

Dialogues from Slaughterhouse Rulez to improve the vocabulary in English

1

00:00:45,733 --> 00:00:47,560

Welcome to Slaughterhouse.

2

00:00:47,735 --> 00:00:51,826

An unashamedly exclusive
pillar of excellence.

3

00:00:52,000 --> 00:00:54,785

No other school in England
or indeed on Earth

4

00:00:54,959 --> 00:00:58,093

can rival
our glorious surroundings.

5

00:00:58,267 --> 00:01:00,225

A place at
Slaughterhouse

6

00:01:00,399 --> 00:01:02,401

is the envy
of the civilized world.

7

00:01:02,575 --> 00:01:04,665

Slaughterhouse?
From these hallowed fields...

8

00:01:04,839 --> 00:01:06,275

Bit of a weird name
for a school.

9

00:01:06,449 --> 00:01:08,146

Generations of
young Slaughterians

10

00:01:08,320 --> 00:01:09,670

have left their mark.

11

00:01:09,844 --> 00:01:12,542

I went to see
the headmaster yesterday.

12

00:01:12,716 --> 00:01:15,893

He was very impressive. Why
are you showing me this?

13

00:01:16,067 --> 00:01:19,636

Don, a place has come
free next term.

14

00:01:19,810 --> 00:01:21,420

This never usually happens.

15

00:01:21,594 --> 00:01:23,466

You know we talked about
moving schools.

16

00:01:23,640 --> 00:01:25,337

This is our chance.

17

00:01:25,511 --> 00:01:28,384

What, at Slaughterhouse?
Is this an April Fool joke?

18

00:01:28,558 --> 00:01:30,865

No. I drove six hours
there and back

19

00:01:31,039 --> 00:01:32,344

yesterday
to see the headmaster.

20

00:01:32,518 --> 00:01:34,216

Do I look like I'm joking?

21

00:01:34,390 --> 00:01:36,827

You need to knuckle down,
work hard like your dad.

22

00:01:37,001 --> 00:01:38,081

Dad left school at 16, Mum.

23

00:01:38,220 --> 00:01:40,048

Dad worked his bollocks off,

24

00:01:40,222 --> 00:01:42,398

and he never had

opportunities like this.

25

00:01:42,572 --> 00:01:45,053

You sit around here all day,
doing bugger all, drinking pop,

26

00:01:45,227 --> 00:01:47,316

and playing computer games
with your friends.

27

00:01:49,448 --> 00:01:52,364

And you don't get up till
after midday. You're depressed.

28

00:01:52,538 --> 00:01:55,846

You're out of milk,
Mrs. Wallace.

29

00:01:56,020 --> 00:01:57,848

Thanks, Mikey.

30

00:01:58,022 --> 00:02:00,459

That's what I mean.

You need some new friends.

31

00:02:00,633 --> 00:02:03,419

You could be rubbing shoulders
with the leaders of tomorrow.

32

00:02:03,593 --> 00:02:05,638

Future prime ministers,
actors,

33

00:02:05,813 --> 00:02:07,684

spies, pop stars.

34

00:02:07,858 --> 00:02:11,035

You need to learn some
survival skills. Get real, Don.

35

00:02:11,209 --> 00:02:13,298

Real? Mum, this ain't real.

36

00:02:13,472 --> 00:02:15,257

This is just a bunch
of stuck-up twats

37

00:02:15,431 --> 00:02:18,651

with a load of money.

All right? Look.

38

00:02:20,218 --> 00:02:23,091

They've got their own army. It's cadets.

39

00:02:23,265 --> 00:02:27,182

You've got other fun activities

too. Look. Sports, girls.

40

00:02:27,356 --> 00:02:31,186

You know, it's like a very

exclusive holiday camp.

41

00:02:31,360 --> 00:02:34,232

...to your child's

precious career.

42

00:02:34,406 --> 00:02:37,105

I love you to bits... Yes! Ha, ha!

43

00:02:37,279 --> 00:02:39,237

Wait a minute.

I knew it. I knew you'd say yes.

44

00:02:39,411 --> 00:02:41,457

Thank God because

I already paid in advance.

45

00:02:41,631 --> 00:02:43,241

Don't you dare

go changing your mind.

46

00:02:43,415 --> 00:02:44,765

What? Got your tie.

47

00:02:44,939 --> 00:02:46,941

Same color as my bag. Can we talk about it?

48

00:02:47,115 --> 00:02:48,856

Let's have a picture.

Just gonna go get Dad.

49

00:02:49,030 --> 00:02:50,030

No, don't get Dad.

50

00:02:50,074 --> 00:02:52,250

Mum, leave him.

He's fine.

51

00:02:52,424 --> 00:02:54,513

It's all right.

52

00:02:54,687 --> 00:02:56,689

Good manners, good looks,

53

00:02:56,864 --> 00:02:59,344

and good breeding.

54

00:03:00,432 --> 00:03:02,217

Mikey!

55

00:03:02,391 --> 00:03:05,046

Yes, Mrs. Wallace?

Put your arm around Dad.

56

00:03:05,220 --> 00:03:07,222

Can you take a picture, love?

57

00:03:07,396 --> 00:03:09,572

At Slaughterhouse...

He'd be proud of you.

58

00:03:09,746 --> 00:03:11,400

...a family that

is ready to fight

59

00:03:11,574 --> 00:03:13,315

Come on, smile,

you posh bastard.

60

00:03:13,489 --> 00:03:15,012

...until the bloody end.

61

00:03:15,186 --> 00:03:18,146

Cry "Per caedes ad astra."

62

00:03:18,320 --> 00:03:22,628

Through slaughter
to immortality.

63

00:04:06,194 --> 00:04:07,717

Stop worrying, darling.

64

00:04:07,891 --> 00:04:09,675

You're gonna fit right in.

65

00:04:09,850 --> 00:04:12,113

What are they gonna do,
eat you alive?

66

00:04:12,287 --> 00:04:15,986

Mum! Dad!

67

00:04:16,160 --> 00:04:19,207

Love, I know it's been tough
with your dad gone.

68

00:04:19,381 --> 00:04:20,686

We hit bottom.

69

00:04:20,861 --> 00:04:22,253

The worst is over.

70

00:04:22,427 --> 00:04:24,038

Look.

71

00:04:24,212 --> 00:04:26,910

You're going to school

in a bloody palace.

72

00:04:30,696 --> 00:04:33,134

Come here.

73

00:04:48,279 --> 00:04:50,455

Can you hide something for me? Depends.

74

00:04:50,629 --> 00:04:51,717

What is it?

75

00:04:51,892 --> 00:04:53,502

Just this.

76

00:04:53,676 --> 00:04:55,460

Ammo?

77

00:04:55,634 --> 00:04:58,550

Leave it with me.Thanks.

78

00:05:11,912 --> 00:05:13,914

Piss off, you twats! Shut up.

79

00:05:14,088 --> 00:05:15,219

Piss off.

80

00:05:23,445 --> 00:05:25,403

Ah, Mr. Blake,

you're in. Good man.

81

00:05:25,577 --> 00:05:27,101

Mr. Houseman, sir.

82

00:05:27,275 --> 00:05:31,105

I have someone I'd like you

to meet. Come in, Don.

83

00:05:31,279 --> 00:05:32,758

This is your new study,

84

00:05:32,933 --> 00:05:34,891

and this is Willoughby,
your new roommate.

85

00:05:35,065 --> 00:05:37,589

Will, this is Don Wallace,
our new Spartan.

86

00:05:37,763 --> 00:05:39,113

Welcome to hell.

87

00:05:39,287 --> 00:05:40,288

Dab of snuff?

88

00:05:43,726 --> 00:05:45,684

Will's a bit of
a legend in Sparta.

89

00:05:45,858 --> 00:05:47,295

Takes one to know one, eh?

90

00:05:47,469 --> 00:05:49,166

Will's part of

a long line of Spartans

91

00:05:49,340 --> 00:05:50,689

that really left their mark.

92

00:05:50,863 --> 00:05:52,735

This is your desk

where you shall be

93

00:05:52,909 --> 00:05:54,650

spending many a happy hour,

I'm sure,

94

00:05:54,824 --> 00:05:56,608

studying away

like a little beaver.

95

00:05:56,782 --> 00:05:59,437

Or looking out the window,
that's what I did. Ha, ha.

96

00:05:59,611 --> 00:06:02,397

Um, you got your schoolbook?
That's got everything in there.

97

00:06:02,571 --> 00:06:05,139

Maps, school history,
secret tunnels and whatnot.

98

00:06:05,313 --> 00:06:08,838

Ooh! Bloody heck.
Says "Viscount."

99

00:06:09,012 --> 00:06:11,101

Viscount Seymour.

100

00:06:11,275 --> 00:06:13,234

Is that you, lovey,
you a viscount?

101

00:06:13,408 --> 00:06:15,323

No. No, that boy is, um...

102

00:06:15,497 --> 00:06:18,500

no longer with us,
unfortunately.

103

00:06:18,674 --> 00:06:20,197

Damn it, I thought
I gave you orders

104

00:06:20,371 --> 00:06:21,764

to clear out Seymour's stuff.

105

00:06:21,938 --> 00:06:24,593

How much of it is left?

106

00:06:24,767 --> 00:06:27,422

Right, well, um, ahem,
if you'll excuse me,

107

00:06:27,596 --> 00:06:31,643

uh, I should... Need to have
a word with Matron. Ahem.

108

00:06:35,256 --> 00:06:37,475

So did you know him,
the viscount?

109

00:06:37,649 --> 00:06:39,695

He was my roommate.

110

00:06:39,869 --> 00:06:41,349

Why'd he leave? I'm afraid

111

00:06:41,523 --> 00:06:43,090

I'm not at liberty to say.

112

00:06:43,264 --> 00:06:45,179

But you'll find out
soon enough.

113

00:06:48,399 --> 00:06:50,923

Right, well,
I'll let you get settled in.

114

00:06:51,098 --> 00:06:52,447

It's very nice
to meet you, Will.

115

00:06:52,621 --> 00:06:53,970

I have a feeling
you two are gonna

116

00:06:54,144 --> 00:06:56,146

get on like
a house on fire.

117

00:06:56,320 --> 00:06:57,320

Remember
what I said, Don.

118

00:07:03,849 --> 00:07:05,503

Well, then.

119

00:07:05,677 --> 00:07:08,550

Here you are,
two years stuck in a box.

120

00:07:08,724 --> 00:07:10,117

With me.

121

00:07:26,133 --> 00:07:28,526

Sparta dogs, assembly.

122

00:07:28,700 --> 00:07:31,268

Come on.

God's sake, Wootton.

123

00:07:31,442 --> 00:07:33,053

Now, keep it
moving at the back.

124

00:07:33,227 --> 00:07:36,230

Heads down,
say nothing to anyone.

125

00:07:36,404 --> 00:07:38,536

You go in there
with your head held high

126

00:07:38,710 --> 00:07:41,017

and just be yourself.

127

00:07:42,279 --> 00:07:44,194

You belong here.

128

00:07:44,368 --> 00:07:47,197

And don't let anyone
tell you otherwise.

129

00:08:17,793 --> 00:08:19,664

Excuse me.

130

00:08:19,838 --> 00:08:21,579

You dropped this.

131

00:08:21,753 --> 00:08:23,929

Oh. Thanks.

132

00:08:24,104 --> 00:08:25,540

What are those, selfies?

133

00:08:29,370 --> 00:08:31,459

I don't think you
belong here, do you?

134

00:08:31,633 --> 00:08:33,461

Sorry?

135

00:08:33,635 --> 00:08:34,960

You're standing
in the girls' house.

136

00:08:34,984 --> 00:08:36,377

Oh.

137

00:08:36,551 --> 00:08:38,335

Oh, yeah, uh...

138

00:08:38,509 --> 00:08:39,902

Sorry, I didn't realize.

139

00:08:40,076 --> 00:08:41,382

Everyone stands
in their houses.

140

00:08:41,556 --> 00:08:43,384

This is Andromeda.

It's the newest house,

141

00:08:43,558 --> 00:08:45,299

just for girls.

142

00:08:45,473 --> 00:08:48,040

That's Xenophon, it's full
of scholars and brain boxes.

143

00:08:48,215 --> 00:08:50,173

All super smart,
but none of them

144

00:08:50,347 --> 00:08:51,696

can beat my friend Kay
at chess.

145

00:08:53,655 --> 00:08:55,831

Olympus is all jocks
and rugger buggers.

146

00:08:56,005 --> 00:08:58,094

The school's superstars.

147

00:08:58,268 --> 00:09:00,618

And then there's Sparta.

148

00:09:00,792 --> 00:09:03,795

Which is... Well, it's...

149

00:09:03,969 --> 00:09:05,319

Um...

150

00:09:06,842 --> 00:09:07,973

I think that's you.

151

00:09:09,105 --> 00:09:10,498

Yeah, thanks.

152

00:09:19,159 --> 00:09:21,073

What the hell are you doing?

153

00:09:21,248 --> 00:09:23,989

Me? I was just... Talking to Upper Sixth?

154

00:09:24,164 --> 00:09:25,730

Upper Six...

Who's Upper Sixth?

155

00:09:25,904 --> 00:09:27,079

I am.

156

00:09:27,254 --> 00:09:29,212

Matthew Clegg,

and so is she.

157

00:09:31,171 --> 00:09:32,607

She's Matthew Clegg?

158

00:09:32,781 --> 00:09:35,262

No, no.

159

00:09:35,436 --> 00:09:38,221

You don't look at Upper Sixth,

let alone speak to them.

160

00:09:38,395 --> 00:09:40,397

I mean, I was just... You're speaking.

161

00:09:40,571 --> 00:09:42,007

And looking.

162

00:09:42,182 --> 00:09:43,313

Good.

163

00:09:43,487 --> 00:09:45,533

Now keep your eyes
on the floor,

164

00:09:45,707 --> 00:09:48,013

and go and stand
with your house.

165

00:09:48,188 --> 00:09:49,928

Order.

166

00:09:50,102 --> 00:09:51,887

Thank you.

167

00:09:52,061 --> 00:09:53,497

Thank you.

168

00:09:53,671 --> 00:09:54,977

Oh, dear.

169

00:09:55,151 --> 00:09:56,718

You've upset Cleggy.

170

00:09:56,892 --> 00:09:59,416

That's not a good start.

171

00:09:59,590 --> 00:10:02,506

Comes from a long line

of war criminals.

172

00:10:02,680 --> 00:10:05,248

--not be excused from games.Slacker.

173

00:10:05,422 --> 00:10:06,902

Now, listen up.

174

00:10:07,076 --> 00:10:09,774

Caspar de Brunose.

Head of school.

175

00:10:09,948 --> 00:10:12,864

Till further notice, bathing in
the lakes is strictly forbidden

176

00:10:13,038 --> 00:10:16,520

and the woods are completely
out of bounds

177

00:10:16,694 --> 00:10:18,827

to all those who
do not wish to suffer

178

00:10:19,001 --> 00:10:20,916

a slow and painful death.

179

00:10:24,702 --> 00:10:27,531

You have no new messages.

180

00:10:27,705 --> 00:10:30,317

Repeat saved message.

181

00:10:30,491 --> 00:10:33,058

Hey, it's Audrey. I'm in Africa.

182

00:10:33,233 --> 00:10:35,235

And guess what I just
found in my suitcase.

183

00:10:35,409 --> 00:10:37,802

Your old cricket jumper.

184

00:10:37,976 --> 00:10:40,370

Sweetie,
it even smells of you.

185

00:10:40,544 --> 00:10:43,243

Chin up, okay?
Stay strong,

186

00:10:43,417 --> 00:10:45,201

this is gonna be
a great year for you.

187

00:10:45,375 --> 00:10:47,290

- A great year.
- Silence!

188

00:10:47,464 --> 00:10:49,423

For the head.

189

00:11:03,480 --> 00:11:05,569

What's all this?

190

00:11:05,743 --> 00:11:09,356

This is The Bat.

191

00:11:14,143 --> 00:11:15,710

Boys,

192

00:11:15,884 --> 00:11:17,146

welcome.

193

00:11:17,320 --> 00:11:18,800

Welcome back.

194

00:11:20,497 --> 00:11:23,892

And girls, of course.

Of course.

195

00:11:24,066 --> 00:11:26,198

Welcome all

196

00:11:26,373 --> 00:11:28,418

back to Slaughterhouse.

197

00:11:28,592 --> 00:11:32,161

Our school

is home from home.

198

00:11:32,335 --> 00:11:34,729

Now, when I arrived

last year,

199

00:11:34,903 --> 00:11:37,384

I promised to
shake things up a bit.

200

00:11:37,558 --> 00:11:39,211

Get Slaughterhouse
back on track,

201

00:11:39,386 --> 00:11:42,650

make our school great again.

202

00:11:42,824 --> 00:11:46,523

A family of proud
Slaughterians.

203

00:11:46,697 --> 00:11:50,701

Don't forget, I once
stood where you are now.

204

00:11:50,875 --> 00:11:52,486

Long ago.

205

00:11:52,660 --> 00:11:54,923

In a galaxy far, far away.

206

00:11:55,097 --> 00:11:58,361

There are those out there
who would like to see us fail.

207

00:11:58,535 --> 00:12:01,277

Oh, yes. We know about them.

208

00:12:01,451 --> 00:12:03,975

Their lies, their gossip,

209

00:12:04,149 --> 00:12:05,412

their envy.

