

Dialogues from The Truman Show to improve the vocabulary in English

1

00:00:19,252 --> 00:00:24,632

We've become bored with watching
actors give us phoney emotions.

2

00:00:24,841 --> 00:00:28,970

We're tired of pyrotechnics
and special effects.

3

00:00:29,178 --> 00:00:34,511

While the world he inhabits is,
in some respects, counterfeit, -

4

00:00:34,726 --> 00:00:38,479

- there's nothing fake
about Truman himself.

5

00:00:38,688 --> 00:00:41,691

No scripts, no cue cards.

6

00:00:41,899 --> 00:00:47,363

It isn't always Shakespeare,
but it's genuine. It's a life.

7

00:00:50,950 --> 00:00:56,080

I'm not gonna make it. You're
gonna have to go on without me.

8

00:01:01,127 --> 00:01:03,546

No way, mister.

9

00:01:03,755 --> 00:01:07,634

You're going to the top of
this mountain, broken legs and all.

10

00:01:11,679 --> 00:01:15,266

Many viewers
leave him on all night, for comfort.

11

00:01:15,475 --> 00:01:19,062

You're crazy, you know that?

12

00:01:22,398 --> 00:01:26,903

For me there's no difference between
private life and public life.

13

00:01:27,111 --> 00:01:32,492

My life is The Truman Show.
The Truman Show is a lifestyle.

14

00:01:32,700 --> 00:01:39,332

It's a noble life.
It is... a truly blessed life.

15

00:01:39,540 --> 00:01:43,294

Tell me something I don't know.

16

00:01:43,503 --> 00:01:47,173

All right.
Promise me one thing, though.

17

00:01:47,382 --> 00:01:53,513

If I die before the summit, use me
as an alternative source of food.

18

00:01:53,721 --> 00:01:55,765

You're gross.

19

00:01:59,268 --> 00:02:01,646

It's all real.

20

00:02:01,854 --> 00:02:07,151

Nothing you see on the show is fake.

It's merely controlled.

21

00:02:07,360 --> 00:02:13,616

THE TRUMAN SHOW

22

00:02:14,993 --> 00:02:19,330

Eat me, dammit. That's an order.

23

00:02:20,957 --> 00:02:24,085

Maybe just your love handles.

24

00:02:24,294 --> 00:02:28,047

I have love handles?

Yeah, little ones.

25

00:02:28,256 --> 00:02:32,802

- Truman, you're gonna be late.

- Okay!

26

00:02:44,022 --> 00:02:45,982

DAY 10,909

27

00:02:46,190 --> 00:02:49,736

- Good morning!

- Good morning!

28

00:02:49,944 --> 00:02:55,325

And in case I don't see you,
good afternoon and good night.

29

00:02:56,868 --> 00:03:00,705

- Morning, Truman.

- Morning, Spencer. Hey, Pluto.

30

00:03:00,913 --> 00:03:05,335

- He won't hurt you.

- I know. It's just me.

31

00:03:05,543 --> 00:03:08,254

Come on, Pluto.

32

00:03:28,900 --> 00:03:31,653

What is it?

33

00:03:51,089 --> 00:03:56,260

<i>An aircraft began shedding parts</i>

<i>as it flew over Seahaven</i> -

34

00:03:56,469 --> 00:04:00,431

- <i>a few moments ago.</i>

<i>Luckily, no one was hurt.</i>

35

00:04:00,640 --> 00:04:03,851

<i>How do you feel today...?</i>

<i>That's good.</i>

36

00:04:04,060 --> 00:04:07,313

- <i>Thinking of flying somewhere</i>?

- Nope.

37

00:04:07,522 --> 00:04:12,443

<i>This is classical Klyne.</i>

<i>Forget about the perils of flying</i> -

38

00:04:12,652 --> 00:04:15,989

- <i>and let this music calm you down.</i>

39

00:04:18,950 --> 00:04:23,246

"Dog Fancy", please.

Thank you very much.

40

00:04:24,831 --> 00:04:27,917

Get me a paper, will you, Errol?

41

00:04:28,126 --> 00:04:32,630

And one of these for the wife.

Loves her fashion mags.

42

00:04:32,839 --> 00:04:37,176

- That be all for you, Truman?

- That's the whole kit and caboodle.

43

00:04:47,478 --> 00:04:50,273

- Hank!

- Good morning, Truman.

44

00:04:50,481 --> 00:04:55,903

Good morning, Truman.

Beautiful day, isn't it?

45

00:04:56,112 --> 00:04:59,574

- How's your lovely wife?

- Good. Yours?

46

00:04:59,782 --> 00:05:02,702

Couldn't be better.

47

00:05:02,910 --> 00:05:07,457

- Nice talking to you.

- You too. Think about that policy.

48

00:05:07,665 --> 00:05:11,878

Two for one. That's a good deal.

Doppelgänger special.

49

00:05:15,757 --> 00:05:19,594

Hey, fellas.

Going in? Go ahead.

50

00:05:19,802 --> 00:05:24,515

- Go ahead.

- I'm not that anxious to get there.

51

00:05:39,197 --> 00:05:44,327

Could I have directory assistance
for Fiji, please? Fiji Islands.

52

00:05:44,535 --> 00:05:47,538

Truman, did you see this?

53

00:05:48,373 --> 00:05:53,211

I'm sorry, ma'am. If he's in a coma
he's probably uninsurable.

54

00:05:55,004 --> 00:05:59,342

Yes, Fiji. Do you have a listing
for Lauren Garland?

55

00:06:01,302 --> 00:06:03,596

Nothing listed...

56

00:06:03,805 --> 00:06:09,102

Do you have a Sylvia Garland?

S for Sylvia.

57

00:06:10,395 --> 00:06:14,732

Nothing...

Okay, thank you.

58

00:06:50,768 --> 00:06:56,482

- Lawrence.

- I've got a prospect in Wells Park.

59

00:06:58,401 --> 00:07:03,615

Wells Park?

On... Harbour Island?

60

00:07:03,823 --> 00:07:09,245

- You know another one?

- I can't. I have an appointment.

61

00:07:09,454 --> 00:07:11,706

Dentist, or... yeah.

62

00:07:12,123 --> 00:07:17,003

You'll lose more than your teeth
if you don't meet your quota.

63

00:07:17,211 --> 00:07:21,758

They're making cutbacks
at the end of this month.

64

00:07:21,966 --> 00:07:28,181

You need this. Besides, a half hour
across the bay will do you good.

65

00:07:29,349 --> 00:07:31,559

Thanks.

66

00:07:40,068 --> 00:07:44,948

Hello. Ferry's still here, huh?
Thought I might have missed it.

67

00:07:45,156 --> 00:07:49,285

- One way or return?

- Return.

68

00:07:51,412 --> 00:07:54,791

There you go, sir.

69

00:08:50,596 --> 00:08:55,810

- Do you need any help, sir?

- You go ahead, I'll be fine.

70

00:09:10,867 --> 00:09:13,411

Hi, honey.

71

00:09:13,620 --> 00:09:18,499

Look what I got free at
the checkout. It's a "Chef's Pal".

72

00:09:18,708 --> 00:09:23,630

It's a dicer, grater, peeler, all in
one. No sharpening, dishwasher-safe.

73

00:09:23,838 --> 00:09:27,592

Wow... that's amazing.

74

00:09:29,010 --> 00:09:33,264

Truman... you missed a spot.

75

00:09:47,362 --> 00:09:50,657

That is a beer.

76

00:09:51,658 --> 00:09:56,120

- I'm thinking about getting out.

- Yeah? Out of what?

77

00:09:56,329 --> 00:10:00,541

Out of my job. Out of Seahaven.

Off this island. Out.

78

00:10:00,750 --> 00:10:06,422

What the hell's wrong with your job?

You've got a great job. A desk job.

79

00:10:06,631 --> 00:10:10,009

I'd kill for a desk job.

80

00:10:11,552 --> 00:10:17,809

You should try stocking vending
machines. Now *there's* excitement.

81

00:10:18,017 --> 00:10:23,356

- Don't you ever get antsy?

- Where's there to go?

82

00:10:25,650 --> 00:10:30,697

- Fiji.

- Where's Fiji? Near Florida?

83

00:10:36,577 --> 00:10:40,873

See here? This is us...

84

00:10:41,082 --> 00:10:45,712

And all the way
around here... Fiji.

85

00:10:45,920 --> 00:10:50,717

You can't get any further away
before you start coming back.

86

00:10:50,925 --> 00:10:57,223

There's still islands in Fiji where
no human being has ever set foot.

87

00:10:58,182 --> 00:11:02,395

So when are you gonna go?

88

00:11:02,603 --> 00:11:05,732

It's not that simple.

