:35:35,075 --> 00:35:36,377

I'm sorry.

418

00:35:37,712 --> 00:35:39,045

Don't be.

419

00:35:41,148 --> 00:35:43,016

I belong here, so...

I don't need a polygraph
to tell if you're lying.

427

00:36:03,538 --> 00:36:04,539

What's your power?

428

00:36:06,574 --> 00:36:08,242

I don't know.

429

00:36:08,276 --> 00:36:10,745

I thought you were
going to say that.

430

00:36:10,778 --> 00:36:12,979

How about
another question?

431

00:36:13,013 --> 00:36:15,015

What's with the stupid bear?

432

00:36:16,651 --> 00:36:18,186

Same as Sam.

So my dad, he told me
a legend of a bear.

440

00:36:43,311 --> 00:36:45,680

A Demon Bear...

441

00:36:45,713 --> 00:36:50,384

that lives inside of us
and feeds off of our fear.

442

00:36:50,418 --> 00:36:52,186

That'll help a kid sleep.

443

00:36:52,220 --> 00:36:53,721

Shut up, Berto.

444

00:36:55,289 --> 00:36:56,990

So, when you're born...

445

00:36:57,658 --> 00:37:01,496

the bear is tiny and weak.

446

00:37:03,397 --> 00:37:05,131

And the older you get...

447

00:37:06,667 --> 00:37:10,003

the more afraid

we become...

448

00:37:11,672 --> 00:37:14,442

the bigger and the stronger

the bear gets.

449

00:37:17,512 --> 00:37:19,079

My dad, he...

450

00:37:21,382 --> 00:37:23,484

he made this for me so that

I would always remember...

451

00:37:23,518 --> 00:37:26,119

how small it was

when I was born.

452

00:37:28,256 --> 00:37:30,725

One by one.

460

00:38:03,824 --> 00:38:05,793

With my sword.

461

00:38:05,826 --> 00:38:07,628

<i>And Lockheed.</i>

462

00:38:07,662 --> 00:38:09,196

<i>You're lying.</i>

463

00:38:09,230 --> 00:38:10,464

<i>No, she's not.</i>

464

00:38:10,498 --> 00:38:12,233

<i>You don't believe me?</i>

465

00:38:13,901 --> 00:38:17,338

<i>I'm the most powerful
mutant here.</i>

466

00:38:17,371 --> 00:38:19,707

Today, I'd like to talk
about obedience.

467

00:38:21,509 --> 00:38:23,143

If you want any hope
of moving on...

468

00:38:23,176 --> 00:38:24,879

to my
superior's facility...

469

00:38:24,912 --> 00:38:28,114

it's crucial that I know
you can be trusted.

470

00:38:30,785 --> 00:38:31,852

Yes?

471

00:38:31,886 --> 00:38:35,289

What if we don't wanna move on
to your boss's facility?

472

00:38:35,323 --> 00:38:37,191

You know, what if
I just wanna go home?

473

00:38:37,224 --> 00:38:40,628

Sam, you remember
what happened.

474

00:38:40,661 --> 00:38:43,698

You think they stopped
looking for you?

475

00:38:43,731 --> 00:38:47,568

If you weren't here,
you'd be in prison or worse.

476

00:38:47,602 --> 00:38:49,537

I was...
It was an accident.

477

00:38:49,570 --> 00:38:51,372

You think anyone outside
this room would believe that?

478

485

00:39:03,551 --> 00:39:05,386

Look,
something's not right.

486

00:39:05,419 --> 00:39:07,855

I'm seeing things,
terrible nightmares.

487

00:39:08,489 --> 00:39:09,690

Uh...

488

00:39:09,724 --> 00:39:11,726

When will I ever get better?

489

00:39:11,759 --> 00:39:14,462

You're better
when I say so.

490

00:39:14,495 --> 00:39:15,863

No, forget it.
It's bullshit.

491

00:39:15,896 --> 00:39:17,398

You're not listening
to me.

492

00:39:46,827 --> 00:39:48,829

What did you do to her?

