

Dialogues from Z for Zachariah to improve the vocabulary in English

1

00:03:23,821 --> 00:03:25,810

Up here.

2

00:04:10,867 --> 00:04:13,170

Want me to make it play again?

3

00:04:54,043 --> 00:04:55,713

Find.

4

00:04:55,913 --> 00:04:57,919

Faro. Find.

5

00:08:24,255 --> 00:08:26,090

Hey, get out of there.

6

00:08:26,990 --> 00:08:29,386

Get out of there quick!

Come on, you need to...

7

00:08:29,486 --> 00:08:32,229

- You need to get out of there.

- Okay, okay, I'm good.

8

00:08:32,729 --> 00:08:35,255

- I'm good... let me get...

- Get down, get down.

9

00:08:35,355 --> 00:08:36,800

Who are you?

10

00:08:36,900 --> 00:08:39,136

- Hey...

- Who are you?

11

00:08:39,632 --> 00:08:40,871

- No, no, no...

- Where are the others?

12

00:08:40,971 --> 00:08:45,076

- There... who? Shit.

- Where are the others?

13

00:08:45,276 --> 00:08:46,844

- Where are they?

- There aren't any others.

14

00:08:46,944 --> 00:08:49,413

I don't know what to say. It's just me.

15

00:08:49,513 --> 00:08:51,549

You just need to get

out of the water, please.

16

00:08:51,649 --> 00:08:55,563

Please, it's just... the water comes
from outside the valley.

17

00:08:55,663 --> 00:08:58,519

You just need to get

out of the water, please.

18

00:09:04,193 --> 00:09:05,792

No!

19

00:09:20,843 --> 00:09:23,714

- Are you all right?

- Can you do this?

20

00:09:23,814 --> 00:09:26,147

Can you do this? I can't do it.

Can you help me?

21

00:09:26,247 --> 00:09:28,731

What is it? I'm not gonna hurt you.

I'm not gonna hurt you.

22

00:09:28,831 --> 00:09:32,156

Come on, I need your help. Take it.

23

00:09:32,556 --> 00:09:35,018

I don't know how to do this.

24

00:09:39,862 --> 00:09:42,734

Yeah, I need it once a day.

25

00:09:43,034 --> 00:09:45,583

And this one... Prussian Blue.

26

00:09:45,683 --> 00:09:48,101

I'm not gonna make it anyway. Stupid.

27

00:09:48,201 --> 00:09:49,645

- We...

- Stupid!

28

00:09:49,745 --> 00:09:53,021

I can take your wagon thing
up to the house. We have food.

29

00:09:53,121 --> 00:09:56,351

- We have food up there.

- Burn my clothes.

30

00:09:58,528 --> 00:10:00,998

And my body too if I die.

31

00:10:02,032 --> 00:10:03,860

What's your name?

32

00:10:03,960 --> 00:10:07,029

- Ann.

- I'm John.

33

00:10:18,881 --> 00:10:20,943

I'm real sorry.

34

00:10:30,260 --> 00:10:31,987

Okay.

35

00:11:23,697 --> 00:11:26,582

Doing good. Doing good.

36

00:11:29,886 --> 00:11:33,155

One more. One more.

37

00:11:35,731 --> 00:11:39,483

That's it. Okay. It's okay.

38

00:13:47,690 --> 00:13:49,626

Dear Lord,

39

00:13:49,726 --> 00:13:52,211

please bless this man.

40

00:13:53,330 --> 00:13:56,172

He's very sick and he needs your help.

41

00:13:57,472 --> 00:14:00,341

I know you must have
a plan for us, but...

42

00:14:00,441 --> 00:14:04,391

he's sick from a mistake

43

00:14:04,491 --> 00:14:07,443

and I think probably a good person.

44

00:14:08,679 --> 00:14:12,705

I will serve you however you see fit.

45

00:14:13,505 --> 00:14:16,860

I'm not saying you don't know better
or whatever...

46

00:14:18,560 --> 00:14:21,525

but I would feel so blessed if he...

47

00:14:21,625 --> 00:14:24,043

could stay here...

48

00:14:24,143 --> 00:14:25,830

and healthy.

49

00:14:27,965 --> 00:14:29,698

I need that...

50

00:14:30,198 --> 00:14:31,905

please.

51

00:15:07,036 --> 00:15:11,141

My dad said to us, you know,
"Keep the farm running, and..."

52

00:15:11,892 --> 00:15:13,143

Okay.

53

00:15:13,243 --> 00:15:15,012

"We've been blessed with this valley."

54

00:15:15,795 --> 00:15:18,782

- Yeah.

- And... as long as we stay here,

55

00:15:18,882 --> 00:15:21,067

we'd be protected.

56

00:15:21,167 --> 00:15:22,970

Got to be an explanation.

57

00:15:23,320 --> 00:15:26,187

I don't know, something to do with...

58

00:15:26,657 --> 00:15:29,560

with the weather patterns or...

59

00:15:29,810 --> 00:15:32,929

maybe the ridge created a...

60

00:15:33,029 --> 00:15:36,466

just a natural buffer zone.

61

00:15:36,566 --> 00:15:38,259

I mean...

62

00:15:42,238 --> 00:15:45,258

It's just crazy this is still here.

63

00:15:50,480 --> 00:15:52,049

Nah.

64

00:15:52,149 --> 00:15:54,512

Nothing crazy about it.

65

00:15:57,620 --> 00:16:00,090

Why'd they leave the valley?

Why'd they leave you here by yourself?

66

00:16:00,190 --> 00:16:02,793

- They had to go find survivors. They...

- Survivors?

67

00:16:02,893 --> 00:16:05,529

They said that was our duty, so...

68

00:16:06,610 --> 00:16:10,715

David was... well, I mean, my brother
was supposed to stay here, but he...

69

00:16:10,815 --> 00:16:14,912

he snuck away to look for them
two weeks after they left.

70

00:16:15,638 --> 00:16:17,586

That's him, there.

71

00:16:24,013 --> 00:16:26,383

- How old was he?

- 13.

72

00:16:26,583 --> 00:16:30,704

Well, he's 14 now, I guess, but...

73

00:16:31,004 --> 00:16:34,358

he'd been talking about going
to go find them for days, and...

74

00:16:34,694 --> 00:16:38,954

he was really upset.
I didn't know how to calm him down.

75

00:16:41,597 --> 00:16:43,326

I'm sorry.

76

00:16:47,369 --> 00:16:50,774

I'm gonna go get your bed ready.
You need anything? Water?

77

00:16:51,374 --> 00:16:53,893

- I'm good.
- Okay.

78

00:16:53,993 --> 00:16:55,703

Well...

79

00:17:37,887 --> 00:17:39,561

Night.

80

00:17:40,690 --> 00:17:42,322

Night.

81

00:18:56,532 --> 00:18:58,201

Hey!

82

00:18:58,301 --> 00:19:00,404

I really think you need some more rest.

83

00:19:00,504 --> 00:19:02,939

Maybe, but I couldn't just
sit up in that window,

84

00:19:03,039 --> 00:19:05,592

watch you do all the work by yourself.

85

00:19:05,692 --> 00:19:09,771

Oh, yeah, come on, you can't...
you can't do work like this... not yet.

86

00:19:09,871 --> 00:19:13,508

I know. I just meant I wanted
to come down here and watch you do it.

87

00:19:18,187 --> 00:19:20,423

What is all this anyway?

88

00:19:20,523 --> 00:19:24,331

It's gonna be soybeans, but...
but I get the rocks out first, so...

89

00:19:24,431 --> 00:19:26,683

Why you doing the work by hand, though?
You can't drive this?

