

Dialogues from Cars 2 to improve the vocabulary in English

1

00:00:47,130 --> 00:00:48,881

This is Agent Leland Turbo.

2

00:00:48,965 --> 00:00:50,966

I have a flash transmission
for Agent Finn McMissile.

3

00:00:53,136 --> 00:00:55,971

Finn, my cover's been compromised.
Everything's gone pear-shaped.

4

00:00:58,016 --> 00:01:00,017

You won't believe what I found out here.

5

00:01:00,143 --> 00:01:04,396

This is bigger than anything we've ever
seen, and no one even knows it exists.

6

00:01:04,522 --> 00:01:08,442

Finn, I need backup, but don't call
the cavalry, it could blow the operation.

7

00:01:08,568 --> 00:01:11,028

- And be careful. It's not safe out here.
- Let's go.

8

00:01:11,154 --> 00:01:13,614

Transmitting my grids now. Good luck.

9

00:01:47,565 --> 00:01:49,316

All right, buddy, we're here.

10

00:01:49,400 --> 00:01:51,401

Right where you paid me to bring you.

11

00:01:51,486 --> 00:01:53,529

Question is, why?

12

00:01:53,613 --> 00:01:56,073

I'm looking for a car.

13

00:01:56,199 --> 00:01:57,825

A car? Ha!

14

00:01:57,909 --> 00:02:01,328

Hey, pal, you can't get any further away
from land than out here.

15

00:02:01,412 --> 00:02:03,080

Exactly where I want to be.

16

00:02:03,206 --> 00:02:07,042

I got news for you, buddy.
There's nobody out here but us.

17

00:02:08,920 --> 00:02:10,629

What are you doing out here?

18

00:02:10,713 --> 00:02:13,340

What does it look like, genius?
I'm crabbing.

19

00:02:13,424 --> 00:02:17,344

Well, turn around

and go back where you came from.

20

00:02:17,428 --> 00:02:19,388

Yeah, and who's gonna make me?

21

00:02:20,598 --> 00:02:23,517

All right. All right.

Don't get your prop in a twist.

22

00:02:24,227 --> 00:02:28,438

What a jerk. Sorry, buddy.

Looks like it's the end of the line.

23

00:02:29,232 --> 00:02:30,357

Buddy?

24

00:03:32,921 --> 00:03:36,256

- Incoming.

- All workers report to the loading dock.

25

00:03:37,550 --> 00:03:40,719

Leland Turbo, this is Finn McMissile.

I'm at the rally point. Over.

26

00:03:42,263 --> 00:03:44,473

All right, fellas, you know the drill.

27

00:03:44,557 --> 00:03:47,184

Leland, it's Finn. Please respond. Over.

28

00:03:50,897 --> 00:03:53,357

Come on, guys. These crates
aren't gonna unload themselves.

29

00:03:53,441 --> 00:03:57,402

Too many cars here. Out of my way.

30

00:03:57,487 --> 00:03:59,738

Professor Zundapp?

31

00:03:59,822 --> 00:04:02,532

Here it is, Professor. You wanted to
see this before we load it?

32

00:04:02,617 --> 00:04:04,743

Ah, yes. Very carefully.

33

00:04:04,827 --> 00:04:07,120

Oh, a TV camera.

34

00:04:07,205 --> 00:04:10,666

- What does it actually do?

- This camera is extremely dangerous.

35

00:04:10,917 --> 00:04:12,668

What are you up to now, Professor?

36

00:04:25,556 --> 00:04:29,351

This is valuable equipment. Make sure
it is properly secured for the voyage.

37

00:04:29,435 --> 00:04:31,353

- You got it.

- Hey, Professor Z!

38

00:04:31,437 --> 00:04:33,981

This is one of those
British spies we told you about.

39

00:04:34,065 --> 00:04:38,110

Yeah! This one we caught sticking
his bumper where it didn't belong.

40

00:04:38,194 --> 00:04:40,487

Agent Leland Turbo.

41

00:04:47,870 --> 00:04:49,162

It's Finn McMissile!

42

00:04:50,206 --> 00:04:52,207

He's seen the camera! Kill him!

43

00:04:52,667 --> 00:04:55,460

- All hands on deck!

- All hands on deck!

44

00:05:17,150 --> 00:05:18,150

Whoa!

45

00:05:23,072 --> 00:05:25,073

Waargh!

46

00:06:15,875 --> 00:06:17,375

What?

47

00:06:30,890 --> 00:06:32,724

Get to the boats!

48

00:06:57,834 --> 00:07:00,210

- He's getting away!

- Not for long!

49

00:07:35,997 --> 00:07:37,789

He's dead, Professor.

50

00:07:38,416 --> 00:07:39,541

Wunderbar!

51

00:07:39,625 --> 00:07:43,378

With Finn McMissile gone,

who can stop us now?

52

00:07:44,046 --> 00:07:48,633

Mater -Tow Mater, that's who -
is here to help you.

53

00:07:51,804 --> 00:07:53,180

- Hey, Otis!

- Hey, Mater.

54

00:07:54,599 --> 00:07:57,058

I... Oh, gosh. I'm so sorry.

55

00:07:57,143 --> 00:07:59,394

I thought I could make it this time, but...

56

00:08:02,899 --> 00:08:04,858

Smooth like pudding, huh?

57

00:08:04,942 --> 00:08:08,403

- Who am I kidding?

- I'll always be a lemon.

58

00:08:08,529 --> 00:08:12,073

Well, dad-gum, you're leaking oil again.

Must be your gaskets.

59

00:08:12,158 --> 00:08:13,617

Hey, but look on the bright side.

60

00:08:13,743 --> 00:08:17,037

This is your tenth tow this month,
so it's on the house.

61

00:08:17,121 --> 00:08:20,582

You're the only one
that's nice to lemons like me, Mater.

62

00:08:20,708 --> 00:08:24,002

Don't sweat it. Shoot,
these things happen to everybody.

63

00:08:24,086 --> 00:08:27,422

- But you never leak oil.
- Yeah, but I ain't perfect.

64

00:08:27,506 --> 00:08:30,884

Don't tell nobody, but I think my rust
is starting to show through.

65

00:08:30,968 --> 00:08:33,678

Hey. Is Lightning McQueen back yet?

66

00:08:33,930 --> 00:08:34,971

Not yet.

67

00:08:35,097 --> 00:08:38,642

He must be crazy excited
about winning his fourth Piston Cup.

68

00:08:38,768 --> 00:08:40,060

Four! Wow!

69

00:08:40,186 --> 00:08:43,813

Yeah, we're so dad-gum proud of him,
but I wish he'd hurry up and get back,

70

00:08:43,940 --> 00:08:47,192

'cause we got a whole summer's worth

of best friend fun to make up for.

71

00:08:47,276 --> 00:08:48,526

Just me and...

72

00:08:49,779 --> 00:08:51,112

McQueen!

73

00:08:51,197 --> 00:08:53,490

- Whoa, whoa, whoa!

- McQueen!

74

00:08:53,574 --> 00:08:57,160

- Mater! I'm in no hurry!

- Hey, everybody. McQueen's back!

75

00:08:57,286 --> 00:08:59,120

- Aaah!

- McQueen's back!

76

00:08:59,205 --> 00:09:03,166

- McQueen's back! McQueen's back!

- Aaah! Oooh-hoo! Oooh-hah!

77

00:09:03,292 --> 00:09:04,876

McQueen's back!

78

00:09:04,961 --> 00:09:07,629

Oh, Lightning! Welcome home!

79

00:09:07,713 --> 00:09:11,257

- Good to have you back, honey!

- Congratulations, man.

80

00:09:11,342 --> 00:09:12,634

Welcome home, soldier.

81

00:09:12,718 --> 00:09:15,053

The place wasn't the same without you,
son.

82

00:09:15,137 --> 00:09:17,722

What? Did he go somewhere?

83

00:09:17,974 --> 00:09:21,309

It's good to be home, everybody.

84

00:09:21,394 --> 00:09:24,312

- Mater!

- McQueen!

85

00:09:24,397 --> 00:09:26,022

Oooh!

86

00:09:27,316 --> 00:09:29,818

Whooooa!

87

00:09:30,486 --> 00:09:32,821

Hey,

how far did you make it this time, Otis?

88

00:09:32,947 --> 00:09:36,825

- Halfway to the county line.

- Ooh, not bad, man!

89

00:09:36,951 --> 00:09:38,535

I know! I can't believe it either!

90

00:09:38,619 --> 00:09:42,497

- McQueen! Welcome back!

- Mater, it's so good to see you.

91

00:09:42,581 --> 00:09:43,832

You too, buddy.

92

00:09:43,958 --> 00:09:47,460

Oh, man, you ain't going to believe
the things I got planned for us!

93

00:09:47,545 --> 00:09:50,380

These best friend greetings
get longer every year!

94

00:09:50,923 --> 00:09:55,343

- You ready to have some serious fun?

- I've got something to show you first.

95

00:09:56,512 --> 00:09:57,721

Wow.

96

00:09:57,847 --> 00:10:00,223

I can't believe
they renamed the Piston Cup

97

00:10:00,349 --> 00:10:03,476

after our very own Doc Hudson.

98

00:10:03,561 --> 00:10:05,937

I know Doc said these things
were just old cups,

99

00:10:06,022 --> 00:10:10,233

but to have someone else win it
just didn't feel right, you know?

100

00:10:13,738 --> 00:10:17,240

Doc would've been real proud of you.
That's for sure.

101

00:10:20,369 --> 00:10:23,496

All right, pal.
I've been waiting all summer for this.

102

00:10:23,622 --> 00:10:26,791

- What you got planned?

- Ho-ho-ho! You sure you can handle it?

103

00:10:26,876 --> 00:10:30,336

Do you know who you're talking to?

This is Lightning McQueen!

104

00:10:30,421 --> 00:10:32,422

I can handle anything.

105

00:10:32,506 --> 00:10:34,257

Er... Mater?

106

00:10:34,383 --> 00:10:37,594

Just remember, your brakes

ain't going to work on these!

107

00:10:37,678 --> 00:10:39,596

- Mater?

- Relax.

108

00:10:39,680 --> 00:10:42,265

These train tracks
ain't been used in years!

109

00:10:42,391 --> 00:10:44,434

Aaaah!

110

00:10:44,560 --> 00:10:46,603

- Aaaah!

- Faster, faster. Come on. Here we go!

111

00:10:46,687 --> 00:10:48,146

Faster!

112

00:10:51,400 --> 00:10:53,610

Ooh. Wow.

113

00:10:53,694 --> 00:10:57,155

Yeah, I don't know. Do you think?

114

00:10:57,239 --> 00:10:59,282

This is going to be good!

115

00:11:08,417 --> 00:11:10,668

Did you see that?

116

00:11:12,922 --> 00:11:14,923

Uh-oh.

- This ain't going to be good.

117

00:11:17,718 --> 00:11:20,720

Ha-ha! Boy, this was the best day ever!

118

00:11:20,805 --> 00:11:24,140

And my favorite souvenir,
this new dent.

119

00:11:24,266 --> 00:11:27,852

- Boy, Mater, today was ah...

- Shoot, that was nothing.

120

00:11:27,937 --> 00:11:30,146

Wait till you see
what I got planned for tonight!

121

00:11:30,272 --> 00:11:34,609

Mater, Mater, whoa!

I was thinking of just a quiet dinner.

122

00:11:34,693 --> 00:11:38,029

That's exactly what I was thinkin'.

123

00:11:38,114 --> 00:11:41,533

- No, I meant with Sally, Mater.

- Even better!

124

00:11:41,617 --> 00:11:45,036

You, me and Miss Sally

goin' out for supper.

125

00:11:45,121 --> 00:11:47,330

Mater, I meant it would be

just me and Sally.

126

00:11:48,290 --> 00:11:51,626

- Oh.

- You know, just for tonight.

127

00:11:52,336 --> 00:11:54,712

- Oh...

- We'll do whatever you want tomorrow.

128

00:11:55,548 --> 00:11:56,756

OK.

129

00:11:56,841 --> 00:11:59,300

- Thanks for understanding.

- Yeah, sure.

130

00:12:00,344 --> 00:12:03,346

- Y'all go on and have fun now.

- All right, then.

131

00:12:03,472 --> 00:12:05,598

See you soon, amigo.

132

00:12:11,564 --> 00:12:13,648

Ah, this is so nice.

133

00:12:13,732 --> 00:12:16,693

I can't tell you how good it is

to be here alone,

134

00:12:16,777 --> 00:12:18,611

just the two of us, finally.

135

00:12:18,696 --> 00:12:21,114

- You and me.

- Ahem! Good evening.

136

00:12:21,198 --> 00:12:23,074

- Oh!

- My name is Mater,

137

00:12:23,159 --> 00:12:24,701

and I'll be your waiter.

138

00:12:24,785 --> 00:12:27,453

Mater the waiter.

That's funny right there.

139

00:12:27,538 --> 00:12:29,581

Mater? You work here?

140

00:12:29,665 --> 00:12:31,541

Yeah, I work here. What'd you think?

141

00:12:31,625 --> 00:12:33,376

I snuck in here

when nobody was lookin'

142

00:12:33,502 --> 00:12:36,087

and pretended to be your waiter

so I could hang out with you?

143

00:12:36,172 --> 00:12:40,008

Oh, yeah.

How ridiculous would that be?

144

00:12:40,092 --> 00:12:43,261

Can I start you two lovebirds off

with a couple of drinks?

145

00:12:43,345 --> 00:12:47,515

- Yes. I'll have my usual.

- You know what? I'll have that, too.

146

00:12:49,143 --> 00:12:51,477

Uh... Right. Your usual.

147

00:12:59,778 --> 00:13:01,696

- Thanks, man.

- Grazie, Guido.

148

00:13:01,780 --> 00:13:03,323

Guido, what's McQueen's usual?

149

00:13:03,574 --> 00:13:04,657

How should I know?

150

00:13:04,742 --> 00:13:07,785

- Perfect. Give me two of them.

- Quiet! My program's on.

151

00:13:07,870 --> 00:13:10,121

Tonight on the Mel Dorado Show...

152

00:13:10,206 --> 00:13:12,040

His story gripped the world.

153

00:13:12,124 --> 00:13:14,459

Oil billionaire Miles Axlerod,

154

00:13:14,585 --> 00:13:18,421

in an attempt to become the first car to
circumnavigate the globe without GPS,

155

00:13:18,547 --> 00:13:21,841

ironically ran out of gas,
and found himself trapped in the wild.

156

00:13:21,967 --> 00:13:24,761

Feared dead,
he emerged 36 days later,

157

00:13:24,845 --> 00:13:28,514

running on a fuel he distilled himself
from the natural elements!

158

00:13:28,599 --> 00:13:30,600

Since then, he's sold his oil fortune,

159

00:13:30,893 --> 00:13:33,645

converted himself from a gas-guzzler
into an electric car

160

00:13:33,729 --> 00:13:36,898

and has devoted his life to finding
a renewable, clean-burning fuel.

161

00:13:37,024 --> 00:13:39,442

Now he claims to have done it
with his allinol.

162

00:13:39,526 --> 00:13:42,070

And to show the world
what his new super fuel can do

163

00:13:42,196 --> 00:13:44,447

he's created a racing competition
like no other,

164

00:13:44,573 --> 00:13:46,449

inviting the greatest champions

165

00:13:46,575 --> 00:13:48,576

to battle in the first ever

World Grand Prix.

166

00:13:48,661 --> 00:13:50,745

Welcome, Sir Miles Axlerod.

167

00:13:51,288 --> 00:13:53,915

Thank you, Mel. It is good to be here.

Listen to me.

168

00:13:54,166 --> 00:13:57,210

Big oil. It costs a fortune.

Pollution is getting worse.

169

00:13:57,294 --> 00:14:01,673

I mean, it's a fossil fuel.

"Fossil," as in dead dinosaurs.

170

00:14:01,757 --> 00:14:03,633

And we all know

what happened to them.

171

00:14:03,717 --> 00:14:06,469

Alternative energy is the future.

Trust me, Mel.

172

00:14:06,595 --> 00:14:09,514

After seeing allinol in action

at the World Grand Prix,

173

00:14:09,598 --> 00:14:13,643

nobody will ever go back

to gasoline again.

174

00:14:13,727 --> 00:14:15,436

What happened to the dinosaurs, now?

175

00:14:16,063 --> 00:14:17,355

And on satellite,

a World Grand Prix competitor

176

00:14:17,439 --> 00:14:20,650

and one of the fastest cars in the world,

Francesco Bernoulli.

177

00:14:20,734 --> 00:14:24,195

It is an honor, Signore Dorado,
for you.

178

00:14:24,279 --> 00:14:26,030

Why not invite Lightning McQueen?

179

00:14:26,115 --> 00:14:27,657

Of course we invited him,

180

00:14:27,741 --> 00:14:30,159

but apparently after his very long
racing season

181

00:14:30,244 --> 00:14:32,245

he is taking time off to rest.

182

00:14:32,329 --> 00:14:35,790

The Lightning McQueen would not
have a chance against Francesco.

183

00:14:35,874 --> 00:14:39,043

I can go over 300 kilometers an hour.

184

00:14:39,128 --> 00:14:44,007

In miles, that is like...

way faster than McQueen.

185

00:14:44,133 --> 00:14:47,051

Let's go to the phones.

Baltimore, Maryland, you're on the air.

186

00:14:47,136 --> 00:14:49,387

- Am I on? Hello?

- You're on. Go ahead.

187

00:14:49,471 --> 00:14:50,805

- Hello?

- Go ahead.

188

00:14:52,016 --> 00:14:54,475

Let's go to Radiator Springs.

You're on, caller.

189

00:14:54,560 --> 00:14:57,311

That Italian feller

you got on there

190

00:14:57,396 --> 00:14:58,938

can't talk that way about

Lightning McQueen.

191

00:14:59,189 --> 00:15:02,525

He's the bestest race car

in the whole wide world.

