

Guion de la película Terminal (2018) para aumentar el vocabulario

3

00:01:16,257 --> 00:01:21,794

<i>There is a place
like no other on Earth.</i>

4

00:01:21,796 --> 00:01:24,897

<i>A land full of wonder,</i>

5

00:01:24,899 --> 00:01:26,365

<i>mystery,</i>

6

00:01:26,367 --> 00:01:27,637

<i>and danger.</i>

7

00:01:30,271 --> 00:01:33,873

<i>Some say to survive it,</i>

8

00:01:33,875 --> 00:01:37,910

<i>you need to be

as mad as a hatter,</i>

9

00:01:37,912 --> 00:01:40,746

<i>which luckily...</i>

10

00:01:40,748 --> 00:01:42,417

<i>I am.</i>

11

00:01:48,357 --> 00:01:51,391

Bless me, Father,

for I have sinned.

12

00:01:51,393 --> 00:01:52,861

Easy, sweetheart.

13

00:01:58,399 --> 00:02:01,635

I don't think you're

supposed to smoke in here.

14

00:02:01,637 --> 00:02:03,370

Guess I've sinned

again then.

15

00:02:03,372 --> 00:02:05,941

What is it that you want?

16

00:02:12,414 --> 00:02:14,747

You know exactly what I want.

17

00:02:14,749 --> 00:02:19,385

I want your work,
your contracts, all of it.

18

00:02:19,387 --> 00:02:21,420

I'm afraid
you're out of luck.

19

00:02:21,422 --> 00:02:25,891

I've been recommended another
interested party to handle my...

20

00:02:25,893 --> 00:02:28,427

liquidations.

21

00:02:28,429 --> 00:02:31,298

I'll make you a wager.

22

00:02:31,300 --> 00:02:34,767

These other interested parties,

23

00:02:34,769 --> 00:02:38,372

I'll set them on one another

like starving rats in a cage,

24

00:02:38,374 --> 00:02:40,841

and you can

watch through the bars.

25

00:02:40,843 --> 00:02:42,376

Give me a fortnight.

26

00:02:42,378 --> 00:02:44,544

I'll have them both dead

at your feet.

27

00:02:44,546 --> 00:02:47,880

If I win, I get your work.

28

00:02:47,882 --> 00:02:49,283

All of it.

29

00:02:49,285 --> 00:02:51,852

If you win,

30

00:02:51,854 --> 00:02:55,521

you get to make me the
interested party that's dead.

31

00:02:55,523 --> 00:02:57,790

Deal?

32

00:02:57,792 --> 00:02:59,392

Deal.

33

00:02:59,394 --> 00:03:00,796

Wait.

34

00:03:02,530 --> 00:03:05,299

I need a little favor.

35

00:03:05,301 --> 00:03:08,404

I need you

to find someone for me.

36

00:04:37,425 --> 00:04:39,361

Let the games begin.

37

00:05:13,028 --> 00:05:15,728

Filet steaks and a robust red

for supper, is it?

38

00:05:15,730 --> 00:05:16,997

Fuck off, you punk.

39

00:05:16,999 --> 00:05:19,132

Don't do that.

It's dangerous.

40

00:05:19,134 --> 00:05:21,134

I've got an open blade here.

41

00:05:21,136 --> 00:05:23,905

Stick it in your mouth.

Maybe it will keep you quiet.

42

00:05:27,975 --> 00:05:29,776

Why are you shaving?

43

00:05:29,778 --> 00:05:31,177

Two weeks we've been in here
all day and all night,

44

00:05:31,179 --> 00:05:32,946

and suddenly
you're putting your face on.

45

00:05:32,948 --> 00:05:33,947

What's all that about?

46

00:05:33,949 --> 00:05:36,115

I've got a date later.

47

00:05:36,117 --> 00:05:38,951

Have you? Bollocks.

48

00:05:38,953 --> 00:05:41,822

Only date you've got is with
a camp bed and your right hand,

49

00:05:41,824 --> 00:05:43,759

you wanker.

50

00:06:24,633 --> 00:06:27,266

No trains till tomorrow now.

51

00:06:27,268 --> 00:06:29,235

404 going north,

52

00:06:29,237 --> 00:06:32,172

calling all stations
until termination.

53

00:06:32,174 --> 00:06:34,040

Have a pleasant trip.

54

00:06:34,042 --> 00:06:36,742

I'm not going north.

I just need a train.

55

00:06:36,744 --> 00:06:37,913

Train?

56

00:06:39,614 --> 00:06:41,113

- Yes.

- Where you going?

57

00:06:41,115 --> 00:06:42,949

Nowhere.

I just need a train.

58

00:06:42,951 --> 00:06:44,817

- Why?

- Never you mind!

59

00:06:44,819 --> 00:06:46,988

There's no need for rudeness.

60

00:06:50,792 --> 00:06:53,192

I'm so sorry.

That was, um...

61

00:06:53,194 --> 00:06:54,728

That was unnecessary.

62

00:06:54,730 --> 00:06:57,230

A man...

63

00:06:57,232 --> 00:06:58,798

who needs a train...

64

00:06:58,800 --> 00:07:01,600

but not the journey...

65

00:07:01,602 --> 00:07:04,036

is a man with a problem.

66

00:07:04,038 --> 00:07:05,704

Indeed.

67

00:07:05,706 --> 00:07:07,240

Are there any freight trains

coming through here

68

00:07:07,242 --> 00:07:09,576

- between now and then?

- Naw.

69

00:07:09,578 --> 00:07:11,011

No freight trains here.

70

00:07:11,013 --> 00:07:12,846

Of course.

71

00:07:12,848 --> 00:07:14,113

Yeah.

72

00:07:14,115 --> 00:07:16,682

404 going north,

73

00:07:16,684 --> 00:07:21,987

calling all stations

until termination.

74

00:07:21,989 --> 00:07:24,089

Well, the 404

seems like an age away,

75

00:07:24,091 --> 00:07:26,761

and it's not time

I'm trying to kill.

76

00:07:30,232 --> 00:07:32,865

End of the Line Cafe

77

00:07:32,867 --> 00:07:35,168

situated on

the station concourse,

78

00:07:35,170 --> 00:07:37,202

open 24 hours a day.

79

00:07:37,204 --> 00:07:41,273

Why not purchase one of

our delicious sticky buns?

80

00:07:41,275 --> 00:07:43,175

Only 30 pence.

81

00:07:43,177 --> 00:07:44,744

You're peculiar.

82

00:07:44,746 --> 00:07:47,613

And you're staring
at an empty platform

83

00:07:47,615 --> 00:07:51,184

in a deserted station
in the middle of the night,

84

00:07:51,186 --> 00:07:56,058

waiting for a train
that isn't coming.

85

00:07:57,292 --> 00:07:59,259

Touché.

86

00:07:59,261 --> 00:08:01,763

End of the Line it is.

87

00:08:27,254 --> 00:08:29,389

Give us your money,
you old bastard, or I'll do you!

88

00:08:29,391 --> 00:08:31,290

What? No! Absolutely not!

89

00:08:31,292 --> 00:08:33,393

- You think I'm kidding?

- I didn't say that.

90

00:08:33,395 --> 00:08:36,129

I just feel like
you lack preparation is all.

91

00:08:37,199 --> 00:08:38,731

How's this for preparation?

92

00:08:38,733 --> 00:08:42,268

Now give him your wallet
and your watch. Now!

93

00:08:42,270 --> 00:08:44,638

I'll tell you what.

I'll buy the gun off you.

94

00:08:44,640 --> 00:08:46,306

I've got a fiver here,

a crisp five pound note.

95

00:08:46,308 --> 00:08:47,907

Take it or leave it.

96

00:08:47,909 --> 00:08:49,908

Raymond, hurry up!

97

00:08:49,910 --> 00:08:51,144

What do you want me

to do, Lenny?

98

00:08:51,146 --> 00:08:53,379

- He's not cooperating.

- Lenny?

99

00:08:53,381 --> 00:08:55,048

- You are?

- Raymond.

100

00:08:55,050 --> 00:08:56,982

Raymond. Now listen to me
very, very carefully.

101

00:08:56,984 --> 00:08:59,351

I've made what I believe to be
a perfectly reasonable offer.

102

00:08:59,353 --> 00:09:01,254

Now you're going
to make a few quid,

103

00:09:01,256 --> 00:09:02,355

and I'm in need of a gun.

104

00:09:02,357 --> 00:09:03,990

Now, is it loaded?

105

00:09:03,992 --> 00:09:05,258

What do you mean,
is it loaded?

106

00:09:05,260 --> 00:09:07,126

I mean, are there
any bullets in it?

107

00:09:07,128 --> 00:09:09,162

Of course it's loaded!

108

00:09:09,164 --> 00:09:10,633

Really?

109

00:09:12,700 --> 00:09:13,899

No, it's not loaded.

110

00:09:13,901 --> 00:09:15,168

- Ah.

- Ray!

111

00:09:15,170 --> 00:09:16,870

- For Christ's sakes!

- What?

112

00:09:16,872 --> 00:09:17,903

It's not, is it?

113

00:09:17,905 --> 00:09:19,706

This is ridiculous.

114

00:09:19,708 --> 00:09:21,073

- Hey, where you going?

- Stay there you or I'll...

115

00:09:21,075 --> 00:09:22,442

Or what? What, Lenny?

116

00:09:22,444 --> 00:09:25,378

You going to butter me
to death?

117

00:09:25,380 --> 00:09:27,947

I'm very disappointed
in both of you.

118

00:09:27,949 --> 00:09:30,984

You've let me down,

and you've let yourselves down.

119

00:09:30,986 --> 00:09:33,219

Something to think about,
isn't it?

120

00:09:33,221 --> 00:09:34,657

Good night.

121

00:09:37,992 --> 00:09:39,926

Fucking piss me off sometimes,
you do.

122

00:09:39,928 --> 00:09:41,827

Why did you tell him
there were no bullets for?

123

00:10:06,987 --> 00:10:08,189

You can't smoke in here.

124

00:10:11,859 --> 00:10:13,826

Well, there's
no one else in here.

125

00:10:13,828 --> 00:10:16,495

They're not smoking either,
are they?

126

00:10:16,497 --> 00:10:21,267

Can I have another cup
of coffee then? This one's cold.

127

00:10:21,269 --> 00:10:24,336

That's because you've been
playing with it for 20 minutes.

128

00:10:24,338 --> 00:10:27,273

- Can I have another one?

- Sure. 40 pence.

129

00:10:27,275 --> 00:10:28,942

Have a heart.

I just got mugged.

130

00:10:28,944 --> 00:10:31,977

39 then.

I'm in a giving mood.

131

00:10:35,050 --> 00:10:37,185

So shines a good deed
in a naughty world.

132

00:10:38,453 --> 00:10:40,186

Naughty?

133

00:10:40,188 --> 00:10:43,123

As in spank me gently,
I've been a naughty girl?

134

00:10:43,125 --> 00:10:46,158

No, not that kind of naughty.

135

00:10:46,160 --> 00:10:49,262

As in tie me to the bedposts
because I've been so naughty?

136

00:10:49,264 --> 00:10:52,331

I think that qualifies
as the same kind of naughty.

137

00:10:52,333 --> 00:10:54,033

I know.

138

00:10:54,035 --> 00:10:57,740

I just enjoy watching you fidget
when I say "naughty."

139

00:10:59,875 --> 00:11:02,174

Have we met before?

140

00:11:02,176 --> 00:11:04,878

Why? Do I look familiar?

141

00:11:08,415 --> 00:11:10,917

Are you all right?

142

00:11:10,919 --> 00:11:13,186

Do you need your medicine?

143

00:11:13,188 --> 00:11:15,488

Well, tell me which one.

144

00:11:15,490 --> 00:11:17,322

You've got to be kidding me.

145

00:11:17,324 --> 00:11:19,458

Medicinal purposes.

146

00:11:19,460 --> 00:11:21,863

Nice. Go on then.

147

00:11:34,275 --> 00:11:35,844

How about that coffee?

148

00:11:51,126 --> 00:11:52,859

Listen to this.

149

00:11:52,861 --> 00:11:54,561

"Curvaceous,

cream-skinned belle

150

00:11:54,563 --> 00:11:57,529

seeks sleek Romeo

for candlelit romance

151

00:11:57,531 --> 00:11:59,566

and walks in the moonlight.

152

00:11:59,568 --> 00:12:02,000

City based."

153

00:12:02,002 --> 00:12:04,203

See, that's code, that is.

154

00:12:04,205 --> 00:12:06,908

That's deviants' code.

Pervert poetry.

155

00:12:08,309 --> 00:12:11,110

Translates to "Fat bird
wants outside seeing-to

156

00:12:11,112 --> 00:12:12,946

late at night." See?

157

00:12:12,948 --> 00:12:15,114

Well, that is funny.

158

00:12:15,116 --> 00:12:17,583

"Slight, retiring

young gentleman

159

00:12:17,585 --> 00:12:21,988

seeks decisive, practical lady

to draw him from his shell.

160

00:12:21,990 --> 00:12:25,490

Friendship and romance.

Suburban residence."

161

00:12:25,492 --> 00:12:27,360

Translation:

162

00:12:27,362 --> 00:12:29,461

Skinny pencil-dick

seeks dominatrix

163

00:12:29,463 --> 00:12:31,230

for abuse and humiliation.

164

00:12:31,232 --> 00:12:33,131

Has own dungeon.

165

00:12:33,133 --> 00:12:35,168

World's gone to shit,
and all anyone can think about

166

00:12:35,170 --> 00:12:39,272

is their next dirty one
down the docks.

167

00:12:39,274 --> 00:12:41,607

There it is, though.

168

00:12:41,609 --> 00:12:45,547

There it is
in black and white.

169

00:12:58,559 --> 00:13:00,626

So...

170

00:13:00,628 --> 00:13:02,895

what's wrong with you?

171

00:13:02,897 --> 00:13:04,464

I beg your pardon?

172

00:13:04,466 --> 00:13:07,166

You're hardly the picture
of health. What's wrong?

173

00:13:07,168 --> 00:13:08,567

You don't want to know.

174

00:13:08,569 --> 00:13:10,403

I'm fascinated.

175

00:13:10,405 --> 00:13:13,072

- Tell me.

- What's wrong with you?

176

00:13:13,074 --> 00:13:16,609

I have an unquenchable bloodlust

for darkness and depravity.

177

00:13:16,611 --> 00:13:18,577

That's nice.

178

00:13:18,579 --> 00:13:19,946

Is it cancer?

179

00:13:19,948 --> 00:13:22,447

No, no.

180

00:13:22,449 --> 00:13:26,052

Has anyone ever introduced you
to the concept of small talk?

181

00:13:26,054 --> 00:13:29,389

Well, what is it
if it's not cancer?

182

00:13:29,391 --> 00:13:31,190

They don't know.

183

00:13:31,192 --> 00:13:33,326

No way.

184

00:13:33,328 --> 00:13:35,294

That is brilliant.

185

00:13:35,296 --> 00:13:36,995

You're a bit odd, aren't you?

186

00:13:36,997 --> 00:13:39,599

Unquestionably, but death
is by far the best bit.

187

00:13:39,601 --> 00:13:41,634

- Of what?

- Of life!

188

00:13:41,636 --> 00:13:44,070

Did you read that
in a birthday card?

189

00:13:44,072 --> 00:13:45,607

You're funny.

190

00:13:47,107 --> 00:13:49,642

All right,
let's examine the facts.

191

00:13:49,644 --> 00:13:53,479

It's terminal, your sides hurt,
and you cough badly.

192

00:13:53,481 --> 00:13:55,380

All signs point to
malignant tumor damage.

193

00:13:55,382 --> 00:13:57,517

You're not in denial about it,
are you?

194

00:13:57,519 --> 00:14:01,220

You're not desperately searching
for another explanation?

195

00:14:01,222 --> 00:14:03,322

I'm dying?

