

Dialogues from “Goodbye, Christopher Robin” to improve the vocabulary in English

1

00:02:36,240 --> 00:02:37,309

ALAN: Daphne?

2

00:02:37,400 --> 00:02:38,400

Yes?

3

00:02:53,880 --> 00:02:55,199

(BIRDS CHIRPING)

4

00:04:01,040 --> 00:04:02,632

(SOLDIERS SCREAMING)

5

00:04:05,680 --> 00:04:07,113

(FLIES BUZZING)

6

00:04:07,200 --> 00:04:08,997

(PANTING)

Take the lead.

14

00:05:07,200 --> 00:05:08,553

(BOTH CHUCKLE)

15

00:05:12,280 --> 00:05:13,280

(GRUNTS)

16

00:05:13,480 --> 00:05:14,708

Damn it. I'm sorry.

17

00:05:14,880 --> 00:05:16,279

Well, I should

think so too!

18

00:05:16,440 --> 00:05:18,078

You laddered my stockings.

19

00:05:18,240 --> 00:05:19,389

Don't mind them.

20

00:05:19,560 --> 00:05:20,754

They're all just jealous

21

00:05:20,880 --> 00:05:22,536

because my husband is the
only one clever enough...

22

00:05:22,560 --> 00:05:24,551

...not to get himself killed.

23

00:05:24,640 --> 00:05:25,868

I say, do you mind
if I cut in?

24

00:05:25,960 --> 00:05:27,439

Oh!
Ernest!

25

00:05:28,400 --> 00:05:29,549

Hello, Blue.

26

00:05:30,400 --> 00:05:32,240

You'll just have to
find another partner, Daph.

27

00:05:32,360 --> 00:05:33,395

All right.

28

00:05:33,720 --> 00:05:35,233

I was at the Somme.

29

00:05:35,400 --> 00:05:36,435

That was a bad show.

30

00:05:36,760 --> 00:05:39,069

They were all bad shows.

Where were you?

31

00:05:39,880 --> 00:05:40,880

Passchendaele.

32

00:05:41,640 --> 00:05:42,789

Exactly.

33

00:05:42,960 --> 00:05:44,598

Milne! You're back.

Rupert.

34

00:05:44,760 --> 00:05:46,671

How splendid you look.

35

00:05:46,760 --> 00:05:50,594

And Shepard! Punch's funniest
writer and best illustrator.

36

00:05:50,760 --> 00:05:53,433

Ready to put a smile back
on our faces?

37

00:05:53,600 --> 00:05:55,560

Oh, yes. In fact, I wrote
a brilliant little farce

38

00:05:55,600 --> 00:05:56,635

while I was at the front.

39

00:05:56,800 --> 00:05:57,949

Did you really?

40

00:05:58,240 --> 00:06:00,595

I sat there with my
typewriter, glass of sherry...

41

00:06:00,760 --> 00:06:02,352

...knocked it out while
the whizz bangs

42

00:06:02,440 --> 00:06:03,589

popped all around us.

43

00:06:03,800 --> 00:06:05,916

Sometimes the gas would
steam my glasses up,

44

00:06:06,000 --> 00:06:07,956

you know,
but apart from that...

45

00:06:08,040 --> 00:06:10,156

Well, this is wonderful news.

46

00:06:11,280 --> 00:06:13,157

I can't wait to read it.

47

00:06:13,280 --> 00:06:14,599

(GLASS CLINKING)

(APPLAUSE)

48

00:06:15,240 --> 00:06:16,275

Milne.

49

00:06:18,120 --> 00:06:19,155

Right.

50

00:06:19,440 --> 00:06:20,475

Where to start?

51

00:06:20,640 --> 00:06:25,589

A few years ago in Sarajevo,
one Archduke was shot.

52

00:06:26,000 --> 00:06:27,433

And the next thing we know,

53

00:06:27,520 --> 00:06:30,512

ten million

non-archdukes are shot.

54

00:06:30,760 --> 00:06:34,116

And for what?

What a jolly little farce.

55

00:06:35,600 --> 00:06:37,716

But I know that

the final curtain...

56

00:06:37,880 --> 00:06:39,757

...is surely coming

for archdukes

57

00:06:39,920 --> 00:06:41,239

and top hats and the like...

58

00:06:41,400 --> 00:06:43,709

...and for all

the other fools...

59

00:06:43,920 --> 00:06:48,072

...who led ordinary decent
folk to the slaughter.

60

00:06:51,760 --> 00:06:54,069

So, what can one say but...

61

00:06:55,560 --> 00:06:56,754

...Tinketty Tonk.

62

00:06:58,680 --> 00:07:00,830

Tinketty Tonk.

63

00:07:11,880 --> 00:07:14,030

ALAN: We were
always exhausted.

64

00:07:14,440 --> 00:07:17,750

Never quite knew if we
were awake or dreaming.

65

00:07:18,280 --> 00:07:20,111

And the flies.

66

00:07:22,600 --> 00:07:24,955

Big bloated blue bottles.

67

00:07:25,440 --> 00:07:27,954

Not just the flies

themselves...

68

00:07:28,600 --> 00:07:31,398

...but the thought

they used to be maggots.

69

00:07:32,160 --> 00:07:34,469

And when they were maggots,

they were eating...

70

00:07:34,680 --> 00:07:35,800

That's quite enough of that.

71

00:07:35,960 --> 00:07:37,400

I'm sorry,

I thought you were asleep.

72

00:07:40,600 --> 00:07:43,433

You know, if you don't
think about a thing,

73

00:07:43,520 --> 00:07:45,158

then it ceases to exist.

74

00:07:47,160 --> 00:07:50,436

It's true. I read about it.
It's all in Plato.

75

00:07:50,520 --> 00:07:51,635

It's called philosophy.

76

00:07:52,320 --> 00:07:53,435

Oh, philosophy.

77

00:07:54,080 --> 00:07:56,799

Well, I hope you know
you're laughing at Plato.

78

00:07:56,920 --> 00:07:58,478

(ALAN LAUGHING)

79

00:08:00,320 --> 00:08:01,753

(DAPHNE EXHALES)

80

00:08:03,360 --> 00:08:07,478

Blue, life is full of
frightful things.

81

00:08:09,120 --> 00:08:11,270

The great thing
is to find something

82

00:08:11,360 --> 00:08:13,874

to be happy about
and stick to that.

83

00:08:14,600 --> 00:08:15,635

Hmm?

84

00:08:28,800 --> 00:08:30,313

(DAPHNE SCREAMING)

85

00:08:36,560 --> 00:08:37,834

DAPHNE: Oh, my G...

86

00:08:39,840 --> 00:08:41,193

Get it out!

87

00:08:44,360 --> 00:08:47,158

It's quite all right.

It's all going swimmingly.

88

00:08:47,320 --> 00:08:48,673

It's not all right!

89

00:08:49,160 --> 00:08:51,037

Where is he? Blue!

90

00:08:52,000 --> 00:08:53,000

Blue?

91

00:08:53,920 --> 00:08:55,990

That's me.

Perhaps I should...

92

00:08:56,160 --> 00:08:57,752

She's a silly girl.

93

00:08:59,920 --> 00:09:01,558

(DAPHNE CONTINUES SCREAMING)

94

00:09:02,720 --> 00:09:04,039

(BABY CRYING)

95

00:09:10,200 --> 00:09:11,200

Here he is, sir.

96

00:09:11,720 --> 00:09:12,720

(COOS)

97

00:09:14,400 --> 00:09:15,833

Perfect birth, sir.

98

00:09:16,000 --> 00:09:17,558

However,

Mrs. Milne was unaware of

99

00:09:17,680 --> 00:09:19,716

the mechanics of the thing.

Ah.

100

00:09:19,880 --> 00:09:21,074

(SOBBING)

101

00:09:22,240 --> 00:09:23,240

(SNIFFLES)

102

00:09:27,520 --> 00:09:28,714

Daphne.

103

00:09:28,920 --> 00:09:29,920

Get him out.

104

00:09:30,080 --> 00:09:31,080

Daph...

105

00:09:31,200 --> 00:09:33,395

I will not have him
see me blubbing.

106

00:09:33,560 --> 00:09:35,551

Probably best, sir.

107

00:09:40,360 --> 00:09:41,509

(DOORBELL RINGING)

108

00:09:41,960 --> 00:09:43,916

ALAN: Latest Milne
production debuted

109

00:09:44,040 --> 00:09:45,632

at 20 past 6:00
this morning...

110

00:09:45,800 --> 00:09:48,394

...weighing in at
a startling nine pounds.

111

00:09:48,560 --> 00:09:49,696

Good heavens.

(ALL CONGRATULATING)

112

00:09:49,720 --> 00:09:51,278

At least the midwife
says nine pounds.

113

00:09:51,480 --> 00:09:52,959

I have the distinct
impression that

114

00:09:53,080 --> 00:09:54,736

midwives are a little
like anglers, you know?

115

00:09:54,760 --> 00:09:56,955

Prone to exaggerate
the size of the catch.

116

00:09:57,120 --> 00:09:59,076

(LAUGHTER)

Shall I propose a toast?

117

00:09:59,320 --> 00:10:00,320

A double toast!

118

00:10:00,480 --> 00:10:02,277

There's to be a revival
of Alan's play

119

00:10:02,400 --> 00:10:05,392

Mr. Pim Passes By
at the Kingsway.

120

00:10:05,480 --> 00:10:06,480

(CORK POPS)

121

00:10:06,880 --> 00:10:08,598

(GUESTS CHATTERING)

122

00:10:09,720 --> 00:10:10,948

You all right?

123

00:10:11,440 --> 00:10:12,440

Yes.

124

00:10:12,960 --> 00:10:15,155

I'm the same
when my motorbike backfires.

125

00:10:16,800 --> 00:10:18,791

I've been thinking
of moving down

126

00:10:18,920 --> 00:10:20,776

to the countryside where
it's peaceful and quiet.

127

00:10:20,800 --> 00:10:22,756

Don't tell Daphne,
for God's sake.

128

00:10:22,920 --> 00:10:25,673

Up here. That's what
we need to sort out.

129

00:10:26,760 --> 00:10:28,079

LADY: A toast.

130

00:10:28,240 --> 00:10:30,276

C. R. Milne.

131

00:10:30,640 --> 00:10:32,119

ALL: C.R. Milne.

132

00:10:34,640 --> 00:10:35,640

(BABY CRYING)

133

00:10:54,280 --> 00:10:56,271

(CRYING CONTINUES

AND INTENSIFIES)

134

00:11:03,520 --> 00:11:04,520

Hello?

135

00:11:23,840 --> 00:11:24,840

Oh.

136

00:11:28,800 --> 00:11:30,028

Hello?

137

00:11:37,840 --> 00:11:38,840

Hmm.

138

00:11:40,520 --> 00:11:41,520

Uh...

139

00:11:42,320 --> 00:11:45,039

Not completely sure

which way up he should go.

140

00:11:49,360 --> 00:11:50,873

Still alive. (CHUCKLES)

141

00:11:52,840 --> 00:11:55,718

You know, Daph, boys

can be fun too, you know.

142

00:11:56,560 --> 00:11:57,709

I'm a boy.

143

00:11:57,880 --> 00:11:59,029

I just keep thinking.

144

00:11:59,200 --> 00:12:01,430

It's such a terrible feeling.

145

00:12:04,280 --> 00:12:05,713

He's a boy.

146

00:12:06,560 --> 00:12:07,913

He'll grow up.

147

00:12:08,400 --> 00:12:11,710

He'll put on a uniform
and he'll go off to war.

148

00:12:11,880 --> 00:12:15,668

And I will be waiting again
like I waited for you.

149

00:12:15,880 --> 00:12:17,233

Never knowing.

150

00:12:17,680 --> 00:12:18,874

You listen to me.

151

00:12:19,040 --> 00:12:22,350

I just fought in the War
to End All Wars.

152

00:12:22,920 --> 00:12:24,239

There won't be another one.

153

00:12:25,400 --> 00:12:27,072

I couldn't stand
to love someone

154

00:12:27,200 --> 00:12:29,031

who was going
away again, Blue.

155

00:12:30,240 --> 00:12:31,753

Not like that.

156

00:12:38,880 --> 00:12:40,552

His name
is Christopher Robin,

157

00:12:40,640 --> 00:12:42,278

but we generally

call him Billy.

158

00:12:42,880 --> 00:12:44,757

Oh.

You thought he was a girl.

159

00:12:44,920 --> 00:12:46,478

So did we

until he was born.

160

00:12:46,640 --> 00:12:48,153

Please, take a seat.

161

00:12:48,320 --> 00:12:50,151

She was going

to be called Rosemary

162

00:12:50,280 --> 00:12:52,350

and I bought her all these

delicious dresses.

163

00:12:52,440 --> 00:12:53,440

I see.

164

00:12:53,560 --> 00:12:55,096

Just seems a pity to
waste them, don't you think?

165

00:12:55,120 --> 00:12:56,314

Of course.

166

00:12:56,480 --> 00:12:58,550

Well, you have had
an interesting life.

167

00:12:58,720 --> 00:13:00,915

Looking after the Chilean
ambassador's children.

168

00:13:01,000 --> 00:13:02,069

What fun!

169

00:13:02,240 --> 00:13:03,958

And terrific parties,
I should think.

170

00:13:04,480 --> 00:13:07,074

It was very enjoyable.
We traveled a lot.

171

00:13:07,240 --> 00:13:08,456

Why would you
want to look after him

172

00:13:08,480 --> 00:13:09,799

when you've had
such fun, then?

173

00:13:11,280 --> 00:13:12,679

My mother is quite ill.

174

00:13:12,800 --> 00:13:14,756

She'll be needing
some attention from me.

175

00:13:14,920 --> 00:13:17,275

So staying in one place
will be useful.

176

00:13:17,600 --> 00:13:18,720

Well, we're
going on holiday.

177

00:13:18,800 --> 00:13:20,313

Just to Italy.
For a month or so.

178

00:13:20,480 --> 00:13:21,799

OLIVE: Oh, very wise.

179

00:13:21,960 --> 00:13:24,394

By the time you come home,
I shall have your little man

180

00:13:24,480 --> 00:13:26,072

settled into a nice,
steady routine.

181

00:13:26,280 --> 00:13:27,508

That's very reassuring.

182

00:13:27,680 --> 00:13:29,560

You know, the one good thing
about the war is...

183

00:13:29,640 --> 00:13:31,949

...there are lots of marvelous
women around like you...

184

00:13:32,160 --> 00:13:33,296

...who are never
going to get married

185

00:13:33,320 --> 00:13:34,320

because there are no men.

186

00:13:34,480 --> 00:13:35,576

So you can take on
work like this.

187

00:13:35,600 --> 00:13:36,600

Daphne.

188

00:13:36,760 --> 00:13:39,752

Yes? But it's true,
isn't it?

189

00:13:41,360 --> 00:13:42,873

(DAPHNE AND ALAN LAUGHING)

190

00:13:45,320 --> 00:13:47,880

OLIVE: Mummy and Daddy
are going to a ball!

191

00:13:48,040 --> 00:13:49,920

ALAN: Your majesty.
DAPHNE: (CHUCKLES) My liege.

192

00:13:50,360 --> 00:13:51,713

Don't they look lovely?

193

00:13:52,320 --> 00:13:53,673

Goodbye!

194

00:13:53,840 --> 00:13:57,549

Look, Billy, Mummy and Daddy
are off again on holiday.

195

00:13:58,040 --> 00:13:59,314

Ho-li-day.

196

00:14:03,480 --> 00:14:04,515

Thank you.

197

00:14:07,680 --> 00:14:09,830

OLIVE:

It's Daddy's first night.

198

00:14:10,360 --> 00:14:12,376

CHRISTOPHER ROBIN: Nou,
how can it be his first night?

199

00:14:12,400 --> 00:14:14,356

Blue is about
100 years old.

200

00:14:14,520 --> 00:14:17,637

OLIVE: It's the first night
of his new play, silly.

201

00:14:18,520 --> 00:14:21,193

Well, for all you cricket
enthusiasts here in the audience...

202

00:14:21,360 --> 00:14:22,952

...I'm sorry
to report that rain

203

00:14:23,040 --> 00:14:24,632

has stopped play at the Oval.

204

00:14:24,720 --> 00:14:25,755

(AUDIENCE LAUGHS)

205

00:14:25,880 --> 00:14:27,359

Here in the West End,
of course,

206

00:14:27,480 --> 00:14:28,515

nothing stops the play.

207

00:14:28,720 --> 00:14:29,835

(AUDIENCE LAUGHS)

208

00:14:33,480 --> 00:14:34,595

(FLIES BUZZING)

209

00:14:35,880 --> 00:14:37,871

Um, this, this play...

210

00:14:38,560 --> 00:14:39,560

I-I wrote this play...

211

00:14:40,920 --> 00:14:41,989

This, this play was...

212

00:14:42,560 --> 00:14:43,560

(EXPLOSIONS)

213

00:14:43,680 --> 00:14:46,035

I wrote this...

(BUZZING CONTINUES)

214

00:14:46,200 --> 00:14:47,349

I wrote this...

215

00:14:47,440 --> 00:14:48,668

(INDISTINCT CHATTER)

216

00:14:49,200 --> 00:14:50,997

The play was, um...

217

00:14:55,520 --> 00:14:56,800

You're supposed
to make a speech.

218

00:14:57,080 --> 00:14:58,920

You're supposed to say
something sweet about...

219

00:15:05,240 --> 00:15:07,196

(PANTING)

220

00:15:09,240 --> 00:15:10,878

(CHATTERING)

221

00:15:27,440 --> 00:15:29,908

DAPHNE: You missed
the most enchanting party.

222

00:15:30,080 --> 00:15:31,256

ERNEST: And the play
was pretty good.

223

00:15:31,280 --> 00:15:32,508

DAPHNE:
It's in all the papers,

224

00:15:32,600 --> 00:15:34,113

if you want the details.

225

00:15:34,280 --> 00:15:35,713

"The Princess Royal
accompanied by

226

00:15:35,800 --> 00:15:37,119

Princess Maud was in a box.

227

00:15:37,280 --> 00:15:39,589

"Sir James Barrie and...

228

00:15:39,920 --> 00:15:41,069

"...the elegant Mrs. Milne."

229

00:15:41,240 --> 00:15:43,435

Alan, if you

hadn't deserted me,

230

00:15:43,520 --> 00:15:44,576

people wouldn't

take the liberty

231

00:15:44,600 --> 00:15:45,680

of making

remarks like that.

232

00:15:45,760 --> 00:15:47,680

Remarks? What remarks?

"Elegant" is not a remark.

233

00:15:47,800 --> 00:15:50,598

DAPHNE: "Elegant" means
over 30. Everyone knows that.