192

00:15:02,651 --> 00:15:05,403

- Uh-oh.

- If he is, how you say,

193

00:15:05,487 --> 00:15:08,406

"the bestest race car,"

then why must he rest? Huh?

194

00:15:08,490 --> 00:15:10,074

'Cause he knows

what's important.

195

00:15:10,159 --> 00:15:13,745

Every now and then he prefers
just to slow down, enjoy life.

196

00:15:13,871 --> 00:15:16,956

Oh! You heard it!

Lightning McQueen prefers to be slow!

197

00:15:17,041 --> 00:15:18,791

This is not news to Francesco.

198

00:15:18,876 --> 00:15:21,169

When I want to go to sleep,

I watch one of his races.

199

00:15:21,295 --> 00:15:22,879

After two laps, I am out cold.

200

00:15:22,963 --> 00:15:25,173

That ain't what I meant.

201

00:15:26,717 --> 00:15:28,509

What's going on

over there?

202

00:15:28,594 --> 00:15:31,220

He is afraid of Francesco.

203

00:15:31,305 --> 00:15:33,598

That's that

Italian formula car.

204

00:15:33,682 --> 00:15:37,018

- His name is...

- Francesco Bernoulli.

205

00:15:37,102 --> 00:15:39,479

- No wonder there's a crowd.

- Why do you know his name?

206

00:15:39,563 --> 00:15:42,398

And don't say it like that.

It's three syllables, not ten.

207

00:15:42,524 --> 00:15:45,943

What? He's nice to look at.

You know, open-wheeled and all.

208

00:15:46,028 --> 00:15:48,613

What's wrong with fenders?

I thought you liked my fenders.

209

00:15:48,697 --> 00:15:51,491

- Let me tell you something else.

- Mater?

210

00:15:51,742 --> 00:15:54,452

McQueen could drive circles
around you.

211

00:15:54,536 --> 00:15:56,537

Driving in circles is all he can-a do,
no?

212

00:15:56,622 --> 00:15:57,622

No.

213

00:15:57,706 --> 00:16:01,375

I mean, yes.

I mean, he could beat you anywhere.

214

00:16:01,460 --> 00:16:02,627

Any time, any track.

215

00:16:02,711 --> 00:16:04,629

Mel, can we move on?

216

00:16:04,713 --> 00:16:06,589

Francesco needs a caller

who can provide

217

00:16:06,673 --> 00:16:09,884

a little more intellectual stimulation,

like a dump truck.

218

00:16:09,968 --> 00:16:13,304

Ha-ha! That shows what you know.

Dump trucks is dumb.

219

00:16:13,388 --> 00:16:15,598

Hey! Whoa!

220

00:16:16,099 --> 00:16:17,767

Yeah, hi. This is Lightning McQueen.

221

00:16:17,851 --> 00:16:19,811

The Lightning McQueen, huh?

222

00:16:19,895 --> 00:16:23,314

I don't appreciate my best friend
being insulted like that.

223

00:16:23,398 --> 00:16:25,942

McQueen, that was your best friend?
Oh!

224

00:16:26,026 --> 00:16:28,319

This is the difference
between you and Francesco.

225

00:16:28,403 --> 00:16:30,655

Francesco knows how good he is.

226

00:16:30,781 --> 00:16:34,075

He does not need to surround himself

with tow trucks to prove it.

227

00:16:34,159 --> 00:16:37,954

Those are strong words
from a car that is so fragile.

228

00:16:38,038 --> 00:16:42,083

Fragile! He calls Francesco fragile!

229

00:16:42,167 --> 00:16:43,543

Not-a so fast, McQueen!

230

00:16:43,627 --> 00:16:45,837

"Not so fast. "

Is that your new motto?

231

00:16:45,921 --> 00:16:49,924

Motto?

232

00:16:50,008 --> 00:16:53,886

This sounds like something that needs
to be settled on the race course.

233

00:16:54,012 --> 00:16:58,099

What do you say, Lightning McQueen?

We've got room for one more racer.

234

00:16:58,225 --> 00:17:01,435

I would love to,

but my crew is off for the season, so...

235

00:17:03,522 --> 00:17:04,522

Pit stop.

236

00:17:04,606 --> 00:17:06,941

You know what? They just got back.

237

00:17:07,025 --> 00:17:08,568

Deal me in, baby.

238

00:17:08,652 --> 00:17:11,654

Ka-chow! Yeah.

239

00:17:13,490 --> 00:17:16,701

I know, I know.

I just got back, but we won't be long.

240

00:17:16,785 --> 00:17:19,495

No, don't worry about me.

I've got enough to do here.

241

00:17:19,621 --> 00:17:21,455

Mater's going to have a blast, though.

242

00:17:21,582 --> 00:17:23,291

You're bringing Mater, right?

243

00:17:23,417 --> 00:17:25,793

You never bring him

to any of your races.

244

00:17:31,425 --> 00:17:32,466

Ah.

245

00:17:32,593 --> 00:17:34,927

Just let him sit in the pits.

Give him a headset.

246

00:17:35,012 --> 00:17:37,305

Come on, it will be
the thrill of a lifetime for him.

247

00:17:37,431 --> 00:17:39,390

- Your drink, sir.
- Mater.

248

00:17:39,474 --> 00:17:40,850

I didn't taste it!

249

00:17:40,934 --> 00:17:43,686

How'd you like to come
and see the world with me?

250

00:17:43,812 --> 00:17:46,647

- You mean it?
- Yeah. You got me into this thing.

251

00:17:46,732 --> 00:17:48,608

- You're coming along.
- All right!

252

00:17:58,660 --> 00:18:00,119

Ka-chow!

253

00:18:00,704 --> 00:18:02,121

Ha-ha!

254

00:19:15,821 --> 00:19:16,904

Hey!

255

00:19:25,372 --> 00:19:27,123

Hey, excuse me!

256

00:19:27,207 --> 00:19:29,208

Domo arigato!

257

00:19:34,131 --> 00:19:36,090

Yeah!

258

00:20:01,616 --> 00:20:05,119

Guido, look. Ferraris and tires.

259

00:20:05,203 --> 00:20:08,205

- Let's go!

- Ho-ho! Look at this.

260

00:20:08,290 --> 00:20:11,500

OK, now, Mater, remember,
best behavior.

261

00:20:11,626 --> 00:20:14,128

- You got it, buddy. Hey, what's that?

- Mater!

262

00:20:14,212 --> 00:20:15,379

Hey, McQueen! Over here.

263

00:20:16,298 --> 00:20:17,465

- Lewis!

- Hey, man.

264

00:20:17,591 --> 00:20:19,216

- Jeff!

- Hey, Lightning.

265

00:20:19,301 --> 00:20:20,968

Can you believe this party?

266

00:20:26,391 --> 00:20:27,391

Hey.

267

00:20:28,643 --> 00:20:30,853

You done good. You got all the leaves.

268

00:20:30,979 --> 00:20:34,482

- Check out that tow truck.

- Man, I wonder who that guy's with.

269

00:20:34,566 --> 00:20:37,818

Ah... Will you guys excuse me
just for one little second?

270

00:20:38,403 --> 00:20:40,237

Ho-ho! Good job!

271

00:20:40,322 --> 00:20:43,908

Mater!

Listen, this isn't Radiator Springs.

272

00:20:43,992 --> 00:20:45,409

You're just realizing that?

273

00:20:45,494 --> 00:20:48,746

Oh-ho! That jet lag really done
a number on you.

274

00:20:48,830 --> 00:20:51,499

Mater, things are different over here.

275

00:20:51,583 --> 00:20:55,628

Which means maybe you should,
you know, act a little different, too.

276

00:20:55,712 --> 00:20:58,506

- Different than what?

- Well, just help me out here.

277

00:20:58,632 --> 00:21:01,217

You need help? Shoot!

Why didn't you say so?

278

00:21:01,301 --> 00:21:03,177

That's what a tow truck does.

279

00:21:03,261 --> 00:21:04,887

- Yeah, I mean...

- Looky there.

280

00:21:05,013 --> 00:21:07,681

It's Mr. San Francisco.

I'll introduce you.

281

00:21:07,807 --> 00:21:10,434

- Mater, no!

- Look at me. I'm helping you already.

282

00:21:10,519 --> 00:21:13,229

Hey, Mr. San Francisco,

I'd like you to meet...

283

00:21:13,313 --> 00:21:15,439

Ah, Lightning McQueen! Buona sera.

284

00:21:15,524 --> 00:21:18,359

- Nice to meet you, Francesco.

- Nice to meet you, too.

285

00:21:18,443 --> 00:21:21,278

You are very good-looking.

Not as good as I thought, but good.

286

00:21:21,363 --> 00:21:23,239

Excuse me.

Can I get a picture with you?

287

00:21:23,323 --> 00:21:25,074

Anything for McQueen's friend.

288

00:21:25,158 --> 00:21:28,494

Miss Sally is going to flip

when she sees this.

289

00:21:28,620 --> 00:21:31,622

She's Lightning McQueen's girlfriend.

290

00:21:31,706 --> 00:21:33,832

- Oooh!

- She's a big fan of yours.

291

00:21:33,917 --> 00:21:35,793

Hey, she has-a good taste.

292

00:21:35,877 --> 00:21:39,296

Mater's prone to exaggeration.

I wouldn't say she's a "big fan".

293

00:21:39,381 --> 00:21:41,715

You're right. She's a huge fan!

294

00:21:41,841 --> 00:21:44,635

She goes on and on

about your open wheels.

295

00:21:44,719 --> 00:21:48,013

Mentioning it once doesn't qualify

as going on and on.

296

00:21:48,098 --> 00:21:51,684

Francesco is familiar

with this reaction to Francesco.

297

00:21:51,768 --> 00:21:53,852

Women respect a car
that has-a nothing to hide.

298

00:21:53,937 --> 00:21:55,479

Yeah, er...

299

00:21:55,564 --> 00:21:57,147

- Let us have a toast.
- Let's.

300

00:21:57,232 --> 00:22:00,192

I dedicate my win tomorrow
to Miss Sally.

301

00:22:00,277 --> 00:22:01,318

Oh. Sorry.

302

00:22:01,403 --> 00:22:04,572

I already dedicated
my win tomorrow to her.

303

00:22:04,656 --> 00:22:07,074

So, if we both do it,
it's really not so special.

304

00:22:07,158 --> 00:22:10,578

- Besides, I don't have a drink.
- I'll go get you one.

305

00:22:10,704 --> 00:22:13,122

Do you mind if I borrow a few bucks
for one of them drinks?

306

00:22:13,206 --> 00:22:16,584

- They're free.
- Free? Shoot, what am I doing here?

307

00:22:16,710 --> 00:22:20,713

I should probably go keep an eye
on him. See you at the race.

308

00:22:20,797 --> 00:22:24,717

Yes, you will see Francesco,

but not like this.

309

00:22:24,801 --> 00:22:28,470

You will see him like-a this
as he drives away from you.

310

00:22:28,597 --> 00:22:30,097

Ha! That's cute.

311

00:22:30,181 --> 00:22:32,474

You had one of those made up
for all the racers?

312

00:22:32,601 --> 00:22:33,726

No.

313

00:22:33,810 --> 00:22:35,144

Okay.

314

00:22:35,228 --> 00:22:38,731

- Ciao, McQueen!

- He is so getting beat tomorrow!

315

00:22:38,815 --> 00:22:43,444

Ladies and gentlecars,

Sir Miles Axlerod.

316

00:22:43,528 --> 00:22:47,239

It is my absolute honor

to introduce to you

317

00:22:47,324 --> 00:22:51,327

the competitors in the first ever

World Grand Prix.

318

00:22:51,786 --> 00:22:54,204

From Brazil, Number 8...

319

00:23:15,310 --> 00:23:16,977

- Oh, hello.

- Hello.

320

00:23:17,062 --> 00:23:19,646

A Volkswagen Karmann Ghia

has no radiator.

321

00:23:19,773 --> 00:23:21,440

That's because it's air-cooled.

322

00:23:21,566 --> 00:23:25,277

Great. I'm Agent Shiftwell.

Holley Shiftwell from the Tokyo station.

323

00:23:25,362 --> 00:23:27,404

- I have a message from London.

- Not here.

324

00:23:27,489 --> 00:23:29,406

Try the canapes on the mezzanine.

325

00:23:33,411 --> 00:23:37,081

The lab boys analyzed the photo I sent?

What did they learn about the camera?

326

00:23:37,165 --> 00:23:39,333

It appears to be

a standard television camera.

327

00:23:39,459 --> 00:23:42,586

They said if you could get closer
photos next time that would be great.

328

00:23:42,670 --> 00:23:43,962

This was London's message?

329

00:23:44,047 --> 00:23:46,298

Oh, no. No, sir.

330

00:23:46,383 --> 00:23:48,050

The oil platforms you were on,

331

00:23:48,134 --> 00:23:51,095

turns out they're sitting on
the biggest oil reserve in the world.

332

00:23:51,179 --> 00:23:52,429

How did we miss that?

333

00:23:52,514 --> 00:23:54,515

They've scrambled
everyone's satellites.

334

00:23:54,599 --> 00:23:56,767

The Americans discovered it
just before you did.

335

00:23:56,893 --> 00:23:59,770

They placed an agent on that platform
under deep cover.

336

00:23:59,896 --> 00:24:03,065

He was able to get a photo of the car
who's running the entire operation.

337

00:24:03,149 --> 00:24:04,149

Great.

338

00:24:04,234 --> 00:24:06,610

Who is it?

Has anyone seen the photo yet?

339

00:24:06,694 --> 00:24:08,112

Nope, not yet.

340

00:24:08,196 --> 00:24:10,906

The American is here tonight
to pass it to you.

341

00:24:11,032 --> 00:24:12,533

He'll signal you when he's ready.

342

00:24:12,659 --> 00:24:14,201

Good, good.

343

00:24:15,036 --> 00:24:16,370

Oh, no.

344

00:24:18,206 --> 00:24:20,124

- What is it?
- Change of plan.

345

00:24:20,208 --> 00:24:22,126

- You're meeting the American.
- What? Me?

346

00:24:22,210 --> 00:24:24,461

Those thugs down there
were on the oil platform.

347

00:24:24,546 --> 00:24:26,547

If they see me,
the mission is compromised.

348

00:24:26,673 --> 00:24:31,718

No, I'm technical. I'm in diagnostics.
I'm... I'm not a field agent.

349

00:24:31,803 --> 00:24:32,845

You are now.

350

00:24:37,100 --> 00:24:38,851

I'll take one of them. Thank you.

351

00:24:38,935 --> 00:24:41,520

Never know which one McQueen
will have a hankering for.

352

00:24:44,441 --> 00:24:48,485

Hey. What you got here that's free?

How about that pistachio ice cream?

353

00:24:49,737 --> 00:24:52,156

- No, no, wasabi.

- Same old same old.

354

00:24:52,240 --> 00:24:54,950

What's up with you?

That looks delicious!

355

00:24:59,664 --> 00:25:02,040

Er... little more, please.

It is free, right?

356

00:25:02,125 --> 00:25:04,251

Keep it coming. A little more.

357

00:25:04,335 --> 00:25:06,003

Come on, let's go. It's free.

358

00:25:06,087 --> 00:25:07,921

You're gettin' there. Scoop, scoop.

359

00:25:08,006 --> 00:25:10,632

There ya go!

Now that's a scoop of ice cream!

360

00:25:12,010 --> 00:25:13,760

My condolences.

361

00:25:13,928 --> 00:25:16,805

And now our last competitor.

362

00:25:16,931 --> 00:25:20,517

Number 95, Lightning McQueen!

363

00:25:20,602 --> 00:25:21,852

Ka-chow!

364

00:25:21,936 --> 00:25:24,605

Thank you so much for having us,

Sir Axlerod.

365

00:25:24,689 --> 00:25:28,150

I really look forward to racing.

This is a great opportunity.

366

00:25:28,234 --> 00:25:30,611

Oh, the pleasure is all ours, Lightning.

367

00:25:30,695 --> 00:25:33,822

You and your team bring
excellence and professionalism

368

00:25:33,907 --> 00:25:35,032

to this competition.

369

00:25:39,037 --> 00:25:41,205

Somebody get me water! Aah!

370

00:25:41,289 --> 00:25:43,624

Oh, sweet relief. Sweet relief.

371

00:25:51,257 --> 00:25:57,137

Whatever you do,
do not eat the free pistachio ice cream.

372

00:25:57,597 --> 00:25:59,556

It has turned.

373

00:25:59,641 --> 00:26:01,892

Sir Axlerod, I can explain.

374

00:26:01,976 --> 00:26:04,728

- This is Mater. He's...

- I know him.

375

00:26:04,812 --> 00:26:07,397

This is the bloke that called in
to the television show.

376

00:26:07,482 --> 00:26:10,192

- You're the one I have to thank.

- No, thank you.

377

00:26:10,276 --> 00:26:11,902

This trip's been amazin'.

378

00:26:11,986 --> 00:26:14,404

Ah. He's a little excited, isn't he?

379

00:26:14,489 --> 00:26:17,866

- Mater!

- But wait, I... Oh, shoot.

380

00:26:17,992 --> 00:26:20,202

- Mater.

- Has anyone got a towel?

381

00:26:20,328 --> 00:26:22,829

Mater, get a hold of yourself.

You're making a scene!

382

00:26:22,914 --> 00:26:27,376

- But I never leak oil. Never.

- Go take care of yourself right now!

383

00:26:31,005 --> 00:26:34,341

Comin' through! Leakin' oil.

Where's the bathroom? Thank you.

384

00:26:35,176 --> 00:26:37,427

I gotta go. Oh, er...

385

00:26:40,181 --> 00:26:41,223

Er...

386

00:26:41,307 --> 00:26:43,308

Sorry, ladies.

387

00:26:43,393 --> 00:26:46,270

I'm leakin'. I never leak. I never leak.

