

Dialogues from Non-stop to improve the vocabulary in English

1

00:01:38,932 --> 00:01:44,061

REPORTER: (ON RADIO) People have to realize,
we cannot make everybody totally safe,

2

00:01:44,062 --> 00:01:48,024

even if we allocated the entire
federal budget towards security.

3

00:01:48,025 --> 00:01:50,693

I promise you there is
not an easier job...

4

00:01:50,694 --> 00:01:51,736

(CELL PHONE RINGING)

5

00:01:51,737 --> 00:01:56,192

in the whole federal government than
riding first class in airplanes from...

6

00:02:00,120 --> 00:02:01,370

Yeah.

7

00:02:01,371 --> 00:02:03,244

I know. I'm sorry.

8

00:02:03,874 --> 00:02:07,251

No, no, you can trust me. I'm fine.

9

00:02:07,252 --> 00:02:08,377

(PLANE APPROACHING)

10

00:02:08,378 --> 00:02:10,501

What? I can't hear you.

11

00:02:10,881 --> 00:02:12,674

I can't hear you!

12

00:02:32,736 --> 00:02:33,937

(CAR HORN)

13

00:02:37,658 --> 00:02:39,610

MAN: Hey, man, you got a light?

14

00:02:40,202 --> 00:02:42,120

Sir. Excuse me.

15

00:02:42,746 --> 00:02:44,914

Excuse me, sir. You got a light?

16

00:02:44,915 --> 00:02:46,537

Yeah. Sorry.

17

00:02:50,128 --> 00:02:52,456

WOMAN: (ON PA)

May I have your attention, please?

18

00:02:53,882 --> 00:02:55,925

MAN: So, where you off to?

19

00:03:01,640 --> 00:03:03,183

Where you headed?

20

00:03:09,439 --> 00:03:11,607

I'm headed to Amsterdam.

21

00:03:12,651 --> 00:03:14,735

WOMAN: (ON PA)

May I have your attention, please?

22

00:03:14,736 --> 00:03:17,196

The white zone is for
the immediate loading

23

00:03:17,197 --> 00:03:19,741

and unloading of passengers only.

24

00:03:25,163 --> 00:03:27,540

Here you go, sir.

Enjoy your flight.

25

00:03:27,541 --> 00:03:29,542

MAN: Everyone and their
mother's in the game right now.

26

00:03:29,543 --> 00:03:33,462

You got Korean phones, Japanese
phones, Scandinavian phones.

27

00:03:33,463 --> 00:03:36,837

OS is trying to keep up with the hardware
from 15 different manufacturers.

28

00:03:36,967 --> 00:03:38,714

Right!

29

00:03:38,969 --> 00:03:42,012

That's what I've been saying.

No one listens to me!

30

00:03:42,013 --> 00:03:46,684

Dude, you're preaching to the choir!

It makes absolutely no sense.

31

00:03:48,645 --> 00:03:50,973

Really? I guess I'm in your way.

32

00:03:51,398 --> 00:03:54,226

New Yorkers, man, I swear to God.

Give me two minutes.

33

00:04:03,827 --> 00:04:05,279

Clear.

34

00:04:05,704 --> 00:04:06,996

Right this way, sir. Please.

35

00:04:06,997 --> 00:04:11,667

Listen to me. Listen to me. I cannot
stay in London for three days.

36

00:04:11,668 --> 00:04:13,495

Get me on the next flight back.

37

00:04:14,337 --> 00:04:16,756

Please, look. This is...

38

00:04:16,757 --> 00:04:19,005

This is a bad time for...

39

00:04:20,844 --> 00:04:24,719

"You have to do what you have to do." Well, guess what? So do I.

40

00:04:38,195 --> 00:04:39,567

Here.

41

00:04:40,864 --> 00:04:42,198

Long flights are the worst.

42

00:04:42,199 --> 00:04:43,571

No, thanks.

43

00:04:59,549 --> 00:05:01,171

Hi, baby.

44

00:05:02,385 --> 00:05:04,087

MAN: (ON PA)

Good evening, passengers.

45

00:05:09,893 --> 00:05:11,727

WOMAN: There's a mix-up
with my reservation.

46

00:05:11,728 --> 00:05:15,057

I was supposed to have a window
seat and they put me in an aisle.

47

00:05:15,357 --> 00:05:16,857

Maybe you could move
some people around,

48

00:05:16,858 --> 00:05:18,150

'cause I was guaranteed
the window seat.

49

00:05:18,151 --> 00:05:19,672

I'm sorry about that, Ms. Summers.

50

00:05:28,912 --> 00:05:31,997

MAN: (ON PA) At this time we are
inviting passengers with small children,

51

00:05:31,998 --> 00:05:34,621

or who require assistance,
to board at this time.

52

00:05:41,716 --> 00:05:43,217

Once again, in the boarding area,

53

00:05:43,218 --> 00:05:46,387

we are ready to begin our priority
boarding Flight 10 to London.

54

00:05:46,388 --> 00:05:48,264

We'll begin general boarding
in just a few minutes.

55

00:05:48,265 --> 00:05:49,640

WOMAN: Are you all set to board?

56

00:05:49,641 --> 00:05:50,933

GIRL:

So we have to go on the runway?

57

00:05:50,934 --> 00:05:52,643

Come on, sweetheart.

Is this everything?

58

00:05:52,644 --> 00:05:54,812

Yeah. My mom checked
my big bag for me.

59

00:05:54,813 --> 00:05:56,689

Have you flown by yourself before?

60

00:05:56,690 --> 00:05:58,642

No. This is my first time.

61

00:05:59,109 --> 00:06:01,437

WOMAN:

You're gonna have a lovely time.

62

00:06:01,862 --> 00:06:05,531

NANCY: Welcome aboard. Yes, just
through there and down to the left.

63

00:06:05,532 --> 00:06:08,242

Nancy, this is Becca. It's her
first time on an airplane.

64

00:06:08,243 --> 00:06:10,661

Wonderful. Who's waiting
for you in London?

65

00:06:10,662 --> 00:06:11,871

My dad.

66

00:06:11,872 --> 00:06:14,495

Well, we've a seat by the
window all picked out for you.

67

00:06:22,716 --> 00:06:27,342

Look, I know it may seem scary,
but flying's really quite fun.

68

00:06:28,638 --> 00:06:31,762

I believe this little
guy made a run for it.

69

00:06:32,976 --> 00:06:34,177

What's his name?

70

00:06:34,769 --> 00:06:36,145

Henry.

71

00:06:36,146 --> 00:06:38,856

Yeah, he looks like a Henry.

That's a good name.

72

00:06:38,857 --> 00:06:40,604

- Well...

- Becca.

73

00:06:40,942 --> 00:06:43,861

Becca, I think Henry's

a little scared.

74

00:06:43,862 --> 00:06:46,906

Maybe you can show

him how it's done.

75

00:06:49,659 --> 00:06:51,111

Good girl.

76

00:07:07,802 --> 00:07:09,925

I'm sorry, am I in your way?

77

00:07:10,055 --> 00:07:11,472

Again?

78

00:07:12,390 --> 00:07:14,092

We are right up here.

79

00:07:14,559 --> 00:07:16,435

ATTENDANT: (ON PA)

Good evening, ladies and gentlemen.

80

00:07:16,436 --> 00:07:19,521

As a reminder, all carry-on luggage
must fit in the overhead bin

81

00:07:19,522 --> 00:07:22,521

or be safely stowed under
the seat in front of you.

82

00:07:23,026 --> 00:07:24,860

If you're having trouble
fitting your luggage,

83

00:07:24,861 --> 00:07:26,734

we'll be happy to check it for you.

84

00:07:27,197 --> 00:07:30,742

Thank you for choosing British
Aqualantic. Enjoy the flight.

85

00:07:32,077 --> 00:07:33,535

JEN: Do you know, is there
somebody sitting there?

86

00:07:33,536 --> 00:07:35,371

- Do you know who has that seat?
- No, sorry.

87

00:07:35,372 --> 00:07:37,290

WOMAN: Is somebody sitting here?

88

00:07:37,832 --> 00:07:41,210

Hey, I'm on the plane. And guess what?
They effed up my reservation.

89

00:07:41,211 --> 00:07:44,088

We land at 7:35.

Did they book a car?

90

00:07:44,089 --> 00:07:45,172

Hang on. Hang on.

91

00:07:45,173 --> 00:07:49,426

Excuse me. Sir? I'm here in 3B.

92

00:07:49,427 --> 00:07:50,886

I was wondering if maybe
you'd switch seats

93

00:07:50,887 --> 00:07:52,304

with me so I could have the window?

94

00:07:52,305 --> 00:07:53,889

Do you care?

95

00:07:53,890 --> 00:07:56,593

Do you speak English?

96

00:07:57,060 --> 00:07:58,978

Okay. Thank you.

97

00:07:59,354 --> 00:08:02,228

Excuse me. Excuse me. Sir?

98

00:08:02,565 --> 00:08:04,817

Hi. I'm right here, I'm in 3B

99

00:08:04,818 --> 00:08:07,569

and I was just wondering if maybe
you would prefer the aisle,

100

00:08:07,570 --> 00:08:09,738

or if you don't care, if you would

101

00:08:09,739 --> 00:08:11,240

switch with me for the window seat?

102

00:08:11,241 --> 00:08:15,617

A lot of people just sleep
anyway, so I was wondering if...

103

00:08:20,583 --> 00:08:22,126

Sure. Why not?

104

00:08:22,127 --> 00:08:25,297

Thank you so much.

I really appreciate that.

105

00:08:26,089 --> 00:08:27,715

Sorry, let me get out of your way.

106

00:08:27,716 --> 00:08:29,213

Let me help you.

107

00:08:32,262 --> 00:08:33,714

MAN: There's room right up here.

108

00:08:37,475 --> 00:08:40,728

ATTENDANT: Aqualantic is pleased to
offer extensive in-flight entertainment

109

00:08:40,729 --> 00:08:43,272

with hundreds of video and music

programming at your fingertips.

110

00:08:43,273 --> 00:08:45,066

Oh, God.

111

00:08:45,400 --> 00:08:47,109

WOMAN: (ON CELL PHONE)

Hello? Are you there?

112

00:08:47,110 --> 00:08:48,193

Your phone.

113

00:08:48,194 --> 00:08:49,278

- What?

- Hello?

114

00:08:49,279 --> 00:08:50,446

- Your phone.

- Oh, shit.

115

00:08:50,447 --> 00:08:51,905

- Hello?

- Hi. Hi, hi.

116

00:08:51,906 --> 00:08:55,326

I'll call you when we land, okay?

All right, bye.

117

00:08:55,493 --> 00:08:56,618

Rough day, huh?

118

00:08:56,619 --> 00:08:58,120

Yeah, you have no idea.

119

00:08:58,121 --> 00:08:59,705

Hi, excuse me.

120

00:08:59,706 --> 00:09:01,623

Could I get a gin and tonic,

when you get a chance?

121

00:09:01,624 --> 00:09:04,373

- Of course.

- Make that two, please.

122

00:09:11,051 --> 00:09:12,753

God.

123

00:09:13,970 --> 00:09:16,138

- Nancy, right? Gwen.

- Yeah.

124

00:09:16,139 --> 00:09:17,264

Thank God for you.

125

00:09:17,265 --> 00:09:18,891

Girl doesn't show up and leaves me

126

00:09:18,892 --> 00:09:20,476

to handle two cabins.

You're a lifesaver.

127

00:09:20,477 --> 00:09:22,978

If I pass out, just promise to
catch me before I hit the floor.

128

00:09:22,979 --> 00:09:24,726

Not if I do first.

129

00:09:25,315 --> 00:09:27,483

Can I get you gentlemen
anything before we taxi?

130

00:09:27,484 --> 00:09:29,652

No, thanks, Nance, I'm fine.

131

00:09:36,826 --> 00:09:37,910

What?

132

00:09:37,911 --> 00:09:39,328

Nothing.

133

00:09:39,329 --> 00:09:43,373

Ground, this is AQ-10, we're ready
to disconnect ground power.

134

00:09:43,374 --> 00:09:45,576

You naughty boy.

135

00:09:46,336 --> 00:09:47,879

- (CHUCKLES)

- Naughty.

136

00:09:57,680 --> 00:09:59,223

Thank you.

137

00:10:02,143 --> 00:10:03,852

Didn't you order gin and tonic?

138

00:10:03,853 --> 00:10:05,020

Did I?

139

00:10:05,021 --> 00:10:06,894

'Cause she brought you a water.

140

00:10:07,899 --> 00:10:10,147

It's not my lucky day.

141

00:10:34,008 --> 00:10:35,425

CAPTAIN: (ON PA)

Good evening, ladies and gentlemen,

142

00:10:35,426 --> 00:10:39,721

welcome aboard British Aqualantic
Flight 10, non-stop service to London.

143

00:10:39,722 --> 00:10:41,723

I'm your captain, David McMillan,

144

00:10:41,724 --> 00:10:43,600

flying with First
Officer Kyle Rice.

145

00:10:43,601 --> 00:10:45,227

And we expect a smooth
ride this evening

146

00:10:45,228 --> 00:10:48,230

- with a flight time of just over six hours.
- Seatbelts, thank you.

147

00:10:48,231 --> 00:10:50,809

We should have you in
the air momentarily.

148

00:10:51,734 --> 00:10:53,610

This is a beautiful
picture they took of her.

149

00:10:53,611 --> 00:10:57,031

ATTENDANT: Sir, could you move
your seat-back forward? Thank you.

150

00:10:57,407 --> 00:11:00,281

Flight attendants, please
be seated for takeoff.

151

00:11:02,745 --> 00:11:05,164

What's that for? Is that for luck?

152

00:11:05,165 --> 00:11:07,374

Something like that.
My daughter gave it to me.

153

00:11:07,375 --> 00:11:09,877

Better than a gin and tonic, I bet.

154

00:11:09,878 --> 00:11:11,170

It is.

155

00:11:23,183 --> 00:11:24,851

I'm Jen.

156

00:11:25,518 --> 00:11:26,719

Bill.

157

00:11:28,563 --> 00:11:30,939

- You fly much?

- All the time, actually.

158

00:11:30,940 --> 00:11:32,733

Yeah, I can tell.

159

00:11:34,944 --> 00:11:38,318

It's just the takeoff.

Once we're in the air, I'll...

160

00:11:43,328 --> 00:11:44,494

You'll have a seizure?

161

00:11:44,495 --> 00:11:45,912

I'll be fine. I promise.

162

00:11:48,249 --> 00:11:49,875

You actually fly all the time?

163

00:11:49,876 --> 00:11:52,704

Some things you never get used to.

164

00:12:01,095 --> 00:12:02,717

How old's your daughter?

165

00:12:03,306 --> 00:12:05,554

Now, she's, uh, 17.

166

00:12:05,767 --> 00:12:06,892

What's her name?

167

00:12:06,893 --> 00:12:08,185

Olivia.

168

00:12:08,186 --> 00:12:09,519

- That's nice.

- Yeah.

169

00:12:09,520 --> 00:12:11,973

I like that name, it's a nice name.

170

00:12:12,482 --> 00:12:14,776

So, Why'd she give you the ribbon?

171

00:12:15,485 --> 00:12:20,822

Some kids have blankets, stuffed animals.

Olivia had ribbons.

172

00:12:20,823 --> 00:12:23,776

This was hers when she was little.

173

00:12:30,166 --> 00:12:35,463

She'd tie it to a finger or
toe before going to bed.

174

00:12:36,089 --> 00:12:37,839

And then in the morning,
she'd make me guess.

175

00:12:37,840 --> 00:12:38,966

- Where she put it?

- Yeah.

176

00:12:38,967 --> 00:12:40,759

That's cute. That's really cute.

177

00:12:40,760 --> 00:12:43,178

Yeah, and then she grew up.

178

00:12:43,179 --> 00:12:45,802

I suppose I need it
more than she did.

179

00:12:48,476 --> 00:12:49,973

Anyway.

180

00:12:51,688 --> 00:12:54,186

So, what do you do for a living?

181

00:12:56,359 --> 00:12:57,902

Well...

182

00:12:59,487 --> 00:13:00,570

I fly a lot.

183

00:13:00,571 --> 00:13:01,897

Oh. yeah?

184

00:13:01,906 --> 00:13:05,158

Yeah, but I think that

185

00:13:05,159 --> 00:13:07,494

I'm gonna try to get some sleep.

