

Dialogues from Cars movie to improve the vocabulary in English

1

00:00:37,040 --> 00:00:40,040

OK... Here we go. Focus.

2

00:00:40,120 --> 00:00:43,360

Speed. I am speed.

3

00:00:45,000 --> 00:00:47,600

One winner, 42 losers.

4

00:00:47,680 --> 00:00:50,120

I eat losers for breakfast.

5

00:00:52,160 --> 00:00:53,520

Breakfast.

6

00:00:53,600 --> 00:00:55,600

Wait, maybe I

should have had breakfast.

7

00:00:55,680 --> 00:00:59,240

A little breck-y could be good for me.

No, no, no, stay focused. Speed.

8

00:01:00,880 --> 00:01:03,000

I'm faster than fast.

Quicker than quick.

9

00:01:03,080 --> 00:01:04,600

I am lightning!

10

00:01:05,680 --> 00:01:07,880

Hey, Lightning! You ready?

11

00:01:09,480 --> 00:01:12,520

Oh, yeah. Lightning's ready

12

00:01:49,200 --> 00:01:50,280

Ka-chow!

13

00:02:35,520 --> 00:02:37,440

Get your antenna balls here!

14

00:02:43,760 --> 00:02:45,800

Go, Lightnin'!

15

00:02:45,880 --> 00:02:49,720

- Whoo!

- You got that right, slick.

16

00:03:02,680 --> 00:03:04,600

Uh!

17

00:03:14,640 --> 00:03:17,360

Welcome back to the Dinoco 400.

18

00:03:17,440 --> 00:03:20,920

I'm Bob Cutlass, here

with my good friend, Darrell Cartrip.

19

00:03:21,000 --> 00:03:23,840

<i>We're midway through what may
be an historic day for racing.</i>

20

00:03:23,920 --> 00:03:25,880

<i>Bob, my oil pressure's
through the roof.</i>

21

00:03:25,960 --> 00:03:29,400

<i>If this gets more exciting, they're
gonna have to tow me outta the booth!</i>

22

00:03:29,480 --> 00:03:30,480

<i>Right, Darrell.</i>

23

00:03:30,560 --> 00:03:33,080

<i>Three cars are tied
for the season points lead,</i>

24

00:03:33,160 --> 00:03:35,160

<i>heading into the final race
of the season.</i>

25

00:03:35,240 --> 00:03:39,800

<i>And the winner of this race will win
the season title and the Piston Cup.</i>

26

00:03:39,880 --> 00:03:41,480

<i>Does The King, Strip Weathers,</i>

27

00:03:41,560 --> 00:03:43,880

<i>have one more victory in him
before retirement?</i>

28

00:03:43,920 --> 00:03:46,440

<i>He's been Dinoco's golden boy
for years!</i>

29

00:03:46,480 --> 00:03:48,600

<i>Can he win them one last Piston Cup?</i>

30

00:03:48,680 --> 00:03:51,880

<i>And, as always, in the
second place spot we find Chick Hicks.</i>

31

00:03:51,960 --> 00:03:54,400

<i>He's been chasing
that tailfin his entire career.</i>

32

00:03:54,480 --> 00:03:56,520

*<i>Chick thought
this was his year.</i>*

33

00:03:56,600 --> 00:03:59,240

*<i>His chance to finally emerge
from The King's shadow.</i>*

34

00:03:59,320 --> 00:04:03,240

*<i>But the last thing he expected was...
Lightning McQueen!</i>*

35

00:04:03,280 --> 00:04:05,800

*<i>You know, I don't think
anybody expected this.</i>*

36

00:04:05,880 --> 00:04:08,400

*<i>The rookie sensation
came into the season unknown.</i>*

37

00:04:08,480 --> 00:04:09,920

<i>But everyone knows him now.</i>

38

00:04:10,000 --> 00:04:13,880

<i>Will he be the first rookie
to win a Piston Cup and land Dinoco?</i>

39

00:04:14,000 --> 00:04:16,440

<i>The legend, the runner-up,
and the rookie!</i>

40

00:04:16,520 --> 00:04:19,240

<i>Three cars, one champion!</i>

41

00:04:30,960 --> 00:04:32,360

No you don't.

42

00:04:34,960 --> 00:04:36,880

Hey!

43

00:04:43,600 --> 00:04:45,400

What a ride!

44

00:04:46,760 --> 00:04:48,840

Go get 'em, McQueen!

Go get 'em!

45

00:04:52,520 --> 00:04:54,280

I love you, Lightning!

46

00:04:54,320 --> 00:04:56,880

Dinoco is all mine.

47

00:04:56,960 --> 00:04:58,800

Trouble, turn three!

48

00:04:58,880 --> 00:05:01,960

- Get through that, McQueen.

- Huge crash behind the leaders!

49

00:05:22,960 --> 00:05:25,720

Wait a second, Darrell.

McQueen is in the wreckage.

50

00:05:25,800 --> 00:05:28,520

There's no way the rookie

can make it through!

51

00:05:28,560 --> 00:05:29,760

Not in one piece, that is.

52

00:05:43,760 --> 00:05:45,400

Yeah!

53

00:05:45,480 --> 00:05:47,360

Lightning! Oh!

54

00:05:49,200 --> 00:05:51,560

Look at that!

McQueen made it through!

55

00:05:51,600 --> 00:05:54,000

A spectacular move

by Lightning McQueen!

56

00:05:54,040 --> 00:05:56,080

Yeah! Ka-chow!

57

00:05:56,160 --> 00:05:59,280

McQueen! McQueen! McQueen!

McQueen! McQueen! McQueen!

58

00:05:59,360 --> 00:06:02,200

Yeah, McQueen! Ka-chow!

59

00:06:02,280 --> 00:06:04,400

While everyone
heads into the pits,

60

00:06:04,480 --> 00:06:06,160

McQueen stays out to take the lead!

61

00:06:06,240 --> 00:06:09,120

Don't take me out, coach.
I can still race!

62

00:06:13,680 --> 00:06:16,040

What do you think?
A thing of beauty.

63

00:06:16,080 --> 00:06:17,960

- McQueen made it!
- What?

64

00:06:18,000 --> 00:06:19,040

He's not pitting!

65

00:06:19,120 --> 00:06:22,120

You gotta get me out there!

Let's go! Get me back out there!

66

00:06:22,160 --> 00:06:23,880

McQueen's not going into the pits!

67

00:06:23,920 --> 00:06:27,360

The rookie fired his

crew chief. The third this season!

68

00:06:27,440 --> 00:06:29,640

- Says he likes working alone.

- Go, go!

69

00:06:29,680 --> 00:06:31,840

Looks like Chick

got caught up in the pits.

70

00:06:31,920 --> 00:06:35,160

Yeah, after a stop like that,
he's got a lot of ground to make up.

71

00:06:35,240 --> 00:06:37,520

Get ready, boys,
we're coming to the restart!

72

00:06:55,040 --> 00:06:56,680

Come on, come on, come on!

73

00:07:04,720 --> 00:07:06,760

We need tires now!
Come on, let's go!

74

00:07:06,800 --> 00:07:09,400

- No, no, no, no! No tires, just gas!
- What?

75

00:07:09,520 --> 00:07:11,520

You need tires, you idiot!

76

00:07:11,840 --> 00:07:14,680

Looks like it's
gas-and-go's for McQueen today.

77

00:07:14,760 --> 00:07:16,120

Right. No tires again.

78

00:07:16,200 --> 00:07:18,760

That's a short-term gain,
long-term loss,

79

00:07:18,840 --> 00:07:22,360

but it's workin' for him. He obviously
knows somethin' we don't know.

80

00:07:30,160 --> 00:07:34,200

This is it, Darrell. One lap to go
and Lightning McQueen has a huge lead.

81

00:07:34,280 --> 00:07:37,000

He's got it in the bag.
Call in the dogs and put out the fire!

82

00:07:37,080 --> 00:07:39,280

We're gonna crown us a new champion!

83

00:07:45,520 --> 00:07:47,640

Checkered flag, here I come!

84

00:07:47,720 --> 00:07:49,600

No! McQueen's blown a tire!

85

00:07:49,680 --> 00:07:52,320

And with only one turn to go!

Can he make it?

86

00:07:52,400 --> 00:07:54,840

You fool!

87

00:07:56,160 --> 00:07:58,520

McQueen's blown a tire!

He's blown a tire!

88

00:07:58,600 --> 00:08:00,000

Go, go, go!

89

00:08:08,840 --> 00:08:10,480

He's lost another tire!

90

00:08:10,560 --> 00:08:13,640

- King and Chick come up fast!

- They're entering turn three!

91

00:08:13,720 --> 00:08:15,520

Come on.

92

00:08:17,320 --> 00:08:19,440

I don't believe

what I'm watching, Bob!

93

00:08:19,520 --> 00:08:22,920

Lightning McQueen

is 100 feet from his Piston Cup!

94

00:08:28,400 --> 00:08:30,920

The King and Chick

rounding turn four.

95

00:08:33,680 --> 00:08:36,800

Down the stretch they come!

And it's, and it's...

96

00:08:36,880 --> 00:08:39,560

- It's too close to call! Too close!

- I don't believe it!

97

00:08:39,600 --> 00:08:40,920

Lightning!

98

00:08:41,200 --> 00:08:44,080

- The most spectacular, amazing...

- I don't believe it!

99

00:08:44,160 --> 00:08:47,480

...unequivocally, unbelievable ending

in the history of the world!

100

00:08:47,560 --> 00:08:49,480

- And we don't know who won!

- Look at that!

101

00:08:59,760 --> 00:09:02,640

- That's very close to call.
- Can we play that again?

102

00:09:02,720 --> 00:09:04,840

Hey, no cameras! Get outta here!

103

00:09:04,880 --> 00:09:07,320

*<i>We're here in Victory Lane,
awaiting the results.</i>*

104

00:09:07,400 --> 00:09:09,760

*<i>McQueen, that was a risky move,
not taking tires.</i>*

105

00:09:09,840 --> 00:09:10,760

<i>Tell me about it!</i>

106

00:09:10,840 --> 00:09:13,400

*<i>Are you sorry you didn't have
a crew chief out there?</i>*

107

00:09:13,480 --> 00:09:16,760

<i>Oh, Kori. There's a lot more to racing

than just winning.</i>

108

00:09:16,840 --> 00:09:20,560

<i>I mean, taking the race by a full lap...

Where's the entertainment in that?</i>

109

00:09:20,640 --> 00:09:22,480

<i>I wanted to give folks a little sizzle.</i>

110

00:09:22,560 --> 00:09:24,600

<i>- Sizzle?

- Am I sorry I don't have a crew chief?</i>

111

00:09:24,680 --> 00:09:26,760

<i>No, I'm not.

'Cause I'm a one-man show.</i>

112

00:09:26,800 --> 00:09:28,200

<i>What? Oh, yeah, right.</i>

113

00:09:28,240 --> 00:09:30,240

<i>That was a confident

Lightning McQueen.</i>

114

00:09:30,320 --> 00:09:32,840

Live from Victory Lane,
I'm Kori Turbowitz.

115

00:09:32,880 --> 00:09:34,520

- Get outta the shot.
- Yo, Chuck.

116

00:09:34,600 --> 00:09:36,200

Chuck, what are you doing?
You're blockin' the camera!

117

00:09:36,280 --> 00:09:38,200

- Everyone wants to see the bolt.
- What?

118

00:09:38,280 --> 00:09:41,720

- Now, back away.
- That's it! Come on, guys.

119

00:09:41,800 --> 00:09:45,680

- Whoa, team! Where are you going?

- We quit, Mr. One-Man Show!

120

00:09:45,760 --> 00:09:47,400

Oh, OK, leave. Fine.

121

00:09:47,440 --> 00:09:51,080

How will I ever find anyone else
who knows how to fill me up with gas?

122

00:09:52,160 --> 00:09:54,920

- Adios, Chuck!

- And my name is not Chuck!

123

00:09:55,000 --> 00:09:56,600

Oh, whatever.

124

00:09:56,680 --> 00:09:58,600

Hey, Lightning! Yo! McQueen!

125

00:09:58,680 --> 00:10:01,840

Seriously, that was some
pretty darn nice racin' out there.

126

00:10:01,920 --> 00:10:04,040

- By me!

- Oh, yeah.

127

00:10:04,120 --> 00:10:06,560

- Zinger!

- Welcome to the Chick era, baby!

128

00:10:06,640 --> 00:10:09,160

The Piston Cup...

It's mine, dude. It's mine.

129

00:10:09,240 --> 00:10:13,640

Hey, fellas, how do you think

I'd look in Dinoco blue? Dinoco blue!

130

00:10:13,680 --> 00:10:15,440

In your dreams, Thunder.

131

00:10:15,520 --> 00:10:18,480

Yeah, right. Thunder?

What's he talkin' about, "Thunder"?

132

00:10:18,560 --> 00:10:21,280

You know, 'cause thunder
always comes after lightning.

133

00:10:21,360 --> 00:10:23,080

Ka-ping! Ka-pow!

134

00:10:23,120 --> 00:10:25,480

- Who knew about the thunder thing?
- I didn't.

135

00:10:25,520 --> 00:10:27,160

- Give us the bolt!
- That's right.

136

00:10:27,240 --> 00:10:28,640

Right in the lens.

137

00:10:28,800 --> 00:10:30,880

- Show me the bolt, baby!
- Smile, McQueen!

138

00:10:30,960 --> 00:10:34,120

- Show me the bolt, McQueen!

- That's it!

139

00:10:39,200 --> 00:10:43,480

That was one close finish.

You sure made Dinoco proud.

140

00:10:43,560 --> 00:10:44,480

Thank you, King.

141

00:10:44,560 --> 00:10:47,240

Well, Tex, you've been
good to me all these years.

142

00:10:47,280 --> 00:10:48,600

It's the least I could do.

143

00:10:48,680 --> 00:10:51,760

Whatever happens, you're a winner
to me, you old daddy rabbit.

144

00:10:51,840 --> 00:10:54,520

Thanks, dear.

Wouldn't be nothing without you.

145

00:10:54,600 --> 00:10:56,200

Kch-i-ka-chow!

146

00:10:57,240 --> 00:10:58,840

- I'm Mia.

- I'm Tia.

147

00:10:58,920 --> 00:11:02,040

We're, like, your biggest fans!

Ka-chow!

148

00:11:02,120 --> 00:11:04,480

I love being me.

149

00:11:04,560 --> 00:11:07,560

- OK, girls, that's it.

- We love you, Lightning!

150

00:11:09,440 --> 00:11:12,160

Hey, buddy.

You're one gutsy racer.

151

00:11:12,240 --> 00:11:13,720

Oh, hey, Mr. The King.

152

00:11:13,800 --> 00:11:15,520

You got more talent in one lug nut

153

00:11:15,600 --> 00:11:18,040

than a lot of cars has got

in their whole body.

154

00:11:18,120 --> 00:11:20,600

- Really? Oh, that...

- But you're stupid.

155

00:11:20,680 --> 00:11:23,120

- Excuse me?

- This ain't a one-man deal, kid.

156

00:11:23,200 --> 00:11:26,160

You need to wise up and get

a good crew chief and a good team.

157

00:11:26,240 --> 00:11:29,120

You ain't gonna win
unless you got good folks behind you,

158

00:11:29,200 --> 00:11:32,360

and you let them
do their job, like they should.

159

00:11:32,440 --> 00:11:35,080

- Like I tell the boys at the shop...
- A good team.

160

00:11:35,120 --> 00:11:36,960

Yeah...

161

00:11:44,400 --> 00:11:45,880

Ka-chow! Ka-pow!

162

00:12:04,880 --> 00:12:06,760

Oh, Lightning!

163

00:12:08,160 --> 00:12:10,880

If you figure that out
you just gonna be OK.

164

00:12:10,960 --> 00:12:14,440

Oh, yeah, that...
That is spectacular advice.

165

00:12:14,480 --> 00:12:15,880

Thank you, Mr. The King.

166

00:12:15,920 --> 00:12:17,960

Ladies and gentlemen,

167

00:12:18,000 --> 00:12:20,160

for the first time
in Piston Cup history...

168

00:12:20,240 --> 00:12:23,760

A rookie
has won the Piston Cup.

169

00:12:24,160 --> 00:12:25,160

Yes!

170

00:12:25,240 --> 00:12:28,040

...we have a three-way tie.

171

00:12:34,640 --> 00:12:37,360

Hey,

that must be really embarrassing.

172

00:12:37,440 --> 00:12:40,000

But I wouldn't worry about it.

Because I didn't do it!

173

00:12:41,040 --> 00:12:44,280

Piston Cup officials

have determined that a tiebreaker race

174

00:12:44,360 --> 00:12:48,400

between the three leaders

will be held in California in one week.

175

00:12:48,640 --> 00:12:51,760

Well, thank you! Thanks to

all of you out there! Thank you!

176

00:12:51,840 --> 00:12:55,400

Hey, first one to

California gets Dinoco all to himself.

177

00:12:55,440 --> 00:12:58,320

No, not me!

No, you rock, and you know that!

178

00:13:02,320 --> 00:13:04,520

Oh, yeah! Whoo!

179

00:13:06,400 --> 00:13:07,600

Yep! All right! Got it!

180

00:13:07,680 --> 00:13:11,000

"First one to California

gets Dinoco all to himself. "

181

00:13:11,080 --> 00:13:13,600

Oh, we'll see

who gets there first, Chick.

182

00:13:13,680 --> 00:13:14,720

Huh?

183

00:13:14,800 --> 00:13:17,960

- Hey, kid! Congrats on the tie.

- I don't want to talk about it.

184

00:13:18,040 --> 00:13:20,800

Let's go, Mack. Saddle up.

What'd you do with my trailer?

185

00:13:20,880 --> 00:13:22,960

- I parked it at your sponsor's tent.

- What?

186

00:13:23,040 --> 00:13:24,960

Gotta make your personal appearance.