210

00:12:05,586 --> 00:12:07,501

But I say,

211

00:12:07,675 --> 00:12:08,850

bring it on!

212

00:12:09,024 --> 00:12:10,852

We'll show them

what we're made of.

213

00:12:11,026 --> 00:12:12,636

We'll show them our guts.

214

00:12:12,810 --> 00:12:15,465

Cry "Per caedes ad astra."

215

00:12:15,639 --> 00:12:17,206

Through slaughter

216

00:12:17,380 --> 00:12:19,469

to immortality!

217

00:12:19,643 --> 00:12:21,253

Three cheers

for the head.

218

00:12:21,428 --> 00:12:22,733

Hip, hip, hooray.

219

00:12:22,907 --> 00:12:24,909

Hip, hip, hooray.

Hip, hip, hooray.

220

00:12:25,083 --> 00:12:27,564

Sweetie, it even
smells of you.

221

00:12:27,738 --> 00:12:29,827

Chin up, okay?
Stay strong,

222

00:12:30,001 --> 00:12:32,569

this is gonna be
a great year for you.

223

00:12:38,488 --> 00:12:40,360

What the devil?

224

00:12:41,186 --> 00:12:42,579

Frack attack!

225

00:12:42,753 --> 00:12:44,494

Danger, toxic gas!

Clear the area.

226

00:12:44,668 --> 00:12:47,845

Smell the gas,
smell the bullshit.

227

00:12:48,019 --> 00:12:49,934

Tell us what's going on
in the woods.

228

00:12:50,108 --> 00:12:52,284

Why are you shitting
on your own doorstep?

229

00:12:52,459 --> 00:12:54,069

Eco Doomsday. Take a leaflet.

230

00:12:54,243 --> 00:12:56,114

Out you go. You.

231

00:12:56,288 --> 00:12:57,899

--contaminating
this whole area.

232

00:12:58,073 --> 00:12:59,770

Hey, get off. This is genius.

233

00:12:59,944 --> 00:13:02,643

Is this Woody's idea?

I'm just a messenger.

234

00:13:02,817 --> 00:13:04,775

Wake up!

Your house is on fire!

235

00:13:04,949 --> 00:13:06,389

Who let the frackers

into the school?

236

00:13:06,429 --> 00:13:08,213

He did! And we know why.

237

00:13:08,388 --> 00:13:09,389

Thank you, off you go.

238

00:13:09,563 --> 00:13:10,683

Back off.

I'm not one of you.

239

00:13:10,825 --> 00:13:12,087

I don't need

to take any

240

00:13:12,261 --> 00:13:14,219

of your

public-schoolboy crap.

241

00:13:14,394 --> 00:13:15,656

Uh-oh.

242

00:13:20,095 --> 00:13:22,271

You dare assault a prefect!

243

00:13:28,843 --> 00:13:31,976

Well, there you have it.

244

00:13:32,150 --> 00:13:34,675

Our enemies

are on the doorstep.

245

00:13:34,849 --> 00:13:37,721

- Holy shit.

- Lost, are we, sir?

246

00:13:37,895 --> 00:13:39,984

School's that way.

247

00:13:40,158 --> 00:13:42,204

Yes, I'm perfectly

aware... Jesus.

248

00:13:43,814 --> 00:13:46,121

You're awfully bloody close,

aren't you?

249

00:13:46,295 --> 00:13:48,036

You're practically

on the cricket pitch.

250

00:13:48,210 --> 00:13:49,820

Get your pads on,

then, boss.

251

00:13:49,994 --> 00:13:52,649

Woods are out of bounds
from the start of term.

252

00:13:52,823 --> 00:13:55,870

This fracking tower is now
fully operational.

253

00:13:56,044 --> 00:13:57,915

Yes. Yes, I knew
about the fracking,

254

00:13:58,089 --> 00:14:00,091

I just didn't
expect it to be so big.

255

00:14:00,265 --> 00:14:02,572

That's what all the girls say,
isn't it, lads?

256

00:14:04,226 --> 00:14:07,534

Yes, he did. Yes, he did.

Carry on. Ahem.

257

00:14:07,708 --> 00:14:11,276

- Tea break's over, lads.

- Let's make some money.

258

00:14:18,762 --> 00:14:21,548

Energy production will always
be contentious.

259

00:14:21,722 --> 00:14:22,810

But fracking

260

00:14:22,984 --> 00:14:24,507

is the future, and...

261

00:14:27,815 --> 00:14:30,861

And thanks
to the wonders of shale gas,

262

00:14:31,035 --> 00:14:34,082

which exists in abundance

beneath our school,

263

00:14:34,256 --> 00:14:37,128

we can finally build

our dry ski slope

264

00:14:37,302 --> 00:14:39,130

and the long overdue

265

00:14:39,304 --> 00:14:41,176

prefect spa.

266

00:14:47,312 --> 00:14:49,271

In the words

of Emperor Caligula:

267

00:14:49,445 --> 00:14:51,229

"Let them hate."

268

00:14:51,403 --> 00:14:54,276

Yes, quite. "So long as they fear us."

269

00:15:19,127 --> 00:15:20,694

Oh! Meredith.

Yes.

270

00:15:20,868 --> 00:15:22,522

I heard you were

out jogging.

271

00:15:22,696 --> 00:15:25,220

Didn't you get my note

about the no-go areas?

272

00:15:25,394 --> 00:15:28,353

Uh, yes, sorry about

that, headmaster.

273

00:15:28,528 --> 00:15:30,573

Be assured my prefects

have been instructed,

274

00:15:30,747 --> 00:15:32,140

and the area's been

locked down.

275

00:15:32,314 --> 00:15:33,837

Good, good.

276

00:15:34,011 --> 00:15:35,360

Now's not the time

for the boys

277

00:15:35,535 --> 00:15:37,145

to be slipping off

to the old haunts.

278

00:15:37,319 --> 00:15:39,626

The woods, the lakes.

279

00:15:39,800 --> 00:15:42,716

Ciggies and tongue sandwiches.

That sort of thing.

280

00:15:42,890 --> 00:15:44,239

Perish the thought,

headmaster.

281

00:15:44,413 --> 00:15:47,547

And how are things
with you, Meredith?

282

00:15:47,721 --> 00:15:50,332

You seemed rather upset
taking Audrey to the airport.

283

00:15:50,506 --> 00:15:52,029

Oh, I was just, uh,

284

00:15:52,203 --> 00:15:54,684

a bit sorry to see her go,
headmaster. Uh...

285

00:15:54,858 --> 00:15:56,860

She was quite a loss

286

00:15:57,034 --> 00:15:58,862

to the school.

287

00:16:00,342 --> 00:16:01,735

Don't sweat it,

Meredith.

288

00:16:01,909 --> 00:16:03,563

You had a school romance,

289

00:16:03,737 --> 00:16:06,304

delicious while it lasts,

but you know,

290

00:16:06,478 --> 00:16:09,917

these things always end up

in a bloody mess.

291

00:16:10,091 --> 00:16:11,788

The only couple

I know still going strong

292

00:16:11,962 --> 00:16:13,355

are me and Mr. Chips.

293

00:16:13,529 --> 00:16:17,272

Isn't that right, Chippy?

294

00:16:20,405 --> 00:16:23,583

Come on, Chippy!

295

00:16:23,757 --> 00:16:26,107

Let's get some fresh air.

296

00:16:41,949 --> 00:16:44,168

Cleanup team to the Portaloos.

297

00:16:44,342 --> 00:16:46,431

That's cleanup team

to the Portaloos.

298

00:16:47,955 --> 00:16:49,304

Right.

299

00:16:49,478 --> 00:16:52,002

Talk to me.

300

00:16:52,176 --> 00:16:55,615

What have you got?

Some underground cave system.

301

00:16:55,789 --> 00:16:58,269

No wonder that bloody
sinkhole appeared,

302

00:16:58,443 --> 00:17:00,271

leads straight down there.

303

00:17:00,445 --> 00:17:04,841

I've checked the readings,
it's still full of gas.

304

00:17:05,015 --> 00:17:07,365

Bingo. We've hit the mother lode.

305

00:17:07,539 --> 00:17:11,674

Send down the pipe
and suck it up.

306

00:17:11,848 --> 00:17:14,808

Pump. Ooh. Oh, baby.

307

00:17:14,982 --> 00:17:15,982

You know the drill.

308

00:17:18,463 --> 00:17:20,988

Seismic observance

on level G17.

309

00:17:21,162 --> 00:17:23,947

Mr. Lambert.

310

00:17:24,121 --> 00:17:26,167

There's

something down there

311

00:17:26,341 --> 00:17:28,256

in them tunnels.

312

00:17:29,300 --> 00:17:30,911

Look.

313

00:17:31,085 --> 00:17:32,652

It's moving.

314

00:17:32,826 --> 00:17:35,959

Bollocks. I wouldn't worry
about that, Butler.

315

00:17:36,133 --> 00:17:37,744

Probably just some moles.

316

00:17:37,918 --> 00:17:40,268

Pump at will.

317

00:17:53,716 --> 00:17:55,936

Yeah, I was...

I was just saying, I...

318

00:17:56,110 --> 00:17:58,155

I've made a terrible mistake.

319

00:17:59,504 --> 00:18:00,941

Audrey?

320

00:18:02,682 --> 00:18:03,682

Angel?

321

00:18:05,032 --> 00:18:06,337

Audrey? Meredith?

322

00:18:06,511 --> 00:18:09,297

I'm listening. I was just saying, I...

323

00:18:09,471 --> 00:18:11,429

I should've come with you. Oh, sweetie.

324

00:18:11,603 --> 00:18:13,823

Sparta needs you.

325

00:18:13,997 --> 00:18:16,826

After what happened last term.

326

00:18:17,000 --> 00:18:19,481

What was I thinking? Come on.

327

00:18:19,655 --> 00:18:21,135

Hey.

328

00:18:21,309 --> 00:18:23,311

We had fun times.

329

00:18:23,485 --> 00:18:27,315

We had good times there, but

Sparta's your life, you know?

330

00:18:27,489 --> 00:18:29,230

No, no.

331

00:18:29,404 --> 00:18:30,927

You're my life.

332

00:18:31,101 --> 00:18:34,278

My love, all I want

is to be with you.

333

00:18:34,452 --> 00:18:35,671

In South Sudan?

334

00:18:35,845 --> 00:18:37,412

If I can find

a replacement coach

335

00:18:37,586 --> 00:18:41,808

for the under sixteens, then

yes. I'll buy a plane ticket.

336

00:18:41,982 --> 00:18:44,636

Audrey? Yeah. Okay. Ha, ha.

337

00:18:44,811 --> 00:18:47,335

Is everything all right?

Who's...? Who's that?

338

00:18:49,467 --> 00:18:51,426

That's Dr. Francois,

he wants me...

339

00:18:51,600 --> 00:18:53,384

Needs me to assist him.

340

00:18:53,558 --> 00:18:56,387

That's all we do here.

We're at it all day long.

341

00:18:56,561 --> 00:18:58,825

Nonstop. Ha, ha.

342

00:18:58,999 --> 00:19:00,914

Saving children?

343

00:19:01,088 --> 00:19:03,177

It's so deeply fulfilling.

344

00:19:07,224 --> 00:19:09,400

Yeah, sorry,

sweetie, that's, um...

345

00:19:09,574 --> 00:19:11,272

Rebel fighters must be back.

I have to go.

346

00:19:11,446 --> 00:19:13,665

Audrey, please, don't go.

347

00:19:16,146 --> 00:19:18,932

Mr. Houseman, sir,
you're needed.

348

00:19:19,106 --> 00:19:22,500

Keep still,
you little bugger.

349

00:19:25,895 --> 00:19:27,897

Why did Miss Audrey leave?

350

00:19:35,949 --> 00:19:38,865

You're not going
to get a hard-on to that.

351

00:19:39,039 --> 00:19:41,998

In my kingdom,
we banned fracking.

352

00:19:42,172 --> 00:19:44,305

Can poison all the water.
Also causes earthquakes.

353

00:19:44,479 --> 00:19:46,176

- Earthquakes?
- And sinkholes.

354

00:19:46,350 --> 00:19:48,178

Says here that there
were 600 earthquakes

355

00:19:48,352 --> 00:19:49,919

in Oklahoma last year.

356

00:19:50,093 --> 00:19:53,053

Good. Hopefully the fucking
school will fall down.

357

00:19:53,227 --> 00:19:55,446

Lights in 10.

358

00:19:55,620 --> 00:19:57,797

All right, Chibwe,
that's confiscated.

359

00:19:57,971 --> 00:19:59,973

No electronic devices

in the dorm.

360

00:20:00,147 --> 00:20:02,105

You, whatever your name is,
into bed.

361

00:20:02,279 --> 00:20:03,628

Yes, sir. It's Wallace.

362

00:20:03,803 --> 00:20:05,065

As in William.

363

00:20:05,239 --> 00:20:06,544

As in Braveheart.

364

00:20:06,718 --> 00:20:08,808

Blake, explain to me.

365

00:20:08,982 --> 00:20:12,333

Why are you such
a fucking ponce?

366

00:20:12,507 --> 00:20:14,074

You don't even play rugby.

367

00:20:15,553 --> 00:20:17,294

"Never touch the balls,"

it's my motto.

368

00:20:17,468 --> 00:20:18,687

Besides...

369

00:20:20,471 --> 00:20:21,603

I'm unwell.

370

00:20:21,777 --> 00:20:23,300

Sick note.

How did you get that?

371

00:20:23,474 --> 00:20:26,042

Suck off the doctor?

It was only a hand job.

372

00:20:26,216 --> 00:20:28,392

Sparta!

373

00:20:28,566 --> 00:20:30,742

Stop what you're doing,
house meeting now.

374

00:20:30,917 --> 00:20:32,527

Move it.

375

00:20:32,701 --> 00:20:35,486

Whose idea of
a sick joke was this?

376

00:20:35,660 --> 00:20:37,140

Hmm?

377

00:20:37,314 --> 00:20:39,055

Somebody hung this tie
from a beam

378

00:20:39,229 --> 00:20:40,535

in the downstairs lavatory

379

00:20:40,709 --> 00:20:43,103

and I want to know
who the heck it was.

380

00:20:45,322 --> 00:20:47,324

Oh, you think this is funny,
do you, Hargreaves?

381

00:20:47,498 --> 00:20:49,544

Well, I find it
deeply offensive.

382

00:20:49,718 --> 00:20:51,328

Really.

383

00:20:51,502 --> 00:20:54,636

Who could do such a thing?
Come on, own up.

384

00:20:54,810 --> 00:20:57,291

I want to know who it was.

385

00:20:57,465 --> 00:21:00,250

Was it you? You?

386

00:21:01,817 --> 00:21:03,253

Well, I am most upset.

387

00:21:03,427 --> 00:21:06,039

And I'm very disappointed.

388

00:21:11,522 --> 00:21:13,873

Well, I hope this doesn't

cast a shadow over

389

00:21:14,047 --> 00:21:16,571

the whole house,

Sparta, I really do.

390

00:21:16,745 --> 00:21:20,270

If anybody knows

anything about this,

391

00:21:20,444 --> 00:21:22,272

they better come forward.

392

00:21:28,235 --> 00:21:30,280

Head back to
your dormitories. Now.

393

00:21:30,454 --> 00:21:32,239

Lights out
in three minutes.

394

00:21:32,413 --> 00:21:33,980

What's all that about?

395

00:21:36,983 --> 00:21:39,246

The boy who had your bed.

396

00:21:39,420 --> 00:21:41,639

Viscount?

397

00:21:41,813 --> 00:21:44,599

He died last term.

398

00:21:44,773 --> 00:21:48,255

Hung himself in the downstairs

bogs with a school tie.

399

00:21:50,170 --> 00:21:52,172

Welcome to

Slaughterhouse.

400

00:22:01,224 --> 00:22:03,835

- Lights out!

- Lights out! Lights!

401

00:22:04,010 --> 00:22:05,620

- Lights out.

- Lights out.

402

00:22:05,794 --> 00:22:07,970

No running in the corridor!

403

00:22:14,194 --> 00:22:16,500

He's watching over you, Don.

404

00:22:16,674 --> 00:22:18,502

You should

take comfort in that.

405

00:22:18,676 --> 00:22:21,636

Don't forget how hard

Dad worked to get us here.

406

00:22:21,810 --> 00:22:24,160

This was his dream.

407

00:22:24,334 --> 00:22:26,075

Life's gonna get

better from now.

408

00:22:26,249 --> 00:22:29,165

But you've got to believe that.

409

00:22:29,339 --> 00:22:31,907

You do believe that, don't you?

410

00:22:32,081 --> 00:22:33,081

Don?

411

00:22:34,431 --> 00:22:36,477

Don?

Mr. Wallace.

412

00:22:36,651 --> 00:22:38,522

Are you with us?

413

00:22:38,696 --> 00:22:39,959

Splendid.

414

00:22:40,133 --> 00:22:42,135

Class, I'm afraid

Mr. Prigg will be

415

00:22:42,309 --> 00:22:43,658

unable to teach

Latin today,

416

00:22:43,832 --> 00:22:46,052

or indeed, ever again,

417

00:22:46,226 --> 00:22:49,272

because he passed away

in the holidays.

418

00:22:49,446 --> 00:22:50,752

He died here.

419

00:22:50,926 --> 00:22:52,406

Alone.

420

00:22:53,842 --> 00:22:55,148

But it was a good innings.

