which probably interfered  
with my modeling.

861

00:49:33,667 --> 00:49:36,292

Oh! Alright, here we are.

862

00:49:36,459 --> 00:49:38,584

We're refueled, I'm refueled.  
We should go.

863

00:49:38,751 --> 00:49:40,959

But we don't know where to go!

864

00:49:41,126 --> 00:49:42,806

There's gotta be something  
in this footage.

865

00:49:42,959 --> 00:49:44,834

- Wait! Stop! Let me see that.  
- Huh?

866

00:49:45,001 --> 00:49:48,542

- What is it?

- Hold on. Uh, back, back. Zoom in.

867

00:49:49,626 --> 00:49:50,917

There!

868

00:49:51,084 --> 00:49:52,935

- Is that what made them disappear?

- I don't know.

869

00:49:52,959 --> 00:49:55,209

- But I sure recognize this!

- What is that?

870

00:49:55,376 --> 00:49:57,917

Not a what. It's a who!

871

00:49:58,084 --> 00:50:01,126

And I know exactly

where we need to go now!

872

00:50:01,292 --> 00:50:04,959

Ah... come on!

Let's mo-ti-vate!

873

00:50:05,126 --> 00:50:07,042

- Wait. Del?

- What?

874

00:50:07,209 --> 00:50:10,834

Uh, just...

thanks for everything so far.

875

00:50:11,001 --> 00:50:13,251

Hey, I should be thanking you.

876

00:50:13,417 --> 00:50:16,376

After all, your bag of Viking coins

877

00:50:16,542 --> 00:50:17,917

is really gonna save my bacon.

878

00:50:18,084 --> 00:50:19,459

Big time!

879

00:50:19,626 --> 00:50:21,084

Whoo-hoo!

880

00:50:21,251 --> 00:50:23,709

We're coming for ya, lil' bro!

881

00:50:25,501 --> 00:50:27,459

I hope you're doing better  
than I am, Marla.

882

00:50:27,626 --> 00:50:29,709

Uh...

883

00:50:29,876 --> 00:50:32,042

Oh... whoa!

884

00:50:32,209 --> 00:50:33,917

Ook-Ook.

885

00:50:34,084 --> 00:50:36,209

- Uh...

- Ook-Ook.

886

00:50:36,376 --> 00:50:38,834

- Uh! Uh...

- Repulsive!

887

00:50:39,001 --> 00:50:42,709

I will not spend another nanosecond  
with this lower life form.

888

00:50:42,876 --> 00:50:46,126

Arrogant talk coming  
from a gutless bounty hunter!

889

00:50:50,626 --> 00:50:52,001

Eh...

890

00:50:52,167 --> 00:50:54,251

Stow ye tempers.

891

00:50:55,876 --> 00:50:58,709

There be a common enemy  
facing all of us,

892

00:50:58,876 --> 00:51:00,917

that horrible beastie!

893

00:51:01,084 --> 00:51:02,792

Look around, will ya?

894

00:51:02,959 --> 00:51:05,334

There's a reason

we were all captured.

895

00:51:05,501 --> 00:51:08,917

We're the toughest of the tough,

the baddest of the lot.

896

00:51:09,084 --> 00:51:10,709

Aye.

897

00:51:10,876 --> 00:51:14,209

And there be strength

in numbers.

898

00:51:14,376 --> 00:51:18,167

Oh, I hate to say it,  
but the pirate's right.

899

00:51:18,334 --> 00:51:19,834

We can survive together.

900

00:51:20,001 --> 00:51:23,292

After all, who among us  
hasn't spit in death's face

901

00:51:23,459 --> 00:51:27,917

100 times in just the last month  
and lived to tell about it?!

902

00:51:30,459 --> 00:51:32,959

Oh... yeah!

903

00:51:33,126 --> 00:51:35,542

- Uh...

- Wookoo! Wookookoo!