234

00:15:50,800 --> 00:15:52,256

ERNEST: You'll never
be elegant in my eyes.

235

00:15:52,280 --> 00:15:54,077

What did we fight
that war for?

236

00:15:56,680 --> 00:15:57,896

Why doesn't anyone
talk about it?

237

00:15:57,920 --> 00:15:59,496

Why does everyone act
as though nothing happened?

238

00:15:59,520 --> 00:16:00,794

Well, it is over.

239

00:16:00,960 --> 00:16:02,632

And what am I doing about it?

Nothing!

240

00:16:02,800 --> 00:16:04,680

You're doing what you're
good at. Writing plays.

241

00:16:04,840 --> 00:16:06,239

Nothing has changed.

242

00:16:06,440 --> 00:16:07,839

Don't you see?

If nothing changes,

243

00:16:07,960 --> 00:16:10,838

then the same thing
will happen all over again.

244

00:16:12,920 --> 00:16:14,273

I need to
get out of London.

245

00:16:14,440 --> 00:16:15,976

A nice day out would
do us all the world of good.

246

00:16:16,000 --> 00:16:17,149

Ernest, you must come too.

247

00:16:17,320 --> 00:16:19,080

I don't think Blue
is talking about a picnic.

248

00:16:19,160 --> 00:16:21,196

I'm talking about
leaving for good.

249

00:16:22,200 --> 00:16:23,792

I'm talking about
going somewhere quiet

250

00:16:23,960 --> 00:16:25,520

and decent and trying
to think for once.

251

00:16:25,600 --> 00:16:26,794

Do something worthwhile.

252

00:16:27,000 --> 00:16:29,468

Surely a West End playwright
needs to be in the West End.

253

00:16:29,640 --> 00:16:32,359

I've had enough of
making people laugh.

254

00:16:33,160 --> 00:16:34,673

I want to make them see.

255

00:16:35,800 --> 00:16:37,480

Well, I think it's
a perfectly horrid idea.

256

00:16:37,680 --> 00:16:38,680

Daphne.

257

00:16:38,840 --> 00:16:40,558

Horrid and ridiculous.

258

00:16:40,880 --> 00:16:42,518

Daphne, don't you see...

259

00:16:42,680 --> 00:16:43,880

For heaven's sake,

don't plead.

260

00:16:44,720 --> 00:16:46,950

If you're going to do it,

get on with it.

261

00:16:48,880 --> 00:16:50,199

(BIRDS CHIRPING)

262

00:16:54,800 --> 00:16:56,313

(INDISTINCT CHATTER)

263

00:16:59,840 --> 00:17:02,354

Not in the mud! Don't

let them fall into the mud!

264

00:17:02,520 --> 00:17:05,159

Upstairs.

Now where's the desk?

265

00:17:05,400 --> 00:17:07,356

Up here. Up here.

266

00:17:08,680 --> 00:17:10,636

Over there. Actually...

267

00:17:10,840 --> 00:17:12,376

I know you like a view
when you're writing, Alan,

268

00:17:12,400 --> 00:17:14,072

but might that be
a distraction?

269

00:17:14,200 --> 00:17:15,200

Alan?

270

00:17:15,720 --> 00:17:16,720

Alan?

271

00:17:34,240 --> 00:17:35,389

DAPHNE: Alan?

272

00:17:49,720 --> 00:17:53,599

Deeper and deeper into
the dark wood they went.

273

00:18:06,400 --> 00:18:07,753

Oh, they're here.

274

00:18:08,280 --> 00:18:10,236

Oh, where is it?
It's here somewhere.

275

00:18:10,440 --> 00:18:11,759

Alan, where is it?
Where's what?

276

00:18:11,880 --> 00:18:12,880

Ah.

277

00:18:14,720 --> 00:18:16,711

Mummy's here!

Of course Mummy's here.

278

00:18:16,880 --> 00:18:18,800

You're going to live here.

This is your new home.

279

00:18:19,240 --> 00:18:20,776

CHRISTOPHER ROBIN:

Yes. But I didn't know

280

00:18:20,800 --> 00:18:22,631

they were going

to live in it too.

281

00:18:30,120 --> 00:18:32,111

DAPHNE: (AS EDWARD BEAR)

Well, I say, Billy Moon,

282

00:18:32,240 --> 00:18:34,071

this is an unexpected

pleasure.

283

00:18:34,240 --> 00:18:35,798

Have you come
to see my woods?

284

00:18:35,960 --> 00:18:37,393

Are they really your woods?

285

00:18:37,560 --> 00:18:39,835

Oh, yes. As far as
the eye can see.

286

00:18:40,280 --> 00:18:42,236

Well, a bear does
feel more at home

287

00:18:42,320 --> 00:18:43,800

in the woods amongst
the wild animals.

288

00:18:43,920 --> 00:18:45,433

Are there really
wild animals?

289

00:18:45,640 --> 00:18:47,358

I can't continue
this conversation

290

00:18:47,480 --> 00:18:49,596

till we've been
properly introduced.

291

00:18:49,760 --> 00:18:51,830

I'm Billy Moon
and you're Teddy Bear.

292

00:18:52,000 --> 00:18:53,433

Edward Bear,
if you don't mind.

293

00:18:53,600 --> 00:18:54,669

I don't like that name.

294

00:18:54,800 --> 00:18:56,597

Mummy will help us
think of a new one.

295

00:18:57,640 --> 00:18:59,710

You do know it was me talking,
not the bear?

296

00:18:59,800 --> 00:19:01,153

I was just playing, you see.

297

00:19:01,320 --> 00:19:03,311

Yes. I was just joining in.

298

00:19:03,840 --> 00:19:05,671

DAPHNE: Of course.

Silly of me.

299

00:19:16,640 --> 00:19:17,976

DAPHNE: (AS PIGLET)

Do you have room

300

00:19:18,000 --> 00:19:19,115

for one very small piglet?

301

00:19:19,200 --> 00:19:20,235

Yes!

302

00:19:20,440 --> 00:19:21,640

I have some
very quiet friends.

303

00:19:21,680 --> 00:19:22,795

They'll be no trouble.

304

00:19:23,040 --> 00:19:25,873

Do you have
any objection to tigers?

305

00:19:26,040 --> 00:19:27,189

No.

(BOTH CHUCKLE)

306

00:19:31,960 --> 00:19:33,871

Say goodnight to Teddy.

307

00:19:34,040 --> 00:19:35,871

Edward. Remember?

308

00:19:36,360 --> 00:19:38,476

Edward. Of course.

309

00:19:41,200 --> 00:19:42,474

God bless Mummy.

310

00:19:42,560 --> 00:19:44,630

God bless Daddy.

God bless Nou.

311

00:19:44,720 --> 00:19:45,720

Amen.

312

00:19:46,800 --> 00:19:48,358

Forgotten someone.

313

00:19:48,520 --> 00:19:49,520

Who?

314

00:19:49,720 --> 00:19:50,835

Keep thinking.

315

00:19:55,040 --> 00:19:56,712

I've made
the study my priority

316

00:19:56,880 --> 00:19:58,240

so that you can
get back to work...

317

00:19:58,360 --> 00:19:59,520

...while the rest
of us unpack

318

00:19:59,560 --> 00:20:01,198

and choose curtain fabrics
and so on.

319

00:20:01,360 --> 00:20:02,400

Your files and notebook...

320

00:20:02,520 --> 00:20:03,555

I'll unpack them.

321

00:20:03,760 --> 00:20:05,159

There's really no need.

I can...

322

00:20:05,240 --> 00:20:06,389

(CHUCKLING) Stop.

323

00:20:08,200 --> 00:20:09,349

Stop.

324

00:20:11,400 --> 00:20:12,549

Look.

325

00:20:15,040 --> 00:20:17,508

Me! I forgot to bless me.

326

00:20:17,680 --> 00:20:20,194

God bless me. Amen.

327

00:20:25,440 --> 00:20:26,589

MRS. PENN: Madam.

328

00:20:26,760 --> 00:20:27,909

Thank you, Mrs. Penn.

329

00:20:31,240 --> 00:20:33,356

Shh. Daddy's working.

330

00:20:35,920 --> 00:20:37,353

(KNOCKING ON DOOR)

(SHUSHING)

331

00:20:43,800 --> 00:20:45,233

OLIVE: Can't get you.

332

00:20:47,400 --> 00:20:48,628

(CHRISTOPHER ROBIN GRUNTS)

333

00:20:48,880 --> 00:20:49,880

Over here!

334

00:20:50,120 --> 00:20:51,872

(LAUGHS)

That was awfully good.

335

00:20:52,040 --> 00:20:53,996

Bit higher!

Come on, higher!

336

00:20:54,080 --> 00:20:56,071

(OLIVE AND CHRISTOPHER ROBIN
LAUGHING)

337

00:20:58,720 --> 00:21:00,039

ALAN: Hello there!

338

00:21:00,440 --> 00:21:03,113

Mummy said we mustn't talk
to you when you're working.

339

00:21:03,320 --> 00:21:06,039

This isn't that sort of work.

This is proper work.

340

00:21:07,160 --> 00:21:08,160

Come here.

341

00:21:08,600 --> 00:21:09,715

Hold this.

342

00:21:11,120 --> 00:21:12,599

Push down hard.

343

00:21:12,760 --> 00:21:13,795

What is it for?

344

00:21:14,000 --> 00:21:16,230

We're going to have chickens.

We'll need a chicken run.

345

00:21:16,400 --> 00:21:19,119

Somewhere they can move about
and not be eaten by foxes.

346

00:21:19,280 --> 00:21:20,315

Are there real foxes?

347

00:21:20,480 --> 00:21:23,119

All sorts of wild animals

here, I shouldn't wonder.

348

00:21:24,400 --> 00:21:26,231

WOMAN: (SINGING)

The object of my affection

349

00:21:26,320 --> 00:21:28,072

Can change my complexion

350

00:21:28,160 --> 00:21:30,958

From white to a rosy read

351

00:21:31,040 --> 00:21:32,075

(CHUCKLES)

352

00:21:32,280 --> 00:21:34,510

Anytime he holds my hand

353

00:21:35,240 --> 00:21:36,992

And tells me that he's mine

354

00:21:38,640 --> 00:21:40,676

ALAN: Oh, Billy.

Okay. All right. Right.

355

00:21:40,800 --> 00:21:42,472

Go, go! You put that back.

356

00:21:42,640 --> 00:21:44,358

OLIVE: Over here!

ALAN: Oh! That's it.

357

00:21:44,760 --> 00:21:46,955

ALAN: All right,
come on! Come on!

358

00:21:47,120 --> 00:21:48,872

Okay, we've got him.

We've got him.

359

00:21:48,960 --> 00:21:50,359

In you go. That's it.

360

00:21:52,640 --> 00:21:53,640

(SIGHS)

361

00:22:23,000 --> 00:22:24,558

CHRISTOPHER ROBIN:

Wait for me!

362

00:22:26,840 --> 00:22:28,353

What are you doing here?

363

00:22:28,800 --> 00:22:29,869

Sorry. I just...

364

00:22:30,040 --> 00:22:31,951

Nou will be wondering
where you are.

365

00:22:32,160 --> 00:22:33,718

Shall I go back?

366

00:22:39,160 --> 00:22:40,513

No, come along.

367

00:22:44,080 --> 00:22:45,672

Sorry, Father.

368

00:22:47,160 --> 00:22:49,549

Sorry, Father. Sorry.

369

00:22:49,760 --> 00:22:51,034

ALAN: Quickly.

370

00:22:59,200 --> 00:23:00,428

I won't talk to you.

371

00:23:00,600 --> 00:23:03,194

Nou says you're writing
a very important book,

372

00:23:03,360 --> 00:23:05,191

so I'm not to talk to you.

373

00:23:05,400 --> 00:23:07,400

ALAN: You do realize
you're talking now, don't you?

374

00:23:07,560 --> 00:23:09,516

CHRISTOPHER ROBIN:

Yes, but I've stopped now.

375

00:23:09,680 --> 00:23:10,954

While I'm not talking,

376

00:23:11,040 --> 00:23:13,190

could you think of

a good name for a donkey?

377

00:23:14,560 --> 00:23:15,709

ALAN: Eeyore.

378

00:23:15,880 --> 00:23:18,394

CHRISTOPHER ROBIN:

Eeyore! Excellent. Thank you.

379

00:23:19,080 --> 00:23:20,433

Where are you going?

380

00:23:20,600 --> 00:23:22,158

Watching out

for wild animals.

381

00:23:22,240 --> 00:23:23,673

You said

there'd be wild animals.

382

00:23:24,240 --> 00:23:26,196

Well, take care.

383

00:23:26,360 --> 00:23:27,554

(BUZZING)

384

00:23:30,560 --> 00:23:34,394

What? What can you hear?

Is it a tiger?

385

00:23:35,240 --> 00:23:36,240

No.

386

00:23:38,600 --> 00:23:40,033

Not here.

387

00:23:40,120 --> 00:23:41,553

(BREATHES HEAVILY)

388

00:23:42,280 --> 00:23:45,033

Just stay calm.

389

00:23:45,920 --> 00:23:47,478

Just stand still.

390

00:23:47,560 --> 00:23:48,560

Couldn't we just...

391

00:23:48,640 --> 00:23:50,949

Just stand still, I said.

You listen to me.

392

00:23:51,120 --> 00:23:52,633

Sorry.

393

00:23:53,040 --> 00:23:55,634

They'll be gone in a minute.

Just stay calm.

394

00:23:55,800 --> 00:23:57,438

Bees are good,
aren't they?

395

00:23:57,960 --> 00:23:59,757

Even though
they can sting...

396

00:23:59,920 --> 00:24:01,194

...they hardly ever do,

397

00:24:01,280 --> 00:24:03,953

so long as you leave them
to get on with things.

398

00:24:04,120 --> 00:24:05,758

They just want
to make honey.

399

00:24:06,280 --> 00:24:07,429

Honey?

400

00:24:08,000 --> 00:24:09,752

That's what

Nou says, anyway.

401

00:24:10,440 --> 00:24:11,440

Bees.

402

00:24:11,560 --> 00:24:12,959

(BUZZING CONTINUES)

403

00:24:14,440 --> 00:24:15,440

Yes.

404

00:24:15,960 --> 00:24:18,554

I completely forgot

about bees.

405

00:24:18,640 --> 00:24:19,640

(CHUCKLES)

406

00:24:19,960 --> 00:24:20,960

And honey.

407

00:24:21,120 --> 00:24:22,599

I forgot about honey.

408

00:24:24,080 --> 00:24:26,799

Billy, you're an
entomological genius.

409

00:24:26,960 --> 00:24:27,960

What's that?

410

00:24:28,120 --> 00:24:29,917

It's an insect scientist.

411

00:24:30,360 --> 00:24:31,952

You're the best
there ever was.

412

00:24:33,520 --> 00:24:34,794

Well done.

413

00:24:39,200 --> 00:24:40,315

Honey.

414

00:24:40,680 --> 00:24:42,636

How silly. (SCOFFS)

415

00:24:43,440 --> 00:24:45,192

Thank you, Billy Moon.

416

00:24:45,680 --> 00:24:47,193

CHRISTOPHER ROBIN:

That's all right.

417

00:24:49,680 --> 00:24:51,016

DAPHNE: Well,

I've chosen the material.

418

00:24:51,040 --> 00:24:52,473

All you have to do

is run a few up.

419

00:24:52,640 --> 00:24:54,312

More smocks.

Yes.

420

00:24:54,480 --> 00:24:57,870

Isn't he going to look
such a chicken? Where is he?

421

00:24:58,040 --> 00:25:00,713

He seems to have gone
for a walk with Mr. Milne.

422

00:25:00,880 --> 00:25:03,314

Mr. Milne needs time and quiet
to write his blasted book.

423

00:25:03,520 --> 00:25:05,954

He can't have the boy trailing
everywhere after him.

424

00:25:06,120 --> 00:25:08,076

Oh, Billy Moon,
where on Earth have you been?

425

00:25:08,160 --> 00:25:09,388

We've all been so worried.

426

00:25:09,840 --> 00:25:11,671

I was with Blue.

Exactly.

427

00:25:11,840 --> 00:25:12,936

And if you

keep on like this,

428

00:25:12,960 --> 00:25:14,296

you're going to get

Nanny the sack.

429

00:25:14,320 --> 00:25:17,471

Daph, it was good that he was

there, in fact. In the end.

430

00:25:17,640 --> 00:25:19,232

Nevertheless,

how are you going to get

431

00:25:19,360 --> 00:25:21,176

any writing done if you're

doing her job for her?

432

00:25:21,200 --> 00:25:23,839

I mean, really, we might well
as not have a nanny if she...

433

00:25:24,360 --> 00:25:25,793

Now see,
you've made the boy cry.

434

00:25:26,000 --> 00:25:28,560

No, she hasn't. She hasn't.
You have. Leave her alone!

435

00:25:28,720 --> 00:25:30,400

Billy! Don't talk
to your mother like that.

436

00:25:30,480 --> 00:25:31,833

I only went
because of you.

437

00:25:32,000 --> 00:25:33,176

You said there were

wild animals

438

00:25:33,200 --> 00:25:34,560

and there weren't
any wild animals.

439

00:25:34,640 --> 00:25:35,709

We saw squirrels.

440

00:25:35,840 --> 00:25:37,319

Squirrels aren't
wild animals!

441

00:25:37,480 --> 00:25:39,710

And anyway, it's lucky
there weren't any wild animals

442

00:25:39,840 --> 00:25:41,034

because he's scared of bees!

443

00:25:41,120 --> 00:25:42,120

Billy!

444

00:25:42,200 --> 00:25:44,316

Just take him away,
would you?

445

00:25:46,560 --> 00:25:49,028

Apparently,
he was expecting bears.

446

00:25:49,360 --> 00:25:50,759

In Sussex?

447

00:25:51,240 --> 00:25:52,309

(CHUCKLES)

448

00:25:52,400 --> 00:25:54,391

I don't see
what's funny about it.

449

00:25:54,560 --> 00:25:56,232

The boy has
ridiculous expectations...

450

00:25:56,400 --> 00:25:59,597

...because you have made him
ridiculous promises.

451

00:25:59,760 --> 00:26:00,909

Just as you did with me.

452

00:26:01,440 --> 00:26:03,590

First, I had a baby
just to cheer you up.

453

00:26:03,760 --> 00:26:06,877

Nearly killed me.
And it didn't cheer you up.

454

00:26:07,080 --> 00:26:08,479

Then we move
to the countryside,

455

00:26:08,560 --> 00:26:09,675

surrounded by wild animals.

456

00:26:09,880 --> 00:26:11,880

The whole point was that
there are no wild animals.

457

00:26:12,720 --> 00:26:16,269

And the only response you have
is to be facetious. Really.

