

Dialogues from The Substance to improve the vocabulary in English

1

00:00:04,417 --> 00:00:07,333

[Ethereal melody;

Soothing, bell-like percussion]

2

00:00:14,042 --> 00:00:16,625

[Delicate violin plucking]

3

00:00:23,667 --> 00:00:26,417

[Sustained,

warm violin tone joins]

4

00:00:32,083 --> 00:00:34,417

[Music fades]

5

00:01:35,417 --> 00:01:37,833

[Squelching]

6

00:01:48,417 --> 00:01:50,708

[Squelching stops]

7

00:01:58,833 --> 00:02:02,042

[Grand, ominous music]

8

00:02:42,083 --> 00:02:44,542

[Dreamy twinkling;

Music continues]

9

00:02:49,208 --> 00:02:52,000

- [Loud clamour]

- [Paparazzi] Elisabeth!

10

00:02:52,583 --> 00:02:54,208

- We love you!

- We love you, Elisabeth!

11

00:02:54,209 --> 00:02:55,916

- Please!

- Over here!

12

00:02:55,917 --> 00:02:57,625

Oh my God, we love you!

13

00:02:58,333 --> 00:03:00,667

- [Clamour fades]

- [Passerby, in Spanish] I love her.

14

00:03:01,458 --> 00:03:04,125

- [Indistinct laughter]

- [Man, in English] Sparkle!

15

00:03:05,250 --> 00:03:07,000

[Passerby 2]...my favourite.

16

00:03:07,208 --> 00:03:08,624

[Passerby 3] Wanna get something to eat?

17

00:03:08,625 --> 00:03:10,833

[Passerby 4] Yeah, I'll get a pretzel,
or something.

18

00:03:10,958 --> 00:03:13,375

[Wind blows;

Soft crackle]

19

00:03:15,250 --> 00:03:18,250

- [Passerby 5] Remember her?

- [Passerby 6] She was in that movie... Uh!

20

00:03:18,251 --> 00:03:20,417

[Music turns haunting]

21

00:03:24,000 --> 00:03:26,458

[Passerby 7] We're gonna have to let her
know we're gonna be late.

22

00:03:26,459 --> 00:03:28,208

[Passerby 8] Yeah, I'll give her a text.

23

00:03:31,542 --> 00:03:33,083

[Passerby 9] He owes me 20 bucks.

24

00:03:44,875 --> 00:03:47,292

[Loud honks, traffic clutter;
Music concludes]

25

00:03:47,293 --> 00:03:49,083

[Indistinct yelling]

26

00:03:49,458 --> 00:03:51,018

[Man with the trolley] Get out the way!

27

00:03:51,083 --> 00:03:52,167

[In Spanish] *Vamos*!

28

00:03:53,792 --> 00:03:54,999

[Drilling nearby]

29

00:03:55,000 --> 00:03:56,292

[Passerby 10, in English] Shit!

30

00:04:07,375 --> 00:04:09,375

[Traffic clutter and honking continue]

31

00:04:15,042 --> 00:04:17,208

[Hammering nearby]

32

00:04:22,833 --> 00:04:24,958

[Hammering blends with

upbeat workout music]

33

00:04:26,417 --> 00:04:27,417

You got it!

34

00:04:28,000 --> 00:04:29,542

Feel that power, ladies!

35

00:04:32,375 --> 00:04:34,042

And march! Get those knees up.

36

00:04:34,208 --> 00:04:35,208

You got it!

37

00:04:38,250 --> 00:04:39,250

Come on!

38

00:04:39,792 --> 00:04:40,875

Front.

39

00:04:41,042 --> 00:04:42,208

Kick!

40

00:04:42,917 --> 00:04:43,958

Kick!

41

00:04:44,542 --> 00:04:46,042

Oh yeah, you got it!

42

00:04:47,000 --> 00:04:48,042

Square.

43

00:04:48,500 --> 00:04:49,917

Think about those bikini bods.

44

00:04:50,083 --> 00:04:52,875

You wanna look

like a giant jellyfish on the beach?

45

00:04:53,667 --> 00:04:54,667

Come on.

46

00:04:55,417 --> 00:04:56,417

Cross.

47

00:04:57,083 --> 00:04:58,208

Push.

48

00:04:58,917 --> 00:05:01,125

Kick! Come on, you got it!

49

00:05:01,667 --> 00:05:03,542

Hang in there, ladies, you've got it.

50

00:05:03,750 --> 00:05:05,375

[Subtle buzz]

51

00:05:06,083 --> 00:05:07,708

You've got it!

52

00:05:08,125 --> 00:05:09,833

[She cheers] Whoo!

53

00:05:12,167 --> 00:05:13,667

Great workout, ladies.

54

00:05:15,125 --> 00:05:17,875

Alright, I hope I see you next week
for *Sparkle Your Life*.

55

00:05:18,042 --> 00:05:19,583

We're gonna work on the lateral abs,

56

00:05:19,750 --> 00:05:22,042

you know,
the most difficult part to sculpt.

57

00:05:22,208 --> 00:05:23,625

But in the meantime,

58

00:05:23,792 --> 00:05:25,375

take care of yourself.

59

00:05:27,917 --> 00:05:30,041

[Buzz;
Strident ring]

60

00:05:30,042 --> 00:05:31,583

[Director] Move it back, position one.

61

00:05:31,584 --> 00:05:33,000

[Elisabeth] Great job, ladies.

62

00:05:33,167 --> 00:05:34,666

You got it.

63

00:05:34,667 --> 00:05:36,707

[Crew member] Alright,
get these lights down for me.

64

00:05:37,042 --> 00:05:38,792

[Indistinct chatter]

65

00:05:41,583 --> 00:05:43,542

[Subtle reverberation]

66

00:05:43,750 --> 00:05:45,457

[She exhales, deeply]

67

00:05:45,458 --> 00:05:47,542

[Quiet elevator music on speaker]

68

00:05:55,042 --> 00:05:56,875

- Happy birthday!

- Oh, thank you.

69

00:06:00,250 --> 00:06:02,083

- Happy birthday.

- [Elisabeth] Oh, thank you.

70

00:06:02,208 --> 00:06:04,583

- Happy birthday.

- Thank you.

71

00:06:16,375 --> 00:06:18,458

[Music fades;

Electric buzz]

72

00:06:24,875 --> 00:06:29,000

I don't care if we have to see every
fucking young girl in this fucking town

73

00:06:29,001 --> 00:06:30,375

in the next few weeks!

74

00:06:30,917 --> 00:06:32,333

- Look,

- [Belt buckle clinks]

75

00:06:32,334 --> 00:06:33,708

I'll make it simple.

76

00:06:33,917 --> 00:06:35,583

We need her young.

77

00:06:35,750 --> 00:06:37,708

We need her hot.

78

00:06:37,875 --> 00:06:39,542

We need her now.

79

00:06:39,708 --> 00:06:40,791

[Zipper scratches]

80

00:06:40,792 --> 00:06:43,417

How the old bitch has been able
to stick around for this long,

81

00:06:43,418 --> 00:06:45,625

that's the fucking mystery to me.

82

00:06:45,626 --> 00:06:46,999

[Urine streams]

83

00:06:47,000 --> 00:06:49,707

Oh, Oscar winner my ass.

84

00:06:49,708 --> 00:06:51,666

When was that? Back in the 30s,

85

00:06:51,667 --> 00:06:53,625

what, for *King Kong*?

86

00:06:56,042 --> 00:06:57,917

- [Producer on mobile] *<i>...promised her...</i>*

- No.

87

00:06:57,918 --> 00:07:01,417

I don't give a fuck

what we promised her!

88

00:07:02,000 --> 00:07:04,708

This is network TV,

not a fucking charity.

89

00:07:06,458 --> 00:07:09,042

- Find me somebody new!

- [Zipper scratches]

90

00:07:09,043 --> 00:07:10,207

Now!

91

00:07:10,208 --> 00:07:11,541

[Urinal flushes]

92

00:07:11,542 --> 00:07:16,875

Hey, did you know that a woman's fertility
starts to decrease about the age of 25?

93

00:07:17,208 --> 00:07:18,708

How old is Jennifer?

94

00:07:18,875 --> 00:07:21,042

[He laughs] You better get busy!

95

00:07:27,167 --> 00:07:29,458

[Toilet flushes]

96

00:07:38,458 --> 00:07:40,708

[Synth beat, uneasy music]

97

00:07:55,667 --> 00:07:57,792

- [Deep, resonating thud]

- [Music stops]

98

00:07:57,958 --> 00:08:00,583

[Man] *It's like when you see
someone fart on screen.*

99

00:08:01,000 --> 00:08:02,499

[Insect buzzing]

100

00:08:02,500 --> 00:08:04,000

[Muffled squelching]

101

00:08:05,625 --> 00:08:07,792

- [Incidental restaurant music]

- People just love that.

102

00:08:07,793 --> 00:08:09,542

I mean, that's just the way it is.

103

00:08:09,543 --> 00:08:11,042

[Muffled, distorted squelching]

104

00:08:11,043 --> 00:08:12,541

[In French] *C'est la vie.*

105

00:08:12,542 --> 00:08:14,082

[In English] People are just people.

106

00:08:14,083 --> 00:08:17,750

And I have to give people

what they want.

107

00:08:18,000 --> 00:08:20,083

That's what keeps the shareholders happy.

108

00:08:20,250 --> 00:08:23,917

And people always ask
for something new.

