

Dialogues from A Bug's Life to improve the vocabulary in English

1

00:02:07,544 --> 00:02:10,342

No, no, no.

Oh, no. Oh, no.

2

00:02:10,413 --> 00:02:12,381

I'm lost!

Where's the line?

3

00:02:12,449 --> 00:02:15,441

<i>It just went away.

What do I do?*</i>*

4

00:02:15,519 --> 00:02:17,544

- Help!

- We'll be stuck here forever!

5

00:02:17,621 --> 00:02:19,987

Do not panic.

Do not panic!

6

00:02:20,056 --> 00:02:23,583

We are trained professionals.

Now, stay calm.

7

00:02:23,660 --> 00:02:25,821

We are going around the leaf.

8

00:02:25,896 --> 00:02:28,729

A- Around the leaf?

I don't think we can do that.

9

00:02:28,799 --> 00:02:32,667

Oh, nonsense. This is nothing
compared to the twig of '93.

10

00:02:32,736 --> 00:02:36,570

That's it. That's it. Good!

11

00:02:36,640 --> 00:02:40,303

You're doing great!

There you go. There you go!

12

00:02:40,377 --> 00:02:42,572

Watch my eyes.

Don't look away.

13

00:02:42,646 --> 00:02:46,606

- And here's the line again.

- Thank you. Thank you, Mr. Soil.

14

00:02:46,684 --> 00:02:49,676

Good job, everybody!

15

00:02:49,754 --> 00:02:52,188

<i>Oh, my.

There's quite a gap, Mr. Soil.</i>

16

00:02:52,256 --> 00:02:55,623

- Shouldn't we tell the queen?

- I don't think we need

to involve the queen in this.

17

00:02:55,693 --> 00:02:59,390

She's got enough on her plate already,
training her daughter.

18

00:02:59,463 --> 00:03:03,365

Oh, yes.

Princess Atta, the poor dear.

19

00:03:03,434 --> 00:03:07,097

Oh, wind's died down.

They'll be here soon.

20

00:03:07,171 --> 00:03:11,073

- Just be confident, dear.

You'll be fine.

- There's a gap.

21

00:03:11,142 --> 00:03:14,077

<i>There's a gap in the line.

What are we gonna do?</i>

22

00:03:14,145 --> 00:03:17,672

It's okay, Your Highness. Gaps happen.

We just lost a few inches, that's all.

23

00:03:17,748 --> 00:03:19,682

Oh. Right.

24

00:03:21,018 --> 00:03:23,748

Your Highness, I can't count
when you hover like that.

25

00:03:23,821 --> 00:03:25,755

Oh, of course.
I'm sorry. Go ahead.

26

00:03:25,823 --> 00:03:28,417

- Guys, go shade
someone else for a while.

27

00:03:28,492 --> 00:03:30,653

Okay, Atta.
Now what do we do?

28

00:03:30,728 --> 00:03:34,994

Ahh... Oh! Don't tell me.
I know it. What is it?

29

00:03:35,066 --> 00:03:37,500

<i>- We relax.

- Right.</i>

30

00:03:37,568 --> 00:03:40,969

Oh, it'll be fine.

It's the same, year after year.

31

00:03:41,038 --> 00:03:44,269

They come, they eat, they leave.

That's our lot in life.

32

00:03:44,342 --> 00:03:46,776

It's not a lot, but it's our life.

33

00:03:48,346 --> 00:03:51,474

Isn't that right, Aphie?

Oh, you're such a cute little aphid.

34

00:03:53,484 --> 00:03:55,418

- Ditch Dot!

- Yeah, yeah!

35

00:03:55,486 --> 00:03:57,750

Hey, come back here!

36

00:03:59,724 --> 00:04:01,658

<i>- Dot!

- Yes, Mother.</i>

37

00:04:01,726 --> 00:04:04,252

What did I tell you
about trying to fly?

38

00:04:04,329 --> 00:04:06,627

Not until my wings grow in.

39

00:04:06,698 --> 00:04:08,632

<i>- Right.

- But Mom...</i>

40

00:04:08,700 --> 00:04:11,464

Dot, you're a young queen ant
and your wings are too little...

41

00:04:11,536 --> 00:04:15,097

I was talking to Mother.
You're not the queen yet, Atta.

42

00:04:15,173 --> 00:04:17,698

Now, Dot,

be nice to your sister.

43

00:04:17,776 --> 00:04:20,006

<i>It's not my fault

she's so stressed out.</i>

44

00:04:20,078 --> 00:04:22,205

I know, I know.

45

00:04:22,281 --> 00:04:25,614

<i>- I'm always acting

like the sky is falling.

- Look out!</i>

46

00:04:25,684 --> 00:04:28,346

- Atta!

- Princess Atta!

47

00:04:45,671 --> 00:04:47,696

- Oh!

- Hey!

48

00:04:47,773 --> 00:04:50,799

<i>- Stop that!

- What do you think you're doing?</i>

49

00:04:50,876 --> 00:04:53,640

- You could have killed

somebody over here.

- I'm sorry!

50

00:04:53,712 --> 00:04:56,613

- Oh, it's Flik.

- Oh...

51

00:04:56,682 --> 00:04:58,809

I'm sorry, I'm sorry,

I'm sorry, I'm so sorry!

52

00:04:58,884 --> 00:05:01,114

Please forgive me. I'm sorry!

53

00:05:01,186 --> 00:05:04,121

- Princess Atta!

- Flik, what are you doing?

54

00:05:04,189 --> 00:05:07,317

Oh, this! This is my new idea
for harvesting grain.

55

00:05:07,392 --> 00:05:10,623

No more picking individual kernels.
You cut down the entire stalk!

56

00:05:10,696 --> 00:05:15,190

- We don't have time for this.
- Exactly! We never have time
to collect food for ourselves.

57

00:05:15,267 --> 00:05:17,360

We spend all summer
harvesting for the offering.

58

00:05:17,436 --> 00:05:21,806

<i>- But my invention will
speed up production.

- Oh, another invention?</i>

59

00:05:21,874 --> 00:05:23,808

Something for you too.

60

00:05:23,876 --> 00:05:25,969

Since you're gonna be queen, you could
use this to oversee production.

61

00:05:26,045 --> 00:05:29,503

<i>- Dr. Flora, if I may.

- This is all very nice, but...</i>

62

00:05:29,582 --> 00:05:32,949

- Just an ordinary blade of grass
and a bead of dew, right?

- Flik, please.

63

00:05:33,019 --> 00:05:37,547

Wrong! It is, in fact, a telescope.

64

00:05:37,623 --> 00:05:41,218

- It's very clever, Flik, but...

- Hello, Princess! Aren't you

looking lovely this morning!

65

00:05:41,294 --> 00:05:44,092

Not that you would need
a telescope to see that.

66

00:05:44,163 --> 00:05:48,031

Listen! The princess doesn't
have time for this!

67

00:05:48,101 --> 00:05:50,160

You wanna help fill this thing?
Get rid of that machine,

68

00:05:50,236 --> 00:05:53,603

get back in line and pick grain
like everybody else!

69

00:05:53,673 --> 00:05:56,767

- Like everybody else!
- Please, Flik. Just go.

70

00:05:56,843 --> 00:05:59,004

I'm sorry,
I was really just trying...

71
00:06:00,079 --> 00:06:02,013
trying to help.

72
00:06:05,184 --> 00:06:10,713
<i>Harvester. Why, we harvested
the same way ever since I was a pupa.</i>

73
00:06:10,790 --> 00:06:13,258
Where were we?

74
00:06:13,326 --> 00:06:15,453
<i>- The food pile, Your Highness.
- Oh, yes, yes.</i>

75
00:06:15,528 --> 00:06:18,224
Hey, Flick! Wait up!

76
00:06:18,297 --> 00:06:20,231
Oh. Hello, Princess.

77

00:06:20,299 --> 00:06:22,859

You can call me Dot.

Here, you forgot this.

78

00:06:22,935 --> 00:06:25,665

Thanks. You can keep it.

I can make another one.

79

00:06:25,738 --> 00:06:30,072

- I like your inventions.

- Really? Well, you're the first.

80

00:06:30,143 --> 00:06:33,874

- I'm beginning to think

nothing I do works.

- This works.

81

00:06:33,946 --> 00:06:36,074

Great. One success.

82

00:06:36,150 --> 00:06:38,983

- I'm never gonna make a difference.

- Me, neither.

83

00:06:39,053 --> 00:06:42,784

I'm a royal ant and I can't
even fly yet. I'm too little.

84

00:06:42,856 --> 00:06:45,791

- Being little's not such a bad thing.
- Yes, it is.

85

00:06:45,859 --> 00:06:47,383

- No, it's not.
- Is too!

86

00:06:47,461 --> 00:06:50,328

- Is not. Is not! Is not!
- Is too. Is too! Is too!

87

00:06:50,397 --> 00:06:53,924

Oh! A seed.
I need a seed. Ahh...

88

00:06:58,705 --> 00:07:00,639

Ohh!

89

00:07:00,707 --> 00:07:02,641

Ah, here, here.

90

00:07:03,710 --> 00:07:05,735

Pretend... pretend

that that's a seed.

91

00:07:05,813 --> 00:07:07,906

- It's a rock.

- I know it's a rock.

92

00:07:07,981 --> 00:07:11,747

<i>But let's just pretend for a minute it's
a seed. We'll just use our imaginations.</i>

93

00:07:11,819 --> 00:07:13,753

Now, do you see our tree?

94

00:07:13,821 --> 00:07:16,984

<i>Everything that made
that giant tree...</i>

95

00:07:17,057 --> 00:07:20,390

is already contained
inside this tiny little seed.

96

00:07:20,461 --> 00:07:23,521

All it needs is some time, a little bit
of sunshine and rain, and...

97

00:07:23,597 --> 00:07:25,588

voila!

98

00:07:26,867 --> 00:07:29,097

This rock will be a tree?

99

00:07:29,169 --> 00:07:31,660

Seed to tree. You've gotta
work with me, all right?

100

00:07:31,738 --> 00:07:33,899

You might not feel
like you can do much now,

101

00:07:33,974 --> 00:07:36,568

but that's just because,
well, you're not a tree yet.

102

00:07:36,643 --> 00:07:39,669

You just have to give yourself
some time. You're still a seed.

103

00:07:39,746 --> 00:07:42,044

But it's a rock.

104

00:07:42,116 --> 00:07:44,050

<i>I know it's a rock!</i>

105

00:07:44,118 --> 00:07:48,054

Don't ya think I know a rock
when I see a rock? I've spent
a lot of time around rocks!

106

00:07:48,122 --> 00:07:50,387

You're weird, but I like you.

107

00:07:52,293 --> 00:07:54,124

They're here.

108

00:08:09,777 --> 00:08:12,837

- They're coming!

- Run!

109

00:08:12,914 --> 00:08:16,680

- Dot! Dot!

- Mom!

110

00:08:16,751 --> 00:08:18,912

- Mom!

- Thank heavens!

111

00:08:18,987 --> 00:08:23,617

- Food to the offering stone.

- Everyone, single file.

112

00:08:23,691 --> 00:08:27,218

Food to the offering stone
and into the anthill. Now let's go!

113

00:08:27,295 --> 00:08:30,594

Go, go, go, go!

114

00:08:55,290 --> 00:08:58,691

Come on, keep movin', keep movin'!

Good.

115

00:08:58,760 --> 00:09:01,228

<i>Okay. That's everyone.</i>

116

00:09:02,597 --> 00:09:04,531

<i>Hey!</i>

117

00:09:04,599 --> 00:09:07,262

Hey, wait for me!

118

00:09:07,336 --> 00:09:10,464

Get the food to the offering stone,
then into the anthill.

119

00:09:44,907 --> 00:09:46,841

Princess Atta!

Princess Atta!

120

00:09:46,909 --> 00:09:48,843

Princess Atta!

121

00:09:58,053 --> 00:10:02,114

They come, they eat, they leave.

They come, they eat, they leave.

122

00:10:02,191 --> 00:10:04,659

Excuse me, pardon me.

Pardon me, excuse me. Coming through.

123

00:10:04,727 --> 00:10:07,287

Sorry. Coming through. Princess Atta,
there's something I need to tell you.

124

00:10:07,363 --> 00:10:11,390

- Not now, Flick. Shh!

- But Your Highness,
it's about the offering!

125

00:10:11,467 --> 00:10:14,959

<i>Hey, what's goin'on?</i>

126

00:10:15,037 --> 00:10:16,971

<i>Yeah, where's the food?</i>

127

00:10:19,208 --> 00:10:23,407

<i>- What did you do?

- It was an accident?</i>

128

00:10:38,762 --> 00:10:41,390

Boo!

129

00:10:42,632 --> 00:10:45,726

Where's the food?

130

00:10:56,846 --> 00:10:59,076

Hopper.

131

00:11:24,407 --> 00:11:27,137

So, where is it?

132

00:11:27,210 --> 00:11:29,610

<i>Where's my food?</i>

133

00:11:32,615 --> 00:11:35,448

- I-I-Isn't it up there?

- What?

134

00:11:35,518 --> 00:11:38,146

- The food was in a leaf

sitting on top...

- Excuse me.

135

00:11:38,221 --> 00:11:40,349

Are you sure

it's not up there?

136

00:11:40,424 --> 00:11:42,551

- Are you saying I'm stupid?

- No.

137

00:11:42,626 --> 00:11:45,618

Do I look stupid... to you?

138

00:11:45,696 --> 00:11:49,097

Let's just think about the logic,

shall we? Think about it for a second.

139

00:11:49,166 --> 00:11:52,294

If it was up there,
would I be coming down here,

140

00:11:52,370 --> 00:11:55,339

to your level,
looking for it?

141

00:11:55,406 --> 00:11:57,840

- Uh, I...
- Why am I even talking to you?

142

00:11:57,908 --> 00:12:00,604

You're not the queen.
You don't smell like the queen.

143

00:12:00,678 --> 00:12:03,613

<i>Sh-She's learning
to take over for me, Hopper.</i>

144

00:12:03,681 --> 00:12:08,846

Oh, I see. Under new management.

So it's your fault.

145

00:12:08,919 --> 00:12:11,945

No, it wasn't me, it was...

146

00:12:12,022 --> 00:12:16,686

<i>Uh-uh-uh. First rule of leadership:

Everything is your fault.</i>

147

00:12:16,761 --> 00:12:20,492

- But-But I...

- It's a bug-eat-bug world

out there, Princess,

148

00:12:20,564 --> 00:12:23,863

one of those circle-of-life

kind of things.

149

00:12:23,934 --> 00:12:27,301

<i>Now, let me tell you

how things are supposed to work.</i>

150

00:12:27,371 --> 00:12:31,432

The sun grows the food,
the ants pick the food,

151

00:12:31,509 --> 00:12:33,500

the grasshoppers eat the food...

152

00:12:33,577 --> 00:12:35,670

<i>And the birds eat the grasshoppers.</i>

153

00:12:35,746 --> 00:12:39,045

Hey, like the one that nearly ate you,
you 'member? Oh, you shoulda seen it.

154

00:12:39,116 --> 00:12:42,517

This blue jay has
him halfway down his throat,
and Hopper's kickin' and screamin'.

