

Dialogues from Star Wars Episode IV: A New Hope to improve the vocabulary in English

1

00:02:47,535 --> 00:02:49,045

Did you hear that?

2

00:02:49,485 --> 00:02:52,499

They shut down the main reactor.

We'll be destroyed for sure.

3

00:02:52,768 --> 00:02:54,091

This is madness.

4

00:03:04,309 --> 00:03:05,902

We're doomed.

5

00:03:07,908 --> 00:03:10,287

There'll be no escape

for the princess this time.

6

00:03:13,384 --> 00:03:14,795

What's that?

7

00:04:57,154 --> 00:04:59,610

R2-D2, where are you?

8

00:05:16,215 --> 00:05:18,623

At last.

Where have you been?

9

00:05:18,759 --> 00:05:21,844

They're heading in this direction.

What are we going to do?

10

00:05:21,971 --> 00:05:25,422

We'll be sent to the Kessel spice mines
or smashed into who knows what.

11

00:05:26,601 --> 00:05:28,558

Wait a minute.

Where are you going?

12

00:05:41,240 --> 00:05:44,194

The Death Star plans

are not in the main computer.

13

00:05:44,952 --> 00:05:46,945

Where are those transmissions
you intercepted?

14

00:05:47,079 --> 00:05:49,867

What have you done
with those plans?

15

00:05:49,999 --> 00:05:51,956

We intercepted no transmissions.

16

00:05:53,230 --> 00:05:56,910

This is a consular ship.
We're on a diplomatic mission.

17

00:05:57,305 --> 00:06:01,591

If this is a consular ship,
where is the ambassador?

18

00:06:05,097 --> 00:06:08,597

Commander, tear this ship apart

until you've found those plans!

19

00:06:08,726 --> 00:06:11,597

And bring me the passengers!

I want them alive!

20

00:06:24,158 --> 00:06:25,652

There's one.

Set for stun.

21

00:06:31,784 --> 00:06:33,040

She'll be all right.

22

00:06:33,167 --> 00:06:35,041

Inform Lord Vader we have a prisoner.

23

00:06:36,671 --> 00:06:39,126

Hey. You're not permitted in there.

It's restricted.

24

00:06:39,257 --> 00:06:41,166

You'll be deactivated for sure.

25

00:06:43,177 --> 00:06:45,843

Don't call me a mindless philosopher,
you overweight glob of grease.

26

00:06:45,943 --> 00:06:47,513

Come out,
before somebody sees you.

27

00:06:49,934 --> 00:06:52,092

Secret mission? What plans?

28

00:06:52,228 --> 00:06:54,766

What are you talking about?
I'm not getting in there.

29

00:06:58,192 --> 00:07:00,399

I'm going to regret this.

30

00:07:07,577 --> 00:07:10,862

- There goes another one.
- Hold your fire. There's no life forms.

31

00:07:10,997 --> 00:07:12,277

It must have short-circuited.

32

00:07:12,415 --> 00:07:15,700

That's funny. The damage
doesn't look as bad from out here.

33

00:07:18,087 --> 00:07:20,044

Are you sure this thing is safe?

34

00:07:39,025 --> 00:07:41,480

Darth Vader.
Only you could be so bold.

35

00:07:41,611 --> 00:07:43,983

The Imperial Senate will not
sit still for this.

36

00:07:44,113 --> 00:07:47,363

- You've attacked a diplomatic...
- Don't act so surprised, Your Highness.

37

00:07:47,491 --> 00:07:49,365

You weren't on
any mercy mission this time.

38

00:07:49,493 --> 00:07:53,574

Several transmissions
were beamed to this ship by rebel spies.

39

00:07:53,706 --> 00:07:56,541

I want to know what happened
to the plans they sent you.

40

00:07:56,667 --> 00:07:58,660

I don't know what
you're talking about.

41

00:07:58,794 --> 00:08:01,748

I'm a member of the Imperial Senate
on a diplomatic mission to Alderaan.

42

00:08:01,881 --> 00:08:04,716

You are part of the Rebel Alliance
and a traitor.

43

00:08:04,842 --> 00:08:06,751

Take her away!

44

00:08:11,140 --> 00:08:13,548

Holding her is dangerous.

If word gets out...

45

00:08:13,684 --> 00:08:16,222

it could generate sympathy

for the rebellion in the senate.

46

00:08:16,354 --> 00:08:18,679

I have traced the rebel spies to her.

47

00:08:18,814 --> 00:08:21,484

Now she is my only link

to finding their secret base.

48

00:08:21,609 --> 00:08:23,483

She'll die before

she'll tell you anything.

49

00:08:23,611 --> 00:08:25,235

Leave that to me.

50

00:08:25,363 --> 00:08:28,814

Send a distress signal, and then inform
the senate that all aboard were killed.

51

00:08:28,950 --> 00:08:32,034

Lord Vader, the battle station plans
are not aboard this ship...

52

00:08:32,161 --> 00:08:33,572

and no transmissions were made.

53

00:08:33,704 --> 00:08:37,868

An escape pod was jettisoned during the
fighting, but no life forms were aboard.

54

00:08:38,000 --> 00:08:40,954

She must have hidden
the plans in the escape pod.

55

00:08:41,087 --> 00:08:44,622

Send a detachment down to retrieve them.

See to it personally, Commander.

56

00:08:44,757 --> 00:08:46,797

There'll be no one
to stop us this time.

57

00:08:46,926 --> 00:08:48,420

Yes, sir.

58

00:09:03,025 --> 00:09:05,065

How did we get into this mess?

59

00:09:05,194 --> 00:09:07,519

I really don't know how.

60

00:09:08,281 --> 00:09:11,484

We seem to be made to suffer.
It's our lot in life.

61

00:09:14,120 --> 00:09:17,703

I've got to rest before I fall apart.
My joints are almost frozen.

62

00:09:24,755 --> 00:09:26,748

What a desolate place this is.

63

00:09:31,095 --> 00:09:33,052

Where do you think you're going?

64

00:09:33,180 --> 00:09:36,763

Well, I'm not going that way.

It's much too rocky.

65

00:09:37,476 --> 00:09:39,350

This way is much easier.

66

00:09:39,478 --> 00:09:41,851

What makes you think

there are settlements over there?

67

00:09:43,649 --> 00:09:45,309

Don't get technical with me.

68

00:09:46,694 --> 00:09:48,687

What mission?

What are you talking about?

69

00:09:50,615 --> 00:09:53,106

I've just about had enough of you.

70

00:09:53,868 --> 00:09:55,148

Go that way.

71

00:09:55,286 --> 00:09:58,203

You'll be malfunctioning within a day,
you nearsighted scrap pile.

72

00:09:58,956 --> 00:10:01,494

And don't let me catch you
following me, begging for help...

73

00:10:01,626 --> 00:10:03,749

because you won't get it.

74

00:10:16,933 --> 00:10:18,593

No more adventures.

75

00:10:18,726 --> 00:10:20,683

I'm not going that way.

76

00:10:54,637 --> 00:10:57,554

That malfunctioning little twerp.

This is all his fault.

77

00:10:58,641 --> 00:11:00,799

He tricked me

into going this way...

78

00:11:00,935 --> 00:11:02,809

but he'll do no better.

79

00:11:06,397 --> 00:11:08,183

Wait. What's that?

80

00:11:08,317 --> 00:11:11,022

A transport. I'm saved.

81

00:11:11,153 --> 00:11:12,861

Over here!

82

00:11:12,989 --> 00:11:14,068

Hey!

83

00:11:14,198 --> 00:11:15,574

Hey!

84

00:11:15,700 --> 00:11:19,116

Help! Please help!

85

00:14:49,664 --> 00:14:50,664

R2?

86

00:14:54,877 --> 00:14:58,412

R2-D2, it is you! It is you!

87

00:15:32,039 --> 00:15:35,206

Someone was in the pod.

The tracks go off in this direction.

88

00:15:36,252 --> 00:15:38,161

Look, sir. Droids.

89

00:15:52,602 --> 00:15:54,144

We stopped.

90

00:15:54,270 --> 00:15:55,978

Wake up. Wake up!

91

00:16:02,987 --> 00:16:04,565

We're doomed.

92

00:16:12,788 --> 00:16:14,911

Do you think
they'll melt us down?

93

00:16:27,678 --> 00:16:29,754

Don't shoot.

Don't shoot.

94

00:16:29,889 --> 00:16:32,095

Will this never end?

95

00:17:11,722 --> 00:17:14,260

- Fine. Let's go.

- Luke!

96

00:17:14,392 --> 00:17:15,850

Luke!

97

00:17:19,313 --> 00:17:24,355

Luke, tell Uncle if he gets
a translator, be sure it speaks Bocce.

98

00:17:24,485 --> 00:17:26,941

Doesn't look like we have
much choice, but I'll remind him.

99

00:17:38,124 --> 00:17:40,282

Yeah, we'll take that red one.

100

00:17:40,418 --> 00:17:42,327

No, not that one.

101

00:17:44,046 --> 00:17:47,083

I suppose you're programmed
for etiquette and protocol.

102

00:17:47,216 --> 00:17:51,166

Protocol? It's my primary function, sir.

I am well-versed in all the customs...

103

00:17:51,304 --> 00:17:54,589

- I have no need for a protocol droid.

- Of course you haven't, sir.

104

00:17:54,724 --> 00:17:57,532

Not in an environment such as this.

That's why I have been programmed...

105

00:17:57,632 --> 00:18:01,558

I need a droid who understands the
binary language of moisture vaporators.

106

00:18:01,689 --> 00:18:04,939

Vaporators? Sir, my first job
was programming binary load lifters...

107

00:18:05,067 --> 00:18:07,499

very similar to your vaporators
in most respects.

108

00:18:07,599 --> 00:18:10,819

- Can you speak Bocce?

- Of course. It's like a second language.

109

00:18:10,948 --> 00:18:13,618

- All right. Shut up. I'll take this one.

- Shutting up, sir.

110

00:18:16,621 --> 00:18:19,301

Take these two to the garage.

I want them cleaned up before dinner.

111

00:18:19,415 --> 00:18:22,333

But I was going into Tosche Station
to pick up some power converters.

112

00:18:22,460 --> 00:18:25,461

You can waste time with your friends
when your chores are done.

113

00:18:25,588 --> 00:18:27,545

Now come on.

Get to it.

114

00:18:28,633 --> 00:18:29,795

All right. Come on.

115

00:18:32,553 --> 00:18:34,712

And the red one.

Come on.

116

00:18:35,765 --> 00:18:38,256

Come on, red. Let's go.

117

00:18:57,554 --> 00:18:59,643

- Uncle Owen.

- Yeah?

118

00:18:59,767 --> 00:19:02,076

This R2 unit has

a bad motivator. Look.

119

00:19:02,208 --> 00:19:04,580

Hey, what are you

trying to push on us?

120

00:19:07,630 --> 00:19:12,541

Excuse me, sir, but that R2 unit
is in prime condition, a real bargain.

121

00:19:12,677 --> 00:19:14,550

Uncle Owen,
what about that one?

122

00:19:14,679 --> 00:19:17,252

What about that blue one?
We'll take that one.

123

00:19:18,558 --> 00:19:21,393

- Take this away.
- You'll be pleased with that one, sir.

124

00:19:21,519 --> 00:19:23,393

He really is in first-class condition.

125

00:19:23,521 --> 00:19:25,478

I've worked with him before.
Here he comes.

126

00:19:29,735 --> 00:19:31,194

Let's go.

127

00:19:31,320 --> 00:19:32,945

Don't you forget this.

128

00:19:33,072 --> 00:19:36,523

Why I should stick my neck out for you
is quite beyond my capacity.

129

00:19:42,782 --> 00:19:45,985

Thank the maker.

This oil bath is going to feel so good.

130

00:19:47,537 --> 00:19:51,072

I've got such a bad case of dust
contamination I can barely move.

131

00:19:51,207 --> 00:19:53,164

It just isn't fair.

132

00:19:53,293 --> 00:19:55,665

Biggs is right.

I'm never gonna get out of here.

133

00:19:56,379 --> 00:19:58,253

Is there anything

I might do to help?

134

00:19:58,381 --> 00:20:01,548

No, not unless you can alter time,
speed up the harvest...

135

00:20:01,676 --> 00:20:03,300

or teleport me off this rock.

136

00:20:03,428 --> 00:20:04,970

I don't think so, sir.

137

00:20:05,096 --> 00:20:08,679

I'm only a droid and not very
knowledgeable about such things.

138

00:20:08,808 --> 00:20:10,089

Not on this planet, anyway.

139

00:20:10,226 --> 00:20:13,595

As a matter of fact,

I'm not even sure which planet I'm on.

140

00:20:13,730 --> 00:20:16,055

Well, if there's a bright centre

to the universe...

141

00:20:16,190 --> 00:20:18,148

you're on the planet

that it's farthest from.

142

00:20:18,276 --> 00:20:20,185

I see, sir.

143

00:20:20,904 --> 00:20:23,276

- You can call me Luke.

- I see, Sir Luke.

144

00:20:24,741 --> 00:20:26,151

Just Luke.

145

00:20:26,868 --> 00:20:29,988

And I am C-3PO,
human-cyborg relations.

146

00:20:30,121 --> 00:20:32,742

This is my counterpart, R2-D2.

147

00:20:32,874 --> 00:20:34,333

Hello.

148

00:20:35,585 --> 00:20:39,001

A lot of carbon scoring here.
Looks like you've seen a lot of action.

149

00:20:39,130 --> 00:20:42,629

With all we've been through, I'm amazed
we're in as good condition as we are...

150

00:20:42,759 --> 00:20:44,383

with the rebellion and all.

151

00:20:44,510 --> 00:20:46,420

You know of the rebellion
against the Empire?

152

00:20:46,554 --> 00:20:49,923

That's how we came to be in your
service, if you take my meaning, sir.

153

00:20:50,058 --> 00:20:52,346

- Have you been in many battles?
- Several, I think.

154

00:20:52,477 --> 00:20:54,350

There's not much to tell.

155

00:20:54,479 --> 00:20:58,014

I'm not much more than an interpreter
and not very good at telling stories.

156

00:20:58,149 --> 00:21:00,640

Well, not at making them
interesting, anyway.

157

00:21:01,402 --> 00:21:03,276

Well, my little friend...

158

00:21:03,404 --> 00:21:05,693

you got something jammed
in here real good.

159

00:21:05,823 --> 00:21:07,781

Were you on a Starcruiser or...

160

00:21:07,909 --> 00:21:10,945

<i>Help me, Obi-Wan Kenobi.</i>

<i>You're my only hope.</i>

161

00:21:11,079 --> 00:21:12,656

What's this?

162

00:21:12,789 --> 00:21:15,873

"What is what"?

He asked you a question. What is that?

163

00:21:16,000 --> 00:21:19,915

<i>Help me, Obi-Wan Kenobi.</i>

<i>You're my only hope.</i>

164

00:21:23,383 --> 00:21:27,250

<i>Help me, Obi-Wan Kenobi.</i>

<i>You're my only hope.</i>

165

00:21:29,430 --> 00:21:32,265

He says it's nothing, sir,
merely a malfunction.