196

00:14:03,324 --> 00:14:05,026

Yeah.

197

00:14:06,227 --> 00:14:08,327

No, thanks.

198

00:14:08,329 --> 00:14:12,667

But you don't know...

why or how?

199

00:14:14,401 --> 00:14:15,400

No.

200

00:14:15,402 --> 00:14:17,602

Will it be painful?

201

00:14:17,604 --> 00:14:19,404

Oh, no.

202

00:14:19,406 --> 00:14:23,109

Well, how can you be sure?

203

00:14:23,111 --> 00:14:24,476

Painkillers.

204

00:14:28,550 --> 00:14:30,082

Is there anything else?

205

00:14:32,520 --> 00:14:33,753

Lolly?

206

00:14:33,755 --> 00:14:36,221

It's definitely not cancer.

207

00:14:36,223 --> 00:14:38,591

Okay. I don't want to
waste my time diagnosing you

208

00:14:38,593 --> 00:14:40,592

if it's going to be some
run of the mill cancer thing.

209

00:14:40,594 --> 00:14:42,461

Who says I need diagnosing?

210

00:14:42,463 --> 00:14:44,029

You're dying.

211

00:14:44,031 --> 00:14:45,298

Painfully, apparently.

212

00:14:45,300 --> 00:14:48,100

And they don't know

why or what of.

213

00:14:48,102 --> 00:14:49,568

It just sounds

pretty undiagnosed to me.

214

00:14:49,570 --> 00:14:52,437

We're all dying, you realize.

215

00:14:52,439 --> 00:14:56,042

Slowly, painfully.

Just a matter of time, friend.

216

00:14:56,044 --> 00:14:58,644

See now, that's the spirit!

217

00:14:58,646 --> 00:15:00,178

Are you scared?

218

00:15:00,180 --> 00:15:02,381

I try not to think about it.

219

00:15:02,383 --> 00:15:03,615

How's that working out
for you?

220

00:15:03,617 --> 00:15:05,384

Not very well.

221

00:15:05,386 --> 00:15:06,753

Are you being survived?

222

00:15:06,755 --> 00:15:08,721

I have no idea
what that means.

223

00:15:08,723 --> 00:15:10,123

Wife, kids?

224

00:15:10,125 --> 00:15:11,256

Okay, you can't say that.

225

00:15:11,258 --> 00:15:12,591

It's "survived by."

226

00:15:12,593 --> 00:15:14,126

It has no other
grammatical context.

227

00:15:14,128 --> 00:15:16,361

Jesus, what are you,
a dying English teacher?

228

00:15:16,363 --> 00:15:17,663

Yeah.

229

00:15:17,665 --> 00:15:19,231

Oh.

230

00:15:19,233 --> 00:15:21,400

That's fair enough, I suppose.

231

00:15:21,402 --> 00:15:23,469

Conjugate me
to your heart's content.

232

00:15:23,471 --> 00:15:25,804

- Conjugation's different...
- Shut up.

233

00:15:25,806 --> 00:15:27,275

Okay.

234

00:15:34,049 --> 00:15:36,418

Are you sure
we haven't met before?

235

00:15:37,684 --> 00:15:40,385

I don't know. Have we?

236

00:15:40,387 --> 00:15:42,687

One shouldn't answer a question
with a question.

237

00:15:42,689 --> 00:15:46,192

One shouldn't be such
a pompous prat, but here we are.

238

00:15:48,530 --> 00:15:50,663

I think I would definitely
remember you if we'd met before.

239

00:15:50,665 --> 00:15:53,434

You would think so,
wouldn't you?

240

00:16:12,620 --> 00:16:14,790

What the fuck is going on?

241

00:16:16,657 --> 00:16:18,459

Who the hell are you?

242

00:16:20,462 --> 00:16:22,364

Untie me.

243

00:16:23,598 --> 00:16:24,730

Now!

244

00:16:28,469 --> 00:16:30,302

Listen to me.

245

00:16:30,304 --> 00:16:33,773

You've made a mistake.

A big one.

246

00:16:33,775 --> 00:16:38,677

But it is a redeemable error.

247

00:16:38,679 --> 00:16:40,379

You're gonna put on
the rest of your clothes,

248

00:16:40,381 --> 00:16:41,480

you're gonna
gather your things,

249

00:16:41,482 --> 00:16:43,548

you're gonna give me the key,

250

00:16:43,550 --> 00:16:48,221

and then you're going

to run for your life.

251

00:16:48,223 --> 00:16:51,657

You've no idea who I am,

252

00:16:51,659 --> 00:16:54,559

what I do,

253

00:16:54,561 --> 00:16:56,662

or who I work for.

254

00:16:56,664 --> 00:17:01,366

Au contraire,

Mr. Nigel Illing.

255

00:17:01,368 --> 00:17:04,170

I know exactly who you are.

256

00:17:04,172 --> 00:17:06,638

I know exactly
what it is you do.

257

00:17:06,640 --> 00:17:08,843

And I know exactly
who you work for.

258

00:17:11,346 --> 00:17:14,814

I also know that you're 44,
5'11", 12 stone,

259

00:17:14,816 --> 00:17:16,516

AB Negative,
a drinker and a smoker,

260

00:17:16,518 --> 00:17:17,817

and you have a healthy appetite

261

00:17:17,819 --> 00:17:20,122

for young hookers

in kinky suspenders.

262

00:17:24,626 --> 00:17:26,726

And when you combine
the information

263

00:17:26,728 --> 00:17:28,394

I have gathered on you
and your habits,

264

00:17:28,396 --> 00:17:31,230

one can deduce exactly
how many drops of laudanum

265

00:17:31,232 --> 00:17:32,899

it requires to render you
unconscious

266

00:17:32,901 --> 00:17:34,703

and relatively docile.

267

00:17:36,370 --> 00:17:40,306

I need a teeny-weeny bit

of information from you

268

00:17:40,308 --> 00:17:43,545

and a small donation.

269

00:17:44,878 --> 00:17:46,711

Okay, what do you want?

270

00:17:46,713 --> 00:17:48,446

You want money?

271

00:17:48,448 --> 00:17:51,851

You want the car?

Listen, you can take it.

272

00:17:51,853 --> 00:17:54,854

You can take it.

Take whatever you want.

273

00:17:54,856 --> 00:17:57,522

Oh, that's a very poor

choice of words.

274

00:17:57,524 --> 00:18:00,292

Help! Help!

275

00:18:00,294 --> 00:18:02,194

Help!

276

00:18:13,875 --> 00:18:17,246

Bless me, Father,
for I have sinned.

277

00:18:22,383 --> 00:18:24,349

So there's this guy, right?

278

00:18:24,351 --> 00:18:25,917

He's creeping
through this house.

279

00:18:25,919 --> 00:18:28,788

It's dark, sinister, creepy.
You get the picture.

280

00:18:28,790 --> 00:18:30,256

Pulls out his gun,

281

00:18:30,258 --> 00:18:31,891

and he goes into the room

with it

282

00:18:31,893 --> 00:18:35,627

held arm's length

in front of him, Vince.

283

00:18:35,629 --> 00:18:37,565

I don't know what to tell you.

It's the pictures.

284

00:18:40,601 --> 00:18:42,667

Right. You walk

into the room, right?

285

00:18:42,669 --> 00:18:44,737

In like a shot.

You clear your corners.

286

00:18:44,739 --> 00:18:46,771

Cleared.

The room is yours, easy.

287

00:18:46,773 --> 00:18:49,842

You don't fucking ease
your gun into the room

288

00:18:49,844 --> 00:18:51,376

without being able
to see anything,

289

00:18:51,378 --> 00:18:53,378

waiting to be shot.

290

00:18:53,380 --> 00:18:54,880

It's stupid.

291

00:18:54,882 --> 00:18:57,549

It's a film, Alf.

It's make-believe.

292

00:18:57,551 --> 00:19:00,853

It's factually inaccurate.

They actually make it up.

293

00:19:00,855 --> 00:19:03,288

It's not as though they've got
some hit man consultant

294

00:19:03,290 --> 00:19:04,589

talking them through
the finer points

295

00:19:04,591 --> 00:19:06,592

of assassinating
other fictitious people.

296

00:19:06,594 --> 00:19:07,960

Yes, but why not?

297

00:19:07,962 --> 00:19:11,364

It would be factually accurate
if they did.

298

00:19:11,366 --> 00:19:12,431

I just realized something.

299

00:19:12,433 --> 00:19:14,634

You're a fucking moron.

300

00:19:14,636 --> 00:19:16,405

Two teas, love!

301

00:19:17,938 --> 00:19:19,675

Oy, bottle blonde!

302

00:19:21,376 --> 00:19:22,578

Two teas.

303

00:19:24,745 --> 00:19:26,447

What's the magic word?

304

00:19:31,586 --> 00:19:34,753

To be fair,
you didn't say "please."

305

00:19:34,755 --> 00:19:38,490

Please, could we have

two tea cups of lovely tea,

306

00:19:38,492 --> 00:19:41,326

a little bit of milk,

two sugars, both builder's,

307

00:19:41,328 --> 00:19:42,461

please, if you don't mind?

308

00:19:42,463 --> 00:19:43,898

Thank you very much.

309

00:19:45,332 --> 00:19:47,400

It will be my pleasure.

310

00:19:47,402 --> 00:19:48,337

Wanker.

311

00:19:49,671 --> 00:19:50,806

Watch this.

312

00:19:56,743 --> 00:20:00,346

Excuse me.

Could I have one of your...

313

00:20:00,348 --> 00:20:02,914

lovely-looking

sticky buns, please?

314

00:20:02,916 --> 00:20:05,584

It's dinner and drinks

at the very least

315

00:20:05,586 --> 00:20:08,354

before you get your hands

on my buns, handsome.

316

00:20:08,356 --> 00:20:11,324

I mix a mean martini,

sugarplum.

317

00:20:11,326 --> 00:20:13,358

In that case,

I'll even butter them for you.

318

00:20:13,360 --> 00:20:16,628

Alfred, would you mind terribly
rejoining me at the table,

319

00:20:16,630 --> 00:20:18,029

pretty please?

320

00:20:18,031 --> 00:20:20,665

Before I break
your fucking neck.

321

00:20:20,667 --> 00:20:21,933

Duty calls.

322

00:20:21,935 --> 00:20:24,272

On the job, are you?

323

00:20:28,076 --> 00:20:29,642

Is there the remotest chance

324

00:20:29,644 --> 00:20:33,078

that you could possibly
calm down a bit?

325

00:20:33,080 --> 00:20:34,980

And what kind of a shithole
is this then, eh?

326

00:20:34,982 --> 00:20:38,483

You said somewhere quiet,
off the beaten track.

327

00:20:38,485 --> 00:20:40,419

So you find the only
late night cafe

328

00:20:40,421 --> 00:20:41,753

open this side
of the precinct.

329

00:20:41,755 --> 00:20:43,422

It's genius.

330

00:20:43,424 --> 00:20:45,924

I thought it might be nice
if we had a cup of tea

331

00:20:45,926 --> 00:20:47,495

while we talked.

332

00:20:49,797 --> 00:20:51,466

Enjoy my buns.

333

00:20:56,604 --> 00:20:57,903

Are you fucking drunk
or something?

334

00:20:57,905 --> 00:20:59,672

<i>No. Why?</i>

335

00:20:59,674 --> 00:21:03,142

<i>Just shut the fuck up!
That's why.</i>

336

00:21:03,144 --> 00:21:05,678

<i>What is
so cloak and dagger</i>

337

00:21:05,680 --> 00:21:08,748

that you couldn't just
tell me over the phone?

338

00:21:08,750 --> 00:21:10,915

A job's coming.

339

00:21:10,917 --> 00:21:12,084

Yeah?

340

00:21:12,086 --> 00:21:13,986

Guttering, is it?
Window cleaning?

341

00:21:13,988 --> 00:21:15,755

Yeah, keep up the cheek, son.

342

00:21:15,757 --> 00:21:17,722

You know, you're gonna
get clipped round the ear.

343

00:21:17,724 --> 00:21:19,557

In fact,

you're gonna get a clip

344

00:21:19,559 --> 00:21:21,126

straight in

the fucking forehead.

345

00:21:21,128 --> 00:21:23,496

Understand?

346

00:21:23,498 --> 00:21:25,397

All right.

347

00:21:25,399 --> 00:21:26,932

I'm listening.

348

00:21:26,934 --> 00:21:30,905

So there's a message

on the answering service.

349

00:21:33,707 --> 00:21:36,808

<i>It tells me,

"Go to the terminal</i>

350

00:21:36,810 --> 00:21:39,380

<i>and open locker 125."/i>

351

00:21:47,053 --> 00:21:49,590

- <i>Is there a key?</i>

- <i>No, there's no key.</i>

352

00:21:51,125 --> 00:21:52,928

<i>So what was in it?</i>

353

00:22:10,811 --> 00:22:12,546

"La Lapin Blanche."

354

00:22:13,713 --> 00:22:15,114

What's that?

355

00:22:15,116 --> 00:22:16,816

Well, it's French.

356

00:22:16,818 --> 00:22:19,818

Yes, I know, thank you.

357

00:22:19,820 --> 00:22:22,020

I simply don't understand
the relevance of it.

358

00:22:22,022 --> 00:22:23,721

Are you going
to ruin this for me?

359

00:22:23,723 --> 00:22:26,791

Are you going to suck
all the fucking alluring mystery

360

00:22:26,793 --> 00:22:29,694

out of this fucking
situation for me?

361

00:22:29,696 --> 00:22:31,766

So it's a clue.

362

00:22:33,233 --> 00:22:36,167

- A trail of breadcrumbs.
- Yes, apparently.

363

00:22:36,169 --> 00:22:38,837

Someone has a *pen-chaunt*
for the amateur dramatics.

364

00:22:38,839 --> 00:22:40,472

It's pronounced *penchant*.

365

00:22:40,474 --> 00:22:41,973

It's pronounced
shut your fucking mouth

366

00:22:41,975 --> 00:22:46,511

is how it's pronounced.

367

00:22:46,513 --> 00:22:49,548

Hang on a second.

368

00:22:49,550 --> 00:22:50,749

Black briefcase.

369

00:22:50,751 --> 00:22:52,651

Mm-hmm.

370

00:22:52,653 --> 00:22:54,586

In a locker.

371

00:22:54,588 --> 00:22:56,654

A clue.

A trail of breadcrumbs.

372

00:22:56,656 --> 00:22:58,790

Vince, that's the touch, mate.

373

00:22:58,792 --> 00:23:01,096

That is a job
from Mr. Franklin.

374

00:23:03,563 --> 00:23:05,163

<i>A Mr. Franklin job?</i>

375

00:23:05,165 --> 00:23:07,499

This is massive!

376

00:23:07,501 --> 00:23:08,634

All right.

377

00:23:08,636 --> 00:23:11,005

<i>Don't get moist.</i>

378

00:23:12,874 --> 00:23:14,973

I thought

he always used Illing.

379

00:23:16,644 --> 00:23:17,846

Apparently not.

380

00:23:20,748 --> 00:23:22,080

Now, have I whet your appetite?

381

00:23:22,082 --> 00:23:23,249

I'm salivating.

382

00:23:23,251 --> 00:23:26,588

Let's go rabbit on him.

383

00:23:33,627 --> 00:23:36,295

We've got to play our cards
right on this one, Vincent.

384

00:23:36,297 --> 00:23:39,731

No one fucks
with Mr. Franklin.

385

00:23:39,733 --> 00:23:41,267

It is a once in a blue moon,

386

00:23:41,269 --> 00:23:44,236

once in a fucking lifetime
opportunity.

387

00:23:44,238 --> 00:23:45,804

It's keys to the kingdom.

388

00:23:45,806 --> 00:23:47,740

All right, Alfred,
it's Mr. Franklin,

389

00:23:47,742 --> 00:23:49,810

not the fucking second coming.