155

00:12:42,586 --> 00:12:44,520

<i>And I'm scared.

I'm not goin' anywhere near, okay?</i>

156

00:12:44,588 --> 00:12:49,355

Aw, come on.

It's a great story. Ow, ow, ow.

157

00:12:49,427 --> 00:12:53,295

I swear, if I hadn't promised

Mother on her deathbed...

158

00:12:53,364 --> 00:12:55,993

<i>that I wouldn't kill you,

I would kill you.</i>

159

00:12:56,067 --> 00:12:59,059

- And believe me, no one

appreciates that more than I do.

- Shut up!

160

00:12:59,137 --> 00:13:01,401

I don't want to hear another word

out of you while we're on this island.

161

00:13:01,473 --> 00:13:03,998

Do you understand me?

162

00:13:04,075 --> 00:13:08,011

- I said, do you understand me?

- How can I answer? You said

I couldn't say another word.

163

00:13:08,079 --> 00:13:10,639

Remember Ma!

164

00:13:15,153 --> 00:13:18,850

Hey, I'm a compassionate insect.

165

00:13:18,924 --> 00:13:21,586

There's still a few months

till the rains come,

166

00:13:21,660 --> 00:13:25,027

so you can all just try again.

167

00:13:25,096 --> 00:13:27,826

<i>But, Hopper, since it's

almost the rainy season,</i>

168

00:13:27,899 --> 00:13:30,163

we need this time
to gather food for ourselves.

169

00:13:30,235 --> 00:13:32,703

Listen, if you don't
keep your end of the bargain,

170

00:13:32,771 --> 00:13:35,001

then I can't guarantee your safety.

171

00:13:35,073 --> 00:13:38,907

And there are insects out there
that will take advantage of you.

172

00:13:38,977 --> 00:13:42,208

Someone could get hurt.

173

00:13:52,757 --> 00:13:55,351

What's the matter?

You scared of grasshoppers?

174

00:13:58,964 --> 00:14:01,262

- Dot!

- You don't like Thumper?

175

00:14:02,434 --> 00:14:05,028

Leave her alone!

176

00:14:14,914 --> 00:14:18,782

You want her?

Go ahead... take her.

177

00:14:21,521 --> 00:14:25,048

No?

Then get back in line.

178

00:14:29,061 --> 00:14:34,465

It seems to me that you ants
are forgetting your place.

179

00:14:34,534 --> 00:14:38,664

So let's double
the order of food.

180

00:14:38,738 --> 00:14:40,672

No! But-But...

181

00:14:40,740 --> 00:14:44,141

We'll be back

at the end of the season,

182

00:14:44,210 --> 00:14:47,771

when the last leaf falls.

183

00:14:53,619 --> 00:14:57,111

You ants have a nice summer.

Let's ride!

184

00:14:57,189 --> 00:15:01,023

Yee-ha!

185

00:15:05,431 --> 00:15:07,661

Ooh!

186

00:15:19,879 --> 00:15:22,848

Flik, what do you have

to say for yourself?

187

00:15:22,915 --> 00:15:26,316

Sorry. I... I'm sorry
for the way I am.

188

00:15:26,385 --> 00:15:28,581

I didn't mean for things
to go so wrong.

189

00:15:28,655 --> 00:15:31,146

I especially didn't want
to make you look bad, Princess.

190

00:15:31,224 --> 00:15:34,489

- Well, Flik, ya did.
- I was just trying to help.

191

00:15:34,561 --> 00:15:38,827

<i>- Then help us... don't help us.
- Help, help. Help?</i>

192

00:15:38,899 --> 00:15:41,094

Flik, you are sentenced to
one month digging in the tunnels.

193

00:15:41,168 --> 00:15:44,968

Excuse me, Your Highness.

Need I remind you of Flik's
tunnel-within-a-tunnel project?

194

00:15:45,038 --> 00:15:47,506

Helpers to help us.

That's it! We could...

195

00:15:47,574 --> 00:15:49,838

It took two days to dig him out.

Send him to Health and Ant Services.

196

00:15:49,910 --> 00:15:51,844

Heavens, no!

197

00:15:51,912 --> 00:15:56,144

We could leave the island,
the river bed's dry.

We could walk across and get helpers.

198

00:15:56,216 --> 00:15:59,014

We could! We could go

find helpers to help us.

199

00:15:59,086 --> 00:16:03,022

- It's perfect!

- Perfect? What's so perfect?

200

00:16:03,090 --> 00:16:06,491

Your Highness, don't you see?

We could send someone to get help!

201

00:16:06,560 --> 00:16:08,551

Leave the island?

202

00:16:08,629 --> 00:16:12,429

Why didn't I think of that?

Oh! Because it's suicide!

203

00:16:12,499 --> 00:16:14,933

<i>- She's right! We never leave the island.

- Never leave!</i>

204

00:16:15,002 --> 00:16:17,368

There's snakes and birds

and bigger bugs out there!

205

00:16:17,437 --> 00:16:19,667

Exactly! Bigger bugs!

206

00:16:19,740 --> 00:16:22,265

We could find bigger bugs
to come here and fight...

207

00:16:22,342 --> 00:16:24,936

and forever rid us
of Hopper and his gang!

208

00:16:25,012 --> 00:16:28,106

- Ludicrous!
- Who would do a crazy thing like that?

209

00:16:28,181 --> 00:16:30,945

- I'll volunteer.
I'd be happy to volunteer.

210

00:16:31,018 --> 00:16:34,681

You got a lot of spunk, kid,

but no one's gonna help a bunch of ants.

211

00:16:34,755 --> 00:16:39,055

At least we could try. I could travel
to the city! I could search there!

212

00:16:39,126 --> 00:16:41,560

*<i>If you went, you'd be
on that silly search for weeks.</i>*

213

00:16:41,628 --> 00:16:43,426

Royal huddle.

214

00:16:43,498 --> 00:16:46,626

- Great idea, Princess. It's perfect!
- Exactly.

215

00:16:46,701 --> 00:16:49,670

- Wait a minute.
What did we just decide here?
- To let Flik leave.

216

00:16:49,737 --> 00:16:52,570

While we keep harvesting
to meet Hopper's demands.

217

00:16:52,640 --> 00:16:57,043

- You see, with Flik gone, he can't...
- He can't mess anything up!

218

00:16:57,111 --> 00:17:03,016

Flik, after much deliberation, we have
decided to grant you your request.

219

00:17:03,084 --> 00:17:05,814

- Really?
- Really?
- Uh, really.

220

00:17:05,887 --> 00:17:08,321

Oh, thank you, Princess.
Thank you so much for this chance.

221

00:17:08,389 --> 00:17:11,415

- I won't let you down,
I promise, I promise, I promise.
- That's fine. No, forget it.

222

00:17:11,492 --> 00:17:15,588

- I should help repair
the damage before I go.

- No! No, no!

223

00:17:15,663 --> 00:17:17,790

<i>Just leave!</i>

224

00:17:45,960 --> 00:17:47,928

Hey.

225

00:17:58,439 --> 00:18:02,934

Don't worry!

The colony is in good hands!

226

00:18:03,011 --> 00:18:05,275

Bye, now.

227

00:18:12,721 --> 00:18:14,882

All right.

228

00:18:16,925 --> 00:18:19,723

Hey, fellas.

Beautiful mornin', huh?

229

00:18:22,698 --> 00:18:25,997

My dad gives you one hour
before you come back crying.

230

00:18:26,068 --> 00:18:28,002

Does he, now?

231

00:18:28,070 --> 00:18:30,038

- My dad doesn't think that.

- He doesn't, huh?

232

00:18:30,105 --> 00:18:33,165

- Naw, he's bettin' you're gonna die.

- Oh.

233

00:18:33,242 --> 00:18:35,972

He says if the heat doesn't get ya,
the birds will.

234

00:18:36,044 --> 00:18:37,978

I think he's gonna make it.

235

00:18:38,046 --> 00:18:41,675

- Nobody asked you, Your Royal Shortness.

- Yeah, Dot. What do you know?

236

00:18:41,750 --> 00:18:43,980

Hey, hey, hey.

Ease up. Come on.

237

00:18:44,052 --> 00:18:46,418

She's entitled
to her opinion too.

238

00:18:56,732 --> 00:18:58,757

<i>Ohh.</i>

239

00:18:58,834 --> 00:19:00,995

So go, already.

240

00:19:01,069 --> 00:19:03,367

- Hey!

- The city's that way.

241

00:19:03,438 --> 00:19:07,966

- I know.

- You're supposed to look for bugs,
not dandelions.

242

00:19:08,043 --> 00:19:10,511

You leave him alone.

He knows what he's doing.

243

00:19:10,579 --> 00:19:12,638

<i>That's right.</i>

244

00:19:12,714 --> 00:19:17,880

Here I go. For the colony,
and for oppressed ants everywhere!

245

00:19:20,023 --> 00:19:21,957

Whoa-oh.

246

00:19:23,259 --> 00:19:25,784

<i>- Wow!

- Hey!

247

00:19:25,862 --> 00:19:29,059

- Hey-hey!

- Bye, Flik!

248

00:19:35,405 --> 00:19:37,373

Wow!

249

00:19:37,440 --> 00:19:41,206

Wow. Ohh!

250

00:19:43,179 --> 00:19:45,147

Whoa!

251

00:19:45,215 --> 00:19:47,706

Good luck, Flik!

252

00:19:47,784 --> 00:19:50,810

Bye! Whoa-oh!

253

00:19:50,887 --> 00:19:53,048

Flik!

254

00:19:53,122 --> 00:19:56,319

I'm... okay!

255

00:19:56,392 --> 00:20:00,419

- Your dad's right. He's gonna die.

- You just watch.

256

00:20:00,496 --> 00:20:04,398

He's gonna get the bestest,
roughest bugs you've ever seen!

257

00:20:06,669 --> 00:20:10,901

Get back! Get back!

Get back, you horrible beast!

258

00:20:10,974 --> 00:20:13,465

I have no fear! Aye-eee!

259

00:20:13,543 --> 00:20:16,137

- Ooh!

- Oh, my goodness.

260

00:20:16,212 --> 00:20:19,340

Oh, no!

261

00:20:21,551 --> 00:20:24,145

- Oh, I'm so sorry, Dim. An owie?

- Owie! Owie, owie.

262

00:20:24,220 --> 00:20:26,814

Please show Rosie the owie.

All right, Dim. It's okay.

263

00:20:30,226 --> 00:20:33,526

I have been in outhouses
that didn't stink that bad.

264

00:20:33,597 --> 00:20:36,293

This is ridiculous.

What a disappointment!

265

00:20:36,367 --> 00:20:39,803

- Oh, no!

- You! Come here! I want my money back!

266

00:20:39,870 --> 00:20:42,703

Uh, no refunds

after the first two minutes.

267

00:20:42,773 --> 00:20:44,468

Popcorn! Stale popcorn!

268

00:20:44,541 --> 00:20:47,533

We're losin' the audience!

You clowns get out there now!

269

00:20:47,611 --> 00:20:51,138

- I hate performing on an empty stomach!

- Do your act, Heimlich.

270

00:20:51,215 --> 00:20:54,548

- Then you can eat. Not now, Slim.

- P.T., what's the point?

271

00:20:54,618 --> 00:20:57,883

What's the point of going out there?

They'll only laugh at me.

272

00:20:57,955 --> 00:21:02,051

- That's because you're a clown!

- No, it's because I'm a prop!

273

00:21:02,126 --> 00:21:06,825

You always cast me as the broom,
the pole, the stick, a splinter.

274

00:21:06,897 --> 00:21:09,195

You're a walkingstick.

It's funny!

275

00:21:09,266 --> 00:21:11,564

- Now go!

- You parasite.

276

00:21:21,312 --> 00:21:24,406

Tra-la-la-la-la.

Spring's in the air.

277

00:21:24,481 --> 00:21:28,042

And I'm a flower with

nothing interesting to say.

278

00:21:28,118 --> 00:21:30,052

A bee!

279

00:21:30,120 --> 00:21:33,521

I am a cute little bumblebee!

Here I come!

280

00:21:35,092 --> 00:21:37,822

Slow down, you flowers!

281

00:21:37,895 --> 00:21:42,525

Candy corn! Here,

let me help you to finish it.

282

00:21:42,599 --> 00:21:46,763

Hey, cutie! Wanna pollinate
with a real bug?

283

00:21:49,574 --> 00:21:52,509

<i>Ooh, come to papa!</i>

284

00:21:52,577 --> 00:21:57,276

So, bein' a ladybug automatically makes
me a girl, is that it, flyboy? Huh?

285

00:21:57,349 --> 00:21:59,909

- She's a guy!

- Francis, leave them alone.

286

00:21:59,985 --> 00:22:03,182

- They are poo-poo heads!

- Not again.

287

00:22:03,254 --> 00:22:06,018

Judging by your breath, you must have
been buzzin' around a dung heap all day.

288

00:22:06,091 --> 00:22:09,458

- Come on, Francis.

You're making the maggots cry.

289

00:22:15,600 --> 00:22:18,501

All right, we're dyin' out there.

Gypsy, quick! You and Manny...

290

00:22:18,570 --> 00:22:20,697

Shh! He's in a trance.

291

00:22:20,772 --> 00:22:23,332

Well, get him out of it!

You and your husband are up now.

292

00:22:23,408 --> 00:22:25,342

Manny, we're on.

293

00:22:25,410 --> 00:22:30,313

Oh? Yet again it is up to me
to rescue the performance.

294

00:22:30,382 --> 00:22:32,316

Gypsy, come.

295

00:22:34,386 --> 00:22:37,253

- The stage is the other way, dear.

- Yes, of course.

296

00:22:37,322 --> 00:22:39,256

Anytime, pal!

297

00:22:39,324 --> 00:22:41,622

- I'm gonna pick the hairs
out of your head one by one!

- Take your best shot!

298

00:22:41,693 --> 00:22:43,627

- You name the place!

- Oh, yeah?

299

00:22:43,695 --> 00:22:46,858

- Yeah, 'cause when you
get there, you are dead!

- Francis, let me handle this.

300

00:22:46,931 --> 00:22:49,456

- That's no way to speak to a lady.

- I heard that, you twig.

301

00:22:49,534 --> 00:22:53,231

Ladies and gentlemen, allow me
to present Manto the Magnificent...

302

00:22:53,304 --> 00:22:56,796

and his lovely assistant, Gypsy!

303

00:22:58,410 --> 00:23:04,077

From the most mysterious
regions of uncharted Asia,

304

00:23:04,150 --> 00:23:07,642

I give you the Chinese Cabinet...

305

00:23:07,720 --> 00:23:10,450

of Metamorphosis!

306

00:23:11,757 --> 00:23:14,123

Rosie, whole troupe.

Onstage! Finale! Now!

307

00:23:14,193 --> 00:23:16,855

<i>- Okay, I just need time to...

Coming, coming.

- Now!</i>

308

00:23:16,929 --> 00:23:19,159

Tuck, Roll, let's get moving, guys.

We're up next.

309

00:23:21,667 --> 00:23:23,999

Don't you understand?

We are up!

