

Dialogues from Rango to improve the vocabulary in English

1

00:01:16,869 --> 00:01:20,037

We are gathered here today
to immortalise in song

2

00:01:20,164 --> 00:01:23,624

the life and untimely death
of a great legend.

3

00:01:23,709 --> 00:01:26,043

-Rango.
-So sit back, relax,

4

00:01:26,170 --> 00:01:30,047

and enjoy your low-calorie popcorn
and assorted confections

5

00:01:30,174 --> 00:01:34,969

while we tell you the strange
and bewildering tale of a hero

6

00:01:35,053 --> 00:01:38,514

who has yet to enter his own story.

7

00:01:53,197 --> 00:01:55,907

Crunchy, creamy, cookie,
candy, cupcake.

8

00:01:57,242 --> 00:01:59,410

Okay, everybody,
let's take it from the top.

9

00:02:00,746 --> 00:02:04,248

The stage is set,
the night moist with apprehension.

10

00:02:04,333 --> 00:02:08,336

Alone in her chamber, the princess
prepares to take her own life.

11

00:02:09,046 --> 00:02:12,924

"It is far better to nourish worms
than to live without love."

12

00:02:13,008 --> 00:02:14,926

She reaches for the poisoned chalice.

13

00:02:15,052 --> 00:02:18,387

Meanwhile, the wicked Malvolio
plots his ascension to the throne

14

00:02:18,889 --> 00:02:20,890

while her ageing father lies gravely ill.

15

00:02:21,391 --> 00:02:23,559

"Yes, I am gravely ill."

16

00:02:24,770 --> 00:02:26,896

"Hark, who goes there?"

17

00:02:27,105 --> 00:02:29,524

'Tis I, the much-anticipated hero,

18

00:02:29,608 --> 00:02:32,276

returning to rescue

his emotionally unstable maiden!

19

00:02:32,402 --> 00:02:34,445

Unhand her, you jailers of virtue,

20

00:02:34,530 --> 00:02:37,406

or taste the bitter sting

of my vengeance!

21

00:02:38,450 --> 00:02:40,409

The sting of my...

22

00:02:43,038 --> 00:02:44,288

Dr Marx?

23

00:02:44,414 --> 00:02:47,041

Dr Marx,

I'm not getting anything from you.

24

00:02:47,125 --> 00:02:51,045

People, we've talked about this.

Acting is reacting.

25

00:02:51,129 --> 00:02:53,631

Victor, you were wooden!

There, I said it.

26

00:02:53,757 --> 00:02:55,591

Mr Timms? You were good.

27

00:02:57,052 --> 00:02:58,761

Perhaps a little too good.

28

00:02:59,263 --> 00:03:03,057

What's that, Victor? My character's
undefined? That's absurd.

29

00:03:03,141 --> 00:03:08,145

I know who I am.

I'm the guy, the protagonist, the hero.

30

00:03:08,272 --> 00:03:12,233

Every story needs a hero.

I mean, who else is better qualified

31

00:03:12,317 --> 00:03:15,987

to bask in the adulation
of his numerous companions?

32

00:03:34,965 --> 00:03:36,841

The stage is waiting.

33

00:03:37,301 --> 00:03:40,011

The audience thirsts for adventure.

34

00:03:42,306 --> 00:03:43,848

Who am I?

35

00:03:44,850 --> 00:03:46,434

I could be anyone.

36

00:03:46,852 --> 00:03:51,355

I could be the sea cap'n
returning from a mighty voyage

37

00:03:51,440 --> 00:03:53,649

to reclaim his mechanical arm!

38

00:03:55,152 --> 00:03:59,280

Or I could be the rogue anthropologist,
battling pythons down in the Congo!

39

00:03:59,364 --> 00:04:01,115

Down, Chongo, down!

40

00:04:01,867 --> 00:04:04,118

And if you desire romance,

41

00:04:05,537 --> 00:04:08,706

I will become the greatest lover
the world has ever known!

42

00:04:15,631 --> 00:04:19,800

I couldn't help but notice you
noticing me noticing you.

43

00:04:19,885 --> 00:04:23,638

You know, the womens find me
uncomfortably good looking.

44

00:04:23,722 --> 00:04:26,182

But you seem remarkably at ease.

45

00:04:26,642 --> 00:04:28,476

Stop it. No, really.

46

00:04:28,560 --> 00:04:30,978

Well, if you must. What are you doing?

47

00:04:31,063 --> 00:04:33,064

That tickles. Are those real?

48

00:04:34,149 --> 00:04:36,317

That's it! Conflict.

49

00:04:36,401 --> 00:04:38,986

Victor, you were right.

I have been undefined.

50

00:04:39,821 --> 00:04:44,200

People, I've had an epiphany.

The hero cannot exist in a vacuum!

51

00:04:44,368 --> 00:04:47,411

What our story needs is an ironic,
unexpected event

52

00:04:47,496 --> 00:04:50,247

that will propel the hero into conflict!

53

00:05:46,805 --> 00:06:09,410

Mr Timms?

54

00:06:30,098 --> 00:06:32,099

That's right! You!

55

00:06:33,477 --> 00:06:35,478

Don't be shy. Come on.

56

00:06:35,896 --> 00:06:37,688

It's okay.

57

00:06:37,773 --> 00:06:39,774

That's it, a little closer.

58

00:06:41,276 --> 00:06:42,443

Good.

59

00:06:42,944 --> 00:06:44,737

I won't bite you.

60

00:06:46,948 --> 00:06:48,866

I need a little help here.

61

00:06:49,493 --> 00:06:50,743

Are you okay?

62

00:06:51,369 --> 00:06:53,871

I must get to the other side.

63

00:06:53,955 --> 00:06:56,749

The other side? You mean, just now,
that was you crossing the road?

64

00:06:56,833 --> 00:06:58,125

That's why the...

65

00:06:59,294 --> 00:07:00,544

Why'd you do that?

66

00:07:00,629 --> 00:07:03,756

This is my quest. He waits for me.

67

00:07:03,840 --> 00:07:05,216

What? Who?

68

00:07:05,300 --> 00:07:08,886

The Spirit of the West, amigo. The one.

69

00:07:08,970 --> 00:07:13,349

They say he rides an alabaster carriage
with golden guardians to protect him.

70

00:07:13,433 --> 00:07:15,226

What are you talking about?

71

00:07:15,310 --> 00:07:18,687

Enlightenment.

We are nothing without it.

72

00:07:19,189 --> 00:07:22,399

Nothing? Your delusional quest
just ruined my life!

73

00:07:22,484 --> 00:07:24,944

I had an incredibly complex
social network going!

74

00:07:25,028 --> 00:07:27,905

Highly sophisticated friends!
I was very popular!

75

00:07:28,740 --> 00:07:30,115

Friends? I don't see no friends.

76

00:07:32,786 --> 00:07:34,703

You are a very lonely lizard.

77

00:07:35,539 --> 00:07:38,916

Look, I need water, hydration.
My teeth are chapped.

78

00:07:39,000 --> 00:07:41,168

I need lotion.

I'm down to one layer of skin already.

79

00:07:41,253 --> 00:07:43,003

Pretty soon,

I'm going to start seeing my insides.

80

00:07:43,088 --> 00:07:45,714

Not unlike what you've got going there.

81

00:07:45,841 --> 00:07:47,633

Listen, I can't survive

in the desert, okay?

82

00:07:47,717 --> 00:07:49,635

I... I don't belong here.

83

00:07:49,803 --> 00:07:53,013

That may be true, but here you are.

84

00:07:54,224 --> 00:07:58,561

Now help me up
and I will help you find what you seek.

85

00:07:58,645 --> 00:08:01,146

-You will?

-And perhaps more.

86

00:08:01,231 --> 00:08:03,274

Quickly. I must get back to my quest.

87

00:08:03,567 --> 00:08:07,027

-You mean you've done this before?

-Yes. Many times.

88

00:08:07,696 --> 00:08:10,614

Come, come. That's it, pull my finger.

89

00:08:10,699 --> 00:08:12,700

The Spirit is waiting for me.

90

00:08:13,076 --> 00:08:14,535

Okay, okay.

91

00:08:19,958 --> 00:08:22,251

Okay. That's not going to work.

92

00:08:22,335 --> 00:08:24,295

I must get to the other side.

93

00:08:24,379 --> 00:08:27,881

Why don't you just wait
until there are no cars coming?

94

00:08:27,966 --> 00:08:29,633

It's not so easy as it looks.

95

00:08:29,718 --> 00:08:30,759

What?

96

00:08:31,011 --> 00:08:32,261

Is a metaphor.

97

00:09:02,834 --> 00:09:04,001

There's another one!

98

00:09:05,837 --> 00:09:06,920

I knew it.

99

00:09:18,516 --> 00:09:20,267

You need a little help, amigo?

100

00:09:20,352 --> 00:09:23,437

I think the metaphor broke my spleen.

101

00:09:23,521 --> 00:09:26,106

The path to knowledge
is fraught with consequence.

102

00:09:26,191 --> 00:09:29,026

I'm just looking for the path to water.

103

00:09:29,110 --> 00:09:33,822

If you want to find water,
you must first find Dirt.

104

00:09:34,991 --> 00:09:36,325

Dirt.

105

00:09:37,118 --> 00:09:39,536

Destiny, she is kind to you.

106

00:09:39,663 --> 00:09:42,539

Tomorrow is Wednesday.

The water comes.

107

00:09:43,541 --> 00:09:47,169

At noon, the townspeople gather
for a mysterious ritual.

108

00:09:48,380 --> 00:09:52,132

A town? You mean, with real people
and everything? Where?

109

00:09:52,217 --> 00:09:55,052

A day's journey. Follow your shadow.

110

00:09:56,846 --> 00:10:00,307

You want me to just walk out
into the desert?

111

00:10:00,392 --> 00:10:01,475

That's the way.

112

00:10:01,559 --> 00:10:03,977

Okay. So you're saying

113

00:10:04,062 --> 00:10:07,648

there's a town, a real town,
not a metaphor town.

114

00:10:07,732 --> 00:10:09,233

Go on. It's okay.

115

00:10:09,734 --> 00:10:10,901

Okay.

116

00:10:11,569 --> 00:10:12,986

Well, then, I'm going.

117

00:10:13,571 --> 00:10:16,407

I am leaving the road now!

118

00:10:16,991 --> 00:10:19,993

I'm walking into the desert!

119

00:10:20,578 --> 00:10:21,745

Alone!

120

00:10:21,871 --> 00:10:24,415

We all have our journeys to make!

121

00:10:25,083 --> 00:10:27,751

I will see you on the other side.

122

00:10:41,891 --> 00:10:45,018

Welcome, amigo

123

00:10:45,103 --> 00:10:48,105

To the land without end

124

00:10:48,606 --> 00:10:51,358

The desert and death

125

00:10:51,443 --> 00:10:55,362

Are the closest of friends

126

00:10:55,447 --> 00:10:58,365

We sing of his courage

127

00:10:58,450 --> 00:11:01,702

In magnificent song

128

00:11:01,786 --> 00:11:04,621

But pay close attention

129

00:11:04,706 --> 00:11:07,624

He won't be here long

130

00:11:11,921 --> 00:11:15,048

As the birds pluck his eyes

The sun bleaches his bones

131

00:11:15,133 --> 00:11:20,137

See his entrails get scattered

Watch him lose his cojones

132

00:11:26,770 --> 00:11:29,062

Here in the Mojave Desert,

133

00:11:29,147 --> 00:11:34,401

animals have had millions of years
to adapt to the harsh environment.

134

00:11:34,486 --> 00:11:37,738

But the lizard? He is going to die.

135

00:11:38,490 --> 00:11:41,492

"Four score and seven years ago,
our fathers..."

136

00:11:41,576 --> 00:11:43,660

-Don't move.

-What?

137

00:11:49,667 --> 00:11:51,585

-Don't move!

-Not moving.

138

00:11:51,669 --> 00:11:52,753

Not moving.

139

00:11:52,837 --> 00:11:55,005

Try to blend in.

140

00:11:55,131 --> 00:11:56,673

Blend in? What do you mean?

141

00:12:00,470 --> 00:12:01,678

Blend in.

142

00:12:01,805 --> 00:12:03,514

What are you saying?

143

00:12:05,350 --> 00:12:06,934

-Too late.

-No, no. It's not too late!

144

00:12:07,018 --> 00:12:09,269

I'm blending! I'm a blender!

145

00:12:09,521 --> 00:12:11,480

Hey, calm down! What are you doing?

146

00:12:14,567 --> 00:12:15,901

Stop moving!

147

00:12:16,528 --> 00:12:18,237

Try not to look conspicuous.

148

00:12:27,914 --> 00:12:29,289

-What are you doing?

-I'm blending.

149

00:12:29,374 --> 00:12:31,208

-Go blend somewhere else.

-Don't distract me.

150

00:12:31,292 --> 00:12:33,126

-No room at the inn.

-It's an art, not a science.

151

00:12:33,211 --> 00:12:35,170

-Find your own hiding place.

-No, this is good.

152

00:12:35,755 --> 00:12:37,965

Here she comes! You better run, Mojito!

153

00:12:38,049 --> 00:12:41,844

-What? I thought you said, "Don't move."

-That was before. Now, you run.

154

00:13:29,225 --> 00:13:31,226

Oh, hey. Proboscis.

155

00:13:31,895 --> 00:13:32,936

Testy.

156

00:13:45,909 --> 00:13:49,786

Please, no, please. I have vertigo!

My glands are swelling!

157

00:13:51,289 --> 00:13:52,456

Please, no.

158

00:14:00,840 --> 00:14:04,426

You! I'll kill you! You stupid lizard!

159

00:14:04,510 --> 00:14:06,428

Get out of there.

I'm going to strangle your huevos!

160

00:14:06,512 --> 00:14:08,305

Big bird! Big bird!

161

00:14:09,182 --> 00:14:11,892

No, wait! Come back! I was just kidding!

162

00:14:11,976 --> 00:14:13,894

-Come on, we're friends, right?

-I don't know you!

163

00:14:13,978 --> 00:14:15,771

-Lizards, frogs...

-Find your own hiding place!

164

00:14:15,855 --> 00:14:17,522

-We're practically related!

-No room at the inn!

165

00:14:17,607 --> 00:14:19,024

-Come on, move over!

-You're not my friend!

166

00:14:19,108 --> 00:14:21,234

I'll let you kiss my sister!

