- Do they look good, Daddy?

- You've got the touch.

343

00:22:38,160 --> 00:22:40,037

If you don't end up senator

for New Jersey,

344

00:22:40,120 --> 00:22:42,588

you'll make a great short-order cook.

345

00:22:42,680 --> 00:22:45,797

I'd rather cook any day.

346

00:22:46,160 --> 00:22:48,435

Mmm. Great.

347

00:22:48,520 --> 00:22:52,115

This makes you the first Levov in history
who can prepare edible food.

348

00:22:52,200 --> 00:22:55,795

As long as it's hamburgers.

349

00:22:55,880 --> 00:22:59,111

What's wrong with hamburgers?
It's an American classic.

350

00:22:59,200 --> 00:23:01,998

I came here to speak to you about Vietnam.

351

00:23:03,560 --> 00:23:06,552

Talk about an American classic.

352

00:23:08,160 --> 00:23:12,358

There's an American classic asshole.

353

00:23:12,440 --> 00:23:17,309

We abhor the political murder
of any state by another.

354

00:23:17,400 --> 00:23:18,719

Fucking liar.

355

00:23:18,800 --> 00:23:20,336

He's better than the guy
he ran against.

356

00:23:20,360 --> 00:23:22,874

Barry Goldwater
would have buried us all.

357

00:23:24,120 --> 00:23:26,270

Fucking madman.

358

00:23:26,360 --> 00:23:29,432

Lyndon Baines

359

00:23:29,520 --> 00:23:32,671

"Baby Burner" Johnson.

360

00:23:32,760 --> 00:23:35,672

- What's going on?

- Johnson's press conference.

361

00:23:35,760 --> 00:23:39,230

We don't disagree, Mer.

We're all against the war in this family.

362

00:23:39,320 --> 00:23:41,675

You heartless, miserable prick.

363

00:23:41,760 --> 00:23:44,797

Merry, stop. Please.

364

00:23:44,880 --> 00:23:46,598

What do you care about the war?

365

00:23:46,680 --> 00:23:49,319

You're just contented,

middle-class people.

366

00:23:49,400 --> 00:23:50,719

Some people would be very happy

367

00:23:50,800 --> 00:23:52,836

to have contented,
middle-class people for parents.

368

00:23:52,920 --> 00:23:55,309

Well, I'm not brainwashed
enough to be one of them.

369

00:23:55,400 --> 00:23:56,753

Merry. Dawn.

370

00:23:56,840 --> 00:24:00,389

What? Don't tell me. Tell her.

371

00:24:00,480 --> 00:24:03,074

Tell her to behave
like a civilized person.

372

00:24:03,160 --> 00:24:05,628

- Don't tell me what to do.

- I'm your mother.

373

00:24:05,720 --> 00:24:07,676

I can and I will
tell you what to do.

374

00:24:07,800 --> 00:24:10,394

- I'm turning this off.
- Sure, turn it off.

375

00:24:10,480 --> 00:24:13,278

The Democratic Republic of Hanoi

376

00:24:13,360 --> 00:24:15,351

could hust burn down

377

00:24:15,440 --> 00:24:18,034

and Mom would hust go on
worrying about her cows.

378

00:24:18,120 --> 00:24:19,400

- Merry...
- Don't touch me, Dad.

379

00:24:19,440 --> 00:24:20,793

I can't stand this.

380

00:24:20,880 --> 00:24:23,553

You're not anti-war,
you're anti-everything.

381

00:24:23,640 --> 00:24:25,312

And you're pro...

382

00:24:27,600 --> 00:24:29,079

cow.

383

00:24:36,640 --> 00:24:39,393

I don't know why
she's turned against me.

384

00:24:41,800 --> 00:24:44,075

Is it her stuttering?

385

00:24:44,160 --> 00:24:46,549

Is she angry because
she can't make friends?

386

00:24:46,640 --> 00:24:49,393

She's made friends, all right?

The ones she's made in New York.

387

00:24:51,360 --> 00:24:54,670

Who is she?

388

00:24:55,680 --> 00:24:58,148

I thought she was smart.

389

00:24:58,240 --> 00:25:00,231

She's becoming stupid, Seymour.

390

00:25:00,320 --> 00:25:04,313

No. She's just a kid with a strong will,
a strong idea.

391

00:25:04,440 --> 00:25:07,637

- It's not very well worked out...

- You're defending her. She hates me.

392

00:25:07,720 --> 00:25:09,438

Dawn.

393

00:25:09,520 --> 00:25:13,149

She talks to me like...

I don't know what.

394

00:25:14,520 --> 00:25:17,080

With no respect.

395

00:25:17,200 --> 00:25:18,997

And if I ever spoke

to my mother like that,

396

00:25:19,120 --> 00:25:21,270

do you know what my father

would have done?

397

00:25:21,360 --> 00:25:24,238

He would have turned you

over his knee.

398

00:25:24,320 --> 00:25:25,958

You think it's funny?

399

00:25:30,320 --> 00:25:32,356

I have to pick her up

from the train.

400

00:25:33,880 --> 00:25:36,189

I can't believe we let her go to New York.

401

00:25:38,320 --> 00:25:41,392

She's 16, Seymour.

402

00:25:41,480 --> 00:25:45,473

We don't even know who she's with.

We don't know who her friends are.

403

00:25:45,560 --> 00:25:48,757

Well, she likes them, they like her.

That's what's important.

404

00:25:48,840 --> 00:25:51,149

I don't like those pamphlets
they give her.

405

00:25:52,400 --> 00:25:53,913

What pamphlets?

406

00:25:55,640 --> 00:25:57,471

In her room, Seymour.

407

00:26:38,480 --> 00:26:41,153

Police

and fire departments are on the alert

408

00:26:41,240 --> 00:26:43,834

as negro demonstrators

take to the streets of Newark

409

00:26:43,920 --> 00:26:47,879

after the arrest and alleged beating
of cab driver John W. Smith.

410

00:27:30,960 --> 00:27:33,030

You were supposed

to be on the 8:00 o'clock.

411

00:27:45,160 --> 00:27:48,516

You were involved in something there,
something political.

412

00:27:48,600 --> 00:27:53,037

Everything is political.
Brushing your teeth is political.

413

00:27:53,120 --> 00:27:56,874

People who are against the war.
Is that who you see?

414

00:27:56,960 --> 00:28:00,236

They're just people
who don't believe in the war.

415

00:28:00,320 --> 00:28:03,517

- I don't believe in the war myself.
- Then what's your problem?

416

00:28:03,600 --> 00:28:05,096

I don't want you getting mixed up
in things

417

00:28:05,120 --> 00:28:06,838

that could hurt your chances
for college.

418

00:28:06,920 --> 00:28:09,309

My friends have been to college.

419

00:28:09,400 --> 00:28:12,437

They had to leave because of the way
they treat student protestors.

420

00:28:12,520 --> 00:28:17,230

Is that who they are?

College kids who have gotten thrown out?

421

00:28:17,320 --> 00:28:20,915

They're just my friends.

422

00:28:21,000 --> 00:28:24,549

Can't you believe that I have friends?

Don't you believe that?

423

00:28:24,680 --> 00:28:26,591

Of course I believe you have friends.

424

00:28:26,680 --> 00:28:29,148

They wanted me to stay the night.

425

00:28:29,240 --> 00:28:30,753

No. That's...

426

00:28:30,840 --> 00:28:33,760

You can never even think about staying
over with people that we don't know

427

00:28:33,800 --> 00:28:36,394

or you'll never be
allowed to go again.

428

00:28:36,480 --> 00:28:39,995

What do you believe in,
Daddy?

429

00:28:40,080 --> 00:28:42,275

This is not about politics.

430

00:28:42,360 --> 00:28:45,875

My responsibility is to you,
not the war.

431

00:28:45,960 --> 00:28:47,712

Oh, I know.

432

00:28:47,800 --> 00:28:50,678

That's why I have to go to New York,

433

00:28:50,760 --> 00:28:53,274

because people there
do feel responsible,

434

00:28:53,360 --> 00:28:56,875

responsible for blowing up
Vietnamese villages,

435

00:28:56,960 --> 00:28:59,269

blowing up little babies.

436

00:28:59,360 --> 00:29:01,430

But you don't care.

437

00:29:01,520 --> 00:29:03,909

And neither does Mother.

438

00:29:04,000 --> 00:29:07,549

No one in our family
or in our fucking little town does.

439

00:29:07,680 --> 00:29:10,194

Sir, could you go
to your vehicle?

440

00:29:10,280 --> 00:29:12,874

You need to get off the street.
There's a curfew in effect.

441

00:29:12,960 --> 00:29:14,279

"Curfew"?

442

00:29:14,360 --> 00:29:17,511

- What kind of fascist bullshit is that?

- Merry!

443

00:29:17,600 --> 00:29:21,115

We've got enough trouble tonight.

The curfew's to protect people.

444

00:29:21,200 --> 00:29:22,679

From what?

They should riot.

445

00:29:22,760 --> 00:29:25,558

I'm sorry, officer.

We... we're both sorry.

446

00:29:25,640 --> 00:29:27,756

I am not fucking sorry.

447

00:29:27,840 --> 00:29:30,752

She's 16. You got any at home,
you'll understand.