89

00:11:05,940 --> 00:11:10,028

It takes money, planning...

90

00:11:10,236 --> 00:11:15,033

- You can't just up and go.

- Right.

91

00:11:15,241 --> 00:11:18,911

I'm gonna do it,

don't worry about that.

92

00:11:19,120 --> 00:11:24,000

Bonus time

is just around the corner.

93

00:11:26,336 --> 00:11:30,048

- Are you coming for a drink?

- No, I can't tonight.

94

00:11:49,150 --> 00:11:54,197

<i>I don't like that weather, son.</i>

<i>We should head back.</i>

95

00:11:54,405 --> 00:11:57,492

<i>Just a bit farther. Please?</i>

96

00:11:57,700 --> 00:12:00,662

- <i>Okay.</i>

- <i>Yes!</i>

97

00:12:02,538 --> 00:12:04,958

<i>Daddy!</i>

98

00:13:18,281 --> 00:13:21,409

You're soaked.

Where have you been?

99

00:13:21,618 --> 00:13:25,872

- We can scrape together 8,000...

- You and Marlon...

100

00:13:26,080 --> 00:13:30,960

- We can bum around the world.

- And then what?

101

00:13:31,169 --> 00:13:35,882

- You're talking like a teenager.

- Maybe I feel like a teenager.

102

00:13:36,090 --> 00:13:43,056

We have mortgage payments. Do we
just walk away from our obligations?

103

00:13:43,264 --> 00:13:48,311

- It would be an adventure.

- We were going to try for a baby.

104

00:13:48,519 --> 00:13:52,815

- Isn't that enough of an adventure?

- That can wait.

105

00:13:53,024 --> 00:13:57,904

I want to get away.

See some of the world. Explore!

106

00:13:58,112 --> 00:14:01,699

You want to be an explorer...

107

00:14:01,908 --> 00:14:06,704

This will pass.

We all think like this now and then.

108

00:14:08,957 --> 00:14:14,629

Let's get you out

of these wet clothes. Come to bed.

109

00:14:14,837 --> 00:14:21,594

You never see anything. They always
turn the camera and play music.

110

00:14:21,803 --> 00:14:25,974

The wind blows, the curtain moves.

You don't see anything.

111

00:14:30,770 --> 00:14:35,108

"Dog Fancy", please.

Thank you.

112

00:14:37,652 --> 00:14:40,488

Paper, Earl, please.

113

00:14:40,697 --> 00:14:43,783

I might as well get one of these.

114

00:14:43,992 --> 00:14:47,745

- For the wife?

- She's got to have them.

115

00:14:47,954 --> 00:14:52,542

- Anything else, Truman?

- That's the whole ball of wax.

116

00:15:14,314 --> 00:15:16,941

Dad?

117

00:15:18,067 --> 00:15:21,487

Hey, what are you doing?

118

00:15:22,739 --> 00:15:25,992

Get out of the way!

119

00:15:27,785 --> 00:15:32,373

Stop those people!

Stop! Stop!

120

00:15:32,582 --> 00:15:37,378

Open the door! Somebody
stop the bus! Stop the bus!

121

00:15:37,587 --> 00:15:42,759

Somebody stop it!

Stop the bus!

122

00:16:04,364 --> 00:16:07,283

It doesn't sound insane at all.

123

00:16:07,492 --> 00:16:11,120

I see him ten times a week.

124

00:16:11,329 --> 00:16:15,249

I almost hugged a perfect stranger
in the salon...

125

00:16:15,458 --> 00:16:19,045

It was Dad.

Dressed like a homeless man.

126

00:16:19,253 --> 00:16:25,718

And a businessman and a lady
with a dog forced him onto a bus.

127

00:16:25,927 --> 00:16:31,182

It's about time they cleaned up
the trash downtown.

128

00:16:31,391 --> 00:16:34,811

They never found Dad's body.

129

00:16:35,019 --> 00:16:41,359

If it wasn't him, it was his twin!

Did Dad have a brother?

130

00:16:41,567 --> 00:16:46,739

You know perfectly well
that your father was an only child.

131

00:16:46,948 --> 00:16:50,368

Just like you.

132

00:16:51,661 --> 00:16:57,959

Sweetie... You're just feeling bad
because of what happened.

133

00:16:58,167 --> 00:17:01,296

You sailing off into that storm...

134

00:17:03,548 --> 00:17:08,928

But I've never blamed you.
And I don't blame you now.

135

00:17:56,017 --> 00:17:58,603

Truman...?

136

00:18:01,230 --> 00:18:04,776

What are you doing down here?

137

00:18:04,984 --> 00:18:08,237

Fixing the mower.

138

00:18:10,365 --> 00:18:15,453

- I saw my father today.

- I know.

139

00:18:15,662 --> 00:18:18,790

Your mother called.

140

00:18:18,998 --> 00:18:21,793

You shouldn't upset her like that.

141

00:18:22,001 --> 00:18:27,090

- What did you want?

- I made macaroni.

142

00:18:27,298 --> 00:18:30,468

- I'm not hungry.

- You know...

143

00:18:30,677 --> 00:18:34,138

We ought to throw out that mower.

144

00:18:34,347 --> 00:18:38,935

Get one of those new Elk Rotaries.

145

00:19:13,428 --> 00:19:15,596

What's he doing?

146

00:19:15,805 --> 00:19:20,143

They got rid of her,
but they couldn't erase the memory.

147

00:19:20,351 --> 00:19:23,646

10,910

NUMBER OF DAYS RUNNING

148

00:20:13,029 --> 00:20:18,242

- Are you okay?

- Excuse me. Sorry I fell on you.

149

00:20:18,451 --> 00:20:24,123

I've been such a klutz all day.

I must have sprained this ankle.

150

00:20:24,332 --> 00:20:29,295

- I'm so sorry to fall on you.

- Don't worry about it.

151

00:20:29,504 --> 00:20:33,967

- I'm Meryl.

- Hi, I'm Truman.

152

00:21:59,385 --> 00:22:03,806

- Truman, you've studied enough.

- I've got to commit this to memory.

153

00:22:04,015 --> 00:22:07,393

Come on, an ice-cold brewsky.

154

00:22:07,602 --> 00:22:11,522

You're gonna have to copy off me,
so be careful.

155

00:22:11,731 --> 00:22:15,693

You're a better person than I am.

156

00:22:15,902 --> 00:22:19,030

- See you later.

- Bye.

157

00:22:19,238 --> 00:22:22,116

See you later, loser.

158

00:23:21,759 --> 00:23:24,512

Hi.

159

00:23:27,098 --> 00:23:30,268

- *<i>Konnichi-wa.</i>*

- What?

160

00:23:30,476 --> 00:23:35,189

- You take Japanese.

- Oh, yes...

161

00:23:37,984 --> 00:23:40,486

Lauren, right?

162

00:23:40,695 --> 00:23:44,949

- It's on the...

- Lauren, right.

163

00:23:45,158 --> 00:23:50,580

- I'm Truman Burbank.

- Yeah, I know.

164

00:23:50,788 --> 00:23:55,793

- I'm not allowed to talk to you.

- Really?

165

00:23:57,962 --> 00:24:03,468

- I'm a pretty dangerous character.

- I'm sorry. It's not up to me.

166

00:24:05,053 --> 00:24:09,432

Girls have got to be careful.

167

00:24:09,641 --> 00:24:13,186

- You have a boyfriend, right?

- It's not that.

168

00:24:13,394 --> 00:24:18,524

Was it Meryl, the girl I was with?

We're not... We're just friends.

169

00:24:18,733 --> 00:24:22,779

- It's nothing like that.

- It's how I look? Not your type?

170

00:24:24,614 --> 00:24:27,241

No.

171

00:24:27,450 --> 00:24:29,410

HOW'S IT GOING TO END?

172

00:24:29,619 --> 00:24:33,289

I was wondering that myself.

173

00:24:33,498 --> 00:24:39,754

Would you maybe, possibly
sometime go out for some pizza?

174

00:24:39,963 --> 00:24:43,925

- Like, Friday? Saturday?

- I can't.

175

00:24:44,133 --> 00:24:46,803

Sunday, Monday, Tuesday?

176

00:24:47,011 --> 00:24:49,138

NOW

177

00:24:50,556 --> 00:24:54,394

- We have finals tomorrow.

- Yeah, I know.

178

00:24:54,602 --> 00:24:59,607

If we don't go now,

it won't happen. Do you understand?

179

00:24:59,816 --> 00:25:03,444

So what do you want to do?

180

00:25:35,977 --> 00:25:39,188

Please keep your hands

inside the car!

181

00:25:55,997 --> 00:26:01,919

This is my favourite pizza place.