388

00:26:46,354 --> 00:26:49,106

I never leak, I never leak, I never leak.

389

00:26:49,190 --> 00:26:52,025

Oh, oh, I never leak. Oooh!

390

00:26:52,151 --> 00:26:54,152

I never leak, I never leak, never...

391

00:26:54,237 --> 00:26:56,196

Wow-wee!

392

00:27:01,911 --> 00:27:03,912

What in the...?

393

00:27:14,132 --> 00:27:15,424

Hey, that tickles!

394

00:27:19,762 --> 00:27:21,346

Waaargh!

395

00:27:28,938 --> 00:27:32,774

Okay, McMissile. I'm here.

It's time for the drop.

396

00:27:36,404 --> 00:27:39,906

OK, so, the American has activated
his tracking beacon.

397

00:27:39,991 --> 00:27:41,575

Roger that. Move in.

398

00:27:56,215 --> 00:27:57,299

Stop! Hey!

399

00:28:15,777 --> 00:28:18,236

- Oh, you've got to be joking.

- What's the problem?

400

00:28:18,321 --> 00:28:20,113

- He's in the loo.

- So, go in!

401

00:28:20,239 --> 00:28:22,908

- I can't go into the men's loo!

- Time is of the essence.

402

00:28:22,992 --> 00:28:24,993

All right.

403

00:28:31,417 --> 00:28:36,421

Oh! Whatever you do,

I would not go in there!

404

00:28:38,007 --> 00:28:40,592

Hey! A Gremlin and a Pacer!

405

00:28:40,677 --> 00:28:42,260

No offense to your makes and models,

406

00:28:42,345 --> 00:28:45,055

but you break down harder

than my cousin Betsy

407

00:28:45,139 --> 00:28:47,015

after she got left at the altar!

408

00:28:47,100 --> 00:28:49,351

What the...? Whoa. Are you OK?

409

00:28:49,477 --> 00:28:51,520

- I'm fine.

- Hey! Tow truck!

410

00:28:51,646 --> 00:28:55,065

We'd like to get to our private business

here, if you don't mind.

411

00:28:55,149 --> 00:28:56,650

Oh, yeah, sorry.

412

00:28:56,734 --> 00:28:59,236

Don't let me get in the way
of your private business.

413

00:28:59,320 --> 00:29:03,073

Oh, a little advice. When you hear
a giggle and see that waterfall,

414

00:29:03,157 --> 00:29:05,075

you best press that green button.

415

00:29:05,159 --> 00:29:07,285

- Thank you.
- It's to adjust the temperature.

416

00:29:07,370 --> 00:29:09,996

- Got it.
- And it's in Celsius, not Fahrenheit.

417

00:29:10,081 --> 00:29:11,498

Get out of here!

418

00:29:11,582 --> 00:29:15,669

All right, then. And when she starts
gigglin', prepare to be squirted.

419

00:29:16,546 --> 00:29:18,422

'Scuse me, ma'am.

420

00:29:18,506 --> 00:29:20,424

Dad-gum pistachio ice cream.

421

00:29:20,508 --> 00:29:24,177

- This cannot be him.

- Is he American?

422

00:29:24,262 --> 00:29:26,596

Look out, ladies.

Mater's fittin' to get funky.

423

00:29:26,681 --> 00:29:29,057

- Extremely.

- Then it's him.

424

00:29:29,684 --> 00:29:31,184

- Hello.

- Well, hello.

425

00:29:31,269 --> 00:29:33,937

A Volkswagen Karmann Ghia
has no radiator.

426

00:29:34,021 --> 00:29:36,606

Well, of course it doesn't.

That's 'cause it's air-cooled.

427

00:29:36,691 --> 00:29:39,443

Perfect.

Erm... I'm from the Tokyo Station.

428

00:29:39,527 --> 00:29:42,237

'Course, Karmann Ghias
weren't the only ones.

429

00:29:42,363 --> 00:29:46,116

Besides the Beetles, you had Type 3
Squarebacks with the Pancake motors.

430

00:29:46,200 --> 00:29:48,535

- Yeah, OK. I get it.

- And before both of them

431

00:29:48,619 --> 00:29:50,328

there's the Type 2 buses.

432

00:29:50,413 --> 00:29:52,581

- My buddy Fillmore's one of them.

- Listen!

433

00:29:52,707 --> 00:29:54,416

Erm... We should find somewhere
more private.

434

00:29:55,376 --> 00:29:57,294

Gee, don't you think that's a little...?

435

00:29:57,378 --> 00:30:00,422

You're right. Impossible to know
which areas here are compromised.

436

00:30:00,548 --> 00:30:02,716

- So, when can I see you again?

- Well, let's see.

437

00:30:02,800 --> 00:30:05,594

- Tomorrow I'll be out there at the races.

- Got it.

438

00:30:05,720 --> 00:30:07,137

We'll rendezvous then.

439

00:30:08,222 --> 00:30:11,057

- There you are. Where have you been?

- What's a "rendezvous"?

440

00:30:11,142 --> 00:30:12,934

- Er... It's like a date.

- A date?

441

00:30:13,019 --> 00:30:14,436

Mater, what's going on?

442

00:30:14,562 --> 00:30:17,314

What's going on is

I got me a date tomorrow.

443

00:30:17,398 --> 00:30:19,316

Guido don't believe you.

444

00:30:19,400 --> 00:30:22,444

Believe it.

My new girlfriend just said so.

445

00:30:22,570 --> 00:30:25,530

Hey, there she is. Hey! Hey, lady!

446

00:30:25,615 --> 00:30:27,491

See you tomorrow!

447

00:30:27,575 --> 00:30:29,910

Guido still don't believe you.

448

00:30:32,121 --> 00:30:36,041

- I got to admit, you tricked us real good.

- And we don't like being tricked.

449

00:30:36,125 --> 00:30:38,001

What's so funny?

450

00:30:38,085 --> 00:30:42,214

Well, I was just wearing a disguise.

You guys are stuck looking like that.

451

00:30:44,675 --> 00:30:48,261

Allinol? Thanks, fellas.

I hear this stuff is good for you.

452

00:30:48,346 --> 00:30:50,138

So you think.

453

00:30:50,223 --> 00:30:52,766

Allinol by itself is good for you.

454

00:30:56,813 --> 00:30:59,189

But after microscopic examination

455

00:30:59,273 --> 00:31:01,942

I have found
that it has one small weakness.

456
00:31:02,026 --> 00:31:04,861

When hit with
an electromagnetic pulse,

457
00:31:04,946 --> 00:31:07,948
it becomes extremely dangerous.

458
00:31:08,032 --> 00:31:09,866
Smile for the camera.

459
00:31:09,992 --> 00:31:11,993
Is that all you want? I got a whole act.

460
00:31:12,119 --> 00:31:15,622
You were very interested in this camera
on the oil platform.

461
00:31:15,706 --> 00:31:19,668
Now, you will witness
what it really does.

462

00:31:19,794 --> 00:31:23,380

- Whatever you say, Professor.

- You talked up a lot of cars last night.

463

00:31:23,464 --> 00:31:25,715

- Which one's your associate?

- Your mother.

464

00:31:25,800 --> 00:31:29,386

Oh, no, I'm sorry, it was your sister.

I can't tell them apart these days.

465

00:31:29,470 --> 00:31:31,221

Could I start it now, Professor Z?

466

00:31:31,305 --> 00:31:33,390

Go 50% power.

467

00:31:34,600 --> 00:31:39,312

This camera is actually
an electromagnetic pulse emitter.

468

00:31:39,397 --> 00:31:41,314

What about her? Did you give it to her?

469

00:31:41,440 --> 00:31:44,693

The allinol is now heating to a boil,

470

00:31:44,819 --> 00:31:49,698

dramatically expanding, causing the
engine block to crack under the stress,

471

00:31:49,824 --> 00:31:52,242

forcing oil
into the combustion chamber.

472

00:31:52,326 --> 00:31:54,244

How about him? Did you talk to him?

473

00:31:55,663 --> 00:31:57,914

What do I care?

I can replace an engine block.

474

00:31:58,040 --> 00:32:01,334

You may be able to,
but after full impact of the pulse...

475

00:32:01,460 --> 00:32:04,921

unfortunately...

there will be nothing to replace.

476

00:32:05,548 --> 00:32:08,049

- How about him?

- Does he have it?

477

00:32:12,096 --> 00:32:14,097

That's him. He's the one.

478

00:32:14,515 --> 00:32:16,433

- Roger that, Professor Z.

- No!

479

00:32:16,517 --> 00:32:17,559

Yes, sir.

480

00:32:17,685 --> 00:32:21,563

We believe the infiltrator has passed

along sensitive information.

481

00:32:22,023 --> 00:32:24,858

I will take care of it
before any damage can be done.

482

00:32:26,360 --> 00:32:27,861

The project is still on schedule.

483

00:32:28,154 --> 00:32:31,531

You will find the second agent
and kill him.

484

00:32:42,209 --> 00:32:45,253

Japan, land of the rising sun,

485

00:32:45,338 --> 00:32:47,881

where ancient tradition
meets modern technology.

486

00:32:47,965 --> 00:32:51,551

Welcome to the inaugural running
of the World Grand Prix.

487

00:32:51,677 --> 00:32:53,929

I'm Brent Mustangburger
with racing legends

488

00:32:54,055 --> 00:32:56,139

Darrell Cartrip and David Hobbscap.

489

00:32:56,223 --> 00:32:58,516

There's never been a competition
like this before.

490

00:32:58,601 --> 00:33:01,144

First, allinol, making its debut tonight

491

00:33:01,228 --> 00:33:04,272

as the required fuel
for all these great champions.

492

00:33:04,357 --> 00:33:06,274

Second, the course itself.

493

00:33:06,359 --> 00:33:08,401

And it's like nothing
we've ever seen before.

494

00:33:08,653 --> 00:33:11,237

David, how exactly
does this competition work?

495

00:33:11,322 --> 00:33:15,575

All three of these street courses are
classic round-the-house racetracks.

496

00:33:15,701 --> 00:33:17,577

This means that the IMP
and formula cars

497

00:33:17,703 --> 00:33:20,121

should break out of the gate
in spectacular fashion.

498

00:33:20,206 --> 00:33:22,999

Look for Francesco Bernoulli,
in particular, to lead early.

499

00:33:23,125 --> 00:33:26,086

And with technical turns throughout,
GT and touring cars,

500

00:33:26,170 --> 00:33:28,588

like Spain's Miguel Camino,
should make up ground

501

00:33:28,714 --> 00:33:30,674

but I doubt it'll be enough
to stop Francesco

502

00:33:30,758 --> 00:33:33,593

from absolutely running away with it.

503

00:33:33,719 --> 00:33:35,261

Whoa now. Hold your horsepower.

504

00:33:35,346 --> 00:33:37,180

You forget the most important factor...

505

00:33:37,264 --> 00:33:39,182

that early dirt track section
of the course.

506

00:33:39,266 --> 00:33:42,227

The dirt is supposed to be
the equalizer in this race.

507

00:33:42,311 --> 00:33:44,521

French rally car
Raoul CaRoule

508

00:33:44,605 --> 00:33:46,690

is counting on a big boost
through there.

509

00:33:46,774 --> 00:33:48,733

And don't forget
Lightning McQueen.

510

00:33:48,818 --> 00:33:50,443

His mentor, the Hudson Hornet,

511

00:33:50,569 --> 00:33:53,196

was one of the greatest
dirt track racers of all time.

512

00:33:53,280 --> 00:33:56,992

In my opinion, McQueen is the best
all-around racer in this competition.

513

00:33:57,118 --> 00:33:59,452

Really, Darrell, you need
to clean your windshield.

514

00:33:59,578 --> 00:34:03,206

You're clearly not seeing this
Francesco's race to lose.

515

00:34:03,457 --> 00:34:06,584

- It's time to find out.
- The racers are locking into the grid.

516

00:34:13,801 --> 00:34:17,470

Speed. I am speed.

517

00:34:18,889 --> 00:34:20,348

Really? You are speed?

518

00:34:20,433 --> 00:34:23,393

Then Francesco is triple speed.

519

00:34:23,477 --> 00:34:27,188

Francesco is triple speed.

520

00:34:27,273 --> 00:34:29,941

Ho-ho! Francesco likes-a this McQueen.

521

00:34:30,026 --> 00:34:32,944

It's-a really getting him into the zone.

522

00:34:33,029 --> 00:34:35,989

He is so getting beat today.

523

00:35:05,728 --> 00:35:08,605

- Your suspension sets look good.

- Tire pressure is excellent!

524

00:35:08,689 --> 00:35:11,524

- He's got plenty of fuel.

- And he's awesome.

525

00:35:20,117 --> 00:35:23,620

- Why is he in the pits? He's so exposed.

- It's his cover.

526

00:35:23,704 --> 00:35:26,748

One of the best I've seen, too.

Look at the detail on that rust.

527

00:35:26,874 --> 00:35:28,249

It must have cost him a fortune.

528

00:35:28,334 --> 00:35:31,461

- But why hasn't he contacted us yet?

- There's probably heat on him.

529

00:35:31,545 --> 00:35:33,463

- Be patient.

- Right, of course.

530

00:35:33,547 --> 00:35:36,716

- He'll signal us when he can.
- Then we find out who's behind all this.

531

00:35:36,842 --> 00:35:41,304

As they head into the palace
hairpin, Francesco builds an early lead.

532

00:35:41,388 --> 00:35:43,890

- Hang on, boys.
- Here comes the dirt.

533

00:35:43,974 --> 00:35:45,558

Slipping and sliding, baby.

534

00:35:45,643 --> 00:35:47,894

McQueen,
it's time to make your move!

535

00:35:48,604 --> 00:35:50,772

Get on the outside
and show 'im what Doc taught you.

536

00:35:52,149 --> 00:35:53,358

10-4, Mater.

537

00:35:54,485 --> 00:35:57,403

Oh, boy! Francesco's brought
to a screeching halt!

538

00:35:57,488 --> 00:36:00,740

Lightning McQueen
is the first to take advantage.

539

00:36:01,158 --> 00:36:04,452

And just like that, folks,
Francesco's lead is left in the dust.

540

00:36:06,330 --> 00:36:08,331

- Nice call, Mater.
- Keep it up.

541

00:36:08,874 --> 00:36:10,708

Whoo-hoo!

542

00:36:10,960 --> 00:36:13,920

McQueen looks happier than a roll bar

at a demolition derby!

543

00:36:15,589 --> 00:36:18,716

Everyone's jostling for position
as we hit the asphalt again.

544

00:36:18,801 --> 00:36:21,386

Francesco lost a lot of momentum
in the dirt.

545

00:36:26,767 --> 00:36:30,687

He's got serious work ahead of
him if he wants to get back in this race.

546

00:36:30,771 --> 00:36:34,774

The racers hit the Rainbow
Bridge, with its 360-degree loop.

547

00:36:47,538 --> 00:36:49,747

- It is time.
- Roger that.

548

00:36:57,298 --> 00:36:59,716

- Oh!

- Miguel Camino has blown an engine!

549

00:36:59,800 --> 00:37:03,136

- Very unusual, Darrell.

- He's been so consistent all year.

550

00:37:04,805 --> 00:37:06,556

- You gotta be kidding me.

- What is it?

551

00:37:06,640 --> 00:37:08,892

- The tow truck from the bathroom.

- The bathroom?

552

00:37:08,976 --> 00:37:11,185

The one the American agent
passed the device to.

553

00:37:11,312 --> 00:37:13,646

- What about him?

- He's in the pits!

554

00:37:13,731 --> 00:37:15,315

Not for long.

555

00:37:17,443 --> 00:37:19,819

- Hold on. I think I've got something.

- What is it?

556

00:37:19,945 --> 00:37:21,154

The Pacer from the party last night.

557

00:37:21,989 --> 00:37:25,074

I'm cross-referencing with the photos
from the oil derricks.

558

00:37:25,159 --> 00:37:26,826

Yep. His VIN numbers match.

559

00:37:26,911 --> 00:37:28,828

- Anyone with him?

- He won't be alone.

560

00:37:29,747 --> 00:37:32,749

Conducting analysis on the target.

He's not the only one here.

561

00:37:32,833 --> 00:37:36,669

Three, five... They're everywhere.

And they're all closing in on...

562

00:37:37,087 --> 00:37:39,047

Oh, no! Finn? Finn, where are you?

563

00:37:39,173 --> 00:37:40,757

Get him out of the pits. Now!

564

00:37:41,008 --> 00:37:43,676

Wow! Some of them fellers

is really loud!

565

00:37:43,802 --> 00:37:46,179

- Can you hear me? Over.

- What?

566

00:37:46,263 --> 00:37:48,931

Get out of the pit now! Do you hear me?

567

00:37:49,016 --> 00:37:52,518

Hey. I know you! You're that girl
from the party last night.

568

00:37:52,603 --> 00:37:54,354

You wanna do our date now?

569

00:37:54,438 --> 00:37:57,398

Guys, too much chatter.
Let's keep this line clear.

570

00:37:57,483 --> 00:37:59,442

Smoke from number 10,
Clutchgoneski!

571

00:37:59,526 --> 00:38:00,693

Ha-ha-ha!

572

00:38:00,778 --> 00:38:03,863

There's no time for
messing about! Get out of the pits!

573

00:38:03,989 --> 00:38:07,408

Is there going to be cable where you is
so I can watch the rest of the race?

574

00:38:07,534 --> 00:38:10,703

- You're running out of time!
- They're coming. Get him out of there!

575

00:38:10,788 --> 00:38:13,081

I'm trying. Get out now.

576

00:38:13,207 --> 00:38:17,293

I usually like to have a proper detailin'
done before I meet a lady friend.

577

00:38:21,215 --> 00:38:22,215

Huh?

578

00:38:24,677 --> 00:38:27,679

- Finn McMissile! But you're dead!
- Then this shouldn't hurt.

