00:00:22,455 --> 00:00:25,015

[Squeaking]

2

00:01:12,839 --> 00:01:16,536

[Whooshing]

3

00:01:28,287 --> 00:01:30,619

[Rocket Firing]

4

00:01:37,863 --> 00:01:40,855

[Rocket Firing]

5

00:01:40,933 --> 00:01:43,959

[Hydraulics Whooshing]

6

00:01:57,850 --> 00:02:00,478

[BreathingApparatus Hissing]

7

00:02:00,553 --> 00:02:05,115

Buzz Lightyear mission log.

All signs point to this planet
as the location of Zurg's fortress,

8

00:02:05,191 --> 00:02:08,991

but there seems to be no sign
of intelligent life anywhere.

9

00:02:12,198 --> 00:02:15,031

[Electronic Whirring]

10

00:02:15,100 --> 00:02:18,900

[All Whirring]

11

00:02:18,971 --> 00:02:21,997

- [Grunts]

- [Laser Buzzing]

12

00:02:28,647 --> 00:02:31,138

[Screaming]

13

00:02:38,157 --> 00:02:40,921

[Electronic Whirring]

14

00:02:42,261 --> 00:02:45,856

- [Electronic Beeping]

- [Grunts]

15

00:03:02,014 --> 00:03:04,380

[Gasping]

16

00:03:04,450 --> 00:03:08,887

- [Beeping]

- [Laughing Evilly]

Come to me, myprey.

17

00:03:08,954 --> 00:03:11,514

[Continues Gasping]

18

00:03:20,799 --> 00:03:23,427

[Grunts]

19

00:03:24,503 --> 00:03:27,131

[Electronic Buzzing]

20

00:03:43,322 --> 00:03:45,483

[Screaming]

21

00:03:51,230 --> 00:03:54,961

To infinity and beyond!

22

00:04:02,274 --> 00:04:05,368

[Electronic Whirring]

23

00:04:05,444 --> 00:04:09,778

So, we meet again,

Buzz Lightyear, for the last time.

24

00:04:09,848 --> 00:04:12,510

Not today, Zurg!

25

00:04:17,256 --> 00:04:20,123

- [Cries Out]

- [Grunts]

26

00:04:24,563 --> 00:04:25,764

[Laughing Maniacally]

27

00:04:25,764 --> 00:04:27,254

[Laughing Maniacally]

28

00:04:28,433 --> 00:04:30,298

- ** [GameTheme]

- Oh, no! No!

29

00:04:31,369 --> 00:04:33,303

- No, no, no, no.

- Oh, you almost had him.

30

00:04:33,371 --> 00:04:35,999

- I'm never gonna defeat Zurg!

- Sure, you will, Rex.

31

00:04:36,074 --> 00:04:39,202

- In fact,

you're a better Buzz than I am.

- But look at my little arms!

32

00:04:39,277 --> 00:04:43,338

I can't press the "fire" button
and jump at the same time!

33

00:04:43,414 --> 00:04:45,439

Where is it?

Where is it?

34

00:04:45,517 --> 00:04:49,146

- Uh, Woody?

- Huh? [Grunts]

35

00:04:49,220 --> 00:04:52,383

- [Continues Grunting]

- [Both] Ooh.

36

00:04:52,457 --> 00:04:54,823

Hang on, cowboy!

37

00:04:58,029 --> 00:05:00,862

- Woody, are you all right?

- [Grunts] Oh. Yeah.

38

00:05:00,932 --> 00:05:04,698

Yeah, I'm fine, Buzz. Okay. Here's your
list of things to do while I'm gone.

39

00:05:04,769 --> 00:05:08,034

Batteries need to be changed.
Toys in the bottom of the chest
need to be rotated.

40

00:05:08,106 --> 00:05:10,666

Oh, and make sure everyone
attends Mr. Spell's seminar...

41

00:05:10,742 --> 00:05:12,676

on what to do
if you or a part of you is swallowed.

42

00:05:12,744 --> 00:05:16,510

- Okay? Okay. Good. Okay.
- Woody, you haven't found
your hat yet, have you ?

43

00:05:16,581 --> 00:05:20,312

No! And Andy's leaving
for cowboy camp any minute,

and I can't find it anywhere!

44

00:05:20,385 --> 00:05:22,580

Don't worry, Woody.

In just a few hours,

45

00:05:22,654 --> 00:05:27,455

you'll be sitting around a campfire with

Andy making delicious, hot "sch'moes."

46

00:05:27,525 --> 00:05:30,289

- They're called s'mores, Buzz.

- Right. Right. of course.

47

00:05:30,361 --> 00:05:32,556

Has anyone found Woody's hat yet?

48

00:05:32,630 --> 00:05:36,157

[Sergeant] Keep looking, men.

Dig deeper! Negatory. Still searching.

49

00:05:36,234 --> 00:05:40,568

The lawn gnome next door says it's not

in theyard, but he'll keep lookin'.

50

00:05:40,638 --> 00:05:42,697

[Sheep Bleating]

51

00:05:42,774 --> 00:05:45,709

It's not in Molly's room.

We've looked everywhere.

52

00:05:45,777 --> 00:05:47,711

- I found it.

- you found my hat?

53

00:05:47,779 --> 00:05:50,680

you r hat? No.

The missus lost her earring.

54

00:05:50,748 --> 00:05:54,514

- Oh, my little sweet potato!

- Oh, you found it!

55

00:05:54,586 --> 00:05:56,816

Oh, it's so nice...

56

00:05:56,888 --> 00:06:00,551

to have a big, strong spud
around the house.

57

00:06:00,625 --> 00:06:03,059

- Ooh! [Giggles]

- Oh, great. That's just great.

58

00:06:03,127 --> 00:06:06,255

This'll be the first year I miss cowboy
camp, all because of my stupid hat!

59

00:06:06,331 --> 00:06:08,731

- Woody, look under your boot.

- Don't be silly.

60

00:06:08,800 --> 00:06:11,826

- My hat is not under my boot.

- Would you just look?

61

00:06:11,903 --> 00:06:15,771

[Groans] you see? No hat.

Just the word "Andy."

62

00:06:15,840 --> 00:06:20,743

Uh-huh. And the boy who
wrote that would take you to
camp with or without you r hat.

63

00:06:21,813 --> 00:06:23,747

I'm sorry, Bo.

64

00:06:23,815 --> 00:06:26,613

It's just that I've been
lookin' forward to this all year.

65

00:06:26,684 --> 00:06:30,950

- It's my one time
with just me and Andy. [Gasps]
- you're cute when you care.

66

00:06:31,022 --> 00:06:35,356

- Bo, not in front of Buzz.
- [Purrs] Let him look.

67

00:06:36,494 --> 00:06:38,792

- [Bleating]

- Miss Peep, you r sheep!

68

00:06:38,863 --> 00:06:41,457

- [Whistles]

- [Rex Screams, Grunts]

69

00:06:41,532 --> 00:06:44,660

- This is Al from Al's Toy Barn,
and I'm sittin' on good deals.

- Whoa!

70

00:06:44,736 --> 00:06:47,671

Ow! I think I'm feeling
a deal hatching right now.

71

00:06:47,739 --> 00:06:51,573

Whoa! Let's see what we got. We got
boats for a buck, Beanies for a buck--

72

00:06:51,643 --> 00:06:54,077

-Rex, turn it of f!. Someone's gonna hear!

-Which one is of f?

73

00:06:54,145 --> 00:06:57,581

Buck-buck-buck! And that's
cheap-cheap-cheap! So hurry on down--

74

00:06:57,649 --> 00:06:59,776

For cryin' out loud, it's this one.

75

00:06:59,851 --> 00:07:03,981

- I despise that chicken.

- Fellas! Fellas!

76

00:07:04,055 --> 00:07:08,822

- Okay, I got some good news,
and I got some bad news.

- What news?

77

00:07:08,893 --> 00:07:11,157

The good news is
I found your hat, Woody.

78

00:07:11,229 --> 00:07:14,790

My hat! Slink, thank you .

Thankyou , thankyou , thankyou .

79

00:07:14,866 --> 00:07:17,801

- Where'd you find it?

- Well, that's the bad news.

80

00:07:17,936 --> 00:07:20,598

- [Dog Barking]

- Oh, it's Buster!

81

00:07:20,672 --> 00:07:25,974

[Sergeant] Canine alert! Man you r
battle stations! Let's move, move, move!

82

00:07:26,044 --> 00:07:28,638

- [Buster Growling]

- Woody! Hide! Quick!

- [Woody Gasps]

83

00:07:28,713 --> 00:07:31,181

[Barking]

84

00:07:31,249 --> 00:07:34,480

[Continues Barking]

85

00:07:34,552 --> 00:07:37,146

[Beeping Electronically]

86

00:07:37,221 --> 00:07:39,519

[Snif fing]

87

00:07:39,590 --> 00:07:42,787

[Continues Barking]

88

00:07:42,860 --> 00:07:45,624

[Growling]

89

00:07:45,697 --> 00:07:49,133

[Snarling]

90

00:07:49,200 --> 00:07:52,499

[Sputtering] Okay, okay, okay.

Okay, okay! you found me!

91

00:07:52,570 --> 00:07:55,300

Buster, all right. [Groans]
Hey, how did he do, Hamm?

92

00:07:55,373 --> 00:07:59,639

- Looks like a new record.
- Okay, boy. Sit.

93

00:07:59,711 --> 00:08:02,009

- Reach for the sky.
- [Whimpering]

94

00:08:02,080 --> 00:08:04,173

- Gotcha!
- [Shrieks]

95

00:08:04,248 --> 00:08:07,046

[Chuckles]

Great job, boy.

96

00:08:07,118 --> 00:08:09,552

Who's gonna miss me
while I'm gone, huh?

97

00:08:09,620 --> 00:08:12,748

- Who's gonna miss me?

Who's gonna miss me?

- [Panting]

98

00:08:12,824 --> 00:08:14,758

[Woman]

Andy, you got all your stuff?

99

00:08:14,826 --> 00:08:19,024

-Have a good weekend, everybody.

I'll see you Sunday night.

-It's in my room.

100

00:08:19,097 --> 00:08:22,965

- [Barking]

- Stick 'em up.

101

00:08:24,335 --> 00:08:26,701

I guess we'll work on that later.

102

00:08:26,771 --> 00:08:28,932

Hey, Woody.

Ready to go to cowboy camp?

103

00:08:29,007 --> 00:08:31,703

Andy, honey, come on.

Five minutes, and we're leavin'.

104

00:08:31,776 --> 00:08:34,939

Five minutes. Hmm.

105

00:08:35,013 --> 00:08:37,072

Help, help!

Somebody help me!

106

00:08:37,148 --> 00:08:39,446

Let her go, evil Dr. Pork Chop!

107

00:08:39,517 --> 00:08:45,114

[Andy, Evil Voice] Never!

you must choose, Sherif fWoody.

Howshall she die?

108

00:08:45,189 --> 00:08:49,683

Shark, or death by monkeys?

[Imitates Monkey Chittering]

109

00:08:49,761 --> 00:08:53,959

- Choose!

- [Andy Imitating Woody]

I choose Buzz Lightyear!

110

00:08:54,032 --> 00:08:57,798

- What? That's not a choice!

- [Andy Imitating Buzz]

To infinity and beyond!

111

00:08:59,771 --> 00:09:03,935

- I'll save you , Miss Peep.

- My hero. [I m itates Kissing]

112

00:09:04,008 --> 00:09:06,533

- [Andy As Woody] Thanks, Buzz.

- [Andy As Buzz] No problem, buddy.

113

00:09:06,611 --> 00:09:10,479

you should never tangle

with the unstoppable duo

of Woody and Buzz Lightyear!

114

00:09:12,016 --> 00:09:14,576

Oh, no.

115

00:09:14,652 --> 00:09:17,951

Andy, let's go!

Molly's already in her car seat.

116

00:09:18,022 --> 00:09:21,253

- But, Mom, Woody's arm wrecked.

- Oh, no.

117

00:09:21,325 --> 00:09:25,523

- Maybe we can fix him on the way.

- No, just leave him.

118

00:09:25,596 --> 00:09:30,260

I'm sorry, honey,

but you know toys don't last forever.

119

00:09:31,536 --> 00:09:33,970

[Sighs]

120

00:09:36,674 --> 00:09:39,165

[Gasps]

121

00:09:41,813 --> 00:09:44,680

- What happened?

- Woody's been shelved.

122

00:09:44,749 --> 00:09:46,683

[Rex Gasps]

123

00:09:52,323 --> 00:09:54,655

Andy!

124

00:10:11,542 --> 00:10:16,172

-[Slinky] Woody?

-[Bo Peep] Woody? Honey, are you okay?

125

00:10:34,565 --> 00:10:37,363

[Andy] Yee-hah!

Ride'em, cowboy! [Whoops]

126

00:10:37,435 --> 00:10:41,997

He's back? Hey, everybody! Andy's back!

He's back early from cowboy camp!

127

00:10:42,073 --> 00:10:46,032

- Places, everybody! Andy's coming!

- [All Gasping, Chattering]

128

00:10:46,110 --> 00:10:49,807

Yeah!

** [Humming Lone Ranger Theme Song]

129

00:10:49,881 --> 00:10:53,044

Hey, Woody!

Did you miss me?

130

00:10:53,117 --> 00:10:56,883

Giddyap, giddyap, giddyap.

Ride'em, cowboy!

131

00:10:56,954 --> 00:11:00,981

Ohh. I forgot.

you're broken.

132

00:11:01,058 --> 00:11:05,461

I don't wanna playwith you anymore.

133

00:11:20,578 --> 00:11:23,012

[Gasping]

134

00:11:24,515 --> 00:11:27,348

No, Andy!

No. No, Andy! No!

135

00:11:27,418 --> 00:11:30,046

[Choking]

Andy. Andy. [Garbled]

136

00:11:30,121 --> 00:11:33,090

[Voice Echoing]

Bye, Woody.

137

00:11:33,157 --> 00:11:36,860

No! No! Andy!

138

00:11:36,993 --> 00:11:40,087

[Screaming, Gasping]

139

00:11:41,831 --> 00:11:44,629

[Grunts, Coughs]

140

00:11:44,701 --> 00:11:46,999

[Coughing]

141

00:11:49,205 --> 00:11:52,197

- [Continues Coughing]

- [Woody] Wheezy, is thatyou ?

142

00:11:52,275 --> 00:11:54,766

- Hey, Woody.

- What are you doing up here?

143

00:11:54,844 --> 00:11:58,075

I thought Mom tookyou

to get you r squeaker fixed months ago.

144

00:11:58,147 --> 00:12:02,584

- Andywas so upset.

- Nah. She just told him that

to calm him down...

145

00:12:02,652 --> 00:12:04,620

and then put me on the shelf.

146

00:12:04,687 --> 00:12:08,214

- Why didn't you yell for help?

- Well, I tried squeakin'.

147

00:12:08,291 --> 00:12:12,694

But I'm still broken.

No one could hear me. [Wheezes]

148

00:12:12,762 --> 00:12:17,756

[Coughs] Besides, the dust

aggravates my condition.

149

00:12:17,834 --> 00:12:20,325

[Wheezes, Coughs]

150

00:12:21,938 --> 00:12:24,873

What's the point in

prolonging the inevitable?

151

00:12:24,941 --> 00:12:29,105

We're all just one stitch away
from here to there.

152

00:12:30,380 --> 00:12:33,144

Yardsale? Yardsale!