310

00:23:24,070 --> 00:23:26,595

"Up-a."

311

00:23:26,672 --> 00:23:28,833

- Hey!

- Hey! They don't understand me.

312

00:23:28,908 --> 00:23:31,103

I summon the voice

of Confucius...

313

00:23:31,177 --> 00:23:33,737

<i>Get off the stage,

you old hack!</i>

314

00:23:33,813 --> 00:23:36,941

I demand to know who said that!

315

00:23:37,016 --> 00:23:40,383

How dare you!

316

00:23:42,621 --> 00:23:44,555

Ingrates!

317

00:23:45,624 --> 00:23:48,457

<i>Manny? Manny!</i>

318

00:23:48,527 --> 00:23:52,691

I only got 24 hours to live
and I ain't gonna waste it here.

319

00:23:52,765 --> 00:23:54,699

Come on.

320

00:23:56,602 --> 00:23:59,469

I've just about
had it with these losers!

321

00:23:59,538 --> 00:24:01,665

Flaming death!

322

00:24:03,442 --> 00:24:05,967

I hold in my hand the match...

323

00:24:06,045 --> 00:24:10,379

the match that decides whether two bugs
live or die this very evening.

324

00:24:10,449 --> 00:24:14,317

*In a moment, I will light
this trail of matches...*

325

00:24:14,386 --> 00:24:19,016

*leading to a sheet of flypaper
dowsed in lighter fluid!*

326

00:24:19,091 --> 00:24:23,688

Aimed directly at the flypaper
are Tuck and Roll,

327

00:24:23,763 --> 00:24:26,231

<i>the pill bug cannonballs!</i>

328

00:24:26,299 --> 00:24:28,358

<i>The cannon

will be triggered by Dim,</i>

329

00:24:28,435 --> 00:24:30,596

<i>trained to jump

at the sound of this bell...</i>

330

00:24:30,670 --> 00:24:33,867

<i>set to go off in 15 seconds.</i>

331

00:24:33,940 --> 00:24:37,671

<i>Our pill bugs' only hope

of survival is...</i>

332

00:24:37,744 --> 00:24:40,679

our mistress

of the high wire, Rosie!

333

00:24:40,747 --> 00:24:43,238

<i>Secured to a web line
of exact length,</i>

334

00:24:43,316 --> 00:24:46,410

<i>Rosie will plummet down
to these two posts,</i>

335

00:24:46,486 --> 00:24:50,013

spinning a web of safety
in less than 15 seconds!

336

00:24:51,791 --> 00:24:56,057

Not good enough, you say?
Well, what if they were all...

337

00:24:56,129 --> 00:24:58,063

blindfolded!

338

00:25:03,370 --> 00:25:06,203

<i>Ladies and gentlemen,
may I suggest that those of you...</i>

339

00:25:06,273 --> 00:25:08,764

with weak constitutions

leave the arena,

340

00:25:08,842 --> 00:25:11,640

<i>- for this act is so dangerous...</i>

341

00:25:11,711 --> 00:25:14,111

That if the slightest thing

should go wrong...

342

00:25:14,181 --> 00:25:17,412

- No!

- Go? Okay, through the tunnel...

343

00:25:17,484 --> 00:25:19,645

Whoa!

344

00:25:19,719 --> 00:25:24,088

Whoa!

345

00:25:26,293 --> 00:25:28,784

- P.T!

- Oh, no!

346

00:25:28,862 --> 00:25:32,263

Oh!

347

00:25:34,834 --> 00:25:37,133

- Water! We need some water!

- Water, water, water!

348

00:25:41,375 --> 00:25:44,742

Get me outta here!

349

00:25:44,812 --> 00:25:46,803

Oof!

350

00:25:48,883 --> 00:25:51,579

Wow!

351

00:25:54,288 --> 00:25:58,122

- It's the web. I'm sorry.

- You're all fired.

352

00:25:58,192 --> 00:26:01,025

- We got the water!

- Here we come, P.T!

353

00:26:03,564 --> 00:26:07,796

Whoo! Whoa!

Burn 'im again!

354

00:26:26,287 --> 00:26:28,619

No, Harry, no!

Don't look at the light!

355

00:26:28,689 --> 00:26:31,487

I can't help it!

It's so beautiful!

356

00:26:37,265 --> 00:26:39,563

Try not to look

like a country bug.

357

00:26:39,634 --> 00:26:42,398

Blend... blend in.

358

00:26:43,471 --> 00:26:45,405

<i>Hey, buggy!</i>

359

00:26:45,473 --> 00:26:47,805

<i>What do you expect?

The guy's a tick.</i>

360

00:26:55,717 --> 00:26:59,016

<i>Wow! The city!</i>

361

00:27:14,303 --> 00:27:18,296

<i>Making all stops to the septic tank,
including standing water,</i>

362

00:27:18,373 --> 00:27:22,036

empty bean can and dead rat.

363

00:27:22,110 --> 00:27:24,442

<i>Watch your stingers. All aboard!</i>

364

00:27:24,513 --> 00:27:26,504

- Hey! Oh, sorry.

- Get out of the way!

365

00:27:26,581 --> 00:27:29,175

- Watch where you're goin'!

- I'm sorry. I didn't mean to do that.

366

00:27:29,251 --> 00:27:31,845

Oh, sorry!

367

00:27:31,920 --> 00:27:34,548

<i>Oh. I'm really, really sorry.</i>

368

00:27:34,623 --> 00:27:37,114

That was

an-an-an ac-ac-accident.

369

00:27:40,128 --> 00:27:42,858

- Hey, let go of me!

- I'll show ya who's tough!

370

00:27:42,931 --> 00:27:47,061

- And stay out!

- Tough bugs!

371

00:27:48,937 --> 00:27:51,872

- I knew an old lady

who swallowed a fly...

- Wow!

372

00:27:51,940 --> 00:27:53,874

- Move it!

- Whoa!

373

00:27:53,942 --> 00:27:58,003

<i>Hey, waiter! I'm in my soup!</i>

374

00:27:58,080 --> 00:28:00,514

<i>I've been workin'out.

Feel my wing.</i>

375

00:28:00,582 --> 00:28:03,107

Yo!

Two Black Flags over here!

376

00:28:04,619 --> 00:28:08,111

- All right.

- Hair of the dog you bit.

377

00:28:08,191 --> 00:28:10,716

Hey, who ordered
the pu-pu platter?

378

00:28:11,794 --> 00:28:15,423

Here ya go, slick. Enjoy.

379

00:28:15,498 --> 00:28:18,558

Ow! Aah!

Hey, I said no salt!

380

00:28:19,836 --> 00:28:23,237

Pardon me, sir.

I represent a colony of ants,

381

00:28:23,306 --> 00:28:26,173

and I'm looking for tough bugs,
you know, mean bugs...

382

00:28:26,242 --> 00:28:29,234

Fired by a flea...

how humiliating!

383

00:28:29,312 --> 00:28:31,246

Let's face it: We stink.

384

00:28:31,314 --> 00:28:33,248

<i>- You fired!

- You fired!</i>

385

00:28:33,316 --> 00:28:36,945

- Oh, will you shut up?

- You fired!

386

00:28:37,019 --> 00:28:40,045

Someday I will be

a beautiful butterfly,

387

00:28:40,123 --> 00:28:42,455

and then everything

will be better.

388

00:28:42,525 --> 00:28:46,621

I can't believe the troupe is

breaking up. We've always been together.

389

00:28:46,696 --> 00:28:50,826

- Farewell, my friends.

- To the audience we'll never have.

390

00:28:54,737 --> 00:28:57,934

Francis! Your boyfriends

from the circus are here!

391

00:29:00,009 --> 00:29:02,034

There she is.

392

00:29:06,416 --> 00:29:09,852

- Hello there, girly bug.

- Shoo, fly. Don't bother me.

393

00:29:09,919 --> 00:29:13,013

Say, why don't you

tell our pal, Thud,

394

00:29:13,089 --> 00:29:15,387

- what you said to us at the circus.

- Yeah.

395

00:29:15,458 --> 00:29:19,053

- Somethin' about buzzin'
around a dung heap?

396

00:29:19,128 --> 00:29:22,188

Excuse me. Hi. I represent
an ant colony, and we're...

397

00:29:22,265 --> 00:29:25,827

Hey, bartender!
Bloody Mary, O-positive.

398

00:29:25,903 --> 00:29:27,837

Aha!

399

00:29:29,239 --> 00:29:31,173

Sir?

400

00:29:31,241 --> 00:29:35,302

Ladybug, ladybug
fly away home #

401

00:29:35,379 --> 00:29:37,711

Not so tough now, are you?

402

00:29:37,781 --> 00:29:39,908

All right, clown.

Get up and fight like a girl.

403

00:29:39,983 --> 00:29:43,475

- Get ready to do the Robin Hood act.

- I want to be LittleJohn!

404

00:29:43,554 --> 00:29:47,251

- What part can I play?

- You see, I'm looking for

tough, warrior bugs.

405

00:29:47,324 --> 00:29:51,658

<i>Stand back, ye flies! We are
the greatest warriors in all bugdom!</i>

406

00:29:51,728 --> 00:29:54,595

- Warrior bugs!

- My sword!

407

00:29:54,665 --> 00:29:56,599

Swish, swish. Clang, clang.

408

00:29:56,667 --> 00:29:58,601

- LittleJohn?

- What ho, Robin?

409

00:29:58,669 --> 00:30:01,229

Justice is my sword

and truth shall be my quiver!

410

00:30:01,305 --> 00:30:04,502

Wait, wait! No, no!

I want to watch this!

411

00:30:04,575 --> 00:30:07,874

<i>- Jawohl!

- Thrust, parry, lunge!</i>

412

00:30:07,945 --> 00:30:10,243

Me thinketh it's not working!

413

00:30:10,314 --> 00:30:12,714

Back to Sherwood Forest!

414

00:30:12,783 --> 00:30:15,775

- Schnell! Schnell!

- What's going on in there?

415

00:30:27,798 --> 00:30:30,426

Help! Help! Get me out!

416

00:30:42,213 --> 00:30:45,649

<i>You're perfect!</i>

417

00:30:45,717 --> 00:30:50,984

Oh, great ones! I have been scouting
for bugs with your exact talents!

418

00:30:51,055 --> 00:30:53,956

<i>- A talent scout.

- My colony's in trouble.</i>

419

00:30:54,025 --> 00:30:57,927

Grasshoppers are coming! We've
been forced to prepare all this food.

420

00:30:57,996 --> 00:31:00,089

- Dinner theater!

- Food?

421

00:31:00,164 --> 00:31:03,258

Please!

Will you help us?

422

00:31:03,334 --> 00:31:06,735

Where are they?

423

00:31:06,804 --> 00:31:10,763

- We'll take the job!

- Really?

- Yes, yes, yes!

424

00:31:10,842 --> 00:31:13,276

You can explain
the details on the way.

425

00:31:13,344 --> 00:31:15,835

Hey!

426

00:31:15,914 --> 00:31:19,406

- Okay, come on, everyone. Break a leg!

- Whoa, you're vicious!

427

00:31:19,484 --> 00:31:21,418

Hold on, Mr. Ant.

428

00:31:21,553 --> 00:31:26,616

Amazing!

This is too good to be true!

429

00:31:42,340 --> 00:31:44,274

Ooh!

430

00:31:48,913 --> 00:31:51,939

So, you see, it was my fault
that Hopper's coming back.

431

00:31:52,016 --> 00:31:55,247

But then, Princess Atta...

boy, is she one in a million...

432

00:31:55,320 --> 00:31:57,255

she let me go out and find you.

433

00:31:57,323 --> 00:31:59,814

And after seeing you

fight off those flies...

434

00:31:59,892 --> 00:32:02,986

Boy, are those grasshoppers

in for a surprise!

435

00:32:26,552 --> 00:32:29,521

- Dr. Flora!

- Oh, dear. Not another one.

436

00:32:29,588 --> 00:32:31,556

- This is insane.

- Insane.

437

00:32:31,624 --> 00:32:34,024

There's just not enough

food left on the island!

438

00:32:34,093 --> 00:32:36,687

No way we can make double quota
before Hopper comes.

439

00:32:36,762 --> 00:32:40,789

Well, we have to try, Thorny.
We don't have any choice.

440

00:32:40,866 --> 00:32:42,891

Yeah, I know.

441

00:32:44,637 --> 00:32:48,505

<i>Hey, look who's playing
lookout again... little Speck!</i>

442

00:32:48,574 --> 00:32:52,943

<i>- The name is Dot.
- Well, Spot, still lookin' for Flik?</i>

443

00:32:53,012 --> 00:32:56,209

Forget it, Dot.

That loser's never coming back.

444

00:32:57,616 --> 00:32:59,675

<i>Flik!

He did it! He did it!</i>

445

00:32:59,752 --> 00:33:02,585

What? Quit shoving!

446

00:33:06,892 --> 00:33:10,589

This is it!

This is Ant Island!

447

00:33:10,663 --> 00:33:14,532

Flik! Over here!

Flik! Flik!

448

00:33:14,601 --> 00:33:17,934

- Hey!

- He did it! He did it! Yea!

449

00:33:18,004 --> 00:33:21,462

- He did it!

- Cool!

450

00:33:21,541 --> 00:33:24,999

At the rate these leaves are dropping,
we're gonna need a miracle.

451

00:33:25,078 --> 00:33:27,273

That's right!

We need a miracle!

452

00:33:29,683 --> 00:33:33,949

Run for your lives!

453

00:33:42,128 --> 00:33:44,426

Ta-da!

454

00:33:50,070 --> 00:33:54,336

Once again,
our reputation precedes us.

455

00:33:54,407 --> 00:33:56,898

Hey, everybody!

Hey! I'm back!

456

00:33:56,976 --> 00:34:02,573

<i>Hey, guys! Hey-ey!

Look-look-look who's here with me!</i>

457

00:34:02,649 --> 00:34:07,643

Flik! Flik! Flik! You're back!

I knew you could do it!

458

00:34:07,721 --> 00:34:10,417

- Flik?

- It's Flik!

459

00:34:17,630 --> 00:34:19,723

- Flik has returned!

- He's back?

460

00:34:19,799 --> 00:34:21,994

And he's accompanied

by savage insects!

461

00:34:22,068 --> 00:34:27,768

<i>What? How? He wasn't supposed

to actually find someone!</i>

462

00:34:27,841 --> 00:34:30,276

Oh, look at this.

This is great. Look.

463

00:34:30,344 --> 00:34:32,778

<i>- Oh, my ticker!

- So, what are you supposed to be?</i>

464

00:34:32,847 --> 00:34:35,372

He's a stick, stupid.

You hit bugs with him.

465

00:34:35,449 --> 00:34:38,316

- Well, that's an oversimplification.

- That's right, kids. Like this!

466

00:34:38,385 --> 00:34:40,319

- No! Put me down!

- Ow!

467

00:34:40,387 --> 00:34:44,653

- Hey!

- My, you just pop

right open there, dontcha?

468

00:34:44,725 --> 00:34:48,058

- Ooh! Wow!

- Uh-oh. Kids, He's kinda ticklish.

469

00:34:48,129 --> 00:34:50,723

Let's come on out. Careful.