186

00:13:07,495 --> 00:13:09,496

- Get some sleep, sure.

- Yeah, it's gonna be a long flight.

187

00:13:09,497 --> 00:13:11,745

Yeah, yeah, yeah. Sleep well.

188

00:13:27,473 --> 00:13:29,141

- WOMAN: Stop!

- MAN: Baby...

189

00:13:31,060 --> 00:13:32,853

(WOMAN SHUSHING AND LAUGHING)

190

00:13:32,854 --> 00:13:36,815

- WOMAN: You're crazy!

- MAN: You're so hot, baby, I can't stop it! I can't!

191

00:13:36,816 --> 00:13:38,650

WOMAN: People are watching!

192

00:13:38,651 --> 00:13:42,321

MAN: No, no, no. Nobody's
watching. Nobody.

193

00:13:45,074 --> 00:13:46,617

MAN: Oh, my God.

194

00:13:47,035 --> 00:13:49,077

WOMAN: In front of my
mom, with no pants on

195

00:13:49,078 --> 00:13:51,079

and half a Toblerone in his mouth.

196

00:13:51,080 --> 00:13:52,907

MAN: He didn't.

197

00:13:53,333 --> 00:13:55,285

Do you know him?

198

00:14:55,520 --> 00:14:57,267

(SIGHS)

199

00:15:08,449 --> 00:15:09,650

(CELL PHONE DINGING)

200

00:15:29,595 --> 00:15:30,796

(CELL PHONE DINGING)

201

00:15:53,536 --> 00:15:54,737

(CELL PHONE DINGING)

202

00:16:31,449 --> 00:16:32,650

(CELL PHONE DINGING)

203

00:17:13,783 --> 00:17:14,984

(CELL PHONE DINGING)

204

00:17:24,168 --> 00:17:25,369

(CELL PHONE DINGING)

205

00:17:50,152 --> 00:17:51,353

(CELL PHONE DINGING)

206

00:18:21,642 --> 00:18:23,101

Excuse me.

207

00:18:23,102 --> 00:18:24,804

What kind of tea do you have?

208

00:18:25,688 --> 00:18:28,898

I'll have chamomile. Thanks.

209

00:18:28,899 --> 00:18:30,476

Certainly.

210

00:18:31,444 --> 00:18:32,645

(CELL PHONE DINGING)

211

00:19:22,328 --> 00:19:24,412

- This your idea of a joke?

- What're you talking about?

212

00:19:24,413 --> 00:19:26,289

If you have a problem with
me, say it to my face.

213

00:19:26,290 --> 00:19:28,249

Don't play games on a
flight in a secure network.

214

00:19:28,250 --> 00:19:29,459

You need to calm down, partner.

215

00:19:29,460 --> 00:19:32,629

I was a cop for 25 years.

I knew men like you.

216

00:19:32,630 --> 00:19:34,005

Men like me?

217

00:19:34,006 --> 00:19:35,465

Men like me follow

goddamn protocol.

218

00:19:35,466 --> 00:19:36,883

We're not even supposed

to be talking right now.

219

00:19:36,884 --> 00:19:38,802

It's a secure network, Jack!

220

00:19:39,303 --> 00:19:41,143

Bill, what the hell are

you talking about?

221

00:19:44,433 --> 00:19:45,976

Don't deny you sent these.

222

00:19:49,313 --> 00:19:52,107

Bill, I didn't send these.

223

00:19:52,983 --> 00:19:54,400

See for yourself.

224

00:20:06,205 --> 00:20:08,456

Then someone on this flight is
threatening to kill a passenger

225

00:20:08,457 --> 00:20:13,712

unless \$150 million is transferred
in the next 18 minutes.

226

00:20:13,713 --> 00:20:15,004

Who knows about this?

227

00:20:15,005 --> 00:20:16,377

You and me.

228

00:20:22,221 --> 00:20:24,347

I say no way. It's bullshit.

229

00:20:24,348 --> 00:20:26,683

Any threat to an aircraft
requires immediate landing.

230

00:20:26,684 --> 00:20:30,353

Right, yeah, all right.

If there is a threat.

231

00:20:30,354 --> 00:20:31,688

Come on, Bill.

You wanna be the agent

232

00:20:31,689 --> 00:20:32,981

who lands an international flight

233

00:20:32,982 --> 00:20:34,566

because some asshole knows
your personal problems?

234

00:20:34,567 --> 00:20:36,359

Sends you a couple of joke texts?

235

00:20:36,360 --> 00:20:38,820

Bill, I gotta ask you, how
many have you had today?

236

00:20:38,821 --> 00:20:40,447

A threat's a threat!

237

00:20:40,448 --> 00:20:41,573

Okay.

238

00:20:41,574 --> 00:20:43,783

You really need to think this
through, partner, all right?

239

00:20:43,784 --> 00:20:45,243

Listen, how do you
kill somebody aboard

240

00:20:45,244 --> 00:20:46,884

a crowded plane and
get away with it?

241

00:20:47,872 --> 00:20:50,165

Pretty hard to pull that
off, don't you think?

242

00:20:50,166 --> 00:20:55,213

Bill, if there's not a
situation, you don't create one.

243

00:20:57,423 --> 00:20:59,299

I'm going to see the captain.

244

00:20:59,300 --> 00:21:00,592

You keep your eye
on the main cabin.

245

00:21:00,593 --> 00:21:03,922

Bill? Don't panic
the cockpit. Bill?

246

00:21:10,394 --> 00:21:12,187

I tell you, it's five hours in

247

00:21:12,188 --> 00:21:15,267

and then, out of nowhere, he
suddenly sits up and he says...

248

00:21:24,450 --> 00:21:27,494

- How do we validate the threat?
- We can't.

249

00:21:27,495 --> 00:21:30,872

Captain? TSA says a full cross
check on the passenger manifest

250

00:21:30,873 --> 00:21:33,246

could take 25 to 30 minutes.

251

00:21:37,046 --> 00:21:39,672

We can divert the flight,
if this is for real.

252

00:21:39,673 --> 00:21:41,424

The nearest airport?

253

00:21:41,425 --> 00:21:43,426

Well, it's 95 minutes

back to Halifax,

254

00:21:43,427 --> 00:21:46,596

two hours to Iceland,

three to London.

255

00:21:46,597 --> 00:21:49,175

We're midway over the Atlantic.

256

00:21:56,273 --> 00:21:58,233

You Okay?

257

00:21:58,234 --> 00:22:02,029

It's this juice fast I'm on.

Gives me the shakes.

258

00:22:05,241 --> 00:22:06,863

It's your call, Bill.

259

00:22:07,910 --> 00:22:09,953

Do we have a situation?

260

00:22:14,041 --> 00:22:15,917

Can we review the footage?

261

00:22:15,918 --> 00:22:18,419

It's recorded directly
to the black box.

262

00:22:18,420 --> 00:22:21,005

But I can watch all the camera
feeds live from the galley?

263

00:22:21,006 --> 00:22:22,207

Yeah.

264

00:22:22,591 --> 00:22:23,925

Get back on the line with TSA.

265

00:22:23,926 --> 00:22:25,969

See if they can back trace
this account number.

266

00:22:25,970 --> 00:22:29,299

In the meantime, I'll need

the passenger manifest.

267

00:22:29,640 --> 00:22:30,921

I'll see if I can find him.

268

00:22:32,226 --> 00:22:35,520

But in 10 minutes, I'd like you
to switch off the network system.

269

00:22:35,521 --> 00:22:38,691

We don't want him checking to
see if a transfer's been made.

270

00:22:39,483 --> 00:22:41,310

Nancy, come with me.

271

00:22:53,122 --> 00:22:55,748

Two cameras in business,
six in coach.

272

00:22:55,749 --> 00:22:57,000

We're gonna need more eyes.

273

00:22:57,001 --> 00:22:58,293

I'll get another attendant.

274

00:22:58,294 --> 00:22:59,961

How well do you know the crew?

275

00:22:59,962 --> 00:23:01,835

Not very well.

276

00:23:08,679 --> 00:23:10,179

- Excuse me.

- Yeah?

277

00:23:10,180 --> 00:23:12,382

Will you come with me, please?

278

00:23:15,144 --> 00:23:16,516

Now?

279

00:23:18,439 --> 00:23:19,856

You want me to come right now?

280

00:23:26,488 --> 00:23:27,822

This is a bad idea.

281

00:23:27,823 --> 00:23:29,449

She was sitting beside
me when this started.

282

00:23:29,450 --> 00:23:32,201

The only two people I trust on
this airplane are you and her.

283

00:23:32,202 --> 00:23:34,746

Trust me with what?
What's going on?

284

00:23:36,457 --> 00:23:38,666

I text, you circle any
passenger with a phone

285

00:23:38,667 --> 00:23:40,793

or acting like they have a phone.

286

00:23:40,794 --> 00:23:42,795

I'm not sure I understand what
it is you want me to do...

287

00:23:42,796 --> 00:23:44,669

Please, just do as I ask.

288

00:24:24,171 --> 00:24:25,380

DAVID: (ON PA)

Ladies and gentlemen, looks like

289

00:24:25,381 --> 00:24:26,589

we've hit some
unexpected turbulence.

290

00:24:26,590 --> 00:24:29,634

Please return to your seats and
keep your seatbelts fastened

291

00:24:29,635 --> 00:24:31,835

until it's safe to move about
the cabin. Thank you.

292

00:25:01,875 --> 00:25:04,453

There. 9B.

293

00:25:06,422 --> 00:25:08,841

Seat 9B. David Norton.

294

00:25:33,282 --> 00:25:34,825

22C.

295

00:25:37,619 --> 00:25:39,617

Austin Reilly.

296

00:25:47,129 --> 00:25:48,330

(PHONE RINGING)

297

00:25:53,177 --> 00:25:54,469

2F.

298

00:25:55,137 --> 00:25:56,429

NANCY: Jason Cole.

299

00:25:59,683 --> 00:26:00,884

14C.

300

00:26:01,143 --> 00:26:03,311

NANCY: 14C, Charles Wheeler.

301

00:26:05,481 --> 00:26:07,024

13B.

302

00:26:08,650 --> 00:26:10,022

Fahim Nasir.

303

00:26:12,613 --> 00:26:13,696

5B.

304

00:26:13,697 --> 00:26:15,323

NANCY: 5B. Iris Marianne.

305

00:26:15,324 --> 00:26:16,741

(PHONE RINGING)

306

00:26:18,494 --> 00:26:20,321

You better answer it.

307

00:26:21,705 --> 00:26:22,952

Hello?

308

00:26:25,709 --> 00:26:27,286

Bill?

309

00:26:30,297 --> 00:26:31,999

Bill?

310

00:26:36,553 --> 00:26:37,887

- Who is this?

- This is Philip Marenick.

311

00:26:37,888 --> 00:26:40,890

I'm with TSA. I understand from
the captain you have a situation.

312

00:26:40,891 --> 00:26:42,183

I need to speak to my supervisor.

313

00:26:42,184 --> 00:26:44,352

Listen, I'm calling from
the DHS here in D.C.

314

00:26:44,353 --> 00:26:46,521

From here on out,
I am your supervisor.

315

00:26:46,522 --> 00:26:47,605

Now, Agent Marks, I need you...

316

00:26:47,606 --> 00:26:50,525

I'm going to run seat numbers by you.
I need red flags and priors.

317

00:26:50,526 --> 00:26:52,527

- That's a very serious request you put in.
- 20G.

318

00:26:52,528 --> 00:26:53,820

Agent Marks, I need you to take me

319

00:26:53,821 --> 00:26:55,029

through the events

from the beginning.

320

00:26:55,030 --> 00:26:56,989

And we're looking into tracing
the account number you gave us.

321

00:26:56,990 --> 00:26:58,074

20G again.

322

00:26:58,075 --> 00:27:00,516

And as you know, protocol
dictates in these situations...

323

00:27:00,953 --> 00:27:02,912

we corroborate everything with
the second officer on board.

324

00:27:02,913 --> 00:27:03,996

20G again.

325

00:27:03,997 --> 00:27:05,039

It's not him.

326

00:27:05,040 --> 00:27:07,709

It's not who? Look, I'd rather
not jump to any conclusions.

327

00:27:08,377 --> 00:27:10,545

Listen, Bill, I don't think
you're in a position to sort out

328

00:27:10,546 --> 00:27:12,373

who's a suspect or
not at this point.

329

00:27:16,176 --> 00:27:17,377

Agent Marks?

330

00:27:19,888 --> 00:27:21,089

Bill?

331

00:27:21,348 --> 00:27:23,975

Agent Marks, I need some sort
of acknowledgment from you.

332

00:27:23,976 --> 00:27:25,348

Bill?

333

00:27:26,061 --> 00:27:27,763

Agent Marks?

334

00:27:28,230 --> 00:27:29,438

Marks, you need to answer me.

335

00:27:29,439 --> 00:27:30,982

Hang on.

336

00:27:40,659 --> 00:27:42,243

Marks, are you there?

337

00:27:42,244 --> 00:27:43,991

Go back to your seat.

338

00:27:48,625 --> 00:27:50,001

You son-of-a-bitch!

339

00:27:50,002 --> 00:27:51,169

Keep your voice down.

340

00:27:51,170 --> 00:27:53,122

- Hand it over!

- What're you...

341

00:27:53,797 --> 00:27:56,591

Bill, look at me, okay?

I need this money.

342

00:27:56,592 --> 00:27:57,633

I can cut you in...

343

00:27:57,634 --> 00:27:59,093

- Give me the goddamn phone, Jack.

- Just listen to me.

344

00:27:59,094 --> 00:28:00,762

Give me the phone...

345

00:28:09,354 --> 00:28:11,189

Jack! You son-of-a-bitch.

346

00:28:11,190 --> 00:28:12,607

- Give it up, Marks.

- Stop it!

347

00:28:12,608 --> 00:28:14,060

- Give it up.

- Stop it.

348

00:28:18,197 --> 00:28:19,819

Damn it, Jack!

349

00:28:21,617 --> 00:28:23,660

Stop it. Stop it!

350

00:28:24,036 --> 00:28:25,704

Stop fighting!

351

00:28:33,170 --> 00:28:34,622

Jack!

352

00:28:51,563 --> 00:28:53,060

Don't do this, Jack.

353

00:28:54,733 --> 00:28:56,685

Stop it!

354

00:28:58,570 --> 00:28:59,737

Don't.

355

00:28:59,738 --> 00:29:00,863

Don't.

356

00:29:00,864 --> 00:29:02,862

Don't do this, Jack!

357

00:29:05,661 --> 00:29:06,987

Don't!

358

00:29:24,680 --> 00:29:27,303

(WATCH ALARM RINGING)

359

00:30:09,224 --> 00:30:10,425

(CELL PHONE DINGING)

360

00:30:26,825 --> 00:30:28,026

(CELL PHONE DINGING)

361

00:30:41,256 --> 00:30:42,457

(CELL PHONE DINGING)

362

00:30:59,733 --> 00:31:01,859

DAVID: Ladies and gentlemen,
this is your captain speaking.

363

00:31:01,860 --> 00:31:03,277

I apologize for the
inconvenience...

364

00:31:03,278 --> 00:31:04,612

Shit.

365

00:31:04,613 --> 00:31:06,280

But our network is
down for the moment.

366

00:31:06,281 --> 00:31:08,824

If you just bear with us, we'll
attempt to restart the Internet.

367

00:31:08,825 --> 00:31:10,451

- Turn the network back on.

- What?

368

00:31:10,452 --> 00:31:11,952

The network, turn it on.

369

00:31:11,953 --> 00:31:13,996

We'll keep you posted.

370

00:31:14,456 --> 00:31:15,657

(KNOCKS ON DOOR)

371

00:31:16,625 --> 00:31:18,452

I need the network system back on.

372

00:31:19,294 --> 00:31:21,121

Go ahead, Nance.

373

00:31:28,970 --> 00:31:31,844

The account number you gave us.

374

00:31:32,516 --> 00:31:34,263

It's in your name.

375

00:31:34,643 --> 00:31:36,018

What?

376

00:31:36,019 --> 00:31:37,516

TSA just confirmed it.

377

00:31:39,398 --> 00:31:41,145

That doesn't make any sense.

378

00:31:42,067 --> 00:31:43,859

You know me.

You know I'd never do...

379

00:31:43,860 --> 00:31:45,733

I know, I know.

380

00:31:46,321 --> 00:31:49,695

Look, the 20 minutes are up.

Has anything happened?