166

00:21:32,392 --> 00:21:34,183

Old data. Pay it no mind.

167

00:21:34,310 --> 00:21:36,350

Who is she?

She's beautiful.

168

00:21:36,479 --> 00:21:39,813

I'm afraid I'm not quite sure, sir.

169

00:21:39,941 --> 00:21:42,064

I think she was a passenger
on our last voyage.

170

00:21:42,193 --> 00:21:44,417

A person of some importance,
I believe.

171

00:21:44,604 --> 00:21:48,368

- Our captain was...

- Is there any more to this recording?

172

00:21:48,700 --> 00:21:51,985

Behave yourself, R2.

You're going to get us into trouble.

173

00:21:52,120 --> 00:21:54,871

It's all right. You can trust him.

He's our new master.

174

00:21:54,998 --> 00:21:56,622

<i>You're my only hope.</i>

175

00:21:57,667 --> 00:22:02,625

He says he's the property of Obi-Wan

Kenobi, a resident of these parts...

176

00:22:02,755 --> 00:22:04,499

and it's a private message for him.

177

00:22:04,632 --> 00:22:06,625

Frankly, I don't know
what he's talking about.

178

00:22:06,759 --> 00:22:08,717

Our last master
was Captain Antilles.

179

00:22:08,845 --> 00:22:13,471

But with all we've been through,
this R2 unit has become a bit eccentric.

180

00:22:13,600 --> 00:22:16,719

Obi-Wan Kenobi.
I wonder if he means old Ben Kenobi.

181

00:22:16,853 --> 00:22:19,474

I beg your pardon, sir, but do you
know what he's talking about?

182

00:22:19,606 --> 00:22:22,013

I don't know anyone
named Obi-Wan...

183

00:22:22,859 --> 00:22:24,982

but old Ben lives
out beyond the Dune Sea.

184

00:22:25,111 --> 00:22:26,854

He's kind of a strange old hermit.

185

00:22:28,114 --> 00:22:29,988

I wonder who she is.

186

00:22:30,116 --> 00:22:33,615

Sounds like she's in trouble.
I better play back the whole thing.

187

00:22:36,748 --> 00:22:40,033

He says the restraining bolt has
short-circuited his recording system.

188

00:22:40,168 --> 00:22:42,955

He suggests that

if you remove the bolt...

189

00:22:43,087 --> 00:22:45,792

he might be able to play back

the entire recording.

190

00:22:45,924 --> 00:22:48,000

Oh, yeah. Well...

191

00:22:48,134 --> 00:22:51,585

I guess you're too small

to run away on me if I take this off.

192

00:22:51,721 --> 00:22:52,884

Okay.

193

00:22:55,808 --> 00:22:57,386

There you go.

194

00:22:58,978 --> 00:23:02,063

Where'd she go? Bring her back.

Play back the entire message.

195

00:23:02,774 --> 00:23:04,398

"What message"?

196

00:23:04,525 --> 00:23:06,435

The one you've just been playing.

197

00:23:06,569 --> 00:23:08,609

The one you're carrying
inside your rusty innards.

198

00:23:08,738 --> 00:23:10,446

Luke! Luke!

199

00:23:10,573 --> 00:23:13,064

I'll be right there, Aunt Beru.

200

00:23:13,201 --> 00:23:15,988

I'm sorry, sir, but he appears to have
picked up a slight flutter.

201

00:23:16,120 --> 00:23:19,489

Here. See what you can do with him.

I'll be right back.

202

00:23:22,252 --> 00:23:25,039

Just you reconsider

playing that message for him.

203

00:23:26,214 --> 00:23:28,539

No, I don't think

he likes you at all.

204

00:23:28,675 --> 00:23:31,000

No, I don't like you either.

205

00:23:39,811 --> 00:23:43,595

- That R2 unit might have been stolen.

- What makes you think that?

206

00:23:43,731 --> 00:23:46,649

I stumbled across a recording

while I was cleaning him.

207

00:23:46,776 --> 00:23:49,184

He says he belongs to someone
called Obi-Wan Kenobi.

208

00:23:51,614 --> 00:23:55,114

I thought he might have meant old Ben.
Do you know what he's talking about?

209

00:23:57,245 --> 00:23:59,403

I wonder if he's related to Ben.

210

00:23:59,622 --> 00:24:01,282

That wizard's just a crazy old man.

211

00:24:02,875 --> 00:24:06,410

Tomorrow, take that R2 unit to
Anchorhead and have its memory erased.

212

00:24:06,546 --> 00:24:08,643

That'll be the end of it.
It belongs to us now.

213

00:24:10,216 --> 00:24:12,838

But what if this Obi-Wan
comes looking for him?

214

00:24:12,969 --> 00:24:14,000

He won't.

215

00:24:15,430 --> 00:24:19,012

I don't think he exists any more. He died
about the same time as your father.

216

00:24:19,142 --> 00:24:22,178

- He knew my father?
- I told you to forget it.

217

00:24:23,396 --> 00:24:26,350

Your only concern is to prepare
those new droids for tomorrow.

218

00:24:27,066 --> 00:24:30,400

In the morning, I want them on the
south ridge working on those condensers.

219

00:24:31,112 --> 00:24:32,571

Yes, sir.

220

00:24:33,740 --> 00:24:36,409

I think those new droids
are gonna work out fine.

221

00:24:36,534 --> 00:24:39,868

In fact, I was also thinking
about our agreement...

222

00:24:39,996 --> 00:24:42,154

about me staying on
another season.

223

00:24:44,167 --> 00:24:47,417

If these new droids work out, I want
to apply to the academy this year.

224

00:24:48,421 --> 00:24:50,261

You mean the next semester
before the harvest?

225

00:24:50,423 --> 00:24:52,214

Sure. There's more
than enough droids.

226

00:24:52,342 --> 00:24:54,334

Harvest is when I need you the most.

227

00:24:54,469 --> 00:24:56,461

It's only one season more.

228

00:24:56,596 --> 00:24:59,716

This year we'll make enough
on the harvest to hire more hands...

229

00:24:59,849 --> 00:25:02,138

and then you can go
to the academy next year.

230

00:25:03,061 --> 00:25:05,053

You must understand
I need you here, Luke.

231

00:25:05,188 --> 00:25:08,058

- But it's a whole 'nother year.

- It's only one more season.

232

00:25:08,191 --> 00:25:10,230

That's what you said

when Biggs and Tank left.

233

00:25:10,360 --> 00:25:12,815

- Where are you going?

- Looks like I'm going nowhere.

234

00:25:12,946 --> 00:25:14,689

I have to go finish

cleaning those droids.

235

00:25:14,822 --> 00:25:18,156

Owen, he can't stay here forever.

Most of his friends have gone.

236

00:25:18,284 --> 00:25:20,277

It means so much to him.

237

00:25:20,995 --> 00:25:23,367

I'll make it up to him next year.

I promise.

238

00:25:25,124 --> 00:25:28,992

Luke's just not a farmer, Owen.

He has too much of his father in him.

239

00:25:29,128 --> 00:25:31,501

That's what I'm afraid of.

240

00:26:20,513 --> 00:26:23,633

- What are you doing hiding back there?

- It wasn't my fault, sir.

241

00:26:23,766 --> 00:26:25,510

Please don't deactivate me.

242

00:26:25,643 --> 00:26:28,265

I told him not to go,

but he's faulty, malfunctioning.

243

00:26:28,396 --> 00:26:31,563

- Kept babbling on about his mission.

- Oh, no.

244

00:26:40,116 --> 00:26:42,441

That R2 unit

has always been a problem.

245

00:26:42,577 --> 00:26:45,150

These astrodroids

are getting quite out of hand.

246

00:26:45,288 --> 00:26:47,494

Even I can't understand

their logic at times.

247

00:26:47,624 --> 00:26:50,079

How could I be so stupid?

He's nowhere in sight.

248

00:26:50,793 --> 00:26:54,044

- Blast it.

- Couldn't we go after him?

249

00:26:54,172 --> 00:26:57,332

It's too dangerous with the Sandpeople
around. We'll have to wait till morning.

250

00:26:57,467 --> 00:26:59,424

Luke, I'm shutting
the power down.

251

00:26:59,552 --> 00:27:01,461

I'll be there in a few minutes.

252

00:27:02,180 --> 00:27:04,089

Boy, am I gonna get it.

253

00:27:04,807 --> 00:27:08,757

- That droid's gonna cause me trouble.

- He excels at that, sir.

254

00:27:09,938 --> 00:27:11,396

Come on.

255

00:27:31,501 --> 00:27:33,375

Have you seen Luke this morning?

256

00:27:33,503 --> 00:27:36,872

He said he had things to do before
he started today, so he left early.

257

00:27:37,006 --> 00:27:40,043

- Did he take those new droids with him?
- I think so.

258

00:27:40,760 --> 00:27:43,547

He better have those units in
the south range repaired by midday...

259

00:27:43,680 --> 00:27:45,304

or there'll be hell to pay.

260

00:27:46,349 --> 00:27:48,887

There's a droid on the scanner.
Dead ahead.

261

00:27:49,018 --> 00:27:51,972

It might be our little R2 unit.
Hit the accelerator.

262

00:28:14,460 --> 00:28:16,453

Where do you think you're going?

263

00:28:17,422 --> 00:28:19,295

Master Luke is your
rightful owner now.

264

00:28:19,424 --> 00:28:22,378

We'll have no more
of this Obi-Wan Kenobi gibberish.

265

00:28:23,595 --> 00:28:25,219

Don't talk to me of your mission.

266

00:28:25,346 --> 00:28:28,466

You're fortunate he doesn't blast you
into a million pieces right here.

267

00:28:28,600 --> 00:28:31,007

No. It's all right,
but I think we'd better go.

268

00:28:32,061 --> 00:28:33,971

What's wrong with him now?

269

00:28:34,105 --> 00:28:36,892

There are several creatures
approaching from the southeast.

270

00:28:37,025 --> 00:28:39,017

Sandpeople. Or worse.

271

00:28:40,445 --> 00:28:42,437

Come on.

Let's go have a look.

272

00:28:42,572 --> 00:28:44,031

Come on.

273

00:28:47,577 --> 00:28:50,150

There are two Banthas down there,
but I don't see any...

274

00:28:50,288 --> 00:28:52,031

Wait a second.

275

00:28:52,165 --> 00:28:54,952

They're Sandpeople all right.

I can see one of them now.

276

00:30:09,759 --> 00:30:10,922

Hello there.

277

00:30:13,346 --> 00:30:16,596

Come here, my little friend.

Don't be afraid.

278

00:30:19,352 --> 00:30:21,012

Don't worry.

He'll be all right.

279

00:30:27,276 --> 00:30:29,767

Rest easy, son.

You've had a busy day.

280

00:30:30,655 --> 00:30:33,572

You're fortunate

to be all in one piece.

281

00:30:36,869 --> 00:30:39,028

Ben? Ben Kenobi?

282

00:30:39,163 --> 00:30:41,120

Boy, am I glad to see you.

283

00:30:41,249 --> 00:30:44,250

The Jundland Wastes

are not to be travelled lightly.

284

00:30:47,505 --> 00:30:50,956

Tell me, young Luke,

what brings you out this far?

285

00:30:51,759 --> 00:30:53,301

This little droid.

286

00:30:55,388 --> 00:30:56,948

He's searching

for his former master...

287

00:30:57,056 --> 00:30:59,132

but I've never seen
such devotion in a droid.

288

00:31:01,269 --> 00:31:04,305

He claims to be the property
of an Obi-Wan Kenobi.

289

00:31:04,439 --> 00:31:07,393

Is he a relative of yours?
Do you know who he's talking about?

290

00:31:08,609 --> 00:31:10,187

Obi-Wan Kenobi?

291

00:31:12,655 --> 00:31:14,114

Obi-Wan.

292

00:31:15,074 --> 00:31:19,024

Now, that's a name
I've not heard in a long time.

293

00:31:19,829 --> 00:31:21,572

A long time.

294

00:31:22,832 --> 00:31:25,703

I think my uncle knows him.

He said he was dead.

295

00:31:25,835 --> 00:31:27,495

He's not dead.

296

00:31:27,628 --> 00:31:28,791

Not yet.

297

00:31:28,921 --> 00:31:31,875

- You know him?

- Of course I know him.

298

00:31:32,008 --> 00:31:33,336

He's me.

299

00:31:36,095 --> 00:31:39,298

I haven't gone

by the name of Obi-Wan...

300

00:31:39,432 --> 00:31:42,053

since, oh, before you were born.

301

00:31:42,185 --> 00:31:43,762

Then the droid does belong to you.

302

00:31:43,895 --> 00:31:46,516

I don't seem to remember
ever owning a droid.

303

00:31:48,399 --> 00:31:49,858

Very interesting.

304

00:31:51,944 --> 00:31:53,818

I think we better get indoors.

305

00:31:54,530 --> 00:31:57,200

The Sandpeople are easily startled...

306

00:31:57,325 --> 00:32:00,077

but they'll soon be back...

and in greater numbers.

307

00:32:03,206 --> 00:32:04,285

3PO.

308

00:32:13,758 --> 00:32:16,379

Where am I?

I must have taken a bad step.

309

00:32:17,887 --> 00:32:21,090

Can you stand? We've gotta get out
of here before the Sandpeople return.

310

00:32:21,224 --> 00:32:23,929

I don't think I can make it.

You go on, Master Luke.

311

00:32:24,060 --> 00:32:28,058

There's no sense in you risking
yourself on my account. I'm done for.

312

00:32:29,148 --> 00:32:31,022

No, you're not.

What kind of talk is that?

313

00:32:31,150 --> 00:32:33,024

Quickly. They're on the move.

314

00:32:38,366 --> 00:32:41,699

My father didn't fight in the wars.

He was a navigator on a spice freighter.

315

00:32:41,828 --> 00:32:45,528

That's what your uncle told you. He
didn't hold with your father's ideals.

316

00:32:45,665 --> 00:32:48,749

Thought he should have stayed here
and not gotten involved.

317

00:32:49,502 --> 00:32:51,791

- You fought in the Clone Wars?

- Yes.

318

00:32:51,921 --> 00:32:55,539

I was once a Jedi knight,
the same as your father.

319

00:32:58,136 --> 00:32:59,844

I wish I'd known him.

320

00:32:59,971 --> 00:33:02,676

He was the best

starpilot in the galaxy...

321

00:33:03,599 --> 00:33:05,473

and a cunning warrior.

322

00:33:05,601 --> 00:33:08,092

I understand you've become

quite a good pilot yourself.

323

00:33:10,356 --> 00:33:12,728

And he was a good friend.

324

00:33:12,859 --> 00:33:14,269

Which reminds me...

325

00:33:15,528 --> 00:33:17,485

I have something here for you.

326

00:33:19,532 --> 00:33:22,105

Your father wanted you to have this
when you were old enough...

327

00:33:22,243 --> 00:33:24,864

but your uncle wouldn't allow it.

328

00:33:25,788 --> 00:33:27,864

He feared you might
follow old Obi-Wan...

329

00:33:27,999 --> 00:33:31,415

on some damn-fool idealistic crusade,
like your father did.

