

Dialogues from Star Wars Episode III: Revenge of the Sith to improve the vocabulary in English

1

00:03:07,600 --> 00:03:08,975

Lock on to him, R2.

2

00:03:09,101 --> 00:03:12,517

Master, General Grievous's
ship is directly ahead-

3

00:03:12,647 --> 00:03:14,853

the one crawling
with vulture droids.

4

00:03:14,982 --> 00:03:17,473

I see it.
Oh, this is going to be easy.

5

00:03:25,159 --> 00:03:27,697

- Oddball, do you copy?
- <i>Copy, Red Leader.</i>

6

00:03:27,828 --> 00:03:30,070

Mark my position.

Form your squad up behind me.

7

00:03:30,206 --> 00:03:32,079

We're on your tail,

General Kenobi.

8

00:03:32,208 --> 00:03:34,117

Set S-foils in attack position.

9

00:03:48,057 --> 00:03:50,050

This is where the fun begins.

10

00:03:50,184 --> 00:03:52,177

Let them pass between us.

11

00:04:08,953 --> 00:04:11,076

They're all over me.

12

00:04:11,205 --> 00:04:14,206

- <i>Get them off my-</i>

- I'm gonna go help them out.

13

00:04:14,333 --> 00:04:17,702

<i>No. They are doing their job</i>

<i>so we can do ours.</i>

14

00:04:31,684 --> 00:04:33,593

Missiles. Pull up.

15

00:04:35,688 --> 00:04:38,226

- They overshot us.

- They're coming around.

16

00:04:44,280 --> 00:04:48,064

All right, R4. No, no.

Nothing too fancy.

17

00:04:51,329 --> 00:04:54,413

Surge all power units, R2.

Stand by reverse thrusters.

18

00:05:03,549 --> 00:05:05,257

We got 'em, R2.

19

00:05:14,769 --> 00:05:16,761

Flying is for droids.

20

00:05:23,986 --> 00:05:26,524

- I'm hit. Anakin?

- *I see them.*

21

00:05:26,656 --> 00:05:27,770

Buzz droids.

22

00:05:35,623 --> 00:05:37,414

R4, be careful. You have a-

23

00:05:41,128 --> 00:05:42,457

Oh, dear.

24

00:05:44,632 --> 00:05:46,423

They're shutting down
all the controls.

25

00:05:46,550 --> 00:05:48,673

Move to the right so I can
get a clear shot at them.

26

00:05:48,803 --> 00:05:50,961

<i>The mission.</i>

<i>Get to the command ship.</i>

27

00:05:51,097 --> 00:05:53,504

Get the chancellor.

I'm running out of tricks here.

28

00:05:58,729 --> 00:06:00,686

In the name of-

29

00:06:03,025 --> 00:06:06,975

- Hold your fire! You're not helping.

- I agree. Bad idea.

30

00:06:13,411 --> 00:06:16,162

I can't see a thing.

My cockpit's fogging.

31

00:06:19,458 --> 00:06:21,332

They're all over me. Anakin!

32

00:06:25,047 --> 00:06:28,048

- Move to the right.

- Hold on. You'll get us both killed.

33

00:06:30,428 --> 00:06:32,504

Get out of here.

There's nothing more you can do.

34

00:06:32,638 --> 00:06:34,797

I'm not leaving

without you, Master.

35

00:06:45,401 --> 00:06:46,646

Get him, R2.

36

00:06:48,696 --> 00:06:50,071

Watch out.

37

00:06:54,702 --> 00:06:57,027

R2, hit the buzz droid's centre eye.

38

00:07:04,253 --> 00:07:06,542

- Yeah, you got him!

- Great, R2.

39

00:07:08,883 --> 00:07:10,756

The general's command ship
is dead ahead.

40

00:07:12,887 --> 00:07:14,926

Have you noticed
the shields are still up?

41

00:07:15,056 --> 00:07:16,431

Sorry, Master.

42

00:07:24,607 --> 00:07:26,683

I have a bad feeling about this.

43

00:07:41,540 --> 00:07:43,414

There they are. Get them.

44

00:07:54,762 --> 00:07:57,218

R2, locate the chancellor.

45

00:08:05,606 --> 00:08:08,275

The chancellor's signal
is coming from right there-

46

00:08:08,401 --> 00:08:11,437

the observation platform
at the top of that spire.

47

00:08:11,570 --> 00:08:13,480

I sense Count Dooku.

48

00:08:13,614 --> 00:08:16,236

- I sense a trap.
- Next move?

49

00:08:16,993 --> 00:08:18,902

Spring the trap.

50

00:08:21,539 --> 00:08:23,827

R2, go back.
I need you to stay with the ship.

51

00:08:23,958 --> 00:08:25,832

Here. Take this
and wait for orders.

52

00:08:40,182 --> 00:08:43,634

What's the situation, Captain?

53

00:08:43,769 --> 00:08:47,684

Two Jedi have landed in the main
hangar bay. We're tracking them.

54

00:08:47,815 --> 00:08:51,101

Just as Count Dooku predicted.

55

00:08:56,198 --> 00:08:57,313

Destroyers.

56

00:09:05,541 --> 00:09:08,376

Drop your weapons.
I said drop 'em.

57

00:09:08,502 --> 00:09:10,376

- Roger.

- Roger, roger.

58

00:09:18,929 --> 00:09:20,839

Those are Jedi fighters all right.

59

00:09:26,270 --> 00:09:28,429

- Did you press the stop button?

- No. Did you?

60

00:09:28,564 --> 00:09:30,853

There's more than
one way out of here.

61

00:09:31,609 --> 00:09:33,815

We don't want to get out.

We want to get moving.

62

00:09:33,944 --> 00:09:37,776

R2, activate elevator 31174.

63

00:09:38,658 --> 00:09:40,816

- <i>Come in, R2.</i>

- What that?

64

00:09:40,951 --> 00:09:42,825

<i>R2, do you copy?</i>

65

00:09:42,953 --> 00:09:46,369

<i>R2, activate</i>

<i>the elevator number 31174.</i>

66

00:09:47,291 --> 00:09:50,209

Get back to work. That nothin'.

67

00:09:50,336 --> 00:09:53,253

<i>Activate the elevator 31174.</i>

68

00:09:53,381 --> 00:09:54,381

R2-

69

00:10:01,097 --> 00:10:02,970

Always on the move.

70

00:10:03,099 --> 00:10:06,053

<i>R2, switch on the comlink.</i>

<i>R2, can you hear me?</i>

71

00:10:07,228 --> 00:10:09,228

<i>R2?</i>

72

00:10:11,148 --> 00:10:12,548

R2! R2!

73

00:10:17,405 --> 00:10:20,074

Stop. Stop.

R2, we need to be going up.

74

00:10:22,535 --> 00:10:24,408

Hands up, Jedi.

75

00:10:24,537 --> 00:10:26,695

<i>R2, do you copy?</i>

76

00:10:26,831 --> 00:10:30,780

<i>R2, do you hear me?</i>

<i>R2, we need to be going up, not down.</i>

77

00:10:35,673 --> 00:10:36,918

Hey, you!

78

00:10:42,263 --> 00:10:43,757

That's better.

79

00:10:44,974 --> 00:10:47,429

You stupid little astro droid.

80

00:10:58,779 --> 00:11:00,238

Oh, it's you.

81

00:11:02,366 --> 00:11:04,158

My eyes! My eyes!

82

00:11:04,285 --> 00:11:07,618

- What was that all about?

- R2 has been-

83

00:11:07,747 --> 00:11:09,739

- No loose wire jokes.

- Did I say anything?

84

00:11:09,874 --> 00:11:11,783

- He's trying.

- I didn't say anything.

85

00:11:49,455 --> 00:11:51,329

- Chancellor.

- Are you all right?

86

00:11:51,457 --> 00:11:52,916

Count Dooku.

87

00:11:57,672 --> 00:12:01,503

- This time we will do it together.

- I was about to say that.

88

00:12:10,476 --> 00:12:13,679

Get help. You're no match for him.

He's a Sith lord.

89

00:12:14,480 --> 00:12:17,849

Chancellor Palpatine,

Sith lords are our speciality.

90

00:12:18,943 --> 00:12:20,817

Your swords, please.

91

00:12:20,945 --> 00:12:24,396

We don't want to make a mess of things
in front of the chancellor.

92

00:12:24,532 --> 00:12:26,738

You won't get away
this time, Dooku.

93

00:12:37,586 --> 00:12:39,662

I've been looking forward to this.

94

00:12:39,797 --> 00:12:42,964

My powers have doubled since
the last time we met, Count.

95

00:12:43,092 --> 00:12:46,543

Good. Twice the pride,
double the fall.

96

00:13:06,657 --> 00:13:07,657

Get-

97

00:13:32,892 --> 00:13:36,936

I sense great fear in you, Skywalker.

98

00:13:38,064 --> 00:13:41,018

You have hate.

You have anger.

99

00:13:41,817 --> 00:13:43,727

But you don't use them.

100

00:14:03,381 --> 00:14:05,788

Good, Anakin. Good.

101

00:14:08,010 --> 00:14:09,255

Kill him.

102

00:14:10,763 --> 00:14:12,305

Kill him now.

103

00:14:18,396 --> 00:14:19,854

I shouldn't.

104

00:14:22,733 --> 00:14:23,812

Do it.

105

00:14:35,871 --> 00:14:38,789

You did well, Anakin.

106

00:14:39,542 --> 00:14:42,080

He was too dangerous
to be kept alive.

107

00:14:42,920 --> 00:14:45,292

Yes, but he was
an unarmed prisoner.

108

00:14:45,423 --> 00:14:48,293

I shouldn't have done that.
It's not the Jedi way.

109

00:14:49,135 --> 00:14:53,512

It is only natural. He cut off your arm,
and you wanted revenge.

110

00:14:53,639 --> 00:14:55,762

It wasn't the first time, Anakin.

111

00:14:56,767 --> 00:15:00,516

Remember what you told me about
your mother and the Sand People?

112

00:15:03,316 --> 00:15:06,898

Now we must leave before
more security droids arrive.

113

00:15:11,741 --> 00:15:14,279

Anakin, there's no time.

114

00:15:14,410 --> 00:15:16,735

We must get off this ship
before it's too late.

115

00:15:18,497 --> 00:15:21,747

- He seems to be all right.
- Leave him, or we'll never make it.

116

00:15:21,876 --> 00:15:23,915

His fate will be the same as ours.

117

00:15:29,008 --> 00:15:31,166

Prepare for attack!

118

00:15:33,471 --> 00:15:35,380

All batteries, fire! Fire!

119

00:15:45,441 --> 00:15:47,350

Elevator's not working.

120

00:15:51,113 --> 00:15:53,735

R2, activate elevator 3224.

121

00:16:12,468 --> 00:16:15,718

- Reverse stabilizers.
- Reversing stabilizers.

122

00:16:34,991 --> 00:16:37,113

Magnetize! Magnetize!

123

00:16:43,708 --> 00:16:46,993

Fire the emergency booster engines.

124

00:16:52,049 --> 00:16:53,923

We're levelling out, sir.

125

00:17:09,692 --> 00:17:11,850

Easy. We're in a bit

of a situation here.

126

00:17:11,986 --> 00:17:14,559

- Did I miss something?

- Hold on.

127

00:17:14,697 --> 00:17:16,855

- What is that?

- Oops.

128

00:17:16,991 --> 00:17:18,948

R2. R2, shut down the elevator.

129

00:17:19,076 --> 00:17:20,274

Too late. Jump!

130

00:17:34,633 --> 00:17:38,252

Let's see if we can find something
in the hangar bay that's still flyable.

131

00:17:38,387 --> 00:17:40,463

R2, get down here.

132

00:17:41,223 --> 00:17:42,848

<i>R2, do you copy?</i>

133

00:17:48,522 --> 00:17:51,559

General, we found the Jedi.

They're in hallway 328.

134

00:17:51,692 --> 00:17:54,017

Activate ray shields.

135

00:17:56,989 --> 00:17:58,270

Ray shields.