381

00:31:54,454 --> 00:31:56,122

No.

382

00:31:56,123 --> 00:31:57,832

It's probably just a hoax.

383

00:31:57,833 --> 00:32:02,209

Some elaborate middle finger
to the airline industry.

384

00:32:02,587 --> 00:32:04,839

Excuse me. Are you waiting?

385

00:32:04,840 --> 00:32:06,674

No. Go ahead.

386

00:32:06,675 --> 00:32:07,925

Agent...

387

00:32:07,926 --> 00:32:09,469

Hi, ma'am.

388

00:32:12,180 --> 00:32:14,348

Agent Marenick, who you spoke with,

389

00:32:14,349 --> 00:32:17,435

will continue to handle the
investigation from D.C.

390

00:32:17,436 --> 00:32:18,519

David...

391

00:32:18,520 --> 00:32:21,815

And they've asked me to take
your badge and your gun.

392

00:32:22,691 --> 00:32:24,859

- BILL: No.

- DAVID: Bill.

393

00:32:24,860 --> 00:32:26,232

- No.

- Bill...

394

00:32:27,446 --> 00:32:28,738

I don't have a choice here.

395

00:32:29,156 --> 00:32:30,778

I'm the air marshal.

396

00:32:30,782 --> 00:32:32,905

- Bill...

- Okay. Okay.

397

00:32:36,163 --> 00:32:38,706

Look, just sit back, relax,

398

00:32:38,707 --> 00:32:40,082

- and...

- Enjoy the flight.

399

00:32:40,083 --> 00:32:41,876

Enjoy the flight, yeah.

400

00:32:59,561 --> 00:33:01,395

Was it him? The guy in 20G?

401

00:33:01,396 --> 00:33:03,394

No, it was nothing.

402

00:33:03,482 --> 00:33:05,733

I dropped my stupid
phone in the sink.

403

00:33:05,734 --> 00:33:07,693

Oh, God, I do that all the time.

404

00:33:07,694 --> 00:33:10,029

I lost like five
phones in six months,

405

00:33:10,030 --> 00:33:12,281

and then I learned
this little trick.

406

00:33:12,282 --> 00:33:13,859

Here we go.

407

00:33:14,826 --> 00:33:17,529

So, should I be worried?

408

00:33:18,038 --> 00:33:19,455

No, not at all.

409

00:33:19,456 --> 00:33:21,784

It was a mistake to
involve you, I'm sorry.

410

00:33:21,875 --> 00:33:24,954

So, if it's not him, then
why do you have his phone?

411

00:33:26,004 --> 00:33:27,421

I have to be careful, even when

412

00:33:27,422 --> 00:33:28,756

there's nothing to
be concerned about.

413

00:33:28,757 --> 00:33:29,798

It's my job.

414

00:33:29,799 --> 00:33:33,424

As a passenger, don't I have the
right to know what's going on?

415

00:33:33,553 --> 00:33:36,263

- Listen... Jen, right?

- Yeah.

416

00:33:36,264 --> 00:33:38,808

It's an innocent prank.

Some kid with a cell phone.

417

00:33:39,100 --> 00:33:40,935

If it was on the ground,

I'd catch him

418

00:33:40,936 --> 00:33:42,728

in two seconds flat, but up here,

419

00:33:42,729 --> 00:33:45,105

traveling at 500 miles an hour,
I can't track his phone.

420

00:33:45,106 --> 00:33:46,190

There's nothing I can do.

421

00:33:46,191 --> 00:33:48,511

There's nothing you can do?
Aren't you an air marshal?

422

00:33:50,111 --> 00:33:51,403

Ma'am, please return to your seat.

423

00:33:51,404 --> 00:33:52,981

Did you just call me "ma'am"?

424

00:33:53,865 --> 00:33:55,449

Please return to your seat.

425

00:33:55,450 --> 00:33:56,992

Seriously? Did you call me "ma'am"?

426

00:33:56,993 --> 00:33:58,536

Now.

427

00:33:58,703 --> 00:34:00,530

Okay, Bill.

428

00:34:01,039 --> 00:34:02,373

I'm going.

429

00:34:02,374 --> 00:34:04,167

- Thank you.

- Ugh.

430

00:35:26,207 --> 00:35:27,875

Agent Hammond?

431

00:35:27,876 --> 00:35:29,578

Just a moment.

432

00:35:50,565 --> 00:35:52,312

Nancy.

433

00:35:53,485 --> 00:35:56,403

Sorry. The indicator
must be broken.

434

00:35:56,404 --> 00:35:58,447

I was looking for Agent Hammond.

435

00:35:59,783 --> 00:36:01,235

What's wrong?

436

00:36:13,213 --> 00:36:15,211

Nancy, wait. Wait!

437

00:36:16,716 --> 00:36:18,634

Nancy, please.

438

00:36:19,260 --> 00:36:20,302

Calm down, calm down.

439

00:36:20,303 --> 00:36:21,762

Calm down.

440

00:36:21,763 --> 00:36:24,057

Please, I can explain this.

441

00:36:24,391 --> 00:36:25,808

Okay?

442

00:36:29,771 --> 00:36:31,598

This is a setup.

443

00:36:32,649 --> 00:36:34,149

The captain just told

me that the account

444

00:36:34,150 --> 00:36:36,610

they want the money

wired to is in my name.

445

00:36:36,611 --> 00:36:39,564

Do you think I would

extort \$150 million

446

00:36:39,781 --> 00:36:42,484

using an account in my own name?

447

00:36:42,492 --> 00:36:45,320

He was transporting cocaine, Nancy.

448

00:36:45,829 --> 00:36:48,539

Whoever we're looking

for knew that.

449

00:36:48,540 --> 00:36:51,493

He threatened Hammond,

made him paranoid.

450

00:36:52,127 --> 00:36:54,830

I found out, and Hammond

tried to kill me.

451

00:36:55,422 --> 00:36:58,924

The person who's doing this,

he wants it to look like this.

452

00:36:58,925 --> 00:37:02,675

Like two federal agents are

the ones doing this, not him.

453

00:37:03,930 --> 00:37:07,350

Jack pulled a gun on me.

I had no choice.

454

00:37:10,103 --> 00:37:11,520

Nancy?

455

00:37:12,355 --> 00:37:14,853

I had no choice.

456

00:37:16,985 --> 00:37:18,528

You know me.

457

00:37:19,946 --> 00:37:23,025

You know I could never

do something like this.

458

00:37:24,492 --> 00:37:25,818

Look at me.

459

00:37:32,500 --> 00:37:34,327

I need you to believe me.

460

00:37:37,172 --> 00:37:38,874

I believe you.

461

00:37:42,135 --> 00:37:45,384

In 13 minutes, someone else will
die, unless I find him first.

462

00:37:47,432 --> 00:37:49,384

I need you to help me.

463

00:37:54,022 --> 00:37:56,690

BILL: (ON PA) Ladies and gentlemen,
may I have your attention, please?

464

00:37:56,691 --> 00:37:58,525

My name is Bill Marks.

465

00:37:58,526 --> 00:38:01,361

I'm the federal air marshal
assigned to this flight.

466

00:38:01,362 --> 00:38:03,655

I apologize for the disturbance.

467

00:38:03,656 --> 00:38:05,991

The TSA has recently
instituted a policy

468

00:38:05,992 --> 00:38:08,535

of random searches aboard
international flights.

469

00:38:08,536 --> 00:38:12,539

Unfortunately, this is one of
three lucky flights this month.

470

00:38:12,540 --> 00:38:14,374

I'm gonna be coming
through the cabin.

471

00:38:14,375 --> 00:38:16,293

If I call your name
and seat number,

472

00:38:16,294 --> 00:38:18,337

please stand up and
move into the aisle.

473

00:38:21,174 --> 00:38:24,343

If you're in possession of an
illegal substance, item or weapon,

474

00:38:24,344 --> 00:38:25,719

it's best to just step forward now.

475

00:38:25,720 --> 00:38:28,514

Captain, you might
want to hear this.

476

00:38:28,515 --> 00:38:31,892

BILL: I need everybody to place both
hands on the seat in front of you.

477

00:38:31,893 --> 00:38:34,187

What the hell is he doing?

478

00:38:34,729 --> 00:38:36,146

Right now!

479

00:38:36,147 --> 00:38:39,772

Contact TSA, tell them we
have a possible hijacking.

480

00:38:40,568 --> 00:38:44,113

- Nancy, what's going on?
- It's just a random search.

481

00:38:46,574 --> 00:38:48,151

Thank you.

482

00:38:48,451 --> 00:38:49,576

Excuse me.

483

00:38:49,577 --> 00:38:51,450

Jennifer Summers?

484

00:38:52,330 --> 00:38:54,414

Should I have told you

about the bomb in my bag?

485

00:38:54,415 --> 00:38:57,494

Let's not use that word

on a plane, please.

486

00:38:57,919 --> 00:39:00,712

When I move on to the main

cabin, you watch business class.

487

00:39:00,713 --> 00:39:02,214

If you see anything suspicious,

488

00:39:02,215 --> 00:39:03,674

anything at all, get my attention.

489

00:39:03,675 --> 00:39:05,217

- Scream, if you have to.

- Okay.

490

00:39:05,218 --> 00:39:07,219

American paranoia.

491

00:39:07,220 --> 00:39:10,390

Iris Marianne, 5B.

Stand up, please.

492

00:39:12,892 --> 00:39:16,141

Is that how older men

pick up younger women?

493

00:39:16,688 --> 00:39:18,438

Fondle first, talk later?

494

00:39:18,439 --> 00:39:19,982

Phone.

495

00:39:20,525 --> 00:39:22,819

Why don't you enter your number?

496

00:39:24,237 --> 00:39:26,117

- You're a little young for me.

- (GIGGLES)

497

00:39:36,791 --> 00:39:38,792

Who does this guy think he is?

498

00:39:38,793 --> 00:39:41,337

WOMAN:

It's all right. Just calm down!

499

00:39:42,130 --> 00:39:43,755

- Just married?

- Yesterday.

500

00:39:43,756 --> 00:39:45,632

- Congratulations.

- Thank you.

501

00:39:45,633 --> 00:39:46,967

Sit down.

502

00:39:46,968 --> 00:39:49,094

It's nothing to worry about.

Happens all the time.

503

00:39:49,095 --> 00:39:51,054

- 13B, Fahim Nasir.

- Bullshit.

504

00:39:51,055 --> 00:39:53,178

- Stand.

- Thank you, sir.

505

00:40:00,064 --> 00:40:01,315

Feeling okay?

506

00:40:01,316 --> 00:40:03,317

Flying is not my cup of tea.

507

00:40:03,318 --> 00:40:04,568

Tell me about it.

508

00:40:04,569 --> 00:40:06,445

- You're a doctor.

- How do you know?

509

00:40:06,446 --> 00:40:08,572

Your bag. Can you

fetch it up, please?

510

00:40:08,573 --> 00:40:10,867

Sure. It's right down here.

511

00:40:16,956 --> 00:40:18,332

What kind of doctor?

512

00:40:18,333 --> 00:40:19,666

Molecular neuroscience.

513

00:40:19,667 --> 00:40:21,710

Sounds interesting.

514

00:40:22,003 --> 00:40:24,421

Hey, look, man, some of us
need to get some sleep.

515

00:40:24,422 --> 00:40:26,624

Sir, sit down. Be quiet.

516

00:40:27,175 --> 00:40:30,049

14C, Charles Wheeler? Stand.

517

00:40:32,847 --> 00:40:35,175

There was nothing in his bag?

518

00:40:37,352 --> 00:40:38,894

What's the purpose of your trip?

519

00:40:38,895 --> 00:40:41,438

I have a client in Brighton.

I'm a bankruptcy attorney.

520

00:40:41,439 --> 00:40:43,482

Yeah? You any good?

521

00:40:43,691 --> 00:40:46,777

- Why? Oh, you need one?

- Sit down.

522

00:40:46,778 --> 00:40:51,404

Sir, you need to keep your hands on
the seat in front of you. Thank you.

523

00:40:52,825 --> 00:40:54,527

MAN: This sucks.

524

00:41:00,124 --> 00:41:01,708

This is crazy. Are we next?

525

00:41:01,709 --> 00:41:03,210

Just relax.

526

00:41:03,211 --> 00:41:07,416

Okay, 22C. Austin Reilly. Stand.

527

00:41:09,217 --> 00:41:11,218

Hey, look. Can we move this along?

Seriously, man.

528

00:41:11,219 --> 00:41:13,262

I'm not gonna tell you again.

529

00:41:14,514 --> 00:41:16,807

Mr. Reilly, what do

you do for a living?

530

00:41:16,808 --> 00:41:18,555

NYPD.

531

00:41:18,726 --> 00:41:20,644

London your final destination?

532

00:41:20,645 --> 00:41:23,730

My fairy brother's getting married
to a guy with a British accent.

533

00:41:23,731 --> 00:41:25,774

Mind if I take a
look at your phone?

534

00:41:26,401 --> 00:41:28,820

MAN: Come on, man. Are you serious?

535

00:41:30,321 --> 00:41:33,115

This is some Big Brother-type shit.

536

00:41:33,866 --> 00:41:35,613

Take your seat.

537

00:41:36,077 --> 00:41:39,079

You, step into the aisle.

Come on, up!

538

00:41:39,080 --> 00:41:40,414

Up! Right now!

539

00:41:40,415 --> 00:41:42,082

Nah, man, I'm good.

540

00:41:42,083 --> 00:41:44,376

I'm not asking. Shades off.

541

00:41:44,377 --> 00:41:45,836

Come on. What is it,

like 2:00 a.m.?

542

00:41:45,837 --> 00:41:47,879

Why don't you go back up there
so I can go back to sleep, man?

543

00:41:47,880 --> 00:41:50,007

- Shades.

- No, dude!

544

00:41:50,008 --> 00:41:52,631

Come on, man! Yo, chill!

545

00:41:54,721 --> 00:41:56,430

Let me see your phone.

546

00:41:56,431 --> 00:41:58,178

I don't have a phone, man.

547

00:41:59,392 --> 00:42:00,517

WOMAN: Jesus.

548

00:42:00,518 --> 00:42:01,977

This isn't yours?

549

00:42:01,978 --> 00:42:03,437

Man, I ain't never

seen that before.

550

00:42:03,438 --> 00:42:06,642

Looks a hell of a lot like the
one you were using at the gate.

551

00:42:17,744 --> 00:42:18,945

MAN: This is ridiculous.

552

00:42:18,953 --> 00:42:20,450

Sit down.

553

00:42:21,956 --> 00:42:23,408

Gladly.

554

00:42:23,624 --> 00:42:24,825

(CELL PHONE DINGING)

555

00:42:49,901 --> 00:42:51,651

What happened to Amsterdam?

556

00:42:51,652 --> 00:42:53,320

I'm connecting to London.

557

00:42:53,321 --> 00:42:56,948

Show me your boarding pass.

What's your name?

558

00:42:56,949 --> 00:42:59,201

Tom Bowen. Why?

559

00:42:59,202 --> 00:43:00,952

Man, take it easy.

560

00:43:00,953 --> 00:43:02,329

Move!

561

00:43:02,330 --> 00:43:04,498

I didn't do anything!

562

00:43:05,666 --> 00:43:07,000

Look, I have rights!

563

00:43:07,001 --> 00:43:08,794

- Come here.

- (PHONE RINGING)

564

00:43:10,713 --> 00:43:12,422

- Marenick?

- Marks, what the hell is going on there?

565

00:43:12,423 --> 00:43:13,507

Listen to me. The threat is real.

566

00:43:13,508 --> 00:43:15,675

I want you to stop doing whatever
you're doing immediately.

567

00:43:15,676 --> 00:43:18,845

I have a suspect in custody.

I need a background check.

568

00:43:18,846 --> 00:43:21,848

Seat 24E, Tom Bowen, B-O-W-E-N.

569

00:43:21,849 --> 00:43:24,976

You have unlawfully subdued
innocent passengers, Marks.

570

00:43:24,977 --> 00:43:26,019

I don't have time for this.

571

00:43:26,020 --> 00:43:28,313

You called your supervisor before
the flight and threatened him.

572

00:43:28,314 --> 00:43:30,023

- What?

- He wouldn't book you an overtime flight

573

00:43:30,024 --> 00:43:31,483

and you said you'd do
what you had to do.

574

00:43:31,484 --> 00:43:33,276

- I didn't threaten anyone.

- Is that right? Marks?