187

00:13:25,040 --> 00:13:27,480

No. No! No, no, no, no!

188

00:13:27,600 --> 00:13:29,920

<i>Yes, yes, yes!

Lightning McQueen here.</i>

189

00:13:30,000 --> 00:13:33,480

<i>And I use Rust-eze Medicated

Bumper Ointment, new rear end formula!</i>

190

00:13:33,520 --> 00:13:37,080

<i>Nothing soothes a rusty bumper

like Rust-eze.</i>

191

00:13:37,480 --> 00:13:39,800

<i>Wow! Look at that shine!</i>

192

00:13:39,880 --> 00:13:43,440

<i>Use Rust-eze and you too

can look like me!</i>

193

00:13:43,520 --> 00:13:44,720

<i>Ka-chow!</i>

194

00:13:47,360 --> 00:13:49,760

I met this car from Swampscott.

195

00:13:49,840 --> 00:13:52,800

He was so rusty

he didn't even cast a shadow.

196

00:13:52,880 --> 00:13:55,600

You could see his dirty undercarriage.

197

00:13:55,680 --> 00:13:59,720

I hate rusty cars.

This is not good for my image.

198

00:13:59,800 --> 00:14:03,080

They did give you your big break.

Besides, it's in your contract.

199

00:14:03,120 --> 00:14:05,920

Oh, will you stop, please?

Just go get hooked up.

200

00:14:06,000 --> 00:14:09,760

- Winter is a grand old time.

- Of this there are no ifs or buts.

201

00:14:09,840 --> 00:14:12,200

But remember,

all that salt and grime...

202

00:14:12,240 --> 00:14:14,160

Can rust your bolts and freeze your...

203

00:14:14,200 --> 00:14:16,080

Hey, look! There he is!

204

00:14:16,160 --> 00:14:18,040

Our almost champ!

205

00:14:18,120 --> 00:14:19,720

Get your rear end in here.

206

00:14:19,760 --> 00:14:21,720

Lightning McQueen,

you are wicked fast!

207

00:14:21,800 --> 00:14:23,880

- That race was a pissar!

- You were booking!

208

00:14:23,920 --> 00:14:25,920

- Give me a little room.

- You're my hero!

209

00:14:26,000 --> 00:14:27,720

Yes, I know.

210

00:14:27,800 --> 00:14:29,280

"Fred. " Fred, thank you.

211

00:14:29,440 --> 00:14:31,840

He knows my name.

He knows my name!

212

00:14:32,680 --> 00:14:33,800

Looking good, Freddie!

213

00:14:33,880 --> 00:14:36,240

Thanks to you, Lightning,

we had a banner year!

214

00:14:36,320 --> 00:14:38,720

We might clear enough
to buy you some headlights.

215

00:14:38,800 --> 00:14:40,760

You saying he doesn't have headlights?

216

00:14:40,840 --> 00:14:43,080

That's what I'm telling ya.
They're stickers!

217

00:14:43,120 --> 00:14:46,000

Well, you know,
racecars don't need headlights,

218

00:14:46,080 --> 00:14:48,000

because the track is always lit.

219

00:14:48,080 --> 00:14:51,120

Yeah, well, so is my brother,
but he still needs headlights.

220

00:14:55,840 --> 00:14:59,440

- Ladies and gentlemen,

- Lightning McQueen!

221

00:15:02,320 --> 00:15:04,160

Free Bird!

222

00:15:04,240 --> 00:15:07,400

You know, the Rust-eze Medicated

Bumper Ointment team

223

00:15:07,480 --> 00:15:09,280

ran a great race today.

224

00:15:09,680 --> 00:15:11,880

And remember, with a little Rust-eze...

225

00:15:12,000 --> 00:15:14,080

And an insane

amount of luck,

226

00:15:14,160 --> 00:15:18,480

...you too, can look like me.

Ka-chow.

227

00:15:21,040 --> 00:15:22,440

- Hey, kid.

- We love ya.

228

00:15:22,480 --> 00:15:24,840

And we're looking forward

to another great year.

229

00:15:24,920 --> 00:15:26,160

Just like this year!

230

00:15:27,520 --> 00:15:29,880

Not on your life.

231

00:15:30,120 --> 00:15:33,520

- Don't drive like my brother!

- Yeah, don't drive like my brother!

232

00:15:33,600 --> 00:15:36,480

<i>California, here we come!</i>

233

00:15:36,560 --> 00:15:39,120

Dinoco, here we come!

234

00:17:22,920 --> 00:17:28,200

Oh... oh... uh,

I needed this. Hello?

235

00:17:28,280 --> 00:17:31,720

<i>Is this Lightning McQueen,
the world's fastest racing machine?</i>

236

00:17:31,800 --> 00:17:33,840

Is this Harv,
the world's greatest agent?

237

00:17:33,920 --> 00:17:36,560

<i>And it is such an honor
to be your agent</i>

238

00:17:36,640 --> 00:17:39,520

<i>that it almost hurts me to take

ten percent of your winnings.</i>

239

00:17:39,600 --> 00:17:44,520

<i>Merchandising. And ancillary rights in
perpetuity. Anyway, what a race, champ!</i>

240

00:17:44,560 --> 00:17:46,960

<i>I didn't see it,
but I heard you were great.</i>

241

00:17:47,040 --> 00:17:48,120

Thanks, Harv.

242

00:17:48,200 --> 00:17:51,720

<i>Listen, they're giving you 20 tickets
for the tiebreaker thing in Cali.</i>

243

00:17:51,760 --> 00:17:54,360

<i>I'll pass 'em on to your friends.
Shoot me the names.</i>

244

00:17:54,440 --> 00:17:57,440

<i>- You let Harv rock it for you, baby.

- Right. Friends.</i>

245

00:17:57,520 --> 00:17:59,360

Yes, there's...

246

00:18:01,080 --> 00:18:02,760

<i>OK, I get it, Mr. Popular.</i>

247

00:18:02,800 --> 00:18:05,800

<i>So many you can't even narrow it down.

Hey, when you get to town,</i>

248

00:18:05,880 --> 00:18:07,960

<i>you better make time

for your best friend!</i>

249

00:18:08,040 --> 00:18:10,120

<i>Break bread

with your mishpocheh here!</i>

250

00:18:10,160 --> 00:18:12,160

That'd be great!

We should totally...

251

00:18:12,240 --> 00:18:14,880

<i>OK, I gotta jump, kid.

Let me know how it goes. I'm out.</i>

252

00:18:19,000 --> 00:18:20,960

What? A minivan?

253

00:18:21,040 --> 00:18:22,640

<i>Come on, you're in the slow lane.</i>

254

00:18:22,720 --> 00:18:24,960

<i>This is Lightning McQueen

you're hauling here.</i>

255

00:18:25,040 --> 00:18:27,440

Just stopping off

for a quick breather, kid.

256

00:18:27,520 --> 00:18:29,840

<i>- Old Mack needs a rest.

- Absolutely not.</i>

257

00:18:29,920 --> 00:18:33,480

<i>We're driving all night till we
get to California. We agreed to it.</i>

258

00:18:33,560 --> 00:18:37,600

All night? May I remind you
federal DOT regs state...

259

00:18:37,680 --> 00:18:40,600

<i>Come on, I need to get there
before Chick and hang with Dinoco.</i>

260

00:18:40,680 --> 00:18:42,680

All those sleeping trucks.

261

00:18:42,760 --> 00:18:45,360

<i>Hey, kid,
I don't know if I can make it.</i>

262

00:18:45,440 --> 00:18:46,800

Oh, sure you can, Mack.

263

00:18:46,880 --> 00:18:49,120

Look, it'll be easy.

I'll stay up with you.

264

00:18:49,200 --> 00:18:51,920

<i>- All night?

- All night long.</i>

265

00:19:08,960 --> 00:19:11,520

Uh!

266

00:19:51,880 --> 00:19:54,280

Ah-choo!

267

00:20:07,840 --> 00:20:09,720

- Hey, yo, D.J.

- What up?

268

00:20:09,800 --> 00:20:12,680

We got ourselves a nodder.

269

00:20:19,360 --> 00:20:22,160

Pretty music.

270

00:20:22,240 --> 00:20:25,480

Yo, Wingo! Lane change, man.

271

00:20:25,720 --> 00:20:27,960

- Right back at ya!

- Yeah!

272

00:20:28,040 --> 00:20:31,000

- Oops! I missed.

- You going on vacation?

273

00:20:49,680 --> 00:20:52,840

- Oh, no, Snot Rod...

- He's gonna blow!

274

00:20:52,880 --> 00:20:55,600

Ah... Ah... Ah-choo!

275

00:20:55,760 --> 00:20:56,920

Gesundheit!

276

00:20:57,920 --> 00:21:00,920

One should never drive while drowsy.

277

00:21:12,800 --> 00:21:15,800

Uh! Ah!

278

00:21:18,240 --> 00:21:21,040

Mack!

279

00:21:26,720 --> 00:21:28,000

Mack!

280

00:21:33,880 --> 00:21:34,880

Mack!

281

00:21:35,440 --> 00:21:37,680

Hey, Mack! Mack!

282

00:21:39,720 --> 00:21:41,200

Mack!

283

00:21:41,280 --> 00:21:43,680

Mack, wait for me!

284

00:21:51,920 --> 00:21:53,120

Mack!

285

00:22:12,840 --> 00:22:14,840

Mack! Mack!

286

00:22:17,440 --> 00:22:19,280

Mack! Mack...

287

00:22:19,360 --> 00:22:21,720

...wait up! Mack.

288

00:22:22,920 --> 00:22:24,600

Mack! Mack!

289

00:22:24,680 --> 00:22:26,760

What? You're not Mack.

290

00:22:26,840 --> 00:22:31,400

Mack? I ain't no Mack!

I'm a Peterbilt, for dang sake!

291

00:22:31,760 --> 00:22:34,280

Turn on your lights, you moron!

292

00:22:38,640 --> 00:22:41,120

Mack... The Interstate!

293

00:22:51,760 --> 00:22:55,080

Huh?

294

00:22:55,120 --> 00:22:57,880

Not in my town, you don't.

295

00:23:02,040 --> 00:23:03,720

Oh, no.

296

00:23:03,840 --> 00:23:06,240

Oh, maybe he can help me!

297

00:23:06,320 --> 00:23:08,520

He's shooting at me!

Why is he shooting at me?

298

00:23:09,640 --> 00:23:11,800

I haven't gone this fast in years.

299

00:23:11,880 --> 00:23:14,600

I'm gonna

blow a gasket or somethin'.

300

00:23:14,640 --> 00:23:16,880

Serpentine! Serpentine, serpentine!

301

00:23:16,960 --> 00:23:18,600

What in the blue blazes?

302

00:23:18,640 --> 00:23:20,120

Crazy hot-rodder.

303

00:24:18,640 --> 00:24:23,040

I'm telling you, man,

every third blink is slower.

304

00:24:27,360 --> 00:24:29,920

The sixties weren't good to you,
were they?

305

00:24:38,960 --> 00:24:42,000

What? That's not the Interstate!

306

00:24:42,080 --> 00:24:43,880

Ah! Oh!

307

00:24:43,920 --> 00:24:47,080

Ow, ow, ow, ow, ow!

308

00:24:51,040 --> 00:24:52,320

No, no, no, no, no, no!

309

00:24:53,680 --> 00:24:54,720

Ow!

310

00:24:56,840 --> 00:24:59,720

I'm not the only one seeing this, right?

311

00:25:00,160 --> 00:25:01,800

- Incoming!

- Whoa, man.

312

00:25:01,840 --> 00:25:03,120

- No!

- Hey!

313

00:25:04,120 --> 00:25:05,360

Whoa, whoa, whoa, whoa!

314

00:25:06,320 --> 00:25:07,520

My tires!

315

00:25:51,280 --> 00:25:54,400

Fly away, Stanley. Be free!

316

00:26:03,680 --> 00:26:06,960

Boy, you're in a heap of trouble.

317

00:26:10,280 --> 00:26:12,880

<i>We're live at the Los Angeles
International Speedway</i>

318

00:26:12,960 --> 00:26:15,360

<i>as the first competitor,
Lightning McQueen,</i>

319

00:26:15,440 --> 00:26:17,640

<i>is arriving at the track.</i>

320

00:26:17,720 --> 00:26:19,560

<i>Is it true he's gonna pose for Cargirl?</i>

321

00:26:19,640 --> 00:26:20,760

<i>What's your strategy?</i>

322

00:26:22,720 --> 00:26:25,320

<i>What? Did I forget
to wipe my mud flaps?</i>

323

00:26:26,800 --> 00:26:30,000

<i>McQueen's driver arrived in California,
but McQueen was missing.</i>

324

00:26:30,080 --> 00:26:33,880

<i>- McQueen was reported missing.

- ... to race an unprecedented...</i>

325

00:26:33,960 --> 00:26:36,400

<i>Sponsor stated

they have no idea where he is.</i>

326

00:26:39,240 --> 00:26:42,560

I hope Lightning's OK. I'd hate

to see anything bad happen to him.

327

00:26:42,640 --> 00:26:46,680

<i>I don't know what's harder to find,

McQueen or a chief who'll work with him!</i>

328

00:26:46,760 --> 00:26:49,720

<i>Lightning McQueen

must be found at all costs!</i>

329

00:26:49,800 --> 00:26:53,600

<i>They're all asking the same question:

Where is McQueen?</i>

330

00:26:54,520 --> 00:26:56,600

Oh, boy.

331

00:26:57,560 --> 00:26:59,600

Where am I?

332

00:26:59,760 --> 00:27:02,160

- Mornin', sleepin' beauty!

- Ah!

333

00:27:02,840 --> 00:27:05,240

Boy, I was wonderin'
when you was gonna wake up.

334

00:27:05,320 --> 00:27:07,880

Take whatever you want!

Just don't hurt me!

335

00:27:08,160 --> 00:27:10,760

A parking boot?

Why do I have a parking boot on?

336

00:27:10,800 --> 00:27:15,560

- What's going on here? Please!

- You're funny.

337

00:27:15,640 --> 00:27:18,560

I like you already. My name's Mater.

338

00:27:20,040 --> 00:27:20,960

Mater?

339

00:27:21,040 --> 00:27:23,880

Yeah, like "tuh-mater,"

but without the "tuh".

340

00:27:23,920 --> 00:27:27,080

- What's your name?

- You don't know my name?

341

00:27:27,120 --> 00:27:28,080

Uh...

342

00:27:28,160 --> 00:27:31,400

No, I know your name.

Is your name Mater too?

343

00:27:31,480 --> 00:27:32,480

What?

344

00:27:32,560 --> 00:27:37,120

Look, I need to get to California
as fast as possible. Where am I?

345

00:27:37,200 --> 00:27:39,360

Where are you? Shoot!

346

00:27:39,440 --> 00:27:40,920

You're in Radiator Springs.

347

00:27:41,000 --> 00:27:44,240

The cutest little town
in Carburetor County.

348

00:27:44,320 --> 00:27:47,080

Oh, great. Just great!

349

00:27:47,120 --> 00:27:51,480

Well, if you think that's great,
you should see the rest of the town.

350

00:27:51,560 --> 00:27:55,200

You know,
I'd love to see the rest of the town!

351

00:27:55,400 --> 00:27:58,120

So if you could just open the gate,
take this boot off,

352

00:27:58,160 --> 00:28:00,800

you and me, we go cruisin',
check out the local scene...

353

00:28:00,880 --> 00:28:03,000

- Dad-gum!
- How'd that be, Tuhmater?

354

00:28:03,080 --> 00:28:04,520

- Cool!
- Mater!

355

00:28:04,600 --> 00:28:07,360

What did I tell you
about talkin' to the accused?

356

00:28:07,440 --> 00:28:08,840

To not to.

357

00:28:08,920 --> 00:28:13,160

Well, quit your yappin' and tow this
delinquent road hazard to traffic court.

358

00:28:13,240 --> 00:28:15,240

Well, we'll talk later, Mater.

359

00:28:15,320 --> 00:28:18,080

"Later, Mater. "

That's funny!

360

00:28:18,320 --> 00:28:19,280

Ah!

361

00:28:19,360 --> 00:28:22,920

The Radiator Springs

Traffic Court will come to order!

362

00:28:22,960 --> 00:28:26,360

Hey, you scratched my paint!

I oughta take a blowtorch to you, man!

363

00:28:26,440 --> 00:28:28,720

You broke-a the road!

You a very bad car!

364

00:28:28,800 --> 00:28:29,760

- Fascist!

- Commie!

365

00:28:29,840 --> 00:28:32,440

Officer, talk to me, babe.

How long is this gonna take?

366

00:28:32,520 --> 00:28:34,200

I gotta get to California, pronto.

367

00:28:34,280 --> 00:28:35,400

Where's your lawyer?

368

00:28:35,440 --> 00:28:38,600

I don't know. Tahiti maybe.

He's got a timeshare there.

369

00:28:38,640 --> 00:28:43,560

When a defendant has no lawyer,
the court will assign one to him. Hey!

370

00:28:43,640 --> 00:28:45,560

Anyone want to be his lawyer?

371

00:28:46,880 --> 00:28:49,120

Shoot, I'll do it, Sheriff!

372

00:28:49,200 --> 00:28:52,800

All rise! The Honorable
Doc Hudson presiding.

373

00:28:53,120 --> 00:28:54,200

Show-off.

374

00:28:54,280 --> 00:28:57,480

May Doc have mercy on your soul.

375

00:28:57,520 --> 00:28:58,680

All right,

376

00:28:58,760 --> 00:29:01,760

I wanna know who's responsible
for wreckin' my town, Sheriff.

377

00:29:01,800 --> 00:29:03,640

I want his hood on a platter!

378

00:29:03,720 --> 00:29:06,280

I'm gonna put him in jail till he rots!
No, check that.

379

00:29:06,320 --> 00:29:09,960

I'm gonna put him in jail till
the jail rots on top of him,

380

00:29:10,000 --> 00:29:13,520

and then I'm gonna move him
to a new jail and let that jail rot.