136

00:17:58,407 --> 00:18:01,278

Wait a minute. How did this happen?

We're smarter than this.

137

00:18:01,410 --> 00:18:02,739

Apparently not.

138

00:18:04,747 --> 00:18:07,914

- I say patience.

- Patience?

139

00:18:08,793 --> 00:18:11,284

Yes. R2 will be along

in a few moments...

140

00:18:11,420 --> 00:18:14,125

and then he'll release

the ray shields.

141

00:18:21,305 --> 00:18:23,547

See? No problem.

142

00:18:25,893 --> 00:18:27,471

Don't move.

143

00:18:30,856 --> 00:18:32,730

Do you have a plan B?

144

00:18:39,407 --> 00:18:41,007

Ah, yes.

145

00:18:41,867 --> 00:18:43,943

The negotiator.

146

00:18:44,078 --> 00:18:48,289

General Kenobi.

We've been waiting for you.

147

00:18:48,416 --> 00:18:49,578

Excuse me.

148

00:18:49,709 --> 00:18:53,409

- That wasn't much of a rescue.

- You're welcome.

149

00:18:54,213 --> 00:18:55,213

And-

150

00:18:56,424 --> 00:18:58,831

Anakin Skywalker.

151

00:18:58,968 --> 00:19:04,674

I was expecting someone with
your reputation to be a little... older.

152

00:19:07,184 --> 00:19:11,099

General Grievous.

You're shorter than I expected.

153

00:19:13,441 --> 00:19:15,018

Jedi scum.

154

00:19:15,151 --> 00:19:18,602

We have a job to do, Anakin.

Try not to upset him.

155

00:19:22,742 --> 00:19:28,032

Your lightsabres will make
a fine addition to my collection.

156

00:19:28,164 --> 00:19:31,829

Not this time.
And this time, you won't escape.

157

00:19:31,959 --> 00:19:32,959

R2.

158

00:19:37,965 --> 00:19:39,340

Crush them!

159

00:19:40,760 --> 00:19:42,799

Make them suffer!

160

00:19:46,849 --> 00:19:48,509

Come. Now!

161

00:19:48,643 --> 00:19:50,801

Stay at your stations!

162

00:19:57,485 --> 00:19:59,358

Get him! Get him!

163

00:20:19,131 --> 00:20:20,131

Run!

164

00:20:23,803 --> 00:20:25,676

Don't bother with them.

165

00:20:25,805 --> 00:20:28,093

- Keep the ship in orbit.

- Yes, sir.

166

00:20:38,359 --> 00:20:41,028

You lose, General Kenobi.

167

00:21:04,885 --> 00:21:06,925

Get out of here! Run!

168

00:21:20,109 --> 00:21:22,565

Time to abandon ship.

169

00:21:29,827 --> 00:21:32,199

All the escape pods
have been launched.

170

00:21:32,330 --> 00:21:35,366

Grievous.
Can you fly a cruiser like this?

171

00:21:35,499 --> 00:21:38,204

- You mean, can I land what's left of it?
- Well?

172

00:21:38,336 --> 00:21:42,167

Under the circumstances, I'd say the
ability to pilot this thing is irrelevant.

173

00:21:42,298 --> 00:21:43,460

Strap yourselves in.

174

00:21:45,259 --> 00:21:48,094

Open all hatches.
Extend all flaps and drag fins.

175

00:22:05,112 --> 00:22:06,986

We lost something.

176

00:22:07,114 --> 00:22:09,570

Not to worry.

We are still flying half a ship.

177

00:22:15,247 --> 00:22:16,825

Now we're really picking up speed.

178

00:22:25,508 --> 00:22:27,299

Eight plus 60.

179

00:22:28,219 --> 00:22:30,710

- We're in the atmosphere.

- Grab that. Keep us level.

180

00:22:44,610 --> 00:22:46,010

Steady.

181

00:22:49,115 --> 00:22:50,443

Easy, R2.

182

00:22:53,661 --> 00:22:54,661

5000.

183

00:22:55,413 --> 00:22:57,322

Fire ships on the left and the right.

184

00:22:57,456 --> 00:23:00,161

- We'll take you in.

- <i>Copy that.</i>

185

00:23:02,586 --> 00:23:06,335

- Landing strip, straight ahead.

- We're coming in too hot.

186

00:23:37,830 --> 00:23:39,787

Another happy landing.

187

00:24:09,654 --> 00:24:11,064

Coming, Master?

188

00:24:12,114 --> 00:24:15,614

No. I'm not brave enough for politics.

I have to report to the council.

189

00:24:15,743 --> 00:24:18,151

Besides, someone needs

to be the poster boy.

190

00:24:18,287 --> 00:24:22,119

Hold on.

This whole operation was your idea.

191

00:24:22,249 --> 00:24:25,369

Let us not forget, Anakin, that

you rescued me from the buzz droids.

192

00:24:25,503 --> 00:24:27,924

And you killed Count Dooku,

and you rescued the chancellor...

193

00:24:28,024 --> 00:24:29,914

carrying me unconscious

on your back.

194

00:24:30,675 --> 00:24:32,501

All because of your training.

195

00:24:32,635 --> 00:24:36,134

Anakin, let's be fair.

Today you were the hero...

196

00:24:36,263 --> 00:24:39,632

and you deserve your glorious day
with the politicians.

197

00:24:39,767 --> 00:24:43,468

All right. But you owe me one, and not
for saving your skin for the 10th time.

198

00:24:43,604 --> 00:24:44,885

Ninth time.

199

00:24:45,606 --> 00:24:49,818

That business on Cato Neimoidia doesn't
count. I'll see you at the briefing.

200

00:24:55,199 --> 00:24:57,690

Chancellor Palpatine,
are you all right?

201

00:24:57,827 --> 00:25:00,697

Yes. Thanks to your two Jedi knights.

202

00:25:00,830 --> 00:25:05,492

They killed Count Dooku, but
General Grievous has escaped once again.

203

00:25:05,626 --> 00:25:09,125

General Grievous will run and hide,
as he always does. He's a coward.

204

00:25:09,255 --> 00:25:13,549

But with Count Dooku dead,
he is the leader of the droid army.

205

00:25:13,676 --> 00:25:15,550

And I assure you...

206

00:25:15,678 --> 00:25:19,378

the senate will vote to continue the war
as long as Grievous is alive.

207

00:25:19,515 --> 00:25:23,560

Then the Jedi Council will make
finding Grievous our highest priority.

208

00:25:25,062 --> 00:25:26,936

- Watch it.

- Excuse me.

209

00:25:27,064 --> 00:25:30,018

- Come along, R2.

- The Republic cannot praise you enough.

210

00:25:30,151 --> 00:25:32,274

Thank you, Senator Organa.

211

00:25:33,321 --> 00:25:35,942

It couldn't possibly
be as bad as all that.

212

00:25:36,699 --> 00:25:38,573

Now there I agree with you.

213

00:25:38,701 --> 00:25:41,406

In fact, I could do with
a tune-up myself.

214

00:25:41,537 --> 00:25:45,749

But the fighting will continue until
General Grievous is spare parts.

215

00:25:46,792 --> 00:25:49,283

I will do everything
I can in the senate.

216

00:25:50,212 --> 00:25:52,122

- Excuse me.
- Certainly.

217

00:26:07,063 --> 00:26:08,936

I've missed you, Padmé.

218

00:26:10,149 --> 00:26:13,352

There were whispers

that you'd been killed.

219

00:26:13,486 --> 00:26:15,359

I'm all right.

220

00:26:16,572 --> 00:26:19,110

It feels like we've been
apart for a lifetime.

221

00:26:19,241 --> 00:26:22,029

And it might have been,
if the chancellor hadn't been kidnapped.

222

00:26:22,161 --> 00:26:25,495

I don't think they would have ever brought
us back from the outer rim sieges.

223

00:26:25,623 --> 00:26:28,244

- Wait. Not here.

- Yes, here.

224

00:26:28,376 --> 00:26:31,827

I'm tired of all this deception.

I don't care if they know we're married.

225

00:26:31,962 --> 00:26:34,204

Anakin, don't say things like that.

226

00:26:43,057 --> 00:26:46,640

Are you all right?

You're trembling.

227

00:26:46,769 --> 00:26:48,892

What's going on?

228

00:26:50,982 --> 00:26:53,140

Something wonderful has happened.

229

00:26:55,069 --> 00:26:58,402

Ani, I'm pregnant.

230

00:27:10,292 --> 00:27:11,870

That's wonderful.

231

00:27:14,630 --> 00:27:16,753

What are we gonna do?

232

00:27:18,050 --> 00:27:21,633

We're not gonna worry about
anything right now. All right?

233

00:27:22,430 --> 00:27:24,221

This is a happy moment.

234

00:27:26,225 --> 00:27:28,514

The happiest moment of my life.

235

00:28:34,377 --> 00:28:37,496

Yes, Lord Sidious?

236

00:28:37,630 --> 00:28:39,504

<i>General Grievous...</i>

237

00:28:39,632 --> 00:28:44,709

<i>I suggest you move</i>

<i>the separatist leaders to Mustafar.</i>

238

00:28:44,845 --> 00:28:47,882

It will be done, my lord.

239

00:28:48,808 --> 00:28:53,055

<i>The end of the war is near, General.</i>

240

00:28:53,854 --> 00:28:56,772

But the loss of Count Dooku-

241

00:28:56,899 --> 00:29:01,027

<i>His death was a necessary loss.</i>

242

00:29:01,821 --> 00:29:05,439

<i>Soon I will have a new apprentice-</i>

243

00:29:05,574 --> 00:29:10,817

<i>one far younger</i>

<i>and more powerful.</i>

244

00:29:37,857 --> 00:29:40,858

Ani, I want to have our baby

back home on Naboo.

245

00:29:40,985 --> 00:29:44,318

We can go to the lake country
where no one will know...

246

00:29:44,447 --> 00:29:46,320

where we can be safe.

247

00:29:47,575 --> 00:29:49,864

I can go early
and fix up the baby's room.

248

00:29:53,748 --> 00:29:57,876

I know the perfect spot.
Right by the gardens.

249

00:30:02,465 --> 00:30:05,750

You are so... beautiful.

250

00:30:07,386 --> 00:30:09,426

It's only because I'm so in love.

251

00:30:12,058 --> 00:30:14,181

No, it's because

I'm so in love with you.

252

00:30:16,270 --> 00:30:18,227

So love has blinded you?

253

00:30:20,691 --> 00:30:22,731

That's not exactly what I meant.

254

00:30:24,320 --> 00:30:26,359

But it's probably true.

255

00:30:35,998 --> 00:30:38,074

Anakin, help me!

256

00:31:40,730 --> 00:31:42,639

What's bothering you?

257

00:31:45,735 --> 00:31:47,063

Nothing.

258

00:31:49,322 --> 00:31:51,361

I remember when

I gave this to you.

259

00:31:52,283 --> 00:31:55,652

How long is it gonna take for us
to be honest with each other?

260

00:31:58,748 --> 00:32:01,702

- It was a dream.

- Bad?

261

00:32:02,501 --> 00:32:06,914

Like the ones I used to have about
my mother, just before she died.

262

00:32:07,048 --> 00:32:08,048

And?

263

00:32:11,802 --> 00:32:13,712

And it was about you.

264

00:32:16,390 --> 00:32:17,588

Tell me.

265

00:32:20,019 --> 00:32:21,893

It was only a dream.

266

00:32:34,867 --> 00:32:36,776

You die in childbirth.

267

00:32:37,662 --> 00:32:39,701

And the baby?

268

00:32:40,456 --> 00:32:42,116

I don't know.

269

00:32:44,293 --> 00:32:47,828

- It was only a dream.

- I won't let this one become real.

270

00:32:49,548 --> 00:32:51,588

This baby will change our lives.

271

00:32:52,551 --> 00:32:55,505

I doubt the queen will continue

to allow me to serve in the senate.