575

00:43:33,277 --> 00:43:36,363

I need to run a full check
on Tom Bowen, seat 24E.

576

00:43:36,364 --> 00:43:38,490

- Marks, damn you!

- Now! You're wasting time.

577

00:43:38,491 --> 00:43:41,034

Marks... Agent Marks, you are hereby
relieved of duty. Do you hear me?

578

00:43:41,035 --> 00:43:44,871

In three minutes, someone on this
plane is gonna die. Do you hear me?

579

00:43:44,872 --> 00:43:48,458

Bowen is clean, Bill. He's a
schoolteacher, for Christ's sake.

580

00:43:48,459 --> 00:43:50,661

He has family in London.

581

00:43:51,045 --> 00:43:54,875

Everyone on that flight is clean.
Everyone except you.

582

00:43:56,300 --> 00:43:57,672

Marks?

583

00:43:59,846 --> 00:44:01,798

You said Amsterdam.

584

00:44:02,140 --> 00:44:03,849

I never asked you
where you were going.

585

00:44:03,850 --> 00:44:05,475

You volunteered that information.

586

00:44:05,476 --> 00:44:07,185

Why would you lie
to a federal agent?

587

00:44:07,186 --> 00:44:09,229

Look, I didn't know you
were a federal agent.

588

00:44:09,230 --> 00:44:11,523

Why would you lie to a stranger?

589

00:44:11,524 --> 00:44:15,729

You can answer questions now, or
in federal custody when we land.

590

00:44:16,070 --> 00:44:17,195

Look. Okay, Jesus.

591

00:44:17,196 --> 00:44:19,531

He said he'd give me \$100 if I asked
you where you were flying. Okay?

592

00:44:19,532 --> 00:44:21,032

I don't know why I said Amsterdam.

593

00:44:21,033 --> 00:44:22,868

I swear to God, I didn't know
you were a federal marshal.

594

00:44:22,869 --> 00:44:24,411

- Bullshit!

- I swear to God!

595

00:44:24,412 --> 00:44:27,205

He said he wanted to play a prank
on his friend. Will, right?

596

00:44:27,206 --> 00:44:28,790

Bill.

597

00:44:28,791 --> 00:44:30,375

Bill. Whatever, man.

I did it for 100 bucks.

598

00:44:30,376 --> 00:44:32,419

- Who was he?

- I don't know!

599

00:44:32,420 --> 00:44:33,503

What does he look like?

600

00:44:33,504 --> 00:44:37,757

He was white with brown hair, a European
accent, like 30, 35 years old...

601

00:44:37,758 --> 00:44:39,926

- Is he on this plane?

- I don't know, I didn't see him.

602

00:44:39,927 --> 00:44:42,012

When I went back, he didn't
pay me, he was already gone.

603

00:44:42,013 --> 00:44:43,847

- You'd know him if you saw him?

- I don't know!

604

00:44:43,848 --> 00:44:47,058

I never saw him get on
the plane, man, I swear!

605

00:44:47,059 --> 00:44:48,977

Humor me. Look!

606

00:44:51,105 --> 00:44:53,064

God damn it!

607

00:44:53,065 --> 00:44:54,767

Come on, look.

608

00:44:55,610 --> 00:44:57,235

I don't see him.

609

00:44:57,236 --> 00:44:58,608

Look.

610

00:45:01,949 --> 00:45:05,119

- Come on, look!

- God damn it! I don't see him!

611

00:45:06,954 --> 00:45:08,288

- Right there.

- Where?

612

00:45:08,289 --> 00:45:10,207

Right there. The glasses.

613

00:45:10,208 --> 00:45:11,910

Come on, move.

614

00:45:15,046 --> 00:45:16,463

MAN: This is crazy.

615

00:45:16,464 --> 00:45:19,008

You! You. Look at me.

616

00:45:19,467 --> 00:45:22,135

Look at me! What's your name?

617

00:45:22,136 --> 00:45:23,762

Michael. Michael Tate.

618

00:45:23,763 --> 00:45:25,597

- Well?

- It's not him.

619

00:45:25,598 --> 00:45:28,642

- You're sure?

- Yeah, God damn it, I'm sure!

620

00:45:29,060 --> 00:45:30,477

Look, if I'd seen him

get on the plane,

621

00:45:30,478 --> 00:45:32,812

I would've gone and
asked him for my money.

622

00:45:32,813 --> 00:45:34,606

What's going on?

623

00:45:34,607 --> 00:45:36,980

Nancy, watch business class.

624

00:45:44,575 --> 00:45:46,197

Turn around.

625

00:45:47,828 --> 00:45:49,951

- Are you serious?

- Don't talk.

626

00:45:52,166 --> 00:45:53,792

Now, sit down.

627

00:45:53,793 --> 00:45:55,370

Don't move.

628

00:46:25,491 --> 00:46:26,692

(CELL PHONE DINGING)

629

00:46:40,381 --> 00:46:41,548

Oh, God.

630

00:46:41,549 --> 00:46:42,921

Nancy!

631

00:46:58,524 --> 00:47:01,022

ATTENDANT:

Everybody remain in your seats.

632

00:47:01,527 --> 00:47:04,571

Ladies and gentlemen,
please remain in your seats

633

00:47:04,572 --> 00:47:06,240

and keep your seatbelts fastened.

634

00:47:13,914 --> 00:47:16,249

Ladies and gentlemen,
please remain in your seats

635

00:47:16,250 --> 00:47:18,873

and keep your seatbelts fastened.

636

00:47:21,213 --> 00:47:22,964

Nancy, are you okay?

637

00:47:22,965 --> 00:47:24,633

- Yeah.

- You sure?

638

00:47:24,717 --> 00:47:25,842

What's happened?

639

00:47:25,843 --> 00:47:28,637

(WATCH ALARM RINGING)

640

00:47:34,727 --> 00:47:38,229

He started having chest pains, then
he just collapsed over the yoke!

641

00:47:38,230 --> 00:47:39,807

- Come on, come on!

- Wake up!

642

00:47:40,941 --> 00:47:42,275

- ATTENDANT: Sit down!

- MAN: What the hell was that?

643

00:47:42,276 --> 00:47:44,027

Everything's under control.

644

00:47:44,028 --> 00:47:45,862

Excuse me. Excuse me.

645

00:47:45,863 --> 00:47:47,280

Is the captain okay?

646

00:47:47,948 --> 00:47:49,199

- Dr. Nasir?

- I didn't do anything, I...

647

00:47:49,200 --> 00:47:51,034

Come with me, now.

648

00:47:51,035 --> 00:47:55,080

Marshal! Is someone gonna tell
us what the hell is going on?

649

00:47:55,081 --> 00:47:56,122

I need your help.

650

00:47:56,123 --> 00:47:57,666

Hey! People are scared!

651

00:47:58,125 --> 00:48:00,210

We have a right to know
why you searched us.

652

00:48:00,211 --> 00:48:02,962

Why this plane almost went down!

653

00:48:02,963 --> 00:48:05,215

Hey, Marshal, you and I are
gonna have a conversation.

654

00:48:05,216 --> 00:48:07,967

Don't you walk away from me.

655

00:48:07,968 --> 00:48:09,302

Doctor, cockpit, now!

656

00:48:09,303 --> 00:48:10,804

You're letting that
guy in the cockpit?

657

00:48:10,805 --> 00:48:12,889

Here's what's gonna happen. You're
gonna get back to your seat,

658

00:48:12,890 --> 00:48:15,975

you're gonna sit down, and
you're gonna shut up.

659

00:48:15,976 --> 00:48:17,018

Or what?

660

00:48:17,019 --> 00:48:18,436

From one cop to another,

661

00:48:19,313 --> 00:48:21,015

you know.

662

00:48:33,744 --> 00:48:36,163

There was nothing I could do.

663

00:49:07,528 --> 00:49:11,198

Excuse me, miss? You were sitting
next to that guy, the marshal?

664

00:49:11,532 --> 00:49:13,734

You know what's happening?

665

00:49:14,034 --> 00:49:15,736

I have no idea.

666

00:49:18,664 --> 00:49:20,537

DR. NASIR:

There's no evidence of assault.

667

00:49:21,041 --> 00:49:24,544

It could be poison.

Induced anaphylaxis.

668

00:49:24,545 --> 00:49:26,296

- What?

- Allergic reaction.

669

00:49:26,297 --> 00:49:28,545

Without an autopsy, I...

670

00:49:30,551 --> 00:49:31,634

Yeah.

671

00:49:31,635 --> 00:49:32,886

Doctor, would you mind seeing

672

00:49:32,887 --> 00:49:36,681

if any of the passengers in
coach need medical assistance?

673

00:49:36,682 --> 00:49:37,883

This...

674

00:49:38,559 --> 00:49:41,353

This stays between us. Please.

675

00:49:44,231 --> 00:49:46,183

Nancy, go with him.

676

00:50:07,087 --> 00:50:08,588

Kyle.

677

00:50:08,589 --> 00:50:12,544

Kyle, did the captain leave the
cockpit since I last spoke with him?

678

00:50:14,929 --> 00:50:16,930

- You?

- No.

679

00:50:16,931 --> 00:50:18,389

Did anyone else enter?

680

00:50:18,390 --> 00:50:19,933

No.

681

00:50:20,726 --> 00:50:24,103

Has he had anything
to eat or drink?

682

00:50:24,104 --> 00:50:25,521

I don't think so.

683

00:50:26,065 --> 00:50:28,733

Have you or the captain had any
reason to unlock this door?

684

00:50:28,734 --> 00:50:29,776

Of course not.

685

00:50:29,777 --> 00:50:31,402

So you and he were both alone here,

686

00:50:31,403 --> 00:50:33,323

on the flight deck, for
the past 20 minutes?

687

00:50:33,948 --> 00:50:35,114

You bastard.

688

00:50:35,115 --> 00:50:36,199

Don't get emotional.

689

00:50:36,200 --> 00:50:37,992

I'm getting emotional? Look at you!

690

00:50:37,993 --> 00:50:39,452

Rice, if you have a
problem with me...

691

00:50:39,453 --> 00:50:41,120

I have a problem with my
friend dying next to me.

692

00:50:41,121 --> 00:50:42,830

I have a problem with being accused

693

00:50:42,831 --> 00:50:44,499

of not only murder,
but also hijacking.

694

00:50:44,500 --> 00:50:45,917

I didn't accuse you of hijacking.

695

00:50:45,918 --> 00:50:49,254

Christ, I've heard about you.

About your problems with money.

696

00:50:49,255 --> 00:50:51,089

With drinking. TSA.

697

00:50:51,090 --> 00:50:53,800

They gave a paranoid

alcoholic a gun and a badge

698

00:50:53,801 --> 00:50:55,468

and they put him on my plane.

699

00:50:55,469 --> 00:50:57,171

Brilliant.

700

00:50:57,263 --> 00:50:58,972

You're gonna hit me?

701

00:50:58,973 --> 00:51:01,471

Don't tell... Hey! Hey!

What are you doing?

702

00:51:05,896 --> 00:51:10,192

This door stays locked until
this plane lands safely. Okay?

703

00:51:16,991 --> 00:51:19,284

- Marenick...

- Marks, God damn it, I thought I told you...

704

00:51:19,285 --> 00:51:21,286

The captain's dead.

705

00:51:21,287 --> 00:51:22,495

Excuse me?

706

00:51:22,496 --> 00:51:25,707

The cockpit was secured,
locked from the inside.

707

00:51:25,708 --> 00:51:28,167

Let me guess, were
you inside, Bill?

708

00:51:28,168 --> 00:51:30,628

The co-pilot said the man
just collapsed beside him.

709

00:51:30,629 --> 00:51:34,465

It could be induced anaphylaxis,
I think it's called.

710

00:51:34,466 --> 00:51:36,509

Induced... What are
you talking about?

711

00:51:36,510 --> 00:51:38,838

Poisoning, I don't know how.

712

00:51:39,430 --> 00:51:43,182

It was just he and the co-pilot,
and the co-pilot, I trust.

713

00:51:43,183 --> 00:51:44,267

For now.

714

00:51:44,268 --> 00:51:46,561

"For now"? I don't
know about this, Bill.

715

00:51:46,562 --> 00:51:48,646

Marenick, you need to
transfer the money.

716

00:51:48,647 --> 00:51:49,772

Where is Agent Hammond?

717

00:51:49,773 --> 00:51:51,973

I need to corroborate
everything you're telling us.

718

00:51:52,318 --> 00:51:53,526

Hammond's dead.

719

00:51:53,527 --> 00:51:54,652

What?

720

00:51:54,653 --> 00:51:56,529

- He had cocaine in his carry-on.

- Jesus Christ!

721

00:51:56,530 --> 00:51:57,905

I confronted him, he pulled a gun.

722

00:51:57,906 --> 00:52:01,159

- Are you serious?

- Marenick. Transfer the money.

723

00:52:01,160 --> 00:52:02,452

Buy me time. I'll find him.

724

00:52:02,453 --> 00:52:03,661

Transfer the money.

725

00:52:03,662 --> 00:52:06,205

\$150 million into your account?

726

00:52:06,206 --> 00:52:08,625

Is that something you're
seriously asking me to do, Bill?

727

00:52:08,626 --> 00:52:11,711

The moment we land, arrest me,
freeze the funds. Just transfer it.

728

00:52:11,712 --> 00:52:13,171

I can't do that, Bill.

729

00:52:13,172 --> 00:52:14,672

The airline believes
paying the demand

730

00:52:14,673 --> 00:52:16,591

will set a dangerous and
irreversible precedent.

731

00:52:16,592 --> 00:52:18,801

Christ, there are 150

people on this plane.

732

00:52:18,802 --> 00:52:20,803

Which makes me wonder why you
haven't cut the network.

733

00:52:20,804 --> 00:52:23,181

You have 150 people panicking,

734

00:52:23,182 --> 00:52:26,684

contacting their families, while we're
trying to handle the situation.

735

00:52:26,685 --> 00:52:28,269

You attribute all
this to a passenger,

736

00:52:28,270 --> 00:52:31,189

but you can give me no
proof he actually exists.

737

00:52:31,190 --> 00:52:33,191

I won't cut the network. I need

to communicate with this guy.

738

00:52:33,192 --> 00:52:35,568

Then, Agent Marks, I can't
continue talking to you.

739

00:52:35,569 --> 00:52:36,653

What does that mean?

740

00:52:36,654 --> 00:52:39,949

It means we will not
negotiate with a terrorist.

741

00:52:44,244 --> 00:52:45,445

Nancy.

742

00:52:47,414 --> 00:52:49,457

Who else in the crew has
access to the cockpit?

743

00:52:50,292 --> 00:52:51,709

Just me.

744

00:52:55,381 --> 00:52:58,551

Would you like to see
my phone, Agent Marks?

745

00:53:23,826 --> 00:53:25,326

Is your interview in the morning?

746

00:53:25,327 --> 00:53:26,953

Yeah. If we ever make it there.

747

00:53:26,954 --> 00:53:28,454

Yeah, if we ever land, right?

748

00:53:28,455 --> 00:53:29,956

Exactly. But it shouldn't...

749

00:53:29,957 --> 00:53:31,374

I'm sorry. I'll get up.

750

00:53:31,375 --> 00:53:33,751

No. Please, don't worry about it.

Zack, this is Bill.

751

00:53:33,752 --> 00:53:34,877

Bill, Zack.

752

00:53:34,878 --> 00:53:37,171

We were just talking and

Zack was telling me

753

00:53:37,172 --> 00:53:39,545

that he's a programmer

for smart phones.

754

00:53:39,883 --> 00:53:41,084

Is that right?

755

00:53:41,844 --> 00:53:43,928

Yeah. I'm interviewing

at Paige in the morning

756

00:53:43,929 --> 00:53:45,930

for a software analytics position.

757

00:53:45,931 --> 00:53:48,516

Which, technically, isn't
programming. But...

758

00:53:48,517 --> 00:53:50,309

Look, I'm sorry for being
such an asshole earlier...

759

00:53:50,310 --> 00:53:52,603

Yeah, but you were a
programmer, right?

760

00:53:52,604 --> 00:53:55,523

I was telling him that I
keep losing my phone,

761

00:53:55,524 --> 00:53:56,649

and because I keep my ringer off...

762

00:53:56,650 --> 00:53:59,023

It'd be nice if there
was a way to find it.

763

00:53:59,153 --> 00:54:01,863

Yeah, but apparently, it's
pretty simple, right?

