

Dialogues from Titanic to improve the vocabulary in English

2

00:01:56,324 --> 00:01:58,659

13 meters. You should see it.

3

00:02:12,006 --> 00:02:13,715

Okay, take her up and over the bow rail.

4

00:02:16,177 --> 00:02:19,513

Mir 2, we're going over the bow.

Stay with us.

5

00:02:53,548 --> 00:02:55,716

Okay, quiet. We're rolling.

6

00:02:56,176 --> 00:02:59,511

Seeing her coming out of the
darkness like a ghost ship...

7

00:02:59,762 --> 00:03:01,430

still gets me every time.

8

00:03:03,183 --> 00:03:07,019

To see the sad ruin of the
great ship sitting here...

9

00:03:07,520 --> 00:03:09,688

where she landed at
2:30 in the morning

10

00:03:09,898 --> 00:03:11,899

of April 15, 1912...

11

00:03:12,358 --> 00:03:14,526

after her long fall...

12

00:03:15,320 --> 00:03:17,321

from the world above.

13

00:03:18,239 --> 00:03:19,406

You are so full of shit, boss.

14

00:03:49,938 --> 00:03:53,607

Dive 6. Here we are again
on the deck of Titanic.

15

00:03:54,067 --> 00:03:57,903

21/2 miles down. 3,821 meters.

16

00:03:58,238 --> 00:04:03,242

The pressure outside is
31/2 tons per square inch.

17

00:04:04,077 --> 00:04:05,744

These windows are
9 inches thick.

18

00:04:05,995 --> 00:04:09,665

If they go, it's sayonara
in two microseconds.

19

00:04:10,208 --> 00:04:12,626

All right, enough of that bullshit.

20

00:04:26,557 --> 00:04:29,977

Just put her down on the roof of
the officers' quarters like yesterday.

21

00:04:31,437 --> 00:04:35,941

Mir 2, we're landing right over the
Grand Staircase. You guys set to launch?

22

00:04:36,276 --> 00:04:39,695

Yeah, Brock. Launching Dunkin now.
Go, Charlie.

23

00:04:47,787 --> 00:04:49,621

- All right, tether out.
- Tether out.

24

00:04:50,498 --> 00:04:53,500

Okay, Brock, we're dropping
down along the hull.

25

00:04:56,129 --> 00:05:00,132

Yeah, roger that. Okay, drop down and go
into the first class gangway door.

26

00:05:00,466 --> 00:05:02,050

I want you guys working the D deck...

27

00:05:02,302 --> 00:05:04,678

reception area and the dining saloon.

28

00:05:05,471 --> 00:05:06,471

Copy that.

29

00:05:12,687 --> 00:05:15,856

Tether out. Okay, now left. Left, left.

Okay, coming left.

30

00:05:24,866 --> 00:05:28,702

Snoop Dog is on the move.

We're headed down the stairwell.

31

00:05:31,456 --> 00:05:33,290

Okay Lewis, drop down to B deck.

32

00:05:33,791 --> 00:05:36,126

- Okay, A deck.

- Give me some rope, Captain.

33

00:05:36,461 --> 00:05:37,961

B deck. Get in there. Get in there.

34

00:06:16,751 --> 00:06:18,585

Watch the door frame.

35

00:06:18,836 --> 00:06:20,420

- Watch it, watch it.

- I see it. I got it.

36

00:06:26,010 --> 00:06:27,844

- We good? Bring her down.

- We're good. Just chill, boss.

37

00:06:42,276 --> 00:06:44,444

Okay, make your turn.

38

00:06:44,946 --> 00:06:47,197

- Cable out, Captain.

- Make your turn. Watch the wall.

39

00:06:47,490 --> 00:06:49,825

Yeah Brock, we're at the piano.

You copy?

40

00:06:50,451 --> 00:06:51,952

Okay, copy that.

41

00:06:59,335 --> 00:07:01,545

Okay, right there. Right there.

42

00:07:01,838 --> 00:07:03,338

Okay, that's it, that's it.

That's the bedroom door.

43

00:07:03,589 --> 00:07:04,923

I see it. I see it.

44

00:07:14,016 --> 00:07:15,100

We're in!

45

00:07:15,351 --> 00:07:17,519

We're in, baby. We're there.

46

00:07:19,480 --> 00:07:20,564

That's Hockley's bed.

47

00:07:20,690 --> 00:07:22,816

That's where the
son of a bitch slept.

48

00:07:28,906 --> 00:07:31,324

Oops. Somebody left the water running.

49

00:07:31,659 --> 00:07:34,077

Hold it. Hold it just a second.

Go back to the right.

50

00:07:40,710 --> 00:07:43,003

That wardrobe door. Get closer.

51

00:07:43,421 --> 00:07:44,754

You smelling something, boss?

52

00:07:45,256 --> 00:07:48,175

- I want to see what's under it.

- Give me my hands, man.

53

00:07:54,098 --> 00:07:55,182

All right.

54

00:07:56,851 --> 00:07:58,768

- Take it easy. It might come apart.

- Okay.

55

00:08:00,771 --> 00:08:03,440

Go, go, go. Flip it over.

Flip it over. Go.

56

00:08:04,275 --> 00:08:05,317

Turn her over. Keep going.

57

00:08:05,401 --> 00:08:06,776

Go, go, go.

58

00:08:07,111 --> 00:08:08,195

Okay, drop it.

59

00:08:17,455 --> 00:08:20,540

Oh, baby, baby.

Are you seeing this, boss?

60

00:08:23,461 --> 00:08:25,462

It's payday, boys.

61

00:08:41,270 --> 00:08:42,938

Cha-ching!

62

00:08:43,814 --> 00:08:45,649

- We did it, Bobby.

- We brought it back, Baby.

63

00:08:45,983 --> 00:08:48,985

Oh, yeah! Who's the best?

Who's the best, baby?

64

00:08:49,320 --> 00:08:51,321

Say it. Say it. Say it.

65

00:08:51,656 --> 00:08:53,323

You are, Lewis.

66

00:08:55,910 --> 00:08:56,910

- Bobby, my cigar.

- Right here.

67

00:09:05,836 --> 00:09:06,836

Okay, crack her open.

68

00:09:36,951 --> 00:09:37,951

Shit.

69

00:09:40,204 --> 00:09:41,705

No diamond.

70

00:09:43,749 --> 00:09:47,460

You know boss, this same thing happened
to Geraldo and his career never recovered.

71

00:09:51,549 --> 00:09:52,882

Turn the camera off.

72

00:09:53,217 --> 00:09:55,719

Brock, the partners would like
to know how it's going.

73

00:09:57,221 --> 00:10:01,224

Hey, Dave, Barry, hi. Look, I it wasn't
in the safe. But hey, hey...

74

00:10:01,559 --> 00:10:05,061

Don't worry about it. There's still
plenty of places it could be. Hell, yes.

75

00:10:05,563 --> 00:10:07,689

The floor debris in the suite,
the mother's room...

76

00:10:07,857 --> 00:10:08,940

the purser's safe on C deck.

77

00:10:09,233 --> 00:10:10,317

Jimmy Hoffa's briefcase.

78

00:10:10,568 --> 00:10:15,405

A dozen other places. Guys, look, you're just going

to have to trust my instincts. I know we're close.

79

00:10:15,656 --> 00:10:17,991

We've just got to go through a little
process of elimination.

80

00:10:19,410 --> 00:10:21,077

Hang on a second.

81

00:10:24,248 --> 00:10:25,999

- Let me see that.

- We may have something here, guys.

82

00:10:29,754 --> 00:10:31,504

Where's the photograph
of the necklace?

83

00:10:31,589 --> 00:10:32,589

We'll call you right back.

84

00:10:44,602 --> 00:10:46,436

I'll be goddamned.

85

00:10:49,357 --> 00:10:52,859

Treasure hunter Brock Lovett

is best known for finding Spanish gold...

86

00:10:53,110 --> 00:10:54,778

It's okay. I'll feed you in a minute.

87

00:10:55,112 --> 00:11:00,116

Now he has chartered Russian subs to reach the
most famous shipwreck of all, the Titanic.

88

00:11:00,451 --> 00:11:04,287

He is with us live via satellite
from the research ship Keldysh...

89

00:11:04,538 --> 00:11:06,706

in the North Atlantic. Hello. Brock.

90

00:11:06,957 --> 00:11:10,960

Hello, Tracy. Of course, everyone knows
the familiar stories of Titanic.

91

00:11:11,212 --> 00:11:14,214

You know, the nobility of the
band playing to the very end and all that.

92

00:11:14,465 --> 00:11:18,968

But what I'm interested in are the untold stories.
The secrets locked deep inside the hull of Titanic.

93

00:11:19,220 --> 00:11:23,223

And we're out here using robot
technology to go further into the wreck...

94

00:11:23,474 --> 00:11:25,141

than anybody has ever done before.

95

00:11:25,476 --> 00:11:28,645

Your expedition is at the center
of a storm of controversy...

96

00:11:28,896 --> 00:11:32,899

over salvage rights and even ethics.
Many are calling you a graverobber.

97

00:11:33,150 --> 00:11:34,984

Well, nobody ever called the
recovery of the artifacts...

98

00:11:35,236 --> 00:11:36,236

What is it?

99

00:11:36,487 --> 00:11:38,154

Turn that up, dear.

100

00:11:38,489 --> 00:11:41,157

I have museum-trained experts
sent out here making sure...

101

00:11:41,409 --> 00:11:44,077

that these relics are preserved
and catalogued properly.

102

00:11:44,245 --> 00:11:47,080

Take a look at this drawing
that we found just today.

103

00:11:47,331 --> 00:11:50,834

A piece of paper that's been underwater
for 84 years.

104

00:11:51,168 --> 00:11:53,670

And my team are able to
preserve it intact.

105

00:11:54,171 --> 00:11:57,340

Should this have remained unseen
at the bottom of the ocean for eternity...

106

00:11:57,591 --> 00:11:59,592

when we can see and enjoy it now?

107

00:11:59,844 --> 00:12:01,678

I'll be goddamned.

108

00:12:05,099 --> 00:12:06,099

Brock!

109

00:12:06,684 --> 00:12:08,351

There's a satellite call for you.

110

00:12:08,602 --> 00:12:11,938

Bobby, we're launching. You see
these submersibles going in the water?

111

00:12:12,189 --> 00:12:14,607

Trust me, buddy.
You want to take this call.

112

00:12:15,943 --> 00:12:17,777

This better be good.

113

00:12:18,112 --> 00:12:20,780

Now, you gotta speak up.
She's kind of old.

114

00:12:21,031 --> 00:12:22,198

Great.

115

00:12:23,701 --> 00:12:26,453

This is Brock Lovett.
How can I help you, Mrs...?

116

00:12:26,704 --> 00:12:28,705

Calvert. Rose Calvert.

117

00:12:28,831 --> 00:12:29,831

Mrs. Calvert.

118

00:12:30,875 --> 00:12:33,793

I was just wondering if you had found...

119

00:12:34,044 --> 00:12:36,045

the "Heart of the

Ocean" yet, Mr. Lovett.

120

00:12:38,382 --> 00:12:40,133

Told you you wanted to take the call.

121

00:12:42,386 --> 00:12:45,388

All right, you have my

attention, Rose.

122

00:12:45,723 --> 00:12:47,974

Can you tell us who the woman

in the picture is?

123

00:12:48,392 --> 00:12:51,728

Oh, yes. The woman in the picture is me.

124

00:13:08,162 --> 00:13:12,332

She's a goddamn liar!

Some nutcase seeking money or publicity.

125

00:13:12,750 --> 00:13:16,419

God only knows why.

Like that Russian babe, Anesthesia.

126

00:13:16,754 --> 00:13:18,588

They're inbound!

127

00:13:23,594 --> 00:13:27,514

Rose DeWitt Bukater died on the
Titanic when she was 17, right?

128

00:13:28,432 --> 00:13:31,267

- That's right.

- If she had lived, she'd be over 100 by now.

129

00:13:31,602 --> 00:13:33,770

101 next month.

130

00:13:34,104 --> 00:13:36,940

Okay, so she's a very old goddamn liar.

131

00:13:37,191 --> 00:13:39,359

Look, I've already done the
background on this woman...

132

00:13:39,610 --> 00:13:43,446

all the way back to the 20s,
when she was working as an actress.

133

00:13:43,781 --> 00:13:46,616

An actress.

There's your first clue, Sherlock.

134

00:13:46,951 --> 00:13:51,246

Her name was Rose Dawson back then.
Then she marries this guy named Calvert.

135

00:13:51,455 --> 00:13:54,791

They move to Cedar Rapids
and she punches out a couple of kids.

136

00:13:55,125 --> 00:13:58,294

Now Calvert's dead and, from what
I hear, Cedar Rapids is dead.

137

00:13:58,546 --> 00:14:00,880

And everybody who knows about the
diamond is supposed to be dead...

138

00:14:01,090 --> 00:14:03,091

or on this boat, but she knows.

139

00:14:16,480 --> 00:14:19,065

Doesn't exactly travel light, does she?

140

00:14:19,441 --> 00:14:20,483

Hurry up, give him a hand.

141

00:14:21,235 --> 00:14:24,904

Mrs. Calvert, I'm Brock Lovett.

Welcome to the Keldysh.

142

00:14:27,157 --> 00:14:28,992

Okay, let's get her inside there.

143

00:14:29,493 --> 00:14:30,493

Hi, Miss Calvert.

144

00:14:31,161 --> 00:14:32,745

- Hi.

- Welcome to the Keldysh.

145

00:14:33,497 --> 00:14:34,831

Thanks.

146

00:14:36,500 --> 00:14:37,500

Hey!

147

00:14:45,676 --> 00:14:47,093

Are your staterooms all right?

148

00:14:47,177 --> 00:14:48,177

Oh, yes.

149

00:14:48,304 --> 00:14:49,345

Very nice.

150

00:14:49,597 --> 00:14:51,598

Have you met my
granddaughter, Lizzy?

151

00:14:51,724 --> 00:14:53,308

She takes care of me.

152

00:14:54,268 --> 00:14:56,311

We met just a few minutes ago.

153

00:14:56,437 --> 00:14:57,645

Remember, Nana? Up on deck?

154

00:14:57,938 --> 00:14:59,022

Oh, yes.

155

00:15:00,065 --> 00:15:01,608

There. That's nice.

156

00:15:02,276 --> 00:15:04,527

Have to have my
pictures when I travel.

157

00:15:04,695 --> 00:15:05,695

Can I get you anything?

158

00:15:05,779 --> 00:15:07,030

Is there anything you'd like?

159

00:15:08,616 --> 00:15:09,782

Yes.

160

00:15:10,284 --> 00:15:12,619

I would like to see my drawing.

161

00:15:26,467 --> 00:15:29,385

Louis XVI wore a fabulous
stone that was...

162

00:15:29,595 --> 00:15:31,179

called the Blue Diamond
of the Crown...

163

00:15:31,472 --> 00:15:34,140

which disappeared in 1792...

164

00:15:34,391 --> 00:15:38,061

about the same time old Louis lost
everything from the neck up.

165

00:15:38,646 --> 00:15:42,148

The theory goes that the
crown diamond was chopped, too.

166

00:15:42,983 --> 00:15:44,651

Recut into a heart-like shape that
became known as...

167

00:15:45,361 --> 00:15:46,861

the Heart of the Ocean.

168

00:15:47,071 --> 00:15:49,739

Today it would be worth
more than the Hope diamond.

169

00:15:49,990 --> 00:15:52,158

It was a dreadful, heavy thing.

170

00:15:52,493 --> 00:15:54,494

I only wore it this once.

171

00:15:55,245 --> 00:15:57,080

You actually think
this is you, Nana?

172

00:15:57,331 --> 00:15:59,207

It is me, dear.

173

00:15:59,458 --> 00:16:01,209

Wasn't I a dish?

174

00:16:03,253 --> 00:16:05,922

I tracked it down
through insurance records.

175

00:16:06,173 --> 00:16:09,926

An old claim that was settled
under terms of absolute secrecy.

176

00:16:11,011 --> 00:16:13,680

Can you tell me who the
claimant was, Rose?

177

00:16:14,014 --> 00:16:16,599

I should imagine someone
named Hockley.

178

00:16:17,017 --> 00:16:18,643

Nathan Hockley, that's right.

179

00:16:19,269 --> 00:16:21,104

Pittsburgh steel tycoon.

180

00:16:21,355 --> 00:16:23,731

The claim was for a
diamond necklace his son...

181

00:16:23,816 --> 00:16:25,274

Caledon, bought his fiancée.

182

00:16:25,693 --> 00:16:26,693

You.

183

00:16:27,111 --> 00:16:29,362

A week before he

sailed on Titanic.

184

00:16:30,364 --> 00:16:32,699

And it was filed right

after the sinking.

185

00:16:33,534 --> 00:16:36,619

So the diamond had to have

gone down with the ship.

186

00:16:38,038 --> 00:16:39,205

You see the date?

187

00:16:40,708 --> 00:16:42,709

April 14, 1912.

188

00:16:43,043 --> 00:16:45,878

Which means if your grandmother
is who she says she is...

189

00:16:46,130 --> 00:16:48,798

she was wearing the diamond
the day the Titanic sank.

190

00:16:49,049 --> 00:16:52,176

And that makes you
my new best friend.

191

00:16:53,053 --> 00:16:55,179

These are some of the things
we recovered from your stateroom.

192

00:16:58,726 --> 00:17:00,560

This was mine.

193

00:17:01,729 --> 00:17:03,896

How extraordinary.

194

00:17:04,565 --> 00:17:07,984

And it looks the same as it
did the last time I saw it.

195

00:17:13,741 --> 00:17:16,242

The reflection has
changed a bit.

196

00:17:32,760 --> 00:17:35,428

Are you ready to go
back to Titanic?

197

00:17:38,974 --> 00:17:40,183

Okay, here we go.

198

00:17:40,392 --> 00:17:43,478

She hits the berg on
the starboard side, right?

199

00:17:43,562 --> 00:17:44,562

She kind of bumps along...

200

00:17:44,646 --> 00:17:45,897

punching holes like

morse code...

201

00:17:46,148 --> 00:17:47,440

ditdit-dit... along the side...

202

00:17:47,524 --> 00:17:48,524

below the water line.

203

00:17:48,609 --> 00:17:52,278

Then the forward compartments
start to flood.

204

00:17:52,529 --> 00:17:53,654

Now, as the water

level rises...

205

00:17:53,781 --> 00:17:55,656

it spills over the

watertight bulkheads...

206

00:17:55,866 --> 00:17:58,534

which, unfortunately, don't go
any higher than E deck.

207

00:17:58,702 --> 00:18:00,369

So now as the bow goes down...

208

00:18:00,621 --> 00:18:03,122

the stern rises up,

slow at first...

209

00:18:03,207 --> 00:18:04,791

then faster and faster...

210

00:18:05,125 --> 00:18:07,293

until finally, she's got her whole

ass sticking up in the air.

211

00:18:08,295 --> 00:18:09,337

And that's a big ass.

212

00:18:10,172 --> 00:18:12,298

We're talking

20, 30,000 tons. Okay?

213

00:18:12,549 --> 00:18:14,634

And the hull's not designed
to deal with that pressure.

214

00:18:14,718 --> 00:18:16,427

So, what happens?

215

00:18:16,887 --> 00:18:18,596

She splits, right
down to the keel.

216

00:18:18,680 --> 00:18:19,680

And the stern...

217

00:18:20,140 --> 00:18:21,140

falls back level.

218

00:18:21,225 --> 00:18:22,225

Then...

219

00:18:22,309 --> 00:18:23,309

as the bow sinks...

220

00:18:23,393 --> 00:18:25,311

it pulls the stern vertical...

221

00:18:25,395 --> 00:18:27,563

and then finally detaches.

222

00:18:27,815 --> 00:18:31,651

Now the stern section just kind of bobs there

like a cork for a couple of minutes...

223

00:18:31,902 --> 00:18:35,071

floods, and finally goes

under about 2:20 AM...

224

00:18:35,322 --> 00:18:37,490

2 hours and 40 minutes

after the collision.

225

00:18:38,992 --> 00:18:40,326

The bow section planes away...

226

00:18:40,619 --> 00:18:43,287

landing about a
half a mile away...

227

00:18:43,622 --> 00:18:45,373

going 20, 30 knots when
it hits the ocean floor.

228

00:18:49,670 --> 00:18:51,254

Pretty cool?

229

00:18:51,505 --> 00:18:55,842

Thank you for that fine
forensic analysis, Mr. Bodine.

230

00:18:56,677 --> 00:19:00,012

Of course, the
experience of it was...

231

00:19:00,848 --> 00:19:02,515

somewhat different.

232

00:19:03,016 --> 00:19:05,017

Will you share it with us?

233

00:19:59,948 --> 00:20:00,990

I'm taking her to rest.

234

00:20:01,074 --> 00:20:02,074

No.

235

00:20:02,159 --> 00:20:03,409

Come on, Nana.

236

00:20:03,493 --> 00:20:04,827

No!

237

00:20:08,916 --> 00:20:10,583

Give me the tape recorder.

238

00:20:13,587 --> 00:20:14,754

Tell us, Rose.

239

00:20:16,757 --> 00:20:18,925

It's been 84 years...

240

00:20:19,760 --> 00:20:21,052

It's okay. Just try

to remember anything...

241

00:20:21,220 --> 00:20:22,637

anything at all.

242

00:20:23,764 --> 00:20:26,599

Do you want to hear this

or not, Mr. Lovett?

243

00:20:30,604 --> 00:20:33,606

It's been 84 years...

