

Dialogues from The Menu to improve the vocabulary in English

1

00:00:59,810 --> 00:01:00,811

Babe.

2

00:01:00,978 --> 00:01:02,980

Please don't smoke.

It'll kill your palate.

3

00:01:03,355 --> 00:01:05,148

Then my palate will die happy.

4

00:01:05,857 --> 00:01:06,858

Hey.

5

00:01:07,526 --> 00:01:10,320

Margot, tonight is huge, okay?

6

00:01:10,404 --> 00:01:12,823

The flavor profiles,

it's all super delicate.

7

00:01:12,906 --> 00:01:15,551

When you smoke, you ruin your ability
to be able to appreciate them.

8

00:01:15,575 --> 00:01:16,576

Oh, come on!

9

00:01:17,035 --> 00:01:18,704

Please. Please.

10

00:01:22,999 --> 00:01:25,085

Fine. Jesus.

11

00:01:25,419 --> 00:01:27,796

Thank you.

12

00:01:27,879 --> 00:01:29,798

Oh! Thank god.

13

00:01:31,008 --> 00:01:32,134

Is that gonna fit everyone?

14

00:01:32,426 --> 00:01:34,469

Yeah, easily.

Twelve customers total.

15

00:01:34,761 --> 00:01:35,762

A night?

16

00:01:36,013 --> 00:01:37,264

How do they turn a profit?

17

00:01:37,347 --> 00:01:39,224

\$1,250 a head. That's how.

18

00:01:39,766 --> 00:01:41,226

You're fucking kidding, right?

19

00:01:41,310 --> 00:01:42,686

What, are we eating a rolex?

20

00:01:42,978 --> 00:01:44,956

Come on, let's not ruin this
by talking price, yeah?

21

00:01:44,980 --> 00:01:46,440

Just go with the flow.

22

00:01:46,690 --> 00:01:47,691

Let it be magical.

23

00:01:47,774 --> 00:01:50,360

- Hey, it's your dime.

- Mmm.

24

00:01:50,444 --> 00:01:52,029

- Not bad!

- Oh, thanks, man.

25

00:01:52,112 --> 00:01:53,196

You deserve this, baby.

26

00:01:53,280 --> 00:01:54,800

You know who's gonna love this? Betty!

27

00:01:55,032 --> 00:01:57,617

It's just a "fuck you" to accounts.

28

00:01:57,701 --> 00:01:58,952

It's not even a client dinner.

29

00:01:59,036 --> 00:02:00,704

Fuck. We're dicks, huh?

30

00:02:00,787 --> 00:02:04,249

Great. A power tasting.

31

00:02:04,333 --> 00:02:06,043

They'll be wasted by the amuse.

32

00:02:06,126 --> 00:02:07,169

- Hi, guys.

- By boat.

33

00:02:07,252 --> 00:02:09,012

How did you think we were

gonna get on the...

34

00:02:10,505 --> 00:02:13,133

Look at you on a gangplank in heels.

35

00:02:13,592 --> 00:02:14,593

Fuck.

36

00:02:20,223 --> 00:02:21,767

Holy fucking shit.

37

00:02:22,517 --> 00:02:24,686

Lillian bloom. Oh, my god.

38

00:02:24,770 --> 00:02:26,480

Who's Lillian bloom?

39

00:02:26,563 --> 00:02:27,981

Food critic for <i>saveur.</i>

40

00:02:28,648 --> 00:02:30,359

She basically discovered slowik.

41

00:02:31,318 --> 00:02:32,569

Okay, well, it's official.

42

00:02:32,652 --> 00:02:34,279

Tonight will be madness.

43

00:02:37,199 --> 00:02:39,534

All aboard for hawthorn!

44

00:02:39,951 --> 00:02:42,746

Hawthorn! All aboard!

45

00:02:42,829 --> 00:02:43,830

Wow.

46

00:02:43,914 --> 00:02:45,040

<i>Ladies and gentlemen,</i>

47

00:02:45,123 --> 00:02:48,710

<i>please make yourselves comfortable
for our short journey to hawthorn island.</i>

48

00:02:48,794 --> 00:02:50,128

<i>- Thank you.

</i>- George: Ahoy!

49

00:02:50,504 --> 00:02:51,838

And avast, me hearties!

50

00:02:51,922 --> 00:02:53,548

Let's hope she's seaworthy, eh?

51

00:02:53,632 --> 00:02:54,925

Yes, sir. Yeah.

52

00:02:56,134 --> 00:02:57,386

Boat... boat jokes.

53

00:02:57,469 --> 00:02:58,678

- Yeah, yeah.

- Boat, yeah.

54

00:02:58,762 --> 00:03:00,442

- We're on a boat.

- Yeah. We're on a boat.

55

00:03:01,807 --> 00:03:03,517

Hey, we got

a famous person on board, huh?

56

00:03:03,600 --> 00:03:04,768

Fp in the house.

57

00:03:04,851 --> 00:03:06,937

Barely f anymore,

though. It's not 1998.

58

00:03:07,020 --> 00:03:08,146

He's a p, and he's f.

59

00:03:08,230 --> 00:03:09,564

Oh, my god. Check it out.

60

00:03:09,648 --> 00:03:11,876

Hey, aren't you supposed

to be running interference for me?

61

00:03:11,900 --> 00:03:13,336

Make sure people don't bother me, then?

62

00:03:13,360 --> 00:03:14,960

God, we both know you were not bothered.

63

00:03:15,028 --> 00:03:16,655

I saw all his movies

when I was a kid.

64

00:03:16,738 --> 00:03:17,739

Hey, listen.

65

00:03:17,823 --> 00:03:20,492

Apparently, he's a big foodie.

You know, thinks he is.

66

00:03:20,575 --> 00:03:21,928

Chef slowik

would like to welcome you

67

00:03:21,952 --> 00:03:24,413

with a raw local oyster
in a mignonette emulsion,

68

00:03:24,496 --> 00:03:27,040

with lemon caviar
and an oyster leaf. Enjoy.

69

00:03:27,124 --> 00:03:28,524

- Beautiful. Thank you.
- Thank you.

70

00:03:28,583 --> 00:03:29,960

It's one of his classics. Mmm-mmm.

71

00:03:30,419 --> 00:03:33,088

The lemon pearls are made with alginate.

72

00:03:34,172 --> 00:03:36,216

Alginate, as in, um...

73

00:03:36,299 --> 00:03:37,467

As in algae. Come on.

74

00:03:38,176 --> 00:03:39,261

Right, yeah.

75

00:03:39,344 --> 00:03:40,762

- Pond scum.

- It's not...

76

00:03:40,846 --> 00:03:41,888

Delicious.

77

00:03:53,233 --> 00:03:54,443

Oh, my god.

78

00:03:55,026 --> 00:03:56,153

It's laughable.

79

00:03:56,236 --> 00:03:58,613

It's actually fucking laughably good.

80

00:03:59,698 --> 00:04:01,074

- It's good.

- Mmm.

81

00:04:01,158 --> 00:04:03,952

Think I prefer just the oyster, though.

Love oysters.

82

00:04:04,035 --> 00:04:06,163

No. No. It's the balance of the products.

83

00:04:06,246 --> 00:04:07,956

You need the mouthfeel of the mignonette.

84

00:04:08,748 --> 00:04:09,851

Please don't say "mouthfeel."

85

00:04:09,875 --> 00:04:11,626

Too late. Mouthfeel.

86

00:04:30,061 --> 00:04:31,605

Hi.

87

00:04:32,147 --> 00:04:33,273

Thank you.

88

00:04:33,356 --> 00:04:35,066

Jesus, this is like prom.

89

00:04:35,150 --> 00:04:37,319

Yeah? I never went to prom.

90

00:04:37,402 --> 00:04:39,112

Really? Why not?

91

00:04:39,196 --> 00:04:41,615

'Cause none of the cool girls
like you said, "yes."

92

00:04:41,948 --> 00:04:43,700

Aw, poor baby.

93

00:04:44,242 --> 00:04:46,703

Well, fuck those bitches.

94

00:04:46,786 --> 00:04:48,038

- Bryce.

- Welcome.

95

00:04:48,121 --> 00:04:49,498

Welcome, Mr. Lorimer.

96

00:04:50,749 --> 00:04:53,543

- Hello. Felicity Lynn.

- Hello. Good evening.

97

00:04:53,627 --> 00:04:55,504

- And Damien Garcia.

- And Mr. George Diaz.

98

00:04:55,587 --> 00:04:57,347

- Mr. Diaz. Welcome.

- You gave my real name?

99

00:04:57,380 --> 00:04:58,441

Of course I gave them your real name.

100

00:04:58,465 --> 00:04:59,650

- What about the paparazzi?

- It's a pleasure to have you.

101

00:04:59,674 --> 00:05:00,735

Paparazzi? We're on an island.

102

00:05:00,759 --> 00:05:01,861

Of course I gave them your real name.

103

00:05:01,885 --> 00:05:02,969

Welcome to hawthorn.

104

00:05:03,053 --> 00:05:06,097

Mr. Ledford and miss westervelt?

105

00:05:07,349 --> 00:05:08,517

Oh, no. Um...

106

00:05:09,059 --> 00:05:10,339

Sorry, yeah, no. That was, uh...

107

00:05:10,977 --> 00:05:12,737

That's not miss...

She had a change of plans,

108

00:05:12,771 --> 00:05:14,856

so miss westervelt couldn't...

This is miss...

109

00:05:15,941 --> 00:05:16,942

I'm Margot.

110

00:05:17,025 --> 00:05:18,860

Hi. Nice to meet you.

111

00:05:23,198 --> 00:05:25,492

Margot. Welcome.

112

00:05:26,076 --> 00:05:29,454

We'll endeavor to make your evening
as pleasant as possible.

113

00:05:30,038 --> 00:05:31,248

- Thanks.

- Right this way.

114

00:05:31,331 --> 00:05:32,332

Thanks.

115

00:05:33,375 --> 00:05:34,918

Oh, my god. I'm so sorry.

116

00:05:35,001 --> 00:05:36,771

That was really awkward.

I'm sorry. That was not...

117

00:05:36,795 --> 00:05:38,588

No, no. Fine.

118

00:05:38,672 --> 00:05:39,673

Don't worry about it.

119

00:05:40,131 --> 00:05:41,841

Sorry.

120

00:05:45,095 --> 00:05:47,681

Mr. Leibrandt.

Mrs. Leibrandt. Welcome.

121

00:05:47,764 --> 00:05:49,951

We'll just go straight
to the restaurant, if you don't mind.

122

00:05:49,975 --> 00:05:52,561

We've seen the tour
many, many times.

123

00:05:52,644 --> 00:05:53,895

Yes, yes, you have.

124

00:05:54,688 --> 00:05:58,149

My esteemed guests
can continue their conversation this way.

125

00:05:58,233 --> 00:06:00,360

Thank you. Please follow me.

126

00:06:01,152 --> 00:06:03,613

So, like, what are you working on now?

127

00:06:03,697 --> 00:06:06,032

Oh, hey, thanks for asking.

See, people still know me.

128

00:06:06,491 --> 00:06:08,868

I'm moving into

the presenter phase of my career.

129

00:06:08,952 --> 00:06:10,412

You know? Do me.

130

00:06:12,539 --> 00:06:19,337

Hawthorn island

comprises 12 acres of forest and pasture.

131

00:06:19,421 --> 00:06:21,965

We have the bounty

of the sea surrounding us.

132

00:06:22,048 --> 00:06:23,049

Oh, yeah, right.

133

00:06:23,133 --> 00:06:26,344

Out there, right now,

we are harvesting scallops.

134

00:06:26,428 --> 00:06:27,470

You'll eat them tonight.

135

00:06:27,554 --> 00:06:29,514

- No, get out. Oh, shoot!

- Yes.

136

00:06:29,598 --> 00:06:31,433

Hey!

137

00:06:31,516 --> 00:06:33,852

Hey, harvest harder, me dude!

138

00:06:33,935 --> 00:06:35,270

We're starving!

139

00:06:36,563 --> 00:06:37,814

Oh, my goodness.

140

00:06:37,897 --> 00:06:41,818

I do like the sense of it
being a sort of biome of culinary ideas.

141

00:06:41,901 --> 00:06:44,362

Right. Like, it functions like
an epicurean salon.

142

00:06:44,904 --> 00:06:46,781

No, I like biome better I think.

143

00:06:46,865 --> 00:06:48,384

Biome's better. Yeah, yeah.
I mean, that's... yeah.

144

00:06:48,408 --> 00:06:51,703

We have reached
the base camp of mount bullshit.

145

00:06:51,786 --> 00:06:53,038

This is insane.

146

00:07:00,920 --> 00:07:01,921

Smell that.

147

00:07:02,589 --> 00:07:03,590

Mmm.

148

00:07:06,635 --> 00:07:07,802

We're gonna be hungry.

149

00:07:07,886 --> 00:07:09,429

Yeah, I'm a huge
embarrassing foodie.

150

00:07:09,512 --> 00:07:10,597

I love this stuff.

151

00:07:10,680 --> 00:07:12,724

And I'm close, personal
friends with the chef.

152

00:07:12,807 --> 00:07:13,933

Okay, player.

153

00:07:14,017 --> 00:07:16,645

Our smokehouse
is in the nordic tradition.

154

00:07:17,062 --> 00:07:19,773

We use the meat of dairy cows only,

155

00:07:20,982 --> 00:07:26,738

which we age for an astonishing 152 days
to relax the protein strands.

156

00:07:26,821 --> 00:07:29,074

- Ah, yes. Yes.

- Can we pop in here?

157

00:07:29,491 --> 00:07:31,761

- Dude, I read about one of these online.

- Oh, yeah? Can I check it out?

158

00:07:31,785 --> 00:07:32,827

- Korean barbeque.

- Yes.

159

00:07:32,911 --> 00:07:35,246

But please, do not touch our proteins.

They're immature.

160

00:07:35,330 --> 00:07:38,166

So, what happens if
you serve it on the 153rd day?

161

00:07:38,249 --> 00:07:40,335

Does all hell break loose, or...

162

00:07:40,418 --> 00:07:43,004

Well, I suppose the bacteria
would introduce itself

163

00:07:43,088 --> 00:07:46,591

to the consumer's bloodstream
and spread into their spinal membranes,

164

00:07:46,675 --> 00:07:49,177

after which point, he or she
would become incapacitated

165

00:07:49,260 --> 00:07:50,970

and shortly thereafter expire.

166

00:07:51,471 --> 00:07:53,264

So, yes, all hell would break loose.

167

00:07:56,142 --> 00:07:57,477

Good thing we're pros, yes?

168

00:07:59,646 --> 00:08:00,647

I'd like to work for her.

169

00:08:00,730 --> 00:08:01,731

- Yeah.

- Cool.

170

00:08:01,815 --> 00:08:03,108

This is where we live.

171

00:08:04,442 --> 00:08:08,071

Yeah? What, you actually live here?

All of you?

172

00:08:08,613 --> 00:08:09,698

All of us.

173

00:08:09,781 --> 00:08:10,949

Except chef.

174

00:08:11,032 --> 00:08:12,701

- Yeah, well...

- Oof.

175

00:08:13,535 --> 00:08:14,953

<i>Esprit de corps.</i> No?

176

00:08:15,036 --> 00:08:17,956

No, Mr. Feldman.

It's very much more than that.

177

00:08:18,873 --> 00:08:20,125

Here we are family.

178

00:08:20,458 --> 00:08:23,128

Each day starts at 6:00,
with five hours of prep work.

179

00:08:23,211 --> 00:08:25,171

We harvest. We ferment.

180

00:08:25,588 --> 00:08:27,549

We slaughter. We marinate.

181

00:08:28,091 --> 00:08:30,135

We liquify. We spherify.

182

00:08:30,552 --> 00:08:31,761

We gel.

183

00:08:31,845 --> 00:08:33,430

- They, um... they "gel?"

- Yeah.

184

00:08:33,513 --> 00:08:34,514

We gel.

185

00:08:35,724 --> 00:08:37,934

Dinner is typically

four hours and 25 minutes.

186

00:08:38,017 --> 00:08:39,936

Each day ends at well past

2:00 in the morning.

187

00:08:40,019 --> 00:08:41,580

So yes, it's best that we all live here.

188

00:08:41,604 --> 00:08:43,148

You guys ever get burned out, or...

189

00:08:43,773 --> 00:08:46,651

- "Burned out?"

- Yeah, sorry, sorry.

190

00:08:46,735 --> 00:08:49,446

Like, tired of doing the same thing?

191

00:08:49,529 --> 00:08:52,490

Chef holds himself

to the highest standard, and so do we.

192

00:08:53,742 --> 00:08:57,412

We never burn anything unless by design,
to make delicious.

193

00:08:58,163 --> 00:09:00,331

Now, who's hungry?

194

00:09:01,332 --> 00:09:02,768

There is food
at the end of this, right?

195

00:09:02,792 --> 00:09:04,419

Boat food to dinner table.

196

00:09:04,502 --> 00:09:05,795

Elsa.

197

00:09:05,879 --> 00:09:06,921

Excuse me.

198

00:09:07,338 --> 00:09:08,757

Elsa. Elsa, hi.

199

00:09:08,840 --> 00:09:09,841

Uh, who lives there?

200

00:09:10,425 --> 00:09:11,426

Chef.

201

00:09:11,509 --> 00:09:12,761

Oh, can we see that?

202

00:09:14,804 --> 00:09:18,057

Even we are not allowed
inside chef's cottage, Mr. Ledford.

203

00:09:21,478 --> 00:09:22,937

Come on.

204

00:09:23,021 --> 00:09:26,149

We mustn't disturb
the lord high emperor of sustenance.

205

00:09:26,232 --> 00:09:27,275

Yeah, all right.

206

00:09:28,193 --> 00:09:29,879

Isn't the goat the greatest of
all time, though?

207

00:09:29,903 --> 00:09:31,321

No, no, no. Back in the day...

208

00:09:32,113 --> 00:09:33,490

You think he'd pick that big guy?

209

00:09:38,661 --> 00:09:41,039

So, I think that maybe
we'll just time the post.

210

00:09:41,122 --> 00:09:42,874

Oh, yeah? Bring you to the best spots?

211

00:09:42,957 --> 00:09:44,334

Yes, well,
I book the best spots.