458

00:26:16,440 --> 00:26:17,793

Nothing is enough for you.

459

00:26:22,200 --> 00:26:23,428

Daphne?

460

00:26:26,400 --> 00:26:27,400

Daphne!

Oh, Alan!

461

00:26:27,600 --> 00:26:28,919

How lovely to see you.

462

00:26:29,040 --> 00:26:31,873

Welcome to your study.

Look, here's a desk.

463

00:26:32,040 --> 00:26:34,080

Do you remember "desks"?

What are you talking about?

464

00:26:34,120 --> 00:26:36,953

You said you were bringing us
here to write something.

465

00:26:39,080 --> 00:26:40,080

So write something!

466

00:26:40,440 --> 00:26:42,590

You are a writer
who doesn't write!

467

00:26:42,760 --> 00:26:43,760

I'm thinking.

468

00:26:43,920 --> 00:26:45,096

Well, let's hear
your great thoughts.

469

00:26:45,120 --> 00:26:46,296

I'm thinking about
where we go next.

470

00:26:46,320 --> 00:26:47,320

London!

471

00:26:47,440 --> 00:26:49,635

No, not us. England.
Where does England go next?

472

00:26:50,000 --> 00:26:52,275

The country
is wounded, Daph.

473

00:26:52,560 --> 00:26:56,155

It's lost men, yes.
But it's lost more than that.

474

00:26:56,600 --> 00:26:59,831

We need a sense of purpose.
Don't you see?

475

00:27:00,280 --> 00:27:01,633

The nations of the world,

476

00:27:01,760 --> 00:27:03,671

they got together
and banned slavery.

477

00:27:03,840 --> 00:27:05,637

What if we did
the same with war?

478

00:27:05,800 --> 00:27:08,792

What if we all, all nations,
got together and decided...

479

00:27:08,960 --> 00:27:10,280

...that when there was
a conflict,

480

00:27:10,320 --> 00:27:12,440

when there was a dispute,
war was no way to settle it.

481

00:27:12,480 --> 00:27:15,472

War would go the way
of the slave trade.

482

00:27:18,680 --> 00:27:20,318

Yes, that proves
my point exactly.

483

00:27:23,120 --> 00:27:25,918

No, you weren't
making a point.

484

00:27:27,920 --> 00:27:29,353

My point is
I have to go to London

485

00:27:29,480 --> 00:27:31,675

to look at Whiteleys'
new wallpaper collection.

486

00:27:31,840 --> 00:27:33,956

ALAN: Right. Fine.

DAPHNE: Yes, it is fine.

487

00:27:34,040 --> 00:27:36,400

Because do you know what writing
a book against war is like?

488

00:27:36,480 --> 00:27:37,515

No. Tell me.

489

00:27:37,680 --> 00:27:39,256

It's like writing a book
against Wednesdays.

490

00:27:39,280 --> 00:27:41,157

Wednesdays, Blue,
are a fact of life...

491

00:27:41,240 --> 00:27:44,056

...and if you don't like them, you could
stay in bed but you can't stop them...

492

00:27:44,080 --> 00:27:45,296

...because Wednesdays
are coming

493

00:27:45,320 --> 00:27:47,629

and if today isn't actually
a Wednesday it soon will be.

494

00:27:48,520 --> 00:27:49,520

Goodbye.

495

00:27:51,880 --> 00:27:54,519

Fine. When will you be back?
I'm not coming back.

496

00:27:54,960 --> 00:27:56,791

You're not coming back. Fine.

497

00:28:01,040 --> 00:28:04,669

I know you, Blue,
you're a writer.

498

00:28:05,000 --> 00:28:07,673

If you don't start writing properly soon,
you'll be unbearable.

499

00:28:08,800 --> 00:28:12,031

Write and I'll come back.

If you don't, then I shan't.

500

00:28:15,480 --> 00:28:16,976

ALAN: What about Billy?

DAPHNE: What about Billy?

501

00:28:17,000 --> 00:28:18,496

ALAN: You'll have to

take him with you.

502

00:28:18,520 --> 00:28:19,736

Boys are not interested

in wallpaper.

503

00:28:19,760 --> 00:28:21,136

They're not interested

in being quiet either.

504

00:28:21,160 --> 00:28:22,832

Perhaps if Ma'am

is going to London...

505

00:28:23,000 --> 00:28:24,035

...we could both come

506

00:28:24,160 --> 00:28:25,752

and I could take him

to the zoo?

507

00:29:01,280 --> 00:29:02,508

(INDISTINCT CHATTER)

508

00:29:27,160 --> 00:29:29,196

(AS EDWARD BEAR)

Christopher Robin, allow me to

509

00:29:29,280 --> 00:29:32,238

introduce you

to my older brother, um...

510

00:29:33,760 --> 00:29:35,034

Winnie, apparently.

511

00:29:35,120 --> 00:29:36,120

Winnie.

512

00:29:36,240 --> 00:29:37,958

That's a girl's name.

513

00:29:38,120 --> 00:29:39,951

Well, our mother would have
preferred a girl.

514

00:29:40,120 --> 00:29:41,599

I should think
if you look like that,

515

00:29:41,680 --> 00:29:43,750

you can call yourself
whatever you like.

516

00:29:43,840 --> 00:29:44,840

(BEAR GROWLS)

517

00:29:45,560 --> 00:29:46,913

So fierce.

518

00:29:47,760 --> 00:29:49,080

Edward Bear

is not really going to

519

00:29:49,120 --> 00:29:50,155

grow up like that, is he?

520

00:29:50,320 --> 00:29:54,108

Goodness no. He's going

to stay little forever.

521

00:29:55,080 --> 00:29:56,638

Like my boy.

522

00:30:08,640 --> 00:30:10,949

RUPERT: The thing

about war is, Alan,

523

00:30:11,040 --> 00:30:12,553

who wants

to read about it?

524

00:30:12,720 --> 00:30:14,336

ALAN: I should have
thought that was obvious.

525

00:30:14,360 --> 00:30:16,157

Anyone who doesn't want it
to happen again.

526

00:30:16,320 --> 00:30:19,153

Everyone in England
seems to be cross.

527

00:30:19,320 --> 00:30:22,471

Strikes. Protests.
Even you seem cross.

528

00:30:23,160 --> 00:30:24,160

Ugh.

529

00:30:24,480 --> 00:30:25,833

Would you mind
if we got back?

530

00:30:26,000 --> 00:30:28,275

This path is rather wearing
on the old footwear.

531

00:30:28,440 --> 00:30:30,431

You didn't ask me
when the book would be ready.

532

00:30:30,640 --> 00:30:32,278

Get it out of your system

533

00:30:32,360 --> 00:30:35,432

and then come back
to your senses, will you?

534

00:30:56,080 --> 00:30:57,115

Shh.

535

00:30:57,200 --> 00:31:01,512

Daddy may be asleep.
We are very, very late.

536

00:31:06,280 --> 00:31:07,280

(POPS)

537

00:31:07,360 --> 00:31:08,360

(GASPS)

538

00:31:11,200 --> 00:31:12,918

Nou.

Wait here.

539

00:31:14,280 --> 00:31:15,315

(PANTING)

540

00:31:15,400 --> 00:31:16,719

Get back.

Sir.

541

00:31:16,880 --> 00:31:17,949

Get back!

542

00:31:18,120 --> 00:31:19,235

I'm sorry.

543

00:31:19,600 --> 00:31:21,033

It's only us, sir.

Get away from me!

544

00:31:23,720 --> 00:31:25,233

It was just a balloon.

545

00:31:25,720 --> 00:31:27,392

Just don't come near me.

546

00:31:30,040 --> 00:31:31,040

Stay there.

547

00:31:32,880 --> 00:31:34,518

(ALAN PANTING)

548

00:31:39,680 --> 00:31:40,680

(DOOR SHUTS)

549

00:31:42,680 --> 00:31:43,954

(WHISPERS) Come on.

550

00:31:46,120 --> 00:31:48,031

Quick. Quick, quick.

551

00:31:55,440 --> 00:31:57,237

I'm sorry

we woke you, sir.

552

00:31:59,200 --> 00:32:00,200

Would you like one too?

553

00:32:02,440 --> 00:32:05,876

Just a balloon. As you say.

Can't be helped.

554

00:32:09,640 --> 00:32:11,278

Olive? Um...

555

00:32:11,840 --> 00:32:13,353

Mrs. Milne?

556

00:32:14,360 --> 00:32:16,396

I'm afraid

she was delayed, sir.

557

00:32:16,520 --> 00:32:18,078

She said

she'd telephone to you

558

00:32:18,160 --> 00:32:19,991

just as soon as

she had a moment.

559

00:32:40,440 --> 00:32:41,793

No, Nou, don't go! Stay!

560

00:32:41,960 --> 00:32:44,235

It's just for a little while.

Nou!

561

00:32:44,440 --> 00:32:46,476

Edward Bear will be here

to keep an eye on you.

562

00:32:46,640 --> 00:32:49,837

That's not even his name!

Please, Nou, don't go.

563

00:32:50,000 --> 00:32:51,353

You're being very unkind.

564

00:32:51,520 --> 00:32:54,478

Look, you've got
all these creatures.

565

00:32:54,640 --> 00:32:56,153

I don't want them!

566

00:32:56,320 --> 00:32:58,470

Billy!
I hate them!

567

00:32:58,640 --> 00:32:59,675

That's enough!

568

00:32:59,960 --> 00:33:01,473

I'm walking out
of this room...

569

00:33:01,640 --> 00:33:02,993

...and I won't

come back in again

570

00:33:03,200 --> 00:33:05,953

until you have recovered

all of your nice ways.

571

00:33:06,120 --> 00:33:07,633

No! Don't go!

572

00:33:08,840 --> 00:33:09,875

Nou!

573

00:33:17,360 --> 00:33:19,032

I'm trying to write.

The noise, it's...

574

00:33:19,680 --> 00:33:21,159

Yes, sir. Sorry.

575

00:33:21,320 --> 00:33:22,992

I'll do my best
to calm him down, sir.

576

00:33:23,160 --> 00:33:25,469

He's a little upset about my going away.
Of course.

577

00:33:26,040 --> 00:33:27,189

You're going away?

578

00:33:27,640 --> 00:33:29,039

I thought Mrs. Milne
had said...

579

00:33:29,200 --> 00:33:30,560

Mrs. Milne
is always saying things.

580

00:33:30,640 --> 00:33:31,868

I don't expect them to happen.

581

00:33:32,840 --> 00:33:36,116

All the same, I shall be gone

for at least three nights.

582

00:33:36,240 --> 00:33:37,514

Thank you.

583

00:33:38,640 --> 00:33:39,640

Wait.

584

00:33:40,080 --> 00:33:41,399

Your mother.

585

00:33:43,040 --> 00:33:45,190

I'm so sorry.

I completely forgot.

586

00:33:46,200 --> 00:33:47,713

You must go.

Of course you must.

587

00:33:47,840 --> 00:33:49,068

I hope she gets better.

588

00:33:51,720 --> 00:33:54,393

Billy is not happy
about my going.

589

00:33:55,360 --> 00:33:57,237

She's all the family
I have, sir,

590

00:33:57,360 --> 00:33:58,713

and she is very unwell.

591

00:33:59,480 --> 00:34:00,708

Mrs. Penn
will look after us.

592

00:34:01,360 --> 00:34:03,078

Mrs. Penn
is away too, sir.

593

00:34:03,240 --> 00:34:05,151

I did the cooking today.
Ah.

594

00:34:07,000 --> 00:34:08,911

Never mind.

Old soldier, you know.

595

00:34:10,040 --> 00:34:11,234

See to myself.

596

00:35:02,880 --> 00:35:04,632

So what do we like

for breakfast?

597

00:35:05,280 --> 00:35:06,315

Don't know.

598

00:35:06,400 --> 00:35:08,072

You don't know

what you like?

599

00:35:09,000 --> 00:35:11,753

I've forgotten.

Why has she gone anyway?

600

00:35:11,960 --> 00:35:13,632

To buy new wallpaper
and so on.

601

00:35:13,760 --> 00:35:14,954

To make our house look nice.

602

00:35:15,120 --> 00:35:16,314

Not Mummy. Nou.

603

00:35:17,440 --> 00:35:18,873

She's gone to see her mother

604

00:35:18,960 --> 00:35:20,837

who is very ill,
as you well know.

605

00:35:21,000 --> 00:35:22,416

You must remember her
in your prayers.

606

00:35:22,440 --> 00:35:23,759

What about porridge?

607

00:35:23,920 --> 00:35:25,114

Yes, please.

608

00:35:32,800 --> 00:35:34,836

I don't think

I do like porridge after all.

609

00:35:34,920 --> 00:35:35,960

You said that you liked...

610

00:35:36,000 --> 00:35:38,958

I know, but I've never had it.

I just like the sound.

611

00:35:41,760 --> 00:35:42,909

You've had

had eggs before.

612

00:35:43,080 --> 00:35:44,308

Usually they're in shells.

613

00:35:44,480 --> 00:35:46,152

Boiled eggs.

When is she coming back?

614

00:35:46,240 --> 00:35:47,240

Mummy?

Nou!

615

00:35:47,320 --> 00:35:48,376

She'll be back

in three days.

616

00:35:48,400 --> 00:35:49,456

But of course

her mother is very ill,

617

00:35:49,480 --> 00:35:50,576

so it could be

longer than that.

618

00:35:50,600 --> 00:35:53,797

I hate her! Sack her and

tell her never to come back!

619

00:35:56,000 --> 00:35:58,040

You ought not to hold
your knife and fork like that.

620

00:35:58,120 --> 00:35:59,599

Why shouldn't I?

621

00:35:59,800 --> 00:36:00,800

Because...

622

00:36:02,800 --> 00:36:05,872

...if someone were to
fall through the ceiling...

623

00:36:06,040 --> 00:36:07,871

...they'd come down
right there

624

00:36:08,000 --> 00:36:10,195

and be impaled
on your fork...

625

00:36:10,280 --> 00:36:12,714

...and then
they would bleed out

626
00:36:12,840 --> 00:36:14,159
all over your eggs...

627
00:36:15,040 --> 00:36:17,156
...and ruin your breakfast.

628
00:36:18,360 --> 00:36:19,554
Do you see?

629
00:36:27,400 --> 00:36:28,549
Better.

630
00:36:48,840 --> 00:36:52,674
Nou says you're writing a book
to stop people going to war.

631
00:36:52,760 --> 00:36:53,795
Hmm.

632

00:36:53,880 --> 00:36:54,995

War is rotten.

633

00:36:55,160 --> 00:36:57,435

I know. I was there.

634

00:36:57,600 --> 00:36:59,397

So I think your book
is a jolly good idea.

635

00:36:59,560 --> 00:37:02,597

Thank you.

You're the only one that does.

636

00:37:06,080 --> 00:37:08,594

I'd really like if you wrote
a book for me.

637

00:37:08,760 --> 00:37:10,591

I'd definitely read it.

638

00:37:11,880 --> 00:37:13,154

Shall we go for a walk?

639

00:37:13,240 --> 00:37:14,240

Aren't you working?

640

00:37:14,400 --> 00:37:15,913

It doesn't seem likely.

641

00:37:16,240 --> 00:37:17,434

Come on.

642

00:37:17,960 --> 00:37:20,428

A soldier shot
his mother by mistake.

643

00:37:20,600 --> 00:37:22,795

And that's how Winnie
ended up in the zoo

644

00:37:22,920 --> 00:37:24,558

with everyone
staring at him.

645

00:37:25,200 --> 00:37:27,236

I'm going to call
my bear Winnie.

646

00:37:28,400 --> 00:37:31,790

It's Winnie. Short for where
he comes from. Winnipeg.

647

00:37:31,960 --> 00:37:33,234

Hmm.

(BUZZING)

648

00:37:34,280 --> 00:37:35,474

It's just bees.

649

00:37:37,400 --> 00:37:39,197

Maybe there's a hive.

650

00:37:39,920 --> 00:37:40,920

Let's stake it out.

651

00:37:44,440 --> 00:37:46,874

There! Up there.

In the tree. Uh-huh.

652

00:37:47,760 --> 00:37:49,591

You any good at climbing?

653

00:37:49,760 --> 00:37:51,716

Not bad.

All right.

654

00:37:51,880 --> 00:37:53,632

Well, give it a go.

Only be careful.

655

00:37:53,800 --> 00:37:56,155

Where there are bees,
there is honey

656

00:37:56,280 --> 00:37:58,430

and where there is honey,
there are bears.

657

00:37:59,440 --> 00:38:00,919

There are

no bears in Sussex.

658

00:38:01,960 --> 00:38:03,279

Then what's...

659

00:38:04,440 --> 00:38:05,589

What's that?

660

00:38:06,520 --> 00:38:07,714

(CHUCKLES)

Oh, no.

661

00:38:07,800 --> 00:38:10,075

I think he's seen us.

We'd better capture it.

662

00:38:10,240 --> 00:38:11,275

Yes? Yes.

663

00:38:11,960 --> 00:38:13,154

Got him!

664

00:38:14,640 --> 00:38:16,915

You put him up there,
didn't you?

665

00:38:17,640 --> 00:38:18,868

You overestimate me

666

00:38:18,960 --> 00:38:21,633

if you think I can
wrestle a bear into a tree.

667

00:38:22,320 --> 00:38:24,197

Stay alert.
Where there's one bear,

668

00:38:24,320 --> 00:38:26,470

there might be
a whole flock of them.

669

00:38:29,320 --> 00:38:30,320

ALAN: Good.

670

00:38:36,600 --> 00:38:39,273

Mummy says
they have to have names.

671

00:38:39,480 --> 00:38:44,315

Well, the tiger
should be called Tiger.

672

00:38:45,640 --> 00:38:47,631

CHRISTOPHER ROBIN:
Tigger is better than Tiger.

673

00:38:47,840 --> 00:38:48,840

ALAN: Better how?

674

00:38:49,480 --> 00:38:52,313

It's more tiggerish.

675

00:38:54,440 --> 00:38:55,440

Hmm.

676

00:38:55,640 --> 00:38:56,640

Fair enough.

677

00:38:57,960 --> 00:38:59,552

Make sure it's tight.

678

00:39:00,160 --> 00:39:02,833

You take that bit.

Can you get it through there?

679

00:39:10,160 --> 00:39:11,798

That's what we like!

I remember now.

680

00:39:11,960 --> 00:39:13,837

Pie!

(CHUCKLES)

681

00:39:16,680 --> 00:39:17,795

I say there seems to be

682

00:39:17,880 --> 00:39:19,791

rather a lot here

for just the two of us.

683

00:39:20,000 --> 00:39:21,149

Yes.

Mmm.

684

00:39:23,000 --> 00:39:25,992

I'm missing Daph.

You're missing Nou.