381

00:29:13,600 --> 00:29:15,040

I'm...

382

00:29:16,960 --> 00:29:18,800

Throw him out of here, Sheriff.

383

00:29:18,880 --> 00:29:22,120

I want him out of my courtroom.

I want him out of our town!

384

00:29:22,240 --> 00:29:23,760

- Case dismissed.

- Yes!

385

00:29:23,840 --> 00:29:26,000

Boy, I'm purty good

at this lawyerin' stuff.

386

00:29:26,080 --> 00:29:27,480

Sorry I'm late, Your Honor!

387

00:29:28,480 --> 00:29:32,320

Holy Porsche! She's gotta be
from my attorney's office.

388

00:29:32,400 --> 00:29:34,760

Hey, thanks for comin',
but we're all set.

389

00:29:34,800 --> 00:29:37,160

- He's letting me go.
- He's letting you go?

390

00:29:37,200 --> 00:29:39,080

Yeah, your job's pretty easy today.

391

00:29:39,120 --> 00:29:42,160

All you have to do now is stand there
and let me look at you.

392

00:29:42,240 --> 00:29:45,640

Listen, I'm gonna cut to the chase.
Me, you, dinner. Pi-cha-kow!

393

00:29:46,040 --> 00:29:47,600

- What the...? Ow! Oh!

- Ka-chow!

394

00:29:47,680 --> 00:29:50,600

- Please!

- I know. I get that reaction a lot.

395

00:29:50,760 --> 00:29:54,120

I create feelings in others that
they themselves don't understand.

396

00:29:54,200 --> 00:29:55,800

Agh! Ow!

397

00:29:55,880 --> 00:29:58,160

Oh, I'm sorry. Did I scare you?

398

00:29:58,240 --> 00:30:00,160

A little bit, but I'll be all right.

399

00:30:00,240 --> 00:30:03,880

OK. I'm gonna go talk to the judge.

400

00:30:03,920 --> 00:30:06,400

Do what you gotta do, baby.

But listen. Be careful.

401

00:30:06,480 --> 00:30:10,040

Folks around here are not firing on
all cylinders, if you know what I mean.

402

00:30:10,160 --> 00:30:12,040

Ka-ching!

403

00:30:12,080 --> 00:30:13,120

Ah!

404

00:30:13,280 --> 00:30:15,120

I'll keep that in mind.

405

00:30:15,280 --> 00:30:17,600

- Hey there, Mater.

- Howdy, Sally.

406

00:30:17,960 --> 00:30:20,160

- Hi, folks!

- Good morning!

407

00:30:20,880 --> 00:30:21,800

You know her?

408

00:30:21,880 --> 00:30:24,720

She's the town attorney and my fiancée.

409

00:30:24,800 --> 00:30:25,760

What?

410

00:30:25,840 --> 00:30:29,760

Nah, I'm just kiddin'.

She just likes me for my body.

411

00:30:29,840 --> 00:30:33,480

You look great. You do something
different with your side view mirrors?

412

00:30:33,560 --> 00:30:35,160

What do you want, Sally?

413

00:30:35,240 --> 00:30:38,440

Come on, make this guy
fix the road. The town needs this.

414

00:30:38,520 --> 00:30:41,560

No. I know his type. Racecar.

415

00:30:41,640 --> 00:30:43,600

That's the last thing this town needs.

416

00:30:43,680 --> 00:30:48,000

OK, I didn't want to have to do this,
Doc, but you leave me no choice.

417

00:30:48,080 --> 00:30:51,840

Fellow citizens, you're all aware
of our town's proud history.

418

00:30:51,920 --> 00:30:53,280

Here she goes again.

419

00:30:53,320 --> 00:30:55,920

Radiator Springs,
the glorious jewel

420

00:30:56,000 --> 00:30:59,480

strung on the necklace
of Route 66, the mother road!

421

00:30:59,560 --> 00:31:03,200

It is our job and our pleasure
to take care of the travelers

422

00:31:03,280 --> 00:31:06,120

- on our stretch of that road.
- Travelers? What travelers?

423

00:31:06,200 --> 00:31:07,320

Ignore him.

424

00:31:07,400 --> 00:31:10,600

But how, I ask you,
are we to care for those travelers

425

00:31:10,680 --> 00:31:12,920

if there is no road

for them to drive on?

426

00:31:13,000 --> 00:31:15,680

- Luigi, what do you have at your store?

- Tires.

427

00:31:15,760 --> 00:31:17,160

And if no one can get to you?

428

00:31:17,240 --> 00:31:21,400

I won't sell any... tires.

I will lose everything!

429

00:31:21,480 --> 00:31:24,200

- Flo, what do you have at your store?

- I have gas.

430

00:31:24,240 --> 00:31:27,520

- Lotsa gas!

- OK boys, stay with me.

431

00:31:27,600 --> 00:31:30,960

And, Flo, what'll happen if no one
can come to your station to buy gas?

432

00:31:31,040 --> 00:31:34,400

I'll go outta business and...
we'll have to leave town.

433

00:31:34,440 --> 00:31:37,440

What's gonna happen if Flo
leaves town and closes her station?

434

00:31:37,520 --> 00:31:40,000

- Without gas, we're done for!
- What?

435

00:31:40,080 --> 00:31:42,760

Don't you think the car responsible
should fix our road?

436

00:31:42,840 --> 00:31:45,960

The only guy strong enough

to fix that road is Big Al!

437

00:31:46,000 --> 00:31:48,160

Lizzie, Big Al left like, 15 years ago.

438

00:31:48,240 --> 00:31:50,160

Then why are you bringing
him up, you lemon?

439

00:31:50,240 --> 00:31:51,200

Oh, he can do it.

440

00:31:51,280 --> 00:31:53,960

He's got the horsepower.
So, what do you want him to do?

441

00:31:54,000 --> 00:31:55,400

Fix the road!

442

00:31:55,480 --> 00:31:58,880

- Because we are a town worth fixing!
- Yeah!

443

00:32:00,240 --> 00:32:03,320

Order in the court!

444

00:32:04,080 --> 00:32:06,720

Seems like my mind
has been changed for me.

445

00:32:06,800 --> 00:32:08,680

- Yeah!

- No!

446

00:32:08,760 --> 00:32:10,040

Nice ruling.

447

00:32:10,760 --> 00:32:14,080

Oh, I am so not taking you to dinner.

448

00:32:14,160 --> 00:32:17,880

That's OK, Stickers.
You can take Bessie.

449

00:32:18,080 --> 00:32:19,720

Man, you get to work with Bessie!

450

00:32:19,760 --> 00:32:22,280

I'd give my left two lug nuts
for somethin' like that.

451

00:32:22,360 --> 00:32:24,920

Bessie? Who's Bessie?

452

00:32:27,040 --> 00:32:30,840

This here is Bessie,
finest road-pavin' machine ever built.

453

00:32:30,920 --> 00:32:33,840

I'm hereby sentencing you
to community service.

454

00:32:33,920 --> 00:32:36,520

You're gonna fix the road
under my supervision.

455

00:32:36,600 --> 00:32:38,840

What? This place is crazy!

456

00:32:38,920 --> 00:32:41,000

I know this may be
a bad time right now,

457

00:32:41,040 --> 00:32:43,920

but you owe me \$32,000
in legal fees.

458

00:32:44,000 --> 00:32:44,960

What?

459

00:32:45,040 --> 00:32:48,440

We're gonna hitch you up to Bessie,
and you're gonna pull her nice.

460

00:32:48,520 --> 00:32:50,040

You gotta be kidding me.

461

00:32:50,120 --> 00:32:52,680

You start there where the road begins.

462

00:32:53,040 --> 00:32:55,880

You finish down there
where the road ends.

463

00:32:57,800 --> 00:32:59,960

Holy shoot!

464

00:33:00,480 --> 00:33:02,760

Whoa, whoa, whoa!
How long is this gonna take?

465

00:33:02,840 --> 00:33:06,240

Well, fella does it right,
should take him about five days.

466

00:33:06,320 --> 00:33:07,440

Five days?

467

00:33:07,520 --> 00:33:10,320

But I should be in California
schmoozing Dinoco right now!

468

00:33:10,400 --> 00:33:13,240

Then if I were you,
I'd quit yappin' and start workin'!

469

00:33:13,320 --> 00:33:15,680

- Hook him up, Mater.

- Okay-dokey.

470

00:33:23,440 --> 00:33:25,600

Freedom!

471

00:33:30,680 --> 00:33:34,080

Maybe I should've

hooked him up to Bessie...

472

00:33:34,800 --> 00:33:37,960

...and then...

then took the boot off.

473

00:33:39,400 --> 00:33:41,680

Whoo-hoo!

474

00:33:42,400 --> 00:33:46,240

Goodbye, Radiator Springs,

and goodbye, Bessie!

475

00:33:46,280 --> 00:33:50,000

California, here I come! Yeah!

476

00:33:52,280 --> 00:33:54,200

Oh, feel that wind.

477

00:33:54,600 --> 00:33:56,160

Yes!

478

00:33:57,280 --> 00:33:59,200

No. No, no, no.

479

00:33:59,520 --> 00:34:01,720

No, no, no, no, no. Outta gas?

480

00:34:01,800 --> 00:34:03,680

How can I be outta gas?

481

00:34:03,760 --> 00:34:07,560

Boy, we ain't

as dumb as you think we are.

482

00:34:07,640 --> 00:34:09,880

But how did,
how did... you...?

483

00:34:09,960 --> 00:34:12,200

We siphoned your gas
while you were passed out.

484

00:34:12,240 --> 00:34:15,040

- Ka-chow.
- Ow, ow, ow, ow.

485

00:34:23,120 --> 00:34:25,400

- Gentlemen.
- Sheriff.

486

00:34:25,480 --> 00:34:26,520

Hey, Sheriff.

487

00:34:26,600 --> 00:34:28,760

<i>- Why here?

- Sono sempre stati qui.</i>

488

00:34:28,840 --> 00:34:31,200

<i>- They were better before.

- Stai sempre a parlare.</i>

489

00:34:31,280 --> 00:34:33,080

- Guido!

- Red, can you move over?

490

00:34:33,160 --> 00:34:35,880

I want to get a look

at that sexy hot rod.

491

00:34:35,920 --> 00:34:38,640

You know, I used to be

a purty good whistler.

492

00:34:38,720 --> 00:34:41,320

I can't do it now, of course,

on account of sometimes

493

00:34:41,400 --> 00:34:44,200

I get fluid built up
in my engine block,

494

00:34:44,240 --> 00:34:47,480

but Doc said he's gonna fix it.
He can fix about anything.

495

00:34:47,560 --> 00:34:49,680

That's why we made him the judge.

496

00:34:49,840 --> 00:34:53,840

<i>Boy, you shoulda heard me on
Giddy-up, Oom Papa Mow Mow.</i>

497

00:34:53,920 --> 00:34:55,240

Now, I'm not one to brag

498

00:34:55,280 --> 00:34:58,440

but people come purty far
to see me get low on the "Mow-Mow".

499

00:34:58,920 --> 00:34:59,880

Oh!

500

00:34:59,960 --> 00:35:02,680

- Aw, man, that's just great!

- Hey, what's wrong?

501

00:35:02,760 --> 00:35:04,480

My lucky sticker's all dirty.

502

00:35:04,560 --> 00:35:06,720

Ah, that ain't nothin'.

I'll clean it for ya.

503

00:35:06,760 --> 00:35:11,280

No, no, no!

504

00:35:11,360 --> 00:35:13,600

That won't be necessary.

505

00:35:14,600 --> 00:35:17,800

Hey! Hey, big fella!

Yeah, you in the red!

506

00:35:17,840 --> 00:35:20,360

I could use a little hose down.

Help me wash this off.

507

00:35:22,720 --> 00:35:23,680

Where's he goin'?

508

00:35:23,760 --> 00:35:27,040

Oh, he's a little bit shy, and

he hates you for killin' his flowers.

509

00:35:27,080 --> 00:35:28,560

I shouldn't put up with this.

510

00:35:28,640 --> 00:35:31,400

I'm a precision instrument

of speed and aerodynamics.

511

00:35:31,440 --> 00:35:34,360

- You hurt your what?

- I'm a very famous racecar!

512

00:35:34,600 --> 00:35:37,680

You are a famous racecar?

A real racecar?

513

00:35:37,760 --> 00:35:40,280

Yes, I'm a real racecar.

What do you think? Look at me.

514

00:35:40,360 --> 00:35:44,160

I have followed racing my entire life.

My whole life!

515

00:35:44,240 --> 00:35:46,440

Then you know who I am.

I'm Lightning McQueen.

516

00:35:46,520 --> 00:35:48,520

- Lightning McQueen?

- Yes! Yes!

517

00:35:48,600 --> 00:35:50,520

I must scream it to the world!

518

00:35:50,600 --> 00:35:54,640

My excitement from the top
of someplace very high!

519

00:35:54,720 --> 00:35:57,120

- Do you know many Ferraris?

- No, no, no, no, no.

520

00:35:57,200 --> 00:36:00,040

They race on the European circuit.

I'm in the Piston Cup!

521

00:36:00,760 --> 00:36:03,560

- What?

- Luigi follow only the Ferraris.

522

00:36:08,240 --> 00:36:10,720

Is that what I think it is?

523

00:36:12,200 --> 00:36:13,440

Customers.

524

00:36:13,520 --> 00:36:16,800

Customers!

Customers, everyone! Customers!

525

00:36:16,880 --> 00:36:18,200

- OK!

- Customers?

526

00:36:18,280 --> 00:36:21,000

Been a long time.

Remember what we rehearsed.

527

00:36:21,040 --> 00:36:23,520

Make sure your

"Open, please come in" signs are out.

528

00:36:23,560 --> 00:36:26,960

You all know what to do.

All right, nobody panics. Here we go!

529

00:36:27,040 --> 00:36:29,600

Van, I just don't see

any on-ramp anywhere.

530

00:36:29,640 --> 00:36:33,880

- Minny, I know exactly where we are.
- Yeah, we're in the middle of nowhere.

531

00:36:33,960 --> 00:36:36,520

- Honey, please.
- Hello.

532

00:36:36,560 --> 00:36:39,400

Welcome to Radiator Springs,
gateway to Ornament Valley.

533

00:36:39,480 --> 00:36:41,640

Legendary for
its service and hospitality.

534

00:36:41,720 --> 00:36:42,720

How can we help you?

535

00:36:42,760 --> 00:36:46,680

- We don't need anything, thank you.
- Ask for directions to the Interstate.

536

00:36:46,760 --> 00:36:49,840

There's no need to ask for directions.

I know where we're going.

537

00:36:49,920 --> 00:36:52,240

He did the same thing

on our trip to Shakopee.

538

00:36:52,320 --> 00:36:55,040

We were headed over there

for the Crazy Days, and we...

539

00:36:55,080 --> 00:36:58,040

- OK. Really. We're just peachy, OK?

- What you really need

540

00:36:58,120 --> 00:37:02,000

is the sweet taste

of my homemade, organic fuel.

541

00:37:02,080 --> 00:37:03,720

No, it doesn't agree with my tank.

542

00:37:03,760 --> 00:37:06,840

- Just trying to find the Interstate.
- Good to see you, soldier!

543

00:37:06,920 --> 00:37:10,120

Come on by Sarge's Surplus Hut
for your government surplus needs.

544

00:37:10,160 --> 00:37:12,400

- Honey, surplus!
- We have too much surplus.

545

00:37:12,480 --> 00:37:14,720

I do have a map
over at the Cozy Cone Motel.

546

00:37:14,760 --> 00:37:17,800

And if you stay, we offer a free
Lincoln Continental breakfast.

547

00:37:17,880 --> 00:37:21,480

- Honey, she's got a map.
- I don't need a map! I have the GPS.

548

00:37:21,520 --> 00:37:24,840

- Never need a map again, thank you.
- How 'bout somethin' to drink?

549

00:37:24,920 --> 00:37:28,680

Stop at Flo's V-Eight Café.

Finest fuel on Route 66.

550

00:37:28,760 --> 00:37:29,880

No we just topped off.

551

00:37:29,960 --> 00:37:33,640

And if you need tires,
stop by Luigi's Casa Della Tires,

552

00:37:33,720 --> 00:37:36,080

home of the Leaning Tower of Tires.

553

00:37:36,160 --> 00:37:39,360

- We're trying to find the Interstate.
- But you do need a paint job.

554

00:37:39,400 --> 00:37:42,440

Ramone will paint you up right.

Hey, anything you want!

555

00:37:42,520 --> 00:37:44,720

- You know, like a flame job.

- No thanks...

556

00:37:44,800 --> 00:37:46,080

Maybe ghost flames!

557

00:37:46,120 --> 00:37:48,600

You like old school pinstripin'?

Von Dutch style?

558

00:37:48,680 --> 00:37:52,400

Oh, honey, look. Von Dutch.

559

00:37:52,480 --> 00:37:55,360

OK, no.

We're gonna be going now, OK?

560

00:37:55,440 --> 00:37:56,880

Ow!

561

00:37:56,960 --> 00:38:00,040

A little somethin'

to remember us by, OK?

562

00:38:00,240 --> 00:38:02,240

- OK!

- Come back soon, OK?

563

00:38:02,320 --> 00:38:05,680

I mean, you know where we are!

Tell your friends!

564

00:38:07,240 --> 00:38:09,200

OK! Yes. You bet.

565

00:38:09,280 --> 00:38:11,440

Thanks again, folks.

Bye-bye now.

566

00:38:11,520 --> 00:38:14,480

Psst! Psst!

Hey! Hey, hey, hey!

567

00:38:14,560 --> 00:38:16,640

- I know how to get to the Interstate!

- Do ya?

568

00:38:16,680 --> 00:38:19,240

- Minny, no.

- Yeah, yeah, yeah.

569

00:38:19,320 --> 00:38:20,720

No, not really. But listen.