421

00:22:55,322 --> 00:22:57,933

Uh, I will be

filling his shoes until

422

00:22:58,107 --> 00:22:59,761

they can find

a suitable replacement.

423

00:22:59,935 --> 00:23:01,415

Now, I have to confess,

424

00:23:01,589 --> 00:23:03,895

I'm not the world's
greatest Latin scholar.

425

00:23:04,070 --> 00:23:06,463

It's been a while, but,
uh, tempus fugit,

426

00:23:06,637 --> 00:23:07,987

as they say. Um...

427

00:23:12,295 --> 00:23:15,342

Page 108, sir. Yes, yes.

428

00:23:17,866 --> 00:23:19,476

By the power of witches?

429

00:23:19,650 --> 00:23:21,043

Yes. Why don't
you read, Bartlett?

430

00:23:21,217 --> 00:23:23,176

"At that moment, as I recall

431

00:23:23,350 --> 00:23:25,961

the earth yawned open
by the power of witchcraft."

432

00:23:27,571 --> 00:23:29,443

Name three
famous old Slaughterians.

433

00:23:29,617 --> 00:23:32,446

Marquis de Sade,
Jack the Ripper, Piers Morgan.

434

00:23:32,620 --> 00:23:34,448

Don't piss about, Wootton.
Sorry, Hargreaves!

435

00:23:34,622 --> 00:23:37,103

When was Slaughter Hall built?
1770.

436

00:23:37,277 --> 00:23:39,235

No, that's the year
the school was founded.

437

00:23:39,409 --> 00:23:41,585

The original hall
was built in 1334.

438

00:23:41,759 --> 00:23:43,500

Fuck this. School motto.

439

00:23:43,674 --> 00:23:45,372

"Per caedes ad astra" What does it mean?

440

00:23:45,546 --> 00:23:47,591

"Never knowingly undersold"? Oh, you twat.

441

00:23:47,765 --> 00:23:49,898

"Take it like a man"?

"Give us your cash."

442

00:23:50,072 --> 00:23:51,465

You had three weeks
to learn this.

443

00:23:51,639 --> 00:23:53,119

Sorry, Hargreaves.

444

00:23:53,293 --> 00:23:55,295

If you're not word perfect
when Clegg tests you,

445

00:23:55,469 --> 00:23:56,774

you're gonna get feathered,

446

00:23:56,948 --> 00:23:59,038

and we're both gonna
get grounded.

447

00:23:59,212 --> 00:24:00,580

"I caught a glimpse
of hell deep below.

448

00:24:00,604 --> 00:24:02,519

And of Cerberus waiting
to make a meal of me."

449

00:24:02,693 --> 00:24:06,610

Ah, now, Cerberus,
the three-headed hound of Hades.

450

00:24:06,784 --> 00:24:08,917

Makes life hell
for the postman. Ha, ha.

451

00:24:11,485 --> 00:24:13,095

Get on with it, Bartlett.

452

00:24:14,488 --> 00:24:16,316

It's all there
in the school myth.

453

00:24:16,490 --> 00:24:17,930

Legend has it
that a wandering knight

454

00:24:18,057 --> 00:24:20,015

returned from the Crusades,

455

00:24:20,189 --> 00:24:21,843

and with the help

of his faithful dog,

456

00:24:22,017 --> 00:24:23,584

slayed a mythical beast

457

00:24:23,758 --> 00:24:26,413

that was terrorizing

the village of Upper Slaughter.

458

00:24:26,587 --> 00:24:29,068

In return,

he was gifted this land

459

00:24:29,242 --> 00:24:31,113

and the title

First Earl of Slaughter.

460

00:24:31,287 --> 00:24:32,636

Hence the motto...

461

00:24:32,810 --> 00:24:34,986

"Through slaughter

to immorality."

462

00:24:37,076 --> 00:24:39,165

Immortality.

463

00:24:39,339 --> 00:24:42,124

"I believe the witch did not
spare my throat in pity

464

00:24:42,298 --> 00:24:44,039

but in a spirit of sadism."

465

00:24:47,651 --> 00:24:49,436

Preparing to evacuate.

466

00:24:49,610 --> 00:24:51,002

Hopefully.

467

00:24:54,484 --> 00:24:56,878

"... whom thou didst
falsely affirm

468

00:24:57,052 --> 00:24:59,359

"to be slain by me this night.

469

00:24:59,533 --> 00:25:01,317

"And therewithal,

470

00:25:01,491 --> 00:25:05,408

"I embraced my friend,

Socrates, and kissed him.

471

00:25:05,582 --> 00:25:09,760

But he, smelling the stink

of the pissing..."

472

00:25:09,934 --> 00:25:13,286

What's the point in learning

a dead language anyway?

473

00:25:13,460 --> 00:25:15,636

Hey, Will,

who was the blond girl

474

00:25:15,810 --> 00:25:17,116

in the tennis gear outside?

475

00:25:17,290 --> 00:25:19,118

I met her yesterday.

She's a goddess.

476

00:25:19,292 --> 00:25:21,816

She's fit is what she is.

What's her name?

477

00:25:21,990 --> 00:25:23,557

Clemsie.

478

00:25:23,731 --> 00:25:25,254

Clemsie Lawrence.

479

00:25:25,428 --> 00:25:27,038

But it's not worth it. Why not?

480

00:25:27,213 --> 00:25:28,997

Oh, no.

481

00:25:29,171 --> 00:25:30,172

How unfortunate.

482

00:25:31,347 --> 00:25:32,653

Total accident.

483

00:25:32,827 --> 00:25:35,351

Next time, watch

where you're looking.

484

00:25:38,659 --> 00:25:42,489

I don't think it's bust,

just mashed. Heh.

485

00:25:42,663 --> 00:25:43,838

I'm Smudger.

486

00:25:44,012 --> 00:25:46,275

No hard feelings, yeah?

487

00:25:46,449 --> 00:25:48,886

Coolio.

Wait till you're a god.

488

00:25:51,715 --> 00:25:54,588

Look. This is the school
pecking order.

489

00:25:54,762 --> 00:25:57,373

We have Clemsie Lawrence
drinking nectar

490

00:25:57,547 --> 00:25:59,854

with the gods
at the Arcadian orgy.

491

00:26:00,028 --> 00:26:01,856

And then down...

492

00:26:03,684 --> 00:26:06,469

--at the bottom in hell,
you have Wootton.

493

00:26:06,643 --> 00:26:08,210

Who's Wootton? That's Wootton.

494

00:26:09,603 --> 00:26:12,040

Hello. You all right?

495

00:26:12,214 --> 00:26:14,956

You have gods and dogs,
heaven and hell.

496

00:26:15,130 --> 00:26:18,525

And somewhere in the middle,
we have...

497

00:26:18,699 --> 00:26:20,527

Why am I a limp cock?

498

00:26:20,701 --> 00:26:24,095

Because, Ducky, someday,
you may well be a god.

499

00:26:24,270 --> 00:26:26,185

Until then, you have
to wait your turn.

500

00:26:26,359 --> 00:26:28,665

No, no, no.

This is bollocks, mate.

501

00:26:28,839 --> 00:26:29,839

Bollocks. I'm in love.

502

00:26:32,234 --> 00:26:36,151

You guys can laugh, but I ain't
part of your pecking order.

503

00:26:36,325 --> 00:26:37,892

One of us. One of us.

504

00:26:38,066 --> 00:26:40,721

Everybody says that. They all
sell out by the Upper Sixth.

505

00:26:40,895 --> 00:26:42,549

Think of the orgies, man.

506

00:26:42,723 --> 00:26:45,769

This Sixth Form orgy is a myth.

But I must have hope.

507

00:26:45,943 --> 00:26:48,119

Wallace, you want to take
Clemsie Lawrence to orgy,

508

00:26:48,294 --> 00:26:50,209

practice your
Latin conjugations.

509

00:26:59,000 --> 00:27:00,349

Ah.

510

00:27:00,523 --> 00:27:02,264

A penis.

511

00:27:02,438 --> 00:27:03,961

I wonder who drew that.

512

00:27:07,617 --> 00:27:09,271

What were you talking
about in here?

513

00:27:10,881 --> 00:27:12,274

Nothing. Well, excuse me...

514

00:27:12,448 --> 00:27:14,102

Wallace.

515

00:27:14,276 --> 00:27:16,235

Cocky little shit

thinks

516

00:27:16,409 --> 00:27:18,846

he's got a chance

with Clemsie Lawrence.

517

00:27:20,891 --> 00:27:22,806

Honestly, Matt, we were just...

518

00:27:22,980 --> 00:27:24,504

Sanctions.

519

00:27:24,678 --> 00:27:26,723

All week, starting

tomorrow at 5 a.m.

520

00:27:26,897 --> 00:27:29,378

And don't thank me.

Thank Wallace here.

521

00:27:29,552 --> 00:27:30,771

Everybody out.

522

00:27:30,945 --> 00:27:32,599

Stop loafing around.

This is a school,

523

00:27:32,773 --> 00:27:33,861

not a fucking holiday camp.

524

00:27:35,776 --> 00:27:37,430

Wootton, if you fail

the house test again,

525

00:27:37,604 --> 00:27:39,519

you will be feathered.

526

00:27:39,693 --> 00:27:42,391

All right.

You're free to go.

527

00:27:49,137 --> 00:27:51,270

Audrey!

528

00:27:51,444 --> 00:27:54,403

Good morning,

Gloucestershire.

529

00:27:54,577 --> 00:27:56,666

And got a request now.

530

00:27:56,840 --> 00:28:00,322

Move it, gentlemen!

Keep up the pace.

531

00:28:04,195 --> 00:28:06,850

Blake, keep running!

532

00:28:07,024 --> 00:28:09,375

Hup, hup, hup, hup!

533

00:28:10,985 --> 00:28:12,508

Jump it. Jump it.

534

00:28:12,682 --> 00:28:14,075

Jump it.

535

00:28:14,249 --> 00:28:16,164

What the fuck is that?

536

00:28:29,482 --> 00:28:32,180

Well, are you enjoying it?

537

00:28:32,354 --> 00:28:33,529

Are you enjoying
the privilege

538

00:28:33,703 --> 00:28:35,618

of your private school
education?

539

00:28:37,838 --> 00:28:39,448

Five generations
of Cleggs have given

540

00:28:39,622 --> 00:28:41,494

their lives
to places like this.

541

00:28:41,668 --> 00:28:43,322

Fucking plebeian.

542

00:28:43,496 --> 00:28:45,585

Trying to buy your way in.

543

00:28:47,804 --> 00:28:51,373

The only connection you'll make
around here is with my boot.

544

00:28:52,679 --> 00:28:54,855

Blake,
stop fucking mincing!

545

00:28:56,683 --> 00:28:58,511

Get him out, Wallace.

546

00:28:58,685 --> 00:29:01,340

What?

Your roommate, your problem.

547

00:29:01,514 --> 00:29:04,038

- Come on, Will.

- Chibwe, Bolotnikov.

548

00:29:04,212 --> 00:29:06,040

Top of the hill,
then you can go.

549

00:29:06,214 --> 00:29:08,303

Come on.

One mile back to school.

550

00:29:08,477 --> 00:29:09,870

Breakfast ends
in 20 minutes.

551

00:29:10,044 --> 00:29:11,828

Good luck with

that one, Wallace.

552

00:29:12,002 --> 00:29:14,091

Hup, hup, hup!

553

00:29:14,265 --> 00:29:15,789

Go, go, go!

554

00:29:15,963 --> 00:29:18,139

- Hey.

- Over the bridge!

555

00:29:24,275 --> 00:29:25,494

Christ. Is that you?

556

00:29:26,930 --> 00:29:29,672

No. It's the school tunnels.

557

00:29:29,846 --> 00:29:31,761

Whole world

of shit down there.

558

00:29:31,935 --> 00:29:34,373

Yeah, it smells like it. You still hungry?

559

00:29:34,547 --> 00:29:35,809

Yeah. Yeah?

560

00:29:35,983 --> 00:29:38,115

I know a shortcut.

561

00:29:38,289 --> 00:29:39,508

It's through the woods.

562

00:29:42,772 --> 00:29:44,426

You call this a shortcut?

563

00:29:44,600 --> 00:29:45,993

This place is massive.

564

00:29:47,821 --> 00:29:49,692

Whose idea was it

to have a school

565

00:29:49,866 --> 00:29:51,564

in the middle

of bum-fuck nowhere?

566

00:29:51,738 --> 00:29:55,002

Um... The parents,

probably.

567

00:29:57,831 --> 00:29:59,833

Admit it.

You're lost, aren't you?

568

00:30:00,007 --> 00:30:01,835

Now, now, Ducky,

I'm not lost.

569

00:30:02,009 --> 00:30:04,098

Would you stop

calling me "Ducky"?

570

00:30:04,272 --> 00:30:05,708

Your name is Donald.

571

00:30:05,882 --> 00:30:07,122

I don't care

if my name's Daffy.

572

00:30:12,498 --> 00:30:14,369

Shit. It's the frackers. Hide.

573

00:30:23,987 --> 00:30:25,032

Hey.

574

00:30:25,206 --> 00:30:26,686

Look at this.

575

00:30:36,260 --> 00:30:38,349

A sinkhole.

576

00:30:38,524 --> 00:30:40,003

Damn.

577

00:30:40,177 --> 00:30:43,137

Why didn't this happen

under the maths block?

578

00:30:43,311 --> 00:30:44,355

Oh!

579

00:30:45,748 --> 00:30:47,576

Intruder alert.

580

00:30:47,750 --> 00:30:49,578

A couple of
posh little fuckers.

581

00:30:53,103 --> 00:30:54,496

Let's see.

582

00:30:56,367 --> 00:30:57,368

Let's see
how deep it is.

583

00:31:09,424 --> 00:31:10,643

Christ, mate. Fuck me.

584

00:31:10,817 --> 00:31:12,383

It's that smell again.

585

00:31:12,558 --> 00:31:14,951

Oh, that ain't

no drain.

586

00:31:15,125 --> 00:31:17,127

No shite

smells that bad.

587

00:31:17,301 --> 00:31:19,086

Look at this.

588

00:31:19,260 --> 00:31:21,523

Must be some sort of evil gas. Put it away.

589

00:31:21,697 --> 00:31:22,959

That's mine. I don't care.

590

00:31:23,133 --> 00:31:24,831

There's gas there. Give it back.

591

00:31:25,005 --> 00:31:26,525

You're gonna get us killed,
Willoughby!

592

00:31:26,572 --> 00:31:28,356

Shall we?

593

00:31:28,530 --> 00:31:31,664

Oh, you're a bad man.

594

00:31:31,838 --> 00:31:34,188

That's why they pay me
the big bucks.

595

00:31:34,362 --> 00:31:36,495

I'm not kidding.

596

00:31:36,669 --> 00:31:38,758

Someone bequeathed that to me.

597

00:31:38,932 --> 00:31:41,891

What? It was a gift

598

00:31:42,065 --> 00:31:43,425

from a good friend.

Give it back...

599

00:31:45,373 --> 00:31:47,549

Attention. Attention.

600

00:31:47,723 --> 00:31:49,072

We have you surrounded.

601

00:31:51,335 --> 00:31:54,164

Do not try to escape.

602

00:31:56,297 --> 00:31:58,081

Run!

603

00:32:20,539 --> 00:32:22,758

I thought you were sick.

604

00:32:22,932 --> 00:32:25,761

You run like a bloody gazelle. With asthma.

605

00:32:27,937 --> 00:32:30,113

- I think we're safe.

- What are you doing here?

606

00:32:33,160 --> 00:32:35,249

I'm sorry. Did the mask
of truth frighten you?

607

00:32:35,423 --> 00:32:37,381

It does that sometimes.

608

00:32:40,036 --> 00:32:42,343

You the boys that want
to buy some drugs?

609

00:32:43,779 --> 00:32:45,999

Huh?

610

00:32:46,173 --> 00:32:48,044

I've got some black ash.
I've got some charas.

611

00:32:48,218 --> 00:32:50,394

I've got some Mandy, ecstasy.

612

00:32:50,569 --> 00:32:52,353

I've got some acid.

I've got some

613

00:32:52,527 --> 00:32:55,008

mushrooms!

614

00:32:57,750 --> 00:32:59,273

No, no. We're just, um...

615

00:32:59,447 --> 00:33:01,623

Just like... Yeah, there's a hole.

616

00:33:01,797 --> 00:33:04,060

It's a big hole. Fracking.

617

00:33:04,234 --> 00:33:05,540

Fracking.

Yeah.

618

00:33:05,714 --> 00:33:07,803

We're just seeing
what they're up to.

619

00:33:07,977 --> 00:33:10,153

You were wondering
what they were up to.

620

00:33:10,327 --> 00:33:11,851

Wondering what they're up to.

621

00:33:12,025 --> 00:33:13,722

They were wondering
what they're up to.

622

00:33:15,376 --> 00:33:17,334

I'll tell you what
they're up to, big boy.

623

00:33:17,508 --> 00:33:19,293

They're unleashing hell.

624

00:33:19,467 --> 00:33:20,947

What do you mean?

625

00:33:21,121 --> 00:33:23,819

What do I mean?

What does thou mean?

626

00:33:25,952 --> 00:33:28,955

I'll tell you what I mean.

I mean, over there

627

00:33:29,129 --> 00:33:31,392

is a super-massive

frack hole.

628

00:33:31,566 --> 00:33:34,438

And holes like that, they

don't open up for no reason.