Tony, one large, extra plankton!

182

00:26:02,128 --> 00:26:06,382

We have so little time.

They'll be here any minute.

183

00:26:06,591 --> 00:26:11,638

- They don't want me talking to you.

- Then don't talk.

184

00:26:25,234 --> 00:26:27,904

They're here.

185

00:26:28,112 --> 00:26:32,033

- What do they want?

- Listen to me.

186

00:26:32,241 --> 00:26:37,538

Everybody knows everything you do.

They're pretending. Understand?

187

00:26:37,747 --> 00:26:43,419

- My name's not Lauren, it's Sylvia.

- Lauren, sweetheart, not again.

188

00:26:43,628 --> 00:26:46,756

- Who are you?

- Her father.

189

00:26:46,965 --> 00:26:51,177

I've never seen him before.

Truman, don't listen to him.

190

00:26:51,386 --> 00:26:55,098

Everything I've told you

is the truth.

191

00:26:55,306 --> 00:27:00,603

It's fake. It's all for you. The sky
and the sea. Everything is a set!

192

00:27:00,812 --> 00:27:05,900

Please, don't listen to him.

He's gonna lie to you.

193

00:27:06,109 --> 00:27:10,947

- I want to know what's going on.

- Schizophrenia. We've tried it all.

194

00:27:11,155 --> 00:27:16,786

Hypnotism, shock therapy...

Don't worry, you're not the first.

195

00:27:16,995 --> 00:27:21,791

- She brings all her boys down here.

- Truman, he's lying!

196

00:27:22,000 --> 00:27:24,794

Get out of here. Come and find me.

197

00:27:25,003 --> 00:27:29,924

- I'll see you in school.

- We're moving to Fiji.

198

00:27:41,311 --> 00:27:43,354

Sylvia! Hey!

199

00:27:53,323 --> 00:27:58,411

- Why didn't he just follow her?

- His mother got really sick.

200

00:27:58,620 --> 00:28:02,874

He couldn't leave her.

He's kind. Maybe he's too kind.

201

00:28:03,082 --> 00:28:07,128

I can't believe he married Meryl
on the rebound.

202

00:28:07,337 --> 00:28:12,675

Come on, Sal. We've already got this
on the greatest hits tape.

203

00:28:24,646 --> 00:28:29,484

HOW'S IT GOING TO END?

204

00:28:59,806 --> 00:29:03,685

Close, but no cigar.

205

00:29:30,670 --> 00:29:35,675

<i>Another beautiful day in paradise.</i>

<i>But don't forget to buckle up.</i>

206

00:29:58,364 --> 00:30:05,204

<i>He's heading west on Stuart.</i>

<i>Stand by, all extras.</i>

207

00:30:05,413 --> 00:30:09,000

<i>He's turning onto Lancaster Square.</i>

208

00:30:12,503 --> 00:30:16,924

<i>My God, he nearly hit her! Something</i>

<i>is wrong. Change frequencies.</i>

209

00:30:21,220 --> 00:30:27,977

<i>Sorry about that, folks. I guess</i>

<i>we picked up a police frequency.</i>

210

00:30:28,186 --> 00:30:34,025

<i>It's classical Klyne, and we've</i>

<i>still got some great music ahead.</i>

211

00:30:34,233 --> 00:30:39,489

<i>But buckle up. Remember safety.</i>

<i>A good driver is a safe driver.</i>

212

00:30:42,033 --> 00:30:45,286

CRACKDOWN ON HOMELESS

City Fathers: "Enough is Enough"

213

00:33:43,756 --> 00:33:48,052

- Can I help?

- I have an appointment.

214

00:33:54,017 --> 00:33:57,020

- What's happening?

- Nothing.

215

00:33:57,228 --> 00:34:01,149

- Just tell me what's happening.

- We're remodelling.

216

00:34:01,357 --> 00:34:05,111

- It's none of your business.

- Tell me, or I'll report you!

217

00:34:05,320 --> 00:34:08,114

You're trespassing.

218

00:34:38,937 --> 00:34:42,607

- Marlon!

- Truman, what are you doing here?

219

00:34:42,815 --> 00:34:48,112

I've got to talk to you.

I'm on to something big!

220

00:34:48,321 --> 00:34:52,200

- You look like shit.

- I think I'm mixed up in something.

221

00:34:52,408 --> 00:34:56,996

A lot of strange things
have been happening.

222

00:35:00,500 --> 00:35:06,005

The people on the elevator,

there was no backing on it...

223

00:35:06,214 --> 00:35:12,095

And the radio starts following me,
talking about everything I'm doing.

224

00:35:12,303 --> 00:35:17,016

- This is one of your fantasies.
- I think this is about my dad.

225

00:35:17,225 --> 00:35:22,897

I think he's alive. I'll tell you
about it later. I'm being followed.

226

00:35:23,106 --> 00:35:25,984

Who?

227

00:35:26,192 --> 00:35:30,071

It's hard to tell.
They look like regular people.

228

00:35:33,574 --> 00:35:37,328

- How about those two?

- Could be.

229

00:35:37,537 --> 00:35:43,084

It's when I'm unpredictable.

That's when they can't...

230

00:35:43,293 --> 00:35:47,171

Anything happen...?

We have to get out of here.

231

00:35:47,380 --> 00:35:50,508

- You ready to go?

- I can't.

232

00:35:55,513 --> 00:36:00,518

- You're gonna get us both fired.

- Okay then, let's do it.

233

00:36:00,727 --> 00:36:06,524

Whatever you say, I'm game.

Your birthday comes but once a year!

234

00:36:10,820 --> 00:36:13,990

Maybe I'm being set up
for something.

235

00:36:14,198 --> 00:36:18,828

You ever think that your whole life
has been building toward something?

236

00:36:19,037 --> 00:36:21,539

No.

237

00:36:22,332 --> 00:36:27,670

When you were hauling chickens,
how far did you get off the island?

238

00:36:27,879 --> 00:36:32,425

I went all over. Never found
a place like this, though.

239

00:36:32,634 --> 00:36:36,471

Look at that sunset. It's perfect.

240

00:36:36,679 --> 00:36:42,936

That's the big guy.

Quite a paintbrush he's got.

241

00:36:48,149 --> 00:36:51,778

Just between you and me, Marlon...

242

00:36:51,986 --> 00:36:56,866

- I'm going away for a while.

- Really?

243

00:37:07,794 --> 00:37:12,966

My little clown...

Old carrot-top.

244

00:37:14,425 --> 00:37:18,388

The best photos...

245

00:37:18,596 --> 00:37:23,226

- We should be getting you home.

- Here's us at Mt. Rushmore.

246

00:37:23,434 --> 00:37:29,899

Do you remember, Truman?

You slept the whole way there.

247

00:37:30,108 --> 00:37:34,821

- It looks so small.

- Things do, when you look back.

248

00:37:35,029 --> 00:37:39,534

Look, Truman.

The happiest day of our lives.

249

00:37:39,742 --> 00:37:44,622

- Look! Jean, Jodie, Joanne...

- Doesn't she look beautiful?

250

00:37:44,831 --> 00:37:48,751

Well, she still does.

251

00:37:48,960 --> 00:37:55,550

There's room for baby photos. I want
to hold a grandchild before I go.

252

00:37:55,758 --> 00:37:59,971

We really should get you home.

No, you stay. Relax.

253

00:38:00,179 --> 00:38:05,852

- Your favourite show is coming on.
- And we have something to discuss.

254

00:38:06,060 --> 00:38:10,690

- A certain person's birthday.
- Oh, I see.

255

00:38:10,898 --> 00:38:17,530

- <i>There'll be another "Lucy" tomorrow.</i>
- <i>Now it's time for Golden Oldies.</i>

256

00:38:17,739 --> 00:38:22,619

- <i>Tonight we present the classic:</i>
- <i>"Show Me the Way to Go Home".</i>

257

00:38:22,827 --> 00:38:28,458

- <i>You don't have to leave home to</i>
- <i>discover what the world is about.</i>

258

00:38:28,666 --> 00:38:32,629

- <i>We learn that no one is poor</i>

<i>who has friends.</i>

259

00:38:32,837 --> 00:38:40,053

<i>Full of laughter, love, pain,</i>

<i>sadness, but ultimately, redemption.</i>

260

00:38:40,261 --> 00:38:47,352

<i>The cherry scene will have you</i>

<i>splitting your sides with laughter.</i>

261

00:38:47,560 --> 00:38:52,357

<i>There'll be tears, too, when</i>

<i>David and Jennifer are reunited.</i>

262

00:38:52,565 --> 00:38:56,736

<i>Let's join the Abbotts</i>

<i>in Camden Village.</i>

263

00:39:23,846 --> 00:39:26,432

Thank you, Sweetie.