153

00:12:33,216 --> 00:12:36,879

Yard sale! Guys, wake up, wake up!
There's a yard sale outside!

154

00:12:36,953 --> 00:12:39,387

- Yard sale?
- Sarge, emergency roll call!

155

00:12:39,455 --> 00:12:41,616

Sir, yes, sir!
Red alert!

156

00:12:41,691 --> 00:12:45,821

All civilians fall in position now!
Single file! Let's move, move, move!

157

00:12:45,895 --> 00:12:48,455

- Hamm? Potato Head, Mr. and Mrs.?

- Here.

- [Both] Here.

158

00:12:48,531 --> 00:12:52,331

- Troikas. Check,

check, check, check, check.

- I hate yard sales!

159

00:12:52,402 --> 00:12:55,132

[Yelps]

Someone's coming!

160

00:12:55,204 --> 00:12:57,365

[Gasps]

161

00:12:57,440 --> 00:13:01,433

Okay. Let's see what's up here.

162

00:13:10,620 --> 00:13:13,817

[Puzzle Pieces Rattling]

163

00:13:17,627 --> 00:13:20,494

Bye, Woody.

164

00:13:25,635 --> 00:13:29,196

Wheezy! Think, think, Woody.

Think, think, think.

165

00:13:29,272 --> 00:13:32,400

Ooh-- [Blows Raspberry,
Sputters, Whistles]

166

00:13:32,475 --> 00:13:34,568

- [Barking]

- Hey. Here, boy. Here, Buster!

167

00:13:34,644 --> 00:13:38,080

Up here!

No, no, no, no, no, no!

168

00:13:39,382 --> 00:13:41,714

Okay, boy.

To the yard sale! Hyah!

169

00:13:41,784 --> 00:13:44,719

- [Potato Head]

What's goin'on? He's nuts.

- His arm ain't that bad.

170

00:13:44,787 --> 00:13:47,051

Don't do it, Woody!

We love you !

171

00:13:47,123 --> 00:13:50,923

[Woody] Careful on the steps, now.

[Grunting]

172

00:13:53,096 --> 00:13:55,394

[Buster Pants]

173

00:13:58,001 --> 00:14:01,232

[Child Laughing]

174

00:14:05,308 --> 00:14:08,573

Okay, boy. Let's go.

And keep it casual.

175

00:14:15,218 --> 00:14:18,153

[Woody] Not that casual.

176

00:14:18,221 --> 00:14:20,883

[Child Babbling]

177

00:14:20,957 --> 00:14:23,585

- [Hamm] Piggy bank

coming through, coming through.

- [Rex] Is he out there?

178

00:14:23,659 --> 00:14:26,127

[Buzz] There he is.

179

00:14:30,600 --> 00:14:33,433

- [Woody Grunts]

- **[Man Whistling]

180

00:14:35,505 --> 00:14:39,441

- [Rex] He's in the box!

- [Hamm] He's sellin' himself

for 25 cents!

181

00:14:39,509 --> 00:14:43,138

- you're worth more than that.

- [Buzz] Hold on. Hold on.

He's got something.

182

00:14:43,212 --> 00:14:45,510

- It's Wheezy!

- [All] Wheezy?

183

00:14:45,581 --> 00:14:48,345

Hey, it's not suicide.

It's a rescue.

184

00:14:48,418 --> 00:14:51,285

- [Woody Grunts]

- [Wheezy Squeaking]

185

00:14:51,354 --> 00:14:55,290

Good boy, Buster. Hold still.

There. There you go, pal.

186

00:14:55,358 --> 00:14:59,488

- Bless you , Woody.

- All right, now.

Back to Andy's room. Hyah!

187

00:14:59,562 --> 00:15:02,656

- [Toys Laughing]

- [Buzz] Way to go, cowboy.

188

00:15:02,732 --> 00:15:07,260

- [Slinky] Golly bob howdy!

- Woody, I'm slipping!

189

00:15:07,336 --> 00:15:09,804

[Yells, Grunts]

190

00:15:12,075 --> 00:15:15,533

[Child Laughing]

Mommy-- Mommy, look! Look at this!

191

00:15:15,611 --> 00:15:19,012

- Mommy, look! It's a cowboy dolly!

- Hey, that's not her toy!

192

00:15:19,082 --> 00:15:21,346

[Slinky] What's that little gal

think she's doin'?

193

00:15:21,417 --> 00:15:24,284

- Mommy, Mommy, can we get it?

Please? Mommy, please?

- Oh, honey.

194

00:15:24,353 --> 00:15:26,287

you don't want that toy.

It's broken.

195

00:15:26,355 --> 00:15:31,987

- [Mechanical Voice]

There's a snake in my boot.

- [Man Gasping]

196

00:15:32,061 --> 00:15:37,055

Original hand-painted face.

Natural-dye, blanket-stitched vest!

197

00:15:37,133 --> 00:15:42,093

Little rip. Fixable. Oh, if only you had

you r hand-stitched, polyvinyl--

198

00:15:42,171 --> 00:15:46,403

[Gasps, Laughs Hysterically] A hat!

I found him! I found him! I found him!

199

00:15:46,476 --> 00:15:50,139

- [Continues Laughing]

- [Andy's Mother] Buster! Quiet down!

200

00:15:50,213 --> 00:15:54,343

- Excuse me. Can I help you ?

- Yes. you can help

take his paws of f my pal.

201

00:15:54,417 --> 00:15:56,885

I'll give you , uh,

50 cents for all this junk.

202

00:15:56,953 --> 00:15:59,683

- Oh, now, how did this get down here?

- [Buzz] Handher the sherif f.

203

00:15:59,755 --> 00:16:01,985

Nice and easy.

204

00:16:02,058 --> 00:16:04,219

- Five dollars.
- I'm sorry. It's an old family toy.

205

00:16:04,293 --> 00:16:08,457

- [Groans] Wait!
- Now just walk away. The other way.

206

00:16:08,531 --> 00:16:11,193

- I'll give you 50 bucks for it.
- Fif ty bucks ain't bad.

207

00:16:11,267 --> 00:16:13,895

- [Mother] It's not for sale.
- Everything's for sale.

208

00:16:13,970 --> 00:16:17,098

- We'll trade. you like my watch?
- Sorry.

209

00:16:17,173 --> 00:16:20,609

- He's safe. Way to go!

- She showed him!

210

00:16:20,676 --> 00:16:23,167

- Molly, don't touch that, sweetie.

- [Sputtering, Groaning]

211

00:16:23,246 --> 00:16:26,147

[Potato Head]

Yeah. Go home, Mr. Fancy Car.

212

00:16:26,215 --> 00:16:28,149

- [Buzz] Hold on.

- [Hamm] What's up?

213

00:16:28,217 --> 00:16:30,879

[Rex] What is it, Buzz?

214

00:16:30,953 --> 00:16:33,820

- [Crash]

- [Toys] What's happening?

What's he doing?

215

00:16:33,890 --> 00:16:36,916

I can't watch!

Can someone cover my eyes?

216

00:16:36,993 --> 00:16:40,759

- [Buzz] He's stealin' Woody!

- [Rex] What?

He can't take Woody. It's illegal.

217

00:16:40,830 --> 00:16:44,561

- Where's he goi ng?

- Do something.

- Buzz!

218

00:16:44,634 --> 00:16:48,434

- [Gasping]

- [Potato Head] Get him, Buzz.

219

00:16:48,504 --> 00:16:51,735

Where's the red jacket?

220

00:16:53,442 --> 00:16:56,411

[Gasping, Grunting]

221

00:16:56,479 --> 00:16:59,073

[Engine Revving]

222

00:17:05,588 --> 00:17:08,318

[Grunting]

223

00:17:09,725 --> 00:17:12,751

[Cries Out, Grunts]

224

00:17:24,674 --> 00:17:28,166

Whywould someone steal Woody?

225

00:17:36,686 --> 00:17:40,247

[Grunts, Gasps]

226

00:17:44,727 --> 00:17:47,491

[Gasping, Grunting]

227

00:18:06,382 --> 00:18:09,510

All right.

Let's review this one more time.

228

00:18:09,585 --> 00:18:12,076

At precisely 8:32-ish,

229

00:18:12,154 --> 00:18:15,055

Exhibit "A," Woody, was kidnapped.

230

00:18:15,124 --> 00:18:19,128

Exhibit " B,"

a composite sketch of the kidnapper.

231

00:18:19,261 --> 00:18:23,095

- He didn't have a beard like that.

- Fine. Etch, give him a shave.

232

00:18:23,165 --> 00:18:25,895

[Slinky]

The kidnapper was bigger than that.

233

00:18:25,968 --> 00:18:28,869

- Oh, picky, picky, picky.

- Let's just go straight to Exhibit " F."

234

00:18:28,937 --> 00:18:32,634

The kidnapper's vehicle.

Now, the vehicle fled the scene
in this direction.

235

00:18:32,708 --> 00:18:35,836

- you r eyes are in backwards.

It went the otherway.

- Hey. Put a cork in it.

236

00:18:35,911 --> 00:18:38,345

- How doyou spell " F.B.I."?

- My crime scene!

237

00:18:38,413 --> 00:18:40,677

Oh, why don'tyou watch
where you're going, "Godspilla"?

238

00:18:40,749 --> 00:18:43,343

- I didn't know there was a crime scene.

- Excuse me. Excuse me.

239

00:18:43,418 --> 00:18:47,354

- A little quiet, please. Thankyou .

- Huh?

240

00:18:49,091 --> 00:18:52,390

[Mr. Spell]

Lazytoybrain.

241

00:18:52,461 --> 00:18:57,194

- Lousy try, Brian.

- What are you doing, Buzz?

242

00:18:57,266 --> 00:18:59,894

It's some sort of message
encoded on that vehicle's I.D. tag.

243

00:18:59,968 --> 00:19:03,165

- Liz try bran.

- It's just a license plate.

It's just a jumble of letters.

244

00:19:03,238 --> 00:19:07,698

Yeah, and there are about
3.5 million registered cars
in the tri-county area alone.

245

00:19:07,776 --> 00:19:10,939

- Lou's thigh burn.

- [Buzz Groaning]

246

00:19:11,013 --> 00:19:14,608

Oh, this can't help.

Let's leave Buzz to playwith his toys.

247

00:19:14,683 --> 00:19:17,948

Toy. Toy. Toy.

Hold on!

248

00:19:18,020 --> 00:19:20,853

[Mr. Spell Beeping Electronically]

249

00:19:20,923 --> 00:19:24,723

- Al's Toy Barn.

- Al's Toy Barn!

250

00:19:25,994 --> 00:19:28,929

Etch, draw that man

in a chicken suit.

251

00:19:31,700 --> 00:19:33,793

- [All Gasping]

- It's the chicken man!

252

00:19:33,869 --> 00:19:38,533

- [Buzz] That's our guy.

- I knew there was something

I didn't like about that chicken.

253

00:19:38,607 --> 00:19:40,632

Yeah,yeah,yeah.

I'll be right there.

254

00:19:40,709 --> 00:19:43,177

And we're gonna do this commercial
in one take, do you hear me,

255

00:19:43,245 --> 00:19:45,805

because I am in the middle
of something really important.

256

00:19:45,881 --> 00:19:47,974

- [Phone Beeps of f]

- [Chuckling Maniacally]

257

00:19:48,050 --> 00:19:53,784

you , my little cowboy friend,
are gonna make me big buck-buck-bucks.

258

00:19:59,895 --> 00:20:02,329

[Gasping, Straining]

259

00:20:02,397 --> 00:20:04,524

[Grunts]

260

00:20:07,636 --> 00:20:09,570

[Gasping, Grunting]

261

00:20:17,512 --> 00:20:20,310

- [Siren Blaring]

- [Gasps]

262

00:20:22,484 --> 00:20:24,645

Andy!

263

00:20:27,289 --> 00:20:31,316

I can't believe I have to drive
all the way to work on a Saturday.

264

00:20:31,393 --> 00:20:34,794

- All the way to work!

- [Horns Honking]

265

00:20:40,836 --> 00:20:42,997

[Grunting]

266

00:20:52,414 --> 00:20:57,147

What? Whoa!

[Screaming]

267

00:20:57,219 --> 00:21:00,848

Hey! Stop! Horsey, stop!

Stop! Sit, boy!

268

00:21:00,922 --> 00:21:04,153

Stop it!

[Screams] Sit, I said!

269

00:21:04,226 --> 00:21:06,694

Whoa! Whoa.

[Grunts]

270

00:21:08,163 --> 00:21:11,189

- Yee-hah!

- [Cries Out]

271

00:21:11,266 --> 00:21:14,861

It's you ! It's you !

It's you ! It's you ! It's you !

272

00:21:14,936 --> 00:21:17,302

- It's reallyyou !

- What's me?

273

00:21:17,372 --> 00:21:21,536

- Whoo-whee!

- [Mechanical Voice]

There's a snake in my boot.

274

00:21:21,610 --> 00:21:23,544

- Ha! It is you !

- Please stop saying that.

275

00:21:23,612 --> 00:21:26,080

Prospector said somedayyou'd come.

276

00:21:26,148 --> 00:21:28,082

Sweet mother of Abraham Lincoln!

277

00:21:28,150 --> 00:21:31,608

The Prospector!

He'll wanna meetya! [Whistles]

278

00:21:37,459 --> 00:21:41,395

Say "hello" to the Prospector!

279

00:21:42,531 --> 00:21:45,694

- It-- It's a box.

- He's mint in the box.

280

00:21:45,767 --> 00:21:47,701

Never been opened.

281

00:21:47,769 --> 00:21:51,933

[Pete] Turn me around,

Bullseye, so I can see.

282

00:21:54,076 --> 00:21:57,375

Why, the prodigal son has returned.

283

00:21:57,446 --> 00:22:00,745

Yee-hah!

It's you ! It's you !

284

00:22:00,816 --> 00:22:03,341

you're here! It's you !

It's you ! It's you !

285

00:22:03,418 --> 00:22:05,943

Okay. I'm officially freaked-out now.

286

00:22:06,021 --> 00:22:10,458

Oh, we've waited countless years
for this day.

287

00:22:10,525 --> 00:22:13,756

- It's good to see you , Woody.

- Listen. I don't know wh--

288

00:22:13,829 --> 00:22:18,459

- Hey, how do you know my name?

- Everyone knows your name, Wood-y.

289

00:22:19,868 --> 00:22:25,101

Why, you don't know

who you are, do you ? Bullseye?

290

00:22:32,481 --> 00:22:34,415

[Gasps]

291

00:22:39,988 --> 00:22:42,957

That's me.

292

00:22:55,971 --> 00:22:57,905

[Gasping]

293

00:23:04,880 --> 00:23:07,314

Wow.

294

00:23:11,386 --> 00:23:14,321

Holy cow.

295

00:23:14,389 --> 00:23:17,085

** [Western-style Theme Song]

296

00:23:19,094 --> 00:23:23,087

[Announcer]

Cowboy Crunchies, the cereal that's
sugar-frosted and dipped in chocolate...

297

00:23:23,165 --> 00:23:24,723

proudly presents:

298

00:23:24,800 --> 00:23:28,759

[Chorus] * Woody's Roundup

Come on, it's time to play *

299

00:23:28,837 --> 00:23:31,362

-*There's Jessie the yodeling cowgirl *

-*Yodel-ay-hee-hoo *

300

00:23:31,440 --> 00:23:33,840

- ** [Chorus Yodeling]

- Look it! That's me!

