Oh jeez.

177

00:12:04,769 --> 00:12:05,936

What is going on here?

178

00:12:06,436 --> 00:12:08,480

Xanax and Lexapro, right?

179

00:12:08,563 --> 00:12:12,151

Probably some Oxy for good measure?

You know, to take the edge off?

180

00:12:12,234 --> 00:12:14,403

- They're for PTSD.

- [McCann] I know what they're for.

181

00:12:14,486 --> 00:12:16,071

Did you ask for these, Gurty?

182

00:12:16,155 --> 00:12:19,158

He has insomnia, hypertension,
makes inappropriate outbursts.

183

00:12:19,241 --> 00:12:21,493

Kiss my Irish ass.

184

00:12:21,576 --> 00:12:24,288

Post-traumatic stress disorder is real.

185

00:12:24,371 --> 00:12:25,956

I can Section 502 him.

186

00:12:26,791 --> 00:12:27,666

Do it.

187

00:12:28,167 --> 00:12:31,670

The press'll love another story
about how the VA overprescribes opioids

188

00:12:31,754 --> 00:12:32,880

to America's heroes.

189

00:12:32,963 --> 00:12:34,673

You are making a grave mistake.

190

00:12:35,382 --> 00:12:37,843

You try and stop us

from leaving here, so are you.

191

00:12:40,470 --> 00:12:41,847

[McCann] Wait, wait, wait, wait.

192

00:12:42,347 --> 00:12:43,473

Put this on.

193

00:12:43,557 --> 00:12:44,975

Come on. It's cold.

194

00:12:47,394 --> 00:12:48,938

Wait, here. Here.

195

00:12:52,691 --> 00:12:53,901

Come on, your pants.

196

00:13:03,786 --> 00:13:05,788

[emotional music playing]

197

00:13:12,461 --> 00:13:14,171

[truck engine turns off]

198

00:13:14,254 --> 00:13:15,881

[hydraulics hiss]

199

00:13:22,847 --> 00:13:23,973

Ken... Kenworth.

200

00:13:24,056 --> 00:13:25,307

More Ken.

201

00:13:25,390 --> 00:13:27,226

Take us great that owned we.

202

00:13:28,018 --> 00:13:29,019

We.

203

00:13:29,103 --> 00:13:32,982

Sure, sure. It would be great
if we owned our own rig.

204

00:13:33,774 --> 00:13:35,317

Did you win the lottery?

205

00:13:35,400 --> 00:13:38,070

Did you happen to win
the Pick-6 and not tell me?

206

00:13:38,653 --> 00:13:41,198

This thing costs 200 grand, Gurty.

207

00:13:42,324 --> 00:13:43,575

200.

208

00:13:48,538 --> 00:13:49,957

[cell phone vibrates]

209

00:13:54,795 --> 00:13:56,797

[emotional music playing]

210

00:14:44,011 --> 00:14:45,220

[McCann sighs]

211

00:14:50,142 --> 00:14:51,977

Ever been to Winnipeg, Gurty?

212

00:14:53,145 --> 00:14:54,438

It's just 70 miles.

213

00:14:58,108 --> 00:15:00,027

"Win a pig."

214

00:15:01,361 --> 00:15:02,446

We might, partner.

215

00:15:03,655 --> 00:15:07,159

With any luck,

today we might just win a pig.

216

00:15:12,497 --> 00:15:15,625

[radio announcer] *<i>News all day, every day.</i>*

217

00:15:15,709 --> 00:15:16,710

<i>Our top story,</i>

218

00:15:16,794 --> 00:15:20,464

*<i>twin explosions rock Northern Manitoba's
Katka mine this morning,</i>*

219

00:15:20,547 --> 00:15:24,051

*<i>killing eight miners
and leaving 26 more unaccounted for.</i>*

220

00:15:24,134 --> 00:15:27,179

*<i>The cause of the explosion
has not been determined.</i>*

221

00:15:27,262 --> 00:15:29,556

Hi, I'm calling
from Trappers Transpo in Winnipeg.

222

00:15:29,639 --> 00:15:32,852

- We're in an emergency and need drivers.
- Tully, gimme 50 bucks. You got 50 bucks?

223

00:15:32,935 --> 00:15:35,104

- Yeah, I do.
- One of my drivers just became available.

224

00:15:35,187 --> 00:15:37,272

- Thanks.
- Fantastic. What's it for?

225

00:15:37,356 --> 00:15:38,190

Bail.

226

00:15:38,273 --> 00:15:40,609

- Yeah... What?
- Told you this wasn't gonna be easy.

227

00:15:41,193 --> 00:15:42,236

[man shouting]

228

00:15:46,949 --> 00:15:48,492

Sunglasses and keys.

229

00:15:49,076 --> 00:15:50,828

You protest and throw rocks again,

230

00:15:51,328 --> 00:15:52,788

we'll arrest you again.

231

00:15:53,455 --> 00:15:55,833

We're gonna keep doing it
until you get off our land.

232

00:15:56,458 --> 00:15:58,168

[cop] The city owns that parking lot.

233

00:15:59,419 --> 00:16:01,088

I was referring to North America.

234

00:16:02,840 --> 00:16:03,966

[cop] See you soon.

235

00:16:04,049 --> 00:16:06,051

[intriguing music playing]

236

00:16:16,436 --> 00:16:18,147

How's the fight for justice going?

237

00:16:20,858 --> 00:16:22,359

You keep building casinos,

238

00:16:22,442 --> 00:16:24,779

you'll beat the white man

without a shot fired.

239

00:16:29,658 --> 00:16:31,911

You heard about the cave-in up at Katka?

240

00:16:31,994 --> 00:16:33,620

Yeah, it was on the TV in there.

241

00:16:34,121 --> 00:16:36,665

I still haven't heard from Cody though.

I'm worried sick.

242

00:16:37,792 --> 00:16:39,126

He's on the list of those missing.

243

00:16:40,335 --> 00:16:42,337

I'm putting together

a little rescue mission.

244

00:16:43,588 --> 00:16:44,673

Ice road?

245

00:16:44,757 --> 00:16:45,590

Yep.

246

00:16:49,386 --> 00:16:50,262

I'm in.

247

00:16:51,138 --> 00:16:52,222

[engine starts]

248

00:16:56,143 --> 00:16:58,270

[men coughing]

249

00:17:05,319 --> 00:17:06,361

[sniffing]

250

00:17:12,034 --> 00:17:13,410

Let's get a head count.

251

00:17:13,493 --> 00:17:14,328

Cody.

252

00:17:16,496 --> 00:17:17,414

One.

253

00:17:17,497 --> 00:17:18,916

- [miner] Two.

- Three.

254

00:17:18,999 --> 00:17:21,460

- Four.

- Five.

255

00:17:21,543 --> 00:17:23,253

- Six.

- Seven.

256

00:17:23,337 --> 00:17:24,797

- Eight.

- Nine.

257

00:17:24,880 --> 00:17:26,090

- Ten.

- Eleven.

258

00:17:26,173 --> 00:17:27,842

- Twelve.

- Thirteen.

259

00:17:36,809 --> 00:17:37,935

[engine turns off]

260

00:17:40,645 --> 00:17:43,816

[man] *I got a wife and kids, Jim.*

How would I even explain this to them?

261

00:17:43,899 --> 00:17:47,069

No one's gonna force you to go, Dave.

I understand. It's not for everyone.

262

00:17:47,152 --> 00:17:47,987

Thanks.

263

00:17:48,612 --> 00:17:50,364

- What do you got?

- Half are retired.

264

00:17:50,447 --> 00:17:52,157

Half have never seen an ice road.

265

00:17:52,241 --> 00:17:55,285

Next, there are two guys

up from North Dakota. Brothers.

266

00:17:56,453 --> 00:17:57,371

Thank you.

267

00:17:57,872 --> 00:17:59,456

[phone ringing]

268

00:17:59,539 --> 00:18:00,749

[indistinct chatter]

269

00:18:01,834 --> 00:18:03,878

[Jim] Which one of you guys
is Mike McCann?

270

00:18:03,961 --> 00:18:05,712

- I am.

- [Jim] You're the driver?

271

00:18:05,796 --> 00:18:08,090

- He's the mechanic?

- Yep. One of the best.

272

00:18:10,384 --> 00:18:13,303

Says you had experience on the ice road
in the Northwest Territory.

273

00:18:13,387 --> 00:18:15,222

That's pretty serious country.
What'd you drive?

274

00:18:15,722 --> 00:18:17,016

Anything on wheels.

275

00:18:17,516 --> 00:18:20,310

Says you've had 11 gigs
in the last eight years,

276

00:18:20,394 --> 00:18:22,354

which ain't exactly
inspiring my confidence.

277

00:18:23,022 --> 00:18:25,149

Some reason
that you can't hold down a job?

278

00:18:29,653 --> 00:18:32,364

My, uh, my brother's a veteran,

279

00:18:32,447 --> 00:18:33,991

got injured in Iraq.

280

00:18:34,491 --> 00:18:37,161

Uh, he's got this thing

called aphasia, which is...

281

00:18:37,244 --> 00:18:38,078

I know what it is.

282

00:18:38,162 --> 00:18:40,790

Long story short, um,
for the past eight years,

283

00:18:40,873 --> 00:18:42,082

I've been his caretaker,

284

00:18:42,166 --> 00:18:44,001

for lack of a better word, and...