493

00:39:48,863 --> 00:39:51,465

I may have
spiked her tea.

494

00:40:06,480 --> 00:40:08,249

Hold those bag of bones
together, man!

495

00:40:08,282 --> 00:40:09,316

Whoa!

496

00:40:19,927 --> 00:40:21,262

Whoo!

497

00:40:21,295 --> 00:40:23,798

Indubitably,
it's indisputable...

498

00:40:23,831 --> 00:40:27,668
that you are the absolute
worst mutants I've ever seen.

499

00:40:27,702 --> 00:40:31,906
Ergo, my superior will be
very, very disappointed in me.

500

00:40:31,939 --> 00:40:34,809
I surmise I may even
receive a spanking...

501

00:40:34,842 --> 00:40:36,444
for being so, so bad.

502

00:40:36,477 --> 00:40:38,446
Oh. Oh, my superior!

503

00:40:39,647 --> 00:40:42,483
Yeah, who is this superior

she's always talking about?

504

00:40:42,950 --> 00:40:44,318

Isn't it obvious?

505

00:40:45,820 --> 00:40:46,854

You know who

the X-Men are, right?

506

00:40:46,887 --> 00:40:50,324

Yeah. It's just,

why would we wanna be X-Men?

507

00:40:50,357 --> 00:40:52,760

Right. I ain't wearing no suit

and fighting people. I'm rich.

508

00:40:52,793 --> 00:40:54,595

What, they pay you

to be X-Men now?

509

00:40:54,628 --> 00:40:56,497

I wouldn't mind

being an X-Man.

510

00:40:56,530 --> 00:40:57,965

And why would
they need a dog?

511

00:41:02,870 --> 00:41:04,338

Children.

512

00:41:06,474 --> 00:41:07,675

Come with me.
I want to show you something.

513

00:41:08,676 --> 00:41:09,944

Where?

514

00:41:09,977 --> 00:41:11,378

It's a surprise.

515

00:41:18,085 --> 00:41:19,720

What are those two
up to?

<i>we're gonna get in
for this?</i>

523

00:41:40,975 --> 00:41:43,811

What's she gonna do?

Kick us out?

524

00:41:45,479 --> 00:41:47,381

I don't wanna

be here anyway.

525

00:41:47,782 --> 00:41:49,016

Yeah.

526

00:41:49,049 --> 00:41:50,918

But as long as Dr. Phil

has her magic bubble...

527

00:41:50,951 --> 00:41:52,586

over the grounds...

528

00:41:52,620 --> 00:41:54,021

you don't have a choice.

529

00:41:54,822 --> 00:41:56,056

Yeah.

530

00:41:56,957 --> 00:41:59,293

I never did
have a choice.

531

00:42:00,528 --> 00:42:01,962

What do you mean?

532

00:42:06,801 --> 00:42:09,737

You know, I had to go and
work in the mines with my dad.

533

00:42:12,706 --> 00:42:15,075

I was still new
to the job.

534

00:42:15,109 --> 00:42:17,344

And this one day,
I just...

535

00:42:19,914 --> 00:42:22,616

I just got
claustrophobic.

536

00:42:22,650 --> 00:42:25,452

Like I couldn't breathe.
It was...

537

00:42:26,086 --> 00:42:27,988

And he blasted.

538

00:42:29,824 --> 00:42:30,891

Yeah.

539

00:42:35,896 --> 00:42:37,631

I killed my dad.

540

00:42:40,167 --> 00:42:41,836

Most of his crew.

541

00:42:44,538 --> 00:42:47,575

I just... I just couldn't

forgive myself.

542

00:42:47,608 --> 00:42:49,543

I'm sorry, man.

I didn't...

543

00:42:49,577 --> 00:42:50,744

Just kept thinking...

544

00:42:52,513 --> 00:42:55,049

I would do anything

to change that.

545

00:43:01,155 --> 00:43:02,857

What about you?

546

00:43:02,890 --> 00:43:04,458

What did you do?

547

00:43:07,494 --> 00:43:08,662

Nothing.