390

00:23:51,212 --> 00:23:53,878

Well, I guess

this is the place.

391

00:23:53,880 --> 00:23:55,713

What gave it away?

392

00:23:55,715 --> 00:24:00,920

Was it the 20-foot neon sign

with the fucking rabbit on it?

393

00:24:03,691 --> 00:24:05,790

Pinch me, I'm dreaming.

394

00:24:05,792 --> 00:24:08,961

I bet they charge

a good-priced cover.

395

00:24:30,818 --> 00:24:33,085

Hello, handsome,

dangerous men.

396

00:24:33,087 --> 00:24:34,819

Hello, beautiful,
semi-clad girl.

397

00:24:34,821 --> 00:24:37,021

Business or pleasure?

398

00:24:37,023 --> 00:24:39,357

Is the real question
do I want to pay you

399

00:24:39,359 --> 00:24:41,660

to writhe around on top of me
for a couple of songs,

400

00:24:41,662 --> 00:24:44,096

get me hot all under the collar
and take me into the back room

401

00:24:44,098 --> 00:24:46,030

for an overpriced hand job?

402

00:24:46,032 --> 00:24:47,365

'Cause if it is,
the answer's no, fuck off.

403

00:24:47,367 --> 00:24:49,768

You are no gentleman.

404

00:24:49,770 --> 00:24:51,639

But you, on the other hand...

405

00:24:53,107 --> 00:24:57,142

I'm Conejo. Welcome.

What is it you seek?

406

00:24:57,144 --> 00:24:58,943

We're here to meet someone.

407

00:24:58,945 --> 00:25:00,645

- Who?

- We don't know.

408

00:25:00,647 --> 00:25:02,280

About what?

409

00:25:02,282 --> 00:25:04,650

- We don't know.

- Oy!

410

00:25:04,652 --> 00:25:07,789

You need to see Bunny.

Follow me.

411

00:25:15,296 --> 00:25:18,096

So where's this Bunny then, eh?

412

00:25:18,098 --> 00:25:20,068

You'll see.

413

00:25:23,236 --> 00:25:24,769

Conejo.

414

00:25:24,771 --> 00:25:26,805

What a beautiful name.

415

00:25:26,807 --> 00:25:29,407

I bet it means "waterfall"
or "sunset"

416
00:25:29,409 --> 00:25:31,242
or something exotic like that.

417
00:25:31,244 --> 00:25:34,646
It means "rabbit," tit.

418
00:25:34,648 --> 00:25:36,147
Oh, yeah.

419
00:25:36,149 --> 00:25:37,650
Get your head
in the fucking game, mate.

420
00:25:37,652 --> 00:25:39,652
You're becoming
a fucking liability.

421
00:25:39,654 --> 00:25:42,221
And part of my job is to
dispose of fucking liabilities.

422

00:25:42,223 --> 00:25:43,888

What do you mean,

I've become a fucking liability?

423

00:25:43,890 --> 00:25:45,324

<i>It's Bunny!</i>

424

00:25:47,293 --> 00:25:50,028

- Shut up.

- We all play the game.

425

00:25:52,165 --> 00:25:54,199

Shut up. Look at her.

426

00:25:54,201 --> 00:25:57,368

Oh, my God. Oh, my God.

427

00:26:10,251 --> 00:26:12,084

Yeah? I'll show you game.

428

00:26:12,086 --> 00:26:14,185

Yeah, are you
the famous Bunny?

429

00:26:14,187 --> 00:26:16,255

How abrupt.

430

00:26:16,257 --> 00:26:18,957

Well, I'm not here
for conversation or culture.

431

00:26:18,959 --> 00:26:20,425

I'm here for information.

432

00:26:20,427 --> 00:26:22,961

Maybe a filthy lap dance,
if I can get one.

433

00:26:22,963 --> 00:26:25,698

Then you're in
the right place, Vincent.

434

00:26:25,700 --> 00:26:28,269

How do you know my name?

435

00:26:30,070 --> 00:26:32,003

Bottle blonde!

436

00:26:32,005 --> 00:26:34,239

What the fucking hell

are you doing here?

437

00:26:34,241 --> 00:26:35,809

Girl's got to eat.

438

00:26:38,378 --> 00:26:40,378

Is there somewhere

we can go and talk?

439

00:26:40,380 --> 00:26:43,350

That depends.

Have you got something for me?

440

00:26:45,319 --> 00:26:48,155

I was thinking more of

an envelope stuffed with money.

441

00:26:57,764 --> 00:27:00,332

Now, I bet that's gonna buy me
a few filthy lap dances.

442

00:27:00,334 --> 00:27:02,134

Probably a lot more than that.

443

00:27:02,136 --> 00:27:03,367

Come and find out.

444

00:27:03,369 --> 00:27:06,340

Both of you,
down the rabbit hole.

445

00:27:07,474 --> 00:27:08,809

Curiouser and curiouser.

446

00:27:14,948 --> 00:27:17,117

They're with me, boys.

447

00:27:22,255 --> 00:27:23,955

We've been sent here...

we don't know why...

448

00:27:23,957 --> 00:27:25,289

to see you, apparently.

449

00:27:25,291 --> 00:27:26,892

You're supposed to
give us something,

450

00:27:26,894 --> 00:27:28,259

though why you couldn't
have given it to us

451

00:27:28,261 --> 00:27:30,962

at the pissin' cafe
is way beyond me.

452

00:27:30,964 --> 00:27:32,263

Then we leave.

453

00:27:32,265 --> 00:27:33,267

Sound like a plan?

454

00:27:35,502 --> 00:27:37,038

So.

455

00:27:38,305 --> 00:27:39,438

So?

456

00:27:39,440 --> 00:27:42,508

Look, I'm just the middleman.

457

00:27:42,510 --> 00:27:44,375

Think of me as
a half-naked waitress

458

00:27:44,377 --> 00:27:46,411

delivering goods
from one anonymous party

459

00:27:46,413 --> 00:27:48,814

to another anonymous party
for a fee.

460

00:27:48,816 --> 00:27:53,117

Or slightly less anonymous
in your case, Vincent.

461

00:27:53,119 --> 00:27:56,288

- What's the combination?
- No idea.

462

00:27:56,290 --> 00:27:58,390

Well, what good's a briefcase
if we ain't got the combination?

463

00:27:58,392 --> 00:28:00,061

No idea.

464

00:28:02,930 --> 00:28:05,400

Huh. Doesn't even need
a combination.

465

00:28:07,134 --> 00:28:09,201

Thank you, Miss Bunny.
We'll be on our way.

466

00:28:09,203 --> 00:28:11,170

Hang on.

467

00:28:11,172 --> 00:28:13,538

There's something different
about you, bottle blonde.

468

00:28:13,540 --> 00:28:16,174

Besides my stocking suspenders,
plunging cleavage,

469

00:28:16,176 --> 00:28:18,076

and full face
of harlot's makeup?

470

00:28:19,280 --> 00:28:21,579

Yeah, yeah, besides that.

471

00:28:21,581 --> 00:28:23,984

Time to go, Vince.

472

00:28:25,152 --> 00:28:26,818

No.

473

00:28:26,820 --> 00:28:29,988

I want my lap dance first
before I go anywhere.

474

00:28:31,291 --> 00:28:33,925

I'm ready if you are.

475

00:28:33,927 --> 00:28:35,928

I'll let the dog
see the rabbit.

476

00:28:35,930 --> 00:28:38,933

<i>Let's go, Vince.

Floor show's over.*</i>*

477

00:28:42,970 --> 00:28:45,106

Let me show you chaps
the quick way out, shall I?

478

00:28:51,044 --> 00:28:54,479

I'm gonna get that filthy lap
dance off of you, bottle blonde,

479

00:28:54,481 --> 00:28:56,818

one way or another.

480

00:29:02,889 --> 00:29:05,092

Come back again soon, handsome.

481

00:29:06,559 --> 00:29:08,326

Alfred?

482

00:29:08,328 --> 00:29:10,531

I'll even show you my tail.

483

00:29:13,000 --> 00:29:14,368

Don't bring him.

484

00:29:20,607 --> 00:29:22,109

Wow.

485

00:29:23,344 --> 00:29:25,544

Oh, Jesus Christ.

486

00:29:25,546 --> 00:29:29,080

One sniff of a whore's perfume,
you think you're in love.

487

00:29:29,082 --> 00:29:30,548

I mean wow.

488

00:29:31,952 --> 00:29:34,122

She looked better
as a waitress.

489

00:29:36,190 --> 00:29:37,588

Wow!

490

00:29:37,590 --> 00:29:40,525

You really are a twat,
you know that?

491

00:29:47,367 --> 00:29:49,667

It's the waiting
that's doing me in.

492

00:29:49,669 --> 00:29:52,403

Just, um...

493

00:29:52,405 --> 00:29:56,407

sitting around,

waiting to stop breathing.

494

00:29:56,409 --> 00:29:58,846

My mom went in a house fire.

495

00:30:00,079 --> 00:30:02,213

No waiting around there,

I suppose.

496

00:30:02,215 --> 00:30:04,082

- I'm sorry.

- No, you're not.

497

00:30:04,084 --> 00:30:06,451

You are utterly self-involved

at the moment,

498

00:30:06,453 --> 00:30:08,220

completely wrapped up

in yourself.

499

00:30:08,222 --> 00:30:10,221

Steady on.

Just 'cause I'm on my way out

500

00:30:10,223 --> 00:30:12,324

doesn't mean I've turned

into a complete bastard.

501

00:30:12,326 --> 00:30:13,991

Why not?

502

00:30:13,993 --> 00:30:15,559

It's your prerogative.

503

00:30:15,561 --> 00:30:17,362

That is your hard-won

silver lining.

504

00:30:17,364 --> 00:30:18,529

I don't follow.

505

00:30:18,531 --> 00:30:20,464

Okay, well, think of it
this way.

506

00:30:20,466 --> 00:30:22,034

It's moral carte blanche.

507

00:30:22,036 --> 00:30:24,036

It's an open invitation
to anarchy.

508

00:30:24,038 --> 00:30:26,672

You can spend
your last days on Earth

509

00:30:26,674 --> 00:30:28,573

doing whatever you want.

510

00:30:28,575 --> 00:30:29,942

Rape away.

511

00:30:29,944 --> 00:30:31,676

Smite to your heart's content.

512

00:30:31,678 --> 00:30:33,511

Pillage the precinct
till the gutters run red,

513

00:30:33,513 --> 00:30:34,980

and none of it will matter

514

00:30:34,982 --> 00:30:37,182

because you'll be dead
by Sunday.

515

00:30:37,184 --> 00:30:38,683

So go nuts!

516

00:30:38,685 --> 00:30:43,124

You know, dry roasted,
sniper in the clock tower nuts.

517

00:30:44,590 --> 00:30:47,092

Did something happen to you
as a child?

518

00:30:47,094 --> 00:30:49,126

Besides my mother dying in agony
in a blazing inferno?

519

00:30:49,128 --> 00:30:51,430

Oh, I am so sorry.

That was...

520

00:30:51,432 --> 00:30:54,499

Don't apologize.

Rub my nose in it.

521

00:30:54,501 --> 00:30:55,733

Come on, pillage me!

522

00:30:55,735 --> 00:30:58,338

Sorry. Was that a bit naughty?

523

00:31:00,573 --> 00:31:03,010

What happened to your thumb?

524

00:31:04,377 --> 00:31:05,346

Oh, that.

525

00:31:06,413 --> 00:31:08,680

An exercise in self-control.

526

00:31:08,682 --> 00:31:11,249

Ah. It went well then.

527

00:31:13,721 --> 00:31:15,619

Look, all I'm saying is

528

00:31:15,621 --> 00:31:18,390

this seems like

a really good opportunity

529

00:31:18,392 --> 00:31:20,192

to do whatever

the hell you want.

530

00:31:20,194 --> 00:31:23,194

Well, what if I want to

mope around in all-night cafes,

531

00:31:23,196 --> 00:31:25,196

feeling sorry for myself?

532

00:31:25,198 --> 00:31:27,365

Then, frankly,

I might as well do you in now

533

00:31:27,367 --> 00:31:29,768

and save myself from

your self-indulgent tripe.

534

00:31:32,438 --> 00:31:33,704

Well...

535

00:31:33,706 --> 00:31:36,141

Well, I would appreciate that.

536

00:31:36,143 --> 00:31:38,042

Annie.

537

00:31:38,044 --> 00:31:39,179

Bill.

538

00:31:49,623 --> 00:31:51,690

That's not your locker!

539

00:31:51,692 --> 00:31:53,692

You're going to give me
a fucking heart attack!

540

00:31:53,694 --> 00:31:56,294

It is a criminal offense
to interfere with

541

00:31:56,296 --> 00:31:59,397

either municipal storage
or precinct property.

542

00:31:59,399 --> 00:32:02,099

Any suspicious activity
must be reported

543

00:32:02,101 --> 00:32:04,504

to the appropriate

authorities immediately.

544

00:32:08,308 --> 00:32:10,575

Why don't you piss off,
old man?

545

00:32:10,577 --> 00:32:13,345

Mind your own business.

546

00:32:13,347 --> 00:32:16,213

Supervisor.
Night Supervisor.

547

00:32:16,215 --> 00:32:18,316

Duties to include sweeping
of concourse and platform,

548

00:32:18,318 --> 00:32:19,683

maintenance
and attendance of all...

549

00:32:19,685 --> 00:32:20,687

Shut up!

550

00:32:22,755 --> 00:32:24,355

Tell me something.

551

00:32:24,357 --> 00:32:27,425

Do I look to you like
the sort of individual

552

00:32:27,427 --> 00:32:29,728

that creeps into the station
in the dead of night,

553

00:32:29,730 --> 00:32:31,229

breaks open a locker,

554

00:32:31,231 --> 00:32:33,298

removes a suspicious-looking
briefcase,

555

00:32:33,300 --> 00:32:36,703

and then lets
the fucking cleaner...

556

00:32:39,505 --> 00:32:42,339

sorry, night supervisor...

557

00:32:42,341 --> 00:32:44,776

run off and tell tall tales

about it?

558

00:32:44,778 --> 00:32:46,510

Do I not strike you

more as the sort of

559

00:32:46,512 --> 00:32:49,614

highly motivated,

highly vicious individual

560

00:32:49,616 --> 00:32:52,550

that would not kill

said night supervisor

561

00:32:52,552 --> 00:32:55,086

and stuff him

into the fucking locker?

562

00:32:55,088 --> 00:32:58,789

Acceptable forms of payment
at the terminal are as follows:

563

00:32:58,791 --> 00:33:01,226

cash, banker's drafts,

564

00:33:01,228 --> 00:33:04,298

certified checks up to the
value of the return journey.

565

00:33:11,437 --> 00:33:14,506

I like you. You're funny.

566

00:33:14,508 --> 00:33:17,174

All right, all right,

I'll clear it.

567

00:33:17,176 --> 00:33:19,376

- Oh.

- Mum's the word, Supe.

568

00:33:19,378 --> 00:33:20,545

Okay.

569

00:33:20,547 --> 00:33:24,115

- Oh!

- Ten, twenty, thirty.

570

00:33:24,117 --> 00:33:26,053

We all right, son?

571

00:33:28,789 --> 00:33:32,891

When rich villains

have need of poor ones,

572

00:33:32,893 --> 00:33:36,431

poor ones make

what price they will.

573

00:33:39,465 --> 00:33:40,664

Come again?

574

00:33:40,666 --> 00:33:43,234

I want more money.

575

00:33:43,236 --> 00:33:45,269

Yeah.

576

00:33:45,271 --> 00:33:47,207

Oh, yeah.

577

00:33:48,774 --> 00:33:51,576

You know, when rich villains
get pissed off

578

00:33:51,578 --> 00:33:53,545

with poor ones
overcharging them,

579

00:33:53,547 --> 00:33:55,547

they go round their house,

580

00:33:55,549 --> 00:33:58,853

they burn it,
they murder their family.

