No worries. Have a seat.

882

01:15:32,666 --> 01:15:34,291

[boy] Hi, I'm Bradley.

883

01:15:34,375 --> 01:15:41,000

Um... I am ADHD, OCD,
BPD, DID, and bipolar.

884

01:15:41,541 --> 01:15:42,541

Yeah. [chuckles]

885

01:15:42,833 --> 01:15:46,458

Um... you'd think some of those
would cancel the others out, but...

886

01:15:47,041 --> 01:15:48,666

Yeah, my week's been OK.

887

01:15:48,750 --> 01:15:50,916

I've been watching
a lot of basketball lately,

888

01:15:51,000 --> 01:15:53,291

and that's been helping a lot, so...

889

01:15:54,000 --> 01:15:55,000

Good.

890

01:15:56,458 --> 01:15:57,916

Hi. Welcome.

891

01:16:01,875 --> 01:16:02,875

Um...

892

01:16:05,041 --> 01:16:07,666

I'm, uh... Theodore Finch.

893

01:16:09,791 --> 01:16:10,833

No labels.

894

01:16:12,583 --> 01:16:16,125

Not really sure why I'm here.

[chuckles lightly]

895

01:16:17,166 --> 01:16:18,166

Uh...

896

01:16:20,291 --> 01:16:25,041

I guess it's 'cause I...

I got in this fight at school and,

897

01:16:26,500 --> 01:16:27,541

like,

898

01:16:28,875 --> 01:16:31,541

I was there, but I wasn't there.

899

01:16:31,625 --> 01:16:33,625

I was watchin' myself, and...

900

01:16:37,875 --> 01:16:38,875

uh...

901

01:16:39,458 --> 01:16:41,833

I-I-I just get a little lost sometimes.

902

01:16:45,000 --> 01:16:47,333

I run... a lot.

903

01:16:48,041 --> 01:16:49,458

Sometimes that helps.

904

01:16:51,000 --> 01:16:52,000

Kind of.

905

01:16:56,250 --> 01:16:57,708

I don't know. Is that enough?

906

01:16:58,666 --> 01:16:59,666

Sure.

907

01:17:00,125 --> 01:17:01,750

Thanks. Glad you're here.

908

01:17:05,458 --> 01:17:07,833

Amanda, why don't you go ahead?

909

01:17:10,166 --> 01:17:11,250

I'm Amanda.

910

01:17:13,750 --> 01:17:14,791

I'm bulimic.

911

01:17:16,291 --> 01:17:18,125

I've tried to kill myself twice.

912

01:17:21,375 --> 01:17:23,291

I think about it almost every day.

913

01:17:37,166 --> 01:17:38,875

[footsteps approaching]

914

01:17:39,416 --> 01:17:41,416

[Kate] Hey, have you heard anything yet?

915

01:17:42,125 --> 01:17:44,333

- No.

- [Kate sighs] OK.

916

01:17:45,458 --> 01:17:48,416

I gotta go to work. I'm gonna be late.

But you should stay.

917

01:17:49,333 --> 01:17:50,750

Why does he keep doing this?

918

01:17:54,625 --> 01:17:55,708

I don't know.

919

01:18:00,041 --> 01:18:02,250

Have him call me

when you hear from him, OK?

920

01:18:04,041 --> 01:18:05,041

Yeah.

921

01:18:05,291 --> 01:18:06,583

- [Kate] Bye.

- Bye.

922

01:18:06,708 --> 01:18:08,708

[footsteps receding]

923

01:18:12,208 --> 01:18:14,291

[Amanda]

<i>I heard you beat the shit outta Roamer.</i>

924

01:18:16,583 --> 01:18:18,103

Why do you keep doing stuff like that?

925

01:18:18,166 --> 01:18:20,541

Aren't you tired of people
talking about you all the time?

926

01:18:22,166 --> 01:18:23,916

People are always gonna talk.

927

01:18:24,916 --> 01:18:26,166

It's their specialty.

928

01:18:29,583 --> 01:18:30,583

Are you OK?

929

01:18:34,125 --> 01:18:37,666

I don't know.

I feel like I keep messing things up,

930

01:18:37,750 --> 01:18:42,166

and I'm not sure

I know how to not do that.

931

01:18:42,625 --> 01:18:43,625

Does this work?

932

01:18:45,666 --> 01:18:47,458

It's better than the alternative.

933

01:18:54,500 --> 01:18:56,000

[knocking on door]

934

01:19:35,333 --> 01:19:37,293

[Kate] *<i>Your girlfriend's pretty worried
about you.</i>*

935

01:19:37,708 --> 01:19:39,625

She's been at the house all afternoon.

936

01:19:43,041 --> 01:19:44,041

What's going on?

937

01:19:49,083 --> 01:19:52,166

I don't... really remember...

938

01:19:53,125 --> 01:19:55,250

Dad that well.

939

01:19:56,833 --> 01:19:58,708

And everything I do...