548

00:43:28,449 --> 00:43:30,417

Wait, so you could get out
of the building...

549

00:43:30,451 --> 00:43:31,619

this whole time?

550

00:43:31,652 --> 00:43:33,153

I can get anywhere
in the hospital...

551

00:43:33,188 --> 00:43:34,555

through the vents.

552

00:43:34,588 --> 00:43:36,790

This is the only
way out, though.

553

00:43:36,824 --> 00:43:39,426

I'm always paranoid
Reyes is gonna find it.

554

00:43:39,460 --> 00:43:41,428

602

00:48:11,131 --> 00:48:12,866

Isn't this what you want?

603

00:48:13,934 --> 00:48:15,403

Yeah. It's...

604

00:48:16,937 --> 00:48:18,373

I can't get too hot.

605

00:48:19,507 --> 00:48:21,708

If I get too hot, I...

606

00:48:24,144 --> 00:48:25,879

You can tell me.

607

00:48:27,382 --> 00:48:29,317

I was with my girlfriend.

608

00:48:34,021 --> 00:48:35,323

I tried to hold her...

609

00:51:17,285 --> 00:51:18,386

We're trapped in here
with demons...

637

00:51:18,419 --> 00:51:19,454

and you want us
to stay trapped!

638

00:51:19,487 --> 00:51:20,887

- Give it back.
- What's the code?

639

00:51:20,921 --> 00:51:22,557

- Hey! Berto, chill.
- Chill nothing.

640

00:51:22,590 --> 00:51:24,057

I'm calling the cops
and getting out of here.

641

00:51:24,091 --> 00:51:25,926

- You're not going anywhere.
- Yeah? Says who?

Do you understand me?

656

00:52:04,565 --> 00:52:06,099

Let me out!

657

00:52:06,133 --> 00:52:07,502

Initiate lockdown.

658

00:52:14,275 --> 00:52:16,977

Today, Dani, we're
going to go a little deeper.

659

00:52:17,010 --> 00:52:18,212

Clench your fist.

660

00:52:19,580 --> 00:52:21,182

This will relax you.

661

00:52:35,329 --> 00:52:37,998

I'm gonna ask you
a series of questions.

662

00:52:39,065 --> 00:52:41,402

I want you
to respond truthfully.

663

00:52:41,436 --> 00:52:43,304

What's the last thing
you remember...

664

00:52:43,337 --> 00:52:45,239

before coming here?

665

00:52:50,478 --> 00:52:52,313

My dad woke me up.

666

00:52:52,346 --> 00:52:54,147

He said we had to run.

667

00:52:55,316 --> 00:52:56,651

And everything was shaking.

668

00:52:56,684 --> 00:52:58,352

What were you
running from?

683

00:54:25,239 --> 00:54:26,474

Hello?

684

00:54:27,475 --> 00:54:30,278

Dani?

Who's there?

685

00:54:37,685 --> 00:54:39,220

You're not real.

686

00:54:40,254 --> 00:54:42,088

I killed you.

687

00:54:42,122 --> 00:54:46,427

And like Christ, I rise again.

688

00:54:46,460 --> 00:54:48,195

Stay away from me!

689

00:54:50,231 --> 00:54:52,233

Lockheed, what's going on?

704

00:56:15,349 --> 00:56:16,484

I didn't do anything.

705

00:56:16,517 --> 00:56:18,252

You brought
this evil here!

706

00:56:20,254 --> 00:56:22,757

I now know your power,
new girl.

707

00:56:25,960 --> 00:56:28,429

Let me show you mine.

708

00:56:28,462 --> 00:56:29,597

Illyana, no powers!

709

00:56:41,742 --> 00:56:42,977

Don't!

710

00:56:51,452 --> 00:56:53,521

She's in our heads.

711

00:56:53,554 --> 00:56:55,389

She'll kill us all.

712

00:57:34,962 --> 00:57:38,499

Something's happening
to me, and I can't control it.

713

00:57:45,473 --> 00:57:47,308

That place you took me...

