

Dialogues from Finding Nemo to improve the vocabulary in English

1

00:00:53,554 --> 00:00:55,305

MALE FISH: Wow.

FEMALE FISH: Mmm.

2

00:00:56,807 --> 00:00:58,600

- Wow.

- Mmm-hmm.

3

00:01:00,310 --> 00:01:01,895

- Wow.

- Yes, Marlin.

4

00:01:01,979 --> 00:01:04,022

I see it. It's beautiful.

5

00:01:04,106 --> 00:01:06,817

So, Coral, when you said
you wanted an ocean view,

6

00:01:06,900 --> 00:01:10,612

you didn't think you were going
to get the whole ocean, did you?

7

00:01:12,406 --> 00:01:13,574

Oh, yeah!

8

00:01:13,657 --> 00:01:17,744

A fish can breathe out here.
Did your man deliver or did he deliver?

9

00:01:17,828 --> 00:01:20,247

- My man delivered.
- It wasn't so easy.

10

00:01:20,330 --> 00:01:23,208

A lot of clownfish
had their eyes on this place.

11

00:01:23,292 --> 00:01:26,962

You better believe they did.
Every single one of them.

12

00:01:27,045 --> 00:01:30,299

You did good

and the neighborhood is awesome.

13

00:01:31,008 --> 00:01:32,968

(LAUGHTER OF YOUNG FISH)

14

00:01:40,726 --> 00:01:45,772

- So you do like it, don't you?

- No, no, I really do like it.

15

00:01:45,856 --> 00:01:48,817

But, Marlin, I know that

the Drop Off is desirable,

16

00:01:48,900 --> 00:01:50,819

great schools, amazing view,

17

00:01:50,902 --> 00:01:53,447

but do we really need so much space?

18

00:01:53,530 --> 00:01:56,033

Coral, honey,
these are our kids we're talking about.

19

00:01:56,116 --> 00:01:57,242

They deserve the best.

20

00:01:57,326 --> 00:02:01,622

Look. They'll wake up, poke their
little heads out and see a whale

21

00:02:02,039 --> 00:02:03,832

- right by their bedroom window!

- Shh!

22

00:02:04,291 --> 00:02:07,502

- You're going to wake the kids.

- Oh, right. Right.

23

00:02:11,214 --> 00:02:12,466

Aw, look.

24

00:02:13,925 --> 00:02:15,886

They're dreaming.

25

00:02:16,720 --> 00:02:20,307

- We still have to name them.

- All of them? Right now?

26

00:02:20,390 --> 00:02:23,560

All right. We'll name this half Marlin Jr.

27

00:02:23,644 --> 00:02:25,771

And this half Coral Jr.

28

00:02:25,854 --> 00:02:28,315

- Okay, we're done.

- I like Nemo.

29

00:02:28,398 --> 00:02:29,816

Nemo?

30

00:02:29,900 --> 00:02:33,695

We'll name one Nemo,

but I'd like most of them to be Marlin Jr.

31

00:02:33,779 --> 00:02:36,698

In a couple of days,
we're going to be parents!

32

00:02:36,782 --> 00:02:37,908

Yeah.

33

00:02:39,076 --> 00:02:41,578

- What if they don't like me?
- Marlin...

34

00:02:41,912 --> 00:02:43,330

There's over 400 eggs.

35

00:02:43,413 --> 00:02:46,583

Odds are one of them
is bound to like you.

36

00:02:49,920 --> 00:02:50,921

What?

37

00:02:51,630 --> 00:02:54,341

- You remember how we met?

- I try not to.

38

00:02:54,424 --> 00:02:55,634

Well, I remember.

39

00:02:55,717 --> 00:02:58,553

Excuse me, miss.

Can you see if I have a hook in my lip?

40

00:02:58,637 --> 00:03:00,847

- Marlin.

- Look closer.

41

00:03:00,931 --> 00:03:04,142

Fish are friends, not food.

347

00:20:49,791 --> 00:20:51,417

Except stinking dolphins.

348

00:20:51,501 --> 00:20:54,379

Dolphins!

Yeah, they think they're so cute.

349

00:20:54,462 --> 00:20:58,591

Look, I'm a flipping little dolphin.

Let me flip for you. Ain't I something?

350

00:20:58,675 --> 00:21:02,220

Today's meeting is step five:

Bring a Fish Friend.

351

00:21:02,303 --> 00:21:04,514

- Do you all have your friends?

- Got mine.

352

00:21:06,850 --> 00:21:09,018

DORY: Hey there!

BRUCE: How about you, Chum?

353

00:21:09,102 --> 00:21:12,814

Well, I seem to have misplaced my

354

00:21:12,897 --> 00:21:14,524

friend.

355

00:21:15,358 --> 00:21:16,568

BRUCE: It's all right, Chum.

356

00:21:16,651 --> 00:21:19,571

Help yourself to one of my friends.

357

00:21:19,654 --> 00:21:23,116

Thanks, mate. A little chum for Chum.

358

00:21:23,199 --> 00:21:26,828

I'll start the testimonies.

Hello. My name is Bruce.