109

00:08:24,583 --> 00:08:25,833

Renewal

110

00:08:26,667 --> 00:08:27,958

is inevitable.

111

00:08:28,875 --> 00:08:30,208

And at 50...

112

00:08:30,667 --> 00:08:31,707

well...

113

00:08:31,708 --> 00:08:33,125

[Muffled, distorted squelching]

114

00:08:33,417 --> 00:08:34,500

it stops.

115

00:08:35,208 --> 00:08:36,667

What stops?

116

00:08:37,417 --> 00:08:38,750

- [Restaurant music stops]

- What?

117

00:08:38,751 --> 00:08:40,375

What stops?

118

00:08:41,750 --> 00:08:42,958

Um...

119

00:08:43,458 --> 00:08:44,917

you know, the...

120

00:08:45,333 --> 00:08:47,292

[Music resumes]

121

00:08:48,000 --> 00:08:49,417

the...

122

00:08:49,667 --> 00:08:50,833

[Squelching]

123

00:08:52,875 --> 00:08:54,208

Oh, George!

124

00:08:54,417 --> 00:08:56,207

Oh, oh!

125

00:08:56,208 --> 00:08:57,249

I'm sorry, I gotta run.

126

00:08:57,250 --> 00:08:59,437

- [George] Harvey!

- [Harvey squeals]

127

00:08:59,438 --> 00:09:01,625

[Harvey] George, those ratings are insane!

128

00:09:02,875 --> 00:09:04,332

You're a genius!

129

00:09:04,333 --> 00:09:06,333

Oh what a mensch, you're a genius!

130

00:09:07,958 --> 00:09:09,291

Let's buy you a drink, come on.

131

00:09:09,292 --> 00:09:13,625

- [Lively conversation in the background]

- [Music muffles, distorts]

132

00:09:16,042 --> 00:09:18,333

[Muffled thud;

Low-pitched humming]

133

00:09:23,542 --> 00:09:26,125

[Humming blends with traffic ambience]

134

00:09:42,417 --> 00:09:44,625

[Loud bang, tires screech]

135

00:09:51,333 --> 00:09:53,458

[Car alarm goes off]

136

00:09:58,042 --> 00:09:59,583

[Alarm fades]

137

00:09:59,750 --> 00:10:01,750

[Doctor] Well, it's your lucky day,
Miss Sparkle,

138

00:10:01,751 --> 00:10:03,791

'cause we have X-rayed
you from head to toe,

139

00:10:03,792 --> 00:10:05,833

and you don't have so much
as a cracked molar.

140

00:10:05,834 --> 00:10:08,417

So, you are good to go.

141

00:10:09,292 --> 00:10:11,958

- Um, vaccination, okay.

- [Subtle reverberation]

142

00:10:11,959 --> 00:10:14,624

[His voice muffles] Not currently
on any medication.

143

00:10:14,625 --> 00:10:17,042

- [Reverberation stops]

- By the way, I just want to say, my...

144

00:10:17,043 --> 00:10:19,292

my wife is a huge fan.

145

00:10:21,042 --> 00:10:22,375

Um...

146

00:10:22,708 --> 00:10:24,208

Blood type...

147

00:10:24,375 --> 00:10:26,208

Oh hey, it's your birthday!

148

00:10:26,333 --> 00:10:27,813

- Happy bir...

- [She cries, sniffles]

149

00:10:35,750 --> 00:10:37,249

[Pager vibrates]

150

00:10:37,250 --> 00:10:40,583

Oh, uh, that's an emergency,

I'm sorry, I have to...

151

00:10:40,792 --> 00:10:42,333

Have a good...

152

00:10:42,958 --> 00:10:44,042

Bye.

153

00:10:44,625 --> 00:10:47,167

[Footsteps recede, door opens]

154

00:10:48,500 --> 00:10:50,208

[Door closes]

155

00:10:51,292 --> 00:10:53,333

- [Abrupt, deep reverberation]

- [Nurse] One moment.

156

00:10:53,833 --> 00:10:55,875

There's just one last exam to perform.

157

00:10:56,042 --> 00:10:57,667

I thought he said I was good to go.

158

00:10:57,668 --> 00:10:59,333

[She gasps]

159

00:11:00,667 --> 00:11:02,792

[Muffled heartbeat]

160

00:11:12,042 --> 00:11:14,375

[Soft, uneasy droning tone]

161

00:11:19,625 --> 00:11:22,000

- Is there a problem?

- No, it's perfect.

162

00:11:22,542 --> 00:11:23,833

You're a good candidate.

163

00:11:24,500 --> 00:11:26,667

I mean, you're good to go.

164

00:11:30,583 --> 00:11:32,042

I wish you the best.

165

00:11:33,000 --> 00:11:35,375

[Droning tone builds up]

166

00:11:42,458 --> 00:11:44,750

[Tone fades]

167

00:11:51,708 --> 00:11:54,042

[Sirens blare in the distance]

168

00:12:03,458 --> 00:12:05,792

[Soft, droning tone resumes]

169

00:12:08,000 --> 00:12:09,541

[Tone intensifies]

170

00:12:09,542 --> 00:12:11,208

- [Man] Lizzie?

- [Tone stops, abruptly]

171

00:12:12,458 --> 00:12:13,917

Lizzie Sparkle?

172

00:12:14,167 --> 00:12:15,958

Oh my God, I can't believe it.

173

00:12:18,292 --> 00:12:19,333

Fred!

174

00:12:20,458 --> 00:12:22,917

Fred, from 10th grade home room!

175

00:12:24,250 --> 00:12:25,458

Oh...

176

00:12:25,833 --> 00:12:27,916

Fred, of course!

177

00:12:27,917 --> 00:12:29,833

You haven't changed a bit.

178

00:12:30,375 --> 00:12:33,792

You're still the most beautiful girl
in the whole wide world.

179

00:12:34,500 --> 00:12:36,958

You know, I followed your career.

What a success! I mean...

180

00:12:37,375 --> 00:12:39,625

Wow, wow, wow!

181

- [Music subsides]

730

01:09:33,626 --> 01:09:34,917

Watch out!

731

01:09:40,417 --> 01:09:42,792

[Music crescendos]

732

01:09:43,500 --> 01:09:44,542

What?

733

01:09:53,042 --> 01:09:54,958

[Motorcycle engine revs]

734

01:09:55,208 --> 01:09:56,250

Hey!

735

01:09:56,417 --> 01:09:57,417

Move!

736

01:10:08,333 --> 01:10:09,417

[Music stops]

737

01:10:12,375 --> 01:10:13,875

[She grunts]

738

01:10:23,917 --> 01:10:26,625

[Synth beat, delicate music]

739

01:10:28,083 --> 01:10:31,417

<i>You're still the most beautiful girl
in the whole wide world.</i>

740

01:10:35,917 --> 01:10:37,500

- [She sighs]

- [Music fades]

741

01:10:38,000 --> 01:10:40,042

[Ringback tone]

742

01:10:41,333 --> 01:10:42,458

[Man on mobile] <i>Hello?</i>

743

01:10:42,459 --> 01:10:44,000

Hi, Fred.

744

01:10:44,001 --> 01:10:45,542

It's Lizzie.

745

01:10:48,583 --> 01:10:49,708

Hello?

746

01:10:50,250 --> 01:10:52,125

[Fred] *Sorry, I'm in shock.*

747

01:10:52,625 --> 01:10:55,250

- Oh.

- [Fred] *Wow, wow, wow!*

748

01:10:55,750 --> 01:10:58,042

*I thought I'd never
hear from you again after...*

749

01:10:58,043 --> 01:10:59,812

Oh gosh, no, not at all.

750

01:10:59,813 --> 01:11:01,583

I've just, I've just...

751

01:11:01,750 --> 01:11:03,583

I've just been really busy lately.

752

01:11:04,042 --> 01:11:05,208

So listen,

753

01:11:05,583 --> 01:11:07,875

I was thinking that...

754

01:11:09,625 --> 01:11:12,833

maybe we could get together

and grab a drink?

755

01:11:18,292 --> 01:11:19,583

Are you still there?

756

01:11:20,333 --> 01:11:22,500

[Fred] *Sorry, I'm in shock again.*

757

01:11:23,583 --> 01:11:25,895

- [Fred laughs nervously]

- Um...

758

01:11:25,896 --> 01:11:28,208

<i>I could book Luigi's at 8?</i>

759

01:11:28,750 --> 01:11:30,917

Eight at Luigi's it is.

760

01:11:31,167 --> 01:11:32,708

I...

761

01:11:33,125 --> 01:11:34,958

I will see you tonight.

762

01:11:34,959 --> 01:11:36,124

[Fred chuckles]

763

01:11:36,125 --> 01:11:39,042

- [Fred] <i>Bye.</i>

- Okay. Bye.

