

Dialogues from Star Wars Episode V: The Empire Strikes Back to improve the vocabulary in English

1

00:03:33,487 --> 00:03:35,313

Echo Three to Echo Seven.

2

00:03:35,447 --> 00:03:37,440

Han, old buddy,

do you read me?

3

00:03:37,574 --> 00:03:39,614

<i>Loud and clear, kid.</i>

<i>What's up?</i>

4

00:03:39,743 --> 00:03:42,412

I finished my circle.

I don't pick up any life readings.

5

00:03:42,537 --> 00:03:45,455

<i>There isn't enough life on this ice cube</i>

<i>to fill a space cruiser.</i>

6

00:03:45,582 --> 00:03:47,373

<i>The sensors are placed.</i>

<i>I'm going back.</i>

7

00:03:47,501 --> 00:03:49,374

Right. I'll see you shortly.

8

00:03:49,503 --> 00:03:51,579

There's a meteorite

that hit the ground near here.

9

00:03:51,713 --> 00:03:53,920

I want to check it out.

It won't take long.

10

00:03:54,049 --> 00:03:55,080

Steady.

11

00:03:56,510 --> 00:03:59,760

Steady, girl. What's the matter?

You smell something?

12

00:04:40,929 --> 00:04:42,756

Chewie. Chewie?

13

00:04:48,687 --> 00:04:50,976

All right.

Don't lose your temper.

14

00:04:51,106 --> 00:04:53,514

I'll come right back

and give you a hand.

15

00:05:14,129 --> 00:05:15,160

Solo.

16

00:05:15,297 --> 00:05:18,048

No sign of life out there, General.

The sensors are in place.

17

00:05:18,175 --> 00:05:21,145

- You'll know if anything comes around.

- Commander Skywalker reported in yet?

18

00:05:21,245 --> 00:05:23,881

No. He's checking out
a meteorite that hit near him.

19

00:05:24,014 --> 00:05:27,513

With all the meteor activity, it's gonna
be difficult to spot approaching ships.

20

00:05:27,642 --> 00:05:29,552

General, I gotta leave.
I can't stay any more.

21

00:05:29,686 --> 00:05:32,521

- I'm sorry to hear that.
- There's a price on my head.

22

00:05:32,647 --> 00:05:34,973

If I don't pay off Jabba the Hutt,
I'm a dead man.

23

00:05:35,108 --> 00:05:36,948

A death mark's not
an easy thing to live with.

24

00:05:38,445 --> 00:05:41,018

You're a good fighter, Solo.

I hate to lose you.

25

00:05:41,156 --> 00:05:42,567

Thank you, General.

26

00:05:50,707 --> 00:05:52,664

Well, Your Highness,

guess this is it.

27

00:05:53,627 --> 00:05:54,658

That's right.

28

00:05:57,547 --> 00:05:59,920

Don't get all mushy on me.

So long, Princess.

29

00:06:02,928 --> 00:06:04,126

Han.

30

00:06:05,806 --> 00:06:09,009

- Yes, Your Highnessness.

- I thought you had decided to stay.

31

00:06:09,142 --> 00:06:11,977

The bounty hunter we ran into
in Ord Mantell changed my mind.

32

00:06:12,104 --> 00:06:14,345

Han, we need you.

33

00:06:14,481 --> 00:06:16,557

- We need?

- Yes.

34

00:06:16,692 --> 00:06:19,147

- What about you need?

- I need?

35

00:06:19,277 --> 00:06:21,733

I don't know what
you're talking about.

36

00:06:21,863 --> 00:06:25,363

- You probably don't.

- What precisely am I supposed to know?

37

00:06:25,492 --> 00:06:28,943

Come on. You want me to stay because
of the way you feel about me.

38

00:06:29,079 --> 00:06:31,652

Yes. You're a great help to us.

You're a natural leader.

39

00:06:31,790 --> 00:06:34,328

No. That's not it.

40

00:06:34,459 --> 00:06:36,084

Come on.

41

00:06:37,379 --> 00:06:39,371

- Come on.

- You're imagining things.

42

00:06:39,506 --> 00:06:41,415

Am I?

Then why are you following me?

43

00:06:41,550 --> 00:06:43,756

Afraid I'd leave

without giving you a goodbye kiss?

44

00:06:43,885 --> 00:06:46,459

- I'd just as soon kiss a Wookiee.

- I can arrange that.

45

00:06:46,596 --> 00:06:48,719

You could use a good kiss!

46

00:06:49,766 --> 00:06:52,471

Don't blame me. I didn't ask you

to turn on the thermal heater.

47

00:06:52,602 --> 00:06:56,018

I merely commented that it was freezing

in the princess's chamber.

48

00:06:56,148 --> 00:06:57,974

It's supposed to be freezing.

49

00:06:58,108 --> 00:07:00,516

How we're going to dry
her clothes I really don't know.

50

00:07:00,652 --> 00:07:01,850

Oh, switch off!

51

00:07:01,987 --> 00:07:05,071

Why did you take this apart now?
I'm trying to get us out of here.

52

00:07:05,198 --> 00:07:07,321

- Excuse me.
- Put them back together right now.

53

00:07:07,451 --> 00:07:09,490

- Might I have a word?
- What do you want?

54

00:07:09,619 --> 00:07:12,110

Princess Leia's been trying
to get you on the communicator.

55

00:07:12,247 --> 00:07:14,405

I turned it off.

I don't want to talk to her.

56

00:07:14,541 --> 00:07:17,412

Princess Leia is wondering about
Master Luke. He hasn't come back.

57

00:07:17,544 --> 00:07:19,862

- She doesn't know where he is.

- I don't know where he is.

58

00:07:19,962 --> 00:07:22,709

- Nobody knows where he is.

- What do you mean, nobody knows?

59

00:07:22,841 --> 00:07:24,121

Deck Officer.

60

00:07:24,259 --> 00:07:26,750

- Deck Officer.

- Excuse me, sir. Might I...

61

00:07:26,887 --> 00:07:28,630

Do you know where

Commander Skywalker is?

62

00:07:28,764 --> 00:07:31,433

I haven't seen him. It's possible

he came in the south entrance.

63

00:07:31,558 --> 00:07:33,764

It's possible?

Why don't you go find out?

64

00:07:33,894 --> 00:07:36,432

- It's getting dark out there.

- Yes, sir.

65

00:07:36,563 --> 00:07:38,935

Excuse me, sir.

Might I enquire what's going on?

66

00:07:39,066 --> 00:07:41,354

- Why not?

- Impossible man.

67

00:07:41,485 --> 00:07:43,477

Come along, R2.

Let's find Princess Leia.

68

00:07:43,612 --> 00:07:46,648

Between ourselves, I think

Master Luke is in considerable danger.

69

00:07:56,291 --> 00:07:58,451

Commander Skywalker

hasn't come in the south entrance.

70

00:07:58,585 --> 00:08:01,188

- Maybe he forgot to check in.

- Not likely. Are the speeders ready?

71

00:08:01,288 --> 00:08:03,347

Not yet. We're having trouble

adapting them to the cold.

72

00:08:03,447 --> 00:08:06,435

- We'll have to go out on tauntauns.

- The temperature's dropping too rapidly.

73

00:08:06,535 --> 00:08:08,507

That's right,

and my friend's out in it.

74

00:08:13,308 --> 00:08:15,764

Your tauntaun will freeze

before you reach the first marker.

75

00:08:15,894 --> 00:08:17,934

Then I'll see you in hell.

76

00:10:35,931 --> 00:10:37,658

You must come along now, R2.

77

00:10:37,786 --> 00:10:39,825

There's really

nothing more we can do.

78

00:10:39,955 --> 00:10:42,031

And my joints are freezing up.

79

00:10:43,125 --> 00:10:47,039

Don't say things like that.

Of course we'll see Master Luke again.

80

00:10:47,170 --> 00:10:49,922

And he'll be quite all right.

You'll see.

81

00:10:50,048 --> 00:10:53,666

Stupid little short circuit.

He'll be quite all right.

82

00:11:51,276 --> 00:11:54,111

Sir, all the patrols are in.

Still no...

83

00:11:55,364 --> 00:11:58,199

Still no contact

from Skywalker or Solo.

84

00:11:58,325 --> 00:12:02,405

Mistress Leia, R2 says he's been

quite unable to pick up any signals...

85

00:12:02,537 --> 00:12:05,906

although he admits that his own range
is far too weak to abandon all hope.

86

00:12:06,041 --> 00:12:08,197

Your Highness,
there's nothing more we can do tonight.

87

00:12:08,297 --> 00:12:10,618

The shield doors must be closed.

88

00:12:11,963 --> 00:12:14,371

- Close the doors.

- Yes, sir.

89

00:12:15,884 --> 00:12:20,629

R2 says the chances
of survival are 725-to-1.

90

00:12:32,234 --> 00:12:35,934

Actually, R2 has been known
to make mistakes...

91

00:12:38,657 --> 00:12:40,649

from time to time.

92

00:12:40,784 --> 00:12:42,611

Oh, dear. Oh, dear.

93

00:12:45,580 --> 00:12:48,202

Don't worry about Master Luke.

I'm sure he'll be all right.

94

00:12:48,333 --> 00:12:51,120

He's quite clever, you know,

for a human being.

95

00:13:07,269 --> 00:13:08,929

<i>Luke.</i>

96

00:13:10,772 --> 00:13:12,101

Luke.

97

00:13:19,614 --> 00:13:21,157

Ben?

98

00:13:21,283 --> 00:13:23,904

You will go to
the Dagobah system.

99

00:13:24,036 --> 00:13:25,779

Dagobah system?

100

00:13:25,912 --> 00:13:29,364

There you will
learn from Yoda...

101

00:13:29,499 --> 00:13:33,248

the Jedi master
who instructed me.

102

00:13:51,730 --> 00:13:55,099

Don't do this, Luke.
Give me a sign here.

103

00:14:18,840 --> 00:14:21,129

- Not much time.

- Ben.

104

00:14:27,766 --> 00:14:28,766

Hang on, kid.

105

00:14:30,936 --> 00:14:33,142

Dagobah system. Dagobah.

106

00:14:33,271 --> 00:14:34,931

This may smell bad, kid...

107

00:14:36,316 --> 00:14:38,225

Yoda.

108

00:14:38,360 --> 00:14:42,821

But it'll keep you warm

till I get the shelter up.

109

00:14:42,948 --> 00:14:44,987

Ben. Dagobah.

110

00:14:48,912 --> 00:14:50,905

I thought they smelled bad...

111

00:14:51,039 --> 00:14:52,866

on the outside.

112

00:15:36,209 --> 00:15:38,617

Echo Base, I've got something.

113

00:15:38,754 --> 00:15:40,663

Not much,

but it could be a life form.

114

00:15:45,302 --> 00:15:47,544

Commander Skywalker,

do you copy?

115

00:15:47,679 --> 00:15:49,553

This is Rogue Two.

116

00:15:49,681 --> 00:15:52,351

This is Rogue Two.

117

00:15:52,476 --> 00:15:55,311

Captain Solo, do you copy?

118

00:16:01,026 --> 00:16:04,477

Commander Skywalker,
do you copy?

119

00:16:04,613 --> 00:16:06,440

This is Rogue Two.

120

00:16:06,573 --> 00:16:09,657

<i>Good morning.</i>

<i>Nice of you guys to drop by.</i>

121

00:16:10,619 --> 00:16:13,655

Echo Base, this is Rogue Two.

122

00:16:13,789 --> 00:16:16,362

I've found them.

Repeat. I've found them.

123

00:16:47,030 --> 00:16:50,533

Master Luke, sir, it's so good

to see you fully functional again.

124

00:16:50,633 --> 00:16:53,155

- Thanks, 3PO.

- R2 expresses his relief also.

125

00:16:53,286 --> 00:16:56,786

How ya feelin', kid?

You don't look so bad to me.

126

00:16:56,915 --> 00:16:59,786

You look strong enough

to pull the ears off a gundark.

127

00:16:59,918 --> 00:17:03,702

- Thanks to you.

- That's two you owe me, junior.

128

00:17:03,839 --> 00:17:05,167

Well, Your Worship...

129

00:17:05,298 --> 00:17:08,383

looks like you managed to keep me around

for a little while longer.

130

00:17:08,510 --> 00:17:10,384

I had nothing to do with it.

131

00:17:10,512 --> 00:17:13,133

General Rieekan thinks

it's dangerous for any ships to leave...

132

00:17:13,265 --> 00:17:15,174

until we've activated the energy field.

133

00:17:15,308 --> 00:17:16,553

That's a good story.

