known as Peacemaker.

379

00:19:47,658 --> 00:19:50,242

In his hands,
anything is a deadly weapon.

380

00:19:50,325 --> 00:19:52,367

His father was a soldier
who trained his son

381

00:19:52,450 --> 00:19:54,408

how to kill from the moment
he was born.

382

00:19:54,492 --> 00:19:56,325

- Are you having a laugh?
- What?

383

00:19:56,408 --> 00:19:58,117

You just said each member
of the team is chosen

384

00:19:58,200 --> 00:20:00,908

for their unique abilities.
He does exactly what I do.

385

00:20:00,992 --> 00:20:02,158

But better.

386

00:20:02,242 --> 00:20:03,408

I always hit

my targets dead center.

387

00:20:03,492 --> 00:20:04,825

I hit them more in the center.

388

00:20:04,908 --> 00:20:06,117

Well, you can't hit something

more in a center.

389

00:20:06,200 --> 00:20:07,533

- I use smaller bullets.

- What?

390

00:20:07,617 --> 00:20:08,825

They go inside

your bullet holes

391

00:20:08,908 --> 00:20:10,075

without even touching the side.

392

00:20:10,158 --> 00:20:12,700

Next up is King Shark.

393

00:20:12,783 --> 00:20:13,742

[Peacemaker] Holy shit.

394

00:20:13,825 --> 00:20:16,033

What the fuck?

395

00:20:16,117 --> 00:20:17,533

[Waller] Some people claim

396

00:20:17,617 --> 00:20:20,367

that Nanaue is a descendant
of an ancient shark god.

397

00:20:20,450 --> 00:20:22,783

Whatever the case,
he's strong and deadly.

398

00:20:22,867 --> 00:20:24,283

Does it talk?

399

00:20:24,367 --> 00:20:26,450

- [King Shark] Book read.

- [Bloodsport] Wow. [chuckles]

400

00:20:26,533 --> 00:20:27,867

[Peacemaker]

Book's upside-down.

401

00:20:27,950 --> 00:20:29,242

See that? It's pretending

to read a book.

402

00:20:29,325 --> 00:20:33,908

So smart, me.

Enjoy book so much.

403

00:20:33,992 --> 00:20:35,200

Be a mite careful,

404

00:20:35,283 --> 00:20:37,117

as he's developed a taste
for human meat.

405

00:20:37,200 --> 00:20:37,992

Huh?

406

00:20:38,075 --> 00:20:40,450

Next, we have Cleo Cazo,

407

00:20:40,533 --> 00:20:42,867

- Ratcatcher 2.

- [inmate whistles]

408

00:20:42,950 --> 00:20:44,617

- [inmates cheering]

- Settle down!

409

00:20:44,700 --> 00:20:45,783

Ooh.

410

00:20:45,867 --> 00:20:47,450

What, we couldn't

afford Ratcatcher 1?

411

00:20:47,533 --> 00:20:48,992

He's dead.

This is his daughter.

412

00:20:49,075 --> 00:20:49,950

[knocks]

413

00:20:50,033 --> 00:20:51,617

Cazo, will you be joining us?

414

00:20:51,700 --> 00:20:53,617

[groans] I just woke up.

415

00:20:53,700 --> 00:20:55,950

I don't function well

early in the morning.

416

00:20:56,033 --> 00:20:58,658

My deepest apologies

for disturbing you.

417

00:20:58,742 --> 00:20:59,783

Hmm, it's all right.

418

00:20:59,867 --> 00:21:01,825

- Get your ass out here!

- [gasps]

419

00:21:03,033 --> 00:21:04,908

[sighs, moaning]

420

00:21:09,200 --> 00:21:10,367

Millennials.

421

00:21:11,742 --> 00:21:13,158

[continues moaning]

422

00:21:13,908 --> 00:21:15,908

Oh, no way.

423

00:21:15,992 --> 00:21:18,367

- That's not coming with us.

- She controls rats.

424

00:21:18,450 --> 00:21:20,533

I know, I caught that.

It's a disgusting superpower.

425

00:21:20,617 --> 00:21:23,742

This is Sebastian.

Say hello, Sebastian.

426

00:21:25,658 --> 00:21:28,117

I'm not shakin' the rat's hand.

427

00:21:28,200 --> 00:21:29,325

[Sebastian whines]

428

00:21:29,408 --> 00:21:32,117

And finally,

we have Abner Krill.

429

00:21:33,033 --> 00:21:34,367

What's that 'round his neck?

430

00:21:34,450 --> 00:21:35,575

A power dampener.

431

00:21:35,658 --> 00:21:37,408

They call him
the Polka Dot Man.

432

00:21:37,492 --> 00:21:39,450

[scoffs] Polka Dot Man.

433

00:21:39,533 --> 00:21:41,658

What's he do,
throw polka dots at people?

434

00:21:44,283 --> 00:21:45,825

He does.

435

00:21:45,908 --> 00:21:47,575

He throws polka dots at people.

436

00:21:47,658 --> 00:21:49,033

Hey, Polka Dot Man,

437

00:21:49,117 --> 00:21:51,367

I was hoping you'd entertain
my kid's birthday party.

438

00:21:51,450 --> 00:21:55,200

You fucking pussy!
[laughing hysterically]

439

00:21:55,283 --> 00:21:57,242

- [chuckles]
- These are soldiers?

440

00:21:57,325 --> 00:21:58,950

We need to debrief.

441

00:22:00,117 --> 00:22:02,242

[glass squeaking]

442

00:22:06,992 --> 00:22:09,075

[groans] Fuck.

443

00:22:09,158 --> 00:22:11,242

Corto Maltese

444

00:22:11,325 --> 00:22:14,867

is a small island nation off
the coast of South America.

445

00:22:14,950 --> 00:22:16,450

Over the past 100 years,

446

00:22:16,533 --> 00:22:19,325

the country has been ruled
with an iron fist

447

00:22:19,408 --> 00:22:21,575

by the Herrera family.

448

00:22:21,658 --> 00:22:25,242

But, a week ago, this guy,

449

00:22:25,325 --> 00:22:28,908

General Silvio Luna,
along with his right-hand man,

450

00:22:28,992 --> 00:22:31,742

Mayor General Mateo Suarez,

451

00:22:31,825 --> 00:22:34,408

took control of

the Corto Maltese government

452

00:22:34,492 --> 00:22:36,742

in a violent military coup.

453

00:22:36,825 --> 00:22:41,783

The entire Herrera family were
hanged in a public execution.

454

00:22:41,867 --> 00:22:43,950

Although the United States
did not condone

455

00:22:44,033 --> 00:22:46,408

the excesses

of the Herrera regime,

456

00:22:46,492 --> 00:22:49,450

they were non-antagonistic
toward the U.S.

457

00:22:49,533 --> 00:22:53,742

Luna, however,
is virulently anti-American.

458

00:22:53,825 --> 00:22:55,325

So, you want us to kill Luna?

459

00:22:55,408 --> 00:22:56,533

No.

460

00:22:57,325 --> 00:22:59,117

This is Jotunheim.

461

00:22:59,200 --> 00:23:01,450

A scientific
experimentation facility

462

00:23:01,533 --> 00:23:06,033

containing something known only
as Project Starfish.

463

00:23:06,117 --> 00:23:07,992

Our intelligence sources
tell us

464

00:23:08,075 --> 00:23:11,450

that Starfish
is extraterrestrial in origin.