904

00:51:35,709 --> 00:51:37,709

Yeah!

905

00:51:43,876 --> 00:51:46,459

Aye, no time to waste.

906

00:51:46,626 --> 00:51:49,709

There be some escaping to do.

907

00:51:54,209 --> 00:51:56,917

Ah, yes,  
city of the future.

908

00:51:57,084 --> 00:51:58,709

Take it all in, Marla!

909

00:51:58,876 --> 00:52:00,459

- This is amazing!

- Ha-ha!

910

00:52:00,626 --> 00:52:03,334

Pretty wonderful, right?

Am I right? I'm right.

911

00:52:03,501 --> 00:52:05,792

Alright, let's do this!

912

00:52:05,959 --> 00:52:08,542

- Whoa.

- Hey, good to see you!

913

00:52:08,709 --> 00:52:10,334

Wow, your head looks thinner.

914

00:52:10,501 --> 00:52:12,917

Hey, keep it close.

This shouldn't take long.

915

00:52:13,084 --> 00:52:16,667

- Whoa! This is so cool.

- Marla, Marla.

916

00:52:16,834 --> 00:52:18,584

- Hey, uh, they don't like that.

- Pfft!

917

00:52:18,751 --> 00:52:20,167

- Let's go.

- Pfft!

918

00:52:20,334 --> 00:52:22,042

It's like one of those stress balls.

919

00:52:22,209 --> 00:52:24,126

Someone gave me one once.

It didn't help.

920

00:52:24,292 --> 00:52:25,834

Oh!

921

00:52:27,376 --> 00:52:28,959

A club?

922

00:52:29,126 --> 00:52:31,334

Hey, careful, you might  
be having a good time.

923

00:52:31,501 --> 00:52:34,334

Hey! Hi! Ha-ha!

What's going on?

924

00:52:34,501 --> 00:52:36,501

I'm not really in the mood  
to dance right now.

925

00:52:36,667 --> 00:52:38,501

We're here to see Glinara!

926

00:52:38,667 --> 00:52:39,959

What?! Glinara?!

927

00:52:40,126 --> 00:52:43,042

This is her club,  
but... but it's all a front.

928

00:52:43,209 --> 00:52:46,459

She's got her hands  
in everything illegal,

929

00:52:46,626 --> 00:52:49,251

including black-market tech.

930

00:52:49,417 --> 00:52:51,959

- Come on.

- O-okay.

931

00:52:52,126 --> 00:52:54,459

I just didn't realize

we were seeing her so soon.

932

00:52:54,626 --> 00:52:56,709

Relax, Marla.

933

00:52:56,876 --> 00:52:59,917

Ha-ha! What's up?

934

00:53:00,084 --> 00:53:03,126

Tell the boss

Del's here to see her.

935

00:53:03,292 --> 00:53:05,042

I have her money.

936

00:53:06,084 --> 00:53:07,292

Uh...

937

00:53:07,459 --> 00:53:09,542

I got a Del down here  
askin' to see Miss G.

938

00:53:09,709 --> 00:53:12,084

- No, not Adele. That'd be awesome.  
- But what if...

939

00:53:12,251 --> 00:53:14,626

- No, just Del. Yeah, yeah.  
- What if we don't have enough?

940

00:53:14,792 --> 00:53:16,417

What are you talking about? Trust me.

941

00:53:16,584 --> 00:53:19,917

You have enough gold  
in that bag to pay off my debt

942

00:53:20,084 --> 00:53:23,001

and buy the info we need about Charlie.

943

00:53:23,167 --> 00:53:26,376

Because if you didn't,  
we wouldn't get outta here alive.

944

00:53:26,542 --> 00:53:28,001

- Huh.

- Del!

945

00:53:28,167 --> 00:53:30,042

She's ready. Let's go.

946

00:53:30,209 --> 00:53:32,917

- You see?

- Uh... Del?