134

00:17:16,685 --> 00:17:20,599

I think you just can't bear to let a
gorgeous guy like me out of your sight.

135

00:17:20,731 --> 00:17:24,016

I don't know where
you get your delusions, laser brain.

136

00:17:27,487 --> 00:17:29,694

Laugh it up, fuzzball...

137

00:17:29,823 --> 00:17:32,907

but you didn't see us alone
in the south passage.

138

00:17:33,035 --> 00:17:35,276

She expressed
her true feelings for me.

139

00:17:35,412 --> 00:17:36,527

My...

140

00:17:36,663 --> 00:17:40,079

Why, you stuck-up, half-witted...

141

00:17:40,208 --> 00:17:42,248

scruffy-looking nerf herder!

142

00:17:43,545 --> 00:17:45,419

Who's scruffy-lookin'

143

00:17:48,800 --> 00:17:52,169

I must have hit close to the mark
to get her riled up like that, huh, kid?

144

00:17:55,891 --> 00:17:58,761

I guess you don't know
everything about women yet.

145

00:18:05,025 --> 00:18:07,694

<i>Headquarters personnel,</i>
<i>report to command centre.</i>

146

00:18:10,655 --> 00:18:13,573

<i>Headquarters personnel,</i>
<i>report to command centre.</i>

147

00:18:13,700 --> 00:18:15,657

Take it easy.

148

00:18:15,786 --> 00:18:17,825

Excuse us, please.

149

00:18:20,123 --> 00:18:22,163

Princess, we have a visitor.

150

00:18:23,335 --> 00:18:26,205

We picked up something
outside Zone 12 moving east.

151

00:18:26,338 --> 00:18:28,580

- It's metal.
- It couldn't be one of those creatures.

152

00:18:28,715 --> 00:18:32,499

- Could be one of our speeders.
- No. Wait.

153

00:18:32,636 --> 00:18:35,257

There's something
very weak coming through.

154

00:18:38,600 --> 00:18:41,636

Sir, I am fluent in six million
forms of communication.

155

00:18:41,770 --> 00:18:44,890

This signal is not used by the Alliance.

It could be an imperial code.

156

00:18:50,904 --> 00:18:52,944

It isn't friendly.

Chewie, let's check it out.

157

00:18:53,073 --> 00:18:56,074

Send Rogues 10 and 11

to Station 38.

158

00:19:32,279 --> 00:19:34,454

- *I'm afraid there's not much left.*

- What was it?

159

00:19:34,554 --> 00:19:36,487

Droid of some kind.

I didn't hit it that hard.

160

00:19:36,616 --> 00:19:40,068

- *Must have had a self-destruct.*

- An imperial probe droid.

161

00:19:40,203 --> 00:19:43,074

<i>It's a good bet the Empire</i>

<i>knows we're here.</i>

162

00:19:43,206 --> 00:19:45,417

We'd better start the evacuation.

163

00:20:30,420 --> 00:20:32,911

- Admiral.

- Yes, Captain?

164

00:20:34,341 --> 00:20:37,211

I think we've got something, sir.

The report is only a fragment...

165

00:20:37,344 --> 00:20:40,224

from a probe droid in the Hoth system,

but it's the best lead we've had.

166

00:20:40,347 --> 00:20:43,431

We have thousands of probe droids

searching the galaxy.

167

00:20:43,558 --> 00:20:46,512

- I want proof, not leads.

- The visuals indicate life readings.

168

00:20:46,645 --> 00:20:48,887

It could mean anything.

If we followed up every lead...

169

00:20:49,022 --> 00:20:52,059

But, sir, the Hoth system is

supposed to be devoid of humans forms.

170

00:20:52,234 --> 00:20:54,559

- You found something?

- Yes, my lord.

171

00:20:57,030 --> 00:20:59,319

That's it.

The rebels are there.

172

00:21:00,283 --> 00:21:03,902

My lord, there are so many

uncharted settlements.

173

00:21:04,037 --> 00:21:06,789

- It could be smugglers...

- That is the system.

174

00:21:06,915 --> 00:21:09,287

And I'm sure Skywalker is with them.

175

00:21:09,418 --> 00:21:12,418

Set your course

for the Hoth system.

176

00:21:12,546 --> 00:21:14,953

General Veers,

prepare your men.

177

00:21:15,090 --> 00:21:16,418

Admiral.

178

00:21:23,181 --> 00:21:25,398

Groups Seven and 10

will stay behind to fly the speeders.

179

00:21:25,498 --> 00:21:27,260

As soon as each transport is loaded...

180

00:21:27,394 --> 00:21:29,394

evacuation control

will give clearance for launch.

181

00:21:29,563 --> 00:21:31,223

Right, sir.

182

00:21:33,400 --> 00:21:35,439

All right. That's it.

183

00:21:35,569 --> 00:21:36,980

Try it.

184

00:21:38,780 --> 00:21:41,485

Turn it off! Turn it off!

185

00:21:43,910 --> 00:21:47,279

Sir, it will take quite a while

to evacuate the T-47 s.

186

00:21:47,414 --> 00:21:51,032

Forget the heavy equipment. There's time
to get small modules on the transports.

187

00:21:51,168 --> 00:21:53,207

- Take care, sir.

- Thanks.

188

00:21:56,631 --> 00:21:59,751

Chewie, take care of yourself, okay?

189

00:22:03,513 --> 00:22:05,138

Okay, okay.

190

00:22:06,600 --> 00:22:08,059

Hi, kid.

191

00:22:08,185 --> 00:22:11,269

There's gotta be a reason for it.

Check it at the other end.

192

00:22:11,396 --> 00:22:12,807

Wait a second.

193

00:22:13,899 --> 00:22:16,306

- Are you all right?

- Yeah.

194

00:22:22,532 --> 00:22:24,691

Be careful.

195

00:22:24,826 --> 00:22:26,653

You too.

196

00:22:32,793 --> 00:22:34,666

General, there's

a fleet of Stardestroyers...

197

00:22:34,795 --> 00:22:37,036

coming out of hyperspace

in Sector Four.

198

00:22:37,172 --> 00:22:40,126

Reroute all power
to the energy shield.

199

00:22:40,258 --> 00:22:43,343

We gotta hold them till
all transports are away.

200

00:22:43,470 --> 00:22:45,510

Prepare for ground assault.

201

00:22:59,403 --> 00:23:02,736

- What is it, General?
- The fleet has moved out of light speed.

202

00:23:02,864 --> 00:23:04,940

ComScan has detected
an energy field...

203

00:23:05,075 --> 00:23:07,648

protecting an area of the sixth planet
of the Hoth system.

204

00:23:07,786 --> 00:23:10,242

The field is strong enough
to deflect any bombardment.

205

00:23:10,372 --> 00:23:12,827

The rebels are alerted
to our presence.

206

00:23:12,958 --> 00:23:16,042

Admiral Ozzel came out of light speed
too close to the system.

207

00:23:16,169 --> 00:23:18,411

He felt surprise was wiser.

208

00:23:18,547 --> 00:23:20,623

He is as clumsy as he is stupid.

209

00:23:20,757 --> 00:23:24,340

General, prepare your troops
for a surface attack.

210

00:23:24,469 --> 00:23:26,094

Yes, my lord.

211

00:23:32,978 --> 00:23:34,176

<i>Lord Vader.</i>

212

00:23:34,312 --> 00:23:37,313

<i>The fleet has moved out of light speed,</i>

<i>and we're preparing to...</i>

213

00:23:38,400 --> 00:23:42,528

You have failed me

for the last time, Admiral.

214

00:23:42,654 --> 00:23:45,026

- Captain Piett.

- <i>Yes, my lord?</i>

215

00:23:45,157 --> 00:23:48,158

Make ready to land our troops

beyond their energy field...

216

00:23:48,285 --> 00:23:51,239

and deploy the fleet so that

nothing gets off the system.

217

00:23:51,371 --> 00:23:54,538

You are in command now,
Admiral Piett.

218

00:23:54,666 --> 00:23:56,493

<i>Thank you, Lord Vader.</i>

219

00:23:58,086 --> 00:24:01,171

All troop carriers will assemble
at the north entrance.

220

00:24:01,298 --> 00:24:03,967

The heavy transport ships
will leave as soon as they're loaded.

221

00:24:04,092 --> 00:24:06,132

Only two fighter escorts per ship.

222

00:24:06,261 --> 00:24:09,345

The energy shield
can only be opened for a short time...

223

00:24:09,473 --> 00:24:11,964

so you'll have to stay very close
to your transports.

224

00:24:12,100 --> 00:24:14,176

Two fighters against a Stardestroyer?

225

00:24:14,311 --> 00:24:16,350

The ion cannon will fire
several shots...

226

00:24:16,480 --> 00:24:19,599

to make sure that any enemy ships
will be out of your flight path.

227

00:24:19,733 --> 00:24:21,809

When you've gotten past
the energy shield...

228

00:24:21,943 --> 00:24:23,983

proceed directly
to the rendezvous point.

229

00:24:24,112 --> 00:24:26,021

Understood?

230

00:24:26,156 --> 00:24:27,734

Good luck.

231

00:24:27,866 --> 00:24:30,322

Everybody to your stations.

Let's go.

232

00:24:47,469 --> 00:24:50,553

Their primary target will be
the power generators.

233

00:24:50,681 --> 00:24:52,507

Prepare to open shield.

234

00:24:58,355 --> 00:25:00,513

Sir, rebel ships are
coming into our sector.

235

00:25:00,649 --> 00:25:02,725

Good. Our first catch of the day.

236

00:25:04,778 --> 00:25:06,817

Stand by, ion control.

237

00:25:07,906 --> 00:25:08,906

Fire.

238

00:25:24,172 --> 00:25:27,209

<i>The first transport is away.</i>

239

00:25:27,342 --> 00:25:30,094

<i>The first transport is away.</i>

240

00:25:36,601 --> 00:25:38,475

Feeling all right, sir?

241

00:25:38,603 --> 00:25:40,477

Just like new, Dak.

How about you?

242

00:25:40,605 --> 00:25:43,523

Right now I feel I could take on
the whole Empire myself.

243

00:25:43,650 --> 00:25:45,690

I know what you mean.

244

00:26:04,046 --> 00:26:07,331

Echo Station 3-T8.

We've spotted imperial walkers.

245

00:26:07,466 --> 00:26:09,921

Imperial walkers

on the north ridge.

246

00:26:32,032 --> 00:26:34,321

Echo Station 57,

we're on our way.

247

00:26:39,748 --> 00:26:41,741

All right, boys,

keep tight now.

248

00:26:41,875 --> 00:26:43,998

Luke, I have no approach vector.

I'm not set.

249

00:26:44,127 --> 00:26:45,586

Steady, Dak.

250

00:26:45,712 --> 00:26:47,539

Attack pattern Delta.

Go now.

251

00:26:51,343 --> 00:26:52,967

I'm coming in.

252

00:26:57,516 --> 00:26:58,556

Hobbie, you still with me?

253

00:27:21,289 --> 00:27:23,412

That armour's too strong for blasters.

254

00:27:25,877 --> 00:27:28,036

Rogue Group,

use your harpoons and tow cables.

255

00:27:28,171 --> 00:27:30,330

Go for the legs.

It might be our only chance.

256

00:27:32,718 --> 00:27:33,963

Stand by, Dak.

257

00:27:34,094 --> 00:27:36,881

Luke, we've got

a malfunction in fire control.

258

00:27:37,014 --> 00:27:39,006

I'll have to cut in the auxiliary.

259

00:27:39,141 --> 00:27:41,014

Just hang on.

260

00:27:41,143 --> 00:27:43,930

Hang on, Dak.

Get ready to fire that tow cable.

261

00:27:49,359 --> 00:27:50,359

Dak?

262

00:28:14,468 --> 00:28:17,385

Yes, Lord Vader.

I've reached the main power generators.

263

00:28:17,512 --> 00:28:20,597

The shield will be down in moments.

You may start your landing.

264

00:28:25,604 --> 00:28:26,766

Rogue Three.

265

00:28:26,897 --> 00:28:28,308

Copy, Rogue Leader.

266

00:28:28,440 --> 00:28:31,394

<i>Wedge, I've lost my gunner.</i>

<i>You'll have to make this shot.</i>

267

00:28:31,526 --> 00:28:33,234

<i>I'll cover for you.</i>

268

00:28:33,362 --> 00:28:35,687

Set your harpoon.

Follow me on the next pass.

269

00:28:36,948 --> 00:28:38,858

Coming around, Rogue Leader.

270

00:28:41,745 --> 00:28:43,204

Steady, Rogue Two.