285

00:18:44,709 --> 00:18:45,878

- And we...

- I get it. I get it.

286

00:18:45,961 --> 00:18:47,421

We ain't got time. What's his name?

287

00:18:47,504 --> 00:18:48,839

Call him Gurty.

288

00:18:49,673 --> 00:18:51,175

Gurty. Hey.

289

00:18:52,176 --> 00:18:53,343

Gurty, Jim Goldenrod.

290

00:18:53,844 --> 00:18:55,637

Grab your tool set. Follow me.

291

00:19:00,059 --> 00:19:02,061

[action music playing]

292

00:19:04,604 --> 00:19:05,522

[Jim] Right here.

293

00:19:06,606 --> 00:19:08,483

I want you to pull the rocker arm shaft.

294

00:19:09,609 --> 00:19:10,735

I'm gonna time you.

295

00:19:16,741 --> 00:19:17,576

Say when.

296

00:19:20,412 --> 00:19:21,246

- Go.

- [watch beeps]

297

00:19:22,414 --> 00:19:23,999

[music intensifies]

298

00:19:25,751 --> 00:19:27,002

[socket wrench clicking]

299

00:19:35,719 --> 00:19:36,804

[metal part clatters]

300

00:19:41,141 --> 00:19:42,184

Sweet Jesus.

301

00:19:46,480 --> 00:19:47,647

Okay, Tully,

302

00:19:49,024 --> 00:19:50,860

send everybody else home and call Katka.

303

00:19:50,943 --> 00:19:52,987

- I got my crew.

- [Tully] Where's Tantoo?

304

00:19:53,070 --> 00:19:54,989

She's reparking somebody else's rig.

305

00:19:55,072 --> 00:19:57,074

[tires screeching]

306

00:20:02,872 --> 00:20:04,248

She seems a little young.

307

00:20:08,502 --> 00:20:10,587

- I'll have the contracts drawn up.

- Thank you.

308

00:20:11,130 --> 00:20:13,048

[miners grunting, panting]

309

00:20:14,466 --> 00:20:15,384

[miner] Enough.

310

00:20:16,093 --> 00:20:18,428

Anyone not out by now isn't coming out.

311

00:20:19,179 --> 00:20:21,181

[distant clanging]

312

00:20:21,932 --> 00:20:23,934

[miners muttering]

313

00:20:24,769 --> 00:20:25,685

You guys hearing that?

314

00:20:25,770 --> 00:20:27,687

- [clanging continues]

- [miner 1] What is that?

315

00:20:31,108 --> 00:20:33,778

- [clanging on pipes]

- That sounds like tap code.

316

00:20:33,861 --> 00:20:35,487

You men, give us a hand.

317

00:20:35,570 --> 00:20:37,406

- [miners straining]

- [miner 2] Come on.

318

00:20:37,990 --> 00:20:41,243

Somebody had to have been
in the Army, Navy, Cub Scouts.

319

00:20:47,291 --> 00:20:49,376

[rhythmic clanging]

320

00:20:51,796 --> 00:20:53,047

What are they saying, Cody?

321

00:20:53,839 --> 00:20:54,882

"How many alive?"

322

00:20:54,965 --> 00:20:57,885

Look, if you do hear something,
you call me, all right?

323

00:20:57,968 --> 00:20:58,928

[man] Yes, sir.

324

00:21:02,472 --> 00:21:04,474

[clanging continues]

325

00:21:06,101 --> 00:21:08,062

[miners breathing heavily]

326

00:21:08,813 --> 00:21:12,607

Uh, twenty-six... alive.

327

00:21:12,691 --> 00:21:14,484

Uh, Fred, listen to me. Listen.

328

00:21:14,568 --> 00:21:17,988

You tell them we're gonna cap

that methane with a wellhead, all right?

329

00:21:18,072 --> 00:21:19,114

Then we're gonna blast.

330

00:21:19,198 --> 00:21:21,951

You tell 'em those wellheads,
they're coming ASAP, all right?

331

00:21:22,034 --> 00:21:23,035

- Okay.

- Okay.

332

00:21:23,535 --> 00:21:25,537

[clanging on pipe]

333

00:21:30,835 --> 00:21:32,795

Wellheads arrive ASAP.

334

00:21:32,878 --> 00:21:34,629

What do they mean, ASAP?

335

00:21:35,339 --> 00:21:36,256

Six hours?

336

00:21:37,382 --> 00:21:38,217

Twelve hours?

337

00:21:38,300 --> 00:21:39,384

What if it's 30?

338

00:21:39,885 --> 00:21:41,011

Then we're dead.

339

00:21:41,678 --> 00:21:42,888

[miner coughing]

340

00:21:47,768 --> 00:21:49,686

The 26 includes Lampard.

341

00:21:50,855 --> 00:21:51,897

Yep.

342

00:21:52,731 --> 00:21:53,732

Mankins?

343

00:21:54,984 --> 00:21:57,027

He's alive.

344

00:21:57,862 --> 00:21:59,071

So the question is time.

345

00:22:00,322 --> 00:22:03,242

I mean, no one's ever lasted
over 30 hours under permafrost.

346

00:22:06,745 --> 00:22:08,998

Well, the government's
got that ice road open.

347

00:22:09,706 --> 00:22:13,543

Safety supervisor guy,
he's even managed to secure transpo.

348

00:22:15,420 --> 00:22:16,421

Jim Goldenrod.

349

00:22:17,882 --> 00:22:22,344

If Jim Goldenrod believes 25-ton wellheads
can roll across a frozen lake in April,

350

00:22:22,427 --> 00:22:24,304

I suppose we should believe it too.

351

00:22:25,014 --> 00:22:25,848

[Jim] All right.

352

00:22:26,390 --> 00:22:29,518

These wellheads are beasts,
eighteen feet long,

353

00:22:29,601 --> 00:22:30,936

[ice creaking]

526

00:33:43,776 --> 00:33:44,985

[grunts]

527

00:33:48,113 --> 00:33:49,114

[Gurty] Oh...

528

00:33:50,199 --> 00:33:51,075

Gurty!

529

00:33:51,826 --> 00:33:52,785

Clear out.

530

00:33:54,619 --> 00:33:55,454

What happened?

531

00:33:55,537 --> 00:33:56,997

Rear trailer tires went in.

532

00:33:57,081 --> 00:33:59,041

- [ice creaking]

- [water rushing]

533

00:33:59,124 --> 00:34:00,375

[Jim] Oh shit.

534

00:34:03,921 --> 00:34:04,922

[breathing heavily]

535

00:34:05,005 --> 00:34:06,757

What the hell's going on?

536

00:34:07,800 --> 00:34:08,801

Come on, Jim.

537

00:34:10,385 --> 00:34:12,096

[screaming]

538

00:34:21,939 --> 00:34:22,982

[engine revs]

539

00:34:45,712 --> 00:34:47,506

[tense music playing]

540

00:34:51,468 --> 00:34:53,470

[Tantoo] Jim! Jim!

541

00:34:53,553 --> 00:34:54,388

Jim!

542

00:34:54,471 --> 00:34:55,806

[Jim] Towline's got me!

543

00:34:55,890 --> 00:34:57,391

Cut me loose. My leg's broken.

544

00:35:00,185 --> 00:35:03,647

Cut me loose, or you're all going in!

Towline's got me, and my leg's broken.

545

00:35:03,730 --> 00:35:04,731

Do it!

546

00:35:05,816 --> 00:35:07,317

- Do it!

- I can't.

547

00:35:07,943 --> 00:35:09,611

Do it! Do it!

548

00:35:09,694 --> 00:35:10,612

[groans]

549

00:35:12,156 --> 00:35:13,532

[gasps, breathing heavily]

550

00:35:14,366 --> 00:35:15,367

Jesus.

551

00:35:17,953 --> 00:35:19,371

[breathing heavily]

552

00:35:22,207 --> 00:35:23,918

- [ice creaking]

- [sobs]

553

00:35:24,001 --> 00:35:25,585

[Varnay] Holy shit!

554

00:35:27,462 --> 00:35:28,588

[loud cracking]

555

00:35:30,340 --> 00:35:31,591

[McCann] It's spreading out.

556

00:35:32,342 --> 00:35:33,677

[Varnay] Meaning what?

557

00:35:34,219 --> 00:35:38,182

Meaning it's gonna keep cracking
for two, maybe three thousand meters.

558

00:35:38,682 --> 00:35:39,850

That's over a mile.

559

00:35:39,934 --> 00:35:41,811

We'll outrun it. Let's move!

560

00:35:41,894 --> 00:35:43,228

We gotta unhook first.

561

00:35:43,728 --> 00:35:44,729

There's no time.

562

00:35:45,898 --> 00:35:48,150

We're gonna have to run tied together. Go!

563

00:35:48,233 --> 00:35:50,235

[rumbling, creaking]

564

00:35:51,695 --> 00:35:53,572

[Tantoo panting]

565

00:35:56,533 --> 00:35:57,785

Get your harness on.

566

00:36:16,136 --> 00:36:18,597

Mike, come in.

We gotta hike up the speed. Over.

567

00:36:19,223 --> 00:36:20,057

[McCann] <i>Roger.</i>

568

00:36:22,559 --> 00:36:24,103

[engine revving]

569

00:36:25,520 --> 00:36:28,023

[rumbling, cracking]

570

00:36:31,235 --> 00:36:33,237

[suspenseful music playing]

571

00:36:44,081 --> 00:36:46,458

- Mike, come in. We gotta run faster.