167

00:14:30,203 --> 00:14:31,870

You son of a...

168

00:15:26,759 --> 00:15:29,845

Where are your friends now, amigo?

169

00:15:58,374 --> 00:16:01,168

Get your slimy-webbed phalanges
off my boots!

170

00:16:02,253 --> 00:16:03,295

Sorry.

171

00:16:03,379 --> 00:16:06,631

I got a bead on you, stranger.

So you get up real slow

172

00:16:06,716 --> 00:16:08,175

lessen you want to spend the better part

173

00:16:08,259 --> 00:16:10,135

of the afternoon

putting your face back together!

174

00:16:10,219 --> 00:16:12,929

-No, ma'am, I don't.

-Who are you?

175

00:16:13,014 --> 00:16:15,348

-Who am I?

-I'm asking the questions here!

176

00:16:15,433 --> 00:16:17,893

Our town is drying up.

We're in the middle of a drought.

177

00:16:17,977 --> 00:16:19,728

Now someone's dumping water
in the desert!

178

00:16:19,812 --> 00:16:21,938

It's a puzzle of undeterminable size
and dimension,

179

00:16:22,023 --> 00:16:24,858

but I intend to find out
what role you playing in all this.

180

00:16:24,942 --> 00:16:27,569

-Role?

-What are you involved in?

181

00:16:27,904 --> 00:16:30,197

Well, I'm glad you asked.

182

00:16:30,281 --> 00:16:33,408

I've got two one-acts, a mystery
and a musical I've been gestating.

183

00:16:33,493 --> 00:16:36,620

I got the words, I'm just working on
the melody right now. It's like a...

184

00:16:38,790 --> 00:16:40,040

I think it's gonna be a western.

185

00:16:40,124 --> 00:16:42,751

A monkey got a cracker
His mother was a slapper

186

00:16:42,835 --> 00:16:46,463

She'll be coming 'round the mountain
in the rain

187

00:16:47,715 --> 00:16:50,634

You ain't from around here, are you?

188

00:16:51,803 --> 00:16:53,970

I'm still working on it.

189

00:16:55,556 --> 00:16:56,890

So, what's your name?

190

00:16:57,600 --> 00:16:59,518

-Beans.

-That's a funny kind of name.

191

00:16:59,602 --> 00:17:02,562

What can I say?

My daddy plumb loved baked beans.

192

00:17:02,647 --> 00:17:04,397

Well, you're lucky

he didn't plumb love asparagus.

193

00:17:04,482 --> 00:17:05,690

What are you saying?

194

00:17:05,775 --> 00:17:07,859

I mean,

I enjoy a hearty puttanesca myself,

195

00:17:07,944 --> 00:17:10,237

but I'm not sure that a child

would appreciate the moniker.

196

00:17:10,321 --> 00:17:14,950

My daddy was a great man, even if
he did exhibit a proclivity for legumes.

197

00:17:15,034 --> 00:17:17,577

-Spicy.

-You're eating his ashes!

198

00:17:18,955 --> 00:17:20,122

You carry his remains?

199

00:17:20,206 --> 00:17:23,500

No, his ashes. He loved to smoke.

They never found the body.

200

00:17:23,584 --> 00:17:25,585

Well, I'm sure he had his reasons.

201

00:17:25,670 --> 00:17:27,671

-What are you implying?

-Nothing.

202

00:17:27,755 --> 00:17:29,756

My daddy was never near
that mine shaft.

203

00:17:29,841 --> 00:17:31,424

He'd been sober for over a month!

204

00:17:31,509 --> 00:17:34,469

And for you to insinuate that he would
abandon his parental responsibilities

205

00:17:34,554 --> 00:17:38,515

at a delicate time in my personal
development is an affront to my sense...

206

00:17:42,186 --> 00:17:43,562

Miss Beans?

207

00:17:44,355 --> 00:17:46,815

Miss Beans? Hello?

208

00:17:48,776 --> 00:17:49,860

Hello?

209

00:18:06,127 --> 00:18:08,003

And until the people of Andromeda Five

210

00:18:08,087 --> 00:18:11,256

return him safe and sound,

I will not sell my ranch!

211

00:18:12,633 --> 00:18:14,968

-What... What are you doing?

-What are you doing?

212

00:18:15,052 --> 00:18:16,928

-What am I doing?

-You're cuddling me.

213

00:18:17,013 --> 00:18:18,430

-You were frozen.

-I was not.

214

00:18:18,514 --> 00:18:20,432

Yes, you were. You stopped talking.

215

00:18:20,516 --> 00:18:23,810

It's a defence mechanism.

Actually, lots of lizards have it.

216

00:18:23,895 --> 00:18:25,103

You're making that up.

217

00:18:25,897 --> 00:18:28,148

So, you gonna die out here,

or you want a ride into town?

218

00:18:28,232 --> 00:18:32,194

No, no, no. Yeah. No. Yes, please.

Thank you. Sorry.

219

00:18:32,278 --> 00:18:36,031

Today's Wednesday.

Wednesday's when we all get to it.

220

00:18:36,782 --> 00:18:38,241

So who are you, really?

221

00:18:38,326 --> 00:18:40,076

Well, I'm a man of many epithets.

222

00:18:40,161 --> 00:18:42,537

There's my stage name, my pen name,
my avatar.

223

00:18:42,622 --> 00:18:45,165

I had a pseudonym once,
but I had it legally changed.

224

00:18:45,249 --> 00:18:49,252

And so the stranger,
seeking companionship,

225

00:18:49,337 --> 00:18:53,673

finds the woman,
much like the sirens of ancient times

226

00:18:53,758 --> 00:18:58,053

luring him to his certain demise.

227

00:18:58,638 --> 00:19:00,430

...nom de plume, I have a CB handle.

228

00:19:00,514 --> 00:19:02,224

I'm actually one of the few men
with a maiden name.

229

00:19:02,308 --> 00:19:04,976

Whoa! Well, here we are.

230

00:19:12,360 --> 00:19:13,485

Right.

231

00:19:13,569 --> 00:19:16,154

Well, I sure do appreciate this,
Miss Beans,

232

00:19:16,239 --> 00:19:18,990

-and if there's ever anything that I...
-Get on up!

233

00:19:19,617 --> 00:19:21,117

Okay, then!

234

00:19:21,619 --> 00:19:23,620

See you, Beans.

235

00:19:40,263 --> 00:19:41,429

You heading out, Jim?

236

00:19:41,514 --> 00:19:44,641

Well, we gave it our best shot.

We had to sell out.

237

00:19:44,725 --> 00:19:47,602

Can't grow no crops without no water.

238

00:19:48,938 --> 00:19:50,689

Bye, now!

239

00:19:55,528 --> 00:19:56,945

What is it?

240

00:20:00,199 --> 00:20:01,283

What was that for?

241

00:20:01,742 --> 00:20:03,076

You're funny looking.

242

00:20:03,494 --> 00:20:05,829

Oh, yeah?

Well, you're funny looking, too.

243

00:20:05,913 --> 00:20:08,290

-That's a funny-looking shirt.

-That's a funny-looking dress.

244

00:20:08,374 --> 00:20:10,792

-You got funny-looking eyes!

-You got a funny-looking face!

245

00:20:11,836 --> 00:20:15,839

You're a stranger.

Strangers don't last long here.

246

00:20:16,215 --> 00:20:18,341

Here's your beans, Beans.

247

00:20:18,426 --> 00:20:20,468

I'm gonna need some more feed, too,
Willie.

248

00:20:20,553 --> 00:20:24,597

Now, Beans, you owe me three quarts
already. I can't give you more credit.

249

00:20:24,682 --> 00:20:26,975

But I'll have what I owe you at noon.

250

00:20:27,059 --> 00:20:32,314

You don't understand. It's Mr Merrimack
down at the bank. He cut off all credit.

251

00:20:32,398 --> 00:20:34,607

Hey, Beans! Beans!

252

00:20:34,775 --> 00:20:36,818

You know that there fella?

253

00:20:36,902 --> 00:20:38,445

Hey, Beans! Miss Beans!

254

00:20:38,904 --> 00:20:40,488

Nope.

255

00:20:40,573 --> 00:20:41,781

Hey, Beans!

256

00:20:41,991 --> 00:20:43,033

Hey.

257

00:20:44,785 --> 00:20:47,787

Right. Blend in. Yeah, blend in.

258

00:22:18,963 --> 00:22:20,797

I'd like a glass of water.

259

00:22:23,551 --> 00:22:25,218

He wants a glass of water!

260

00:22:25,636 --> 00:22:27,595

Make it a double!

261

00:22:27,680 --> 00:22:29,055

Give him the spittoon!

262

00:22:33,978 --> 00:22:37,689

Cactus juice. That's what we got.

263

00:23:01,505 --> 00:23:03,256

Hey, there, fruit cup.

264

00:23:03,340 --> 00:23:07,385

You're a long ways from home, ain't ya?

265

00:23:07,511 --> 00:23:10,013

Who exactly are you?

266

00:23:14,351 --> 00:23:15,685

Who am I?

267

00:23:17,438 --> 00:23:18,521

I could be anyone.

268

00:23:22,359 --> 00:23:26,571

What's the matter?

You missing your mommy's mangos?

269

00:23:27,698 --> 00:23:29,866

As a matter of fact, I am.

270

00:23:30,743 --> 00:23:32,869

But not as much as

your daddy's cooking!

271

00:23:35,122 --> 00:23:38,291

Exactly where did you say

you were from?

272

00:23:38,375 --> 00:23:41,711

Me? I'm from the West.

273

00:23:41,795 --> 00:23:45,048

Out there, beyond the horizon.

Past the sunset.

274

00:23:46,050 --> 00:23:47,717

The Far West.

275

00:23:49,720 --> 00:23:51,387

Yeah, that's right, hombres.

276

00:23:51,472 --> 00:23:54,224

The place I come from,
we kill a man before breakfast

277

00:23:54,308 --> 00:23:56,476

just to work up an appetite.

278

00:23:57,144 --> 00:23:59,270

Then we salt him, and we pepper him.

279

00:23:59,396 --> 00:24:03,525

Then we braise him in clarified butter.
And then we eat him.

280

00:24:03,609 --> 00:24:05,652

-You eat him?

-That's what I said!

281

00:24:05,736 --> 00:24:09,864

Hell, I seen things make a grown man
lose control of his glandular functions!

282

00:24:09,949 --> 00:24:13,159

You spend three days in a horse
carcass, living off your own juices.

283

00:24:13,244 --> 00:24:16,120

It'll change a man. Oh, yeah.

284

00:24:18,499 --> 00:24:23,086

Had a few extra aces in this deck,
gents. Just the way I like it.

285

00:24:23,420 --> 00:24:28,091

So, no, my hirsute little rodent friend,
I am not from around these parts.

286

00:24:28,175 --> 00:24:30,510

You might say I'm from everywhere
there's trouble brewing

287

00:24:30,594 --> 00:24:32,887

and hell waiting to be raised.

288

00:24:32,972 --> 00:24:36,432

You might say

I'm what hell's already raised up.

289

00:24:37,643 --> 00:24:39,269

Name's

290

00:24:39,979 --> 00:24:44,274

Rango.

291

00:24:45,985 --> 00:24:48,111

Are you the fella

that killed them Jenkins brothers?

292

00:24:49,280 --> 00:24:51,573

Killed them with one bullet.

293

00:24:51,657 --> 00:24:53,449

Don't get no deader.

294

00:24:53,534 --> 00:24:55,618

All seven of them?

295

00:24:56,662 --> 00:24:58,121

That's right.

296

00:24:58,664 --> 00:25:00,456

All seven of them.

297

00:25:01,333 --> 00:25:04,669

Exactly how you do that, Mr Rango?

298

00:25:07,214 --> 00:25:09,048

You know, I'm glad you asked me that.

299

00:25:09,133 --> 00:25:13,136

And I will be happy to tell you how.

But you're all gonna have to listen up!

300

00:25:14,346 --> 00:25:16,639

Because this is where it gets

301

00:25:17,349 --> 00:25:19,017

complicated.

302

00:25:21,145 --> 00:25:24,022

That'll close out your account,
Mrs Oats, two gulps and a swig.

303

00:25:24,148 --> 00:25:27,400

Hands off, Mordecai! That's what's left
of your college education!

304

00:25:29,820 --> 00:25:32,071

I don't rightly have
no other choice, Beans.

305

00:25:32,156 --> 00:25:36,326

Times being so hard,
we just can't give no more credit.

306

00:25:36,910 --> 00:25:39,662

But this here is a bank.

This is where you keep the water.

307

00:25:42,833 --> 00:25:47,170

Beans, you've been like a niece to me
ever since your daddy

308

00:25:48,672 --> 00:25:52,216

did not fall drunk down a mine shaft.

309

00:25:52,343 --> 00:25:56,846

I've tried to protect you and others
from certain realities.

310

00:25:56,930 --> 00:25:58,931

But that... Well...

311

00:25:59,516 --> 00:26:01,225

-Mr Merrimack?

-Realities are bearing down.

312

00:26:01,352 --> 00:26:02,852

Mr Merrimack!

313

00:26:03,687 --> 00:26:04,896

Are you all right?

314

00:26:05,522 --> 00:26:09,025

Beans, I need to show you something.

315

00:26:16,742 --> 00:26:20,203

-That's all that's left?

-And this here is the reserve!

316

00:26:20,287 --> 00:26:21,954

I don't know if you've noticed,

317

00:26:22,039 --> 00:26:25,541

but folks just ain't making deposits

on a Wednesday no more!

318

00:26:25,626 --> 00:26:29,087

Mr Merrimack, if I don't get some water,

I'm gonna lose my ranch

319

00:26:29,213 --> 00:26:31,547

and you're telling me
that's all that's left in the whole town?

320

00:26:31,632 --> 00:26:34,801

Now that just don't make no sense.

Now, listen.

321

00:26:34,885 --> 00:26:38,888

Someone is dumping water
in the desert.

322

00:26:39,556 --> 00:26:42,308

I seen it with my own eyes.

323

00:26:44,103 --> 00:26:46,020

Water in the desert?

324

00:26:46,105 --> 00:26:49,148

Was this during
one of your special times?

325

00:26:49,441 --> 00:26:50,483

No.

326

00:26:50,567 --> 00:26:54,654

Well, we can all dream,
but this is the reality.