579

00:38:40,275 --> 00:38:41,734

Miss Shiftwell?

580

00:38:41,819 --> 00:38:44,112

I've got him in the back alleys
east of the garages.

581

00:38:44,238 --> 00:38:46,572

Multiple assailants
are closing in quickly.

582

00:38:46,657 --> 00:38:48,658

Keep him moving. I'm on my way.

583

00:38:50,953 --> 00:38:52,995

Hey, new lady friend,
you like flowers?

584

00:38:53,080 --> 00:38:54,080

What?

585

00:38:54,164 --> 00:38:56,666

- No! Don't go in anywhere.

- Just keep moving.

586

00:38:56,750 --> 00:38:58,751

- Stay outside. Got you.

- Outside?

587

00:38:59,920 --> 00:39:02,046

Whoa! McQueen

suddenly moves to the outside.

588

00:39:04,508 --> 00:39:06,217

I cannot believe what I saw.

589

00:39:06,301 --> 00:39:09,137

That was a bonehead move
to open up the inside like that!

590

00:39:09,263 --> 00:39:11,180

That might have cost McQueen
the victory!

591

00:39:30,284 --> 00:39:32,952

This time, I'm going to make sure
you stay dead!

592

00:39:34,121 --> 00:39:36,539

- You're doing brilliantly.

- Now just stay focused.

593

00:39:36,623 --> 00:39:39,083

What's that? You want me
to head toward that ruckus?

594

00:39:39,168 --> 00:39:41,169

No! Don't go down that street.

595

00:39:46,467 --> 00:39:47,467

Ohh!

596

00:39:51,972 --> 00:39:53,014

Hi-yah!

597

00:39:53,265 --> 00:39:55,516

Wow! A live karate demonstration!

598

00:39:55,601 --> 00:39:57,935

Stop it, Mater. Just sign off.

599

00:40:00,647 --> 00:40:02,023

Aaargh!

600

00:40:05,110 --> 00:40:06,903

And here they come,
the two leaders.

601

00:40:06,987 --> 00:40:09,322

Bumper to bumper
as they approach the finish line!

602

00:40:15,370 --> 00:40:17,538

- It's close!
- Francesco's the winner!

603

00:40:17,623 --> 00:40:19,248

McQueen's number two.

604

00:40:21,543 --> 00:40:24,670

That was cool!
Can I get your autograph?

605

00:40:31,011 --> 00:40:32,428

Where'd he go?

606

00:40:32,554 --> 00:40:35,515

Our rendezvous has been
jeopardized. Keep the device safe.

607

00:40:35,599 --> 00:40:39,018

- We'll be in touch.
- Dad-gum, did I miss our date?

608

00:40:44,358 --> 00:40:46,025

- Francesco!
- Francesco, over here.

609

00:40:46,151 --> 00:40:47,652

What was your strategy today?

610

00:40:47,736 --> 00:40:50,530

Strategia?
Francesco needs-a no strategy.

611

00:40:50,614 --> 00:40:51,739

It's-a very simple.

612

00:40:51,865 --> 00:40:55,868

You start the race, wait for Lightning

McQueen to choke, pass him, then win.

613

00:40:55,994 --> 00:40:58,287

Francesco always-a wins. It's-a boring.

614

00:40:58,372 --> 00:41:00,665

You were in trouble

for a while.

615

00:41:00,749 --> 00:41:02,708

That dirt track section

had you crawling.

616

00:41:02,793 --> 00:41:08,005

To truly crush one's dream, you must

first raise their hopes very high.

617

00:41:09,383 --> 00:41:12,218

- Mater!

- Hey, McQueen! What happened?

618

00:41:12,302 --> 00:41:14,345

Is the race over? You won, right?

619

00:41:14,429 --> 00:41:16,806

Why were you yelling at me
while I was racing?

620

00:41:16,890 --> 00:41:20,810

Yelling? Oh, you thought...
That's funny right there.

621

00:41:20,894 --> 00:41:23,187

No, that's 'cause I seen
these two fellers doing

622

00:41:23,272 --> 00:41:25,356

some karate street performance.

623

00:41:25,440 --> 00:41:27,900

It was nutso.

One of 'em even had a flame-thrower.

624

00:41:28,026 --> 00:41:30,444

A flame-thrower?

What are you talking about?

625

00:41:30,571 --> 00:41:33,322

- I don't understand. Where were you?

- Going to meet my date.

626

00:41:33,407 --> 00:41:34,991

Your date?

627

00:41:35,075 --> 00:41:38,119

She started talkin' to me as a voice
in my head, tellin' me where to go.

628

00:41:38,245 --> 00:41:40,329

- What?

- Wait a minute.

629

00:41:40,414 --> 00:41:44,041

- I didn't screw ya up, did I?

- I lost the race because of you!

630

00:41:44,126 --> 00:41:46,627

Oh. I'm sorry. I didn't mean to.

631

00:41:46,712 --> 00:41:49,755

An imaginary girlfriend?

Flame-throwers?

632

00:41:49,840 --> 00:41:53,092

This is exactly why I don't bring you
along to these things.

633

00:41:53,218 --> 00:41:55,303

Maybe if I, I don't know,

634

00:41:55,429 --> 00:41:58,639

talk to somebody and explained
what happened, I could help.

635

00:41:58,724 --> 00:42:02,226

I don't need your help!

I don't want your help!

636

00:42:03,270 --> 00:42:05,104

Hey, there he is!

637

00:42:06,315 --> 00:42:09,650

- McQueen, you had it in the bag!

- Yeah! What happened?

638

00:42:09,735 --> 00:42:11,694

I made a mistake.

639

00:42:11,778 --> 00:42:14,822

But I can assure you,
it won't happen again.

640

00:42:17,659 --> 00:42:21,245

Look, we know what the problem is
and we've taken care of it.

641

00:42:23,123 --> 00:42:26,417

Lightning McQueen loses
in the last lap to Francesco Bernoulli

642

00:42:26,501 --> 00:42:28,961

in the first race of the World Grand Prix.

643

00:42:29,087 --> 00:42:31,839

And three - count 'em -

three cars flamed out

644

00:42:31,965 --> 00:42:35,468

leaving some to suggest that their fuel,

allinol, might be to blame.

645

00:42:35,761 --> 00:42:39,096

Allinol is safe. Alternative fuel is safe.

646

00:42:39,181 --> 00:42:42,642

There is no way my fuel

caused these cars to flame out.

647

00:42:42,726 --> 00:42:46,145

The jury may still be out on whether

allinol caused these accidents,

648

00:42:46,271 --> 00:42:47,563

but one thing's for sure,

649

00:42:47,689 --> 00:42:50,149

Lightning McQueen blew this race.

650

00:42:50,275 --> 00:42:52,860

Team McQueen

can't be happy right now.

651

00:43:01,745 --> 00:43:05,373

Welcome to

Tokyo International Airport.

652

00:43:23,975 --> 00:43:26,852

- Come with me, please, sir.

- But I'm 'onna miss my plane.

653

00:43:26,937 --> 00:43:29,730

- Right this way.

- Ah, doggone it.

654

00:43:29,815 --> 00:43:31,691

This is about my hook, ain't it?

655

00:43:31,775 --> 00:43:34,694

I know I should have checked it,
but I can't, really.

656

00:43:34,778 --> 00:43:37,238

Look. It's attached to me.

657

00:43:37,364 --> 00:43:40,700

Hey, I know you. You're that feller
from the karate demonstration.

658

00:43:40,784 --> 00:43:43,035

I never properly introduced myself.

659

00:43:43,161 --> 00:43:45,538

Finn McMissile. British Intelligence.

660

00:43:45,622 --> 00:43:48,499

Tow Mater. Average intelligence.

661

00:43:48,583 --> 00:43:51,210

Who are you with? FBI? CIA?

662

00:43:51,336 --> 00:43:54,338

Let's just say I'm AAA affiliated.

663

00:43:54,423 --> 00:43:56,632

I know some karate.

664

00:43:56,758 --> 00:44:00,261

I don't want to brag or nuttin',
but I got me a black fan belt.

665

00:44:00,387 --> 00:44:03,305

- Wanna see some moves I made up?
- You're being followed.

666

00:44:03,390 --> 00:44:06,267

This first one,
I can reach into a car's hood

667

00:44:06,393 --> 00:44:09,145

pull out his battery,
and show it to him before he stalls.

668

00:44:09,229 --> 00:44:13,357

I call it, "What I accidentally did
to my friend Luigi once. "

669

00:44:13,442 --> 00:44:15,151

Hey! Hi-yah-pah!

670

00:44:15,235 --> 00:44:17,236

- Hi-yah!

- There he is!

671

00:44:18,071 --> 00:44:20,072

Hi-hi-tah! Huh!

672

00:44:21,032 --> 00:44:23,784

Look, I probably ought to go.

I'm about to miss my flight.

673

00:44:23,869 --> 00:44:26,078

- Don't worry. I've taken care of that.

- Whoa!

674

00:44:26,204 --> 00:44:27,872

Hang on!

675

00:44:29,040 --> 00:44:31,208

Whoa-hah-hah!

676

00:44:31,293 --> 00:44:33,502

This is first-class service.

677

00:44:33,587 --> 00:44:36,213

You don't even have to go
through the terminal!

678

00:44:37,758 --> 00:44:39,842

Your karate partners is back there.

679

00:44:39,926 --> 00:44:42,136

They look like
they tryin' to catch up!

680

00:44:42,220 --> 00:44:44,722

Drive forward.

Whatever you do, don't stop!

681

00:44:47,392 --> 00:44:49,643

- Whoa!

- Whoa!

682

00:44:59,446 --> 00:45:01,447

Whoa...

683

00:45:07,954 --> 00:45:09,413

Is everything okay back there?

684

00:45:09,498 --> 00:45:11,582

Finn, it's Sid. I'm on approach.

685

00:45:11,666 --> 00:45:13,417

Roger that.

686

00:45:15,295 --> 00:45:18,464

'Member that whole thing about me
not stoppin' no matter what?

687

00:45:23,678 --> 00:45:25,137

I knew I shoulda done carry-on!

688

00:45:25,222 --> 00:45:27,223

Thanks, old boy.

689

00:45:27,307 --> 00:45:29,558

- You got it, mate.

- Hey, doggonit!

690

00:45:29,643 --> 00:45:31,560

Look, it's my imaginary girlfriend!

691

00:45:31,645 --> 00:45:33,229

Come on! Get in here!

692

00:45:33,313 --> 00:45:37,024

I tell you what, you really do
want this first date, don't ya?

693

00:45:37,108 --> 00:45:39,151

That's a no-quit attitude right there.

694

00:45:39,277 --> 00:45:40,653

What the...?

695

00:45:43,490 --> 00:45:45,658

- Aargh!

- Hold on, Sid.

696

00:45:55,293 --> 00:45:56,293

Aargh!

697

00:46:03,343 --> 00:46:05,469

Come on, Finn! It's now or never!

698

00:46:09,891 --> 00:46:11,892

Hold on!

699

00:46:13,937 --> 00:46:18,232

By the time you read this, I will
be safely on an airplane flying home.

700

00:46:18,859 --> 00:46:20,442

I'm so sorry for what I did.

701

00:46:20,569 --> 00:46:23,654

"I don't want to be
the cause of you losing any more races. "

702

00:46:23,738 --> 00:46:27,283

"I want you to go prove to the world
what I already know. "

703

00:46:27,367 --> 00:46:30,744

"That you are the greatest race car
in the whole wide world. "

704

00:46:30,871 --> 00:46:33,289

"Your best friend, Mater. "

705

00:46:33,373 --> 00:46:35,374

I didn't really want him to leave.

706

00:46:35,500 --> 00:46:37,793

Wait, there's more here.

707

00:46:37,919 --> 00:46:40,629

"PS. Please tell the hotel"

708

00:46:40,714 --> 00:46:42,923

"I didn't mean to order that movie. "

709

00:46:43,049 --> 00:46:47,678

"I thought it was just a preview
and I didn't realize I was paying for it. "

710

00:46:47,762 --> 00:46:50,931

"PPS. That's funny right there. PP."

711

00:46:51,016 --> 00:46:53,726

There are a few more pages
of PS's here.

712

00:46:53,810 --> 00:46:57,396

Well, at least I know
if he's at home, he'll be safe.

713

00:46:59,566 --> 00:47:01,483

That's how I like to start the day.

714

00:47:01,568 --> 00:47:04,236

You never feel more alive
than when you're almost dead.

715

00:47:04,321 --> 00:47:06,322

Yeah.

I hope that device didn't fall off.

716

00:47:06,406 --> 00:47:07,656

Whoa!

717

00:47:07,741 --> 00:47:10,409

That's the closest I ever been
to missin' my flight.

718

00:47:10,535 --> 00:47:12,119

That was... Oh!

719

00:47:12,829 --> 00:47:15,998

- Still in one piece? Great.

- I've got to go to a doctor.

720

00:47:16,124 --> 00:47:18,500

I get these sharp pains
in my undercarriage.

721

00:47:18,585 --> 00:47:21,754

- Downloading the photo now.
- Let me introduce you two.

722

00:47:21,838 --> 00:47:23,839

This here is Finn McSomethin'
or other.

723

00:47:23,924 --> 00:47:26,800

He's a first-class VIP
airport whatchamacallit.

724

00:47:27,510 --> 00:47:30,179

And, Finn, this here is my date.

725

00:47:30,263 --> 00:47:31,931

I never did get your name.

726

00:47:32,015 --> 00:47:34,767

Oh, yes, sorry. It's Shiftwell.

Holley Shiftwell.

727

00:47:34,851 --> 00:47:36,518

It's Shiftwell. Holley...

728

00:47:38,104 --> 00:47:40,940

Finally.

Time to see who's behind all this.

729

00:47:41,608 --> 00:47:43,442

What is this?

730

00:47:43,526 --> 00:47:46,195

That's one of the worst engines
ever made.

731

00:47:46,321 --> 00:47:50,991

It's an old aluminum V8 with a Lucas
electrical system and Whitworth bolts.

732

00:47:51,117 --> 00:47:54,328

Shoot, them Whitworth bolts is a pain,
tell you what.

733

00:47:54,412 --> 00:47:56,205

Them ain't metric, they ain't inches.

734

00:47:56,289 --> 00:47:58,958

Yes, OK, but whose engine is this?

735

00:47:59,042 --> 00:48:01,585

It's kinda hard to tell from this picture,
ain't it?

736

00:48:01,670 --> 00:48:03,253

- But you took it.

- Holley.

737

00:48:03,338 --> 00:48:05,339

Oh. Right! Yes, of course.

738

00:48:05,423 --> 00:48:08,550

A good agent gets what he can,
then gets out before he's killed.

739

00:48:08,635 --> 00:48:11,720

Agent? You mean, like,
insurance agent? Like...

740

00:48:11,805 --> 00:48:16,183

Like a good neighbor,
Mater is there!

741

00:48:16,434 --> 00:48:19,478

Wait! You mean secret agents!
You guys is spies!

742

00:48:19,562 --> 00:48:22,648

In how many makes and models
did this type of engine appear?

743

00:48:22,774 --> 00:48:26,318

It was standard in seven models
over a 12-year period.

744

00:48:26,403 --> 00:48:29,780

At least 35,000 cars were made
with this engine.

745

00:48:29,864 --> 00:48:32,074

- You're purty.

- Yes, thank you.

746

00:48:32,200 --> 00:48:35,369

- And so nice.

- Just pay attention.

747

00:48:35,870 --> 00:48:37,871

This seems like a dead end.

748

00:48:38,790 --> 00:48:42,584

If there was something in the photo that
could narrow this down, I'd be happier.

749

00:48:42,669 --> 00:48:45,421

You might not be happy,
but I bet this feller is.

750

00:48:45,505 --> 00:48:47,840

See how he's had most of his parts
replaced?

751

00:48:47,924 --> 00:48:49,800

And see all them boxes over there?

752

00:48:49,884 --> 00:48:52,928

Them's all original parts.
They ain't easy to come by.

753

00:48:54,013 --> 00:48:55,889

- Rare parts?
- That's something we can track.

754

00:48:56,015 --> 00:48:57,599

Exactly.

755

00:48:57,684 --> 00:49:00,519

Well done, Mater.
I would never have seen that.

756

00:49:00,603 --> 00:49:04,314

I know of a black-market parts dealer
in Paris, a treacherous lowlife,

757

00:49:04,399 --> 00:49:07,985

but he's the only car in the world
who can tell us whose engine this is.

758

00:49:08,069 --> 00:49:11,739

What would you say to setting up
an informal task force on this one?

759

00:49:11,865 --> 00:49:12,906

Wait. What?

760

00:49:13,032 --> 00:49:15,200

You obviously have experience
in the field.

761

00:49:15,285 --> 00:49:17,536

Yeah, I live right next to one.

762

00:49:18,079 --> 00:49:19,663

I don't know.

763

00:49:19,748 --> 00:49:22,624

I ain't exactly been much help
to anybody recently.

764

00:49:22,709 --> 00:49:24,835

You're helping me.

Please, Mater.

765

00:49:25,420 --> 00:49:27,045

Well... Okay.

766

00:49:27,130 --> 00:49:29,298

But you know

I'm just a tow truck, right?

767

00:49:29,382 --> 00:49:32,676

Right. And I'm just

in the import-export business.

768

00:49:32,844 --> 00:49:34,470

- Siddeley?

- Yes, Finn?

769

00:49:34,554 --> 00:49:36,013

Paris. Tout de suite.

770

00:49:36,097 --> 00:49:38,682

Yeah, two of them sweets for me,
too, Sid.

771

00:49:38,767 --> 00:49:40,726

I always wanted to be a spy.

772

00:49:40,852 --> 00:49:42,478

Really? Me, too.

773

00:49:42,562 --> 00:49:45,564

- Afterburners, sir?

- Is there any other way?