714

00:57:50,377 --> 00:57:51,579

Was it hell?

715

00:57:56,083 --> 00:57:59,420

Limbo. It's a place
we made up.

716

00:57:59,987 --> 00:58:01,288

"We"?

717

00:58:02,056 --> 00:58:03,591

Me and Lockheed.

718

00:58:10,064 --> 00:58:11,966

I brought someone
for you.

719

00:58:30,518 --> 00:58:33,454

At first, it was just
our special place.

720

00:58:35,589 --> 00:58:36,891

We went there
in our minds...

721

00:58:36,924 --> 00:58:39,493

whenever something bad
was about to happen.

722

00:58:43,664 --> 00:58:45,666

But we went there
so much...

723

00:58:48,002 --> 00:58:49,937

stayed there so long...

724

00:58:52,640 --> 00:58:54,074

it became real.

725

00:58:54,108 --> 00:58:55,142

I saw a memory.

726

00:58:59,013 --> 00:59:00,848

It wasn't mine.

727

00:59:05,653 --> 00:59:07,688

Who were they?

728

00:59:07,721 --> 00:59:09,824

I never knew

their names.

729

00:59:09,857 --> 00:59:11,725

They were all the same.

730

01:00:34,209 --> 01:00:35,776

Why won't you come in?

738

01:00:38,746 --> 01:00:40,614

I'm not afraid of you.

739

01:00:44,785 --> 01:00:46,620

I'm afraid
of what I saw.

740

01:00:46,654 --> 01:00:47,922

Of him.

741

01:00:51,992 --> 01:00:54,195

But what if he only came
because of me?

742

01:00:57,498 --> 01:01:00,801

Even if you are the one
making these things happen...

743

01:01:02,970 --> 01:01:05,072

you had no choice.

744

01:01:05,105 --> 01:01:06,941

It's not your fault.

745

01:01:09,210 --> 01:01:12,947

I saw something when

Dr. Reyes was testing me.

746

01:01:12,980 --> 01:01:15,516

I saw kids like us.

747

01:01:15,549 --> 01:01:18,719

Mutants, being forced

to do things.

748

01:01:21,189 --> 01:01:22,723

Horrible things.

749

01:01:27,962 --> 01:01:31,165

I don't

think this is a hospital.

750

757

01:01:51,051 --> 01:01:54,088

Last time,

I saw things, secrets.

758

01:01:55,756 --> 01:01:57,725

Maybe I will again.

759

01:01:57,758 --> 01:01:59,994

Maybe those secrets will help
us find a way out of here.

760

01:02:00,027 --> 01:02:01,528

How?

761

01:02:01,562 --> 01:02:03,063

I don't know yet.

762

01:02:05,200 --> 01:02:07,101

But let's live a bit longer,
Rahne Sinclair.

763

01:02:24,018 --> 01:02:25,853

Dani wanted me
to stay with her.

764

01:02:25,886 --> 01:02:27,222

I need you to
wait outside, Rahne.

765

01:02:27,255 --> 01:02:28,256

I know, but...

766

01:02:28,289 --> 01:02:29,857

You can
come back for recovery.

767

01:02:38,866 --> 01:02:40,901

Doors. Hallway H.

768

01:03:07,661 --> 01:03:09,230

Hey.
What's up with you?

769

01:03:10,298 --> 01:03:11,732

777

01:03:45,266 --> 01:03:47,668

What are we testing
this time?

778

01:03:48,436 --> 01:03:50,871

This is more a test of me.

779

01:03:54,108 --> 01:03:57,177

I told you
my mother was a vet, right?

780

01:03:57,212 --> 01:03:59,214

One day
our family dog went feral...

781

01:04:01,148 --> 01:04:03,050

mauled the neighbor's boy.

782

01:04:03,684 --> 01:04:04,952

Lift your head.

783

Look, see? He's not real.

All right?

797

01:05:12,953 --> 01:05:14,021

Go! Run!

798

01:05:15,390 --> 01:05:17,225

Run!

799

01:05:17,258 --> 01:05:19,427

My mother

tried everything.