- Roger.

572

00:36:47,251 --> 00:36:48,543

Gurty, running board.

573

00:36:54,884 --> 00:36:56,010

Get out on the running board.

574

00:36:56,093 --> 00:36:58,512

- Why?

- So if we go through, we can jump clear.

575

00:37:07,646 --> 00:37:09,774

[ice cracking]

576

00:37:10,732 --> 00:37:12,567

[rumbling]

577

00:37:18,448 --> 00:37:20,159

Got a pressure wave ahead of me.

578

00:37:21,410 --> 00:37:24,371

I got one hell of an ice crack behind me,

so how do you wanna die?

579

00:37:32,587 --> 00:37:35,465

Slush bed at 200 yards.

Get in and buckle up.

580

00:37:38,635 --> 00:37:41,013

Hang on, pal. This is gonna get ugly.

581

00:37:48,645 --> 00:37:50,397

This is not good. This is not good!

582

00:37:55,735 --> 00:37:56,904

[tires squealing]

583

00:37:58,572 --> 00:37:59,614

I don't like this!

584

00:38:04,244 --> 00:38:05,996

- Shit!

- [metal creaking]

585

00:38:18,675 --> 00:38:20,302

[Gurty groaning]

586

00:38:21,762 --> 00:38:24,514

I've got your seat belt. You okay, pal?

587

00:38:34,024 --> 00:38:35,567

[ice rumbling]

588

00:38:41,198 --> 00:38:42,199

We're finished.

589

00:38:42,282 --> 00:38:44,243

[ice cracking]

590

00:38:44,827 --> 00:38:46,703

[mumbling prayer]

591

00:38:53,252 --> 00:38:54,128

It stopped.

592

00:38:56,130 --> 00:38:57,381

[sighs]

593

00:38:58,924 --> 00:38:59,759

Yeah.

594

00:39:00,342 --> 00:39:01,218

It stopped!

595

00:39:01,886 --> 00:39:03,595

[McCann] We capsized for a reason.

596

00:39:03,678 --> 00:39:07,057

Now our weight's displaced evenly
instead of on the tires.

597

00:39:10,519 --> 00:39:13,313

So based on seven liters
per minute, per man...

598

00:39:13,397 --> 00:39:14,356

Seven liters?

599

00:39:15,232 --> 00:39:16,859

That's all a grown man breathes?

600

00:39:16,942 --> 00:39:19,862

When at rest.

The figure doubles with physical exertion.

601

00:39:20,654 --> 00:39:21,655

Hey, Cody.

602

00:39:22,322 --> 00:39:24,533

- Can I ask you something?

- Sure.

603

00:39:25,075 --> 00:39:28,078

When the mine blew up,

I said we hit a methane pocket,

604

00:39:28,662 --> 00:39:30,372

and you said, "That's impossible."

605

00:39:30,915 --> 00:39:31,748

Why?

606

00:39:32,249 --> 00:39:33,250

[dirt sifting]

607

00:39:33,751 --> 00:39:35,753

[rumbling]

608

00:39:36,879 --> 00:39:38,088

It's still settling.

609

00:39:39,714 --> 00:39:41,842

[clanging on pipes]

610

00:39:52,352 --> 00:39:53,854

[clanging continues]

611

00:39:55,981 --> 00:39:57,274

Air compressor...

612

00:39:58,984 --> 00:40:00,820

Thank God they're coming through.

613

00:40:05,908 --> 00:40:06,741

...failed.

614

00:40:08,618 --> 00:40:09,787

[miner 1 coughing]

615

00:40:10,454 --> 00:40:11,455

Hey.

616

00:40:12,039 --> 00:40:13,833

- What's the story, Cody?

- [miner 2 groans]

617

00:40:13,916 --> 00:40:14,917

Yeah.

618

00:40:15,876 --> 00:40:17,002

What'd they say?

619

00:40:17,586 --> 00:40:18,587

[miner 2 sighs]

620

00:40:25,094 --> 00:40:26,971

They say they're still working on it.

621

00:40:31,851 --> 00:40:32,852

- Cody.

- [Cody] Yeah?

622

00:40:39,942 --> 00:40:41,318

You didn't answer my question.

623

00:40:41,819 --> 00:40:44,029

Why is it impossible

we hit a methane pocket?

624

00:40:49,409 --> 00:40:51,161

'Cause I was told it would never happen.

625

00:40:51,871 --> 00:40:53,038

By who?

626

00:40:53,122 --> 00:40:54,206

Who told you that?

627

00:40:57,459 --> 00:40:58,293

Cody.

628

00:41:02,381 --> 00:41:05,592

- [miners groan, cough]

- [miner 3] Easy, boys! Easy! Get him out!

629

00:41:06,176 --> 00:41:07,011

Easy!

630

00:41:08,595 --> 00:41:11,098

[all grunting, shouting]

631

00:41:12,933 --> 00:41:13,768

[miner 4] Cody!

632

00:41:15,185 --> 00:41:16,937

[miner 5] Watch his leg. Watch his leg.

633

00:41:17,897 --> 00:41:19,899

[miners groaning, coughing]

634

00:41:40,044 --> 00:41:42,004

[McCann] SOS. SOS.

635

00:41:42,087 --> 00:41:43,756

41.40.

636

00:41:43,839 --> 00:41:45,925

Ice road north of 53.

637

00:41:46,008 --> 00:41:47,676

Kenworth through the ice.

638

00:41:47,760 --> 00:41:48,593

Repeat.

639

00:41:48,677 --> 00:41:50,262

Kenworth through the ice.

640

00:41:50,345 --> 00:41:52,181

[radio dispatch]

<i>Copy. Are there survivors?</i>

641

00:41:52,264 --> 00:41:53,223

Negative.

642

00:41:54,099 --> 00:41:55,893

[radio dispatch]

<i>We are responding. Thank you.</i>

643

00:41:56,977 --> 00:41:59,814

Wait. [spluttering] What about us?

644

00:41:59,897 --> 00:42:01,106

What about us?

645

00:42:05,652 --> 00:42:07,237

We're heading back, right?

646

00:42:09,114 --> 00:42:10,032

Back?

647

00:42:10,532 --> 00:42:12,159

Yeah. That's what I said.

648

00:42:13,243 --> 00:42:15,955

The ice is bound to be thinner
to the south, not thicker.

649

00:42:16,038 --> 00:42:19,458

We still have two deliverable wellheads.
Technical redundancy, remember?

650

00:42:19,541 --> 00:42:21,251

And we're more than halfway there.

651

00:42:21,836 --> 00:42:23,003

What do you think, Gurty?

652

00:42:25,255 --> 00:42:27,132

Attaboy. Are you coming with, Tantoo?

653

00:42:27,842 --> 00:42:28,675

Hell yeah.

654

00:42:28,759 --> 00:42:31,553

But this is ridiculous.

You're all gonna die.

655

00:42:31,636 --> 00:42:34,849

You wanna go back, go back.

I suggest you do it quick.

656

00:42:37,893 --> 00:42:38,978

Nichiiwad.

657

00:42:39,061 --> 00:42:40,312

The big one.

658

00:42:40,813 --> 00:42:42,481

Drop 50 degrees.

659

00:42:42,564 --> 00:42:45,317

We'll pick up eight to ten centimeters
of new ice.

660

00:42:45,901 --> 00:42:49,613

Let's get the rigs upright and haul ass.

We're back in business.

661

00:42:49,696 --> 00:42:51,615

You're out of your minds. All of you!

662

00:42:52,407 --> 00:42:53,575

Wait, wait. Wait.

663

00:42:54,743 --> 00:42:58,038

- It appears you're the new leader here.

- I'm not the leader of anything.

664

00:42:58,122 --> 00:42:59,581

Everyone's on their own.

665

00:43:00,290 --> 00:43:01,751

Fine. Whatever.

666

00:43:04,169 --> 00:43:06,881

You're not curious about back there,
what happened?

667

00:43:07,798 --> 00:43:10,968

- We saw what happened.

- I'm talking about the seized-up engine.

668

00:43:11,468 --> 00:43:12,552

[sniffs loudly]

669

00:43:14,429 --> 00:43:15,514

Go on.

670

00:43:17,808 --> 00:43:20,310

How well do you know her? Tantoo?

671

00:43:20,394 --> 00:43:22,562

Met her first time yesterday. Why?

672

00:43:26,691 --> 00:43:28,693

Mind answering a couple questions?

673

00:43:30,362 --> 00:43:33,532

You worked for Jim Goldenrod,
what, two years?

674

00:43:34,324 --> 00:43:35,242

Two and a half.

675

00:43:37,369 --> 00:43:38,537

Why did it end?

676

00:43:40,414 --> 00:43:43,042

I used his rig on the weekend
without permission.

677

00:43:43,918 --> 00:43:46,170

- So, you're a thief.

- [Tantoo] I'm not a thief.

678

00:43:47,296 --> 00:43:49,298

Hey, I was hauling banners for a demon...

679

00:43:51,633 --> 00:43:52,885

What is this your business?

680

00:43:52,968 --> 00:43:56,180

You weren't a happy camper, were you?

When he fired you?

