

Dialogues from Star Wars Episode VI: Return of the Jedi to improve the vocabulary in English

1

00:02:28,665 --> 00:02:32,164

Command station, this is ST-321.

Code clearance blue.

2

00:02:32,294 --> 00:02:35,211

We're starting our approach.

Deactivate the security shield.

3

00:02:36,006 --> 00:02:38,045

The security deflector shield
will be deactivated...

4

00:02:38,174 --> 00:02:40,463

when we have confirmation
of your code transmission.

5

00:02:40,594 --> 00:02:41,756

Stand by.

6

00:02:43,263 --> 00:02:45,137

You are clear to proceed.

7

00:02:45,265 --> 00:02:47,554

We're starting our approach.

8

00:03:14,502 --> 00:03:17,669

Inform the commander
that Lord Vader's shuttle has arrived.

9

00:03:17,797 --> 00:03:18,877

Sir.

10

00:03:55,752 --> 00:03:58,753

Lord Vader, this is an unexpected
pleasure. We're honoured.

11

00:03:58,880 --> 00:04:01,169

You may dispense
with the pleasantries, Commander.

12

00:04:01,299 --> 00:04:03,790

I'm here to put you back on schedule.

13

00:04:03,927 --> 00:04:06,963

I assure you, Lord Vader,
my men are working as fast as they can.

14

00:04:07,097 --> 00:04:10,513

Perhaps I can find
new ways to motivate them.

15

00:04:11,851 --> 00:04:14,805

I tell you this station
will be operational as planned.

16

00:04:15,605 --> 00:04:20,896

The emperor does not share your
optimistic appraisal of the situation.

17

00:04:21,150 --> 00:04:24,353

But he asks the impossible.
I need more men.

18

00:04:24,487 --> 00:04:27,607

Then perhaps you can tell him
when he arrives.

19

00:04:28,866 --> 00:04:32,366

- The emperor's coming here?
- That is correct, Commander...

20

00:04:32,495 --> 00:04:37,240

and he is most displeased with
your apparent lack of progress.

21

00:04:38,042 --> 00:04:39,834

We shall double our efforts.

22

00:04:39,961 --> 00:04:43,246

I hope so, Commander, for your sake.

23

00:04:43,381 --> 00:04:47,248

The emperor is not
as forgiving as I am.

24

00:05:05,194 --> 00:05:07,650

Of course I'm worried.

And you should be too.

25

00:05:07,780 --> 00:05:11,564

Lando Calrissian and poor Chewbacca
never returned from this awful place.

26

00:05:13,995 --> 00:05:15,987

Don't be so sure.

27

00:05:16,122 --> 00:05:19,408

If I told you half the things
I've heard about this Jabba the Hutt...

28

00:05:19,542 --> 00:05:21,416

you'd probably short-circuit.

29

00:05:33,931 --> 00:05:35,971

R2, are you sure
this is the right place?

30

00:05:41,105 --> 00:05:43,228

I'd better knock, I suppose.

31

00:05:45,068 --> 00:05:48,982

There doesn't seem to be anyone here.

Let's go back and tell Master Luke.

32

00:05:52,575 --> 00:05:54,484

Goodness gracious me!

33

00:06:17,809 --> 00:06:20,134

I don't think

they're going to let us in, R2.

34

00:06:21,979 --> 00:06:23,889

We'd better go.

35

00:06:32,949 --> 00:06:34,573

R2, wait.

36

00:06:36,494 --> 00:06:38,451

Oh, dear. R2.

37

00:06:38,579 --> 00:06:41,865

R2, I really don't think

we should rush into all this.

38

00:06:42,917 --> 00:06:44,957

Oh, R2!

39

00:06:45,086 --> 00:06:46,664

R2, wait for me!

40

00:06:53,845 --> 00:06:57,379

Just you deliver Master Luke's message
and get us out of here.

41

00:06:57,515 --> 00:06:59,472

Oh, my!

42

00:07:03,438 --> 00:07:04,552

Oh, no.

43

00:07:09,652 --> 00:07:11,111

Oh, my.

44

00:07:16,117 --> 00:07:18,952

We bring a message
to your master, Jabba the Hutt.

45

00:07:22,665 --> 00:07:24,872

And a gift.

46

00:07:25,001 --> 00:07:26,329

What gift?

47

00:07:42,852 --> 00:07:48,059

He says that our instructions
are to give it only to Jabba himself.

48

00:07:57,950 --> 00:08:01,651

I'm terribly sorry. I'm afraid he's ever
so stubborn about these sort of things.

49

00:08:04,082 --> 00:08:07,497

R2, I have a bad feeling about this.

50

00:08:42,328 --> 00:08:44,155

Good morning.

51

00:08:49,460 --> 00:08:51,667

The message, R2.

The message.

52

00:09:01,681 --> 00:09:03,389

<i>Greetings, Exalted One.</i>

53

00:09:03,516 --> 00:09:05,805

<i>Allow me to introduce myself.</i>

54

00:09:05,935 --> 00:09:09,802

<i>I am Luke Skywalker,</i>

<i>Jedi knight and friend to Captain Solo.</i>

55

00:09:10,606 --> 00:09:13,276

<i>I know that you are powerful,</i>

<i>mighty Jabba...</i>

56

00:09:13,401 --> 00:09:17,066

<i>and that your anger with Solo</i>

<i>must be equally powerful.</i>

57

00:09:17,196 --> 00:09:20,980

<i>I seek an audience with Your Greatness</i>

<i>to bargain for Solo's life.</i>

58

00:09:24,787 --> 00:09:27,409

<i>With your wisdom, I'm sure</i>

<i>we can work out an arrangement...</i>

59

00:09:27,540 --> 00:09:29,248

<i>which will be mutually beneficial...</i>

60

00:09:29,375 --> 00:09:32,045

<i>and enable us to avoid</i>

<i>any unpleasant confrontation.</i>

61

00:09:34,088 --> 00:09:37,338

<i>As a token of my goodwill,</i>

<i>I present to you a gift...</i>

62

00:09:37,467 --> 00:09:39,210

<i>these two droids.</i>

63

00:09:39,343 --> 00:09:41,217

What did he say?

64

00:09:41,345 --> 00:09:44,880

<i>Both are hard-working</i>

<i>and will serve you well.</i>

65

00:09:45,016 --> 00:09:48,764

This can't be.

R2, you're playing the wrong message.

66

00:09:55,360 --> 00:09:57,151

He's no Jedi.

67

00:09:59,781 --> 00:10:03,613

There will be no bargain.

68

00:10:03,743 --> 00:10:05,949

We're doomed.

69

00:10:06,079 --> 00:10:13,042

I will not give up

my favourite decoration.

70

00:10:14,545 --> 00:10:17,961

I like Captain Solo where he is.

71

00:10:19,675 --> 00:10:21,752

R2, look. Captain Solo.

72

00:10:21,886 --> 00:10:24,424

And he's still frozen in carbonite.

73

00:10:37,568 --> 00:10:40,024

What could possibly
have come over Master Luke?

74

00:10:41,072 --> 00:10:45,022

Was it something I did? He never
expressed any unhappiness with my work.

75

00:10:46,077 --> 00:10:47,701

How horrid!

76

00:11:16,399 --> 00:11:18,937

Good. New acquisitions.

77

00:11:19,068 --> 00:11:21,690

You are a protocol droid,
are you not?

78

00:11:21,821 --> 00:11:23,730

I am C-3PO...

79

00:11:23,865 --> 00:11:25,608

Yes or no will do.

80

00:11:25,742 --> 00:11:27,236

Well, yes.

81

00:11:27,368 --> 00:11:29,859

How many languages do you speak?

82

00:11:29,996 --> 00:11:33,614

I am fluent in over six million forms
of communication and can readily...

83

00:11:33,750 --> 00:11:36,371

Splendid. We have been
without an interpreter...

84

00:11:36,502 --> 00:11:39,836
since our master got angry
with our last protocol droid...

85

00:11:39,964 --> 00:11:41,755
and disintegrated him.

86

00:11:41,883 --> 00:11:43,460
Disintegrated?

87

00:11:48,431 --> 00:11:52,179
Guard, this protocol droid
might be useful.

88

00:11:52,310 --> 00:11:54,468
Fit him with a restraining bolt...

89

00:11:54,604 --> 00:11:57,937
and take him back up to
His Excellency's main audience chamber.

90

00:11:58,066 --> 00:12:00,521

R2, don't leave me!

91

00:12:05,740 --> 00:12:07,816

You're a feisty little one...

92

00:12:07,950 --> 00:12:10,406

but you'll soon learn some respect.

93

00:12:10,536 --> 00:12:13,822

I have need for you on
the master's sail barge...

94

00:12:13,956 --> 00:12:16,661

and I think you'll fill in nicely.

95

00:12:45,279 --> 00:12:48,648

Ah! Do that again!

96

00:14:42,021 --> 00:14:46,233

I have come for the bounty

on this Wookiee.

97

00:14:47,276 --> 00:14:48,605

Oh, no. Chewbacca.

98

00:14:52,281 --> 00:14:56,908

At last we have the mighty Chewbacca.

99

00:15:02,709 --> 00:15:05,496

Yes, I am here,

Your Worshipfulness.

100

00:15:06,671 --> 00:15:07,951

Yes?

101

00:15:17,223 --> 00:15:19,180

The illustrious Jabba

bids you welcome...

102

00:15:19,308 --> 00:15:21,882

and will gladly pay you

the reward of 25,000.

103

00:15:22,937 --> 00:15:24,977

I want 50,000. No less.

104

00:15:25,773 --> 00:15:27,766

"50,000. No less."

105

00:15:40,830 --> 00:15:42,408

What did I say?

106

00:15:48,796 --> 00:15:51,418

The mighty Jabba asks why
he must pay 50,000.

107

00:15:55,470 --> 00:15:57,711

Because he's holding
a thermal detonator.

108

00:16:09,067 --> 00:16:13,563

This bounty hunter
is my kind of scum...

109

00:16:14,530 --> 00:16:17,318

fearless and inventive.

110

00:16:26,751 --> 00:16:29,586

Jabba offers the sum of 35...

111

00:16:29,712 --> 00:16:31,871

and I do suggest you take it.

112

00:16:37,428 --> 00:16:39,053

He agrees!

113

00:19:29,225 --> 00:19:31,633

Just relax for a moment.

114

00:19:31,769 --> 00:19:34,391

You're free of the carbonite.

115

00:19:36,482 --> 00:19:39,934

You have hibernation sickness.

116

00:19:40,069 --> 00:19:44,530

- I can't see.