764

01:11:41,583 --> 01:11:43,292

[She sighs]

765

01:11:47,750 --> 01:11:50,583

[Unsettling drone, suspenseful music]

766

01:12:23,208 --> 01:12:25,042

[Music fades]

767

01:12:37,417 --> 01:12:39,042

[Music resumes]

768

01:12:39,375 --> 01:12:41,667

[Faint, hollow drone tone]

769

01:13:22,167 --> 01:13:23,708

[Music subsides]

770

01:13:35,792 --> 01:13:37,875

[Music resumes]

771

01:13:42,042 --> 01:13:44,833

[Tense, intimidating rumble]

772

01:13:53,333 --> 01:13:55,208

[Music stops]

773

01:14:25,667 --> 01:14:27,792

[Music resumes, intensifies]

774

01:14:51,125 --> 01:14:52,625

[She sighs]

775

01:14:52,833 --> 01:14:53,875

[Music stops]

776

01:14:59,708 --> 01:15:01,917

[Music resumes]

777

01:15:05,500 --> 01:15:07,500

[Alarming beats, muffled]

778

01:15:08,792 --> 01:15:10,625

[Distressed breathing]

779

01:15:15,750 --> 01:15:17,750

[Music intensifies]

780

01:15:27,083 --> 01:15:29,333

[Heavy, glitchy rumbling]

781

01:15:29,542 --> 01:15:31,375

[Music subsides]

782

01:15:38,292 --> 01:15:40,292

[Deep, resonating pumps]

783

01:15:55,708 --> 01:15:57,708

[Muffled squelching]

784

01:15:58,333 --> 01:16:00,625

[Deep synth screech]

785

01:16:07,000 --> 01:16:09,125

[Screech stops, resonates]

786

01:16:31,958 --> 01:16:34,875

[TV host] *<i>And we're back!*

And welcome back to...</i>

787

01:16:35,167 --> 01:16:37,042

<i>Bob and Judy, are you ready?</i>

788

01:16:42,917 --> 01:16:44,333

Hi everybody!

789

01:16:45,417 --> 01:16:47,833

[Director] Okay, here we go everyone,
clear the set, please.

790

01:16:47,834 --> 01:16:49,416

First positions, thank you.

791

01:16:49,417 --> 01:16:51,000

- Roll cameras.

- [Loud beep]

792

01:16:51,167 --> 01:16:52,292

And in...

793

01:16:52,458 --> 01:16:53,667

Three, two...

794

01:16:54,125 --> 01:16:55,124

one...

795

01:16:55,125 --> 01:16:56,875

[Energetic workout music]

796

01:16:58,042 --> 01:17:00,375

And squat, squat, squat.

797

01:17:01,958 --> 01:17:03,375

Circle those hips.

798

01:17:03,958 --> 01:17:05,167

Circle those hips.

799

01:17:05,500 --> 01:17:07,875

Contract, contract, contract.

800

01:17:08,417 --> 01:17:11,083

Contract, contract, contract.

801

01:17:11,375 --> 01:17:13,167

Head between your legs!

802

01:17:14,958 --> 01:17:16,250

[Sue squeaks;

Music stops]

803

01:17:19,000 --> 01:17:20,875

- [Man] Cut!

- [Strident ring]

804

01:17:23,083 --> 01:17:24,082

Um...

805

01:17:24,083 --> 01:17:25,375

I'm sorry, I thought I...

806

01:17:26,583 --> 01:17:28,208

I thought I...

807

01:17:29,375 --> 01:17:30,917

I just got distracted.

808

01:17:31,750 --> 01:17:33,430

Not a problem, let's get right back to it.

809

01:17:33,792 --> 01:17:34,875

Back to one, please.

810

01:17:36,208 --> 01:17:37,957

[No audible dialogue]

811

01:17:37,958 --> 01:17:39,625

Sorry, it's the control room now.

812

01:17:39,833 --> 01:17:42,167

The director said he saw
something bizarre on the monitor.

813

01:17:42,333 --> 01:17:43,958

Bring up the replay on camera 2.

814

01:17:43,959 --> 01:17:45,125

Camera 2!

815

01:17:45,375 --> 01:17:47,667

[Suspenseful, unsettling music]

816

01:17:56,250 --> 01:17:57,667

- Forward.

- [High-pitched whirring]

817

01:18:03,333 --> 01:18:04,458

Can I have my dressing gown?

818

01:18:04,792 --> 01:18:07,500

- Sorry, it's in your dressing room.

- Well then, go and get it!

819

01:18:07,875 --> 01:18:09,417

Let's just take this frame by frame.

820

01:18:09,418 --> 01:18:11,958

[Sombre, pulsating music]

821

01:18:23,875 --> 01:18:24,917

I need five minutes.

822

01:18:31,042 --> 01:18:33,000

[Music subsides]

823

01:18:36,292 --> 01:18:37,332

[She gasps]

824

01:18:37,333 --> 01:18:39,542

[Subtle squelching]

825

01:18:41,792 --> 01:18:43,958

[Music resumes]

826

01:18:50,833 --> 01:18:52,375

[Agitated breathing]

827

01:19:10,458 --> 01:19:12,583

[Muffled squelching]

828

01:19:28,542 --> 01:19:29,833

[Music continues]

829

01:19:33,458 --> 01:19:34,542

[She grunts]

830

01:19:35,583 --> 01:19:37,333

[Music crescendos, stops]

831

01:19:38,542 --> 01:19:40,167

[She screams, pants]

832

01:19:50,125 --> 01:19:52,083

[Deep, airy howling]

833

01:19:52,084 --> 01:19:53,167

[She scoffs]

834

01:20:20,042 --> 01:20:21,042

[Music stops]

835

01:20:22,833 --> 01:20:23,832

[Deep pumps]

836

01:20:23,833 --> 01:20:26,417

- [Deep voice, on mobile] *<i>Yes?</i>*

- This balance is not working!

837

01:20:26,418 --> 01:20:28,417

I barely have any time to enjoy myself,

838

01:20:28,418 --> 01:20:31,292

while she wastes seven days,

839

01:20:31,458 --> 01:20:33,082

stuffing her face in front of the TV!

840

01:20:33,083 --> 01:20:35,250

[Deep voice] *<i>Remember,
there is no "she" and "you".</i>*

841

01:20:35,251 --> 01:20:36,333

<i>- You are...</i>

- [She growls]

842

01:20:38,417 --> 01:20:40,875

Hello everybody...

843

01:20:45,667 --> 01:20:47,167

What's happening?

Where is everybody?

844

01:20:47,292 --> 01:20:48,833

The taping's been cancelled.

845

01:20:49,875 --> 01:20:50,875

What? Why?

846

01:20:51,042 --> 01:20:52,042

[Man] Sue.

847

01:20:52,500 --> 01:20:54,750

Harvey wants to see you
in his office immediately.

848

01:20:55,417 --> 01:20:56,458

Okay.

849

01:20:56,875 --> 01:20:58,208

I'll go change...

850

01:20:58,209 --> 01:20:59,541

No, he said "Now".

851

01:20:59,542 --> 01:21:00,917

[Unsettling reverberation]

852

01:21:17,000 --> 01:21:18,792

I'll get right to the point.

853

01:21:19,625 --> 01:21:21,750

We can't keep you
on the morning show.

854

01:21:23,167 --> 01:21:25,375

But why? I just started.

855

01:21:26,083 --> 01:21:28,292

Ratings are through the roof.

856

01:21:29,167 --> 01:21:31,292

We started at 42.

857

01:21:31,542 --> 01:21:32,875

Now we're up to, like...

858

01:21:34,083 --> 01:21:35,250

[Men, in unison] 216.

859

01:21:35,251 --> 01:21:37,542

It's phenomenal!

860

01:21:38,875 --> 01:21:40,250

People love you!

861

01:21:40,708 --> 01:21:42,166

They adore you!

862

01:21:42,167 --> 01:21:43,917

They want more and more,

863

01:21:44,333 --> 01:21:45,583

and more of you.

864

01:21:45,833 --> 01:21:47,583

That is why we have decided

865

01:21:48,375 --> 01:21:50,500

that we want you to host

866

01:21:51,458 --> 01:21:53,167

the New Year's Eve show.

867

01:21:54,083 --> 01:21:55,457

You mean the...

868

01:21:55,458 --> 01:21:58,583

The network's biggest show.

Fifty million viewers.

869

01:21:58,792 --> 01:21:59,791

Live.

870

01:21:59,792 --> 01:22:02,250

- [Grand, emotive music]

- You can't go higher than that!

871

01:22:04,542 --> 01:22:05,707

Now, it's gonna be intense.

872

01:22:05,708 --> 01:22:08,292

We only have a few months

to pull it off, so...

873

01:22:08,708 --> 01:22:10,292

Are you in?

874

01:22:10,500 --> 01:22:12,625

[Sombre tone swells]

875

01:22:16,583 --> 01:22:18,333

[Abrupt silence]

876

01:22:20,417 --> 01:22:21,707

[High-pitched, eerie tone]

877

01:22:21,708 --> 01:22:23,750

If you don't open the door
when opportunity knocks

878

01:22:23,751 --> 01:22:25,167

you won't get another chance.

879

01:22:26,708 --> 01:22:28,458

You of all people know this.

880

01:22:29,250 --> 01:22:32,000

[High-pitched tone sustains;
Deep, sombre pumps]

881

01:22:39,375 --> 01:22:40,542

[Menacing, pulsating music]

882

01:22:41,333 --> 01:22:43,375

Just one more day,
and then I have a whole week off

883

01:22:43,376 --> 01:22:44,500

we can switch.

884

01:22:59,542 --> 01:23:01,375

[Music continues]

885

01:23:02,500 --> 01:23:03,958

We're doing the cover of Vogue!

886

01:23:05,500 --> 01:23:06,750

Just one more day, okay?

887

01:23:08,458 --> 01:23:10,458

[Music resumes crescendos]

888

01:23:26,708 --> 01:23:28,708

[Music stops]

889

01:23:29,333 --> 01:23:31,083

[Deep sigh;

Faint, high-pitched buzzing]

890

01:23:43,250 --> 01:23:45,417

[Elisabeth, screaming dreadfully] No!