212

00:09:44,417 --> 00:09:45,603

- So you tell me.

- With my name.

213

00:09:45,627 --> 00:09:46,669

Well, I...

214

00:09:48,838 --> 00:09:49,881

Hi, again.

215

00:09:49,964 --> 00:09:51,132

Gentlemen, parfait?

216

00:09:52,133 --> 00:09:53,426

Oh! Look at that view.

217

00:09:54,385 --> 00:09:55,512

Wanna take a picture?

218

00:10:12,946 --> 00:10:14,197

Where we going, chief?

219

00:10:14,280 --> 00:10:16,491

Here. Switch seats with me.

220

00:10:17,158 --> 00:10:19,077

- Miss...

- Mills.

221

00:10:19,160 --> 00:10:22,413

Ms. Mills. You will be sitting

in miss westervelt's seat.

222

00:10:23,039 --> 00:10:24,599

Just...

You should have the better view.

223

00:10:24,624 --> 00:10:26,751

Well, I don't...

224

00:10:26,835 --> 00:10:28,253

I don't need a better view.

225

00:10:28,336 --> 00:10:29,396

No,

I'm gonna look at the kitchen.

226

00:10:29,420 --> 00:10:31,756

- Thank you!

- The rosé, we'll get first.

227

00:10:31,840 --> 00:10:32,841

Enjoy.

228

00:10:41,474 --> 00:10:45,228

Feel free to observe
the cooks as they innovate.

229

00:10:46,938 --> 00:10:51,234

But please, do not photograph our dishes.

230

00:10:51,317 --> 00:10:54,279

Chef strongly feels that
the beauty in his creations

231

00:10:54,362 --> 00:10:56,197

lies in their ephemeral nature.

232

00:10:56,281 --> 00:10:57,699

Here, come on. We can't miss this.

233

00:10:59,200 --> 00:11:00,910

Oh. Um...

234

00:11:03,872 --> 00:11:05,415

Do you make that with a pacojet?

235

00:11:06,416 --> 00:11:08,084

- Exactly right, sir.

- Mmm.

236

00:11:08,668 --> 00:11:12,797

You know, a pacojet can produce
a powderized, uh, snow-like texture.

237

00:11:12,881 --> 00:11:15,174

- Cool.

- Yeah. I have one.

238

00:11:15,258 --> 00:11:17,176

You really know your stuff, Mr. Ledford.

239

00:11:18,511 --> 00:11:19,679

You know my name?

240

00:11:19,762 --> 00:11:21,723

Oh, we like to know
everyone who dines with us.

241

00:11:23,266 --> 00:11:25,327

And chef, is he around here somewhere?
I'd love to talk with him.

242

00:11:25,351 --> 00:11:26,853

Why don't you take your seat?

243

00:11:28,521 --> 00:11:29,522

We're about to serve.

244

00:11:30,440 --> 00:11:32,150

Oh, right. Yeah, okay. Thank you.

245

00:11:33,359 --> 00:11:34,545

- Wow.

- More lambrusco, madam?

246

00:11:34,569 --> 00:11:36,905

Well, the attention

to detail, it's like, fuck!

247

00:11:36,988 --> 00:11:38,072

And he knew my name, babe!

248

00:11:38,156 --> 00:11:39,675

Yeah. I noticed you didn't ask his name.

249

00:11:39,699 --> 00:11:40,700

Yeah, well, you know.

250

00:11:44,495 --> 00:11:45,496

There he is.

251

00:11:57,592 --> 00:11:59,761

Fuck me. Is he looking at me?

252

00:12:22,283 --> 00:12:25,036

- Bland? You call that bland?

- Well, it is bland.

253

00:12:25,119 --> 00:12:26,359

You like the winter, don't you?

254

00:12:26,412 --> 00:12:27,681

- I don't actually...

- Fucking freak.

255

00:12:27,705 --> 00:12:29,999

Here we have a compressed
and pickled cucumber melon,

256

00:12:30,083 --> 00:12:31,918

milk snow, and charred lace.

257

00:12:32,001 --> 00:12:33,044

- Thanks.

- Enjoy.

258

00:12:34,796 --> 00:12:38,049

Oh! This ongoing obsession with snow.

259

00:12:38,132 --> 00:12:40,718

It's officially a plague,
and no one is immune.

260

00:12:45,556 --> 00:12:47,350

Can you taste a little goat?

261

00:12:47,850 --> 00:12:49,435

Right at the end. A little kid.

262

00:12:49,519 --> 00:12:50,561

She said milk.

263

00:12:51,187 --> 00:12:52,230

I wonder.

264

00:12:52,313 --> 00:12:54,273

- She did not say of what species.

- She did not.

265

00:12:54,357 --> 00:12:55,668

I want to hear
your pitch for the show,

266

00:12:55,692 --> 00:12:58,069

but first I would like to say "thank you"

267

00:12:58,152 --> 00:13:00,071

for the last two years.

268

00:13:00,154 --> 00:13:02,073

This opportunity has been, uh...

269

00:13:02,156 --> 00:13:03,324

The best of your life?

270

00:13:03,408 --> 00:13:04,909

Let's have to many, many, many more.

271

00:13:04,993 --> 00:13:07,388

Come on. I'm trying to do a goodbye toast.

Can you please just let me do that?

272

00:13:07,412 --> 00:13:09,014

- No, it ain't. No, it ain't.

- Yes, it is.

273

00:13:09,038 --> 00:13:10,873

- I'm starting a new position.

- Oh, my god!

274

00:13:10,957 --> 00:13:12,750

My mom got me a job at Sony.

275

00:13:12,834 --> 00:13:14,127

I told you this two weeks ago.

276

00:13:14,210 --> 00:13:16,045

Here's my, uh, work phone.

277

00:13:17,005 --> 00:13:18,107

Here's the production

company's credit card.

278

00:13:18,131 --> 00:13:19,525

What are you doin'? Non-transferrable.

279

00:13:19,549 --> 00:13:21,801

And here is the key to your house in la...

280

00:13:21,884 --> 00:13:23,946

- I don't have pockets.

- Your apartment in New York

281

00:13:23,970 --> 00:13:26,115

and your other apartment in New York

that your wife doesn't know about.

282

00:13:26,139 --> 00:13:27,223

How's Amanda?

283

00:13:27,306 --> 00:13:28,367

Take it because

I won't be there on Monday.

284

00:13:28,391 --> 00:13:30,143

We're doing this?

285

00:13:30,226 --> 00:13:31,328

The "talking about our lives" thing?

286

00:13:31,352 --> 00:13:33,330

- Is that it? We're close?

- Hey, I don't want to either.

287

00:13:33,354 --> 00:13:35,273

- But shouldn't we?

- Well, do we have to?

288

00:13:35,356 --> 00:13:38,609

Well, not good, Bryce. Okay?

289

00:13:38,693 --> 00:13:40,778

Me and Amanda are not good. It's not good.

290

00:13:40,862 --> 00:13:42,113

Are you at fault?

291

00:13:42,196 --> 00:13:43,966

No, it was her fault.

She made me text her coworker.

292

00:13:43,990 --> 00:13:45,950

Yeah, fucking of course

it's my fault, bro.

293

00:13:46,034 --> 00:13:47,243

I'm an asshole.

294

00:13:47,326 --> 00:13:48,578

Well, at least we have work.

295

00:13:48,661 --> 00:13:50,621

- And money.

- To work and money.

296

00:13:50,705 --> 00:13:52,040

- Yeah, baby.

- Yeah, baby.

297

00:13:52,123 --> 00:13:53,291

We're pathetic, aren't we?

298

00:13:53,374 --> 00:13:54,917

Oh, my god, dude.

Somebody, shoot us.

299

00:13:59,464 --> 00:14:00,840

No, I'm not gonna have...

300

00:14:00,923 --> 00:14:02,484

Jesus Christ. I want to live
inside this thing.

301

00:14:02,508 --> 00:14:06,596

Mmm. So it's okay
that I'm not as into this as you are?

302

00:14:06,679 --> 00:14:07,722

Oh, no, no. It's good.

303

00:14:07,805 --> 00:14:09,390

I'm sitting with the coolest girl here.

304

00:14:09,474 --> 00:14:11,559

Okay, so what is it with this food thing?

305

00:14:12,101 --> 00:14:14,896

I don't know. It's like,
you know how people idolize,

306

00:14:14,979 --> 00:14:16,522

you know, athletes, and musicians,

307

00:14:16,606 --> 00:14:18,399

- and painters, and stuff?

- Mmm-hmm.

308

00:14:18,483 --> 00:14:20,753

Yeah, those people are idiots.
What they do, it doesn't matter.

309

00:14:20,777 --> 00:14:23,362

They play with inflatable balls
and ukuleles and shit.

310

00:14:23,446 --> 00:14:24,655

Chefs,

311

00:14:24,739 --> 00:14:26,991

they play with the raw materials
of life itself.

312

00:14:27,492 --> 00:14:28,743

And death itself. It's...

313

00:14:29,494 --> 00:14:32,955

I mean, I've watched every fucking episode
of *chef's table* two or three times.

314

00:14:33,039 --> 00:14:34,791

I've watched *slowik's* 20 times.

315

00:14:34,874 --> 00:14:38,961

I've watched him explain the exact moment
a green strawberry is perfectly unripe.

316

00:14:39,045 --> 00:14:40,922

I've watched him plate a raw scallop

317

00:14:41,005 --> 00:14:43,424

during its last
dying contraction of muscle.

318

00:14:43,508 --> 00:14:45,343

It's art on the edge of the abyss,

319

00:14:45,426 --> 00:14:47,428

which is where god works, too.
It's the same.

320

00:14:47,512 --> 00:14:49,263

That was beautifully put, Tyler.

321

00:14:49,347 --> 00:14:51,224

- Stop. Don't. No.

- No! I'm being serious.

322

00:14:51,307 --> 00:14:54,644

I think I'm, um, starting to get it.

323

00:14:54,727 --> 00:14:56,437

- Really?

- Yeah. A little.

324

00:15:16,791 --> 00:15:18,126

Okay.

325

00:15:18,209 --> 00:15:19,252

Yes, chef.

326

00:15:44,944 --> 00:15:45,945

Good evening.

327

00:15:46,404 --> 00:15:47,488

Good evening.

328

00:15:47,572 --> 00:15:49,073

- Good evening. Hello.

- Hello.

329

00:15:50,199 --> 00:15:51,492

Welcome to hawthorn.

330

00:15:52,201 --> 00:15:53,536

I am Julian slowik,

331

00:15:53,619 --> 00:15:56,080

and tonight it'll be

our pleasure to feed you.

332

00:15:56,164 --> 00:15:57,415

The curtain rises.

333

00:15:57,874 --> 00:16:01,836

Over the next few hours

you will ingest fat,

334

00:16:02,336 --> 00:16:05,882

salt, sugar, protein,

335

00:16:06,382 --> 00:16:08,885

bacteria, fungi,

336

00:16:09,635 --> 00:16:11,512

various plants and animals,

337

00:16:11,596 --> 00:16:14,724

and, at times, entire ecosystems.

338

00:16:15,641 --> 00:16:18,644

But I have to beg of you one thing.

339

00:16:18,728 --> 00:16:19,729

It's just one.

340

00:16:20,438 --> 00:16:22,481

Do not eat.

341

00:16:23,524 --> 00:16:24,609

Is he serious?

342

00:16:25,234 --> 00:16:26,235

Taste.

343

00:16:28,070 --> 00:16:29,238

Savor.

344

00:16:29,322 --> 00:16:30,323

Relish.

345

00:16:31,199 --> 00:16:34,076

Consider every morsel
that you place inside your mouth.

346

00:16:36,204 --> 00:16:37,246

Be mindful.

347

00:16:38,206 --> 00:16:39,624

But do not eat.

348

00:16:40,958 --> 00:16:44,128

Our menu is too precious
for that.

349

00:16:44,212 --> 00:16:45,338

And look around you.

350

00:16:45,630 --> 00:16:48,216

Here we are on this island.

351

00:16:49,383 --> 00:16:50,384

Accept.

352

00:16:51,844 --> 00:16:53,137

Accept all of it.

353

00:16:54,055 --> 00:16:56,265

And forgive.

354

00:16:58,142 --> 00:16:59,518

And on that note,

355

00:17:00,394 --> 00:17:01,395

food!

356

00:17:01,979 --> 00:17:03,940

Yeah, yeah. Bring it, bring it.

357

00:17:05,274 --> 00:17:06,525

Here they come.

358

00:17:07,777 --> 00:17:10,321

Oh, wow.

It's like a marching band.

359

00:17:13,783 --> 00:17:16,953

Our first course

is called "the island."

360

00:17:17,036 --> 00:17:19,372

On your plate are plants

from around the island,

361

00:17:19,455 --> 00:17:21,540

placed on rocks from the shore,

362

00:17:21,624 --> 00:17:24,252

covered in barely frozen,

filtered seawater

363

00:17:24,335 --> 00:17:26,796

which will flavor the dish as it melts.

364

00:17:27,296 --> 00:17:29,024

You know, this is what the guy
was fishing for earlier...

365

00:17:29,048 --> 00:17:30,049

Sorry?

366

00:17:31,384 --> 00:17:32,468

Um...

367

00:17:33,261 --> 00:17:34,262

Sorry, chef.

368

00:17:35,888 --> 00:17:38,724

It's perfectly all right.

Yes, they are those very same scallops.

369

00:17:39,558 --> 00:17:42,186

Now, here is what you must
remember about this dish.

370

00:17:42,853 --> 00:17:46,190

We, the people on this island,

are not important.

371

00:17:47,275 --> 00:17:51,821

The island and the nutrients it provides
exist in their most perfect state

372

00:17:52,321 --> 00:17:56,909

without us gathering them
or manipulating them, or digesting them.

373

00:17:57,368 --> 00:18:00,871

What happens inside this room
is meaningless

374

00:18:00,955 --> 00:18:03,999

compared to what happens
outside in nature,

375

00:18:04,625 --> 00:18:06,585

in the soil, in the water,

376

00:18:07,211 --> 00:18:08,254

in the air.

377

00:18:09,880 --> 00:18:12,967

We are but a frightened nanosecond.

378

00:18:15,052 --> 00:18:16,971

Nature is timeless.

379

00:18:19,390 --> 00:18:20,391

Enjoy.

380

00:18:22,768 --> 00:18:23,894

That's a cheery thought.

381

00:18:27,440 --> 00:18:28,649

Are you crying?

382

00:18:29,608 --> 00:18:32,737

It's just that I find it all very moving.

383

00:18:32,820 --> 00:18:34,238

It's all so beautiful. I just...

384

00:18:34,780 --> 00:18:36,240

It's almost too beautiful to eat.

385

00:18:37,408 --> 00:18:39,160

You know,

386

00:18:39,243 --> 00:18:41,203

the nicest restaurant

in my hometown was...

387

00:18:41,287 --> 00:18:42,887

You don't think chef's mad at me, right?

388

00:18:43,873 --> 00:18:44,915

For the scallop thing?

389

00:18:44,999 --> 00:18:47,001

You don't have to call him "chef," Tyler.

390

00:18:47,084 --> 00:18:49,420

I'm pretty sure he doesn't even know

about your existence.

391

00:18:49,503 --> 00:18:50,880

I kind of want him to...

392

00:18:51,297 --> 00:18:53,966

- Like you?

- Yeah. Kinda.

393

00:18:54,050 --> 00:18:55,343

Tyler, you're the customer.

394

00:18:55,426 --> 00:18:57,303

You're paying him to serve you.

395

00:18:57,928 --> 00:19:00,306

It doesn't really matter

whether he likes you or not.

396

00:19:00,389 --> 00:19:01,724

Right. Wait. What does that mean?

397

00:19:01,807 --> 00:19:02,933

Mmm. Nothing.

398

00:19:03,476 --> 00:19:05,853

Relax. Just eat your rock.

399

00:19:05,936 --> 00:19:08,564

And to pair, from our friends
at Caroline morey,

400

00:19:08,647 --> 00:19:10,232

a chassagne-montrachet

401

00:19:10,858 --> 00:19:12,902

premier cru from 2014.

402

00:19:13,361 --> 00:19:15,154

Not just a single vineyard.

403

00:19:15,237 --> 00:19:17,198

A single row of vines.

404

00:19:17,281 --> 00:19:18,949

- Wow. Perfect.

- It's magical.

405

00:19:19,617 --> 00:19:21,994

Thoughts?

I'm really feeling this is quite...

406

00:19:22,078 --> 00:19:24,246

It's half-great. It's there in moments.

407

00:19:24,330 --> 00:19:25,331

There in moments.

408

00:19:25,414 --> 00:19:27,249

There's a neediness

to the plating, you know.

409

00:19:27,333 --> 00:19:28,773

I mean, it's been tweezered to fuck.

410

00:19:28,834 --> 00:19:31,128

But the flavors are there.

It's very clean.

411

00:19:31,212 --> 00:19:33,339

It's very, um, thalassic.

412

00:19:34,548 --> 00:19:36,258

- "Thalassic?"

- oceanic.

413

00:19:36,342 --> 00:19:38,177

Thalassa was the primeval
spirit of the sea.

414

00:19:38,260 --> 00:19:39,387

Oh, thalassa and pontus.

415

00:19:39,470 --> 00:19:41,263

- Yes, yes, yes.

- Correct. So, we are...

416

00:19:43,057 --> 00:19:44,558

We're eating the ocean.

417

00:19:45,476 --> 00:19:46,852

We're eating the ocean.

418

00:19:46,936 --> 00:19:48,312

- Yeah.

- Yes.

419

00:19:51,690 --> 00:19:53,192

- How is it?

- Mmm.

420

00:19:54,193 --> 00:19:55,194

It's good.

421

00:19:55,277 --> 00:19:57,381

You can't just say "good"
for the show. You have to...

422

00:19:57,405 --> 00:19:58,614

You have to embellish.

423

00:19:59,573 --> 00:20:01,593

Oh, my god. For crying out loud.

It's not brain surgery, okay?

424

00:20:01,617 --> 00:20:03,887

- It's a goddamn travel-food show.

- I know. Okay, so then, do it.

425

00:20:03,911 --> 00:20:06,414

Yeah, yeah. So pitch it to me.

426

00:20:06,497 --> 00:20:08,416

- Okay, so we go to Italy, right?