629

00:33:34,613 --> 00:33:36,615

They're the product

of evil men.

630

00:33:36,789 --> 00:33:39,313

Fracking Mother Nature.

631

00:33:39,487 --> 00:33:41,968

Pimping her,
poisoning her.

632

00:33:42,142 --> 00:33:45,580

Pumping her with their
rock-hard, toxic cocks.

633

00:33:45,754 --> 00:33:48,539

People don't want it.
Farmers don't want it.

634

00:33:48,714 --> 00:33:50,846

The only people
that do want it

635

00:33:51,020 --> 00:33:55,851

are the unelected imperialist
elite that is Terrafrack.

636

00:33:56,025 --> 00:33:58,506

- Yeah.

- Privileged pricks!

637

00:33:58,680 --> 00:34:01,117

We know what they are.

They're bullies.

638

00:34:01,291 --> 00:34:03,119

And what better place

to learn bullying

639

00:34:03,293 --> 00:34:06,557

than here at

an English public school.

640

00:34:06,732 --> 00:34:09,996

The CEO of Terrafrack

and your headmaster,

641

00:34:10,170 --> 00:34:13,434

they're school chums

from back in the day. Ooh!

642

00:34:13,608 --> 00:34:16,959

I don't think they knew.

They didn't know. See this?

643

00:34:17,133 --> 00:34:19,353

Old school tie.

644

00:34:19,527 --> 00:34:22,051

Yeah? Wake up.

645

00:34:22,225 --> 00:34:23,836

It's how the system works.

646

00:34:24,010 --> 00:34:26,012

I bet your dads know

all about that.

647

00:34:26,186 --> 00:34:28,667

What are they?

A couple of bankers?

648

00:34:28,841 --> 00:34:31,408

No, come on. Tell us.

What are they in?

649

00:34:31,582 --> 00:34:33,410

Property? Hedge funds?

650

00:34:33,584 --> 00:34:34,890

Insurance? Recycling.

651

00:34:36,370 --> 00:34:38,677

What? You mean,

like recycling waste?

652

00:34:38,851 --> 00:34:40,548

Yeah, he takes

other people's shit

653

00:34:40,722 --> 00:34:42,506

and turns it

into cash.

654

00:34:42,681 --> 00:34:45,553

That's funny. Pretty sure my old

man does the exact opposite.

655

00:34:45,727 --> 00:34:48,948

Oh, well, pity, it's all going
to shit in the end.

656

00:34:49,122 --> 00:34:51,559

Shit we'll end up
eating. Ha-ha-ha.

657

00:34:54,344 --> 00:34:56,607

This ain't
a fucking joke, boys.

658

00:34:56,782 --> 00:35:01,569

Huh? We are all gonna eat karma
for this. Join the dots.

659

00:35:01,743 --> 00:35:03,440

Wars.

660

00:35:03,614 --> 00:35:05,181

Droughts.

661

00:35:05,355 --> 00:35:07,009

Famine.

662

00:35:07,183 --> 00:35:09,055

Plague.

663

00:35:09,229 --> 00:35:10,883

That's why we're here.

664

00:35:11,057 --> 00:35:13,363

Yeah! Knee-deep in shit.

665

00:35:13,537 --> 00:35:15,714

Yeah! No flushing latrine.

666

00:35:15,888 --> 00:35:18,281

Yeah! Don't cheer that one.

667

00:35:18,455 --> 00:35:23,069

Because we know that hole,
it ain't no mundane chasm.

668

00:35:23,243 --> 00:35:25,375

It's a portal.

669

00:35:25,549 --> 00:35:27,421

A gateway.

670

00:35:27,595 --> 00:35:31,686

It leads straight down
to hell.

671

00:35:33,514 --> 00:35:36,212

Now, who wants
to buy some drugs?

672

00:35:36,386 --> 00:35:38,388

Get them some drugs.

673

00:35:38,562 --> 00:35:42,436

We're all gonna die soon.
Go out with a bang. Kaboom!

674

00:36:45,673 --> 00:36:48,197

Hello?

Is someone out of bed?

675

00:37:37,159 --> 00:37:38,769

This place

is creeping me out.

676

00:37:38,944 --> 00:37:40,554

- I'm suffocating.

- Don't be daft.

677

00:37:40,728 --> 00:37:42,251

You're overemotional.

678

00:37:42,425 --> 00:37:44,558

I'm not being overemotional.

I'm tired, all right?

679

00:37:44,732 --> 00:37:46,212

I haven't slept

in fucking weeks.

680

00:37:46,386 --> 00:37:47,996

All right, Don. Calm down.

681

00:37:48,170 --> 00:37:49,432

You're coming home
this weekend.

682

00:37:49,606 --> 00:37:50,869

We can talk about it then.

683

00:37:51,043 --> 00:37:52,392

And you can always text me.

684

00:37:52,566 --> 00:37:55,047

I can't text because
this prefect's taken my phone.

685

00:37:55,221 --> 00:37:56,700

What do you mean,
your phone?

686

00:37:56,875 --> 00:37:58,615

Mum...

687

00:37:58,789 --> 00:38:00,269

Sorry.

688

00:38:00,443 --> 00:38:02,141

I let you

and Dad down, I know.

689

00:38:02,315 --> 00:38:03,838

You did not let

Dad down or me.

690

00:38:04,012 --> 00:38:05,492

I don't belong here.

691

00:38:05,666 --> 00:38:06,666

Of course, you do.

692

00:38:06,797 --> 00:38:08,843

I wanna come home now.

693

00:38:09,017 --> 00:38:11,237

Do you fucking mind? Oh!

694

00:38:11,411 --> 00:38:13,761

Sorry. We thought
you were someone else.

695

00:38:13,935 --> 00:38:15,458

Calling child helpline?

696

00:38:15,632 --> 00:38:16,982

Don?

697

00:38:17,156 --> 00:38:19,071

Don? Don?

No, no. It's my mum.

698

00:38:19,245 --> 00:38:21,247

- She misses me.

- Don, what's going on?

699

00:38:21,421 --> 00:38:23,466

Speak to me.

I told you, Mum. No.

700

00:38:23,640 --> 00:38:25,642

- I'm fine, all right?

- What?

701

00:38:25,816 --> 00:38:28,080

- I'm fine. I'll see you soon.

- You weren't fine.

702

00:38:28,254 --> 00:38:30,517

Don, don't... No, no. Bye, bye.

703

00:38:32,301 --> 00:38:34,086

She's, uh, worried about me,
you know?

704

00:38:34,260 --> 00:38:35,826

Keep telling her

to chill out,

705

00:38:36,001 --> 00:38:37,524

but apparently

it's much worse at Eton.

706

00:38:39,439 --> 00:38:42,268

Well, sorry

we interrupted you.

707

00:38:42,442 --> 00:38:45,140

Why don't you come with us?

We're going to smokers' corner.

708

00:38:45,314 --> 00:38:48,143

But, um, we haven't

got a light.

709

00:38:48,317 --> 00:38:49,753

Uh...

710

00:38:51,190 --> 00:38:52,495

Yeah.

711

00:38:52,669 --> 00:38:55,063

Ladies, lead the way.

712

00:39:09,730 --> 00:39:11,732

Ah. Ahem.

713

00:39:11,906 --> 00:39:13,647

I was just, uh...

714

00:39:13,821 --> 00:39:15,431

Amazing grass.

715

00:39:15,605 --> 00:39:16,998

Yeah.

716

00:39:17,172 --> 00:39:19,870

Yes, the, uh...

The cricket pitch,

717

00:39:20,045 --> 00:39:21,611

just cut to perfection.

718

00:39:21,785 --> 00:39:23,135

Good job, lads.

719

00:39:31,665 --> 00:39:33,710

Fucking fascists.

720

00:39:35,451 --> 00:39:36,800

This is smokers' corner?

721

00:39:39,934 --> 00:39:42,110

Beats the back of the
bike sheds, this, doesn't it?

722

00:39:42,284 --> 00:39:44,199

No wonder
everyone here smokes.

723

00:39:44,373 --> 00:39:46,114

You're so northern.

724

00:39:47,811 --> 00:39:49,335

It's true, though,
isn't it?

725

00:39:49,509 --> 00:39:51,467

This is what our parents
are really paying for:

726

00:39:51,641 --> 00:39:53,948

nice buildings,
traditions.

727

00:39:54,122 --> 00:39:57,082

Fucking prime ministers,
all that bollocks.

728

00:39:57,256 --> 00:39:58,822

It's a breeding ground.

729

00:39:59,910 --> 00:40:01,129

Breeding what?

730

00:40:01,303 --> 00:40:03,044

Think how many of
our world leaders

731

00:40:03,218 --> 00:40:04,698

spend their
formative years like this.

732

00:40:06,004 --> 00:40:07,918

That is fucking scary.

733

00:40:11,792 --> 00:40:14,621

Some don't make it,
though, do they?

734

00:40:14,795 --> 00:40:17,798

Like that viscount kid.
The one who hung himself.

735

00:40:17,972 --> 00:40:19,713

Oh, yeah.

736

00:40:19,887 --> 00:40:21,149

Seymour.

737

00:40:23,282 --> 00:40:25,240

I think
he got badly bullied.

738

00:40:25,414 --> 00:40:27,112

A hard time being gay.

739

00:40:27,286 --> 00:40:29,244

Got on the wrong side
of Matty Clegg.

740

00:40:29,418 --> 00:40:30,506

Why? What happened?

741

00:40:30,680 --> 00:40:32,508

Matty caught him
and another boy

742

00:40:32,682 --> 00:40:35,729

in the boathouse after dark.

743

00:40:35,903 --> 00:40:37,861

Clegg told the parents.

744

00:40:38,036 --> 00:40:39,515

Bastard.

745

00:40:41,604 --> 00:40:43,563

All got brushed under
the carpet, of course.

746

00:40:45,391 --> 00:40:47,480

Everyone says,
"Just be yourself."

747

00:40:49,221 --> 00:40:51,875

But nobody tells you
how hard it is.

748

00:40:52,050 --> 00:40:54,095

Especially around here.

749

00:40:55,792 --> 00:40:58,926

You seem to be doing
all right, though.

750

00:40:59,100 --> 00:41:00,100

Always smiling.

751

00:41:02,756 --> 00:41:04,018

I am when I see you.

752

00:41:08,153 --> 00:41:10,546

Clemsie,

753

00:41:10,720 --> 00:41:12,809

I'm glad... You dare

talk to a Sixth Former?

754

00:41:12,983 --> 00:41:14,115

Fucking hell. Oh, my God.

755

00:41:14,289 --> 00:41:15,986

Having a cheeky fag,

are we?

756

00:41:16,161 --> 00:41:18,424

Where was my invite?

757

00:41:18,598 --> 00:41:20,034

And, Don,

758

00:41:20,208 --> 00:41:21,296

where's my lighter?

759

00:41:23,907 --> 00:41:26,954

Clegg! Clegg! He's on
the warpath with his cadets.

760

00:41:27,128 --> 00:41:29,609

- Cadets? What?
- Run, run, run. Go!

761

00:41:29,783 --> 00:41:32,829

Who's got a ciggie?
Not now, Smudge. Go, go.

762

00:41:36,224 --> 00:41:37,356

Halt!

763

00:41:37,530 --> 00:41:38,792

Halt!

764

00:41:41,403 --> 00:41:42,665

Look out!

765

00:41:42,839 --> 00:41:45,059

We know

you've been smoking.

766

00:41:45,233 --> 00:41:47,366

- Empty your pockets.

- Run!

767

00:41:53,241 --> 00:41:54,460

Fuck.

768

00:41:58,681 --> 00:41:59,900

Bang.

769

00:42:24,620 --> 00:42:26,361

Shall I get that, boss?

770

00:42:26,535 --> 00:42:28,842

No. It'll only be

the headmaster.

771

00:42:29,016 --> 00:42:30,844

Fussing about
the methane leak.

772

00:42:31,018 --> 00:42:32,018

Methane leak?

773

00:42:34,804 --> 00:42:36,545

That's a methane leak.

774

00:42:36,719 --> 00:42:39,026

Asshole.

775

00:42:40,941 --> 00:42:43,639

Yes, uh, and you're quite sure
there's no danger?

776

00:42:43,813 --> 00:42:45,598

Very good, very good.

777

00:42:45,772 --> 00:42:48,862

Even so, I'd like to voice
my concerns with your superior.

778

00:42:51,995 --> 00:42:54,955

Yeah, well, please do ask him
to give me a call.

779

00:42:56,261 --> 00:42:58,480

Here.

780

00:42:58,654 --> 00:43:02,267

He's very protective of me.

Aren't you, Mr. Chips?

781

00:43:02,441 --> 00:43:03,746

The authorities,
headmaster,

782

00:43:03,920 --> 00:43:05,618

they, uh, been able
to shed any light?

783

00:43:05,792 --> 00:43:08,142

It's nothing.

Simple gas leak.

784

00:43:08,316 --> 00:43:10,013

Thank goodness. Yes, thank goodness.

785

00:43:10,188 --> 00:43:12,407

A gas leak? Headmaster.

Sounds rather...

786

00:43:12,581 --> 00:43:15,323

Just a small one, Meredith.

Nothing to worry about.

787

00:43:15,497 --> 00:43:17,107

Headmaster,

it was a lake of fire.

788

00:43:17,282 --> 00:43:20,763

Yes, well, uh, that is

the methane, you see,

789

00:43:20,937 --> 00:43:23,201

uh, leaking

790

00:43:23,375 --> 00:43:26,378

out of the ground.

791

00:43:26,552 --> 00:43:30,338

Ahem. The chaps at Terrafrack
say it's all quite normal.

792

00:43:30,512 --> 00:43:31,992

And they are the experts,
after all.

793

00:43:33,385 --> 00:43:34,777

What is it now,
Tomkinson?

794

00:43:37,954 --> 00:43:40,348

Another champagne hamper,
sir, from Terrafrack.

795

00:43:40,522 --> 00:43:43,264

Thank you, Tomkinson.
Thank you.

796

00:43:43,438 --> 00:43:45,571

So this is all

fracking related?

797

00:43:45,745 --> 00:43:49,052

Meredith, the substructure
of Slaughter Hall

798

00:43:49,227 --> 00:43:51,707

is hundreds of years old.

799

00:43:51,881 --> 00:43:55,058

I mean, we have some
very leaky drains here,

800

00:43:55,233 --> 00:43:57,017

very old tunnels.

801

00:43:57,191 --> 00:43:59,367

Ancient, in fact.

802

00:43:59,541 --> 00:44:01,195

Speaking of Matron.

803

00:44:01,369 --> 00:44:04,677

This took us a bit
by surprise is all.

804

00:44:04,851 --> 00:44:08,811

Look, it is rather concerning,
headmaster, don't you agree?

805

00:44:08,985 --> 00:44:11,074

Yes.

806

00:44:11,249 --> 00:44:13,555

Yes, it is.

807

00:44:13,729 --> 00:44:16,819

Which is all
the more reason why I...

808

00:44:16,993 --> 00:44:20,736

I cannot have boys smoking
in such a potentially

809

00:44:20,910 --> 00:44:23,609

highly-flammable environment.

I mean, ooh.

810

00:44:25,567 --> 00:44:28,353

Ah. I must take this,

headmaster,

811

00:44:28,527 --> 00:44:31,007

if you don't mind.

It's rather urgent.

812

00:44:31,181 --> 00:44:33,706

Audrey, darling. I can hear you,

but I can't see you.

813

00:44:33,880 --> 00:44:37,362

Out of his league.

Now, look, boys, boys, boys.

814

00:44:37,536 --> 00:44:40,190

You're both too young,

too bright,

815

00:44:40,365 --> 00:44:43,237

and quite frankly,

too darn handsome

816

00:44:43,411 --> 00:44:47,633

to be polluting your bodies

in such a reckless fashion.

817

00:44:47,807 --> 00:44:50,200

I don't want to

start thrashing pupils

818

00:44:50,375 --> 00:44:52,333

like it's the good old days.

819

00:44:52,507 --> 00:44:54,901

But it's clear to me that

you do need some correcting.

820

00:44:55,075 --> 00:44:57,251

I am going to

telephone your parents

821

00:44:57,425 --> 00:44:59,645

and ask that you not
return home tomorrow

822

00:44:59,819 --> 00:45:02,169

for the Exeat Weekend.
Instead, you will remain here

823

00:45:02,343 --> 00:45:04,258

and perform sanctions
with your house god.

824

00:45:04,432 --> 00:45:06,826

Who's at Sparta this weekend? I am, sir.

825

00:45:07,000 --> 00:45:09,089

Mm. Good.
Well, now

826

00:45:09,263 --> 00:45:11,178

try and use this as a...

827

00:45:11,352 --> 00:45:12,832

Bello, what's up? What's up?

828

00:45:13,006 --> 00:45:15,269

Bello. Cool.

829

00:45:16,575 --> 00:45:18,054

Two more names

to go on there.

830

00:45:18,228 --> 00:45:20,143

Blake, Wallace.

831

00:45:20,318 --> 00:45:23,886

Tomorrow morning, 5 a.m.

In your games kit. Be prepared.

832

00:45:34,810 --> 00:45:36,725

Clemsie, you're Upper Sixth.

833

00:45:36,899 --> 00:45:39,511

You can't be seen talking
to Blake and his oiky roommate.

834

00:45:39,685 --> 00:45:41,339

I'll speak to whom
I bloody well like.

835

00:45:41,513 --> 00:45:43,253

This place is a joke.