947

00:53:33,084 --> 00:53:35,792

I really think we should talk  
about this first.

948

00:53:35,959 --> 00:53:38,042

Will you stop worrying?

We're perfectly safe.

949

00:53:38,209 --> 00:53:41,292

Deep down, Glinara

is a completely delightful...

950

00:53:41,459 --> 00:53:42,876

Whoa!

951

00:53:43,042 --> 00:53:44,917

Oh, my... Oh.

952

00:53:45,084 --> 00:53:46,792

I want umbrellas in my drinks!

953

00:53:46,959 --> 00:53:48,917

- Hey, are you alright?

- Ow!

954

00:53:49,084 --> 00:53:51,959

Here, let me help you up.

955

00:53:52,126 --> 00:53:54,584

Oh, poor little robot.

956

00:53:54,751 --> 00:53:56,209

Hey, it's okay.

957

00:53:56,376 --> 00:53:59,292

We're not gonna hurt you.

We're not scary. I promise.

958

00:53:59,459 --> 00:54:01,876

Dude! You took quite a spill.

You okay?

959

00:54:03,959 --> 00:54:06,001

Del! Get up here already!

960

00:54:06,167 --> 00:54:08,126

Gotta go, gotta go!

961

00:54:08,292 --> 00:54:10,126

Delightful, huh?

962

00:54:10,292 --> 00:54:14,584

There she is, my Glinara!

Look at you!

963

00:54:14,751 --> 00:54:16,501

Give me a couple coins.

I'm gonna need 'em.

964

00:54:16,667 --> 00:54:17,959

Oh, um... here.

965

00:54:18,126 --> 00:54:20,042

You look amazing!

966

00:54:20,209 --> 00:54:23,542

I mean, just as radiant as ever.

Mwah, mwah!

967

00:54:23,709 --> 00:54:25,626

Ah, can the sweet talk, Del.

968

00:54:25,792 --> 00:54:29,001

You know I always glow

during molting season. Hmm...

969

00:54:29,167 --> 00:54:30,751

- Um... Oh!

- Who are you?

970

00:54:30,917 --> 00:54:32,584

A little tight. Um...

971

00:54:32,751 --> 00:54:35,292

- I'm... I'm Marla. Oh!

- Oh, you thought I cared?

972

00:54:35,459 --> 00:54:37,417

- Ha! You're hilarious!

- Ow!

973

00:54:37,584 --> 00:54:40,292

- Now, where's my money, Del?

- Huh!

974

00:54:40,459 --> 00:54:43,667

Please don't make me do

something I don't want to do.

975

00:54:43,834 --> 00:54:48,042

Relax! You're gonna get back  
double what I owe you.

976

00:54:48,209 --> 00:54:50,584

Oh! So shiny!

977

00:54:51,751 --> 00:54:54,209

Oh, my little Viking gold.  
Who loves you more than I do?

978

00:54:54,376 --> 00:54:55,584

- Double? Okay.  
- Nobody.

979

00:54:55,751 --> 00:54:59,334

- Uh, Del?  
- Glinny, I just need some help.

980

00:54:59,501 --> 00:55:03,209

I saw your logo on some high-tech,  
disappearing-gizmo thing.

981

00:55:03,376 --> 00:55:05,876

A disappearing... Ah!

982

00:55:06,042 --> 00:55:10,042

Why would I tell you  
about illegal cloaking devices?

983

00:55:10,209 --> 00:55:12,751

If I knew, which of course I don't.

984

00:55:12,917 --> 00:55:16,334

Oh... what's that behind your ear?

985

00:55:20,792 --> 00:55:23,209

Del! You, rascal, you!

986

00:55:23,376 --> 00:55:25,542

Robotitron, get over here!

987

00:55:27,501 --> 00:55:30,917

Show me the black-market files.

988

00:55:31,084 --> 00:55:33,292

Uh-huh-huh.

Hmm-hmm-hmm.

