

Dialogues from Toy Story to improve the vocabulary in English

1

00:00:58,484 --> 00:01:03,447

All right, everyone! This is a stickup!

Don't anybody move!

2

00:01:04,573 --> 00:01:06,450

Now empty that safe.

3

00:01:10,079 --> 00:01:14,041

- Money, money, money!

- Stop it! Stop it, you mean old potato.

4

00:01:14,166 --> 00:01:17,253

Quiet, Bo Peep,

or your sheep get run over!

5

00:01:17,378 --> 00:01:19,213

Help! Baa! Help us!

6

00:01:19,338 --> 00:01:23,009

Oh, no, not my sheep!

Somebody, do something!

7

00:01:29,140 --> 00:01:32,435

<i>Reach for the sky.</i>

8

00:01:32,560 --> 00:01:34,562

Oh, no! Sheriff Woody!

9

00:01:34,687 --> 00:01:37,356

I'm here to stop you,

One-Eyed Bart.

10

00:01:38,899 --> 00:01:41,736

- How'd you know it was me?

- Are you gonna come quietly?

11

00:01:41,861 --> 00:01:42,862

You can't touch me, Sheriff.

12

00:01:42,862 --> 00:01:46,574

I brought my attack dog with
the built-in force field.

13

00:01:46,699 --> 00:01:50,244

Well, I brought my dinosaur
who eats force-field dogs.

14

00:01:50,244 --> 00:01:52,413

- Yipe, yipe, yipe, yipe!

15

00:01:52,997 --> 00:01:56,834

You're going to jail, Bart.
Say good-bye to the wife and tater tots.

16

00:02:06,135 --> 00:02:08,429

You saved the day again, Woody.

17

00:02:08,554 --> 00:02:11,432

<i>You're my favorite deputy.</i>

18

00:02:15,436 --> 00:02:17,605

<i># You've got a friend in me #</i>

19

00:02:17,730 --> 00:02:19,690

Come on, let's wrangle up
the cattle.

20

00:02:19,815 --> 00:02:22,693

<i># When the road looks
rough ahead #</i>

21

00:02:22,818 --> 00:02:26,739

<i># And you're miles and miles
from your nice, warm bed #</i>

22

00:02:26,864 --> 00:02:27,740

Round 'em up, cowboy.

23

00:02:27,740 --> 00:02:31,118

<i># Just remember what your old pal said #</i>

24

00:02:31,243 --> 00:02:33,079

<i># Boy, you've got a friend in me #</i>

25

00:02:33,621 --> 00:02:34,956

Yee-haw!

26

00:02:35,081 --> 00:02:37,291

<i># Yeah, you've got a friend in me #</i>

27

00:02:37,500 --> 00:02:39,502

Hey, cowboy!

28

00:02:39,627 --> 00:02:43,714

<i># Some other folks might be
a little bit smarter than I am #</i>

29

00:02:43,714 --> 00:02:45,549

<i># Big and stronger too #</i>

30

00:02:45,675 --> 00:02:46,509

Come on, Woody.

31

00:02:46,509 --> 00:02:47,969

<i># Maybe #</i>

32

00:02:47,969 --> 00:02:53,140

<i># But none of them will ever
love you the way I do #</i>

33

00:02:53,266 --> 00:02:55,851

<i># It's me and you, boy #</i>

34

00:02:55,977 --> 00:02:59,230

<i># And as the years go by #</i>

35

00:02:59,355 --> 00:03:03,442

<i># Our friendship will never die #</i>

36

00:03:03,567 --> 00:03:08,781

<i># You're gonna see
it's our destiny #</i>

37

00:03:08,906 --> 00:03:10,324

<i># You've got a friend in me #</i>

38

00:03:10,324 --> 00:03:11,742

All right!

39

00:03:11,867 --> 00:03:14,078

<i># Yeah, you've got a friend in me #</i>

40

00:03:14,078 --> 00:03:16,747

Score!

41

00:03:16,872 --> 00:03:18,165

<i># You've got a friend in me #</i>

42

00:03:17,957 --> 00:03:19,458

Wow! Cool!

43

00:03:19,584 --> 00:03:22,670

- What do you think?

- Oh, this looks great, Mom!

44

00:03:22,795 --> 00:03:23,671

Okay, birthday boy.

45

00:03:23,671 --> 00:03:26,048

We saw that at the store!

I asked you for it!

46

00:03:26,173 --> 00:03:27,341

- I hope I have enough places.
- Wow, look at that! That's so...

47

00:03:27,341 --> 00:03:28,551

- Oh, my gosh, you got...
- One, two... four.

48

00:03:29,719 --> 00:03:31,012

Yeah,
I think that's going to be enough.

49

00:03:31,053 --> 00:03:33,264

- Can we leave this up 'til we move?
- Well, sure.

50

00:03:33,306 --> 00:03:34,390

- We can leave it up.
- Yeah!

51

00:03:34,473 --> 00:03:35,516

Now go get Molly.

52

00:03:35,516 --> 00:03:36,726

Your friends are gonna
be here any minute.

53

00:03:36,767 --> 00:03:39,770

- Okay!
- It's party time, Woody.

54

00:03:40,104 --> 00:03:42,982

<i>Yee-haw!</i>

55

00:03:49,238 --> 00:03:51,574

Howdy, little lady.

56

00:03:54,660 --> 00:03:57,038

<i>Somebody's poisoned
the water hole.</i>

57

00:03:57,955 --> 00:04:00,750

Come on, Molly.
Oh, you're getting heavy.

58

00:04:00,791 --> 00:04:03,085

See you later, Woody!

59

00:04:10,468 --> 00:04:14,096

Pull my string!

The birthday party's today?

60

00:04:15,306 --> 00:04:18,434

Okay, everybody,

coast is clear!

61

00:04:25,566 --> 00:04:27,401

Ages three and up.

It's on my box.

62

00:04:27,401 --> 00:04:29,236

"Ages three and up."

63

00:04:29,236 --> 00:04:31,614

I'm not supposed to be

baby-sitting Princess Dool.

64

00:04:44,085 --> 00:04:46,796

Hey, Hamm, look.

I'm Picasso!

65

00:04:46,921 --> 00:04:50,341

- I don't get it.

- You uncultured swine.

66

00:04:50,466 --> 00:04:53,344

What are you looking at,
ya hockey puck?

67

00:04:57,139 --> 00:04:59,934

- Uh, hey, Sarge, have you seen Slinky?

- Sir! No, sir!

68

00:05:00,059 --> 00:05:02,061

Okay. Hey, thank you.

At ease.

69

00:05:04,272 --> 00:05:08,484

- Hey, uh, Slinky?

- Right here, Woody. I-I'm red this time.

70

00:05:08,526 --> 00:05:09,944

No, S-Slink...

71

00:05:09,944 --> 00:05:11,487

Oh, well, all right.

You can be red if you want.

72

00:05:11,612 --> 00:05:13,990

N-Not now, Slink.

I got some bad news.

73

00:05:14,115 --> 00:05:17,201

- Bad news?

- Shh, shh, shh!

74

00:05:17,243 --> 00:05:19,120

Just gather everyone up for a
staff meeting, and be happy.

75

00:05:19,537 --> 00:05:20,579

Got it.

76

00:05:20,496 --> 00:05:22,582

Be happy!

77

00:05:22,707 --> 00:05:27,086

Staff meeting, everybody!

Snake, Robot, podium, please.

78

00:05:30,631 --> 00:05:32,592

Hey, Etch. Draw!

79

00:05:34,510 --> 00:05:36,929

Oh! Got me again.

80

00:05:37,054 --> 00:05:40,600

Etch, you've been working on that draw.

Fastest knobs in the West.

81

00:05:40,725 --> 00:05:44,186

Uh, got a staff meeting,
you guys. Come on, let's go.

82

00:05:44,312 --> 00:05:46,188

Now, where is that... Oh.

83

00:05:46,314 --> 00:05:48,691

Hey, who moved my doodle pad
way over here?

84

00:05:50,818 --> 00:05:54,655

- Uh, how're you doin', Rex?
- Were you scared? Tell me honestly.

85

00:05:54,780 --> 00:05:56,699

I was close to being scared
that time.

86

00:05:56,824 --> 00:06:00,494

Oh, I'm going for fearsome here,
but I just don't feel it!

87

00:06:00,620 --> 00:06:02,788

I think I'm just
coming off as annoying.

88

00:06:04,165 --> 00:06:05,958

Ow! Oh, hi, Bo. Hi.

89

00:06:06,083 --> 00:06:09,211

I wanted to thank you, Woody,
for saving my flock.

90

00:06:09,337 --> 00:06:11,631

Oh, hey, it was, uh, nothin'.

91

00:06:11,756 --> 00:06:17,011

What do you say I get someone else
to watch the sheep tonight?

92

00:06:17,136 --> 00:06:19,555

Oh, yeah.

I...

93

00:06:19,680 --> 00:06:23,809

Remember, I'm just
a couple of blocks away.

94

00:06:25,186 --> 00:06:27,146

Come on, come on.

Smaller toys up front.

95

00:06:29,023 --> 00:06:30,900

Hey, Woody, come on.

96

00:06:37,281 --> 00:06:41,202

Oh, thanks, Mike.

Okay... Oh, whoa. Step back.

97

00:06:41,327 --> 00:06:43,746

- For crying out loud.

- Okay. Thank you.

98

00:06:45,289 --> 00:06:47,833

Hello. Check.

That better? Great.

99

00:06:47,959 --> 00:06:50,753

Everybody hear me?

Up on the shelf, can you hear me? Great.

100

00:06:50,878 --> 00:06:54,215

Okay, first item today:

101

00:06:54,340 --> 00:06:57,426

uh, oh, yeah... has everyone picked
a moving buddy?

102

00:06:57,551 --> 00:06:59,887

- What?

- Moving buddy? You can't be serious.

103

00:06:59,929 --> 00:07:02,223

Well, I didn't know we were
supposed to have one already.

104

00:07:02,223 --> 00:07:04,058

Do we have to hold hands?

105

00:07:04,058 --> 00:07:07,228

- Oh, yeah.

- You guys think this is a big joke.

106

00:07:07,353 --> 00:07:09,397

We've only got one week
left before the move.

107

00:07:09,480 --> 00:07:11,440

I don't want any toys left behind.

108

00:07:11,565 --> 00:07:15,319

A moving buddy.

If you don't have one, get one!

109

00:07:15,444 --> 00:07:18,531

All right, next.

Uh, oh, yes.

110

00:07:18,656 --> 00:07:21,826

Tuesday night's plastic
corrosion awareness meeting...

111

00:07:21,951 --> 00:07:24,537

was, I think,

a big success,

112

00:07:24,662 --> 00:07:27,456

and we want to thank Mr. Spell
for putting that on for us.

113

00:07:27,582 --> 00:07:30,293

<i>- Thank you, Mr. Spell.

You're welcome.</i>

114

00:07:30,418 --> 00:07:33,671

Okay. Uh, oh, yes.

One, uh, minor note here.

115

00:07:33,796 --> 00:07:36,465

Andy's birthday party

has been moved to today.

116

00:07:36,591 --> 00:07:38,259

Uh, next we have...

- Wait a minute.

117

00:07:38,259 --> 00:07:39,969

What do you mean the party's today?

118

00:07:40,094 --> 00:07:42,638

- His birthday's not 'til next week!

- What's goin' on down there?

119

00:07:42,763 --> 00:07:44,098

Is his mom losin' her marbles?

120

00:07:44,098 --> 00:07:47,977

Well, obviously, she wanted to
have the party before the move.

121

00:07:48,102 --> 00:07:49,770

- I'm not worried.

- You shouldn't be worried.

122

00:07:49,770 --> 00:07:51,480

Of course Woody ain't worried.

123

00:07:51,397 --> 00:07:53,691

He's been Andy's favorite
since kindergarten.

124

00:07:53,524 --> 00:07:55,818

- Hey, hey.

- Come on, Potato Head.

125

00:07:55,943 --> 00:07:59,572

If Woody says it's all right, then,
well, darn it, it's good enough for me.

126

00:07:59,697 --> 00:08:02,074

Woody has never
steered us wrong before.

127

00:08:02,199 --> 00:08:05,828

Come on, guys. Every Christmas
and birthday we go through this.

128

00:08:05,953 --> 00:08:08,998

But what if Andy gets
another dinosaur, a mean one?

129

00:08:09,123 --> 00:08:11,834

I just don't think I could take
that kind of rejection!

130

00:08:11,959 --> 00:08:14,211

Hey, listen.
No one's getting replaced.

131

00:08:14,337 --> 00:08:17,173

This is Andy
we're talking about.

132

00:08:17,298 --> 00:08:20,718

It doesn't matter how much
we're played with.

133

00:08:23,471 --> 00:08:26,474

What matters is that we're here
for Andy when he needs us.

134

00:08:26,599 --> 00:08:28,517

That's what we're
made for, right?

135

00:08:28,643 --> 00:08:32,521

Pardon me. I hate to break up
the staff meeting, but they're here!

136

00:08:32,647 --> 00:08:35,191

- Birthday guests at three o'clock!
- Stay calm, everyone!

137

00:08:36,734 --> 00:08:40,029

Hey!

138

00:08:40,154 --> 00:08:42,198

Uh, meeting adjourned.

