

Dialogues from Lilo and Stitch I to improve the vocabulary in English

1

00:00:29,404 --> 00:00:31,864

Read the charges.

2

00:00:31,948 --> 00:00:34,491

Dr. Jumba Jookiba,

3

00:00:34,534 --> 00:00:37,870

lead scientist of

Galaxy Defense Industries,

4

00:00:37,912 --> 00:00:40,372

you stand before this council

5

00:00:40,415 --> 00:00:45,461

accused of illegal

genetic experimentation.

6

00:00:51,384 --> 00:00:53,510

How do you plead?

7

00:00:53,553 --> 00:00:55,054

Not guilty!

8

00:00:55,096 --> 00:01:00,684

My experiments are only theoretical,
completely within legal boundaries.

9

00:01:00,727 --> 00:01:05,064

We believe you actually
created something.

10

00:01:05,148 --> 00:01:07,399

Created something?

11

00:01:07,442 --> 00:01:11,195

But that would be
irresponsible and unethical.

12

00:01:11,237 --> 00:01:13,405

I would never, ever,

13

00:01:14,949 --> 00:01:16,742

make more than one.

14

00:01:24,042 --> 00:01:26,668

What is that monstrosity?

15

00:01:26,753 --> 00:01:28,462

Monstrosity?

16

00:01:28,546 --> 00:01:33,467

What you see before you is
the first of a new species.

17

00:01:33,551 --> 00:01:37,471

I call it Experiment 626.

18

00:01:39,224 --> 00:01:41,350

He is bulletproof, fireproof

19

00:01:41,434 --> 00:01:44,103

and can think faster
than supercomputer.

20

00:01:44,187 --> 00:01:49,233

He can see in the dark
and move objects 3,000 times his size.

21

00:01:49,275 --> 00:01:54,279

His only instinct,
to destroy everything he touches!

22

00:01:56,282 --> 00:01:58,033

So it is a monster.

23

00:01:58,118 --> 00:01:59,368

Hey, just a little one.

24

00:01:59,452 --> 00:02:02,663

It is an affront to nature.
It must be destroyed!

25

00:02:02,747 --> 00:02:07,459

Calm yourself, Captain Gantu.
Perhaps it can be reasoned with.

26

00:02:07,502 --> 00:02:13,799

Experiment 626, give us some sign
you understand any of this.

27

00:02:13,883 --> 00:02:18,470

Show us that there is something
inside you that is good.

28

00:02:27,522 --> 00:02:29,648

So naughty!

29

00:02:32,152 --> 00:02:33,819

I didn't teach it that.

30

00:02:33,862 --> 00:02:36,655

Place that idiot scientist under arrest!

31

00:02:37,448 --> 00:02:41,535

I prefer to be called "evil genius"!

32

00:02:41,619 --> 00:02:44,163

And as for that abomination,

33

00:02:44,247 --> 00:02:48,000

it is the flawed product
of a deranged mind.

34

00:02:48,084 --> 00:02:50,210

It has no place among us.

35

00:02:50,295 --> 00:02:53,463

Captain Gantu, take him away.

36

00:02:53,506 --> 00:02:55,382

With pleasure.

37

00:03:16,529 --> 00:03:17,863

Uncomfortable?

38

00:03:17,906 --> 00:03:20,199

Good!

39

00:03:20,241 --> 00:03:24,453

The council has banished you

to exile on a desert asteroid.

40

00:03:24,537 --> 00:03:27,623

So relax, enjoy the trip,

41

00:03:27,707 --> 00:03:30,042

and don't get any ideas.

42

00:03:30,126 --> 00:03:33,503

These guns are locked
onto your genetic signature.

43

00:03:33,546 --> 00:03:36,381

They won't shoot anyone but you.

44

00:03:37,383 --> 00:03:38,800

Why, you...

45

00:03:39,510 --> 00:03:42,554

May I remind the Captain
that he is on duty?

46

00:03:44,515 --> 00:03:45,724

Secure the cell!

47

00:03:45,767 --> 00:03:47,309

Aye, Captain.

48

00:03:50,855 --> 00:03:52,481

Captain on deck.

49

00:03:54,150 --> 00:03:55,651

All ahead full.

50

00:04:00,531 --> 00:04:02,866

Does this look infected to you?

51

00:04:31,604 --> 00:04:32,980

Quiet, you.

52

00:04:36,734 --> 00:04:38,902

- Gunfire in the cell bay!

- Open a channel.

53

00:04:49,289 --> 00:04:50,747

He's loose on Deck C!

54

00:04:50,790 --> 00:04:52,040

Red alert. Seal off the deck!

55

00:05:00,508 --> 00:05:02,426

Security, converge on Door 7!

56

00:05:02,468 --> 00:05:07,097

Deadly force authorized. Fire on sight!

Fire on sight!

57

00:05:07,140 --> 00:05:08,598

There he is!

58

00:05:13,146 --> 00:05:14,313

Security to Bridge.

59

00:05:14,355 --> 00:05:16,648

It's in the ventilation system.

60

00:05:19,569 --> 00:05:22,487

He's headed for the power grid.

61

00:05:25,616 --> 00:05:27,326

What was that?

62

00:05:27,368 --> 00:05:29,828

I don't think he's on the ship anymore.

63

00:05:29,912 --> 00:05:32,205

Confirmed. He's taken a police cruiser.

64

00:05:34,459 --> 00:05:36,543

Yeah, he took the red one.

65

00:05:59,317 --> 00:06:01,360

That's it! We've got it. We've got it!

66

00:06:04,739 --> 00:06:07,532

Hyperdrive activated.

System charging.

67

00:06:07,617 --> 00:06:09,659

He's engaged his H-drive!

68

00:06:09,702 --> 00:06:12,037

Warning, guidance is not functional.

69

00:06:12,121 --> 00:06:15,040

Pursuit Commander, that crazy trog
is about to make a jump!

70

00:06:15,124 --> 00:06:17,626

Break formation! Get clear of that ship!

71

00:06:17,710 --> 00:06:21,671

Navigation failure. Do not engage...

72

00:06:31,307 --> 00:06:33,392

Get me Galactic Control.

73

00:06:35,269 --> 00:06:36,561

Where is he?

74

00:06:36,646 --> 00:06:38,063

He's still in hyperspace.

75

00:06:38,147 --> 00:06:39,398

Where will he exit?

76

00:06:39,482 --> 00:06:40,732

Calculating now.

77

00:06:40,775 --> 00:06:44,903

Quadrant 17, section 005, area 51.

78

00:06:44,987 --> 00:06:47,572

A planet called Ee-arth.

79

00:06:47,615 --> 00:06:50,534

I want an expert on this planet
in here now!

80

00:06:52,370 --> 00:06:53,412

What is that?

81

00:06:53,454 --> 00:06:55,330

Water. Most of the planet is
covered in it.

82

00:06:55,415 --> 00:06:59,251

He won't survive in water.
His molecular density is too great.

83

00:07:03,756 --> 00:07:05,173

No.

84

00:07:10,388 --> 00:07:11,721

Of course.

85

00:07:12,723 --> 00:07:14,266

How much time do we have?

86

00:07:14,308 --> 00:07:17,936

We have projected his landing
at three hours, 42 minutes.

87

00:07:17,979 --> 00:07:19,688

We have to gas the planet.

88

00:07:19,772 --> 00:07:22,983

Hold it! Hold everything!

89

00:07:23,067 --> 00:07:25,777

Earth is a protected wildlife reserve.

90

00:07:25,862 --> 00:07:28,989

Yeah. We've been using it
to rebuild the mosquito population,

91

00:07:29,073 --> 00:07:32,367

which, need I remind you,
is an endangered species!

92

00:07:32,452 --> 00:07:35,245

Am I to assume you are the expert?

93

00:07:35,288 --> 00:07:37,622

I don't know about "expert."

94

00:07:39,959 --> 00:07:41,710

Agent Pleakley at your service.

95

00:07:41,794 --> 00:07:43,545

Can we not simply destroy the island?

96

00:07:43,629 --> 00:07:45,338

No! Crazy head!

97

00:07:45,423 --> 00:07:48,633

The mosquito's food of choice,
primitive humanoid life forms,

98

00:07:48,676 --> 00:07:51,303

have colonies all over that planet.

99

00:07:51,387 --> 00:07:52,637

Are they intelligent?

100

00:07:52,722 --> 00:07:55,140

No, but they're very delicate.

101

00:07:55,183 --> 00:07:57,267

In fact, every time an asteroid strikes
their planet,

102

00:07:57,310 --> 00:08:00,145

they have to begin life all over.

103

00:08:00,188 --> 00:08:02,898

It's fascinating, isn't it?

With this, I've been able to study...

104

00:08:02,982 --> 00:08:05,984

What if our military forces
just landed there?

105

00:08:06,068 --> 00:08:07,694

Well, that'd be a bad idea!

106

00:08:07,778 --> 00:08:10,906

These are extremely
simple creatures, miss.

107

00:08:10,990 --> 00:08:13,992

Landing there would create

mass mayhem and planet-wide panic!

108

00:08:14,076 --> 00:08:17,037

A quiet capture would require
an understanding of 626

109

00:08:17,121 --> 00:08:18,622

that we do not possess.

110

00:08:18,664 --> 00:08:23,084

Who, then, Mr. Pleakley,
would you send for his extraction?

111

00:08:24,629 --> 00:08:26,546

Does he have a brother?

112

00:08:27,548 --> 00:08:28,882

Close grandmother, perhaps?

113

00:08:32,803 --> 00:08:34,763

Friendly cousin?

114

00:08:34,847 --> 00:08:36,723

Neighbor with a beard?