359

00:21:26,911 --> 00:21:28,121

Hello, Bruce.

360

00:21:28,204 --> 00:21:31,416

It has been three weeks
since my last fish, on my honor,

361

00:21:31,499 --> 00:21:33,793

or may I be chopped up
and made into soup.

362

00:21:34,502 --> 00:21:36,671

- You're an inspiration to us.
- Amen.

363

00:21:37,922 --> 00:21:40,633

- Right, then. Who's next?
- Pick me. Pick me.

364

00:21:40,717 --> 00:21:42,552

- The little sheila down the front.
- Whoo!

365

00:21:43,303 --> 00:21:44,888

Come on up here.

366

00:21:46,139 --> 00:21:47,557

Hi. I'm Dory.

367

00:21:47,640 --> 00:21:49,184

Hello, Dory.

368

00:21:49,267 --> 00:21:52,604

And... Well, I don't think

I've ever eaten a fish.

369

00:21:54,063 --> 00:21:56,733

- Hey, that's incredible.

- Good on you, mate!

370

00:21:57,358 --> 00:21:58,818

I'm glad I got that off my chest.

371

00:21:58,902 --> 00:22:03,114

Anyone else? How about you, mate?

What's your problem?

372

00:22:03,198 --> 00:22:05,533

Me? I don't have a problem.

373

00:22:06,034 --> 00:22:08,077

- Okay.

- ALL: Denial.

374

00:22:08,494 --> 00:22:10,455

Just start with your name.

375

00:22:10,538 --> 00:22:12,790

Okay. Hello.

376

00:22:13,166 --> 00:22:15,919

My name is Marlin. I'm a clownfish.

377

00:22:16,002 --> 00:22:19,505

- A clownfish? Really?

- Go on. Tell us a joke.

378

00:22:19,589 --> 00:22:20,757

I love jokes.

379

00:22:21,049 --> 00:22:24,052

I actually do know

one that's pretty good.

380

00:22:25,094 --> 00:22:28,556

There was this mollusk

and he walks up to a sea cucumber.

381

00:22:28,640 --> 00:22:32,060

Normally they don't talk,

but in a joke, everyone talks.

382

00:22:32,143 --> 00:22:35,146

The sea mollusk

says to the cucumber...

383

00:22:37,690 --> 00:22:38,942

Daddy!

384

00:22:39,484 --> 00:22:40,568

Nemo!

385

00:22:40,944 --> 00:22:42,779

Nemo! (LAUGHS)

386

00:22:43,529 --> 00:22:45,865

- I don't get it.

- For a clownfish he's not that funny.

387

00:22:45,949 --> 00:22:50,411

No, he's my son.

He was taken by these divers.

388

00:22:51,079 --> 00:22:52,956

You poor fish.

389

00:22:53,039 --> 00:22:56,334

- Humans. Think they own everything.

- Probably American.

390

00:22:56,417 --> 00:23:00,463

(TEARFULLY) There is a father
looking for his little boy.

391

00:23:00,922 --> 00:23:02,590

MARLIN:

What do these markings mean?

392

00:23:02,674 --> 00:23:06,552

- (SOBS) I never knew my father.

- Come here.

393

00:23:06,636 --> 00:23:08,763

- We're all mates here.

- I can't read human.

394

00:23:08,846 --> 00:23:11,933

Then we've got to find a fish
that can read this. Look. Sharks!

395

00:23:12,475 --> 00:23:14,352

- Guys.

- No, Dory.

396

00:23:14,435 --> 00:23:16,813

- That's mine. Give it back.

- Cut it out.

397

00:23:16,980 --> 00:23:20,566

- Ow!

- I'm sorry. Are you okay?

398

00:23:20,650 --> 00:23:23,486

You really clocked me there.

Am I bleeding?

399

00:23:24,988 --> 00:23:27,490

Dory, are you oka... (SNIFFS)

400

00:23:27,573 --> 00:23:29,075

Oh!

401

00:23:30,159 --> 00:23:31,661

That's good.

402

00:23:32,161 --> 00:23:33,538

Intervention!

403

00:23:34,289 --> 00:23:37,250

- Just a bite.

- You hold it together, mate.

404

00:23:37,333 --> 00:23:40,169

- Fish are friends, not food.

- Food!

405

00:23:41,004 --> 00:23:42,755

Dory, look out.

406

00:23:42,839 --> 00:23:45,717

I'm having fish tonight.

407

00:23:45,800 --> 00:23:47,093

Remember the steps, mate.

408

00:23:52,932 --> 00:23:54,142

Just one bite.

409

00:23:58,688 --> 00:23:59,731

G'day.

410

00:24:03,526 --> 00:24:06,029

There's no way out.

There's got to be a way to escape.

411

00:24:08,656 --> 00:24:10,992

- Who is it?

- Help me find a way out.

412

00:24:11,075 --> 00:24:13,870

Sorry. You'll have to come back later.

We're trying to escape.

413

00:24:14,787 --> 00:24:17,373

There's no way out.

There's got to be a way out.