800

01:05:19,460 --> 01:05:21,296

It was too far along.

801

01:05:22,996 --> 01:05:24,798

I can't tell you

how hard it is...

802

01:05:24,831 --> 01:05:27,000

for a doctor

to face that, Dani.

817

01:06:24,891 --> 01:06:27,127

Stop! Stop! Stop!

818

01:06:58,626 --> 01:07:00,295

You're

the most powerful mutant...

819

01:07:00,328 --> 01:07:01,928

we've ever had.

820

01:07:01,962 --> 01:07:05,533

But my superiors believe your
powers cannot be controlled.

821

01:07:07,468 --> 01:07:09,270

It's almost over, Dani.

822

01:07:36,264 --> 01:07:37,265

Dani?

823

01:07:42,503 --> 01:07:43,504

837

01:08:55,743 --> 01:08:57,645

Is she trying
to kill us?

838

01:08:57,678 --> 01:08:59,146

Don't know. Did she make
those smiley things?

839

01:08:59,180 --> 01:09:00,947

No. They're Illyana's.

840

01:09:00,981 --> 01:09:02,082

Of course they are.

841

01:09:02,115 --> 01:09:03,384

Have you seen the girls?

842

01:09:03,418 --> 01:09:04,452

No.

843

01:09:04,485 --> 01:09:06,287

All right. Upstairs.

844

01:09:22,303 --> 01:09:24,171

Where the hell

did you go?

845

01:09:26,741 --> 01:09:28,609

Our special place.

846

01:09:31,011 --> 01:09:32,480

That was so hot.

847

01:09:46,761 --> 01:09:49,397

What the hell's going on?

Where's Dr. Reyes?

848

01:09:49,430 --> 01:09:50,765

She tried

to kill Dani.

849

01:09:50,798 --> 01:09:52,032

What?

850

01:09:52,065 --> 01:09:54,268

That test?

It wasn't a test.

851

01:09:54,302 --> 01:09:56,270

She tried to kill her.

852

01:09:56,304 --> 01:09:57,605

My file.

853

01:09:59,105 --> 01:10:01,776

"Patient reviles authority.

854

01:10:01,809 --> 01:10:04,345

"But her fragmented psyche
and base hatred for humans...

855

01:10:04,378 --> 01:10:06,514

"makes her a prime
candidate for the program.

856

01:10:07,582 --> 01:10:08,982

"Conclusion...

857

01:10:09,784 --> 01:10:11,185

"A killer...

858

01:10:12,152 --> 01:10:14,255

"with limitless potential.

859

01:10:15,323 --> 01:10:17,592

"Recommend

continued investment."

860

01:10:24,799 --> 01:10:26,734

Essex Corporation.

861

01:10:26,767 --> 01:10:28,703

That must have been

the place I saw.

862

01:10:28,736 --> 01:10:31,305

She wasn't

prepping us to be X-Men.

863

01:10:31,339 --> 01:10:32,773

She was prepping us
to be killers.

864

01:10:34,208 --> 01:10:35,643

We don't have much time.

865

01:10:35,676 --> 01:10:37,445

Reyes wants me dead.
And it won't be long...

866

01:10:37,478 --> 01:10:39,447

before she comes back
to finish the job.

867

01:10:39,480 --> 01:10:42,617

How? This place is designed
to keep us inside.

868

01:10:42,650 --> 01:10:45,051

All our powers, it won't work.
It's hopeless.

869

01:10:45,085 --> 01:10:47,321

No. It isn't.

870

01:10:47,355 --> 01:10:49,724

We got each other
out of our cages.

871

01:10:51,459 --> 01:10:52,693

We can get out of this.

872

01:10:52,727 --> 01:10:54,428

That's all
well and good.

873

01:10:54,462 --> 01:10:55,730

But she's still got
force fields...

874

01:10:55,763 --> 01:10:57,163

around the building.

875

01:10:57,832 --> 01:11:01,235

The windows, everything.

876

01:11:02,370 --> 01:11:04,104

How you gonna

get past that?