272

00:32:55,638 --> 00:32:58,099

If the council discovers

you're the father, you'll be expelled-

273

00:32:58,199 --> 00:33:00,050

I know. I know.

274

00:33:01,435 --> 00:33:04,436

Do you think Obi-Wan

might be able to help us?

275

00:33:06,482 --> 00:33:08,475

We don't need his help.

276

00:33:10,277 --> 00:33:12,815

Our baby is a blessing.

277

00:33:29,046 --> 00:33:30,505

Premonitions?

278

00:33:30,631 --> 00:33:32,090

Premonitions.

279

00:33:33,300 --> 00:33:35,423

These visions you have-

280

00:33:37,221 --> 00:33:40,139

They're of pain, suffering.

281

00:33:42,435 --> 00:33:43,635

Death.

282

00:33:44,103 --> 00:33:48,480

Yourself you speak of,
or someone you know?

283

00:33:50,443 --> 00:33:51,985

Someone.

284

00:33:52,111 --> 00:33:53,985

Close to you?

285

00:33:55,197 --> 00:33:56,197

Yes.

286

00:33:57,533 --> 00:34:01,365

Careful you must be when
sensing the future, Anakin.

287

00:34:01,495 --> 00:34:05,789

The fear of loss is a path
to the dark side.

288

00:34:08,044 --> 00:34:10,535

I won't let these visions
come true, Master Yoda.

289

00:34:11,422 --> 00:34:14,589

Death is a natural part of life.

290

00:34:14,717 --> 00:34:19,379

Rejoice for those around you
who transform into the Force.

291

00:34:19,513 --> 00:34:22,763

Mourn them, do not.

Miss them, do not.

292

00:34:22,892 --> 00:34:25,976

Attachment leads to jealousy.

293

00:34:26,103 --> 00:34:29,519

The shadow of greed that is.

294

00:34:29,649 --> 00:34:31,855

What must I do, Master Yoda?

295

00:34:32,568 --> 00:34:35,604

Train yourself to let go...

296

00:34:35,738 --> 00:34:39,154

of everything you fear to lose.

297

00:34:49,877 --> 00:34:52,415

You've missed the report
on the outer rim sieges.

298

00:34:53,756 --> 00:34:56,128

I'm sorry. I was held up.

299

00:34:56,258 --> 00:35:00,126

- I have no excuse.

- In short, they are going very well.

300

00:35:00,262 --> 00:35:05,423

Saleucami has fallen, and Master Vos
has moved his troops to Boz Pity.

301

00:35:05,559 --> 00:35:07,433

What's wrong, then?

302

00:35:08,938 --> 00:35:13,730

The senate is expected to vote more
executive powers to the chancellor today.

303

00:35:13,859 --> 00:35:18,189

That can only mean less deliberating
and more action. Is that bad?

304

00:35:18,322 --> 00:35:20,730

It'll make it easier
for us to end this war.

305

00:35:22,493 --> 00:35:24,782

Be careful of
your friend Palpatine.

306

00:35:26,455 --> 00:35:28,329

Be careful of what?

307

00:35:28,457 --> 00:35:31,079

- He has requested your presence.
- What for?

308

00:35:31,210 --> 00:35:33,368

He would not say.

309

00:35:33,504 --> 00:35:37,039

He didn't inform the council?
That's unusual, isn't it?

310

00:35:37,174 --> 00:35:39,381

All of this is unusual.

311

00:35:39,510 --> 00:35:41,835

And it's making me feel uneasy.

312

00:35:56,944 --> 00:35:58,818

I hope you trust me, Anakin.

313

00:35:59,864 --> 00:36:01,062

Of course.

314

00:36:02,241 --> 00:36:04,115

I need your help, son.

315

00:36:05,286 --> 00:36:07,278

What do you mean?

316

00:36:08,080 --> 00:36:09,954

I'm depending on you.

317

00:36:10,666 --> 00:36:12,575

For what? I don't understand.

318

00:36:12,710 --> 00:36:18,297

To be the eyes, ears
and voice of the Republic.

319

00:36:20,634 --> 00:36:24,763

I'm appointing you to be my personal
representative on the Jedi Council.

320

00:36:24,889 --> 00:36:25,889

Me?

321

00:36:26,932 --> 00:36:28,391

A master?

322

00:36:29,769 --> 00:36:31,642

I'm overwhelmed, sir.

323

00:36:33,564 --> 00:36:36,648

But the council elects its own members.
They'll never accept this.

324

00:36:36,776 --> 00:36:40,275

I think they will.

They need you.

325

00:36:41,197 --> 00:36:43,070

More than you know.

326

00:36:53,501 --> 00:36:58,246

Allow this appointment lightly

the council does not.

327

00:36:58,381 --> 00:37:01,796

Disturbing is this move

by Chancellor Palpatine.

328

00:37:03,010 --> 00:37:04,552

I understand.

329

00:37:04,679 --> 00:37:07,004

You are on this council...

330

00:37:07,139 --> 00:37:09,713

but we do not grant you

the rank of master.

331

00:37:10,810 --> 00:37:11,810

What?

332

00:37:17,441 --> 00:37:20,312

How can you do this?

This is outrageous.

333

00:37:20,444 --> 00:37:21,986

It's unfair.

334

00:37:23,990 --> 00:37:27,193

How can you be on the council
and not be a master?

335

00:37:27,994 --> 00:37:30,829

Take a seat, young Skywalker.

336

00:37:33,916 --> 00:37:35,541

Forgive me, Master.

337

00:37:39,755 --> 00:37:42,163

<i>We have surveyed</i>

<i>all systems in the Republic...</i>

338

00:37:42,299 --> 00:37:46,000

<i>but have found no sign</i>

<i>of General Grievous.</i>

339

00:37:46,137 --> 00:37:48,888

Hiding in the outer rim Grievous is.

340

00:37:49,015 --> 00:37:52,099

The outlying systems you must sweep.

341

00:37:52,226 --> 00:37:54,432

We do not have

many ships to spare.

342

00:37:54,562 --> 00:37:56,720

<i>What about the droid attack</i>

<i>on the Wookiees?</i>

343

00:37:57,815 --> 00:38:00,520

It is critical we send

an attack group there immediately.

344

00:38:00,651 --> 00:38:04,067

He's right. It's a system

we cannot afford to lose.

345

00:38:05,406 --> 00:38:07,406

Go I will.

346

00:38:07,616 --> 00:38:10,617

Good relations

with the Wookiees I have.

347

00:38:10,745 --> 00:38:12,322

It's settled then.

348

00:38:12,455 --> 00:38:17,449

Yoda will take a battalion of clones

to reinforce the Wookiees on Kashyyyk.

349

00:38:17,585 --> 00:38:19,624

May the Force be with us all.

350

00:38:21,881 --> 00:38:24,502

What kind of nonsense is this?

351

00:38:24,633 --> 00:38:27,006

Put me on the council
and not make me a master?

352

00:38:27,136 --> 00:38:29,888

It's never been done in the history
of the Jedi. It's insulting.

353

00:38:30,014 --> 00:38:32,849

Calm down, Anakin.
You have been given a great honour.

354

00:38:32,975 --> 00:38:35,929

To be on the council at your age-
it's never happened before.

355

00:38:37,104 --> 00:38:40,473

The fact of the matter is
you are too close to the chancellor.

356

00:38:40,608 --> 00:38:44,356

The council doesn't like it
when he interferes in Jedi affairs.

357

00:38:44,487 --> 00:38:47,856

I swear to you,
I didn't ask to be put on the council.

358

00:38:47,990 --> 00:38:50,197

But it's what you wanted.

359

00:38:50,326 --> 00:38:53,611

Your friendship with Chancellor
Palpatine seems to have paid off.

360

00:38:53,746 --> 00:38:55,620

That has nothing to do with this.

361

00:38:55,748 --> 00:38:58,665

The only reason the council
has approved your appointment...

362

00:38:58,793 --> 00:39:01,118

is because

the chancellor trusts you.

363

00:39:01,879 --> 00:39:02,879

And?

364

00:39:03,839 --> 00:39:07,006

Anakin, I am on your side. I didn't
want to put you in this situation.

365

00:39:07,134 --> 00:39:08,297

What situation?

366

00:39:12,390 --> 00:39:16,719

The council wants you to report on
all the chancellor's dealings.

367

00:39:16,852 --> 00:39:19,178

They want to know what he's up to.

368

00:39:23,734 --> 00:39:25,727

They want me to spy

on the chancellor?

369

00:39:26,654 --> 00:39:29,323

- But that's treason.

- We are at war, Anakin.

370

00:39:31,367 --> 00:39:34,284

Why didn't the council give me
this assignment when we were in session?

371

00:39:34,412 --> 00:39:36,819

This assignment
is not to be on record.

372

00:39:37,957 --> 00:39:40,874

The chancellor
is not a bad man, Obi-Wan.

373

00:39:41,002 --> 00:39:44,002

He befriended me. He's watched out
for me ever since I arrived here.

374

00:39:44,130 --> 00:39:46,206

That is why you must help us.

375

00:39:46,340 --> 00:39:49,792

Anakin, our allegiance

is to the senate, not to its leader...

376

00:39:49,927 --> 00:39:53,592

who has managed to stay in office

long after his term has expired.

377

00:39:53,723 --> 00:39:55,680

The senate demanded

that he stay longer.

378

00:39:55,808 --> 00:39:58,975

Yes, but use your feelings, Anakin.

Something is out of place.

379

00:40:00,354 --> 00:40:03,272

You're asking me to do something

against the Jedi code.

380

00:40:04,233 --> 00:40:07,269

Against the Republic.

Against a mentor and a friend.

381

00:40:07,403 --> 00:40:11,353

That's what's out of place here.

Why are you asking this of me?

382

00:40:13,701 --> 00:40:15,575

The council is asking you.

383

00:40:22,543 --> 00:40:26,493

Anakin did not take to his
new assignment with much enthusiasm.

384

00:40:27,423 --> 00:40:30,590

It's very dangerous,
putting them together.

385

00:40:30,718 --> 00:40:33,007

I don't think the boy can handle it.

386

00:40:33,137 --> 00:40:35,046

I don't trust him.

387

00:40:35,765 --> 00:40:38,968

With all due respect, Master,
is he not the chosen one?

388

00:40:39,727 --> 00:40:43,392

Is he not to destroy the Sith
and bring balance to the Force?

389

00:40:44,190 --> 00:40:46,348

So the prophecy says.

390

00:40:46,484 --> 00:40:51,359

A prophecy that misread
could have been.

391

00:40:53,199 --> 00:40:55,072

He will not let me down.

392

00:40:55,201 --> 00:40:57,110

He never has.

393

00:40:57,244 --> 00:41:00,245

I hope right you are.

394

00:41:25,314 --> 00:41:28,149

Sometimes I wonder what's
happening to the Jedi order.

395

00:41:29,068 --> 00:41:32,104

I think this war is destroying
the principles of the Republic.

396

00:41:33,990 --> 00:41:37,156

Have you ever considered
that we may be on the wrong side?

397

00:41:37,284 --> 00:41:39,158

What do you mean?

398

00:41:40,871 --> 00:41:44,454

What if the democracy we thought
we were serving no longer exists...

399

00:41:44,583 --> 00:41:48,166

and the Republic has become the very
evil we've been fighting to destroy?

400

00:41:49,005 --> 00:41:52,504

I don't believe that.

And you're sounding like a separatist.

401

00:41:54,510 --> 00:41:57,428

This war represents a failure to listen.

402

00:41:57,555 --> 00:41:59,547

Now you're closer

to the chancellor than anyone.

403

00:41:59,682 --> 00:42:02,932

Please, ask him to stop the fighting
and let diplomacy resume.

404

00:42:03,060 --> 00:42:05,598

Don't ask me to do that.

405

00:42:07,189 --> 00:42:10,808

Make a motion in the senate,

where that kind of a request belongs.

406

00:42:11,694 --> 00:42:13,733

- What is it?

- Nothing.

407

00:42:15,072 --> 00:42:18,904

Don't do this. Don't shut me out.

Let me help you.