836

00:45:43,428 --> 00:45:46,300

I'll be a joke if
the chaps hear about it.

837

00:45:46,474 --> 00:45:50,043

I'm being made a god.

838

00:45:50,217 --> 00:45:52,577

I've been dreaming about this
weekend ever since I got here.

839

00:45:54,003 --> 00:45:56,005

What's up, Woots?

Hello.

840

00:45:56,179 --> 00:45:59,008

Did you pass the test yet?

What does it look like?

841

00:45:59,182 --> 00:46:02,360

Look, Clemsie.

842

00:46:02,534 --> 00:46:04,710

I need you

there by my side

843

00:46:04,884 --> 00:46:06,581

when I'm anointed by

the head boy.

844

00:46:06,755 --> 00:46:08,275

It's not my scene,

a bunch of dickheads

845

00:46:08,409 --> 00:46:10,280

wanking each other off.

846

00:46:10,455 --> 00:46:11,804

This is your night.

847

00:46:11,978 --> 00:46:14,633

Smudge. Look.

848

00:46:14,807 --> 00:46:16,417

Doesn't mean

I don't love you.

849

00:46:21,074 --> 00:46:23,468

Ugh. Snuff.

850

00:46:25,644 --> 00:46:27,123

Cheer up, Ducky.

851

00:46:27,297 --> 00:46:29,169

I mean,

it's not all that bad.

852

00:46:29,343 --> 00:46:30,605

At least you've got me.

853

00:46:30,779 --> 00:46:32,955

So not going home, then?

854

00:46:33,129 --> 00:46:36,394

We'd thought you'd be grounded.

Tough luck, boys.

855

00:46:36,568 --> 00:46:37,917

Going home for the weekend?

856

00:46:38,091 --> 00:46:39,788

To Hong Kong?

Don't be ridiculous.

857

00:46:39,962 --> 00:46:41,573

I'm in a chess tournament
in Beijing.

858

00:46:41,747 --> 00:46:44,140

Really? When? Five minutes. Better run.

859

00:46:44,314 --> 00:46:48,231

Hey, Don. You could always
hook up with Clemsie.

860

00:46:48,406 --> 00:46:49,686

- Clemsie?
- She's staying too.

861

00:46:52,105 --> 00:46:53,628

Oh, my God.

862

00:46:55,195 --> 00:46:56,762

She's here.

863

00:46:56,936 --> 00:47:00,330

A weekend alone in paradise
with Clemsie Lawrence.

864

00:47:00,505 --> 00:47:02,637

Come on, Ducky.
Grow up.

865

00:47:02,811 --> 00:47:05,901

She's Clemsie Lawrence
of Belgravia.

866

00:47:06,075 --> 00:47:07,512

Who the hell are you?

867

00:47:07,686 --> 00:47:09,949

Thanks, mate. Just being honest.

868

00:47:10,123 --> 00:47:12,778

Good. It's about time,
isn't it?

869

00:47:12,952 --> 00:47:15,563

You haven't told me nowt
about this place, Will.

870

00:47:15,737 --> 00:47:18,044

You didn't even tell me
Seymour was bullied,

871

00:47:18,218 --> 00:47:20,046

or why he hung himself.

872

00:47:20,220 --> 00:47:22,352

That's none of your business.

None of my business?

873

00:47:22,527 --> 00:47:24,485

I sleep in his

fucking bed, Will.

874

00:47:24,659 --> 00:47:27,619

Someone died and you act

like you don't even care.

875

00:47:27,793 --> 00:47:30,143

You're supposed to be

my roommate.

876

00:47:30,317 --> 00:47:31,797

Thanks a lot.

877

00:47:31,971 --> 00:47:34,234

No wonder he fucking

topped himself.

878

00:47:36,584 --> 00:47:39,587

Go and do some snuff,
you weirdo.

879

00:48:03,306 --> 00:48:06,135

I'm sorry I failed the test.
Please, Mummy.

880

00:48:06,309 --> 00:48:07,659

Let me come home.

881

00:48:07,833 --> 00:48:10,836

I promise not to be
a nuisance to you and Steve.

882

00:48:11,010 --> 00:48:12,402

No, please.

883

00:48:13,578 --> 00:48:15,188

Mum?

884

00:49:03,758 --> 00:49:05,281

Happy bloody weekend.

885

00:49:27,869 --> 00:49:29,509

That's none of your business.

886

00:49:29,567 --> 00:49:31,525

None of my business?

887

00:49:31,699 --> 00:49:33,745

Whose idea of a sick joke
was this?

888

00:49:33,919 --> 00:49:36,269

I want to know. Own up.

I think he was badly bullied.

889

00:49:36,443 --> 00:49:37,705

...he was badly bullied.

890

00:49:37,879 --> 00:49:38,706

He was my roommate.

891

00:49:38,880 --> 00:49:40,316

You? Your roommate, your problem.

892

00:49:40,490 --> 00:49:42,667

You?

He was my roommate.

893

00:49:42,841 --> 00:49:44,494

I sleep in his

fucking bed, Will.

894

00:49:44,669 --> 00:49:45,495

Own up.

895

00:49:45,670 --> 00:49:47,106

Was it you? You?

896

00:49:47,280 --> 00:49:49,000

- You'll find out soon enough.

- You?

897

00:50:02,121 --> 00:50:04,993

Oh. Fucking prick.

898

00:50:05,167 --> 00:50:07,735

Nearly bloody killed me.

899

00:50:07,909 --> 00:50:09,389

Oh, my...

900

00:50:11,434 --> 00:50:13,654

You're a bloody drama queen.

You know that?

901

00:50:13,828 --> 00:50:15,743

Oh, my...

902

00:50:20,182 --> 00:50:24,360

I'm sorry for what I said, mate.

All right? You're not that bad.

903

00:50:24,534 --> 00:50:26,972

Life ain't that bad.

Yes, it fucking is.

904

00:50:38,374 --> 00:50:40,899

Is that what you're leaving me?

Your snuff box?

905

00:50:41,073 --> 00:50:43,815

Did you bequeath it to me?

906

00:50:43,989 --> 00:50:46,556

What the fuck am I supposed
to do with that?

907

00:50:48,515 --> 00:50:51,779

You've got years of snorting
tobacco ahead of you. Years.

908

00:50:51,953 --> 00:50:54,477

All right?

You're not him, Will.

909

00:50:54,652 --> 00:50:56,349

You're not Seymour.

910

00:50:56,523 --> 00:50:59,439

He was all that I had.

Yeah, but then rage, all right?

911

00:50:59,613 --> 00:51:00,919

Rage against the...

912

00:51:01,093 --> 00:51:03,095

Machine? Dying of the light.

913

00:51:03,269 --> 00:51:06,185

Whatever. The point is, you've
hit the bottom, all right?

914

00:51:06,359 --> 00:51:09,492

But you're on the way up.

Things can only get better.

915

00:51:09,667 --> 00:51:12,234

It can't get any darker now.

916

00:51:12,408 --> 00:51:14,454

Don't tell me you've
found someone else.

917

00:51:14,628 --> 00:51:15,803

Meredith.

918

00:51:15,977 --> 00:51:17,370

You know I have.

919

00:51:22,331 --> 00:51:24,203

This is Ibrahim.

920

00:51:24,377 --> 00:51:26,858

How can I just leave him
and come back?

921

00:51:27,032 --> 00:51:30,035

Well, can't you
bring him with you?

922

00:51:30,209 --> 00:51:31,645

Hey, Ib.

923

00:51:31,819 --> 00:51:34,082

Hello, little man.

924

00:51:34,256 --> 00:51:36,345

Do you like cricket? Meredith.

925

00:51:52,927 --> 00:51:54,537

Hargreaves!

926

00:52:09,074 --> 00:52:10,466

All right,
everybody gather around.

927

00:52:10,640 --> 00:52:12,425

Better do a body count.

928

00:52:12,599 --> 00:52:13,992

One, two...

929

00:52:14,166 --> 00:52:17,082

three, four, fag...

930

00:52:17,256 --> 00:52:19,345

...six. And Bello's in the bath.

931

00:52:19,519 --> 00:52:22,087

Seven.

932

00:52:22,261 --> 00:52:25,046

There's no power anywhere.

Blackout for miles.

933

00:52:25,220 --> 00:52:27,179

Everybody sits tight
until I've gathered intel.

934

00:52:27,353 --> 00:52:29,790

Matron, take some candles up
to the headmaster.

935

00:52:29,964 --> 00:52:32,837

Lock up behind you.
Nobody leaves Sparta.

936

00:52:34,055 --> 00:52:36,231

Um, Clegg.

937

00:52:36,405 --> 00:52:38,016

Where's Meredith?

938

00:52:38,190 --> 00:52:41,280

Mr. Houseman

is not feeling well.

939

00:52:41,454 --> 00:52:42,585

He's taken to bed.

940

00:52:42,760 --> 00:52:43,978

I'm in charge now.

941

00:52:50,506 --> 00:52:51,594

What was that?

942

00:52:58,471 --> 00:53:01,822

No, the shafts

have completely failed.

943

00:53:01,996 --> 00:53:06,305

It's only an earthquake.

It's an occupational hazard.

944

00:53:06,479 --> 00:53:08,046

Boss, look at this.

945

00:53:09,482 --> 00:53:11,179

Those things,

whatever they are,

946

00:53:11,353 --> 00:53:13,051

they're out.

947

00:53:13,225 --> 00:53:14,792

"Out"?

948

00:53:16,402 --> 00:53:19,666

The shafts are blown.

There is no way.

949

00:53:21,102 --> 00:53:22,625

The sinkhole. The sinkhole.

950

00:53:36,944 --> 00:53:41,644

In Xanadu did Kublai Khan
a pleasure dome erect. Ha, ha.

951

00:53:41,819 --> 00:53:43,821

Boss, we've gotta go.

952

00:53:43,995 --> 00:53:46,301

We need to evacuate.
It's doomsday.

953

00:53:46,475 --> 00:53:48,260

You don't wanna stay
for dinner?

954

00:53:48,434 --> 00:53:52,133

Turns out these little babies,
they love fracking.

955

00:53:52,307 --> 00:53:55,093

It's made them

fucking bonkers.

956

00:53:55,267 --> 00:53:57,269

You're off your fucking tits.

957

00:53:58,705 --> 00:53:59,924

I'm out. Where you going?

958

00:54:00,098 --> 00:54:01,751

They don't wanna bite you.

959

00:54:01,926 --> 00:54:04,145

Evacuate!

Come on! Let's go!

960

00:54:04,319 --> 00:54:06,495

You're not gonna bite him,
are you?

961

00:54:08,889 --> 00:54:10,891

What the hell is going on?

962

00:54:14,068 --> 00:54:16,897

Fuck me.

Who's got a weapon?

963

00:54:18,159 --> 00:54:19,639

Give me that fucking Taser.

964

00:54:19,813 --> 00:54:20,901

You know

how to use that?

965

00:54:21,075 --> 00:54:22,772

Hey, watch out... Aah!

966

00:54:22,947 --> 00:54:25,427

Oh, sorry. No, sorry.

967

00:54:25,601 --> 00:54:26,776

Sorry.

968

00:54:28,778 --> 00:54:30,606

Should we tell

the headmaster?

969

00:54:30,780 --> 00:54:33,827

Sod the headmaster.

Where's the bloody choppers?

970

00:54:34,001 --> 00:54:35,437

We need choppers.

971

00:54:35,611 --> 00:54:37,091

Got that? I repeat...

972

00:54:42,314 --> 00:54:43,968

Chopper!

973

00:54:47,667 --> 00:54:49,799

Chopper!

974

00:54:49,974 --> 00:54:53,368

The Portaloo!

The fucking bogs!

975

00:54:55,805 --> 00:54:57,329

Evacuate!

976

00:54:59,070 --> 00:55:00,985

Fuck me,

these mushrooms are strong.

977

00:55:01,159 --> 00:55:02,682

Everyone, we gotta leave!

978

00:55:08,818 --> 00:55:10,255

It's the sound again.

979

00:55:10,429 --> 00:55:11,952

They're back.

980

00:55:12,126 --> 00:55:13,846

Teddy, stay put.

I'm gonna come and get you.

981

00:55:18,698 --> 00:55:19,699

No.

982

00:55:19,873 --> 00:55:22,006

No. It's a dragon!

983

00:55:28,273 --> 00:55:30,405

Sounds like there's a war
going on out there.

984

00:55:30,579 --> 00:55:32,799

Maybe the frack hole's
blown up.

985

00:55:35,845 --> 00:55:38,544

Sorry for putting you
through all that.

986

00:55:38,718 --> 00:55:40,807

I'm such a tit.

987

00:55:40,981 --> 00:55:43,418

Don't be daft.

988

00:55:43,592 --> 00:55:45,812

You just can't handle

your drink.

989

00:56:02,133 --> 00:56:03,656

Sod this.

990

00:56:04,744 --> 00:56:06,224

Where are you going?

991

00:56:06,398 --> 00:56:08,356

Think I'll take a look.

992

00:56:08,530 --> 00:56:10,141

Don't tell Cleggy.

993

00:56:10,315 --> 00:56:11,533

Fuck Clegg.

994

00:56:11,707 --> 00:56:14,362

Come on, duck.

Let's have some fun.

995

00:56:49,745 --> 00:56:51,704

Think I figured it out.

Figured what out?

996

00:56:51,878 --> 00:56:53,749

The guy in the forest
with the beard.

997

00:56:53,923 --> 00:56:55,882

Prophet of doom.
He's an old Slaughterian.

998

00:56:56,056 --> 00:56:57,101

How do you know?

999

00:56:57,275 --> 00:56:58,395

I did a bit of digging.

1000

00:56:58,450 --> 00:56:59,755

His name's Woodrow Chapman.

1001

00:56:59,929 --> 00:57:01,714

Wait. Woody Chapman?

1002

00:57:01,888 --> 00:57:04,978

Why? Do you know him?

He's the school legend.

1003

00:57:05,152 --> 00:57:07,241

He's the big brother

of Teddy Chapman.

1004

00:57:08,329 --> 00:57:10,549

The plaque in the basement.

1005

00:57:10,723 --> 00:57:13,508

- Chapman.

- That's Teddy.

1006

00:57:13,682 --> 00:57:15,510

He and Woody

were trying to escape,

1007

00:57:15,684 --> 00:57:17,773

but he disappeared

down in the tunnels.

1008

00:57:17,947 --> 00:57:19,514

They've been sealed
ever since.

1009

00:57:19,688 --> 00:57:21,386

What happened?

1010

00:57:21,560 --> 00:57:23,823

Well, that, my friend...

1011

00:57:23,997 --> 00:57:27,914

is the most terrifying story
of them all.

1012

00:57:28,088 --> 00:57:31,396

Aah! Was ist das? What?

1013

00:57:31,570 --> 00:57:33,746

Two little schoolboys.Clemsie. Kay.

1014

00:57:33,920 --> 00:57:35,704

Queen of cunts.

1015

00:57:35,878 --> 00:57:37,010

What are you doing?

1016

00:57:37,184 --> 00:57:38,624

We're going to investigate.

1017

00:57:38,751 --> 00:57:39,969

And you're the backup.

1018

00:57:40,144 --> 00:57:41,449

All right.

1019

00:57:41,623 --> 00:57:43,582

I can't drink any more of that.

1020

00:57:45,627 --> 00:57:47,325

Pretend it's the end
of the world.

1021

00:57:47,499 --> 00:57:48,891

We're all that's left

of humanity.

1022

00:57:49,066 --> 00:57:51,198

There's no need to pretend,
darling.

1023

00:57:51,372 --> 00:57:54,462

We'll soon be eating each other.
We're all going to die...

1024

00:58:09,173 --> 00:58:11,088

Told you there was a war
going on.

1025

00:58:12,611 --> 00:58:14,395

What is this place?

1026

00:58:14,569 --> 00:58:16,745

The anti-frack camp.

1027

00:58:16,919 --> 00:58:19,183

They have a Chinook?
They've got power over there.

1028

00:58:44,643 --> 00:58:46,819

Right, mate.

We need to call the police.

1029

00:58:46,993 --> 00:58:48,081

The police?

1030

00:58:51,476 --> 00:58:54,435

- What was that?

- Hello?

1031

00:58:54,609 --> 00:58:57,046

It was a fox.

1032

00:58:57,221 --> 00:58:58,874

- A fox?

- Over here.

1033

00:59:02,400 --> 00:59:04,402

Well, it's a... What the hell is it?

1034

00:59:04,576 --> 00:59:06,578

It's a... It's fucking ugly.

1035

00:59:06,752 --> 00:59:09,450

It's got a snaggletooth.

1036

00:59:09,624 --> 00:59:11,264

That thing needs to see
a fucking dentist.

1037

00:59:11,409 --> 00:59:13,933

Guys, don't be mean.

1038

00:59:14,107 --> 00:59:15,674

It looks kind of cute.

1039

00:59:15,848 --> 00:59:17,110

Cute?

1040

00:59:17,284 --> 00:59:18,894

Yeah.

1041

00:59:19,068 --> 00:59:22,898

Yee. Hey, little baby.

1042

00:59:23,072 --> 00:59:24,987

Where's your mummy?

1043

00:59:28,861 --> 00:59:29,992

Clemsie!

1044

00:59:30,167 --> 00:59:31,646

Get it off me!

1045

00:59:31,820 --> 00:59:33,605

Clemsie, no!

No, Clemsie, watch out.