115

00:08:58,663 --> 00:08:59,871

He got away?

116

00:08:59,956 --> 00:09:02,374

I'm sure this comes
as no surprise to you.

117

00:09:02,416 --> 00:09:05,877

I designed this creature
for to be unstoppable.

118

00:09:05,920 --> 00:09:08,672

Which is precisely why
you must now bring him back.

119

00:09:08,714 --> 00:09:10,048

What, me?

120

00:09:10,132 --> 00:09:12,050

And to reward you,

121

00:09:12,093 --> 00:09:16,888

we are willing to trade
your freedom for his capture.

122

00:09:19,225 --> 00:09:22,227

626 will not come easily.

123

00:09:22,270 --> 00:09:26,481

Maybe direct hit from plasma cannon
might stun him long enough to...

124

00:09:26,566 --> 00:09:30,277

Plasma cannon granted.
Do we have a bargain, Dr. Jumba?

125

00:09:31,862 --> 00:09:35,991

But it's a delicate planet!
Who's going to control him?

126

00:09:36,075 --> 00:09:37,951

You will.

127

00:09:38,035 --> 00:09:41,454

Very good, Your Highness.

I didn't quite...

128

00:09:41,539 --> 00:09:42,581

You're not joking!

129

00:09:42,623 --> 00:09:46,793

So, tell me, my little one-eyed one,

130

00:09:46,877 --> 00:09:51,548

on what poor, pitiful,

defenseless planet

131

00:09:52,008 --> 00:09:57,095

has my monstrosity been unleashed?

132

00:12:25,411 --> 00:12:27,412

Stop. Stop.

133

00:12:27,496 --> 00:12:30,957

Lilo, why are you all wet?

134

00:12:31,041 --> 00:12:32,751

It's sandwich day.

135

00:12:35,546 --> 00:12:39,257

Every Thursday, I take Pudge the fish
a peanut-butter sandwich.

136

00:12:39,341 --> 00:12:40,759

Pudge is a fish?

137

00:12:40,801 --> 00:12:43,428

And today
we were out of peanut butter.

138

00:12:43,471 --> 00:12:47,891

So I asked my sister what to give him,
and she said a tuna sandwich.

139

00:12:47,933 --> 00:12:50,268

I can't give Pudge tuna!

140

00:12:50,352 --> 00:12:53,354

Do you know what tuna is?

141

00:12:53,439 --> 00:12:55,857

- Fish?

- It's fish!

142

00:12:55,941 --> 00:12:59,944

If I gave Pudge tuna,

I'd be an abomination!

143

00:13:00,029 --> 00:13:02,113

I'm late because I had to go to the store

144

00:13:02,156 --> 00:13:06,242

and get peanut butter,

'cause all we have is stinking tuna!

145

00:13:06,285 --> 00:13:09,496

Lilo, Lilo, why is this so important?

146

00:13:09,580 --> 00:13:11,664

Pudge controls the weather.

147

00:13:14,084 --> 00:13:15,585

You're crazy.

148

00:13:17,797 --> 00:13:20,256

Please! Please!

149

00:13:20,299 --> 00:13:23,301

Everybody calm down!

150

00:13:23,344 --> 00:13:24,469

Girls.

151

00:13:27,723 --> 00:13:29,682

- Lilo...

- I'm sorry! I'm sorry!

152

00:13:29,767 --> 00:13:31,226

I won't do it again!

153

00:13:31,310 --> 00:13:33,478

Maybe we should call your sister.

154

00:13:33,521 --> 00:13:36,981

No! I'll be good! I want to dance.

155

00:13:37,066 --> 00:13:39,067

I practiced.

156

00:13:39,151 --> 00:13:41,444

I just want to dance.

157

00:13:41,487 --> 00:13:43,196

I practiced.

158

00:13:45,032 --> 00:13:46,491

She bit me.

159

00:13:54,708 --> 00:13:56,501

I called your sister.

160

00:13:56,585 --> 00:13:59,420

She said to wait for her

here on the porch.

161

00:14:00,464 --> 00:14:02,507

We'll try again on Sunday.

162

00:14:09,849 --> 00:14:11,432

Does this look infected to you?

163

00:14:11,517 --> 00:14:12,600

Yeah.

164

00:14:14,353 --> 00:14:16,229

You better not have rabies.

165

00:14:16,313 --> 00:14:19,858

If you have rabies,
the dogcatcher is going to have to cut...

166

00:14:19,942 --> 00:14:22,652

Are you going to play dolls?

167

00:14:22,695 --> 00:14:25,196

You don't have a doll.

168

00:14:25,239 --> 00:14:27,198

This is Scrump.

169

00:14:27,283 --> 00:14:29,868

I made her, but her head is too big.

170

00:14:29,952 --> 00:14:33,371

So I pretend a bug laid eggs
in her ears, and she's upset,

171

00:14:33,455 --> 00:14:36,332

because she only has
a few more days to...

172

00:14:56,103 --> 00:14:57,228

Lilo!

173

00:14:58,314 --> 00:15:04,444

Lilo?

174

00:15:05,988 --> 00:15:07,322

Oh, no.

175

00:15:09,950 --> 00:15:11,743

You better be home.

176

00:15:15,039 --> 00:15:17,290

Hey! Watch where you're going!

177

00:15:17,958 --> 00:15:19,334

Stupid head!

178

00:15:28,469 --> 00:15:29,844

Lilo!

179

00:15:29,929 --> 00:15:32,430

Lilo! Open the door, Lilo!

180

00:15:32,514 --> 00:15:33,723

Go away.

181

00:15:36,101 --> 00:15:38,645

Lilo? We don't have time for this.

182

00:15:39,855 --> 00:15:41,689

Leave me alone to die.

183

00:15:41,774 --> 00:15:45,693

Come on, Lilo, that social worker's
going to be here any minute!

184

00:16:05,255 --> 00:16:08,174

You are so finished when I get in there!

185

00:16:13,555 --> 00:16:17,850

I'm going to stuff you in the blender,
push "purée," then bake you into a pie

186

00:16:17,935 --> 00:16:19,204

and feed it to the social worker!

187

00:16:19,228 --> 00:16:23,731

And when he says, "This is great.
What's your secret?" I'm going to say,

188

00:16:23,816 --> 00:16:27,402

"Love and nurturing."

189

00:16:28,028 --> 00:16:29,153

Hi.

190

00:16:31,365 --> 00:16:32,865

You must be the...

191

00:16:32,950 --> 00:16:34,283

The stupid head.

192

00:16:36,495 --> 00:16:39,080

You know, I'm really sorry about that,

193

00:16:39,164 --> 00:16:42,834

and if I'd known who you were,

of course I never would've...

194

00:16:42,876 --> 00:16:43,960

I can pay for that.

195

00:16:44,003 --> 00:16:45,503

It's a rental.

196

00:16:45,587 --> 00:16:47,338

Are you the guardian in question?

197

00:16:47,381 --> 00:16:49,841

Yes. I'm Nani.

198

00:16:49,925 --> 00:16:52,343

Nice to meet you, Mister...

199

00:16:52,428 --> 00:16:53,469

Bubbles.

200

00:16:53,512 --> 00:16:55,680

Mr. Bubbles. That's a strange...

201

00:16:55,723 --> 00:16:56,931

Yes, I know.

202

00:16:57,016 --> 00:16:59,559

Are you going to invite me in, Nani?

203

00:17:00,811 --> 00:17:03,312

I thought we could sit out here and talk.

204

00:17:03,355 --> 00:17:05,356

I don't think so.

205

00:17:05,441 --> 00:17:06,566

Right.

206

00:17:09,194 --> 00:17:10,486

This way.

207

00:17:21,248 --> 00:17:22,540

Wait here.

208

00:17:29,548 --> 00:17:30,590

Hey!

209

00:17:32,760 --> 00:17:35,303

So, lemonade?

210

00:17:35,971 --> 00:17:38,347

Do you often leave
your sister home alone?

211

00:17:38,390 --> 00:17:39,682

No. Never.

212

00:17:40,893 --> 00:17:43,603

Well, except for just now.

213

00:17:44,396 --> 00:17:47,231

I had to run to the store to get some...

214

00:17:49,735 --> 00:17:52,445

You left the stove on
while you were out?

215

00:17:52,529 --> 00:17:54,530

Low heat! Just a simmer.

216

00:17:56,033 --> 00:17:57,992

It's coming along great.

217

00:17:58,577 --> 00:17:59,786

I found that this morning.

218

00:17:59,870 --> 00:18:01,996

Lilo! There you are.

219

00:18:02,081 --> 00:18:06,667

Honey face, this is Mr. Bubbles.

220

00:18:06,752 --> 00:18:08,419

Nice to meet you.

221

00:18:08,462 --> 00:18:10,588

Your knuckles say "Cobra."

222

00:18:13,926 --> 00:18:15,885

Cobra Bubbles.

223

00:18:16,386 --> 00:18:19,180

You don't look like a social worker.

224

00:18:19,264 --> 00:18:21,432

I'm a special classification.

225

00:18:21,517 --> 00:18:23,935

Did you ever kill anyone?

226

00:18:25,354 --> 00:18:27,605

We're getting off the subject.

227

00:18:27,648 --> 00:18:30,441

Let's talk about you. Are you happy?

228

00:18:33,695 --> 00:18:36,280

I'm adjusted. I eat four food groups

229

00:18:36,365 --> 00:18:38,866

and look both ways

before crossing the street

230

00:18:38,951 --> 00:18:42,787

and take long naps and get disciplined.

231

00:18:42,830 --> 00:18:43,955

Disciplined?

232

00:18:43,997 --> 00:18:48,417

Yeah. She disciplines me real good.