989

00:55:33,459 --> 00:55:37,792

Oh, yes, looks like I did sell  
cloaking devices. Who knew? Ah...

990

00:55:37,959 --> 00:55:40,126

Oh, Maximus...

991

00:55:40,292 --> 00:55:43,959

Whoa-whoa-whoa-whoa.

You mean Emperor Maximus?

992

00:55:44,126 --> 00:55:46,042

- Who's that?

- Oh, Emperor Maximus

993

00:55:46,209 --> 00:55:50,417

is the supreme ruler of Constantinopolis  
and my number-one client.

994

00:55:50,584 --> 00:55:54,001

Well, your client has my brother,  
and we're going to get him back!

995

00:55:54,167 --> 00:55:56,792

Oh, cupcake,  
if Maximus has your brother,

996

00:55:56,959 --> 00:56:00,417

that means he's fighting  
in the coliseum tomorrow night!

997

00:56:00,584 --> 00:56:03,917

Fighting? Tomorrow?!  
Del, we need to go now!

998

00:56:04,084 --> 00:56:07,084

Forget something?  
The rest of my money?!

999

00:56:07,251 --> 00:56:09,542

Okay, okay. Easy, easy.

1000

00:56:09,709 --> 00:56:11,334

I'm a man of my word.

1001

00:56:11,501 --> 00:56:14,709

Marla, the rest  
of the gold coins if you will.

1002

00:56:14,876 --> 00:56:17,334

Um, yeah, about that...

1003

00:56:17,501 --> 00:56:19,126

We should've  
really discussed this.

1004

00:56:19,292 --> 00:56:22,459

Marla? Stop messing around. Let go.

1005

00:56:22,626 --> 00:56:24,542

- You let go!

- Would you...

1006

00:56:24,709 --> 00:56:27,209

- You don't want to do this!

- Oh, yes, I do. I really do!

1007

00:56:27,376 --> 00:56:29,209

No, you... don't!

1008

00:56:30,626 --> 00:56:33,917

What the heck is...

What the heck is this?!

1009

00:56:34,084 --> 00:56:37,042

Is this a spoon?!

Where's... where's the money?

1010

00:56:37,209 --> 00:56:40,792

Del, I'm so sorry,

but... I never had the money.

1011

00:56:40,959 --> 00:56:44,501

Marla, you... you lied to me?

1012

00:56:44,667 --> 00:56:47,709

I had to do everything I could  
to save my brother. Even lie!

1013

00:56:47,876 --> 00:56:51,251

I was gonna tell you. I'm... I'm sorry!

1014

00:56:51,417 --> 00:56:55,459

Whap, whap, whap!

Guess you got taken for a ride, Del. Hmm?

1015

00:56:55,626 --> 00:56:57,959

And since you don't have my money,

1016

00:56:58,126 --> 00:57:00,834

it looks like this is your last stop!

1017

00:57:01,001 --> 00:57:02,709

Uh, Glinara? Please!

1018

00:57:02,876 --> 00:57:04,501

Hey, c'mon.

We can work something out.

1019

00:57:04,667 --> 00:57:08,667

He has nothing to do with this!

He was just helping me! Please! Oh!

1020

00:57:08,834 --> 00:57:10,834

If I were you, and I'm glad I'm not,

1021

00:57:11,001 --> 00:57:12,542

I'd worry less about your brother

1022

00:57:12,709 --> 00:57:15,292

and more about what I'm gonna  
do to the two you.

1023

00:57:23,834 --> 00:57:26,459

- Whoa!

- Toss me the janglers.

1024

00:57:29,209 --> 00:57:31,959

Ugh. The keys. Toss me the keys.

1025

00:57:34,251 --> 00:57:36,167

Thank ye.

1026

00:57:38,501 --> 00:57:41,501

- Uh... are they gonna be okay?

- Don't worry.

1027

00:57:41,667 --> 00:57:45,626

They'll wake up in...

of savory herbs and spices.