90

00:19:26,783 --> 00:19:30,015

I grew up on a farm.
I know how better than you.

91

00:19:30,700 --> 00:19:33,206

Ran out of gas.
I used it up last year. It just...

92

00:19:33,306 --> 00:19:36,807

What about that country store?

Isn't that a gas station or just a store?

93

00:19:36,907 --> 00:19:40,844

Well, yeah, but... pumps
don't run without electricity.

94

00:19:40,944 --> 00:19:44,139

No, no, no, you can use...
you can get it to work manually.

95

00:20:07,904 --> 00:20:09,573

Hey!

96

00:20:09,873 --> 00:20:10,966

It worked!

97

00:20:13,842 --> 00:20:15,912

Hey, hey!

98

00:20:16,012 --> 00:20:19,095

It worked! It worked!

99

00:20:34,363 --> 00:20:36,733

Could you see me down at the gas pumps?

100

00:20:36,833 --> 00:20:40,876

I was jumping all over the place.

I was so excited.

101

00:20:41,504 --> 00:20:44,442

Felt weird pointing a rifle at you...

102

00:20:44,908 --> 00:20:46,576

even if it weren't loaded.

103

00:20:46,676 --> 00:20:50,544

Oh, I always keep it loaded.

It's got a great scope on it, doesn't it?

104

00:20:56,618 --> 00:20:58,687

This looks good.

105

00:21:12,034 --> 00:21:13,770

Well...

106

00:21:14,070 --> 00:21:16,799

there's a lot to be thankful for.

107

00:21:22,278 --> 00:21:26,215

You were... you were up north
when it started?

108

00:21:26,315 --> 00:21:27,684

Yeah.

109

00:21:27,784 --> 00:21:29,504

I was...

110

00:21:29,604 --> 00:21:31,835

about a mile underground...

111

00:21:31,955 --> 00:21:34,915

in a government facility...

112

00:21:35,492 --> 00:21:37,340

a bunker.

113

00:21:38,228 --> 00:21:40,743

I'm a... research engineer.

114

00:21:40,843 --> 00:21:43,567

Well... I was.

115

00:21:43,867 --> 00:21:46,136

I mean, like a...

116

00:21:46,236 --> 00:21:48,672

- Does that mean you're a scientist?

- Yeah.

117

00:21:48,772 --> 00:21:50,473

Oh, really?

118

00:21:50,573 --> 00:21:53,735

- Well... well, I was.

- That's cool.

119

00:21:55,544 --> 00:21:58,868

I was on the design team
for that suit I was wearing.

120

00:21:59,882 --> 00:22:03,319

But it's the only reason I was able
to survive as long as I did.

121

00:22:03,419 --> 00:22:05,321

They weren't supposed
to be used long-term, though.

122

00:22:05,421 --> 00:22:09,433

- It's beat up now. It's damaged.
- So why'd you leave the bunker?

123

00:22:09,793 --> 00:22:11,662

Just wasn't safe there anymore?

124

00:22:11,762 --> 00:22:15,166

I was a mile underground, you know.
There was no...

125

00:22:16,266 --> 00:22:20,737

there was no sun. There was no rain.

There was no sky. There was nothing.

126

00:22:21,637 --> 00:22:24,654

You understand me?

What I wanted from life...

127

00:22:25,708 --> 00:22:27,334

wasn't there.

128

00:22:27,434 --> 00:22:29,246

So I left.

129

00:22:29,712 --> 00:22:32,166

Went to go find your wife.

130

00:22:33,515 --> 00:22:35,528

My wife?

131

00:22:36,685 --> 00:22:39,756

Well... I was just...

132

00:22:40,656 --> 00:22:42,686

when I was going through
your wagon the other day

133

00:22:42,786 --> 00:22:44,443

for... I was getting your medicine.

134

00:22:44,543 --> 00:22:48,607

I accidentally came across
some photos of your wife.

135

00:22:50,833 --> 00:22:52,936

She's not my wife.

136

00:22:53,436 --> 00:22:55,263

I was...

137

00:22:56,372 --> 00:22:58,463

That was just a girl...

138

00:22:59,042 --> 00:23:02,559

from a long time ago, really.

139

00:23:06,615 --> 00:23:08,428

You know,

140

00:23:08,728 --> 00:23:10,773

the reason I left...

141

00:23:12,287 --> 00:23:15,993

Honestly, what I think I was
looking for was a place like this...

142

00:23:17,993 --> 00:23:20,686

without ever believing for a second...

143

00:23:21,631 --> 00:23:23,800

that it could exist.

144

00:24:48,784 --> 00:24:52,489

- I never thought I'd eat fresh fish again.

- Oh, the pond is full of them.

145

00:24:52,589 --> 00:24:56,626

We used to get yellow bullhead from
the creek, but obviously, they died out.

146

00:24:56,726 --> 00:25:00,530

But this pond comes
from the same water as the well does.

147

00:25:00,630 --> 00:25:04,367

Dad says it comes from
an underground pocket of water.

148

00:25:04,467 --> 00:25:07,424

Reckons it's a big part of what kept
this place from dying out.

149

00:25:07,524 --> 00:25:10,206

- An aquifer.

- Yeah.

150

00:25:10,306 --> 00:25:12,722

Makes a lot of sense. He's a smart man.

151

00:25:13,943 --> 00:25:17,514

I could eat this every...
every day of the week.

152

00:25:18,514 --> 00:25:22,281

We can eat it as much as you want
till the pond freezes over.

153

00:25:22,381 --> 00:25:24,421

What happened last winter?
It snow a lot?

154

00:25:24,521 --> 00:25:26,289

Yeah.

155

00:25:26,689 --> 00:25:29,625

I... I stayed in the house mostly,

156

00:25:29,725 --> 00:25:32,195

bundled up with Faro.

157

00:25:33,295 --> 00:25:38,168

I mean, I saved food, but we went

through most of it. Truth is...

158

00:25:38,768 --> 00:25:43,310

I almost... I almost froze and starved.

159

00:25:45,307 --> 00:25:47,127

It... it was bad.

160

00:25:47,227 --> 00:25:50,076

Well, that's a good reason
to plant the entire field.

161

00:25:50,647 --> 00:25:54,472

Yeah, I mean even if we could just get
the freezers up and running,

162

00:25:54,572 --> 00:25:57,411

we could stock up on fish.

163

00:25:58,987 --> 00:26:02,582

I just wish the generator
hadn't broken, you know?

164

00:26:04,059 --> 00:26:06,955

Wait. You got a generator?

165

00:26:09,598 --> 00:26:11,347

Engine's fried.

166

00:26:16,538 --> 00:26:19,205

It's my fault. It's...

167

00:26:20,142 --> 00:26:23,662

When it stopped working,

I was goofing around.

168

00:26:23,762 --> 00:26:27,316

I was just... I was...

I was playing a DVD.

169

00:26:27,416 --> 00:26:29,186

Damn it.

170

00:26:29,986 --> 00:26:32,255

I just wanted to hear people talk.

171

00:26:32,355 --> 00:26:35,191

Well, don't beat yourself up.

This thing's old.

172

00:26:35,291 --> 00:26:37,293

Looks like it's been repaired
a couple of times already.

173

00:26:37,393 --> 00:26:39,395

It was liable to blow no matter what.

174

00:26:39,495 --> 00:26:41,464

Well, it's too bad we can't just do,

175

00:26:41,564 --> 00:26:47,492

like a science fair thing and just run all
our clocks and everything off a potato.

176

00:26:49,705 --> 00:26:52,529

That's a good idea. Come on.

177

00:27:01,383 --> 00:27:03,029

Yeah,

178

00:27:03,129 --> 00:27:04,972

that's a good flow of water.