Sometimes five times a day.

233

00:18:48,460 --> 00:18:50,002

- No.

- With bricks.

234

00:18:50,087 --> 00:18:51,629

Bricks?

235

00:18:51,672 --> 00:18:52,755

In a pillowcase.

236

00:18:52,798 --> 00:18:55,550

Okay! That's enough sugar for you.

237

00:18:55,634 --> 00:18:58,928

Why don't you run along,
you little cutie?

238

00:18:58,971 --> 00:19:01,973

The other social workers
just thought she was a scream.

239

00:19:02,015 --> 00:19:03,307

Thirsty?

240

00:19:04,977 --> 00:19:07,979

Let me illuminate to you
the precarious situation

241

00:19:08,063 --> 00:19:10,356

in which you have found yourself.

242

00:19:11,358 --> 00:19:16,320

I am the one they call
when things go wrong,

243

00:19:16,363 --> 00:19:20,199

and things have indeed gone wrong.

244

00:19:37,676 --> 00:19:40,011

My friends need to be punished.

245

00:19:44,808 --> 00:19:47,143

Call me next time

you're left here alone.

246

00:19:47,186 --> 00:19:48,394

Yep.

247

00:19:49,605 --> 00:19:52,690

In case you're wondering,

this did not go well.

248

00:19:54,276 --> 00:19:56,861

You have three days

to change my mind.

249

00:20:07,372 --> 00:20:08,706

Lilo!

250

00:20:37,277 --> 00:20:38,819

Why didn't you wait at the school?

251

00:20:38,904 --> 00:20:40,738

You were supposed to wait there!

252

00:20:40,822 --> 00:20:42,198

Lilo!

253

00:20:42,241 --> 00:20:45,618

Do you not understand?

Do you want to be taken away?

254

00:20:46,411 --> 00:20:47,703

Answer me!

255

00:20:47,746 --> 00:20:49,830

- No!

- No, you don't understand?

256

00:20:49,915 --> 00:20:51,916

- No!

- No, what?

257

00:20:52,000 --> 00:20:53,751

No!

258

00:21:01,843 --> 00:21:03,928

You're such a pain!

259

00:21:04,012 --> 00:21:07,139

So why don't you sell me

and buy a rabbit instead?

260

00:21:07,224 --> 00:21:09,892

At least a rabbit would behave

better than you!

261

00:21:09,935 --> 00:21:14,021

Go ahead! Then you'll be happy,

because it'll be smarter than me, too!

262

00:21:14,106 --> 00:21:15,940

And quieter!

263

00:21:15,983 --> 00:21:19,568

You'll like it, 'cause it's stinky, like you!

264

00:21:19,611 --> 00:21:21,946

Go to your room!

265

00:21:21,989 --> 00:21:24,282

I'm already in my room!

266

00:21:39,798 --> 00:21:40,881

Hey.

267

00:21:42,301 --> 00:21:45,553

I brought you some pizza,
in case you were hungry.

268

00:21:46,680 --> 00:21:49,140

We're a broken family, aren't we?

269

00:21:50,434 --> 00:21:51,642

No.

270

00:21:53,061 --> 00:21:55,062

Maybe a little.

271

00:21:57,107 --> 00:21:59,191

Maybe a lot.

272

00:21:59,276 --> 00:22:01,319

I shouldn't have yelled at you.

273

00:22:01,403 --> 00:22:04,155

We're sisters. It's our job.

274

00:22:04,823 --> 00:22:06,157

Yeah, well, from now on...

275

00:22:06,199 --> 00:22:08,993

I like you better as a sister than a mom.

276

00:22:10,329 --> 00:22:11,662

Yeah?

277

00:22:11,747 --> 00:22:16,125

And you like me better as a sister
than a rabbit, right?

278

00:22:20,255 --> 00:22:21,630

Yes.

279

00:22:22,174 --> 00:22:23,591

Yes, I do.

280

00:22:25,177 --> 00:22:27,678

I hit Mertle Edmonds today.

281

00:22:27,721 --> 00:22:29,013

You hit her?

282

00:22:29,056 --> 00:22:30,681

Before I bit her.

283

00:22:30,724 --> 00:22:33,684

You bit her. Lilo, you shouldn't...

284

00:22:33,727 --> 00:22:35,728

People treat me different.

285

00:22:37,439 --> 00:22:39,899

They just don't know what to say.

286

00:22:39,983 --> 00:22:41,067

I'll tell you what.

287

00:22:41,151 --> 00:22:43,819

If you promise not to fight anymore,

288

00:22:43,862 --> 00:22:48,657

I promise not to yell at you,
except on special occasions.

289

00:22:48,700 --> 00:22:51,911

Tuesdays and bank holidays
would be good.

290

00:22:51,995 --> 00:22:53,996

Yeah? Would that be good?

291

00:22:54,873 --> 00:22:57,041

My camera's full again.

292

00:22:57,709 --> 00:22:59,919

Aren't they beautiful?

293

00:23:10,889 --> 00:23:12,390

A falling star!

294

00:23:16,770 --> 00:23:21,023

I call it! Get out! Get out!

I have to make a wish!

295

00:23:21,066 --> 00:23:22,983

Can't you go any faster?

296

00:23:23,068 --> 00:23:25,569

Oh, no! Gravity is increasing on me.

297

00:23:25,612 --> 00:23:26,987

No, it's not!

298

00:23:27,072 --> 00:23:29,949

It is, too, Lilo.

The same thing happened yesterday.

299

00:23:30,033 --> 00:23:33,786

You rotten sister!

Your butt is crushing me!

300

00:23:33,870 --> 00:23:35,871

Why do you act so weird?

301

00:23:40,085 --> 00:23:41,669

It's me again.

302

00:23:42,421 --> 00:23:47,925

I need someone to be my friend,
someone who won't run away.

303

00:23:48,009 --> 00:23:53,389

Maybe send me an angel,
the nicest angel you have.

304

00:24:41,521 --> 00:24:43,147

What we when hit?

305

00:24:45,650 --> 00:24:48,569

There it is.

It stayed jammed under the fender.

306

00:24:50,822 --> 00:24:52,740

We better call somebody.

307

00:25:10,509 --> 00:25:12,676

We're looking for something
that can defend itself,

308

00:25:12,761 --> 00:25:16,305

something that won't die,
something sturdy, you know?

309

00:25:16,348 --> 00:25:17,556

Like a lobster.

310

00:25:17,641 --> 00:25:20,392

Lilo, you lolo.

Do we have a lobster door?

311

00:25:20,477 --> 00:25:23,145

No. We have a dog door.

We are getting a dog.

312

00:25:28,652 --> 00:25:32,446

So nice to see your pretty face again!

313

00:25:32,531 --> 00:25:33,572

Jumba?

314

00:25:33,657 --> 00:25:37,076

We need your name and address
at the bottom of the form...

315

00:25:39,037 --> 00:25:41,288

The kennel's back this way.

316

00:25:41,373 --> 00:25:43,123

Go. Pick someone out.

317

00:25:46,211 --> 00:25:51,131

Hello?

318

00:25:53,134 --> 00:25:55,469

Are there any "aminals" in here?

319

00:26:02,936 --> 00:26:04,144

Hello!

320

00:26:15,532 --> 00:26:19,243

Hi.

321

00:26:20,912 --> 00:26:22,079

Wow!

322

00:26:22,706 --> 00:26:25,916

Yes. All of our dogs are adoptable.

323

00:26:25,959 --> 00:26:28,085

Except that one!

324

00:26:28,128 --> 00:26:29,420

What is that thing?

325

00:26:29,462 --> 00:26:32,131

A dog, I think,
but it was dead this morning.

326

00:26:32,215 --> 00:26:33,757

It was dead this morning?

327

00:26:33,800 --> 00:26:36,427

Well, we thought it was dead.
It was hit by a truck.

328

00:26:36,469 --> 00:26:39,096

I like him! Come here, boy.

329

00:26:44,311 --> 00:26:46,145

Wouldn't you like a different dog?

330

00:26:46,229 --> 00:26:48,439

We have better dogs, dear.

331

00:26:48,523 --> 00:26:52,192

Not better than him.

He can talk! Say hello.

332

00:26:53,612 --> 00:26:55,613

Dogs can't talk, dear.

333

00:26:55,655 --> 00:26:56,739

He did.

334

00:26:56,781 --> 00:26:59,199

Does it have to be this dog?

335

00:27:03,663 --> 00:27:05,831

Yes, he's good. I can tell.

336

00:27:06,124 --> 00:27:08,000

You'll have to think of a name for him.

337

00:27:08,293 --> 00:27:11,086

His name is Stitch.

338

00:27:11,129 --> 00:27:13,672

Now, that's not a real name

339

00:27:13,757 --> 00:27:17,384

in Iceland, but here it's a good name.

340

00:27:17,469 --> 00:27:18,927

Stitch it is.

341

00:27:18,970 --> 00:27:20,554

And there's a \$2 license fee.

342

00:27:20,639 --> 00:27:22,306

I want to buy him!

343

00:27:22,349 --> 00:27:24,516

Can I borrow \$2?

344

00:27:30,357 --> 00:27:31,982

He's all yours.

345

00:27:32,067 --> 00:27:34,652

You're all mine.

346

00:27:34,694 --> 00:27:35,903

Well, what's he doing?

347

00:27:35,987 --> 00:27:39,198

Keep quiet. He's listening for us.

348

00:27:42,911 --> 00:27:45,704

How good is his hearing?

I mean, can he...

349

00:27:52,212 --> 00:27:53,879

Why don't you run?

350

00:27:56,383 --> 00:27:57,966

Coming! I'm coming!