271

00:28:44,206 --> 00:28:45,237

Activate harpoon.

272

00:28:48,251 --> 00:28:49,746

Good shot, Janson.

273

00:28:55,801 --> 00:28:58,089

One more pass.

274

00:29:03,684 --> 00:29:05,925

Cable out.

Let her go!

275

00:29:06,061 --> 00:29:07,259

Detach cable.

276

00:29:08,021 --> 00:29:09,136

Cable detached.

277

00:29:17,527 --> 00:29:18,900

Come on!

278

00:29:26,498 --> 00:29:29,071

- That got him!

- I see it, Wedge. Good work.

279

00:29:29,626 --> 00:29:31,740

I don't think we can protect
two transports at a time.

280

00:29:31,840 --> 00:29:34,084

It's risky, but we can't
hold out much longer.

281

00:29:34,214 --> 00:29:35,839

We have no choice.

282

00:29:36,800 --> 00:29:39,469

- Launch patrol.

- Evacuate remaining ground staff.

283

00:29:44,349 --> 00:29:47,884

This one goes there,
that one goes there. Right?

284

00:29:48,020 --> 00:29:51,471

R2, you take good care
of Master Luke now, understand?

285

00:29:53,316 --> 00:29:55,439

And do take good care of yourself.

286

00:29:59,156 --> 00:30:00,650

Oh, dear. Oh, dear.

287

00:30:24,473 --> 00:30:26,798

All troops will debark

for ground assault.

288

00:30:26,933 --> 00:30:29,389

Prepare to target
the main generator.

289

00:30:33,065 --> 00:30:36,516

- Rogue Two, are you all right?
- Yeah. I'm with you, Rogue Leader.

290

00:30:36,651 --> 00:30:38,478

Set harpoon.
I'll cover for you.

291

00:30:40,072 --> 00:30:42,989

- Coming around.
- Watch that crossfire, boys.

292

00:30:44,451 --> 00:30:46,242

Set for position three.

293

00:30:46,370 --> 00:30:47,650

Steady.

294

00:30:47,788 --> 00:30:50,279

Stay tight and low.

This is it!

295

00:30:56,171 --> 00:30:57,416

Hobbie!

296

00:30:57,547 --> 00:30:59,006

I've been hit!

297

00:31:41,758 --> 00:31:44,428

- You all right?

- Why are you still here?

298

00:31:44,553 --> 00:31:47,627

- Heard the command centre had been hit.

- You've got your clearance to leave.

299

00:31:47,727 --> 00:31:51,097

Don't worry. I'll leave.

First I'm gonna get you to your ship.

300

00:31:51,226 --> 00:31:54,310

Your Highness, we must take
this last transport. It's our only hope.

301

00:31:54,438 --> 00:31:57,522

Send all troops in Sector 12 to
the south slope to protect the fighters.

302

00:31:59,192 --> 00:32:01,232

<i>Imperial troops</i>

<i>have entered the base.</i>

303

00:32:01,361 --> 00:32:02,986

<i>Imperial troops have entered...</i>

304

00:32:03,113 --> 00:32:04,987

Come on. That's it.

305

00:32:05,115 --> 00:32:07,440

Give the evacuation code signal.

306

00:32:09,369 --> 00:32:11,409

And get to your transports.

307

00:32:11,538 --> 00:32:12,944

Wait for me.

308

00:32:13,092 --> 00:32:14,528

Begin retreat!

309

00:32:15,689 --> 00:32:17,160

Fall back!

310

00:33:14,935 --> 00:33:18,185

- Distance to power generators?

- 17.28.

311

00:33:27,322 --> 00:33:29,231

Target. Maximum firepower.

312

00:33:55,600 --> 00:33:58,174

Transport, this is Solo.

Take off. I can't get to you.

313

00:33:58,311 --> 00:34:00,221

I'll get her out on the <i>Falcon.</i>

Come on.

314

00:34:02,858 --> 00:34:04,897

Where are you going?

Come back!

315

00:34:23,420 --> 00:34:26,789

Wait! Wait for me! Stop!

316

00:34:26,923 --> 00:34:28,750

- How typical.

- Come on.

317

00:34:32,679 --> 00:34:35,597

Hurry up, goldenrod!

You're gonna be a permanent resident.

318

00:34:35,724 --> 00:34:37,467

Wait! Wait!

319

00:34:55,410 --> 00:34:58,577

- How's this?

- Would it help if I got out and pushed?

320

00:34:58,705 --> 00:35:00,912

- Captain Solo. Captain Solo.

- It might.

321

00:35:02,209 --> 00:35:04,878

Sir, might I suggest that you...

322

00:35:05,003 --> 00:35:06,663

It can wait.

323

00:35:10,926 --> 00:35:13,417

This bucket of bolts

will never get past that blockade.

324

00:35:13,553 --> 00:35:15,593

This baby's got

a few surprises left in her.

325

00:35:24,773 --> 00:35:26,564

Come on! Come on!

326

00:35:26,692 --> 00:35:29,646

Switch over.

Let's hope we don't have a burnout.

327

00:35:31,738 --> 00:35:32,651

See?

328

00:35:32,751 --> 00:35:34,778

Someday you'll be wrong.

I hope I'm there to see it.

329

00:35:37,661 --> 00:35:38,775

Punch it!

330

00:35:56,888 --> 00:35:57,888

R2.

331

00:35:59,558 --> 00:36:01,597

Get her ready for take-off.

332

00:36:03,895 --> 00:36:06,054

Good luck, Luke.

See you at the rendezvous.

333

00:36:09,526 --> 00:36:11,982

Don't worry, R2.

We're going. We're going.

334

00:36:24,124 --> 00:36:27,707

There's nothing wrong, R2.

I'm just setting a new course.

335

00:36:31,173 --> 00:36:35,336

We're not gonna regroup with the others.

We're going to the Dagobah system.

336

00:36:37,721 --> 00:36:39,180

Yes, R2.

337

00:36:42,100 --> 00:36:45,054

That's all right. I'd like to keep it
on manual control for a while.

338

00:37:01,787 --> 00:37:04,159

- I saw 'em! I saw 'em!

- Saw what?

339

00:37:04,289 --> 00:37:06,448

Stardestroyers,

two of 'em coming right at us.

340

00:37:06,583 --> 00:37:09,370

- Sir, might I suggest...

- Shut him up or shut him down!

341

00:37:11,171 --> 00:37:13,211

Check the deflector shield.

342

00:37:15,258 --> 00:37:17,298

Great. Well, we can still

outmanoeuvre them.

343

00:37:21,640 --> 00:37:23,597

Take evasive action!

344

00:37:35,153 --> 00:37:37,940

- Prepare to jump to light speed.

- But, sir!

345

00:37:38,949 --> 00:37:40,657

They're getting closer.

346

00:37:40,784 --> 00:37:42,907

Oh, yeah?

Watch this.

347

00:37:46,039 --> 00:37:47,664

Watch what?

348

00:37:49,251 --> 00:37:51,706

- I think we're in trouble.

- If I may say so...

349

00:37:51,837 --> 00:37:54,292

I noticed earlier the hyperdrive
motivator has been damaged.

350

00:37:54,423 --> 00:37:57,507

- It's impossible to go to light speed.

- We're in trouble.

351

00:38:01,805 --> 00:38:03,050

Horizontal boosters!

352

00:38:05,267 --> 00:38:07,259

Alluvial dampers.

353

00:38:10,105 --> 00:38:12,774

That's not it.

Bring me the hydrospanner.

354

00:38:16,278 --> 00:38:18,947

I don't know how

we're gonna get out of this one.

355

00:38:21,658 --> 00:38:22,856

Chewie!

356

00:38:26,538 --> 00:38:28,578

That wasn't a laser blast.

Something hit us.

357

00:38:28,707 --> 00:38:30,118

Han, get up here.

358

00:38:31,877 --> 00:38:33,287

Come on, Chewie!

359

00:38:34,129 --> 00:38:35,129

Asteroids.

360

00:38:39,092 --> 00:38:41,666

- Chewie, set 271.

- What are you doing?

361

00:38:43,180 --> 00:38:45,386

You're not actually going
into an asteroid field?

362

00:38:45,515 --> 00:38:47,275

They'd be crazy to follow us,
wouldn't they?

363

00:38:50,479 --> 00:38:52,388

You don't have to do this

to impress me.

364

00:38:52,522 --> 00:38:55,689

Sir, the possibility of successfully
navigating an asteroid field...

365

00:38:55,817 --> 00:38:59,067

- is approximately 3,720-to-1.

- Never tell me the odds.

366

00:39:27,057 --> 00:39:30,177

You said you wanted to be around when
I made a mistake. This could be it.

367

00:39:30,310 --> 00:39:31,935

I take it back.

368

00:39:32,062 --> 00:39:35,146

We're gonna get pulverized
if we stay out here much longer.

369

00:39:35,273 --> 00:39:37,033

- Ain't gonna argue with that.

- Pulverized?

370

00:39:37,192 --> 00:39:39,019

I'm going closer

to one of the big ones.

371

00:39:39,152 --> 00:39:40,979

- Closer?

- Closer?

372

00:40:08,098 --> 00:40:09,972

This is suicide!

There's nowhere to go.

373

00:40:10,100 --> 00:40:12,057

There. That looks pretty good.

374

00:40:12,185 --> 00:40:14,059

What looks pretty good?

375

00:40:14,187 --> 00:40:16,560

Yeah. That'll do nicely.

376

00:40:16,690 --> 00:40:19,525

Excuse me, ma'am,
but where are we going?

377

00:40:29,494 --> 00:40:31,701

I hope you know
what you're doing.

378

00:40:31,830 --> 00:40:33,241

Yeah. Me too.

379

00:40:42,049 --> 00:40:44,290

Yep, that's it. Dagobah.

380

00:40:46,762 --> 00:40:48,968

No, I'm not gonna change
my mind about this.

381

00:40:49,931 --> 00:40:52,387

I'm not picking up
any cities or technology.

382

00:40:52,517 --> 00:40:54,557

Massive life form readings though.

383

00:40:55,645 --> 00:40:57,685

There's something alive down there.

384

00:40:59,358 --> 00:41:02,228

Yes. I'm sure

it's perfectly safe for droids.

385

00:41:09,951 --> 00:41:11,659

I know! I know!

386

00:41:11,787 --> 00:41:14,456

All the scopes are dead.

I can't see a thing.

387

00:41:14,581 --> 00:41:17,617

Just hang on.

I'm gonna start the landing cycle.

388

00:42:11,763 --> 00:42:14,385

No, R2, you stay put.

I'll have a look around.

389

00:42:18,895 --> 00:42:20,093

R2?

390

00:42:24,067 --> 00:42:25,182

Where are you?

391

00:42:28,864 --> 00:42:30,144

R2!

392

00:42:37,039 --> 00:42:38,581

You be more careful.

393

00:42:41,626 --> 00:42:44,414

R2, that way.

394

00:43:12,491 --> 00:43:13,819

R2!

395

00:43:41,478 --> 00:43:42,972

Oh, no.

396

00:43:44,231 --> 00:43:46,270

Are you all right?

Come on.

397

00:43:49,820 --> 00:43:51,859

You were lucky

to get out of there.

398

00:43:53,115 --> 00:43:54,906

Anything broken?

399

00:43:57,661 --> 00:44:00,745

If you're saying

coming here was a bad idea...

400

00:44:00,872 --> 00:44:03,031

I'm beginning to agree with ya.

401

00:44:03,166 --> 00:44:05,836

R2, what are we doing here?

402

00:44:05,961 --> 00:44:07,372

It's like...

403

00:44:08,463 --> 00:44:10,503

something out of a dream or...

404

00:44:11,466 --> 00:44:13,506

I don't know.

405

00:44:13,635 --> 00:44:15,675

Maybe I'm just going crazy.

406

00:44:48,045 --> 00:44:49,420

Yes, Admiral?

407

00:44:49,546 --> 00:44:51,802

Our ships have sighted
the *Millennium Falcon*, lord...

408

00:44:51,902 --> 00:44:54,841

but it has entered an asteroid field,
and we cannot risk...

409

00:44:54,968 --> 00:44:57,755

Asteroids do not
concern me, Admiral.

410

00:44:57,888 --> 00:45:01,422

- I want that ship, not excuses.
- Yes, lord.

411

00:45:07,564 --> 00:45:10,648

I'm gonna shut down everything
but the emergency power systems.

412

00:45:10,776 --> 00:45:14,725

Sir, I'm almost afraid to ask, but does
that include shutting me down too?