179

00:27:06,072 --> 00:27:08,809

We need to build a race
at the top, but...

180

00:27:09,759 --> 00:27:11,751

it's enough to spin a generator.

181

00:27:11,851 --> 00:27:15,631

As long as there's enough cable
to reach the house, we have power.

182

00:27:15,731 --> 00:27:17,917

The lights might flicker,
but we could get the freezer going.

183

00:27:18,017 --> 00:27:20,637

Wait, it doesn't... it doesn't matter

that the water's radioactive?

184

00:27:20,737 --> 00:27:23,710

Not at all.

Water's just got to flow downhill.

185

00:27:26,040 --> 00:27:27,844

It's perfect.

186

00:27:28,444 --> 00:27:30,356

What do you mean?

187

00:27:32,113 --> 00:27:34,163

It's the water wheel.

188

00:27:39,053 --> 00:27:42,689

- How much wood do we need?

- Well, you saw it.

189

00:27:43,126 --> 00:27:45,443

We need most of this, right?

190

00:27:45,828 --> 00:27:49,566

Could we just... could we use
something else? Maybe...

191

00:27:49,666 --> 00:27:53,769

Well... no, we can't...
we can't use the house.

192

00:27:53,869 --> 00:27:58,173

We need the barn. We can't use the store.
It's all cinder block. No, this is it.

193

00:27:58,508 --> 00:27:59,926

Well...

194

00:28:00,276 --> 00:28:02,612

- What?

- I mean...

195

00:28:02,712 --> 00:28:03,980

What?

196

00:28:04,780 --> 00:28:07,650

My dad... built that.

197

00:28:07,750 --> 00:28:12,192

He... he preached there
every Sunday, you know?

198

00:28:13,389 --> 00:28:15,124

And it's 'cause of Him that we survived,

199

00:28:15,224 --> 00:28:20,320

that, you know,
that all of this survived, so...

200

00:28:20,420 --> 00:28:24,826

- 'Cause of your father?
- No, no, 'cause... 'cause of Him.

201

00:28:33,842 --> 00:28:37,615

What, if we tear down the church,
we don't survive?

202

00:28:41,180 --> 00:28:43,003

All right.

203

00:28:44,819 --> 00:28:46,213

Look...

204

00:28:53,728 --> 00:28:55,756

I know it's hard.

205

00:28:57,399 --> 00:28:59,426

I know it's hard.

206

00:29:01,636 --> 00:29:04,971

But if you got to tear down
a church to get electricity...

207

00:29:05,071 --> 00:29:07,376

But we don't really need electricity.

208

00:29:07,476 --> 00:29:09,441

It's about...

209

00:29:09,991 --> 00:29:11,914

rebuilding.

210

00:29:12,681 --> 00:29:14,762

Maybe God...

211

00:29:16,552 --> 00:29:18,656

or your father...

212

00:29:19,606 --> 00:29:21,933

put this here for us.

213

00:29:25,527 --> 00:29:28,123

So we can... we can start again.

214

00:29:32,100 --> 00:29:34,177

Maybe that's why we're here...

215

00:29:36,605 --> 00:29:38,770

Just to start again.

216

00:29:41,142 --> 00:29:43,446

- Yeah.

- We get a generator,

217

00:29:43,546 --> 00:29:45,734

get electricity,

218

00:29:46,082 --> 00:29:48,125

plant the fields.

219

00:29:49,185 --> 00:29:51,588

We store up food for us.

220

00:29:53,955 --> 00:29:56,015

You never know.

221

00:29:56,669 --> 00:29:58,666

Maybe we store up food

for more than just us.

222

00:29:58,766 --> 00:30:01,980

Why? You think more people will come?

223

00:30:02,080 --> 00:30:04,717

If more people are coming, then we

should definitely keep the church.

224

00:30:04,817 --> 00:30:06,779

- No.

- I know you don't think it's important...

225

00:30:06,879 --> 00:30:09,137

No, no, no, I...

226

00:30:09,237 --> 00:30:11,575

That's not what I meant.

227

00:30:32,794 --> 00:30:35,822

Faro. Faro.

228

00:30:37,900 --> 00:30:41,704

What's wrong with you? Hey, come on.

229

00:30:42,604 --> 00:30:44,231

Come on.

230

00:31:15,104 --> 00:31:17,932

Ann, hey, Ann!

231

00:31:20,275 --> 00:31:22,862

- Oh, hey.

- Let's call it a day.

232

00:31:22,962 --> 00:31:24,581

My dad would never say that.

233

00:31:24,681 --> 00:31:27,483

He would just keep me out here
till I couldn't see anymore

234

00:31:27,583 --> 00:31:30,392

and have me plowing all zigzag.

235

00:31:34,188 --> 00:31:35,816

John!

236

00:31:36,325 --> 00:31:38,568

Just come down.

237

00:31:41,930 --> 00:31:43,599

Okay.

238

00:31:43,699 --> 00:31:45,234

You know, I just...

239

00:31:45,334 --> 00:31:48,104

I think I need to finish this.

You go on up to the house and rest.

240

00:31:48,204 --> 00:31:51,419

I just... you know, I got to get
this done. I'll be up there soon.

241

00:31:58,379 --> 00:32:00,508

I'll see you in a bit.

242

00:32:43,492 --> 00:32:45,972

I thought you'd left.

243

00:32:48,898 --> 00:32:51,553

I'm here, relaxing.

244

00:32:51,967 --> 00:32:54,838

Found out a lot of stuff about you.

245

00:32:56,005 --> 00:32:58,140

I found out...

246

00:32:59,240 --> 00:33:02,178

- You all right?

- ...that Annie...

247

00:33:02,278 --> 00:33:04,376

loves M&Ms.

248

00:33:05,914 --> 00:33:07,608

Yeah.

249

00:33:11,753 --> 00:33:14,279

I found out that Annie...

250

00:33:14,788 --> 00:33:17,894

- It's all right.

- ...likes these... what's this?

251

00:33:17,994 --> 00:33:20,739

I don't know, but you like them.

252

00:33:21,130 --> 00:33:23,099

- A candy.

- Annie...

253

00:33:23,199 --> 00:33:26,990

Annie likes Goldfish

baked snack crackers.

254

00:33:27,537 --> 00:33:29,163

Yeah.

255

00:33:30,939 --> 00:33:35,979

I was investigating, and I found out
that one thing you don't like...

256

00:33:36,546 --> 00:33:38,281

Annie...

257

00:33:39,081 --> 00:33:41,092

don't like...

258

00:33:41,984 --> 00:33:43,996

cherry soda.

259

00:33:46,321 --> 00:33:50,254

Even at the end of the world, Annie
ain't gonna drink no damn cherry soda.

260

00:33:51,961 --> 00:33:55,828

I'm sorry. I shouldn't
be swearing, right? I know.

261

00:33:56,198 --> 00:33:59,134

- I think we...
- I'm sorry. No, no, no, no...

262

00:33:59,234 --> 00:34:02,797

- I think we head on home.
- No, no, no, no...

263

00:34:08,443 --> 00:34:10,644

Says a lot about you.

264

00:34:12,747 --> 00:34:15,050

All right. Your jacket.

265

00:34:15,150 --> 00:34:17,319

Let me get this off.

266

00:34:17,419 --> 00:34:19,055

Okay.

267

00:34:19,955 --> 00:34:22,391

Let's get this off. Come on.

268

00:34:22,491 --> 00:34:25,561

- No, I... I can do it. I can do it.

- Okay.

269

00:34:25,661 --> 00:34:28,364

I can do it, all right?

270

00:34:28,464 --> 00:34:30,255

I don't...