470

00:34:53,234 --> 00:34:56,795

Well, my boy, you came through.

471

00:34:56,871 --> 00:34:59,897

Aphie and I are very impressed.

472

00:34:59,974 --> 00:35:05,640

Princess Atta! Hey, guys, Princess Atta!

She's the one that sent me to find you!

473

00:35:05,713 --> 00:35:09,274

- Did you see that

really big bug over there?

- He looks absolutely ferocious!

474

00:35:09,350 --> 00:35:13,013

- They're our ticket out of this mess!

- They came just in time!

475

00:35:13,087 --> 00:35:16,318

So, Princess Atta,
what do you think?

476

00:35:16,390 --> 00:35:19,359

No-no-no, wait!

This was not supposed to happen.

477

00:35:20,861 --> 00:35:22,886

Mayday, Mayday.

We're losin' the job.

478

00:35:22,963 --> 00:35:24,897

We don't fight grasshoppers.

479

00:35:24,965 --> 00:35:27,832

<i>- We don't, but they will.

- Bingo!</i>

480

00:35:27,902 --> 00:35:30,530

We gotta sweeten the deal.

481

00:35:31,806 --> 00:35:34,798

Your Majesty,

ladies and gentlemen,

482

00:35:34,875 --> 00:35:37,571

boys and girls of all ages,

483

00:35:37,645 --> 00:35:41,376

our troupe here guarantees

a performance like no other!

484

00:35:41,448 --> 00:35:44,417

Why, when your grasshopper friends

get here, we are gonna...

485

00:35:44,485 --> 00:35:47,319

knock them dead!

486

00:35:51,159 --> 00:35:53,889

Boy, these folks are sure
hard up for entertainment.

487

00:35:58,900 --> 00:36:00,834

<i>Come on, come on. Hurry!</i>

488

00:36:00,902 --> 00:36:03,700

Wow!

489

00:36:24,392 --> 00:36:26,860

Honey, relax.

You should be proud of yourself.

490

00:36:26,928 --> 00:36:30,796

- Your instincts on that boy
were right on the money.

491

00:36:38,540 --> 00:36:42,203

And to make our official
welcome complete... Mr. Soil?

492

00:36:42,277 --> 00:36:45,269

<i>- Yes, Your Highness?

- He's our resident thespian.</i>

493

00:36:45,347 --> 00:36:49,113

<i>Last year he played the lead
in Picnic.</i>

494

00:36:49,184 --> 00:36:53,211

The children... and myself...
have quickly put together...

495

00:36:53,288 --> 00:36:57,315

a little presentation
in honor of our guests.

496

00:36:57,392 --> 00:37:00,225

Dot, Reed, Daisy, Grub?

497

00:37:00,295 --> 00:37:02,560

Oh, aren't they adorable!

Ooh, they're cute!

498

00:37:04,967 --> 00:37:09,461

The South Tunnel Elementary School
second grade class...

499

00:37:09,538 --> 00:37:14,168

would like to present you with this,
a mural we have drawn...

500

00:37:14,243 --> 00:37:18,145

of you bugs helping us
fight the grasshoppers away.

501

00:37:18,214 --> 00:37:22,583

Oh, look at the beautiful colors
of the blood.

502

00:37:22,652 --> 00:37:26,179

We drew one of you dying because our
teacher said it would be more dramatic.

503

00:37:31,661 --> 00:37:35,222

I tell you a tale of heroes so bold,

504

00:37:35,298 --> 00:37:39,257

who vanquished our
grasshopper enemies of old.

505

00:37:41,203 --> 00:37:43,728

Look, the last leaf has fallen.

506

00:37:43,806 --> 00:37:47,037

We are the grasshoppers!
Where's our food?

507

00:37:47,109 --> 00:37:50,237

Who will come
to save us poor ants?

508

00:37:50,313 --> 00:37:53,407

We are the warriors,
here to defend you!

509

00:37:54,417 --> 00:37:59,411

<i>I die! Die! Die!</i>

510

00:38:02,191 --> 00:38:07,424

Thank you, thank you! Oh, thank you!

511

00:38:07,496 --> 00:38:10,260

- Hey, hey, hey!

- I say we go.

512

00:38:10,333 --> 00:38:13,131

- Okay, honey. You're up.

- Oh. Um...

513

00:38:13,202 --> 00:38:17,264

<i>- Oh, oh, I-I...

- We're all very grateful to have...</i>

514

00:38:17,341 --> 00:38:19,775

- Here, here.

- the warriors...

515

00:38:20,844 --> 00:38:22,778

Thanks.

516

00:38:22,846 --> 00:38:27,112

- I'd like to thank the warriors
for helping us in our fight...

517

00:38:27,184 --> 00:38:30,210

Against the grasshoppers.

518

00:38:30,287 --> 00:38:33,381

Secondly, I would like
to thank Flick...

519

00:38:33,457 --> 00:38:36,085

- for his forthright thinking...
- Thank you, Your Highness.

520

00:38:36,159 --> 00:38:40,391

Oh, sure, I'd like to take credit for
all of this, but that wouldn't be right.

521

00:38:40,464 --> 00:38:43,763

Because it was you, Princess Atta.
You believed in me...

522

00:38:43,834 --> 00:38:46,894

<i>- Tell that ant that we need
to talk to him right now.
- Okay, okay.</i>

523

00:38:46,970 --> 00:38:50,371

I know I've made mistakes in the past,
and I hope that this will make up...

524

00:38:50,440 --> 00:38:52,670

- Flik!
- Not right now, Rosie.
I'm making a speech.

525

00:38:54,244 --> 00:38:57,008

Now, I truly believe these bugs
are the answer to our...

526

00:38:57,080 --> 00:39:01,449

No, there's no circus around here.
So, I...

527

00:39:07,057 --> 00:39:10,686

Your Highness, the warriors
have called for a secret meeting

to plan for a circus...

528

00:39:10,761 --> 00:39:14,026

<i>circumventing the oncoming hordes so
they can trapeze... trap them with ease!</i>

529

00:39:14,097 --> 00:39:16,531

- Shouldn't I come too?

- No!

530

00:39:16,600 --> 00:39:22,129

No, classified in the D.M.Z.

Gotta go A.S.A.P. You know,
strictly B.Y.O.B. Bye!

531

00:39:22,205 --> 00:39:25,333

<i>Sorry. Sorry I have to take
the warriors away so early,</i>

532

00:39:25,409 --> 00:39:29,140

but you know they have a lot to get
done, with the battle looming and all.

533

00:39:29,212 --> 00:39:31,612

<i>So, uh, please,
everyone enjoy the party.</i>

534

00:39:31,681 --> 00:39:34,378

"B.Y.O.B."?

535

00:39:34,452 --> 00:39:36,920

Thanks again. Bye. Bye-bye.

536

00:39:36,988 --> 00:39:39,047

Okay, just...

just get in there. Go!

537

00:39:39,123 --> 00:39:41,057

Go! Go, go, go!

538

00:39:42,326 --> 00:39:46,262

Circus bugs?

How can you be circus bugs?

539

00:39:46,330 --> 00:39:48,264

- What?

- Hey, hey, hey.

540

00:39:48,332 --> 00:39:51,028

<i>- You said nothin' about killin'
grasshoppers. You lied to us!
- Ja!</i>

541

00:39:51,102 --> 00:39:53,229

Are you kidding?
Do you know what this is?

542

00:39:53,304 --> 00:39:55,738

This, my friends,
is false advertising.

543

00:39:55,807 --> 00:40:00,972

How dare you! You, sir,
are the charlatan in this scenario...

544

00:40:01,045 --> 00:40:03,309

touting your wares
as a talent scout,

545

00:40:03,381 --> 00:40:06,145

preying upon the hungry souls
of hapless artistes.

546

00:40:06,217 --> 00:40:08,151

Good day to you, sir.

547

00:40:12,957 --> 00:40:16,757

Wait! No, no!

Wait, wait, wait, wait! You can't go.

548

00:40:16,828 --> 00:40:20,525

You have got to help me. Give me
some time, I'll come up with a plan.

549

00:40:20,598 --> 00:40:25,035

- Just go tell them the truth!

- They can't know the truth.

The truth, you see, is bad.

550

00:40:25,103 --> 00:40:29,096

I will be branded for life.

My children's children will

walk down the street,

551

00:40:29,173 --> 00:40:34,201

people will point and say, " Look! There
goes the spawn of Flik, the loser!"

552

00:40:34,278 --> 00:40:38,078

Oh... oh, you know, all right, fine.
Yeah, okay. Just go.

553

00:40:38,149 --> 00:40:40,743

But if you could just do me
a little favor before you leave.

554

00:40:40,818 --> 00:40:44,618

If you could squish me,
that would be great, because, uh,

555

00:40:44,689 --> 00:40:46,623

when they find out,
I'm as good as dead.

556

00:40:46,691 --> 00:40:49,627

<i>- Flik!</i>

557

00:40:49,695 --> 00:40:53,096

<i>I really do think I should be
part of this meeting. Flik!</i>

558

00:40:53,165 --> 00:40:56,066

Aah! Princess Atta!

What a nice... surprise.

559

00:40:56,135 --> 00:40:58,069

Just what exactly is going on?

560

00:40:58,137 --> 00:41:00,935

I would like to speak
with the so-called "warriors."

561

00:41:01,006 --> 00:41:03,065

You can't! They are in the middle
of a top secret meeting right now,

562

00:41:03,142 --> 00:41:05,110

and they really should not
be disturbed... now.

563

00:41:05,177 --> 00:41:07,270

Right, guys?

564

00:41:07,346 --> 00:41:11,646

Could you ex... pl...

Could you excuse me, please?

565

00:41:11,717 --> 00:41:15,118

<i>- Wait, wait, wait! Please, don't go!

- I'm not going anywhere.</i>

566

00:41:15,187 --> 00:41:18,247

What is going on? Flik?

567

00:41:18,323 --> 00:41:22,259

Flik!

Ooh, I knew it!

568

00:41:22,327 --> 00:41:26,491

<i>Wait! Wait,

wait, wait, wait! Please! Don't go!</i>

569

00:41:26,698 --> 00:41:30,725

- No!

- Quick, he's losin' it!

570

00:41:30,802 --> 00:41:34,568

- You can't go! I'm desperate!

- Really? I couldn't tell.

571

00:41:34,640 --> 00:41:37,905

Hmm. Come on, wings.

572

00:41:37,976 --> 00:41:40,410

Help!

573

00:41:40,479 --> 00:41:43,676

Mother,

Flik is up to something.

574

00:41:43,749 --> 00:41:46,411

Okay, Flik, time to put ya down.

Get him off me!

575

00:41:46,485 --> 00:41:48,646

He's cutting off the circulation.

576

00:41:48,720 --> 00:41:50,984

- No, no, no, no!

- Let go!

577

00:41:51,056 --> 00:41:55,618

<i>- Please, please, don't go!

- Put the stick down.

Flik, I mean it, now.</i>

578

00:41:55,761 --> 00:41:58,730

<i>- Drop the stick.

- Run!</i>

579

00:41:59,932 --> 00:42:03,368

Boy, he runs fast

for a little guy.

580

00:42:03,435 --> 00:42:07,031

Tweet-tweet! Tweet-tweet!

581

00:42:12,111 --> 00:42:14,636

This way.

582

00:42:15,715 --> 00:42:18,980

There they are.

583

00:42:19,052 --> 00:42:22,385

- A bird!

- Flik!

584

00:42:22,455 --> 00:42:24,980

- Look!

- Dot!

585

00:42:25,058 --> 00:42:26,992

Flik!

586

00:42:29,963 --> 00:42:32,659

- Dot!

- My baby!

587

00:42:33,900 --> 00:42:37,028

I gotcha! I gotcha!

588

00:42:37,103 --> 00:42:40,129

I gotcha, I gotcha!

589

00:42:40,206 --> 00:42:42,766

Oww!

590

00:42:42,842 --> 00:42:44,867

Oooh.

591

00:42:44,944 --> 00:42:46,741

- I can't see!

- Somebody do something!

592

00:42:46,813 --> 00:42:51,045

<i>- Are they all right?

- Did anyone see?

- What is happening?</i>

593

00:42:53,052 --> 00:42:55,885

- Dot?

- Good heavens, they're in trouble!

594

00:42:55,955 --> 00:42:59,220

- Francis, Francis, Francis,

Francis, Francis, Francis...

- Oh, you guys, I've got an idea!

595

00:42:59,292 --> 00:43:01,157

Here! I've got it!

596

00:43:04,097 --> 00:43:06,657

Please, ma'am, wake up!

Wake up!

597

00:43:11,070 --> 00:43:14,938

<i>- Help! Help!

- Yoo-hoo!</i>

598

00:43:15,008 --> 00:43:20,275

Mr. Early Bird! How about

a nice, tasty worm on a stick?

599

00:43:20,346 --> 00:43:23,043

I'm going to snap.

I'm going to snap.

600

00:43:23,117 --> 00:43:26,314

<i>Nice and juicy, succulent...</i>

601

00:43:26,387 --> 00:43:28,617

Let's go!

602

00:43:31,692 --> 00:43:33,887

- There they are!

- Flick! Help!

603

00:43:35,095 --> 00:43:38,064

Okay.

604

00:43:38,132 --> 00:43:40,623

- Flick!

- It's going to be okay, Dot.

605

00:43:40,701 --> 00:43:45,604

Ooh-hoo-hoo!

Bye-bye, birdie!

606

00:43:45,673 --> 00:43:47,698

Help! I'm stuck!

607

00:43:47,775 --> 00:43:50,608

<i>Pull me down!

Schnell, schnell, schnell!</i>

608

00:43:50,678 --> 00:43:54,808

<i>- The caterpillar's using

himself as live bait!

- How brave!</i>

609

00:43:59,953 --> 00:44:03,116

Suck it in, man!

610

00:44:08,962 --> 00:44:10,827

Ow. My leg!

611

00:44:24,144 --> 00:44:27,580

The bird!

Look out for the bird!

612

00:44:29,750 --> 00:44:31,342

Flik!

613

00:44:32,586 --> 00:44:34,850

Up-a, up-a!

614

00:44:51,272 --> 00:44:54,833

What is that?

615

00:44:54,909 --> 00:45:00,176

That, my friends,

is the sound of applause!

616

00:45:13,461 --> 00:45:16,726

Applause... I'm in heaven!

617

00:45:18,633 --> 00:45:21,898

*<i>Our Blueberry troop salutes you bugs
for rescuing our smallest member,</i>*

618

00:45:21,970 --> 00:45:23,904

<i>Princess Dot.</i>

619

00:45:23,972 --> 00:45:27,567

And as a tribute to Miss Francis,
we've changed out bandannas!

620

00:45:27,642 --> 00:45:31,169

We voted you
our honorary den mother!

621

00:45:31,246 --> 00:45:35,649

What? Great.

622

00:45:35,717 --> 00:45:39,551

- All right, girls. Let's move
your keisters outta here now.

623

00:45:39,621 --> 00:45:42,283

The patient needs her rest,
you know. Come on.

624

00:45:42,357 --> 00:45:45,326

Excuse, me, Flik.
Can I talk to you for a second?