- Your eyesight will return in time.

117

00:19:44,657 --> 00:19:47,943

- Where am I?

- Jabba's palace.

118

00:19:51,247 --> 00:19:52,872

Who are you?

119

00:19:57,879 --> 00:20:00,334

- Someone who loves you.

- Leia.

120

00:20:03,926 --> 00:20:05,836

I gotta get you out of here.

121

00:20:08,556 --> 00:20:10,299

What's that?

122

00:20:13,061 --> 00:20:14,934

I know that laugh.

123

00:20:20,902 --> 00:20:22,182

Hey, Jabba.

124

00:20:22,320 --> 00:20:25,155

Look, Jabba, I was just
on my way to pay you back.

125

00:20:25,281 --> 00:20:28,152

I got a little sidetracked.
It's not my fault.

126

00:20:28,284 --> 00:20:31,985

It's too late for that, Solo.

127

00:20:32,121 --> 00:20:36,830

You may have been a good smuggler...

128

00:20:36,959 --> 00:20:40,411

but now you're Bantha fodder.

129

00:20:45,093 --> 00:20:46,093

Look...

130

00:20:47,345 --> 00:20:49,384

Take him away.

131

00:20:49,514 --> 00:20:51,257

Jabba, I'll pay you triple.

132

00:20:51,391 --> 00:20:53,882

You're throwing away a fortune here.

Don't be a fool.

133

00:20:56,813 --> 00:20:58,971

Bring her to me.

134

00:21:03,027 --> 00:21:05,067

We have powerful friends.

135

00:21:05,196 --> 00:21:07,438

You're gonna regret this.

136

00:21:09,325 --> 00:21:11,199

I'm sure.

137

00:21:15,248 --> 00:21:17,075

I can't bear to watch.

138

00:21:31,681 --> 00:21:33,140

Chewie?

139

00:21:34,934 --> 00:21:36,891

Chewie, is that you?

140

00:21:38,855 --> 00:21:41,428

Wait a minute.

I can't see, pal.

141

00:21:42,525 --> 00:21:44,434

What's going on?

142

00:21:46,988 --> 00:21:48,565

Luke? Luke's crazy.

143

00:21:48,698 --> 00:21:52,233

He can't even take care of himself,
much less rescue anybody.

144

00:21:54,120 --> 00:21:55,994

A Jedi knight?

145

00:21:56,873 --> 00:22:00,657

I'm out of it for a little while,
everybody gets delusions of grandeur.

146

00:22:04,130 --> 00:22:06,004

I'm all right, pal.

147

00:22:07,800 --> 00:22:09,425

I'm all right.

148

00:23:03,314 --> 00:23:05,390

I must speak with Jabba.

149

00:23:10,655 --> 00:23:12,564

No bargain.

150

00:23:12,699 --> 00:23:15,154

You will take me to Jabba now.

151

00:23:19,622 --> 00:23:21,413

You serve your master well.

152

00:23:23,376 --> 00:23:25,285

And you will be rewarded.

153

00:23:34,178 --> 00:23:37,428

At last! Master Luke's
come to rescue me.

154

00:23:37,557 --> 00:23:38,967

Master.

155

00:23:41,060 --> 00:23:44,145

Luke Skywalker, Jedi knight.

156

00:23:44,272 --> 00:23:48,519

I told you not to admit him.

157

00:23:48,651 --> 00:23:50,443

I must be allowed to speak.

158

00:23:50,570 --> 00:23:53,321

He must be allowed to speak.

159

00:23:54,157 --> 00:23:57,111

You weak-minded fool!

160

00:23:59,162 --> 00:24:03,491

He's using an old Jedi mind trick.

161

00:24:03,624 --> 00:24:07,076

You will bring Captain Solo
and the Wookiee to me.

162

00:24:13,051 --> 00:24:18,211

Your mind powers
will not work on me, boy.

163

00:24:18,347 --> 00:24:20,506

Nevertheless...

164

00:24:20,641 --> 00:24:23,595

I'm taking Captain Solo
and his friends.

165

00:24:23,728 --> 00:24:27,560

You can either profit by this
or be destroyed.

166

00:24:27,690 --> 00:24:30,644

It's your choice, but I warn you
not to underestimate my powers.

167

00:24:32,904 --> 00:24:34,980

Master Luke, you're standing on...

168

00:24:35,114 --> 00:24:39,693

There will be no bargain, young Jedi.

169

00:24:40,912 --> 00:24:44,447

I shall enjoy watching you die.

170

00:25:15,530 --> 00:25:18,103

Oh, no! The rancor!

171

00:28:05,450 --> 00:28:09,115

Bring me Solo and the Wookiee.

172

00:28:09,245 --> 00:28:13,457

They will all suffer for this outrage.

173

00:28:28,347 --> 00:28:29,347

Han.

174

00:28:32,894 --> 00:28:36,097

- Are you all right?

- Fine. Together again, huh?

175

00:28:36,230 --> 00:28:38,638

- Wouldn't miss it.

- How are we doin'

176

00:28:38,775 --> 00:28:41,444

- Same as always.

- That bad, huh?

177

00:28:41,569 --> 00:28:44,060

- Where's Leia?

- I'm here.

178

00:28:47,700 --> 00:28:49,159

Oh, dear.

179

00:28:50,036 --> 00:28:53,120

His High Exaltedness,
the great Jabba the Hutt...

180

00:28:53,247 --> 00:28:56,284

has decreed that you are
to be terminated immediately.

181

00:28:56,417 --> 00:28:58,042

Good. I hate long waits.

182

00:29:00,463 --> 00:29:03,036

You will therefore be taken
to the Dune Sea...

183

00:29:03,174 --> 00:29:05,499

and cast into the Pit of Carkoon...

184

00:29:05,635 --> 00:29:07,924

nesting place

of the all-powerful Sarlacc.

185

00:29:08,054 --> 00:29:09,252

Doesn't sound so bad.

186

00:29:09,389 --> 00:29:13,256

In his belly, you will find a new
definition of pain and suffering...

187

00:29:13,393 --> 00:29:16,477

as you are slowly digested
over 1,000 years.

188

00:29:17,980 --> 00:29:20,103

On second thought,
let's pass on that.

189

00:29:20,233 --> 00:29:21,857

You should have bargained, Jabba.

190

00:29:25,697 --> 00:29:28,152

That's the last mistake
you'll ever make.

191

00:30:19,709 --> 00:30:21,417

I think my eyes are getting better.

192

00:30:21,544 --> 00:30:24,664

Instead of a big dark blur,
I see a big light blur.

193

00:30:25,548 --> 00:30:28,715

There's nothing to see.
I used to live here, you know.

194

00:30:28,843 --> 00:30:31,678

You're gonna die here,
you know. Convenient.

195

00:30:31,804 --> 00:30:34,093

Just stick close to Chewie and Lando.

196

00:30:34,223 --> 00:30:36,549

I've taken care of everything.

197

00:30:37,435 --> 00:30:38,715

Great.

198

00:30:42,857 --> 00:30:49,191

Soon you will learn to appreciate me.

199

00:30:51,115 --> 00:30:52,396

I'm terribly sorry.

200

00:30:52,533 --> 00:30:55,451

R2, what are you doing here?

201

00:30:55,578 --> 00:30:58,614

I can see you're serving drinks,
but this place is dangerous.

202

00:30:58,748 --> 00:31:01,702

They're going to execute Master Luke,
and if we're not careful, us too.

203

00:31:04,587 --> 00:31:06,496

I wish I had your confidence.

204

00:31:29,821 --> 00:31:32,027

Victims of the almighty Sarlacc...

205

00:31:32,156 --> 00:31:35,276

His Excellency hopes
that you will die honourably.

206

00:31:37,161 --> 00:31:39,735

But should any of you
wish to beg for mercy...

207

00:31:39,872 --> 00:31:43,870

the great Jabba the Hutt
will now listen to your pleas.

208

00:31:48,089 --> 00:31:53,428

3PO, you tell that slimy piece
of worm-ridden filth...

209

00:31:53,553 --> 00:31:56,174

he'll get no such pleasure from us!

210

00:31:56,305 --> 00:31:58,097

Right?

211

00:32:01,394 --> 00:32:03,470

This is your last chance.

212

00:32:04,027 --> 00:32:06,105

Free us or die.

213

00:32:10,153 --> 00:32:12,940

Move him into position.

214

00:32:37,138 --> 00:32:39,380

Put him in.

215

00:33:03,831 --> 00:33:05,290

Easy, Chewie.

216

00:33:15,259 --> 00:33:16,718

Help!

217

00:33:23,476 --> 00:33:25,682

Chewie, you're hit?

Where is it?

218

00:33:31,776 --> 00:33:33,235

Han, Chewie!

219

00:33:33,361 --> 00:33:34,392

Lando.

220

00:33:42,578 --> 00:33:43,823

Boba Fett?

221

00:33:45,873 --> 00:33:47,284

Boba Fett? Where?

222

00:34:20,491 --> 00:34:22,484

- Lando, grab it!

- Lower it!

223

00:34:22,618 --> 00:34:23,994

I'm trying!

224

00:34:46,142 --> 00:34:48,550

Grab me, Chewie.

Grab it!

225

00:35:01,282 --> 00:35:03,524

Grab it. Almost.

You almost got it.

226

00:35:12,919 --> 00:35:14,247

Gently, now.

227

00:35:14,379 --> 00:35:16,418

Easy. Hold me, Chewie.

228

00:35:28,184 --> 00:35:29,726

Chewie, give me the gun.

229

00:35:29,852 --> 00:35:32,853

- Don't move, Lando.

- Wait! I thought you were blind!

230

00:35:32,980 --> 00:35:34,973

I can see a lot better.

Don't move.

231

00:35:35,108 --> 00:35:36,650

A little higher!

232

00:35:39,821 --> 00:35:41,813

Chewie, pull us up.

233

00:35:42,949 --> 00:35:44,491

Up, Chewie. Up.

234

00:35:46,327 --> 00:35:47,905

We gotta get out of here.

235

00:35:48,621 --> 00:35:50,412

Not my eyes! R2, help!

236

00:35:51,541 --> 00:35:52,541

Quickly, R2!

237

00:35:54,001 --> 00:35:55,033

Beast!

238

00:36:00,425 --> 00:36:02,251

Get the gun!

239

00:36:02,385 --> 00:36:03,630

Point it at the deck.

240

00:36:09,183 --> 00:36:10,725

Point it at the deck!

241

00:36:14,522 --> 00:36:17,060

R2, where are we going?

I couldn't possibly...

242

00:36:22,280 --> 00:36:23,739

Come on.

