

Dialogues from 21 Blackjack to improve the vocabulary in English

1

00:00:39,777 --> 00:00:42,302

<i>"Winner, winner, chicken dinner."</i>

2

00:00:43,580 --> 00:00:47,072

<i>Those words had been dancing
around my head all night.</i>

3

00:00:48,118 --> 00:00:50,450

<i>I mean, it's Vegas lore, that phrase.</i>

4

00:00:51,255 --> 00:00:54,656

<i>Just ask any of the old-time pit bosses,
they'll know.</i>

5

00:00:57,895 --> 00:01:02,332

<i>It was a Chinese dealer at Binion's
who was first credited with the line.</i>

6

00:01:03,100 --> 00:01:06,069

What are you doing?

742

00:56:18,765 --> 00:56:22,633

I'm just jumping up and down on my bed.

743

00:56:26,473 --> 00:56:28,737

What? You never did that
when you were a kid?

744

00:56:28,842 --> 00:56:31,333

- No. Not really, never.

- No.

745

00:56:32,346 --> 00:56:33,472

Right.

746

00:56:36,750 --> 00:56:37,909

All right.

747

00:56:38,017 --> 00:56:40,451

So where were you this weekend?

I tried calling you, like, 15 times.

1008

01:17:22,577 --> 01:17:23,839

Thanks, baby, here.

1009

01:17:23,945 --> 01:17:25,435

Oh, no problem. Anytime.

1010

01:17:25,546 --> 01:17:28,447

- Watch. Watch, watch. Ready?

- Okay, I'm watching. That's beautiful.

1011

01:17:28,549 --> 01:17:29,538

Watch.

1012

01:17:29,650 --> 01:17:33,381

No, it's great, you just need
to get your knee a little higher.

1013

01:17:55,542 --> 01:17:57,066

- Hi.

- Hey.

1014

01:17:58,445 --> 01:18:00,879

Well, that's all right.

I've been winning and losing for years.

1349

01:48:36,789 --> 01:48:38,313

What the hell kind of streak
are you on, boy?

1350

01:48:38,424 --> 01:48:41,086

This never happens, this never happens.

1351

01:48:54,139 --> 01:48:55,936

I'm just gonna have to split those tens.

1352

01:48:56,041 --> 01:48:57,599

- Splitting tens.

- Splitting tens!

1353

01:48:57,710 --> 01:48:58,844

- Split tens!

- Again!

1354

01:48:58,844 --> 01:48:59,572

- Split tens!