301

00:23:33,909 --> 00:23:37,675

- * Bullseye, he's Woody's horse *

- * He's a smart one *

302

00:23:37,746 --> 00:23:41,842

- * Meet the old Prospector *

- Has anyone seen my pick?

303

00:23:41,917 --> 00:23:45,353

* And the man himself

of course, it's time for Sheriff Woody *

304

00:23:45,420 --> 00:23:49,413

* He's the very best

He's the rootin'-est

tootin'-est cowboy *

305

00:23:49,491 --> 00:23:52,255

* I n the wild, wild west *

306

00:23:52,327 --> 00:23:56,024

* Woody's Roundup **

307

00:23:58,233 --> 00:24:01,259

I can't find it! It doesn't seem
to be on any of these stations.

308

00:24:01,336 --> 00:24:04,703

- Keep looking.
- you're going too slow.
Let me take the wheel.

309

00:24:04,773 --> 00:24:07,367

- [Jumbled Audio]
- [Rex] It's too fast.

310

00:24:07,442 --> 00:24:09,342

- How can you even tell what's on?
- I can tell.

311

00:24:09,411 --> 00:24:12,778

- [AlSquawks]
- [All] Stop! Back, back, back!

312

00:24:12,848 --> 00:24:16,306

Too late. I'm in the 40s.

Got to go 'round the horn. It's faster.

313

00:24:16,384 --> 00:24:19,285

- [All] Back, back! Stop!

- And look for the giant chicken!

314

00:24:19,354 --> 00:24:21,982

Now, Etch!

315

00:24:23,158 --> 00:24:25,649

That's where I need to go.

316

00:24:25,727 --> 00:24:27,718

you can't go, Buzz.

you'll never make it there.

317

00:24:27,796 --> 00:24:30,230

Woody once risked his life to save me.

318

00:24:30,298 --> 00:24:34,200

I couldn't call myself his friend

if I weren't willing to do the same.

319

00:24:34,269 --> 00:24:36,203

So who's with me?

320

00:24:36,271 --> 00:24:41,937

I'm packing you an extra pair of shoes
and you r angry eyes just in case.

321

00:24:44,012 --> 00:24:46,845

This is forWoodywhen you find him.

322

00:24:49,985 --> 00:24:53,546

[Clears Throat]

All right, but I don't think
it'll mean the same coming from me.

323

00:24:53,622 --> 00:24:58,491

Mr. Buzz Light year,
you just gotta save mypal Woody.

324

00:24:58,560 --> 00:25:01,552

- [Coughing, Wheezing]

- I'll do my best, son.

325

00:25:02,697 --> 00:25:04,892

Okay, fellas.

Let's roll.

326

00:25:10,205 --> 00:25:13,641

Geronimo!

327

00:25:13,708 --> 00:25:18,611

you'd thinkwith

all myvideo game experience,

I'd be feeling more prepared.

328

00:25:18,680 --> 00:25:20,875

[Screaming]

329

00:25:20,949 --> 00:25:23,747

The idea is to let go.

330

00:25:23,818 --> 00:25:26,446

We'll be back before Andy gets home.

331

00:25:26,521 --> 00:25:29,786

Don't talk to any toy you don't know!

332

00:25:29,858 --> 00:25:33,259

To Al's Toy Barn and beyond!

333

00:25:45,774 --> 00:25:48,743

[TVJessie] They don't
call this the old abandoned mine
for nothin', Prospector.

334

00:25:48,810 --> 00:25:50,744

I reckon we oughta
get outta here.

335

00:25:50,812 --> 00:25:53,081

[TVPete] Where's my gold?
Hold on. I'll light me a candle.

336

00:25:53,081 --> 00:25:54,105

[TV Pete] Where's my gold?
Hold on. I'll light me a candle.

337

00:25:54,182 --> 00:25:56,309

This sure is a fast-burnin' wick.

338

00:25:56,384 --> 00:25:59,717

Blast us to smithereens!

That there's dynamite!

339

00:25:59,787 --> 00:26:01,846

- Holy tarnation.

- I'll call for help.

340

00:26:01,923 --> 00:26:04,289

*Yodel-ay-hee-hoo *

341

00:26:04,358 --> 00:26:08,454

Hey, critters, go get Sherif fWoody.

Now scurry!

342

00:26:08,529 --> 00:26:12,932

[TVWoody] Good job,

Bullseye. I reckon the new

schoolhouse is finally done.

343

00:26:13,000 --> 00:26:14,968

- [Critters Chittering]

- What's that?

344

00:26:15,036 --> 00:26:17,095

Jessie and Prospector are trapped
in the old abandoned mine,

345

00:26:17,171 --> 00:26:19,264

and Prospector just lit a stick
of dynamite thinkin' it was a candle,

346

00:26:19,340 --> 00:26:21,308

and now they're about
to be blown to smithereens?

347

00:26:21,375 --> 00:26:25,175

- [Rabbit] Mm-hmm.

- Ride like the wind, Bullseye!

348

00:26:28,416 --> 00:26:32,750

you're fannin' the flames, Jessie!
It takes brains to put out that fire.

349

00:26:32,820 --> 00:26:34,879

Yow! My biscuits are burnin'!

350

00:26:40,228 --> 00:26:42,662

[Announcer]

Will Woody and Bullseye land to safety?

351

00:26:42,730 --> 00:26:45,221

Can they reach Jessie

and Stinky Pete in time?

352

00:26:45,299 --> 00:26:49,133

Tune in next week for the exciting

conclusion: "Woody's Finest Hour."

353

00:26:49,203 --> 00:26:52,138

All right! All right! Next tape!

354

00:26:52,206 --> 00:26:55,039

Hey, w-wait.

What happened? What happens next?

355

00:26:55,109 --> 00:26:57,509

- Come on! Let's see the next episode!

- [Pete] That's it.

356

00:26:57,578 --> 00:27:01,878

- What?

- The show was canceled after that.

357

00:27:01,949 --> 00:27:06,613

Wait. What about the gold mine and the
cute little critters and the dynamite?

358

00:27:06,687 --> 00:27:09,485

That was a great show!

I mean, why cancel it?

359

00:27:09,557 --> 00:27:11,991

Two words: Sput-nik.

360

00:27:12,059 --> 00:27:16,996

Once the astronauts went up, children
only wanted to play with space toys.

361

00:27:17,064 --> 00:27:20,659

I know how that feels.

But still, my own show.

362

00:27:20,735 --> 00:27:23,067

- I mean, look at all this stuff!.

- [Jessie] Didn'tyou know?

363

00:27:23,137 --> 00:27:26,072

Why, you're valuable property!

364

00:27:26,140 --> 00:27:29,075

I wish the guys could see this.

Hey-howdy-hey. That's me.

365

00:27:29,143 --> 00:27:31,668

I'm on a yo-yo.

[Chuckles]

366

00:27:31,746 --> 00:27:36,376

Oh, hey. Nice teeth.

And yet, still a good-lookin' guy.

367

00:27:38,519 --> 00:27:42,080

Oh, it's a bank! Cool.

368

00:27:42,156 --> 00:27:45,125

Wh-What do you do?

you push the hat, and out co--

369

00:27:45,193 --> 00:27:48,856

Oh, out come bubbles. Clever.

370

00:27:48,930 --> 00:27:51,763

Oh, wow. Hey, what's this thing do?

371

00:27:51,832 --> 00:27:54,528

[Laughing] I get it.

372

00:27:54,602 --> 00:27:56,797

"There's a snake in my boot."

373

00:27:56,871 --> 00:28:01,501

Oh, hey, Bullseye.

Go long! Go long! Whoo!

374

00:28:01,576 --> 00:28:04,875

- ** [Distorted Instrumental]

- A recordplayer!

375

00:28:04,946 --> 00:28:09,212

- I haven't seen one of these in ages.

- ** [Fast-speed Yodeling]

376

00:28:09,283 --> 00:28:11,877

- ** [Singing Slows]

- Okay, now. Slow.

377

00:28:11,953 --> 00:28:14,888

- ** [Extra-slow Singing]

- Oh, that's funny, Bullseye.

378

00:28:14,956 --> 00:28:17,481

Hop on, cowgirl! Think fast!

379

00:28:17,558 --> 00:28:20,425

[Jessie Gasps] Oh.

380

00:28:20,494 --> 00:28:23,122

- Not bad.

- * It's time for Woody's Roundup *

381

00:28:23,197 --> 00:28:25,597

- Whee!

- [Distorted]* He's the verybest*

382

00:28:25,666 --> 00:28:28,794

[Fast-speed]* He's the rootin'-est
tootin'-est cowboy--**

383

00:28:28,869 --> 00:28:32,498

Look at us!

We're a complete set!

384

00:28:32,573 --> 00:28:35,235

- Now it's on to the museum.

- Museum?

385

00:28:35,309 --> 00:28:37,869

- [Record Scratching]

- [Jessie Screaming]

386

00:28:37,945 --> 00:28:39,936

- What museum?

- The museum.

387

00:28:40,014 --> 00:28:44,041

We're being sold
to the Konishi Toy Museum in Tokyo.

388

00:28:44,118 --> 00:28:48,987

- That's in Japan!

-Japan? No, no, no, no, no.

I can't go toJapan.

389

00:28:49,056 --> 00:28:51,422

[Chuckles]

What doyou mean?

390

00:28:51,492 --> 00:28:55,155

I got to get back home to
my owner, Andy. Hey, look, look. See?

391

00:28:55,229 --> 00:28:58,323

- [Gasps] He still has an owner.

- Oh, my goodness.

392

00:28:58,399 --> 00:29:01,596

[Hyperventilating] No. Can't go.

393

00:29:01,669 --> 00:29:05,605

-I can't do storage again. I just can't!

-Jessie.Jessie.

394

00:29:05,673 --> 00:29:08,699

- I won't go back in the dark!

- What's the matter?

What's wrong with her?

395

00:29:08,776 --> 00:29:12,872

- Well, we've been in storage
for a long time waiting for you .

- [Continues Hyperventilating]

396

00:29:12,947 --> 00:29:16,849

- Why me?

- The museum's only interested
in the collection...

397

00:29:16,917 --> 00:29:19,511

if you're in it, Woody.

398

00:29:19,587 --> 00:29:21,885

Withoutyou , we go back into storage.

399

00:29:21,956 --> 00:29:26,450

- It's that simple.

- It's not fair!

How can you do this to us?

400

00:29:26,527 --> 00:29:29,496

Hey, look. I'm sorry,

but this is all a big mistake.

401

00:29:29,563 --> 00:29:32,623

- you see, I was in this yard sale--

- Yard sale?

402

00:29:32,700 --> 00:29:34,895

Why were you in a yard sale

if you have an owner?

403

00:29:34,969 --> 00:29:37,870

Well, I wasn't supposed to be there.

I was trying to save another toywhen--

404

00:29:37,938 --> 00:29:41,635

Was it becauseyou're damaged?

Hmm? Did this Andy breakyou ?

405

00:29:41,709 --> 00:29:45,577

Yeah, but-- No, no, no, no, no!

It was-- It was an accident.

406

00:29:45,646 --> 00:29:48,308

- I mean--

- Sounds like he really loves you .

407

00:29:48,382 --> 00:29:52,318

It's not like that, okay?

And I'm not going to any museum!

408

00:29:52,386 --> 00:29:54,877

- Well, I'm not going back into storage!

- [Door Opening]

409

00:29:54,955 --> 00:29:58,254

- [Gasps]

- [Pete]Al's coming!

- [Gasps]

410

00:29:58,326 --> 00:30:01,352

- Go! Go on,Jessie.Jessie, look at me.

- Oh, oh, oh.

411

00:30:01,429 --> 00:30:05,365

I promiseyou'll come out of the box.

Now go! Go!

412

00:30:07,768 --> 00:30:09,736

** [Al Humming]

413

00:30:12,106 --> 00:30:14,097

It's show time!

414

00:30:14,275 --> 00:30:18,234

[Chuckles] Oh, money, baby.

Money, money, money.

415

00:30:18,312 --> 00:30:20,906

[Laughs Evilly] And now,

416

00:30:20,981 --> 00:30:23,506

the main attraction.

417

00:30:23,584 --> 00:30:26,280

** [Resumes Humming]

418

00:30:32,460 --> 00:30:36,920

[Gasps, Screams]

No! His arm! Where's his arm?

419

00:30:38,666 --> 00:30:40,930

Oh... no. No, no, no, no!

420

00:30:41,001 --> 00:30:43,697

What am I gonna do?

I know. I know.

421

00:30:43,771 --> 00:30:47,571

[Muttering] Come on! Come on!

Come on! Pick up the phone!

422

00:30:47,641 --> 00:30:50,132

- [Man] Hello?

- It's me. It's Al.

I got an emergency here.

423

00:30:50,211 --> 00:30:53,408

- Well, I'm busy.

- Yes, we're all busy.

Look. It has to be tonight.

424

00:30:53,481 --> 00:30:57,383

- [Man Responds, Indistinct]

- All right. All right.

But first thing in the morning.

425

00:30:57,451 --> 00:31:00,215

[Screams] It's gone!

I can't believe it!

426

00:31:00,287 --> 00:31:02,881

- My arm is completely gone!
- All right. Come here. Let me see that.

427

00:31:02,957 --> 00:31:06,552

- [Gasping]
- Oh, it's just a popped seam,
easily repaired.

428

00:31:06,627 --> 00:31:08,720

- you should consider yourself lucky.
- Lucky?

429

00:31:08,796 --> 00:31:11,822

- are you shrink-wrapped?
- I am missing my arm!

430

00:31:11,899 --> 00:31:14,060

- Big deal.

431

00:31:15,536 --> 00:31:18,937

- Let him go.
- I'm sure his precious Andy...

432

00:31:19,006 --> 00:31:21,998

is dying to playwith
a one-armed cowboy doll.

433

00:31:22,076 --> 00:31:26,274

Why,Jessie, you know he wouldn't last
an hour on the streets in his condition.

434

00:31:26,347 --> 00:31:30,443

It's a dangerous world
out there for a toy.

435

00:31:33,854 --> 00:31:35,913

[Owl Hooting]

436

00:31:40,661 --> 00:31:43,129

[Gasping]

437

00:31:45,299 --> 00:31:47,460

[Chuckles]

438

00:31:52,440 --> 00:31:55,432

All right.

Nobody look till I get my cork back in.

439

00:31:55,509 --> 00:31:59,206

- Good work, men.

Two blocks down and only 19 more to go.

- What?

440

00:31:59,280 --> 00:32:01,407

- [All] Nineteen?

- Are we gonna do this all night?

441

00:32:01,482 --> 00:32:03,973

- My parts are killing me.

- Come on, fellas.

442

00:32:04,051 --> 00:32:07,179

Did Woody give up

when Sid had me strapped to a rocket?

443

00:32:07,254 --> 00:32:09,188

- [All] No.

- No.

444

00:32:09,256 --> 00:32:12,123

And did he give up when you threw him
out of the back of that moving van?

445

00:32:12,193 --> 00:32:14,661

- Oh, you had to bring that up.

- No, he didn't!

446

00:32:14,728 --> 00:32:19,825

We have a friend in need, and we will
not rest until he's safe in Andy's room!

447

00:32:19,900 --> 00:32:23,063

- **["Star-Spangled Banner"]

- Now let's move out!

448

00:32:27,575 --> 00:32:30,510

[Announcer]

And that concludes our broadcast day.