271

00:34:31,450 --> 00:34:36,322

I don't need your help

all the fucking time, okay?

272

00:34:36,472 --> 00:34:38,109

Okay.

273

00:34:38,741 --> 00:34:43,408

I don't need your help

all the time, okay?

274

00:34:48,216 --> 00:34:50,252

I don't need...

275

00:34:50,752 --> 00:34:53,631

- Okay.

- I don't need your help all the time.

276

00:34:53,731 --> 00:34:55,555

Okay?

277

00:34:55,658 --> 00:34:58,986

- I don't need your help all the time.

- That's okay.

278

00:35:04,165 --> 00:35:06,571

I'm... I'm sorry.

279

00:35:09,272 --> 00:35:11,384

I can do it.

280

00:35:39,300 --> 00:35:41,437

I owe you...

281

00:35:41,637 --> 00:35:44,155

I owe you breakfast, I think.

282

00:35:47,475 --> 00:35:49,179

Okay.

283

00:35:49,879 --> 00:35:52,106

I don't... I don't know what to say.

284

00:35:59,120 --> 00:36:01,009

It's okay.

285

00:36:03,258 --> 00:36:05,029

It's fine.

286

00:36:34,689 --> 00:36:36,859

You didn't like what I was playing?

287

00:36:37,759 --> 00:36:40,029

You left before I could finish.

288

00:36:40,129 --> 00:36:43,014

I mean, I do know other songs too.

289

00:36:43,232 --> 00:36:46,509

They all just sort of sound like hymns
'cause of the organ.

290

00:36:46,609 --> 00:36:49,860

- I don't know what you're talking about.

- At the chapel just now.

291

00:37:07,856 --> 00:37:10,395

I'm... underdressed.

292

00:37:10,495 --> 00:37:13,051

No, not at all.

293

00:37:19,068 --> 00:37:22,104

Look what I found down at the store.

294

00:37:24,372 --> 00:37:26,592

Is that a good idea?

295

00:37:28,655 --> 00:37:30,646

- It's fine.

- We don't... we don't have to.

296

00:37:30,746 --> 00:37:33,883

No, no, no, I think

we'll be okay with one bottle.

297

00:37:33,983 --> 00:37:36,044

Let's open it.

298

00:37:40,888 --> 00:37:43,353

You drunk wine before, right?

299

00:37:44,233 --> 00:37:46,085

Of course.

300

00:37:47,321 --> 00:37:49,690

So pretty.

301

00:38:00,408 --> 00:38:02,778

- You want some more?

- No, no, no. Maybe that's enough.

302

00:38:02,878 --> 00:38:05,810

- Maybe we should save it.

- It's okay.

303

00:38:17,191 --> 00:38:20,195

I want things to be good between us.

304

00:38:20,295 --> 00:38:21,297

So do I.

305

00:38:22,197 --> 00:38:24,324

What do you want to do?

306

00:38:30,923 --> 00:38:33,098

You want to dance?

307

00:38:35,344 --> 00:38:37,663

I don't know how to dance to this.

308

00:38:37,763 --> 00:38:39,728

Me neither.

309

00:38:39,949 --> 00:38:42,011

Come on.

310

00:38:42,584 --> 00:38:45,609

- Please?

- All right.

311

00:39:55,857 --> 00:39:57,920

This was...

312

00:39:59,094 --> 00:40:01,624

It was a lovely evening.

313

00:40:03,264 --> 00:40:05,225

Thank you.

314

00:40:15,576 --> 00:40:17,894

We should go to bed.

315

00:40:19,948 --> 00:40:21,842

Okay.

316

00:40:31,392 --> 00:40:33,291

Good night.

317

00:41:35,056 --> 00:41:37,368

I don't understand.

318

00:41:41,078 --> 00:41:45,208

- What did I do wrong?
- Nothing. You didn't do anything wrong.

319

00:41:47,702 --> 00:41:51,104

Look, I... I want you, okay?

320

00:41:51,740 --> 00:41:53,715

I really do.

321

00:41:54,776 --> 00:41:57,245

- Really?

- Yeah.

322

00:41:57,846 --> 00:41:59,649

But it's...

323

00:42:00,449 --> 00:42:02,752

it's gonna change things.

324

00:42:03,452 --> 00:42:05,580

I mean, it's...

325

00:42:05,680 --> 00:42:09,036

it's gonna change everything,
and not just for you.

326

00:42:11,826 --> 00:42:14,074

We need time...

327

00:42:15,030 --> 00:42:17,701

and it's okay, 'cause we got time.

328

00:42:18,566 --> 00:42:20,460

All right?

329

00:42:27,308 --> 00:42:29,135

Okay.

330

00:42:33,480 --> 00:42:36,652

- You want me to leave?

- Oh, no, no.

331

00:42:36,852 --> 00:42:39,821

- No, I want you to stay.

- Okay.

332

00:42:39,921 --> 00:42:42,901

I want you to stay with me, okay?

333

00:42:43,001 --> 00:42:44,651

Okay.

334

00:42:57,804 --> 00:43:00,008

You can have the church.

335

00:43:01,069 --> 00:43:03,052

No, no, no.

336

00:43:03,152 --> 00:43:05,346

It's just a project.

337

00:43:05,446 --> 00:43:07,876

- It's not worth making you upset.

- It's not.

338

00:43:07,976 --> 00:43:11,750

It really means something that you put

all this thought into it and you...

339

00:43:11,850 --> 00:43:15,407

you're thinking long-term for us.

That really means something.

340

00:43:15,507 --> 00:43:17,974

Thoughts are the easy part.

341

00:43:19,061 --> 00:43:21,562

Hard part's finding a reason.

342

00:43:22,631 --> 00:43:24,400

It's fine.

343

00:43:25,400 --> 00:43:27,180

There's a lot of projects.

344

00:44:24,525 --> 00:44:26,562

Seems like a...

345

00:44:26,962 --> 00:44:28,897

a good dog.

346

00:44:29,397 --> 00:44:31,467

Solid dog.

347

00:44:32,767 --> 00:44:35,338

I mean you no harm, ma'am.

348

00:44:36,438 --> 00:44:40,311

All I'd ask you for is a glass of water
if you know where to find one.

349

00:44:42,194 --> 00:44:44,307

My name's Caleb.

350

00:44:48,165 --> 00:44:49,180

Ann!

351

00:44:49,280 --> 00:44:53,715

Hey, no, no! No, no, no,
it's all right. It's all right.

352

00:44:54,889 --> 00:44:58,474

It's fine. It's okay, it's fine.

353

00:45:05,934 --> 00:45:08,588

Why would you steal our eggs?

354

00:45:08,688 --> 00:45:10,672

I'm sorry, ma'am.

355

00:45:10,772 --> 00:45:13,442

Not everyone's hospitable
like y'all are.

356

00:45:13,942 --> 00:45:16,278

So you come from 50 miles from here?

357

00:45:16,378 --> 00:45:20,315

Yes, sir. I worked in the mines about
three counties over, near Big Sandy Creek.

358

00:45:20,415 --> 00:45:23,444

We used to play their school
in soccer, John.

359

00:45:27,020 --> 00:45:30,137

Like you, Mr. Loomis, I was underground
when the shit hit the fan.

360

00:45:30,237 --> 00:45:33,762

- Excuse the language, ma'am.
- It's okay.

361

00:45:34,462 --> 00:45:36,822

Most of the guys had families.

362

00:45:37,298 --> 00:45:39,901

They went up looking, never came back.

363

00:45:41,315 --> 00:45:44,209

Finally ran out of food.
Decided to take my chances.

364

00:45:44,539 --> 00:45:46,475

How long were you outside the mine?