764

00:54:01,864 --> 00:54:03,990

- I didn't say it was simple...
- GPS?

765

00:54:03,991 --> 00:54:05,408

Carrier signal triangulation?

766

00:54:05,409 --> 00:54:06,868

No.

767

00:54:06,869 --> 00:54:10,037

Basically, you just send an intrusion
virus attached to a picture text

768

00:54:10,038 --> 00:54:12,457

that switches the phone
from silent to ring.

769

00:54:12,458 --> 00:54:15,168

Most phones load images
automatically, so if you...

770

00:54:15,169 --> 00:54:17,795

What if there's no
cell phone coverage?

771

00:54:17,796 --> 00:54:20,339

If it's two phones on
a smaller network?

772

00:54:20,340 --> 00:54:22,675

It's the same protocol.
Even over Wi-Fi.

773

00:54:22,676 --> 00:54:25,174

How fast could you do
something like that?

774

00:54:25,763 --> 00:54:26,846

What, like right now?

775

00:54:26,847 --> 00:54:27,930

Yes.

776

00:54:27,931 --> 00:54:29,432

There are variables.

777

00:54:29,433 --> 00:54:30,558

The phone and the network.

778

00:54:30,559 --> 00:54:32,560

If the other phone is
even turned on or not.

779

00:54:32,561 --> 00:54:35,313

It's on. But the target
number is anonymous.

780

00:54:35,314 --> 00:54:38,108

You have to send it
from this phone.

781

00:54:41,612 --> 00:54:43,155

Jesus.

782

00:54:44,740 --> 00:54:46,157

Marshal, I don't know about this.

783

00:54:46,158 --> 00:54:47,325

Can you do it?

784

00:54:47,326 --> 00:54:50,119

This dude is talking about killing people.

Can he see us right now?

785

00:54:50,120 --> 00:54:51,321

I'm here.

786

00:54:52,080 --> 00:54:54,582

I guess I can give it a shot.

But I can't guarantee...

787

00:54:54,583 --> 00:54:55,917

How fast?

788

00:54:55,918 --> 00:54:57,495

Thirty minutes?

789

00:54:58,086 --> 00:54:59,287

Twenty?

790

00:55:00,297 --> 00:55:02,340

We have less than eight minutes.

791

00:55:02,674 --> 00:55:05,753

You can do it. That's why
they want to hire you, right?

792

00:55:06,220 --> 00:55:07,797

Eight minutes.

793

00:55:08,472 --> 00:55:09,673

Okay.

794

00:55:11,099 --> 00:55:12,642

Tell me when it's ready.

795

00:55:13,018 --> 00:55:14,219

Thanks, ma'am.

796

00:55:22,820 --> 00:55:24,363

Hey, hey.

797

00:55:24,822 --> 00:55:26,489

What did you see up there?

798

00:55:26,490 --> 00:55:28,783

I'm really not at liberty to say.

799

00:55:28,784 --> 00:55:31,533

What, are you like a
doctor or something?

800

00:55:35,582 --> 00:55:37,208

What the hell?

801

00:55:37,209 --> 00:55:40,461

BILL: Ladies and gentlemen,
if I can have your attention.

802

00:55:40,462 --> 00:55:42,881

The business cabin is now closed.

803

00:55:43,507 --> 00:55:47,844

I repeat, the business cabin
is now closed to everyone.

804

00:55:47,845 --> 00:55:49,929

Flight attendants, if
you could do your best,

805

00:55:49,930 --> 00:55:52,014

please, to accommodate
all passengers.

806

00:55:52,015 --> 00:55:53,387

Thank you.

807

00:55:59,273 --> 00:56:00,356

(ALL SHOUTING)

808

00:56:00,357 --> 00:56:02,066

MAN:

I have a family, for Christ's sake!

809

00:56:02,067 --> 00:56:04,068

We have a situation.

810

00:56:04,069 --> 00:56:06,320

Hey, man, you gonna tell us what
the hell is going on or not?

811

00:56:06,321 --> 00:56:08,489

Is the captain all right or not?

812

00:56:08,490 --> 00:56:13,077

The... The situation
is quite complicated.

813

00:56:13,078 --> 00:56:14,328

Complicated? Come on!

814

00:56:14,329 --> 00:56:15,663

But I can assure you...

815

00:56:15,664 --> 00:56:16,914

This is bullshit!

816

00:56:16,915 --> 00:56:18,082

Everything's in hand!

817

00:56:18,083 --> 00:56:19,458

Everything is under control!

818

00:56:19,459 --> 00:56:21,419

Everyone, calm down!

819

00:56:21,420 --> 00:56:22,879

I want to see the captain.

820

00:56:22,880 --> 00:56:24,832

I'm gonna head up there myself.

821

00:56:26,550 --> 00:56:27,800

That's it. Move aside, Marshal.

822

00:56:27,801 --> 00:56:29,218

Wait, wait. Free travel.

823

00:56:29,678 --> 00:56:31,470

Free flights!

824

00:56:31,471 --> 00:56:32,847

Free travel.

825

00:56:32,848 --> 00:56:35,308

The airline company will guarantee

826

00:56:35,309 --> 00:56:37,685

one year's international

free travel.

827

00:56:37,686 --> 00:56:41,898

If you sit down, remain

quiet, and do what I say.

828

00:56:41,899 --> 00:56:44,443

Free international travel.

829

00:56:44,902 --> 00:56:46,149

Thank you.

830

00:56:46,320 --> 00:56:47,778

Twelve months.

831

00:56:47,779 --> 00:56:48,980

Free.

832

00:56:49,031 --> 00:56:50,281

Guaranteed.

833

00:56:50,282 --> 00:56:52,905

One year. Free travel. Thank you.

834

00:56:55,746 --> 00:56:56,913

Kyle, it's Bill.

835

00:56:56,914 --> 00:56:58,286

Why are we turning?

836

00:56:58,999 --> 00:57:01,208

I've been instructed not to

communicate with you, Marks.

837

00:57:01,209 --> 00:57:04,458

Did they tell you to cut
the network? Listen to me.

838

00:57:05,380 --> 00:57:08,549

The men who issued those
instructions are not on this plane.

839

00:57:08,550 --> 00:57:12,845

This is your plane. These
are your passengers. Rice!

840

00:57:12,846 --> 00:57:13,888

Kyle!

841

00:57:13,889 --> 00:57:17,059

We've been diverted north.
55 minutes.

842

00:57:17,601 --> 00:57:19,018

Did they tell you

to cut the network?

843

00:57:19,019 --> 00:57:20,562

I have orders, Marks.

844

00:57:20,938 --> 00:57:23,356

Give me five minutes. Five minutes.

845

00:57:23,357 --> 00:57:24,857

Land the plane wherever you want,

846

00:57:24,858 --> 00:57:26,317

but do not switch that network off.

847

00:57:26,318 --> 00:57:29,987

Do you hear me? I have a plan.

I can find this guy.

848

00:57:29,988 --> 00:57:31,610

Five minutes.

849

00:57:39,581 --> 00:57:41,916

I hope we can trust this guy.

850

00:57:41,917 --> 00:57:43,167

I trust him.

851

00:57:43,168 --> 00:57:47,339

Yeah, well, I'd rather not end
up an accessory to a hijacking.

852

00:57:47,714 --> 00:57:49,423

- Okay.

- BILL: Zack.

853

00:57:49,424 --> 00:57:51,717

It's done.

Here it is.

854

00:57:51,718 --> 00:57:52,919

Good man.

855

00:57:54,638 --> 00:57:56,806

You think the captain's still
in control of the plane?

856

00:57:56,807 --> 00:57:58,391

The plane almost goes down,

857

00:57:58,392 --> 00:58:00,935

there's a guy waving his gun
around, tying people up.

858

00:58:00,936 --> 00:58:02,812

I'd say he pretty
much took control.

859

00:58:02,813 --> 00:58:07,234

So you think the thing about free
international flights was bullshit, or...

860

00:58:09,027 --> 00:58:11,904

At what point do we do something?

861

00:58:11,905 --> 00:58:14,907

Gentlemen, would you please
return to your seats?

862

00:58:14,908 --> 00:58:16,909

You don't know what's
going on either, do you?

863

00:58:38,765 --> 00:58:41,184

So, what's the air
marshal up to now?

864

00:58:43,895 --> 00:58:45,146

Ladies and gentlemen,

865

00:58:45,147 --> 00:58:47,481

I need every passenger to raise
their hands above their heads

866

00:58:47,482 --> 00:58:49,855

and remain silent for
the next 60 seconds.

867

00:58:51,153 --> 00:58:53,071

This is not a request.

868

00:58:56,533 --> 00:58:58,235

Up.

869

00:58:59,453 --> 00:59:01,326

Flight attendants, too.

870

00:59:06,209 --> 00:59:07,831

Up!

871

00:59:51,254 --> 00:59:52,455

(CELL PHONE RINGING)

872

01:00:00,138 --> 01:00:02,306

(CELL PHONE CONTINUES RINGING)

873

01:00:07,229 --> 01:00:09,105

- Hands behind your head.

- What the fuck...

874

01:00:09,106 --> 01:00:10,546

Hands behind your goddamn head!

875

01:00:13,485 --> 01:00:16,063

Remove the phone. With one hand.

876

01:00:20,033 --> 01:00:22,531

I've never seen that phone before.

877

01:00:23,203 --> 01:00:24,825

Miss, undo his seatbelt.

878

01:00:26,206 --> 01:00:27,498

Stand up, now.

879

01:00:27,833 --> 01:00:30,502

You searched me.

My phone was in my bag.

880

01:00:30,752 --> 01:00:32,044

Into the aisle.

881

01:00:32,045 --> 01:00:33,546

Whatever you think I've done...

882

01:00:33,547 --> 01:00:36,382

Shut up. Front of the plane. Move!

883

01:00:36,383 --> 01:00:37,967

You're making a mistake.

884

01:00:37,968 --> 01:00:39,715

Turn around.

885

01:00:39,970 --> 01:00:41,763

Take it easy!

886

01:00:42,347 --> 01:00:43,673

MAN: What's going on?

887

01:00:45,934 --> 01:00:48,011

Listen to me, please!

That's not my phone!

888

01:00:49,062 --> 01:00:50,229

Who are you?

889

01:00:50,230 --> 01:00:52,023

Just a passenger!

890

01:00:52,816 --> 01:00:54,525

Why did you open the
account in my name?

891

01:00:54,526 --> 01:00:55,818

I don't know what
you're talking about!

892

01:00:55,819 --> 01:00:58,445

Answer the question, or
I will break your arm.

893

01:00:58,446 --> 01:01:00,239

You got the wrong guy!

894

01:01:05,620 --> 01:01:07,948

We found him, Nancy. We got him.

895

01:01:09,833 --> 01:01:11,667

Why me? Why?

896

01:01:11,668 --> 01:01:13,211

Why me?

897

01:01:14,004 --> 01:01:15,501

Why?

898

01:01:17,507 --> 01:01:20,586

Nancy, get the doctor. Now!

899

01:01:57,255 --> 01:01:58,547

(WATCH ALARM RINGING)

900

01:01:58,548 --> 01:01:59,265

Bill? Bill?

901

01:01:59,266 --> 01:02:00,504

Bill? Bill?

902

01:02:07,265 --> 01:02:08,891

Okay, let's break this down.

903

01:02:08,892 --> 01:02:11,810

First, he ties up that guy, then he takes
another guy and brings him out back.

904

01:02:11,811 --> 01:02:13,854

What, is he gonna pick
us off one by one?

905

01:02:15,482 --> 01:02:17,309

That's the doctor right there. Hey.

906

01:02:19,486 --> 01:02:21,529

You want to let us all
know what's going on?

907

01:02:28,870 --> 01:02:30,993

- And the captain?

- Dead.

908

01:02:31,915 --> 01:02:36,370

The co-pilot is flying.
Behind locked doors.

909

01:02:47,764 --> 01:02:51,767

- Are you all right?

- Me? Fine. I'm great.

910

01:02:51,768 --> 01:02:53,936

You shouldn't be seeing all this.

911

01:02:54,854 --> 01:02:58,809

All right, Doc. So, we got a
dead passenger and a dead pilot.

912

01:02:59,859 --> 01:03:01,777

The plane took a hard
turn 15 minutes ago.

913

01:03:01,778 --> 01:03:03,612

That doesn't happen mid-flight.

914

01:03:03,613 --> 01:03:06,031

The marshal closed
off business class,

915

01:03:06,032 --> 01:03:08,409

moved all the
passengers to the back.

916

01:03:08,410 --> 01:03:10,283

Does this scenario ring any bells?

917

01:03:11,496 --> 01:03:13,136

You think he's gonna
crash the plane?

918

01:04:18,063 --> 01:04:20,356

Flight 10, this is
Royal Air Force 114,

919

01:04:20,357 --> 01:04:22,730

call sign Jackrabbit. How copy?

920

01:05:11,408 --> 01:05:12,699

Excuse me.

921

01:05:12,700 --> 01:05:14,410

I was told I could stay

here with my husband.

922

01:05:14,411 --> 01:05:15,828

Of course.

923

01:05:15,829 --> 01:05:18,623

You used the lavatory about an
hour ago. Do you remember that?

924

01:05:19,207 --> 01:05:20,659

I don't have Alzheimer's.

925

01:05:21,709 --> 01:05:24,287

Do you know if someone else
went in there after you?

926

01:05:24,754 --> 01:05:28,333

Yes, she was standing
there blocking the aisle.

927

01:05:28,466 --> 01:05:29,591

Who?

928

01:05:29,592 --> 01:05:30,839

The redhead.

929

01:05:31,219 --> 01:05:33,638

The woman you were sitting next to.

930

01:05:45,233 --> 01:05:47,356

What are you doing in here?

931

01:05:47,986 --> 01:05:50,821

I'm drinking. I'm sorry, I shouldn't.

That's just terrible.

932

01:05:50,822 --> 01:05:52,569

I've been wondering.

933

01:05:54,868 --> 01:05:56,535

Why the window seat?

934

01:05:56,536 --> 01:05:58,579

What? Why the window seat?

935

01:05:58,580 --> 01:06:00,914

Why did you sit next to me?

936

01:06:00,915 --> 01:06:02,708

- What?

- I found a hole

937

01:06:02,709 --> 01:06:05,961

in the first class toilet,

clear shot to the captain.

938

01:06:05,962 --> 01:06:09,257

The guy who died had one of
these imbedded in his skin.

939

01:06:10,467 --> 01:06:11,793

Ever seen one before?

940

01:06:12,093 --> 01:06:13,260

No.

941

01:06:13,261 --> 01:06:16,513

The toilets were locked 10
minutes before the captain died.

942

01:06:16,514 --> 01:06:18,887

Five minutes before that,
I saw a woman enter.

943

01:06:19,476 --> 01:06:21,226

She's 70 years old.

944

01:06:21,227 --> 01:06:23,187

She said you went in after her,

945

01:06:23,188 --> 01:06:27,063

and she doesn't have Alzheimer's,
if you're wondering.

946

01:06:27,984 --> 01:06:31,153

Are you asking me if I
saw someone else go in,

947

01:06:31,154 --> 01:06:32,947

or if I killed the captain?

948

01:06:33,990 --> 01:06:35,988

Did you see someone else?

949

01:06:37,869 --> 01:06:39,119

No.

950

01:06:39,120 --> 01:06:40,867

Then answer the question.

951

01:06:42,207 --> 01:06:43,875

You're a dick.

952

01:06:44,042 --> 01:06:47,628

You switched seats to be next to
me, which made you trustworthy.

953

01:06:47,629 --> 01:06:49,254

You engaged me in conversation.

954

01:06:49,255 --> 01:06:50,339

To relax you because

you were scared...

955

01:06:50,340 --> 01:06:51,548

Yet you evaded personal questions.

956

01:06:51,549 --> 01:06:54,468

You mean, like where I work. Yeah,
that's a great personal question.

957

01:06:54,469 --> 01:06:55,969

You inserted yourself
into the investigation.

958

01:06:55,970 --> 01:06:57,221

Are you serious?

959

01:06:57,222 --> 01:06:58,680

Tracking the phone,
that was your idea.

960

01:06:58,681 --> 01:06:59,890

Are you kidding me?

961

01:06:59,891 --> 01:07:02,434

I am the only person on this
plane who has stood by you.

962

01:07:02,435 --> 01:07:03,810

You've been lying to
me this entire time.