449

00:32:30,578 --> 00:32:33,514

[Static]

450

00:32:33,647 --> 00:32:35,444

[Snoring]

451

00:32:47,828 --> 00:32:50,729

[Snorting]

452

00:32:54,935 --> 00:32:57,165

[Crunching]

453

00:33:12,619 --> 00:33:15,087

- [Crunching]

- [Gasps]

454

00:33:15,155 --> 00:33:18,420

Bullseye. Bullseye, go, go, go, go.

455

00:33:18,492 --> 00:33:20,790

Oh, tsk. Come on. you don't wanna
help me. I'm the bad guy.

456

00:33:20,861 --> 00:33:24,524

you're gonna go back in storage
because of me, remember? Just go.

457

00:33:24,598 --> 00:33:27,499

Bullseye-- [Sputtering]

All right. All right.

458

00:33:27,568 --> 00:33:32,801

Butyou have got

to keep quiet. Come on.

459

00:33:37,578 --> 00:33:40,274

Over here. Attaboy.

460

00:33:40,347 --> 00:33:42,872

Okay, Bullseye. Upsy-daisy.

461

00:33:42,950 --> 00:33:45,384

[Continues Snoring]

462

00:33:50,958 --> 00:33:53,324

[Muffled Grunting]

463

00:33:55,429 --> 00:33:57,363

[Chuckling]

464

00:33:57,431 --> 00:33:59,865

Psst. Bullseye. Cut it out.

465

00:33:59,933 --> 00:34:02,697

Stop it. Psst.

Stop it, Bullseye. Stop it. Stop it.

466

00:34:02,769 --> 00:34:05,135

Stop it.

467

00:34:12,879 --> 00:34:15,177

[Rumbling]

468

00:34:16,850 --> 00:34:19,148

- [Burping]

- [Groaning]

469

00:34:19,219 --> 00:34:21,278

[Gaggling]

470

00:34:21,355 --> 00:34:24,324

[Exhaling]

471

00:34:29,396 --> 00:34:32,024

[Snorting]

472

00:34:32,099 --> 00:34:35,262

- Phew.

- [Remote Clicks]

473

00:34:35,335 --> 00:34:38,236

- * Woody's Roundup

Come on, it's time to play *

- [Gasping]

474

00:34:38,305 --> 00:34:42,901

No, of ficer! I swear.

[Muttering] What? [Gasps]

475

00:34:42,976 --> 00:34:46,207

[Gasping, Muttering]

476

00:34:46,279 --> 00:34:49,612

Uh-- Oh.

477

00:34:49,683 --> 00:34:53,619

Get in there.

There you go. Cheap case.

478

00:34:53,687 --> 00:34:56,713

- Where is the remote?

- ** [Theme Song Continues]

479

00:34:56,790 --> 00:34:59,588

Where is the remote?

[Grunting]

480

00:34:59,660 --> 00:35:02,629

Why don't I put it in the same place

every ti-- Oh, here it is.

481

00:35:02,696 --> 00:35:04,755

[Yawning]

482

00:35:08,468 --> 00:35:10,561

[Muttering]

483

00:35:10,637 --> 00:35:13,800

[Door Closing]

484

00:35:13,874 --> 00:35:17,139

What is your problem? Look, I'm sorry

I can't help you guys out.

485

00:35:17,210 --> 00:35:19,940

Really, I am. But you didn't have

to go and pull a stunt like that.

486

00:35:20,013 --> 00:35:22,573

What? you think I did that?

487

00:35:22,649 --> 00:35:24,708

Oh, right, right.

The TV just happened to turn on,

488

00:35:24,785 --> 00:35:27,151

and the remote magically ended up

in front of you !

489

00:35:27,220 --> 00:35:30,121

- you calling me a liar?

- Well, if the boot fits--

490

00:35:30,190 --> 00:35:32,317

Say that again.

491

00:35:32,392 --> 00:35:35,759

[Enunciating]

if the boot fits.

492

00:35:35,829 --> 00:35:38,389

Okay, cowboy.

493

00:35:41,635 --> 00:35:43,660

- Yah!

- [Grunting]

494

00:35:43,737 --> 00:35:47,969

How do you like that?

Take it back! Take it back!

495

00:35:48,041 --> 00:35:50,532

Don't think just 'cause you're a girl,
I'm gonna take it easy on you .

496

00:35:50,610 --> 00:35:53,306

- [Screams]

- Jessie, Woody, you stop this at once.

497

00:35:53,380 --> 00:35:55,348

- [Cries Out]

- [Gasps]

498

00:35:55,415 --> 00:35:58,748

I don't know
how that television turned on,

499

00:35:58,819 --> 00:36:01,083

but fighting about it
isn't helping anything.

500

00:36:01,154 --> 00:36:04,487

- if I had both my arms--

- The fact is, you don't, Woody,

501

00:36:04,558 --> 00:36:06,958

so I suggest

you just wait until morning.

502

00:36:07,027 --> 00:36:10,155

- The cleaner will come, fix your arm--

- And then I'm outta here!

503

00:36:11,932 --> 00:36:16,130

Oh, no, no.

Bullseye, don't take it that way.

504

00:36:16,203 --> 00:36:18,262

- It's just that Andy--

- Andy, Andy, Andy.

505

00:36:18,338 --> 00:36:21,136

That's all he ever talks about.

506

00:36:23,610 --> 00:36:25,840

[Sighs]

507

00:36:30,550 --> 00:36:32,541

Hey, Buzz, can we slow down?

508

00:36:32,619 --> 00:36:36,521

May I remind you that some of us are
carrying over six dollars in change?

509

00:36:36,590 --> 00:36:39,684

Losing health units.

Must rest.

510

00:36:39,760 --> 00:36:42,888

- Is everyone present and accounted for?

- Not quite everyone.

511

00:36:42,963 --> 00:36:45,591

- Who's behind?

- Mine.

512

00:36:49,503 --> 00:36:53,132

Hey, guys.

Why do the toys cross the road?

513

00:36:53,206 --> 00:36:56,175

- Not now, Hamm.

- Oh, I love riddles. Why?

514

00:36:56,243 --> 00:37:00,111

To get to the chicken

on the other side! [Laughs]

515

00:37:00,180 --> 00:37:03,149

- [All Whooping]

- [Rex] The chicken!

516

00:37:07,687 --> 00:37:10,451

- Oh, well. We tried.

- We'll have to cross.

517

00:37:10,524 --> 00:37:13,391

- What the-- you're not
turning me into a mashed potato.

- [All Gasping]

518

00:37:13,460 --> 00:37:18,022

I may not be a smart dog,
but I know what roadkill is.

519

00:37:18,098 --> 00:37:21,363

There must be a safe way.

520

00:37:23,270 --> 00:37:27,001

[Buzz] Okay.

Here's our chance. Ready. Set. Go.

521

00:37:31,278 --> 00:37:33,576

[Whimpering]

522

00:37:36,516 --> 00:37:38,211

Drop!

523

00:37:41,288 --> 00:37:43,882

- [Air Hissing]

- [Horns Honking]

524

00:37:43,957 --> 00:37:45,891

[Buzz] Go!

525

00:37:47,727 --> 00:37:50,753

[Buzz] Drop! I said "drop"!

526

00:37:50,831 --> 00:37:53,732

- [Horns Honking]

- [Buzz] Go!

527

00:37:56,002 --> 00:37:59,028

[Mumbling]

528

00:38:01,174 --> 00:38:03,301

[Buzz] Drop.

529

00:38:05,145 --> 00:38:08,239

[Horn Honking, Tires Squealing]

530

00:38:10,784 --> 00:38:13,048

[Buzz] Go.

531

00:38:37,143 --> 00:38:39,270

That went well.

532

00:38:39,346 --> 00:38:41,780

[Horns Honking]

533

00:38:45,252 --> 00:38:48,483

Good job, troops.

We're that much closer to Woody.

534

00:38:48,555 --> 00:38:51,115

[Honking Continues]

535

00:38:51,258 --> 00:38:55,024

- [Ringing]

- Oh, thank goodness you're here.

536

00:38:55,095 --> 00:38:58,087

Is the specimen ready for cleaning?

537

00:39:29,396 --> 00:39:31,762

So, uh, how long is this gonna take?

538

00:39:31,831 --> 00:39:34,959

you can't rush art.

539

00:39:36,870 --> 00:39:39,236

[Bellowing]

540

00:39:39,306 --> 00:39:42,609

[Wheels Squeaking]

541

00:39:49,315 --> 00:39:51,840

[Slinky] Oh, no. It's closed.

542

00:39:51,918 --> 00:39:55,718

We're not preschool toys, Slinky.

We can read.

543

00:39:59,559 --> 00:40:01,891

- [Doors Mooing]

- [Man] Hey,Joe,you're late.

544

00:40:01,961 --> 00:40:04,395

- We've got

a ton of toys to unload in the back.

- All right. All right.

545

00:40:04,464 --> 00:40:07,592

- I'm comin'. I'm comin'.

- All right. Let's go.

546

00:40:07,667 --> 00:40:10,932

[Rex] But the sign says it's closed.

547

00:40:14,240 --> 00:40:16,674

No, no, no, no. All together. Now!

548

00:40:16,743 --> 00:40:19,678

- [All Grunting]

- [Doors Mooing]

549

00:40:26,986 --> 00:40:29,352

[Giggling]

550

00:40:37,463 --> 00:40:40,557

Whoa, Nelly! How are we going to
find Woody in this place?

551

00:40:40,633 --> 00:40:44,626

Look for Al. We find Al,
we find Woody. Now move out!

552

00:40:44,704 --> 00:40:48,299

- Woody?

- Woody.

553

00:41:08,161 --> 00:41:10,652

[Motor Pumping]

554

00:41:14,000 --> 00:41:16,764

[Air Hissing]

555

00:41:56,109 --> 00:41:59,101

Thereyou go.

[Chuckles]

556

00:42:00,346 --> 00:42:02,541

He's for display only.

557

00:42:02,615 --> 00:42:05,140

you handle him too much,

he's not gonna last.

558

00:42:05,218 --> 00:42:08,187

It's amazing. you're a genius.

He's just like new.

559

00:42:15,695 --> 00:42:17,629

[Gasps]

560

00:42:30,042 --> 00:42:32,738

Wow.

561

00:42:41,320 --> 00:42:43,379

[Gasps]

562

00:42:45,324 --> 00:42:48,054

[Whistles]

I could use one of those.

563

00:43:00,173 --> 00:43:03,665

you know, they make it so you can't
defeat Zurg unless you buy this book.

564

00:43:03,743 --> 00:43:05,677

It's extortion.

That's what it is.

565

00:43:05,745 --> 00:43:08,873

Hey, I always thought
the golden sector was the only--

566

00:43:08,948 --> 00:43:12,440

- [Screams]

- [Hamm] I thought
we could search in style.

567

00:43:12,518 --> 00:43:16,579

Nice going there, Hamm. So how about
letting a toy with fingers drive?

568

00:43:26,432 --> 00:43:28,764

Am I really that fat?

569

00:43:30,670 --> 00:43:33,104

[Whistles]

570

00:43:34,207 --> 00:43:36,402

- [Grunting]

- Ow!

571

00:43:36,475 --> 00:43:40,241

- What are you doing?

- you're in direct violation
of Code 6404.5,

572

00:43:40,313 --> 00:43:43,407

stating all space rangers
are to be in hyper-sleep...

573

00:43:43,482 --> 00:43:45,780

until awakened by authorized personnel.

574

00:43:45,852 --> 00:43:48,286

- Oh, no.

- [Grunts]

you're breakin' ranks, ranger.

575

00:43:48,354 --> 00:43:51,016

Buzz Lightyear to Star Command.

576

00:43:51,090 --> 00:43:54,753

- I've got an AWOL space ranger.

- Tell me I wasn't this deluded.

577

00:43:54,827 --> 00:43:58,593

No back talk!

I have a laser, and I will use it.

578

00:43:58,664 --> 00:44:01,155

-you mean the laser that's a light bulb?

-[Laser Humming]

579

00:44:01,234 --> 00:44:05,864

[Gasps] Has your mind been melded?

you could've killed me, space ranger.

580

00:44:05,938 --> 00:44:08,429

Or should I say "traitor"?

581

00:44:08,507 --> 00:44:11,169

- I don't have time for this.

- Halt!

582

00:44:11,244 --> 00:44:13,610

I order you to halt!

583

00:44:15,348 --> 00:44:17,942

[Both Grunting]

584

00:44:19,986 --> 00:44:23,319

Listen to me.

Listen. Wait.

585

00:44:23,489 --> 00:44:26,253

- We've been down this aisle already.

- We've never been down this aisle.

586

00:44:26,325 --> 00:44:29,624

- It's pink.

- Face it. We're lost.

587

00:44:29,695 --> 00:44:33,153

- [Hamm] Back it up. Back it up.

- [All Giggling]

588

00:44:33,232 --> 00:44:36,861

- **[Beach]

- What a great party!

589

00:44:36,936 --> 00:44:41,498

Howlow canyou go?

Howlow canyou go?

590

00:44:41,574 --> 00:44:43,508

[Giggling Continues]

591

00:44:43,576 --> 00:44:47,945

Excuse me, ladies. Does anyone
know where we might find the Al
of Al's Toy Barn?

592

00:44:48,014 --> 00:44:51,006

I can help.

593

00:44:51,083 --> 00:44:53,483

I'm Tour Guide Barbie.

594

00:44:53,552 --> 00:44:58,353

Please keepyou r hands, arms
and accessories inside the car,

and no flash photography.

595

00:44:58,424 --> 00:45:01,450

-Thankyou .

-I'm a married spud. I'm a married spud.

596

00:45:01,527 --> 00:45:04,792

- I'm a married spud.

- Then make room for the single fellas.

597

00:45:04,864 --> 00:45:07,958

[Barbie] To our right is

the HotWheels aisle. Developed in 1 967,

598

00:45:08,034 --> 00:45:10,559

the original series had 1 6 cars,

including the Corvette.

599

00:45:10,636 --> 00:45:12,763

I beg you r pardon, ma'am,

butwhere's Al's of fice?

600

00:45:12,838 --> 00:45:15,932

Please hold all questions
until the end of the tour. Thankyou .

601

00:45:16,008 --> 00:45:18,169

[Screams]

It says howyou defeat Zurg! Look!

602

00:45:18,244 --> 00:45:21,077

-Hey, get this outta here, "geek-osaur."

-Excuse me, sir. [Gasps]

603

00:45:21,147 --> 00:45:24,082

- [Potato Head] Look out!

- Stop, stop, stop!

604

00:45:25,785 --> 00:45:29,050

[All Yelling]

605

00:45:29,121 --> 00:45:32,215

- [Rex Whimpering]

- [Hamm] Turn into the spin, Barbie!

606

00:45:32,291 --> 00:45:35,920

[Screams]

My source of power!

607

00:45:35,995 --> 00:45:39,726

No! Come back! [Yells] Hey!

608

00:45:39,799 --> 00:45:43,530

Wait up! Hey!

Come on! Slow down!

609

00:45:43,602 --> 00:45:46,867

Dinosaur overboard!

Slow down! [Cries Out]

610

00:45:46,939 --> 00:45:49,237

Remain seated, please.

611

00:45:49,308 --> 00:45:52,004

[Recites In Spanish]

612

00:45:52,078 --> 00:45:55,707

Ow! Listen to me. Listen to me.

you're not really a space ranger.

613

00:45:55,781 --> 00:45:58,716

you're a toy.

We're all toys. Do you hear me?

614

00:45:58,784 --> 00:46:02,743

- Well, that should hold you

till the court martial.

- Let me go!

615

00:46:02,822 --> 00:46:05,382

you don't realize what you're doing!