351

00:27:58,009 --> 00:27:59,259

Stop!

352

00:27:59,344 --> 00:28:03,097

I have just determined this situation

to be far too hazardous!

353

00:28:03,181 --> 00:28:04,682

Don't worry, I won't hit her.

354

00:28:04,724 --> 00:28:08,936

No! That girl is a part
of the mosquito food chain.

355

00:28:09,020 --> 00:28:11,188

Here! Educate yourself.

356

00:28:12,315 --> 00:28:16,652

Using a little girl for a shield.

This is low even for you!

357

00:28:20,365 --> 00:28:22,074

Tear him apart
with all both my bare hands!

358

00:28:22,158 --> 00:28:23,909

Have you lost your mind?

359

00:28:23,993 --> 00:28:25,703

What is it, Stitch?

360

00:28:25,787 --> 00:28:27,996

We cannot be seen!

361

00:28:28,873 --> 00:28:31,041

Bad dog, barking at nothing!

362

00:28:33,169 --> 00:28:36,380

You can't shoot, and you can't be seen.

363

00:28:36,423 --> 00:28:40,759

Look at you! You look like a monster.

We have to blend in.

364

00:28:42,053 --> 00:28:43,846

Okay, I got to get to work.

365

00:28:43,888 --> 00:28:46,515

Stick around town

and stay out of the roads, okay?

366

00:28:46,558 --> 00:28:48,392

I'll meet you at 1:00.

367

00:28:57,444 --> 00:28:59,903

Okay, I guess we should be going.

368

00:29:01,239 --> 00:29:02,906

What about Stitch?

369

00:29:09,789 --> 00:29:11,165

My friends!

370

00:29:15,253 --> 00:29:17,045

What do you want?

371

00:29:17,088 --> 00:29:22,050

I'm sorry I bit you and pulled your hair
and punched you in the face.

372

00:29:22,093 --> 00:29:24,219

Apology not accepted.

373

00:29:24,262 --> 00:29:27,181

Now get out of my way
before I run you over.

374

00:29:28,099 --> 00:29:30,559

I got a new dog. His name is Stitch.

375

00:29:30,602 --> 00:29:34,772

That is the ugliest thing
I have ever saw.

376

00:29:34,856 --> 00:29:36,440

- Yeah.

- Yeah.

377

00:29:37,442 --> 00:29:40,360

Get it away from me!
I'm gonna get a disease!

378

00:29:44,199 --> 00:29:46,116

Somebody do something!

379

00:29:46,201 --> 00:29:47,910

Oh, great! He's loose.

380

00:29:47,952 --> 00:29:50,537

His destructive programming
is taking effect.

381

00:29:50,622 --> 00:29:53,457

He will be irresistibly drawn
to large cities

382

00:29:53,541 --> 00:29:55,083

where he will back up sewers,

383

00:29:55,126 --> 00:29:57,920

reverse street signs
and steal everyone's left shoe.

384

00:30:16,815 --> 00:30:20,150

It's nice to live on an island
with no large cities.

385

00:30:23,988 --> 00:30:25,489

Are you okay?

386

00:30:59,023 --> 00:31:01,149

Hey, over here, little buddy.

387

00:31:36,728 --> 00:31:40,731

When you're ready to give up,
just let us know.

388

00:31:44,068 --> 00:31:48,113

Yeah!

389

00:32:20,772 --> 00:32:21,939

This is you.

390

00:32:23,107 --> 00:32:25,651

This is your badness level.

391

00:32:25,735 --> 00:32:29,154

It's unusually high
for someone your size.

392

00:32:29,238 --> 00:32:30,697

We have to fix that.

393

00:32:31,449 --> 00:32:32,574

Lilo!

394

00:32:32,617 --> 00:32:34,618

Your dog cannot sit at the table.

395

00:32:34,702 --> 00:32:37,704

Stitch is troubled. He needs desserts.

396

00:32:37,789 --> 00:32:39,873

You didn't even eat your sweet potato.

397

00:32:39,958 --> 00:32:41,416

I thought you liked them.

398

00:32:41,459 --> 00:32:42,793

Desserts!

399

00:32:47,507 --> 00:32:49,007

David!

400

00:32:49,092 --> 00:32:50,801

I got a new dog.

401

00:32:52,053 --> 00:32:53,595

You sure it's a dog?

402

00:32:54,305 --> 00:32:57,391

He used to be a collie
before he got ran over.

403

00:33:01,229 --> 00:33:02,521

Hey.

404

00:33:10,655 --> 00:33:12,489

How's it, Nani?

405

00:33:13,658 --> 00:33:15,617

Did you catch fire again?

406

00:33:15,660 --> 00:33:17,494

Nah, just the stage.

407

00:33:17,578 --> 00:33:21,373

Listen, I was wondering
if you're not doing anything this...

408

00:33:21,457 --> 00:33:24,543

David, I told you, I can't. I...

409

00:33:26,170 --> 00:33:28,005

I got a lot to deal with right now.

410

00:33:28,047 --> 00:33:30,424

I know. I just figured
you might need some time...

411

00:33:30,508 --> 00:33:32,634

You smell like a lawn mower.

412

00:33:34,470 --> 00:33:35,595

Look, I got to go.

413

00:33:35,680 --> 00:33:37,848

The kid at Table 3's
throwing poi again.

414

00:33:37,890 --> 00:33:40,058

Maybe some other time, okay?

415

00:33:41,019 --> 00:33:42,144

Don't worry.

416

00:33:42,186 --> 00:33:44,521

She likes your butt and fancy hair.

417

00:33:44,605 --> 00:33:46,940

I know. I read her diary.

418

00:33:47,025 --> 00:33:48,859

She thinks it's fancy?

419

00:34:03,875 --> 00:34:06,209

Look what I find! Get restraints!

420

00:34:06,294 --> 00:34:08,962

- Right.

- Take that! Hurry!

421

00:34:09,547 --> 00:34:11,339

Hold still just a...

422

00:34:27,356 --> 00:34:28,648

Hey, Nani!

423

00:34:30,068 --> 00:34:32,069

Is that your dog?

424

00:34:32,862 --> 00:34:34,071

All is well.

425

00:34:34,155 --> 00:34:36,448

Please, go about your business.

I'm okay.

426

00:34:36,532 --> 00:34:39,076

Your head looks swollen.

427

00:34:39,118 --> 00:34:41,244

Actually, she's just ugly.

428

00:34:42,455 --> 00:34:44,664

Darling. He's joking.

429

00:34:44,749 --> 00:34:46,875

Ugly, look at me.

430

00:34:46,918 --> 00:34:49,002

This is not working out.

431

00:34:49,087 --> 00:34:50,378

But...

432

00:34:51,798 --> 00:34:52,923

Yeah?

433

00:34:52,965 --> 00:34:57,677

Well, who wants to work
at this stupid fakey luau anyway?

434

00:34:58,179 --> 00:34:59,638

Come on, Lilo.

435

00:35:04,727 --> 00:35:07,938

Did you lose your job
because of Stitch and me?

436

00:35:08,022 --> 00:35:10,607

Nah. The manager's a vampire,

437

00:35:10,691 --> 00:35:14,236

and he wanted me to join
his legion of the undead.

438

00:35:14,278 --> 00:35:15,779

I knew it.

439

00:35:17,240 --> 00:35:20,200

This is a great home. You'll like it a lot.

440

00:35:21,953 --> 00:35:22,994

See?

441

00:35:23,079 --> 00:35:24,454

Lilo...

442

00:35:24,539 --> 00:35:25,789

Comfy.

443

00:35:27,208 --> 00:35:28,250

- Hey!

- Hey!

444

00:35:28,292 --> 00:35:29,626

What is the matter with you?

445

00:35:29,669 --> 00:35:32,462

Be careful of the little angel!

446

00:35:32,505 --> 00:35:35,215

It's not an angel, Lilo.

I don't even think it's a dog.

447

00:35:35,299 --> 00:35:36,550

We just have to take him back.

448

00:35:36,634 --> 00:35:39,219

He's just cranky

because it's his bedtime.

449

00:35:39,303 --> 00:35:40,595

He's creepy, Lilo.

450

00:35:40,638 --> 00:35:43,557

I won't sleep

knowing he's loose in the house.

451

00:35:43,641 --> 00:35:47,310

You're loose in the house all the time,

and I sleep just fine!

452

00:35:47,395 --> 00:35:49,146

Hey, what are you doing?

453

00:35:49,188 --> 00:35:50,814

Stop that, Stitch!

454

00:35:50,898 --> 00:35:52,107

Hey!

455

00:35:54,527 --> 00:35:55,610

Look at him, Lilo.

456

00:35:55,653 --> 00:35:58,029

He's obviously mutated
from something else.

457

00:35:58,114 --> 00:35:59,948

We have to take him back.

458

00:35:59,991 --> 00:36:02,617

He was an orphan,
and we adopted him!

459

00:36:02,660 --> 00:36:04,327

What about 'ohana?

460

00:36:04,412 --> 00:36:06,204

He hasn't been here that long.

461

00:36:06,289 --> 00:36:09,958

Neither have I.

Dad said 'ohana means "family."

462

00:36:13,921 --> 00:36:16,298

'Ohana means "family."

463

00:36:16,340 --> 00:36:19,426

- "Family" means...

- Nobody gets left behind.

464

00:36:19,510 --> 00:36:21,928

- Or?

- Or forgotten.

465

00:36:22,013 --> 00:36:26,349

I know. I know. I hate it

when you use 'ohana against me.

466

00:36:30,897 --> 00:36:33,773

Don't worry,

you can sleep right next to me.

467

00:36:39,280 --> 00:36:41,907

Look how curious the puppy is.