243

00:36:31,789 --> 00:36:34,245

- Let's go. Don't forget the droids.

- We're on our way.

244

00:37:13,790 --> 00:37:15,533

I'll meet you back at the fleet.

245

00:37:15,666 --> 00:37:18,288

<i>Hurry. The Alliance</i>

<i>should be assembled by now.</i>

246

00:37:18,419 --> 00:37:21,089

- I will.

- <i>Luke, thanks.</i>

247

00:37:21,214 --> 00:37:24,464

<i>Thanks for coming after me.</i>

<i>Now I owe you one.</i>

248

00:37:30,181 --> 00:37:32,589

That's right, R2.

We're going to the Dagobah system.

249

00:37:39,023 --> 00:37:41,265

I have a promise to keep...

250

00:37:41,401 --> 00:37:43,358

to an old friend.

251

00:38:34,537 --> 00:38:35,996

Rise, my friend.

252

00:38:42,712 --> 00:38:45,962

The Death Star will be
completed on schedule.

253

00:38:46,758 --> 00:38:49,249

You've done well, Lord Vader.

254

00:38:49,385 --> 00:38:55,221

Now I sense you wish to continue
your search for young Skywalker.

255

00:38:57,685 --> 00:38:59,096

Yes, my master.

256

00:38:59,896 --> 00:39:02,517

Patience, my friend.

257

00:39:02,648 --> 00:39:05,982

In time, he will seek you out.

258

00:39:06,110 --> 00:39:10,523

When he does,
you must bring him before me.

259

00:39:10,656 --> 00:39:12,945

He has grown strong.

260

00:39:13,076 --> 00:39:18,746

Only together can we turn him
to the dark side of the Force.

261

00:39:18,873 --> 00:39:20,616

As you wish.

262

00:39:22,251 --> 00:39:26,249

Everything is proceeding
as I have foreseen.

263

00:39:52,699 --> 00:39:54,525

That face you make...

264

00:39:55,618 --> 00:39:58,156

Look I so old to young eyes?

265

00:39:58,287 --> 00:40:00,031

No, of course not.

266

00:40:01,457 --> 00:40:03,082

I do.

267

00:40:06,212 --> 00:40:08,169

Yes, I do.

268

00:40:10,341 --> 00:40:12,832

Sick have I become.

269

00:40:12,969 --> 00:40:14,926

Old and weak.

270

00:40:19,600 --> 00:40:21,510

When 900 years old you reach...

271

00:40:21,644 --> 00:40:23,471

look as good you will not.

272

00:40:30,361 --> 00:40:32,484

Soon will I rest.

273

00:40:32,613 --> 00:40:35,733

Yes. Forever sleep.

274

00:40:37,368 --> 00:40:38,993

Earned it I have.

275

00:40:39,120 --> 00:40:41,789

Master Yoda, you can't die.

276

00:40:43,374 --> 00:40:46,044

Strong am I with the Force...

277

00:40:46,169 --> 00:40:48,126

but not that strong.

278

00:40:50,840 --> 00:40:55,965

Twilight is upon me,
and soon night must fall.

279

00:40:59,932 --> 00:41:01,557

That is the way of things...

280

00:41:03,770 --> 00:41:05,893

the way of the Force.

281

00:41:07,815 --> 00:41:09,689

But I need your help.

282

00:41:09,817 --> 00:41:12,984

I've come back
to complete the training.

283

00:41:13,112 --> 00:41:15,235

No more training do you require.

284

00:41:15,365 --> 00:41:18,484

Already know you
that which you need.

285

00:41:22,053 --> 00:41:23,863

Then I am a Jedi.

286

00:41:30,700 --> 00:41:32,360

Not yet.

287

00:41:32,493 --> 00:41:34,486

One thing remains...

288

00:41:35,538 --> 00:41:39,951

Vader. You must confront Vader.

289

00:41:40,751 --> 00:41:44,879

Then... only then...
a Jedi will you be.

290

00:41:46,632 --> 00:41:48,755

And confront him you will.

291

00:41:53,431 --> 00:41:54,889

Master Yoda...

292

00:41:58,644 --> 00:42:01,052

is Darth Vader my father?

293

00:42:04,191 --> 00:42:06,682

Rest I need.

294

00:42:06,819 --> 00:42:08,230

Yes.

295

00:42:08,362 --> 00:42:09,987

Rest.

296

00:42:11,824 --> 00:42:13,864

Yoda, I must know.

297

00:42:18,205 --> 00:42:20,364

Your father he is.

298

00:42:26,672 --> 00:42:29,210

Told you, did he?

299

00:42:30,968 --> 00:42:32,344

Yes.

300

00:42:34,180 --> 00:42:36,469

Unexpected this is.

301

00:42:38,476 --> 00:42:39,887

And unfortunate.

302

00:42:41,687 --> 00:42:43,727

Unfortunate that I know the truth?

303

00:42:43,856 --> 00:42:45,137

No.

304

00:42:48,361 --> 00:42:52,275

Unfortunate that

you rushed to face him...

305

00:42:52,406 --> 00:42:54,944

that incomplete
was your training...

306

00:42:56,035 --> 00:42:59,534

that not ready
for the burden were you.

307

00:43:01,540 --> 00:43:03,165

I'm sorry.

308

00:43:04,377 --> 00:43:09,881

Remember, a Jedi's strength
flows from the Force.

309

00:43:14,929 --> 00:43:16,672

But beware.

310

00:43:16,806 --> 00:43:20,340

Anger, fear, aggression...

311

00:43:20,476 --> 00:43:23,097

the dark side are they.

312

00:43:23,854 --> 00:43:27,555

Once you start down the dark path...

313

00:43:27,692 --> 00:43:31,440

forever will it dominate your destiny.

314

00:43:38,703 --> 00:43:40,446

Do not...

315

00:43:43,541 --> 00:43:48,037

Do not underestimate
the powers of the emperor...

316

00:43:49,130 --> 00:43:52,581

or suffer your father's fate you will.

317

00:43:57,054 --> 00:43:59,094

When gone am I...

318

00:43:59,974 --> 00:44:03,058

the last of the Jedi will you be.

319

00:44:07,565 --> 00:44:11,645

The Force runs strong in your family.

320

00:44:14,155 --> 00:44:17,737

Pass on what you have learned.

321

00:44:27,585 --> 00:44:29,376

There is...

322

00:44:30,546 --> 00:44:32,206

another...

323

00:44:36,385 --> 00:44:40,715

Skywalker.

324

00:45:41,534 --> 00:45:43,408

I can't do it, R2.

325

00:45:47,290 --> 00:45:49,697

I can't go on alone.

326

00:45:49,834 --> 00:45:51,992

<i>Yoda will always be with you.</i>

327

00:45:53,087 --> 00:45:54,285

Obi-Wan.

328

00:46:02,346 --> 00:46:03,971

Why didn't you tell me?

329

00:46:04,098 --> 00:46:07,965

You told me Vader betrayed
and murdered my father.

330

00:46:08,102 --> 00:46:13,606

Your father was seduced
by the dark side of the Force.

331

00:46:13,733 --> 00:46:17,647

He ceased to be Anakin Skywalker
and became Darth Vader.

332

00:46:17,778 --> 00:46:19,273

When that happened...

333

00:46:19,405 --> 00:46:22,572

the good man who was
your father was destroyed.

334

00:46:23,618 --> 00:46:26,025

So what I told you was true...

335

00:46:26,162 --> 00:46:27,989

from a certain point of view.

336

00:46:28,122 --> 00:46:30,578

A certain point of view?

337

00:46:30,708 --> 00:46:34,575

Luke, you're going to find
that many of the truths we cling to...

338

00:46:34,712 --> 00:46:37,629

depend greatly
on our own point of view.

339

00:46:38,424 --> 00:46:41,129

Anakin was a good friend.

340

00:46:42,094 --> 00:46:43,672

When I first knew him...

341

00:46:43,804 --> 00:46:45,963

your father was already a great pilot...

342

00:46:46,098 --> 00:46:49,717

but I was amazed how strongly
the Force was with him.

343

00:46:49,852 --> 00:46:53,802

I took it upon myself
to train him as a Jedi.

344

00:46:53,940 --> 00:46:57,854

I thought that I could instruct him
just as well as Yoda.

345

00:46:57,985 --> 00:46:59,266

I was wrong.

346

00:47:00,237 --> 00:47:02,111

There is still good in him.

347

00:47:02,239 --> 00:47:04,991

He's more machine now than man...

348

00:47:05,117 --> 00:47:07,075

twisted and evil.

349

00:47:08,829 --> 00:47:11,036

I can't do it, Ben.

350

00:47:11,165 --> 00:47:13,074

You cannot escape your destiny.

351

00:47:13,209 --> 00:47:16,459

You must face Darth Vader again.

352

00:47:16,587 --> 00:47:19,374

I can't kill my own father.

353

00:47:22,635 --> 00:47:25,719

Then the emperor has already won.

354

00:47:26,764 --> 00:47:29,006

You were our only hope.

355

00:47:30,309 --> 00:47:32,432

Yoda spoke of another.

356

00:47:34,480 --> 00:47:37,053

The other he spoke of
is your twin sister.

357

00:47:37,984 --> 00:47:39,941

But I have no sister.

358

00:47:41,070 --> 00:47:42,979

To protect you both
from the emperor...

359

00:47:43,114 --> 00:47:46,696

you were hidden from your father
when you were born.

360

00:47:46,826 --> 00:47:49,281

The emperor knew, as I did...

361

00:47:49,412 --> 00:47:53,112

if Anakin were to have any offspring...

362

00:47:53,249 --> 00:47:55,787

they would be a threat to him.

363

00:47:55,918 --> 00:48:01,209

That is the reason why your sister
remains safely anonymous.

364

00:48:03,759 --> 00:48:07,709

- Leia is my sister.

- Your insight serves you well.

365

00:48:09,015 --> 00:48:11,885

Bury your feelings deep down, Luke.

366

00:48:12,018 --> 00:48:14,390

They do you credit...

367

00:48:14,520 --> 00:48:17,604

but they could be made
to serve the emperor.

368

00:48:40,087 --> 00:48:42,757

Look at you. A general, huh?

369

00:48:42,882 --> 00:48:45,966

Someone must have told them about
my manoeuvre at the Battle of Tanaab.

370

00:48:46,093 --> 00:48:48,964

Don't look at me, pal.
I just said you were a fair pilot.

371

00:48:49,096 --> 00:48:52,050

I didn't know they were looking for
somebody to lead this crazy attack.

372

00:48:52,183 --> 00:48:54,306

I'm surprised they didn't
ask you to do it.