244

00:20:35,442 --> 00:20:38,444

and I can still smell

the fresh paint.

245

00:20:40,239 --> 00:20:43,074

The china had never been used.

246

00:20:43,784 --> 00:20:46,452

The sheets had
never been slept in.

247

00:20:48,121 --> 00:20:52,041

Titanic was called
the ship of dreams.

248

00:20:53,543 --> 00:20:54,710

And it was.

249

00:20:55,963 --> 00:20:57,672

It really was.

250

00:21:28,036 --> 00:21:29,412

All third-class passengers...

251

00:21:30,205 --> 00:21:31,622

with a forward berth...

252

00:21:31,748 --> 00:21:34,041

this way please! This queue!

253

00:21:34,584 --> 00:21:36,085

It's a big boat?

254

00:21:36,336 --> 00:21:38,296

Daddy, it's a ship.

255

00:21:38,422 --> 00:21:39,422

You're right.

256

00:22:09,453 --> 00:22:11,412

I don't see what all
the fuss is about.

257

00:22:12,039 --> 00:22:14,040

It doesn't look any bigger
than the Mauretania.

258

00:22:14,291 --> 00:22:15,958

You can be blasé
about some things, Rose...

259

00:22:16,126 --> 00:22:17,877

but not about Titanic.

260

00:22:18,128 --> 00:22:19,837

It's over 100 feet longer
than Mauretania...

261

00:22:19,921 --> 00:22:21,464

and far more luxurious.

262

00:22:22,299 --> 00:22:24,759

Your daughter is far too
difficult to impress, Ruth.

263

00:22:25,719 --> 00:22:28,012

So this is the ship they
say is unsinkable.

264

00:22:28,096 --> 00:22:29,138

It is unsinkable.

265

00:22:29,222 --> 00:22:30,639

God Himself

could not sink this ship...

266

00:22:30,724 --> 00:22:31,766

What?!

267

00:22:31,850 --> 00:22:33,351

You have to check your baggage
through the main terminal.

268

00:22:33,435 --> 00:22:34,643

It's round that way, sir.

269

00:22:35,062 --> 00:22:36,479

I put my faith in you good sir.

270

00:22:36,563 --> 00:22:37,688

Now kindly see my man.

271

00:22:37,898 --> 00:22:39,023

Yes sir. It's my pleasure, sir.

272

00:22:39,107 --> 00:22:40,149

If I can do anything at all...

273

00:22:40,233 --> 00:22:41,567

Yes, right.

274

00:22:41,902 --> 00:22:43,819

All the trunks from
that car there.

275

00:22:43,904 --> 00:22:45,946

12 from here.

276

00:22:46,239 --> 00:22:49,075

And the safe,
to the parlor suite...

277

00:22:49,159 --> 00:22:50,910

rooms B-52, 54, 56.

278

00:22:53,246 --> 00:22:54,246

Ladies...

279

00:22:54,456 --> 00:22:56,082

we better hurry.

280

00:22:56,375 --> 00:22:57,375

Come along.

281

00:23:01,880 --> 00:23:03,130

- My coat?

- I have it, miss.

282

00:23:06,385 --> 00:23:10,554

All third-class passengers
queue here for health inspection.

283

00:23:16,728 --> 00:23:19,230

- Welcome aboard, ma'am.

- Welcome to Titanic.

284

00:23:20,690 --> 00:23:22,525

It was the ship of dreams...

285

00:23:22,609 --> 00:23:23,984

to everyone else.

286

00:23:24,778 --> 00:23:27,279

To me. It was a slave ship...

287

00:23:27,614 --> 00:23:30,783

taking me back to

America in chains.

288

00:23:31,785 --> 00:23:35,788

Outwardly, I was everything

a well brought up girl should be.

289

00:23:36,123 --> 00:23:38,624

Inside, I was screaming.

290

00:23:55,142 --> 00:23:56,392

Jack, you are pazzo.

291

00:23:56,476 --> 00:23:58,310

You bet everything we have.

292

00:23:59,396 --> 00:24:01,647

When you got nothing,
you got nothing to lose.

293

00:24:09,072 --> 00:24:10,114

Sven?

294

00:24:31,845 --> 00:24:34,180

All right, moment of truth.

295

00:24:34,514 --> 00:24:36,682

Someone's life is
about to change.

296

00:24:36,892 --> 00:24:38,058

Fabrizio?

297

00:24:40,395 --> 00:24:42,521

Niente.

298

00:24:43,690 --> 00:24:44,690

Olaf?

299

00:24:45,692 --> 00:24:46,859

Nothing.

300

00:24:47,194 --> 00:24:48,360

Sven?

301

00:24:51,198 --> 00:24:53,866

2 pair.

302

00:24:54,701 --> 00:24:56,118

I'm sorry, Fabrizio.

303

00:24:58,288 --> 00:24:59,330

I'm sorry...

304

00:24:59,498 --> 00:25:00,664

you're not gonna see

your mom again for a...

305

00:25:01,124 --> 00:25:02,708

Long time...

306

00:25:02,792 --> 00:25:04,460

'cause we're going to America.

307

00:25:04,753 --> 00:25:05,836

Full house, boys!

308

00:25:20,060 --> 00:25:21,227

Come on.

309

00:25:22,145 --> 00:25:23,729

I'm going home!

310

00:25:26,525 --> 00:25:28,150

I'm going home.

311

00:25:28,276 --> 00:25:29,610

I go to America!

312

00:25:29,903 --> 00:25:31,237

No, mate.

313

00:25:31,571 --> 00:25:33,489

Titanic go to America,

314

00:25:33,573 --> 00:25:35,074

in 5 minutes.

315

00:25:35,575 --> 00:25:36,617

Shit. Fabri. Come on.

316

00:25:36,701 --> 00:25:37,743

Come on, here. Here.

317

00:25:40,163 --> 00:25:41,956

We're riding in high style now!

318

00:25:42,749 --> 00:25:44,500

We're a couple of
regular swells.

319

00:25:44,668 --> 00:25:46,293

We're practically
goddamn royalty...

320

00:25:46,378 --> 00:25:47,378

ragazzo mio.

321

00:25:47,587 --> 00:25:49,588

You see? Is my destino.

322

00:25:50,048 --> 00:25:51,131

Like I told you...

323

00:25:51,216 --> 00:25:52,967

I go to America to

be millionaire.

324

00:25:56,263 --> 00:25:57,346

You are pazzo.

325

00:25:57,514 --> 00:25:59,181

Maybe, but I've

got the tickets.

326

00:26:01,017 --> 00:26:02,518

Come on, I thought

you were fast.

327

00:26:02,602 --> 00:26:03,602

Aspetta!

328

00:26:04,187 --> 00:26:05,604

Wait! Wait!

329

00:26:05,689 --> 00:26:06,689

Hey, wait!

330

00:26:07,232 --> 00:26:08,232

We're passengers!

331

00:26:11,111 --> 00:26:12,403

Have you been through
the inspection queue?

332

00:26:12,487 --> 00:26:13,487

Of course.

333

00:26:13,572 --> 00:26:15,030

Anyway, we don't have any lice.

334

00:26:15,156 --> 00:26:17,032

We're Americans. Both of us.

335

00:26:17,117 --> 00:26:18,117

Right.

336

00:26:18,201 --> 00:26:19,201

Come aboard.

337

00:26:23,456 --> 00:26:25,124

We're the luckiest sons
of bitches in the world.

338

00:26:25,166 --> 00:26:26,166

You know that?

339

00:26:35,302 --> 00:26:36,385

Good-bye!

340

00:26:40,432 --> 00:26:41,473

You know somebody?

341

00:26:41,558 --> 00:26:43,058

Of course not.

That's not the point.

342

00:26:43,310 --> 00:26:44,643

Good-bye! I'll miss you!

343

00:26:44,978 --> 00:26:46,103

Good-bye!

344

00:26:46,563 --> 00:26:48,272

I will never forget you!

345

00:27:36,529 --> 00:27:38,489

Come with me,
darling. Let's go.

346

00:27:41,034 --> 00:27:42,368

G-60.

347

00:27:43,370 --> 00:27:45,037

G-60. G-60.

348

00:27:45,372 --> 00:27:46,455

Excuse me, ma'am.

349

00:27:47,374 --> 00:27:48,707

G-60.

350

00:27:50,043 --> 00:27:51,710

Oh, right here.

351

00:27:52,212 --> 00:27:53,295

Hey, how you doing?

352

00:27:53,505 --> 00:27:55,422

Jack. Nice to meet you.

353

00:27:55,715 --> 00:27:57,216

Jack Dawson. Nice to meet you.

354

00:27:57,676 --> 00:27:58,676

How you doing?

355

00:27:59,386 --> 00:28:01,720

Who says you get top bunk?

356

00:28:07,352 --> 00:28:09,478

This is your private
promenade deck, sir.

357

00:28:09,604 --> 00:28:11,855

Will you be requiring anything?

358

00:28:12,065 --> 00:28:13,399

Excuse me.

359

00:28:13,817 --> 00:28:15,484

- This one?

- No.

360

00:28:15,735 --> 00:28:17,986

It had a lot of faces on it.

361

00:28:18,405 --> 00:28:19,905

This is the one.

362

00:28:21,574 --> 00:28:23,409

Would you like all of
them out, miss?

363

00:28:23,743 --> 00:28:26,912

Yes. We need a little
color in this room.

364

00:28:30,542 --> 00:28:31,959

Put in there. In the wardrobe.

365

00:28:32,919 --> 00:28:35,170

God, not those finger
paintings again.

366

00:28:35,422 --> 00:28:36,839

They certainly were a
waste of money.

367

00:28:37,090 --> 00:28:38,924

The difference between

Cal's taste in art...

368

00:28:39,008 --> 00:28:40,592

and mine is that I have some.

369

00:28:40,677 --> 00:28:41,677

They're fascinating.

370

00:28:42,762 --> 00:28:45,180

Like being inside a dream

or something.

371

00:28:45,432 --> 00:28:46,765

There's truth but no logic.

372

00:28:47,016 --> 00:28:49,852

- What's the artist's name?

- Something Picasso.

373

00:28:50,103 --> 00:28:51,311

Something Picasso.

374

00:28:51,396 --> 00:28:53,147

He won't amount to a thing.

375

00:28:53,231 --> 00:28:54,481

He won't, trust me.

376

00:28:54,774 --> 00:28:57,025

- Let's put the Degas in the bedroom.

- At least they were cheap.

377

00:28:57,777 --> 00:28:59,611

Put it in the wardrobe.

378

00:29:05,118 --> 00:29:09,455

At Cherbourg, a woman came aboard
named Margaret Brown.

379

00:29:09,789 --> 00:29:11,457

We all called her Molly.

380

00:29:11,791 --> 00:29:14,960

History would call her
the Unsinkable Molly Brown.

381

00:29:15,295 --> 00:29:17,421

Well, I wasn't about to
wait all day for you, sonny.

382

00:29:17,547 --> 00:29:19,673

Here, if you think
you can manage.

383

00:29:20,300 --> 00:29:23,302

Her husband had struck gold
someplace out west.

384

00:29:23,636 --> 00:29:26,430

And she was what Mother
called "new money."

385

00:29:27,640 --> 00:29:28,932

By the next afternoon...

386

00:29:29,017 --> 00:29:31,727

we were steaming west
from the coast of Ireland...

387

00:29:32,604 --> 00:29:36,106

with nothing out ahead
of us but ocean.

388

00:29:42,322 --> 00:29:44,490

Take her to sea, Mr. Murdoch.

389

00:29:45,408 --> 00:29:46,617

Let's stretch her legs.

390

00:29:47,076 --> 00:29:48,076

Yes sir.

391

00:29:50,330 --> 00:29:51,371

All ahead full, Mr. Moody.

392

00:29:52,123 --> 00:29:53,165

Very good, sir.

393

00:29:58,630 --> 00:29:59,755

All ahead full.

394

00:30:00,465 --> 00:30:01,882

All ahead full!

395

00:30:02,717 --> 00:30:03,926

Come on lads, step lively!

396

00:30:22,445 --> 00:30:24,571

All right! Let's stoke

her right up!

397

00:30:24,781 --> 00:30:25,989

We go full ahead!

398

00:30:26,324 --> 00:30:28,325

Come on, put your

backs into it!

399

00:31:23,089 --> 00:31:24,923

21 knots, sir.

400

00:31:33,850 --> 00:31:34,850

Hey, look, look, look!

401

00:31:38,104 --> 00:31:39,438

See it?

402

00:31:42,775 --> 00:31:44,776

There's another one! See him?

403

00:31:55,163 --> 00:31:56,955

Look at that one!

Look at him jump!

404

00:32:23,566 --> 00:32:25,817

I can see the Statue

of Liberty already.

405

00:32:26,152 --> 00:32:27,569

Very small, of course.

406

00:32:31,157 --> 00:32:33,992

I'm the king of the world!

407

00:33:20,039 --> 00:33:23,041

She is the largest moving object
ever made by the hand of man...

408

00:33:23,292 --> 00:33:25,293

in all history.

409

00:33:25,628 --> 00:33:27,754

And our master shipbuilder,
Mr. Andrews here...

410

00:33:27,839 --> 00:33:29,715

designed her from the
keel plates up.

411

00:33:29,966 --> 00:33:31,925

I may have knocked
her together, but...

412

00:33:32,093 --> 00:33:34,177

the idea was Mr. Ismay's.

413

00:33:34,637 --> 00:33:37,014

He envisioned a steamer
so grand in scale...

414

00:33:37,098 --> 00:33:38,140

and so luxurious in...

415

00:33:38,224 --> 00:33:39,266

its appointments...

416

00:33:39,350 --> 00:33:41,476

that its supremacy
would never be challenged.

417

00:33:41,644 --> 00:33:43,145

And here she is.

418

00:33:43,396 --> 00:33:46,690

- Willed into solid reality.

- Hear, hear.

419

00:33:47,859 --> 00:33:49,401

I'll have the salmon.

420

00:33:52,405 --> 00:33:54,906

You know I don't
like that, Rose.

421

00:33:58,411 --> 00:33:59,745

She knows.

422

00:34:02,582 --> 00:34:04,082

We'll both have the lamb.

423

00:34:04,167 --> 00:34:06,334

Rare, with very
little mint sauce.

424

00:34:07,420 --> 00:34:09,004

You like lamb, right sweet pea?

425

00:34:11,674 --> 00:34:13,842

You gonna cut her meat
for her too there, Cal?

426

00:34:16,429 --> 00:34:19,264

Hey, who thought of
the name Titanic?

427

00:34:20,099 --> 00:34:21,099

Was it you, Bruce?

428

00:34:21,267 --> 00:34:22,601

Yes, actually.

429

00:34:23,436 --> 00:34:27,606

I wanted to convey sheer size.

And size means stability...

430

00:34:28,107 --> 00:34:31,109

luxury, and above

all, strength.

431

00:34:31,944 --> 00:34:34,446

Do you know of

Dr. Freud, Mr. Ismay?

432

00:34:34,697 --> 00:34:39,034

His ideas about the male preoccupation with

size might be of particular interest to you.

433

00:34:40,453 --> 00:34:41,787

What's gotten into you?

434

00:34:42,038 --> 00:34:43,371

Excuse me.

435

00:34:47,960 --> 00:34:49,294

I do apologize.

436

00:34:49,545 --> 00:34:51,588

She's a pistol, Cal.

Hope you can handle her.

437

00:34:52,465 --> 00:34:56,218

Well, I may have to start minding what she
reads from now on, won't I, Mrs. Brown?

438

00:34:56,636 --> 00:34:59,387

Freud? Who is he?

Is he a passenger?

439

00:35:11,692 --> 00:35:13,527

The ship is nice?

440

00:35:14,529 --> 00:35:15,529

Yeah. It's an Irish ship.

441

00:35:15,655 --> 00:35:16,655

Is English, no?

442

00:35:16,781 --> 00:35:17,781

No, it was built in Ireland.

443

00:35:17,865 --> 00:35:19,699

15,000 Irishmen

built this ship.

444

00:35:19,867 --> 00:35:22,536

Solid as a rock.

Big Irish hands.

445

00:35:23,204 --> 00:35:24,204

That's typical.

446

00:35:24,330 --> 00:35:27,374

First-class dogs

come down here to take a shite.

447

00:35:28,126 --> 00:35:30,168

Lets us know where we rank

in the scheme of things.

448

00:35:30,378 --> 00:35:32,045

Like we could forget?

449

00:35:33,714 --> 00:35:34,881

I'm Tommy Ryan.

450

00:35:35,174 --> 00:35:37,217

- Jack Dawson.

- Fabrizio.

451

00:35:39,303 --> 00:35:40,846

Do you make any money

with your drawings?

452

00:35:51,899 --> 00:35:53,567

Forget it, boyo.

453

00:35:53,651 --> 00:35:55,902

You'd as like have angels fly out of
your arse as get next to...

454

00:35:56,070 --> 00:35:57,571

the likes of her.

455

00:36:20,928 --> 00:36:24,931

I saw my whole life
as if I'd already lived it.

456

00:36:25,266 --> 00:36:28,768

An endless parade
of parties and cotillions...

457

00:36:29,103 --> 00:36:31,104

yachts and polo matches.

458

00:36:31,772 --> 00:36:36,443

Always the same narrow people,
the same mindless chatter.

459

00:36:36,944 --> 00:36:40,780

I felt like I was standing
at a great precipice...

460

00:36:41,449 --> 00:36:45,619

with no one to pull me back.
No one who cared...

461

00:36:45,953 --> 00:36:48,121

or even noticed.

462

00:38:38,691 --> 00:38:39,691

Don't do it.

463

00:38:40,735 --> 00:38:42,068

Stay back.

464

00:38:43,070 --> 00:38:44,070

Don't come any closer.

465

00:38:45,823 --> 00:38:46,865

Come on.

466

00:38:46,907 --> 00:38:48,325

Just give me your hand.

I'll pull you back over.

467

00:38:48,534 --> 00:38:49,743

No! Stay where you are.

468

00:38:51,078 --> 00:38:52,078

I mean it.

469

00:38:52,747 --> 00:38:54,414

I'll let go.

470

00:39:05,426 --> 00:39:06,926

No, you won't.

471

00:39:08,429 --> 00:39:10,263

What do you mean, no I won't?

472

00:39:10,556 --> 00:39:13,224

Don't presume to tell me
what I will and will not do.

473

00:39:13,351 --> 00:39:14,434

You don't know me.

474

00:39:14,602 --> 00:39:16,770

Well, you would have done it already.

475

00:39:17,438 --> 00:39:19,606

You're distracting me. Go away.

476

00:39:19,940 --> 00:39:21,107

I can't.

477

00:39:21,275 --> 00:39:22,525

I'm involved now.

478

00:39:23,444 --> 00:39:26,780

You let go, and I'm going to have
to jump in there after you.

479

00:39:28,616 --> 00:39:30,116

Don't be absurd.

480

00:39:30,451 --> 00:39:32,619

- You'll be killed.

- I'm a good swimmer.

481

00:39:32,953 --> 00:39:34,788

The fall alone will kill you.

482

00:39:35,122 --> 00:39:38,291

It would hurt. I'm not

saying it wouldn't.

483

00:39:38,959 --> 00:39:40,085

Tell you the truth...

484

00:39:40,586 --> 00:39:43,213

I'm a lot more concerned

about that water being so cold.

485

00:39:50,304 --> 00:39:51,596

How cold?

486

00:39:51,972 --> 00:39:55,141

Freezing.

Maybe a couple degrees over.

487

00:39:59,647 --> 00:40:00,647

You ever...

488

00:40:00,981 --> 00:40:02,732

ever been to Wisconsin?

489

00:40:05,986 --> 00:40:07,153

What?

490

00:40:07,446 --> 00:40:09,656

Well, they have some of
the coldest winters around.

491

00:40:10,157 --> 00:40:12,826

I grew up there,
near Chippewa Falls.

492

00:40:13,160 --> 00:40:16,830

I remember when I was a kid,
me and my father, we went ice fishing...

493

00:40:17,164 --> 00:40:18,998

out on Lake Wissota.

494

00:40:19,583 --> 00:40:20,834

Ice fishing is, you know, where you...

495

00:40:21,168 --> 00:40:22,752

I know what ice fishing is!

496

00:40:24,004 --> 00:40:25,171

Sorry.

497

00:40:26,340 --> 00:40:30,009

You just seem like, you know,
kind of an indoor girl.

498

00:40:32,012 --> 00:40:33,346

Anyway, I...

499

00:40:34,682 --> 00:40:36,349

fell through some thin ice.

500

00:40:36,851 --> 00:40:38,184

And I'm telling you...

501

00:40:39,854 --> 00:40:41,187

water that cold,

502

00:40:41,313 --> 00:40:43,189

like right down there...

503

00:40:43,983 --> 00:40:47,318

it hits you like 1000 knives

stabbing you all over your body.

504

00:40:48,821 --> 00:40:50,155

You can't breathe.

505

00:40:51,198 --> 00:40:55,660

You can't think. Least not about
anything but the pain.

506

00:40:58,706 --> 00:41:01,958

Which is why I'm not looking
forward to jumping in there after you.

507

00:41:03,043 --> 00:41:04,043

Like I said...

508

00:41:05,880 --> 00:41:07,547

I don't have a choice.

509

00:41:11,719 --> 00:41:14,554

I guess I'm kind of hoping you'll
come back over the rail and...

510

00:41:14,638 --> 00:41:16,055

and get me off the hook here.

511

00:41:16,891 --> 00:41:18,224

You're crazy.

512

00:41:19,560 --> 00:41:21,728

That's what everybody says but...

513

00:41:23,230 --> 00:41:24,898

with all due respect, miss...