413

00:45:14,863 --> 00:45:16,903

No. I need you
to talk to the <i>Falcon...</i>

414

00:45:17,032 --> 00:45:19,274

find out what's wrong
with the hyperdrive.

415

00:45:27,125 --> 00:45:30,625

Sir, it's quite possible
this asteroid is not entirely stable.

416

00:45:30,754 --> 00:45:32,628

Not entirely stable?

417

00:45:32,756 --> 00:45:34,795

I'm glad you're here
to tell us these things.

418

00:45:34,925 --> 00:45:38,507

Chewie, take the professor in the back
and plug him into the hyperdrive.

419

00:45:38,637 --> 00:45:41,128

Sometimes I just don't
understand human behaviour.

420

00:45:41,264 --> 00:45:43,590

After all, I'm only
trying to do my job.

421

00:45:48,689 --> 00:45:50,099

Let go.

422

00:45:51,942 --> 00:45:54,231

- Let go, please.

- Don't get excited.

423

00:45:54,361 --> 00:45:58,061

Captain, being held by you

isn't quite enough to get me excited.

424

00:45:58,198 --> 00:46:00,025

Sorry, sweetheart.

425

00:46:00,158 --> 00:46:02,828

I haven't got time

for anything else.

426

00:46:37,279 --> 00:46:40,695

Ready for some power?

Okay.

427

00:46:44,703 --> 00:46:46,114

Let's see now.

428

00:46:46,246 --> 00:46:48,535

Put that in there.

There you go.

429

00:46:51,668 --> 00:46:54,420

Now all I gotta do

is find this Yoda...

430

00:46:54,546 --> 00:46:56,835

if he even exists.

431

00:47:02,346 --> 00:47:05,263

It's really a strange place

to find a Jedi master.

432

00:47:06,725 --> 00:47:08,552

This place gives me the creeps.

433

00:47:12,481 --> 00:47:13,891

Still...

434

00:47:15,192 --> 00:47:17,184

there's something familiar
about this place.

435

00:47:19,446 --> 00:47:21,237

I don't know.

436

00:47:21,365 --> 00:47:23,404

- I feel like...

- Feel like what?

437

00:47:24,493 --> 00:47:26,117

Like we're being watched.

438

00:47:26,244 --> 00:47:29,245

Away put your weapon.

I mean you no harm.

439

00:47:30,499 --> 00:47:33,168

I am wondering,
why are you here?

440

00:47:34,878 --> 00:47:37,879

- I'm looking for someone.

- Looking?

441

00:47:38,006 --> 00:47:41,216

Found someone you have,

I would say.

442

00:47:41,843 --> 00:47:43,386

Right.

443

00:47:44,346 --> 00:47:46,718

Help you I can. Yes.

444

00:47:47,599 --> 00:47:48,797

I don't think so.

445

00:47:50,435 --> 00:47:53,140

I'm looking for a great warrior.

446

00:47:53,271 --> 00:47:54,896

Great warrior.

447

00:47:57,984 --> 00:48:00,226

Wars not make one great.

448

00:48:08,620 --> 00:48:10,328

Put that down.

449

00:48:10,455 --> 00:48:12,364

Hey! That's my dinner.

450

00:48:15,711 --> 00:48:18,415

How you get so big
eating food of this kind?

451

00:48:18,547 --> 00:48:20,753

Listen, friend, we didn't mean
to land in that puddle.

452

00:48:20,882 --> 00:48:23,420

If we could get our ship out, we would.
But we can't.

453

00:48:23,552 --> 00:48:25,628

Aw, cannot get your ship out.

454

00:48:25,762 --> 00:48:27,422

Get out of there.

455

00:48:30,684 --> 00:48:32,973

Hey, you could have broken this.

456

00:48:34,604 --> 00:48:36,644

Don't do that.

457

00:48:45,741 --> 00:48:47,780

You're making a mess.

458

00:48:49,286 --> 00:48:51,325

Hey, give me that.

459

00:48:51,455 --> 00:48:53,993

Mine, or I will help you not.

460

00:48:54,124 --> 00:48:56,117

I don't want your help.

I want my lamp back.

461

00:48:56,251 --> 00:48:59,003

I'm gonna need it to get out of
this slimy mud-hole.

462

00:48:59,129 --> 00:49:01,252

Mud-hole? Slimy?

My home this is.

463

00:49:05,135 --> 00:49:06,546

R2, let him have it.

464

00:49:09,264 --> 00:49:11,969

- Mine! Mine! Mine!

- R2.

465

00:49:15,896 --> 00:49:19,265

Will you move along, little fella?

We got a lot of work to do.

466

00:49:20,359 --> 00:49:23,562

Stay and help you I will.

Find your friend.

467

00:49:24,446 --> 00:49:27,317

I'm not looking for a friend.

I'm looking for a Jedi master.

468

00:49:29,451 --> 00:49:31,823

Jedi master. Yoda.

469

00:49:31,953 --> 00:49:34,527

- You seek Yoda.

- You know him?

470

00:49:36,333 --> 00:49:38,372

Take you to him I will.

471

00:49:39,628 --> 00:49:42,748

Yes, yes, but now we must eat.

472

00:49:42,881 --> 00:49:45,550

Come.

Good food. Come.

473

00:49:55,352 --> 00:49:56,976

Come, come.

474

00:49:59,189 --> 00:50:00,268

R2...

475

00:50:01,149 --> 00:50:03,391

stay and watch after the camp.

476

00:50:16,957 --> 00:50:18,996

Where is R2 when I need him?

477

00:50:19,126 --> 00:50:21,795

Sir, I don't know where your ship

learned to communicate...

478

00:50:21,920 --> 00:50:23,829

but it has the most peculiar dialect.

479

00:50:23,964 --> 00:50:27,463

I believe it says the power coupling
on the negative axis has been polarized.

480

00:50:27,592 --> 00:50:30,048

I'm afraid you'll have to replace it.

481

00:50:31,138 --> 00:50:33,379

Well, of course

I'll have to replace it.

482

00:50:34,641 --> 00:50:36,848

Here. And, Chewie...

483

00:50:38,520 --> 00:50:41,189

I think we better replace
the negative power coupling.

484

00:51:03,587 --> 00:51:06,256

Hey, Your Worship,

I'm only trying to help.

485

00:51:06,381 --> 00:51:08,837

Would you please

stop calling me that?

486

00:51:08,967 --> 00:51:10,924

Sure, Leia.

487

00:51:11,053 --> 00:51:14,468

- You make it so difficult sometimes.

- I do. I really do.

488

00:51:15,557 --> 00:51:17,799

You could be a little nicer though.

489

00:51:17,934 --> 00:51:20,604

Admit it.

Sometimes you think I'm all right.

490

00:51:22,981 --> 00:51:25,223

Occasionally, maybe...

491

00:51:25,359 --> 00:51:27,814

when you aren't acting

like a scoundrel.

492

00:51:27,944 --> 00:51:29,355

Scoundrel?

493

00:51:33,325 --> 00:51:35,033

I like the sound of that.

494

00:51:36,119 --> 00:51:38,906

- Stop that.

- Stop what?

495

00:51:39,039 --> 00:51:41,197

Stop that.

My hands are dirty.

496

00:51:41,333 --> 00:51:43,491

My hands are dirty too.

What are you afraid of?

497

00:51:43,627 --> 00:51:45,750

- Afraid?

- You're trembling.

498

00:51:46,713 --> 00:51:48,789

I'm not trembling.

499

00:51:50,258 --> 00:51:52,714

You like me because I'm a scoundrel.

500

00:51:52,844 --> 00:51:55,252

There aren't enough
scoundrels in your life.

501

00:51:55,389 --> 00:51:57,428

I happen to like nice men.

502

00:51:57,557 --> 00:52:00,227

- I'm a nice man.

- No, you're not.

503

00:52:03,146 --> 00:52:04,146

Sir, sir!

504

00:52:04,272 --> 00:52:07,143

I've isolated
the reverse power flux coupling.

505

00:52:09,403 --> 00:52:10,601

Thank you.

506

00:52:10,737 --> 00:52:13,691

- Thank you very much.

- You're perfectly welcome, sir.

507

00:52:19,788 --> 00:52:22,908

<i>That, Lord Vader, was the last time</i>

<i>they appeared in any of our scopes.</i>

508

00:52:23,041 --> 00:52:25,959

<i>Considering the damage we've sustained,</i>

<i>they must have been destroyed.</i>

509

00:52:26,086 --> 00:52:29,371

No, Captain, they're alive.

510

00:52:29,506 --> 00:52:33,835

I want every ship available to sweep
the asteroid field until they are found.

511

00:52:38,390 --> 00:52:41,675

- Lord Vader.

- Yes, Admiral. What is it?

512

00:52:41,810 --> 00:52:44,052

The emperor commands you
to make contact with him.

513

00:52:44,187 --> 00:52:46,346

Move the ship out of
the asteroid field...

514

00:52:46,481 --> 00:52:48,723

so that we can send
a clear transmission.

515

00:52:48,859 --> 00:52:50,483

Yes, my lord.

516

00:53:07,085 --> 00:53:09,623

What is thy bidding, my master?

517

00:53:10,922 --> 00:53:14,967

<i>There is a great disturbance</i>

<i>in the Force.</i>

518

00:53:15,844 --> 00:53:18,169

I have felt it.

519

00:53:18,305 --> 00:53:20,843

<i>We have a new enemy...</i>

520

00:53:20,974 --> 00:53:24,972

<i>the young rebel who destroyed</i>

<i>the Death Star.</i>

521

00:53:25,103 --> 00:53:28,223

<i>I have no doubt this boy...</i>

522

00:53:28,357 --> 00:53:32,734

<i>is the offspring of Anakin Skywalker.</i>

523

00:53:32,861 --> 00:53:35,103

How is that possible?

524

00:53:35,238 --> 00:53:38,607

<i>Search your feelings, Lord Vader.</i>

525

00:53:38,742 --> 00:53:41,945

<i>You will know it to be true.</i>

526

00:53:42,079 --> 00:53:44,534

<i>He could destroy us.</i>

527

00:53:44,664 --> 00:53:46,741

He's just a boy.

528

00:53:46,875 --> 00:53:49,331

Obi-Wan can no longer help him.

529

00:53:49,461 --> 00:53:53,044

<i>The Force is strong with him.</i>

530

00:53:54,424 --> 00:53:59,335

<i>The son of Skywalker</i>

<i>must not become a Jedi.</i>

531

00:53:59,471 --> 00:54:01,629

If he could be turned...

532

00:54:01,765 --> 00:54:04,600

he would become a powerful ally.

533

00:54:05,644 --> 00:54:07,352

<i>Yes.</i>

534

00:54:08,230 --> 00:54:12,477

<i>He would be a great asset.</i>

535

00:54:12,609 --> 00:54:14,851

<i>Can it be done?</i>

536

00:54:14,986 --> 00:54:18,936

He will join us or die, master.

537

00:54:35,590 --> 00:54:39,505

I'm sure it's delicious. I just don't
understand why we can't see Yoda now.

538

00:54:39,636 --> 00:54:43,420

Patience. For the Jedi,
it is time to eat as well.

539

00:54:46,852 --> 00:54:48,809

Eat. Eat.

540

00:54:49,688 --> 00:54:51,016

Hot.

541

00:54:58,780 --> 00:55:00,737

Good food. Good.

542

00:55:00,866 --> 00:55:03,783

How far away is Yoda?

Will it take us long to get there?

543

00:55:03,910 --> 00:55:06,152

Not far. Yoda not far.

544

00:55:06,288 --> 00:55:09,039

Patience.

Soon you will be with him.

545

00:55:11,460 --> 00:55:14,129

Root leaf. I cook.

546

00:55:15,964 --> 00:55:18,420

Why wish you become Jedi?

547

00:55:19,509 --> 00:55:22,179

Mostly 'cause of my father, I guess.

548

00:55:22,304 --> 00:55:25,388

Father.

Powerful Jedi was he.

549

00:55:26,892 --> 00:55:29,248

- Powerful Jedi.

- Oh, come on.

550

00:55:29,519 --> 00:55:32,099

How could you know my father?

You don't even know who I am.

551

00:55:32,331 --> 00:55:35,897

I don't even know what I'm doing here.

We're wasting our time!

552

00:55:37,319 --> 00:55:39,608

I cannot teach him.

553

00:55:39,738 --> 00:55:41,777

The boy has no patience.

554

00:55:41,907 --> 00:55:44,149

<i>He will learn patience.</i>

555

00:55:48,997 --> 00:55:51,369

Much anger in him...