- Mmm-hmm.

427

00:20:08,916 --> 00:20:13,212

We shoot me in Capri pants

on a pastel green Vespa,

428

00:20:13,295 --> 00:20:16,590

driving around to get

to some giuseppe's farm with cheese.

429

00:20:16,674 --> 00:20:19,051

I eat the cheese, and then...

430

00:20:19,135 --> 00:20:20,344

There's a close-up of me.

431

00:20:20,428 --> 00:20:24,223

And I close my eyes, and I fake an orgasm,
and then off to South Africa,

432

00:20:24,306 --> 00:20:28,018

and then, I maybe...

I talk about how racism is not so cool,

433

00:20:28,102 --> 00:20:29,979

and bingo bongo, Emmy time.

434

00:20:30,062 --> 00:20:31,289

- That's it?

- Okay? Can I eat now?

435

00:20:31,313 --> 00:20:33,583

That's what you're gonna pitch
to three streaming services on Monday?

436

00:20:33,607 --> 00:20:34,668

Yeah. Pretty much. That's that.

437

00:20:34,692 --> 00:20:36,652

Yeah. Jesus fucking Christ.

That's a disaster.

438

00:20:36,735 --> 00:20:38,946

I don't think you can go
to South Africa with a dui.

439

00:20:39,572 --> 00:20:41,740

- You like this?

- The otter food?

440

00:20:41,824 --> 00:20:42,992

Yeah. It's solid.

441

00:20:43,075 --> 00:20:44,511

I mean,
I've had shellfish just as good

442

00:20:44,535 --> 00:20:47,121

with my chef at home, Ricardo.

You know Ricardo. He's amazing.

443

00:20:47,204 --> 00:20:48,581

- Incredible.

- Whatever.

444

00:20:48,664 --> 00:20:50,344

At least we can say

we've been here, right?

445

00:20:50,749 --> 00:20:52,710

My dad used to say

that you buy the experience.

446

00:20:53,836 --> 00:20:57,173

I mean, this looks like

a suburban landscaping.

447

00:20:57,631 --> 00:20:58,632

What the fuck?

448

00:21:01,844 --> 00:21:04,221

I saw Perry at delaurenti's the other day.

449

00:21:09,643 --> 00:21:10,644

Oh?

450

00:21:12,855 --> 00:21:13,856

How is he?

451

00:21:15,941 --> 00:21:16,942

You know...

452

00:21:17,443 --> 00:21:18,486

Perry.

453

00:21:22,531 --> 00:21:23,574

Thank you.

454

00:21:26,869 --> 00:21:28,496

I want plating in five!

455

00:21:28,579 --> 00:21:29,788

Yes, chef!

456

00:21:43,886 --> 00:21:45,012

Is he gonna keep doing that?

457

00:21:45,846 --> 00:21:50,684

Bread has existed in some form
for over 12,000 years,

458

00:21:51,477 --> 00:21:53,020

especially amongst the poor.

459

00:21:54,230 --> 00:21:55,272

Flour and water.

460

00:21:55,898 --> 00:21:56,982

What could be simpler?

461

00:21:57,316 --> 00:22:02,571

Even today, grain represents
65% of all agriculture.

462

00:22:03,489 --> 00:22:05,824

Fruits and vegetables only 6%.

463

00:22:06,784 --> 00:22:12,373

Ancient Greek peasants dipped their stale,
measly bread in wine for breakfast.

464

00:22:13,332 --> 00:22:15,709

And how did Jesus teach us to pray

465

00:22:15,793 --> 00:22:18,420

- if not to beg for our daily bread?

- Beg for our daily bread.

466

00:22:19,088 --> 00:22:22,967

It is, and has always been,
the food of the common man.

467

00:22:23,509 --> 00:22:27,137

But you, my dear guests,
are not the common man.

468

00:22:27,221 --> 00:22:28,222

And so tonight...

469

00:22:29,515 --> 00:22:30,766

you get no bread.

470

00:22:39,608 --> 00:22:41,694

- He must be joking.

- He's joking.

471

00:22:43,946 --> 00:22:46,073

- This is next-level.

- How are you not gonna...

472

00:22:46,156 --> 00:22:47,157

Wow, he's not kidding.

473

00:22:47,241 --> 00:22:49,886

Not gonna serve bread at a restaurant
known for their bread. That's sweet.

474

00:22:49,910 --> 00:22:50,953

- What?

- Thank you.

475

00:22:51,829 --> 00:22:53,747

It's not a fake-out, is it?

476

00:22:53,831 --> 00:22:55,583

- What?

- No.

477

00:22:56,292 --> 00:22:57,710

It's gotta be a bit.

478

00:23:00,004 --> 00:23:01,046

Are you fuckin' serious?

479

00:23:01,505 --> 00:23:02,631

In this spirit,

480

00:23:02,715 --> 00:23:06,552

please enjoy

the unaccompanied accompaniments.

481

00:23:07,094 --> 00:23:09,013

"The bread
you will not be eating tonight

482

00:23:09,096 --> 00:23:11,807

"was made from a heritage wheat
called red fife,

483

00:23:11,890 --> 00:23:15,686

"crafted with our partners
at the tehachapi grain project

484

00:23:15,769 --> 00:23:17,521

"devoted to preserving heirloom grains."

485

00:23:17,605 --> 00:23:19,481

- This is insane.

- Mmm!

486

00:23:20,524 --> 00:23:23,402

I gotta say that the shit around
the total absence of the bread

487

00:23:23,485 --> 00:23:25,446

is, like, really good.

488

00:23:25,821 --> 00:23:28,073

I mean, it's a little outrageous,
isn't it?

489

00:23:28,157 --> 00:23:30,951

It's fiendish, really.

490

00:23:31,452 --> 00:23:35,122

I mean, he's always been keenly aware
of food as a history of class...

491

00:23:35,205 --> 00:23:36,707

I mean, as have I.

492

00:23:36,790 --> 00:23:37,791

Sure.

493

00:23:38,459 --> 00:23:44,423

Though I will say that this emulsion
does look slightly split.

494

00:23:45,007 --> 00:23:46,008

Yeah.

495

00:23:46,508 --> 00:23:49,470

I mean, I wasn't gonna say anything.

I noticed as soon as it came down.

496

00:23:49,553 --> 00:23:51,430

It's broken. It's broken.

497

00:23:51,764 --> 00:23:54,391

Yeah, which is really...

I mean, you really...

498

00:23:56,477 --> 00:24:00,064

You really shouldn't see that in
a restaurant of this quality. There it is.

499

00:24:00,147 --> 00:24:01,482

- Well, there it is.

- Yeah.

500

00:24:01,565 --> 00:24:04,860

Oh, my god. I mean,
it's next-level badassery.

501

00:24:04,943 --> 00:24:07,154

The way he weaves in
historical allegories.

502

00:24:07,571 --> 00:24:10,240

I mean, the game is trying to guess
what the overarching theme

503

00:24:10,324 --> 00:24:11,575

of the entire meal is gonna be.

504

00:24:11,659 --> 00:24:12,910

You won't know until the end.

505

00:24:13,369 --> 00:24:15,204

Wait. You... you like this?

506

00:24:15,287 --> 00:24:16,413

Mmm-hmm. Oh, yeah.

507

00:24:16,497 --> 00:24:18,082

He's basically insulting you.

508

00:24:18,666 --> 00:24:20,501

No, no, no. You don't get it.

509

00:24:20,584 --> 00:24:21,627

It's a concept.

510

00:24:21,710 --> 00:24:23,504

I know what a concept is, Tyler.

511

00:24:23,587 --> 00:24:24,963

Trust me. He's telling a story.

512

00:24:25,047 --> 00:24:26,566

That's what makes his food so exciting.

513

00:24:26,590 --> 00:24:29,134

He's not just a chef. He's a storyteller.

514

00:24:29,218 --> 00:24:30,695

And he doesn't give a fuck
about the rules.

515

00:24:30,719 --> 00:24:32,864

Call me the girl next door,
but maybe there are some rules

516

00:24:32,888 --> 00:24:35,307

that you should give a fuck about,
like, I don't know,

517

00:24:35,391 --> 00:24:37,142

giving food to people at a restaurant.

518

00:24:38,811 --> 00:24:42,064

Dearest, no one would ever
call you the girl next door.

519

00:24:42,147 --> 00:24:43,524

I make my own bread.

520

00:24:43,607 --> 00:24:45,192

- You do? I didn't know that.

- Yeah.

521

00:24:45,275 --> 00:24:47,194

Oh, yeah. I mean, it's very rustic.

522

00:24:47,277 --> 00:24:49,405

It's peasant style. Yeasty.

523

00:24:49,905 --> 00:24:51,240

What kind of yeast are you using?

524

00:24:52,282 --> 00:24:53,909

Oh, I make my own from apples.

525

00:24:53,992 --> 00:24:56,370

Well, of course you make
your own yeast from apples.

526

00:24:57,204 --> 00:24:59,081

You wicked thing.

527

00:24:59,581 --> 00:25:01,125

- Ms. Bloom?

- Mmm?

528

00:25:01,208 --> 00:25:03,293

Here is another broken emulsion.

529

00:25:04,169 --> 00:25:06,088

Courtesy of chef slowik.

530

00:25:11,802 --> 00:25:12,803

- Hello.

- Excuse me.

531

00:25:12,886 --> 00:25:14,471

Is everything to your liking, sir?

532

00:25:14,555 --> 00:25:17,433

Well, actually, no. Thanks for asking.

533

00:25:18,016 --> 00:25:19,518

Uh, I mean, look, the food's great

534

00:25:19,601 --> 00:25:21,478

and we totally

get all the conceptual stuff.

535

00:25:21,562 --> 00:25:23,397

But could we please get a little bread?

536

00:25:23,480 --> 00:25:25,542

You know, and some gluten-free

for my friend as well?

537

00:25:25,566 --> 00:25:26,650

No.

538

00:25:27,484 --> 00:25:28,485

"No?"

539

00:25:29,111 --> 00:25:30,195

No.

540

00:25:30,279 --> 00:25:31,947

Okay.

541

00:25:32,030 --> 00:25:35,033

This is all very clever,
and I didn't want to pull this card,

542

00:25:35,117 --> 00:25:38,036

but you know who we are, right?

543

00:25:38,871 --> 00:25:39,872

Yes.

544

00:25:40,080 --> 00:25:42,124

You do? You know who we are?

545

00:25:42,458 --> 00:25:43,459

I know who you are.

546

00:25:43,542 --> 00:25:46,587

Mmm-hmm. Then you know
we work with Doug verrick, right?

547

00:25:47,004 --> 00:25:48,672

No, you work for Mr. Verrick.

548

00:25:49,173 --> 00:25:50,424

- Exactly.

- Oh, fuck it.

549

00:25:50,507 --> 00:25:53,260

And so you know,

we all play on the same team.

550

00:25:53,343 --> 00:25:56,054

So, just slip us a little bread.

551

00:25:56,138 --> 00:25:58,265

- Please.

- We won't tell a soul, lady.

552

00:25:58,348 --> 00:26:00,267

- I promise, okay?

- No.

553

00:26:01,435 --> 00:26:03,228

Did you say, "no?"

554

00:26:03,687 --> 00:26:05,189

I said, "no." Yes.

555

00:26:05,272 --> 00:26:06,356

- Okay.

- Okay.

556

00:26:06,440 --> 00:26:07,691

- Wow.

- Okay.

557

00:26:08,192 --> 00:26:09,777

That will be all, though. Thanks.

558

00:26:11,195 --> 00:26:12,196

May I?

559

00:26:12,613 --> 00:26:14,364

You don't have to do... okay.

560

00:26:17,493 --> 00:26:20,078

You will eat
less than you desire

561

00:26:20,162 --> 00:26:21,747

and more than you deserve.

562

00:26:24,291 --> 00:26:25,834

It's a pleasure to serve you.

563

00:26:26,794 --> 00:26:29,338

Well, I remain in ketosis,
so that's good news.

564

00:26:29,797 --> 00:26:32,549

Without the bread,
it really focuses you.

565

00:26:32,966 --> 00:26:35,093

It's so fucking good. Embalm me in this.

566

00:26:37,179 --> 00:26:39,014

- Are you not gonna try it?

- No.

567

00:26:39,097 --> 00:26:40,349

- No?

- No.

568

00:26:40,432 --> 00:26:41,433

This is great stuff.

569

00:26:41,517 --> 00:26:43,602

- I'll take it and eat it.

- Yeah, go for it.

570

00:26:45,938 --> 00:26:47,231

That was a total accident.

571

00:26:47,564 --> 00:26:48,941

It happens to the best of us.

572

00:26:51,652 --> 00:26:52,736

I'm...

573

00:26:53,278 --> 00:26:54,863

I'm sorry. That was...

574

00:26:54,947 --> 00:26:56,156

No, I'm so sorry.

575

00:26:59,493 --> 00:27:00,911

You haven't touched your food.

576

00:27:02,079 --> 00:27:03,205

There...

577

00:27:03,288 --> 00:27:04,665

There is no food.

578

00:27:05,249 --> 00:27:06,917

Well, no. This is food.

579

00:27:08,043 --> 00:27:11,296

So, um, lots more food to come.

580

00:27:11,380 --> 00:27:13,191

- Don't wanna fill up.
- That would not be possible.

581

00:27:13,215 --> 00:27:15,968

I've precisely designed
the portions to account for that.

582

00:27:16,051 --> 00:27:18,136

So, you won't fill up.

583

00:27:18,679 --> 00:27:19,721

Please eat.

584

00:27:20,389 --> 00:27:22,391

The menu only makes sense if you eat.

585

00:27:22,474 --> 00:27:23,767

But you told us not to eat.

586

00:27:24,476 --> 00:27:26,979

That is not what I meant, madam.

And you know it.

587

00:27:28,689 --> 00:27:31,066

Well, thank you for your concern,

588

00:27:31,149 --> 00:27:34,361

but I am perfectly capable
of deciding when I eat and what.

589

00:27:39,199 --> 00:27:40,200

Thank you.

590

00:27:42,119 --> 00:27:43,328

Christ, that was humiliating.

591

00:27:43,412 --> 00:27:44,788

- "Humiliating?"

- yeah.

592

00:27:44,872 --> 00:27:46,498

Tyler, the guy is a prick.

593

00:27:46,582 --> 00:27:47,624

Please don't.

594

00:27:48,917 --> 00:27:50,377

You shouldn't be so fucking rude.

595

00:27:50,460 --> 00:27:52,921

- What?

- He asked you to eat.

596

00:27:53,005 --> 00:27:54,381

- I don't like it.

- Just try it.

597

00:27:54,464 --> 00:27:55,465

Please.

598

00:28:04,975 --> 00:28:06,685

Plating in three, my friends!

599

00:28:06,768 --> 00:28:07,811

Yes, chef!

600

00:28:27,039 --> 00:28:30,834

That's a 2013

Pinot noir from Ross Cobb.

601

00:28:31,209 --> 00:28:33,295

We hyper-decanted it

with an immersion blender

602

00:28:33,378 --> 00:28:35,172

to awaken it from its slumber.

603

00:28:36,340 --> 00:28:39,426

Slavonian oak, rich cherry

and tobacco notes,

604

00:28:39,509 --> 00:28:43,388

and a faint sense of longing and regret.

605

00:28:44,181 --> 00:28:46,224

- Yes. Enjoy.

- Longing and regret.

606

00:28:46,850 --> 00:28:47,935

My favorite.

607

00:28:52,689 --> 00:28:54,274

She's staring again.

608

00:28:54,358 --> 00:28:55,525

Where do we know her from?

609

00:28:55,609 --> 00:28:56,735

We don't.

610

00:28:56,818 --> 00:29:00,155

Well, she really does look like Claire.

611

00:29:00,238 --> 00:29:02,074

Why do you keep saying that? She doesn't.

612

00:29:02,950 --> 00:29:04,076

You don't think so?

613

00:29:04,159 --> 00:29:05,619

She's nothing like our Claire.

614

00:29:07,412 --> 00:29:09,206

That same faraway face.

615

00:29:09,289 --> 00:29:10,958

Can we not obsess? Please?

616

00:29:12,125 --> 00:29:14,920

I know. Hypothetically,
if you were leaving...

617

00:29:15,003 --> 00:29:16,463

- Right.

- Which you're not...

618

00:29:16,546 --> 00:29:18,757

- Mmm-hmm.

- What would you be leaving for?

619

00:29:18,840 --> 00:29:20,676

Associate development co-exec.

620

00:29:21,134 --> 00:29:22,260

And what the hell is that?

621

00:29:22,344 --> 00:29:27,015

It's in development, so I'd be developing
or helping to develop things...

622

00:29:27,099 --> 00:29:28,701

Why would that be better
than working for me?

623

00:29:28,725 --> 00:29:30,161

Well, because there's a future there.

624

00:29:30,185 --> 00:29:31,645

- It's a corporate...

- Right. Right.

625

00:29:31,728 --> 00:29:33,981

A different kind of future.

Does that make sense?

626

00:29:34,064 --> 00:29:35,065

At the corporate...

627

00:29:35,148 --> 00:29:36,868

Thank god it's all
just hypothetical anyway.

628

00:29:38,026 --> 00:29:40,070

The next course is called "memory."

629

00:29:40,529 --> 00:29:42,239

And that is what it's meant to evoke.

630

00:29:42,739 --> 00:29:43,740

A memory.

631

00:29:44,157 --> 00:29:45,951

So, let me tell you a memory of mine.

632

00:29:46,034 --> 00:29:49,246

When I was growing up,
a child in Waterloo, Iowa,

633

00:29:49,329 --> 00:29:52,040

Tuesday was taco night.

634

00:29:52,124 --> 00:29:53,417

Oh, yeah!

635

00:29:53,500 --> 00:29:54,543

Taco Tuesday!

636

00:29:54,626 --> 00:29:56,294

Yeah!

637

00:29:56,378 --> 00:29:58,714

And this, here, this lady here.

638

00:29:58,797 --> 00:29:59,923

This is my mother.

639

00:30:01,633 --> 00:30:03,051

As you can see, she's rather drunk.

640

00:30:03,635 --> 00:30:05,846

This is not unusual.

641

00:30:06,304 --> 00:30:07,973

When I was seven years old,

642

00:30:08,056 --> 00:30:11,476

one Tuesday, my father

came home quite drunk.