365

00:45:48,076 --> 00:45:49,845

Too long.

366

00:45:50,645 --> 00:45:53,182

I been laid up since I found
this hollow a few days ago.

367

00:45:53,282 --> 00:45:56,452

You know that cave in the...
in the ridge, back round there?

368

00:45:56,552 --> 00:46:00,372

Yeah, I know it. Yeah, there's
a cave in Claypole Canyon.

369

00:46:00,472 --> 00:46:03,927

Me and my brother used to go there when
we were little and build forts and things.

370

00:46:04,027 --> 00:46:06,281

- Is that right?

- Yeah.

371

00:46:09,096 --> 00:46:10,989

So what's your plan?

372

00:46:19,773 --> 00:46:23,622

- Gonna keep heading south?

- Yes, sir, that's the idea.

373

00:46:24,212 --> 00:46:27,945

If I could stay in your land for a night,

I'll be out of your hair by tomorrow morning.

374

00:46:31,669 --> 00:46:33,956

Well, like I said,

you picked up some radiation.

375

00:46:34,056 --> 00:46:35,824

I figured.

376

00:46:35,924 --> 00:46:39,264

I'm kind of weak.

Even puked a couple times.

377

00:46:39,364 --> 00:46:41,430

How bad do you think it is, John?

378

00:46:41,530 --> 00:46:44,299

Oh, it's nothing like what I had, but...

379

00:46:44,399 --> 00:46:46,578

you should probably
rest up a couple days.

380

00:46:46,868 --> 00:46:50,179

I'd appreciate that. Thank you.

381

00:46:59,413 --> 00:47:01,216

What do you think?

382

00:47:01,316 --> 00:47:04,886

I mean, I'm not sure
about the stealing thing, but...

383

00:47:04,986 --> 00:47:07,255

I don't hold that against him.

384

00:47:07,906 --> 00:47:10,626

Figures he'd be cautious
about how we'd react.

385

00:47:10,726 --> 00:47:13,173

So you're okay with it then?

386

00:47:16,029 --> 00:47:19,447

Look, if the guy wants to camp out
for a couple of days...

387

00:47:21,369 --> 00:47:23,171

John...

388

00:47:25,139 --> 00:47:28,528

are we really not gonna
invite him inside?

389

00:47:42,556 --> 00:47:44,125

Amen.

390

00:47:44,225 --> 00:47:45,852

Amen.

391

00:47:54,269 --> 00:47:56,443

I keep thinking...

392

00:47:56,543 --> 00:47:59,742

I'm gonna wake up
on the side of the road out there.

393

00:48:00,392 --> 00:48:03,612

You know, it's funny... out there,
I'd never take the main roads.

394

00:48:04,412 --> 00:48:08,536

Always take the country trails
or the railroad tracks.

395

00:48:09,517 --> 00:48:13,077

Just... scared of seeing anybody.

396

00:48:14,188 --> 00:48:18,123

One day, I see this warehouse
by the main road.

397

00:48:18,223 --> 00:48:23,732

There's some water jugs on the outside.

I'm hoping for water. Readings were low.

398

00:48:27,301 --> 00:48:29,558

When I come out,

399

00:48:32,306 --> 00:48:37,612

there's someone in my wagon. It's a boy

maybe 13, maybe even 14 years old.

400

00:48:37,712 --> 00:48:40,048

He must've been on the main road,

coming from the south.

401

00:48:40,148 --> 00:48:44,882

I was scared of going south back then.

I don't know why. The fallout... I was...

402

00:48:45,370 --> 00:48:47,852

He's the reason I came this way.

403

00:48:49,690 --> 00:48:51,739

He was sick.

404

00:48:53,328 --> 00:48:58,032

Filthy. His belly distended,
stealing my food.

405

00:48:59,033 --> 00:49:01,903

Everything he put down,
he just was throwing up.

406

00:49:02,003 --> 00:49:04,072

I couldn't help him.

407

00:49:04,872 --> 00:49:08,710

I get him out of the wagon. He's grabbing
for the door, so we get into it.

408

00:49:08,810 --> 00:49:11,496

Pulls out a knife.

Swinging at me weakly.

409

00:49:11,596 --> 00:49:13,890

That's when I took out my gun.

410

00:49:16,216 --> 00:49:20,183

Soon as he saw it, he gave up. Just...

411

00:49:21,454 --> 00:49:24,202

started crying. He was...

412

00:49:24,302 --> 00:49:27,286

on his knees,

just begging me to kill him.

413

00:49:30,931 --> 00:49:33,224

I couldn't do anything.

414

00:49:34,635 --> 00:49:38,270

I just put him off to the side

of the road, and I left him there to die.

415

00:50:04,331 --> 00:50:08,753

You know how I said the people I worked with

in the mine left and never came back?

416

00:50:10,672 --> 00:50:12,950

That's not really true.

417

00:50:17,077 --> 00:50:19,487

It was me and four others.

418

00:50:20,881 --> 00:50:25,363

They were older guys,
family men, like I said.

419

00:50:26,887 --> 00:50:29,625

You know, the first weeks
down there were...

420

00:50:30,925 --> 00:50:32,695

awful.

421

00:50:34,095 --> 00:50:36,264

Phones were down.

422

00:50:36,364 --> 00:50:38,972

Radio station went off one by one.

423

00:50:39,072 --> 00:50:41,224

Started getting...

424

00:50:41,324 --> 00:50:43,394

claustrophobic,

425

00:50:44,506 --> 00:50:47,405

thinking everybody's plotting
against you.

426

00:50:48,276 --> 00:50:50,200

One of them, Micah...

427

00:50:50,300 --> 00:50:54,013

he's this really big dude,
but a... a gentle fellow...

428

00:50:54,616 --> 00:50:56,651

well, he just snapped.

429

00:50:56,751 --> 00:51:00,914

Says he's got to get out of the mine no matter what, but the others won't let him.

430

00:51:01,014 --> 00:51:04,492

Thought the radiation would leak inside if the safe room hatch was open.

431

00:51:04,592 --> 00:51:09,009

Well, he... he threw himself on the others.

432

00:51:09,464 --> 00:51:13,793

They ripped each other to shreds just using their hands.

433

00:51:17,337 --> 00:51:20,495

In the end, only Micah was left,

434

00:51:20,595 --> 00:51:25,339

covered in blood, and I'm sure he's gonna kill me too.

435

00:51:27,014 --> 00:51:31,532

But I just... I met his glance.

I looked him back in the eye...

436

00:51:36,924 --> 00:51:39,586

And he backed away from me.

437

00:51:40,328 --> 00:51:42,155

Collapsed.

438

00:51:44,615 --> 00:51:46,723

A few hours later, he was dead.

439

00:51:49,169 --> 00:51:51,004

I'm so sorry, Caleb.

440

00:51:53,841 --> 00:51:57,579

And we keep some water here
in the house if you need any tonight.

441

00:51:57,679 --> 00:51:59,581

Easier than waking up
and walking out to the well?

442

00:51:59,681 --> 00:52:01,549

Yeah, right.

443

00:52:05,185 --> 00:52:08,055

And up here is your room.

444

00:52:08,155 --> 00:52:10,859

- These pictures of you?

- Yeah, it's me. Bathroom.

445

00:52:11,559 --> 00:52:13,919

And this is you.

446

00:52:21,325 --> 00:52:23,571

Middle school football.

447

00:52:23,671 --> 00:52:25,663

Man, oh, man,

448

00:52:25,763 --> 00:52:29,677

I'd rather be in hell with my back broke
than be back there again.

449

00:52:29,777 --> 00:52:33,432

Well, I'll... I'll clear away
all this stuff in the morning.

450

00:52:33,532 --> 00:52:36,001

No, don't.