570

00:38:20,800 --> 00:38:24,280

I'm Lightning McQueen, famous racecar.

I'm being held against my will.

571

00:38:24,360 --> 00:38:26,760

I need you to call my team,
so they can come rescue me

572

00:38:26,840 --> 00:38:30,520

and get me to California in time for me
to win the Piston Cup. Understand?

573

00:38:31,440 --> 00:38:33,640

<i>No, no, no, no, no, no, no.</i>

574

00:38:33,680 --> 00:38:37,400

No, it's the truth! I'm telling you!

You gotta help me! Don't leave me here!

575

00:38:37,480 --> 00:38:40,520

I'm in hillbilly hell!

My IQ's dropping by the second!

576

00:38:40,560 --> 00:38:42,560

I'm becoming one of them!

577

00:38:44,400 --> 00:38:46,440

OK, don't worry.

They know where we are now.

578

00:38:46,480 --> 00:38:48,200

They'll tell friends. You'll see.

579

00:38:48,240 --> 00:38:51,000

<i>We'll be back

for our Hank Williams marathon...</i>

580

00:38:51,080 --> 00:38:53,680

<i>- That's good.

- ... after a Piston Cup update.</i>

581

00:38:53,760 --> 00:38:57,480

<i>Still no sign of Lightning

McQueen. Chick arrived in California</i>

582

00:38:57,560 --> 00:39:00,880

<i>and today became the first car

to spend practice time on the track.</i>

583

00:39:00,960 --> 00:39:04,000

<i>It's nice to get out here

before the other competitors.</i>

584

00:39:04,040 --> 00:39:07,680

<i>You know, get a head start.

Gives me an edge.</i>

585

00:39:10,960 --> 00:39:12,680

Hoo-hoo-hoo!

586

00:39:17,560 --> 00:39:18,520

Ha-ha!

587

00:39:22,200 --> 00:39:23,160

Yeah!

588

00:39:34,320 --> 00:39:36,520

Hey, McQueen...

Eat your heart out.

589

00:39:37,000 --> 00:39:38,760

Oh!

590

00:39:38,800 --> 00:39:40,120

Let me get this straight.

591

00:39:40,200 --> 00:39:43,000

I can go when this road is done.

That's the deal, right?

592

00:39:43,080 --> 00:39:46,640

- That's what they done did said.

- OK. Outta my way.

593

00:39:46,720 --> 00:39:47,760

I got a road to finish.

594

00:39:59,120 --> 00:40:01,440

- He's done!

- Done?

595

00:40:01,480 --> 00:40:03,760

- Uh-huh.

- It's only been an hour.

596

00:40:05,640 --> 00:40:08,840

Ah, I'm done. Look, I'm finished.

597

00:40:08,880 --> 00:40:11,640

Say thanks, and I'll be on my way.

That's all you gotta say.

598

00:40:12,200 --> 00:40:15,720

Whee-hoo!

I'm the first one on the new road!

599

00:40:16,280 --> 00:40:17,800

Oh!

600

00:40:19,080 --> 00:40:21,680

It rides purty smooth.

601

00:40:21,920 --> 00:40:25,240

- It looks awful!

- Well, it matches the rest of the town.

602

00:40:25,320 --> 00:40:28,680

Oh!

603

00:40:29,040 --> 00:40:30,960

Red.

604

00:40:33,480 --> 00:40:34,760

Who do you think you are?

605

00:40:34,800 --> 00:40:37,960

Look, Doc said when I finish,
I could go. That was the deal.

606

00:40:38,040 --> 00:40:41,320

The deal was you fix the road,
not make it worse.

607

00:40:41,400 --> 00:40:43,760

Now, scrape it off!
Start over again.

608

00:40:43,840 --> 00:40:47,320

Hey, look, grandpa,
I'm not a bulldozer. I'm a racecar.

609

00:40:47,400 --> 00:40:48,800

Oh-ho-ho-ho!

610

00:40:48,880 --> 00:40:52,960

Is that right? Then why don't we
just have a little race? Me and you.

611

00:40:53,040 --> 00:40:56,680

- What?

- Me and you. That a joke?

612

00:40:56,720 --> 00:40:59,000

If you win, you go and I fix the road.

613

00:40:59,080 --> 00:41:01,640

If I win, you do the road my way.

614

00:41:01,720 --> 00:41:03,200

Doc, what're you doin'?

615

00:41:03,560 --> 00:41:05,320

I don't mean to be rude here,

616

00:41:05,360 --> 00:41:08,960

but you probably go zero to sixty in,
like, what? Three-point-five years?

617

00:41:09,000 --> 00:41:11,440

Then I reckon

you ain't got nothin' to worry about.

618

00:41:11,520 --> 00:41:16,000

You know what, old-timer?

That's a wonderful idea. Let's race.

619

00:41:17,640 --> 00:41:20,080

Gentlemen,

this will be a one-lap race.

620

00:41:20,160 --> 00:41:24,480

You will drive to Willy's Butte,

go around Willy's Butte and come back.

621

00:41:24,520 --> 00:41:27,360

There will be no bumpin',

no cheatin', no spittin',

622

00:41:27,400 --> 00:41:29,840

no bitin', no road rage, no maimin',

623

00:41:29,920 --> 00:41:34,840

no oil slickin', no pushin', no shovin',
no backstabbin', no road-hoggin',

624

00:41:34,920 --> 00:41:36,600

and no lollygaggin'.

625

00:41:36,680 --> 00:41:38,160

Speed. I'm speed.

626

00:41:38,240 --> 00:41:40,680

Float like a Cadillac,
sting like a Beemer.

627

00:41:41,880 --> 00:41:46,480

My friend Guido, he dream to give
a real racecar a pit stop.

628

00:41:46,560 --> 00:41:48,960

- Peet stop!

- Uh...

629

00:41:49,040 --> 00:41:51,800

The race is only one lap, guys.

630

00:41:51,880 --> 00:41:54,240

<i>Uno lappo! Don't need any help.</i>

631

00:41:54,320 --> 00:41:58,000

<i>- I work solo mio.

- Fine. Race your way.</i>

632

00:41:59,240 --> 00:42:02,960

- No pit stoppo. Comprendo?

- OK.

633

00:42:03,080 --> 00:42:04,960

Gentlemen...

634

00:42:05,600 --> 00:42:08,320

...start your engines!

635

00:42:14,800 --> 00:42:17,080

<i>- Hijole! Check that out!

- Whoa.</i>

636

00:42:17,160 --> 00:42:20,120

Great idea, Doc.

Now the road will never get done.

637

00:42:20,480 --> 00:42:21,720

Luigi?

638

00:42:21,800 --> 00:42:24,840

On your mark, get set...

639

00:42:24,920 --> 00:42:27,080

<i>Uno for the money,
due for the show,</i>

640

00:42:27,120 --> 00:42:32,600

<i>tre to get ready, and quattro
to... I can't believe it. Go!</i>

641

00:42:40,720 --> 00:42:42,000

Huh?

642

00:42:42,600 --> 00:42:45,040

Doc... the flag means go.

643

00:42:45,120 --> 00:42:48,320

Remember the fl...

Here we go. Go.

644

00:42:48,360 --> 00:42:51,000

Doc, what are you doing, man?

645

00:42:51,080 --> 00:42:54,480

Oh, dear. It would seem

I'm off to a poor start.

646

00:42:54,560 --> 00:42:57,560

Well, better late than never.

Come on, Mater.

647

00:42:57,640 --> 00:43:00,280

- Might need a little help.

- Uh... OK.

648

00:43:01,920 --> 00:43:03,280

You got your tow cable?

649

00:43:03,360 --> 00:43:05,480

Well, yeah,

I always got my tow cable. Why?

650

00:43:05,520 --> 00:43:07,720

Oh, just in case.

651

00:43:15,920 --> 00:43:18,040

Ow! Ow!

Ow, ow, ow, ow, ow.

652

00:43:18,120 --> 00:43:19,760

No, no, no, no, no!

653

00:43:19,880 --> 00:43:22,200

- Oh, man!

- Whoa.

654

00:43:22,920 --> 00:43:25,120

- Ow!

- Bad trip, man.

655

00:43:28,160 --> 00:43:33,920

Hey! Was that floatin' like a Cadillac
or was that stingin' like a Beemer?

656

00:43:33,960 --> 00:43:36,240

I'm confused.

657

00:43:36,320 --> 00:43:38,320

You drive like you fix roads.

658

00:43:38,400 --> 00:43:41,480

Lousy! Have fun fishin', Mater.

659

00:43:45,120 --> 00:43:46,880

Ah!

660

00:43:47,560 --> 00:43:50,440

I'm startin' to think he knowed
you was gonna crash!

661

00:43:50,480 --> 00:43:53,480

Thank you, Mater. Thank you.

662

00:43:56,480 --> 00:43:58,320

I can make a little turn on dirt.

663

00:43:58,400 --> 00:43:59,760

You think?

664

00:43:59,840 --> 00:44:04,120

No. And now I'm a day behind.

I'm never gonna get outta here!

665

00:44:04,200 --> 00:44:06,560

<i>Hey, ése!

You need a new paint job, man!*</i>*

666

00:44:06,600 --> 00:44:09,480

- No, thank you.

- How 'bout some organic fuel?

667

00:44:09,520 --> 00:44:11,800

- That freak juice?

- Pass.

668

00:44:11,880 --> 00:44:16,160

Whoo! Watchin' him is makin' me thirsty.

Anybody else want somethin' to drink?

669

00:44:16,200 --> 00:44:17,760

Nah, not me, Flo.

670

00:44:17,800 --> 00:44:20,200

I'm on one of them there special diets.

671

00:44:20,240 --> 00:44:24,640

I'm a precisional instrument

of speed and aero-matics.

672

00:44:25,200 --> 00:44:27,400

"You race like you fix roads. "

673

00:44:27,440 --> 00:44:32,040

I'll show him.

I will show him!

674

00:44:40,040 --> 00:44:44,200

Oh, great! I hate it!

675

00:44:44,240 --> 00:44:47,720

- Hate, hate, hate, hate it!

- Music. Sweet music.

676

00:44:48,880 --> 00:44:51,360

Maybe this wasn't such a good idea.

677

00:44:51,400 --> 00:44:54,040

Radiator Springs, a happy place!

678

00:44:54,120 --> 00:44:57,000

OK, Bessie, you think that's funny?

679

00:44:59,440 --> 00:45:03,080

Great! I'm talking to Bessie now!

I'm talking to Bessie!

680

00:45:15,600 --> 00:45:16,640

Wow.

681

00:45:16,960 --> 00:45:18,600

Mornin', Sally!

682

00:45:18,640 --> 00:45:23,640

Hey, look at this here fancy new road
that Lightnin' McQueen done just made!

683

00:45:23,720 --> 00:45:25,640

Yes! Uh, amazing!

684

00:45:26,120 --> 00:45:29,600

Whoa-ho! Yeah!

685

00:45:29,640 --> 00:45:33,680

Oh, Ramone! Mama ain't
seen you that low in years.

686

00:45:33,760 --> 00:45:36,200

I haven't seen a road like this
in years.

687

00:45:36,280 --> 00:45:40,240

- Well, then let's cruise, baby.

- Low and slow.

688

00:45:40,320 --> 00:45:42,440

<i>E bellissima! It's beautiful!</i>

689

00:45:42,480 --> 00:45:46,080

Guido, look, it's-a like
it was paved by angels.

690

00:45:46,960 --> 00:45:48,200

Boy, I tell you what.

691

00:45:48,280 --> 00:45:51,000

I bet even the roads on the moon
ain't this smooth.

692

00:45:51,080 --> 00:45:52,680

Doc, look at this!

693

00:45:52,800 --> 00:45:55,560

Shoulda tossed him into
the cactus a lot sooner, huh?

694

00:45:55,600 --> 00:45:58,960

Well, he ain't finished yet.

Still got a long way to go.

695

00:45:59,040 --> 00:46:01,880

Guido, look at Luigi!

696

00:46:02,440 --> 00:46:04,120

<i>This is fantastico!</i>

697

00:46:04,200 --> 00:46:07,520

That looks like fun!

Mater, I got dibs, next turn!

698

00:46:07,560 --> 00:46:11,720

Hey, Luigi, this new road
makes your place look like a dump.

699

00:46:12,360 --> 00:46:14,920

That crazy old devil woman.

700

00:46:15,400 --> 00:46:18,640

Oh!

701

00:46:18,720 --> 00:46:20,480

She's right!

702

00:46:20,520 --> 00:46:22,040

- Ah!

- Guido!

703

00:46:22,120 --> 00:46:25,720

Huh. That punk actually did a good job.

704

00:46:26,920 --> 00:46:30,600

Well, now... where the heck is he?

705

00:46:36,680 --> 00:46:39,280

Sheriff!

Is he makin' another run for it?

706

00:46:39,360 --> 00:46:42,600

No, no. He ran outta asphalt
in the middle of the night,

707

00:46:42,640 --> 00:46:44,920

and asked me if he could
come down here.

708

00:46:45,000 --> 00:46:47,280

All he's tryin' to do
is make that there turn.

709

00:46:47,360 --> 00:46:50,080

No, no, no, no! Oh, great.

710

00:46:50,520 --> 00:46:52,960

Perfect turns on every track
I've ever raced on.

711

00:46:55,080 --> 00:46:58,880

Sheriff, why don't you go get yourself
a quart of oil at Flo's.

712

00:46:58,920 --> 00:47:00,280

I'll keep an eye on him.

713

00:47:00,360 --> 00:47:04,080

Well, thanks, Doc.

I've been feelin' a quart low.

714

00:47:17,880 --> 00:47:20,240

This ain't asphalt, son. This is dirt.

715

00:47:20,320 --> 00:47:22,920

Oh, great. What do you want?

You here to gloat?

716

00:47:23,000 --> 00:47:26,200

You don't have three-wheel brakes,
so you got to pitch it hard,

717

00:47:26,280 --> 00:47:29,600

break it loose and then
just drive it with the throttle.

718

00:47:29,680 --> 00:47:32,640

Give it too much, you'll be
outta the dirt and into the tulips.

719

00:47:32,680 --> 00:47:35,680

So you're a judge,
a doctor and a racing expert.

720

00:47:35,720 --> 00:47:37,320

I'll put it simple.

721

00:47:37,400 --> 00:47:41,400

If you're goin' hard enough left,
you'll find yourself turnin' right.

722

00:47:42,440 --> 00:47:47,600

Oh... Right. That makes perfect sense.
Turn right to go left! Yes! Thank you!

723

00:47:47,680 --> 00:47:49,400

Or should I say, "No, thank you"?

724

00:47:49,480 --> 00:47:52,920

Because in Opposite World,
maybe that really means, "Thank you"!

725

00:47:55,600 --> 00:47:58,880

Crazy grandpa car. What an idiot!

726

00:48:06,200 --> 00:48:08,040

Turn right to go left.

727

00:48:09,280 --> 00:48:11,200

Hmm...

728

00:48:11,240 --> 00:48:12,280

Whoa!

729

00:48:13,600 --> 00:48:15,920

Oh!

730

00:48:16,360 --> 00:48:20,160

Ow! Oh, that...

731

00:48:21,680 --> 00:48:24,920

Ow!

732

00:48:26,280 --> 00:48:29,440

Turn right to go left.

Guess what. I tried it.

733

00:48:29,480 --> 00:48:32,480

You know what? This crazy thing
happened... I went right!

734

00:48:32,520 --> 00:48:35,800

You keep talkin' to yourself,
people'll think you're crazy.

735

00:48:35,880 --> 00:48:39,640

- Thanks for the tip.
- What? I wasn't talkin' to you!

736

00:48:46,240 --> 00:48:49,640

<i>- Oh, Guido, e bellissimo!
- Che cosa?</i>

737

00:48:49,720 --> 00:48:53,920

<i>- It looks great! This is great!
- Ti piace, eh? Sì, sì, bellissimo.</i>

738

00:48:56,400 --> 00:48:58,320

Oh, Lord.

739

00:48:58,400 --> 00:48:59,960

Mater!

740

00:49:00,040 --> 00:49:02,080

I need you

to watch the prisoner tonight.

741

00:49:02,160 --> 00:49:05,320

Well, dad-gum! Wait a minute.

What if he tries to run again?

742

00:49:05,400 --> 00:49:08,120

Just let him run outta gas

and tow him on back.

743

00:49:08,200 --> 00:49:10,560

- But keep an eye on him.

- Yes, sir!

744

00:49:11,600 --> 00:49:13,200

Oh...

745

00:49:13,280 --> 00:49:15,840

While I'm stuck here

paving this stinkin' road,

746

00:49:15,880 --> 00:49:18,360

Chick's in California schmoozing Dinoco.

747

00:49:18,440 --> 00:49:21,560

My Dinoco. Whoa, whoa, whoa!

Who's touching me?

748

00:49:21,640 --> 00:49:23,840

You have a slow leak. Guido, he fix.

749

00:49:23,880 --> 00:49:25,840

You make-a such a nice new road.

750

00:49:25,920 --> 00:49:28,480

You come to my shop.

Luigi take-a good care of you.

751

00:49:28,520 --> 00:49:30,080

Even though you not a Ferrari.

752

00:49:30,120 --> 00:49:34,080

You buy four tires,

I give you a full-a size spare

753

00:49:34,120 --> 00:49:37,840

- absolutely free!

- Look, I get all my tires for free.

754

00:49:37,920 --> 00:49:41,280

I like your style, eh?

755

00:49:41,360 --> 00:49:44,800

You drive the hard bargain.

OK. Luigi make you a new deal.

756

00:49:44,840 --> 00:49:48,160

You buy one tire,

I give you three for free!

757

00:49:48,240 --> 00:49:49,840

Oh, would you look at that?

758

00:49:49,920 --> 00:49:51,960

Ramone, Ramone!

759

00:49:52,040 --> 00:49:54,040

Then Luigi make you

a new new deal.