514

00:41:24,982 --> 00:41:27,734

I'm not the one hanging off
the back of a ship here.

515

00:41:28,569 --> 00:41:29,903

Come on.

516

00:41:30,571 --> 00:41:32,238

Come on, give me your hand.

517

00:41:33,157 --> 00:41:34,407

You don't want to do this.

518

00:41:50,424 --> 00:41:51,925

I'm Jack Dawson.

519

00:41:53,427 --> 00:41:55,094

Rose DeWitt Bukater.

520

00:41:55,387 --> 00:41:57,096

I'll have to get you to

write that one down.

521

00:41:59,600 --> 00:42:00,767

Come on.

522

00:42:06,065 --> 00:42:07,065

I got you.

523

00:42:07,566 --> 00:42:10,276

Come on.

524

00:42:14,740 --> 00:42:16,074

Help, please!

525

00:42:16,367 --> 00:42:17,951

Help!

526

00:42:19,411 --> 00:42:20,453

- Please, help me!

- Listen. Listen to me.

527

00:42:20,579 --> 00:42:22,121

Listen. Listen to me.

528

00:42:22,289 --> 00:42:23,957

I've got you. I won't let go.

529

00:42:24,250 --> 00:42:26,251

Now pull yourself up. Come on!

530

00:42:29,296 --> 00:42:30,296

Come on.

531

00:42:30,548 --> 00:42:31,589

That's right.

532

00:42:32,132 --> 00:42:33,216

You can do it.

533

00:42:38,138 --> 00:42:39,472

I got you.

534

00:42:45,145 --> 00:42:46,646

What's all this?

535

00:42:52,486 --> 00:42:53,653

You stand back and...

536

00:42:53,988 --> 00:42:55,405

don't move an inch!

537

00:42:57,741 --> 00:42:58,866

Fetch the Master at Arms.

538

00:43:01,495 --> 00:43:03,079

This is completely unacceptable!

539

00:43:03,163 --> 00:43:05,999

What made you think that you could
put your hands on my fiancée?!

540

00:43:07,668 --> 00:43:08,835

Look at me, you filth!

541

00:43:09,169 --> 00:43:10,169

Cal.

542

00:43:10,337 --> 00:43:11,462

What do you think

you were doing?

543

00:43:11,672 --> 00:43:14,173

Cal, stop. It was an accident.

544

00:43:14,842 --> 00:43:16,509

An accident?

545

00:43:16,844 --> 00:43:18,177

It was.

546

00:43:19,179 --> 00:43:20,346

Stupid, really.

547

00:43:21,181 --> 00:43:23,683

I was leaning over and I slipped.

548

00:43:26,186 --> 00:43:29,689

I was leaning far over

to see the...

549

00:43:30,024 --> 00:43:32,358

The...

550

00:43:33,193 --> 00:43:35,528

- Propellers?

- Propellers, and I slipped.

551

00:43:35,863 --> 00:43:38,531

And I would have gone

overboard but Mr. Dawson here...

552

00:43:38,866 --> 00:43:42,035

saved me. And almost

went over himself.

553

00:43:42,953 --> 00:43:44,037

You wanted to see the...

She wanted to see the propellers.

554

00:43:44,371 --> 00:43:47,540

Like I said, women and
machinery do not mix.

555

00:43:48,375 --> 00:43:50,376

Was that the way of it?

556

00:43:52,880 --> 00:43:54,881

Yeah. Yeah, that
was pretty much it.

557

00:43:55,215 --> 00:43:56,716

Well, the boy's a hero then.

558

00:43:57,384 --> 00:43:58,635

Good for you, son. Well done.

559

00:43:58,886 --> 00:44:00,887

So, it's all's well and back

to our brandy, eh?

560

00:44:03,557 --> 00:44:06,893

Look at you. You must be freezing.

Let's get you inside.

561

00:44:07,561 --> 00:44:09,896

Perhaps a little something

for the boy?

562

00:44:12,066 --> 00:44:13,399

Of course.

563

00:44:13,692 --> 00:44:17,236

Mr. Lovejoy,

I think a 20 should do it.

564

00:44:17,905 --> 00:44:20,573

Is that the going rate

for saving the woman you love?

565

00:44:22,242 --> 00:44:24,077

Rose is displeased.

566

00:44:24,578 --> 00:44:26,245

What to do?

567

00:44:26,705 --> 00:44:27,705

I know.

568

00:44:29,917 --> 00:44:33,586

Perhaps you could join us for
dinner tomorrow evening...

569

00:44:33,921 --> 00:44:35,421

to regale our group...

570

00:44:35,756 --> 00:44:37,924

with your heroic tale.

571

00:44:40,260 --> 00:44:42,428

Sure. Count me in.

572

00:44:42,763 --> 00:44:45,098

Good. It's settled then.

573

00:44:46,100 --> 00:44:47,433

This should be interesting.

574

00:44:56,777 --> 00:44:59,445

Can I bum a smoke?

575

00:45:08,288 --> 00:45:09,455

You'll want to tie those.

576

00:45:12,126 --> 00:45:13,209

It's interesting...

577

00:45:13,794 --> 00:45:15,545

the young lady slipped

so suddenly...

578

00:45:15,754 --> 00:45:19,132

and you still had time to remove
your jacket and your shoes.

579

00:45:35,315 --> 00:45:37,316

I know you've been melancholy.

580

00:45:38,318 --> 00:45:40,319

I don't pretend to know why.

581

00:45:42,990 --> 00:45:45,158

I intended to save this...

582

00:45:45,659 --> 00:45:50,329

until the engagement

gala next week...

583

00:45:51,665 --> 00:45:54,000

but, I thought...

584

00:45:54,334 --> 00:45:55,668

tonight.

585

00:45:57,129 --> 00:45:58,337

Good gracious.

586

00:45:59,256 --> 00:46:02,008

Perhaps as a reminder
of my feelings for you.

587

00:46:02,843 --> 00:46:04,135

- Is it a...

- Diamond. Yes.

588

00:46:06,680 --> 00:46:09,849

56 carats to be exact.

589

00:46:11,852 --> 00:46:14,187

It was worn by Louis XVI.

590

00:46:15,022 --> 00:46:17,356

And they called

it Le Coeur de la Mer.

591

00:46:17,858 --> 00:46:19,692

- The Heart of the Ocean.

- The Heart of the Ocean. Yes.

592

00:46:26,200 --> 00:46:27,867

It's overwhelming.

593

00:46:28,327 --> 00:46:29,994

Well, it's for royalty.

594

00:46:31,205 --> 00:46:33,372

We are royalty, Rose.

595

00:46:37,377 --> 00:46:39,712

You know, there's

nothing I couldn't give you.

596

00:46:40,547 --> 00:46:42,548

There's nothing I'd deny you...

597

00:46:43,217 --> 00:46:45,384

if you would not deny me.

598

00:46:49,556 --> 00:46:51,891

Open your heart to me, Rose.

599

00:47:07,407 --> 00:47:11,285

Well, I've been on my own since

I was 15, since my folks died.

600

00:47:12,412 --> 00:47:16,415

And I had no brothers or sisters or
close kin in that part of the country...

601

00:47:16,875 --> 00:47:20,211

so I lit on out of there and I
haven't been back since.

602

00:47:20,420 --> 00:47:22,588

You could just call me a
tumbleweed blowing in the wind.

603

00:47:25,092 --> 00:47:29,262

Well, Rose, we've walked about a mile
around this boat deck and...

604

00:47:29,555 --> 00:47:32,557

chewed over how great the weather's
been and how I grew up...

605

00:47:32,766 --> 00:47:36,435

but I reckon that's not why
you came to talk to me, is it?

606

00:47:38,438 --> 00:47:40,439

- Mr. Dawson, I...

- Jack.

607

00:47:41,859 --> 00:47:42,859

Jack.

608

00:47:43,277 --> 00:47:46,529

I want to thank you
for what you did.

609

00:47:46,613 --> 00:47:51,284

Not just for pulling me back,
but for your discretion.

610

00:47:51,618 --> 00:47:52,952

You're welcome.

611

00:47:53,453 --> 00:47:54,453

Look.

612

00:47:55,539 --> 00:47:58,207

I know what you
must be thinking.

613

00:47:58,458 --> 00:48:00,084

Poor little rich girl.

614

00:48:00,252 --> 00:48:02,378

What does she know about misery?

615

00:48:02,629 --> 00:48:03,629

No.

616

00:48:04,631 --> 00:48:06,799

No, that's not what I was thinking.

617

00:48:07,134 --> 00:48:08,384

What I was thinking was...

618

00:48:08,552 --> 00:48:11,971

what could have happened to this girl

to make her think she had no way out?

619

00:48:14,641 --> 00:48:15,641

Well I...

620

00:48:16,393 --> 00:48:20,438

It was everything.

It was my whole world and...

621

00:48:20,647 --> 00:48:21,731

all the people in it.

622

00:48:22,399 --> 00:48:25,568

And the inertia of my life,

plunging ahead and me...

623

00:48:25,777 --> 00:48:27,612

powerless to stop it.

624

00:48:27,821 --> 00:48:29,822

God, look at that thing.

625

00:48:30,115 --> 00:48:32,283

You would have gone
straight to the bottom.

626

00:48:33,994 --> 00:48:36,495

500 invitations have gone out.

627

00:48:36,830 --> 00:48:39,498

All of Philadelphia society will be there.

628

00:48:39,791 --> 00:48:41,792

And all the while I feel I'm...

629

00:48:42,169 --> 00:48:44,086

standing in the middle
of a crowded room...

630

00:48:44,171 --> 00:48:45,838

screaming at the
top of my lungs...

631

00:48:45,964 --> 00:48:47,173

and no one even looks up.

632

00:48:49,009 --> 00:48:50,009

Do you love him?

633

00:48:51,345 --> 00:48:52,345

Pardon me?

634

00:48:52,679 --> 00:48:54,138

Do you love him?

635

00:48:54,681 --> 00:48:57,683

You're being very rude. You
shouldn't be asking me this.

636

00:48:58,143 --> 00:49:00,686

Well, it's a simple question.

Do you love the guy or not?

637

00:49:03,148 --> 00:49:05,191

This is not a suitable conversation.

638

00:49:05,484 --> 00:49:06,692

Why can't you just
answer the question?

639

00:49:09,363 --> 00:49:11,322

This is absurd.

640

00:49:11,949 --> 00:49:13,032

You don't know me
and I don't know you...

641

00:49:13,325 --> 00:49:16,327

and we are not having this
conversation at all. You are rude...

642

00:49:16,536 --> 00:49:19,872

and uncouth and presumptuous
and I am leaving now...

643

00:49:20,207 --> 00:49:23,042

Jack. Mr. Dawson.
It's been a pleasure.

644

00:49:23,210 --> 00:49:24,961

I sought you out to thank you
and now I have thanked you.

645

00:49:25,170 --> 00:49:27,171

And you've insulted me.

646

00:49:27,381 --> 00:49:29,006

Well, you deserved it.

647

00:49:29,216 --> 00:49:30,383

- Right.

- Right.

648

00:49:33,387 --> 00:49:35,012

I thought you were leaving.

649

00:49:35,222 --> 00:49:36,555

I am.

650

00:49:38,725 --> 00:49:40,059

You are so annoying.

651

00:49:41,561 --> 00:49:42,561

Wait.

652

00:49:42,813 --> 00:49:47,066

I don't have to leave. This is
my part of the ship. You leave.

653

00:49:47,401 --> 00:49:50,403

Well, well, well.

Now who's being rude?

654

00:49:54,241 --> 00:49:57,076

What is this stupid thing
you're carrying around?

655

00:49:58,245 --> 00:50:00,579

So, what are you,
an artist or something?

656

00:50:04,751 --> 00:50:06,585

These are rather good.

657

00:50:09,923 --> 00:50:13,092

They're very good, actually.

658

00:50:20,434 --> 00:50:22,101

Jack, this is exquisite work.

659

00:50:22,436 --> 00:50:25,104

They didn't think too
much of them in old Patee.

660

00:50:25,272 --> 00:50:26,605

Paris?

661

00:50:27,899 --> 00:50:30,568

You do get around for a p...

662

00:50:32,279 --> 00:50:36,073

Well, a... a
person of limited means.

663

00:50:36,283 --> 00:50:38,284

Go on. A poor guy. You can say it.

664

00:50:41,621 --> 00:50:43,289

Well, well, well.

665

00:50:47,627 --> 00:50:49,253

And these were drawn from life?

666

00:50:52,799 --> 00:50:54,800

Well, that's one of the
good things about Paris.

667

00:50:55,302 --> 00:50:56,719

Lots of girls are willing
to take their clothes off.

668

00:51:03,268 --> 00:51:04,643

You liked this woman.

669

00:51:05,479 --> 00:51:07,646

You used her several times.

670

00:51:08,815 --> 00:51:09,815

Well.

671

00:51:10,567 --> 00:51:12,485

She had beautiful
hands, you see?

672

00:51:14,988 --> 00:51:17,323

I think you must have
had a love affair with her.

673

00:51:17,824 --> 00:51:19,825

No, no, no.
Just with her hands.

674

00:51:20,160 --> 00:51:22,828

She was a
one-legged prostitute.

675

00:51:23,955 --> 00:51:24,955

See?

676

00:51:31,505 --> 00:51:33,506

She had a good
sense of humor though.

677

00:51:36,009 --> 00:51:37,009

Oh, and this lady...

678

00:51:38,845 --> 00:51:41,847

She used to sit at this bar every night...

679

00:51:42,015 --> 00:51:43,682

wearing every piece
of jewelry she owned...

680

00:51:43,934 --> 00:51:46,268

just waiting for
her long, lost love.

681

00:51:47,020 --> 00:51:49,355

We called her Madame Bijoux.

682

00:51:49,856 --> 00:51:51,690

See, her clothes are all moth-eaten.

683

00:51:53,360 --> 00:51:56,195

Well, you have a gift, Jack.

684

00:51:56,530 --> 00:51:57,863

You do.

685

00:51:58,198 --> 00:51:59,698

You see people.

686

00:51:59,991 --> 00:52:01,534

I see you.

687

00:52:03,954 --> 00:52:05,287

And?

688

00:52:06,665 --> 00:52:08,374

You wouldn't have jumped.

689

00:52:12,712 --> 00:52:16,340

But the purpose of university
is to find a suitable husband.

690

00:52:16,550 --> 00:52:18,217

Rose has already done that.

691

00:52:18,552 --> 00:52:21,387

Look, here comes that
vulgar Brown woman.

692

00:52:21,721 --> 00:52:24,390

Quickly, get up before
she sits with us.

693

00:52:25,392 --> 00:52:28,018

Hello, girls. I was hoping
I'd catch you at tea.

694

00:52:28,228 --> 00:52:29,728

We're awfully sorry,
you missed it.

695

00:52:29,896 --> 00:52:33,315

The Countess and I were just
off to take the air on the boat deck.

696

00:52:33,525 --> 00:52:36,569

What a lovely idea.

I need to catch up on my gossip.

697

00:52:40,073 --> 00:52:41,240

Countess.

698

00:52:42,742 --> 00:52:45,578

So, you've not yet lit the
last four boilers?

699

00:52:46,079 --> 00:52:47,538

No, I don't see the need.

700

00:52:48,373 --> 00:52:49,415

We are making excellent time.

701

00:52:50,917 --> 00:52:55,254

The press knows the size of Titanic.
Now, I want them to marvel at her speed.

702

00:52:55,547 --> 00:52:57,756

We must give them
something new to print.

703

00:52:59,759 --> 00:53:01,760

This maiden voyage
of Titanic must...

704

00:53:02,262 --> 00:53:03,846

make headlines.

705

00:53:04,097 --> 00:53:08,100

Mr. Ismay, I would prefer
not to push the engines...

706

00:53:08,435 --> 00:53:10,936

until they've been properly run in.

707

00:53:12,272 --> 00:53:13,564

Of course I'm just a passenger.

708

00:53:13,607 --> 00:53:16,025

I leave it to your good offices
to decide what's best.

709

00:53:16,610 --> 00:53:19,278

But what a glorious end
to your final crossing...

710

00:53:19,446 --> 00:53:21,030

if we were to get into New York
on Tuesday night...

711

00:53:21,239 --> 00:53:23,782

and surprise them all.
Make the morning papers.

712

00:53:24,576 --> 00:53:26,577

Retire with a bang, eh, E. J?

713

00:53:30,290 --> 00:53:31,624

Good man.

714

00:53:33,043 --> 00:53:35,544

After that, I worked
on a squid boat in Monterey...

715

00:53:35,962 --> 00:53:38,464

then I went to Los Angeles to the...

716

00:53:38,715 --> 00:53:41,884

Santa Monica pier

and did portraits for 10 cents each.

717

00:53:42,636 --> 00:53:44,470

Why can't I be like you?

718

00:53:44,804 --> 00:53:48,307

Just head out for the horizon

whenever I feel like it.

719

00:53:50,310 --> 00:53:53,062

Say we'll go there

sometime, to that pier...

720

00:53:53,313 --> 00:53:55,481

only if we just talk about it.

721

00:53:55,815 --> 00:53:58,651

No, we'll do it. We'll drink cheap beer.

722

00:53:58,985 --> 00:54:01,654

Ride on the roller coaster
till we throw up.

723

00:54:01,988 --> 00:54:05,157

We'll ride horses on the
beach, in the surf.

724

00:54:05,492 --> 00:54:09,495

But you have to do it like a real cowboy.
No sidesaddle stuff.

725

00:54:09,996 --> 00:54:12,665

You mean with one leg on each side?

726

00:54:14,000 --> 00:54:15,000

Can you show me?

727

00:54:15,252 --> 00:54:17,086

Sure, if you like.

728

00:54:18,672 --> 00:54:20,339

Teach me to ride like a man.

729

00:54:20,590 --> 00:54:21,924

Chew tobacco like a man.

730

00:54:23,510 --> 00:54:25,678

And spit like a man.

731

00:54:26,012 --> 00:54:27,763

You didn't learn in finishing school?

732

00:54:28,014 --> 00:54:29,181

No.

733

00:54:29,516 --> 00:54:31,350

Come on, I'll show you.

734

00:54:32,352 --> 00:54:33,352

I'll show you how.

735

00:54:33,603 --> 00:54:36,522

Jack! No, Jack, no. Wait.

736

00:54:37,857 --> 00:54:39,858

I couldn't possibly, Jack.

737

00:54:40,193 --> 00:54:41,860

Watch closely.

738

00:54:43,530 --> 00:54:45,364

That's disgusting.

739

00:54:45,532 --> 00:54:46,532

Your turn.

740

00:54:48,868 --> 00:54:51,870

That was pitiful.

You really have to hawk it back.

741

00:54:52,205 --> 00:54:55,207

Get some leverage.

Use your arms. Arc your neck.

742

00:54:56,543 --> 00:54:58,544

You see the range on that thing?

743

00:54:59,379 --> 00:55:00,546

Okay, go.

744

00:55:04,050 --> 00:55:09,054

That was better. You have to work on it.

Really try to hawk it up.

745

00:55:16,980 --> 00:55:18,314

Mother.

746

00:55:23,737 --> 00:55:26,071

May I introduce Jack Dawson?

747

00:55:27,240 --> 00:55:29,074

Charmed, I'm sure.

748

00:55:33,747 --> 00:55:38,417

The others were gracious and curious
about the man who'd saved my life.

749

00:55:39,586 --> 00:55:42,588

But my mother looked at him like an insect.

750

00:55:43,089 --> 00:55:47,092

A dangerous insect
which must be squashed quickly.

751

00:55:47,427 --> 00:55:51,263

Sounds like you're a good man
to have around in a sticky spot.

752

00:55:54,267 --> 00:55:58,937

Why do they always insist on announcing
dinner like a damn cavalry charge?

753

00:55:59,272 --> 00:56:00,939

Shall we go dress, Mother?

754

00:56:01,941 --> 00:56:03,776

See you at dinner, Jack.

755

00:56:05,779 --> 00:56:06,779

Son?

756

00:56:07,280 --> 00:56:08,447

Son!

757

00:56:08,948 --> 00:56:11,283

Do you have any idea what you're doing?

758

00:56:12,285 --> 00:56:13,285

Not really.

759

00:56:13,620 --> 00:56:16,121

You're about to go into the snake pit.

760

00:56:18,541 --> 00:56:20,209

What are you going to wear?

761

00:56:23,296 --> 00:56:25,297

I figured. Come on.

762

00:56:27,967 --> 00:56:32,304

I was right. You and my son
are just about the same size.

763

00:56:32,639 --> 00:56:34,306

Pretty close.

764

00:56:37,977 --> 00:56:40,312

You shine up like a new penny.

765

00:56:52,158 --> 00:56:53,826

Good evening, sir.

766

00:57:58,141 --> 00:58:00,893

Thousands of tons of Hockley steel
are in this ship.

767

00:58:01,144 --> 00:58:03,228

- Which part?

- All the right ones.

768

00:58:03,480 --> 00:58:06,648

Then you're accountable
if there's a problem. Where's Rose?

769

00:58:06,900 --> 00:58:08,233

She'll be along.

770

00:58:08,568 --> 00:58:10,569

There is the Countess.

771

00:58:39,432 --> 00:58:42,935

I saw that in a nickelodeon
and always wanted to do it.

772

00:58:57,367 --> 00:58:58,534

Darling...

773

00:58:59,118 --> 00:59:01,286

surely you remember Mr. Dawson.

774

00:59:04,123 --> 00:59:07,709

It's amazing.
You could almost pass for a gentleman.

775

00:59:08,962 --> 00:59:10,128

Almost.