891

01:23:45,418 --> 01:23:47,625

[Frantic, disjointed music]

892

01:24:02,833 --> 01:24:05,667

[Deep reverberation;

Alarming beats]

893

01:24:15,042 --> 01:24:15,999

[Deep voice] *<i>Yes?*

894

01:24:16,000 --> 01:24:18,000

- [Music stops]

- She didn't respect the balance!

895

01:24:18,667 --> 01:24:21,292

She's stealing

more and more time from me.

896

01:24:21,458 --> 01:24:24,917

Completely without consideration
to the consequences.

897

01:24:25,250 --> 01:24:26,833

She's a selfish bitch!

898

01:24:27,000 --> 01:24:28,440

[Deep voice] *Would you like to stop?*

899

01:24:31,083 --> 01:24:32,167

Stop?

900

01:24:32,292 --> 01:24:33,625

[Deep voice] *You are the matrix.*

901

01:24:33,958 --> 01:24:37,208

*If you are not satisfied,
you can put an end to the experience*

902

01:24:37,209 --> 01:24:40,125

*and go back to being just you,
on your own.*

903

01:24:40,417 --> 01:24:41,458

<i>Would you like to stop?</i>

904

01:24:44,583 --> 01:24:47,041

Will it go back to the way it was before?

905

01:24:47,042 --> 01:24:49,333

[Deep voice] <i>What has been transferred
won't come back.</i>

906

01:24:49,500 --> 01:24:51,833

<i>But you can stop
the experience as of now.</i>

907

01:24:51,958 --> 01:24:53,292

<i>Would you like to stop?</i>

908

01:24:53,458 --> 01:24:56,208

<i>To go back to being just you,
on your own?</i>

909

01:24:56,750 --> 01:24:58,750

[Eerie buzzing]

910

01:24:59,083 --> 01:25:00,167

No.

911

01:25:02,333 --> 01:25:04,000

No, no, no...

912

01:25:04,292 --> 01:25:05,667

I can't stop.

913

01:25:06,833 --> 01:25:07,749

She...

914

01:25:07,750 --> 01:25:09,417

[Abrupt screech;

Aggressive pounding]

915

01:25:09,917 --> 01:25:10,917

I...

916

01:25:16,208 --> 01:25:18,625

The balance just needs to be respected.

917

01:25:18,626 --> 01:25:19,707

<i>So respect it.</i>

918

01:25:19,708 --> 01:25:21,958

[Abrupt click, disconnected tone]

919

01:25:23,125 --> 01:25:24,417

Just stop it. Stop it.

920

01:25:24,583 --> 01:25:26,333

Stop it, stop it, stop it.

921

01:25:27,667 --> 01:25:30,708

[Sombre, pulsating reverberations]

922

01:25:35,542 --> 01:25:37,958

- [Reverberations fade]

- [TV host] <i>Bob, you are the winner!</i>

923

01:25:38,167 --> 01:25:41,000

*<i>So Bob, congratulations,
you've won \$25,000.</i>*

924

01:25:41,375 --> 01:25:44,417

*<i>Now you have one final chance
to answer a single question</i>*

925

01:25:44,750 --> 01:25:48,708

*<i>in our big question round
and play for \$250,000!</i>*

926

01:25:48,833 --> 01:25:49,958

[Audience cheer]

927

01:25:52,500 --> 01:25:54,000

<i>Now, you'll have just 45 seconds...</i>

928

01:25:54,001 --> 01:25:55,667

[Bones crack;
She grunts]

929

01:26:06,417 --> 01:26:08,667

[Faint, uneasy drone]

930

01:26:36,542 --> 01:26:38,333

[Bones crack loudly;

She groans]

931

01:26:39,292 --> 01:26:41,792

[She pants, loudly]

932

01:26:53,625 --> 01:26:55,917

<i>Just a little something

to keep you busy.</i>

933

01:27:08,708 --> 01:27:10,125

Fuck...

934

01:27:16,792 --> 01:27:18,917

[Music intensifies]

935

01:27:36,625 --> 01:27:39,000

[TV host] <i>Yes, ladies and gentlemen,

she is here.</i>

936

01:27:39,001 --> 01:27:40,708

- [Music stops]

<i>- The superstar</i>

937

01:27:40,709 --> 01:27:42,917

<i>of the moment, Sue!</i>

938

01:27:43,167 --> 01:27:45,083

<i>Are you ready? Let's welcome her!</i>

939

01:27:45,250 --> 01:27:46,416

<i>Sue!</i>

940

01:27:46,417 --> 01:27:48,083

[Cheering and applause]

941

01:27:48,208 --> 01:27:53,208

You popped up out of nowhere
on our screens like a tornado!

942

01:27:53,209 --> 01:27:54,958

I don't think anybody

943

01:27:55,208 --> 01:27:56,792

was really prepared for this whirlwind.

944

01:27:56,793 --> 01:27:58,708

[Energetic workout music]

945

01:28:00,542 --> 01:28:02,667

[Squelching, sombre reverberation]

946

01:28:04,125 --> 01:28:07,292

It all started with the morning show.

947

01:28:07,417 --> 01:28:08,792

And rumour has it,

948

01:28:08,958 --> 01:28:12,292

that you are up

for Tom Grant's next movie.

949

01:28:12,293 --> 01:28:14,250

[Squelching, sombre reverberation]

950

01:28:14,251 --> 01:28:15,417

<i>Ah, wait...</i>

951

01:28:15,625 --> 01:28:16,708

just a moment.

952

01:28:16,875 --> 01:28:19,041

I'm being told you are going to host

953

01:28:19,042 --> 01:28:21,500

the New Year's Eve show,

can you confirm this?

954

01:28:22,333 --> 01:28:23,333

Yes, that's right.

955

01:28:23,625 --> 01:28:25,207

[Sarcastically] Yes, that's right.

956

01:28:25,208 --> 01:28:27,167

[Eerie, distorted screeches;

Bass beats]

957

01:28:27,750 --> 01:28:30,417

Oh my God! That is huge news!

958

01:28:33,583 --> 01:28:35,124

<i>Tell us a little bit about yourself.</i>

959

01:28:35,125 --> 01:28:37,625

Where are you from,
how did you get discovered?

960

01:28:37,750 --> 01:28:40,750

I want, we want to know everything.

961

01:28:42,208 --> 01:28:43,728

[Music stops]

962

01:28:43,729 --> 01:28:45,250

Well, I mean...

963

01:28:45,750 --> 01:28:48,083

there's really not very much to tell.

964

01:28:48,667 --> 01:28:49,999

I'm just a girl

965

01:28:50,000 --> 01:28:53,750

from a very small town in Indiana.

966

01:28:53,958 --> 01:28:55,708

I'm sure that you've never heard of it.

967

01:28:55,833 --> 01:28:57,832

In fact, it's not even a town.

968

01:28:57,833 --> 01:29:00,917

I'm not sure you could
really even call it a village. It's...

969

01:29:01,917 --> 01:29:03,187

a farm, perhaps?

970

01:29:03,188 --> 01:29:04,457

[Audience laughs]

971

01:29:04,458 --> 01:29:05,750

[She laughs, sarcastically]

972

01:29:06,250 --> 01:29:07,875

[Music resumes]

973

01:29:10,458 --> 01:29:12,292

- [Music fades]

- [Sue] *But, ever since I can remember,*

974

01:29:12,293 --> 01:29:14,042

it has always been my dream

975

01:29:14,208 --> 01:29:15,417

to be on the screen.

976

01:29:16,000 --> 01:29:18,125

This is my dream.

977

01:29:18,292 --> 01:29:20,208

As a child I used to put

on shows for my family.

978

01:29:21,167 --> 01:29:22,500

[Sarcastically] Your family.

979

01:29:22,667 --> 01:29:23,750

[TV host] How sweet.

980

01:29:23,917 --> 01:29:26,083

[Eerie reverberation]

981

01:29:26,667 --> 01:29:27,708

[TV host] *So...*

982

01:29:28,000 --> 01:29:30,167

everyone is aware

983

01:29:30,417 --> 01:29:31,875

that you replaced

984

01:29:32,250 --> 01:29:33,583

[He whispers] Elisabeth Sparkle.

985

01:29:34,750 --> 01:29:37,875

And no doubt about it, you stepped in,

986

01:29:37,876 --> 01:29:39,812

you turned up the volume,

987

01:29:39,813 --> 01:29:41,750

and you rocked their world.

988

01:29:42,042 --> 01:29:43,667

Were you a fan of her show?

989

01:29:47,833 --> 01:29:49,458

Um...

990

01:29:50,125 --> 01:29:51,292

<i>Well...</i>

991

01:29:52,542 --> 01:29:54,250

Well, I can't...

992

01:29:54,625 --> 01:29:57,292

I can't really say that I actually watched

993

01:29:57,458 --> 01:29:58,458

<i>her show.</i>

994

01:29:59,083 --> 01:30:02,625

You do know that we're not exactly
from the same generation.

995

01:30:03,500 --> 01:30:05,041

And you have to admit

996

01:30:05,042 --> 01:30:06,417

it was a bit old-fashioned.

997

01:30:09,625 --> 01:30:11,042

Jurassic Fitness, really.

998

01:30:11,043 --> 01:30:12,229

[Audience laughs]

999

01:30:12,230 --> 01:30:13,427

Jurassic Fitness?

1000

01:30:13,428 --> 01:30:14,625

It needed a change.

1001

01:30:14,958 --> 01:30:16,833

[Sombre reverberation]

1002

01:30:17,125 --> 01:30:18,500

I'll fucking show you.