327

00:26:54,738 --> 00:26:58,366

Why do you think so many people
are selling out? They just can't make it.

328

00:26:58,450 --> 00:27:00,910

Well, what am I supposed to do?

329

00:27:01,328 --> 00:27:04,038

Well, I suppose
we could talk to the Mayor.

330

00:27:04,123 --> 00:27:07,291

I hear he's been helping people out
in this time of crisis.

331

00:27:07,418 --> 00:27:08,501

The Mayor?

332

00:27:08,585 --> 00:27:11,295

He may be our only hope.

333

00:27:11,422 --> 00:27:14,340

Bullet hits a shovel, ricochets back
towards number three,

334

00:27:14,425 --> 00:27:15,800

and that's when the roof caved in,

335

00:27:15,926 --> 00:27:18,010

igniting the thermos
of pure grain alcohol

336

00:27:18,095 --> 00:27:21,931

instantly vapourising his bodily form,
leaving nothing but a charcoal statue

337

00:27:22,015 --> 00:27:24,142

and a high-pitched squeal.

338

00:27:29,940 --> 00:27:33,860

Hold on, there. That's only six.

What happened to number seven?

339

00:27:35,112 --> 00:27:36,446

Number seven?

340

00:27:36,530 --> 00:27:38,865

Hell, he died of infection.

341

00:27:42,119 --> 00:27:44,162

-Seven men!

-One bullet!

342

00:27:44,288 --> 00:27:46,289

Drinks all around!

343

00:27:49,126 --> 00:27:51,169

Dance for me, Sod Buster!

344

00:27:51,295 --> 00:27:54,005

-Yes, dance like a chicken!

-That's right! Dance!

345

00:27:55,466 --> 00:27:57,633

You got corn in your ears, mate?

346

00:27:57,718 --> 00:28:00,678

You don't pay the mortgage,
you don't own the land!

347

00:28:00,804 --> 00:28:03,848

-That's basic real estate law, my friend.
-Quid pro quo!

348

00:28:03,974 --> 00:28:07,018

If I see your face in this town again,

349

00:28:07,144 --> 00:28:11,522

I'm gonna slice it off and use it
to wipe my unmentionables.

350

00:28:12,191 --> 00:28:13,399

Mind the beak.

351

00:28:14,568 --> 00:28:17,153

And don't come back!

352

00:28:18,989 --> 00:28:21,699

What are you all gawping at?

353

00:28:25,245 --> 00:28:28,831

Hey, Bad Bill,

there's something I got to tell you!

354

00:28:33,420 --> 00:28:34,712

What is this?

355

00:28:34,838 --> 00:28:38,841

You know who that is, Bill?

That there's Rango!

356

00:28:38,926 --> 00:28:42,762

Yeah, he ain't afraid of you!

He ain't afraid of none of you.

357

00:28:42,846 --> 00:28:44,305

Killed them Jenkins brothers.

358

00:28:44,389 --> 00:28:47,350

-Done it with one bullet, Bill.

-All seven of them!

359

00:28:48,018 --> 00:28:49,894

Is that right?

360

00:29:27,599 --> 00:29:29,892

Let me get that before you...

361

00:29:34,314 --> 00:29:36,065

No. Oh, I know. Here.

362

00:29:39,903 --> 00:29:42,446

Just take care of that for you.

363

00:29:43,240 --> 00:29:45,449

There. All better.

364

00:30:09,892 --> 00:30:12,435

T.O. T.O. Just a second.

365

00:30:14,771 --> 00:30:16,147

All right, now listen!

366

00:30:16,273 --> 00:30:19,483

I'm going to give you fellas

one last chance to reconsider!

367

00:30:23,989 --> 00:30:27,241

And if you don't want to reconsider

368

00:30:27,326 --> 00:30:30,453

I might consider reconsidering myself.

369

00:30:41,798 --> 00:30:45,176

Now that's what I'm talking about. Yeah.

370

00:30:45,302 --> 00:30:46,886

All right, now listen up!

371

00:30:46,970 --> 00:30:50,014

Things are going to be different

around here now that Rango's in town.

372

00:30:50,140 --> 00:30:53,184

Got some new rules!

I want my shoes shined every morning,

373

00:30:53,310 --> 00:30:55,186

my coffee hot, Danish on the side.

374

00:30:55,312 --> 00:30:57,521

Whatever you do,

don't look me in the eye.

375

00:30:57,648 --> 00:31:00,107

Stay out of my peripheral vision!

376

00:31:00,359 --> 00:31:02,151

-It's Rango.

-What's he up to?

377

00:31:02,277 --> 00:31:05,404

He ain't afraid of nobody.

He's telling that bird what's for!

378

00:31:05,489 --> 00:31:07,323

And when you see me coming,
stand aside.

379

00:31:07,616 --> 00:31:10,368

I take large steps and I don't want
none of you hayseeds

380

00:31:10,494 --> 00:31:13,162

getting your bodily fluids on my boots!

381

00:31:14,623 --> 00:31:17,833

Of course, there is no need for violence,

382

00:31:17,960 --> 00:31:20,878

as long as we stick together,
work as a team.

383

00:31:21,004 --> 00:31:24,382

So I want you all to come outside now
and line up single file

384

00:31:24,508 --> 00:31:25,967

while I take a brief intermission!

385

00:31:28,845 --> 00:31:30,638

What's he doing now?

386

00:31:30,722 --> 00:31:32,348

I think it's a number two.

387

00:31:53,870 --> 00:31:55,871

Never mind.

388

00:32:16,768 --> 00:32:18,477

Take a look-see over here!

389

00:32:18,562 --> 00:32:19,812

Well, look at him now!

390

00:32:19,896 --> 00:32:21,772

He's chasing after that hawk!

391

00:32:21,898 --> 00:32:52,887

Give him hell, Rango!

392

00:34:17,305 --> 00:34:20,099

-Did you see that?

-He killed that thing!

393

00:34:20,183 --> 00:34:21,851

What do you think, Doc?

394

00:34:22,561 --> 00:34:25,312

This hawk is dead!

395

00:34:25,897 --> 00:34:28,357

Shoot, I say we cook that right up.

396

00:34:28,483 --> 00:34:30,150

He did it with one bullet!

397

00:34:30,235 --> 00:34:31,777

Just like he said!

398

00:34:31,862 --> 00:34:33,612

It's about time

we had a hero around here.

399

00:34:33,697 --> 00:34:35,990

One who ain't in a pine box.

400

00:34:36,658 --> 00:34:39,493

I think it's time he met the Mayor.

401

00:34:39,578 --> 00:34:42,538

You hear that, Rango?

You're going to meet the Mayor!

402

00:34:42,664 --> 00:34:44,999

Let's hear it for Rango!

403

00:34:48,336 --> 00:34:50,754

And so the stranger basks

404

00:34:50,881 --> 00:34:54,216

in the adulation of his new friends,

405

00:34:54,342 --> 00:34:59,513

sinking deeper into the guacamole
of his own deception.

406

00:34:59,598 --> 00:35:01,265

When is he going to die?

407

00:35:01,391 --> 00:35:03,851

Soon, compadre. Soon.

408

00:35:20,410 --> 00:35:22,411

My land is not for sale!

409

00:35:23,580 --> 00:35:26,081

I came here to save my land, not sell it!

410

00:35:26,207 --> 00:35:29,877

I'm sure there's something reasonable
we can work out if you just talk to him!

411

00:35:31,254 --> 00:35:33,047

Beans! Where are you going? Beans?

412

00:35:33,590 --> 00:35:35,424

The Mayor will see you now.

413

00:35:40,889 --> 00:35:44,141

Water, Mr Rango, water.

414

00:35:44,601 --> 00:35:47,937

Without it,

there's nothing but dust and decay.

415

00:35:48,063 --> 00:35:52,566

But with water there's life.

416

00:35:54,444 --> 00:35:59,448

Look at them, so desperate to live,

they'll follow it anywhere.

417

00:36:00,116 --> 00:36:02,201

That's the immutable law of the desert.

418

00:36:04,120 --> 00:36:08,332

Control the water

and you control everything.

419

00:36:08,583 --> 00:36:12,920

But I don't have to tell you that being
a true man of the West, as you are.

420

00:36:13,171 --> 00:36:17,424

Oh, yeah. The West is the best.

421

00:36:17,592 --> 00:36:19,760

This is from my private stock.

422

00:36:19,844 --> 00:36:22,972

Vintage rainwater
from the Great Deluge.

423

00:36:24,099 --> 00:36:27,559

Not Noah's deluge.
Good heavens, I'm not that old.

424

00:36:30,313 --> 00:36:32,690

I guess power has its privileges.

425

00:36:33,274 --> 00:36:34,775

You make a good point, son.

426

00:36:35,944 --> 00:36:38,862

But with privilege comes responsibility.

427

00:36:40,490 --> 00:36:43,450

Hell, I was mayor here
before there was a Dirt!

428

00:36:43,535 --> 00:36:46,870

And I may be
just a sentimental old turtle

429

00:36:46,997 --> 00:36:52,001

but I think there's a future for this town.
And I hope you'll be part of it.

430

00:36:54,129 --> 00:36:56,630

-To Dirt!
-To Dirt.

431

00:36:59,676 --> 00:37:03,178

You see them, Mr Rango?

All my friends and neighbours?

432

00:37:04,180 --> 00:37:07,516

It's a hard life here. Very hard.

433

00:37:08,476 --> 00:37:12,021

Do you know how they make it through
each and every day?

434

00:37:12,147 --> 00:37:13,188

They believe.

435

00:37:13,815 --> 00:37:16,692

They believe it's going to be better.

436

00:37:16,818 --> 00:37:20,154

They believe that the water will come.

437

00:37:20,238 --> 00:37:22,740

They believe against all odds

and all evidence

438

00:37:22,866 --> 00:37:25,034

that tomorrow will be better than today.

439

00:37:27,245 --> 00:37:29,663

People have to believe in something.

440

00:37:30,540 --> 00:37:33,584

Right now, they believe in you.

441

00:37:35,837 --> 00:37:40,049

Pick it up, Mr Rango.

Your destiny awaits.

442

00:37:43,553 --> 00:37:47,014

People have to believe in something.

443

00:37:53,396 --> 00:37:55,647

It's almost noon. Is everything ready?

444

00:37:55,732 --> 00:37:58,567

Yeah. But he might be a problem.

445

00:37:58,651 --> 00:38:02,071

He's not a problem, William.

He's a solution.

446

00:38:05,408 --> 00:38:06,742

It just don't make no sense.

447

00:38:06,993 --> 00:38:08,410

This whole town is drying up,

448

00:38:08,495 --> 00:38:11,079

and the Mayor is the only one
who don't seem to be affected.

449

00:38:11,206 --> 00:38:13,207

Doesn't that make you
just a wee bit suspicious?

450

00:38:13,333 --> 00:38:16,502

And what about that water
I saw out in the desert?

451

00:38:16,586 --> 00:38:20,923

All right! No need to incite anxiety.

I'll inquire about the Mayor.

452

00:38:21,049 --> 00:38:24,760

But if you really feel

there's some conspiracy occurring,

453

00:38:24,844 --> 00:38:27,888

I suggest you take it up

with the new sheriff.

454

00:38:29,182 --> 00:38:32,226

This is going to be good. Hey!

Watch that needle there.

455

00:38:32,310 --> 00:38:34,269

Not too tight.

I want to leave room for some pucker!

456

00:38:34,354 --> 00:38:35,395

That's good.

457

00:38:35,480 --> 00:38:37,022

Oh, easy there, tiger.

458

00:38:37,148 --> 00:38:38,690

-A little up and back?

-I don't think so.

459

00:38:38,775 --> 00:38:39,817

Have you got French cuffs with that?

460

00:38:39,901 --> 00:38:41,568

Excuse me, Sheriff Rango.

I want to talk to you.

461

00:38:41,653 --> 00:38:43,153

Hey, Beans,

what do you think of the new duds?

462

00:38:43,238 --> 00:38:45,239

I got a 10-gallon hat

marked down from 15.

463

00:38:45,323 --> 00:38:46,907

-That's nice.

-Have you met Angelique?

464

00:38:46,991 --> 00:38:48,826

-Hello, Beans.

-Hello, Angelique.

465

00:38:48,910 --> 00:38:49,952

-Tart.

-Floozy.

466

00:38:50,036 --> 00:38:52,246

-Trollop.

-Excuse me, Mr Rango.

467

00:38:52,330 --> 00:38:53,956

I will blow that ugly right off your face!

468

00:38:54,249 --> 00:38:56,250

I was just thinking that...

469

00:38:57,001 --> 00:38:58,710

You want the old John Hancock,
do you?

470

00:38:58,795 --> 00:39:00,921

-Well, here. Hold this.

-Sheriff Rango, this isn't a social call.

471

00:39:01,005 --> 00:39:02,714

There's a bullet in there.

472

00:39:02,799 --> 00:39:04,341

I know about the shindig this afternoon.

473

00:39:04,425 --> 00:39:06,927

-I ordered myself some right fancy duds.

-Sheriff, I'd like to file a...

474

00:39:07,011 --> 00:39:08,762

-Mr Rango!

-Oh, you, too? No problem.

475

00:39:08,847 --> 00:39:10,472

-Here, let me just...

-I need you to investigate...

476

00:39:10,557 --> 00:39:13,433

You know, Beans, I bet you clean up
real nice, you put a little effort into it.

477

00:39:13,518 --> 00:39:14,726

-What?

-Now, remember, son,

478

00:39:14,811 --> 00:39:17,354

stay in school, eat your veggies,
burn everything but Shakespeare.

479

00:39:17,438 --> 00:39:19,064

-Who's Shakespeare?

-Sheriff Rango,

480

00:39:19,524 --> 00:39:21,275

if that is your real name.

481

00:39:21,359 --> 00:39:23,569

I am trying to save my daddy's ranch,

482

00:39:23,653 --> 00:39:25,737

which is on the verge
of an agricultural meltdown

483

00:39:25,822 --> 00:39:28,740

while you're playing patty-cake
with this here trollop!

484

00:39:30,952 --> 00:39:34,288

Sad, really. Such a drab little thing.

485

00:39:34,956 --> 00:39:36,123

Why does she do that?

486

00:39:36,207 --> 00:39:39,459

-It's a survival reflex.

-Her switch is just broken.

487

00:39:39,544 --> 00:39:41,003

Well, that's an inconvenience.