685

00:39:27,880 --> 00:39:29,029

Shall we ask

the others in?

686

00:39:31,840 --> 00:39:33,239

Just this once.

687

00:39:35,880 --> 00:39:36,880

(ALAN AS EYORE BRAYING)

688

00:39:37,200 --> 00:39:39,509

Some of us

don't like pie, you know.

689

00:39:39,680 --> 00:39:41,113

Don't like it at all.

690

00:39:41,200 --> 00:39:43,873

But don't let that
spoil your enjoyment.

691

00:39:44,040 --> 00:39:45,176

(IN NORMAL VOICE)

Don't worry, Eeyore.

692

00:39:45,200 --> 00:39:46,576

We've made special
provision for you.

693

00:39:46,600 --> 00:39:47,715

(AS PIGLET) Oh!

694

00:39:47,880 --> 00:39:51,031

I'm sure the pie is wonderful
could one but see it!

695

00:39:51,240 --> 00:39:52,878

(IN NORMAL VOICE)

Piglet, I do apologize.

696

00:39:53,040 --> 00:39:54,553

(AS PIGLET)

That's quite all right.

697

00:39:54,720 --> 00:39:56,320

It's not the same

when you do the voices.

698

00:39:56,360 --> 00:39:58,430

It's better

when Mummy does them.

699

00:40:01,240 --> 00:40:02,355

I see.

700

00:40:04,560 --> 00:40:06,232

Now, uh...

701

00:40:06,520 --> 00:40:10,399

Lord, make us able to shift

the grub upon the table.

702

00:40:10,560 --> 00:40:11,560

Go!

703

00:40:12,720 --> 00:40:13,720

Mmm.

704

00:40:28,560 --> 00:40:29,560

(FOOTSTEPS APPROACHING)

705

00:40:29,640 --> 00:40:30,868

Daph?

706

00:40:33,560 --> 00:40:34,913

Why on Earth

are you still up?

707

00:40:35,120 --> 00:40:37,953

I wasn't sure if I was

supposed to go to bed or not.

708

00:40:38,160 --> 00:40:39,309

It's nearly midnight.

709

00:40:39,480 --> 00:40:40,629

No one put me to bed.

710

00:40:41,160 --> 00:40:42,275

I brushed my teeth.

711

00:40:42,440 --> 00:40:43,480

Have you said

your prayers?

712

00:40:43,600 --> 00:40:44,640

Have you

done your writing?

713

00:40:45,600 --> 00:40:46,953

Go to bed.

714

00:41:11,760 --> 00:41:13,478

Just written a poem.

715

00:41:13,960 --> 00:41:15,359

Will I like it?

716

00:41:15,520 --> 00:41:18,751

I should hope so.

It's got lots of rhymes in it.

717

00:41:18,920 --> 00:41:20,956

Is it about

what tiggers eat?

718

00:41:22,040 --> 00:41:23,996

Why would it be

about that?

719

00:41:24,360 --> 00:41:27,158

Just seem like

a very interesting topic.

720

00:41:27,320 --> 00:41:28,320

No.

721

00:41:29,160 --> 00:41:31,390

It's about a boy who tries
to look after his mother

722

00:41:31,480 --> 00:41:33,311

even though
he's only three.

723

00:41:33,480 --> 00:41:35,038

Three is very little.

724

00:41:35,200 --> 00:41:37,350

But it rhymes
with lots of things.

725

00:41:37,520 --> 00:41:39,670

Why does she need
looking after?

726

00:41:40,800 --> 00:41:43,360

She goes to town
without telling anyone.

727

00:41:46,680 --> 00:41:49,353

She goes to town
without telling anyone.

728

00:41:50,000 --> 00:41:52,673

She goes to town
in a golden gown...

729

00:41:52,840 --> 00:41:55,035

...and no one can find out
where she's gone.

730

00:41:55,240 --> 00:41:56,832

CHRISTOPHER ROBIN: Never ever?

731

00:41:57,240 --> 00:41:58,878

ALAN: King John
puts up a notice

732

00:41:59,000 --> 00:42:00,672

offering a reward
if anyone can find her.

733

00:42:00,840 --> 00:42:02,512

How much reward,
do you think?

734

00:42:02,680 --> 00:42:06,832

It needs to be a lot of money,
I suppose. 40 shillings.

735

00:42:07,160 --> 00:42:09,037

Forty shillings?

736

00:42:11,640 --> 00:42:13,376

That's quite difficult to
rhyme with though, isn't it?

737

00:42:13,400 --> 00:42:14,469

Shillings?

738

00:42:15,720 --> 00:42:16,720

Fillings.

739

00:42:16,880 --> 00:42:18,552

What about pounds?

Pounds?

740

00:42:18,760 --> 00:42:19,988

Pounds.

(CHUCKLES)

741

00:42:20,160 --> 00:42:21,160

Clowns.

742

00:42:21,320 --> 00:42:23,197

Well, there are

clowns now.

743

00:42:25,400 --> 00:42:26,913

Why King John, though?

744

00:42:27,040 --> 00:42:28,996

Why not King Richard?

The Lionheart.

745

00:42:29,160 --> 00:42:30,388

He's a terrible fellow.

746

00:42:30,560 --> 00:42:32,516

Always off crusading,
biffing people,

747

00:42:32,600 --> 00:42:34,192

getting himself
taken prisoner...

748

00:42:34,400 --> 00:42:36,709

...and making the common people
stump up for his ransom.

749

00:42:36,880 --> 00:42:39,075

Besides,
he was practically French.

750

00:42:39,240 --> 00:42:40,593

King John stayed at home.

751

00:42:41,400 --> 00:42:42,674

Oh.

(CHRISTOPHER ROBIN CHUCKLES)

752

00:42:42,880 --> 00:42:44,438

He also took a bath
every year.

753

00:42:44,560 --> 00:42:45,754

That's impressive.

754

00:42:47,080 --> 00:42:48,080

Good shot.

755

00:42:52,240 --> 00:42:53,240

Knees bent.

756

00:42:54,080 --> 00:42:55,354

(ALAN LAUGHING)

757

00:42:55,440 --> 00:42:57,908

Robin Hood was on
King Richard's side, though.

758

00:42:58,040 --> 00:42:59,598

And Robin Hood was good.

759

00:43:01,080 --> 00:43:02,672

Robin Hood was good

760

00:43:02,760 --> 00:43:05,274

but he was a very poor

judge of character.

761

00:43:05,400 --> 00:43:06,400

Oh!

762

00:43:06,560 --> 00:43:08,198

I'm Robin Hood.

763

00:43:08,360 --> 00:43:10,476

Robin Hood the ace batsman

gets ready to face

764

00:43:10,600 --> 00:43:12,256

this ball from the

demon bowler Little John.

765

00:43:12,280 --> 00:43:13,429

Are you ready?

766

00:43:14,040 --> 00:43:15,951

Four immediately, I think.

That's gone.

767

00:43:17,080 --> 00:43:18,593

Oh.

(CHRISTOPHER ROBIN GIGGLES)

768

00:43:24,080 --> 00:43:25,752

How's this one

for a quarterstaff?

769

00:43:26,400 --> 00:43:27,719

Let's find out.

770

00:43:28,280 --> 00:43:29,280

En garde!

771

00:43:29,440 --> 00:43:31,954

En garde.

772

00:43:32,720 --> 00:43:33,720

I'm winning.

773

00:43:33,920 --> 00:43:35,560

Don't think so.

Test of strength. Come on.

774

00:43:37,080 --> 00:43:38,593

(BOTH GRUNTING)

775

00:43:39,600 --> 00:43:40,600

(CHRISTOPHER ROBIN YELLS)

776

00:43:41,960 --> 00:43:42,960

That's too hot!

777

00:43:43,080 --> 00:43:44,296

I knew you were
going to say that.

778

00:43:44,320 --> 00:43:45,753

Put that on.

779

00:43:45,920 --> 00:43:48,150

There we are.

How about some ice?

780

00:43:48,280 --> 00:43:49,280

One lump or two?

781

00:43:49,400 --> 00:43:50,435

Three.

782

00:43:50,520 --> 00:43:51,520

(LAUGHING)

783

00:43:51,640 --> 00:43:52,640

Two...

784

00:43:52,800 --> 00:43:54,995

CHRISTOPHER ROBIN:

Dear God, can you hear me?

785

00:43:55,160 --> 00:43:57,037

Why did you make
the bath water so hot?

786

00:43:57,120 --> 00:43:58,314

I nearly was boiled alive.

787

00:43:58,480 --> 00:44:00,436

And can you bless

Nou especially?

788

00:44:00,600 --> 00:44:01,953

And bring her back.

789

00:44:06,600 --> 00:44:08,113

Which one

would you like?

790

00:44:08,280 --> 00:44:09,918

This one.

791

00:44:10,320 --> 00:44:11,594

(LAUGHING)

792

00:44:12,000 --> 00:44:13,991

Ready?

Yeah. Same height, please.

793

00:44:14,160 --> 00:44:15,160

Go!

794

00:44:16,160 --> 00:44:17,160

Mine's winning.

795

00:44:18,360 --> 00:44:19,759

No. Mine's winning.

Come on.

796

00:44:23,960 --> 00:44:24,960

Me! I won!

797

00:44:26,200 --> 00:44:27,633

Again?

Yes!

798

00:44:28,480 --> 00:44:29,879

This one, please.

799

00:44:30,640 --> 00:44:31,640

Go!

800

00:44:37,480 --> 00:44:38,959

ALAN: Sir Billy.

801

00:44:39,800 --> 00:44:41,995

A swan's not really

a wild animal.

802

00:44:42,200 --> 00:44:43,394

Of course he is.

803

00:44:43,560 --> 00:44:45,516

He could break your arm.

804

00:44:45,680 --> 00:44:46,749

Well, what's his name?

805

00:44:46,840 --> 00:44:48,512

He doesn't have a name.

He's wild.

806

00:44:48,680 --> 00:44:50,830

But I want

to call him to me.

807

00:44:51,200 --> 00:44:52,713

You should

call him Pooh, then.

808

00:44:53,160 --> 00:44:54,513

So if he ignores you,

809

00:44:54,640 --> 00:44:57,313

you can pretend you were

just saying, "Pooh."

810

00:44:58,080 --> 00:44:59,080

Pooh!

811

00:45:04,240 --> 00:45:05,760

CHRISTOPHER ROBIN:

Who's your favorite?

812

00:45:05,880 --> 00:45:07,916

I'd have to go for
the little one.

813

00:45:08,080 --> 00:45:10,355

Piglet.

Has to be Piglet.

814

00:45:22,880 --> 00:45:23,880

(ALAN LAUGHING)

815

00:45:24,560 --> 00:45:25,595

What have you got?

816

00:45:25,760 --> 00:45:27,034

A frog.

817

00:45:27,520 --> 00:45:29,670

Careful it's
not poisonous.

818

00:45:30,280 --> 00:45:32,555

He's tiny, isn't he?

(CHUCKLES)

819

00:45:40,040 --> 00:45:41,439

(PEN SCRATCHING)

820

00:45:50,120 --> 00:45:52,111

Let's be hunters

in the snow.

821

00:45:52,440 --> 00:45:54,237

Excellent notion.

822

00:46:05,440 --> 00:46:08,477

Come on! Don't get frostbite.

And don't get lost.

823

00:46:08,640 --> 00:46:09,755

I'll help you.

824

00:46:15,280 --> 00:46:16,280

Oh, it's beautiful.

825

00:46:16,440 --> 00:46:17,759

Wow.

826

00:46:17,960 --> 00:46:19,480

Watch out.

(CHRISTOPHER ROBIN CHUCKLES)

827

00:46:21,960 --> 00:46:23,154

ALAN: Look here!

828

00:46:25,120 --> 00:46:27,680

Whatever made

this was huge.

829

00:46:27,840 --> 00:46:28,955

We should follow it.

830

00:46:29,400 --> 00:46:32,437

You sure? You sure

we shouldn't just run away?

831

00:46:32,640 --> 00:46:33,789

Never!

832

00:46:34,640 --> 00:46:35,959

All right then.

833

00:46:37,720 --> 00:46:38,789

Wait!

834

00:46:40,120 --> 00:46:41,712

No, we're all right.

835

00:46:43,080 --> 00:46:44,456

CHRISTOPHER ROBIN:

It's not very good

836

00:46:44,480 --> 00:46:45,515

at hiding its tracks.

837

00:46:45,600 --> 00:46:46,953

ALAN: Maybe

it doesn't need to.

838

00:46:47,280 --> 00:46:50,477

Maybe it's scarier
than any other beast.

839

00:46:52,640 --> 00:46:54,835

If the snow keeps falling,
we'll lose the trail.

840

00:46:56,320 --> 00:46:57,435

Look.

841

00:47:00,440 --> 00:47:01,759

We're back
where we started.

842

00:47:01,880 --> 00:47:02,880

(CHUCKLES)

843

00:47:03,000 --> 00:47:05,673

We've been following our
own footprints, haven't we?

844

00:47:06,840 --> 00:47:07,989

(BOTH CHUCKLING)

845

00:47:08,800 --> 00:47:09,800

(SOLDIER YELLING)

846

00:47:10,880 --> 00:47:11,949

(GRUNTING)

847

00:47:12,040 --> 00:47:13,314

(CHRISTOPHER ROBIN PANTING)

848

00:47:14,880 --> 00:47:16,199

Sorry, Blue.

849

00:47:16,680 --> 00:47:17,829

Sorry.

850

00:47:18,840 --> 00:47:22,196

I think it's about time

for summer now, don't you?

851

00:47:41,400 --> 00:47:43,600

CHRISTOPHER ROBIN: I think
Owl lives up there, you know.

852

00:47:44,040 --> 00:47:45,189

Does he?

853

00:47:46,040 --> 00:47:49,396

If you look ever so carefully,
you can see his front door.

854

00:48:07,760 --> 00:48:09,159

ALAN: Come on, then.

855

00:48:09,560 --> 00:48:10,834

CHRISTOPHER ROBIN:
Where to?

856

00:48:11,560 --> 00:48:12,600

ALAN: Home,
I should think.

857

00:48:12,760 --> 00:48:13,880

(CHRISTOPHER ROBIN CHUCKLES)

858

00:48:18,760 --> 00:48:20,079

Ernest?

ERNEST: Milne?

859

00:48:20,160 --> 00:48:21,752

I think I've got
something for us.

860

00:48:28,080 --> 00:48:29,399

ERNEST:

Tigger is in a cage?

861

00:48:29,560 --> 00:48:31,118

He doesn't really
belong here

862

00:48:31,240 --> 00:48:33,071

and there's no one
quite like him...

863

00:48:33,240 --> 00:48:34,992

...so he gets confused
and a bit scary.

864

00:48:35,880 --> 00:48:37,757

A cage is a bit
harsh, though.

865

00:48:37,920 --> 00:48:40,115

ALAN: Fantastic cage
though, eh?

866

00:48:40,360 --> 00:48:41,713

Billy made it.

867

00:48:42,080 --> 00:48:43,672

Blue is
teaching me woodwork.

868

00:48:43,920 --> 00:48:45,148

He's the best at it.

869

00:48:45,240 --> 00:48:47,310

He should do woodwork
instead of books.

870

00:48:47,560 --> 00:48:49,278

(ERNEST CHUCKLES)

Hey! (CHUCKLES)

871

00:48:53,080 --> 00:48:56,277

There it is. Up there!

That's where Owl lives.

872

00:48:56,920 --> 00:48:58,797

How you gonna

get it up there?

873

00:48:58,880 --> 00:49:00,871

I don't know.

Simple.

874

00:49:02,560 --> 00:49:03,754

Blow these up.

875

00:49:04,000 --> 00:49:05,194

When we have enough,

876

00:49:05,280 --> 00:49:07,111

we'll float you up

to the branch.

877

00:49:07,240 --> 00:49:09,390

(ALL BLOWING UP BALLOONS)

878

00:49:29,640 --> 00:49:32,359

One, two, three!

879

00:49:34,200 --> 00:49:35,269

Oh.

880

00:49:35,360 --> 00:49:38,158

I think we probably need

more floaty breath.

881

00:49:38,320 --> 00:49:41,471

Floaty breath. Milne, what

are you gonna do about it?

882

00:49:41,680 --> 00:49:44,592

Maybe if we brushed our teeth
more thoroughly. Eh?

883

00:49:44,800 --> 00:49:47,155

(POPS)

(ALAN PANTING)

884

00:49:52,200 --> 00:49:53,315

(BALLOON POPS)

(GASPS)

885

00:50:03,080 --> 00:50:04,080

Yes!

886

00:50:04,160 --> 00:50:05,832

(ALL LAUGHING)

887

00:50:13,720 --> 00:50:14,720

Is this really...

888

00:50:31,760 --> 00:50:32,954

ALAN: Is he home?

889

00:50:33,200 --> 00:50:34,428

This is paradise.

890

00:50:34,680 --> 00:50:35,715

(KNOCKING)

891

00:50:35,840 --> 00:50:36,875

Owl? Are you home?

892

00:50:37,040 --> 00:50:39,031

Just get everything you can.

893

00:50:39,720 --> 00:50:41,039

We'll pick

and choose later.

894

00:50:41,200 --> 00:50:42,800

CHRISTOPHER ROBIN:

Can I come in for tea?

895

00:50:46,760 --> 00:50:48,079

ERNEST: Just
do a little shading.

896

00:50:48,320 --> 00:50:50,595

You see, that's better with
the light, how it comes down.

897

00:50:50,840 --> 00:50:52,751

What is the name
of this chap?

898

00:50:52,920 --> 00:50:54,273

Piglet.
Piglet?

899

00:50:56,000 --> 00:50:58,560

ERNEST: Now as you see,
he's looking a little bit glum there.

900

00:50:59,440 --> 00:51:00,919

This one is scary.

901

00:51:01,760 --> 00:51:04,752

Well, it's not meant to be.

It's you and Winnie Bear.

902

00:51:04,920 --> 00:51:06,194

But that's

not Winnie Bear,

903

00:51:06,280 --> 00:51:08,953

that's Winnie,

short for Winnipeg.

904

00:51:09,120 --> 00:51:10,394

I've only seen him

in the zoo.

905

00:51:12,400 --> 00:51:14,038

Yes. Good point.

906

00:51:14,440 --> 00:51:15,793

Good point.

907

00:51:17,400 --> 00:51:18,958

(BOTH CHUCKLING)

908

00:51:21,240 --> 00:51:23,037

The creatures
in the story are toys.

909

00:51:23,120 --> 00:51:24,599

They're toys
but the woods are real.

910

00:51:24,760 --> 00:51:25,829

And the size is wrong.

911

00:51:25,920 --> 00:51:28,229

The bear should be smaller.
Size of a little brother.