414

00:24:17,457 --> 00:24:21,627

Here's something. "Es-ca-pé."

I wonder what that means.

415

00:24:21,711 --> 00:24:23,796

- It's spelled just like the word "escape."

- Let's go.

416

00:24:24,380 --> 00:24:26,966

Here's Brucie!

417

00:24:27,467 --> 00:24:31,095

- Wait a minute. You can read?

- I can read? That's right!

418

00:24:31,179 --> 00:24:32,680

Then here. Read this now.

419

00:24:34,724 --> 00:24:37,685

He doesn't mean it.

He never even knew his father.

420

00:24:37,769 --> 00:24:39,812

Don't fall off the wagon.

421

00:24:43,566 --> 00:24:45,360

Oh, no! It's blocked.

422

00:24:49,781 --> 00:24:51,032

No, Bruce!

423

00:24:51,366 --> 00:24:53,576

Sorry about... Bruce, mate.

424

00:24:53,659 --> 00:24:55,828

He's really... A nice guy.

425

00:24:55,912 --> 00:24:57,497

I need to get that mask.

426

00:24:57,580 --> 00:24:59,040

You want that mask? Okay.

427

00:24:59,123 --> 00:25:01,501

No, no, no, no!

428

00:25:02,502 --> 00:25:04,128

Quick. Grab the mask.

429

00:25:08,883 --> 00:25:11,177

Oh, no. Bruce.

430

00:25:11,260 --> 00:25:12,428

What?

431

00:25:14,597 --> 00:25:17,350

Swim away!

432

00:25:17,433 --> 00:25:18,851

DORY: Is the party over?

433

00:25:18,935 --> 00:25:19,936

(PING)

434

00:25:28,736 --> 00:25:30,029

Nice.

435

00:25:33,699 --> 00:25:34,992

Dad!

436

00:25:37,662 --> 00:25:39,038

Daddy?

437

00:26:02,061 --> 00:26:03,229

SHERMAN: Barbara.

438

00:26:03,312 --> 00:26:05,106

Prep for his anterior crown,
would you, please?

439

00:26:05,481 --> 00:26:08,609

- And I'll need more cotton rolls.
- All right.

440

00:26:11,654 --> 00:26:12,738

Hello, little fella.

441

00:26:14,157 --> 00:26:15,158

Beauty, isn't he?

442

00:26:15,241 --> 00:26:18,744

I found that guy struggling for life
and I saved him.

443

00:26:18,828 --> 00:26:21,372

- Has that Novocain kicked in yet?
- (PATIENT GABBLES)

444

00:26:25,126 --> 00:26:26,377

Bubbles!

445

00:26:29,964 --> 00:26:32,884

- My bubbles.

- He likes bubbles.

446

00:26:33,843 --> 00:26:35,511

(FRIGHTENED CRIES)

447

00:26:39,182 --> 00:26:40,892

(WHIMPERS)

448

00:26:44,228 --> 00:26:45,354

<i>- Bonjour.</i>

- Aagghh!

449

00:26:46,272 --> 00:26:49,942

Slow down, little fella.

There's nothing to worry about.

450

00:26:50,026 --> 00:26:52,236

- He's scared to death.

- I want to go home.

451

00:26:53,154 --> 00:26:54,572

Do you know where my dad is?

452

00:26:54,655 --> 00:26:57,283

Your dad's probably
back at the pet store.

453

00:26:57,366 --> 00:26:58,701

Pet store?

454

00:26:58,784 --> 00:27:01,913

- Like I'm from Bob's Fish Mart.
- Pet Palace.

455

00:27:01,996 --> 00:27:03,414

- Fish-O-Rama.
- Mail order.

456

00:27:03,498 --> 00:27:04,749

EBay.

457

00:27:04,832 --> 00:27:07,293

- Which one is it?

- I'm from the ocean.

458

00:27:07,376 --> 00:27:10,671

Ah, the ocean. The ocean! Aagghh!

459

00:27:11,088 --> 00:27:14,008

He hasn't been decontaminated yet.

Jacques!

460

00:27:14,091 --> 00:27:15,426

- Clean him!

<i>- Oui.</i>

461

00:27:17,011 --> 00:27:18,554

- Ocean.

<i>- La mer.</i>

462

00:27:21,390 --> 00:27:22,892

<i>Voilà.</i> He is clean.

463

00:27:25,895 --> 00:27:29,023

Wow. The big blue. What's it like?

464

00:27:29,565 --> 00:27:31,859

Uh... Big and blue?

465

00:27:31,943 --> 00:27:32,985

I knew it.

466

00:27:33,069 --> 00:27:36,489

If there's anything you need,
ask your Auntie Deb. That's me.

467

00:27:36,572 --> 00:27:41,160

If I'm not around you can always
talk to my sister, Flo. Hi. How are you?

468

00:27:41,244 --> 00:27:44,330

Don't listen to anything my sister says.
She's nuts.

469

00:27:44,413 --> 00:27:45,498

(MUFFLED CALL)

470

00:27:45,581 --> 00:27:48,543

- Can't hear you, Peach.

- I said we got a live one.