465

00:23:11,533 --> 00:23:13,783

In the hands
of the Luna regime,

466

00:23:13,867 --> 00:23:18,283

it is potentially cataclysmic
for Americans and the world.

467

00:23:18,367 --> 00:23:22,658

Your mission
is to infiltrate Jotunheim

468

00:23:22,742 --> 00:23:26,450

and destroy every trace

of Project Starfish.

469

00:23:26,533 --> 00:23:27,825

How are we supposed to get in?

470

00:23:27,908 --> 00:23:29,950

Gaius Grieves, the Thinker,

471

00:23:30,033 --> 00:23:32,992

is a geneticist in charge

of Project Starfish.

472

00:23:33,075 --> 00:23:36,117

After hours, he hangs out

at a gentlemen's club

473

00:23:36,200 --> 00:23:38,950

known as La Gatita Amable.

474

00:23:39,033 --> 00:23:41,950

Get Grieves to help you

by whatever means necessary

475

00:23:42,033 --> 00:23:44,325

and he can get you
into Jotunheim.

476

00:23:45,533 --> 00:23:46,575

Any questions?

477

00:23:48,700 --> 00:23:50,575

What is that?

478

00:23:50,658 --> 00:23:52,950

[Waller] That is
an overhead projector.

479

00:23:53,033 --> 00:23:54,533

Do you ever use it anymore?

480

00:23:54,617 --> 00:23:55,908

No, not really.

481

00:23:55,992 --> 00:23:57,992

So, why don't you

just throw it away?

482

00:23:58,075 --> 00:23:59,783

[Waller] Peacemaker?

483

00:23:59,867 --> 00:24:02,658

Starfish is a slang term
for a butthole.

484

00:24:02,742 --> 00:24:03,825

Think there's any connection?

485

00:24:06,533 --> 00:24:07,408

No.

486

00:24:08,908 --> 00:24:09,825

No...

487

00:24:09,908 --> 00:24:10,783

Nanaue.

488

00:24:10,867 --> 00:24:12,242

[Peacemaker] ...connection.

489

00:24:12,325 --> 00:24:13,533

Hand.

490

00:24:13,617 --> 00:24:16,992

Yes, that is your hand,

Nanaue, very good.

491

00:24:20,158 --> 00:24:21,533

We're all gonna die.

492

00:24:22,533 --> 00:24:23,450

I hope so.

493

00:24:24,783 --> 00:24:26,783

Oh, for fuck's sake.

494

00:24:26,867 --> 00:24:28,950

[dramatic music playing]

495

00:24:45,117 --> 00:24:46,992

[explosion]

496

00:24:50,533 --> 00:24:52,617

Control, we have a disturbance
south of here.

497

00:24:52,700 --> 00:24:54,492

[Waller on radio] *<i>It's just
a diversion, Bloodsport.</i>*

498

00:24:54,575 --> 00:24:57,658

All right, we cut through the
jungle to get to Valle Del Mar.

499

00:24:57,742 --> 00:24:59,783

Don't they have blockades
at the city limits?

500

00:24:59,867 --> 00:25:01,367

That's the word.

501

00:25:01,450 --> 00:25:03,742

How we getting in? Especially

with Charlie the Tuna here.

502

00:25:03,825 --> 00:25:05,242

How the hell am I
supposed to know?

503

00:25:05,325 --> 00:25:06,283

You're the leader.

504

00:25:06,367 --> 00:25:07,783

You're supposed to be decisive.

505

00:25:07,867 --> 00:25:08,992

And I've decided
that you should eat

506

00:25:09,075 --> 00:25:10,658

a big bag of dicks, how's that?

507

00:25:10,742 --> 00:25:12,700

You're being facetious,
but if this whole beach

508

00:25:12,783 --> 00:25:13,908

was completely covered in dicks

509

00:25:13,992 --> 00:25:15,408

and somebody said I had to eat

510

00:25:15,492 --> 00:25:16,825

every dick until the beach

was clean for liberty,

511

00:25:16,908 --> 00:25:18,367

I would say no problemo.

512

00:25:18,450 --> 00:25:21,117

Why would someone put penises

all over the beach?

513

00:25:21,200 --> 00:25:22,450

Who knows why madmen

do what they do?

514

00:25:22,533 --> 00:25:23,783

Well, you know what I think?

515

00:25:23,867 --> 00:25:25,242

I think liberty

is just your excuse

516

00:25:25,325 --> 00:25:26,908

to do whatever you want.

517

00:25:26,992 --> 00:25:29,825

Whether that's to eat a beach
full of dicks or killin' folk.

518

00:25:33,325 --> 00:25:35,158

Oh, yeah?

519

00:25:35,242 --> 00:25:38,158

At least I don't kill men
for money like you.

520

00:25:38,242 --> 00:25:39,742

Oh, here we go.

521

00:25:39,825 --> 00:25:41,575

There's something wrong
with your skin.

522

00:25:42,617 --> 00:25:43,742

It's just a rash.

523

00:25:43,825 --> 00:25:45,200

That's a rash?

524

00:25:45,283 --> 00:25:48,117

[explosions]

525

00:25:51,992 --> 00:25:53,033

[screams]

526

00:25:53,117 --> 00:25:55,117

[grunts]

527

00:25:55,200 --> 00:25:56,992

- [gunfire]

- [soldier shouts indistinctly]

528

00:25:58,700 --> 00:25:59,783

[whispers] Oh, no.

529

00:26:04,242 --> 00:26:05,450

[whispering] You...

530

00:26:07,033 --> 00:26:08,367

are the only one...

531

00:26:09,575 --> 00:26:13,367

fit to carry my javelin.

532

00:26:22,783 --> 00:26:24,408

Carry it for...

533

00:26:26,658 --> 00:26:28,533

[exhaling slowly]

534

00:26:32,200 --> 00:26:34,242

[soft music playing]

535

00:26:46,825 --> 00:26:48,367

Carry it for who?

536

00:26:48,450 --> 00:26:49,950

For what? What the heck?

537

00:26:50,033 --> 00:26:51,742

Who am I supposed

to carry it for?

538

00:26:51,825 --> 00:26:54,200

[soldier shouts in Spanish]

539

00:26:54,283 --> 00:26:55,742

[Harley, in English]

This is so frustratin'.

540

00:26:55,825 --> 00:26:57,658

He just told me I have

to carry this javelin

541

00:26:57,742 --> 00:27:00,242

for a reason,
but he didn't say why!

542

00:27:01,992 --> 00:27:06,033

Waller? Waller. Waller!

543

00:27:08,992 --> 00:27:11,075

[weapons cocking]

544

00:27:15,617 --> 00:27:17,242

All right, we'll camp here,

545

00:27:17,325 --> 00:27:19,242

and tomorrow we'll go
straight through to the city

546

00:27:19,325 --> 00:27:21,825

to get to La Gatita Amable
by nightfall.

547

00:27:23,450 --> 00:27:24,658

[squeaks]

548

00:27:26,700 --> 00:27:28,242

[chitters]

549

00:27:29,533 --> 00:27:31,617

[animals croaking nearby]

550

00:27:44,367 --> 00:27:45,617

[grunting softly]

551

00:27:48,908 --> 00:27:50,992

- [twigs snapping]

- [groans]

552

00:28:14,575 --> 00:28:16,408

[Polka Dot Man pants]

553

00:28:23,825 --> 00:28:25,908

[squeaking]

554

00:28:26,825 --> 00:28:29,033

[grunting]

555

00:28:31,492 --> 00:28:32,867

[grunts]

556

00:28:32,950 --> 00:28:34,450

[sleepily] What?