448

00:29:30,840 --> 00:29:32,159

I don't.

449

00:29:34,360 --> 00:29:35,634

Right.

450

00:29:37,360 --> 00:29:40,376

Hundreds of protestors
have gathered in the Fourth Precinct

451

00:29:40,400 --> 00:29:43,039

where cab driver John W. Smith
is being held

452

00:29:43,120 --> 00:29:47,830

after allegedly being beaten by police,
who are calling this an isolated incident.

453

00:29:47,920 --> 00:29:51,390

Yet some local residents
are urging violent retaliation.

454

00:29:51,480 --> 00:29:56,190

More news as it comes in.

And now, back to our regular programming.

455

00:30:08,240 --> 00:30:09,593

Get on out of here!

456

00:30:09,680 --> 00:30:12,176

- Streets to the people.

- Power to the people!

457

00:30:12,200 --> 00:30:13,952

Get the fuck back home now!

458

00:30:14,080 --> 00:30:17,277

Black power! Black power! Black power!

459

00:30:17,760 --> 00:30:19,600

- Black power!

- Get out of here!

460

00:30:21,560 --> 00:30:23,073

Jesus, Merry!

461

00:30:34,120 --> 00:30:35,758

Your father called from Florida.

462

00:30:35,840 --> 00:30:37,536

He wants to know

if they've come near the factory.

463

00:30:37,560 --> 00:30:38,879

I'll see in the morning.

464

00:30:38,960 --> 00:30:42,191

You're not going to work tomorrow,
not with the riot going on.

465

00:30:42,280 --> 00:30:44,714

It's not a riot.

466

00:30:45,720 --> 00:30:47,517

It's a revolution.

467

00:30:47,600 --> 00:30:49,716

People standing up for their rights.

468

00:30:49,800 --> 00:30:52,016

If you're going to defend them,
maybe you should just join them.

469

00:30:52,040 --> 00:30:53,439

That's a good idea.

470

00:30:53,520 --> 00:30:55,670

The governor called
the National Guard in.

471

00:30:55,760 --> 00:30:57,591

Of course. I mean,
what else can he do?

472

00:30:57,680 --> 00:31:02,879

He can treat black people
like human beings, that's what.

473

00:31:02,960 --> 00:31:05,997

No blacks on the city council,

the poverty, the unemployment.

474

00:31:06,080 --> 00:31:09,231

We have 80% negroes working at the plant.

We're proud of that.

475

00:31:09,320 --> 00:31:11,436

Oh, I forgot.

476

00:31:12,440 --> 00:31:13,919

You're a hero.

477

00:31:28,640 --> 00:31:30,073

- Hello?

- Seymour.

478

00:31:30,200 --> 00:31:31,519

- Vicky.

- It's bad.

479

00:31:31,600 --> 00:31:32,600

What is it?

480

00:31:33,960 --> 00:31:36,190

I ain't never seen anything this bad.

481

00:31:38,800 --> 00:31:42,509

They're beating 'em and dragging...

Oh, my God.

482

00:31:45,600 --> 00:31:47,192

Sniper!

483

00:31:51,720 --> 00:31:53,950

- Vicky.

- People are shooting.

484

00:31:54,040 --> 00:31:56,156

Police are shooting,

and soldiers.

485

00:31:57,560 --> 00:31:59,710

People have lost their minds.

486

00:32:18,520 --> 00:32:19,839

Thank you.

487

00:32:23,240 --> 00:32:24,559

Thank you, sir.

488

00:32:25,560 --> 00:32:28,438

- Going to war, huh?

- It's what it is.

489

00:32:28,520 --> 00:32:30,954

No. It isn't, either.

490

00:32:31,040 --> 00:32:33,429

These are just troublemakers,
so think.

491

00:32:33,520 --> 00:32:36,637

What we're saying is,
you're here to keep the peace, son.

492

00:32:36,720 --> 00:32:39,632

That means protecting the people
and the property of this neighborhood.

493

00:32:39,720 --> 00:32:41,756

What I'm saying is to think.

494

00:32:41,840 --> 00:32:45,150

Think before you start shooting
at somebody's window.

495

00:32:45,240 --> 00:32:47,276

- Vicky.

- These aren't snipers.

496

00:32:47,400 --> 00:32:51,518

These are people,
good people who live around here,

497

00:32:51,600 --> 00:32:54,034

people just like your own mothers
and fathers.

498

00:32:54,120 --> 00:32:56,350

That's who lives up there.

499

00:32:56,440 --> 00:32:58,874

Now, this is their home.

500

00:32:58,960 --> 00:33:02,919

And they've got to live here
long after you're gone.

501

00:33:03,040 --> 00:33:07,909

This is their home.

Not yours.

502

00:33:16,560 --> 00:33:17,993

All right. Well done.

503

00:33:18,080 --> 00:33:19,776

I'm just telling them how it is,
that's all.

504

00:33:19,800 --> 00:33:22,872

But tonight is going to be bad.

Do you hear me?

505

00:33:22,960 --> 00:33:25,554

So, go home. Take everybody
who came to work and go home.

506

00:33:25,640 --> 00:33:27,039

You're staying, though.

507

00:33:27,120 --> 00:33:28,920

There ain't no telling
how bad it's going get.

508

00:33:29,000 --> 00:33:31,639

Won't be safe for anybody,
and not you.

509

00:33:31,720 --> 00:33:34,075

The place will be safer
with someone inside.

510

00:33:34,160 --> 00:33:35,957

Then I'll stay, too.

511

00:33:54,600 --> 00:33:56,096

- I've got that.

- No, I'll put it.

512

00:33:56,120 --> 00:33:57,792

- Vicky.

- They're shootin' outside...

513

00:33:57,880 --> 00:33:59,279

I got it.

514

00:34:03,400 --> 00:34:06,278

Are you talking to me?

515

00:34:06,360 --> 00:34:10,353

I told you not to move!

Keep your people back!

516

00:35:20,680 --> 00:35:22,159

What do you want?

517

00:35:23,320 --> 00:35:24,912

Turn it down.

518

00:35:31,200 --> 00:35:33,191

All dressed up for your stupid...

519

00:35:35,760 --> 00:35:37,591

...award that they gave you?

520

00:35:40,280 --> 00:35:42,316

You expect me to...

521

00:35:43,800 --> 00:35:45,472

congratulate you, too?

522

00:35:48,360 --> 00:35:50,271

What was the award

for anyway?

523

00:35:50,360 --> 00:35:52,794

We didn't shut down

after the riots.

524

00:35:52,920 --> 00:35:55,136

The people who worked there,

who have always worked there,

525

00:35:55,160 --> 00:35:56,878

were welcomed back

to their jobs.

526

00:35:56,960 --> 00:35:58,473

The mayor thought that

that was good,

527

00:35:58,560 --> 00:36:00,376

that other businesses

should have done the same.

528

00:36:00,400 --> 00:36:02,550

There was a ceremony in his office.

529

00:36:09,760 --> 00:36:11,318

Congratulations...

530

00:36:12,480 --> 00:36:16,632

Swede.

531

00:36:16,720 --> 00:36:18,711

And I would have liked it
if you had come.

532

00:36:18,800 --> 00:36:20,119

I would have...

533

00:36:22,480 --> 00:36:24,072

fucking hated it.

534

00:36:27,640 --> 00:36:29,835

Have you thought about
what I asked you?

535

00:36:31,640 --> 00:36:33,358

Going away to private school?

536

00:36:33,440 --> 00:36:35,237

If you don't like
living here with us.

537

00:36:35,320 --> 00:36:39,836

I just want to be able to go to New York
again on the weekends.

538

00:36:39,920 --> 00:36:43,754

No. You didn't come home last time.
You knew the rules.

539

00:36:43,840 --> 00:36:48,118

I never thought my own father
would keep me prisoner.

540

00:36:48,200 --> 00:36:50,077

Merry.

541

00:36:56,120 --> 00:36:57,792

I have an idea for you.

542

00:37:01,440 --> 00:37:03,476

I've been thinking
and I have an idea.

543

00:37:05,320 --> 00:37:07,550

You want to protest the war.

544

00:37:07,640 --> 00:37:10,154

Protest it right here in Old Rimrock.

545

00:37:10,240 --> 00:37:12,515

What am I going to do,
march around the post office?

546

00:37:12,600 --> 00:37:15,114

"Bring the war home."

Isn't that the slogan?

547

00:37:15,200 --> 00:37:17,760

Look, they gave me this award.

548

00:37:17,880 --> 00:37:19,871

It's just a stupid plaque,
but it means one thing.

549

00:37:19,960 --> 00:37:23,111

If you take a stand, people notice.

550

00:37:24,200 --> 00:37:27,954

If you oppose the war right here
with all your strength...

551

00:37:28,040 --> 00:37:30,349

This is part of America too, you know.

552

00:37:31,200 --> 00:37:33,668

Read Marx.

553

00:37:33,760 --> 00:37:37,469

Revolutions don't begin
in the countryside.

554

00:37:37,560 --> 00:37:41,394

- We're not talking about revolution.
- You're not talking about revolution.

555

00:37:46,720 --> 00:37:49,029

You think about what I'm saying.

556

00:39:00,800 --> 00:39:03,439

I'm sure she's just with her friends

in New York.