264

00:39:29,352 --> 00:39:33,398

I need to talk to you,

but let's go outside.

265

00:39:33,606 --> 00:39:38,736

- I'd love to, but I'm really late.

- What's your rush?

266

00:39:38,945 --> 00:39:43,533

There was that elevator disaster.

It was on the news.

267

00:39:43,741 --> 00:39:49,372

The cable just snapped.

The elevator plummeted ten flights.

268

00:39:49,580 --> 00:39:55,169

Right next door to where you work.

What if you had been in there?

269

00:39:55,378 --> 00:40:00,633

Anyway, I have an amputation on
one of the women from the elevator.

270

00:40:00,842 --> 00:40:05,179

She's very young. It's sad.

Wish me luck.

271

00:40:05,388 --> 00:40:09,517

I'll cross my fingers for you.

272

00:40:50,266 --> 00:40:53,561

Excuse me. May I help you?

273

00:40:53,770 --> 00:40:58,191

I'm looking for my wife,

Nurse Burbank. It's very important.

274

00:40:58,399 --> 00:41:01,861

That's not possible.

She's in pre-op.

275

00:41:02,070 --> 00:41:08,076

Sure... Okay, fine.

Can you pass along a message?

276

00:41:08,284 --> 00:41:11,955

I had to go to Fiji.

I'll call when I get there.

277

00:41:12,163 --> 00:41:15,500

- When you get to Fiji?

- You got it.

278

00:41:15,708 --> 00:41:19,087

- Fine. I'll tell her.

- Thank you so much.

279

00:41:45,863 --> 00:41:48,283

Sorry.

280

00:41:49,284 --> 00:41:52,161

Let me help you with that.

281

00:41:56,082 --> 00:41:58,918

He's here.

282

00:42:01,629 --> 00:42:03,923

Scalpel.

283

00:42:09,637 --> 00:42:13,766

I'm now making
my primary incision, -

284

00:42:13,975 --> 00:42:17,562

- just above the right knee.

285

00:42:21,774 --> 00:42:25,737

- Nicely done.

- Unless you're family...

286

00:42:25,945 --> 00:42:32,619

- It's just a beautiful job.

- I'll let someone else tidy up.

287

00:42:35,413 --> 00:42:38,207

TRAVELLERS BEWARE

288

00:42:49,010 --> 00:42:53,222

IT COULD HAPPEN TO YOU!

289

00:42:58,436 --> 00:43:03,232

- I'm sorry to keep you.

- That's okay.

290

00:43:03,441 --> 00:43:08,613

- How can I help?

- I'd like a flight to Fiji.

291

00:43:08,821 --> 00:43:12,951

- When would you like to leave?

- Today.

292

00:43:30,927 --> 00:43:35,640

I'm sorry. I don't have anything
for at least a month.

293

00:43:35,848 --> 00:43:39,686

It's the busy season.

294

00:43:39,894 --> 00:43:42,981

Do you want to book the flight?

295

00:43:43,189 --> 00:43:46,442

I'll make other arrangements.

296

00:43:49,612 --> 00:43:54,701

Last call for Chicago!

All aboard!

297

00:44:00,540 --> 00:44:02,625

Thank you.

298

00:44:05,044 --> 00:44:08,548

Windy City, here we come.

299

00:44:08,756 --> 00:44:11,259

Hi!

300

00:44:13,553 --> 00:44:17,098

Hello...

301

00:44:17,307 --> 00:44:22,520

- Mom, isn't that you know you?

- Face the front.

302

00:44:49,631 --> 00:44:52,884

Everybody off, we've got a problem.

303

00:45:11,736 --> 00:45:14,989

I'm sorry, son.

304

00:45:27,126 --> 00:45:33,341

- Wasn't his father from Chicago?

- His father was from Des Moines.

305

00:45:33,549 --> 00:45:39,847

- Why does he want to go to Chicago?

- He's not going anywhere.

306

00:45:56,906 --> 00:45:59,909

Truman?

307

00:46:03,288 --> 00:46:06,416

- Honey, are you okay?

- Get in.

308

00:46:10,378 --> 00:46:13,715

- Truman...

- Look.

309

00:46:19,929 --> 00:46:26,352

I predict that, in just a moment,
we'll see a lady on a red bike -

310

00:46:26,561 --> 00:46:32,108

- followed by a man with flowers and
a Volkswagen with a dented fender.

311

00:46:32,317 --> 00:46:35,486

- Truman, please...
- Look!

312

00:46:40,533 --> 00:46:42,910

Lady...

313

00:46:43,119 --> 00:46:45,371

Flowers...

314

00:46:45,580 --> 00:46:47,874

- And...?
- And...

315

00:46:50,293 --> 00:46:55,632

- Truman, this is silly.

- There's the dented Beetle! Yes!

316

00:47:02,931 --> 00:47:07,143

You know how I did that?

They're on a loop.

317

00:47:07,352 --> 00:47:12,899

They go around the block, they

come back, they go around again.

318

00:47:13,107 --> 00:47:17,612

- I invited Marlon to barbecue...

- I won't be here.

319

00:47:17,820 --> 00:47:20,406

We need more charcoal.

320

00:47:20,615 --> 00:47:25,244

Are you listening

to a word I'm saying?

321

00:47:25,453 --> 00:47:29,207

You're upset

because you want to go to Fiji?

322

00:47:30,375 --> 00:47:33,086

Okay, go.

323

00:47:35,088 --> 00:47:39,634

I think you should save

for a few months, and then go.

324

00:47:39,842 --> 00:47:42,553

I'm going to take a shower.

325

00:47:46,557 --> 00:47:49,686

Let's go now.

I'm ready. Why wait?

326

00:47:49,894 --> 00:47:54,691

Early bird gathers no moss,
rolling stone catches the worm.

327

00:47:54,899 --> 00:47:58,653

Truman, what are you doing?

328

00:48:02,240 --> 00:48:07,453

- Truman...

- Where shall we go?

329

00:48:08,788 --> 00:48:13,459

- Truman, where are we going?

- I guess I'm being spontaneous.

330

00:48:13,668 --> 00:48:18,172

Somebody help me!

I'm being spontaneous!

331

00:48:18,381 --> 00:48:23,344

Forget Fiji.

We can't drive to Fiji, can we?

332

00:48:24,596 --> 00:48:29,183

- What about Atlantic City?

- No, you hate to gamble.

333

00:48:29,392 --> 00:48:33,563

That's right, I do.

But I never have.

334

00:48:33,771 --> 00:48:36,816

And that's why people go places.

335

00:48:37,025 --> 00:48:41,070

- I think I'm going to throw up.

- Me, too.

336

00:48:49,579 --> 00:48:54,542

Blocked at every turn. Beautifully
synchronised, don't you think?

337

00:48:54,751 --> 00:48:59,047

- You're blaming me for the traffic?

- Should I?

338

00:49:04,719 --> 00:49:08,723

Truman, let's go home.

339

00:49:08,932 --> 00:49:12,518

You're right.

We could be stuck here for hours.

340

00:49:12,727 --> 00:49:17,565

It'll be like this all the way
to Atlantic City. Let's go back.

341

00:49:17,774 --> 00:49:21,903

I'm sorry.
I don't know what got into me.

342

00:49:23,863 --> 00:49:28,326

- Can you please slow down?
- Yes, I can.

343

00:49:30,453 --> 00:49:33,665

- That's our turn-off.
- I changed my mind.

344

00:49:33,873 --> 00:49:38,211

What's New Orleans like
this time of year? Mardis Gras!

345

00:49:43,549 --> 00:49:49,472

Look, Meryl. Same road, no cars.

It's magic.

346

00:49:49,681 --> 00:49:54,769

Let me out. If you want to
destroy yourself, do it on your own.

347

00:49:54,978 --> 00:49:59,023

I think I'd like a little company.

348

00:50:03,778 --> 00:50:08,574

Oh, Truman...

You knew this would happen.

349

00:50:08,783 --> 00:50:12,078

You know you can't drive over water.

350

00:50:12,287 --> 00:50:16,332

Let's go home,
where you'll feel safe.

351

00:50:17,458 --> 00:50:20,920

Give me your hand...

You drive!

352

00:50:22,255 --> 00:50:26,926

We shouldn't be doing this.

We're breaking the law!

353

00:50:27,135 --> 00:50:31,681

- Oh, my!

- You can do it! You can make it!

354

00:50:33,224 --> 00:50:37,186

We're over! We're over the bridge!

355

00:50:37,395 --> 00:50:41,232

- We're over the bridge!

- We're over!

356

00:50:44,694 --> 00:50:46,821

FOREST FIRE WARNING

EXTREME DANGER

357

00:50:47,030 --> 00:50:50,867

- What about that sign?