940

01:20:01,041 --> 01:20:03,458

remember is... is bad.

941

01:20:07,208 --> 01:20:08,375

Are there any...

942

01:20:09,583 --> 01:20:11,750

good memories you have of him?

943

01:20:12,791 --> 01:20:13,833

[Kate sighs]

944

01:20:14,833 --> 01:20:17,916

Well, the fact that he would

beat the shit out of us

945

01:20:18,000 --> 01:20:19,833

kind of negated all the good times.

946

01:20:26,916 --> 01:20:29,500

But why was he like that?

947

01:20:29,583 --> 01:20:32,333

Was he like that because of us? Was he...

948

01:20:33,583 --> 01:20:34,875

like that because of Mom?

949

01:20:34,958 --> 01:20:37,375

He was like that

because he was a shitty person.

950

01:20:37,833 --> 01:20:39,833

[Finch] There has to be a reason, though.

951

01:20:39,916 --> 01:20:43,000

Because if there's a reason,

then he could get better.

952

01:20:43,083 --> 01:20:44,166

Something or...

953

01:20:45,500 --> 01:20:48,416

someone could make him better, right?

954

01:20:48,875 --> 01:20:51,875

I don't know. Who cares?

Dude, he's someone else's problem.

955

01:20:51,958 --> 01:20:54,000

Why are you asking me about Dad?

956

01:20:57,875 --> 01:20:59,291

What's going on, Finch?

957

01:21:03,541 --> 01:21:05,458

Come on. You can talk to me, man.

958

01:21:08,333 --> 01:21:10,125

Nothing, Kate.

959

01:21:10,208 --> 01:21:11,291

Sorry. Nothing.

960

01:21:12,666 --> 01:21:13,666

I'm good.

961

01:21:14,458 --> 01:21:16,916

Are you sure?

Because I have to open the bar,

962

01:21:17,000 --> 01:21:20,750

- but I can find someone to cover me.

- I'm good. [chuckles]

963

01:21:24,750 --> 01:21:26,500

You know I love you, right, Theo?

964

01:21:29,750 --> 01:21:30,750

I know.

965

01:21:47,208 --> 01:21:48,208

[door opens]

966

01:21:52,958 --> 01:21:54,416

[footsteps approaching]

967

01:22:13,791 --> 01:22:14,875

You scared me.

968

01:22:21,458 --> 01:22:22,916

What is all of this?

969

01:22:25,583 --> 01:22:27,250

[Finch] I'm trying to focus.

970

01:22:28,250 --> 01:22:29,583

[Violet] Focus on what?

971

01:22:30,916 --> 01:22:32,291

On staying awake.

972

01:22:34,916 --> 01:22:37,000

I don't understand what that means.

973

01:22:38,708 --> 01:22:40,166

Sometimes I...

974

01:22:41,125 --> 01:22:42,333

go blank.

975

01:22:44,166 --> 01:22:46,875

I... get into these dark moods.

976

01:22:48,041 --> 01:22:50,666

I think too fast

to keep track of anything,

977

01:22:51,750 --> 01:22:53,041

and then it's like...

978

01:22:54,208 --> 01:22:57,041

all my thoughts are gone at once.

979

01:22:58,458 --> 01:23:01,791

And sometimes,

if I put 'em up there, I can...

980

01:23:02,208 --> 01:23:04,333

focus and slow down, but...

981

01:23:07,291 --> 01:23:09,791

I can't right now. I can't.

982

01:23:11,958 --> 01:23:12,958

OK.

983

01:23:14,125 --> 01:23:15,916

[Finch] And this usually works.

984

01:23:16,000 --> 01:23:17,791

Maybe there's too much clutter.

985

01:23:21,333 --> 01:23:23,708

I can fix it. I just...

986

01:23:24,083 --> 01:23:27,000

I just need time to figure this out.

987

01:23:30,291 --> 01:23:33,291

- [Violet] I'm trying to help you.

- I don't need your help!

988

01:23:33,833 --> 01:23:36,541

This is on me! This isn't about you!

989

01:23:38,833 --> 01:23:40,708

You need to tell me what's wrong.

990

01:23:44,375 --> 01:23:45,458

You don't get it.

991

01:23:48,083 --> 01:23:49,583

[sobbing]

992

01:23:51,583 --> 01:23:52,666

You're right.

993

01:23:53,833 --> 01:23:55,083

I don't get it.

994

01:23:58,416 --> 01:24:00,041

Don't you know, Violet?

995

01:24:03,666 --> 01:24:04,875

I'm "The Freak."

996

01:24:08,916 --> 01:24:10,291

I'm fucked up!

997

01:24:22,875 --> 01:24:24,000

I need you to leave.

998

01:24:29,916 --> 01:24:30,916

Go!