557

00:28:36,242 --> 00:28:37,700

[growling]

558

00:28:38,700 --> 00:28:40,200

[grunting]

559

00:28:43,575 --> 00:28:44,533

[growls]

560

00:28:52,783 --> 00:28:54,533

How deep of a sleeper are you?

561

00:28:54,617 --> 00:28:57,617

I was having

the most wonderful dream.

562

00:28:57,700 --> 00:28:59,783

If it was you about to be
eaten by King Shark,

563

00:28:59,867 --> 00:29:01,158

then you're psychic.

564

00:29:01,242 --> 00:29:02,408

[Ratcatcher 2] I don't believe
he would do that.

565

00:29:02,492 --> 00:29:04,617

He has very kind eyes.

566

00:29:04,700 --> 00:29:07,950

[squeaking]

567

00:29:08,033 --> 00:29:10,533

[grunts] Hungry.

568

00:29:10,617 --> 00:29:11,908

You bastard!

569

00:29:13,283 --> 00:29:15,408

- [rats squeaking]

- [Peacemaker] Uh...

570

00:29:15,492 --> 00:29:17,617

[King Shark grunting in fear]

571

00:29:27,033 --> 00:29:28,992

All right,

calm down with the rats!

572

00:29:29,075 --> 00:29:31,325

- What?

- I have a thing with rats.

573

00:29:31,408 --> 00:29:33,158

- You have a thing with rats?

- Yes.

574

00:29:33,242 --> 00:29:36,075

- And you're on a team with me?

- Not something I asked for!

575

00:29:36,158 --> 00:29:37,200

[laughs]

576

00:29:37,283 --> 00:29:38,617

What are you

laughing at me for, man?

577

00:29:38,700 --> 00:29:40,033

Why the fuck are you

in your underwear?

578

00:29:40,117 --> 00:29:41,408

Tighty-whities? Really?

579

00:29:41,492 --> 00:29:42,908

- Now, that's just racist.

- [Bloodsport] No.

580

00:29:42,992 --> 00:29:44,617

<i>It's not racist.</i>

581

00:29:44,700 --> 00:29:46,450

- *<i>They're tighty-whities.</i>*

- [Emilia] Oh, come the fuck on.

582

00:29:46,533 --> 00:29:49,200

Bloodsport's got a rat phobia.

583

00:29:49,283 --> 00:29:51,283

- What?

- [laughs]

584

00:29:51,367 --> 00:29:52,408

You didn't tell me

585

00:29:52,492 --> 00:29:54,492

<i>you had a fear of rats, DuBois?</i>

586

00:29:54,575 --> 00:29:57,408

I'm an assassin! Why would I
share my liabilities?

587

00:29:57,492 --> 00:29:58,575

[shrieks]

588

00:29:58,658 --> 00:29:59,908

[whispers] For fuck's sake.

589

00:29:59,992 --> 00:30:01,700

Aw. He's offering you
a pretty leaf

590

00:30:01,783 --> 00:30:03,867

to show you he means no harm.

591

00:30:03,950 --> 00:30:05,158

Why the fuck
would I want a leaf?

592

00:30:06,242 --> 00:30:07,158

[laughs]

593

00:30:07,242 --> 00:30:08,575

Just get the rats out of here!

594

00:30:14,242 --> 00:30:17,367

- Oh, fuck's sake.

- Huh. Cool.

595

00:30:17,450 --> 00:30:19,117

[King Shark pants]

596

00:30:21,158 --> 00:30:22,867

Hey, we gonna kill

Megalodouche now, or what?

597

00:30:22,950 --> 00:30:24,783

[Waller] *Nanaue's the strongest
member of your team.*

598

00:30:24,867 --> 00:30:26,992

You need him

to get into Jotunheim.

599

00:30:27,075 --> 00:30:28,658

Yeah, well,

we can't function as a team

600

00:30:28,742 --> 00:30:30,033

if we gotta watch our back

601

00:30:30,117 --> 00:30:31,450

from one of our own

eatin' our bollocks.

602

00:30:33,158 --> 00:30:37,533

Nanaue,

would you eat your friends?

603

00:30:39,033 --> 00:30:40,908

I no friends.

604

00:30:41,867 --> 00:30:43,575

You have no friends?

605

00:30:47,450 --> 00:30:49,867

If you did, would you eat them?

606

00:30:49,950 --> 00:30:51,033

Yes.

607

00:30:51,992 --> 00:30:52,908

[sighs]

608

00:30:56,533 --> 00:30:58,658

No?

609

00:30:58,742 --> 00:31:01,117

Then, can we be your friends?

610

00:31:01,825 --> 00:31:03,367

[scoffs] Come on.

611

00:31:03,450 --> 00:31:04,575

He's obviously lying.

612

00:31:08,033 --> 00:31:10,325

If I die

'cause I gambled on love,

613

00:31:11,950 --> 00:31:13,700

it will be a worthy death.

614

00:31:15,492 --> 00:31:16,450

Friends.

615

00:31:22,408 --> 00:31:23,533

[chuckles]

616

00:31:24,575 --> 00:31:26,283

You are a little idiot.

617

00:31:27,658 --> 00:31:29,533

[footsteps departing]

618

00:31:33,033 --> 00:31:35,325

- [alarm beeps]

- [coughs]

619

00:31:35,408 --> 00:31:39,075

Oh, my God! Oh, my God.

I'm good at my job.

620

00:31:39,158 --> 00:31:40,242

[chuckles] I found him.

621

00:31:40,325 --> 00:31:41,283

Check it out.

622

00:31:42,283 --> 00:31:44,242

Look, right here, a mile north.

623

00:31:45,533 --> 00:31:46,783

Task Force X,

624

00:31:46,867 --> 00:31:48,242

you have an additional

mission directive.

625

00:31:48,325 --> 00:31:50,200

<i>We've located

Colonel Rick Flag.</i>

626

00:31:50,283 --> 00:31:51,658

<i>He's been taken by the enemy.</i>

627

00:31:51,742 --> 00:31:52,658

Rick Flag?

628

00:31:52,742 --> 00:31:54,242

<i>I know, you both served</i>

629

00:31:54,325 --> 00:31:56,658

on special forces in Qurac
that took down Avral Kaddam.

630

00:31:56,742 --> 00:31:59,908

<i>Flag was the one
who initially recommended you.</i>

631

00:31:59,992 --> 00:32:01,992

[Bloodsport] You had other
operatives in Corto Maltese

632

00:32:02,075 --> 00:32:03,950

and didn't tell us?

633

00:32:04,033 --> 00:32:07,408

<i>There was no tactical
advantage, now there is.</i>

634

00:32:07,492 --> 00:32:10,200

<i>I've uploaded the location
on your MTS.</i>

635

00:32:10,283 --> 00:32:14,658

<i>Terminate his captors
with extreme prejudice.</i>

636

00:32:14,742 --> 00:32:19,033

<i>Kill anyone you see.
These are dangerous people.</i>

637

00:32:19,117 --> 00:32:21,867

<i>Recover Flag before moving on
to the city.</i>

638

00:32:23,075 --> 00:32:25,033

- [tense music playing]
- [device beeping]

639

00:32:27,075 --> 00:32:28,950

That's where
they're holding Flag.

640

00:32:29,033 --> 00:32:31,867

Nothing like a bloodbath
to start the day.