373

00:48:55,186 --> 00:48:57,143

Who says they didn't?
But I ain't crazy.

374

00:48:57,271 --> 00:48:59,063

You're the respectable one, remember?

375

00:49:07,406 --> 00:49:10,460

The emperor's made a critical error
and the time for our attack has come.

376

00:49:11,160 --> 00:49:15,027

The data brought to us by the Bothan
spies pinpoint the exact location...

377

00:49:15,164 --> 00:49:17,287

of the emperor's new battle station.

378

00:49:17,416 --> 00:49:19,208

We also know
that the weapon systems...

379

00:49:19,335 --> 00:49:21,577
of this Death Star
are not yet operational.

380

00:49:21,712 --> 00:49:24,666
With the imperial fleet
spread throughout the galaxy...

381

00:49:24,799 --> 00:49:26,293
in a vain effort to engage us...

382

00:49:26,425 --> 00:49:28,299
it is relatively unprotected.

383

00:49:28,427 --> 00:49:30,467
But most important of all...

384

00:49:31,389 --> 00:49:33,298
we've learned that
the emperor himself...

385

00:49:33,432 --> 00:49:35,555

is personally overseeing
the final stages...

386

00:49:35,685 --> 00:49:38,140

of the construction
of this Death Star.

387

00:49:39,021 --> 00:49:43,482

Many Bothans died
to bring us this information.

388

00:49:45,638 --> 00:49:47,247

Admiral Ackbar, please.

389

00:49:47,488 --> 00:49:52,613

You can see here the Death Star
orbiting the forest moon of Endor.

390

00:49:52,743 --> 00:49:58,200

Although the weapon systems on this
Death Star are not yet operational...

391

00:49:58,332 --> 00:50:01,832

the Death Star does have
a strong defence mechanism.

392

00:50:03,129 --> 00:50:05,417

It is protected by an energy shield...

393

00:50:05,548 --> 00:50:09,166

which is generated
from the nearby forest moon of Endor.

394

00:50:14,807 --> 00:50:18,556

The shield must be deactivated
if any attack is to be attempted.

395

00:50:19,979 --> 00:50:23,893

Once the shield is down,
our cruisers will create a perimeter...

396

00:50:24,025 --> 00:50:26,942

while the fighters
fly into the superstructure...

397

00:50:27,069 --> 00:50:30,023

and attempt to knock out
the main reactor.

398

00:50:32,908 --> 00:50:35,909

General Calrissian has volunteered
to lead the fighter attack.

399

00:50:36,037 --> 00:50:37,317

Good luck.

400

00:50:39,453 --> 00:50:40,913

You're gonna need it.

401

00:50:41,174 --> 00:50:42,750

General Madine.

402

00:50:43,794 --> 00:50:46,712

We have stolen a small imperial shuttle.

403

00:50:46,839 --> 00:50:51,051

Disguised as a cargo ship
and using a secret imperial code...

404

00:50:51,177 --> 00:50:55,969

a strike team will land on the moon
and deactivate the shield generator.

405

00:50:56,098 --> 00:50:57,343

Sounds dangerous.

406

00:50:57,475 --> 00:50:59,763

Wonder who they found
to pull that off.

407

00:50:59,894 --> 00:51:02,895

General Solo,
is your strike team assembled?

408

00:51:03,689 --> 00:51:06,939

My team's ready. I don't have
a command crew for the shuttle.

409

00:51:08,110 --> 00:51:10,186

It's gonna be rough.

I didn't wanna speak for you.

410

00:51:12,657 --> 00:51:16,606

- That's one.

- General, count me in.

411

00:51:16,744 --> 00:51:18,653

I'm with you too.

412

00:51:24,543 --> 00:51:27,295

- What is it?

- Ask me again sometime.

413

00:51:28,339 --> 00:51:31,044

Hi, Han, Chewie.

414

00:51:32,176 --> 00:51:34,632

"Exciting" is hardly the word

I would choose.

415

00:51:50,236 --> 00:51:53,272

Look, I want you to take her.

416

00:51:53,406 --> 00:51:54,948

I mean it. Take her.

417

00:51:55,074 --> 00:51:58,490

You need all the help you can get.

She's the fastest ship in the fleet.

418

00:51:58,619 --> 00:52:00,944

All right, old buddy.

419

00:52:01,080 --> 00:52:03,073

I know what she means to you.

420

00:52:03,207 --> 00:52:06,908

I'll take good care of her.

She won't get a scratch.

421

00:52:08,212 --> 00:52:09,623

All right?

422

00:52:09,755 --> 00:52:11,036

Right.

423

00:52:17,930 --> 00:52:20,504

I got your promise.

Not a scratch.

424

00:52:20,641 --> 00:52:22,800

Would you get going, you pirate?

425

00:52:24,562 --> 00:52:25,724

Good luck.

426

00:52:25,855 --> 00:52:27,349

You too.

427

00:52:36,490 --> 00:52:38,448

- Got her warmed?

- Yeah, she's coming up.

428

00:52:41,120 --> 00:52:44,738

I don't think the Empire had Wookiees
in mind when they designed her, Chewie.

429

00:52:55,051 --> 00:52:57,008

Hey, you awake?

430

00:52:57,136 --> 00:53:00,587

Yeah. I just got a funny feeling,
like I'm not gonna see her again.

431

00:53:02,725 --> 00:53:05,097

Come on, General. Let's move.

432

00:53:05,227 --> 00:53:08,561

Right. Chewie, let's see
what this piece of junk can do.

433

00:53:08,689 --> 00:53:10,896

- Ready, everybody?

- All set.

434

00:53:13,444 --> 00:53:15,235

Here we go again.

435

00:53:26,248 --> 00:53:28,158

All right, hang on.

436

00:53:44,475 --> 00:53:46,966

What is thy bidding, my master?

437

00:53:48,020 --> 00:53:51,389

Send the fleet

to the far side of Endor.

438

00:53:54,402 --> 00:53:58,980

There it will stay until called for.

439

00:54:00,366 --> 00:54:04,411

What of the reports of the rebel fleet
massing near Sullust?

440

00:54:04,537 --> 00:54:06,529

It is of no concern.

441

00:54:07,331 --> 00:54:11,578

Soon the rebellion will be crushed
and young Skywalker will be one of us.

442

00:54:11,711 --> 00:54:13,502

Your work here is finished, my friend.

443

00:54:13,629 --> 00:54:16,299

Go out to the command ship
and await my orders.

444

00:54:16,424 --> 00:54:18,333

Yes, my master.

445

00:54:34,066 --> 00:54:37,103

If they don't go for this, we're gonna
have to get out pretty quick.

446

00:54:39,363 --> 00:54:42,033

We have you on our screen now.

Please identify.

447

00:54:43,618 --> 00:54:47,402

Shuttle *Tydirium* requesting
deactivation of the deflector shield.

448

00:54:53,085 --> 00:54:57,130

Shuttle <i>Tydirium,</i> transmit
the clearance code for shield passage.

449

00:54:58,549 --> 00:54:59,960

Transmission commencing.

450

00:55:00,092 --> 00:55:03,093

Now we find out if that code
is worth the price we paid.

451

00:55:04,221 --> 00:55:06,380

It'll work. It'll work.

452

00:55:07,767 --> 00:55:09,925

Vader's on that ship.

453

00:55:10,061 --> 00:55:11,887

Don't get jittery, Luke.

454

00:55:12,021 --> 00:55:14,227

There are a lot of command ships.

455

00:55:15,316 --> 00:55:18,899

Keep your distance, Chewie, but don't
look like you're keeping your distance.

456

00:55:20,154 --> 00:55:22,610

I don't know. Fly casual.

457

00:55:27,870 --> 00:55:29,744

Where is that shuttle going?

458

00:55:30,623 --> 00:55:32,912

Shuttle *Tydirium*,

what is your cargo and destination?

459

00:55:34,919 --> 00:55:36,958

Parts and technical crew

for the forest moon.

460

00:55:39,173 --> 00:55:41,794

Do they have a code clearance?

461

00:55:42,593 --> 00:55:44,835

It's an older code, sir,
but it checks out.

462

00:55:44,971 --> 00:55:46,928

I was about to clear them.

463

00:55:51,769 --> 00:55:54,011

I'm endangering the mission.

I shouldn't have come.

464

00:55:54,146 --> 00:55:56,435

It's your imagination, kid.

465

00:55:56,565 --> 00:55:59,317

Come on. Let's keep
a little optimism here.

466

00:56:07,451 --> 00:56:08,910

Shall I hold them?

467

00:56:09,996 --> 00:56:12,866

No. Leave them to me.

468

00:56:12,999 --> 00:56:15,287

I will deal with them myself.

469

00:56:16,168 --> 00:56:18,375

As you wish, my lord. Carry on.

470

00:56:20,256 --> 00:56:22,130

They're not going for it, Chewie.

471

00:56:26,345 --> 00:56:28,053

<i>Shuttle</i> Tydirium...

472

00:56:28,180 --> 00:56:30,553

<i>deactivation of the shield</i>

<i>will commence immediately.</i>

473

00:56:30,683 --> 00:56:32,972

<i>Follow your present course.</i>

474

00:56:33,102 --> 00:56:35,593

Okay. I told you

it was gonna work.

475

00:56:35,730 --> 00:56:36,892

No problem.

476

00:57:10,306 --> 00:57:12,345

I told you it was dangerous here.

477

00:57:27,782 --> 00:57:31,233

- Should we try and go around?

- It'll take time.

478

00:57:31,369 --> 00:57:34,370

This whole party will be
for nothing if they see us.

479

00:57:37,208 --> 00:57:39,497

Chewie and I will take care of this.

You stay here.

480

00:57:39,627 --> 00:57:42,296

Quietly. There might be
more of them out there.

481

00:57:42,421 --> 00:57:43,797

Hey...

482

00:57:43,923 --> 00:57:45,203

it's me.

483

00:58:10,825 --> 00:58:12,817

Go for help! Go!

484

00:58:12,952 --> 00:58:14,446

Great. Come on!

485

00:58:30,011 --> 00:58:31,968

Over there! Two more of them.

486

00:58:33,014 --> 00:58:35,302

I see them. Wait. Leia!

487

00:58:39,186 --> 00:58:40,645

Hey, wait!

488

00:58:46,944 --> 00:58:49,400

Quick, jam their comlink.

Centre switch.

489

00:59:01,042 --> 00:59:02,619

Move closer.

490

00:59:05,087 --> 00:59:06,546

Get alongside that one.

491

00:59:47,964 --> 00:59:50,086

Keep on that one.