643

00:30:13,061 --> 00:30:14,062

Really drunk.

644

00:30:14,563 --> 00:30:15,939

Also, not unusual.

645

00:30:17,566 --> 00:30:19,609

My mother grew angry and screamed at him,

646

00:30:19,693 --> 00:30:22,779

at which point,

he proceeded to wrap a telephone cord

647

00:30:22,863 --> 00:30:24,531

around her neck and pull it tight.

648

00:30:25,699 --> 00:30:26,742

I wept.

649

00:30:27,325 --> 00:30:29,369

I screamed, I begged him to stop.

650

00:30:29,911 --> 00:30:30,954

To make him stop,

651

00:30:31,788 --> 00:30:35,459

I finally had to stab him in the thigh
with kitchen scissors.

652

00:30:40,005 --> 00:30:41,506

You remember that, mother, don't you?

653

00:30:42,382 --> 00:30:45,469

Now, I suppose I should've
stabbed him in the throat that evening.

654

00:30:45,927 --> 00:30:48,680

But we're not so smart when we're young.

655

00:30:49,598 --> 00:30:51,183

It was, as you can imagine,

656

00:30:52,017 --> 00:30:54,186

as a very memorable taco night.

657

00:30:56,063 --> 00:30:58,124

- Oh, thank god he didn't.

- I mean, what the fuck was that?

658

00:30:58,148 --> 00:30:59,983

- Theatrical.

- You liked that?

659

00:31:00,067 --> 00:31:03,320

Yeah, it's a backstory to what
makes him a chef artist.

660

00:31:03,945 --> 00:31:06,406

Dude, that guy's got some

really dark sense of humor, bro.

661

00:31:06,490 --> 00:31:07,657

He's such an intense dude.

662

00:31:10,202 --> 00:31:12,412

So, here you have

663

00:31:13,330 --> 00:31:16,208

house-smoked bresse

chicken thigh al pastor

664

00:31:16,291 --> 00:31:19,002

and our own tortillas

made with heirloom masa,

665

00:31:19,086 --> 00:31:21,922

- one of hawthorn's signature dishes.

- Thank you.

666

00:31:22,005 --> 00:31:25,175

We change our menu constantly,

but, as Ms. Bloom knows,

667

00:31:25,258 --> 00:31:27,677

this has been a staple since day one.

668

00:31:28,428 --> 00:31:30,055

It's what you once said...

669

00:31:30,597 --> 00:31:31,723

Put you on the map.

670

00:31:31,807 --> 00:31:33,100

Put me on the map.

671

00:31:33,183 --> 00:31:35,560

Precisely what map would that be...

672

00:31:36,103 --> 00:31:37,145

I wonder.

673

00:31:37,229 --> 00:31:41,274

Anyways, because we're always innovating,
and we fear irrelevance,

674

00:31:42,651 --> 00:31:44,319

an update to a classic.

675

00:31:44,402 --> 00:31:48,824

The images on the tortillas have been made
using a laser-engraving machine.

676

00:31:48,907 --> 00:31:50,267

It's the first time we've used it.

677

00:31:51,493 --> 00:31:55,163

We hope this taco night evokes
strong memories for us all.

678

00:31:55,247 --> 00:31:56,248

Enjoy.

679

00:31:59,835 --> 00:32:01,920

Well, of course he had to do a taco.

680

00:32:02,754 --> 00:32:03,755

Here you are.

681

00:32:06,049 --> 00:32:07,050

What are they, lil'?

682

00:32:07,425 --> 00:32:08,510

They're restaurants.

683

00:32:09,886 --> 00:32:10,887

Um...

684

00:32:13,932 --> 00:32:16,685

That I reviewed that all closed.

685

00:32:16,768 --> 00:32:17,769

Oh!

686

00:32:17,853 --> 00:32:19,104

Like a gag, then?

687

00:32:19,187 --> 00:32:20,939

Um, I think so.

688

00:32:21,690 --> 00:32:22,858

Richard, what are these?

689

00:32:23,942 --> 00:32:25,819

Taco things. For the tacos.

690

00:32:25,902 --> 00:32:28,822

No, the pictures. They're all of us.

691

00:32:32,826 --> 00:32:36,788

This one is after you had the melanoma
removed from your forehead.

692

00:32:36,872 --> 00:32:37,998

There's the bandage.

693

00:32:38,081 --> 00:32:39,521

Isn't that nice? They remembered us.

694

00:32:40,500 --> 00:32:41,877

Tyler, is that you?

695

00:32:42,711 --> 00:32:45,046

Yeah. They're all me from tonight
taking fucking photos.

696

00:32:45,130 --> 00:32:47,966

Jesus Christ, what's with this guy?

697

00:32:48,049 --> 00:32:50,093

I knew it. He hates me.

698

00:32:50,177 --> 00:32:52,012

God damn it.

I didn't think he'd really mind.

699

00:32:52,095 --> 00:32:54,598

- Should I apologize?

- Apologize for what?

700

00:32:54,681 --> 00:32:56,641

- Oh...

- What?

701

00:32:57,976 --> 00:32:59,227

<i>Calling doctor sunshine.</i>

702

00:32:59,728 --> 00:33:01,897

Oh, my god. I forgot
about that one.

703

00:33:01,980 --> 00:33:03,732

Dumb part. Bad script.

704

00:33:03,815 --> 00:33:04,816

Fun shoot, though.

705

00:33:04,900 --> 00:33:07,777

Hmm. Maybe it's a joke
'cause you're friends, right?

706

00:33:08,904 --> 00:33:10,655

Yeah, yeah, you know, friends.

707

00:33:11,364 --> 00:33:13,450

I mean, you know, do I have any friends?

708

00:33:15,243 --> 00:33:16,661

Wait. Um...

709

00:33:17,204 --> 00:33:18,622

Hey, guys, what the fuck?

710

00:33:20,123 --> 00:33:21,124

Are these...

711

00:33:22,834 --> 00:33:23,960

How did they get these?

712

00:33:27,339 --> 00:33:28,381

It's not good.

713

00:33:30,217 --> 00:33:31,676

Uh, excuse me.

714

00:33:35,931 --> 00:33:37,224

Can I help you, sir?

715

00:33:37,307 --> 00:33:38,558

Yeah. What...

716

00:33:39,267 --> 00:33:40,644

What the hell are these?

717

00:33:40,727 --> 00:33:42,187

These are tortillas.

718

00:33:44,356 --> 00:33:46,274

Yes, and what are these?

719

00:33:46,983 --> 00:33:48,902

These are tortillas

720

00:33:48,985 --> 00:33:51,780

which contain echobrite's tax records
and other documents,

721

00:33:51,863 --> 00:33:54,908

showing how your company
has created invoices with fake charges.

722

00:33:56,117 --> 00:33:57,244

How did you get these?

723

00:33:57,327 --> 00:34:00,121

I'm sorry, but chef
never reveals his recipes.

724

00:34:00,205 --> 00:34:02,290

Do you know how fucked you are?

725

00:34:02,999 --> 00:34:05,479

We'll have this place closed
by the morning. Do you understand?

726

00:34:05,627 --> 00:34:08,088

Oh, no, that won't be necessary.

727

00:34:09,297 --> 00:34:10,298

Enjoy.

728

00:34:10,590 --> 00:34:13,093

And this is you and...

729

00:34:15,762 --> 00:34:16,846

Who is that woman?

730

00:34:20,141 --> 00:34:21,142

Uh...

731

00:34:26,398 --> 00:34:28,400

Well, how the hell

should I know? It's faked.

732

00:34:28,483 --> 00:34:31,861

It's some sort of stupid joke.

733

00:34:31,945 --> 00:34:34,281

It's a fucking taco, okay?

It can't hurt you.

734

00:34:34,364 --> 00:34:36,284

Yeah, a fucking taco

that might hold up in court.

735

00:34:36,324 --> 00:34:40,245

We have plausible deniability,
and if they try to turn us in...

736

00:34:40,328 --> 00:34:41,329

Right!

737

00:34:41,413 --> 00:34:43,581

If they turn us in,
they'd be turning verrick in.

738

00:34:43,665 --> 00:34:45,309

And then they'd be
just as fucked as we are.

739

00:34:45,333 --> 00:34:46,459

Right? So, we're fine.

740

00:34:47,460 --> 00:34:48,461

Right?

741

00:34:50,171 --> 00:34:51,607

- Yeah, we're good.

- We're fine. Yeah, fuck it.

742

00:34:51,631 --> 00:34:53,526

They can't take your photograph
without your consent. This is insane.

743

00:34:53,550 --> 00:34:55,010

Stop talking and let me think, okay?

744

00:34:55,093 --> 00:34:57,178

I have to make this right somehow.
I have to.

745

00:34:57,262 --> 00:34:58,781

Well, I'll tell you how you make it right.

746

00:34:58,805 --> 00:35:00,765

You send this shit back. Excuse me.

747

00:35:01,182 --> 00:35:03,226

- Excuse me! Sir, hi.

- Hey. Margot! Margot!

748

00:35:04,436 --> 00:35:06,229

Did you just fucking snap at me?

749

00:35:06,313 --> 00:35:08,249

Do you know how long I've been
trying to get a reservation here?

750

00:35:08,273 --> 00:35:09,566

No, and I don't really care.

751

00:35:09,649 --> 00:35:12,110

You do not send shit back
to this kitchen, you child.

752

00:35:12,652 --> 00:35:14,130

You thank them for
even letting you in the door.

753

00:35:14,154 --> 00:35:16,132

- What did you just call me?

- I called you a child

754

00:35:16,156 --> 00:35:17,258

because you're fucking acting like it.

755

00:35:17,282 --> 00:35:19,492

Tyler, you need to apologize
to me right now.

756

00:35:19,576 --> 00:35:20,636

You cannot speak to me that way.

757

00:35:20,660 --> 00:35:23,060

Actually, I can because,
ding dong, I'm the one who's paying.

758

00:35:23,121 --> 00:35:24,539

So maybe, shut up and eat.

759

00:35:27,375 --> 00:35:29,210

Mmm. Oh, my god.

760

00:35:31,796 --> 00:35:32,839

Oh, my god.

761

00:35:33,590 --> 00:35:35,592

This is incredible. You have to try this.

762

00:35:35,675 --> 00:35:38,178

No, thanks. Don't let me interrupt.

763

00:35:45,060 --> 00:35:46,061

Miss mills?

764

00:35:47,354 --> 00:35:48,521

How can I assist you?

765

00:35:49,647 --> 00:35:51,232

Just looking for the ladies' room.

766

00:35:51,316 --> 00:35:52,317

Right this way.

767

00:35:54,277 --> 00:35:55,278

Thank you.

768

00:35:56,571 --> 00:35:57,989

What's behind that silver door?

769

00:35:59,157 --> 00:36:00,283

Something very special.

770

00:36:35,693 --> 00:36:36,986

No, you can't...

771

00:36:43,618 --> 00:36:44,661

You shouldn't be in here.

772

00:36:44,953 --> 00:36:47,372

I'd like to know specifically what it was

773

00:36:47,455 --> 00:36:50,208

about the last course

that you did not enjoy.

774

00:36:50,291 --> 00:36:52,085

You've barely eaten the food.

775

00:36:52,168 --> 00:36:53,169

Why?

776

00:36:54,087 --> 00:36:56,464

I need to know. Why don't you eat?

777

00:36:56,714 --> 00:36:57,757

Why do you care?

778

00:36:57,841 --> 00:37:01,052

I take my work very seriously,
and you're not eating.

779

00:37:02,345 --> 00:37:03,555

And that wounds me.

780

00:37:18,445 --> 00:37:20,780

I guess I'm just not very hungry.

781

00:37:22,365 --> 00:37:23,533

I've told you who I am.

782

00:37:23,616 --> 00:37:26,202

I'm Julian slowik, and I am the chef here.

783

00:37:26,286 --> 00:37:27,662

Now, who are you?

784

00:37:29,122 --> 00:37:33,418

I'll ask again. Who are you?

785

00:37:33,501 --> 00:37:34,669

I'm Margot mills.

786

00:37:35,587 --> 00:37:37,255

So, where are you from, Margot?

787

00:37:38,131 --> 00:37:40,341

I'm from grand island, Nebraska.

788

00:37:41,050 --> 00:37:42,490

Now, does that make you feel better?

789

00:37:42,552 --> 00:37:44,613

You want the address for mom's
trailer park, you asshole?

790

00:37:44,637 --> 00:37:46,723

No, it's not who you want me
to think you are.

791

00:37:48,057 --> 00:37:49,058

Who are you?

792

00:37:49,142 --> 00:37:51,519

I am Margot.

793

00:37:53,354 --> 00:37:54,814

You shouldn't be here tonight.

794

00:37:55,732 --> 00:37:57,442

Please get the fuck out of my way.

795

00:38:25,929 --> 00:38:27,972

Still very theatrical, but minimalist,

796

00:38:28,056 --> 00:38:29,974

like the Japanese,
the "minimirasuto" style.

797

00:38:31,142 --> 00:38:33,019

But he was being playful, right?

798

00:38:33,102 --> 00:38:34,145

Yes.

799

00:38:34,229 --> 00:38:35,498

I mean,
let's talk about the tacos.

800

00:38:35,522 --> 00:38:37,232

It's a dialogue. It's playful.

801

00:38:47,283 --> 00:38:48,451

I'm excited.

802

00:38:48,535 --> 00:38:50,161

We're ready for our next course,

803

00:38:50,245 --> 00:38:52,247

- which I think you'll find...

- Excuse me.

804

00:38:52,664 --> 00:38:54,082

But what the hell is going on here?

805

00:38:54,165 --> 00:38:56,668

Would you just let me finish, please?

That okay?

806

00:38:58,086 --> 00:38:59,087

Thank you.

807

00:39:00,588 --> 00:39:04,926

Ladies and gentlemen,
please meet sous-chef Jeremy louden.

808

00:39:10,098 --> 00:39:12,475

Jeremy created the next dish.

809

00:39:12,559 --> 00:39:14,936

It's called "the mess."

810

00:39:15,687 --> 00:39:17,855

Originally from sparks, Nevada,

811

00:39:17,939 --> 00:39:21,401

Jeremy studied at the culinary institute
in Hyde park.

812

00:39:22,235 --> 00:39:25,446

Jeremy's goal, as he wrote
in a heartfelt letter,

813

00:39:25,530 --> 00:39:27,907

was to work for me here at hawthorn.

814

00:39:29,200 --> 00:39:30,702

Isn't that right, Jeremy?

815

00:39:30,785 --> 00:39:32,453

Yes, chef.

816

00:39:34,289 --> 00:39:35,832

Jeremy is talented.

817

00:39:37,542 --> 00:39:38,710

He's good.

818

00:39:39,294 --> 00:39:41,462

He's very good.

819

00:39:42,589 --> 00:39:44,257

But he's not great.

820

00:39:45,425 --> 00:39:47,969

He'll never be great.

821

00:39:49,220 --> 00:39:54,058

He desperately wants
my prestige, my job, my talent.

822

00:39:54,976 --> 00:39:58,396

He aspires to greatness,
but he'll never achieve it.

823

00:40:00,690 --> 00:40:01,691

Correct, Jeremy?

824

00:40:02,108 --> 00:40:03,192

Yes, chef.

825

00:40:03,276 --> 00:40:05,153

Like me at his age,

826

00:40:05,236 --> 00:40:08,615

Jeremy has forsaken everything
to achieve his goals.

827

00:40:10,116 --> 00:40:13,536

Like mine, his life is pressure.

828

00:40:14,329 --> 00:40:16,956

Pressure to put out
the best food in the world.

829

00:40:17,749 --> 00:40:21,753

And even when all goes right,
and the food is perfect,

830

00:40:22,378 --> 00:40:25,256

and the customers are happy,
and the critics are, too,

831

00:40:25,340 --> 00:40:28,134

there is no way to avoid the mess.

832

00:40:29,218 --> 00:40:31,095

The mess you make of your life,

833

00:40:31,638 --> 00:40:34,641

of your body, of your sanity,

834

00:40:35,558 --> 00:40:41,481

by giving everything you have
to pleasing people you will never know.

835

00:40:43,149 --> 00:40:44,150

Jeremy...

836

00:40:45,610 --> 00:40:46,861

do you like this life?

837

00:40:46,944 --> 00:40:48,696

This life that you dreamed about?

838

00:40:50,531 --> 00:40:51,949

- No, chef.

- Mmm-hmm.

839

00:40:52,033 --> 00:40:53,284

And do you want my life?

840

00:40:55,203 --> 00:40:56,996

Not my position, nor my talent.

841

00:40:57,080 --> 00:40:58,081

My life.

842

00:41:01,042 --> 00:41:03,044

No, chef.

843

00:41:17,725 --> 00:41:20,395

Ladies and gentlemen, your fourth course,

844

00:41:20,937 --> 00:41:24,107

sous-chef Jeremy's the mess.

845

00:41:32,156 --> 00:41:33,658

Fuck!

846

00:41:33,741 --> 00:41:34,909

Oh, god!

847

00:41:35,493 --> 00:41:36,536

What are you doing?

848

00:41:38,413 --> 00:41:39,455

What's wrong with you?

849

00:41:40,206 --> 00:41:41,290

The fuck is that?

850

00:41:42,959 --> 00:41:44,711

That was a shock.

I didn't see that comin'.

851

00:41:45,336 --> 00:41:46,379

What the fuck, man?

852

00:41:46,462 --> 00:41:47,922

Please. Sit. Sit.

853

00:41:48,005 --> 00:41:49,233

- Everything's fine.

- Please, it's all fine.

854

00:41:49,257 --> 00:41:51,175

- What happened?

- It's just part of the menu.

855

00:41:51,259 --> 00:41:52,844

- It's part of the show.

- It's a show?

856

00:41:52,927 --> 00:41:54,470

That's a show? That's not...

857

00:41:54,554 --> 00:41:56,180

This is what you're paying for.

858

00:41:56,264 --> 00:41:57,424

That's a stunt? What was that?

859

00:41:57,473 --> 00:41:59,726

This is an exclusive experience.

860

00:41:59,809 --> 00:42:00,994

- Please just...

- What the fuck, man?

861

00:42:01,018 --> 00:42:02,103

Return to your seats.