963

01:07:03,811 --> 01:07:05,896

You've been lying to me since the
second you boarded this plane.

964

01:07:05,897 --> 01:07:08,691

Oh, God! Okay, fine, fine!

965

01:07:11,945 --> 01:07:13,612

Seven years ago my heart failed,

966

01:07:13,613 --> 01:07:16,281

and I was dead for like 43 minutes.

967

01:07:16,282 --> 01:07:18,116

Aortic arch aneurysm.

968

01:07:18,117 --> 01:07:20,285

They tried to fix it,
but when I woke up,

969

01:07:20,286 --> 01:07:21,954

they told me it was
something they couldn't fix

970

01:07:21,955 --> 01:07:25,876

and that one day it would fail
again and I would just die.

971

01:07:26,459 --> 01:07:29,920

And that's okay with me because
we're all gonna die someday,

972

01:07:29,921 --> 01:07:32,464

and none of us know when
it's gonna be, right?

973

01:07:32,465 --> 01:07:35,635

But when I fly, which is a lot,

974

01:07:36,302 --> 01:07:38,053

I like to look out the
window instead of

975

01:07:38,054 --> 01:07:39,721

at the back of the
seat in front of me

976

01:07:39,722 --> 01:07:42,471

or a folding tray table, because
one day might be today.

977

01:07:46,479 --> 01:07:48,647

Why do you like the aisle?

978

01:07:49,065 --> 01:07:50,312

Dick.

979

01:07:57,115 --> 01:07:58,612

Wait a second.

980

01:08:01,327 --> 01:08:02,744

Here.

981

01:08:04,664 --> 01:08:06,866

Let me pour you a real drink.

982

01:08:14,507 --> 01:08:16,380

Thanks.

983

01:08:17,468 --> 01:08:19,045

I'm sorry.

984

01:08:22,015 --> 01:08:23,933

I hate flying.

985

01:08:25,602 --> 01:08:26,803

Really?

986

01:08:27,520 --> 01:08:29,187

I always kind of
liked it, you know?

987

01:08:29,188 --> 01:08:31,773

Six hours in the same spot,
nobody can get to you.

988

01:08:31,774 --> 01:08:34,359

Nothing to do but just
be present, you know?

989

01:08:34,360 --> 01:08:36,233

You have no control.

990

01:08:36,529 --> 01:08:39,824

Control is an illusion.
There is no control.

991

01:08:40,033 --> 01:08:41,906

Over anything.

992

01:08:42,660 --> 01:08:44,703

WOMAN: You need to listen to this.

993

01:08:48,374 --> 01:08:51,627

REPORTER: Where a federal bomb squad
and investigators are searching

994

01:08:51,628 --> 01:08:54,338

a car that allegedly
belongs to Bill Marks.

995

01:08:54,339 --> 01:08:58,467

Sources tell us that Marks parked
his car here at the airport today

996

01:08:58,468 --> 01:09:01,303

before boarding British
Aqualantic Flight 10,

997

01:09:01,304 --> 01:09:03,889

the way he had boarded
so many flights before,

998

01:09:03,890 --> 01:09:06,224

in the guise of an
everyday passenger,

999

01:09:06,225 --> 01:09:07,643

but carrying a mandate

1000

01:09:07,644 --> 01:09:10,479

from the United States

Department of Homeland Security.

1001

01:09:10,480 --> 01:09:12,731

His job, to protect the flight.

1002

01:09:12,732 --> 01:09:16,568

And he was also, as always,
carrying a concealed handgun.

1003

01:09:16,569 --> 01:09:20,322

Well, we know this is the hijacker's
phone. Can it tell us anything?

1004

01:09:20,323 --> 01:09:22,241

It's password protected.

I can't get in.

1005

01:09:22,742 --> 01:09:24,444

Did you try guessing?

1006

01:09:33,753 --> 01:09:36,880

This is a transatlantic flight
from New York to London,

1007

01:09:36,881 --> 01:09:39,299

the airline now confirming this is,

1008

01:09:39,300 --> 01:09:42,049

in fact, a hijacking in progress.

1009

01:09:46,057 --> 01:09:48,392

- What did you do?

- I didn't do anything, I swear to God.

1010

01:09:48,393 --> 01:09:51,016

I just was messing around with it.

I didn't do anything.

1011

01:10:06,285 --> 01:10:08,453

Open every bag in this cabin.

1012

01:10:09,455 --> 01:10:11,957

And the horrific twist
is that the hijacker

1013

01:10:11,958 --> 01:10:13,792

is now believed to be
the one person who

1014

01:10:13,793 --> 01:10:15,627

was authorized to carry
a gun onto the plane.

1015

01:10:15,628 --> 01:10:18,880

You're looking for a package.
You'll know if you find it.

1016

01:10:18,881 --> 01:10:20,958

- Every bag. Go! Now!
- Okay.

1017

01:10:21,384 --> 01:10:22,467

Marenick.

1018

01:10:22,468 --> 01:10:24,010

- Marks?

- Order this plane down to 8,000 feet.

1019

01:10:24,011 --> 01:10:25,345

Marks, listen to me.

1020

01:10:25,346 --> 01:10:26,972

I have reason to believe

there's a bomb on the plane.

1021

01:10:26,973 --> 01:10:29,099

- Agent Marks, just listen to me.

- We need to drop altitude now.

1022

01:10:29,100 --> 01:10:31,143

A bomb at this height would

tear this plane apart.

1023

01:10:31,144 --> 01:10:33,228

REPORTER: and questions

already swirling around

1024

01:10:33,229 --> 01:10:35,230

Bill Marks and his state of mind

1025

01:10:35,231 --> 01:10:36,690

as he boarded the flight...

1026

01:10:36,691 --> 01:10:39,151

MARENICK: Bill, when you send
me a text and you say

1027

01:10:39,152 --> 01:10:41,361

that you're out of options, you and
I both know that's not the case.

1028

01:10:41,362 --> 01:10:43,196

Who else received that message?

1029

01:10:43,197 --> 01:10:44,948

Clearly, we got it here at TSA.

1030

01:10:44,949 --> 01:10:46,908

We're getting calls from

the FBI, the White House,

1031

01:10:46,909 --> 01:10:48,493

and now the press is involved.

1032

01:10:48,494 --> 01:10:51,955

You have our attention. There's no
need to take this any further, Bill.

1033

01:10:51,956 --> 01:10:55,584

No one else has to die. I know it feels
like no one is listening, but I am.

1034

01:10:55,585 --> 01:10:56,752

We'll work it out together.

1035

01:10:56,753 --> 01:10:58,295

Marenick, you're not getting this!

1036

01:10:58,296 --> 01:11:00,922

Bill, listen to me.

Let's talk this through.

1037

01:11:00,923 --> 01:11:02,716

You're talking to me

like I'm a terrorist.

1038

01:11:02,717 --> 01:11:03,842

You know how this works.

1039

01:11:03,843 --> 01:11:06,511

If you try to bring that plane any

lower into civilian airspace,

1040

01:11:06,512 --> 01:11:08,013

you will be shot down.

1041

01:11:08,014 --> 01:11:09,681

You're a threat to ground, Bill.

1042

01:11:09,682 --> 01:11:11,224

Just wait for your

money and sit tight.

1043

01:11:11,225 --> 01:11:15,146

REPORTER: A stark picture of a man
in a dangerous psychological state.

1044

01:11:15,271 --> 01:11:18,566

MARENICK: Bill, stay with me.
I need you to cooperate with us...

1045

01:11:19,192 --> 01:11:20,233

What now?

1046

01:11:20,234 --> 01:11:22,778

REPORTER: Officials say he was
originally from Northern Ireland.

1047

01:11:22,779 --> 01:11:24,738

He became a decorated New York City

1048

01:11:24,739 --> 01:11:26,698

police officer with a young family.

1049

01:11:26,699 --> 01:11:29,576

He became distraught when his
8-year-old daughter, Olivia,

1050

01:11:29,577 --> 01:11:31,286

passed away from cancer.

1051

01:11:31,287 --> 01:11:34,164

Over the next decade, sources
say he became withdrawn,

1052

01:11:34,165 --> 01:11:36,333

got divorced in 2003.

1053

01:11:36,334 --> 01:11:39,037

Suspended and later
fired from the NYPD,

1054

01:11:39,462 --> 01:11:41,087

it was then, in the summer of 2003,

1055

01:11:41,088 --> 01:11:44,591

that he transferred to the
Federal Air Marshal Service.

1056

01:11:44,592 --> 01:11:46,593

And there, his
colleagues and neighbors

1057

01:11:46,594 --> 01:11:49,304

saying he's a quiet man who
kept mostly to himself.

1058

01:11:49,305 --> 01:11:51,598

MALE REPORTER:

This is a costly program, as well.

1059

01:11:51,599 --> 01:11:54,392

There's no question. This is what
happens when you put an unstable,

1060

01:11:54,393 --> 01:11:56,102

angry man in a position of power.

1061

01:11:56,103 --> 01:11:57,729

This guy wasn't even
born in the U.S.

1062

01:11:57,730 --> 01:11:59,314

He could be IRA, for all we know.

1063

01:11:59,315 --> 01:12:00,398

Thank you.

1064

01:12:00,399 --> 01:12:03,610

Since 9/11, we've put 4,000
air marshals in the sky.

1065

01:12:03,611 --> 01:12:05,153

Where do these people come from?

1066

01:12:05,154 --> 01:12:06,780

I've seen these guys myself.

1067

01:12:06,781 --> 01:12:08,907

They walk right past
the security line

1068

01:12:08,908 --> 01:12:10,992

and they're barely qualified
to carry a badge.

1069

01:12:10,993 --> 01:12:12,994

Walked right past security.

1070

01:12:12,995 --> 01:12:15,205

There's controversy around the
air marshal program already.

1071

01:12:15,206 --> 01:12:16,957

Is this the final blow?

1072

01:12:16,958 --> 01:12:17,002

We give these people
absolute power in the sky.

1073

01:12:17,003 --> 01:12:19,793

We give these people
absolute power in the sky.

1074

01:12:19,794 --> 01:12:21,586

We give them guns and
we put them on planes,

1075

01:12:21,587 --> 01:12:25,837

and we're surprised when we have
incidences of drug smuggling.

1076

01:13:02,336 --> 01:13:04,209

Oh, God.

1077

01:13:18,644 --> 01:13:19,845

Now!

1078

01:13:20,187 --> 01:13:22,139

Go, go, go!

1079

01:13:24,400 --> 01:13:26,273

Grab him! Grab him! Get the gun!

1080

01:13:26,944 --> 01:13:28,069

- Help me, man!

- Wait!

1081

01:13:28,070 --> 01:13:29,817

Hey, stop it!

1082

01:13:30,531 --> 01:13:31,823

Stop it!

No, no, no, no.

1083

01:13:31,824 --> 01:13:33,116

Stay down!

1084

01:13:34,911 --> 01:13:37,671

- MAN 1: Take him down! Kick his ass!

- MAN 2: Somebody stop him.

1085

01:13:46,923 --> 01:13:48,215

NANCY: Stop it!

1086

01:13:49,258 --> 01:13:50,710

WOMAN: Oh, my God!

1087

01:13:51,928 --> 01:13:53,550

Stop!

1088

01:13:55,556 --> 01:13:56,723

Help me, man!

1089

01:13:56,724 --> 01:13:58,176

NANCY: Let go of him!

1090

01:13:59,435 --> 01:14:00,852

Stop!

1091

01:14:03,940 --> 01:14:05,392

(SCREAMING)

1092

01:14:10,071 --> 01:14:11,363

Get him to the ground!

Hold him steady!

1093

01:14:11,364 --> 01:14:12,405

Get his legs!

1094

01:14:12,406 --> 01:14:13,823

Hold him, God damn it!

1095

01:14:13,824 --> 01:14:15,617

- Grab his legs!
- BILL: Listen to me!

1096

01:14:15,618 --> 01:14:16,701

- Listen to me!
- Shut up!

1097

01:14:16,702 --> 01:14:19,162

Listen to me, please!

Please, go into the bathroom!

1098

01:14:19,163 --> 01:14:20,455

- Pin him down!
- In the bathroom!

1099

01:14:20,456 --> 01:14:22,248

- You're done, Marshal!
- There's a dead body!

1100

01:14:22,249 --> 01:14:23,375

Shut the hell up! Shut up!

1101

01:14:23,376 --> 01:14:24,501

There's a dead body
and a briefcase!

1102

01:14:24,502 --> 01:14:25,835

In the briefcase
you'll find a bomb!

1103

01:14:25,836 --> 01:14:27,253

Bullshit, you're lying!

1104

01:14:27,254 --> 01:14:28,797

There is a bomb on this plane.

1105

01:14:30,341 --> 01:14:32,214

Believe me, please!

1106

01:14:33,135 --> 01:14:35,345

Get off of him.

1107

01:14:35,346 --> 01:14:38,220

- I said get off of him! Get off him!

- (ALL GASPING)

1108

01:14:38,683 --> 01:14:40,681

Do it now. Get back, back!

1109

01:14:41,644 --> 01:14:43,353

Back away, all of you.

1110

01:14:43,354 --> 01:14:45,395

You don't know what you're
doing with that gun.

1111

01:14:46,148 --> 01:14:47,770

MAN: Come on. What is he doing?

1112

01:14:47,817 --> 01:14:50,068

Bowen, give me the gun.

1113

01:14:50,069 --> 01:14:51,903

- Tom, please.

- No, stay where you are.

1114

01:14:51,904 --> 01:14:55,278

I'm NYPD, we got it covered!

Put it down!

1115

01:14:56,325 --> 01:14:57,777

Is there a bomb on this plane?

1116

01:15:05,251 --> 01:15:07,252

I want you to tell me what
the hell is going on.

1117

01:15:07,253 --> 01:15:09,626

- Relax.

- Don't tell me to relax!

1118

01:15:10,881 --> 01:15:13,508

A passenger on board
this flight has

1119

01:15:13,509 --> 01:15:16,258

threatened to kill
someone every 20 minutes

1120

01:15:17,388 --> 01:15:19,966

unless they're paid \$150 million.

1121

01:15:20,808 --> 01:15:23,386

And now, three people are dead.

1122

01:15:24,353 --> 01:15:27,147

The bomb will explode in
less than half an hour.

1123

01:15:28,941 --> 01:15:31,143

Now, they want you to believe
that I'm responsible.

1124

01:15:32,403 --> 01:15:34,612

Everything you've heard
about me is true.

1125

01:15:34,613 --> 01:15:38,818

I've lost my family, my job.
I'm an alcoholic.

1126

01:15:40,578 --> 01:15:43,705

My daughter was diagnosed with
acute leukemia at the age of five,

1127

01:15:43,706 --> 01:15:48,126

and I spent my days at work
instead of being at home,

1128

01:15:48,127 --> 01:15:52,377

looking after her, because I was
afraid of watching her die!

1129

01:15:54,800 --> 01:15:58,300

I'm not a good father.

I'm not a good man.

1130

01:16:01,140 --> 01:16:03,934

I'm not hijacking this plane.

1131

01:16:04,143 --> 01:16:06,061

I'm trying to save it!

1132

01:16:07,605 --> 01:16:11,730

And I will save it!

If you work with me.

1133

01:16:22,244 --> 01:16:23,828

You're NYPD. So was I,

1134

01:16:23,829 --> 01:16:26,331

and you look as if you were
a better officer than I was.

1135

01:16:26,332 --> 01:16:28,205

Cut him loose. Nancy.

1136

01:16:38,886 --> 01:16:41,638

We need to start moving all
the luggage towards the back.

1137

01:16:41,639 --> 01:16:42,889

And move the women and children,

1138

01:16:42,890 --> 01:16:44,610

move them up to the
front of the plane.

1139

01:16:44,892 --> 01:16:46,226

That's your plan?

1140

01:16:46,227 --> 01:16:48,770

My job is to prepare for the
worst possible outcome.

1141

01:16:48,771 --> 01:16:50,605

Well, my job is to prevent it.

1142

01:16:50,606 --> 01:16:53,559

Women and children, no exceptions.
Men move up in coach.

1143

01:16:56,654 --> 01:16:57,904

What the hell are you thinking?

1144

01:16:57,905 --> 01:17:00,198

There's a plan of
action that exists

1145

01:17:00,199 --> 01:17:03,618

called the Least Resistant
Bomb Location Protocol.

1146

01:17:03,619 --> 01:17:05,703

You place the bomb
against the rear door

1147

01:17:05,704 --> 01:17:07,781

and stack anything and
everything against it.