774

00:50:06,169 --> 00:50:07,503

Ha ha ha!

775

00:50:16,262 --> 00:50:18,180

Once we're inside, stay close.

776

00:50:18,306 --> 00:50:21,600

Don't bother checking VIN numbers.

They're all dodgy here.

777

00:50:21,726 --> 00:50:22,976

Got it.

778

00:50:23,102 --> 00:50:25,020

Don't talk to anyone,

don't look at anyone,

779

00:50:25,104 --> 00:50:27,981

and absolutely, positively no idling.

Are we clear?

780

00:50:28,107 --> 00:50:29,942

Yes. No idling. Yes, sir.

781

00:50:30,777 --> 00:50:32,694

- Mater?

- Yeah, Finn?

782

00:50:32,779 --> 00:50:35,948

- We're not here to go shopping.

- Shoppin'? What do you mean?

783

00:50:36,032 --> 00:50:37,908

Why would I...

784

00:50:37,992 --> 00:50:39,535

Dad-gum.

785

00:50:39,619 --> 00:50:42,621

- Part for sales, monsieur.

- Monsieur, part for sale.

786

00:50:42,705 --> 00:50:44,623

They got everything here. No!

787

00:50:44,749 --> 00:50:47,084

Look at them hoods!

I could use a hood.

788

00:50:47,168 --> 00:50:48,877

Sorry, fellers. I gotta go!

789

00:50:51,005 --> 00:50:53,799

Wow. Whoa. He-he!

790

00:50:54,425 --> 00:50:56,426

Do what?

791

00:50:57,428 --> 00:51:00,138

Excuse me. What are you selling?

792

00:51:00,306 --> 00:51:02,015

Headlights, monsieur, headlights?

793

00:51:02,141 --> 00:51:03,892

- What in the...?

- Two for one.

794

00:51:03,977 --> 00:51:05,602

- I give you good price!

- I'm good!

795

00:51:10,483 --> 00:51:13,735

- There you are.

- There is some great bargains here.

796

00:51:13,820 --> 00:51:15,821

- Mater, get back!

- Imbecile!

797

00:51:23,037 --> 00:51:24,413

Hey, wait for me!

798

00:51:41,514 --> 00:51:42,598

Ahhhhhhh!

799

00:51:47,645 --> 00:51:49,146

Ag-g-g-h!

800

00:51:49,230 --> 00:51:51,481

- Have you lost your mind?

- But I thought...

801

00:51:51,566 --> 00:51:53,609

This chap needs a tow.

Hook him up.

802

00:51:53,693 --> 00:51:55,694

Sure thing.

803

00:51:56,279 --> 00:51:59,197

You rusty piece of junk!

Get your dirty hook off me!

804

00:52:07,707 --> 00:52:09,625

Electroshock! Are you kidding me?

805

00:52:09,709 --> 00:52:13,587

This is her first field assignment. She
didn't know you were my informant.

806

00:52:13,671 --> 00:52:15,672

- Informant?

- A rookie, huh?

807

00:52:16,007 --> 00:52:17,591

I never liked new car smell.

808

00:52:18,593 --> 00:52:21,470

Tomber was doing 20-to-life
in a Moroccan impound

809

00:52:21,554 --> 00:52:24,431

the first time I saved him,
if I recall correctly.

810

00:52:24,557 --> 00:52:28,185

Speaking of recalls, you're getting up
there in mileage, aren't you?

811

00:52:28,269 --> 00:52:31,271

All right, we get it. You both know
each other, you're both old.

812

00:52:31,397 --> 00:52:34,274

So, here you go, informant.
Inform us.

813

00:52:35,234 --> 00:52:37,569

Beuck!

That is the worst motor ever made.

814

00:52:38,613 --> 00:52:41,949

Wait. That oil filter.

Those wheel bearings.

815

00:52:42,075 --> 00:52:44,117

Do those parts look familiar, Tomber?

816

00:52:44,243 --> 00:52:46,203

They should. I sold them.

817

00:52:46,287 --> 00:52:47,788

- To whom?

- No idea.

818

00:52:47,914 --> 00:52:51,333

He's my best customer, but he always
does his business over the phone.

819

00:52:51,709 --> 00:52:54,836

I was always wondering
why he needs so many parts.

820

00:52:54,921 --> 00:52:56,171

Now I know.

821

00:52:56,422 --> 00:52:58,840

A lemon needs parts.

Ain't nothin' truer than that.

822

00:52:58,967 --> 00:53:02,010

- Lemon?

- Yeah. Cars that don't ever work right.

823

00:53:02,095 --> 00:53:04,179

Lemons is a tow truck's

bread and butter.

824

00:53:04,263 --> 00:53:07,099

Like 'em Gremlins and Pacers

we run into at the party

825

00:53:07,183 --> 00:53:08,767

and the race and the airport.

826

00:53:08,851 --> 00:53:10,852

Pull up the pictures
from the oil platform.

827

00:53:10,937 --> 00:53:13,355

I want to know what other type of cars
were out there.

828

00:53:13,439 --> 00:53:17,150

Right. Let's see.
There were Hugos and Trunkovs.

829

00:53:17,276 --> 00:53:18,944

Are these cars considered lemons?

830

00:53:19,112 --> 00:53:20,988

Is the Popemobile Catholic?

831

00:53:21,072 --> 00:53:25,033

Everyone involved in this plot
is one of history's biggest loser cars.

832

00:53:25,118 --> 00:53:28,203

And they're all taking their orders
from the car behind this engine.

833

00:53:28,663 --> 00:53:31,206

- Ah. This explains it.

- What, Tomber?

834

00:53:31,374 --> 00:53:34,876

Gremlin, Pacer, Hugo
and Trunkov never get together,

835

00:53:34,961 --> 00:53:37,546

but they are having a secret meeting
in two days.

836

00:53:37,630 --> 00:53:40,799

- Where's this meeting taking place?

- Porto Corsa, Italy.

837

00:53:40,883 --> 00:53:42,509

That's where the next race is!

838

00:53:42,635 --> 00:53:45,387

There's a good chance
our mystery engine will be there, too.

839

00:53:45,471 --> 00:53:47,431

Your chances are more than good.

840

00:53:47,515 --> 00:53:51,143

I just sent him a new clutch assembly
yesterday. To Porto Corsa.

841

00:53:51,728 --> 00:53:54,771

Contact Stevenson
and have him meet us at Gare de Lyon.

842

00:53:54,856 --> 00:53:56,189

Good work.

843

00:54:01,154 --> 00:54:05,073

That three-wheeled feller
had to be right about a big meetin'.

844

00:54:05,158 --> 00:54:08,618

You never see this many lemons
in one town.

845

00:54:09,245 --> 00:54:11,079

'Less there's a swap meet.

846

00:54:11,164 --> 00:54:12,914

How'd you get all them pictures?

847

00:54:13,041 --> 00:54:16,710

I reprogrammed Porto Corsa's red light
cameras to do recognition scans.

848

00:54:17,295 --> 00:54:21,840

Wow. Not only is you the purtiest car
I ever met, but you're the smartest, too.

849

00:54:21,924 --> 00:54:23,842

Thank you... I think.

850

00:54:23,926 --> 00:54:27,471

- That's a familiar sight.

- A Hugo being towed.

851

00:54:27,555 --> 00:54:29,347

But he looks absolutely perfect!

852

00:54:29,474 --> 00:54:32,476

Of course! They must be the heads
of the lemon families.

853

00:54:32,560 --> 00:54:35,479

Makes sense. If I was rich
and broke down every day,

854

00:54:35,563 --> 00:54:37,898

I'd hire me to tow me
around all the time, too!

855

00:54:37,982 --> 00:54:41,902

We've got to infiltrate that meeting
to find out who's behind all this.

856

00:54:41,986 --> 00:54:44,488

- Hang on a minute. Hold still.

- Ow!

857

00:54:50,745 --> 00:54:52,746

Ah-ha. Good job, Miss Shiftwell.

858

00:54:52,914 --> 00:54:54,164

Thank you, Finn.

859

00:54:54,248 --> 00:54:56,083

Boy, I sure wish my friends
could see me now.

860

00:55:02,548 --> 00:55:04,966

Guido,
your eyes do not deceive you.

861

00:55:05,051 --> 00:55:08,095

We are in Italy. We are home.

862

00:55:08,513 --> 00:55:11,389

Hey, Luigi.
Which way to the hotel, man?

863

00:55:11,516 --> 00:55:15,685

What? No friend of mine
will stay in a hotel in-a my village.

864

00:55:15,770 --> 00:55:19,564

You will stay with my...
Uncle Topolino-o-o-o!

865

00:55:19,732 --> 00:55:22,484

Luigi! Guido!

866

00:55:32,745 --> 00:55:34,621

How do they do it?

867

00:55:34,747 --> 00:55:38,041

These are the same ingredients
as back home, but it tastes so good.

868

00:55:38,126 --> 00:55:40,961

- It's organic, man.
- Treehugger.

869

00:55:43,965 --> 00:55:45,841

Hey, race car.

870

00:55:45,925 --> 00:55:47,884

You look so down, so low.

871

00:55:47,969 --> 00:55:49,886

Is like you have flat tires.

872

00:55:54,433 --> 00:55:56,143

She said you look like you are starving,

873

00:55:56,269 --> 00:55:58,770

that she's gonna make you a big meal
and fatten you up.

874

00:55:58,855 --> 00:56:00,021

Oh, no.

875

00:56:00,106 --> 00:56:03,108

Mama Topolino, please,
you don't need to make a fuss.

876

00:56:03,651 --> 00:56:05,360

Capisco. I understand.

877

00:56:05,444 --> 00:56:08,280

Is a problem, yes,
between you and a friend?

878

00:56:08,656 --> 00:56:09,823

How did you know that?

879

00:56:09,907 --> 00:56:13,118

A wise car hears one word
and understands two.

880

00:56:14,620 --> 00:56:15,704

That, and Luigi told me.

881

00:56:17,290 --> 00:56:19,958

While Mama cooks,
come and take a stroll with me.

882

00:56:20,042 --> 00:56:22,377

I brought my friend Mater along

on the trip

883

00:56:22,461 --> 00:56:24,713

and I told him he needed
to act different,

884

00:56:24,797 --> 00:56:26,381

that we weren't in Radiator Springs.

885

00:56:26,465 --> 00:56:28,466

This Mater is a close friend?

886

00:56:28,885 --> 00:56:30,635

He's my best friend.

887

00:56:30,720 --> 00:56:33,180

Then why would you ask him to be
someone else?

888

00:56:37,977 --> 00:56:39,561

What did I do?

889

00:56:39,645 --> 00:56:41,605

I said some things during our fight.

890

00:56:41,689 --> 00:56:44,733

You know, back when Guido and Luigi
used to work for me,

891

00:56:44,817 --> 00:56:47,694

they would fight over everything.

892

00:56:48,154 --> 00:56:51,531

They fight over what Ferrari
was the best Ferrari,

893

00:56:51,782 --> 00:56:54,492

which one of them looked
more like a Ferrari.

894

00:56:54,577 --> 00:56:56,995

There were even
some non-Ferrari fights.

895

00:56:57,955 --> 00:57:00,582

So I tell them, "Va bene,
it's OK to fight. "

896

00:57:01,167 --> 00:57:04,920

"Everybody fights now and then,
especially best friends. "

897

00:57:05,796 --> 00:57:07,547

"But you got to make up fast. "

898

00:57:07,673 --> 00:57:10,217

"No fight more important
than friendship. "

899

00:57:19,185 --> 00:57:23,605

- What does that mean?

- Whoever find a friend, find a treasure.

900

00:57:23,731 --> 00:57:25,690

Now, mangia. Eat!

901

00:57:37,370 --> 00:57:39,454

Finn, one hour to Porto Corsa.

902

00:57:39,538 --> 00:57:41,289

Thank you, Stevenson.

903

00:57:41,374 --> 00:57:43,708

- That should just about do it.

- Perfect.

904

00:57:43,793 --> 00:57:46,461

So, Mater, it's voice-activated.

905

00:57:46,545 --> 00:57:49,339

But everything's voice-activated
these days.

906

00:57:49,423 --> 00:57:52,759

What? I thought you was supposed
to be makin' me a disguise.

907

00:57:52,843 --> 00:57:55,595

- Voice recognized.

- Disguise program initiated.

908

00:57:56,222 --> 00:57:57,305

Cool!

909

00:57:57,390 --> 00:57:59,391

Computer, make me a German truck.

910

00:57:59,558 --> 00:58:02,602

- Request acknowledged.

- Check it out! I'm wearing Materhosen.

911

00:58:02,728 --> 00:58:03,853

Make me a monster truck!

912

00:58:03,938 --> 00:58:05,855

- Request acknowledged.

- What the...?

913

00:58:05,940 --> 00:58:08,233

I want to siphon your gas!

914

00:58:09,068 --> 00:58:11,319

- Now make me a taco truck!

- Request acknowledged.

915

00:58:13,447 --> 00:58:15,907

- A funny car!

- Request acknowledged.

916

00:58:18,160 --> 00:58:21,204

The idea is to keep a low profile, Mater.

917

00:58:21,289 --> 00:58:23,581

So I just go in, pretend to be this truck.

918

00:58:23,666 --> 00:58:26,459

- And leave the rest to us.

- Now, hold still.

919

00:58:26,585 --> 00:58:28,420

I have to do the final fitting
on your disguise.

920

00:58:32,591 --> 00:58:34,592

That's no good. Hm.

921

00:58:37,596 --> 00:58:39,097

Hey. What are you doin'?

922

00:58:39,223 --> 00:58:43,101

The disguise won't calibrate effectively
without a smooth surface to graft onto.

923

00:58:43,185 --> 00:58:46,104

For a second there, I thought
you was tryin' to fix my dents.

924

00:58:46,188 --> 00:58:48,565

- Yes, I was.

- Then, no, thank you.

925

00:58:48,649 --> 00:58:52,527

I don't get them dents buffed,
pulled, filled or painted by nobody.

926

00:58:53,654 --> 00:58:56,031

- They way too valuable.

- Your dents are valuable? Really?

927

00:58:56,115 --> 00:59:00,201

I come by each one of 'em with
my best friend, Lightning McQueen.

928

00:59:00,286 --> 00:59:03,830

I don't fix these.
I wanna remember these dents forever.

929

00:59:03,956 --> 00:59:09,294

So, you were being serious in Paris?
McQueen isn't just part of your cover.

930

00:59:09,420 --> 00:59:12,380

Friendships can be dangerous
in our line of work, Mater.

931

00:59:12,465 --> 00:59:14,507

But my line of work
is towin' and salvage.

932

00:59:14,633 --> 00:59:17,677

Right. And Miss Shiftwell's
is designing iPhone apps.

933

00:59:17,803 --> 00:59:21,139

- No, I meant for real.

- It's OK. I'll work around the dent.

934

00:59:21,265 --> 00:59:23,683

- Oh...

- In the meantime...

935

00:59:25,561 --> 00:59:27,520

.. you look a little light on weapons.

936

00:59:36,113 --> 00:59:38,865

You are looking live

at beautiful

937

00:59:38,949 --> 00:59:41,284

Porto Corsa, Italy,

on the Italian Riviera.

938

00:59:41,369 --> 00:59:46,414

What a magnificent setting for the
second race of the World Grand Prix!

939

00:59:46,499 --> 00:59:49,376

Brent, they call this place
the "Gem of the Riviera,"

940

00:59:49,460 --> 00:59:51,086

and it's easy to see why.

941

00:59:51,170 --> 00:59:53,922

With its secluded beaches
and opulent casinos,

942

00:59:54,006 --> 00:59:56,841

Porto Corsa truly is a playground
for the wealthy.

943

00:59:56,926 --> 00:59:59,177

And everyone who's anyone
is here today,

944

01:00:00,012 --> 01:00:02,055

from the ultra-rich and super-famous

945

01:00:02,139 --> 01:00:04,516

to world leaders

and important dignitaries.

946

01:00:04,600 --> 01:00:06,351

You aren't kidding, David.

947

01:00:06,477 --> 01:00:09,729

You can't do a three-point turn

without bumping into some celebrity.

948

01:00:09,855 --> 01:00:12,315

Welcome, everyone, to the second race

of the World Grand Prix,

949

01:00:13,359 --> 01:00:15,860

where the big news

continues to be allinol.

950

01:00:15,945 --> 01:00:18,780

Sir Miles Axlerod spoke to the press

earlier today

951

01:00:18,864 --> 01:00:21,116

to answer questions about its safety.

952

01:00:21,200 --> 01:00:23,910

An independent panel of scientists
has determined

953

01:00:23,994 --> 01:00:26,037

that allinol is completely safe, okay?

954

01:00:26,122 --> 01:00:27,622

Safe. There it is.

955

01:00:27,748 --> 01:00:29,374

So the race will go on, folks.

956

01:00:29,500 --> 01:00:31,209

But the question everyone is asking:

957

01:00:31,544 --> 01:00:34,003

Will the real

Lightning McQueen show up today?

958

01:00:34,088 --> 01:00:37,132

- He'd better.

- Talk about a home track advantage.

959

01:00:37,216 --> 01:00:40,093

Francesco Bernoulli

grew up racing on this course.

960

01:00:40,219 --> 01:00:45,098

Signore e signori, in the

pole position, Numero Uno, Francesco!

961

01:00:45,182 --> 01:00:48,309

Bellissima!

Thank you for your support!

962

01:00:48,394 --> 01:00:50,353

And your big mistake, McQueen!

963

01:00:50,438 --> 01:00:52,939

In secondo position,

964

01:00:53,524 --> 01:00:57,652

numero 95, Lightning-a McQueen-a!

965

01:00:58,237 --> 01:01:00,196

McQueen-a, is-a everything OK?

966

01:01:00,322 --> 01:01:04,159

If you're worried about your fuel, man,
don't. It's perfectly safe.

967

01:01:04,243 --> 01:01:07,745

No, guys,
I just really wish Mater were here.