471

00:27:48,626 --> 00:27:50,002

- Yes!

- Boy, oh, boy.

472

00:27:50,086 --> 00:27:52,255

- What have we got?

- Root canal.

473

00:27:52,338 --> 00:27:53,589

It's not going to be pretty.

474

00:27:54,340 --> 00:27:55,341

Aagghh!

475

00:27:55,424 --> 00:27:56,842

- Clamp installed?

- Yup.

476

00:27:56,926 --> 00:28:00,346

- What did he use to open?
- Glidden drill. He favors that one.

477

00:28:01,180 --> 00:28:03,349

I can't see, Flo.

478

00:28:04,100 --> 00:28:05,518

(MUMBLES) Agh!

479

00:28:05,601 --> 00:28:08,187

- Schilder Technique.
- That's a Hedstrom file.

480

00:28:08,271 --> 00:28:10,731

That's not a Hedstrom file.

That's a K-Flex.

481

00:28:10,815 --> 00:28:13,818

It's got a teardrop cross section.

A Hedstrom.

482

00:28:13,901 --> 00:28:16,571

- K-Flex!

- Hedstrom!

483

00:28:16,654 --> 00:28:18,739

There I go. Little help. Over here.

484

00:28:18,823 --> 00:28:20,700

I'll go deflate him.

485

00:28:20,908 --> 00:28:21,909

Pffft!

486

00:28:22,660 --> 00:28:24,912

All right. Go ahead and rinse.

487

00:28:25,871 --> 00:28:28,291

The human mouth
is a disgusting place.

488

00:28:31,127 --> 00:28:32,753

- Nigel.

- What did I miss?

489

00:28:32,837 --> 00:28:35,840

- Root canal. A doozy.
- What did he use to open?

490

00:28:35,923 --> 00:28:37,592

- Glidden drill.
- He favors it.

491

00:28:37,675 --> 00:28:40,845

Hope he doesn't get surplus sealer
at the portal terminus.

492

00:28:40,928 --> 00:28:43,889

- Hello. Who's this?
- New guy.

493

00:28:43,973 --> 00:28:46,559

- The dentist took him off the reef.
- An outie.

494

00:28:46,642 --> 00:28:49,395

From my neck of the woods?

Sorry if I took a snap at you.

495

00:28:49,478 --> 00:28:51,731

Fish got to swim. Birds got to eat.

496

00:28:51,814 --> 00:28:56,193

No, no. Those aren't your fish.

They're my fish. Come on. Go. Shoo.

497

00:28:58,946 --> 00:29:02,199

The picture broke.

This here's Darla. She's my niece.

498

00:29:02,283 --> 00:29:03,326

Going to be eight this week.

499

00:29:03,409 --> 00:29:06,579

Hey, little fella.

Say hello to your new mummy.

500

00:29:06,662 --> 00:29:09,081

She's going to be here Friday

to pick you up.

501

00:29:09,165 --> 00:29:10,958

You're her present.

502

00:29:11,083 --> 00:29:13,044

Shh! It's our little secret.

503

00:29:13,127 --> 00:29:14,420

Well, Mr. Tucker,

504

00:29:14,503 --> 00:29:17,840

while that sets up, I'm going to
go see a man about a wallaby.

505

00:29:19,467 --> 00:29:20,593

Uh-oh. Darla!

506

00:29:20,676 --> 00:29:24,347

- What's wrong with her?

- She wouldn't stop shaking the bag.

507

00:29:25,640 --> 00:29:28,893

- Poor Chuckles.

- He was her present last year.

508

00:29:28,976 --> 00:29:31,687

Hitched a ride on the porcelain express.

509

00:29:33,356 --> 00:29:35,232

She's a fish killer.

510

00:29:36,192 --> 00:29:39,820

I can't go with that girl.

I have to get back to my dad.

511

00:29:40,946 --> 00:29:44,200

- Daddy! Help me!

- He's stuck.

512

00:29:49,455 --> 00:29:51,207

Nobody touch him.

513

00:29:57,171 --> 00:29:58,464

Can you help me?

514

00:29:58,547 --> 00:30:01,884

No. You got yourself in there,
you can get yourself out.

515

00:30:01,967 --> 00:30:04,720

- Gill...

- I just want to see him do it, okay?

516

and I'll talk you through the rest.

857

00:49:19,707 --> 00:49:20,708

Okay.

858

00:49:20,792 --> 00:49:23,169

- Go on. It'll be a piece of kelp.

- (TAKES A DEEP BREATH)

859

00:49:31,344 --> 00:49:33,972

- Nicely done. Can you hear me?

- Yeah.

860

00:49:34,055 --> 00:49:35,974

Here comes the pebble.

861

00:49:42,146 --> 00:49:45,692

- Now, do you see a small opening?

- Uh-huh.

862

00:49:45,775 --> 00:49:48,903

Okay. Inside it you'll see a rotating fan.

863

00:49:48,987 --> 00:49:53,408

Very carefully, wedge that pebble
into the fan to stop it turning.

864

00:49:57,954 --> 00:49:59,330

Careful, Sharkbait.