581

00:34:00,753 --> 00:34:05,190

Terminal Train Lines

thanks you for your business

582

00:34:05,192 --> 00:34:08,463

and wishes you

a pleasant evening.

583

00:34:15,401 --> 00:34:17,405

What a fucking crook!

584

00:34:32,553 --> 00:34:35,486

- Yo, you better give me your...

- Fuck off!

585

00:34:35,488 --> 00:34:36,955

I just wanted to know

the time, mate.

586

00:34:36,957 --> 00:34:38,323

My bad.

587

00:34:38,325 --> 00:34:39,624

Yeah, that's it,
fucking walk on.

588

00:34:39,626 --> 00:34:41,725

Yeah, yeah, you better run.

589

00:34:41,727 --> 00:34:43,196

Dickhead.

590

00:34:47,434 --> 00:34:49,301

- Just for you.

- Thanks.

591

00:34:50,370 --> 00:34:52,937

Evening, bottle blonde.

592

00:34:52,939 --> 00:34:54,673

Hello, Prince Charming.

593

00:34:54,675 --> 00:34:57,475

- Alfred.

- Vince.

594

00:34:57,477 --> 00:34:59,377

You want to put her down, mate.

595

00:34:59,379 --> 00:35:02,316

You don't know where she's been.

You'll catch something.

596

00:35:03,417 --> 00:35:05,283

Duty calls.

597

00:35:05,285 --> 00:35:08,222

Well, it was lovely

seeing you again, handsome.

598

00:35:15,528 --> 00:35:17,597

Can't say the same

for you, Vincent.

599

00:35:20,734 --> 00:35:22,734

You want to get your head

in the game, mate?

600

00:35:22,736 --> 00:35:24,539

You're getting sloppy.

601

00:35:25,906 --> 00:35:27,504

I'll see you around,

bottle blonde,

602

00:35:27,506 --> 00:35:29,006

if I don't shoot you first.

603

00:35:29,008 --> 00:35:30,977

Ooh.

604

00:35:34,847 --> 00:35:35,882

Vince!

605

00:35:39,419 --> 00:35:40,655

Bang.

606

00:35:43,923 --> 00:35:45,756

Wanker.

607

00:36:01,040 --> 00:36:03,341

This was in the briefcase.

608

00:36:03,343 --> 00:36:07,448

Press play.

I'm gonna stretch my legs.

609

00:36:11,852 --> 00:36:14,451

<i>I am Mr. Franklin.</i>

610

00:36:14,453 --> 00:36:17,055

<i>I have no doubt

you know who I am</i>

611

00:36:17,057 --> 00:36:19,723

<i>and what my business is worth.</i>

612

00:36:19,725 --> 00:36:22,926

<i>I have an offer, a contract.</i>

613

00:36:22,928 --> 00:36:26,698

<i>I want you

to kill someone for me.</i>

614

00:36:26,700 --> 00:36:28,433

<i>You will lie in wait
in the apartment</i>

615

00:36:28,435 --> 00:36:31,535

<i>I have provided for you.</i>

616

00:36:31,537 --> 00:36:34,805

<i>You will be on call
24 hours a day,</i>

617

00:36:34,807 --> 00:36:36,875

<i>seven days a week,</i>

618

00:36:36,877 --> 00:36:39,944

<i>until I contact you to...</i>

619

00:36:39,946 --> 00:36:41,845

<i>execute.</i>

620

00:36:41,847 --> 00:36:43,381

Jesus.

621

00:36:43,383 --> 00:36:44,948

<i>Before you commence,</i>

622

00:36:44,950 --> 00:36:48,653

<i>I require one of you to
attend a face-to-face meeting.</i>

623

00:36:48,655 --> 00:36:52,424

<i>Only one.

I do not like crowds.</i>

624

00:36:52,426 --> 00:36:54,325

<i>That is all.</i>

625

00:36:54,327 --> 00:36:56,630

Fucking perfect.

626

00:37:25,124 --> 00:37:27,661

Evening, bottle blonde.

627

00:37:30,731 --> 00:37:33,401

Out for a casual stroll?

628

00:38:18,812 --> 00:38:21,382

Well, for fuck's sake.

629

00:38:25,118 --> 00:38:27,752

You know what?

I'm getting a little bit old

630

00:38:27,754 --> 00:38:30,725

for all these parlor games,

bottle blonde.

631

00:38:54,580 --> 00:38:57,549

Evening, gorgeous.

632

00:38:57,551 --> 00:38:59,053

These are for you.

633

00:39:00,821 --> 00:39:03,154

You're in trouble, Alfred.

634

00:39:03,156 --> 00:39:05,022

I'm always in trouble,
sugarplum.

635

00:39:05,024 --> 00:39:07,691

Spare me the heroics.
You're in real trouble.

636

00:39:07,693 --> 00:39:09,060

Targeted,
shot in the back of the head

637

00:39:09,062 --> 00:39:10,928

unless you pay attention
trouble.

638

00:39:10,930 --> 00:39:12,897

I'm listening.

639

00:39:12,899 --> 00:39:16,133

Good, because I like you.

640

00:39:16,135 --> 00:39:18,937

You're handsome,
and you're chivalrous,

641

00:39:18,939 --> 00:39:20,537

and I like your jaw.

642

00:39:20,539 --> 00:39:22,707

It's manly.

643

00:39:22,709 --> 00:39:24,875

I want to keep you.

644

00:39:24,877 --> 00:39:27,180

- Well, I think you're...

- Shut up.

645

00:39:28,247 --> 00:39:30,048

Understood.

646

00:39:30,050 --> 00:39:32,750

There's someone here to see you.

647

00:39:32,752 --> 00:39:35,553

Listen to what he's got to say
or that handsome face of yours

648

00:39:35,555 --> 00:39:39,189

will have a gaping exit wound
slap bang in the middle of it.

649

00:39:39,191 --> 00:39:41,558

- Okay.

- Good.

650

00:39:41,560 --> 00:39:43,897

Come on out.

He's not gonna bite.

651

00:39:48,234 --> 00:39:50,100

Hello?

652

00:40:16,729 --> 00:40:18,196

<i>Good evening, Vincent.</i>

653

00:40:18,198 --> 00:40:20,665

Mr. fucking Franklin,

I presume.

654

00:40:20,667 --> 00:40:23,100

- *The very same.*

- Let me get this straight.

655

00:40:23,102 --> 00:40:24,636

You drag me out

in the middle of the night,

656

00:40:24,638 --> 00:40:27,037

halfway across the city,

freezing cold,

657

00:40:27,039 --> 00:40:29,140

up 20 flights of rickety stairs

658

00:40:29,142 --> 00:40:31,609

just so that you can speak to me

on the fucking phone?

659

00:40:31,611 --> 00:40:34,578

<i>Who says mystery's a lost art?</i>

660

00:40:34,580 --> 00:40:36,046

Yeah, fair enough.

661

00:40:36,048 --> 00:40:38,249

<i>Now, the contract.</i>

662

00:40:38,251 --> 00:40:40,919

<i>You and your partner
start tomorrow.</i>

663

00:40:40,921 --> 00:40:43,687

<i>The target will be
lured to this window.</i>

664

00:40:43,689 --> 00:40:46,823

<i>It faces the apartment
where you will be waiting.</i>

665

00:40:46,825 --> 00:40:48,959

<i>One shot to the head.</i>

666

00:40:48,961 --> 00:40:51,796

<i>A clean kill. No mistakes.</i>

667

00:40:51,798 --> 00:40:57,134

<i>Now, I have another deal,
a side part, for you.</i>

668

00:40:57,136 --> 00:40:59,136

<i>Okay, go on.</i>

669

00:40:59,138 --> 00:41:01,138

<i>When you've
executed the contract,</i>

670

00:41:01,140 --> 00:41:05,642

<i>I want you
to kill your partner.</i>

671

00:41:05,644 --> 00:41:07,044

Why?

672

00:41:07,046 --> 00:41:08,580

<i>I don't like crowds.</i>

673

00:41:08,582 --> 00:41:12,649

<i>And I like loyalty I can buy.</i>

674

00:41:12,651 --> 00:41:16,022

<i>Double the original offer,
in cash.</i>

675

00:41:18,925 --> 00:41:22,026

What you want,
his head on a silver platter?

676

00:41:22,028 --> 00:41:25,997

<i>His ID papers and
trigger finger will suffice.</i>

677

00:41:25,999 --> 00:41:29,801

<i>I'm offering you double
the money and a one way split.</i>

678

00:41:29,803 --> 00:41:34,037

*<i>I believe I can trust
your mercenary greed.</i>*

679

00:41:34,039 --> 00:41:36,943

<i>Now, do we have a deal?</i>

680

00:41:38,845 --> 00:41:40,211

Yeah.

681

00:41:40,213 --> 00:41:41,912

Consider it done.

682

00:41:41,914 --> 00:41:44,017

<i>Good.</i>

683

00:41:48,722 --> 00:41:50,787

Where'd you get ahold
of that there thing?

684

00:41:50,789 --> 00:41:53,091

Where the fuck
did you get that?

685

00:41:53,093 --> 00:41:55,093

Stop it, Alfred.

He's just the messenger.

686

00:41:55,095 --> 00:41:57,694

Who is about to get very shot
on the count of three.

687

00:41:57,696 --> 00:41:59,997

One, two...

688

00:41:59,999 --> 00:42:02,933

Locker!

Locker in the terminal!

689

00:42:02,935 --> 00:42:05,035

Black briefcase.

690

00:42:05,037 --> 00:42:06,104

Note inside.

691

00:42:06,106 --> 00:42:08,071

A man...

A man paid me.

692

00:42:08,073 --> 00:42:10,908

An envelope with money.

693

00:42:10,910 --> 00:42:12,176

Please don't kill me!

694

00:42:12,178 --> 00:42:14,013

Three.

695

00:42:17,182 --> 00:42:19,750

Now fuck off.

696

00:42:19,752 --> 00:42:21,220

Go on.

697

00:42:25,691 --> 00:42:27,193

Fuck!

698

00:42:29,896 --> 00:42:33,698

Fuck, fuck, fuck, fuck!

699

00:42:33,700 --> 00:42:35,700

Fucker!

700

00:42:38,238 --> 00:42:40,171

Feel better?

701

00:42:42,876 --> 00:42:45,843

It's all bullshit, isn't it?

702

00:42:45,845 --> 00:42:48,379

No job, no hit.

703

00:42:48,381 --> 00:42:50,250

Oh, no, handsome.

704

00:42:52,285 --> 00:42:55,388

There most definitely was a hit.

705

00:42:57,856 --> 00:42:59,022

Me?

706

00:42:59,024 --> 00:43:00,792

Not anymore.

707

00:43:00,794 --> 00:43:03,129

We can find a new target.

708

00:43:04,897 --> 00:43:06,296

We?

709

00:43:06,298 --> 00:43:09,200

Now tell me something,
sugarplum.

710

00:43:09,202 --> 00:43:12,837

Why should I trust you, eh?

711

00:43:12,839 --> 00:43:16,207

Aren't you part of
this whole conspiracy?

712

00:43:16,209 --> 00:43:18,879

I told you.

713

00:43:19,946 --> 00:43:22,279

I like you.

714

00:43:22,281 --> 00:43:25,151

I need someone

to butter my buns for.

715

00:43:32,425 --> 00:43:35,826

Well, I suppose I do need

a new partner now, don't I?

716

00:43:35,828 --> 00:43:40,464

My old one seems to have

become rather untrustworthy.

717

00:43:40,466 --> 00:43:42,433

But I will warn you, Alfred.

718

00:43:42,435 --> 00:43:45,870

I'll need a firm hand and a

regular lash of the tongue.

719

00:43:45,872 --> 00:43:49,272

I can't wait
to have you under me.

720

00:43:49,274 --> 00:43:51,008

Good.

721

00:43:51,010 --> 00:43:54,078

Let's have a cup of tea
and plot our bloody revenge.

722

00:43:54,080 --> 00:43:58,482

You tidy that up.
I'll put the kettle on...

723

00:43:58,484 --> 00:43:59,919

partner.

724

00:44:10,196 --> 00:44:13,897

The way I see it,
you've got two options.

725

00:44:13,899 --> 00:44:14,932

Go on.

726

00:44:14,934 --> 00:44:16,834

Option A: suicide.

727

00:44:16,836 --> 00:44:18,502

I see. And B?

728

00:44:18,504 --> 00:44:21,037

Well, you've got to hear
the case for Option A first.

729

00:44:21,039 --> 00:44:23,207

- I do?

- You do.

730

00:44:23,209 --> 00:44:24,475

I'm all ears.

731

00:44:24,477 --> 00:44:26,310

- You're dying.

- Apparently.

732

00:44:26,312 --> 00:44:28,912

- You're not happy about it.

- Not really.

733

00:44:28,914 --> 00:44:30,413

You're miserable, touchy.

734

00:44:30,415 --> 00:44:32,783

Quite frankly,
not great company.

735

00:44:32,785 --> 00:44:34,051

Oh, thank you.

736

00:44:34,053 --> 00:44:35,553

Want my advice?

737

00:44:35,555 --> 00:44:36,890

No.

738

00:44:38,857 --> 00:44:40,558

Just end it.

739

00:44:40,560 --> 00:44:43,361

Have you ever considered
counseling?

740

00:44:43,363 --> 00:44:45,062

Every minute of every day,

741

00:44:45,064 --> 00:44:46,830

you're bombarded with
a series of hazardous

742

00:44:46,832 --> 00:44:49,566

and potentially life-ending
situations to choose from.

743

00:44:49,568 --> 00:44:51,569

Jump in front of a bus.

744

00:44:51,571 --> 00:44:53,136

Have a bath with your toaster.

745

00:44:53,138 --> 00:44:54,504

Fall on your butter knife.

746

00:44:54,506 --> 00:44:56,506

Tall buildings,
rivers, bridges, trains.

747

00:44:56,508 --> 00:44:58,142

There are more ways
to end your life

748

00:44:58,144 --> 00:45:00,410

than there are ways to live it.

749

00:45:00,412 --> 00:45:02,412

All this pissing around
in train stations

750

00:45:02,414 --> 00:45:04,048

in the middle of the night
would be over.

751

00:45:04,050 --> 00:45:07,484

End this nothing,
and all it takes is some balls.

752

00:45:07,486 --> 00:45:10,187

And my immortal soul?

753

00:45:10,189 --> 00:45:11,923

Overrated.

754

00:45:11,925 --> 00:45:14,457

Overrated?

755

00:45:14,459 --> 00:45:19,800

Have you done something to put
your immortal soul in jeopardy?

756

00:45:24,604 --> 00:45:28,939

Well, there you go then.
Nothing to worry about.

757

00:45:28,941 --> 00:45:30,174

Are you Catholic?

758

00:45:30,176 --> 00:45:31,375

Yeah.

759

00:45:33,580 --> 00:45:35,412

Religious?

760

00:45:37,584 --> 00:45:40,984

Oh, fuck me.

Oh, sorry. Um...

761

00:45:40,986 --> 00:45:43,486

Forgive me, Father,

for I have sinned.

762

00:45:43,488 --> 00:45:45,923

To be honest, I can't recall
the last time I took confession.

763

00:45:45,925 --> 00:45:49,926

I think it's more than 10,
but less than 20.

764

00:45:49,928 --> 00:45:51,194

Days?

765

00:45:51,196 --> 00:45:55,265

Months?

Not years, surely.

766

00:45:55,267 --> 00:45:57,000

Don't get pissed off at me
for telling you the truth.

767

00:45:57,002 --> 00:45:58,970

That's just mean.

768

00:45:58,972 --> 00:46:01,104

If I'd known you were like this,
I would've just said three days

769

00:46:01,106 --> 00:46:03,441

and taken my chances
with the Almighty.