1367

01:14:06,584 --> 01:14:10,626

It's gonna make ya extra tasty

for the beastie.

1368

01:14:12,917 --> 01:14:15,792

Ah! Ah!

1369

01:14:19,126 --> 01:14:21,542

Marla... I need you.

1370

01:14:21,709 --> 01:14:23,626

Huh.

1371

01:14:30,417 --> 01:14:32,167

Okay, ready for this?

1372

01:14:32,334 --> 01:14:33,709

Uh-huh!

1373

01:14:33,876 --> 01:14:35,084

Thank you!

1374

01:14:35,251 --> 01:14:36,751

- Bye-bye.

- Bye!

1375

01:14:38,001 --> 01:14:39,542

Thank you.

1376

01:14:39,709 --> 01:14:41,417

Whoa.

1377

01:14:42,709 --> 01:14:47,084

So it's... heavily guarded  
and impossibly tall.

1378

01:14:47,251 --> 01:14:48,959

As Amelia Earhart once said,

1379

01:14:49,126 --> 01:14:51,542

"Adventure is worthwhile in itself."

1380

01:14:54,501 --> 01:14:56,709

It's just something

I used to do. Let... let's go.

1381

01:15:09,334 --> 01:15:12,001

Hey! Who goes there?!

1382

01:15:13,042 --> 01:15:14,751

- Aha!

- Ah!

1383

01:15:14,917 --> 01:15:16,417

- Huh?

- Hi-yah!

1384

01:15:18,834 --> 01:15:21,417

Walk it off, big guy!

1385

01:15:26,834 --> 01:15:29,584

...was broken by a cartful  
of watermelons!

1386

01:15:29,751 --> 01:15:33,334

Let the other guards know  
immediately. Go, go, go!

1387

01:15:33,501 --> 01:15:35,376

We need to blend in.

1388

01:15:36,542 --> 01:15:38,251

Hmm...

1389

01:15:42,126 --> 01:15:46,209

Let's go. Ready. Ready!

1390

01:15:46,376 --> 01:15:49,959

Love the disguise, buddy, but, uh,  
you still stick out like a sore thumb.

1391

01:15:50,126 --> 01:15:53,126

Stay put. I'll be back for you

once I get Charlie.

1392

01:15:53,292 --> 01:15:54,584

Danger, danger.

1393

01:15:54,751 --> 01:15:57,167

Don't worry, I'll be fine.

1394

01:15:57,334 --> 01:15:59,417

- I'll see you soon.

- Bye-bye.

1395

01:16:01,001 --> 01:16:03,542

- Not if I can help it.

- ...that fits this description?

1396

01:16:03,709 --> 01:16:06,542

They are wearing a backpack  
with a sword sticking out of...

1397

01:16:06,709 --> 01:16:08,584

Do you mean like that?

1398

01:16:09,626 --> 01:16:11,167

Hey! Hey, you!

1399

01:16:11,334 --> 01:16:13,001

Stop at once!

1400

01:16:18,001 --> 01:16:21,667

Guards! I spotted an intruder  
inside our very city!

1401

01:16:21,834 --> 01:16:23,792

Go now! Go!

1402

01:16:34,501 --> 01:16:36,292

Charlie?

1403

01:16:36,459 --> 01:16:39,292

Oh... Charlie?!

1404

01:16:39,459 --> 01:16:41,417

Oh!

1405

01:16:42,459 --> 01:16:43,834

Charlie!

1406

01:16:57,126 --> 01:16:58,626

Hey, chop-chop! Let's go!

1407

01:16:58,792 --> 01:17:00,459

Bring me the stepstool!

Take it! Come on!

1408

01:17:00,626 --> 01:17:02,066

- No way! You take it!

- You take it!

1409

01:17:02,209 --> 01:17:03,917

- It's not my job!

- Take it right now.