408

00:42:21,704 --> 00:42:23,163

Hold me.

409

00:42:23,289 --> 00:42:25,531

Like you did by the lake on Naboo.

410

00:42:26,709 --> 00:42:29,378

So long ago, when there was
nothing but our love.

411

00:42:30,588 --> 00:42:34,004

No politics, no plotting, no war.

412

00:43:13,255 --> 00:43:15,925

- You wanted to see me, Chancellor.

- Yes, Anakin.

413

00:43:16,050 --> 00:43:18,007

Come closer. I have good news.

414

00:43:19,720 --> 00:43:21,594

Our clone intelligence units...

415

00:43:21,722 --> 00:43:24,759

have discovered

the location of General Grievous.

416

00:43:24,892 --> 00:43:27,465

He's hiding in the Utapau system.

417

00:43:27,603 --> 00:43:28,766

At last.

418

00:43:30,189 --> 00:43:33,356

We'll be able to capture

that monster and end this war.

419

00:43:33,484 --> 00:43:36,818

I would worry about
the collective wisdom of the council...

420

00:43:36,946 --> 00:43:39,318

if it didn't select you
for this assignment.

421

00:43:39,448 --> 00:43:42,782

You're the best choice, by far.

422

00:43:45,830 --> 00:43:47,288

Sit down.

423

00:43:47,415 --> 00:43:48,613

Leave us.

424

00:44:03,180 --> 00:44:07,641

You know I'm not able
to rely on the Jedi Council.

425

00:44:09,437 --> 00:44:12,770

If they haven't included you
in their plot, they soon will.

426

00:44:13,733 --> 00:44:15,809

I'm not sure I understand.

427

00:44:15,943 --> 00:44:19,608

You must sense
what I have come to suspect.

428

00:44:19,739 --> 00:44:23,108

The Jedi Council want
control of the Republic.

429

00:44:24,493 --> 00:44:26,403

They're planning to betray me.

430

00:44:27,121 --> 00:44:29,493

- I don't think that-

- Anakin.

431

00:44:30,708 --> 00:44:32,617

Search your feelings.

432

00:44:34,837 --> 00:44:37,375

You know, don't you?

433

00:44:41,802 --> 00:44:43,676

I know they don't trust you.

434

00:44:43,804 --> 00:44:47,090

Or the senate.

Or the Republic.

435

00:44:47,224 --> 00:44:49,798

Or democracy, for that matter.

436

00:44:50,603 --> 00:44:54,932

I have to admit,

my trust in them has been shaken.

437

00:44:55,066 --> 00:44:56,066

Why?

438

00:44:58,736 --> 00:45:02,983

They asked you to do something that
made you feel dishonest, didn't they?

439

00:45:06,035 --> 00:45:08,870

They asked you to spy on me,
didn't they?

440

00:45:16,045 --> 00:45:17,919

I don't know what to say.

441

00:45:18,047 --> 00:45:21,498

Remember back
to your early teachings.

442

00:45:22,218 --> 00:45:26,002

All who gain power
are afraid to lose it.

443

00:45:26,138 --> 00:45:30,765

- Even the Jedi.
- The Jedi use their power for good.

444

00:45:30,893 --> 00:45:33,016

Good is a point of view, Anakin.

445

00:45:33,145 --> 00:45:38,306

The Sith and the Jedi
are similar in almost every way...

446

00:45:40,361 --> 00:45:43,113

including their quest
for greater power.

447

00:45:44,657 --> 00:45:47,658

The Sith rely on their passion
for their strength.

448

00:45:47,785 --> 00:45:50,537

They think inwards-
only about themselves.

449

00:45:51,747 --> 00:45:53,989

And the Jedi don't?

450

00:45:54,875 --> 00:45:58,659

The Jedi are selfless.

They only care about others.

451

00:46:08,848 --> 00:46:13,806

Did you ever hear the tragedy
of Darth Plagueis the Wise?

452

00:46:18,941 --> 00:46:22,986

I thought not. It's not a story
the Jedi would tell you.

453

00:46:24,447 --> 00:46:26,404

It's a Sith legend.

454

00:46:27,366 --> 00:46:31,531

Darth Plagueis was
a dark lord of the Sith...

455

00:46:31,662 --> 00:46:34,533

so powerful and so wise...

456

00:46:34,665 --> 00:46:39,493

he could use the Force to
influence the midi-chlorians...

457

00:46:39,628 --> 00:46:42,795
to create... life.

458

00:46:44,467 --> 00:46:47,503
He had such a knowledge
of the dark side...

459

00:46:47,636 --> 00:46:52,097
he could even keep
the ones he cared about...

460

00:46:53,225 --> 00:46:54,684
from dying.

461

00:46:58,981 --> 00:47:02,765
He could actually...
save people from death?

462

00:47:03,653 --> 00:47:08,149
The dark side of the Force is

a pathway to many abilities...

463

00:47:08,282 --> 00:47:12,494

some consider to be unnatural.

464

00:47:13,579 --> 00:47:15,453

What happened to him?

465

00:47:16,499 --> 00:47:18,622

He became so powerful...

466

00:47:19,919 --> 00:47:21,995

the only thing he was afraid of was...

467

00:47:23,214 --> 00:47:25,087

losing his power.

468

00:47:25,216 --> 00:47:27,339

Which eventually, of course, he did.

469

00:47:28,552 --> 00:47:33,713

Unfortunately, he taught

his apprentice everything he knew.

470

00:47:34,517 --> 00:47:37,138

Then his apprentice
killed him in his sleep.

471

00:47:40,356 --> 00:47:42,099

It's ironic.

472

00:47:42,233 --> 00:47:44,356

He could save others from death...

473

00:47:45,486 --> 00:47:47,562

but not himself.

474

00:47:51,742 --> 00:47:54,280

Is it possible to learn this power?

475

00:47:58,124 --> 00:48:00,247

Not from a Jedi.

476

00:48:17,143 --> 00:48:19,016

<i>All Red units, over here!</i>

477

00:48:30,823 --> 00:48:33,195

<i>Palpatine thinks General Grievous</i>

<i>is on Utapau?</i>

478

00:48:34,035 --> 00:48:35,908

<i>A partial message was intercepted...</i>

479

00:48:36,037 --> 00:48:38,492

<i>in a diplomatic packet</i>

<i>from the chairman of Utapau.</i>

480

00:48:41,083 --> 00:48:43,159

<i>Act on this we must.</i>

481

00:48:44,420 --> 00:48:48,003

<i>The capture of General Grievous</i>

<i>will end this war.</i>

482

00:48:49,133 --> 00:48:51,920

<i>Quickly and decisively</i>

<i>we should proceed.</i>

483

00:48:52,845 --> 00:48:57,057

The chancellor has requested...
that I lead the campaign.

484

00:48:57,850 --> 00:49:00,471

The council will make up
its own mind who is to go...

485

00:49:00,603 --> 00:49:02,560

not the chancellor.

486

00:49:02,688 --> 00:49:07,599

<i>A master is needed,</i>
<i>with more experience.</i>

487

00:49:07,735 --> 00:49:11,104

<i>I concur.</i>
<i>Master Kenobi should go.</i>

488

00:49:12,323 --> 00:49:13,734

<i>I agree.</i>

489

00:49:13,866 --> 00:49:14,881

<i>Aye.</i>

490

00:49:15,037 --> 00:49:16,101

Aye.

491

00:49:16,786 --> 00:49:18,695

<i>Very well. Council adjourned.</i>

492

00:49:26,629 --> 00:49:29,298

The droids have started up
their main power generators.

493

00:49:30,132 --> 00:49:34,878

- Then now the time is, Commander.

- Yes, sir.

494

00:49:47,566 --> 00:49:48,966

Charge!

495

00:50:04,166 --> 00:50:06,076

<i>Head for cover!</i>

496

00:50:21,517 --> 00:50:24,388

- You're gonna need me on this one.

- I agree.

497

00:50:24,520 --> 00:50:27,355

However, it may turn out
just to be a wild bantha chase.

498

00:50:27,481 --> 00:50:28,596

Master.

499

00:50:30,526 --> 00:50:35,865

I've disappointed you. I haven't been
very appreciative of your training.

500

00:50:35,990 --> 00:50:39,738

I've been arrogant,
and I apologize.

501

00:50:40,494 --> 00:50:42,820

I've just been so frustrated
with the council.

502

00:50:46,167 --> 00:50:49,867

You are strong and wise, Anakin,
and I am very proud of you.

503

00:50:50,004 --> 00:50:52,577

I have trained you since
you were a small boy.

504

00:50:52,715 --> 00:50:54,791

I have taught you
everything I know.

505

00:50:54,925 --> 00:50:58,674

And you have become a far greater
Jedi than I could ever hope to be.

506

00:50:59,555 --> 00:51:01,464

But be patient, Anakin.

507

00:51:02,350 --> 00:51:05,516

It will not be long before
the council makes you a Jedi master.

508

00:51:12,902 --> 00:51:16,152

Obi-Wan.

May the Force be with you.

509

00:51:16,280 --> 00:51:19,151

Goodbye, old friend.

May the Force be with you.

510

00:51:41,764 --> 00:51:46,307

Fortunately, most of the cities are
concentrated on this small continent here.

511

00:51:46,435 --> 00:51:48,060

On the far side.

512

00:51:48,187 --> 00:51:50,476

I'll keep them distracted
until you get there.

513

00:51:50,606 --> 00:51:54,022

- Just don't take too long.
- Come on. When have I ever let you down?

514

00:51:55,444 --> 00:52:00,569

Very well. The burden is on me not to
destroy all the droids until you arrive.

515

00:52:26,017 --> 00:52:27,760

Save your energy.

516

00:52:28,477 --> 00:52:30,077

I can't.

517

00:52:30,354 --> 00:52:32,098

Don't give up, Padmé.

518

00:52:45,578 --> 00:52:47,452

Obi-Wan's been here, hasn't he?

519

00:52:48,164 --> 00:52:50,203

He came by this morning.

520

00:52:51,625 --> 00:52:53,499

What did he want?

521

00:52:53,627 --> 00:52:55,537

He's worried about you.

522

00:52:58,049 --> 00:53:00,290

He says you've been
under a lot of stress.

523

00:53:03,179 --> 00:53:04,839

I feel lost.

524

00:53:06,015 --> 00:53:09,135

Lost? What do you mean?

525

00:53:11,062 --> 00:53:13,434

Obi-Wan and the council
don't trust me.

526

00:53:14,523 --> 00:53:16,931

They trust you with their lives.

527

00:53:18,694 --> 00:53:20,153

Something's happening.

528

00:53:21,322 --> 00:53:23,480

I'm not the Jedi I should be.

529

00:53:25,868 --> 00:53:27,777

I want more.

530

00:53:29,038 --> 00:53:30,912

And I know I shouldn't.

531

00:53:33,042 --> 00:53:34,999

You expect too much of yourself.

532

00:53:39,006 --> 00:53:42,173

- I found a way to save you.

- Save me?

533

00:53:42,301 --> 00:53:44,210

From my nightmares.

534

00:53:44,345 --> 00:53:46,254

Is that what's bothering you?

535

00:53:47,306 --> 00:53:49,215

I won't lose you, Padmé.

536

00:53:50,059 --> 00:53:52,135

I'm not gonna die in childbirth, Ani.

537

00:53:52,269 --> 00:53:54,677

- I promise you.

- No, I promise you.

538

00:54:38,649 --> 00:54:41,021

Greetings, young Jedi.

539

00:54:41,152 --> 00:54:44,568

What brings you to
our remote sanctuary?

540

00:54:44,697 --> 00:54:46,606

Unfortunately, the war.

541

00:54:47,408 --> 00:54:51,275

There's no war here-
unless you brought it with you.

542

00:54:51,412 --> 00:54:54,579

With your kind permission,
I should like some fuel...

543

00:54:54,707 --> 00:54:59,618

and to use your city as a base as I search
nearby systems for General Grievous.

544

00:55:08,637 --> 00:55:11,888

He is here.
We are being held hostage.