912

00:51:28,400 --> 00:51:29,594

There.

913

00:51:29,880 --> 00:51:31,074

ALAN: Yes, that's it.

914

00:51:31,240 --> 00:51:32,593

Blue, are we
writing a book?

915

00:51:32,680 --> 00:51:34,238

I thought
we were just having fun.

916

00:51:34,440 --> 00:51:36,795

We are writing a book
and we're having fun.

917

00:51:36,960 --> 00:51:38,951

I didn't know you could
do both at the same time.

918

00:51:39,240 --> 00:51:40,320

You don't usually look like

919

00:51:40,440 --> 00:51:41,960

you're having fun
while you're writing.

920

00:51:54,840 --> 00:51:56,956

CHRISTOPHER ROBIN:

It's not your turn, Tigger.

921

00:52:00,920 --> 00:52:02,478

This is more
than a few poems.

922

00:52:02,560 --> 00:52:05,313

Mmm. It's a little world.

923

00:52:06,120 --> 00:52:08,429

Like you said,
a hundred-acre paradise.

924

00:52:09,600 --> 00:52:10,600

Shh.

925

00:52:10,680 --> 00:52:13,148

Be very, very quiet.

926

00:52:13,320 --> 00:52:14,673

ALAN: "Vespers."

927

00:52:16,240 --> 00:52:18,037

This one is for Daphne.

928

00:52:29,480 --> 00:52:30,833

Look, Blue. Smoke!

929

00:52:31,120 --> 00:52:32,439

ALAN: Intruders!

930

00:52:33,320 --> 00:52:35,038

To arms, gentlemen!

931

00:52:35,200 --> 00:52:38,795

It's not intruders. It's Nou!

It must be. Nou!

932

00:52:38,960 --> 00:52:41,269

ALAN: Might not be.

DAPHNE: Billy Moon.

933

00:52:43,520 --> 00:52:44,714

Hello!

934

00:52:44,880 --> 00:52:47,314

(AS EDWARD BEAR)

Oh, Mrs. Milne,

935

00:52:47,440 --> 00:52:49,715

we've missed you terribly.

936

00:52:50,000 --> 00:52:52,992

Life in the countryside

is so limited.

937

00:52:53,160 --> 00:52:55,674

(IN NORMAL VOICE)

Yes, well, I did notice that.

938

00:52:55,840 --> 00:52:58,593

So I brought some friends back
from the city with me to stay.

939

00:52:58,840 --> 00:53:01,149

(AS KANGA) Have you seen
my little Jimmy anywhere?

940

00:53:01,360 --> 00:53:03,874

Joey! Baby kangaroos
are called Joey.

941

00:53:04,120 --> 00:53:06,839

Not this one.

His name is Roo.

942

00:53:07,000 --> 00:53:09,719

I'm Kanga
and this is Roo.

943

00:53:10,840 --> 00:53:12,034

Where's Nanny?

944

00:53:13,320 --> 00:53:14,376

I don't understand.

You mean to say

945

00:53:14,400 --> 00:53:16,914

it was just the two of you
this whole time?

946

00:53:18,000 --> 00:53:19,513

How absurd.

947

00:53:20,160 --> 00:53:22,037

Are we to know
where you've been?

948

00:53:23,200 --> 00:53:24,315

Oh, good heavens no.

949

00:53:24,400 --> 00:53:25,753

I mean,
what would be the point?

950

00:53:27,040 --> 00:53:30,555

The great thing is
I'm back now.

951

00:53:30,680 --> 00:53:32,750

(SIGHS)

Don't you think?

952

00:53:33,040 --> 00:53:35,554

Yes. As a matter of fact,

I do.

953

00:53:43,000 --> 00:53:44,399

You see?

954

00:53:44,560 --> 00:53:47,028

Yes, I think I do see.

955

00:53:49,520 --> 00:53:51,556

I sent you

a poem I wrote.

956

00:53:52,520 --> 00:53:53,635

About the boy.

957

00:53:53,720 --> 00:53:55,836

DAPHNE: Yes, I read it.

It was very sweet.

958

00:53:56,360 --> 00:53:57,918

Just a bit of a lark.

959

00:53:58,880 --> 00:54:00,632

I sent it off

to be published.

960

00:54:01,080 --> 00:54:02,080

What?

961

00:54:04,240 --> 00:54:05,593

Well, it made me happy.

962

00:54:05,800 --> 00:54:07,631

Thought it might make

lots of people happy.

963

00:54:07,800 --> 00:54:09,199

Published by whom?

964

00:54:11,080 --> 00:54:12,911

Vanity Fair.

965

00:54:13,600 --> 00:54:15,113

They were
very pleased with it.

966

00:54:15,240 --> 00:54:16,593

Isn't it rather wonderful?

967

00:54:18,040 --> 00:54:19,040

Well.

968

00:54:20,960 --> 00:54:22,029

That is rather wonderful.

969

00:54:22,560 --> 00:54:24,152

It's their biggest
selling issue

970

00:54:24,280 --> 00:54:26,271

for simply ages, apparently.

971

00:54:26,440 --> 00:54:29,318

People are buying extra copies
to give to their friends.

972

00:54:30,440 --> 00:54:32,635

Perhaps I should ask
Ernest back down.

973

00:54:34,720 --> 00:54:37,439

ALAN: Ernest and I are
putting your bear in a book.

974

00:54:37,640 --> 00:54:39,073

CHRISTOPHER ROBIN:
He'll like that.

975

00:54:39,440 --> 00:54:42,159

We're putting you in it too.
Will you like that?

976

00:54:42,320 --> 00:54:44,470

I'm not sure.
If I'm in a book,

977

00:54:44,600 --> 00:54:46,477

people might think

I'm not real.

978

00:54:46,560 --> 00:54:47,736

Well, then

it will be a surprise

979

00:54:47,760 --> 00:54:48,936

when they find out

you are real.

980

00:54:48,960 --> 00:54:51,793

And when they find out

Winnie is real?

981

00:54:51,960 --> 00:54:53,439

We can't call him

Winnie in the book,

982

00:54:53,600 --> 00:54:55,158

because Winnie

is a girl's name.

983

00:54:55,320 --> 00:54:56,833

No. It's a bear's name.

984

00:54:56,960 --> 00:54:59,952

It's different for bears.

Nou says.

985

00:55:00,120 --> 00:55:01,758

I like names with "the."

986

00:55:01,920 --> 00:55:03,069

William the Conqueror,

987

00:55:03,160 --> 00:55:05,469

Richard the Lionheart,

Joanna the Mad.

988

00:55:05,640 --> 00:55:06,755

You made her up.

989

00:55:06,920 --> 00:55:09,957

I certainly did not.

She was the queen of Spain.

990

00:55:10,160 --> 00:55:11,160

Winnie the Bear.

991

00:55:11,320 --> 00:55:13,276

Everyone knows
he's a bear already.

992

00:55:13,440 --> 00:55:15,670

He wasn't called
Richard the King, was he?

993

00:55:15,800 --> 00:55:17,153

Or Billy the Moon.

994

00:55:17,320 --> 00:55:18,594

But you're not the moon.

995

00:55:18,760 --> 00:55:19,909

Christopher the Robin.

996

00:55:20,120 --> 00:55:21,120

I'm not a robin either.

997

00:55:21,200 --> 00:55:22,520

What will you call me
in the book?

998

00:55:23,000 --> 00:55:25,275

Not Billy Moon because
that's what we call you.

999

00:55:25,360 --> 00:55:26,429

It'll be confusing.

1000

00:55:26,520 --> 00:55:28,511

But if I'm
really in the book.

1001

00:55:30,280 --> 00:55:31,838

Christopher Robin, then...

1002

00:55:32,000 --> 00:55:33,638

...because it's

your real name,

1003

00:55:33,720 --> 00:55:35,790

but it's not

who you really are.

1004

00:55:35,880 --> 00:55:36,995

(SIGHS)

1005

00:56:02,200 --> 00:56:03,200

You all right, old man?

1006

00:56:03,400 --> 00:56:05,356

Those fields in France...

1007

00:56:07,040 --> 00:56:09,190

...they'll look like this now,

won't they?

1008

00:56:09,760 --> 00:56:11,716

As though

it never happened.

1009

00:56:13,320 --> 00:56:14,360

CHRISTOPHER ROBIN: Blue...

1010

00:56:15,040 --> 00:56:17,554

...when I'm grown up,

how old will you be?

1011

00:56:18,040 --> 00:56:19,234

About 100, I should think.

1012

00:56:21,600 --> 00:56:23,056

(CHRISTOPHER ROBIN YELLS) Oh!

(ECHOES)

1013

00:56:23,080 --> 00:56:25,878

There's an echo!

Come and hear.

1014

00:56:28,280 --> 00:56:29,280

Hello!

1015

00:56:29,400 --> 00:56:30,400

(ALAN CHUCKLES)

1016

00:56:30,880 --> 00:56:31,880

Hello!

1017

00:56:34,040 --> 00:56:35,439

My name is Blue!

1018

00:56:35,840 --> 00:56:36,840

(ECHOING)

1019

00:56:36,920 --> 00:56:38,069

Who are you?

1020

00:56:38,920 --> 00:56:40,558

I'm Billy Moon!

1021

00:56:41,400 --> 00:56:43,152

And I'll be back soon!

1022

00:56:43,240 --> 00:56:44,514

(ECHOING)

1023

00:57:00,240 --> 00:57:01,355

Ernest...

1024

00:57:02,240 --> 00:57:03,240

...look.

1025

00:57:14,760 --> 00:57:16,273

(BOTH CHUCKLING)

1026

00:57:28,840 --> 00:57:30,159

Does he need a hat?

1027

00:57:30,320 --> 00:57:31,435

ALAN: Certainly not.

1028

00:57:31,560 --> 00:57:33,437

Winnie the Pooh is
a creature of bedtime.

1029

00:57:33,600 --> 00:57:35,591

He's either just got up

or just going off.

1030

00:57:35,760 --> 00:57:37,432

He's reverie in bear form.

1031

00:57:37,800 --> 00:57:40,633

Winnie the Pooh.

1032

00:57:41,440 --> 00:57:42,440

That's rather...

1033

00:57:42,640 --> 00:57:43,959

Inexplicable?

Yes.

1034

00:57:44,120 --> 00:57:46,793

Which is a good thing.

Is it a good thing?

1035

00:57:48,000 --> 00:57:49,115

Yes.

1036

00:57:49,280 --> 00:57:50,633

Winnie the Pooh.

1037

00:57:53,840 --> 00:57:55,910

She's here! She's here!

She's here!

1038

00:57:56,000 --> 00:57:58,036

Good heavens, who is it?

Queen Mary?

1039

00:57:58,320 --> 00:58:00,117

DAPHNE:

It's only been two weeks.

1040

00:58:00,720 --> 00:58:01,789

(CHUCKLING) Nou!

1041

00:58:04,320 --> 00:58:05,320

Have you missed me?

1042

00:58:05,400 --> 00:58:07,776

CHRISTOPHER ROBIN: Yes!

OLIVE: Sorry it was a bit longer than I said.

1043

00:58:07,800 --> 00:58:09,711

We put a door in a tree
using balloons.

1044

00:58:09,840 --> 00:58:12,040

I was terribly sorry to hear
the news about your mother.

1045

00:58:13,840 --> 00:58:17,037

Thank you, sir.
She's gone to a better place.

1046

00:58:17,560 --> 00:58:19,278

I saw the "Vespers" poem.

1047

00:58:19,760 --> 00:58:20,875

About his prayers.

1048

00:58:21,160 --> 00:58:23,230

Hanging on the wall
of a friend's living room.

1049

00:58:23,400 --> 00:58:25,914

They'd ripped it out of
the magazine and framed it.

1050

00:58:26,080 --> 00:58:27,696

Apparently, a lot of people
are doing that.

1051

00:58:27,720 --> 00:58:29,312

Well, that is just
the beginning.

1052

00:58:29,440 --> 00:58:32,193

He has been terribly,
brilliantly busy.

1053

00:58:45,880 --> 00:58:47,552

"And he helped
to get the others...

1054

00:58:47,840 --> 00:58:48,955

"His huge big waterproof...

1055

00:58:50,960 --> 00:58:52,439

Who's this?

STUDENTS: Tigger!

1056

00:58:58,400 --> 00:59:00,320

WOMAN: Thank you, Mr. Milne.

Thank you very much.

1057

00:59:04,440 --> 00:59:07,352

I say! You're most awfully

good at climbing trees.

1058

00:59:07,800 --> 00:59:09,199

Who are you?

1059

00:59:09,360 --> 00:59:11,351

Stay exactly like that.

Lovely.

1060

00:59:11,440 --> 00:59:12,953

Like a wood spirit.

1061

00:59:13,040 --> 00:59:14,040

Excuse me!

1062

00:59:14,920 --> 00:59:17,798

Oh, Brown. Mary Brown.

The Times.

1063

00:59:17,960 --> 00:59:21,714

Good heavens, you must be

Nanny. As in "Vespers."

1064

00:59:21,880 --> 00:59:23,360

The nanny with

the blue dressing gown.

1065

00:59:23,440 --> 00:59:24,440

The one that God blesses!

1066

00:59:25,760 --> 00:59:27,557

I'd just as soon not,

if you don't mind.

1067

00:59:27,720 --> 00:59:29,392

Billy, come down.

1068

00:59:29,480 --> 00:59:30,993

If you'd like to
speak to Mr. Milne,

1069

00:59:31,080 --> 00:59:33,376

please be so good as to telephone
to him and make an appointment.

1070

00:59:33,400 --> 00:59:35,709

But I don't want to speak
to Mr. Milne, you see.

1071

00:59:35,840 --> 00:59:37,751

I want to speak
to Christopher Robin.

1072

00:59:38,120 --> 00:59:40,475

I'm afraid that won't
be possible today.

1073

00:59:41,880 --> 00:59:43,560

Billy, let's go.

Why do you call him Billy?

1074

00:59:44,120 --> 00:59:45,269

My proper name is Milne

1075

00:59:45,480 --> 00:59:47,675

but when I was small,

it came out Moon.

1076

00:59:47,920 --> 00:59:50,434

I'm good at coming down

trees too. Did you notice?

1077

00:59:50,520 --> 00:59:51,520

MARY BROWN: Oh, I did.

1078

00:59:51,920 --> 00:59:55,469

I also noticed that you have

cardboard tied to your legs.

1079

00:59:55,640 --> 00:59:56,640

In case of dragons.

1080

00:59:56,920 --> 00:59:58,558

You don't know where

I can get some of

1081

00:59:58,640 --> 01:00:00,040

that dragon-proof

cardboard, do you?

1082

01:00:00,120 --> 01:00:02,256

That's enough, dear.

It's such a bother when the dragons

1083

01:00:02,280 --> 01:00:03,920

set fire to my stockings.

Good day to you.

1084

01:00:06,120 --> 01:00:07,439

Did you get it?

Sorry.

1085

01:00:07,520 --> 01:00:08,520

DAPHNE: From The Times?

1086

01:00:09,160 --> 01:00:11,469

Well, that's rather good.

Don't you think that's good?

1087

01:00:11,560 --> 01:00:12,560

OLIVE: No, ma'am.

1088

01:00:12,800 --> 01:00:15,075

I can't say I do.

The boy is happy here and...

1089

01:00:18,800 --> 01:00:19,949

Sorry, ma'am.

1090

01:00:20,360 --> 01:00:21,588

Sorry, sir.

1091

01:00:23,120 --> 01:00:25,839

Yes, The Times

is very good.

1092

01:00:25,960 --> 01:00:27,109

(TELEPHONE RINGING)

1093

01:00:32,120 --> 01:00:33,155

DAPHNE: Hello?

1094

01:00:36,520 --> 01:00:39,353

The Evening News wants to put
Winnie on the front page.

1095

01:00:39,680 --> 01:00:41,238

Yes, that'd be fine.

MAN: Are you sure?

1096

01:00:41,400 --> 01:00:42,400

Yes, I think so.

1097

01:00:42,560 --> 01:00:44,198

That's marvelous.

Thank you so much.

1098

01:00:48,040 --> 01:00:49,280

BETTY: They're
not for you, sir.

1099

01:00:49,800 --> 01:00:51,376

They're nearly all for
Master Christopher.

1100

01:00:51,400 --> 01:00:52,400

I see that.

1101

01:00:53,520 --> 01:00:57,195

I wonder if I might ask,
sir, if in future...

1102

01:00:57,360 --> 01:00:59,828

...you couldn't come to the
post office and collect them?

1103

01:01:00,000 --> 01:01:02,719

Only there being so many,
it's hard to keep my balance.

1104

01:01:04,480 --> 01:01:06,357

Of course.

Oh, thank you, sir.

1105

01:01:08,000 --> 01:01:09,672

WOMAN: For Christopher Robin.

1106

01:01:09,840 --> 01:01:11,592

But I'm not really
Christopher Robin.

1107

01:01:11,680 --> 01:01:12,999

For the animals then.

1108

01:01:13,160 --> 01:01:14,718

But they
don't eat chocolate.

1109

01:01:14,800 --> 01:01:16,756

I do, though.

And so does Nou.

1110

01:01:16,880 --> 01:01:18,711

Who is Nou?

She's Nanny.

1111

01:01:18,920 --> 01:01:19,989

Nanny is real too?

1112

01:01:20,440 --> 01:01:21,634

Of course she's real.

1113

01:01:21,880 --> 01:01:24,678

I tried ever so hard
to save some for you.

1114

01:01:24,840 --> 01:01:27,718

You saved three.

That's very good.

1115

01:01:27,880 --> 01:01:30,348

Why does everyone like
Winnie the Pooh so much?

1116

01:01:30,520 --> 01:01:31,635

He's my bear.

1117

01:01:31,720 --> 01:01:34,029

Why don't they get
their own bears?

1118

01:01:35,040 --> 01:01:36,040

Well...

1119

01:01:36,880 --> 01:01:39,440

You see, after the war
there was so much sadness...

1120

01:01:39,600 --> 01:01:41,113

...that hardly anyone
could remember

1121

01:01:41,200 --> 01:01:42,679

what happiness was like.

1122

01:01:42,880 --> 01:01:44,472

Then Winnie the Pooh
came along

1123

01:01:44,560 --> 01:01:46,232

and he was like a tap.

1124

01:01:46,400 --> 01:01:48,436

You just turned it on

and happiness came out.

1125

01:01:48,720 --> 01:01:51,757

But I'm not Christopher Robin,

really. I'm Billy Moon.

1126

01:01:51,920 --> 01:01:53,035

That's right.

1127

01:01:53,200 --> 01:01:55,873

And you don't have to

share me with anybody.

1128

01:01:56,040 --> 01:01:57,040

Except Mummy.

1129

01:01:57,160 --> 01:01:59,037

Yes, but that's only

a little bit.