556

00:55:51,949 --> 00:55:53,326

like his father.

557

00:55:53,765 --> 00:55:57,161

<i>Was I any different</i>

<i>when you taught me?</i>

558

00:55:58,548 --> 00:55:59,548

No.

559

00:56:00,987 --> 00:56:03,670

- He is not ready.

- Yoda.

560

00:56:07,000 --> 00:56:08,826

I am ready.

561

00:56:08,960 --> 00:56:11,877

I can be a Jedi.

Ben, tell him I'm...

562

00:56:12,005 --> 00:56:15,837

Ready, are you?

What know you ready?

563

00:56:15,967 --> 00:56:19,917

For 800 years have I trained Jedi.

564

00:56:20,054 --> 00:56:23,803

My own counsel will I keep
on who is to be trained.

565

00:56:25,768 --> 00:56:29,552

A Jedi must have
the deepest commitment...

566

00:56:29,689 --> 00:56:31,516

the most serious mind.

567

00:56:33,526 --> 00:56:36,610

This one a long time have I watched.

568

00:56:37,697 --> 00:56:40,449

All his life
has he looked away...

569

00:56:40,575 --> 00:56:43,611

to the future,
to the horizon.

570

00:56:43,745 --> 00:56:47,279

Never his mind on where he was...

571

00:56:48,625 --> 00:56:50,664

what he was doing.

572

00:56:52,378 --> 00:56:53,378

Adventure.

573

00:56:54,756 --> 00:56:56,380

Excitement.

574

00:56:56,507 --> 00:56:58,749

A Jedi craves not these things.

575

00:56:59,719 --> 00:57:01,510

You are reckless.

576

00:57:01,638 --> 00:57:04,592

<i>So was I, if you remember.</i>

577

00:57:04,724 --> 00:57:06,764

He is too old.

578

00:57:08,770 --> 00:57:10,928

Yes, too old to begin the training.

579

00:57:11,064 --> 00:57:12,973

But I've learned so much.

580

00:57:20,823 --> 00:57:24,074

- Will he finish what he begins?

- I won't fail you.

581

00:57:25,620 --> 00:57:27,280

I'm not afraid.

582

00:57:31,793 --> 00:57:33,832

You will be.

583

00:57:35,004 --> 00:57:37,044

You will be.

584

00:58:19,060 --> 00:58:22,559

- Sir, if I may venture an opinion...

- I'm not interested in your opinion.

585

00:58:22,688 --> 00:58:24,681

There's something out there.

586

00:58:24,816 --> 00:58:26,773

- Where?

- Outside in the cave.

587

00:58:28,486 --> 00:58:29,980

There it is. Listen!

588

00:58:30,113 --> 00:58:31,986

- I'm going out there.

- Are you crazy?

589

00:58:32,115 --> 00:58:34,635

I just got this bucket together.

I won't let it get torn apart.

590

00:58:34,784 --> 00:58:36,907

Then I'm going with you.

591

00:58:38,162 --> 00:58:41,247

I think it might be better

if I stay behind and guard the ship.

592

00:58:41,374 --> 00:58:42,374

Oh, no.

593

00:58:57,473 --> 00:58:59,513

This ground sure feels strange.

594

00:59:01,144 --> 00:59:03,183

It doesn't feel like rock.

595

00:59:07,692 --> 00:59:10,265

There's an awful lot

of moisture in here.

596

00:59:10,403 --> 00:59:14,103

I don't know.

I have a bad feeling about this.

597

00:59:14,240 --> 00:59:15,438

Yeah.

598

00:59:17,535 --> 00:59:18,535

Watch out!

599

00:59:19,579 --> 00:59:22,034

It's all right. It's all right.

600

00:59:22,165 --> 00:59:24,620

Yeah, that's what I thought... mynock.

601

00:59:24,751 --> 00:59:27,871

Chewie, check the rest of the ship and
make sure there are no more attached...

602

00:59:28,004 --> 00:59:29,878

chewing on the power cables.

603

00:59:30,006 --> 00:59:31,583

Mynocks?

604

00:59:31,716 --> 00:59:33,922

Go inside. We'll clean them off
if there are any more.

605

00:59:43,102 --> 00:59:45,558

Go away!

Go away, beastly thing! Shoo!

606

00:59:52,862 --> 00:59:54,689

Wait a minute.

607

01:00:16,427 --> 01:00:19,843

- Chewie, let's get out of here!

- The Empire is still out there!

608

01:00:19,972 --> 01:00:22,012

No time to discuss this

in committee!

609

01:00:22,892 --> 01:00:24,932

I am not a committee!

610

01:00:30,399 --> 01:00:33,235

You can't make the jump to light speed

in this asteroid field.

611

01:00:33,361 --> 01:00:35,816

Sit down, sweetheart.

We're taking off.

612

01:00:40,618 --> 01:00:41,946

- Look!

- I see it.

613

01:00:42,078 --> 01:00:44,450

- We're doomed!

- The cave is collapsing.

614

01:00:44,580 --> 01:00:46,454

- This is no cave.

- What?

615

01:01:18,948 --> 01:01:20,323

Yes, run.

616

01:01:20,450 --> 01:01:21,992

Yes.

617

01:01:22,118 --> 01:01:25,451

A Jedi's strength
flows from the Force.

618

01:01:25,580 --> 01:01:28,996

But beware of the dark side.
Anger, fear, aggression...

619

01:01:29,125 --> 01:01:31,283

The dark side
of the Force are they.

620

01:01:31,419 --> 01:01:35,002

Easily they flow,
quick to join you in a fight.

621

01:01:35,131 --> 01:01:37,337

If once you start down
the dark path...

622

01:01:37,467 --> 01:01:39,755

forever will it dominate

your destiny.

623

01:01:39,886 --> 01:01:43,835

Consume you it will,
as it did Obi-Wan's apprentice.

624

01:01:43,973 --> 01:01:45,800

Vader.

625

01:01:45,933 --> 01:01:49,018

- Is the dark side stronger?

- No, no.

626

01:01:50,772 --> 01:01:52,729

Quicker, easier, more seductive.

627

01:01:53,608 --> 01:01:55,684

How am I to know
the good side from the bad?

628

01:01:55,818 --> 01:01:58,060

You will know...

629

01:01:58,196 --> 01:02:00,437

when you are calm,

at peace...

630

01:02:01,532 --> 01:02:02,943

passive.

631

01:02:04,035 --> 01:02:08,198

A Jedi uses the Force

for knowledge and defence...

632

01:02:08,331 --> 01:02:10,158

never for attack.

633

01:02:10,291 --> 01:02:13,909

- But tell me why I can't...

- No. There is no why.

634

01:02:14,045 --> 01:02:16,797

Nothing more

will I teach you today.

635

01:02:16,923 --> 01:02:18,880

Clear your mind of questions.

636

01:02:41,989 --> 01:02:43,947

There's something not right here.

637

01:02:47,829 --> 01:02:49,239

I feel cold.

638

01:02:50,123 --> 01:02:51,665

- Death.

- That place...

639

01:02:52,792 --> 01:02:56,291

is strong with

the dark side of the Force.

640

01:02:56,421 --> 01:02:58,330

A domain of evil it is.

641

01:02:59,799 --> 01:03:01,708

In you must go.

642

01:03:02,927 --> 01:03:04,125

What's in there?

643

01:03:06,889 --> 01:03:09,178

Only what you take with you.

644

01:03:12,979 --> 01:03:14,177

Your weapons...

645

01:03:15,064 --> 01:03:16,523

you will not need them.

646

01:05:56,768 --> 01:05:59,223

Bounty hunters.

We don't need their scum.

647

01:05:59,353 --> 01:06:02,105

- Yes, sir.

- Those rebels won't escape us.

648

01:06:07,820 --> 01:06:11,106

Sir, we have a priority signal

from the Stardestroyer <i>Avenger.</i>

649

01:06:11,240 --> 01:06:12,782

Right.

650

01:06:12,909 --> 01:06:18,698

There will be a substantial reward for
the one who finds the <i>Millennium Falcon.</i>

651

01:06:18,831 --> 01:06:21,868

You are free to use
any methods necessary...

652

01:06:22,001 --> 01:06:24,124

but I want them alive.

653

01:06:24,253 --> 01:06:26,661

No disintegrations.

654

01:06:26,798 --> 01:06:28,624

- As you wish.

- Lord Vader.

655

01:06:30,927 --> 01:06:32,836

My lord, we have them.

656

01:06:37,308 --> 01:06:40,392

Thank goodness

we're coming out of the asteroid field.

657

01:06:45,650 --> 01:06:48,223

Let's get out of here.

Ready for light speed?

658

01:06:48,361 --> 01:06:50,567

One, two...

659

01:06:50,696 --> 01:06:51,811

three!

660

01:06:58,454 --> 01:07:00,696

It's not fair.

661

01:07:02,291 --> 01:07:05,079

Transfer circuits aren't working.

It's not my fault.

662

01:07:05,211 --> 01:07:08,128

- No light speed?

- It's not my fault.

663

01:07:12,927 --> 01:07:14,887

Sir, we just lost

the main rear deflector shield.

664

01:07:15,054 --> 01:07:17,373

One more direct hit

on the back quarter and we're done for.

665

01:07:17,473 --> 01:07:19,139

Turn her around.

666

01:07:19,267 --> 01:07:21,888

Turn her around! I'm gonna

put all power in the front shield.

667

01:07:22,019 --> 01:07:23,979

- You're gonna attack?

- The odds of surviving...

668

01:07:24,147 --> 01:07:26,067

a direct assault

on an imperial Stardestroyer...

669

01:07:26,190 --> 01:07:28,099

Shut up!

670

01:07:34,615 --> 01:07:36,573

They're moving to attack position.

671

01:07:38,786 --> 01:07:39,865

Shields up.

672

01:07:46,461 --> 01:07:49,034

Track them. They may
come around for another pass.

673

01:07:49,172 --> 01:07:51,544

Captain Needa, the ship no longer
appears on our scopes.

674

01:07:51,674 --> 01:07:55,292

They can't have disappeared. No ship
that small has a cloaking device.

675

01:07:55,428 --> 01:07:59,260

- There's no trace of them.
- Captain, Lord Vader demands an update.

676

01:08:02,268 --> 01:08:04,308

Get a shuttle ready.

677

01:08:04,437 --> 01:08:08,351

I shall assume full responsibility for
losing them and apologize to Lord Vader.

678

01:08:08,483 --> 01:08:11,567

- Meanwhile, continue to scan the area.
- Yes, Captain Needa.

679

01:08:16,282 --> 01:08:18,524

Use the Force.

680

01:08:18,659 --> 01:08:19,659

Yes.

681

01:08:25,291 --> 01:08:27,034

Now, the stone.

682

01:08:31,214 --> 01:08:32,838

Feel it.

683

01:08:44,560 --> 01:08:46,352

Concentrate!

684

01:09:01,035 --> 01:09:04,071

Oh, no.

We'll never get it out now.

685

01:09:04,205 --> 01:09:05,913

So certain are you.

686

01:09:10,002 --> 01:09:13,206

Always with you

it cannot be done.

687

01:09:14,465 --> 01:09:16,422

Hear you nothing that I say?

688

01:09:16,551 --> 01:09:18,627

Master, moving stones
around is one thing.

689

01:09:18,761 --> 01:09:20,588

This is totally different.

690

01:09:20,721 --> 01:09:22,963

No. No different.

691

01:09:23,099 --> 01:09:25,175

Only different in your mind.

692

01:09:25,309 --> 01:09:28,513

You must unlearn
what you have learned.

693

01:09:29,897 --> 01:09:32,982

- All right. I'll give it a try.

- Try not.

694

01:09:33,860 --> 01:09:35,270

Do...

695

01:09:35,403 --> 01:09:36,980

or do not.

696

01:09:37,113 --> 01:09:38,773

There is no try.

697

01:10:27,200 --> 01:10:30,118

I can't. It's too big.

698

01:10:30,245 --> 01:10:32,284

Size matters not.

699

01:10:32,414 --> 01:10:35,415

Look at me.

Judge me by my size, do you?

700

01:10:38,169 --> 01:10:41,040

And well you should not...

701

01:10:41,172 --> 01:10:43,794

for my ally is the Force.

702

01:10:43,925 --> 01:10:46,297

And a powerful ally it is.

703

01:10:47,387 --> 01:10:49,759

Life creates it...

704

01:10:49,890 --> 01:10:51,929

makes it grow.

705

01:10:52,809 --> 01:10:55,596

Its energy surrounds us...

706

01:10:56,646 --> 01:10:58,438

and binds us.