877

01:11:05,339 --> 01:11:07,308

By taking out the source.

878

01:11:10,143 --> 01:11:12,145

Then let's kill the bitch.

879

01:11:20,555 --> 01:11:21,556

<i>Tonight...</i>

880

01:11:21,589 --> 01:11:24,759

<i>I'd like to talk

about responsibility.</i>

881

01:11:25,993 --> 01:11:29,664

<i>You have a responsibility

to your treatment.</i>

882

01:11:29,697 --> 01:11:32,400

*<i>I want all of you to go
to your rooms right now.</i>*

883

01:11:32,433 --> 01:11:36,804

*<i>If you disobey,
or if you try to leave this facility...</i>*

884

01:11:36,837 --> 01:11:39,473

*<i>I have a responsibility
to stop you.</i>*

885

01:11:40,441 --> 01:11:42,443

<i>No matter what it takes.</i>

886

01:11:45,913 --> 01:11:48,249

How do you know
she's still in here?

887

01:11:48,749 --> 01:11:50,618

I'm a good smeller.

888

01:11:50,651 --> 01:11:52,653

<i>You're a good killer.</i>

889

01:11:52,687 --> 01:11:54,221

What's going on?

890

01:11:55,356 --> 01:11:57,358

What's Essex Corp?

891

01:12:05,766 --> 01:12:10,605

It's a scientific organization
founded by my superiors.

892

01:12:10,638 --> 01:12:13,808

Founded to do what?
Screw with our heads?

893

01:12:13,841 --> 01:12:14,842

To save you!

894

01:12:17,778 --> 01:12:19,313

If it wasn't for me...

And I'll let you go.

902

01:12:38,299 --> 01:12:39,634

Except Dani.

903

01:12:40,701 --> 01:12:42,837

Dani needs to be put down.

904

01:12:42,870 --> 01:12:45,439

- No!

- Let us out! Let us out!

905

01:12:45,473 --> 01:12:46,507

It's okay.

906

01:12:47,408 --> 01:12:48,542

It's for her own good.

907

01:12:50,478 --> 01:12:52,178

And yours.

908

01:12:53,848 --> 01:12:56,417

I'm sure you've figured out
her power by now.

909

01:12:56,817 --> 01:12:58,486

So special.

910

01:13:01,956 --> 01:13:04,425

She takes
your greatest fear...

911

01:13:04,458 --> 01:13:06,494

your darkest secret...

912

01:13:07,561 --> 01:13:09,497

and makes you
live through it.

913

01:13:09,530 --> 01:13:10,798

No!

914

01:13:10,831 --> 01:13:13,367

Over and over.

to a safe place...

936

01:15:16,123 --> 01:15:17,725

and I'll take care

of this bear.

937

01:15:26,100 --> 01:15:27,701

What are you going to do?

938

01:15:27,735 --> 01:15:29,670

I'm going to

play with it.

939

01:15:30,871 --> 01:15:32,573

Get her out of here.

940

01:15:42,516 --> 01:15:44,885

Are you crazy?

That thing'll kill you!

941

01:15:44,919 --> 01:15:46,654

He's right.

It's magic.

942

01:15:49,857 --> 01:15:51,625

So am I.

943

01:15:51,659 --> 01:15:52,660

No! Illy!

944

01:15:59,767 --> 01:16:01,569

Hey, Yogi!

945

01:16:03,904 --> 01:16:07,041

Lions and tigers
and bears. Oh, my.

946

01:16:08,175 --> 01:16:10,544

Right, Lockheed?

947

01:16:26,961 --> 01:16:27,995

Holy shit!

948

01:16:28,028 --> 01:16:29,563

I'm gonna

marry that girl.

949

01:16:30,731 --> 01:16:32,132

You okay, Lockheed?

950

01:16:38,505 --> 01:16:40,708

Come on!

Let's go. Let's go.

951

01:16:40,741 --> 01:16:43,010

Berto, you have to run

with her.

952

01:16:43,043 --> 01:16:44,411

I can't. I'm not ready.