1130

01:01:59,120 --> 01:02:00,439

Uh-huh.

1131

01:02:02,040 --> 01:02:03,917

PHOTOGRAPHER:

Come on, Christopher Robin.

1132

01:02:09,240 --> 01:02:11,595

Give him a cuddle.

He is your daddy after all.

1133

01:02:13,080 --> 01:02:16,629

Oh, come on, Mr. Milne.

A little affection, please.

1134

01:02:25,920 --> 01:02:28,753

Surely he can't be expected
to answer all of these.

1135

01:02:28,920 --> 01:02:31,559

It's a lovely day outside

and I thought that we could...

1136

01:02:31,680 --> 01:02:32,874

Could we go to the woods?

1137

01:02:33,160 --> 01:02:35,390

I've got heaps of

writing to do, I'm afraid.

1138

01:02:35,920 --> 01:02:36,920

Perhaps later.

1139

01:02:44,480 --> 01:02:45,680

ANNOUNCER:

People of Ashdown...

1140

01:02:46,080 --> 01:02:49,311

...I give you

Queen Elizabeth the First.

1141

01:02:49,640 --> 01:02:52,279

(APPLAUSE)

King Henry the Eighth.

1142

01:02:52,520 --> 01:02:53,953

Boudicca.

1143

01:02:54,600 --> 01:02:55,999

Lord Nelson.

1144

01:02:56,640 --> 01:02:59,313

And now, a little boy

and his bear...

1145

01:02:59,480 --> 01:03:03,996

...who will be forever playing

somewhere in our hearts.

1146

01:03:05,880 --> 01:03:08,952

I give you some of the

most important people...

1147

01:03:09,120 --> 01:03:12,669

...who ever visited

this magnificent forest.

1148

01:03:13,000 --> 01:03:14,558

(APPLAUSE CONTINUES)

1149

01:03:16,840 --> 01:03:18,496

ALFRED: I can assure you,

Druckers Tea Rooms

1150

01:03:18,520 --> 01:03:19,635

do an excellent fruitcake.

1151

01:03:19,800 --> 01:03:21,936

OLIVE: I don't quite approve of
fruitcake except at weddings.

1152

01:03:21,960 --> 01:03:22,960

Nou, was I good?

1153

01:03:23,120 --> 01:03:24,997

Oh. Ever so ever so.

1154

01:03:25,800 --> 01:03:27,836

Shall we all go for tea?

1155

01:03:28,840 --> 01:03:30,478

No, thanks.

1156

01:03:32,240 --> 01:03:33,240

Billy!

1157

01:03:33,640 --> 01:03:35,437

That was a bit rude.

1158

01:03:36,080 --> 01:03:38,196

NEWSCASTER: Once upon a time,
a boy might want to be

1159

01:03:38,280 --> 01:03:40,635

Huckleberry Finn
rafting down the Mississippi.

1160

01:03:40,800 --> 01:03:43,314

Now, he wants to be
Christopher Robin

1161

01:03:43,400 --> 01:03:45,834

playing in the
Hundred Acre Wood.

1162

01:03:46,000 --> 01:03:48,594

One little boy though really
is Christopher Robin.

1163

01:03:48,720 --> 01:03:49,914

And here he is.

1164

01:03:50,080 --> 01:03:52,640

In England's
Ashdown Forest itself,

1165

01:03:52,720 --> 01:03:54,995

the home of the real
Winnie the Pooh.

1166

01:03:55,680 --> 01:03:58,831

Surely, this is the happiest
young man on Earth.

1167

01:04:00,000 --> 01:04:01,672

And here's his
mother and father.

1168

01:04:01,840 --> 01:04:03,068

They're here in America

1169

01:04:03,160 --> 01:04:04,878

to promote
the latest adventures...

1170

01:04:04,960 --> 01:04:07,076

...of the most fashionable
bear in the world.

1171

01:04:07,280 --> 01:04:08,656

REPORTER: Mrs. Milne,
what's the first thing

1172

01:04:08,680 --> 01:04:09,874

you want to do in America?

1173

01:04:10,040 --> 01:04:11,758

Well, I should love to
go to a speakeasy.

1174

01:04:12,360 --> 01:04:13,998

MAN: Mrs. Milne is joking,
of course.

1175

01:04:14,120 --> 01:04:15,838

She knows that
speakeasies are illegal.

1176

01:04:16,000 --> 01:04:17,911

Of course I know
they're illegal.

1177

01:04:18,040 --> 01:04:19,712

That's what makes them fun.

1178

01:04:23,000 --> 01:04:24,000

Really?

1179

01:04:24,080 --> 01:04:25,559

Oh. No, thank you.

1180

01:04:26,880 --> 01:04:28,680

MAN: I can't believe

I'm talking to the father

1181

01:04:28,760 --> 01:04:30,113

of the real Christopher Robin.

1182

01:04:30,280 --> 01:04:32,589

Well, you know, the boy in the
book isn't exactly my son.

1183

01:04:32,800 --> 01:04:34,056

But his name

is Christopher Robin

1184

01:04:34,080 --> 01:04:35,320

and he does like
to climb trees?

1185

01:04:35,480 --> 01:04:36,696

Yes, that's true,

but we don't...

1186

01:04:36,720 --> 01:04:39,234

I imagine you making up all
those stories at his bedside...

1187

01:04:39,400 --> 01:04:41,789

That's wonderful. Excuse me,
I must find my wife.

1188

01:04:41,960 --> 01:04:43,871

DAPHNE: Have
a lovely evening.

1189

01:04:44,240 --> 01:04:46,037

(GASPS)
Isn't it all marvelous.

1190

01:04:46,120 --> 01:04:48,509

It's just like London
but with more money.

1191

01:04:48,720 --> 01:04:50,056

I thought when

people liked a book,

1192

01:04:50,080 --> 01:04:51,593

it was the author

they sucked up to.

1193

01:04:51,760 --> 01:04:54,911

All anyone wants to talk about

is Christopher Robin. Watch.

1194

01:04:55,000 --> 01:04:56,000

Hello.

1195

01:04:56,440 --> 01:04:57,536

I know you'll be

talking to the real

1196

01:04:57,560 --> 01:04:58,720

Christopher Robin tomorrow...

1197

01:04:58,800 --> 01:05:00,756

...and I wondered

if you could wish him

1198

01:05:00,880 --> 01:05:03,519

a happy birthday

from all his American fans?

1199

01:05:04,920 --> 01:05:05,920

Hmm.

1200

01:05:09,960 --> 01:05:11,359

OLIVE: One arm.

1201

01:05:11,520 --> 01:05:12,520

Two.

1202

01:05:13,480 --> 01:05:14,480

(DRUMS BANGING)

(GASPS)

1203

01:05:14,760 --> 01:05:15,760

What's that?

1204

01:05:16,120 --> 01:05:18,588

Downstairs and answer
the door, young man.

1205

01:05:18,840 --> 01:05:20,034

You're master of the house.

1206

01:05:20,120 --> 01:05:21,189

Who is it?

1207

01:05:21,280 --> 01:05:22,280

Surprise.

1208

01:05:22,640 --> 01:05:23,993

Mummy and Daddy!

1209

01:05:24,160 --> 01:05:27,232

Well now, it might not be
Mummy and Daddy.

1210

01:05:29,320 --> 01:05:30,753

(MARCHING BAND
PLAYING OUTSIDE)

1211

01:05:38,000 --> 01:05:39,831

(CHUCKLES)

Oh, my jolly golly.

1212

01:05:52,520 --> 01:05:54,033

Did you like that,

Christopher Robin?

1213

01:05:54,440 --> 01:05:55,839

Should you like them

to play again?

1214

01:05:56,480 --> 01:05:58,994

Do I, Nou?

Do I want them to play again?

1215

01:05:59,280 --> 01:06:00,349

I should think you do.

1216

01:06:00,440 --> 01:06:02,431

They're a present

from Mummy and Daddy.

1217

01:06:04,680 --> 01:06:06,716

Happy Birthday,

Billy Moon.

1218

01:06:07,120 --> 01:06:10,510

(MARCHING BAND PLAYING HAPPY BIRTHDAY)

1219

01:06:26,320 --> 01:06:27,355

We had a wonderful day.

1220

01:06:27,440 --> 01:06:29,320

I'm working on the tree house.

It's nearly done.

1221

01:06:29,480 --> 01:06:30,879

So you had

a Happy Birthday?

1222

01:06:31,040 --> 01:06:33,952

The best ever.

We had sausages in the woods.

1223

01:06:34,200 --> 01:06:36,873

But it's been raining.

Raining and raining.

1224

01:06:36,960 --> 01:06:38,996

Nou says we might

have to build an ark.

1225

01:06:39,160 --> 01:06:40,718

Well, don't go

messing up my toolshed.

1226

01:06:41,000 --> 01:06:42,718

Oh, no, I think

she was making a joke.

1227

01:06:42,840 --> 01:06:44,068

When will you be home?

1228

01:06:44,320 --> 01:06:45,736

I'll be back before you can

say Jack Robinson.

1229

01:06:45,760 --> 01:06:46,795

Jack Robinson.

1230

01:06:47,000 --> 01:06:48,991

I already said it
and you're not back.

1231

01:06:49,240 --> 01:06:51,595

You know Nou is
terribly bad at bowling.

1232

01:06:51,840 --> 01:06:54,593

And I'm afraid I'm not getting
enough practice in the nets.

1233

01:06:54,760 --> 01:06:56,239

Sadly, we're
running out of time.

1234

01:06:56,400 --> 01:06:57,913

Happy Birthday,
Christopher Robin.

1235

01:06:58,080 --> 01:06:59,616

You've been listening
to Mr. A.A. Milne,

1236

01:06:59,640 --> 01:07:00,696

author of Winnie the Pooh...

1237

01:07:00,720 --> 01:07:03,757

...and father of the actual
Christopher Robin.

1238

01:07:03,920 --> 01:07:05,194

Imagine that.

1239

01:07:05,680 --> 01:07:07,056

MAN: (ON RADIO)

Gentlemen, do you want

1240

01:07:07,080 --> 01:07:10,277

that barbershop shave from
the comfort of your own home?

1241

01:07:12,680 --> 01:07:14,238

I don't understand.

1242

01:07:14,400 --> 01:07:16,550

Why was there

someone else talking?

1243

01:07:16,640 --> 01:07:18,949

And why did he call me

Christopher Robin?

1244

01:07:19,120 --> 01:07:21,156

He never calls me

Christopher Robin.

1245

01:07:24,720 --> 01:07:26,711

Get your great big

waterproof boots.

1246

01:07:26,880 --> 01:07:28,160

But it's the middle

of the night.

1247

01:07:29,080 --> 01:07:35,997

Two, three,
four, five, six.

1248

01:07:36,080 --> 01:07:38,116

Now.

(GASPS)

1249

01:07:38,920 --> 01:07:40,717

OLIVE: I think it's time

Little Billy Moon

1250

01:07:40,800 --> 01:07:43,234

got better acquainted
with Big Moon himself.

1251

01:07:44,160 --> 01:07:45,513

Pooh Sticks?

1252

01:07:53,000 --> 01:07:54,115

(OWL HOOTING)

1253

01:07:54,720 --> 01:07:58,156

Noises. There are

nighttime noises.

1254

01:07:58,320 --> 01:07:59,912

That's because

it's nighttime.

1255

01:08:00,080 --> 01:08:01,399

Don't worry.

1256

01:08:02,080 --> 01:08:03,080

Ready?

1257

01:08:03,520 --> 01:08:04,520

Yes.

1258

01:08:05,320 --> 01:08:06,320

Go!

1259

01:08:12,000 --> 01:08:14,514

A person should do

the things a person loves

1260

01:08:14,600 --> 01:08:16,591

with the people

a person loves...

1261

01:08:16,760 --> 01:08:19,479

...because you never know

what happens next.

1262

01:08:19,560 --> 01:08:20,560

Hmm.

1263

01:08:26,840 --> 01:08:29,274

What a very agile wolf.

1264

01:08:29,440 --> 01:08:30,816

Do you think a giraffe

would be happy

1265

01:08:30,840 --> 01:08:32,034

with a wolf on his back?

1266

01:08:32,760 --> 01:08:34,159

Oh, look who's here!

1267

01:08:34,760 --> 01:08:35,988

Blue!

1268

01:08:36,400 --> 01:08:37,400

Mummy!

1269

01:08:39,000 --> 01:08:40,991

Hello! How are you,

old chap?

1270

01:08:41,160 --> 01:08:42,195

I'm good.

1271

01:08:42,360 --> 01:08:43,839

DAPHNE: Oh, you look

such a duck!

1272

01:08:44,000 --> 01:08:45,433

Didn't I say

he'd look a duck?

1273

01:08:45,720 --> 01:08:47,358

We're going to have
such times, Moon.

1274

01:08:47,440 --> 01:08:49,556

Shall we
go to the woods?

1275

01:08:49,640 --> 01:08:51,616

The woods will have to wait.
What do you think of this?

1276

01:08:51,640 --> 01:08:52,640

It's very shiny.

1277

01:08:52,800 --> 01:08:55,758

It's been sent to take us
somewhere special in London.

1278

01:08:55,920 --> 01:08:57,114

You're not staying?

1279

01:08:57,800 --> 01:08:58,896

No, we're just here
to collect Billy.

1280

01:08:58,920 --> 01:08:59,989

Go get changed. Quick.

1281

01:09:05,680 --> 01:09:07,955

MAN: How do you do,
Mr. Christopher Robin?

1282

01:09:08,160 --> 01:09:09,388

My name is Mr. Elliot

1283

01:09:09,480 --> 01:09:11,675

and I am the manager
of this fine toy shop.

1284

01:09:11,840 --> 01:09:13,319

What's a manager?

1285

01:09:13,480 --> 01:09:15,550

Well, I suppose I make
all the decisions.

1286

01:09:15,640 --> 01:09:18,234

I said let's have

a grand competition...

1287

01:09:18,400 --> 01:09:21,472

...to win tea with

the real Christopher Robin...

1288

01:09:21,640 --> 01:09:23,437

...and the real

Winnie the Pooh.

1289

01:09:24,160 --> 01:09:25,229

No. It's not real.

1290

01:09:26,160 --> 01:09:27,160

It's a lie!

1291

01:09:27,320 --> 01:09:28,639

Excuse us.

1292

01:09:28,800 --> 01:09:30,518

You're the luckiest boy
in the world

1293

01:09:30,600 --> 01:09:32,352

because you know
the real Winnie the Pooh.

1294

01:09:32,640 --> 01:09:35,438

Most people have to make do
with a pretend one.

1295

01:09:36,160 --> 01:09:39,197

You can make do
just this once, can't you?

1296

01:09:39,400 --> 01:09:41,118

Are you my manager then?

1297

01:09:41,360 --> 01:09:45,558

Whatever gave you such
a notion? I'm your mother.

1298

01:09:45,920 --> 01:09:47,320

(AS WINNIE THE POOH)

I have an idea.

1299

01:09:47,360 --> 01:09:49,669

Why don't we do something

ever so ever so now?

1300

01:09:49,840 --> 01:09:51,910

Don't do Winnie's voice

when it's not Winnie.

1301

01:09:52,200 --> 01:09:53,960

It's nothing like Winnie.

It's not even real.

1302

01:09:56,640 --> 01:09:58,835

(CROWD CLAMORING)

1303

01:10:12,080 --> 01:10:13,559

Why is he called

Winnie the Pooh?

1304

01:10:13,720 --> 01:10:15,233

Well, there was a swan

1305

01:10:15,360 --> 01:10:18,397

and I wanted to call it,

and Blue...

1306

01:10:18,560 --> 01:10:20,391

I mean, A.A. Milne.

1307

01:10:20,560 --> 01:10:25,429

I mean, Daddy said if you call

it Pooh and it doesn't come...

1308

01:10:25,680 --> 01:10:28,353

...you can just pretend

you were saying "pooh."

1309

01:10:28,440 --> 01:10:29,440

(ALL LAUGHING)

1310

01:10:32,400 --> 01:10:33,992

GIRL: So it's

not a real name?

1311

01:10:34,160 --> 01:10:35,800

My bear has a different name
in real life.

1312

01:10:35,880 --> 01:10:37,916

And I've got a different name
in real life.

1313

01:10:38,160 --> 01:10:40,390

And there's no good asking
because we shan't tell.

1314

01:10:40,560 --> 01:10:42,994

They're our names
and we're keeping them.

1315

01:10:47,600 --> 01:10:49,352

OLIVE: This one
is from Samoa.

1316

01:10:49,640 --> 01:10:51,039

Is there anywhere
in the world

1317

01:10:51,120 --> 01:10:52,872

where they haven't heard
of Winnie the Pooh?

1318

01:10:55,600 --> 01:10:56,999

OLIVE: Perhaps the Highveld.

1319

01:10:57,240 --> 01:10:59,196

Can I go to the Highveld?

1320

01:11:00,480 --> 01:11:01,480

(SIGHS)

1321

01:11:11,160 --> 01:11:14,197

Don't you just
look perfect.

1322

01:11:14,480 --> 01:11:15,480

Ah, Nanny.

1323

01:11:15,720 --> 01:11:17,119

A quick word.

1324

01:11:19,320 --> 01:11:20,753

I thought

you might wear this.

1325

01:11:20,880 --> 01:11:23,075

It has panache,

don't you think?

1326

01:11:23,160 --> 01:11:24,936

Like the one the Nanny wears

in Mr. Milne's poem.

1327

01:11:24,960 --> 01:11:26,234

Yes, exactly.

1328

01:11:26,440 --> 01:11:28,271

We don't want people

to be disappointed

1329

01:11:28,360 --> 01:11:29,816

because you don't look the way
you do in the book.

1330

01:11:29,840 --> 01:11:31,114

I'm not in the book, ma'am.

1331

01:11:31,200 --> 01:11:32,838

The nanny in the book
is called Alice.

1332

01:11:33,360 --> 01:11:35,157

Only because
it rhymes with palace.

1333

01:11:35,320 --> 01:11:38,312

Unlike "Nanny" which rhymes
with nothing polite.

1334

01:11:41,480 --> 01:11:43,232

Are people going
to look at us, Nou?

1335

01:11:43,360 --> 01:11:45,920

Like they look at

Winnie the Bear in the zoo?

1336

01:11:46,640 --> 01:11:49,473

No, Moon,

I don't think they are...

1337

01:11:49,680 --> 01:11:52,877

...because we are

going to go in disguise.

1338

01:11:53,240 --> 01:11:55,708

Thank you very much for

this interesting conversation.

1339

01:11:55,880 --> 01:11:57,016

MAN: Thank you,

Master Christopher.

1340

01:11:57,040 --> 01:11:58,075

Goodbye.