1410

01:17:04,084 --> 01:17:05,602

- I'm not taking it.

- I am letting go!

1411

01:17:05,626 --> 01:17:07,001

- My hands are in the air!

- Do it!

1412

01:17:07,167 --> 01:17:09,417

- No. No.

- Yes. Yes. Yes. Yes!

1413

01:17:21,292 --> 01:17:25,084

- Maximus!

- Oh! Charlie?

1414

01:17:26,292 --> 01:17:27,501

Oh!

1415

01:17:31,792 --> 01:17:35,001

- Whoo!

- Maximus! Maximus!

1416

01:17:35,167 --> 01:17:37,292

- Maximus!

- Maximus! We want Maximus!

1417

01:17:37,459 --> 01:17:40,917

Ha-ha! Aw, you're all cheering  
for me and I love it!

1418

01:17:41,084 --> 01:17:43,501

I love it, I love it, I love it!

1419

01:17:43,667 --> 01:17:46,501

Make sure I'm outta here before  
any of this riffraff can touch me.

1420

01:17:46,667 --> 01:17:48,084

And now...

1421

01:17:48,251 --> 01:17:51,876

...the moment  
you've all been waiting for!

1422

01:17:52,042 --> 01:17:54,334

I give you...

1423

01:17:54,501 --> 01:17:57,459

...Charles the Destroyer!

1424

01:18:04,001 --> 01:18:05,459

Ah...

1425

01:18:08,584 --> 01:18:10,501

Huh... uh...

1426

01:18:10,667 --> 01:18:16,126

I, Emperor Maximus

of Constantinopolis,

1427

01:18:16,292 --> 01:18:19,042

declare the games...

1428

01:18:19,209 --> 01:18:21,126

...open!

1429

01:18:21,292 --> 01:18:22,751

What?!

1430

01:18:24,084 --> 01:18:26,834

Oh! Hey! Who do you think...

Oh! Oh-ho!

1431

01:18:30,792 --> 01:18:33,584

- Uh...

- Oh! Ah! Hey!

1432

01:18:37,042 --> 01:18:39,584

Uh...

1433

01:18:39,751 --> 01:18:41,667

- Wait!

- Yah!

1434

01:18:41,834 --> 01:18:44,792

Huh?

1435

01:18:44,959 --> 01:18:46,417

Marla?

1436

01:18:46,584 --> 01:18:49,251

Marla! Oh!

1437

01:18:49,417 --> 01:18:51,042

- Ooh!

- Oh, Charlie!

1438

01:18:51,209 --> 01:18:52,959

Thank goodness I found you!

1439

01:18:53,126 --> 01:18:56,126

You're the knight!

You're really the noble knight!

1440

01:18:56,292 --> 01:18:58,292

What a treat.

1441

01:18:58,459 --> 01:19:02,126

We have a special guest

for tonight's show!

1442

01:19:02,292 --> 01:19:03,709

Don't worry.

1443

01:19:03,876 --> 01:19:06,334

You can all pay extra for it

on the way out.

1444

01:19:06,501 --> 01:19:08,417

Now, release the beast!

1445

01:19:18,001 --> 01:19:20,393

Here he comes, here he comes,  
here he comes, here he comes,

1446

01:19:20,417 --> 01:19:22,292

here he comes, here he comes!

1447

01:19:23,542 --> 01:19:25,126

Um... Marla?

1448

01:19:25,292 --> 01:19:27,834

Alright, Charlie, we got this!

1449

01:19:36,626 --> 01:19:39,126

Marla, is that a T-Rex?!

1450

01:19:39,292 --> 01:19:42,001

Charlie... run!

1451

01:19:47,667 --> 01:19:49,251

Ha-ha! Turn around!

1452

01:19:49,417 --> 01:19:50,959

He's behind you!

1453

01:19:55,459 --> 01:19:58,209

Charlie, catch!

1454

01:20:04,501 --> 01:20:06,626

Stay away from my brother!