330

00:33:31,544 --> 00:33:34,462

Sir, if you'll not be needing me,
I'll close down for a while.

331

00:33:34,589 --> 00:33:36,131

Go ahead.

332

00:33:38,843 --> 00:33:42,212

- What is it?

- It's your father's lightsabre.

333

00:33:43,097 --> 00:33:45,588

This is the weapon of a Jedi knight.

334

00:33:45,725 --> 00:33:48,512

Not as clumsy or random

as a blaster.

335

00:33:49,562 --> 00:33:51,768

An elegant weapon...

336

00:33:51,898 --> 00:33:54,852

for a more civilized age.

337

00:33:56,778 --> 00:33:58,817

For over a thousand generations...

338

00:33:58,946 --> 00:34:03,158

the Jedi knights were the guardians of
peace and justice in the old Republic...

339

00:34:03,284 --> 00:34:05,989

before the dark times...

340

00:34:06,120 --> 00:34:07,780

before the Empire.

341

00:34:10,984 --> 00:34:12,707

How did my father die?

342

00:34:15,059 --> 00:34:17,745

A young Jedi named Darth Vader...

343

00:34:17,882 --> 00:34:20,373

who was a pupil of mine

until he turned to evil...

344

00:34:21,219 --> 00:34:24,504

helped the Empire hunt down

and destroy the Jedi knights.

345

00:34:26,349 --> 00:34:28,721

He betrayed and murdered your father.

346

00:34:30,520 --> 00:34:32,762

Now the Jedi are all but extinct.

347

00:34:34,065 --> 00:34:37,765

Vader was seduced
by the dark side of the Force.

348

00:34:37,902 --> 00:34:39,396

The Force?

349

00:34:40,780 --> 00:34:43,188

The Force is
what gives a Jedi his power.

350

00:34:43,908 --> 00:34:47,075

It's an energy field
created by all living things.

351

00:34:47,203 --> 00:34:49,409

It surrounds us and penetrates us.

352

00:34:49,539 --> 00:34:51,199

It binds the galaxy together.

353

00:34:58,297 --> 00:35:01,472

Let's see if we can't figure out
what you are, little friend...

354

00:35:02,135 --> 00:35:04,174

and where you come from.

355

00:35:04,303 --> 00:35:07,423

- I saw part of a message...

- I seem to have found it.

356

00:35:07,557 --> 00:35:11,851

<i>General Kenobi, years ago you served</i>

<i>my father in the Clone Wars.</i>

357

00:35:11,978 --> 00:35:15,394

<i>Now he begs you to help him</i>

<i>in his struggle against the Empire.</i>

358

00:35:15,523 --> 00:35:18,607

<i>I regret that I am unable to present</i>

<i>my father's request in person.</i>

359

00:35:18,735 --> 00:35:20,644

<i>But my ship</i>

<i>has fallen under attack...</i>

360

00:35:20,778 --> 00:35:22,937

<i>and my mission</i>

<i>to bring you to Alderaan has failed.</i>

361

00:35:23,072 --> 00:35:26,322

<i>I have placed information vital</i>

<i>to the survival of the rebellion...</i>

362

00:35:26,451 --> 00:35:28,490

<i>into the memory systems</i>

<i>of this R2 unit.</i>

363

00:35:28,619 --> 00:35:30,411

<i>My father will know</i>

<i>how to retrieve it.</i>

364

00:35:31,247 --> 00:35:34,367

<i>You must see this droid</i>

<i>safely delivered to him on Alderaan.</i>

365

00:35:35,251 --> 00:35:37,623

<i>This is our most desperate hour.</i>

366

00:35:37,754 --> 00:35:40,790

<i>Help me, Obi-Wan Kenobi.</i>

<i>You're my only hope.</i>

367

00:35:55,813 --> 00:35:59,858

You must learn the ways of the Force
if you're to come with me to Alderaan.

368

00:35:59,984 --> 00:36:01,395

Alderaan?

369

00:36:01,527 --> 00:36:03,437

I'm not going to Alderaan.

370

00:36:03,571 --> 00:36:05,777

I've gotta get home.

I'm in for it as it is.

371

00:36:05,907 --> 00:36:08,314

I need your help, Luke.

She needs your help.

372

00:36:08,451 --> 00:36:11,535

I'm getting too old

for this sort of thing.

373

00:36:16,209 --> 00:36:19,494

I can't get involved.

I've got work to do.

374

00:36:20,380 --> 00:36:22,171

It's not that I like the Empire.

I hate it.

375

00:36:22,298 --> 00:36:24,920

But there's nothing

I can do about it right now.

376

00:36:26,386 --> 00:36:29,837

- It's all such a long way from here.

- That's your uncle talking.

377

00:36:29,972 --> 00:36:33,804

Oh, boy. My uncle.

How am I ever gonna explain this?

378

00:36:33,935 --> 00:36:36,342

Learn about the Force, Luke.

379

00:36:42,819 --> 00:36:44,977

I can take you

as far as Anchorhead.

380

00:36:45,697 --> 00:36:49,030

You can get a transport there
to Mos Eisley or wherever you're going.

381

00:36:50,326 --> 00:36:53,280

You must do what you feel

is right, of course.

382

00:37:00,878 --> 00:37:04,461

Until this battle station is fully
operational, we are vulnerable.

383

00:37:04,590 --> 00:37:06,713

The Rebel Alliance
is too well equipped.

384

00:37:06,843 --> 00:37:08,716

They're more dangerous
than you realize.

385

00:37:08,845 --> 00:37:11,715

Dangerous to your starfleet,
Commander...

386

00:37:11,848 --> 00:37:13,508

not to this battle station.

387

00:37:13,641 --> 00:37:17,224

The rebellion will continue to
gain support in the Imperial Senate...

388

00:37:17,353 --> 00:37:21,018

The Imperial Senate will no longer
be of any concern to us.

389

00:37:21,816 --> 00:37:25,896

I've just received word that the emperor
has dissolved the council permanently.

390

00:37:26,029 --> 00:37:29,647

The last remnants of the old Republic
have been swept away.

391

00:37:30,366 --> 00:37:31,742

That's impossible.

392

00:37:31,868 --> 00:37:34,247

How will the emperor maintain control
without the bureaucracy?

393

00:37:34,347 --> 00:37:38,741

The regional governors now have
direct control over their territories.

394

00:37:39,500 --> 00:37:43,119

Fear will keep
the local systems in line.

395

00:37:43,254 --> 00:37:46,588

- Fear of this battle station.
- And what of the rebellion?

396

00:37:46,716 --> 00:37:49,919

If the rebels have obtained a complete
technical readout of this station...

397

00:37:50,053 --> 00:37:51,962

it is possible,
however unlikely...

398

00:37:52,096 --> 00:37:54,172

that they might find a weakness
and exploit it.

399

00:37:54,974 --> 00:37:58,509

The plans you refer to will

soon be back in our hands.

400

00:37:58,644 --> 00:38:02,891

Any attack by the rebels against this station would be a useless gesture...

401

00:38:03,024 --> 00:38:04,981

no matter what technical data they've obtained.

402

00:38:05,109 --> 00:38:08,692

This station is now the ultimate power in the universe.

403

00:38:09,489 --> 00:38:11,113

I suggest we use it.

404

00:38:11,240 --> 00:38:15,452

Don't be too proud of this technological terror you've constructed.

405

00:38:15,578 --> 00:38:18,947

The ability to destroy a planet

is insignificant...

406

00:38:19,082 --> 00:38:20,873

next to the power of the Force.

407

00:38:21,000 --> 00:38:24,416

Don't try to frighten us with
your sorcerer's ways, Lord Vader.

408

00:38:24,545 --> 00:38:27,167

Your sad devotion
to that ancient religion...

409

00:38:27,298 --> 00:38:30,050

has not helped you conjure up
the stolen data tapes...

410

00:38:30,176 --> 00:38:34,221

or given you clairvoyance enough
to find the rebels' hidden fortress...

411

00:38:41,104 --> 00:38:43,180

I find your lack of faith disturbing.

412

00:38:45,233 --> 00:38:47,902

Enough of this.

Vader, release him.

413

00:38:48,027 --> 00:38:49,438

As you wish.

414

00:38:51,698 --> 00:38:53,737

This bickering is pointless.

415

00:38:54,951 --> 00:38:58,616

Lord Vader will provide us with
the location of the rebel fortress...

416

00:38:58,746 --> 00:39:00,786

by the time this station
is operational.

417

00:39:01,499 --> 00:39:04,619

We will then crush the rebellion
with one swift stroke.

418

00:39:12,635 --> 00:39:15,838

It looks like the Sandpeople did this.

There's gaffi sticks, Bantha tracks.

419

00:39:15,972 --> 00:39:18,593

I've just never heard of them
hitting anything this big before.

420

00:39:18,725 --> 00:39:22,010

They didn't, but we are
meant to think they did.

421

00:39:22,145 --> 00:39:24,018

These tracks are side-by-side.

422

00:39:24,147 --> 00:39:28,275

Sandpeople always ride single file
to hide their numbers.

423

00:39:28,401 --> 00:39:31,236

These are the same Jawas
that sold us R2 and 3PO.

424

00:39:31,362 --> 00:39:35,526

And these blast points,
too accurate for Sandpeople.

425

00:39:36,242 --> 00:39:40,109

Only imperial stormtroopers
are so precise.

426

00:39:40,246 --> 00:39:42,702

But why would imperial troops
want to slaughter Jawas?

427

00:39:48,212 --> 00:39:51,266

If they traced the robots here, they may
have learned who they sold them to...

428

00:39:51,366 --> 00:39:53,256

and that would lead
them back... home.

429

00:39:53,384 --> 00:39:54,629

Wait, Luke.

430

00:39:54,761 --> 00:39:56,718

It's too dangerous.

431

00:40:20,870 --> 00:40:22,198

Uncle Owen.

432

00:40:22,330 --> 00:40:23,658

Aunt Beru.

433

00:41:16,384 --> 00:41:19,254

Now, Your Highness,
we will discuss the location...

434

00:41:19,387 --> 00:41:21,925

of your hidden rebel base.

435

00:42:04,807 --> 00:42:07,263

There's nothing you could have done,
had you been there.

436

00:42:08,144 --> 00:42:10,018

You'd have been killed too...

437

00:42:10,146 --> 00:42:12,815

and the droids would now be
in the hands of the Empire.

438

00:42:14,650 --> 00:42:16,608

I want to come with you to Alderaan.

439

00:42:17,403 --> 00:42:19,360

There's nothing for me here now.

440

00:42:19,489 --> 00:42:22,443

I want to learn the ways of the Force
and become a Jedi like my father.

441

00:42:38,216 --> 00:42:40,504

Mos Eisley spaceport.

442

00:42:40,635 --> 00:42:45,380

You will never find a more wretched hive
of scum and villainy.

443

00:42:46,349 --> 00:42:48,306

We must be cautious.

444

00:43:29,225 --> 00:43:31,099

How long have you
had these droids?

445

00:43:31,227 --> 00:43:34,347

- Three or four seasons.
- They're up for sale if you want them.

446

00:43:34,480 --> 00:43:36,307

Let me see your identification.

447

00:43:36,441 --> 00:43:39,726

You don't need to see
his identification.

448

00:43:39,861 --> 00:43:42,186

We don't need to see
his identification.

449

00:43:42,321 --> 00:43:44,813

These aren't the droids
you're looking for.

450

00:43:44,949 --> 00:43:46,858

These aren't the droids
we're looking for.

451

00:43:48,077 --> 00:43:50,402

He can go about his business.

452

00:43:50,538 --> 00:43:53,741

- You can go about your business.
- Move along.

453

00:43:53,875 --> 00:43:55,073

Move along.

454

00:44:12,769 --> 00:44:15,888

I can't abide those Jawas.
Disgusting creatures.

455

00:44:16,939 --> 00:44:18,849

Go on, go on.

456

00:44:20,234 --> 00:44:23,438

I can't understand how we got by
those troops. I thought we were dead.

457

00:44:23,571 --> 00:44:27,865

The Force can have a strong influence
on the weak-minded.

458

00:44:31,162 --> 00:44:34,198

You really think we're gonna find
a pilot here to take us to Alderaan?

459

00:44:34,332 --> 00:44:37,249

Most of the best freighter pilots
are to be found here.

460

00:44:37,377 --> 00:44:41,161

Only watch your step...
this place can be a little rough.

461

00:44:41,297 --> 00:44:43,420

I'm ready for anything.

462

00:44:46,928 --> 00:44:48,802

Come along, R2.

463

00:45:38,855 --> 00:45:42,306

- Hey. We don't serve their kind here.

- What?

464

00:45:42,442 --> 00:45:45,359

Your droids... they'll have to wait
outside. We don't want them here.

465

00:45:45,486 --> 00:45:47,894

Wait out by the speeder.

We don't want any trouble.

466

00:45:48,031 --> 00:45:49,988

I heartily agree with you, sir.

467

00:45:59,667 --> 00:46:01,624

I'll have one of those.

468

00:46:36,371 --> 00:46:39,040

- He doesn't like you.

- I'm sorry.

469

00:46:41,084 --> 00:46:44,583

I don't like you either.

You just watch yourself.

470

00:46:44,712 --> 00:46:49,255

We're wanted men.

I have the death sentence on 12 systems.

471

00:46:49,384 --> 00:46:52,171

- I'll be careful then.

- You'll be dead.

472

00:46:52,303 --> 00:46:54,212

This little one's

not worth the effort.

473

00:46:55,431 --> 00:46:57,388

Come, let me get you something.

474

00:47:24,252 --> 00:47:26,209

I'm all right.

475

00:47:27,547 --> 00:47:31,591

Chewbacca here is first mate
on a ship that might suit us.

476

00:47:36,556 --> 00:47:38,548

I don't like the look of this.

477

00:47:53,406 --> 00:47:56,941

Han Solo. I'm captain
of the *Millennium Falcon*.

478

00:47:57,076 --> 00:48:00,243

Chewie here tells me you're looking
for passage to the Alderaan system.

479

00:48:00,371 --> 00:48:02,660

Yes, indeed,
if it's a fast ship.

480

00:48:02,790 --> 00:48:06,539

Fast ship? You've never heard of
the *Millennium Falcon*?

481

00:48:06,669 --> 00:48:08,247

Should I have?

482

00:48:08,379 --> 00:48:11,499

It's the ship that made the Kessel run
in less than 12 parsecs.

483

00:48:13,551 --> 00:48:15,793

I've outrun imperial starships.

484

00:48:15,928 --> 00:48:17,886

Not the local bulk cruisers,
mind you.

485

00:48:18,014 --> 00:48:20,137

I'm talking about
the big Corellian ships now.

486

00:48:21,976 --> 00:48:23,969

She's fast enough for you,

old man.

487

00:48:25,063 --> 00:48:27,933

- What's the cargo?

- Only passengers...

488

00:48:28,066 --> 00:48:30,853

myself, the boy, two droids...

489

00:48:32,028 --> 00:48:33,902

and no questions asked.

490

00:48:35,198 --> 00:48:37,025

Is it some kind of local trouble?

491

00:48:37,158 --> 00:48:42,283

Let's just say we'd like to avoid
any imperial entanglements.