468

00:36:41,991 --> 00:36:45,202

This is my room, and this is your bed.

469

00:36:46,495 --> 00:36:48,788

This is your dolly and bottle.

470

00:36:48,873 --> 00:36:50,999

See? Doesn't spill.

471

00:36:51,042 --> 00:36:53,293

I filled it with coffee.

472

00:36:53,377 --> 00:36:55,879

Good puppy. Now get into bed.

473

00:36:57,673 --> 00:36:59,674

Hey! That's mine!

474

00:37:02,720 --> 00:37:03,887

Down!

475

00:37:06,849 --> 00:37:11,394

Be careful of that! You don't touch this!

Don't ever touch it!

476

00:37:17,109 --> 00:37:21,613

No! Don't pull on her head!

She's recovering from surgery.

477

00:37:23,950 --> 00:37:26,660

No! That's from my blue period.

478

00:37:33,167 --> 00:37:34,459

There.

479

00:37:34,543 --> 00:37:37,254

You know, you wreck
everything you touch.

480

00:37:37,296 --> 00:37:40,257

Why not try and make something
for a change?

481

00:37:57,024 --> 00:37:58,775

Wow. San Francisco.

482

00:38:09,996 --> 00:38:11,162

Save me!

483

00:38:15,793 --> 00:38:17,711

No more caffeine for you.

484

00:38:20,464 --> 00:38:23,008

This little girl is wasting her time.

485

00:38:23,092 --> 00:38:26,886

626 cannot be taught to ignore
its destructive programming.

486

00:38:30,808 --> 00:38:32,350

Push that over.

487

00:38:34,186 --> 00:38:36,313

- What are you doing?

- Nothing!

488

00:38:36,355 --> 00:38:39,274

- Say, I want to try it on.

- No!

489

00:38:39,317 --> 00:38:40,525

- Share!

- Hey!

490

00:38:40,609 --> 00:38:43,653

You're just jealous 'cause I'm pretty!

491

00:38:44,030 --> 00:38:45,113

Don't move.

492

00:38:45,156 --> 00:38:47,866

A mosquito has chosen me
as her perch.

493

00:38:48,492 --> 00:38:50,243

She's so beautiful.

494

00:38:51,162 --> 00:38:52,954

Look, another one.

495

00:38:52,997 --> 00:38:56,916

And another one!

Why, it's a whole flock.

496

00:38:57,001 --> 00:38:58,168

And they like me!

497

00:38:58,210 --> 00:39:00,879

They're nuzzling my flesh
with their noses.

498

00:39:00,963 --> 00:39:03,173

Now, they're, they're...

499

00:39:08,012 --> 00:39:10,889

I think it might be a koala, an evil koala.

500

00:39:11,474 --> 00:39:12,682

I can't even pet it.

501

00:39:12,725 --> 00:39:15,560

It keeps staring at me,

like it's going to eat me.

502

00:39:19,231 --> 00:39:20,398

Hello?

503

00:39:21,692 --> 00:39:22,859

Nani?

504

00:39:24,820 --> 00:39:26,029

Hello?

505

00:39:27,031 --> 00:39:28,531

Are you there?

506

00:39:32,620 --> 00:39:35,372

- Now, this is interesting.

- What?

507

00:39:35,456 --> 00:39:38,249

626 was designed to be a monster,

508

00:39:38,334 --> 00:39:41,127

but now he has nothing to destroy.

509

00:39:42,380 --> 00:39:46,383

You see, I never gave him

a greater purpose.

510

00:39:46,467 --> 00:39:50,428

What must it be like to have nothing,

511

00:39:50,513 --> 00:39:54,849

not even memories to visit

in the middle of the night?

512

00:40:04,819 --> 00:40:05,902

Nah!

513

00:40:27,842 --> 00:40:29,968

That's the Ugly Duckling.

514

00:40:30,052 --> 00:40:32,679

See? He's sad because he's all alone

515

00:40:32,763 --> 00:40:34,389

and nobody wants him.

516

00:40:34,807 --> 00:40:37,434

But on this page,

his family hears him crying

517

00:40:37,476 --> 00:40:39,018

and they find him.

518

00:40:39,103 --> 00:40:41,187

Then the Ugly Duckling is happy,

519

00:40:41,272 --> 00:40:43,690

because he knows where he belongs.

520

00:40:53,159 --> 00:40:55,285

Want to listen to the King?

521

00:40:56,328 --> 00:40:58,705

You look like an Elvis fan.

522

00:41:03,085 --> 00:41:04,210

Nani.

523

00:41:04,670 --> 00:41:05,795

Nani!

524

00:41:06,839 --> 00:41:08,089

Yeah?

525

00:41:08,132 --> 00:41:09,299

Look.

526

00:41:32,781 --> 00:41:34,824

Heard you lost your job.

527

00:41:34,909 --> 00:41:39,412

Well, actually, I just quit that job,

528

00:41:39,497 --> 00:41:41,956

because, you know,
the hours are just not conducive

529

00:41:41,999 --> 00:41:43,791

to the challenges of raising a child...

530

00:41:43,834 --> 00:41:45,001

Hey!

531

00:41:45,044 --> 00:41:46,878

I am so sorry about that.

532

00:41:46,962 --> 00:41:48,755

What is that thing?

533

00:41:48,839 --> 00:41:50,465

That's my puppy.

534

00:41:50,508 --> 00:41:51,674

Really?

535

00:41:55,513 --> 00:42:00,266

Thus far, you have been adrift
in the sheltered harbor of my patience,

536

00:42:00,351 --> 00:42:03,228

but I cannot ignore you being jobless.

537

00:42:03,312 --> 00:42:05,939

Do I make myself clear?

538

00:42:06,023 --> 00:42:07,565

Perfectly.

539

00:42:07,650 --> 00:42:12,403

And next time I see this dog, I expect it
to be a model citizen, capisce?

540

00:42:13,864 --> 00:42:15,198

Yes?

541

00:42:15,241 --> 00:42:16,533

New job.

542

00:42:17,117 --> 00:42:18,660

Model citizen.

543

00:42:20,371 --> 00:42:21,663

Good day.

544

00:42:27,127 --> 00:42:28,545

Mrs. Hasagawa?

545

00:42:28,587 --> 00:42:30,630

I'm here to answer your newspaper ad.

546

00:42:30,714 --> 00:42:33,049

Elvis Presley was a model citizen.

547

00:42:33,133 --> 00:42:36,386

I've compiled a list of his traits
for you to practice.

548

00:42:36,428 --> 00:42:39,055

Number one is dancing.

549

00:42:39,139 --> 00:42:40,682

I can't talk now, dear.

550

00:42:40,724 --> 00:42:43,017

I'm waiting for someone
to answer my ad.

551

00:42:43,060 --> 00:42:44,561

That's why I'm here.

552

00:42:44,645 --> 00:42:46,062

Hands on your hips.

553

00:42:46,105 --> 00:42:47,855

Now follow my lead.

554

00:42:54,530 --> 00:42:55,822

That's my want ad.

555

00:42:55,906 --> 00:42:57,156

I know!

556

00:43:05,541 --> 00:43:07,667

Why is everything so dark?

557

00:43:07,751 --> 00:43:09,919

I am all about coffee.

558

00:43:10,212 --> 00:43:12,297

Let's move on to step two.

559

00:43:12,381 --> 00:43:15,383

Elvis played guitar. Here.

560

00:43:15,426 --> 00:43:18,678

Hold it like this,

and put your fingers here.

561

00:43:20,139 --> 00:43:21,931

See? Now you try.

562

00:43:23,934 --> 00:43:26,561

And I make great cappuccinos
and lattes with...

563

00:43:26,604 --> 00:43:29,022

I wish I could, Nani,
but I just hired Teddy,

564

00:43:29,106 --> 00:43:31,357

and with tourist season ending...

565

00:43:43,787 --> 00:43:46,289

Concierge-er-ing is my life.

566

00:43:46,373 --> 00:43:48,041

I just love to answer phones...

567

00:43:48,125 --> 00:43:50,918

This is the face of romance.

568

00:43:50,961 --> 00:43:54,255

She looks like
she could use some loving.

569

00:43:58,010 --> 00:43:59,886

We might have something.

570

00:43:59,970 --> 00:44:01,638

Good. Now kiss her.

571

00:44:04,892 --> 00:44:07,852

I'm sure Elvis had his bad days, too.

572

00:44:07,936 --> 00:44:09,896

I'm all about saving people.

573

00:44:09,980 --> 00:44:12,357

Actually, I do think

we have an opening.

574

00:44:12,441 --> 00:44:14,734

- Really?

- Okay, this is it.

575

00:44:14,818 --> 00:44:16,653

Time to bring it all together.

576

00:44:16,695 --> 00:44:18,071

That'd be so great!

577

00:44:18,155 --> 00:44:20,990

You have no idea

how badly I need this job.

578

00:44:24,370 --> 00:44:26,663

It's all you! Knock them dead!

579

00:44:49,186 --> 00:44:50,728

Don't crowd him!

580

00:44:56,694 --> 00:44:58,277

Hey, knock it off!

581

00:45:36,734 --> 00:45:38,192

Hey, Lilo!

582

00:45:38,861 --> 00:45:40,570

How's it, Nani?

583

00:45:41,238 --> 00:45:43,448

We've been having a bad day.

584

00:45:49,830 --> 00:45:52,206

Hey, I might not be a doctor,

585

00:45:52,249 --> 00:45:55,626

but I know that there's no better cure
for a sour face

586

00:45:55,711 --> 00:45:59,213

than a couple of boards
and some choice waves.

587

00:45:59,256 --> 00:46:00,798

What you think?