616

00:46:05,458 --> 00:46:08,120

And this is the Buzz Lightyear aisle.

617

00:46:08,194 --> 00:46:13,188

Back in 1995, shortsighted retailers did
not order enough dolls to meet demand.

618

00:46:13,265 --> 00:46:15,733

- Hey, Buzz!

- Halt! Who goes there?

619

00:46:15,801 --> 00:46:18,395

Quit clownin' around and get in the car!

620

00:46:18,471 --> 00:46:20,735

Buzz, Buzz, I know how to defeat Zurg!

621

00:46:20,806 --> 00:46:24,071

- you do?

- Come on. I'll tell you on the way.

622

00:46:24,143 --> 00:46:29,638

No, no, guys! you've got the wrong Buzz!

you've got the wrong Buzz!

623

00:46:29,715 --> 00:46:31,979

Say, where'd you

get the cool belt, Buzz?

624

00:46:32,051 --> 00:46:34,451

Well, slotted pig,

they're standard issue.

625

00:46:34,520 --> 00:46:37,148

No!

626

00:46:40,693 --> 00:46:43,218

[Flash Popping]

627

00:46:45,898 --> 00:46:50,460

- [Al Chuckling]

It's like printing my own money.

- [Phone Ringing]

628

00:46:50,536 --> 00:46:52,766

- Yeah? What?

- [Man Speaking, Indistinct]

629

00:46:52,838 --> 00:46:57,410

Oh, oh. Mr. Konishi.

Yes, uh, I have the pictures right here.

630

00:46:57,543 --> 00:47:01,707

In fact, I'm in the car right now on

my way to the office to fax them to you.

631

00:47:01,781 --> 00:47:04,773

I'm going through a tunnel!

I'm breakin' up!

632

00:47:04,850 --> 00:47:08,513

Oh, wow! Will you look at me?

It's like I'm fresh out of the box!

633

00:47:08,587 --> 00:47:12,819

Look at this stitching! Andy's gonna

have a hard time rippin' this! Hello!

634

00:47:12,892 --> 00:47:15,019

H-Hi! Hello!

635

00:47:15,094 --> 00:47:17,619

Great. Nowyou can go.

636

00:47:20,266 --> 00:47:23,201

Well, what a good idea.

637

00:47:31,677 --> 00:47:34,612

[Pete]

Woody, don't be mad at Jessie.

638

00:47:34,680 --> 00:47:39,549

She's been through more than
you know. Why not make amends
before you leave, huh?

639

00:47:39,618 --> 00:47:42,314

It's the least you can do.

640

00:47:50,095 --> 00:47:53,622

[Groans] All right.

But I don't know what good it'll do.

641

00:47:59,972 --> 00:48:02,463

Hey. Whatcha doin' way up here?

642

00:48:02,541 --> 00:48:07,376

Thought I'd get one last look at
the sun before I get packed away again.

643

00:48:08,581 --> 00:48:10,947

Look, Jessie.

I know you hate me for leaving,

644

00:48:11,016 --> 00:48:13,484

but I have to go back.

645

00:48:13,552 --> 00:48:16,316

I'm still Andy's toy.

646

00:48:16,388 --> 00:48:19,357

Well, if you knew him, you'd understand.

See, Andy's a real--

647

00:48:19,425 --> 00:48:22,986

Let me guess.

Andy's a real special kid.

648

00:48:23,062 --> 00:48:25,496

And to him, you're his buddy,
his best friend.

649

00:48:25,564 --> 00:48:31,161

And when Andy plays with you ,

it's like even though you're not moving,

650

00:48:31,237 --> 00:48:35,264

you feel like you're alive,

because that's how he sees you .

651

00:48:35,341 --> 00:48:37,502

How did you know that?

652

00:48:37,576 --> 00:48:40,943

Because Emily was just the same.

653

00:48:41,013 --> 00:48:43,846

She was my whole world.

654

00:48:46,652 --> 00:48:49,644

[Woman]

* When somebody loved me *

655

00:48:49,722 --> 00:48:52,953

* Everything was beautiful *

656

00:48:53,025 --> 00:48:56,825

* Every hour we spent together *

657

00:48:56,896 --> 00:48:59,888

* Lives within my heart*

658

00:49:01,033 --> 00:49:04,161

* And when she was sad*

659

00:49:04,236 --> 00:49:07,797

* I was there to dry her tears *

660

00:49:07,873 --> 00:49:13,436

* And when she was happy so was I *

661

00:49:13,512 --> 00:49:18,449

* When she loved me *

662

00:49:21,720 --> 00:49:24,985

* Through the summer and the fall *

663

00:49:25,057 --> 00:49:29,221

* We had each other

That was all *

664

00:49:29,295 --> 00:49:32,355

*Just she and I together *

665

00:49:32,431 --> 00:49:36,891

* Like it was meant to be *

666

00:49:36,969 --> 00:49:40,336

* And when she was lonely *

667

00:49:40,406 --> 00:49:44,240

* I was there to comfort her *

668

00:49:44,310 --> 00:49:48,178

* And I knew that *

669

00:49:48,247 --> 00:49:53,583

* She loved me *

670

00:49:53,652 --> 00:49:55,813

[Both Giggling]

671

00:50:00,192 --> 00:50:03,320

* So the years went by *

672

00:50:03,395 --> 00:50:06,057

* I stayed the same *

673

00:50:06,131 --> 00:50:09,828

* But she began to drift away *

674

00:50:09,902 --> 00:50:14,032

* I was left alone *

675

00:50:14,106 --> 00:50:17,269

* Still I waited for the day *

676

00:50:18,344 --> 00:50:20,505

* When she'd say *

677

00:50:20,579 --> 00:50:28,042

* I will always love you *

678

00:50:28,120 --> 00:50:32,113

* Lonely and forgotten *

679

00:50:32,191 --> 00:50:35,627

* I never thought she'd look my way *

680

00:50:35,694 --> 00:50:39,357

* She smiled at me and held me *

681

00:50:39,431 --> 00:50:43,492

*Just like she used to do *

682

00:50:43,569 --> 00:50:47,130

* Like she loved me *

683

00:50:47,206 --> 00:50:51,040

* When she loved me *

684

00:50:52,678 --> 00:50:56,011

* When somebody loved me *

685

00:50:56,081 --> 00:51:00,882

* Everything was beautiful *

686

00:51:00,953 --> 00:51:04,912

* Every hour we spent together *

687

00:51:04,990 --> 00:51:07,823

* Lives within my heart *

688

00:51:07,893 --> 00:51:15,231

* When she loved me **

689

00:51:27,913 --> 00:51:33,249

you never forget kids

I like Emily or Andy.

690

00:51:35,220 --> 00:51:37,848

[Whispering]

But they forget you .

691

00:51:37,923 --> 00:51:41,154

-Jessie, I-I didn't know.

-Just go.

692

00:52:03,348 --> 00:52:06,476

How long will it last, Woody?

Do you really think...

693

00:52:06,552 --> 00:52:10,420

Andy is gonna take you

to college or on his honeymoon?

694

00:52:12,825 --> 00:52:17,262

Andy's growing up,

and there's nothing you can do about it.

695

00:52:18,897 --> 00:52:20,956

It's your choice, Woody.

696

00:52:21,033 --> 00:52:25,163

you can go back, or you can stay

with us and last forever.

697

00:52:25,237 --> 00:52:30,197

you'll be adored

by children for generations.

698

00:52:46,258 --> 00:52:49,921

Who am I to break up the Roundup gang?

699

00:53:06,044 --> 00:53:09,411

- Hey, Woody, are you in here?

- Nah. This one's empty too.

700

00:53:09,481 --> 00:53:12,279

- Woody! Woody!

- Woody!

701

00:53:12,351 --> 00:53:15,912

Pardon me, gentlemen, but have either of
you seen a cowboy doll with a bad arm?

702

00:53:15,988 --> 00:53:18,320

- Why, no, I haven't.

- Hey! He was talkin' to me!

703

00:53:18,390 --> 00:53:20,688

- No! He was talkin' to me!

- Why, you --

704

00:53:20,759 --> 00:53:23,557

- [Both Grunting]

- you see, all along,

705

00:53:23,629 --> 00:53:26,325

we thought the way into Zurg's fortress
was through the main gate,

706

00:53:26,398 --> 00:53:31,199

but in fact, the secret entrance
is to the left, hidden in the shadows.

707

00:53:31,270 --> 00:53:34,865

-To the left and in the shadows. Got it.

-[AI Speaking Japanese]

708

00:53:34,940 --> 00:53:37,875

- Someone's coming.

- Everyone take cover.

709

00:53:37,943 --> 00:53:40,377

It was a big pileup, but I don't want to bore you with the details.

710

00:53:40,445 --> 00:53:42,743

Yes. Now, let me

confirm your fax number.

711

00:53:42,815 --> 00:53:45,875

- [Man] 01 1 -- [Continues]

- 01 1. Wait.

That's a lot of numbers. No. I got it.

712

00:53:45,951 --> 00:53:48,078

- It's him.

- The chicken man.

713

00:53:48,153 --> 00:53:52,283

- Funny, he doesn't look like poultry.

- [Slinky]

That's the kidnapper, all right.

714

00:53:52,357 --> 00:53:55,952

A kidnapper!

An agent of Zurg if I ever saw one.

715

00:53:56,028 --> 00:53:57,962

[Grunting]

716

00:54:03,001 --> 00:54:06,835

And the pi ce de r sistance!

717

00:54:06,905 --> 00:54:09,703

I promise the collection will be
the crown jewel of you r museum.

718

00:54:09,775 --> 00:54:12,175

- It's Woody!

- Nowthat I haveyou rattention,

719

00:54:12,244 --> 00:54:17,113

- imagine we added

another zero to the price, huh?

- [Man Speaking, Indistinct]

720

00:54:17,182 --> 00:54:20,208

- I'll pay anything you want.

- Yes! Yes!

721

00:54:20,285 --> 00:54:22,981

you got a deal!

I'll be on the next flight to Japan!

722

00:54:23,055 --> 00:54:25,114

Quick.

Into the poultry man's cargo unit.

723

00:54:25,190 --> 00:54:28,591

He'll lead us to Zurg.

Move, move, move!

724

00:54:28,660 --> 00:54:32,187

[Sputtering] Don't touch my moustache!

[Scatting Happily]

725

00:54:32,264 --> 00:54:34,858

[Grunts]

726

00:54:34,933 --> 00:54:37,163

[AI Speaking, Indistinct]

727

00:54:37,236 --> 00:54:40,296

Rich, rich, rich, rich!

[Laughing Maniacally]

728

00:54:40,372 --> 00:54:44,308

- [Gasps]

- ** [Humming Happily]

729

00:54:47,279 --> 00:54:49,975

[Grunts]

730

00:54:50,048 --> 00:54:52,380

** [Continues Humming]

731

00:55:12,971 --> 00:55:15,462

[Groans]

732

00:55:19,044 --> 00:55:21,103

[Groans]

733

00:55:24,383 --> 00:55:26,874

Huh?

734

00:55:28,053 --> 00:55:30,521

[Grunts]

735

00:55:31,890 --> 00:55:34,654

[Doors Mooing]

736

00:55:49,274 --> 00:55:51,765

[Radar Buzzing]

737

00:55:54,746 --> 00:55:57,909

[Growls] Destroy Buzz Lightyear.

738

00:55:57,983 --> 00:56:01,885

Destroy Buzz Lightyear.

Destroy Buzz Lightyear.

739

00:56:05,924 --> 00:56:09,382

- [Rex] Ha! He didn't take the bag!

- No time to lose!

740

00:56:13,332 --> 00:56:15,596

[Grunting]

741

00:56:18,637 --> 00:56:21,071

He's ascending
in the vertical transporter.

742

00:56:21,139 --> 00:56:24,404

All right, everyone. Hang on.
We're gonna blast through the roof .

743

00:56:24,476 --> 00:56:28,572

- Uh, Buzz?
- To infinity and beyond!

744

00:56:30,382 --> 00:56:34,944

What are you ? Insane? We're
wasting time. Stand still, Godzilla.

745

00:56:35,020 --> 00:56:40,890

- [Grunting]
- I don't understand.
Somehow, my fuel cells have gone dry.

746

00:56:40,959 --> 00:56:44,486

- [Screams]

- [Chuckles]

747

00:56:46,264 --> 00:56:48,289

[Laser Buzzing]

748

00:56:48,367 --> 00:56:50,767

[Laser Stops]

749

00:56:56,975 --> 00:57:00,467

- [Bell Dings]

- Blast. He's on level 23.

750

00:57:00,545 --> 00:57:02,809

How are we gonna get up there?

751

00:57:02,881 --> 00:57:05,406

Maybe if we find some balloons,
we could float to the top.

752

00:57:05,484 --> 00:57:08,146

are you kidding?

I say we stack ourselves up,

753

00:57:08,220 --> 00:57:10,654

push the intercom

and pretend we're delivering a pizza.

754

00:57:10,722 --> 00:57:14,055

How about a ham sandwich...

with fries and a hot dog?

755

00:57:14,126 --> 00:57:16,959

- What about me?

- you can be the toy

that comes with the meal.

756

00:57:17,029 --> 00:57:19,862

Troops! Overhere. [Grunts]

757

00:57:20,932 --> 00:57:23,366

[Grunting]

758

00:57:23,435 --> 00:57:26,802

Just like you said, lizard man.

"In the shadows to the left."

759

00:57:26,872 --> 00:57:30,137

Okay. Let's move!

760

00:57:30,208 --> 00:57:33,644

Mission log. Have infiltrated
enemy territory without detection...

761

00:57:33,712 --> 00:57:36,374

and are making our way
through the bowels of Zurg's fortress.

762

00:57:36,448 --> 00:57:40,009

you know, I think that Buzz aisle
went to his head.

763

00:57:40,085 --> 00:57:42,952

[Slinky] Oh, no.

Which way do we go?

764

00:57:43,021 --> 00:57:46,115

-This way!

-[Potato Head] What makes you so sure?

765

00:57:46,191 --> 00:57:49,319

- I'm Buzz Lightyear. I'm always sure.

- [Motor Whirring]

766

00:57:49,394 --> 00:57:52,158

We've been detected. The walls!

They're closing in! Quick!

767

00:57:52,230 --> 00:57:56,530

- Help me prop up vegetable man,
or we're done for.

- Hey! Put me down, you moron!

768

00:57:56,601 --> 00:57:59,536

Guys, look! It's not the walls!

It's the elevator!

769

00:58:06,211 --> 00:58:10,079

Come on. We've got no time to lose.

Everyone grab hold!

770

00:58:10,148 --> 00:58:12,139

- [Hamm] What?

- [Slinky] Huh?

771

00:58:12,217 --> 00:58:15,084

[Hamm] Uh, Buzz,

why not just take the elevator?

772

00:58:15,153 --> 00:58:17,849

They'll be expecting that.

773

00:58:31,369 --> 00:58:33,860

[Rex] Hey, Buzz!Stop!

774

00:58:33,939 --> 00:58:36,737

Slow down!

775

00:58:36,808 --> 00:58:39,675

To overnight six packages

to Japan is how much?

776

00:58:39,744 --> 00:58:42,577

- [Woman Speaking, Indistinct]

- What? That's in yen, right?

777

00:58:42,647 --> 00:58:46,083

Dollars? [Groans]

you are deliberately taking advantage...

778

00:58:46,151 --> 00:58:48,119

of people in a hurry, you know that?