1455

01:20:14,667 --> 01:20:17,792

Ah! Ah!

1456

01:20:29,667 --> 01:20:33,042

Hey! I think you're part  
of my carpool.

1457

01:20:33,209 --> 01:20:35,667

No... way! Del!

1458

01:20:35,834 --> 01:20:39,292

Who ordered a food truck?!

1459

01:20:39,459 --> 01:20:41,792

- La-la-la-la-la-la!

- Hold on!

1460

01:20:41,959 --> 01:20:44,501

Let's make this dino... sore.

1461

01:20:44,667 --> 01:20:47,876

- Wah-wah-wah.

- Come on, it wasn't that bad!

1462

01:21:02,334 --> 01:21:04,126

Excellent!

1463

01:21:04,292 --> 01:21:07,626

Great timing! Oh, it's so good  
to see you guys!

1464

01:21:07,792 --> 01:21:10,084

Buckle up.

I'm getting us outta here.

1465

01:21:10,251 --> 01:21:13,042

You're not gonna believe  
what happened to me.

1466

01:21:13,209 --> 01:21:14,643

- I met a fairy godmother.  
- Hurry up!

1467

01:21:14,667 --> 01:21:16,876

- Del, eyes on the road!  
- And she gave me a wish!

1468

01:21:17,042 --> 01:21:20,292

Come on, you prehistoric pea-brain!  
Finish them!

1469

01:21:20,459 --> 01:21:22,751

- Del...  
- ...for a thousand breakfast burritos!

1470

01:21:22,917 --> 01:21:24,959

- So I paid Glinara back...

- It's gaining on us!

1471

01:21:25,126 --> 01:21:26,751

- Del, focus!

- Double!

1472

01:21:26,917 --> 01:21:29,251

And she let me use

her transporter to get back here!

1473

01:21:29,417 --> 01:21:31,584

Hold on back there!

1474

01:21:31,751 --> 01:21:33,709

Argh! Oh!

1475

01:21:34,917 --> 01:21:37,667

Ah! Guys! I got a plan!

1476

01:21:47,584 --> 01:21:49,084

Come on!

1477

01:21:49,251 --> 01:21:52,334

Del, we're in position.

Are you ready?

1478

01:21:52,501 --> 01:21:54,376

Ready! Let's go!

1479

01:21:54,542 --> 01:21:58,042

Okay, brave Viking,

this one's for Mom and Dad.

1480

01:21:58,209 --> 01:22:00,417

Let's do it

like we always used to.

1481

01:22:00,584 --> 01:22:03,667

It's time to take down this guy  
with the...

1482

01:22:03,834 --> 01:22:06,626

- Duo...

- Slingshot!

1483

01:22:09,292 --> 01:22:12,709

Go, Marla!

1484

01:22:15,209 --> 01:22:17,167

Catch me, Charlie! Catch me!

1485

01:22:17,334 --> 01:22:19,334

Oh! Yes!

1486

01:22:22,917 --> 01:22:26,167

- Oh.

- Marla, I don't think it worked!

1487

01:22:26,334 --> 01:22:29,584

Ha-ha-ha!

Finally! The big finale!

1488

01:22:43,084 --> 01:22:44,917

You don't see that every day.

1489

01:22:45,084 --> 01:22:49,167

- Awesome! Way to go!

- Oh, yeah! Whoo-hoo!

1490

01:22:52,084 --> 01:22:55,334

What the heck is going on?! Oh!

1491

01:22:55,501 --> 01:22:58,126

Guards, seize my prisoners!

1492

01:23:05,292 --> 01:23:07,709

Sorry we're late.

1493

01:23:07,876 --> 01:23:10,334

Had to do a bit of vanquishing  
before we arrived.

1494

01:23:10,501 --> 01:23:13,167

Oh, yeah! We bad!

1495

01:23:13,334 --> 01:23:15,417

Oh! How dare you all?!