588

00:46:01,925 --> 00:46:04,093

I think that's a great idea.

589

00:47:06,657 --> 00:47:07,907

Yeah!

590

00:48:04,882 --> 00:48:06,465

Can't complain, Mom.

591

00:48:06,550 --> 00:48:08,301

I'm camping out
with a convicted criminal,

592

00:48:08,385 --> 00:48:11,220

and I had my head chewed on
by a monster!

593

00:48:11,263 --> 00:48:14,223

Wait, something is not right.

594

00:48:14,266 --> 00:48:17,476

626 is returning willingly to water.

595

00:48:17,561 --> 00:48:19,854

Hold on, Mom, another call.

596

00:48:20,731 --> 00:48:24,483

Mr. Pleakley, you are overdue.

I want a status report.

597

00:48:24,568 --> 00:48:26,152

Things are going well.

598

00:48:26,236 --> 00:48:27,445

He cannot swim!

599

00:48:27,529 --> 00:48:29,507

Things are going well.

Jumba, aren't they going well?

600

00:48:29,531 --> 00:48:31,449

Why will he risk drowning?

601

00:48:31,533 --> 00:48:34,493

Jumba? Jumba, help me out here.

602

00:48:34,578 --> 00:48:38,080

I would have expected you back

by now with 626 in hand.

603

00:48:38,123 --> 00:48:42,335

Just a few things left to pack,
and we'll be...

604

00:48:42,419 --> 00:48:45,171

Hang up. We are going swimming.

605

00:49:22,876 --> 00:49:25,211

Yeah!

606

00:49:35,347 --> 00:49:36,472

Lilo!

607

00:49:38,058 --> 00:49:39,100

What happened?

608

00:49:39,142 --> 00:49:43,062

Some lolo must have
stuffed us in the barrel.

609

00:49:43,146 --> 00:49:44,647

Where's Stitch?

610

00:49:46,692 --> 00:49:48,150

Get off of her!

611

00:49:49,152 --> 00:49:50,528

What happened?

612

00:49:50,612 --> 00:49:52,571

Stitch dragged her down.

613

00:50:00,872 --> 00:50:02,415

We lost Stitch!

614

00:50:28,567 --> 00:50:33,362

Lilo? Lilo, look at me.

Look at me, baby. Are you hurt?

615

00:50:33,447 --> 00:50:34,613

No.

616

00:50:38,660 --> 00:50:41,495

He's unconscious,
but I think he's alive.

617

00:50:55,552 --> 00:50:57,136

David, take Lilo.

618

00:50:58,764 --> 00:51:03,184

This isn't what it looks like.

We were... It's just that...

619

00:51:07,314 --> 00:51:09,398

I know you're trying, Nani,

620

00:51:09,483 --> 00:51:13,277

but you need to think about

what's best for Lilo,

621

00:51:13,361 --> 00:51:16,489

even if it removes you from the picture.

622

00:51:20,911 --> 00:51:23,537

I'll be back tomorrow morning for Lilo.

623

00:51:24,915 --> 00:51:26,248

I'm sorry.

624

00:51:32,923 --> 00:51:35,883

Nani? Is there something I can do?

625

00:51:36,593 --> 00:51:38,052

No, David.

626

00:51:40,263 --> 00:51:42,431

I need to take Lilo home now.

627

00:51:43,558 --> 00:51:46,519

We have a lot to talk about, you know.

628

00:51:46,603 --> 00:51:47,812

Thanks.

629

00:51:51,733 --> 00:51:55,528

You know, I really believed
they had a chance.

630

00:51:57,614 --> 00:51:59,365

Then you came along.

631

00:52:26,726 --> 00:52:28,185

Lilo, honey,

632

00:52:30,814 --> 00:52:32,314

we have to...

633

00:52:34,276 --> 00:52:37,987

Don't worry. You're nice,
and someone will give you a job.

634

00:52:39,489 --> 00:52:40,823

I would.

635

00:52:44,161 --> 00:52:45,494

Come here.

636

00:53:11,188 --> 00:53:15,983

One fond embrace

637

00:53:21,489 --> 00:53:28,204

Until we meet again

638

00:53:49,309 --> 00:53:50,976

That's us before.

639

00:53:52,687 --> 00:53:55,439

It was rainy, and they went for a drive.

640

00:53:57,400 --> 00:53:59,318

What happened to yours?

641

00:54:00,362 --> 00:54:04,365

I hear you cry at night.

Do you dream about them?

642

00:54:08,161 --> 00:54:11,538

I know that's why you wreck things
and push me.

643

00:54:18,296 --> 00:54:22,633

Our family's little now,

and we don't have many toys,

644

00:54:22,717 --> 00:54:25,761

but if you want,

you could be a part of it.

645

00:54:26,763 --> 00:54:30,432

You could be our baby,

and we'd raise you to be good.

646

00:54:34,938 --> 00:54:36,981

'Ohana means "family."

647

00:54:38,316 --> 00:54:41,610

"Family" means

nobody gets left behind,

648

00:54:43,947 --> 00:54:46,573

but if you want to leave, you can.

649

00:54:52,580 --> 00:54:54,623

I'll remember you, though.

650

00:54:57,210 --> 00:54:59,586

I remember everyone that leaves.

651

00:55:29,617 --> 00:55:31,160

I...

652

00:55:31,703 --> 00:55:32,953

Lost.

653

00:55:41,338 --> 00:55:42,838

I'm lost.

654

00:55:49,637 --> 00:55:50,888

Help!

655

00:55:51,598 --> 00:55:53,766

I don't like the ocean!

656

00:55:55,852 --> 00:56:00,439

Look, a friendly little dolphin.

They helped sailors in the war...

657

00:56:00,523 --> 00:56:03,650

It's a shark!

It's a shark, and it ain't friendly!

658

00:56:03,693 --> 00:56:06,487

It looks like a dolphin.

Tricky fish! Tricky fish!

659

00:56:06,529 --> 00:56:09,698

Octopus, come and help me?

The octopus is worse than the shark!

660

00:56:09,783 --> 00:56:11,575

I hate this planet!

661

00:56:20,377 --> 00:56:23,087

Little monster!

662

00:56:30,053 --> 00:56:31,553

Agent Pleakley here.

663

00:56:31,638 --> 00:56:33,889

I have lost patience with you both.

664

00:56:33,973 --> 00:56:37,684

Have you captured 626 or not?

665

00:56:39,896 --> 00:56:42,398

Consider yourselves fired
and prison-bound.

666

00:56:42,440 --> 00:56:45,734

Your incompetence is
nothing short of unspeakable!

667

00:56:46,778 --> 00:56:48,070

But...

668

00:56:50,240 --> 00:56:52,825

We're fired!

669

00:56:52,909 --> 00:56:55,661

Now we do it my way!

670

00:56:55,745 --> 00:56:56,954

Your way?

671

00:56:57,747 --> 00:56:58,789

Wait!

672

00:56:59,416 --> 00:57:02,376

It seems I have overestimated

Jumber and Blinkley.

673

00:57:03,086 --> 00:57:04,294

Jumba and Pleakley.

674

00:57:04,379 --> 00:57:06,964

Whatever. The mission is in jeopardy.

675

00:57:07,048 --> 00:57:12,052

This could be your chance
to redeem yourself, Captain Gantu.

676

00:57:12,095 --> 00:57:15,097

How soon will you be prepared
to leave?

677

00:57:15,974 --> 00:57:17,391

Immediately.

678

00:57:32,240 --> 00:57:36,618

Don't run. Don't make me shoot you.

You were expensive.

679

00:57:38,163 --> 00:57:41,331

Yes. Yes, that's it. Come quietly.

680

00:57:43,710 --> 00:57:44,877

Waiting.

681

00:57:44,961 --> 00:57:46,211

For what?

682

00:57:49,507 --> 00:57:50,799

Family.

683

00:57:53,261 --> 00:57:55,137

You don't have one.

684

00:57:55,638 --> 00:57:57,639

I made you.

685

00:57:58,391 --> 00:58:01,185

Maybe I could.

686

00:58:01,269 --> 00:58:03,228

You're built to destroy.

687

00:58:03,771 --> 00:58:06,148

You can never belong.

688

00:58:07,984 --> 00:58:11,236

Now come quietly,
and we will take you apart.

689

00:58:11,863 --> 00:58:14,490

No, no, no, no, don't, don't run!
Don't run!

690

00:58:29,464 --> 00:58:30,589

Lilo.

691

00:58:31,925 --> 00:58:33,967

I didn't hear you get up.

692

00:58:36,137 --> 00:58:37,471

Baby, what's wrong?

693

00:58:37,514 --> 00:58:39,348

Stitch left.

694

00:58:39,432 --> 00:58:40,974

Really?

695

00:58:41,017 --> 00:58:42,809

It's good he's gone.

696

00:58:43,311 --> 00:58:45,771

He didn't want to be here, anyway.

697

00:58:46,231 --> 00:58:47,940

We don't need him.

698

00:58:51,861 --> 00:58:53,111

Lilo,

699

00:58:54,364 --> 00:58:56,698

sometimes you try your hardest,

700

00:58:56,741 --> 00:59:00,369

but things don't work out

the way you want them to.

701

00:59:01,287 --> 00:59:05,207

Sometimes things have to change,

702

00:59:05,291 --> 00:59:08,585

and maybe sometimes

they're for the better,

703

00:59:09,254 --> 00:59:10,587

even if...

704

00:59:12,257 --> 00:59:13,382

Nani!

705

00:59:15,260 --> 00:59:17,886

- David!

- I think I found you a job.

706

00:59:17,929 --> 00:59:19,054

You what?