545

00:55:12,016 --> 00:55:14,886

- They are watching us.
- I understand.

546

00:55:15,019 --> 00:55:19,811

Tenth level,
thousands of battle droids.

547

00:55:19,940 --> 00:55:22,348

Tell your people to take shelter.

548

00:55:22,485 --> 00:55:25,439

If you have warriors, now is the time.

549

00:55:36,374 --> 00:55:40,585

Take the fighter back to the ship.

Tell Cody I've made contact.

550

00:55:42,546 --> 00:55:46,627

- Is he bringing additional warriors?

- He didn't say.

551

00:56:28,968 --> 00:56:34,175

It won't be long before the armies

of the Republic track us here.

552

00:56:36,809 --> 00:56:42,016

I am sending you to the Mustafar system

in the outer rim.

553

00:56:49,530 --> 00:56:51,819

It is a volcanic planet.

554

00:56:51,949 --> 00:56:55,235

- You will be safe there.

- Safe?

555

00:56:56,078 --> 00:56:59,328

Chancellor Palpatine managed
to escape your grip, General.

556

00:56:59,457 --> 00:57:03,869

Without Count Dooku, I have doubts
about your ability to keep us safe.

557

00:57:04,795 --> 00:57:09,920

Be thankful, Viceroy, you have not
found yourself in my grip.

558

00:57:13,429 --> 00:57:16,050

Your ship is waiting.

559

00:57:33,949 --> 00:57:35,194

Hello there.

560

00:57:37,870 --> 00:57:39,578

General Kenobi.

561

00:57:42,541 --> 00:57:45,079

You are a bold one.

562

00:57:47,129 --> 00:57:48,588

Kill him.

563

00:58:04,438 --> 00:58:05,849

Back away.

564

00:58:05,982 --> 00:58:10,560

I will deal with
this Jedi slime myself.

565

00:58:10,695 --> 00:58:12,153

Your move.

566

00:58:12,989 --> 00:58:14,696

You fool.

567

00:58:14,824 --> 00:58:20,613

I've been trained in your
Jedi arts by Count Dooku.

568

00:58:27,169 --> 00:58:29,625

Attack, Kenobi.

569

00:59:45,998 --> 00:59:48,287

Army or not...

570

00:59:48,417 --> 00:59:53,494

you must realize
you are doomed.

571

00:59:53,631 --> 00:59:55,588

I don't think so.

572

01:00:54,025 --> 01:00:55,768

<i>Cover that corner.</i>

573

01:01:01,824 --> 01:01:03,864

<i>Master Windu, may I interrupt?</i>

574

01:01:03,993 --> 01:01:06,745

<i>General Kenobi has made contact</i>

<i>with General Grievous...</i>

575

01:01:06,871 --> 01:01:09,113

<i>and we have begun our attack.</i>

576

01:01:09,248 --> 01:01:10,956

Thank you, Commander.

577

01:01:11,083 --> 01:01:15,163

Anakin, deliver this report
to the chancellor.

578

01:01:15,296 --> 01:01:17,538

His reaction will give us
a clue to his intentions.

579

01:01:17,673 --> 01:01:19,132

Yes, Master.

580

01:01:26,599 --> 01:01:29,054

I sense a plot to destroy the Jedi.

581

01:01:29,977 --> 01:01:32,433

The dark side of the Force
surrounds the chancellor.

582

01:01:33,147 --> 01:01:35,353

<i>If he does not give up</i>
<i>his emergency powers...</i>

583

01:01:35,483 --> 01:01:37,356

<i>after the destruction of Grievous...</i>

584

01:01:37,485 --> 01:01:39,691

<i>then he should be</i>
<i>removed from office.</i>

585

01:01:41,197 --> 01:01:43,688

The Jedi Council would have to
take control of the senate...

586

01:01:43,824 --> 01:01:45,698

in order to secure

a peaceful transition.

587

01:01:45,826 --> 01:01:50,287

<i>To a dark place this line</i>

<i>of thought will carry us.</i>

588

01:01:52,541 --> 01:01:55,246

<i>Great care we must take.</i>

589

01:02:02,093 --> 01:02:03,551

Chancellor.

590

01:02:04,345 --> 01:02:06,836

We've just received a report

from Master Kenobi.

591

01:02:06,972 --> 01:02:09,594

He has engaged General Grievous.

592

01:02:09,725 --> 01:02:13,059

We can only hope that Master Kenobi
is up to the challenge.

593

01:02:14,683 --> 01:02:16,640

I should be there with him.

594

01:02:16,769 --> 01:02:19,094

It's upsetting to me
to see that the council...

595

01:02:19,230 --> 01:02:21,269

doesn't seem to fully appreciate
your talents.

596

01:02:22,608 --> 01:02:26,688

Don't you wonder why
they won't make you a Jedi master?

597

01:02:28,405 --> 01:02:30,363

I wish I knew.

598

01:02:31,700 --> 01:02:34,191

More and more I get

the feeling that...

599

01:02:34,328 --> 01:02:36,534

I'm being excluded

from the council.

600

01:02:43,546 --> 01:02:47,460

I know there are things about the Force

that they're not telling me.

601

01:02:49,718 --> 01:02:52,126

They don't trust you, Anakin.

602

01:02:52,888 --> 01:02:54,881

They see your future.

603

01:02:55,015 --> 01:02:58,883

They know your power

will be too strong to control.

604

01:03:00,062 --> 01:03:05,104

You must break through the fog of lies

the Jedi have created around you.

605

01:03:07,152 --> 01:03:11,281

Let me help you to know
the subtleties of the Force.

606

01:03:12,032 --> 01:03:14,155

How do you know
the ways of the Force?

607

01:03:15,202 --> 01:03:18,239

My mentor taught me
everything about the Force.

608

01:03:19,039 --> 01:03:21,993

Even the nature of the dark side.

609

01:03:24,003 --> 01:03:26,328

You know the dark side?

610

01:03:28,966 --> 01:03:32,252

If one is to understand
the great mystery...

611

01:03:32,386 --> 01:03:34,758

one must study all its aspects...

612

01:03:34,889 --> 01:03:38,008

not just the dogmatic

narrow view of the Jedi.

613

01:03:38,767 --> 01:03:41,887

If you wish to become

a complete and wise leader...

614

01:03:42,021 --> 01:03:45,686

you must embrace

a larger view of the Force.

615

01:03:46,442 --> 01:03:48,434

Be careful of the Jedi, Anakin.

616

01:03:49,486 --> 01:03:54,647

Only through me can you achieve

a power greater than any Jedi.

617

01:03:55,409 --> 01:03:58,030

Learn to know

the dark side of the Force...

618

01:03:58,162 --> 01:04:01,780

and you will be able to

save your wife...

619

01:04:01,916 --> 01:04:03,955

from certain death.

620

01:04:05,085 --> 01:04:06,959

What did you say?

621

01:04:07,087 --> 01:04:10,706

Use my knowledge. I beg you.

622

01:04:12,426 --> 01:04:14,584

You're the Sith lord.

623

01:04:14,720 --> 01:04:18,552

I know what's been troubling you.

Listen to me.

624

01:04:19,558 --> 01:04:23,223

Don't continue to be a pawn
of the Jedi Council.

625

01:04:25,397 --> 01:04:28,813

Ever since I've known you,
you've been searching for a life...

626

01:04:28,943 --> 01:04:31,481

greater than that
of an ordinary Jedi.

627

01:04:31,612 --> 01:04:33,984

A life of significance...

628

01:04:34,114 --> 01:04:35,573

of conscience.

629

01:04:40,621 --> 01:04:44,868

- Are you going to kill me?

- I would certainly like to.

630

01:04:45,960 --> 01:04:48,332

I know you would.

631

01:04:48,462 --> 01:04:52,246

I can feel your anger.

632

01:04:52,383 --> 01:04:55,052

It gives you focus...

633

01:04:55,177 --> 01:04:57,502

makes you stronger.

634

01:05:03,811 --> 01:05:06,136

I'm going to turn you over
to the Jedi Council.

635

01:05:06,272 --> 01:05:07,896

Of course. You should.

636

01:05:08,023 --> 01:05:11,024

But you're not sure
of their intentions, are you?

637

01:05:11,151 --> 01:05:13,643

I will quickly discover
the truth of all this.

638

01:05:14,822 --> 01:05:17,194

You have great wisdom, Anakin.

639

01:05:17,324 --> 01:05:20,943

Know the power of the dark side.

640

01:05:21,078 --> 01:05:23,830

Power to save Padmé.

641

01:07:32,376 --> 01:07:33,539

So uncivilized.

642

01:07:41,051 --> 01:07:43,044

Master Windu,
I must talk to you.

643

01:07:43,178 --> 01:07:46,962

Skywalker, we just received word that
Obi-Wan has destroyed General Grievous.

644

01:07:47,099 --> 01:07:48,973

We're on our way to make sure...

645

01:07:49,101 --> 01:07:51,399

the chancellor returns
emergency power back to the senate.

646

01:07:51,499 --> 01:07:55,097

He won't give up his power.
I've just learned a terrible truth.

647

01:07:55,232 --> 01:07:57,355

I think Chancellor Palpatine
is a Sith lord.

648

01:07:58,819 --> 01:08:00,361

A Sith lord?

649

01:08:00,487 --> 01:08:03,323

Yes. The one we've been looking for.

650

01:08:03,449 --> 01:08:06,450

- How do you know this?

- He knows the ways of the Force.

651

01:08:07,494 --> 01:08:09,617

He's been trained

to use the dark side.

652

01:08:09,747 --> 01:08:12,534

- Are you sure?

- Absolutely.

653

01:08:14,001 --> 01:08:16,207

Then our worst fears

have been realized.

654

01:08:16,337 --> 01:08:19,788

We must move quickly

if the Jedi order is to survive.

655

01:08:19,924 --> 01:08:22,331

Master, the chancellor

is very powerful.

656

01:08:22,468 --> 01:08:24,710

You'll need my help

if you're going to arrest him.

657

01:08:24,845 --> 01:08:27,763

For you own good,

stay out of this affair.

658

01:08:27,890 --> 01:08:30,642

I sense a great deal of confusion

in you, young Skywalker.

659

01:08:30,768 --> 01:08:32,891

There is much fear

that clouds your judgement.

660

01:08:33,020 --> 01:08:34,977

- I must go, Master.

- No.

661

01:08:37,191 --> 01:08:41,141

If what you've told me is true,
you will have gained my trust.

662

01:08:41,278 --> 01:08:43,816

But for now, remain here.

663

01:08:45,032 --> 01:08:47,819

Wait in the council chambers
until we return.

664

01:08:50,120 --> 01:08:51,365

Yes, Master.

665

01:09:21,485 --> 01:09:23,727

<i>You do know, don't you...</i>

666

01:09:23,863 --> 01:09:26,188

<i>if the Jedi destroy</i> me...

667

01:09:26,323 --> 01:09:30,273

<i>any chance of saving her</i>

<i>will be lost.</i>

668

01:10:59,208 --> 01:11:03,621

Master Windu. I take it General Grievous
has been destroyed then.

669

01:11:04,588 --> 01:11:06,996

I must say you're here
sooner than expected.

670

01:11:07,132 --> 01:11:10,715

In the name of
the Galactic Senate of the Republic...

671

01:11:10,844 --> 01:11:12,754

you're under arrest, Chancellor.

672

01:11:12,888 --> 01:11:15,462

Are you threatening me,
Master Jedi?

673

01:11:15,599 --> 01:11:17,508

The senate will decide your fate.

674

01:11:17,643 --> 01:11:21,475

- I am the senate.

- Not yet.

675

01:11:26,819 --> 01:11:29,144

It's treason then.

676

01:13:08,128 --> 01:13:11,663

You are under arrest, my lord.

677

01:13:12,800 --> 01:13:17,094

Anakin, I told you it would
come to this. I was right.

678

01:13:17,221 --> 01:13:19,344

The Jedi are taking over.

679

01:13:19,473 --> 01:13:21,929

The oppression of the Sith
will never return.