492

00:48:43,790 --> 00:48:46,494

Well, that's the real trick, isn't it?

493

00:48:46,626 --> 00:48:48,535

And it's gonna cost you
something extra.

494

00:48:50,380 --> 00:48:52,088

10,000, all in advance.

495

00:48:53,883 --> 00:48:55,128

10,000?

496

00:48:56,469 --> 00:48:59,007

We could almost
buy our own ship for that.

497

00:48:59,138 --> 00:49:01,345

But who's gonna fly it, kid? You?

498

00:49:01,474 --> 00:49:03,514

You bet I could.

I'm not such a bad pilot.

499

00:49:03,643 --> 00:49:06,015

We don't have

to sit here and listen...

500

00:49:06,145 --> 00:49:08,980

We can pay you 2,000 now...

501

00:49:09,107 --> 00:49:12,357

plus 15 when we reach Alderaan.

502

00:49:13,152 --> 00:49:14,267

Seventeen?

503

00:49:18,032 --> 00:49:20,274

Okay, you guys

got yourselves a ship.

504

00:49:20,410 --> 00:49:22,865

We'll leave as soon as you're ready.

Docking Bay 94.

505

00:49:22,995 --> 00:49:24,110

Ninety-four.

506

00:49:25,748 --> 00:49:29,200

Looks like somebody's beginning
to take an interest in your handiwork.

507

00:49:30,753 --> 00:49:32,829

All right. We'll check it out.

508

00:49:44,767 --> 00:49:48,183

17,000. Those guys
must really be desperate.

509

00:49:48,312 --> 00:49:51,728

This could really save my neck.
Get back to the ship, get it ready.

510

00:49:52,859 --> 00:49:54,859

- You'll have to sell your speeder.
- That's okay.

511

00:49:54,986 --> 00:49:56,978

I'm never coming back
to this planet again.

512

00:49:58,114 --> 00:50:00,570

Going somewhere, Solo?

513

00:50:00,700 --> 00:50:03,736

Yes, Greedo. As a matter of fact,
I was just going to see your boss.

514

00:50:03,870 --> 00:50:05,993

Tell Jabba that
I've got his money.

515

00:50:06,122 --> 00:50:07,996

It's too late.

516

00:50:08,124 --> 00:50:10,496

You should have paid him
when you had the chance.

517

00:50:10,626 --> 00:50:14,042

Jabba's put a price on your head
so large...

518

00:50:14,172 --> 00:50:17,089

every bounty hunter in the galaxy
will be looking for you.

519

00:50:17,216 --> 00:50:19,174

I'm lucky I found you first.

520

00:50:19,302 --> 00:50:21,460

Yeah, but this time

I've got the money.

521

00:50:21,596 --> 00:50:25,131

If you give it to me,

I might forget I found you.

522

00:50:25,266 --> 00:50:28,552

I don't have it with me.

Tell Jabba...

523

00:50:28,686 --> 00:50:31,142

Jabba's through with you.

524

00:50:31,272 --> 00:50:33,763

He has no time for smugglers...

525

00:50:33,900 --> 00:50:36,540

who drop their shipments at
the first sign of an imperial cruiser.

526

00:50:36,652 --> 00:50:40,353

Even I get boarded sometimes.
Do you think I had a choice?

527

00:50:40,490 --> 00:50:44,570

You can tell that to Jabba.
He may only take your ship.

528

00:50:45,379 --> 00:50:46,861

Over my dead body.

529

00:50:46,996 --> 00:50:48,111

That's the idea.

530

00:50:48,247 --> 00:50:52,197

I've been looking forward to this
for a long time.

531

00:50:52,335 --> 00:50:53,615

I'll bet you have.

532

00:51:07,684 --> 00:51:09,807

Sorry about the mess.

533

00:51:18,695 --> 00:51:21,696

Her resistance to the mind probe
is considerable.

534

00:51:21,823 --> 00:51:25,239

It'll be some time before we can
extract any information from her.

535

00:51:25,368 --> 00:51:28,903

The final checkout is completed.
All systems are operational.

536

00:51:29,039 --> 00:51:31,197

What course shall we set?

537

00:51:31,333 --> 00:51:34,702

Perhaps she would respond
to an alternative form of persuasion.

538

00:51:34,836 --> 00:51:36,414

What do you mean?

539

00:51:36,546 --> 00:51:39,464

I think it is time we demonstrated
the full power of this station.

540

00:51:39,591 --> 00:51:42,047

- Set your course for Alderaan.
- With pleasure.

541

00:51:43,261 --> 00:51:45,254

Lock the door, R2.

542

00:51:47,390 --> 00:51:49,348

Check this side of the street.

543

00:51:53,563 --> 00:51:56,101

The door's locked.

Move on to the next one.

544

00:52:02,739 --> 00:52:05,693

I would much rather have gone with
Master Luke than stay here with you.

545

00:52:06,493 --> 00:52:09,909

I don't know what this trouble is about,
but I'm sure it must be your fault.

546

00:52:10,747 --> 00:52:12,241

Watch your language.

547

00:52:14,334 --> 00:52:16,825

All right. Give it to me.
I'll take it.

548

00:52:17,712 --> 00:52:21,247

Look at this. Ever since the XP-38
came out, they just aren't in demand.

549

00:52:21,383 --> 00:52:23,126

It'll be enough.

550

00:52:41,778 --> 00:52:44,814

Solo! Come out of there, Solo!

551

00:52:46,157 --> 00:52:48,115

Right here, Jabba.

552

00:52:49,369 --> 00:52:50,863

I've been waitin' for you.

553

00:52:50,996 --> 00:52:52,905

Have you now.

554

00:52:54,791 --> 00:52:56,914

You didn't think I was
gonna run, did you?

555

00:52:57,627 --> 00:53:02,040

Han, my boy, you disappoint me.

556

00:53:02,174 --> 00:53:04,213

Why haven't you paid me...

557

00:53:04,342 --> 00:53:07,711

and why did you fry poor Greedo?

558

00:53:07,846 --> 00:53:12,093

Jabba, next time you wanna talk to me,
come yourself. Don't send these twerps.

559

00:53:12,225 --> 00:53:15,725

Han, I can't make exceptions.

560

00:53:15,854 --> 00:53:18,689

What if everyone
who smuggled for me...

561

00:53:18,815 --> 00:53:21,353

dropped their cargo
at the first sign...

562

00:53:21,484 --> 00:53:24,106

of an imperial starship?

563

00:53:24,237 --> 00:53:26,111

It's not good business.

564

00:53:26,239 --> 00:53:29,608

Look, Jabba,
even I get boarded sometimes.

565

00:53:30,911 --> 00:53:33,318

You think I had a choice?

566

00:53:33,455 --> 00:53:35,198

But I got a nice, easy charter.

567

00:53:35,332 --> 00:53:39,376

I'll pay ya back, plus a little extra.
I just need a little more time.

568

00:53:39,503 --> 00:53:45,042

Han, my boy, you're the best.

569

00:53:45,175 --> 00:53:47,500

So, for an extra 20%...

570

00:53:47,636 --> 00:53:49,593

Fifteen, Jabba.

Don't push it.

571

00:53:49,721 --> 00:53:51,761

Okay, 15%.

572

00:53:51,890 --> 00:53:54,013

But if you fail me again...

573

00:53:54,142 --> 00:53:57,060

I'll put a price on your head so big...

574

00:53:57,187 --> 00:54:01,350

you won't be able to go near

a civilized system.

575

00:54:01,483 --> 00:54:04,235

Jabba, you're a wonderful

human being.

576

00:54:05,737 --> 00:54:06,852

Come on!

577

00:54:12,869 --> 00:54:16,487

If the ship's as fast as he's boasting,
we ought to do well.

578

00:54:40,230 --> 00:54:42,104

What a piece of junk.

579

00:54:42,232 --> 00:54:44,723

She'll make .5 past light speed.

580

00:54:44,860 --> 00:54:47,611

She may not look like much,
but she's got it where it counts, kid.

581

00:54:47,737 --> 00:54:50,691

I've made a lot of special
modifications myself.

582

00:54:50,824 --> 00:54:54,691

But we're a little rushed, so if you'll
just get on board, we'll get outta here.

583

00:54:59,332 --> 00:55:00,791

Hello, sir.

584

00:55:09,926 --> 00:55:11,385

Which way?

585

00:55:13,013 --> 00:55:14,970

All right, men,
load your weapons.

586

00:55:16,600 --> 00:55:19,138

Stop that ship.

Blast them.

587

00:55:29,029 --> 00:55:30,986

Chewie, get us out of here!

588

00:55:32,449 --> 00:55:35,948

Oh, my. I'd forgotten
how much I hate space travel.

589

00:55:54,930 --> 00:55:57,850

Looks like an imperial cruiser. Our
passengers are hotter than I thought.

590

00:55:57,974 --> 00:55:59,721

Hold 'em off.

Angle the deflector shields...

591

00:55:59,821 --> 00:56:02,129

while I make the calculations
for the jump to light speed.

592

00:56:12,489 --> 00:56:15,359

Stay sharp. There's two more comin'.

They're gonna try and cut us off.

593

00:56:15,492 --> 00:56:17,626

Why don't you outrun 'em?

I thought this thing was fast.

594

00:56:17,726 --> 00:56:19,789

Watch your mouth, or you're
gonna find yourself floating home.

595

00:56:19,889 --> 00:56:22,948

We'll be safe enough
once we make the jump to hyperspace.

596

00:56:23,083 --> 00:56:25,413

Besides, I know a few manoeuvres.
We'll lose 'em.

597

00:56:29,047 --> 00:56:31,040

Here's where the fun begins.

598

00:56:31,174 --> 00:56:32,934

How long before you can
jump to light speed?

599

00:56:33,051 --> 00:56:35,922

It'll take a few moments to get
the coordinates from the navicomputer.

600

00:56:36,054 --> 00:56:37,596

At the rate they're gaining?

601

00:56:37,722 --> 00:56:40,723

Travelling through hyperspace
ain't like dustin' crops, boy.

602

00:56:40,851 --> 00:56:42,088

Without precise calculations...

603

00:56:42,188 --> 00:56:44,706

we'd fly right through a star
or bounce too close to a supernova...

604

00:56:44,806 --> 00:56:46,971

and that would end your trip
real quick.

605

00:56:47,107 --> 00:56:49,427

- What's that flashing?
- We're losing a deflector shield.

606

00:56:49,568 --> 00:56:52,485

Go strap yourselves in.
I'm gonna make the jump to light speed.

607

00:57:13,608 --> 00:57:15,897

We've entered
the Alderaan system.

608

00:57:16,945 --> 00:57:20,859

Governor Tarkin. I should have expected
to find you holding Vader's leash.

609

00:57:20,991 --> 00:57:24,609

I recognized your foul stench
when I was brought on board.

610

00:57:26,288 --> 00:57:28,161

Charming to the last.

611

00:57:28,873 --> 00:57:30,747

You don't know
how hard I found it...

612

00:57:30,875 --> 00:57:32,749

signing the order
to terminate your life.

613

00:57:32,877 --> 00:57:35,677

I'm surprised you had the courage
to take the responsibility yourself.

614

00:57:35,839 --> 00:57:38,959

Princess Leia,
before your execution...

615

00:57:39,092 --> 00:57:41,250

I would like you to be my guest
at a ceremony...

616

00:57:41,386 --> 00:57:44,387

that will make
this battle station operational.

617

00:57:44,514 --> 00:57:47,301

No star system will dare
oppose the emperor now.

618

00:57:48,018 --> 00:57:50,094

The more you
tighten your grip, Tarkin...

619

00:57:50,228 --> 00:57:52,850

the more star systems
will slip through your fingers.

620

00:57:52,981 --> 00:57:55,686

Not after we demonstrate
the power of this station.

621

00:57:56,401 --> 00:57:59,817

In a way, you have determined
the choice of the planet...

622

00:57:59,946 --> 00:58:02,069

that'll be destroyed first.

623

00:58:02,198 --> 00:58:06,659

Since you are reluctant to provide us
with the location of the rebel base...

624

00:58:06,786 --> 00:58:09,574

I have chosen to test
this station's destructive power...

625

00:58:09,706 --> 00:58:11,663

on your home planet of Alderaan.

626

00:58:12,667 --> 00:58:15,372

No. Alderaan is peaceful.

We have no weapons.

627

00:58:15,503 --> 00:58:17,792

You would prefer another target?

A military target?

628

00:58:17,922 --> 00:58:20,081

Then name the system.

629

00:58:22,052 --> 00:58:25,385

I grow tired of asking this,

so it will be the last time.

630

00:58:26,306 --> 00:58:28,133

Where is the rebel base?

631

00:58:31,728 --> 00:58:33,306

Dantooine.

632

00:58:34,022 --> 00:58:35,765

They're on Dantooine.

633

00:58:35,899 --> 00:58:39,268

There. You see, Lord Vader?

She can be reasonable.

634

00:58:39,402 --> 00:58:42,189

Continue with the operation.

You may fire when ready.

635

00:58:42,322 --> 00:58:44,445

- What?

- You're far too trusting.

636

00:58:44,574 --> 00:58:46,982

Dantooine is too remote

to make an effective demonstration.

637

00:58:47,118 --> 00:58:51,661

But don't worry. We will deal with
your rebel friends soon enough.

638

00:58:54,125 --> 00:58:56,201

Commence primary ignition.

639

00:59:19,609 --> 00:59:21,732

Are you all right?

What's wrong?

640

00:59:23,154 --> 00:59:25,313

I felt a great disturbance

in the Force...

641

00:59:25,448 --> 00:59:28,568

as if millions of voices suddenly

cried out in terror...

642

00:59:28,702 --> 00:59:30,611

and were suddenly silenced.

643

00:59:31,329 --> 00:59:33,322

I fear something terrible

has happened.

644

00:59:35,125 --> 00:59:37,331

You'd better get on
with your exercises.

645

00:59:39,921 --> 00:59:42,293

You can forget your troubles
with those imperial slugs.

646

00:59:42,424 --> 00:59:44,381

I told you I'd outrun them.

647

00:59:48,388 --> 00:59:50,427

Don't everybody
thank me at once.

648

00:59:50,557 --> 00:59:53,926

Anyway, we should be at Alderaan
about 0200 hours.

649

01:00:02,527 --> 01:00:04,484

Now be careful, R2.

650

01:00:13,913 --> 01:00:16,451

He made a fair move.

Screaming about it can't help you.

651

01:00:16,583 --> 01:00:18,706

Let him have it.

It's not wise to upset a Wookiee.

652

01:00:18,835 --> 01:00:21,160

But, sir, nobody worries

about upsetting a droid.

653

01:00:21,296 --> 01:00:25,839

'Cause a droid don't pull people's arms
out of their sockets when they lose.

654

01:00:26,070 --> 01:00:28,229

Wookiees are known to do that.

655

01:00:30,390 --> 01:00:31,818

I see your point, sir.

656

01:00:31,951 --> 01:00:35,534

I suggest a new strategy, R2.

Let the Wookiee win.

657

01:00:54,057 --> 01:00:57,639

Remember, a Jedi can feel the Force
flowing through him.