1003

01:30:19,792 --> 01:30:21,750

You wanna see some Jurassic Fitness?

1004

01:30:22,167 --> 01:30:24,500

[Sombre, bass beats]

1005

01:30:25,042 --> 01:30:26,167

You want it?

1006

01:30:27,083 --> 01:30:28,083

Come on,

1007

01:30:28,208 --> 01:30:30,667

come get

your fucking Jurassic Fitness!

1008

01:30:34,750 --> 01:30:36,750

[Frenetic rumbling]

1009

01:30:38,667 --> 01:30:41,333

- [Music stops]

- But my mother was a huge fan of hers.

1010

01:30:42,167 --> 01:30:43,625

[Glass breaks]

1011

01:30:43,833 --> 01:30:45,667

So every morning,

1012

01:30:46,208 --> 01:30:47,208

rain or shine,

1013

01:30:48,458 --> 01:30:50,417

<i>Sparkle Your Life</i> was on TV.

1014

01:30:50,667 --> 01:30:52,667

So, in a way, I grew up with her.

1015

01:30:52,958 --> 01:30:54,292

Whether I liked it or not.

1016

01:30:54,293 --> 01:30:55,500

[Audience laughs]

1017

01:30:55,750 --> 01:30:58,458

I guess that's why you can say
we have some sort of connection.

1018

01:30:58,708 --> 01:31:00,333

"Some sort of connection."

1019

01:31:00,500 --> 01:31:01,708

You wouldn't exist

1020

01:31:02,000 --> 01:31:03,083

without me.

1021

01:31:03,333 --> 01:31:05,542

[Intense, dramatic music;

Loud whirring]

1022

01:31:12,542 --> 01:31:14,167

[Music fades]

1023

01:31:14,458 --> 01:31:16,333

It is time, ladies and gentlemen,

1024

01:31:16,334 --> 01:31:18,750

for our final question.

1025

01:31:18,875 --> 01:31:20,666

The question that we ask

1026

01:31:20,667 --> 01:31:24,333

each and every one of our guests.

1027

01:31:24,334 --> 01:31:25,416

Okay.

1028

01:31:25,417 --> 01:31:28,667

Would you share one of your little

1029

01:31:28,668 --> 01:31:30,167

beauty secrets with us?

1030

01:31:32,000 --> 01:31:33,708

Just one little trick of yours

1031

01:31:33,875 --> 01:31:37,292

that helps you look so incredibly
stunning, I mean, look at you.

1032

01:31:37,293 --> 01:31:39,042

- I don't know...

- [Elisabeth] Say it!

1033

01:31:40,042 --> 01:31:41,417

Say it!

1034

01:31:42,458 --> 01:31:44,000

- Let me think.

- Say it.

1035

01:31:44,125 --> 01:31:46,417

Tell them

who your little beauty secret is.

1036

01:31:46,583 --> 01:31:47,583

I guess...

1037

01:31:47,625 --> 01:31:49,934

- Why don't we just show them right here?

- [Sombre music resumes]

1038

01:31:49,958 --> 01:31:51,458

Here's your little beauty secret.

1039

01:31:51,583 --> 01:31:53,250

<i>I guess I just try to be myself.</i>

1040

01:31:53,417 --> 01:31:54,417

<i>To be sincere</i>

1041

01:31:54,583 --> 01:31:56,708

<i>and grateful for all that I have.</i>

1042

01:31:57,458 --> 01:31:59,375

<i>And to always remember
to lead with my heart.</i>

1043

01:31:59,708 --> 01:32:01,417

[TV host] <i>Aw, America's sweetheart.</i>

1044

01:32:11,750 --> 01:32:13,708

- [Music stops]

- [Sarcastically] I just...

1045

01:32:14,583 --> 01:32:16,125

I try to be myself.

1046

01:32:17,792 --> 01:32:18,958

Stop it!

1047

01:32:20,042 --> 01:32:21,500

Stop it.

1048

01:32:21,708 --> 01:32:23,417

You're taking it from me.

1049

01:32:23,583 --> 01:32:25,750

That's your little secret.

1050

01:32:25,917 --> 01:32:27,458

Stop it!

1051

01:32:27,750 --> 01:32:30,458

Stop it, stop it, stop it.

1052

01:32:41,917 --> 01:32:43,375

You have to...

1053

01:32:43,542 --> 01:32:45,999

...control yourself!

1054

01:32:46,000 --> 01:32:48,458

[Deep, sombre thud]

1055

01:32:57,042 --> 01:32:59,500

[Eerie music, faint squelching]

1056

01:33:06,250 --> 01:33:08,083

I can't go back inside her.

1057

01:33:12,792 --> 01:33:14,333

[She retches]

1058

01:33:16,250 --> 01:33:17,708

Gross, old,

1059

01:33:17,833 --> 01:33:19,083

fat,

1060

01:33:19,875 --> 01:33:20,917

disgusting!

1061

01:33:26,542 --> 01:33:28,542

[Music intensifies]

1062

01:33:52,667 --> 01:33:54,833

[Music fades]

1063

01:34:03,417 --> 01:34:05,792

[Upbeat swing music]

1064

01:34:17,500 --> 01:34:19,625

[Dreamy twinkling;

Music stops]

1065

01:34:22,250 --> 01:34:25,083

[Quiet, placid music]

1066

01:34:41,458 --> 01:34:42,833

Coming to bed?

1067

01:34:43,542 --> 01:34:44,542

Yes.

1068

01:34:45,333 --> 01:34:46,625

I'll be right there.

1069

01:34:48,000 --> 01:34:52,500

[Soft, uneasy music;
synth beat]

1070

01:35:13,667 --> 01:35:16,042

[Deep rumbling]

1071

01:35:19,375 --> 01:35:21,042

[Sue gasps]

1072

01:35:27,792 --> 01:35:29,999

[High-pitched, disturbing ringing]

1073

01:35:30,000 --> 01:35:32,208

[Muffled heartbeats and breathing]

1074

01:35:45,208 --> 01:35:46,417

Fuck.

1075

01:35:48,625 --> 01:35:49,958

[She whimpers]

1076

01:35:50,458 --> 01:35:51,541

[Ringback tone]

1077

01:35:51,542 --> 01:35:52,917

- [Deep voice] <i>Yes?</i>

- Hi!

1078

01:35:53,042 --> 01:35:54,833

Hi, this is an emergency.

1079

01:35:54,958 --> 01:35:56,833

There's no more stabilizer fluid.

1080

01:35:59,000 --> 01:36:00,167

Hello?

1081

01:36:01,458 --> 01:36:03,042

It's fucking 503.

1082

01:36:03,167 --> 01:36:04,208

[Deep voice] *<i>Yes.</i>*

1083

01:36:05,083 --> 01:36:07,750

I'm telling you, this is urgent.

There's no more stabilizer fluid.

1084

01:36:07,751 --> 01:36:09,708

[Deep voice] *<i>It means
you've reached the end.</i>*

1085

01:36:12,167 --> 01:36:13,333

What do you mean, the end?

1086

01:36:13,708 --> 01:36:15,083

[Deep voice] *<i>You've drained it all out.</i>*

1087

01:36:15,084 --> 01:36:16,249

<i>If you want more,</i>

1088

01:36:16,250 --> 01:36:17,875

<i>you must let the fluid regenerate.</i>

1089

01:36:17,876 --> 01:36:18,957

[She groans]

1090

01:36:18,958 --> 01:36:20,416

Tell me how to do it,

1091

01:36:20,417 --> 01:36:22,667

I need to stabilize myself right now.

1092

01:36:23,042 --> 01:36:24,667

[Deep voice] *<i>You simply have to switch.</i>*

1093

01:36:27,250 --> 01:36:28,541

Excuse me?

1094

01:36:28,542 --> 01:36:31,208

[Deep voice] *<i>The switch reboots
the fluid secretion process</i>*

1095

01:36:31,417 --> 01:36:33,875

*<i>so you can continue
to enjoy the experience.</i>*

1096

01:36:33,876 --> 01:36:35,875

No, no, no.

1097

01:36:36,167 --> 01:36:37,583

I can't switch, I can't.

1098

01:36:38,250 --> 01:36:39,791

Especially not now.

1099

01:36:39,792 --> 01:36:41,625

[Deep voice] <i>There is no other option.</i>

1100

01:36:41,626 --> 01:36:43,583

[High-pitched, distorted ringing]

1101

01:36:45,875 --> 01:36:47,833

[She whimpers]

1102

01:36:54,042 --> 01:36:56,292

[Muffled grunts;

Eerie reverberations]

1103

01:37:06,000 --> 01:37:07,875

[Music stops]

1104

01:37:08,167 --> 01:37:09,292

Sue?

1105

01:37:12,917 --> 01:37:14,124

[Thick thud]

1106

01:37:14,125 --> 01:37:16,458

[Elisabeth gasps, coughs]

1107

01:37:17,083 --> 01:37:18,750

[Gurgling in the distance]

1108

01:37:21,667 --> 01:37:22,833

Babe?

1109

01:37:25,917 --> 01:37:26,958

Sue?

1110

01:37:27,458 --> 01:37:28,583

You alright?

1111

01:37:30,500 --> 01:37:32,083

[Elisabeth grunts]

1112

01:37:34,417 --> 01:37:35,750

Stressed out about tomorrow?

1113

01:37:37,458 --> 01:37:39,375

[Eerie screech echoes]

1114

01:37:41,292 --> 01:37:42,708

Babe?