779

00:58:48,186 --> 00:58:51,178

All right. [Sputtering]

I'll do it! All right. Fine.

780

00:58:51,256 --> 00:58:54,453

I'll have the stuff

waiting in the lobby, and you'd

better be here in 15 minutes,

781

00:58:54,526 --> 00:58:57,689

- because I have a plane

to catch, do you hear me?

- [Door Closing]

782

00:58:57,762 --> 00:58:59,855

Whoo-hoo!

783

00:58:59,931 --> 00:59:02,900

We're finally going.

Can you believe it?

784

00:59:02,968 --> 00:59:07,166

[Laughs]

That's custom-fitted foam insulation
you'll be riding in, Bullseye.

785

00:59:07,239 --> 00:59:09,639

First class all the way!

786

00:59:09,708 --> 00:59:13,075

you know what?

I'm actually excited about this.

787

00:59:13,145 --> 00:59:15,136

I mean it.

I really am!

788

00:59:15,213 --> 00:59:17,943

- And why shouldn't you be?

- Yee-hah!

789

00:59:18,016 --> 00:59:20,109

- Whoa!

- * Swing you r partner do-si-do *

790

00:59:20,185 --> 00:59:24,588

- Look at you , dancing cowboy!

- Look! I'm doin' the box step!

791

00:59:24,656 --> 00:59:26,590

[Woody Laughs]

792

00:59:26,658 --> 00:59:28,956

[Grunting]

793

00:59:34,299 --> 00:59:37,097

Uh-oh. Hey, heads up down there!

794

00:59:37,169 --> 00:59:42,072

- Whoa! Pork bellies are fallin'.

- Hey, how much farther, Buzz?

795

00:59:42,140 --> 00:59:45,132

[Grunting]

Halfway there.

796

00:59:45,210 --> 00:59:48,543

[Groaning]

My arms can't hold on much longer!

797

00:59:48,613 --> 00:59:52,481

[Toys Crying Out]

798

00:59:52,551 --> 00:59:54,849

[Grunting]

Too... heavy.

799

00:59:54,920 --> 00:59:59,687

- Oh! What was I thinking?

My antigravity servos!

- [Hydraulic Whirring]

800

00:59:59,758 --> 01:00:03,319

Hang tight, everyone.

I'm going to let go of the wall.

801

01:00:03,395 --> 01:00:05,863

- What?

- He wouldn't.

- One--

802

01:00:05,931 --> 01:00:09,128

- He would.

- Two--

- [All Protest]

803

01:00:09,201 --> 01:00:11,533

- Three!

- [Toys Screaming]

804

01:00:11,603 --> 01:00:13,662

[Toys Landing, Grunting]

805

01:00:13,738 --> 01:00:18,334

To infinity and beyond!

806

01:00:19,945 --> 01:00:23,381

- Approaching destination.

Reengaging gravity.

- [Hydraulic Whirring]

807

01:00:29,087 --> 01:00:31,214

[Laser Buzzing]

808

01:00:31,289 --> 01:00:35,055

- Area secure. It's okay, troops.

- [All Moaning]

809

01:00:35,126 --> 01:00:40,120

The antigravity sickness will wear off momentarily. Now let's move!

810

01:00:40,198 --> 01:00:43,395

Remind me to glue his helmet shut when we get back.

811

01:00:52,143 --> 01:00:55,135

How'bout givin' me

a little intro there, Jessie?

812

01:00:55,213 --> 01:00:58,376

Introducing the high-ridin'-est
cowboy around--

813

01:00:58,450 --> 01:01:00,816

- you forgot "rootin'-tootin'-est!"
- [Giggles]

814

01:01:00,885 --> 01:01:04,719

The high-ridin'-est, rootin'-tootin'-est
cowboy hero of all time,

815

01:01:04,789 --> 01:01:06,882

Sherif fWoody!

816

01:01:15,667 --> 01:01:19,296

- Say, little missy, you notice
any trouble around these parts?
- [Snorts Laughter]

817

01:01:19,371 --> 01:01:22,204

Nary a bit,
not with Sherif fWoody around.

818

01:01:22,274 --> 01:01:24,299

Wait-wait-wait-wait-wait! I got it!

I got it! This is great! Okay!

819

01:01:24,376 --> 01:01:26,776

The bandits got the critters
tied up in the burning barn,
and now for the best part!

820

01:01:26,845 --> 01:01:29,006

Help us!

The barn's on fire!

821

01:01:29,080 --> 01:01:31,446

I've gotya, critters.

No need to worry.

822

01:01:31,516 --> 01:01:33,677

Woody saves the day again!

823

01:01:33,752 --> 01:01:36,880

- Yee-hah!

- Now, where's my trusty steed Bullseye?

824

01:01:36,955 --> 01:01:39,617

I have to ride off
into the sunset-- Oh!

825

01:01:39,691 --> 01:01:43,252

Ride like the wind, Bullseye!

[Grunts]

826

01:01:45,363 --> 01:01:47,422

[Groans, Chuckles]

827

01:01:47,499 --> 01:01:49,990

[Giggling] W-W-Watch it.

Wait. I'm ticklish, okay?

828

01:01:50,068 --> 01:01:54,129

- Oh, you are?

- No, no, no. Cut it out.

Stop it. Stop it.

829

01:01:54,205 --> 01:01:56,230

- No, please. No, no. Stop! Stop!

- [Laughing]

830

01:02:01,579 --> 01:02:04,047

[Laser Buzzing]

831

01:02:06,017 --> 01:02:11,455

Mission log. Have reached
Zurg's command deck, but no sign
of him or his wooden captive.

832

01:02:11,523 --> 01:02:13,821

- [Woody] Please, no!

- That's Woody!

833

01:02:13,892 --> 01:02:16,326

- [Howling]

- This way!

834

01:02:18,496 --> 01:02:20,464

[Woody] Please, please, no!

835

01:02:20,532 --> 01:02:22,727

[Potato Head] Buzz, canyou see?

What's going on?

836

01:02:22,801 --> 01:02:24,962

[Tickling, Protests Continue]

837

01:02:25,036 --> 01:02:28,836

- [Jessie] Take that!

- [Potato Head]

T o the left. No, you r left.

838

01:02:28,907 --> 01:02:31,000

- Take it up higher.

- [Buzz] What's happening?

839

01:02:31,076 --> 01:02:34,102

Oh, it-it's horrible.

They-they're torturing him.

840

01:02:34,179 --> 01:02:37,512

- [Gasps] What are we gonna do, Buzz?

- Use you r head!

841

01:02:37,582 --> 01:02:40,312

But I don't wanna use my head!

842

01:02:40,385 --> 01:02:43,115

[All Screaming]

843

01:02:45,156 --> 01:02:47,522

- [All Moaning]

- What's going on here?

844

01:02:47,592 --> 01:02:49,787

Buzz, guys!

Hey, how did you find me?

845

01:02:49,861 --> 01:02:52,625

- Watch you rself!.

- [Slinky]

We're here to spring ya, Woody!

846

01:02:52,697 --> 01:02:56,463

- [Yelling]

- you heard of kung fu?

Well, get ready for pork chop.

847

01:02:56,534 --> 01:03:01,631

Prepare to meet Mr. Angry Eyes!

[Snarling]

848

01:03:01,706 --> 01:03:04,903

Holdit, now! Hey,you don't understand!

These are myfriends!

849

01:03:04,976 --> 01:03:08,139

- Yeah, we're his friends!

- No, Rex, I mean they're my friends!

850

01:03:08,213 --> 01:03:12,206

- [Growling]

- Hey, stop it!

Leave him alone, springy dog! Hey!

851

01:03:12,283 --> 01:03:14,945

- Grab Woody, and let's go!

- Fellas, hold it! Buzz, put me down!

852

01:03:15,019 --> 01:03:18,546

- Quick! To the vent!

- They're stealing him.

853

01:03:18,623 --> 01:03:20,420

- [Pete] No!

- [WoodyYelling]

854

01:03:20,492 --> 01:03:23,859

- Hold it right there!

- Buzz?

- you again?

855

01:03:23,928 --> 01:03:26,726

-Woody! Thank goodness you're all right.

-Buzz, what is going on?

856

01:03:26,798 --> 01:03:30,393

Hold on. I am Buzz Lightyear,
and I'm in charge of this detachment.

857

01:03:30,468 --> 01:03:33,232

- No, I'm Buzz Lightyear.

I'm Buzz Lightyear!

- I am Buzz Lightyear!

858

01:03:33,304 --> 01:03:35,397

So, who's the real Buzz?

859

01:03:35,473 --> 01:03:38,101

-I am!

-I am! Don't let this impostor fool you !

860

01:03:38,176 --> 01:03:41,668

He's been trained by Zurg himself
to mimic my every move.

861

01:03:41,746 --> 01:03:44,738

[Gasps, Chokes]

862

01:03:44,816 --> 01:03:49,480

- [Continues Gasping]

- [All] Buzz!

863

01:03:49,554 --> 01:03:52,921

I had a feelin' it was you ,
Buzz. My front end just had
to catch up with my back end.

864

01:03:55,126 --> 01:03:57,458

Will somebody please
explain what's going on?

865

01:03:57,529 --> 01:04:00,623

It's all right, space ranger.
It's a code 546.

866

01:04:00,698 --> 01:04:03,258

- [Gasps] you mean it's a--
- Yes.

867

01:04:03,334 --> 01:04:05,859

- And he's a-- [Gasps]
- Oh, yeah.

868

01:04:07,572 --> 01:04:09,870

- you r Majesty.
- [Chuckles]

869

01:04:09,941 --> 01:04:13,877

- Woody, you're in danger here.
We need to leave now.

- Al's selling you to a museum--

870

01:04:13,945 --> 01:04:17,506

- in Japan!

- [Chuckling] I know. It's okay, Buzz.

871

01:04:17,582 --> 01:04:20,483

- I actually wanna go.

- What?

- are you crazy?

872

01:04:20,552 --> 01:04:24,044

Look, the thing is,

I'm a rare Sheriff Woody doll,

873

01:04:24,122 --> 01:04:26,352

and these guys are my Roundup gang.

874

01:04:26,424 --> 01:04:28,159

- What are you talking about?

- What am I talking about?

Woody's Roundup!

875

01:04:28,159 --> 01:04:29,421

- What are you talking about?

- What am I talking about?

Woody's Roundup!

876

01:04:29,493 --> 01:04:33,088

Oh, it's this great old TV show,
and I was the star. See? Now look.

877

01:04:33,164 --> 01:04:35,530

Look! Look at me!

See? That's me!

878

01:04:35,599 --> 01:04:39,467

- This is weirdin' me out.

- Buzz, it was a national phenomenon.

879

01:04:39,537 --> 01:04:42,563

There was all this merchandise
that just got packed up.

Oh, you should have seen it.

880

01:04:42,640 --> 01:04:45,541

There was a record player and a yo-yo--

Buzz, I was a yo-yo!

881

01:04:45,609 --> 01:04:48,703

- "Was"?

-Woody, stop this nonsense and let's go.

882

01:04:48,779 --> 01:04:52,044

Nah, Buzz.

[Sighs]

883

01:04:52,116 --> 01:04:55,517

I can't go.

I can't abandon these guys.

884

01:04:55,586 --> 01:04:57,884

They need me to get into this museum.

885

01:04:57,955 --> 01:05:01,618

Without me, they'll go back
into storage-- maybe forever!

886

01:05:01,692 --> 01:05:05,651

Woody, you're not a collector's item.

you're a child's plaything.

887

01:05:05,729 --> 01:05:08,220

you are a toy!

888

01:05:08,299 --> 01:05:11,928

For how much longer?

One more rip, and Andy's done with me.

889

01:05:12,002 --> 01:05:14,300

And what do I do then, Buzz?

Huh? you tell me.

890

01:05:14,371 --> 01:05:17,807

Somewhere in that pad of stuffing

is a toywho taught me...

891

01:05:17,875 --> 01:05:20,935

that lif e's onlyworth living

if you're bein' loved by a kid.

892

01:05:21,011 --> 01:05:24,503

And I traveled all this way

to rescue that toy...

893

01:05:24,582 --> 01:05:26,516

because I believed him.

894

01:05:27,585 --> 01:05:30,179

Well, you wasted your time.

895

01:05:35,526 --> 01:05:38,154

- Let's go, everyone.

- What about Woody?

896

01:05:39,330 --> 01:05:41,525

He's not coming with us.

897

01:05:42,600 --> 01:05:45,831

But-But Andy's coming home tonight.

898

01:05:45,903 --> 01:05:48,838

Then we'd better make sure
we're there waiting for him.

899

01:05:58,449 --> 01:06:02,283

I don't have a choice, Buzz.

This is my only chance.

900

01:06:02,353 --> 01:06:07,222

To do what, Woody? Watch kids from
behind glass and never be loved again?

901

01:06:07,291 --> 01:06:09,225

Some lif e.

902

01:06:13,864 --> 01:06:16,355

- [TV Woody] Is everybody okay?

- [TVJessie]Sherif fWoody!

903

01:06:16,433 --> 01:06:19,925

- I knewyou'd make it!

- Now, remember, deputies,

904

01:06:20,004 --> 01:06:22,768

the real treasures are
you r friends and family.

905

01:06:22,840 --> 01:06:26,367

Before I go, kids, I want to share
somethin'special with you ,

906

01:06:26,443 --> 01:06:30,812

- for the times I'm not around.

- Good goi ng, Woody!

I thought they'd never leave.

907

01:06:30,881 --> 01:06:33,179

[TV Woody Singing]

* you've got a friend in me *

908

01:06:33,250 --> 01:06:35,684

* you've got a friend in me *

909

01:06:37,321 --> 01:06:39,255

- Woody?

- * you've got troubles *

910

01:06:39,323 --> 01:06:42,156

* Well, I've got'em too *

911

01:06:42,226 --> 01:06:46,287

* There isn't anything I wouldn't do *

912

01:06:46,363 --> 01:06:50,231

- * We stick together and

see it through 'cause *

- [Sighs]

913

01:06:50,301 --> 01:06:52,599

* you got a friend in me *

914

01:06:54,505 --> 01:06:58,066

* Some other folks might be

a little bit smarter than I am *

915

01:06:58,142 --> 01:07:02,772

* Bigger and stronger too *

Maybe.

916

01:07:02,846 --> 01:07:06,373

* But none of them will ever love you *

917

01:07:06,450 --> 01:07:11,046

* The way I do

It's me and you , boy *

918

01:07:11,121 --> 01:07:13,681

* And as the years go by *

919

01:07:15,125 --> 01:07:18,754

* Our friendship will never die *

920

01:07:18,829 --> 01:07:22,731

- [Sighs] What am I doing?

- * you're gonna see it's our destiny **

921

01:07:22,800 --> 01:07:26,736

- Buzz! Wait! Wait!

- Woody, where are you going?

922

01:07:26,804 --> 01:07:29,432

you're right, Prospector.

I can't stop Andy growing up.

923

01:07:29,506 --> 01:07:31,770

But I wouldn't miss it for the world.

924

01:07:31,842 --> 01:07:33,969

- No!

- Buzz!

925

01:07:34,044 --> 01:07:37,172

- Yes?

- Yes?

- I'm coming with you !

926

01:07:37,247 --> 01:07:40,410

[Gasps] Wait! Wait-wait-wait-wait.

I'll be back in just a second.

927

01:07:40,484 --> 01:07:42,384

Way to go, cowboy!

928

01:07:42,519 --> 01:07:46,114

- Hey, you guys-- Come with me.

- What?