1496

01:23:15,584 --> 01:23:18,834

Why, if I wasn't all the way  
up here on this balcony, I would...

1497

01:23:19,001 --> 01:23:21,417

- You'd what now?

- Oh!

1498

01:23:21,584 --> 01:23:23,501

Believe me, we wanted a fight,

1499

01:23:23,667 --> 01:23:27,084

but your soldiers ran away so fast.

1500

01:23:27,251 --> 01:23:29,709

Captain, I... I didn't see you there.

1501

01:23:29,876 --> 01:23:33,459

Uh, guards? Anyone? A little help?!

1502

01:23:33,626 --> 01:23:36,834

Yer days of swindlin'  
and plunderin' are over,

1503

01:23:37,001 --> 01:23:39,126

Maxi, old boy.

1504

01:23:39,292 --> 01:23:41,334

Toss this urchin in the brig!

1505

01:23:41,501 --> 01:23:43,251

Aye-aye, Cap'n.

1506

01:23:43,417 --> 01:23:45,334

Oh! No. No, no, no!

1507

01:23:45,501 --> 01:23:47,251

Oh, yeah, yeah, yeah!

1508

01:23:47,417 --> 01:23:49,876

Hey, hey, hey, hey!

Please don't hurt me. Ah!

1509

01:23:50,042 --> 01:23:52,917

Oh, no fair.

1510

01:23:53,084 --> 01:23:54,667

Ha-ha! Alright!

1511

01:23:54,834 --> 01:23:57,126

Whoo-hoo!

1512

01:23:57,292 --> 01:23:59,709

Captain Bloodbones,  
you got your crew back!

1513

01:23:59,876 --> 01:24:02,709

Aye, Charles!

I gave them a choice:

1514

01:24:02,876 --> 01:24:05,334

be eaten alive  
by a school of piranha,

1515

01:24:05,501 --> 01:24:07,126

or work for me!

1516

01:24:07,292 --> 01:24:09,917

Two of them chose the piranha!

1517

01:24:11,584 --> 01:24:14,501

Wow. Marla,

look at all these people.

1518

01:24:16,792 --> 01:24:20,917

Oh! Who are probably hungry...

1519

01:24:21,084 --> 01:24:23,917

...for some food from a food truck!

1520

01:24:24,084 --> 01:24:25,459

Burritos!

1521

01:24:25,626 --> 01:24:28,584

Meatballs and spicy burritos!

1522

01:24:28,751 --> 01:24:31,042

Whoo-hoo!

1523

01:24:31,209 --> 01:24:35,626

Come on down to Del's Belle  
for the finest spicy burritos...

1524

01:24:35,792 --> 01:24:38,001

- Let's go home, Marla.  
- Sure.

1525

01:24:38,167 --> 01:24:40,751

There's just one last thing  
I have to do.

1526

01:24:44,334 --> 01:24:45,667

Yah!

1527

01:24:45,834 --> 01:24:47,959

You're no one's prisoner anymore.

1528

01:24:48,126 --> 01:24:50,584

You can fly anywhere you want.

1529

01:25:06,126 --> 01:25:08,626

Viking and knight!

Viking and knight!

1530

01:25:08,792 --> 01:25:10,709

Viking and knight!

1531

01:25:10,876 --> 01:25:12,834

Yeah!

1532

01:25:14,876 --> 01:25:16,417

Thanks for your help, everybody.

1533

01:25:16,584 --> 01:25:19,292

It was an honor, my friend.

1534

01:25:19,459 --> 01:25:21,751

And a privilege to work with you,  
Agent Marla.

1535

01:25:21,917 --> 01:25:23,501

Ook-Ook...!

1536

01:25:23,667 --> 01:25:26,001

Good Ook-Ook.

1537

01:25:26,167 --> 01:25:29,126

- Ook-ook-ook.

- I guess... this is goodbye.

1538