770

00:46:03,443 --> 00:46:05,278

Sorry.

771

00:46:06,613 --> 00:46:09,082

That was uncalled for.

I apologize.

772

00:46:11,251 --> 00:46:13,484

Are you still there?

773

00:46:15,120 --> 00:46:17,955

I know you're there.

I can smell sherry.

774

00:46:19,158 --> 00:46:20,558

Define religious.

775

00:46:20,560 --> 00:46:21,995

Lolly?

776

00:46:23,562 --> 00:46:26,464

I'll take that

as a big fat no.

777

00:46:26,466 --> 00:46:28,933

Maybe it's divine retribution.

778

00:46:28,935 --> 00:46:31,602

Oh, yeah, that sounds tasty.

779

00:46:31,604 --> 00:46:34,604

You know,

my sins revisiting me

780

00:46:34,606 --> 00:46:37,375

and my past

coming back to haunt me...

781

00:46:37,377 --> 00:46:40,977

I'm all ears, William.

782

00:46:40,979 --> 00:46:43,050

Let me hear your confession.

783

00:46:51,457 --> 00:46:53,993

Repent and thou shalt be saved!

784

00:46:55,528 --> 00:46:57,194

That's not even from the Bible.

785

00:46:57,196 --> 00:46:59,062

Okay, that is the graffiti

786

00:46:59,064 --> 00:47:01,933

that's written on the bus stop
opposite the terminal.

787

00:47:01,935 --> 00:47:03,500

That's disappointing.

788

00:47:03,502 --> 00:47:06,002

That's pretty much my entire
knowledge of scripture.

789

00:47:06,004 --> 00:47:08,038

Try this one:

Repent, turn back,

790

00:47:08,040 --> 00:47:10,374

and thy sins

will be blotted out.

791

00:47:10,376 --> 00:47:12,209

Not really as catchy, is it?

792

00:47:14,046 --> 00:47:15,680

How's my case

for suicide progressing?

793

00:47:15,682 --> 00:47:17,214

Am I quaking your foundations?

794

00:47:17,216 --> 00:47:19,116

You're giving me a headache.

795

00:47:19,118 --> 00:47:21,118

Oh, how's this for a headache?

796

00:47:21,120 --> 00:47:23,687

Take a pencil,
jam into tabletop,

797

00:47:23,689 --> 00:47:27,024

slam head down onto pencil,
dead in five seconds.

798

00:47:27,026 --> 00:47:28,725

- That's foul.

- Isn't it?

799

00:47:28,727 --> 00:47:30,261

And every time
I suggest this to someone,

800

00:47:30,263 --> 00:47:31,729

they think it goes
up your nose.

801

00:47:31,731 --> 00:47:33,497

You've suggested this
more than once?

802

00:47:33,499 --> 00:47:35,499

It can't go up your nose.

That's impossible.

803

00:47:35,501 --> 00:47:37,468

Think about

the trajectory involved.

804

00:47:37,470 --> 00:47:39,102

It would go in your eyeball,

right?

805

00:47:39,104 --> 00:47:40,738

Through the socket,

into your brain.

806

00:47:40,740 --> 00:47:44,441

I... Well, it depends on the

angle of the head, I suppose.

807

00:47:44,443 --> 00:47:46,142

Let's test the theory.

808

00:47:46,144 --> 00:47:49,013

It's not very sharp, is it?

809

00:47:49,015 --> 00:47:50,117

Use your fancy pen then.

810

00:47:52,452 --> 00:47:53,517

It's heavier.

811

00:47:53,519 --> 00:47:56,419

Nib's sharper than yours.

812

00:47:56,421 --> 00:47:59,458

Probably get it further into
the table, better purchase.

813

00:48:01,127 --> 00:48:03,194

It would feel more proper,
wouldn't it?

814

00:48:03,196 --> 00:48:04,562

More ceremonial.

815

00:48:04,564 --> 00:48:08,064

A pen does have more purpose
than a pencil.

816

00:48:08,066 --> 00:48:09,232

More stature.

817

00:48:09,234 --> 00:48:10,700

Definitely a better choice.

818

00:48:10,702 --> 00:48:13,671

Definitely,
and how resonantly poetic.

819

00:48:13,673 --> 00:48:17,040

The English professor found
impaled on his own fountain pen.

820

00:48:17,042 --> 00:48:18,042

It's epic.

821

00:48:18,044 --> 00:48:19,075

It's inspired.

822

00:48:19,077 --> 00:48:20,410

We've cracked it!

823

00:48:20,412 --> 00:48:24,080

Time, place, method,

it's all there.

824

00:48:24,082 --> 00:48:26,082

Don't you think

it'd be a bit painful?

825

00:48:26,084 --> 00:48:27,584

You're missing the point.

826

00:48:27,586 --> 00:48:29,053

Hmm?

827

00:48:29,055 --> 00:48:30,620

Get it?

828

00:48:30,622 --> 00:48:32,790

- Brilliant.

- God, you're not very keen.

829

00:48:32,792 --> 00:48:34,524

Do you want to

kill yourself or not?

830

00:48:34,526 --> 00:48:35,725

I'm not so sure now.

831

00:48:35,727 --> 00:48:37,660

Oh, pathetic.

832

00:48:37,662 --> 00:48:39,662

Can I have that pen then?

I never had one like that.

833

00:48:39,664 --> 00:48:41,232

- No.

- Why?

834

00:48:41,234 --> 00:48:43,566

Because it's mine.

835

00:48:43,568 --> 00:48:45,201

Thought you were
about to top yourself?

836

00:48:45,203 --> 00:48:46,736

What do you need a pen for?

837

00:48:46,738 --> 00:48:48,705

Come on, please. It'll be
like you left it for me.

838

00:48:48,707 --> 00:48:50,540

- Bequeathed it, not left.
- Oh, my God.

839

00:48:50,542 --> 00:48:52,308

Shut up!
I'm taking the pen.

840

00:48:52,310 --> 00:48:54,278

You've got no use for it,

and I want it.

841

00:48:54,280 --> 00:48:56,446

Here, you can have my pencil
to make up for your loss, okay?

842

00:48:56,448 --> 00:48:58,551

Done, swapped, over.

843

00:49:20,106 --> 00:49:22,709

*How long have
we been stuck in here?*

844

00:49:24,843 --> 00:49:29,145

*12 days, 13 hours,
and 27 minutes. Why?*

845

00:49:29,147 --> 00:49:30,714

Just wondering.

846

00:49:30,716 --> 00:49:32,383

*You missing
your bottle blonde?*

847

00:49:32,385 --> 00:49:34,852

Geez, you're like
a hormonal teenager.

848

00:49:34,854 --> 00:49:37,654

She's gonna be the death of you,
that fucking girl.

849

00:49:37,656 --> 00:49:39,823

- Cards.

- Yeah?

850

00:49:39,825 --> 00:49:42,493

- Great. Hold 'em.

- Three-card brag.

851

00:49:42,495 --> 00:49:44,361

Fuck off.

That's a pouf's game.

852

00:49:44,363 --> 00:49:46,162

Fine. Hold 'em it is.

853

00:49:46,164 --> 00:49:47,865

Fair enough. Let's go!

854

00:49:47,867 --> 00:49:49,466

That's more like it.

855

00:49:49,468 --> 00:49:51,102

Oh, give 'em here.

856

00:49:51,104 --> 00:49:52,368

You're gonna fucking
hurt yourself. Come on.

857

00:49:52,370 --> 00:49:53,807

Just give 'em to me.

858

00:49:55,774 --> 00:49:57,274

For fuck's sake, Alf.

859

00:49:57,276 --> 00:49:59,745

There's fucking

barely half a deck.

860

00:50:03,515 --> 00:50:05,316

We could always play snap.

861

00:50:05,318 --> 00:50:07,620

I'll snap your fucking neck

in a minute!

862

00:50:09,856 --> 00:50:12,689

How do you play solitaire?

863

00:50:12,691 --> 00:50:16,560

Quietly, on your own,

in the other fucking room.

864

00:50:16,562 --> 00:50:19,162

- You really are becoming a...

- Yeah, a fucking liability.

865

00:50:19,164 --> 00:50:21,067

I know. Hear it all the time.

866

00:50:26,772 --> 00:50:29,540

Boss, look at this.

867

00:50:29,542 --> 00:50:30,841

What is it?

868

00:50:30,843 --> 00:50:32,609

Something for me

to beat you to death with?

869

00:50:32,611 --> 00:50:33,680

No.

870

00:50:35,680 --> 00:50:39,250

"The time has come,

the walrus said,

871

00:50:39,252 --> 00:50:40,850

to talk of many things.

872

00:50:40,852 --> 00:50:45,622

<i>Of shoes

and ships and sealing wax,</i>

873

00:50:45,624 --> 00:50:47,658

of cabbages and kings."

874

00:50:47,660 --> 00:50:52,165

"And why the sea is boiling hot
and whether pigs have wings."

875

00:50:53,499 --> 00:50:54,832

I don't get it.

876

00:50:54,834 --> 00:50:57,167

It's gibberish.

877

00:50:57,169 --> 00:50:59,470

It's all like this,
the whole bloody book.

878

00:50:59,472 --> 00:51:01,337

It's just fucking drivel.

879

00:51:01,339 --> 00:51:04,375

Well, I'm sure Lewis Carroll
will be suitably apologetic

880

00:51:04,377 --> 00:51:07,544

when he finds out
how upset you are.

881

00:51:07,546 --> 00:51:09,647

Why don't you fuck off
into the other room

882

00:51:09,649 --> 00:51:11,818

and leave me alone, eh?

883

00:51:31,336 --> 00:51:33,370

Want a drink?

884

00:51:33,372 --> 00:51:35,272

A proper drink, I mean.

885

00:51:35,274 --> 00:51:37,144

Oh, no doubt.

886

00:51:40,946 --> 00:51:43,714

Bill, it's time

we explore Option B.

887

00:51:43,716 --> 00:51:44,982

Oh, goody, there's more.

888

00:51:44,984 --> 00:51:46,250

There is.

889

00:51:46,252 --> 00:51:49,720

Option B: assisted suicide.

890

00:51:50,957 --> 00:51:53,424

I believe they call that

"euthanasia."

891

00:51:53,426 --> 00:51:54,758

Eutha-what?

892

00:51:54,760 --> 00:51:57,595

It was very popular at one time
with the Swiss.

893

00:51:57,597 --> 00:51:58,629

What's a Swiss?

894

00:52:00,499 --> 00:52:01,999

Doesn't matter.

895

00:52:02,001 --> 00:52:03,767

All I'm saying is,

896

00:52:03,769 --> 00:52:06,236

if you haven't got the peanuts
to do it yourself,

897

00:52:06,238 --> 00:52:08,238

just get someone
to do it for you.

898

00:52:08,240 --> 00:52:10,307

Are you saying I take
a contract out on myself?

899

00:52:10,309 --> 00:52:12,008

Exactly.

900

00:52:12,010 --> 00:52:14,444

Do they have an assassins
section in the classifieds?

901

00:52:14,446 --> 00:52:16,680

"Wanted: tall, dark,
anonymous stranger.

902

00:52:16,682 --> 00:52:18,249

Must have own rifle."

903

00:52:18,251 --> 00:52:19,649

My new boyfriend's
a contract killer.

904

00:52:23,256 --> 00:52:24,955

And, talk about
getting lucky,

905

00:52:24,957 --> 00:52:26,357

he's getting off

a job today.

906

00:52:26,359 --> 00:52:27,924

Serendipity, indeed.

907

00:52:27,926 --> 00:52:29,859

We could give him

a brief, you know,

908

00:52:29,861 --> 00:52:31,962

suggest a few ways

you wouldn't mind being killed,

909

00:52:31,964 --> 00:52:34,365

let him pick the best one.

910

00:52:34,367 --> 00:52:36,267

Try this on for size.

911

00:52:36,269 --> 00:52:39,303

You're just going about your
daily business, then one day,

912

00:52:39,305 --> 00:52:41,473

you're on your way home from
a long day in the classroom...

913

00:52:42,607 --> 00:52:44,741

Shot in the head.

914

00:52:44,743 --> 00:52:46,709

Last thing
you would've expected.

915

00:52:46,711 --> 00:52:49,479

I think it's safe to say
if I'd paid somebody to kill me,

916

00:52:49,481 --> 00:52:52,616

I'd be expecting to be killed
most of the time.

917

00:52:52,618 --> 00:52:55,551

You just have to, you know,
try not to think about it.

918

00:52:55,553 --> 00:52:57,854

- Oh, okay, I'll do that then.

- Right.

919

00:52:57,856 --> 00:52:59,689

Can we bank long distance
head shots then?

920

00:52:59,691 --> 00:53:01,825

Quick, anonymous, painless.

921

00:53:01,827 --> 00:53:03,426

- Sounds like a keeper.

- Great.

922

00:53:03,428 --> 00:53:04,895

Let's brainstorm
a few more ways to die.

923

00:53:04,897 --> 00:53:05,865

Let's!

924

00:53:09,669 --> 00:53:11,769

- Stabbing?

- No, I don't like knives.

925

00:53:11,771 --> 00:53:14,037

It sounds very,

sort of messy and painful.

926

00:53:14,039 --> 00:53:16,439

That's the sort of thing

he's gonna need to know.

927

00:53:16,441 --> 00:53:18,642

- Who?

- Our possibly fictitious,

928

00:53:18,644 --> 00:53:19,910

but possibly real hit man,

929

00:53:19,912 --> 00:53:20,977

who happens to be

my new boyfriend.

930

00:53:20,979 --> 00:53:22,578

Oh, okay.

931

00:53:22,580 --> 00:53:25,948

Ooh, what about a hit and run?

932

00:53:30,656 --> 00:53:33,589

Oh, now, I have a problem

with that.

933

00:53:33,591 --> 00:53:35,692

- Go on.

- What if I just get mangled?

934

00:53:35,694 --> 00:53:38,861

He'd have to reverse

back over me.

935

00:53:38,863 --> 00:53:41,098

That's just horrifying.

936

00:53:41,100 --> 00:53:42,933

Hmm.

937

00:53:42,935 --> 00:53:45,336

- Pushing?

- I don't follow.

938

00:53:45,338 --> 00:53:47,337

Off a tall building,

for the sake of argument,

939

00:53:47,339 --> 00:53:49,406

or in front of a train.

940

00:53:49,408 --> 00:53:53,644

I must say I have explored

the idea of trains somewhat.

941

00:53:53,646 --> 00:53:55,781

Hey!

942

00:53:58,050 --> 00:54:00,084

Short, sticky, and sweet.

Before you know it,

943

00:54:00,086 --> 00:54:02,352

you're strawberry jam

and dental fillings.

944

00:54:02,354 --> 00:54:03,921

You really can

paint a picture, Annie.

945

00:54:03,923 --> 00:54:05,823

Only downside's the whole

closed casket thing.

946

00:54:05,825 --> 00:54:08,758

Granted, but I am starting

to like the idea of falling.

947

00:54:08,760 --> 00:54:10,894

It sounds almost accidental.

948

00:54:10,896 --> 00:54:12,763

Can we bank it, pushing?

949

00:54:12,765 --> 00:54:14,430

Yeah, let's have it.

950

00:54:14,432 --> 00:54:16,066

To imminent death.

951

00:54:16,068 --> 00:54:17,667

To the 404.

952

00:54:31,484 --> 00:54:32,485

What's up?

953

00:54:33,919 --> 00:54:35,118

What?

954

00:54:35,120 --> 00:54:37,854

Is there anything
you want to say?

955

00:54:37,856 --> 00:54:39,325

No.

956

00:54:48,401 --> 00:54:49,866

I'm seriously fucking bored.

957

00:54:49,868 --> 00:54:51,535

You want to play a game?

958

00:54:51,537 --> 00:54:53,569

Do I look like I play

Snakes and Ladders to you?