488

00:39:41,087 --> 00:39:43,714

It is not a rash! It is a birthmark!

489

00:39:45,383 --> 00:39:46,675

I did it again, didn't I?

490

00:39:46,759 --> 00:39:48,010

Did what?

491

00:39:48,386 --> 00:39:49,970

Let me ask you something.

492

00:39:50,054 --> 00:39:54,141

Did anybody here mention
what happened to our last sheriff?

493

00:40:33,473 --> 00:40:37,851

Pardon, but may I ask you...

Excuse me, may I ask you...

494

00:40:37,936 --> 00:40:41,772

The last sheriff... Pardon me.

Where is everybody going?

495

00:40:42,315 --> 00:40:45,275

What exactly happened to the...

496

00:40:49,614 --> 00:40:51,198

All day

497

00:40:51,282 --> 00:40:55,285

I've faced the barren waste

498

00:40:55,787 --> 00:40:59,665

Without the taste of water

499

00:41:03,544 --> 00:41:07,047

Cool water

500

00:41:10,051 --> 00:41:13,303

Old Dan and I

501

00:41:13,388 --> 00:41:15,389

With throats burned dry

502

00:41:15,932 --> 00:41:20,143

And souls that cry

503

00:41:20,228 --> 00:41:22,813

For water

504

00:41:25,900 --> 00:41:27,192

Cool

505

00:41:29,112 --> 00:41:30,570

I'm so sorry. I'm so sorry.

506

00:41:30,655 --> 00:41:33,115

Clear water

507

00:41:41,124 --> 00:41:42,874

This is a heck of a hoedown

you got going.

508

00:41:42,959 --> 00:41:44,751

Still working out those steps.

509

00:41:44,836 --> 00:41:48,714

So, is this considered
normal civic behaviour?

510

00:41:48,798 --> 00:41:51,299

Every Wednesday, just like clockwork.

511

00:41:51,384 --> 00:41:53,135

You kill bird.

512

00:41:53,219 --> 00:41:56,096

Yeah. Matter of fact, I did.

513

00:41:56,180 --> 00:41:58,724

Bird dead. Snake come.

514

00:41:58,975 --> 00:41:59,975

Snake?

515

00:42:00,059 --> 00:42:01,852

He means Rattlesnake Jake, Mr Rango.

516

00:42:02,020 --> 00:42:04,187

He never comes to town 'cause
he's scared of that hawk.

517

00:42:04,272 --> 00:42:05,564

But he might come now.

518

00:42:05,648 --> 00:42:07,232

Can I have your boots
when you're dead?

519

00:42:07,316 --> 00:42:08,400

No!

520

00:42:08,484 --> 00:42:10,861

And I ain't got no problem
with this Rattlesnake Jake.

521

00:42:10,945 --> 00:42:12,612

That's just what Amos said.

522

00:42:12,864 --> 00:42:14,823

Amos?

523

00:42:18,161 --> 00:42:20,495

You got any gold fillings?

524

00:42:38,765 --> 00:42:41,349

My fellow Dirtonians.

525

00:42:41,434 --> 00:42:46,438

I welcome you to our great day
of deliverance. Hallelujah.

526

00:42:46,522 --> 00:42:48,106

-Hallelujah!

-Hallelujah!

527

00:42:48,191 --> 00:42:51,735

Acolytes, prepare the holy spigot!

528

00:43:02,330 --> 00:43:05,665

We have a newcomer
amongst us today, my friends.

529

00:43:05,750 --> 00:43:08,502

A man I think needs

little introduction to you

530

00:43:08,586 --> 00:43:12,756

so bold has been his entry

into our fair society.

531

00:43:12,840 --> 00:43:16,093

Mr Rango, would you step forward?

532

00:43:21,933 --> 00:43:26,269

The time has come, my friends.

The time that was foretold!

533

00:43:26,354 --> 00:43:28,021

-Hallelujah!

-Hallelujah!

534

00:43:28,106 --> 00:43:29,523

The sacred time!

535

00:43:29,607 --> 00:43:31,399

-Hallelujah!

-Hallelujah!

536

00:43:31,484 --> 00:43:33,860

The time of destiny!

537

00:43:33,945 --> 00:43:35,529

-Hallelujah!

-Hallelujah!

538

00:43:35,613 --> 00:43:38,115

The time of deliverance!

539

00:43:38,199 --> 00:43:39,241

-Hallelujah!

-Hallelujah!

540

00:43:39,325 --> 00:43:43,453

It is the time of hydration!

541

00:43:58,970 --> 00:44:01,388

-It's his fault!

-It's the newcomer!

542

00:44:01,472 --> 00:44:03,181

-Burn him!

-He's a witch!

543

00:44:03,266 --> 00:44:04,391

I get his boots!

544

00:44:04,475 --> 00:44:08,728

My friends, my friends!

Temper your frustrations.

545

00:44:08,813 --> 00:44:13,900

Times will be tough from now on.

Sacrifices will have to be made.

546

00:44:13,985 --> 00:44:17,654

But if I can help in any way,

please know that my door is always...

547

00:44:17,738 --> 00:44:19,364

Hold it, hold it!

548

00:44:19,448 --> 00:44:22,242

Now, this whole thing
stinks three ways to Sunday.

549

00:44:22,326 --> 00:44:24,828

First the bank's run dry
and now this here spigot?

550

00:44:24,912 --> 00:44:25,954

The bank's run dry?

551

00:44:26,038 --> 00:44:28,748

-What's she talking about?
-She said there's no water in the bank!

552

00:44:34,005 --> 00:44:37,174

This is all we have!
We can't give it all out!

553

00:44:37,258 --> 00:44:39,467

That was my rehydration account!

554

00:44:40,887 --> 00:44:44,890

None of that civil disobedience
in my town, thank you very much.

555

00:44:47,476 --> 00:44:50,770

Thank goodness you're here, Sheriff.
Things were getting out of hand.

556

00:44:50,855 --> 00:44:52,731

Come right in.

557

00:44:52,815 --> 00:44:56,860

Let me have a gander at the source
of the societal discontentment here.

558

00:44:59,655 --> 00:45:01,072

Mercy.

559

00:45:01,157 --> 00:45:03,867

All right, listen up! I've been thinking

560

00:45:03,951 --> 00:45:06,745

and I believe I've figured something out.

561

00:45:06,829 --> 00:45:09,289

You folks have a water problem!

562

00:45:11,292 --> 00:45:13,919

Now just pay attention, everybody.

I'm trying to make a point here.

563

00:45:14,003 --> 00:45:16,796

Let's say this fella here

were to take a drink of water.

564

00:45:16,881 --> 00:45:19,674

Just one little drink.

No harm, no foul, right?

565

00:45:22,845 --> 00:45:24,012

And you!

566

00:45:24,347 --> 00:45:27,098

You're just as dried up and parched

as a jackrabbit in July.

567

00:45:27,183 --> 00:45:30,268

So you belly on up
and take you a double shot!

568

00:45:31,479 --> 00:45:33,355

Stay with me.

569

00:45:34,232 --> 00:45:38,109

What do you think happens then?
Why we'd all be drinking!

570

00:45:38,819 --> 00:45:41,738

And before you know it,
there wouldn't be any more water.

571

00:45:41,822 --> 00:45:43,823

And then where would we be?

572

00:45:45,159 --> 00:45:46,910

We'd be thirsty.

573

00:45:47,453 --> 00:45:49,162

Real thirsty.

574

00:45:49,580 --> 00:45:52,082

We'd turn on each other
like a bunch of animals!

575

00:45:54,710 --> 00:45:59,589

Now look here.
We have got six days of water.

576

00:46:04,595 --> 00:46:07,305

We have got five days...

577

00:46:08,683 --> 00:46:12,435

As long as we've got water,
we've got ourselves a town.

578

00:46:13,646 --> 00:46:15,563

Sheriff Rango is right.

579

00:46:15,648 --> 00:46:19,276

As long as we have this water,

we have some hope.

580

00:46:19,360 --> 00:46:21,152

And you can all take it from me.

581

00:46:21,237 --> 00:46:24,698

My 1 00% full-time employment
from this moment on

582

00:46:24,782 --> 00:46:28,743

will be to protect
our precious natural resource.

583

00:46:28,828 --> 00:46:32,664

Ain't no one gonna tango
with the Rango.

584

00:46:45,553 --> 00:46:46,803

Evening, ladies.

585

00:46:46,887 --> 00:46:48,680

Evening, Sheriff.

586

00:46:48,764 --> 00:46:50,890

And don't you come back!

587

00:46:50,975 --> 00:46:54,561

Hold on there, Gordy. You get back
in there and you assert yourself,

588

00:46:54,645 --> 00:46:57,897

and I think you'll find the people of this
here town to be surprisingly hospitable.

589

00:46:57,982 --> 00:46:59,274

Thank you, Sheriff.

590

00:46:59,358 --> 00:47:01,234

What? Not you again!

591

00:47:02,695 --> 00:47:04,487

I stand corrected.

592

00:47:10,578 --> 00:47:13,121

-This ain't the bank.

-I told you, Jedidiah!

593

00:47:13,205 --> 00:47:14,497

Hold it right there!

594

00:47:14,582 --> 00:47:15,874

-Who's that?

-It's the Sheriff!

595

00:47:15,958 --> 00:47:17,625

Get them hands up

where I can see them!

596

00:47:18,336 --> 00:47:20,420

Just as I suspected.

597

00:47:20,504 --> 00:47:23,256

Prospecting without the authorised
equipment. Don't move a muscle.

598

00:47:24,050 --> 00:47:25,550

Prospecting?

599

00:47:29,638 --> 00:47:32,390

Now, you got your shovel,
pickaxe, Benadryl, loofah,

600

00:47:32,475 --> 00:47:35,727

assorted snacks, some puzzle books
and you're gonna need a permit.

601

00:47:35,811 --> 00:47:37,520

-Loofah.

-Ezekiel, Jedidiah!

602

00:47:37,605 --> 00:47:39,856

What the Sam Hill's going on up there?

603

00:47:39,940 --> 00:47:43,526

I've had polyps removed
smarter than the two of you!

604

00:47:43,986 --> 00:47:46,196

Hell's fire, this ain't the bank!

605

00:47:46,322 --> 00:47:49,908

Pappy, the Sheriff is standing right here,
helping us out.

606

00:47:49,992 --> 00:47:52,744

Gonna give us a permit for prospecting.

607

00:47:52,828 --> 00:47:55,413

That's right, sir. Just doing my duty.

608

00:47:56,165 --> 00:47:58,249

The lonely constable on his rounds,

609

00:47:58,334 --> 00:48:00,668

keeping an eagle eye out
for mayhem and malfeasance.

610

00:48:01,212 --> 00:48:03,213

Does he look like he sounds?

611

00:48:04,673 --> 00:48:08,468

Well, Sheriff,
if we was to hit the mother lode,

612

00:48:08,552 --> 00:48:10,678

being prospectors and such,

613

00:48:10,763 --> 00:48:13,932

where would we deposit said annuity?

614

00:48:14,016 --> 00:48:15,975

Here in the town of Dirt,

we happen to have

615

00:48:16,060 --> 00:48:18,895

the finest financial institution

this side of the Missouri.

616

00:48:20,648 --> 00:48:23,233

Protected morning, noon and night

by yours truly.

617

00:48:24,985 --> 00:48:26,986

Much obliged.

618

00:48:27,196 --> 00:48:30,073

The bank's been robbed!

The bank's been robbed!

619

00:48:30,157 --> 00:48:32,617

Good Lord, the bank's been robbed!

620

00:48:32,701 --> 00:48:34,119

What's going on?

621

00:48:34,203 --> 00:48:36,413

-It's gone! The water's all gone!

-What'd he say?

622

00:48:36,497 --> 00:48:37,789

He said the bank's been robbed!

623

00:48:38,707 --> 00:48:41,543

Dr Marx! I'm on fire! Embrace me!

624

00:48:42,169 --> 00:48:46,798

The bank's been robbed, the town is dry

"We'll die of thirst," the people cry

625

00:48:46,882 --> 00:48:51,428

He promised to protect the vault

The water's gone, it's all his fault

626

00:48:52,096 --> 00:48:54,055

All right, folks, stand back,

clear the area.

627

00:48:54,140 --> 00:48:55,473

This is a crime scene now.

628

00:48:55,558 --> 00:48:58,685

Secure the perimeter, dust for prints,

check for fibres, scan for DNA.

629

00:48:58,769 --> 00:49:01,479

I want a urine sample from everyone.

And get me a latte.

630

00:49:01,564 --> 00:49:02,897

And don't mix up the two.

631

00:49:02,982 --> 00:49:04,149

What's this?

632

00:49:04,233 --> 00:49:05,900

"Prospecting Permit."

633

00:49:05,985 --> 00:49:07,777

I'll take that. Material evidence.

634

00:49:07,862 --> 00:49:09,404

What are we gonna do now, Sheriff?

635

00:49:09,488 --> 00:49:12,198

-We need that water.

-We're all going to die!

636

00:49:12,283 --> 00:49:15,910

My friends, we all know

what we have to do now.

637

00:49:15,995 --> 00:49:19,789

That's right.

We all know what we have to do now.

638

00:49:19,874 --> 00:49:21,916

-And that would be?

-Form a posse.

639

00:49:22,001 --> 00:49:23,877

Form a possum!

640

00:49:26,130 --> 00:49:27,630

A posse.

641

00:49:29,049 --> 00:49:32,135

Now, we're gonna be doing this
in an orderly fashion.

642

00:49:32,720 --> 00:49:37,640

First off, does anybody here know
how to use a firearm of any kind?

643

00:49:40,102 --> 00:49:41,728

All right, then.

644

00:49:41,812 --> 00:49:43,354

What do we do now, Sheriff?

645

00:49:43,439 --> 00:49:46,149

Now we ride!

646

00:49:59,121 --> 00:50:01,539

Where are we going?

647

00:50:01,624 --> 00:50:02,874

What?

648

00:50:02,958 --> 00:50:04,792

Where are we going?

649

00:50:12,134 --> 00:50:15,970

Now, as my deputy, you'll be in charge
of all tracking and finding of villains,

650

00:50:16,055 --> 00:50:18,890

utilising your well-developed
Injun-uity, no offence taken.

651

00:50:18,974 --> 00:50:20,225

So which way do you think they went?