139

00:08:41,072 --> 00:08:44,283

Ho, boy, will you take a
look at all those presents?

140

00:08:44,408 --> 00:08:45,868

I can't see a thing.

141

00:08:49,413 --> 00:08:52,416

Yes, sir. We're next month's
garage sale fodder for sure.

142

00:08:52,541 --> 00:08:55,378

- Any dinosaur-shaped ones?
- Oh, for crying out loud.

143

00:08:55,503 --> 00:08:58,673

- They're all in boxes, you idiot.

- They're getting bigger!

144

00:08:58,798 --> 00:09:00,466

Wait, there's a nice
little one over there.

145

00:09:00,466 --> 00:09:02,176

<i>Hi!</i>

146

00:09:05,263 --> 00:09:07,139

<i> Spell: trash can.

- We're doomed!</i>

147

00:09:07,181 --> 00:09:09,433

All right. All right!

148

00:09:09,517 --> 00:09:12,895

If I send out the troops,
will you all calm down?

149

00:09:12,937 --> 00:09:16,649

- Yes! Yes! We promise!

- Okay! Save your batteries.

150

00:09:16,774 --> 00:09:19,193

Eh, very good, Woody.

That's using the old noodle.

151

00:09:21,028 --> 00:09:25,741

Sergeant, establish a recon post
downstairs. Code Red!

152

00:09:25,866 --> 00:09:28,786

- You know what to do.

- Yes, sir!

153

00:09:28,911 --> 00:09:30,955

All right, men.

You heard him. Code Red!

154

00:09:31,080 --> 00:09:34,208

Repeat: we are at Code Red.

Recon plan Charlie. Execute!

155

00:09:34,333 --> 00:09:36,377

Let's move, move,
move, move, move!

156

00:09:59,150 --> 00:10:01,777

Okay. Come on, kids.

Everyone in the living room.

157

00:10:01,819 --> 00:10:03,613

It's almost time for the presents.

158

00:10:25,384 --> 00:10:27,595

All right, gangway, gangway.

159

00:10:27,720 --> 00:10:30,806

And this is how we find out...

160

00:10:30,932 --> 00:10:33,142

what is in those presents.

161

00:10:37,104 --> 00:10:40,983

Okay! Who's hungry?

162

00:10:41,108 --> 00:10:45,029

Here come the chips!

I've got Cool Ranch and barbecue! Ow!

163

00:10:45,154 --> 00:10:50,326

What in the world? Oh!

I thought I told him to pick these up.

164

00:10:50,451 --> 00:10:52,912

Shouldn't they be there by now?

What's taking them so long?

165

00:10:53,037 --> 00:10:56,540

Hey, these guys are professionals.

They're the best.

166

00:10:56,666 --> 00:10:59,126

Come on. They're not

lying down on the job.

167

00:11:09,929 --> 00:11:12,056

G-Go on without me.

Just go.

168

00:11:12,056 --> 00:11:15,351

A good soldier never
leaves a man behind.

169

00:11:32,785 --> 00:11:35,454

Okay, everybody.
Come on.

170

00:11:35,580 --> 00:11:39,458

Settle down. Now, kids.
Everybody... You sit in a circle.

171

00:11:39,584 --> 00:11:42,044

No, Andy. Andy, you sit
in the middle there.

172

00:11:42,169 --> 00:11:46,340

Good. And which present
are you gonna open first?

173

00:11:47,592 --> 00:11:50,261

There they are.

174

00:11:50,386 --> 00:11:51,971

<i>Come in, Mother Bird.

This is Alpha Bravo.</i>

175

00:11:51,971 --> 00:11:53,598

<i>- This is it! This is it!

- Come in, Mother Bird.</i>

176

00:11:53,180 --> 00:11:54,849

<i>- Quiet, quiet, quiet!

- All right</i>

177

00:11:54,849 --> 00:11:57,685

<i>Andy's opening

the first present now.</i>

178

00:11:57,810 --> 00:12:01,230

Mrs. Potato Head! Mrs. Potato Head!

Mrs. Potato Head!

179

00:12:01,272 --> 00:12:04,066

<i>- Hey, I can dream, can't I?

- The bow's coming off.</i>

180

00:12:04,191 --> 00:12:07,236

<i>He's ripping the wrapping paper.

It's a... It's... It's a...</i>

181

00:12:07,361 --> 00:12:09,614

<i>A lunch box.

We've got a lunch box here.</i>

182

00:12:09,739 --> 00:12:11,157

A lunch box?

183

00:12:10,448 --> 00:12:12,575

- A lunch box?

- For the lunch.

184

00:12:12,700 --> 00:12:14,910

<i>Okay, second present.

It appears to be...</i>

185

00:12:15,036 --> 00:12:17,997

<i>- Okay, it's bed sheets.

- Who invited that kid?</i>

186

00:12:23,085 --> 00:12:25,504

Oh! Only one left.

187

00:12:25,630 --> 00:12:28,007

<i>- Okay, we're on the last present now.

- Last present!</i>

188

00:12:28,132 --> 00:12:32,845

<i>It's a big one. It's a...

It's a board game! Repeat: Battleship.</i>

189

00:12:32,970 --> 00:12:35,097

- Yay!

- Hallelujah!

190

00:12:35,222 --> 00:12:37,141

- Yeah, all right.

- Hey! Watch it!

191

00:12:37,141 --> 00:12:39,101

Sorry there, old spud head.

192

00:12:39,226 --> 00:12:42,939

Mission accomplished. Well done, men.

Pack it up. We're goin' home.

193

00:12:43,064 --> 00:12:45,524

So did I tell you? Huh?

Nothin' to worry about.

194

00:12:45,650 --> 00:12:49,695

I knew you were right all along, Woody.

Never doubted you for a second.

195

00:12:49,820 --> 00:12:53,282

Wait a minute.

Oh, what do we have here? Ohh!

196

00:12:53,407 --> 00:12:55,534

Wait!

Turn that thing back on!

197

00:12:55,660 --> 00:12:57,536

<i>Come in, Mother Bird.

Come in, Mother Bird.</i>

198

00:12:57,662 --> 00:13:00,289

<i>Mom has pulled a surprise
present from the closet.</i>

199

00:13:00,414 --> 00:13:03,042

<i>Andy's opening it.
He's really excited about this one.</i>

200

00:13:03,167 --> 00:13:05,044

- Mom! What is it?
- It's a huge package.

201

00:13:05,169 --> 00:13:08,297

Oh, get outta the... One of the kids
is in the way. I can't see.

202

00:13:08,422 --> 00:13:11,467

It's a...

203

00:13:12,927 --> 00:13:16,639

It's a what?
What is it?

204

00:13:16,764 --> 00:13:18,140

- Oh, no!

- Oh, ya big lizard!

205

00:13:18,140 --> 00:13:19,558

Now we'll never know what it is!

206

00:13:19,684 --> 00:13:21,060

Way to go, Rex!

207

00:13:21,143 --> 00:13:22,770

- No, no! Turn 'em around!

Turn 'em around!

208

00:13:22,770 --> 00:13:23,729

Oh, he's puttin'

'em in backwards.

209

00:13:23,729 --> 00:13:24,981

You're... You're

puttin' 'em in backwards!

210

00:13:25,106 --> 00:13:28,276

Plus is positive,
minus is negative! Oh, let me!

211

00:13:30,236 --> 00:13:32,321

Let's go to my room, guys!

212

00:13:32,363 --> 00:13:35,992

<i>Red alert! Red alert!
Andy is coming upstairs!</i>

213

00:13:35,908 --> 00:13:37,243

<i>- There!
- Juvenile intrusion. </i>

214

00:13:37,243 --> 00:13:39,203

<i>Repeat,
resume your positions now!</i>

215

00:13:39,328 --> 00:13:42,039

Andy's coming, everybody!
Back to your places! Hurry!

216

00:13:42,164 --> 00:13:44,041

Get to your places!

Get to your places!

217

00:13:44,166 --> 00:13:46,294

Where's my ear? Who's seen my ear?

Did you see my ear?

218

00:13:46,419 --> 00:13:50,089

Out of my way! Here I come!

Here I come! Ohh!

219

00:13:59,849 --> 00:14:02,435

Hey, look!

Its lasers light up.

220

00:14:02,560 --> 00:14:04,645

- Take that, Zurg!

- Quick, make a space.

221

00:14:04,645 --> 00:14:06,981

This is where the spaceship lands.

222

00:14:07,106 --> 00:14:09,358

And he does it back, and he does
a karate-chop action.

223

00:14:09,483 --> 00:14:12,361

Come on down, guys!
It's time for games!

224

00:14:12,486 --> 00:14:14,822

- We got prizes!
- Oh, yeah!

225

00:14:26,042 --> 00:14:27,793

- What is it?
- Can you see it?

226

00:14:27,793 --> 00:14:29,128

What the heck is up there?

227

00:14:29,253 --> 00:14:32,214

Woody, who's up there
with ya?

228

00:14:33,925 --> 00:14:36,469

Woody, what are you
doing under the bed?

229

00:14:36,594 --> 00:14:37,595

Uh, nothin'.
Uh, nothin'.

230

00:14:37,595 --> 00:14:40,514

I'm sure Andy was just a
little excited, that's all.

231

00:14:40,640 --> 00:14:43,392

Too much cake and ice cream, I suppose.
It's just a mistake!

232

00:14:43,517 --> 00:14:47,271

Well, that mistake is sitting
in your spot, Woody.

233

00:14:47,396 --> 00:14:50,524

- Oh! Have you been replaced?
- Hey, what did I tell you earlier?

234

00:14:50,650 --> 00:14:52,610

No one is getting replaced.

235

00:14:52,735 --> 00:14:56,280

Now, let's all be polite
and give whatever it is up there...

236

00:14:56,405 --> 00:15:00,034

a nice, big
Andy's-room welcome.

237

00:15:25,393 --> 00:15:28,312

Buzz Lightyear to Star Command.
Come in, Star Command.

238

00:15:29,730 --> 00:15:31,941

Star Command, come in.
Do you read me?

239

00:15:32,066 --> 00:15:34,485

Why don't they answer?

240

00:15:34,610 --> 00:15:36,487

My ship!

241

00:15:38,322 --> 00:15:41,575

Blast! This'll take

weeks to repair.

242

00:15:41,701 --> 00:15:44,996

Buzz Lightyear mission log,

stardate 4-0-7-2.

243

00:15:45,121 --> 00:15:48,165

My ship has run off course

en route to sector 12.

244

00:15:48,291 --> 00:15:50,793

I've crash-landed

on a strange planet.

245

00:15:50,918 --> 00:15:53,421

The impact must've awoken me

from hypersleep.

246

00:15:55,673 --> 00:15:58,884

Terrain seems

a bit unstable.

247

00:15:59,010 --> 00:16:01,220

No readout yet

if the air is breathable.

248

00:16:01,262 --> 00:16:04,056

And there seems to be no sign

of intelligent life anywhere.

249

00:16:04,265 --> 00:16:06,642

Hello!

250

00:16:06,767 --> 00:16:10,438

Whoa! He-Hey! Whoa, whoa, whoa, whoa!

Did I frighten you?

251

00:16:10,563 --> 00:16:13,816

Didn't mean to. Sorry.

Howdy. My name is Woody...

252

00:16:13,941 --> 00:16:16,110

and this is Andy's room.

253

00:16:16,235 --> 00:16:18,112

That's all I wanted to say.

254

00:16:18,237 --> 00:16:20,531

And also, there has been
a bit of a mix-up.

255

00:16:20,656 --> 00:16:22,992

This is my spot, see...
the bed here.

256

00:16:23,117 --> 00:16:25,578

Local law enforcement.
It's about time you got here.

257

00:16:25,703 --> 00:16:28,456

I'm Buzz Lightyear, Space Ranger,
Universe Protection Unit.

258

00:16:28,581 --> 00:16:30,791

My ship has crash-landed
here by mistake.

259

00:16:30,917 --> 00:16:34,545

Yes, it is a mistake, because,
you see, the bed here is my spot.

260

00:16:34,670 --> 00:16:36,547

I need to repair
my turbo boosters.

261

00:16:36,672 --> 00:16:39,508

Do you people still use fossil fuels, or
have you discovered crystallic fusion?

262

00:16:39,634 --> 00:16:42,345

Well, let's see.
We got double-A's.

263

00:16:42,470 --> 00:16:44,972

- Watch yourself! Halt! Who goes there?
- Don't shoot!

264

00:16:45,097 --> 00:16:47,725

- It's okay. Friends.

- Do you know these life-forms?

265

00:16:47,850 --> 00:16:50,519

Yes. They're Andy's toys.

266

00:16:50,645 --> 00:16:52,647

All right, everyone.

You're clear to come up.

267

00:16:52,772 --> 00:16:55,566

I am Buzz Lightyear.

I come in peace.

268

00:16:55,691 --> 00:16:58,903

Oh, I'm so glad

you're not a dinosaur!

269

00:16:59,028 --> 00:17:01,572

All right, thank you.

270

00:17:01,697 --> 00:17:04,200

Now, thank you all
for your kind welcome.

271

00:17:04,325 --> 00:17:07,620

- Say, what's that button do?
- I'll show you.

272

00:17:07,745 --> 00:17:10,164

<i>- Buzz Lightyear to the rescue.
- Wow!</i>

273

00:17:10,289 --> 00:17:13,292

Hey, Woody's got something like that.
His is a pull string, only it's...