681

00:43:57,181 --> 00:43:58,098

No, I...

682

00:43:58,182 --> 00:43:59,183

Look, just...

683

00:44:00,475 --> 00:44:04,188

I've never seen a Kenworth
with less than 10K on the odometer

684

00:44:04,271 --> 00:44:06,065

just up and quit, have you?

685

00:44:06,731 --> 00:44:07,566

No.

686

00:44:08,067 --> 00:44:12,196

Most diesel engines don't seize
on their own unless they burn gasoline.

687

00:44:14,239 --> 00:44:15,324

What's this about?

688

00:44:15,407 --> 00:44:18,702

You dosed Goldenrod's rig
with gas while we were loading up.

689

00:44:18,786 --> 00:44:20,037

I saw you next to the pump.

690

00:44:20,120 --> 00:44:22,122

You said you were checking
the tire pressure.

691

00:44:22,206 --> 00:44:23,791

That is a goddamn lie.

692

00:44:23,874 --> 00:44:26,418

You were gonna take us all out,
weren't you?

693

00:44:26,501 --> 00:44:28,503

So you could claim the whole 200 grand.

694

00:44:28,587 --> 00:44:31,173

- I don't know what you're talking about.

- Who else, then?

695

00:44:31,256 --> 00:44:33,342

It wasn't me. Wasn't Gurty. Wasn't him.

696

00:44:33,843 --> 00:44:36,011

He works for the company that's paying us.

697

00:44:36,095 --> 00:44:38,555

This is not about the money for me,
you idiots!

698

00:44:38,638 --> 00:44:40,057

God, my brother is in that mine.

699

00:44:40,140 --> 00:44:42,601

And the longer we stand here,
the closer he is to dying.

700

00:44:42,684 --> 00:44:44,019

So if you could just move...

701

00:44:44,103 --> 00:44:46,271

She's lying. You can't trust these people.

702

00:44:47,439 --> 00:44:49,691

Call Katka. His name is Cody Mantooth.

703

00:44:49,775 --> 00:44:51,151

We have different fathers.

704

00:44:51,819 --> 00:44:52,736

God, "These people"?

705

00:44:53,946 --> 00:44:56,490

- You're a racist asshole.

- You're not going anywhere.

706

00:44:56,573 --> 00:44:57,491

Just get out of...

707

00:44:57,574 --> 00:44:59,368

- You're not going anywhere.

- Fine.

708

00:44:59,451 --> 00:45:01,495

Hey, hey, hey. Whoa, whoa, whoa, whoa.

709

00:45:11,463 --> 00:45:13,340

We call the company and check your story.

710

00:45:13,423 --> 00:45:15,175

Yeah, and then go fuck yourself.

711

00:45:15,885 --> 00:45:17,177

Tie her up, Gurty.

712

00:45:24,101 --> 00:45:25,269

[action music playing]

713

00:45:29,689 --> 00:45:31,316

[winch cranking]

714

00:46:03,598 --> 00:46:05,893

[satellite phone ringing]

715

00:46:09,980 --> 00:46:11,356

Yeah, Tully, it's Mike.

716

00:46:11,440 --> 00:46:14,401

[Tully] *I just heard about Goldenrod
from County Emergency. What happened?*

717

00:46:14,484 --> 00:46:17,696

We think Tantoo
dosed Jim's rig with gasoline.

718

00:46:17,780 --> 00:46:20,157

[Tully] *Are you kidding?
That's worse than sugar in the tank.*

719

00:46:20,240 --> 00:46:21,533

Contact Katka.

720

00:46:22,117 --> 00:46:25,788

Ask 'em if there's a miner,
Cody Mantooth, on the missing list.

721

00:46:26,288 --> 00:46:28,207

- I'll explain later.

- [Tully] <i>You got it.</i>

722

00:46:29,875 --> 00:46:31,460

[miner coughing]

723

00:46:40,635 --> 00:46:42,262

We wanna discuss options.

724

00:46:42,346 --> 00:46:43,388

Like what?

725

00:46:44,348 --> 00:46:46,016

Like decreasing our numbers.

726

00:46:47,392 --> 00:46:50,604

I wanna talk to the folks upstairs.

I wanna talk to the bosses.

727

00:46:50,687 --> 00:46:52,147

[scoffs] You don't know tap code.

728

00:46:52,731 --> 00:46:53,732

He does.

729

00:46:54,900 --> 00:46:56,651

You guys can't be serious.

730

00:46:59,363 --> 00:47:00,655

It's called triage.

731

00:47:00,739 --> 00:47:02,449

Hospitals do it all the time.

732

00:47:02,532 --> 00:47:03,868

[miner coughing violently]

733

00:47:03,951 --> 00:47:07,287

If we decrease our numbers by one-third,
our oxygen window increases by...

734

00:47:07,371 --> 00:47:08,580

We can do the math.

735

00:47:09,581 --> 00:47:11,666

Hospitals are a bullshit analogy.

736

00:47:11,751 --> 00:47:15,379

Patients get triaged

when it's determined they'd die anyway.

737

00:47:16,797 --> 00:47:18,340

And what about these guys?

738

00:47:18,423 --> 00:47:20,675

[Mankins]

They're not gonna make it till morning.

739

00:47:20,760 --> 00:47:23,846

- [Lampard] No one's going for this.

- I agree. It's nuts.

740

00:47:25,597 --> 00:47:27,724

- Say you're wrong.

- Say we're not.

741

00:47:27,808 --> 00:47:29,101

Say we put it to a vote.

742

00:47:29,184 --> 00:47:30,560

What's he saying, Cody?

743

00:47:35,607 --> 00:47:38,986

- [Cody] They wanna decrease our numbers.

- Can't be serious.

744

00:47:40,654 --> 00:47:42,072

Looks serious to me, Claude.

745

00:47:42,156 --> 00:47:44,741

Nobody wants this, Barney.

Don't make it personal.

746

00:47:44,825 --> 00:47:48,495

Hate to tell ya, friend.

This is about as personal as it gets.

747

00:47:48,578 --> 00:47:49,830

You guys seen yourselves?

748

00:47:49,914 --> 00:47:52,749

Barney, that compound fracture
has sepsis in it.

749

00:47:52,833 --> 00:47:55,085

And you, Claude,
how's that fever treating ya?

750

00:47:55,585 --> 00:47:58,297

- You're not gonna make another 12 hours.
- What if we say no?

751

00:47:58,380 --> 00:47:59,757

It's going to a vote.

752

00:47:59,840 --> 00:48:02,843

That's like two foxes and a chicken
voting on what's for dinner.

753

00:48:03,510 --> 00:48:05,345

I always knew you were a prick, Mankins.

754

00:48:06,013 --> 00:48:08,265

Didn't know until now
you're also a murderer.

755

00:48:10,475 --> 00:48:12,477

[clanging on pipes]

756

00:48:19,234 --> 00:48:21,153

"Suggest decreasing our number."

757

00:48:22,279 --> 00:48:25,032

- What does that mean?
- They mean decreasing their number.

758

00:48:25,615 --> 00:48:26,450

Well, how?

759

00:48:26,533 --> 00:48:27,617

How do you think?

760

00:48:28,869 --> 00:48:29,703

No.

761

00:48:30,620 --> 00:48:31,455

What? No.

762

00:48:32,247 --> 00:48:34,583

No, that's crazy.

I'm not taking part in this.

763

00:48:34,666 --> 00:48:36,877

We're not calling the shots
down there, Fred.

764

00:48:41,298 --> 00:48:43,300

[wind gusting]

765

00:48:46,053 --> 00:48:49,098

[McCann]

Hey, those trailers smacked down hard.

766

00:48:49,181 --> 00:48:51,516

Gurty and I are gonna go check the loads,

767

00:48:51,600 --> 00:48:52,893

then we'll push on.

768

00:48:55,229 --> 00:48:56,313

How's she looking?

769

00:49:10,244 --> 00:49:11,161

Hey! Hey!

770

00:49:11,829 --> 00:49:13,455

- Hey!

- [Gurty] Help! Hey!

771

00:49:13,538 --> 00:49:14,623

[pounding on door]

772

00:49:14,706 --> 00:49:17,752

- [McCann] Open the damn door!

- [Gurty yelling] Help!

773

00:49:20,796 --> 00:49:21,630

[McCann] Hey!

774

00:49:22,840 --> 00:49:25,009

[McCann and Gurty yelling, pounding]

775

00:49:32,391 --> 00:49:33,893

[McCann] Open this damn door!

776

00:49:44,736 --> 00:49:47,114

[banging, yelling continues]

777

00:49:47,197 --> 00:49:48,198

[door closes]

778

00:49:50,659 --> 00:49:51,576

[sighs]

779

00:49:54,496 --> 00:49:55,664

It was you.

780

00:49:57,124 --> 00:49:59,501

You piece of shit.

"Insurance actuary" my ass.

781

00:49:59,584 --> 00:50:00,836

What do you do for Katka?

782

00:50:01,796 --> 00:50:05,758

Let's just say I work

in a different department of the company.

783

00:50:05,841 --> 00:50:07,009

Yeah, the sewer.

784

00:50:07,717 --> 00:50:08,928

[chuckles]

785

00:50:09,011 --> 00:50:11,555

Look, here's the rules.

786

00:50:12,765 --> 00:50:13,808

You behave yourself,

787

00:50:13,891 --> 00:50:17,227

and you can stay in the restraints
those idiot truckers put on you.