1046

00:59:33,779 --> 00:59:36,390

There's a sinkhole.

Clemsie! I've got you.

1047

00:59:36,564 --> 00:59:38,175

Get the fuck off me!

1048

01:00:00,632 --> 01:00:02,808

The ecstasy
of death.

1049

01:00:04,157 --> 01:00:05,680

You okay?

1050

01:00:08,596 --> 01:00:11,425

You're all right, Clemsie.Yeah.

1051

01:00:11,599 --> 01:00:14,298

Yeah. I mean, yeah.

1052

01:00:14,472 --> 01:00:17,910

You killed it.

Give Boadicea a fag.

1053

01:00:29,226 --> 01:00:30,792

It's old foxy again.

1054

01:00:30,966 --> 01:00:32,794

Will you stop saying

it's a fucking fox?

1055

01:00:32,968 --> 01:00:34,622

It's clearly not a fox,
is it, Willoughby?

1056

01:00:42,587 --> 01:00:46,155

All right, Wootton.

Death beckons.

1057

01:00:46,330 --> 01:00:47,983

Your move.

1058

01:00:48,157 --> 01:00:50,986

So let me see.

1059

01:00:51,160 --> 01:00:54,338

I'd like to summon a demon,
please, Hargreaves.

1060

01:00:54,512 --> 01:00:57,036

You would, would you?

Just like that.

1061

01:00:57,210 --> 01:00:58,690

Bring the darkness.

1062

01:00:58,864 --> 01:01:01,823

But I'm a necromancer.

You're a dick. Roll 20.

1063

01:01:01,997 --> 01:01:03,477

If you miss, you die.

1064

01:01:03,651 --> 01:01:07,351

That's tyranny! That's the rules, bitch.

1065

01:01:07,525 --> 01:01:09,222

Twenty.

1066

01:01:09,396 --> 01:01:12,138

You know, Hargreaves,
one day I'll be a god,

1067

01:01:12,312 --> 01:01:14,401

and then I'm gonna fucking...

I can't quite see you

1068

01:01:14,575 --> 01:01:16,011

at the Arcadian orgy somehow.

1069

01:01:16,185 --> 01:01:19,798

You're perfect sex-god material? Fuck off.

1070

01:01:22,017 --> 01:01:23,410

What is an orgy, anyway?

1071

01:01:23,584 --> 01:01:25,847

For fuck's sake,

would you just roll, please?

1072

01:01:26,021 --> 01:01:27,021

Twenty or death.

1073

01:01:32,201 --> 01:01:34,291

What's that sound?

1074

01:01:34,465 --> 01:01:35,509

What's that smell?

1075

01:01:37,555 --> 01:01:41,167

Ugh. Hargreaves, Jesus! Ha-ha-ha.

1076

01:01:41,341 --> 01:01:43,300

That's evil.

Talk about summoning the dead.

1077

01:01:43,474 --> 01:01:45,780

Fuck's sake, come on.

1078

01:01:47,739 --> 01:01:49,915

Good grief.

1079

01:01:50,089 --> 01:01:51,929

What's all this?

Why are you exposing yourself?

1080

01:01:52,091 --> 01:01:54,093

Oh, sorry, sir.

1081

01:01:54,267 --> 01:01:56,269

There's something
you need to see.

1082

01:01:58,489 --> 01:02:01,230

What is it?

Someone's head? Ha, ha.

1083

01:02:01,405 --> 01:02:02,841

Not just a head, sir.

1084

01:02:03,015 --> 01:02:04,625

It's a whole body.

1085

01:02:04,799 --> 01:02:06,105

Mm.

1086

01:02:06,279 --> 01:02:08,150

Well, goodness.

1087

01:02:08,325 --> 01:02:09,500

I am intrigued.

1088

01:02:14,505 --> 01:02:16,420

Dear God.

1089

01:02:16,594 --> 01:02:18,639

This looks like

Tuesday's pudding.

1090

01:02:18,813 --> 01:02:20,815

Bit of custard on it,

be nice.

1091

01:02:20,989 --> 01:02:23,470

Uh, sir,

it attacked Clemsie.

1092

01:02:23,644 --> 01:02:24,724

I'm afraid

I had to kill it.

1093

01:02:24,819 --> 01:02:26,299

Sir, if you look closely,

1094

01:02:26,473 --> 01:02:28,040

you can still make out
the jaw.

1095

01:02:28,214 --> 01:02:31,086

See? They're carnassial teeth,
clearly visible.

1096

01:02:31,260 --> 01:02:32,260

It's a carnivore.

1097

01:02:32,392 --> 01:02:34,612

I think quite possibly a rare

1098

01:02:34,786 --> 01:02:38,224

or even undiscovered
subterranean subspecies.

1099

01:02:38,398 --> 01:02:39,921

- Aah!

- God.

1100

01:02:41,183 --> 01:02:42,620

Well, fascinating.

1101

01:02:42,794 --> 01:02:44,230

Thank you, Matron.

1102

01:02:44,404 --> 01:02:46,014

Thank God for rat poison.

1103

01:02:46,188 --> 01:02:48,147

I'll tell the ground staff
on Monday.

1104

01:02:48,321 --> 01:02:49,931

Sir, this is
way beyond rats.

1105

01:02:50,105 --> 01:02:52,238

You need to call
the police now.

1106

01:02:52,412 --> 01:02:53,761

The police?

1107

01:02:53,935 --> 01:02:56,460

Clemsie,

this is a school matter.

1108

01:02:56,634 --> 01:02:58,200

We're not bothering

the rozzers.

1109

01:02:58,375 --> 01:02:59,854

Sir, we've been

to the frack site.

1110

01:03:00,028 --> 01:03:01,856

No, no, no.

1111

01:03:02,030 --> 01:03:03,902

No, Mr. Spray

and the ground staff

1112

01:03:04,076 --> 01:03:05,860

will see to the vermin

on Monday.

1113

01:03:06,034 --> 01:03:07,775

Ahem. Now...

1114

01:03:07,949 --> 01:03:10,909

in the meantime, I'm going
to have to notify your parents.

1115

01:03:11,083 --> 01:03:13,215

- What?

- I can't have pupils

1116

01:03:13,390 --> 01:03:16,088

wandering about in the middle
of the night after orders...

1117

01:03:16,262 --> 01:03:18,569

Are you serious?

In the forest.

1118

01:03:18,743 --> 01:03:20,745

An area you all knew
was strictly out of bounds.

1119

01:03:20,919 --> 01:03:24,096

No! This is what
you're going to do.

1120

01:03:24,270 --> 01:03:26,272

You're going to put us
in the car...

1121

01:03:26,446 --> 01:03:28,883

and you're going to drive us
to the nearest police station

1122

01:03:29,057 --> 01:03:31,930

right fucking now...

1123

01:03:33,061 --> 01:03:34,541

...sir.

1124

01:03:37,109 --> 01:03:40,373

What exactly...?
There's something in the woods.

1125

01:03:40,547 --> 01:03:44,246

Uh, do you have
your car keys, sir?

1126

01:03:44,421 --> 01:03:49,251

Only I think we should probably
be getting off fairly soon-ish.

1127

01:04:07,574 --> 01:04:10,359

Anybody seen Blake or Wallace? No, Clegg.

1128

01:04:10,534 --> 01:04:12,579

Stand up straight
when you speak to a house god.

1129

01:04:14,276 --> 01:04:17,018

And you take off
those fucking ears now.

1130

01:04:19,717 --> 01:04:20,892

Nobody leaves.

1131

01:04:26,201 --> 01:04:29,161

Keys, keys, keys.

1132

01:04:29,335 --> 01:04:32,860

Ah. Presto. Thank God, let's go.

1133

01:04:33,034 --> 01:04:34,775

Wait. There won't be
enough room in the car.

1134

01:04:34,949 --> 01:04:36,821

Who's gonna stay
and hold the fort?

1135

01:04:36,995 --> 01:04:38,115

Lawrence,
you're Upper Sixth.

1136

01:04:38,257 --> 01:04:40,085

If anyone's staying,
it should be you.

1137

01:04:40,259 --> 01:04:41,695

Don't be ridiculous,
I'm driving.

1138

01:04:41,869 --> 01:04:43,175

You're the one responsible.

1139

01:04:43,349 --> 01:04:44,698

You and your dodgy

frack buddies.

1140

01:04:44,872 --> 01:04:47,135

Now,

just you jolly well hold on.

1141

01:04:47,309 --> 01:04:49,834

She's right, though, isn't she?

Your boy in the wood told us.

1142

01:04:50,008 --> 01:04:54,055

You and Terrafrack. Oh, dear.

1143

01:04:54,229 --> 01:04:57,406

I fear you have been poisoned

by the ravings of a lunatic.

1144

01:04:57,581 --> 01:04:59,496

- He's not mad. He's...

- My old roommate.

1145

01:05:01,367 --> 01:05:03,238

Class of '88.

1146

01:05:03,412 --> 01:05:05,458

Old school tie.

1147

01:05:05,632 --> 01:05:07,895

Yeah? Wake up. Ha-ha-ha.

1148

01:05:08,069 --> 01:05:10,202

What's Woody

been telling you, eh?

1149

01:05:10,376 --> 01:05:14,423

There's a sinister evil lurking

beneath our school?

1150

01:05:14,598 --> 01:05:17,818

He's been playing the same
old record since he was 14.

1151

01:05:17,992 --> 01:05:20,255

Now, look, boys, boys.
Ahem.

1152

01:05:20,429 --> 01:05:22,693

I get it. And girls.

1153

01:05:22,867 --> 01:05:26,697

The world's a bloody mess,
and you want someone to blame.

1154

01:05:26,871 --> 01:05:32,311

But the truth is, there is
nothing dodgy about Terrafrack.

1155

01:05:32,485 --> 01:05:34,661

They are a heavily regulated

1156

01:05:34,835 --> 01:05:37,359

and highly reputable
energy supplier.

1157

01:05:37,534 --> 01:05:39,361

And without their help...

1158

01:05:39,536 --> 01:05:44,279

we simply do not have the funds
to maintain our school. Fact.

1159

01:05:45,672 --> 01:05:47,456

Don't try and stop me, Chippy.

1160

01:05:47,631 --> 01:05:51,460

While we're talking about facts,
I am getting sick to death...

1161

01:05:51,635 --> 01:05:54,899

of this endless scaremongering
about hydraulic fracking.

1162

01:05:55,073 --> 01:05:56,988

There is no danger.

1163

01:05:57,162 --> 01:05:59,904

There is no risk.

The only genuine risk...

1164

01:06:00,078 --> 01:06:03,472

is of a bankrupt United Kingdom
with no affordable energy.

1165

01:06:03,647 --> 01:06:07,128

Or worse, energy
entirely dependent on China!

1166

01:06:07,302 --> 01:06:09,304

Well, by golly...

1167

01:06:09,478 --> 01:06:12,394

you may not care
about this country of ours...

1168

01:06:12,569 --> 01:06:14,875

but I'm not giving up

without a fight.

1169

01:06:15,049 --> 01:06:19,488

We are drilling for shale gas

if it's the last thing we...

1170

01:06:19,663 --> 01:06:22,970

Podge! There's a big dog.

1171

01:06:57,526 --> 01:06:59,311

To the Skoda!

1172

01:07:01,748 --> 01:07:04,229

Open it.

1173

01:07:04,403 --> 01:07:06,579

Damn, it's a rental, you see.

The Jag's got a flat.

1174

01:07:06,753 --> 01:07:09,887

Are you serious? Try again, open the door!

1175

01:07:10,061 --> 01:07:12,193

You're pressing the wrong
button. Give that to me.

1176

01:07:13,499 --> 01:07:14,631

How did you do that?

1177

01:07:14,805 --> 01:07:17,329

Fuck's sake,
just get in and drive.

1178

01:07:17,503 --> 01:07:19,331

Seat belts, everyone. Hurry!

1179

01:07:19,505 --> 01:07:21,725

I'm going as fast as I can!

1180

01:07:21,899 --> 01:07:23,640

I am not driving
without my seat belt.

1181

01:07:23,814 --> 01:07:24,894

Please, sir, just hurry up.

1182

01:07:25,032 --> 01:07:26,425

You're making me nervous!

1183

01:07:26,599 --> 01:07:27,759

You're making me nervous,
sir.

1184

01:07:27,905 --> 01:07:29,646

Brace yourselves, children.

1185

01:07:34,651 --> 01:07:36,261

Mr. Chips.

1186

01:07:38,132 --> 01:07:39,656

Oh, no.

1187

01:07:39,830 --> 01:07:42,484

Chips. Chippy. Dear God!

Goodbye, Mr. Chips.

1188

01:07:42,659 --> 01:07:45,270

- What the hell is he doing?

- Give him a moment.

1189

01:07:45,444 --> 01:07:46,793

He reversed

over his best friend.

1190

01:07:46,967 --> 01:07:48,099

What was it?

1191

01:07:48,273 --> 01:07:49,796

Some kind of rare,

undiscovered

1192

01:07:49,970 --> 01:07:52,320

subterranean subspecies.

And you've pissed it off!

1193

01:08:28,443 --> 01:08:29,967

Drive! Drive!

1194

01:08:37,017 --> 01:08:38,105

Stop!

1195

01:08:38,279 --> 01:08:39,672

We're in a fucking hedge.

1196

01:08:39,846 --> 01:08:40,846

Let me drive.

1197

01:09:04,697 --> 01:09:06,177

Don!

1198

01:09:06,351 --> 01:09:07,831

Stop!

1199

01:09:08,005 --> 01:09:10,050

Don, fucking brake now!

1200

01:09:16,927 --> 01:09:18,798

Jesus Christ.

1201

01:09:34,248 --> 01:09:35,617

Oh, Clemsie,

that is a lot of glass.

1202

01:09:35,641 --> 01:09:37,251

Is it dead?

1203

01:09:37,425 --> 01:09:38,862

Dead?

1204

01:09:40,559 --> 01:09:42,343

It's been dissected.

1205

01:09:42,517 --> 01:09:44,911

Really, Clemsie?

That's the second living thing

1206

01:09:45,085 --> 01:09:46,165

you've killed this evening.

1207

01:09:46,260 --> 01:09:47,871

Guys...

1208

01:09:48,045 --> 01:09:50,047

how many more are there?

1209

01:10:08,543 --> 01:10:12,199

What? Why are you stopping?

Clemsie, come on, drive.

1210

01:10:14,462 --> 01:10:16,073

I have to go back.

1211

01:10:18,423 --> 01:10:20,555

It's Smudger, I...

1212

01:10:20,729 --> 01:10:22,296

I can't leave him.

1213

01:10:24,472 --> 01:10:25,865

He's my brother.

1214

01:10:28,128 --> 01:10:30,043

Smudger?

1215

01:10:30,217 --> 01:10:31,436

He's your brother?

1216

01:10:32,872 --> 01:10:34,091

Yeah.

1217

01:10:35,483 --> 01:10:38,617

Of course.

Yeah, we got to go back

1218

01:10:38,791 --> 01:10:41,794

for your brother. Do we, though?

1219

01:10:41,968 --> 01:10:44,318

Thank you, Don. Clemsie, he's your brother.

1220

01:10:44,492 --> 01:10:46,451

We can't leave

your brother behind, can we?

1221

01:10:46,625 --> 01:10:48,583

Come on, guys,

we can do this.

1222

01:10:48,757 --> 01:10:51,238

We are all going to die.

1223

01:10:55,721 --> 01:10:57,549

Guys,

what happened out there?

1224

01:10:57,723 --> 01:10:59,856

Clemsie ran into a creature.

Where's Mr. Houseman?

1225

01:11:00,030 --> 01:11:01,553

No sign of him.

Clegg's gone too.

1226

01:11:01,727 --> 01:11:04,251

- Clegg?

- Maybe he's been eaten.

1227

01:11:04,425 --> 01:11:07,167

Don't get your hopes up.

We need to hurry up.

1228

01:11:07,341 --> 01:11:08,341

What time is it?

1229

01:11:09,604 --> 01:11:10,604

It's tool-up time.

1230

01:11:12,390 --> 01:11:14,653

What is all that crap? It's games cupboard.

1231

01:11:14,827 --> 01:11:17,090

You can find anything
in here.

1232

01:11:17,264 --> 01:11:19,658

Last worn
by the Duke of Clarence.

1233

01:11:19,832 --> 01:11:21,225

Last worn by Hargreaves.

1234

01:11:21,399 --> 01:11:23,401

- Wait a sec.

- Gross.

1235

01:11:23,575 --> 01:11:25,882

You thinking what I'm thinking?

Just needs some petrol.

1236

01:11:26,056 --> 01:11:27,579

Get fucking real.

1237

01:11:38,720 --> 01:11:40,200

Where is your brother?

1238

01:11:42,594 --> 01:11:43,725

He's at a party.

1239

01:11:53,997 --> 01:11:55,955

Cripes. He's gonna finger her.

1240

01:11:56,129 --> 01:11:57,435

Oh, he is.

1241

01:11:57,609 --> 01:12:00,394

He is, he's a bloody animal.

Let me have a go.

1242

01:12:00,568 --> 01:12:02,440

No. Give him a bloody go.

1243

01:12:02,614 --> 01:12:04,616

- You're torturing him.

- I want a go.

1244

01:12:04,790 --> 01:12:08,272

This is it.

This is Smudger's initiation.

1245

01:12:08,446 --> 01:12:12,624

A "let's wear togas
and talk fucking Latin" orgy.