I'll take these two.

492

01:02:04,016 --> 01:02:05,760

General Solo, somebody's coming.

493

01:02:19,115 --> 01:02:20,229

Where's Leia?

494

01:02:21,117 --> 01:02:23,524

- She didn't come back?

- I thought she was with you.

495

01:02:23,661 --> 01:02:26,152

We got separated.

We better go look for her.

496

01:02:26,289 --> 01:02:29,325

Take the squad ahead. We'll meet
at the shield generator at 0300.

497

01:02:29,458 --> 01:02:31,498

Come on, R2.

We'll need your scanners.

498

01:02:32,753 --> 01:02:35,375

Don't worry, Master Luke.

We know what to do.

499

01:02:36,882 --> 01:02:39,005

And you said it was pretty here.

500

01:03:01,724 --> 01:03:03,597

Cut it out.

501

01:03:20,451 --> 01:03:22,527

I'm not gonna hurt you.

502

01:03:30,586 --> 01:03:33,255

Well, looks like I'm stuck here.

503

01:03:35,257 --> 01:03:37,546

Trouble is, I don't know where here is.

504

01:03:38,594 --> 01:03:40,551

Maybe you can help me.

505

01:03:41,805 --> 01:03:43,513

Come on. Sit down.

506

01:03:45,559 --> 01:03:47,599

I promise I won't hurt you.

Now come here.

507

01:03:49,355 --> 01:03:51,846

All right.

You want something to eat?

508

01:03:58,614 --> 01:04:00,073

That's right.

509

01:04:04,995 --> 01:04:06,703

Come on.

510

01:04:26,934 --> 01:04:28,309

Look. It's a hat.

511

01:04:28,435 --> 01:04:30,393

It's not gonna hurt you. Look.

512

01:04:37,278 --> 01:04:39,484

You're a jittery little thing,
aren't you?

513

01:04:44,785 --> 01:04:46,327

What is it?

514

01:05:25,951 --> 01:05:27,232

Freeze!

515

01:05:27,369 --> 01:05:29,576

Come on. Get up.

516

01:05:34,001 --> 01:05:36,788

- Get your ride. Take her back to base.

- Yes, sir.

517

01:05:41,592 --> 01:05:42,754

What the...

518

01:05:59,818 --> 01:06:02,392

Come on.

Let's get out of here.

519

01:06:44,405 --> 01:06:47,275

I told you to remain

on the command ship.

520

01:06:48,993 --> 01:06:53,738

A small rebel force has penetrated
the shield and landed on Endor.

521

01:06:55,332 --> 01:06:57,040

Yes, I know.

522

01:06:58,586 --> 01:07:00,792

My son is with them.

523

01:07:02,464 --> 01:07:07,091

- Are you sure?

- I have felt him, my master.

524

01:07:08,554 --> 01:07:11,045

Strange that I have not.

525

01:07:12,641 --> 01:07:17,849

I wonder if your feelings
on this matter are clear, Lord Vader.

526

01:07:17,980 --> 01:07:20,732

They are clear, my master.

527

01:07:20,858 --> 01:07:25,105

Then you must go to

the sanctuary moon and wait for him.

528

01:07:25,237 --> 01:07:28,238

He will come to me?

529

01:07:30,492 --> 01:07:32,818

I have foreseen it.

530

01:07:32,953 --> 01:07:36,998

His compassion for you

will be his undoing.

531

01:07:37,124 --> 01:07:41,038

He will come to you,

and then you will bring him before me.

532

01:07:41,837 --> 01:07:43,379

As you wish.

533

01:08:04,944 --> 01:08:06,354

Master Luke.

534

01:08:10,074 --> 01:08:12,825

There's two more
wrecked speeders back there.

535

01:08:12,952 --> 01:08:14,861

And I found this.

536

01:08:16,372 --> 01:08:20,749

I'm afraid that R2's sensors
can find no trace of Princess Leia.

537

01:08:23,170 --> 01:08:24,795

I hope she's all right.

538

01:08:29,760 --> 01:08:30,875

What, Chewie?

539

01:08:33,555 --> 01:08:35,382

What, Chewie?

540

01:08:49,029 --> 01:08:52,398

I don't get it.
It's just a dead animal.

541

01:08:53,242 --> 01:08:55,116

Chewie, wait! Don't!

542

01:08:59,665 --> 01:09:01,124

Nice work.

543

01:09:02,918 --> 01:09:04,745

Great, Chewie.

544

01:09:04,878 --> 01:09:06,955

Great. Always thinking
with your stomach.

545

01:09:07,089 --> 01:09:10,256

Take it easy. Let's just figure
a way to get out of this thing.

546

01:09:10,384 --> 01:09:12,092

Han, can you reach my lightsabre?

547

01:09:12,219 --> 01:09:13,678

Yeah. Sure.

548

01:09:20,728 --> 01:09:23,266

R2, I'm not sure

that's such a good idea.

549

01:09:23,397 --> 01:09:25,390

It's a very long drop!

550

01:10:08,317 --> 01:10:11,234

Hey. Point that thing

someplace else.

551

01:10:15,783 --> 01:10:16,897

Hey!

552

01:10:17,034 --> 01:10:19,490

Han, don't. It'll be all right.

553

01:10:25,751 --> 01:10:28,207

Chewie, give them your crossbow.

554

01:10:30,297 --> 01:10:31,922

Oh, my head.

555

01:10:36,178 --> 01:10:37,969

Oh, my goodness.

556

01:11:09,795 --> 01:11:11,704

Do you understand
anything they're saying?

557

01:11:11,839 --> 01:11:13,250

Oh, yes, Master Luke.

558

01:11:13,382 --> 01:11:16,169

Remember that I am fluent
in over six million forms...

559

01:11:16,302 --> 01:11:17,926

What are you telling them?

560

01:11:19,138 --> 01:11:21,214

"Hello," I think.

561

01:11:21,348 --> 01:11:24,385

I could be mistaken...

they're using a very primitive dialect...

562

01:11:24,518 --> 01:11:28,053

but I do believe they think

I am some sort of god.

563

01:11:32,359 --> 01:11:36,855

Why don't you use your divine
influence and get us out of this?

564

01:11:36,989 --> 01:11:39,860

I beg your pardon, General Solo,
but that just wouldn't be proper.

565

01:11:40,868 --> 01:11:42,243

Proper?

566

01:11:42,369 --> 01:11:44,991

It's against my programming
to impersonate a deity.

567

01:11:45,122 --> 01:11:46,367

Why, you...

568

01:11:54,590 --> 01:11:56,084

My mistake.

569

01:11:57,801 --> 01:11:59,759

He's an old friend of mine.

570

01:12:26,914 --> 01:12:28,289

Hey.

571

01:12:45,474 --> 01:12:47,930

I have a really bad feeling about this.

572

01:13:08,956 --> 01:13:10,534

What did he say?

573

01:13:10,666 --> 01:13:12,991

I'm rather embarrassed,

General Solo...

574

01:13:13,127 --> 01:13:16,626

but it appears you are to be the main
course at a banquet in my honour.

575

01:13:34,148 --> 01:13:36,520

Your Royal Highness.

576

01:13:36,650 --> 01:13:38,394

These are my friends.

577

01:13:41,488 --> 01:13:45,700

3PO, tell them
they must be set free.

578

01:14:03,510 --> 01:14:06,677

Somehow I got the feeling
that didn't help us very much.

579

01:14:06,805 --> 01:14:10,720

3PO, tell them
if they don't do as you wish...

580

01:14:10,851 --> 01:14:12,808

you'll become angry

and use your magic.

581

01:14:12,937 --> 01:14:15,309

But, Master Luke, what magic?

I couldn't possibly...

582

01:14:15,439 --> 01:14:16,981

Tell them.

583

01:14:32,915 --> 01:14:34,991

You see, Master Luke?

They didn't believe me...

584

01:14:35,125 --> 01:14:36,703

just as I said they wouldn't.

585

01:14:36,835 --> 01:14:38,116

Wait.

586

01:14:46,762 --> 01:14:48,636

What's happening?

587

01:14:54,061 --> 01:14:55,769

Put me down!

Help!

588

01:14:55,896 --> 01:14:57,438

Somebody!

589

01:14:57,565 --> 01:14:58,893

Somebody help!

590

01:14:59,024 --> 01:15:01,729

Master Luke! R2, quickly!

591

01:15:33,475 --> 01:15:34,851

Thank goodness.

592

01:15:47,197 --> 01:15:48,857

Thanks, 3PO.

593

01:15:50,117 --> 01:15:52,074

I never knew I had it in me.

594

01:15:59,668 --> 01:16:01,127

...Tatooine...

595

01:16:02,546 --> 01:16:04,954

Princess Leia... R2.

596

01:16:07,134 --> 01:16:08,593

...Darth Vader!

597

01:16:11,722 --> 01:16:13,465

...Death Star.

598

01:16:16,477 --> 01:16:18,719

...Jedi... Obi-Wan Kenobi.

599

01:16:24,318 --> 01:16:26,192

Yes, R2, I was just coming to that.

600

01:16:29,657 --> 01:16:30,657

Master Luke...

601

01:16:37,331 --> 01:16:40,949

<i>...Millennium Falcon...</i> Cloud City.

602

01:16:43,629 --> 01:16:44,708

...Vader!

603

01:16:45,756 --> 01:16:47,001

Han Solo...

604

01:16:49,176 --> 01:16:50,635

...carbon.

605

01:16:52,221 --> 01:16:53,466

...Sarlacc.

606

01:17:15,119 --> 01:17:17,954

- What's going on?

- I don't know.

607

01:17:31,719 --> 01:17:34,388

Wonderful. We are now

a part of the tribe.

608

01:17:35,806 --> 01:17:37,680

Just what I always wanted.

609

01:17:49,486 --> 01:17:51,775

Short help's better than
no help at all, Chewie.

610

01:17:57,411 --> 01:18:00,614

The scouts will show us the quickest
way to the shield generator.

611

01:18:00,748 --> 01:18:02,705

Good. How far is it?

612

01:18:02,833 --> 01:18:04,458

Ask him.

613

01:18:05,669 --> 01:18:07,792

We need some fresh supplies too.

614

01:18:07,922 --> 01:18:09,831

Try and get our weapons back.

615

01:18:11,342 --> 01:18:13,548

Hurry up.

I haven't got all day.

616

01:18:16,055 --> 01:18:17,928

Luke, what's wrong?

617

01:18:19,850 --> 01:18:23,301

Leia, do you remember
your mother...

618

01:18:23,437 --> 01:18:25,477

your real mother?