862

00:42:02,854 --> 00:42:04,230

Thank you so much.

863

00:42:06,065 --> 00:42:07,066

Is he dead?

864

00:42:07,150 --> 00:42:08,544

It's definitely

a squib or a packed...

865

00:42:08,568 --> 00:42:09,628

- Stay right there.

- Can I invite you

866

00:42:09,652 --> 00:42:10,921

- to sit down, please?

- I've seen them

867

00:42:10,945 --> 00:42:12,265

- use it before.

- It's not funny.

868

00:42:13,156 --> 00:42:14,198

What the fuck?

869

00:42:14,282 --> 00:42:15,742

- Is this real?

- What is happening?

870

00:42:15,825 --> 00:42:18,035

- It looks so damn real.

- No, no, no.

871

00:42:18,119 --> 00:42:20,288

This is just theater, right?

872

00:42:20,371 --> 00:42:21,765

What the fuck

are you talking about, lady?

873

00:42:21,789 --> 00:42:23,249

He just fucking shot himself, okay?

874

00:42:23,332 --> 00:42:25,626

It looked very real, Lillian.

Quite real.

875

00:42:25,710 --> 00:42:27,962

This is... this is just theater.

It's stagecraft.

876

00:42:28,045 --> 00:42:29,046

Is it really?

877

00:42:29,130 --> 00:42:30,381

Yeah. This is what he does.

878

00:42:30,465 --> 00:42:32,091

It's part of the menu.

879

00:42:52,028 --> 00:42:53,154

Eat!

880

00:42:57,867 --> 00:42:59,035

Enjoy.

881

00:43:06,501 --> 00:43:08,252

Fifth course on order.

882

00:43:08,336 --> 00:43:09,545

Yes, chef!

883

00:43:11,923 --> 00:43:13,341

Tyler, what the hell is going on?

884

00:43:13,424 --> 00:43:16,010

And here we have

a biodynamic cabernet franc

885

00:43:16,093 --> 00:43:19,305

from our friends at domaine breton.

886

00:43:20,097 --> 00:43:24,227

It has no added sulfites,

a bit of barnyard funk,

887

00:43:24,310 --> 00:43:28,022

and just a wonderful match

with roasted proteins. Enjoy.

888

00:43:28,105 --> 00:43:30,525

- We're leaving. Now.

- But I have to get my wrap.

889

00:43:30,608 --> 00:43:32,109

- Forget your wrap. Get up.

- But I...

890

00:43:32,193 --> 00:43:33,194

Mr. Leibrandt?

891

00:43:33,277 --> 00:43:34,463

- We're leaving.

- Is something wrong?

892

00:43:34,487 --> 00:43:35,530

We're leaving.

893

00:43:36,072 --> 00:43:37,740

There is no boat to leave on.

894

00:43:37,824 --> 00:43:38,991

Then I'll call a helicopter.

895

00:43:39,075 --> 00:43:41,369

That would be very difficult

without phone service.

896

00:43:42,245 --> 00:43:43,246

Fucking move.

897

00:43:43,329 --> 00:43:45,089

Jesus. Just do what they say,
for god's sake!

898

00:43:45,122 --> 00:43:46,749

I'll handle this.

899

00:43:46,833 --> 00:43:49,502

- Just let me handle this.

- With which hand, Mr. Leibrandt?

900

00:43:49,585 --> 00:43:50,628

What?

901

00:43:50,711 --> 00:43:53,548

With which hand will you
handle this? Left or right?

902

00:43:53,631 --> 00:43:55,299

What the fuck are you saying?

903

00:43:55,383 --> 00:43:56,384

Shall we choose?

904

00:43:56,968 --> 00:43:58,052

Choose what?

905

00:43:59,011 --> 00:44:00,721

Very well. Left hand.

906

00:44:01,180 --> 00:44:02,181

Ring finger.

907

00:44:03,850 --> 00:44:05,434

Let me out! Let me out!

908

00:44:05,518 --> 00:44:06,561

No!

909

00:44:06,644 --> 00:44:07,854

Come on. Come on.

910

00:44:07,937 --> 00:44:10,017

- Leave the guy alone.

- What the fuck are you doing?

911

00:44:10,106 --> 00:44:12,024

Come on. Easy. Easy!

Leave him alone!

912

00:44:12,108 --> 00:44:13,317

Leave the old guy alone!

913

00:44:13,401 --> 00:44:15,695

Mr. Leibrandt, please hold still.

914

00:44:20,825 --> 00:44:22,410

What the fuck are you doing?

915

00:44:24,579 --> 00:44:26,873

Richard!

916

00:44:26,956 --> 00:44:27,999

Richard!

917

00:44:30,001 --> 00:44:31,085

Please stay seated.

918

00:44:33,963 --> 00:44:35,339

Please stay seated.

919

00:44:38,509 --> 00:44:39,844

What the...

920

00:44:40,303 --> 00:44:42,388

What the hell's goin' on?

Get a doctor for him.

921

00:44:42,471 --> 00:44:44,181

Do you need assistance finding your seat?

922

00:44:44,265 --> 00:44:45,868

There's a finger. The finger.

There's a finger right there.

923

00:44:45,892 --> 00:44:47,518

The man is screamin' in pain!

924

00:44:47,602 --> 00:44:48,936

Please, sit.

925

00:44:49,020 --> 00:44:50,021

Sir?

926

00:44:50,605 --> 00:44:52,690

It's not funny, lady! Jesus Christ!

927

00:44:52,773 --> 00:44:54,984

It's all part of the menu.

928

00:44:56,235 --> 00:44:57,278

Oh, my god!

929

00:44:57,361 --> 00:44:59,447

This is real, isn't it? I can't do it.

930

00:45:00,031 --> 00:45:02,593

- I can't do a hostage thing. I can't.

- Then why don't you go talk to him?

931

00:45:02,617 --> 00:45:04,303

Go talk to him!

Because you know him, right?

932

00:45:04,327 --> 00:45:05,411

I made that up.

933

00:45:05,494 --> 00:45:06,621

Why?

934

00:45:07,371 --> 00:45:10,374

Because I'm a name-dropping whore.

That's why, okay?

935

00:45:17,256 --> 00:45:18,966

Your husband's ring, madam.

936

00:45:22,803 --> 00:45:24,221

- Thank you.

- You're welcome.

937

00:45:24,305 --> 00:45:25,556

Ted. Ted!

938

00:45:26,140 --> 00:45:29,936

I honestly think that this whole thing
is just for our benefit.

939

00:45:30,019 --> 00:45:31,354

I mean, us.

940

00:45:31,437 --> 00:45:35,149

That's why he texted me.

And this is incredible. Right?

941

00:45:35,858 --> 00:45:37,318

The acting is astonishing.

942

00:45:37,401 --> 00:45:38,841

What the fuck are you talkin' about?

943

00:45:40,029 --> 00:45:42,490

Chef slowik would like
to see you in the kitchen.

944

00:45:44,992 --> 00:45:46,494

- Can I come, too?

- No.

945

00:46:04,595 --> 00:46:07,181

No, no, I'm sorry, but you're all wrong.

946

00:46:07,264 --> 00:46:08,307

Why are you doing this?

947

00:46:08,391 --> 00:46:09,725

You're just simply wrong.

948

00:46:09,809 --> 00:46:11,102

What are you talking about?

949

00:46:11,686 --> 00:46:12,687

Who are you?

950

00:46:13,646 --> 00:46:14,647

Margot.

951

00:46:15,439 --> 00:46:16,941

My name is Margot.

952

00:46:17,024 --> 00:46:19,777

I've served many margots.

You're not a Margot.

953

00:46:19,860 --> 00:46:22,488

- No.

- What the fuck does it matter?

954

00:46:22,571 --> 00:46:25,324

It matters because this menu,
this guest list,

955

00:46:25,408 --> 00:46:28,327

this entire evening
has been painstakingly planned.

956

00:46:28,411 --> 00:46:30,955

And you were not a part of that plan.

957

00:46:31,914 --> 00:46:33,749

And it's spoiling everything.

958

00:46:34,792 --> 00:46:37,586

In order to proceed,

I have to know where to seat you.

959

00:46:38,212 --> 00:46:40,214

With us, or with them?

960

00:46:40,881 --> 00:46:42,508

It's really... it's very important.

961

00:46:43,092 --> 00:46:45,136

And then you'll let me live?

962

00:46:45,511 --> 00:46:46,512

Let you live? No!

963

00:46:47,263 --> 00:46:48,264

Of course not.

964

00:46:49,432 --> 00:46:51,809

Can't you see that

that would ruin the menu?

965

00:46:52,893 --> 00:46:54,145

We're all gonna die tonight.

966

00:46:54,937 --> 00:46:56,230

Isn't that right?

967

00:46:56,313 --> 00:46:57,314

Yes, chef!

968

00:46:57,940 --> 00:46:59,984

So, the question is,

969

00:47:00,067 --> 00:47:03,487

do you wanna die with those who give,

or with those who take?

970

00:47:03,821 --> 00:47:05,740

But I die either way?

971

00:47:06,574 --> 00:47:07,742

It's arbitrary.

972

00:47:07,825 --> 00:47:10,536

No, it's not arbitrary.

Nothing in this kitchen is arbitrary.

973

00:47:12,163 --> 00:47:13,164

Please pick.

974

00:47:14,081 --> 00:47:16,250

These decisions are important, and, uh,

975

00:47:17,209 --> 00:47:18,961

our menu is strictly timed.

976

00:47:20,212 --> 00:47:21,422

In 15 minutes,

977

00:47:22,423 --> 00:47:27,261

I'll take a break between courses,
and that is how long you have to decide.

978

00:47:28,804 --> 00:47:30,056

It's our side or theirs.

979

00:47:31,557 --> 00:47:33,277

In the meantime,
please return to your seat.

980

00:47:33,350 --> 00:47:35,061

The next dish is exquisite.

981

00:47:40,691 --> 00:47:43,277

- Plating in five!

- Yes, chef!

982

00:47:43,360 --> 00:47:45,946

- I love you all.

- We love you, too, chef!

983

00:47:50,242 --> 00:47:52,203

Fuck!

He offer you a kitchen course?

984

00:47:52,286 --> 00:47:54,121

All right, what was it? Protein or veg?

985

00:47:56,624 --> 00:47:59,043

Protein or veg? Hmm?

986

00:48:01,962 --> 00:48:04,465

God damn it. It's not fucking fair.

987

00:48:04,548 --> 00:48:06,258

Why do you get a kitchen course?

988

00:48:07,593 --> 00:48:09,512

You smoke all day.

Can't even fucking taste it.

989

00:48:21,857 --> 00:48:23,109

We're cornered. Let's focus.

990

00:48:23,192 --> 00:48:26,403

Wait, what's the play here?

What are our options?

991

00:48:26,487 --> 00:48:30,241

The door is guarded,
but it could be a play.

992

00:48:31,408 --> 00:48:32,409

Yeah.

993

00:48:32,493 --> 00:48:34,537

Has anybody seen
down the hallway if we can...

994

00:48:35,121 --> 00:48:37,915

Hey, guys. We gotta do something,
and we can't be cowards.

995

00:48:37,998 --> 00:48:39,851

This worked in a movie
I did called *the assault*.

996

00:48:39,875 --> 00:48:42,437

When they bring their knives and forks,
we just storm their kitchen, okay?

997

00:48:42,461 --> 00:48:44,106

You think we have
better knife skills than them?

998

00:48:44,130 --> 00:48:45,381

What other choice do we have?

999

00:48:45,464 --> 00:48:46,674

I don't fuckin' know, man.

1000

00:48:46,757 --> 00:48:47,925

So what, then? We...

1001

00:48:48,008 --> 00:48:50,219

Fuck it. I'm gonna break
this fucking window.

1002

00:48:50,302 --> 00:48:52,346

Yeah! Go for it! Go for it!

1003

00:49:01,897 --> 00:49:02,982

Fuck!

1004

00:49:04,817 --> 00:49:06,569

Please let me help you back to your table.

1005

00:49:06,652 --> 00:49:07,653

Fuck.

1006

00:49:09,905 --> 00:49:11,073

I'm sorry, man.

1007

00:49:13,993 --> 00:49:15,828

- God.

- Fuck.

1008

00:49:15,911 --> 00:49:17,413

There's a saying.

1009

00:49:17,496 --> 00:49:19,999

"Sometimes all you need
is a good cup of tea."

1010

00:49:21,500 --> 00:49:24,503

I learned that growing up in Bratislava.

1011

00:49:24,587 --> 00:49:27,006

I've found that not only
does tea cleanse the palate,

1012

00:49:27,089 --> 00:49:31,552

but it offers a soothing balm
when facing some hard home truths.

1013

00:49:32,428 --> 00:49:34,388

But before we continue,

1014

00:49:35,055 --> 00:49:38,184

are there any questions
about me or hawthorn?

1015

00:49:38,767 --> 00:49:40,436

Any questions?

1016

00:49:43,230 --> 00:49:45,024

Is this bergamot I'm getting, chef?

1017

00:49:45,858 --> 00:49:47,193

Yes, it is.

1018

00:49:47,276 --> 00:49:49,195

- Chef?

- Yes?

1019

00:49:49,278 --> 00:49:52,781

Uh, I think I speak for everybody here
when I say that, uh...

1020

00:49:53,657 --> 00:49:55,618

I wanna know... I mean, we wanna know...

1021

00:49:55,701 --> 00:49:57,411

Why the fuck is this happening, man?

1022

00:49:57,494 --> 00:50:00,289

Well, I'll tell you.

Think of yourselves as ingredients

1023

00:50:00,372 --> 00:50:02,499

in a degustation concept.

1024

00:50:02,583 --> 00:50:05,002

- What?

- A tasting concept.

1025

00:50:05,085 --> 00:50:07,588

Figuratively speaking.

1026

00:50:07,671 --> 00:50:09,391

I think that is the best way
to describe it.

1027

00:50:10,049 --> 00:50:13,260

But none of this should be
a surprise to most of you.

1028

00:50:14,053 --> 00:50:15,095

Ms. Bloom.

1029

00:50:15,179 --> 00:50:19,725

Lillian, if I may,

my cherished early advocate

1030

00:50:19,808 --> 00:50:23,312

knows the damage she has done

to so many livelihoods.

1031

00:50:23,395 --> 00:50:25,814

No, no, no. Hang on, chef.

1032

00:50:25,898 --> 00:50:27,566

No, no, no. No, you don't talk.

1033

00:50:27,650 --> 00:50:28,817

I'm sorry, chef.

1034

00:50:28,901 --> 00:50:30,778

You submitted to an interview

1035

00:50:30,861 --> 00:50:32,696

- with Lillian bloom.

- What? What?

1036

00:50:32,780 --> 00:50:34,257

And that interview

created this restaurant.

1037

00:50:34,281 --> 00:50:36,825

You enable her filth.

You enable her filth.

1038

00:50:36,909 --> 00:50:38,744

You buttress.

1039

00:50:38,827 --> 00:50:40,287

You coddle.

1040

00:50:41,413 --> 00:50:42,998

More broken emulsion, madam.

1041

00:50:43,082 --> 00:50:46,335

You loved that I texted you

an invitation for this evening.

1042

00:50:46,418 --> 00:50:49,255

Me yearning for your attendance.

1043

00:50:49,338 --> 00:50:51,966

Your ego was fed.

But that is to be expected.

1044

00:50:52,049 --> 00:50:53,968

And no, you've fed my ego as well.

1045

00:50:55,302 --> 00:50:56,762

Ten minutes, Ms. Mills.

1046

00:50:56,845 --> 00:51:00,224

Please. My... my husband
needs to go to the hospital.

1047

00:51:00,307 --> 00:51:02,268

I'm fine. Just let my wife go.

1048

00:51:02,351 --> 00:51:04,270

My loyal regulars.

1049

00:51:04,353 --> 00:51:07,731

How many times have you eaten here
in the last five years?

1050

00:51:07,815 --> 00:51:09,400

I don't know. Six or seven?

1051

00:51:09,483 --> 00:51:13,737

- I think it's more than that, dick.

- Eleven. Eleven times.

1052

00:51:13,821 --> 00:51:17,616

Most people consider themselves blessed
if they eat here only once.

1053

00:51:18,951 --> 00:51:21,662

Mr. Leibbrandt,
kindly name one dish you ate

1054

00:51:21,745 --> 00:51:23,664

the last time you were here.

1055

00:51:28,419 --> 00:51:30,963

Eleven times you take the boat out here

1056

00:51:31,046 --> 00:51:34,675

where we introduce every dish
every single time.

1057

00:51:34,758 --> 00:51:37,011

We tell you exactly
what we're feeding you.

1058

00:51:37,094 --> 00:51:40,347

Please tell me one dish you ate
the last time you were here.

1059

00:51:41,223 --> 00:51:42,391

Or the time before.

1060

00:51:43,225 --> 00:51:44,852

One. Please.

1061

00:51:47,146 --> 00:51:49,481

- COD.

- What?

1062

00:51:50,983 --> 00:51:52,234

COD.

1063

00:51:53,068 --> 00:51:54,069

COD.

1064

00:51:54,153 --> 00:51:56,905

It wasn't COD, you donkey.

1065

00:51:56,989 --> 00:51:58,532

It was Halibut.

1066

00:51:58,615 --> 00:52:01,076

Rare, fucking spotted Halibut.

1067

00:52:01,869 --> 00:52:03,162

What does it matter?

1068

00:52:03,245 --> 00:52:05,456

It matters to the Halibut, Mrs. Leibrandt.

1069

00:52:05,539 --> 00:52:09,251

And to the artist whose work
turns to shit inside your gut.

1070

00:52:10,669 --> 00:52:12,880

I've allowed my work
to reach the price point

1071

00:52:12,963 --> 00:52:16,800

where only the class of people
in this room can access it.

1072

00:52:16,884 --> 00:52:18,969

And I've been fooled
into trying to satisfy

1073

00:52:19,053 --> 00:52:21,722

people who could never be satisfied.

1074

00:52:21,805 --> 00:52:24,391

Starting with her.

1075

00:52:24,808 --> 00:52:26,727

But that's our culture, isn't it?

1076

00:52:26,810 --> 00:52:29,104

And my restaurant is part of the problem.

1077

00:52:29,688 --> 00:52:31,190

You say it's your restaurant.