- They exaggerate. We'll be fine.

358

00:50:52,744 --> 00:50:55,622

Do you believe that?

359

00:50:57,957 --> 00:51:01,085

Truman, we're on fire!

360

00:51:01,294 --> 00:51:04,797

- It's just smoke. You okay?

- Yes.

361

00:51:05,006 --> 00:51:08,092

- Wanna do it again?

- No!

362

00:51:08,301 --> 00:51:10,929

Truman, stop!

363

00:51:13,890 --> 00:51:17,894

What do we do for money

when we get to New Orleans?

364

00:51:18,102 --> 00:51:21,147

I have my Seahaven bank card.

365

00:51:21,356 --> 00:51:25,568

So we're just going to

eat into our savings, is that it?

366

00:51:25,777 --> 00:51:31,115

I'll have to call your mother.

I don't know how she'll take this.

367

00:51:43,711 --> 00:51:45,672

What now?

368

00:51:45,880 --> 00:51:48,383

SEAHAVEN

NUCLEAR POWER STATION

369

00:51:51,803 --> 00:51:55,265

- Looks like a leak at the plant.

- Back up.

370

00:51:55,473 --> 00:52:02,188

Leak at the plant.

The whole area is being evacuated.

371

00:52:02,397 --> 00:52:06,526

- Thank you for your help.

- You're welcome, Truman.

372

00:52:06,734 --> 00:52:08,569

Truman...

373

00:52:11,155 --> 00:52:14,409

Truman, come back!

374

00:52:17,370 --> 00:52:19,831

Stop him!

375

00:52:20,123 --> 00:52:22,417

Truman!

376

00:52:40,393 --> 00:52:42,562

Stay away!

377

00:52:58,077 --> 00:53:03,750

- Thank you both for your help.

- Next time he'll be charged.

378

00:53:03,958 --> 00:53:08,713

I understand.

Thanks again. Good night.

379

00:53:26,689 --> 00:53:31,444

Let me get you some help, Truman.

You're not well.

380

00:53:33,947 --> 00:53:39,118

Why do you want to have a baby
with me? You can't stand me.

381

00:53:39,327 --> 00:53:42,372

That's not true.

382

00:53:46,209 --> 00:53:51,965

I'll fix you some Mococoa. Natural
cocoa beans from Mt. Nicaragua.

383

00:53:52,173 --> 00:53:58,304

- No artificial sweeteners.
- What are you talking about?

384

00:53:58,513 --> 00:54:02,141

I've tasted other cocoas.
This is the best.

385

00:54:02,350 --> 00:54:06,646

What the hell does this
have to do with anything?

386

00:54:06,854 --> 00:54:11,609

- Tell me what's happening!
- You're having a nervous breakdown.

387

00:54:11,818 --> 00:54:14,696

You're part of this, aren't you?

388

00:54:16,990 --> 00:54:21,786

Truman, you are scaring me.

389

00:54:21,995 --> 00:54:25,790

No, <i>you're</i> scaring <i>me</i>.

What are you gonna do?

390

00:54:25,999 --> 00:54:30,461

Dice me, slice me or peel me?

There's so many choices.

391

00:54:32,255 --> 00:54:35,300

Do something!

392

00:54:35,508 --> 00:54:39,304

What? What did you say?

393

00:54:39,512 --> 00:54:43,266

- Who are you talking to?

- I didn't say anything.

394

00:54:43,474 --> 00:54:48,521

- I wasn't talking to anybody.

- Talk to me!

395

00:54:48,730 --> 00:54:53,484

- I don't know anything!

- Stay where you are.

396

00:54:53,693 --> 00:54:55,737

Truman...?

397

00:54:58,906 --> 00:55:01,618

Thank God!

398

00:55:05,455 --> 00:55:10,543

How can anyone expect me to
carry on under these conditions?

399

00:55:10,752 --> 00:55:13,546

It's unprofessional!

400

00:55:17,425 --> 00:55:21,429

Everything's gonna be okay.

It's all gonna be fine.

401

00:55:25,642 --> 00:55:29,812

I don't know what to think, Marlon.

402

00:55:31,773 --> 00:55:35,818

Maybe I'm losing my mind.

403

00:55:38,071 --> 00:55:42,992

It feels like the whole world
revolves around me.

404

00:55:43,201 --> 00:55:47,497

That's a lot of world for one man.

405

00:55:48,748 --> 00:55:54,796

Is it wishful thinking? Wishing
you'd made more out of yourself?

406

00:55:55,004 --> 00:56:01,803

Who hasn't sat in the john and
had an imaginary interview on TV?

407

00:56:02,011 --> 00:56:07,558

This is different.
Everybody seems to be in on it.

408

00:56:09,352 --> 00:56:13,481

I've been your best friend
since we were seven.

409

00:56:13,690 --> 00:56:19,028

We got through school by cheating
off each other's test papers.

410

00:56:19,237 --> 00:56:23,116

Jesus, they were identical.

411

00:56:23,324 --> 00:56:26,786

But I always felt safe knowing that.

412

00:56:26,995 --> 00:56:32,000

Because whatever the answer was,
we were right or wrong together.

413

00:56:33,626 --> 00:56:39,424

I stayed up all night in your tent
so you could play North Pole.

414

00:56:39,632 --> 00:56:42,802

And I got pneumonia.

415

00:56:43,011 --> 00:56:45,263

Remember that?

416

00:56:45,471 --> 00:56:48,141

You were out of school for a month.

417

00:56:54,230 --> 00:56:59,652

You're the closest thing I ever had
to a brother, Truman.

418

00:57:03,615 --> 00:57:10,079

Things haven't worked out for us
like we used to dream they would.

419

00:57:11,873 --> 00:57:16,336

I know what that feeling's like.
Everything slipping away...

420

00:57:16,544 --> 00:57:20,965

You don't want to believe it, so you
look for answers somewhere else.

421

00:57:27,805 --> 00:57:34,270

But the point is, I'd gladly
walk in front of traffic for you.

422

00:57:39,233 --> 00:57:44,113

<i>But the point is, I'd gladly</i>
<i>step in front of traffic for you.</i>

423

00:57:44,322 --> 00:57:47,659

And the last thing I'd ever do
is lie to you.

424

00:57:49,953 --> 00:57:56,626

And the last thing that
I would ever do... is lie to you.

425

00:57:59,921 --> 00:58:03,091

I mean, think about it.

426

00:58:03,299 --> 00:58:08,763

If everybody is in on it...
I'd have to be in on it, too.

427

00:58:17,981 --> 00:58:22,777

I'm not in on it, Truman,
because there is no "it".

428

00:58:26,948 --> 00:58:31,244

- You were right about one thing.
- What's that?

429

00:58:33,288 --> 00:58:37,125

The thing that started all this.

430

00:58:50,597 --> 00:58:56,227

I found him for you, Truman.
That's why I came by tonight.

431

00:58:56,436 --> 00:59:00,648

I'm sure he's got
quite a story to tell.

432

00:59:03,109 --> 00:59:05,778

Go to him.

433

00:59:10,700 --> 00:59:13,328

Easy on the fog.

434

00:59:14,537 --> 00:59:18,833

Stand by, crane-cam...

Crane-cam.

435

00:59:26,633 --> 00:59:28,593

Button-cam three.

436

00:59:40,897 --> 00:59:43,816

I never stopped believing.

437

00:59:45,860 --> 00:59:49,155

Go wide. Curb-cam eight.

438

00:59:49,364 --> 00:59:52,075

My son.

439

00:59:52,283 --> 00:59:56,162

- Move in for close-up?

- No, no...

440

00:59:57,163 --> 01:00:00,166

Stay back.

Fade up music.

441

01:00:06,422 --> 01:00:09,968

Now go for the close-up.

442

01:00:10,176 --> 01:00:14,514

<i>All those years wasted.</i>

<i>I'll make it up to you, son.</i>

443

01:00:15,515 --> 01:00:17,600

<i>I swear.</i>

444

01:00:23,106 --> 01:00:25,733

<i>Dad...</i>

445

01:00:36,327 --> 01:00:38,329

Bravo!

446

01:00:38,538 --> 01:00:41,541

Congratulations.

447

01:00:41,749 --> 01:00:46,504

- Okay, quiet down. Concentrate.

- That was great television.

448

01:00:52,343 --> 01:00:56,472

- Christof, it was brilliant!

- It broke my heart.

449

01:00:59,309 --> 01:01:02,186

Well done! Congratulations!

450

01:01:10,361 --> 01:01:13,531

Truman drinks Mococoa,
world's finest cocoa beans -

451

01:01:13,740 --> 01:01:16,701

- grown on the upper slopes
of Mt. Nicaragua.