1148

01:17:07,832 --> 01:17:12,127

Every bag, blanket, every pillow.
Nullify it as best you can.

1149

01:17:12,128 --> 01:17:14,921

At this height a bomb would
tear this plane apart,

1150

01:17:14,922 --> 01:17:19,384

but we descend to 8,000
feet, pressure equalizes,

1151

01:17:19,385 --> 01:17:21,178

and then we have a chance.

1152

01:17:22,721 --> 01:17:24,889

So you're just gonna
let the bomb go off?

1153

01:17:24,890 --> 01:17:27,642

Of course not, I'm gonna stop it.

1154

01:17:27,643 --> 01:17:30,517

But if I can't, I'd rather
be prepared, wouldn't you?

1155

01:17:31,981 --> 01:17:34,604

The man who brought this bomb
on the plane may try something.

1156

01:17:34,942 --> 01:17:36,485

Can I trust you to stop him?

1157

01:17:42,658 --> 01:17:44,986

You're damn straight you can.

1158

01:17:45,202 --> 01:17:48,622

Hey, Reilly, sorry about the nose.

1159

01:17:49,373 --> 01:17:51,792

It was never my best feature.

1160

01:17:52,835 --> 01:17:55,879

Can't you get them to wire the money?

Just try something?

1161

01:17:55,880 --> 01:17:57,297

This was never about the money.

1162

01:17:57,298 --> 01:17:58,966

Then what's it about?

1163

01:17:59,383 --> 01:18:02,962

I'm not sure. They used
an account in my name.

1164

01:18:03,596 --> 01:18:05,513

They want an air marshal
to take down a plane

1165

01:18:05,514 --> 01:18:08,099

with 150 people on board,

1166

01:18:08,100 --> 01:18:11,053

and they want the whole

world to see it.

1167

01:18:11,478 --> 01:18:14,397

I was never supposed

to find that bomb.

1168

01:18:23,365 --> 01:18:24,691

WOMAN: Look.

1169

01:18:26,452 --> 01:18:28,328

That's not good.

1170

01:18:28,329 --> 01:18:30,247

WOMAN: Do you know what that means?

1171

01:18:34,293 --> 01:18:37,003

Aqualantic Flight 10, this
is Royal Air Force 114,

1172

01:18:37,004 --> 01:18:39,672
call sign Jackrabbit. How copy?

1173

01:18:39,673 --> 01:18:41,549
Copy, Jackrabbit.

1174

01:18:41,550 --> 01:18:44,260
We will be your escorts to
the designated landing zone.

1175

01:18:44,261 --> 01:18:46,137
Do not deviate from
your current course

1176

01:18:46,138 --> 01:18:47,972
or altitude without authorization.

1177

01:18:47,973 --> 01:18:50,346
- Do you copy?
- Copy.

1178

01:18:51,685 --> 01:18:52,886

Kyle.

1179

01:18:54,104 --> 01:18:55,480

- Kyle.

- Yes, Marks?

1180

01:18:55,481 --> 01:18:56,522

We have a new situation.

1181

01:18:56,523 --> 01:18:58,441

Yeah, no shit.

1182

01:18:58,442 --> 01:19:00,818

I need you to drop the

plane to 8,000 feet.

1183

01:19:00,819 --> 01:19:03,196

Get to the lowest pressure

differential you can.

1184

01:19:03,197 --> 01:19:04,990

One PSI, 1.5 at most.

1185

01:19:05,366 --> 01:19:07,408

Wait, Bill, that's

explosives protocol.

1186

01:19:07,409 --> 01:19:11,614

Yes, we have 16

minutes, give or take.

1187

01:19:11,789 --> 01:19:13,707

You know we have company, right?

1188

01:19:14,208 --> 01:19:16,209

Two typhoons are

flanking me right now.

1189

01:19:16,210 --> 01:19:18,169

They're watching, and

you want me to...

1190

01:19:18,170 --> 01:19:20,838

Kyle, we need to drop altitude now.

1191

01:19:20,839 --> 01:19:24,259

Look, I have orders, Marks. Any
suspicious activity and they...

1192

01:19:24,260 --> 01:19:25,677

Rice!

1193

01:19:25,678 --> 01:19:29,180

There is a bomb on this plane. We
have to descend to 8,000 feet.

1194

01:19:29,181 --> 01:19:32,892

All right, give me 10 minutes.
If we drop now, I lose speed.

1195

01:19:32,893 --> 01:19:35,728

Ten minutes at this altitude,
maybe I can get us close enough,

1196

01:19:35,729 --> 01:19:37,480

close enough to land in Iceland.

1197

01:19:37,481 --> 01:19:39,183

Ten minutes. Thanks.

1198

01:20:08,679 --> 01:20:13,057

It's an RDX explosive. Very
professional. Maybe military.

1199

01:20:13,058 --> 01:20:14,259

Is that blow?

1200

01:20:15,978 --> 01:20:17,930

Are you positive it
can't be disarmed?

1201

01:20:18,355 --> 01:20:20,315

This is a calibrated
pressure trigger.

1202

01:20:20,316 --> 01:20:23,067

The only way to disarm a bomb
is to remove the trigger.

1203

01:20:23,068 --> 01:20:27,739

But remove the trigger, the pressure releases, the bomb goes off.

1204

01:20:27,740 --> 01:20:29,907

- Well, can't we just dump it?

- Same principle in reverse.

1205

01:20:29,908 --> 01:20:31,826

The low pressure outside the plane

1206

01:20:31,827 --> 01:20:33,619

won't hold the trigger.

You try to dump it...

1207

01:20:33,620 --> 01:20:34,704

The bomb goes off.

1208

01:20:34,705 --> 01:20:36,914

- Isn't there like a wire you can cut?

- No.

1209

01:20:36,915 --> 01:20:38,499

So, if this guy doesn't
get his money,

1210

01:20:38,500 --> 01:20:40,043

he's gonna kill himself
and everyone aboard?

1211

01:20:40,044 --> 01:20:41,669

I can't believe this.
This is crazy.

1212

01:20:41,670 --> 01:20:43,629

- Why aren't we looking for this guy?
- We're out of time.

1213

01:20:43,630 --> 01:20:45,340

That's a bullshit answer,
Marshal, you know it.

1214

01:20:45,341 --> 01:20:46,549

Take it easy.

1215

01:20:46,550 --> 01:20:49,177

There's 150 passengers and crew.

It could be anyone.

1216

01:20:49,178 --> 01:20:51,929

Let's find him! Let's pay

him, let's do something.

1217

01:20:51,930 --> 01:20:54,974

It's not about the money,

and even if I find him...

1218

01:20:55,768 --> 01:20:58,642

I don't think he ever intended

to get off this plane.

1219

01:20:59,229 --> 01:21:01,147

My God, we're all gonna die.

1220

01:21:04,234 --> 01:21:05,526

No!

1221

01:21:06,153 --> 01:21:10,448

We gotta place the bomb here. Stack
all available luggage over it.

1222

01:21:10,449 --> 01:21:12,116

And direct the explosion outward.

1223

01:21:12,117 --> 01:21:15,535

At 8,000 feet, the pressure
will equalize. Then we land.

1224

01:21:15,536 --> 01:21:18,206

- With a hole in the fuselage?
- And this has worked before?

1225

01:21:18,957 --> 01:21:21,000

It's never been tried before.

1226

01:21:21,001 --> 01:21:22,919

- That you know of.
- You're not being helpful, Doctor.

1227

01:21:22,920 --> 01:21:24,128

We're so screwed.

1228

01:21:24,129 --> 01:21:25,296

It could work! We've got to try!

1229

01:21:25,297 --> 01:21:28,546

Come on! Grab every able hand!

Let's get this done!

1230

01:21:30,094 --> 01:21:33,264

Marshal, if they're setting
this thing off, no matter what,

1231

01:21:34,348 --> 01:21:36,050

what are they waiting for?

1232

01:21:37,309 --> 01:21:39,394

AUSTIN: Just grab what
you can, go to the back.

1233

01:21:39,395 --> 01:21:40,812

All right, you guys form a chain,

1234

01:21:40,813 --> 01:21:43,516

send those bags back

as fast as you can.

1235

01:21:45,943 --> 01:21:49,147

ATTENDANT: Please remove all
luggage from the overhead bins.

1236

01:21:56,954 --> 01:22:00,704

Kyle, how close are we?

We need to descend, now!

1237

01:22:01,166 --> 01:22:02,618

No, give me three minutes.

1238

01:22:03,377 --> 01:22:05,294

Three minutes, okay.

1239

01:22:05,295 --> 01:22:08,881

Look at your watch. Three minutes
from now, not a second longer.

1240

01:22:08,882 --> 01:22:11,961

No matter what happens,
drop down 8,000 feet.

1241

01:22:12,177 --> 01:22:13,469

Okay.

1242

01:22:14,263 --> 01:22:15,760

- Take this.

- MAN: Lighter luggage up front.

1243

01:22:15,806 --> 01:22:18,808

Keep piling please. Bring
the heavier luggage down.

1244

01:22:18,809 --> 01:22:20,056

NANCY: Keep them going.

1245

01:22:21,854 --> 01:22:23,396

Sir, keep that with
you, I just need...

1246

01:22:23,397 --> 01:22:24,598

Your nose.

1247

01:22:24,690 --> 01:22:26,437

Yeah, it's bleeding, thanks.

1248

01:22:26,650 --> 01:22:28,317

You have a displaced fracture.

1249

01:22:28,318 --> 01:22:31,279

Look, it's a broken nose, it's
normal, I don't need you to fix it.

1250

01:22:31,280 --> 01:22:34,029

Look, I'm going to set your nose.

1251

01:22:34,324 --> 01:22:35,825

Here, hold this.

1252

01:22:35,826 --> 01:22:36,951

Just make it quick, all right?

1253

01:22:36,952 --> 01:22:38,369

Apply some pressure.

1254

01:22:38,787 --> 01:22:40,079

Okay.

1255

01:22:40,747 --> 01:22:42,620

On three. One...

1256

01:22:43,417 --> 01:22:44,618

(GRUNTING)

1257

01:22:51,383 --> 01:22:53,926

GWEN:

Sweetheart, you've got to come out.

1258

01:22:53,927 --> 01:22:56,387

It's all right, I'll hold your hand.

But it's not safe.

1259

01:22:56,388 --> 01:22:57,972

- Gwen, what's going on?

- Please.

1260

01:22:57,973 --> 01:22:59,348

We need to hurry.

1261

01:22:59,349 --> 01:23:03,060

Sorry. I'm sorry, I need your help.

She won't come out.

1262

01:23:03,061 --> 01:23:06,265

What's wrong? Are you scared?

1263

01:23:07,399 --> 01:23:09,146

I wanna see my daddy.

1264

01:23:09,443 --> 01:23:11,771

I know you do, sweetheart.

I know you do.

1265

01:23:12,613 --> 01:23:16,113

You know, I was a daddy once to
a little girl just like you,

1266

01:23:16,325 --> 01:23:18,994

and when she was scared,

you know what she'd do?

1267

01:23:20,412 --> 01:23:23,122

She had a magic ribbon,
very powerful.

1268

01:23:23,123 --> 01:23:26,577

It'll protect you,
just like your daddy.

1269

01:23:27,044 --> 01:23:30,087

You wanna see it?
I have it in my pocket.

1270

01:23:30,088 --> 01:23:33,382

I carry it all the time.
Here it is. Here.

1271

01:23:33,383 --> 01:23:36,511

You wrap it around your
hand, just like that.

1272

01:23:36,512 --> 01:23:38,806

That's it, hold on to it now.

1273

01:23:40,516 --> 01:23:42,434

Are you bribing me?

1274

01:23:44,436 --> 01:23:46,354

Yes, I am.

1275

01:23:48,732 --> 01:23:52,401

This is my friend, Jen.

She's gonna look after you.

1276

01:23:52,402 --> 01:23:53,861

- Jen, this is Becca.

- Hey.

1277

01:23:53,862 --> 01:23:56,656

Don't worry, you'll see your
father soon. I promise.

1278

01:23:58,283 --> 01:23:59,826

Can I have the window seat?

1279

01:24:01,453 --> 01:24:04,827

You mean this old seat?

Mm-hm.

1280

01:24:10,170 --> 01:24:12,630

KYLE: Ladies and gentlemen, we
're about to begin our descent.

1281

01:24:12,631 --> 01:24:16,217

I need you to return to your
seats and fasten your seatbelts.

1282

01:24:16,218 --> 01:24:18,803

GWEN: Please stay calm. Everyone,
please get back to your seats.

1283

01:24:18,804 --> 01:24:20,888

(PHONE RINGING)

1284

01:24:20,889 --> 01:24:21,973

Yeah?

1285

01:24:21,974 --> 01:24:23,599

MARENICK:

Marks, we transferred the money,

1286

01:24:23,600 --> 01:24:25,184

150 million US into your account.

1287

01:24:25,185 --> 01:24:27,311

It's too late for the money.

Whatever he's doing...

1288

01:24:27,312 --> 01:24:29,772

You can stop now, Marks.

You have your money.

1289

01:24:29,773 --> 01:24:30,940

The jets will escort you in.

1290

01:24:30,941 --> 01:24:32,817

I have to bring this plane
down to 8,000 feet.

1291

01:24:32,818 --> 01:24:35,152

You will not descend
into civilian airspace.

1292

01:24:35,153 --> 01:24:38,781

You think he wants the money?
You think that will stop him?

1293

01:24:38,782 --> 01:24:41,033

If you transferred
the money, prove it.

1294

01:24:41,034 --> 01:24:44,787

You want proof? Here's your proof,
\$150 million was transferred

1295

01:24:44,788 --> 01:24:51,168

to account CH-1000-23000-A-10982.

1296

01:24:51,169 --> 01:24:54,839

Confirmation code R48940.

1297

01:24:56,508 --> 01:24:59,051

We'll escort you into

a military air field,

1298

01:24:59,052 --> 01:25:01,679

you will not be arrested,

no questions will be asked.

1299

01:25:01,680 --> 01:25:04,974

There is a bomb on this plane.

It isn't mine. It will go off!

1300

01:25:04,975 --> 01:25:07,852

- And we have to prepare...

- You're in command of a hijacked vessel

1301

01:25:07,853 --> 01:25:09,520

and you will not dive that

plane into civilian airspace.

1302

01:25:09,521 --> 01:25:10,605

I will!

1303

01:25:10,606 --> 01:25:12,356

Then, Marks, God damn it,

we will shoot you down!

1304

01:25:12,357 --> 01:25:15,860

Someday, they'll fish this plane's
black box out of the Atlantic Ocean,

1305

01:25:15,861 --> 01:25:17,862

and the world will know these
people could have been saved.

1306

01:25:17,863 --> 01:25:19,447

The world already
knows what's going on

1307

01:25:19,448 --> 01:25:20,906

in that plane, Bill.

You are hijacking it.

1308

01:25:20,907 --> 01:25:22,450

- That's what you're telling them.

- No, no, no, no, no.

1309

01:25:22,451 --> 01:25:24,201

That's what your hostages
are telling them.

1310

01:25:24,202 --> 01:25:27,413

That video is playing on every major
news network on repeat, Bill.

1311

01:25:27,414 --> 01:25:30,333

- What video?

- One of your hostages uploaded a video.

1312

01:25:30,334 --> 01:25:32,835

You're taking a man, dragging
him around at gunpoint,

1313

01:25:32,836 --> 01:25:34,837

stumbling over
terrified passengers.

1314

01:25:34,838 --> 01:25:37,381

How do you expect us to believe
anything that you're saying

1315

01:25:37,382 --> 01:25:39,467

when you clearly are
abusing those hostages?

1316

01:25:39,468 --> 01:25:41,218

We've seen everything
we need to know.

1317

01:25:41,219 --> 01:25:43,092

But we're trying to negotiate...

1318

01:25:49,269 --> 01:25:51,395

Your phone, now! The phone!

1319

01:25:51,396 --> 01:25:53,439

Show me the video that
you uploaded! Come on!

1320

01:25:58,236 --> 01:26:00,859

I apologize for my son.

1321

01:26:03,950 --> 01:26:05,823

Humor me. Look!

1322

01:26:06,953 --> 01:26:08,621

- Look.

- I don't see him.

1323

01:26:08,622 --> 01:26:09,869

Come on, look.

1324

01:26:12,084 --> 01:26:13,709

- Right there.