1078

00:52:31,273 --> 00:52:34,318

But if we're all just bein'
honest tonight, it's not.

1079

00:52:35,110 --> 00:52:38,280

You're right.

Doug verrick is my angel investor.

1080

00:52:38,364 --> 00:52:40,699

He owns this island and this restaurant.

1081

00:52:40,783 --> 00:52:44,203

And since hawthorn is my entire life,

1082

00:52:44,286 --> 00:52:46,872

I would have to say

that Doug verrick owns me.

1083

00:52:46,955 --> 00:52:49,208

Except now things are

a little more complicated,

1084

00:52:49,291 --> 00:52:51,710

and I own Doug verrick.

1085

00:52:59,009 --> 00:53:01,011

- Oh, Jesus.

- Oh, my god.

1086

00:53:01,845 --> 00:53:03,055

Holy shit.

1087

00:53:03,138 --> 00:53:04,598

Hey, hey. How do we stop this, man?

1088

00:53:04,681 --> 00:53:06,401

- No.

- Okay? Just please just make it stop.

1089

00:53:06,475 --> 00:53:08,787

Just fuckin' tell us how to stop this.

We'll stop it, okay?

1090

00:53:08,811 --> 00:53:10,896

- You can't stop it.

- Obviously, we have money.

1091

00:53:10,979 --> 00:53:12,940

Just say how much,

and we'll give it to you!

1092

00:53:13,023 --> 00:53:15,359

Just say a fucking number, man!

1093

00:53:15,442 --> 00:53:18,445

No. I don't need your money.

1094

00:53:25,911 --> 00:53:28,872

He kept you open through covid, you prick!

1095

00:53:28,956 --> 00:53:32,459

Yes, he did.

And he questioned my menu.

1096

00:53:33,335 --> 00:53:37,798

He would even request substitutions

despite the fact that

1097

00:53:37,881 --> 00:53:42,344

there are no substitutions at hawthorn!

1098

00:53:44,555 --> 00:53:46,348

Fallen angel, please.

1099

00:53:51,019 --> 00:53:53,147

No! No, no!

1100

00:53:54,398 --> 00:53:55,649

What the hell?

1101

00:53:55,732 --> 00:53:56,942

- No.

- Listen.

1102

00:53:57,025 --> 00:53:58,944

- This is fucking...

- I said, "listen."

1103

00:53:59,027 --> 00:54:01,655

No! Julian!

1104

00:54:01,738 --> 00:54:03,574

- This is fuckin' insane.

- I said, "listen."

1105

00:54:03,657 --> 00:54:04,658

No...

1106

00:54:06,785 --> 00:54:08,745

- Listen.

- No, no. This is fuckin' insane.

1107

00:54:08,829 --> 00:54:10,038

No, I said, "listen!"

1108

00:54:10,122 --> 00:54:12,708

Just listen!

1109

00:54:12,791 --> 00:54:13,834

Yeah.

1110

00:54:17,129 --> 00:54:18,338

Do you hear?

1111

00:54:19,631 --> 00:54:20,883

And...

1112

00:54:22,676 --> 00:54:23,886

And...

1113

00:54:26,138 --> 00:54:28,015

under he goes, and...

1114

00:54:28,974 --> 00:54:31,101

quiet.

1115

00:54:31,185 --> 00:54:32,311

Do you hear it?

1116

00:54:33,020 --> 00:54:35,355

Do you hear that silence?

Listen, can you hear it?

1117

00:54:37,107 --> 00:54:39,026

That silence means...

1118

00:54:40,360 --> 00:54:41,612

I'm free.

1119

00:54:49,661 --> 00:54:51,455

Time's up, Ms. Mills.

1120

00:54:51,538 --> 00:54:54,082

Chef will speak with you now

in his office.

1121

00:55:03,467 --> 00:55:04,593

Come in.

1122

00:55:15,103 --> 00:55:16,980

You've made your decision?

1123

00:55:17,064 --> 00:55:19,233

- I have.

- And what have you decided?

1124

00:55:20,359 --> 00:55:22,528

That you were right.

1125

00:55:24,279 --> 00:55:25,864

I shouldn't be here.

1126

00:55:25,948 --> 00:55:28,283

And I say this with respect,

1127

00:55:28,367 --> 00:55:30,911

because I'm sure

that you're quite brilliant,

1128

00:55:30,994 --> 00:55:35,374

but, um, all of this is not meant for me.

1129

00:55:35,457 --> 00:55:38,669

You're not sure I'm brilliant,
so don't say it. It's false.

1130

00:55:39,127 --> 00:55:40,337

Fine.

1131

00:55:40,629 --> 00:55:42,339

I'm not sure that you're brilliant.

1132

00:55:42,422 --> 00:55:44,049

Oh, I was expecting more.

1133

00:55:44,132 --> 00:55:45,634

Fuck you!

1134

00:55:45,717 --> 00:55:48,428

I guess I'm gonna have to make

your decision for you.

1135

00:55:49,680 --> 00:55:53,308

You belong here with your own breed.

1136

00:55:54,560 --> 00:55:56,478

And what breed is that?

1137

00:55:56,562 --> 00:55:58,188

With the shit shovelers.

1138

00:55:59,314 --> 00:56:00,440

You thought I couldn't tell?

1139

00:56:00,524 --> 00:56:04,611

Oh, I know a fellow

service industry worker when I see one.

1140

00:56:05,737 --> 00:56:08,365

Mr. Leibrandt. How do you know him?

1141

00:56:09,950 --> 00:56:11,660

You've been eyeing him all evening.

1142

00:56:11,743 --> 00:56:14,746

- Well, I think you know.

- No, I don't.

1143

00:56:16,790 --> 00:56:19,126

So, he paid for an experience.

1144

00:56:19,209 --> 00:56:23,005

And I can tell,

as one provider of experiences to another,

1145

00:56:23,088 --> 00:56:25,090

that you don't rattle easily.

1146

00:56:25,173 --> 00:56:28,135

So, how did he rattle you?

1147

00:56:28,218 --> 00:56:29,636

- He didn't rattle...

- Margot.

1148

00:56:32,264 --> 00:56:34,057

He told me to agree
with everything he said

1149

00:56:34,141 --> 00:56:35,827

and continue eye contact
while he jerked off.

1150

00:56:35,851 --> 00:56:37,394

Wow. Specific.

1151

00:56:37,477 --> 00:56:38,645

Not really.

1152

00:56:39,563 --> 00:56:41,106

Pretty unoriginal.

1153

00:56:42,816 --> 00:56:44,735

What rattled me

1154

00:56:45,485 --> 00:56:48,113

is that he told me

to tell him that he was a good man,

1155

00:56:48,196 --> 00:56:49,406

and that I was his daughter,

1156

00:56:49,489 --> 00:56:51,742

and that he loved me,

and I loved him and...

1157

00:56:51,825 --> 00:56:53,285

And so, he's a romantic.

1158

00:56:54,620 --> 00:56:56,705

No, I don't need details.

1159

00:56:56,788 --> 00:57:00,042

You know, I...

I know what a bad customer is.

1160

00:57:03,545 --> 00:57:04,588

Yeah.

1161

00:57:06,923 --> 00:57:09,384

Do you enjoy providing your services?

1162

00:57:12,179 --> 00:57:13,263

Yes.

1163

00:57:14,181 --> 00:57:16,266

Or I... I used to.

1164

00:57:18,060 --> 00:57:20,437

Do you enjoy providing yours?

1165

00:57:21,229 --> 00:57:22,731

Oh, I used to,

1166

00:57:24,566 --> 00:57:27,486

but I haven't desired to cook

for someone in ages.

1167

00:57:29,071 --> 00:57:31,073

And one does miss that feeling.

1168

00:57:33,241 --> 00:57:34,409

Come with me.

1169

00:57:36,787 --> 00:57:39,998

Everyone's so down!

1170

00:57:40,082 --> 00:57:43,335

Ladies and gentlemen, for our next course,

1171

00:57:43,418 --> 00:57:46,129

let us take the evening air!

1172

00:57:46,213 --> 00:57:47,673

Come on! Outside!

1173

00:57:47,756 --> 00:57:49,966

- Please, sir.

- Come on. Outside, everyone.

1174

00:57:50,050 --> 00:57:51,778

If we can find a boat,

we can make a break for it.

1175

00:57:51,802 --> 00:57:54,179

- Regulars, too. Come on.

- Please follow chef.

1176

00:57:54,930 --> 00:57:57,849

Chef, I'd love to talk to you

very quickly, chef.

1177

00:57:57,933 --> 00:57:59,476

- Come on!

- After you, please.

1178

00:57:59,559 --> 00:58:00,852

Guests first.

1179

00:58:02,312 --> 00:58:03,563

Richard.

1180

00:58:08,276 --> 00:58:09,361

Follow me.

1181

00:58:10,195 --> 00:58:12,364

Into the tranquil night air.

1182

00:58:20,247 --> 00:58:23,417

Don't be frightened.

Nothing to be frightened of.

1183

00:58:25,377 --> 00:58:27,980

So, maybe there's a spare boat somewhere
and we can get out of here.

1184

00:58:28,004 --> 00:58:29,256

To what?

1185

00:58:29,339 --> 00:58:30,882

- What?

- Get out of here to what?

1186

00:58:30,966 --> 00:58:32,443

What the fuck are you talking about, bro?

1187

00:58:32,467 --> 00:58:33,593

- We're dead.

- It's okay.

1188

00:58:33,677 --> 00:58:34,779

No. We're gonna die tonight.

1189

00:58:34,803 --> 00:58:35,971

- Yes, we are. Yeah.

- Yeah.

1190

00:58:36,054 --> 00:58:40,350

Our next course will be presented
by sous-chef, Katherine Keller.

1191

00:58:45,647 --> 00:58:47,065

Good evening, everyone.

1192

00:58:49,317 --> 00:58:50,527

Three years ago,

1193

00:58:51,361 --> 00:58:52,946

Julian slowik tried to fuck me.

1194

00:58:54,406 --> 00:58:55,991

I refused his advances.

1195

00:58:56,450 --> 00:58:58,326

A week later, he tried again.

1196

00:58:58,410 --> 00:59:00,579

And again, I refused.

1197

00:59:02,164 --> 00:59:03,457

But he didn't fire me.

1198

00:59:03,832 --> 00:59:05,041

No.

1199

00:59:05,125 --> 00:59:07,169

He kept me in his kitchen,

1200

00:59:07,252 --> 00:59:12,924

and refused to look me in the eye

or speak directly to me for eight months.

1201

00:59:14,384 --> 00:59:15,635

He can do that.

1202

00:59:16,845 --> 00:59:18,054

Because he's the star.

1203

00:59:19,347 --> 00:59:20,932

He's the man.

1204

00:59:22,184 --> 00:59:25,479

Our next course is called "man's folly."

1205

00:59:52,130 --> 00:59:53,340

I'm sorry.

1206

01:00:00,096 --> 01:00:01,264

Fuck.

1207

01:00:01,973 --> 01:00:05,936

To our male diners,
we now offer you the chance to escape.

1208

01:00:06,436 --> 01:00:09,231

You'll be given a 45-second head start,

1209

01:00:09,523 --> 01:00:12,901

at which point members of my staff
will try and catch you.

1210

01:00:12,984 --> 01:00:14,402

If they do catch...

1211

01:00:14,486 --> 01:00:15,904

Okay.

1212

01:00:17,405 --> 01:00:19,616

Forty-five seconds starts now.

1213

01:00:22,035 --> 01:00:23,286

- Hold this.

- What?

1214

01:00:23,370 --> 01:00:25,372

I'm sorry. Come on. You know I'm awful.

1215

01:00:25,455 --> 01:00:27,082

You're a wonderful critic.

1216

01:00:28,208 --> 01:00:30,252

I'll... I'll send for help. First thing.

1217

01:00:40,220 --> 01:00:41,471

You, too.

1218

01:00:47,936 --> 01:00:50,438

I'll, uh, leave you to it.

1219

01:00:55,861 --> 01:00:57,195

Care to join me inside?

1220

01:00:57,612 --> 01:00:58,947

It's getting chilly.

1221

01:01:00,991 --> 01:01:02,158

It's right this way.

1222

01:01:04,953 --> 01:01:05,996

Okay.

1223

01:01:06,580 --> 01:01:07,622

This way.

1224

01:01:22,596 --> 01:01:24,347

Go!

1225

01:01:33,565 --> 01:01:35,567

- Thank you.

- Thank you.

1226

01:01:47,078 --> 01:01:48,788

Mmm.

1227

01:01:49,289 --> 01:01:50,832

This is fantastic.

1228

01:01:50,916 --> 01:01:55,420

The tartness of the umeboshi
and the waves of ferment.

1229

01:01:55,503 --> 01:01:57,631

It's rich, and yet it's clean.

1230

01:01:57,714 --> 01:01:59,007

It's delicious.

1231

01:01:59,925 --> 01:02:02,260

Yes, well, there was a time

1232

01:02:02,344 --> 01:02:04,304

that would have meant

a lot to me, Ms. Bloom.

1233

01:02:14,314 --> 01:02:15,899

Mmm.

1234

01:02:15,982 --> 01:02:17,025

It's so good.

1235

01:02:17,108 --> 01:02:18,777

- Yes, it's really good.

- Mmm-hmm.

1236

01:02:18,860 --> 01:02:21,404

You know, it's the emoji for me.

1237

01:02:21,488 --> 01:02:23,031

- Umeboshi.

- Hmm?

1238

01:02:23,114 --> 01:02:24,449

- Umeboshi.

- Umeboshi.

1239

01:02:24,532 --> 01:02:25,784

This is so good.

1240

01:02:26,409 --> 01:02:28,161

- You're very talented.

- Thank you.

1241

01:02:28,244 --> 01:02:31,039

Usually don't like foam, but...

1242

01:02:32,165 --> 01:02:34,125

Don't fucking run next to me, bro!

1243

01:02:34,209 --> 01:02:35,409

No, you're running next to me!

1244

01:02:35,460 --> 01:02:37,087

It's a big fuckin' forest!

Fuck off!

1245

01:02:37,170 --> 01:02:38,630

- Get away from me!

- Fuck off, bro!

1246

01:02:42,050 --> 01:02:43,051

Fuck.

1247

01:02:43,677 --> 01:02:44,719

Oh, my god.

1248

01:02:46,012 --> 01:02:47,138

Yeah.

1249

01:02:50,767 --> 01:02:51,810

So...

1250

01:02:54,145 --> 01:02:55,563

You know my husband.

1251

01:03:02,153 --> 01:03:03,405

Um...

1252

01:03:05,573 --> 01:03:06,574

Yeah.

1253

01:03:07,242 --> 01:03:08,243

I do.

1254

01:03:09,703 --> 01:03:10,787

Right.

1255

01:03:17,168 --> 01:03:18,503

You can tell us.

1256

01:03:19,254 --> 01:03:20,839

Are we all really dying tonight?

1257

01:03:22,841 --> 01:03:25,218

It doesn't work if you live.

1258

01:03:26,052 --> 01:03:27,929

- What doesn't work?

- The menu.

1259

01:03:28,013 --> 01:03:29,014

Why not?

1260

01:03:29,597 --> 01:03:31,016

It needs an ending...

1261

01:03:33,351 --> 01:03:35,031

That ties everything together
conceptually.

1262

01:03:36,021 --> 01:03:37,821

Otherwise, it just tastes good,
and who cares.

1263

01:03:37,897 --> 01:03:40,066

I mean, really,
you should have your own place.

1264

01:03:40,150 --> 01:03:41,818

Right? And I could help you with that.

1265

01:03:42,318 --> 01:03:44,696

- I'm sure you could, Ms. Bloom.

- I could. I could.

1266

01:03:44,779 --> 01:03:47,365

We would just have
to talk about...

1267

01:03:48,658 --> 01:03:50,410

the dying thing.

1268

01:03:50,493 --> 01:03:53,663

Oh, everyone dying was my pitch, actually.

1269

01:03:54,831 --> 01:03:56,082

I'm super proud of it.

1270

01:04:00,420 --> 01:04:01,856

- Anybody want any wine?

- Yes, please.

1271

01:04:01,880 --> 01:04:02,964

Fuck it.

1272

01:04:03,048 --> 01:04:05,675

Thank you.

1273

01:04:09,012 --> 01:04:11,431

I heard a pop.

1274

01:04:15,185 --> 01:04:16,227

Fuck!

1275

01:04:17,228 --> 01:04:18,229

Fuck!

1276

01:04:33,745 --> 01:04:35,705

A special bite
for the last guest to be caught.

1277

01:04:35,789 --> 01:04:39,209

A little play on the passard egg
with crème fraîche and maple.

1278

01:04:44,089 --> 01:04:45,548

- Enjoy.
- Thank you.

1279

01:04:47,926 --> 01:04:51,304

Not that you guys
give a single, flying fuck,

1280

01:04:51,387 --> 01:04:53,556

but my name is not Margot.

1281

01:04:54,224 --> 01:04:55,433

It's Erin.

1282

01:04:55,517 --> 01:04:58,103

And I'm from brockton, Massachusetts...

1283

01:05:00,605 --> 01:05:01,648

So there's that.

1284

01:05:06,736 --> 01:05:08,029

Party's over.

1285

01:05:11,991 --> 01:05:12,992

Come, gentlemen.

1286

01:05:13,576 --> 01:05:15,328

- Welcome back.

- What did you get?

1287

01:05:15,411 --> 01:05:16,412

Sir? Please.

1288

01:05:16,496 --> 01:05:18,623

Excuse me. I'm sorry.

I'll take that. Thank you.

1289

01:05:18,706 --> 01:05:20,166

Ms. Bloom. Please.

1290

01:05:21,084 --> 01:05:23,253

Allow me. No, it's fine. It's fine.

1291

01:05:27,173 --> 01:05:28,174

Here.

1292

01:05:29,092 --> 01:05:30,176

Oh, god.

1293

01:05:35,223 --> 01:05:36,307

How'd you do out there?

1294

01:05:37,016 --> 01:05:39,477

I did great. I killed it.

1295

01:05:40,019 --> 01:05:41,479

I'm the only one who got away.

1296

01:05:42,522 --> 01:05:44,732

I'm sorry. I'm a fuckin' failure.

1297

01:05:45,066 --> 01:05:46,109

It's okay.