788

00:50:17,853 --> 00:50:19,897

But you get a little spirited,

789

00:50:19,980 --> 00:50:21,565

which I know is a problem for

790

00:50:22,607 --> 00:50:23,608

you people,

791

00:50:24,109 --> 00:50:25,569

and I will hog-tie you

792

00:50:25,652 --> 00:50:27,196

and throw you in the rear.

793

00:50:32,701 --> 00:50:33,577

[grunts]

794

00:50:39,291 --> 00:50:41,001

[satellite phone rings]

795

00:50:41,543 --> 00:50:42,461

[beeps]

796

00:50:42,544 --> 00:50:44,254

- Yeah?

- [Tully] <i>Mike, what's your status?</i>

797

00:50:44,338 --> 00:50:47,299

- No, it's Varnay. We're stuck in a storm.

- <i>Got an answer on Cody Mantooth.</i>

798

00:50:47,382 --> 00:50:48,926

I can't talk.

799

00:50:51,720 --> 00:50:52,721

[phone clatters]

800

00:50:54,389 --> 00:50:56,100

[McCann] Please work. Please work.

801

00:50:57,392 --> 00:51:00,980

[sighs, breathes heavily]

802

00:51:02,147 --> 00:51:04,108

She's outfitted with a heater unit.

803

00:51:04,191 --> 00:51:07,611

Hey, Gurty, how heavy

do we think this double mill pipe is?

804

00:51:08,278 --> 00:51:09,905

Five mill double hundred.

805

00:51:09,989 --> 00:51:10,906

Huh?

806

00:51:13,367 --> 00:51:15,535

Three, four, zero.

807

00:51:16,120 --> 00:51:17,371

Three forty each?

808

00:51:17,955 --> 00:51:19,623

Grab hold of the end of this one.

809

00:51:20,875 --> 00:51:22,251

We're gonna punch that out.

810

00:51:22,752 --> 00:51:24,419

Punch pipe the pin post.

811

00:51:24,503 --> 00:51:26,046

My thoughts exactly.

812

00:51:40,936 --> 00:51:42,938

[dramatic music playing]

813

00:51:59,288 --> 00:52:00,372

[engine starts]

814

00:52:05,169 --> 00:52:06,170

[McCann] Easy.

815

00:52:06,921 --> 00:52:07,922

Easy.

816

00:52:09,298 --> 00:52:11,300

[grunting]

817

00:52:14,970 --> 00:52:16,055

[McCann] Easy.

818

00:52:16,138 --> 00:52:17,014

[strained grunt]

819

00:52:17,890 --> 00:52:19,975

[McCann] One, two, three.

820

00:52:20,059 --> 00:52:21,018

[Gurty yells]

821

00:52:25,689 --> 00:52:26,690

[Gurty yells]

822

00:52:27,942 --> 00:52:29,484

[McCann] One, two, three.

823

00:52:29,568 --> 00:52:30,569

[Gurty yells]

824

00:52:37,659 --> 00:52:38,911

[Gurty yells]

825

00:52:38,994 --> 00:52:40,495

[McCann] One, two, three.

826

00:52:42,957 --> 00:52:45,000

One, two, three.

827

00:52:45,084 --> 00:52:46,168

[Gurty yells]

828

00:52:49,046 --> 00:52:49,880

[sighs]

829

00:53:47,855 --> 00:53:48,688

Yes!

830

00:53:52,401 --> 00:53:53,944

[Gurty] Oh, no, no, no!

831

00:53:56,655 --> 00:54:00,034

He took the phone,
the pistol, our gear bags.

832

00:54:01,160 --> 00:54:02,202

And the Too.

833

00:54:02,787 --> 00:54:03,788

And the what?

834

00:54:04,830 --> 00:54:06,331

Tantoo.

835

00:54:06,415 --> 00:54:08,083

Tantoo as well.

836

00:54:11,003 --> 00:54:12,379

Let's figure this out.

837

00:54:14,757 --> 00:54:16,759

[whirring]

838

00:54:22,139 --> 00:54:24,809

[both grunting]

839

00:54:32,482 --> 00:54:33,483

[ice crunching]

840

00:55:07,601 --> 00:55:08,727

[metal creaking]

841

00:55:08,811 --> 00:55:10,354

[whirring]

842

00:55:31,500 --> 00:55:33,502

[engine revs]

843

00:55:40,217 --> 00:55:41,718

What's the matter with you?

844

00:55:42,677 --> 00:55:43,971

Ease off!

845

00:55:44,054 --> 00:55:45,264

[hydraulics hiss]

846

00:55:49,143 --> 00:55:51,686

[both grunting]

847

00:56:08,078 --> 00:56:09,204

[McCann] More!

848

00:56:09,288 --> 00:56:11,123

Hike up the pressure!

849

00:56:15,377 --> 00:56:16,253

Gurty!

850

00:56:16,879 --> 00:56:18,422

I said more!

851

00:56:19,006 --> 00:56:19,840

More!

852

00:56:22,592 --> 00:56:23,427

Jeez.

853

00:56:24,011 --> 00:56:25,429

I said more!

854

00:56:26,180 --> 00:56:27,014

Mike!

855

00:56:27,097 --> 00:56:28,140

Yeah, I see it.

856

00:56:28,223 --> 00:56:29,641

It's called a winch.

857

00:56:29,724 --> 00:56:32,352

Mike, welding's a winter snap!

858

00:56:32,436 --> 00:56:33,270

What?

859

00:56:34,021 --> 00:56:35,815

Welding got cold!

860

00:56:37,149 --> 00:56:38,442

Just do it!

861

00:56:41,070 --> 00:56:42,988

[winch whirring]

862

00:56:43,072 --> 00:56:44,073

[whirring stops]

863

00:56:47,952 --> 00:56:48,786

[grunts]

864

00:56:49,453 --> 00:56:50,955

Do you know why we get fired?

865

00:56:51,455 --> 00:56:55,000

It's not your disability.

It's your freaking attitude.

866

00:56:56,335 --> 00:56:59,546

You probably didn't take orders
before your disability.

867

00:57:04,927 --> 00:57:06,678

I don't know what's going on here,

868

00:57:07,596 --> 00:57:10,057

but that prick, he killed Goldenrod,

869

00:57:10,140 --> 00:57:11,475

and he nearly killed us.

870

00:57:11,558 --> 00:57:13,602

He pinned it all on Tantoo,

871

00:57:13,685 --> 00:57:16,814

who's out here to save her brother,
and we helped him.

872

00:57:17,815 --> 00:57:19,066

We have one chance,

873

00:57:19,149 --> 00:57:22,652

one chance to get out of this
and make this right.

874

00:57:24,029 --> 00:57:26,656

And you're not gonna wreck it.
Not this time.

875

00:57:28,658 --> 00:57:31,161

- [winch whirring]
- Don't you dare touch that.

876

00:57:37,042 --> 00:57:38,293

[engine revving]

877

00:57:42,297 --> 00:57:43,966

Come on, come on, come on.

878

00:57:49,679 --> 00:57:50,890

She's coming free.

879

00:58:01,441 --> 00:58:02,818

What the hell was that?

880

00:58:03,819 --> 00:58:05,821

[water burbling]

881

00:58:10,826 --> 00:58:13,120

[wind gusting]

882

00:58:16,081 --> 00:58:17,666

Gurty? Gurty?

883

00:58:18,751 --> 00:58:19,668

Gurty!

884

00:58:21,128 --> 00:58:21,962

Gurty?

885

00:58:22,712 --> 00:58:23,588

Gurty!

886

00:58:40,189 --> 00:58:41,023

[gasps]

887

00:58:45,027 --> 00:58:47,029

[wind gusting]

888

00:59:01,877 --> 00:59:03,420

[McCann gasping]

889

00:59:05,840 --> 00:59:06,841

[grunting]

890

00:59:16,516 --> 00:59:17,392

[gasps]

891

00:59:22,106 --> 00:59:24,859

[grunting]

892

00:59:36,703 --> 00:59:39,706

[muttering indistinctly]

893

00:59:53,095 --> 00:59:55,097

[crying]

894

00:59:58,517 --> 00:59:59,393

[grunts]

895

01:00:24,168 --> 01:00:25,878

Come on, Gurty. Come on.

896

01:00:25,961 --> 01:00:27,629

Breathe. Breathe.

897

01:00:28,213 --> 01:00:29,965

Come on, Gurty. Work with me here.

898

01:00:38,182 --> 01:00:40,184

[sobs softly]

899

01:00:44,188 --> 01:00:45,773

- [Gurty gasps, moans]

- Oh jeez.

900

01:00:45,856 --> 01:00:47,858

[Gurty coughing]

901

01:00:49,568 --> 01:00:51,570

Gurty. [laughs]

902

01:00:53,030 --> 01:00:53,864

Gurty.

903

01:00:54,614 --> 01:00:55,532

Jesus.

904

01:00:56,325 --> 01:00:57,993

- Here, pal. Here, pal.

- [whimpering]

905

01:00:58,493 --> 01:01:00,370

Here, pal. I got you. I got you.

906

01:01:00,996 --> 01:01:01,914

I got you.

907

01:01:03,207 --> 01:01:04,041

I got you.

908

01:01:06,710 --> 01:01:07,795

Gurty, I'm sorry.