641

00:32:31,950 --> 00:32:33,325

They call you Peacemaker?

642

00:32:33,408 --> 00:32:35,533

I cherish peace
with all my heart.

643

00:32:35,617 --> 00:32:36,867

I don't care
how many men, women,

644

00:32:36,950 --> 00:32:38,450

and children
I need to kill to get it.

645

00:32:39,742 --> 00:32:41,783

[whispers] I thought
you were the crazy one.

646

00:32:42,700 --> 00:32:43,867

I am.

647

00:32:43,950 --> 00:32:45,492

[Bloodsport] All right.

648

00:32:45,575 --> 00:32:46,783

Let's get it.

649

00:32:49,575 --> 00:32:50,617

Boss.

650

00:32:51,283 --> 00:32:52,200

<i>Gracias.</i>

651

00:32:55,283 --> 00:32:57,783

- [tense music playing]

- [soft footsteps pattering]

652

00:33:05,575 --> 00:33:08,075

No, no, no! [screaming]

653

00:33:19,783 --> 00:33:21,867

- [squeaking]

- [grunting]

654

00:33:24,158 --> 00:33:26,075

[instrumental rock music
playing]

655

00:33:26,158 --> 00:33:26,992

[grunts]

656

00:33:27,825 --> 00:33:28,742

[screams]

657

00:33:29,783 --> 00:33:30,658

[grunts]

658

00:33:31,575 --> 00:33:32,450

[grunts]

659

00:33:35,158 --> 00:33:36,075

[grunts]

660

00:33:45,658 --> 00:33:47,742

[tense music playing]

661

00:33:56,950 --> 00:33:58,533

[men grunting]

662

00:34:06,033 --> 00:34:08,450

[all grunting]

663

00:34:13,033 --> 00:34:15,075

[dramatic music playing]

664

00:34:17,033 --> 00:34:19,117

[woman singing in Spanish]

665

00:34:21,450 --> 00:34:22,783

[grunts]

666

00:34:22,867 --> 00:34:24,075

[groans]

667

00:34:26,200 --> 00:34:28,117

- [Peacemaker blowing]

- [grunts]

668

00:34:33,158 --> 00:34:34,242

[blowing]

669

00:34:38,200 --> 00:34:39,575

[man whimpering]

670

00:34:39,658 --> 00:34:40,658

No, no, no!

671

00:34:40,742 --> 00:34:42,242

[screaming]

672

00:34:50,992 --> 00:34:51,908

[grunts]

673

00:34:55,492 --> 00:34:57,575

[dramatic music playing]

674

00:35:02,325 --> 00:35:03,492

[exclaims in Spanish]

675

00:35:03,575 --> 00:35:05,325

- [electricity crackling]

- [groaning]

676

00:35:05,408 --> 00:35:06,242

Hmm?

677

00:35:08,908 --> 00:35:10,617

[grunts, groans]

678

00:35:10,700 --> 00:35:11,742

Non-lethal.

679

00:35:11,825 --> 00:35:13,200

You lose.

680

00:35:13,283 --> 00:35:15,075

Exploding compression bullets.

681

00:35:15,158 --> 00:35:16,908

- [continues groaning]

- [bullet whines]

682

00:35:18,950 --> 00:35:20,325

No one likes a show-off.

683

00:35:20,408 --> 00:35:22,950

Unless what they're
showing off is dope as fuck.

684

00:35:25,867 --> 00:35:27,908

Fuck. That's true.

685

00:35:27,992 --> 00:35:30,533

[dramatic music continues]

686

00:35:31,658 --> 00:35:32,700

[rustling]

687

00:35:37,242 --> 00:35:38,325

[all scream]

688

00:35:43,283 --> 00:35:45,117

He does throw

polka dots at people.

689

00:35:46,283 --> 00:35:48,658

I'm sorry it's so...

flamboyant.

690

00:35:48,742 --> 00:35:51,367

It looks cool. I think.

691

00:35:51,450 --> 00:35:52,700

I don't like to kill people,

692

00:35:52,783 --> 00:35:54,992

but if I pretend

they're my mom, it's easy.

693

00:35:55,075 --> 00:35:56,825

T.M.I., mate.

694

00:35:56,908 --> 00:35:58,617

[laughter]

695

00:35:59,283 --> 00:36:00,617

[gasps]

696

00:36:00,700 --> 00:36:03,158

[Spanish song playing
on speaker]

697

00:36:05,617 --> 00:36:06,575

DuBois?

698

00:36:07,242 --> 00:36:08,242

Hey, Flag.

699

00:36:09,700 --> 00:36:11,867

What the hell
are you doing here?

700

00:36:11,950 --> 00:36:14,033

Waller told us that you were...

701

00:36:14,992 --> 00:36:15,950

Uh...

702

00:36:16,825 --> 00:36:17,950

Are you drinkin' tea?

703

00:36:18,033 --> 00:36:19,408

This is Sol Soria,

704

00:36:19,492 --> 00:36:21,075

she's the leader

of the freedom fighters,

705

00:36:21,158 --> 00:36:23,492

the resistance trying to take

down the current government.

706

00:36:23,575 --> 00:36:25,075

They saved my life.

707

00:36:26,117 --> 00:36:28,367

Oh, wow.

708

00:36:30,200 --> 00:36:32,950

Why did my people not alert me
of your arrival?

709

00:36:35,325 --> 00:36:36,575

We didn't see any people.

710

00:36:36,658 --> 00:36:37,575

Yeah, I didn't see
anybody on the way...

711

00:36:37,658 --> 00:36:38,742

There's no one out there.

712

00:36:38,825 --> 00:36:40,408

They were gone
when we got here.

713

00:36:40,492 --> 00:36:42,117

I turned them into my mother
in my head and killed them.

714

00:36:44,158 --> 00:36:45,158

[choking]

715

00:36:49,492 --> 00:36:50,867

[Sebastian squeaks]

716

00:36:52,533 --> 00:36:54,617

[animals calling in distance]

717

00:36:56,867 --> 00:36:58,408

[flies buzzing]

718

00:36:58,492 --> 00:37:03,450

Typical Americans.

Just run in, guns blazing.

719

00:37:03,533 --> 00:37:05,658

I know, this is messed up.

720

00:37:05,742 --> 00:37:07,950

- These guys, they're...

- What's this one do?

721

00:37:08,908 --> 00:37:10,825

They're fucking idiots,

722

00:37:10,908 --> 00:37:14,325

but right now our objectives

align with yours.

723

00:37:14,408 --> 00:37:15,575

[sighs]

724

00:37:15,658 --> 00:37:17,075

If Jotunheim

contains the technology

725

00:37:17,158 --> 00:37:18,617

our intelligence says it does,

726

00:37:18,700 --> 00:37:20,575

then it could be used

on the people of Corto Maltese

727

00:37:20,658 --> 00:37:21,992

as well as Americans.

728

00:37:23,617 --> 00:37:24,908

That's why we need your help

729

00:37:24,992 --> 00:37:26,950

to get into the city

so we can stop 'em.

730

00:37:28,533 --> 00:37:30,700

Is that rat waving at me?

731

00:37:36,617 --> 00:37:37,700

It appears it is.

732

00:37:38,992 --> 00:37:40,325

Why?

733

00:37:40,408 --> 00:37:42,242

I'm gonna guess

because it's friendly.

734

00:37:45,242 --> 00:37:47,783

Luna and Suarez

murdered my entire family.