1115

01:37:47,333 --> 01:37:48,375

Babe.

1116

01:37:48,500 --> 01:37:50,667

[Eerie screech stops]

1117

01:37:56,042 --> 01:37:58,208

Sue? Is something wrong?

1118

01:38:03,333 --> 01:38:05,708

You a little cranky because
of your lady business?

1119

01:38:05,875 --> 01:38:07,958

[Deep, distorted reverberation]

1120

01:38:10,167 --> 01:38:11,500

Sue, open the door.

1121

01:38:12,750 --> 01:38:14,167

<i>- Come on, Sue.</i>

- [Knocks on door]

1122

01:38:14,583 --> 01:38:16,458

<i>It's not funny, I need to take a piss.</i>

1123

01:38:17,708 --> 01:38:19,042

<i>Sue, open the door.</i>

1124

01:38:19,958 --> 01:38:21,667

<i>Open the door, Sue. Come on.</i>

1125

01:38:21,958 --> 01:38:23,145

[Knocks on door]

1126

01:38:23,146 --> 01:38:24,333

<i>Babe.</i>

1127

01:38:24,625 --> 01:38:26,708

[Unsettling music]

1128

01:38:27,250 --> 01:38:29,000

<i>- Open the door.</i>

- [Knocks on door]

1129

01:38:38,042 --> 01:38:40,000

[Grunting, distressed breathing]

1130

01:38:40,250 --> 01:38:41,333

<i>Sue...</i>

1131

01:38:47,458 --> 01:38:49,125

[Heavy knocks on door;
Music intensifies]

1132

01:38:49,126 --> 01:38:50,500

<i>Open the door!</i>

1133

01:38:51,417 --> 01:38:52,708

- Get out!

- [Music stops]

1134

01:38:53,333 --> 01:38:54,667

What the fuck?

1135

01:38:55,833 --> 01:38:57,500

[In a raspy voice] Get the fuck out!

1136

01:38:57,833 --> 01:38:59,958

Who's this? Who the fuck is this?

1137

01:39:00,083 --> 01:39:01,375

And leave me alone!

1138

01:39:10,292 --> 01:39:12,125

What the fuck!

1139

01:39:28,667 --> 01:39:30,417

[Bone cracks;

She grunts]

1140

01:39:42,875 --> 01:39:44,833

[She breathes heavily]

1141

01:39:58,250 --> 01:39:59,708

[Ringback tone]

1142

01:40:05,208 --> 01:40:06,250

[Deep voice] <i>Yes?</i>

1143

01:40:07,208 --> 01:40:08,250

I...

1144

01:40:09,250 --> 01:40:11,167

It's 503,

1145

01:40:12,292 --> 01:40:13,812

and I want to stop.

1146

01:40:13,813 --> 01:40:15,332

<i>Are you sure?</i>

1147

01:40:15,333 --> 01:40:17,333

<i>Once you stop, you can't go back.</i>

1148

01:40:17,542 --> 01:40:19,124

I wanna stop!

1149

01:40:19,125 --> 01:40:21,417

I wanna fucking stop.

1150

01:40:21,750 --> 01:40:23,583

I wanna stop!

1151

01:40:24,125 --> 01:40:25,249

<i>We'll deliver.</i>

1152

01:40:25,250 --> 01:40:26,333

[Disconnected tone]

1153

01:40:29,583 --> 01:40:31,625

[She grunts]

1154

01:40:58,958 --> 01:41:01,292

[Bass beats, eerie music]

1155

01:41:04,375 --> 01:41:06,625

[She grunts, breathes heavily]

1156

01:41:12,417 --> 01:41:13,541

Sue? I...

1157

01:41:13,542 --> 01:41:14,667

Fuck off!

1158

01:41:16,667 --> 01:41:18,833

[Music continues]

1159

01:41:24,500 --> 01:41:26,833

[Loud honks, sirens blare]

1160

01:41:28,208 --> 01:41:30,000

[Dogs bark]

1161

01:41:31,208 --> 01:41:33,125

[Alarm goes off]

1162

01:41:43,000 --> 01:41:44,000

[Deep exhalation]

1163

01:41:44,375 --> 01:41:46,458

[Music continues]

1164

01:42:35,000 --> 01:42:36,792

- [Deep voice] *Are you sure?*

- [Music stops]

1165

01:42:38,708 --> 01:42:41,167

Once you stop, you can't go back.

1166

01:42:41,375 --> 01:42:43,417

1174

01:42:54,750 --> 01:42:56,542

[Music stops, abruptly;
Elisabeth grunts]

1175

01:42:59,458 --> 01:43:01,500

[Muffled heartbeat]

1176

01:43:07,500 --> 01:43:09,042

[Heartbeats pace slows down]

1177

01:43:22,667 --> 01:43:24,875

[Heartbeats stop]

1178

01:43:28,792 --> 01:43:30,792

[Soft, melancholic music]

1179

01:43:38,875 --> 01:43:42,542

[Magical twinkling joins as music rises]

1180

01:43:43,458 --> 01:43:44,791

[Paparazzi] *<i>Elisabeth!</i>*

1181

01:43:44,792 --> 01:43:47,417

<i>- We love you!</i>

- [Clapping and cheering]

1182

01:43:48,417 --> 01:43:49,832

<i>Over here!</i>

1183

01:43:49,833 --> 01:43:51,687

<i>We love you!</i>

1184

01:43:51,688 --> 01:43:53,542

[Music fades]

1185

01:43:56,208 --> 01:43:57,500

I can't.

1186

01:43:58,667 --> 01:44:00,000

I can't.

1187

01:44:00,542 --> 01:44:02,333

I can't do this.

1188

01:44:05,250 --> 01:44:06,750

I need you.

1189

01:44:07,375 --> 01:44:08,542

Cause...

1190

01:44:08,750 --> 01:44:10,458

I hate myself.

1191

01:44:13,417 --> 01:44:16,625

[She stammers] You gotta...

you gotta get ready,

1192

01:44:17,000 --> 01:44:18,500

it's our big, it's our big night.

1193

01:44:18,501 --> 01:44:19,708

[She laughs nervously]

1194

01:44:20,375 --> 01:44:22,792

Come on, they're gonna

love you so much.

1195

01:44:23,792 --> 01:44:24,833

Come on.

1196

01:44:26,083 --> 01:44:27,083

Come on.

1197

01:44:27,292 --> 01:44:28,458

One, two...

1198

01:44:28,625 --> 01:44:30,167

you're the only lovable part of me,

1199

01:44:30,168 --> 01:44:31,792

you have to come back.

1200

01:44:32,208 --> 01:44:33,500

[She cries] You have to come back!

1201

01:44:33,501 --> 01:44:34,542

Come back...

1202

01:44:38,625 --> 01:44:40,750

[Subtle, sombre reverberation]

1203

01:44:58,458 --> 01:44:59,458

Come on.

1204

01:45:01,250 --> 01:45:02,292

Come on.

1205

01:45:04,292 --> 01:45:05,999

[Music crescendos]

1206

01:45:06,000 --> 01:45:07,708

[Abrupt silence]

1207

01:45:08,833 --> 01:45:09,833

Come on!

1208

01:45:15,083 --> 01:45:16,375

[Abrupt, intense screech]

1209

01:45:21,500 --> 01:45:23,250

[Sombre reverberation]

1210

01:45:25,958 --> 01:45:27,042

[Sharp, glitchy screech]

1211

01:45:27,292 --> 01:45:28,417

[Sharp, glitchy screech]

1212

01:45:29,167 --> 01:45:30,292

[Sharp, glitchy screech]

1213

01:45:31,708 --> 01:45:34,375

- [They whimper, breathe heavily]

- [Deep stinger]

1214

01:46:03,708 --> 01:46:06,000

[Tense, powerful electric music]

1215

01:46:20,583 --> 01:46:22,417

[Elisabeth gurgles]

1216

01:46:30,958 --> 01:46:33,125

[Music subsides;

Muffled beats]

1217

01:46:33,958 --> 01:46:36,333

- [Sue screams]

- [Music resumes, intensifies]

1218

01:46:50,125 --> 01:46:52,333

- [She grunts]

- [Music subsides]

1219

01:46:57,542 --> 01:46:59,917

[She pants]

1220

01:47:05,750 --> 01:47:07,875

[Grunting and kicking continue]

1221

01:47:16,917 --> 01:47:18,708

[Music resumes]

1222

01:47:35,417 --> 01:47:37,417

[Music stops;
They pant]

1223

01:47:50,042 --> 01:47:51,750

[Sharp, glitchy screech]

1224

01:47:53,208 --> 01:47:54,958

[Sharp, glitchy screech]

1225

01:48:23,625 --> 01:48:25,667

[Elisabeth whimpers]

1226

01:48:42,000 --> 01:48:44,167

[Ominous music resumes]

1227

01:48:44,542 --> 01:48:46,042

[Elisabeth grunts]

1228

01:49:09,000 --> 01:49:11,167

[Sue grunts]

1229

01:49:11,292 --> 01:49:13,208

[Music stops]

1230

01:49:33,417 --> 01:49:35,750

[Music resumes, swells]

1231

01:49:42,042 --> 01:49:44,083

[Macabre music]

1232

01:50:07,875 --> 01:50:09,875

[Muffled glitch flickers]

1233

01:50:10,333 --> 01:50:12,500

- [She screams]

- [Music stops, reverberates]

1234

01:50:14,958 --> 01:50:17,208

[Sue whimpers, pants]

1235

01:50:33,000 --> 01:50:37,000

[Soft, uneasy violin music;

synth beat

1236

01:51:10,333 --> 01:51:12,375

[Music transitions into
upbeat, jazz music]

1237

01:51:12,542 --> 01:51:14,500

[Man] Got an hour and a half
for makeup. Hair...