452

01:01:20,288 --> 01:01:24,375

<i>1. 7 billion were there</i>

<i>for his birth.</i>

453

01:01:27,462 --> 01:01:30,632

<i>220 countries tuned in</i>

<i>for his first step.</i>

454

01:01:30,840 --> 01:01:34,969

<i>The world stood still</i>

<i>for that stolen kiss.</i>

455

01:01:35,178 --> 01:01:39,349

<i>And as he grew, so did the</i>

<i>technology. A human life,</i> -

456

01:01:39,557 --> 01:01:44,604

- <i>recorded on a network of</i>

<i>hidden cameras and broadcast live</i> -

457

01:01:44,812 --> 01:01:50,193

- <i>24 hours a day, seven days a week,</i>

<i>to an audience around the globe.</i>

458

01:01:50,401 --> 01:01:56,491

<i>From Seahaven, enclosed in the</i>
<i>largest studio ever constructed,</i> -

459

01:01:56,699 --> 01:02:02,747

- <i>one of only two man-made</i>
<i>structures visible from space,</i> -

460

01:02:02,956 --> 01:02:08,378

- <i>now in its 30th great year,</i>
<i>it's The Truman Show!</i>

461

01:02:12,423 --> 01:02:16,886

<i>What a week! I was on</i>
<i>pins and needles the entire time.</i>

462

01:02:17,095 --> 01:02:19,931

<i>I'm your host, Mike Michaelson.</i>

463

01:02:20,139 --> 01:02:23,601

<i>Welcome to Tru-Talk, our forum for</i>
<i>issues growing out of the show.</i>

464

01:02:23,810 --> 01:02:27,272

<i>Tonight, something very special:</i>

465

01:02:27,480 --> 01:02:31,734

<i>An exclusive interview</i>

<i>with the show's creator.</i>

466

01:02:31,943 --> 01:02:38,741

<i>Let's go live to the 221st floor</i>

<i>of the Omni-Cam Ecosphere.</i>

467

01:02:38,950 --> 01:02:42,662

<i>There we'll find</i>

<i>the world's greatest tele-visionary.</i>

468

01:02:42,870 --> 01:02:47,917

<i>The designer of the world within</i>

<i>a world that is Seahaven: Christof.</i>

469

01:02:48,126 --> 01:02:53,172

<i>I'd like to thank you</i>

<i>for granting this interview.</i>

470

01:02:53,381 --> 01:02:58,845

<i>We know your schedule is demanding,</i>
<i>and how you guard your privacy.</i>

471

01:02:59,053 --> 01:03:03,099

- <i>This, sir, is indeed an honour.</i>
- Don't mention it.

472

01:03:03,308 --> 01:03:06,728

<i>The catalyst</i>
<i>for the recent dramatic events</i> -

473

01:03:07,103 --> 01:03:11,858

- <i>has been Truman's father, Kirk,</i>
<i>and his attempt at infiltration.</i>

474

01:03:12,066 --> 01:03:17,280

<i>This is not the first time someone</i>
<i>has tried to reach Truman, is it?</i>

475

01:03:17,488 --> 01:03:20,783

<i>We have had our close calls.</i>

476

01:03:20,992 --> 01:03:27,665

It's television!

I did it! I'm on The Truman Show!

477

01:03:27,874 --> 01:03:35,298

<i>But now, the first intruder</i>

<i>to be a former cast member.</i>

478

01:03:35,506 --> 01:03:40,637

- <i>A dead one at that.</i>

- <i>Writing Kirk back in, brilliant.</i>

479

01:03:40,845 --> 01:03:46,559

<i>Kirk started this whole crisis. He</i>

<i>was the only one who could end it.</i>

480

01:03:46,768 --> 01:03:49,395

Truman, no!

481

01:03:49,604 --> 01:03:53,274

- That's off limits!

- Why? What's over there?

482

01:03:53,483 --> 01:03:57,946

Nothing. It's dangerous, that's all.

You have to know your limitations.

483

01:03:58,154 --> 01:04:02,325

<i>Let's remind viewers why Dad was</i>

<i>written out in the first place.</i>

484

01:04:02,533 --> 01:04:07,497

<i>As Truman grew up, we manufactured</i>

<i>ways to keep him on the island.</i>

485

01:04:07,705 --> 01:04:14,504

- I'd like to be a great explorer.

- There's nothing left to explore.

486

01:04:19,259 --> 01:04:24,973

- <i>Then I thought up Kirk's drowning.</i>

- <i>He's feared the water ever since.</i>

487

01:04:25,181 --> 01:04:31,854

<i>When Kirk read the synopsis, he was</i>

<i>disappointed, to say the least.</i>

488

01:04:32,063 --> 01:04:35,316

<i>I'm sure</i>

<i>that's why he broke onto the set.</i>

489

01:04:35,525 --> 01:04:40,071

<i>But how do you intend to explain</i>

<i>his 22-year absence?</i>

490

01:04:40,280 --> 01:04:42,991

- <i>Amnesia.</i>

- <i>Brilliant.</i>

491

01:04:43,199 --> 01:04:49,414

<i>Let's take some viewer calls. North</i>

<i>Carolina, you're on with Christof.</i>

492

01:04:49,622 --> 01:04:54,877

<i>Hi, Christof. I was wondering how</i>

<i>many cameras you got in that town.</i>

493

01:04:55,086 --> 01:04:59,591

<i>Somewhere in the vicinity of 5,000.</i>

494

01:04:59,799 --> 01:05:03,845

<i>Remember, we started with just one.</i>

495

01:05:04,053 --> 01:05:10,476

<i>He was two weeks premature, as if</i>

<i>he couldn't wait to get started.</i>

496

01:05:10,685 --> 01:05:15,732

<i>And his eagerness to leave the womb</i>

<i>was the reason he was selected.</i>

497

01:05:15,940 --> 01:05:19,819

<i>In competition with five other</i>

<i>unwanted pregnancies</i> -

498

01:05:20,028 --> 01:05:25,742

- <i>for a show determined by an air</i>

<i>date, only Truman arrived on cue.</i>

499

01:05:28,703 --> 01:05:33,374

<i>I believe Truman is the first child</i>

<i>to be adopted by a corporation.</i>

500

01:05:33,583 --> 01:05:37,629

- <i>That's correct.</i>

- <i>The show's made enormous revenue.</i>

501

01:05:37,837 --> 01:05:41,007

<i>Equivalent to the GNP</i>

<i>of a small country.</i>

502

01:05:41,215 --> 01:05:45,511

<i>It takes the population of an</i>

<i>entire country to keep it running.</i>

503

01:05:45,720 --> 01:05:52,644

<i>Since it's on 24 hours, revenues are</i>

<i>generated by product placement.</i>

504

01:05:52,852 --> 01:05:57,857

<i>Everything on the show is for sale,</i>

<i>down to the very homes they live in.</i>

505

01:05:58,066 --> 01:06:02,195

<i>All of it in the Truman catalogue.</i>

<i>Operators are standing by.</i>

506

01:06:02,403 --> 01:06:07,992

<i>Christof, why has Truman</i>

<i>never come close to discovering</i> -

507

01:06:08,201 --> 01:06:11,955

- <i>the true nature of his world</i>

<i>until now?</i>

508

01:06:12,163 --> 01:06:16,167

<i>We accept the reality of the world</i>

<i>with which we're presented.</i>

509

01:06:17,377 --> 01:06:21,714

<i>The Hague for Christof. Hello.</i>

<i>The Hague...</i>

510

01:06:23,007 --> 01:06:26,594

<i>All right,</i>

<i>let's go to Hollywood, California.</i>

511

01:06:26,803 --> 01:06:32,642

You're a liar and a manipulator, and

what you've done to Truman is sick.

512

01:06:32,850 --> 01:06:39,148

<i>Well, we remember this voice,</i>

<i>don't we? How could we forget?</i>

513

01:06:39,357 --> 01:06:43,778

- <i>Let's go to another call.</i>

- <i>No, no. It's fine, Mike.</i>

514

01:06:43,987 --> 01:06:48,491

<i>I love to reminisce</i>

<i>with former members of the cast.</i>

515

01:06:48,700 --> 01:06:54,706

<i>Sylvia, as you announced so</i>

<i>melodramatically to the world...</i>

516

01:06:54,914 --> 01:06:59,502

<i>Do you think because you batted</i>

<i>your eyes at Truman once,</i> -

517

01:06:59,711 --> 01:07:03,965

- <i>flirted with him,</i>

<i>stole a few minutes of air time</i> -

518

01:07:04,173 --> 01:07:08,469

- <i>to thrust your politics into</i>

<i>the limelight, that you know him?</i>

519

01:07:08,678 --> 01:07:13,600

<i>That you know what's right for him?</i>

<i>Are you in a position to judge him?</i>

520

01:07:13,808 --> 01:07:18,688

What right do you have to
turn a baby's life into a mockery?