658

01:00:58,436 --> 01:01:00,725

- You mean it controls your actions?

- Partially.

659

01:01:00,855 --> 01:01:02,729

But it also obeys your commands.

660

01:01:07,987 --> 01:01:12,151

Hokey religions and ancient weapons
are no match for a blaster at your side.

661

01:01:12,909 --> 01:01:15,316

You don't believe
in the Force, do you?

662

01:01:15,453 --> 01:01:17,825

Kid, I've flown from one side
of this galaxy to the other.

663

01:01:17,955 --> 01:01:19,829

I've seen a lot of strange stuff...

664

01:01:19,957 --> 01:01:22,199

but I've never seen anything

to make me believe...

665

01:01:22,335 --> 01:01:25,620

there's one all-powerful force

controlling everything.

666

01:01:25,755 --> 01:01:29,835

There's no mystical energy field

controls my destiny.

667

01:01:29,967 --> 01:01:32,803

It's all a lot of

simple tricks and nonsense.

668

01:01:32,929 --> 01:01:35,799

I suggest you try it again, Luke.

669

01:01:37,183 --> 01:01:40,137

This time, let go your conscious self...

670

01:01:42,021 --> 01:01:44,180

and act on instinct.

671

01:01:45,316 --> 01:01:48,732

With the blast shield down, I can't see.

How am I supposed to fight?

672

01:01:48,861 --> 01:01:51,233

Your eyes can deceive you.

Don't trust them.

673

01:02:00,707 --> 01:02:02,995

Stretch out with your feelings.

674

01:02:17,473 --> 01:02:19,596

You see? You can do it.

675

01:02:19,726 --> 01:02:21,350

I call it luck.

676

01:02:21,477 --> 01:02:24,051

In my experience,

there's no such thing as luck.

677

01:02:24,188 --> 01:02:26,430

Good against remotes is one thing.

678

01:02:26,566 --> 01:02:29,520

Good against the living,

that's something else.

679

01:02:30,653 --> 01:02:32,562

We're coming up on Alderaan.

680

01:02:35,992 --> 01:02:38,661

I did feel something.

I could almost see the remote.

681

01:02:38,786 --> 01:02:43,164

That's good. You've taken

your first step into a larger world.

682

01:02:48,421 --> 01:02:49,963

Yes?

683

01:02:50,089 --> 01:02:51,998

Our scout ships

have reached Dantooine.

684

01:02:52,133 --> 01:02:54,007

They found the remains

of a rebel base...

685

01:02:54,135 --> 01:02:56,455

but they estimate that

it has been deserted for some time.

686

01:02:56,596 --> 01:02:59,929

They are now conducting an extensive
search of the surrounding systems.

687

01:03:00,975 --> 01:03:03,513

She lied.

She lied to us.

688

01:03:03,644 --> 01:03:07,310

I told you she would never
consciously betray the rebellion.

689

01:03:08,691 --> 01:03:10,648

Terminate her immediately.

690

01:03:13,688 --> 01:03:16,309

Stand by, Chewie.
Cut in the sublight engines.

691

01:03:19,068 --> 01:03:20,147

What the...

692

01:03:23,322 --> 01:03:26,987

We've come out in a meteor shower,
some kind of asteroid collision.

693

01:03:27,118 --> 01:03:29,406

- It's not on any of the charts.
- What's going on?

694

01:03:29,537 --> 01:03:31,826

Our position's correct,
except no Alderaan.

695

01:03:31,956 --> 01:03:34,162

- Where is it?

- That's what I'm trying to tell you.

696

01:03:34,292 --> 01:03:36,083

It ain't there.

It's been blown away.

697

01:03:36,210 --> 01:03:38,880

- What? How?

- Destroyed by the Empire.

698

01:03:39,005 --> 01:03:41,205

The entire starfleet
couldn't destroy the whole planet.

699

01:03:41,340 --> 01:03:43,831

It'd take a thousand ships

with more firepower than I've...

700

01:03:45,428 --> 01:03:47,866

- There's another ship coming in.
- Maybe they know what happened.

701

01:03:47,966 --> 01:03:49,320

It's an imperial fighter.

702

01:03:51,100 --> 01:03:53,673

- It followed us.
- No. It's a short-range fighter.

703

01:03:53,811 --> 01:03:55,934

There aren't any bases here.

Where did it come from?

704

01:03:59,233 --> 01:04:01,938

Sure is leaving in a hurry.

If they identify us, we're in trouble.

705

01:04:02,069 --> 01:04:04,149

Not if I can help it.

Chewie, jam its transmissions.

706

01:04:04,280 --> 01:04:07,613

- Let it go. It's too far out of range.

- Not for long.

707

01:04:11,495 --> 01:04:14,699

A fighter that size couldn't get
this deep into space on its own.

708

01:04:14,832 --> 01:04:17,454

He must have gotten lost,
been part of a convoy or something.

709

01:04:17,585 --> 01:04:20,420

He ain't gonna be around
long enough to tell anybody about us.

710

01:04:22,965 --> 01:04:24,839

He's heading for that small moon.

711

01:04:24,967 --> 01:04:27,458

I can get him before he gets there.

He's almost in range.

712

01:04:29,055 --> 01:04:31,131

That's no moon.

713

01:04:31,265 --> 01:04:34,551

- It's a space station.

- It's too big to be a space station.

714

01:04:37,939 --> 01:04:40,346

I have a very bad

feeling about this.

715

01:04:40,483 --> 01:04:42,310

Turn the ship around.

716

01:04:42,443 --> 01:04:44,649

Yeah. I think you're right.

Full reverse.

717

01:04:44,779 --> 01:04:46,771

Chewie, lock in

the auxiliary power.

718

01:04:51,535 --> 01:04:53,658

Chewie, lock in
the auxiliary power.

719

01:04:55,706 --> 01:04:57,616

Why are we still
moving towards it?

720

01:04:57,750 --> 01:04:59,541

A tractor beam's pulling us in.

721

01:04:59,669 --> 01:05:01,293

There's gotta be
something you can do.

722

01:05:01,420 --> 01:05:04,256

There's nothing I can do.
I'm at full power. I have to shut down.

723

01:05:04,382 --> 01:05:06,754

They're not gonna get me
without a fight.

724

01:05:10,304 --> 01:05:13,804

You can't win, but there are
alternatives to fighting.

725

01:05:30,491 --> 01:05:32,650

<i>Clear Bay 327.</i>

726

01:05:32,785 --> 01:05:35,074

<i>We are opening</i>

<i>the magnetic field.</i>

727

01:05:49,719 --> 01:05:51,676

To your stations.

Come with me.

728

01:05:56,267 --> 01:05:59,636

<i>Close all outboard shields.</i>

<i>Close all outboard shields.</i>

729

01:06:01,632 --> 01:06:02,326

Yes?

730

01:06:02,426 --> 01:06:05,399

<i>We've captured a freighter entering</i>
<i>the remains of the Alderaan system.</i>

731

01:06:05,526 --> 01:06:09,358

<i>Its markings match those of a ship</i>
<i>that blasted its way out of Mos Eisley.</i>

732

01:06:09,488 --> 01:06:13,237

They must be trying to return
the stolen plans to the princess.

733

01:06:13,367 --> 01:06:16,404

She may yet be of some use to us.

734

01:06:21,500 --> 01:06:24,786

<i>Unlock 1, 5, 7 and 9.</i>
<i>Release charge.</i>

735

01:06:27,006 --> 01:06:29,046

<i>316, report to control.</i>

736

01:06:32,345 --> 01:06:34,005

There's no one on board, sir.

737

01:06:34,138 --> 01:06:37,124

According to the log, the crew
abandoned ship right after take-off.

738

01:06:37,683 --> 01:06:40,470

It must be a decoy. Several
escape pods have been jettisoned.

739

01:06:40,603 --> 01:06:42,512

- Did you find any droids?

- No, sir.

740

01:06:42,647 --> 01:06:44,447

If there were any,
they must have jettisoned.

741

01:06:44,607 --> 01:06:48,058

Send a scanning crew aboard.
I want every part of this ship checked.

742

01:06:48,194 --> 01:06:49,392

Yes, sir.

743

01:06:49,528 --> 01:06:51,071

I sense something...

744

01:06:51,197 --> 01:06:53,652

a presence I've not felt since...

745

01:06:56,369 --> 01:06:59,702

Get me a scanning crew in here.

I want every part of this ship checked.

746

01:07:08,756 --> 01:07:10,713

There's no one here.

747

01:07:19,642 --> 01:07:21,765

Boy, it's lucky you had
these compartments.

748

01:07:21,894 --> 01:07:24,931

I use them for smuggling. I never
thought I'd be smuggling myself in 'em.

749

01:07:25,064 --> 01:07:26,227

This is ridiculous.

750

01:07:26,357 --> 01:07:28,837

Even if I could take off,
I'd never get past the tractor beam.

751

01:07:28,985 --> 01:07:30,265

Leave that to me.

752

01:07:30,403 --> 01:07:33,439

Damn fool.
I knew you were gonna say that.

753

01:07:33,573 --> 01:07:36,988

Who's the more foolish,
the fool or the fool who follows him?

754

01:07:46,627 --> 01:07:50,245

The ship's all yours. If the scanners
pick up anything, report it immediately.

755

01:07:51,924 --> 01:07:53,383

Let's go.

756

01:08:08,107 --> 01:08:10,064

Hey, down there.

757

01:08:11,736 --> 01:08:13,693

Could you give us a hand with this?

758

01:08:22,121 --> 01:08:24,529

TK-421, why aren't you
at your post?

759

01:08:25,750 --> 01:08:27,742

TK-421, do you copy?

760

01:08:39,764 --> 01:08:42,681

Take over. We've got a bad transmitter.
I'll see what I can do.

761

01:09:00,534 --> 01:09:02,907

Between his howling

and your blasting everything...

762

01:09:03,037 --> 01:09:05,658

it's a wonder the whole station
doesn't know we're here.

763

01:09:05,790 --> 01:09:08,411

Bring 'em on. I prefer a straight fight
to sneakin' around.

764

01:09:08,543 --> 01:09:10,286

We've found
the computer outlet, sir.

765

01:09:10,419 --> 01:09:13,420

Plug in. He should be able to
interpret the entire imperial network.

766

01:09:24,684 --> 01:09:28,100

He's found the controls to the power
beam that's holding the ship here.

767

01:09:28,229 --> 01:09:31,064

He'll try to make the precise location
appear on the monitor.

768

01:09:31,190 --> 01:09:35,402

The tractor beam is coupled
to the main reactor in seven locations.

769

01:09:35,528 --> 01:09:38,529

A power loss at one of the terminals
will allow the ship to leave.

770

01:09:41,325 --> 01:09:44,528

I don't think you boys can help.
I must go alone.

771

01:09:44,662 --> 01:09:48,031

Whatever you say. I've done more than
I bargained for on this trip already.

772

01:09:48,165 --> 01:09:51,997

- I want to go with you.
- Be patient, Luke. Watch the droids.

773

01:09:52,128 --> 01:09:54,085

They must be delivered safely...

774

01:09:54,213 --> 01:09:57,333

or other star systems will suffer
the same fate as Alderaan.

775

01:09:57,466 --> 01:10:00,752

Your destiny lies along
a different path from mine.

776

01:10:04,390 --> 01:10:06,299

The Force will be with you...

777

01:10:06,434 --> 01:10:07,845

always.

778

01:10:17,361 --> 01:10:19,603

You said it, Chewie.

779

01:10:19,739 --> 01:10:22,064

Where did you dig up that old fossil?

780

01:10:23,200 --> 01:10:24,778

Ben is a great man.

781

01:10:24,911 --> 01:10:27,751

- Great at getting us into trouble.

- I didn't hear you give any ideas.

782

01:10:27,914 --> 01:10:30,914

Anything's better than just hangin'
around waiting for 'em to pick us up.

783

01:10:31,042 --> 01:10:33,330

Who do you think...

784

01:10:33,461 --> 01:10:36,664

- What is it?

- I'm afraid I'm not quite sure, sir.

785

01:10:36,797 --> 01:10:39,335

He says, "I've found her,"
and keeps repeating, "She's here."

786

01:10:39,467 --> 01:10:42,040

Who? Who has he found?

787

01:10:42,178 --> 01:10:44,883

- Princess Leia.

- The princess? She's here?

788

01:10:45,014 --> 01:10:46,674

- Princess?

- Where is she?

789

01:10:46,807 --> 01:10:48,681

Princess? What's going on?

790

01:10:54,148 --> 01:10:56,900

Level 5, Detention Block AA-23.

791

01:11:01,781 --> 01:11:04,354

I'm afraid she's scheduled
to be terminated.

792

01:11:04,492 --> 01:11:07,446

Oh, no.

We've gotta do something.

793

01:11:07,578 --> 01:11:09,986

- What are you talking about?

- The droids belong to her.

794

01:11:10,122 --> 01:11:12,033

She's the one in the message.

We gotta help her.

795

01:11:12,133 --> 01:11:14,995

Don't get any funny ideas.

The old man wants us to wait here.

796

01:11:15,127 --> 01:11:18,331

He didn't know she was here.

Find a way into that detention block.

797

01:11:18,464 --> 01:11:20,872

- I'm not going anywhere.

- They're gonna execute her.

798

01:11:21,008 --> 01:11:24,543

You said you didn't want to just wait
to be captured. Now you want to stay?

799

01:11:24,679 --> 01:11:27,715

Marching into the detention area
is not what I had in mind.

800

01:11:27,848 --> 01:11:30,636

- But they're gonna kill her.

- Better her than me.

801

01:11:38,401 --> 01:11:39,681

She's rich.

802

01:11:42,363 --> 01:11:43,738

Rich?

803

01:11:44,448 --> 01:11:48,446

Rich, powerful. If you were to
rescue her, the reward would be...

804

01:11:48,578 --> 01:11:51,365

- What?

- Well, more well than you can imagine.

805

01:11:51,497 --> 01:11:53,406

I don't know.

I can imagine quite a bit.

806

01:11:53,541 --> 01:11:55,580

- You'll get it.

- I better.

807

01:11:55,710 --> 01:11:57,168

You will.

808

01:11:57,295 --> 01:11:59,702

All right, kid.

You better be right about this.

809

01:11:59,839 --> 01:12:01,796

- All right.

- What's your plan?

810

01:12:02,842 --> 01:12:05,297

3PO, hand me those binders there,

will you?

811

01:12:06,888 --> 01:12:08,263

Okay.

812

01:12:08,973 --> 01:12:10,847

Now, I'm gonna put these on you.

813

01:12:12,059 --> 01:12:15,226

Okay, Han,

you put those on.

814

01:12:16,355 --> 01:12:18,763

Don't worry, Chewie.

I think I know what he has in mind.

815

01:12:18,900 --> 01:12:21,272

Master Luke, sir,

pardon me for asking...

816

01:12:21,402 --> 01:12:24,605

but what should R2 and I do

if we're discovered here?

817

01:12:24,739 --> 01:12:28,523

- Lock the door.

- And hope they don't have blasters.

818

01:12:28,659 --> 01:12:30,652

That isn't very reassuring.