865

00:49:59,414 --> 00:50:02,083

- I can't do it.

- This isn't a good idea.

866

00:50:02,166 --> 00:50:03,877

He'll be fine. Try again!

867

00:50:04,168 --> 00:50:05,545

Okay.

868

00:50:06,588 --> 00:50:09,299

GILL: That's it, Sharkbait.

869

00:50:09,382 --> 00:50:11,634

Nice and steady.

870

00:50:14,178 --> 00:50:17,098

- I got it, I got it!

- He did it.

871

00:50:17,181 --> 00:50:20,393

That's great, kid.

Now swim up the tube and out.

872

00:50:37,952 --> 00:50:39,954

Oh, no! Gill!

873

00:50:40,663 --> 00:50:42,957

Sharkbait! Get him out of there!

874

00:50:43,041 --> 00:50:44,542

- Help him!

- What do we do?

875

00:50:44,626 --> 00:50:47,503

- Oh, no!

- Stay calm, kid. Just don't panic.

876

00:50:49,005 --> 00:50:52,175

- Help me!

- Sharkbait, grab hold of this.

877

00:50:55,887 --> 00:50:56,888

No!

878

00:50:56,971 --> 00:50:58,890

- Feed me more.

- That's it!

879

00:50:58,973 --> 00:51:01,100

Come on, Sharkbait. Grab it.

880

00:51:02,727 --> 00:51:04,687

- I got it.

- Pull!

881

00:51:12,487 --> 00:51:14,822

Gill, don't make him go back in there.

882

00:51:16,324 --> 00:51:19,661

No. We're done.

883

00:51:22,664 --> 00:51:24,123

(WHIMPERS)

884

00:51:33,758 --> 00:51:35,259

CRUSH: Dude?

885

00:51:36,552 --> 00:51:37,887

Dude?

886

00:51:38,680 --> 00:51:40,473

Focus, dude.

887

00:51:41,265 --> 00:51:42,517

Dude?

888

00:51:44,268 --> 00:51:45,812

He lives. Hey, dude.

889

00:51:46,020 --> 00:51:47,021

(MARLIN GROANS)

890

00:51:48,564 --> 00:51:51,526

- What happened?

- I saw the whole thing, dude.

891

00:51:51,609 --> 00:51:55,029

First you were all, like, whoa!

And then we were all, like, whoa!

892

00:51:55,113 --> 00:51:58,324

- Then you were, like, whoa...

- What are you talking about?

893

00:51:58,408 --> 00:52:05,289

You, mini-man! Taking on the jellies.

You got serious thrill issues, dude.

894

00:52:05,373 --> 00:52:06,582

Awesome.

895

00:52:07,041 --> 00:52:08,543

Oh, my stomach.

896

00:52:09,293 --> 00:52:12,422

Man, no hurling on the shell.

I just waxed it.

897

00:52:13,673 --> 00:52:16,968

- So, Mr. Turtle...

- Dude, Mr. Turtle is my father.

898

00:52:17,051 --> 00:52:18,553

Name's Crush.

899

00:52:18,886 --> 00:52:20,638

Crush? Really?

900

00:52:21,222 --> 00:52:22,473

Okay, Crush.

901

00:52:22,557 --> 00:52:25,935

Listen, I need to get to
the East Australian Current.

902

00:52:26,019 --> 00:52:27,478

EAC?

903

00:52:27,562 --> 00:52:29,105

Dude...

904

00:52:29,188 --> 00:52:31,357

You're riding it, dude.

905

00:52:31,441 --> 00:52:33,234

Check it out.

906

00:52:55,214 --> 00:52:56,716

Okay, grab shell, dude.

907

00:52:56,799 --> 00:52:59,010

Grab what?

908

00:53:08,770 --> 00:53:10,521

Righteous! Righteous!

909

00:53:15,526 --> 00:53:16,986

So,

910

00:53:17,820 --> 00:53:21,574

what brings you on this fine day
to the EAC?

911

00:53:21,657 --> 00:53:24,660

Well, Dory and I need to get to Sydney.

912

00:53:24,744 --> 00:53:26,954

Dory! Is she all right?

913

00:53:27,413 --> 00:53:29,582

Oh, little blue.

914

00:53:29,665 --> 00:53:30,833

She is sub-level, dude.

915

00:53:35,088 --> 00:53:37,048

Dory, Dory! Dory!

916

00:53:38,007 --> 00:53:39,217

Oh, Dory.

917

00:53:39,467 --> 00:53:40,927

(DORY MUMBLES INCOHERENTLY)

918

00:53:42,178 --> 00:53:43,805

I'm so sorry.

919

00:53:44,472 --> 00:53:47,350

This is all my fault. It's my fault.

920

00:53:47,433 --> 00:53:50,436

...twenty-nine, 30!

Ready or not, here I come!

921

00:53:53,147 --> 00:53:54,273

There you are.

922

00:53:54,982 --> 00:53:56,484

Catch me if you can.

923

00:54:06,494 --> 00:54:08,287

Up you go!