557

00:39:03,520 --> 00:39:05,431

Should we call the police?

558

00:39:05,520 --> 00:39:07,909

No, let's give her some more time.

559

00:39:11,400 --> 00:39:12,628

Swede...

560

00:39:14,480 --> 00:39:15,959

do you think...

561

00:39:17,440 --> 00:39:19,112

the post office...

562

00:39:20,600 --> 00:39:22,397

- Do you think Merry...

- No.

563

00:39:22,480 --> 00:39:25,233

It's not possible.

564

00:39:25,320 --> 00:39:28,153

You told her to bring the war home.

565

00:39:28,240 --> 00:39:30,231

Well, that was just talk.

566

00:39:32,200 --> 00:39:33,519

I hope so.

567

00:39:55,200 --> 00:39:57,350

A warrant. How many lies
did you tell to get that?

568

00:39:57,440 --> 00:40:00,456

We have an informant that confirms that
your daughter and another young woman

569

00:40:00,480 --> 00:40:02,152

placed a bomb in the post office.

570

00:40:02,240 --> 00:40:03,912

An informant?

Who is this informant?

571

00:40:04,000 --> 00:40:05,976

Does your daughter know Russ Hamlin,
the storekeeper?

572

00:40:06,000 --> 00:40:07,399

We all know Russ, Penny.

573

00:40:07,480 --> 00:40:08,833

Do you know Russ Hamlin is dead?

574

00:40:08,920 --> 00:40:10,440

I know it because it was on the radio.

575

00:40:10,520 --> 00:40:12,909

- It has nothing to do with...

- Hey, hey, hey.

576

00:40:14,040 --> 00:40:15,519

Open that up.

577

00:40:35,280 --> 00:40:37,430

What does my daughter
know about dynamite?

578

00:40:37,520 --> 00:40:39,636

- Mrs. Levov.

- This is a girl.

579

00:40:39,720 --> 00:40:41,631

This is a high school girl.

580

00:40:41,720 --> 00:40:44,837

She didn't make a bomb.

She doesn't even know what a bomb is.

581

00:40:44,960 --> 00:40:49,317

How could you even think that she could
make a bomb or... or kill somebody?

582

00:40:49,400 --> 00:40:53,234

- Where is she, Mrs. Levov?

- I don't know.

583

00:40:54,600 --> 00:40:56,477

- She's been tricked.

- Mm-hmm.

584

00:40:56,560 --> 00:40:57,834

She's been tricked!

585

00:40:58,840 --> 00:41:02,469

Why does everybody say that she did it
when she couldn't have done it?

586

00:41:02,560 --> 00:41:05,472

She's been tricked
and abducted.

587

00:41:05,560 --> 00:41:07,630

Somebody is brainwashing her
right now.

588

00:41:07,720 --> 00:41:10,296

- We need to find her, Mrs...
- She doesn't have anything to do with it!

589

00:41:10,320 --> 00:41:12,456

My daughter could not have had
anything to do with this!

590

00:41:12,480 --> 00:41:13,595

Then why did she run off?

591

00:41:13,680 --> 00:41:15,336

Maybe she doesn't even know
you're looking for her.

592

00:41:15,360 --> 00:41:18,040

You know that they've probably taken her
underground already, right?

593

00:41:18,160 --> 00:41:19,976

- Seymour.

- It's all right, Dawnie. Who's "they"?

594

00:41:20,000 --> 00:41:23,037

You said she has political friends
in New York.

595

00:41:23,120 --> 00:41:25,998

"We are against everything
decent in America.

596

00:41:26,080 --> 00:41:28,150

We will loot and burn"
and on and on and on.

597

00:41:28,240 --> 00:41:29,536

All right, that's written on a wall.

598

00:41:29,560 --> 00:41:31,216

That's probably written
on a lot of kids' walls.

599

00:41:31,240 --> 00:41:34,835

Not in Old Rimrock it's not.
Not in...

600

00:41:34,920 --> 00:41:37,514

"our fucking little town."

601

00:41:37,640 --> 00:41:38,936

What is that?

What are you reading?

602

00:41:38,960 --> 00:41:41,599

- Your daughter stutters?

- Oh, my God.

603

00:41:41,680 --> 00:41:43,557

What does that have

to do with anything?

604

00:41:43,640 --> 00:41:46,313

A police officer in Newark

made a note about it two months ago.

605

00:41:46,440 --> 00:41:48,829

- You were present, sir.

- Oh, for Christ's sake. That?

606

00:41:48,920 --> 00:41:53,277

Yeah, that. That and a couple questions

raised by her teachers.

607

00:41:53,360 --> 00:41:54,918

Come on. Swede!

608

00:41:55,000 --> 00:41:57,833

We're the family,
that's who we are.

609

00:41:57,920 --> 00:42:00,036

They have a right to be here.
They're my family.

610

00:42:00,160 --> 00:42:01,388

- Seymour.
- Mom.

611

00:42:01,480 --> 00:42:04,074

- Our beautiful little girl.
- I know. Dad.

612

00:42:04,160 --> 00:42:07,197

How could this be? Would you tell me
how this thing could be?

613

00:42:07,280 --> 00:42:08,554

Lou?

614

00:42:12,720 --> 00:42:14,676

Make them stop.

615

00:42:14,800 --> 00:42:18,475

They keep saying that Merry did this.

Make them stop saying it.

616

00:42:18,560 --> 00:42:21,996

- Not Merry. Nobody knows if she did it.

- That's right. Nobody knows.

617

00:42:22,080 --> 00:42:24,071

Let them talk.

You're the mother.

618

00:42:24,160 --> 00:42:25,479

She's hust a little girl.

619

00:42:25,560 --> 00:42:27,596

Maybe not so little anymore.

620

00:42:27,680 --> 00:42:29,875

- Tell them, Lou.

- I will. I will.

621

00:42:29,960 --> 00:42:32,474

It'll be all right.

It's going to be fine.

622

00:42:39,640 --> 00:42:44,760

- You going to be all right?

- We said we'd do this.

623

00:42:45,800 --> 00:42:47,313

Let's do it.

624

00:42:51,880 --> 00:42:53,393

Penny...

625

00:42:56,600 --> 00:42:59,194

We got the news

like everyone else, like you.

626

00:43:00,880 --> 00:43:02,950

We're sorry.

627

00:43:03,040 --> 00:43:06,396

Dawn and I, we're sorry for you,

628

00:43:06,520 --> 00:43:08,795

your son, your children,

629

00:43:08,880 --> 00:43:12,395

sorry for this t... terrible thing,

this terrible, awful...

630

00:43:16,840 --> 00:43:19,229

Whatever happened...

631

00:43:19,320 --> 00:43:23,757

whatever Merry did or did not do,

all I'm saying is, I blame myself.

632

00:43:25,840 --> 00:43:27,353

Mrs. Hamlin...

633

00:43:28,840 --> 00:43:30,512

Penny.

634

00:43:30,600 --> 00:43:33,398

I don't know if you can understand,

b... because Merry...

635

00:43:36,520 --> 00:43:38,590

Well...

636

00:43:38,720 --> 00:43:40,676

This is hard to say,

but if Merry did this,

637

00:43:40,760 --> 00:43:43,638

and I understand that's the way it seems,

then it's myself I blame.

638

00:43:43,720 --> 00:43:46,598

Because I did

what I thought is right.

639

00:43:46,680 --> 00:43:49,911

I... I raised her the way I thought best.

640

00:43:50,000 --> 00:43:53,515

I mean, you're a parent, Penny.

641

00:43:53,600 --> 00:43:55,670

My God, you know how hard it is!

642

00:43:55,760 --> 00:44:01,676

And then, things come up with kids,
from inside them, someplace inside.

643

00:44:03,360 --> 00:44:05,112

How can you know what to do?

644

00:44:06,120 --> 00:44:09,749

You try.

You love them.

645

00:44:09,840 --> 00:44:11,751

And I still love my daughter ri...

646

00:44:13,560 --> 00:44:15,391

Maybe I shouldn't be saying this, but...

647

00:44:17,160 --> 00:44:18,639

I love her right now more than ever.

648

00:44:18,760 --> 00:44:22,514

- I hurt for her more now...

- I don't blame you...

649

00:44:23,520 --> 00:44:24,919

Mr. Levov.

650

00:44:27,000 --> 00:44:29,389

I don't blame either one of you.

651

00:44:30,400 --> 00:44:34,154

You didn't go out and buy the dynamite
and make the bomb.

652

00:44:34,240 --> 00:44:35,912

You didn't plant the bomb.

653

00:44:37,680 --> 00:44:39,796

I feel badly for you both.

654

00:44:42,640 --> 00:44:48,590

The two of you are as much victims
of this tragedy as we are.

655

00:44:53,160 --> 00:44:54,991

I lost a husband.

656

00:44:56,160 --> 00:44:59,391

My kids lost a father.

657

00:44:59,480 --> 00:45:02,472

But the difference is that, for us...

658

00:45:04,320 --> 00:45:08,108

we will survive as a family,

659

00:45:08,200 --> 00:45:10,395

a loving family.

660

00:45:10,520 --> 00:45:14,718

We will survive

with our memories intact...