776

00:59:10,463 --> 00:59:11,880

This is extraordinary.

777

00:59:26,479 --> 00:59:28,146

This is a remarkable voyage.

778

00:59:28,398 --> 00:59:29,815

- Mad.

- Completely lunatic.

779

00:59:31,568 --> 00:59:33,569

There's the Countess of Rothes.

780

00:59:35,655 --> 00:59:38,657

That's John Jacob Astor...

781

00:59:39,325 --> 00:59:40,993

the richest man on board.

782

00:59:41,244 --> 00:59:45,163

His little wifey, Madeleine,

is my age and in a delicate condition.

783

00:59:45,999 --> 00:59:48,000

See how she tries to hide it.

784

00:59:48,251 --> 00:59:49,668

Quite the scandal.

785

00:59:50,169 --> 00:59:54,673

Benjamin Guggenheim and his mistress,
Madame Aubert. Mrs. Guggenheim...

786

00:59:54,924 --> 00:59:58,594

is at home with the children, of course.
And over here...

787

00:59:58,845 --> 01:00:00,512

Sir Cosmo and Lucile, Lady Duff-Gordon.

788

01:00:00,763 --> 01:00:04,099

She designs naughty lingerie,
among her many talents.

789

01:00:04,350 --> 01:00:06,685

Very popular with the royals.

790

01:00:07,687 --> 01:00:09,521

Congratulations. She's splendid.

791

01:00:09,856 --> 01:00:11,356

Why, thank you.

792

01:00:12,191 --> 01:00:13,609

Escort a lady to dinner?

793

01:00:13,860 --> 01:00:15,360

Certainly.

794

01:00:16,696 --> 01:00:18,697

Sweet pea, sweet pea.

795

01:00:19,532 --> 01:00:20,949

Ain't nothing to it.

796

01:00:21,701 --> 01:00:26,204

They love money. Pretend like you own

a gold mine and you're in the club.

797

01:00:28,374 --> 01:00:30,042

Hey, Astor.

798

01:00:30,877 --> 01:00:33,545

Hello, Molly. Nice to see you.

799

01:00:33,796 --> 01:00:36,715

J.J., Madeleine,

I'd like you to meet Jack Dawson.

800

01:00:38,134 --> 01:00:39,468

Well, Jack...

801

01:00:39,886 --> 01:00:41,553

are you of the Boston Dawsons?

802

01:00:42,555 --> 01:00:45,140

No, the Chippewa Falls Dawsons, actually.

803

01:00:45,391 --> 01:00:46,725

Oh, yes.

804

01:00:48,728 --> 01:00:52,731

He must have been nervous.

But he never faltered.

805

01:00:53,566 --> 01:00:55,734

They assumed he was one of them.

806

01:00:56,069 --> 01:00:59,237

Heir to a rail road fortune, perhaps.

807

01:00:59,572 --> 01:01:03,742

New money, obviously,
but still a member of the club.

808

01:01:04,410 --> 01:01:07,829

Mother. Of course.

Could always be counted upon.

809

01:01:08,414 --> 01:01:13,335

Tell us of the accommodations in steerage,
Mr. Dawson. I hear they're quite good.

810

01:01:14,837 --> 01:01:18,006

The best I've seen, ma'am. Hardly any rats.

811

01:01:21,094 --> 01:01:23,929

Mr. Dawson is joining us from third class.

812

01:01:24,180 --> 01:01:26,515

He was of help to my fiancée last night.

813

01:01:26,766 --> 01:01:29,601

It happens Mr. Dawson
is quite a fine artist.

814

01:01:29,936 --> 01:01:32,437

He showed me some of his work today.

815

01:01:32,939 --> 01:01:37,776

Rose and I differ in our definition of fine art.
Not to impugn your work, sir.

816

01:01:48,621 --> 01:01:49,621

Are all these mine?

817

01:01:49,872 --> 01:01:51,957

Start from the outside and work in.

818

01:01:52,208 --> 01:01:54,209

He knows every rivet in her.

819

01:01:54,460 --> 01:01:56,795

Your ship is a wonder, Mr. Andrews.

820

01:01:57,046 --> 01:01:58,380

Thank you, Rose.

821

01:02:01,551 --> 01:02:03,135

How do you take your caviar, sir?

822

01:02:03,386 --> 01:02:06,638

No caviar for me, thanks.

Never did like it much.

823

01:02:08,474 --> 01:02:11,143

Where exactly do you live, Mr. Dawson?

824

01:02:11,561 --> 01:02:14,563

Right now, my address is the RMS Titanic.

825

01:02:14,814 --> 01:02:16,815

After that, I'm on God's good humor.

826

01:02:17,316 --> 01:02:19,234

How do you have means to travel?

827

01:02:20,153 --> 01:02:24,322

I work my way from place to place.

Tramp steamers and such.

828

01:02:24,657 --> 01:02:28,326

I won my ticket on Titanic

at a lucky hand at poker.

829

01:02:28,578 --> 01:02:30,078

A very lucky hand.

830

01:02:30,997 --> 01:02:32,998

All life is a game of luck.

831

01:02:34,167 --> 01:02:37,085

A real man makes his own luck.

Right, Dawson?

832

01:02:38,755 --> 01:02:42,591

And you find

that sort of rootless existence appealing?

833

01:02:45,678 --> 01:02:47,262

Yes, ma'am, I do.

834

01:02:48,014 --> 01:02:51,016

I've got everything I need

right here with me.

835

01:02:51,267 --> 01:02:54,102

I have air in my lungs

and blank sheets of paper.

836

01:02:55,521 --> 01:02:59,941

I love waking up, not knowing
what will happen or who I'll meet.

837

01:03:00,860 --> 01:03:02,277

Where I'll wind up.

838

01:03:02,695 --> 01:03:04,946

One night I'm sleeping under a bridge...

839

01:03:05,198 --> 01:03:09,451

now I'm on the grandest ship
in the world, with you fine people.

840

01:03:09,702 --> 01:03:10,702

I'll take more of that.

841

01:03:12,038 --> 01:03:15,040

Life's a gift. I don't
intend on wasting it.

842

01:03:16,375 --> 01:03:18,877

You never know what hand you'll get dealt.

843

01:03:19,212 --> 01:03:21,880

You take life as it comes at you.

Here, Cal.

844

01:03:24,467 --> 01:03:26,134

Make each day count.

845

01:03:26,969 --> 01:03:27,969

Well said, Jack.

846

01:03:28,221 --> 01:03:29,304

Hear, hear.

847

01:03:30,306 --> 01:03:35,227

To making it count.

848

01:03:35,728 --> 01:03:36,728

Bravo.

849

01:03:43,653 --> 01:03:47,405

But Mr. Brown didn't know

I'd hidden the money in the stove.

850

01:03:48,741 --> 01:03:52,744

He comes home drunk as a pig celebrating
and lights a fire.

851

01:03:56,249 --> 01:03:58,416

Next is brandy in the smoking room.

852

01:04:00,586 --> 01:04:02,671

Join me in a brandy, gentlemen?

853

01:04:04,590 --> 01:04:09,010

Now they retreat to congratulate each
other on being masters of the universe.

854

01:04:09,262 --> 01:04:11,263

Ladies, thank you for your company.

855

01:04:12,348 --> 01:04:14,015

May I escort you to the cabin?

856

01:04:14,267 --> 01:04:15,267

No, I'll stay here.

857

01:04:16,102 --> 01:04:17,102

Here, Molly.

858

01:04:18,104 --> 01:04:20,105

Joining us, Dawson?

859

01:04:20,439 --> 01:04:22,774

You don't want to stay with the women.

860

01:04:23,276 --> 01:04:25,610

No, thanks. I have to head back.

861

01:04:25,945 --> 01:04:30,615

That's best. It'll be all business and politics.

Wouldn't interest you.

862

01:04:31,701 --> 01:04:34,369

But Dawson, good of you to come.

863

01:04:39,959 --> 01:04:41,293

Must you go?

864

01:04:41,544 --> 01:04:43,879

Time for me to row with the other slaves.

865

01:04:47,466 --> 01:04:48,800

Good night, Rose.

866

01:05:28,841 --> 01:05:31,343

Want to go to a real party?

867

01:05:41,771 --> 01:05:43,939

Is okay I put my hand here?

868

01:06:03,542 --> 01:06:05,543

I can't understand you.

869

01:06:37,827 --> 01:06:40,161

I'm going to dance with her now.

870

01:06:40,329 --> 01:06:41,329

Come on.

871

01:06:41,914 --> 01:06:43,915

Come on. Come with me.

872

01:06:44,250 --> 01:06:46,084

Jack. Jack, wait.

873

01:06:48,421 --> 01:06:49,421

I can't do this.

874

01:06:49,672 --> 01:06:51,506

We'll have to get a bit closer.

875

01:06:51,757 --> 01:06:52,924

Like this.

876

01:06:56,262 --> 01:06:57,929

You're still my best girl, Cora.

877

01:07:01,183 --> 01:07:04,352

- I don't know the steps.

- Me, either. Just go with it.

878

01:07:04,770 --> 01:07:06,187

Don't think.

879

01:07:25,291 --> 01:07:27,959

Wait! Jack! Wait! Stop, Jack!

880

01:07:37,803 --> 01:07:39,304

What? Wait!

881

01:08:20,513 --> 01:08:22,180

Jack, no.

882

01:08:28,020 --> 01:08:31,689

Beyond the jurisdiction
of the Sherman Act.

883

01:08:32,024 --> 01:08:35,777

That's what Rockefeller said...
Supreme Court didn't swallow it.

884

01:08:56,048 --> 01:08:59,717

What? You think
a first-class girl can't drink?

885

01:09:01,971 --> 01:09:02,971

Get out of here.

886

01:09:03,556 --> 01:09:04,889

Are you all right?

887

01:09:06,892 --> 01:09:07,892

I'm fine.

888

01:09:08,144 --> 01:09:10,145

Two out of three.

889

01:09:11,063 --> 01:09:12,397

So...

890

01:09:13,566 --> 01:09:15,567

you think you're tough?

891

01:09:16,902 --> 01:09:18,403

Let's see you do this.

892

01:09:20,739 --> 01:09:23,408

Hold this for me, Jack. Hold it up.

893

01:09:41,093 --> 01:09:42,177

Jesus!

894

01:09:42,428 --> 01:09:43,595

You okay?

895

01:09:43,846 --> 01:09:45,430

I haven't done that in years.

896

01:09:53,522 --> 01:09:56,274

Come on, lads. Give it all you got.

Let's go.

897

01:10:22,301 --> 01:10:23,635

Coffee, sir?

898

01:10:33,562 --> 01:10:35,230

You didn't come to me last night.

899

01:10:37,483 --> 01:10:38,983

I was tired.

900

01:10:41,487 --> 01:10:44,155

Your exertions below deck
were no doubt exhausting.

901

01:10:47,326 --> 01:10:50,828

I see you had
that undertaker of a manservant follow me.

902

01:10:51,163 --> 01:10:54,082

You will never behave like that again.

903

01:10:57,670 --> 01:11:00,672

I'm not one of your mill foremen
who you can command.

904

01:11:02,174 --> 01:11:03,841

I'm your fiancée.

905

01:11:05,511 --> 01:11:07,512

My fiancée. My fiancée!

906

01:11:07,846 --> 01:11:09,847

Yes, you are! And my wife!

907

01:11:11,183 --> 01:11:15,687

My wife in practice,
if not yet by law, so you will honor me!

908

01:11:16,021 --> 01:11:18,773

You will honor me the way
a wife honors her husband.

909

01:11:19,024 --> 01:11:21,276

Because I will not be made a fool of.

910

01:11:22,111 --> 01:11:23,945

Is this in any way unclear?

911

01:11:24,863 --> 01:11:26,030

No.

912

01:11:26,365 --> 01:11:28,700

Good. Excuse me.

913

01:11:34,373 --> 01:11:36,040

Oh, Miss Rose.

914

01:11:37,710 --> 01:11:39,294

We had a little accident.

915

01:11:39,545 --> 01:11:41,713

- That's all right.

- I'm sorry.

916

01:11:42,131 --> 01:11:43,131

Let me help you.

917

01:11:43,382 --> 01:11:45,982

It's all right, miss.

918

01:11:58,564 --> 01:11:59,897

Tea, Trudy.

919

01:12:17,416 --> 01:12:20,585

You're not to see that boy again.

You understand?

920

01:12:21,920 --> 01:12:24,255

Rose, I forbid it.

921

01:12:25,257 --> 01:12:28,259

Stop it, Mother.

You'll give yourself a nosebleed.

922

01:12:28,594 --> 01:12:30,261

This is not a game.

923

01:12:30,846 --> 01:12:34,432

Our situation is precarious.

You know the money's gone.

924

01:12:34,767 --> 01:12:39,103

Of course I know.

You remind me every day.

925

01:12:40,189 --> 01:12:45,026

Your father left us nothing but a legacy
of bad debts hidden by a good name.

926

01:12:45,277 --> 01:12:47,945

That name is the only card we have to play.

927

01:12:48,614 --> 01:12:50,281

I don't understand you.

928

01:12:50,949 --> 01:12:54,952

It is a fine match with Hockley.
It will ensure our survival.

929

01:12:56,288 --> 01:12:57,955

How can you put this on me?

930

01:12:58,207 --> 01:12:59,707

Why are you being so selfish?

931

01:13:00,209 --> 01:13:02,043

I'm being selfish?

932

01:13:05,547 --> 01:13:08,466

Do you want to see me
working as a seamstress?

933

01:13:10,302 --> 01:13:12,136

Is that what you want?

934

01:13:14,807 --> 01:13:17,642

To see our fine things sold at auction?

935

01:13:19,311 --> 01:13:21,145

Our memories scattered?

936

01:13:32,324 --> 01:13:33,991

It's so unfair.

937

01:13:35,327 --> 01:13:37,161

Of course it's unfair.

938

01:13:38,497 --> 01:13:39,831

We're women.

939

01:13:42,334 --> 01:13:44,502

Our choices are never easy.

940

01:14:06,358 --> 01:14:10,194

Protect them by Thy guiding hand

941

01:14:10,529 --> 01:14:15,366

From every peril on the land

942

01:14:17,369 --> 01:14:21,372

O, spirit whom the Father sent

943

01:14:22,040 --> 01:14:26,210

To spread abroad the firmament

944

01:14:26,545 --> 01:14:30,882

O, wind of heaven, by Thy might

945

01:14:31,216 --> 01:14:36,053

Save all who dare the eagle's flight

946

01:14:36,388 --> 01:14:40,224

And keep them by Thy watchful care...

947

01:14:42,895 --> 01:14:44,562

Hello, Mr. Andrews.

948

01:14:54,823 --> 01:14:56,240

I need to talk to someone.

949

01:14:56,492 --> 01:14:58,743

You're not supposed to be in here.

950

01:15:03,415 --> 01:15:04,999

I was here last night, remember?

951

01:15:05,250 --> 01:15:06,918

No. Now please turn around.

952

01:15:07,169 --> 01:15:10,004

He'll tell you. I just need to talk...

953

01:15:10,255 --> 01:15:13,424

Mr. Hockley and Mrs. DeWitt Bukater...

954

01:15:13,759 --> 01:15:16,594

are still appreciative
of your assistance.

955

01:15:16,929 --> 01:15:20,431

They asked me
to give you this in gratitude...

956

01:15:20,682 --> 01:15:22,266

I don't want your money.

957

01:15:22,601 --> 01:15:26,437

And remind you you are
in third class and your presence here...

958

01:15:26,688 --> 01:15:28,439

is no longer appropriate.

959

01:15:28,690 --> 01:15:30,024

Let me speak to Rose.

960

01:15:30,275 --> 01:15:34,278

Gentlemen, please see Mr. Dawson
returns to where he belongs...

961

01:15:34,613 --> 01:15:36,280

and that he stays there?

962

01:15:37,115 --> 01:15:38,115

Yes, sir.

963

01:15:38,367 --> 01:15:39,534

Come along, you.

964

01:15:41,620 --> 01:15:44,789

Hear us when we cry to Thee

965

01:15:45,123 --> 01:15:49,627

For those in peril on the sea

966

01:15:50,629 --> 01:15:52,463

Why are there two steering wheels?

967

01:15:52,714 --> 01:15:54,215

We use this one near shore.

968

01:15:54,466 --> 01:15:58,135

Excuse me, sir.

Another ice warning, from the Noordam.

969

01:15:58,387 --> 01:15:59,720

Thank you, Sparks.

970

01:16:01,974 --> 01:16:05,309

Not to worry.

Quite normal for this time of year.

971

01:16:06,311 --> 01:16:10,314

In fact, we're speeding up.

I've ordered the last boilers lit.

972

01:16:14,361 --> 01:16:17,321

Okay, son, wind it up tight

like I showed you. That's right.

973

01:16:17,531 --> 01:16:19,156

Okay, now let it go.

974

01:16:22,202 --> 01:16:24,203

- It was good, wasn't it?

- Quite nice. That's excellent.

975

01:16:31,211 --> 01:16:34,213

Mr. Andrews... Forgive me.

976

01:16:34,840 --> 01:16:36,257

I did the sum in my head...

977

01:16:36,883 --> 01:16:40,386

and with the number of lifeboats
times the capacity you mentioned...

978

01:16:40,721 --> 01:16:44,223

Forgive me, but it seems that there are
not enough for everyone aboard.

979

01:16:45,017 --> 01:16:46,726

About half, actually.

980

01:16:47,561 --> 01:16:49,061

Rose, you miss nothing, do you?

981

01:16:49,896 --> 01:16:52,064

In fact, I put in these new
type davits...

982

01:16:52,399 --> 01:16:55,026

which can take an extra row
of boats inside this one.

983

01:16:55,736 --> 01:16:57,695

But it was thought, by some...

984

01:16:57,863 --> 01:16:59,447

the deck would look
too cluttered.

985

01:16:59,906 --> 01:17:02,241

So, I was overruled.

986

01:17:02,743 --> 01:17:05,745

It's a waste of deck space
as it is on an unsinkable ship.

987

01:17:06,079 --> 01:17:07,747

Sleep soundly, young Rose.

988

01:17:07,873 --> 01:17:10,458

I have built you a good ship,
strong and true.

989

01:17:10,751 --> 01:17:12,418

She's all the lifeboat
you need.

990

01:17:12,753 --> 01:17:15,755

Just keep heading aft. The next
stop will be the engine room.

991

01:17:21,094 --> 01:17:25,431

Jack, this is impossible.
I can't see you.

992

01:17:25,724 --> 01:17:28,601

- I need to talk to you.

- No, Jack. No.

993

01:17:30,103 --> 01:17:32,438

Jack. I'm engaged.

994

01:17:33,440 --> 01:17:35,274

I'm marrying Cal.

995

01:17:36,109 --> 01:17:37,234

I love Cal.

996

01:17:39,780 --> 01:17:41,113

Rose...

997

01:17:41,615 --> 01:17:46,118

you're no picnic. All right?

You're a spoiled little brat even.

998

01:17:46,453 --> 01:17:50,956

But under that, you're the

most amazingly, astounding...

999

01:17:51,291 --> 01:17:52,958

wonderful girl...

1000

01:17:53,585 --> 01:17:55,419

woman, that I've ever known.

1001

01:17:55,504 --> 01:17:56,587

Jack, I...

1002

01:17:56,630 --> 01:17:59,340

No, let me try and get

this out. You're ama...

1003

01:18:01,802 --> 01:18:04,804

I'm not an idiot.

I know how the world works.

1004

01:18:05,138 --> 01:18:07,014

I've got ten bucks

in my pocket.

1005

01:18:07,140 --> 01:18:09,934

I have nothing to offer
you and I know that.

1006

01:18:10,143 --> 01:18:11,811

I understand.

1007

01:18:12,771 --> 01:18:14,438

But I'm too involved now.

1008

01:18:14,815 --> 01:18:16,816

You jump, I jump. Remember?

1009

01:18:17,150 --> 01:18:19,652

I can't turn away without
knowing you'll be all right.

1010

01:18:21,446 --> 01:18:22,446

That's all that I want.

1011

01:18:23,824 --> 01:18:25,324

Well, I'm fine.

1012

01:18:26,493 --> 01:18:28,994

I'll be fine. Really.

1013

01:18:29,996 --> 01:18:31,163

Really?

1014

01:18:33,333 --> 01:18:34,834

I don't think so.

1015

01:18:35,836 --> 01:18:37,962

They've got you trapped, Rose.

1016

01:18:38,130 --> 01:18:39,505

And you're gonna die if you
don't break free.

1017

01:18:39,631 --> 01:18:40,673

Maybe not right away...

1018

01:18:40,799 --> 01:18:42,466

because you're strong...

1019

01:18:43,844 --> 01:18:47,179

but sooner or later that
fire that I love about you, Rose...

1020

01:18:47,514 --> 01:18:50,015

that fire is gonna burn out.

1021

01:18:54,855 --> 01:18:56,647

It's not up to you
to save me, Jack.

1022

01:18:59,151 --> 01:19:00,359

You're right.

1023

01:19:01,695 --> 01:19:03,362

Only you can do that.

1024

01:19:09,369 --> 01:19:10,870

I'm going back.

1025

01:19:11,204 --> 01:19:12,705

Leave me alone.

1026

01:19:24,217 --> 01:19:27,386

Tell Lucile about the disaster
you had with the stationers.

1027

01:19:27,679 --> 01:19:30,347

Well, of course the invitations
had to be sent back, twice.

1028

01:19:30,557 --> 01:19:31,724

Oh, my dear.

1029

01:19:32,017 --> 01:19:33,559

And the dreadful
bridesmaids' gowns.