619

01:18:25,606 --> 01:18:29,105

Just a little bit.

She died when I was very young.

620

01:18:29,235 --> 01:18:31,144

What do you remember?

621

01:18:31,278 --> 01:18:33,852

Just images really. Feelings.

622

01:18:33,989 --> 01:18:35,567

Tell me.

623

01:18:37,284 --> 01:18:40,321

She was... very beautiful.

624

01:18:40,454 --> 01:18:43,075

Kind... but sad.

625

01:18:45,251 --> 01:18:48,038

Why are you asking me this?

626

01:18:48,170 --> 01:18:50,626

I have no memory of my mother.

627

01:18:51,674 --> 01:18:53,666

I never knew her.

628

01:18:55,469 --> 01:18:57,627

Luke, tell me.

What's troubling you?

629

01:19:02,560 --> 01:19:06,343

Vader is here.

Now. On this moon.

630

01:19:07,982 --> 01:19:09,690

How do you know?

631

01:19:09,817 --> 01:19:11,726

I felt his presence.

632

01:19:12,778 --> 01:19:16,028

He's come for me.

He can feel when I'm near.

633

01:19:16,156 --> 01:19:18,030

That's why I have to go.

634

01:19:18,158 --> 01:19:21,610

As long as I stay, I'm endangering

the group and our mission here.

635

01:19:22,663 --> 01:19:25,617

- I have to face him.

- Why?

636

01:19:30,629 --> 01:19:32,503

He's my father.

637

01:19:36,700 --> 01:19:38,242

Your father?

638

01:19:39,536 --> 01:19:43,534

There's more. It won't be easy
for you to hear it, but you must.

639

01:19:43,665 --> 01:19:46,500

If I don't make it back,
you're the only hope for the Alliance.

640

01:19:46,626 --> 01:19:48,121

Don't talk that way.

641

01:19:48,253 --> 01:19:52,749

You have a power I don't understand
and could never have.

642

01:19:52,883 --> 01:19:54,875

You're wrong, Leia.

643

01:19:55,010 --> 01:19:56,837

You have that power too.

644

01:19:56,970 --> 01:20:00,304

In time, you'll learn
to use it as I have.

645

01:20:04,936 --> 01:20:07,178

The Force is strong in my family.

646

01:20:08,732 --> 01:20:10,641

My father has it.

647

01:20:12,069 --> 01:20:13,942

I have it.

648

01:20:14,071 --> 01:20:15,399

And...

649

01:20:16,698 --> 01:20:19,070

my sister has it.

650

01:20:25,374 --> 01:20:28,493

Yes. It's you, Leia.

651

01:20:33,757 --> 01:20:35,381

I know.

652

01:20:38,220 --> 01:20:39,844

Somehow...

653

01:20:41,556 --> 01:20:43,134

I've always known.

654

01:20:43,266 --> 01:20:45,224

Then you know

why I have to face him.

655

01:20:47,354 --> 01:20:49,761

Luke, run away.

Far away.

656

01:20:49,898 --> 01:20:53,232

If he can feel your presence,
then leave this place.

657

01:20:53,360 --> 01:20:56,610

- I wish I could go with you.

- No, you don't.

658

01:20:56,738 --> 01:20:58,695

You've always been strong.

659

01:20:59,991 --> 01:21:02,280

But why must you confront him?

660

01:21:02,411 --> 01:21:06,111

Because there is good in him.

I've felt it.

661

01:21:06,248 --> 01:21:08,240

He won't turn me over
to the emperor.

662

01:21:08,375 --> 01:21:11,495

I can save him. I can turn him
back to the good side.

663

01:21:12,921 --> 01:21:14,712

I have to try.

664

01:21:33,133 --> 01:21:35,042

Hey, what's going on?

665

01:21:36,845 --> 01:21:40,131

Nothing. I just wanna
be alone for a little while.

666

01:21:41,516 --> 01:21:43,141

Nothing?

667

01:21:44,936 --> 01:21:46,846

Tell me.

What's going on?

668

01:21:52,027 --> 01:21:54,185

I can't tell you.

669

01:21:55,822 --> 01:21:58,444

Could you tell Luke?

Is that who you could tell?

670

01:22:16,301 --> 01:22:17,926

I'm sorry.

671

01:22:21,640 --> 01:22:23,348

Hold me.

672

01:23:16,653 --> 01:23:18,527

This is the rebel that surrendered.

673

01:23:18,655 --> 01:23:21,573

Although he denies it,

I believe there may be more of them...

674

01:23:21,700 --> 01:23:24,405

and I request permission
to conduct a further search of the area.

675

01:23:25,495 --> 01:23:28,200

He was armed only with this.

676

01:23:30,208 --> 01:23:31,916

Good work, Commander.

677

01:23:32,044 --> 01:23:33,953

Leave us.

678

01:23:34,087 --> 01:23:37,752

Conduct your search
and bring his companions to me.

679

01:23:39,217 --> 01:23:40,961

Yes, my lord.

680

01:23:42,804 --> 01:23:44,927

The emperor has been expecting you.

681

01:23:46,308 --> 01:23:47,719

I know, Father.

682

01:23:49,227 --> 01:23:51,553

So, you have accepted the truth.

683

01:23:52,731 --> 01:23:56,230

I've accepted the truth that you were
once Anakin Skywalker, my father.

684

01:23:56,360 --> 01:23:59,563

That name no longer
has any meaning for me.

685

01:24:00,364 --> 01:24:03,115

It is the name of your true self.
You've only forgotten.

686

01:24:03,909 --> 01:24:05,533

I know there is good in you.

687

01:24:05,661 --> 01:24:08,282

The emperor hasn't
driven it from you fully.

688

01:24:12,250 --> 01:24:14,457

That was why
you couldn't destroy me.

689

01:24:15,504 --> 01:24:18,042

That's why you won't bring me
to your emperor now.

690

01:24:25,305 --> 01:24:28,342

I see you have constructed
a new lightsabre.

691

01:24:31,979 --> 01:24:34,933

Your skills are complete.

692

01:24:40,153 --> 01:24:44,732

Indeed you are powerful,
as the emperor has foreseen.

693

01:24:49,705 --> 01:24:51,448

Come with me.

694

01:24:53,542 --> 01:24:56,412

Obi-Wan once thought as you do.

695

01:24:57,713 --> 01:25:02,505

You don't know the power
of the dark side.

696

01:25:02,634 --> 01:25:05,386

I must obey my master.

697

01:25:06,471 --> 01:25:09,887

I will not turn,
and you'll be forced to kill me.

698

01:25:11,268 --> 01:25:13,841

If that is your destiny.

699

01:25:13,979 --> 01:25:17,763

Search your feelings, Father.

You can't do this.

700

01:25:17,899 --> 01:25:20,521

I feel the conflict within you.

Let go of your hate.

701

01:25:21,778 --> 01:25:25,194

It is too late for me, son.

702

01:25:28,410 --> 01:25:32,739

The emperor will show you
the true nature of the Force.

703

01:25:32,873 --> 01:25:36,491

He is your master now.

704

01:25:40,547 --> 01:25:42,955

Then my father is truly dead.

705

01:26:25,968 --> 01:26:27,877

The main entrance
to the control bunker...

706

01:26:28,011 --> 01:26:30,004

is on the far side

of that landing platform.

707

01:26:30,889 --> 01:26:34,507

- This isn't gonna be easy.

- Don't worry.

708

01:26:34,768 --> 01:26:38,500

Chewie and me got into a lot of places
more heavily guarded than this.

709

01:26:46,113 --> 01:26:47,737

What's he saying?

710

01:26:47,864 --> 01:26:51,198

He says there's a secret entrance
on the other side of the ridge.

711

01:27:10,429 --> 01:27:13,798

Admiral, we're in position.

All fighters accounted for.

712

01:27:14,683 --> 01:27:16,640

Proceed with the countdown.

713

01:27:17,853 --> 01:27:20,308

All groups assume attack coordinates.

714

01:27:23,692 --> 01:27:25,649

Don't worry.

My friend's down there.

715

01:27:25,777 --> 01:27:28,315

He'll have that shield down on time.

716

01:27:31,283 --> 01:27:33,774

Or this'll be

the shortest offensive of all time.

717

01:27:35,746 --> 01:27:39,446

All craft, prepare to jump
into hyperspace on my mark.

718

01:27:39,583 --> 01:27:41,540

All right. Stand by.

719

01:28:01,146 --> 01:28:03,269

Back door, huh? Good idea.

720

01:28:11,657 --> 01:28:14,611

It's only a few guards.

This shouldn't be too much trouble.

721

01:28:19,790 --> 01:28:22,625

It only takes one to sound the alarm.

722

01:28:22,751 --> 01:28:25,242

Then we'll do it real quiet-like.

723

01:28:25,379 --> 01:28:27,870

- Oh, my. Princess Leia.

- Quiet.

724

01:28:29,216 --> 01:28:31,007

I'm afraid our furry companion...

725

01:28:31,134 --> 01:28:33,257

has gone and done something
rather rash.

726

01:28:38,767 --> 01:28:40,724

There goes our surprise attack.

727

01:28:48,026 --> 01:28:50,268

Look, over there! Stop him!

728

01:29:02,165 --> 01:29:05,202

Not bad for a little furball.

There's only one left.

729

01:29:05,335 --> 01:29:07,791

You stay here.

We'll take care of this.

730

01:29:09,923 --> 01:29:12,130

I have decided that we shall stay here.

731

01:29:41,997 --> 01:29:42,997

Hey!

732

01:30:47,145 --> 01:30:49,933

Welcome, young Skywalker.

733

01:30:50,065 --> 01:30:52,390

I have been expecting you.

734

01:30:53,443 --> 01:30:55,401

You'll no longer need those.

735

01:31:00,867 --> 01:31:02,741

Guards, leave us.

736

01:31:10,168 --> 01:31:13,620

I'm looking forward
to completing your training.

737

01:31:13,755 --> 01:31:18,832

In time, you will call me master.

738

01:31:18,969 --> 01:31:21,424

You're gravely mistaken.

739

01:31:21,555 --> 01:31:23,678

You won't convert me
as you did my father.

740

01:31:24,558 --> 01:31:28,306

Oh, no, my young Jedi.

741

01:31:30,439 --> 01:31:34,519

You will find that
it is you who are mistaken...

742

01:31:35,944 --> 01:31:40,072

about a great many things.

743

01:31:41,783 --> 01:31:43,408

His lightsabre.

744

01:31:43,535 --> 01:31:47,200

Ah, yes. A Jedi's weapon.