661

00:45:16,080 --> 00:45:19,595

and our memories to sustain us.

662

00:45:19,680 --> 00:45:23,798

We are the same family we were

when Russ was here.

663

00:45:25,800 --> 00:45:27,791

And we will survive.

664

00:45:30,920 --> 00:45:32,751

That's the difference.

665

00:45:41,880 --> 00:45:43,656

Police have widened their search

666

00:45:43,680 --> 00:45:45,796

for the missing teenager,
Meredith Levov,

667

00:45:45,880 --> 00:45:48,519

for her involvement in the bombing
of a post office.

668

00:45:54,960 --> 00:45:56,518

Where is she?

669

00:46:00,880 --> 00:46:02,108

Swede.

670

00:46:04,560 --> 00:46:05,788

Dawnie.

671

00:46:09,680 --> 00:46:11,875

I want her
to come home now.

672

00:46:14,040 --> 00:46:15,393

Right now.

673

00:46:16,800 --> 00:46:18,074

Now.

674

00:46:19,080 --> 00:46:20,752

Now.

675

00:46:20,880 --> 00:46:22,677

- Now. Now.

- Precious.

676

00:46:23,680 --> 00:46:24,954

Now.

677

00:47:06,000 --> 00:47:07,797

There were three blasts.

678

00:47:07,880 --> 00:47:10,760

The townhouse is totally destroyed.

If there was anybody else in there...

679

00:47:10,800 --> 00:47:13,136

But the two women who escaped,
they're young, they're white.

680

00:47:13,160 --> 00:47:15,435

- "Is one of them Merry?"

- Why not? Why couldn't it be?

681

00:47:15,560 --> 00:47:17,278

Mr. Levov, it's been over a year.

682

00:47:17,360 --> 00:47:19,954

Look, the bombs they were building
in the townhouse,

683

00:47:20,040 --> 00:47:21,416

they were pipes filled with dynamite.

684

00:47:21,440 --> 00:47:23,749

Well, the bomb that blew up Hamlin's,
that's what it was.

685

00:47:23,840 --> 00:47:25,558

It was a pipe
filled with dynamite.

686

00:47:25,640 --> 00:47:27,995

One of the missing women,
we know who she is.

687

00:47:28,080 --> 00:47:29,559

Her parents own the building.

688

00:47:29,640 --> 00:47:31,437

They're down in the Caribbean
growing a tan

689

00:47:31,520 --> 00:47:34,432

while their rich-fuck daughter's making
bombs to blow people up with.

690

00:47:34,520 --> 00:47:37,717

But the other girl, you don't know
the identity of the other girl.

691

00:47:37,800 --> 00:47:39,119

And therefore it's Merry?

692

00:47:41,760 --> 00:47:43,239

Go home, Mr. Levov.

693

00:47:43,320 --> 00:47:45,072

This is my daughter.

694

00:47:45,160 --> 00:47:46,878

We'll tell you.

All right, Mr. Levov?

695

00:47:46,960 --> 00:47:48,736

No, you won't.

You're not telling us anything.

696

00:47:48,760 --> 00:47:51,149

And for Christ's sake,
stop tapping our phone.

697

00:47:54,440 --> 00:47:56,908

There's... there's nothing.

698

00:47:57,000 --> 00:47:59,912

All right? There's one thing.

It was nothing.

699

00:48:00,000 --> 00:48:01,353

What?

700

00:48:03,000 --> 00:48:05,798

Someone said they saw her

at the train station.

701

00:48:05,880 --> 00:48:07,916

- Here in Newark?

- It didn't make any sense.

702

00:48:08,000 --> 00:48:10,116

We thought she'd be

halfway across the country.

703

00:48:10,240 --> 00:48:12,913

We worked it.

It went nowhere.

704

00:48:13,000 --> 00:48:14,797

This was months ago.

705

00:48:14,880 --> 00:48:18,236

Main line going

to Pittsburgh arriving from New York,

706

00:48:18,320 --> 00:48:21,153

the 5:30 Express on track two,

707

00:48:21,240 --> 00:48:24,232

5:30 Express from New York

arriving on track two.

708

00:49:24,760 --> 00:49:26,318

"Rita Cohen."

709

00:49:26,440 --> 00:49:28,510

From the Wharton School of Business.

710

00:49:28,600 --> 00:49:31,831

I'm doing my thesis on the leather glove
industry here in Newark.

711

00:49:31,920 --> 00:49:34,115

I'd be grateful for anything
you could teach me.

712

00:49:34,520 --> 00:49:35,748

Mm-hmm.

713

00:49:40,160 --> 00:49:41,639

Go ahead, feel it.

714

00:49:43,720 --> 00:49:44,994

It's sheepskin.

715

00:49:45,080 --> 00:49:46,798

Cabretta.

716

00:49:47,800 --> 00:49:49,358

It's lovely.

717

00:49:49,440 --> 00:49:53,115

They've been shipped from the same ports
in Africa for hundreds of years.

718

00:49:56,880 --> 00:50:00,873

You want to learn about gloves?
We'll make you up a pair.

719

00:50:00,960 --> 00:50:02,552

Here? Now?

720

00:50:02,640 --> 00:50:04,073

Here.

721

00:50:04,160 --> 00:50:06,720

I'm guessing you're a four.

722

00:50:06,800 --> 00:50:08,916

Let me see what kind of guesser I am.

723

00:50:11,080 --> 00:50:13,719

Four it is.

That's as small as ladies' come.

724

00:50:13,800 --> 00:50:15,153

Any smaller is a child's.

725

00:50:15,280 --> 00:50:19,159

Harry, make up a four
for this young lady, British tan.

726

00:50:23,240 --> 00:50:25,754

You're witnessing a dying business,
Miss Cohen.

727

00:50:25,840 --> 00:50:31,710

- Am I? I'm sorry, I didn't realize.
- Oh, not us. Knock wood.

728

00:50:31,840 --> 00:50:35,071

No, we've still got the big accounts,
Bendel's, Macy's.

729

00:50:35,160 --> 00:50:36,479

No, I meant the whole industry.

730

00:50:36,560 --> 00:50:38,790

Everyone's moving to Hong Kong,
Puerto Rico.

731

00:50:38,880 --> 00:50:40,279

To cut labor costs.

732

00:50:40,360 --> 00:50:42,396

Exactly. Precisely.

733

00:50:42,480 --> 00:50:44,789

Everybody's hurting.

734

00:50:44,880 --> 00:50:47,678

It used to be that a woman owned ten,
12 pairs of gloves.

735

00:50:47,760 --> 00:50:49,079

Imagine that.

736

00:50:53,680 --> 00:50:55,636

These are for you, Miss.

737

00:51:03,360 --> 00:51:07,194

Slowly.

Always slowly the first time.

738

00:51:10,040 --> 00:51:12,554

Feel how it expands

when you make a fist.

739

00:51:18,080 --> 00:51:19,308

Thank you.

740

00:51:28,520 --> 00:51:31,034

She wants

her Audrey Hepburn scrapbook.

741

00:51:37,040 --> 00:51:39,270

- Talk to me.

- Not near the house.

742

00:51:40,440 --> 00:51:42,351

Swede, what is it?

743

00:51:43,640 --> 00:51:45,870

Somebody came to me from Merry.

744

00:51:47,080 --> 00:51:49,469

She's all right?

Where is she?

745

00:51:49,560 --> 00:51:51,800

I don't know. I don't know where she is,
but this person,

746

00:51:51,840 --> 00:51:53,910

this little person,
she looked younger than Merry.

747

00:51:54,000 --> 00:51:55,479

She wants
to meet me tomorrow.

748

00:51:55,560 --> 00:51:57,551

- Merry?

- No, this Rita person.

749

00:51:57,640 --> 00:52:00,552

She wants me to meet her
in a parking lot downtown.

750

00:52:00,640 --> 00:52:02,119

She gave me all these instructions.

751

00:52:02,200 --> 00:52:04,096

"Drive through the park.
Make sure you're not followed."

752

00:52:04,120 --> 00:52:07,112

The agents.
Are you going to tell the agents?

753

00:52:07,200 --> 00:52:10,636

I don't know.
I don't know what to do, Dawn.

754

00:52:11,760 --> 00:52:14,149

She knew about
the Audrey Hepburn pictures.

755

00:52:14,240 --> 00:52:17,835

She knew about the stuttering books,
the ballet classes, the cows.

756

00:52:17,920 --> 00:52:20,593

This girl, she could lead us to Merry.

757

00:52:23,280 --> 00:52:24,508

Where are the cows?

758

00:52:27,440 --> 00:52:29,590

- What?

- The cows, where are they?

759

00:52:30,640 --> 00:52:34,030

I sold them.

I'm selling them.

760

00:52:34,120 --> 00:52:36,031

Why would you sell your cows?

761

00:52:37,320 --> 00:52:42,235

You can't tell the agents... Swede.

762

00:52:42,320 --> 00:52:46,108

This girl,
just do whatever she says.

763

00:52:47,200 --> 00:52:48,428

Please.

764

00:54:06,880 --> 00:54:09,440

Why are you wearing Merry's coat?

765

00:54:09,520 --> 00:54:11,192

She gave it to me.

766

00:54:16,760 --> 00:54:18,273

Surely, you can...