924

00:54:10,331 --> 00:54:11,999

(LAUGHTER)

925

00:54:18,798 --> 00:54:20,091

Oh, my goodness.

926

00:54:20,174 --> 00:54:24,262

Kill the motor, dude.

Let us see what Squirt does flying solo.

927

00:54:33,104 --> 00:54:35,898

Whoa! That was so cool.

928

00:54:35,982 --> 00:54:38,776

Hey, Dad. Did you see that?

Did you see me?

929

00:54:38,860 --> 00:54:43,030

- Did you see what I did?

- You so totally rock, Squirt.

930

00:54:43,114 --> 00:54:44,782

Give me some fin.

931

00:54:44,866 --> 00:54:45,950

Noggin.

932

00:54:46,033 --> 00:54:47,368

Dude.

933

00:54:48,202 --> 00:54:52,874

Intro. Jellyman, Offspring.

Offspring, Jellyman.

934

00:54:52,957 --> 00:54:56,419

- Jellies? Sweet.

- Totally.

935

00:54:56,502 --> 00:54:59,714

I must have done

something you all liked, dudes.

936

00:54:59,797 --> 00:55:01,924

- You rock, dude.

- Ow.

937

00:55:02,842 --> 00:55:05,011

Curl away, my son.

938

00:55:05,094 --> 00:55:06,971

It's awesome, Jellyman.

939

00:55:07,054 --> 00:55:10,433

When the little dudes are eggs

we leave them on a beach to hatch,

940

00:55:10,725 --> 00:55:14,478

and coo-coo-cachoo, they find
their way back to the big ol' blue.

941

00:55:14,562 --> 00:55:16,647

- All by themselves?

- Yeah!

942

00:55:16,731 --> 00:55:19,650

But, dude, how do you know
when they're ready?

943

00:55:19,734 --> 00:55:23,905

You never really know, but when
they know, you'll know. You know?

944

00:55:27,200 --> 00:55:28,701

(LAUGHTER)

945

00:55:28,784 --> 00:55:31,329

- Hey, look, everybody.

- I know that dude.

946

00:55:31,412 --> 00:55:32,705

It's the Jellyman.

947

00:55:33,414 --> 00:55:36,209

- Well go on. Jump on him.

- Turtle pile!

948

00:55:36,292 --> 00:55:38,002

Wait. Kids!

949

00:55:38,085 --> 00:55:39,962

- You funny?

- Where's your shell?

950

00:55:40,046 --> 00:55:42,340

- Do your stripes come off?

- I need to breathe.

951

00:55:42,423 --> 00:55:44,634

Did you cross the jellyfish forest?

952

00:55:44,717 --> 00:55:47,720

- One at a time.

- Mr. Fish, did you die?

953

00:55:47,803 --> 00:55:49,931

Sorry. I was vague on the details.

954

00:55:50,014 --> 00:55:53,517

- So where are you going?

- You see, my son was taken.

955

00:55:53,601 --> 00:55:55,853

My son was taken away from me.

956

00:55:56,729 --> 00:55:58,648

- No way!

- What happened?

957

00:55:58,731 --> 00:56:01,692

No, kids. I don't want to talk about it.

958

00:56:01,776 --> 00:56:04,278

- Come on.

- Please.

959

00:56:05,529 --> 00:56:06,530

Well, okay.

960

00:56:07,490 --> 00:56:10,993

I live on this reef, a long way from here.

961

00:56:11,244 --> 00:56:13,329

This is going to be good. I can tell.

962

00:56:13,412 --> 00:56:17,541

My son, Nemo, he was mad at me.

963

00:56:18,292 --> 00:56:20,962

Maybe he wouldn't have done it
if I hadn't been so tough on him.

964

00:56:21,045 --> 00:56:22,380

I don't know.

965

00:56:22,463 --> 00:56:24,882

He swam in the open water to this boat

966

00:56:24,966 --> 00:56:28,427

and these divers appeared
and I tried to stop them.

967

00:56:28,511 --> 00:56:31,389

The boat was too fast,
so we swam out in the ocean...

968

00:56:31,472 --> 00:56:32,640

He couldn't stop them.

969

00:56:32,723 --> 00:56:35,518

Then Nemo's dad,
he swims out to the ocean

970

00:56:35,601 --> 00:56:37,853

and they bump into three sharks.

971

00:56:37,937 --> 00:56:40,356

He scares them away
by blowing them up.

972

00:56:40,439 --> 00:56:43,150

- That's amazing.

- Then dives thousands of feet...

973

00:56:43,234 --> 00:56:47,405

Straight into the dark. It's wicked
dark there. You can't see a thing.

974

00:56:47,488 --> 00:56:49,949

The only thing
they can see down there is...

975

00:56:50,032 --> 00:56:53,744

This big, horrible creature with
razor-sharp teeth! Nice parry.

976

00:56:53,828 --> 00:56:55,329

Then he has to blast his way...

977

00:56:55,413 --> 00:56:58,374

These fish have been
searching the ocean for days

978

00:56:58,457 --> 00:57:00,251

on the East Australian Current.

979

00:57:00,334 --> 00:57:02,378

He may be on his way here right now.