959

00:54:53,571 --> 00:54:55,675

Well, you did do that jigsaw.

960

00:54:58,510 --> 00:54:59,709

I fucking hate puzzles.

961

00:54:59,711 --> 00:55:01,547

You did do that crossword book.

962

00:55:03,182 --> 00:55:05,084

- You trying to be funny?

- What about chess?

963

00:55:07,952 --> 00:55:10,654

- Are you trying to be funny?

- No, Boss.

964

00:55:10,656 --> 00:55:13,656

So I don't have to come over and
teach you some fucking manners.

965

00:55:13,658 --> 00:55:15,158

- No, Boss.

- Because if I do

966

00:55:15,160 --> 00:55:18,729

you're gonna fucking regret it,
you understand me?

967

00:55:18,731 --> 00:55:20,499

Yes, Boss.

968

00:55:26,604 --> 00:55:27,539

Good.

969

00:55:31,577 --> 00:55:34,144

Don't fancy Monopoly then?

970

00:55:34,146 --> 00:55:36,647

God, keep it up.

971

00:55:36,649 --> 00:55:39,683

I'm going to put you six feet
under the fucking ground, mate.

972

00:55:39,685 --> 00:55:42,122

Are you?

973

00:55:43,955 --> 00:55:46,156

You know, I don't know
why I bother on you.

974

00:55:46,158 --> 00:55:48,459

I should just shoot you
in the face,

975

00:55:48,461 --> 00:55:49,859

get myself another apprentice.

976

00:55:49,861 --> 00:55:51,928

I thought I was

a junior partner.

977

00:55:51,930 --> 00:55:55,799

Oh, that's just the flash way

of saying "apprentice."

978

00:55:55,801 --> 00:55:57,033

I'm a valuable asset.

979

00:55:57,035 --> 00:55:59,903

You're a fucking liability.

980

00:55:59,905 --> 00:56:02,538

I already told you what I do

with fucking liabilities.

981

00:56:02,540 --> 00:56:05,107

If it wasn't for me,
who'd make the tea,

982

00:56:05,109 --> 00:56:07,678

collect the cash,
sort the jobs?

983

00:56:07,680 --> 00:56:10,716

You know, do the fucking work!

984

00:56:13,752 --> 00:56:16,456

Good lad.

Now you're getting it.

985

00:56:38,843 --> 00:56:41,111

Oh, cracking.

986

00:56:41,113 --> 00:56:43,247

Pathetic fallacy.

987

00:56:43,249 --> 00:56:45,249

Whinging librarian.

988

00:56:45,251 --> 00:56:47,149

Excuse me?

989

00:56:47,151 --> 00:56:50,153

No, that's what that's called,
when emotional turmoil

990

00:56:50,155 --> 00:56:52,723

is reflected
in tangible surroundings.

991

00:56:52,725 --> 00:56:56,692

Like two lovers go their
separate ways in a rainstorm,

992

00:56:56,694 --> 00:56:59,962

or lightning strikes
as the murderer's revealed.

993

00:56:59,964 --> 00:57:01,564

It adds gravitas.

994

00:57:01,566 --> 00:57:03,165

It would hardly be
as nerve-wracking

995

00:57:03,167 --> 00:57:05,002

if the serial killer
stabbed his victim to death

996

00:57:05,004 --> 00:57:06,569

in a sunny park, would it?

997

00:57:06,571 --> 00:57:10,707

Much better in a dark alley
in a mist.

998

00:57:10,709 --> 00:57:14,310

My God, you are wasted
as a teacher.

999

00:57:14,312 --> 00:57:17,080

You should be published.

1000

00:57:17,082 --> 00:57:18,749

You should be preaching.

1001

00:57:18,751 --> 00:57:21,183

You should be inciting
bloody revolution.

1002

00:57:21,185 --> 00:57:23,854

And yet here I am,
a lamenting English teacher

1003

00:57:23,856 --> 00:57:26,022

coughing his spleen
out through his nose,

1004

00:57:26,024 --> 00:57:29,258

wishing the earth
would swallow him whole.

1005

00:57:36,135 --> 00:57:37,537

Come with me.

1006

00:57:39,972 --> 00:57:41,107

Really?

1007

00:57:42,207 --> 00:57:43,243

Bill!

1008

00:57:47,046 --> 00:57:48,515

Oh!

1009

00:57:56,287 --> 00:57:58,087

Where are we going?

1010

00:57:58,089 --> 00:58:02,625

To explore gravitas
and pathetic fallacy.

1011

00:58:02,627 --> 00:58:04,062

Chop, chop!

1012

00:58:10,903 --> 00:58:12,935

Well, this seems
like a great idea.

1013

00:58:12,937 --> 00:58:16,372

Come on, Bill.

Where's your sense of adventure?

1014

00:58:16,374 --> 00:58:19,711

Warm and dry

and congealing with my coffee.

1015

00:58:39,330 --> 00:58:41,365

What the hell is that?

1016

00:58:41,367 --> 00:58:43,100

It's an old ventilation shaft

1017

00:58:43,102 --> 00:58:45,301

from when the city actually

used to work properly.

1018

00:58:45,303 --> 00:58:47,069

It's condemned now.

1019

00:58:47,071 --> 00:58:49,872

Just a hole

dropping into nowhere.

1020

00:58:49,874 --> 00:58:53,910

Down and down and down.

1021

00:58:53,912 --> 00:58:56,979

Well, that's just about the most
terrifying thing I've ever seen.

1022

00:58:56,981 --> 00:58:58,714

You come here often, do you?

1023

00:58:58,716 --> 00:59:01,151

Oh, yes, I love it here.

1024

00:59:01,153 --> 00:59:03,754

- Here, come stand on the edge.

- No, I...

1025

00:59:03,756 --> 00:59:05,692

Close your eyes.

1026

00:59:06,925 --> 00:59:09,162

Feels amazing.

1027

00:59:10,729 --> 00:59:13,663

Annie, come on back.

1028

00:59:13,665 --> 00:59:14,798

Oh, my God!

1029

00:59:20,339 --> 00:59:21,437

Well?

1030

00:59:21,439 --> 00:59:23,173

Well, what?

1031

00:59:23,175 --> 00:59:25,174

You said you wanted the earth
to swallow you whole

1032

00:59:25,176 --> 00:59:26,877

not five minutes ago.

1033

00:59:26,879 --> 00:59:28,278

There you go.

1034

00:59:28,280 --> 00:59:29,982

You're welcome.

1035

00:59:31,249 --> 00:59:32,816

You want me to jump in there?

1036

00:59:32,818 --> 00:59:34,316

Pathetic fallacy.

1037

00:59:34,318 --> 00:59:36,819

- No, it's not.

- Yes, it is.

1038

00:59:36,821 --> 00:59:39,756

Emotional turmoil reflected
in tangible surroundings.

1039

00:59:39,758 --> 00:59:41,457

I'm in a deep, dark hole.

1040

00:59:41,459 --> 00:59:43,794

It's perfect.

1041

00:59:43,796 --> 00:59:45,261

Let's test your gravitas.

1042

00:59:45,263 --> 00:59:48,031

- Or gravity, more like.

- Exactly!

1043

00:59:48,033 --> 00:59:50,399

Look, I'm not gonna throw
myself into a yawning chasm

1044

00:59:50,401 --> 00:59:52,269

just because it fits neatly
into a metaphor!

1045

00:59:52,271 --> 00:59:55,004

Why not?

Quick, clean, painless.

1046

00:59:55,006 --> 00:59:56,839

Poetically resonant.

1047

00:59:56,841 --> 00:59:59,709

You are insane, certifiably.

1048

00:59:59,711 --> 01:00:01,111

Unquestionably.

You get close to the edge,

1049

01:00:01,113 --> 01:00:02,245

and then I can push you...

1050

01:00:02,247 --> 01:00:04,781

Time out! Time out, okay?

1051

01:00:04,783 --> 01:00:06,719

Okay, fine, fine.

1052

01:00:10,122 --> 01:00:12,388

What the fuck was that?

1053

01:00:12,390 --> 01:00:14,057

Are you out of
your fucking mind?

1054

01:00:14,059 --> 01:00:16,125

What is the worst that
could've happened, Bill?

1055

01:00:16,127 --> 01:00:18,828

You'd be dead.
It would all be over.

1056

01:00:18,830 --> 01:00:20,897

No more pain,
no more suffering.

1057

01:00:20,899 --> 01:00:22,899

No more waiting for a train
that isn't coming.

1058

01:00:22,901 --> 01:00:25,301

What if I had just let you fall?

1059

01:00:25,303 --> 01:00:27,136

None of this would be happening.

1060

01:00:27,138 --> 01:00:30,040

This conversation,
your smoldering anger,

1061

01:00:30,042 --> 01:00:32,241

your eloquent
bloody resentment.

1062

01:00:32,243 --> 01:00:33,843

Nothing.

1063

01:00:33,845 --> 01:00:36,412

Not like that.
I do not want to go like that.

1064

01:00:36,414 --> 01:00:38,214

Like what, Bill?

1065

01:00:38,216 --> 01:00:41,921

Trains, cars, gunshots,
it's all the same end product.

1066

01:00:44,923 --> 01:00:48,390

I think the question
really is,

1067

01:00:48,392 --> 01:00:52,294

do you want to go at all?

1068

01:00:52,296 --> 01:00:56,366

Standing on the edge really
makes you think, doesn't it?

1069

01:00:56,368 --> 01:00:58,033

I'll shoot you in the face.

1070

01:00:58,035 --> 01:01:01,037

I wish you bloody would,
but you won't.

1071

01:01:01,039 --> 01:01:05,075

Stop thinking, Bill.

1072

01:01:05,077 --> 01:01:08,011

Stop reasoning.

1073

01:01:08,013 --> 01:01:10,446

Just close your eyes.

1074

01:01:10,448 --> 01:01:14,950

Take a last breath

and just walk.

1075

01:01:18,856 --> 01:01:20,857

Clock's ticking.

1076

01:01:20,859 --> 01:01:22,424

It's quiet out there.

1077

01:01:22,426 --> 01:01:25,298

It's like

a fucking apocalypse.

1078

01:01:35,039 --> 01:01:36,506

Just one round.

1079

01:01:36,508 --> 01:01:37,841

What?

1080

01:01:37,843 --> 01:01:39,875

I said there's no one around.

1081

01:01:39,877 --> 01:01:41,481

Yeah, it's dead.

1082

01:01:43,314 --> 01:01:46,049

Like a corpse.

1083

01:01:53,258 --> 01:01:54,491

Was that loaded?

1084

01:01:56,127 --> 01:01:57,593

Yeah.

1085

01:01:57,595 --> 01:01:59,197

You're dead.

1086

01:02:04,269 --> 01:02:06,071

Milk, two sugars.

1087

01:02:07,138 --> 01:02:09,175

What are you waiting for?

1088

01:02:26,457 --> 01:02:27,894

That's it.

1089

01:02:38,336 --> 01:02:40,337

No. No, I can't.

1090

01:02:42,406 --> 01:02:44,843

How disappointing.

1091

01:02:47,578 --> 01:02:49,145

Disappointing?

1092

01:02:51,515 --> 01:02:54,084

Disappointing?

1093

01:02:54,086 --> 01:02:56,888

This is all a fucking game
to you, isn't it?

1094

01:02:58,890 --> 01:03:01,491

Get this through
your little skull, okay?

1095

01:03:01,493 --> 01:03:03,026

I am dying.

1096

01:03:03,028 --> 01:03:05,395

I am...

I am going to die!

1097

01:03:05,397 --> 01:03:07,930

To me, all this is real!

1098

01:03:07,932 --> 01:03:11,234

The fucking hole
in the ground is real!

1099

01:03:11,236 --> 01:03:15,537

I'm not standing on the edge.

I am already falling down!

1100

01:03:15,539 --> 01:03:18,375

What are you, like, 23, 24?

1101

01:03:18,377 --> 01:03:21,444

Young, fit as a fiddle,

immortal?

1102

01:03:21,446 --> 01:03:23,613

All your death nonsense

is exactly that.

1103

01:03:23,615 --> 01:03:26,683

A load of fucking nonsense!

1104

01:03:26,685 --> 01:03:30,319

Step into the light more,

enjoy nice things.

1105

01:03:30,321 --> 01:03:32,522

Stop skulking around

big holes in the ground

1106

01:03:32,524 --> 01:03:35,225

and wasting your life
in all-night cafes.

1107

01:03:35,227 --> 01:03:38,928

Enough with the facade,
this idle fucking fantasy!

1108

01:03:38,930 --> 01:03:41,564

Go on, Bill. Go on, rage.

1109

01:03:41,566 --> 01:03:44,466

Rage against the dying
of the fucking light!

1110

01:03:44,468 --> 01:03:46,972

Did all this death stuff
start when mommy died?

1111

01:03:48,372 --> 01:03:49,571

Ah, yeah.

1112

01:03:49,573 --> 01:03:52,308

What was it,
an absent father?

1113

01:03:52,310 --> 01:03:53,977

A concerned priest, perhaps?

1114

01:03:53,979 --> 01:03:56,111

Did you find it was easier
to get attention

1115

01:03:56,113 --> 01:03:58,113

if you were the freak,
the weirdo,

1116

01:03:58,115 --> 01:04:02,151

the angel-faced kid
with a heart of darkness?

1117

01:04:02,153 --> 01:04:05,120

I bet you were a cutter,
weren't you?

1118

01:04:05,122 --> 01:04:07,189

I bet you loved
a good razor blade.

1119

01:04:07,191 --> 01:04:10,192

Somewhere obvious where
everyone could see the scars.

1120

01:04:10,194 --> 01:04:12,428

Did you have a little friend,
a little accomplice?

1121

01:04:12,430 --> 01:04:14,698

Somebody you could go off
behind the bike shed with

1122

01:04:14,700 --> 01:04:17,066

and burn each other
with cigarettes?

1123

01:04:17,068 --> 01:04:19,468

Another little orphan helper
built in your own image,

1124

01:04:19,470 --> 01:04:21,370

the two of you

egging each other on?

1125

01:04:21,372 --> 01:04:24,040

Fuck! It's textbook, Annie!

1126

01:04:24,042 --> 01:04:25,508

Textbook!

1127

01:04:25,510 --> 01:04:27,977

You're two a penny!

1128

01:04:27,979 --> 01:04:29,578

I have taught dozens of you

over the years.

1129

01:04:29,580 --> 01:04:34,183

I have known silly little girls

like you all my life!

1130

01:04:34,185 --> 01:04:39,522

Naughty, naughty little girls
just like you!

1131

01:04:43,095 --> 01:04:44,263

Naughty.

1132

01:04:48,232 --> 01:04:50,700

I just enjoy watching
you fidget when I say...

1133

01:04:50,702 --> 01:04:52,437

Naughty.

1134

01:04:54,339 --> 01:04:55,274

Gotcha.

1135

01:04:56,508 --> 01:04:57,643

Oh, God!

1136

01:04:59,577 --> 01:05:01,613

Have we met before?

1137

01:05:03,115 --> 01:05:05,080

You remember now.

1138

01:05:05,082 --> 01:05:07,116

Don't you,

Mr. Braithwaite?

1139

01:05:07,118 --> 01:05:09,752

I think I would definitely
remember you if we'd met before.

1140

01:05:09,754 --> 01:05:12,622

You would think so,
wouldn't you?

1141

01:05:12,624 --> 01:05:15,660

You remember this
naughty little girl?

1142

01:05:17,328 --> 01:05:20,263

You remember punishing me,
Mr. B?

1143

01:05:20,265 --> 01:05:22,198

Silly, naughty little girls,
enough!

1144

01:05:22,200 --> 01:05:25,567

Maybe it's divine retribution.
You know, my sins revisiting me.

1145

01:05:25,569 --> 01:05:27,136

I'm sorry.