1298

01:05:48,653 --> 01:05:50,363

I've been stealing money from you.

1299

01:05:51,614 --> 01:05:52,615

I know.

1300

01:05:53,658 --> 01:05:54,826

I know you know.

1301

01:05:55,451 --> 01:05:57,954

I wrote a negative recommendation to Sony.

1302

01:05:59,164 --> 01:06:00,874

I know. You cc'd me on it.

1303

01:06:02,584 --> 01:06:03,585

Folks,

1304

01:06:04,252 --> 01:06:07,755

I'm afraid our menu

cannot continue as planned

1305

01:06:07,839 --> 01:06:10,383

until we deal with an unresolved matter.

1306

01:06:11,426 --> 01:06:12,594

You.

1307

01:06:14,596 --> 01:06:15,638

Me?

1308

01:06:16,306 --> 01:06:17,765

Mmm-hmm.

1309

01:06:17,849 --> 01:06:18,892

You.

1310

01:06:21,436 --> 01:06:23,188

Tell me why you're here.

1311

01:06:25,398 --> 01:06:27,567

You know, because I wanted to...

1312

01:06:27,650 --> 01:06:28,651

Swallow first.

1313

01:06:31,779 --> 01:06:33,489

I wanted to experience your food, chef.

1314

01:06:33,573 --> 01:06:34,782

And what were you told?

1315

01:06:36,492 --> 01:06:38,620

What were you told ahead of time?

1316

01:06:41,915 --> 01:06:44,709

You told me it'd be
the greatest menu ever created.

1317

01:06:44,792 --> 01:06:46,544

Right. And? And?

1318

01:06:48,421 --> 01:06:53,760

And that everyone would die.

1319

01:06:53,843 --> 01:06:55,094

"Everyone would die."

1320

01:06:55,178 --> 01:06:57,430

You had a date.

1321

01:06:58,097 --> 01:07:00,141

I seem to remember you had a date.

1322

01:07:00,225 --> 01:07:02,435

Not the young woman here tonight,

1323

01:07:03,228 --> 01:07:05,647

so what happened to her? Your date?

1324

01:07:07,232 --> 01:07:09,317

She broke up with me, chef.

1325

01:07:09,400 --> 01:07:10,985

So, you brought Margot.

1326

01:07:11,069 --> 01:07:12,528

- Mmm-hmm.

- Mmm-hmm.

1327

01:07:12,612 --> 01:07:13,655

Why?

1328

01:07:15,156 --> 01:07:17,742

'Cause you don't offer seatings for one.

1329

01:07:17,825 --> 01:07:20,620

So, you hired her knowing she'd die.

1330

01:07:23,998 --> 01:07:26,417

- Yes.

- You entitled piece of shit!

1331

01:07:26,501 --> 01:07:29,128

I'm gonna kill you, Tyler!

1332

01:07:31,256 --> 01:07:32,590

Calm down.

1333

01:07:37,595 --> 01:07:39,305

You can't blame her, can you?

1334

01:07:40,181 --> 01:07:42,034

For the eight months

I've corresponded with you,

1335

01:07:42,058 --> 01:07:46,271

I gave you, Tyler,

access to our world, hmm.

1336

01:07:46,354 --> 01:07:48,731

And I swore you to secrecy.

1337

01:07:49,607 --> 01:07:51,067

Why do you think I'd do this?

1338

01:07:51,651 --> 01:07:53,736

- You wanted me here because...

- Why? Why?

1339

01:07:53,820 --> 01:07:55,780

You said I know a lot about food.

1340

01:07:55,863 --> 01:07:58,032

That's right.

You're not like the others, are you?

1341

01:07:58,116 --> 01:08:00,118

I mean, you know what a pacojet is.

1342

01:08:00,201 --> 01:08:02,412

- Yeah.

- You knew what the bergamot was.

1343

01:08:02,495 --> 01:08:04,664

- Yeah. I could taste it.

- Yeah, you could.

1344

01:08:04,747 --> 01:08:06,332

Yeah, I know, but you identified it.

1345

01:08:06,416 --> 01:08:08,251

- Picked it out.

- Mmm-hmm. Right.

1346

01:08:08,334 --> 01:08:09,669

That impressed me.

1347

01:08:09,752 --> 01:08:11,170

- Really?

- Yeah, yeah.

1348

01:08:11,254 --> 01:08:12,672

- I mean, you're a cook.

- Oh!

1349

01:08:12,755 --> 01:08:14,424

Cooks belong in the kitchen.

1350

01:08:15,091 --> 01:08:16,426

Right?

1351

01:08:16,509 --> 01:08:18,136

Yes, chef!

1352

01:08:18,219 --> 01:08:19,220

Yeah.

1353

01:08:19,846 --> 01:08:21,306

- Come with me.

- Really?

1354

01:08:21,389 --> 01:08:22,807

Me? Really?

1355

01:08:22,890 --> 01:08:24,570

Yeah, yeah, yeah.

I have something for you.

1356

01:08:25,184 --> 01:08:26,769

Okay.

1357

01:08:26,853 --> 01:08:28,521

Come here. Elsa has it.

1358

01:08:28,604 --> 01:08:30,773

Ah, it's a chef's jacket.

1359

01:08:34,485 --> 01:08:35,653

Courtesy of hawthorn.

1360

01:08:35,737 --> 01:08:36,988

- Wow.

- Mmm-hmm.

1361

01:08:39,324 --> 01:08:40,408

Ah!

1362

01:08:40,491 --> 01:08:42,201

- Nice.

- Thank you.

1363

01:08:42,285 --> 01:08:44,871

You look wonderful.

Doesn't he look wonderful, Margot?

1364

01:08:44,954 --> 01:08:47,206

- Doesn't he look good?

- Yes, chef!

1365

01:08:47,290 --> 01:08:49,208

Mr. Handsome boy.

1366

01:08:53,004 --> 01:08:54,630

I'm gonna personalize the jacket.

1367

01:08:55,757 --> 01:08:57,717

"T, y,

1368

01:08:58,259 --> 01:09:00,219

"l, e,

1369

01:09:01,512 --> 01:09:02,513

"r."

1370

01:09:04,557 --> 01:09:06,976

Thank you. Thank you.

1371

01:09:07,060 --> 01:09:09,270

- I'm proud of you.

- Thank you, chef.

1372

01:09:09,354 --> 01:09:11,898

Tyler, now cook.

1373

01:09:13,024 --> 01:09:15,109

- What?

- Cook.

1374

01:09:15,693 --> 01:09:18,529

- You're a cook. So, cook.

- Oh, I don't know if I can cook here.

1375

01:09:18,613 --> 01:09:20,907

- Cook. Cook.

- Now? I don't...

1376

01:09:20,990 --> 01:09:22,867

Cook! Go on, now.

1377

01:09:23,326 --> 01:09:24,327

What do you need?

1378

01:09:24,410 --> 01:09:26,096

- We have everything.
- Please rise to observe

1379

01:09:26,120 --> 01:09:27,264

- the demonstration.
- Don't be frightened.

1380

01:09:27,288 --> 01:09:30,088

- What do you want... um...
- Please rise to observe the demonstration.

1381

01:09:30,166 --> 01:09:31,326

Everyone, please come around.

1382

01:09:31,376 --> 01:09:34,921

Please. Tyler's gonna demonstrate
his culinary expertise.

1383

01:09:35,004 --> 01:09:36,644

Please rise to observe the demonstration.

1384

01:09:36,672 --> 01:09:38,317

Everyone, please.

Come around. Come closer.

1385

01:09:38,341 --> 01:09:39,467

What do you need?

1386

01:09:41,094 --> 01:09:43,137

- Uh... leeks.

- Get the cook some leeks.

1387

01:09:43,221 --> 01:09:46,057

Leeks. This is your station here.

What else?

1388

01:09:46,140 --> 01:09:49,060

Um... sh... ah...

1389

01:09:49,143 --> 01:09:51,479

Oh... shit? Would you like some shit?

1390

01:09:51,562 --> 01:09:52,563

No. Uh...

1391

01:09:52,647 --> 01:09:54,190

Shallots.

1392

01:09:54,273 --> 01:09:56,025

Shallots for the great foodie!

1393

01:09:56,109 --> 01:09:57,389

The phenomenal Mr. Food himself!

1394

01:09:57,443 --> 01:09:58,486

Excuse me, I'm sorry.

1395

01:09:58,569 --> 01:10:01,072

Everyone gather around.

We must learn from Tyler.

1396

01:10:01,989 --> 01:10:07,286

This is a new dicing method
of which we have been woefully ignorant.

1397

01:10:07,370 --> 01:10:08,413

What next?

1398

01:10:09,288 --> 01:10:10,415

Uh... butter.

1399

01:10:10,498 --> 01:10:13,167

Butter? Butter.

Leeks and shallots sautéed in butter.

1400

01:10:13,251 --> 01:10:16,045

I bear witness to a revolution in cuisine.

1401

01:10:16,129 --> 01:10:18,005

Would you like a protein?

1402

01:10:18,089 --> 01:10:20,258

- Uh... lamb.

- Lamb!

1403

01:10:29,308 --> 01:10:30,643

Oh!

1404

01:10:39,235 --> 01:10:40,778

Oh!

1405

01:10:51,164 --> 01:10:52,433

Oh, yeah. I think it's done, chef.

1406

01:10:52,457 --> 01:10:53,559

You think it's done? You're sure?

1407

01:10:53,583 --> 01:10:54,625

- Mmm-hmm.

- You wanna...

1408

01:10:54,709 --> 01:10:56,309

Maybe you wanna jam it into the pacojet.

1409

01:10:56,794 --> 01:10:57,879

No.

1410

01:11:05,303 --> 01:11:06,345

Mmm.

1411

01:11:07,805 --> 01:11:08,973

Wow.

1412

01:11:10,391 --> 01:11:11,434

Wow.

1413

01:11:12,018 --> 01:11:13,311

It's actually quite...

1414

01:11:14,312 --> 01:11:15,313

bad.

1415

01:11:29,911 --> 01:11:34,916

You are why the mystery
has been drained from our art.

1416

01:11:36,459 --> 01:11:38,503

You see that now, don't you?

1417

01:11:40,046 --> 01:11:41,214

Sorry, chef.

1418

01:11:42,048 --> 01:11:44,300

Come here, son. Come.

1419

01:11:46,177 --> 01:11:47,261

Come here.

1420

01:12:10,159 --> 01:12:11,160

Yes, chef.

1421

01:12:25,258 --> 01:12:27,176

And now you're free, too.

1422

01:12:31,472 --> 01:12:34,517

Um, ladies and gentlemen,
I wanna apologize to you all.

1423

01:12:34,600 --> 01:12:38,062

What you just saw was not originally
part of tonight's menu.

1424

01:12:38,145 --> 01:12:40,022

We strive for perfection,

1425

01:12:40,898 --> 01:12:42,316

which of course does not exist,

1426

01:12:42,400 --> 01:12:46,529

and that is a hard truth for me to accept,

so please forgive me.

1427

01:12:47,738 --> 01:12:48,906

Come with me.

1428

01:12:55,496 --> 01:12:57,224

Sommelier:

And that concludes our demonstration.

1429

01:12:57,248 --> 01:12:58,583

Please return to your seats.

1430

01:12:59,083 --> 01:13:00,126

Listen to me.

1431

01:13:01,460 --> 01:13:04,213

There's only one more

savory course left in our menu.

1432

01:13:04,297 --> 01:13:06,007

That means we must prepare for dessert.

1433

01:13:06,090 --> 01:13:08,718

Dessert requires a large barrel

1434

01:13:08,801 --> 01:13:10,481

that is supposed to be

there in the corner.

1435

01:13:11,095 --> 01:13:12,722

Do you see a barrel?

1436

01:13:13,889 --> 01:13:16,058

- No. No, I do not.

- Neither do I.

1437

01:13:16,142 --> 01:13:18,603

That is because

my negligent colleague, Elsa,

1438

01:13:18,686 --> 01:13:20,521

forgot to assign someone to bring it.

1439

01:13:21,939 --> 01:13:25,818

So, Margot,

you will fetch the barrel instead.

1440

01:13:25,901 --> 01:13:27,028

- Me?

- Yes.

1441

01:13:27,111 --> 01:13:29,030

You remember the smokehouse? Hmm?

1442

01:13:29,113 --> 01:13:30,656

Maybe... I don't...

1443

01:13:30,740 --> 01:13:32,283

Chef, perhaps one of us should...

1444

01:13:32,366 --> 01:13:35,077

Margot is now one of us, Elsa.

1445

01:13:35,161 --> 01:13:36,245

Right, Margot?

1446

01:13:37,330 --> 01:13:38,497

- Yes.

- Yes, what?

1447

01:13:39,790 --> 01:13:41,417

Yes, chef.

1448

01:13:41,500 --> 01:13:43,628

Elsa, give her the smokehouse key.

1449

01:13:45,588 --> 01:13:47,715

Yes, chef.

1450

01:13:53,054 --> 01:13:54,055

Go.

1451

01:13:54,555 --> 01:13:55,640

Go!

1452

01:13:55,723 --> 01:13:56,807

Um...

1453

01:14:35,930 --> 01:14:37,306

Excuse me. Uh...

1454

01:14:38,599 --> 01:14:40,434

I'm sorry, chef.

1455

01:14:41,477 --> 01:14:43,312

Sir... sir slowik. Um...

1456

01:14:44,522 --> 01:14:45,940

Hi.

1457

01:14:46,023 --> 01:14:47,024

What's up?

1458

01:14:48,609 --> 01:14:50,069

Oh... well, look...

1459

01:14:50,861 --> 01:14:54,156

What I really...

I just wanted to say because, um...

1460

01:14:54,657 --> 01:14:57,094

Look, I'm not trying to sound,

like, all whatever here or anything,

1461

01:14:57,118 --> 01:15:00,496

but I just don't think it's really fair.

1462

01:15:00,579 --> 01:15:01,706

Maybe.

1463

01:15:01,789 --> 01:15:02,957

If...

1464

01:15:03,040 --> 01:15:05,459

Do you wanna know

why you're being punished?

1465

01:15:09,171 --> 01:15:10,464

Sure.

1466

01:15:10,548 --> 01:15:15,177

I saw the film *calling doctor sunshine*,
and I did not enjoy it.

1467

01:15:15,845 --> 01:15:16,846

Wait, sorry?

1468

01:15:16,929 --> 01:15:18,180

It was a Sunday.

1469

01:15:19,014 --> 01:15:20,599

My one day off in months.

1470

01:15:21,392 --> 01:15:22,518

The most precious day.

1471

01:15:22,601 --> 01:15:24,353

The day where I was allowed to live.

1472

01:15:24,437 --> 01:15:28,441

And I saw the film *calling doctor sunshine*
alone in the cinema.

1473

01:15:28,524 --> 01:15:31,694

But look, I didn't direct it.
I just acted in it.

1474

01:15:31,777 --> 01:15:34,321

The memory of your face in that film,

1475

01:15:35,823 --> 01:15:38,743

and seeing you again now haunts me.

1476

01:15:38,826 --> 01:15:39,869

Drives me.

1477

01:15:40,411 --> 01:15:44,248

What happens to an artist
when he loses his purpose?

1478

01:15:44,874 --> 01:15:46,208

It's pitiful.

1479

01:15:47,209 --> 01:15:48,419

No, you're right.

1480

01:15:52,423 --> 01:15:53,716

And what about her?

1481

01:15:54,550 --> 01:15:55,968

What school did you go to?

1482

01:15:56,719 --> 01:15:57,845

Brown.

1483

01:15:57,928 --> 01:15:59,096

Student loans?

1484

01:15:59,972 --> 01:16:01,098

No.

1485

01:16:01,182 --> 01:16:02,725

I'm sorry. You're dying.

1486

01:17:06,163 --> 01:17:08,123

Motherfucker.

1487

01:17:10,084 --> 01:17:11,085

Really?

1488

01:17:29,103 --> 01:17:31,647

No one is allowed
inside chef's house.

1489

01:17:31,730 --> 01:17:33,399

Do you think you're special?

1490

01:17:36,527 --> 01:17:38,487

You've disobeyed this rule.

1491

01:17:44,159 --> 01:17:47,830

I take care of the customers
so that chef can take care of the menu.

1492

01:17:52,835 --> 01:17:55,170

You've been a nuisance
since you have arrived.

1493

01:17:55,254 --> 01:17:56,463

I'm sorry.

1494

01:17:57,965 --> 01:17:59,675

If you don't mind me asking though,

1495

01:18:00,843 --> 01:18:02,261

why would you die for him?

1496

01:18:02,928 --> 01:18:04,638

You will not replace me.

1497

01:18:04,972 --> 01:18:08,601

Replace you?

Trust me, I have no...

1498

01:18:16,692 --> 01:18:18,527

No, no. No!

1499

01:18:41,967 --> 01:18:44,386

Stop! Enough!

1500

01:18:45,095 --> 01:18:47,932

He didn't tell me about the barrel.

1501

01:18:48,015 --> 01:18:49,850

I didn't forget.

1502

01:18:51,769 --> 01:18:53,520

Oh, my god!

1503

01:20:42,629 --> 01:20:43,672

Oh, my god.

1504

01:20:43,756 --> 01:20:45,174

Um...

1505

01:20:51,972 --> 01:20:52,973

Hello?

1506

01:20:53,057 --> 01:20:58,854

<i>Happy birthday, dear Bryce</i>

1507

01:20:58,937 --> 01:21:04,568

<i>happy birthday to you</i>

1508

01:21:04,651 --> 01:21:06,278

you told them it was my birthday?

1509

01:21:06,361 --> 01:21:08,697

Seemed funny about three hours ago.

1510

01:21:08,781 --> 01:21:09,948

Thank you.

1511

01:21:17,289 --> 01:21:20,876

Well, leave it there and take your seat.

1512

01:21:26,131 --> 01:21:29,384

I want you to

understand something, Margot.

1513

01:21:35,933 --> 01:21:37,392

I am a monster.

1514

01:21:38,018 --> 01:21:40,229

No, was a monster.

1515

01:21:40,687 --> 01:21:42,064

And a whore.

1516

01:21:43,065 --> 01:21:46,276

But tonight, everything I'm doing is pure.

1517

01:21:46,360 --> 01:21:47,444

Egoless.