1030

01:19:33,685 --> 01:19:36,020

Let me tell you what an
odyssey that has been.

1031

01:19:36,229 --> 01:19:38,522

Rose decided she

wanted lavender.

1032

01:19:39,274 --> 01:19:40,441

She knows I detest the color.

1033

01:19:40,901 --> 01:19:42,193

So, she did it only to spite me.

1034

01:19:42,402 --> 01:19:44,403

If only you'd come to
me sooner.

1035

01:19:44,696 --> 01:19:47,531

Ruth saw some of my designs in
La Mode Illustrée.

1036

01:19:47,741 --> 01:19:51,076

They were for the trousseau of the Duchess
of Marlborough's youngest daughter.

1037

01:19:51,203 --> 01:19:52,203

They were quite charming.

1038

01:19:52,287 --> 01:19:54,288

But, I think you'll agree,
my dear, that together...

1039

01:19:54,581 --> 01:19:57,750

we've created something
of a phoenix from the ashes.

1040

01:20:12,557 --> 01:20:13,557

Hello, Jack.

1041

01:20:19,272 --> 01:20:21,106

I changed my mind.

1042

01:20:27,072 --> 01:20:28,280

They said you might be up here.

1043

01:20:31,284 --> 01:20:32,618

Give me your hand.

1044

01:20:40,126 --> 01:20:41,460

Now close your eyes.

1045

01:20:42,796 --> 01:20:44,129

Go on.

1046

01:20:47,467 --> 01:20:48,968

Now, step up.

1047

01:20:52,806 --> 01:20:54,098

Now, hold onto the railing.

1048

01:20:54,182 --> 01:20:56,183

Keep your eyes closed.

Don't peek.

1049

01:20:56,434 --> 01:20:57,434

I'm not.

1050

01:20:58,812 --> 01:21:00,813

Now, step up onto the rail.

1051

01:21:04,818 --> 01:21:06,819

Hold on. Hold on.

1052

01:21:07,320 --> 01:21:09,154

Keep your eyes closed.

1053

01:21:09,656 --> 01:21:10,990

Do you trust me?

1054

01:21:11,491 --> 01:21:12,825

I trust you.

1055

01:21:22,669 --> 01:21:23,669

All right...

1056

01:21:24,045 --> 01:21:25,546

open your eyes.

1057

01:21:32,637 --> 01:21:33,637

I'm flying.

1058

01:21:34,139 --> 01:21:35,139

Jack.

1059

01:22:00,248 --> 01:22:04,376

Come, Josephine, in my
flying machine. Going up...

1060

01:22:05,211 --> 01:22:08,547

she goes. Up she goes.

1061

01:22:56,262 --> 01:22:59,264

That was the last time
Titanic ever saw daylight.

1062

01:23:00,725 --> 01:23:02,810

We're up to dusk the
night of the sinking.

1063

01:23:03,645 --> 01:23:04,895

6 hours to go.

1064

01:23:05,105 --> 01:23:08,065

Incredible. There's Smith and
he's standing there and...

1065

01:23:08,149 --> 01:23:09,817

he's got the iceberg warning
in his fucking hand...

1066

01:23:10,068 --> 01:23:13,070

excuse me... his hand,
and he's ordering more speed.

1067

01:23:13,279 --> 01:23:16,448

26 years of experience
working against him.

1068

01:23:16,741 --> 01:23:18,742

He figures anything big
enough to sink, the ship...

1069

01:23:18,910 --> 01:23:20,661

they're gonna see in time to turn.

1070

01:23:20,954 --> 01:23:23,414

But the ship's too big
with too small a rudder.

1071

01:23:23,581 --> 01:23:25,624

Doesn't corner worth a damn.

1072

01:23:26,793 --> 01:23:29,128

Everything he knows is wrong.

1073

01:23:41,808 --> 01:23:45,644

It's quite proper, I assure you.

This is the sitting room.

1074

01:23:47,647 --> 01:23:49,148

- Will this light do?

- What?

1075

01:23:50,483 --> 01:23:51,817

Don't artists need good light?

1076

01:23:52,110 --> 01:23:54,319

That is true, but I'm not
used to working in...

1077

01:23:55,113 --> 01:23:56,697

such horrible conditions.

1078

01:23:57,490 --> 01:23:58,824

Monet!

1079

01:23:59,659 --> 01:24:02,327

- Do you know his work?

- Of course.

1080

01:24:02,829 --> 01:24:04,663

Look at his use of color here.

Isn't he great?

1081

01:24:04,956 --> 01:24:06,957

I know. It's extraordinary.

1082

01:24:09,461 --> 01:24:12,796

Cal insists on carting

this hideous thing everywhere.

1083

01:24:13,465 --> 01:24:16,133

Should we be expecting him

any time soon?

1084

01:24:16,634 --> 01:24:19,970

Not as long as the cigars
and brandy hold out.

1085

01:24:23,349 --> 01:24:24,349

That's nice.

1086

01:24:24,559 --> 01:24:26,393

What is it, a sapphire?

1087

01:24:27,187 --> 01:24:28,312

A diamond.

1088

01:24:28,980 --> 01:24:30,397

A very rare diamond.

1089

01:24:34,194 --> 01:24:36,820

Jack, I want you to draw me
like one of your French girls.

1090

01:24:38,198 --> 01:24:39,531

Wearing this.

1091

01:24:39,866 --> 01:24:41,033

All right.

1092

01:24:42,869 --> 01:24:44,870

Wearing only this.

1093

01:25:20,281 --> 01:25:24,076

The last thing I need is another picture
of me looking like a porcelain doll.

1094

01:25:28,039 --> 01:25:29,039

As a paying customer...

1095

01:25:32,043 --> 01:25:33,919

I expect to get what I want.

1096

01:25:51,771 --> 01:25:54,565

Over on the bed... the couch.

1097

01:26:03,741 --> 01:26:04,741

Come. Lie down.

1098

01:26:08,246 --> 01:26:09,746

- Tell me when it looks right.

- Keep that.

1099

01:26:09,956 --> 01:26:11,790

Put your arm back

the way it was.

1100

01:26:14,460 --> 01:26:17,629

Put that other arm up,

that hand right by your face there.

1101

01:26:19,132 --> 01:26:20,132

Right.

1102

01:26:21,134 --> 01:26:23,302

Now, head down.

1103

01:26:25,930 --> 01:26:27,806

Eyes to me. Keep them on me.

1104

01:26:29,809 --> 01:26:31,977

And try to stay still.

1105

01:26:50,496 --> 01:26:52,497

So serious.

1106

01:27:33,873 --> 01:27:36,875

I believe you are blushing,

Mr. Big Artiste.

1107

01:27:41,381 --> 01:27:44,216

I can't imagine

Monsieur Monet blushing.

1108

01:27:45,551 --> 01:27:47,219

He does landscapes.

1109

01:27:47,887 --> 01:27:50,055

- Just relax your face.

- Sorry.

1110

01:27:50,390 --> 01:27:51,723

No laughing.

1111

01:28:22,755 --> 01:28:25,757

My heart was pounding
the whole time.

1112

01:28:26,092 --> 01:28:30,095

It was the most erotic
moment of my life...

1113

01:28:33,766 --> 01:28:36,101

up until then, at least.

1114

01:28:36,602 --> 01:28:38,395

So what happened next?

1115

01:28:39,272 --> 01:28:41,940

You mean, did we do it?

1116

01:28:44,444 --> 01:28:46,778

Sorry to disappoint you, Mr. Bodine.

1117

01:28:47,280 --> 01:28:49,781

Jack was very professional.

1118

01:28:57,790 --> 01:28:58,957

Thank you.

1119

01:29:07,091 --> 01:29:08,425

What are you doing?

1120

01:29:09,302 --> 01:29:11,595

Will you put this

back in the safe for me?

1121

01:29:23,649 --> 01:29:25,484

Gentlemen, would you excuse me.

1122

01:29:27,820 --> 01:29:29,821

None of the stewards

have seen her.

1123

01:29:30,823 --> 01:29:33,617

This is absurd. It's a ship.

1124

01:29:33,701 --> 01:29:35,869

There's only so many
places she could be.

1125

01:29:36,162 --> 01:29:37,829

Lovejoy, find her.

1126

01:29:55,139 --> 01:29:56,473

- Clear.

- Yes.

1127

01:29:58,184 --> 01:30:01,686

I don't think I've ever
seen such a flat calm.

1128

01:30:02,188 --> 01:30:03,188

Like a mill pond.

1129

01:30:04,357 --> 01:30:05,899

Not a breath of wind.

1130

01:30:07,026 --> 01:30:10,028

It will make the bergs

harder to see...

1131

01:30:10,363 --> 01:30:12,322

with no breaking

water at the base.

1132

01:30:23,835 --> 01:30:24,835

Well, I'm off.

1133

01:30:24,919 --> 01:30:28,088

Maintain speed and

heading, Mr. Lightoller.

1134

01:30:28,840 --> 01:30:30,090

Yes, sir.

1135

01:30:41,394 --> 01:30:43,728

It's getting cold.

You look nice.

1136

01:30:44,063 --> 01:30:45,397

Miss Rose?

1137

01:30:45,898 --> 01:30:47,566

My drawings!

1138

01:31:13,593 --> 01:31:14,885

Come on!

1139

01:31:17,930 --> 01:31:20,932

Wait, wait, wait!

1140

01:31:21,893 --> 01:31:23,435

- Go. Go. Down, down.

- Take us down, quickly. Quickly!

1141

01:31:31,068 --> 01:31:32,068

Bye.

1142

01:31:39,952 --> 01:31:41,286

Sorry.

1143

01:31:46,626 --> 01:31:48,293

- Keep going.

- Thank you, I've got it.

1144

01:31:58,596 --> 01:32:00,430

Pretty tough for
a valet, this fella.

1145

01:32:00,515 --> 01:32:02,265

Seems more like a cop.

1146

01:32:02,475 --> 01:32:03,600

I think he was.

1147

01:32:04,310 --> 01:32:05,936

- Oh, shit.

- Go!

1148

01:32:10,816 --> 01:32:12,317

No, over here!

1149

01:32:12,652 --> 01:32:13,818

Quick!

1150

01:32:20,326 --> 01:32:21,993

Now what?

1151

01:32:22,286 --> 01:32:23,620

What?

1152

01:32:28,834 --> 01:32:30,502

More coal for number one, mate.

1153

01:32:30,795 --> 01:32:33,296

Hold up? What are you two
doing down here?

1154

01:32:33,839 --> 01:32:34,839

You shouldn't be down here.

1155

01:32:35,174 --> 01:32:36,216

It could be dangerous!

1156

01:32:40,638 --> 01:32:41,638

Carry on!

1157

01:32:42,014 --> 01:32:43,890

Don't mind us. You're
doing a great job!

1158

01:32:44,058 --> 01:32:45,559

Keep up the good work!

1159

01:33:01,867 --> 01:33:03,868

Look at what we have here?

1160

01:33:22,054 --> 01:33:23,388

Thank you.

1161

01:33:35,067 --> 01:33:36,901

Where to, miss?

1162

01:33:38,070 --> 01:33:39,738

To the stars.

1163

01:33:58,758 --> 01:34:00,258

You nervous?

1164

01:34:02,720 --> 01:34:03,887

No.

1165

01:34:20,780 --> 01:34:22,781

Put your hands on me, Jack.

1166

01:34:46,806 --> 01:34:48,306

It's bloody cold.

1167

01:34:48,808 --> 01:34:52,310

You know, I can smell ice, you know.

When it's near.

1168

01:34:53,646 --> 01:34:54,979

Bollocks!

1169

01:34:55,314 --> 01:34:56,981

Well, I can, all right?

1170

01:34:57,316 --> 01:34:59,442

Did you ever find those
binoculars for the lookouts?

1171

01:34:59,652 --> 01:35:01,486

Haven't seen them
since Southampton.

1172

01:35:02,154 --> 01:35:03,488

Well, I'll be on my rounds.

1173

01:35:04,448 --> 01:35:05,448

Cheerio.

1174

01:35:36,689 --> 01:35:38,022

You're trembling.

1175

01:35:40,484 --> 01:35:41,526

Don't worry.

1176

01:35:41,652 --> 01:35:43,403

I'll be all right.

1177

01:36:04,717 --> 01:36:06,551

- They ran down there.

- Right.

1178

01:36:16,312 --> 01:36:17,979

Anything missing?

1179

01:36:43,005 --> 01:36:44,839

I have a better idea.

1180

01:36:57,686 --> 01:36:58,853

Got you!

1181

01:37:08,113 --> 01:37:10,949

Did you see those guys' faces?

1182

01:37:11,534 --> 01:37:13,368

Did you see them?

1183

01:37:19,708 --> 01:37:21,543

When the ship docks...

1184

01:37:22,878 --> 01:37:24,629

I'm getting off with you.

1185

01:37:25,714 --> 01:37:27,048

This is crazy.

1186

01:37:27,216 --> 01:37:30,051

I know. It doesn't make any sense.

1187

01:37:31,554 --> 01:37:33,054

That's why I trust it.

1188

01:37:42,064 --> 01:37:44,732

Here, look at this.

1189

01:37:45,568 --> 01:37:47,569

Look at that, would you?

1190

01:37:47,903 --> 01:37:49,404

They're warmer than we are.

1191

01:37:49,822 --> 01:37:54,158

If that's what it takes for us to get warm,

I'd rather not.

1192

01:38:06,422 --> 01:38:07,922

Bugger me!

1193

01:38:13,262 --> 01:38:14,762

Pick up, you bastards!

1194

01:38:18,434 --> 01:38:19,434

Is anyone there?!

1195

01:38:19,685 --> 01:38:20,852

What do you see?

1196

01:38:21,103 --> 01:38:22,520

Iceberg, right ahead!

1197

01:38:22,771 --> 01:38:23,855

Thank you.

1198

01:38:26,191 --> 01:38:27,191

Iceberg ahead!

1199

01:38:27,359 --> 01:38:29,360

Hard a' starboard!

1200

01:38:36,285 --> 01:38:38,536

Turn! Turn! Smartly!

1201

01:38:43,792 --> 01:38:44,792

Full astern!

1202

01:38:47,129 --> 01:38:48,129

Hard over.

1203

01:38:48,297 --> 01:38:49,964

Helm's hard over, sir.

1204

01:38:53,636 --> 01:38:55,136

Go, lads, go!

1205

01:38:57,556 --> 01:39:00,308

Bring that steam down! Bring it down!

1206

01:39:02,144 --> 01:39:04,979

Shut all the dampers! Shut them!

1207

01:39:09,818 --> 01:39:10,818

Hold it.

1208

01:39:12,655 --> 01:39:13,655

Hold it!

1209

01:39:15,074 --> 01:39:16,824

Now! Engage reversing engine!

1210

01:39:45,854 --> 01:39:47,355

Why ain't they turning?

1211

01:39:47,606 --> 01:39:48,773

Is it hard over?!

1212

01:39:49,024 --> 01:39:51,025

It is, sir. Hard over.

1213

01:39:55,030 --> 01:39:59,200

Come on, come on, come on. Turn.

1214

01:40:10,379 --> 01:40:11,713

Yes.

1215

01:40:16,885 --> 01:40:18,553

It's going to hit!

1216

01:40:29,982 --> 01:40:31,482

Jesus Christ!

1217

01:40:52,254 --> 01:40:53,421

Jesus!

1218

01:40:53,672 --> 01:40:56,257

Hard to port!

1219

01:41:06,101 --> 01:41:07,602

Get back!

1220

01:41:37,049 --> 01:41:38,382

Let's go!

1221

01:41:38,634 --> 01:41:41,969

They're closing the doors! Get out!

1222

01:41:48,477 --> 01:41:50,812

Get out the door! Go!

1223

01:41:51,146 --> 01:41:54,148

Go! Come on, lads! Go, lads, go!

1224

01:42:03,826 --> 01:42:05,493

Go! Go!

1225

01:42:05,994 --> 01:42:07,995

Out! Out!

1226

01:42:22,678 --> 01:42:24,345

Oh, my God.

1227

01:42:25,180 --> 01:42:26,514

That was a close shave.

1228

01:42:26,849 --> 01:42:29,767

Smell ice, can you? Bleedin' Christ!

1229

01:42:33,856 --> 01:42:36,691

Note the time. Enter it in the log.

1230

01:42:42,447 --> 01:42:44,115

What was that, Mr. Murdoch?

1231

01:42:45,033 --> 01:42:46,450

An iceberg, sir.

1232

01:42:47,536 --> 01:42:51,038

I put her hard to starboard,
but it was too close.

1233

01:42:51,373 --> 01:42:53,541

I tried to port round it, but...

1234

01:42:53,876 --> 01:42:57,044

- Close the watertight doors.
- They're closed, sir.

1235

01:43:00,215 --> 01:43:01,382

All stop.

1236

01:43:10,726 --> 01:43:12,894

Have the carpenter sound the ship.

1237

01:43:24,573 --> 01:43:27,909

Come on, let's get the hell out of here!

1238

01:43:32,748 --> 01:43:35,583

Why have the engines stopped?

I felt a shudder.

1239

01:43:35,834 --> 01:43:38,502

Not to worry. We threw a propeller blade.

1240

01:43:38,754 --> 01:43:41,589

That's the shudder you felt.

Do you need anything?

1241

01:43:42,424 --> 01:43:43,507

No, thank you.

1242

01:43:48,430 --> 01:43:50,932

There's talk of an iceberg.

1243

01:43:51,183 --> 01:43:52,934

I don't see anything. Do you?

1244

01:43:55,103 --> 01:43:58,272

If this is where the rats
are going, I am, too.

1245

01:44:05,280 --> 01:44:06,948

- You.

- There is no emergency.

1246

01:44:07,199 --> 01:44:10,034

- There is. I've been robbed.

- Get the Master at Arms.

1247

01:44:10,619 --> 01:44:12,286

Now, you moron!

1248

01:44:16,959 --> 01:44:18,292

Did I miss the fun?

1249

01:44:19,461 --> 01:44:23,130

- Did you see what happened?

- No. I guess it hit over there.

1250

01:44:24,299 --> 01:44:28,552

Boiler room six is flooded eight feet

and the mail hold is worse.

1251

01:44:28,804 --> 01:44:31,222

- Can you shore up?

- Not unless the pumps get ahead.

1252

01:44:31,473 --> 01:44:34,642

- Have you seen the mail hold?

- It's already underwater.

1253

01:44:35,227 --> 01:44:36,894

This is bad.

1254

01:44:39,231 --> 01:44:40,815

We should tell Mother and Cal.

1255

01:44:41,900 --> 01:44:43,985

I think they're very good, sir.

1256

01:44:46,822 --> 01:44:49,824

Don't touch anything.

I want the room photographed.

1257

01:44:54,830 --> 01:44:56,998

We've been looking for you, miss.

1258

01:45:01,837 --> 01:45:02,920

Here we go.

1259

01:45:08,844 --> 01:45:10,261

Something serious has happened.

1260

01:45:11,847 --> 01:45:13,347

Yes, it has.

1261

01:45:14,850 --> 01:45:18,269

Indeed.

Two things dear to me have disappeared.

1262

01:45:18,520 --> 01:45:22,690

Now that one is back,

I know where to find the other. Search him.

1263

01:45:22,941 --> 01:45:24,775

- Take your coat off.

- Now what?

1264

01:45:25,944 --> 01:45:29,947

What are you doing?

We're in the middle of an emergency.

1265

01:45:30,198 --> 01:45:32,283

- Is this it?

- That's it.

1266

01:45:32,868 --> 01:45:34,702

This is horseshit!

1267

01:45:36,038 --> 01:45:37,371

Don't you believe it.

1268

01:45:37,706 --> 01:45:41,042

- He couldn't have.

- Easy enough for a professional.

1269

01:45:41,293 --> 01:45:43,794

I was with him the entire time.

1270

01:45:44,046 --> 01:45:47,048

Perhaps he did it while you were putting
your clothes back on, dear.

1271

01:45:48,717 --> 01:45:50,968

Real slick. They put it in my pocket.

1272

01:45:51,219 --> 01:45:54,055

- Shut up.

- It isn't even your pocket.

1273

01:45:54,306 --> 01:45:55,806

"Property of A.L. Ryerson."

1274

01:46:00,145 --> 01:46:01,645

That was reported stolen.

1275

01:46:01,897 --> 01:46:03,481

I just borrowed it.

1276

01:46:03,732 --> 01:46:06,067

Oh, we have an honest thief.

1277

01:46:06,401 --> 01:46:08,569

You know I didn't do this, Rose.

1278

01:46:09,404 --> 01:46:11,405

Don't believe them. You know it.

1279

01:46:11,656 --> 01:46:12,656

Let's go, son.

1280

01:46:12,908 --> 01:46:14,742

You know I didn't do it!

1281

01:46:15,077 --> 01:46:18,079

There's a good lad. Come on.

1282

01:46:18,413 --> 01:46:20,748

You know I didn't do it! You know me!

1283

01:46:22,667 --> 01:46:24,919

This is most unfortunate, Captain.

1284

01:46:28,423 --> 01:46:31,842

Water fourteen feet above the keel
in ten minutes...

1285

01:46:32,094 --> 01:46:35,429

in the forepeak,
all three holds and boiler room six.

1286

01:46:35,680 --> 01:46:36,680

That's right.

1287

01:46:36,932 --> 01:46:38,265

When can we get underway?

1288

01:46:38,517 --> 01:46:40,518

That's five compartments.

1289

01:46:42,437 --> 01:46:46,440

She can float with four compartments
breached, but not five.

1290

01:46:47,109 --> 01:46:50,778

Not five. As she goes down,
the water will spill...