1146

01:05:27,138 --> 01:05:31,107

After lights out,
our little secret.

1147

01:05:31,109 --> 01:05:34,580

Did something happen to you
as a child?

1148

01:05:36,714 --> 01:05:40,151

I've waited all night
for you to remember me.

1149

01:05:41,352 --> 01:05:43,819

All fucking night,

1150

01:05:43,821 --> 01:05:47,490

not two feet away,

1151

01:05:47,492 --> 01:05:51,394

just waiting for you

to connect the dots.

1152

01:05:51,396 --> 01:05:53,763

Do you wanna know why

you don't have the balls

1153

01:05:53,765 --> 01:05:57,133

to kill yourself,

Mr. Braithwaite?

1154

01:05:57,135 --> 01:06:01,604

Because you know exactly where

you're going when you die.

1155

01:06:05,209 --> 01:06:08,611

Orphans always make the best
victims, don't they, William?

1156

01:06:08,613 --> 01:06:10,312

But chalk-stained fingers
leave indelible marks

1157

01:06:10,314 --> 01:06:12,150

on little girls' panties.

1158

01:06:13,484 --> 01:06:16,088

Consider this
divine retribution.

1159

01:06:24,729 --> 01:06:26,665

Burn in hell.

1160

01:06:35,841 --> 01:06:39,642

Was that gun loaded,
the one you pointed at me?

1161

01:06:39,644 --> 01:06:42,444

<i>Impossible to say
either way.</i>

1162

01:06:45,617 --> 01:06:47,716

- What's that?

- It's the fucking phone.

1163

01:06:47,718 --> 01:06:48,686

All right.

1164

01:06:53,725 --> 01:06:55,290

Yes?

1165

01:06:55,292 --> 01:06:57,359

Okay.

1166

01:06:57,361 --> 01:06:58,329

Got it.

1167

01:07:01,533 --> 01:07:03,669

That was Mr. fucking Franklin.

It's on.

1168

01:07:11,810 --> 01:07:12,745

Yeah.

1169

01:07:20,385 --> 01:07:21,750

Yes?

1170

01:07:21,752 --> 01:07:24,256

<i>Is this phone in range?</i>

1171

01:07:28,526 --> 01:07:30,292

Where's the fucking target?

1172

01:07:30,294 --> 01:07:31,828

Why aren't you

taking a shot?

1173

01:07:31,830 --> 01:07:33,562

There is no shot.

1174

01:07:33,564 --> 01:07:35,298

Take the shot, Vince.

What's the problem?

1175

01:07:35,300 --> 01:07:36,635

Shut up!

1176

01:07:39,271 --> 01:07:40,770

Bottle blonde!

1177

01:07:40,772 --> 01:07:42,805

Fuck hell's she doing here?

1178

01:07:42,807 --> 01:07:45,176

<i>Gotcha.</i>

1179

01:07:49,414 --> 01:07:51,749

Put the gun down, Boss.

1180

01:07:59,624 --> 01:08:01,491

What the fucking hell's
going on?

1181

01:08:01,493 --> 01:08:04,894

This is what we call

in the trade "a double-cross."

1182

01:08:04,896 --> 01:08:07,229

<i>Now put the gun down.</i>

1183

01:08:07,231 --> 01:08:10,502

<i>And now sit at the table,
hands where I can see them.</i>

1184

01:08:15,307 --> 01:08:16,438

You all right, bottle blonde?

1185

01:08:16,440 --> 01:08:18,340

<i>Took your time, sweetheart.</i>

1186

01:08:18,342 --> 01:08:20,343

<i>Thought you actually were
gonna let him have a pop at me.</i>

1187

01:08:20,345 --> 01:08:22,978

Oh, I think he's been trying
that quite enough recently.

1188

01:08:22,980 --> 01:08:24,279

<i>Stop it, Alfred.</i>

1189

01:08:24,281 --> 01:08:25,415

Don't be naughty.

1190

01:08:25,417 --> 01:08:26,782

<i>Sorry, sugarplum.</i>

1191

01:08:26,784 --> 01:08:28,751

Now get yourself over here.

1192

01:08:28,753 --> 01:08:31,757

Come and savor
this moment with me.

1193

01:08:35,293 --> 01:08:37,426

I see you finally lost
your virginity then.

1194

01:08:37,428 --> 01:08:39,431

Congratulations.

1195

01:08:46,503 --> 01:08:47,839

Hi, handsome.

1196

01:08:51,976 --> 01:08:53,443

You smell different.

1197

01:08:53,445 --> 01:08:54,844

My new perfume.

1198

01:08:54,846 --> 01:08:56,411

It's intoxicating.

1199

01:08:56,413 --> 01:08:58,413

Oh, Jesus Christ, kill me now.

1200

01:08:58,415 --> 01:08:59,482

With pleasure.

1201

01:08:59,484 --> 01:09:02,618

Wait, wait, wait, wait.

1202

01:09:02,620 --> 01:09:04,687

Tell me something.

1203

01:09:04,689 --> 01:09:06,525

What have I ever

done to you, eh?

1204

01:09:08,693 --> 01:09:10,960

Vincent Escariot.

1205

01:09:10,962 --> 01:09:12,894

Tut, tut, tut.

1206

01:09:12,896 --> 01:09:14,630

You'd sell your own partner

down the river

1207

01:09:14,632 --> 01:09:16,566

for 30 pieces of silver.

1208

01:09:16,568 --> 01:09:19,001

I like loyalty I can buy.

1209

01:09:19,003 --> 01:09:21,339

You traitor, you.

1210

01:09:22,841 --> 01:09:25,474

What the fuck's it got
to do with you?

1211

01:09:25,476 --> 01:09:29,011

Now, now, Vince,
don't be rude.

1212

01:09:29,013 --> 01:09:31,014

I think you've been
quite rude enough

1213

01:09:31,016 --> 01:09:32,982

to my other half recently.

1214

01:09:32,984 --> 01:09:34,983

Your girlfriend's doing all
your thinking now, is she?

1215

01:09:34,985 --> 01:09:37,487

Well, fuck you...

1216

01:09:37,489 --> 01:09:39,855

and your fucking whore.

1217

01:09:39,857 --> 01:09:43,059

Don't you misunderstand
the situation you're in

1218

01:09:43,061 --> 01:09:45,295

for one second, Vincent.

1219

01:09:45,297 --> 01:09:46,996

You'll keep a civil tongue
in your head,

1220

01:09:46,998 --> 01:09:48,598

or it won't be quick and easy.

1221

01:09:48,600 --> 01:09:50,500

It'll be slow and messy.

1222

01:09:50,502 --> 01:09:53,368

You are a fucking
pain in my ass!

1223

01:09:53,370 --> 01:09:54,636

As well as being
a double-crossing,

1224

01:09:54,638 --> 01:09:58,340

backstabbing,
turncoat traitor.

1225

01:09:58,342 --> 01:10:00,542

But guess what.

1226

01:10:00,544 --> 01:10:02,812

I've got a new partner now,
Vincent.

1227

01:10:02,814 --> 01:10:05,415

And unlike with you,

1228

01:10:05,417 --> 01:10:08,951

I just love it
when she fucks me.

1229

01:10:08,953 --> 01:10:11,586

This is your doing,
isn't it, bottle blonde?

1230

01:10:11,588 --> 01:10:13,755

Oh, yes, Vincent.

1231

01:10:13,757 --> 01:10:16,024

I'm the master villain.

1232

01:10:16,026 --> 01:10:18,995

Fucking crazy.

1233

01:10:18,997 --> 01:10:22,098

The pair of you,
you're both mad, delusional.

1234

01:10:22,100 --> 01:10:25,401

Fuck you
and your fucking whore!

1235
01:10:25,403 --> 01:10:28,307
You don't have to let him
talk to us like that, handsome.

1236
01:10:31,042 --> 01:10:32,910
No.

1237
01:10:38,550 --> 01:10:40,886
Your eyes. I saw them...

1238
01:10:43,654 --> 01:10:46,022
Bye, Vince.

1239
01:10:49,860 --> 01:10:52,064
- That was fun.
- It was brilliant.

1240
01:10:54,598 --> 01:10:57,367
Right. I need a shower
and a change of clothes,

1241

01:10:57,369 --> 01:10:59,434

and then I'm taking you
out to dinner.

1242

01:10:59,436 --> 01:11:00,702

My treat.

1243

01:11:00,704 --> 01:11:03,773

Our first proper date.

1244

01:11:03,775 --> 01:11:05,878

Bye-bye, sugarplum.

1245

01:11:11,449 --> 01:11:13,385

Bye, handsome.

1246

01:11:41,079 --> 01:11:43,749

Ah! Cleaning service.

1247

01:11:45,516 --> 01:11:47,783

I'll have the works,

please, mate.

1248

01:11:47,785 --> 01:11:50,489

The full spit and polish.

1249

01:11:53,792 --> 01:11:55,627

Here's a cherry on top.

1250

01:11:56,694 --> 01:11:59,461

Call it an apologetic token

1251

01:11:59,463 --> 01:12:02,467

for the little overreaction

the other night, eh?

1252

01:12:05,869 --> 01:12:09,140

See you later, Supe.

1253

01:12:17,515 --> 01:12:18,784

Ohh...

1254

01:12:30,794 --> 01:12:32,495

Hi, handsome.

1255

01:12:32,497 --> 01:12:34,098

Hello, sugarplum.

1256

01:12:39,904 --> 01:12:41,970

Did you get

your homework done?

1257

01:12:41,972 --> 01:12:44,740

- Top of the class.

- Smart girl!

1258

01:12:44,742 --> 01:12:47,643

I've got a little

surprise for you.

1259

01:12:47,645 --> 01:12:50,078

Are you wearing that stripper
getup under that red coat?

1260

01:12:50,080 --> 01:12:51,516

Stockings, suspenders?

1261

01:12:54,785 --> 01:12:58,489

You know, you really do
have such a lovely jaw.

1262

01:13:01,758 --> 01:13:04,594

Wait right here.

1263

01:13:04,596 --> 01:13:06,464

Yeah.

1264

01:13:33,223 --> 01:13:34,193

Hello?

1265

01:13:43,066 --> 01:13:44,168

Sugarplum.

1266

01:13:47,105 --> 01:13:48,106

Sugarplum.

1267

01:13:51,275 --> 01:13:54,109

I really hate that nickname.

1268

01:13:54,111 --> 01:13:57,712

Drop the gun,
hands up where I can see them.

1269

01:13:57,714 --> 01:13:59,549

One wrong move, handsome,

1270

01:13:59,551 --> 01:14:01,216

you'll have that gaping
exit wound in your face

1271

01:14:01,218 --> 01:14:03,219

we talked about.

1272

01:14:03,221 --> 01:14:04,756

Drop it.

1273

01:14:06,925 --> 01:14:08,526

Kick it away.

1274

01:14:10,861 --> 01:14:12,196

Good boy.

1275

01:14:13,664 --> 01:14:15,063

I thought we were partners.

1276

01:14:15,065 --> 01:14:16,767

I've already got a partner.

1277

01:14:18,302 --> 01:14:21,269

Cripple?

1278

01:14:21,271 --> 01:14:23,072

So all of this was, what?

1279

01:14:23,074 --> 01:14:26,175

An overelaborate scheme
perpetrated mercilessly upon you

1280

01:14:26,177 --> 01:14:29,144

by highly motivated, highly
intelligent individuals...

1281

01:14:29,146 --> 01:14:31,680

With a penchant
for amateur dramatics.

1282

01:14:31,682 --> 01:14:32,717

It's pronounced <i>penchant.</i>

1283

01:14:34,151 --> 01:14:36,719

You are correct, Alfred.

1284

01:14:36,721 --> 01:14:39,621

Two weeks you had me
in that fucking apartment,

1285

01:14:39,623 --> 01:14:42,858

waiting to kill someone
who was waiting to kill me.

1286

01:14:42,860 --> 01:14:44,960

- Why?
- Because we like to have

1287

01:14:44,962 --> 01:14:46,895

all our dollies
lined up on the shelf.

1288
01:14:46,897 --> 01:14:48,197
Shit!

1289
01:14:48,199 --> 01:14:50,765
Our starving rats
locked in a cage,

1290
01:14:50,767 --> 01:14:53,238
tearing each other apart
just for our pleasure.

1291
01:14:54,771 --> 01:14:58,640
And... you never
really liked me?

1292
01:14:58,642 --> 01:15:00,846
Me? No.

1293
01:15:02,279 --> 01:15:04,779
Has anyone ever told you

1294

01:15:04,781 --> 01:15:07,215

that you are a two-faced,

1295

01:15:07,217 --> 01:15:09,885

treacherous, manipulative,

1296

01:15:09,887 --> 01:15:12,787

callous little bitch?

1297

01:15:12,789 --> 01:15:15,726

Oh, you have no idea.

1298

01:15:19,364 --> 01:15:23,001

Annie, darling, I don't

suppose you'd consider...

1299

01:15:26,837 --> 01:15:27,972

No.

1300

01:15:36,748 --> 01:15:39,648

Look, I know

you wanted to keep him,

1301

01:15:39,650 --> 01:15:42,417

but we got bigger

fish to fry, okay?

1302

01:15:42,419 --> 01:15:45,623

I've got the ID papers.

Give me his gun.

1303

01:15:48,426 --> 01:15:51,093

Stand and deliver!

1304

01:15:51,095 --> 01:15:52,995

Oh, Christ!

1305

01:15:52,997 --> 01:15:55,200

You nearly gave me

a heart attack.

1306

01:15:57,935 --> 01:16:00,402

You're early.

1307

01:16:00,404 --> 01:16:02,203

Give me that gun.

1308

01:16:02,205 --> 01:16:04,309

Where'd you put Vincent?

1309

01:16:07,145 --> 01:16:08,814

What you gonna do
with them both?

1310

01:16:11,048 --> 01:16:14,050

Can we chuck them
in the river?

1311

01:16:14,052 --> 01:16:15,287

No.

1312

01:16:17,187 --> 01:16:19,757

I've got a better idea.
Give me a hand.

1313

01:16:38,943 --> 01:16:41,443

Ah, for a fool such as this.

1314

01:16:41,445 --> 01:16:45,214

I shall think nothing
of tumbling downstairs.

1315

01:16:45,216 --> 01:16:47,953

Curiouser and curiouser.

1316

01:16:51,855 --> 01:16:53,389

See you around, Supe.

1317

01:16:53,391 --> 01:16:54,559

Oh, good day.

1318

01:19:42,493 --> 01:19:43,895

Yes?

1319

01:19:45,162 --> 01:19:48,063

<i>It's done, Mr. Franklin.</i>

1320

01:19:48,065 --> 01:19:50,131

- <i>Yes?</i>

- Both of them.

1321

01:19:50,133 --> 01:19:51,367

<i>Good.</i>

1322

01:19:51,369 --> 01:19:55,270

And the little favor,
the teacher?

1323

01:19:55,272 --> 01:19:57,305

I'm forever in your debt.

1324

01:19:57,307 --> 01:19:59,474

Did you have fun, sweetie?

1325

01:19:59,476 --> 01:20:01,143

It was like jelly and ice cream.

1326

01:20:01,145 --> 01:20:02,611

<i>The cripple was very useful.</i>

1327

01:20:02,613 --> 01:20:04,979

End of the Line cafe.

1328

01:20:04,981 --> 01:20:06,648

- He's just the messenger.

- Mum's the word.

1329

01:20:06,650 --> 01:20:08,483

- All right, son?

- Cleaning service.

1330

01:20:08,485 --> 01:20:10,286

He has his uses.

1331

01:20:10,288 --> 01:20:12,991

Are you suitably impressed,

Mr. Franklin?

1332

01:20:14,557 --> 01:20:16,024

Most definitely.

1333

01:20:16,026 --> 01:20:17,292

<i>Good.</i>

1334

01:20:17,294 --> 01:20:19,361

So I can rely
on your business then?