652

00:50:20,309 --> 00:50:22,894

You want to sniff the air or commune
with a buffalo or something?

653

00:50:26,607 --> 00:50:28,483

Oh, you're good.

654

00:50:31,070 --> 00:50:32,779

I'm depending on you, Spoons.

655

00:50:32,863 --> 00:50:35,532

You got a little tobaccy
in the beard there.

656

00:50:35,616 --> 00:50:38,576

Always good to have a medical man
along, Doc.

657

00:50:38,661 --> 00:50:41,412

Reptiles got to stick together, right,
my brother?

658

00:50:41,497 --> 00:50:42,789

I'm an amphibian.

659

00:50:42,873 --> 00:50:44,415

Ain't no shame in that.

660

00:50:47,670 --> 00:50:50,171

You sure you're
fit for duty there, soldier?

661

00:50:52,049 --> 00:50:53,883

Well, you got a little something
in your eye there.

662

00:50:54,635 --> 00:50:58,429

Oh, that? That there's conjunctivitis, sir.
It's hereditary.

663

00:50:59,431 --> 00:51:02,350

Well, I'm glad to hear
it's not contagious.

664

00:51:03,018 --> 00:51:06,688

Now, just wait a cotton-picking minute!
A posse ain't no place for a...

665

00:51:07,439 --> 00:51:08,773

Never mind.

666

00:51:08,857 --> 00:51:10,817

Hold on there, little sister.

667

00:51:10,901 --> 00:51:13,611

Someone's gonna have
to look after the town while I'm gone.

668

00:51:15,447 --> 00:51:16,864

Can I gut-shoot someone?

669

00:51:18,200 --> 00:51:20,243

Let's put a pin in that.

670

00:51:20,744 --> 00:51:23,705

Sheriff, you're going to bring
that water back, aren't you?

671

00:51:24,582 --> 00:51:26,082

Count on it, little sister.

672

00:51:29,169 --> 00:51:32,380

-Which way do we go, Sheriff?
-There's tunnels everywhere.

673

00:51:32,464 --> 00:51:34,048

Whole town's perforated with them.

674

00:51:34,133 --> 00:51:37,677

She got more holes in her
than a painted lady on a porcupine.

675

00:51:37,803 --> 00:51:40,722

Hey, my daddy took me to her place.

676

00:51:41,390 --> 00:51:43,099

Not what I expected.

677

00:51:43,934 --> 00:51:46,853

How'd them fellers

find the bank, anyway?

678

00:51:46,937 --> 00:51:49,063

Gentlemen, if we can just

stay on task here.

679

00:51:49,148 --> 00:51:51,691

Sheriff! Over here!

680

00:51:55,029 --> 00:51:56,738

-Would you look at that?

-Like seeing the face of God.

681

00:51:58,115 --> 00:51:59,574

Amen, brother.

682

00:51:59,658 --> 00:52:02,535

I remember when it used to flow

every Wednesday.

683

00:52:02,619 --> 00:52:04,620

Those were the halcyon days.

684

00:52:04,705 --> 00:52:06,956

Must be a reason she quit on us.

685

00:52:07,249 --> 00:52:10,793

Whatever the reason,
something is controlling this here water.

686

00:52:10,878 --> 00:52:12,670

What do you say, Sheriff?

687

00:52:13,672 --> 00:52:16,674

Clearly, the robbers came
from this direction.

688

00:52:16,759 --> 00:52:19,177

I say we track this pipe
back to its hydraulic origin

689

00:52:19,261 --> 00:52:21,763

and apprehend the culprits
behind this aquatic conundrum.

690

00:52:21,847 --> 00:52:24,182

-What'd he say?

-I think he said follow the pipe.

691

00:52:24,266 --> 00:52:26,684

-He said follow the pipe.

-He said follow the pipe.

692

00:52:31,231 --> 00:52:33,149

Sure is humid down here.

693

00:52:33,233 --> 00:52:36,277

Yeah, it's activating my piles.

694

00:52:36,362 --> 00:52:38,112

I had a goitre removed once.

695

00:52:38,197 --> 00:52:41,324

Looked like Tony Bennett

stepping out of the shower.

696

00:52:41,408 --> 00:52:44,243

Shoot, I put that on a tortilla.

697

00:52:55,506 --> 00:52:59,842

Whatever you do, do not look down.

698

00:53:02,346 --> 00:53:05,473

-What is this place?

-It's an aquifer.

699

00:53:07,351 --> 00:53:08,851

What's an aquifer?

700

00:53:08,936 --> 00:53:10,937

Well, it's for aqua.

701

00:53:11,939 --> 00:53:13,815

Well, it's empty now.

702

00:53:32,709 --> 00:53:34,669

That's a big one.

703

00:53:37,297 --> 00:53:39,924

-It's the end of the line.

-Don't go no further.

704

00:53:40,008 --> 00:53:43,803

Well, now that there is a pipe.

It's got to be connected to something.

705

00:53:43,887 --> 00:53:46,514

You talk too much.

Why don't you put a cork in it?

706

00:53:46,598 --> 00:53:48,975

Why don't you put a cork...

Tell you where the sun don't shine.

707

00:53:49,059 --> 00:53:50,560

Your mama did.

I'll cook her right up.

708

00:53:50,644 --> 00:53:52,186

You two just don't get it, do you?

709

00:53:52,271 --> 00:53:55,940

Someone or something
is messing with our hydration

710

00:53:56,024 --> 00:53:57,984

and that pipe
has got something to do with it.

711

00:53:58,068 --> 00:53:59,902

I thought
we was following bank robbers!

712

00:53:59,987 --> 00:54:02,280

We're experiencing a paradigm shift.

713

00:54:02,364 --> 00:54:04,991

I'm gonna shift the features on your face
if you don't shut up!

714

00:54:05,075 --> 00:54:06,367

Go ahead and try!

715

00:54:08,245 --> 00:54:11,038

Quiet, you savages! Stop your rattling.

You're affecting my cogitation.

716

00:54:13,417 --> 00:54:16,419

Whoa! I got it. Snuff out them torches.

717

00:54:22,176 --> 00:54:23,217

Sure enough.

718

00:54:23,802 --> 00:54:25,553

Smart thinking there, feller.

719

00:54:25,637 --> 00:54:28,347

-Start climbing.

-Get your foot out of my face!

720

00:54:28,432 --> 00:54:29,974

Not bad, huh, Beans?

721

00:54:30,058 --> 00:54:32,476

You keep thinking like that,
your hat's gonna catch on fire.

722

00:54:32,561 --> 00:54:35,021

Well, you know, you get on a roll,
you just...

723

00:54:35,856 --> 00:54:37,190

Hot, hot! Burn.

724

00:54:48,577 --> 00:54:51,954

Poor things.

All they wanted was a little water.

725

00:54:52,039 --> 00:54:55,499

Cactus dying of thirst. It don't bode well.

726

00:54:55,584 --> 00:54:57,293

-Hey, look what I found!

-What you got there?

727

00:54:57,377 --> 00:55:00,296

-I saw that first!

-Hey, that's mine!

728

00:55:00,380 --> 00:55:01,964

Give me that!

729

00:55:02,049 --> 00:55:04,050

It's empty anyway.

730

00:55:04,134 --> 00:55:05,593

I knew that.

731

00:55:05,677 --> 00:55:06,969

Where'd you find that?

732

00:55:07,054 --> 00:55:09,889

Sheriff! You're going to want to see this!

733

00:55:13,560 --> 00:55:15,269

It's Mr Merrimack from the bank.

734

00:55:15,354 --> 00:55:16,771

What's he doing here?

735

00:55:16,855 --> 00:55:18,397

-Everybody stand back.

-All right, let me see.

736

00:55:18,482 --> 00:55:20,983

Looks like them varmints shot him
in the back.

737

00:55:21,068 --> 00:55:25,238

No, this man wasn't shot.

He was drowned!

738

00:55:25,322 --> 00:55:27,990

-Drowned?

-In the middle of the desert?

739

00:55:28,075 --> 00:55:29,825

What a way to go.

740

00:55:31,495 --> 00:55:35,248

Well, now, whose boot prints are those?

741

00:55:39,086 --> 00:55:42,546

That's interesting.

The ground's still wet.

742

00:55:42,798 --> 00:55:44,632

I suppose we should bury him.

743

00:55:44,716 --> 00:55:47,301

I don't know. Birds got to eat, too.

744

00:55:47,386 --> 00:55:48,678

Circle of life!

745

00:55:48,762 --> 00:55:49,804

Sheriff.

746

00:55:49,888 --> 00:55:51,430

Will you say a few words?

747

00:55:52,808 --> 00:55:54,725

Yeah. Yeah.

748

00:55:57,187 --> 00:55:58,479

Dearly beloved.

749

00:55:58,563 --> 00:56:03,317

We are gathered here today
to honour this man.

750

00:56:03,944 --> 00:56:05,152

Mr Merrimack,

751

00:56:05,570 --> 00:56:07,154

you have the right to remain silent.

752

00:56:07,364 --> 00:56:09,573

Speak now or forever hold your peace.

753

00:56:09,658 --> 00:56:10,700

Amen.

754

00:56:10,993 --> 00:56:12,034

-Amen.

-Amen.

755

00:56:12,244 --> 00:56:15,079

Hey! What's that dad-gum Indian doing?

756

00:56:19,001 --> 00:56:21,711

I see you're consulting with the spirits.

757

00:56:21,795 --> 00:56:25,131

No, I'm moulting.

Means I'm ready to mate.

758

00:56:26,633 --> 00:56:28,175

I'll keep that in mind.

759

00:56:28,844 --> 00:56:29,969

Cactus fruit.

760

00:56:30,053 --> 00:56:32,847

Ah, yes. The ancient cactus fruit.

761

00:56:32,931 --> 00:56:34,724

I believe your people use it

as seasoning

762

00:56:34,808 --> 00:56:36,267

when preparing your native dishes.

763

00:56:36,351 --> 00:56:38,185

Also natural laxative.

764

00:56:39,855 --> 00:56:40,938

Pick up trail.

765

00:56:41,023 --> 00:56:44,483

Three men heading west.

One blind, one with

766

00:56:46,111 --> 00:56:48,529

enlarged prostate, riding sidesaddle.

767

00:56:48,613 --> 00:56:51,907

-What did he say?

-They're riding sidesaddle.

768

00:56:51,992 --> 00:56:53,409

-We're whispering.

-What'd he say?

769

00:56:53,493 --> 00:56:54,618

Someone's got a bad valve.

770

00:56:54,703 --> 00:56:57,663

All right, which one of you fellers
needs a check-up?

771

00:56:58,623 --> 00:56:59,749

Awkward.

772

00:57:01,084 --> 00:57:04,378

What exactly are we going to do now?

773

00:57:05,005 --> 00:57:07,381

Now we ride!

774

00:57:12,220 --> 00:57:15,931

That means we're riding now!

This moment.

775

00:57:58,934 --> 00:58:01,352

Marshmallows remind me
of going camping with my daddy.

776

00:58:01,436 --> 00:58:03,604

I could eat them all night long.

777

00:58:05,398 --> 00:58:08,609

Of course he did make me cough them
back up again for breakfast.

778

00:58:10,278 --> 00:58:13,447

This one time,
I coughed up an entire Dalmatian.

779

00:58:13,532 --> 00:58:17,368

That ain't nothing.
I coughed up a whole tribe of pygmies.

780

00:58:18,370 --> 00:58:20,329

They started looking at me weird.

781

00:58:20,413 --> 00:58:23,707

I remember them.

They was quite friendly.

782

00:58:23,792 --> 00:58:27,336

I found a human spinal column
in my fecal matter once.

783

00:58:30,423 --> 00:58:33,008

You might want to get that looked at.

784

00:58:34,344 --> 00:58:36,262

Pass the beans, Beans.

785

00:58:36,346 --> 00:58:38,055

-Sheriff?

-No, thanks.

786

00:58:38,140 --> 00:58:42,560

Mr Rango? Can you tell us
about the Spirit of the West?

787

00:58:43,353 --> 00:58:46,480

-Yeah, tell us about that.

-Is it true what they say?

788

00:58:46,565 --> 00:58:50,234

Yes, the Spirit of the West!

789

00:58:50,318 --> 00:58:52,736

The eternally unattainable ideal.

790

00:58:53,155 --> 00:58:55,781

They say he rides in
an alabaster carriage

791

00:58:55,866 --> 00:58:57,449

with golden guardians to protect him.

792

00:58:58,577 --> 00:59:01,495

But he only appears to those
who have undertaken an epic quest!

793

00:59:02,247 --> 00:59:03,664

And have made it

794

00:59:03,999 --> 00:59:06,000

to the other side.

795

00:59:10,297 --> 00:59:11,547

The other side of what?

796

00:59:12,007 --> 00:59:13,591

It's a metaphor.

797

00:59:13,675 --> 00:59:14,717

My eye!

798

00:59:14,801 --> 00:59:16,343

That's gonna heal right up.

799

00:59:16,428 --> 00:59:20,431

Sheriff? What are you going to do
about Rattlesnake Jake?

800

00:59:20,974 --> 00:59:22,016

What? Where?

801

00:59:23,768 --> 00:59:27,730

Sorry about that. Word is
you come against him once or twice.

802

00:59:28,773 --> 00:59:30,107

Yeah.

803

00:59:30,192 --> 00:59:32,193

Jake. You mean my brother.

804

00:59:32,277 --> 00:59:34,153

-Your brother?

-That's what I said!

805

00:59:34,946 --> 00:59:37,531

But he's a snake and you're a lizard.

806

00:59:37,949 --> 00:59:40,409

Well, Momma had an active social life.

807

00:59:41,828 --> 00:59:42,953

Did he ever bite you?

808

00:59:43,038 --> 00:59:46,457

Sure enough did. Look at that baby.

Go ahead, you can touch it.

809

00:59:46,541 --> 00:59:50,461

That's interesting.

That there's a belly button.

810

00:59:50,587 --> 00:59:52,129

Luckily, I'm immune to his venom.

811

00:59:52,214 --> 00:59:54,131

Put some in my coffee

just to give it a little tang.

812

00:59:54,216 --> 00:59:56,175

Is it true he's only scared
of them hawks?

813

00:59:56,259 --> 00:59:59,887

Them's what we call

his natural predator.

814

01:00:01,640 --> 01:00:04,808

All this talk of that serpentine devil
is putting my quills on edge!