819

01:12:51,015 --> 01:12:53,055

<i>517 to scanner control.</i>

820

01:12:53,184 --> 01:12:55,223

<i>517 to scanner control.</i>

821

01:12:59,190 --> 01:13:01,229

<i>316, report to control.</i>

822

01:13:04,904 --> 01:13:07,110

<i>53 to upper bay door.</i>

823

01:13:07,240 --> 01:13:09,565

<i>53 to upper bay door.</i>

824

01:13:22,004 --> 01:13:24,330

I can't see a thing
in this helmet.

825

01:13:55,788 --> 01:13:58,457

- This is not gonna work.
- Why didn't you say so before?

826

01:13:58,583 --> 01:14:00,540

I did say so before.

827

01:14:15,516 --> 01:14:18,719

Where are you
taking this... thing?

828

01:14:18,853 --> 01:14:21,558

Prisoner transfer
from Cell Block 1138.

829

01:14:22,899 --> 01:14:24,808

I wasn't notified.

830

01:14:24,942 --> 01:14:26,899

I'll have to clear it.

831

01:14:33,284 --> 01:14:35,775

- Look out! He's loose!

- He'll tear us all apart!

832

01:15:00,186 --> 01:15:01,186

Look out.

833

01:15:11,447 --> 01:15:13,903

We gotta find out which cell
this princess of yours is in.

834

01:15:14,033 --> 01:15:16,191

Here it is... 2187.

You go and get her.

835

01:15:16,327 --> 01:15:18,284

I'll hold them here.

836

01:15:22,208 --> 01:15:24,781

Everything's under control.

Situation normal.

837

01:15:24,919 --> 01:15:26,082

<i>What happened?</i>

838

01:15:26,212 --> 01:15:28,086

Had a slight weapons malfunction...

839

01:15:28,214 --> 01:15:30,539

but everything's

perfectly all right now.

840

01:15:30,675 --> 01:15:33,841

We're fine. We're all fine here now.

Thank you.

841

01:15:33,970 --> 01:15:36,639

- How are you?

- <i>We're sending a squad up.</i>

842

01:15:37,682 --> 01:15:40,766

Negative, negative.

We have a reactor leak here now.

843

01:15:40,893 --> 01:15:44,761

Give us a few minutes to lock it down.

Large leak, very dangerous.

844

01:15:44,897 --> 01:15:47,435

<i>Who is this?</i>

<i>What's your operating number?</i>

845

01:15:49,902 --> 01:15:53,354

Boring conversation anyway.

Luke, we're gonna have company!

846

01:16:07,044 --> 01:16:09,535

Aren't you a little short

for a stormtrooper?

847

01:16:10,923 --> 01:16:12,382

Oh, the uniform.

848

01:16:13,843 --> 01:16:15,919

I'm Luke Skywalker.

I'm here to rescue you.

849

01:16:16,053 --> 01:16:18,129

- You're who?

- I'm here to rescue you.

850

01:16:18,264 --> 01:16:20,636

I've got your R2 unit.

I'm here with Ben Kenobi.

851

01:16:20,766 --> 01:16:22,724

- Where is he?

- Come on.

852

01:16:24,270 --> 01:16:27,437

- He is here.

- Obi-Wan Kenobi?

853

01:16:28,232 --> 01:16:31,518

- What makes you think so?

- A tremor in the Force.

854

01:16:31,652 --> 01:16:35,484

The last time I felt it
was in the presence of my old master.

855

01:16:35,615 --> 01:16:37,987

Surely he must be dead by now.

856

01:16:38,117 --> 01:16:40,489

Don't underestimate the Force.

857

01:16:41,621 --> 01:16:44,824

The Jedi are extinct.

Their fire has gone out of the universe.

858

01:16:45,708 --> 01:16:48,246

You, my friend, are all that's left
of their religion.

859

01:16:49,128 --> 01:16:50,243

Yes.

860

01:16:50,379 --> 01:16:53,879

<i>We have an emergency alert</i>

<i>in Detention Block AA-23.</i>

861

01:16:54,592 --> 01:16:57,083

The princess?

Put all sections on alert.

862

01:16:57,220 --> 01:17:00,838

Obi-Wan is here.

The Force is with him.

863

01:17:00,973 --> 01:17:03,808

If you're right,

he must not be allowed to escape.

864

01:17:03,935 --> 01:17:07,350

Escape is not his plan.

I must face him alone.

865

01:17:16,697 --> 01:17:18,192

Get behind me.

866

01:17:29,669 --> 01:17:32,373

Watch your left.

They went down the cell bay.

867

01:17:35,466 --> 01:17:38,337

- Can't get out that way.

- You cut off our only escape route.

868

01:17:38,469 --> 01:17:41,090

Maybe you'd like it back in your cell,

Your Highness.

869

01:17:43,516 --> 01:17:45,639

- C-3PO. C-3PO.

- *<i>Yes, sir?</i>*

870

01:17:45,768 --> 01:17:49,219

Are there any other ways out of
the cell bay? We've been cut off.

871

01:17:51,482 --> 01:17:53,688

What was that?

I didn't copy.

872

01:17:53,818 --> 01:17:57,234

I said all systems have been

alerted to your presence, sir.

873

01:17:57,363 --> 01:17:59,854

The main entrance

seems to be the only way in or out.

874

01:17:59,991 --> 01:18:02,197

All other information on your level

is restricted.

875

01:18:02,326 --> 01:18:04,817

Open up in there.

Open up in there.

876

01:18:05,872 --> 01:18:07,531

Oh, no.

877

01:18:07,665 --> 01:18:09,207

There isn't any other way out.

878

01:18:14,839 --> 01:18:17,045

I can't hold them off forever.

Now what?

879

01:18:17,174 --> 01:18:20,674

Some rescue. When you came in here,
didn't you have a plan for getting out?

880

01:18:20,803 --> 01:18:22,760

He's the brains, sweetheart.

881

01:18:22,889 --> 01:18:24,549

Well, I didn't...

882

01:18:25,766 --> 01:18:29,218

- What the hell are you doing?

- Somebody has to save our skins.

883

01:18:31,397 --> 01:18:33,224

Into the garbage chute, fly boy.

884

01:18:40,740 --> 01:18:41,740

Get in!

885

01:18:42,950 --> 01:18:45,951

Get in there, you big furry oaf.

I don't care what you smell.

886

01:18:46,996 --> 01:18:49,452

Get in there,

and don't worry about it.

887

01:18:51,542 --> 01:18:53,001

Wonderful girl.

888

01:18:55,171 --> 01:18:58,338

Either I'm gonna kill her,

or I'm beginning to like her.

889

01:18:59,884 --> 01:19:01,841

Get in there.

890

01:19:14,482 --> 01:19:17,933

The garbage chute was

a really wonderful idea.

891

01:19:18,069 --> 01:19:20,441

What an incredible smell

you've discovered.

892

01:19:23,074 --> 01:19:25,280

Let's get out of here.

893

01:19:25,409 --> 01:19:27,698

- Get away from there.

- No, wait.

894

01:19:34,544 --> 01:19:36,869

I already tried it!

It's magnetically sealed.

895

01:19:37,004 --> 01:19:39,246

Put that thing away!

You're gonna get us all killed!

896

01:19:39,382 --> 01:19:41,291

Absolutely, Your Worship.

897

01:19:41,425 --> 01:19:43,845

Look, I had everything under control

till you led us down here.

898

01:19:43,945 --> 01:19:46,715

It's not gonna take 'em long
to figure out what happened to us.

899

01:19:46,847 --> 01:19:48,805

It could be worse.

900

01:19:52,728 --> 01:19:53,973

It's worse.

901

01:19:54,105 --> 01:19:57,106

- There's something alive in here.
- That's your imagination.

902

01:19:58,109 --> 01:19:59,982

Something just moved
past my leg.

903

01:20:01,737 --> 01:20:03,777

Look. Did you see that?

904

01:20:03,906 --> 01:20:04,906

What?

905

01:20:26,470 --> 01:20:27,929

Kid! Luke!

906

01:20:40,735 --> 01:20:42,443

Grab hold of this!

907

01:20:42,570 --> 01:20:44,895

Blast it! My gun's jammed.

908

01:20:45,031 --> 01:20:47,782

- Where?

- Anywhere!

909

01:21:20,441 --> 01:21:22,019

Help him!

910

01:21:22,151 --> 01:21:24,607

- What happened?

- I don't know.

911

01:21:24,737 --> 01:21:27,026

It just let go of me

and disappeared.

912

01:21:33,079 --> 01:21:35,036

I got a bad feeling about this.

913

01:21:41,170 --> 01:21:44,337

- The walls are moving!

- Try and brace it with something.

914

01:21:53,349 --> 01:21:54,843

Help me.

915

01:22:07,613 --> 01:22:09,238

Wait a minute.

916

01:22:11,325 --> 01:22:14,279

3PO! Come in, 3PO!

917

01:22:15,580 --> 01:22:17,074

<i>3PO!</i>

918

01:22:17,206 --> 01:22:19,163

<i>Where could he be?</i>

919

01:22:23,462 --> 01:22:25,585

Take over. See to him.

920

01:22:28,092 --> 01:22:29,551

Look, there.

921

01:22:32,013 --> 01:22:34,338

They're madmen.

They're heading for the prison level.

922

01:22:34,473 --> 01:22:36,347

If you hurry, you might catch them.

923

01:22:36,475 --> 01:22:37,934

Follow me.

924

01:22:41,689 --> 01:22:43,646

You stand guard.

925

01:22:47,904 --> 01:22:49,184

Come on.

926

01:22:57,538 --> 01:23:00,788

All this excitement has overrun
the circuits in my counterpart here.

927

01:23:00,917 --> 01:23:04,036

If you don't mind, I'd like to
take him down to maintenance.

928

01:23:04,170 --> 01:23:05,664

All right.

929

01:23:17,892 --> 01:23:20,597

3PO. Come in, 3PO.

930

01:23:20,728 --> 01:23:21,926

3PO.

931

01:23:22,063 --> 01:23:24,898

- Get on top.

- I can't.

932

01:23:25,024 --> 01:23:26,851

Where could he be? 3PO.

933

01:23:28,319 --> 01:23:30,062

3PO, will you come in.

934

01:23:30,863 --> 01:23:33,070

They aren't here.

Something must have happened.

935

01:23:33,199 --> 01:23:35,357

See if they've been captured. Hurry.

936

01:23:39,705 --> 01:23:42,659

One thing's for sure.

We're all gonna be a lot thinner.

937

01:23:45,002 --> 01:23:47,244

- Get on top of it.

- I'm trying.

938

01:23:52,635 --> 01:23:56,004

Thank goodness they haven't found them.

Where could they be?

939

01:23:58,558 --> 01:24:00,883

"Use the comlink"? Oh, my.

940

01:24:01,018 --> 01:24:02,892

I forgot.

I turned it off.

941

01:24:07,108 --> 01:24:09,184

- Are you there, sir?

- 3PO?

942

01:24:10,236 --> 01:24:12,774

- We've had some problems.

- *Shut up and listen to me.*

943

01:24:12,905 --> 01:24:16,654

Shut down all the garbage mashers

on the detention level. Do you copy?

944

01:24:16,784 --> 01:24:19,405

Shut down all the garbage mashers
on the detention level!

945

01:24:20,913 --> 01:24:23,487

<i>Shut down all the garbage mashers</i>

<i>on the detention level!</i>

946

01:24:23,624 --> 01:24:26,376

No, shut them all down.

Hurry! Oh, no.

947

01:24:37,889 --> 01:24:39,347

What?

948

01:24:40,433 --> 01:24:42,306

You did great, 3PO!

949

01:24:42,435 --> 01:24:44,760

Listen to them.

They're dying, R2.

950

01:24:44,896 --> 01:24:46,805

Curse my metal body.

I wasn't fast enough.

951

01:24:46,939 --> 01:24:50,225

It's all my fault.

My poor master.

952

01:24:50,359 --> 01:24:52,392

We're all right.

You did great!

953

01:24:52,962 --> 01:24:56,794

Hey! Open the pressure maintenance
hatch on unit number... Where are we?

954

01:24:56,924 --> 01:25:00,258

<i>3263827.</i>

955

01:25:46,015 --> 01:25:49,598

If we can avoid any more female advice,
we oughta be able to get out of here.

956

01:25:49,727 --> 01:25:51,554

Let's get moving.

957

01:25:52,772 --> 01:25:54,930

Where you goin'

958

01:25:55,066 --> 01:25:56,476

Wait! They'll hear!

959

01:25:58,569 --> 01:26:00,443

Come here, you big coward.

960

01:26:00,571 --> 01:26:02,196

- Chewie, come here.

- Listen.

961

01:26:03,115 --> 01:26:05,820

I don't know who you are
or where you came from...

962

01:26:05,951 --> 01:26:08,739

but from now on,

you do as I tell you, okay?

963

01:26:09,664 --> 01:26:12,534

Look, Your Worshipfulness,
let's get one thing straight.

964

01:26:12,667 --> 01:26:15,288

I take orders
from just one person... me.

965

01:26:16,087 --> 01:26:17,960

It's a wonder you're still alive.

966

01:26:18,089 --> 01:26:21,208

Will somebody get
this big walking carpet out of my way?

967

01:26:21,342 --> 01:26:23,584

No reward is worth this.

968

01:26:33,854 --> 01:26:35,728

Give me regular reports, please.

969

01:26:35,856 --> 01:26:36,936

Right.

970

01:26:39,151 --> 01:26:42,355

- Do you know what's going on?

- Maybe it's another drill.

971

01:26:47,451 --> 01:26:49,408

You seen that new VT-16?

972

01:26:49,537 --> 01:26:51,992

Yeah. Some of the other guys
were telling me about it.

973

01:26:52,123 --> 01:26:53,996

They say it's quite a thing to see.

974

01:26:54,125 --> 01:26:56,034

What was that?

975

01:26:56,168 --> 01:26:59,418

It's nothing. Outgassing.

Don't worry about it.

976

01:27:04,400 --> 01:27:06,606

- There she is.

- C-3PO, do you copy?

977

01:27:06,735 --> 01:27:07,735

<i>Yes, sir.</i>

978

01:27:07,862 --> 01:27:09,735

- Are you safe?

- <i>For the moment.</i>

979

01:27:09,864 --> 01:27:12,152

We're in the main hangar

across from the ship.

980

01:27:14,201 --> 01:27:15,779

We're right above you.

Stand by.

981

01:27:15,911 --> 01:27:18,616

You came in that thing?

You're braver than I thought.

982

01:27:18,747 --> 01:27:20,705

Nice. Come on.

983

01:27:24,295 --> 01:27:26,003

It's them.

Blast them.

984

01:27:27,298 --> 01:27:29,041

Get back to the ship!

985

01:27:29,175 --> 01:27:31,146

- Where are you going?

- He certainly has courage.

986

01:27:31,246 --> 01:27:34,836

What good will it do us

if he gets himself killed? Come on.

987

01:27:59,830 --> 01:28:01,787

I think we took a wrong turn.

988

01:28:06,796 --> 01:28:07,796

There's no lock.

989

01:28:11,759 --> 01:28:14,629

- That oughta hold them for a while.

- Quick. We've got to get across.