1341

01:11:59,120 --> 01:12:02,237

Well done. That's the last
interview for today.

1342

01:12:05,480 --> 01:12:07,198

Read me a story.

1343

01:12:07,840 --> 01:12:09,831

I just read you
your story.

1344

01:12:10,000 --> 01:12:12,912

And we said prayers, so...

1345

01:12:14,120 --> 01:12:15,348

...goodnight.

1346

01:12:16,000 --> 01:12:17,991

Where are you going?
You look different.

1347

01:12:18,240 --> 01:12:19,753

Why do you look different?

1348

01:12:19,920 --> 01:12:20,920

Give me a cuddle.

1349

01:12:21,080 --> 01:12:22,800

We've already had
a perfectly lovely cuddle.

1350

01:12:22,960 --> 01:12:24,598

Now it's my night off.

1351

01:12:24,680 --> 01:12:26,318

The laborer
has earned her rest.

1352

01:12:26,560 --> 01:12:27,560

Goodnight.

1353

01:12:34,760 --> 01:12:35,760

(DOOR SHUTS)

1354

01:12:42,360 --> 01:12:43,554

(FRONT DOOR SHUTS)

1355

01:12:48,960 --> 01:12:50,154

ALFRED: Good evening.

1356

01:12:50,600 --> 01:12:52,272

OLIVE: Good evening to you!

1357

01:12:54,720 --> 01:12:55,835

So where are you

taking me?

1358

01:12:55,920 --> 01:12:58,593

ALFRED: I thought

we'd go to an Italian place.

1359

01:12:58,720 --> 01:13:00,039

(SNIFFLES AND CRIES)

1360

01:13:08,800 --> 01:13:11,360

Thank you God

for another bright day,

1361

01:13:11,440 --> 01:13:13,078

and now it's time to get up.

1362

01:13:13,280 --> 01:13:16,477

I'm not getting up.

I'm not going to school.

1363

01:13:16,640 --> 01:13:17,914

Oh, now. Come along.

1364

01:13:18,120 --> 01:13:19,439

Where's my brave knight

1365

01:13:19,520 --> 01:13:20,999

who fights dragons

and climbs trees?

1366

01:13:21,160 --> 01:13:23,594

There are no dragons.

There are no trees.

1367

01:13:23,680 --> 01:13:25,477

Nobody loves me!

You don't love me!

1368

01:13:27,240 --> 01:13:30,277

That's simply not true.

You know I love you.

1369

01:13:30,440 --> 01:13:32,431

(PANTING) You love Alfred!

1370

01:13:34,520 --> 01:13:35,555

I love you both.

1371

01:13:35,760 --> 01:13:37,796

Don't marry him, Nou.

Marry me!

1372

01:13:37,880 --> 01:13:39,552

Please marry me.

1373

01:13:45,840 --> 01:13:48,070

Now, let's get dressed.

1374

01:13:48,520 --> 01:13:49,635

Come along.

1375

01:13:49,960 --> 01:13:51,757

Quicker, come on!

1376

01:13:52,120 --> 01:13:54,793

DAPHNE: Well, are you
going to tell us?

1377

01:13:57,280 --> 01:13:58,633

Olive is getting married.

1378

01:13:59,440 --> 01:14:02,034

She didn't inform me.

Billy did.

1379

01:14:04,200 --> 01:14:05,918

I don't think

Billy needs to hear this.

1380

01:14:06,080 --> 01:14:09,629

Why not? You've betrayed him
as much as you've betrayed us.

1381

01:14:12,240 --> 01:14:13,753

Billy, go to your room, dear.

1382

01:14:21,080 --> 01:14:23,799

DAPHNE: When is the happy
event, by the way?

1383

01:14:24,160 --> 01:14:26,355

There's no date set
as yet, ma'am.

1384

01:14:27,320 --> 01:14:30,357

But there is a gentleman?
There is an understanding.

1385

01:14:31,920 --> 01:14:32,920

(EXHALES)

1386

01:14:33,280 --> 01:14:34,679

There's a gentleman,

1387

01:14:34,800 --> 01:14:37,758

but no understanding

as such as yet.

1388

01:14:38,600 --> 01:14:39,828

I see.

1389

01:14:41,520 --> 01:14:43,715

Well, may we be the first

to congratulate you.

1390

01:14:43,880 --> 01:14:44,995

Yes.

1391

01:14:45,320 --> 01:14:46,435

What's his name?

1392

01:14:46,600 --> 01:14:47,669

Alfred.

1393

01:14:48,520 --> 01:14:51,114

He's a good man.
I never imagined...

1394

01:14:51,280 --> 01:14:52,920

Now we know why
Billy has been so unhappy.

1395

01:14:53,000 --> 01:14:54,176

It seems the person
we've been paying

1396

01:14:54,200 --> 01:14:55,235

to keep him happy...

1397

01:14:55,360 --> 01:14:57,376

...has been rather preoccupied
with her own happiness.

1398

01:14:57,400 --> 01:14:59,118

Daphne. I feel it's
time we start doing

1399

01:14:59,200 --> 01:15:01,191

what's best
for Billy Moon.

1400

01:15:01,320 --> 01:15:02,912

I couldn't agree
more, ma'am.

1401

01:15:03,000 --> 01:15:05,116

Because if I could
speak frankly, sir...

1402

01:15:05,200 --> 01:15:06,713

You most certainly may not.

1403

01:15:06,800 --> 01:15:08,313

That would be
highly unprofessional.

1404

01:15:09,120 --> 01:15:11,270

Then I'll retire
from my profession

1405

01:15:11,400 --> 01:15:12,469

with immediate notice.

1406

01:15:12,720 --> 01:15:14,153

I'm sure that won't
be necessary.

1407

01:15:14,600 --> 01:15:17,273

Sir, I don't think you've been
doing what's right for Billy.

1408

01:15:17,360 --> 01:15:18,839

Not at all.

1409

01:15:19,080 --> 01:15:20,559

You've been
touting him around

1410

01:15:20,640 --> 01:15:22,471

like a show pony,
hawking your books.

1411

01:15:22,640 --> 01:15:23,914

Now, just a minute.

1412

01:15:24,120 --> 01:15:25,394

He has to be
allowed to grow up.

1413

01:15:25,480 --> 01:15:27,869

He has to know he's
important to someone.

1414

01:15:28,080 --> 01:15:30,116

That someone
cares about him.

1415

01:15:30,240 --> 01:15:31,389

DAPHNE: Cares?

1416

01:15:31,680 --> 01:15:34,240

I gave birth to him.
He nearly killed me.

1417

01:15:34,480 --> 01:15:37,040

With respect, ma'am,
a cow can give birth.

1418

01:15:37,920 --> 01:15:40,957

I think you know all this,
sir, but you let it go.

1419

01:15:41,200 --> 01:15:43,031

And that's not right.

1420

01:15:44,400 --> 01:15:46,197

A father should
stand up for his son.

1421

01:15:46,320 --> 01:15:48,640

That's quite enough.
I think I've seen you catch his eye...

1422

01:15:48,720 --> 01:15:50,199

...and turn away.

1423

01:15:51,680 --> 01:15:53,875

You can't turn away anymore.

1424

01:16:13,200 --> 01:16:14,679

Still awake?

1425

01:16:18,840 --> 01:16:20,319

Want a story?

1426

01:16:21,400 --> 01:16:22,400

Yes.

1427

01:16:24,840 --> 01:16:28,515

Once upon a time,
there was a nanny...

1428

01:16:29,120 --> 01:16:31,350

...who looked after
a little boy.

1429

01:16:32,520 --> 01:16:34,954

A very special little boy.

1430

01:16:36,680 --> 01:16:38,671

She loved him so much...

1431

01:16:40,280 --> 01:16:42,714

...that she carried him
in her heart...

1432

01:16:43,360 --> 01:16:45,237

...and in her prayers.

1433

01:16:46,480 --> 01:16:49,074

And she hoped and prayed...

1434

01:16:49,240 --> 01:16:54,075

...and prayed and hoped that
he would always remember...

1435

01:16:55,040 --> 01:16:56,234

...me.

1436

01:17:00,560 --> 01:17:02,516

Be happy, Billy Moon.

1437

01:17:03,000 --> 01:17:06,310

Keep your memories

and I'll keep mine.

1438

01:17:06,920 --> 01:17:09,434

And that way

we'll always be together.

1439

01:17:36,400 --> 01:17:37,594

ALAN: Olive.

1440

01:17:39,640 --> 01:17:40,834

His appointments

for the week.

1441

01:17:41,360 --> 01:17:43,271

You're going

to be quite busy.

1442

01:17:50,280 --> 01:17:51,280

(DOOR SHUTS)

1443

01:18:12,640 --> 01:18:13,640

Nou?!

1444

01:18:15,760 --> 01:18:16,760

Nou?

1445

01:18:35,120 --> 01:18:36,758

(PANTING)

1446

01:18:38,840 --> 01:18:40,034

DAPHNE: Don't blub,

Billy.

1447

01:18:40,280 --> 01:18:41,838

You know we don't blub

in this house.

1448

01:18:42,680 --> 01:18:43,954

(SOBBING)

1449

01:18:44,280 --> 01:18:45,280

Nou!

1450

01:18:56,120 --> 01:18:57,838

ALAN: Have you seen this?

1451

01:18:58,760 --> 01:18:59,760

Radio interview.

1452

01:19:00,080 --> 01:19:02,150

Newspaper interview,
House of Lords

1453

01:19:02,240 --> 01:19:03,840

to meet the Lords and Ladies,
photograph.

1454

01:19:04,000 --> 01:19:05,115

He can't do all this.

1455

01:19:05,920 --> 01:19:08,514

He can. He's rather good
at it, apparently.

1456

01:19:08,600 --> 01:19:10,192

He's a little boy.

1457

01:19:10,840 --> 01:19:12,114

How have we
let this happen?

1458

01:19:12,200 --> 01:19:13,800

He should be running around
in the woods.

1459

01:19:14,000 --> 01:19:15,991

ALAN: What's your favorite,
favorite animal

1460

01:19:16,080 --> 01:19:17,593

in the whole wide zoo?

1461

01:19:18,720 --> 01:19:20,233

CHRISTOPHER ROBIN:
Wildebeest.

1462

01:19:20,920 --> 01:19:23,229

You astound me.
Why wildebeest?

1463

01:19:23,440 --> 01:19:25,158

Because they live
on the Highveld.

1464

01:19:25,280 --> 01:19:27,157

And that's where
I'd like to live.

1465

01:19:27,360 --> 01:19:28,520

Mr. Milne,
so good to see you.

1466

01:19:28,680 --> 01:19:29,874

And Christopher Robin

1467

01:19:29,960 --> 01:19:31,518

is such a good friend
of the zoo.

1468

01:19:31,680 --> 01:19:32,795

We've had an idea.

1469

01:19:32,880 --> 01:19:34,916

It really will be
a superb picture.

1470

01:19:35,680 --> 01:19:37,796

Quite safe.

So long as you don't make

1471

01:19:37,880 --> 01:19:39,279

any sudden moves,

young man.

1472

01:19:40,120 --> 01:19:41,269

So good for the zoo.

1473

01:19:41,440 --> 01:19:42,589

Is it good for Billy?

1474

01:19:42,880 --> 01:19:44,313

It's all right, Blue.

1475

01:19:51,160 --> 01:19:52,991

PHOTOGRAPHER:

Smile, Christopher Robin.

1476

01:19:53,160 --> 01:19:54,388

That's enough, I think.

1477

01:19:54,480 --> 01:19:55,480

Bring him out.

1478

01:19:55,760 --> 01:19:57,273

Could we go

for ice cream now?

1479

01:19:57,480 --> 01:20:00,597

I normally get ice cream

after a photograph.

1480

01:20:05,600 --> 01:20:06,919

(INDISTINCT CHATTERING)

1481

01:20:13,840 --> 01:20:14,920

WOMAN: Excuse me,

are you...

1482

01:20:15,120 --> 01:20:17,076

No. No, he's not.

1483

01:20:17,240 --> 01:20:18,673

Yes, he is.

He was.

1484

01:20:19,880 --> 01:20:20,995

He's not anymore.

1485

01:20:21,320 --> 01:20:22,878

I don't understand.

1486

01:20:24,160 --> 01:20:25,673

Excuse us, please.

1487

01:20:26,040 --> 01:20:27,040

Come on, Billy.

1488

01:20:39,840 --> 01:20:42,559

ALAN: Come in, Billy.

Close the door.

1489

01:20:48,920 --> 01:20:51,912

I've made a decision and I'd like
you to be the first to know.

1490

01:20:54,000 --> 01:20:56,719

I'm not going to write
about Christopher Robin again.

1491

01:20:57,600 --> 01:21:00,956

Or Winnie the Pooh, or Tigger,
or any of them.

1492

01:21:02,000 --> 01:21:03,718

Not another word.

1493

01:21:03,920 --> 01:21:05,114

Does this mean

1494

01:21:05,200 --> 01:21:06,918

Winnie the Pooh
will be just us again?

1495

01:21:07,000 --> 01:21:08,797

Winnie the Pooh
is in the world now.

1496

01:21:08,880 --> 01:21:10,472

I can't take him out of it.

1497

01:21:11,240 --> 01:21:14,949

But I promise I'll never write
another line about him.

1498

01:21:15,840 --> 01:21:17,831

And you will never
have to dress up

1499

01:21:17,920 --> 01:21:18,955

as Christopher Robin...

1500

01:21:19,120 --> 01:21:20,712

...or hold a fake teddy bear

1501

01:21:20,800 --> 01:21:22,677

or have your photograph taken

for the papers...

1502

01:21:22,840 --> 01:21:25,638

...or have tea with Lords

and Ladies ever again.

1503

01:21:25,800 --> 01:21:28,394

And the day will come,

it won't be long...

1504

01:21:28,720 --> 01:21:31,792

...when everyone will have

forgotten all about Winnie.

1505

01:21:33,080 --> 01:21:35,160

There's sure to be some other

craze along any minute.

1506

01:21:35,200 --> 01:21:37,509

We won't forget him, though?

Us?

1507

01:21:38,480 --> 01:21:39,879

Not likely.

1508

01:21:41,760 --> 01:21:44,080

You don't even have to stay in
London, come to think of it.

1509

01:21:49,400 --> 01:21:51,755

ALAN: Plenty of trees
to climb out here.

1510

01:21:52,160 --> 01:21:53,440

CHRISTOPHER ROBIN:
It's a castle.

1511

01:21:53,600 --> 01:21:55,033

ALAN: And no
Christopher Robin...

1512

01:21:55,400 --> 01:21:57,277

...and no Winnie the Pooh.

1513

01:22:00,440 --> 01:22:01,936

It's very good of you

to let us fetch up

1514

01:22:01,960 --> 01:22:03,518

in the middle

of term like this.

1515

01:22:03,600 --> 01:22:05,352

No explanation required.

1516

01:22:05,560 --> 01:22:08,472

First things first.

How's your cricket?

1517

01:22:08,600 --> 01:22:09,794

Ah.

I'm not sure.

1518

01:22:10,040 --> 01:22:13,635

I've only really played

with Blue. I like woodwork.

1519

01:22:13,760 --> 01:22:14,760

(KNOCK ON DOOR)

Come!

1520

01:22:15,440 --> 01:22:16,589

Ah.

1521

01:22:16,680 --> 01:22:19,433

Let me introduce you
to Douglas Minor.

1522

01:22:19,600 --> 01:22:22,239

This is Milne.
Douglas Minor will keep

1523

01:22:22,320 --> 01:22:24,038

an eye on you
until you've settled in.

1524

01:22:24,400 --> 01:22:25,400

Hello.

1525

01:22:25,560 --> 01:22:28,074

That's really kind of you,
Douglas Minor.

1526

01:22:28,760 --> 01:22:30,193

(SCHOOL BELL RINGING)

1527

01:22:46,480 --> 01:22:48,520

DOUGLAS: This is him.

Looks like a girl, doesn't he?

1528

01:22:48,600 --> 01:22:51,717

"Christopher Robin",

if we offer to throttle you,

1529

01:22:51,800 --> 01:22:52,869

will you say your prayers?

1530

01:22:52,960 --> 01:22:53,960

Leave me alone.

Shut up.

1531

01:22:54,200 --> 01:22:56,509

(SINGSONG) Nobody cares,

nobody cares

1532

01:22:56,680 --> 01:22:58,796

Christopher Robin

got shoved down the stairs

1533

01:22:58,960 --> 01:23:00,518

Nobody cares, nobody cares

1534

01:23:00,600 --> 01:23:02,320

Christopher Robin

got shoved down the stairs

1535

01:23:02,400 --> 01:23:03,958

Nobody cares, nobody cares

1536

01:23:04,080 --> 01:23:06,036

Christopher Robin

got shoved down the stairs

1537

01:23:10,760 --> 01:23:12,671

DOUGLAS: Watch out,

Christopher Robin.

1538

01:23:12,840 --> 01:23:14,034

(BOYS LAUGHING)

1539

01:23:15,400 --> 01:23:16,549

MILITARY MEDIC: Over there.

1540

01:23:17,120 --> 01:23:18,189

Next.

1541

01:23:18,520 --> 01:23:19,794

Name?

1542

01:23:19,960 --> 01:23:21,188

BOY: Owen, Alexander.

1543

01:23:21,360 --> 01:23:23,874

MILITARY MEDIC:

Strip, cough, over there.

1544

01:23:24,040 --> 01:23:25,040

Next.

1545

01:23:25,840 --> 01:23:27,068

Name?

1546

01:23:27,240 --> 01:23:28,878

Milne. Christopher.

1547

01:23:29,960 --> 01:23:31,678

Strip, cough. Over there.

1548

01:23:32,400 --> 01:23:33,400

Next!

1549

01:23:33,880 --> 01:23:34,880

MAN: Strip there.

1550

01:23:35,000 --> 01:23:36,353

(INDISTINCT CHATTER)

1551

01:23:43,760 --> 01:23:45,557

Look rather splendid,

don't they?

1552

01:23:47,000 --> 01:23:48,831

I was in the last war.

1553

01:23:49,400 --> 01:23:51,595

The War to End All Wars.

1554

01:23:51,680 --> 01:23:54,194

Yes. Well, that didn't work,
it seems.

1555

01:23:57,400 --> 01:23:58,400

(SIGHS)

1556

01:23:58,640 --> 01:23:59,709

Thank God.

1557

01:24:04,560 --> 01:24:05,754

Rotten luck.

1558

01:24:06,360 --> 01:24:08,240

I'm sure you'll find another
way to do your bid.

1559

01:24:08,400 --> 01:24:10,118

Oh, what nonsense.

Blue.

1560

01:24:10,200 --> 01:24:11,758

Let's all go home,

shall we?