- Where?

1325

01:26:13,710 --> 01:26:15,662

Glasses.

Come on, move.

1326

01:26:16,880 --> 01:26:18,423

God damn it!

1327

01:26:19,925 --> 01:26:21,126

You. Look...

1328

01:26:28,433 --> 01:26:30,635

God damn it!

1329

01:26:45,951 --> 01:26:47,949

Stay where you are.

1330

01:26:48,495 --> 01:26:50,038

Bill, don't test me!

1331

01:26:54,668 --> 01:26:56,495

Bill.

1332

01:26:57,295 --> 01:26:58,747

Reilly, drop!

1333

01:27:00,549 --> 01:27:02,258

Reilly, get down!

1334

01:27:02,259 --> 01:27:04,336

You gave me an unloaded weapon?

1335

01:27:04,511 --> 01:27:06,088

Overhead bin, 4B!

1336

01:27:06,763 --> 01:27:08,965

Everybody, down! Stay down!

1337

01:27:13,061 --> 01:27:14,808

- Hey, get out of there, move!

- What?

1338

01:27:14,896 --> 01:27:16,689

Hey, man!

1339

01:27:23,155 --> 01:27:24,527

You looking for this?

1340

01:27:25,782 --> 01:27:27,154

Give me that.

1341

01:27:28,493 --> 01:27:29,785

What are you doing?

1342

01:27:42,716 --> 01:27:44,175

- Get back!

- Okay, okay.

1343

01:27:44,176 --> 01:27:47,097

Jackrabbit, I have shots fired outside
this cockpit, need to descend.

1344

01:27:47,220 --> 01:27:51,175

That's a negative, Flight 10, do not deviate
from your current course or altitude.

1345

01:27:54,478 --> 01:27:56,055

Turn around.

1346

01:27:56,354 --> 01:27:57,772

I need all of you to put your hands

1347

01:27:57,773 --> 01:27:59,270

on the seat-back in front of you.

1348

01:27:59,399 --> 01:28:00,942

Do it now!

1349

01:28:01,276 --> 01:28:03,353

- Move.

- Don't test me.

1350

01:28:03,820 --> 01:28:05,067

Step back!

1351

01:28:05,363 --> 01:28:06,864

Put your hands up!

1352

01:28:06,865 --> 01:28:08,073

Sit!

1353

01:28:08,074 --> 01:28:09,867

Sit, sit!

1354

01:28:12,329 --> 01:28:14,288

He was supposed to be in
the seat next to mine.

1355

01:28:14,289 --> 01:28:16,207

Yeah. He was close enough.

1356

01:28:16,208 --> 01:28:21,585

Listen, whatever I've done to
you, whatever it is, I'm sorry.

1357

01:28:22,047 --> 01:28:23,373

Stay down!

1358

01:28:23,381 --> 01:28:25,800

Bill, I'm not mad at you.

1359

01:28:26,384 --> 01:28:27,756

You're my hero.

1360

01:28:27,886 --> 01:28:30,679

People everywhere are gonna
remember the name Bill Marks.

1361

01:28:30,680 --> 01:28:32,807

An alcoholic, self-destructive,

1362

01:28:32,808 --> 01:28:34,892

suicidal man with a gun
and a federal badge

1363

01:28:34,893 --> 01:28:36,018

who changed everything.

1364

01:28:36,019 --> 01:28:37,937

What do you think doing
this is gonna change?

1365

01:28:37,938 --> 01:28:40,189

Two minutes outside
the window. Suit up.

1366

01:28:40,190 --> 01:28:42,066

Every one of these people
boarded this plane

1367

01:28:42,067 --> 01:28:43,859

believing their country
would protect them.

1368

01:28:43,860 --> 01:28:45,437

That you would protect them.

1369

01:28:48,782 --> 01:28:50,241

Everyone!

1370

01:28:50,242 --> 01:28:51,785

We're gonna be okay!

1371

01:28:52,327 --> 01:28:53,824

There's an air marshal on board.

1372

01:28:55,580 --> 01:28:57,703

Do you have any idea

how easy this was?

1373

01:28:57,749 --> 01:29:00,251

You're right, I failed.

You've made your point.

1374

01:29:00,252 --> 01:29:02,795

No, Bill, you failed miserably!

1375

01:29:02,796 --> 01:29:07,547

Three thousand people died
that day, including my father!

1376

01:29:08,093 --> 01:29:10,967

So I joined up 'cause I wanted to
go fight the cowards that did it.

1377

01:29:11,096 --> 01:29:14,348

But I just ended up fighting in a
war that I still don't understand

1378

01:29:14,349 --> 01:29:17,223

and came home to a country
where nothing had changed.

1379

01:29:17,853 --> 01:29:19,100

Until now.

1380

01:29:19,437 --> 01:29:22,311

Security is this
country's biggest lie.

1381

01:29:22,566 --> 01:29:27,146

In our homes, in our cities,
in our planes, no one's safe,

1382

01:29:27,612 --> 01:29:30,986

and one day somebody worse than
me is gonna expose that lie,

1383

01:29:31,533 --> 01:29:32,700

and the last thing our
children will see

1384

01:29:32,701 --> 01:29:34,778

is our failure as it destroys them.

1385

01:29:35,912 --> 01:29:39,456

You, Bill, you are that lie!

1386

01:29:39,457 --> 01:29:41,166

You should just have
handed out pamphlets.

1387

01:29:41,167 --> 01:29:42,914

It would have been a lot easier.

1388

01:29:46,965 --> 01:29:48,799

You can't change the
world with words, Bill,

1389

01:29:48,800 --> 01:29:51,010

unless you write those words in
the evening news with blood.

1390

01:29:51,011 --> 01:29:52,136

We gotta go.

1391

01:29:52,137 --> 01:29:55,681

You're military. These are the
people you fought to protect.

1392

01:29:55,682 --> 01:29:59,018

I swore to protect my country,
and that's what I'm doing.

1393

01:29:59,019 --> 01:30:00,811

- You believe that?

- I do.

1394

01:30:00,812 --> 01:30:03,606

I also believe we'll be
\$150 million richer.

1395

01:30:03,607 --> 01:30:06,150

You'll never get that money.
It's in an account in my name.

1396

01:30:06,151 --> 01:30:08,103

It's in a trust in your name.

1397

01:30:09,154 --> 01:30:11,155

I die, the money moves.

1398

01:30:11,156 --> 01:30:14,992

To 100 accounts, 27 countries, each
of those into 100 other accounts.

1399

01:30:14,993 --> 01:30:17,202

When do you think
you're gonna jump?

1400

01:30:17,203 --> 01:30:19,330

35,000 feet? You'll be
dead in four seconds.

1401

01:30:19,331 --> 01:30:21,909

We'll jump when the pilot
follows explosive protocol

1402

01:30:21,917 --> 01:30:24,211

and drops us down to 8,000 feet.

1403

01:30:24,336 --> 01:30:26,880

Anything you think of, we've
thought of a thousand times.

1404

01:30:27,088 --> 01:30:29,673

They've been instructed to shoot
us down if we try to descend.

1405

01:30:29,674 --> 01:30:31,175

That's bullshit!

1406

01:30:31,176 --> 01:30:33,218

They're not gonna kill
all these people.

1407

01:30:33,219 --> 01:30:37,344

This is a hijacked flight. We're
a classified threat to ground.

1408

01:30:38,058 --> 01:30:41,888

If you don't disarm that bomb, everyone
on board will die, including you.

1409

01:30:42,228 --> 01:30:43,554

Did you think of that?

1410

01:30:43,897 --> 01:30:46,190

- Look, I'm prepared to die.
- We're not gonna die.

1411

01:30:46,191 --> 01:30:48,943

Say again, Jackrabbit.
I need to descend.

1412

01:30:48,944 --> 01:30:50,316

That's a negative, Flight 10.

1413

01:30:50,445 --> 01:30:53,280

I'm gonna stick with the plan.

We descend, we jump.

1414

01:30:53,281 --> 01:30:54,823

The plane goes down,

we have enough money.

1415

01:30:54,824 --> 01:30:56,200

We can do whatever we want.

1416

01:30:56,201 --> 01:30:59,655

Think about it, Tommy. We can
disappear and never come back.

1417

01:31:00,288 --> 01:31:03,958

You hear me? Never be found, ever.

Mission accomplished, right?

1418

01:31:04,334 --> 01:31:06,377

But right now we need to get
the hell off this plane.

1419

01:31:06,378 --> 01:31:10,253

Zack, you and I both know we were
never getting off this plane.

1420

01:31:12,217 --> 01:31:15,967

Zack, whatever your name
is, you don't have to die.

1421

01:31:16,262 --> 01:31:18,760

If you won't save these
people, save yourself.

1422

01:31:19,099 --> 01:31:20,767

Disarm the bomb.

1423

01:31:22,477 --> 01:31:24,145

Come on, do it.

1424

01:31:40,829 --> 01:31:43,497

He was a martyr,
like you and me, Bill.

1425

01:31:43,498 --> 01:31:46,917

Real heroes don't need to be
remembered or recognized.

1426

01:31:46,918 --> 01:31:48,961

Real heroes do
whatever's necessary.

1427

01:31:48,962 --> 01:31:50,914

I guess I wouldn't understand.

1428

01:31:51,756 --> 01:31:53,754

- Fuck it!

- I guess you wouldn't.

1429

01:32:17,323 --> 01:32:18,649

No!

1430

01:32:27,000 --> 01:32:29,794

20,000! Come on, you wanker!

1431

01:32:54,903 --> 01:32:57,731

8,000 feet! Come on, come on!

1432

01:32:59,824 --> 01:33:01,401

Bill!

1433

01:33:17,092 --> 01:33:18,293

8,000!

1434

01:33:39,864 --> 01:33:42,658

- JACKRABBIT: AQ 10, climb back up to 25,000 feet!

- There's a bomb on board!

1435

01:33:42,659 --> 01:33:44,379

I need to get this

plane on the ground.

1436

01:33:48,873 --> 01:33:51,997

Nancy, move, move!

Everybody down, heads down!

1437

01:33:52,669 --> 01:33:54,378

Hey. Bill!

1438

01:33:54,379 --> 01:33:56,081

I'm getting off this plane!

1439

01:33:56,881 --> 01:33:58,924

Am I in your way, asshole?

1440

01:34:20,780 --> 01:34:21,905

Get down!

1441

01:34:21,906 --> 01:34:24,279

Do it quick! Heads down!

1442

01:34:30,707 --> 01:34:32,204

Get down!

1443

01:34:41,509 --> 01:34:44,804

Come on, Kyle! You can do this!

You can do this, come on.

1444

01:34:51,436 --> 01:34:52,936

JACKRABBIT:

Severe damage to your fuselage.

1445

01:34:52,937 --> 01:34:54,514

Are you able to maintain control?

1446

01:35:01,237 --> 01:35:02,438

Shit!

1447

01:35:07,118 --> 01:35:08,945

KYLE: Fuel dump in progress.

1448

01:35:09,621 --> 01:35:11,501

- Copy that, Flight 10.

- Come on, damn it!

1449

01:35:13,208 --> 01:35:14,751

A little longer, come on!

1450

01:35:31,226 --> 01:35:32,598

Oh, God!

1451

01:35:36,814 --> 01:35:38,641

Get the belt! Get the belt!

1452

01:35:42,111 --> 01:35:44,359

- Hang on!

- Bill, help me!

1453

01:35:45,073 --> 01:35:46,365

Becca, I have you!

1454

01:35:46,783 --> 01:35:49,031

Hang onto me! Hang onto me!

1455

01:36:06,844 --> 01:36:08,762

You okay? Are you okay?

1456

01:36:12,767 --> 01:36:14,890

- Door is disarmed.

- Release your seatbelts!

1457

01:36:17,188 --> 01:36:18,855

- Take her. Everybody.

- Come on with me.

1458

01:36:18,856 --> 01:36:21,316

Undo your seatbelt!

Move to the front, quickly.

1459

01:36:21,317 --> 01:36:23,895

Leave everything. Come

this way, up to the front.

1460

01:36:24,404 --> 01:36:26,481

One at a time, please.

1461

01:36:26,531 --> 01:36:28,404

Leave everything.

1462

01:36:28,658 --> 01:36:30,656

(SIRENS WAILING)

1463

01:36:31,452 --> 01:36:32,869

Leave everything.

1464

01:36:32,870 --> 01:36:34,117

Up to the front.

1465

01:36:34,872 --> 01:36:36,198

Leave everything.

1466

01:37:13,703 --> 01:37:16,531

All passengers and
crew accounted for.

1467

01:37:16,664 --> 01:37:18,832

And you, are you all right?

1468

01:37:19,334 --> 01:37:20,911

That was a hell of a landing.

1469

01:37:26,090 --> 01:37:29,384

REPORTER: Less than one hour ago,
British Aqualantic Flight 10

1470

01:37:29,385 --> 01:37:33,135

made an emergency landing after
a bomb exploded mid-air.

1471

01:37:33,765 --> 01:37:37,768

This following an attempted hijacking,
yet in an unbelievable twist,

1472

01:37:37,769 --> 01:37:40,854

the suspected hijacker, U.S.

Air Marshal Bill Marks,

1473

01:37:40,855 --> 01:37:42,647

turned out to be the hero.

1474

01:37:42,648 --> 01:37:46,068

It was Marks who confronted
and killed the hijackers,

1475

01:37:46,069 --> 01:37:48,271

saving the lives...

1476

01:37:48,863 --> 01:37:51,031

- Yeah?

- It's Marenick.

1477

01:37:51,616 --> 01:37:54,158

It's my turn to break
protocol, Agent Marks.

1478

01:37:54,159 --> 01:37:55,494

I'm calling from my personal line

1479

01:37:55,495 --> 01:37:57,954

and I'll deny this
conversation ever took place.

1480

01:37:57,955 --> 01:38:02,877

Listen, Bill, what you did on that
plane, what you were up against,

1481

01:38:03,211 --> 01:38:05,880

I want you to know I
was wrong about you.

1482

01:38:07,382 --> 01:38:09,550

And you'll have my full support.

1483

01:38:10,718 --> 01:38:12,545

Appreciate that.

1484

01:38:13,262 --> 01:38:15,009

And, Bill,

1485

01:38:15,431 --> 01:38:17,178

we're gonna need that money back.

1486

01:38:18,810 --> 01:38:20,478

What money?

1487

01:38:21,646 --> 01:38:23,769

Take care, Agent Marks.

1488

01:38:38,121 --> 01:38:39,948

AUSTIN: Marshal!

1489

01:38:42,166 --> 01:38:44,709

Reilly, you son of a gun.

1490

01:38:44,710 --> 01:38:46,503

Next time, give me a loaded weapon.

1491

01:38:46,504 --> 01:38:48,377

Next time, don't get shot.

1492

01:38:48,673 --> 01:38:50,045

Deal.

1493

01:38:58,349 --> 01:38:59,949

I'm gonna give you

back your ribbon.

1494

01:39:01,102 --> 01:39:02,519

I don't need it anymore.

1495

01:39:04,522 --> 01:39:06,065

That-a-girl.

1496

01:39:06,858 --> 01:39:08,560

It's your dad.

1497

01:39:11,946 --> 01:39:13,147

Daddy.

1498

01:39:25,376 --> 01:39:27,999

- Hey, I was looking for you!

- Hey.

1499

01:39:29,255 --> 01:39:31,506

- Do you know where we are?

- Iceland.

1500

01:39:31,507 --> 01:39:34,092

Ah! Well, never been to Iceland.

1501

01:39:34,093 --> 01:39:37,888

I mean, I've seen it, few times
from plane windows, but...

1502

01:39:37,889 --> 01:39:39,306

Thank you.

1503

01:39:40,224 --> 01:39:41,266

For what?

1504

01:39:41,267 --> 01:39:44,596

You stood by me, even
after all that happened.

1505

01:39:45,521 --> 01:39:46,563

Why?

1506

01:39:46,564 --> 01:39:48,107

You're a good man.

1507

01:39:48,399 --> 01:39:51,102

I bet your daughter would
have been proud of you.

1508

01:39:51,360 --> 01:39:53,733

Thanks, ma'am.

1509

01:40:00,495 --> 01:40:01,578

So...

1510

01:40:01,579 --> 01:40:02,780

Mm-hm.

1511

01:40:03,539 --> 01:40:04,956

Where you headed?

1512

01:40:08,252 --> 01:40:09,999

Depends.