707

00:59:19,097 --> 00:59:21,723

Old man Kuakini's store,
but we got to hurry.

708

00:59:21,808 --> 00:59:26,895

Okay. Lilo?

Baby, this is really important.

709

00:59:26,980 --> 00:59:28,814

I need you to stay here
for a few minutes.

710

00:59:28,898 --> 00:59:30,274

I'm going to be right back.

711

00:59:30,358 --> 00:59:33,610

Lock the door

and don't answer it for anyone, okay?

712

00:59:34,571 --> 00:59:37,030

Things are finally turning around.

713

00:59:38,658 --> 00:59:40,242

David, I owe you one.

714

00:59:40,285 --> 00:59:41,410

That's okay.

715

00:59:41,494 --> 00:59:44,413

You can just date me,

and we'll call it even.

716

00:59:49,919 --> 00:59:52,004

Come back here, you little...

717

00:59:55,592 --> 00:59:56,758

Stitch?

718

00:59:57,468 --> 00:59:58,760

What is it?

719

01:00:01,598 --> 01:00:05,851

Hiding behind your little friend
won't work anymore.

720

01:00:05,935 --> 01:00:08,895

Didn't I tell you?

We got fired this morning.

721

01:00:10,148 --> 01:00:11,440

New rules.

722

01:00:20,450 --> 01:00:21,742

What are we going to do?

723

01:00:23,411 --> 01:00:25,120

I love this song!

724

01:00:25,163 --> 01:00:26,371

Pliers.

725

01:00:26,873 --> 01:00:28,457

- Screwdriver.

- Check.

726

01:00:29,375 --> 01:00:32,919

Come out, my friend,
from whomever you're hiding behind.

727

01:00:35,298 --> 01:00:36,548

What the...

728

01:00:40,428 --> 01:00:42,679

Come on! What's the big deal?

729

01:00:44,182 --> 01:00:46,141

I'll put you back together again.

730

01:00:46,225 --> 01:00:49,144

I'll make you taller and not so fluffy!

731

01:00:49,187 --> 01:00:51,229

I like fluffy!

732

01:00:51,314 --> 01:00:54,149

No. No. No!

733

01:00:56,277 --> 01:00:58,612

Leave my mother out of this!

734

01:01:00,948 --> 01:01:02,824

You could do with a makeover.

735

01:01:02,867 --> 01:01:07,829

I tried to give you my good looks,
but let's face it, something went wrong.

736

01:01:07,914 --> 01:01:09,247

No!

737

01:01:13,086 --> 01:01:15,128

Quick! Follow me! If we make it to...

738

01:01:15,171 --> 01:01:18,048

- You're alive!

- They're all over the place!

739

01:01:19,092 --> 01:01:22,678

Running away? Here, let me stop you.

740

01:01:24,514 --> 01:01:26,682

You always get in the way!

741

01:01:26,766 --> 01:01:28,619

Where's the girl?

What have you done to the girl?

742

01:01:28,643 --> 01:01:32,604

Hello? Cobra Bubbles?

Aliens are attacking my house.

743

01:01:32,689 --> 01:01:35,065

No, no, no! No aliens!

744

01:01:38,403 --> 01:01:40,070

Blue punch buggy!

745

01:01:41,864 --> 01:01:43,407

No punch back.

746

01:01:43,866 --> 01:01:45,117

They want my dog!

747

01:01:45,201 --> 01:01:47,119

There's no need to alert the authorities.

748

01:01:47,203 --> 01:01:48,745

Everything's under control.

749

01:01:48,830 --> 01:01:49,996

Lilo, who was that?

750

01:01:50,039 --> 01:01:52,207

Good, my dog found the chainsaw.

751

01:01:52,250 --> 01:01:53,417

Lilo! Don't hang...

752

01:02:03,010 --> 01:02:04,636

You shouldn't play with guns.

753

01:02:04,721 --> 01:02:05,721

Okay.

754

01:02:05,805 --> 01:02:06,888

Thank you.

755

01:02:06,973 --> 01:02:08,932

I just remembered. It's your birthday!

756

01:02:09,016 --> 01:02:10,559

Happy birthday!

757

01:02:10,601 --> 01:02:12,352

- Merry Christmas!

- It's not Christmas.

758

01:02:12,395 --> 01:02:13,437

Happy Hanukkah!

759

01:02:13,521 --> 01:02:14,688

We're leaving Stitch?

760

01:02:14,731 --> 01:02:16,898

Trust me. This is not going to end well.

761

01:02:16,941 --> 01:02:18,233

- One potato.

- Two potato.

762

01:02:18,276 --> 01:02:19,735

- Three potato.

- Four.

763

01:02:19,777 --> 01:02:21,236

- Five potato.

- Six potato.

764

01:02:21,320 --> 01:02:22,404

Seven potato, more.

765

01:02:22,488 --> 01:02:23,530

- My...

- Mother...

766

01:02:23,573 --> 01:02:24,614

- Told...

- Me...

767

01:02:24,699 --> 01:02:25,741

- You...

- Are...

768

01:02:25,825 --> 01:02:27,242

- It.

- I win!

769

01:02:34,417 --> 01:02:37,169

Thanks. Mahalo plenty.

You won't be disappointed.

770

01:02:37,253 --> 01:02:40,130

I'll show up early to help

with the morning...

771

01:02:43,342 --> 01:02:45,260

Don't turn left.

772

01:02:47,805 --> 01:02:49,097

No.

773

01:02:54,437 --> 01:02:57,564

One of them had a giant eye
in the middle of his face.

774

01:02:57,607 --> 01:02:58,940

Lilo!

775

01:03:01,694 --> 01:03:03,695

Please don't do this.

776

01:03:03,780 --> 01:03:05,238

You know I have no choice.

777

01:03:05,281 --> 01:03:07,282

No! You're not taking her!

778

01:03:07,366 --> 01:03:08,867

I'm the only one who understands her!

779

01:03:08,951 --> 01:03:10,869

You take that away,

she won't stand a chance!

780

01:03:10,953 --> 01:03:12,954

You're making this harder

than it needs to be.

781

01:03:13,039 --> 01:03:15,957

But you don't know what you're doing!

She needs me!

782

01:03:16,042 --> 01:03:18,293

Is this what she needs?

783

01:03:18,377 --> 01:03:23,215

It seems clear to me that you need her

a lot more than she needs you.

784

01:03:27,970 --> 01:03:30,430

Lilo! Lilo!

785

01:03:31,182 --> 01:03:39,182

Lilo!

786

01:03:54,622 --> 01:03:56,456

You ruined everything.

787

01:04:04,841 --> 01:04:06,633

You're one of them?

788

01:04:08,928 --> 01:04:10,887

Get out of here, Stitch.

789

01:04:13,891 --> 01:04:15,183

Surprise!

790

01:04:17,353 --> 01:04:20,438

And here I thought
you'd be difficult to catch.

791

01:04:21,399 --> 01:04:22,732

Silly me.

792

01:04:23,484 --> 01:04:24,693

Lilo?

793

01:04:25,361 --> 01:04:26,528

Lilo!

794

01:04:39,166 --> 01:04:42,043

There you go,
all buckled up for the trip.

795

01:04:43,588 --> 01:04:47,257

And, look,
I even caught you a little snack.

796

01:04:52,638 --> 01:04:54,097

No! Stop!

797

01:05:05,443 --> 01:05:06,651

Lilo.

798

01:05:10,239 --> 01:05:11,615

Okay, talk.

799

01:05:11,699 --> 01:05:12,926

I know you had something
to do with this.

800

01:05:12,950 --> 01:05:14,951

Now where is Lilo?

801

01:05:15,036 --> 01:05:17,329

Talk! I know you can.

802

01:05:20,249 --> 01:05:21,583

Okay, okay.

803

01:05:24,754 --> 01:05:26,671

Where's Lilo?

804

01:05:28,466 --> 01:05:29,633

Lilo...

805

01:05:32,845 --> 01:05:34,804

Now all your washing is up!

806

01:05:34,889 --> 01:05:37,015

You're under arrest!

Read him his rights.

807

01:05:37,099 --> 01:05:38,725

Listen carefully.

808

01:05:41,395 --> 01:05:45,774

Hello? Galactic Command?

Experiment 626 is in custody.

809

01:05:45,858 --> 01:05:47,776

We'll wait right here.

810

01:05:56,786 --> 01:05:58,745

Don't interact with her.

811

01:06:03,376 --> 01:06:04,960

Where's Lilo?

812

01:06:05,044 --> 01:06:06,670

Who? What?

813

01:06:09,048 --> 01:06:11,800

Lilo, my sister.

814

01:06:14,553 --> 01:06:19,557

Sorry, we do not know anyone by this...

815

01:06:19,642 --> 01:06:21,810

Lilo! She's a little girl, this big!

816

01:06:21,852 --> 01:06:26,189

She has black hair and brown eyes,
and she hangs around with that thing!

817

01:06:29,026 --> 01:06:30,443

We know her.

818

01:06:30,486 --> 01:06:32,821

Bring her back.

819

01:06:32,905 --> 01:06:34,864

We can't do that.

820

01:06:34,949 --> 01:06:37,325

That would be a misuse
of Galactic resources.

821

01:06:37,368 --> 01:06:41,621

See, problem is we're just here for him.

822

01:06:41,664 --> 01:06:43,790

So she's gone?

823

01:06:43,833 --> 01:06:45,375

Look at the bright side.

824

01:06:45,459 --> 01:06:48,169

You won't have to yell
at anyone anymore.

825

01:06:56,554 --> 01:06:57,679

Come.

826

01:07:08,524 --> 01:07:10,150

'Ohana.

827

01:07:10,818 --> 01:07:12,610

Hey! Get away from her.