1518

01:21:47,528 --> 01:21:51,115

And at last, the pain is almost gone.

1519

01:21:51,949 --> 01:21:53,450

Chef's hands.

1520

01:21:54,535 --> 01:21:56,829

Asbestos hands.

1521

01:21:56,912 --> 01:22:02,126

I can carry a cast-iron from a hot oven
to your table with no protection.

1522

01:22:04,670 --> 01:22:06,421

I can no longer be hurt, Margot.

1523

01:22:07,589 --> 01:22:11,135

As Dr. King said,
"we know through painful experience

1524

01:22:11,218 --> 01:22:14,805

"that freedom is never
voluntarily given by the oppressor.

1525

01:22:14,888 --> 01:22:18,183

"It must be demanded by the oppressed."

1526

01:22:18,267 --> 01:22:19,935

Did he just quote Martin Luther King?

1527

01:22:20,018 --> 01:22:21,103

- Yep.

- Yes, he did.

1528

01:22:25,065 --> 01:22:26,066

What?

1529

01:22:29,528 --> 01:22:31,530

I see you found our radio.

1530

01:22:31,613 --> 01:22:33,740

Clear the dining room immediately!

1531

01:22:33,824 --> 01:22:34,992

It's a boat!

1532

01:22:36,660 --> 01:22:37,953

Did you call someone?

1533

01:22:39,204 --> 01:22:41,165

- It's a boat.

- It's a boat.

1534

01:22:44,710 --> 01:22:46,545

What? What are you doing?

1535

01:22:47,588 --> 01:22:49,506

Easy! Easy, there!

1536

01:22:49,590 --> 01:22:50,990

The fuck are you doing to that man?

1537

01:22:51,049 --> 01:22:52,426

Bro, easy with that!

1538

01:22:54,511 --> 01:22:56,054

Tight, tight, tight.

1539

01:22:56,138 --> 01:22:57,264

Good.

1540

01:23:00,767 --> 01:23:02,895

You'll be tempted to ask him for help.

1541

01:23:02,978 --> 01:23:04,730

- To plead, even.

- No, no, no.

1542

01:23:04,813 --> 01:23:07,107

This would be unwise. He cannot help you.

1543

01:23:07,191 --> 01:23:08,400

Ask yourselves two things.

1544

01:23:08,483 --> 01:23:12,571

One, if you really wanna be responsible
for the death of an innocent man.

1545

01:23:12,654 --> 01:23:15,949

And two, ask yourselves,
this entire evening,

1546

01:23:16,033 --> 01:23:18,827

why didn't you all try harder
to fight back?

1547

01:23:18,911 --> 01:23:20,537

To get out of here?

1548

01:23:21,288 --> 01:23:23,123

Honestly, you probably could have.

1549

01:23:24,124 --> 01:23:25,959

Something to think about.

1550

01:23:35,052 --> 01:23:37,387

Good evening, officer.

How can we help you?

1551

01:23:37,971 --> 01:23:39,514

I got a report of a disturbance.

1552

01:23:40,349 --> 01:23:42,267

Uh, here?

1553

01:23:42,351 --> 01:23:43,644

What kind of a disturbance?

1554

01:23:45,312 --> 01:23:46,438

A violent one.

1555

01:23:47,981 --> 01:23:49,821

- Are you the owner?

- I am the executive chef.

1556

01:23:49,900 --> 01:23:53,153

Ownership changed hands recently,
but that's another story.

1557

01:23:53,237 --> 01:23:55,280

Now, I don't wish to be rude,
but as you can see,

1558

01:23:55,364 --> 01:23:57,032

we're right in the middle of service.

1559

01:24:01,370 --> 01:24:04,581

Did anybody here call in a distress
over the shortwave tonight?

1560

01:24:08,919 --> 01:24:11,380

We're not in the habit
of serving our guests

1561

01:24:11,463 --> 01:24:14,007

shortwave radios with their meals.

1562

01:24:25,269 --> 01:24:26,603

Hey.

1563

01:24:26,687 --> 01:24:28,355

Uh... are you...

1564

01:24:29,106 --> 01:24:31,525

Yes, yes, yes. I am.

1565

01:24:31,608 --> 01:24:34,152

Wow. I'm a big fan.

1566

01:24:34,778 --> 01:24:35,779

Thank you.

1567

01:24:35,862 --> 01:24:37,197

Would you like his autograph?

1568

01:24:39,825 --> 01:24:40,993

Uh...

1569

01:24:41,702 --> 01:24:42,782

I don't want to bother you.

1570

01:24:42,828 --> 01:24:45,497

No, no, no. It wouldn't be a bother.

1571

01:24:45,580 --> 01:24:47,541

I just, I don't have a...

1572

01:24:47,624 --> 01:24:49,960

No, we have a pen. Let's do it.

1573

01:24:51,253 --> 01:24:52,254

Yeah.

1574

01:24:52,337 --> 01:24:53,630

Thank you.

1575

01:24:55,257 --> 01:24:56,633

- What's your name?

- Dale.

1576

01:24:56,717 --> 01:24:59,594

- Dale. What's up, Dale?

- Hi.

1577

01:25:00,304 --> 01:25:02,347

You're great.

1578

01:25:02,431 --> 01:25:04,683

My wife and I, we loved that, um...

1579

01:25:04,766 --> 01:25:07,269

What's it called?

The one where you play the surgeon?

1580

01:25:07,352 --> 01:25:09,980

Yeah. *Calling doctor sunshine.*

1581

01:25:10,063 --> 01:25:12,691

- Yeah! Yeah, great stuff.

- Here you go.

1582

01:25:13,150 --> 01:25:14,484

Thank you so much.

1583

01:25:16,361 --> 01:25:18,155

Okay. Um...

1584

01:25:18,238 --> 01:25:23,327

Well, sorry again for bothering you folks.

Uh, I'll be leaving now.

1585

01:25:23,410 --> 01:25:24,786

For all you do, man, anytime.

1586

01:25:24,870 --> 01:25:26,747

Well, thank you for your service.

1587

01:25:37,299 --> 01:25:38,884

Hands on your head! Everyone! Now!

1588

01:25:38,967 --> 01:25:41,303

No, no. You're joking.

1589

01:25:41,386 --> 01:25:42,471

You're joking.

1590

01:25:42,554 --> 01:25:44,014

I am not joking, sir.

1591

01:25:44,097 --> 01:25:46,725

Come on. Clearly,
there's a misunderstanding.

1592

01:25:46,808 --> 01:25:47,809

Help us!

1593

01:25:47,893 --> 01:25:49,811

- Yes! Yes!

- He wants to kill us all!

1594

01:25:49,895 --> 01:25:52,064

Back to your seats!

Everyone! Back to your seat now!

1595

01:25:52,147 --> 01:25:53,774

He's fucking crazy!

1596

01:25:53,857 --> 01:25:55,108

Back in your chair now.

1597

01:25:55,192 --> 01:25:57,652

Silence! Everyone, back to where you were.

1598

01:25:57,736 --> 01:25:59,696

Sit down. Now!

1599

01:26:00,322 --> 01:26:01,406

Quiet!

1600

01:26:01,490 --> 01:26:03,075

- It's him! It's him!

- Him!

1601

01:26:03,158 --> 01:26:05,494

- Everyone!

- He wants to kill us all!

1602

01:26:05,577 --> 01:26:06,953

Do not speak!

1603

01:26:09,623 --> 01:26:10,624

You.

1604

01:26:11,333 --> 01:26:13,752

On your knees with your hands
over your head. Now.

1605

01:26:13,835 --> 01:26:16,088

- Yes!

- Thank you!

1606

01:26:17,422 --> 01:26:20,509

- You are fucked!

- Yes! Yes! Yes!

1607

01:26:20,592 --> 01:26:21,593

Oh, my god!

1608

01:26:21,676 --> 01:26:24,179

All these other fuckers
are with them too, sir. Watch out.

1609

01:26:24,262 --> 01:26:25,972

- Calm down!

- Fuck you!

1610

01:26:26,056 --> 01:26:27,391

- Stay calm.

- Fuck you!

1611

01:26:28,058 --> 01:26:32,229

Nobody move until I say so. No one move!

1612

01:26:36,358 --> 01:26:38,360

- No, no!

- What are you doing?

1613

01:26:38,443 --> 01:26:39,486

Hey, hey, hey.

1614

01:26:39,569 --> 01:26:40,570

- Him, him, him!

- No!

1615

01:26:51,039 --> 01:26:53,041

Thank you, Dale. Thank you.

1616

01:27:00,006 --> 01:27:01,049

Good job.

1617

01:27:03,343 --> 01:27:06,972

So, in a kitchen we all work together,
or nothing works at all.

1618

01:27:08,181 --> 01:27:09,850

We work as a team.

1619

01:27:13,979 --> 01:27:15,188

You...

1620

01:27:15,272 --> 01:27:17,941

Margot from Nebraska.

1621

01:27:21,278 --> 01:27:24,865

You... you've betrayed
our sacred bond of trust.

1622

01:27:25,323 --> 01:27:29,661

And you've shown your craft
to be careless.

1623

01:27:30,912 --> 01:27:34,791

I was wrong.
You're an eater. You're a taker.

1624

01:27:35,834 --> 01:27:37,461

Like all the rest.

1625

01:27:49,389 --> 01:27:51,975

Final course! Plating in five!

1626

01:27:52,058 --> 01:27:53,477

Yes, chef!

1627

01:28:31,348 --> 01:28:33,183

I don't like your food.

1628

01:28:33,266 --> 01:28:34,351

What did you say?

1629

01:28:34,434 --> 01:28:38,271

I said I don't like your food,
and I would like to send it back.

1630

01:28:55,455 --> 01:28:57,165

I'm sorry to hear that.

1631

01:28:57,916 --> 01:29:00,377

What about my food is not to your liking?

1632

01:29:03,171 --> 01:29:04,214

For starters,

1633

01:29:05,006 --> 01:29:07,217

you've taken the joy out of eating.

1634

01:29:08,134 --> 01:29:11,763

Every dish you served tonight
has been some intellectual exercise

1635

01:29:11,846 --> 01:29:14,683

rather than something you want
to sit and enjoy.

1636

01:29:16,184 --> 01:29:19,938

When I eat your food,
it tastes like it was made with no love.

1637

01:29:20,605 --> 01:29:23,233

Oh, this is ridiculous.
We always cook with love.

1638

01:29:23,316 --> 01:29:25,569

- Don't we?
- Yes, chef!

1639

01:29:25,652 --> 01:29:28,446

Everyone knows love
is the most important ingredient.

1640

01:29:28,530 --> 01:29:29,864

Then you're kidding yourself.

1641

01:29:30,865 --> 01:29:34,035

Come on, chef. I thought tonight
was a night of hard home truths.

1642

01:29:34,119 --> 01:29:35,120

This is one of them.

1643

01:29:35,203 --> 01:29:37,914

You cook with obsession, not love.

1644

01:29:39,666 --> 01:29:41,376

Even your hot dishes are cold.

1645

01:29:42,502 --> 01:29:43,587

You're a chef.

1646

01:29:44,212 --> 01:29:47,007

Your single purpose on this earth
is to serve people food

1647

01:29:47,090 --> 01:29:49,843

that they might actually like,
and you have failed.

1648

01:29:50,635 --> 01:29:51,886

You've failed.

1649

01:29:51,970 --> 01:29:53,346

And you've bored me.

1650

01:29:53,430 --> 01:29:56,391

And the worst part is
I'm still fucking hungry.

1651

01:29:57,684 --> 01:29:59,686

You're... you're still hungry?

1652

01:29:59,769 --> 01:30:00,770

Yes, I am.

1653

01:30:03,565 --> 01:30:04,566

How hungry?

1654

01:30:05,191 --> 01:30:06,234

Starved.

1655

01:30:06,318 --> 01:30:07,944

Well, what are you hungry for?

1656

01:30:08,028 --> 01:30:09,404

What do you have?

1657

01:30:09,487 --> 01:30:10,488

Everything.

1658

01:30:12,115 --> 01:30:14,659

- You know what I'd really like?

- Tell me.

1659

01:30:15,827 --> 01:30:17,162

A cheeseburger.

1660

01:30:24,377 --> 01:30:26,671

Yeah, we can do a cheeseburger.

1661

01:30:26,755 --> 01:30:28,506

A real cheeseburger.

1662

01:30:28,590 --> 01:30:30,967

Not some fancy,

deconstructed avant bullshit.

1663

01:30:31,051 --> 01:30:32,886

A real cheeseburger.

1664

01:30:32,969 --> 01:30:36,139

Well, I'll make you a very good,
very traditional cheeseburger.

1665

01:30:36,222 --> 01:30:37,349

I don't think you can.

1666

01:30:37,432 --> 01:30:41,102

I'll make you feel as if you're eating
the first cheeseburger you ever ate.

1667

01:30:42,020 --> 01:30:44,689

The cheap one your parents

could barely afford.

1668

01:30:45,273 --> 01:30:47,150

- Show me.

- How do you like it?

1669

01:30:47,233 --> 01:30:49,069

Medium. American cheese.

1670

01:30:49,152 --> 01:30:51,404

American cheese is the best cheese
for a cheeseburger,

1671

01:30:51,488 --> 01:30:53,156

because it melts without splitting.

1672

01:30:53,239 --> 01:30:54,479

How much will that set me back?

1673

01:30:54,532 --> 01:30:55,700

\$9.95.

1674

01:30:57,911 --> 01:30:59,204

That come with fries?

1675

01:30:59,746 --> 01:31:01,122

- Niels.

- Yes, chef?

1676

01:31:01,206 --> 01:31:03,124

- Is the fryer still on?

- Yes, chef.

1677

01:31:04,125 --> 01:31:06,920

Crinkle-cut or julienne?

1678

01:32:45,393 --> 01:32:46,394

Hmm.

1679

01:32:54,235 --> 01:32:55,278

Mmm.

1680

01:33:01,159 --> 01:33:02,285

Now that...

1681

01:33:05,330 --> 01:33:06,790

is a cheeseburger.

1682

01:33:07,290 --> 01:33:08,917

Yeah.

1683

01:33:09,000 --> 01:33:10,668

That is a cheeseburger.

1684

01:33:14,339 --> 01:33:18,134

Unfortunately, I think my eyes
were a little bigger than my stomach.

1685

01:33:21,304 --> 01:33:22,555

Well, I understand.

1686

01:33:24,891 --> 01:33:26,434

Can I get the rest to go?

1687

01:33:35,902 --> 01:33:37,195

One moment, please.

1688

01:33:54,504 --> 01:33:55,964

One cheeseburger to go.

1689

01:33:58,174 --> 01:33:59,342

And a gift bag.

1690

01:34:03,680 --> 01:34:05,640

Thank you for dining at hawthorn.

1691

01:34:07,559 --> 01:34:08,685

Thank you...

1692

01:34:10,520 --> 01:34:11,771

for, um...

1693

01:34:15,567 --> 01:34:17,819

For everything.

1694

01:35:10,872 --> 01:35:15,418

Before our final course,
there is the matter of the bill.

1695

01:35:15,501 --> 01:35:19,255

We're on a no-tip system,
so gratuity is included.

1696

01:35:19,339 --> 01:35:21,466

And please enjoy your gift bags.

1697

01:35:21,549 --> 01:35:24,093

Um... some goodies in there.

1698

01:35:25,303 --> 01:35:27,680

A booklet of our local suppliers,

1699

01:35:28,348 --> 01:35:30,391

some house-made granola,

1700

01:35:31,267 --> 01:35:36,397

one of Doug verrick's fingers,
and a copy of tonight's menu.

1701

01:35:40,151 --> 01:35:41,694

Oh! No, no.

1702

01:35:42,695 --> 01:35:43,821

It's on the magazine.

1703

01:35:54,165 --> 01:35:55,833

I told you you weren't leaving.

1704

01:36:03,216 --> 01:36:07,637

So, once again,

thank you for dining with us tonight.

1705

01:36:09,263 --> 01:36:11,933

You represent the ruin of my art

1706

01:36:13,351 --> 01:36:14,560

and my life,

1707

01:36:15,478 --> 01:36:18,064

and now you get to be a part of it.

1708

01:36:19,190 --> 01:36:23,528

A part of what I hope is my masterpiece.

1709

01:37:15,538 --> 01:37:17,498

And now, our final dessert course

1710

01:37:17,582 --> 01:37:21,335

is a playful twist

on a comfort food classic.

1711

01:37:23,129 --> 01:37:24,630

The s'more.

1712

01:37:26,132 --> 01:37:29,844

The most offensive assault

on the human palate ever contrived.

1713

01:37:30,553 --> 01:37:33,222

Unethically sourced chocolate

and gelatinized sugar water

1714

01:37:33,306 --> 01:37:36,517

imprisoned by industrial-grade

Graham cracker.

1715

01:37:36,601 --> 01:37:41,147

It's everything wrong with us,
and yet we associate it with innocence.

1716

01:37:41,230 --> 01:37:42,440

With childhood.

1717

01:37:42,523 --> 01:37:43,858

<i>Mom and dad.</i>

1718

01:37:44,942 --> 01:37:50,364

But what transforms
this fucking monstrosity is fire.

1719

01:37:50,448 --> 01:37:51,783

Oh, god.

1720

01:37:55,119 --> 01:37:57,038

The purifying flame.

1721

01:37:57,622 --> 01:38:00,124

It nourishes us, warms us,

1722

01:38:00,792 --> 01:38:05,630

re-invents us, forges and destroys us.

1723

01:38:06,339 --> 01:38:08,382

We must embrace the flame.

1724

01:38:12,428 --> 01:38:14,514

Jesus fucking Christ! Please.

1725

01:38:23,981 --> 01:38:26,067

We must be cleansed.

1726

01:38:27,193 --> 01:38:28,653

Made clean.

1727

01:38:30,238 --> 01:38:31,906

Like martyrs

1728

01:38:33,241 --> 01:38:34,492

or heretics.

1729

01:38:35,326 --> 01:38:37,703

We can be subsumed...

1730

01:38:37,787 --> 01:38:40,957

and made anew.

1731

01:38:41,040 --> 01:38:42,750

Thank you.

1732

01:38:54,262 --> 01:38:55,513

I love you all!

1733

01:38:55,596 --> 01:38:57,598

We love you, chef!