1246

01:12:12,798 --> 01:12:15,279

We have to stop it at once.

Good luck with that.

1247

01:12:15,453 --> 01:12:17,585

They've been planning this

all term.

1248

01:12:17,759 --> 01:12:19,936

No wonder

the country's fucked.

1249

01:12:20,110 --> 01:12:22,155

Being run by these knobheads.

1250

01:12:22,329 --> 01:12:23,852

Get him out!

It's an emergency.

1251

01:12:24,027 --> 01:12:26,333

I don't speak Latin.

Anyway, you're Upper Sixth.

1252

01:12:26,507 --> 01:12:28,161

Aren't there rules

about these things?

1253

01:12:28,335 --> 01:12:29,989

Don, he's my brother.

He's...

1254

01:12:30,163 --> 01:12:32,861

He's...

1255

01:12:33,036 --> 01:12:35,603

He's getting anointed

by the head boy.

1256

01:12:35,777 --> 01:12:38,867

Wow. His hands are massive. Please, Don.

1257

01:12:39,042 --> 01:12:42,175

For me. All right.

Come on, Will.

1258

01:12:42,349 --> 01:12:44,569

Right-o. Yes. I'll just

keep watch from up here.

1259

01:12:44,743 --> 01:12:47,441

What do you mean, keep watch?

Come on, give me a hand.

1260

01:12:47,615 --> 01:12:49,661

A hand? "Never touch
the balls," right?

1261

01:12:49,835 --> 01:12:51,054

Especially his.

1262

01:12:53,317 --> 01:12:56,407

Make way for the head
of school!

1263

01:13:02,021 --> 01:13:04,502

Poppet.Caesari.

1264

01:13:07,853 --> 01:13:10,769

"Never touch the balls."

1265

01:13:10,943 --> 01:13:12,379

What a load of bollocks.

1266

01:13:15,513 --> 01:13:17,776

What the devil's
going on? What...?

1267
01:13:17,950 --> 01:13:20,039
Matthew!

1268
01:13:20,213 --> 01:13:21,606
Where's everybody...?

1269
01:13:21,780 --> 01:13:24,652
Hargreaves? Bello?

1270
01:13:27,438 --> 01:13:28,743
Sparta!

1271
01:13:33,966 --> 01:13:35,272
Poppet.

1272
01:13:35,446 --> 01:13:37,883
Cor, I don't half fancy you.

1273
01:13:38,057 --> 01:13:40,581

Mmm, I love it
when you talk dirty.

1274
01:13:44,498 --> 01:13:46,848
Smudger. Smudger, wake up.

1275
01:13:47,023 --> 01:13:48,589
It's time to go, mate.

1276
01:13:48,763 --> 01:13:51,114
Come on, mate.
It's breakfast time.

1277
01:13:51,288 --> 01:13:52,941
All right. Come on.

1278
01:13:53,116 --> 01:13:54,943
Clemsie's here, mate.

1279
01:13:55,118 --> 01:13:58,730
And the, uh... The headmaster's
been eaten by a wild animal.

1280

01:13:58,904 --> 01:13:59,905

And you've shit yourself.

1281

01:14:00,079 --> 01:14:02,212

Smudger! We got to go

1282

01:14:02,386 --> 01:14:04,649

and if you think I'm carrying
you, you got another...

1283

01:14:04,823 --> 01:14:06,346

A new boy. No, I'm not part of this.

1284

01:14:06,520 --> 01:14:09,045

Restrain him. No, no.

I'm just visiting. No!

1285

01:14:09,219 --> 01:14:12,831

- Where did they come from?

- The Minotaur's back.

1286

01:14:13,005 --> 01:14:15,399

Hey, stop! We've got to get
out of here, you lunatics.

1287

01:14:15,573 --> 01:14:18,010

Start listening...

Oh, fucking hell.

1288

01:14:18,184 --> 01:14:20,056

What are you doing?

He's going Fifty Shades.

1289

01:14:20,230 --> 01:14:21,579

What? Give it back now.

1290

01:14:23,146 --> 01:14:25,148

Oh, this is not
going to plan.

1291

01:14:25,322 --> 01:14:27,367

We gotta go help him. He's having fun.

1292

01:14:27,541 --> 01:14:29,587

Willoughby,

get down here quick!

1293

01:14:29,761 --> 01:14:32,416

You don't get this type of thing
in Doncaster, you know.

1294

01:14:32,590 --> 01:14:34,853

Fuck! We gotta save them both.
Right. You take that.

1295

01:14:35,027 --> 01:14:37,203

Help! You two with me. Come on.

1296

01:14:49,824 --> 01:14:52,436

I've come to get you, Wallace.
Shh. Christ.

1297

01:14:52,610 --> 01:14:54,090

When this lot wake up,
they're gonna

1298

01:14:54,264 --> 01:14:56,483

find you skinned

like a rabbit.

1299

01:14:59,225 --> 01:15:01,053

Do you know what that means?

1300

01:15:01,227 --> 01:15:02,489

No, of course

you fucking don't.

1301

01:15:02,663 --> 01:15:07,190

It's Latin for

"I'm gonna fuck your face."

1302

01:15:08,800 --> 01:15:10,062

Bloody hell.

1303

01:15:10,236 --> 01:15:12,108

It's Clegg. Clegg?

1304

01:15:12,282 --> 01:15:14,849

Who's he gonna shag? Uh...

1305

01:15:15,023 --> 01:15:16,851

Wallace, by the looks of it.

1306

01:15:17,025 --> 01:15:18,505

Let me have another go,
please.

1307

01:15:18,679 --> 01:15:20,464

What the hell
is going on here?

1308

01:15:20,638 --> 01:15:23,902

There's no power.
Sparta's completely empty.

1309

01:15:24,076 --> 01:15:26,426

Who put me to bed?

1310

01:15:31,388 --> 01:15:33,041

You're so warm.

1311

01:15:33,216 --> 01:15:35,827

And wet.

1312

01:15:36,001 --> 01:15:37,133

And wide?

1313

01:15:41,572 --> 01:15:43,661

Oh, I'm terribly sorry.

1314

01:15:46,925 --> 01:15:48,318

What was that?

1315

01:15:50,929 --> 01:15:53,192

It's happening. Aah!

1316

01:15:55,063 --> 01:15:56,369

I'm a necromancer.

1317

01:15:56,543 --> 01:15:58,284

He's got a big knife.

There's an orgy.

1318

01:15:58,458 --> 01:16:00,243

Stop shouting.

I've got a splitting headache.

1319

01:16:00,417 --> 01:16:02,419

The head's dead. And so is his dog.

1320

01:16:11,950 --> 01:16:13,256

Wallace...

1321

01:16:19,175 --> 01:16:21,133

Don! Oh!

1322

01:16:21,307 --> 01:16:24,267

Oh, you came for me. Thank God.

Right. Help me carry Smudger.

1323

01:16:24,441 --> 01:16:26,356

Yeah, your brother. Yeah, yeah..Mummy.

1324

01:16:34,494 --> 01:16:36,192

What are you doing

with this?

1325

01:16:36,366 --> 01:16:39,151

This pike saved the First Earl
of Slaughter from the beast...

1326

01:16:39,325 --> 01:16:41,414

What the devil?

1327

01:16:44,722 --> 01:16:46,245

We've been
trying to tell you, sir.

1328

01:16:51,990 --> 01:16:53,252

Sir, come on.

1329

01:17:41,822 --> 01:17:43,222

I rather think it's dead,
don't you?

1330

01:17:44,782 --> 01:17:47,350

- Sorry, sir.

- Sorry, sir.

1331

01:17:50,091 --> 01:17:51,397

We should find
somewhere to hide.

1332

01:17:51,571 --> 01:17:53,921

Like now. Smokers' corner?

1333

01:18:08,022 --> 01:18:10,677

So pretty dark. Hmm?

1334

01:18:12,940 --> 01:18:14,942

Do you think
we've hit the bottom yet?

1335

01:18:17,858 --> 01:18:21,209

It's funny to think an hour ago,
I was about to top myself.

1336

01:18:21,384 --> 01:18:24,169

And here we are
fighting for our lives.

1337

01:18:28,260 --> 01:18:30,262

He looks like

he's given up.

1338

01:18:30,436 --> 01:18:31,959

Come on.

We need to keep moving.

1339

01:18:32,133 --> 01:18:33,439

Get back to the house.

1340

01:18:35,267 --> 01:18:36,921

Save the children.

1341

01:18:37,095 --> 01:18:40,533

Try and save the children.

Mr. Houseman, sir?

1342

01:18:40,707 --> 01:18:44,537

We... We need you, right?

1343

01:18:44,711 --> 01:18:47,366

Please, help us.

1344

01:18:48,715 --> 01:18:52,415

Yes. Help. Yes, help you.

1345

01:18:52,589 --> 01:18:54,852

Right. Um... Ahem.

1346

01:18:55,026 --> 01:18:56,549

Where did they come from?

1347

01:18:56,723 --> 01:18:58,083

The creatures,
where are they from?

1348

01:18:58,246 --> 01:19:00,379

Out of the ground.
There must be a nest somewhere.

1349

01:19:00,553 --> 01:19:01,641

And how many are there?

1350

01:19:01,815 --> 01:19:03,469

Dunno, sir.

1351

01:19:03,643 --> 01:19:06,733

"Dunno"? "Dunno"?

1352

01:19:06,907 --> 01:19:11,129

"Don't know." For heaven's sake,
enunciate, Wootton.

1353

01:19:11,303 --> 01:19:12,870

Sit up. Don't slouch. Sorry, sir.

1354

01:19:13,044 --> 01:19:14,785

Keep it together. Yes, sir.

1355

01:19:14,959 --> 01:19:17,024

There were four at the river
plus one that ate the head.

1356

01:19:17,048 --> 01:19:18,702

There's five. At least five.

1357

01:19:18,876 --> 01:19:23,097

Right, so we must assume

there is a... A herd or a pack...

1358

01:19:23,271 --> 01:19:25,317

...or a hive. I'm sorry,

I don't know

1359

01:19:25,491 --> 01:19:26,891

what the correct

collective noun is.

1360

01:19:26,927 --> 01:19:28,059

Frack?

1361

01:19:29,669 --> 01:19:31,105

A frack sounds good. I agree.

1362

01:19:31,279 --> 01:19:33,369

Yeah, I like frack. Me too.

1363

01:19:33,543 --> 01:19:35,371

Jolly good. A frack of...

But a frack of what?

1364

01:19:35,545 --> 01:19:37,111

Who the frack cares?

1365

01:19:37,285 --> 01:19:39,026

They ate half the Upper Sixth.

1366

01:19:39,200 --> 01:19:41,377

Alive.

1367

01:19:41,551 --> 01:19:43,770

Smudger, I'm sorry.

At least they died

1368

01:19:43,944 --> 01:19:46,120

doing something they enjoyed.

1369

01:19:46,294 --> 01:19:49,254

A distress flare. Someone's in distress.

1370

01:19:49,428 --> 01:19:50,734

We need to call the army.

1371

01:19:50,908 --> 01:19:52,189

It probably is the army...

1372

01:19:52,213 --> 01:19:53,737

...in distress.

1373

01:19:55,042 --> 01:19:56,435

The cadet range.

1374

01:19:56,609 --> 01:19:58,611

Team...

1375

01:19:58,785 --> 01:20:01,135

we need firepower.

1376

01:20:13,844 --> 01:20:15,019

Stand back.

1377

01:20:15,193 --> 01:20:17,108

I'm gonna ram it.

1378

01:20:17,282 --> 01:20:19,371

Wait, where's Smudger?

1379

01:20:21,068 --> 01:20:22,722

Back door's open.

1380

01:20:22,896 --> 01:20:25,377

Right. Come on.

1381

01:20:25,551 --> 01:20:27,901

Ugh... Damn shoulder. Sorry, sir.

1382

01:20:28,075 --> 01:20:29,816

Think I dislocated it.

1383

01:20:32,123 --> 01:20:34,952

Guns. Firepower.

Now we can blow shit up.

1384

01:20:35,126 --> 01:20:36,823

- Language, Wootton.

- Sorry, sir.

1385

01:20:36,997 --> 01:20:38,557

Hargreaves, get
the generator on. Right.

1386

01:20:38,608 --> 01:20:40,566

Girls, glow sticks.Sir.

1387

01:20:40,740 --> 01:20:42,394

Willoughby, water.Sir.

1388

01:20:42,568 --> 01:20:43,874

Smudger. Yeah?

1389

01:20:44,048 --> 01:20:46,224

Find yourself some trousers
for God's sake.

1390

01:20:46,398 --> 01:20:47,921

Right.
Let's have a look at this.

1391

01:20:49,314 --> 01:20:50,489

- Don.

- Sir?

1392

01:20:50,663 --> 01:20:52,317

Throw me the bat.

1393

01:20:55,929 --> 01:20:58,192

- Sorry, sir.

- Shoulder.

1394

01:20:58,366 --> 01:21:00,446

- Are you all right?

- It's the old wound.

1395

01:21:00,543 --> 01:21:02,196

Killed my cricketing career.

1396

01:21:02,370 --> 01:21:04,503

Could have bowled for England
once upon a time.

1397

01:21:06,026 --> 01:21:08,594

You're a good man, sir.

You know that.

1398

01:21:08,768 --> 01:21:12,206

Yes, well, maybe thank me
when we're all out of here, yes?

1399

01:21:12,380 --> 01:21:14,600

Now, be a good boy
and smash that lock off.

1400

01:21:17,037 --> 01:21:19,605

Oh. Aha!

1401

01:21:19,779 --> 01:21:22,434

- Whoo!
- Let there be light.

1402

01:21:25,568 --> 01:21:26,569

Good heavens.

1403

01:21:27,831 --> 01:21:29,833

Looking for these, are we?

1404

01:21:30,007 --> 01:21:32,139

Matty.

1405

01:21:32,313 --> 01:21:33,576

You're alive.

1406

01:21:33,750 --> 01:21:35,447

Thank God. Are you all right?

1407

01:21:35,621 --> 01:21:37,884

I'm fine, sir.

It's just a scratch.

1408

01:21:38,058 --> 01:21:40,583

Right, well, very happy
to hear that. Very happy indeed.

1409

01:21:40,757 --> 01:21:43,020

Now, we have to get
this gun rack open at once.

1410

01:21:43,194 --> 01:21:44,674

You're not thinking
of giving firearms

1411

01:21:44,717 --> 01:21:46,240
to these two, are you, sir?

1412

01:21:46,414 --> 01:21:48,939
Well, yes. We've got
to get all hands on deck.

1413

01:21:52,899 --> 01:21:54,684
What the...? These two degenerates...

1414

01:21:54,858 --> 01:21:56,381
need to answer
for their crime.

1415

01:21:56,555 --> 01:21:58,209
What are you
talking about crimes?

1416

01:21:58,383 --> 01:21:59,515
The school ties, sir.

1417

01:21:59,689 --> 01:22:02,430

In the downstairs lavatories.

1418

01:22:02,605 --> 01:22:04,520

And over my door.

1419

01:22:04,694 --> 01:22:06,043

Willoughby?

1420

01:22:06,217 --> 01:22:07,697

Was it your idea
of a little joke?

1421

01:22:09,176 --> 01:22:10,216

You and Seymour?

1422

01:22:11,570 --> 01:22:14,704

A pleb and a queer.

1423

01:22:14,878 --> 01:22:17,924

Tell me, Blake, am I going

to find you buggering him too?

1424

01:22:18,098 --> 01:22:19,665

Matty, stop it.

1425

01:22:19,839 --> 01:22:22,233

We can talk about that later.

Now is not the time.

1426

01:22:22,407 --> 01:22:25,410

You've lost a lot of blood.

There's always one or two, sir.

1427

01:22:25,584 --> 01:22:29,240

Trying to destroy our school.

And what would be the point?

1428

01:22:29,414 --> 01:22:31,329

There will always be
pricks like you.

1429

01:22:31,503 --> 01:22:33,244

Matty, put that gun down!

1430

01:22:33,418 --> 01:22:34,550

Matthew!

1431

01:22:34,724 --> 01:22:37,857

Lower your weapon!

That's an order!

1432

01:22:38,031 --> 01:22:40,730

- Aah!

- Jesus Christ, Clegg!

1433

01:22:40,904 --> 01:22:42,558

I'm establishing a new order.

1434

01:22:45,386 --> 01:22:48,085

It's madness! This is doomsday.

1435

01:22:48,259 --> 01:22:50,000

Matthew,

disgraceful behavior.

1436

01:22:50,174 --> 01:22:52,872

Wallace, Blake.

On your feet now.

1437

01:22:53,046 --> 01:22:55,135

For fuck's sake.

1438

01:22:55,309 --> 01:22:57,442

We'll shove these two perverts
out the front door.

1439

01:22:57,616 --> 01:22:59,052

While they're
being eaten alive,

1440

01:22:59,226 --> 01:23:00,706

we can make a run
for the tunnels.

1441

01:23:00,880 --> 01:23:03,013

You're not serious.Yes.

1442

01:23:03,187 --> 01:23:05,015

- Clegg, you're a sick bastard.

- Hey!

1443

01:23:05,189 --> 01:23:07,757

I'm giving you a chance
to be school martyrs.

1444

01:23:09,759 --> 01:23:12,022

They may even put your name up
on a plaque.

1445

01:23:12,196 --> 01:23:14,633

The first Wallace to die
like a gentleman.