274

00:17:13,417 --> 00:17:16,587

- Only it sounds like a car ran over it.
- Oh, yeah, but not like this one.

275

00:17:16,712 --> 00:17:18,756

This is a quality sound system.

276

00:17:18,881 --> 00:17:23,761

Probably all copper wiring, huh? So, uh,
where you from? Singapore? Hong Kong?

277

00:17:23,886 --> 00:17:25,388

Well, no. Actually, I-I'm...

278

00:17:25,388 --> 00:17:28,391

I'm stationed up in the
Gamma Quadrant of Sector Four.

279

00:17:28,516 --> 00:17:32,603

As a member of the elite Universe
Protection Unit of the Space Ranger Corps,

280

00:17:32,728 --> 00:17:35,398

I protect the galaxy
from the threat of invasion...

281

00:17:35,523 --> 00:17:40,278

from the evil Emperor Zurg,
sworn enemy of the Galactic Alliance.

282

00:17:40,403 --> 00:17:42,405

Oh, really?

I'm from Playskool.

283

00:17:42,530 --> 00:17:44,865

And I'm from Mattel.

Well, I'm not really from Mattel.

284

00:17:44,991 --> 00:17:47,952

I'm actually from a smaller company that
was purchased in a leveraged buyout.

285

00:17:48,077 --> 00:17:50,830

You'd think they'd never
seen a new toy before.

286

00:17:50,955 --> 00:17:55,918

Well, sure, look at him. He's got more
gadgets on him than a Swiss Army knife.

287

00:17:56,043 --> 00:17:57,795

Ah, ah, ah, ah!

Please be careful.

288

00:17:57,587 --> 00:17:59,547

You don't want to be in the way
when my laser goes off.

289

00:17:59,672 --> 00:18:02,967

Hey, a laser! How come
you don't have a laser, Woody?

290

00:18:03,092 --> 00:18:06,137

It's not a laser. It's a...
It's a little light bulb that blinks.

291

00:18:06,262 --> 00:18:07,805

- What's with him?
- Laser envy.

292

00:18:07,805 --> 00:18:09,348

All right, that's enough!

293

00:18:09,473 --> 00:18:12,602

Look, we're all very impressed
with Andy's new toy.

294

00:18:12,727 --> 00:18:15,271

- Toy?

- T-O-Y. TOY!

295

00:18:15,396 --> 00:18:19,317

Excuse me. I-I think the word
you're searching for is "Space Ranger".

296

00:18:19,442 --> 00:18:23,779

The word I'm searching for I can't say
because there's preschool toys present.

297

00:18:23,904 --> 00:18:25,239

Gettin' kind of tense,
aren't ya?

298

00:18:25,364 --> 00:18:28,451

Oh, uh, Mr. Lightyear,
uh, now, I'm curious.

299

00:18:28,576 --> 00:18:31,329

What does a Space Ranger
actually do?

300

00:18:31,454 --> 00:18:37,043

He's not a Space Ranger! He doesn't
fight evil or... or shoot lasers or fly!

301

00:18:37,168 --> 00:18:39,670

Excuse me.

302

00:18:39,795 --> 00:18:43,174

- Wow!

- Oh, impressive wingspan. Very good!

303

00:18:43,299 --> 00:18:47,970

Oh, what? What? These are plastic.

He can't fly.

304

00:18:48,095 --> 00:18:51,515

<i>They are a terillium-carbonic
alloy, and I can fly.</i>

305

00:18:51,515 --> 00:18:54,769

- No, you can't.

- Yes, I can.

306

00:18:54,810 --> 00:18:55,937

- You can't.

- Can.

307

00:18:55,937 --> 00:18:57,688

Can't. Can't. Can't!

308

00:18:57,813 --> 00:19:00,483

I tell you, I could fly around
this room with my eyes closed!

309

00:19:00,608 --> 00:19:02,610

Okay, then, Mr. Light Beer,
prove it.

310

00:19:02,735 --> 00:19:04,612

All right, then, I will.

311

00:19:04,737 --> 00:19:06,614

Stand back, everyone.

312

00:19:14,163 --> 00:19:18,167

To infinity and beyond!

313

00:19:43,567 --> 00:19:46,654

- Can!

- Whoa!

314

00:19:46,779 --> 00:19:49,282

Oh, wow! You flew

magnificently!

315

00:19:49,407 --> 00:19:53,411

- I found my movin' buddy.

- Thank you. Th-Thank you all. Thank you.

316

00:19:53,536 --> 00:19:57,540

That wasn't flying.

That was falling with style.

317

00:19:57,665 --> 00:20:00,751

Man, the dolls must really go for you.

Can you teach me that?

318

00:20:01,877 --> 00:20:04,797

- Golly bob howdy!

- Oh, shut up!

319

00:20:04,922 --> 00:20:08,050

No, in a couple of days, everything will
be just the way it was. They'll see.

320

00:20:10,344 --> 00:20:12,763

They'll see. I'm still
Andy's favorite toy.

321

00:20:14,390 --> 00:20:16,642

<i># I was on top of the world #
livin' high #</i>

322

00:20:16,767 --> 00:20:20,605

<i># It was right in my pocket #
Whoa!</i>

323

00:20:20,730 --> 00:20:23,232

<i># I was livin'the life #</i>

324

00:20:23,357 --> 00:20:25,610

<i># Things were just the way
they should be #</i>

325

00:20:28,571 --> 00:20:30,781

<i># When from out of the sky
like a bomb #</i>

326

00:20:30,906 --> 00:20:33,200

<i># Comes some little punk
in a rocket #</i>

327

00:20:35,620 --> 00:20:38,998

<i># Now all of a sudden
some strange things are happening to me #</i>

328

00:20:39,123 --> 00:20:40,875

Buzz Lightyear to the rescue!

329

00:20:42,585 --> 00:20:45,963

<i># Strange things #</i>

330

00:20:46,088 --> 00:20:48,299

<i># Are happening to me #</i>

331

00:20:49,759 --> 00:20:54,513

<i># Strange things #</i>

332

00:20:56,724 --> 00:20:59,977

<i># Strange things #</i>

333

00:21:00,102 --> 00:21:02,521

<i># Are happening to me #</i>

334

00:21:02,647 --> 00:21:05,316

<i># Ain't no doubt about it #</i>

335

00:21:10,279 --> 00:21:14,450

<i># I had friends

I had lots of friends #</i>

336

00:21:14,575 --> 00:21:17,578

<i># Now all my friends are gone #</i>

337

00:21:17,703 --> 00:21:20,831

<i># And I'm doin' the best I can #</i>

338

00:21:20,957 --> 00:21:22,833

<i># To carry on #</i>

339

00:21:24,543 --> 00:21:26,420

<i># I had power #

Power #</i>

340

00:21:26,545 --> 00:21:28,422

<i># I was respected #

Respected #</i>

341

00:21:29,757 --> 00:21:31,926

<i># But not anymore #</i>

342

00:21:32,051 --> 00:21:34,637

<i># And I've lost the love

of the one #</i>

343

00:21:34,762 --> 00:21:36,764

<i># Whom I adore #</i>

344

00:21:38,224 --> 00:21:42,520

<i># Let me tell you 'bout it

Strange things #</i>

345

00:21:42,645 --> 00:21:45,231

<i># Are happening to me #</i>

346

00:21:46,399 --> 00:21:51,028

<i># Strange things #</i>

347

00:21:53,489 --> 00:21:56,701

<i># Strange things #</i>

348

00:21:56,826 --> 00:21:59,036

<i># Are happening to me #</i>

349

00:21:59,161 --> 00:22:01,789

<i># Ain't no doubt about it #</i>

350

00:22:04,250 --> 00:22:09,130

<i># Strange things #</i>

351

00:22:11,507 --> 00:22:16,095

<i># Strange things #</i>

352

00:22:18,306 --> 00:22:22,059

Oh! Finally.

353

00:22:22,184 --> 00:22:26,314

- Hey, who's got my hat?

- Look, I'm Woody. Howdy, howdy, howdy.

354

00:22:26,439 --> 00:22:29,900

Ah-ha. Ah-ha!

Give me that!

355

00:22:30,026 --> 00:22:32,778

Say there, Lizard and Stretchy Dog,

let me show you something.

356

00:22:32,903 --> 00:22:35,489

It looks as though I've been

accepted into your culture.

357

00:22:35,615 --> 00:22:38,576

Your chief, Andy,
inscribed his name on me.

358

00:22:38,701 --> 00:22:41,746

Wow! With permanent ink too!

359

00:22:41,871 --> 00:22:44,749

Well, I must get back
to repairing my ship.

360

00:22:47,960 --> 00:22:50,713

- Don't let it get to you, Woody.
- Uh, let what?

361

00:22:50,838 --> 00:22:52,715

I don't, uh...
What do you mean? Who?

362

00:22:52,840 --> 00:22:55,593

I know Andy's excited
about Buzz,

363

00:22:55,718 --> 00:22:59,347

but you know he'll always have
a special place for you.

364

00:22:59,472 --> 00:23:02,934

- Yeah, like the attic.

- All right! That's it!

365

00:23:04,644 --> 00:23:08,648

<i>- Unidirectional bonding strip.

- Mr. Lightyear wants more tape.</i>

366

00:23:11,108 --> 00:23:14,362

Listen, Light Snack,
you stay away from Andy.

367

00:23:14,487 --> 00:23:18,115

He's mine, and no one
is taking him away from me.

368

00:23:18,241 --> 00:23:22,119

What are you talking about?

Where's that bonding strip?

369

00:23:24,038 --> 00:23:27,833

And another thing:

Stop with this spaceman thing!

370

00:23:27,833 --> 00:23:29,126

It's getting on my nerves!

371

00:23:29,252 --> 00:23:31,629

Are you saying you want to

lodge a complaint with Star Command?

372

00:23:31,754 --> 00:23:35,716

Oh-ho-ho! Okay! Ooh, well, so you wanna
do it the hard way, huh?

373

00:23:35,841 --> 00:23:39,595

- Don't even think about it, cowboy.

- Oh, yeah, tough guy?

374

00:23:51,440 --> 00:23:53,109

The air isn't toxic.

375

00:23:53,109 --> 00:23:56,904

How dare you open a spaceman's
helmet on an uncharted planet!

376

00:23:57,029 --> 00:24:01,158

My eyeballs could've been
sucked from their sockets.

377

00:24:01,284 --> 00:24:05,705

You actually think
you're The Buzz Lightyear?

378

00:24:05,830 --> 00:24:08,708

Oh, all this time
I thought it was an act!

379

00:24:08,833 --> 00:24:12,378

Hey, guys, look!
It's the real Buzz Lightyear!

380

00:24:12,503 --> 00:24:15,464

- You're mocking me, aren't you?
- Oh, no, no. No, no, no, no, no.

381

00:24:15,590 --> 00:24:17,466

- Buzz, look! An alien!

- Where?

382

00:24:25,516 --> 00:24:27,935

Yes!

383

00:24:28,060 --> 00:24:29,604

Whoa!

384

00:24:29,729 --> 00:24:31,856

- Uh-oh.

- It's Sid!

385

00:24:31,981 --> 00:24:35,318

- Don't move!

- I thought he was at summer camp.

386

00:24:35,359 --> 00:24:37,653

They, uh, must have kicked
him out early this year.

387

00:24:37,653 --> 00:24:39,864

Oh, no, not Sid!

388

00:24:39,989 --> 00:24:41,449

Incoming!

389

00:24:43,993 --> 00:24:46,621

- Who is it this time?

- Uh, I can't... I can't tell.

390

00:24:46,746 --> 00:24:48,706

- Hey, where's Lenny?

- Right here, Woody.

391

00:24:48,831 --> 00:24:52,418

Oh, no, I can't bear

to watch one of these again.

392

00:24:52,543 --> 00:24:55,963

- Stay where you are!

- Oh, no, it's a Combat Carl.

393

00:24:56,088 --> 00:24:59,383

- What's going on?
- Nothing that concerns you spacemen

394

00:24:59,383 --> 00:25:01,010

Just us toys.

395

00:25:01,135 --> 00:25:03,846

I'd better take a look
anyway.

396

00:25:03,971 --> 00:25:05,973

Why is that soldier strapped
to an explosive device?

397

00:25:06,098 --> 00:25:09,226

That's why... Sid.

398

00:25:09,352 --> 00:25:13,731

- Hmm, sure is a hairy fellow.
- No, no, that's Scud, you idiot.

399

00:25:13,856 --> 00:25:16,275

That is Sid.

400

00:25:16,984 --> 00:25:19,654

- You mean that happy child?

- That ain't no happy child.

401

00:25:19,779 --> 00:25:23,741

He tortures toys,

just for fun!

402

00:25:26,202 --> 00:25:29,121

Well, then, we've

got to do something.

403

00:25:29,247 --> 00:25:30,498

- What are you doing?

- Get down from there!

404

00:25:30,498 --> 00:25:31,999

I'm gonna teach that boy a lesson.

405

00:25:32,124 --> 00:25:36,128

Yeah, sure. You go ahead.

Melt him with your scary laser.

406

00:25:36,254 --> 00:25:39,340

Be careful with that.

It's extremely dangerous.

407

00:25:39,465 --> 00:25:43,094

He's lighting it!