953

01:16:44,445 --> 01:16:45,980

You won't hurt her.

You can do this.

954

01:16:48,682 --> 01:16:49,750

Come on! This way.

955

01:17:03,097 --> 01:17:05,799

You guys go.

I'm going back for Illy.

956

01:17:05,833 --> 01:17:06,967

Sam!

957

01:17:09,503 --> 01:17:11,138

Gotta get better someday.

958

01:17:12,139 --> 01:17:13,507

Give her to me.

959

01:17:14,074 --> 01:17:15,175

Hide.

960

01:17:17,144 --> 01:17:19,947

Demons can't come in churches.

Demons can't come in churches.

961

01:17:24,652 --> 01:17:28,455

Dani, I really need you

to wake up.

962

01:17:28,489 --> 01:17:30,225

Come back,
you coward!

963

01:17:30,258 --> 01:17:31,792

Hail Mary,
full of grace...

964

01:17:31,825 --> 01:17:33,661

blessed art thou
amongst women.

965

01:17:33,694 --> 01:17:35,863

Pray for us sinners now
and in the hour of our death.

966

01:17:35,896 --> 01:17:37,831

Amen.

967

01:17:45,873 --> 01:17:47,608

Aah! No!

968

01:18:16,804 --> 01:18:17,905

Ahh!

969

01:18:32,619 --> 01:18:33,821

Demon Bear!

970

01:18:36,056 --> 01:18:38,226

Nowhere to run now.

971

01:18:40,995 --> 01:18:42,563

I know you're in there.

972

01:18:43,931 --> 01:18:46,967

Please. You're not alone.

I'm here.

973

01:18:47,001 --> 01:18:48,535

We're all here...

974

01:18:48,569 --> 01:18:50,571

<i>fighting for you.</i>

975

01:18:50,604 --> 01:18:52,072

Rahne, where are you?

976

01:18:54,641 --> 01:18:55,809

Rahne!

977

01:18:57,077 --> 01:19:00,014

Dani, I know

you can hear me in there.

978

01:19:02,049 --> 01:19:03,550

What are you doing?

979

01:19:03,584 --> 01:19:05,152

I'm hiding, the same thing

you're doing.

980

01:19:15,996 --> 01:19:17,031

Watch out!

981

01:19:26,207 --> 01:19:27,208

1010

01:23:24,379 --> 01:23:26,980

You don't have to worry
about anything anymore.

1011

01:23:31,051 --> 01:23:33,820

But it's time
to go to sleep now.

1012

01:25:16,290 --> 01:25:18,259

Thank you.

1013

01:25:18,292 --> 01:25:19,627

Thanks, all of you.

1014

01:25:21,229 --> 01:25:22,630

For saving me.

1015

01:25:23,664 --> 01:25:24,665

Are you kidding?

1016

01:25:27,502 --> 01:25:29,002

You saved us.

1017

01:25:47,053 --> 01:25:50,991

Hey, guys. The dome's gone.

1018

01:25:51,459 --> 01:25:53,494

So we're free?

1019

01:25:53,528 --> 01:25:54,995

Reyes always said
the nearest town...

1020

01:25:55,028 --> 01:25:56,464

is 20 miles away.

1021

01:25:57,532 --> 01:25:59,200

She could be lying.

1022

01:26:03,170 --> 01:26:04,672

Shall we find out?

1023

01:26:16,217 --> 01:26:17,618

<i>My father

used to tell me that...</i>

1024

01:26:17,652 --> 01:26:20,354

<i>inside every person,
there are two bears.</i>

1025

01:26:22,423 --> 01:26:24,492

<i>One bear is all things good.</i>

1026

01:26:24,525 --> 01:26:28,396

<i>Compassion, love, trust.</i>

1027

01:26:28,429 --> 01:26:30,997

<i>The other is all things evil.</i>

1028

01:26:31,031 --> 01:26:35,001

<i>Fear, shame,
and self-destruction.</i>

1029

01:26:35,670 --> 01:26:38,439

<i>I asked him, "Which one wins?"</i>

1030