1238

01:51:14,625 --> 01:51:16,895

And then we gotta get you
to the fitting room, into your dress.

1239

01:51:16,896 --> 01:51:19,167

After that we have one final test
on stage for lighting and sound.

1240

01:51:19,168 --> 01:51:20,708

We have a bit of downtime
before the show starts.

1241

01:51:20,709 --> 01:51:21,958

[Muffled] You got it?

1242

01:51:22,125 --> 01:51:23,167

Okay, let's go.

1243

01:51:23,292 --> 01:51:24,291

Come on.

1244

01:51:24,292 --> 01:51:26,375

[Upbeat, jazz music continues]

1245

01:51:31,167 --> 01:51:32,208

[Harvey] The dress.

1246

01:51:32,750 --> 01:51:34,125

Wonderful!

1247

01:51:34,625 --> 01:51:35,667

Perfect!

1248

01:51:43,542 --> 01:51:46,000

- [Music subsides]

- [Muffled, distorted] And here you go...

1249

01:51:46,250 --> 01:51:48,125

[High-pitched ringing]

1250

01:51:52,250 --> 01:51:53,875

- [Music resumes]

- Good.

1251

01:51:54,375 --> 01:51:55,500

Can we get the dance light?

1252

01:51:56,833 --> 01:51:58,917

[Music stops;

Muffled reverberation]

1253

01:52:00,500 --> 01:52:02,875

- [Reverberation stops]

- I'm gonna be right back, sorry.

1254

01:52:02,876 --> 01:52:05,000

[Music continues in the background]

1255

01:52:08,083 --> 01:52:10,125

[She coughs]

1256

01:52:13,750 --> 01:52:15,958

[Cough intensifies]

1257

01:52:25,458 --> 01:52:27,417

[Subtle, high-pitched ringing]

1258

01:52:49,417 --> 01:52:52,167

[Disturbing, dissonant music;

Muffled heartbeats race]

1259

01:53:03,458 --> 01:53:05,375

[Music subsides]

1260

01:53:23,208 --> 01:53:25,833

[Muffled breathing, squelching]

1261

01:53:27,500 --> 01:53:28,541

[Knocks on door]

1262

01:53:28,542 --> 01:53:31,583

[Man] <i>Sue, they need to see you on stage

to set the lights.</i>

1263

01:53:33,375 --> 01:53:34,457

[Sue] Huh?

1264

01:53:34,458 --> 01:53:35,833

[Knocks on door]

1265

01:53:44,458 --> 01:53:46,250

[Stifled scream]

1266

01:53:50,000 --> 01:53:52,458

[Disturbing, airy howling]

1267

01:53:55,458 --> 01:53:56,958

[Deep voice] <i>Have you ever dreamt</i>

1268

01:53:58,125 --> 01:54:00,500

<i>of a better version of yourself?</i>

1269

01:54:01,500 --> 01:54:02,708

<i>More beautiful,</i>

1270

01:54:03,083 --> 01:54:04,500

<i>more perfect...</i>

1271

01:54:04,792 --> 01:54:06,833

- [Man, knocking on door] <i>Sue?</i>

- [Music stops]

1272

01:54:07,708 --> 01:54:09,292

Yes, let me meet you there.

1273

01:54:09,458 --> 01:54:11,333

[Man] <i>Okay, so I'll wait for you on stage.</i>

1274

01:54:13,708 --> 01:54:16,042

[Upbeat jazz music in the distance]

1275

01:54:17,167 --> 01:54:18,917

[Unsettling reverberations pulsates]

1276

01:54:21,125 --> 01:54:23,292

[Harvey, with echo] Oh! Sue!

- [Distorted, abrupt reverberation]

1284

01:54:59,292 --> 01:55:01,458

It's what we want tonight!

1285

01:55:02,667 --> 01:55:06,249

Pretty girls should always smile.

1286

01:55:06,250 --> 01:55:08,250

[Indistinct chatter;

Jazz music resumes]

1287

01:55:08,251 --> 01:55:09,333

[Director] Girls, come on.

1288

01:55:09,542 --> 01:55:10,917

Let's go! Let's go! Let's go!

1289

01:55:12,958 --> 01:55:14,208

Come on, we gotta go.

1290

01:55:16,708 --> 01:55:18,792

Tiffany, Cindy, Ashley.

1291

01:55:18,958 --> 01:55:20,208

Go, go, go!

1292

01:55:20,375 --> 01:55:22,667

Feathers! Feathers! Feathers!

1293

01:55:27,417 --> 01:55:29,250

[Jazz music fades]

1294

01:55:30,167 --> 01:55:32,208

[Unsettling music;

Heavy breathing]

1295

01:55:39,750 --> 01:55:40,875

[Nail cracks]

1296

01:56:00,833 --> 01:56:02,833

[Muffled, distorted scream]

1297

01:56:14,500 --> 01:56:15,917

[Distorted] Hey, ready for tonight?

1298

01:56:18,333 --> 01:56:20,375

[No audible dialogue]

1299

01:56:29,292 --> 01:56:31,458

[Music intensifies]

1300

01:56:40,833 --> 01:56:42,500

[Sue crying, muffled]

1301

01:57:03,125 --> 01:57:05,125

[Music subsides]

1302

01:57:05,750 --> 01:57:07,542

[Sue] I need a better version of myself.

1303

01:57:07,708 --> 01:57:10,458

Please give me

a better version of myself, please.

1304

01:57:16,333 --> 01:57:17,833

Please!

1305

01:57:19,542 --> 01:57:21,374

Come on!

1306

01:57:21,375 --> 01:57:23,208

[Squelching]

1307

01:57:27,250 --> 01:57:29,333

[Distorted, aggressive music]

1308

01:57:49,042 --> 01:57:50,792

[Music fades]

1309

01:57:53,583 --> 01:57:55,375

[Crackling]

1310

01:58:04,542 --> 01:58:06,583

[Muffled, heavy breathing]

1311

01:58:25,958 --> 01:58:28,000

[Dissonant, macabre stinger]

1312

01:58:34,333 --> 01:58:36,042

[Dissonant, macabre stinger]

1313

01:58:40,667 --> 01:58:42,625

[Eerie, suspenseful music]

1314

01:58:56,708 --> 01:58:58,750

[Gurgling]

1315

01:59:04,417 --> 01:59:07,458

[Dissonant screeches and reverberations]

1316

01:59:15,500 --> 01:59:19,500

[With echo] Looks like everything
sure is in the right place this time.

1317

01:59:21,333 --> 01:59:22,687

<i>Please say your name,</i>

1318

01:59:22,688 --> 01:59:24,042

<i>age, measurements.</i>

1319

01:59:27,417 --> 01:59:28,708

[Deep, distorted voice] I'm...

1320

01:59:34,958 --> 01:59:36,333

I'm...

1321

01:59:38,417 --> 01:59:40,542

[Music resumes]

1322

01:59:43,333 --> 01:59:46,375

[Loud, glitchy metallic screech]

1323

01:59:47,792 --> 01:59:49,458

[Music fades]

1324

01:59:50,750 --> 01:59:52,667

[Quiet, suspenseful music]

1325

02:00:05,083 --> 02:00:07,042

[Gurgling, heavy breathing]

1326

02:00:37,833 --> 02:00:39,667

[Music fades]

1327

02:00:48,208 --> 02:00:50,625

[Delicate, pensive music]

1328

02:00:58,958 --> 02:01:00,958

[Squelching]

1329

02:01:05,083 --> 02:01:07,500

[Tinkling]

1330

02:01:25,083 --> 02:01:27,250

[Delicate, dreamy music]

1331

02:01:38,833 --> 02:01:40,875

[Music fades]

1332

02:01:50,292 --> 02:01:52,250

[Slow-paced, sombre music]

1333

02:02:21,000 --> 02:02:22,124

[Harvey] <i>Pretty girls</i>

1334

02:02:22,125 --> 02:02:24,792

<i>should always smile.</i>

1335

02:02:24,958 --> 02:02:26,917

[Music continues]

1336

02:02:37,333 --> 02:02:39,250

[Deep, macabre stinger]

1337

02:02:39,917 --> 02:02:42,292

[Dampened footsteps]

1338

02:02:47,167 --> 02:02:49,208

[Upbeat jazz music

in the distance]

1339

02:02:49,667 --> 02:02:51,958

[Thick, muffled thuds]

1340

02:02:59,625 --> 02:03:02,875

At last, we were starting to worry.

Hurry up, you're up in five.

1341

02:03:05,917 --> 02:03:09,125

[Muffled, heavy breathing;

Thuds]

1342

02:03:09,292 --> 02:03:12,792

- [Music plays <i>- At Last</i>, by Etta James]

- [Canned crowd cheering]

1343

02:03:13,208 --> 02:03:15,208

[Elegant violin music]

1344

02:03:21,583 --> 02:03:23,875

There she is, so beautiful.

1345

02:03:24,958 --> 02:03:26,292

We love you!

1346

02:03:27,958 --> 02:03:29,499

This is where you belong,

1347

02:03:29,500 --> 02:03:31,083

and you'll always belong here.

1348

02:03:31,250 --> 02:03:32,542

We can't do it without you.

1349

02:03:32,708 --> 02:03:34,125

We could never do it without you.