625

00:45:45,393 --> 00:45:47,224

- Huh? Oh, sure.

- Oww!

626

00:45:47,295 --> 00:45:51,356

Again, thank you all,

very, very much.

627

00:45:51,433 --> 00:45:53,424

<i>- Oh, stop it.

- You're too kind.

- Thank you.</i>

628

00:45:53,969 --> 00:45:55,960

You don't think I've offended

the warriors, do you?

629

00:45:56,071 --> 00:45:58,005

<i>You? No.</i>

630

00:45:58,073 --> 00:46:00,337

Oh, good. Because, you see,

631

00:46:00,409 --> 00:46:03,776

when you first brought them here,
I thought you'd hired a bunch of clowns.

632

00:46:03,846 --> 00:46:05,871

Ya did?

633

00:46:05,948 --> 00:46:07,882

<i>Don't tell 'em I said that.</i>

634

00:46:07,950 --> 00:46:11,283

*<i>Boy, that's all I'd need,
another royal blunder like that.</i>*

635

00:46:11,353 --> 00:46:14,845

- Princess, you're doin' a great job.
- Thanks, you're sweet.

636

00:46:14,924 --> 00:46:17,518

You're wrong, but sweet.

637

00:46:17,593 --> 00:46:20,221

<i>- I know what everyone really thinks.

- I don't follow you.</i>

638

00:46:20,296 --> 00:46:25,791

Everyone... the whole colony. Nobody
really believes I can do this job.

639

00:46:25,868 --> 00:46:28,530

<i>It's like they're all watching me,</i>

640

00:46:28,604 --> 00:46:32,870

- just, just...

- Waiting for you to screw up.

641

00:46:36,312 --> 00:46:39,406

- Flik, I owe you an apology.

- For what?

642

00:46:39,482 --> 00:46:43,441

Well, I haven't been that nice
to you, and... I'm sorry.

643

00:46:43,519 --> 00:46:45,453

If there's any way I can

make it up to you...

644

00:46:45,521 --> 00:46:47,455

Hey! I know!

645

00:46:47,523 --> 00:46:50,651

How would you like to be the queen's
official aide to the warrior bugs?

646

00:46:50,726 --> 00:46:54,162

- Me?

- Oh, sure. You've got
a great rapport with them,

647

00:46:54,230 --> 00:46:57,631

especially after that rescue...
it was very brave.

648

00:46:57,700 --> 00:47:01,067

- Really? Naw, naw...

- Well, not every bug would face a bird.

649

00:47:01,136 --> 00:47:04,799

- I mean, even Hopper's afraid of'em.

- Yeah, well, I guess maybe I...

650

00:47:04,874 --> 00:47:08,605

- Say that again?

- I said, even Hopper's afraid of birds.

651

00:47:11,982 --> 00:47:13,916

Thank you.

652

00:47:16,720 --> 00:47:19,245

- Hopper's afraid of birds!

- And I don't blame 'im!

653

00:47:19,322 --> 00:47:21,256

Oh, oh, oh,

this is perfect.

654

00:47:21,324 --> 00:47:24,157

We can get rid of Hopper,

and no one has to know that I messed up.

655

00:47:24,227 --> 00:47:26,320

You just keep pretending
you're warriors.

656

00:47:26,396 --> 00:47:29,888

Whoa, Flik, honey. We are not
about to fight grasshoppers, okay?

657

00:47:29,966 --> 00:47:33,493

You'll be gone before the grasshoppers
ever arrive. Here's what we do.

658

00:47:33,570 --> 00:47:35,504

Not another word.

659

00:47:35,572 --> 00:47:39,269

I don't know what you're concocting
in that little ant brain of yours,

660

00:47:39,342 --> 00:47:41,276

but we'll have no part of it.

661

00:47:41,344 --> 00:47:44,370

<i>Excuse me? Could we get

the warriors'autographs?</i>

662

00:47:44,447 --> 00:47:46,381

<i>Autographs? Ja!</i>

663

00:47:46,449 --> 00:47:49,885

- Wow! Great!

- So, you fellas catch the action today?

664

00:47:49,953 --> 00:47:52,012

Oh! The bird went...

And it just missed you!

665

00:47:52,088 --> 00:47:55,990

- Aren't you sweet?

- And the way you pretended

to be stuck in that crack!

666

00:47:56,059 --> 00:47:58,926

Oh, that's just all part of the plan.

667

00:47:58,995 --> 00:48:01,122

And then you dive-bombed

into the bush!

668

00:48:01,197 --> 00:48:04,598

- There you go, my boy.

- Wow! Thanks!

669

00:48:04,668 --> 00:48:06,636

"M-M-Maa-jor..."

670

00:48:06,703 --> 00:48:08,830

That's Major Manny, young cadet.

671

00:48:08,905 --> 00:48:12,966

- I outrank everyone here. Remember that.

- Yes, sir!

672

00:48:13,043 --> 00:48:14,977

- Dismissed!

- Wow!

673

00:48:15,045 --> 00:48:17,809

- When I grow up,

I'm gonna be a praying mantis!

- I'm gonna be a stick bug!

674

00:48:17,881 --> 00:48:20,111

<i>Oh, they're all so cool,

I can't pick!</i>

675

00:48:20,183 --> 00:48:25,416

Delightful lads.

You were saying, Flik?

676

00:48:25,488 --> 00:48:28,617

All right.

We are going to build a bird...

677

00:48:28,693 --> 00:48:32,322

a bird that we can operate

from the inside, which would then be...

678

00:48:32,396 --> 00:48:36,890

...hoisted above the anthill

and hidden high in the tree.

679

00:48:36,968 --> 00:48:39,937

Then, right when Hopper
and his gang are below,

680

00:48:40,004 --> 00:48:44,498
we'll launch the bird
and scare off the grasshoppers.

681

00:48:44,575 --> 00:48:46,873
Now it's going to take
everyone's involvement...

682

00:48:46,944 --> 00:48:49,276
...to make this plan
a reality.

683

00:48:49,347 --> 00:48:52,441
I know it's not our tradition
to do things differently,

684

00:48:52,516 --> 00:48:56,008
but if our ancestors were able
to build this anthill,

685

00:48:56,087 --> 00:49:00,547

we can certainly rally together
to build this bird!

686

00:49:23,014 --> 00:49:26,643

- Perfect!

- Okay, hit your marks!

687

00:49:43,368 --> 00:49:45,893

Hi, Flik.

688

00:49:53,011 --> 00:49:55,172

- I love what you did with your antenna.

- Oh, thank you.

689

00:49:55,247 --> 00:49:58,216

Oh, look.

She's a natural mother.

690

00:49:58,283 --> 00:50:01,548

All right, that's it!

Out! Everybody out!

691

00:50:03,789 --> 00:50:06,314

Now you're gonna cry, right?

See if I care. Go ahead, cry.

692

00:50:06,391 --> 00:50:08,689

Please, don't cry. Please.

693

00:50:14,733 --> 00:50:17,668

Ta-da!

694

00:50:20,739 --> 00:50:23,867

Okay, lower, lower...

695

00:50:23,942 --> 00:50:26,911

- You got it. And that's it!

- Whoa!

696

00:50:26,978 --> 00:50:31,039

Up, up, up, up!

697

00:50:31,116 --> 00:50:33,607

Rabbit through the hole, chicken in the
barn, two by two by, there's the yarn.

698

00:50:33,685 --> 00:50:35,619

- Done!

- Ruben Kincaid!

699

00:50:36,688 --> 00:50:40,146

- Hey!

- Good job, guys! Nice work!

700

00:50:42,461 --> 00:50:48,195

Up, down.

Up, down. Up, down.

701

00:50:52,804 --> 00:50:56,069

Ah-ah-ah. Read 'em and weep.

702

00:51:13,092 --> 00:51:15,151

Flik, watch out!

703

00:51:15,228 --> 00:51:18,493

Look! I'm a beautiful butterfly!

704

00:51:24,003 --> 00:51:28,099

<i>There ya go. Goodjob, fellas.

Keep up the good work.</i>

705

00:51:31,878 --> 00:51:34,073

Huh?

706

00:51:49,595 --> 00:51:51,825

Okay!

707

00:52:31,638 --> 00:52:34,903

You're fired!

708

00:52:43,550 --> 00:52:45,484

Yes!

709

00:52:53,994 --> 00:52:58,624

Look at me!

I'm barefootin'! Whoo-hoo!

710

00:52:58,699 --> 00:53:01,600

<i>Yo, bugito,

dos granitos, pronto!</i>

711

00:53:01,668 --> 00:53:04,398

You gotta try this, man!

712

00:53:08,976 --> 00:53:12,241

<i># La cucaracha, la cucaracha

Da-da-da-da-da-da-da #</i>

713

00:53:27,427 --> 00:53:32,092

<i>... all the way back there

and it starts to rain, we might

as well be suckin'bug spray.</i>

714

00:53:32,166 --> 00:53:34,657

Ooh, don't even say that!

You know somethin'?

715

00:53:34,736 --> 00:53:37,227

You're makin' a lot of sense.

I mean, why take the risk?

716

00:53:37,305 --> 00:53:40,297

- You should tell Hopper.

- Good idea.

717

00:53:40,375 --> 00:53:43,037

<i>But, you know,

it's really not our place.</i>

718

00:53:43,111 --> 00:53:46,342

You're his brother.

That makes you, like...

719

00:53:46,414 --> 00:53:48,575

the vice president of the gang.

720

00:53:48,650 --> 00:53:50,550

Wow! It kinda does,

doesn't it?

721

00:53:50,685 --> 00:53:54,678

Okay, I'll tell 'im.

I should talk to you guys more often.

722

00:53:54,756 --> 00:53:58,624

- What if Hopper doesn't like it?

- Then the genius'll get smacked
and not us.

723

00:53:58,693 --> 00:54:01,491

Vice President Molt.

724

00:54:01,562 --> 00:54:04,690

Ooh, yeah, that's good.

Oh, that's good.

725

00:54:04,766 --> 00:54:08,759

- Ooh, a little lower. Ahh, lower.

- Hey ya, Hop.

726

00:54:08,836 --> 00:54:11,634

- Go away.

- That's fine.

Then I won't tell ya my idea.

727

00:54:11,706 --> 00:54:13,640

- Good!

- Okay, okay. I'll tell ya anyway.

728

00:54:13,708 --> 00:54:16,973

I've been thinkin'... which is somethin'
I do, bein' vice president and all.

729

00:54:17,045 --> 00:54:21,038

*<i>*This is a thought, and it was mine:
Why go back to Ant Island at all?*</i>*

730

00:54:21,115 --> 00:54:23,049

<i>- You don't even like grain.
- What?*</i>*

731

00:54:23,117 --> 00:54:25,585

You're right. I didn't think
it was such a good idea myself.

732

00:54:25,653 --> 00:54:28,281

It wasn't even my idea.
It was Axle and Loco's!

733

00:54:28,356 --> 00:54:30,984

They talked fancy to me.
I got confused!

734

00:54:31,059 --> 00:54:35,587

<i># La cucaracha, la cucaracha #</i>

735

00:54:42,070 --> 00:54:45,562

Guys, order another round...

736

00:54:45,640 --> 00:54:48,201

because we're stayin' here!

737

00:54:48,277 --> 00:54:50,438

Yeah!

738

00:54:50,512 --> 00:54:54,915

What was I thinking?

Going back to Ant Island.

739

00:54:54,984 --> 00:54:56,918

I mean, we just got here,

740

00:54:56,986 --> 00:54:59,318

and we have more than enough food

to get us through the winter.

741

00:54:59,388 --> 00:55:01,322

<i>Right? Why go back?</i>

742

00:55:04,860 --> 00:55:08,796

But there was that ant
that stood up to me.

743

00:55:08,864 --> 00:55:12,630

- Yeah, but we can forget about him!

- Yeah, it was just one ant.

744

00:55:12,701 --> 00:55:15,033

- Ooo-oooh!

- One ant!

745

00:55:15,104 --> 00:55:20,007

Yeah, you're right!

It's just one ant!

746

00:55:20,075 --> 00:55:23,875

- Yeah, boss. They're puny!

- Hmm, puny.

747

00:55:23,946 --> 00:55:28,679

Say, let's pretend this grain
is a puny little ant.

748

00:55:28,751 --> 00:55:31,549

<i>- Didn't that hurt?

- Nope.*</i>*

749

00:55:31,620 --> 00:55:35,056

- Well, how 'bout this one?

- Are you kiddin'?

750

00:55:35,124 --> 00:55:38,389

Well, how 'bout this?

751

00:55:50,339 --> 00:55:53,502

You let one ant stand up to us,

752

00:55:53,575 --> 00:55:56,567

<i>then they all might stand up.</i>

753

00:55:56,645 --> 00:56:01,673

Those puny little ants
outnumber us a hundred to one.

754

00:56:01,750 --> 00:56:06,654

And if they ever figure that out,
there goes our way of life!

755

00:56:06,723 --> 00:56:12,252

It's not about food.
It's about keeping those ants in line.

756

00:56:12,328 --> 00:56:15,263

That's why we're going back!

757

00:56:15,331 --> 00:56:17,526

Does anybody else wanna stay?

758

00:56:19,836 --> 00:56:22,862

He's quite the motivational
speaker, isn't he?

759

00:56:24,307 --> 00:56:26,741

Let's ride!

760

00:56:42,192 --> 00:56:44,490

<i>- To the bird!

- The bird!</i>

761

00:56:54,170 --> 00:56:56,104

Get down, roly boys!

762

00:56:56,172 --> 00:56:59,232

- How low can you go? Sing it now.

- # How low can you go #

763

00:56:59,309 --> 00:57:01,504

Do it, Princess. # How low can you go #

764

00:57:01,578 --> 00:57:03,978

And that's how my 12th husband died.

765

00:57:04,047 --> 00:57:06,675

So, now I'm a widow. I mean,

I've always been a black widow,

766

00:57:06,749 --> 00:57:10,276

<i>but now I'm a black widow widow.</i>

767

00:57:12,689 --> 00:57:15,180

Whoo!

768

00:57:16,860 --> 00:57:21,298

<i>- Thorny! Any sign of those fiends?

- Lemme check.</i>

769

00:57:24,468 --> 00:57:27,232

No, not yet.

But we'll be ready for 'em.

770

00:57:27,304 --> 00:57:30,137

Blueberries, dismissed!

771

00:57:30,207 --> 00:57:33,176

And, uh, quit beatin' the boys up.

772

00:57:33,244 --> 00:57:36,645

Those little raisins

do grow on ya.

773

00:57:36,714 --> 00:57:38,807

Hey, how you guys doin'?

Some party, huh?

774

00:57:38,883 --> 00:57:41,852

Is that grain dip fresh or what?

775

00:57:41,919 --> 00:57:44,149

Okay, I've told everyone you'll be
stationed deep in the command bunker.

776

00:57:44,221 --> 00:57:47,679

Party quiets down,
I sneak you out the back way
and then you're outta here forever.

777

00:57:49,527 --> 00:57:52,758

Dim don't wanna go.