1335

01:20:19,363 --> 01:20:22,697

I have a limited
range of choice.

1336

01:20:22,699 --> 01:20:26,237

You've suppressed
the competition admirably.

1337

01:20:28,239 --> 01:20:31,340

How do I know you're not
going to double-cross me?

1338

01:20:31,342 --> 01:20:33,142

<i>You seem very adept at it.</i>

1339

01:20:33,144 --> 01:20:35,544

<i>How, indeed. But remember,</i>

1340

01:20:35,546 --> 01:20:37,645

<i>I like loyalty I can buy,</i>

1341

01:20:37,647 --> 01:20:40,482

<i>and you are unique.</i>

1342

01:20:40,484 --> 01:20:43,385

<i>You're one of a kind.</i>

1343

01:20:43,387 --> 01:20:45,891

You have proved

your value to me.

1344

01:20:47,658 --> 01:20:52,594

So is this the start of

a beautiful relationship then?

1345

01:20:52,596 --> 01:20:55,133

Most definitely.

1346

01:20:56,700 --> 01:20:58,636

- Good night.

- <i>Good night.</i>

1347

01:21:17,154 --> 01:21:18,987

404.

1348

01:21:18,989 --> 01:21:20,324

Excellent.

1349

01:21:39,709 --> 01:21:41,443

What do you want?

1350

01:21:41,445 --> 01:21:43,077

There are two things in life

1351

01:21:43,079 --> 01:21:45,417

for which we are never

truly prepared.

1352

01:21:48,552 --> 01:21:49,487

Twins.

1353

01:21:58,262 --> 01:22:01,599

Well, well, well, he lives.

1354

01:22:03,667 --> 01:22:07,338

I'm sorry, Mr. Franklin,
is the light bothering you?

1355

01:22:12,342 --> 01:22:13,742

Where am I?

1356

01:22:13,744 --> 01:22:16,181

You like what we've
done with the place?

1357

01:22:26,589 --> 01:22:29,390

A woman's touch
is what was needed.

1358

01:22:29,392 --> 01:22:32,161

How... How the fuck did you...

1359

01:22:32,163 --> 01:22:35,096

Look through the looking glass,
Mr. Franklin.

1360

01:22:35,098 --> 01:22:37,733

Or shall we call you...

1361

01:22:37,735 --> 01:22:39,434

Clinton?

1362

01:22:39,436 --> 01:22:41,502

A rose by any other name.

1363

01:22:41,504 --> 01:22:43,772

You've tumbled down

the rabbit hole

1364

01:22:43,774 --> 01:22:46,541

far beyond hope

or rhyme or reason,

1365

01:22:46,543 --> 01:22:48,609

flushed away

in a river of tears.

1366

01:22:48,611 --> 01:22:51,546

You're mad!

Stark raving mad!

1367

01:22:51,548 --> 01:22:53,282

Oh, we can't help that,

said the cat.

1368

01:22:53,284 --> 01:22:54,582

We're all mad here.

1369

01:22:54,584 --> 01:22:56,186

I'm mad. You're mad.

1370

01:22:57,320 --> 01:22:58,853

Have you ever read it?

1371

01:22:58,855 --> 01:23:00,090

It's our favorite book.

1372

01:23:01,425 --> 01:23:04,225

Tweedledum and Tweedledee.

1373

01:23:04,227 --> 01:23:06,394

Mommy used to read it to us
every night.

1374

01:23:06,396 --> 01:23:08,096

We know it front to back,
cover to cover.

1375

01:23:08,098 --> 01:23:09,564

Inside and out.

1376

01:23:09,566 --> 01:23:11,532

If you gave us
a page and a line,

1377

01:23:11,534 --> 01:23:14,103

we could give you the words,
verbatim.

1378

01:23:14,105 --> 01:23:15,470

We hear tell it's hereditary.

1379

01:23:15,472 --> 01:23:16,671

Like eye color.

1380

01:23:16,673 --> 01:23:18,474

Or homicidal impulse.

1381

01:23:18,476 --> 01:23:20,408

Blood will out.

1382

01:23:20,410 --> 01:23:23,778

May we tell you a story,

Mr. Franklin?

1383

01:23:23,780 --> 01:23:27,381

Are you sitting comfortably?

1384

01:23:27,383 --> 01:23:29,686

- Then let us begin.

- Then let us begin.

1385

01:23:31,387 --> 01:23:35,590

A long time ago in a place

not dissimilar to this,

1386

01:23:35,592 --> 01:23:39,460

as a point of fact,
identical to this,

1387

01:23:39,462 --> 01:23:45,134

there lived a young woman
called Chloe Merriweather.

1388

01:23:45,136 --> 01:23:48,636

Now, Chloe Merriweather
had a gleam in her eye.

1389

01:23:48,638 --> 01:23:52,140

She wanted adventure.

1390

01:23:52,142 --> 01:23:55,611

One night in the aptly named
Anything Goes,

1391

01:23:55,613 --> 01:23:58,147

Chloe Merriweather
succumbed to the wiles

1392

01:23:58,149 --> 01:24:01,183

of one Clinton Sharp,
a low-level criminal

1393

01:24:01,185 --> 01:24:03,652

with aspirations of grandeur,

1394

01:24:03,654 --> 01:24:06,688

who whispered sweet nothings
in her ear

1395

01:24:06,690 --> 01:24:10,759

and kept her drink topped up
and his powder dry.

1396

01:24:10,761 --> 01:24:14,795

Theirs was a knee-trembling
relationship.

1397

01:24:14,797 --> 01:24:18,332

Then for a time, very little
was heard of Chloe Merriweather

1398

01:24:18,334 --> 01:24:21,335

until a year or so later
she reappeared.

1399

01:24:21,337 --> 01:24:24,872

She'd grown up,
like all little girls do.

1400

01:24:24,874 --> 01:24:28,309

She waited tables by day,

1401

01:24:28,311 --> 01:24:30,578

and she danced on them
by night.

1402

01:24:30,580 --> 01:24:34,683

For Chloe had a secret
that nobody knew

1403

01:24:34,685 --> 01:24:37,585

buried deep within
her heart of hearts.

1404

01:24:37,587 --> 01:24:41,322

She had two little girls
at home.

1405

01:24:41,324 --> 01:24:42,890

Twins.

1406

01:24:42,892 --> 01:24:46,230

The result of her passionate
tryst with Mr. Sharp.

1407

01:24:48,766 --> 01:24:50,468

- Daddy.

- Daddy.

1408

01:24:53,803 --> 01:24:56,871

But Chloe Merriweather knew
better than to involve Clinton

1409

01:24:56,873 --> 01:24:58,907

in her daughters' lives,

1410

01:24:58,909 --> 01:25:02,544

for she had seen
the shadow in his soul,

1411

01:25:02,546 --> 01:25:04,414

the murder in his eyes.

1412

01:25:07,717 --> 01:25:09,984

She kept them hidden
from the world

1413

01:25:09,986 --> 01:25:12,487

and from Clinton Sharp.

1414

01:25:12,489 --> 01:25:15,624

Deliciously sweet
were those times.

1415

01:25:15,626 --> 01:25:18,727

But life is cruel,
and the world is small,

1416

01:25:18,729 --> 01:25:21,630

and fate laughs mercilessly
at us all.

1417

01:25:21,632 --> 01:25:25,767

One deep, dark night,

1418

01:25:25,769 --> 01:25:30,538

Chloe Merriweather saw something
she ought not to have seen.

1419

01:25:33,409 --> 01:25:35,779

Clinton Sharp working.

1420

01:25:43,520 --> 01:25:46,854

Chloe Merriweather
ran for her life

1421

01:25:46,856 --> 01:25:49,860

through that deep, dark night.

1422

01:25:51,494 --> 01:25:54,662

But it wasn't long

before Clinton Sharp

1423

01:25:54,664 --> 01:25:57,366

came calling for Chloe

1424

01:25:57,368 --> 01:25:59,667

with a canister of petrol

1425

01:25:59,669 --> 01:26:01,705

and his cigarette lighter.

1426

01:26:06,877 --> 01:26:10,578

Rumor has it

he whistled while he worked.

1427

01:26:15,686 --> 01:26:18,553

But Chloe Merriweather

was a fighter,

1428

01:26:18,555 --> 01:26:20,822

a wildcat with fierce tears,

1429

01:26:20,824 --> 01:26:23,591

unwilling to go gently
into that good night.

1430

01:26:23,593 --> 01:26:25,893

Chloe saved her little girls,

1431

01:26:25,895 --> 01:26:29,363

but the wildcat could not
get herself to safety.

1432

01:26:39,043 --> 01:26:43,411

And so it was we found ourselves
wards of the precinct,

1433

01:26:43,413 --> 01:26:45,647

taken into the mercy
and kindness

1434

01:26:45,649 --> 01:26:48,483

of St. Catherine's Orphanage.

1435

01:26:48,485 --> 01:26:51,886

To the welcoming arms of
the priests and the teachers

1436

01:26:51,888 --> 01:26:54,855

with their wandering hands
and their sticky fingers.

1437

01:26:54,857 --> 01:26:58,794

Here we learned how to close
our eyes and bite our lips.

1438

01:26:58,796 --> 01:27:01,462

We learned how to go elsewhere
in our hearts and our heads

1439

01:27:01,464 --> 01:27:03,564

when the lights went out.

1440

01:27:03,566 --> 01:27:05,567

As soon as our legs
would carry us,

1441

01:27:05,569 --> 01:27:07,902

we ran far, far away.

1442

01:27:07,904 --> 01:27:10,538

Survival was
all we hoped for.

1443

01:27:10,540 --> 01:27:12,474

A feral existence.

1444

01:27:12,476 --> 01:27:15,510

Until one day,
who should we see

1445

01:27:15,512 --> 01:27:19,014

shuffling by with his cart
and his broom and his limp,

1446

01:27:19,016 --> 01:27:20,549

but Clinton Sharp.

1447

01:27:24,387 --> 01:27:27,822

In all his crippled glory.

1448

01:27:27,824 --> 01:27:30,125

That selfsame whistle

1449

01:27:30,127 --> 01:27:33,397

that had haunted

our nightmares for so long.

1450

01:27:37,767 --> 01:27:40,068

So we hunted you, Daddy,

1451

01:27:40,070 --> 01:27:44,038

and before long, we discovered

your clever little secret.

1452

01:27:44,040 --> 01:27:49,377

Mr. Franklin,

a master villain marionette.

1453

01:27:49,379 --> 01:27:52,613

The legendary black briefcases,

the infamous voice messages,

1454

01:27:52,615 --> 01:27:55,149

the lost art of mystery.

1455

01:27:55,151 --> 01:27:57,051

What's in it?

1456

01:27:57,053 --> 01:27:59,019

Another fucking

locker number.

1457

01:27:59,021 --> 01:28:02,758

Oh, you gotta love

Mr. Franklin, don't you?

1458

01:28:02,760 --> 01:28:05,059

Who says mystery's a lost art?

1459

01:28:05,061 --> 01:28:07,129

Who says

mystery's a lost art?

1460

01:28:07,131 --> 01:28:10,732

And we let you track us, Daddy,

as we tracked you.

1461

01:28:10,734 --> 01:28:13,768

Inch by inch,
we laid our plans against you.

1462

01:28:13,770 --> 01:28:16,773

We baited our traps
and cast our lures.

1463

01:28:19,109 --> 01:28:22,577

We pulled the strings
that made you dance.

1464

01:28:22,579 --> 01:28:25,580

We knew exactly
what would get your attention

1465

01:28:25,582 --> 01:28:31,185

and that you couldn't resist
hearing our confession.

1466

01:28:31,187 --> 01:28:36,090

I need a teeny, weeny donation,
Mr. Nigel Illing.

1467

01:28:36,092 --> 01:28:40,127

<i>Mr. Franklin, I must confess,
I've been a naughty girl.</i>

1468

01:28:40,129 --> 01:28:42,430

<i>Meet me at
St. Catherine's Church.</i>

1469

01:28:42,432 --> 01:28:45,032

This is
a well-conceived venue.

1470

01:28:45,034 --> 01:28:48,469

I want your work,
your contracts, all of it.

1471

01:28:48,471 --> 01:28:50,104

I'm afraid you're out of luck.

1472

01:28:50,106 --> 01:28:53,809

I've been recommended
another interested party

1473

01:28:53,811 --> 01:28:55,143
to take care of my problems.

1474

01:28:55,145 --> 01:28:57,813
I'm better.

1475

01:28:57,815 --> 01:28:59,814
I highly doubt it.

1476

01:28:59,816 --> 01:29:04,853
You men, with your bad suits
and your pumiced hair,

1477

01:29:04,855 --> 01:29:07,855
you're utterly predictable.

1478

01:29:07,857 --> 01:29:10,125
I reckon to the point
of carelessness.

1479

01:29:10,127 --> 01:29:11,526

Yes.

1480

01:29:11,528 --> 01:29:12,893

Me?

1481

01:29:12,895 --> 01:29:15,831

I'm the switchblade

in the garters,

1482

01:29:15,833 --> 01:29:18,834

the stiletto in the stilettos.

1483

01:29:18,836 --> 01:29:22,603

I'm the surprise

they never see coming.

1484

01:29:22,605 --> 01:29:25,607

Who says mystery's a lost art?

1485

01:29:25,609 --> 01:29:27,509

Who'd have thought?

1486

01:29:27,511 --> 01:29:29,446

We're Daddy's little girls,
after all.

1487

01:29:35,052 --> 01:29:37,518

And now we stand on
the brink of our vengeance,

1488

01:29:37,520 --> 01:29:40,557

on the cusp
of the wildest of justice.

1489

01:29:41,691 --> 01:29:44,960

You are my daughters, yeah?

1490

01:29:44,962 --> 01:29:47,595

In blood only, Daddy.

1491

01:29:47,597 --> 01:29:49,197

Don't get too attached.

1492

01:29:49,199 --> 01:29:51,666

Mommy has to be avenged.

1493

01:29:51,668 --> 01:29:54,702

Tell us, Daddy, are you familiar
with the science of lobotomy?

1494

01:29:54,704 --> 01:29:56,705

Much maligned
in this day and age,

1495

01:29:56,707 --> 01:29:59,573

but somehow rather
fitting in this scenario,

1496

01:29:59,575 --> 01:30:00,575

don't you think?

1497

01:30:00,577 --> 01:30:02,510

Please, girls.

1498

01:30:02,512 --> 01:30:04,712

Anything.

I'll do anything.

1499

01:30:04,714 --> 01:30:07,215

But not this, please!

Not this.

1500

01:30:07,217 --> 01:30:10,585

I beseech you

in your mother's name!

1501

01:30:10,587 --> 01:30:12,019

I am your father!

1502

01:30:12,021 --> 01:30:15,290

No, no, no.

Far too little, far too late.

1503

01:30:15,292 --> 01:30:17,626

Shh, Daddy, easy.

1504

01:30:17,628 --> 01:30:20,127

I've got you.

Try not to fight.

1505

01:30:20,129 --> 01:30:22,130

The time has come,
the walrus said,

1506

01:30:22,132 --> 01:30:24,064

to speak of many things,

1507

01:30:24,066 --> 01:30:27,768

like shoes and ships
and sealing wax,

1508

01:30:27,770 --> 01:30:30,173

cabbages and kings.

1509

01:30:37,146 --> 01:30:39,781

An eye for an eye, Daddy.

1510

01:30:47,324 --> 01:30:49,758

The coup de grâce
is yours, dear sister.

1511

01:30:49,760 --> 01:30:51,561

The nail in the coffin.

1512

01:30:55,565 --> 01:30:57,934

Send Mr. Franklin

to Wonderland.

1513

01:31:06,743 --> 01:31:08,044

Night-night, Daddy.

1514

01:31:18,922 --> 01:31:20,889

- Perfect.

- Perfect.