815

01:00:04,893 --> 01:00:06,894

I ain't sleeping tonight. No, sir.

816

01:00:06,978 --> 01:00:10,147

Don't you all worry about a thing.
Come tomorrow, we'll locate that water

817

01:00:10,232 --> 01:00:12,233

and return to a hero's welcome.

818

01:00:13,360 --> 01:00:15,903

Friends, before we bunk down

819

01:00:15,987 --> 01:00:18,447

I'd like us all to join hands
for a moment,

820

01:00:18,531 --> 01:00:21,283

say a few words

to the Spirit of the West.

821

01:00:21,368 --> 01:00:22,993

That's a good idea.

822

01:00:25,121 --> 01:00:28,123

Ain't always spoken rightly to you,

Spirit of the West.

823

01:00:28,500 --> 01:00:34,129

But tonight I want to thank you for

bringing Sheriff Rango into our lives.

824

01:00:35,048 --> 01:00:36,799

It's a hard life we got.

825

01:00:36,883 --> 01:00:39,802

Sometimes I don't know how

we're gonna make it.

826

01:00:40,262 --> 01:00:43,722

But somehow, Sheriff Rango
makes me think we will.

827

01:00:44,724 --> 01:00:47,601

We needed a brave man
and you sent us one.

828

01:00:48,728 --> 01:00:51,772

Nice to have someone
to believe in again.

829

01:00:51,856 --> 01:00:55,484

Thank you, Spirit of the West. Amen.

830

01:00:56,444 --> 01:00:58,320

-Amen.

-Amen.

831

01:01:30,145 --> 01:01:31,979

Just checking.

832

01:01:34,566 --> 01:01:37,318

-It's a little cold tonight.

-Thank you.

833

01:01:39,821 --> 01:01:42,656

You ever feel like those things
are looking at you?

834

01:01:42,824 --> 01:01:44,491

That's a Spanish dagger.

835

01:01:44,617 --> 01:01:47,411

But around here,
we just call them the Walking Cactus.

836

01:01:47,495 --> 01:01:48,579

Walking?

837

01:01:48,663 --> 01:01:52,583

There's an old legend they actually
walk across the desert to find water.

838

01:01:52,667 --> 01:01:56,420

When I was a little girl, I'd stay up late

watching them, to see if they'd move.

839

01:01:56,504 --> 01:02:00,591

I thought if I could follow them,
they'd lead me to someplace wonderful.

840

01:02:00,675 --> 01:02:04,345

Someplace with enough water
for everyone.

841

01:02:05,263 --> 01:02:09,808

Night after night, I watched them.
I never saw them move.

842

01:02:10,685 --> 01:02:11,810

But you're still watching.

843

01:02:12,354 --> 01:02:14,938

Who doesn't want to find
someplace wonderful?

844

01:02:15,690 --> 01:02:18,692

We'll find the water, Beans.

I promise you.

845

01:02:22,113 --> 01:02:24,490

That's such a lonely sound.

846

01:02:25,325 --> 01:02:27,284

You ever get lonely?

847

01:02:27,369 --> 01:02:28,786

Sometimes.

848

01:02:28,870 --> 01:02:33,374

I can't imagine it. You're such a charmer
and everyone likes you so much.

849

01:02:33,875 --> 01:02:36,877

-I never made friends easy like that.

-No?

850

01:02:37,670 --> 01:02:40,130

No, we're pretty isolated
out there on the ranch,

851

01:02:40,215 --> 01:02:42,966

sort of like being sealed up
in a little box.

852

01:02:43,051 --> 01:02:46,470

Don't really see a lot of folks.

853

01:02:46,554 --> 01:02:48,806

I wouldn't know what that's like.

854

01:02:49,557 --> 01:02:52,184

There someone special
in your life, Rango?

855

01:02:52,727 --> 01:02:55,646

There used to be.
But she couldn't keep her head.

856

01:02:55,730 --> 01:02:57,731

Besides, my life's too dangerous
for that kind of thing.

857

01:02:57,857 --> 01:03:00,901

You know, it's an awful solitary
existence out there on the prairie.

858

01:03:01,027 --> 01:03:03,237

Riding the ranges and the suchlike.

859

01:03:04,989 --> 01:03:09,159

Beans?

860

01:03:26,261 --> 01:03:30,347

I'm gonna skin you alive, boy! I'm gonna
whup you like a red-headed stepchild!

861

01:03:30,432 --> 01:03:31,765

Choleric varmints, ain't they?

862

01:03:31,891 --> 01:03:34,852

Dysfunctional family. Need intervention.

863

01:03:35,937 --> 01:03:37,396

What's that coming?

864

01:03:39,441 --> 01:03:40,899

It's the water.

865

01:03:42,944 --> 01:03:46,780

I have a plan, and each and every one
of you has a part to play.

866

01:03:46,906 --> 01:03:48,115

What do I do?

867

01:03:48,241 --> 01:03:50,033

Spoons, you got
the most important job of all.

868

01:03:50,285 --> 01:03:52,369

You stay up here on the ridge,
and if anything goes wrong,

869

01:03:52,454 --> 01:03:55,289

you give the signal.

870

01:04:06,301 --> 01:04:09,636

Hey, Beans.

What size dress you wearing?

871

01:04:09,762 --> 01:04:12,389

-He got it!

-Hallelujah!

872

01:04:12,474 --> 01:04:14,141

-He found the water!

-You did it, son.

873

01:04:14,267 --> 01:04:15,309

Well, actually...

874

01:04:15,393 --> 01:04:18,228

Why can't you be all brainy

like your brother?

875

01:04:18,313 --> 01:04:20,731

Pappy, about that water.

There's something I gots to tell you.

876

01:04:20,815 --> 01:04:22,649

Hush up, now. Somebody's coming.

877

01:04:25,111 --> 01:04:28,489

Good sirs, gracious good afternoon
to thee and thee and thee.

878

01:04:28,615 --> 01:04:30,824

May I present Madame Lupone's

879

01:04:30,909 --> 01:04:33,327

Terpsichorean Troupe
of Travelling Thespians!

880

01:04:35,163 --> 01:04:37,331

-What is that?

-I think they's thespians.

881

01:04:37,415 --> 01:04:40,501

Thespians?

That's illegal in seven states!

882

01:04:40,627 --> 01:04:44,421

The stage is set. The princess

prepares to take her own life.

883

01:04:44,506 --> 01:04:46,131

I yearn for love.

884

01:04:47,091 --> 01:04:49,134

Meanwhile, the lone sentry
stands watch at the castle gate.

885

01:04:51,179 --> 01:04:52,930

Stands watch at the castle gate...

886

01:04:54,098 --> 01:04:56,099

Hark! Who goes there?

887

01:04:56,184 --> 01:04:58,018

This plot is highly predictable.

888

01:04:58,102 --> 01:04:59,436

Quiet! This is my favourite part.

889

01:04:59,521 --> 01:05:02,189

Arriving to great fanfare

'twas her aged father,

890

01:05:05,777 --> 01:05:07,653

strucketh by Cupid.

891

01:05:08,947 --> 01:05:12,032

Prithce, unhand my fair daughter

892

01:05:12,158 --> 01:05:13,825

and reach for the...

893

01:05:16,454 --> 01:05:17,996

-Line?

-"Reach for the sky!"

894

01:05:20,542 --> 01:05:22,125

What was that?

895

01:05:22,210 --> 01:05:24,211

Must be that immersive theatre.

896

01:05:24,337 --> 01:05:25,546

We got you surrounded!

897

01:05:25,672 --> 01:05:29,550

You and your entire family get
your hands up where I can see them.

898

01:05:29,634 --> 01:05:32,052

My entire family?

899

01:05:36,724 --> 01:05:40,978

Grits and spit and collard greens

900

01:05:41,062 --> 01:05:45,482

Waffle chitlins, monkey brains

901

01:05:45,567 --> 01:05:49,403

Refried bones and booger blood

902

01:05:49,487 --> 01:05:52,864

Pickled eggs and flaps of mud

903

01:05:56,202 --> 01:05:58,328

It's a full house.

904

01:05:58,413 --> 01:06:01,707

Looks like we're gonna have ourselves
a good old-fashioned standoff.

905

01:06:02,584 --> 01:06:06,587

I'll have you know, you're not looking
at our entire contingent.

906

01:06:13,177 --> 01:06:15,596

What's that supposed to be?

907

01:06:15,722 --> 01:06:17,097

That's the signal.

908

01:06:17,223 --> 01:06:20,851

That's the signal!

Something must have gone wrong!

909

01:06:24,606 --> 01:06:28,609

So something's supposed to happen?

910

01:06:28,735 --> 01:06:32,195

I am open to suggestions.

911

01:06:40,079 --> 01:06:41,622

Run!

912

01:06:47,795 --> 01:06:49,046

Get on the wagon!

913

01:06:55,094 --> 01:06:57,804

Should we have ourselves
some sport, chill'ens?

914

01:06:58,765 --> 01:07:00,724

I likes it when they run.

915

01:07:00,808 --> 01:07:03,810

Maybelle, give the holler!

916

01:07:10,443 --> 01:07:11,735

Looks like we made it!

917

01:07:11,819 --> 01:07:13,320

That audience was quite responsive.

918

01:07:13,446 --> 01:07:16,281

Yeah, well, I think that
chromosome pool is about dried up.

919

01:07:43,518 --> 01:07:44,935

We got bats!

920

01:07:45,853 --> 01:07:47,646

Here! You drive.

921

01:07:55,655 --> 01:07:58,031

Looks like there's gonna be
soup tonight!

922

01:07:58,491 --> 01:08:00,617

Come on, let's get some!

923

01:08:09,961 --> 01:08:13,213

What in tarnation?

Don't shoot the water!

924

01:08:13,339 --> 01:08:16,800

Jedidiah! It's time for
the Alabama squeeze box!

925

01:08:16,884 --> 01:08:18,343

Okay, Pa!

926

01:08:25,309 --> 01:08:27,227

I am sensing hostility.

927

01:08:27,311 --> 01:08:28,520

Incoming!

928

01:08:34,318 --> 01:08:35,569

Hello!

929

01:08:35,653 --> 01:08:36,862

Goodbye!

930

01:08:46,664 --> 01:08:49,040

Lasso that swine!

931

01:09:09,395 --> 01:09:11,271

I suggest we take evasive action!

932

01:09:11,355 --> 01:09:13,273

I suggest you shut up and shoot!

933

01:09:13,399 --> 01:09:15,942

-What happened to the Sheriff?

-He had a previous engagement!

934

01:09:16,068 --> 01:09:18,737

Boseefus, give them some gumbo now!

935

01:09:25,411 --> 01:09:28,079

What was that? Go check it out!

936

01:09:29,373 --> 01:09:31,082

What is it? Is there a problem?

937

01:09:33,461 --> 01:09:34,920

You could call it that.

938

01:10:23,344 --> 01:10:24,469

Headache.

939

01:10:27,139 --> 01:10:29,266

Is that all you got?

940

01:10:47,159 --> 01:10:49,369

That wasn't altogether unpleasant!

941

01:10:50,997 --> 01:10:52,038

Eat lead!

942

01:11:02,717 --> 01:11:04,301

Here, hold these.

943

01:11:15,062 --> 01:11:16,855

Get your hands off me!

944

01:11:21,903 --> 01:11:23,361

Oh, I'm sorry.

945

01:11:32,163 --> 01:11:33,246

Jump!

946

01:11:56,145 --> 01:11:57,729

It's impossible.

947

01:11:58,147 --> 01:12:01,066

It can't be. It's empty.

948

01:12:01,150 --> 01:12:02,859

There's no water!

949

01:12:02,944 --> 01:12:06,404

No water?

Then what the hell we been fighting for?

950

01:12:06,489 --> 01:12:10,742

Sir, you have defiled and desecrated
the very sustenance of our livelihood!

951

01:12:10,826 --> 01:12:13,453

I think that there fella in the purty dress
is the Sheriff.

952

01:12:13,579 --> 01:12:16,122

That's the same fellow what give us
a prospecting permit?

953

01:12:16,248 --> 01:12:19,084

-A what?

-Irrelevant! Obfuscation.

954

01:12:19,168 --> 01:12:21,169

You and your kin are under arrest
for bank robbery

955

01:12:21,295 --> 01:12:23,296

and the murder
of our beloved financial advisor

956

01:12:23,422 --> 01:12:26,883

Johannes Merrimack the Third,
AKA, Fluffy Joe.

957

01:12:26,968 --> 01:12:28,551

Sheriff, we didn't kill nobody.

958

01:12:28,636 --> 01:12:31,012

We done tunnelled into that vault,
but there weren't nothing in it.

959

01:12:31,138 --> 01:12:33,056

Somebody done robbed that bank
before we robbed it.

960

01:12:33,140 --> 01:12:34,891

Then where'd you get this here jug?

961

01:12:34,976 --> 01:12:36,977

That's what I been trying
to tell you, Pappy.

962

01:12:37,103 --> 01:12:38,269

I found it in the desert.

963

01:12:38,354 --> 01:12:41,606

Then why in tarnation
did you bring it here?

964

01:12:41,691 --> 01:12:45,652

Hold on! You're saying this here jug
was empty when you found it?

965

01:12:45,778 --> 01:12:46,987

That's right.

966

01:12:47,113 --> 01:12:48,405

I don't believe a word of it.

967

01:12:48,489 --> 01:12:50,031

-Let's hang them, Sheriff!

-String them up!

968

01:12:50,157 --> 01:12:51,616

Who'd dump water in the desert?

969

01:12:52,159 --> 01:12:53,785

Wouldn't be the first time.

970

01:12:54,286 --> 01:12:57,038

It's a puzzle!

It's like a big old mammogram!

971

01:12:57,164 --> 01:12:58,999

What's going on, Sheriff?

972

01:12:59,125 --> 01:13:00,458

I don't know.

973

01:13:00,543 --> 01:13:04,587

But I'm going to strip away this mystery
and expose its private parts.

974

01:13:04,672 --> 01:13:06,965

You and your kin are coming with me.

975

01:13:11,470 --> 01:13:12,679

They're coming!

976

01:13:12,805 --> 01:13:14,514

Here they come!

977

01:13:15,725 --> 01:13:18,184

Looks like they got them robbers.

978

01:13:40,708 --> 01:13:42,167

Where's the water?

979

01:13:45,212 --> 01:13:47,172

There weren't no water.