767

00:54:20,280 --> 00:54:22,669

Surely, you can now tell me something
about Merry.

768

00:54:23,720 --> 00:54:26,439

- I surely cannot.

- I would like to speak with her.

769

00:54:26,520 --> 00:54:28,875

Well, she wouldn't like to speak with you.

770

00:54:28,960 --> 00:54:31,155

She hates you.

771

00:54:31,240 --> 00:54:32,912

Does she?

772

00:54:33,040 --> 00:54:34,712

Thinks you ought to be shot.

773

00:54:35,720 --> 00:54:37,358

Yes? That, too?

774

00:54:48,400 --> 00:54:50,072

Swede Levov.

775

00:54:52,120 --> 00:54:54,998

How much do you pay the workers
in your factory in Puerto Rico?

776

00:54:55,080 --> 00:54:57,640

I don't have a factory in Puerto Rico.
I stayed right here.

777

00:54:57,720 --> 00:54:59,836

How much do you pay
the women going blind

778

00:54:59,920 --> 00:55:02,957

stitching gloves for the ladies
at Bendel's and Macy's?

779

00:55:03,040 --> 00:55:05,315

You've seen how unhappy
my employees are.

780

00:55:05,400 --> 00:55:07,311

That's why they've worked for me
for 40 years,

781

00:55:07,400 --> 00:55:08,879

because they're so exploited.

782

00:55:08,960 --> 00:55:11,520

Who are you? You don't even know
what you're talking about.

783

00:55:11,600 --> 00:55:14,194

You own your people.
You own them, you use them,

784

00:55:14,280 --> 00:55:16,016

you sleep with them,
and then when you're done...

785

00:55:16,040 --> 00:55:19,271

Please, Rita. I haven't two minutes'
interest in your clichés.

786

00:55:19,360 --> 00:55:21,316

I want you to tell me
where my daughter is.

787

00:55:21,400 --> 00:55:23,576

- That's all I want to hear from you.

- Your daughter never wants

788

00:55:23,600 --> 00:55:25,238

to see you again.

789

00:55:26,440 --> 00:55:28,192

Or that mother.

790

00:55:28,280 --> 00:55:30,077

You don't know anything

about her mother.

791

00:55:30,160 --> 00:55:33,516

Lady Dawn?

Lady Dawn of the manor?

792

00:55:33,640 --> 00:55:37,155

I know all there is to know

about Lady fucking Dawn.

793

00:55:37,240 --> 00:55:39,151

So ashamed of her class origins,

794

00:55:39,240 --> 00:55:41,117

she had to become lady
of the fucking manor

795

00:55:41,200 --> 00:55:43,077

and turn her daughter
into a debutante.

796

00:55:43,160 --> 00:55:47,358

"A debutante"? Merry shoveled cow shit
since the age of six.

797

00:55:47,440 --> 00:55:50,716

- She rode tractors, she's 4-H.
- Fake. All fake.

798

00:55:50,800 --> 00:55:54,315

The daughter of the beauty queen
and the captain of the football team?

799

00:55:54,400 --> 00:55:56,675

What kind of nightmare
is that for a girl with a soul?

800

00:55:56,760 --> 00:55:59,638

Dawn is not a beauty queen.
She works a farm all day.

801

00:55:59,720 --> 00:56:02,598

Fake, fake. She works a farm
like a fucking upper-class landowner.

802

00:56:02,680 --> 00:56:04,875

"Upper class"?
Her father was a plumber!

803

00:56:04,960 --> 00:56:07,713

Her grandfather was
an Irish milk farmer!

804

00:56:07,840 --> 00:56:11,276

This is crazy!
Where's my daughter?

805

00:56:11,360 --> 00:56:15,353

Somebody is dead.

My daughter is accused of murder!

806

00:56:15,440 --> 00:56:18,079

You're really hung up

on that, aren't you?

807

00:56:18,160 --> 00:56:21,914

Do you know how many Vietnamese have
died in the time we've been talking here?

808

00:56:22,000 --> 00:56:23,558

You give her back to me!

809

00:56:23,640 --> 00:56:25,915

She's not a possession.

810

00:56:26,000 --> 00:56:28,070

You don't own her anymore,

811

00:56:28,160 --> 00:56:31,914

the way you own your factory
and your Buick fucking Electra.

812

00:56:34,080 --> 00:56:36,116

Where is she, Miss Cohen?

813

00:56:41,040 --> 00:56:43,110

So, where is she?

814

00:56:43,200 --> 00:56:45,714

The girl's our link,
our only one.

815

00:56:45,800 --> 00:56:48,678

You let her go? Why?

Why did you let her go?

816

00:56:48,800 --> 00:56:52,270

Well, she's just a kid. I know I can work
around her to get to Merry.

817

00:56:52,360 --> 00:56:53,793

That's nonsense.

That's crazy.

818

00:56:53,880 --> 00:56:55,776

You go to the cops.

You go to... what's it, the FBI.

819

00:56:55,800 --> 00:56:57,392

- You tell them everything.

- No. No.

820

00:56:57,480 --> 00:57:00,278

No? Did you get the infant's
phone number, at least?

821

00:57:00,360 --> 00:57:02,794

That's not the plan.

She makes contact with me.

822

00:57:02,880 --> 00:57:06,793

If she feels like it.

If she feels like it. You've got nothing.

823

00:57:06,880 --> 00:57:09,030

- Dr. Levov?

- What? I don't need you.

824

00:57:09,120 --> 00:57:11,360

- But, doctor...

- Just go hump in a lake, nurse, please.

825

00:57:15,320 --> 00:57:16,912

I've got to do this, Jerry.

826

00:57:17,000 --> 00:57:18,638

You should see Dawn these days.

827

00:57:18,720 --> 00:57:21,029

I'm worried about Dawn.

This has to work.

828

00:57:21,120 --> 00:57:24,590

Rita has to take us to Merry.

This Rita and the others.

829

00:57:24,680 --> 00:57:26,033

What others?

830

00:57:26,120 --> 00:57:28,759

The ones that have her.

They're controlling her.

831

00:57:28,880 --> 00:57:31,599

If she did this,

if she blew up Hamlins

832

00:57:31,680 --> 00:57:34,194

then these are the people

that made her do it. Don't you see?

833

00:57:34,280 --> 00:57:37,795

"If"? If she blew up Hamlins?

That's what you're asking yourself?

834

00:57:37,880 --> 00:57:39,677

What kind of man are you?

835

00:57:39,760 --> 00:57:41,751

You go to the FBI.

Do you hear me?

836

00:57:41,840 --> 00:57:43,114

No.

837

00:57:44,080 --> 00:57:46,230

And you can't tell
anyone what I told you.

838

00:57:47,760 --> 00:57:49,079

Promise me.

839

00:57:50,920 --> 00:57:52,148

All right.

840

00:58:27,160 --> 00:58:28,718

Good morning, boy.

841

00:59:25,040 --> 00:59:26,519

Do come in.

842

00:59:28,600 --> 00:59:30,272

Make yourself at home.

843

00:59:34,480 --> 00:59:38,473

I brought the money,

Miss Cohen.

844

00:59:38,560 --> 00:59:42,155

I brought the \$10,000 in small bills.

Now, where's my daughter?

845

00:59:42,720 --> 00:59:47,510

Come off it, Swede.

You came here to fuck me.

846

00:59:48,960 --> 00:59:50,188

What?

847

00:59:52,760 --> 00:59:56,548

Please, Miss, if you have any feeling
for what everyone is going through...

848

00:59:56,640 --> 00:59:58,392

Ask anybody.

849

00:59:58,480 --> 01:00:00,072

Why does

a middle-aged capitalist

850

01:00:00,200 --> 01:00:02,634

come to a hotel room

to meet a young piece of ass?

851

01:00:04,440 --> 01:00:06,192

Say it.

852

01:00:06,280 --> 01:00:10,068

Just say it, Swede.

"I came here to fuck you."

853

01:00:10,160 --> 01:00:11,388

She looks great.

1026

01:13:39,240 --> 01:13:41,708

"Great"?

The girl's herself again.

1027

01:13:41,800 --> 01:13:44,268

Getting rid of those cows
was the smartest thing she ever did.

1028

01:13:44,360 --> 01:13:46,078

I never liked 'em.

1029

01:13:47,080 --> 01:13:51,119

But getting that facelift?

I was against it, but I was wrong.

1030

01:13:54,280 --> 01:13:57,352

- Darling, a million dollars.

- Thank you, Lou.

1031

01:13:57,440 --> 01:13:59,715

I'm serious, Dawn.

The best money ever spent.

1032

01:13:59,800 --> 01:14:01,313

You seem better.

1033

01:14:01,400 --> 01:14:03,994

Lou, Sylvia, you know

Bill and Jesse Orcutt.

1034

01:14:04,080 --> 01:14:05,880

You'll see them at our house

for the barbecue.

1035

01:14:05,960 --> 01:14:07,313

I hear you're the artist.

1036

01:14:07,400 --> 01:14:10,278

And Bill is helping us on the design

for our new house.

1037

01:14:10,360 --> 01:14:11,793

An artist and an architect.

1038

01:14:11,880 --> 01:14:13,393

Architect's my day hob.