778

00:57:52,830 --> 00:57:56,527

<i>Well, if Dim stays he's gonna

need me here. He's not fully trained.</i>

779

00:57:56,600 --> 00:57:58,534

I mean, house-trained.

780

00:57:58,602 --> 00:58:02,368

I, uh, I kinda promised the Blueberries

I'd teach 'em canasta.

781

00:58:02,439 --> 00:58:06,899

It seems we've been booked

for an extended engagement.

782

00:58:10,047 --> 00:58:14,211

<i>Will you look at this colony?

Will you just look at this colony?</i>

783

00:58:14,285 --> 00:58:16,480

I don't even recognize it.

784

00:58:16,554 --> 00:58:18,852

I feel 70 again!

785

00:58:18,923 --> 00:58:23,121

Work that ab, baby!

786

00:58:23,194 --> 00:58:26,721

And I have you bugs to thank for it.

So... thank you!

787

00:58:26,797 --> 00:58:29,891

And, uh, thank you

for findin' 'em, Flik.

788

00:58:29,967 --> 00:58:32,197

Me? Oh, ooh...

uh, uh, I'll get it.

789

00:58:32,269 --> 00:58:34,203

I mean, if you don't mind,

I'll just...

790

00:58:34,271 --> 00:58:36,206

It's all tangled up.

791

00:58:36,274 --> 00:58:38,435

- There.

- Ow!

792

00:58:38,510 --> 00:58:40,740

I think I'll go check

on the bird.

793

00:58:43,248 --> 00:58:45,978

<i>- Bird's this way.

Yeah, the bird's that way.*</i>*

794

00:58:46,051 --> 00:58:49,077

She... What?

795

00:58:57,395 --> 00:59:00,455

Jiminy H. Cricket!

796

00:59:03,034 --> 00:59:06,265

<i>They're back!

Get ready, everybody!*</i>*

797

00:59:06,338 --> 00:59:08,806

<i>Get to your posts!</i>

798

00:59:08,873 --> 00:59:11,774

Battle stations, everyone.

This not a drill.

799

00:59:11,843 --> 00:59:16,610

Come on, everyone. You know your jobs!

Let's go, go, go, go!

800

00:59:16,681 --> 00:59:19,741

Look out!

801

00:59:21,253 --> 00:59:23,244

Whoa, whoa, whoa, whoa there.

Steady, girls. That's it.

802

00:59:23,321 --> 00:59:26,313

- Oh, it's P.T.

- P.T.?

803

00:59:26,391 --> 00:59:30,953

Greetings and salutations!

Ooh-boppa-doo and how do you do?

804

00:59:31,029 --> 00:59:35,398

I am the great P.T. Flea!

805

00:59:35,467 --> 00:59:38,664

I'm in need of your assis...

Oh, let's just cut to the chase.

806

00:59:38,737 --> 00:59:42,104

<i>Look, I've been goin'
from anthill to anthill.</i>

807

00:59:42,173 --> 00:59:45,472

I'm lookin' for a bunch of circus
performers. Have you seen 'em?

808

00:59:48,713 --> 00:59:51,512

Wait a second.

Ain't that Staff Sergeant Slim?

809

00:59:51,584 --> 00:59:53,711

No, no, no. I'm sorry, no, but uh...

810

00:59:53,786 --> 00:59:55,720

<i>Be quiet!</i>

811

00:59:55,788 --> 00:59:57,881

Hey!

812

00:59:57,957 --> 00:59:59,788

<i> You'll probably...

you'll probably want to get goin'!</i>

813

00:59:59,859 --> 01:00:03,124

I guess you got a lot of other anthills
to check into, so, bye!

814

01:00:03,195 --> 01:00:06,460

- Ah, guys, I've been lookin'

all over for ya!

815

01:00:06,532 --> 01:00:10,059

- Flaming Death is a huge hit!

- P.T! Sh...

816

01:00:10,136 --> 01:00:12,400

<i>- I'm serious. Word of mouth got around.

- P. T..! No!</i>

817

01:00:12,471 --> 01:00:14,962

The next day, there was a line of flies
outside the tent went on forever!

818

01:00:15,041 --> 01:00:16,975

<i>- It must have been a foot long!

- P. T., no!</i>

819

01:00:17,043 --> 01:00:20,342

So, I figured it out. You guys burn me
twice a night, I take a day off to heal,

820

01:00:20,413 --> 01:00:22,347

and then we do it
all over again!

821

01:00:22,415 --> 01:00:25,646

We'll be the top circus act
in the business!

822

01:00:25,718 --> 01:00:27,652

You mean, you're not warriors?

823

01:00:27,720 --> 01:00:32,748

Are you kiddin'? These guys are the
lousiest circus bugs you've ever seen.

824

01:00:32,825 --> 01:00:35,259

And they're gonna make me rich!

825

01:00:35,328 --> 01:00:38,388

You mean to tell me that
our entire defensive strategy...

826

01:00:38,464 --> 01:00:40,864

was concocted by clowns?

827

01:00:40,933 --> 01:00:43,094

Hey, hey, hey, hey. We really thought
Flik's idea was gonna work.

828

01:00:46,739 --> 01:00:49,902

- Oops.

- Tell me this isn't true.

829

01:00:49,975 --> 01:00:52,944

- No, you don't... You don't...

- This couldn't have happened
at a more inopportune time!

830

01:00:53,012 --> 01:00:54,946

The last leaf is about to fall!

831

01:00:55,014 --> 01:00:57,312

<i> We haven't collected
any food for the grasshoppers!</i>

832

01:00:57,383 --> 01:00:59,613

<i>If Hopper finds out
what we almost did...</i>

833

01:00:59,685 --> 01:01:02,813

<i>Hopper is not going
to find out.</i>

834

01:01:02,888 --> 01:01:06,346

We're going to hide all this,
and pretend it never happened.

835

01:01:06,425 --> 01:01:10,328

You bugs were never here.
So I suggest you all leave.

836

01:01:10,397 --> 01:01:12,957

But the bird!
The-The bird will work.

837

01:01:13,033 --> 01:01:17,265

I never thought I'd see the day
when an ant would put himself...

838

01:01:17,337 --> 01:01:20,397

<i>- before the rest of his colony.
- What?</i>

839

01:01:20,474 --> 01:01:24,035

- The point is, Flik, you lied to us.
- No, no, no! I-I...

840

01:01:24,111 --> 01:01:26,875

You lied, Flik. You lied to her.

841

01:01:26,947 --> 01:01:30,542

<i>You lied to the colony!

You lied to me!*</i>*

842

01:01:30,617 --> 01:01:32,812

And like an idiot,

I believed you.

843

01:01:32,886 --> 01:01:36,549

But I-I was just afraid that...

844

01:01:36,623 --> 01:01:40,821

if you knew I'd gotten circus bugs...

845

01:01:40,894 --> 01:01:45,388

<i>- I just wanted to make a difference.

- I want you to leave, Flik.</i>

846

01:01:45,465 --> 01:01:48,901

And this time, don't come back.

847

01:01:59,546 --> 01:02:02,674

Tough crowd. Yee-haw!

848

01:02:02,749 --> 01:02:05,115

Flik!

849

01:02:30,945 --> 01:02:34,039

<i>Get those bugs!</i>

850

01:02:58,105 --> 01:03:01,006

That's it? But there's got
to be more food on the island!

851

01:03:01,075 --> 01:03:03,009

If we give up any more,
we'll starve.

852

01:03:03,077 --> 01:03:05,637

Hopper won't accept this!

853

01:03:11,052 --> 01:03:13,987

Mother, it's not enough.

854

01:03:14,055 --> 01:03:16,523

- What do we do?

- I-I don't know.

855

01:03:46,655 --> 01:03:49,681

You little termites!

856

01:03:49,758 --> 01:03:53,592

I give you a second chance,
and this is all I get?

857

01:03:53,662 --> 01:03:57,860

But Hopper, we ran out of time!

858

01:03:57,933 --> 01:04:01,699

Have you been playing all summer?
You think this is a game?

859

01:04:01,770 --> 01:04:05,206

- No, no, please!

- Well, guess what?

860

01:04:05,274 --> 01:04:07,242

You just lost.

861

01:04:07,309 --> 01:04:10,904

Not one ant sleeps...

862

01:04:10,979 --> 01:04:14,346

until we get

every scrap of food...

863

01:04:14,416 --> 01:04:16,782

on this island!

864

01:04:16,852 --> 01:04:19,821

Just do what he says. You don't

want to make him mad. Believe me!

865

01:04:21,590 --> 01:04:24,821

No, no, no.

You're staying with me, Your Highness.

866

01:04:24,893 --> 01:04:26,884

What do you think you're doing?

867

01:04:27,129 --> 01:04:30,792

- Get over there.

- Quick! To the clubhouse.

868

01:04:36,338 --> 01:04:38,636

Hurry!

869

01:04:47,482 --> 01:04:49,882

<i>Shut up a minute, will ya?</i>

870

01:04:49,952 --> 01:04:53,285

<i>- I think I heard something over here.

- Have you checked over there?</i>

871

01:04:53,355 --> 01:04:57,258

- No, not yet.

- Then get over there and check it out!

872

01:04:57,327 --> 01:04:59,420

Wait a minute.

873

01:04:59,495 --> 01:05:02,760

Hey, I think I found something.

874

01:05:04,834 --> 01:05:07,302

Cool. Hey, how do I look?

875

01:05:07,370 --> 01:05:09,304

Like an idiot.

876

01:05:09,372 --> 01:05:11,306

Oh, I don't know, maybe
it'll keep me dry in the rain.

877

01:05:11,374 --> 01:05:14,343

You moron, we'll be out of here
before it rains.

878

01:05:14,410 --> 01:05:17,345

Didn't you hear Hopper?
After the ants pick all the food,

879

01:05:17,413 --> 01:05:19,711

<i>he's gonna squish the queen
to remind 'em who's boss.</i>

880

01:05:19,782 --> 01:05:23,650

<i>Then she's dead. They cry... boo-hoo...
we go home. End of story.</i>

881

01:05:23,720 --> 01:05:26,951

Oh! Cool. I love our job.

882

01:05:27,023 --> 01:05:30,049

Stay here.

I'm gonna get help.

883

01:06:14,972 --> 01:06:17,634

Come on, wings, fly. Fly!

884

01:06:50,274 --> 01:06:52,208

I'm gonna be

rich, rich, rich #

885

01:06:52,276 --> 01:06:56,372

I'm gonna be rich, rich, rich

I'm gonna be the richest flea

in the land #

886

01:06:56,447 --> 01:07:01,316

Ka-ching! #The streets'll

be paved with golden retrievers #

887

01:07:01,385 --> 01:07:03,717

<i>#I'm rich, rich, rich

That's who I am ##</i>

888

01:07:08,058 --> 01:07:11,289

- Poor fellow.

- Hey, maybe we can cheer him up a bit.

889

01:07:12,663 --> 01:07:16,827

Don't worry, Flik.

The circus life isn't so bad.

890

01:07:16,900 --> 01:07:19,494

- Yes, you can be part of our act.

- Here! Like this.

891

01:07:19,570 --> 01:07:24,166

Oof! Ahh.

Slapstick! Get it?

892

01:07:24,241 --> 01:07:28,645

<i>I- I'm a walkingstick.

Oh, never mind.</i>

893

01:07:28,713 --> 01:07:30,647

<i>- Flik!

- Dot?</i>

894

01:07:30,715 --> 01:07:33,650

Flik, wait! Wait!

895

01:07:33,718 --> 01:07:36,846

Dot, you're flying!

What are you doing here?

896

01:07:36,921 --> 01:07:39,151

You... have to go back.

897

01:07:39,224 --> 01:07:41,158

Hopper moved into the anthill,

898

01:07:41,226 --> 01:07:43,251

and his gang's eating everything!

899

01:07:43,328 --> 01:07:45,262

- Oh, no!

- Good heavens!

900

01:07:45,330 --> 01:07:47,662

And I heard a grasshopper say
that when they're finished,

901

01:07:47,732 --> 01:07:49,825

Hopper's gonna squish my mom!

902

01:07:49,901 --> 01:07:52,529

- Oh, not the queen!

- Do something!

- How?

903

01:07:52,604 --> 01:07:55,801

<i>- Come on, you guys, think!

- I know. The bird.</i>

904

01:07:55,874 --> 01:07:57,933

- Yes, of course.

- The bird! That's brilliant.

905

01:07:58,009 --> 01:08:01,501

<i>- Ja!

- The bird won't work.</i>

906

01:08:01,579 --> 01:08:03,979

- What are you talking about?

It was your idea.

- But you said that everything...

907

01:08:04,048 --> 01:08:06,676

Forget everything I ever told you.

All right, Dot?

908

01:08:06,751 --> 01:08:10,983

<i>Let's face it. The colony is right.

I just make things worse.</i>

909

01:08:11,055 --> 01:08:14,252

That bird is a guaranteed failure.

910

01:08:14,325 --> 01:08:16,486

Just like me.

911

01:08:16,561 --> 01:08:21,123

You listen to me, my boy. I've made
a living out of being a failure.

912

01:08:21,199 --> 01:08:23,326

<i>And you, sir, are not a failure!</i>

913

01:08:23,401 --> 01:08:26,461

- Oh, but Flik, you've
done so many good things.
- Oh, yeah?

914

01:08:26,538 --> 01:08:28,472

Okay, show me one thing
I've done right.

915

01:08:28,540 --> 01:08:32,408

- Umm...

- Us.

916

01:08:32,477 --> 01:08:34,968

<i>- Yeah. Yeah, yeah.

- Dim is right, my boy.</i>

917

01:08:35,046 --> 01:08:39,983

You have rekindled the long-dormant
embers of purpose in our lives.

918

01:08:40,051 --> 01:08:44,010

And if it wasn't for you,
Francis would have never gotten
in touch with his feminine side.

919

01:08:44,088 --> 01:08:46,148

Oh yeah? Well... Hmm.

920

01:08:46,225 --> 01:08:48,159

You know what? He's right.

921

01:08:48,227 --> 01:08:50,821

Lieutenant Gypsy
reporting for duty.

922

01:08:50,896 --> 01:08:54,832

- Kid, say the word
and we'll follow you into battle.
- We believe in you, my boy.

923

01:08:54,900 --> 01:08:56,891

Flik, please?

924

01:09:22,461 --> 01:09:24,725

Pretend it's a seed, okay?

925

01:09:29,735 --> 01:09:32,795

Thanks, Dot.

926

01:09:37,543 --> 01:09:40,512

- Hey, what's with the rock?
- Must be an ant thing.

927

01:09:40,579 --> 01:09:43,275

All right, let's do it.

928

01:09:43,349 --> 01:09:45,283

That's the Flik we know and love.

929

01:09:45,351 --> 01:09:47,342

- We're on!

- So, what do we do first?

930

01:09:48,988 --> 01:09:51,923

Bugs will pay

big bucks to see #

931

01:09:51,991 --> 01:09:54,926

#A bonfire that is starring me ##

932

01:09:54,994 --> 01:09:57,121

P.T., look. Money!

933

01:09:57,196 --> 01:09:59,027

<i>Where? Where? </i>

934

01:10:01,568 --> 01:10:06,801

All right. Get movin'! Get goin'.