980

01:14:01,270 --> 01:14:03,021

Where is he going?

981

01:14:04,065 --> 01:14:06,566

He's going to see the Mayor.

982

01:14:08,694 --> 01:14:10,653

He's got to be pleased with that.

983

01:14:10,738 --> 01:14:12,572

That's a good one, boss!

984

01:14:22,374 --> 01:14:23,458

That's interesting.

985

01:14:23,584 --> 01:14:26,419

I do apologise for the shoes, Mr Rango,

986

01:14:26,545 --> 01:14:29,839

but there's a certain protocol
to this game, you understand.

987

01:14:29,924 --> 01:14:32,258

I'm a bit of a stickler for protocol.

988

01:14:32,384 --> 01:14:35,303

Well, that's good, 'cause you got
a few questions to answer

989

01:14:35,429 --> 01:14:37,722

and I've got my own protocol.

990

01:14:41,727 --> 01:14:44,604

But why would anyone dump water

in the blooming desert?

991

01:14:44,730 --> 01:14:48,733

It does seem a bit naïve, taking the word
of admitted bank robbers.

992

01:14:48,818 --> 01:14:52,445

Besides, once they hang,
your job is done.

993

01:14:52,571 --> 01:14:54,030

-Bravo!

-Job well done.

994

01:14:54,115 --> 01:14:57,075

But what if somebody did rob the bank
before they got there?

995

01:14:57,159 --> 01:14:59,327

And who would do that, Mr Rango?

996

01:14:59,453 --> 01:15:01,663

I was hoping you could tell me.

997

01:15:01,789 --> 01:15:04,749

That sounds marginally
near to an accusation.

998

01:15:04,834 --> 01:15:06,835

Take it any way you like.

999

01:15:12,174 --> 01:15:15,802

Something you said keeps rattling
around in my frontal lobe.

1000

01:15:15,928 --> 01:15:17,095

What's that?

1001

01:15:17,763 --> 01:15:21,474

"Control the water
and you control everything."

1002

01:15:22,101 --> 01:15:24,144

Come now, Mr Rango.

1003

01:15:24,270 --> 01:15:27,147

You attribute divine power to me.

1004

01:15:27,273 --> 01:15:30,441

How on earth

could I possibly control the water?

1005

01:15:32,945 --> 01:15:36,030

You've obviously mastered this game.

1006

01:15:36,157 --> 01:15:39,576

Well, I've been playing it

for many years, sir.

1007

01:15:39,660 --> 01:15:42,829

I was here before the highway split

this great valley.

1008

01:15:42,955 --> 01:15:45,582

I watched the march of progress,

1009

01:15:45,666 --> 01:15:48,168

and I learned a thing or two.

1010

01:15:48,669 --> 01:15:51,838

Perhaps it's time you started
to take the long view,

1011

01:15:51,964 --> 01:15:55,800

begin to appreciate
the broad sweep of history.

1012

01:15:56,468 --> 01:15:57,969

Look out there, son.

1013

01:15:58,888 --> 01:16:01,306

You can almost see time passing.

1014

01:16:04,560 --> 01:16:06,603

What are you building out here?

1015

01:16:06,687 --> 01:16:10,023

The future, Mr Rango, the future.

1016

01:16:10,149 --> 01:16:13,818

One day soon,
all this is going to fade into myth,

1017

01:16:13,903 --> 01:16:16,738

the frontier town, the lawman,
the gunslinger.

1018

01:16:16,864 --> 01:16:19,240

There's just no place
for them any more.

1019

01:16:19,366 --> 01:16:22,660

-We're civilised now.

-That's right, civilised.

1020

01:16:23,495 --> 01:16:25,079

That's what the future holds.

1021

01:16:25,206 --> 01:16:28,541

You can either be part of it,
or you can be left behind.

1022

01:16:28,918 --> 01:16:32,795

Is that what happened to
Mr Merrimack? Did he get left behind?

1023

01:16:32,880 --> 01:16:37,550

Careful, Mr Rango. You seem to forget
you're just one little lizard.

1024

01:16:37,885 --> 01:16:41,721

You seem to forget
I'm the law around these parts.

1025

01:16:44,391 --> 01:16:47,477

Our new sheriff has been
playing the hero for so long,

1026

01:16:47,561 --> 01:16:49,979

he's actually starting to believe it.

1027

01:16:50,064 --> 01:16:52,523

Call in Rattlesnake Jake.

1028

01:16:52,608 --> 01:16:55,276

But Jake's the Grim Reaper.

1029

01:16:55,402 --> 01:16:57,737

He never leaves

without taking a blooming soul.

1030

01:16:57,863 --> 01:16:59,072

Do it!

1031

01:17:13,587 --> 01:17:17,799

Now be still. You gotta look

presentable to meet your maker.

1032

01:17:23,597 --> 01:17:26,975

Death has arrived

1033

01:17:31,438 --> 01:17:35,817

How will the hero survive?

1034

01:17:39,613 --> 01:17:42,740

The Mayor has bought up

all the land in the valley,

1035

01:17:42,825 --> 01:17:44,701

except for your ranch, Miss Beans.

1036

01:17:44,785 --> 01:17:48,621

That just don't make no sense.

Without water, that land is useless.

1037

01:17:48,747 --> 01:17:51,541

Unless he controls the water.

1038

01:17:51,625 --> 01:17:53,501

Like a monkey's bladder!

1039

01:17:53,627 --> 01:17:55,878

Then he could bring it back
once he's bought up all the land.

1040

01:17:56,130 --> 01:17:58,089

But how does he control the water?

1041

01:17:59,425 --> 01:18:02,552

Well, you gotta spend some time
and train them.

1042

01:18:02,636 --> 01:18:05,763

'Cause you know monkeys, when
they do go, you rub their nose in it.

1043

01:18:05,973 --> 01:18:07,974

Sheriff, we got a problem.

1044

01:18:14,690 --> 01:18:18,109

Hold on, Beans.

That won't be necessary.

1045

01:18:21,655 --> 01:18:24,866

-Hang him till his head turns blue!

-Give us them robbers!

1046

01:18:24,992 --> 01:18:27,410

Hold on! Calm down, everyone!

Let me talk!

1047

01:18:27,494 --> 01:18:29,787

-Nail them to the courthouse!

-Now, calm down, everybody.

1048

01:18:29,872 --> 01:18:32,540

Get them out here

so we can cut off their giblets!

1049

01:18:33,167 --> 01:18:34,751

You, too, Spoons?

1050

01:18:34,835 --> 01:18:38,212

They done taken that water.

They taken everything we got!

1051

01:18:38,338 --> 01:18:41,299

No one's stringing anyone up.

Not while I'm sheriff.

1052

01:18:41,383 --> 01:18:42,633

But this is all his fault!

1053

01:18:42,718 --> 01:18:45,094

You said you's gonna

bring the water back.

1054

01:18:45,179 --> 01:18:47,722

It's just, we got no hope
without that water.

1055

01:18:47,848 --> 01:18:49,724

We got nothing left to believe in.

1056

01:18:50,392 --> 01:18:51,976

You see that sign up there?

1057

01:18:52,686 --> 01:18:54,896

As long as that sign says "Sheriff,"

1058

01:18:55,022 --> 01:18:57,356

you can believe that there's
law and order in this town.

1059

01:18:57,483 --> 01:19:01,527

But without law and order,
ruminate on that. Oh, yeah.

1060

01:19:01,653 --> 01:19:04,822

Starts out slow, like a fungus.

1061

01:19:04,907 --> 01:19:07,575

Somebody says a cross word.

Accusations start flying.

1062

01:19:07,701 --> 01:19:10,495

Neighbour turns on neighbour.

Pretty soon, we're eating our children!

1063

01:19:10,579 --> 01:19:11,996

And then dogs and cats

are getting together

1064

01:19:12,081 --> 01:19:14,749

to create all sorts of unnatural
mutant aberrations!

1065

01:19:15,751 --> 01:19:19,378

So, you want something

to believe in, Spoons?

1066

01:19:19,755 --> 01:19:21,047

Believe in me.

1067

01:19:22,591 --> 01:19:24,592

Believe in that there sign.

1068

01:19:25,552 --> 01:19:29,055

For as long as it hangs there,
we got hope.

1069

01:19:54,456 --> 01:19:56,916

Hello, brother.

1070

01:19:57,209 --> 01:19:59,085

Thirsty?

1071

01:20:09,805 --> 01:20:14,308

Long time, brother.

How you been keeping?

1072

01:20:14,810 --> 01:20:16,477

Well, you know...

1073

01:20:18,939 --> 01:20:23,234

I hear you been telling about how
you killed all them Jenkins brothers.

1074

01:20:23,318 --> 01:20:25,987

With one bullet, wasn't it?

1075

01:20:26,113 --> 01:20:27,989

Isn't that right?

1076

01:20:28,115 --> 01:20:32,326

All these good folks here
believe your little stories, don't they?

1077

01:20:32,494 --> 01:20:36,247

Why, they believe you're just
a stone killer, don't they?

1078

01:20:36,331 --> 01:20:39,584

Seems these folks trust you.

1079

01:20:39,668 --> 01:20:42,753

They think you're gonna save

their little town.

1080

01:20:42,838 --> 01:20:46,340

They think you're gonna save
their little souls!

1081

01:20:50,345 --> 01:20:53,931

But we know better, don't we?

1082

01:20:59,479 --> 01:21:03,107

So why don't you show your friends here
what you're made of?

1083

01:21:03,192 --> 01:21:06,027

Show them who you really are.

1084

01:21:06,153 --> 01:21:09,155

Why don't you just pull your gun
and shoot me?

1085

01:21:09,281 --> 01:21:12,158

But, of course, you won't need all these.

1086

01:21:12,284 --> 01:21:14,202

Just one, right?

1087

01:21:16,496 --> 01:21:19,957

Go ahead, hero. Pull the trigger.

1088

01:21:23,003 --> 01:21:25,379

You got killer in your eyes, son?

1089

01:21:27,674 --> 01:21:28,841

I don't see it.

1090

01:21:32,054 --> 01:21:35,348

You didn't do any of them things
you said, did you?

1091

01:21:35,474 --> 01:21:39,477

You didn't kill them Jenkins brothers.
You ain't even from the West!

1092

01:21:39,561 --> 01:21:40,728

Are you?

1093

01:21:41,521 --> 01:21:44,148

-Say it!

-No.

1094

01:21:44,233 --> 01:21:48,361

Speak up.

I don't think your friends here heard you.

1095

01:21:49,988 --> 01:21:51,030

No.

1096

01:21:51,156 --> 01:21:53,658

All you've done is lie

to these good people.

1097

01:21:53,742 --> 01:21:57,995

You ain't nothing but a fake

and a coward. Isn't that right?

1098

01:21:58,247 --> 01:21:59,413

Yes.

1099

01:21:59,539 --> 01:22:01,249

-Louder!

-Yes.

1100

01:22:05,712 --> 01:22:08,881

Listen close, you pathetic fraud.

1101

01:22:09,007 --> 01:22:12,009

This is my town now.

1102

01:22:12,094 --> 01:22:16,555

If I ever see you again, I will take
your soul straight down to hell!

1103

01:22:33,448 --> 01:22:35,074

Who are you?

1104

01:24:31,733 --> 01:24:33,192

Who am I?

1105

01:24:35,362 --> 01:24:37,071

I'm nobody.

1106

01:26:31,311 --> 01:26:33,270

Golden guardians.

1107

01:26:35,190 --> 01:26:36,815

The alabaster carriage.

1108

01:26:41,821 --> 01:26:44,323

The Spirit of the West.

1109

01:26:48,787 --> 01:26:52,665

Excuse me? Mister Spirit, sir?

1110

01:26:55,168 --> 01:27:00,172

There's a beaut. Sometimes you got to
dig deep to find what you're looking for.

1111

01:27:01,841 --> 01:27:03,217

So you made it.

1112

01:27:04,177 --> 01:27:05,427

Is this heaven?

1113

01:27:05,512 --> 01:27:09,348

If it were, we'd be eating Pop-Tarts
with Kim Novak.

1114

01:27:09,558 --> 01:27:10,808

Yeah.

1115

01:27:10,976 --> 01:27:14,144

No kidding.

What are you doing out here?

1116

01:27:14,521 --> 01:27:16,522

Searching, same as you.

1117

01:27:17,482 --> 01:27:20,776

I don't even know
what I'm looking for any more.

1118

01:27:20,860 --> 01:27:22,820

I don't even know who I am.

1119

01:27:23,363 --> 01:27:25,864

They used to call you
the Man with No Name.

1120

01:27:27,200 --> 01:27:31,120

These days they got a name
forjust about everything.

1121

01:27:31,204 --> 01:27:35,499

Doesn't matter what they call you.
It's the deeds make the man.

1122

01:27:35,584 --> 01:27:39,378

Yeah, but my deeds just made things
worse. I'm a fraud. I'm a phoney!

1123

01:27:39,504 --> 01:27:43,382

My friends believed in me,
but they need some kind of hero.

1124

01:27:43,508 --> 01:27:45,175

Then be a hero.

1125

01:27:45,260 --> 01:27:49,179

No. No, no, you don't understand.

I'm not even supposed to be here.

1126

01:27:49,264 --> 01:27:53,517

That's right. You came a long way
to find something that isn't out here.

1127

01:27:54,561 --> 01:27:57,271

Don't you see? It's not about you.

1128

01:27:58,273 --> 01:27:59,857

It's about them.

1129

01:28:02,777 --> 01:28:04,194

But I can't go back.

1130

01:28:04,279 --> 01:28:06,697

Don't know that you got a choice, son.

1131

01:28:10,535 --> 01:28:13,287

No man can walk out on his own story.

1132

01:28:25,759 --> 01:28:27,468

So you made it.

1133

01:28:28,887 --> 01:28:32,765

That's right, amigo.

The other side of the road.

1134

01:28:35,226 --> 01:28:37,478

Did you just see that?

1135

01:28:37,896 --> 01:28:40,773

We each see what we need to see.

1136

01:28:41,775 --> 01:28:43,776

Beautiful, isn't it?

1137

01:28:55,789 --> 01:28:56,914

Yeah.

1138

01:28:57,999 --> 01:28:59,416

It is.

1139

01:28:59,959 --> 01:29:03,796

Come, my friend.

I want to show you something.

1140

01:29:06,800 --> 01:29:12,096

Many years ago,

this entire valley was covered in agua.