680

01:13:22,059 --> 01:13:24,265

You have lost.

681

01:13:28,148 --> 01:13:30,058

You will die!

682

01:13:32,820 --> 01:13:34,694

He's a traitor!

683

01:13:34,822 --> 01:13:36,980

He is the traitor!

684

01:13:40,160 --> 01:13:44,324

I have the power

to save the one you love.

685

01:13:45,332 --> 01:13:47,242

You must choose.

686

01:13:48,335 --> 01:13:50,909

Don't listen to him, Anakin!

687

01:13:52,006 --> 01:13:54,627

Don't let him kill me.

688

01:13:57,761 --> 01:14:00,466

I can't hold it any longer.

689

01:14:01,807 --> 01:14:03,883

I can't. I'm weak.

690

01:14:04,018 --> 01:14:05,975

I'm too weak.

691

01:14:07,646 --> 01:14:10,102

Help me. Help me!

692

01:14:14,612 --> 01:14:16,770

I can't hold on any longer.

693

01:14:16,906 --> 01:14:20,488

I am going to end this
once and for all.

694

01:14:20,618 --> 01:14:22,076

You can't.

695

01:14:22,203 --> 01:14:24,160

He must stand trial.

696

01:14:25,206 --> 01:14:27,613

He has control of
the senate and the courts.

697

01:14:27,750 --> 01:14:29,956

He's too dangerous
to be left alive.

698

01:14:30,085 --> 01:14:32,327

I'm too weak.

699

01:14:32,463 --> 01:14:36,046

- Don't kill me. Please.

- It's not the Jedi way.

700

01:14:36,175 --> 01:14:37,669

He must live.

701

01:14:40,804 --> 01:14:43,342

- Please don't.

- I need him.

702

01:14:44,391 --> 01:14:45,471

Please don't!

703

01:14:52,900 --> 01:14:54,100

Power!

704

01:15:01,075 --> 01:15:04,275

Unlimited power!

705

01:15:16,882 --> 01:15:18,922

What have I done?

706

01:15:27,226 --> 01:15:31,140

You're fulfilling your destiny, Anakin.

707

01:15:32,356 --> 01:15:35,061

Become my apprentice.

708

01:15:35,192 --> 01:15:40,613

Learn to use
the dark side of the Force.

709

01:15:43,284 --> 01:15:46,238

I will do whatever you ask.

710

01:15:48,455 --> 01:15:49,455

Good.

711

01:15:52,585 --> 01:15:55,158

Just help me save Padmé's life.

712

01:15:57,131 --> 01:15:59,503

I can't live without her.

713

01:16:02,678 --> 01:16:08,052

To cheat death is a power
only one has achieved...

714

01:16:08,184 --> 01:16:11,137

but if we work together...

715

01:16:11,270 --> 01:16:15,268

I know we can discover the secret.

716

01:16:16,734 --> 01:16:18,726

I pledge myself...

717

01:16:20,446 --> 01:16:22,320

to your teachings.

718

01:16:23,574 --> 01:16:24,574

Good.

719

01:16:26,493 --> 01:16:27,493

Good.

720

01:16:36,545 --> 01:16:40,958

The Force is strong with you.

721

01:16:41,091 --> 01:16:46,631

A powerful Sith you will become.

722

01:16:46,764 --> 01:16:51,011

Henceforth you shall be known as...

723

01:16:51,143 --> 01:16:54,143

Darth... Vader.

724

01:16:59,985 --> 01:17:02,986

Thank you, my master.

725

01:17:05,199 --> 01:17:06,199

Rise.

726

01:17:21,131 --> 01:17:25,260

Because the council did not trust you,
my young apprentice...

727

01:17:26,845 --> 01:17:31,591

I believe you are the only Jedi
with no knowledge of this plot.

728

01:17:32,935 --> 01:17:35,640

When the Jedi learn
what has transpired here...

729

01:17:35,771 --> 01:17:39,685

they will kill us,

along with all the senators.

730

01:17:40,568 --> 01:17:41,943

I agree.

731

01:17:42,653 --> 01:17:46,520

The council's next move

will be against the senate.

732

01:17:46,657 --> 01:17:49,326

Every single Jedi...

733

01:17:49,451 --> 01:17:52,702

including your friend

Obi-Wan Kenobi...

734

01:17:52,830 --> 01:17:56,365

is now an enemy of the Republic.

735

01:17:57,418 --> 01:17:59,375

I understand, Master.

736

01:18:00,170 --> 01:18:02,080

We must move quickly.

737

01:18:02,214 --> 01:18:04,123

The Jedi are relentless.

738

01:18:04,258 --> 01:18:10,047

If they are not all destroyed,
it will be civil war without end.

739

01:18:11,765 --> 01:18:15,549

First I want you to
go to the Jedi temple.

740

01:18:16,645 --> 01:18:19,682

We will catch them off-balance.

741

01:18:19,899 --> 01:18:23,766

Do what must be done, Lord Vader.

742

01:18:23,903 --> 01:18:27,272

Do not hesitate.

Show no mercy.

743

01:18:27,990 --> 01:18:32,735

Only then will you be strong enough
with the dark side...

744

01:18:32,870 --> 01:18:34,862

to save Padmé.

745

01:18:35,998 --> 01:18:39,830

What about the other Jedi
spread across the galaxy?

746

01:18:39,960 --> 01:18:43,045

Their betrayal will be dealt with.

747

01:18:44,965 --> 01:18:48,215

After you have killed
all the Jedi in the temple...

748

01:18:48,344 --> 01:18:51,013

go to the Mustafar system.

749

01:18:51,138 --> 01:18:54,388

Wipe out Viceroy Gunray...

750

01:18:54,517 --> 01:18:57,932

and the other
separatist leaders.

751

01:18:58,062 --> 01:19:03,934

Once more the Sith
will rule the galaxy!

752

01:19:05,194 --> 01:19:06,394

And...

753

01:19:07,029 --> 01:19:11,629

we shall have... peace.

754

01:19:55,327 --> 01:19:57,201

Sergeant, over here!

755

01:19:58,247 --> 01:20:00,156

Hurry! All of them!

756

01:20:02,960 --> 01:20:04,834

<i>All Red units, let's move it!</i>

757

01:20:04,962 --> 01:20:06,836

<i>Come on. Let's go!</i>

758

01:20:20,728 --> 01:20:22,720

Commander, contact your troops.

759

01:20:22,855 --> 01:20:24,764

Tell them to move to the higher levels.

760

01:20:24,899 --> 01:20:26,772

Very good, sir.

761

01:20:26,901 --> 01:20:29,024

By the way,

I think you'll be needing this.

762

01:20:29,862 --> 01:20:33,397

Thank you, Cody. Let's get a move on.

We've got a battle to win.

763

01:20:33,532 --> 01:20:34,695

Yes, sir.

764

01:20:41,498 --> 01:20:42,957

<i>Commander Cody...</i>

765

01:20:43,667 --> 01:20:46,953

the time has come.

766

01:20:47,087 --> 01:20:50,487

Execute order 66.

767

01:20:52,092 --> 01:20:54,002

Yes, my lord.

768

01:20:57,890 --> 01:20:59,218

Blast him!

769

01:21:26,210 --> 01:21:27,585

Come on!

770

01:22:18,012 --> 01:22:21,297

<i>Execute order 66.</i>

771

01:22:22,308 --> 01:22:23,932

It will be done, my lord.

772

01:23:06,769 --> 01:23:08,726

It will be done, my lord.

773

01:23:45,599 --> 01:23:47,971

Master Skywalker,
there are too many of them.

774

01:23:48,102 --> 01:23:50,059

What are we going to do?

775

01:24:00,573 --> 01:24:04,701

The chancellor's office indicated Master
Anakin returned to the Jedi temple.

776

01:24:04,827 --> 01:24:07,911

Don't worry.

I'm sure he'll be all right.

777

01:24:37,151 --> 01:24:40,187

- What's going on here?

- There's been a rebellion, sir.

778

01:24:40,321 --> 01:24:42,894

Don't worry.

The situation is under control.

779

01:24:43,699 --> 01:24:46,237

I'm sorry, sir.

It's time for you to leave.

780

01:24:47,995 --> 01:24:49,952

And so it is.

781

01:24:54,084 --> 01:24:55,543

Get him!

782

01:25:13,103 --> 01:25:14,977

Don't worry about him.

Let him go.

783

01:25:41,882 --> 01:25:44,800

All these Wookiees are dead.

Move to the east.

784

01:25:44,927 --> 01:25:46,386

Yes, sir.

785

01:25:54,520 --> 01:25:56,394

Goodbye, Tarfful.

786

01:25:56,522 --> 01:25:58,479

Goodbye, Chewbacca.

787

01:26:01,068 --> 01:26:03,191

Miss you I will.

788

01:26:40,232 --> 01:26:42,557

Hopefully we'll be able to

intercept a few Jedi...

789

01:26:42,693 --> 01:26:44,982

before they walk into
this catastrophe.

790

01:26:50,743 --> 01:26:52,652

Did you find Kenobi?

791

01:26:52,786 --> 01:26:54,696

Sir, no one could have
survived that fall.

792

01:26:55,748 --> 01:26:58,073

Start loading your men on the ships.

793

01:26:58,209 --> 01:26:59,667

Move it.

794

01:27:32,993 --> 01:27:34,986

Emergency code 913.

795

01:27:35,120 --> 01:27:36,994

I have no contact
on any frequency.

796

01:27:39,750 --> 01:27:41,161

<i>Master Kenobi.</i>

797

01:27:41,293 --> 01:27:43,250

- Repeat.

- <i>Master Kenobi.</i>

798

01:27:43,379 --> 01:27:47,293

Senator Organa. My clone troops
turned on me. I need help.

799

01:27:48,300 --> 01:27:50,174

<i>We have just rescued</i>

<i>Master Yoda.</i>

800

01:27:50,302 --> 01:27:52,378

<i>It appears this ambush</i>

<i>has happened everywhere.</i>

801

01:27:52,513 --> 01:27:54,636

<i>We're sending you our coordinates.</i>

802

01:28:02,398 --> 01:28:04,271

Hush! Not so loud.

803

01:28:04,400 --> 01:28:07,401

Are you all right? I heard there was
an attack on the Jedi temple.

804

01:28:07,528 --> 01:28:09,900

- You could see the smoke from here.

- I'm fine.

805

01:28:10,030 --> 01:28:11,904

I came to see if
you and the baby are safe.

806

01:28:12,032 --> 01:28:13,657

What's happening?

807

01:28:14,535 --> 01:28:16,611

The Jedi have tried to

overthrow the Republic.

808

01:28:17,371 --> 01:28:19,245

I can't believe that.

809

01:28:19,373 --> 01:28:22,908

I saw Master Windu attempt to
assassinate the chancellor myself.

810

01:28:25,713 --> 01:28:27,504

What are you gonna do?

811

01:28:36,223 --> 01:28:38,382

I will not betray the Republic.

812

01:28:40,394 --> 01:28:42,303

My loyalties lie
with the chancellor...

813

01:28:43,480 --> 01:28:46,185

and with the senate
and with you.

814

01:28:46,984 --> 01:28:50,187

- What about Obi-Wan?

- I don't know.

815

01:28:50,946 --> 01:28:53,022

Many Jedi have been killed.

816

01:28:53,157 --> 01:28:55,992

We can only hope that

he's remained loyal to the chancellor.

817

01:28:57,077 --> 01:28:59,403

Anakin, I'm afraid.

818

01:29:02,416 --> 01:29:04,456

Have faith, my love.

819

01:29:04,585 --> 01:29:06,874

Everything will soon be set right.

820

01:29:07,671 --> 01:29:10,756

The chancellor has given me

a very important mission.

821

01:29:10,883 --> 01:29:13,718

The separatists have gathered
on the Mustafar system.

822

01:29:14,470 --> 01:29:18,302

I'm going there to end this war.
Wait for me until I return.

823

01:29:18,432 --> 01:29:20,804

Things will be different.
I promise.