990

01:28:14,762 --> 01:28:17,929

- Find the controls to extend the bridge.

- I think I just blasted it.

991

01:28:18,057 --> 01:28:19,800

They're coming through.

992

01:28:41,936 --> 01:28:43,830

Here, hold this.

993

01:29:00,179 --> 01:29:01,218

Here they come.

994

01:29:12,400 --> 01:29:13,895

For luck.

995

01:29:20,075 --> 01:29:24,024

We think they may be splitting up.

They may be on Level 5 and 6 now, sir.

996

01:29:38,927 --> 01:29:40,201

Where could they be?

997

01:29:44,683 --> 01:29:46,556

Close the blast doors.

998

01:29:53,692 --> 01:29:56,147

Open the blast doors.

Open the blast doors.

999

01:30:14,546 --> 01:30:19,291

I've been waiting for you, Obi-Wan.

We meet again at last.

1000

01:30:20,093 --> 01:30:21,753

The circle is now complete.

1001

01:30:21,886 --> 01:30:24,045

When I left you,

I was but the learner.

1002

01:30:24,180 --> 01:30:26,506

Now I am the master.

1003

01:30:26,641 --> 01:30:28,598

Only a master of evil, Darth.

1004

01:30:48,955 --> 01:30:51,197

Your powers are weak, old man.

1005

01:30:51,333 --> 01:30:54,951

You can't win, Darth.

If you strike me down...

1006

01:30:55,086 --> 01:30:58,420

I shall become more powerful
than you can possibly imagine.

1007

01:31:05,931 --> 01:31:07,888

You should not have come back.

1008

01:31:33,708 --> 01:31:35,250

Didn't we just leave this party?

1009

01:31:38,088 --> 01:31:40,294

- What kept you?

- We ran into some old friends.

1010

01:31:40,423 --> 01:31:42,914

- The ship all right?

- Seems okay, if we can get to it.

1011

01:31:43,051 --> 01:31:45,044

I hope the old man got
the tractor beam down.

1012

01:31:59,651 --> 01:32:00,814

Look.

1013

01:32:04,573 --> 01:32:06,530

Come on, R2. We're going.

1014

01:32:08,201 --> 01:32:09,232

Now's our chance. Go!

1015

01:32:39,441 --> 01:32:40,555

Come on!

1016

01:32:41,693 --> 01:32:43,104

Come on!

1017

01:32:43,236 --> 01:32:46,273

- Luke, it's too late!

- Blast the door, kid!

1018

01:32:56,041 --> 01:32:57,535

<i>Run, Luke, run.</i>

1019

01:33:00,795 --> 01:33:04,330

I hope that old man got the tractor beam
down, or this is gonna be a short trip.

1020

01:33:04,466 --> 01:33:05,924

Hit it!

1021

01:33:37,499 --> 01:33:39,373

We're coming up
on their sentry ships.

1022

01:33:39,501 --> 01:33:42,870

Hold them off. Angle the deflector
shields while I charge up the main guns.

1023

01:33:52,097 --> 01:33:54,054

I can't believe he's gone.

1024

01:33:57,686 --> 01:33:59,477

There wasn't anything
you could have done.

1025

01:34:00,313 --> 01:34:02,520

Come on, buddy.
We're not out of this yet.

1026

01:34:19,374 --> 01:34:21,663

You in, kid?
Okay, stay sharp.

1027

01:34:32,554 --> 01:34:33,633

Here they come.

1028

01:34:51,698 --> 01:34:53,525

They're coming in too fast!

1029

01:35:01,541 --> 01:35:05,290

- We've lost the lateral controls.

- Don't worry. She'll hold together.

1030

01:35:06,880 --> 01:35:08,872

Hear me, baby?

Hold together.

1031

01:35:31,029 --> 01:35:32,571

Got him. I got him!

1032

01:35:32,697 --> 01:35:35,069

Great, kid.

Don't get cocky.

1033

01:35:36,284 --> 01:35:37,992

There's still two more.

1034

01:36:11,945 --> 01:36:14,436

- That's it. We did it.

- We did it.

1035

01:36:15,740 --> 01:36:18,196

Help. I think I'm melting.

This is all your fault.

1036

01:36:26,042 --> 01:36:27,702

Are they away?

1037

01:36:27,836 --> 01:36:30,125

They've just made the jump
into hyperspace.

1038

01:36:30,839 --> 01:36:34,208

You're sure the homing beacon
is secure aboard their ship?

1039

01:36:35,468 --> 01:36:37,794

I'm taking an awful risk, Vader.

1040

01:36:37,929 --> 01:36:39,838

This had better work.

1041

01:36:40,056 --> 01:36:42,132

Not a bad bit of rescuing, huh?

1042

01:36:42,892 --> 01:36:45,929

You know, sometimes

I amaze even myself.

1043

01:36:46,062 --> 01:36:48,351

That doesn't sound too hard.

1044

01:36:48,481 --> 01:36:52,100

They let us go. It's the only
explanation for the ease of our escape.

1045

01:36:52,235 --> 01:36:54,987

- You call that easy?

- They're tracking us.

1046

01:36:55,113 --> 01:36:56,856

Not this ship, sister.

1047

01:36:58,158 --> 01:37:00,649

At least the information in R2
is still intact.

1048

01:37:00,785 --> 01:37:03,193

What's so important?

What's he carrying?

1049

01:37:03,330 --> 01:37:05,488

The technical readouts
of that battle station.

1050

01:37:06,541 --> 01:37:09,791

I only hope that when the data's
analysed a weakness can be found.

1051

01:37:09,920 --> 01:37:13,253

- It's not over yet.

- It is for me, sister.

1052

01:37:13,381 --> 01:37:16,750

I ain't in this for your revolution,
and I'm not in it for you, Princess.

1053

01:37:16,885 --> 01:37:19,672

I expect to be well paid.
I'm in it for the money.

1054

01:37:19,804 --> 01:37:21,963

You needn't worry
about your reward.

1055

01:37:22,098 --> 01:37:24,969

If money is all that you love,
then that's what you'll receive.

1056

01:37:28,188 --> 01:37:30,097

Your friend is quite a mercenary.

1057

01:37:30,232 --> 01:37:33,398

I wonder if he really cares
about anything... or anybody.

1058

01:37:34,569 --> 01:37:36,028

I care.

1059

01:37:42,661 --> 01:37:44,238

So...

1060

01:37:44,371 --> 01:37:46,244

what do you

think of her, Han?

1061

01:37:46,373 --> 01:37:48,199

I'm trying not to, kid.

1062

01:37:49,084 --> 01:37:50,329

Good.

1063

01:37:53,755 --> 01:37:56,626

Still, she's got a lot of spirit.

1064

01:37:58,802 --> 01:38:01,838

What do you think?

You think a princess and a guy like me...

1065

01:38:01,972 --> 01:38:02,972

No.

1066

01:38:50,228 --> 01:38:53,395

You're safe. When we heard about
Alderaan, we feared the worst.

1067

01:38:53,523 --> 01:38:55,397

We have no time for sorrows,
Commander.

1068

01:38:55,525 --> 01:38:58,526

You must use the information
in this R2 unit to help plan the attack.

1069

01:38:58,653 --> 01:39:00,610

It's our only hope.

1070

01:39:21,718 --> 01:39:24,387

- Yes.

- *We're approaching the planet Yavin.*

1071

01:39:24,512 --> 01:39:26,801

The rebel base is on a moon
on the far side.

1072

01:39:26,932 --> 01:39:28,889

We are preparing
to orbit the planet.

1073

01:39:37,901 --> 01:39:39,977

The battle station
is heavily shielded...

1074

01:39:40,111 --> 01:39:43,527

and carries a firepower
greater than half the starfleet.

1075

01:39:44,282 --> 01:39:48,327

Its defences are designed around
a direct large-scale assault.

1076

01:39:48,453 --> 01:39:53,660

A small, one-man fighter should be able
to penetrate the outer defence.

1077

01:39:55,460 --> 01:39:59,244

Pardon me for asking, sir, but what good
are snub fighters against that?

1078

01:39:59,381 --> 01:40:03,924

The Empire doesn't consider a small,
one-man fighter to be any threat...

1079

01:40:04,052 --> 01:40:06,009

or they'd have a tighter defence.

1080

01:40:06,888 --> 01:40:10,091

An analysis of the plans
provided by Princess Leia...

1081

01:40:10,225 --> 01:40:13,226

has demonstrated a weakness
in the battle station.

1082

01:40:14,145 --> 01:40:16,055

The approach will not be easy.

1083

01:40:16,670 --> 01:40:19,309

You're required to manoeuvre
straight down this trench...

1084

01:40:19,442 --> 01:40:22,016

and skim the surface to this point.

1085

01:40:22,904 --> 01:40:25,574

The target area
is only two metres wide.

1086

01:40:25,699 --> 01:40:29,317

It's a small thermal exhaust port
right below the main port.

1087

01:40:30,620 --> 01:40:33,787

The shaft leads directly
to the reactor system.

1088

01:40:33,915 --> 01:40:36,620

A precise hit
will start a chain reaction...

1089

01:40:36,751 --> 01:40:38,958

which should destroy the station.

1090

01:40:39,087 --> 01:40:42,538

Only a precise hit will
set up a chain reaction.

1091

01:40:42,674 --> 01:40:45,794

The shaft is ray-shielded,
so you'll have to use proton torpedoes.

1092

01:40:45,927 --> 01:40:48,050

That's impossible,
even for a computer.

1093

01:40:48,179 --> 01:40:51,928

No, it's not. I used to bull's -eye
womp rats in my T-16 back home.

1094

01:40:52,058 --> 01:40:54,430

They're not much bigger
than two metres.

1095

01:40:54,561 --> 01:40:57,728

Then man your ships,
and may the Force be with you.

1096

01:41:05,989 --> 01:41:08,397

<i>Orbiting the planet</i>
<i>at maximum velocity.</i>

1097

01:41:09,242 --> 01:41:12,907

<i>The moon with the rebel base</i>
<i>will be in range in 30 minutes.</i>

1098

01:41:13,038 --> 01:41:15,611

This will be a day
long remembered.

1099

01:41:15,749 --> 01:41:17,706

It has seen the end of Kenobi...

1100

01:41:17,834 --> 01:41:20,408

and will soon see
the end of the rebellion.

1101

01:41:26,176 --> 01:41:28,583

<i>All flight crews,</i>

<i>man your stations.</i>

1102

01:41:34,893 --> 01:41:37,977

So, you got your reward

and you're just leaving, then?

1103

01:41:38,104 --> 01:41:40,062

That's right. Yeah.

1104

01:41:41,191 --> 01:41:43,764

I got some old debts

I gotta pay off with this stuff.

1105

01:41:43,902 --> 01:41:47,947

Even if I didn't, you don't think I'd be

fool enough to stick around here, do ya?

1106

01:41:48,073 --> 01:41:51,655

Why don't you come with us? You're

pretty good in a fight. We could use ya.

1107

01:41:51,785 --> 01:41:54,739

Come on. Why don't you
take a look around?

1108

01:41:54,871 --> 01:41:57,493

You know what's about to happen,
what they're up against.

1109

01:41:57,624 --> 01:42:00,433

They could use a good pilot like you.
You're turning your back on them.

1110

01:42:00,533 --> 01:42:02,874

What good's a reward
if you ain't around to use it?

1111

01:42:03,004 --> 01:42:05,922

Besides, attacking that battle station
ain't my idea of courage.

1112

01:42:06,049 --> 01:42:08,884

It's more like... suicide.

1113

01:42:10,345 --> 01:42:13,548

All right.

Well, take care of yourself, Han.

1114

01:42:13,682 --> 01:42:16,303

I guess that's what you're best at,
isn't it?

1115

01:42:16,434 --> 01:42:17,715

Hey, Luke.

1116

01:42:21,106 --> 01:42:23,431

May the Force be with you.

1117

01:42:30,031 --> 01:42:33,151

What are you looking at?

I know what I'm doing.

1118

01:42:37,581 --> 01:42:40,036

<i>All pilots to your stations.</i>

1119

01:42:49,009 --> 01:42:51,250

- What's wrong?

- It's Han.

1120

01:42:51,386 --> 01:42:53,794

I don't know.

I really thought he'd change his mind.

1121

01:42:53,930 --> 01:42:57,382

He's got to follow his own path.

No one can choose it for him.

1122

01:42:58,476 --> 01:43:00,884

I only wish Ben were here.

1123

01:43:08,945 --> 01:43:10,985

<i>Open main launch tubes.</i>

1124

01:43:11,865 --> 01:43:13,822

<i>Main launch tubes opening, sir.</i>

1125

01:43:13,950 --> 01:43:15,610

Hey, Luke!

1126

01:43:15,744 --> 01:43:18,863

- Biggs!

- I don't believe it. How are ya?

1127

01:43:18,997 --> 01:43:21,036

- Coming up?

- I'll be up there with you.

1128

01:43:21,166 --> 01:43:23,455

- Have I got stories to tell you.

- Skywalker.

1129

01:43:25,170 --> 01:43:27,044

Are you sure

you can handle this ship?

1130

01:43:27,172 --> 01:43:30,541

Sir, Luke is the best bush pilot

in the outer-rim territories.

1131

01:43:31,301 --> 01:43:33,792

- You'll do all right.

- Thank you, sir. I'll try.

1132

01:43:33,929 --> 01:43:37,796

Gotta get aboard. We'll hear all your stories when we get back, all right?

1133

01:43:37,933 --> 01:43:40,602

Hey, Biggs.

I told you I'd make it someday.

1134

01:43:40,727 --> 01:43:43,681

It'll be like old times, Luke.

They'll never stop us.

1135

01:43:46,608 --> 01:43:49,478

This R2 unit of yours seems a bit beat up. You want a new one?

1136

01:43:49,611 --> 01:43:52,731

Not on your life. That droid and I have been through a lot.

1137

01:43:52,864 --> 01:43:53,864

You okay, R2?

1138

01:43:55,533 --> 01:43:56,909

Good.

1139

01:43:57,994 --> 01:44:00,699

<i>Gold squadron,</i>

<i>begin take-off procedure.</i>

1140

01:44:01,414 --> 01:44:04,368

Hang on tight, R2.

You've got to come back.

1141

01:44:06,294 --> 01:44:08,965

You wouldn't want my life
to get boring, would you?

1142

01:44:56,636 --> 01:44:59,590

<i>Luke, the Force will be with you.</i>

1143

01:45:11,693 --> 01:45:15,144

<i>Standby alert.</i>

<i>Death Star approaching.</i>

1144

01:45:15,280 --> 01:45:18,364

<i>Estimated time to firing range,</i>

<i>15 minutes.</i>

1145

01:45:31,546 --> 01:45:33,753

- All wings report in.

- Red 10 standing by.

1146

01:45:33,882 --> 01:45:36,088

- <i>Red Seven standing by.</i>

- Red Three standing by.

1147

01:45:36,217 --> 01:45:38,922

- Red Six standing by.

- <i>Red Nine standing by.</i>

1148

01:45:39,054 --> 01:45:41,046

- Red Two standing by.

- <i>Red 11 standing by.</i>

1149

01:45:41,181 --> 01:45:43,055

Red Five standing by.