1350

02:03:35,042 --> 02:03:36,708

- You're irreplaceable.

- [Music distorts]

1351

02:03:36,709 --> 02:03:38,583

[Music fades]

1352

02:03:40,833 --> 02:03:42,792

[Heavy breathing]

1353

02:03:49,208 --> 02:03:51,417

[Upbeat, rockabilly music]

1354

02:04:03,167 --> 02:04:04,500

[Audience murmurs]

1355

02:04:04,917 --> 02:04:07,000

Girls, come on, let's go.

What are we waiting for?

1356

02:04:07,208 --> 02:04:08,333

Alright, come on, everybody.

1357

02:04:08,334 --> 02:04:09,583

Let's go, let's go.

1358

02:04:13,333 --> 02:04:15,667

You will not be disappointed.

1359

02:04:16,583 --> 02:04:18,582

She's my most beautiful creation.

1360

02:04:18,583 --> 02:04:20,583

I have shaped her for success.

1361

02:04:23,708 --> 02:04:25,542

[Audience exclaims]

1362

02:04:26,167 --> 02:04:27,562

Five!

1363

02:04:27,563 --> 02:04:28,958

Four!

1364

02:04:29,125 --> 02:04:30,542

Three!

1365

02:04:30,667 --> 02:04:31,792

Two!

1366

02:04:32,042 --> 02:04:33,292

One!

1367

02:04:33,417 --> 02:04:35,667

[Powerful, loud stinger;

Soft, uneasy music]

1368

02:04:37,792 --> 02:04:39,708

[Audience cheers]

1369

02:04:45,667 --> 02:04:47,542

[Music fades]

1370

02:04:51,792 --> 02:04:53,667

[Powerful, loud stinger]

1371

02:05:04,917 --> 02:05:07,417

[Music plays *Thus Spoke Zarathustra*,
by Richard Strauss]

1372

02:05:08,250 --> 02:05:10,417

[Contemplative, anticipating brass]

1373

02:05:10,833 --> 02:05:12,625

[Heavy breathing]

1374

02:05:24,583 --> 02:05:27,208

[Grand, dramatic strings join]

1375

02:05:30,667 --> 02:05:33,167

[Powerful, epic percussion joins]

1376

02:05:43,875 --> 02:05:46,750

[Composition swells]

1377

02:05:52,292 --> 02:05:55,000

[Striking crescendo]

1378

02:05:56,667 --> 02:05:58,625

[Composition fades]

1379

02:06:00,625 --> 02:06:03,042

[Loud, coarse breathing]

1380

02:06:11,208 --> 02:06:13,208

[Microphone distorts]

1381

02:06:13,750 --> 02:06:18,792

[In a deep, distorted voice] I'm so happy
to be with you tonight.

1382

02:06:21,583 --> 02:06:24,750

I've missed you all

1383

02:06:25,000 --> 02:06:27,500

so much!

1384

02:06:29,625 --> 02:06:31,875

[Deep, unsettling rumble]

1385

02:06:32,958 --> 02:06:35,083

[Laboured breathing, gurgling]

1386

02:06:46,958 --> 02:06:48,792

[Squelching]

1387

02:06:50,375 --> 02:06:52,417

[Audience murmurs]

1388

02:07:06,042 --> 02:07:07,708

[Audience exclaims]

1389

02:07:16,208 --> 02:07:18,542

[Faint, tense music]

1390

02:07:27,958 --> 02:07:29,500

The monster!

1391

02:07:37,708 --> 02:07:39,125

Shoot the monster!

1392

02:07:40,583 --> 02:07:41,583

It's a freak!

1393

02:07:41,875 --> 02:07:42,917

No!

1394

02:07:43,042 --> 02:07:45,250

Shoot the monster!

1395

02:07:45,833 --> 02:07:46,958

Don't be scared!

1396

02:07:47,208 --> 02:07:48,292

Monster!

1397

02:07:48,500 --> 02:07:49,792

It's still me!

1398

02:07:50,042 --> 02:07:51,208

It's me!

1399

02:07:52,042 --> 02:07:54,041

I'm Elisabeth! I'm Sue!

1400

02:07:54,042 --> 02:07:56,458

[Deep, macabre music;

Loud screaming]

1401

02:08:00,000 --> 02:08:01,042

Freak!

1402

02:08:03,333 --> 02:08:05,458

[Distorted] You freak!

1403

02:08:07,833 --> 02:08:10,125

[Distorted] Monster!

1404

02:08:13,417 --> 02:08:14,542

Freak!

1405

02:08:16,125 --> 02:08:17,792

Monster!

1406

02:08:19,542 --> 02:08:21,167

[Music subsides]

1407

02:08:21,168 --> 02:08:22,625

It's me!

1408

02:08:24,542 --> 02:08:26,124

Just me.

1409

02:08:26,125 --> 02:08:28,208

[Sad, wistful music]

1410

02:08:33,000 --> 02:08:34,958

[Music intensifies]

1411

02:08:38,792 --> 02:08:40,500

[Music concludes]

1412

02:08:42,500 --> 02:08:43,917

[Subtle, uneasy tone]

1413

02:08:46,000 --> 02:08:47,542

[Squelching, growling]

1414

02:08:49,167 --> 02:08:50,792

[Grunting]

1415

02:08:53,667 --> 02:08:54,708

[He gasps]

1416

02:08:58,917 --> 02:09:01,125

[Dissonant, macabre stinger]

1417

02:09:02,833 --> 02:09:04,708

[Audience screams]

1418

02:09:17,917 --> 02:09:21,542

[Aggressive heavy metal music]

1419

02:09:29,125 --> 02:09:30,292

[High-pitched ringing]

1420

02:09:30,293 --> 02:09:31,416

[Music stops]

1421

02:09:31,417 --> 02:09:33,667

[Man] *Too bad her boobs aren't
in the middle of her face*

1422

02:09:33,668 --> 02:09:35,542

instead of that nose.

1423

02:09:35,543 --> 02:09:36,917

[Low growling]

1424

02:09:36,918 --> 02:09:38,292

[Man 2] Mm-hmm.

1425

02:09:38,792 --> 02:09:39,791

[Man] *<i>Next!</i>*

1426

02:09:39,792 --> 02:09:41,792

[Loud, aggressive music resumes]

1427

02:09:44,792 --> 02:09:45,832

[Music stops]

1428

02:09:45,833 --> 02:09:49,000

[Harvey] *<i>Pretty girls should always smile.</i>*

1429

02:09:49,125 --> 02:09:51,583

[Aggressive music resumes]

1430

02:09:53,375 --> 02:09:54,416

[Music stops]

1431

02:09:54,417 --> 02:09:56,708

<i>At 50 it stops.</i>

1432

02:09:56,917 --> 02:09:59,625

[Music resumes]

1433

02:10:33,417 --> 02:10:35,750

[Music continues]

1434

02:10:57,708 --> 02:10:59,750

[Music concludes]

1435

02:11:04,250 --> 02:11:06,500

[She pants, grunts]

1436

02:11:24,542 --> 02:11:26,333

[She groans]

1437

02:11:46,042 --> 02:11:48,333

[Mild squealing and grunting]

1438

02:12:26,292 --> 02:12:27,875

[She exhales deeply]

1439

02:12:27,876 --> 02:12:29,625

[Insects chirp]

1440

02:12:36,167 --> 02:12:37,917

[Magical twinkling]

1441

02:12:39,500 --> 02:12:41,458

[Applause and cheering]

1442

02:12:42,125 --> 02:12:44,292

[Grand, resonating music]

1443

02:12:58,167 --> 02:12:59,458

<i>So beautiful!</i>

1444

02:13:00,375 --> 02:13:01,583

<i>We love you!</i>

1445

02:13:04,375 --> 02:13:06,333

<i>You're irreplaceable!</i>

1446

02:13:12,750 --> 02:13:15,125

[Music fades]

1447

02:13:18,625 --> 02:13:20,833

[Insects chirp]

1448

02:13:27,208 --> 02:13:29,417

[Birdsong]

1449

02:13:31,958 --> 02:13:33,917

[Whirring]

1450

02:13:49,417 --> 02:13:51,583

[Sirens blare in the distance]

1451

02:14:00,125 --> 02:14:02,000

[Eerie synth screech]

1452

02:14:03,500 --> 02:14:06,625

[Pulsating, electronic music]

1453

02:14:48,208 --> 02:14:50,417

[Music builds]

1454

02:14:55,250 --> 02:14:57,207

[Silence]

1455

02:14:57,208 --> 02:14:59,125

[Music resumes, intensifies]

1456

02:15:19,000 --> 02:15:21,083

[Music stops]

1457

02:15:26,708 --> 02:15:28,833

[Delicate piano music]

1458

02:16:31,125 --> 02:16:33,583

[Music continues]

1459

02:17:03,542 --> 02:17:05,458

[Music concludes]

1460

02:17:07,000 --> 02:17:09,375

[Delicate, uneasy music]

1461

02:17:20,667 --> 02:17:22,958

[Low, drone-like music]

1462

02:18:22,667 --> 02:18:24,750

[Music continues]

1463

02:19:00,500 --> 02:19:02,625

[Music intensifies]

1464

02:19:26,667 --> 02:19:28,792

[Music subsides]

1465

02:20:05,833 --> 02:20:08,083

[Music fades]

1466

02:20:15,125 --> 02:20:17,292

[Deep, resonating poundings]

1467

02:21:04,125 --> 02:21:06,208

[Poundings stop]