1039

01:14:13,480 --> 01:14:15,755

Can't make a living just
being an abstract painter.

1040

01:14:15,840 --> 01:14:17,239

No, I should think not.

1041

01:14:17,320 --> 01:14:21,916

A glove, everybody understands.
These, you might be the only one.

1042

01:14:22,560 --> 01:14:25,313

- I think they're divine, Bill.

- Thanks, Dawn.

1043

01:14:25,400 --> 01:14:26,913

Still, I've got to hand it to anybody

1044

01:14:27,000 --> 01:14:29,992

who's got the guts to wear
that shirt and those pants.

1045

01:14:34,360 --> 01:14:35,998

What? What did I say?

1046

01:14:36,080 --> 01:14:38,640

- Lou. Every time.

- What?

1047

01:14:42,440 --> 01:14:46,115

Well, I for one had enough
pretentious art talk for one night.

1048

01:14:46,200 --> 01:14:48,998

But you enjoyed yourself.

You had a good time.

1049

01:14:50,000 --> 01:14:51,353

All right, I did.

1050

01:14:53,040 --> 01:14:55,110

I'm glad you're

doing so well, Dawn.

1051

01:14:56,320 --> 01:14:59,039

I am doing well, aren't I?

1052

01:14:59,120 --> 01:15:02,078

I haven't seen you

this happy in a long time.

1053

01:15:03,080 --> 01:15:04,354

Thank you, dear.

1054

01:15:09,560 --> 01:15:11,391

- You drive them home.

- What do you mean?

1055

01:15:11,480 --> 01:15:13,118

- You drive them home.

- Seymour.

1056

01:15:13,200 --> 01:15:14,200

Don't argue.

1057

01:15:51,880 --> 01:15:53,359

I want my daughter.

1058

01:15:58,720 --> 01:16:01,280

If you turn me in, she'll die.

She'll have no one.

1059

01:16:01,360 --> 01:16:04,079

- What? What are you talking about?

- Stop.

1060

01:16:06,320 --> 01:16:10,916

All right, all right. If you let me go,

I'll tell you where she is.

1061

01:16:11,000 --> 01:16:13,116

You take me. Where is she?

Is she here?

1062

01:16:13,200 --> 01:16:15,316

- You take me there.

- No. I don't want to see her.

1063

01:16:15,400 --> 01:16:18,597

- What?

- I can't take it anymore.

1064

01:16:18,680 --> 01:16:21,752

You can't take it?

You can't take it?!

1065

01:16:42,840 --> 01:16:44,637

Wait a minute.

She's in Newark?

1066

01:17:02,680 --> 01:17:04,159

That's the building.

1067

01:17:06,520 --> 01:17:08,909

Get out of the van.

1068

01:17:09,000 --> 01:17:11,070

- Out.

- All right. All right.

1069

01:17:13,800 --> 01:17:15,800

There's a dog and cat hospital
on the second floor.

1070

01:17:15,840 --> 01:17:17,068

She's got a job there.

1071

01:17:17,160 --> 01:17:18,912

But don't go in. Wait for her.

1072

01:17:19,000 --> 01:17:22,276

If you go in, you'll make a scene.

She'll be discovered.

1073

01:17:22,360 --> 01:17:25,750

She couldn't handle that.

She'd never survive the FBI.

1074

01:17:28,880 --> 01:17:31,030

Take care of her, Mr. Levov.

1075

01:17:47,920 --> 01:17:49,876

Daddy?

1076

01:17:51,120 --> 01:17:53,918

I'm lonesome.

1077

01:17:54,000 --> 01:17:56,434

Where do you even

get a word like that?

1078

01:17:56,520 --> 01:18:00,957

I like it when you hold me.

1079

01:18:02,960 --> 01:18:04,632

Then I'll never let you go.

1080

01:18:04,720 --> 01:18:07,154

Ever?

1081

01:18:07,240 --> 01:18:08,753

Not ever.

1082

01:19:10,080 --> 01:19:11,308

Merry?

1083

01:19:20,240 --> 01:19:21,514

Daddy.

1084

01:19:25,840 --> 01:19:29,310

- You're not stuttering.

- No, I'm not.

1085

01:19:30,520 --> 01:19:32,636

I've become a Jain, Daddy.

1086

01:19:32,720 --> 01:19:34,233

A "Jain"?

1087

01:19:34,320 --> 01:19:36,515

We're a small Indian sect.

1088

01:19:36,600 --> 01:19:40,513

I wear the veil to do no harm
to the organisms that dwell in the air.

1089

01:19:41,160 --> 01:19:44,994

Merry, this is awful.

1090

01:19:45,080 --> 01:19:47,435

Do you walk this way every night?

1091

01:19:47,520 --> 01:19:50,751

Nor do we bathe,
to do no harm to the water.

1092

01:19:51,920 --> 01:19:55,549

We step carefully for fear of crushing
some living object.

1093

01:19:56,600 --> 01:20:00,036

There are souls imprisoned
in even the lowest form of life.

1094

01:21:10,960 --> 01:21:12,871

Forgive me, Merry, but...

1095

01:21:14,720 --> 01:21:16,517

How can you stand this?

1096

01:21:17,640 --> 01:21:19,232

It's okay, Daddy.

1097

01:21:20,280 --> 01:21:22,032

Really, I'm okay.

1098

01:21:30,920 --> 01:21:33,514

You always had things over your bed.

1099

01:21:33,600 --> 01:21:35,795

Used to be pictures

of Audrey Hepburn.

1100

01:21:37,000 --> 01:21:38,831

Those are the five vows.

1101

01:21:43,040 --> 01:21:45,600

"I renounce all killing of living beings,

1102

01:21:45,680 --> 01:21:49,309

whether subtle or gross,
moveable or immovable."

1103

01:21:49,400 --> 01:21:52,836

"I renounce all vices of lying
speech arising from anger.

1104

01:21:52,920 --> 01:21:56,390

I renounce all sexual pleasure
with either Gods or men,

1105

01:21:56,480 --> 01:21:58,994

all taking of anything not given."

1106

01:22:02,320 --> 01:22:04,080

I think you're terrified
of what you've done.

1107

01:22:04,120 --> 01:22:05,997

I'm not going to ask what you've done.

1108

01:22:06,080 --> 01:22:09,868

I made up my mind. I'm not going
to ask you anything like that.

1109

01:22:09,960 --> 01:22:12,520

But I think that rather than
evade punishment,

1110

01:22:12,600 --> 01:22:15,034

you've taken it into your own hands.

1111

01:22:16,040 --> 01:22:18,679

It's all right, Daddy.

1112

01:22:18,760 --> 01:22:21,911

I can believe that
you can't understand.

1113

01:22:22,040 --> 01:22:25,271

I don't believe it's a difficult
conclusion to reach, honey.

1114

01:22:25,360 --> 01:22:28,238

I don't think I'm the only person
who, seeing you here,

1115

01:22:28,320 --> 01:22:30,675

would come up with that idea.

1116

01:22:30,760 --> 01:22:35,038

You want to do penance,
but this is not penance.

1117

01:22:35,120 --> 01:22:37,475

Not even the state
would punish you like this.

1118

01:22:37,560 --> 01:22:38,879

- Daddy.

- No.

1119

01:22:38,960 --> 01:22:40,678

Look at what
you've done to yourself.

1120

01:22:40,760 --> 01:22:42,751

You could die if you keep this up.

1121

01:22:43,760 --> 01:22:45,591

But only to be reborn.

1122

01:22:49,640 --> 01:22:53,519

Will you at least take off that mask
while we're talking so I can see you?

1123

01:22:53,600 --> 01:22:55,750

See me stutter, do you mean?

1124

01:22:57,760 --> 01:23:01,275

My stutter was only my way
of doing no violence to the air.

1125

01:23:03,440 --> 01:23:06,955

Well, maybe you would
have been better off with your stutter

1126

01:23:07,040 --> 01:23:09,110

if you had to go this far.

1127

01:23:18,480 --> 01:23:21,278

Where have you been?

1128

01:23:21,360 --> 01:23:23,999

Did you come to Newark

to help me find you?

1129

01:23:24,080 --> 01:23:27,311

I got a ride and here I was, you see?

1130

01:23:29,640 --> 01:23:32,108

Coincidence? That's all?

1131

01:23:34,840 --> 01:23:38,958

The world is not a place on which

I have any influence or wish to have any.

1132

01:23:41,320 --> 01:23:44,915

As to what constitutes a coincidence,

you and I, Daddy.

1133

01:23:45,040 --> 01:23:48,669

Where have you been all these years?

1134

01:23:51,640 --> 01:23:54,074

After Hamlins, I went to Sheila's.

1135

01:23:55,200 --> 01:23:58,397

Sheila Smith, your therapist?

1136

01:23:58,480 --> 01:24:00,152

She kept me for a few days

1137

01:24:00,240 --> 01:24:02,320

and then she sent me on to people
in the underground.

1138

01:24:03,760 --> 01:24:08,311

- She sent you to them? Sheila?

- Yes.

1139

01:24:09,600 --> 01:24:11,397

They took care of me.

1140

01:24:13,440 --> 01:24:15,715

But it wasn't safe to stay anywhere.

1141

01:24:17,440 --> 01:24:22,958

In two months, I had 15 aliases
and moved every four or five days.