760

00:49:54,120 --> 00:49:56,960

No, no, no, no.

Deal me out. Pass. No, thank you.

761

00:49:57,040 --> 00:50:00,520

- No, no, no, no. No.

- This is it. My last offer.

762

00:50:00,600 --> 00:50:05,120

You buy one tire, I give you

seven-a snow tires for free!

763

00:50:05,160 --> 00:50:07,920

Done. You interested, you call me.

You know where I am.

764

00:50:09,280 --> 00:50:10,400

Ah!

765

00:50:10,440 --> 00:50:12,480

Stop! Let me...

766

00:50:13,840 --> 00:50:16,560

Oh, Red, you missed a spot.

See it right there?

767

00:50:16,640 --> 00:50:18,560

- No! No!

- On the hood right there.

768

00:50:18,640 --> 00:50:21,840

Stop, stop! That's cold!

769

00:50:21,920 --> 00:50:24,320

Help! Please! Stop!

770

00:50:24,360 --> 00:50:27,600

Thanks, Red.

771

00:50:28,800 --> 00:50:30,000

What was that for?

772

00:50:30,080 --> 00:50:32,120

- Do you want to stay at the Cozy Cone?

- Huh?

773

00:50:32,200 --> 00:50:33,600

If you do, you gotta be clean.

774

00:50:33,680 --> 00:50:36,120

'Cause even in hillbilly hell

we have standards.

775

00:50:36,200 --> 00:50:37,840

What, I...? I don't get it.

776

00:50:37,920 --> 00:50:40,400

I thought I'd say thank you

for doin' a great job.

777

00:50:40,480 --> 00:50:43,560

So I thought I'd let you stay with me.

I mean, not with me!

778

00:50:43,640 --> 00:50:48,080

But there. Not with me there,
but there in your own cozy cone.

779

00:50:48,160 --> 00:50:51,880

- And I'd be in my cone, and it's...

- Wait. Wait, you're being nice to me.

780

00:50:51,920 --> 00:50:54,240

If you want to stay
at the dirty impound, fine.

781

00:50:54,280 --> 00:50:57,440

- I understand you criminal types.

- No, no, no, no. That's OK.

782

00:50:57,480 --> 00:51:00,560

- Yeah, the Cozy Cone.

- It's newly refurbished.

783

00:51:00,640 --> 00:51:03,960

Yeah,

it's like a clever little twist.

784

00:51:04,040 --> 00:51:08,000

The motel's made out of caution cones,
which, of course, cars try to avoid.

785

00:51:08,040 --> 00:51:11,280

But now we're gonna stay in them.
That's funny.

786

00:51:12,720 --> 00:51:14,880

Figure that all out on your own,
did you?

787

00:51:15,800 --> 00:51:18,160

Cone number one, if you want.

788

00:51:19,240 --> 00:51:21,480

Oh...

789

00:51:22,600 --> 00:51:26,160

Hey, do I spy a little
pinstriping tattoo back there?

790

00:51:26,240 --> 00:51:29,200

Oh...
That's just a... Oh!

791

00:51:31,680 --> 00:51:34,880

Oh, you saw that? Yeah.
Just gonna be going.

792

00:51:34,920 --> 00:51:37,440

Gonna... Yeah.

793

00:51:42,000 --> 00:51:44,480

You know, I knew this girl Doreen.

794

00:51:44,560 --> 00:51:46,000

Good-lookin' girl.

795

00:51:46,080 --> 00:51:49,240

Looked just like a Jaguar,
only she was a truck!

796

00:51:49,320 --> 00:51:52,640

You know, I used to crash into her,
just so I could spoke to her.

797

00:51:53,720 --> 00:51:56,080

- What are you talking about?

- I don't know.

798

00:51:56,160 --> 00:52:00,120

Hey, I know somethin' we can do tonight,
'cause I'm in charge of watchin' you!

799

00:52:00,200 --> 00:52:04,200

No, Mater, I gotta finish this road,
and I have to get out of here.

800

00:52:04,240 --> 00:52:07,680

Well, that's all right,
Mr. I Can't Turn On Dirt.

801

00:52:07,720 --> 00:52:09,960

You probably couldn't handle it anyway.

802

00:52:10,000 --> 00:52:11,720

Whoa, whoa, easy now, Mater.

803

00:52:11,760 --> 00:52:14,640

You know who you're talkin' to?

This is Lightning McQueen.

804

00:52:14,720 --> 00:52:16,960

I can handle anything.

805

00:52:17,000 --> 00:52:21,640

- I'm not doin' this.

- Come on. You'll love it!

806

00:52:21,920 --> 00:52:25,280

- Tractor-tippin's fun.

- This is ridiculous.

807

00:52:25,360 --> 00:52:27,720

All right, listen.

808

00:52:27,760 --> 00:52:31,600

When I say go, we go.

But don't let Frank catch you. Go!

809

00:52:31,680 --> 00:52:33,440

Whoa! Wait! Who's Frank?

810

00:52:34,400 --> 00:52:36,280

Mater!

811

00:52:36,360 --> 00:52:37,720

Wait, Mater!

812

00:52:39,400 --> 00:52:40,720

OK, here's what you do.

813

00:52:40,800 --> 00:52:44,040

You just sneak up in front of 'em,
and then honk.

814

00:52:44,120 --> 00:52:46,520

And they do the rest. Watch this.

815

00:52:53,280 --> 00:52:55,040

Oh!

816

00:52:55,080 --> 00:53:00,080

Oh... Oh! Oh...

817

00:53:06,720 --> 00:53:09,720

I swear, tractors is so dumb!

818

00:53:09,800 --> 00:53:13,440

I tell you what, buddy,
it don't get much better than this.

819

00:53:13,480 --> 00:53:16,000

Yep, you're livin' the dream, Mater boy.

820

00:53:18,840 --> 00:53:21,320

Oh!

821

00:53:21,400 --> 00:53:24,840

Oh! Oh...

822

00:53:27,760 --> 00:53:31,600

I don't care who you are,
that's funny right there.

823

00:53:31,680 --> 00:53:33,360

Oh, your turn, bud.

824

00:53:33,440 --> 00:53:35,720

Mater, I can't.

I don't even have a horn.

825

00:53:35,800 --> 00:53:37,960

- Baby.

- I'm not a baby.

826

00:53:39,040 --> 00:53:42,280

Fine. Stop! Stop, OK?

All right. I'll do something.

827

00:54:31,120 --> 00:54:32,480

That's Frank.

828

00:54:51,200 --> 00:54:53,800

Run!

829

00:54:53,880 --> 00:54:55,760

Here he comes, look out!

830

00:54:56,760 --> 00:54:58,320

Whoa!

831

00:55:02,320 --> 00:55:04,040

Run! He's gonna get ya!

832

00:55:22,600 --> 00:55:23,640

Oh! Customers!

833

00:55:24,560 --> 00:55:26,240

Oh!

834

00:55:28,000 --> 00:55:29,520

Ah, no, no, no.

835

00:55:29,600 --> 00:55:31,240

Oof! Oh!

836

00:55:32,720 --> 00:55:35,480

Tomorrow night we can
go look for the ghostlight!

837

00:55:35,560 --> 00:55:38,920

- I can't wait, Mater.

- Oh, yeah, I'm tellin' ya!

838

00:55:39,200 --> 00:55:43,120

Oh, boy,
you gotta admit that was fun!

839

00:55:43,200 --> 00:55:45,040

Oh, yeah... yeah.

840

00:55:45,120 --> 00:55:48,080

Well, we better get you
back to the impound lot.

841

00:55:48,160 --> 00:55:51,200

You know, actually,

Sally's gonna let me stay at the motel.

842

00:55:51,280 --> 00:55:52,240

Oh...

843

00:55:52,320 --> 00:55:57,360

- Gettin' cozy at the Cone, is we?

- Oh, come... No. No, are you kidding?

844

00:55:57,440 --> 00:56:01,520

Besides, she can't stand me.

And I don't like her, to be honest.

845

00:56:01,600 --> 00:56:05,320

Yeah, you probably right.

Hey, look, there's Miss Sally!

846

00:56:05,400 --> 00:56:08,000

Where, where?

847

00:56:08,080 --> 00:56:10,560

- You're in love with Miss Sally.

- No, I'm not.

848

00:56:10,640 --> 00:56:12,720

- Yes, you do.

- No way.

849

00:56:12,800 --> 00:56:13,920

- Way.

- Come on, look...

850

00:56:14,000 --> 00:56:16,320

- You're in love with Miss Sally!

- Real mature.

851

00:56:16,400 --> 00:56:17,960

- You're in love!

- Real grown up.

852

00:56:18,040 --> 00:56:19,800

- You love her. You love her.

- Wait...

853

00:56:19,880 --> 00:56:21,840

You love her!

You love her. You love her.

854

00:56:21,920 --> 00:56:23,360

All right. OK. Mater, enough!

855

00:56:23,440 --> 00:56:25,360

- Will you stop that?

- Stop what?

856

00:56:25,440 --> 00:56:28,600

Driving backwards. It's creeping me out.

You're gonna wreck.

857

00:56:28,640 --> 00:56:33,360

Wreck? Shoot!

I'm the world's best backwards driver!

858

00:56:33,440 --> 00:56:36,440

You just watch this right here,

lover boy. Wee-hee!

859

00:56:36,480 --> 00:56:39,040

What are you doing?

Watch out! Look out!

860

00:56:39,120 --> 00:56:40,440

Mater? Mater!

861

00:56:41,600 --> 00:56:44,000

Mater!

862

00:56:54,680 --> 00:56:56,040

Hey, take it easy, Mater!

863

00:57:01,280 --> 00:57:02,520

Oof!

864

00:57:02,600 --> 00:57:05,880

Yee-hee!

865

00:57:06,320 --> 00:57:08,120

He's nuts.

866

00:57:09,880 --> 00:57:11,480

No need to watch where I'm goin'.

867

00:57:14,200 --> 00:57:15,840

Just need to know where I've been.

868

00:57:15,920 --> 00:57:18,920

Whoa, that was incredible!

How'd you do that?

869

00:57:19,000 --> 00:57:22,800

Rearview mirrors. We'll get you some,
and I'll teach you if you want.

870

00:57:22,880 --> 00:57:26,000

Yeah,
maybe I'll use it in my big race.

871

00:57:26,080 --> 00:57:29,440

What's so important
about this race of yours, anyway?

872

00:57:30,880 --> 00:57:34,480

It's not just a race.

We're talking about the Piston Cup!

873

00:57:34,560 --> 00:57:36,760

I've been dreaming about it
my whole life!

874

00:57:36,840 --> 00:57:39,760

I'll be the first rookie in history
ever to win it.

875

00:57:39,840 --> 00:57:43,240

And when I do,
we're talkin' big new sponsor,

876

00:57:43,320 --> 00:57:44,920

with private helicopters.

877

00:57:44,960 --> 00:57:48,120

No more medicated bumper ointment.
No more rusty old cars.

878

00:57:48,160 --> 00:57:50,200

What's wrong with rusty old cars?

879

00:57:51,960 --> 00:57:55,440

Well, I don't mean you, Mater.

I mean other old cars. You know?

880

00:57:55,520 --> 00:57:58,520

- Not like you. I like you.

- It's OK, buddy.

881

00:57:58,880 --> 00:58:03,360

Hey, you think maybe one day I can
get a ride in one of them helicopters?

882

00:58:03,440 --> 00:58:07,840

I mean, I've always wanted to ride
in one of them fancy helicopters.

883

00:58:07,920 --> 00:58:10,600

- Yeah, yeah, yeah, sure, sure.

- You mean it?

884

00:58:10,680 --> 00:58:12,360

Oh, yeah. Anything you say.

885

00:58:12,600 --> 00:58:16,240

I knew it. I knowed

I made a good choice!

886

00:58:16,320 --> 00:58:18,040

In what?

887

00:58:18,920 --> 00:58:20,800

My best friend.

888

00:58:26,960 --> 00:58:28,600

See you tomorrow, buddy!

889

00:58:28,680 --> 00:58:32,000

<i>McQueen and Sally

parked beneath a tree,</i>

890

00:58:32,080 --> 00:58:35,600

<i>K- i-s-somethin'-somethin'-somethin'-t!</i>

891

00:58:38,320 --> 00:58:40,800

Whoa, whoa, whoa.

892

00:58:44,600 --> 00:58:47,800

Number one. Number one...

Ah, number one!

893

00:58:48,760 --> 00:58:51,120

- Ah, this is nice.

- Hey, Stickers.

894

00:58:52,640 --> 00:58:55,160

- I'm sorry.

- You scared me. You gotta be careful.

895

00:58:55,240 --> 00:58:57,280

I scared myself

scaring you scaring me.

896

00:58:57,360 --> 00:59:00,320

- I mean, I wasn't like scared scared.

- No, of course not. No.

897

00:59:00,400 --> 00:59:03,000

- I was more...

- I overheard you talkin' to Mater.

898

00:59:03,080 --> 00:59:05,720

When? Just now?

What, what did, what did you hear?

899

00:59:05,760 --> 00:59:07,680

Something about a helicopter ride.

900

00:59:08,160 --> 00:59:10,800

Oh, yeah. Yeah, he got

a kick out of that, didn't he?

901

00:59:10,880 --> 00:59:12,680

- Did you mean it?

- What?

902

00:59:12,760 --> 00:59:14,680

- That you'll get him a ride.

- Who knows?

903

00:59:14,760 --> 00:59:17,680

First things first. I gotta
get outta here and make the race.

904

00:59:17,760 --> 00:59:19,640

Uh-huh.

905

00:59:19,720 --> 00:59:22,800

You know... Mater trusts you.

906

00:59:24,120 --> 00:59:26,360

Yeah, OK.

907

00:59:26,440 --> 00:59:29,040

- Did you mean that?

- What?

908

00:59:29,120 --> 00:59:34,520

Was it just a "Yeah, OK",
or "Yeah... OK" or "Yeah, o-OK"?

909

00:59:34,560 --> 00:59:37,120

Look, I'm exhausted.

It's kinda been a long day.

910

00:59:37,840 --> 00:59:40,560

Yeah, OK. G'night.

911

00:59:42,880 --> 00:59:44,000

Oh...

912

00:59:44,080 --> 00:59:46,200

Hey, thank you.

913

00:59:48,400 --> 00:59:50,000

What did you just say?

914

00:59:50,680 --> 00:59:52,760

You know,

thanks for lettin' me stay here.

915

00:59:52,840 --> 00:59:56,560

It's nice to be out of the impound,
and this is... It's great.

916

00:59:56,640 --> 01:00:00,040

- Newly refurbished, right?

- Yeah.

917

01:00:00,920 --> 01:00:03,320

- G'night.

- Good night.

918

01:00:07,360 --> 01:00:08,800

Hmm.

919

01:00:23,640 --> 01:00:26,560

Will you turn

that disrespectful junk off?

920

01:00:26,640 --> 01:00:30,320

Respect the classics, man.

It's Hendrix!

921

01:00:40,880 --> 01:00:42,320

Ah!

922

01:00:48,440 --> 01:00:49,520

No!

923

01:00:55,480 --> 01:00:58,640

No!

924

01:00:59,000 --> 01:01:00,360

I gotta get outta here!

925

01:01:00,800 --> 01:01:03,640

Hey, have you seen the Sheriff?

Oh! Oh, my gosh.

926

01:01:03,680 --> 01:01:06,840

- Hey, what are you doin'?

- Get a good peek, city boy?

927

01:01:06,880 --> 01:01:10,240

I just need my
daily gas ration from the Sheriff.

928

01:01:10,320 --> 01:01:12,360

Wait for him at Flo's.

Get outta here.

929

01:01:12,440 --> 01:01:14,960

I've been trying
to get outta here for three days!

930

01:01:15,040 --> 01:01:17,440

Hope you enjoyed the show!

931

01:01:30,480 --> 01:01:32,200

Whoa, Doc.

932

01:01:32,280 --> 01:01:35,840

Time to clean out the garage, buddy,
come on.

933

01:01:51,040 --> 01:01:52,800

What?

934

01:01:53,880 --> 01:01:56,560

He has a Piston Cup?

935

01:02:03,320 --> 01:02:05,040

Oh, my gosh.

936

01:02:06,360 --> 01:02:08,280

Three Piston Cups?

937

01:02:20,120 --> 01:02:22,000

Sign says stay out.

938

01:02:22,840 --> 01:02:25,320

You have three Piston Cups.

How could you have...

939

01:02:25,400 --> 01:02:28,360

I knew you couldn't drive.

I didn't know you couldn't read.

940

01:02:28,440 --> 01:02:31,320

- You're the Hudson Hornet!

- Wait at Flo's, like I told ya!

941

01:02:31,400 --> 01:02:33,840

Of course. I can't believe

I didn't see it before.

942

01:02:33,880 --> 01:02:35,560

You're The Fabulous Hudson Hornet!

943

01:02:35,640 --> 01:02:39,120

You used to hold the record for most
wins in a season. Oh, we gotta talk.

944

01:02:39,200 --> 01:02:41,840

- You gotta show me your tricks. Please.

- I tried that.

945

01:02:41,880 --> 01:02:44,520

You won three times!

Look at those trophies!

946

01:02:44,600 --> 01:02:47,880

You look.

All I see is a bunch of empty cups.

947

01:02:52,920 --> 01:02:58,000

You know, some automotive yoga
could really lower your RPM's, man.

948

01:02:58,040 --> 01:02:59,800

Oh, take a car wash, hippie.

949

01:02:59,840 --> 01:03:02,960

Yeah, look at my husband, y'all!

Whoo! That's your color!

950

01:03:03,000 --> 01:03:06,600

- Yellow, baby.

- Mmm. You smokin' hot!

951

01:03:06,680 --> 01:03:07,680

There he is.

952

01:03:07,760 --> 01:03:10,640

Oh, my gosh!

Did you know Doc is a famous racecar?

953

01:03:13,720 --> 01:03:16,400

- Doc? Our Doc?