968

01:01:07,830 --> 01:01:09,789

Francesco understands, McQueen.

969

01:01:09,874 --> 01:01:11,833

Oh, great, here it comes.

970

01:01:11,917 --> 01:01:13,877

What do you got, Francesco?

971

01:01:13,961 --> 01:01:17,255

For famous race cars like Francesco
and, well, you,

972

01:01:17,381 --> 01:01:20,341

to be far away from home is not easy.

973

01:01:20,426 --> 01:01:23,553

I think you forgot
the insulting part of that insult.

974

01:01:23,637 --> 01:01:25,180

Is-a no insult.

975

01:01:25,264 --> 01:01:28,266

When-a Francesco is away from home,
he misses his mama,

976

01:01:28,350 --> 01:01:31,186

just like-a you miss
your tow truck amico.

977

01:01:31,270 --> 01:01:34,272

Gee, I maybe misjudged you,
because that's exactly...

978

01:01:34,398 --> 01:01:38,568

Of course, I am at home,
and my mama is right here.

979

01:01:38,652 --> 01:01:40,528

Mama!

980

01:01:40,613 --> 01:01:44,699

Don't worry, Mama,
McQueen is very sad.

981

01:01:44,825 --> 01:01:47,202

I will beat his cry-baby bottom today!

982

01:01:47,286 --> 01:01:51,372

And there's the insult we were missing.

983

01:02:07,515 --> 01:02:09,974

Darrell, the racers
are settling in as they head

984

01:02:10,059 --> 01:02:11,392
to the Italian countryside.

985

01:02:11,477 --> 01:02:13,394
Whoo, boy!

986

01:02:13,479 --> 01:02:16,064
This is gonna be a great race.

987

01:02:28,327 --> 01:02:31,246
Gremlins.
Man, those are some ugly cars.

988

01:02:31,330 --> 01:02:33,414
Look like someone stole their trunks.

989

01:02:38,337 --> 01:02:40,630
My grand-a father has-a broken down.

990

01:02:40,714 --> 01:02:44,551

If-a one of-a you would help,
I would be so thankful.

991

01:02:44,677 --> 01:02:47,679

Sounds like you need
some roadside assistance.

992

01:02:47,763 --> 01:02:50,014

- She was talking to me.
- Really? Prove it.

993

01:02:50,099 --> 01:02:52,058

Don't-a fight over me.

994

01:02:52,142 --> 01:02:55,019

SignoreTow Truck, per favore.

995

01:02:55,104 --> 01:02:58,022

Get ready, Mater.
You're on any moment now.

996

01:02:59,525 --> 01:03:02,277

I don't know about this.

What if I screw things up?

997

01:03:02,361 --> 01:03:03,903

Impossible.

998

01:03:03,988 --> 01:03:05,989

Just apply the same level of dedication

999

01:03:06,115 --> 01:03:09,576

you've been using to play

the idiot tow truck, and you'll be fine.

1000

01:03:09,702 --> 01:03:13,955

It's just that them guys look purty tough

and... Wait, did you say "idiot"?

1001

01:03:14,081 --> 01:03:17,125

- Is that how you see me?

- That's how everyone sees you.

1002

01:03:17,209 --> 01:03:18,626

Isn't that the idea?

1003

01:03:18,711 --> 01:03:20,670

I tell you, that's the genius of it.

1004

01:03:20,754 --> 01:03:22,797

No one realizes they're being fooled

1005

01:03:22,923 --> 01:03:25,508

because they're too busy laughing
at the fool.

1006

01:03:25,593 --> 01:03:27,135

Brilliant!

1007

01:03:30,222 --> 01:03:32,307

- Why aren't you in disguise?

- I er...

1008

01:03:32,391 --> 01:03:35,268

- Come on! There's no time! Go!

- OK. OK.

1009

01:03:35,728 --> 01:03:38,396

- Computer, disguise!

- Request acknowledged.

1010

01:03:43,694 --> 01:03:46,487

It's the boss. He's coming.

1011

01:03:52,369 --> 01:03:53,411

Ivan.

1012

01:03:54,413 --> 01:03:56,039

Oh, er...

1013

01:03:56,123 --> 01:04:00,585

Ivan, why do you insult me so
by making me wait here?

1014

01:04:09,011 --> 01:04:10,428

He's in.

1015

01:04:12,931 --> 01:04:15,600

The racers are now
making their way around the hairpin

1016

01:04:15,726 --> 01:04:18,436

and headed downhill
toward the casino bridge.

1017

01:04:34,828 --> 01:04:36,454

No more bets, please.

1018

01:04:36,538 --> 01:04:38,081

Come on, fuzzy dice!

1019

01:04:38,165 --> 01:04:40,124

- Number four. Easy four.

- Yeah!

1020

01:04:40,209 --> 01:04:42,168

Air freshener. Antenna balls.

1021

01:04:42,252 --> 01:04:44,045

Spark-a plugs.

1022

01:04:44,129 --> 01:04:46,547

This place looks like
it's made outta gold!

1023

01:04:46,632 --> 01:04:49,884

- That's because it is.
- Now, be careful what you say.

1024

01:04:50,010 --> 01:04:51,969

Why is that?

1025

01:04:52,054 --> 01:04:54,013

What do you mean, "Don't talk to ya"?

1026

01:04:54,098 --> 01:04:56,474

You want me to stop talkin' to ya
right now?

1027

01:04:56,600 --> 01:04:58,559

You are acting strange today, Ivan.

1028

01:04:59,353 --> 01:05:02,230

I have no idea
what you're talking about,

1029

01:05:02,314 --> 01:05:05,566

"Alexander Hugo, aka Chop Shop Alex. "

1030

01:05:05,651 --> 01:05:07,568

You got a lot of aka's, Alex.

1031

01:05:07,653 --> 01:05:11,697

But that makes sense, seein's how
you's wanted in France, Germany...

1032

01:05:11,824 --> 01:05:13,157

Mater, stop it!

1033

01:05:13,242 --> 01:05:15,201

OK, OK, keep your voice down!

1034

01:05:15,285 --> 01:05:17,245

You gonna make me arrested!

1035

01:05:17,329 --> 01:05:19,831

Don't mess with Ivan today.

He's in a bad mood.

1036

01:05:19,915 --> 01:05:21,666

He's so good!

1037

01:05:23,168 --> 01:05:24,669

Victor!

1038

01:05:25,671 --> 01:05:27,380

Hey, Victor!

1039

01:05:27,673 --> 01:05:29,424

- There you are!

- Come in!

1040

01:05:29,508 --> 01:05:33,636

Victor Hugo, I'm J Curby Gremlin.

From Detroit.

1041

01:05:33,720 --> 01:05:35,513

It's good to see you.

1042

01:05:35,597 --> 01:05:37,390

Is the big boss here yet?

1043

01:05:37,516 --> 01:05:40,643

- No, not yet.

- He's supposed to be here any minute.

1044

01:05:44,523 --> 01:05:46,524

Here we go.

1045

01:05:48,861 --> 01:05:50,236

Guten Tag.

1046

01:05:50,320 --> 01:05:52,321

It's just the professor.

1047

01:05:52,406 --> 01:05:54,031

Zundapp! When is he coming?

1048

01:05:54,116 --> 01:05:56,033

He's already here.

1049

01:05:58,203 --> 01:06:00,455

Welcome, everyone.

1050

01:06:00,706 --> 01:06:03,749

I wish I could be with you
on this very special day,

1051

01:06:03,876 --> 01:06:05,877

but my clutch assembly broke.

1052

01:06:05,961 --> 01:06:08,087

- You know how it is.

- Forget about it.

1053

01:06:08,172 --> 01:06:09,797

We know how you feel.

1054

01:06:09,882 --> 01:06:12,091

- Descramble that voice.

- I'm trying.

1055

01:06:12,176 --> 01:06:14,302

Oh, it's too sophisticated.

1056

01:06:14,386 --> 01:06:16,387

We are here to celebrate.

1057

01:06:16,889 --> 01:06:18,890

Today, all your hard work pays off.

1058

01:06:19,975 --> 01:06:22,685

The world turned their backs
on cars like us.

1059

01:06:22,769 --> 01:06:26,230

They stopped manufacturing us,
stopped making our parts.

1060

01:06:26,315 --> 01:06:30,776

The only thing they haven't stopped
doing is laughing at us.

1061

01:06:31,528 --> 01:06:35,865

Jalopy, rust bucket, heap,

1062

01:06:36,408 --> 01:06:40,119

clunker, junker, beater,
wreck, rattletrap,

1063

01:06:41,455 --> 01:06:42,747

lemon.

1064

01:06:42,873 --> 01:06:46,209

But their insults just give us strength.

1065

01:06:46,293 --> 01:06:51,506

Because today, my friends,
that all ends!

1066

01:06:52,674 --> 01:06:54,759

There's smoke
on the casino bridge!

1067

01:06:54,885 --> 01:06:55,885

Oh, no!

1068

01:06:55,969 --> 01:06:57,595

It's Carla Veloso, the Brazilian race car!

1069

01:07:02,601 --> 01:07:04,477

- What just happened?

- I'm working on it.

1070

01:07:06,438 --> 01:07:10,274

They laughed at us,

but now it's our turn to laugh back.

1071

01:07:12,611 --> 01:07:15,613

- Another crash!

- It's number 9, Nigel Gearsley.

1072

01:07:16,281 --> 01:07:17,990

Embrace your inner lemon.

1073

01:07:18,075 --> 01:07:19,700

Let it drive you.

1074

01:07:19,785 --> 01:07:23,246

I'm detecting an extremely strong
electromagnetic pulse.

1075

01:07:27,167 --> 01:07:29,043

- Finn, it's the camera.

- Where?

1076

01:07:29,169 --> 01:07:30,962

On the tower!

1077

01:07:33,340 --> 01:07:37,343

This was meant to

be alternative fuel's greatest moment.

1078

01:07:37,427 --> 01:07:41,264

But after today,

everyone will race back to gasoline.

1079

01:07:41,348 --> 01:07:44,809

And we, the owners of the world's

largest untapped oil reserve

1080

01:07:46,395 --> 01:07:48,604

will become the most powerful cars

in the world!

1081

01:07:49,189 --> 01:07:50,731

Get out of the way!

1082

01:08:25,934 --> 01:08:30,021

They will come to us, and they will have
no choice, because they will need us.

1083

01:08:37,321 --> 01:08:38,696

Huh? Whoa!

1084

01:08:39,531 --> 01:08:41,532

We figured you might stop by!

1085

01:08:44,244 --> 01:08:46,871

And they will finally respect us!

1086

01:08:46,997 --> 01:08:48,998

So hold your hoods high!

1087

01:08:49,291 --> 01:08:52,335

After today, you will never again
be ashamed of who you are!

1088

01:08:53,712 --> 01:08:55,087

No!

1089

01:08:55,213 --> 01:08:57,381

Long live lemons!

1090

01:08:58,508 --> 01:09:00,885

- Number 7 is loose!

- Shu Todoroki!

1091

01:09:24,826 --> 01:09:26,077

Finn?

1092

01:09:26,912 --> 01:09:29,538

Bumper to bumper

as they approach the finish line!

1093

01:09:29,623 --> 01:09:31,665

McQueen's the winner!

Francesco's second!

1094

01:09:31,750 --> 01:09:33,709

They have no idea

what happened behind them.

1095

01:09:34,002 --> 01:09:35,669

This is impossible!

1096

01:09:35,754 --> 01:09:37,671

That's what I'm talking about! Ka-chow!

1097

01:09:37,756 --> 01:09:39,548

What happened?

1098

01:09:39,716 --> 01:09:42,426

- Where are all the other cars?

- What is going on?

1099

01:09:43,261 --> 01:09:44,428

Oh, no!

1100

01:09:50,310 --> 01:09:53,938

Sir Axlerod, is the final race in London

still going to take place?

1101

01:09:54,064 --> 01:09:55,981

I suppose that...

1102

01:09:56,108 --> 01:09:59,360

The show must go on,
as they say.

1103

01:09:59,444 --> 01:10:01,529

I can't believe this is really happening!

1104

01:10:01,613 --> 01:10:02,696

Quiet!

1105

01:10:02,781 --> 01:10:05,825

Will you require all the racers
to still run on allinol?

1106

01:10:05,951 --> 01:10:10,788

I cannot, in good conscience, continue
to risk the lives of any more race cars.

1107

01:10:11,415 --> 01:10:14,708

The final race will not be run on allinol.

1108

01:10:14,960 --> 01:10:17,962

There you have it, a clearly devastated
Sir Miles Axlerod

1109

01:10:18,088 --> 01:10:22,216

announcing that he will not require
the cars to use allinol for the final race.

1110

01:10:22,342 --> 01:10:23,676

A toast!

1111

01:10:23,760 --> 01:10:27,430

To the death of allinol
and alternative fuel forever!

1112

01:10:27,514 --> 01:10:30,391

Mater, abort the mission.

1113

01:10:30,475 --> 01:10:33,894

They've got Finn. Get out of there.

Get out of there right now.

1114

01:10:34,646 --> 01:10:36,355

How is your grandfather?

1115

01:10:36,440 --> 01:10:38,399

Long live lemons!

1116

01:10:38,483 --> 01:10:40,818

Isn't this a great party, Ivan, huh?

1117

01:10:40,944 --> 01:10:42,736

Oh, yeah, it's unbelievable.

1118

01:10:42,821 --> 01:10:44,905

You are not leaving, are you?

1119

01:10:44,990 --> 01:10:46,907

Uh... of course I ain't leaving.

1120

01:10:46,992 --> 01:10:48,742

- I'm just in shock...

- McQueen?

1121

01:10:49,619 --> 01:10:51,579

Crashes are a part of racing, I know,

1122

01:10:51,663 --> 01:10:54,331

but something like that

should never happen.

1123

01:10:54,416 --> 01:10:58,461

You can choose your fuel

for the final race. What it'll be?

1124

01:10:58,545 --> 01:11:00,045

Allinol.

1125

01:11:00,172 --> 01:11:01,422

After today?

1126

01:11:01,506 --> 01:11:04,467

My friend Fillmore says it's safe.

That's good enough for me.

1127

01:11:04,551 --> 01:11:06,927

I didn't stand by a friend of mine
recently.

1128

01:11:07,012 --> 01:11:09,221

I'm not gonna make
the same mistake twice.

1129

01:11:09,556 --> 01:11:12,266

So a surprising revelation
from Lightning McQueen.

1130

01:11:12,392 --> 01:11:16,020

He will use allinol in the final race,
despite what occurred today.

1131

01:11:16,146 --> 01:11:18,856

- .. Till Lightning McQueen is dead.
- Of course.

1132

01:11:19,858 --> 01:11:23,027

Allinol must be finished for good.

1133

01:11:23,695 --> 01:11:26,071

McQueen cannot win the last race.

1134

01:11:26,823 --> 01:11:29,074

Lightning McQueen must be killed!

1135

01:11:29,201 --> 01:11:30,451

No!

1136

01:11:37,542 --> 01:11:39,460

It's the American spy!

1137

01:11:40,879 --> 01:11:42,004

Dad-gum!

1138

01:11:42,088 --> 01:11:44,173

- Gatlinggun.

- Request acknowledged.

1139

01:11:44,257 --> 01:11:46,175

Down! Everybody, down!

1140

01:11:46,301 --> 01:11:49,220

- Shoot! I didn't mean...

- Request acknowledged.

1141

01:12:00,232 --> 01:12:03,609

Wait! Wait!

I didn't mean that kind of shoot!

1142

01:12:03,693 --> 01:12:05,819

Correction

acknowledged. Deploying chute.

1143

01:12:05,904 --> 01:12:07,446

Whoa!

1144

01:12:12,452 --> 01:12:13,494

McQueen!

1145

01:12:18,083 --> 01:12:19,166

Whoa! What's this?

1146

01:12:19,501 --> 01:12:20,584

Whoa!

1147

01:12:24,798 --> 01:12:26,549

McQueen! McQueen!

1148

01:12:29,594 --> 01:12:30,594

Waagh!

1149

01:12:33,139 --> 01:12:34,974

Let me through! Let me through!

1150

01:12:35,100 --> 01:12:37,518

Let me in!

I got to get through to warn McQueen!

1151

01:12:37,602 --> 01:12:39,562

You cannot-a come through here!

Back up.

1152

01:12:39,688 --> 01:12:41,105

We have a lunatic at gate 9.

1153

01:12:41,189 --> 01:12:44,984

I was disguised as a tow truck
to infiltrate this lemonhead meeting

1154

01:12:45,110 --> 01:12:48,112

and my weapons system's done
misinterperated what I'm saying!

1155

01:12:48,196 --> 01:12:50,864

- Lunatic at gate 9.
- McQueen! McQueen!

1156

01:12:50,949 --> 01:12:53,158

- You are the champion!

Thisway, signore.

1157

01:12:53,243 --> 01:12:55,202

- McQueen!
- Mater?

1158

01:12:55,287 --> 01:12:57,705

- McQueen.
- Give us a pose!

1159

01:12:57,789 --> 01:13:00,124

- McQueen!

- Stop moving. Stop!

1160

01:13:00,500 --> 01:13:01,959

Where you going?

1161

01:13:02,043 --> 01:13:03,252

Stop!

1162

01:13:03,837 --> 01:13:06,255

- McQueen!

- That really sounded like...

1163

01:13:06,339 --> 01:13:07,548

Mater!

1164

01:13:07,632 --> 01:13:09,174

- Mater?

- Signore?

1165

01:13:09,259 --> 01:13:11,343

- McQueen!

- They're gonna kill you!

1166

01:13:11,428 --> 01:13:12,803

Mater!

1167

01:13:12,929 --> 01:13:14,221

Excuse me.

1168

01:13:14,306 --> 01:13:16,098

No, where are you going?

1169

01:13:16,182 --> 01:13:17,933

Scusi. Mater!