521

01:07:18,896 --> 01:07:22,942

Don't you ever feel guilty?

522

01:07:23,151 --> 01:07:28,156

<i>I have given Truman</i>

<i>the chance to lead a normal life.</i>

523

01:07:28,364 --> 01:07:32,327

<i>The world, the place you live in,</i> -

524

01:07:32,535 --> 01:07:37,957

- <i>is the sick place. Seahaven</i>

<i>is the way the world should be.</i>

525

01:07:38,166 --> 01:07:43,379

- He's a prisoner, not a performer.

- <i>He can leave at any time.</i>

526

01:07:43,588 --> 01:07:48,718

<i>If his was more than a vague</i>

<i>ambition, if he was determined</i> -

527

01:07:48,927 --> 01:07:54,891

- <i>to discover the truth, there's</i>

<i>no way we could prevent him.</i>

528

01:07:55,099 --> 01:07:59,562

<i>I think what distresses you,</i>

<i>really, caller,</i> -

529

01:07:59,771 --> 01:08:05,652

- <i>is that, ultimately, Truman</i>

<i>prefers his cell, as you call it.</i>

530

01:08:05,860 --> 01:08:11,157

That's where you're so wrong.

And he'll prove you wrong.

531

01:08:11,366 --> 01:08:17,789

<i>These heated comments aside, it's</i>

<i>been a very positive experience.</i>

532

01:08:17,997 --> 01:08:21,918

<i>For Truman and for the viewers.</i>

533

01:08:22,126 --> 01:08:28,466

<i>Thank you for your time.</i>

<i>Now that this crisis is behind us,</i> -

534

01:08:28,675 --> 01:08:32,971

- *<i>can we look forward</i>*

<i>to some exciting new developments?</i>

535

01:08:33,179 --> 01:08:38,768

<i>The big news is: Meryl will leave</i>

<i>Truman in an upcoming episode.</i>

536

01:08:38,977 --> 01:08:42,105

<i>A new romantic interest</i>

<i>will be introduced.</i>

537

01:08:42,313 --> 01:08:46,859

<i>I'm determined that TV's first</i>

<i>on-air conception will take place.</i>

538

01:08:47,068 --> 01:08:50,113

<i>Another television milestone.</i>

539

01:08:50,321 --> 01:08:56,869

<i>It has been a singular honour</i>

<i>and a pleasure. Christof, thank you.</i>

540

01:10:14,864 --> 01:10:17,367

Hey, Simeon.

541

01:10:21,037 --> 01:10:26,084

- Is he looking at us?

- You think he knows?

542

01:10:26,292 --> 01:10:29,837

- *<i>Hello...</i>*

- Better call Christof.

543

01:10:30,046 --> 01:10:32,966

<i>Come in, Major Burbank.</i>

544

01:10:49,107 --> 01:10:52,944

He's back to his old self.

545

01:10:59,993 --> 01:11:03,746

That's an unusual cat, my man.

546

01:11:07,125 --> 01:11:11,296

<i>I hereby proclaim this planet...</i>

547

01:11:14,924 --> 01:11:18,428

<i>... Trumania of the Burbank galaxy.</i>

548

01:11:20,054 --> 01:11:24,183

- Is he gonna go?

- Hallway camera ready.

549

01:11:24,392 --> 01:11:30,064

- <i>That one's for free.</i>

- Stand by, all house cameras.

550

01:11:30,690 --> 01:11:34,736

- Good morning.

- Good morning.

551

01:11:34,944 --> 01:11:39,824

- In case I don't see you...

...good afternoon and good night.

552

01:11:41,743 --> 01:11:46,915

Good afternoon, good night...

553

01:11:47,165 --> 01:11:53,630

- Morning, Truman. How's it going?

- I'll check. Vital signs are good.

554

01:11:55,673 --> 01:11:58,134

Hey, Pluto!

555

01:11:58,343 --> 01:12:01,596

- Good morning!

- Look who's here.

556

01:12:01,804 --> 01:12:06,809

Beautiful day, isn't it? We thought
about the policy, and we'll take it.

557

01:12:07,018 --> 01:12:11,397

Great! Let's go up to my office
and sign the papers.

558

01:12:11,606 --> 01:12:16,194

- Next week would be better.

- I knew it. See you guys.

559

01:12:16,402 --> 01:12:20,239

- See you next week.

- Looking forward to it!

560

01:12:20,448 --> 01:12:24,702

This isn't about insurance.

This is about the great variable.

561

01:12:24,911 --> 01:12:30,291

When will death occur?

Could be a week, a month, a year...

562

01:12:30,500 --> 01:12:33,294

Could be today.

563

01:12:33,503 --> 01:12:39,509

Innocent sunbather, stabbed by
the tip of a runaway beach umbrella.

564

01:12:39,717 --> 01:12:42,971

No way to guard against that.

565

01:12:44,430 --> 01:12:48,226

- Excuse me.

- Truman, this is Vivian.

566

01:12:48,434 --> 01:12:51,938

The two of you
are going to be neighbours.

567

01:12:54,899 --> 01:13:00,446

I guess what I'm saying
is that life is... fragile.

568

01:13:02,156 --> 01:13:05,285

- Vivian, your office.

- Sorry.

569

01:13:05,493 --> 01:13:09,497

I'm sorry... You do?

570

01:13:09,706 --> 01:13:14,210

Oh, great.

Let me take your information.

571

01:13:29,475 --> 01:13:32,437

Ready, two. Go to two.

572

01:13:35,565 --> 01:13:40,612

Back to medium... and wide.

573

01:13:48,870 --> 01:13:53,333

I was just trying
to train the kid to... never mind.

574

01:13:56,544 --> 01:14:01,549

- What's he doing in the basement?
- He moved in there when Meryl left.

575

01:14:01,758 --> 01:14:06,888

Why wasn't I told? Unpredictable
behaviour has to be reported.

576

01:14:07,096 --> 01:14:12,018

- He's just sleeping. I thought...
- This is the best shot we've got?

577

01:14:12,226 --> 01:14:16,064

- What's on the clock-cam?
- Obstruction.

578

01:14:16,272 --> 01:14:20,944

- What happened?
- He was tidying up his garbage.

579

01:14:21,152 --> 01:14:25,365

I was gonna call you,
but he gave up and fell asleep.

580

01:14:25,573 --> 01:14:30,870

- I want to check the set-ups...
...for the insurance convention.

581

01:14:31,079 --> 01:14:33,665

Nice move.

582

01:14:41,130 --> 01:14:43,841

There you go.

583

01:14:53,184 --> 01:14:57,647

Isolate the audio.
Give me a close-up on his torso.

584

01:15:00,775 --> 01:15:03,486

Still breathing.

585

01:15:04,487 --> 01:15:09,742

Where's Chloe? Call him.

Tell him it's a wrong number.

586

01:15:13,204 --> 01:15:17,417

- What took you so long?

- I had to wait for it.

587

01:15:17,625 --> 01:15:23,715

- They were busy. What's going on?

- I don't know.

588

01:15:23,923 --> 01:15:28,845

- He did nothing but stand around.

- Shut up and watch.

589

01:15:29,053 --> 01:15:32,932

Then we went to night vision.

He's asleep.

590

01:15:34,767 --> 01:15:39,564

There! Stop it.

Zoom in under the chair.

591

01:15:42,775 --> 01:15:48,531

- Enhance it.

- Is it...? My God...

592

01:15:48,740 --> 01:15:55,788

- He didn't go up the stairs.

- Get Marlon over there!

593

01:16:11,346 --> 01:16:15,433

Truman... Surprise party!

594

01:16:16,601 --> 01:16:21,522

I got a six-pack of cold brewskies
with our name on them.

595

01:16:21,731 --> 01:16:25,276

Come on, pal.

Come on, buddy.

596

01:16:27,904 --> 01:16:30,198

Shit!

597

01:16:31,741 --> 01:16:36,037

Marlon, find him.

He's still in the room.

598

01:16:39,040 --> 01:16:42,877

- *<i>Come out, wherever you are.</i>*

- Good. Keep it light.

599

01:16:43,086 --> 01:16:45,421

<i>I know you're in here.</i>

600

01:16:49,550 --> 01:16:55,390

Check under the table.

The closet, behind you.

601

01:17:01,187 --> 01:17:05,483

Gee, I wonder where
he could possibly be.

602

01:17:13,408 --> 01:17:15,827

Lawn-cam!