1291

01:46:51,029 --> 01:46:55,199

over the tops of the bulkheads
at E deck, one to the next...

1292

01:46:55,450 --> 01:46:58,119

back and back. There's no stopping it.

1293

01:46:58,453 --> 01:46:59,703

The pumps.

1294

01:46:59,955 --> 01:47:03,124

The pumps buy you time, but minutes only.

1295

01:47:03,792 --> 01:47:06,043

As of now, no matter what we do...

1296

01:47:06,962 --> 01:47:09,130

Titanic will founder.

1297

01:47:11,466 --> 01:47:12,800

But this ship can't sink.

1298

01:47:13,051 --> 01:47:15,886

She's made of iron. I assure you, she can.

1299

01:47:16,471 --> 01:47:17,471

And she will.

1300

01:47:18,306 --> 01:47:20,391

It's a mathematical certainty.

1301

01:47:24,813 --> 01:47:26,313

How much time?

1302

01:47:33,822 --> 01:47:36,323

An hour. Two, at most.

1303

01:47:42,330 --> 01:47:44,415

How many aboard, Mr. Murdoch?

1304

01:47:44,833 --> 01:47:47,668

Two thousand, two hundred souls, sir.

1305

01:47:54,342 --> 01:47:57,845

Well, I believe you may get your headlines,
Mr. Ismay.

1306

01:48:15,363 --> 01:48:17,531

Oh, it is a little slut, isn't it?

1307

01:48:18,366 --> 01:48:20,534

Look at me when I'm talking to you!

1308

01:48:20,785 --> 01:48:22,953

- Mr. Hockley?

- Not now. We're busy.

1309

01:48:23,205 --> 01:48:26,624

You've been asked to put on lifebelts
and go to the boat deck.

1310

01:48:26,875 --> 01:48:27,875

I said, not now.

1311

01:48:28,126 --> 01:48:33,130

I'm sorry, Mr. Hockley, but it's
Captain's orders. Dress warmly.

1312

01:48:33,381 --> 01:48:35,549

It's quite cold out.

1313

01:48:35,884 --> 01:48:38,719

May I suggest topcoats and hats?

1314

01:48:39,054 --> 01:48:40,888

This is ridiculous.

1315

01:48:41,556 --> 01:48:45,226

Not to worry, miss.

I'm sure it's just a precaution.

1316

01:48:45,560 --> 01:48:47,561

Everybody up! Lifebelts on!

1317

01:48:49,231 --> 01:48:50,814

What's he on about?

1318

01:48:51,733 --> 01:48:53,567

- Put your lifebelts on!

- What is it?

1319

01:48:53,818 --> 01:48:55,152

Just put them on.

1320

01:48:56,404 --> 01:48:57,571

C.Q. D?

1321

01:48:58,240 --> 01:48:59,406

Sir?

1322

01:49:01,076 --> 01:49:04,912

That's right, C.Q.D. The distress call.

That's our position.

1323

01:49:10,502 --> 01:49:14,755

Tell whoever responds we're going down
and need immediate assistance.

1324

01:49:24,266 --> 01:49:25,599

Blimey.

1325

01:49:35,777 --> 01:49:39,947

Keep lowering!

1326

01:49:43,785 --> 01:49:47,621

Steady! Make it taut! And winch out!

1327

01:49:51,459 --> 01:49:55,462

Uncover this boat! Uncover
all the boats aft!

1328

01:49:55,797 --> 01:49:57,464

Release those ties!

1329

01:49:57,799 --> 01:50:00,551

Roll back that cover! Smartly now!

1330

01:50:01,136 --> 01:50:02,636

Where are the passengers?

1331

01:50:02,887 --> 01:50:06,223

They went inside. Too
cold and noisy for them.

1332

01:50:06,474 --> 01:50:10,811

You there! Get down here
and help with these lines!

1333

01:50:24,993 --> 01:50:26,827

Care for a drink, sir?

1334

01:50:29,331 --> 01:50:34,251

Sonny, what's doing? You get us all trussed
up and now we're cooling our heels.

1335

01:50:34,502 --> 01:50:37,004

Sorry, ma'am. Let me go find out.

1336

01:50:37,672 --> 01:50:40,007

Nobody knows what's going on.

1337

01:50:40,258 --> 01:50:43,177

Just like the damn English...

everything by the book.

1338

01:50:43,428 --> 01:50:46,180

No need for language, Mr. Hockley.

1339

01:50:46,348 --> 01:50:51,185

Go back and turn on the heaters in our rooms.

I want a cup of tea when I return.

1340

01:51:02,030 --> 01:51:03,030

Mr. Andrews.

1341

01:51:05,033 --> 01:51:08,369

I saw the iceberg. And

I see it in your eyes.

1342

01:51:08,703 --> 01:51:10,371

Please tell me the truth.

1343

01:51:18,546 --> 01:51:20,381

The ship will sink.

1344

01:51:22,133 --> 01:51:23,133

You're certain?

1345

01:51:24,219 --> 01:51:29,056

In an hour or so, all this
will be at the bottom of the Atlantic.

1346

01:51:31,726 --> 01:51:36,063

Please, tell only who you must.

I don't want to cause a panic.

1347

01:51:36,398 --> 01:51:39,233

And get to a boat. Quickly. Don't wait.

1348

01:51:39,901 --> 01:51:43,070

You remember what I told
you about the boats?

1349

01:51:45,407 --> 01:51:46,740

Yes.

1350

01:51:48,576 --> 01:51:50,077

I understand.

1351

01:51:58,086 --> 01:51:59,420

Over here, son.

1352

01:52:00,422 --> 01:52:03,590

Sir, there's a big mob
at the Second Class Purser's office.

1353

01:52:03,925 --> 01:52:05,676

Go on. I'll watch him.

1354

01:52:06,428 --> 01:52:08,429

Aye. Right.

1355

01:52:22,110 --> 01:52:27,114

Sir, Carpathia says they're making 17 knots.

Full steam for them, sir.

1356

01:52:28,950 --> 01:52:30,367

She's the only one responding?

1357

01:52:30,618 --> 01:52:34,204

The only one close. They'll

be here in four hours.

1358

01:52:34,956 --> 01:52:36,623

Four hours?!

1359

01:52:41,629 --> 01:52:43,130

Thank you, Bride.

1360

01:52:47,469 --> 01:52:49,136

My God.

1361

01:52:58,646 --> 01:53:00,647

We are swung out and ready, sir.

1362

01:53:02,150 --> 01:53:06,069

Hadn't we better get the women and children
into the boats?

1363

01:53:07,989 --> 01:53:08,989

Yes.

1364

01:53:13,161 --> 01:53:16,330

Women and children first, yes.

1365

01:53:17,832 --> 01:53:19,166

Yes, sir.

1366

01:53:22,003 --> 01:53:24,671

Ladies and gentlemen, attention, please!

1367

01:53:25,173 --> 01:53:27,674

Step this way, please. That's right.

1368

01:53:28,009 --> 01:53:30,844

Come towards me. Thank you.

1369

01:53:31,846 --> 01:53:32,846

Good.

1370

01:53:33,097 --> 01:53:37,351

For the time being,

I require only women and children.

1371

01:53:37,852 --> 01:53:39,019

Right here.

1372

01:53:39,687 --> 01:53:43,690

Like the Captain said,

nice and cheery, so there's no panic.

1373

01:53:44,692 --> 01:53:46,026

"Wedding Dance."

1374

01:53:54,410 --> 01:53:57,037

Lifebelts on. Put your lifebelts on.

1375

01:53:57,372 --> 01:54:00,040

Put your lifebelts on. Lifebelt on.

1376

01:54:00,375 --> 01:54:03,377

Here, put that lifebelt on. Turn it around.

1377

01:54:08,716 --> 01:54:11,051

It isn't time to go to the boats yet!

1378

01:54:11,386 --> 01:54:13,053

Please, stay calm.

1379

01:54:13,388 --> 01:54:16,557

Make sure you have your lifebelts on.

1380

01:54:16,891 --> 01:54:19,309

Let women and children
through to the front.

1381

01:54:19,561 --> 01:54:20,894

What are we doing?

1382

01:54:21,145 --> 01:54:24,231

Waiting. Once first-class people

are in the boats...

1383

01:54:24,482 --> 01:54:27,818

they'll start with us

and we want to be ready.

1384

01:54:28,987 --> 01:54:31,238

Pushing won't get you out any faster.

1385

01:54:31,573 --> 01:54:32,906

Go get help.

1386

01:54:33,241 --> 01:54:37,244

Lower it away, left and

right together! Steady.

1387

01:54:37,912 --> 01:54:40,914

Both sides together! Steady!

1388

01:54:41,249 --> 01:54:44,084

Steady!

1389

01:54:45,587 --> 01:54:47,588

Stop, stop, stop!

1390

01:54:48,423 --> 01:54:49,590

Hold the left!

1391

01:54:49,924 --> 01:54:52,426

Right side only! Right side only!

1392

01:54:52,760 --> 01:54:53,927

Right side!

1393

01:54:54,262 --> 01:54:58,098

Hold the left! Right side down!

Lower away together!

1394

01:55:00,268 --> 01:55:01,935

Steady, lads!

1395

01:55:49,317 --> 01:55:52,819

You know, I do believe this ship may sink.

1396

01:55:54,822 --> 01:55:59,493

I've been asked to give you
this small token of our appreciation.

1397

01:56:01,996 --> 01:56:04,665

Compliments of Mr. Caledon Hockley.

1398

01:56:11,422 --> 01:56:14,091

Come on, sister, you heard
the man. Into the boat.

1399

01:56:14,425 --> 01:56:16,551

Any room for a gentleman,
gentlemen?

1400

01:56:16,761 --> 01:56:18,095

Only women at this time, sir.

1401

01:56:21,432 --> 01:56:23,809

Will the lifeboats be
seated according to class?

1402

01:56:25,728 --> 01:56:28,438

I hope they're not too crowded.

1403

01:56:29,232 --> 01:56:31,066

Oh, Mother, shut up!

1404

01:56:31,943 --> 01:56:33,110

Don't you understand?

1405

01:56:33,611 --> 01:56:35,320

The water is freezing and
there aren't enough boats.

1406

01:56:35,613 --> 01:56:37,239

Not enough by half.

1407

01:56:38,116 --> 01:56:40,617

Half the people on this
ship are going to die.

1408

01:56:40,952 --> 01:56:42,577

Not the better half.

1409

01:56:44,455 --> 01:56:45,497

Come on, Ruth, get in the boat.

1410

01:56:46,082 --> 01:56:47,958

First class seats

are right up here.

1411

01:56:49,127 --> 01:56:50,961

You know, it's a pity I didn't

keep that drawing.

1412

01:56:51,087 --> 01:56:52,671

It'll be worth a lot

more by morning.

1413

01:56:56,634 --> 01:56:59,302

You unimaginable bastard.

1414

01:57:00,096 --> 01:57:02,097

Come on, Rose darling.

There's plenty of room for you.

1415

01:57:03,975 --> 01:57:05,017

Come on, Rose.

1416

01:57:05,518 --> 01:57:07,144

You're next, darling.

1417

01:57:07,478 --> 01:57:08,645

Come into the boat, Rose.

1418

01:57:11,107 --> 01:57:12,107

Come.

1419

01:57:12,442 --> 01:57:13,483

Rose.

1420

01:57:14,318 --> 01:57:15,610

Get into the boat!

1421

01:57:17,113 --> 01:57:18,113

Rose.

1422

01:57:19,282 --> 01:57:20,449

Good-bye, Mother.

1423

01:57:24,620 --> 01:57:26,121

Where are you going?

1424

01:57:26,831 --> 01:57:27,831

To him?!

1425

01:57:28,791 --> 01:57:30,292

To be a whore to a gutter rat?

1426

01:57:31,502 --> 01:57:33,837

I'd rather be his whore
than your wife.

1427

01:57:36,215 --> 01:57:38,341

No!

1428

01:57:39,052 --> 01:57:41,053

I said, no!

1429

01:57:42,346 --> 01:57:44,681

Rose! Please, stop!

1430

01:57:45,975 --> 01:57:47,309

And, lower away!

1431

01:57:48,644 --> 01:57:49,644

No, Wait!

1432

01:57:49,729 --> 01:57:50,729

Lower away!

1433

01:57:50,813 --> 01:57:52,689

- Rose!

- Lower together!

1434

01:57:53,357 --> 01:57:54,733

Hold the left side!

1435

01:57:58,654 --> 01:57:59,654

Help!

1436

01:58:00,531 --> 01:58:02,657

Can anybody hear me?!

1437

01:58:04,035 --> 01:58:05,702

Hello! Help me!

1438

01:58:06,537 --> 01:58:07,537

Help me!

1439

01:58:08,372 --> 01:58:10,373

Can you hear me?!

1440

01:58:10,708 --> 01:58:14,711

Can anybody hear me?!

Somebody help me!

1441

01:58:15,880 --> 01:58:17,380

Mr. Andrews?!

1442

01:58:21,052 --> 01:58:23,220

Steward, check the
starboard corridor.

1443

01:58:23,513 --> 01:58:26,014

Madame, please put on a lifebelt.

Get to the boat deck immediately.

1444

01:58:26,557 --> 01:58:29,184

Lucy, for God's sake put on your
lifebelt and set a good example.

1445

01:58:29,268 --> 01:58:30,268

Yes sir.

1446

01:58:30,895 --> 01:58:32,229

- Anyone in here?

- Mr. Andrews!

1447

01:58:32,563 --> 01:58:34,397

Mr. Andrews! Thank God!

1448

01:58:34,690 --> 01:58:37,025

Where would the Master at Arms
take someone under arrest?

1449

01:58:37,610 --> 01:58:38,902

What? You have to get

to a boat right away.

1450

01:58:39,028 --> 01:58:40,028

No!

1451

01:58:40,071 --> 01:58:42,364

I'm doing this with or
without your help, sir.

1452

01:58:42,907 --> 01:58:43,907

But without will take longer.

1453

01:58:46,869 --> 01:58:49,037

Take the elevator to the
very bottom. Go to the left...

1454

01:58:49,205 --> 01:58:50,372

down the crewmen's passage.

1455

01:58:50,414 --> 01:58:53,125

Then go right and left
again at the stairs.

1456

01:58:53,292 --> 01:58:54,543

You'll come to a long corridor.

1457

01:58:59,423 --> 01:59:01,091

This could be bad.

1458

01:59:04,929 --> 01:59:07,597

Oh, shit! Oh, shit!

1459

01:59:12,937 --> 01:59:14,938

Excuse me. Thank you.

1460

01:59:18,442 --> 01:59:21,444

I'm sorry, miss,

but the lifts are closed.

1461

01:59:22,280 --> 01:59:25,115

I'm through being polite,

goddamnit!

1462

01:59:25,241 --> 01:59:26,324

Now take me down!

1463

01:59:27,618 --> 01:59:28,952

E deck.

1464

01:59:32,290 --> 01:59:33,623

Come on.

1465

01:59:34,083 --> 01:59:35,417

Come on, come on.

1466

01:59:53,269 --> 01:59:54,603

I'm going back up.

1467

01:59:54,645 --> 01:59:56,813

No! No! No!

1468

02:00:00,985 --> 02:00:02,819

Come back! I'm going back up!

1469

02:00:03,154 --> 02:00:04,154

I'm going back up!

1470

02:00:13,164 --> 02:00:14,164

Crew passage.

1471

02:00:37,521 --> 02:00:38,521

Jack!

1472

02:00:51,327 --> 02:00:52,327

Rose!

1473

02:00:54,747 --> 02:00:56,164

Rose, I'm in here!

1474

02:00:56,749 --> 02:00:59,709

I'm in here!

1475

02:01:01,921 --> 02:01:03,922

Jack! I'm sorry.

1476

02:01:04,257 --> 02:01:06,591

I'm sorry. I'm so sorry.

1477

02:01:07,593 --> 02:01:08,969

That guy Lovejoy put
it in my pocket.

1478

02:01:09,011 --> 02:01:10,929

I know, I know, I know.

1479

02:01:11,013 --> 02:01:12,055

Listen Rose...

1480

02:01:12,181 --> 02:01:14,641

you're gonna have to find
the spare key, all right?

1481

02:01:14,684 --> 02:01:16,017

Look in that
cabinet right there.

1482

02:01:17,561 --> 02:01:19,479

It's a little silver one, Rose.

1483

02:01:22,066 --> 02:01:23,566

These are all brass ones!

1484

02:01:24,443 --> 02:01:25,944

Check right here, Rose.

1485

02:01:30,533 --> 02:01:31,533

Rose.

1486

02:01:32,868 --> 02:01:34,452

How did you find out I didn't do it?

1487

02:01:34,912 --> 02:01:35,912

I didn't.

1488

02:01:36,038 --> 02:01:38,039

I just realized I already knew.

1489

02:01:40,626 --> 02:01:41,626

Keep looking.

1490

02:01:50,970 --> 02:01:52,012

No key.

1491

02:01:52,555 --> 02:01:53,555

There's no key!

1492

02:01:53,639 --> 02:01:54,639

All right, Rose, listen.

1493

02:01:54,974 --> 02:01:56,349

You're gonna have
to go find some help.

1494

02:01:57,226 --> 02:01:58,226

It'll be all right.

1495

02:02:03,649 --> 02:02:05,066

I'll be right back.

1496

02:02:12,658 --> 02:02:14,492

I'll just wait here!

1497

02:02:27,798 --> 02:02:29,007

Hello? Is there anyone here?

1498

02:02:30,217 --> 02:02:31,217

Hello?

1499

02:02:31,844 --> 02:02:33,470

Is there anybody down here?

1500

02:02:34,680 --> 02:02:36,473

We need help! Hello?

1501

02:02:38,184 --> 02:02:39,184

Damnit!

1502

02:02:45,691 --> 02:02:49,527

Can anybody hear me, please?!

Hello?! Hello?!

1503

02:02:51,530 --> 02:02:52,864

Oh, thank God.

1504

02:02:53,199 --> 02:02:54,324

Wait, please, I need your help.

1505

02:02:54,617 --> 02:02:55,617

There's a man back

here and he's...

1506

02:02:56,494 --> 02:02:57,494

Wait!

1507

02:03:01,707 --> 02:03:03,041

Hello?!

1508

02:03:28,818 --> 02:03:29,859

Hello?

1509

02:03:31,320 --> 02:03:32,821

Miss, you shouldn't

be here now.

1510

02:03:33,114 --> 02:03:34,322

I need your help.

1511

02:03:34,698 --> 02:03:36,449

There is a man down

here and he is trapped.

1512

02:03:36,659 --> 02:03:37,659

- This way, yes. All right.

- Please!

1513

02:03:37,993 --> 02:03:39,828

- There's no need to panic.

- No, I'm not panicking!

1514

02:03:40,079 --> 02:03:41,913

You're going the wrong way!

1515

02:03:42,248 --> 02:03:43,998

Let go of me! Listen!!!

1516

02:03:49,672 --> 02:03:50,672

To hell with you.

1517

02:04:28,627 --> 02:04:30,128

Oh, my God.

1518

02:05:22,181 --> 02:05:23,765

Will this work?

1519

02:05:24,683 --> 02:05:25,767

I guess we'll find out.

1520

02:05:26,435 --> 02:05:27,435

Come on.

1521

02:05:30,523 --> 02:05:31,523

Wait, wait, wait.

1522

02:05:32,191 --> 02:05:33,691

Try a couple practice

swings over there.

1523

02:05:39,907 --> 02:05:40,907

Good.

1524

02:05:41,200 --> 02:05:42,992

Now try and hit the same mark

again, Rose. You can do it.

1525

02:05:49,708 --> 02:05:52,168

Okay, that's enough practice.

Come on, Rose.

1526

02:05:52,336 --> 02:05:53,920

You can do it.

1527

02:05:54,213 --> 02:05:57,882

Listen, just hit it really hard
and really fast.

1528

02:05:59,260 --> 02:06:00,552

Come on. Wait.

1529

02:06:00,636 --> 02:06:02,887

Open your
hands up a little more.

1530

02:06:03,222 --> 02:06:04,556

- Like that?

- Right.

1531

02:06:05,558 --> 02:06:07,600

Listen, Rose, I trust you.

1532

02:06:12,565 --> 02:06:13,565

Go.

1533

02:06:19,905 --> 02:06:20,947

You did it!

1534

02:06:21,574 --> 02:06:22,907

Come on. Let's go.

1535

02:06:23,576 --> 02:06:25,577

Oh shit, this is cold!

Oh, shit!

1536

02:06:25,911 --> 02:06:27,495

Shit! Shit!

1537

02:06:33,085 --> 02:06:34,168

This is the way out.

1538

02:06:35,254 --> 02:06:37,755

We have to find
another way. Come on.

1539

02:06:40,801 --> 02:06:41,801

Pull.

1540

02:06:42,845 --> 02:06:43,845

Put your backs into it.

1541

02:06:49,810 --> 02:06:50,810

Pull!

1542

02:06:51,770 --> 02:06:54,606

Now, there's something
you don't see every day.

1543

02:07:16,462 --> 02:07:19,297

What's this luggage doing here?
Get rid of it. Get rid of it.

1544

02:07:19,423 --> 02:07:20,506

We need the room.

Get rid of that. Out.

1545

02:07:22,384 --> 02:07:25,386

This way.

Let go, sir. Get back.

1546

02:07:25,638 --> 02:07:26,971

Keep calm!

1547

02:07:34,313 --> 02:07:35,313

Lovejoy!

1548

02:07:35,689 --> 02:07:37,690

She's not on the starboard side either.