909

01:01:07,878 --> 01:01:09,046

I'm sorry. I'm sorry.

910

01:01:09,129 --> 01:01:12,174

I'm sorry I hit you.

I'm sorry. I didn't mean to.

911

01:01:12,257 --> 01:01:13,717

I'm sorry, Gurty.

912

01:01:16,178 --> 01:01:18,180

[panting]

913

01:01:18,848 --> 01:01:20,015

Mike.

914

01:01:20,099 --> 01:01:21,350

[coughs]

915

01:01:24,519 --> 01:01:26,814

Yeah. Sunken dreams, Gurty.

916

01:01:28,190 --> 01:01:29,566

Sunken dreams.

917

01:01:30,860 --> 01:01:32,987

Yeah. It's eating at me too.

918

01:01:35,030 --> 01:01:38,367

Why would an employee
of the company that hired us

919

01:01:38,909 --> 01:01:39,952

sabotage...

920

01:01:44,999 --> 01:01:46,250

They want us to fail.

921

01:01:47,334 --> 01:01:49,503

That's it. They want us to fail.

922

01:01:49,586 --> 01:01:50,545

I didn't see it.

923

01:01:51,421 --> 01:01:54,842

I've been too wrapped up
in what's in this for us.

924

01:01:55,592 --> 01:01:56,718

[grunts]

925

01:01:56,802 --> 01:01:58,303

Oh, now I'm angry.

926

01:02:00,722 --> 01:02:02,057

Let's get out of here.

927

01:02:03,642 --> 01:02:05,144

It's not about money now.

928

01:02:06,061 --> 01:02:07,312

This is personal.

929

01:02:38,218 --> 01:02:40,763

Should be 20 minutes to the shoreline.

930

01:02:46,226 --> 01:02:47,727

[engines revving]

931

01:03:07,622 --> 01:03:10,375

Rig two's in the lake 20 clicks due south.

932

01:03:11,001 --> 01:03:12,878

Took the mechanic and the driver with it.

933

01:03:13,712 --> 01:03:18,467

I told them not to store dynamite
in the trailer due to friction detonation,

934

01:03:18,550 --> 01:03:20,886

but they had other ideas.

935

01:03:21,971 --> 01:03:23,055

Good.

936

01:03:23,138 --> 01:03:24,223

Good. That's good.

937

01:03:25,474 --> 01:03:26,516

How about the driver?

938

01:03:27,309 --> 01:03:29,269

Well, she's alive, sir.

939

01:03:35,234 --> 01:03:37,778

Put the cab
through that guardrail up there.

940

01:03:39,154 --> 01:03:41,573

Your story is she lost control.

941

01:03:42,324 --> 01:03:45,452

You dove for safety before it went over.

You clear?

942

01:03:46,411 --> 01:03:47,329

Clear, sir.

943

01:03:47,872 --> 01:03:50,665

The miners' oxygen window
closes in three hours,

944

01:03:50,749 --> 01:03:52,835

so the press is gonna be all over us.

945

01:03:53,794 --> 01:03:56,463

They need to be told our valiant rescue

946

01:03:56,546 --> 01:03:57,714

had a tragic end.

947

01:03:58,298 --> 01:03:59,884

I'll make it happen, sir.

948

01:03:59,967 --> 01:04:01,218

Good. Good.

949

01:04:02,594 --> 01:04:03,971

You call me when it's done.

950

01:04:21,864 --> 01:04:24,408

[men coughing]

951

01:04:27,577 --> 01:04:30,330

If you do this, it's on your head.

952

01:04:30,414 --> 01:04:32,124

You wanna blame someone? Blame management.

953

01:04:32,207 --> 01:04:33,834

What does management got to do with it?

954

01:04:35,252 --> 01:04:37,296

- All those in favor, raise your...

- [Lampard] Mankins!

955

01:04:38,672 --> 01:04:39,757

I asked you a question.

956

01:04:39,840 --> 01:04:41,967

Because they made us cut
the damn sensors, René.

957

01:04:43,552 --> 01:04:44,594

They what?

958

01:04:45,512 --> 01:04:49,809

Claimed the new quotas were killing them,
so they... couldn't afford a shutdown.

959

01:04:50,684 --> 01:04:54,604

They said there was no chance
of gas pockets this far north.

960

01:04:55,272 --> 01:04:56,982

And they sweetened the deal.

961

01:04:57,066 --> 01:04:58,192

[Lampard] How much?

962

01:05:04,156 --> 01:05:06,283

Hundred dollars per man per month.

963

01:05:08,660 --> 01:05:11,914

You turned off the gas sensors
for \$100 a month?

964

01:05:11,997 --> 01:05:14,291

And anyone who blew the whistle
gets shitcanned.

965

01:05:14,374 --> 01:05:15,960

None of that matters now, René.

966

01:05:16,043 --> 01:05:17,920

Our oxygen is falling fast.

967

01:05:18,503 --> 01:05:21,548

There's a vote on the floor.
All those in favor, raise your hands.

968

01:05:22,674 --> 01:05:23,968

- No.

- [grunts]

969

01:05:26,053 --> 01:05:27,096

Hey!

970

01:05:27,637 --> 01:05:30,015

How much methane
do you think is in here now?

971

01:05:30,599 --> 01:05:31,433

Huh?

972

01:05:32,184 --> 01:05:33,894

These men are not the enemy.

973

01:05:34,478 --> 01:05:35,562

The enemy's up there.

974

01:05:35,645 --> 01:05:38,732

Bullshit! The enemy's asphyxiation.

975

01:05:38,816 --> 01:05:42,361

We're getting out of here together,
or not at all.

976

01:05:42,444 --> 01:05:44,905

You're one stupid son of a bitch, René.

977

01:05:47,783 --> 01:05:48,951

You too, Cody.

978

01:05:50,035 --> 01:05:50,911

Maybe so,

979

01:05:52,121 --> 01:05:53,663

but this is how it's gonna be.

980

01:06:21,942 --> 01:06:22,860

Right here.

981

01:06:25,237 --> 01:06:26,238

Let's clear the road.

982

01:06:58,728 --> 01:06:59,980

- Ow!

- [lighter snaps shut]

983

01:07:00,064 --> 01:07:01,606

Yeah, that's what I thought.

984

01:07:02,107 --> 01:07:04,985

You're never gonna get away with this.

There's gonna be an investigation.

985

01:07:05,569 --> 01:07:06,904

That's the plan.

986

01:07:08,613 --> 01:07:10,157

[squeaking]

987

01:07:15,871 --> 01:07:16,789

What is that?

988

01:07:31,804 --> 01:07:33,180

- [rat squealing]

- Ah!

989

01:07:33,263 --> 01:07:34,098

[Varnay grunts]

990

01:07:37,852 --> 01:07:39,353

[grunting]

991

01:07:46,235 --> 01:07:48,237

[engine starts, revs]

992

01:08:01,416 --> 01:08:02,667

[fuel line hisses]

993

01:08:08,298 --> 01:08:09,591

- Thanks.

- [squeaks]

994

01:08:39,121 --> 01:08:40,247

Mayday! Mayday!

995

01:08:40,330 --> 01:08:42,582

<i>Mayday! Come in! Anybody, come in!</i>

996

01:08:42,666 --> 01:08:43,751

<i>Mayday! Mayday!</i>

997

01:08:44,334 --> 01:08:45,878

Mayday! Is anybody out there?

998

01:08:46,378 --> 01:08:47,712

[McCann] <i>Tantoo, it's Mike.</i>

999

01:08:48,463 --> 01:08:50,800

We're coming up the pass. Where are you?

1000

01:08:50,883 --> 01:08:52,301

Approaching the upper traverse.

1001

01:08:52,384 --> 01:08:54,804

I got Varnay behind me with others.

They're all armed.

1002

01:08:54,887 --> 01:08:57,681

<i>We've got two hours to get to Katka,
and I'm still pulling weight.</i>

1003

01:08:57,765 --> 01:08:59,266

<i>They're gonna stop us.</i>

1004

01:08:59,349 --> 01:09:00,684

Yeah, we figured.

1005

01:09:00,768 --> 01:09:03,437

Cody always said they cut corners
with the methane regs.

1006

01:09:03,520 --> 01:09:06,440

Those bastards, they caused the cave-in.
Now they're trying to cover it up.

1007

01:09:07,024 --> 01:09:10,152

Not gonna happen.
Just hang on. We're coming.

1008

01:09:16,784 --> 01:09:18,285

[dramatic music playing]

1009

01:09:23,415 --> 01:09:26,460

[Varnay] Take 'em out

so it will pass forensics.

1010

01:09:26,543 --> 01:09:27,920

No bullet holes.

1011

01:09:28,003 --> 01:09:30,339

Do not discharge your weapons.

1012

01:09:42,017 --> 01:09:43,518

[action music playing]

1013

01:10:29,606 --> 01:10:31,025

[tapping fuel gauge]

1014

01:10:31,108 --> 01:10:31,942

[softly] What?

1015

01:10:38,323 --> 01:10:39,366

Shit.

1016

01:10:39,449 --> 01:10:42,327

Oh, come on. One more mile.

We can do one more mile. Come on.

1017

01:10:43,996 --> 01:10:44,955

[pants]

1018

01:10:45,039 --> 01:10:47,041

Yeah, we can do it. Come on.