- Not Doc Hudson.

954

01:03:16,440 --> 01:03:18,960

No, no, no, no, it's true!

He's a real racing legend.

955

01:03:19,000 --> 01:03:21,200

He's The Fabulous Hudson Hornet!

956

01:03:21,240 --> 01:03:24,440

Fabulous? I never seen Doc

drive more than 20 miles an hour.

957

01:03:24,480 --> 01:03:26,480

I mean, have you ever seen him race?

958

01:03:26,520 --> 01:03:30,000

No, but I wish I could have.

They say he was amazing!

959

01:03:30,040 --> 01:03:33,760

- He won three Piston Cups!

- He did what in his cup?

960

01:03:33,840 --> 01:03:36,080

I think the heat's

startin' to get to the boy!

961

01:03:36,120 --> 01:03:38,160

Well, I'll say! Look how red he is.

962

01:03:38,240 --> 01:03:40,560

I think he needs

a new coat of poly, man.

963

01:03:40,600 --> 01:03:43,280

- Are you sick, buddy?

- You are lookin' peaked.

964

01:03:43,320 --> 01:03:45,040

He needs a new coat of poly for sure!

965

01:03:47,240 --> 01:03:50,640

- Hey! What are you doin'?

- It's OK. You can trust me, right?

966

01:03:50,680 --> 01:03:53,280

I trust you, all right.

It's him I'm worried about.

967

01:03:54,200 --> 01:03:56,440

Hmm... I trust him.

968

01:03:57,360 --> 01:03:59,560

- Come on, let's take a drive.

- A drive?

969

01:03:59,640 --> 01:04:00,880

Yeah, a drive.

970

01:04:00,920 --> 01:04:03,920

Don't you big city racecars
ever just take a drive?

971

01:04:04,000 --> 01:04:06,600

Ah... No. No, we don't.

972

01:04:28,160 --> 01:04:31,840

Hey, Stickers! You comin' or what?

973

01:04:37,400 --> 01:04:38,560

Mm-hm!

974

01:04:38,640 --> 01:04:41,960

- And you thought he was gonna run.

- Hey, can you believe it, man?

975

01:04:42,040 --> 01:04:44,360

He actually thought

Doc was a famous racecar!

976

01:04:45,360 --> 01:04:47,240

That's so too much!

977

01:04:49,200 --> 01:04:51,560

OK, you got me out here.

Where are we goin'?

978

01:04:51,640 --> 01:04:53,520

I don't know.

979

01:04:58,200 --> 01:05:00,120

Whoa! Yes.

980

01:05:16,280 --> 01:05:17,840

Oh! Ah-ha-ha!

981

01:05:17,880 --> 01:05:21,400

Bleah!

982

01:06:22,720 --> 01:06:24,720

Oh!

983

01:06:44,120 --> 01:06:47,720

Wow. What is this place?

984

01:06:48,400 --> 01:06:49,720

Wheel Well.

985

01:06:49,760 --> 01:06:52,920

Used to be the most popular stop
on the mother road.

986

01:06:57,360 --> 01:06:59,000

This place?

987

01:07:02,480 --> 01:07:04,440

Yeah, imagine.

988

01:07:06,040 --> 01:07:08,680

Oh, imagine what

it must have been like to stay here.

989

01:07:10,920 --> 01:07:12,400

You know, I don't get you.

990

01:07:12,480 --> 01:07:15,600

How does a Porsche

wind up in a place like this?

991

01:07:15,640 --> 01:07:17,760

Well, it's really pretty simple.

I was...

992

01:07:17,840 --> 01:07:21,840

...an attorney in LA

livin' life in the fast lane, and...

993

01:07:21,880 --> 01:07:25,320

Oh, you were, were you?

Were you rich?

994

01:07:25,400 --> 01:07:28,640

- What?

- Just... clues to the puzzle.

995

01:07:29,400 --> 01:07:31,920

Yeah, OK.

Well, that was my life.

996

01:07:31,960 --> 01:07:33,680

And you know what?

997

01:07:33,720 --> 01:07:37,200

It never felt... happy.

998

01:07:38,800 --> 01:07:41,760

Yeah. I mean... really?

999

01:07:41,840 --> 01:07:43,480

Yeah. So I left California.

1000

01:07:43,560 --> 01:07:46,720

Just drove and drove
and finally broke down right here.

1001

01:07:47,440 --> 01:07:50,120

Doc fixed me up, Flo took me in.

1002

01:07:50,200 --> 01:07:53,040

Well, they all did. And I never left.

1003

01:07:54,280 --> 01:07:55,920

Yeah. You know, I understand.

1004

01:07:55,960 --> 01:07:58,680

You need a little R and R.
Recharge the old batteries.

1005

01:07:58,760 --> 01:08:02,320

But you know, after a while,
why didn't you go back?

1006

01:08:03,280 --> 01:08:06,600

I fell in love.

1007

01:08:06,680 --> 01:08:10,160

- Oh.

- Yep.

1008

01:08:11,000 --> 01:08:13,680

- Corvette?

- No.

1009

01:08:19,000 --> 01:08:21,640

I fell in love with this.

1010

01:08:33,160 --> 01:08:36,720

Whoa. Look at that.

1011

01:08:37,560 --> 01:08:39,800

Look, they're drivin' right by.

1012

01:08:39,880 --> 01:08:42,000

They don't even know
what they're missing!

1013

01:08:42,960 --> 01:08:45,200

Well,
it didn't used to be that way.

1014

01:08:46,600 --> 01:08:47,880

Oh, yeah?

1015

01:08:47,960 --> 01:08:51,680

Yeah. Forty years ago,
that Interstate down there didn't exist.

1016

01:08:52,760 --> 01:08:53,720

Really?

1017

01:08:53,800 --> 01:08:56,400

Yeah. Back then,

1018

01:08:56,440 --> 01:08:59,200

cars came across the country
a whole different way.

1019

01:09:00,440 --> 01:09:01,720

How do you mean?

1020

01:09:01,760 --> 01:09:05,040

The road didn't cut through the land
like that Interstate.

1021

01:09:05,080 --> 01:09:09,120

It moved with the land, you know?
It rose, it fell, it curved.

1022

01:09:10,560 --> 01:09:12,480

- Mornin'!

- Nice day, huh?

1023

01:09:14,320 --> 01:09:17,000

Cars didn't drive on it
to make great time.

1024

01:09:17,080 --> 01:09:19,520

They drove on it to have a great time.

1025

01:09:52,120 --> 01:09:54,440

Well, what happened?

1026

01:09:54,520 --> 01:09:57,840

The town got bypassed
just to save ten minutes of driving.

1027

01:11:20,440 --> 01:11:23,920

How great would it have been
to see this place in its heyday!

1028

01:11:23,960 --> 01:11:26,680

Oh, I can't tell you how many times
I've dreamed of that.

1029

01:11:26,720 --> 01:11:30,240

But one of these days we'll
find a way to get it back on the map.

1030

01:11:30,320 --> 01:11:33,840

Yeah. Hey, listen, thanks for the drive.

1031

01:11:33,880 --> 01:11:35,640

I had a great time.

1032

01:11:35,720 --> 01:11:38,320

It's kinda nice to slow down
every once in a while.

1033

01:11:38,960 --> 01:11:41,040

You're welcome.

1034

01:11:48,120 --> 01:11:49,320

Hey, listen, listen!

1035

01:11:49,400 --> 01:11:52,360

If anybody asks you,
we was out smashin' mailboxes, OK?

1036

01:11:52,440 --> 01:11:54,440

Wha... what?

1037

01:12:09,120 --> 01:12:11,120

Oh, man, the paint's still wet!

1038

01:12:21,280 --> 01:12:23,080

No, no, no, no!

Get out of the store!

1039

01:12:23,160 --> 01:12:26,600

Hey! Don't eat the radial!

Here, take-a the snow tires.

1040

01:12:26,680 --> 01:12:28,880

- Mater!

- I wasn't tractor-tippin'!

1041

01:12:28,920 --> 01:12:31,840

Then where did all these

gol-durn tractors come from?

1042

01:12:32,080 --> 01:12:34,320

- Whoa, boy!

- Hey! Hey, guys!

1043

01:12:34,360 --> 01:12:36,280

There's one goin' this way.

1044

01:12:37,200 --> 01:12:39,280

I got it.

1045

01:12:42,680 --> 01:12:44,880

Come here, little tractor,
come here.

1046

01:12:44,920 --> 01:12:47,120

Yeah, that's a good tractor.

1047

01:12:47,160 --> 01:12:48,480

No, no, no, no, come here.

1048

01:12:48,560 --> 01:12:49,880

What are you doing?

1049

01:12:49,920 --> 01:12:52,520

You're not supposed to go
wandering off all...

1050

01:12:52,800 --> 01:12:55,080

...alone.

1051

01:13:05,040 --> 01:13:09,080

What are you doin'

with those old racin' tires?

1052

01:13:15,480 --> 01:13:17,720

Come on, Doc, drive.

1053

01:14:32,400 --> 01:14:34,120

Ah... Yeah.

1054

01:14:34,200 --> 01:14:35,760

- Wow.

- Huh?

1055

01:14:35,840 --> 01:14:37,360

You're amazing!

1056

01:14:39,280 --> 01:14:41,440

What are you doin'?

1057

01:14:41,520 --> 01:14:43,120

Doc, wait!

1058

01:14:46,840 --> 01:14:49,200

Giddup right in there!

Come on, Rusty.

1059

01:14:51,960 --> 01:14:55,040

Doc, hold it!

Seriously, your driving's incredible!

1060

01:14:55,120 --> 01:14:58,280

- Wonderful. Now, go away.

- Hey, I mean it. You've still got it!

1061

01:14:58,360 --> 01:15:00,120

- I'm askin' you to leave.

- Come on.

1062

01:15:00,160 --> 01:15:03,040

I'm a racecar,

you're a much older racecar,

1063

01:15:03,120 --> 01:15:05,040

but under the hood
you and I are the same.

1064

01:15:05,080 --> 01:15:08,040

We are not the same!
Understand? Now, get out.

1065

01:15:08,120 --> 01:15:10,920

How could a car like you quit
at the top of your game?

1066

01:15:12,720 --> 01:15:15,080

You think I quit?

1067

01:15:27,160 --> 01:15:28,760

Right.

1068

01:15:29,400 --> 01:15:31,920

Your big wreck in '54.

1069

01:15:32,600 --> 01:15:34,840

They quit on me.

1070

01:15:34,880 --> 01:15:38,320

When I finally got put together,
I went back expecting a big welcome.

1071

01:15:38,360 --> 01:15:41,160

You know what they said?
"You're history. "

1072

01:15:41,240 --> 01:15:44,160

Moved right on to
the next rookie standing in line.

1073

01:15:46,880 --> 01:15:49,040

There was a lot left in me.

1074

01:15:49,720 --> 01:15:52,600

I never got a chance to show 'em.

1075

01:15:54,040 --> 01:15:57,920

I keep that to remind me
never to go back.

1076

01:15:59,040 --> 01:16:02,080

I just never expected that
that world would...

1077

01:16:02,160 --> 01:16:04,240

...would find me here.

1078

01:16:05,320 --> 01:16:07,800

- Hey, look, Doc, I'm not them.

- Oh, yeah?

1079

01:16:07,880 --> 01:16:08,840

No, I'm not.

1080

01:16:08,920 --> 01:16:12,600

When is the last time you cared about
something except yourself, hot rod?

1081

01:16:12,640 --> 01:16:17,040

You name me one time
and I will take it all back.

1082

01:16:18,840 --> 01:16:21,680

Uh-huh. I didn't think so.

1083

01:16:22,080 --> 01:16:25,720

These are good folk around here,
who care about one another.

1084

01:16:26,320 --> 01:16:29,320

I don't want 'em depending
on someone they can't count on.

1085

01:16:29,880 --> 01:16:31,800

Oh, like you?

You've been here how long

1086

01:16:31,880 --> 01:16:34,000

and your friends

don't even know who you are?

1087

01:16:34,680 --> 01:16:36,640

Who's caring about only himself?

1088

01:16:36,720 --> 01:16:39,400

Just finish that road

and get outta here!

1089

01:16:52,960 --> 01:16:55,560

Will you turn that
disrespectful junk off?

1090

01:16:55,640 --> 01:16:57,960

Respect the classics, man.

1091

01:17:07,320 --> 01:17:10,000

Ah...

1092

01:17:23,320 --> 01:17:24,640

He's done.

1093

01:17:24,720 --> 01:17:27,800

He must've finished it
while we was all sleepin'.

1094

01:17:27,880 --> 01:17:30,000

Good riddance.

1095

01:17:37,560 --> 01:17:38,960

He's gone?

1096

01:17:39,000 --> 01:17:41,920

Well, we wouldn't want him
to miss that race of his.

1097

01:17:47,160 --> 01:17:51,320

- Oh, dude, are you crying?
- No! I'm happy!

1098

01:17:51,360 --> 01:17:54,200

I don't have to watch him
every second of the day anymore!

1099

01:17:54,280 --> 01:17:55,440

I'm glad he's gone!

1100

01:18:01,760 --> 01:18:03,480

What's wrong with Red?

1101

01:18:03,560 --> 01:18:06,840

Oh, he's just sad

'cause you left town

1102

01:18:06,880 --> 01:18:09,720

and went to your big race to win
the Piston Cup

1103

01:18:09,760 --> 01:18:12,520

that you've always dreamed about
your whole life

1104

01:18:12,600 --> 01:18:17,880

and get that big ol' sponsor and that
fancy helicopter you was talkin' about.

1105

01:18:22,360 --> 01:18:24,560

Wait a minute!

1106

01:18:25,880 --> 01:18:28,600

I knowed you wouldn't leave
without saying goodbye.

1107

01:18:28,680 --> 01:18:31,280

What are you doin' here?

You're gonna miss your race.

1108

01:18:31,360 --> 01:18:34,880

Don't worry. I'll give you
a police escort, and we'll make up time.

1109

01:18:34,960 --> 01:18:36,080

Thank you, Sheriff.

1110

01:18:36,120 --> 01:18:38,160

But you know I can't go just yet.

1111

01:18:38,240 --> 01:18:39,680

Well, why not?

1112

01:18:39,760 --> 01:18:42,480

I'm not sure these tires...

1113

01:18:42,520 --> 01:18:45,320

...can get me to California.

- Peet stop?

1114

01:18:45,400 --> 01:18:48,520

Yeah, does anybody know

what time Luigi's opens?

1115

01:18:48,600 --> 01:18:49,880

I can't-a believe it!

Four new tires!

1116

01:18:49,880 --> 01:18:51,640

I can't-a believe it!

Four new tires!

1117

01:18:51,800 --> 01:18:54,320

<i>Grazie, Mr. Lightning. Grazie!</i>

1118

01:18:54,360 --> 01:18:58,320

- Would you look at that!

- Our first customer in years!

1119

01:18:58,360 --> 01:19:01,840

I am filled with tears of ecstasy,

1120

01:19:01,880 --> 01:19:05,600

for this is the most glorious day
of my life!

1121

01:19:05,680 --> 01:19:09,520

All right, Luigi, give me
the best set of blackwalls you've got.

1122

01:19:09,720 --> 01:19:10,880

No! No, no, no.

1123

01:19:10,960 --> 01:19:14,200

You don't-a know what you want.
Luigi know what you want.

1124

01:19:15,280 --> 01:19:19,480

Blackwall tires.
They blend into the pavement.

1125

01:19:19,520 --> 01:19:20,920

But-a this...

1126

01:19:21,240 --> 01:19:23,000

Whitewall tires!

1127

01:19:23,040 --> 01:19:28,000

They say, "Look at me!

Here I am! Love me. "

1128

01:19:28,080 --> 01:19:29,800

All right, you're the expert.

1129

01:19:29,880 --> 01:19:32,680

Don't forget the spare.

1130

01:19:32,760 --> 01:19:35,480

<i>- Perfetto. Guido!

- Peet stop!</i>

1131

01:19:46,360 --> 01:19:49,200

What did Luigi tell you, eh?

1132

01:19:49,240 --> 01:19:52,560

Wow, you were right.

Better than a Ferrari, huh?

1133

01:19:53,320 --> 01:19:54,440

Eh... No.

1134

01:19:58,160 --> 01:20:01,600

Wow! This organic fuel is great!

Why haven't I heard about it before?

1135

01:20:01,680 --> 01:20:03,600

It's a conspiracy, man!

1136

01:20:03,640 --> 01:20:06,040

The oil companies got a grip
on the government!

1137

01:20:06,080 --> 01:20:09,200

They're feedin' us a bunch of lies, man.

1138

01:20:09,240 --> 01:20:11,280

OK, I'll take a case.

1139

01:20:25,720 --> 01:20:27,160

Ow! Eh!

1140

01:20:35,640 --> 01:20:37,200

Ah... Yeah.

1141

01:20:37,720 --> 01:20:39,160

Ka-chow.

1142

01:20:40,000 --> 01:20:42,840

- Here she comes!

- Places, everybody. Hurry!

1143

01:20:42,920 --> 01:20:44,560

Act natural.

1144

01:20:44,640 --> 01:20:45,920

<i>- Hi, Sally.

- Buon giorno!</i>

1145

01:20:46,000 --> 01:20:47,760

All right, what's goin' on?

1146

01:20:47,800 --> 01:20:49,880

Ladies and gentlecars,

1147

01:20:49,960 --> 01:20:53,720

please welcome

the new Lightning McQueen!

1148

01:20:54,360 --> 01:20:56,240

Pow! What do you think?

1149

01:20:56,320 --> 01:20:58,440

Radiator Springs

looks pretty good on me.

1150

01:20:58,520 --> 01:21:00,240

I'll say.

1151

01:21:00,280 --> 01:21:03,360

Ka-chow.

1152

01:21:03,440 --> 01:21:05,840

You're gonna fit right in

in California.

1153

01:21:06,680 --> 01:21:09,680

My goodness. It looks like
you've helped everybody in town.