735

00:37:49,700 --> 00:37:52,408

I'd make a deal

with the Devil to stop them.

736

[Star-Crossed Man] Tortured me.

1476

01:23:26,867 --> 01:23:29,533

Had his way with me.

1477

01:23:53,158 --> 01:23:55,158

[gasping]

1478

01:24:09,242 --> 01:24:12,117

I call it Starro the Conqueror.

1479

01:24:12,200 --> 01:24:13,950

That's meant to be derisive.

1480

01:24:14,950 --> 01:24:16,158

Sorry, old chum.

1481

01:24:16,242 --> 01:24:17,742

These two are here to kill you.

1482

01:24:17,825 --> 01:24:18,950

It's out of my hands.

1483

01:24:19,033 --> 01:24:20,783

We need to help these people.

1484

01:24:20,867 --> 01:24:24,617

Impossible, dear. They're
corpses below those stars.

1485

01:24:25,408 --> 01:24:26,783

Who are they?

1486

01:24:26,867 --> 01:24:28,117

[groans]

1487

01:24:28,200 --> 01:24:30,825

The fodder of powerful men
through every age.

1488

01:24:30,908 --> 01:24:31,908

Dissidents,

1489

01:24:32,867 --> 01:24:33,908

journalists,

1490

01:24:35,033 --> 01:24:36,742

political rivals,

1491

01:24:36,825 --> 01:24:39,117

and their loved ones.

1492

01:24:41,283 --> 01:24:42,825

Oh, please,

1493

01:24:42,908 --> 01:24:46,408

unclutch your fucking pearls,

Flag.

1494

01:24:46,492 --> 01:24:48,950

We serve the same master.

1495

01:24:49,033 --> 01:24:50,783

We were sent here to stop you.

1496

01:24:51,700 --> 01:24:52,825

Child,

1497

01:24:52,908 --> 01:24:54,658

your government

didn't send you here

1498

01:24:54,742 --> 01:24:57,658

to protect the world

from alien technology.

1499

01:24:57,742 --> 01:25:01,658

Your government sent you here
to cover up their part in it.

1500

01:25:01,742 --> 01:25:03,992

You're a goddamn liar.

1501

01:25:04,075 --> 01:25:08,283

American goddamn astronauts
found Starro.

1502

01:25:08,367 --> 01:25:11,033

<i>Yankee-fucking-doodle dandies.</i>

1503

01:25:11,117 --> 01:25:12,658

Although the Cold War
was ended,

1504

01:25:12,742 --> 01:25:14,867

your government
saw the potential

1505

01:25:14,950 --> 01:25:17,283

in weaponizing

such a powerful beast,

1506

01:25:17,367 --> 01:25:18,825

but banish the thought

1507

01:25:18,908 --> 01:25:22,742

of any such experiments

being held on American soil.

1508

01:25:22,825 --> 01:25:25,325

Your people

have always been squeamish

1509

01:25:25,408 --> 01:25:27,825

about the sacrifices necessary

1510

01:25:28,908 --> 01:25:30,408

for scientific advancement.

1511

01:25:30,492 --> 01:25:31,492

So,

1512

01:25:32,617 --> 01:25:34,408

the United States

made a secret deal

1513

01:25:34,492 --> 01:25:36,158

with the Corto Maltese

government

1514

01:25:36,242 --> 01:25:38,825

to conduct

their illegal experiments here

1515

01:25:38,908 --> 01:25:40,200

in Jotunheim.

1516

01:25:40,283 --> 01:25:42,450

And they hired me

to oversee them.

1517

01:25:42,533 --> 01:25:44,033

And now, because of

1518

01:25:44,117 --> 01:25:46,325

a run-of-the-mill

fucking military coup,

1519

01:25:46,408 --> 01:25:48,783

they're gonna destroy

30 years' worth of efforts.

1520

01:25:48,867 --> 01:25:50,033

[Peacemaker] Yeah!

1521

01:25:50,117 --> 01:25:52,033

You're the real victim here.

1522

01:25:52,117 --> 01:25:55,033

The hell you doing here? You're supposed
to be upstairs plantin' explosives.

1523

01:25:55,117 --> 01:25:57,492

I told you I didn't trust him.

1524

01:25:57,575 --> 01:25:59,575

Your records are located
in those computers?

1525

01:26:02,533 --> 01:26:05,450

Colonel, what are you doing?

1526

01:26:05,533 --> 01:26:08,117

I joined the military
to serve my country,

1527

01:26:08,200 --> 01:26:09,450

not to be its puppet.

1528

01:26:10,658 --> 01:26:12,408

What are you doing?

1529

01:26:15,658 --> 01:26:16,950

Who are you going
to show that to?

1530

01:26:17,033 --> 01:26:20,158

The press. Goddamn people
deserve to know.

1531

01:26:20,242 --> 01:26:22,075

I'm tired of coverin' up
their dirty little secrets.

1532

01:26:22,158 --> 01:26:24,200

This time these sons of bitches
are gonna be held account...

1533

01:26:24,283 --> 01:26:25,408

[gun cocks]

1534

01:26:25,492 --> 01:26:26,575

I can't let you do that,
Colonel.

1535

01:26:26,658 --> 01:26:28,325

- Excuse me?

- I'm truly sorry.

1536

01:26:28,408 --> 01:26:29,908

Miss Waller charged me
with makin' sure

1537

01:26:29,992 --> 01:26:31,575

those records
don't leave this building.

1538

01:26:31,658 --> 01:26:33,158

Of course, I shoulda known.

1539

01:26:33,242 --> 01:26:35,658

Waller's always got a backup.

1540

01:26:35,742 --> 01:26:37,492

Come on, man,
this isn't personal.

1541

01:26:37,575 --> 01:26:40,283

Holdin' a gun on me
is pretty fucking personal.

1542

01:26:40,367 --> 01:26:41,575

[muffled explosion]

1543

01:26:41,658 --> 01:26:43,408

What is that?

1544

01:26:43,492 --> 01:26:44,825

I'm gonna need that drive,
Colonel.

1545

01:26:44,908 --> 01:26:46,283

- [muffled rumbling]

- [alarm sounding]

1546

01:26:46,367 --> 01:26:48,617

Those morons set off
the explosives too early.

1547

01:26:48,700 --> 01:26:50,117

Hand over the drive!

1548

01:26:50,200 --> 01:26:52,658

- Let's go, come on!

- [PA announcement in Spanish]

1549

01:26:52,742 --> 01:26:53,950

They experimented on children.

1550

01:26:54,033 --> 01:26:55,992

No one is sayin'

what they did was right.

1551

01:26:56,075 --> 01:26:58,283

They experimented on children!

1552

01:26:58,367 --> 01:26:59,533

That information gets out,

1553

01:26:59,617 --> 01:27:01,450

it causes

an international incident!

1554

01:27:01,533 --> 01:27:03,742

Keepin' the peace

is worth any price,

1555

01:27:03,825 --> 01:27:06,117

including the life
of a hero like yours, sir,

1556

01:27:06,200 --> 01:27:07,325

so please...

1557

01:27:09,033 --> 01:27:10,408

don't make me do this.

1558

01:27:11,617 --> 01:27:13,075

[all gasp]

1559

01:27:20,450 --> 01:27:22,617

[Sebastian squeaking]

1560

01:27:28,617 --> 01:27:30,283

[grunts weakly]

1561

01:27:35,117 --> 01:27:36,742

[groaning]

1562

01:27:38,700 --> 01:27:40,283

[breathing laboriously]

1563

01:27:44,533 --> 01:27:45,617

[groans]

1564

01:27:49,533 --> 01:27:50,992

What have you people done?