1446

01:23:14,807 --> 01:23:16,983

Think how proud
your daddy would be.

1447

01:23:17,157 --> 01:23:18,855

No, you didn't. Hey.

1448

01:23:19,029 --> 01:23:21,771

Matthew,
will you stop doing that?

1449
01:23:21,945 --> 01:23:23,773
Outside.
Both of you. Now.

1450
01:23:23,947 --> 01:23:26,558
Everyone else, stand by.

1451
01:23:35,393 --> 01:23:36,699
A signal.

1452
01:23:40,703 --> 01:23:41,834
- Audrey.
- Meredith.

1453
01:23:43,270 --> 01:23:45,403
Audrey, my darling. I'm here.

1454
01:23:45,577 --> 01:23:48,580
We're all... The children.

1455

01:23:48,754 --> 01:23:50,538

Yes, they're safe. Look.

1456

01:23:50,713 --> 01:23:53,585

- They're with me.

- We need to speak.

1457

01:23:53,759 --> 01:23:56,719

Something terrible has happened
at the school.

1458

01:23:56,893 --> 01:23:59,939

Meredith, you're breaking up.

Audrey, can you hear me?

1459

01:24:00,113 --> 01:24:02,594

Audrey,
you must call for help, please.

1460

01:24:02,768 --> 01:24:04,378

Text her before
we lose the signal.

1461

01:24:04,552 --> 01:24:06,380

Yes.

1462

01:24:06,554 --> 01:24:09,819

- SOS Slaughterhouse.

- I can't hear you.

1463

01:24:09,993 --> 01:24:12,256

"Sausages"? Bloody auto-text.

1464

01:24:14,519 --> 01:24:18,436

Help me!

Enough, Clegg. Let him go.

1465

01:24:18,610 --> 01:24:20,568

Put your hands in the air.

1466

01:24:20,743 --> 01:24:23,615

I'm not taking orders
from a fourth year, Hargreaves.

1467

01:24:23,789 --> 01:24:25,704

I'm not gonna ask you again.

1468

01:24:25,878 --> 01:24:28,402

You don't understand.

This is war!

1469

01:24:28,576 --> 01:24:31,405

No, this is Sparta.

1470

01:24:36,759 --> 01:24:38,282

Hargreaves...

1471

01:24:38,456 --> 01:24:40,850

you shot me in the neck. Wow.

1472

01:24:42,416 --> 01:24:45,028

Fuck. Oh, God.

1473

01:24:46,333 --> 01:24:48,248

Fuck. Fuck.

1474

01:24:48,422 --> 01:24:50,773

You're a fucking disgrace
to the house!

1475

01:24:52,992 --> 01:24:56,039

You pathetic fucking plebs.

1476

01:25:06,179 --> 01:25:07,528

Hold on, Matty!

1477

01:25:09,530 --> 01:25:10,923

Get off him!

1478

01:25:13,621 --> 01:25:15,319

Get off!

1479

01:25:15,493 --> 01:25:16,624

Matty!

1480

01:25:23,414 --> 01:25:25,808

Meredith. Meredith.

1481

01:25:25,982 --> 01:25:27,200

Meredith.

1482

01:25:29,812 --> 01:25:33,467

Children, save yourselves!

Get to the tunnels.

1483

01:25:36,557 --> 01:25:38,298

Jesus.

1484

01:25:38,472 --> 01:25:40,431

You heard him.

Now's our chance.

1485

01:25:42,085 --> 01:25:43,125

- Run.

- The tunnels.

1486

01:25:46,045 --> 01:25:49,005

Meredith? No, Meredith?

1487

01:25:49,179 --> 01:25:50,658

You're breaking up.

1488

01:25:50,833 --> 01:25:52,660

Look, I'm not coming home,
Meredith.

1489

01:25:52,835 --> 01:25:54,314

I'm sorry.

1490

01:25:54,488 --> 01:25:57,753

It's over for us. It's over.

1491

01:25:59,580 --> 01:26:00,973

Come on.

1492

01:26:05,021 --> 01:26:07,371

I can't run
in these bloody wellies.

1493

01:26:13,116 --> 01:26:14,726

- Run!

- Run, come on.

1494

01:26:14,900 --> 01:26:17,294

Run. Come on!

1495

01:26:17,468 --> 01:26:19,949

Come on, Smudge.

Get up! Get up.

1496

01:26:22,560 --> 01:26:23,953

Come on.

1497

01:26:37,488 --> 01:26:38,837

Someone's had the same idea.

1498

01:26:39,011 --> 01:26:40,534

The not-so-very-secret tunnels.

1499

01:26:40,708 --> 01:26:43,668

Well, who's going first?

1500

01:26:43,842 --> 01:26:45,888

Ladies?

1501

01:26:48,499 --> 01:26:51,110

Excuse me. Coming through.

1502

01:26:51,284 --> 01:26:53,069

Come on, go, go, go.

1503

01:26:58,901 --> 01:27:00,816

Oh, Christ.

1504

01:27:04,471 --> 01:27:06,256

Tunnels, my ass.

This is a sewer.

1505

01:27:12,088 --> 01:27:13,698

Hey, I know this.

1506

01:27:13,872 --> 01:27:15,395

The story of the school.

1507

01:27:15,569 --> 01:27:17,049

Hey, what's that say?

1508

01:27:17,223 --> 01:27:18,616

Look. It's the First Earl

1509

01:27:18,790 --> 01:27:20,792

driving the beast

back into its cave.

1510

01:27:20,966 --> 01:27:23,012

The First Earl constructed

the original house...

1511

01:27:23,186 --> 01:27:25,405

on top of the beast's lair.

1512

01:27:25,579 --> 01:27:28,365

This whole labyrinth was carved

out by the beast itself.

1513

01:27:28,539 --> 01:27:30,149

So we're hiding

in its fucking lair?

1514

01:27:30,323 --> 01:27:32,804

Thanks, Mr. Houseman.

1515

01:27:32,978 --> 01:27:35,067

Coming down here was
a really crap idea!

1516

01:27:35,241 --> 01:27:37,069

Wootton finally passed
the house test.

1517

01:27:37,243 --> 01:27:38,612

Nice one.

Shame we're all gonna die.

1518

01:27:38,636 --> 01:27:39,724

Tough.

1519

01:27:39,898 --> 01:27:40,898

Shut up, Willoughby.

1520

01:27:40,943 --> 01:27:42,205

Maybe we should go back.

1521

01:27:42,379 --> 01:27:44,381

To where

that creature's waiting?

1522

01:27:44,555 --> 01:27:46,687

What was that?

1523

01:27:48,472 --> 01:27:51,301

Something touched my leg.

That was me. Sorry.

1524

01:27:51,475 --> 01:27:53,651

Your hands are fucking freezing.

1525

01:27:53,825 --> 01:27:56,610

Shall we split up?

Split up? Are you insane?

1526

01:27:56,784 --> 01:27:59,396

Mathematically speaking,
our chances of finding the way...

1527

01:27:59,570 --> 01:28:02,442

Mathematically speaking,
we're the square root of fucked!

1528

01:28:04,357 --> 01:28:06,533

It followed us.

It's got into the tunnel!

1529

01:28:18,415 --> 01:28:19,677

Oh, no.

1530

01:28:19,851 --> 01:28:21,505

There's gotta be
another way out.

1531

01:28:23,028 --> 01:28:24,595

We're gonna die down here.

1532

01:28:24,769 --> 01:28:27,380

Like Teddy Chapman.

I'm gonna die unfulfilled.

1533

01:28:27,554 --> 01:28:31,254

I'm gonna die a virgin.

I'm gonna die in Greek sandals.

1534

01:28:34,605 --> 01:28:36,433

Where the fuck do we go now?

1535

01:28:43,440 --> 01:28:45,833

You two still looking
for some drugs?

1536

01:28:46,008 --> 01:28:48,227

Woody Chapman? Thank God.

1537

01:28:48,401 --> 01:28:50,664

- He's Woody Chapman?
- Never heard of him.

1538

01:28:50,838 --> 01:28:54,016

Anyone seen my little brother?

1539

01:28:54,190 --> 01:28:59,021

Huh? Teddy!
I've come back for you!

1540

01:28:59,195 --> 01:29:01,066

Woody? I've gotta find little Ted.

1541

01:29:01,240 --> 01:29:03,068

Woody, so sorry, mate.

1542

01:29:03,242 --> 01:29:05,984

Teddy's gone, okay? But you need
to help us get out of here.

1543

01:29:07,203 --> 01:29:09,553

There ain't any way
out of hell.

1544

01:29:09,727 --> 01:29:11,468

Don't be daft.

You got out before. Remember?

1545

01:29:11,642 --> 01:29:14,253

Yeah, you came down with Teddy.

You tried to escape.

1546

01:29:14,427 --> 01:29:17,082

Escape?

We weren't trying to escape.

1547

01:29:17,256 --> 01:29:20,259

We were trying

to blow up the school.

1548

01:29:20,433 --> 01:29:22,305

We all knew about

the gas down here.

1549

01:29:22,479 --> 01:29:24,872

Blow it up? Like Guy Fawkes?

1550

01:29:25,047 --> 01:29:26,178

Like kaboom!

1551

01:29:28,224 --> 01:29:30,574

It was my idea.

1552

01:29:30,748 --> 01:29:32,228

We got separated.

1553

01:29:33,620 --> 01:29:35,796

I lost Teddy.

1554

01:29:35,971 --> 01:29:37,450

Something happened.

1555

01:29:37,624 --> 01:29:40,366

It was them, weren't it?

Those creatures.

1556

01:29:40,540 --> 01:29:42,281

- The beasts.

- You got out, right?

1557

01:29:43,543 --> 01:29:44,543

How?

1558

01:29:45,937 --> 01:29:47,895

- Found a path.

- A path?

1559

01:29:48,070 --> 01:29:49,506

- What path?

- There's a path?

1560

01:29:49,680 --> 01:29:52,770

The path to immortality.

1561

01:29:52,944 --> 01:29:55,816

Lucky.Yeah.

And now?

1562

01:30:01,387 --> 01:30:02,562

Unlucky.

1563

01:30:15,401 --> 01:30:17,012

What do we do now?

1564

01:30:17,186 --> 01:30:19,579

We need a distraction,

like a feint move in chess.

1565

01:30:19,753 --> 01:30:21,451

Yes, yes, exactly. Will?

1566

01:30:21,625 --> 01:30:24,062

You distract it, mate. What?

1567

01:30:26,195 --> 01:30:28,632

That light. These creatures...

1568

01:30:28,806 --> 01:30:31,069

they're subt... Subterranean...

They live underground.

1569

01:30:31,243 --> 01:30:32,288

They live underground. Yes.

1570

01:30:32,462 --> 01:30:34,203

And it's dark underground.

1571

01:30:34,377 --> 01:30:36,640

So these creatures

must hate light.

1572

01:30:36,814 --> 01:30:38,014

Give me your torch. It's mine.

1573

01:30:38,120 --> 01:30:40,078

Hand it over. I'm a prefect.

1574

01:30:40,252 --> 01:30:42,950

And I'm a house god. Fair play.

1575

01:30:43,125 --> 01:30:45,431

Sparta '88.

1576

01:30:45,605 --> 01:30:48,086

Have some of this,
you little bitch.

1577

01:30:48,260 --> 01:30:50,523

I am a servant
of the Secret Fire,

1578

01:30:50,697 --> 01:30:52,743

wielder of
the Flame of Anor.

1579

01:30:52,917 --> 01:30:56,355

Go back to the shadows.

Go back to the...

1580

01:30:56,529 --> 01:30:58,575

There's nothing
to be frightened of.

1581

01:30:58,749 --> 01:31:00,881

What's this?

1582

01:31:01,056 --> 01:31:02,840

Huh?

1583

01:31:03,014 --> 01:31:04,189

Look.

1584

01:31:07,018 --> 01:31:08,541

Oh, there's my boy.

1585

01:31:11,544 --> 01:31:12,937

That's a good boy.

1586

01:31:13,111 --> 01:31:16,071

He's like a doggy. Hey.

1587

01:31:16,245 --> 01:31:19,422

Actually, he's all right.

He's quite nice.

1588

01:31:19,596 --> 01:31:21,206

You genius. It worked.

1589

01:31:21,380 --> 01:31:22,780

And I got an E in Biology.

1590

01:31:24,775 --> 01:31:26,690

Where's the cats?

Where's the cats?

1591

01:31:41,966 --> 01:31:45,056

That was close. Ha, ha.

1592

01:31:45,230 --> 01:31:48,755

I shouldn't have said "cats."

I shouldn't have said "cats."

1593

01:31:50,583 --> 01:31:53,195

Teddy. Huh.

1594

01:31:53,369 --> 01:31:55,022

What are you doing here?

1595

01:31:55,197 --> 01:31:57,373

Teddy.

1596

01:31:57,547 --> 01:31:59,331

Of course there's a way out.

1597

01:31:59,505 --> 01:32:00,985

You just gotta follow the...

1598

01:32:04,075 --> 01:32:05,903

You gotta follow the...

1599

01:32:43,723 --> 01:32:45,856

A dead end!

1600

01:32:46,030 --> 01:32:47,988

Path? Where...?

Where's this fucking path?

1601

01:32:49,686 --> 01:32:51,122

There's an air current.

1602

01:32:51,296 --> 01:32:53,255

It's defogging my...

1603

01:32:53,429 --> 01:32:55,344

The path to immortality.

1604

01:32:55,518 --> 01:32:58,303

Go down there.

Go! Immortality.

1605

01:32:58,477 --> 01:33:01,306

Doesn't matter.

Go on, quick. Go, quick.

1606

01:33:04,266 --> 01:33:06,572

Come on. It's coming.

1607

01:33:27,550 --> 01:33:29,769

- They're right above us.

- There.

1608

01:33:34,905 --> 01:33:36,646

It's the bloody frack.

1609

01:33:36,820 --> 01:33:39,475

And that's our bloody way out.

1610

01:33:39,649 --> 01:33:40,911

Don, your tie. What?

1611

01:33:41,085 --> 01:33:42,260

Give me your tie.

1612

01:33:46,656 --> 01:33:48,701

Finally hit the bottom, eh?

1613

01:33:50,355 --> 01:33:52,227

Be a flame, Ducky.

1614

01:33:54,620 --> 01:33:57,014

Welcome to hell,
you son of a bitch!

1615

01:33:57,188 --> 01:33:59,408

- Willoughby!

- Willoughby!

1616

01:34:02,498 --> 01:34:05,022

Hey, let's get out now!

1617

01:34:05,196 --> 01:34:07,285

Willoughby!

1618

01:34:07,459 --> 01:34:09,069

Don! Come on!

1619

01:34:14,249 --> 01:34:16,251

Don, come on.

1620

01:34:21,430 --> 01:34:23,258

Don't fucking die. Go!

1621

01:34:37,097 --> 01:34:38,534

Dab of snuff?

1622

01:34:49,109 --> 01:34:50,459

Go!

1623

01:35:15,005 --> 01:35:17,964

Will.

Will, give me your lighter.

1624

01:35:18,138 --> 01:35:19,444

It isn't mine. It was his.

1625

01:35:24,536 --> 01:35:26,277

Come on, Seymour.

1626

01:35:26,451 --> 01:35:29,236

If you're out there,

be a flame!

1627

01:35:29,411 --> 01:35:31,413

All right, Seymour.

1628

01:35:31,587 --> 01:35:32,747

Bequeath this, motherfuckers.

1629

01:35:40,465 --> 01:35:42,467

Clemsie, it's gonna blow!

1630

01:35:42,641 --> 01:35:44,513

Fucking run!

1631

01:36:21,637 --> 01:36:23,247

Fucking hell.

1632

01:36:49,752 --> 01:36:53,103

Congratulations, Ducky.

1633

01:36:53,277 --> 01:36:54,844

Really left your mark.

1634

01:37:02,634 --> 01:37:06,377

My mum is gonna
fucking kill me.

1635

01:37:06,551 --> 01:37:08,858

Let's go.

1636

01:37:28,094 --> 01:37:30,357

Audrey.

1637

01:37:30,532 --> 01:37:32,882

Audrey, darling,
I knew you'd come back.

1638

01:37:33,056 --> 01:37:34,536

I...

1639

01:37:36,102 --> 01:37:38,583

I'm alive.

1640

01:37:38,757 --> 01:37:41,630

I'm alive. Children!

1641

01:37:41,804 --> 01:37:44,981

Children, I'm alive.

Where are you?

1642

01:37:47,549 --> 01:37:49,159

Little shits!

1643

01:38:09,135 --> 01:38:10,528

Ha!

1644

01:40:26,577 --> 01:40:29,319

As headmaster,

I have always been

1645

01:40:29,493 --> 01:40:34,150

a firm believer

that cream rises.

1646

01:40:34,324 --> 01:40:36,369

And here at Slaughterhouse...

1647

01:40:36,543 --> 01:40:39,503

we are proud to be the whisk

1648

01:40:39,677 --> 01:40:41,374

to your child's

precious cream...

1649

01:40:43,855 --> 01:40:49,078

...as they prepare to make

themselves felt in the world.

1650

01:40:49,252 --> 01:40:52,124

At Slaughterhouse,

you will find family

1651

01:40:52,298 --> 01:40:55,171

that is ready

to fight for you.

1652

01:40:55,345 --> 01:40:59,349

Cry "per caedes ad astra."

1653

01:40:59,523 --> 01:41:03,701

"Through slaughter
to immortality."