707

01:10:58,565 --> 01:11:01,768

Luminous beings are we,

not this crude matter.

708

01:11:02,861 --> 01:11:06,111

You must feel

the Force around you.

709

01:11:06,990 --> 01:11:09,563

Here, between you, me...

710

01:11:10,452 --> 01:11:12,694

the tree, the rock...

711

01:11:13,041 --> 01:11:14,498

everywhere.

712

01:11:14,582 --> 01:11:16,293

Yes...

713

01:11:16,583 --> 01:11:20,367

even between

the land and the ship.

714

01:11:25,300 --> 01:11:27,542

You want the impossible.

715

01:13:15,076 --> 01:13:17,116

I don't believe it.

716

01:13:19,122 --> 01:13:21,791

That is why you fail.

717

01:13:41,061 --> 01:13:44,311

Apology accepted,

Captain Needa.

718

01:13:52,822 --> 01:13:55,859

Lord Vader, our ships have completed
their scan and found nothing.

719

01:13:55,992 --> 01:13:58,105

If the *Millennium Falcon*
went into light speed...

720

01:13:58,205 --> 01:13:59,987

it'll be on the other side

of the galaxy now.

721

01:14:00,121 --> 01:14:01,948

Alert all commands.

722

01:14:02,082 --> 01:14:06,329

Calculate every possible destination
along their last known trajectory.

723

01:14:06,461 --> 01:14:09,830

- Yes, my lord. We'll find them.

- Don't fail me again...

724

01:14:10,799 --> 01:14:12,791

Admiral.

725

01:14:14,970 --> 01:14:18,255

Alert all commands.

Deploy the fleet.

726

01:14:33,280 --> 01:14:36,446

Captain Solo,

this time you have gone too far.

727

01:14:36,575 --> 01:14:39,659

I will not be quiet, Chewbacca.

Why doesn't anyone listen to me?

728

01:14:39,900 --> 01:14:41,940

The fleet's beginning to break up.

729

01:14:42,069 --> 01:14:44,940

Go stand by the manual release
for the landing claw.

730

01:14:47,282 --> 01:14:49,275

I really don't see
how that's going to help.

731

01:14:49,410 --> 01:14:52,861

Surrender is a perfectly acceptable
alternative in extreme circumstances.

732

01:14:52,997 --> 01:14:55,073

The Empire may be
gracious enough...

733

01:14:55,207 --> 01:14:57,615

- Thank you.

- What did you have in mind next?

734

01:14:57,751 --> 01:14:59,660

If they follow standard

imperial procedure...

735

01:14:59,795 --> 01:15:02,073

they'll dump their garbage

before they go to light speed.

736

01:15:02,173 --> 01:15:05,173

- Then we just float away.

- With the rest of the garbage.

737

01:15:05,300 --> 01:15:06,711

Then what?

738

01:15:06,844 --> 01:15:10,094

Then we gotta find a safe port

somewhere around here.

739

01:15:10,222 --> 01:15:11,597

Any ideas?

740

01:15:11,724 --> 01:15:14,096

- Where are we?

- The Anoat system.

741

01:15:14,226 --> 01:15:16,799

The Anoat system.

There's not much there.

742

01:15:16,937 --> 01:15:19,772

Oh, wait.

This is interesting.

743

01:15:19,898 --> 01:15:22,769

- Lando.

- Lando system?

744

01:15:22,901 --> 01:15:26,484

Lando's not a system.

He's a man. Lando Calrissian.

745

01:15:26,613 --> 01:15:28,855

Card player, gambler.

746

01:15:28,991 --> 01:15:31,564

- A scoundrel. You'd like him.

- Thanks.

747

01:15:31,702 --> 01:15:34,371

Bespin. It's pretty far,

but I think we can make it.

748

01:15:35,873 --> 01:15:38,909

- A mining colony?

- Yeah, a tibanna gas mine.

749

01:15:39,793 --> 01:15:41,916

Lando conned somebody out of it.

750

01:15:42,046 --> 01:15:44,750

We go back a long way,

Lando and me.

751

01:15:46,175 --> 01:15:48,844

- Can you trust him?

- No.

752

01:15:48,969 --> 01:15:51,840

But he's got no love for the Empire.

I can tell you that.

753

01:15:52,931 --> 01:15:55,553

Here we go, Chewie.

Stand by. Detach.

754

01:16:03,215 --> 01:16:04,862

You do have your moments.

755

01:16:05,194 --> 01:16:08,029

Not many of them,

but you do have them.

756

01:16:42,815 --> 01:16:44,724

Concentrate.

757

01:16:44,858 --> 01:16:48,062

Feel the Force flow.

758

01:16:48,195 --> 01:16:49,820

Yes.

759

01:16:57,496 --> 01:16:59,156

Good.

760

01:16:59,289 --> 01:17:00,665

Calm.

761

01:17:00,791 --> 01:17:02,119

Yes.

762

01:17:03,085 --> 01:17:05,623

Through the Force,
things you will see.

763

01:17:05,754 --> 01:17:09,458

Other places.

The future. The past.

764

01:17:09,669 --> 01:17:11,749

Old friends long gone.

765

01:17:22,271 --> 01:17:23,730

Control, control.

766

01:17:23,856 --> 01:17:26,062

You must learn control.

767

01:17:29,111 --> 01:17:32,028

I saw a city in the clouds.

768

01:17:34,116 --> 01:17:36,274

Friends you have there.

769

01:17:37,369 --> 01:17:40,987

- They were in pain.

- It is the future you see.

770

01:17:42,207 --> 01:17:43,207

Future?

771

01:17:52,217 --> 01:17:53,628

Will they die?

772

01:17:56,889 --> 01:17:58,965

Difficult to see.

773

01:17:59,099 --> 01:18:01,555

Always in motion is the future.

774

01:18:04,063 --> 01:18:05,473

I've gotta go to them.

775

01:18:07,483 --> 01:18:10,519

Decide you must

how to serve them best.

776

01:18:10,653 --> 01:18:13,523

If you leave now,

help them you could...

777

01:18:14,615 --> 01:18:18,150

but you would destroy all

for which they have fought and suffered.

778

01:18:32,216 --> 01:18:35,003

No, I don't have a landing permit.

779

01:18:35,135 --> 01:18:38,754

I'm trying to reach Lando Calrissian.

780

01:18:38,889 --> 01:18:41,012

Wait a minute!

Let me explain!

781

01:18:41,141 --> 01:18:43,098

<i>You will not deviate</i>

<i>from your present course.</i>

782

01:18:43,227 --> 01:18:45,932

- Rather touchy, aren't they?

- I thought you knew this person.

783

01:18:48,857 --> 01:18:51,645

That was a long time ago.

I'm sure he's forgotten about that.

784

01:19:00,244 --> 01:19:03,862

<i>Permission granted to land</i>

<i>on Platform 327.</i>

785

01:19:03,998 --> 01:19:05,373

Thank you.

786

01:19:06,291 --> 01:19:09,162

Nothing to worry about.

We go way back, Lando and me.

787

01:19:09,294 --> 01:19:10,954

Who's worried?

788

01:19:59,803 --> 01:20:01,214

No one to meet us.

789

01:20:02,639 --> 01:20:04,965

I don't like this.

790

01:20:05,100 --> 01:20:07,935

- What would you like?

- They did let us land.

791

01:20:08,062 --> 01:20:10,766

Look, don't worry.

Everything's gonna be fine.

792

01:20:10,898 --> 01:20:12,522

Trust me.

793

01:20:17,279 --> 01:20:19,319

See? My friend.

794

01:20:23,744 --> 01:20:25,783

Keep your eyes open.

795

01:20:28,499 --> 01:20:30,123

Hey.

796

01:20:30,250 --> 01:20:34,331

Why, you slimy, double-crossing,

no-good swindler.

797

01:20:34,463 --> 01:20:38,674

You've got a lot of guts coming here,
after what you pulled.

798

01:20:49,186 --> 01:20:52,637

How you doin', you old pirate?
So good to see you!

799

01:20:52,773 --> 01:20:55,809

- I never thought I'd see you again.
- Well, he seems very friendly.

800

01:20:55,943 --> 01:20:59,027

Yes. Very friendly.

801

01:20:59,154 --> 01:21:00,779

What are you doing here?

802

01:21:00,906 --> 01:21:02,899

Repairs. I thought
you could help me out.

803

01:21:03,033 --> 01:21:05,655

- What have you done to my ship?

- Your ship?

804

01:21:05,786 --> 01:21:09,321

Hey, remember,

you lost her to me fair and square.

805

01:21:10,207 --> 01:21:11,582

How you doin', Chewbacca?

806

01:21:12,543 --> 01:21:15,212

Still hanging around with this loser?

807

01:21:17,214 --> 01:21:19,539

Hello.

What have we here?

808

01:21:21,051 --> 01:21:24,586

Welcome. I'm Lando Calrissian.

I'm the administrator of this facility.

809

01:21:24,722 --> 01:21:27,639

- And who might you be?

- Leia.

810

01:21:27,766 --> 01:21:29,391

Welcome, Leia.

811

01:21:32,229 --> 01:21:35,064

All right, all right.

You old smoothie.

812

01:21:35,190 --> 01:21:38,809

Hello, sir. I am C-3PO,
human-cyborg relations.

813

01:21:38,944 --> 01:21:41,731

My facilities are at your...

Well, really!

814

01:21:41,864 --> 01:21:44,236

- What's wrong with the *Falcon*?

- Hyperdrive.

815

01:21:44,366 --> 01:21:46,406

- I'll get my people to work on her.

- Good.

816

01:21:46,535 --> 01:21:48,575

That ship saved my life
quite a few times.

817

01:21:48,704 --> 01:21:51,242

She's the fastest
hunk of junk in the galaxy.

818

01:21:52,583 --> 01:21:55,038

How's the gas mine?
Still paying off for you?

819

01:21:55,169 --> 01:21:59,001

Not as well as I'd like. We're a small
outpost and not very self-sufficient.

820

01:21:59,131 --> 01:22:02,215

I've had supply problems
of every kind.

821

01:22:02,343 --> 01:22:04,501

I've had labour difficulties.

822

01:22:04,636 --> 01:22:07,887

- What's so funny?

- You. Listen to you.

823

01:22:08,015 --> 01:22:10,802

You sound like a businessman,
a responsible leader.

824

01:22:10,934 --> 01:22:12,808

Who'd have thought that, huh?

825

01:22:12,936 --> 01:22:15,854

Seeing you sure brings back
a few things.

826

01:22:15,981 --> 01:22:17,179

Yeah.

827

01:22:17,316 --> 01:22:19,439

Yeah, I'm responsible these days.

828

01:22:20,319 --> 01:22:22,988

It's the price you pay
for being successful.

829

01:22:26,241 --> 01:22:28,281

Nice to see a familiar face.

830

01:22:28,410 --> 01:22:30,035

How rude!

831

01:22:31,622 --> 01:22:33,661

That sounds like
an R2 unit in there.

832

01:22:33,791 --> 01:22:35,368

I wonder if... Hello?

833

01:22:37,628 --> 01:22:39,170

How interesting.

834

01:22:39,296 --> 01:22:42,380

- Who are you?

- Oh, my. I'm terribly sorry.

835

01:22:42,508 --> 01:22:44,547

I didn't mean to intrude.

Please don't get up.

836

01:23:03,200 --> 01:23:05,774

Luke, you must complete the training.

837

01:23:06,871 --> 01:23:09,658

I can't keep the vision out of my head.

I've gotta help them.

838

01:23:09,790 --> 01:23:11,913

You must not go.

839

01:23:12,042 --> 01:23:15,127

- But Han and Leia will die if I don't.

- *You don't know that.*

840

01:23:18,132 --> 01:23:20,801

Even Yoda cannot see their fate.

841

01:23:20,926 --> 01:23:23,678

But I can help them.

I feel the Force.

842

01:23:23,804 --> 01:23:25,624

But you cannot control it.

843

01:23:25,856 --> 01:23:27,989

This is a dangerous time for you...

844

01:23:28,327 --> 01:23:31,643

when you will be tempted

by the dark side of the Force.

845

01:23:31,770 --> 01:23:34,974

Yes, yes.

To Obi-Wan you listen.

846

01:23:35,858 --> 01:23:37,269

The cave.

847

01:23:37,401 --> 01:23:39,477

Remember your failure at the cave.

848

01:23:39,612 --> 01:23:41,521

But I've learned

so much since then.

849

01:23:41,655 --> 01:23:44,325

Master Yoda, I promise to return

and finish what I've begun.

850

01:23:44,450 --> 01:23:46,407

You have my word.