745

01:31:47,998 --> 01:31:50,406

Much like your father's.

746

01:31:50,542 --> 01:31:55,334

By now you must know your father
can never be turned from the dark side.

747

01:31:55,464 --> 01:31:58,299

So will it be with you.

748

01:31:58,425 --> 01:32:00,465

You're wrong.

749

01:32:00,594 --> 01:32:03,678

Soon I'll be dead...
and you with me.

750

01:32:07,142 --> 01:32:11,436

Perhaps you refer to
the imminent attack of your rebel fleet.

751

01:32:12,272 --> 01:32:13,683

Yes.

752

01:32:13,815 --> 01:32:18,940

I assure you we are quite safe
from your friends here.

753

01:32:20,113 --> 01:32:22,984

Your overconfidence
is your weakness.

754

01:32:23,116 --> 01:32:26,236

Your faith in your friends is yours.

755

01:32:28,789 --> 01:32:32,371

It is pointless to resist, my son.

756

01:32:36,421 --> 01:32:41,878

Everything that has transpired
has done so according to my design.

757

01:32:42,010 --> 01:32:45,213

Your friends up there
on the sanctuary moon...

758

01:32:45,347 --> 01:32:49,676

are walking into a trap,
as is your rebel fleet.

759

01:32:51,603 --> 01:32:54,094

It was I who allowed the Alliance...

760

01:32:54,231 --> 01:32:57,647

to know the location
of the shield generator.

761

01:32:57,776 --> 01:33:01,821

It is quite safe
from your pitiful little band.

762

01:33:01,947 --> 01:33:06,194

An entire legion
of my best troops awaits them.

763

01:33:08,704 --> 01:33:12,452

I'm afraid the deflector shield...

764

01:33:12,582 --> 01:33:17,790

will be quite operational

when your friends arrive.

765

01:33:21,341 --> 01:33:22,670

All right!

766

01:33:22,801 --> 01:33:24,295

Up! Move!

767

01:33:24,428 --> 01:33:25,886

Quickly. Quickly.

768

01:33:30,392 --> 01:33:32,016

Han, hurry.

769

01:33:32,144 --> 01:33:34,017

The fleet will be here any moment.

770

01:33:35,731 --> 01:33:37,972

Charges. Come on. Come on!

771

01:33:40,110 --> 01:33:41,937

Oh, my. They'll be captured.

772

01:33:44,823 --> 01:33:46,531

Wait! Come back!

773

01:33:49,036 --> 01:33:50,827

R2, stay with me.

774

01:33:51,872 --> 01:33:53,496

Freeze!

775

01:33:56,877 --> 01:33:58,834

You rebel scum.

776

01:34:18,523 --> 01:34:21,892

- All wings report in.

- Red Leader standing by.

777

01:34:22,027 --> 01:34:25,194

- Grey Leader standing by.

- Green Leader standing by.

778

01:34:26,073 --> 01:34:28,196

Lock S-foils in attack positions.

779

01:34:31,870 --> 01:34:33,993

May the Force be with us.

780

01:34:37,584 --> 01:34:40,585

We've gotta be able to get
a reading on that shield... up or down.

781

01:34:42,255 --> 01:34:44,925

How could they be jamming us
if they don't know...

782

01:34:45,968 --> 01:34:47,545

if we're coming.

783

01:34:47,678 --> 01:34:51,177

Break off the attack.
The shield is still up.

784

01:34:51,306 --> 01:34:53,382

I get no reading. You sure?

785

01:34:53,517 --> 01:34:55,675

<i>Pull up! All craft pull up!</i>

786

01:35:00,190 --> 01:35:04,140

Take evasive action. Green Group,
stick close to Holding Sector MV-7.

787

01:35:05,988 --> 01:35:08,739

Admiral, we have
enemy ships in Sector 47.

788

01:35:08,865 --> 01:35:10,360

It's a trap.

789

01:35:13,954 --> 01:35:15,911

Fighters coming in.

790

01:35:19,376 --> 01:35:20,704

There's too many.

791

01:35:24,047 --> 01:35:27,416

Accelerate to attack speed.

Draw their fire away from the cruisers.

792

01:35:27,551 --> 01:35:28,582

Copy, Gold Leader.

793

01:35:32,014 --> 01:35:33,508

Come, boy.

794

01:35:34,391 --> 01:35:36,348

See for yourself.

795

01:35:39,021 --> 01:35:44,228

From here, you will witness
the final destruction of the Alliance...

796

01:35:44,359 --> 01:35:48,191

and the end
of your insignificant rebellion.

797

01:35:53,452 --> 01:35:55,777

You want this...

798

01:35:56,580 --> 01:35:58,454

don't you?

799

01:35:58,582 --> 01:36:03,078

The hate is swelling in you now.

800

01:36:03,879 --> 01:36:06,037

Take your Jedi weapon.

801

01:36:06,173 --> 01:36:07,916

Use it.

802

01:36:08,050 --> 01:36:10,007

I am unarmed.

803

01:36:10,135 --> 01:36:12,009

Strike me down with it.

804

01:36:12,137 --> 01:36:14,675

Give in to your anger.

805

01:36:15,724 --> 01:36:20,849

With each passing moment
you make yourself more my servant.

806

01:36:27,444 --> 01:36:29,484

It is unavoidable.

807

01:36:30,572 --> 01:36:32,695

It is your destiny.

808

01:36:33,742 --> 01:36:36,862

You, like your father...

809

01:36:36,995 --> 01:36:38,620

are now...

810

01:36:39,539 --> 01:36:41,164

mine.

811

01:36:59,125 --> 01:37:00,824

All right, move it.

812

01:37:09,653 --> 01:37:11,752

Hello. I say, over there.

813

01:37:12,239 --> 01:37:14,397

Were you looking for me?

814

01:37:15,942 --> 01:37:17,982

Bring those two down here.

815

01:37:25,619 --> 01:37:29,913

They're on their way.

R2, are you sure this was a good idea?

816

01:37:30,040 --> 01:37:31,368

Freeze.

817

01:37:31,500 --> 01:37:32,614

Don't move.

818

01:37:32,751 --> 01:37:34,660

We surrender.

819

01:39:40,337 --> 01:39:42,210

The code's changed.

820

01:39:42,339 --> 01:39:44,711

- We need R2.

- Here's the terminal.

821

01:39:44,841 --> 01:39:46,834

R2, where are you?

822

01:39:46,968 --> 01:39:48,925

We need you at the bunker
right away.

823

01:39:51,014 --> 01:39:52,508

Going? What do you mean?

824

01:39:54,426 --> 01:39:56,050

Going where, R2?

825

01:39:56,177 --> 01:40:00,389

Wait. R2, this is
no time for heroics.

826

01:40:00,515 --> 01:40:02,175

Come back!

827

01:40:28,418 --> 01:40:30,209

Watch yourself, Wedge.

Three from above.

828

01:40:30,336 --> 01:40:33,254

- Red Three, Red Two, pull in.

- Got it.

829

01:40:36,509 --> 01:40:38,253

Three of them coming in, 20 degrees.

830

01:40:38,386 --> 01:40:40,094

Cut left.

I'll take the leader.

831

01:40:48,438 --> 01:40:50,181

They're heading

for the medical frigate.

832

01:40:55,195 --> 01:40:56,393

Pressure's steady.

833

01:41:05,580 --> 01:41:08,866

Only the fighters are attacking.

What are the Stardestroyers waiting for?

834

01:41:13,305 --> 01:41:15,013

We're in attack position, sir.

835

01:41:15,140 --> 01:41:18,307

- Hold here.

- We're not going to attack?

836

01:41:18,435 --> 01:41:21,720

My orders are from the emperor himself.

He has something special planned.

837

01:41:21,855 --> 01:41:23,764

We only need to

keep them from escaping.

838

01:41:25,484 --> 01:41:29,564

As you can see,
my young apprentice...

839

01:41:29,696 --> 01:41:32,946

your friends have failed.

840

01:41:33,742 --> 01:41:36,114

Now witness the firepower...

841

01:41:36,244 --> 01:41:41,583

of this fully armed
and operational battle station.

842

01:41:42,751 --> 01:41:45,289

Fire at will, Commander.

843

01:41:52,302 --> 01:41:54,010

Fire.

844

01:42:00,644 --> 01:42:03,182

That blast came from the Death Star.

845

01:42:04,147 --> 01:42:06,472

That thing's operational.

846

01:42:06,608 --> 01:42:08,435

Home 1, this is Gold Leader.

847

01:42:08,568 --> 01:42:10,644

We saw it.

All craft prepare to retreat.

848

01:42:10,779 --> 01:42:12,985

You won't get
another chance at this, Admiral.

849

01:42:13,114 --> 01:42:15,866

We have no choice, General Calrissian.

850

01:42:15,992 --> 01:42:19,278

Our cruisers can't repel
firepower of that magnitude.

851

01:42:19,412 --> 01:42:23,113

Han will have that shield down.

We've gotta give him more time.

852

01:42:41,935 --> 01:42:43,346

We're coming.

853

01:42:49,234 --> 01:42:50,562

Come on.

854

01:42:54,364 --> 01:42:55,739

R2, hurry!

855

01:43:01,788 --> 01:43:02,788

My goodness!

856

01:43:08,837 --> 01:43:10,829

Why did you have to be so brave?

857

01:43:14,009 --> 01:43:16,547

Well, I suppose I could

hot-wire this thing.

858

01:43:16,678 --> 01:43:18,137

I'll cover you.

859

01:43:59,721 --> 01:44:02,177

Yes, I said closer.

Move as close as you can...

860

01:44:02,307 --> 01:44:05,012

and engage those Stardestroyers
at point-blank range.

861

01:44:05,143 --> 01:44:08,559

At that close range, we won't last long
against those Stardestroyers.

862

01:44:08,688 --> 01:44:11,310

We'll last longer than we will
against that Death Star...

863

01:44:11,441 --> 01:44:13,683

and we might
take a few of them with us.

864

01:44:16,613 --> 01:44:17,941

She's gonna blow!

865

01:44:22,035 --> 01:44:23,613

I'm hit!

866

01:44:28,792 --> 01:44:30,950

Your fleet is lost...

867

01:44:31,086 --> 01:44:35,130

and your friends on the Endor moon

will not survive.

868

01:44:37,425 --> 01:44:39,833

There is no escape...

869

01:44:39,970 --> 01:44:42,591

my young apprentice.

870

01:44:44,808 --> 01:44:47,263

The Alliance will die...

871

01:44:49,146 --> 01:44:51,981

as will your friends.

872

01:44:55,610 --> 01:44:56,891

Good.