603

01:17:23,001 --> 01:17:26,838

- Say something. Keep it going.

- <i>He's gone.</i>

604

01:17:27,046 --> 01:17:30,258

- Cut transmission!

- Cut transmission?

605

01:17:33,720 --> 01:17:38,891

- God in heaven!

- Give me the phone!

606

01:17:45,440 --> 01:17:48,568

TECHNICAL FAULT

PLEASE STAND BY

607

01:18:00,872 --> 01:18:07,170

We've got every available extra
looking for him. The crew, too.

608

01:18:07,378 --> 01:18:11,132

- What about prop cars?

- Accounted for.

609

01:18:11,341 --> 01:18:15,678

He has the world's most recognisable
face, he can't disappear.

610

01:18:55,093 --> 01:18:58,471

Go find him, Pluto. Good dog.

611

01:18:58,680 --> 01:19:03,351

All this fuss!

If he could just hear my voice.

612

01:19:03,559 --> 01:19:07,772

Truman! Truman!

613

01:19:07,981 --> 01:19:11,859

Let me try.

Truman!

614

01:19:12,068 --> 01:19:17,282

It's me, Dad!

Let's talk!

615

01:19:19,284 --> 01:19:23,705

Yeah, I know. We're just about

done with the square.

616

01:19:23,913 --> 01:19:28,167

<i>We've got to go back to Barrymore,</i>

<i>check the interiors.</i>

617

01:19:28,376 --> 01:19:34,507

Who's watching the college?

Send someone over there.

618

01:19:39,762 --> 01:19:43,933

- Take another man, get down there.

- Find the son of a bitch!

619

01:19:44,142 --> 01:19:47,812

Get some batteries.

He's not gonna glow in the dark.

620

01:19:50,773 --> 01:19:55,153

We need more light.

We'll never find him this way.

621

01:19:59,574 --> 01:20:04,037

- What time is it?

- It's way too early for that.

622

01:20:10,043 --> 01:20:13,630

Cue the sun.

623

01:20:17,842 --> 01:20:20,303

What time is it?

624

01:20:20,511 --> 01:20:26,184

Christof, what's going on?

There's rumours that he's dead.

625

01:20:26,392 --> 01:20:29,020

The media's having a feeding frenzy.

626

01:20:29,228 --> 01:20:34,984

Every network has a pirated shot
of Marlon making an ass of himself.

627

01:20:35,193 --> 01:20:40,615

- The sponsors are threatening us.

- We're getting our highest ratings.

628

01:20:44,744 --> 01:20:48,998

- *No sign of him.*

- Go back to town, join the others.

629

01:20:49,207 --> 01:20:55,296

Everyone else at first positions.

Everyone *is* at first positions?

630

01:21:12,814 --> 01:21:16,150

He's got to be there somewhere.

631

01:21:17,819 --> 01:21:22,365

- We're not watching the sea.

- Why would we watch the sea?

632

01:21:22,573 --> 01:21:27,579

- Sweep the harbour.

- Bring up the harbour cameras.

633

01:21:27,787 --> 01:21:32,750

- Aren't some of those out?

- Yeah, but we have the lighthouse.

634

01:21:32,959 --> 01:21:36,796

All buoy-cams, please.

635

01:21:37,005 --> 01:21:41,092

- Long lens, short-base cameras.

- Why are we looking at the water?

636

01:21:46,180 --> 01:21:50,602

Truman, where are you going?

637

01:21:52,812 --> 01:21:58,484

- Sailing? He's afraid of the water.

- Resume transmission.

638

01:22:04,198 --> 01:22:07,452

I got 2-1 he doesn't make it.

639

01:22:11,831 --> 01:22:15,043

Just leave them in the car.

640

01:22:25,970 --> 01:22:30,808

Get off this mast-cam. You can't
see his face. Go to the cabin-cam.

641

01:22:33,478 --> 01:22:36,898

Perfect.

That's our hero shot.

642

01:23:03,049 --> 01:23:08,179

- Let's get another boat out there.

- I need to talk to the ferry guys.

643

01:23:08,388 --> 01:23:11,975

Come on, get it moving!

644

01:23:14,769 --> 01:23:19,691

- I'm just the bus driver.

- They can't sail. They're actors!

645

01:23:24,153 --> 01:23:27,073

How do we stop him?

646

01:23:36,457 --> 01:23:43,715

Okay... We're going to access

the weather programme now.

647

01:23:43,923 --> 01:23:48,219

So hold on to your hats.

You got that?

648

01:23:48,428 --> 01:23:52,932

No, I think we'll want to

localise the storm over the boat.

649

01:23:55,435 --> 01:23:57,854

Get the co-ordinates.

650

01:23:58,062 --> 01:24:03,818

- There's no rescue boat.

- He'll turn back. He'll be afraid.

651

01:24:05,778 --> 01:24:07,905

There she blows.

652

01:24:19,584 --> 01:24:22,128

Come on.

653

01:24:44,359 --> 01:24:47,028

Give me some lightning.

654

01:24:47,236 --> 01:24:49,614

Hit him again!

655

01:25:01,960 --> 01:25:08,299

- He can't die on television!

- He was born on television.

656

01:25:42,417 --> 01:25:44,711

Hold on!

657

01:26:09,944 --> 01:26:13,197

Is that the best you can do?

658

01:26:13,406 --> 01:26:16,451

You're gonna have to kill me!

659

01:26:17,619 --> 01:26:20,413

<i>What should we do</i>

<i>with a drunken sailor...</i>

660

01:26:20,622 --> 01:26:26,794

- I demand you cease transmission.

- Keep running.

661

01:26:27,003 --> 01:26:29,839

Increase the wind!

662

01:26:32,842 --> 01:26:37,180

- For the last time...

- Capsize him, tip him over.

663

01:26:37,388 --> 01:26:41,935

- He's tied himself to the boat!

- He'll drown, and he doesn't care.

664

01:26:42,143 --> 01:26:44,729

Do it... Do it!

665

01:27:38,408 --> 01:27:40,827

That's enough.

666

01:31:52,579 --> 01:31:54,289

I want to talk to him.

667

01:31:58,167 --> 01:32:00,378

EXIT

668

01:32:11,973 --> 01:32:16,060

Truman... You can speak.

669

01:32:18,229 --> 01:32:21,524

<i>I can hear you.</i>

670

01:32:24,193 --> 01:32:27,989

- Who are you?

- I'm the creator of a TV show.

671

01:32:28,197 --> 01:32:31,576

It gives hope

and inspiration to millions.

672

01:32:35,872 --> 01:32:39,667

- <i>Then who am I?</i>

- You're the star.

673

01:32:45,131 --> 01:32:49,677

- *<i>Was nothing real?</i>*

- You were real.

674

01:32:49,886 --> 01:32:54,140

That's what made you so good
to watch. Listen, Truman.

675

01:32:54,349 --> 01:33:00,313

There's no more truth out there
than in the world I created for you.

676

01:33:02,231 --> 01:33:07,237

<i>The same lies, the same deceit.</i>

677

01:33:07,445 --> 01:33:13,576

But in my world,
you have nothing to fear.

678

01:33:16,412 --> 01:33:21,417

- *<i>I know you better than you do.</i>*

- You never had a camera in my head.

679

01:33:22,460 --> 01:33:27,340

You're afraid.

That's why you can't leave.

680

01:33:31,844 --> 01:33:35,682

It's okay, Truman.

I understand.

681

01:33:37,267 --> 01:33:42,438

I have been watching you

your whole life.

682

01:33:42,647 --> 01:33:46,609

I was watching when you were born.

683

01:33:46,818 --> 01:33:50,572

I was watching

when you took your first step.

684

01:33:54,158 --> 01:33:59,163

<i>I watched you</i>

<i>on your first day of school.</i>

685

01:33:59,372 --> 01:34:03,793

The episode

when you lost your first tooth.

686

01:34:06,379 --> 01:34:09,090

You can't leave, Truman.

687

01:34:09,299 --> 01:34:12,510

- Please, God.

- *You belong here.*

688

01:34:12,719 --> 01:34:14,846

You can do it.

689

01:34:15,805 --> 01:34:17,890

With me.

690

01:34:19,809 --> 01:34:23,730

Talk to me.

Say something.

691

01:34:28,067 --> 01:34:34,407

Say something, damn it! You're
on TV. You're live to the world!

692

01:34:51,299 --> 01:34:56,930

In case I don't see you,
good afternoon and good night.

693

01:35:35,176 --> 01:35:38,638

He made it!

All right, Truman!

694

01:35:48,481 --> 01:35:50,566

Cease transmission.

695

01:35:55,363 --> 01:35:59,534

- You want another slice?

- No. Let's see what else is on.