1142

01:24:23,040 --> 01:24:25,759

I took a name from a tombstone
in a cemetery.

1143

01:24:25,840 --> 01:24:27,114

Merry...

1144

01:24:28,200 --> 01:24:32,352

One morning, I received a phone call
that I was to go to the Greyhound station.

1145

01:24:33,360 --> 01:24:35,351

They gave me a ticket to Chicago.

1146

01:24:37,360 --> 01:24:39,920

I would stay there for two days
and then travel to Oregon,

1147

01:24:40,000 --> 01:24:43,197

where there would be sanctuary.

1148

01:24:43,280 --> 01:24:46,238

I was raped the night I arrived
in Chica... cago.

1149

01:24:47,640 --> 01:24:49,278

Oh, my God.

1150

01:24:50,640 --> 01:24:53,871

Held captive and raped and robbed.

1151

01:24:53,960 --> 01:24:55,837

Come home with me, Merry.

1152

01:24:56,840 --> 01:24:59,274

You go, Daddy.

1153

01:24:59,360 --> 01:25:03,558

Leave you?

You think I could leave you?

1154

01:25:03,640 --> 01:25:06,200

- After everything I've...

- You must.

1155

01:25:07,400 --> 01:25:11,188

That's exactly what you must do:

is go.

1156

01:25:12,760 --> 01:25:16,469

No. You're asking me

to do something impossible.

1157

01:25:18,840 --> 01:25:20,876

I've looked for you for so long.

1158

01:25:20,960 --> 01:25:22,757

I can't.

1159

01:25:25,520 --> 01:25:28,557

Come home.

Come home, Merry.

1160

01:25:32,080 --> 01:25:34,036

Please go now, Daddy.

1161

01:25:35,920 --> 01:25:37,512

Please go.

1162

01:25:48,600 --> 01:25:50,477

What's wrong, Swede?

1163

01:25:50,560 --> 01:25:52,437

You never told me.

1164

01:25:54,000 --> 01:25:57,754

- You've seen her, you've seen Merry.

- She came to your house.

1165

01:25:58,920 --> 01:26:00,797

Why did you let her go?

1166

01:26:02,840 --> 01:26:05,912

Answer me!

You knew.

1167

01:26:06,000 --> 01:26:07,752

It was on the news.

1168

01:26:07,840 --> 01:26:09,920

She blew up a building

and you hid her in your house?

1169

01:26:09,960 --> 01:26:12,713

When I heard,

I couldn't believe it.

1170

01:26:12,800 --> 01:26:16,270

But I was her therapist.

I couldn't betray her.

1171

01:26:16,400 --> 01:26:18,072

You did betray her!

1172

01:26:18,160 --> 01:26:20,628

You sent her to people,
the worst people in the world,

1173

01:26:20,720 --> 01:26:22,517

the ones who got her
to do what she did.

1174

01:26:22,600 --> 01:26:25,398

That's not true. Merry believed
in what she did.

1175

01:26:25,480 --> 01:26:27,675

No! A man died!

1176

01:26:27,760 --> 01:26:30,558

A good man. I'll never believe
that that's what she wanted.

1177

01:26:30,640 --> 01:26:32,119

They manipulated her.

1178

01:26:32,200 --> 01:26:35,351

They used her for their crazy,
fucking politics.

1179

01:26:35,440 --> 01:26:36,793

You used her.

1180

01:26:36,920 --> 01:26:39,070

You're trying to make this
my responsibility.

1181

01:26:39,160 --> 01:26:41,116

You and your radical friends.

1182

01:26:41,200 --> 01:26:45,159

They don't believe in peace or war
or the Vietnamese people.

1183

01:26:45,240 --> 01:26:47,435

They just wanted to blow a hole
in the world,

1184

01:26:47,520 --> 01:26:50,717

the biggest hole they could

in everything that was good!

1185

01:26:50,800 --> 01:26:54,634

They don't care if people get killed!

And you sent her right to them!

1186

01:26:54,720 --> 01:26:58,872

I sent her to where she'd be safe.

She couldn't stay here.

1187

01:26:58,960 --> 01:27:02,191

She was a troubled girl.

Going to prison was not what she...

1188

01:27:02,320 --> 01:27:04,276

You think she was troubled then?

1189

01:27:04,360 --> 01:27:07,079

Oh, my God, Sheila,

you haven't seen her now!

1190

01:27:07,200 --> 01:27:09,555

How she lives! Where she's been!

1191

01:27:09,640 --> 01:27:12,200

- She was raped!

- No, don't say that.

1192

01:27:12,280 --> 01:27:14,256

Listen, I'm telling you something!

Did you hear me?

1193

01:27:14,280 --> 01:27:16,635

- Stop it.

- She's been raped!

1194

01:27:18,040 --> 01:27:19,519

My daughter!

1195

01:27:21,480 --> 01:27:23,232

She's sick in her body...

1196

01:27:24,240 --> 01:27:25,878

sick in her mind!

1197

01:28:03,400 --> 01:28:05,595

Dawn says to get
the steaks going, Swede.

1198

01:28:06,600 --> 01:28:09,034

Right. Okay.

1199

01:28:09,120 --> 01:28:11,839

She wants me inside,
helping with the corn.

1200

01:28:11,920 --> 01:28:15,913

And it's going to be
close, and he is out at home plate.

1201

01:28:16,000 --> 01:28:20,630

He's out! It's a double play
with a tag from Ray Fosse.

1202

01:28:20,720 --> 01:28:24,030

And here comes Mets manager,
Yogi Berra, to argue with the ump...

1203

01:28:24,120 --> 01:28:27,078

Ah, I don't believe it.

1204

01:28:27,760 --> 01:28:29,671

God damn this team!

1205

01:28:32,080 --> 01:28:35,197

- I thought Bill told you to put the...

- I can't.

1206

01:28:36,920 --> 01:28:38,751

I need to talk to you.

1207

01:28:45,400 --> 01:28:47,834

I hope this is important.

1208

01:28:47,920 --> 01:28:51,037

Leaving the Orcutts

to your parents like this...

1209

01:28:53,880 --> 01:28:58,158

Look, have you seen where Bill and I

moved the sunroom?

1210

01:28:58,240 --> 01:29:00,959

He was so wrong
about the Western light.

1211

01:29:02,440 --> 01:29:03,953

It's about Merry.

1212

01:29:06,600 --> 01:29:08,352

What about Merry?

1213

01:29:09,720 --> 01:29:12,837

All this time, we've had no idea
where she is.

1214

01:29:12,920 --> 01:29:15,559

And we aren't going to.

1215

01:29:15,640 --> 01:29:19,030

If she'd wanted us to find her,
she would have told us how.

1216

01:29:19,120 --> 01:29:21,998

She hasn't wanted to.

We've had to accept that.

1217

01:29:22,080 --> 01:29:24,594

- Dawn...

- We've had to accept that and we have.

1218

01:29:25,600 --> 01:29:28,114

- But just suppose...

- Suppose what?

1219

01:29:29,160 --> 01:29:30,388

What?

1220

01:29:31,800 --> 01:29:33,756

Suppose that we knew

where she was.

1221

01:29:35,200 --> 01:29:37,714

Go on. What is it now?

1222

01:29:38,960 --> 01:29:41,758

Do you have a new lead?

Some hunch?

1223

01:29:41,840 --> 01:29:43,671

- Some information?

- More than that.

1224

01:29:43,760 --> 01:29:45,637

Why? Did someone call?

1225

01:29:45,720 --> 01:29:47,756

Some nut who saw her

at an airport in Phoenix

1226

01:29:47,840 --> 01:29:50,296

or at a fucking Hare Krishna meeting?

Is that what it is, Swede?

1227

01:29:50,320 --> 01:29:51,976

Will you listen?

I'm telling you something.

1228

01:29:52,000 --> 01:29:54,594

When are you going
to give up on her?

1229

01:29:57,840 --> 01:29:59,353

I can't.

1230

01:30:01,040 --> 01:30:04,077

I tried so hard, but I can't.

1231

01:30:08,600 --> 01:30:12,752

Our old life is gone, Swede.

1232

01:30:14,520 --> 01:30:16,033

It's dead.

1233

01:30:20,480 --> 01:30:21,879

This.

1234

01:30:21,960 --> 01:30:23,916

This is our only future.

1235

01:30:29,800 --> 01:30:31,791

Excuse me,
we have guests.

1236

01:30:41,080 --> 01:30:42,308

Nixon.

1237

01:30:42,400 --> 01:30:45,198

Watergate. It's all I hear.

Day and night, he goes on...

1238

01:30:45,280 --> 01:30:49,273

Von Ehrlichman,

von Haldeman, von Nixon.

1239

01:30:49,360 --> 01:30:51,078

They're all mamzers.

1240

01:30:51,160 --> 01:30:54,072

I agree with you, Mr. Levov.

They should all go to jail.

1241

01:30:54,160 --> 01:30:57,470

- And I'm a Republican!

- Good for you, Mrs. Orcutt.

1242

01:30:57,560 --> 01:30:59,312

Are you okay, son?

1243

01:30:59,400 --> 01:31:03,518

- Sure I am, Mom.

- Oh, my boy.