1141

01:29:12,180 --> 01:29:16,141

Now only one question remains.

1142

01:29:17,352 --> 01:29:18,936

Where did it go?

1143

01:29:53,888 --> 01:29:55,973

They follow the water.

1144

01:29:56,057 --> 01:29:59,184

They follow the water! Come on!

1145

01:30:34,053 --> 01:30:38,682

That just don't make no sense.

Without water, that land is useless.

1146

01:30:39,392 --> 01:30:41,351

What are you building out here?

1147

01:30:41,436 --> 01:30:43,353

The future, Mr Rango.

1148

01:30:43,438 --> 01:30:48,025

You can either be part of it,
or you can be left behind.

1149

01:30:50,403 --> 01:30:53,280

I was here before the highway split
this great valley.

1150

01:30:56,367 --> 01:30:58,952

I watched the march of progress

1151

01:30:59,078 --> 01:31:01,330

and I learned a thing or two.

1152

01:31:06,628 --> 01:31:08,796

Control the water

1153

01:31:08,922 --> 01:31:11,298

and you control everything.

1154

01:31:18,139 --> 01:31:20,390

Come now, Mr Rango.

1155

01:31:20,475 --> 01:31:22,309

You attribute divine power to me.

1156

01:31:22,435 --> 01:31:24,978

How on earth

could I possibly control the water?

1157

01:32:01,891 --> 01:32:03,892

What now, amigo?

1158

01:32:11,526 --> 01:32:14,570

No man can walk out on his own story.

1159

01:32:16,155 --> 01:32:17,573

I'm going back.

1160

01:32:19,033 --> 01:32:20,409

But why?

1161

01:32:21,536 --> 01:32:23,537

Because that's who I am.

1162

01:32:35,675 --> 01:32:40,345

You got a lot of nerve showing up here,
lawman. What is it you want?

1163

01:32:41,389 --> 01:32:45,058

Your pappy and them boys are about
to hang for something they didn't do.

1164

01:32:46,519 --> 01:32:48,186

But I've got a plan.

1165

01:33:16,257 --> 01:33:19,092

I appreciate how difficult
this is for you, Beans.

1166

01:33:19,218 --> 01:33:22,179

But you're making a practical decision.

1167

01:33:22,263 --> 01:33:25,015

Decisions, decisions.

1168

01:33:25,099 --> 01:33:28,268

There's no need for any more suffering.

1169

01:33:34,776 --> 01:33:38,278

Your family's ranch is nothing
but a wasteland now.

1170

01:33:38,821 --> 01:33:43,575

Sign the deed and relieve yourself
of your father's burden.

1171

01:33:45,620 --> 01:33:48,455

My daddy was not a burden!

1172

01:33:48,581 --> 01:33:50,958

Keep your blood money
and I'll keep my land!

1173

01:33:57,090 --> 01:34:00,258

Do what he says or,
by all the fires of the black pit,

1174

01:34:00,343 --> 01:34:03,762

I'll squeeze them pretty brown eyes
out of your skull!

1175

01:34:04,514 --> 01:34:06,723

Now, hold on, Jake.
There's no need to...

1176

01:34:06,808 --> 01:34:09,142

Let me do my job! You brought me in.

1177

01:34:09,268 --> 01:34:11,812

Now we're gonna play this thing
out to the end!

1178

01:34:12,605 --> 01:34:15,107

Sign the damn paper, woman!

1179

01:34:15,316 --> 01:34:17,109

Go to hell!

1180

01:34:17,276 --> 01:34:19,611

Where do you think I come from?

1181

01:34:20,196 --> 01:34:22,531

Look into my eyes.

1182

01:34:22,615 --> 01:34:24,992

I want to see you die.

1183

01:34:30,123 --> 01:34:31,331

Jake!

1184

01:34:34,669 --> 01:34:36,670

I'm calling you out!

1185

01:34:38,965 --> 01:34:40,465

Jake!

1186

01:34:40,800 --> 01:34:45,178

This day

just got a little more interesting.

1187

01:35:12,415 --> 01:35:13,623

Put her down.

1188

01:35:13,708 --> 01:35:17,335

Or what, little man?

You going to kill me?

1189

01:35:17,420 --> 01:35:19,337

That's just about the size of it.

1190

01:35:22,008 --> 01:35:24,634

-Get your filthy paws off me!

-Shut your gob!

1191

01:35:24,719 --> 01:35:27,888

All right, Sheriff, make your move.

1192

01:37:00,148 --> 01:37:01,648

Nown amigos!

1193

01:37:06,195 --> 01:37:08,864

-Heave! Heave!

-Heave! Heave!

1194

01:37:26,799 --> 01:37:29,050

That was a bad idea.

1195

01:37:33,472 --> 01:37:34,514

Thirsty, brother?

1196

01:37:38,227 --> 01:37:40,353

Here it comes!

1197

01:37:42,148 --> 01:37:43,190

No. No!

1198

01:37:47,570 --> 01:37:48,820

It's a miracle!

1199

01:37:48,988 --> 01:37:50,363

Look out!

1200

01:37:57,496 --> 01:37:59,164

-Lookie there!

-What is that?

1201

01:38:01,083 --> 01:38:02,500

It's our salvation, Pa!

1202

01:38:02,585 --> 01:38:05,712

It's a jailbreak, boys! We're busting out!

1203

01:38:15,932 --> 01:38:20,018

I'm gonna blow so many holes in you,
your guts'll be leaking lead!

1204

01:38:20,102 --> 01:38:22,854

Well, then

it's a good thing I brought some backup.

1205

01:38:34,116 --> 01:38:35,200

What?

1206

01:38:38,955 --> 01:38:40,830

Ain't no hawk.

1207

01:38:40,915 --> 01:38:43,375

Ain't nothing but bats!

1208

01:38:45,544 --> 01:38:49,798

Stick to the plan, boys!

Let's bleed that devil dry!

1209

01:39:01,227 --> 01:39:03,395

It only takes one bullet.

1210

01:39:03,479 --> 01:39:05,605

You ain't got the nerve.

1211

01:39:06,774 --> 01:39:08,233

Try me.

1212

01:39:12,571 --> 01:39:14,239

Oh, Mr Rango.

1213

01:39:14,907 --> 01:39:16,574

Aren't you forgetting something?

1214

01:39:21,831 --> 01:39:23,790

Hand me your gun, Sheriff.

1215

01:39:26,669 --> 01:39:28,461

Now, Mr Rango.

1216

01:39:40,599 --> 01:39:42,934

Beans! Hold on.

Don't worry, I got a plan.

1217

01:39:43,853 --> 01:39:45,979

Help!

1218

01:39:46,105 --> 01:39:48,440

Open the door!

1219

01:39:49,025 --> 01:39:50,525

Okay, plan B.

1220

01:39:51,694 --> 01:39:52,819

Beans, you're mumbling.

1221

01:39:53,362 --> 01:39:57,532

All my problems taken care of
except for one.

1222

01:39:58,200 --> 01:39:59,326

It's a new West, Jake.

1223

01:39:59,452 --> 01:40:03,788

There's no room for gunslingers
any more. We're businessmen now.

1224

01:40:03,873 --> 01:40:05,623

Yeah, we got new hats.

1225

01:40:05,708 --> 01:40:09,336

Where I come from,
we call this improvisation.

1226

01:40:10,713 --> 01:40:12,464

You came back.

1227

01:40:20,681 --> 01:40:21,890

What was that?

1228

01:40:21,974 --> 01:40:24,559

No need to panic,
but I think you just swallowed plan B.

1229

01:40:24,685 --> 01:40:25,810

What?

1230

01:40:27,396 --> 01:40:28,938

Okay, panic time.

1231

01:40:29,023 --> 01:40:31,983

You and the Sheriff are more alike
than you think.

1232

01:40:32,068 --> 01:40:33,902

You're nothing but legends.

1233

01:40:33,986 --> 01:40:37,739

Pretty soon,
no one will believe you even existed.

1234

01:40:40,993 --> 01:40:43,578

One last bullet to kill one last outlaw.

1235

01:40:45,915 --> 01:40:47,665

How fitting.

1236

01:41:21,909 --> 01:41:24,077

Sheriff, I'm sure if we work together,

1237

01:41:24,203 --> 01:41:28,331

we can reach a mutually beneficial
solution to our current situation.

1238

01:41:28,416 --> 01:41:30,708

You better take it up with him.

1239

01:41:41,929 --> 01:41:43,721

One bullet.

1240

01:41:45,099 --> 01:41:47,434

I tip my hat to you,

1241

01:41:47,560 --> 01:41:50,437

one legend to another.

1242

01:41:52,273 --> 01:41:54,482

What was that you said?

1243

01:41:54,567 --> 01:41:59,279

"Pretty soon,

no one will believe you even existed."

1244

01:41:59,447 --> 01:42:01,573

No, Jake! No!

1245

01:42:13,919 --> 01:42:15,295

Rango!

1246

01:42:16,755 --> 01:42:20,550

You brought the water back,

just like you promised.

1247

01:42:20,634 --> 01:42:22,302

You really are a hero.

1248

01:42:23,596 --> 01:42:26,764

Well, the thing about heroes is,
whenever you...

1249

01:42:26,849 --> 01:42:28,641

Don't spoil it.

1250

01:42:28,767 --> 01:42:29,976

Right.

1251

01:42:30,478 --> 01:42:33,771

Well, I don't know about you all,
but I could sure go for a dip.

1252

01:42:37,276 --> 01:42:40,195

And so the lizard completes his journey

1253

01:42:40,279 --> 01:42:44,324

from humble beginnings
to the legend we sing of today.

1254

01:42:44,450 --> 01:42:49,120

And although he is certain to die,
perhaps from a household accident,

1255

01:42:49,205 --> 01:42:52,248

which account
for 65% of all unnatural deaths,

1256

01:42:52,333 --> 01:42:55,793

the people of the village
will honour his memory

1257

01:42:55,961 --> 01:42:59,130

even as they abandon their dignity.

1258

01:43:06,680 --> 01:43:09,057

-I'm going in.
-How about a cold one, there?

1259

01:43:09,141 --> 01:43:11,184

Water ain't money. Money is money.

1260

01:43:11,310 --> 01:43:13,895

-Well, I ain't got no...

-We're talking hard cash.

1261

01:43:14,521 --> 01:43:15,772

We have a problem.

1262

01:43:15,856 --> 01:43:18,524

Who let Snuggles in the pool again?

1263

01:43:18,651 --> 01:43:21,069

I really think you complete me.

1264

01:43:21,153 --> 01:43:23,363

Prithee, unhand my fair maiden.

1265

01:43:23,489 --> 01:43:26,574

-Cut. Cut. Everybody, take five.

-How can you keep missing your mark?

1266

01:43:26,659 --> 01:43:27,700

What's my motivation?

1267

01:43:29,536 --> 01:43:31,037

Oh, you kids.

1268

01:43:31,163 --> 01:43:32,997

What did you do that for?

1269

01:43:33,082 --> 01:43:35,541

I was just checking.

I hear if you get too sunburnt,

1270

01:43:35,668 --> 01:43:37,418

you can peel a man's face right off.

1271

01:43:37,503 --> 01:43:39,087

-What is it?

-That there's some human spleen.

1272

01:43:39,171 --> 01:43:40,255

Don't touch it.

1273

01:43:40,339 --> 01:43:41,923

That's the second time
that's happened to me.

1274

01:43:42,007 --> 01:43:43,591

This water thing's great.

1275

01:43:43,676 --> 01:43:45,176

I'm urinating right now.

1276

01:43:45,261 --> 01:43:48,388

Adult swim, next five minutes.

1277

01:43:48,514 --> 01:43:50,848

Stay between the buoys.

1278

01:43:50,933 --> 01:43:52,267

I packed your lunch. Danish is in there

1279

01:43:52,351 --> 01:43:54,060

and I picked the raisins out

just the way you like it.

1280

01:43:54,186 --> 01:43:56,187

Don't forget, your nasal spray is
in your saddle-bag...

1281

01:43:56,272 --> 01:43:57,897

-Beans!
-...and your moisturising lotion...

1282

01:43:58,023 --> 01:44:00,233

-Now, Beans! We've talked about this.
-Lotion?

1283

01:44:00,359 --> 01:44:03,069

That's for my gun. That's gun lotion.

1284

01:44:03,237 --> 01:44:04,779

Sheriff, where are you headed?

1285

01:44:04,863 --> 01:44:07,782

There's trouble down a dry creek.
Bad Bill's been acting up again.

1286

01:44:07,866 --> 01:44:09,742

Now, honey, you come back
with all your digits.

1287

01:44:09,868 --> 01:44:11,202

And don't go trying to be a hero.

1288

01:44:11,287 --> 01:44:12,745

Beans, you are missing the point.

1289

01:44:12,871 --> 01:44:15,206

I got an image to protect now.

1290

01:44:16,292 --> 01:44:17,875

Where's my Tic Tacs?

1291

01:44:19,211 --> 01:44:21,129

-I found them.

-What's going on?

1292

01:44:21,213 --> 01:44:24,132

Well, in order to satisfy the needs
of the collective,

1293

01:44:24,216 --> 01:44:26,009

the hero must abandon the self

1294

01:44:26,093 --> 01:44:30,054

and solidify his image as an icon
that will forever be remembered.

1295

01:44:30,889 --> 01:44:33,266

So, this is the sunset shot.

1296

01:44:41,734 --> 01:44:43,776

Give them a good one, amigo.

1297

01:44:53,245 --> 01:44:54,787

Ready, Excelsior?

1298

01:44:55,080 --> 01:44:57,040

My fellow comrades.

1299

01:44:57,124 --> 01:44:59,792

There will be times
when you doubt yourself.

1300

01:44:59,877 --> 01:45:03,087

When you feel pummelled
by the cataclysms of life,

1301

01:45:03,505 --> 01:45:07,050

remember this moment.
Remember me.

1302

01:45:07,593 --> 01:45:10,386

Know that I will be there watching you,

1303

01:45:10,596 --> 01:45:13,431

sometimes at inappropriate moments.

1304

01:45:13,724 --> 01:45:16,059

That's part of the deal.

1305

01:45:16,143 --> 01:45:19,604

And remember, within all of us resides

1306

01:45:19,938 --> 01:45:22,690

the true Spirit of the...

1307

01:45:25,611 --> 01:45:27,904

Let's take it from the top.