451

00:52:36,851 --> 00:52:39,879

I like it like this.
I won't be here long.

452

00:52:45,291 --> 00:52:48,162

- What are you doing?
- What do you mean?

453

00:52:48,262 --> 00:52:51,166

We don't know anything about this guy.
Could be anybody for all we know.

454

00:52:51,266 --> 00:52:53,902

I was just showing him his room.

455

00:52:54,002 --> 00:52:57,405

- John, you wanted him to stay.

- No, no, no, you invited him into the house.

456

00:52:57,505 --> 00:53:01,443

You cooked him dinner.

You set him up down the hall from us.

457

00:53:01,876 --> 00:53:06,839

You know what? I mean,

it's not like he's a bad man.

458

00:53:07,715 --> 00:53:10,451

Right? I mean...

you really believe that?

459

00:53:10,551 --> 00:53:12,913

I don't know what to think yet.

460

00:53:14,955 --> 00:53:17,459

You never told me

about that boy in the wagon.

461

00:53:17,759 --> 00:53:20,930

Look, I don't want to...

I don't want to talk about that, okay?

462

00:53:23,030 --> 00:53:25,357

Well, I wish you would.

463

00:53:29,669 --> 00:53:32,531

Truth is, I don't think

you'd understand.

464

00:53:34,041 --> 00:53:36,655

Why wouldn't I understand?

465

00:53:37,345 --> 00:53:40,623

I lived through this too, remember?

466

00:53:47,387 --> 00:53:52,418

Know how I said I was gonna...

plant the fields back before summer?

467

00:53:54,161 --> 00:53:57,995

I actually started to, and then just...

468

00:53:58,732 --> 00:54:01,089

thought I wouldn't even bother.

469

00:54:05,038 --> 00:54:07,575

I mean, I'm sure what...

470

00:54:07,675 --> 00:54:11,410

what you went through out there

was horrible. I'm...

471

00:54:11,613 --> 00:54:14,582

but it... I mean, it wasn't...

472

00:54:14,682 --> 00:54:17,995

wasn't... easy here.

473

00:54:22,823 --> 00:54:24,799

I kept...

474

00:54:24,899 --> 00:54:30,528

I kept this calendar for the first
few months after they left.

475

00:54:34,434 --> 00:54:38,014

And then after a while,
I just realized it didn't...

476

00:54:38,940 --> 00:54:43,527

it didn't matter.

They weren't coming back.

477

00:54:44,578 --> 00:54:47,536

Just seemed stupid.

478

00:54:48,082 --> 00:54:54,304

I stopped... stopped thinking about
how many days were going by. I just...

479

00:54:54,604 --> 00:54:56,824

was really sick of being
on my own, you know?

480

00:54:56,924 --> 00:54:59,369

I just didn't want
to be on my own anymore.

481

00:55:08,101 --> 00:55:13,041

What I'm saying is, that you come and
made me want to go through it all again.

482

00:55:13,141 --> 00:55:15,620

And not just somebody.

483

00:55:16,577 --> 00:55:18,170

You.

484

00:55:41,201 --> 00:55:43,404

I killed him.

485

00:55:46,273 --> 00:55:47,947

The boy.

486

00:55:48,376 --> 00:55:50,911

I think it was your brother.

487

00:55:53,680 --> 00:55:55,834

I don't know.

488

00:55:55,934 --> 00:55:57,850

Looked like him.

489

00:56:10,997 --> 00:56:12,893

I'm sorry.

490

00:56:18,005 --> 00:56:19,987

I'm sorry.

491

00:56:26,746 --> 00:56:28,708

It's okay.

492

00:56:55,342 --> 00:56:57,877

So we got kale down there,

493

00:56:58,146 --> 00:57:00,621

soybeans up by the house.

494

00:57:01,149 --> 00:57:02,877

Round here, there's...

495

00:57:02,977 --> 00:57:06,092

cucumber, tomato, squash,

496

00:57:06,192 --> 00:57:11,501

milk from the cows, obviously, and eggs
and occasionally meat from the chickens.

497

00:57:16,863 --> 00:57:19,581

She seems older than she is?

498

00:57:23,002 --> 00:57:24,464

Yeah.

499

00:57:30,677 --> 00:57:32,929

You know what you also got?

500

00:57:33,029 --> 00:57:36,916

Turkey. You hungry, Mr. Loomis?

501

00:57:39,194 --> 00:57:41,339

- Damn it.

- Just missed.

502

00:57:41,439 --> 00:57:42,555

So what's your plan?

503

00:57:42,655 --> 00:57:45,176

Early on, when the radio stations
were still broadcasting,

504

00:57:45,276 --> 00:57:48,346

there was talk about
a lot of people heading south.

505

00:57:48,596 --> 00:57:52,067

Well, there was plenty of old recordings
looping over and over on the EBS...

506

00:57:52,167 --> 00:57:54,035

We heard all those.
We could tell the difference.

507

00:57:54,135 --> 00:57:58,166

No, you most certainly misheard.

I mean, the ancillary fallout?

508

00:57:58,266 --> 00:58:00,560

- Especially in the south...

- No, Mr. Loomis.

509

00:58:00,660 --> 00:58:03,656

- It's a town called Anson near the Gulf.

- There's no one left out there.

510

00:58:03,756 --> 00:58:06,437

The radio said there're about three dozen,
all family of military.

511

00:58:06,537 --> 00:58:09,943

- You were military, right, Mr. Loomis?

- I was a civil contractor.

512

00:58:19,592 --> 00:58:22,665

You fancy a wager

on which one of us bags him?

513

00:58:23,364 --> 00:58:25,134

All right.

514

00:58:25,534 --> 00:58:27,593

What do we stake?

515

00:58:30,187 --> 00:58:32,014

Ann.

516

00:58:35,443 --> 00:58:39,367

I'm joking, Mr. Loomis.

For bragging rights is all.

517

00:58:52,058 --> 00:58:54,696

So you're gonna put
the platform down there?

518

00:58:54,796 --> 00:58:57,732

Water's radioactive,
but we got the suit.

519

00:58:57,832 --> 00:59:01,269

Put the wheel on the platform

to stabilize it, then we get some kind of...

520

00:59:01,369 --> 00:59:03,769

some kind of race to divert
the water into the buckets

521

00:59:03,869 --> 00:59:06,941

and spin it fast enough
to power the generator.

522

00:59:07,441 --> 00:59:09,577

And you know how to do all that?

523

00:59:09,677 --> 00:59:11,345

Yeah.

524

00:59:11,945 --> 00:59:14,315

See, we don't need Anson.

525

00:59:14,815 --> 00:59:17,097

We could be Anson.

526

00:59:18,318 --> 00:59:21,890

It's pretty cool, Mr. Loomis.

So why haven't you started building it yet?

527

00:59:21,990 --> 00:59:23,975

Well, the issue is the raw materials.

528

00:59:24,075 --> 00:59:28,348

Ann has a sentimental attachment
to her church. Father was the pastor there.

529

00:59:28,796 --> 00:59:32,725

I don't know. She says she's okay with it,
but I didn't want to upset her.

530

00:59:56,864 --> 00:59:58,620

Good shot.

531

01:00:04,497 --> 01:00:06,641

Okay, who's gonna carve it?

532

01:00:06,741 --> 01:00:09,588

Mr. Loomis should. He shot it.

533

01:00:11,538 --> 01:00:13,298

All right.

534

01:00:16,576 --> 01:00:19,006

So that's your daddy's chapel?

535

01:00:20,181 --> 01:00:25,145

Well, he'd... he'd say it's God's chapel
and he just works there.