980

00:57:02,461 --> 00:57:04,088

That should put him in

Sydney Harbour...

981

00:57:04,171 --> 00:57:05,548

In a few days.

982

00:57:05,631 --> 00:57:07,591

This guy will stop at nothing...

983

00:57:07,675 --> 00:57:10,469

...stop at nothing until he finds his son.

I hope he makes it.

984

00:57:10,553 --> 00:57:13,389

That's one dedicated father,

if you ask me.

985

00:57:20,021 --> 00:57:22,523

Mine. Mine. Mine.

986

00:57:28,654 --> 00:57:31,365

Would you just shut up?

987

00:57:31,449 --> 00:57:35,244

- You're rats with wings.

- This bloke's looking for his boy, Nemo.

988

00:57:35,328 --> 00:57:38,998

- He was taken off the reef by divers...

- There. Take it.

989

00:57:40,041 --> 00:57:42,626

Say that again.

You said something about Nemo.

990

00:57:42,710 --> 00:57:44,420

Mine. Mine. Mine.

991

00:57:45,087 --> 00:57:46,422

(GROWLS)

992

00:57:47,214 --> 00:57:48,215

Mine.

993

00:57:48,299 --> 00:57:51,469

Last I heard,

he's heading towards the harbor.

994

00:57:51,552 --> 00:57:52,887

Brilliant!

995

00:58:06,692 --> 00:58:08,069

Is he doing okay?

996

00:58:08,152 --> 00:58:11,405

I don't know, but whatever you do,

don't mention D-A-R...

997

00:58:11,489 --> 00:58:14,533

It's okay.

I know who you're talking about.

998

00:58:22,833 --> 00:58:24,085

Gill?

999

00:58:26,462 --> 00:58:27,546

Gill?

1000

00:58:29,048 --> 00:58:30,257

Hey, Sharkbait.

1001

00:58:31,300 --> 00:58:34,720

- I'm sorry I couldn't stop...

- GILL: I'm the one who should be sorry.

1002

00:58:36,013 --> 00:58:40,226

I was so ready to get out,

so ready to taste that ocean,

1003

00:58:40,851 --> 00:58:43,604

I was willing to put you

in harm's way to get there.

1004

00:58:44,897 --> 00:58:47,108

Nothing should be worth that.

1005

00:58:48,609 --> 00:58:50,945

I'm sorry I couldn't get you
back to your father, kid.

1006

00:58:55,241 --> 00:58:57,243

All right. Hey, hey, hey!

1007

00:58:57,993 --> 00:58:59,453

- What the...

- Aaggh!

1008

00:58:59,537 --> 00:59:03,124

Well, that's one way
to pull a tooth. (LAUGHS)

1009

00:59:04,625 --> 00:59:08,629

Darn kids. Well, good thing
I pulled the right one, eh?

1010

00:59:08,963 --> 00:59:09,964

Pssst!

1011

00:59:10,047 --> 00:59:12,174

Nigel, you just missed an extraction.

1012

00:59:12,258 --> 00:59:14,969

Has he loosened
the periodontal ligament yet?

1013

00:59:15,052 --> 00:59:17,221

What am I talking about?

Where's Nemo?

1014

00:59:17,304 --> 00:59:18,931

I've got to speak with him.

1015

00:59:19,014 --> 00:59:22,059

Your dad's been fighting the ocean
looking for you.

1016

00:59:22,143 --> 00:59:24,145

My father? Really?

1017

00:59:24,228 --> 00:59:26,063

He's traveled hundreds of miles.

1018

00:59:26,147 --> 00:59:29,358

- He's been battling sharks and jellyfish.
- Sharks?

1019

00:59:29,442 --> 00:59:32,361

- That can't be him.
- Are you sure? What was his name?

1020

00:59:32,445 --> 00:59:34,447

Some sort of sport fish. Tuna? Trout?

1021

00:59:34,530 --> 00:59:36,115

- Marlin?
- That's it.

1022

00:59:36,198 --> 00:59:39,785

- The clownfish from the reef.
- It's my dad! He took on a shark!

1023

00:59:39,869 --> 00:59:42,872

- I heard he took on three.

- Three?

1024

00:59:42,955 --> 00:59:45,249

- Three sharks?

- That's 4,800 teeth!

1025

00:59:45,332 --> 00:59:47,501

After you were taken by Diver Dan,

1026

00:59:47,585 --> 00:59:49,587

your dad followed the boat

like a maniac.

1027

00:59:49,670 --> 00:59:50,838

Really?

1028

00:59:50,921 --> 00:59:54,508

- I think he says we've stopped.

- Of course we've stopped.

1218

01:11:37,502 --> 01:11:41,214

Stop trying to speak whale.

You're going to make things worse.

1219

01:11:41,298 --> 01:11:42,299

What is that noise?

1220

01:11:42,382 --> 01:11:43,717

(ROARING)

1221

01:11:46,720 --> 01:11:48,597

Oh, no. Look what you did.

1222

01:11:50,056 --> 01:11:53,560

The water's going down.

It's going down!