He's lighting it! Hit the dirt!

408

00:25:43,219 --> 00:25:45,096

Look out!

409

00:25:49,058 --> 00:25:51,602

Yes! He's gone!

He's history!

410

00:25:53,312 --> 00:25:55,273

I could've stopped him.

411

00:25:55,398 --> 00:25:58,609

Buzz, I would love

to see you try.

412

00:25:58,734 --> 00:26:01,195

- Of course, I'd love to see you as a crater.

- Yeah!

413

00:26:01,320 --> 00:26:05,783

- The sooner we move, the better.

- Oh, what a great shot. Yeah!

414

00:26:12,748 --> 00:26:16,127

To infinity and beyond!

415

00:26:16,252 --> 00:26:18,504

Oh, all this packing makes me hungry.

416

00:26:17,587 --> 00:26:20,798

What would you say to dinner

at, uh, oh, Pizza Planet?

417

00:26:20,923 --> 00:26:24,468

Pizza Planet? Oh, cool!

418

00:26:24,594 --> 00:26:26,637

Go wash your hands,
and I'll get Molly ready.

419

00:26:26,762 --> 00:26:29,974

- Can I bring some toys?
- You can bring one toy.

420

00:26:30,099 --> 00:26:32,977

- Just one?
- One toy?

421

00:26:38,816 --> 00:26:41,235

Will Andy pick me?

422

00:26:44,405 --> 00:26:46,908

"Don't count on it"?
Ohh!

423

00:27:07,178 --> 00:27:09,513

Buzz! Oh, Buzz!
Buzz Lightyear!

424

00:27:09,639 --> 00:27:12,224

Buzz Lightyear, thank goodness!

We've got trouble!

425

00:27:12,350 --> 00:27:14,894

- Trouble? Where?

- Down there. Just down there.

426

00:27:15,019 --> 00:27:17,855

A helpless toy!

It's... It's trapped, Buzz!

427

00:27:17,980 --> 00:27:20,107

Then we've no time to lose.

428

00:27:26,072 --> 00:27:28,115

- I don't see anything.

- Uh, he's there.

429

00:27:28,115 --> 00:27:29,450

Just... Just keep looking.

430

00:27:29,492 --> 00:27:32,036

What kind of toy...

431

00:27:49,470 --> 00:27:50,388

- Buzz!

- Buzz!

432

00:27:50,388 --> 00:27:51,305

Buzz!

433

00:27:53,349 --> 00:27:55,309

- I don't see him in the driveway.

- Did you see what happened?

434

00:27:55,434 --> 00:27:58,854

- I think he bounced into Sid's yard!

- Ohh! Buzz!

435

00:28:01,190 --> 00:28:05,486

Hey, everyone! R.C.'s trying
to say something. What is it, boy?

436

00:28:05,611 --> 00:28:08,447

- He's saying that this was no accident.

- Huh?

437

00:28:08,573 --> 00:28:10,992

- What do you mean?

- I mean Humpty-Dumpty was pushed.

438

00:28:10,992 --> 00:28:12,535

- No!

- By Woody!

439

00:28:12,535 --> 00:28:13,744

- What?

- What?

440

00:28:13,786 --> 00:28:14,495

Wait a minute.

441

00:28:14,495 --> 00:28:17,790

You... You don't think

I meant to knock Buzz out the window,

442

00:28:17,790 --> 00:28:19,000

Do you?

Potato Head?

443

00:28:19,000 --> 00:28:22,503

That's Mr. Potato Head to you,
you back-stabbin' murderer!

444

00:28:22,628 --> 00:28:25,131

Now, it was an accident, guys.
Come on.

445

00:28:25,256 --> 00:28:27,425

Now, you... you gotta
believe me.

446

00:28:27,550 --> 00:28:30,886

We believe ya, Woody.
Right, Rex?

447

00:28:31,012 --> 00:28:33,472

Well, ye... n...
I don't like confrontations.

448

00:28:33,598 --> 00:28:36,809

Where is your honor, dirt bag?

You are an absolute disgrace!

449

00:28:36,934 --> 00:28:39,020

You don't deserve to... Hey!

450

00:28:39,145 --> 00:28:42,106

You couldn't handle Buzz cuttin' in
on your playtime, could you, Woody?

451

00:28:42,231 --> 00:28:46,277

Didn't wanna face the fact that Buzz
just might be Andy's new favorite toy.

452

00:28:46,277 --> 00:28:48,696

So you got rid of him.

453

00:28:48,696 --> 00:28:50,615

Well, what if Andy starts playing with me more, Woody, huh?

454

00:28:50,740 --> 00:28:52,533

You're gonna knock me out
of the window too?

455

00:28:52,575 --> 00:28:56,162

- I don't think we should give him the chance.

- There he is, men.

456

00:28:56,287 --> 00:28:58,623

- Frag him!

- Let's string him up by his pull string!

457

00:28:58,748 --> 00:29:00,917

- I've got dibs on his hat!

- Would you boys stop it?

458

00:29:00,958 --> 00:29:02,460

- Tackle him!

- No, no, no! W-W-Wait!

459

00:29:02,460 --> 00:29:03,669

Boys, stop it!

460

00:29:03,794 --> 00:29:06,422

- I can explain everything.

- Okay, Mom, be right down.

461

00:29:06,547 --> 00:29:08,925

- I've gotta get Buzz.

- Retreat!

462

00:29:14,013 --> 00:29:16,390

- Mom, do you know where Buzz is?

- No, I haven't seen him.

463

00:29:16,390 --> 00:29:17,767

Psst!

464

00:29:20,061 --> 00:29:22,438

Andy, I'm heading

out the door!

465

00:29:22,563 --> 00:29:25,024

- But, Mom, I can't find him!

- Honey, just grab some other toy.

466

00:29:25,024 --> 00:29:26,484

Now, come on.

467

00:29:26,609 --> 00:29:28,653

Okay.

468

00:29:33,324 --> 00:29:36,911

I couldn't find my Buzz.

I know I left him right there.

469

00:29:37,036 --> 00:29:39,956

Honey, I'm sure he's around.

You'll find him.

470

00:29:53,761 --> 00:29:56,389

It's too short!

We need more monkeys!

471

00:29:56,514 --> 00:29:59,558

There aren't any more!

That's the whole barrel!

472

00:30:00,935 --> 00:30:02,937

Buzz, the monkeys

aren't working.

473

00:30:03,062 --> 00:30:05,398

We're formulating
another plan!

474

00:30:05,523 --> 00:30:09,235

Stay calm!
Oh, where could he be?

475

00:30:20,663 --> 00:30:23,916

- Can I help pump the gas?
- Sure! I'll even let you drive.

476

00:30:24,041 --> 00:30:25,918

- Yeah?
- Yeah, when you're 16.

477

00:30:26,043 --> 00:30:28,087

Yuk, yuk, yuk.
Funny, Mom.

478

00:30:28,212 --> 00:30:32,717

Oh, great. How am I gonna convince
those guys it was an accident?

479

00:30:36,304 --> 00:30:38,180

Buzz!

480

00:30:39,682 --> 00:30:42,268

Buzz! Hah! You're alive!

481

00:30:42,393 --> 00:30:46,939

This is great! Oh, I'm saved!

I'm saved! Andy will find you here.

482

00:30:47,064 --> 00:30:50,276

He'll take us back to the room,
and then you can tell everyone...

483

00:30:50,401 --> 00:30:53,487

that this was all
just a big mistake.

484

00:30:53,613 --> 00:30:56,449

Huh? Right? Buddy?

485

00:30:56,574 --> 00:30:59,952

I just want you to know that even
though you tried to terminate me,

486

00:31:00,077 --> 00:31:02,830

revenge is not an idea
we promote on my planet.

487

00:31:02,955 --> 00:31:06,459

- Oh. Oh, that's good.
- But we're not on my planet.

488

00:31:06,584 --> 00:31:07,877

- Are we?
- No.

489

00:31:14,842 --> 00:31:18,471

Okay. Come on!
You want a piece of me?

490

00:31:24,644 --> 00:31:26,395

<i>Ow!</i>

491

00:31:26,062 --> 00:31:28,147

<i>Buzz... Buzz... Buzz

Lightyear to the rescue.</i>

492

00:31:28,272 --> 00:31:29,482

<i>- Ouch!</i>

493

00:31:28,564 --> 00:31:32,401

- Next stop...

- Pizza Planet. Yeah!

494

00:31:34,445 --> 00:31:36,155

Andy!

495

00:31:44,121 --> 00:31:47,041

Wh... Doesn't he realize

that I'm not there?

496

00:31:48,668 --> 00:31:50,544

I'm lost!

497

00:31:52,004 --> 00:31:54,840

Oh, I'm a lost toy!

498

00:31:58,928 --> 00:32:00,680

Buzz Lightyear mission log.

499

00:32:00,805 --> 00:32:03,849

The local sheriff and I seem to be at
a huge refueling station of some sort.

500

00:32:03,975 --> 00:32:05,893

You!

501

00:32:25,997 --> 00:32:28,374

- According to my navi-computer, the...
- Shut up!

502

00:32:28,499 --> 00:32:31,711

- Just shut up, you idiot!
- Sheriff, this is no time to panic.

503

00:32:31,836 --> 00:32:35,214

This is the perfect time to panic!
I'm lost! Andy is gone!

504

00:32:35,339 --> 00:32:37,675

They're gonna move from their house
in two days, and it's all your fault!

505

00:32:37,800 --> 00:32:40,970

My... My fault? If you hadn't pushed me
out of the window in the first place...

506

00:32:41,095 --> 00:32:45,057

Oh, yeah? Well, if you hadn't shown up in
your stupid little cardboard spaceship...

507

00:32:45,182 --> 00:32:47,310

and taken away everything
that was important to me...

508

00:32:47,435 --> 00:32:49,103

Don't talk to me
about importance.

509

00:32:49,228 --> 00:32:52,106

Because of you, the security
of this entire universe is in jeopardy!

510

00:32:52,231 --> 00:32:54,442

What? What are you
talking about?

511

00:32:54,567 --> 00:32:58,571

Right now, poised at the edge of the galaxy,
Emperor Zurg has been secretly building...

512

00:32:58,696 --> 00:33:02,241

a weapon with the destructive capacity
to annihilate an entire planet!

513

00:33:02,366 --> 00:33:06,454

I alone have information that reveals
this weapon's only weakness.

514

00:33:06,579 --> 00:33:11,417

And you, my friend, are responsible for
delaying my rendezvous with Star Command!

515

00:33:12,877 --> 00:33:15,963

You are a toy!

516

00:33:16,088 --> 00:33:20,092

You aren't the real Buzz Lightyear!

You're a... Uh, you're an action figure!

517

00:33:20,217 --> 00:33:24,221

You are a child's

plaything!

518

00:33:24,347 --> 00:33:29,101

You are a sad, strange little man,

and you have my pity. Farewell.

519

00:33:29,226 --> 00:33:32,772

Oh, yeah? Well,

good riddance, ya loony.

520

00:33:32,897 --> 00:33:36,108

"Rendezvous with Star Command."

521

00:33:36,233 --> 00:33:38,444

<i>- Hey, gas dude!

- You talking to me?</i>

522

00:33:38,486 --> 00:33:39,946

<i>- Pizza Planet?

- Yeah, man. Can you help me?</i>

523

00:33:39,987 --> 00:33:42,490

<i>- D'you know where Cutting Boulevard is?

- Andy!</i>

524

00:33:42,615 --> 00:33:44,492

- Just a moment.

- Oh, no!

525

00:33:44,617 --> 00:33:47,411

I can't show my face

in that room without Buzz.

526

00:33:47,411 --> 00:33:50,831

- Buzz! Buzz, come back!

- Go away.

527

00:33:50,957 --> 00:33:54,126

No, Buzz, you gotta come back!

I...

528

00:33:55,753 --> 00:33:58,214

I found a spaceship!

529

00:33:59,423 --> 00:34:01,550

It's a spaceship, Buzz.

530

00:34:03,427 --> 00:34:07,014

Come on, man, hurry up! Um, like,
the pizzas are getting cold here.

531

00:34:07,139 --> 00:34:10,643

- Oh, yeah, Cutting Boulevard.

- Yeah, yeah. Which way?

532

00:34:10,768 --> 00:34:12,895

Now, you're sure this space
freighter will return...

533

00:34:13,020 --> 00:34:14,981

to its port of origin once
it jettisons its food supply?

534

00:34:15,106 --> 00:34:17,400

Uh-huh. And when we
get there,

535

00:34:17,525 --> 00:34:20,653

we'll be able to find a way
to transport you home.

536

00:34:20,778 --> 00:34:24,323

- Well, then, let's climb aboard.
- No, no, no, wait! Buzz! Buzz!

537

00:34:24,448 --> 00:34:26,409

Let's get in the back.
No one will see us there.

538

00:34:26,534 --> 00:34:29,579

Negative. There are no restraining
harnesses in the cargo area.

539

00:34:29,704 --> 00:34:32,498

- We'll be much safer in the cockpit.
- Yeah, but...

540

00:34:32,623 --> 00:34:35,251

- Buzz! Buzz!

- That's two lefts and a right, huh?

541

00:34:35,376 --> 00:34:37,253

- Yeah.

- Uh, thanks for the directions, okay?