1565

01:27:51,075 --> 01:27:52,908

[whimpering]

1566

01:27:54,450 --> 01:27:55,867

[gasps]

1567

01:27:55,950 --> 01:27:58,117

[choking and grunting]

1568

01:28:00,783 --> 01:28:02,450

[screaming]

1569

01:28:07,325 --> 01:28:08,533

Sebastian, come!

1570

01:28:11,325 --> 01:28:12,908

[crashing nearby]

1571

01:28:19,367 --> 01:28:22,242

- [gasping]

- [sinister music playing]

1572

01:28:28,117 --> 01:28:30,242

[Sebastian squeaking]

1573

01:28:42,367 --> 01:28:44,325

Okay, we gotta calm down.

1574

01:28:44,408 --> 01:28:46,700

Let's all just...

Let's talk about this.

1575

01:28:46,783 --> 01:28:48,533

I understand

where you're coming from.

1576

01:28:48,617 --> 01:28:49,742

I crossed a line.

1577

01:28:49,825 --> 01:28:51,242

Okay, I crossed a line!

1578

01:28:51,325 --> 01:28:53,700

I realize that,
but I'm ready to change.

1579

01:28:53,783 --> 01:28:55,533

I am ready to change.

1580

01:28:55,617 --> 01:28:57,700

And I didn't
mean to hurt you...

1581

01:28:57,783 --> 01:28:58,825

[screams]

1582

01:28:58,908 --> 01:28:59,908

[yelping]

1583

01:29:15,117 --> 01:29:17,242

[gurgling and grunting]

1584

01:29:33,908 --> 01:29:36,242

[pained grunting]

1585

01:29:36,325 --> 01:29:37,950

[pants weakly]

1586

01:29:40,825 --> 01:29:41,950

[both grunt]

1587

01:29:43,783 --> 01:29:45,450

[both grunting]

1588

01:29:47,242 --> 01:29:48,867

[groaning]

1589

01:29:50,033 --> 01:29:52,117

[dramatic music playing]

1590

01:30:06,783 --> 01:30:07,908

[grunts]

1591

01:30:14,325 --> 01:30:15,533

[grunts heavily]

1592

01:30:19,117 --> 01:30:21,367

[both grunting]

1593

01:30:37,783 --> 01:30:40,492

[both groaning and panting]

1594

01:30:47,908 --> 01:30:49,825

You motherfucker.

1595

01:30:49,908 --> 01:30:51,533

[choking]

1596

01:31:03,575 --> 01:31:04,575

[grunts]

1597

01:31:07,617 --> 01:31:08,617

[gasps]

1598

01:31:09,283 --> 01:31:11,492

[pounding]

1599

01:31:11,575 --> 01:31:13,658

[melancholy music playing]

1600

01:31:15,783 --> 01:31:18,283

- [groans weakly]

- [heartbeat slowing]

1601

01:31:29,325 --> 01:31:30,575

Peacemaker.

1602

01:31:32,450 --> 01:31:33,700

What a joke.

1603

01:31:54,033 --> 01:31:56,158

[melancholy music continues]

1604

01:32:07,158 --> 01:32:08,158

Cleo.

1605

01:32:09,700 --> 01:32:11,617

Give me back the drive.

1606

01:32:12,492 --> 01:32:14,408

[dramatic music playing]

1607

01:32:17,992 --> 01:32:19,992

[breathing heavily]

1608

01:32:29,700 --> 01:32:30,908

[both grunt]

1609

01:32:32,617 --> 01:32:35,492

I told you that information

can't get out. Fuck!

1610

01:32:35,575 --> 01:32:38,283

So, okay, okay,

destroy the hard drive.

1611

01:32:38,367 --> 01:32:41,075

- Why kill me?

- [Sebastian squeaking]

1612

01:32:42,700 --> 01:32:44,658

[breathing heavily]

1613

01:32:46,950 --> 01:32:48,325

Because I'm thorough.

1614

01:32:50,867 --> 01:32:52,575

- [squeaking]

- Oh, my...

1615

01:32:52,658 --> 01:32:54,075

Sorry, kid.

1616

01:32:54,158 --> 01:32:55,742

[crying] No, no...

1617

01:32:58,325 --> 01:33:01,200

[Suarez shouting orders

in Spanish]

1618

01:33:05,367 --> 01:33:06,783

All right, troops are coming.

1619

01:33:06,867 --> 01:33:08,908

This floor, and then

nine floors left. Let's go!

1620

01:33:08,992 --> 01:33:10,658

- Come on!

- [device beeping]

1621

01:33:30,283 --> 01:33:32,367

[gentle music playing]

1622

01:33:53,117 --> 01:33:55,325

[gentle music continues]

1623

01:34:13,492 --> 01:34:15,575

[gentle music continues]

1624

01:34:31,367 --> 01:34:33,408

New dumb friends.

1625

01:34:33,492 --> 01:34:35,200

[guffawing]

1626

01:34:38,242 --> 01:34:39,950

[continues guffawing]

1627

01:34:41,283 --> 01:34:43,325

[dramatic music playing]

1628

01:34:46,492 --> 01:34:47,992

Aw, fizzle sticks. Hold on.

1629

01:34:51,617 --> 01:34:52,742

[yelps]

1630

01:34:54,700 --> 01:34:56,617

[all groan]

1631

01:35:01,825 --> 01:35:03,867

[breathes rapidly]

1632

01:35:15,575 --> 01:35:17,700

Has anyone got eyes
or ears on any more?

1633

01:35:17,783 --> 01:35:19,158

They killed Milton!

1634

01:35:21,283 --> 01:35:22,783

Milton was still with us?

1635

01:35:22,867 --> 01:35:24,825

- Where'd you think he was?
- [Bloodsport] I don't know.

1636

01:35:24,908 --> 01:35:26,408

I thought he stayed back
with the bus.

1637

01:35:26,492 --> 01:35:27,617

What was Milton gonna do?

1638

01:35:27,700 --> 01:35:28,992

He was helping us!

1639

01:35:30,867 --> 01:35:32,117

- Who's Milton?

- What?

1640

01:35:32,200 --> 01:35:33,783

I don't remember any Milton.

1641

01:35:33,867 --> 01:35:37,283

Fuck! He has been with us
the whole time.

1642

01:35:37,367 --> 01:35:40,867

Somebody named Milton has
been with us the whole time?

1643

01:35:40,950 --> 01:35:42,117

Yes!

1644

01:35:42,200 --> 01:35:43,575

I don't think so.

1651

01:35:56,950 --> 01:35:58,825

And now look at him.

1652

01:35:58,908 --> 01:36:00,033

He's dead.

1653

01:36:01,992 --> 01:36:06,700

Oh, that guy!

Milton, Milton. [chuckles]

1654

01:36:10,075 --> 01:36:12,742

So, when did this great
love affair with Milton start?

1655

01:36:12,825 --> 01:36:14,325

I liked him
from the beginning, okay?

1656

01:36:14,408 --> 01:36:15,908

I just didn't say
anything until...

1657

01:36:16,575 --> 01:36:17,658

[grunts]

1658

01:36:18,325 --> 01:36:19,742

No!