851

01:23:46,535 --> 01:23:49,322

It is you and your abilities

the emperor wants.

852

01:23:49,455 --> 01:23:52,160

That is why your friends

are made to suffer.

853

01:23:53,626 --> 01:23:56,295

That's why I have to go.

854

01:23:56,420 --> 01:24:00,749

Luke, I don't want to lose you
to the emperor the way I lost Vader.

855

01:24:00,883 --> 01:24:02,377

You won't.

856

01:24:03,233 --> 01:24:06,843

Stopped they must be.
On this all depends.

857

01:24:07,435 --> 01:24:11,174

Only a fully trained Jedi knight,
with the Force as his ally...

858

01:24:11,310 --> 01:24:13,883

will conquer Vader
and his emperor.

859

01:24:14,021 --> 01:24:16,097

If you end your training now...

860

01:24:16,232 --> 01:24:20,525

if you choose the quick and easy path,
as Vader did...

861

01:24:20,653 --> 01:24:23,274

you will become an agent of evil.

862

01:24:23,405 --> 01:24:24,405

Patience.

863

01:24:25,324 --> 01:24:29,701

- And sacrifice Han and Leia?

- If you honour what they fight for...

864

01:24:29,829 --> 01:24:30,829

yes.

865

01:24:30,955 --> 01:24:34,039

If you choose to face Vader,
you will do it alone.

866

01:24:34,166 --> 01:24:36,159

I cannot interfere.

867

01:24:38,254 --> 01:24:39,452

I understand.

868

01:24:44,770 --> 01:24:47,557

R2, fire up the converters.

869

01:24:52,944 --> 01:24:54,902

Don't give in to hate.

870

01:24:55,030 --> 01:24:57,782

That leads to the dark side.

871

01:24:57,908 --> 01:24:59,616

Strong is Vader.

872

01:24:59,743 --> 01:25:02,234

Mind what you have learned.

Save you it can.

873

01:25:03,205 --> 01:25:04,699

I will.

874

01:25:04,831 --> 01:25:07,287

And I'll return. I promise.

875

01:25:14,383 --> 01:25:17,419

Told you, I did.

Reckless is he.

876

01:25:17,552 --> 01:25:19,130

Now...

877

01:25:19,262 --> 01:25:21,006

matters are worse.

878

01:25:21,139 --> 01:25:23,179

<i>That boy is our last hope.</i>

879

01:25:23,308 --> 01:25:26,226

No, there is another.

880

01:25:58,385 --> 01:26:01,671

The ship's almost finished. Two or three
more things and we're in great shape.

881

01:26:01,805 --> 01:26:03,845

The sooner the better.
Something's wrong here.

882

01:26:03,974 --> 01:26:06,013

No one has seen or knows
anything about 3PO.

883

01:26:06,143 --> 01:26:08,349

He's been gone too long
to have gotten lost.

884

01:26:08,478 --> 01:26:10,186

Relax.

885

01:26:10,314 --> 01:26:13,184

I'll talk to Lando
and see what I can find out.

886

01:26:13,317 --> 01:26:15,772

I don't trust Lando.

887

01:26:15,902 --> 01:26:19,236

Well, I don't trust him either,
but he is my friend.

888

01:26:19,364 --> 01:26:22,034

Besides, we'll soon be gone.

889

01:26:23,493 --> 01:26:25,533

Then you're as good as gone,
aren't you?

890

01:27:00,572 --> 01:27:02,066

What happened?

891

01:27:03,158 --> 01:27:04,158

Where?

892

01:27:05,994 --> 01:27:07,987

Found him in a junk pile?

893

01:27:08,121 --> 01:27:10,659

What a mess.

Chewie, you think you can repair him?

894

01:27:12,834 --> 01:27:16,334

- Lando's got people that can fix him.

- No, thanks.

895

01:27:17,923 --> 01:27:19,750

I'm sorry.

Am I interrupting anything?

896

01:27:20,717 --> 01:27:21,832

Not really.

897

01:27:25,389 --> 01:27:27,381

You look absolutely beautiful.

898

01:27:27,516 --> 01:27:30,801

You truly belong here

with us among the clouds.

899

01:27:30,936 --> 01:27:32,395

Thank you.

900

01:27:32,521 --> 01:27:35,438

Would you join me

for a little refreshment?

901

01:27:35,565 --> 01:27:38,353

Everyone's invited, of course.

902

01:27:38,485 --> 01:27:40,561

Having trouble with your droid?

903

01:27:40,696 --> 01:27:43,317

No. No problem. Why?

904

01:27:52,165 --> 01:27:54,656

You see, since we're

a small operation...

905

01:27:54,793 --> 01:27:58,043

we don't fall into

the jurisdiction of the Empire.

906

01:27:58,171 --> 01:28:00,709

- So you're part of the Mining Guild?

- No, not actually.

907

01:28:00,841 --> 01:28:02,999

Our operation is small enough
not to be noticed.

908

01:28:03,135 --> 01:28:05,174

Which is advantageous
for everybody...

909

01:28:05,304 --> 01:28:09,716

since our customers are anxious to avoid
attracting attention to themselves.

910

01:28:09,850 --> 01:28:13,717

Aren't you afraid the Empire's
gonna find out, shut you down?

911

01:28:13,854 --> 01:28:17,139

It's been a danger that looms like

a shadow over everything we've built.

912

01:28:17,274 --> 01:28:19,979

But things have developed
that'll ensure security.

913

01:28:20,110 --> 01:28:23,396

I've just made a deal that'll keep
the Empire out of here forever.

914

01:28:33,123 --> 01:28:35,910

We would be honoured
if you would join us.

915

01:28:42,799 --> 01:28:45,172

I had no choice.
They arrived right before you did.

916

01:28:46,136 --> 01:28:47,796

I'm sorry.

917

01:28:51,308 --> 01:28:52,636

I'm sorry too.

918

01:29:07,491 --> 01:29:08,866

No, 3PO's with them.

919

01:29:10,285 --> 01:29:12,361

Just hang on.

We're almost there.

920

01:30:11,930 --> 01:30:14,386

I'm terribly sorry.

I didn't mean to intrude.

921

01:30:14,516 --> 01:30:16,473

No, please don't get up.

922

01:30:22,316 --> 01:30:25,685

Stormtroopers? Here?

We're in danger.

923

01:30:25,819 --> 01:30:28,392

I must tell the others.

Oh, no! I've been shot!

924

01:30:56,224 --> 01:30:57,849

Lord Vader.

925

01:30:57,976 --> 01:31:00,348

You may take Captain Solo
to Jabba the Hutt...

926

01:31:00,479 --> 01:31:02,471

after I have Skywalker.

927

01:31:02,606 --> 01:31:04,480

He's no good to me dead.

928

01:31:04,608 --> 01:31:07,893

He will not be
permanently damaged.

929

01:31:10,322 --> 01:31:12,860

Lord Vader, what about Leia
and the Wookiee?

930

01:31:12,991 --> 01:31:15,696

They must never again leave this city.

931

01:31:15,827 --> 01:31:19,031

That wasn't part of our agreement, nor
was giving Han to this bounty hunter!

932

01:31:19,164 --> 01:31:23,078

Perhaps you think you're
being treated unfairly?

933

01:31:25,837 --> 01:31:26,837

No.

934

01:31:26,964 --> 01:31:30,498

Good. It would be unfortunate
if I had to leave a garrison here.

935

01:31:32,928 --> 01:31:35,300

This deal is getting worse
all the time.

936

01:31:36,515 --> 01:31:38,887

Oh, yes, that's very good.

I like that.

937

01:31:40,519 --> 01:31:43,057

Something's not right

because now I can't see.

938

01:31:45,607 --> 01:31:47,814

That's much better.

939

01:31:47,943 --> 01:31:49,567

Wait. Wait.

940

01:31:49,695 --> 01:31:51,734

Oh, my!

What have you done?

941

01:31:51,863 --> 01:31:53,406

I'm backwards!

942

01:31:53,532 --> 01:31:55,405

You flea-bitten furball!

943

01:31:55,534 --> 01:31:58,203

Only an overgrown mophead like you
would be stupid enough...

944

01:32:12,801 --> 01:32:14,758

I feel terrible.

945

01:32:30,027 --> 01:32:32,066

Why are they doing this?

946

01:32:34,573 --> 01:32:37,242

They never even asked me
any questions.

947

01:32:46,585 --> 01:32:48,743

- Get out of here, Lando.
- Shut up and listen.

948

01:32:48,879 --> 01:32:51,963

Vader's agreed
to turn Leia and Chewie over to me.

949

01:32:52,090 --> 01:32:53,970

They'll have to stay here,
but they'll be safe.

950

01:32:54,092 --> 01:32:56,215

- And Han?

- Vader's given him to the bounty hunter.

951

01:32:56,345 --> 01:32:58,752

- Vader wants us all dead.

- He doesn't want you at all.

952

01:32:58,889 --> 01:33:02,258

He's after somebody
called Skywalker.

953

01:33:02,392 --> 01:33:04,930

- Lord Vader set a trap for him.

- And we're the bait.

954

01:33:05,062 --> 01:33:06,888

- He's on his way.

- Perfect.

955

01:33:07,856 --> 01:33:10,062

You fixed us all real good,
didn't you?

956

01:33:10,192 --> 01:33:11,354

My friend.

957

01:33:14,363 --> 01:33:15,561

Stop!

958

01:33:16,865 --> 01:33:19,023

I've done all I can.

959

01:33:19,159 --> 01:33:21,567

Sorry I couldn't do better,
but I got my own problems.

960

01:33:21,703 --> 01:33:22,984

Yeah.

961

01:33:23,121 --> 01:33:24,948

You're a real hero.

962

01:33:35,759 --> 01:33:38,215

You certainly
have a way with people.

963

01:33:52,609 --> 01:33:54,436

This facility is crude...

964

01:33:54,569 --> 01:33:57,654

but it should be adequate
to freeze Skywalker...

965

01:33:57,781 --> 01:34:00,023

for his journey to the emperor.

966

01:34:00,158 --> 01:34:03,159

Lord Vader,
ship approaching, X-wing class.

967

01:34:03,287 --> 01:34:06,655

Good. Monitor Skywalker
and allow him to land.

968

01:34:08,208 --> 01:34:12,917

Lord Vader, we only use this facility
for carbon freezing. It might kill him.

969

01:34:13,046 --> 01:34:15,917

I do not want
the emperor's prize damaged.

970

01:34:16,049 --> 01:34:19,134

We will test it on Captain Solo.

971

01:34:42,909 --> 01:34:47,121

If you'd attached my legs I wouldn't
be in this ridiculous position.

972

01:34:47,247 --> 01:34:49,916

Now remember, Chewbacca,
you have a responsibility for me...

973

01:34:50,042 --> 01:34:51,750

so don't do anything foolish.

974

01:35:05,849 --> 01:35:07,889

What's going on, buddy?

975

01:35:08,852 --> 01:35:10,928

You're being put into carbon freeze.

976

01:35:11,063 --> 01:35:14,562

What if he doesn't survive?

He's worth a lot to me.

977

01:35:14,691 --> 01:35:18,060

The Empire will compensate you
if he dies. Put him in.

978

01:35:22,032 --> 01:35:23,195

Chewbacca, stop!

979

01:35:23,325 --> 01:35:25,317

No, Chewie, stop!

980

01:35:25,452 --> 01:35:28,453

You're going to get us all killed!

Yes, stop. I'm not ready to die.

981

01:35:28,580 --> 01:35:30,537

Hey! Hey!

Listen to me.

982

01:35:30,666 --> 01:35:33,157

Chewie, this won't help me.

983

01:35:33,293 --> 01:35:35,867

Hey, save your strength.

There'll be another time.

984

01:35:37,756 --> 01:35:39,381

The princess.

985

01:35:39,508 --> 01:35:41,585

You have to take care of her.

986

01:35:43,803 --> 01:35:45,978

Do you hear me?

987

01:35:59,661 --> 01:36:02,357

- I love you.

- I know.

988

01:36:31,560 --> 01:36:35,143

What's going on?

Turn round. I can't see.

989

01:37:34,039 --> 01:37:36,078

They've encased him in carbonite.

990

01:37:36,208 --> 01:37:38,082

He should be quite

well-protected...

991

01:37:38,210 --> 01:37:40,119

if he survived

the freezing process, that is.

992

01:37:40,253 --> 01:37:42,745

Well, Calrissian, did he survive?

993

01:37:42,881 --> 01:37:44,506

Yes, he's alive.

994

01:37:45,384 --> 01:37:47,257

And in perfect hibernation.