1549

02:07:37,983 --> 02:07:41,986

We're running out of time. This strutting
martinet isn't letting any men on at all.

1550

02:07:42,655 --> 02:07:44,656

There's one on the other
side letting men on.

1551

02:07:45,324 --> 02:07:46,616

Well then, that's our play.

1552

02:07:46,784 --> 02:07:49,452

We'll need some

insurance first. Come on.

1553

02:07:50,329 --> 02:07:52,413

This way, please.

All the way down here.

1554

02:07:55,501 --> 02:07:56,501

Here!

1555

02:07:57,711 --> 02:07:59,003

What do you think you're doing?

1556

02:07:59,505 --> 02:08:01,506

You'll have to pay for

that, you know.

1557

02:08:01,757 --> 02:08:03,508

That's White Star

Line property.

1558

02:08:03,842 --> 02:08:05,343

Shut up!

1559

02:08:06,178 --> 02:08:09,347

Will you hold the boat a moment?

I just have to run back to my room...

1560

02:08:10,182 --> 02:08:11,224

Sit down!

1561

02:08:11,850 --> 02:08:12,892

She's the last.

1562

02:08:13,060 --> 02:08:14,811

- Prepare to lower.

- Mr. Lightoller.

1563

02:08:14,978 --> 02:08:16,896

Why are the boats being

launched half full?

1564

02:08:17,189 --> 02:08:18,189

Not now, Mr. Andrews.

1565

02:08:18,440 --> 02:08:21,609

There, look. 20 or so

in a boat built for 65?

1566

02:08:21,860 --> 02:08:23,861

And I saw one boat

with only 12. 12!

1567

02:08:24,196 --> 02:08:27,240

Well, we weren't sure of

the weight, Mr. Andrews.

1568

02:08:27,449 --> 02:08:28,574

These boats may buckle.

1569

02:08:28,784 --> 02:08:29,784

Rubbish!

1570

02:08:30,035 --> 02:08:32,704

They were tested in Belfast
with the weight of 70 men.

1571

02:08:33,122 --> 02:08:35,581

Now, fill these boats, Mr. Lightoller.
For God's sake man!

1572

02:08:42,881 --> 02:08:45,717

Please, I need more women
and children, please!

1573

02:08:51,056 --> 02:08:52,223

Get back in there!

1574

02:08:52,558 --> 02:08:55,059

This is not an exit.

This is not an exit.

1575

02:08:57,646 --> 02:09:00,314

You can't keep us locked in here.
Like animals. The ship's bloody sinking.

1576

02:09:01,567 --> 02:09:03,568

Bring forward the women!

1577

02:09:03,902 --> 02:09:05,403

Unlock the gates.

1578

02:09:06,238 --> 02:09:08,239

Women only!

1579

02:09:08,907 --> 02:09:12,410

No men!

1580

02:09:16,915 --> 02:09:21,169

Get back!

1581

02:09:21,253 --> 02:09:22,628

Lock the gates!

1582

02:09:23,422 --> 02:09:24,797

Get them back from those gates!

1583

02:09:26,175 --> 02:09:27,467

Don't touch the gates!

1584

02:09:31,096 --> 02:09:32,472

For God's sake, man...

1585

02:09:32,598 --> 02:09:34,140

there are women and
children down here!

1586

02:09:34,433 --> 02:09:36,768

Let us up so we can have a chance!

1587

02:09:37,811 --> 02:09:38,811

Get back!

1588

02:09:42,566 --> 02:09:43,691

Tommy!

1589

02:09:43,776 --> 02:09:45,276

- Can we get out?

- It's hopeless that way.

1590

02:09:45,611 --> 02:09:47,028

Whatever we do,
we've got to do it fast.

1591

02:09:50,783 --> 02:09:52,200

The boats are all going.

1592

02:09:52,534 --> 02:09:54,285

This whole place is flooding.
We've gotta get out of here.

1593

02:09:54,453 --> 02:09:55,495

There is niente this way.

1594

02:09:56,622 --> 02:09:57,872

Let's go this way, all right?
Come on!

1595

02:10:03,962 --> 02:10:05,129

I make my own luck.

1596

02:10:05,464 --> 02:10:06,964

So do I.

1597

02:10:14,807 --> 02:10:16,140

Come on!

1598

02:10:16,642 --> 02:10:17,683

No, come on, let's go this way.

1599

02:10:27,236 --> 02:10:28,402

This way!

1600

02:10:29,279 --> 02:10:30,655

Just go back to
the main stairwell.

1601

02:10:31,824 --> 02:10:33,115

And everything will be
sorted out there.

1602

02:10:34,576 --> 02:10:36,410

It will all get sorted out back there.

1603

02:10:36,787 --> 02:10:37,912

Go back to the main stairwell.

1604

02:10:38,038 --> 02:10:39,997

- Open the gate!

- Go back down the main stairwell.

1605

02:10:40,249 --> 02:10:41,582

Open the gate right now!

1606

02:10:41,834 --> 02:10:43,918

Go back down the main
stairwell, like I told you.

1607

02:10:46,171 --> 02:10:48,673

Goddamn it! Son of a bitch!

1608

02:10:49,007 --> 02:10:50,675

Stop that!

1609

02:10:54,596 --> 02:10:55,638

Fabri, Tommy,
give me a hand here.

1610

02:10:55,722 --> 02:10:56,722

Move aside.

1611

02:10:56,807 --> 02:10:58,975

Come on, pull!

1612

02:10:59,852 --> 02:11:00,852

Pull!

1613

02:11:01,854 --> 02:11:03,145

Move aside.

Quickly, move aside!

1614

02:11:03,272 --> 02:11:04,272

Put that down!

1615

02:11:04,356 --> 02:11:05,606

- Move aside!

- Put that down!

1616

02:11:05,691 --> 02:11:07,024

One! Two!

1617

02:11:07,943 --> 02:11:09,110

Three!

1618

02:11:11,363 --> 02:11:12,530

Again!

1619

02:11:14,533 --> 02:11:15,575

Now, let's go!

1620

02:11:17,911 --> 02:11:18,953

Let's go, Rose.

1621

02:11:19,037 --> 02:11:21,205

You can't go up there!

You can't do this!

1622

02:11:27,546 --> 02:11:29,380

Keep order! Keep order here!

1623

02:11:29,715 --> 02:11:32,550

Back! Back! Back!

1624

02:11:37,139 --> 02:11:38,139

Hold on to her!

1625

02:11:39,725 --> 02:11:40,766

Pull her in!

1626

02:11:41,727 --> 02:11:44,228

Get back, I say, or I'll...

1627

02:11:44,563 --> 02:11:46,731

shoot you all like dogs!

1628

02:11:47,065 --> 02:11:48,566

Keep order here!

1629

02:11:49,568 --> 02:11:51,736

Keep order, I say.

1630

02:11:52,571 --> 02:11:54,739

Mr. Lowe, man this boat.

1631

02:11:59,244 --> 02:12:03,414

Right. Is everybody all right?

Nobody panic.

1632

02:12:09,588 --> 02:12:11,255

Stay back.

1633

02:12:11,757 --> 02:12:12,924

We're too late.

1634

02:12:13,175 --> 02:12:16,260

There are more boats down the front.

Stay with this one. Murdoch.

1635

02:12:16,511 --> 02:12:18,054

He seems to be quite practical.

1636

02:12:22,768 --> 02:12:24,268

Don't lower it!

1637

02:12:24,770 --> 02:12:26,771

Cut the falls!

1638

02:12:32,277 --> 02:12:34,111

Sit down!

1639

02:12:35,447 --> 02:12:36,864

Stay back, you lot!

1640

02:12:37,115 --> 02:12:40,284

Just stay back, the

lot of you! Stay back!

1641

02:12:42,955 --> 02:12:45,623

It's starting to fall apart.

We don't have much time.

1642

02:12:47,292 --> 02:12:48,626

Mr. Murdoch?

1643

02:12:48,961 --> 02:12:51,462

Mr. Hockley.

You two, with me, now!

1644

02:12:51,713 --> 02:12:53,297

I'm a businessman, as you know...

1645

02:12:53,465 --> 02:12:55,049

and I have a business
proposition for you.

1646

02:13:02,808 --> 02:13:03,975

Come on, Rose.

1647

02:13:07,479 --> 02:13:08,479

The boats are gone!

1648

02:13:14,152 --> 02:13:15,820

Colonel, are there
any boats on that side?

1649

02:13:16,071 --> 02:13:18,447

No, miss, but there are a couple
of boats all the way forward.

1650

02:13:18,615 --> 02:13:20,199

This way, I'll lead you.

1651

02:13:26,415 --> 02:13:29,750

What's the use?

Nobody's listening to us anyway.

1652

02:13:30,002 --> 02:13:31,544

Well, they don't listen to

us at dinner, either.

1653

02:13:31,670 --> 02:13:32,753

Come on, let's play.

1654

02:13:32,879 --> 02:13:34,213

Keep us warm.

1655

02:13:35,007 --> 02:13:36,340

"Orpheus."

1656

02:13:41,179 --> 02:13:43,973

Music to drown by.

Now I know I'm in first class.

1657

02:13:49,855 --> 02:13:53,190

- Where is everyone?

- They're all still aft, sir.

1658

02:13:55,193 --> 02:13:57,361

We have an understanding

then, Mr. Murdoch.

1659

02:14:08,707 --> 02:14:12,710

Will the men please hold

back! Hold back, I say!

1660

02:14:15,047 --> 02:14:17,840

Women and children only!

1661

02:14:18,008 --> 02:14:19,925

Get back!

1662

02:14:20,218 --> 02:14:22,887

Come through, madame.

This way. Step back, sir!

1663

02:14:24,389 --> 02:14:27,224

You better check the
other side. Go!

1664

02:14:34,566 --> 02:14:36,400

I found her, on the other side.

1665

02:14:37,069 --> 02:14:38,486

Waiting for a boat.

1666

02:14:38,987 --> 02:14:39,987

With him.

1667

02:14:41,656 --> 02:14:43,741

- Any more women and children?

- They're all aboard, Mr. Murdoch.

1668

02:14:44,076 --> 02:14:45,910

Anyone else then?

1669

02:14:47,496 --> 02:14:48,913

- Anyone else?

- Do hurry. Hurry along.

1670

02:14:55,087 --> 02:14:57,088

Goddamn it all to hell.

1671

02:14:59,758 --> 02:15:01,092

Shit.

1672

02:15:01,384 --> 02:15:02,384

Fire!

1673

02:15:03,804 --> 02:15:05,721

Sir, sir, you can't

go through here.

1674

02:15:09,351 --> 02:15:11,685

That's it. Splendid. Right.

1675

02:15:15,607 --> 02:15:17,274

Prepare to lower.

1676

02:15:19,444 --> 02:15:21,278

Ready on the left.

1677

02:15:27,202 --> 02:15:28,869

Take them down.

1678

02:15:33,708 --> 02:15:35,042

Keep it steady.

1679

02:15:37,712 --> 02:15:41,632

Both sides together.

Steady. Keep it steady.

1680

02:15:42,676 --> 02:15:44,009

- Give her to me.

- Daddy.

1681

02:15:44,845 --> 02:15:47,179

It'll be fine, darling.

Don't you worry.

1682

02:15:47,514 --> 02:15:49,181

Daddy, get in the boat.

1683

02:15:49,516 --> 02:15:52,351

It's good-bye for a little
while. Only for a little while.

1684

02:15:52,602 --> 02:15:54,645

There'll be another
boat for the daddies.

1685

02:15:55,230 --> 02:15:56,397

This boat is for the
mummies and the children.

1686

02:15:56,523 --> 02:15:58,607

You hold Mummy's hand
and be a good little girl.

1687

02:16:00,110 --> 02:16:01,443

I'm not going without you.

1688

02:16:01,695 --> 02:16:03,237

No, you have to go, now.

1689

02:16:03,363 --> 02:16:04,363

No, Jack.

1690

02:16:04,489 --> 02:16:05,781

Get in the boat, Rose.

1691

02:16:05,866 --> 02:16:07,032

No, Jack.

1692

02:16:07,117 --> 02:16:08,117

Yes.

1693

02:16:08,201 --> 02:16:09,201

Get on the boat!

1694

02:16:09,286 --> 02:16:11,620

Yes, get on the boat, Rose.

1695

02:16:14,457 --> 02:16:15,624

Oh my God, look at you.

1696

02:16:15,876 --> 02:16:17,710

You look a fright.

1697

02:16:17,794 --> 02:16:18,794

Here.

1698

02:16:20,547 --> 02:16:22,715

Put this on. Come.

1699

02:16:27,721 --> 02:16:29,555

Go on. I'll get the next one.

1700

02:16:29,806 --> 02:16:31,640

No, not without you.

1701

02:16:31,892 --> 02:16:33,726

I'll be all right.

Listen, I'll be fine.

1702

02:16:34,060 --> 02:16:35,895

I'm a survivor, all right?

Don't worry about me.

1703

02:16:36,229 --> 02:16:37,521

Now, go on. Get on.

1704

02:16:38,064 --> 02:16:39,690

I have an arrangement with an
officer on the other side of the ship.

1705

02:16:40,150 --> 02:16:41,692

Jack and I can get off safely.

1706

02:16:42,235 --> 02:16:43,235

Both of us.

1707

02:16:44,404 --> 02:16:45,487

See?

1708

02:16:45,572 --> 02:16:46,614

I got my own boat to catch.

1709

02:16:47,407 --> 02:16:48,407

Go on, hurry.

1710

02:16:48,491 --> 02:16:49,909

They're almost full.

1711

02:16:51,411 --> 02:16:52,536

- Step aboard, miss.

- Go. Go.

1712

02:16:54,414 --> 02:16:55,581

Step aboard, please.

1713

02:16:55,874 --> 02:16:57,291

You're daddy's

good girl, all right?

1714

02:16:57,375 --> 02:16:58,500

You're my little sailor.

1715

02:17:02,756 --> 02:17:03,756

Clear the rail, please.

1716

02:17:05,425 --> 02:17:06,675

And, lower away!

1717

02:17:20,523 --> 02:17:21,857

You're a good liar.

1718

02:17:22,609 --> 02:17:24,443

Almost as good as you.

1719

02:17:29,115 --> 02:17:32,785

There's no... there's no
arrangement, is there?

1720

02:17:34,120 --> 02:17:35,621

No, there is.

1721

02:17:35,956 --> 02:17:38,123

Not that you'll benefit much from it.

1722

02:17:40,043 --> 02:17:41,710

I always win, Jack.

1723

02:17:42,796 --> 02:17:44,463

One way or another.

1724

02:18:42,605 --> 02:18:43,647

Rose!

1725

02:18:46,026 --> 02:18:47,026

Stop her!

1726

02:18:47,777 --> 02:18:48,777

Rose, what are you doing?!

1727

02:18:50,864 --> 02:18:51,864

No!

1728

02:19:14,888 --> 02:19:17,556

Rose! You're so stupid!

Why did you do that?

1729

02:19:17,891 --> 02:19:19,892

You're so stupid, Rose.

1730

02:19:21,227 --> 02:19:22,895

Why did you do that? Why?!

1731

02:19:24,230 --> 02:19:26,231

You jump, I jump, right?

1732

02:19:28,068 --> 02:19:29,109

Right.

1733

02:19:31,780 --> 02:19:33,364

Oh God. I couldn't go.

1734

02:19:34,324 --> 02:19:35,824

I couldn't go, Jack.

1735

02:19:35,909 --> 02:19:37,576

It's all right. We'll
think of something.

1736

02:19:39,245 --> 02:19:40,746

- At least I'm with you.
- We'll think of something.

1737

02:19:55,220 --> 02:19:56,261

Come on! Move!

1738

02:19:59,599 --> 02:20:00,599

Come on! Move.

1739

02:20:07,399 --> 02:20:08,399

Come on!

1740

02:20:16,533 --> 02:20:17,533

Move!

1741

02:20:23,790 --> 02:20:25,290

Come on! Come on Rose.

1742

02:20:27,877 --> 02:20:28,877

Rose, come on!

1743

02:20:31,881 --> 02:20:32,923

Move Rose!

1744

02:20:36,010 --> 02:20:37,010

Go!

1745

02:20:47,605 --> 02:20:50,315

I hope you enjoy your time together!

1746

02:21:04,330 --> 02:21:06,665

What could possibly be funny?

1747

02:21:08,084 --> 02:21:09,835

I put the diamond in the coat.

1748

02:21:12,589 --> 02:21:14,506

And I put the coat on her!

1749

02:21:16,259 --> 02:21:17,342

Come on!

1750

02:21:37,614 --> 02:21:39,031

Dada!

1751

02:21:41,367 --> 02:21:42,493

We can't leave him.

1752

02:21:47,040 --> 02:21:48,373

All right, come on!

1753

02:21:50,043 --> 02:21:52,211

Dada!

1754

02:22:05,308 --> 02:22:06,642

Go back!

1755

02:22:17,362 --> 02:22:18,529

It's the wrong way! Come back!

1756

02:22:18,613 --> 02:22:21,198

No, not that way!

Come back! Stop!

1757

02:22:26,246 --> 02:22:27,412

Go!

1758

02:22:29,749 --> 02:22:33,418

Go! Run!

1759

02:22:59,112 --> 02:23:00,112

This way!

1760

02:23:12,292 --> 02:23:13,458

Give me your hand!

1761

02:23:22,468 --> 02:23:23,802

Oh, God!

1762

02:23:28,141 --> 02:23:29,741

Help!

1763

02:23:37,942 --> 02:23:39,026

Wait, sir!

1764

02:23:39,110 --> 02:23:40,652

Sir, open the gate, please!

1765

02:23:40,903 --> 02:23:42,070

Help us, please!

1766

02:23:42,322 --> 02:23:43,488

Help us!

1767

02:23:43,656 --> 02:23:44,823

- Please!

- Please!

1768

02:23:46,492 --> 02:23:47,826

Bloody hell!

1769

02:23:53,499 --> 02:23:55,500

- Come on, come on!

- Come on!

1770

02:23:55,835 --> 02:23:57,169

Go, go!

1771

02:23:57,420 --> 02:23:58,420

Jesus.

1772

02:23:59,505 --> 02:24:00,505

- Please!

- Come on!

1773

02:24:00,757 --> 02:24:02,007

Hurry!

1774

02:24:02,884 --> 02:24:03,925

Come on!

1775

02:24:08,514 --> 02:24:10,265

I'm sorry, I dropped the keys.

1776

02:24:11,517 --> 02:24:13,685

- Wait, please!

- Wait!

1777

02:24:14,020 --> 02:24:16,521

Don't leave! Please,

send for help!

1778

02:24:35,208 --> 02:24:37,209

I got it! Which

one is it, Rose?

1779

02:24:37,543 --> 02:24:39,544

The short one.

Try the short one.

1780

02:24:40,546 --> 02:24:41,546

Hurry, Jack.

1781

02:24:45,218 --> 02:24:46,885

Oh no! It won't go in.

1782

02:24:47,804 --> 02:24:48,804

Hurry, Jack.

1783

02:24:51,391 --> 02:24:53,308

It's stuck! It's stuck!

1784

02:24:54,560 --> 02:24:56,228

- Come on!

- Hurry, Jack!

1785

02:24:57,897 --> 02:24:59,564

- Hurry, Jack!

- Come on!

1786

02:25:02,235 --> 02:25:04,236

I got it! I got it!

Go! Go, Rose!

1787

02:25:05,238 --> 02:25:06,571

Go! Go!

1788

02:25:18,918 --> 02:25:21,253

Jack! Come on!

1789

02:25:23,256 --> 02:25:24,756

Move, move.

1790

02:25:34,600 --> 02:25:36,435

- Get those oars in place.

- Get an oar under it.

1791

02:25:41,607 --> 02:25:43,275

Hold it! Hold it!

1792

02:25:43,609 --> 02:25:44,943

Hold it!

1793

02:25:54,871 --> 02:25:59,124

Get these davits cranked in!

Let's get the falls hooked up!

1794

02:26:11,304 --> 02:26:13,138

Mommy!

1795

02:26:19,812 --> 02:26:20,896

Keep going up!

1796

02:26:24,150 --> 02:26:25,650

Stop pushing!

1797

02:26:27,820 --> 02:26:29,154

Stay back!

1798

02:26:29,405 --> 02:26:31,907

Will you give us a chance

to live, you limey bastard!

1799

02:26:32,158 --> 02:26:34,659

I'll shoot any man who tries

to get past me! Get back!

1800

02:26:34,827 --> 02:26:35,911

Bastard!

1801

02:26:36,162 --> 02:26:37,662

Get back!

1802

02:26:37,830 --> 02:26:38,914

We had a deal, damn you!

1803

02:26:42,335 --> 02:26:45,337

Your money can't save you
any more than it could save me.

1804

02:26:45,463 --> 02:26:46,463

Get back!

1805

02:26:47,673 --> 02:26:49,591

Women and children only!

1806

02:26:58,518 --> 02:26:59,851

No, Tommy!

1807

02:27:18,579 --> 02:27:19,579

No, Will!

1808

02:27:26,462 --> 02:27:27,963

Now stand back, damn you!

1809

02:27:31,300 --> 02:27:34,803

Gently, gently. Hold it. Hold it.

1810

02:27:44,480 --> 02:27:46,147

I have a child!

1811

02:27:46,482 --> 02:27:48,608

- I have a child!

- Clear a path here!

1812

02:27:48,985 --> 02:27:50,986

Please, I have a child!

1813

02:27:51,821 --> 02:27:54,489

Please. I'm all she has in the world.

1814

02:27:55,449 --> 02:27:56,491

Go on.

1815

02:27:56,826 --> 02:27:57,826

Step back!