1659

01:36:23,325 --> 01:36:25,408

[distorted music playing]

1660

01:36:27,783 --> 01:36:29,533

[all grunting]

1661

01:36:36,325 --> 01:36:38,783

- [gasps]

- [alarm sounding]

1662

01:36:43,950 --> 01:36:45,867

[yelping]

1663

01:36:45,950 --> 01:36:47,158

[Harley gasps]

1664

01:36:54,867 --> 01:36:56,033

[gasping]

1665

01:36:56,117 --> 01:36:58,492

- [alarm beeping]

- [gasping]

1666

01:36:59,575 --> 01:37:01,533

[water bubbling]

1667

01:37:05,117 --> 01:37:06,367

[snarling]

1668

01:37:06,450 --> 01:37:07,950

[grunting]

1669

01:37:09,908 --> 01:37:11,033

[yelling]

1670

01:37:14,450 --> 01:37:15,533

[both grunting]

1671

01:37:15,617 --> 01:37:17,200

[muffled explosion]

1672

01:37:22,325 --> 01:37:23,325

[Coronel shouts in Spanish]

1673

01:37:25,617 --> 01:37:27,825

[beeping]

1674

01:37:28,700 --> 01:37:31,950

[all grunting]

1675

01:37:35,742 --> 01:37:37,075

[both grunting]

1676

01:37:41,200 --> 01:37:42,575

[all yelping]

1677

01:37:43,700 --> 01:37:44,950

[grunting]

1678

01:37:45,950 --> 01:37:47,242

[all grunting]

1679

01:37:52,367 --> 01:37:54,117

[all yelping]

1680

01:37:56,450 --> 01:37:57,783

[yelling]

1681

01:37:58,992 --> 01:38:00,617

[alarms sounding]

1682

01:38:00,700 --> 01:38:02,658

[soldiers speaking

indistinctly]

1683

01:38:09,075 --> 01:38:10,450

[commands in Spanish]

1684

01:38:12,117 --> 01:38:13,117

[groans]

1685

01:38:14,700 --> 01:38:18,158

[Bloodsport] Harley!

Give us a hand!

1686

01:38:18,242 --> 01:38:19,408

[shouts in Spanish]

1687

01:38:23,075 --> 01:38:24,492

[grunting]

1688

01:38:26,158 --> 01:38:27,117

Hey!

1689

01:38:27,200 --> 01:38:29,783

[both grunting]

1690

01:38:33,533 --> 01:38:34,950

[pants]

1691

01:38:38,700 --> 01:38:39,950

[soldier] *Vamos. Vamos.*

1692

01:38:40,033 --> 01:38:42,117

[King Shark breathing heavily]

1693

01:38:47,700 --> 01:38:49,742

- [growling lowly]

- [panicked chatter]

1694

01:38:51,075 --> 01:38:52,992

[roars]

1695

01:38:53,075 --> 01:38:54,575

[all yelling in fear]

1696

01:38:56,992 --> 01:38:59,033

[breathing heavily]

1697

01:38:59,117 --> 01:39:00,700

- [building crumbles]

- [gasps]

1698

01:39:05,492 --> 01:39:07,158

[shouting in Spanish]

01:39:42,033 --> 01:39:43,617

[panting]

1707

01:39:45,575 --> 01:39:46,450

[yelps]

1708

01:39:47,117 --> 01:39:48,783

[yelling]

1709

01:39:48,867 --> 01:39:50,908

[grunts, groans]

1710

01:39:51,908 --> 01:39:53,325

[grunting]

1711

01:39:53,408 --> 01:39:55,450

- [soldiers grunting]

- [tires screeching]

1712

01:40:14,492 --> 01:40:16,825

Oh, fuck, fuck.

1713

01:40:51,200 --> 01:40:53,242

[dramatic music playing]

1721

01:40:56,283 --> 01:40:57,617

[panting]

1722

01:40:58,867 --> 01:41:00,617

[sobbing]

1723

01:41:00,700 --> 01:41:02,367

[breathes heavily]

1724

01:41:11,533 --> 01:41:12,492

[grunts]

1725

01:41:31,033 --> 01:41:32,533

[gags]

1726

01:41:41,408 --> 01:41:43,033

How? [coughs]

1727

01:41:43,117 --> 01:41:44,658

Smaller bullets.

1728

01:41:44,742 --> 01:41:46,450

[stifled gasping]

1729

01:41:49,575 --> 01:41:51,617

[tearfully]

He killed Colonel Flag.

1730

01:41:53,117 --> 01:41:55,492

He wanted to share this
with the press.

1731

01:41:55,575 --> 01:41:57,033

It's proof
the American government

1732

01:41:57,117 --> 01:42:00,075

was behind Project Starfish
the whole time.

1733

01:42:05,617 --> 01:42:07,658

[Ratcatcher 2 sobbing softly]

1734

01:42:17,200 --> 01:42:20,158

- [tense music playing]

- [distant chattering]

1735

01:42:24,783 --> 01:42:26,575

[soldiers shout in Spanish]

1736

01:42:34,950 --> 01:42:36,742

[Polka Dot Man] Whoa. Whoa.

1737

01:42:37,867 --> 01:42:40,783

[muffled thudding]

1738

01:42:51,325 --> 01:42:52,908

I think it's trying to get out.

1739

01:42:52,992 --> 01:42:54,783

- What?

- Starro the...

1740

01:42:54,867 --> 01:42:57,033

[all gasp]

1741

01:43:01,575 --> 01:43:03,700

[dramatic music playing]

1742

01:43:08,742 --> 01:43:09,992

[grunts]

1743

01:43:17,992 --> 01:43:18,992

Whoa.

1744

01:43:23,908 --> 01:43:25,992

[roaring]

1745

01:43:30,367 --> 01:43:32,242

[man speaks Spanish]

1746

01:43:36,200 --> 01:43:37,992

[shouts in Spanish]

1747

01:43:41,867 --> 01:43:44,075

[high-pitched roaring]

1748

01:43:57,325 --> 01:43:59,033

[creatures chittering]

1749

01:44:04,200 --> 01:44:05,950

[chittering]

1750

01:44:08,200 --> 01:44:09,283

[grunts]

1751

01:44:11,617 --> 01:44:13,783

[soldiers grunting]

1752

01:44:27,992 --> 01:44:30,075

[Ratcatcher 2]

Cover your faces!

1753

01:44:31,492 --> 01:44:33,783

[all grunting]

1754

01:44:41,742 --> 01:44:43,117

[roaring]

1755

01:44:46,200 --> 01:44:48,450

- [melancholy music playing]

- [soldiers continue grunting]

1756

01:45:01,533 --> 01:45:02,742

[grunts]

1757

01:45:18,283 --> 01:45:19,533

<i>Si.</i>

1758

01:45:19,617 --> 01:45:20,950

<i>Si.</i>

1759

01:45:23,492 --> 01:45:24,825

[speaking Spanish]

1760

01:45:29,075 --> 01:45:31,283

- [General Vera speaks Spanish]

- [groans]

1761

01:45:41,408 --> 01:45:43,658

- [swears in Spanish]

- [all screaming]

1762

01:45:46,700 --> 01:45:48,283

[breathes heavily]

1763

01:45:53,450 --> 01:45:55,825

- Whoa.

- What the fuck is that?

1764

01:45:55,908 --> 01:45:57,492

[Harley] Uh... Hey, guys?

1765

01:45:57,575 --> 01:45:59,075

[whimpers]

1766

01:45:59,992 --> 01:46:01,783

Oh, shit, there's...