999

01:24:33,875 --> 01:24:35,375

[footsteps receding]

1000

01:24:39,750 --> 01:24:40,958

[door opens]

1001

01:24:42,041 --> 01:24:43,041

[door closes]

1002

01:25:00,375 --> 01:25:01,750

[birds chirping]

1003

01:25:07,208 --> 01:25:09,208

[indistinct chattering]

1004

01:25:23,791 --> 01:25:25,250

[brakes squeak]

1005

01:25:35,125 --> 01:25:37,125

[ringing tone]

1006

01:25:39,458 --> 01:25:41,708

[voicemail]

<i>Hey, it's Finch. Leave a message.</i>

1007

01:25:41,791 --> 01:25:43,583

- [Violet sobbing]

- [voicemail beeps]

1008

01:25:43,666 --> 01:25:45,375

Hey, Finch. Um... [sobs]

1009

01:25:47,750 --> 01:25:49,250

I'm sorry.

1010

01:25:50,250 --> 01:25:51,833

I'm just sorry that I pushed.

1011

01:25:51,916 --> 01:25:53,666

And... I...

1012

01:25:54,916 --> 01:25:56,666

just need you to come back.

1013

01:26:00,958 --> 01:26:03,500

I just really need you to come back, OK?

1014

01:26:09,708 --> 01:26:11,708

[breathing heavily]

1015

01:26:30,750 --> 01:26:31,916

Hey, kiddo.

1016

01:26:32,750 --> 01:26:33,750

Hey.

1017

01:26:39,875 --> 01:26:40,875

Dad?

1018

01:26:43,333 --> 01:26:44,333

Yeah?

1019

01:26:48,041 --> 01:26:49,500

On Eleanor's birthday...

1020

01:26:53,958 --> 01:26:54,958

I...

1021

01:26:57,833 --> 01:26:59,250

I wasn't really thinking.

1022

01:27:04,791 --> 01:27:06,708

I found myself at the bridge.

1023

01:27:10,666 --> 01:27:12,416

I was standing on a ledge.

1024

01:27:16,875 --> 01:27:18,583

That's how I met Finch.

1025

01:27:19,666 --> 01:27:20,958

He found me there.

1026

01:27:25,666 --> 01:27:26,875

He saved me.

1027

01:27:29,916 --> 01:27:31,208

You... you weren't gonna...

1028

01:27:31,666 --> 01:27:32,666

I'm OK.

1029

01:27:35,958 --> 01:27:36,958

I was...

1030

01:27:38,166 --> 01:27:39,166

confused.

1031

01:27:41,458 --> 01:27:42,541

I was sad.

1032

01:27:45,458 --> 01:27:46,458

I'm OK.

1033

01:27:50,333 --> 01:27:51,458

I'm better now.

1034

01:27:54,916 --> 01:27:55,916

Wow.

1035

01:27:57,958 --> 01:28:00,000

Well, I'm glad Finch was there.

1036

01:28:02,875 --> 01:28:03,875

Me too.

1037

01:28:09,625 --> 01:28:11,750

[Violet] I just wish I knew where he was.

1038

01:28:14,750 --> 01:28:15,750

Well...

1039

01:28:18,583 --> 01:28:20,708

you two have been a lot of places.

1040

01:28:21,833 --> 01:28:23,875

Is there any place else he might go?

1041

01:28:42,375 --> 01:28:43,500

[buckles seat belt]

1042

01:28:44,541 --> 01:28:45,625

[exhales slowly]

1043

01:28:49,541 --> 01:28:50,833

[engine starts]

1044

01:28:53,208 --> 01:28:54,333

[adjusts gear]

1045

01:29:24,208 --> 01:29:26,208

[breathing shakily]

1046

01:29:47,500 --> 01:29:49,500

[panicked breathing]

1047

01:29:54,500 --> 01:29:55,666

Finch!

1048

01:29:56,041 --> 01:29:57,708

[panicked breathing]

1049

01:30:00,958 --> 01:30:02,000

Finch!

1050

01:30:05,625 --> 01:30:06,666

Finch.

1051

01:30:06,750 --> 01:30:08,083

[panicked breathing]

1052

01:30:21,125 --> 01:30:24,125

[Violet sobbing]

1053

01:30:34,458 --> 01:30:36,416

Marco!

1054

01:30:40,041 --> 01:30:42,041

[somber instrumental music playing]

1055

01:30:46,708 --> 01:30:48,375

[strained sobbing]

1056

01:31:54,583 --> 01:31:56,541

[man] On behalf of Finch's family,

1057

01:31:56,625 --> 01:31:59,000

I wanna thank you all

for being here today.

1058

01:31:59,500 --> 01:32:03,750

We've gathered to celebrate

and to honor the memory of one

1059

01:32:03,833 --> 01:32:07,875

who will be incredibly missed

because he has been so dearly loved.

1060

01:32:08,625 --> 01:32:10,541

The events of these past few days...

1061

01:32:10,708 --> 01:32:12,708

[mournful instrumental music playing]

1062

01:32:37,333 --> 01:32:39,333

[indistinct reading]

1063