828

01:07:12,695 --> 01:07:15,196

No! What did you say?

829

01:07:15,281 --> 01:07:17,866

'Ohana means "family."

830

01:07:18,784 --> 01:07:23,747

- "Family" means nobody...

- Nobody gets left behind.

831

01:07:23,831 --> 01:07:25,832

Or forgotten.

832

01:07:25,875 --> 01:07:27,125

Yeah.

833

01:07:28,961 --> 01:07:30,336

Hey.

834

01:07:30,379 --> 01:07:31,838

What?

835

01:07:31,881 --> 01:07:36,468

After all you put me through, you
expect me to help you just like that?

836

01:07:36,552 --> 01:07:39,054

Just like that?

837

01:07:40,514 --> 01:07:41,598

Fine.

838

01:07:41,682 --> 01:07:44,225

Fine? You're doing what he says?

839

01:07:44,268 --> 01:07:46,102

He's very persuasive.

840

01:07:46,187 --> 01:07:49,439

Persuasive?

What exactly are we doing?

841

01:07:49,523 --> 01:07:51,900

- Rescue.

- We're going to get Lilo?

842

01:07:55,654 --> 01:07:58,740

Good! I was hoping to add theft,
endangerment

843

01:07:58,824 --> 01:08:01,743

and insanity to my list of things
I did today.

844

01:08:01,827 --> 01:08:03,078

You, too?

845

01:08:08,751 --> 01:08:10,502

Yeah, yeah, yeah!

846

01:08:10,586 --> 01:08:13,296

What? Did you think we walked here?

847

01:08:14,632 --> 01:08:17,258

This is Gantu,
requesting hyperspace clearance.

848

01:08:17,301 --> 01:08:19,177

Stand by for clearance.

849

01:09:04,056 --> 01:09:06,307

Clearance is granted on vector C-12.

850

01:09:06,392 --> 01:09:08,476

Connect me
to the Grand Councilwoman.

851

01:09:08,561 --> 01:09:10,562

Gantu, what's going on?

852

01:09:10,646 --> 01:09:15,483

I thought you'd like to know
that the little abomination is...

853

01:09:18,821 --> 01:09:20,613

Yes, Captain?

854

01:09:23,409 --> 01:09:25,368

I'll call you back.

855

01:09:30,291 --> 01:09:32,542

How did you get out of there?

856

01:09:35,671 --> 01:09:37,797

So what exactly are we doing?

857

01:09:37,840 --> 01:09:40,216

Don't worry, is all part of plan.

858

01:09:40,301 --> 01:09:42,051

We are professionals.

859

01:09:42,136 --> 01:09:44,179

Hey! Get that out of your mouth!

860

01:09:51,854 --> 01:09:53,646

Hold on!

861

01:10:02,990 --> 01:10:05,575

Okay, is show time!

862

01:10:19,924 --> 01:10:21,341

This is it!

863

01:10:26,680 --> 01:10:29,390

Go! Go! Go!

864

01:10:40,736 --> 01:10:43,196

Little savage! Get off my ship!

865

01:10:47,993 --> 01:10:49,244

Stitch!

866

01:11:02,508 --> 01:11:06,135

Computer, locate Experiment 626.

867

01:11:06,220 --> 01:11:08,429

626 located.

868

01:11:08,472 --> 01:11:10,556

We finish this now.

869

01:11:13,727 --> 01:11:15,061

Stitch is unconscious.

870

01:11:15,104 --> 01:11:18,731

- What do we do now?

- We stay close. Hope for a miracle.

871

01:11:18,774 --> 01:11:20,066

That's all we can do.

872

01:11:31,453 --> 01:11:32,662

No!

873

01:11:34,623 --> 01:11:36,416

Don't leave me, okay?

874

01:11:36,458 --> 01:11:44,458

Okay.

875

01:11:55,894 --> 01:11:59,564

Target 626 is in motion. Speed is 84.

876

01:11:59,648 --> 01:12:01,107

Impossible!

877

01:12:26,633 --> 01:12:27,967

Stitch!

878

01:12:30,220 --> 01:12:31,763

Abomination.

879

01:12:31,847 --> 01:12:33,181

Stupid head.

880

01:12:43,984 --> 01:12:47,362

You're vile! You're foul! You're flawed!

881

01:12:47,446 --> 01:12:49,822

Also cute and fluffy!

882

01:13:03,295 --> 01:13:04,545

You came back.

883

01:13:04,630 --> 01:13:06,714

Nobody gets left behind.

884

01:13:15,265 --> 01:13:16,557

Lilo!

885

01:13:22,606 --> 01:13:23,898

Good dog.

886

01:13:41,834 --> 01:13:43,126

David!

887

01:13:43,919 --> 01:13:44,961

Hey, Lilo.

888

01:13:45,045 --> 01:13:47,255

Can you give us a ride to shore?

889

01:13:49,842 --> 01:13:51,008

Sure,

890

01:13:51,093 --> 01:13:53,302

but I have to make two trips.

891

01:13:54,680 --> 01:13:58,224

So you're from outer space?

I heard the surfing's choice.

892

01:13:59,184 --> 01:14:01,018

We have 626.

893

01:14:01,103 --> 01:14:02,437

Take him to my ship.

894

01:14:02,479 --> 01:14:04,647

- Leave him alone.

- Hold on.

895

01:14:04,731 --> 01:14:06,941

Grand Councilwoman, let me explain.

896

01:14:06,984 --> 01:14:08,192

Silence!

897

01:14:08,277 --> 01:14:11,237

I am retiring you, Captain Gantu.

898

01:14:12,239 --> 01:14:15,032

Actually, credit for the capture
goes to...

899

01:14:15,117 --> 01:14:16,701

Goes to me.

900

01:14:16,785 --> 01:14:18,911

You'll be lucky if you end up
on a Fluff Trog farm

901

01:14:18,954 --> 01:14:21,205

after we sort this thing out.

902

01:14:22,040 --> 01:14:23,708

I think I should...

903

01:14:23,792 --> 01:14:26,169

You! You're the cause of all this!

904

01:14:26,253 --> 01:14:29,130

If it wasn't for your Experiment 626,
none of this...

905

01:14:29,214 --> 01:14:31,507

- Stitch.

- What?

906

01:14:31,592 --> 01:14:33,801

My name Stitch.

907

01:14:33,844 --> 01:14:35,052

Stitch, then.

908

01:14:35,137 --> 01:14:37,305

If it wasn't for Stitch...

909

01:14:39,808 --> 01:14:42,268

Does Stitch have to go in the ship?

910

01:14:43,145 --> 01:14:44,770

Yes.

911

01:14:44,813 --> 01:14:46,814

Can Stitch say goodbye?

912

01:14:48,233 --> 01:14:49,650

Yes.

913

01:14:49,693 --> 01:14:51,110

Thank you.

914

01:14:56,325 --> 01:14:58,201

Who are you?

915

01:15:00,078 --> 01:15:02,622

This is my family.

916

01:15:02,664 --> 01:15:05,583

I found it all on my own.

917

01:15:06,585 --> 01:15:11,088

It's little and broken, but still good.

918

01:15:12,216 --> 01:15:14,133

Yeah. Still good.

919

01:15:24,228 --> 01:15:26,270

Does he really have to go?

920

01:15:27,105 --> 01:15:30,608

You know as well as I
that our laws are absolute.

921

01:15:30,692 --> 01:15:34,403

I cannot change
what the council has decided.

922

01:15:35,072 --> 01:15:38,491

Lilo, didn't you buy that thing
at the shelter?

923

01:15:43,247 --> 01:15:44,413

Hey!

924

01:15:45,916 --> 01:15:48,668

Three days ago,
I bought Stitch at the shelter.

925

01:15:48,710 --> 01:15:52,380

I paid \$2 for him. See this stamp?
I own him.

926

01:15:53,507 --> 01:15:56,217

If you take him, you're stealing.

927

01:15:58,303 --> 01:16:01,430

Aliens are all about rules.

928

01:16:01,515 --> 01:16:03,891

You look familiar.

929

01:16:03,976 --> 01:16:07,603

CIA. Roswell. 1973.

930

01:16:08,647 --> 01:16:10,856

Yes. You had hair then.

931

01:16:11,900 --> 01:16:13,818

Take note of this.

932

01:16:13,902 --> 01:16:18,823

This creature has been sentenced
to life in exile,

933

01:16:18,907 --> 01:16:23,119

a sentence that shall be
henceforth served out here

934

01:16:24,413 --> 01:16:25,955

on Earth.

935

01:16:27,082 --> 01:16:32,920

And as caretaker

of the alien life form, Stitch,

936

01:16:32,963 --> 01:16:35,673

this family is now

under the official protection

937

01:16:35,757 --> 01:16:38,426

of the United Galactic Federation.

938

01:16:39,261 --> 01:16:41,971

We'll be checking in now and then.

939

01:16:42,055 --> 01:16:45,266

I was afraid you were going to say that.

940

01:16:45,309 --> 01:16:48,769

This won't be easy to explain

back at headquarters.

941

01:16:48,812 --> 01:16:50,896

I know what you mean.

942

01:16:54,818 --> 01:16:57,320

Don't let those two get on my ship.

943

01:17:07,581 --> 01:17:08,998

CIA?

944

01:17:09,082 --> 01:17:10,166

Former.

945

01:17:10,250 --> 01:17:12,126

Saved the planet once.

946

01:17:12,169 --> 01:17:13,461

Convinced an alien race

947

01:17:13,503 --> 01:17:16,589

that mosquitoes were
an endangered species.

948

01:17:16,632 --> 01:17:18,299

Now, about your house...

949