1244

01:31:03,600 --> 01:31:05,750

Who could want a better son?

1245

01:31:13,000 --> 01:31:15,200

Jesse, don't you think

you've had enough, dear?

1246

01:31:23,280 --> 01:31:25,077

Can I get you something, Dad?

1247

01:31:25,160 --> 01:31:28,357

No. Rest,

you don't look so great.

1248

01:31:31,480 --> 01:31:33,596

I'll get you another drink.

1249

01:31:53,880 --> 01:31:55,108

Not now.

1250

01:31:56,480 --> 01:31:57,708

Not now.

1251

01:32:20,840 --> 01:32:22,068

Seymour?

1252

01:32:22,160 --> 01:32:23,639

Don't say anything!

1253

01:32:31,000 --> 01:32:32,672

- Swede.

- No.

1254

01:32:43,000 --> 01:32:45,514

Why are apes here?

1255

01:32:47,680 --> 01:32:51,753

Why are kangaroos here?

1256

01:32:54,040 --> 01:32:57,589

Life is just a short space of time

1257

01:32:57,680 --> 01:33:00,353

in which you were alive.

1258

01:33:32,960 --> 01:33:34,791

Merry.

1259

01:33:34,920 --> 01:33:37,309

I have to ask you something.

1260

01:33:37,400 --> 01:33:40,198

I have to ask you something

I promised I wouldn't ask,

1261

01:33:40,280 --> 01:33:41,554

but I must.

1262

01:33:42,920 --> 01:33:44,751

You can ask me anything.

1263

01:33:48,600 --> 01:33:50,033

Did you do it?

1264

01:33:51,440 --> 01:33:53,431

Do what, Daddy?

1265

01:33:53,520 --> 01:33:55,670

Plant the bomb in the post office.

1266

01:34:00,160 --> 01:34:01,434

Yes.

1267

01:34:04,480 --> 01:34:06,072

Who made you do it?

1268

01:34:07,120 --> 01:34:09,680

- Lyndon Johnson.

- No, who talked you into it?

1269

01:34:11,600 --> 01:34:15,115

How strongly you still crave the idea
of your innocent child.

1270

01:34:17,360 --> 01:34:18,588

Was it Rita?

1271

01:34:19,640 --> 01:34:21,596

- Who's Rita?

- Rita, the girl you sent,

1272

01:34:21,680 --> 01:34:23,318

the one who came to my office.

1273

01:34:24,880 --> 01:34:27,348

I never sent you anyone.

1274

01:34:28,360 --> 01:34:31,636

Was this just some kind of game you were
playing with me, the two of you?

1275

01:34:32,720 --> 01:34:35,439

I relinquish all cruelty,
I relinquish all control,

1276

01:34:35,520 --> 01:34:37,192
all influence over the world.

1277

01:34:37,280 --> 01:34:40,397
Do you? Do you?

1278

01:34:40,480 --> 01:34:43,597
Well, you have
influence over me, Merry.

1279

01:34:43,680 --> 01:34:46,114
I renounce all attachments
whether little or much,

1280

01:34:46,240 --> 01:34:48,310
small or great,
living or lifeless.

1281

01:34:49,520 --> 01:34:51,192
Were there others?

1282

01:34:53,480 --> 01:34:55,232

Did others die?

1283

01:34:55,320 --> 01:34:57,231

Were you involved

in other bombings?

1284

01:34:59,280 --> 01:35:00,918

Two.

1285

01:35:01,920 --> 01:35:03,751

You built the bombs.

1286

01:35:03,840 --> 01:35:06,035

I built and planted the bombs.

1287

01:35:07,920 --> 01:35:09,512

Was anyone killed?

1288

01:35:11,440 --> 01:35:12,714

Yes.

1289

01:35:14,240 --> 01:35:15,514

Who?

1290

01:35:17,240 --> 01:35:18,514

People.

1291

01:35:19,520 --> 01:35:21,078

How many people?

1292

01:35:23,040 --> 01:35:24,314

Three.

1293

01:35:30,520 --> 01:35:32,158

I'm going in now.

1294

01:35:38,840 --> 01:35:41,673

Don't go away from me.

Don't go anywhere.

1295

01:35:44,040 --> 01:35:46,270

Daddy, how much suffering

do you want?

1296

01:35:47,280 --> 01:35:48,793

Who are you?

1297

01:35:50,080 --> 01:35:52,799

Where is my daughter?

1298

01:35:52,880 --> 01:35:55,553

My daughter did not kill four people.

1299

01:35:57,640 --> 01:35:59,232

Say it isn't you.

1300

01:36:01,680 --> 01:36:03,477

Say it isn't you!

1301

01:36:26,800 --> 01:36:27,835

Look...

1302

01:36:29,840 --> 01:36:30,909

Merry.

1303

01:36:32,240 --> 01:36:34,834

Your ballet shoes,

1304

01:36:34,920 --> 01:36:37,070

your riding ribbons,

all your things.

1305

01:36:48,000 --> 01:36:49,672

My stuttering book.

1306

01:36:54,400 --> 01:36:56,516

Why have you

brought these things?

1307

01:37:01,040 --> 01:37:03,235

Does it mean that

you aren't coming back?

1308

01:37:06,040 --> 01:37:08,634

Because if it does,

maybe that's best.

1309

01:37:11,280 --> 01:37:12,508

Merry...

1310

01:37:14,520 --> 01:37:15,999

I'm your father.

1311

01:37:17,000 --> 01:37:20,754

I made you and I found you.

1312

01:37:22,040 --> 01:37:26,272

And there's no way I can ever lose you
or you can ever lose me again.

1313

01:37:32,560 --> 01:37:34,357

Let me take you home.

1314

01:37:36,160 --> 01:37:38,071

I can't leave you here.

1315

01:37:40,920 --> 01:37:42,558

You've seen me.

1316

01:37:45,960 --> 01:37:47,552

Please go now.

1317

01:37:51,600 --> 01:37:54,273

If you love me,
you'll let me be.

1318

01:38:29,160 --> 01:38:32,311

That was to be
the last time he ever saw her.

1319

01:38:36,080 --> 01:38:38,036

He never got over Merry.

1320

01:38:41,120 --> 01:38:42,997

He never got over her...

1321

01:38:45,520 --> 01:38:47,511

and never gave up on her.

1322

01:39:03,840 --> 01:39:05,512

It was good to see you.

1323

01:39:07,240 --> 01:39:09,196

Will you excuse me?

1324

01:39:09,280 --> 01:39:13,114

- Are you taking off?

- Oh, there you are. Uh...

1325

01:39:13,200 --> 01:39:17,478

Yeah. These days I'm asleep

on my feet after 9:00.

1326

01:39:17,560 --> 01:39:19,471

Yeah, me too.

1327

01:39:19,560 --> 01:39:22,552

Uh, well, it was good

to see you. Really.

1328

01:39:23,800 --> 01:39:25,028

Well, night.

1329

01:39:26,040 --> 01:39:27,268

Jerry.

1330

01:39:30,440 --> 01:39:34,991

The Swede's funeral tomorrow,
do you mind if I come?

1331

01:39:35,080 --> 01:39:37,753

No. No, not at all.

I'd be happy to see you.

1332

01:39:39,040 --> 01:39:41,395

You remember.

You were there.

1333

01:39:42,520 --> 01:39:44,351

He called you "Skip."

1334

01:39:53,800 --> 01:39:56,678

As we prepare to recite
the mourner's Kaddish,

1335

01:39:56,800 --> 01:39:59,314

we remember the Swede
one last time.

1336

01:39:59,400 --> 01:40:03,234

A football hero, a baseball hero,

1337

01:40:03,320 --> 01:40:05,436

an officer in the Marines.

1338

01:40:05,560 --> 01:40:08,677

What Merry blew up
with that bomb of hers

1339

01:40:08,760 --> 01:40:11,797

was nothing less than his life.

1340

01:40:11,880 --> 01:40:15,793

He never got past
the Rimrock Bomber,

1341

01:40:15,880 --> 01:40:20,396

a girl who perhaps didn't deserve
anything from him,

1342

01:40:20,480 --> 01:40:24,712

who wasn't on the same playing field
as him or anybody else.

1343

01:40:24,800 --> 01:40:28,759

At this time, please rise
for the mourner's Kaddish.

1344

01:40:33,840 --> 01:40:36,718

You come at people
with an open mind

1345

01:40:36,840 --> 01:40:39,593

and yet you never fail
to get them wrong.

1346

01:40:41,200 --> 01:40:44,351

You get them wrong
while you're with them

1347

01:40:44,440 --> 01:40:48,399

or you tell someone about them

and get them wrong again.

1348

01:40:50,520 --> 01:40:52,829

That's how we know we 're alive.

1349

01:40:54,200 --> 01:40:55,679

We are wrong.

1350

01:40:57,720 --> 01:41:00,439

About the Swede,

1351

01:41:00,520 --> 01:41:03,080

how life was going to open its arms

1352

01:41:03,200 --> 01:41:06,317

and shower blessings

upon him.

1353

01:41:06,400 --> 01:41:10,552

I was never more wrong

about anyone in my life.

1354

01:41:20,800 --> 01:41:23,678

Thank you. It's nice to see you.

Thanks for coming today.