542

00:34:37,378 --> 00:34:39,839

- Yeah, remember, kid...

- Buzz!

543

00:34:52,852 --> 00:34:55,855

"It's safer in the cockpit than
the cargo bay." What an idiot.

544

00:35:20,588 --> 00:35:24,717

<i>Next shuttle lift off scheduled
for T-minus 30 minutes and counting.</i>

545

00:35:29,513 --> 00:35:31,641

<i>You are cleared to enter.</i>

546

00:35:31,766 --> 00:35:34,435

<i>Welcome to Pizza Planet.</i>

547

00:35:34,435 --> 00:35:39,023

<i>The white zone is for eating pizza...

- Sheriff!</i>

548

00:35:39,023 --> 00:35:42,026

Sheriff? There you are.

549

00:35:42,068 --> 00:35:45,404

Now, the entrance is heavily guarded.

We need a way to get inside.

550

00:35:47,240 --> 00:35:51,244

Great idea, Woody.

I like your thinkin'.

551

00:35:51,369 --> 00:35:54,038

<i>You are cleared to enter.</i>

552

00:35:54,038 --> 00:35:56,582

<i>- Welcome to Pizza Planet.

- Now!</i>

553

00:35:56,707 --> 00:35:59,543

Quickly, Sheriff!

The air lock is closing.

554

00:35:59,669 --> 00:36:02,380

<i>Jones, party of five,
your shuttle is now boarding...</i>

555

00:36:02,505 --> 00:36:04,465

Mom, can we have
some tokens?

556

00:36:04,590 --> 00:36:08,636

- Ow! Watch where you're going!

- Sorry!

557

00:36:14,600 --> 00:36:18,479

<i>Nine, Eight, Seven, Six,</i>

558

00:36:18,604 --> 00:36:21,774

<i>Five, Four, Three,</i>

559

00:36:21,899 --> 00:36:23,734

<i>Two, One.</i>

560

00:36:23,776 --> 00:36:27,905

What a spaceport!

Good work, Woody.

561

00:36:36,163 --> 00:36:38,958

- Mom, can I play Black Hole?

Please, please, please!

562

00:36:38,958 --> 00:36:40,251

- Andy!

- Oh, it's so cool!

563

00:36:40,251 --> 00:36:41,919

Now, we need to find a ship
that's headed for Sector 12.

564

00:36:41,961 --> 00:36:44,171

Wait a minute. No, no, no, Buzz.

565

00:36:43,129 --> 00:36:46,048

This way! There's a
special ship. I just saw it.

566

00:36:46,090 --> 00:36:47,758

You mean it has hyperdrive?

567

00:36:48,759 --> 00:36:53,681

Hyperactive hyperdrive
and Astro, uh, turf!

568

00:36:53,806 --> 00:36:56,350

- Where is it? I-I don't see the...
- Come on. That's it.

569

00:36:56,475 --> 00:36:58,352

Spaceship!

570

00:36:59,645 --> 00:37:02,315

All right, Buzz,
get ready. And...

571

00:37:02,356 --> 00:37:03,649

Until the universe explodes!

572

00:37:03,649 --> 00:37:06,235

Okay, Buzz, when I say go,
we're gonna jump in the basket.

573

00:37:06,235 --> 00:37:09,530

Buzz!

574

00:37:09,655 --> 00:37:10,865

- Hey, Mom, if I eat all of my pizza,
- No!

575

00:37:10,865 --> 00:37:13,200

Can I have some alien slime?

576

00:37:13,242 --> 00:37:15,369

This cannot be
happening to me!

577

00:37:25,004 --> 00:37:28,716

<i>- A stranger.

- From the outside. Ooh!</i>

578

00:37:28,716 --> 00:37:31,677

Greetings.

I am Buzz Lightyear.

579

00:37:31,802 --> 00:37:36,766

- I come in peace.

- Tell me what it's like outside.

580

00:37:36,891 --> 00:37:41,354

*<i>Before your space journey, re-energize
yourself with a slice of pepperoni,</i>*

581

00:37:41,479 --> 00:37:44,273

<i>now boarding at counter three.</i>

582

00:37:44,398 --> 00:37:48,903

This is an intergalactic emergency.

I need to commandeer your vessel to Sector 12.

583

00:37:49,028 --> 00:37:51,405

Who's in charge here?

584

00:37:51,530 --> 00:37:54,408

<i>The claw!</i>

585

00:37:56,494 --> 00:37:57,328

<i>The claw is our master.</i>

586

00:37:57,328 --> 00:37:59,872

<i>- The claw chooses who
will go and who will stay.</i>

587

00:37:59,997 --> 00:38:03,334

<i>- This is ludicrous.

- Hey, bozo, you got a brain in there?</i>

588

00:38:04,710 --> 00:38:07,088

<i>Take that!</i>

589

00:38:07,213 --> 00:38:11,175

Oh, no! Sid!

Get down!

590

00:38:13,219 --> 00:38:15,554

- What's gotten into you, Sheriff? I wa...

- You are the one...

591

00:38:15,680 --> 00:38:18,182

<i>- That decided to climb into this...

- Shh! The claw.</i>

592

00:38:18,307 --> 00:38:21,060

<i>It moves.</i>

593

00:38:24,814 --> 00:38:26,899

<i>I have been chosen!</i>

594

00:38:27,024 --> 00:38:30,611

<i>Farewell, my friends.

I go on to a better place.</i>

595

00:38:30,736 --> 00:38:32,613

<i>Gotcha!</i>

596

00:38:34,115 --> 00:38:37,076

<i>A Buzz Lightyear?

No way!</i>

597

00:38:53,384 --> 00:38:56,971

<i>- Yes!

- Buzz! No!</i>

598

00:38:58,639 --> 00:39:00,516

<i>Hey!</i>

599

00:39:02,143 --> 00:39:04,270

<i>- He has been chosen.

- He must go. Hey!</i>

600

00:39:04,312 --> 00:39:04,937

<i>- You might anger the claw.</i>

601

00:39:04,937 --> 00:39:07,440

<i>- What are you doing? Stop it!

- The claw! The claw!</i>

602

00:39:07,565 --> 00:39:11,068

<i>- Stop it, you zealots!

- Do not fight the claw.</i>

603

00:39:12,278 --> 00:39:15,197

<i>All right!

Double prizes!</i>

604

00:39:17,825 --> 00:39:20,536

<i>Let's go home and play.</i>

605

00:39:34,425 --> 00:39:37,970

Sheriff, I can see your dwelling
from here. You're almost home.

606

00:39:38,095 --> 00:39:40,389

Nirvana is coming.

The mystic portal awaits.

607

00:39:40,514 --> 00:39:43,017

Will you be quiet?

You guys don't get it, do you?

608

00:39:43,142 --> 00:39:47,146

Once we go into Sid's house,
we won't be coming out!

609

00:39:47,271 --> 00:39:51,442

Whoa, Scud! Hey, boy!

Sit! Good boy.

610

00:39:51,567 --> 00:39:54,904

- Hey, I got something for you, boy.

- Freeze!

611

00:39:56,948 --> 00:39:59,200

Ready, set, now!

612

00:40:00,409 --> 00:40:02,828

Hannah! Hey, Hannah!

613

00:40:02,954 --> 00:40:04,997

- What?

- Did I get my package in the mail?

614

00:40:05,122 --> 00:40:07,500

- I don't know.

- What do you mean, you don't know?

615

00:40:07,625 --> 00:40:10,044

I don't know.

616

00:40:10,169 --> 00:40:11,420

- Oh, no, Hannah!

- What?

617

00:40:11,420 --> 00:40:12,672

Look... Janie!

618

00:40:12,588 --> 00:40:13,172

Hey!

619

00:40:13,172 --> 00:40:14,715

- She's sick!

- No, she's not!

620

00:40:14,757 --> 00:40:17,843

- I'll have to perform one of my operations.

- No!

621

00:40:17,969 --> 00:40:20,096

- Not Sid's room. Not there.

- No!

622

00:40:20,221 --> 00:40:22,098

Sid, give her back!

623

00:40:23,307 --> 00:40:25,184

Sid!

624

00:40:25,309 --> 00:40:28,062

- Oh, no! - Mom!

- We have a sick patient here, Nurse.

625

00:40:28,062 --> 00:40:30,690

Prepare the O.R., stat!

626

00:40:32,316 --> 00:40:34,569

Patient is prepped.

627

00:40:36,112 --> 00:40:38,406

No one's ever attempted

a double bypass...

628

00:40:38,531 --> 00:40:41,325

brain transplant before.

629

00:40:41,450 --> 00:40:44,370

Now for the tricky part.

Pliers!

630

00:40:44,495 --> 00:40:47,081

I don't believe that man's
ever been to medical school.

631

00:40:49,000 --> 00:40:51,544

Doctor, you've done it!

632

00:40:53,170 --> 00:40:54,964

Hannah!

633

00:40:55,089 --> 00:40:57,883

Janie's all better now.

634

00:40:58,009 --> 00:41:01,220

- Mom! Mom!

- She's lying!

635

00:41:01,345 --> 00:41:03,931

Whatever she says,

it's not true!

636

00:41:16,027 --> 00:41:18,738

We are gonna die.

I'm outta here!

637

00:41:23,034 --> 00:41:25,369

Locked!

638

00:41:25,494 --> 00:41:28,164

There's gotta be

another way outta here.

639

00:41:38,841 --> 00:41:42,219

Uh, Buzz, was that you?

640

00:41:51,604 --> 00:41:53,940

Hey, hi there,
little fella.

641

00:41:54,065 --> 00:41:56,108

Come out here.

Do you know a way outta here?

642

00:42:26,764 --> 00:42:29,684

Bu-Bu-Bu-Buzz!

643

00:42:40,778 --> 00:42:43,155

They're cannibals.

644

00:42:46,075 --> 00:42:49,537

Mayday, mayday. Come in,

Star Command. Send reinforcements.

645

00:42:49,662 --> 00:42:52,331

Star Command, do you copy?

646

00:42:52,456 --> 00:42:54,667

I've set my laser

from stun to kill.

647

00:42:54,792 --> 00:42:59,422

Ah, great, great. Yeah, and if anyone
attacks us, we can blink 'em to death.

648

00:43:02,550 --> 00:43:07,179

Hey, you guys, I think
I found him. Buzz, is that you?

649

00:43:07,305 --> 00:43:09,599

Whiskers, will you
get out of here!

650

00:43:09,724 --> 00:43:12,560

You're interfering
with a search and rescue!

651

00:43:13,728 --> 00:43:16,063

Look! They're home.

652

00:43:20,943 --> 00:43:24,196

- Mom, have you seen Woody?
- Where was the last place you left him?

653

00:43:24,322 --> 00:43:26,699

- Right here in the van.

- I'm sure he's there.

654

00:43:26,824 --> 00:43:28,492

You're just not looking
hard enough.

655

00:43:28,618 --> 00:43:32,163

He's not here, Mom.

Woody's gone!

656

00:43:32,288 --> 00:43:35,207

- Woody's gone?

- Yeah, boy, the weasel ran away.

657

00:43:35,333 --> 00:43:37,418

Huh? Huh?

I told you he was guilty.

658

00:43:37,543 --> 00:43:41,547

Who would've thought he was

capable of such atrocities?

659

00:43:43,341 --> 00:43:46,052

Oh, Slink,

I hope he's okay.

660

00:43:49,221 --> 00:43:51,724

Oh, a survivor!

661

00:43:51,849 --> 00:43:54,101

Where's the rebel base?

Talk!

662

00:43:56,562 --> 00:43:59,231

I can see your will

is strong.

663

00:44:00,441 --> 00:44:03,778

Well, we have ways

of making you talk.

664

00:44:13,704 --> 00:44:17,416

Where are your

rebel friends now?

665

00:44:17,541 --> 00:44:21,462

- Sid, your Pop Tarts are ready!

- All right!

666

00:44:33,432 --> 00:44:35,893

Are you all right?

I'm proud of you, Sheriff.

667

00:44:36,018 --> 00:44:39,272

A lesser man would've
talked under such torture.

668

00:44:39,397 --> 00:44:41,857

I sure hope this
isn't permanent.

669

00:44:41,983 --> 00:44:44,610

Still no word from Star Command.
We're not that far from the spaceport.

670

00:44:44,735 --> 00:44:47,613

The door. It's open!

We're free!

671

00:44:47,738 --> 00:44:50,199

- Woody, we don't know what's out there!

- I'll tell you wha...

672

00:44:52,577 --> 00:44:54,662

They're gonna eat us, Buzz!

Do something, quick!

673

00:44:54,787 --> 00:44:56,789

Shield your eyes!

674

00:44:59,041 --> 00:45:01,335

It's not working. I recharged it

before I left. I-It should be good for...

675

00:45:01,460 --> 00:45:05,131

You idiot, you're a toy!

Use your karate-chop action!

676

00:45:05,256 --> 00:45:05,881

Get away!

677

00:45:05,881 --> 00:45:08,718

Hey! Hey! How're you doin' that?

Stop that!

678

00:45:08,759 --> 00:45:11,679

- Back! Back, you savages! Back!

- Woody, stop it.

679

00:45:11,804 --> 00:45:14,724

Sorry, guys,

but dinner's cancelled.

680

00:45:14,849 --> 00:45:17,310

There's no place like home.

There's no place like home.