1154

01:21:09,760 --> 01:21:11,520

Yeah, everybody except one.

1155

01:21:12,720 --> 01:21:17,520

- Hey, is it getting dark out?

- What? What'd he say?

1156

01:21:17,560 --> 01:21:20,480

Let me say that again.

Is it getting dark out?

1157

01:21:20,560 --> 01:21:22,640

Now, what was I
supposed to do after that?

1158

01:21:45,680 --> 01:21:48,360

They fixed their neon!

1159

01:21:55,480 --> 01:22:00,240

- Low and slow?

- Oh, yeah, baby!

1160

01:22:04,400 --> 01:22:07,600

Just like in its heyday, right?

1161

01:22:07,640 --> 01:22:10,880

It's even better than I pictured it.

Thank you.

1162

01:22:37,200 --> 01:22:38,560

Shall we cruise?

1163

01:22:38,640 --> 01:22:40,880

Oh, thank you, dear. I'd love to!

1164

01:22:40,920 --> 01:22:42,360

- No, no, no.

- Lizzie!

1165

01:22:42,400 --> 01:22:46,560

I remember when Stanley

first asked me to take a drive with him.

1166

01:22:46,640 --> 01:22:49,400

Hey, Miss Sally.

May I have this cruise?

1167

01:22:49,440 --> 01:22:52,680

- Of course, Mater.

- Uh-uh-uh!

1168

01:22:58,880 --> 01:23:03,080

...and again and I said, "No. "

He asked me again, and I said, "No. "

1169

01:23:03,160 --> 01:23:07,320

But, oh, he was a persistent
little bugger for a two-cylinder.

1170

01:23:07,360 --> 01:23:10,640

Finally I said,

"All right, one little drive. "

1171

01:23:12,720 --> 01:23:15,600

Oh!

1172

01:23:19,760 --> 01:23:21,800

- Hey!

- Thanks, Mater.

1173

01:23:21,880 --> 01:23:24,080

Good evenin', you two.

1174

01:23:26,480 --> 01:23:31,480

Oh, Stanley,

I wish you could see this.

1175

01:23:35,440 --> 01:23:39,080

- Is that what I think it is?

- Oh, I don't know, Flo.

1176

01:23:39,160 --> 01:23:44,560

I haven't had a chance to find out.

But I am going to find out. Hello.

1177

01:23:44,640 --> 01:23:47,120

Not that. That.

1178

01:23:47,200 --> 01:23:47,280

Customers?

1179

01:23:47,320 --> 01:23:49,520

Customers?

1180

01:23:49,560 --> 01:23:52,120

Customers, everybody!

And a lot of 'em!

1181

01:23:52,200 --> 01:23:54,280

You know what to do.

Just like we rehearsed.

1182

01:23:55,360 --> 01:23:57,840

It's the ghostlight!

1183

01:23:57,920 --> 01:24:00,400

We have found McQueen.

We have found McQueen!

1184

01:24:01,240 --> 01:24:02,680

McQueen, over here!

1185

01:24:02,720 --> 01:24:05,360

- Wait, excuse me.

- Is it true you've been in rehab?

1186

01:24:05,440 --> 01:24:07,480

- Did you have a nervous breakdown?

- What?

1187

01:24:07,560 --> 01:24:10,160

- McQueen's wearing whitewalls!

- Your tires balding?

1188

01:24:10,240 --> 01:24:11,200

Stickers!

1189

01:24:11,280 --> 01:24:13,360

- Was McQueen your prisoner?

- Shoot, no!

1190

01:24:13,400 --> 01:24:15,800

We're best buds!

I ain't braggin' or nothin',

1191

01:24:15,840 --> 01:24:18,920

but I was in charge of huntin' him down
if he tried to escape.

1192

01:24:19,000 --> 01:24:20,520

Sally! Sally!

1193

01:24:20,600 --> 01:24:22,560

Will you still race for the Piston Cup?

1194

01:24:22,640 --> 01:24:24,280

- Stickers?

- Sally!

1195

01:24:24,360 --> 01:24:26,680

Come on, give us some bolt!

1196

01:24:26,720 --> 01:24:31,040

You're here!

Thank the manufacturer! You're alive!

1197

01:24:31,120 --> 01:24:34,360

- Mack?

- You're here! I can't believe it!

1198

01:24:34,400 --> 01:24:38,120

You are a sight
for sore headlights!

1199

01:24:38,200 --> 01:24:40,800

I'm so sorry I lost you, boss.

I'll make it up to you!

1200

01:24:40,880 --> 01:24:42,680

Mack, I, I can't believe you're here.

1201

01:24:42,720 --> 01:24:45,200

<i>Is that the world's
fastest racing machine?</i>

1202

01:24:45,280 --> 01:24:47,720

- Is that Harv?

- Yeah. He's in the back.

1203

01:24:49,240 --> 01:24:52,080

- Show us the bolt!
- Get back, you oil-thirsty parasites!

1204

01:24:52,120 --> 01:24:55,280

- Where's the old McQueen?
- Actually, this is my good side here.

1205

01:24:55,560 --> 01:24:57,520

- Harv! Harv!
- Give us the bolt!

1206

01:24:58,400 --> 01:24:59,360

- Harv?
- Come on!

1207

01:24:59,440 --> 01:25:02,000

- <i>- Kid, I'm over here!
- How you doin', buddy?</i>

1208

01:25:02,080 --> 01:25:04,640

- <i>My star client disappears
off the face of the earth!</i>

1209

01:25:04,720 --> 01:25:06,800

<i>- How do you think I'm doing?

- I can explain.</i>

1210

01:25:06,880 --> 01:25:11,120

<i>I'm doing great! You're everywhere!

Radio, TV, the papers!</i>

1211

01:25:11,160 --> 01:25:14,120

<i>You can't buy this kind of publicity!

What do you need me for?</i>

1212

01:25:14,200 --> 01:25:16,560

<i>That's just a figure of speech,

by the way. You signed a contract.</i>

1213

01:25:16,600 --> 01:25:18,840

<i>Where are you?

I can't even find you on my GPS.</i>

1214

01:25:18,880 --> 01:25:21,320

I'm in this little town

called Radiator Springs.

1215

01:25:21,400 --> 01:25:24,440

<i>- You know Route 66? It's still here!

- Yeah, that's great, kid.</i>

1216

01:25:24,520 --> 01:25:25,680

<i>Playtime is over, pal.</i>

1217

01:25:25,720 --> 01:25:29,400

<i>While the world's been trying to
find you Dinoco has had no one to woo.</i>

1218

01:25:29,480 --> 01:25:31,120

<i>- Who are they gonna woo?

- Chick!</i>

1219

01:25:31,160 --> 01:25:34,640

<i>Bingo. In fact, check out
what's on the plasma right now.</i>

1220

01:25:34,720 --> 01:25:36,800

<i>- Show us the thunder!

- You want thunder?</i>

1221

01:25:36,880 --> 01:25:40,360

<i>You want thunder?

Ka-chicka, ka-chicka!</i>

1222

01:25:40,440 --> 01:25:43,560

<i>- Hey, that's my bit!

- You've gotta get to Cali, pronto!</i>

1223

01:25:43,640 --> 01:25:47,440

<i>Just get out of Radiation Stinks now,
or Dinoco is history, you hear me?</i>

1224

01:25:47,520 --> 01:25:49,200

Just give me a second here, Harv.

1225

01:25:49,360 --> 01:25:50,960

<i>No, wait. Where are you goin'?</i>

1226

01:25:51,040 --> 01:25:54,200

<i>Get in the trailer, baby. Kid!

You want a bigger trailer?</i>

1227

01:25:58,160 --> 01:26:00,840

Sally, I... I want you to...

1228

01:26:01,440 --> 01:26:04,400

Look, I wish...

1229

01:26:05,840 --> 01:26:08,600

Thank you. Thanks for everything.

1230

01:26:10,680 --> 01:26:15,640

- It was just a road.

- No. It was much more than that.

1231

01:26:18,680 --> 01:26:21,720

Hey, kid! We gotta go.

Harv's goin' crazy!

1232

01:26:21,800 --> 01:26:24,880

He's gonna have me fired if

I don't get you in the truck right now!

1233

01:26:24,960 --> 01:26:27,600

- Mack, just... hold it for...

- You should go.

1234

01:26:27,640 --> 01:26:29,800

- I know, but...

- Good luck in California.

1235

01:26:32,080 --> 01:26:34,960

I hope you find

what you're looking for.

1236

01:26:35,040 --> 01:26:37,040

- McQueen, come on!

- Sally...

1237

01:26:37,120 --> 01:26:40,240

- Sally!

- Show us the bolt, McQueen! The bolt!

1238

01:26:40,280 --> 01:26:42,320

Hey, Lightning, show us the bolt!

1239

01:26:47,920 --> 01:26:50,560

<i>- Come on, get in the trailer.

- Where's the old McQueen?</i>

1240

01:26:50,640 --> 01:26:52,920

<i>- The bolt!

- That's it. That's right, let's go!</i>

1241

01:26:52,960 --> 01:26:55,560

<i>You're a big shining star.

You're a superstar.</i>

1242

01:26:55,640 --> 01:26:57,840

<i>You don't belong there, anyway.</i>

1243

01:26:57,880 --> 01:27:00,760

Whoa... Wait...

Whoa, whoa, wait, wait!

1244

01:27:03,480 --> 01:27:05,600

Hey, guys!

McQueen's leavin' in the truck!

1245

01:27:12,440 --> 01:27:14,720

Hey, are you Doc Hudson?

1246

01:27:14,800 --> 01:27:17,080

- Yeah.

- Thanks for the call.

1247

01:27:25,240 --> 01:27:28,800

- You called them?

- It's best for everyone, Sally.

1248

01:27:29,400 --> 01:27:32,400

Best for everyone or best for you?

1249

01:27:48,240 --> 01:27:50,920

I didn't get to say goodbye to him.

1250

01:28:48,040 --> 01:28:51,240

Hello, race fans. Welcome
to what has become, quite simply,

1251

01:28:51,320 --> 01:28:53,520

the biggest event

in the history of racing.

1252

01:28:53,560 --> 01:28:55,720

A three-way battle for the Piston Cup!

1253

01:28:55,800 --> 01:28:58,160

There's a crowd

of nearly 200,000 cars

1254

01:28:58,200 --> 01:29:00,680

here at the Los Angeles

International Speedway.

1255

01:29:00,760 --> 01:29:04,920

Tickets to this race are hotter than a

black leather seat on a hot summer day!

1256

01:29:04,960 --> 01:29:07,440

The King, Chick Hicks

and Lightning McQueen

1257

01:29:07,480 --> 01:29:10,680

in a 200 lap, winner-takes-all,

tiebreaker race.

1258

01:29:10,760 --> 01:29:13,840

I got a lotta miles on me,
but let me tell you somethin'.

1259

01:29:13,920 --> 01:29:17,760

I never thought I'd see anything
like this. This is exciting!

1260

01:29:17,840 --> 01:29:20,080

In fact, the country
has almost shut down

1261

01:29:20,120 --> 01:29:24,080

to watch what many experts
are calling "the race of the century. "

1262

01:29:24,120 --> 01:29:26,640

Hey, King!
Good luck in your last race.

1263

01:29:26,720 --> 01:29:30,640

- You've sure been an inspiration to me.

- Thanks, Junior. Appreciate it.

1264

01:29:30,720 --> 01:29:33,680

- Hey, be careful out there, OK?

- Yeah, man.

1265

01:29:33,760 --> 01:29:34,720

He's hot!

1266

01:29:34,800 --> 01:29:37,360

Wanna know the forecast?

I'll give you the forecast.

1267

01:29:37,400 --> 01:29:40,400

A 100 percent chance of thunder!

Ka-chicka! Ka-chicka!

1268

01:29:40,440 --> 01:29:42,880

Say it with me!

Ka-chicka! Ka-chicka!

1269

01:29:42,960 --> 01:29:45,760

Hey, you! No admittance
without a garage pass.

1270

01:29:45,840 --> 01:29:48,480

Oh, it's OK.

Lightning McQueen knows me!

1271

01:29:48,560 --> 01:29:51,560

Hey, Marco, it's a beautiful day
for a race, isn't it?

1272

01:29:51,640 --> 01:29:56,400

- Absolutely, Mr. Andretti.

- And good morning to you, Fred.

1273

01:29:56,440 --> 01:30:00,200

Mario Andretti knows my name!

You gotta let me in now!

1274

01:30:00,280 --> 01:30:01,480

Sorry, pal.

1275

01:30:01,560 --> 01:30:05,640

OK, here we go.

Focus. Speed.

1276

01:30:06,360 --> 01:30:09,040

I am speed.

1277

01:30:10,720 --> 01:30:11,880

Victory.

1278

01:30:11,960 --> 01:30:14,000

One winner, two losers.

1279

01:30:16,000 --> 01:30:21,320

Speed. Speed. Speed. Speed...

1280

01:30:26,280 --> 01:30:27,800

Lightnin'! You ready?

1281

01:30:27,880 --> 01:30:30,480

Yeah, yeah, yeah! I'm ready.

1282

01:30:43,280 --> 01:30:46,000

Mack, thanks for being
my pit crew today.

1283

01:30:46,040 --> 01:30:48,560

Don't worry about it, kid.
It's the least I could do.

1284

01:30:48,600 --> 01:30:50,920

After all, "Gas Can"
is my middle name.

1285

01:30:51,000 --> 01:30:53,240

- It is?
- Ah... Not really.

1286

01:31:09,840 --> 01:31:11,160

Uh-oh

1287

01:31:21,600 --> 01:31:24,440

Nelson! Zoom in.
Ready, 16? Take 16.

1288

01:31:24,600 --> 01:31:26,760

And there he is,
Lightning McQueen!

1289

01:31:26,840 --> 01:31:29,840

Missing all week, and then he turns up
in the middle of nowhere!

1290

01:31:29,880 --> 01:31:32,200

In a little town
called Radiator Springs.

1291

01:31:32,280 --> 01:31:35,200

Wearin' whitewall tires,
of all things.

1292

01:31:36,280 --> 01:31:39,280

- Oh!
- Ka-chicka! Ka-chicka! Ka-chicka!

1293

01:31:40,560 --> 01:31:42,800

Hey, where you been?
I've been kinda lonely.

1294

01:31:42,840 --> 01:31:45,640

Nobody to hang out with.

I mean, except the Dinoco folks.

1295

01:31:45,720 --> 01:31:48,560

And the twins. Of course.

The ones that used to be your fans,

1296

01:31:48,640 --> 01:31:51,680

but now they're my fans.

Listen to what the twins think...

1297

01:31:58,240 --> 01:32:00,240

Agh! Shoot!

1298

01:32:00,280 --> 01:32:03,280

Boogity, boogity, boogity,

boys! Let's go racin'!

1299

01:32:09,320 --> 01:32:10,800

Come on, you can do it!

1300

01:32:10,880 --> 01:32:12,840

Come on, King, make us proud, boy!

1301

01:32:14,000 --> 01:32:17,040

Fifty laps down, and The King
is still holding a slim lead.

1302

01:32:17,120 --> 01:32:20,240

McQueen's got a run on him!
He's lookin' to the inside!

1303

01:32:22,320 --> 01:32:24,400

Oh! Chick slammed the door on him!

1304

01:32:24,440 --> 01:32:26,760

Chick's not
making it easy on him today.

1305

01:32:26,840 --> 01:32:28,480

He lost momentum,

1306

01:32:28,560 --> 01:32:30,760

and now he's gonna have to
chase him back down!

1307

01:32:39,800 --> 01:32:41,760

McQueen spins out in the infield!

1308

01:32:45,560 --> 01:32:48,080

Just me

and the old man, fellas.

1309

01:32:48,120 --> 01:32:51,520

McQueen just doesn't have it today.

1310

01:32:52,640 --> 01:32:56,560

- Hey, kid, are you all right?

- I don't know, Mack.

1311

01:32:56,600 --> 01:32:58,000

I don't think I...

1312

01:32:58,040 --> 01:33:00,680

I didn't come all this way

to see you quit.

1313

01:33:00,920 --> 01:33:02,360

Doc?

1314

01:33:04,920 --> 01:33:07,440

Guys, you're here!

I can't believe this!

1315

01:33:07,520 --> 01:33:11,120

I knew you needed a crew chief,
but I didn't know it was this bad.

1316

01:33:11,200 --> 01:33:13,040

You said you'd never come back.

1317

01:33:13,080 --> 01:33:16,560

Well, I really didn't have a choice.
Mater didn't get to say goodbye.

1318

01:33:16,600 --> 01:33:19,400

Goodbye! OK, I'm good.

1319

01:33:23,200 --> 01:33:26,560

All right, if you can drive as good

as you can fix a road

1320

01:33:26,640 --> 01:33:29,760

then you can win this race

with your eyes shut.

1321

01:33:29,840 --> 01:33:31,760

Now, get back out there!

1322

01:33:33,880 --> 01:33:36,760

Hot spot, we are back in business!

Guido! Luigi!

1323

01:33:36,800 --> 01:33:39,000

You're goin' up

against professional pit crews.

1324

01:33:39,080 --> 01:33:42,120

- You're gonna have to be fast.

- They will not know what bit them!

1325

01:33:42,200 --> 01:33:43,800

Kid, you can beat these guys.

1326

01:33:43,880 --> 01:33:47,160

Find a groove that works for you
and get that lap back.

1327

01:33:58,360 --> 01:34:00,200

- Is it?

- Oh, wow. That's him!

1328

01:34:00,280 --> 01:34:03,880

Is that...? That's the Hudson Hornet!

The Hudson Hornet's back!

1329

01:34:03,960 --> 01:34:06,480

It appears McQueen
has got himself a pit crew.

1330

01:34:06,520 --> 01:34:08,840

And look who he has for a crew chief!

1331

01:34:08,920 --> 01:34:11,480

- Look, man. It's the Hudson Hornet!