536

01:00:26,005 --> 01:00:28,856

Mr. Loomis says you have to tear it down
to build his water project up.

537

01:00:28,956 --> 01:00:31,025

That's not what I said.

538

01:00:31,525 --> 01:00:35,809

I said we didn't have to do
the water project, at least not right away.

539

01:00:40,867 --> 01:00:46,037

- Ann, you probably want to wait.

- Well, you know, rebuilding's important.

540

01:00:46,137 --> 01:00:47,871

I think we should plan for it.

541

01:00:51,978 --> 01:00:54,194

Well, I'm confused now.

542

01:00:54,848 --> 01:00:58,025

- You sound like Mr. Loomis.

- Excuse me?

543

01:00:58,125 --> 01:01:00,207

It's just a project.

544

01:01:00,421 --> 01:01:02,457

It'll happen when it needs

to happen, okay?

545

01:01:02,557 --> 01:01:06,614

I mean, we have wood coming out

of our ears here with the trees and...

546

01:01:06,714 --> 01:01:09,315

Ann... there's no way to cut the trees.

547

01:01:09,415 --> 01:01:11,503

I'm sure we can come up with a way
to take them down. Don't you think?

548

01:01:11,603 --> 01:01:15,386

No, it's not even the taking them down.
It's the milling them that's the problem.

549

01:01:15,486 --> 01:01:17,109

Would you ever consider
another building?

550

01:01:17,209 --> 01:01:19,664

- Maybe one not so near to her?
- We had this conversation.

551

01:01:19,764 --> 01:01:21,709

There's not another building.

552

01:01:21,809 --> 01:01:24,036

You want to drop it now?

553

01:01:31,151 --> 01:01:33,436

I guess it's the... it's the only way.

554

01:01:35,355 --> 01:01:37,671

Yeah, guess so.

555

01:01:39,993 --> 01:01:42,348

Well, let's get to it then.

556

01:01:46,366 --> 01:01:47,993

Ann?

557

01:01:51,004 --> 01:01:52,674

Yeah.

558

01:01:53,474 --> 01:01:56,669

Sure. Why not?

559

01:02:16,195 --> 01:02:17,825

All right!

560

01:02:26,206 --> 01:02:30,635

Come on, lift it up, Mr. Loomis!

A little more... that's good.

561

01:03:12,251 --> 01:03:15,523

- I saw that.

- I meant to do that.

562

01:03:16,737 --> 01:03:19,917

- No, you didn't.

- Yes, I did.

563

01:04:19,284 --> 01:04:21,370

We should get a tarp.

564

01:04:22,506 --> 01:04:24,876

At least until we know

what we want to do with it.

565

01:04:26,026 --> 01:04:28,337

Would you like to take a walk?

566

01:04:32,198 --> 01:04:36,103

- Yeah, my daddy dabbled in preaching too.

- Oh, yeah?

567

01:04:36,203 --> 01:04:38,673

I think he liked the women

and liquor more, though.

568

01:04:39,073 --> 01:04:42,530

I went from going to church

every day to never going at all.

569

01:04:42,943 --> 01:04:44,645

But...

570

01:04:45,045 --> 01:04:46,587

it'll never leave you.

571

01:04:47,981 --> 01:04:50,751

Why were you okay

with taking the chapel down?

572

01:04:51,051 --> 01:04:53,496

I know why John was. I mean...

573

01:04:53,987 --> 01:04:57,525

- he's not religious, but...

- That church...

574

01:04:57,625 --> 01:05:00,877

it was only holy because

of what you brought to it.

575

01:05:02,962 --> 01:05:04,551

That can't be taken down.

576

01:05:06,933 --> 01:05:10,428

- That's a nice way of looking at it.

- That's the truth.

577

01:05:12,539 --> 01:05:14,156

Thank you.

578

01:05:16,409 --> 01:05:18,512

Do you talk about your belief
with Mr. Loomis?

579

01:05:18,612 --> 01:05:20,317

No.

580

01:05:21,981 --> 01:05:26,225

He doesn't, like, try to make me
stop or anything. It's just...

581

01:05:26,525 --> 01:05:29,013

just not something that we share.

582

01:05:30,757 --> 01:05:32,851

But that's okay.

583

01:05:33,793 --> 01:05:36,878

And what does he say
about what happened out there?

584

01:05:37,902 --> 01:05:40,125

You know, just...

585

01:05:41,968 --> 01:05:46,427

- You haven't really talked about it?

- Well, not really, no.

586

01:05:47,407 --> 01:05:49,467

What do you think?

587

01:05:54,581 --> 01:05:57,231

I think He has a plan...

588

01:05:59,887 --> 01:06:02,814

and all three of us

are part of it somehow.

589

01:06:02,914 --> 01:06:06,515

But it was us believers,

don't you think?

590

01:06:08,995 --> 01:06:13,801

Just like this valley... why it survived,

why you and I did... because we have faith.

591

01:06:13,901 --> 01:06:16,473

What if you don't have faith?

592

01:06:17,637 --> 01:06:19,547

You have to.

593

01:06:20,374 --> 01:06:23,645

- Not everybody does.

- You have to.

594

01:06:24,445 --> 01:06:26,980

It's the only way you'll survive.

595

01:06:35,102 --> 01:06:36,856

Hey!

596

01:06:37,791 --> 01:06:40,018

Look at this!

597

01:06:41,493 --> 01:06:43,632

Well, it sure looks like a wheel.

598

01:06:43,732 --> 01:06:45,929

John, it's amazing.

599

01:06:46,534 --> 01:06:48,415

It's gonna work.

600

01:07:02,281 --> 01:07:04,629

- Hey.

- Yeah.

601

01:07:04,729 --> 01:07:06,954

I wanted to talk to you
about something. Come here.

602

01:07:07,054 --> 01:07:08,804

Okay.

603

01:07:10,957 --> 01:07:12,693

So...

604

01:07:13,093 --> 01:07:15,062

how do I say this?

605

01:07:16,162 --> 01:07:19,966

I've seen the way that you and Caleb
look at each other, okay?

606

01:07:20,066 --> 01:07:21,939

And...

607

01:07:22,039 --> 01:07:25,782

I wanted you to know
that it's okay, all right?

608

01:07:26,360 --> 01:07:27,708

- I don't want...

- What do you mean?

609

01:07:27,808 --> 01:07:30,945

No, no, no, no, no, no,

I wanted to tell you I'm fine, okay?

610

01:07:31,045 --> 01:07:35,783

I'm good with it. You got to...

you got to explore, okay?

611

01:07:35,883 --> 01:07:37,785

I don't feel the need to explore.

612

01:07:37,885 --> 01:07:39,932

I'm not gonna stand in your way

is what I'm saying, okay?

613

01:07:40,032 --> 01:07:41,656

What?

614

01:07:42,456 --> 01:07:44,758

Why are you saying this?

615

01:07:44,858 --> 01:07:47,825

Because I... because I went

for a walk with him today?

616

01:07:47,925 --> 01:07:52,166

It has nothing to do with the walk.

If you need to figure it out, figure it out.

617

01:07:52,266 --> 01:07:53,984

I don't have anything

I need to figure out.

618

01:07:54,084 --> 01:07:57,971

I'm just letting you know

it's fine, okay?

619

01:07:58,071 --> 01:08:02,417

It's fine. It's good. You all be

white people together. That's fine, okay?

620

01:08:52,825 --> 01:08:54,750

Thank you.

621

01:09:02,535 --> 01:09:04,905

He tell you about that town, Anson?

622

01:09:05,005 --> 01:09:08,008

Yeah, by the Gulf. Do you believe him?

623

01:09:08,108 --> 01:09:10,123

No, I don't see
how that could be possible.