1223

01:11:57,564 --> 01:12:00,817

- Really? You sure about that?

- Look. Already it's half-empty.

1224

01:12:01,276 --> 01:12:04,905

- Hmm. I'd say it's half-full.

- Stop that. It's half-empty!

1225

01:12:05,530 --> 01:12:07,199

(ROARING)

1226

01:12:08,200 --> 01:12:10,744

Okay, that one was a little tougher.

1227

01:12:10,827 --> 01:12:13,747

He either said we should go
to the back of the throat

1228

01:12:13,830 --> 01:12:15,999

or he wants a root beer float.

1229

01:12:16,082 --> 01:12:19,794

Of course he wants us to go there.

That's eating us!

1230

01:12:19,878 --> 01:12:22,589

How do I taste, Moby? Do I taste good?

1231

01:12:22,672 --> 01:12:24,758

Tell him

I'm not interested in being lunch.

1232

01:12:24,841 --> 01:12:27,260

- Okay. He's...

- Stop talking to him.

1233

01:12:33,683 --> 01:12:36,728

- What is going on?

- I'll check. What...

1234

01:12:36,811 --> 01:12:39,439

No. No more whale.

You can't speak whale.

1235

01:12:39,522 --> 01:12:41,107

Yes, I can.

1236

01:12:41,191 --> 01:12:42,192

No, you can't.

1237

01:12:42,275 --> 01:12:45,779

who needs anemones?"

1536

01:31:13,469 --> 01:31:15,262

Well, hello, Nemo. Who's this?

1537

01:31:15,346 --> 01:31:18,682

- Exchange student.

- I'm from the EAC, dude.

1538

01:31:18,766 --> 01:31:21,060

- Sweet.

- Totally.

1539

01:31:21,977 --> 01:31:25,689

Seriously, Marty, did you really do
all the things you say you did?

1540

01:31:25,773 --> 01:31:27,066

BRUCE: Pardon me.

1541

01:31:27,941 --> 01:31:29,026

Hello.

1542

01:31:30,569 --> 01:31:32,112

Don't be alarmed.

1543

01:31:32,196 --> 01:31:35,324

We wanted to make sure
our newest member got home safely.

1544

01:31:35,407 --> 01:31:37,493

- Thanks.
- We'll see you next week.

1545

01:31:37,576 --> 01:31:41,121

- Keep up with the program, Dory.
- Remember, fish are friends.

1546

01:31:41,205 --> 01:31:43,540

Not food! Bye!

1547

01:31:43,624 --> 01:31:45,501

Hold on. Here we go.

1548

01:31:45,584 --> 01:31:47,294

Next stop, knowledge.

1549

01:31:47,378 --> 01:31:49,838

Bye, son. Have fun.

1550

01:31:49,922 --> 01:31:51,048

NEMO: Bye, Dad.

1551

01:31:52,091 --> 01:31:54,426

Oh! Mr. Ray, wait. I forgot something.

1552

01:31:59,598 --> 01:32:01,266

Love you, Dad.

1553

01:32:02,476 --> 01:32:04,478

I love you, too, son.

1554

01:32:07,272 --> 01:32:09,691

Uh, Dad? You can let go now.

1555

01:32:09,775 --> 01:32:11,110

Sorry.

1556

01:32:11,193 --> 01:32:13,320

Now go have an adventure.

1557

01:32:13,404 --> 01:32:15,697

Goodbye. See you later, dudes!

1558

01:32:15,781 --> 01:32:17,533

- Bye, Elmo.

- Nemo.

1559

01:32:17,616 --> 01:32:21,120

- Nemo. Bye, Nemo.

- See you after school, Dory.

1560

01:32:21,995 --> 01:32:23,288

NEMO: Bye, Dad!

1561

01:32:24,790 --> 01:32:44,226

Bye, son.

1562

01:32:44,226 --> 01:32:45,394

SHERMAN: Barbara.

BARBARA: Mmm-hmm?

1563

01:32:45,477 --> 01:32:46,937

I don't understand it.

1564

01:32:47,020 --> 01:32:50,315

Here this thing has a lifetime guarantee
and it breaks.

1565

01:32:50,399 --> 01:32:54,987

Had to clean the tank myself,
take the fish out, put 'em in bags and...

1566

01:32:55,487 --> 01:32:57,322

Where'd the fish go?

1567

01:32:59,158 --> 01:33:00,409

(CAR HORNS)

1568

01:33:02,786 --> 01:33:05,080

Come on, Peach!

1569

01:33:05,164 --> 01:33:07,624

You got it. That's it. You can do it.

1570

01:33:07,708 --> 01:33:09,960

That's the shortest red light

I've ever seen.

1571

01:33:10,043 --> 01:33:11,795

Come on, Peach.

1572

01:33:12,337 --> 01:33:13,881

(CHEERING)

1573

01:33:15,340 --> 01:33:17,384

(TRIUMPHANT LAUGHTER)

1574

01:33:21,680 --> 01:33:23,098

Now what?

1575

01:33:25,351 --> 01:33:27,687

(POP MUSIC PLAYING)