1150

01:45:44,476 --> 01:45:46,349

Lock S-foils in attack position.

1151

01:45:50,649 --> 01:45:52,606

<i>We're passing through</i>

<i>the magnetic field.</i>

1152

01:45:52,734 --> 01:45:55,486

Hold tight.

Switch your deflectors on.

1153

01:45:55,612 --> 01:45:57,023

<i>Double front.</i>

1154

01:46:00,075 --> 01:46:01,818

Look at the size of that thing.

1155

01:46:01,952 --> 01:46:04,525

<i>Cut the chatter, Red Two.</i>

<i>Accelerate to attack speed.</i>

1156

01:46:07,958 --> 01:46:10,662

- This is it, boys.

- Red Leader, this is Gold Leader.

1157

01:46:10,794 --> 01:46:13,629

- <i>I copy, Gold Leader.</i>

- We're starting for the target shaft.

1158

01:46:13,755 --> 01:46:17,171

We're in position. I'm going to cut
across the axis and draw their fire.

1159

01:46:31,648 --> 01:46:34,898

- <i>Heavy fire, boss, 23 degrees.</i>

- <i>I see it. Stay low.</i>

1160

01:46:42,367 --> 01:46:43,826

This is Red Five.

I'm going in.

1161

01:46:48,456 --> 01:46:49,456

<i>Luke, pull up!</i>

1162

01:46:51,376 --> 01:46:53,416

- You all right?

- A little cooked, but I'm okay.

1163

01:46:59,426 --> 01:47:03,340

We count 30 rebel ships, but they're so small they're evading our turbolasers.

1164

01:47:03,471 --> 01:47:05,345

We'll have to destroy them ship to ship.

1165

01:47:05,473 --> 01:47:07,466

Get the crews to their fighters.

1166

01:47:10,048 --> 01:47:11,095

Watch yourself.

1167

01:47:11,195 --> 01:47:14,316

<i>There's a lot of fire coming from</i>
<i>the right side of that deflection tower.</i>

1168

01:47:14,416 --> 01:47:15,310

I'm on it.

1169

01:47:15,442 --> 01:47:18,811

- I'm going in. Cover me, Porkins.

- Right with you, Red Three.

1170

01:47:25,243 --> 01:47:26,987

I've got a problem here.

1171

01:47:27,120 --> 01:47:28,495

- Eject.

- I can hold it.

1172

01:47:28,622 --> 01:47:30,780

- Pull up!

- No, I'm all right...

1173

01:47:35,003 --> 01:47:37,920

<i>The rebel base will be in firing range</i>

<i>in seven minutes.</i>

1174

01:47:41,801 --> 01:47:44,471

<i>Luke, trust your feelings.</i>

1175

01:47:52,312 --> 01:47:53,890

Squad leaders...

1176

01:47:54,022 --> 01:47:56,061

we've picked up

a new group of signals.

1177

01:47:56,191 --> 01:47:58,065

Enemy fighters

coming your way.

1178

01:47:58,193 --> 01:47:59,873

My scope's negative.

I don't see anything.

1179

01:47:59,986 --> 01:48:02,145

- Pick up your visual scanning.

- <i>Here they come.</i>

1180

01:48:05,450 --> 01:48:07,110

You've got one on your tail.

1181

01:48:12,499 --> 01:48:13,499

I'm hit!

1182

01:48:14,834 --> 01:48:17,325

- You've picked one up. Watch it.

- I can't see it.

1183

01:48:19,381 --> 01:48:21,041

He's on me tight.

I can't shake him.

1184

01:48:22,801 --> 01:48:24,840

I'll be right there.

1185

01:48:37,065 --> 01:48:40,399

Several fighters have broken off
from the main group. Come with me.

1186

01:48:43,905 --> 01:48:46,990

- *Fall in. Fall in.*

- *Watch your back, Luke.*

1187

01:48:47,117 --> 01:48:49,405

<i>Fighters above you, coming in.</i>

1188

01:48:55,709 --> 01:48:58,460

I'm hit, but not bad.

R2, see what you can do with it.

1189

01:48:58,587 --> 01:49:00,663

<i>Hang on back there.</i>

1190

01:49:00,797 --> 01:49:03,418

<i>Red Six, can you see Red Five?</i>

1191

01:49:03,550 --> 01:49:05,922

<i>There's a heavy fire zone.</i>

<i>Red Five, where are you?</i>

1192

01:49:06,052 --> 01:49:07,428

I can't shake him.

1193

01:49:11,516 --> 01:49:13,010

I'm on him, Luke.

1194

01:49:16,271 --> 01:49:17,848

Blast it, Biggs.

Where are you?

1195

01:49:24,905 --> 01:49:27,656

- Thanks, Wedge.

- *<i>Good shooting, Wedge.</i>*

1196

01:49:27,782 --> 01:49:30,867

<i>Red Leader, this is Gold Leader.</i>

<i>We're starting our attack run.</i>

1197

01:49:32,746 --> 01:49:35,071

<i>I copy, Gold Leader.</i>

<i>Move into position.</i>

1198

01:49:37,542 --> 01:49:39,784

Stay in attack formation.

1199

01:49:39,920 --> 01:49:42,755

<i>The exhaust port</i>

<i>is marked and locked in.</i>

1200

01:49:48,637 --> 01:49:51,756

<i>Switch all power</i>

<i>to front deflector screen.</i>

1201

01:49:51,890 --> 01:49:55,093

Switch all power

to front deflector screen.

1202

01:49:59,814 --> 01:50:01,522

How many guns do you think,

Gold Five?

1203

01:50:01,650 --> 01:50:04,853

<i>Say about 20 guns,</i>

<i>some on the surface, some on the towers.</i>

1204

01:50:04,986 --> 01:50:07,773

<i>Death Star will be in range</i>

<i>in five minutes.</i>

1205

01:50:09,950 --> 01:50:12,950

Switch to targeting computer.

1206

01:50:15,455 --> 01:50:17,412

Computer's locked.

Getting a signal.

1207

01:50:19,834 --> 01:50:21,910

The guns. They've stopped.

1208

01:50:23,672 --> 01:50:26,163

Stabilize your rear deflectors.

Watch for enemy fighters.

1209

01:50:26,299 --> 01:50:28,707

<i>They're coming in.</i>

<i>Three marks at 210.</i>

1210

01:50:30,762 --> 01:50:32,885

I'll take them myself.

Cover me.

1211

01:50:33,014 --> 01:50:34,259

Yes, sir.

1212

01:50:48,822 --> 01:50:51,229

- It's no good. I can't manoeuvre.

- Stay on target.

1213

01:50:51,366 --> 01:50:53,193

- We're too close.

- Stay on target.

1214

01:50:55,036 --> 01:50:56,036

Loosen up!

1215

01:50:59,082 --> 01:51:01,834

Gold Five to Red Leader,

lost Tiree, lost Hutch.

1216

01:51:01,960 --> 01:51:04,285

- I copy, Gold Leader.

- They came from behind.

1217

01:51:10,677 --> 01:51:13,250

We've analysed their attack, sir,
and there is a danger.

1218

01:51:13,388 --> 01:51:15,262

Should I have your ship
standing by?

1219

01:51:15,390 --> 01:51:18,261

Evacuate?

In our moment of triumph?

1220

01:51:18,393 --> 01:51:20,801

I think you overestimate
their chances.

1221

01:51:21,563 --> 01:51:23,520

<i>Rebel base,</i>

<i>three minutes and closing.</i>

1222

01:51:24,316 --> 01:51:26,107

Red boys, this is Red Leader.

1223

01:51:26,234 --> 01:51:27,942

<i>Rendezvous at mark 6. 1.</i>

1224

01:51:28,069 --> 01:51:31,688

- <i>This is Red Two flying toward you.</i>

- <i>Red Three standing by.</i>

1225

01:51:31,823 --> 01:51:33,614

Red Leader, this is Base One.

1226

01:51:33,742 --> 01:51:36,363

<i>Keep half your group out of range</i>

<i>for the next run.</i>

1227

01:51:36,494 --> 01:51:39,068

<i>Copy, Base One.</i>

<i>Luke, take Red Two and Three.</i>

1228

01:51:39,205 --> 01:51:42,539

Hold up here and wait for
my signal to start your run.

1229

01:51:51,009 --> 01:51:52,172

This is it.

1230

01:51:56,765 --> 01:51:58,888

We should be able
to see it by now.

1231

01:52:00,560 --> 01:52:02,268

Keep your eyes open
for those fighters.

1232

01:52:04,105 --> 01:52:06,478

There's too much interference.
Red Five, can you see them?

1233

01:52:06,608 --> 01:52:09,562

- No sign of any... Wait. Coming in.35.
- I see them.

1234

01:52:11,154 --> 01:52:12,233

I'm in range.

1235

01:52:13,531 --> 01:52:15,239

Target's coming up.

1236

01:52:17,827 --> 01:52:19,903

Just hold them off
for a few seconds.

1237

01:52:20,789 --> 01:52:22,331

Close up formation.

1238

01:52:23,750 --> 01:52:25,908

Almost there.

1239

01:52:35,011 --> 01:52:38,261

- Let her loose. They're right behind me.

- Almost there.

1240

01:52:39,641 --> 01:52:41,265

I can't hold them.

1241

01:52:49,526 --> 01:52:50,526

It's away!

1242

01:52:54,781 --> 01:52:56,359

<i>- It's a hit!</i>

<i>- Negative.</i>

1243

01:52:56,491 --> 01:52:58,531

Negative. It didn't go in.

1244

01:52:58,660 --> 01:53:01,281

<i>It just impacted on the surface.</i>

1245

01:53:07,794 --> 01:53:09,419

<i>Red Leader, we're right above you.</i>

1246

01:53:09,546 --> 01:53:11,704

Turn to.05.

We'll cover for you.

1247

01:53:11,840 --> 01:53:14,710

<i>Stay there. I just lost</i>

<i>my starboard engine.</i>

1248

01:53:15,552 --> 01:53:17,794

<i>Get set up for your attack run.</i>

1249

01:53:31,151 --> 01:53:33,689

<i>Rebel base, one minute and closing.</i>

1250

01:53:34,487 --> 01:53:36,030

<i>Biggs, Wedge, let's close it up.</i>

1251

01:53:36,156 --> 01:53:39,489

<i>We're going in full throttle. That ought</i>

<i>to keep those fighters off our back.</i>

1252

01:53:39,701 --> 01:53:41,694

Right with you, boss.

1253

01:53:41,828 --> 01:53:44,126

Luke, at that speed,

will you be able to pull out in time?

1254

01:53:44,226 --> 01:53:46,163

It'll be just like

Beggars Canyon back home.

1255

01:53:53,548 --> 01:53:55,755

We'll stay back

far enough to cover you.

1256

01:53:55,884 --> 01:53:58,422

<i>My scope shows the tower,</i>

<i>but I can't see the exhaust port.</i>

1257

01:53:58,553 --> 01:54:00,033

Are you sure

the computer can hit it?

1258

01:54:03,516 --> 01:54:05,474

Watch yourself.

Increase speed, full throttle.

1259

01:54:05,602 --> 01:54:06,847

What about that tower?

1260

01:54:06,978 --> 01:54:09,652

You worry about those fighters.

I'll worry about the tower.

1261

01:54:15,820 --> 01:54:19,355

R2, that stabilizer's broken loose
again. See if you can't lock it down.

1262

01:54:28,583 --> 01:54:30,327

<i>Fighters coming in.3.</i>

1263

01:54:39,302 --> 01:54:41,758

- <i>I'm hit. I can't stay with you.</i>

- <i>Get clear, Wedge.</i>

1264

01:54:41,888 --> 01:54:44,344

- You can't do any more good back there.

- Sorry.

1265

01:54:45,433 --> 01:54:47,343

Let him go.

Stay on the leader.

1266

01:54:50,355 --> 01:54:52,561

Hurry, Luke.

They're coming in much faster this time.

1267

01:54:56,736 --> 01:54:59,406

R2, try and increase the power.

1268

01:55:04,828 --> 01:55:06,026

<i>Hurry up, Luke. Quick.</i>

1269

01:55:06,997 --> 01:55:08,076

Quick.

1270

01:55:15,171 --> 01:55:17,662

<i>Rebel base, 30 seconds and closing.</i>

1271

01:55:17,799 --> 01:55:18,878

I'm on the leader.

1272

01:55:22,387 --> 01:55:23,798

Hang on, R2.

1273

01:55:39,279 --> 01:55:41,817

<i>Use the Force, Luke.</i>

1274

01:55:44,492 --> 01:55:47,114

<i>Let go, Luke.</i>

1275

01:55:48,580 --> 01:55:50,905

The Force is strong with this one.

1276

01:55:51,041 --> 01:55:52,950

<i>Luke, trust me.</i>

1277

01:55:58,173 --> 01:55:59,964

<i>His computer's off.</i>

1278

01:56:00,091 --> 01:56:02,548

<i>You switched off your</i>

<i>targeting computer. What's wrong?</i>

1279

01:56:02,648 --> 01:56:04,882

<i>Nothing. I'm all right.</i>

1280

01:56:17,901 --> 01:56:19,099

<i>I've lost R2.</i>

1281

01:56:21,029 --> 01:56:23,069

<i>The Death Star has cleared the planet.</i>

1282

01:56:23,198 --> 01:56:25,487

<i>The Death Star has cleared the planet.</i>

1283

01:56:26,576 --> 01:56:28,154

<i>Rebel base in range.</i>

1284

01:56:28,286 --> 01:56:30,160

You may fire when ready.

1285

01:56:30,914 --> 01:56:32,325

<i>Commence primary ignition.</i>

1286

01:56:46,346 --> 01:56:47,721

I have you now.

1287

01:56:50,225 --> 01:56:51,339

What?

1288

01:56:54,020 --> 01:56:55,020

Look out.

1289

01:57:01,695 --> 01:57:04,482

You're all clear, kid.

Now let's blow this thing and go home.

1290

01:57:11,371 --> 01:57:12,651

<i>Stand by.</i>

1291

01:57:15,709 --> 01:57:17,369

<i>Stand by.</i>

1292

01:57:27,887 --> 01:57:29,761

Great shot, kid!

That was one in a million!

1293

01:57:31,266 --> 01:57:35,643

<i>Remember, the Force</i>

<i>will be with you always.</i>

1294

01:58:01,129 --> 01:58:03,003

I just knew you'd come back.

1295

01:58:03,131 --> 01:58:05,653

I wasn't gonna let you get all
the credit and take all the reward.

1296

01:58:05,753 --> 01:58:07,591

I knew there was

more to you than money.

1297

01:58:08,303 --> 01:58:09,548

Oh, no.

1298

01:58:09,679 --> 01:58:12,087

Oh, my.

R2, can you hear me?

1299

01:58:12,807 --> 01:58:15,643

Say something.

You can repair him, can't you?

1300

01:58:15,769 --> 01:58:18,972

- We'll get to work on him right away.

- You must repair him.

1301

01:58:19,105 --> 01:58:21,945

Sir, if any of my circuits or gears
will help, I'll gladly donate them.

1302

01:58:22,108 --> 01:58:24,066

He'll be all right.