873

01:44:57,904 --> 01:45:01,154

I can feel your anger.

874

01:45:02,909 --> 01:45:06,409

I am defenceless.

Take your weapon.

875

01:45:06,538 --> 01:45:09,658

Strike me down

with all of your hatred...

876

01:45:09,791 --> 01:45:14,287

and your journey towards

the dark side will be complete.

877

01:45:53,585 --> 01:45:55,624

- Look!

- Get him off of there.

878

01:47:48,783 --> 01:47:50,776

I think I got it.

879

01:47:50,911 --> 01:47:52,156

I got it!

880

01:47:59,461 --> 01:48:00,741

Are you all right?

881

01:48:00,879 --> 01:48:02,753

- Let's see.

- It's not bad.

882

01:48:02,881 --> 01:48:04,161

- Freeze!

- Oh, dear.

883

01:48:04,515 --> 01:48:05,793

Don't move.

884

01:48:10,263 --> 01:48:12,968

- I love you.

- I know.

885

01:48:13,499 --> 01:48:14,617

Hands up.

886

01:48:16,069 --> 01:48:17,187

Stand up.

887

01:48:26,613 --> 01:48:28,072

Stay back.

888

01:48:35,997 --> 01:48:38,702

Get down here.

She's wounded.

889

01:48:38,834 --> 01:48:40,660

No, wait.

890

01:48:40,794 --> 01:48:42,371

I got an idea.

891

01:48:53,682 --> 01:48:55,176

Good.

892

01:48:55,308 --> 01:48:59,092

Use your aggressive feelings, boy.

893

01:48:59,229 --> 01:49:01,934

Let the hate flow through you.

894

01:49:07,612 --> 01:49:11,195

Obi-Wan has taught you well.

895

01:49:14,661 --> 01:49:17,033

I will not fight you, Father.

896

01:49:31,136 --> 01:49:33,923

You are unwise

to lower your defences.

897

01:49:58,872 --> 01:50:01,280

Your thoughts betray you, Father.

898

01:50:01,416 --> 01:50:04,536

I feel the good in you, the conflict.

899

01:50:04,669 --> 01:50:07,125

There is no conflict.

900

01:50:09,508 --> 01:50:11,493

You couldn't bring yourself
to kill me before...

901

01:50:11,593 --> 01:50:13,550

and I don't believe
you'll destroy me now.

902

01:50:13,678 --> 01:50:18,221

You underestimate
the power of the dark side.

903

01:50:18,350 --> 01:50:20,177

If you will not fight...

904

01:50:20,310 --> 01:50:22,883

then you will meet your destiny.

905

01:50:34,366 --> 01:50:35,564

Good.

906

01:50:35,700 --> 01:50:37,111

Good.

907

01:50:45,794 --> 01:50:49,412

- Watch out. Squad at.06.

- I'm on it, Gold Leader.

908

01:50:51,341 --> 01:50:52,752

Good shot, Red Two.

909

01:50:56,388 --> 01:50:59,472

We're sure in the middle of it now.

Come on, Han, old buddy.

910

01:50:59,599 --> 01:51:01,259

Don't let me down.

911

01:51:05,814 --> 01:51:07,273

<i>It's over, Commander.</i>

912

01:51:07,399 --> 01:51:09,724

<i>The rebels have been routed.</i>

<i>They're fleeing.</i>

913

01:51:09,860 --> 01:51:12,398

<i>We need reinforcements</i>

<i>to continue the pursuit.</i>

914

01:51:13,488 --> 01:51:15,445

Send three squads to help.

915

01:51:15,574 --> 01:51:17,531

- Open the back door.

- Sir.

916

01:51:31,715 --> 01:51:33,126

Throw me another charge.

917

01:51:50,692 --> 01:51:53,479

You cannot hide forever, Luke.

918

01:51:54,738 --> 01:51:56,647

I will not fight you.

919

01:52:00,160 --> 01:52:03,196

Give yourself to the dark side.

920

01:52:04,789 --> 01:52:08,834

It is the only way

you can save your friends.

921

01:52:09,878 --> 01:52:11,586

Yes.

922

01:52:11,713 --> 01:52:13,670

Your thoughts betray you.

923

01:52:13,798 --> 01:52:16,336

Your feelings for them are strong...

924

01:52:16,468 --> 01:52:18,342

especially for...

925

01:52:20,514 --> 01:52:22,174

sister.

926

01:52:23,433 --> 01:52:27,762

So you have a twin sister.

927

01:52:27,896 --> 01:52:31,596

Your feelings have now
betrayed her too.

928

01:52:31,733 --> 01:52:35,813

Obi-Wan was wise
to hide her from me.

929

01:52:35,946 --> 01:52:40,323

Now his failure is complete.

930

01:52:41,827 --> 01:52:45,611

If you will not turn
to the dark side...

931

01:52:45,747 --> 01:52:48,534

then perhaps she will.

932

01:52:48,667 --> 01:52:49,976

Never!

933

01:53:35,213 --> 01:53:36,921

Good!

934

01:53:41,261 --> 01:53:43,966

Your hate has made you powerful.

935

01:53:45,265 --> 01:53:50,141

Now, fulfil your destiny...

936

01:53:50,270 --> 01:53:54,350

and take your father's place at my side.

937

01:54:09,414 --> 01:54:10,743

Never.

938

01:54:13,793 --> 01:54:15,952

I'll never turn to the dark side.

939

01:54:19,169 --> 01:54:21,759

You've failed, Your Highness.

940

01:54:21,885 --> 01:54:23,842

I am a Jedi...

941

01:54:23,970 --> 01:54:26,010

like my father before me.

942

01:54:33,605 --> 01:54:37,056

So be it, Jedi.

943

01:54:37,275 --> 01:54:39,149

Move! Move!

944

01:54:51,790 --> 01:54:55,657

The shield is down. Commence attack
on the Death Star's main reactor.

945

01:54:55,794 --> 01:54:59,542

We're on our way. Red Group,

Gold Group, all fighters follow me.

946

01:54:59,673 --> 01:55:01,582

I told you they'd do it.

947

01:55:08,723 --> 01:55:11,345

If you will not be turned...

948

01:55:11,476 --> 01:55:14,810

you will be destroyed.

949

01:55:21,987 --> 01:55:23,564

Young fool.

950

01:55:24,656 --> 01:55:27,361

Only now, at the end...

951

01:55:27,492 --> 01:55:29,366

do you understand.

952

01:55:42,591 --> 01:55:48,344

Your feeble skills are no match

for the power of the dark side.

953

01:55:52,184 --> 01:55:56,016

You have paid the price

for your lack of vision.

954

01:56:01,610 --> 01:56:03,436

Father, please!

955

01:56:18,752 --> 01:56:20,910

Now, young Skywalker...

956

01:56:23,048 --> 01:56:24,875

you will die.

957

01:57:47,632 --> 01:57:49,091

I'm going in.

958

01:57:52,262 --> 01:57:53,460

Here goes nothing.

959

01:58:00,562 --> 01:58:04,429

Lock onto the strongest power source.

It should be the power generator.

960

01:58:06,651 --> 01:58:10,103

Form up. Stay alert.

We could run out of space real fast.

961

01:58:25,795 --> 01:58:27,788

Split up and head back to the surface.

962

01:58:27,923 --> 01:58:31,089

See if you can get a few
of those TIE fighters to follow you.

963

01:58:31,218 --> 01:58:32,218

Copy, Gold Leader.

964

01:58:42,479 --> 01:58:44,056

That was too close.

965

01:58:48,068 --> 01:58:50,226

We've got to give
those fighters more time.

966

01:58:50,362 --> 01:58:53,398

Concentrate all fire
on that Super Stardestroyer.

967

01:58:59,538 --> 01:59:01,661

Sir, we've lost our
bridge deflector shields.

968

01:59:01,790 --> 01:59:04,791

Intensify the forward batteries.
I don't want anything to get through.

969

01:59:07,295 --> 01:59:09,039

Intensify forward firepower!

970

01:59:10,882 --> 01:59:12,080

Too late!

971

01:59:57,179 --> 02:00:01,046

Help me take this mask off.

972

02:00:01,183 --> 02:00:03,056

But you'll die.

973

02:00:03,935 --> 02:00:07,435

Nothing can stop that now.

974

02:00:08,523 --> 02:00:10,148

Just for once...

975

02:00:11,109 --> 02:00:12,734

let me...

976

02:00:12,861 --> 02:00:16,312

look on you with my own eyes.

977

02:00:52,567 --> 02:00:56,945

Now go, my son.

978

02:00:58,657 --> 02:01:00,067

Leave me.

979

02:01:01,159 --> 02:01:03,615

No. You're coming with me.

980

02:01:03,745 --> 02:01:06,070

I'll not leave you here.

I've got to save you.

981

02:01:06,957 --> 02:01:10,657

You already have, Luke.

982

02:01:11,837 --> 02:01:13,710

You were right.

983

02:01:14,506 --> 02:01:16,831

You were right about me.

984

02:01:18,760 --> 02:01:20,551

Tell your sister...

985

02:01:21,596 --> 02:01:23,803

you were right.

986

02:01:30,897 --> 02:01:31,976

Father.

987

02:01:36,319 --> 02:01:37,648

I won't leave you.

988

02:02:03,096 --> 02:02:04,096

There it is.

989

02:02:07,058 --> 02:02:09,431

Wedge, go for the power regulator
on the north tower.

990

02:02:09,561 --> 02:02:12,846

Copy, Gold Leader.

I'm already on my way out.

991

02:02:32,083 --> 02:02:35,203

Move the fleet
away from the Death Star.

992

02:03:22,691 --> 02:03:24,085

They did it!

993

02:03:32,561 --> 02:03:34,968

I'm sure Luke wasn't
on that thing when it blew.

994

02:03:36,631 --> 02:03:38,458

He wasn't.

995

02:03:38,592 --> 02:03:40,252

I can feel it.

996

02:03:45,100 --> 02:03:46,678

You love him.

997

02:03:50,105 --> 02:03:51,516

Don't you?

998

02:03:51,649 --> 02:03:53,107

Yes.

999

02:03:53,234 --> 02:03:55,938

All right. I understand.

1000

02:03:56,070 --> 02:03:57,445

Fine.

1001

02:03:58,489 --> 02:04:00,280

When he comes back...

1002

02:04:01,367 --> 02:04:03,110

I won't get in the way.

1003

02:04:05,829 --> 02:04:07,787

It's not like that at all.

1004

02:04:11,357 --> 02:04:13,122

He's my brother.

1005

02:05:54,954 --> 02:05:57,064

Wesa free!