1767

01:46:01,867 --> 01:46:03,950

[tense music playing]

1768

01:46:18,200 --> 01:46:19,242

[person grunts]

1769

01:46:20,325 --> 01:46:22,783

This city is mine.

1770

01:46:23,950 --> 01:46:26,075

[growling]

1771

01:46:26,158 --> 01:46:28,617

[roaring]

1772

01:46:30,950 --> 01:46:32,950

[all moaning]

1773

01:46:46,200 --> 01:46:48,533

[electrical whining
and buzzing]

1774

01:46:52,908 --> 01:46:55,658

Uh, Miss Waller,

I think the feed is back up.

1775

01:46:56,992 --> 01:46:58,408

[roaring on speaker]

1776

01:46:58,492 --> 01:47:00,117

Oh, my God, Miss Waller!

1777

01:47:00,200 --> 01:47:03,117

We've got a freaking *kaiju*
up in this shit!

1778

01:47:03,200 --> 01:47:05,950

- [indistinct shouting]

- [dramatic rock music playing]

1779

01:47:07,408 --> 01:47:08,450

[man screams]

1780

01:47:12,575 --> 01:47:13,992

[Waller over radio]

Task force X, come in.

1781

01:47:14,075 --> 01:47:15,158

<i>Are you there?</i>

1782

01:47:18,200 --> 01:47:19,617

Uh-huh.

1783

01:47:19,700 --> 01:47:20,867

<i>Whatever signal jammers</i>

1784

01:47:20,950 --> 01:47:22,492

were blocking

our communications

1785

01:47:22,575 --> 01:47:24,575

must have been in the building

you just demolished.

1786

01:47:24,658 --> 01:47:27,408

Yeah, well, we've got a mite

issue over here, Waller.

1787

01:47:27,492 --> 01:47:29,658

It's Project Starfish,

Miss Waller.

1788

01:47:29,742 --> 01:47:31,825

It's headed towards the city,
and I think it wants

1789

01:47:31,908 --> 01:47:33,992

to feed on as many people
as it can.

1790

01:47:34,075 --> 01:47:36,908

[people screaming]

1791

01:47:38,367 --> 01:47:39,950

[Waller] *Not our problem.*

1792

01:47:40,033 --> 01:47:41,992

*If you've destroyed Jotunheim
and the records within,*

1793

01:47:42,075 --> 01:47:43,492

you've achieved the objective.

1794

01:47:43,575 --> 01:47:46,200

<i>Corto Maltese

is no longer a U.S. ally.</i>

1795

01:47:46,283 --> 01:47:47,867

If anything,

the White House will consider

1796

01:47:47,950 --> 01:47:50,158

fomenting disruption

in a hostile nation

1797

01:47:50,242 --> 01:47:51,283

a positive development.

1798

01:47:51,367 --> 01:47:53,533

[people screaming]

1799

01:47:57,908 --> 01:48:00,158

[creatures chittering]

1800

01:48:09,367 --> 01:48:10,617

[all grunting]

1801

01:48:11,908 --> 01:48:13,325

[tires screeching]

1802

01:48:24,825 --> 01:48:26,283

You heard what she said.

1803

01:48:34,283 --> 01:48:37,242

[people continue screaming
in distance]

1804

01:48:47,492 --> 01:48:49,158

Fuck.

1805

01:48:49,242 --> 01:48:51,325

[dramatic music plays]

1806

01:48:52,617 --> 01:48:54,117

[alarm wails]

1807

01:48:54,200 --> 01:48:56,075

Bloodsport is off mission.

1808

01:48:56,158 --> 01:48:57,367

What the...

1809

01:48:58,283 --> 01:49:00,075

She'll kill you, you know.

1810

01:49:00,158 --> 01:49:01,908

That's her business.

1811

01:49:01,992 --> 01:49:04,742

I knew Sebastian sensed good
in you for a reason.

1812

01:49:04,825 --> 01:49:07,325

Just keep that fucking rat
away from me.

1813

01:49:07,408 --> 01:49:09,908

Ratcatcher is also off mission.

1814

01:49:09,992 --> 01:49:11,242

<i>Turn back now, God damn it!</i>

1822

01:49:36,492 --> 01:49:37,867

- Open it.

- Miss Waller...

1823

01:49:37,950 --> 01:49:38,867

Open it!

1824

01:49:40,075 --> 01:49:42,325

What are you doing,

Task Force X?

1825

01:49:43,533 --> 01:49:45,658

[inspirational music playing]

1826

01:49:47,533 --> 01:49:49,200

- Fuck!

- [device beeping]

1827

01:49:51,617 --> 01:49:53,033

Turn around now, God damn it!

1828

01:49:53,117 --> 01:49:55,158

<i>You dumb pieces of shit!</i>

1829

01:49:56,075 --> 01:49:57,825

<i>Motherfuckers!</i>

1830

01:49:57,908 --> 01:49:59,325

[chuckles]

1831

01:49:59,408 --> 01:50:01,408

<i>God damn it, Task Force X,
this is your last</i>

1832

01:50:01,492 --> 01:50:03,492

motherfucking warning!

1833

01:50:03,575 --> 01:50:05,033

[beeping continues]

1834

01:50:05,117 --> 01:50:07,450

- [grunts]

- [John squeals]

1835

01:50:07,533 --> 01:50:10,575

Oh, my God!

What the fuck did you do?

1836

01:50:12,575 --> 01:50:14,075

All those people, John.

1837

01:50:15,158 --> 01:50:16,325

Little kids.

1838

01:50:16,408 --> 01:50:18,283

[Dale gasping]

1839

01:50:20,658 --> 01:50:25,283

Task Force X, the creature
is headed to Calle Principal.

1840

01:50:25,367 --> 01:50:26,700

Avoid Avenida Medrano.

1841

01:50:26,783 --> 01:50:28,617

- There is a swarm of infected.

- [John] Jesus.

1842

01:50:28,700 --> 01:50:32,533

So, your clearest path
is Calle Agüero.

1843

01:50:32,617 --> 01:50:35,575

Get on the satellite, Dale,
you fucking dickhead!

1844

01:50:35,658 --> 01:50:37,158

Yes, ma'am.

1845

01:50:50,283 --> 01:50:52,492

[panicked shouting]

1846

01:51:00,075 --> 01:51:02,908

[instrumental rock music
playing]

1847

01:51:18,450 --> 01:51:19,492

[people screaming]

1848

01:51:44,367 --> 01:51:45,658

[grunting]

1849

01:51:47,950 --> 01:51:49,158

[grunts]

1850

01:51:53,658 --> 01:51:55,033

[pants]

1851

01:51:56,783 --> 01:51:58,825

[roaring]

1852

01:51:58,908 --> 01:51:59,908

Huh?

1853

01:52:05,908 --> 01:52:07,783

Harley, take the high ground!

1854

01:52:07,867 --> 01:52:10,783

[instrumental rock music

continues]

1855

01:52:10,867 --> 01:52:12,075

[Harley grunts]

1856

01:52:13,867 --> 01:52:16,950

Nanaue! Monster is nom nom!

1857

01:52:18,075 --> 01:52:20,367

Monster nom nom?

1858

01:52:20,450 --> 01:52:21,617

Yes!

1859

01:52:21,700 --> 01:52:23,700

[growling]

1860

01:52:29,158 --> 01:52:30,492

[pained roaring]

1861

01:52:30,575 --> 01:52:32,783

Abner, do you see who that is?

1862

01:52:32,867 --> 01:52:34,575

[breathing rapidly] Huh?

1863