1170

01:13:18,018 --> 01:13:19,602

- McQueen!

- Scusi.

1171

01:13:19,728 --> 01:13:22,146

Mater! Mater!

1172

01:13:22,230 --> 01:13:24,189

Mater, I'm so glad to see you.

1173

01:13:24,274 --> 01:13:27,359

Lightning McQueen!

I am a huge fan.

1174

01:13:27,444 --> 01:13:29,069

I'm sorry, I thought I heard...

1175

01:13:29,154 --> 01:13:33,157

That was me. I said, "You killed
out there today. You're the best. "

1176

01:13:33,241 --> 01:13:35,993

- What? I mean, thanks.

- Right this way, signore.

1177

01:13:36,077 --> 01:13:38,078

I really thought I heard my friend.

1178

01:13:39,873 --> 01:13:43,250

In England, you'll be finished!

At the finish line.

1179

01:13:44,294 --> 01:13:46,587

- Wait, what?

- The press is waiting.

1180

01:13:46,671 --> 01:13:48,172

Come-a with me, please.

1181

01:13:52,385 --> 01:13:53,761

Let me go!

1182

01:13:53,845 --> 01:13:55,971

You actually care about that race car.

1183

01:13:56,431 --> 01:13:58,432

A pity you didn't warn him in time.

1184

01:14:06,232 --> 01:14:08,108

- "Idiot"?

- Is that how you see me?

1185

01:14:08,234 --> 01:14:11,320

- That's how everyone sees you.

- I tell you, that's the genius of it.

1186

01:14:11,404 --> 01:14:13,447

No one realizes they're being fooled

1187

01:14:13,531 --> 01:14:16,283

because they're too busy laughing
at the fool.

1188

01:14:16,368 --> 01:14:18,369

At the fool...

1189

01:14:18,870 --> 01:14:20,663

Excuse me!

1190

01:14:20,789 --> 01:14:22,706

Domo arigato!

1191

01:14:22,832 --> 01:14:24,083

Yeah!

1192

01:14:26,461 --> 01:14:28,295

You done good. You got all the leaves.

1193

01:14:28,380 --> 01:14:30,881

- Check out that tow truck.

- I wonder who that guy's with.

1194

01:14:31,007 --> 01:14:33,884

Will you guys excuse me

just for one little second?

1195

01:14:34,386 --> 01:14:36,678

Now that's a scoop of ice cream!

1196

01:14:40,058 --> 01:14:41,475

Aargh!

1197

01:14:43,228 --> 01:14:46,522

Somebody get me water!

Oh, sweet relief.

1198

01:14:46,606 --> 01:14:47,940

Mater!

1199

01:14:52,862 --> 01:14:54,822

But I never leak oil. Never.

1200

01:14:54,906 --> 01:14:56,907

Get a hold of yourself.

You're making a scene!

1201

01:14:57,492 --> 01:14:59,701

Wait a minute.

I didn't screw you up, did I?

1202

01:14:59,828 --> 01:15:02,830

- I lost the race because of you!

- Maybe if I talked to somebody...

1203

01:15:02,914 --> 01:15:04,832

I don't need your help!

1204

01:15:04,916 --> 01:15:06,875

I don't want your help.

1205

01:15:06,960 --> 01:15:08,961

Your help...

1206

01:15:09,587 --> 01:15:11,547

Bang the gong. Get it on!

1207

01:15:11,631 --> 01:15:13,715

Listen,

this isn't Radiator Springs.

1208

01:15:13,842 --> 01:15:17,136

This is exactly why I don't bring
you along to these things!

1209

01:15:28,106 --> 01:15:30,732

Holley! Finn! Where are we?

1210

01:15:30,859 --> 01:15:34,111

We're in London, Mater,
inside Big Bentley.

1211

01:15:39,742 --> 01:15:42,911

Whoa!

1212

01:15:50,128 --> 01:15:52,087

Oh, this... This is all my fault.

1213

01:15:52,172 --> 01:15:54,131

Don't be a fool, Mater.

1214

01:15:54,215 --> 01:15:56,175

But I am, remember? You said so.

1215

01:15:56,301 --> 01:15:58,218

When did I... Oh.

1216

01:15:58,303 --> 01:16:02,306

Mater, I was complimenting you
on what a good spy you are.

1217

01:16:02,390 --> 01:16:04,224

I'm not a spy!

1218

01:16:07,312 --> 01:16:09,771

I've been trying to tell you that
the whole time.

1219

01:16:09,898 --> 01:16:11,982

I really am just a tow truck.

1220

01:16:12,108 --> 01:16:13,942

Finn, he's not joking.

1221

01:16:14,027 --> 01:16:17,905

- I know.

- You were right, Finn. I'm a fool.

1222

01:16:17,989 --> 01:16:21,366

And what's happened to McQueen
is 'cause I'm such a big one.

1223

01:16:22,160 --> 01:16:24,161

This is all my fault.

1224

01:16:27,248 --> 01:16:30,000

- Good. You're up.

- And just in time.

1225

01:16:30,126 --> 01:16:32,794

Professor Z wanted you
to have a front-row seat,

1226

01:16:32,921 --> 01:16:34,838

for the death of Lightning McQueen.

1227

01:16:34,964 --> 01:16:38,008

- He's still alive?

- Not for much longer.

1228

01:16:42,514 --> 01:16:43,514

Whoa!

1229

01:16:43,973 --> 01:16:45,057

Huh?

1230

01:16:51,147 --> 01:16:53,857

- We came as soon as you called.

- I called to talk to Mater.

1231

01:16:53,983 --> 01:16:56,193

It never occurred to me
he wouldn't be there.

1232

01:16:56,277 --> 01:16:58,362

Sheriff is talking to Scotland Yard now.

1233

01:16:58,488 --> 01:17:01,490

And Sarge is in touch with his friends
in the British military.

1234

01:17:01,574 --> 01:17:03,242

You just need
to focus on the race.

1235

01:17:03,368 --> 01:17:05,953

I know but, Sally with everything
going on, I'm not sure...

1236

01:17:07,163 --> 01:17:09,456

- Sir Axlerod.

- I'm sorry to interrupt.

1237

01:17:09,582 --> 01:17:12,751

- It's all right.

- I just wanted to personally thank you.

1238

01:17:12,835 --> 01:17:17,798

Because after Italy, I was finished,
and then you gave me one last shot.

1239

01:17:17,882 --> 01:17:18,882

Listen...

1240

01:17:18,967 --> 01:17:22,302

I probably shouldn't be saying this,
but I hope you win today.

1241

01:17:22,428 --> 01:17:25,722

You show the world
that they've been wrong about allinol.

1242

01:17:26,432 --> 01:17:28,433

Mater would want you to race.

1243

01:17:29,602 --> 01:17:31,561

All right. For Mater.

1244

01:18:05,888 --> 01:18:07,347

Here he comes.

1245

01:18:25,450 --> 01:18:27,659

- What happened?

- I don't know, Professor.

1246

01:18:27,744 --> 01:18:29,911

- What did you do?

- I didn't do nothing.

1247

01:18:30,038 --> 01:18:33,165

Ssh, I'm talking to the Professor.

What's that, Professor?

1248

01:18:33,291 --> 01:18:34,791

- You broke it!

- Quiet!

1249

01:18:34,876 --> 01:18:37,252

- I understand, sir. Yes.

- What did he say?

1250

01:18:37,337 --> 01:18:40,255

- We go to the back-up plan.

- Back-up plan?

1251

01:18:40,340 --> 01:18:42,341

We snuck a bomb in McQueen's pit.

1252

01:18:42,675 --> 01:18:46,053

The next time he makes a stop,
instead of saying "ka-chow"...

1253

01:18:46,137 --> 01:18:48,138

he's going to go "ka-boom"!

1254

01:18:50,058 --> 01:18:52,559

Don't feel bad, tow truck.

You couldn't have saved him.

1255

01:18:52,643 --> 01:18:54,811

Oh, wait, you could have!

1256

01:18:54,937 --> 01:18:57,356

- Dad-gum lemons!

- Request acknowledged.

1257

01:18:58,066 --> 01:19:00,609

What?

You didn't think we'd take your bullets?

1258

01:19:03,821 --> 01:19:05,947

That's right! You got nothing!

1259

01:19:06,991 --> 01:19:08,950

Who's the lemon now, huh?

1260

01:19:11,871 --> 01:19:13,497

Nice try, Mater.

1261

01:19:14,290 --> 01:19:17,709

- Dad-gum... Dad-gum... Dad-gum.

- Request... Request... Request...

1262

01:19:18,503 --> 01:19:19,961

Mater!

1263

01:19:25,176 --> 01:19:26,927

I got to get y'all out of there.

1264

01:19:27,011 --> 01:19:29,388

There's no time.

McQueen needs your help.

1265

01:19:29,514 --> 01:19:31,807

But I can't. I'm just a tow truck.

1266

01:19:31,891 --> 01:19:34,309

It's up to you.

Go to the pits and get everyone out.

1267

01:19:34,394 --> 01:19:36,895

- You can do that.

- What about you guys?

1268

01:19:37,021 --> 01:19:40,440

- We'll be OK.

- Go and get some more dents, Mater.

1269

01:19:49,158 --> 01:19:51,118

So, we'll be OK? Really?

1270

01:19:51,202 --> 01:19:53,787

He wouldn't have left
if I'd told him the truth.

1271

01:19:53,871 --> 01:19:55,205

Argh!

1272

01:19:55,331 --> 01:19:56,915

Being killed by a clock.

1273

01:19:56,999 --> 01:19:59,751

Gives a whole new meaning to
"Your time has come. "

1274

01:19:59,836 --> 01:20:01,837

Time? That's it!

1275

01:20:09,971 --> 01:20:12,681

- What are you doing?
- Trying to turn back time.

1276

01:20:16,185 --> 01:20:19,229

If I can just reverse the polarity.

1277

01:20:22,900 --> 01:20:24,860

Good job. Quick thinking, Holley.

1278

01:20:31,909 --> 01:20:34,786

What's everybody

on the wrong side of the road for?

1279

01:20:36,789 --> 01:20:38,540

Oh, no!

1280

01:20:38,624 --> 01:20:40,625

Drive! Burn rubber!

1281

01:20:47,383 --> 01:20:49,384

We've got to get to the course.

1282

01:20:50,094 --> 01:20:52,220

Calculate the fastest way to...

1283

01:20:53,723 --> 01:20:54,764

Done.

1284

01:20:54,849 --> 01:20:56,558

Oh. Miss Shiftwell.

1285

01:20:56,642 --> 01:21:00,437

- They're standard issue now.

- You kids get all the good hardware.

1286

01:21:02,315 --> 01:21:03,899

Oh, no, that's Mater's.

1287

01:21:04,275 --> 01:21:05,817

I knew his escape was too easy.

1288

01:21:16,996 --> 01:21:18,455

Come back here! Stop!

1289

01:21:21,792 --> 01:21:23,585

- Mater?

- Everybody, get out now!

1290

01:21:24,670 --> 01:21:27,505

Y'all get out of the pits.

What are you guys doing here?

1291

01:21:27,632 --> 01:21:30,217

- We're here because of you, Mater.

- Is everything OK?

1292

01:21:30,301 --> 01:21:32,928

No, everything's not OK.

There's a bomb in here.

1293

01:21:33,012 --> 01:21:34,971

- Y'all got to get out. Now.

- A bomb?

1294

01:21:36,599 --> 01:21:38,141

- Mater.

- Finn! You're OK.

1295

01:21:38,267 --> 01:21:41,978

Listen to me. The bomb is on you!

They knew you'd try to help McQueen.

1296

01:21:42,730 --> 01:21:46,149

When we were knocked out,
they planted it in your air filter.

1297

01:21:48,527 --> 01:21:51,154

- Uh-oh.

- Mater! There you are!

1298

01:21:51,280 --> 01:21:54,074

- Stop right there!

- I've been so worried about you.

1299

01:21:54,158 --> 01:21:55,867

- Don't come any closer!

- Are you OK?

1300

01:21:55,952 --> 01:21:57,953

No, I'm not OK! Stay away from me!

1301

01:21:58,704 --> 01:22:00,163

No, wait! Wait!

1302

01:22:00,289 --> 01:22:04,125

A tow truck has just raced
onto the track, driving backwards!

1303

01:22:04,794 --> 01:22:06,670

Mater, wait!

1304

01:22:07,004 --> 01:22:10,090

Normally an emergency vehicle on the
track means there's been an accident.

1305

01:22:10,174 --> 01:22:12,884

- Lightning McQueen is chasing him!

- Mater, wait!

1306

01:22:12,969 --> 01:22:16,763

Stay back! If you get close to me,
you're going to get hurt real bad!

1307

01:22:16,889 --> 01:22:20,767

I know I made you feel that
way before, but none of that matters!

1308

01:22:20,851 --> 01:22:22,352

We're best friends!

1309

01:22:24,355 --> 01:22:26,022

And McQueen
seems to be having

1310

01:22:26,107 --> 01:22:27,899

a conversation with the tow truck.

1311

01:22:28,025 --> 01:22:30,735

I don't know who
that truck is, Brent, but tell you what,

1312

01:22:30,820 --> 01:22:33,196

he's got to be the world's best
backwards driver.

1313

01:22:34,115 --> 01:22:37,117

McQueen, you don't get it!

I'm the bomb!

1314

01:22:37,201 --> 01:22:40,745

Yes, Mater! You are the bomb!

That's what I'm trying to say here!

1315

01:22:40,830 --> 01:22:44,291

You've always been the bomb
and you'll always be the bomb.

1316

01:22:44,375 --> 01:22:46,876

- Stay away!

- No! Never!

1317

01:22:49,130 --> 01:22:50,714

Almost there.

1318

01:22:50,798 --> 01:22:54,592

I'm not letting you get away again!

1319

01:22:55,386 --> 01:22:58,596

- Got to keep away from McQueen!

- Request acknowledged.

1320

01:22:58,681 --> 01:23:00,557

Oh, my gosh.

1321

01:23:13,571 --> 01:23:15,572

What is happening? It's a bad dream!

1322

01:23:17,074 --> 01:23:19,576

And Lightning McQueen

just blasted away,

1323

01:23:19,660 --> 01:23:22,037

hooked to the now rocket-propelled
tow truck.

1324

01:23:24,248 --> 01:23:25,623

Gargh!

1325

01:23:30,463 --> 01:23:31,463

Aagh!

1326

01:23:35,801 --> 01:23:37,344

The Professor's on the run!

1327

01:23:37,428 --> 01:23:40,013

- Someone's got to get McQueen.

- Get McQueen!

1328

01:23:41,432 --> 01:23:44,142

- Holley, I'll get Zundapp. Help Mater.

- Got it!

1329

01:23:47,938 --> 01:23:49,939

What is happening?

1330

01:24:03,996 --> 01:24:05,455

Hurry, Professor.

1331

01:24:17,218 --> 01:24:20,053

You really think I'm going to let you
float away, Professor?

1332

01:24:47,581 --> 01:24:49,541

- McQueen, let go!

- Never!

1333

01:24:52,002 --> 01:24:54,129

- They're coming your way.

- Let's go!

1334

01:25:02,263 --> 01:25:03,680

Give it up, McMissile.

1335

01:25:19,989 --> 01:25:23,491

- Mater, stop!

- No way! You could get hurt.

1336

01:25:29,373 --> 01:25:30,748

Oh, no.

1337

01:25:52,021 --> 01:25:53,646

Mater, we've got to get
that bomb off you.

1338

01:25:53,731 --> 01:25:54,731

Bomb?

1339

01:25:55,024 --> 01:25:57,942

Yeah, they strapped it to me
to kill you as a back-up plan.

1340

01:25:58,027 --> 01:26:00,528

Back-up plan?
Mater, who put a bomb on you?

1341

01:26:01,864 --> 01:26:04,324

You! Why didn't my death ray kill you?

1342

01:26:04,408 --> 01:26:05,742

Death ray?

1343

01:26:05,826 --> 01:26:07,160

Turn off the bomb, Zundapp!

1344

01:26:07,244 --> 01:26:09,746

Are you all so dense?
It's voice-activated.

1345

01:26:09,830 --> 01:26:11,956

Everything is voice-activated
these days.

1346

01:26:12,041 --> 01:26:13,917

Deactivate! Deactivate!

1347

01:26:14,460 --> 01:26:16,127

Voice denied.

1348

01:26:17,838 --> 01:26:19,380

- Huh!

- Oops.

1349

01:26:19,506 --> 01:26:21,966

Did I forget to mention
that it can only be disarmed

1350

01:26:22,051 --> 01:26:23,760

by the one who activated it?

1351

01:26:24,094 --> 01:26:26,012

- Say it.

- Deactivate.

1352

01:26:26,972 --> 01:26:28,431

Voice denied.

1353

01:26:31,393 --> 01:26:34,938

I'm not the one who activated it.

Would anyone else like to try?

1354

01:26:35,856 --> 01:26:38,191

- You read my mind.

- He was getting on my nerves.

1355

01:26:38,275 --> 01:26:41,819

- What do we do?

- It's very simple. You blow up.

1356

01:26:42,238 --> 01:26:45,990

I'm going out on a limb here. These are
the guys that want me dead, correct?

1357

01:26:46,075 --> 01:26:48,493

- It's nothing personal.

- Fellers, listen.

1358

01:26:48,619 --> 01:26:52,622

I know what you're going through.

Everybody's been laughing at me too.

1359

01:26:53,832 --> 01:26:57,001

But becoming powerful and rich

beyond your wildest dreams

1360

01:26:57,086 --> 01:26:59,545

ain't gonna make you feel better.

1361

01:27:00,381 --> 01:27:02,382

Yeah, but it's worth a shot.

1362

01:27:11,725 --> 01:27:12,892

Pit stop.

1363

01:27:17,147 --> 01:27:19,148

Not today, boys.