1816

02:27:58,327 --> 02:27:59,661

- Please?

- Here, give her to me.

1817

02:28:00,371 --> 02:28:01,788

You're all right, dearie.

1818

02:28:04,876 --> 02:28:05,959

Give her here.

1819

02:28:07,879 --> 02:28:08,879

There, there.

1820

02:28:13,175 --> 02:28:16,011

Wait, wait, wait! Mr. Andrews!

1821

02:28:18,514 --> 02:28:19,514

Oh, Rose.

1822

02:28:22,518 --> 02:28:23,852

Won't you even
make a try for it?

1823

02:28:25,855 --> 02:28:30,358

I'm sorry that I didn't build you
a stronger ship, young Rose.

1824

02:28:32,194 --> 02:28:34,529

It's going fast.
We have to move.

1825

02:28:34,822 --> 02:28:35,822

Wait.

1826

02:28:38,868 --> 02:28:40,327

Good luck to you, Rose.

1827

02:28:42,371 --> 02:28:43,371

And to you.

1828

02:28:56,344 --> 02:28:57,385

Mr. Guggenheim?

1829

02:28:57,845 --> 02:28:59,012

These are for you, Mr. Guggenheim.

1830

02:28:59,221 --> 02:29:00,221

No, thank you.

1831

02:29:00,389 --> 02:29:04,267

We are dressed in our best and are
prepared to go down as gentlemen.

1832

02:29:05,061 --> 02:29:07,020

But we would like a brandy.

1833

02:29:07,730 --> 02:29:10,231

Get the falls over here now!

1834

02:29:10,900 --> 02:29:13,360

Let them drop. Then we'll right it.

1835

02:29:18,616 --> 02:29:19,741

Capitán?

1836

02:29:20,242 --> 02:29:22,577

Capitán, where should I go? Please.

1837

02:29:29,919 --> 02:29:31,920

Captain. Captain. Sir.

1838

02:30:02,410 --> 02:30:04,619

Right. That's it, then.

1839

02:30:05,454 --> 02:30:07,080

Good-bye, Wally. Good luck.

1840

02:30:08,124 --> 02:30:09,290

- Good-bye, Wallace.

- So long, old chap.

1841

02:31:24,533 --> 02:31:29,037

And so they lived happily
together for 300 years...

1842

02:31:29,371 --> 02:31:31,539

in the land of Tir na nog...

1843

02:31:32,541 --> 02:31:35,210

Land of eternal
youth and beauty.

1844

02:32:10,579 --> 02:32:11,913

There's no time!

1845

02:32:12,081 --> 02:32:13,456

Cut those falls!

1846

02:32:13,707 --> 02:32:15,875

Cut them!

Cut them if you have to!

1847

02:32:16,585 --> 02:32:19,254

I need a knife!

1848

02:32:20,923 --> 02:32:22,590

Cut the falls now!

1849

02:32:23,217 --> 02:32:24,592

Cut them loose!

1850

02:32:35,104 --> 02:32:36,938

Cut those bloody falls!

1851

02:33:24,612 --> 02:33:25,945

Gentlemen...

1852

02:33:26,447 --> 02:33:29,115

it has been a privilege
playing with you tonight.

1853

02:34:29,927 --> 02:34:31,803

We have to stay on the
ship as long as possible.

1854

02:34:31,971 --> 02:34:32,971

Come on!

1855

02:34:45,025 --> 02:34:46,693

This way. Through the rail.

1856

02:34:48,946 --> 02:34:50,280

Come on, Rose.

1857

02:34:50,614 --> 02:34:51,614

Jump.

1858

02:34:53,951 --> 02:34:55,034

Come on.

1859

02:35:28,319 --> 02:35:29,902

I got you. Jump.

1860

02:35:32,573 --> 02:35:34,407

I've got you, miss.

1861

02:35:38,245 --> 02:35:39,412

Back!

1862

02:36:09,610 --> 02:36:11,277

No! You'll swamp us!

1863

02:36:24,041 --> 02:36:27,126

Yea, though I walk through the
valley of the shadow of death...

1864

02:36:27,461 --> 02:36:30,213

You wanna walk a little faster
through that valley there?

1865

02:37:20,514 --> 02:37:22,014

Holy Mary, mother of God...

1866

02:37:22,182 --> 02:37:25,143

pray for us sinners now and
at the hour of our death. Amen.

1867

02:37:25,853 --> 02:37:26,936

Hail Mary, full of grace...

1868

02:37:27,020 --> 02:37:28,104

This way.

1869

02:37:38,449 --> 02:37:40,533

Come on!

1870

02:37:50,210 --> 02:37:52,628

And I saw a new heaven

and a new earth...

1871

02:37:52,880 --> 02:37:56,382

for the first heaven and the first earth

had passed away...

1872

02:37:57,468 --> 02:37:59,051

and there was no more sea.

1873

02:38:05,559 --> 02:38:08,644

It'll be over soon.

It'll all be over soon.

1874

02:38:14,234 --> 02:38:15,735

And He shall dwell with them.

1875

02:38:15,903 --> 02:38:20,323

And they shall be His people
and God Himself shall be with them...

1876

02:38:20,657 --> 02:38:22,074

and be their God.

1877

02:38:22,826 --> 02:38:23,910

Jack...

1878

02:38:24,912 --> 02:38:26,913

this is where we first met.

1879

02:38:33,962 --> 02:38:37,173

And God shall wipe away
all the tears from their eyes...

1880

02:38:37,508 --> 02:38:39,592

and there shall be
no more death.

1881

02:38:40,093 --> 02:38:42,595

Neither shall there be
sorrow or crying.

1882

02:38:43,096 --> 02:38:45,598

Neither shall there
be any more pain...

1883

02:38:46,433 --> 02:38:49,185

for the former world
has passed away.

1884

02:39:03,617 --> 02:39:05,952

Bloody pull faster! And pull!

1885

02:39:29,226 --> 02:39:30,560

Hang on, miss Trudy!

1886

02:40:06,513 --> 02:40:08,014

Hold on real tight.

1887

02:40:25,532 --> 02:40:27,366

God Almighty.

1888

02:40:34,833 --> 02:40:37,376

Keep those breakers in!

Keep them in!

1889

02:41:56,373 --> 02:41:57,790

We have to move!

1890

02:42:03,714 --> 02:42:05,089

Give me your hand.

I'll pull you over.

1891

02:42:05,132 --> 02:42:06,132

I can't.

1892

02:42:06,258 --> 02:42:07,258

Come on!

1893

02:42:07,342 --> 02:42:08,384

Give me your hand.

1894

02:42:10,137 --> 02:42:12,138

I've got you. I won't let go.

1895

02:42:12,723 --> 02:42:13,764

Come on, I've got you.

1896

02:42:24,985 --> 02:42:28,154

- What's happening, Jack?

- I don't know. I don't know.

1897

02:42:37,330 --> 02:42:38,330

Hold on.

1898

02:43:20,707 --> 02:43:21,874

This is it!

1899

02:43:33,887 --> 02:43:37,556

Oh, my God, Jack!

Oh, God. Oh, God.

1900

02:43:38,225 --> 02:43:39,558

Hold on!

1901

02:43:54,574 --> 02:43:56,534

The ship is gonna suck us down.

1902

02:43:56,576 --> 02:43:58,786

Take a deep breath when I say.

1903

02:44:04,417 --> 02:44:06,585

Kick for the surface

and keep kicking.

1904

02:44:06,628 --> 02:44:07,962

Do not let go of my hand.

1905

02:44:15,679 --> 02:44:16,929

We're going to make it, Rose.

1906

02:44:16,972 --> 02:44:17,972

Trust me.

1907

02:44:18,098 --> 02:44:19,348

I trust you.

1908

02:44:24,437 --> 02:44:26,438

Ready! Ready!

1909

02:44:26,940 --> 02:44:27,940

Now!

1910

02:45:04,311 --> 02:45:06,145

Jack! Jack!

1911

02:45:49,189 --> 02:45:50,189

Rose!

1912

02:45:50,690 --> 02:45:53,025

Get off her! Get off her!

1913

02:45:57,238 --> 02:45:58,906

Swim, Rose! I need you to swim!

1914

02:46:03,703 --> 02:46:05,371

Keep swimming.

1915

02:46:09,042 --> 02:46:10,376

It's so cold.

1916

02:46:10,627 --> 02:46:11,961

Swim, Rose!

1917

02:46:16,549 --> 02:46:17,883

Come on.

1918

02:46:19,886 --> 02:46:20,970

Keep swimming.

1919

02:46:21,221 --> 02:46:22,554

Come on.

1920

02:46:24,516 --> 02:46:25,557

Here...

1921

02:46:25,684 --> 02:46:26,850

get on it.

1922

02:46:27,560 --> 02:46:29,061

Get on top.

1923

02:46:36,444 --> 02:46:37,903

Come on, Rose.

1924

02:46:47,455 --> 02:46:49,123

Stay on it. Stay on, Rose.

1925

02:47:10,979 --> 02:47:16,483

It'll be all right now.

1926

02:47:23,825 --> 02:47:24,992

Return...

1927

02:47:25,201 --> 02:47:26,869

the boats!

1928

02:47:30,999 --> 02:47:33,125

The boats are coming

back for us Rose.

1929

02:47:33,668 --> 02:47:35,127

Hold on just a

little bit longer.

1930

02:47:36,004 --> 02:47:38,672

They had to row

away for the suction...

1931

02:47:38,882 --> 02:47:40,966

but now they'll be coming back.

1932

02:47:44,012 --> 02:47:45,345

For God's sake!

1933

02:47:45,638 --> 02:47:46,847

Please...

1934

02:47:47,182 --> 02:47:48,474

help us!

1935

02:47:53,855 --> 02:47:55,564

You don't understand.

1936

02:47:56,399 --> 02:47:58,567

If we go back, they'll
swamp the boat.

1937

02:47:58,818 --> 02:48:00,152

They'll pull us right down,
I'm telling you.

1938

02:48:00,695 --> 02:48:03,197

Oh, knock it off.
You're scaring me.

1939

02:48:03,531 --> 02:48:06,033

Come on, girls, grab
an oar. Let's go.

1940

02:48:06,326 --> 02:48:09,495

Are you out of your mind?
We're in the middle of the North Atlantic.

1941

02:48:09,704 --> 02:48:13,040

Now, do you people want to live
or do you want to die?!

1942

02:48:20,006 --> 02:48:22,216

I don't understand a one of you.

1943

02:48:24,052 --> 02:48:25,177

What's the matter with you?

1944

02:48:26,179 --> 02:48:27,596

It's your men out there!

1945

02:48:30,058 --> 02:48:31,725

There's plenty of room for more.

1946

02:48:32,018 --> 02:48:33,685

And there'll be one less

on this boat...

1947

02:48:34,020 --> 02:48:37,397

if you don't shut that

hole in your face!

1948

02:48:53,248 --> 02:48:57,376

Now, bring in your oars over there.

And tie these boats together as well.

1949

02:49:01,756 --> 02:49:04,091

Now, make sure that's
tied up nice and tight.

1950

02:49:07,595 --> 02:49:10,264

Right, listen to me, men.
We have to go back.

1951

02:49:10,598 --> 02:49:14,101

I want to transfer all the women
from this boat into that boat right now...

1952

02:49:14,227 --> 02:49:15,394

as quick as you can, please.

1953

02:49:15,436 --> 02:49:17,938

Let's create some space over there.
Move forward and aft.

1954

02:49:27,949 --> 02:49:29,783

It's getting quiet.

1955

02:49:31,953 --> 02:49:35,289

It's just going to take a
couple of minutes...

1956

02:49:35,790 --> 02:49:37,791

to get the boats organized.

1957

02:49:40,628 --> 02:49:42,296

I don't know about you but...

1958

02:49:42,630 --> 02:49:46,133

I intend to write
a strongly worded letter...

1959

02:49:46,467 --> 02:49:48,093

to the White Star Line
about all this.

1960

02:49:56,477 --> 02:49:58,145

I love you, Jack.

1961

02:50:04,819 --> 02:50:06,320

Don't you do that.

1962

02:50:07,822 --> 02:50:10,991

Don't you say your
good-byes. Not yet.

1963

02:50:11,326 --> 02:50:12,826

Do you understand me?

1964

02:50:13,161 --> 02:50:14,995

I'm so cold.

1965

02:50:15,496 --> 02:50:16,997

Listen, Rose...

1966

02:50:18,166 --> 02:50:19,833

you're gonna get out of here.

1967

02:50:21,002 --> 02:50:22,502

You're gonna go on...

1968

02:50:23,838 --> 02:50:25,631

and you're gonna
make lots of babies.

1969

02:50:26,341 --> 02:50:28,342

And you're gonna
watch them grow.

1970

02:50:30,011 --> 02:50:31,136

You're gonna die an old...

1971

02:50:31,304 --> 02:50:32,554

an old lady.

1972

02:50:32,847 --> 02:50:34,514

Warm in her bed.

1973

02:50:36,184 --> 02:50:37,309

Not here.

1974

02:50:38,186 --> 02:50:40,687

Not this night. Not like this.

1975

02:50:41,022 --> 02:50:42,689

Do you understand me?

1976

02:50:45,693 --> 02:50:47,861

I can't feel my body.

1977

02:50:49,530 --> 02:50:50,989

Winning that ticket, Rose...

1978

02:50:51,157 --> 02:50:53,742

was the best thing that
ever happened to me.

1979

02:50:55,370 --> 02:50:57,204

It brought me to you.

1980

02:50:58,831 --> 02:51:01,291

And I'm thankful
for that, Rose.

1981

02:51:01,834 --> 02:51:03,168

I'm thankful.

1982

02:51:06,631 --> 02:51:07,714

You must...

1983

02:51:08,841 --> 02:51:10,842

you must do me this honor.

1984

02:51:13,846 --> 02:51:17,349

You must promise me
that you'll survive.

1985

02:51:19,352 --> 02:51:21,019

That you won't give up...

1986

02:51:22,188 --> 02:51:24,189

no matter what happens.

1987

02:51:26,859 --> 02:51:29,194

No matter how hopeless.

1988

02:51:32,365 --> 02:51:34,533

Promise me now, Rose.

1989

02:51:36,703 --> 02:51:39,037

And never let go
of that promise.

1990

02:51:40,707 --> 02:51:42,040

I promise.

1991

02:51:44,168 --> 02:51:45,836

Never let go.

1992

02:51:48,715 --> 02:51:50,841

I'll never let go, Jack.

1993

02:51:53,553 --> 02:51:55,220

I'll never let go.

1994

02:52:19,329 --> 02:52:20,829

Right ahead, sir.

1995

02:52:24,000 --> 02:52:25,500

Oars!

1996

02:52:26,002 --> 02:52:27,669

Do you see any moving?

1997

02:52:28,671 --> 02:52:30,589

No, sir. None moving, sir.

1998

02:52:31,174 --> 02:52:32,507

Check them.

1999

02:52:32,842 --> 02:52:34,343

Bring that oar up here.

2000

02:52:41,017 --> 02:52:42,017

Check them. Make sure.

2001

02:52:43,436 --> 02:52:45,062

These are dead, sir.

2002

02:52:45,563 --> 02:52:46,730

Now, give way.

2003

02:52:47,190 --> 02:52:48,231

Ahead easy.

2004

02:52:55,031 --> 02:52:56,531

Careful with your oars.

2005

02:52:57,116 --> 02:52:58,158

Don't hit them.

2006

02:53:00,703 --> 02:53:03,038

Is there anyone

alive out there?

2007

02:53:04,540 --> 02:53:06,375

Can anyone hear me?

2008

02:53:08,544 --> 02:53:10,879

Is there anyone

alive out there?

2009

02:53:17,720 --> 02:53:18,929

We waited too long.

2010

02:53:22,850 --> 02:53:24,601

Well, keep checking them!

2011

02:53:24,727 --> 02:53:26,395

Keep looking!

2012

02:53:27,230 --> 02:53:29,731

Is there anyone

alive out there?

2013

02:53:33,236 --> 02:53:35,237

Can anyone hear me?

2014

02:53:46,416 --> 02:53:49,251

Come, Josephine...

2015

02:53:49,752 --> 02:53:54,256

in my flying machine

2016

02:53:55,758 --> 02:53:58,969

And it's up she goes

2017

02:54:00,930 --> 02:54:02,931

Up she goes

2018

02:54:08,438 --> 02:54:10,605

Come, Josephine...

2019

02:54:12,942 --> 02:54:15,277

in my flying...

2020

02:54:39,135 --> 02:54:40,735

Jack.

2021

02:55:00,156 --> 02:55:01,490

There's a boat.

2022

02:55:14,670 --> 02:55:16,004

Jack.

2023

02:55:28,518 --> 02:55:30,519

There's a boat, Jack.

2024

02:56:14,230 --> 02:56:16,230

Come back.

2025

02:56:27,577 --> 02:56:29,911

Come back. Come back!

2026

02:56:31,414 --> 02:56:32,914

Hello!

2027

02:56:35,042 --> 02:56:36,918

Can anyone hear me?

2028

02:56:37,420 --> 02:56:39,087

There's nothing here, sir.

2029

02:56:41,591 --> 02:56:45,760

Come back.

2030

02:56:53,603 --> 02:56:55,103

I'll never let go.

2031

02:56:55,354 --> 02:56:56,688

I promise.

2032

02:57:39,774 --> 02:57:41,608

Come about!

2033

02:58:02,963 --> 02:58:06,800

Fifteen hundred people
went into the sea...

2034

02:58:07,134 --> 02:58:10,136

when Titanic
sank from under us.

2035

02:58:11,972 --> 02:58:15,141

There were twenty
boats floating nearby...

2036

02:58:16,310 --> 02:58:18,645

and only one came back.

2037

02:58:20,481 --> 02:58:21,606

One.

2038

02:58:23,317 --> 02:58:25,985

Six were saved
from the water...

2039

02:58:26,487 --> 02:58:28,154

myself included.

2040

02:58:29,323 --> 02:58:30,615

Six...

2041

02:58:31,826 --> 02:58:33,702

out of fifteen hundred.

2042

02:58:36,997 --> 02:58:38,331

Afterward...

2043

02:58:39,500 --> 02:58:41,501

the seven hundred
people in the boats...

2044

02:58:42,294 --> 02:58:44,379

had nothing to do but wait.

2045

02:58:46,006 --> 02:58:47,674

Wait to die.

2046

02:58:48,175 --> 02:58:49,676

Wait to live.

2047

02:58:50,845 --> 02:58:53,012

Wait for an absolution...

2048

02:58:53,514 --> 02:58:55,348

that would never come.

2049

02:59:59,580 --> 03:00:02,040

Sir, I don't think you'll find any
of your people down here.

2050

03:00:02,208 --> 03:00:03,625

It's all steerage.

2051

03:00:06,587 --> 03:00:10,131

His hair is reddish brown,

reddish brown, reddish brown.

2052

03:00:10,257 --> 03:00:11,633

White beard.

2053

03:00:12,092 --> 03:00:13,718

Isn't there another

passenger list?

2054

03:00:13,761 --> 03:00:14,886

There is no other list.

2055

03:00:15,054 --> 03:00:16,471

Perhaps he's on another ship.

2056

03:00:16,764 --> 03:00:18,598

We're doing all we can,

ma'am. I'm so sorry.

2057

03:00:41,956 --> 03:00:44,624

That's the last time

I ever saw him.

2058

03:00:45,125 --> 03:00:48,628

He married. Of course.

And inherited his millions.

2059

03:00:49,296 --> 03:00:52,799

But the Crash of '29 hit

his interests hard...

2060

03:00:53,133 --> 03:00:55,426

and he put a pistol in

his mouth that year.

2061

03:00:55,970 --> 03:00:57,804

Or so I read.

2062

03:01:10,651 --> 03:01:12,110

Can I take your name

please, love?

2063

03:01:15,155 --> 03:01:16,489

Dawson.

2064

03:01:18,659 --> 03:01:20,159

Rose Dawson.

2065

03:01:21,495 --> 03:01:22,662

Thank you.

2066

03:01:29,670 --> 03:01:31,796

We never found
anything on Jack.

2067

03:01:31,964 --> 03:01:33,882

There's no record
of him at all.

2068

03:01:34,508 --> 03:01:36,843

No, there wouldn't
be, would there?

2069

03:01:37,177 --> 03:01:39,888

And I've never spoken
of him until now.

2070

03:01:40,639 --> 03:01:41,681

Not to anyone.

2071

03:01:42,850 --> 03:01:44,851

Not even your grandfather.

2072

03:01:45,185 --> 03:01:49,188

A woman's heart is a
deep ocean of secrets.

2073

03:01:50,024 --> 03:01:53,693

But now you know there was
a man named Jack Dawson...

2074

03:01:54,028 --> 03:01:56,029

and that he saved me...

2075

03:01:56,363 --> 03:01:59,699

in every way that
a person can be saved.

2076

03:02:01,702 --> 03:02:04,370

I don't even have
a picture of him.

2077

03:02:06,874 --> 03:02:10,710

He exists now only
in my memory.

2078

03:02:15,549 --> 03:02:19,052

Keldysh, Mir 2 on our
way to the surface.

2079

03:02:35,569 --> 03:02:38,363

I was saving this for when
I found the diamond.

2080

03:02:47,748 --> 03:02:49,248

I'm sorry.

2081

03:02:51,919 --> 03:02:53,419

Three years...

2082

03:02:54,088 --> 03:02:56,756

I've thought of
nothing except Titanic.

2083

03:02:57,591 --> 03:02:59,425

But I never got it.

2084

03:03:02,554 --> 03:03:04,430

I never let it in.