- Whoa!

1332

01:34:11,560 --> 01:34:14,760

Well, dip me in axle grease
and call me Slick! It surely is.

1333

01:34:19,200 --> 01:34:21,160

*<i>Wow, this is history
in the making.</i>*

1334

01:34:21,240 --> 01:34:24,000

*<i>Nobody has seen the racing legend
in over 50 years!</i>*

1335

01:34:24,080 --> 01:34:25,400

Hey, Doc!

1336

01:34:25,480 --> 01:34:29,480

Come look at this fellow on the radio.
He looks just like you.

1337

01:34:34,200 --> 01:34:37,840

- McQueen passes on the inside!
- He's nearly a lap down.

1338

01:34:37,880 --> 01:34:40,680

Can he catch up to them
with only 60 laps to go?

1339

01:34:40,760 --> 01:34:43,520

You're goin' great, kid.
Just keep your head on.

1340

01:34:43,600 --> 01:34:45,120

<i>Vai! Vai, vai!</i>

1341

01:34:45,200 --> 01:34:47,960

Hey, shrimpie,
where did McQueen find you, huh?

1342

01:34:48,040 --> 01:34:51,320

Those round things are called tires,
and they go under the car!

1343

01:34:52,440 --> 01:34:54,960

*<i>Con chi credi di parlare?
Ma, con chi stai parlando?</i>*

1344

01:34:55,000 --> 01:34:58,040

No! No, no! You'll have your chance.

You will have your chance.

1345

01:35:11,920 --> 01:35:14,600

Oh, kid's just tryin'

to be a hero, huh?

1346

01:35:16,120 --> 01:35:17,320

What do you think of this?

1347

01:35:17,400 --> 01:35:19,440

Yeah, that's it, kid.

1348

01:35:22,640 --> 01:35:23,880

What?

1349

01:35:23,960 --> 01:35:25,680

Whoa! Git-R-done!

1350

01:35:27,360 --> 01:35:31,440

- I taught him that. Ka-chow!

- Ah!

1351

01:35:31,520 --> 01:35:34,360

What a move by McQueen!

He's caught up to the leaders.

1352

01:35:34,440 --> 01:35:36,200

Yeah. This is what it's all about.

1353

01:35:36,280 --> 01:35:39,280

A three-way battle for the lead,
with ten to go!

1354

01:35:42,800 --> 01:35:45,840

Look at that boy go out there!

1355

01:35:51,320 --> 01:35:53,520

Oh!

1356

01:35:54,440 --> 01:35:55,920

No, you don't.

1357

01:35:58,880 --> 01:36:00,800

Doc, I'm flat! I'm flat!

1358

01:36:00,880 --> 01:36:04,160

- Can you get back to the pits?

- Yeah, yeah. I think so.

1359

01:36:04,240 --> 01:36:07,400

Hey, got a yellow. Bring it in.

Don't tear yourself up, kid.

1360

01:36:09,240 --> 01:36:11,280

We gotta get him

back out there fast

1361

01:36:11,360 --> 01:36:14,200

or we're gonna be a lap down,

and we'll never win this race!

1362

01:36:14,240 --> 01:36:16,320

Guido! It's time.

1363

01:36:20,440 --> 01:36:23,400

Hey, tiny,
you gonna clean his windshield?

1364

01:36:32,120 --> 01:36:33,520

I don't believe it!

1365

01:36:33,560 --> 01:36:35,200

That was
the fastest pit stop I've ever seen!

1366

01:36:35,280 --> 01:36:37,720

It was a great stop,
but he's still gotta beat that pace car!

1367

01:36:37,800 --> 01:36:39,440

It's gonna be close.

1368

01:36:41,040 --> 01:36:43,400

Yeah, baby!

1369

01:36:43,480 --> 01:36:44,760

<i>He's back in!</i>

1370

01:36:46,040 --> 01:36:47,000

Peet stop.

1371

01:36:48,400 --> 01:36:50,240

- Guido, you did it!

- Way to go, Guido!

1372

01:37:04,920 --> 01:37:07,840

This is it. We're heading into
the final lap and McQueen

1373

01:37:07,920 --> 01:37:10,200

is right behind the leaders.

What a comeback!

1374

01:37:10,240 --> 01:37:13,640

A hundred and ninety-nine
laps! It all comes down to this!

1375

01:37:13,720 --> 01:37:14,920

This is it, kiddo.

1376

01:37:15,000 --> 01:37:17,360

You've got four turns left.

One at a time.

1377

01:37:17,440 --> 01:37:19,800

Drive it in deep and hope it sticks.

1378

01:37:19,840 --> 01:37:21,200

Go!

1379

01:37:23,800 --> 01:37:24,880

We'll see about that!

1380

01:37:26,320 --> 01:37:27,800

McQueen's going inside!

1381

01:37:30,680 --> 01:37:33,560

- Chick and King are loose!

- I think McQueen's out!

1382

01:37:43,800 --> 01:37:46,200

- McQueen saved it!

- He's back on the track!

1383

01:37:46,560 --> 01:37:49,120

- Float like a Cadillac...

- Sting like a Beemer!

1384

01:37:50,160 --> 01:37:53,640

Ka-chow! Ka-chow! Ka...

1385

01:37:55,160 --> 01:37:58,000

Lightning McQueen

is gonna win the Piston Cup!

1386

01:37:58,080 --> 01:38:00,080

Come on! You got it!

You got it, Stickers!

1387

01:38:01,560 --> 01:38:05,200

I am not comin' in

behind you again, old man.

1388

01:38:15,120 --> 01:38:16,920

Oh, no!

1389

01:38:34,680 --> 01:38:36,800

Yeah! Whoo-hoo!

1390

01:38:36,880 --> 01:38:40,440

I won, baby! Yeah! Oh, yeah!

1391

01:38:41,720 --> 01:38:43,760

What's he up to, Doc?

1392

01:38:53,720 --> 01:38:55,000

What are you doin', kid?

1393

01:38:55,080 --> 01:38:58,160

I think The King

should finish his last race.

1394

01:39:01,240 --> 01:39:04,080

You just gave up the Piston Cup,
you know that?

1395

01:39:04,160 --> 01:39:07,600

This grumpy old racecar I know
once told me somethin'.

1396

01:39:07,680 --> 01:39:09,680

It's just an empty cup.

1397

01:39:11,680 --> 01:39:14,160

Darrell, is pushing
on the last lap legal?

1398

01:39:14,200 --> 01:39:17,720

He's not really pushin' him. He's
just givin' him a little bump draft.

1399

01:39:17,800 --> 01:39:20,000

Whoo-hoo-hoo-hoo-hoo!

1400

01:39:20,080 --> 01:39:22,640

Hey. What? What's goin' on?

1401

01:39:22,720 --> 01:39:24,880

That's what I call racin'.

1402

01:39:40,200 --> 01:39:43,120

<i>- Bravo il mio amico!

- Way to go, buddy!</i>

1403

01:39:43,200 --> 01:39:45,680

There's a lotta love out there,
you know, man?

1404

01:39:45,760 --> 01:39:50,120

- Don't embarrass me, Fillmore.

- That's my hot rod.

1405

01:39:52,080 --> 01:39:55,360

Come on, baby, bring it out!

Bring out the Piston Cup!

1406

01:39:55,440 --> 01:39:56,760

Ka-chicka! Ka-chicka!

1407

01:39:56,840 --> 01:39:59,680

Yeah!

Now, that's what I'm talkin' about!

1408

01:39:59,760 --> 01:40:02,760

Hey, how come the only one celebrating
is me, huh?

1409

01:40:02,840 --> 01:40:04,960

Where are the girls?
Bring on the confetti!

1410

01:40:05,040 --> 01:40:08,480

Ow! Ow! Easy with the confetti.
What's goin' on?

1411

01:40:08,560 --> 01:40:11,720

Come on, snap some pictures.
I gotta go sign my deal with Dinoco!

1412

01:40:11,800 --> 01:40:13,200

Say it with me. Ka-chicka!

1413

01:40:13,360 --> 01:40:14,800

- Boo!
- Boo!

1414

01:40:14,880 --> 01:40:17,840

What's wrong with everybody?

Where's the happiness?

1415

01:40:17,920 --> 01:40:19,920

Hey! This is the start of the Chick era!

1416

01:40:25,600 --> 01:40:28,000

- Thanks, Lightnin'.

- You're welcome.

1417

01:40:30,320 --> 01:40:32,640

- Way to go, King!

- You're still the car!

1418

01:40:32,720 --> 01:40:34,640

You're The King! Yeah!

1419

01:40:44,600 --> 01:40:47,920

- You made us proud, kid!

- Congrats on the loss, me bucko!

1420

01:40:51,000 --> 01:40:53,520

You got a lotta stuff, kid.

1421

01:40:53,720 --> 01:40:55,320

Thanks, Doc.

1422

01:40:56,440 --> 01:40:57,720

Hey, Lightnin'.

1423

01:40:57,760 --> 01:41:00,320

How 'bout comin' over here
and talk to me a minute?

1424

01:41:01,200 --> 01:41:04,080

Son, that was some
real racin' out there.

1425

01:41:04,160 --> 01:41:06,800

How'd you like to become
the new face of Dinoco?

1426

01:41:11,320 --> 01:41:12,760

But I didn't win.

1427

01:41:12,800 --> 01:41:16,320

Lightnin', there's a whole lot
more to racin' than just winnin'.

1428

01:41:16,400 --> 01:41:18,960

He was so rusty,
when he drove down the street

1429

01:41:19,040 --> 01:41:23,040

buzzards used to circle the car!

1430

01:41:23,120 --> 01:41:24,760

Thank you, Mr. Tex, but...

1431

01:41:24,840 --> 01:41:28,400

...but these Rust-eze guys over there
gave me my big break.

1432

01:41:29,880 --> 01:41:31,560

I'm gonna stick with them.

1433

01:41:31,640 --> 01:41:34,560

Well, I sure can respect that.

1434

01:41:34,640 --> 01:41:35,760

Still, you know,

1435

01:41:35,800 --> 01:41:39,520

if there's ever anything

I can do for you, just let me know.

1436

01:41:39,600 --> 01:41:42,000

I sure appreciate that.

Thank you.

1437

01:41:43,440 --> 01:41:46,320

Actually, there is one thing.

1438

01:41:47,000 --> 01:41:49,120

Whoo-hoo!

1439

01:41:49,200 --> 01:41:52,920

Hey, look at me!

I'm flyin', by golly!

1440

01:41:57,240 --> 01:42:00,080

I'm happier than a tornado
in a trailer park!

1441

01:42:03,600 --> 01:42:05,800

I think it's about-a time
we redecorate.

1442

01:42:08,800 --> 01:42:12,120

Hi. Lightning McQueen told me
this was the best place in the world

1443

01:42:12,160 --> 01:42:13,120

to get tires.

1444

01:42:13,200 --> 01:42:17,200

How 'bout setting me and my friends up
with three or four sets each?

1445

01:42:17,280 --> 01:42:22,280

Guido! There is a real
Michael Schumacher Ferrari in my store.

1446

01:42:22,360 --> 01:42:24,560

A real Ferrari!

1447

01:42:24,600 --> 01:42:26,640

Punch me, Guido.

Punch me in the face.

1448

01:42:26,720 --> 01:42:30,040

This is the most glorious day
of my life.

1449

01:42:31,320 --> 01:42:34,720

<i>Wow.

Spero che il tuo amico si riprenda.</i>

1450

01:42:34,800 --> 01:42:37,040

<i>Mi dicono che siete fantastici.</i>

1451

01:42:52,640 --> 01:42:54,120

Just passin' through?

1452

01:42:54,200 --> 01:42:56,400

Actually, I thought I'd stop
and stay awhile.

1453

01:42:56,440 --> 01:42:59,600

- I hear this place is back on the map.
- It is?

1454

01:42:59,640 --> 01:43:03,280

There's some rumor floating around
that some hotshot Piston Cup racecar

1455

01:43:03,320 --> 01:43:05,720

is setting up his big
racing headquarters here.

1456

01:43:05,760 --> 01:43:08,480

Really? Ah, well, there goes the town.

1457

01:43:08,560 --> 01:43:10,960

You know, I really missed you, Sally.

1458

01:43:11,000 --> 01:43:14,960

Well, I create feelings in others
they themselves don't understand and,

1459

01:43:15,040 --> 01:43:17,120

blah, blah, blah.

1460

01:43:17,520 --> 01:43:20,400

*<i>McQueen and Sally
parked beneath the tree,</i>*

1461

01:43:20,440 --> 01:43:24,880

<i>K- i-s-s... uh... i- n-t!</i>

1462

01:43:25,240 --> 01:43:27,160

Great timing, Mater!

1463

01:43:27,200 --> 01:43:31,040

Hep-non, hip-hep, hi-li-lilly! Whee!

1464

01:43:31,120 --> 01:43:33,440

He's my best friend.

What're you gonna do?

1465

01:43:33,520 --> 01:43:36,320

So, Stickers, last one to Flo's buys?

1466

01:43:36,400 --> 01:43:38,960

I don't know.

Why don't we just take a drive?

1467

01:43:39,040 --> 01:43:41,520

Hmm... Nah.

1468

01:43:43,200 --> 01:43:45,360

Yeah! Ka-chow!

1469

01:44:47,760 --> 01:44:51,600

Ah-choo!

1470

01:44:54,280 --> 01:44:57,160

All right, everybody

please keep together now.

1471

01:44:57,240 --> 01:45:01,800

We is now entering the Doc Hudson

wing of the museum.

1472

01:45:01,880 --> 01:45:04,720

Wow. Unbelievable.

That many wins in a single season.

1473

01:45:04,760 --> 01:45:08,680

He's the real deal, Junior.

The Hudson Hornet was my inspiration.

1474

01:45:08,760 --> 01:45:12,040

Excuse me, son.

Is Doc Hudson here today?

1475

01:45:12,120 --> 01:45:15,760

Sorry, Mrs. The King, I think Doc
went out for a drive or somethin'.

1476

01:45:19,000 --> 01:45:22,000

- Whoo! Whoo!

- Yeah!

1477

01:45:22,080 --> 01:45:24,520

Well, you sure ain't no dirt boy.

1478

01:45:24,600 --> 01:45:27,520

Not today, old man.

I know all your tricks.

1479

01:45:31,640 --> 01:45:33,480

Doc! Doc!

1480

01:45:33,760 --> 01:45:35,160

Whoo-ah!

1481

01:45:35,640 --> 01:45:37,720

Not all my tricks, rookie!

1482

01:45:53,680 --> 01:45:57,000

Attention!

Kiss the pavement goodbye.

1483

01:45:57,080 --> 01:46:00,400

When I'm finished, you'll have mud
in places you didn't know you had!

1484

01:46:00,440 --> 01:46:04,120

- Yo, I've never been off-road!

- Well, that's gonna change right now!

1485

01:46:04,400 --> 01:46:07,160

About face!

Drop and give me 20 miles!

1486

01:46:07,240 --> 01:46:09,160

Go! Go!

Go, go, go, go, go! Go!

1487

01:46:09,240 --> 01:46:11,920

Man, now I got dirt in my rims!

1488

01:46:14,480 --> 01:46:16,360

Huh? Look at this!

1489

01:46:16,440 --> 01:46:18,520

It's my hood! It's my hood!

1490

01:46:18,600 --> 01:46:21,560

I ain't seen this thing in 20 years!

1491

01:46:22,160 --> 01:46:25,960

Well, it fits perfectly.

How do I look? Ah-choo!

1492

01:46:31,400 --> 01:46:32,600

Oh, dang.

1493

01:46:37,560 --> 01:46:40,960

<i>You are a toy car!</i>

1494

01:46:41,040 --> 01:46:45,600

*<i>You are a sad, strange little wagon
and you have my pity. Farewell.</i>*

1495

01:46:46,000 --> 01:46:48,600

<i>Oh, yeah?

Well, good riddance, you loony!</i>

1496

01:46:48,680 --> 01:46:52,240

*<i>Hey, I hate to break up the road rally,
guys, but they're here!</i>*

1497

01:46:52,280 --> 01:46:54,560

<i>Birthday guests at three o'clock!</i>

1498

01:46:54,640 --> 01:46:57,840

Oh, man! Whoever does
the voice of that piggy truck,

1499

01:46:57,880 --> 01:47:00,360

I'm tellin' ya, he's one great actor!

1500

01:47:00,880 --> 01:47:04,880

<i>We're banished, genius! Stuck here
in this wasteland without chains!</i>

1501

01:47:04,960 --> 01:47:08,560

<i>But, Mike, the Boomobile's in trouble!
She needs our help!</i>

1502

01:47:08,640 --> 01:47:12,720

<i>- You're still not listening!
- Ah!</i>

1503

01:47:12,800 --> 01:47:16,280

<i>Welcome to the Himalayas!

Snow cone?</i>

1504

01:47:16,600 --> 01:47:20,120

Oh, that Abominable Snowplow

is quite the comic thespian!

1505

01:47:20,640 --> 01:47:22,560

<i>Just get in there.

Go! Go, go, go!</i>

1506

01:47:22,640 --> 01:47:23,960

<i>Circus cars?</i>

1507

01:47:24,040 --> 01:47:26,400

<i>How can you be circus cars?</i>

1508

01:47:26,480 --> 01:47:28,880

<i>These are the lousiest

circus cars in the world,</i>

1509

01:47:28,960 --> 01:47:30,880

<i>and they're gonna make me rich!</i>

1510

01:47:30,960 --> 01:47:32,040

Wait a minute here.

1511

01:47:32,120 --> 01:47:34,480

They're just usin' the same actor
over and over.

1512

01:47:34,520 --> 01:47:37,000

What kind of a cut-rate production
is this?

1513

01:50:54,400 --> 01:50:58,880

Oh, for the love of Chrysler, can we
please ask someone for directions?

1514

01:50:58,960 --> 01:51:03,000

No! There's an on-ramp close!
I know it! I can feel it!