681

00:45:18,477 --> 00:45:21,564

There's no place like home!

682

00:45:34,368 --> 00:45:36,662

Another stunt like that, cowboy,

and you're gonna get us killed.

683

00:45:36,787 --> 00:45:40,166

- Don't tell me what to do.

- Shh!

684

00:45:58,517 --> 00:46:01,354

<i>Yee-haw! Giddyap, partner!</i>

685

00:46:01,479 --> 00:46:05,566

<i>We got to get this

wagon train a-movin'!</i>

686

00:46:07,401 --> 00:46:09,028

Split up!

687

00:46:31,050 --> 00:46:35,304

<i>Calling Buzz Lightyear. Come in,

Buzz Lightyear. This is Star Command.</i>

688

00:46:35,429 --> 00:46:37,306

<i>- Buzz Lightyear, Star Command!

- do you read me?</i>

689

00:46:37,431 --> 00:46:39,558

<i>Buzz Lightyear responding.

Read you loud and clear.</i>

690

00:46:39,684 --> 00:46:42,144

<i>Buzz Lightyear,

planet Earth needs your help!</i>

691

00:46:42,270 --> 00:46:44,313

<i>- On the way!

- Buzz Lightyear!</i>

692

00:46:44,438 --> 00:46:48,734

<i>The world's greatest superhero,

now the world's greatest toy!</i>

693

00:46:48,859 --> 00:46:51,737

<i>Buzz has it all!

Locking wrist communicator!</i>

694

00:46:51,862 --> 00:46:54,615

<i>- Calling Buzz Lightyear!

- Karate-chop action!</i>

695

00:46:54,740 --> 00:46:56,617

<i>- Wow!

- Pulsating laser light!</i>

696

00:46:56,742 --> 00:46:59,954

<i>- Total annihilation!

- Multi-phrase voice simulator!</i>

697

00:47:00,079 --> 00:47:02,081

<i>There's a secret mission

in uncharted space.</i>

698

00:47:02,206 --> 00:47:04,083

<i>There's a secret mission

in uncharted space.</i>

699

00:47:04,208 --> 00:47:07,753

<i>And best of all,

high pressure space wings!</i>

700

00:47:07,878 --> 00:47:11,465

<i>- To infinity and beyond!

- Not a flying toy.</i>

701

00:47:11,591 --> 00:47:15,011

<i>Get your Buzz Lightyear action figure
and save a galaxy near you!</i>

702

00:47:15,136 --> 00:47:17,597

<i>Buzz Lightyear!</i>

703

00:47:17,597 --> 00:47:20,057

<i>Available at all Al's Toy Barn outlets
in the Tri-county area.</i>

704

00:47:27,315 --> 00:47:31,485

<i># Out among the stars I sit #</i>

705

00:47:31,611 --> 00:47:35,615

<i># Way beyond the moon #</i>

706

00:47:35,740 --> 00:47:40,161

<i># In my silver ship I sail #</i>

707

00:47:40,286 --> 00:47:44,457

<i># To a dream #

that ended too soon #</i>

708

00:47:44,582 --> 00:47:46,751

<i># Now I know #</i>

709

00:47:46,876 --> 00:47:51,255

<i># Exactly who I am #

and what I'm here for #</i>

710

00:47:51,380 --> 00:47:54,508

You are a toy!

You can't fly!

711

00:47:56,636 --> 00:48:01,974

<i># And I will go sailing #</i>

712

00:48:02,099 --> 00:48:04,852

<i># No more #</i>

713

00:48:09,482 --> 00:48:13,194

<i># But no #

It can't be true #</i>

714

00:48:13,319 --> 00:48:16,822

<i># I could fly if I wanted to #</i>

715

00:48:16,948 --> 00:48:19,450

<i># Like a bird in the sky #</i>

716

00:48:19,575 --> 00:48:22,453

<i># If I believed I could fly #</i>

717

00:48:22,578 --> 00:48:25,206

<i># Why, I'd fly #</i>

718

00:48:25,331 --> 00:48:28,084

To infinity and beyond!

719

00:48:43,808 --> 00:48:47,353

<i># Clearly I #</i>

720

00:48:47,478 --> 00:48:52,316

<i># Will go sailing #</i>

721

00:48:52,441 --> 00:48:55,194

<i># No more #</i>

722

00:49:09,542 --> 00:49:11,961

Mom! Mom, have you seen
my Sally doll?

723

00:49:12,086 --> 00:49:13,963

What, dear?
What was that?

724

00:49:15,089 --> 00:49:16,966

Never mind!

725

00:49:24,515 --> 00:49:27,351

Buzz, the coast is clear.
Buzz, where are you?

726

00:49:27,476 --> 00:49:30,897

<i> There's a secret mission
in uncharted space. Let's go.</i>

727

00:49:31,022 --> 00:49:35,526

Really? That is
so interesting.

728

00:49:35,651 --> 00:49:38,487

Would you like some tea,
Mrs. Nesbitt?

729

00:49:38,613 --> 00:49:39,155

Buzz!

730

00:49:39,155 --> 00:49:42,241

It's so nice you could
join us on such late notice.

731

00:49:42,366 --> 00:49:46,370

- Oh, no.
- What a lovely hat, Mrs. Nesbitt.

732

00:49:46,495 --> 00:49:49,248

It goes quite well
with your head.

733

00:49:49,373 --> 00:49:52,001

Hannah! Oh, Hannah!

734

00:49:52,126 --> 00:49:56,255

Mom? Please excuse me, ladies.

I'll be right back.

735

00:49:59,216 --> 00:50:01,427

What is it, Mom?

736

00:50:01,552 --> 00:50:03,137

Mom, where are you?

737

00:50:03,262 --> 00:50:05,932

Buzz! Hey! Buzz, are you okay?

738

00:50:06,057 --> 00:50:09,185

Gone! It's all gone.

739

00:50:09,310 --> 00:50:12,104

All of it's gone.

Bye-bye. Whoo-who. See ya.

740

00:50:12,230 --> 00:50:15,983

- What happened to you?

- One minute you're defending the whole galaxy,

741

00:50:16,108 --> 00:50:19,946

and suddenly you find yourself

suckin' down Darjeeling...

742

00:50:20,071 --> 00:50:23,199

with Marie Antoinette

and her little sister.

743

00:50:25,243 --> 00:50:27,578

I think you've had enough tea

for today.

744

00:50:27,703 --> 00:50:30,957

- Let's get you outta here, Buzz.

- Don't you get it?

745

00:50:31,082 --> 00:50:36,087

You see the hat?

I am Mrs. Nesbitt!

746

00:50:36,212 --> 00:50:38,339

Snap out of it, Buzz!

747

00:50:41,425 --> 00:50:43,469

I-I-I'm... I'm sorry, I...

You're right.

748

00:50:43,594 --> 00:50:45,513

I am just a little depressed, that's all.

I...

749

00:50:46,639 --> 00:50:48,641

I-I can get through this.

750

00:50:48,766 --> 00:50:50,226

- Oh, I'm a sham!

- Shh!

751

00:50:50,351 --> 00:50:51,978

- Look at me.

- Quiet, Buzz!

752

00:50:52,103 --> 00:50:54,564

I can't even fly out
of a window.

753

00:50:54,689 --> 00:50:57,733

But the hat looked good?
Tell me the hat looked good.

754

00:50:57,858 --> 00:51:01,028

- The apron is a bit much.
- Out the window!

755

00:51:01,153 --> 00:51:04,907

Buzz, you're a genius!
Come on, come on. This way.

756

00:51:05,032 --> 00:51:08,411

Years of academy training
wasted!

757

00:51:09,328 --> 00:51:11,998

- B-3.

- Miss! G-6.

758

00:51:12,123 --> 00:51:14,375

Ohh! You sunk it!

759

00:51:14,500 --> 00:51:17,211

- Are you peeking?

- Oh, quit your whining and pay up.

760

00:51:17,336 --> 00:51:19,297

No, no, not the ear.

Give me the nose. Come on.

761

00:51:19,422 --> 00:51:20,881

How about three out of five?

762

00:51:22,425 --> 00:51:24,468

Hey, guys! Guys!

763

00:51:24,594 --> 00:51:26,846

- Hey!

- Son of a building block!

764

00:51:26,971 --> 00:51:29,181

- It's Woody.

- He's in the psycho's bedroom.

765

00:51:29,307 --> 00:51:31,559

- H-H-Hi!

- Everyone! It's Woody!

766

00:51:31,684 --> 00:51:32,768

- Woody?

- You're kidding!

767

00:51:32,768 --> 00:51:33,894

Woody!

768

00:51:34,020 --> 00:51:36,272

We're gonna get out

of here, Buzz.

769

00:51:36,314 --> 00:51:37,857

Buzz?

770

00:51:42,403 --> 00:51:44,071

- Hey, look!

- Woody!

771

00:51:44,196 --> 00:51:46,324

Oh, boy, am I glad

to see you guys!

772

00:51:46,449 --> 00:51:49,035

- I knew you'd come back, Woody!

- What are you doin' over there?

773

00:51:49,160 --> 00:51:51,579

It's a long story, Bo.

I'll explain later.

774

00:51:51,704 --> 00:51:53,497

Here! Catch this!

775

00:51:54,707 --> 00:51:56,000

Whoa! I got it, Woody!

776

00:51:56,125 --> 00:51:58,669

- He got it, Woody!

- Good goin', Slink!

777

00:51:58,794 --> 00:52:01,088

- Now just, just tie it on to somethin'.

- Wait, wait, wait, wait.

778

00:52:01,213 --> 00:52:02,381

- I got a better idea.

How about we don't?

779

00:52:02,465 --> 00:52:03,132

Hey!

780

00:52:03,257 --> 00:52:06,302

- Potato Head!

- Did you all take stupid pills this morning?

781

00:52:06,427 --> 00:52:08,220

Have you forgotten what he did to Buzz?

782

00:52:08,220 --> 00:52:10,056

And now you want
to let him back over here?

783

00:52:10,181 --> 00:52:12,308

No! No, no. No, no, no, no, no.
You got it...

784

00:52:12,433 --> 00:52:14,518

You got it all wrong,
Potato Head.

785

00:52:14,644 --> 00:52:16,771

Buzz is fine. Buzz is
right here. He's with me.

786

00:52:16,896 --> 00:52:19,523

- You are a liar!
- No, I'm not!

787

00:52:19,649 --> 00:52:21,567

Buzz, come over here and j-just
tell the nice toys

788

00:52:21,567 --> 00:52:23,527

that you're...

that you're not dead.

789

00:52:27,031 --> 00:52:30,243

Just a sec! Buzz, will you

get up here and give me a hand?

790

00:52:33,746 --> 00:52:35,790

That's very funny, Buzz.

This is serious!

791

00:52:35,915 --> 00:52:37,959

Hey, Woody, where'd ya go?

792

00:52:38,084 --> 00:52:40,586

He's lying. Buzz ain't there.

793

00:52:40,711 --> 00:52:46,050

Oh, hi, Buzz. Why don't you

say hello to the guys over there?

794

00:52:46,175 --> 00:52:49,512

Hiya, fellas!

To infinity and beyond!

795

00:52:49,637 --> 00:52:51,389

Hey, look! It's Buzz!

796

00:52:51,514 --> 00:52:56,727

Yeah! Hey, Buzz, let's show the guys
our new secret best-friends handshake.

797

00:52:56,852 --> 00:52:59,146

- Give me five, man!

- Something's screwy here.

798

00:52:59,272 --> 00:53:02,358

So you see, we're friends now,
guys. Aren't we, Buzz?

799

00:53:02,483 --> 00:53:04,235

You bet. Give me a hug.

800

00:53:05,570 --> 00:53:08,573

- Oh, I love you too.

- See? It is Buzz.

801

00:53:08,698 --> 00:53:11,576

- Now give back the lights, Potato Head.

- Wait just a minute.

802

00:53:11,701 --> 00:53:14,161

- What are you tryin' to pull?

- Nothin'.

803

00:53:18,624 --> 00:53:20,501

- Oh, that is disgusting.

- Murderer!

804

00:53:20,626 --> 00:53:22,878

- No! No, no, no, no, no!

- You murdering dog!

805

00:53:23,004 --> 00:53:25,089

- It's not what you think, I swear!

- Save it for the jury!

806

00:53:25,214 --> 00:53:27,508

I hope Sid pulls
your voice box out, you creep.

807

00:53:27,633 --> 00:53:30,720

No! No! No, no! Don't leave!

Don't leave! Y-Ya gotta help us, please!

808

00:53:30,761 --> 00:53:34,223

- You don't know what it's like over here!

- Come on, let's get out of here.

809

00:53:34,348 --> 00:53:36,809

Go back to your lives, citizens.

Show's over.

810

00:53:36,934 --> 00:53:39,312

Come back! Slink!

811

00:53:39,437 --> 00:53:43,524

Slink, please!

Please listen to me!

812

00:53:43,649 --> 00:53:45,860

No! No, come back!

813

00:53:46,986 --> 00:53:49,780

Slinky!

814

00:53:58,205 --> 00:54:00,041

Buzz!

815

00:54:00,166 --> 00:54:02,460

Go away, you disgusting freaks!

816

00:54:04,086 --> 00:54:06,213

All right, back!

Back, you cannibals!