1019

01:11:05,100 --> 01:11:06,018

Pull over!

1020

01:11:08,020 --> 01:11:09,814

Pull over now!

1021

01:11:09,897 --> 01:11:11,190

Pull over!

1022

01:11:12,107 --> 01:11:13,818

[men shouting angrily]

1023

01:11:13,901 --> 01:11:16,570

If they were gonna shoot us,

they would've done it by now.

1024

01:11:17,071 --> 01:11:19,406

Yeah. Good. Come on.

1025

01:11:21,283 --> 01:11:22,534

Ready, bro?

1026

01:11:24,703 --> 01:11:26,746

Pull over now!

1027

01:11:28,958 --> 01:11:30,960

[dramatic music intensifies]

1028

01:11:45,015 --> 01:11:45,850

[Gurty grunts]

1029

01:11:58,612 --> 01:11:59,613

[Gurty grunts]

1030

01:12:38,235 --> 01:12:39,736

[man grunting]

1031

01:13:04,719 --> 01:13:06,721

[panting]

1032

01:13:13,062 --> 01:13:15,064

[both grunting]

1033

01:13:31,038 --> 01:13:33,290

[grunting]

1034

01:13:58,273 --> 01:14:00,275

[gasping, wheezing]

1035

01:14:22,923 --> 01:14:24,174

[Gurty panting]

1036

01:14:28,428 --> 01:14:30,139

[tense music playing]

1037

01:14:34,643 --> 01:14:37,146

[sighs, breathing heavily]

1038

01:14:38,147 --> 01:14:40,690

Well, don't just stand there. Let's go.

1039

01:14:49,909 --> 01:14:51,911

[action music playing]

1040

01:14:58,918 --> 01:15:00,585

Come on, come on. Don't stop. Don't stop.

1041

01:15:00,669 --> 01:15:01,837

Don't you dare stop. Come on.

1042

01:15:08,010 --> 01:15:09,303

Don't do this to me. Don't...

1043

01:15:09,386 --> 01:15:11,013

[whispers] Don't. Don't do this.

1044

01:15:12,014 --> 01:15:13,348

Come on, don't stop. Come on.

1045

01:15:13,432 --> 01:15:15,100

Come on, you piece of shit, let's go.

1046

01:15:15,851 --> 01:15:17,686

I didn't mean it! I didn't mean it!

1047

01:15:18,562 --> 01:15:19,729

[engine stops]

1048

01:15:27,362 --> 01:15:28,197

[magazine clicks]

1049

01:15:42,711 --> 01:15:45,047

Don't think that I'm not gonna
use this on you!

1050

01:15:50,552 --> 01:15:51,846

What's your game?

1051

01:15:53,722 --> 01:15:56,016

Oh, what? Are you just gonna stand there?

1052

01:15:57,768 --> 01:15:58,602

Yeah.

1053

01:15:59,103 --> 01:16:00,938

This is the last wellhead.

1054

01:16:01,021 --> 01:16:04,649

What are you gonna do?

You gonna push it the rest of the way?

1055

01:16:05,150 --> 01:16:09,321

If you're gonna make it to Katka
before your brother stops breathing,

1056

01:16:10,364 --> 01:16:12,199

that's what you're gonna have to do.

1057

01:16:17,537 --> 01:16:19,289

The other drivers are gonna come.

1058

01:16:20,207 --> 01:16:21,917

The other drivers are dead.

1059

01:16:23,418 --> 01:16:25,420

[breathing heavily]

1060

01:16:26,213 --> 01:16:27,965

[gasping softly]

1061

01:16:32,136 --> 01:16:33,804

[sobbing]

1062

01:16:34,972 --> 01:16:36,640

[truck approaching, horn blaring]

1063

01:17:05,085 --> 01:17:07,212

[Tantoo] He ripped out my fuel equalizer.

1064

01:17:07,296 --> 01:17:08,713

Gurty can fix that.

1065

01:17:10,632 --> 01:17:12,217

We'll change out your fuel line

1066

01:17:12,301 --> 01:17:14,845

and siphon enough juice
to get you down to Katka.

1067

01:17:17,139 --> 01:17:18,057

Listen.

1068

01:17:19,099 --> 01:17:19,975

We...

1069

01:17:20,976 --> 01:17:22,727

we seriously misjudged you.

1070

01:17:23,813 --> 01:17:24,646

Friends?

1071

01:17:28,067 --> 01:17:28,901

Yeah.

1072

01:17:34,949 --> 01:17:36,951

[tense music playing]

1073

01:18:28,168 --> 01:18:29,503

[motor starting]

1074

01:18:40,014 --> 01:18:41,681

Hey, how long

you think this is gonna take?

1075

01:18:41,766 --> 01:18:42,850

A couple of minutes.

1076

01:18:42,933 --> 01:18:45,602

- I know you're anxious about your brother.

- Yeah.

1077

01:18:45,685 --> 01:18:48,647

Cody's all I got, you know?

It's kinda like you and yours.

1078

01:18:49,148 --> 01:18:49,982

Yeah.

1079

01:18:50,816 --> 01:18:51,776

[grunts]

1080

01:18:52,860 --> 01:18:54,319

Gurty's like that commercial.

1081

01:18:55,279 --> 01:18:57,364

Takes a lickin' but keeps on tickin'.

1082

01:19:51,877 --> 01:19:53,253

That last can should do it.

1083

01:19:54,713 --> 01:19:56,841

He saved my life. Give him a treat.

1084

01:19:57,424 --> 01:19:58,425

[Skeeter squeaks]

1085

01:20:00,635 --> 01:20:02,012

[distant explosion]

1086

01:20:03,638 --> 01:20:05,640

[snow and ice sifting]

1087

01:20:09,394 --> 01:20:12,022

We can't stay here, and we can't back up.

1088

01:20:12,522 --> 01:20:13,941

We'll have to outrun it.

1089

01:20:14,024 --> 01:20:16,401

- You're dreaming.

- You got a better idea?

1090

01:20:21,240 --> 01:20:22,867

[action music playing]

1091

01:20:39,884 --> 01:20:41,010

[avalanche rumbling]

1092

01:21:04,366 --> 01:21:05,409

[brakes hiss]

1093

01:21:07,536 --> 01:21:08,495

[exhales sharply]

1094

01:21:34,229 --> 01:21:35,105

[Gurty] Oh. Oh.

1095

01:21:36,774 --> 01:21:38,275

- Oh...

- [McCann] Uncouple the trailer.

1096

01:21:38,358 --> 01:21:39,734

We got a wellhead to deliver.

1097

01:21:47,952 --> 01:21:49,244

[Tantoo gasps softly]

1098

01:21:50,162 --> 01:21:51,163

Oh jeez.

1099

01:21:52,456 --> 01:21:54,333

[Tantoo] It's not as bad as it looks.

1100

01:21:57,169 --> 01:21:59,171

- It's, uh...

- [Tantoo gasping]

1101

01:21:59,254 --> 01:22:01,715

It looks pretty bad, kid.

1102

01:22:02,591 --> 01:22:03,675

Just be fast about it.

1103

01:22:04,718 --> 01:22:06,386

Like pulling out a wisdom tooth.

1104

01:22:06,470 --> 01:22:09,473

A wisdom tooth?

Do I... do I look like a dentist?

1105

01:22:09,556 --> 01:22:10,724

- [branch snaps]

- Aah!

1106

01:22:12,184 --> 01:22:13,727

Good girl. Good girl.

1107

01:22:13,811 --> 01:22:16,105

- Breathe. Breathe.

- [breathing heavily]

1108

01:22:16,188 --> 01:22:18,774

That's it. Good girl. Good girl.

1109

01:22:18,858 --> 01:22:20,860

Gurty, come and help me!

1110

01:22:21,861 --> 01:22:22,694

[whimpering]

1111

01:22:22,778 --> 01:22:24,446

- Good girl. Good girl.

- [cries in pain]

1112

01:22:25,948 --> 01:22:26,782

Come on.

1113

01:22:28,658 --> 01:22:29,576

[gasps]

1114

01:22:31,871 --> 01:22:32,913

[gasps]

1115

01:22:34,623 --> 01:22:35,624

[McCann] Hang tight.

1116

01:22:36,208 --> 01:22:40,295

Gurty and I are gonna haul
your trailer off the cliff, hook up,

1117

01:22:40,379 --> 01:22:41,713

and head to that mine.

1118

01:22:42,923 --> 01:22:44,549

We still got 45 minutes.

1119

01:22:45,467 --> 01:22:46,301

[Tantoo] Yeah.

1120

01:22:48,470 --> 01:22:50,055

[dramatic music playing]

1121

01:23:16,373 --> 01:23:20,002

Sir? Mine Safety down in Winnipeg
wants René's laptops.

1122

01:23:20,085 --> 01:23:22,254

Fred, Mine Safety gets the laptops

1123

01:23:22,337 --> 01:23:24,464

when I say
they get the laptops, all right?

1124

01:23:24,548 --> 01:23:26,383

We got a goddamn CEO to worry about.

1125

01:23:26,466 --> 01:23:29,261

Yeah, well, you can tell him yourself.
He'll be here in an hour.

1126

01:23:31,513 --> 01:23:32,431

[scoffs]

1127

01:23:32,932 --> 01:23:36,310

There is nothing in those e-mails

that implicates us.