1364

01:27:28,742 --> 01:27:29,742

Retreat!

1365

01:27:32,663 --> 01:27:34,414

Thanks for the help, Corporal.

1366

01:27:34,498 --> 01:27:36,833

Anything for one of Pop's mates.

1367

01:27:42,965 --> 01:27:44,924

What's he saying? What's wrong?

1368

01:27:45,009 --> 01:27:47,010

None of his wrenches fit the bolts.

1369

01:27:49,346 --> 01:27:51,264

I get it. I get it!

1370

01:27:51,348 --> 01:27:53,683

- I know what needs to be done.

- Then do it!

1371

01:27:53,767 --> 01:27:55,935

What? No. I can't do it.

1372

01:27:56,020 --> 01:27:57,979

Nobody takes me seriously.

1373

01:27:58,063 --> 01:28:01,190

I know that now.

This ain't Radiator Springs.

1374

01:28:01,275 --> 01:28:02,984

Yes, it is.

1375

01:28:03,235 --> 01:28:05,862

Look, you're yourself

in Radiator Springs.

1376

01:28:05,946 --> 01:28:07,905

Be yourself here.

1377

01:28:07,990 --> 01:28:09,949

And if people aren't taking you
seriously,

1378

01:28:10,034 --> 01:28:12,660

then they need to change, not you.

1379

01:28:12,745 --> 01:28:14,871

I know that

because I was wrong before.

1380

01:28:15,539 --> 01:28:17,540

Now, you can do this. You're the bomb.

1381

01:28:17,708 --> 01:28:19,292

Thanks, buddy.

1382

01:28:19,376 --> 01:28:21,878

No, you're the actual bomb.

Now, let's go!

1383

01:28:21,962 --> 01:28:23,963

Oh, right. Hang on!

1384

01:28:25,674 --> 01:28:27,675

Where's he going?

1385

01:28:29,303 --> 01:28:31,262

- Computer!

- Yes, Agent Mater?

1386

01:28:31,347 --> 01:28:34,223

I need that thing you done before
to get me away from McQueen!

1387

01:28:34,308 --> 01:28:35,558

Request acknowledged.

1388

01:28:39,063 --> 01:28:41,272

- Mater?

- Now I need you to do the chute!

1389

01:28:41,357 --> 01:28:43,316

The second kind, not the first!

1390

01:28:43,400 --> 01:28:45,234

Deploying chute.

1391

01:29:08,967 --> 01:29:10,593

Who's winning the race?

1392

01:29:14,932 --> 01:29:17,350

- Back off! Back away!

- It's Lightning McQueen!

1393

01:29:17,434 --> 01:29:19,602

No, it's OK! Tell 'em, Mater. Explain.

1394

01:29:19,770 --> 01:29:21,270

Okay.

1395

01:29:21,355 --> 01:29:22,855

Somebody's been sabotaging

1396

01:29:22,940 --> 01:29:25,233

the racers and hurtin' the cars,
and I know who.

1397

01:29:25,317 --> 01:29:27,068

Oh, wait. Your Majesty.

1398

01:29:27,152 --> 01:29:29,195

Bomb! It's a bomb!

1399

01:29:29,905 --> 01:29:32,407

- Everybody, down!

- Back up! Move it!

1400

01:29:34,618 --> 01:29:36,536

Get off the stage! Move it!

1401

01:29:36,620 --> 01:29:39,580

Hold your fire! He can't disarm it!

1402

01:29:39,706 --> 01:29:43,042

Mater, I don't know what you're doing,
but stand down now.

1403

01:29:43,127 --> 01:29:45,878

This ain't nothing at all
like Radiator Springs.

1404

01:29:45,963 --> 01:29:47,922

Mater, just cut to the chase.

1405

01:29:48,006 --> 01:29:49,966

Okay. It's him.

1406

01:29:50,050 --> 01:29:53,094

What? Me? You've got to be crazy.

1407

01:29:53,178 --> 01:29:55,179

I figured it out when I realized

1408

01:29:55,264 --> 01:29:58,683

y'all attached this ticking time bomb
with Whitworth bolts...

1409

01:29:58,809 --> 01:30:02,770

the same bolts that hold together that
old British engine from the photograph.

1410

01:30:03,814 --> 01:30:04,814

- Holley! Show that picture.

- OK.

1411

01:30:05,274 --> 01:30:07,900

I remembered what they say
about old British engines:

1412

01:30:07,985 --> 01:30:10,653

If there ain't no oil under 'em,
there ain't no oil in 'em.

1413

01:30:10,779 --> 01:30:12,655

What is he talking about?

1414

01:30:12,823 --> 01:30:15,366

It was you leaking oil
at the party in Japan.

1415

01:30:15,451 --> 01:30:17,118

You just blamed it on me.

1416

01:30:17,202 --> 01:30:19,745

Electric cars don't use oil, you twit.

1417

01:30:19,830 --> 01:30:23,124

Then you're fakin' it.

You didn't convert to no electric.

1418

01:30:24,251 --> 01:30:27,128

If we pop that hood,

we'll see that engine from that picture.

1419

01:30:27,421 --> 01:30:30,214

This lorry's crazy!

He's going to kill us all!

1420

01:30:31,675 --> 01:30:32,842

Stay away!

1421

01:30:32,926 --> 01:30:36,804

But Sir Axlerod created the race.

Why would he want to hurt anyone?

1422

01:30:36,889 --> 01:30:40,433

To make allinol look bad so

everybody'd go back to using oil.

1423

01:30:40,517 --> 01:30:43,060

He said it himself
with that disguised voice.

1424

01:30:43,145 --> 01:30:47,190

Disguised voice? What are you
talking about? You're nuts, you are!

1425

01:30:47,274 --> 01:30:50,151

This is going nowhere fast.
We really should go, Grandmother.

1426

01:30:50,360 --> 01:30:52,737

One moment, I'd like to see
where this is going.

1427

01:30:53,864 --> 01:30:55,698

Mater, he created allinol.

1428

01:30:55,824 --> 01:30:57,533

But what if he found that huge oil field

1429

01:30:57,618 --> 01:31:00,077

just as the world was trying to find

something else?

1430

01:31:00,204 --> 01:31:04,040

What if he came up with allinol

just to make alternative fuel look bad?

1431

01:31:04,124 --> 01:31:06,959

"What if?"

You're basing this on a "what if"?

1432

01:31:07,044 --> 01:31:09,170

- Okay, that's it.

- Lads, clear out.

1433

01:31:09,254 --> 01:31:12,381

Wait! Somebody save me!

The lorry's crazy!

1434

01:31:12,466 --> 01:31:14,300

- Keep away, you idiot!

- Mater!

1435

01:31:15,135 --> 01:31:17,678

- Mater!

- Someone do something!

1436

01:31:20,516 --> 01:31:22,350

You're insane, you are! Deactivate!

1437

01:31:24,436 --> 01:31:28,523

- Bomb deactivated.

- Have a nice day, Sir Axlerod.

1438

01:31:36,281 --> 01:31:39,158

- The engine from the photo.

- It's a perfect match.

1439

01:31:39,243 --> 01:31:41,410

How did the tow truck figure it out?

1440

01:31:41,787 --> 01:31:45,164

It's official. You're coming to
all my races from now on.

1441

01:31:45,249 --> 01:31:47,250

Now you're talkin'!

1442

01:31:50,587 --> 01:31:52,505

Hyeeugh!

1443

01:31:55,634 --> 01:31:57,927

Mater, let's go. You're on.

1444

01:32:02,432 --> 01:32:04,684

Your Majesty, may I present

1445

01:32:04,768 --> 01:32:08,771

for the investiture of honorary
knighthood of the British Realm...

1446

01:32:08,939 --> 01:32:12,358

Tow Mater of Radiator Springs.

1447

01:32:12,442 --> 01:32:14,443

Go get 'em, buddy.

1448

01:32:21,994 --> 01:32:26,789

I hereby dub thee Sir Tow Mater.

1449

01:32:28,375 --> 01:32:31,669

Sir? Shoot, you can just call me Mater,
Your Majesty.

1450

01:32:31,753 --> 01:32:34,005

I don't wanna hear none of this "sir"
business.

1451

01:32:34,131 --> 01:32:36,132

By the way, have y'all met each other?

1452

01:32:36,216 --> 01:32:37,967

Queen, McQueen. McQueen, Queen.

1453

01:32:38,093 --> 01:32:40,928

McQueen, McMissile. McMissile,
McQueen. Queen, McMissile.

1454

01:32:45,976 --> 01:32:49,020

So there we was,
my rocket jets going full blast,

1455

01:32:49,104 --> 01:32:51,022

McQueen hanging on for dear life

1456

01:32:51,148 --> 01:32:55,109

when suddenly them two nasty lemons
come out of nowheres, guns drawn.

1457

01:32:55,193 --> 01:32:56,902

We was goners.

1458

01:32:56,987 --> 01:33:00,197

But then, out of nowhere
this beautiful spy car

1459

01:33:00,282 --> 01:33:02,283

swoops in from the sky to save us!

1460

01:33:02,534 --> 01:33:05,328

That's a very entertaining story,
young man.

1461

01:33:05,412 --> 01:33:07,371

Oh, Minny, please. Come on!

1462

01:33:07,497 --> 01:33:11,334

None of this happened.

Rocket jets, flying spy cars.

1463

01:33:11,418 --> 01:33:14,920

No, you're quite right.

It does sound a bit far-fetched.

1464

01:33:15,005 --> 01:33:16,839

Holley! What are you doin' here?

1465

01:33:16,923 --> 01:33:19,842

Hello, Mater!

It's so good to see you again.

1466

01:33:19,926 --> 01:33:20,926

Finn!

1467

01:33:21,011 --> 01:33:23,137

Our satellites picked up

an urgent communique.

1468

01:33:23,263 --> 01:33:24,972

So you got-a my email.

1469

01:33:25,057 --> 01:33:27,475

Y'all is going to have a great time!

1470

01:33:27,601 --> 01:33:31,437

Everybody, this here's Finn McMissile.

He's a secret agent.

1471

01:33:31,521 --> 01:33:32,688

Don't tell nobody.

1472

01:33:32,814 --> 01:33:34,774

And this is Holley Shiftwell.

1473

01:33:34,858 --> 01:33:36,859

- She's...

- I'm Mater's girlfriend.

1474

01:33:36,943 --> 01:33:38,903

It's so nice to meet you all.

1475

01:33:39,029 --> 01:33:41,197

Guido believe you now.

1476

01:33:41,323 --> 01:33:43,908

Whoa, honey.

You got a nasty dent there.

1477

01:33:44,034 --> 01:33:45,826

- Yeah.

- Was that from when you swooped in

1478

01:33:45,911 --> 01:33:47,745

and you saved them in London?

1479

01:33:47,871 --> 01:33:49,789

- Van!

- What? I'm just asking!

1480

01:33:49,915 --> 01:33:54,585

Don't you worry. My baby Ramone
can get that fixed up for you in no time.

1481

01:33:54,711 --> 01:33:57,755

Yeah, sure thing.

No problemo. Let me go get my tools.

1482

01:33:57,881 --> 01:34:00,674

Oh, no. I'm keeping that dent.

It's way too valuable.

1483

01:34:01,885 --> 01:34:06,097

A valuable dent?

She's as crazy as Mater.

1484

01:34:06,181 --> 01:34:07,973

Those two are perfect for each other.

1485

01:34:08,058 --> 01:34:10,559

There's one thing I still don't get.

1486

01:34:10,685 --> 01:34:13,479

The bad guys hit me with the beam
from the camera, right?

1487

01:34:13,563 --> 01:34:17,233

- So, why didn't I...

- Explode in a fiery inferno?

1488

01:34:17,359 --> 01:34:19,485

- Yeah.

- We couldn't figure that out, either.

1489

01:34:19,569 --> 01:34:22,571

Our investigation proved
that allinol was actually gasoline

1490

01:34:22,697 --> 01:34:25,991

and Axlerod engineered it so when it
got hit by the beam, it would explode.

1491

01:34:26,076 --> 01:34:30,162

Wait a second, Fillmore.

You said my fuel was safe!

1492

01:34:32,666 --> 01:34:37,753

If you're implying that I switched
that rot-gut excuse for alternative fuel

1493

01:34:37,879 --> 01:34:41,715

with my all-natural, sustainable,
organic biofuel

1494

01:34:41,800 --> 01:34:47,179

just because I never trusted Axlerod,
you're dead wrong, man!

1495

01:34:47,264 --> 01:34:49,348

It was him!

1496

01:34:49,433 --> 01:34:53,477

Once big oil, always big oil, man.

1497

01:34:53,562 --> 01:34:54,979

Tree-hugger.

1498

01:34:55,897 --> 01:34:59,442

The Radiator Springs Grand Prix
is about to begin.

1499

01:34:59,526 --> 01:35:01,819

All spectators, clear the starting line.

1500

01:35:04,698 --> 01:35:07,199

I can't wait to get rockin'.

This is gonna be wicked!

1501

01:35:07,284 --> 01:35:08,909

We should do this every year.

1502

01:35:08,994 --> 01:35:12,121

Yeah, I just figured we never found out
who the world's fastest car is.

1503

01:35:12,205 --> 01:35:14,748

Plus, no press, no trophy, just racing.

1504

01:35:14,833 --> 01:35:18,461

- The way I like it.

- Francesco likes it like this, too.

1505

01:35:18,545 --> 01:35:22,131

- Francesco, I'd like you to meet...

- SignorinaSally.

1506

01:35:22,215 --> 01:35:23,549

It is official.

1507

01:35:23,633 --> 01:35:26,218

Lightning McQueen

is the luckiest car in the world.

1508

01:35:26,303 --> 01:35:28,429

Why, thank you.

1509

01:35:28,513 --> 01:35:31,599

Which he will have to be to have
a chance against Francesco today!

1510

01:35:31,683 --> 01:35:34,768

See you at the finish line, Mc...
What is that?

1511

01:35:34,978 --> 01:35:37,313

Just something I had made up
for the occasion.

1512

01:35:37,689 --> 01:35:39,690

Is-a good, McQueen. Very funny.

1513

01:35:39,774 --> 01:35:42,568

Was-a funnier when I did it,
but it's-a very funny.

1514

01:35:42,694 --> 01:35:45,905

What are you going to do next?
Are you going to take off your fenders?

1515

01:35:45,989 --> 01:35:47,740

Try it. You'll like it.

1516

01:35:47,824 --> 01:35:49,992

So, he's not so good-looking.

1517

01:35:50,118 --> 01:35:52,453

- Yeah. Nice try.
- I'm serious!

1518

01:35:52,537 --> 01:35:54,747

That's why I love you, Sally.

1519

01:35:54,831 --> 01:35:57,666

- Wish me luck!

- You don't need it!

1520

01:35:57,751 --> 01:36:01,587

Ooh-hm!

That Francesco is fine-looking!

1521

01:36:01,671 --> 01:36:03,214

And those open wheels.

1522

01:36:03,340 --> 01:36:06,342

Ooh, I'm gonna have to go get myself
some coolant.

1523

01:36:17,729 --> 01:36:18,938

Go, Lightning!

1524

01:36:37,457 --> 01:36:39,124

- Go, Stickers!

- Right on, man!

1525

01:36:39,209 --> 01:36:41,168

- Go get 'em, tiger!

- Bravo, bravo!

1526

01:36:41,253 --> 01:36:44,630

- Go, Lightning, go!

- Go, McQueen! Whoo-hoo!

1527

01:36:44,714 --> 01:36:47,132

Finn? Time to go.

1528

01:36:47,217 --> 01:36:49,510

Siddeley's gassed, geared
and ready to fly.

1529

01:36:50,345 --> 01:36:53,514

- You're leavin' already?

- We've got another mission.

1530

01:36:53,598 --> 01:36:55,933

Just stopped by here

to pick something up.

1531

01:36:57,060 --> 01:37:00,729

Somethin' tells me you're not
talkin' about souvenir bumper stickers.

1532

01:37:00,855 --> 01:37:03,190

Her Majesty asked for you personally,
Mater.

1533

01:37:03,275 --> 01:37:06,652

- But I told y'all before, I'm not a spy.
- We know.

1534

01:37:06,736 --> 01:37:10,406

Spy or not, you're still the smartest,
most honest chap we've ever met.

1535

01:37:10,532 --> 01:37:13,867

- Don't forget massively charming.
- Well, thanks.

1536

01:37:13,952 --> 01:37:17,079

But as much fun as it was
hangin' with y'all, this...

1537

01:37:17,163 --> 01:37:19,832

This is home.

1538

01:37:19,916 --> 01:37:22,835

That's all right. We understand.

But I'll be back.

1539

01:37:22,919 --> 01:37:24,753

You still owe me that first date.

1540

01:37:24,879 --> 01:37:27,840

If there's ever anything I can do for you,
just let me know.

1541

01:37:27,924 --> 01:37:30,175

Well, I sure appreciate that. Thank you.

1542

01:37:31,511 --> 01:37:34,263

Actually, there is one thing.

1543

01:37:34,764 --> 01:37:37,099

Whoo-hoo!

1544

01:37:37,183 --> 01:37:39,143

Whoo! I'll be doggone!

1545

01:37:43,940 --> 01:37:45,357

Whoa, whoa, whoa!

1546

01:37:48,403 --> 01:37:49,945

Thanks, Mater!

1547

01:37:57,412 --> 01:37:59,413

Ha-ha-ha! Whoo!

1548

01:38:01,124 --> 01:38:03,000

Impossible!

1549

01:38:03,543 --> 01:38:05,002

- Ha-ha!

- Mater!

1550

01:38:05,128 --> 01:38:07,713

Check it out.

They let me keep the rockets.

1551

01:38:07,797 --> 01:38:09,882

I'll see you at the finish line, buddy!

1552

01:38:09,966 --> 01:38:11,925

Not if I see you first!

1553

01:38:12,010 --> 01:45:50,801

Yippee!