817

00:54:11,135 --> 00:54:14,805

He is still alive and you're...

you're not gonna get him, you monsters!

818

00:54:14,931 --> 00:54:16,849

What are you doin'?

819

00:54:19,226 --> 00:54:21,437

Hey. Hey, they fixed you.

820

00:54:25,233 --> 00:54:28,611

But... But they're cannibals.

We saw them eat those other toys.

821

00:54:37,536 --> 00:54:40,957

Uh, sorry. I-I-I thought
that you were gonna,

822

00:54:41,082 --> 00:54:43,292

you kn...

you know, eat my friend.

823

00:54:43,417 --> 00:54:45,711

Hey, no, no. Hey. Hey!

What's wrong?

824

00:54:45,836 --> 00:54:48,047

- Sid!

- Not now, Mom! I'm busy!

825

00:54:48,172 --> 00:54:50,132

Sid!

826

00:54:50,258 --> 00:54:52,635

Buzz, come on, get up!

Use your legs!

827

00:54:52,760 --> 00:54:56,055

Fine! Let Sid trash you!

But don't blame me!

828

00:54:58,015 --> 00:55:01,102

It came! It finally came!

829

00:55:04,188 --> 00:55:06,065

"The Big One."

830

00:55:08,776 --> 00:55:13,573

"Extremely dangerous.

Keep out of reach of children."

831

00:55:15,199 --> 00:55:18,536

Cool! What am I gonna blow?

832

00:55:18,661 --> 00:55:21,706

Man! Hey, where's that
wimpy cowboy doll?

833

00:55:35,803 --> 00:55:37,763

Yes.

834

00:55:37,888 --> 00:55:41,183

I've always wanted to put
a spaceman into orbit.

835

00:55:51,819 --> 00:55:53,195

Yes.

836

00:55:57,074 --> 00:55:59,452

Oh, no!

837

00:56:01,662 --> 00:56:03,873

Oh, man!

838

00:56:10,046 --> 00:56:11,881

Sid Phillips reporting.

839

00:56:12,006 --> 00:56:16,177

Launch of the shuttle has been delayed due to
adverse weather conditions at the launch site.

840

00:56:16,302 --> 00:56:19,305

Tomorrow's forecast? Sunny.

841

00:56:20,681 --> 00:56:22,558

Sweet dreams.

842

00:56:27,688 --> 00:56:31,067

I looked everywhere, honey,
but all I could find was your hat.

843

00:56:31,192 --> 00:56:33,361

W-What if we leave them behind?

844

00:56:33,486 --> 00:56:35,363

Oh, don't worry, honey.

845

00:56:35,488 --> 00:56:38,950

I'm sure we'll find Woody and
Buzz before we leave tomorrow.

846

00:56:47,291 --> 00:56:50,378

- I need air.
- Will you quit moving around?

847

00:56:50,503 --> 00:56:54,215

I'm sorry. It's just that I get...
I get so nervous before I travel.

848

00:56:54,340 --> 00:56:56,801

How did I get stuck with you
as a moving buddy?

849

00:56:56,926 --> 00:56:58,761

Everyone else was picked.

850

00:57:05,768 --> 00:57:08,104

Oh, Woody.

851

00:57:08,229 --> 00:57:12,024

If only you could see
how much Andy misses you.

852

00:57:24,328 --> 00:57:27,331

Psst! Psst! Hey, Buzz!

853

00:57:34,088 --> 00:57:37,425

Hey. Get over here and see
if you can get this tool box off me.

854

00:57:40,803 --> 00:57:43,556

Oh, come on, Buzz, I...

855

00:57:43,681 --> 00:57:46,559

Buzz, I can't do this
without you.

856

00:57:46,684 --> 00:57:47,894

I need your help.

857

00:57:49,478 --> 00:57:52,690

I can't help.
I can't help anyone.

858

00:57:52,815 --> 00:57:55,651

Why, sure you can, Buzz.

You can get me out of here.

859

00:57:55,776 --> 00:57:58,738

And then I'll get that rocket off you
and we'll make a break for Andy's house.

860

00:57:58,863 --> 00:58:02,116

Andy's house, Sid's house.

What's the difference?

861

00:58:02,241 --> 00:58:06,495

Oh, Buzz, you've had a big fall.

Y-You must not be thinking clearly.

862

00:58:06,621 --> 00:58:10,374

No, Woody, for the first time

I am thinking clearly.

863

00:58:10,499 --> 00:58:13,085

You were right all along.

I'm not a Space Ranger.

864

00:58:13,210 --> 00:58:17,214

I'm just a toy.

A stupid little insignificant toy.

865

00:58:17,214 --> 00:58:18,424

Whoa. Hey.

Wait a minute.

866

00:58:18,633 --> 00:58:22,261

Being a toy is a lot better than
being a, a Space Ranger.

867

00:58:22,303 --> 00:58:24,305

- Yeah, right.

- No, it is.

868

00:58:24,430 --> 00:58:27,850

Look, over in that house is a kid
who thinks you are the greatest,

869

00:58:27,975 --> 00:58:30,519

and it's not because
you're a Space Ranger, pal.

870

00:58:30,645 --> 00:58:34,273

It's because you're a toy.
You are his toy.

871

00:58:34,398 --> 00:58:37,944

- But why would Andy want me?
- Why would Andy want you?

872

00:58:38,069 --> 00:58:41,155

Look at you!
You're a Buzz Lightyear!

873

00:58:41,280 --> 00:58:44,283

Any other toy would give up
his moving parts just to be you.

874

00:58:44,408 --> 00:58:47,954

You've got wings!
You glow in the dark! You talk!

875

00:58:48,079 --> 00:58:51,916

Your helmet does that...

that... that "whoosh" thing.

876

00:58:52,041 --> 00:58:54,210

You are a cool toy.

877

00:58:58,005 --> 00:59:01,425

As a matter of fact,

you're too cool.

878

00:59:01,550 --> 00:59:04,679

I mean... I mean, what chance

does a toy like me have...

879

00:59:04,804 --> 00:59:07,974

against a Buzz Lightyear

action figure?

880

00:59:08,099 --> 00:59:10,810

All I can do is...

881

00:59:10,935 --> 00:59:13,271

<i>There's a snake in my boots!</i>

882

00:59:15,439 --> 00:59:19,151

Why would Andy ever want to
play with me when he's got you?

883

00:59:21,279 --> 00:59:25,116

I'm the one that should be
strapped to that rocket.

884

00:59:47,680 --> 00:59:52,810

Listen, Buzz, forget about me. You
should get out of here while you can.

885

01:00:05,281 --> 01:00:08,117

- Buzz, what are you doin'? I thought you...
- Come on, Sheriff.

886

01:00:08,242 --> 01:00:11,704

There's a kid over in that house who needs us.
Now let's get you out of this thing.

887

01:00:11,829 --> 01:00:13,414

- Hit it!

- Yes, sir!

888

01:00:16,292 --> 01:00:18,336

Come on, Buzz, we can do it.

889

01:00:24,508 --> 01:00:28,054

- Woody! It's the moving van!

- We gotta get out of here now.

890

01:00:33,142 --> 01:00:34,602

Come on, Buzz.

891

01:00:36,562 --> 01:00:38,940

All right.

892

01:00:39,065 --> 01:00:42,360

- Buzz. Hey, I'm out!

- Almost there.

893

01:00:46,948 --> 01:00:49,867

I wanna ride the pony.

894

01:00:51,035 --> 01:00:53,537

Whew.

895

01:00:53,663 --> 01:00:56,624

Woody. Woody, are you all right?

896

01:00:57,875 --> 01:01:00,419

No, I'm fine. I'm okay.

897

01:01:11,138 --> 01:01:12,765

Oh, yeah!

898

01:01:12,890 --> 01:01:15,351

Time for liftoff! Whoo!

899

01:01:17,395 --> 01:01:22,066

To infinity and beyond!

Whoo-hoo!

900

01:01:29,699 --> 01:01:31,742

Back! Back!

901

01:01:31,867 --> 01:01:34,078

Down! Down!

902

01:01:34,203 --> 01:01:37,081

Okay, what do I do?

Come on, Woody, think.

903

01:01:39,834 --> 01:01:42,169

Guys!

904

01:01:42,295 --> 01:01:44,797

No, no, no, no, wait!

Wait. Listen. Please!

905

01:01:44,922 --> 01:01:49,135

There's a good toy down there and he's...

he's gonna be blown to bits in a few minutes,

906

01:01:49,260 --> 01:01:51,178

all because of me.

907

01:01:51,304 --> 01:01:52,680

We gotta save him.

908

01:01:53,931 --> 01:01:55,725

But I need your help.

909

01:02:03,232 --> 01:02:05,693

Please. He's my friend.

910

01:02:06,944 --> 01:02:09,739

He's the only one I've got.

911

01:02:22,752 --> 01:02:24,128

Thank you.

912

01:02:24,253 --> 01:02:26,339

Okay, I think I know

what to do.

913

01:02:26,464 --> 01:02:30,551

We're going to have to break a few rules,
but if it works it'll help everybody.

914

01:02:42,521 --> 01:02:45,274

Houston to Mission Control.

Come in, Control.

915

01:02:45,399 --> 01:02:48,110

Launchpad is being constructed.

916

01:02:50,571 --> 01:02:53,199

All right, listen up.

I need Pump Boy here.

917

01:02:53,324 --> 01:02:55,326

Ducky, here. Legs?

918

01:02:56,327 --> 01:02:58,329

You're with Ducky.

919

01:02:58,454 --> 01:03:00,623

RollerBob and I don't move

'til we get the signal. Clear?

920

01:03:01,832 --> 01:03:04,210

Okay. Let's move!

921

01:03:25,356 --> 01:03:27,483

Wind the frog!

922

01:03:48,546 --> 01:03:50,715

Wait for the signal.

923

01:04:06,063 --> 01:04:07,523

Go!

924

01:04:10,985 --> 01:04:12,945

All right, let's go!

925

01:04:13,070 --> 01:04:15,072

I'll get it!

926

01:04:15,197 --> 01:04:17,450

Now!

927

01:04:17,575 --> 01:04:19,869

I'm coming, I'm coming.

928

01:04:28,336 --> 01:04:30,129

Whoa! Scud!

929

01:04:34,342 --> 01:04:35,801

Stupid dog.

930

01:04:43,809 --> 01:04:45,519

Lean back!

931

01:04:49,941 --> 01:04:53,319

Uh, Mission Control, is the launchpad
construction complete?

932

01:04:53,444 --> 01:04:56,489

Uh, roger. Rocket is now
secured to guide wire.

933

01:04:56,614 --> 01:05:00,159

We are currently obtaining
the ignition sticks.

934

01:05:00,201 --> 01:05:02,245

Countdown will commence momentarily.

Stand by.

935

01:05:02,245 --> 01:05:04,247

Let's go.

936

01:05:04,372 --> 01:05:07,041

Hey, Mom!

Where are the matches?

937

01:05:07,166 --> 01:05:09,877

- Oh, wait, here they are. Never mind!

- Woody! Great!

938

01:05:10,002 --> 01:05:11,796

- Help me out of this thing.

- Shh!

939

01:05:11,921 --> 01:05:15,007

- What?

- It's okay. Everything's under control.

940

01:05:16,509 --> 01:05:19,679

- Woody, what are you doing?

- Houston, all systems are go.

941

01:05:19,804 --> 01:05:22,014

Requesting permission to launch.

942

01:05:23,224 --> 01:05:25,810

Hey. How'd you get out here?

943

01:05:27,311 --> 01:05:30,189

Oh, well. You and I

can have a cookout later.

944

01:05:33,943 --> 01:05:36,654

Houston, do we have

permission to launch?

945

01:05:36,779 --> 01:05:38,489

Uh, roger. Permission granted.

946

01:05:38,614 --> 01:05:42,243

You are confirmed

at T-minus ten seconds...

947

01:05:43,369 --> 01:05:44,912

and counting.

948

01:05:45,037 --> 01:05:48,749

Ten, nine, eight, seven,

949

01:05:48,874 --> 01:05:53,629

six, five, four, three,

two, one...

950

01:05:53,754 --> 01:05:57,508

<i>Reach for the sky.</i>

951

01:05:57,633 --> 01:06:02,054

<i>- Huh?

- This town ain't big enough for the two of us.</i>

952

01:06:02,179 --> 01:06:03,556

What?

953

01:06:03,681 --> 01:06:06,225

*<i>Somebody's poisoned
the water hole.</i>*

954

01:06:06,350 --> 01:06:10,438

<i>- It's busted.

- Who are you calling "busted,"buster?</i>

955

01:06:10,563 --> 01:06:12,356

<i>- Huh?

- That's right.</i>

956

01:06:12,481 --> 01:06:16,027

<i>- I'm talking to you, Sid Phillips.

- Huh?</i>

957

01:06:16,152 --> 01:06:18,988

<i>We don't like

bein' blown up, Sid.</i>

958

01:06:19,113 --> 01:06:21,699

<i>- Or smashed. Or ripped apart.

- We?</i>

959

01:06:21,824 --> 01:06:24,118

<i>That's right. Your toys.</i>

960

01:06:25,536 --> 01:06:29,248

Mama! Mama!

961

01:06:29,373 --> 01:06:32,501

Mama! Mama!

962

01:06:54,398 --> 01:06:56,234

Mama!