1128

01:23:37,477 --> 01:23:39,814

Everything was cash,
so there's no paper trail.

1129

01:23:40,522 --> 01:23:44,819

To the authorities, this just looks
like another tragic mining accident.

1130

01:23:49,073 --> 01:23:51,826

Right in the morning, we open Tunnel 6.

1131

01:23:52,534 --> 01:23:53,786

We remove the bodies.

1132

01:23:54,536 --> 01:23:57,331

We let the public hold
their ritual funerals.

1133

01:23:57,414 --> 01:24:00,625

We weather the obligatory
"occupational hazard" debate.

1134

01:24:02,169 --> 01:24:03,378

And we open back up.

1135

01:24:04,880 --> 01:24:06,006

Business as usual.

1136

01:24:06,757 --> 01:24:08,050

[dialing]

1137

01:24:08,550 --> 01:24:09,844

[phone line ringing]

1138

01:24:12,054 --> 01:24:14,556

Come on, Varnay, answer the goddamn phone.

1139

01:24:35,828 --> 01:24:38,580

[miners coughing, wheezing]

1140

01:24:43,919 --> 01:24:46,881

[loud coughing, heavy wheezing]

1141

01:25:04,982 --> 01:25:06,358

Look, Gurty, we did it.

1142

01:25:06,441 --> 01:25:07,567

We did it!

1143

01:25:12,239 --> 01:25:13,740

[truck approaching]

1144

01:25:25,585 --> 01:25:27,254

Mike. Mike.

1145

01:25:28,756 --> 01:25:30,340

[tense music playing]

1146

01:26:06,251 --> 01:26:07,252

[tires squeal]

1147

01:26:31,193 --> 01:26:32,111

[grunts]

1148

01:27:16,530 --> 01:27:17,739

Give me that pistol!

1149

01:27:19,825 --> 01:27:22,036

Gurty, you gotta take the wheel.

1150

01:27:22,828 --> 01:27:24,204

Come on. You can do it.

1151

01:27:34,131 --> 01:27:36,967

Do not stop

until you reach the mine, got it?

1152

01:27:37,051 --> 01:27:37,927

Do not stop.

1153

01:27:40,846 --> 01:27:42,681

Hey. Kill him.

1154

01:27:43,265 --> 01:27:44,892

Not for me, for my brother.

1155

01:28:47,872 --> 01:28:48,873

[McCann grunts]

1156

01:29:39,006 --> 01:29:41,675

[breathing heavily]

1157

01:29:45,012 --> 01:29:46,305

[grunts]

1158

01:29:51,310 --> 01:29:52,937

I've done this a thousand times.

1159

01:29:54,021 --> 01:29:56,065

Move. I can do it.

1160

01:29:56,648 --> 01:29:58,358

[both panting]

1161

01:29:59,985 --> 01:30:00,986

[Varnay grunts]

1162

01:30:05,157 --> 01:30:07,159

[tense music playing]

1163

01:30:08,368 --> 01:30:10,370

[bridge creaking]

1164

01:30:20,005 --> 01:30:21,006

[grunts]

1165

01:30:32,559 --> 01:30:34,854

[bridge creaking]

1166

01:30:40,943 --> 01:30:42,152

Shit.

1167

01:30:44,989 --> 01:30:45,990

Traction pads.

1168

01:30:46,490 --> 01:30:47,491

Yes, go.

1169

01:30:48,658 --> 01:30:49,534

[grunts]

1170

01:31:05,425 --> 01:31:07,052

[bridge creaking]

1171

01:31:07,636 --> 01:31:08,846

Come on, come on, come on.

1172

01:31:11,807 --> 01:31:13,600

Shit. Shit.

1173

01:31:15,519 --> 01:31:16,854

[bridge cables snap]

1174

01:31:19,940 --> 01:31:22,609

Gurty, the cables are snapping.

Let's go! Come on!

1175

01:31:25,905 --> 01:31:27,406

[panting]

1176

01:31:31,201 --> 01:31:32,327

[both grunt]

1177

01:32:08,864 --> 01:32:10,699

[bridge creaking]

1178

01:32:16,246 --> 01:32:17,289

[door opens]

1179

01:32:46,986 --> 01:32:48,487

[engine revving]

1180

01:32:49,154 --> 01:32:51,156

[ice rumbling, creaking]

1181

01:32:56,787 --> 01:32:58,163

[rumbling]

1182

01:33:08,758 --> 01:33:10,300

[panting]

1183

01:33:15,639 --> 01:33:17,516

[bridge creaking loudly]

1184

01:33:21,353 --> 01:33:22,354

[loud rumbling]

1185

01:33:33,615 --> 01:33:34,992

Oh shit. Oh shit.

1186

01:33:36,911 --> 01:33:38,913

[loud rumbling]

1187

01:33:44,459 --> 01:33:46,003

[grunting]

1188

01:33:49,214 --> 01:33:51,050

[Tantoo] Gurty, shut the gate!

1189

01:33:54,553 --> 01:33:55,387

[grunts]

1190

01:34:07,316 --> 01:34:09,401

[Gurty grunting]

1191

01:34:15,365 --> 01:34:17,034

[engine revving]

1192

01:34:18,618 --> 01:34:19,787

Gurty!

1193

01:34:19,870 --> 01:34:20,913

[grunting]

1194

01:34:29,379 --> 01:34:31,006

[crunching]

1195

01:34:33,843 --> 01:34:34,718

Gurty?

1196

01:34:34,802 --> 01:34:35,635

[gasps]

1197

01:34:51,151 --> 01:34:52,652

[panting]

1198

01:34:55,865 --> 01:34:56,991

[McCann] Gurty.

1199

01:34:57,074 --> 01:34:57,992

Gurty!

1200

01:34:59,451 --> 01:35:01,578

[Gurty wheezing]

1201

01:35:01,661 --> 01:35:02,955

He saved the rig.

1202

01:35:03,038 --> 01:35:04,206

[McCann] Oh Jesus.

1203

01:35:05,040 --> 01:35:08,919

Mike... you... brother mine.

1204

01:35:09,879 --> 01:35:11,881

My brother.

1205

01:35:17,970 --> 01:35:19,513

Brother. Mine.

1206

01:35:19,596 --> 01:35:21,098

[sobs]

1207

01:35:32,734 --> 01:35:36,864

[sniffles] No, no, no, no.

1208

01:35:36,947 --> 01:35:38,240

[McCann crying]

1209

01:35:38,323 --> 01:35:39,283

No.

1210

01:35:41,869 --> 01:35:42,912

I'm sorry.

1211

01:35:43,620 --> 01:35:46,581

I'm sorry. I'm sorry.

I'm sorry. I'm sorry.

1212

01:35:47,332 --> 01:35:48,625

I'm so sorry.

1213

01:35:56,842 --> 01:35:59,678

[man] Deputy Minister, Jack Tager,
Vice President of Operations.

1214

01:35:59,762 --> 01:36:01,180

George Sickle, General Manager.

1215

01:36:01,263 --> 01:36:02,222

- Tager.

- Sir.

1216

01:36:02,306 --> 01:36:03,682

- Sickle.

- How are you, sir?

1217

01:36:03,766 --> 01:36:06,476

- It's cold up here.

- We have hot drink and food inside, sir.

1218

01:36:06,560 --> 01:36:09,271

How was that drive down
from Gillam Airfield?

1219

01:36:09,354 --> 01:36:12,316

Cut the formalities, Sickle.

Tell me the situation.

1220

01:36:13,984 --> 01:36:17,905

Our last contact

with the rescue team was 0300.

1221

01:36:18,655 --> 01:36:20,115

Uh, Deputy Minister, how about you?

1222

01:36:20,199 --> 01:36:22,742

Your, uh, your man in Winnipeg.

Heard anything?

1223

01:36:23,243 --> 01:36:24,161

Negative.

1224

01:36:24,244 --> 01:36:27,581

It's been 30 hours,

and the wellheads haven't arrived.

1225

01:36:27,664 --> 01:36:30,542

I don't believe the men
are gonna get out of Tunnel 6 alive.

1226

01:36:44,348 --> 01:36:46,308

[action music playing]

1227

01:36:47,351 --> 01:36:48,643

[siren wails]

1228

01:36:48,727 --> 01:36:49,686

What's that?

1229

01:36:49,770 --> 01:36:51,772

That's our emergency Klaxon.

1230

01:37:02,241 --> 01:37:03,242

Oh my God.

1231

01:37:07,621 --> 01:37:09,623

Hey, welcome to Katka.

1232

01:37:10,332 --> 01:37:11,166

You McCann?

1233

01:37:11,834 --> 01:37:12,877

Yeah.

1234

01:37:12,960 --> 01:37:14,003

You need medical?

1235

01:37:21,260 --> 01:37:23,763

Everyone, on the double.

We still have a chance.

1236

01:37:25,389 --> 01:37:27,724

We got another one.

We need a gurney, ASAP.

1237

01:37:28,976 --> 01:37:29,977

There's no hurry.

1238

01:37:31,020 --> 01:37:33,856

[Fred] Get that wellhead unloaded

and bolted down. Let's go.

1239

01:37:33,939 --> 01:37:36,358

Straight to the drill site.

Go, go, go, go!

1240

01:37:49,704 --> 01:37:51,040

Wellhead team! You're up!

1241

01:38:12,436 --> 01:38:14,438

[miners weakly wheezing]