824

01:29:26,649 --> 01:29:28,606

Please, wait for me.

825

01:29:32,696 --> 01:29:35,401

Well, he is under
a lot of stress, R2.

826

01:29:37,660 --> 01:29:39,569

Take care, my little friend.

827

01:29:43,874 --> 01:29:47,539

Oh, my lady,

is there anything I might do?

828

01:29:47,670 --> 01:29:50,208

No, thank you, 3PO.

829

01:29:52,591 --> 01:29:54,999

I feel so helpless.

830

01:30:18,576 --> 01:30:21,197

How many other Jedi

have managed to survive?

831

01:30:21,328 --> 01:30:23,866

Heard from no one have we.

832

01:30:24,748 --> 01:30:27,833

I saw thousands of troops

attack the Jedi temple.

833

01:30:27,960 --> 01:30:29,834

That's why I went looking for Yoda.

834

01:30:29,962 --> 01:30:32,370

Have we had any contact
from the temple?

835

01:30:32,506 --> 01:30:35,460

Received a coded
retreat message we have.

836

01:30:36,343 --> 01:30:39,593

It requests all Jedi
to return to the temple.

837

01:30:39,722 --> 01:30:43,138

- It says the war is over.
- Then we must go back.

838

01:30:43,267 --> 01:30:46,766

If there are any stragglers, they will
fall into the trap and be killed.

839

01:30:47,938 --> 01:30:51,687

Suggest dismantling
the coded signal, do you?

840

01:30:51,817 --> 01:30:54,522

Yes, Master.
There is too much at stake.

841

01:30:55,654 --> 01:30:57,196

I agree.

842

01:30:57,323 --> 01:31:00,905

And a little more knowledge
might light our way.

843

01:31:21,889 --> 01:31:25,305

The plan has gone
as you had promised, my lord.

844

01:31:25,434 --> 01:31:28,186

<i>You have done well, Viceroy.</i>

845

01:31:28,312 --> 01:31:34,101

<i>When my new apprentice</i>

<i>Darth Vader arrives...</i>

846

01:31:34,235 --> 01:31:37,734

<i>he will take care of you.</i>

847

01:31:50,125 --> 01:31:52,525

We're receiving a message from
the chancellor's office, sir.

848

01:31:52,628 --> 01:31:54,537

- Send it through.

- Yes, sir.

849

01:31:56,298 --> 01:32:00,960

<i>Senator Organa, the supreme chancellor</i>

<i>requests your presence...</i>

850

01:32:01,095 --> 01:32:03,052

<i>at a special session of Congress.</i>

851

01:32:03,180 --> 01:32:06,715

- I will be there.

- <i>He'll be expecting you.</i>

852

01:32:09,728 --> 01:32:12,979

- Could be a trap.

- I don't think so.

853

01:32:13,107 --> 01:32:16,191

The chancellor will not be able to
control the thousands of star systems...

854

01:32:16,318 --> 01:32:18,228

without keeping
the senate intact.

855

01:32:19,071 --> 01:32:22,357

If a special session
of Congress there is...

856

01:32:22,491 --> 01:32:25,777

easier for us to enter
the Jedi temple it will be.

857

01:33:04,283 --> 01:33:06,240

R2, stay with the ship.

858

01:33:31,685 --> 01:33:34,686

Welcome, Lord Vader.

We've been expecting you.

859

01:34:06,554 --> 01:34:11,050

And the Jedi rebellion

has been foiled.

860

01:34:11,183 --> 01:34:12,214

What's happened?

861

01:34:12,351 --> 01:34:16,847

The chancellor's been elaborating on a
plot by the Jedi to overthrow the senate.

862

01:34:16,981 --> 01:34:22,437

The remaining Jedi will be
hunted down and defeated.

863

01:34:38,252 --> 01:34:40,707

Not even the younglings survived.

864

01:34:41,839 --> 01:34:47,177

Killed not by clones this Padawan.

865

01:34:48,220 --> 01:34:50,842

By a lightsabre he was.

866

01:34:57,730 --> 01:34:58,730

Who?

867

01:34:59,398 --> 01:35:01,272

Who could have done this?

868

01:35:11,994 --> 01:35:15,161

The attempt on my life...

869

01:35:15,289 --> 01:35:20,165

has left me scarred and deformed.

870

01:35:21,128 --> 01:35:23,999

But I assure you.

871

01:35:24,131 --> 01:35:28,840

My resolve has never been stronger!

872

01:35:33,057 --> 01:35:34,057

Stop!

873

01:35:47,238 --> 01:35:52,861

In order to ensure the security
and continuing stability...

874

01:35:52,993 --> 01:35:56,861

the Republic will be reorganized...

875

01:35:56,997 --> 01:36:02,454

into the first Galactic Empire!

876

01:36:03,379 --> 01:36:09,215

For a safe and secure society.

877

01:36:18,644 --> 01:36:20,684

So this is how liberty dies.

878

01:36:21,438 --> 01:36:24,143

With thunderous applause.

879

01:36:26,569 --> 01:36:28,727

The war is over.

880

01:36:28,863 --> 01:36:32,991

Lord Sidious promised us peace.

We only want-

881

01:36:41,125 --> 01:36:45,787

I have recalibrated the code,
warning all surviving Jedi to stay away.

882

01:36:45,921 --> 01:36:48,329

For the clones...

883

01:36:48,465 --> 01:36:52,546

to discover the recalibration
a long time it will take.

884

01:37:04,899 --> 01:37:06,357

Wait. Master.

885

01:37:07,902 --> 01:37:10,227

There is something I must know.

886

01:37:16,368 --> 01:37:20,781

If into the security recordings you go,
only pain will you find.

887

01:37:20,915 --> 01:37:23,453

I must know the truth, Master.

888

01:37:31,258 --> 01:37:33,167

It can't be.

889

01:37:33,302 --> 01:37:35,176

It can't be.

890

01:37:35,304 --> 01:37:39,349

<i>You have done well,</i>

<i>my new apprentice.</i>

891

01:37:39,475 --> 01:37:42,476

<i>Now, Lord Vader...</i>

892

01:37:42,603 --> 01:37:46,102

<i>go and bring peace to the Empire.</i>

893

01:37:46,232 --> 01:37:48,390

I can't watch any more.

894

01:37:49,151 --> 01:37:53,065

Destroy the Sith we must.

895

01:37:54,865 --> 01:37:56,941

Send me to kill the emperor.

896

01:37:57,076 --> 01:37:59,318

I will not kill Anakin.

897

01:37:59,453 --> 01:38:04,162

To fight this Lord Sidious,
strong enough you are not.

898

01:38:04,291 --> 01:38:07,541

He is like my brother.

I cannot do it.

899

01:38:08,295 --> 01:38:13,337

Twisted by the dark side

young Skywalker has become.

900

01:38:13,467 --> 01:38:16,836

The boy you trained, gone he is.

901

01:38:16,971 --> 01:38:19,841

Consumed by Darth Vader.

902

01:38:19,974 --> 01:38:22,975

I do not know where

the emperor has sent him.

903

01:38:23,102 --> 01:38:25,308

I don't know where to look.

904

01:38:26,647 --> 01:38:30,312

Use your feelings, Obi-Wan,

and find him you will.

905

01:38:40,870 --> 01:38:42,862

When was the last time
you saw him?

906

01:38:43,581 --> 01:38:46,950

- Yesterday.
- And do you know where he is now?

907

01:38:50,129 --> 01:38:53,462

Padmé, I need your help.

908

01:38:54,174 --> 01:38:56,796

- He is in grave danger.
- From the Sith?

909

01:38:57,595 --> 01:38:59,053

From himself.

910

01:39:03,517 --> 01:39:05,889

Anakin has turned to the dark side.

911

01:39:06,020 --> 01:39:09,471

You're wrong.

How could you even say that?

912

01:39:12,276 --> 01:39:17,271

I have seen

a security hologram... of him...

913

01:39:18,908 --> 01:39:20,616

killing younglings.

914

01:39:20,743 --> 01:39:23,779

Not Anakin. He couldn't.

915

01:39:24,538 --> 01:39:26,827

He was deceived by a lie.

We all were.

916

01:39:27,708 --> 01:39:31,457

It appears that the chancellor

is behind everything, including the war.

917

01:39:33,297 --> 01:39:36,002

Palpatine is the Sith lord
we've been looking for.

918

01:39:36,133 --> 01:39:40,213

After the death of Count Dooku,
Anakin became his new apprentice.

919

01:39:46,435 --> 01:39:48,392

I don't believe you.

920

01:39:49,813 --> 01:39:51,272

I can't.

921

01:39:59,490 --> 01:40:01,732

I must find him.

922

01:40:03,869 --> 01:40:06,194

You're going to kill him,
aren't you?

923

01:40:09,917 --> 01:40:12,372

He has become

a very great threat.

924

01:40:15,005 --> 01:40:16,464

I can't.

925

01:40:30,187 --> 01:40:32,096

Anakin is the father, isn't he?

926

01:40:36,527 --> 01:40:38,484

I'm so sorry.

927

01:41:24,617 --> 01:41:26,740

- Milady, let me come with you.

- There's no danger.

928

01:41:26,869 --> 01:41:28,826

The fighting's over.

And this is personal.

929

01:41:28,954 --> 01:41:31,326

As you wish, milady,

but I strongly disagree.

930

01:41:31,457 --> 01:41:35,075

I'll be all right, Captain.

This is something I must do myself.

931

01:41:35,211 --> 01:41:37,583

Besides, 3PO will look after me.

932

01:41:39,840 --> 01:41:41,299

Oh, dear.

933

01:41:53,270 --> 01:41:56,888

Do you know? I think I'm beginning to
get the hang of this flying business.

934

01:42:25,261 --> 01:42:28,676

<i>The separatists have been</i>

<i>taken care of, my master.</i>

935

01:42:28,806 --> 01:42:31,676

It is finished then.

936

01:42:33,102 --> 01:42:38,891

You have restored peace
and justice to the galaxy.

937

01:42:39,692 --> 01:42:43,903

<i>Send a message to the ships</i>
<i>of the Trade Federation.</i>

938

01:42:44,738 --> 01:42:49,199

<i>All droid units</i>
<i>must shut down immediately.</i>

939

01:42:50,077 --> 01:42:52,034

Very good, my lord.

940

01:43:51,305 --> 01:43:53,381

I saw your ship.

941

01:43:56,227 --> 01:43:59,227

- What are you doing out here?
- I was so worried about you.

942

01:44:00,689 --> 01:44:03,524

Obi-Wan told me terrible things.

943

01:44:03,651 --> 01:44:05,193

What things?

944

01:44:05,903 --> 01:44:08,820

He said you've turned
to the dark side.

945

01:44:08,948 --> 01:44:13,574

That you... killed younglings.

946

01:44:15,120 --> 01:44:17,790

Obi-Wan is trying
to turn you against me.

947

01:44:17,915 --> 01:44:19,789

He cares about us.

948

01:44:20,501 --> 01:44:21,501

Us?

949

01:44:21,794 --> 01:44:23,253

He knows.

950

01:44:24,630 --> 01:44:26,504

He wants to help you.

951

01:44:30,344 --> 01:44:33,594

Anakin, all I want is your love.

952

01:44:33,722 --> 01:44:36,048

Love won't save you, Padmé.

953

01:44:36,183 --> 01:44:39,386

- Only my new powers can do that.

- At what cost?

954

01:44:39,520 --> 01:44:41,892

You're a good person.

Don't do this.

955

01:44:42,022 --> 01:44:44,727

I won't lose you

the way I lost my mother.

956

01:44:44,859 --> 01:44:49,070

I am becoming more powerful
than any Jedi has ever dreamed of.

957

01:44:49,196 --> 01:44:51,983

And I'm doing it for you.
To protect you.

958

01:44:53,325 --> 01:44:55,282

Come away with me.

959

01:44:56,036 --> 01:44:58,029

Help me raise our child.

960

01:44:58,163 --> 01:45:00,951

Leave everything else behind
while we still can.