929

01:07:46,190 --> 01:07:48,317

Andy will play with all of us.

I know it!

930

01:07:48,392 --> 01:07:50,485

Woody, I-I--

I don't know. I--

931

01:07:50,561 --> 01:07:53,758

Wouldn't you give anything

just to have one more day with Emily?

932

01:07:53,831 --> 01:07:58,666

Come on, Jessie. This is what it's

all about: to make a child happy.

933

01:07:58,736 --> 01:08:01,899

And you know it.

Bullseye, are you with me?

934

01:08:02,973 --> 01:08:04,907

[Chuckling]

Okay, good boy.

935

01:08:04,975 --> 01:08:06,909

Prospector, how'bout you ?

936

01:08:08,045 --> 01:08:10,912

- [Metallic Thud]

- [Gasps]

937

01:08:10,981 --> 01:08:13,609

- [Jessie] Prospector?

- you're outta you r box!

938

01:08:14,985 --> 01:08:17,249

I tried reasoning with you , Woody,

939

01:08:17,321 --> 01:08:20,916

but you keep forcing me
to take extreme measures.

940

01:08:22,393 --> 01:08:25,851

Wait a minute. you turned on the TV
last night, notJessie.

941

01:08:25,929 --> 01:08:29,524

Look, we have an eternity

to spend together in the museum.

942

01:08:29,600 --> 01:08:32,364

Let's not start of f

by pointing fingers, shall we?

943

01:08:32,436 --> 01:08:36,031

- you really are Stinky Pete, aren't you ?

-Prospector, this isn't fair.

944

01:08:36,106 --> 01:08:39,667

" Fair"? I'll tell you what's not fair:

945

01:08:39,743 --> 01:08:45,204

spending a lifetime on a dime-store

shelf watching every other toy be sold.

946

01:08:45,282 --> 01:08:47,580

Well, finally my waiting

has paid off,

947

01:08:47,651 --> 01:08:52,645

and no hand-me-down cowboy doll

is gonna mess it up for me now!

948

01:08:54,291 --> 01:08:56,987

Buzz. Help, Buzz! Guys!

949

01:08:57,060 --> 01:09:01,156

It's too late, Woody. That silly

Buzz Lightweight can't help you .

950

01:09:01,231 --> 01:09:03,358

His name is Buzz Lightyear.

951

01:09:03,434 --> 01:09:07,734

Whatever. I've always hated

those upstart space toys.

952

01:09:07,805 --> 01:09:10,296

[Grunting]

It's stuck! What do we do?

953

01:09:10,374 --> 01:09:12,672

- Should I use my head?

- [Grunts, Gasps]

954

01:09:12,743 --> 01:09:15,041

- [Rumbling]

- It's Al!

955

01:09:15,112 --> 01:09:17,205

[Gasps]

956

01:09:17,281 --> 01:09:19,875

Look at the time.

I'm gonna be late!

957

01:09:19,950 --> 01:09:22,180

Oh, figures. I can't miss this flight!

I've gotta pack.

958

01:09:22,252 --> 01:09:24,413

All right. Let's see.

Uh, wallet, keys, tickets,

959

01:09:24,488 --> 01:09:27,389

uh, passport, beefjerky--

very expensive over there.

960

01:09:27,458 --> 01:09:30,188

Shower! [Snif fs]

Oh, I can skip the shower.

961

01:09:30,260 --> 01:09:34,162

I just gotta get outta here now!

[Mutters Indistinctly]

962

01:09:34,298 --> 01:09:36,823

Quick! To the elevator!

963

01:09:40,070 --> 01:09:43,938

- [Buzzing]

- Hurry. I can hear it coming.

964

01:09:45,909 --> 01:09:47,774

[Gasps]

965

01:09:48,846 --> 01:09:51,508

So, we meet again, Buzz Lightyear--

966

01:09:51,582 --> 01:09:53,516

for the last time.

967

01:09:53,584 --> 01:09:57,452

Aah! It's Zurg! Watch out!

He's got an ion blaster!

968

01:10:01,825 --> 01:10:04,293

[Moans]

969

01:10:07,965 --> 01:10:10,024

[Bell Dings]

970

01:10:11,668 --> 01:10:14,193

Quick! Get on!

971

01:10:14,271 --> 01:10:16,705

- [Gasps]

- [Whimpers]

972

01:10:16,773 --> 01:10:19,139

The emergency hatch!

Come on!

973

01:10:19,209 --> 01:10:23,543

[Whimpers, Yells, Moans]

974

01:10:29,152 --> 01:10:31,586

[Groans]

975

01:10:33,657 --> 01:10:35,591

Huh?

976

01:10:38,962 --> 01:10:43,331

- Come on! Hurry!

- [Whimpers] But Buzz is in peril!

977

01:10:43,400 --> 01:10:46,392

[Recording, Repeating] Buzz-- Buzz--

Buzz-- Lightyear to the rescue!

978

01:10:48,372 --> 01:10:50,306

[Muttering]

979

01:10:56,146 --> 01:11:00,014

Surrender, Buzz Lightyear.

I have won.

980

01:11:00,083 --> 01:11:02,950

I'll never give in.

you killed my father!

981

01:11:03,020 --> 01:11:07,116

No, Buzz.

I am your father.

982

01:11:07,190 --> 01:11:11,126

Noooo!

983

01:11:11,194 --> 01:11:14,595

[Sighs Impatiently]

Come on! Come on! Come on!

984

01:11:17,901 --> 01:11:21,837

[Whimpers] Buzz, you could have
defeated Zurg all along!

985

01:11:21,905 --> 01:11:24,840

you just need to believe in you rself!.

[Gasps]

986

01:11:24,908 --> 01:11:28,469

- Prepare to die!

- [Whimpers] I can't look!

987

01:11:28,545 --> 01:11:30,308

Wh-Wh-Whoa!

988

01:11:30,380 --> 01:11:32,314

[Yelling]

989

01:11:35,519 --> 01:11:40,456

I did it.

I finally defeated Zurg!

990

01:11:40,524 --> 01:11:42,458

Father.

991

01:11:47,496 --> 01:11:49,430

[Gasps, Grunts]

992

01:11:49,498 --> 01:11:51,363

- [Bell Dings]

- Ah, finally!

993

01:11:59,141 --> 01:12:01,575

[Toys Grunt]

994

01:12:09,485 --> 01:12:11,919

[Door Slams, Engine Starts]

995

01:12:15,290 --> 01:12:18,088

- [Horns Honking]

- How are we gonna get him now?

996

01:12:19,161 --> 01:12:22,130

Pizza, anyone?

997

01:12:22,197 --> 01:12:24,165

- Go, go, go! [Grunts]

- I got it!

998

01:12:24,233 --> 01:12:29,432

- Buzz, are you coming?
- No, I have a lot of
catching up to do with my dad.

999

01:12:29,505 --> 01:12:34,465

Good throw, son.

That's my boy. Go long, Buzzy!

1000

01:12:34,543 --> 01:12:38,411

- Oh, you're a great dad. Yippee!

- Farewell.

1001

01:12:38,480 --> 01:12:42,678

- Does anyone know how to drive?

- Slink, take the pedals.

Rex, you navigate.

1002

01:12:42,751 --> 01:12:45,618

Hamm and Potato,

operate the levers and knobs.

1003

01:12:45,687 --> 01:12:48,087

Whoa.

1004

01:12:48,156 --> 01:12:50,249

Ohh.

1005

01:12:50,325 --> 01:12:52,122

- Strangers.

- From the outside.

1006

01:12:52,194 --> 01:12:55,391

- Oh, no.

- He's at a red light! We can catch him!

1007

01:12:55,464 --> 01:12:58,922

- Maximum power, Slink!

- [Engine Revs]

1008

01:12:59,001 --> 01:13:01,333

Whaa! It turned green! Hurry!

1009

01:13:01,403 --> 01:13:03,997

- Whywon't it go?

- Use the Wand of Power.

1010

01:13:04,072 --> 01:13:06,563

- [Gears Grinding]

- [Tires Squealing]

1011

01:13:07,709 --> 01:13:11,110

- [Screams]

- Ooh! Ow! Ooh!

1012

01:13:11,179 --> 01:13:14,478

- Rex, which way?

- Left! No, no! I mean right!

1013

01:13:14,550 --> 01:13:17,576

That's right! No, I mean left!

Left is right!

1014

01:13:17,653 --> 01:13:20,816

Buzz, he's turning left!

He's turning left!

1015

01:13:22,724 --> 01:13:24,692

- Oh, oh, boy!

- [Gasps]

1016

01:13:24,760 --> 01:13:26,990

Whoa-oo-oo-oo!

1017

01:13:27,062 --> 01:13:29,587

Oh, I seriously doubt

he's gettin' this kind of mileage.

1018

01:13:29,665 --> 01:13:32,429

Go right! To the right!

Right-right-right-right!

1019

01:13:33,502 --> 01:13:36,835

- Whoa!

- [Gasps, Groans]

1020

01:13:36,905 --> 01:13:41,103

- you have saved our lives.

We are eternally grateful.

- Yeah, yeah, yeah. Whatever.

1021

01:13:49,318 --> 01:13:53,084

[Woman Over P.A.] The white zone is
for immediate loading and unloading--

1022

01:13:54,523 --> 01:13:56,457

No parking.

1023

01:13:58,627 --> 01:14:01,152

Guys, we can't park here!

I t's a white zone!

1024

01:14:01,229 --> 01:14:04,221

you have saved our lives.

We are eternally grateful.

1025

01:14:04,299 --> 01:14:07,200

- Final boarding call

for Far EastAirlines...

- There he is!

1026

01:14:07,269 --> 01:14:13,139

flight 451 to Tokyo; all confirmed
passengers must board at this time.

1027

01:14:13,208 --> 01:14:18,236

[Man Over P.A.] Passenger Twitch,

passenger Leon Twitch, please pick up--

1028

01:14:18,313 --> 01:14:22,215

- you have saved our lives.

We are eternally grateful.

- Will you just leave me alone?

1029

01:14:22,284 --> 01:14:24,548

- [Rex] Oh! Someone's coming!

- [Girl] Ooh, a puppy!

1030

01:14:24,620 --> 01:14:28,852

Uh, bark-bark-bark-bark.

Bark-bark-bark-bark-bark.

1031

01:14:28,924 --> 01:14:32,883

Listen, flyboy. The contents
of that case are worth more
than you make in a year!

1032

01:14:32,961 --> 01:14:35,361

- you got that, sport! you be careful!

- I understand, sir.

1033

01:14:35,430 --> 01:14:38,228

- Do you have

a "fragile" sticker or something?

- Don't worry, sir.

1034

01:14:38,300 --> 01:14:40,393

I had a box of cookies once
that came back as crumbs!

1035

01:14:41,737 --> 01:14:43,728

- The Mystic Portal!

- Oooh.

1036

01:14:43,805 --> 01:14:48,333

Once we go through,
we just need to find that case.

1037

01:14:50,646 --> 01:14:52,705

[Gasps]

1038

01:14:54,116 --> 01:14:57,517

[Toys Screaming]

1039

01:14:57,586 --> 01:15:00,054

[All Groaning]

1040

01:15:00,122 --> 01:15:05,355

- Ow! There's the case!

- No, there's the case!

1041

01:15:05,427 --> 01:15:08,419

you take that one!

We'll take this one!

1042

01:15:08,497 --> 01:15:12,092

[All Grunt]

1043

01:15:20,542 --> 01:15:23,238

Whoa-oa! Buzz!

1044

01:15:23,311 --> 01:15:26,041

Buzz, my back end's

goin' to Baton Rouge!

1045

01:15:26,114 --> 01:15:29,606

- Slinky!

- [Panting]

1046

01:15:29,685 --> 01:15:32,745

Here we come, Woody!

Woody, here we come! Woody!

1047

01:15:32,821 --> 01:15:34,982

- [All Groan]

- Nice flash though.

1048

01:15:37,392 --> 01:15:39,326

[Panting]

1049

01:15:46,735 --> 01:15:50,136

[Panting]

Okay, Woody, let's go!

1050

01:15:50,205 --> 01:15:53,470

- [Grunts, Groans]

- Take that, space toy.

1051

01:15:53,542 --> 01:15:56,170

Hey! No one does that
to my friend! [Grunts]

1052

01:16:02,651 --> 01:16:04,642

- [Yells]

- you r choice, Woody.

1053

01:16:04,720 --> 01:16:07,553

you can go to Japan
together or in pieces.

1054

01:16:07,622 --> 01:16:10,989

if he fixed ya once,
he can fix ya again. Now get in the box!

1055

01:16:11,059 --> 01:16:13,527

- Never!

- Fine!

1056

01:16:13,595 --> 01:16:16,428

- [Gasps]

- [Yells]

1057

01:16:16,498 --> 01:16:19,661

[All Shout]

1058

01:16:19,735 --> 01:16:21,703

- No! Aaah!

- Gotcha!

1059

01:16:21,770 --> 01:16:24,295

Idiots!

Children destroy toys!

1060

01:16:24,372 --> 01:16:26,738

you'll all be ruined, forgotten!

1061

01:16:26,808 --> 01:16:29,641

Spending eternity

rotting in some landfill!

1062

01:16:29,711 --> 01:16:34,876

Well, Stinky Pete, I think it's time you
learned the true meaning of playtime.

1063

01:16:34,950 --> 01:16:39,216

- Right over there, guys!

- [Whimpering] No. No! No!

1064

01:16:39,287 --> 01:16:44,054

[Woman OverP.A.]

AtlanticAirflight eight...

1065

01:16:44,126 --> 01:16:46,094

is nowarriving--

1066

01:16:46,161 --> 01:16:49,892

[Girl] Look, Barbie.

A big ugly man doll.

1067

01:16:49,965 --> 01:16:51,990

Ooh, he needs a makeover.

1068

01:16:53,935 --> 01:16:57,336

- [Whimpering]

- Hi! you'll like Amy.

1069

01:16:57,405 --> 01:16:59,965

- [Gasps]

- She's an artist!

1070

01:17:00,041 --> 01:17:02,032

[Sobbing]

1071

01:17:02,110 --> 01:17:04,044

[Mother]

Come on, hon!

1072

01:17:06,148 --> 01:17:08,116

Happy trails, Prospector.

1073

01:17:08,183 --> 01:17:10,208

- Buzz! Woody!

- Help us out here!

1074

01:17:10,385 --> 01:17:12,046

- [Gasping]

- Hurry!

1075

01:17:12,120 --> 01:17:15,521

- Oh, no.Jessie! Come on!

- Oh, Woody!

1076

01:17:15,590 --> 01:17:18,388

[Jessie Screaming]

1077

01:17:24,666 --> 01:17:26,759

Jessie!

[Whistles]

1078

01:17:26,835 --> 01:17:29,303

[Grunts]

Come on, Buzz.

1079

01:17:29,371 --> 01:17:31,737

- Yah!

- Ride like the wind, Bullseye!

1080

01:17:41,850 --> 01:17:43,784

Hey-howdy-hey!

Giddyap!

1081

01:17:43,852 --> 01:17:46,013

[Buzz] Come on, Bullseye! Yah!

1082

01:17:48,523 --> 01:17:51,253

Buzz, give me a boost!

1083

01:17:53,428 --> 01:17:54,759

[Grunting, Panting]

1084

01:18:00,168 --> 01:18:02,796

- Oh! Ohh! Oohhh!

- Woody!

1085

01:18:04,773 --> 01:18:06,707

[Grunting]

1086

01:18:13,949 --> 01:18:15,644

[Grunts]

1087

01:18:35,136 --> 01:18:39,300

- Here's the rest!