Move your abdomens, now!

935

01:10:06,873 --> 01:10:08,807

<i>They're rounding everyone up.</i>

936

01:10:10,076 --> 01:10:12,010

Hey! Turn your butt off.

937

01:10:14,047 --> 01:10:15,947

Psst! Hey, guys!

Get me out of this thing, will ya?

938

01:10:16,016 --> 01:10:17,950

I promise to start thinkin'

about payin' ya.

939

01:10:18,018 --> 01:10:20,714

<i>Hey! Wait, wait!

Okay, I'll pay ya! I'll pay ya!*</i>*

940

01:10:20,787 --> 01:10:24,052

<i> Oh, no!

They've finished collecting the food.</i>

941

01:10:24,124 --> 01:10:26,319

<i>We've got to get the queen now.</i>

942

01:10:26,393 --> 01:10:29,021

Once she's safe,

we move on Gypsy's signal.

943

01:10:34,167 --> 01:10:36,567

Someone's coming!

944

01:10:38,705 --> 01:10:42,106

Hello, kids! Ready to make

some grasshoppers cry?

945

01:10:42,175 --> 01:10:45,144

It's payback time,

Blueberry-style.

946

01:10:45,211 --> 01:10:47,145

Blueberries rock!

947

01:10:47,213 --> 01:10:48,976

All right!

948

01:10:51,217 --> 01:10:54,914

<i> Ladies and Gentlebugs!

Larvae of all stages!*</i>*

949

01:10:54,988 --> 01:10:59,357

*<i> Rub your legs together for
the world's greatest bug circus!*</i>**

950

01:11:09,970 --> 01:11:13,371

Wait a minute.

951

01:11:13,440 --> 01:11:16,706

- I think I'm going to wet myself.

- Steady...

952

01:11:16,777 --> 01:11:19,712

- What's going on here?

- Well, uh...

953

01:11:19,780 --> 01:11:21,714

<i>Uh, yes.</i>

954

01:11:21,782 --> 01:11:24,410

We were invited

by Princess Atta...

955

01:11:24,485 --> 01:11:27,852

<i>as a surprise for your arrival.</i>

956

01:11:27,922 --> 01:11:29,947

Squish 'em.

957

01:11:31,192 --> 01:11:33,387

Ooh...

958

01:11:34,729 --> 01:11:38,631

Hey!

959

01:11:47,942 --> 01:11:49,876

<i>Now that's funny.</i>

960

01:11:49,944 --> 01:11:51,809

<i>That is funny.</i>

961

01:11:53,614 --> 01:11:56,310

I guess we could use
a little entertainment.

962

01:11:56,384 --> 01:11:59,444

Looks like you did something right
for once, Princess.

963

01:11:59,520 --> 01:12:03,479

- On with the show!
- Hi-ya!

964

01:12:03,557 --> 01:12:05,650

Hey!

965

01:12:05,726 --> 01:12:08,820

#The circus, the circus

I love the circus #

966

01:12:21,242 --> 01:12:23,972

Ba-ba all gone!

967

01:12:24,045 --> 01:12:26,343

Baby wants pie!

968

01:12:26,414 --> 01:12:30,282

Pie? He asked for it.

Should I give it to him?

969

01:12:30,351 --> 01:12:33,412

Yeah! Give 'em pie!

Give 'em pie!

970

01:12:33,488 --> 01:12:35,786

Yeah! Hah!

971

01:12:35,857 --> 01:12:37,984

Thank you, gentlemen.

Always an intellectual treat.

972

01:12:38,060 --> 01:12:40,688

Say, how many roaches does it take
to screw in a light bulb?

973

01:12:40,762 --> 01:12:43,196

Can't tell. As soon as
the light goes on, they scatter!

974

01:12:57,712 --> 01:12:59,942

Ah, almost there.

975

01:13:00,015 --> 01:13:03,644

From the most mysterious
regions of uncharted Asia,

976

01:13:03,718 --> 01:13:06,380

<i>- I give you the Chinese Cabinet...

- Come on, girls. Quick. Quick.</i>

977

01:13:06,455 --> 01:13:09,583

<i>Of Metamorphosis!</i>

978

01:13:09,658 --> 01:13:12,218

Utilizing psychic vibrations,

979

01:13:12,294 --> 01:13:15,923

- Ooh, ohh, pick me!

- I shall select the perfect volunteer.

980

01:13:15,997 --> 01:13:18,727

Ooh, no! Come on,

I'm askin' ya with my brain.

981

01:13:18,800 --> 01:13:22,736

- Aha! Why, Your Majesty!

- Me?

982

01:13:22,804 --> 01:13:25,500

No, no. Thumper, down. Let her go.

983

01:13:25,574 --> 01:13:27,508

Maybe he'll saw her in half.

984

01:13:27,576 --> 01:13:31,273

As you ascend the dung beetle

to the unknown,

985

01:13:31,346 --> 01:13:35,476

put your trust in the mysteries that
are beyond mere mortal comprehension.

986

01:13:35,550 --> 01:13:38,314

Ooh, this is gonna be good!

987

01:13:40,122 --> 01:13:42,090

- Blueberries ready?

- Ready.

988

01:13:42,157 --> 01:13:44,717

- Ready!

- Shh!

989

01:13:44,793 --> 01:13:47,853

I call upon the ancient
Szechwan spirits...

990

01:13:47,929 --> 01:13:50,990

<i>to inhabit the body

of our volunteer!</i>

991

01:13:51,067 --> 01:13:53,535

No, no.

Just stay in there, Your Majesty.

992

01:13:53,603 --> 01:13:55,833

Transformation.

993

01:13:55,905 --> 01:13:58,396

Transformation!

994

01:13:58,474 --> 01:14:00,567

<i>Transformation!</i>

995

01:14:00,643 --> 01:14:02,838

Wow.

Manny's gettin' good.

996

01:14:02,912 --> 01:14:06,370

- Not now.

- If it rains, that bird'll

get ripped to shreds!

997

01:14:10,953 --> 01:14:14,719

<i>And now, insectus...</i>

998

01:14:14,790 --> 01:14:18,123

<i>transformitus!</i>

999

01:14:24,433 --> 01:14:26,424

Ooh, pretty!

1000

01:14:26,502 --> 01:14:30,097

Thank you, thank you.

1001

01:14:30,173 --> 01:14:33,074

<i>- Thank you.

- That's the signal. That's the signal!</i>

1002

01:14:36,179 --> 01:14:38,977

This is it, girls.

Get ready to roll.

1003

01:14:41,450 --> 01:14:44,112

- Huh? It's stuck!

- That was amazing!

1004

01:14:44,187 --> 01:14:48,146

I have no... How did they do that?

I have no idea where she went.

1005

01:14:48,224 --> 01:14:50,715

<i>- Thank you. Thank you, thank you.

- More, more, more!</i>

1006

01:14:50,793 --> 01:14:53,626

Wait!

1007

01:14:53,696 --> 01:14:56,563

- Where is she?

- Well, now, uh, actually...

1008

01:14:56,632 --> 01:15:00,500

I am sorry. A magician
never reveals his secrets.

1009

01:15:00,570 --> 01:15:03,505

That's very true, Hoppy. Where would the

mystery be if we all knew how it was...

1010

01:15:03,573 --> 01:15:06,042

Shutting up.

1011

01:15:06,109 --> 01:15:09,408

- You can do it!

You've got to make it work!

- Hey!

1012

01:15:10,747 --> 01:15:12,840

I said, where is she?

1013

01:15:12,916 --> 01:15:15,146

Ohh!

1014

01:15:22,593 --> 01:15:24,584

Hold on!

1015

01:15:34,004 --> 01:15:36,336

Bird! It's a bird!

1016

01:15:53,357 --> 01:15:57,623

Let's get out of here! Go!

1017

01:16:02,032 --> 01:16:06,059

Don't let it get me!

Don't let it get me!

1018

01:16:06,136 --> 01:16:08,070

Help me! Aaah!

1019

01:16:10,240 --> 01:16:12,174

<i>Up, down, up, down.</i>

1020

01:16:12,242 --> 01:16:15,143

And turn!

1021

01:16:25,823 --> 01:16:28,883

Oh, my eye! Help me!

1022

01:16:33,765 --> 01:16:35,926

Mmm, boysenberry.

1023

01:16:36,000 --> 01:16:40,027

Huh?

Aah, no, no, no, no, no!

1024

01:16:43,975 --> 01:16:48,742

Oh, the pain!

1025

01:16:48,813 --> 01:16:51,247

There goes my magic act!

1026

01:16:52,317 --> 01:16:55,343

- Flaming gas!

- No! P.T!

1027

01:17:00,825 --> 01:17:03,123

A direct hit! Ah-hee-ha!

1028

01:17:03,194 --> 01:17:05,128

Run!

1029

01:17:05,196 --> 01:17:07,790

Flik! Help us!

1030

01:17:27,819 --> 01:17:29,218

Dot!

1031

01:17:31,556 --> 01:17:33,888

Okay! Everyone out! Hurry!

1032

01:17:36,561 --> 01:17:38,496

Where's Dot?

Anyone seen Dot?

1033

01:17:40,232 --> 01:17:44,566

Whose idea was this?

1034

01:17:44,636 --> 01:17:46,570

Huh?

1035

01:17:48,006 --> 01:17:50,270

Was it yours, Princess?

1036

01:17:50,342 --> 01:17:53,004

Just get behind me, girls.

It'll be okay.

1037

01:17:53,078 --> 01:17:55,012

<i>Leave her alone, Hopper.</i>

1038

01:17:55,080 --> 01:17:59,107

The bird was my idea.

I'm the one you want.

1039

01:18:12,331 --> 01:18:14,322

Ohh.

1040

01:18:18,270 --> 01:18:20,670

Where do you get the gall

to do this to me?

1041

01:18:20,739 --> 01:18:24,539

You were...

You were gonna squish the queen.

1042

01:18:24,610 --> 01:18:27,204

It's true.

1043

01:18:27,279 --> 01:18:30,009

I hate it when someone
gives away the ending.

1044

01:18:32,084 --> 01:18:35,485

You piece of dirt!
No, I'm wrong.

1045

01:18:35,554 --> 01:18:38,546

You're lower than dirt.
You're an ant!

1046

01:18:39,691 --> 01:18:43,218

Let this be a lesson
to all you ants.

1047

01:18:43,295 --> 01:18:46,458

Ideas are very dangerous things.

1048

01:18:46,532 --> 01:18:49,990

You are mindless,
soil-shoving losers,

1049

01:18:50,068 --> 01:18:54,062

put on this earth to serve us!

1050

01:18:54,140 --> 01:18:57,007

<i>You're wrong, Hopper.</i>

1051

01:19:03,147 --> 01:19:08,278

Ants are not meant

to serve grasshoppers!

1052

01:19:12,056 --> 01:19:15,321

I've seen these ants

do great things.

1053

01:19:15,393 --> 01:19:17,861

And year after year,

they somehow manage...

1054

01:19:17,929 --> 01:19:21,490

<i>to pick food

for themselves and you.</i>

1055

01:19:24,235 --> 01:19:26,669

<i>So-So who is the weaker species?</i>

1056

01:19:28,139 --> 01:19:30,232

Ants don't serve grasshoppers.

1057

01:19:30,308 --> 01:19:33,106

<i>It's you who need us.</i>

1058

01:19:38,683 --> 01:19:41,846

We're a lot stronger

than you say we are.

1059

01:19:41,919 --> 01:19:45,150

And you know it, don't you?

1060

01:19:54,432 --> 01:19:57,367

Well, Princess!

1061

01:19:57,435 --> 01:20:00,199

Umm, Hopper?

I hate to interrupt, but, um...

1062

01:20:05,910 --> 01:20:08,777

You ants stay back!

1063

01:20:14,553 --> 01:20:17,716

<i>- Oh, this was such a bad idea!

- You see, Hopper,</i>

1064

01:20:17,790 --> 01:20:20,520

nature has a certain order.

1065

01:20:20,592 --> 01:20:24,653

<i>The ants pick the food,
the ants keep the food,</i>

1066

01:20:24,730 --> 01:20:26,960

and the grasshoppers leave!

1067

01:20:32,304 --> 01:20:35,705

- I'm so proud of you, Flik!

- Charge-a!

1068

01:20:35,774 --> 01:20:37,935

Where are you going?

They're just ants!

1069

01:20:38,010 --> 01:20:40,069

Oof!

1070

01:20:43,482 --> 01:20:46,315

No! Bad grasshopper!

Bad grasshopper! Go home!

1071

01:20:52,090 --> 01:20:53,648

Yeah!

1072

01:20:53,725 --> 01:20:57,320

<i> Come back here,
you cowards! Don't leave!</i>

1073

01:20:57,396 --> 01:20:59,523

- To the cannon!

- To the cannon!

1074

01:20:59,598 --> 01:21:02,226

No!

1075

01:21:11,143 --> 01:21:12,838

Happy landings, Hopper!

1076

01:21:14,146 --> 01:21:16,080

Huh?

1077

01:21:24,089 --> 01:21:27,082

Rain!

1078

01:21:53,820 --> 01:21:56,050

- Flik!

- Quick! After them!

1079

01:21:56,122 --> 01:21:58,454

- Yaah!

- Aah! Aah!

1080

01:22:07,400 --> 01:22:10,096

Aah! Slim!

1081

01:22:10,169 --> 01:22:12,637

<i>- Francis! Francis! Francis, I'm stuck!

- Where are ya?</i>

1082

01:22:12,705 --> 01:22:14,639

<i>- I'm over here! Here!

- Where?</i>

1083

01:22:14,707 --> 01:22:16,971

<i>I'm the only stick with eyeballs!</i>

1084

01:22:20,179 --> 01:22:22,875

- Help! Help!

- Get him!

1085

01:22:29,255 --> 01:22:32,691

Yes! Yes!

1086

01:22:35,828 --> 01:22:37,455

No!

1087

01:22:49,944 --> 01:22:54,313

- Go that way! I've got an idea!

- But the anthill's over...

1088

01:22:59,753 --> 01:23:01,687

- Flik!

- Come on!

1089

01:23:07,094 --> 01:23:09,358

There!

1090

01:23:12,733 --> 01:23:14,667

Come on!

We've gotta hide!

1091

01:23:14,735 --> 01:23:17,670

No matter what happens,
stay down!

1092

01:23:17,738 --> 01:23:19,672

Flik, no!

What are you doing?

1093

01:23:21,709 --> 01:23:24,200

- Uh... Hopper!

- You think it's over?

1094

01:23:24,278 --> 01:23:26,212

No, no, no.

No, I-I can explain.

1095

01:23:26,280 --> 01:23:29,716

- All your little stunt did

was buy them time!

- No, please!

1096

01:23:29,783 --> 01:23:31,216

Please, Hopper!

1097

01:23:31,285 --> 01:23:34,311

I'll get more grasshoppers

and be back next season,

1098

01:23:34,388 --> 01:23:36,618

but you won't!

1099

01:23:39,760 --> 01:23:42,388

Well, what's this?

1100

01:23:42,429 --> 01:23:44,829

Another one of
your little bird tricks?