961

01:45:01,083 --> 01:45:04,997

Don't you see?
We don't have to run away any more.

962

01:45:05,838 --> 01:45:08,329

I have brought peace
to the Republic.

963

01:45:09,383 --> 01:45:11,292

I am more powerful
than the chancellor.

964

01:45:11,427 --> 01:45:13,503

I can overthrow him.

965

01:45:15,598 --> 01:45:18,634

And together,
you and I can rule the galaxy...

966

01:45:18,767 --> 01:45:21,175

make things the way
we want them to be.

967

01:45:27,526 --> 01:45:29,519

I don't believe what I'm hearing.

968

01:45:31,030 --> 01:45:34,315

Obi-Wan was right.

You've changed.

969

01:45:36,535 --> 01:45:39,370

I don't want to hear

any more about Obi-Wan.

970

01:45:40,247 --> 01:45:43,663

The Jedi turned against me.

Don't you turn against me.

971

01:45:45,377 --> 01:45:47,370

I don't know you any more.

972

01:45:51,091 --> 01:45:53,049

You're breaking my heart.

973

01:45:53,761 --> 01:45:56,715

You're going down a path

I can't follow.

974

01:45:57,723 --> 01:45:59,597

Because of Obi-Wan?

975

01:46:00,392 --> 01:46:02,468

Because of what you've done.

976

01:46:02,603 --> 01:46:04,512

What you plan to do.

977

01:46:05,773 --> 01:46:08,394

Stop. Stop now. Come back.

978

01:46:08,526 --> 01:46:11,443

- I love you.

- Liar!

979

01:46:16,283 --> 01:46:20,032

You're with him!

You brought him here to kill me.

980

01:46:21,497 --> 01:46:23,074

Let her go, Anakin.

981

01:46:26,293 --> 01:46:28,452

Let her go.

982

01:46:38,472 --> 01:46:40,465

You turned her against me!

983

01:46:42,101 --> 01:46:44,259

You have done that yourself.

984

01:46:49,024 --> 01:46:51,183

You will not

take her from me!

985

01:46:51,318 --> 01:46:55,150

Your anger and your lust for power
have already done that.

986

01:46:59,118 --> 01:47:03,447

You have allowed this dark lord
to twist your mind...

987

01:47:05,040 --> 01:47:08,207

until now you have become
the very thing you swore to destroy.

988

01:47:08,335 --> 01:47:10,209

Don't lecture me, Obi-Wan.

989

01:47:10,337 --> 01:47:12,828

I see through
the lies of the Jedi.

990

01:47:13,966 --> 01:47:16,338

I do not fear
the dark side as you do.

991

01:47:18,178 --> 01:47:20,088

I have brought peace...

992

01:47:20,222 --> 01:47:24,968

freedom, justice and security
to my new empire.

993

01:47:25,978 --> 01:47:28,101

Your new empire?

994

01:47:28,939 --> 01:47:30,979

Don't make me kill you.

995

01:47:32,359 --> 01:47:36,856

Anakin, my allegiance is to
the Republic, to democracy!

996

01:47:37,740 --> 01:47:39,697

If you're not with me...

997

01:47:40,618 --> 01:47:42,491

then you're my enemy.

998

01:47:44,538 --> 01:47:46,994

Only a Sith deals in absolutes.

999

01:47:49,543 --> 01:47:51,417

I will do what I must.

1000

01:47:52,129 --> 01:47:54,501

You will try.

1001

01:48:26,288 --> 01:48:30,286

I hear a new apprentice
you have, Emperor.

1002

01:48:30,417 --> 01:48:34,878

Or should I call you
Darth Sidious?

1003

01:48:35,005 --> 01:48:37,405

Master Yoda.

1004

01:48:37,716 --> 01:48:39,376

You survived.

1005

01:48:40,261 --> 01:48:41,636

Surprised?

1006

01:48:42,346 --> 01:48:46,925

Your arrogance blinds you,
Master Yoda.

1007

01:48:47,059 --> 01:48:49,099

Now you will experience...

1008

01:48:49,228 --> 01:48:53,689

the full power of the dark side.

1009

01:49:35,649 --> 01:49:41,320

I have waited a long time
for this moment...

1010

01:49:41,447 --> 01:49:46,047

my little green friend.

1011

01:49:56,837 --> 01:50:00,289

At last the Jedi are no more.

1012

01:50:00,424 --> 01:50:04,636

Not if anything
to say about it I have.

1013

01:50:09,975 --> 01:50:12,301

At an end your rule is.

1014

01:50:14,188 --> 01:50:16,643

And not short enough it was.

1015

01:50:21,403 --> 01:50:23,610

If so powerful you are...

1016

01:50:24,865 --> 01:50:26,324

why leave?

1017

01:50:27,284 --> 01:50:29,822

You will not stop me.

1018

01:50:29,954 --> 01:50:34,532

Darth Vader will become
more powerful than either of us.

1019

01:50:34,667 --> 01:50:38,996

Faith in your new apprentice
misplaced may be.

1020

01:50:40,339 --> 01:50:44,384

As is your faith
in the dark side of the Force.

1021

01:55:12,027 --> 01:55:14,732

Hurry. Careful timing we will need.

1022

01:55:14,864 --> 01:55:17,651

Activate your homing beacon
when you're ready.

1023

01:55:17,783 --> 01:55:20,108

There's no sign of his body, sir.

1024

01:55:20,244 --> 01:55:23,862

- Then he is not dead.
- Double your search.

1025

01:55:23,998 --> 01:55:26,239

Yes, sir. Right away, sir.

1026

01:55:27,334 --> 01:55:31,414

Tell Captain Kagi to prepare my shuttle
for immediate take-off.

1027

01:55:31,547 --> 01:55:36,624

- Yes, Master.

- I sense Lord Vader is in danger.

1028

01:56:45,454 --> 01:56:48,621

Into exile I must go.

1029

01:56:49,333 --> 01:56:51,409

Failed I have.

1030

01:58:30,851 --> 01:58:32,760

I have failed you, Anakin.

1031

01:58:32,895 --> 01:58:34,769

I have failed you.

1032

01:58:34,897 --> 01:58:37,767

I should have known the Jedi
were plotting to take over.

1033

01:58:37,900 --> 01:58:40,687

Anakin, Chancellor Palpatine is evil!

1034

01:58:40,819 --> 01:58:43,441

From my point of view,
the Jedi are evil.

1035

01:58:43,572 --> 01:58:45,150

Then you are lost!

1036

01:58:57,044 --> 01:58:59,535

This is the end for you, my master.

1037

01:59:24,071 --> 01:59:27,191

It's over, Anakin.

I have the high ground.

1038

01:59:29,869 --> 01:59:32,538

You underestimate my power.

1039

01:59:33,330 --> 01:59:35,038

Don't try it.

1040

01:59:57,938 --> 01:59:59,895

You were the chosen one!

1041

02:00:01,400 --> 02:00:04,567

It was said that you would destroy
the Sith, not join them!

1042

02:00:07,239 --> 02:00:11,023

Bring balance to the Force,
not leave it in darkness!

1043

02:00:22,713 --> 02:00:24,913

I hate you!

1044

02:00:32,473 --> 02:00:34,762

You were my brother, Anakin.

1045

02:00:36,810 --> 02:00:39,136

I loved you.

1046

02:01:20,187 --> 02:01:23,105

Master Kenobi.

We have Miss Padmé on board.

1047

02:01:23,232 --> 02:01:25,308

Yes. Please, please hurry.

1048

02:01:25,442 --> 02:01:28,278

We should leave this dreadful place.

1049

02:01:43,836 --> 02:01:45,793

Is Anakin all right?

1050

02:02:54,615 --> 02:02:56,572

Your Majesty, this way.

1051

02:02:57,535 --> 02:02:59,408

There he is.

1052

02:02:59,537 --> 02:03:01,695

He's still alive.

1053

02:03:04,708 --> 02:03:06,915

Get a medical capsule immediately.

1054

02:03:07,044 --> 02:03:09,001

Yes, sir. Right away.

1055

02:03:44,999 --> 02:03:46,908

Excuse me, Master Yoda.

1056

02:03:52,840 --> 02:03:54,998

Obi-Wan Kenobi has made contact.

1057

02:04:11,859 --> 02:04:14,266

We'll take her to
the medical centre. Quickly.

1058

02:04:44,600 --> 02:04:46,806

Medically, she's completely healthy.

1059

02:04:46,936 --> 02:04:50,139

For reasons we can't explain,
we are losing her.

1060

02:04:51,524 --> 02:04:54,228

- She's dying?
- We don't know why.

1061

02:04:54,360 --> 02:04:56,399

She has lost the will to live.

1062

02:04:56,529 --> 02:04:59,648

We need to operate quickly
if we are to save the babies.

1063

02:04:59,782 --> 02:05:01,182

Babies?

1064

02:05:01,492 --> 02:05:03,366

She's carrying twins.

1065

02:05:45,536 --> 02:05:46,536

Luke.

1066

02:05:55,212 --> 02:05:56,671

Oh, Luke.

1067

02:06:19,153 --> 02:06:21,478

- It's a girl.

- Leia.

1068

02:07:10,955 --> 02:07:12,828

There's good in him.

1069

02:07:15,543 --> 02:07:16,918

I know.

1070

02:07:17,628 --> 02:07:21,211

I know there's... still-

1071

02:07:56,458 --> 02:07:57,917

Lord Vader.

1072

02:07:59,253 --> 02:08:01,376

Can you hear me?

1073

02:08:04,425 --> 02:08:05,883

Yes, Master.

1074

02:08:09,013 --> 02:08:10,886

Where is Padmé?

1075

02:08:12,725 --> 02:08:14,598

Is she safe?

1076

02:08:15,728 --> 02:08:17,720

Is she all right?

1077

02:08:19,440 --> 02:08:23,983

It seems, in your anger,
you killed her.

1078

02:08:25,029 --> 02:08:27,899

I? I couldn't have.

1079

02:08:28,032 --> 02:08:31,033

She was alive. I felt it!

1080

02:09:04,985 --> 02:09:08,604

Hidden, safe the children must be kept.

1081

02:09:10,407 --> 02:09:13,942

We must take them somewhere where
the Sith will not sense their presence.

1082

02:09:16,497 --> 02:09:18,620

Split up they should be.

1083

02:09:19,333 --> 02:09:21,242

My wife and I will take the girl.

1084

02:09:22,836 --> 02:09:25,707

We've always talked
of adopting a baby girl.

1085

02:09:25,839 --> 02:09:28,081

She will be loved with us.

1086

02:09:29,009 --> 02:09:30,966

And what of the boy?

1087

02:09:31,929 --> 02:09:35,428

To Tatooine.

To his family send him.

1088

02:09:37,268 --> 02:09:39,675

I will take the child

and watch over him.

1089

02:09:45,150 --> 02:09:48,816

Until the time is right,
disappear we will.

1090

02:09:50,656 --> 02:09:54,239

Master Kenobi, wait a moment.

1091

02:09:55,786 --> 02:10:00,993

In your solitude on Tatooine,
training I have for you.

1092

02:10:02,334 --> 02:10:03,615

Training?

1093

02:10:03,752 --> 02:10:08,331

An old friend has learned
the path to immortality.

1094

02:10:10,384 --> 02:10:13,468

One who has returned from
the netherworld of the Force.

1095

02:10:13,596 --> 02:10:16,003

Your old master.

1096

02:10:16,724 --> 02:10:18,182

Qui-Gon?

1097

02:10:20,728 --> 02:10:23,978

How to commune with him

I will teach you.

1098

02:10:25,482 --> 02:10:27,605

- Captain Antilles.

- Yes, Your Highness?

1099

02:10:27,735 --> 02:10:29,608

I'm placing these droids

in your care.

1100

02:10:29,737 --> 02:10:31,610

Treat them well.

Clean them up.

1101

02:10:31,739 --> 02:10:33,612

Have the protocol droid's
mind wiped.

1102

02:10:33,741 --> 02:10:34,741

What?