- [Panting] Ah!

1088

01:18:40,742 --> 01:18:43,233

[Glass Tinkling, Shattering]

1089

01:18:49,718 --> 01:18:52,653

[Panting, Grunting]

1090

01:18:57,559 --> 01:19:00,790

Excuse me, ma'am, but I believe
you're on the wrong flight.

1091

01:19:00,862 --> 01:19:04,195

- Woody!

- Come on, Jess.

It's time to take you home.

1092

01:19:04,266 --> 01:19:07,099

- But... what if Andy doesn't like me?

- Nonsense!

1093

01:19:07,168 --> 01:19:09,363

Andy'll love you ! Besides,

1094

01:19:09,437 --> 01:19:11,632

- he's got a little sister.

- He does?

1095

01:19:11,706 --> 01:19:14,174

- Why didn't you say so? Let's go!

- Whoa!

1096

01:19:17,712 --> 01:19:21,375

[Man] Hold it! There's a couple

more bags coming from the terminal!

1097

01:19:21,449 --> 01:19:23,383

Okay. On three.

1098

01:19:23,451 --> 01:19:25,783

- One, two--

- Too late!

1099

01:19:25,854 --> 01:19:28,256

Put 'em on the next flight!

1100

01:19:35,396 --> 01:19:37,364

- This is bad.

- How are we gonna get outta here?

1101

01:19:37,431 --> 01:19:41,128

- [Latch Clicks]

- Over there! Come on!

1102

01:19:50,444 --> 01:19:52,378

[Grunting]

1103

01:19:53,681 --> 01:19:57,173

- you sure about this?

- No! Let's go!

1104

01:20:13,634 --> 01:20:15,829

[Both Gasp]

1105

01:20:18,005 --> 01:20:19,905

- [Yelling]

- Hold on, Woody!

1106

01:20:19,974 --> 01:20:22,602

- [Ripping Sound]

- [Yelling]

1107

01:20:25,313 --> 01:20:28,009

- What's a cowboy without his hat?

- Buzz!

1108

01:20:36,457 --> 01:20:39,915

- [Engines Accelerating]

- [Whimpering]

1109

01:20:41,529 --> 01:20:44,123

Buzz! Buzz, get behind the tires!

1110

01:20:45,199 --> 01:20:48,464

[Panting, Grunting]

1111

01:20:49,704 --> 01:20:52,036

Jessie, let go of the plane!

1112

01:20:52,106 --> 01:20:56,600

- What? are you crazy?

- Just pretend it's

the final episode of Woody's Roundup.

1113

01:20:56,677 --> 01:21:00,204

But it was canceled!

We never saw if you made it!

1114

01:21:00,281 --> 01:21:02,215

Well, then, let's find out together!

1115

01:21:03,517 --> 01:21:06,452

[Both Screaming]

1116

01:21:08,155 --> 01:21:10,123

Oh-oh-oh.

1117

01:21:16,797 --> 01:21:19,265

- We did it! We did it! We did it!

- [Laughing]

1118

01:21:19,333 --> 01:21:23,736

- Nice ropin', cowboy.

- That was definitely

Woody's finest hour!

1119

01:21:23,804 --> 01:21:26,602

- [Laughing]

- you r hat, partner.

1120

01:21:26,674 --> 01:21:28,801

- Hoo-hoo!

- [Engines Roaring]

1121

01:21:32,079 --> 01:21:34,741

Let's... go home.

1122

01:21:40,688 --> 01:21:42,747

Yee-hah!

1123

01:21:42,823 --> 01:21:44,757

[Panting]

1124

01:21:44,825 --> 01:21:49,125

** [Hums Lone Ranger Theme]

1125

01:21:49,196 --> 01:21:52,996

Hey, Woody! Woody?

1126

01:21:58,606 --> 01:22:00,801

Oh, wow! New toys!

1127

01:22:00,875 --> 01:22:03,935

Cool! Thanks, Mom!

1128

01:22:04,011 --> 01:22:07,970

It's Bazooka Jane and herjet-propelled
horse! [Makes Jet Sounds]

1129

01:22:08,048 --> 01:22:11,711

Woody, Buzz, that polecat Zurg
has stolen my space cows!

1130

01:22:11,786 --> 01:22:13,720

[Continues, Indistinct]

1131

01:22:20,428 --> 01:22:23,022

Andy, come on, hon.

Time to go.

1132

01:22:23,097 --> 01:22:25,827

- Hey, you fixed Woody!

- Yeah.

1133

01:22:25,900 --> 01:22:29,802

Glad I decided not to take him to camp.

His whole arm might have come of f.

1134

01:22:35,709 --> 01:22:37,700

Well, what do you know?

1135

01:22:37,778 --> 01:22:41,441

Yee-hah! Oh, Bullseye,

1136

01:22:41,515 --> 01:22:44,075

we're part of a family again!

1137

01:22:46,187 --> 01:22:48,553

Hmm?

1138

01:22:48,622 --> 01:22:51,284

Uh, m-ma'am, I, uh--

[Clears Throat]

1139

01:22:51,358 --> 01:22:55,294

Well, I just wanted to say
you're a bright young woman
with a beautiful "yarnful" of hair.

1140

01:22:55,362 --> 01:22:58,160

Uh, "hairful" of yarn.

It's, uh-- Whoo-- Uh--

1141

01:22:58,232 --> 01:23:03,260

- [Clears Throat] I must go.

- Well, aren't you

the sweetest space toy I ever met?

1142

01:23:03,337 --> 01:23:05,737

[Barking]

1143

01:23:05,806 --> 01:23:07,933

- What's that? Bark-bark?

- [Barking]

1144

01:23:08,008 --> 01:23:11,409

This fella says he needs to go out
for a little private time.

1145

01:23:11,479 --> 01:23:13,879

That critter needs help!

1146

01:23:16,650 --> 01:23:19,210

*Yodel-ay-hee-hoo *

1147

01:23:19,286 --> 01:23:22,016

- [Grunts]

- [Barks]

1148

01:23:23,824 --> 01:23:27,225

Ooh, ooh, oh-- Hey, Rex,

I could use a hand over here, buddy.

1149

01:23:27,294 --> 01:23:30,161

I don't need to play--

I've lived it!

1150

01:23:30,231 --> 01:23:32,699

- No-no-no-no! Oh, nuts!

- [Clicks Channel]

1151

01:23:32,766 --> 01:23:34,893

[Weeping]

Welcome to Al's Toy Barn.

1152

01:23:34,969 --> 01:23:37,802

We've got the lowest prices in town.

1153

01:23:37,872 --> 01:23:42,309

Everything for a buck-buck-buck.

[Sobbing]

1154

01:23:42,376 --> 01:23:45,777

Well, I guess crime doesn't pay.

1155

01:23:45,846 --> 01:23:49,373

Oh, Andy did a great job, huh?

Nice and strong!

1156

01:23:49,450 --> 01:23:52,886

- I like it. Makes you look... tough.

- [Giggles]

1157

01:23:52,953 --> 01:23:54,887

- [Smooching]

- [Laughing]

1158

01:23:54,955 --> 01:23:57,321

- you have saved our lives.

We are eternally grateful.

- [Groans]

1159

01:23:57,391 --> 01:24:01,327

you saved their lives?

Oh, my hero!

1160

01:24:01,395 --> 01:24:06,196

- And they're so adorable!

Let's adopt them!

- Daddy!

1161

01:24:06,267 --> 01:24:08,667

- Oh, no.

- [Squeaking]

1162

01:24:08,736 --> 01:24:11,068

Wheezy, you're fixed!

1163

01:24:11,138 --> 01:24:15,472

Oh, yeah. Mr. Shark looked in the
toy box and found me an extra squeaker.

1164

01:24:15,543 --> 01:24:18,774

- And... how do you feel?

- Oh, I feel swell.

1165

01:24:18,846 --> 01:24:23,180

In fact, I think I feel
a song comin' on.

1166

01:24:23,250 --> 01:24:26,344

** [Big Band]

1167

01:24:26,420 --> 01:24:29,753

[Robert Goulet's Voice]

*you've got a friend in me *

1168

01:24:29,823 --> 01:24:32,348

*you've got a friend in me *

1169

01:24:33,894 --> 01:24:36,362

*you just remember

whatyou r old pal said *

1170

01:24:36,430 --> 01:24:40,662

-* Babe,you've got a friendin me*

- [Barking]

1171

01:24:40,734 --> 01:24:42,895

- [Giggling]

-* Yeah,you've got a friendin me *

1172

01:24:42,970 --> 01:24:46,371

Come on over.

Oh,you are such a big girl.

1173

01:24:46,440 --> 01:24:48,533

Andy, you think she's ready

to drive the caryet?

1174

01:24:48,609 --> 01:24:50,543

- Yeah, and I can teach her.

- [Barking]

1175

01:24:50,611 --> 01:24:53,478

- you still worried?

- About Andy?

1176

01:24:53,547 --> 01:24:57,847

- Nah. It'll be fun while it lasts.

- I'm proud of you , cowboy.

1177

01:24:57,918 --> 01:25:03,015

Besides, when it all ends, I'll have
old Buzz Lightyear to keep me company...

1178

01:25:03,090 --> 01:25:06,457

for infinity and beyond.

1179

01:25:06,527 --> 01:25:10,520

*you're gonna see it's our destiny *

1180

01:25:12,032 --> 01:25:15,399

- *you got a friend in me *

- *Yes, you do *

1181

01:25:15,469 --> 01:25:19,030

- * you've got a friendin me*

- * That's the truth*

1182

01:25:19,106 --> 01:25:22,200

* you've got a friend*

1183

01:25:22,276 --> 01:25:27,145

* In me **

1184

01:25:28,716 --> 01:25:31,036

Yeah!

1185

01:25:40,411 --> 01:25:44,472

*WOODY'S ROUNDUP

RIGHTHERE EVERY DAY *

1186

01:25:44,549 --> 01:25:48,508

* WOODY'S ROUNDUP

COME ON, IT'S TIME TO PLAY *

1187

01:25:48,586 --> 01:25:51,111

* THERE'SJESSIE

THE YODELING COWGIRL *

1188

01:25:51,189 --> 01:25:53,419

** [Chorus Yodeling]

1189

01:25:53,658 --> 01:25:58,152

* BULLSEYE

HE'S WOODY'S HORSE*

HE'S A SMART ONE.

1190

01:25:58,229 --> 01:26:00,163

* MEET THE OLD PROSPECTOR *

1191

01:26:00,231 --> 01:26:01,926

* AND WOODY THE MAN HIMSELF *

1192

01:26:01,999 --> 01:26:04,797

* OF COURSE, IT'S TIME

FOR WOODY'S ROUND UP *

1193

01:26:04,869 --> 01:26:08,805

* HE'S THE VERY BEST

HE'S THE ROOTIN'-EST

TOOTIN'-EST COWBOY *

1194

01:26:08,873 --> 01:26:11,467

* IN THE WILD, WILD WEST *

1195

01:26:57,355 --> 01:27:01,758

* WOODY'S ROU N DU P

COME ON AND GA THER'ROUND *

1196

01:27:01,826 --> 01:27:05,990

* WOODY'S ROU N DU P

WHERE NOBODY WEARS A FROWN *

1197

01:27:06,063 --> 01:27:09,965

* BAD GUYS GO RUNNIN'

WHENEVER HE'S IN TOWN *

1198

01:27:10,034 --> 01:27:14,562

* HE'S THE ROOTIN'-EST

TOOTIN'-EST, SHOOTIN'-EST

HOOTIN'-EST COWBOY AROUND *

1199

01:27:14,639 --> 01:27:19,133

* WOODY'S ROUND UP **

1200

01:27:29,887 --> 01:27:33,323

* YOU'VE GOT A FRIEND IN ME *

1201

01:27:33,391 --> 01:27:37,020

* YOU'VE GOT A FRIEND IN ME *

1202

01:27:37,094 --> 01:27:40,222

* WHEN THE ROAD

L LOOKS ROUGH AHEAD *

1203

01:27:40,298 --> 01:27:44,132

* AND YOU'RE MILES AND MILES

FROM YOU R NICE, WARM BED *

1204

01:27:44,201 --> 01:27:47,295

* YOU JUST REMEMBER

WHA T YOU R OLD PAL SAID *

1205

01:27:47,371 --> 01:27:51,000

* SON, YOU'VE GOT

A FRIEND IN ME *

1206

01:27:51,075 --> 01:27:54,203

* YEAH, YOU'VE GOT

A FRIEND IN ME *

1207

01:28:00,384 --> 01:28:03,820

* YOU'VE GOT A FRIEND IN ME *

1208

01:28:03,888 --> 01:28:07,881

* YOU'VE GOT A FRIEND IN ME *

1209

01:28:07,959 --> 01:28:11,725

* YOU GOT TROUBLES

THEN I GOT'EM TOO *

1210

01:28:11,796 --> 01:28:15,129

* THERE ISN'T ANYTHING

I WOULDN'T DO *

1211

01:28:15,199 --> 01:28:18,134

* WE STICK TOGETHER

WE CAN SEE IT THROUGH *

1212

01:28:18,202 --> 01:28:21,399

*'CAUSE YOU'VE GOT

A FRIEND IN ME *

* YES, YOU DO *

1213

01:28:21,472 --> 01:28:24,532

* YEAH, YOU'VE GOT

A FRIEND IN ME *

1214

01:28:26,110 --> 01:28:29,876

* SOME OTHER FOLKS MIGHT BE

A LITTLE SMARTER THAN I AM *

1215

01:28:29,947 --> 01:28:32,074

* BIGGER AND STRONGER TOO *

1216

01:28:32,149 --> 01:28:33,275

* MA YBE *

1217

01:28:33,351 --> 01:28:36,479

* BUT NONE OF THEM

WILL EVER LOVE YOU *

1218

01:28:36,554 --> 01:28:40,547

* THE WAY I DO

JUST ME AND YOU , BABE *

1219

01:28:40,624 --> 01:28:43,559

* AND AS THE YEARS GO BY *

1220

01:28:43,627 --> 01:28:47,620

* OUR FRIENDSHIP

WILL NEVER DIE *

1221

01:28:47,698 --> 01:28:51,395

* YOU'RE GONNA SEE

IT'S OUR DESTINY *

1222

01:28:51,469 --> 01:28:53,528

* YOU'VE GOT A FRIEND IN ME *

1223

01:29:02,179 --> 01:29:04,909

* YOU JUST REMEMBER

WHA T YOU R OLD PAL SAID *

1224

01:29:04,982 --> 01:29:07,917

* SON, YOU'VE GOT

A FRIEND IN ME *

1225

01:31:49,796 --> 01:31:52,697

* AND AS THE YEARS GO BY *

* GO BY *

1226

01:31:52,766 --> 01:31:56,600

* OUR FRIENDSHIP

WILL NEVER DIE *

* DIE *

1227

01:31:56,670 --> 01:32:00,367

* YOU'RE GONNA SEE

IT'S OUR DESTINY *

1228

01:32:02,142 --> 01:32:05,578

* YOU'VE GOT A FRIEND IN ME *

* YES, YOU DO *

1229

01:32:05,645 --> 01:32:09,581

* YOU'VE GOT A FRIEND IN ME *

* YES, YOU DO *

1230

01:32:09,649 --> 01:32:18,387

* YOU'VE GOT A FRIEND IN ME *

1231

01:32:18,458 --> 01:32:21,458

* YEAH **