1101

01:23:44,898 --> 01:23:48,334

- Yup.
- Are there a bunch of little
girls in this one too?

1102

01:23:48,402 --> 01:23:50,870

Hello, girls!

1103

01:23:59,848 --> 01:24:02,009

<i>No! No!

No, no, no, no!*</i>*

1104

01:24:02,083 --> 01:24:06,383

No! Aah!

No!

1105

01:24:06,454 --> 01:24:09,389

Oh, no!

1106

01:24:09,457 --> 01:24:13,826

<i>Oh, no! No, no, no!</i>

1107

01:24:23,338 --> 01:24:25,568

Come on, boys!

1108

01:24:25,640 --> 01:24:28,074

Hey, Princess Dot! Wait up!

1109

01:24:30,945 --> 01:24:33,209

I finally get a second to relax,

1110

01:24:33,281 --> 01:24:35,215

and I gotta get out of my chair.

1111

01:24:35,283 --> 01:24:39,447

- Come on! You can rub lotion
on me later, shade boy.

- Yeah, hubba-hubba.

1112

01:24:41,556 --> 01:24:45,549

Oh, thank you!

1113

01:24:45,627 --> 01:24:47,891

- Oh, you're too kind!

- It was the least we could do.

All in a day's work.

1114

01:24:47,962 --> 01:24:49,896

Dim!

1115

01:24:49,964 --> 01:24:52,159

- Ohh!

- Ohh!

1116

01:24:52,233 --> 01:24:54,633

I'm so sorry, kids.

I wish you could come along too.

1117

01:24:54,703 --> 01:24:57,171

I'm not gonna cry. I'm not gonna cry.

1118

01:25:05,547 --> 01:25:07,913

Hey, let's go. We got a schedule
to keep. Come on, let's go.

1119

01:25:07,982 --> 01:25:10,246

- Hup, hup, hey!

- Hey, Tiny!

Let's get this show packed up!

1120

01:25:10,318 --> 01:25:12,252

We got paying customers hatching!

1121

01:25:12,320 --> 01:25:14,585

Yes, Mr. Flea. Yes, sir.

Of course, sir. Right away, sir.

1122

01:25:14,657 --> 01:25:16,591

And, um, I just wanted to
thank you for giving me a chance,

1123

01:25:16,659 --> 01:25:19,150

because it's an honor to work
with creative giants such as yourself.

1124

01:25:19,228 --> 01:25:22,755

<i>- Shutting up.

- You sure you can't

come on tour with us?</i>

1125

01:25:22,832 --> 01:25:27,394

- Sorry. My place is here.

- Good answer.

1126

01:25:27,470 --> 01:25:30,667

Oh, well. Your loss.

One minute, insects!

1127

01:25:32,341 --> 01:25:34,275

I wanna thank all of you...

1128

01:25:34,343 --> 01:25:38,939

for giving us back our hope,
our dignity, and our lives.

1129

01:25:39,048 --> 01:25:43,212

And to you, Princess Atta.

You have given us so much.

1130

01:25:43,252 --> 01:25:46,380

Please accept this gift

from us bugs...

1131

01:25:46,455 --> 01:25:49,185

to you ants.

1132

01:25:49,258 --> 01:25:54,286

- For you!

- Oh! It's a rock.

1133

01:25:54,363 --> 01:25:56,831

What's with the rock?

1134

01:25:56,899 --> 01:25:58,833

Must be a circus thing.

1135

01:26:01,137 --> 01:26:03,503

Well, Flik, you really goofed up.

1136

01:26:03,572 --> 01:26:07,508

- Thanks.

- Yeah, you too.

1137

01:26:44,214 --> 01:26:48,344

- All right.

Now it's gettin' mushy.

1138

01:26:48,418 --> 01:26:51,683

We're outta here! Hy-aah!

1139

01:26:57,527 --> 01:27:01,054

- Whoa!

- See ya next season!

1140

01:27:01,131 --> 01:27:03,691

- See ya, Flik!

- Bye! We miss you already!

1141

01:27:03,767 --> 01:27:07,100

- You fired!

- We forgot Heimlich!

1142

01:27:10,574 --> 01:27:15,602

I'm finished! Finally,

I'm a beautiful butterfly!

1143

01:27:22,352 --> 01:27:25,344

<i>Mein wings!

Oh, they're beautiful!*</i>*

1144

01:27:25,422 --> 01:27:28,687

Heimlich! The wagon's

taking off! You better start flying!

1145

01:27:28,758 --> 01:27:34,287

<i>But I am flying! And from way up here,

you all look like little ants!</i>

1146

01:27:34,364 --> 01:27:36,958

Auf Wiedersehen!

1147

01:27:37,033 --> 01:27:38,830

Bye!

1148

01:27:45,675 --> 01:27:48,770

Present stalks!

1149

01:27:48,846 --> 01:27:51,906

Harvester, salute!

1150

01:28:34,258 --> 01:28:37,659

<i># Was a bug, little bug #</i>

1151

01:28:37,728 --> 01:28:39,855

<i>#Hardly there #</i>

1152

01:28:42,099 --> 01:28:45,296

<i>#How he felt, what he dreamed #</i>

1153

01:28:45,369 --> 01:28:47,303

<i># Who would care #</i>

1154

01:28:49,707 --> 01:28:53,507

<i>- # Without any evidence #

- #His flaws were many, ooh #</i>

1155

01:28:53,577 --> 01:28:57,638

<i>- #He was full of confidence #

- #Some people haven't any #</i>

1156

01:28:57,715 --> 01:29:01,481

<i>- #Didn't have much common sense #
- #It's highly overrated #</i>

1157

01:29:01,552 --> 01:29:04,647

<i>#He just knew
that he'd come through #</i>

1158

01:29:04,723 --> 01:29:07,988

<i>#It's the time of your life #</i>

1159

01:29:08,060 --> 01:29:10,585

<i>#So live it well #</i>

1160

01:29:12,464 --> 01:29:15,456

<i>#It's the time of your life #</i>

1161

01:29:15,534 --> 01:29:17,900

<i>#So live it well #</i>

1162

01:29:20,172 --> 01:29:24,973

<i># We may only go round one time #</i>

1163

01:29:25,043 --> 01:29:27,807

<i>#As far as I can tell #</i>

1164

01:29:27,879 --> 01:29:31,110

<i>#It's the time of your life #</i>

1165

01:29:31,183 --> 01:29:33,617

<i>#So live it well #</i>

1166

01:29:33,685 --> 01:29:38,486

<i># We may only go round

this one time #</i>

1167

01:29:38,557 --> 01:29:42,220

<i>- #As far as I can tell #

- #He could be wrong about me #</i>

1168

01:29:42,327 --> 01:29:45,455

<i>- #It's the time of your life #

- # Time, life #</i>

1169

01:29:45,497 --> 01:29:49,228

<i>- #It's the time of your life #

- # Time, life #</i>

1170

01:29:49,301 --> 01:29:52,327

<i>#It's the time of your life #</i>

1171

01:29:52,404 --> 01:29:55,805

<i>#So live it well #</i>

1172

01:29:56,508 --> 01:29:57,873

<i>- Speed!

- Marker.</i>

1173

01:29:57,943 --> 01:30:01,242

<i>- And... action!

- Are you saying I'm stupid?</i>

1174

01:30:01,313 --> 01:30:04,578

- No!

- Do I look stupid... to you?

1175

01:30:06,918 --> 01:30:08,852

I'm sorry!

1176

01:30:08,920 --> 01:30:12,447

Are you saying I'm stupid? Oh...

1177

01:30:15,894 --> 01:30:19,262

I'm sorry! I got it.

No, no. Do it again. I'm fine.

1178

01:30:19,332 --> 01:30:23,325

- Are you saying I'm stupid?

- Yes!

1179

01:30:23,403 --> 01:30:27,203

This is the 15th take.

I cannot work like this.

1180

01:30:27,273 --> 01:30:30,640

- I will be in my trailer.

- I need a break.

1181

01:30:30,710 --> 01:30:32,644

Marker.

1182

01:30:32,712 --> 01:30:35,943

Whoa, Flik honey, we are not about to...

1183

01:30:36,015 --> 01:30:37,949

Is someone hammering?

1184

01:30:38,017 --> 01:30:39,951

Could we hold the work, please? People?

1185

01:30:40,053 --> 01:30:42,044

Am I in this shot?

You can see me, right?

1186

01:30:42,088 --> 01:30:44,613

<i>And... action!</i>

1187

01:30:44,690 --> 01:30:47,625

To infinity, and beyond!

1188

01:30:47,693 --> 01:30:51,959

I'm sorry. I couldn't resist.

1189

01:30:52,031 --> 01:30:53,965

Really, can you blame me?

1190

01:30:54,033 --> 01:30:57,434

<i>- Okay, let's go for real now. Sorry.

- Okay, cut!</i>

1191

01:30:57,503 --> 01:31:00,131

Why go back to Ant Island at all?

1192

01:31:00,206 --> 01:31:02,140

- I mean, you don't even like grain.

- What?

1193

01:31:02,208 --> 01:31:04,142

You're right. I didn't think

it was such a good idea myself.

1194

01:31:04,210 --> 01:31:06,269

- Actually, it wasn't

even my idea. It was...

- Watch it!

1195

01:31:06,345 --> 01:31:08,745

<i>I'm sorry! I'm sorry!

Is the camera broke?</i>

1196

01:31:08,815 --> 01:31:11,545

*<i>Oh, oh, I'm sorry, I'm sorry,
I'm sorry. Did I ruin the take?</i>*

1197

01:31:11,617 --> 01:31:14,984

And thank you for findin' 'em, Flick.

1198

01:31:15,054 --> 01:31:17,147

Me?

1199

01:31:19,358 --> 01:31:22,225

- This really hurts, guys.

Can we cut? Ow!

- I'm sorry, I'm s...

1200

01:31:23,796 --> 01:31:27,163

So, is there a Mrs. Ant

you have to tunnel home to?

1201

01:31:27,233 --> 01:31:30,669

Oh, I'm sorry!

I thought he was real.

1202

01:31:30,736 --> 01:31:34,400

Ooh, dear.

Put that thing in my car.

1203

01:31:34,475 --> 01:31:36,500

Marker.

1204

01:31:36,577 --> 01:31:38,977

Flik, after much deliberation...

1205

01:31:42,583 --> 01:31:45,677

- Ohh, I... Ow. Oh. My eye!

1206

01:31:45,752 --> 01:31:48,414

Oh. No, no. Seriously,

I've got berry juice in my eye!

1207

01:31:48,489 --> 01:31:51,287

It stings! Stop acting. I'm serious.

1208

01:31:51,358 --> 01:31:53,292

Oh, stop the camera!

1209

01:31:55,762 --> 01:31:58,128

Uh-oh. Towel!

I need a towel over here!

1210

01:32:00,200 --> 01:32:02,134

<i>Cut!</i>

1211

01:32:02,202 --> 01:32:05,501

I'm sorry, I'm sorry.

1212

01:32:05,572 --> 01:32:09,508

- Can we... Can we cut? It's just

I don't think I'm comin' across.

1213

01:32:09,576 --> 01:32:12,875

Oh, oh, I know. I know.

I could lather up a bunch of spit.

1214

01:32:12,946 --> 01:32:15,847

Ooh, ooh, that's good.

I got it, J.L. One more for me.

1215

01:32:15,916 --> 01:32:17,884

<i>- Speed!

- Marker!</i>

1216

01:32:17,951 --> 01:32:19,384

<i>Action!</i>

1217

01:32:19,453 --> 01:32:22,217

Spinning a web of safety

in less than 50... Bleh!

1218

01:32:22,289 --> 01:32:25,349

<i>#It's the time of your life #</i>

1219

01:32:25,425 --> 01:32:27,359

<i>#So live it well #</i>

1220

01:32:29,930 --> 01:32:32,865

<i>#It's the time of your life #</i>

1221

01:32:32,933 --> 01:32:34,901

<i>#So live it well #</i>

1222

01:32:37,471 --> 01:32:42,408

<i># We may only go round one time #</i>

1223

01:32:42,509 --> 01:32:45,307

<i>#As far as I can tell #</i>

1224

01:32:45,345 --> 01:32:48,508

<i>#It's the time of your life #</i>

1225

01:32:48,582 --> 01:32:50,676

<i>#So live it well #</i>

1226

01:32:53,521 --> 01:32:56,922

<i>#Like us all he started small #</i>

1227

01:32:56,991 --> 01:32:58,925

<i># Then he grew #</i>

1228

01:33:01,329 --> 01:33:04,696

<i># When the time came he knew #</i>

1229

01:33:04,766 --> 01:33:06,700

<i># What to do #</i>

1230

01:33:08,937 --> 01:33:12,964

<i>- #He knew in order to succeed #

- # They'd have to work together #</i>

1231

01:33:13,041 --> 01:33:16,807

<i>- #He turned a rock into a seed #

- #And they were changed forever #</i>

1232

01:33:16,878 --> 01:33:19,210

<i># Then they had the strength

they'd need #</i>

1233

01:33:19,280 --> 01:33:23,979

<i>- # To get through stormy weather #

- #Do or die, you gotta try #</i>

1234

01:33:24,052 --> 01:33:27,215

<i>#It's the time of your life #</i>

1235

01:33:27,288 --> 01:33:29,222

<i>#So live it well #</i>

1236

01:33:31,759 --> 01:33:34,694

<i>#It's the time of your life #</i>

1237

01:33:34,762 --> 01:33:36,696

<i>#So live it well #</i>

1238

01:33:39,634 --> 01:33:44,264

<i># You may only go round one time #</i>

1239

01:33:44,339 --> 01:33:47,365

<i>- #As far as I can tell #

- # You may be wrong about me #</i>

1240

01:33:47,442 --> 01:33:50,570

<i>#It's the time of your life #</i>

1241

01:33:50,645 --> 01:33:53,614

<i>#So live it well #</i>

1242

01:33:53,681 --> 01:33:57,344

<i>#Isn't it a bit surprising #</i>

1243

01:33:57,418 --> 01:34:01,218

<i>#How our fortunes ebb and flow #</i>

1244

01:34:01,289 --> 01:34:05,157

<i>#And only to the enterprising #</i>

1245

01:34:05,226 --> 01:34:09,561

<i>#Does the magic fortune cookie go #</i>

1246

01:34:09,632 --> 01:34:13,659

<i>#Believe me

It's the time of your life #</i>

1247

01:34:13,736 --> 01:34:15,670

<i>#So live it well #</i>

1248

01:34:18,240 --> 01:34:21,209

<i>#It's the time of your life #</i>

1249

01:34:21,277 --> 01:34:23,404

<i>#So live it well #</i>

1250

01:34:26,115 --> 01:34:30,711

<i># We may only go round one time #</i>

1251

01:34:30,786 --> 01:34:33,550

<i>#As far as I can tell #</i>

1252

01:34:33,622 --> 01:34:37,388

<i>#It's the time of your life #</i>

1253

01:34:37,459 --> 01:34:41,293

<i>#It's the time of your life #</i>

1254

01:34:41,397 --> 01:34:44,662

<i>#It's the time of your life #</i>

1255

01:34:44,700 --> 01:34:47,066