624

01:10:05,765 --> 01:10:09,128

- Good work.

- To work.

625

01:10:12,006 --> 01:10:15,843

- Tell you the number on your head?

- Right, you have to guess.

626

01:10:16,443 --> 01:10:19,368

What card is on my head?

627

01:10:19,468 --> 01:10:20,848

I think it's the 7 of Hearts.

628

01:10:22,883 --> 01:10:24,792

No, wait, never mind...

that wasn't right.

629

01:10:27,421 --> 01:10:29,580

What's the other one?

That may be... kick.

630

01:10:34,861 --> 01:10:38,032

- Oh, sure, it's just easy like that.

- Yeah, like that.

631

01:10:38,432 --> 01:10:40,793

I don't know what to do with my arms.

632

01:11:06,393 --> 01:11:08,684

- Y'all want to play a game?

- All right.

633

01:11:08,784 --> 01:11:12,302

All right. Each of us

has to find the bottle.

634

01:11:12,402 --> 01:11:14,092

- All right.

- All right?

635

01:11:17,536 --> 01:11:19,482

Find the bottle.

636

01:11:22,109 --> 01:11:24,177

Who's going first?

637

01:11:24,677 --> 01:11:28,348

- Mr. Loomis?

- I don't know... I don't know if I can.

638

01:11:28,648 --> 01:11:31,511

You can do it. Come on, John.

639

01:11:31,611 --> 01:11:34,513

- Come on! Go!

- All right. Bye!

640

01:11:46,431 --> 01:11:49,928

I can't... I can't find it.

641

01:11:50,519 --> 01:11:51,911

Your turn, Ann.

642

01:12:04,950 --> 01:12:07,054

I found the bottle, but I...

643

01:12:07,154 --> 01:12:09,256

I dropped it coming back up.

644

01:12:10,356 --> 01:12:12,063

- I don't believe you.

- I did!

645

01:12:12,163 --> 01:12:14,061

- Come on! You got to go again.

- I did!

646

01:12:14,161 --> 01:12:16,500

I'll check on you. Come on.

647

01:12:59,621 --> 01:13:01,657

I'm getting cold.

648

01:13:09,715 --> 01:13:11,443

Let's go in.

649

01:13:16,939 --> 01:13:18,630

Ann?

650

01:13:19,726 --> 01:13:21,386

Ann.

651

01:13:24,263 --> 01:13:25,957

Hey.

652

01:13:32,938 --> 01:13:35,067

I love you.

653

01:13:39,145 --> 01:13:41,877

- Really?

- I do.

654

01:13:41,977 --> 01:13:43,769

I do.

655

01:14:18,851 --> 01:14:20,647

John?

656

01:14:23,290 --> 01:14:25,083

John?

657

01:16:42,161 --> 01:16:43,860

Hey.

658

01:17:04,817 --> 01:17:07,086

Caleb up yet?

659

01:17:07,186 --> 01:17:08,814

I don't know.

660

01:17:25,838 --> 01:17:28,060

- Mr. Loomis.

- Caleb.

661

01:17:28,160 --> 01:17:30,939

Oh, and y'all still even have coffee
for the hangovers.

662

01:17:31,039 --> 01:17:32,970

That's right.

663

01:17:35,748 --> 01:17:37,676

- Morning.

- Morning.

664

01:17:52,031 --> 01:17:55,002

Y'all get started.

I'm just gonna go to the restroom.

665

01:18:04,409 --> 01:18:06,645

It's a beautiful day.

666

01:18:14,085 --> 01:18:15,847

Amen.

667

01:18:21,660 --> 01:18:23,388

What's on the agenda?

668

01:18:30,669 --> 01:18:33,340

Hey, man, I'm all yours.

669

01:18:33,440 --> 01:18:36,179

Whatever you need from me,

put me to work.

670

01:18:37,844 --> 01:18:40,119

Well, let me see.

671

01:18:41,480 --> 01:18:44,744

I need to put the finishing touches
on the wheel.

672

01:18:45,618 --> 01:18:47,566

Take it down to the creek.

673

01:18:47,666 --> 01:18:50,273

Let's get started
straight after breakfast.

674

01:19:06,605 --> 01:19:08,424

Caleb,

675

01:19:08,524 --> 01:19:10,799

I got to say something.

676

01:19:11,177 --> 01:19:13,537

She's a special girl.

677

01:19:13,847 --> 01:19:15,915

She sure is, sir.

678

01:19:16,015 --> 01:19:18,339

It's funny. It took you...

679

01:19:19,118 --> 01:19:20,861

to make me realize that.

680

01:19:25,690 --> 01:19:28,052

You wish I'd never come?

681

01:19:32,564 --> 01:19:34,346

No.

682

01:19:35,368 --> 01:19:37,694

If you weren't here, we...

683

01:19:37,794 --> 01:19:39,606

wouldn't be so close
to finishing the wheel,

684

01:19:39,706 --> 01:19:42,395
moving forward, getting electricity.

685

01:19:50,549 --> 01:19:52,825
Truth is, though,

686

01:19:54,087 --> 01:19:56,890
you were never a threat to me, Caleb.

687

01:19:57,990 --> 01:19:59,993
I mean, I...

688

01:20:00,943 --> 01:20:05,024
I told Ann to do whatever was necessary
to keep you from leaving.

689

01:20:10,569 --> 01:20:12,542
All right.

690

01:20:21,813 --> 01:20:23,674

It's funny?

691

01:20:26,018 --> 01:20:28,488

Oh, I don't believe you, sir.

692

01:20:28,988 --> 01:20:31,367

Jealousy doesn't suit you.

693

01:20:33,624 --> 01:20:37,147

- What about Anson?

- I don't know, sir.

694

01:20:37,997 --> 01:20:42,027

Like you said, there's probably
nothing down there anyway.

695

01:21:06,693 --> 01:21:07,878

Yeah!

696

01:21:10,278 --> 01:21:11,410

Yeah!

697

01:21:47,732 --> 01:21:50,951

You good? You good?

698

01:21:51,351 --> 01:21:53,667

Yeah, we're good.

699

01:22:04,650 --> 01:22:06,380

Hey!

700

01:22:43,888 --> 01:22:45,649

Hey.

701

01:22:48,894 --> 01:22:51,498

Wanna have a drink with me, please?

702

01:22:51,598 --> 01:22:54,563

No, I'm fine.

703

01:22:55,067 --> 01:22:56,760

John.

704

01:22:59,471 --> 01:23:01,388

I'm sorry.

705

01:23:06,778 --> 01:23:10,049

I don't know how any of this
happened. It just...

706

01:23:10,449 --> 01:23:12,752

- It's okay.

- No, we're... it's...

707

01:23:12,852 --> 01:23:15,203

It's not okay. It's not.

708

01:23:15,303 --> 01:23:17,284

I want to talk about it.

709

01:23:21,526 --> 01:23:25,114

I... it was... it was...

710

01:23:26,566 --> 01:23:29,320

it was a really confusing night.

I didn't...

711

01:23:29,420 --> 01:23:31,518

that's not an excuse.

I'm just saying that...

712

01:23:31,618 --> 01:23:33,909

He's gone, Ann.

713

01:23:36,309 --> 01:23:38,079

Caleb.

714

01:23:41,779 --> 01:23:43,276

He left.

715

01:23:47,619 --> 01:23:49,155

Left where?

716

01:23:49,755 --> 01:23:51,793

To Anson.

717

01:23:55,160 --> 01:23:57,373

Took the safe suit.

718

01:23:58,930 --> 01:24:01,588

Said you were welcome
to anything of his.

719

01:24:07,184 --> 01:24:09,049

I'm sorry.