995

01:37:48,220 --> 01:37:50,343

He's all yours, bounty hunter.

996

01:37:51,223 --> 01:37:52,931

Reset the chamber for Skywalker.

997

01:37:55,352 --> 01:37:57,179

Skywalker has just landed, lord.

998

01:37:57,312 --> 01:38:01,180

Good. See to it

that he finds his way in here.

999

01:38:05,445 --> 01:38:07,319

Calrissian...

1000

01:38:07,447 --> 01:38:09,855

take the princess

and the Wookiee to my ship.

1001

01:38:09,992 --> 01:38:12,114

You said they'd be left
under my supervision.

1002

01:38:12,244 --> 01:38:14,283

I am altering the deal.

1003

01:38:14,413 --> 01:38:17,117

Pray I don't alter it any further.

1004

01:39:54,500 --> 01:39:57,038

Luke, don't! It's a trap!

1005

01:39:58,545 --> 01:39:59,625

It's a trap!

1006

01:40:46,051 --> 01:40:48,423

The Force is with you,
young Skywalker.

1007

01:40:50,848 --> 01:40:52,887

But you are not a Jedi yet.

1008

01:41:54,912 --> 01:41:56,536

Well done.

1009

01:41:58,332 --> 01:42:01,119

Hold them in the security tower.

And keep it quiet.

1010

01:42:01,251 --> 01:42:02,911

Move.

1011

01:42:07,382 --> 01:42:10,668

- What do you think you're doing?

- We're getting out of here.

1012

01:42:10,803 --> 01:42:12,546

I knew all along.

It had to be a mistake.

1013

01:42:12,679 --> 01:42:15,515

Do you think that

after what you did to Han...

1014

01:42:16,517 --> 01:42:19,802

- I had no choice.

- What are you doing? Trust him!

1015

01:42:19,937 --> 01:42:22,938

We understand, don't we, Chewie?

He had no choice.

1016

01:42:23,065 --> 01:42:24,607

I'm just trying to help.

1017

01:42:24,733 --> 01:42:27,355

We don't need any of your help.

1018

01:42:32,491 --> 01:42:33,985

What?

1019

01:42:34,118 --> 01:42:38,696

- It sounds like Han.

- There's still a chance to save Han...

1020

01:42:39,665 --> 01:42:42,915

at the east... platform.

1021

01:42:47,131 --> 01:42:49,254

I'm terribly sorry about all this.

1022

01:42:49,383 --> 01:42:51,126

After all, he's only a Wookiee.

1023

01:42:52,094 --> 01:42:54,763

Put Captain Solo

in the cargo hold.

1024

01:43:09,987 --> 01:43:12,229

R2, where have you been?

1025

01:43:12,364 --> 01:43:14,238

Wait. Turn around, you woolly...

1026

01:43:15,451 --> 01:43:18,202

Hurry! We're trying to save

Han from the bounty hunter.

1027

01:43:20,956 --> 01:43:23,364

Well, at least

you're still in one piece.

1028

01:43:23,500 --> 01:43:25,826

Look what's happened to me.

1029

01:43:37,806 --> 01:43:40,380

Oh, no!

Chewie, they're behind you!

1030

01:43:53,363 --> 01:43:55,689

You have learned much, young one.

1031

01:43:55,824 --> 01:43:57,947

You'll find I'm full of surprises.

1032

01:44:09,546 --> 01:44:12,631

Your destiny lies with me, Skywalker.

1033

01:44:13,509 --> 01:44:15,964

Obi-Wan knew this to be true.

1034

01:44:24,061 --> 01:44:25,389

All too easy.

1035

01:44:30,651 --> 01:44:33,106

Perhaps you're not as strong
as the emperor thought.

1036

01:44:36,281 --> 01:44:37,906

Impressive.

1037

01:44:39,868 --> 01:44:41,279

Most impressive.

1038

01:44:49,169 --> 01:44:52,834

Obi-Wan has taught you well.

You have controlled your fear.

1039

01:44:55,634 --> 01:44:58,837

Now, release your anger.

1040

01:44:58,971 --> 01:45:01,544

Only your hatred can destroy me.

1041

01:47:12,521 --> 01:47:14,430

The security code
has been changed.

1042

01:47:14,565 --> 01:47:17,850

R2, you can tell the computer
to override the security systems.

1043

01:47:18,819 --> 01:47:20,527

R2, hurry.

1044

01:47:23,824 --> 01:47:26,113

<i>Attention.</i>

<i>This is Lando Calrissian. Attention.</i>

1045

01:47:26,243 --> 01:47:28,200

<i>The Empire has taken control</i>
<i>of the city.</i>

1046

01:47:28,328 --> 01:47:31,164

<i>I advise everyone to leave</i>

<i>before more imperial troops arrive.</i>

1047

01:47:37,671 --> 01:47:39,296

This way.

1048

01:47:39,423 --> 01:47:41,629

Well, don't blame me.

I'm an interpreter.

1049

01:47:41,759 --> 01:47:44,629

I'm not supposed to know a power socket
from a computer terminal.

1050

01:48:06,241 --> 01:48:09,159

We're not interested in the hyperdrive
on the <i>Falcon.</i> It's fixed!

1051

01:48:14,166 --> 01:48:16,953

Just open the door,
you stupid lump!

1052

01:48:25,552 --> 01:48:27,960

I never doubted you for a second.

Wonderful!

1053

01:48:52,496 --> 01:48:55,201

That hurts! Bend down,
you thoughtless... Ow!

1054

01:49:02,339 --> 01:49:03,714

Go!

1055

01:49:10,139 --> 01:49:12,926

I thought that hairy beast
would be the end of me.

1056

01:49:13,058 --> 01:49:14,932

Of course I've looked better.

1057

01:50:08,614 --> 01:50:12,279

You are beaten.

It is useless to resist.

1058

01:50:12,409 --> 01:50:15,909

Don't let yourself be destroyed
as Obi-Wan did.

1059

01:50:31,720 --> 01:50:33,345

There is no escape.

1060

01:50:34,223 --> 01:50:36,346

Don't make me destroy you.

1061

01:50:40,354 --> 01:50:43,106

You do not yet realize
your importance.

1062

01:50:43,232 --> 01:50:45,901

You have only begun
to discover your power.

1063

01:50:46,026 --> 01:50:47,853

Join me...

1064

01:50:47,986 --> 01:50:50,359

and I will complete your training.

1065

01:50:50,489 --> 01:50:52,861

With our combined strength...

1066

01:50:52,991 --> 01:50:55,909

we can end

this destructive conflict...

1067

01:50:56,036 --> 01:50:58,325

and bring order to the galaxy.

1068

01:50:58,455 --> 01:51:00,946

I'll never join you!

1069

01:51:01,083 --> 01:51:05,163

If you only knew the power

of the dark side.

1070

01:51:05,295 --> 01:51:09,507

Obi-Wan never told you

what happened to your father.

1071

01:51:09,633 --> 01:51:11,044

He told me enough.

1072

01:51:13,679 --> 01:51:15,506

He told me you killed him.

1073

01:51:17,307 --> 01:51:19,383

I am your father.

1074

01:51:27,943 --> 01:51:29,852

That's not true.

1075

01:51:30,738 --> 01:51:32,362

That's impossible!

1076

01:51:32,489 --> 01:51:35,739

Search your feelings.

You know it to be true.

1077

01:51:44,585 --> 01:51:48,713

You can destroy the emperor.

He has foreseen this.

1078

01:51:48,839 --> 01:51:51,710

It is your destiny.

1079

01:51:51,842 --> 01:51:53,550

Join me...

1080

01:51:53,677 --> 01:51:57,971

and together we can rule the galaxy
as father and son.

1081

01:52:08,609 --> 01:52:10,233

Come with me.

1082

01:52:11,111 --> 01:52:13,270

It is the only way.

1083

01:53:19,555 --> 01:53:20,930

Ben.

1084

01:53:21,807 --> 01:53:23,634

Ben, please.

1085

01:53:51,587 --> 01:53:53,164

Hear me.

1086

01:54:00,137 --> 01:54:02,176

- We've got to go back.

- What?

1087

01:54:02,306 --> 01:54:04,631

- I know where Luke is.

- What about those fighters?

1088

01:54:05,768 --> 01:54:08,009

Chewie, just do it.

1089

01:54:08,145 --> 01:54:09,853

All right, all right!

1090

01:54:18,072 --> 01:54:22,116

Alert my Stardestroyer

to prepare for my arrival.

1091

01:54:32,669 --> 01:54:34,709

Look, someone's up there.

1092

01:54:35,964 --> 01:54:38,420

It's Luke.

Chewie, slow down.

1093

01:54:38,550 --> 01:54:41,836

We'll get under him.

Lando, open the top hatch.

1094

01:54:57,778 --> 01:55:00,103

Okay. Easy, Chewie.

1095

01:55:21,885 --> 01:55:24,008

- Lando?

- <i>Okay, let's go.</i>

1096

01:55:44,074 --> 01:55:45,485

All right, Chewie. Let's go.

1097

01:56:21,070 --> 01:56:22,896

I'll be back.

1098

01:56:28,660 --> 01:56:30,036

Stardestroyer.

1099

01:56:35,292 --> 01:56:37,748

All right, Chewie.

Ready for light speed.

1100

01:56:37,878 --> 01:56:39,918

If your people fixed the hyperdrive.

1101

01:56:40,047 --> 01:56:42,372

All the coordinates are set.

It's now or never.

1102

01:56:42,508 --> 01:56:43,966

Punch it!

1103

01:56:54,645 --> 01:56:56,933

They told me they fixed it.

1104

01:56:57,064 --> 01:56:58,938

I trusted them!

1105

01:56:59,066 --> 01:57:01,557

It's not my fault!

1106

01:57:07,199 --> 01:57:09,820

They'll be in range

of our tractor beam in moments, lord.

1107

01:57:09,952 --> 01:57:13,487

Did your men deactivate the hyperdrive

on the *Millennium Falcon*?

1108

01:57:13,622 --> 01:57:15,615

- Yes, my lord.

- Good.

1109

01:57:15,749 --> 01:57:19,367

Prepare the boarding party

and set your weapons for stun.

1110

01:57:19,503 --> 01:57:22,504

- Yes, my lord. Lieutenant.

- Yes, sir.

1111

01:57:24,091 --> 01:57:27,376

Noisy brute. Why don't we
just go into light speed?

1112

01:57:27,511 --> 01:57:29,089

We can't?

1113

01:57:29,221 --> 01:57:31,593

How would you know
the hyperdrive is deactivated?

1114

01:57:34,893 --> 01:57:37,764

The city's central computer told you?

1115

01:57:37,896 --> 01:57:40,648

R2-D2, you know better
than to trust a strange computer.

1116

01:57:40,774 --> 01:57:44,060

Ouch! Pay attention
to what you're doing.

1117

01:57:56,373 --> 01:57:57,536

Father.

1118

01:57:59,418 --> 01:58:01,541

Son, come with me.

1119

01:58:04,590 --> 01:58:06,000

Ben.

1120

01:58:07,092 --> 01:58:09,168

Why didn't you tell me?

1121

01:58:27,404 --> 01:58:28,602

It's Vader.

1122

01:58:34,453 --> 01:58:38,036

Luke, it is your destiny.

1123

01:58:45,756 --> 01:58:47,998

Why didn't you tell me?

1124

01:58:54,306 --> 01:58:58,220

Alert all commands.

Ready for the tractor beam.

1125

01:59:01,688 --> 01:59:04,440

R2, come back at once!

You haven't finished with me yet.

1126

01:59:04,566 --> 01:59:08,066

You don't know how to fix the
hyperdrive. Chewbacca can do it.

1127

01:59:08,195 --> 01:59:12,608

I'm standing here in pieces
and you're having delusions of grandeur!

1128

01:59:15,786 --> 01:59:17,245

You did it!

1129

02:00:14,818 --> 02:00:17,971

- Luke, we're ready for take-off.
- *Good luck, Lando.*

1130

02:00:19,016 --> 02:00:22,966

When we find Jabba the Hutt and
that bounty hunter, we'll contact you.

1131

02:00:23,103 --> 02:00:25,725

I'll meet you at
the rendezvous point on Tatooine.

1132

02:00:26,000 --> 02:00:29,416

Princess, we'll find Han.
I promise.

1133

02:00:29,545 --> 02:00:31,752

Chewie, I'll be waiting
for your signal.

1134

02:00:32,155 --> 02:00:33,589

Take care, you two.

1135

02:00:33,907 --> 02:00:35,756

<i>May the Force be with you.</i>