1561

01:24:12,120 --> 01:24:13,120

DAPHNE: Alan!

1562

01:24:21,160 --> 01:24:22,752

ALAN: Town council's orders.

1563

01:24:22,920 --> 01:24:25,832

Take down all road signs

to confuse potential invaders.

1564

01:24:26,000 --> 01:24:28,036

Hitler won't be able

to ransack Uckfield

1565

01:24:28,120 --> 01:24:29,758

if he can't find it.

1566

01:24:30,680 --> 01:24:32,511

All right. There we are.

1567

01:24:36,280 --> 01:24:38,635

ALAN: Excellent.

Winnie does his bit.

1568

01:24:38,840 --> 01:24:40,478

He always hated the fascists,
you know.

1569

01:24:40,640 --> 01:24:43,234

Do stop talking
about that blasted bear.

1570

01:24:44,040 --> 01:24:45,996

I want to join up, Blue.

1571

01:24:46,160 --> 01:24:48,310

I want the chance

to be Private Milne.

1572

01:24:48,400 --> 01:24:50,038

607841 or whatever.

1573

01:24:50,200 --> 01:24:51,553

Anonymous.

1574

01:24:52,040 --> 01:24:53,473

A real person.

1575

01:24:54,600 --> 01:24:55,600

You failed the medical.

1576

01:24:55,880 --> 01:24:57,711

You can get me in.

1577

01:24:59,920 --> 01:25:00,920

No.

1578

01:25:01,200 --> 01:25:03,395

You're one of the best

loved men in the country.

1579

01:25:03,560 --> 01:25:05,630

I helped you become that.

1580

01:25:05,800 --> 01:25:07,791

Now it's your turn

to help me.

1581

01:25:17,560 --> 01:25:19,176

DAPHNE: I don't see

what good this is going to do

1582

01:25:19,200 --> 01:25:20,349

when the Nazis come.

1583

01:25:20,520 --> 01:25:22,636

The Nazis are not

coming to Cotchford.

1584

01:25:22,920 --> 01:25:25,150

They might drop a bomb

on it accidentally.

1585

01:25:25,320 --> 01:25:27,038

Well, let's hope
you're right.

1586

01:25:27,200 --> 01:25:29,760

And let's hope you're ready
to defend my honor

1587

01:25:29,840 --> 01:25:32,070

when they lay siege
to East Grinstead.

1588

01:25:36,920 --> 01:25:37,920

Yes.

1589

01:25:39,040 --> 01:25:42,112

Well, I think it's time for me
to pot my geraniums.

1590

01:25:46,400 --> 01:25:47,400

(DOOR SHUTS)

1591

01:25:55,320 --> 01:25:56,878

(DAPHNE CRYING)

1592

01:26:22,560 --> 01:26:24,073

Daph not coming?

1593

01:26:24,280 --> 01:26:26,111

She couldn't. She...

1594

01:26:26,320 --> 01:26:28,959

Can't stand to see me
in my uniform.

1595

01:26:30,080 --> 01:26:31,080

Yes.

1596

01:26:37,720 --> 01:26:39,280

I wanted to talk to you
about something.

1597

01:26:39,400 --> 01:26:40,976

Me first. They say you

should get everything

1598

01:26:41,000 --> 01:26:42,440

straight before

you go away, in case.

1599

01:26:42,480 --> 01:26:43,760

You're going to

get through this.

1600

01:26:43,840 --> 01:26:45,319

That bear

made my life a misery.

1601

01:26:48,080 --> 01:26:49,308

I know it was difficult.

1602

01:26:49,400 --> 01:26:51,277

Basic training

was the same as school.

1603

01:26:51,440 --> 01:26:52,589

No matter what I do,

1604

01:26:52,680 --> 01:26:54,796

someone finds out

and then... hell.

1605

01:26:55,040 --> 01:26:57,190

As soon as I understood,

I stopped writing it.

1606

01:26:57,280 --> 01:26:58,474

What else could I do?

1607

01:26:58,880 --> 01:26:59,915

Nothing.

1608

01:27:01,560 --> 01:27:03,118

I just want to be

clear before...

1609

01:27:03,360 --> 01:27:04,509

Right. Well.

1610

01:27:04,720 --> 01:27:05,720

When I w...

1611

01:27:05,880 --> 01:27:07,996

When I was Billy Moon...

1612

01:27:08,480 --> 01:27:10,311

...we played in the woods...

1613

01:27:10,480 --> 01:27:13,313

...and then you wrote that
book and it all stopped.

1614

01:27:13,560 --> 01:27:16,438

As if it had all been
a piece of research.

1615

01:27:17,680 --> 01:27:18,749

You never came back.

1616

01:27:18,840 --> 01:27:19,875

That's not true.

1617

01:27:20,960 --> 01:27:22,996

We played cricket,
didn't we?

1618

01:27:23,680 --> 01:27:24,749

Lots of cricket.

1619

01:27:25,000 --> 01:27:27,275

I was rubbish at it.
You were mostly cross.

1620

01:27:27,440 --> 01:27:28,475

No.

1621

01:27:28,840 --> 01:27:31,912

What about the time you bowled
out their captain for a duck?

1622

01:27:32,080 --> 01:27:34,230

That was the one time.
They gave me the ball.

1623

01:27:34,760 --> 01:27:37,354

Here. It's for you.

1624

01:27:38,640 --> 01:27:39,640

Oh.

1625

01:27:52,640 --> 01:27:54,870

Those days,
just the two of us...

1626

01:27:58,720 --> 01:28:01,280

...they were the happiest
I've ever known.

1627

01:28:02,200 --> 01:28:03,952

After the worst
I've ever known.

1628

01:28:04,200 --> 01:28:07,590

Yes. I know.
But you sold them.

1629

01:28:07,800 --> 01:28:09,756

You know, you did ask me
to write a book for you.

1630

01:28:10,000 --> 01:28:12,992

A book for me,
not about me.

1631

01:28:15,880 --> 01:28:17,871

(TRAIN WHISTLE BLOWING)

1632

01:28:38,000 --> 01:28:39,035

Wait!

1633

01:28:48,560 --> 01:28:49,560

Don't go.

1634

01:29:42,640 --> 01:29:45,074

No, don't.

Please, Blue, don't! Not yet.

1635

01:29:45,240 --> 01:29:46,309

Please.

1636

01:29:47,240 --> 01:29:49,800

Until you open it,
it hasn't happened.

1637

01:29:59,880 --> 01:30:01,711

DAPHNE: Don't you dare blub.

1638

01:30:02,040 --> 01:30:04,554

He didn't have to go.
You fixed it for him.

1639

01:30:04,800 --> 01:30:06,392

How could you do that?

1640

01:30:06,560 --> 01:30:09,233

What kind of father
would do that?!

1641

01:30:20,560 --> 01:30:21,754

ALAN: About the money.

1642

01:30:21,840 --> 01:30:23,910

The money
we earn from "that bear".

1643
01:30:24,080 --> 01:30:25,752
There's mountains of it.
I was thinking...

1644
01:30:25,840 --> 01:30:27,831
I don't want
any of it. Ever.

1645
01:30:28,080 --> 01:30:30,116
It's a fortune.
You helped make it.

1646
01:30:30,200 --> 01:30:31,656
It was just as much
your doing as mine.

1647
01:30:31,680 --> 01:30:32,896
CHRISTOPHER ROBIN:
No, it wasn't.

1648

01:30:32,920 --> 01:30:35,388

I was just playing
with my father.

1649

01:30:36,280 --> 01:30:37,633

If I take the money for it,

1650

01:30:37,720 --> 01:30:39,278

then I have to be
Christopher Robin...

1651

01:30:39,440 --> 01:30:41,431

...and I'm not
Christopher Robin.

1652

01:30:41,600 --> 01:30:42,600

ALAN: You're Billy Moon.

1653

01:30:42,680 --> 01:30:43,680

CHRISTOPHER ROBIN: No.

1654

01:30:43,920 --> 01:30:47,037

I'm Private Milne.

Never been happier.

1655

01:30:47,680 --> 01:30:49,318

You know,

I never wanted fame

1656

01:30:49,400 --> 01:30:51,516

or the brass band

on my birthday.

1657

01:30:51,680 --> 01:30:53,796

ALAN: What did you want?

1658

01:30:53,960 --> 01:30:56,474

I wanted you, Blue.

1659

01:30:56,960 --> 01:30:58,473

(PANTING)

1660

01:31:01,600 --> 01:31:03,192

(CRYING)

1661

01:31:22,720 --> 01:31:23,789

Mr. Milne.

1662

01:31:24,040 --> 01:31:26,554

Alfred. Good to see you, sir.

Come in.

1663

01:31:29,240 --> 01:31:32,277

I brought it here for her.

She thought you wouldn't mind.

1664

01:31:37,920 --> 01:31:38,920

I'll get her.

1665

01:31:41,440 --> 01:31:42,440

Olive!

1666

01:31:49,760 --> 01:31:51,193

OLIVE: Mr. Milne!

1667

01:31:51,880 --> 01:31:53,871

How lovely to see you.

1668

01:31:58,880 --> 01:31:59,995

(CRYING)

1669

01:32:02,880 --> 01:32:04,199

Oh, dear God.

1670

01:32:06,240 --> 01:32:08,629

I'm sorry. I'm so sorry.

1671

01:32:09,160 --> 01:32:10,559

So sorry, sir.

1672

01:32:11,280 --> 01:32:14,113

He's not even mine.

He's yours.

1673

01:32:50,080 --> 01:32:52,196

(BREATHES DEEPLY)

1674

01:34:25,520 --> 01:34:26,794

Hello, Blue.

1675

01:34:27,120 --> 01:34:29,315

Well, if it

isn't Billy Moon.

1676

01:34:38,560 --> 01:34:39,879

Kettle on?

1677

01:34:42,120 --> 01:34:43,553

They told us

you were dead.

1678

01:34:44,040 --> 01:34:45,109

Did they?

1679

01:34:45,800 --> 01:34:47,358

Missing presumed...

1680

01:34:48,640 --> 01:34:50,790

I'm afraid we rather

jumped to conclusions.

1681

01:34:50,960 --> 01:34:52,279

Mother not too worried,
I hope.

1682

01:34:52,360 --> 01:34:53,360

(CHUCKLES)

1683

01:34:54,080 --> 01:34:55,080

(GASPING)

1684

01:34:57,320 --> 01:34:58,320

Billy Moon.

1685

01:35:00,680 --> 01:35:01,680

(GASPING)

1686

01:35:01,840 --> 01:35:03,068

How very...

1687

01:35:04,880 --> 01:35:06,359

...unexpected.

1688

01:35:08,240 --> 01:35:09,719

I mean to say...

1689

01:35:11,840 --> 01:35:13,319

...are you really here?

1690

01:35:14,720 --> 01:35:16,597

I believe so.

1691

01:35:17,000 --> 01:35:18,000

(CHUCKLES)

1692

01:35:29,360 --> 01:35:30,952

For heaven's sake, Blue,
take his bag.

1693

01:35:31,040 --> 01:35:32,109

He must be exhausted.

1694

01:35:32,280 --> 01:35:33,429

All that fighting.

1695

01:35:33,600 --> 01:35:34,749

Straight away.

1696

01:35:47,040 --> 01:35:48,234

(BREATHES DEEPLY)

1697

01:36:02,800 --> 01:36:03,869

OLIVE: Hello.

1698

01:36:07,280 --> 01:36:08,349

(LAUGHS)

1699

01:36:09,640 --> 01:36:10,640

(OLIVE SIGHS)

1700

01:36:13,160 --> 01:36:14,160

(BOTH CHUCKLING)

1701

01:36:33,920 --> 01:36:35,280

CHRISTOPHER ROBIN:

There it all is.

1702

01:36:35,400 --> 01:36:38,949

Just as I left it.

As if nothing had happened.

1703

01:36:41,160 --> 01:36:44,789

ALAN: When I came back,
everything seemed wrong.

1704

01:36:45,760 --> 01:36:47,591

I didn't fit anywhere.

1705

01:36:48,520 --> 01:36:50,112

Until I came here.

1706

01:36:50,800 --> 01:36:52,631

Those days with you...

1707

01:36:54,440 --> 01:36:55,953

...I wanted
to keep them all.

1708

01:36:56,160 --> 01:36:57,673

Put them in a box.

1709

01:36:57,840 --> 01:36:59,360

The things that I said
before I left...

1710

01:36:59,480 --> 01:37:01,152

They were all true.

1711

01:37:02,960 --> 01:37:04,279

You're here.

1712

01:37:05,160 --> 01:37:06,434

That's all that matters.

1713

01:37:06,600 --> 01:37:07,856

In the desert,
we were under fire...

1714

01:37:07,880 --> 01:37:09,871

...and one of the men
started singing

1715

01:37:09,960 --> 01:37:11,712

one of the hums of Pooh.

1716

01:37:12,520 --> 01:37:14,511

He changed

the words a bit, but...

1717

01:37:14,720 --> 01:37:15,789

(LOW CHUCKLE)

1718

01:37:16,120 --> 01:37:17,189

You know.

1719

01:37:18,280 --> 01:37:20,953

And I thought, "How on Earth
do you know that song?"

1720

01:37:21,120 --> 01:37:22,473

And then I remembered...

1721

01:37:22,640 --> 01:37:24,153

...everyone on Earth

knows that song.

1722

01:37:24,280 --> 01:37:25,600

Everyone on Earth

knows that song.

1723

01:37:26,400 --> 01:37:28,960

But I knew it first.

1724

01:37:29,640 --> 01:37:31,949

It was mine before

it was anyone else's.

1725

01:37:32,040 --> 01:37:33,109

Then I gave it away.

1726

01:37:33,320 --> 01:37:36,153

When they were singing,

they were remembering.

1727

01:37:36,320 --> 01:37:37,440

It was like a magic charm...

1728

01:37:37,520 --> 01:37:41,832

...it took them home to
a fireside and a storybook.

1729

01:37:42,720 --> 01:37:44,517

You did that.

1730

01:37:48,000 --> 01:37:49,877

(INHALES) Thank you.

1731

01:37:52,920 --> 01:37:55,514

I'm sorry you paid
the price for it.

1732

01:37:55,720 --> 01:37:57,870

If I'd known, perhaps I...

1733

01:37:58,040 --> 01:38:00,838

What? Not written it? No.

1734

01:38:02,520 --> 01:38:05,159

You reminded people
what happiness was...

1735

01:38:05,320 --> 01:38:06,799

...what childhood could be

1736

01:38:06,880 --> 01:38:08,120

when everything else

was broken.

1737

01:38:08,200 --> 01:38:09,200

But your own childhood.

1738

01:38:09,400 --> 01:38:10,435

Was wonderful.

1739

01:38:13,000 --> 01:38:15,070

It was growing up

that was hard.

1740

01:38:19,120 --> 01:38:20,120

(SMACKS LIPS)

1741

01:38:21,400 --> 01:38:24,233

Who would have guessed

that bear would swallow us up?

1742

01:38:24,400 --> 01:38:25,515

Exactly.

1743

01:38:27,680 --> 01:38:29,716

This was all ours,

wasn't it?

1744

01:38:30,880 --> 01:38:32,757

Before it was anyone else's.

1745

01:38:32,920 --> 01:38:33,920

Yes.

1746

01:38:35,360 --> 01:38:37,237

And it always will be.

1747

01:38:46,920 --> 01:38:48,273

Come on, then.

1748

01:38:49,200 --> 01:38:50,599

Where?

1749

01:38:50,880 --> 01:38:52,916

Home, I should think.

1750

01:38:56,120 --> 01:38:57,155

(CHUCKLES)

1751

01:39:11,840 --> 01:39:15,753

Blue, when I'm grown up,

how old will you be?

1752

01:39:16,800 --> 01:39:18,438

About a hundred.

1753

01:39:24,320 --> 01:39:26,754

There's an echo. Listen.

1754

01:39:27,080 --> 01:39:29,116

I'm Billy Moon! (ECHOING)

1755

01:39:29,320 --> 01:39:30,958

I'm Billy Moon! (ECHOING)

1756

01:39:31,600 --> 01:39:33,636

And I'll be back soon!

1757

01:39:34,680 --> 01:39:35,954

(ALAN LAUGHING)

1758

01:39:38,080 --> 01:39:40,071

There's not actually an echo,
though, is there?

1759

01:39:40,280 --> 01:39:41,554

I don't think
there isn't.

1760

01:39:41,640 --> 01:39:43,358

I think it was
better up there.

1761

01:39:43,520 --> 01:39:45,078

ALAN: Maybe if
it's more percussive.

1762

01:39:45,160 --> 01:39:46,798

Maybe if it's more...

Ooh, there you go!

1763

01:39:48,040 --> 01:39:49,416

CHRISTOPHER ROBIN:

Like a train going off track.

1764

01:39:49,440 --> 01:39:51,635

ALAN: Yes.

We've lost him.

1765

01:39:51,960 --> 01:39:53,359

Boo! (ECHOES)

Ah, there it is.

1766

01:39:53,440 --> 01:39:54,960

CHRISTOPHER ROBIN:

That was quite good.

1767

01:39:58,440 --> 01:39:59,793

(BOTH LAUGHING)

1768

01:40:00,320 --> 01:40:04,199

People are getting...

There's something wrong.

1769

01:40:04,720 --> 01:40:06,517

(CHATTERING INDISTINCTLY)

1770

01:41:15,040 --> 01:41:18,919

MAN: (SINGING) You always

stir my imagination

1771

01:41:19,880 --> 01:41:23,350

Sometimes

it borders on fantasy

1772

01:41:24,080 --> 01:41:27,311

And sometimes

I find visions flash

1773

01:41:27,400 --> 01:41:33,589

Through my mind

close to reality

1774

01:41:36,640 --> 01:41:42,749

Night, a soft guitar

a hidden lane

1775

01:41:43,120 --> 01:41:47,955

A moon

and here and there a star

1776

01:41:49,160 --> 01:41:53,551

For a man and his dream

1777

01:41:56,560 --> 01:42:02,795

Night a cricket's cry

a whispered word

1778

01:42:02,920 --> 01:42:07,232

A kiss and now and then a sigh

1779

01:42:08,240 --> 01:42:12,313

For a man and his dream

1780

01:42:15,240 --> 01:42:19,074

And their eyes when they meet

1781

01:42:20,080 --> 01:42:24,073

Seem to say it's sublime

1782

01:42:24,760 --> 01:42:28,833

And their hearts proudly beat

1783

01:42:29,600 --> 01:42:33,673

To a tune

that is older than time

1784

01:42:35,440 --> 01:42:42,312

Night must fade away

and yet it leaves a love

1785

01:42:43,280 --> 01:42:47,114

So all the world will say

1786

01:42:47,280 --> 01:42:54,152

There's a man and his dream