963

01:06:56,359 --> 01:07:00,655

<i>From now on you must take
good care of your toys,</i>

964

01:07:00,780 --> 01:07:04,951

<i>because if you don't,
we'll find out, Sid.</i>

965

01:07:05,076 --> 01:07:10,706

<i>We toys can see everything.</i>

966

01:07:12,166 --> 01:07:14,502

So play nice.

967

01:07:21,092 --> 01:07:24,553

We did it! We did it! Yes!

968

01:07:24,679 --> 01:07:27,223

The toys! The toys are alive!

969

01:07:27,348 --> 01:07:29,809

N-Nice toy.

970

01:07:32,937 --> 01:07:36,357

What's wrong, Sid? Don't you
want to play with Sally?

971

01:07:38,276 --> 01:07:40,444

Nice work, fellas. Good job.

972

01:07:40,570 --> 01:07:43,155

Coming out of the ground... what a touch.

That was a stroke of genius.

973

01:07:43,281 --> 01:07:44,907

Woody.

974

01:07:46,284 --> 01:07:48,160

Thanks.

975

01:07:49,620 --> 01:07:51,539

Everybody say, "Bye, House!"

976

01:07:51,664 --> 01:07:53,541

- Woody! The van!

- Bye, House.

977

01:07:56,794 --> 01:07:58,504

We gotta run! Thanks, guys!

978

01:08:01,924 --> 01:08:03,259

Quick!

979

01:08:07,930 --> 01:08:09,640

Just go! I'll catch up!

980

01:08:31,454 --> 01:08:32,663

Come on!

981

01:08:48,137 --> 01:08:49,388

You can do it, Woody!

982

01:08:54,727 --> 01:08:56,646

I made it.

983

01:09:00,399 --> 01:09:05,112

Ow! Get away, you stupid dog!

Down! Down!

984

01:09:05,238 --> 01:09:07,365

Hold on, Woody!

985

01:09:08,866 --> 01:09:10,618

I can't do it.

986

01:09:10,743 --> 01:09:13,287

Take care of Andy for me!

987

01:09:13,412 --> 01:09:16,040

No!

988

01:09:16,165 --> 01:09:17,583

Buzz!

989

01:09:44,735 --> 01:09:46,112

- Ow!

- Are we there already?

990

01:09:46,153 --> 01:09:47,280

- Woody?

- Woody!

991

01:09:47,280 --> 01:09:48,406

- How did you...

- How'd he get here?

992

01:09:48,531 --> 01:09:51,158

- Where have you... What happened... Ow!

- What's goin' on?

993

01:09:51,284 --> 01:09:54,870

- What's the... What's he takin'?

- Aha! There you are!

994

01:09:54,996 --> 01:09:56,539

Hey, what's he doing?

995

01:10:00,042 --> 01:10:01,586

He's at it again!

996

01:10:13,389 --> 01:10:15,558

- Get him!

- Come on!

997

01:10:16,893 --> 01:10:18,060

Get him!

998

01:10:23,024 --> 01:10:24,984

Aah! Aah! No! No!

999

01:10:29,363 --> 01:10:32,575

No, no, no, no, wait! Whoa, whoa, whoa,

whoa, whoa, whoa, whoa, whoa, whoa!

1000

01:10:32,700 --> 01:10:34,535

- Whoa, whoa, whoa, whoa, whoa!

Whoa, whoa, whoa, whoa!

1001

01:10:34,535 --> 01:10:36,370

- Whoa, whoa, whoa, whoa!

Whoa, whoa, whoa, whoa, whoa!

1002

01:10:39,874 --> 01:10:41,459

Pig pile!

1003

01:11:03,397 --> 01:11:05,816

- Get out of that car!

- Move it!

1004

01:11:07,401 --> 01:11:09,862

- Whew.

- No, please! You don't understand!

1005

01:11:09,987 --> 01:11:12,865

Buzz is out there!

We gotta help him!

1006

01:11:12,990 --> 01:11:16,369

- Toss him overboard!

- No, no, no, no! Wait! Aaah!

1007

01:11:18,871 --> 01:11:21,749

- Hooray!

- So long, Woody!

1008

01:11:26,170 --> 01:11:28,923

- Ohh, Woody!

- Ohh!

1009

01:11:29,048 --> 01:11:32,885

- Oh! Well, thanks for the ride!

- Look out! Aaaah!

1010

01:11:35,972 --> 01:11:38,266

Now let's catch up

to that truck!

1011

01:11:45,481 --> 01:11:48,276

- Guys! Guys! Woody's riding R.C.!

- What?

1012

01:11:48,401 --> 01:11:50,319

And Buzz is with him!

1013

01:11:50,444 --> 01:11:51,946

- Ohh!

- What? Buzz?

1014

01:11:54,532 --> 01:11:57,702

It is Buzz!

Woody was telling the truth!

1015

01:11:57,827 --> 01:12:00,871

- What have we done?

- Great! Now I have guilt!

1016

01:12:00,997 --> 01:12:04,375

We're almost there!

1017

01:12:04,500 --> 01:12:08,546

- Rocky, the ramp!

- Come on, Woody, Buzz! You can do it!

1018

01:12:14,719 --> 01:12:17,054

Look out!

1019

01:12:17,179 --> 01:12:19,724

Quick! Hold on to my tail!

1020

01:12:24,353 --> 01:12:26,272

Atta boy, Slink!

1021

01:12:26,397 --> 01:12:29,400

Uhh! Woody!

1022

01:12:29,525 --> 01:12:31,569

- Woody, speed up!

- Speed up!

1023

01:12:31,694 --> 01:12:34,530

The batteries!

They're running out!

1024

01:12:34,655 --> 01:12:36,532

Whoa, whoa, whoa, whoa!

1025

01:12:37,867 --> 01:12:41,162

- Whoa!

- Aaaah!

1026

01:12:41,287 --> 01:12:43,623

<i># Hakuna Matata</i>

1027

01:12:43,748 --> 01:12:46,417

<i># What a wonderful phrase</i>

1028

01:12:50,463 --> 01:12:52,715

I can't hold on much longer!

1029

01:12:52,840 --> 01:12:55,051

Slink, hang on!

1030

01:12:56,469 --> 01:12:58,095

Ouch!

1031

01:13:10,274 --> 01:13:12,193

Great.

1032

01:13:14,695 --> 01:13:17,615

- Woody! The rocket!

- The match!

1033

01:13:17,740 --> 01:13:20,952

Yes! Thank you, Sid!

1034

01:13:28,292 --> 01:13:30,586

No! No, no! No!

1035

01:13:30,711 --> 01:13:32,088

No!

1036

01:13:32,213 --> 01:13:35,591

Oh, no, no, no,

1037

01:13:35,716 --> 01:13:39,303

no, no, no, no!

1038

01:13:39,428 --> 01:13:41,305

No!

1039

01:13:50,189 --> 01:13:53,234

- Woody, what are you doing?

- Hold still, Buzz.

1040

01:13:56,195 --> 01:13:59,365

You did it! Next stop, Andy.

1041

01:13:59,490 --> 01:14:02,159

Wait a minute.

I just lit a rocket.

1042

01:14:02,285 --> 01:14:04,161

Rockets explode!

1043

01:14:13,629 --> 01:14:16,674

I should've held on longer.

1044

01:14:16,799 --> 01:14:19,385

Look! Look! It's Woody and Buzz
coming up fast!

1045

01:14:20,511 --> 01:14:22,263

Woody!

1046

01:14:30,688 --> 01:14:32,565

Run! Take cover!

1047

01:14:39,405 --> 01:14:41,908

Aah! This is the part
where we blow up!

1048

01:14:42,033 --> 01:14:44,118

Not today.

1049

01:14:55,212 --> 01:14:57,298

Hey, Buzz! You're flying!

1050

01:14:57,423 --> 01:15:00,718

This isn't flying.

This is falling with style.

1051

01:15:03,721 --> 01:15:07,600

To infinity and beyond!

1052

01:15:13,105 --> 01:15:15,942

Uh, Buzz, we missed the truck.

1053

01:15:16,067 --> 01:15:17,944

We're not aiming for the truck.

1054

01:15:24,909 --> 01:15:26,577

- Hey! Wow!

- What? What is it?

1055

01:15:26,702 --> 01:15:28,496

Woody!

Buzz!

1056

01:15:27,870 --> 01:15:30,081

Oh, great! You found 'em.

Where were they?

1057

01:15:30,081 --> 01:15:32,041

- Here in the car!

- See?

1058

01:15:32,083 --> 01:15:35,544

Now, what did I tell you?

Right where you left 'em.

1059

01:15:44,554 --> 01:15:47,431

- Which one can I open first?

- Let's let Molly open one.

1060

01:15:53,854 --> 01:15:56,566

<i>- Frankincense, this is Myrrh.

- Hey, heads up, everybody!</i>

1061

01:15:56,691 --> 01:15:59,068

- It's show time!

- Oh! It's time!

1062

01:16:01,487 --> 01:16:05,491

Oh. Bo. There's gotta be a less
painful way to get my attention.

1063

01:16:05,616 --> 01:16:08,744

<i>Merry Christmas, Sheriff.</i>

1064

01:16:08,869 --> 01:16:11,289

<i>- Say, isn't that mistletoe?

- Mm-hmm.</i>

1065

01:16:14,166 --> 01:16:17,295

Maybe Andy'll get another

dinosaur, like a leaf eater.

1066

01:16:17,420 --> 01:16:21,048

That way I could play

the, uh, dominant predator!

1067

01:16:21,173 --> 01:16:24,051

<i>- Quiet, everyone, quiet.

- Molly's first present is...</i>

1068

01:16:24,176 --> 01:16:25,636

<i>Mrs. Potato Head!</i>

1069

01:16:25,761 --> 01:16:28,180

<i>Repeat, a Mrs. Potato Head!</i>

1070

01:16:28,306 --> 01:16:31,851

- Way to go, Idaho!

- Gee, I'd better shave.

1071

01:16:36,814 --> 01:16:40,318

<i>Come in, Frankincense. Andy is now
opening his first present. It's...</i>

1072

01:16:41,777 --> 01:16:43,446

<i>- Buzz. Buzz Lightyear.

- I can't quite...</i>

1073

01:16:43,571 --> 01:16:45,656

- You are not worried, are you?

- Me? No.

1074

01:16:45,781 --> 01:16:49,535

<i>- make out...

- No. No, no, no, no, no, no. Mm-mmm.</i>

1075

01:16:49,660 --> 01:16:51,787

<i>A large box.

It's, it's, it's...</i>

1076

01:16:51,913 --> 01:16:54,540

- Are you?

- Oh, now, Buzz.

1077

01:16:54,665 --> 01:16:58,794

What could Andy possibly get
that is worse than you?

1078

01:17:00,338 --> 01:17:03,841

Oh, what is it? What is it?

Wow! A puppy!

1079

01:17:18,940 --> 01:17:21,359

<i># You've got a friend in me #</i>

1080

01:17:23,402 --> 01:17:25,738

<i># You've got a friend in me #</i>

1081

01:17:27,782 --> 01:17:30,826

<i># When the road looks
rough ahead #</i>

1082

01:17:30,952 --> 01:17:35,957

<i># And you're miles and miles
from your nice, warm bed #</i>

1083

01:17:36,082 --> 01:17:39,335

<i># You just remember
what your old pal said #</i>

1084

01:17:39,460 --> 01:17:42,505

<i># Boy, you've got a friend in me #</i>

1085

01:17:43,714 --> 01:17:47,134

<i># Yeah, you've got a friend in me #</i>

1086

01:17:52,765 --> 01:17:55,184

<i># You've got a friend in me #</i>

1087

01:17:57,019 --> 01:17:59,146

<i># You've got a friend in me #</i>

1088

01:18:01,148 --> 01:18:02,984

<i># If you got troubles #</i>

1089

01:18:03,109 --> 01:18:05,278

<i># Then I got 'em too #</i>

1090

01:18:05,403 --> 01:18:09,365

<i># There isn't anything

I wouldn't do for you #</i>

1091

01:18:09,490 --> 01:18:12,451

<i># If we stick together

we can see it through #</i>

1092

01:18:12,577 --> 01:18:15,663

<i># 'Cause you've got a friend in me #</i>

1093

01:18:17,790 --> 01:18:19,834

<i># You've got a friend in me #</i>

1094

01:18:21,961 --> 01:18:25,965

<i># Now, some other folks might be

a little bit smarter than I am #</i>

1095

01:18:26,090 --> 01:18:30,219

<i># Bigger and stronger too #
Maybe #</i>

1096

01:18:30,344 --> 01:18:35,975

<i># But none of them will ever
love you the way I do #</i>

1097

01:18:36,100 --> 01:18:38,644

<i># It's me and you, boy #</i>

1098

01:18:38,769 --> 01:18:40,855

<i># And as the years go by #</i>

1099

01:18:42,273 --> 01:18:45,067

<i># Our friendship will never die #</i>

1100

01:18:46,944 --> 01:18:51,741

<i># You're gonna see
it's our destiny #</i>

1101

01:18:51,866 --> 01:18:53,743

<i># You've got a friend in me #</i>

1102

01:18:55,953 --> 01:18:58,122

<i># You've got a friend in me #</i>

1103

01:19:00,124 --> 01:19:02,335

<i># You've got a friend in me #</i>
